LOUDON, TENNESSEE, THURSDAY, JULY 6, 1972

TEN CENTS PER COPY

RAIN DIDN'T MATTER ON THE 4TH

Sometimes I think some people would come to a July 4th parade in Loudon if there was 20 inches of snow on the ground. Although there was some rain Tuesday morning, still some 2000 people lined the streets to see the annual offering in Loudon.

The event is always billed as an Old Fashioned 4th, and it was just that. Still a lot of work goes into the event and the Jaycees are to be commended to taking the bull, cow, horse or bicycle by the horn. No matter how simple it appears, people still like to see a parade.

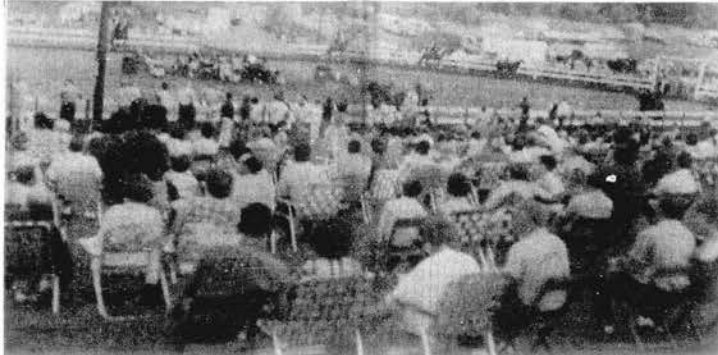

Other 4th events were well attended also despite the weather. The \$5 on top of the greasy pole at the Lions Carnival at the park was claimed after two hours of trying. There, too, the events were simple but well attended.

The Quarterback Club Horse Show on Monday night was something else again. They say 255 entries and 2500 to 3000 people made up the town's largest horse show ever.

Lindsey, Elliott Named Top Jaycee, Jaycette

Rev. Jack Ferguson, pastor of the Cumberland Presbyterian Church of the Year by their respective clubs. Winning the Key Man and Key Girl Awards, selected by the outgoing presidents, were Earl and Joyce Hidenour.

Serving as officers for the Jaycees along with Rev. Ferguson will be Jimmy Lindsey as External Vice President; Tom Elliott, Internal Vice President; Larry Stogner, secretary-treasurer; Earl Hidenour, State Director; Kyle Anderson (Continued On Page 10)

BIGGEST HORSESHOW EVER IN LOUDON-Loudon's Quarterback Club believes they are the undisputed champs of horse show sponsors in Loudon. Their Second Annual Show Monday night drew some 255 entries and between 2500 and 3000 people jammed the show ring area

for the event, becoming the biggest show anyone remembers being held in Loudon. The photo above attests to the size of the crowd as they watch one of the 21 classes being judged.

Squires To Discuss Ambulance Service

Loudon County Court will meet at 9 a.m. Monday, July 10, a week later than the scheduled "first Monday" meeting each month. The July meeting was postponed because Monday, July 3 was so close to the Independence Day holiday.

At Monday's meeting, Court members will hear details of the Chancery Court lawsuit which has resulted in Loudon County receiving about \$70,000 additional revenue annually from the TVA in lieu of tax payments made to the state.

According to the agenda prepared by County Judge Harvey Sproul, Court members also will be formally presented a letter from Election Commission Chairman John Gibson outlining the Commission's refusal to realign voting districts in accordance with a recent reapportionment resolution of Loudon County Quarterly Court.

The agenda follows:
Following is the planned agenda for the regular July meeting of the Loudon County Quarterly Court to be held at 9:00 A.M. on Monday, July 10, 1972:

1. Pledge of allegiance, opening of Court, and roll call.
2. Reading and approval of the minutes of the June 5, 1972, regular meeting of the Court.
3. Recognition of visitors and delegations and open discussion period. (At this time any visitor or delegation may state any business which they may want to take up with the Quarterly Court, and make any statement about any item in which they are interested which is on the planned agenda.)

4. Report of County officials, Departments, and Committees

- A. County Judge
1. Lawsuits in which the County is involved.
- a. Suit against State Equalization Board for increase of "in-lieu-of-tax" payments. As result of appearance by County Judge before State Board of Equalization and hearing in Davidson County Chancery Court, additional discussion concerning position to be taken by Loudon County in the event Chancellor awards an attorney's fee to Anderson County Judge, Joe Magill.
- b. Loudon County versus Bobby J. Knowles.
- c. Loudon County Board of Public Utilities versus Fort Loudon Utility District.
- d. Joe Greenway versus Loudon County - including any discussion of possibility of deal concerning any matters involved in decision of Chancellor.

e. Loudon County - In Re: Riverview Cemetery (discussion concerning possible settlement or method of administering Cemetery).

2. Consideration of any additional action to authorize lease of trucks from TVA in use of County operations concerning solid waste management to include roadside dump clean-up, and necessary appropriations.
- B. Ambulance Service Study Committee.
1. Recommendation of County Court Committee as requested by previous Quarterly Court Resolution.
2. Consideration of any action to be taken concerning

(Continued On Page 8)

Loudon Man Shot To Death In Atlanta

A Loudon man was apparently murdered Friday

morning in Atlanta, according to sketchy information received here. Kenneth Ray (Horse Fly) Johnson, 37, was reportedly shot in the chest with a .38 caliber pistol and was found dead on an Atlanta sidewalk.

It was also reported that a suspect in the case was also shot in the leg, has been hospitalized and charged in the murder of Johnson, although no other details are known, and all information reaching here is hearsay.

Johnson resided at 1022 Grove Street in Loudon. He was pronounced dead at an Atlanta hospital during the early morning hours Friday. He was the son of the late Henry H. Johnson and a veteran of the Air Force and Army, having served for seven years. He was a painter by trade.

Mr. Johnson is survived by two children, Jeane and Kenny; mother, Mrs. Susie Packer Johnson; brothers, Gene of Georgia, Freeman

and Helrod of Loudon; Doyle of California, a half brother, Ted of Loudon; sister, Mrs. Evelyn Aiken of Florida; half sisters, Mrs. Joe Henson, Mrs. Carter Massey of Loudon and nieces and nephews.

Funeral services were held at 3:30 p.m. Sunday at Hawkins Funeral Home Chapel with interment in Riverview Cemetery. Rev. J.B. Watson officiated. Hawkins Funeral Home has charge of arrangements.

OUTSTANDING JAYCEES-Outgoing President of the Loudon Jaycees Larry Stogner (center) is shown presenting Jaycee Jimmy Lindsey with the Jaycee of the Year award at the Jaycee Awards and Installation Dinner last Friday night. Earl Hidenour who was named as Jaycee Key Man of the Year looks on.

Photo Story Of ... July 4, 1972 In Loudon

DECORATED BICYCLE Contest winners in the July 4th parade were Chucky Hughes, Ann Ross, Jan Millsaps, Chris Mitchell and Tim Gelbert, shown here with their cash prize.

BUCK DANCING AT THE OUTHOUSE was the theme of this float, one of the most popular in the July 4th parade Tuesday.

NEW JAYCEE OFFICERS-Jay Myers, past Region III Tennessee Jaycee Vice President, out of picture, is installing the pictured officers of the Loudon Jaycees at their annual Awards and Installation Dinner last Friday night. The Jaycee officers are (left to right) Jimmy E. Lindsey, External Vice President; Larry Stogner, secretary-treasurer; Rev. Jack Ferguson, President; Kyle Anderson, director; Earl Hidenour, State Director; and Tom Elliott, Internal Vice President. Director Mike Waller was not present.

JAYCETTE OFFICERS INSTALLED-Elaine Russell, Regional Jaycette Vice President of the Tennessee Jaycettes (right) is shown installing the new officers of the Loudon Jaycettes. They are (left to right) Mrs. Tom Elliott, President; Mrs. Larry Stogner, Vice President; and Mrs. Earl Hidenour, treasurer. Officers not present were Iris Alban, State Director; and Mrs. Eli Galyon, secretary.

-And Cotton Candy too...

County U-F Puts \$708 In R-C Agnes Fund

Directors of the Loudon County United Fund voted last week to appropriate \$708 in special emergency funds to the American Red Cross.

The money represents the Loudon County Red Cross Chapter's quota to be used in disaster relief in connection with Hurricane Agnes - which left a path of destruction along Florida's west coast and through Virginia, Pennsylvania, Maryland and New York - and the disastrous flood in Rapid City, S.D.

The money will be paid out

of the UF Reserve Fund which was established for such purposes.

Nationally, the American Red Cross has asked for \$10 million to be used in disaster relief.

County Red Cross Chairman Dr. Walter Shea reminded that the Red Cross carried out a similar program on a small scale in Loudon County several years ago when flooding forced several families out of their homes and caused considerable damage.

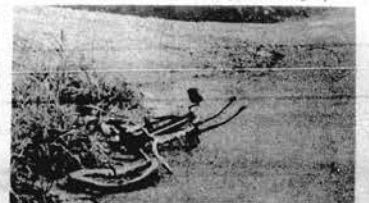

Bicycle Rider Injured When Struck By Car

An 11-year-old visitor from Dalton, Ga., was seriously injured Sunday afternoon when the bicycle he was riding was struck by a car on Browder School Road.

County Deputy Lacie B. Kent, who investigated, said the car was driven by Mrs.

Barbara Elkins of Sandy Shore Drive, Lenoir City Rt. 3. She said the bicycle suddenly appeared in her path out of a driveway hidden by high-grown weeds and grass.

The injured youth is the son of Mr. and Mrs. Charles (Continued On Page 8)

THE BENT, BATTERED remains of a bicycle he was riding gives mute evidence to the accident Sunday afternoon which caused the hospitalization of 11-year-old Steven D. Lenard of Dalton, Ga., on Browder School Road. Mrs. Barbara Elkins, who was driving the car which struck the bicycle, said the cyclist abruptly came out of a side road into her path.

Young-Denton Engagement Told

Mr. and Mrs. Robert L. Young of Philadelphia announce the engagement of their daughter, Wilma Jean to Vaughn Wallace Denton, son of Mr. and Mrs. Albert L. Denton of Philadelphia.

The bride-to-be is a 1971 graduate of Loudon High School. She attended Lenoir City School of Beauty. She is presently employed by Maxine's Beauty Shop and Westinghouse Corporation.

The groom-to-be is a 1969 graduate of Loudon High School. He attended Hwassee College and Tennessee State Vocational School at Athens. He is presently employed with Maple Chef of Cleveland, Ohio.

The wedding is planned for August 19 at 7:30 p.m. at Old Sweetwater Baptist Church. No invitations are being sent. All friends and relatives of the couple are invited to attend.

MODELS AT DRESS REVUE—Teresa Hickey and Carolyn Hickey (left to right) model their District place garments at the District V 4-H Dress Revue.

Loudon 4-H'ers Place In District Dress Revue

by Bonnie F. Sheeley, Asst. Ext. Agent

Twenty-one counties brought 4-H'ers to Jefferson City Friday, June 30 for the District V Senior 4-H Dress Revue. There were four divisions in which the girls could enter garments they had made. They were Sports Clothes, Best Dress, Party Dress, and School Dress.

Out of the four winners announced, two were from Loudon County. Teresa and Carolyn Hickey, daughters of Mr. and Mrs. Hugh Hickey of Philadelphia were winners in the Best Dress and School Dress Divisions. It could be said that Loudon County was the most popular groups at the revue after the winners were announced.

Teresa entered a teal blue wool dress with a tweed coat. Carolyn's school dress was navy blue with long sleeves and a high neckline accented with a blue and white scarf.

S.C. are the guests of Mr. Simpson's parents, Mr. and Mrs. Homer Simpson.

Mr. and Mrs. Jack Lutz and Juanna Lea came from Murfreesboro to spend the Fourth of July holidays with their parents, Mr. and Mrs. Earl Viars and Mr. and Mrs. Charles Davis.

OLDER MEMBERS OF JACOBS FAMILY—Russ Jacobs, Willis, Jacobs, Henry Jacobs and Nellie Hodge (left to right) are shown at the annual Jacobs Reunion, held Sunday, July 2 at the Loudon City Park.

Jacobs Family Elects Hodge

The Jacobs family held their annual family reunion Sunday, July 2, at the Loudon City Park. This alternate location was chosen because of inclement weather. The reunion is usually held at the Russ Jacobs' Farm on Route 4, Loudon.

The Jacobs family reunion has been held for the past 30 years with record attendance and this year was no exception with around 100 in attendance, despite the downpour of rain.

Loudon Personals

Mr. and Mrs. Marvin Parton, Regina and Cindy and Mr. and Mrs. Edward Parton who were enroute from Florida to their home in Kokomo, Ind. stopped off for a weekend visit with their parents and grandparents, Mr. and Mrs. F. H. McJunkins. The McJunkins also have as guests this week, Mr. and Mrs. Robert McJunkins and family also of Kokomo.

Misses Carrie Lou and Mary Katherine Mize visited Sunday with Mr. and Mrs. John Lee in Madisonville.

Mr. and Mrs. Gene Pressley and Scotty will arrive from Lakeland, Fla. July 13 for a visit with Mr. Pressley's mother, Mrs. Audrey Frady.

Mr. and Mrs. Lawrence Kerr visited Sunday in Lenoir City with Mrs. Kerr's mother, Mrs. Maude Kern and also Mrs. Kerr's sister, Mrs. Francis O'Neal who is visiting from St. Louis, Mo.

Mr. Gene Simpson of Atlanta, Ga. spent Saturday with his mother, Mrs. Fannie Simpson.

Mr. and Mrs. Arthur McCollister vacationed last week in Miami, Fla.

Mr. and Mrs. James Detson and family of San Francisco, Calif. are here for a week's visit with Mr. Detson's aunt, Mrs. John Chastain and Mr. Chastain.

Mr. and Mrs. Charles Vick, Pamela and Marx of Virginia Beach, Va. are visiting here with Mr. and Mrs. Bob Bount.

Mrs. Charles Witt, Mr. and Mrs. Archie Dutton, Mr. and Mrs. Gary Dutton, Mr. and Mrs. D.F. Ferguson, Mrs. Louise Kelso, Misses Ruth and Celeste Ferguson.

Betty Shoemaker, Secretary-Treasurer.

During the course of the day, prizes were awarded. The person traveling the greatest distance to attend award was won by Mr. and Mrs. George Duncan of Rosemont, Illinois.

The oldest person award was won by Russ Jacobs. The youngest man award went to

Willburn Jacobs and the prettiest woman award was won by Ethel White.

At the conclusion of the activities of the day, the clam made plans for a shelter in which the annual reunion will be held next year. This is to be constructed on land deeded to them by Mr. Russ Jacobs and will be built on his farm near Loudon.

Phone 856-3017 Greenback

Mrs. Nora McCarter and daughter, Mrs. F. L. Peterson were called from their home in Coosa, Fla. Thursday by the sudden death of Mrs. McCarter's sister Miss Mary Anderson, who passed away Thursday in the Knoxville Shannondale Nursing Home.

Other survivors are sisters Mrs. Fred Hall of Loudon and Mrs. Otto Shimpfugh of Maryville and a number of nieces and nephews. Funeral services were held Saturday at 2:30 p.m. in the Greenback Presbyterian Church.

Rev. Alexander Gillander officiating. Kykers Funeral Home of Sweetwater was in charge and burial took place in the Sinking Creek Cemetery.

Among those who came for the funeral service for Miss Mary Anderson Saturday were Mrs. Fred Hall and Miss Bernice; Mr. and Mrs. Cam Hall; Mrs. Mayme Wear and Mrs. Herman Monroe of Loudon; Mrs. Nell Anderson of Winston, Salem, N.C.; Mr. Ben Hall, Athens; Mrs. Walter Shimpfugh; Mrs. Wm. Shimpfugh; Mrs. Edwin Taylor; Mrs. Lon Kiser; Mrs. Hugh Walker; Mr. Sam McCollum Jr.; Miss Cynthia McCollum; the Rev. and Mrs. Floyd Watt all of Maryville; Mr. and Mrs. Ralph Hall; Mrs. Shelby Hall; Mrs. Jim Hair of Lenoir City; Mr. Clarence Miser of Friendsville; Mr. Walter Taylor of Oak Ridge; Mrs. Margaret Irwin of Bristol and Mrs. Nell Anderson of Winston, Salem, N.C.; and Mr. and Mrs. Boyce McSpadden of Knoxville.

Mrs. Homer Byrd is recovering from injuries sustained in a fall at her home. Little Christina Gollander of Macon, Ga. is spending some time with her grandparents, the Rev. and Mrs. Alexander Gillander and with her uncle and aunt, Mr. and Mrs. Bruce Cliff in Knoxville.

Mr. and Mrs. Bob Ragain of guests of their parents, Mr. and Mrs. Freeman Ragain and family.

Mrs. Coy Cabe and Miss Linda Cabe are spending the weekend holidays with Mr. and Mrs. Roy Holsenback; Mr. and Mrs. Parks Hall and other relatives in New Martinsville, W. Va. They will be accompanied home by Mrs. Cabe's mother, Mrs. Blanche Hall.

Mr. and Mrs. Frank Hill and Miss Pat; Mr. and Mrs. Kyle Black; Misses Teresa and Cynthia of Knoxville; Mr. and Mrs. Richard Morgan and Andrea of Atlanta spent the week-end camping in the Smokies.

Mr. and Mrs. Owen Evans, Steve and Danny; Mr. and Mrs. Lee Evans; Gary and Jeff; Mr. and Mrs. Coy Evans; Keny and Kirby have returned from a ten day trip into Canada where they enjoyed camping at Camp Kappawa, an area north of Toronto.

Mr. Frank Liptomb of Atlanta is the guest of her brother, Mr. Fred Bell and

Mrs. Bell and family.

Miss Crystal Boney Carroll of Cartersville, Ga. has been the guest of her grandparents, Mr. and Mrs. Raymond Lambert, who with Mr. and Mrs. Ronald Lett accompanied the little girl to the home of her parents last weekend.

Mrs. Nola Elam with Mrs. Claude Peck of Englewood visited Wednesday with Mr. and Mrs. John McSpadden in Johnson City.

Mr. and Mrs. Roy Leonard of Okeechobee, Fla. have been guests of Miss Emma Hall the past ten days. Mr. and Mrs. Jack Bowman of Houston, Texas spent last Tuesday with Miss Hall and the Leonards.

The Pine Grove church and Sunday school, with their pastor, the Rev. Harry Mercer and Mrs. Mercer enjoyed a picnic last Sunday afternoon at the Coyote Springs.

Miss Gustie McSpadden and Mrs. Nola Elam with Mrs. Ellen Hale of Kingston, spent last weekend in Edenton, N.C. as the guests of the Rev. and Mrs. Norman Carroll.

Mr. and Mrs. Leon Hammonree; Mr. and Mrs. Fred Bell; Kim, Jill and Richie and Mrs. Harley Myers are at home from a vacation in Clearwater, Fla.

Mrs. Andy McCall and baby, Janna came last week from Augsburg Germany for a visit with her parents, Mr. and Mrs. C.L. Franklin and family and with her husband's parents, Mr. and Mrs. Kyle McCall and David. Her husband, Lt. Andy McCall is on a few weeks field duty with the U.S. Army and Mrs. McCall and Janna expect to join him in Augsburg within a month.

Little Tammy and Melissa Quillen of Chattanooga are guests of their grandparents, Mr. and Mrs. Kyle McCall on the Morganton Road.

W.B. McCown of Homestead, Fla. visited Mr. and Mrs. Ralph McCown on Wednesday.

Mrs. Ruby Brown and the late Woodrow Brown of Loudon and Mr. and Mrs. Lee Strickland.

Jeremy Ray Markowicz celebrated his second birthday July 1 with a party. 15 guests were present. He is the son of Mr. and Mrs. Michael Markowicz. Grandparents are

Mrs. Dewitt Price visited her brother, Paul Day, who is in Baptist Hospital in Knoxville, Saturday.

Mr. and Mrs. Ronnie White and family of West Hills Community visited his parents, Mr. and Mrs. Archie White and family Saturday.

Rev. and Mrs. Clarence Wells and daughter moved into the new parsonage this week.

Ben Belcher is a patient at Loudon Memorial Hospital after suffering a heart attack Saturday.

Several of Hotchkiss Valley Community attended the funeral of Mrs. Oddie Slagle of Harrison. She was the sister of Mrs. Georgia and Mrs. Mable West.

Mr. and Mrs. Joe West and children of California are visiting Mr. and Mrs. Arthur West and family on vacation.

Mr. and Mrs. Glynn White attended the banquet of the 1967 Class in Knoxville Friday night.

W.B. McCown of Homestead, Fla. visited Mr. and Mrs. Ralph McCown on Wednesday.

Larry Thomas Ritchey celebrated his first birthday June 16. He is the son of Mr. and Mrs. Alvin Thomas Ritchey of Route 1, Loudon.

LETTER TO THE EDITOR

Mr. Larry Cate
Loudon County Herald
306 Cedar
Loudon, Tennessee 37774

Dear Larry:

I would like to congratulate you and your staff on winning a second place award for sportswriting at the Tennessee Press Association Summer Convention.

The Loudon County Herald is very deserving of this award and I'm sure you are very proud of it.

Again I would like to extend my sincere congratulations and best wishes for future success to you and your staff.

Sincerely,
John J. Duncan
Member of Congress

Ken Phillips Back In Top Racing Form

MOVING UP IN STANDINGS—KEN PHILLIPS of Loudon is shown with a big smile on his face and the customary victory flag in his hands after winning the feature event of the night at Atomic Speedway last week. The hard driving Phillips was the top point getter last year and is currently challenging the driving of Marion Tipton and H.E. Vinyard for the top spot this summer.

Herman Goddard failed in his bid to become the first driver ever to win three straight feature races at Atomic Speedway Saturday night when a broken wheel put his Chevy II out of action in the main event.

Ken Phillips, one of the top money winners at Atomic Speedway last season, picked up his first feature win of the season when a late accident dropped Marion Tipton into third place.

Tipton led almost the entire race before suffering a damaged radiator in a late pileup. He continued in the race, while running hot, and finished third behind Phillips and Zeke Buchanan, both driving Chevy IIs.

Tipton is the current point leader at Atomic this season, H.E. Vinyard, who was forced out of the feature race due to mechanical trouble Saturday night, is second.

Phillips' win Saturday night pushed him into third place in the point standings, while Otis

Loudon Bats Pound Marbledale 11-0

Loudon Merchants have finally found themselves once again in the Stan Musial baseball play. The Merchants loser of seven straight and by one run exploded for 11 runs Saturday against Marbledale and may very well be coming into their own.

Gary Gibson pitched the shutout with a seven strikeout two hitter. The brilliant lefty has now given up four hits in the last 17 innings of play and only one earn run.

Donnie Darnell, who had a Milley dropped to fourth. The closest race of the evening came in the semi-feature when Bill Poe and Archie Freeman, who took fifth in a Chevrolet, both driving Falcons, finished in a dead heat.

splendid day at bat going three for four, led the hitting of the Merchants. Darnell helped get Loudon's first runs with a lead off single in the first inning. Jack Cox powered the bases with a long double. The wild second baseman cleared for five runs and Loudon had a 7-0 lead.

The Merchants were still not happy going into the bottom of the third and four more runs were picked up. Herbert Oody got a hit. Gary Gibson was safe on an error, and Donnie Darnell slapped a third straight hit to score Oody.

Bobby Russell got on base with an error to spark the rally and Jack Cox walked to force in a run. Loudon scored Darnell and Russell on fielding put-outs to take a 11-0

margin. Marbledale was completely handcuffed by Gibson and never placed a man in scoring position. Hits in the second and seventh innings were the visitors only signs of hitting efforts.

Loudon plays at home Saturday in the Knoxville Merchants. The Knoxville team is one of the best all round teams in the league as it consists of several University of Tennessee players and former Cas Walker Connie Mack players that finished second in the nation in the past two years.

Loudon will hit the road Sunday afternoon with a game at Chilhowee Park with the Knoxville Cubs.

Chaney's Double Moves Madisonville To Tournament Berth

Madisonville remained tied for a share of the Connie Mack Baseball crown Monday night with a 6-3 win over third place Harrison Construction Company.

Gordon Kelley was the winning pitcher with Wayne Hammonds coming on in relief in the sixth inning to shut down a Harrison rally. Kelley, 3-2 for the season and loser to Harrison and Athens in the early part of the season by 1-0 and 4-3 scores respectively, got sweet revenge with a masterful play in five and one-third innings.

Madisonville scored single runs in the first and second innings as Brian Tallent opened the game with a double and was sacrificed to third by Tommy Roberts. Tallent danced on and off third base, surprised every one with a daring dash to the plate on the wind up of the pitcher and was safe.

Fred Chaney scored Madisonville's second run after reaching base on an error. Chaney moved to third on a base hit by Kelley and was finally forced home after another error and a walk jammed the bases.

Harrison cut the difference in one in the third inning on two walks and a freak two-out bloop hit over the pitcher's head and two shutouts to field in time for a punt. The Maryville team tied the score in the fourth inning on a hit and a double to the outfield.

Madisonville, registering at least one hit in every inning, tied a two out walk from Wayne Hammonds and Fred Chaney wasted no time in rockling the right fielder with a stand up double scoring Hammonds with ease.

Madisonville sat on the 3-2 score through the fifth inning and added two runs and a walk, an error, and Tommy Cook's

fielder's choice RBI groundout. Cook later scored as Don Davis and David Tucker hit back to back singles.

Ahead by 5-2, Madisonville ran into minor problems in the sixth inning as Harrison used a hit and two walks for a run off Kelley.

Hammonds was quickly brought in and the big speed whiz struck out the side and whiffed two of the three he faced in the final seventh in picking up a save.

Madisonville added a sixth run in the top of the seventh for good measure as they collected two hits and three walks.

Greenback Falls To Rebels

Greenback ran in a two-platooning summer basketball team from Maryville Thursday night and lost 75-84. The Rebels won their fifth straight game and will barely a five man mandatory unit for the game felt the heat and continued fast pace set by the Rebels two ball teams.

Greenback made an excellent run of things in the first half, but the heat of the gymnasium and no conditioning program by the Rebels, who certainly showed in the second period.

Tommy Langinfelter, who appears to be using the summer play for continued improvement toward his basketball abilities, led the Rebels with 14 points and eight rebounds. Larry Rifehey pumped in 12 points and Joe Mansour scored 10 to round out the Greenback scorers in double figures. Tim Hammonree had eight points and Bill Joe Kyler managed four and seven rebounds in the loss.

At Cedar Hills Union Carbide Golf Tourney To Start Monday

The first half of the Union Carbide golf league play is rapidly drawing to a close with Jack Miller and Clell Miller on top of the standings with a two point advantage. Hal Summers and Mike Oody are the hot performers of the Miller boys and Dick Huff and Art Haml are just a step behind the front runners with enough time to still defend their 1971 title.

It is undecided as to whether the league will have a first half and second half division play with the two teams winning ending up on top probably engaging in a summer ending playoff.

The Union Carbide summer tournament will be held at Cedar Hills this year. The start of the tournament is set for the week of July 12. The tournament will be on individual play with three flites planned for the week event.

Dick Huff set the low medal honor play for action last week. Huff's individual play combined with teammate Art Haml gave the defending champions the best team play award also.

Speaking of Sports

By DANNY GIBSON Sports Editor

Madisonville and Athens have virtually assured themselves of berths in either the Senior Babe Ruth Tournament at Morristown or the Connie Mack Tournament at Tullahoma. The two kings of Region II have no real challengers as the league season headed for the final two and one-half weeks of play.

The league president will make the decision as to which team will represent which division of play within the next 10 days. The Senior Babe Ruth franchise was bought by the Eagleton group this year and the team taking part in it will have an all star pick from the league players with the exception of those players on the other team going to a state meet representing the league. The Babe Ruth Tourney is composed chiefly for boys in their final year of Connie Mack play and should have some of the best individual talent of any tournament of its kind.

The Connie Mack Tournament team will be allowed to pick up just three boys from the league to combine with the season team roster of that team going to the state meet. Eagleton placed fifth in this tournament last year and both Madisonville and Athens are much stronger team wise this year than any what took part last summer. Cas Walker won the state meet last year and proceeded to finish number two in the National finals.

Madisonville has been the pressure team for the season thus far. The Madisonville team with an array of talent from around the area went from first place to fourth place as they dropped three games out of four for a tail spin which normally wipes out a team's chances for the league title at the start of the year. Nevertheless the Madisonville team bounced back and with some clutch team play chipped away at the front runners until they had avenged each loss with double victories and a sudden jump in the standings. Madisonville has won five straight games and all from the top division clubs or were top at that time.

Madisonville has collected 42 hits in their last five games and Madisonville pitching has given up but 22 hits and 13 runs while having 27 scored for their support.

Madisonville with possible chances of blowing their league position have an important weekend ahead. The Madisonville team plays Etowah Wednesday night. Thursday night it is back to Maryville's Eagleton Village for a match with the Bank of Maryville. Friday night Etowah comes to Madisonville for a 7 p.m. game and Saturday night Rockford comes to Madisonville.

Tennessee Plywood out of Chattanooga and one of the best Connie Mack teams in the State of Tennessee will play in Madisonville on Sunday.

REGION II CONNIE MACK STANDINGS

Norris Lake
Water conditions - clear and falling.

Loudon Blasts Cleveland Cagers

Loudon ran its summer basketball season to 7-1 last week with a 72-41 romp over Cleveland. The Redskins were scheduled to play Chattanooga City but apparent break down in scheduling resulted in the Dynamos not showing up.

Loudon had beaten the Blue Raiders by a single point in their first meeting of the summer and the second match up figured to be every bit as tough.

The Redskins had come to play a ballgame and the Cleveland team was no worthy opponent on this night. Loudon rolled to a 23-8 first quarter advantage and were never bothered as nine men got into the scoring act.

Mike Messamore set the scoring range with game honors of 16 points. Donnie

All Star Tickets Still Available

Tickets are still available for baseball's all-star game. The Atlanta Braves, host for the July 25 (8:30 p.m. EDT) contest, said persons desiring to purchase All-Star Game tickets should write to the Braves. Orders are still being

GREAT CATCH-Fred (Bus) Snyder, Loudon, is shown with approximately 1,000 pounds Shelbival Catfish caught in five inch gill nets at Fort Loudon Lake near the dam.

Tommy Cook "Breaks" Bank In CM Thriller

Tommy Cook is fast losing his credit rating with the Bank of Maryville. The hard hitting first baseman-pitcher from Lenoir City led Madisonville to a 10-9 Connie Mack triumph over the Bankers in June with a decisive home run that won the game.

Cook was given the nod for pitching duties Saturday night against the Bankers and the crafty lefthander burlied six innings of four hit ball and retired to first base with the score knotted 4-4.

Madisonville getting 10 hits through the hoops and William Canaler got 10 to give the Loudon front line a balanced effort.

Bill Collins and R. L. Brannon with nine and eight points respectively followed in the scoring column.

Loudon is idle until Thursday night of this week. The Redskins return to Cleveland for a game. The Kingston League has an odd number of teams and therefore some teams must rest each week and this is the Redskins vacation from play.

Hammonds Fires 2-0 Shutout Over Athens

Madisonville's ace Wayne Hammonds is in his top form. The big right handed fireballer added another triumph to his pitching achievements Friday afternoon with a 2-0 shut out of one time league leading Athens.

Hammonds gave up just three hits for the contest and had easy sailing in every inning but the second. Athens got back to back singles to start the inning and Hammonds issued a walk which loaded the bases. The hard throwing hurler regained his poise and struck out the side on 11 pitches to extinguish the scoring threat.

Madisonville had a rough time in gaining the upper hand. Ex-McMinn High School pitcher David Ray twirled a neat two hitter at the Monroe County team. Second baseman Tommy Roberts, from Hiwassee College, collected both hits. The stocky infielder had two doubles and a walk which figured into both Madisonville scores.

HERE COME THE HORSES-As a class starts some of the horses head for the ring to be judged.

ROSS AT WORK-Master of Ceremonies Ross Wilkerson had a busy night as did the judges and ring master as 250 entries participated in the Quarterback Club horse show.

POP WINS AGAIN-Always a horse show favorite, Pop Curtis picks up a ribbon from Kathy Roberts after he placed in a class.

Chattanooga, Knoxville, TSSAA Tourney Sites

The TSSAA Board of Control at its June meeting selected Chattanooga and Knoxville as sites for TSSAA State Championship tournaments next year.

The Board accepted an offer from Chattanooga to host the 1973 baseball tournament, June 4-6. An offer from the University of Tennessee in Knoxville to host the State

Track and Field Meet on May 27, 1973, was also accepted. In other action the Board also approved a proposal by the National Area Junior Chamber of Commerce to Co-sponsor and promote the Region 3, Class AAA football playoff game on Nov. 17. The one-year agreement is subject to the approval of the 23 football schools located in Class AAA, region 3.

Over half the towns in the United States are forced to dump their wastewater in our rivers. The reason is sad.

Money. Literally over half our towns haven't got enough money to build complete wastewater treatment plants. And many towns that have complete plants aren't cleaning the water thoroughly because the towns have outgrown the plants. And they can't afford to expand.

So, because of money, towns are forced into polluting our streams and rivers.

Union Carbide has discovered a new wastewater system that costs less. It's called the Unox System. It's the first substantial change in wastewater treatment in thirty years.

Instead of the conventional aeration system that cleans water by mixing it with the air, Unox forces pure oxygen into a series of closed treatment tanks. This forced oxygen technique cleans wastewater in less time, less space and reduces the total cost up to forty percent.

It means a town can boost its wastewater system by simply adapting the Unox System to the existing system. And towns with limited means can now afford a complete system.

A number of cities and industries throughout the country have already chosen the Unox System. And more installations are being planned.

We've discovered a cheaper way to treat wastewater because our streams and rivers can't afford to wait.

Senator Brock Here Tuesday

United States Senator Bill Brock will be at the courthouse in Loudon on Tuesday, July 11 beginning at 2 p.m. to meet with any person or discuss any problem or subject concerning the federal government.

Messler Named

State Director Paul M. Koger announced today the appointment of C.L. Messler, Route 2, Greenback, as a member of the Monroe-Loudon Farmers Home Administration Area Committee.

Mr. Messler was appointed for a three year term and succeeds Paul Bailey, Rt. 1, Greenback, whose term expired June 30.

INTEREST IN PRESERVING QUALITY—Tim Harper of Loudon is shown checking the condition of his alfalfa. This is his second cutting of this field.

After nearly a decade of dormancy alfalfa is finding its way back to the haylofts and silos of Loudon County farms. Plagued since the mid-1960's by a devastating weevil, alfalfa production in the county dropped from a peak production of 5,500 acres in 1964 to less than 70 acres in 1970. But a gradual turn of events has once again brought Loudon County's premier forage crop back on the scene.

Why get so worked up about alfalfa? We ask Tim Harper this question. "Because," says Tim, alfalfa is one of the highest quality hay crops in the County. We haven't had too much experience but if what we get off our first cutting is any indication we've taken the right step.

Mr. Harper came by the Loudon County Agriculture Extension office and asked for information on forage he could depend on that was high in TDN and could be harvested two or three times a year. He was told that alfalfa was the only forage plant that would fill the bill. After asking more questions about this high quality forage he received

more answers to his liking, like alfalfa being worth \$30 per acre more than red clover and the extra TDN contained in alfalfa. Mr. Harper was convinced. He decided to sow eight acres. When asked what he should do he was given eight plans of action. They were, select a well-drained soil and prepare a firm seedbed, soil test to determine fertilizer and lime needs, lime before ground is broken, fertilizer according to soil test, select certified seed of a recommended variety, plant seed, well inoculated at rate of 20 lbs. per acre in a moist seedbed between August 15 and September 125, check on alfalfa during spring for weevil feeding damage, spray according to recommended rates with Furadan or Supracide and harvest when crop starts to bloom or bud stage.

Mr. Harper has followed these steps as close as possible. The hay he has harvested was of high quality with plenty of leaves and good green color and pleasant odor. Considering that there will be five years of high production

Eaton HDC Wins County Club Of Year Award

by Bonnie F. Shee
Asst. Ext. Agent
Loudon County Home Demonstration Clubs held their Annual Achievement Day in the basement of the Trinity United Methodist Church in Lenoir City, Thursday morning, June 29.

The highlight of the program was the naming of the Superior Home Demonstration Clubs for the year and then the announcement of Club of the year. Superior clubs included Eatons, Lee Heights, and Marlee Home Demonstration Clubs. Marlee was named Club of the Year as a salute to the club members who were the room soon to be filled with applause. On the program Thursday morning were Rev. Bob Edwards, Pastor, Trinity Methodist Church, and Mrs. Sarah Dunbar, Assistant Director Dairy Council in Knoxville. Mrs. Dunbar gave a campaign talk on the importance of milk in the diet entitled "Support Boas the Cow."

Following the program, a tea was served as club members looked over the club exhibits on display tables.

Sheriff and grew up around Philadelphia. We talked to Mum, who was in Loudon on vacation a few days ago, and found that he is now a ranking county law enforcement officer in the Miami, Florida area. He has been in special training for the coming political convention to be held in Miami. He stated he didn't look forward to the problems faced by law enforcement officers of the Miami area. He went on to say that he enjoyed his work very much in this large city.

Oh, yes, this picture was made a few years back when the feeders opposed the feedee and of course, Ernie had won this one.

Our other picture this week is a family group taken a few years ago. Of course, most Loudon folks of a few years back will recognize the lady in the center, the late Mrs. Jett. We have stated before, she was a most gracious lady who loved her family, friends and neighbors and the Lord. Others in the picture are (left) Rev. and Mrs. Auburn (Dorner) Nelms and Mr. and Mrs. Phillip Williams. The girls are daughters of Mrs. Jett and are known by Barbara and Lucille.

OBITUARIES

EFFIE W. BREWER
Effie W. Brewer, age 85, Poplar Street, Loudon, died at Loudon County Memorial Hospital. She was a member of the Baptist Church at Dunlap.

Survivors: sister, Mrs. Annie L. Evans, Loudon; several nieces and nephews.

Funeral services were held Saturday at Karnes Funeral Home Chapel, Rev. Milton Boddien officiated. Interment, Riverview Cemetery, Karnes Funeral Home in charge.

Wednesday at Hawkins Chapel, Rev. Woody Martin, Chap. Rev. Tommy Shelling officiated. Interment, Pleasant Hill Cemetery, Hawkins, Lenoir City, in charge.

LESTER V. REYNOLDS
Lester Virgil Reynolds, age 84, Route 3, Broadner Hollow Road, died in Fort Sanders Presbyterian Hospital Tuesday, June 27. He was a member of the Seventh Day Adventist Church.

Survivors include: wife, Mrs. Zelma Reynolds; one daughter, Mrs. Dick (Betty) Kautzer, Goldsboro, N. C.; two sons, Virgil James Reynolds, Sheboygan, Wis., Leonard Reynolds, Lenoir City; one brother, Lawrence Reynolds, Washington, Ill.; one sister, Ella Stinette, Chattanooga; seven grand children and three great-grandchildren.

Funeral services were held Thursday in the chapel of Click Funeral Home with Elder Bill To and Elder Lynn Hager officiating. Interment, Lenoir City Cemetery, Click, Lenoir City, in charge.

Piano Students Recital Sated

The piano students of Mrs. Dale Fox will present a recital Friday, July 7 and Saturday, July 8 at Riverview Baptist Church. The program will begin each night at 8 p.m. Mrs. Fox invites everyone to attend.

Funeral services were held Thursday in the chapel of Click Funeral Home with Elder Bill To and Elder Lynn Hager officiating. Interment, Lenoir City Cemetery, Click, Lenoir City, in charge.

MRS. W. T. ROBERTS
Mrs. W. T. Roberts, age 84, died Tuesday, June 27, in Johnson's Nursing Home, Lenoir City.

Survived by one daughter, Mrs. Porter Campbell, Lenoir City; granddaughter, Ann Campbell; grandsons, Jim Campbell.

Funeral services were held Thursday in the chapel of Evans-Williams Funeral Home, Watertown. Courtesy of Click Funeral Home, Lenoir City.

Possibly the greatest enjoyment we have in doing the Good Old Days is the opportunity we have of hearing from and talking to people we have known over the passing years, or of telling some of our newcomers to our area of the joys of the time we call the Good Old Days.

We are using a picture this week that is not so many years old, but the people in this picture all had a part in this era of Loudon. One of the group, Jake Littlejohn, is now deceased. For many years, Jake was a part of the Doc Presley Pharmacy, and later ran a restaurant in Loudon at several different locations. He was a man with a heart as big as a mill wheel and helped everybody he could, from show fare to the local movie or to money for medicine for a sick family member. He delighted in doing things for people and he made many friends.

\$500 REWARD

For information leading to the arrest and conviction of the person or persons who broke into and looted the home of Mr. and Mrs. Carl Stamey, Steekee Road, Loudon, on or about the 24th or 25th of June 1972.

Freeman Russell
Sheriff Of Loudon County

WHAT HAPPENED WHEN AGNES HIT TOWN SHOULD'N'T HAPPEN TO A TOWN

But it did. To towns like Richmond, Virginia, Pittsburgh, Pa, Wayne, N.J., Wheeling, West Virginia, Olean and Elmira, N.Y. And a host of others.

Hundreds were killed. Hundreds of thousands suffered. You saw the incredible destruction and hardship on tv, and in your newspaper. Now the waters have receded. And somebody has to pick up the pieces. To feed people. And clothe them. And care for them. And find them homes.

The American Red Cross is one of the somebodies. If you think it's important to help your neighbors in twelve states who are the victims of the worst flood disasters these states have ever known, please send us money. Today.

This Feature is Published With The Hope Of Getting More People To Church And Is Paid For By The Underlined Businesses.

Casteel Promoted To Sgt. Major

Master Sgt. James E. Casteel of Loudon, has been appointed Sergeant Major of the Air Force ROTC Detachment at Louisiana State University here.

The appointment coincided with his reenlistment for his 21st year of service in the Air Force. Casteel was formerly Chief of Administration and Personnel at Elmendorf Air Force Base in Anchorage, Alaska. While at Elmendorf he was awarded the Executive Support Superintendent Award for the Alaskan Air Command.

Casteel, his wife Betty, and his children Deborah and Cheryl will be residing at 4647 Fuller Place in Baton Rouge.

ago had given notice that they were going to discontinue emergency ambulance service, and have extended that deadline on one or two occasions.

In the meantime, the City Councils and the Quarterly Court have not made any definite decisions toward making a 24-hour-per-day ambulance service for Loudon County.

Some Do, Some Don't Some Counties remain in the same position as Loudon County without having taken any action along this line, while others have arranged to go in the ambulance business.

The current matter in the Quarterly Court is that a Resolution has directed the ambulance committee to make a decision on July 1, 1972, which was the decision set up by the funeral homes.

Therefore, it is very clear that the County will have taken no action on July 1 because no one can take any action so far as the use of public money is concerned, without authority of the Quarterly Court.

The question always comes back, is the providing of ambulance service the position or responsibility of government?

This question must be answered sometime but in the meantime, what is going to happen?

Well, there are some possibilities that are apparent and maybe there will be an announcement in this newspaper this week, or last week, explaining the position of one, or any, or all of the funeral homes.

But I will speculate that there may be a difference under the Tennessee law in the providing of emergency ambulance service, and the provision of regular or convalescent ambulance service.

As I understand it, all of the regulations which have been rendered thus far, are in reference to emergency ambulance service, and I would appear that there is no regulation concerning the convalescent ambulance service. I am not sure whether the Wage and Hour Laws would refer to convalescent ambulance service or not, because this is on a "contract" or "appointment."

basis, and should not mean any great additional amount of hours for employees to be "on call," other than what would ordinarily be.

So this may mean that the local Funeral Homes might continue to provide contract or ambulance service, leaving the question of emergency ambulance service up to at least temporary handling by the Rescue Squad, or by some other agency.

The point that I repeat is that the Quarterly Court has given the local government authority to proceed at this point insofar as emergency ambulance service by local government is concerned.

The statistics indicate that even with all the heavy travel of Interstate and Federal Highways and State Highways through Loudon County, and insofar as vehicle miles for a few years when the Interstate is completed.

There is less than one emergency call per day on the average. In other words, there might be several days go by without an emergency call at all, and this gets to be real expensive to have a full crew waiting around the clock for that emergency to occur.

This is where I believe the reluctance of the Quarterly Court to enter into a full-fledged ambulance service comes, because of the great cost for the few calls that are involved.

But it can also be seen that the Funeral Homes are certainly bound to be losing money on this aspect of their business, particularly when their charges and collections on ambulance calls are so spasmodic.

But hopefully it is a matter that can be worked out for the mutual benefit of all of our people, although there has been, and may be more agony involved in reaching the decision.

Certainly, somehow.

Lindsey, Elliott Win Top Awards

(Continued From Page 1) Barbara Gajony, Secretary, Jaycee Jimmy Lindsey received the Spoke Award for outstanding accomplishments by a first year Jaycee. Receiving Spark Plug Awards given to Jaycees with more than 12 months service for outstanding service to the local club were Earl Kidenour, Treasurer; and

anywhere, sometime, in some way, there must be something done to insure that anyone hurt or injured in Loudon County will have a reasonable means of being transported to appropriate medical treatment.

But the problem so far, anyway you look at it, is the expense. For example, Anderson County started out several months ago a year or two ago with a budget of approximately \$75,000, and as I understand it, will this next year have a budget of approximately \$140,250. This is a lot of money on the tax rate.

What is the answer?

Set Bug Collection For Monday

Attention all Loudon lightning bug collectors! The last lightning bug collection for the summer of 1972 will be held on the Monday evening of July 10, from 5:45-8:15 p.m. at Arp's Grocery Store.

The bags, which are being purchased by scientists at Johns Hopkins University for entomology research bring 40 cents per 100.

On the June 26 collection, the local netmen responded to the call of science to the tune of over 800 fireflies. The top collector was John Sewell of R. L. Philadelphia with over 500 bugs. Second highest spot was captured by the veteran catching team of Monte Elliott and Missy Hayes of Roberson Springs Rd. with 393 bugs.

Collectors are reminded to freeze the lightning bugs immediately after catching them and to count them by hand. The number of bugs captured each evening is to be recorded and that record is to be turned in with the bugs delivered. For any questions, write D. Sullivan, P.O. Box 3014, Oak Ridge, TN. 37830.

Allison Reenlists

Army Staff Sergeant Junior K. Allison, son of Mr. and Mrs. James H. Allison, Route 1, Lenoir City, recently reenlisted in the regular Army while serving with the 2nd Armored Division at Ft. Hood, Tex.

NEW SERGEANT MAJOR RE-ENLISTS—Master Sgt. James E. Casteel, new Sergeant Major of the LSU Air Force ROTC Detachment, is shown reenlisting for his 21st year of service. Performing the ceremony is Captain Miles T. Barnett, Jr.

Your County In Action

BY HARVEY L. SPROUL
LOUDON COUNTY JUDGE

John and Lissie

Two fine people recently observed their 20th Wedding Anniversary, and I would like to take this opportunity to publicly congratulate Mr. and Mrs. John W. Carowell, Jr. (John and Lissie).

"I suppose the real hero of that marriage is bound to be Lissie, for having been able to put up with John so long."

But I know of very few people who could have equaled John's interest in his community and his fellowman, and who could ever have put the prodigious amount of time into community activities as John has.

Their activities are far too many to attempt to list, but includes the Livestock Association, Soil Conservation Activities, Rotary, District

Governor or Commander or whatever it is of Kurlian International, Chairman of County Planning Commission, Committee of 100, etc.

When John retired from his regular occupation, it was really a commencement of additional activities on behalf of his fellowman.

Congratulations and best wishes for the future.

Ambulance Crisis:

This column had to be written before July 1, 1972, and some of the answers to some of the questions that have been arising are not available at the time this is written.

There are many aspects to this whole situation, and it is very difficult to shed much light in a short column.

It is well-known that the local Funeral Homes months

What is it?

It happens to be an aphid.

But no matter. Almost any insect that's bugging your lawn or garden can be wiped out by Spectracide® insecticide. That's because Spectracide contains Diazinon®.

NOTICE OF ELECTION ON PROPOSED CONSTITUTIONAL AMENDMENT

An election for the purpose of submitting the following proposed AMENDMENT TO THE CONSTITUTION to the voters of the State for RATIFICATION OR REJECTION will be held in every County of the State on **THURSDAY, AUGUST 3, 1972**

which said election will be conducted according to the general election laws of the State and at which election all persons qualified to vote as required in elections for representatives to the General Assembly shall be entitled to vote.

The proposed amendment, as adopted by the 1971 Limited Constitutional Convention in Resolution No. 74 on September 14, 1971, shall be printed in full on each ballot or voting machine as follows:

BE IT RESOLVED, by the Limited Constitutional Convention of 1971 that Article II, Section 28, of the Constitution of the State of Tennessee be amended by deleting the same in its entirety and substituting in lieu thereof the following provisions, to be submitted to a vote of the people for ratification:

In accordance with the following provisions, all property real, personal or mixed shall be subject to taxation, but the Legislature may except such as may be held by the State, by Counties, Cities or Towns, and used exclusively for public or corporation purposes, and such as may be held and used for purposes purely religious, charitable, scientific, literary or educational, and shall except the direct product of the soil in the hands of the producer, and his immediate vendee, and the entire amount of money deposited in an individual's personal or family checking or savings accounts. For purposes of taxation, property shall be classified into three classes, to wit: Real Property, Tangible Personal Property and Intangible Personal Property.

Real Property shall be classified into four (4) subclassifications and assessed as follows:

- (a) Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
- (b) Industrial and Commercial Property, to be assessed at forty (40%) per cent of its value;
- (c) Residential Property, to be assessed at twenty-five (25%) per cent of its value, provided that residential property containing two (2) or more rental units is hereby defined as industrial and commercial property; and
- (d) Farm Property, to be assessed at twenty-five (25%) per cent of its value.

House trailers, mobile homes, and all other similar movable structures used for commercial, industrial, or residential purposes shall be assessed as Real Property as an improvement to the land where located.

The Legislature shall provide tax relief to elderly low-income taxpayers through payments by the State to reimburse all or part of the taxes paid by such persons on owner-occupied residential property, but such reimbursement shall not be an obligation imposed, directly or indirectly, upon Counties, Cities or Towns; provided, that such tax relief for the years 1973 through 1977 shall be not less than an amount equal to the State, County, and Municipal Taxes on Five Thousand (\$5,000) Dollars worth of the full market value (or One Thousand Two Hundred Fifty (\$1,250) Dollars of the assessed value) of property used for a residence by any taxpayer over sixty-five (65) years of age for a period of one (1) year prior to the date of assessment; provided further, that such relief shall not extend to persons having a total annual income from all sources in excess of Four Thousand Eight Hundred (\$4,800) Dollars.

The Legislature may provide tax relief to home owners totally and permanently disabled, irrespective of age, as provided herein for the elderly.

Tangible Personal Property shall be classified into three (3) subclassifications and assessed as follows:

- (a) Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
- (b) Industrial and Commercial Property, to be assessed at thirty (30%) per cent of its value; and
- (c) All other Tangible Personal Property, to be assessed at five (5%) per cent of its value; provided, however, that the Legislature shall exempt Seven Thousand Five Hundred (\$7,500) Dollars worth of such Tangible Personal Property which shall cover personal household goods and furnishings, wearing apparel and other such tangible property in the hands of a taxpayer.

The Legislature shall have power to classify Intangible Personal Property into subclassifications and to establish a ratio of assessment to value in each class or subclass, and shall provide fair and equitable methods of apportionment of the value of same to this State for purposes of taxation. Banks, Insurance Companies, Loan and Investment Companies, Savings and Loan Associations, and all similar financial institutions, shall be assessed and taxed in such manner as the Legislature shall direct; provided that for the year 1973, or until such time as the Legislature may provide otherwise, the ratio of assessment to value of property presently taxed shall remain the same as provided by law for the year 1972; provided further that the taxes imposed upon such financial institutions, and paid by them, shall be in lieu of all taxes on the redeemable or cash value of all of their outstanding shares of capital stock, policies of insurance, customer savings and checking accounts, certificates of deposit, and certificates of investment, by whatever name called, including other intangible corporate property of such financial institutions.

The ratio of assessment to value of property in each class or subclass shall be equal and uniform throughout the State, the value and definition of property in each class or subclass to be ascertained in such manner as the Legislature shall direct. Each respective taxing authority shall apply the same tax rate to all property within its jurisdiction.

The Legislature shall have power to tax merchants, peddlars, and privileges, in such manner as they may from time to time direct, and the Legislature may levy a gross receipts tax on merchants and businesses in lieu of ad valorem taxes on the inventories of merchandise held by such merchants and businesses for sale or exchange. The portion of a Merchant's Capital used in the purchase of merchandise sold by him to non-residents and sent beyond the State, shall not be taxed at a rate higher than the ad valorem tax on property. The Legislature shall have power to levy a tax upon incomes derived from stocks and bonds that are not taxed ad valorem.

This amendment shall take effect on the first day of January, 1973.

Opposite the said proposed Constitutional Amendment shall appear the following:

FOR THE AMENDMENT:

AGAINST THE AMENDMENT:

Voters will indicate their vote by placing a cross mark in the square opposite one or the other of the above expressions.

Notice is hereby given to all qualified voters throughout the State and especially to all members of the County Election Commissions of the several Counties of the State that said election will be held in all civil districts, wards and voting precincts throughout the State within legal hours on August 3, 1972, for said purpose and that the proper officers of all Counties shall, immediately after said election, make a return to the Secretary of State of the number of votes cast in their respective counties "For the Amendment"; and the number of votes cast "Against the Amendment."

This proclamation is issued in compliance with Resolution No. 54, Resolution No. 74, and Resolution No. 76 adopted by the 1971 Limited Constitutional Convention on September 14, 1971 and in compliance with provisions of Article XI, Section 3, of the Constitution and Chapter 421 of the Public Acts of 1968.

Given under my hand and attested by the Great Seal of the State of Tennessee, this 13th day of January, 1972.

WHEREFORE, notice is hereby given that the undersigned, John A. McReynolds, Jr., Successor Trustee, or his duly appointed attorneys and agents, will sell at the front door of the County Court House in Loudon, Loudon County, Tennessee, at public auction for cash to the highest bidder, free from the equity of redemption, at 11:00 a.m. o'clock on Thursday, the 20th of July, 1972, the following described property, to-wit: SITUATED in District No. 5, County of Loudon, State of Tennessee, to wit, across Outer Drive from the Pleasant Hill Homes Subdivision, and being more particularly described as follows: BEGINNING at an iron pin in the East right of way of Outer Drive 429.6 feet Northeast from the intersection of Outer Road and Old State Highway No. 95; thence with East right of way of Outer Drive North 43 deg. 35 min. East 70 feet to an iron pin; thence South 47 deg. 25 min. East 250 feet to an iron pin, a corner with S.P. Grubbs Estate; thence with Grubbs South 22 deg. 47 min. West 71.1 feet to an iron pin; thence North 47 deg. 25 min. West 223.2 feet to the point of BEGINNING, containing 0.3 acres, more or less, as shown by survey of R.W. Sweeney, Surveyor, dated February 13, 1972.

BEING the same property conveyed to Claudette Lyttle, widow, by deed from John H. Wallin, dated February 16, 1972, and recorded in Deed Book 106, page 314, in the Register's Office for Loudon County, Tennessee.

The proceeds derived from the sale of said real estate will be applied as provided in said Deed of Trust, first to the expenses of executing this trust and all attorneys' fees and all amounts advanced or expenses incurred by the holder of said indebtedness for the account of the makers, with interest thereon; second, to the payment of the debt secured by said Deed of Trust; and the balance, if any, will be paid to the parties legally entitled thereto under the terms of said Deed of Trust.

John A. McReynolds, Jr., Successor Trustee.

Summer School
The second half of Summer School will begin Monday, July 10 at 8 a.m. at Loudon City Senior High School. Students may earn one-half credit in English I, II, III, and IV, all natural sciences, and science and social studies.

SINGING:
There will be a special singing at the West Broadway Baptist Church Saturday, July 8 at 7:30 p.m., featuring the Seville Sisters and the Seville Ridge Youth Choir.

This is where we stand

You knew us as the Bank of Lenoir City. But that name didn't tell it like it is. Didn't say we're a bank in business to help Loudon County grow. With branches county-wide. And offering most of the services you'll find in banks everywhere.

Our new name says it. And our new mark tells you how. The three arrows stand for money circulation. Money going out for business and home loans that make your county a better place to live and make a living. And money coming back into the bank as you make it. Money that helps all of Loudon County grow.

No other bank has a bigger stake in our county's future than we do. And no other bank uses so much of your money to help our county grow. So when you select your bank, we hope you'll choose to stand with us. Where you see our new sign.

SHOULD PROMOTE - NOT CHARGE-
County Court next month will probably decide whether or not they are going to charge residents of the county that wish to take their trash to the new county waste disposal collection station. This to us seems would only defeat the purpose of the system.

The county does not offer garbage collection service as the cities of Loudoun and Lenoir City do. Many in the county do however have garbage collection from a private contractor who they pay for the service. The cities and this private collector of course do pay for the use of the landfill operation. The idea behind the entire project is to provide a place for the residents in the county to dispose of their trash. Since the county has no way to collect it, we can see no reason for charging a resident who brings his trunkload, a couple of plastic bags or even a pick-up truck load of garbage to the collection site.

It they do charge for placing the trash in the transfer station, then many people will continue doing what they are doing now - dumping their trash in a pile on their property or putting it in one of the many illegal and unsightly roadside dumps in the county.

Instead of collecting money for the use of the disposal system the county should spend some money to conduct an educational program to make every citizen aware of the system and urge them to use it. Along with this the roadside dumps should be cleaned up as rapidly as possible and persons caught dumping should be prosecuted.

We would urge the County Court to have handbills printed and placed in community stores throughout the county giving directions to the collection station, its hours of operations and other information which might get people to take advantage of the service. Of course it wouldn't make us mad at all if they wanted to use a newspaper advertisement also, but anyway that would get the message out should be considered.

The State has given the county a five year grant of almost \$18,000 a year for the operation of this system and it should not sit unused by the citizens of the county with just the cities and a private garbage contractor getting sole use of the service.

Ft. Loudoun Utility Lawsuit Settled

In a joint announcement, County Judge Harvey L. Sprout of Loudoun County and Richard Wood, Chairman of the Tellico Area Services System (TASS), have announced that the lawsuit filed against the Fort Loudoun Utility District has been settled and the Fort Loudoun Utility District has agreed to make no claim to any right to provide utility services within the franchise areas of Tellico Area Services System (the geographical boundaries of Loudoun and Monroe Counties).

It is provided however, in the consent decree approved by Chancellor J.O. Phillips in a Loudoun County Chancery Court hearing last Friday, that in the event that TASS is unable to make "reasonable progress" toward providing water services within 18 months that the Fort Loudoun Utility District shall have a right to petition the County

Judges of the respective Counties for an order vesting authority in Fort Loudoun Utility District the right to provide services within this designated area.

Judge Sprout explained that the settlement of the period of approximately four years wherein under a grant from the Federal Government, Administration in a comprehensive water and sewer study was made for Loudoun and Monroe Counties by the East Tennessee Development District.

This study was approved by all the planning bodies in the two Counties, and the two Loudoun County Chancery Court hearing last Friday, that in the event that TASS is unable to make "reasonable progress" toward providing water services within 18 months that the Fort Loudoun Utility District shall have a right to petition the County

Candidates To Speak Saturday

The Loudoun County Democrat Women's Club will sponsor a covered dish supper, Saturday, July 13, at 6:30 p.m. under the shed at Fort Loudoun Lake.

Mr. Bob Clement and Hammond Fowler, both seeking the office of Tennessee Public Service Commissioner, will be guest speakers for the occasion.

Entertainment will be provided by Troy Presterfield and the Country Trojans.

Job Openings For Viet Vets

Loudoun County has several job openings for the summer for Vietnam War Veterans it was announced this week. Any Veteran interested in a summer job with the county should make application with County Judge Harvey Sprout.

LOUDON, TENNESSEE, THURSDAY, JULY 13, 1972

TEN CENTS PER COPY

MOBILE GARBAGE DUMP- Loudoun County now has a garbage dump on wheels. Last Thursday the new solid waste disposal system for the cities and the county went into operation when installation of the Witherpoon Company's compaction unit and transfer station at the old quarry at Loudoun was completed. In the photo above the City of Loudoun Sanitation Department truck is making the first deposit in the compactor. When the load is dumped, it is pushed into the mobile transfer station at lower left by a compactor. When the compactor is full a Witherpoon truck backs an empty unit in its place and hauls the full

truck to the Monroe County landfill it operates where it is loaded. Both the Cities of Loudoun and Lenoir City are using the new system as well as private contractors. The disposal system may be used by anyone in the county who wishes to bring their trash to the compactor-transfer station, located just East of the River Bridge at Loudoun. The county has received a 75 cent per capita grant for the operation of the disposal system and the cities each pay from \$7500 to \$10,000 per year for the service. Both cities have now closed their dumps that were not approved last year.

Squires Still Have No Ambulance Service Plan

The Ambulance Service Study Committee of the County Court reported Monday that its meetings have produced no solution to the problem finding an adequate ambulance service for the county. With no new development on the problem it appears that the funeral homes in the county will continue to offer ambulance service a while longer. The funeral home owners had set January 1 of this year as the original deadline and another passed on July 1st.

At the court meeting Monday, funeral home owners Cecil Karnes and Harvey Hawkins were both present saying they would continue to offer the service until they were forced out by wage and hour laws or the new highway

safety standards for ambulances went into effect on Jan. 1, 1972, but both urged the court to find suitable ambulance service for the county before they were forced to quit answering emergency calls. Both men were concerned for the public welfare and said the only reason they are continuing to offer the service, with their "necks stuck out" is

because they cannot let the people of the county down.

The court Ambulance Committee was ordered by court resolution to meet with any person, organization or group who might be interested in offering an ambulance service plan to the county and get their terms and have a report at the August meeting.

Condemnation Cases On Circuit Court Docket

One of the longest sessions of Circuit Court in many years is scheduled to begin in Loudoun County next Monday. The court docket lists jury

cases for every week day for four weeks. Five Interstate 25 land condemnation cases lead the long docket.

The docket and days the trials are scheduled are as follows:

State of Tennessee vs Jack H. Roe, M.D. and wife Rosemarie vs. Millard V. Oakley and wife, Roma J. Oakley, John H. Doughty and Katherine P. Doughty, and Colonial Pipeline, a condemnation set for the opening day of court, Monday, July 17, Tuesday, July 18 - Ernest A. Smith and Zelma M. Smith vs R.D. Akard, Tom L. Striegel and Karen Oydel Striegel, damage.

Wednesday, July 19 - State of Tennessee vs. Sam Barr, J.D. Barr, Gene Barr, John Gibson, trustee, and Herbert Tiley, condemnation.

Thursday, July 20 - John H. Williams vs Aileen Stephens, Jimmy Ferrell and Marjorie Stephens, damage.

Friday, July 21 - Knoxville Ford Tractor Co. vs Fred H. Grubb, Charles J. Matlock, repossession and deficiency judgment.

Monday, July 24 - Frieda Grundstad Murrell vs Janice Gray Terry, Ruby Gray, Loudoun Motor Company and American Motors Corporation, auto accident.

Tuesday, July 25 - United Realty Company vs Willis McCall and M.L. McCall, commission on sales contract.

Thursday, July 27 - Fred H. Grubb vs Gerd Dearing and Kenneth Dearing, auto accident.

Friday, July 28 - Beulah Walker vs Danny Sherwood, auto accident. Xan Walker vs Danny Sherwood, auto accident.

(Continued on Page 5)

Foster Honored By Hospital On Retirement

Retiring Loudoun County Memorial Hospital Administrator Thomas D. Foster was honored at a reception of employees and the doctors on the medical staff Saturday night in the hospital's dining room.

"We wanted to make it a surprise for Mr. Foster," said Assistant Administrator Gay Hamilton, "and we succeeded until about 4:30 this afternoon when an employee who didn't know it was a secret asked Mr. Foster if he was coming to the party tonight."

Mr. Foster, who has been administrator of the hospital and of its predecessor, the Charles H. Bacon Hospital, for more than 20 years, retired effective Saturday.

(Editor's Note: At Mon (Continued on Page 5)

Squires Delay Setting Tax

Loudoun County Court will meet again Monday night to adopt the 1972-73 budget and set the tax rate, it was decided at Monday's meeting.

The delay came after the Court recessed to go into private session for several minutes Monday afternoon to discuss the matter.

After Monday's Court meeting, however, Squire Henry Foster, chairman of the Budget Committee, speculated that next year's tax rate will be in the neighborhood of 32.00 per \$100, based on an assessment of 40 percent of appraisal.

This year's rate is \$2.94 per

\$100, on a 35 percent assessment, and Squire Foster said the proposed figure would be the same effective tax rate.

"In other words, it would not be an increase in taxes," he said.

The school budget was the principal problem which prevented a decision Monday on the county budget and tax rate. For one thing, Supt. of Schools Albert Dukes proposed on recommendation of the County School Board, and the court adopted a \$14,500 increase in the school budget to pay a 10 percent increase to bus drivers.

Another problem: Loudoun County schools have a significant surplus this year, but if this is used to fill out next year's county school budget, Loudoun City Schools will be left short of needed operating funds, since they get a percentage only of new school taxes collected. Mr. Foster asked Judge Sprout to look into the legality of transferring surplus to the bond debt fund to pay school indebtedness and then replace it with current tax money. Judge Sprout hoped to have the answer Monday night.

Court Briefs

Squire J.J. Blair reported that the state had taken the telephone from the Highway Patrol Office in the county and questioned the need for maintaining the office. He mentioned this in reporting that the owners of the building were seeking an increase in the \$300 per year rent the county pays.

Mr. Graham Cooper Jr., of Greenback was elected to membership on the County Library Board replacing Mrs. Harley Myers, whose term had expired.

A resolution was passed approving the lease of a truck, at no expense of the county, from TVA for one year, period to be used in helping clean up trash iron alongside county highways and roads.

It was announced that the county application for a grant to secure a Juvenile Services Officer had been filed by the East Tennessee Development District and was awaiting approval by the State Law Enforcement Planning Agency.

County Capital Outlay notes in the amount of \$28,000 were bought by the Bank of Loudoun County for an interest rate of (Continued on Page 5)

County Opposes Magill Fee

Loudoun County is going to challenge a Davidson Chancery Court Judge's ruling that Anderson County Judge Joe Magill be given a \$13,184 fee for bringing a lawsuit that led to an agreement from the state of Tennessee to pay the counties in the state where TVA owns land a larger share of the TVA in-lieu-of tax funds.

Since Magill's lawsuit (Loudoun County Judge Harvey Sprout and county attorneys Don McMurtry and Blain Wrenly have negotiated a major settlement involving Loudoun County) the County Court contends that Judge Magill acted without the knowledge or permission of the county and as a county judge acting in behalf of his own county is not entitled to a fee. The Squires also contend that Loudoun County is where the idea of the suit began and Magill was invited to join with Loudoun County, but decided to act on his own, when Loudoun County had already hired an attorney for the purpose of bringing the suit.

Magill had sought a five percent or about \$50,000 from the overall settlement, but the Chancellor cut that to 1.75 percent. Of the \$13,184 about \$800 would come from Loudoun County. In making the motion to challenge the fee Squire I. D. Conner said it might cost \$800 more to fight the fee, but the principal of the matter is important to Loudoun County.

Magill's settlement saw the Loudoun County TVA tax payments increase from \$25,000 to \$65,000. The settlement later worked out by Judge Sprout and the attorneys saw this increase another \$40,000.

It was reported by County Judge Harvey Sprout that a ruling on one segment of the lawsuit of Road Commissioner Joe Greenway against the County is expected soon. The ruling is on a cross complaint filed by the county on the equality of the road districts. Judge Sprout said that the ruling by Chancellor James O. Phillips on that matter might be that all three Road Commissioners would retain their (Continued on Page 5)

DR. HAROLD FREDMAN presented retiring Loudoun County Memorial Hospital Administrator, Thomas D. Foster with a portable color television set and Assistant Administrator, Gay Hamilton presented him with a gift from employees at a reception in his honor at the hospital dining room Saturday night.

Key-Lankford Date Announced

The engagement and forthcoming marriage of Linda Sue Key to William Larry Lankford is announced by her parents, Mr. and Mrs. Robert D. Key of Route 3, Lenoir City, Mr. Lankford is the son of Mr. and Mrs. William Lankford, Church Street, Loudon.

Constitutional Amendment Pushed

The president of the 1971 Tennessee Constitutional Convention, William M. Leach, Jr., announced today that Dr. Athens Clay Pullias, president of David Lipscomb College, will head a select committee of outstanding Tennesseans to promote a "FOR" vote on the proposed constitutional amendment.

In making the announcement Leach said, "It is with gratitude that I make the following announcement concerning the formation of a statewide committee dedicated to encouraging a favorable vote for the amendment to the constitution of the State of Tennessee concerning taxes. A number of prominent citizens throughout the State have discussed with me the need for such a committee."

Dr. Pullias has graciously consented to accept the chairmanship of this very important committee which will be known as CITIZEN'S COMMITTEE FOR THE CONSTITUTIONAL AMENDMENT FOR FAIR PROPERTY TAXES. Along with many other Tennesseans, I am most grateful and honored that a man of such stature and character has agreed to accept this

responsibility." Dr. Pullias, in accepting the chairmanship of this very important committee, made the following statement: "One short month from now, on August 3, the people of Tennessee will have an opportunity to vote for a constitutional amendment which provides for fair property taxes in this State. This proposed constitutional amendment will guarantee urgently needed tax relief to homeowners, senior citizens, farmers, and other citizens without doing an injustice to any segment of our society. In fact, this amendment will provide the climate of fairness in which business and industry are assured an equitable tax structure in which they may continue to grow and prosper."

The constitutional amendment is based on the sound principle that income-producing property should pay more taxes than non-income-producing property such as a home. The heart of this amendment is the relief that it gives to the homeowner in Tennessee. In a free society those most able to pay should gladly accept responsibility for a correspondingly greater share of necessary taxes. This principle is the cornerstone of a fair tax structure.

"Satisfied and prosperous homeowners who are a reliable source of employees and customers are more valuable to business and industry than any other thing. It is fiscal folly to maintain the present tax policy which definitely

discourages home ownership and which threatens to place an even greater hardship on homeowners should this constitutional amendment fail. Therefore, I urge the citizens of Tennessee to vote for this amendment on August 3 as the best possible amendment when the interests of all Tennesseans have been duly considered.

In 1966 Governor Frank G. Clement requested me to serve as Chairman of the Tax Study Commission, which I was privileged to do. I knew then that it would take many, many years to make a fair and final decision on property taxes in this state. When Question 3 was submitted I had the honor to serve as Chairman of the statewide Citizens Committee for Question 3, which was approved by a majority of more than 100,000 votes with 91 of Tennessee's 95 counties voting in favor of Question 3.

The rejection of this constitutional amendment would almost certainly be based on a lack of understanding of its provisions and then application of the tax burden of Tennessee as a whole. A failure to approve this constitutional amendment would be a tragic mistake that would leave Tennessee in a state of confusion and uncertainty in the property tax field for many years to come. It would be at least six years before another constitutional amendment could be submitted to the people of Tennessee for their approval.

"I want to express appreciation to the members of the Legislature, the members of the Constitutional Convention, and to all who have participated in bringing this constitutional amendment to the point of final decision on August 3. In response to a request from the President of the Constitutional Convention which drafted this amendment for fair property taxes, the Honorable William Leach, and many other leaders across this state, I have accepted the responsibility of serving as Chairman of a statewide Citizens Committee for the Constitutional Amendment for Fair Property Taxes, which is composed of a cross section of more than 100 of Tennessee's distinguished citizens and leaders representing every walk of life. The members of this statewide Citizens Committee will work alongside numerous other local committees and citizens to secure the passage of this constitutional amendment, which has been so

carefully framed over the labors of many through a long period of time.

Golf Course Broken Into

The Loudon County Sheriff's Department investigated a break-in at the Cedar Hill Golf and Country Club last Friday morning.

According to a report filed by Deputy J. W. Mashburn entrance to the pro shop was gained by forcing the lock off a door on the north side of the building. Taken were a payroll check for \$55, 20 cartons of cigarettes, 12 decks of cards, money from cigarette machine, pin ball machine and drink machine; \$75 in cash and \$6 in old coins. Eighteen lockers were also broken into.

Utility District Lawsuit Settled

(Continued from Page 1) Applications and that the two County Utilities Boards be put in line for funding as soon as possible.

Don McMurray, attorney for the Tellico Area Services System, stated that HOASING Urban Development previously had notified TASS by letter dated February 1, 1972, that the applications for grants by the two Boards had been withdrawn until the dispute between the Fort Loudoun Utility District and TASS could be resolved.

"I have been working toward getting a public water system in the Greenback area from the time I assumed office in 1966," stated Judge Sproul. "I am very pleased that these matters could be concluded amicably, and I hope that all parties can get together now to work toward the installation of a waste system in that area as soon as possible."

Mr. Wood further stated that there had been a considerable amount of negotiation and assistance from various people in the communities involved to work these matters out, which he appreciated, and that it was unfortunate that the matters could have not been concluded sooner inasmuch as it might have been possible to obtain water sooner.

He stated that his Board was going to proceed with all dispatch, with progress depending a lot on how soon HUD can fund the project, and upon promised assistance by TVA.

Retiring Hospital Administrator Is Honored

(Continued from Page 1)

day's County Court Meeting, Squire J. D. Conner, Chairman of the Hospital Board of Directors and County Judge Harvey Sproul both paid tribute to Mr. Foster for his dedicated and efficient service.

Punch and cookies were served from a decorated table in the dining room, and Mr. Foster was presented gifts from the employees and from the doctors.

Speaking for the physicians, Dr. Harold Freedman recalled that Mr. Foster came to the hospital 22 years ago when it was in debt and couldn't pay its bills. "Through long hours of work and diligent effort, he saw to it that the hospital became in sound financial condition," Dr. Freedman gave most of the credit for the construction of the new 56-bed Loudon County Memorial Hospital to Mr. Foster and pointed out that "as of next July 1, the old hospital would not have been re-licensed and it would have had to be closed."

He expressed appreciation for the extra services given from the administrator's office to doctors practicing at the hospital, and pointed out that Mr. Foster, with a portable color television set, a gift from the doctors.

Mr. Foster called it a pleasure to have worked for the hospital for the past 22 years and pointed out that "whatever successes we have had could not have happened without you employees. I appreciate it and thank you very much."

Lester Thomas was reappointed to a seven year term on the Loudon County Board of Education. Thomas was nominated by Squire J.J. Blair and Roy Bledsoe. The appointment came on a unanimous vote. In other action, County Court deferred action on a request from Deputy Sheriff Guy Russell that the old road into the Jerry Thomas place be taken over by the County Road Dept. for maintenance.

THREE PERSONS were hospitalized in this two-car collision which occurred Monday afternoon at the top of Browder Hill on Highway 11 between Lenoir City and Loudon. Highway Patrolman Tom Shugart investigated, assisted by Sgt. Ed Brown. Injured were Chester L. Ball, 17, of Lenoir City, R. 2, driver of one of the cars; Douglas Lee Phillips, 18, son of Mr. and Mrs. Walter Phillips of Highway 11, Lenoir City, R. 4, a passenger in the Ball car; and Jackie Hill, driver of the other car.

City that a site be found on U.S. 11 near the Rescue Squad headquarters. Purchasing Committee Chairman R.P. Hamilton, reporting on 10 items of the Building Trades class of the Little Tennessee Valley Educational Cooperative were underway at Lenoir City with a house under construction. When the house is completed it will be sold and money invested in the construction of another unit. The house is being constructed by young men who are being trained in building trades. He also reported that about 50 students are enrolled in an office occupation course being carried out by the organization in the Madisonville-Tellico Plains area. Courses in drivers education and early childhood and adult education are scheduled to begin in the county soon, he reported. The LTVEC recently moved their offices from Greenback to the old Alcoa High School at Alcoa, it was reported.

Both Mr. Conner and Judge Sproul highly praised retiring hospital administrator Thomas Foster. "When he came there 22 years ago, the hospital was badly in debt, and for 22 straight years since that time, the hospital has tumbled to the black," Mr. Conner said.

"It has been my pleasure to work with Mr. Foster for six years," Judge Sproul said, "and there couldn't have been anyone more cooperative or offering greater assistance. There is no way to fill his shoes." Several suggestions were heard for possible use of the old hospital space. Squire Jim Harisook pointed out that several doctors have shown interest in locating in Loudon County with the idea of having

offices in the building. Judge Sproul pointed out that the Welfare Dept. is overcrowded and Squire Hamilton noted that the County Agriculture Agent is operating out of two or three small rooms.

Judge Sproul reported to the Court on discussions with TVA regarding additional police security through the Tellico area. TVA has agreed, he said, to pay Loudon and Monroe Counties a total of \$23,000 to reinforce security patrols in that area.

Present discussions have centered around Monroe County taking all the money and providing two deputies and two cars with the money, the Judge said. The men would be licensed and bonded by both Loudon and Monroe Counties, it was pointed out.

Squire Jim Harisook, reporting for the Hospital Physician Coordinating Committee, told the Court: "We've got a new doctor coming to Lenoir City." The man, whose name he did not reveal, has resigned from U-T Hospital and as soon as he and his wife return from a vacation trip, they are coming back here to settle down and buy a home," Squire Harisook said. He did not give any further details, but he indicated contacts with two or three other doctors still appear hopeful.

Both Mr. Conner and Judge Sproul highly praised retiring hospital administrator Thomas Foster. "When he came there 22 years ago, the hospital was badly in debt, and for 22 straight years since that time, the hospital has tumbled to the black," Mr. Conner said.

Council to Meet

The Loudon County Health Planning Council will hold its regular meeting at the Lenoir City Utilities Building, Tuesday, July 18 at 7:30 p.m.

OBITUARIES

JOHN C. HUGHES, son of John Clifford Hughes, age 82, Route 3, Loudon, died Tuesday, July 11 at his residence.

Survivors include: sisters, Mrs. Stella Furrow, Mrs. Mary Belle Wiggins, Loudon; brother, James Hughes, Lenoir City; several nieces and nephews.

Loudon, Lenoir City Baseballers To Lead Madisonville In State Tourney

Speaking of Sports

By DANNY GIBSON
Sports Editor

Madisonville will take the name of Eagleton this week in preparing for the Senior Babe Ruth State Tournament in Morristown. The Monroe County centered team was awarded the berth to the state meet last Thursday night.

Madisonville achieved the rights to the Senior Babe Ruth tourney by its overall win-loss percentage in regular season play. Only Athens gave Madisonville any trouble for the tournament berth and Madisonville overcame this in the latter part of the season.

Eighteen players will be making the trip to Morristown. Madisonville manager, Danny Gibson, has beefed up his roster a bit with the addition of two more pitchers and four of the top all round performers in the Region II Connie Mack. "We have been working out every night with excellent results," stated Gibson. "The team has just now begun to peak for league play and the addition of the new players to our team and the excitement of now heading out to the state tournament has really fired the boys up."

Madisonville or Eagleton as they will be listed in the tournament has a good chance of establishing themselves for the coveted title and the honor of representing Tennessee in the Southeastern Regional since they drew a first round bye in the tournament and will have a chance to view the first two days of the tournament before sitting up of a 6 p.m. game Saturday.

Madisonville will leave Friday for the event and will be guests of Carson Newman College Athletic Department for the duration of the tournament.

Wayne Hammonds, unbeaten this season in pitching, will get the nod for the first game. Madisonville will hope in advance of a well-tuned defensive line-up and strong pitching. But should the long ball become needed the Madisonville line-up could be altered and this achieved without giving much ground in defensive abilities.

The Morristown ball park has a short 207 foot left field fence and for Don Davis, Wayne Hammonds, and Brian Tallent such a lick comes with ease.

Tommy Cook and Kenny Henry are expected to give the right field fence a try but most of all the shutdown of opposing bats with the first line defensive efforts of Fred Chaney, Cook, Delane Allison, Mike Norton, Tommy Roberts, Ronnie Dalton, and David Tucker will be exhausted for the six day playdown.

The tournament is a double elimination affair with the finals expected to be Wednesday or Thursday.

The Sub-District III slow pitch softball tournament at Lenoir City will get underway Sunday at Civitan Field. Sixteen men's teams are entered in the double elimination play with the top four teams advancing to the District Tournament at Athens.

There will be a women's tournament also starting this week at the High School field in Lenoir City. The tournament dates for this is July 17 thru July 22.

Eight teams, four games, are slated for Sunday's opener. The Loudon Co-op Vets and possible title contender Bank of Lenoir City are to play the meet at 1 p.m. Lenoir Independents vs Smith Chair Company, Mariemont II vs Telford, and First National Bank vs Garden Spot will round out the first day of action.

The Kingston Mules will not see action until Monday night against the National Guard and Eaton Corporation of Lenoir City plays Lenoir Car Works also Monday evening.

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting

LEAVE FOR SENIOR BABA RUTH TOURNAMENT FRIDAY—Madisonville, of the Region II Connie Mack League, will take the name of Eagleton in the Senior Babe Ruth Tournament at Morristown this weekend. Pictured for Madisonville are front row, left to right, Tommy Cook (Lenoir City), Fred Chaney (Loudon), Neal Foster (Lenoir City), David Tucker (Tellico Plains), Brian Tallent (Madisonville), and Tommy Roberts (Madisonville). Back row, left to right, coach Francis Henry, Ronnie Dalton (Tellico Plains), Gordon Kelley (Tellico Plains), Wayne Hammonds (Etowah), Tim Cunningham (Lenoir City), Don Davis (Madisonville), Kenny Henry (Madisonville), and Manager Danny Gibson.

Cunningham, Foster Star In Connie Mack Final

Tim Cunningham fired five runs in one hit baseball Saturday and turned things over to Gordon Kelley in the sixth to finish things up as Madisonville skipped past Rockford 13-2. Cunningham and Kelley combined to register a neat two hitter and struck out 11 Rockford batters.

Batterymate Neal Foster led Madisonville with one hit in one official time at bat, but scored three runs and had two runs batted in Madisonville's big fifth inning which saw 11 men go to the plate and six runs accounted for.

Cunningham, who got the decision, had a double and a walk to back his pitching performance.

All of the Madisonville team got into the action as they totaled 10 hits and had four base on balls and three hit batters in the game.

Kenny Henry and Don Davis had big nights with two doubles apiece and two runs scored each.

Madisonville tallied a score in every frame.

Tipton Seeks To Improve Atomic Margin Saturday

The late model sportsman point races at Atomic Speedway is getting tighter each week.

Zeke Buchanan and Herb Garner have moved into the top 10 in the race for track honors and a big payoff at the close of the season. Marion Tipton, who seized the No. 1 position from H. Vineyard nearly a month ago goes into next Saturday night's 40-lap feature with a healthy lead over Ken Phillips.

Drivers will be battling for top money of \$400. Second place will be worth \$200, third \$150, fourth \$100 and fifth \$125.

Besides the 40-lap main event, the schedule includes a semi-feature, four heat races and a 20-lap chase for hobby division drivers.

Tipton has used consistency to move to the top of the point standings. Vineyard and Buchanan have led with the most victories, three, but neither has been able to finish among the leaders each week.

Saturday night's competition gets under way at 7:45 with time trials for sportman cars. The first heat race gets the green flag at 8:30. Admission for adults is \$2 with children under 12 being admitted free.

Atomic fans will have an opportunity to watch some of the country's leading motorcycle riders on July 21 when a national championship event will be run over the third-mile dirt oval.

Cubs Use 3 Run Frames To Defeat Merchants

Loudon pitching gave up nine hits and seven walks as the Knoxville Cubs zipped to a 6-1 Stan Musial victory Sunday.

Jack Cox was the losing pitcher for Loudon going five innings and giving up three runs. Danny Russell relieved Cox in the sixth when he developed wildness and retired the side only to have the Cubs tally three runs in the eighth.

The Cubs had another three run rally in the eighth off of Danny Russell with four straight hits.

Loudon will play Saturday at Jefferson City against Jefferson City Magnavox.

The Merchants return home Sunday for a 3 p.m. match up with Oak Ridge FM.

The area Stan Musial Tournament dates were announced last week with August 16 tabbed as the starting date. Loudon will be in the season ending playdowns. The winner of the tournament and the season league winner will go to the State Stan Musial Tournament in Nashville.

Mike Messamore paced Loudon with 14 points and William Casler was a step behind with 12. L.L. Brannaman had 10 points and Rodney Elyvens contributed eight. Eight players got into the scoring for Loudon.

The win was an impressive one for the Loudon team and should give Coach Hugh Watson a good idea of what his team's rebounding potential in the winter when basketball will be played for real.

Mike Messamore paced Loudon with 14 points and William Casler was a step behind with 12. L.L. Brannaman had 10 points and Rodney Elyvens contributed eight. Eight players got into the scoring for Loudon.

Loudon Boys Attend Sewanee BB Camp

With campers from five states attending, the first session of the Sewanee Basketball Camp came to an end. Rudy Davalos, head coach of the University of the South and Camp Director, announced that there are a few openings left for both the July 25-29 and July 30-Aug. 5 sessions. John Mengell, former Auburn All American and current member of the Cincinnati Royals will be featured on the camp staff at both sessions along with Bill Justus, former Vol great, and Leo Fowler of Vanderbilt.

For further information contact Rudy Davalos, Sewanee Basketball Camp, Sewanee, Tennessee 37375 - A.C. 615-960-3694 or 986-5841.

MEMBERS OF SEWANEE BASKETBALL CAMP—Several Loudon boys took part in the recent basketball camp held at Sewanee. Pictured, left to right, are front row Jimmy Birkholz, second row Mike McCall, Bill Brakebill, Randy Davis, and Carl McEachern. Back row, left to right, Rudy Davalos, Leo Fowler, Mac Petty, and Hardy Loyd, all instructors for the camp.

Hunt Applications Now Available

Big game hunt applications were expected to be ready by noon, Monday for distribution by the State Game and Fish Commission.

The Knoxville Game and Fish office, located at 618 W. Church Ave., will have both individual permit applications for all the state's management areas as well as party applications.

Four party hunts have been scheduled this year at Tellico. A deer party still hunt will be held Nov. 17-18, followed by three bear party dog hunts on Nov. 20-21, 24-25 and 27-28.

Computerized drawing for all applications will be made Sept. 9 in Nashville.

College All Stars Start Workouts

The College All-Star football squad will open drills at Northwestern University Friday in preparation for the July 28 meeting with the Dallas Cowboys in Soldier Field.

Bob Devaney, coach of Nebraska's two-time national champions, will lead the All-Stars.

The All-Star squad includes the top three pro draft choices - Notre Dame's Walt Patulski, by Buffalo, California's Sherman White by Cincinnati and Southern Illinois' Lionel Antoine by the Chicago Bears.

The quarterbacks will be Heisman Trophy winner Pat Sullivan of Auburn and Nebraska's Jerry Tagge and Van Brownson.

Jack Miller And Clell Miller Are First Half Leaders Of Union Carbide Golf Play

The first half of the Union Carbide Golf League has come to an end with Jack Miller and Clell Miller taking an eight point lead in the standings. Defending champs Dick Huff and Art Hamil have battled themselves into a tie for second place with Hall Summers and Mike Oody. Each team with 102 points.

Huff and Hamil are in excellent position to challenge for the title when the league returns to play next week.

The annual Union Carbide individual tournament is on the agenda for this week with three flights set up. Each player will play some time during the week at Cedar Hills. Players' individual handicaps will not be recognized in the tournament other than the decision of establishing cut of guide lines for the respective flights.

Inky Swinoy and Hall Summers registered top medal honors for last week's league play with 35. Swinoy and Ted Lomax team was also the top team honored for play last week. Swinoy and Lomax are in sixth place for the first half of the season, but have displayed some outstanding team play over the past few weeks.

An alternation of the league alignment will probably be the case next week when team

competition once again is in fashion. It is understood that only 13 teams will participate in the second half of league play.

UNION CARBIDE GOLF STANDINGS

Eight Errors Help Knox Merchants Past Loudon

Loudon's Stan Musial play has again turned to the unhappy realm of defeat. The Merchants were decked 5-1 Saturday by the Knoxville Merchants as Gary Gibson was the losing hurler.

The hard throwing lefty considered one of the top line pitchers in the league to date, gave up just five hits but two were for home runs.

Knoxville got on the scoreboard in the second inning with a hit and a follow-up home run for two runs. Gibson blanked the Merchants for the next three frames, but was again tagged for a home

run in the sixth. Three Loudon errors in the seventh produced an unearned score for Knoxville and the visitors finished the day with a single score in the eighth on two more Loudon miscues.

Loudon with live hits themselves, scored in the seventh on a hit by Bobby Fussell, who stole second and rode home on the RBI single of Sam Dancy. Russell collected two of Loudon's base hits but failed to get equal help from his team mates when scoring opportunities presented themselves.

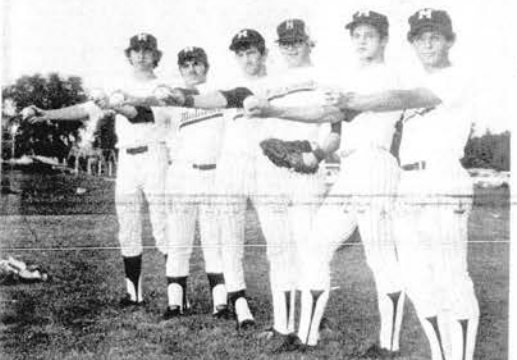

Etowah Listed To Madisonville CM Victims

Madisonville blasted Etowah in Connie Mack play last week 9-2 on the four hit pitching of Wayne Hammons. Shortstop Ronnie Dalton and catcher Kenny Henry led the Madisonville hitting with two hits each. Don Davis blasted his eighth home run of the season to set a new league record and Fred Chaney, Brian Tallent, Tommy Roberts and Hammons, all clipped in with clutch hits to back the Madisonville play.

Madisonville placed men on base in every inning and

scored three in the second frame on three walks and a hit and followed with runs in all the following innings to secure the triumph. Etowah scored one run in the second on a hit and a Madisonville fielding lapse which resulted in a base out being covered for a two out put-out which would have prevented the score.

The Piledrivers added another run in the final seventh inning on two hits. The RBI single coming from the bat of Wayne Hammons brother who plays for Etowah.

Chamberlain Sets 14 NBA Records

Will Chamberlain, who led the Los Angeles Lakers to their first National Basketball Association championship last season, also set 14 league records during the 1971-72 campaign, it was announced Saturday.

Overall, 41 NBA records were broken and three tied in regular season, playoffs, and the All-Star Game.

The records by the 7-foot-1 one-half, 275-pound Chamberlain included: most career points, 30,235; most seasons leading NBA in rebounds, 10; most seasons leading NBA in field goal percentage, 8; most rebounds career, 22,286; most minutes played career, 44,319; most field goals made career, 12,255; most field goals attempted career, 22,933; and most consecutive games, career, no disqualifications, 963.

Clinton Rips Redskins In Summer Hoop Play

Loudon lost its second basketball game of the season Monday night to a fired up Clinton team by a score of 81-55. The one-sided defeat was the worst of the Redskins' two losses and both have come in the Kingston league.

Clinton placed five men in

double figures for the game and limited the unsuccessful Loudon offense to a mere six offensive rebounds the entire game.

Mike Messamore led the Loudon scoring with 17 points. Donnie Thearp, playing with a high degree of effort, totaled

15 for the night. R.L. Brannan and Bill Collins each registered 10 points.

Clinton led from the start with a 25-14 first quarter

advantage and continued to increase their margin to 23 points before Loudon cut the difference in the final eight minutes.

Red Cross Sets Annual Meeting

written in a very unusual fashion. The words were spelled like they sounded rather than spelled as they are known to us today.

The old mill picture we ran the other week, which was an old water powered mill, has been identified. It was in our area according to the information we have received. It was the old corn mill (and possibly flour) that operated for many years at Philadelphia, and was well known to the people of that area many years ago.

This mill, according to our information, was operated by a Mr. Scott for a number of years. The man in the picture is a grandfather of Mr. Luke Martin.

The Loudon County Chapter American Red Cross will have their annual meeting Thursday night, July 20, at 7:30 p.m. at the Lenoir City Citizens Building. Volunteers in water safety, first aid, home nursing, mothers aid, and Red Cross Youth will receive awards at this meeting. Slides will be shown of the Red Cross Youth Training Center in Townsend, Dr. Walter C. Shea, Jr., chairman, states "This meeting is open to the public."

us was made at the bridge, looking uptown in Loudon. This picture was made before Court Theater burned down, and before the fountain was built in the town square. As our Good Old Days folks know, the square was used for parking space for many years. As is indicated in the picture in regard to the Court Theater, at the time it was constructed it was the most modern in East Tennessee. The owner, the late Charles Colville was very proud of it. I am sure this brings back many memories to a lot of people. Although this has not been so very many years ago.

We also have a mystery picture this week. This is a very old and worn picture that one of our readers loaned us a long time ago. But we have no identification on it. So if you can help us out, please, give us a call. We are always grateful to those who take the time to help us out. The other day, Ralph Murrell, was doing some work on the old Greer house now owned by Loudon First Baptist Church and in the process of tearing out an old mantle found several things of interest from the Good Old Days. One thing was some old advertisements for wood fueled cook stoves. This possibly was from around the turn of the century, or possibly earlier, but anyway, it was interesting to look over. Another interesting thing he found was an old letter which didn't say very much. But was

BACK IN THE GOOD OLD DAYS

Many times in the Good Old Days we have asked for train wreck pictures of wrecks that happened in our area over the passing years. We have had many responses with some very good pictures. Some of these were priceless in the sense that they recorded a part of the colorful railroad history that has been a very important part of our area's growth and history. The other day a young man, Pat Beeler, of Ward Ave., Loudon, brought some pictures to the Herald Office for use in the Good Old Days. In the group, a train wreck picture was included, and according to Pat, this wreck happened in Lenoir City in the late Forties. We can't recall this one, but maybe some of our readers can tell us more about this wreck. As I mentioned, it seems to be a pretty bad wreck. Pat didn't know a lot about the wreck, but we thank him for the loan of the picture.

Another picture Pat brought

Pinto Wagon: \$2265*

We put a lot into it. You can put a lot in it.

What you can put in: over 60 cubic feet. Put the rear seat down and there's 60.5-cubic feet of carrying space. For 400-lb. person, VW Squareback and Vega Kombi back both give you a bit over 50 cubic feet.

The basic \$2265* model. It's the ideal choice for people who want an economy car that carries more—or a wagon that costs less. The white sidewall tires (shown here) are \$28.00.

Front Disc Brakes. Standard on the Pinto. And there's precise rack-and-pinion steering, which is normally found only in some of the more expensive sports cars.

2000cc Overhead Cam Engine. It's rugged, economical, peppy—and standard equipment. A 4-speed floor-mounted all-synchromesh transmission is also standard.

Better idea for safety . . . buckle up!

FORD PINTO
FORD DIVISION

See Your Ford Dealer.

The Squire Option. That distinctive wood-sided wagon look, plus wheel covers, special trim, and more. No other economy wagon offers anything like it. Price with the Squire Option: \$2479*. The luggage rack is \$45.53 extra. The white sidewall tires \$28.00.

*Sicker Price. Excludes dealer preparation charges, if any, destination charges, title and taxes.

Your County In Action

BY HARVEY L. SPROUL
LOUDON COUNTY JUDGE

Approximately one-half million dollars! This is the amount of money that is expected to be received in Loudon County in the next five years on the basis of the settlement of the State of Tennessee concerning TVA "in-lieu-of-tax payments." This is the "good news" I have been talking about! I feel very good about this settlement wherein Loudon County will receive this kind of money (and all Counties in the State will receive something like \$10,000,000) because it is a project I have

been working on almost from the time I came into office. And another thing I feel particularly good about this settlement is that \$200,000 of it in all probability would not have been possible if it had not been for my personal efforts. The reason for this is that a proposed settlement had already been tentatively approved by all parties except Loudon County wherein we would have received only \$40,000 additional each year, instead of the \$80,000 we were ultimately able to get. Upon my recommendation,

and with the able assistance of Attorney Don McMurray, and the backing of the Loudon County Quarterly Court, Loudon County filed exceptions to the proposed settlement, and after several Court hearings, and an appearance before the State Board of Equalization we were successful!

However, a fellow can't afford to become too pleased with himself because things in Government have a way of changing sooner than you expect, and it is possible something could happen to where Loudon County would not continue to receive this money. One example of this could be the effect that "Question Three" might have in causing a new formula to be made. However, I personally feel that the State, now having agreed to pay this amount of money, will probably not back down from it in the future.

It really was only fair that Loudon County and the other Counties affected by TVA projects should receive a greater percentage of the TVA money paid directly to the State. All of these Counties have been receiving from the state a total of approximately \$900,000 each year for many years, while in the meantime the State of Tennessee portion of these payments have arisen from approximately \$90,000 to what will possibly be \$12,000,000 for this past year.

The reason why I felt that the first proposed settlement, which would have brought us the additional \$40,000 per year was not adequate was because it left out a very important part of the formula and that was they did not consider the increase in the value of land. In other words, that proposed settlement only took the value of land at the time TVA bought it.

Of course, we have had quite a bit of land bought by TVA in Loudon County and some of it was bought a long time ago and would be worth quite a bit more money now. So this was the whole part of the contention about why the proposed settlement should have been much more, and we were successful.

Actually, the lawsuit which is now entered and was entered in the name of Anderson County might very well have been in the name of Loudon County. Judge Magill was present at a meeting of the Loudon County Quarterly Court in February of 1971 to discuss the possibility of an airport in the Western edge of Knox County. While he was here, there was an item on the agenda wherein I was requesting the Quarterly Court to authorize me to retain an attorney to file suit for Loudon County against the State Board of

Equalization for the purpose of recovering a proper share for Loudon County and all other Tennessee Counties of these TVA in-lieu-of-tax payments. Judge Magill being present, had indicated that he was also interested on behalf of Anderson County in filing a lawsuit, and it was tentatively understood in that meeting that Loudon County, together with Blount and Monroe Counties who were also interested in filing a suit, would wait until Anderson County was ready and we would all file together.

Anderson County through Judge Magill sometime later went on and filed the lawsuit without contacting the other Counties, but this was not felt to be too important by the Loudon County Quarterly Court as long as the goal was attained. The Monroe County and Itone County Quarterly Courts took the same position that Loudon County did and under Loudon County leadership the good results were obtained.

However, one of the big questions that ultimately disturbed the Loudon County Court was the request by Judge Magill (being also an attorney who practices law) that he be awarded a fee for his services in filing the lawsuit, he being the County

Judge of Anderson County, but also representing Anderson County in the suit, but not being entitled to a fee from Anderson County because he was a full-time County Judge. Judge Magill requested as a fee a percentage of the original proposed settlement (which was objected to by the Loudon County Quarterly Court both from the standpoint from which he had proposed, together with an objection to his fee) which would have equalled approximately \$50,000.

However, the Loudon County Quarterly Court recently approved a lesser fee for Judge Magill, which apparently would be approximately \$15,500, and would be taken proportionately out of the shares of all Counties involved, with the exception of Anderson County.

The Loudon County Quarterly at its meeting Monday, instructed me to direct our attorney to appeal the Court's decision insofar as it requires Loudon County to pay a portion of Judge Magill's fee, inasmuch as Loudon County had at that February meeting of 1971 already had authorized the Loudon County to file the suit, and inasmuch as Loudon County already had hired its own attorney for those purposes, and has been represented throughout these proceedings.

Praise to the Squires
I don't think it is possible to praise the Loudon County Quarterly Court too much for its taking the position it did in this matter so that the ultimate results were that the benefits to Loudon County from this settlement were doubled over what they would have been. In other words, it doesn't make any difference how good a suggestion or recommendation is when made to the Quarterly Court; if they do not use good judgment in their consideration of the recommendation, it is worth nothing. Certainly the assistance of attorneys Don McMurray and Bland Winfrey has been very professional and capable.

June Rainfall Below Normal

June rainfall averaged 4 inches across the Tennessee Valley, a little under the normal 4.3 inches for the month, TVA reports. Rainfall was generally less than normal in the lower half of the Valley, west of Chattanooga, and above normal in the eastern half. The highest June rainfall total reported to TVA was 11.70 inches at Clingmans Peak, northeast of Asheville, N.C. The lowest was 61.4 of an inch at Kentucky Dam, southeast of Paducah, Ky.

NOTICE OF ELECTION ON PROPOSED CONSTITUTIONAL AMENDMENT

An election for the purpose of submitting the following proposed AMENDMENT TO THE CONSTITUTION to the voters of the State for RATIFICATION OR REJECTION will be held in every County of the State on

THURSDAY, AUGUST 3, 1972

which said election will be conducted according to the general election laws of the State and at which election all persons qualified to vote as required in elections for representatives to the General Assembly shall be entitled to vote.

The proposed amendment, as adopted by the 1971 Limited Constitutional Convention in Resolution No. 74 on September 14, 1971, shall be printed in full on each ballot or voting machine as follows:

BE IT RESOLVED, by the Limited Constitutional Convention of 1971 that Article II, Section 28, of the Constitution of the State of Tennessee be amended by deleting the same in its entirety and substituting in lieu thereof the following provisions, to be submitted to a vote of the people for ratification:

In accordance with the following provisions, all property real, personal or mixed shall be subject to taxation, but the Legislature may except such as may be held by the State, by Counties, Cities or Towns, and used exclusively for public or corporation purposes, and such as may be held and used for purposes purely religious, charitable, scientific, literary or educational, and shall except the direct product of the soil in the hands of the producer, and his immediate vendee, and the entire amount of money deposited in an individual's personal or family checking or savings accounts. For purposes of taxation, property shall be classified into three classes, to wit: Real Property, Tangible Personal Property and Intangible Personal Property.

Real Property shall be classified into four (4) subclassifications and assessed as follows:

- (a) Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
- (b) Industrial and Commercial Property, to be assessed at forty (40%) per cent of its value;
- (c) Residential Property, to be assessed at twenty-five (25%) per cent of its value, provided that residential property containing two (2) or more rental units is hereby defined as industrial and commercial property; and
- (d) Farm Property, to be assessed at twenty-five (25%) per cent of its value.

House trailers, mobile homes, and all other similar movable structures used for commercial, industrial, or residential purposes shall be assessed as Real Property as an improvement to the land where located.

The Legislature shall provide tax relief to elderly low-income taxpayers through payments by the State to reimburse all or part of the taxes paid by such persons on owner-occupied residential property, but such reimbursement shall not be an obligation imposed, directly or indirectly, upon Counties, Cities or Towns; provided, that such tax relief for the years 1973 through 1977 shall be not less than an amount equal to the State, County, and Municipal Taxes on Five Thousand (\$5,000) Dollars worth of the full market value (or One Thousand Two Hundred Fifty (\$1,250) Dollars of the assessed value) of property used for a residence by any taxpayer over sixty-five (65) years of age for a period of one (1) year prior to the date of assessment; provided further, that such relief shall not extend to persons having a total annual income from all sources in excess of Four Thousand Eight Hundred (\$4,800) Dollars.

The Legislature may provide tax relief to home owners totally and permanently disabled, irrespective of age, as provided herein for the elderly.

Tangible Personal Property shall be classified into three (3) subclassifications and assessed as follows:

- (a) Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
- (b) Industrial and Commercial Property, to be assessed at thirty (30%) per cent of its value; and
- (c) All other Tangible Personal Property, to be assessed at five (5%) per cent of its value; provided, however, that the Legislature shall exempt Seven Thousand Five Hundred (\$7,500) Dollars worth of such Tangible Personal Property which shall cover personal household goods and furnishings, wearing apparel and other such tangible property in the hands of a taxpayer.

The Legislature shall have power to classify Intangible Personal Property into subclassifications and to establish a ratio of assessment to value in each class or subclass, and shall provide fair and equitable methods of apportionment of the value of same to this State for purposes of taxation. Banks, Insurance Companies, Loan and Investment Companies, Savings and Loan Associations, and all similar financial institutions, shall be assessed and taxed in such manner as the Legislature shall direct; provided that for the year 1973, or until such time as the Legislature may provide otherwise, the ratio of assessment to value of property presently taxed shall remain the same as provided by law for the year 1972; provided further that the taxes imposed upon such financial institutions, and paid by them, shall be in lieu of all taxes on the redeemable or cash value of all of their outstanding shares of capital stock, policies of insurance, customer savings and checking accounts, certificates of deposit, and certificates of investment, by whatever name called, including other intangible corporate property of such financial institutions.

The ratio of assessment to value of property in each class or subclass shall be equal and uniform throughout the State, the value and definition of property in each class or subclass to be ascertained in such manner as the Legislature shall direct. Each respective taxing authority shall apply the same tax rate to all property within its jurisdiction.

The Legislature shall have power to tax merchants, peddlers, and privileges, in such manner as they may from time to time direct, and the Legislature may levy a gross receipts tax on merchants and businesses in lieu of ad valorem taxes on the inventories of merchandise held by such merchants and businesses for sale or exchange. The portion of a Merchant's Capital used in the purchase of merchandise sold by him to non-residents and sent beyond the State, shall not be taxed at a rate higher than the ad valorem tax on property. The Legislature shall have power to levy a tax upon incomes derived from stocks and bonds that are not taxed ad valorem.

This amendment shall take effect on the first day of January, 1973.

Opposite the said proposed Constitutional Amendment shall appear the following:

FOR THE AMENDMENT:
AGAINST THE AMENDMENT:
Voters will indicate their vote by placing a cross mark in the square opposite one or the other of the above expressions.

Notice is hereby given to all qualified voters throughout the State and especially to all members of the County Election Commissions of the several Counties of the State that said election will be held in all civil districts, wards and voting precincts throughout the State within legal hours on August 3, 1972, for said purpose and that the proper officers of all Counties shall, immediately after said election, make a return to the Secretary of State of the number of votes cast in their respective counties "For the Amendment"; and the number of votes cast "Against the Amendment."

This proclamation is issued in compliance with Resolution No. 54, Resolution No. 74, and Resolution No. 76 adopted by the 1971 Limited Constitutional Convention on September 14, 1971 and in compliance with provisions of Article XI, Section 3, of the Constitution and Chapter 421 of the Public Acts of 1968.

Given under my hand and attested by the Great Seal of the State of Tennessee, this 13th day of January, 1972.

James H. Cannon
SECRETARY OF STATE

Greenback 4th A Success

In spite of interrupting rains which caused postponement of parts of the program, Greenback Community Club reports success in its first annual Fourth of July celebration. Hundreds of people attended the fun and games, or ate at the fish fry. The fish fry is an annual event which has been supported by the community to house the Greenback Unit of the Loudon County Rescue Squad.

The parade through and around Greenback began at 1:30 p.m. with prizes being given for best decorated bicycle, best controlled horse and rider, horse drawn buggy wagon, old fashioned costume, etc. The softball game lined up the "Women's Lib" team versus the best decorated husbands - battling left handed. However, disappointing, the men won. Races, contests, gate prizes had competition keen.

Five sheldahl ponies were given away, among other prizes from merchants and residents. When heavy rain at 8:30 p.m. forced postponement of the Little League games and the fireworks, both were exhibited on Thursday night.

After a critique to suggest improvements, plans will start for July 4, 1973.

Finally, the day arrived, April 17th, Sharon had her pony.

Sharon remembers her first horse show, the pony never got there. Sharon said, "She broke out of the borrowed trailer and took off running over the hills with Dad and Gene chasing after her. That wound up with my sobbing with a broken heart in my bedroom, and Dad suffering with an almost heart attack in his bedroom. Poor Mom was caught between us."

Because of Sharon's interest and participation in the 4-H Horse and Pony Project Group she was the lucky winner of the horse. Sharon's horse is a registered half Arabian half Hackney gelding named Count Me In.

Aboard USS Luce

June 14-Navy Petty Officer Second Class Roger D. Holt, son of Mr. and Mrs. Roger D. Holt of 401 W. Fifth Ave., Loudon City, has sailed for the Mediterranean aboard the USS Luce, a guided missile frigate homeported at Newport, R.I.

LEGAL NOTICES

NOTICE OF TRUSTEE'S SALE
NOTICE IS HEREBY GIVEN THAT, default having been made in the payment of the indebtedness secured by that certain Trust Deed executed on March 23, 1968 by Glen Russell and wife, Juanita Russell, recorded in Trust Book 86, at Page 322, in the Register's Office for Loudon County, Tennessee, the undersigned as TRUSTEE, under and by virtue of the authority vested in him by the aforesaid Deed of Trust will, having been requested so to do by the owner and holder of said indebtedness, sell, at the Front Door of the Courthouse in the City of Loudon County, Tennessee, for cash to the highest bidder, in bar of all right and equity of redemption at 11 o'clock A.M. Friday, July 21, 1972 the following described property and premises, to-wit:

Situated in the first civil district of Loudon County, Tennessee, being known and designated as lot number 4, Bob Wilson Subdivision to the town of Loudon, as shown on the map of the same of record in map book 1, page 21, in the

Register's office for Loudon County, Tennessee.

The above described property and premises will be sold subject to all unpaid taxes.

The proceeds of said sale will be applied to the payment of all costs and expenses incident to this sale and foreclosure, second, to the payment of all indebtedness secured by said Deed of Trust and the balance, if any, will be paid to the Parties legally entitled thereto.

Yours very truly
Howell C. Curtis
629-303

NON-RESIDENT NOTICE

NO. 5839

First National Bank of Loudon City vs. David Kencaid State of Tennessee.

In Chancery Court of Loudon County. In this cause, it appearing from the Complaint, which is sworn to, that the defendant, David Kencaid is a non-resident of the State of Tennessee, so that ordinary process cannot be served upon him, it is ordered that said defendant file an answer in the Chancery Court, of Loudon County, at Loudon, Tennessee, and with plaintiff's attorney Don T. McMurray, whose address is Loudon City, Tennessee, within 30 days of the last date of publication or a judgment by default may be entered and the cause set for hearing ex parte as to David Kencaid. This notice will be published in the Loudon County Herald for four consecutive weeks.

This 7th day of July, 1972. Lloyd Black, Clerk and Master. 7-13-80.

Register's Office, the holder of the indebtedness secured by said Deed of Trust has, in accordance with the terms thereof, appointed the undersigned as Successor Trustee; and

WHEREAS, default has been made in the payment of the indebtedness and interest as same became due and payable on the note secured by said Deed of Trust, and the owner and holder of said note has elected to declare the entire amount due and payable and has instructed the undersigned, Successor Trustee, to foreclose said Deed of Trust, advertise and sell the property conveyed therein;

THEREFORE, notice is hereby given that the undersigned, John A. McReynolds, Jr., Successor Trustee, and his appointed attorneys and agents, will sell at the front door of the County Court House in Loudon, Loudon County, Tennessee, at public auction for cash to the highest bidder, free from all equity of redemption, at 11:00 a.m. on Thursday, the 20th of July, 1972, the following described property, to-wit:

SITUATED in District No. 5, County of Loudon, State of Tennessee, to-wit: across Outer Drive from the Pleasant Hill Homes Subdivision, and being more particularly described as follows:

BEGINNING at an iron pin in the East right of way of Outer Drive 859.6 feet Northward from S.P. Grubb Intersection of Outer Road and Old State Highway No. 95; thence with East right of way of Outer Drive North 42 deg. 35 min. East 70 feet to an iron pin; thence South 47 deg. 25 min. East 250 feet to an iron pin, a corner with S.P. Grubb Estate; thence with Grubb South 32 deg. 47 min. West 71.1 feet to an iron pin; thence North 47 deg. 35 min. West 262.9 feet to the point of BEGINNING, containing 0.3 acres, more or less, as shown by survey of R.W. Sweeney, Surveyor, dated February 15, 1972.

BEING the same property conveyed to Claudette Lytle, widow, by deed from John H. Walker dated February 16, 1972, and recorded in Deed Book 106, page 314, in the Register's Office for Loudon County, Tennessee.

The proceeds derived from the sale of said real estate will be applied as provided in said Deed of Trust, first to the expense of executing this trust and all amounts advanced or expenses incurred by the holder of said indebtedness for the account of the makers,

with interest thereon; second, to the payment of the debt, secured by said Deed of Trust, and the balance, if any, will be paid to the parties legally entitled thereto under the terms of said Deed of Trust. This June 24, 1972. John A. McReynolds, Jr., Successor Trustee.

Sharon Wins A Horse

By Roger L. Perkins, Assistant Extension Agent

4-H means different things to different people. To Sharon Hart it means a free horse. Mr. Carl Holt, offered a young horse to the 4-H project group. Sharon's love for horses began while she was in the sixth grade. She did not have a horse but she knew she wanted one. Her father told her he would get her a horse, but first some fencing had to be done.

KINGS

You're Welcome

Citizens of Loudon County, you're welcome! Welcome to come in to any Bank of Loudon County office and discuss your banking opportunities with us. We call them opportunities. Some banks call them problems, but when you come into Bank of Loudon County that's an opportunity. An opportunity for us to serve you because that's what we like to do.

Come in and talk with one of our people. Like Jay Y. McNabb in Loudon and Scott Collins downtown or Al Beeman or Ed Bell at the main office in Lenoir City. No matter what your banking needs are, from loans to financial advice, Bank of Loudon County, your home-owned and operated bank, wants the opportunity to serve you.

Oh, yes, just as an extra, if you come in and open a checking account you get your first 50 checks free. Just another opportunity for Bank of Loudon County to say, You're Welcome!

PAT ON BACK FOR SQUIRES

Although some things were left out of the county budget for next year that we would like to have seen left in, we still think the county court did a remarkable job of preparing a budget that had substantial increases and still hold the tax rate to a point where there is almost no increase in property taxes.

Several things made the low tax rate for this year possible. One was the new in-lieu of tax payment of TVA funds from the state. Another was that the county has not yet gone into the ambulance business. We could list several other reasons, but suggest you read Judge Harvey Sproul's column elsewhere in this issue.

It is not often we pass out flowers to the nine squires, we are usually throwing darts their way, but in this case we think they did a fine job.

THE DEMOCRATIC CONVENTION

That was a strange program they had billed as the Democratic national Convention last week on the tube. It sure was a switch from four years ago. Then the people who were running the show inside this year, were outside throwing rocks at police.

Loudon County candidates for Justice of the Peace who generally run as Democrats are running without that designation this year. This is because the Democrat party did not have a nominating convention in the county and none of the candidates thought to qualify as Democrats. One told us he was glad he did not qualify as a Democrat after the Miami doings.

Of course much could happen between now and November to heal some wounds and mend some fences, but right now a McGovern Democrat in Loudon County is a rare bird. There is even the very strong possibility of a Loudon County Democrats for Nixon organization that might contain some of the more staunch members of the donkey party.

THE AMENDMENT

Two years ago we all heard a lot about Question 3. Well Question 3 is back but it has a new name... The Constitutional Amendment. It is one of the most important issues on the August 3 general election ballot in Loudon County as well as across the entire state.

The Amendment has to do with property classification for tax purposes. We bet that got your attention. The mention of property tax always does. For the past week, this week too, and next week we are publishing a large advertisement paid for by the state spelling out what the Amendment is. Take time to read it. Also read all the other material on the matter you can find. It is controversial and in our opinion it has its strong and weak points.

We are not telling you to vote for or against the amendment, but read it, read more about it and know as much about it as you do the candidates on the ballot before you vote on Thursday, August 3.

THANKS FOR AGREEING

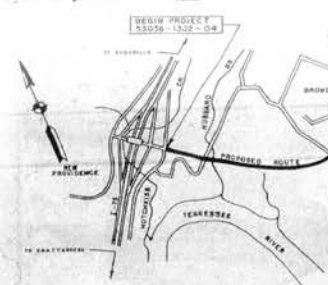

Almost any item in this corner brings some (Continued on Page 7)

State Sets Public Hearing On Connector

The Tennessee Department of Transportation will hold a public hearing in the main courtroom of the courthouse in Loudon at 1 p.m., Thursday, August 24, on the corridor and design of the Sugar Limb Road connector from Interstate 75 to U. S. 31.

At the public hearing the state will present information pertaining to the specific location of the road and rights of way. Also they are expected to answer questions from

persons who might be affected by the project and give tentative schedules for rights-of-way acquisition and construction. Maps, drawings and other pertinent information developed by the department and other agencies are available for public inspection and copying at the office of C. R. McAmis, Regional Engineer for the Bureau of Highways at 711 Concord Street, P. O. Box 58, Knoxville.

SUGAR LIMB CONNECTOR ROAD ROUTE—This State highway Department map shows the proposed corridor route of the Sugar Limb connector road to Interstate 75. The State has scheduled a public hearing on the corridor and design of the road for 1 p.m., Thursday, August 24 at the courthouse in Loudon.

County Tax Rate Set At \$2.58

Additional Revenue Helps Hold Tax Rate Down

DRIVER HURT BUT ALIVE—James Bradford, 20, of Sweetwater, was injured, but somehow lived when his pickup truck, above, slammed into the side of a large highway construction truck where State 72 and 1-75 intersect at Loudon early Friday morning. Bradford, an employee of McKinnon Bridge Company, sustained a

broken arm, broken leg, injured shoulder and cuts. The cab of the truck was completely separated from the frame of the truck by the impact. Witnesses told State Troopers investigating that the pickup was moving at a high rate of speed just before the impact. Bradford was admitted to Loudon County Memorial Hospital.

Loudon County Court set a tax rate of \$2.58 per \$100 assessment at Monday night's adjourned session from the regular meeting a week earlier. The tax rate a reduction from last year's \$2.94 is nevertheless calculated to cost the individual taxpayer almost exactly the same as last year's tax bill. Squire Henry Foster, who made the Budget Committee's report at Monday night's meeting, said the tax on a \$10,000 home, for example, at 90 percent assessment and the new tax rate would carry a tax bill of \$103.30, an increase of 30 cents. The tax rate, however, leaves Lenoir City Schools \$20,000 short of the amount of revenue from county taxes which had been proposed in the earlier-published budget. The City School Board had used this figure in calculating their 1972-73 school operating budget, and the shortage will leave a proposed increase in city teachers salaries in doubt until a scheduled School Board meeting Thursday night. Loudon County Schools, however, will use about \$70,000 of surplus funds from last year to make up the full amount requested, including the anticipated teacher pay raise.

\$9,819 Awarded In Highway Condemnation

A group of Loudon County landowners received almost twice as much in damages as they did for the 11.07 acres of land taken from their farm for Interstate 75. A Circuit Court jury Monday awarded Jack H. Roe, M.D. and Rosemarie Roe, Millard and Roma Oakley, and John and Katherine P. Dogherty some \$9,819.15 for the land taken and \$5000 in damages to the remainder of the farm. The land is located on the banks of the Tennessee River east of Loudon.

It is understood the damage award is about double the amount the state had offered on the case. The damage case scheduled for Tuesday, Earnest A. and Zelma M. Smith vs. H.D. Akard, Tom L. Striegel and Karen Cydel Striegel was settled out of court.

Woman Takes Own Life Found Hanging From Door

A 43-year old Lenoir City woman was found dead in her home about midnight Sunday, the apparent victim of a suicide hanging, according to Sheriff Freeman Russell. Mrs. William (Mary) Lavin, North Shore Drive, Rt. 4, Lenoir City, was found hanging from a bathroom doorway by a dress belt. The body was found by the victim's father and brother, J. M. Stafford, Sr. and J. M. Jr. Sheriff Russell said that the family had last seen Mrs. Lavin about noon Friday and the condition of the body indicated she had been dead for at least 24 hours. Dr. W.B. Harrison, county coroner said, Mrs. Lavin's husband works in Pennsylvania and was not home. A note left by Mrs. Lavin indicated she took her life due to health, emotional

and personal problems, Sheriff Russell said. Survivors include the husband, William P. Lavin; parents, Mr. and Mrs. J.M. Stafford, Sr. of Lenoir City; brothers, J.M. Stafford, Jr. of Lenoir City and Amos H. Stafford of Philadelphia; sister, Mrs. Wayne F. Hartzog of Knoxville; three nephews and five nieces. Funeral services were held Tuesday at Click Funeral Home in Lenoir City with Rev. A. A. Carlton officiating. Interment was in Marietta Cemetery.

and deficiency judgment. Monday - Freda Graddeloff Murrell vs. Janice Gray Terry, Ruby Gray, Loudon Motor Co. and American Motor Corp. auto accident. Tuesday - United Realty Company vs. Willis McCall and M.L. McCall, commission.

Baker Caravan Here Wednesday

The election motor caravan of Senator Howard Baker will pass through Loudon next Wednesday. Local Republican officials said the caravan, of about a dozen vehicles and some 30 persons including a number of newsmen traveling with Baker, in his state-wide motorcade will arrive at the courthouse in Loudon between 11 and 12 noon Wednesday, July 26. Senator Baker will be shaking hands with those who turn out and may make a short address before continuing.

Death For Pair Changed To 99 Years By Dunn

Governor Winfield Dunn said Tuesday he is commuting the sentences of Danny Barnes and Arnold Carter to the 99 other Tennessee prisoners, who had been sentenced to death, to 99 years in the state penitentiary. Barnes and Carter were sentenced to death in May for the murder of Ronny Swiney, former Loudon County school teacher, Philadelphia community leader, and father of three children. Swiney was kidnapped from a service station where he worked last October and found shot to death the next day. Barnes and Carter were convicted of murder in the first degree in a Monroe County court and sentenced to die in the electric chair for the crime.

"I'm told the most stringent penalty I can impose is a sentence of 99 years," said Dunn, after receiving an opinion from Atty. Gen. David M. Pack on the recent U. S. Supreme Court ruling banning the death penalty. "This would mean these murderers and rapists on death row would have to serve 99 years before becoming eligible for parole," the governor said. "For me, in my judgment, this is the best avenue to go."

He said he expected a flood of legislation at the next General Assembly to restore the death penalty under Supreme Court guidelines. He probably will wait until then until he decides whether the administration will back measures already introduced or have its own legislation. In his opinion, Pack said he felt legislation is essential. At a news conference, he said Tennessee could reinstate the death penalty, but only if an automatic sentence of death is required for certain crimes - without any discretion left to juries. Present law allows the death penalty to be imposed for the crimes of murder, armed robbery and rape. Commutation of the sentence to death to 99 years was one of two courses which Pack told the governor were open to him under state law and the (Continued on Page 7)

DERAILMENT AT LOUDON—A single car of a Southern Railway freight train derailed right in front of the Loudon Southern Railway Station Saturday about 8 a.m. Southern officials at the scene said the car, loaded with carbon headed to the General Tire Company in Charlotte, N.C., jumped off the track when the load apparently shifted. The car was near the end of the train. Southern traffic through the area was blocked most of the day because of the accident.

Lenoir City To Get New Doctor

Squire Jim Hartsook, chairman of the County Court Physicians and Hospital Coordinating Committee, this week announced that Dr. Jerry Rogers, 37-year-old physician now practicing at UT Hospital in Knoxville, will soon come to Lenoir City to practice medicine. Hartsook, who was joined by Squires J. D. Conner, Curtis Williams and Henry Foster in making the announcement, said details of his office location, etc. will be announced later. "I talked to him again this afternoon," Hartsook said Monday night. "And he told me that he is working out final arrangements at the hospital, after which he and his wife are going to take a vacation trip and then he is definitely coming here to practice." "All of us," Mr. Hartsook, Williams, Foster and myself," said Squire Conner, "took him to see the new hospital a few days ago, had lunch with him, and we were all greatly impressed with him." "And he thought the new hospital was great," he added. Hartsook said the committee is in touch with a couple of doctors in Iowa who have indicated a strong interest in coming here and practicing from a sale of offices in the old Bacon Hospital wing.

Beverley Birkholz Is Engaged

Mr. and Mrs. Ray T. Birkholz, 407 Robinson Drive, Loudon, announce the engagement of their daughter, Beverley Jean to George Drew Butler, of Martinsville, Virginia. He is the son of Mr. and Mrs. Herman Ellis Butler of Palatine, Illinois, formerly of Memphis.

The bride-to-be attended the University of Tennessee. She was formerly employed at Fashion Showcase of Knoxville and is presently employed at Union Carbide Corporation of Loudon.

The groom-to-be graduated with a BS in Mechanical Engineering from University of Tennessee where he was a member of the American Society of Mechanical Engineers. He is presently employed by E.I. DuPont Company in Martinsville, Virginia.

The wedding is planned for September 16 at Grace Lutheran Church in Knoxville.

Mr. and Mrs. Harvey Wilson and family and Mrs. Kitty Oliver of Paducah, Mich., Mr. and Mrs. Reford Bailey and family and Cindy West of Lenoir City were visiting Sunday with Mrs. Joanne Wilson.

Mr. and Mrs. J.B. Whaley spent the weekend with their daughter-in-law and grand-son, Mrs. John Whaley and John in Wanchese, N.C.

Mrs. Bill Kelso, Kevin and Mike of Maryville spent the weekend with Mrs. Louise Kelso and Misses Ruth and Coleen Ferguson.

Mrs. Joe Christian had as her dinner guests Monday, Mr. and Mrs. Greg Hope and Christie of Virginia Beach, Arthur Fleming of Atlanta, Greer Fleming and Mrs. Mae Bradshaw.

Mr. and Mrs. Lynn Kilcock and Bill spent the weekend visiting with friends in Kingsport.

Mr. and Mrs. Mac Jones of Birmingham, Ala. have been recent guests of Mr. and Mrs. Burton Pevey.

Mr. and Mrs. Ivan Woods of Baltimore, Md. are spending this week with Mr. and Mrs. John W. Stevens.

Mr. and Mrs. Greg Hope and Christie returned Monday to their home in Virginia Beach, Va. after a visit here with Mr. Hope's parents, Mr. and Mrs. Arthur Hope and other relatives.

Mrs. James Humbert, Mrs. Sam Green and Mrs. Jim Green attended a miscellaneous shower Saturday night for Mrs. Cecile Cook at the home of Mrs. Steve Cook in Lenoir City.

Mr. and Mrs. Ray Matney had as guests Friday, Mr. and Mrs. Clarence Howell of Harriman and Mrs. Maggie Eblen of Rockwood.

Mr. and Mrs. Gene Everett left Friday to make their home in Centerville, Ind.

Mr. and Mrs. Gus House and family of Crossville spent Sunday with his parents, Mr. and Mrs. W.G. House.

Mrs. Doug Watkins recently visited with her brothers, Calvin and Tom Rousseau and families in Paint Rock, Ala.

Misses Betty Jean Webster and Sandra Wilcox came from

Murfreeboro for a weekend visit with Mrs. E.R. Webster and Margaret Ann.

Jones-Tittle Vows Pledged

Loudon United Methodist Church was the setting Friday evening, July 7, for the wedding ceremony uniting Miss Freddie Ann Jones and John Harvey Tittle.

The bride is the daughter of Mr. and Mrs. William H. Jones of Loudon. The parents of the groom are Mr. and Mrs. Nathaniel Tittle of Hixson, Tennessee, formerly of Loudon.

The officiating ministers were the Reverend William H. Horner and the Reverend John Y. Bacon. Wedding music was presented by Mrs. Bernice Ray Swiney, organist, Miss Sylvia Idom and Mr. Bernice Ray Swiney, soloists.

The bride, given in marriage by her father, was attired in gowns of organza topped by an empire bodice and full bishop sleeves of chantilly lace reembroidered with scattered seed pearls. A deep border of lace accented the hem. The detachable chapel train was held by a tier bow and was bordered in lace. Her veil of bridal illusion was held by a cluster of satin petals with pearls and crystals.

The Rev. and Mrs. Frank Miller of Knoxville were recent guests of Mrs. W.W. Byrum and her Sunday guests were Mr. and Mrs. Willard Brooks and Mr. and Mrs. Carroll Brooks, all from Dayton.

Philadelphia Personals

Mr. and Mrs. Michael Webb, Reid and Ryan attended the Volunteer 500 at International Speedway when they were guests of Mr. and Mrs. Jay Lilly, Cudby and Gregg in Bristol, Va. last weekend.

WE KNOW WHAT YOU'RE LOOKING FOR

FIRST COUSINS

For firm control of your money, open a checking account at the First. We recommend it highly as a way to make adjustments in future spending. You make purchases and payments by check and you know where your money goes. Your cancelled checks provide proof of payment and for income tax purposes, you have both accurate records plus the proof of your deductible expenses.

And because they go together like kith and kin, we strongly suggest you open a First saving account. We have an automatic plan purposely designed to encourage you to save. At regular intervals, as authorized by you, we automatically transfer designated funds from your checking account to your saving account. This plan saves you time and makes sure you save.

Golden Club members receive checks free of charge. Regular Checking Accounts receive free checks and you don't have a number to remember.

CONGRATULATION to Miss Carrie Lou Mize on winning the Magnavox portable television. Miss Mize's name was drawn from all those who are Golden Club members making her the lucky winner. She is shown receiving the prize from bank president Don Carter.

Loudon Women Tell Of Tour Of Japan

By Calvin Lunaford

"People are the same wherever we go." This was the expression given this writer by two of our Loudon women who (by their extensive foreign travel each year) are rapidly approaching the title of Globe Trotters.

Miss Mary Katherine Mize and Mrs. Lillie Mae West, traveling as representatives of the Cumberland Presbyterian Church, have recently returned from extensive travels in the Orient. They spent much of their time in Japan and last year they visited Columbia.

In order not to omit any details, either of a series or amusing nature, we asked these ladies to relate to us the events of their interesting, educational and rewarding trip. The story is as follows.

The Loudon ladies were traveling with 15 other members of the Orient tour. They all represented the Cumberland Presbyterian Church Organization. Possibly one of the most confusing parts of the trip was the International Date Line encounter, which made the day 27 hours long. Both agreed that the conventional 24 hour day was much better.

The ladies were very pleased with their warm welcome to Japan, and the hospitality of those other than the church groups. They were greeted with waving banners and placards bearing each of the tour groups names.

The first four nights in Japan were spent in the Sandora Center, YWCA in Tokyo, which was the aftermath of a long commuter train ride and several blocks of walking.

Another impressive part of Japanese custom was the removal of shoes. Miss Mize stated that although Japan is ultra modern in many ways, it still holds fast to many of its ancient traditions.

The ladies were delighted with shopping in Tokyo. Their first venture was a visit to the Chase Manhattan Bank, where their dollars were changed to Yen. They both exclaimed, "You wouldn't believe it, but there is a McDonald's in downtown Tokyo." The Japanese service is just like American. All in all, they found it was fun to shop, and to find a fish market on the sixth floor of one of the large department stores. They agreed that it was hard to find what was typically Japanese, other than fans, parasols or dolls. They stated they were impressed with the immaculate of the business people, especially the men.

One highlight of the Tokyo visit was visiting the Tokyo tower and looking out over a compact city, the world's largest, with no open spaces. The vast amount of construction work going on was a reminder that wherever you go mankind is on the move. In Japan, the landscaping is done before the building is erected which is a bit different from the American way.

"Exploring the fruit markets of Japan is quite an experience. The oranges, bananas, strawberries, apples, cheese and crackers were as good as any we had ever eaten. The Vienna sausages were somewhat better."

Travel on Japan's super highways was unusual in the respect of no big trucks and trailers and very few campers.

Another treat of the trip was a visit at night to downtown Tokyo to see the sights. Throngs of people were on the move. They were orderly, not bothering anyone, but on the move.

The next stop was Osaka. The trip was made by rail with the train traveling at speeds of 150 miles per hour. The trip used to take 10 hours but today it is made in three. The trip was delightful along the rice paddies, madrin orange groves and many other lovely scenes.

The flight from Tokyo to Hong Kong was lovely with sighting of Mr. Pusi soon after take-off. The ladies vowed that no food was ever like that which is served by the Japan Airlines. We feel that by their

Harvey Promoted By Air Force

James L. Harvey, son of Mr. and Mrs. Billy J. Harvey, Rt. 5, Wilson Road, Lenoir City, has been promoted to sergeant in the U.S. Air Force.

Sergeant Harvey, an aircraft maintenance specialist, serves with a unit of the Military Airlift Command which provides global airlift for U.S. military forces.

expression, we caught what they meant. They stated that one of the most impressive things they encountered was the village where the inhabitants are all

VISITS JAPAN—Miss Mary Katherine Mize (left) and Mrs. Lillie Mae West are shown with souvenirs from Japan from their recent Orient Missions tour.

of one family. The old women, the narrow streets, the thick walls surrounding the town. They are as they have been for centuries. We have given their accounts of the sights they saw, but sightseeing was only a small part of the purpose of the trip. Seeing, visiting and

participating in the work of their churches, foreign activities in this part of the world was their prime purpose in being there and they well represented their church body. We asked the question, What are the plans for next year? They both agreed if the op-

portunity presents itself, we will pack a bag and be off to whatever part of the world we are permitted to go.

County Tax Rate Set At \$2.58

(Continued from Page 1)

Monday night's meeting was the setting of the tax rate, which also involved making amendments to the proposed budget and adopting a budget resolution. The major amendment offered by Mr. Foster for the Budget Commission called for cutting the proposal for the General Fund by \$5,000 and approving all other proposals, using surplus to provide part of the funds in many cases.

His proposal, which was adopted by the Court, placed about two-thirds of the approximately \$70,000 increase from TVA in lieu of funds recently won from the State in the Bond Debt fund to bring the surplus balance in that fund up to acceptable standards.

All Court members voted to approve the budget and tax rate except Loudon Squire Jack Leffer, who passed. He said later he had not been in on the discussions and did not have first-hand knowledge of the budget items. "You just can't get to every meeting," he said.

Squire I.D. Garner, who seconded the motion on the budget and tax rate, complimented Mr. Foster for his diligence in working to keep the tax rate down. "This is the second straight year we have been able to operate without an increase in the taxes," he said.

County Judge Harvey Sprout added that other factors have been involved, including additional assessments picked up by the Property Assessor and good management on the part of administrators, such as the schools, in ending the year with surpluses. "You'll note there is substantial dipping into surpluses here," he said. "Squire Foster noted that the budget is calculated on anticipated 90 percent tax collections. It will probably run about 92 percent, which

will help to replace some of the surpluses.

In other action, the Court heard complaints from residents of Browder Hollow Road, near Lenoir City, that a drainage ditch between the road and their homes is stopped up with debris and floods with every heavy rain. The Court adopted Squire Jim Hartsook's motion that the Second District Road Commissioner, Lee Malone, be requested to clean out the ditch. Mr. Malone said it would require \$600 to \$800 to do what needs to be done there.

Squire Leffer asked what is to be done about the Election Commission's refusal to hold the County Court elections in accordance with a resolution adopted by County Court. Judge Sprout answered that when he read the letter from the Election Commission at the meeting, he took the lack of response as an indication that the Court wanted nothing done about it.

On motion of Curtis Keener,

Williams, seconded by Mr. Leffer, the Court adopted a resolution to protect against encroachment the area of Lenoir City Park, which is located outside Lenoir City limits which the city intends to develop through a Federal Open Spaces grant. The resolution was granted to get the grant.

Judge Sprout appointed as a committee to study the best use of the former Charles H. Bacon Hospital building which was turned back to the County by the Hospital Board for whatever use it could make of the building, former Hospital Administrator Tom Foster, Squire Jim Hartsook (chairman), R.P. Hamilton, J. Blair, and himself as County Judge. He asked the assistance of Civil Defense Director Ted Randolph, Purchasing Agent Buddy Jenkins and State Planner Tom Platt.

Notaries appointed were James E. Stewart and E.E. Keener.

The Clipboard . . .

(Continued from Page 1)

response from the readers. Last week we touched on the matter of the county's new solid waste disposal program. We suggested that the county conduct a program to inform the county residents of the program, how to use it and where the facility was. And at the same time encourage the cleanup of backyard and roadside dump sites — and to offer the use of this facility free of charge.

At least everyone that called agreed with us that the use of the facility to county residents should be free of charge. We hope the court members who had thought some charge should be placed on the use of the facility received the same response we did.

It Was A Very Good Year

and wanted to know how it was that we were able to keep people from making paths across the Court Yard, and this sort of thing.

I understand that there used to be paths across the Court Yard, but that previous County Judges, and Mrs. J.M. (Ruby) Lutz, who was in charge of the Court House and grounds for so many years, worked hard to make the yard so beautiful that people would not want to walk on the grass. This is really the only answer I know, and that is that people have too much respect for the beauty of the Court Yard, that they make an extra effort to use the sidewalks in order to help preserve the beauty.

Death For Pair Changed

(Continued from Page 1)

Supreme Court decision. The other would have been for the governor to grant reprieves in death penalty cases. "To allow each prisoner to pursue his appropriate judicial remedy." The opinion was handed down by Pack to Dunmire's office Tuesday morning, and ends uncertainty as to the fate of the 21 men who had been sentenced to death since the Supreme Court's June 29 ruling.

Pack told the governor the Supreme Court decision would change the death penalty as it had operated in Tennessee, but did not, in Pack's opinion, outlaw the death penalty itself.

"The court did not find the infliction of the death penalty as cruel and unusual under the Eighth Amendment," the opinion said. "Under terms of the constitution, there is no discriminatory imposition of death or the grant of mercy capriciously." Pack added, "Therefore, legislation could embrace either of two applications, abolish the death penalty completely, retain the death penalty within the limits expressed by the Supreme Court ruling.

72 Repaving Completed

Ashland Oil Co. of Knoxville has finished repaving a five-mile section of State Route 72 in Loudon County for the Tennessee Department of Transportation, Bureau of Highways, Commissioner Robert P. Smith announced today.

The section extends from 1.4 miles northwest of Burton Mill to the southeast city limits of Loudon. Smith said work began May 30 and was completed in only 29 working days. It cost \$232,331. Under terms of the contract, Ashland Oil had until Oct. 1 to complete the project; the Commissioner noted.

54 Loudonians On U-T Dean's List

Fifty-four students from Loudon County are among the University of Tennessee-Knoxville students whose scholastic achievements placed them on the Dean's List for the spring quarter of 1972 at the University, according to records compiled by the Office of the Dean of Admissions and Records.

The list of students includes only full-time, undergraduate students on the Dean's List at Knoxville. Part-time, law, and graduate students are not included.

Students whose quarterly average is 3.75 through 4.0 earn Highest Honors; those who make a 3.6 through 3.749 earn High Honors; and those with a grade average of 3.00 through 3.59 earn Honors.

Loudon County students attaining position on the honor roll are: (Highest Honors): Don C. Arwood, Alexa Louise Bowman, Jamie Kay Dunsore, Lynn Ann Freedman, James Oliver Kiggins, Jr., Charles Dale Knox, Michael Rex Louso, Mitchell Lynn McNabb, Don Henri Richesley (High Honors): Linda Joyce Brakebill, Judith Sharon Bright, Mary Lynn Fletcher, Joseph Edward Hall, Craig Foy Harvey, Gary Lee Johnson, Sarah Jane Karnes, Sara Elizabeth Kirkland, Marcia Neal Mashburn, Debra Lee Matheson, James Alan Scott, Earl Hall Smith, Vada Nadine Stanley, Joe Aaron Van Pelt, Janet Clark Walker, Patricia Bea Wheeler (Honors): Mary Ann Allison, Dennis Edward Blevins, Shaune Dallet Blevins, John Milton Bodden, Brenda Lou Brown, Carol Ann Clark, Gerald Melvin Cook, Richard

Your County In Action

BY HARVEY L. SPROUL LOUDON COUNTY JUDGE

favorable share from the State of Tennessee of the TVA "in-lieu-of-tax" payments. Our ultimate success was to get a Chancery Court approved settlement which will mean approximately four times as much TVA "in lieu" money as Loudon County had been getting in the past.

kill chinch bugs fast!

Spectracide the insecticide with Diazinon

easy to use • economical • may be safely applied on fruits and vegetables

LOUDON FARMERS COOPERATIVE

West End Loudon

Maybe the ultimate result of the explanation was to put myself on the back to a certain extent, and I recognized this possibility but I was awfully proud of the settlement and felt that it might be of interest to the people as to some of the background of the matter.

We may have to fight for this money again, but if the settlement "sticks", then Loudon County and its people (as well as the other Counties of Tennessee) will have substantial help from this effort for years to come.

Right off hand with this TVA additional money appearing to be available, there have been many suggestions as to how the money should be used.

Some think that it should be used to reduce property taxes immediately, and actually this is how it was used, to a certain extent, by the Quarterly Court in setting the tax rate this week.

Some think that it should be put into education; and really there has been a suggestion from all most every imaginable source.

The truth is that the County is having to meet ever-increasing responsibilities, and it will be a difficult thing to cut the property tax rate this year on the basis of the TVA money, and then find out that the money was cut off next year because of a reinterpretation of the formula, or for some other reason.

Then the property tax rate may have to jump next year. The truth is that the County must face the question of having to provide ambulance service in the near future, which has been estimated to possibly cost the County as much as \$100,000 per year to operate. The County is having to provide additional office space, with attendant benefits to accrue to the County, but

the cost of maintaining additional office space such as in the old hospital building, will add somewhat to the present cost.

In addition the County has got to build a new jail (Criminal Justice Center), and must find some way to pay for the interchange connector roads if the present funding is not sufficient; particularly in the early years.

Possibly the greatest expense that might accrue to all effort would be to increase in the school tax rate in order to absorb the City System into the County System.

Fortunately there has been some planning to advance on this toward adjusting the salary scales of teachers in both systems, etc., so that in the event this should occur that it will be somewhat less painful to the property taxpayer.

At any rate, it seems that every nickel we are able to save, has three or four places that it could be put.

I don't know about you, but I am very proud of the reputation our County Court House has.

We continue to have compliments, as we have had for years, almost daily. Our most recent experience along this line comes from Mr. Walter Jordan, who is Associate State Archivist, who was recently in our County to assist us with some of our old records. He stated that he had been in court houses all over the State, and that he did not know of a more beautiful old court house in the State, nor one that was better maintained. He said the "setting" of the Court House was beautiful.

ELECT

Boyd E. Smith

State Representative
21st District

Loudon and Blount Counties

Republican Primary August 3, 1972

Elect a man that will serve all the people of the 21st District, Not a chosen handful

I am a businessman and have lived most of my life in Loudon County. I think it is time that a man interested in the people seek office and not just to further his own welfare. For the people who do not know me, I am the son of the late Clifford and Dora Chester Smith of 1006 Bell Avenue in Lenoir City. My family and I reside at 903 First Avenue in Lenoir City. I am a partner in Smith and Knowles Electric, a business I have been active in for the past five years.

Listed below are some of the things I am interested in and pledge to work for if you elect me your state representative.

MENTAL HEALTH - We must express deep concern for our mental hospitals through adequate personnel and financial backing. This should be top priority in this session of the legislature.

SCHOOLS - I pledge to support education from kindergarten through college. (Think Children) Tennessee's future goes to school today.

DRUGS - I pledge to work through legislation for strict laws on drugs. If we don't get the drug pushers out of our schools and off our streets, we will have a sick society.

ROADS - With 130 miles of Interstate not completed our Interstate system is already obsolete. I will work for improvements of our interstates and will also turn my attention to highway 411 in Blount County and highway 11 in Loudon County.

SENIOR CITIZENS - I will sponsor or co-sponsor and support any programs to improve the living conditions of our senior citizens that may come before the legislature.

I AM AGAINST GUN CONTROL.

Your Vote And Influence

On August 3

Will Be Greatly Appreciated

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting

The Madisonville Connie Mack baseball team has returned home for a week of rest before journeying to Chattanooga for the Optimistic Club Invitational. The Madisonville team fell from further national contention Monday night in the finals of the State's Senior Babe Ruth Tournament at Morristown 7-6.

Madisonville had battled from the loser's bracket to whip the Johnson City All Stars 8-3 and thus constitute a showdown between the two powers of the tourney. Johnson City had delt Madisonville a 5-4 loss in the semi-finals of the playdowns.

The Johnson City team got a tremendous lift when Madisonville's ace pitcher Wayne Hammonds was ejected from the game before the first pitch of the championship game. Hammonds was said to have been using foul language in the Madisonville dugout and without so much as a warning was picked out of a group of 18 ball players as the one to go by the plate umpire. The loss of Hammonds was a tragic blow to Madisonville and the Johnson City team and tournament officials knew his importance.

The Johnson City team jumped to a 4-0 lead but Madisonville manager Danny Gibson attempted to use every able bodied player in equaling the difference. Hence the team effort had Madisonville ahead 6-4 in the seventh inning and three outs from advancing to the next tournament level. But the pitching of little Jimmy Hiteh who had responded so well on one days rest weakened in the bottom of the seventh and two throwing errors had Johnson City within one run. Madisonville drained of personnel was caught helplessly as the fatal hit that would win the game rolled on the outfield grass, while the winning pitcher of the first game of the night had raced to the bull pin to warm up in quest of holding the Johnson City hitters for the final outs.

Madisonville, disappointed and heart broken, played like a champion and left with burning impression of having a team of determination, ability, and outstanding sportsmanship. Madisonville had surprisingly loyal fans from all over East Tennessee making the tournament to back the hopes of seeing this Connie Mack group attempt to progress in the season ending tournament windups.

Madisonville while bringing home a second place trophy left with first place credentials. Madisonville hit .348 as a team as to .282 for the opposition. Madisonville pitching fanned 37 hitters and did not yield a hit longer than a double. Madisonville hitters accounted for 27 runs and 40 hits in the tourney, both tournament marks never achieved for the number of games played by a team. Only 21 Madisonville hitters fanned in the four day meet.

Madisonville left 24 batters stranded on base while 33 runners of opposing teams failed to score from the bases.

Madisonville was led in the tournament by second baseman, Tommy Roberts with eight hits in 13 times at bat for a .615 average. Tommy had five runs batted in and scored three times.

Brian Tallent led the team in RBI's with six and tallied three times himself. He also hit a home run.

Tommy Cook was the most impressive player in the tournament with a .571 batting mark on eight hits in 14 official times at bat. Tommy, a Lenoir City senior-to-be had two doubles and a home run for five RBI's and he too scored three runs. Professional scouts from Cincinnati, San Diego, and Detroit along with a group of college coaches and scouts had nothing but praise and countless questions about the play of Cook at first base and his use of the bat. Tommy's defensive hustle was by far one of the outstanding traits of the tournament as he continued to amaze fans, players and his team mates with defensive gem after gem.

Loudon's Fred Chaney hit a torrid .400 for the tournament and played a whale of a third base in spearing hot grounders and turning in top notch defensive effort. San Diego personnel were very complimentary of Chaney's defensive abilities and his nature of challenging hitters to drive the ball past him in bunting situations. Chaney led Madisonville in runs scored for the tournament with four. Fred had a temporary hand paralysis in the final inning.

Thus as a team Madisonville excelled as a thoroughbred and only as fate would have it they were denied a dream of maybe reaching the National Tournament. And while we lick our wounds and replay a game that will always end with the same score and young boys who

performed like giants of men ask why, I try to remember a sports quip a coach once related to me that a coach should install in each of his athletes. It went something like this:

"(On the playing field, the athlete) presents himself naked before the world....The athlete shows us what we ideally are as bodies....The world's impersonal process has him as a focal point.

It is because he is an outstanding instance of what man might do and be that an athlete is an outstanding man....Athletes are excellence in the guise of men.

(But) sooner or later the athlete falls short. Eventually he reveals some failure of nerve, self-discipline, courage, insight, generosity, caution, or imagination. These limitations we treat somewhat in the way we deal with those that characterize thinkers, artists, and religious men. We tend to blame the failures on the individual, not on man...."

Sub-Dist. Softball Tourneys End Saturday

The first round of the Sub-District III slow pitch softball meet for men and women came to an end Monday night. There were no major upsets or surprises in the opening round of the double elimination tournament scheduled to end Saturday night.

The Bank of Loudon County opened the tournament with a 14-6 thrashing of the Loudon Co-op Vols. Smith Chair Company belted Lenoir Industries 15-3, while Rexall of Lenoir City won over it 5-0 Philadelphia 20-6 and Maremont II 17-4. In the

First National Bank slipped by Garden Spot 5-2. The Kingston Mules drilled Huntsville 20-4 for the largest scoring difference. Easter Ford notched a 15-3 triumph over Maremont I. Eaton Corporation pounded out a 25-5 pasting of Lenoir Car Works.

Loudon Texaco finished the first round of men's play with a 14-11 win over Union Carbide. In the women's bracket Smith Chair Company socked Lenoir City won over it 5-0 Philadelphia 20-6 and Maremont II 17-4. In the

healing thus eliminating him from further play.

Jack Ferguson, Eldon White, and Gerald Cole won their respective flights in the Union Carbide mid-season Golf Tournament last week at Cedar Hills.

Ferguson had a 70 for the first flight honors and Dick Huff with a 72 was runner-up. Eldon White took his flight with a 75 followed by Jim Cardwell with an 80.

Gerald Cole tapped out a 74 in the third flight to beat Herb Hodge's 79.

The second half of the golf league will start up this week with only 13 teams taking part in place of 14 for the first half of the summer.

Mike Oody, one of the top individual golfers in the league will be missing from the second half session. Oody has suffered a shoulder injury which hampers his golf play and keeps the injury from C.Evans

Madisonville Is Senior Babe Ruth Runner-up

Madisonville and Johnson City found the midnight hour the time for the final shootout as to who would reign as the Senior Babe Ruth Champion to represent the Tennessee area in the upcoming tournament this weekend.

The rain delayed finals combined with a drawn out win by Madisonville in the Monday night opener had the second game of the evening starting some two hours later than scheduled.

A highly contested move by the plate umpire to ban Wayne Hammonds from the final game over the use of questionable foul language heard in the Madisonville dugout had a lot of the steam taken from the Madisonville ranks before the first pitch was ever hurled.

Gordon Kelley got the nod for Madisonville with Hammonds scheduled for quick relief help. Kelley was caught in the final pressure and gave up three first inning scores. But Hammonds was hence tossed out and Jimmy Hitch

Atomic Hosts Friday, Saturday Programs

Whether you're a stock car or bike fan, this is your week at Atomic Speedway. The bikes are coming Friday night, and the weekly late model sportman show is on tap Saturday evening.

The Southeastern Classic Professional Motorcycle Race will be run at 7:30 Friday. The event will feature drivers from throughout the country, many who rate among the best riders today.

Adult admission for this special attraction is \$4 with children under 12 years free. The track opens for practice at 4 o'clock.

It will mark the first time professional bike riders have to provide the Eggleston group with a 6.4 advantage and Johnson City with one turn at bat left.

The game looked easy for Madisonville but the lead off hitter for Johnson City hit a bouncer to third where the fielder made a bad throw in first. A walk and a passed ball had the tying runs on third and first. A swinging bunt fielded by the Madisonville catcher resulted in a wild throw and runners were safe all around and a scratch single on the next pitch score the tying and winning runs and the game was history.

Madisonville had 10 hits for the game. Fred Chaney with two hits in two times at bat and Tommy Roberts with three hits in three times at bat were the spark of the Madisonville comeback.

Tommy Cook had two hits and two runs batted in to follow Fred and Tommy. Madisonville will be off this week with games scheduled for next week.

appeared in the Knoxville area.

A new frontrunner has cropped up at the late model sportman program.

Little Bill Corum notched his first Atomic triumph last Saturday night and will be back in his Chevy II in quest of another first-place check.

Qualifying for the sportman cars gets under way at 7:45 and the first heat race gets the green flag at 8:30. A field of more than 40 drivers is expected. Admission is \$2 for adults. Children under 12 are admitted free.

Larry Coley may have scored a first in last week's semi feature race. A rookie Coley is believed to be the first driver to win a feature race at the track in his opening year of action.

Snooks: DeFore, H.E. Vineyard, Herman Goddard, Otis Miley, Zeke Buchanan, Marion Tipton and Toodle Estes are other title threats in the sportman division.

Central Start Stops Loudon

McMinn Central hung 30 points on the score board at the end of the first quarter at Cleveland Thursday night. In summer basketball and opposing Loudon was never able to over come the difference.

Ahead 30-16 at the start of the second period both teams managed but a field goal each after the explosive first eight minutes.

The teams played even in scoring in the second half with Central getting the decision 60-46.

William Cansler was the only Loudon player in double figures with 10. Rodney Blivens had eight.

Loudon played well at the services of Mike Messamore.

Stedman, Coley Act Shuts Down Magnavox 3-0

The Loudon Merchants may very well have found the magic to salvage their baseball season and get them ready to challenge for a high finish in the Stan Musial tournament playoffs next month.

Loudon problem most of the season with inconsistent pitching and a bad habit to make errors in preasing situations, had labled them as easy prey for the upper division teams in the league. But some of the burden may have been eliminated.

Saturday when Loudon delt Jefferson City Magnavox a surprising 3-0 defeat. The Jefferson City team had trounced the Merchants 11-4 in a game earlier in the season.

Loudon still has a lot of improving to do in fundamental fielding of the ball before tournament time but the pitching may just now be set for the remainder of the season. Gary Gibson has been an established pitcher in the Stan Musial play for several years now and Jack Cox has been impressive at times for the Merchants this year but a third starter and relief help has been absent from the start.

Things look brighter after Saturday's win. Jerry Stedman, a Cleveland State fireballer, has earned himself a position in the Loudon pitching rotation with a four hit shutout of the tough Jefferson City team.

Loudon jumped on Magnavox starter and loser

Jeff Meyers in the second inning for two runs as Donnie Hightower led off with a hit and Bobby Russell reached first base on an error. Gordon Tucker laced a RBI single to score Hightower. Stedman and Sam Dancy drew walks to force in Russell. Donnie Darnell fanned and Stedman was picked off second for two outs. Mack Coley walked to gain load the bases but Meyers retired Jack Cox on a ground out.

Loudon failed to threaten after the second inning and only a towering drive over the centerfield fence by Mack Coley for a home run in the fifth inning were the Merchants able to add to their lead.

Magnavox opened the game with two hits but Stedman worked out of the jam with a strikeout and a pop fly to the outfield. Jefferson City loaded the bases in the third and

fourth innings with two outing City batters reaching base and Stedman responded with easy outposts to retire the side.

Stedman and the Loudon team played with poise and confidence after the fourth inning with only four Jefferson City batters reaching base and those were from two walks and two fielding errors.

Loudon was led by Gordon Tucker with two hits for the game in four times at bat. Mack Coley's home run that finished the scoring was the only hit for Loudon. Meyers struck out 14 for Jefferson City but still the Magnavox hitters were unable to master the pitching of Loudon's Stedman.

The Pittsburgh Pirates had a scout on the scene for the game and the professional writer had much praise for Stedman's performance and the catching and hitting of Mack Coley.

Crossville Edges Redskins 54-48

Loudon dropped its third game in a row in summer league basketball Monday night 54-48. Crossville raced to 14-1 first quarter lead and only a brief 27-26 halftime lead by the Redskins did Loudon ever get the upper hand.

Mike Messamore poured in 15 points to direct the Loudon offense. Bill Collins hooped 12 points and was Messamore's lone double figure support.

William Cansler and Donnie Sharp, who have excelled as excellent rebounders and defensive men were disqualified by fouls soon after the start of the fourth quarter.

Cook's Blast Levels Johnson City

Tommy Cook blasted a towering home run over the right field wall of Sherwood Park Monday night to give Madisonville a 3-0 first inning margin over Johnson City and the Eagleton Connie Mack group never let up in posting a 3-3 victory. The win equaled the Babe Ruth playoff. The game was delayed for nearly an hour due to rain.

Cook led Madisonville

Boat Inspections

A courtesy Marine boat inspection will be held by officers of the Tennessee Game and Fish Commission.

Boat owners interested in having their boats inspected to see if they conform with the Tennessee boating laws can have them checked at the following places Saturday, July 22, 1972 between 10 a.m. and 2 p.m.

Lenoir City To Play Kingston In Dixie Youth Meet

Drawings for the Dixie Youth Tournament were made at Kingston at a meeting of recreation directors at the member cities. Coach Glenn Williams represented Lenoir City.

The tournament is set to get under way Saturday, July 22, with three games scheduled for opening night. Knoxville will play Harrison in the first game starting at 6 p.m. Madisonville will meet Sweetwater in the second game at 7 and Lenoir City will face the host Kingston team in the third game at 8.

Games will be played at Cherokee field in Kingston, and it will be a double-elimination affair.

The winner of this tournament will advance to the state tournament to be held at Chattanooga later, and the winner of that meet will advance to the national championships.

The teams representing each city will be made up of All-Star players selected from the teams in each city's Dixie Youth League. Each team will be composed of 16 players and two coaches, and the selections must be made by July 19.

A tournament will also be held for the Babe Ruth League, but plans have not been completed for this meet at the present.

There will also be a tournament for Dixie Youth League players who are in the youngest age bracket—the ten year olds—and this tournament will be held at

Harrison and called the Minor League Tournament. It will begin on either July 29 or 31, to be decided later.

Meigs County will be represented in this meet, while no Sweetwater team will be entered.

Harrison will meet Madisonville in the first game of this tourney at 5, followed by games between Lenoir City and Meigs County at 7 and Knoxville and Kingston at 9.

CHOPPING WOOD—An unidentified Marmont II batter prepares to give the ball (upper right) a real hammer of a ride in Sub-District Softball play at Civitan Field. Marmont II lost the game 17-4 to Lenoir City Rexall.

Vote For BOYD DECKWORTH

For Justice of the Peace 1st & 4th Districts

Some people have asked if I am running in Loudon too. Yes I am. Squires in the first and fourth districts run at large throughout both districts. So if you live anywhere in the first district (Loudon area) or the fourth District (Philadelphia area) I solicit your vote. This includes residents of Davis, Luttrell and the section of Loudon across the river that the special district tried to get.

If you elect me I promise to work for the good of Loudon County and keep our tax rate down.

Set For Action At UT TSSAA All-Stars To Report Saturday

Football returns to Neyland Stadium one week from Saturday, but, of course, the Vols won't be involved.

Tennessee's top senior high school players of last season will provide the action, participating in the annual TSSAA East-West all-star game.

The July 29 program also will include boys' and girls' basketball engagements at Stokely Center.

The all-star show climaxes the TSSAA Coaches' Clinic, a four-day affair at UT featuring such noted sports figures as Adolph Rupp, Bill Bette, John Majors and Jake Gaither.

More than 100 all-star participants check in Saturday at UT to begin preparations for the East-West attractions.

Bristol's Johnny Cropp is coach of the East footballers while John Tucker of Milan will direct the West.

Bert Hatledge will assist with the East Squad.

Buck Van Hous, Kingsport, has charge of the East boys basketball squad and Joe DeWooten, Brownsville, is the West coach.

Pat Webb of Gallatin will lead the West girls with Sevier County's Jack McMahan directing the East.

All squads will pose for pictures Saturday after receiving physical exams and equipment.

The July 29 football game starts at 5:30 p.m. The boys' basketball contest is at 8:30 that night with the girls' game slated for 3:30 in the afternoon.

Rupp, who stepped down recently after 42 years at Kentucky, will be in charge of clinic basketball classes.

Majors, former Vol. All-American who now is head coach at Iowa State, UT's Battle and Gaither, Florida State athletic director, are in charge of football sessions.

Ken Dugan of David Lipscomb is track speaker; Thad Talley, ex-Vol aide who coaches at Arkansas State, will discuss track and Fred Hoover of Clemson will be the visiting trainer.

And for those who want to learn a novel technique of developing balance and coordination among athletes, Edward Villalva will have some tips on how ballet dancing can be used toward this end.

All-Star tickets are \$2.50 (football), \$2 (boys' basketball) and \$1.50 (girls' basketball).

Chaney Eliminates Newport With All Star Performance

Fred Chaney collected two hits, scored two runs and drove in three mates in the loser bracket finals of the Senior Babe Ruth Tournament Saturday night to power Madisonville's Connie Mack team over Newport 8-4 and a berth in the tournament finals.

Chaney's play combined with the 15-strikeout performance of Rockford's pitching ace Jimmy Hitch left only Madisonville and Johnson City in the double elimination tournament.

Madisonville registered nine hits in the game with Chaney the only player to have more than one. Tommy Cook sparked the rally that saw Madisonville over come a 1-0 Newport lead with a five run, six hit second inning.

Madisonville used its entire team in finishing out the last three innings after reaching a 3-1 deficit.

COMMON LAKE SIGHT—The sight of several skiers being hit by luxurious ski boats are the common sights on the lakes this year. Water skiing is fast becoming one of the more popular recreation pleasures of today's young and old alike.

Madisonville CM Team Dealt Semi-Final Loss

Johnson City batted around in the second inning Saturday night and totaled five runs to hand Madisonville a 5-4 loss in the Senior Babe Ruth winners bracket finals at Morristown.

Johnson City used two fielding errors and two mental lapses in producing four unearned runs in a wild second frame.

Madisonville battled back to score a single run in the fourth inning.

Madisonville's Pam Shaly, Harrison West, Connie Vance, Kirtzel, Julie Vaughan, Porter, Kathy Wilson, and Alan.

WEST GIRLS: Charlotte Avery, McNairy Central, Liz Burgess, Cravinger, Leslie Campbell, Gattalo, Marcie Campbell, Mian, Diane Carney, Hillwood, Betty Crim, Belvue, Ann Steves, McDavid, Debbie McCoin, Hendersonville, Debbie Higgins, Callan's Shannon Short, Susan Cantel, Julie White, Martin West view, Linda Williams, Marshall County.

Woodcock, Snipe Seasons Set Respective Limits For Snipe are Eight and 16.

Woodcock and Wilson snipe seasons have been established by the State Game and Fish Commission.

Woodcock hunting will be allowed Nov. 18-January 21, while the Wilson snipe season is set for Dec. 26-Feb. 28.

Bag limit for woodcock is five daily, with a possession limit of 10, while the

misfortune of watching an eight point lead escape their grasp in the final 47 seconds last week in summer league basketball at Maryville and then loose in overtime. The Cherokees were ahead 63-55 with time running out on opposing Porter when the roof came down on the Loudon Mountains.

Porter had a chance of winning the game after over taking the Cherokees in the last second of play. A technical foul was called on the Greenback team, the second one of the game, and a personal foul also indicated.

The Porter play missed both foul shots and the game was forced into overtime.

The Panthers continued their momentum during the overtime stanza and fashioned a 71-66 loss on the Cherokees.

Larry Ritchey paced the scoring for Greenback with 21 points. Joe Manlor had 18 and Bill Joe Kyker dumped 12.

Tim Hammonree rounded out the double figure play with 11 points. Tony Linginfeller was absent from the game, but determined play was given by Mike Evans and Mike Regain for the night.

PEE WEE FOOTBALL All Pee wee football teams will begin practice Tuesday.

July 25. All boys who are interested should be at this meeting at 5:30 p.m. at the old Loudon High School.

All Star Game Thursday Greenback will have two boys taking part in Thursday night's East-West All Star football game to be played at Everette High School field.

The tryout will be conducted by Coach Larry Works and will be held at Papermaker Field at Harriman.

The tryouts is open to all interested, currently enrolled or prospective student athletes who wish to attend.

Game time is 8 p.m.

STRINGER OF STRIPES-J.T. Millard of Lenoir City is shown with the "stripes" he caught in Fort Loudoun Lake.

NICE SMALL MOUTH-Miss Debbie Kerr of Lenoir City is shown with a five pound "Smallmouth Bass" that was caught in Fort Loudoun Lake. Debbie is the grand-daughter of Mr. and Mrs. Edd Shadan, owners of Edd's Boat Dock.

STRIPES-Eugene Kirkland of Sweetwater caught this stringer of Stripes while fishing the jumps in Fort Loudoun Lake.

Game & Fish TODAY

By Sgt. Bob Harmon
Game & Fish Commission

GAME AND FISH CRACKING DOWN ON POACHING:
By Bob Harmon:
General Sessions Judge Albert Martin's court is definitely not the place for those who hunt out of season. The Monroe County jurist believes in keeping the Volunteer State a great place in which to hunt and fish. Recently officers of the Tennessee Game and Fish Commission and U.S. Park Rangers jointly apprehended three illegal hog hunters in the Goat Creek section of Monroe County near the Smoky Mountains National Park boundary. Evidence found there resulted in charges of hunting during a closed season being placed against Roy Jacob of Maryville, Creed and Paul Kirkland of Tailhassee. When assigned in General Sessions Court, the defendants pleaded not guilty. Judge Martin, after hearing the evidence, found the defendants to be guilty of hunting during a closed season's statute and assessed \$205.50 in fines and court costs and suspended a 90 day jail sentence but placed the defendants on a one year probation. A high price to pay? Not when compared to the thousands of dollars spent annually by legal hunters who enjoy the Great Outdoors during the legal open season.

CHICKSEE LAKE
Water conditions - clear and slightly rising
Bass - fair, casting plastic worms, spring lizards and medium running lures into the willows.
Stripes - good, casting minnows and spinning fly lures on the points.
Catfish - fair, still fishing with night crawlers, shrimp and shad minnows; also using trotlines with shad minnows and cut bait.
All other species poor.

NORRIS LAKE
Water conditions - clear and stable.
Bass - excellent, casting rocky banks at night with black flies and pork rind combination also purple worms.
Sauger - fair, trolling with worms and spinner combination.
Bream - good, still fishing with worms off deep rocky banks.
Catfish - good, still fishing with worms, also trolling with worms and spinner combination.
Rockfish - fair, casting large spoons.

DOUGLAS LAKE
Water conditions - clear and stable.
Bass - fair, casting topwater plugs and plastic worms.
Catfish - good, still fishing on rocky banks - using shrimp and night crawlers. Fishing is best at night.
All other species poor.
FT. LOUDOUN LAKE
Water conditions - murky and fluctuating.
Bass - fair, casting plastic worms, minnows and topwater lures.
Stripes - good, casting jugs and spoons into the breaks; also fishing at night with minnows under lights.
Crappie - fair, still fishing with minnows around brush piles - deep; also, still fishing with minnows at night under lights.
Bream - good, still fishing with worms; also casting popping bugs and worms.
Catfish - good, still fishing with worms and cut bait.

FT. LOUDOUN TAILWATER
Stripes - fair, still fishing with large minnows.
Catfish - fair, still fishing with cut bait and shad minnows.
Bream - good, still fishing with worms and crickets.
WATTS BAR LAKE
Water conditions - clear and fluctuating.
Bass - fair, casting topwater lures.
Stripes - good, still fishing at night under lights with minnows - medium depth.
Bream - good, casting popping bugs and still fishing with worms.
Crappie - good, casting minnows and jigs - medium depth.
Catfish - good, using worms on trotlines and trolling large minnows.

CHILHOWEE LAKE
Water conditions - clear and fluctuating.
Trout - good, still fishing at night with lights using corn and worms.
LITTLE TENNESSEE RIVER
Trout - fair - still fishing with corn and worms; also casting spoons and spinners.

FACE TO FACE-Smith Chair Company's centerfielder Don Carter pulls up short of Lenoir City Industries catcher in scoring a run for the Loudoun team in the Sub-District Softball Tournament. Smith Chair won 15-5.

NOTICE OF ELECTION ON PROPOSED CONSTITUTIONAL AMENDMENT

An election for the purpose of submitting the following proposed AMENDMENT TO THE CONSTITUTION to the voters of the State for RATIFICATION OR REJECTION will be held in every County of the State on **THURSDAY, AUGUST 3, 1972**

which said election will be conducted according to the general election laws of the State and at which election all persons qualified to vote as required in elections for representatives to the General Assembly shall be entitled to vote.

The proposed amendment, as adopted by the 1971 Limited Constitutional Convention in Resolution No. 74 on September 14, 1971, shall be printed in full on each ballot or voting machine as follows:

BE IT RESOLVED, by the Limited Constitutional Convention of 1971 that Article II, Section 28, of the Constitution of the State of Tennessee be amended by deleting the same in its entirety and substituting in lieu thereof the following provisions, to be submitted to a vote of the people for ratification:

In accordance with the following provisions, all property real, personal or mixed shall be subject to taxation, but the Legislature may except such as may be held by the State, by Counties, Cities or Towns, and used exclusively for public or corporation purposes, and such as may be held and used for purposes purely religious, charitable, scientific, literary or educational, and shall except the direct product of the soil in the hands of the producer, and his immediate vendee, and the entire amount of money deposited in an individual's personal or family checking or savings accounts. For purposes of taxation, property shall be classified into three classes, to wit: Real Property, Tangible Personal Property and Intangible Personal Property.

- Real Property shall be classified into four (4) subclassifications and assessed as follows:
- (a) Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
 - (b) Industrial and Commercial Property, to be assessed at forty (40%) per cent of its value;
 - (c) Residential Property, to be assessed at twenty-five (25%) per cent of its value, provided that residential property containing two (2) or more rental units is hereby defined as industrial and commercial property; and
 - (d) Farm Property, to be assessed at twenty-five (25%) per cent of its value.

House trailers, mobile homes, and all other similar movable structures used for commercial, industrial, or residential purposes shall be assessed as Real Property as an improvement to the land where located.

The Legislature shall provide tax relief to elderly low-income taxpayers through payments by the State to reimburse all or part of the taxes paid by such persons on owner-occupied residential property, but such reimbursement shall not be an obligation imposed, directly or indirectly, upon Counties, Cities or Towns; provided, that such tax relief for the years 1973 through 1977 shall be not less than an amount equal to the State, County, and Municipal Taxes on Five Thousand (\$5,000) Dollars worth of the full market value (or One Thousand Two Hundred Fifty (\$1,250) Dollars of the assessed value) of property used for a residence by any taxpayer over sixty-five (65) years of age for a period of one (1) year prior to the date of assessment; provided further, that such relief shall not extend to persons having a total annual income from all sources in excess of Four Thousand Eight Hundred (\$4,800) Dollars.

The Legislature may provide tax relief to home owners totally and permanently disabled, irrespective of age, as provided herein for the elderly.

Tangible Personal Property shall be classified into three (3) subclassifications and assessed as follows:

- (a) Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
- (b) Industrial and Commercial Property, to be assessed at thirty (30%) per cent of its value; and
- (c) All other Tangible Personal Property, to be assessed at five (5%) per cent of its value; provided, however, that the Legislature shall exempt Seven Thousand Five Hundred (\$7,500) Dollars worth of such Tangible Personal Property which shall cover personal household goods and furnishings, wearing apparel and other such tangible property in the hands of a taxpayer.

The Legislature shall have power to classify Intangible Personal Property into subclassifications and to establish a ratio of assessment to value in each class or subclass, and shall provide fair and equitable methods of apportionment of the value of same to this State for purposes of taxation. Banks, Insurance Companies, Loan and Investment Companies, Savings and Loan Associations, and all similar financial institutions, shall be assessed and taxed in such manner as the Legislature shall direct; provided that for the year 1973, or until such time as the Legislature may provide otherwise, the ratio of assessment to value of property presently taxed shall remain the same as provided by law for the year 1972; provided further that the taxes imposed upon such financial institutions, and paid by them, shall be in lieu of all taxes on the redeemable or cash value of all of their outstanding shares of capital stock, policies of insurance, customer savings and checking accounts, certificates of deposit, and certificates of investment, by whatever name called, including other intangible corporate property of such financial institutions.

The ratio of assessment to value of property in each class or subclass shall be equal and uniform throughout the State, the value and definition of property in each class or subclass to be ascertained in such manner as the Legislature shall direct. Each respective taxing authority shall apply the same tax rate to all property within its jurisdiction.

The Legislature shall have power to tax merchants, peddlers, and privileges, in such manner as they may from time to time direct, and the Legislature may levy a gross receipts tax on merchants and businesses in lieu of ad valorem taxes on the inventories of merchandise held by such merchants and businesses for sale or exchange. The portion of a Merchant's Capital used in the purchase of merchandise sold by him to non-residents and sent beyond the State, shall not be taxed at a rate higher than the ad valorem tax on property. The Legislature shall have power to levy a tax upon incomes derived from stocks and bonds that are not taxed ad valorem.

This amendment shall take effect on the first day of January, 1973.

Opposite the said proposed Constitutional Amendment shall appear the following:

FOR THE AMENDMENT:
AGAINST THE AMENDMENT:
Voters will indicate their vote by placing a cross mark in the square opposite one or the other of the above expressions.

Notice is hereby given to all qualified voters throughout the State and especially to all members of the County Election Commissions of the several Counties of the State that said election will be held in all civil districts, wards and voting precincts throughout the State within legal hours on August 3, 1972, for said purpose and that the proper officers of all Counties shall, immediately after said election, make a return to the Secretary of State of the number of votes cast in their respective counties "For the Amendment"; and the number of votes cast "Against the Amendment."

This proclamation is issued in compliance with Resolution No. 54, Resolution No. 74, and Resolution No. 76 adopted by the 1971 Limited Constitutional Convention on September 14, 1971 and in compliance with provisions of Article XI, Section 3, of the Constitution and Chapter 421 of the Public Acts of 1968.

Given under my hand and attested by the Great Seal of the State of Tennessee, this 13th day of January, 1972.

J. Carr
SECRETARY OF STATE

NOTICE OF CORRIDOR AND DESIGN PUBLIC HEARING

THE DEPARTMENT OF TRANSPORTATION of the State of Tennessee hereby advises the public that it will conduct a PUBLIC HEARING on Thursday, August 24, 1972 at 1:00 o'clock P.M. at the Main Courtrooms, 2nd Floor, Loudoun County Courthouse at Loudoun, Tennessee, with respect to the proposed construction of PROJECT NO. 30036-1392-04, LOUDOUN COUNTY, which is generally described as follows:

Sugar Limb Road Connector from I-75 to SR 2, Loudoun County.
This project begins at I-75 and extends to SR 2 near Browder. It provides for 2 at 12' traffic lanes, 8' shoulders, and 5' roadway ditch. Access will be provided to all county roads and to all abutting properties.

Representatives of the Department will be present at the hearing site one hour prior to the time of the hearing to explain the project plans and related information to all interested persons.

Maps, drawings, and other pertinent information developed by the Department, and any written views received from any of the State's resource, recreation and planning agencies, and from interested or affected Federal agencies, local public officials and agencies, and public advisory groups, will be available for public inspection and copying at the office of Mr. C.R. McManis, Regional Engineer for the Bureau of Highways of the Department located at 711 Concord St. P.O. Box 58, Knoxville, Tennessee 37901. Upon request to the Regional Engineer, the data and information will be made available at a more convenient location.

The objectives of the hearing will be to provide all interested persons with complete/factual information relative to the general location, the proposed specific location, major design features, the social, economic, environmental and other effects with respect to any of the foregoing; the relocation assistance program of the State to be provided those persons whose homes or businesses may be affected by the proposed project; and the tentative schedules for rights-of-way acquisition and construction.

Following the presentation, the opportunity will be afforded to all persons in attendance to participate in the process of determining the need for and the general location of the proposed project; to provide the Department with factual information which is pertinent to the determination of the specific location and major design features; and to present views on the social, economic, environmental and other effects of the foregoing matters so that the project will best serve the public interest. Written statements and other exhibits in place of, or in addition to, oral statements made at the hearing may be submitted to me at the Department of Transportation Building, 6th and Draderick, Nashville, Tennessee 37219, within ten (10) days following the date of the hearing.

Time To File For Cost Share In REAP Program

The time for Loudon County farmers to file cost-share requests for Fall Rural Environmental Assistance Program (REAP) practices will end on Monday, July 31, according to Fred Pippy, Chairman of the County Committee.
 Mr. Pippy reminded farmers that requests filed during the period will all be considered in allocating available funds for practice cost-sharing. He pointed out that funds will likely be very limited for requests filed after the Fall enrollment period ends.
 The REAP is an arrangement where the farmer shares with the federal cost of installing approved conservation practices. Most REAP practices are designed to control erosion - a major source of pollution of water supplies. In fact, Mr. Pippy said, most of the approved practices in the County program have a high priority in the new emphasis which the REAP is placing on maintaining and improving the quality of the environment.

REST
 A day of quiet rest is both one of the most important and the most neglected of our lives. It is the time when we can recharge our batteries and restore our energy for the work to come.

If you have ever seen the mountains and wished to stay awhile or paused by a lake or stream at evening and regretted the coming of night, you will be interested in the following:

We have said many times that the old Tennessee River and the old Blair's Ferry were as much a part of Loudon's past as anything we can recall, and we always love to write about events related to either of them.

We have an old picture taken at the ferry landing several years ago. We believe the children are some of the Wallace's 8 children. Mr. John Wallace, who worked on the ferry for many years lived near where this picture was made. Anyway, as we looked at the far bank of the river, the house where the Berry family lived for many years is visible. I guess more people passed by their front door than

AUCTION SALE
GREER'S SERVICE CENTER
FRIDAY NIGHT 7:00 P.M.

any other family who lived in Loudon through the years. We were reminded as we looked at this old picture of the time somebody ran their car in the river on the Lenoir City side. It was at night and you could see the car lights in the river for two or three days. Also notice how narrow the river was then. This was before the dams were built.

We have a couple more pictures this week. One of them is of a couple of young latics from the Good Old

Days. They are Jerry Vincent and Mrs. Fannie Simpson, who was the former Fannie Harwell.

Our other picture is one we can't identify. Whoever loaned us this one didn't know who it was. Can you identify the pretty little girl beside the American Flag?

We are always very pleased to receive mail from our readers, both local and out of state. We had a letter from Mr. Frank Weigel this past week commenting about one of our old pictures we ran a few weeks back. He said that the picture we ran of the late Mr. John Greer brought back many memories to him of the days when he lived in our area.

Mr. Weigel, who resides in Oregon, Ohio, and is a former Loudon resident passed on to us several interesting stories from the Good Old Days in Loudon. It will not be possible to relate all of them this week, but we will relate some of them now and some later. We are very glad to receive some accounts of life of the Good Old Days from some of those who lived it and can tell it like it was. Do you remember a baseball team called the Piney Boys and another one called Pond Creek. Well, according to Mr. Weigel, the Piney Boys always beat Pond Creek. One day the Pond Creek team pitched a big feed and the Piney Boys really put it away. Pies, Cakes, etc. They ate until they could eat no more. Then the Pond Creek boys yelled "Play Ball". The Piney Boys were so full they couldn't hardly walk much less play ball. The Pond Creek had not eaten hardly anything. Yes, you guessed it. Pond Creek won the game. You may call it a crook or rook but it will be recalled as the day Pond Creek beat the Piney Boys. More of these stories in the following weeks.

We were down in the Matlock Bend area the other day looking at the interstate highway work in progress in this section. As we drove down late in the afternoon just before dusk, we passed the dense wood sections along this road and recalled the many ghost stories we have heard about these woods. It seems that the ghost who once frequented this section would come out in the road and stand as though to stop the walker or horse drawn vehicle. After a period of time, it would

Wins DAR Award

Miss Sherry Lynn Cook, daughter of Mr. and Mrs. Bill (Sonny) Cook of Athens, has been named the recipient of the Mrs. J. H. Mathes DAR Award for this current academic year.

Miss Cook is the granddaughter of Mrs. Mae Cook of Wharf Street, Loudon.

The Award is given to a junior or senior who has an outstanding record in American History. The Award is in the amount of \$50.

Miss Cook, who is a member of the Hiwassee Chapter of the DAR, is a senior at the University of Tennessee, where she is an outstanding student. She is currently touring Europe and will resume her studies at UT this fall.

disappear as suddenly as it came on the scene. No, I never saw this or haven't heard anyone mention this in recent years.

Well, that's it for now. See you next week.

ITS A RATTLESLAKE—Rattlesnakes are not too common in these parts and that species population is even smaller today. O.C. Shubert killed the five button, three and one half foot rattler he is shown with above Sunday evening about two miles from Loudon on Steekee Road.

And that's the truth!

The truth is Bank of Loudon County wants to serve you. So we're offering you the kind of banking truths you need, so it's easy for you to bank with us.

Truths like your first 50 checks are free when you open a checking account. With no service charge if you keep a \$50.00 balance and only a 50 cent service charge if your balance is under \$50.00.

Truths like a new computerized banking system so we have more time to give you the personal service you deserve, and the computer handles the details.

Truths like four different types of savings accounts. So you can save the way that fits your needs the best. Paying from 4 1/2 percent to 5 1/2 percent interest, depending on the amount deposited and length of time deposited.

These truths are only a few of the many advantages Bank of Loudon County, your home-owned and operated bank, can offer you. For even more truths come in to Bank of Loudon County and talk with us. Bank of Loudon County...and that's the truth!

THE SIGN OF GROWTH

Detail Given

Loudon County asked to either reject a reorganizing County Board Commissioner General Elmer Sprout to out its provisions as follows:

- (1) Under the new Board Commission elected and September 1, allow the missioner if complete and office before organization.
- (2) The new way Board of would act as and would employ one Superintendent responsible County.
- (3) A man until advertised published in newspapers had been in Board.
- (4) The would have to years of age engineer or had 20 years experience construction, required to Superintendent.
- (5) A Superintendent discharged Board at an competency, dishonesty, having to w election.
- (6) The would have to would be paid salary commensurate training and with other County.
- (7) The Board of Commissioners Superintendent required to announce maintenance prevention plan in the County required to de its budget and its expenditure.
- (8) The missioner presenting approval of Court must present work plan for year, the the planning when the public aware more people.
- (9) The Board responsible for and complete up-to-date machinery.
- (10) The Board Commission required to meet a month in meeting to complaints and

Details Of Road Bill Given; On Ballot

Loudon Countians are being asked to either approve or reject a Private Act reorganizing the Loudon County Board of Highway Commissioners on the August 3 General Election Ballot.

The effect of the Private Act if passed would be to do away with the present Road Commission and establish a nine-man road commission, elected by the public by districts similar to the county court and they would hire a superintendent to run the road department.

To explain the proposed act, reporters asked Judge Harvey Sprout to outline the act and its provisions. They are as follows:

(1) Under the proposed law, a new Board of Highway Commissioners would be elected and take office on September 1, 1974, (this would allow the present Commissioners if re-elected to complete another term of office before the new organization takes effect).

(2) The new County Highway Board of Commissioners would act as a single Board and would be required to employ one man to hold the office of County Highway Superintendent who would be responsible for the entire County.

(3) A man could not be hired until advertisements had been published in the County newspapers and all applicants had been interviewed by the Board.

(4) The Superintendent would have to be at least 25 years of age and be an engineer or have at least five (5) years experience in road construction, and would be required to be a full-time Superintendent.

(5) A Superintendent could be discharged by the County Board at any time for incompetency, neglect of duty, dishonesty, etc. without having to wait for another election.

(6) The Superintendent would have to be bonded and would be paid a reasonable salary commensurate with his training and experience and with other salaries in the County.

(7) The Board of Commissioners and the Superintendent would be required to annually publicly announce a long-range maintenance and improvement plan for all roads in the County, and would be required to detail and itemize its budget and to account for its expenditures.

(8) The Road Commissioners each year when presenting the budget for approval of the Quarterly Court must present its annual work plan for that particular year, the theory being that planning ahead and making the public aware of it will help more people get better roads.

(9) The Board would be responsible for an adequate and complete inventory and up-to-date control of all machinery and equipment.

(10) The Board of Highway Commissioners would be required to meet at least once a month in an open public meeting to hear the complaints and suggestions of

citizens.
(11) Neither the Superintendent nor the Highway Commissioners, nor highway employees, nor any of their close relatives could contract to do business with the County directly or indirectly.
(12) There would be one set of equipment, one set of appropriations, and one Superintendent with basic authority to operate the Department subject only to the will of the Board of Commissioners.
(13) The members of the Board of Highway Commissioners will be elected by the Quarterly Court at the appropriate meeting when nominations become due.

(14) Because the County Roads lie outside the County municipalities, it is specified that no more than 1-3 of the Commissioners may live within the limits of the City of Loudon County.

(15) The Commissioners at this time will be in the same number as there are Quarterly Court members and from the same Districts. They are to receive \$25 per month for their services, except for the Chairman who would receive \$50. (It was felt this would give better representation to all sections of the County with little additional cost as to the benefits; but if this does not work, then it could be changed later.)

Judge Sprout said he recognizes that many people will have objections to various parts of this proposed plan. He said it should be borne in mind that the proposed act was a compromise to begin with, and that there is no way to get a plan which in all respects will please each person.

He said the main benefits from the proposed act include the savings in having one Road Department, rather than what amounts to three, with a more representative Board of Commissioners. Judge Sprout said that the County Court in asking for the passage of the Road Act felt that with one Superintendent the County should be in better position to talk with State and Federal officials concerning highway problems in the county and to represent the county in reference to the new roads to be built by TVA in the Tellico Project area.

Judge Sprout stated, "In addition, the Board and the Superintendent will be required to plan ahead, and to publish on a per-year, as well as a long-term basis, their plans for the county highways."

He said one other factor appears to be important at this time and that is that the Chancery Court of Loudon County has indicated its intention to enter an order requiring and directing the County Highway Department to be in compliance with the Federal C.A.T. Title 23 requirements of one man-one vote. "The Chancellor's ruling will have to be done within the framework of the existing County Road laws, and if a change is to be made, then it might be better for it to be done under a new law," Judge Sprout said.

Legislative Setup Causing Voters, Officials Confusion

Election officials in Loudon County will be glad when August 3 has come and gone. Preparations for the upcoming County General Election and the Republican and Democratic State Primaries haven't exactly gone like clockwork.

The biggest bug in the soup is the legislative reorganization that has different sets of candidates running for seats in the state legislature within the same voting precincts in the county.

When the State Legislature reorganized itself this year it did not go according to precinct or county boundaries, but strictly by population area. This has split Loudon County into two districts, the 21st and the 36th. When voters in the fourth district vote in either the Republican or

Democratic Primaries they will be voting in the 36th district where all the candidates are from Roane County, where most of the district is located. Even some of the first district is in the 36th and special ballots will be at the polling places for these voters. In the fifth district, everyone on the north side of Highway 70 is located in the 26th also and will vote for these candidates while the remainder of the district and the rest of the county will nominate legislature in the 21st district.

Because of the problems of getting the party primaries settled the Election Commission was late in getting the machine ballots ordered and they are expected to get back from the Nashville printer just in time for the election.

On the county General Election ballot there are no county-wide contested races, but there are some hotly contested battles going on for the nine seats on the Loudon County Court, especially in the first and fourth combined districts and in the second district.

In the first and fourth there will be at least one new Justice elected because incumbent

(Continued on Page 5)

Supreme Court To Hear Earls Argument Again

The legal battle over the conviction of Doyle Earls, now 52, found guilty of second degree murder of 17 year old Richard Lynn Barger, a popular Loudon High School student and son of a prominent Philadelphia community couple, has once again been delayed.

The State Supreme Court has asked that the court be reargued before the entire five judge court. Young Barger was beaten to death in the driveway of the home of his girl friend on August 8, 1969 and his body found the next day in a farm pond nearby.

Earls, a former Marine, former school teacher, and truck farmer, was arrested and found guilty in a trial held in Blount County in January of 1970.

The State Court of Criminal Appeals last September reversed the conviction on grounds that a search warrant's results used in the trial were inadmissible in evidence and other technical questions.

The State then appealed the decision of the Appeals Court and the matter was brought to the State Supreme Court.

The court, with Chief Justice Ross Dyer, Judge Larry Cresson, George F. McCanness and Chester C. Chatten heard the argument in May. Since that time Justice Cresson has died. It was because of the death of Judge Cresson that Judge McCanness has scheduled re-argument of the case before the entire State Supreme Court on October of this year.

\$30,000 Awarded In I-75 Land Lawsuit

A Loudon County Circuit Court jury last week awarded almost one thousand dollars per acre in land value and damages to a Loudon farm family for land taken for the construction of Interstate 75.

In the condemnation case where 21.27 acres of land was taken and \$6,000 in damages. Owners of land are Sam J. D. and Gene Barr and Herbert Tilley.

It is understood that the state had offered an earlier that amount in an earlier settlement attempt. John H. Williams won a verdict over Allen Stephens as Stephens was ordered to pay \$35 for assault and battery and \$33.96 for property converted to his own use.

A verdict for the defendant was returned in the case of Knoxville Ford Tractor Company vs Fred M. Grubb and Charles J. Matlock. The tractor company had sought compensation through repossession and deficiency judgment.

The case of United Realty Company vs Willis McCall and M.L. McCall was non-suited. An auto accident damage case scheduled for Wednesday was settled. It involved James H.

Gayton vs Bobby G. Johnson. Thursday a jury is to hear the case of Fred H. Grubb vs Loyd Dearing and Kenneth Dearing, an auto accident damage claim.

Friday's case, Beulah and Jan Walker vs Danny Sherwood, auto accident claim, has also been settled out of court.

Monday the court will hear the case of Tom H. Nicholson, administrator of the Estate of Mayme B. Nicholson, vs Southern Railway Company and J.A. Brantley, a death claim resulting from an accident where Mrs. Nicholson was killed when her car was struck by a train in Loudon.

Stowers Machinery Company vs Don Riden in a contract for work on equipment case, Tuesday.

A malpractice damage suit against Dr. W.B. Harrison and Charles H. Bacon Hospital is scheduled for trial on Wednesday. The suit is being brought by Bobby B. Campbell, as surviving husband of Leta D. Campbell, deceased, and Bobby H. Campbell, Ind. and Ernest H. Campbell and father Bobby A. Campbell. A total of \$248,000 is being asked by the prosecution.

City Studies Proposal On Pool-Park Complex

Engineers and planners for the proposed Loudon swimming pool and park complex gave the Loudon Mayor and City Commission their first look at proposals for the facility at a special meeting of City Commission Monday night.

Making the presentation were Lee Kribbs, planner and Jim Wilgus, engineer for Barge, Wagner, Sumner and Cannon, architects and engineers for the project and Tom Platt, planner with the East Tennessee Planning Commission.

The proposed pool and park will be located on 10 acres recently purchased by the city from the Board of Education adjacent to Loudon High School.

Mr. Kribbs told the Commission that it might be wise to develop the park under a two or three phase program, with all phases actually underway at one time, in order to get more government participation.

A new projected total cost of the project is \$236,500. The original estimate was \$161,500

and a federal grant under the Open Space Program for half that amount has been approved by the Housing Urban Development Agency. The city hopes to develop the project with a minimum of cash outlay by the city in receiving credit for work by city crews on the construction of many phases of the project.

Engineer Wilgus detailed plans for the \$64,000 swimming pool, which will be the feature facility of the park. His plan calls for a full size olympic pool of 50 meters. This is a pool 165 feet by 42 feet with depths of three feet to five feet, plus a diving bay of 30 by 30 feet. Included with the pool is an elaborate filtering system, bath-house, concession stand, complete fencing, lighting, parking lot, walk, deck, showers and restrooms. Mr. Kribbs said that with credits for in-kind services the city could expect to get the pool for a cash outlay of only \$17,000.

Under phase two of the project, expected to cost about \$75,000 would include four professional tennis courts, paved parking, additional lighting, fencing, playground development, all purpose ball

several suggestions for land use and alternate plans. Mayor Carter said that the proposals all sounded good but that the commission wanted time to study them and see if

the city could undertake the development of the entire project at one time. He said the final decision would be made simply on a dollar and cent basis.

DISCUSSING PARK PLAN—Members of the Loudon City Commission are shown listening as Jim Wilgus, engineer and Regional Planner Tom Platt discuss particulars of the proposed Loudon swimming pool and recreation park in a special work session of the Commission Monday night. Seated are Commissioner Hamill Carey, City Administrator Gary Hensley, Mayor Joe Carter, Commissioner Bernie Swiney and Commissionwoman, Mrs. H.H. Richesin.

DROWNING VICTIM RECOVERED—Loudon County Rescue Squadmen are shown lifting the blanket covered body of Eddie Fritts of Lenoir City out of the boat that recovered him from the waters of Fort Loudoun Lake and handing it to other squadmen on the bank near the Lenoir City Marina where the tragedy occurred late Thursday.

Lenoir City Teen Drowns Despite Rescue Efforts

A young Lenoir City youth who would have been a junior at Lenoir City High School this fall, drowned late last Thursday afternoon in Fort Loudoun Lake at the Lenoir City Marina.

The victim, James E. (Eddie) Fritts, 16, Oakwood Drive, Lenoir City, became the first person to drown in Loudon County waters since the spring of 1969 according to Loudon County Rescue Squad Captain John Parris.

The accident occurred about 8 p.m. and the body was recovered by the Rescue Squad about 10:15 p.m. just

before where the youth was last seen.

Young Fritts was the son of Edward Fritts and Ann Fritts, of Lenoir City.

According to Captain Parris the victim and a friend, H.K. Selvidge were swimming in the lake at the Marina. A witness, who tried in vain to save Fritts, David T. Rouser, said he saw the two youths swim out from the bank to a small boat anchored in the harbor, some 100 yards out. Next he heard one of them yell for help as they swam back toward the bank. He said he did not pay much attention at first, thinking the youth was

EDDIE FRITTS

just clowning. After he heard the second youth call for help too, he swam out to Fritts, who then appeared in trouble. Rouser said he made contact with Fritts but could not get a hold on him. In a second attempt he got a grasp around his chest, but the youngster had gone limp and he could not get his weight on top of the water.

The Rescue Squad answered the 8:05 p.m. alarm with five boats and 25 men. By the time the body was located at 10:15 there were an estimated 2500 persons on the banks watching the operation.

The body was removed from the lake about 10:30 and brought to a waiting ambulance as many members of the youngster's family waited grief stricken on the bank.

The victim was a summer employee of the Neighborhood Youth Corps and was a member of Northside Church of God.

He is survived by his parents, Mr. and Mrs. Edward Fritts; two sisters, Linda and Patricia of Lenoir City; grandnephews Charlie and Leona King of Maryville.

Funeral services were held Sunday at Northside Church of God with Rev. Fred Brannon and Rev. Paul Shoemaker officiating. Burial was in Loudon Memorial Gardens. Hawkins Funeral Home was in charge.

BLANTON IN LOUDON—Seventh District Congressman Ray Blanton is shown in a Loudon grocery store shaking hands with Mrs. Eugene Presley of Loudon. Congressman Blanton is seeking the Democratic nomination on August 3 for the United States Senate and the opportunity to run against Republican Howard Baker Jr. Blanton stopped in Loudon for about an hour last Wednesday and shook hands with several people in the downtown area.

Mrs. Annie Lee Barr accompanied her son, Robert K. Barr to Hollywood, Fla. Friday to spend a few days.

Wayne Carter was admitted to Loudon County Memorial Hospital Friday.

The infant son of Mr. and Mrs. Joe Holland remains in critical condition in the University Hospital. Friends of Mrs. A.C. Montgomery of Lenoir City

Household Ecology

By Bonnie F. Shueley,
Asst. Extension Agent

Ecology is a branch of science which deals with the interrelationship of living organisms and their environment. Household ecology is the study of the interrelationship of households and their environment—air, water, land and all aspects of sight and sound. Pollution is spoilage of the environment, such as "dirty air" from automobiles and industrial plants; garbage, sewage and chemical wastes dumped into lakes and rivers; and litter and trash thrown along the roadside.

As each day goes by there is a more pressing need for every human being to be concerned about his environment. It is estimated that seventy percent of pollution is caused by homes and the family. Much of this pollution can be alleviated if everyone develops a fundamental responsibility to his environment and if each individual can then discard himself in such a way that he doesn't add to environmental degradation.

The problem of pollution and the home arises from the fact that we are not true consumers—we are users. We utilize and then discard products—furniture, clothing, automobiles. The decision making about a particular product and its effect upon the ecological balance should be made before it is brought into the home. At least three factors should be considered. These are the product itself, the way it is packaged and the company or manufacturer from whom it is being purchased.

The product itself—before we purchase anything we ought to know how we can dispose of it after it has lost its usefulness. Can it be reused? Can it be repurchased? Will the cost to have it repaired be more than a new one? We have been a nation that believes in using things fast and discarding them. If we are going to keep demanding products, using them for a short time, and

then discarding them, we are going to have even more problems with environmental pollution.

information really accurate? Little things will amount to big things if done by everyone. But, as consumers, what are we prepared to do? Will we pay more for products or services which are

ecologically sound? Will we write letters to manufacturers with our complaints and suggestions? We have to realize that as we continue to grow in population and economic wealth, there will be more and more decisions for us to make as consumers. We as individuals and family members should use the next information to re-examine our values and redesign our

technology to insure that our children, and our children's children, have an environment fit to live in. The future of the environment will be largely what we, the people, choose it to be.

The company or manufacturer—the consumer should consider whether or not the company has been environmentally ethical. Has it done everything possible to reduce pollution of air, land and water which may be caused by the manufacturing of its product? If the company is using cleanliness of the environment as part of its advertising approach, is the

EAST BROAD

Legislative Setup Causing Confusion

(Continued from Page 1)

Jack Laffer is not seeking re-election. Incumbents in the race are J.J. Blair and Roy Blodsoe. The other candidates

in the race for the three court seats in the districts are Boyd Duckworth, Ben F. Galyon and Rufe Wilson.
In the second district (Lenoir City and area) there

are seven candidates for the four court posts. All incumbents I.D. Comer, James Hartsook, Henry C. Foster and Curtis Williams are seeking re-election, but are

being challenged by Jack W. Henry, W.A. Mathis and John J. Mosts.

County-wide races on the ballot are Sheriff and Property Assessor. Sheriff Freeman Russell and Assessor Emmett Carter are both unopposed.

At the bottom of the ballot are two questions. One is a County Road Bill that if passed would do away with the present County highway department and establish a new system. The new system would feature nine elected Road Commissioners, elected by districts in the same manner as Justices of the Peace, and provide for the appointment of a county Highway Superintendent. It passed it would go into effect in 1974.

The other question is the Constitutional Amendment. The Amendment question itself is more than 1000 words long and will not appear on the ballot, but a caption will. Before a voter enters the voting machine he will be given a printed copy of the complete text of the amendment. The proposed Constitutional Amendment would, if passed, classify property for the purposes of taxation.

The deadline for voting absentee is Saturday, July 29. A check with the election commission this week indicates there have been a number of requests for absentee ballots. Requests for General Election and Republican ballots are being filled as received, but a delay in the printing of the Democratic ballots has caused the requests for those ballots to be delayed in mailing.

Food Sales In Local Area, \$9,091,000

How are Loudon County families using the bigger incomes that most of them are now receiving? How much of it are they spending in local retail stores?

According to figures for the past year, which have just become available through a new market study, consumer spending for goods and services was at a relatively high level in the local area.

The findings are contained in a survey made by the Standard Rate and Data Service. It indicates just how the average family in each

section of the country spent its retail dollar in the year and how much it allotted for food, clothing, household equipment, cars and other products.

In Loudon County, it is shown, the largest outlay was for food. More money was spent in that direction than in any other.

In local meat markets, grocery stores, bakeries, delicatessens and other food outlets, the sales volume reached an impressive \$9,091,000, exceeding the previous year's \$8,052,000.

And this represented only food bought for home consumption. Not included is the amount that went to restaurants and to other dining and drinking establishments.

Thus, out of every dollar spent in local retail stores, 25 cents was for take-home food.

It was a greater proportion than in many communities across the country.

Elsewhere in the United States some 22 cents was so-spent and, in the East South Central States, 23 cents.

The report shows that the amount of food purchased in Loudon County for home consumption would average out to \$1.151 per household if distributed equally among the local population.

Also shown is how much was spent in the local area for various other commodities.

Sales of cars and other automotive equipment amounted to \$8,999,000, compared with the previous year's \$7,180,000.

Purchases in stores selling general merchandise totaled \$1,776,000, as against the 1970 figure of \$1,577,000.

Those specializing in wearing apparel accounted for \$1,756,000. In the prior year it was \$1,678,000.

Outlets for furniture and other home furnishings grossed \$1,759,000. Their former total was \$1,429,000.

Fatal Accidents Here Above National Average

What kind of a safety record has Loudon County been producing in the last few years?

For the average person, is living in the local area more hazardous or less so, from the standpoint of accidents, than in other localities?

According to figures released by the U.S. Public Health Service during the past three years in connection with its annual vital statistics reports, the accident rate in the local area is relatively high.

They show an average of 18 fatalities per year, attributable to accidents, among residents of Loudon County. Of this number, 11 were due to automobiles.

The figures refer to all types of accidents—whether they took place in the home or at work or while driving, swimming, boating or hunting.

Covered are all accidents in which local people were involved, wherever they took place. Not included, however, are accidents in the local area affecting non-residents.

From the standpoint of population, Loudon County's

Gov't. Spending Costs Loudonians \$62,000 A Day

What portion of the government's new multi-billion spending program will be financed by taxpayers in Loudon County?

How much will local residents be contributing, via direct and indirect taxes, to meet their share of the outlays that are budgeted for national defense, education, health, interest on the national debt, social welfare and the multitude of other programs?

The figure \$246 billion, nearly a quarter of a trillion, is too enormous an amount for most people to comprehend. It becomes somewhat more understandable when it is shown that it is equivalent to a spending rate of \$7,900 a second.

Loudon County's share of the cost is estimated at \$62,000 a day, based upon the proportion of the national revenue that the government normally receives from the local regional area.

From a per capita standpoint, it comes to \$2.56 per day per local resident.

Because incomes in Loudon County and therefore the Federal taxes paid, are greater than in some localities across the country, the per capita share of the cost is larger locally.

The average in the East South Central States is \$2.55 per capita per day.

Just how the government will be spending the \$246 billion during the next 12 months and what programs will be emphasized, is indicated in the Administration's budget.

Out of every \$1,000 in taxes collected from residents of Loudon County, \$366 is to be allocated for national defense.

Another \$327 is for unemployment, welfare and social security. Other major dispositions include \$99 for interest on the national debt, \$85 for medicare and other health programs, \$55 for aid to veterans and \$54 for public assistance, family allowances and food stamps.

toll was above average. It was equivalent to a rate of 74 fatal accidents per 100,000 population.

By way of comparison, the rate throughout the rest of the United States averaged 56 per 100,000. It amounted to 64 per 100,000 in the State of Tennessee.

The magnitude of the accident problem is brought out in figures compiled by the National Safety Council. They show that more than 114,000 Americans lost their lives in the past year and that 25,000 of them involved motor vehicles. In second place were home accidents, which claimed 26,500 lives.

This tells only part of the story, however. Another 18,800,000 suffered disabling, but not fatal, injuries in the course of the year.

Thus, for every one who was killed there were another 95 who were injured.

According to the council's estimate, the economic loss in the year caused by accidents reached \$27.7 billion. Counted in this figure are loss of wages, medical expenses, property damage and the like.

Loudon County's share of this bill, applying the average cost per accident to the local area, comes to approximately \$3,798,000.

**Speaking
of Sports**

By **DANNY GIBSON**
Sports Editor

In doing a little summer clean up of my often cluttered desk a few events are worth mentioning as past, present, and future sports notes.

Coaches from all over the state and a large quantity of out of state athletic instructors will be in Knoxville in full force by today (Thursday) for the Tennessee High School All Sports Coaching Clinic. Over 200 coaches had registered by Wednesday night for the Coaches' School. A staff of Adolph Rupp, Johnny Majors, Bill Battle, Edward Villella (dancer), and Trainer Fred Hoover. Hoover was an outstanding speaker last year and had much difficulty in getting his classes to disband when class time was up. Besides the coaches going to the school for college credits, others will be interested in only lectures by certain coaches and on specific phases of their respective game.

Loudon's head football coach "Chig" Rattledge, a well known figure in East Tennessee football wars and a respected coach all over the state, will serve as an assistant coach to the East All Star team Saturday. Yancy Hampton, a spring graduate of Loudon High School, will be one of the 30 man squad to oppose the best of the West team. The East team will carry a favored role into the 5:30 p.m. grid show.

Chaperones for the girls' teams are the East's Mary Louise Ledbetter, physical education teacher at Lenoir City. The West's Edyth Worthy, physical education teacher at Jackson. She formerly was of Lenoir City.

VETERAN ALL STARS—Loudon's head football coach Herb Rattledge, an assistant coach for the East in this year's girls coaches clinic event, talks things over with a long established all star in Loudon's football sensation Yancy Hampton. Hampton a graduated senior will be in the East backfield Saturday afternoon.

The Lenoir City Sub-District Slow Pitch Softball Tournament finished with a wild weekend. Eaton Corporation breezed through the tournament undefeated to cop the Championship crown. Eaton was Lenoir City's summer recreation league's top team. The Kingston Mules finished second in the week long meet with Easter Ford of Lenoir City claiming third place. The Bank of Loudon County backed into a fourth place finish via way of a Sunday night playoff with Smith Chair Company.

The unexpected final day activities hinged over a rather heated argument between players of Eaton Corporation and Rexall. Both teams were the last of the unbeaten in the winner bracket finals. A close play at third with the base runner, third baseman, and ball all coming together in a cloud of dust resulted in favor of the defensive third sacker. The Rexall team protested the event vigorously and after much discussion a Rexall player was ejected from the game. The Rexall team trailing by a score of 7-1 at the time, protested this move by the umpire to eject their player with more vigor than ever. The umpire instructed the player be replaced within 30 seconds or the game would be awarded to Eaton Corporation.

The Rexall team failed to comply with the order and sacrificed the game and announced afterwards they were pulling out of the tournament. The surprise move resulted in the tournament having but three teams to fill four slots in this week's District Tournament at Athens. Hence bringing on a Sunday night showdown between The Bank of Loudon County and Smith Chair Company the next teams with the best marks in the tournament.

High School football practice will be scheduled around August 4, for Loudon, Lenoir City, and Greenback. Lenoir City is scheduled for twice a day drills while no official word has escaped the Redskins or Cherokee camps.

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting

Loudon Starts AABC Stan Musial Tournament Play Saturday At 3 P.M.

The red hot Loudon Merchants who have registered 32 base hits in their last three games and scored 21 runs while limiting their opponents to 15 hits and just seven runs were to conclude their regular season Stan Musial play Wednesday afternoon at 6 p.m. at Loudon. The Merchants were to play the Inskip Bankers. The Bankers are managed by player-coach Phil Hatcher and the spirited

Hatcher always brings a good team to town along with usual enthusiastic jiving with the Loudon fans. Hatcher and his team has long been a friendly villain with the Merchants. Loudon will begin play in the AABC Stan Musial tournament Saturday at 3 p.m. at Bill Meyer Stadium. The Merchants will oppose the Knoxville Cubs in the afternoon headliner.

Loudon advanced to a third place finish in last year's playdown and all was achieved after an opening round loss. The Merchants manager Jerry Simpson is hoping for a better start this year and believes that Loudon is just now meeting to play some baseball. Simpson reports that the Merchants could have been playing this brand of baseball all season had they made up their minds

to do so but let errors and pressure situations take away their confidence. Loudon hopes to go with the pitching of Gary Gibson, George Stedman, Jack Cox, and maybe use Danny Russell or Gene Rattledge for possible relief appearances. The top two teams of the tournament will qualify for the state meet to be held in Nashville during mid-August.

Quarterback Club Undertakes New Building Project

The Loudon Quarterback Club has taken on a new project. A building is to be constructed at the little league football field. The block structure will cost in the neighborhood of \$8,000 dollars and will be large enough for four dressing rooms with showers. Two rest rooms and a large concession booth will also be housed with the block

building. The new facility will be located on the south side of the playing field behind the bleachers. Thus the home side will be changed this year so as not to have the sun glaring in eyes of Loudon fans, and they will be close to the new building. To help finance this building the Quarterback Club is

running a buy a block campaign via help of the Loudon

GROUND BREAKING CEREMONY—Loudon Quarterback Club held a ground breaking ceremony at its last meeting in regard to the club's latest project of constructing a new 100 foot by 20 foot building to house the badly needed dressing rooms, rest rooms and concession stand for the little league football program in Loudon. Pictured is president of the Quarterback Club Ed Ed Kotsa (left) and Jim Roberts (right), club treasurer.

Lenoir City Falls In DYB Tourney

The District Dixie Youth baseball tournament opened Saturday night at Kingston, with teams from Knoxville, Madisonville and Kingston winning first round games. Knoxville defeated Harriman, 2-1, Madisonville downed Sweetwater, 12-0, and Kingston edged Lenoir City, 4-3. Kingston jumped quickly out to a lead, getting a single run in the second frame and three in the third, and then staked off a Lenoir City rally for their victory.

The Lenoir City team got a run in the fifth to cut the margin to 4-1 and then poked up two markers in the sixth and final inning. Steve Lawson got credit for the victory, as Coach Charles Francis used three hurlers two innings each. The Lenoir City loser was Terry McCubough. Kingston got six hits in the victory, and the losers got three. Play continues through Friday night. Admission to the games are 50 and 25 cents.

Union Carbide Golf League Starts Second Half Play

The second half of the Union Carbide Golf League has started with Jack Miller and Clell Miller keeping their number one spot with 110 team points. Hall Summers and Penny McNabb, adding for Mike Oody, are just two points behind with 106 points. Also in a tie for second place and just two team points are last year's top team of Dick Huff and Art Hamil. Herbert Rodge, who finished second in the third flite of the individual tourney last week, was the low man for the team play last week. Rodge had a 35 for the low medal honor. Rodge and Austin Scarborough teamed for the best team play in league

Loudon Merchants Win Three Straight

Loudon won its third straight game Sunday by avenging an early season loss to Oak Ridge P.M. The Merchants blasted the visiting Riders 9-2 with 13 hits. Gary Gibson hurtled the mound decision with a five hit showing. Oak Ridge did all its scoring in the fourth inning on a hit,

Loudon fielding error, a walk, and a two-run single through the middle of the field. Gibson settled to retire the side and was never in trouble there after. Loudon used two big innings to achieve the triumph. Four runs in the bottom of the third inning saw all nine members of the Loudon batting order march to the plate. Donnie Darnell collected the first hit of the inning and reached second as Mac Coley's grounder was mishandled. David Hightower was out on a fly ball, but Jack Cox and Gene Rattledge walked to force in the first score of the day. Bobby Russell and Gordon Tucker hit back-to-back safeties to add two more scores and Russell managed to score on a put out of the next two Loudon batters. Loudon polished off the Oak Ridge team with a five run fifth. Again all nine Loudon players got to bat. Mac Coley started the merry-go-round with a hit and Hightower did likewise. Cox made an out. Rattledge, Russell, Gordon Tucker, and David Tucker all pounded hits and Gary Gibson and Darnell were tossed out on ground balls to end the wild inning.

CHEROKEES IN ACTION—Greenback's all-star performers were instrumental in helping the West team to a 2-0 win over the East squad Friday night. Greenback's Don Tarwater, on ground in center of picture, and number 32 George Sarten, far left, were the key men in halting the East offensive plans built on the triple option. Tarwater rests atop of the East quarterback and Sarten ended up having to cut down Willard's running back Jim McDonald to stop this play.

Loudon County Voters

I am publishing the following letter to dispell any misleading information that you may have heard that I am for gun control.

I am not for gun control, but did help sponsor a bill in the legislature to provide for protection of off-duty law enforcement officers. A letter to this effect follows:

**Tennessee State Lodge
Fraternal Order of Police**

WILLIAM W. HAWKINS
Attorney and General Council
212 Broad Street — Kingsport, Tennessee

July 17, 1972

Honorable Benny Stafford
P.O. Box A
Lenoir City, Tennessee 37711

Dear Representative Stafford:

You have requested clarification in regard to the recent legislative act authorizing off duty police officers to carry firearms when directed to do so by their superiors. This act was sponsored by various police organizations within the state, including the Fraternal Order of Police, after a meeting at the Law Enforcement Academy in Nashville. It was sponsored in order to protect police officers who were carrying guns while off duty. It was wholly unrelated to our state. This act in no way changes or interfered with the rights of a citizen to carry a weapon, and in fact, does not relate to a citizen's right to carry a weapon in any manner. I hope that this is the clarification you desire.

This organization certainly appreciates your interest and support of law enforcement. If we can be of any further assistance to you, do not hesitate to call upon us.

You, very truly,
William W. Hawkins
General Counsel, State Lodge,
Fraternal Order of Police

Law Enforcement is our Profession

I ask for your continued help and influence and of course your VOTE on August 3, in the State Republican Primary.

Your State Representative, Benny Stafford

Stedman Hurls Win Over Knox Reds, 9-5

The Loudon Merchants lashed out 14 hits and George Stedman fired a five hitter to give the Loudon team a 9-5 triumph over the Knoxville Reds.

The Loudon Merchants baseball team posing for a group photo on the field.

The Loudon Merchants baseball team and coaching staff.

The Loudon Merchants baseball team and staff.

The win was Loudon's fifth of the season and second in a row for Stedman and the Merchants.

Coach Arp Says:

The Merchants added a single run in the second frame on a one out single by Gordon Tucker. Stedman hit into a force out, but Sam Dancy and Durnell punched back to back safeties to rally Stedman.

The Knoxville Reds had cut the gap to 4-3 by the end of the third inning before the Loudon bats once again came to life. With two out Sam Dancy singled, Donnie Darnell drew a walk and David Hightower lined a hit to score Dancy. The Jack Cox blasted a drive to the outfield to score Darnell and Gene Ratledge laced a hit and was thrown out at second base trying to stretch the safety into double. Hightower scored on the hit.

The Reds cut the difference to 7-5 by the end of the fifth inning, only to watch Loudon equal the scores in the top of the sixth with Darnell and Hightower collecting their third hits each of the game. Stedman, who struck out eight and walked four, held the Reds in check in the bottom of the sixth and the game was called in the seventh due to a midnight curfew at the Knoxville ball field.

Donnie Darnell and David Hightower led the Merchant hitting with three hits each and three runs scored each. Sam Dancy and Jack Cox had two hits each as did Ratledge. Gordon Tucker and Stedman had one hit for the game.

Cage Camp Set

Applications are still being accepted for the annual Friendsville Basketball Camp. The camp, conducted each year by Friendsville coaches Bill Wallace and Marvin Boring, is for junior high performers, from the sixth grade through the eighth grade.

The girls' camp will get under way July 31 and continue through Aug. 4. The boys' camp will be from Aug. 7 through Aug. 11. Registration fee is \$10, which may be paid when the camp begins. For additional information get in touch with Coach Wallace at 862-0922.

Loudon Girls Benefit From Basketball Camp

The Loudon girls' basketball team have ended their summer program. The Lassies, runner-up in the District Nine final last winter and the owner of a 20 game plus victory mark, concluded their upcoming season preparation last week with a practice vacation to the Walland Invitational Girls Basketball Camp.

The trip proved to be one of much success for Coach Dewayne Arp and his sextet. The Lassies finished with the second best win record of any team at the prestigious camp.

Loudon won six games out of nine in the varsity competition while Gallatin, third place finisher in the state last year and three time straight competitor in the state tourney, marched through the week of fun and basketball play with an undefeated mark.

Loudon was the closest to upsetting the Gallatin team having 44-44 a tie. Gallatin averaged beating its camp foes by 12 or more points in every game other than with the Lassies.

Loudon's three prospective starting forwards of Maribyn Smith, Jane Shubert, and Debbie Hawkins averaged in double figures for the week. Smith led the team with a 16 point average in eight games, posting one varsity contest.

The Loudon girls' basketball team posing with their trophies.

WEST ALL STAR GROUP—Greenback was well represented in the Blount County East-West Football classic Friday night sponsored by the Blount County Shrine Club. Pictured from Greenback and performers on the victorious West team are left to right Don Tarwater (21), Bonnie Prewett (East-West football queen candidate), George Sarten (22), Cynthia Watson (All Star cheerleader), and Terry Hammontree (QB).

Greenback All Stars Instrumental In 7-0 West Grid Victory

Blount County football fans were provided with the spectacular Friday night at the Shrine East-West All-Star game at Everett High School.

The West squad appeared destined to score an easy victory in the early minutes of the game, rambling to a quick touchdown at the 8:58 mark of the first period.

But, the East squad regrouped its forces and challenged the West for the remainder of the game. But, the East unit was unable to get the football across the goal and surrendered at the final buzzer, 7-0.

There was plenty of gridiron activity for area fans, despite the warm temperatures in Buddy Williams' Field. One of the most interesting plays of the game came in the first half when an aroused East reserve

came from off the bench to stop a possible West touchdown. Lantier's Doug Helton, one of the West's outstanding performers, had stolen an East pass near his own 30-yard stripe. As he stroked past the East bench he was upended by a 12th East player from the sidelines. The embarrassing situation gave the West a personal foul penalty to the East 16, but the East defense was able to stop the West short of the goal.

The West took the opening kickoff, but fumbled the pigskin on the first play of the game. Porter's Joe Bailey got possession for the East. But, the East lumbered it back to Maryville's Jim Cromwell at its own 28-yard line.

Alcoa's Alan Giles picked up two yards and Helton dashed 14 more to the East four. Alcoa's Steve White then scored from four yards out on a determined run. Helton's conversion try had the West in front by seven points with 8:28 remaining in the quarter and most fans at the game were apparently expecting more points from the strong looking West team.

The West marched toward the East goal minutes later, but was halted by a fumble at the East 27. From there, the East staged its longest drive of the game.

Faced by Walland's Jim McDonald, the East moved to the West seven-yard line before grinding to a halt. A 25-yard field goal try by Everett's Mike Patton was a couple of feet short of the cross bar.

The West challenged again before the half on the sidelines play, but was stopped short. The two teams battled

across the middle of the Everett field through the second half. The East marched to the West 70-yard line early in the third period, but a fourth-down run by McDonald was stopped short of the goal.

The East tired desperately to score in the final 28 seconds of the game after getting possession at midfield.

A pass from Porter's Wayne Lowe to McDonald got 18 yards to the 25 and Lowe dashed up the middle for 14 more yards to the West 15. Two last-second acrobats by Lowe sailed high to preserve the West victory.

Statistics in the game were evenly matched. Both teams collected nine first downs. The West had 87 yards rushing and 70 passing for 157 yards on offense. The West had 117 yards rushing and 13 passing for 129 yards.

Players, coaches, cheerleaders, queen candidates and members of the Blount County Shrine Club will attend a banquet at 7 p.m. today at the Simple Simon Restaurant.

scoring but two points in answer. Debbie Hawkins had a sparkling 13 point per game average and performed well in all nine games.

Two girls making strong bids as starting candidates and worthy reserves were Debbie Thomas, who tallied 30 points in a "B" game with Cleveland and followed up with 14 points in the varsity game immediately following the "B" game. Betty Starritt played well and collected several points in many of the varsity games. Eight points around in late November. But the defensive corps headed by All-State candidate Gloria Brown may become the most pleasing prospect. Coach Arp has to solve Mary Tyler and Susan Huskie had been the top two candidates for starting berths when the season rolls around in late November. But now the defensive picture revolves around the play of not just three but six. Connie Brown is the exciting choice of starters. J. J. Purdy and Cindy Allmon proved they were not just on the team for name alone. The six girl showdown may not come until closer to the start of the real basketball season but the thoughts of having six able guards that can do the job and live forwards with double figure credentials can help a coach get a lot of peaceful sleep with pleasant dreams. Not to mention the saving of a man's hair from turning white or coming out all together.

Coach Dewayne Arp was impressed and partially surprised at the play of the Lassie team. "I think we have a better altitude for the season than I thought we would definitely can see improvement of several of the girls."

Some of the Loudon girls took part in as many as four games in a single day.

Those making the week long camp were Coach Arp and his wife, Maribyn Smith, Jane Shubert, Debbie Hawkins, Debbie Thomas, Betty Starritt, Maribyn Brannan, Sharon Hardy, Gloria Brown, Mary Tyler, Connie Hawkins, J. J. Purdy, Cindy Allmon, Sherree Harris, Elizabeth Delaney, Nancy Cardwell, and Yarbort Harrison. Nancy Lowe and Ronnie Kirkland were the managers for the week.

Balanced Scoring

Greenback had its best night in summer basketball last week with a convincing win over Lanier. The Cherokees got double figure balance from all five starters in posting a 79-49 decision.

Team captain Joe Mance led the Greenback play with 17 points. Larry Ritchey, running mate at guard, had 18 points and Bill Joe Kyker slammed in 14. Forwards Tony Linginfelter and Tim Hammontree scored 13 and 10 points respectively.

The Eagles held a brief 2-0 lead at the start of the game but a basket by Ritchey and a tip-in by Linginfelter erased the difference and Greenback raced to its best play since last winter.

Game & Fish TODAY

By Sgt. Mark Harmon
Game & Fish Commission

CROW HUNTING PROHIBITION LIFTED

It's back to the "good old days" for Tennessee's crow hunters - the common crow can once again be hunted. In an explanatory letter to the Tennessee Game and Fish Commission, Bureau of Sport Fisheries and Wildlife Regional Director C. Edward Carlson said, "By (Bureau) policy, crows and magpies may be legally shot at any time without a permit, but no other species of the family CORVIDAE may be taken without a special permit for depredations - control in limited circumstances."

"This policy should be viewed as an interim measure pending a better method to provide for the sport shooting of crows," Carlson added.

From Chattanooga, Game and Fish Commission Chairman G.L. (Larry) Lowe, said the Bureau's policy would apply in Tennessee.

"Tennessee will abide by the federal interpretation and will not enforce the prohibition against the hunting of crows until further clarification from the Department of Interior," Chairman Lowe said.

The Game and Fish Commission banned hunting of the common crow, effective July 21, as a result of Federal action which placed the crow and other members of the family CORVIDAE on the endangered species list.

According to information at that time, the federal move was intended to protect the fish crow and Hawaiian crow, but extended to the common crow due to inclusion of the entire family on the protected list.

For the time being, the common crow may now be hunted in Tennessee at any time and without limit.

MISSISSIPPI FLYWAY FORECAST

The Mississippi office of the Bureau of Sport Fisheries and Wildlife reports that the waterfowl potential of the Mississippi Flyway will be similar to last year's broods.

Reports from survey teams in the Northern United States and Southern Canada are beginning to accumulate as the first brood counts of the summer are conducted.

Preliminary reports indicate that this year's hatch will be fair to good and very similar to last year's. More concrete data can be expected about August 1 and bag limits and seasons should be set by the middle of August.

Game and Fish Commission Director David M. Goodrich stated that, "We can look forward to a better waterfowl hunting season this year if the weather cooperates." The director referred to the unseasonably mild winter of last year which kept a large portion of the ducks and geese farther north than usual.

"Tennessee has its share of avid waterfowl hunters and we want them to harvest their share this season," Director Goodrich concluded.

CHEROKEE LAKE

Water conditions - clear and rising.
Bass - fair, casting flip-tail worms in willows.
Stripes - good, trolling spinners and casting minnows all points in upper half of lake.

Rockfish and hybrids - fair, trolling medium to deep-running lures on points.
Crappie - good, still fishing with minnows at lower section of the lake.

NORRIS LAKE

Water conditions - clear and stable.
Bass - fair, casting purple worms and black flies with pork rinds - at night.
Crappie - good, still fishing with minnows - best in early morning.

Bluegill - fair, still fishing with worms.
Catfish - fair on trotlines with night crawlers - also, trawling with spinners and worms.

NORRIS TAILWATER

Trot - extra good, casting flies, corn and worms when water is off.
FT. LAUDOUN LAKE
Water conditions - clear and stable.
Bass - fair on upper end using rubber worms and deep running lures.

Crappie - fair, casting flies and minnows around brush piles; also, still fishing at night under lights with minnows.
Striped bass - good, casting rooster tails and spinners in breaks; also, still fishing with minnows under lights at night.

Catfish - fair, still fishing with worms and cut bait.
DOUGLAS LAKE
Water conditions - clear and falling.

Bass - fair, on purple worms in early morning.
Stripes and crappie - fair - still fishing at night under lights with minnows.
Catfish - fair on trotlines using shrimp and night crawlers.

DOUGLAS TAILWATER

Catfish and drum - good at night on shrimp and night crawlers.
WATTS BAR LAKE
Water conditions - clear and stable.

Bass - fair, casting medium-curling lures.
Crappie and stripes - fair, still fishing with minnows under lights at night.
Catfish - good, on trotlines with cut bait and minnows.

MELTON HILL

Water conditions - murky in upper end - clear in lower end.
Bass - fair, still fishing with minnows and casting bear-hair jigs.
Stripes and crappie - fair, still fishing with minnows.

Bream - good, still fishing with worms and crickets.
Catfish - fair, still fishing with worms.

CHILHOWEE LAKE

Water conditions - clear and stable.
Trout - fair, still fishing at night under lights with corn and worms.

TVA To Check Floating Structures

Most owners of docks, boathouses, houseboats, and other floating structures on TVA lakes have met the July 1 deadline for replacing metal drums used for flotation and for mooring non-navigable houseboats and boathouses at approved locations, the agency reports.

TVA has begun an inspection of all floating structures on the lakes. Any which are not in compliance with the regulations concerning acceptable flotation material or location will be posted and the owners notified to correct the situation or remove the structure from the lake. Appropriate legal action will be taken if necessary to obtain compliance with the regulations.

Information about the regulations can be obtained from TVA Division of Reservoir Properties district offices at Athens, Morristown, and Paris, Tennessee, and at Florence, Alabama.

Duck Hunting Looks Good

Tennessee duck hunters can look forward to a good season this winter...if the weatherman cooperates. Reports from state and federal biological survey teams in northern U. S. and southern Canada indicate that this year's hatch will be fair to good and very much like that of last year, according to the State Game and Fish Commission. Seasons and bag limits will be set sometime next month.

Last year's unseasonably mild winter kept many ducks and geese farther north than normal, the G&F said.

Gold Cup Championship At 411

A field of 14 racers entered in Saturday night's Gold Cup Pro Stock Championships at 411 Dragway. The pro stock show heads the program for the weekly event and six of the early professionally-driven cars entered are capable of running in the nine-second bracket.

The strip opens at 6 o'clock and the opening pro stock run is set for 8:30. Also scheduled are eliminator brackets for top stock, modified stock, junior stock and big and little elapsed time cars. Adult admission is \$4, children 6-12 years \$1.

First-place money in the pro-stock racing will be \$1000. The majority of the pro stock cars entered raced here earlier this year and fans were pleased with the performance," said Manager Jimmy Boyd. "The fans have been asking for a return of the show."

Back Pike of Atlanta, who won the earlier event, has entered his Mustang. Other entries include Billy Denby of Tallahassee, Fla., in a Camaro, Max Smith of Dothan, Ala., in a Camaro, Ellis Milner of Albany, Ga., in a Dodge Challenger, Dave Ward of Enterprise, Ala., in a Camaro, and Randy Johnson of Atlanta in a Mustang.

At the week long camp the girls will learn new cheers and formations. They will also compete in team contests as their team is the most improved from the instruction they are taught at the clinic.

Cherokee Cheering Squad To Attend UT Camp

The Greenback cheerleading squad will leave for the University of Tennessee Cheerleading Camp in Knoxville Sunday August 13.

Greenback's cheering squad for the upcoming school year will be Helen Woods, Captain, Micki Dailey, Sharon Henry, Sandi Tarwater, Kathy Sartin and Kathy Steel.

State All Star Football Game To Have No Deadlock

There'll be no tie in Saturday's TSSAA All-Star football game at Neyland Stadium.

It'll be like the Super Bowl. They'll have a playoff if necessary to break the deadlock. However, it will not be under the "50-yard-line" rule.

Bob Baldrige, director of publications for TSSAA, explained.

"We'll use a tie-breaker for the first time... one that we plan to put into effect during our TSSAA playoff games in November."

"The plan we're going to use was originated in Kansas," Baldrige offered.

"Instead of giving each team the ball for a series of downs at the 50, then awarding a one point victory to the team that moved the ball the farthest they came up with this method."

"Each team will be given the football 10 yards away from either goal it chooses. It will have a four-down series in which to score. Then the other team has the same option. The teams also have the option of going for one or two points after a touchdown. Field goal attempts also are permitted."

"In case of a tie, the procedure is repeated."

Baldrige, who is here for the TSSAA's annual Coaches' School and All-Star games, said "You know, I sort of hope the game Saturday ends in a tie. Then we can see how effective it would be."

Baldrige said a number of states already have adopted the tie-breaking procedure. He added, too, that Kansas high school coaches have been "overwhelming in favor of it."

In fact, Baldrige said, "We've been informed that a number of major colleges have indicated a willingness to try this tie-breaking rule."

After coaches see the tie-breaker used in post-season TSSAA playoffs it will be put to a vote at regional meetings in Knoxville, Nashville and Jackson to determine if it will

be used in regular-season games thereafter.

As All-Star players and coaches arrived at UT Saturday, the "50-yard-line" rule was discussed at Neyland Stadium's torrid Tartan Turf during photographing sessions.

East Tennessee has dominated the annual TSSAA All-Star football game, which is to be played at 3:30 p.m. Saturday at Neyland Stadium.

In fact, the East All-Stars are undefeated in five games Neil Clabo, a member of the University of Tennessee team, led the East to a 21-15 decision last year.

Saturday's football game will be part of a sports triple header, two games of which will be played at Stokely Center. The West girls, coached by Pat Webb of Galatin, will face the East, coached by Sevier County's Jack McMahon, clash at 3 p.m. The West has a 2-1 series edge.

The East, with Kingsport's Buck Van Hout coaching, will seek to gain revenge for a 76-35 lulling administered by the West. The West, with Joe Dan Wooten as coach, and East round out the day's activity at 8:30. West leads the series three games to two.

FIFTEEN players on the All-Star squads have signed football grants-in-aid with Tennessee.

EAST: Larry Seivers, Clinton; Alan Lee and Roger Hugginsbotham, Oak Ridge; Paul Johnson, Cleveland; Don Hampton, Spring City; Mitchell Gravit, Hixson; and Rocky Goode (Bearden), Jon Burnett (Bearden) and Steve Adams (Cathlet), of Knoxville.

WEST: Brian Arquitti and Ernie Ward, Memphis; Billy Linville, Hartsville; Bobby

Kilzer, Trenton; Howard Carter, Murfreesboro, and Lee Hiding, White Station. REPLACEMENTS for

Competition Getting Tight

At Atomic Speedway

When it comes to competition, it couldn't get much tighter at Atomic Speedway. If things get lighter there could be a dead heat in the 40-lap feature event over the third-mile dirt track.

"Last week's feature race may have been the best ever at the track," said owner Bob Martin. "The lead-swapping kept the fans on their feet."

When action resumes Saturday night at the facility, Marion Tipton, Tootie Estes, H.E. Vineyard, Herb Garner and Zeke Buchanan will resume their chase of Herman Goddard's fleet Chevy II.

Goddard scored his second win of the season in what Martin termed as "Herman's best show of the year. Goddard was really moving and on one occasion was forced to the back of the field after spinning out."

Saturday night's program, which is expected to attract about 10 cars, gets under way at 7:45 with time trials for the late model sportman machines. Three heat races, a semi-feature and hobby race will precede the 40-lapper. Admission is \$2 for adults with

Lewisburg's Carl Warren and Lee Heidenger of Memphis White Station on the West team are Anthony Priggitt of Portland and Jim Murray of Memphis Bishop Byrne. Debbie Bumpus of Nashville North and Judy Cox of Chester County High are substituting for Selmer's Betty Crisp and Hendersonville's Debbie McClain on the West girls' basketball team.

children under 12 admitted free. In last week's sportman action there were five different winners. Besides Goddard's feature triumph, Darrell Chesney, Tex Gibson and Buchanan won the heats and Rocky Estes copped the semi-feature. Chesney drove a Maverick, Gibson a Chevrolet, Buchanan a Camaro and Estes a Oldsmobile.

A demolition derby, which will be worth \$100 to the champion, has been scheduled for the speedway on Aug. 5.

ELECT Boyd E. Smith

State Representative

21st District
Loudon and Blount Counties

Republican Primary August 3, 1972

Elect a man that will serve all the people of the 21st District, Not a chosen handful

I am a businessman and have lived most of my life in Loudon County. I think it is time that a man interested in the people seek office and not just to further his own welfare. For the people who do not know me, I am the son of the late Clifford and Dora Chester Smith of 1006 Bell Avenue in Lenoir City. My family and I reside at 903 First Avenue in Lenoir City. I am a partner in Smith and Knowles Electric, a business I have been active in for the past five years.

Listed below are some of the things I am interested in and pledge to work for if you elect me your state representative.

MENTAL HEALTH - We must express deep concern for our mental hospitals through adequate personnel and financial backing. This should be top priority in this session of the legislator.

SCHOOLS - I pledge to support education from kindergarten through college. (Think Children) Tennessee's future goes to school today.

DRUGS - I pledge to work through legislation for strict laws on drugs. If we don't get the drug pushers out of our schools and off our streets, we will have a sick society.

ROADS - With 130 miles of Interstate not completed our Interstate system is already obsolete. I will work for improvements of our interstates and will also turn my attention to highway 411 in Blount County and highway 11 in Loudon County.

SENIOR CITIZENS - I will sponsor or co-sponsor and support any programs to improve the living conditions of our senior citizens that may come before the legislature.

I AM AGAINST GUN CONTROL

Your Vote And Influence
On August 3
Will Be Greatly Appreciated

Boyd E. Smith

Survivors include: daughter, Mrs. Ann Bates, Shepherdsville, Ky.; sons, Owen D. James, John E. James, of Loudon, Robert V.

Cadet Lee In ROTC Training At Fort Bragg

Cadet Joe N. Lee, son of Mr. and Mrs. C.A. Lee, Jr., 905 B St., Lenoir City, is receiving practical work in military leadership at the Army reserve officers training corps advanced summer camp at Ft. Bragg, N.C., from June 17-July 28.
Cadet Lee, a student at the University of Tennessee at Knoxville, is one of more than 10,000 students attending army ROTC training at six installations in the U.S.
The six-week ROTC advanced camp provides an opportunity for cadets to develop and demonstrate leadership capabilities in a field training environment. The instruction supplements theories and concepts which cadets learned in the classroom on campus.
Cadets normally attend the training between their junior and senior years. This enables them to better comprehend their final year of classroom work and to function as cadet leaders on campus.
The 22-year-old cadet was graduated in 1967 from Lenoir City High School and holds a B.S. Degree from Carson-Newman College, Jefferson City.
James, Knoxville; sisters, Mrs. J.D. Preston, Mrs. A.M. Kirk, Mrs. William Thomas, Mrs. Earl Pruitt, all of Virginia; 14 grandchildren.
Funeral services were held Saturday at Karnes Chapel, Rev. Bernard Courtney and Rev. J.S. Aikens officiated. Interment in Robertson Cemetery, Karnes Funeral Home in charge.

ATTENTION 1st & 4th District Voters

If you want a man to represent you in the County Court of Loudon County...
That has experience in County Government...
That pays a large amount of property tax...
That does not bow to any pressure group or clique...
That believes the tax rate should be as low as possible...
That has worked to upgrade all schools in the county...
That believes the school board should be elected by the people...
That will represent everyone in the 1st and 4th district fair and square...
That has been successful in his own business...
That will vote the convictions of his district when all others are against him...
That has nothing personally to gain from the job...
If this is the kind of man you want to represent you in the County Court of Loudon County, then go to the polls August 3 and Vote for

Justice of the Peace
First and Fourth Districts,
Loudon County
General Election - August 3, 1972
Republican Nominee
With six years experience on the County Court
I wish to continue serving you in this capacity.
YOUR VOTE AND INFLUENCE WILL BE APPRECIATED
ROY BLEDSOE
Justice of the Peace
(Paid Political Adv.)

To The Voters Of The
First And Fourth Districts
In Loudon County
It will be impossible for me to see all voters, but I want all voters to know that I am a candidate for Justice of the Peace as a taxpayer's candidate.
1. I would like to help the disabled and low-income people with their property taxes.
2. I would like to see our County roads improved (no reflection on our Road Commissioner).
3. Strict economy in your County Court.
4. To represent all people on matters that come up in County Court whether you vote Democratic or Republican.

LOUDON, BLOUNT, SEVIER COUNTIES
A Vote for Responsible Representation
Vote For Boyd Duckworth, Justice of the Peace

Vote For
BOYD DUCKWORTH
For Justice of the Peace
1st & 4th Districts
Some people have asked if I am running in Loudon too. Yes I am. Squires in the first and fourth districts run at large throughout both districts. So if you live anywhere in the first district (Loudon area) or the fourth District (Philadelphia area) I solicit your vote. This includes residents of Davis, Luttrell and the section of Loudon across the river that the second district tried to get.
If you elect me I promise to work for the good of Loudon County and keep our tax rate down.
Vote For Boyd Duckworth, Justice of the Peace

NOTICES OF ELECTION

In accordance with the laws of the State of Tennessee, notice is hereby given that there will be a General Election for Loudon County, State of Tennessee, and a Special Election for Loudon County, Tennessee, and a Constitutional Question for the State of Tennessee, and a Republican Primary Election and a Democrat Primary Election, all to be held on Thursday, August 3, 1972, between the

hours of 9:00 o'clock A.M. and 7:00 o'clock P.M., at all voting precincts within the County of Loudon except for the Luttrell precinct in the Fourth District, which voting hours shall be between the hours of 9:00 o'clock A.M. and 4:00 o'clock P.M., for the purposes of voting by all qualified voters within the county of Loudon on the following matters:

County Office Holders To Be Elected:

- Sheriff
- Property Assessor
- Road Commissioner, various districts
- Justice of the Peace, various districts
- Constable, various districts

Special Election

Whether to change the highway commissioners election by the establishment of a Department of Highways and Board of Highway Commissioners, and to establish the office of County Highway Superintendent to be operated under powers and duties set forth in the private acts of the State of Tennessee for 1972, with said Highway Superintendent and Board of Highway Commissioners to be appointed by the Loudon County Quarterly Court, and to repeal previous acts concerning the Highway Department for Loudon County, Tennessee.

On the same day and same hours there shall be held a Democrat Primary Election for the purpose of electing the following to run in the General Election to be held on November 7, 1972:

Offices To Be Nominated Are

- U. S. Representative, Second District
- United States Senator
- Public Service Commissioner
- Floterial Representative, 21st District
- Floterial Representative, 36th District
- State Senator, 8th Senate District
- State Executive Committee, 2nd District

The following persons are hereby named to conduct the said elections by the Commissions and Boards duly authorized to hold these elections as officers, judges, and clerks.

5000 MATCHES—Pictured above is Leonard Lanter holding a large Crucifix constructed by his nephew, James F. Lanter of Knoxville. The Crucifix is constructed of 5000 matches and it took one year to complete.

Blankenship Completes Course

Army Private First Class James R. Blankenship Jr., son of Mr. and Mrs. James R. Blankenship Sr., 613 Wharr St., Loudon, recently completed the 13-week basic operating room procedures course at Brooke General Hospital, Ft. Sam Houston, Tex.

PFC Blankenship began the course with six weeks of didactic training at the U.S. Army Medical Field Service School, Brooke Army Medical Training Center, Ft. Sam Houston, Tex. after learning to prepare and maintain operating instruments and assist doctors during surgery at the school, he received six weeks of applicatory training at the fort.

PFC Blankenship entered the army in October 1971 and completed basic training at

Ft. Polk, La. He is a 1966 graduate of Loudon County High School and graduated in 1971 from the University of Tennessee, College of Pharmacy. His wife, Brenda, lives at 500 Westside Dr., Tulsa, Okla.

Bright Promoted By Air Force

Marshall L. Bright, son of Mr. and Mrs. Baxter Bright, Rt. 1, Greenback, has been promoted to sergeant in the U.S. Air Force.

Sergeant Bright, an administrative specialist, is on duty at Goodfellow AFB, Tex. He is assigned to a unit of the U.S. Air Force Security Service which provides security for Air Force global communications systems.

The sergeant attended the University of Tennessee. His wife, Frances, is the daughter of Mrs. Allen Woods, Rt. 1, Greenback.

Proof Of Twentieth Century Miracles

By Calvin Lunsford
The vast amount of publicity given to open heart surgery in recent months has real significance to a Loudon young man. The reason is seventeen years ago he became the first person in

Tennessee to have open heart surgery. He was only the sixth person to undergo this serious type of surgery. His case gained tremendous recognition in the field of open heart surgery.

The young man is David Abernathy, son of Mr. and Mrs. Don T. Abernathy of 1127 Huffland Drive, Loudon. David, a Loudon High School grad and a former member of the Redskin football squad, has no physical restrictions on his life and is completely free of a birth defect condition that

would have cost him his life without the miracle of Medical Science. David strongly believes it is a gift of God.

It was at the age of five that David underwent this serious operation at the Baptist Hospital in Knoxville with a team of heart surgeons assisting with the operation. The decision to perform the surgery came after the parents of this young man had traveled many miles across the United States to consult specialist in this field. They always came up with the same answer: The tricky and chance taking open heart surgery was the only means for David's survival. After much debating, the family agreed to this new type of surgery and today David Abernathy, a strong athletic type person stands as a symbol of a modern miracle.

MR. ABERNATHY

NOTICE OF ELECTION ON PROPOSED CONSTITUTIONAL AMENDMENT

An election for the purpose of submitting the following proposed AMENDMENT TO THE CONSTITUTION to the voters of the State for RATIFICATION OR REJECTION will be held in every County of the State on

THURSDAY, AUGUST 3, 1972

which said election will be conducted according to the general election laws of the State and at which election all persons qualified to vote as required in elections for representatives to the General Assembly shall be entitled to vote.

The proposed amendment, as adopted by the 1971 Limited Constitutional Convention in Resolution No. 74 on September 14, 1971, shall be printed in full on each ballot or voting machine as follows:

BE IT RESOLVED, by the Limited Constitutional Convention of 1971 that Article II, Section 28, of the Constitution of the State of Tennessee be amended by deleting the same in its entirety and substituting in lieu thereof the following provisions, to be submitted to a vote of the people for ratification:

In accordance with the following provisions, all property real, personal or mixed shall be subject to taxation, but the Legislature may except such as may be held by the State, by Counties, Cities or Towns, and used exclusively for public or corporation purposes, and such as may be held and used for purposes purely religious, charitable, scientific, literary or educational, and shall except the direct product of the soil in the hands of the producer, and his immediate vendee, and the entire amount of money deposited in an individual's personal or family checking or savings accounts. For purposes of taxation, property shall be classified into three classes, to wit: Real Property, Tangible Personal Property and Intangible Personal Property.

Real Property shall be classified into four (4) subclassifications and assessed as follows:

- Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
- Industrial and Commercial Property, to be assessed at forty (40%) per cent of its value;
- Residential Property, to be assessed at twenty-five (25%) per cent of its value, provided that residential property containing two (2) or more rental units is hereby defined as industrial and commercial property; and
- Farm Property, to be assessed at twenty-five (25%) per cent of its value.

House trailers, mobile homes, and all other similar movable structures used for commercial, industrial, or residential purposes shall be assessed as Real Property as an improvement to the land where located.

The Legislature shall provide tax relief to elderly low-income taxpayers through payments by the State to reimburse all or part of the taxes paid by such persons on owner-occupied residential property, but such reimbursement shall not be an obligation imposed, directly or indirectly, upon Counties, Cities or Towns; provided, that such tax relief for the years 1973 through 1977 shall be not less than an amount equal to the State, County, and Municipal Taxes on Five Thousand (\$5,000) Dollars worth of the full market value (or One Thousand Two Hundred Fifty (\$1,250) Dollars of the assessed value) of property used for a residence by any taxpayer over sixty-five (65) years of age for a period of one (1) year prior to the date of assessment; provided further, that such relief shall not extend to persons having a total annual income from all sources in excess of Four Thousand Eight Hundred (\$4,800) Dollars.

The Legislature may provide tax relief to home owners totally and permanently disabled, irrespective of age, as provided herein for the elderly.

Tangible Personal Property shall be classified into three (3) subclassifications and assessed as follows:

- Public Utility Property, to be assessed at fifty-five (55%) per cent of its value;
- Industrial and Commercial Property, to be assessed at thirty (30%) per cent of its value; and
- All other Tangible Personal Property, to be assessed at five (5%) per cent of its value; provided, however, that the Legislature shall exempt Seven Thousand Five Hundred (\$7,500) Dollars worth of such Tangible Personal Property which shall cover personal household goods and furnishings, wearing apparel and other such tangible property in the hands of a taxpayer.

The Legislature shall have power to classify intangible Personal Property into subclassifications and to establish a ratio of assessment to value in each class or subclass, and shall provide fair and equitable methods of apportionment of the value of same to this State for purposes of taxation. Banks, Insurance Companies, Loan and Investment Companies, Savings and Loan Associations, and all similar financial institutions, shall be assessed and taxed in such manner as the Legislature shall direct; provided that for the year 1973, or until such time as the Legislature may provide otherwise, the ratio of assessment to value of property presently taxed shall remain the same as provided by law for the year 1972; provided further that the taxes imposed upon such financial institutions, and paid by them, shall be in lieu of all taxes on the redeemable or cash value of all of their outstanding shares of capital stock, policies of insurance, customer savings and checking accounts, certificates of deposit, and certificates of investment, by whatever name called, including other intangible corporate property of such financial institutions.

The ratio of assessment to value of property in each class or subclass shall be equal and uniform throughout the State, the value and definition of property in each class or subclass to be ascertained in such manner as the Legislature shall direct. Each respective taxing authority shall apply the same tax rate to all property within its jurisdiction.

The Legislature shall have power to tax merchants, peddlers, and privileges, in such manner as they may from time to time direct, and the Legislature may levy a gross receipts tax on merchants and businesses in lieu of ad valorem taxes on the inventories of merchandise held by such merchants and businesses for sale or exchange. The portion of a Merchant's Capital used in the purchase of merchandise sold by him to non-residents and sent beyond the State, shall not be taxed at a rate higher than the ad valorem tax on property. The Legislature shall have power to levy a tax upon incomes derived from stocks and bonds that are not taxed ad valorem.

This amendment shall take effect on the first day of January, 1973.

Opposite the said proposed Constitutional Amendment shall appear the following:

FOR THE AMENDMENT:
AGAINST THE AMENDMENT:
Voters will indicate their vote by placing a cross mark in the square opposite one or the other of the above expressions.

Notice is hereby given to all qualified voters throughout the State and especially to all members of the County Election Commissions of the several Counties of the State that said election will be held in all civil districts, wards and voting precincts throughout the State within legal hours on August 3, 1972, for said purpose and that the proper officers of all Counties shall, immediately after said election, make a return to the Secretary of State of the number of votes cast in their respective counties "For the Amendment"; and the number of votes cast "Against the Amendment."

This proclamation is issued in compliance with Resolution No. 54, Resolution No. 74, and Resolution No. 76 adopted by the 1971 Limited Constitutional Convention on September 14, 1971 and in compliance with provisions of Article XI, Section 3, of the Constitution and Chapter 421 of the Public Acts of 1968.

Given under my hand and attested by the Great Seal of the State of Tennessee, this 13th day of January, 1972.

Keep Summer Cooling Costs LOW

To operate your central air conditioning system for greatest efficiency and least expense this summer, follow these tips. You'll save money without spending a cent.

Keep the return air grill and outdoor section of the system clear of obstructions. Blocking either interferes with the air flow.

Partially close drapes on the sunny side of the house during the day.

If going away for more than a day, set the thermostat up about five degrees. When you return, a normal thermostat setting will cool your home rapidly.

Keep windows and outside doors closed.

Turn off unused lights.

As always, we want to help our customers get the most service for the least expense.

fresh Clean ELECTRICITY DOES IT BEST!

BACK IN THE GOOD OLD DAYS

At the time we are getting this together, which means it is a week in advance of the publication of the Herald it will appear in, it is possibly the hottest day we have had so far in the summer of 1972. Whew, wish we had a cool

AUCTION SALE
GREER'S SERVICE CENTER
FRIDAY NIGHT 7:30 P.M.

November breeze for an hour or two. Well, we can't bring that about but the Good Old Days brings you a picture of a winter scene in Loudon's square taken 15 years ago. I know, it just don't seem like the fountain has been there that long. The other week we ran a picture of the square before the fountain. Anyway, we hope it cools our readers off just to think about weather such as is indicated in the picture.

In thinking about the main street area of downtown Loudon, we have an old picture possibly taken during the era of World War II, or shortly after. Anyway, even though this has not been so many years ago, a lot of changes have come about in this section of town. At the time this picture was made the late Dr. Eugene Smith was operating a drug store up near the Post Office.

The old Lyric Theater is visible up the street. I would venture a guess that a theater operated at this location for

around forty or fifty years. Several times it was damaged by fire and would be closed for a period of time, then would be repaired and be reopened. The ones we know of who operated this theater through the years were Hobart Miller, Bob Blount, Doc Googe, Bill Butler, the late Charles Colville and the late Dr. Morgan. Do you recall the days when movies was so popular that all of the people couldn't get in for the first show and would line up along the sidewalk to wait for the second show to start. Times sure change, don't they?

Next week we will have pictures of a place in Loudon which possibly influenced a man to assume a role in his daily life that nobody bothered to follow up after his death. Also we will have a couple of stories of events that happened back in the Good Old Days that will be well remembered by many Loudon old timers.

Well, that's it for now. See you next week.

Mountain City Choir Here Sat.

A special program of music will be presented by the Youth Choir of First Baptist Church of Mountain City, Saturday, July 28, at 7:30 p.m. at the First Baptist Church of Loudon. The seventy-five member choir, under the direction of Mike Morgan, will also present the program for the Sunday morning service Sunday, July 30.

Mr. Morgan, who is presently Minister of Music and Youth of First Baptist of Mountain City, has accepted a call to First Baptist of Loudon. He will assume his duties in this capacity on September 1.

NEW OFFICERS-Pictured are the newly elected officers of the Loudon Lions Club for 1972-73. They are: front row, left to right: Charles Davis (past president), James Pope (Secretary and Treasurer), John Carnes (President), Randal E. Johns (First Vice-President), Edd Swenson (Third Vice President) and Charles Varner (One year director). Back row, left to right: Glenn House (Installing Officer), Ed Arnold (Leon Tamer), John Messamore (two year director), Bob Hudson (two year director) and Bill House (Second Vice President). Other officers not present when picture was taken are James Fields (Tall Twister) and LeRoy Rhea (One year director).

The easiest decision you ever had to make:

On August 3, Tennessee voters will decide what share of taxes their property will pay when they vote on the Constitutional Amendment. If you vote "FOR", your home or farm will be taxed at 25% of value. If you vote "AGAINST", your home or farm will be taxed at 50% of value! 1 1

Vote "FOR"
the Amendment

The money you save will be your own

Citizens Committee for the Constitutional Amendment for Fair Property Taxes
 Paid for by Loudon County Farm Bureau.

And that's the truth!

The truth is Bank of Loudon County wants to serve you. So we're offering you the kind of banking truths you need, so it's easy for you to bank with us.

Truths like your first 50 checks are free when you open a checking account. With no service charge if you keep a \$50.00 balance and only a 50 cent service charge if your balance is under \$50.00.

Truths like a new computerized banking system so we have more time to give you the personal service you deserve, and the computer handles the details.

Truths like four different types of savings accounts. So you can save the way that fits your needs the best. Paying from 4½ percent to 5¾ percent interest, depending on the amount deposited and length of time deposited.

These truths are only a few of the many advantages Bank of Loudon County, your home-owned and operated bank, can offer you. For even more truths come in to Bank of Loudon County and talk with us. Bank of Loudon County...and that's the truth!

\$1.9 Million Sweetwater Creek Project Ok'd

Approval of the Sweetwater Creek Watershed Project, a major project for Loudon, Monroe, and McMinn Counties, has been given, Senator Howard H. Baker Jr. announced. It involves some \$1.9 million in federal funds.

Roy Bledsoe, Gail Hein and Sam Barr represent Loudon County on the nine-man Board of Directors for the project. The directors state the project will have a far-reaching impact on the area. The water shed area includes some 37,640 acres in the three counties and included are the towns of Philadelphia and Sweetwater. The watershed project is designed for a minimum impact on the natural environment along the creek during and after improvements. One benefit is to alleviate flooding of farm land along the creek and residential, business, and industrial property in Philadelphia and Sweetwater. S. F. Owens of near Sweetwater is president of the Board of Directors of the Sweetwater Creek Watershed District. Other sponsors of the project includes the Loudon, Monroe, and McMinn County Soil Conservation Districts. Soil Conservation Service Representatives will meet with the local sponsors in the near future, and a schedule will be arranged for field surveys and other work. Hopefully, some construction will start this fiscal year.

Cardwell Wins Top TVA Agriculture Award

John W. Cardwell, Loudon county farmer, received a Distinguished Service Award at the annual meeting of the Valley Test Demonstration Association this week. The award, a framed certificate of appropriate design, was one of three presented to distinguished farmers throughout the area served by the Tennessee Valley Authority. It is the highest recognition awarded to members of the Association. The Unit Test Demonstration program is a cooperative endeavor conducted by TVA and Land Grant Universities in the area.

Mr. Cardwell is a fulltime farmer who owns and operates a 190-acre beef cattle farm about eight miles from Lenoir City. He was a Unit Test Demonstration farmer for six years, beginning in 1966. He worked closely with Calvin V. Smith, Extension agent in TD work, and with Charles McCall, county Extension leader, in developing his farm into a showplace operation.

The 42-cow herd is on the performance testing program and average calf weights increased from 243 pounds to 250 pounds. The herd was used to conduct a demonstration on parasite control, as well as for good beef production and farm management practices. Cardwell's farming program places emphasis on a

soil testing, liming and fertilization program, and on soil test recommendations. This enables him to increase his hay and forage production as the best herd increased. He also uses recommended seeding and reseeding program for hay and pasture and uses rotational grazing to get optimum production and utilization. The award-winning farmer keeps complete records of his farming operation. The Cardwell farm is the site of many tours, visits and demonstrations. Many foreign visitors touring the Valley area have been among the many visitors. (It has become a showplace of good farm planning and other management practices.) Mr. and Mrs. Cardwell continue to be active in both civic and agricultural organizations. He has served as secretary of the Smokey Mountain Feeder Calf Association and as director of his Soil Conservation District and County Farm Bureau. He is also active in the local Rotary and Lions Clubs.

Waste Disposal Operation Smooth

County Judge Harvey Sprout noted today that the operation of the sanitary landfill transfer station by the County, in coordination with the two Cities and the Bartlett Garbage Pickup, has been satisfactory considering the normal problems that would

(Continued on Page 5)

RECEIVES CERTIFICATE - Mrs. Ed Swenson received a certificate of recognition from the Tennessee Arts Commission, presented by State Representative M.F. (Denny) Stafford. This particular certificate was awarded by the Tennessee Arts Commission to the Loudon County Arts Association for sponsoring a puppetry workshop and performance by the Summer Puppetry Caravan in August of 1970 "in order to tap the enthusiasm of young people in the area and guide them to a greater appreciation and enjoyment of the performing arts." Since that time, the Loudon County Arts Association has sponsored many other programs in the performing arts throughout the county.

County Court May Ask For Stricter Road Inspection

The agenda for the August 7 meeting of County Court reads like the second chorus, third verse, as most of the items are carry over reports and continuing programs that have been on the agenda for the past several months.

The meeting is slated for 7 p.m. in the main courtroom of the courthouse. It will be the last meeting for one of the square, and possibly others, depending on the outcome of Thursday's general election. Squire Jack Loffer, on the court for four years, is not seeking re-election and will end his term at the end of August, making Monday's meeting probably his last. Among the new items on the agenda is a report concerning request of the Court to investigate possibilities of more comprehensive inspection of

- 1. Pledge of Allegiance.
- 2. Reading and approval of the minutes of the July 10, 1972, regular meeting of the County.
- 3. Recognition of visitors and delegations and open discussion period. (At this time any visitor or delegation may state any business which they may want to take up with the Quarterly Court, and make any statement about any item in which they are interested which is on the planned agenda.)
- 4. Report of County Officials, Departments, and Committees:
 - A. County Judge
 - (1) Lawsuits in which County is involved
 - B. Loudon County appeal of award of Attorney Seay to Anderson County. Judge Joe Magill in State Equalization Board Lawsuit.
 - C. Loudon County versus Bobby J. Knowles
 - D. Joe Greenway versus Loudon County
 - E. Loudon County - in re: Riverview Cemetery
 - F. Status of lease of "cleanup" track from TVA.
 - G. Discussion concerning letter from Otis and Virginia Pesterfield concerning provision of County Recreational Area and Program.
 - H. Report concerning State

\$16,000 Awarded For Injuries Hottest Item On Ballot Is Amendment

A judgement of \$16,000 was awarded to Fred H. Grubb from Loyd Deuring and Kenneth Dearing for injuries Mr. Grubb received in an automobile accident. The judgement came in Circuit Court in Loudon last Thursday. Monday the case of Tom Nicholson, administrator of the estate of his mother, Mayme B. Nicholson against Southern Railway ended with the complainant entering a non-suit in the matter. Mrs. Nicholson was killed when her car was struck by a Southern Railway freight at a Loudon crossing last year. The auto accident case of Beulah Walker and Nan Walker vs Danny Sherwood was settled out of court prior to the scheduled trial last Friday.

The case of Stowers Machinery Company vs Don Riden, contract for work on equipment, scheduled for trial Tuesday of this week transferred to the non-jury docket to be heard by Judge Willard Kittrell (on August 1).

A verdict for the defendants was returned in the auto accident case of Fredia Grind-staff Murrell vs Janice Terry, Ruby Gray, Loudon Motor Company and American Motors Corporation. A non-suit was entered in the case of United Realty Company vs Willis McCall and M.J. McCall, seeking a commission on a sales contract.

Wednesday of this week the court was to hear a multiplicity lawsuit asking \$24,500 from Dr. W.B. Harrison of Loudon and the Charles H. Bacon Hospital. The suit was brought by Bobby H. Campbell, husband of the

(Continued on Page 5)

Loudon County voters, facing Thursday's general election, are most concerned about how to vote on the controversial Constitutional Amendment, popularly known as "Question 3," if street corner comments are an indicator. Observers estimate a total vote in the county of about 5,000. This compares with some 8,000 in the 1968 presidential election.

The proposed Constitutional Amendment is being hotly contested all across the state as the election date draws nearer. Under the Amendment, utilities property would be assessed at 50 percent of value, commercial and industrial property would carry a 40 percent assessment and farm and residential property would be assessed at 25 percent.

Proponents contend that the classification of property for assessment purposes, which the amendment provides, will lower taxes on farmers and home owners and will shift much of the tax burden onto business, industry and public utilities, such as telephone, railroad and truck lines. They also point out that passage of the amendment will prohibit taxation of personal property such as bank accounts, furniture, automobiles, etc., and they warn that extension of taxation to such property is almost a certainty if the amendment fails.

Opponents of Question 3 contend that heavier taxation on business, industry, and utilities will only result in higher telephone bills, rail and truck rates, and may cause the loss of some industrial jobs, as well as discouraging new industry from locating in Tennessee. The ballot in Loudon County will not carry the complete wording for the Constitutional Amendment. Election Commission Chairman John Gibson said there was not room on the ballot to print it all, so it is to be handed to the voters as a separate sheet. Very little talk is heard about the contents for seats on County Court, and the principal county offices of Sheriff and Property Assessor are uncontested. Sheriff Freeman Russell is seeking re-election to his third term and Emmett Carter is seeking re-election as Property Assessor, also without opposition. Incumbents also are running without opposition for re-election to the three Road Commissioner posts. Lillard Bledsoe is the candidate for the First and Fourth District spot, Lee Malone for the Second and Fifth District and Joe Greenway for the Third District.

Five candidates are running for the three seats on County Court from the First and Fourth Districts. They are J.J. (Jim) Blair and Roy Bledsoe, incumbents, and Boyd Duckworth, Ben F. Galyon and Rufe Wilson. In the Second District, seven candidates are seeking the four County Court seats. They are J.D. (Rabe) Conner, James M. (Jim) Hartsook, Raymond (Shorty) Rogers, and Jack W. Henry, W.A. Mathis and John J. Moats. Incumbent J.C. Hudson is unopposed for the Third District County Court seat. In the Fifth District, Reece Paul Hamilton, incumbent, is running without opposition. (Ozell Justice and Dewey Russell are seeking the two constable posts for the First District, and A.C. Brown is running against Charles R. (Pattapop) Settles for constable in the Second District. Raymond (Shorty) Rogers has no opposition for constable in the Third District, and Ray E. Houk is the only name on the ballot for constable in the Fifth District. However, O.H. Park is conducting a write-in campaign for the constable

(Continued on Page 5)

Chamber Meets Monday Night

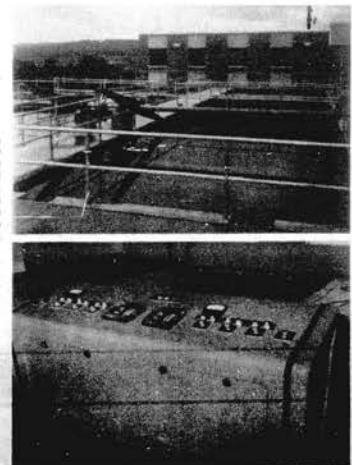

The Loudon Chamber of Commerce will meet Monday, August 7 at 8 p.m. at the Chamber office on Mulberry Street. Ed Arnold, president, states that this is the beginning of a new year and urges all members to attend.

Three Attend Fire School

Charles (Chil) Jones, Jr., Loudon Fire Chief, Ronnie Willis, an orderly at Loudon County Memorial Hospital and Mrs. Jo Hayes, RN from the hospital attended a three day training course on Fire Safety for Hospitals at the State Fire Service School in Murfreesboro last week. Chief Jones said the trio attended the school as a cooperative effort between the city and the hospital in order that both the fire department and hospital staff might coordinate efforts in case of an emergency at the hospital.

During the coming weeks the trio who attended the course will conduct a course of instruction with all members of the hospital staff and City of Loudon Fire Department. The classes will include portable fire extinguishers, emergency removal of patients, coordinating the handling of patients, fire detection equipment, and the responsibility of employees for hospital fire safety. The course conducted at Murfreesboro was sponsored by the Area Vocational-Technical Schools, Tennessee Division of Vocational Education.

Water Plant Operation Starts In Two Weeks

READY IN TWO WEEKS - After three years of planning and more than a year of construction the new one million dollar Water Filtration and Treatment Plant of the City of Loudon will be in use in about two weeks. The facility, located on the banks of the Tennessee River in Loudon, will produce two million gallons of treated water per day. Loudon Utilities Manager Charles Burnette said that plant operator Butch Early will spend the next two weeks testing and retesting the plant's highly technical equipment and by mid-August the water, originally

coming from the river, will begin to be fed into the city water supply, heretofore coming from Roberson Springs. The pictures above show an outside view of the plant and some inside shots showing the lab and complicated control system. Mr. Burnette said that the Utilities plans to hold open house and the plant sometime in the future to give citizens a look at the process that the water goes through before it is turned into the system for human consumption and use.

RENEWS FRIENDSHIP - Senator Howard Baker is shown chatting with Mrs. Carmin Watkins, past vice chairman of the Loudon County Republican Executive Committee, during the Senator's short stop in Loudon last Wednesday.

EVERYBODY SAY CHEESE - One thing for sure and two for certain, County Trustee J.V. Schrimmer can't resist a Republican or a chance to get his picture taken, so this was the icing on the cake for Slim (left). Having his picture made with Senator Howard Baker and State Senator Tom Garland, who is seeking the Republican nomination for the Public Service Commission. The photo was taken during Senator Baker's stop in Loudon last Wednesday in a caravan trip across the Eastern portion of the state.

AUGUST 3 1972

Bilderback Vows Solemnized

George Martin Bilderback II and his bride, the former Miss Linda Joyce Brakebill, are away for a trip to Montego Bay, Jamaica. The couple were married at 7:30 p.m. Saturday, July 29, at Loudon First United Methodist Church, with the Rev. William Horner officiating. The white, pale pink and red theme that Linda chose for her wedding was all planned in accordance with the interior of the church.

The bride is the daughter of Mr. and Mrs. Charles F. Brakebill of Loudon. Her father is UT executive director of development. The bridegroom's parents are Mr. and Mrs. George Martin Bilderback of Sweetwater. His father is a farmer in Monroe County and president of Monroe County Farmers Cooperative.

A program of nuptial music was presented by Mark Mintz, violinist, Pat Woliver, male vocalist and Jennifer Jones, female vocalist. Special violin selections were "Aria in F major", "Ave Maria" and "Jesus, Joy of Man's Dearing". "O Perfect Love" and "Eternal Me Not To Leave Thee" were sang by Pat Woliver. "Lord of Love Unfading" and "I Love Thee" was presented by Jennifer Jones. Diat selections were also presented by Pat and Jennifer.

Venice lace with pink organza roses accented the bodice, sleeves and A-line skirt of the bride's white organza gown. The dress was designed with a high scalloped collar of lace. The natural waistline was marked with a pink organza sash which ended in a low with streamers at back. The bride's train-length veil was held by a profile headpiece of pink roses and Venice lace. She carried white roses and stephanotis centered with pink Sweetheart roses.

Susan Jones of Bristol was maid of honor. Bridesmaids were Linda G. Roberts, Lee Ann Brown, Mrs. J. H. Carrisa, all of Knoxville, Mrs. A. E. Headler of Loudon and Elizabeth Bilderback of Sweetwater, sister of the groom. The attendants wore long-sleeved gowns of pale pink silk organza ruffled at the neckline and the sleeves. They carried cascades of red roses accented with pink sweetheart roses and ivy.

The flower girl, Tina Bilderback of Sweetwater, was dressed like the senior attendants and carried a basket of pink rose petals. The bridesmaid had his father as best man. Groomsmen were Charles Browder, Marty Seiler, both of Sweetwater, Charles Hunter of Crossville, Al Spencer of Kingston and Larry Brakebill of Loudon, brother of the bride. Ushers were Chuck Mohler of Johnson City and Alan Hill of Knoxville.

Following the ceremony, the bride's parents were host at a reception at UT Faculty Club. Here again the decorative theme was pink with accents of red, all done with roses.

Mothers of the bridal pair chose harmonizing dresses. Mrs. Brakebill's gown was of chiffon, the bodice a light pink with long sleeves and the flowing skirt alternately gored with pink, green, lavender and white. The cummerbund of pink and green was finished with a gold and rhinestone buckle.

Mrs. Bilderback's gown was a multi green crepe with long chiffon sleeves. There was a trimming of rhinestones at the waistline. Music at the reception was by the Harry Nides trio.

The newlyweds will be at home on Wellington Drive in Knoxville.

Mrs. Bilderback, a senior in music education at UT, is a member of Alpha Delta Pi sorority, was Alt-Sing director, and is uniform chairman for UT Singers. She was a debutante of the 1971 Dogwood Ball. Mr. Bilderback is a senior in pre-veterinary medicine at UT. He is a member of Alpha Gamma Rho fraternity, Alpha Zeta honorary fraternity, co-chairman for UT Dairy Day, editor of Vol Dairyman, and a member of Phi Kappa Phi honorary fraternity.

Hicks-Bright Vows Pledged

Yvonne Annette Hicks and Kenneth Preston Bright were united in marriage Friday, July 21 at Bethel Methodist Church, Rev. W.H. Lanning performed the ceremony

before an altar decorated with three candle arbors with orchid candles backed by fern with orchid bows. Parents of the couple are Mr. and Mrs. Carl (Bud)

Hicks, Jr., Route 2, Loudon and Mr. and Mrs. William K. Bright of Philadelphia. Mrs. Wanda Simpson, vocalist, sang "Color My World" and "We've Only Just Begun" accompanied by Douglas Lynn, organist.

The bride, given in marriage by her father, wore a white floor length gown elastic shearing, with long puffed sleeves, and a floor length veil trimmed in lace. Her bridal bouquet was a white orchid with purple hebe with white streamers. Miss Sharon Howell was maid of honor. Bridesmaids were Miss Darlene Miller and Miss Brenda Bright, sister of the groom. Both Hicks, sister of the bride, was flower girl. They wore floor length orchid multi-stripe dresses with empire waists. They carried long stem white carnations tipped in orchid.

Tom Brown of Maryville was Best Man. Ushers were Arthur Bright, brother of the groom and Edward Bright. Tim Freasly served as ring bearer.

A reception was held at the church following the ceremony, given by the bride's parents. Those assisting were Misses Linda Purdy and Gwen Shell and Mrs. Mary Russell.

After a wedding trip to Daytona Beach, Florida, the couple will be at home on Route 2, Philadelphia.

The bride is a graduate of Loudon High School where she served as majorette for three years, honor society, and in the concert band for four years. The groom is a '69 graduate of Loudon High. He attended two years at Hiwassee and is

Miss Bledsoe Named Sailor Of The Quarter

HMS Peggy L. Bledsoe, serving in the United States Navy has been selected as the Sailor of the Quarter for the quarter of April through June at the Naval Hospital at Camp Pendleton, California, her parents, Mr. and Mrs. William H. Bledsoe, Rt. 2, Loudon, have been notified.

Captain of the Medical Corps at Camp Pendleton said in a letter to Miss Bledsoe notifying her of her selection, "since your arrival at the Naval Hospital Camp Pendleton in August, 1971, you have been assigned to the Medical Intensive Care Unit. In February you were assigned as senior corpswoman of this very important and busy ward. With your supervision, excellent results have been obtained from the corpsmen and corpswomans assigned. All tasks are accomplished promptly and your leadership qualities are outstanding."

In a letter to Miss Bledsoe's parents Capt. Ricketson said Peggy's performance of duty has been a credit to his command and has been consistent with the finest traditions of the Naval Service and that her parents could join him in being proud of her accomplishments.

presently attending UT. Out-of-town guests included friends and relatives from Sweetwater, Kingston, and Maryville.

The Loudon Garden Club met July 26 at the home of Mrs. Mary George Carolyn Shope presided at the meeting. Eileen Howard and Marita George read the devotions. After the business portion of the meeting Mrs. Velma Burns of Madisonville gave pointers to the members on making better flower arrangements. The meeting was adjourned to the dining room for a covered dish luncheon.

Following the luncheon, the members made flower arrangements to be judged by Mrs. Burris. Winners were Ruby Goodson, Mary Johnson, Eileen Howard and Marita George.

Philadelphia Personals

Mr. Frank Hayes and son, Mark, from Cleveland, Ohio were the guests last week of Mr. and Mrs. Bill Freels, Sr. and family. Mr. and Mrs. J.D. Barr and Mrs. Annie Lee Barr were in Bowling Green, Ky. Saturday for the funeral of Mr. Will Meadors, father of Mrs. Emory Barr.

Mrs. Frankie Grimes is a patient at Ft. Sanders Hospital. She underwent surgery Tuesday.

Guests of Mr. and Mrs. Albert Stephens Sunday were Mrs. Nellie Estes and Sandy and Leslie Stahl of Strader, Ill., Mrs. Luke Garner, Vonoire, Mr. and Mrs. Rollin Bradshaw, Loudon and Jeffrey Stephens, their grandson from Lenoir City.

Re-Elect M. F. (Benny) Stafford to the State Legislature

He will represent everyone in the 21st Legislative District - Vote August 3

TOUR EUROPEAN COUNTRIES—Mr. and Mrs. Joe Littleton, left, and Mr. and Mrs. Charles Gross of Maynardville returned home recently from Germany, where they visited Mrs. Littleton's brother who is with the armed services. They also visited in Adana, Turkey. Mrs. Gross's home town. It was her first time home in 13 years. Mrs. Littleton's brother took them by auto to Austria, Italy and Paris, France. This picture was made in a restaurant in Ankara, Turkey. In all, they were in nine different countries.

**Steve Allmon
Ordained As
Baptist Minister**

Steve Allmon, a 1970 graduate from Loudon High School and a member of the 1969 State AA Championship football team, was ordained a Baptist Minister in services last Wednesday night at the Philadelphia Baptist Church. Since his graduation from Loudon High Steve has attended Mars Hill College and is presently a student at Hiwassee College in Madisonville. He has been very active in church activity and has served as a lay-speaker at several churches.

Moderator for the Ordination Service was Rev. Dillard Hagan, pastor of the First Baptist of Philadelphia. Others who took part in the program were Ernest Carter, Dr. John Tillery, Rev. Bernard Courtney, Rev. Fred Davis, Rev. O. C. Rainwater, Glenn Melton Superintendent of Missions and W.E. Edwards.

**\$16,000 Judgement
Given In Court**

(Continued from page 1)
deceased Lois D. Campbell. A case set for Thursday has been continued to the next term of the court. In that Clarence Jane Presley is seeking damages from an auto accident against Norma Jean Miller and Max D. Miller. Friday J.L. Poe is seeking compensation from the City of Lenoir City and the Lenoir City Utilities Building for an explosion that damaged the Lenoir City High School gymnasium being constructed by Poe several years ago. Monday another of a series of land condemnations involving property taken for Interstate 75 is to be tried. In the case of the State of Tennessee v. Cam H. Hall and Virginia Hall. Wednesday and Thursday of next week there are two other condemnations. They involve the property of J. Robert Barr and wife, Anne Lee Barr and the other the State vs Dexter Cornett.

**Greenback
Club Meets**

Greenback Community Club, in its July meeting at the Fort Loudon Electric Co-Op Building, voted to become the sponsor for the Little League. Four teams have been in action this year. The coaches have carried much of the responsibility, in which the Club will share. Community businesses have sponsored each team. But the new plan will spread responsibility for support over a wider basis.

Community Club President Jim Fox outlined further plans for club activity and responsibility. He brought the thanks of the Greenback Unit, Loudon County Rescue Squad, to the club. The debt for the Rescue Squad Building has been paid, thanks to the club-sponsored Fish Fry. And the members of the Squad promise to help with future projects of the Greenback community.

Nominations for the title, Mr. and Mrs. Community Leader of the Year were presented to the club. Mrs. J.V. Akers was nominated and elected for her clean-up campaign, particularly her hard work in helping beautify the Craig's Chapel Church and cemetery. Rev. Alexander Gillander, for his leadership in the community celebration of the Fourth of July, was the other nominee. Mr. Gillander also wrote the skit acted out by some forty local citizens to publicize the celebration.

Secretary-treasurer Mrs. Lowell Myers made the report on the financial success of the Fourth of July celebration, which included the annual fish fry. Also, Mrs. Myers showed motion pictures of the parade, sports events, and other activities which attracted hundreds of people to Greenback July Fourth. One feature of the pictures was the five ponies donated as prizes by Mr. and Mrs. R.D. Akard, and some of the excited children who hoped to win them. Merchants and citizens of Greenback and neighboring communities added a list of some forty other prizes given to winners of competitions and donation certificates. The census of the Community Club is that the Independence Day celebration be held next year. The future may hold not only a community building for youth and adults, but also improved playing fields, tennis courts, and a swimming pool.

COURT OF HONOR—Pictured are the Boy Scouts of Loudon Troop 215 at the Court of Honor held Sunday at the Cumberland Presbyterian Church. They are: (back row) Mike Schrimsher, Assistant Scout Master, Jeff McQueen, Larry Brakebill, George Norton and Bill House, Scout Master; Front row: (left to right) Bill Alexander, Vance Brantley, Horace McQueen, Hank Julian and Norman McQueen.

Scouting Court Of Honor Held

A Court of Honor was held Sunday, July 30 at 2 p.m. at the Loudon Cumberland Presbyterian Church. The Court of Honor was in conjunction with the completion of two weeks of camp for the members of Loudon Troop No. 215, which is under the leadership of Scoutmaster William G. House, Jr. with Mike Schrimsher serving as Assistant Scoutmaster.

Mrs. C.W. Varner, Sr. was honored with a surprise birthday party at the home of Mr. and Mrs. William Vance, Route 3, Loudon, Sunday, June 30. Mrs. Varner celebrated her 80th birthday on July 31. Twenty guests were present for the occasion. Mrs. Varner resides at 408 Ward Avenue and is the mother of three children, Charles, Jr., Eugene and Mrs. Alma Stansberry.

Natural Resources; Jim Birkeholz, Camping, Forksho, Nature, Natural Resources; Bill Zeeb, Star.

Loudon Personals

Mr. and Mrs. Jim Green spent Sunday in Oak Ridge with their son, Glen Green. Mrs. Green and Larry, their grandson, Phillip, accompanied them home after spending last week with the Glen Green's. Mr. and Mrs. George McGinley returned home Sunday after accompanying their grandchildren, Laura, Jody, Judy and Peter to their home in Thomasboro, Ill. The grandchildren returned home after spending several weeks with their grandparents. They are the children of Mr. and Mrs. John McGinley. Mr. and Mrs. Rex Bursette and Kim and their granddaughter, Royal Bursette of Knoxville spent the weekend in Nashville with Mrs. Bursette's sister, Mrs. Louis Owen and Mr. Owen. While there they also visited Opreyland.

The surprising Maverick.

It's a comfortable, 6-cylinder American compact that's actually priced below the Volkswagen 113.

If you can afford a Volkswagen 113—or almost any little import—you can afford a Maverick. Look:

FORD MAVERICK	2-door	6-cylinder	\$2,140*
VW 113 (Super Beetle)	2-door	4-cylinder	\$2,159*
TOYOTA COROLLA 1400	2-door	4-cylinder	\$2,195*
DAEWON PL 510	2-door	4-cylinder	\$2,168*

*Manufacturer's suggested retail price for 2-door models. Excludes dealer preparation charges, title, destination charges, tax and license.

NOTE: People ask us how we can afford to offer a roomy, 6-cylinder compact at about the same price as the little imports. First, we're thinking small cars since 1966. Experience helps. Second, we haven't changed Maverick except for mechanical improvements—once we first introduced it. That kind of continuity helps to control costs.

Third, we've done currency re-evaluations and devaluations. They helped restore the competitive stance of American-made products.

Most little imports give you 4-cylinder engines. Maverick gives you a 6-cylinder engine.

It's smooth. It's reliable. It lets you accelerate into turnpike traffic with confidence and hold your own on steep hills. And it delivers surprisingly good gas mileage.

A good car for long trips.

Maverick's rear track is 2.9" wider than Volkswagen's. Its wheelbase is 7.7" longer. There's a bit more weight, too. By themselves, these differences aren't very big—but they can add up to a big difference in the way Maverick drives and handles the open road.

Better idea for safety... buckle up!

It may just be the best car value in America today.

Curtis-Tipton Motor Company, Inc.
Loudon, Tennessee

Speaking of Sports

By DANNY GIBSON Sports Editor

The executive secretary of the Tennessee Secondary Schools Athletic Association says the annual TSSAA all-star games probably will continue next summer at the University of Tennessee.

Gill Gideon said that "we'll have to find out the net gain and discuss this with the Board of Control before anything is definite. But, it looks pretty good right now."

Official attendance for the two basketball games and one football contest totaled 5,557. But a coaching clinic held in conjunction with the three games drew a record 638-breaking by two of the old record set two years ago in Knoxville.

The East won the football game 7-0 and the boys' basketball tilt 93-68 while the West took the girls' cage contest 53-41.

Halfback Larry McDermott of Sevier County scored from two yards out with only 39 seconds to play to hand the East the victory and earn himself the game's most valuable back trophy.

The winning score had been set up on a 43-yard pass from Saddy-Daisy's Gary Parker to Knoxville Rule's Mike West. The pass, in turn, had been set up on the East's 24 when Knoxville Karns' Russell Vascoe recovered a fumble—one of 12 at rain-soaked Neyland Stadium.

"It was a game of mistakes and we just made the most," West Coach John Tucker of Milan said. "The boys gave a good effort, but we let them get the big play on us too many times."

McDermott, who's signed with Tennessee Tech, led all rushers by gaining 61 yards in 14 carries.

Linebacker Richard Clippard of Nashville Hillwood, who's signed with Mississippi, was voted the most valuable lineman.

In boys basketball, Frank Jones of state champion Chattanooga Riverdale whipped in 23 points—including one 11-point streak—as the East pulled away to a comfortable lead early in the second half.

Jones, a 6-foot-1 guard who's headed for Tennessee Tech, was named the game's most valuable player.

Morristown West's Eddie Davis scored 18 and Bradley County's Dennis Botts and Chattanooga Howard's Fred McDade had 12 each.

Joe Barker of Clarksville, with 19 points, paced the West. Ricky Delk of Brownsville had 12 while Tony Black of Jackson and Bill Turner of Memphis Treadwell had 10 apiece.

In girls basketball, Linda Williams of Marshall County scored 26 points to lead the West and earn the game's most valuable player award. For the East, Connie Vance of Kittrell scored 20.

Four Months Of Catch-Up Has Hamil and Huff Back In Familiar Golf Spot

It has taken four months, but Union Carbide's defending golf champs for 1971, have finally returned to the league lead. Dick Huff and Art Hamil registered six team points in last week's play to gain a share of the league's top position with 114 team points. Jack Miller and Clei Miller have been the predominant leaders for the month of July and add have 114 team points also to date.

With approximately two and one-half months of play remaining the team of Hamil and Huff appear to have the momentum as they have

Loudon Schedules Softball Tourney Aug. 8 - Aug. 22

Teams are currently in demand for the Loudon Invitational Slow Pitch Softball tournament to be held in Loudon August 8 thru August 22.

The tournament is open to both men and women division teams with a \$20 dollar entrance fee and one new ball

per team taking part. The tourney is to be a double elimination event. The seeding for tournament, which was one of the tops of the area last year, will be held Sunday between 12 noon and 12:30 p.m. at the Loudon ball park.

Teams interested should

Riverside Guard Aids East Triumph

Former Chattanooga Riverside guard Frank Jones sparked the East to a 93-68 basketball victory over the West in the TSSAA All-Star basketball game Saturday night at Stokely Center.

Jones threw in 11 straight points after halftime and the East took firm command.

A crowd of 1705 watched as Jones' surge carried the East from an early deficit to victory.

The West had won three games in the series before this setback. It's now 3-3.

Jones, a Tennessee Tech signee, finished with 23 points and was named most valuable player. He connected on 11 of 17 shots from the field and sparked the East's devastating last break.

Aggressive Destined For MVP Honor

Agressive Hampton Hurt In Second Quarter

Saturday's TSSAA All Star Football Game had the making of being just another Hampton led eleven. The ex-workhorse of the Loudon Redskins started on defense for the East and was on the score for over half the tackles of the West ball carriers in the first 19 minutes of the ball game.

A spuddering East offense needed help after one quarter of nothing. Hampton was called into a double role of offensive quarterback and defensive safety. The move had the East rolling by middle of the second quarter with Hampton at the controls. Yancy's leadership and signal calling had the East the

deepest into West territory the entire afternoon with the exception of the final two minutes scoring drive used by the East to win its sixth game with out a loss to a West eleven.

Softball Tourney At Mt. Vernon

The Mount Vernon Slow Pitch Invitational Softball Tournament is announced by Tournament Director Bob Atkins. The double elimination affair is set to open Thursday with teams being accepted through the first round for \$25 dollars and two balls. Any team interested in the Monroe County event are asked to call immediately 442-2670 day or 442-2613 night.

Swiney have begun to total points in rather large proportions and have eased into fifth position. Both teams are capable of getting into the championship picture before the second week of October ends the league play.

Glenn McNabb fired a 32 to claim low medal honors for last week. McNabb teamed with Jack Ferguson. They have 85 team points and are presently in seventh place.

Rob Wagner and Jim Carwell were the best as team play last week. The low medal unit collected 14 team points, their best showing this summer.

The Herald SPORTS

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting

Hampton was forced to depart in the final five minutes of the second period when he trapped Alabama bound John LaBue in the West backfield but injured his right shoulder in cutting down the hard running back. The injury proved to be only a bruise and a pinched nerve. But the day had ended for Hampton as the doctors would not let him return to action. The valuable loss to the East team certainly had its effects on the probable out come of the game.

The East packing more than a third of its offense into a minute and 20 seconds span that would supply a 7-0 victory would have probably had several scores under the indication of how Hampton moved the team had not been hurt.

The East All Stars tallied in the waning second with fleet Larry McDermott of Sevier County, who is headed for Tennessee Tech, beating a stacked West defense in a chase for the end zone flag to score a touchdown and climax a 76-yard drive.

The East got the break needed when Karns' Russell Vascoe, who headed a rugged East defense, pounced on a fumble at the East 24 to blunt a West drive.

Two big plays spearheaded the East's race with the clock, which showed only two minutes to play following Vascoe's recovery.

On third-and-three, McDermott took a pitchout and tugged the ball 19-yards to

the East 49. On the ensuing play, quarterback Gary Parker of Saddy-Daisy looked up with Knox Rule's Mike West for a 43-yard pass to the West 8.

McDermott hammered out five tough yards to the 3 and

Bearden's Rocky Goode kicked the extra point. "I'd have to call it a team effort," said winning Coach John Cropp of Bristol. "The West appeared to have more offensive personnel than last year. I believe our defense

really won the game. The West had some fine backs and we contained them pretty well."

McDermott was named the game's most valuable back and Nashville Hillwood's Richard Clippard, a linebacker, was selected as the top lineman.

John LaBue of Memphis Central also was instrumental with his running for the west. Midway of the second quarter, the West gained field position when Ellis Hollerman of Gallatin recovered an East fumble at the East 38.

However, the East got the ball back on the next play when McMin County's Eddie Nusley recovered a fumble at the 39.

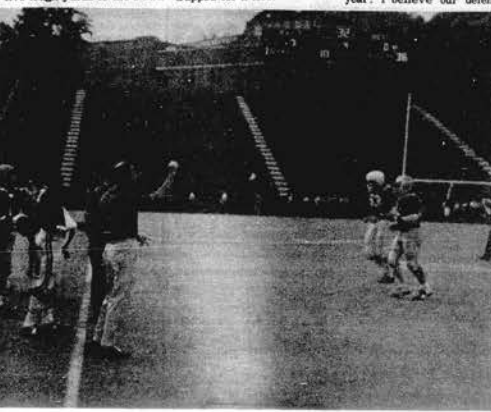

The East missed a scoring opportunity early in the third period.

After Mike Jared of White County nailed West quarterback Tucker Ashford for a 13-yard loss to the 1 and Vascoe decked Sadler for another loss at the 6, the West's Bobby Huffines (Macon County) punted to the 42.

A Parker-to-Rodney Wilson (Cleveland) pass carried to the 12 before Parker and Goode got mixed up on a pitchout and Craig Michaels (Marshall County) recovered at the 32.

Roberts missed a 48-yard field goal attempt with eight minutes left in the game before Clippard's interception at the 3-6 mark got the West started toward its final offensive that reached the East 19.

INDIVIDUAL LEADERS: EAST: Rushing — McDermott 18-61; Goode 9-36; Passing — Parker 5-61-0-1; Receiving — West 1-43; Setvers 1-21; Wilson 1-20. WEST: Rushing — LaBue 16-71; Passing — Ashford 3-18-0; Receiving — Roach 2-9.

RATTLEDEGE SIGNALS FINAL ORDERS—Loudon's head football coach "Chig" Hatledge uses a hand signal to caution his defensive all star backfield in containing the West All Stars in the final seconds of play. The East won the game 7-0 on a 81 yard drive in the final two minutes of the game. Loudon's Yancy Hampton, an important figure in the first half for the East watches to the left of Hatledge with an injured shoulder suffered on a tackle in the second quarter.

Game & Fish TODAY

By Sgt. Bob Harman
Game & Fish Commission

CHEROKEE STOCKING PROGRESS REPORTED

The Game Management Division of the Tennessee Game and Fish Commission has completed spring stocking of the southern portion of the Cherokee Wildlife Management Area for this year.

A total of 116 wild logs and 174 deer were released in the huge area, all of them between the Tellico and Ocoee units.

The area will remain closed until deer and bear populations have built sufficiently to allow hunting.

BOATING SAFETY
What can you do to make boating safe? The first and most important rule is adapting the three "C's" - Courtesy, Caution and Common Sense.

Without these rules, the boater is headed for trouble. So far this season, there have been several accidents, some of them involving personal injury and death.

NORRIS LAKE
Water conditions - murky and falling.
Bass - excellent, casting tanks at night with black and purple worms. Stripes - good

at night under lights using minnows. Crappie - excellent, fishing with minnows under lights at night. Bream - excellent, fishing with crickets and worms - good activity on flies. Catfish - fair, fishing with worms. Sauger - fair, using black and purple worms. Spottail activity early and late on topwater lures.

NORRIS TAILWATER
Trout - good, when water is off, using corn, worms and flies.

TROUT FISHERMAN-Tim Harper of Loudon, is shown trout fishing in Clinch Creek. Tim, while fishing on the Cherokee Wildlife Management Area, caught six rainbow trout this past weekend.

CHEROKEE LAKE
Water conditions - clear and falling.
Rockfish and hybrids - good, using hot spots and swimming minnows.

DOUGLAS LAKE
Water conditions - clear and falling.
Bass - fair, casting plastic worms around rocky points.

MELTON HILL LAKE
Bass and stripes - fair, casting plugs and bear-hair jugs.

CHILHOWEE LAKE
Water conditions - clear and stable.
Trout - fair at night with lights using worms and corn.

Ken Phillips Returning To Atomic Action

"I think the car will be more competitive than ever." That's the word from Loudon's Ken Phillips after rebuilding his 1963 Chevy II which was demolished recently when he ran a grandaurl at 75.7 miles per hour.

World's Fastest Go-Kart To Be At 411

Jack McClure and his World's Fastest Go-Kart are scheduled to perform at 411 International Dragway, Saturday night, August 5, at 8:30 p.m. in what has been termed as another "first" for the popular facility.

Jack McClure of St. Petersburg, Florida and his rocket powered go-kart are the most delightful pair. Not the NASA type, but rockets and automobiles, and especially rockets and go-karts.

Ratledge Calls For Thursday Football Meeting

Loudon Football Coach Bert "Chig" Ratledge has announced that football gear for the 1972 football season will be given out Thursday evening at a team meeting.

Wrestling Friday

It's barefoot and boxing gloves in Friday night's main event wrestling match at the Chilhowee Park Amphitheater for the Southeastern heavyweight title.

really, it'll be like driving a new car. I've had the engine completely checked out." Herman Goddard (Chevy II), Tootle Estes (Mustang) and H.E. Vineyard (Chevy II) will rank as top contenders.

Philadelphia To Host First Softball Tournament

Sixteen teams will compete in the First Annual Philadelphia Slowpitch Softball Invitational Tournament scheduled for the week of August 14-20.

Legion Meet Waste Disposal Postponed Operation Smooth

Commander Rollen Bradshaw announced that the regular monthly meeting of American Legion Post 120 has been postponed until Tuesday, August 8. Commander Bradshaw said this is an important meeting and urges all members to attend.

to be expected in the first week of operation. He stated that the County Committee has recently met with the two Cities to attempt to iron out the additional problems, but that it will be several weeks before all of the hitches are out of the

AN UNEXPECTED VISITOR—A large dump truck (the bed partially visible) rammed into the home of Mr. and Mrs. R.A. Littlefield about 7 a.m. last Thursday without warning or invitation. The truck had been parked across U.S. 11 from the home at the Ranch House Truck Stop when it apparently rolled backward, crossed the highway, went down a bank and into the corner of the block and split stone house. The house was heavily damaged, but luckily no one was injured.

Are You Renting?

Do you know that the Amendment will raise taxes on your home by 56 and two-thirds percent (if your landlord is now paying \$50 per year, this his taxes WILL go up to about \$80) Don't you think that the landlord will HAVE to raise your rent by that much?

Vote Against The Amendment

Amendment Hottest Item On Ballot

(Continued from Page 1) operation, and the site itself is set up in normal operating fashion. Hours of operation have been set temporarily from 7 a.m. to 6 p.m. daily, except for Sunday when the transfer station will be closed. Another question that has arisen concerns the question of whether or not there will be any charge to a private individual who hauls something to the transfer station. The Committee decided that there would not be any "use" charge to private individuals, until and unless the Quarterly Court should make a determination otherwise. This ruling does not include private industries, which under the State law and under the agreement with the Witherspoon Company must make separate arrangements for disposal of their waste. The transfer station is such that it is set up to receive normal garbage and trash from normal household operations, but will also include stoves, refrigerators, TV sets and objects of this kind. Judge Sprout stated that he had hoped that maybe some of the clubs in the County might want to sponsor a "clean-up" campaign during the month of August or September, and maybe set up special days when the Witherspoon transfer truck could be put on notice to operate special runs to see how much of the County's trash, including old refrigerators, stoves, etc.

Hinton, Herman S. Frey, Raymond P. Gibbs, Don Palmer and Ron Stinnett. For Public Service Commissioner nomination, incumbent Hammond Fowler is opposed by Bob Cement. For State Senator from Loudon, Blount and Sevier Counties, Leonard G. Evans is unopposed for the nomination and for nomination for State Representative to serve Roane and parts of Loudon County, Wayne W. Humphrey is unopposed for the nomination. In the Republican Primary, Congressman John J. Duncan is unopposed for another term; Howard H. Baker Jr. is opposed by Hubert D. Patty for U.S. Senator nomination; and Thomas J. Garland is running unopposed for

nomination for Public Service Commissioner. Incumbent Moody P. (Benny) Stafford is opposed by Boyd E. Smith for the party nomination for State Representative from Loudon and Blount Counties, and Harry T. Burn and James A. Melton are candidates for the Republican State Executive Committee. Representative from the 32nd District, which includes parts of Loudon County, Carl O. Koella Jr. is unopposed for nomination for State Senator from Loudon, Blount and Sevier Counties and Earl R. Layman is unopposed for the Republican State Executive Committee.

Do You Live In The City Of Loudon?

If the Amendment passes, the cities will have to almost DOUBLE the city tax rate to produce the same amount of total revenue.

Where is the savings for the homeowner?

DOWNTOWN - PHONE 458-4666 WEST END - PHONE 458-4364

The Amendment Is Confusing But Consider A Few Cold Facts! If The Amendment Passes...

1. Our phone bills must go up some because the telephone company's taxes will be MORE THAN DOUBLE!
2. The same is true of NATURAL GAS.
3. And EVERYTHING that is transported by rail, air, bus or truck.
4. All factories, wholesalers, and retail business will be subjected to Two-thirds more taxes. Obviously, this will increase the cost of doing business - which will be passed to us, the consumer, as HIGHER PRICES!
5. Some people will get a "FREE RIDE" - maybe NO TAXES.
6. RENT must go up because Apartment houses will have to pay Two-thirds more taxes than home owners.
7. Personal belongings exceeding \$7500 (furniture, clothing, autos, boats, home appliances, etc.) will be taxed by City and County.
8. The state can tax interest from bonds and stock dividends.
9. New industry - and therefore new jobs for us and our kids will NOT come to Tennessee.
10. Our existing local industry (Bacon Co., Union Carbide, Lenoir Industries, Wampler's Loudon Hickory Products, etc.) have added extensively in their plants in the last few years so as to increase production - THIS MEANS MORE JOBS. The amendment will definitely make it much more difficult for us to get new jobs for US in the future.
11. City and County tax rates must go up - almost double! Do not be misled into thinking that your farm or home taxes will be cut in HALF. More than 90 percent of city property and about 80 percent of all property in the county is residential or farm. Home and farm taxes can NOT be cut in half unless industrial, commercial and utility taxes are at least TRIPLED! If the cities are to get the same amount of operating funds, the MOST that city taxes on homes could be reduced is about 10 percent - or 11 per cent.

Remember... The industries provide about 90% of the jobs for Loudon County wage earners.

Harvey L. Sprout
County Judge

Your County In Action

BY
Harvey L. Sproul
LOUDON COUNTY JUDGE

When things get hot, and people get under stress, sometimes ridiculous statements are made. I have in mind two particular recent circumstances which have occurred. One involves the continuing problem of Ambulance Service for Loudon County. This is not any easy problem, and it is one that the County Court has wrestled with for over a year, after having been requested by the three Loudon County Funeral Homes to take over the

service. This understanding of providing Ambulance Service is a very important one, and once assumed from the funeral homes, by the county, must be continued at whatever cost. It is not questioned that the expense will be great, and will continue from year to year. Therefore there is naturally a reluctance on the part of the Quarterly Court to go into providing of this service unless they are fairly convinced that it is a public service which should be offered by the County, that the people want it, and that they are willing to pay for it. Of course, it will be a tragedy if the motivation for citizens to become concerned enough about this matter has to be on some day when someone is not picked up off the highway in time and a life is lost because ambulance service was not available. Knowledge of this responsibility is a part of the reluctance that the Funeral Homes have in ceasing ambulance service before the County has agreed to provide it. But at any rate, as County Judge I cannot do anything without authority of the Quarterly Court. However, I was recently accused by a Funeral Home Director from another County of having written a letter which basically was supposed to indicate that I was not interested in working out this problem in Loudon County, and if I understand what the letter was supposed to have said is true, possibly intimated that I had gone beyond my authority as County Judge in answering the letter, insofar as the Loudon County Quarterly Court's position on the question was concerned. The rumor ran wild, as rumors do, but later the truth was determined that I had not actually written such a letter at all, but it had been written by a County Judge of a neighboring county. But when people are under stress, they tend to believe things they hear, whether true or not, or partial truths, without checking upon the truth of the matter. As most of you who read this Column know, for several years I have been favorable toward a re-organization of our Loudon County Highway Department. This has just been a personal feeling, without any politics or personal animosity behind it, merely because I feel that it will save the people

of Loudon County a considerable amount of money, and will enable a more efficient job to be done on our County roads. In the August election, there will be a referendum on the adoption of a Private Act, which will not even go into effect until September 1, 1974, and which, if approved, will re-organize our Highway Department so that there will be one road department, and one (1) Superintendent of Roads (instead of three). Some people disagree, and particularly the present Highway Commissioners, and of course they have a right to their opinion and maybe their opinion is correct. But here comes the problem in that situation, and that is that you cannot satisfy everyone, which is shown in that the proposed re-organization is a compromised measure to begin with. The Quarterly Court requested that it be presented to the voters in its present form (as a compromise measure), and those items which do not work out well, can possibly be changed at a later date. How do you know

OBITUARIES

MRS. MABEL ATCHLEY—Mrs. Mabel Elder Atchley, age 82, widow of the late Bruce B. Atchley, Sr., died Monday, July 31, at Loudon County Memorial Hospital. She was a charter member and the oldest member of Pine Grove Baptist Church. Survivors include: two children, H.H. and Gladys, at home; brother, F.W. Hill, Lenoir City; sister, Mrs. Ella Smith, California. Funeral services were held Thursday at Pine Grove Baptist Church, Rev. Frank Weaver, Rev. Frank Miller and Rev. Ed Estes officiated, Interment, church cemetery, Hawkins, Lenoir City, in charge.

Vote For BOYD DUCKWORTH

For Justice of the Peace

1st & 4th Districts

Some people have asked if I am running in Loudon too. Yes I am. Squires in the first and fourth districts run at large throughout both districts. So if you live anywhere in the first district (Loudon area) or the fourth District (Philadelphia area) I solicit your vote. This includes residents of Davis, Luttrell and the section of Loudon across the river that the second district tried to get. If you elect me I promise to work for the good of Loudon County and keep our tax rate down.

POLITICAL DEBT PAID—Governor Winfield Dunn (center) after two years recently paid a political debt to Bob Smith of the Eaton Corporation (left). When Dunn was campaigning in Loudon County in 1970 he toured the Eaton Plant. He noticed Smith's pipe and said "that's the most pitiful pipe I have ever seen and if you elect me governor I will buy you a new pipe." A couple of weeks ago the Governor paid off in a "special" ceremony in his office in Nashville. Pictured are (left to right) Mr. Smith, Chuck Lanchester of Eaton, Governor Dunn, Ray Dillenbeck of Eaton and State Representative Bony Stafford who arranged the meeting.

Rhonda Kay Simpson, daughter of Mr. and Mrs. Edward Simpson, celebrated her seventh birthday July 8. Grandparents are Mrs. Rose Stephens and the late Clifford Stephens. Mrs. Fannie Simpson and the late Ernest Simpson, all of Loudon.

LEGAL NOTICES

First National Bank of Lenoir City vs. David Kenacid State of Tennessee. In Chancery Court of Loudon County. In this case, it appearing from the Complaint, which is sworn to, that the defendant David Kenacid is a non-resident of the State of Tennessee, so that ordinary process cannot be served upon him, it is ordered that said defendant file an answer in the Chancery Court, of Loudon County, at Loudon, Tennessee, and with plaintiff's attorney Don T. McMurtry, whose address is Lenoir City, Tennessee, within 30 days of the last date of publication or a

Judgment by default may be entered and the cause set for hearing to parties as to David Kenacid. This notice will be published in the Loudon County Herald for four consecutive weeks. This 7th day of July, 1972. Lloyd Black, Clerk and Master. 7-13-4c.

NOTICE TO FURNISHERS OF LABOR AND MATERIALS TO ASHLAND OIL, INC. CONTRACTORS, FOR USE IN THE CONSTRUCTION OF CONTRACT NO. 6669, PROJECT NO. SP-5306-1203-94, LOUDON COUNTY. BACK IN THE GOOD OLD DAYS

One of the newest churches in Loudon is the Mount Olive Baptist Church on Church Street. This new and ultra modern structure was the result of many years and many hours work by its members and contributions of many interested people. We are reminded of all this by a picture we have of the old church building, which stood many many years at the site of the present building.

This old picture was possibly made at a special day in the churches bygone days. I cannot begin to identify all of those in the picture, but we are sure many of our readers can. You will note that the various officers of the church are identified in the picture, which

moments and laughed together in times of joy. We say this for this reason. Those who grew up in these parts during the time that I did will most surely recall the man called John the Baptist, who, as I mentioned in last week's column, assumed an unusual role in life. When one of our town's people passed away, and the funeral services were to be held in his church, as the funeral procession departed from the family residence on its way to the church, this man would start the church bells to tolling and they continued until the procession got to the church. To my knowledge, no one else ever did this. Of course I might be wrong, but I have never heard of anyone else who did. If I am wrong, you, my readers, will correct me and I will appreciate it.

We mentioned that we could not identify all of those in the picture, which is true, but one man is in the picture that we could not pass without mentioning him. This is the late Rev. Bill Edgington. He was a very good friend to this writer when I was growing up in Loudon. He is the man seated wearing the black suit. He was a very well educated man and

sometime we would like to write something about him. We have another church picture, possibly taken somewhere in our area. Many of the people look like someone we should know, however, the Raymond McKunkin family who loaned us the picture didn't know where it was made. We would like to find out so, if you, our readers, can help us, give us a call.

We hear from our readers up Lenoir City way very often, but we haven't had any pictures for the Good Old Days from there recently. So how about it, Lenoir City, Greenback, Philadelphia or Loudon readers. Give us a call if you have a picture for the Good Old Days.

Well, that's it for now. See you next week.

\$799,000 Rise In Local Pension Checks Reported

What will the record increase in social security payments, recently voted by Congress, mean to residents of Loudon County who are receiving such benefits? How much more will they be getting per year? How big will the average check be, compared with what it was formerly?

It is estimated that the 20 percent boost in retirement payments will add approximately \$799,000 a year to the amount that local residents have been collecting.

For the last four months of this year alone, covering the period after September 1st, when the hike goes into effect, their increase will be about \$266,000.

The figures are based upon the latest statistics for the country, released by the Social Security Administration. They show the number of retired or disabled workers on the pension rolls, as well as their dependents, and the amounts paid them.

All of them will benefit as a result of the new legislation. Retired workers who are unmarried will receive an average of \$1,932 a year instead of \$1,596. Retired couples will average \$3,240, as against \$2,676 at present. Their new maximum will be \$4,532, compared with \$3,988 now. The maximum for the single worker will rise to \$3,096 from the current \$2,592.

As of the beginning of last year, pension payments in Loudon County averaged \$1,014 per recipient per year, the Social Security Administration reports.

Under the new setup, they will collect approximately \$1,217 a year, on average.

As for total payments throughout the local area, based upon the number of people on the pension rolls at

last count, they will amount to some \$4,796,000 during the next year, a considerable rise over the last reported total of \$3,997,000.

There would also be automatic increases in benefits whenever the consumer price index rises three percent or more.

There would also be automatic increases in the wage base at such times to provide the necessary financing.

Barges, Cranes, Pylon Dams Show Construction Progress

1-75 BRIDGE CONSTRUCTION PROGRESSING—Frequent visits to the site of the construction of the eight million dollar 1-75 bridge over the Tennessee River near Loudon shows that progress on the project continued toward an August 1974 completion. There are now a number of large work barges spread across the river. In

the photo at left one of several pylon dams, completed or underway to allow for the pouring of the huge bridge supports. The center photo shows two supports rising up out of pylons near the south bank of the river. At right two barges with cranes mounted on them are working on other pylon dams near mid-stream.

ELECTION SURPRISES—

The biggest surprise in last Thursday's general election here was the closeness of the vote on the proposed restructure of the Loudon County Highway Department. The measure lost by only 150 votes. This is the closest that such a move has ever been to passing.

Several years ago in a special referendum the voters turned down a central road department proposal five to one. There were many features about the road department proposal that was on the ballot we did not like, but like was stated in the small amount of publicity given the matter before the election, it was a compromise measure.

It is our hope the county court will draw another private act, returning the road department to a centralized operation, conduct a campaign to get people more aware of its benefits and perhaps the next time the voters will pass it and Loudon County will have one road department as it should.

School Starts 28th, Registration Set, Teachers Are Placed

The beginning of the 1972-73 school year is only a couple of weeks away. Superintendent of Education Albert Dukes this week announced the final school calendar, announced the placement of teachers for the year, including the hiring of 18 new teachers, and other announcements.

Students attending all regular education classes will register on Thursday, August 24, with the first day of classes set for August 28 in all schools. However, kindergarten, head start and special education classes will not begin until Tuesday, Sept. 5.

Holidays and in-service training sessions for teachers when there will be no school are as follows: Labor Day - Monday, Sept. 4, October 29, 30 and 27 students will be out due to home visits by teachers the first two days and the East Tennessee Education Association meeting on Friday the 27th. Thanksgiving holidays will be November 23-24 Christmas and New Years Holidays will begin December 16 with classes to resume on January 3. On January 23 students will start home while teachers hold in-service training at their individual schools.

Students will also get a week off for Easter classes dismissing on April 16 and resuming on April 19.

June 5th will be the final day of classes for students and report card day will be Friday, June 8.

After being closed for two years the New Providence School will reopen this year but it will house the EMR Special Education Classes that have been housed at Eaton School for the past several years.

Mr. Dukes said that regular class growth at Eaton made it necessary to find a new location for the Educable Mentally Retarded. It was decided to hold the three classes at New Providence and state approval was given for a one year pilot program. There will be 45 students, three teachers, one teacher's aid, a cook and janitor. Mr.

Dukes said the entire school will be utilized in the program. Students will continue to assemble at Eaton's School and will then be taken to their new school by bus. They will be returned to Eaton at 2:45 daily to make their regular transportation connections. Mr. Dukes said the success of the program during the one year trial period at New Providence will decide whether or not it will be continued there in future years.

There will be a total of 146 teachers and administrators in the county system as the school year starts. Mr. Dukes said all the needed teachers had been hired and placed. The teachers are listed below according to school.

LOUDON HIGH SCHOOL - William Napier, principal; Fran D. McCall, Ralph Alexander, Bert Kalleger, Mary Katherine Mize, Linda Pickell, Mildred Miller, Dewayne Arrp, Blanche Watkins, Naomi Arrp, Gary Dutton, Edward Headlee, Carolyn Bledsoe, Nancy Marcus, Anita Smith, Ronald Kyles, Arthur Hugh Watson, Doavan Lowell Carnes, Sarah Watkins, Jerry Foster, Mary McGuffey Harrison, Mrs. William Crabtree, Mrs. Earl Marcus, Edwinna Bradbey and Paul Ketrion.

Ambulance Service Deadline Given Lack Of Court Cooperation Voiced

Funeral home operators in Loudon County this week are publishing a formal announcement that they will discontinue ambulance service as of November 15, 1972. This announcement is published elsewhere in this issue and is signed by all ambulance service operators in the county.

The Federal Highway Safety Act of 1966 and concurring state laws were given as the reason the firms are going out of the

ambulance service business. The announcement suggests that a consolidated ambulance service under one governmental organization be established to provide the service in the county.

The funeral directors state that they regret that they must discontinue ambulance service and they have tried to work out the matter with Loudon County Court, but that the court did not cooperate.

Bob Clement, Blanton Win Democrat Vote

In the Loudon County Democratic Primary, Bob Clement amassed about the same margin of victory over incumbent Public Service Commissioner Hammond Fowler as he did state-wide. The vote here was 870 for Clement to 292 for Fowler.

Ray Blanton won an easy victory for the Democratic nomination for U.S. Senate, polling 901 votes. Running a weak second was Don Palmer of Maryville with 122. Three other candidates ran far behind Blanton scored a similar victory state-wide to earn the right to face Republican Howard H. Baker in November.

Leonard G. Evans of Maryville was unopposed for the Democratic nomination for State Senator and Wayne W. Humphrey was unopposed for the Democratic nomination for State Representative for the 26th District which includes parts of Loudon County as well as parts of Roane and Cumberland Counties. (Continued on Page 6)

Court Decides On Free Garbage Dump Policy

Loudon County Court Monday night failed to take any affirmative action to enforce the buying of building permits under the county's recently adopted zoning regulations.

A motion offered by Squire Jack Lefter to the legal counsel to institute injunction

procedures in instances where people refuse to buy a building permit died for lack of a second.

But the issue may not be closed, Squire James M. Hartsook said after the meeting that he really didn't mean to allow the proposal to die and that he regretted that it did. "We will have it back on the agenda next time," he promised.

Both he and County Judge Harvey Sproul indicated that they thought the zoning regulations ought to be enforced equally.

The issue came up when Judge Sproul pointed out to the Court that the new zoning and building codes are in effect in Loudon County and they require that a building (Continued on Page 6)

Lions Plan For White Cane Day

Members of the Loudon Lions Club will join the more than 3000 other Tennessee Lions in an undertaking to raise \$250,000 on the days of August 25-26 in an event that is known as White Cane Day.

The local Lions hope to raise \$1200 according to project chairman Lion Charles McCall.

Governor Winfield Dunn is honorary state chairman of White Cane Days supporting the Lions activities in behalf of (Continued on Page 6)

Local Trooper Injured As Truck Hits Cruiser

A Tennessee Highway Patrolman was injured last Tuesday night when he attempted to stop a truck by pulling in front of it. The truck did not stop and hit the Trooper's car.

Trooper Kenneth Cox was taken to Fort Sanders Presbyterian Hospital Tuesday night, Aug. 1 with back and neck injuries. Mr. Cox had suffered a back injury previous to this accident. The injuries were reported as painful but not believed to be serious.

J. D. Shelton, 18, Rt. 4, Loudon City, was arrested and charged with driving while intoxicated, no driver's license and violating the registration law. He is driving a 1965 two ton truck that, according to Deputy Lacter B. Kent, had been involved in a wreck earlier that night.

The accident occurred on the Bacon Straight on old 95 Highway. Trooper Cox was coming toward Loudon City on old 95 at Hotchkiss Valley when a truck ran him off the road. Cox turned around and chased the truck, using his blue lights and siren in an attempt to stop it.

Trooper Cox finally passed (Continued on Page 6)

Write-In Winner, Close Road Vote Top Election

As predicted, only about 5,000 Loudon County voters went to the polls last Thursday to register their choices in the many races appearing in both the Loudon County General Election and the state-wide Democratic and Republican primaries.

The official election returns, certified Monday by the Loudon County Election Commission, showed 3,115 total voters, a little more than a third of those eligible to vote. Few surprises came out of the voting.

The Constitutional Amendment for the classification of property for tax purposes passed by more than a two to one margin, 2565 for the amendment and 1,145 against the amendment.

The voter margin in the County Road Dept. reorganization proposal did raise a few eyebrows, however. Predictions had been that the measure would fall three to one. It lost by only 151 votes, 1,415 in favor of the reorganization proposal and 1,592 against it. A similar measure several years ago lost by a five-to-one margin.

Only one change will be seen in the make-up of County Court following the election. Jack Lefter of Loudon, who did not run for re-election, was replaced by Boyd Backworth of Philadelphia.

Making up County Court will be First and Fourth Districts, J.J. Blair, Roy Bledsoe and Boyd Backworth.

Second District, I.D. (Babe) Conner, Henry Foster, Jim Hartsook and Curtis Williams. Third District, J.G. Hudson Fifth District, Reece Paul Hamilton.

Sheriff Freeman Russell, Property Assessor Emmett Carter and Road Commissioners Lillard Bledsoe, Lee Malone and Joe Greenway were all re-elected without opposition.

Dewey Russell and O'Dell Justice were unopposed for Constables for the First District. In the Second District, Charles (Fattapp) Settles, incumbent, won over A.C. Brown, 961 to 887, and in the Third District, Raymond (Shorty) Rogers was elected without opposition.

There were no announced candidates for constable in the Fourth District, but Jesse H. Dyer, incumbent, and one Easter received eight write-in votes to Arnold Williams' two and will be certified. Another write-in candidate, Dwight (Shorty) Rogers was elected without opposition.

In the Fifth District, an all-out write-in battle was waged successfully against the elected Republican nominee, G.H. Park was elected as a

misunderstanding. The write-in balloting, requiring voting on paper ballots, created some confusion for a time at Eaton Crossroads and returns were delayed because of the time required to count the paper ballots.

(Election Charts on Pages 6-7)

James A. Melton defeated Harry T. Burn for the Republican nomination for State Representative from the 26th District. His vote here was 148 to Burns' 100.

The precinct-by-precinct returns are published elsewhere.

Stafford, Baker And Garland Win GOP Vote

Republican Primary voters, both in Loudon County and in Blount County, nominated incumbent M.F. (Benny) Stafford for another term in the Tennessee House of Representatives from the 21st District, made up of Loudon and part of Blount County.

He polled 1303 votes here to 411 for challenger Boyd Smith. Both men are from Loudon City. Stafford will face an opposition in the November election.

U.S. Senator Howard H. Baker swept to a 2165 vote victory over the token opposition of Hubert Patty, who drew 89 votes. Baker polled about 97 percent of the votes across the state. He will face the Democratic nominee, Ray Blanton in November.

The Republican nominee for Public Service Commissioner to succeed Hammond Fowler is State Sen. Thomas Garland. He will run against Bob Clement in the November election.

Also nominated without opposition was Carl O. Keella Jr., for State Senator. He will face Democratic nominee Leonard G. Evans. Both men are from Blount County. The

Ernest Plemons Charged For Shooting Brother

A Lattrell community man is in serious condition with two gunshot wounds and his brother has been arrested in connection with the shooting.

Foy S. Plemons was shot twice in the upper left chest when he and his brother, Ernest Plemons of Corinth Community, near Loudon, met on a remote road in McMinn County last Friday night, Aug. 4.

Ernest has been charged with the shooting in McMinn County and released on bond. The victim was taken to UT Memorial Hospital in Knoxville where he was listed in serious condition.

According to Loudon County Sheriff Freeman Russell, who assisted with the investigation, Roy Plemons had been having family problems involving his wife and his father, Mack Plemons, and about a week before the shooting the father had taken out a peace warrant against his son and a felonious assault warrant charging him with beating up his wife.

As an outgrowth of the dispute, the two Plemons brothers, Roy and Ernest, had been looking for each other and finally met on a remote rural road in McMinn County, near the Monroe County line.

The shooting took place and Roy sustained two bullet wounds in the chest.

Dane Howell Escapes Prison

Dane Howell of Loudon City, one of two prisoners who escaped from the Tennessee State Penitentiary last Wednesday night, Aug. 2, has reportedly been seen in the Loudon County area.

Howell was serving total sentences of 30 years. He was sentenced to a ten year term for armed robbery and five years for breaking and entering in Loudon County cases. The remainder of his time came from two armed robbery convictions in Knox County.

Although officers have reports of his having been seen in Loudon City on at least two occasions, he has not yet been apprehended.

Brookshire Vows Pledged

Betty Jane Gray and Randall Howard Brookshire were united in marriage July 21 at Reed Springs Baptist Church with Rev. Jim Hunt performing the ceremony. Mrs. Ann Wiggins presented a program of original music. Special selections were "We Have Only Just Begun" and "Theme from Love Story". Parents of the couple are Mr. and Mrs. Clarence Gray of Sweetwater and Mr. and Mrs. Howard Brookshire of Loudon.

Given in marriage by her father, the bride wore a floor length gown of Bridal satin and lace with empire waist and long tapered lace sleeves. Her shoulder length veil was held by a satin and lace bow. She carried a bouquet of yellow and white rose buds with yellow and white streamers.

Virgie Gray of Sweetwater, sister of the bride, was maid of honor. Bridesmaids were Betsy Anderson and Carla Ridenour of Sweetwater. They wore floor length gowns of light blue crepe and carried long stem yellow roses with yellow and white streamers.

Barb Goforth of Albemarle served as Best Man. Ushers were David Abernathy and K.C. Gray of Loudon.

A reception was held following the ceremony at the church. Assisting in serving were Mrs. Barbara Gray and Mrs. Sue Goforth.

After a short wedding trip, the couple will be at home in Loudon.

Mrs. Henry Hammon, Mrs. Ronnie Lett and Mrs. Harvey Brooks were visitors in Knoxville Monday.

Jaycettes Need Service Names

The Loudon Jaycettes would like the names and addresses of all servicemen stationed in all of Far East Asia in order to send cards and packages for Christmas. All names will have to be sent before September 30. All persons having relatives or friends are asked to please send the names to: Mrs. Joyce Sidenour, P.O. Box 353, Loudon, Tennessee, or to call Mrs. Tom Elliott at 458-4596.

Local Little Miss Places In State Pageant

Kelly Shippe, winner of the Loudon's Our Little Miss Pageant has placed in the top ten at the State Pageant held in Knoxville in July. Kelly had been invited to and has accepted the invitation to the International Pageant in New Orleans. Kelly has been given a modeling opportunity by Millers Dept. of Knoxville and has been asked to entertain for them from time to time.

Laura LeCoutre, 1st runner up in the Loudon pageant was given the Best Nine Year Old Award at the Awards Breakfast held at the Ramada Inn on the last morning of the pageant in Knoxville.

With the pageant over, Kelly will be based on a schedule.

Jenkins-Shipley Vows Exchanged

Evelyn Sue Jenkins, 812 Rosedale Avenue, Loudon and Michael Roy Shipley of Lenoir City were united in marriage June 30 at Blairland Baptist Church with Rev. Jewel Watson performing the double ring ceremony.

Parents of the couple are Mr. and Mrs. Lloyd Jenkins, Rosedale Avenue, Loudon and Mr. and Mrs. Roy Shipley, Route 3, Lenoir City.

Mrs. Jo Ann Fox presented a program of nuptial music. The ceremony was performed before an altar decorated with an arch of greenery and pink chrysanthemums.

The bride, given in marriage by her father, wore a long white satin dress with lace bodice, and a shoulder length veil. She carried a white Bible topped with pink roses and a white orchid.

Miss Marilyn Ann Jenkins and Miss Brenda Scarbrough were bridesmaids. They wore long pink dotted swims dresses with matching hats. They carried pink roses.

carried pink roses. Bridesmaids' attendants were Steve Donaldson, Gary Johnson, Gary Lyles and Larry Propp.

The bride's mother wore a blue polyester dress with white accessories and a pink and white carnation corsage. The mother of the groom wore a blue polyester dress with white accessories.

A reception was held following the ceremony, given by the bride's mother, in the Youth Auditorium of the church. Those assisting were Jean Williams, Helen Cox, Brenda Kogman and Norma Ann Howard.

After a wedding trip to Gatlinburg, the couple are at home in Oak Park Mobile Home Community, Lenoir City.

The bride attended Loudon High School and is employed by Midland Ross, Inc. in Athens.

The groom is a 1971 graduate of Lenoir City High School and is employed by Extron Plastics in Farragut.

Philadelphia Personals

A supper will be held Saturday, August 12 at the Philadelphia School cafeteria 5 to 8 p.m. Proceeds will be used for the Philadelphia Cemetery. Adults, \$1.50, children, 75 cents.

Mrs. Ruth Jenkins and daughter, Debbie, Mr. and Mrs. Sidney Boyd Jenkins, Mrs. Helen Ruth Rhemer and sons and Mr. and Mrs. Johnny Bradshaw and children have returned to their homes in Grand Rapids, Mich., after visiting here with Mr. and Mrs. John Bradshaw, Mr. and Mrs. James Dunbar, III and Mrs. Mae Mills, Norfolk, Va.

Roane Site Selected For Breeder Reactor, Will Benefit Loudon County

A. J. Wagner, Board Chairman of the Tennessee Valley Authority, announced today that the demonstration liquid metal fast breeder reactor (LMFBR) will be located on a 1,360-acre tract on the Clinch River in Roane County near Oak Ridge.

The announcement was made following a meeting in Knoxville of the principal officials planning the breeder program: James R. Schlessinger, Chairman of the Atomic Energy Commission; James T. Ramsey, AEC Commission Member;

Thomas G. Ayers, President of Commonwealth Edison Company, Chicago; Mr. Wagner; and Don McBride, TVA Board Member.

The site is being provided by TVA as part of its contribution to the project. Commonwealth Edison will also make a privately and publicly-owned, substantial management and personnel contribution in financial assistance.

Other electric utilities throughout the country, both privately and publicly-owned, will provide additional financial assistance.

"Several steps must be taken before actual construction of the project can begin. For example, the environmental aspects of the project must be fully examined in conformity with the National Environmental Policy Act and public licensing hearings held. Only after this is done and a construction permit has been issued can work begin on the site. In addition, further geological exploration of the site and design work on the plant must be completed. We believe it will be at least two years, therefore, before actual construction forces arrive on the scene."

"The John Sevier site would involve the problem of using existing turbogenerators and hooking on the steam source from the breeder reactor. The Clinch River site would involve the extra cost of new turbogenerators and related equipment designed for the requirements of the demonstration plant.

"At the conclusion of our siting studies several days ago, TVA suggested that the John Sevier site should be used because it would represent a saving in the range of \$30 million to \$40 million in capital cost. On the other hand, the engineering requirements associated with a "hook-on" at John Sevier were considered to outweigh its cost advantage. In this light, since TVA had concluded that either site was satisfactory, the Clinch River site was agreed upon.

"It is important to recognize that the actual construction of the breeder plant will be conducted by a new corporation, the Project Management Corporation (PMC), separate and apart from TVA, Commonwealth Edison, and AEC. This organization is now being assembled, administratively and legally.

Bolt Family Reunion Held

On Sunday, August 6, a well known Loudon County family, the Bolt's, held their annual family reunion at the Loudon Lions Municipal Park with over two hundred attending.

Aside from the abundance of food, hand shakes and cordial greetings it was a day of recalling years gone by, other family reunions of the past years, and the quiet moments of recalling memories of those of the families now deceased.

Lunch was served at 12 noon after which the clan joined in several activities, which included recordings of voices of past reunions, a tape of a sermon by the late Rev. Ross Kerley, and slides of past reunions were shown by Lawrence P. Kerley. A multitude of games were played by old and young. The

OLDEST MEMBERS—The three oldest members of the Bolt family in attendance at their annual family reunion held Sunday, August 6, are (left to right) Will Bolt, Lenoir, Mrs. Mae Bates, Knoxville and Mrs. Dora Kerley, Lenoir City.

 permit be obtained when someone wishes to construct a building.

He cited three instances of failure to obtain a permit which were subsequently taken to the Grand Jury. Two involved mobile homes and the third was a case in which a house had been started, then sold before completion and just recently construction started again. The Planning Commission had ruled a permit was necessary for the new start.

In all three cases, however, the Grand Jury returned a "no-bill," failing to indict. Judge Sprout speculated that some confusion about whether mobile homes are covered may have existed in the minds of the Grand Jury members, but he pointed out that mobile homes are, indeed, covered.

Harrison Park
 Representatives from the Eaton's Harrison Club presented a proposal for a recreational park in the Eaton Community. Jerry Parks and Ed Bailey presented the plan for the park to be located on seven acres off Hickory Road. Mr. Bailey explained that it would not cost the taxpayers of Loudoun County anything, but that the Eaton Harrison Club will pay for it along with matching funds from the

White Cane

(Continued from Page 1)
 blind.
 Locally Lion McCall said that on the 25th the Loudoun Lions would make a door to door canvass to distribute material about the activities of the Lions in the field of sight conservation and to raise funds for these projects. On Saturday, August 26 they will conduct a campaign on the streets in downtown Loudoun and name a roadblock.

Between now and White Cane Days Lion McCall said the Lions hope to focus some attention on the sight conservation projects of the club and some of the individuals that they have assisted. Among the projects is the annual examination of the eyes of school children throughout the county and the club furnishes glasses for many persons who cannot pay for them. The club also recently bought a brail typewriter for a blind student in Loudoun.

Funds raised will be used in three areas of work. First, aiding Tennessee residents who have falling or damaged vision to regain all or a portion of their sight. Second, to rehabilitate those who have lost their vision. And third, to assist individuals for those who cannot find employment due to sight deficiency.

State.
 Mr. Bailey said the club had been in touch with the State Planning Commission and that matching funds are available if the project is sponsored by a county government. The club proposes to raise the funds for the park and supervise its construction. The club will do it over to the county to qualify for Federal funds. Mr. Bailey explained that Sept. 22 is the deadline for matching funds.

The Court passed a motion from Squires Henry Foster and Hartsook that a committee be formed to make recommendations on the matter. Squire R. P. Hamilton motioned chairman, with Squires Hartsook and Ihus Osner serving on the committee with him.

Since the next scheduled meeting of County Court is on Labor Day, the Court voted to

meet the next day, Tuesday, Sept. 5, at 9 a.m. in the Courtroom.

The Court received an offer from Mary Katherine Mize and Kerry Lee Mize to donate property in Loudoun at the corner of Highway 72 and Ferry St. to the county. The only conditions to the donation were that the land be taken off the tax rolls, which would if it became county property, and that the building on the land be used or removed.

Squires J. J. Blair and Foster made the motion that the county accept the property under the conditions listed. The motion passed and a committee of Blair, Purchasing Agent Buddy Jenkins and Civil Service Director Ted Randolph was appointed to decide what to do with the house.

Among the projects is the annual examination of the eyes of school children throughout the county and the club furnishes glasses for many persons who cannot pay for them. The club also recently bought a brail typewriter for a blind student in Loudoun.

Funds raised will be used in three areas of work. First, aiding Tennessee residents who have falling or damaged vision to regain all or a portion of their sight. Second, to rehabilitate those who have lost their vision. And third, to assist individuals for those who cannot find employment due to sight deficiency.

Lefler took, be always tried to add to it, and that he spent so much time on county business he left little time for his personal affairs.

Several of the Squires praised Lefler's dedication to duty and expressed regret at his leaving.

Roane Prisoners
 Two of four prisoners removed from Roane County Jail in a disturbance last Friday night were brought to Loudoun County Jail for safekeeping.

Sheriff Freeman Russell said the two prisoners were Larry Kirkland, charged with possessing drugs and Freeman Trout, charged with larceny.

One other prisoner was transferred to Anderson County and another to Blount County after the disturbance.

Homebound teacher for the year will be Josephine Davis, Speech and Hearing teacher, Bethel Womack and Mary Foster, Supervisor Robert Cassidy and Attendance Teacher James Fields.

the Agriculture Extension Agricultural Economics Department and Joe Burns, Associate Professor of the Agricultural Extension Plant and Soil Science Department.

Activities preceding the meeting included a pork barbecue supper and fellowship. Gail Hein, President, presided over the meeting. Mr. Hein, in his remarks said we have reached markets never before considered possible. Not only have we provided a market for our feeder calves, we have also a good market for other cattle.

Some excerpts from Dr. Hicks talk are "If the livestock producers in Loudon County and the State of Tennessee can guard against disastrous overproduction which isn't likely the future for the beef cattle industry looks good. We need not worry ourselves to much about foreign beef imports. These countries sending beef to the United States have short supplies of beef. In fact, some of them are unable to meet their quotas. If the ladies think prices are high here think about those housewives in other countries that have to pay \$3.00 to \$4.00 a pound for beef. It's still cheaper in America than anywhere else in the world."

Feeder calf prices in the cooperative type sales across the state of Tennessee averaged \$38.32 per hundred in 1971. We believe that you can expect at least two dollars more in the sales this fall.

Mr. Burns in his remarks emphasized good pastures and hay. He stated that pasture and hay are big business. Burns said cost-wise quality hay is still one of the least expensive sources of feed for livestock in most areas of the state.

The quality of hay and pasture starts with good stands of adapted species and mixtures. Also a well-managed legume or legume grass hay or pasture field well-fertilized by soil test gives higher returns.

LIVESTOCK ASSOCIATION MEETING - In the clubhouse of the Lions City Park members of the Loudon County Livestock Association and their wives listen attentively as Dr. Billy G. Hicks, University of Tennessee Institute of Agriculture, gives latest information on Outlook and Prices.

Thank You

Many thanks to my family and all my friends in the 1st and 4th districts for my vote and support in the August 3rd election. Even though we lost, it was a good race.

Sincerely

Ben F. Galyon

AUGUST 10 1972

**Speaking
of Sports**

By **DANNY GIBSON**
Sports Editor

With local recreation softball and baseball fading with tournament elimination and high school and college football just a whisper from the main sports scene, one can not kiss summer off without checking out the professional ranks of baseball.

The World Series participants not yet decided with two months of play left in regular season battles the National and American circuits appear to be shaping up into a memorable race for the flag of each league.

A big week exists in the American League Eastern Division this week when New York (four games out of first place) stages a four game showdown with league leader Detroit. The Yankees are not the Bronx Bombers of old but the team has come on in the last couple of years and have had excellent showing in the final stretch months in the last two campaigns. The Yanks, once the power of domination in the junior circuit, have been a long time in contending for the pennant but with 500 play through the All Star break and a surge of 11 wins in their last 15 games the Yankees are a team to be reckoned with before the fall classic. Of course Baltimore is to be included in the East fight but as Yankee fans of old times, to me and of even older to others, can not help but speak up for the men in navy pin stripes with them in such an opportune spot at this time of the season.

Normally I never concede defeat as I always have had faith in the Bombers to win every year and the fifties and through part of the sixties they seldom lost but expansion and being bought by the Columbia Broadcasting Company has had its draw back on the Yankee talent. But those "Damn Yankees" are back and with their class and tradition of winning it will be very interesting to note just how many of the old standbys once again will climb aboard the Bronx Express with pennant fever just weeks away and the New York team one of youth and desire destined for a high finish and if not this year 1973 will soon follow.

With my Yankee pennant hopes churning bits of excitement into the thoughts of a fast approaching fall, I see the University of Tennessee has gotten its 1972 Vols football guide on the market. Several drug stores and super markets have the book on sale for around \$2.00. The preview of the Tennessee football team, coaches, and statistics through the years is most interesting for the Vol follower.

Tennessee rated a neat sixth position by some preseason polls has had the best won-loss record of any team in the country over the last six years. With a highly touted Condrige Holloway expected to direct the Tennessee offense the Vols could be a prospective of Southeastern Conference its tough schedule of national contender with powers on the agenda this fall. Colorado may well be the college team of the nation to top for final honors but all is just preseason talk and thoughts.

The Southeastern Conference skywriters tour for sports writers will begin August 26. UT is the first stop of the tour and Bill Battle may not be showing much by that time of preseason drills. So don't expect anybody other than Tom Stier to speak too kind of Volunteer chances.

Tennessee football reports are that Ex-Loudon Redskin lineman Jake Lane will be red-shirted.

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting

**Summers, Oody New Leaders
Swiney, Lomax Team Vault Into
Union Carbide Golf Race**

The Union Carbide Golf race is suddenly taking on a few new wrinkles from a rapidly surging teams lost for the first part of the season in the middle of the pack. Ted Lomax and Inky Swiney have turned in the second straight week of excellent play to gain approximately 22 team points and cut a near 10 points off of the league leaders. Swiney and Lomax were the low net team in last weeks play and were team runner-up the week before. The sudden add of points has moved them into a challenging spot among the Union Carbide teams and currently rests them in fourth place 20 points behind the league leaders Hal Summers and Mike Oody.

Oody and Summers have 122 points for the summer and jumped into first place from a third position last week. They registered 10 team points for the past week in gaining the top spot.

Jack Miller and Ciel Miller top team golfers for the month of July and hard pressed by last year's champions Dick Huff and Art Hamil fell from a first place tie to third place with no points due to a bye for last week's play.

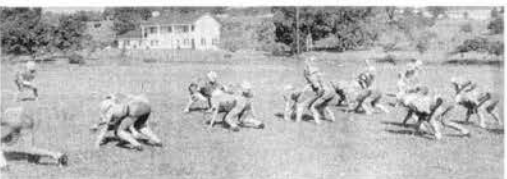

Huff and Hamil had difficulty with only four team points to their week's credit and left the door open to Summers and Oody.

Bob Wagner was the low medalist for the week with a smooth 36 for the round.

Hall Summers has taken a large lead in the individual point total play with 69 individual points to date.

PLAY ORIENTATION—Calling offensive maneuvers and readying the defense is covered in the early morning hours of the Panther football workouts that started Monday. The Panthers are running at half speed with two a week sessions scheduled for the first week of practice.

Loudon Softball Tourney Underway

The Loudon Invitational Softball Tournament was delayed till Tuesday night due to rain. Eleven teams are registered in the week long event.

Easter Ford is the only team not in the tourney of those making the District playdown. Eaton Corporation, Bank of Loudon County, and Kingston Mules are in the field of favored teams to fight for the championship trophy.

The first round of play goes into this Tuesday night. Eaton was to have played Merriamont One, Huntville and Gene Shaffer met in the second game, and Smith Chair Company opposed Loudon in the nightcap.

Wednesday night's opening game with the Bank of Loudon County encountering the Kingston Mules was expected to bring and a early crowd to watch the two powerhouses, Lenoir City Car Works and Eaton Number Two were scheduled to play the second

game on Wednesday. Union Carbide drew a first round bye and will not play until Thursday.

A loser bracket game finished up the first two days of play.

The tournament is set to run through Sunday with game times unannounced for the week end. If rain hampers the field.

Magazine On Sale

Southeastern football magazine, with previews of the 16 SEC teams and top Southern independents, plus other features, is on sale at newsstands throughout the area. It can be ordered by mail, at \$2. from Southeastern Football, P. O. Box 2161, Knoxville.

Merchants Bow To East Knoxville Cubs, 5-2

The East Knoxville Cubs sid by a thin lined Loudon Merchant team in the opening round of the Stan Musial AAB Baseball Tournament held at Knoxville this past week 5-2.

Gary Gibson was the losing pitcher giving up 10 hits for the game. Three errors and some hesitant fielding resulted in the initial scoring for the victors as Gibson pitched well.

Gibson also accounted for the Merchants two runs with a two out hit in the seventh inning. Jack Cox walked to start the frame, Gene Rattledge flied out but David Hightower singled sharply to left field to advance Cox. Junior Tucker, Loudon Center fielder, struck out for the second out and set the stage for Gibson's blast that accounted for the only Merchant scores.

Gibson led the Loudon hitting with two singles in three times at bat. Tucker and Hightower got the other safeties for the Merchants. Loudon got just four hits for the game.

High School Football Becomes Loudon County Sports Buzz

High School football is rapidly becoming the buzz of sports around the area and Loudon County. All three Loudon County high schools started practice this week.

Lenoir City Coach Dale Brown reports 24 boys on the practice field thus far with two a day practices to extend into the middle of next week with the early morning sessions of next week possibly being in shorts.

Greenbacks Keith Bailey has 35 boys knocking heads. Two a day work sessions are planned for the week in the Cherokee camp. The Greenback team reported in near excellent shape for this stage of practice and appear a bit ahead of schedule in regard to other teams seen over the area.

Loudon is practicing but once a day. The late afternoon session runs for about two and one-half to nearly three hours with periodic breaks. Loudon's Coach Bert Rattledge is still silent on his team's season potential but to move to add more coaches to his varsity staff may give the indication that more individual aid to the players is in

the making and this could mature the inexperienced players sooner for better play.

Bill Marcus (assistant basketball coach and head coach of the Junior Varsity), will have the defensive side and assist Coach Gary Dutton with the defense. Jerry Foster has been brought up from the football junior varsity staff to handle linebacks and wide receivers. Rattledge will of course be the offense coordinator and overall final analysis man in grouping the Redskin forces.

Phillip Bettis and Larry Bridges will be the coaches for the Loudon "B" team.

The Herald will be making the rounds in the next few weeks to gather pre-season information on each team's fall preparation and a look at the personnel and schedules of each team.

The Loudon High School freshman that will be going out for football this fall are asked to meet Friday at 5 p.m. at the Loudon field house with their coaches Phillip Bettis and Larry Bridges. All would-be freshman are urged to be prompt for the issuing of equipment.

David Canter Scores Ace

David Canter, 11, son of Mr. and Mrs. Don Canter of

Loudon, scored a hole-in-one the first time he ever played golf, in fact on the fifth hole.

David and his father were playing a par three course at Myrtle Ridge Golf & C.C. last Thursday when the youngster took a three iron on the 70 yard fifth hole and scored his ace. Further, Don said that the ball was a line drive that hit about 60 feet in front of the hole and rolled into the cup.

Mid-Season Championship Saturday At Atomic

The Mid-Season Championship for late model sportman cars is scheduled Saturday night at Atomic Speedway and drivers will be battling for an extra \$400 in prize money.

A pair of 25-lap features for sportman cars has been abated and the second of the two will have an inverted start-slower cars starting up front.

The first 25-lapper will be started in the order that drivers qualified.

Action gets under way at 7:45 p.m. with time trials. The first of four heat races at 8:30 launches the competition. Admission will be \$2 for adults. Children under 12 years are admitted free.

Hobby cars also will run a 25-lap event.

Johnny Hogan, the 1971 Tennessee dirt track champion will be back to try for a second straight victory.

Hogan picked up his opening win of the year last week. Total purse for the evening will be \$2,800.

In what was determined as one of the finest feature races of the season, Tex Gibson, H. E. Vineyard and Hernan Goddard kept the heat on Hogan all the way.

Ken Phillips copped last week's semi-feature and the heat went to Ed Moore, Tootle Estes, Claude Donovan and Bill Ogie. Darrell Parrott triumphed in the lobby race. Atomic, a third-mile dirt track, is located on I-40 East of Kingston at take Highway 95 exit.

Allison Has Radio Show

Bobby Allison stock car driver will become Bobby Allison radio commentator prior to the running of the Southern 500, Labor Day at Darlington Raceway.

Allison, defending Southern 500 champion, has entered his Junior Johnson Coca-Cola sponsored Chevrolet in the 23rd annual race. Allison will host a 30-minute radio show each night of race week from the Sheraton Motor Inn in Florence, S.C. "This will be a great cause for me to get even with a bunch of announcers," snickered Allison.

Loudon's Bobby Russell Stars In Stan Musial Tournament

Loudon's third baseman Bobby Russell hammered out two singles and a triple and walked once, in leading the Merchants to an extra inning 3-2 victory over Oak Ridge in the semi-final round of the AABC Stan Musial Baseball Tournament.

Young climaxed a second inning rally with an RBI single to score David Hightower, who singled to start the inning. The hit gave Loudon a short lived 1-0 lead.

Oak Ridge came back to tally twice against Loudon pitcher Gary Gibson in the bottom of the second with three straight hits. Gibson was pitching with less than 24

hours of rest. Loudon tied the score in the top of the fourth with a near copy of their first scoring effort. Hightower singled and Russell powered the first pitch to him for a triple.

The fifth inning started a pitching duel that was to see Gibson turn into a near perfect cannon on the mound. The tall lefty gave up but four hits in holding the Oak Ridge team in check. His greatest moment and the probable turning point for Loudon was when an Oak Ridge player placed a scratch

hit to the outfield but the Loudon fielders could not find the handle on the ball to get it back into play. The erratic event resulted in the batter reaching third and no outs. Gibson, after finally getting the ball back, struck out the side on a minimum of some 12 pitches and Loudon had the momentum.

It turned out to be the top of the ninth inning before Loudon could generate enough hitting to score. Hightower who scored all three Loudon runs, singled for his third hit in four appearances at the plate. Rattledge grounded out, but Russell was walked after three straight hits. Gordon Tucker, with two strike outs and a fly ball to show for the night slugged a run scoring single through the Oak Ridge infield and Gibson set the side

down in the bottom of the inning to provide the triumph. Gibson's 16 innings pitched was commented on by countless tournament observers at the Loudon as he showed no signs of having been tested to death in the past 72 hours of the tournament. Many of the team managers and players in the tournament viewing the play expressed opinion of Gibson being the best in the league.

Russell and Hightower led the Loudon play with three hits each. Mack Coley had two hits and a walk and Jack Cox and Gordon Tucker each contributed a hit to the Loudon

LENOIR CITY MORNING DRILLS—The Lenoir City football team has been working with a rugged determination to get in shape for the quick approaching football season. An exercise session gets everyone awake for the morning work.

Lenoir City Grid Player Hurt

Lenoir City was the first team of the county to have injury sideline a player. Jeff Walker, a sophomore center candidate, injured his head and neck in the Tuesday morning Panther drills and was taken to Loudon Memorial Hospital for further examination.

The Panthers are tapped as a team to watch in the "A" division race. Their main worry is understood to be to the durability of the first team front four who have all gone under the knife for knee surgery. The lack of depth in the Panther ranks could be costly and when 200 pounds start falling aside from the back-up corps then the Lenoir City situation could become an even more delicate one.

than in last year's summary, which he also compiled. "It's much more balanced," Williams said. "And based on the survey's findings, it appears more teams are in a position to compete on a national level. For example, seven schools scored 40 points or better last year, but this time 11 schools reached that figure."

Oklahoma, which did not place among the top 20 last year, made the biggest

Night Game UT-Penn State Tickets Still Available

A limited number of tickets are available for the first home night game ever for the Tennessee Vols, Sept. 16 against Penn State, UT Athletic Director Bob Woodruff said.

The Vols' introduction to night football at Neyland Stadium is expected to draw a capacity crowd of 70,166 for the intersectional clash between two teams that ended the 1971 season ranked in the top 10 of the wire service poll.

Tennessee recently announced that its entire allotment of 38,000 season tickets for the 1972 season has been sold. "But we have some tickets left for the Penn State game because it is played before all our students return and because Penn State does

not expect to sell its entire allotment of tickets," Woodruff said.

Orders for tickets, priced at \$7 each, may be mailed to Neyland Stadium, Neyland Athletic Dept., P.O. Box 47, Knoxville, Tenn. 37901. An additional 50 cents should be enclosed to handle costs of mailing and insuring.

Tickets are also available for Neyland Stadium games against Wake Forest Sept. 23, Hawaii Oct. 28 and Kentucky Nov. 25. All are afternoon games and are priced at \$7.

Neyland Stadium was enlarged to its present capacity this summer by addition of a double deck at the southwest corner. A lighting system, bright enough to permit color television, was installed at the same time.

Pikeville Horse Show Fri.

The 20th Annual Bledsoe County Horse Show will be held in Pikeville on Friday, August 11th. Connard L. Sullivan, General Chairman, has announced that the Horse Show Parade will start at 4 p.m., CDT, with the Horse Show at the Memorial Football Field starting at 6:15 p.m., CDT.

The addition of three Racking Horse classes this year has stirred a lot of enthusiasm. Racking Horses are becoming quite popular. Racking, which is a single foot, came into being during the early Colonial days. When racking the horse lifts each foot separately and sets each foot down separately. Racking Horses ride with smoothness and speed. There will be one class for style, one for speed and the Championship Racking Horse Stake in the Pikeville Horse Show on August 11th at the Memorial Football Field in Pikeville.

A class that always attracts

a great deal of interest is the Groom Side Saddle Class. For which no entry fee is charged. Any woman or girl can enter if she rides side saddle on a pleasure horse in the costume dress. Two silver trophies will be given. One for the best costume, and the other for the best horse and rider. Five prize ribbons will also be given in this class. The Pikeville Horse Show has the largest wide saddle class shown anywhere in the world today.

Immediately following the Parade supper will be served at the Elementary School Cafeteria adjacent to the Memorial Football Field. The menu will include ham or roast beef with gravy, creamed potatoes, fresh sliced tomatoes, fresh green beans, hot home made rolls, and banana pudding. The charge will be \$1 for adults and 50 cents for children. All proceeds will go to support the fine Bledsoe County High School Band during the coming school year.

Admission to the 20th Annual Bledsoe County Horse Show will be \$1 for adults and 50 cents for children. It is hardy with reserved seats 50c extra. The Walking Horse Judge will be Toby Green from Shelbyville and the Racking and Gaited Horses Judge will be Larry Wilson from Chattanooga.

Trojans Are All College Champs

Southern California is the uncrowned king in the collegiate sports world for 1971-72.

For the second straight year, Southern Cal's highly successful athletic program has been ranked as the United States' top all-around, based on the results of a University of Tennessee student's NCAA sports survey.

Southern Cal, one of four Pacific Eight Conference schools to rank in the poll's top five, piled up 77 points to edge cross-town rival UCLA by two points and earn the elite standing among the nation's major colleges.

The Trojans won the

national title in baseball, second place in track and swimming, fourth place in tennis and finished 30th in football and golf.

The survey, compiled by Steve Williams, a UT journalism major, is based on results of NCAA competition and national ratings. Williams is former sports editor of the UT Daily Beacon.

In wrestling, swimming, track, tennis and golf sports in which all school can send teams to a national tournament, points were awarded according to official NCAA tournament standings.

There is no playoff in football, so the final

Associated Press poll was used. Only four top teams could be ranked in a definite order in basketball, and the final 16 teams were taken from the AP poll.

The same method was applied in baseball, where only the top two teams could be ranked in a definite order, and the final 18 teams were taken from the Collegiate Baseball News' poll.

Southern Cal's margin was much less than in last year's first place showing, when the Trojans scored 112 points and finished 34 points ahead of runnerup UCLA.

Williams noted that the overall standings were closer

THE BEST PART OF THE DAY—The favorite part of Lenoir City's football practice sessions appear to always be the break time, when crushed ice balls are given out to refresh the tired Panther personnel.

Loudon's Coley Runs Wild Over Luttrell In AABC Tourney

Loudon bounced back in the first round of the loser bracket to jump moving up to third with 60 points. The Soomers, of the Big Eight Conference, were second in football, fourth in baseball, fifth in wrestling and 10th in tennis.

Two Pacific Eight schools, Stanford (52) and Washington (49), were fourth and fifth, respectively.

Tennessee, of the Southeastern Conference, was the leading school out of the Mississippi River, finishing sixth with 48 one-half points.

Following Arizona State (48) and Oklahoma State (42 one-half) were two new entries into the survey's top 10. Southern Methodist (41) and Georgia (40 one-half) were ninth and 10th, respectively.

Texas headed the second 10 with 40 points, followed by Houston (38 one-half), North Carolina (35 one-half), Florida and Indiana (33), Michigan (32), Penn State (30), Minnesota and Pennsylvania (28), and Trinity (24).

Jack Cox hurled the victory for Loudon with a sparkling three-hitter. The pitching performance was probably one of Cox's best of the season as he failed to hamper his pitching with wildness he experienced in several games this summer. Cox walked four and struck out five in posting the win.

The unsung hero of the game had to go to Loudon's spirited catcher Mack Coley. Coley, a Madisonville native and first line receiver for Cleveland State Community College, scored two of Loudon's three runs for the game.

The stocky batterman got a hit with two out in the fourth inning and circled the base paths on Luttrell errors as he stole second and advanced to third on the throw down. He

scored on a wild pitch. Luttrell had taken a 1-0 lead in the top of the inning.

Coley again rescued the Merchants in the bottom of the seventh with a lead-off walk. A wild pickoff to the first baseman sent Coley to second and when the relay throw to second base skipped into the outfield Coley raced all the way to a sliding safe call at home plate. Luttrell had again taken a lead over Loudon in the top of the seventh and final inning. Coley's wreckless play upset the Luttrell pitcher and he uncorked a hit to David Hightower. Hightower went to second on Bobby Russell's ground out and rode home with the winning run when Gene Rattledge delivered a base hit.

Loudon got five hits for the game with Sam Darcy Coley, Hightower, Bobby Russell, and Rattledge all collecting one hit each.

Merchants Eliminated From Stan Musial Play

Danny Russell returned home to pitch a five hitter in the loser bracket finals of the Stan Musial AABC Tournament Saturday against the Knoxville Merchants, only to lose 4-1.

Loudon managed but two hits off University of Tennessee hurler Bob Whittesley for the day. Lenoir City's

Tommy Cook, through with his Cousin Mack Season, played for Loudon and got a triple and scored Loudon's only run in the sixth inning.

The Knoxville team scored three runs in the third and three in the fourth inning and Loudon's chances of reaching the Stan Musial State Tournament.

Hank Arron Sets Homer Record

Hank Aaron of Atlanta broke one of Babe Ruth's home run hitting records Sunday in major league baseball.

Not THE career mark of 714, but the 558 for most homers with one club that the immortal Babe set with the New York Yankees.

In doing it, Aaron connected for two homers to lead Atlanta to 4-3, 10th inning victory over Cincinnati that snapped a seven-game losing streak for the Braves.

Hank Arron Sets Homer Record

Yes, it is no secret to anyone that boating is fun as long as it is kept safe. The Tennessee Game and Fish Commission urges you to have fun boating but always remember - boating safely is the responsibility of all who use the waterways.

It was No. 461 for his career. 23 sons of Ruth's 714, 55 of which came when the Babe played with the Boston Red Sox and old Boston Braves.

THANKS

I wish to THANK EVERYONE who voted for and elected me as a member of County Court from the First and Fourth Districts. As I pledged before, I will try to be objective about all proposals and vote in the best interest of the county and taxpayers.

Boyd Duckworth

Justice Of the Peace

I Thank You

I appreciate you, the voters, for returning me to the County Court for another term representing the First and Fourth Districts.

Game & Fish TODAY

By Sgt. Bob Harmon
Game & Fish Commission

Nanny, a female fawn, even though a cripple, has and leads a wonderful life—thanks to the mothering of Mrs. Karl Rogers, wife of the Chuck Swan Wildlife Management Area Manager.

While a field on Chuck Swan was being mowed, Nanny, just a day or two old, jumped up in front of the mowing machine and had all four feet cut off. Karl brought the fawn, in bad physical condition and in shock, to his home and turned it over to his wife, Mrs. Rogers, having been connected with wildlife for twenty-three years through the work of her husband, know what to do. She not only had to doctor it back to health but also had to teach it to take milk from a bottle.

Today, Nanny is a well and healthy deer, enjoying food prepared by Mrs. Rogers and grazing in the yard around the Rogers' home. She is not capable of running and leaping as other deer do, but does get around on her crippled legs.

Mr. Rogers is even thinking about making shoes for Nanny so she can walk better.

This is just one of the many jobs that the wives of Game and Fish personnel have to do.

running lures and minnows. Crappie and stripes - fair, still fishing at night under lights with minnows. Bluegill - good on worms and crickets.

NORRIS TAILWATER
Trout - extra good when water is off, using corn and worms.

DOUBLAS LAKE
Water conditions - clear and falling.

Bass - good, casting rocky points with plastic worms and night crawlers, early and late. Catfish fair on night crawlers and shrimp, still fishing deep at night. Crappie - fair, using minnows at night under lights.

DOUGLAS TAILWATER
Water conditions - clear and fluctuating.

Catfish - good, still fishing with cut bait and night crawlers. Crappie - fair on jugs and minnows.

Trout fishing - good on Pigeon River on corn and spinners.

FT. LOUDOUN LAKE
Water conditions - murky and fluctuating.

Bass - fair on topwater lures, early and late; also, rubber worms deep. Crappie and stripes - good, under lights at night with minnows. Also, some stripes being taken in breaks on spoons. Bluegill - good on worms and crickets.

WATTS BAR LAKE
Water conditions - murky and rising.

Stripes and crappie - fair, still fishing with minnows at night under lights. Bluegill - fair on worms and crickets.

MILTON HILL LAKE

BEST OF SHOW—Odie Vairs of Loudon is shown with his coon dog, "Southern Lady", which won The Best of Show, Female, and second place Registered Class in the Blount County NKC Coon Hunt last weekend.

Speaking Of Sports - - - -

(Continued From Page 9)

this fall. The Vols will lose 23 seniors this fall and with senior lineman of All American status it would be a difficult chore for a sophomore to see extensive playing time and thus a player of Lane's abilities would be wasted for the season. Of course if injury to sure starters prevailed then Lane could be quickly called into action but for the present he is understood to be listed as a red-shirt candidate with a bright future.

Philadelphia Has Police Officer

For the first time since it was incorporated the City of Philadelphia has its own full-time police officer. Mayor Roy

Bledsoe this week announced the hiring of Frank McKenzie who has law enforcement experience in Blount County.

NEW PHILADELPHIA OFFICER—The Philadelphia Community of Loudon County has finally been provided with every day law enforcement. Shown in picture is the newly acquired police cruiser and most recently hired officer Frank McKenzie.

Health Council Meeting Scheduled

The first annual meeting of the Loudon County Health Planning Council will be held in the Lenoir City Utility Building auditorium on August 12 at 7:30 p.m.

Dr. John Tainter, the chairman of the East Tennessee Health Planning Council, Inc. will be the speaker. This council is the Health Planning Council for the 16 county area which makes up the East Tennessee Development District.

The main business of the evening will be a report from the nominating committee and the election of officers.

Mrs. Pressly, chairman of the Loudon County Health Planning Council, states that this meeting is open to the public and everyone is invited to attend.

Saturday, August 12, at the old school grounds. A covered dish lunch will be served at 12 noon. Everyone is invited to attend.

Reunion Slated

The Jackson School alumni will have an all day reunion

Dinner Benefits Cemetery Fund

BY CALVIN LUNSPORD
 The Philadelphia Cemetery Committee, which has been active for three years, and was organized for the purpose of cleaning up, restoring and maintaining the Historic Philadelphia Cemetery, will

serve a ham dinner with all the trimmings on Saturday, August 12 between the hours of 3 and 6 p.m. The price will be \$1.50 for adults and \$1 for children.
 Over the period of the past three years, the Committee has been able through contributions and fund raising efforts to completely clean up the cemetery and replace grave markers which had fallen during the passing years. At present most of the needed improvements have been made with some things yet to be completed, and this is expected to be attained in the very near future.
 The Committee and the

townspeople feel that in order to assure the needed care for the Cemetery in the future, some type of revolving program should be put into action.
 Roy Bledsoe explained that it is hoped that a perpetual care program could be initiated and that they already had some contributions allotted to this program. He expressed his and the committee's appreciation to all those who had worked hard and made contributions to make this project a success to date. He emphasized the need for continued support in order to make the perpetual care program a reality.

Thanks Voters

FOR THE FINE VOTE OF CONFIDENCE YOU GAVE ME IN THE GENERAL ELECTION.

THANK YOU
Emmett Carter
 Property Assessor

To The Voters Of Loudon County First District

I wish to express my sincere appreciation for the fine support I got in the General Election. I received a big vote and I want to say many thanks for your confidence and trust in me to re-elect me for your Constable for the next two years.

Thank You,
O'Dell Justice

Watson Assigned To Lowry AFB

Airman Edward L. Watson, son of Mr. and Mrs. Jasper O. Watson of 822 Rosedale Ave., Loudon, has been assigned to Lowry AFB, Colo., after completing Air Force basic training.
 During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.
 The airman has been assigned to the Technical Training Center at Lowry for specialized training in the armament systems field and is a 1970 graduate of Loudon High School. His wife, Elizabeth, is the daughter of Mr. and Mrs. Ott Ellison at 341 Pope Ave., Athens.

BACK IN THE GOOD OLD DAYS

I would venture a guess that most of us from the Good Old Days could say that we knew how to milk a cow. In those days, even a lot of our people who lived in town kept a cow. It was for many years the only source of fresh milk. It was long before the present day of letting your grocer buy your milk man.

A lot of our boys grew up on the farm and milking was twice daily routine with them, and part of their daily assigned chores around the farm.

Every once in awhile we have a first in the Good Old Days. What we mean is we have a picture that is different

from any we have ever had before. Of course, we have mentioned the art of milking a cow here before, but have never had a picture of the event taking place. We believe this picture shows some young boys teaching each other the art of how to milk a cow. Just who is telling who, we don't know. But the young man at the controls is none other than Tom E. Matlock of Union Carbide. The students or instructors, which ever the case may be, are (standing) Charlie Price and (kneeling) Jim Price. All of these boys are now grown and fitted into varied fields of industry, education, etc.

Another picture we have this week is of Mr. Bart Green of Lenoir City. We believe this is a military uniform, but are not sure. If it is, it must likely be of World War I vintage. It could be a military school uniform. Maybe some of our readers can help us. Sometime back we had a call from a Mrs. Green of Lenoir City, misplaced the number and are requesting the call again.

We have a family group picture this week that we are positive someone in our area can identify. We can't recall who loaned it to us and we don't have any identification with it. So, again, we would greatly appreciate a little help on this one.

When it comes to bragging about Loudon and our area, I am always giddy and proud of it. As I have said many times, this is a wonderful place to live. This reminds us of something we had mentioned to us the other day. Someone, who was new in our area, said to me, it looks like as many farmers as you have in this section, that somebody would come up with an extra large vegetable of some kind. Well, we have had some over the passing years that were pretty good size. This person was from another state (and it wasn't Texas) where he stated that they grew whoopies in about anything you could think of. So, if you, one of our local farmers or gardeners, have produced something that could be classed as unusual, give us a call and we will come running with our camera and take a picture of whatever it is. This would be one way of proving the ability of our

people and our rich farmlands.

We know a lot of our readers have watched or have children who have watched the old TV show "Howdy Doody". Well, we didn't know till the other day that a good friend of ours, Ross Bagwell, was an associate producer of this show. Ross is now an advertising executive in Knoxville. Ross is closely related to the Frank Berry's of Loudon.

Well, that's it for now. See you next week.

THE VOTE I RECEIVED IN THE GENERAL ELECTION WAS THE BEST I HAVE EVER HAD. I APPRECIATE YOUR VOTE OF CONFIDENCE VERY MUCH AND WILL TRY TO GIVE YOU THE KIND OF LAW ENFORCEMENT YOU HAVE THE RIGHT TO EXPECT.

RESPECTFULLY,
Freeman Russell
 Sheriff

DISCONTINUED AMBULANCE SERVICE:

The following will discontinue Ambulance Service on November 15, 1972

- Click Ambulance Service, Lenoir City, Tenn.
- Hawkins Ambulance Service, Lenoir City, Tenn.
- Karnes Ambulance Service, Loudon, Tenn.
- Hawkins Ambulance Service, Loudon, Tenn.

Due to the Federal Highway Safety Act of 1966, the State Laws passed to conform with the Federal Highway Act, we find that it is impractical to provide ambulance service.

The laws passed to date not only carry a financial penalty but also carry an imprisonment sentence if not strictly complied with.

We suggest that the only feasible method to give ambulance service in each county or area would be to consolidate all ambulance service under one governmental organization so that organization could receive aid from Federal, State, and/or Local government, such as County Court, Rescue Squads, Fire Department, Hospitals, etc.

We, as Funeral Directors, have up to this date attempted to give the best possible ambulance service at the lowest possible cost.

We regret we must discontinue ambulance service for the above stated reasons. We tried to work out matters with Loudon County Court, but it would not cooperate.

We would advise the citizens of Loudon County to contact your County officials and express to them the serious need of action as your County will not be without ambulance service when we discontinue the services on November 15, 1972.

In addition to the Loudon County Ambulance Services are the following, which will discontinue ambulance service:

Name	Address	By Whom	Name	Address	By Whom

National Camp Ground Centennial Service Set

The 100th consecutive year of interdenominational Gospel Meetings will begin on Friday evening at 7:30 at the National Camp Ground with Dr. Hayden Laster of Maryville preaching each evening. Mr. Don Brakebill of Maryville will be song leader with Mrs. Don Brakebill at the piano. The services beginning Friday evening Aug. 5 will continue through Sunday, Sept. 3.

The National Camp Ground meetings have been a focal point of interdenominational cooperation for a century. This emphasis on Gospel preaching and Gospel singing in the bend of Unity began shortly after the war between the States and served to help bring peace and reconciliation during those divisive and destructive days. The Historical Society of Tennessee has approved the Camp Ground for special recognition. A cordial invitation is extended to every one in the area to remember the meetings in prayer, attend the meetings regularly, invite others to share in this unique ministry.

In addition to the regular evening services there will be services each Sunday at 2:30 p.m. and on Sunday Sept. 2 an 11 o'clock service followed by dinner on the ground.

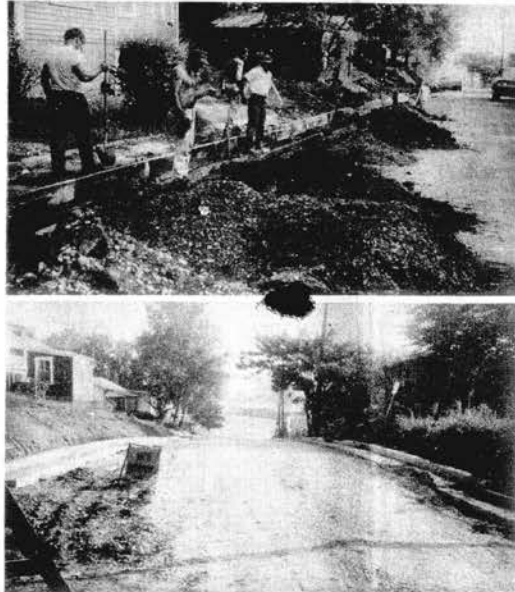

Plans which were formed at the meeting of committee members at the National Camp Grounds three weeks ago have just about been completed, and committee members are hopeful of having the largest crowds and most successful meetings the Camp Grounds have seen in many, many years.

Since the meeting beginning Friday, Aug. 25, will mark the one hundredth time services will be held at this spot since those first meetings were held here in a tent in September, 1873, many churches in the area will send members to take part in the services this year.

VOLUME 87, ISSUE NUMBER 33

LOUDON, TENNESSEE, THURSDAY, AUGUST 17, 1972

TEN CENTS PER COPY

COLLINS STREET WIDENED—A major street improvement project that has faced city officials in Loudon for several years is now underway. Collins Street, which leads into Pathkiller Trail where the 50 unit low rent housing project is located, is being widened to allow for the easy flow of two way traffic. The completion of the project, shown in the two photos above will eliminate residents of the project from having to cross Southern Railway tracks at a hazardous place where vision is restricted. The project will take several weeks to complete.

Loudon Adopts \$364,589 Budget; \$1.52 Tax Rate

Loudon City Commission Monday night adopted a record \$364,589 fiscal year budget and established a tax rate of \$1.52 per hundred assessment based on a 40 percent evaluation.

The new tax rate is 20 cents below that of last year but an increase in the assessment from 35 to 40 percent offset the decrease. City Administrator Gary Gensley said the new tax rate will make taxes in the city virtually the same as they last year.

A breakdown of the budget, revenues and expenditures is published elsewhere in this issue.

Mr. Hensley said that the City of Loudon property owners enjoy one of the lowest effective tax rates in East Tennessee for a community of its size. He said that many cities have tax rates about the same as Loudon but have service charges on garbage and other services that offset the difference.

The budget and the tax rate was adopted on unanimous vote of the Commission. Commissioner Hamill Carey presided over the meeting in the absence of Mayor Joe Carter, who was reported ill.

Mr. Hensley, who was returning from a two week vacation from Maine, reported that there were no new developments on the city park and swimming pool project, but that he had received two new drawings of proposed layouts of the \$200,000 facility that the city hopes to have in operation next summer.

In relation with the pool-park complex the Commission passed on second reading a resolution incorporating the property where the complex will be located, adjacent to Loudon High School, into the city corporate limits.

Public Hearing On Connector Next Week

Local residents will get a chance Aug. 24 to help the Tennessee Department of Transportation select a location and design for the Sugar Almb Road connector from Interstate 75 to State Route 2 in Loudon County. Commissioner Robert F. Smith announced today.

Smith pointed out that an interchange was approved in 1971 at this location by the Federal Highway Administration with the condition that a suitable connector would be provided.

The department proposes to construct two 12-foot-wide traffic lanes with eight-foot-wide shoulders and a five-foot-wide drainage ditch within a minimum right-of-way 50 feet wide. Access would be provided to all county roads and to all abutting properties, the Commissioner said.

The department hopes to begin construction of the 2.2-mile project next year at a cost of \$446,000. Right-of-way acquisition is expected to add additional \$91,000 to the cost, Smith said.

Representatives of the department will be afforded to all persons in attendance to participate in the process of determining the need for and the general location of the proposed project; to provide the department with factual information which is pertinent to the determination of the specific location and major design features; and to present views on the social, economic, environmental and other effects of the foregoing matters so that the project will best serve the public interest. Written statements and other exhibits in place of, or in addition to, oral statements made at the hearing may be submitted to Henry Buckner, department attorney, Department of Transportation, Highway Building, Nashville, Tenn. 37219, within 10 days following the date of the hearing.

Air Conditioner Taken At Church

A window model air conditioner was stolen from the nursery window of the Union Fork Creek Baptist Church sometime Friday night, according to reports at the Loudon County Sheriff's Department.

Deputy J. C. Hammetree said that nothing else in the church was disturbed, apparently the thieves were only after the air conditioner.

Civitan Horse Show Saturday

Some 200 entries are expected for the Loudon City Civitan Club's Annual Horse Show, scheduled for 7 p.m., Saturday, August 19, a club official said this week.

The show will feature 19 classes and will be judged by Harold Terry of Upton, Ky. The show is sanctioned by the East Tennessee Horse Show Association.

Two Land Suits Are Decided

The summer term of Circuit Court ended last Friday with 11 non jury cases being disposed of by Judge Willard Kittrell. Earlier in the week two more Interstate 75 land condemnation suits were tried before jurors.

In the case of the State vs. Robert and Anne Lee Barr the jury awarded \$12,000 for 15.5 acres of land taken, found \$4200 in damages which were wiped out by \$30,000 in incidental benefits, thus leaving the judgement at \$9,000 for the land.

The other case involved 15.26 acres of land owned by the County Court. The land judgement was \$8,947 followed by an additional judgement of \$800 for incidental damages for a total of \$14,747.

Circuit Court Judge Billy Joe Atkins said that all of the condemnation suits involving 1.75 in the county have now been filed and some 28 to 30 are there and now ready for docketing and trial in coming months.

Officials May Keep New Hours

Loudon County officials, with offices in the courthouse, announced this week that they are considering extending the present summer hours schedule of the courthouse.

It is understood that the new schedule of being open until 6:30 p.m. on Monday, and until 5 p.m. on Tuesday, Wednesday, Thursday and Friday, and closed all day on Saturday, has caused little if any conflict and is favored by most of the county officials.

Judge Defends Court Action On Ambulance Service Problem

In a prepared release issued by his office this week, Loudon County Judge Harvey Sprout disagreed with a statement carried in an advertisement published last week by ambulance service operators in Loudon County that the county court had not cooperated in finding a suitable ambulance service for the county before the funeral directors had to set a deadline to terminate service. The funeral directors announced that as of November 15 of this year they would cease answering ambulance calls in the county.

Judge Sprout reply to their mention of the court being uncooperative reads as follows:

"Approximately sixteen months ago the Loudon County Funeral Directors Committee to study the situation. This Committee was assisted by staff members from the State Planning Commission Office in Knoxville.

"A thorough study was made of the entire situation, with particular study being (Continued on Page 8)

Guns Taken From Greers

Sometime late Monday night or early Tuesday thieves entered Greer's, Inc. in Loudon and made off with more than a \$1000 in merchandise.

Loudon Police Chief John Lennox said that the thieves used a ladder to get onto the roof of the building and then broke out a skylight to get into the store.

Reported taken were eight or nine shotguns and rifles, a large number of name brand watches of pocket knives.

\$3 Million Watershed Project Nine Dams To Control Sweetwater Creek Flooding

The Sweetwater Creek Watershed Project, approved last week for a \$1,900,000 federal grant, will cost a total of \$2,980,000 when completed and will consist of nine retaining dams, according to Sweetwater Creek Watershed District President S. F. Owen.

Mr. Owen stressed that the project is not a government project, but a local project in which all authority invested in the Watershed Board. The Board will let bids for the nine dams and the channel work as the completed it will be the largest of its type in East Tennessee and according to Mr. Owen it will be the first time that the people of the Sweetwater Valley had had the opportunity to rid themselves of periodic flood conditions caused by overflow waters from Sweetwater Creek, a condition that has existed since the Rev. James Asley in 1820 came the Valley and built his home near a big spring that is now the City of Sweetwater.

Sweetwater Creek runs through Philadelphia and on just north of Loudon and empties into the Tennessee River. The Creek is known for overflowing its banks and several times has forced the evacuation of several homes in Philadelphia and made much land along the creek unusable.

Members of the Watershed Board, other than Mr. Owen are Roy Bledsoe, Gall Hein, Sam Barr, Fred Chester, Roy Godsey, August Hadorn, Charles McCosh, and Sam Thomas.

It was in the spring of 1959 that a group of citizens from Monroe, Loudon and McMinn Counties met at Sweetwater and voted to organize the Sweetwater Creek Watershed District. The group received State Charter in June of 1959.

One of the principal reasons for organizing a watershed was to secure federal assistance in preventing periodic flooding conditions of the Valley by overflow waters from the creek that plagued the cities of Sweetwater and Philadelphia.

In the summer of 1960 the State Conservation Committee granted planning assistance for the project and a survey was begun by the SCS to determine the feasibility of the project.

After many months of work by surveyors and engineers the Board was advised by the chief of the planning party that federal assistance could not be granted because the cost of the project exceeded the benefits, but the board still determined, kept the organization active and hoped that something would happen. In 1966 it did. The board was advised by the State Soil Conservation Service that

the landowner as well as the water impounded. Mr. Owen said that most land owners have given the right to have the dams built on their island or have indicated they will do so. Federal funds will be supplied by the U.S. Department of Agriculture through the Soil Conservation Service for engineering, surveying, construction of the dams, dredging and sloping the banks of the creek, and preparing and seeding of the banks to grasses and clovers.

The Watershed Board will be responsible for securing easements to the land where dams will be constructed and for dredging and doing other work necessary to the creek channel. The Board is also hopeful of cooperation of the county highway departments for the relocation of roads and bridges covered by backwaters impounded by the dams.

Land where the dams will be built will continue to belong to

AID PHILADELPHIA PARK—The Bank of Loudon County and Carter Lumber and Builder Supply have jointly agreed to furnish funds and materials for the construction of a concession stand at the City of Philadelphia Park. Above Mayor Roy Bledsoe, left, points out to J.V. McNabb, Bank assistant vice president and Loudon Branch manager, and Bob Carter, where the concession stand will be built. The facility will be located adjacent to the lighted softball field at the park.

Susan Simpson Is Engaged

Mr. and Mrs. Homer Vaughn Simpson of Loudon announce the engagement of their daughter, Susan Vaughn, to David Ansel Watson, son of Mr. and Mrs. Ira H. Watson, Jr. also of Loudon.

The bride-elect is the granddaughter of Mr. and Mrs. Homer H. Simpson of Loudon and Mr. and Mrs. D.C. Milaps of Philadelphia.

Grandparents of the groom-to-be are the late Mr. and Mrs. George Price of Lenoir City, Mrs. Ira H. Watson, Sr. of Loudon and the late Mr. Watson.

The bride-elect attended the University of Tennessee and is presently employed by the First National Bank of Loudon.

The bridegroom-to-be attended Arizona State University and served two years as a medic in the U.S. Army. He is the manager of Watson Auto Parts.

The wedding is planned for November 4 at 7 p.m. at the Loudon United Methodist Church.

Tampa, Fla. The Lawhorn's accompanied her home for a visit with their parents, Mr. and Mrs. Ralph Murrell and Mrs. Jerry Lawhorn. The Jerry Lawhorns left Monday for Livingston, Ala. where they will make their home.

Mr. and Mrs. Clinton Morgan and Jerry of Nashville have been visiting their mothers, Mrs. Fred Miller and Mrs. Mary Lee Morgan. Mrs. Morgan accompanied the Clinton Morgans to Thomasville, N. C. for a weekend visit.

Mr. and Mrs. Charlie Miller had as their guest Friday and Saturday, Mrs. Ed Hodge.

Mr. and Mrs. Jack Bradshaw of Akron, Ohio are visiting Mr. Bradshaw's sister and brother-in-law, Mr. and Mrs. Jim Green and other relatives.

Mr. and Mrs. Rex Burnette and Kim spent the weekend in Greenville visiting Mrs. Burnette's mother, Mrs. Mary B. LaRoe and other relatives.

Mr. and Mrs. Gary Hensley and Mrs. Albert Horner of home after vacationing on the North Eastern Coast.

Mr. and Mrs. Evan Forshoe attended the Woody Reardon held Sunday at Roane County Park.

Mrs. Ed Hodge spent last Thursday night with her sister, Mrs. Ed Randolph and Mr. Randolph in Sweetwater.

Mrs. Mike O'Shell has returned to her home from UT Hospital where she was a patient for several days.

Mrs. Bertha Halcomb spent Sunday with Mr. and Mrs. Will Brooks.

Mr. and Mrs. F. H. McJunkins visited Sunday with Mr. and Mrs. William Blankenship.

Those visiting Sunday with Mr. and Mrs. Alfred Bledsoe were Mr. and Mrs. Kenneth Hodge and Lance of Etowah, Mr. and Mrs. Earl Hope and Kelley of Madisonville and Mr. and Mrs. Hodge Longmire of Granger County.

Mrs. Ed Hodge and grandparents, Ronnie, Robert and Greg

Hodge, who have been visiting from San Bernardino, Calif. spent last Monday with Mr. and Mrs. Milton Oran in Sweetwater. Ronnie, Robert and Greg left last Thursday for Atlanta, Ga. for a two weeks visit with their aunts and uncles, Mr. and Mrs. Archie Watkins and Mr. and Mrs. Floyd Craig before flying back home.

Visiting last Thursday with Mrs. Myrtle Graham were Miss Mary Ann Deane, Graham and Mrs. Rebecca Thompson Graham of Tullahoma and Mrs. Gladys Lord of Knoxville.

Adm. Blair and Mrs. Ann Webster and Jeannette have returned to their home in Vallejo, Calif. after spending their vacation here with Mrs. Mary Lou Blair and family.

Mr. and Mrs. Benny Arp and family of Sodus-Daisy are spending this week with Mr. Arp's parents, Mr. and Mrs. Paul Arp and grandmother, Mrs. Charles Taylor.

Mr. and Mrs. John Little of Cleveland were weekend guests of Mrs. Thill's parents, Mr. and Mrs. William Jones.

Mrs. DeFord had as weekend guests Mr. and Mrs. Bill Pressly of Hickory, N. C.

Sidney and Marsha Sherrill of Little Jennifer Vittatoe of Lenoir City is spending a few days with her great-grandmother, Mrs. Rosa Balcumb.

Mr. and Mrs. Tom White and Andrea returned Monday to their home in Old Hickory after spending several days at their cabin on Watts Bar Lake.

Mr. and Mrs. Harry Goodman had as their overnight guests last Wednesday Mrs. Billy Beach of Lewisburg and Mrs. Richard Brook of Carthage.

Mr. and Mrs. Kenneth Hooker and Cindy were here from Hendersonville, N. C. for a weekend visit with their mothers, Mrs. Fred Miller and Mrs. John Hooker.

Sherrill, Debbie and Terry Crumley of Greenville are visiting this week with their aunt, Mrs. W. Horner. Also visiting over the weekend with the Horner's were Rev. and Mrs. P. H. Horner of Pulaski, Va. and Albert Horner of Yorkston, Md.

Yastan Wayman of Philadelphia and Mr. and Mrs. Danny Wayman and Curt are visiting this week with Mr. and Mrs. Howard Wayman and family in Rockford, Ill.

Michael White of Old Hickory came Sunday to spend a few weeks with his grandparents, Mr. and Mrs. Dock White.

Mrs. Kenneth Howard visited last week in Maryville with her sister, Mrs. Beulah Rhyme who is seriously ill.

Howard Russell of High Point, N. C. spent the weekend here with his family.

Butch Craig came from Atlanta for a weekend visit with his parents, Mr. and Mrs. Garin Craig.

Mrs. Fred Miller attended the birthday dinner last Sunday for Mrs. Dale Blevins of Chattanooga at Union Carbide Park.

Mr. and Mrs. Paul Arp attended the Sweet and Niles Wedding Saturday evening at Central Baptist Church in Bearden.

Mr. and Mrs. K. W. Smith have returned to their home in Spartanburg, S. C. after spending last week with Mrs. Smith's sister, Mrs. Norman McQueen.

Mr. and Mrs. Clint Hampton and daughter, Sherrill returned to their home Saturday from Fort Sanders Hospital after being a patient there for several days.

Mr. and Mrs. Jim Tinker and Sharon and George Tinker of Madisonville visited Sunday with Mr. and Mrs. Luke Everett.

Mrs. George Martin of Philadelphia and Mr. and Mrs. Homer Bolt and Heather visited Sunday with Mr. and Mrs. Robert Martin, Pam and Anita in Corroyan. Anita accompanied them home for a visit.

Mr. and Mrs. Lewis Meadows and sons of Old Hickory are spending a few days at the Tom White Cabin on Watts Bar Lake.

Mrs. Allen Grubb, Joe and John Grubb of Atlanta, Ga. were weekend guests of Mr. and Mrs. Kenneth Howard.

Mrs. C.L. Knight returned Sunday to her home in Knoxville after visiting for several days with her daughter, Mrs. E. R. Webster and Margaret Ann. Also

visiting Sunday with the Websters were Mr. and Mrs. Arthur Knight of Knoxville.

Mrs. George Smalinger spent last week in Knoxville with her children, Mr. and Mrs. Charles Hamilton and Mr. and Mrs. Bob Adair in Smyrna and returned to Atlanta.

Mrs. Jane Stanford and daughter are home from a three weeks stay in Florida.

Mrs. and Mrs. Raymond Presley and Mrs. Evelyn Satterfield were in Nashville recently to see Opreland.

Mr. Fred Largent and daughter, Beth and Mary Ann Parloriah of Chicago were in New York for a week and came here last Tuesday for a vacation. Mary Ann returned home Saturday by plane.

Mrs. Sam Hobbs and daughter came from North Carolina last Wednesday to take Mrs. J. G. Taylor to visit the Sam Hobbs family and Mr. and Mrs. Baxter Hobbs for a few days.

Mr. Owen Arden, nephew of Mrs. J. B. Beale of Lenoir City visited with them recently.

The Largen Family had a picnic lunch at the home of Miss Ava Largen, Sunday. Those present were Mrs. Charlotte Motlow, Tullahoma, Mr. and Mrs. Odon Largen and Miss Wilma Brown, Lenoir City Road, Mr. Fred Largen and Beth, Chicago, Mr. and Mrs. Ewell Largen, Maryville, Mr. and Mrs. Howard Largen, Loudon, Mr. and Mrs. Tommy Largen, David and Ruth, Erie, Misses Ann and Ricky Henderson, Racheal Huff, Circle president, presided over the business.

Mrs. Charles Dachel and Bart of Memphis are visiting with Mr. and Mrs. Curtis Murr and Monty and Mrs. George Williams.

Mr. and Mrs. Elmer Luts of Waynesboro, Tenn. have been recent guests of her brother, Mr. W.G. Howe and Mrs. Howe.

Mrs. E.A. Lowe and grandson, Bill Lowe, have returned home after a visit in Vincent, Ala. with the Lowe family.

Miss Karen Nelms celebrated her birthday Thursday with Jane Stafford, Racheal Mincey, Susan Johns, and Donna Nelms at Holiday On Ice and Shakesy's.

Mr. and Mrs. Bill Agee of Johnson City spent the weekend with Mrs. John Winkle.

The Arp relatives had their annual reunion with a picnic lunch Sunday at the C. H. Arp Farm. Mr. and Mrs. C. H. Arp and family of Hixon and Mr. and Mrs. John Smith and son from Ruggold were among those here.

Philadelphia Personals

Mrs. Nora Lee Young was the guest of Mr. and Mrs. Jerry Collis and son in Marietta, Ga. during her week vacation and also visited Mr. and Mrs. Bob Adair in Smyrna and returned to Atlanta.

Mrs. Jane Stanford and daughter are home from a three weeks stay in Florida.

Mrs. and Mrs. Raymond Presley and Mrs. Evelyn Satterfield were in Nashville recently to see Opreland.

Mr. Fred Largent and daughter, Beth and Mary Ann Parloriah of Chicago were in New York for a week and came here last Tuesday for a vacation. Mary Ann returned home Saturday by plane.

Mrs. Sam Hobbs and daughter came from North Carolina last Wednesday to take Mrs. J. G. Taylor to visit the Sam Hobbs family and Mr. and Mrs. Baxter Hobbs for a few days.

Mr. Owen Arden, nephew of Mrs. J. B. Beale of Lenoir City visited with them recently.

The Largen Family had a picnic lunch at the home of Miss Ava Largen, Sunday. Those present were Mrs. Charlotte Motlow, Tullahoma, Mr. and Mrs. Odon Largen and Miss Wilma Brown, Lenoir City Road, Mr. Fred Largen and Beth, Chicago, Mr. and Mrs. Ewell Largen, Maryville, Mr. and Mrs. Howard Largen, Loudon, Mr. and Mrs. Tommy Largen, David and Ruth, Erie, Misses Ann and Ricky Henderson,

Racheal Huff, Circle president, presided over the business.

Bright-Lavender Vows Exchanged

The bells of Calvary Baptist Church of Lenoir City were rung following the wedding ceremony of Miss Priscilla Ann Bright of Lenoir City and John Bruce Lavender of Memphis. They were united in marriage August 5, at 7 p.m. with the Rev. A.A. Carlton performing the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. John H. Bright of Lenoir City. The bridegroom's parents are Mr. and Mrs. John W. Lavender of Jonesboro.

Nuptial music was presented by the groom's sister, Mrs. Charles Scott, organist, of Laurel, Maryland. Greenery and candles decorated the sanctuary of the church for the ceremony. Given in marriage by her father, the bride wore a gown of white silk organza trimmed with venise lace. The gown featured a lace bodice with a square neckline and full lantern sleeves ending in wide cuffs of lace. A skirt of softly gathered organza edged with lace fell from the high-rise waistline. The bride's matching mantilla flowed into a chapel-length train. The bride's bouquet was a cascade of white roses with other white summer flowers intermingled.

The maid of honor was Patricia Bright, sister of the bride, from Atlanta, Ga. Bridesmaids were Mrs. Samuel Ramsey and Miss Peggy Turner of Knoxville and Miss Janet Walker of Lenoir City. Junior bridesmaid was Miss Teresa

Greenback Community News

Mrs. Irene Riggs of Chattanooga is the guest of her daughter, Mrs. Joe Greenway and Mr. Greenway.

Mrs. Harriet Coffman and daughter Mrs. Jim Owen of San Diego, Calif. also Mrs. Glen Evers and Mr. Evers of Warsaw, Ind. are guests of

Bright, niece of the bride, from Lakeland, Florida.

For her attendants, the bride chose gowns of pale yellow crepe. The gowns featured scoop necklines, short puff sleeves and skirts which formed soft trains in the back. Bands of lace accented with flowers trimmed the empire waists and sleeves. They carried baskets of summer flowers.

Best man was Michael of Memphis. Groomsman were Jerry Bright, brother of the bride, of Knoxville, Bill Hecker of Johnson City and George Woolwine of Jonesboro.

The mother of the bride was dressed in mint green, with matching accessories and wore an orchid corsage.

The groom's mother was dressed in apricot and wore accessories and were an orchid corsage.

The reception, given by the bride's parents, was held in the Fellowship Hall of the church. Assisting with the reception were Mrs. Michael Hecker, Janie Dutton, Mrs. David Denton, Mrs. Eddie Click, and Miss Shelley Lynn, all of Lenoir City. Mrs. Millard Wilkerson, Jr. of Lenoir City kept the bride's book. The wedding was directed by Miss May Parker of Knoxville.

The newlyweds will make their home in Memphis where the groom is employed by Price Waterhouse and Company.

Out of town guests included Mr. and Mrs. Conrad Loy, Mr. and Mrs. Billie D. Sams, Mr. and Mrs. Charles Dean, Jimmie and Cammy, Mr. and Mrs. Paul Brown, Mr. and Mrs. Joe Millsaps, Mrs. Clarence Webb and Tracy, Dr. B.B. Your County In Action

BY HARVEY L. SPROUL
 LOUDON COUNTY JUDGE

I noticed in the Monroe Democrat that there was a little news story about a new law passed in the last Legislature concerning beer applications.

The story says that before any County Beer Board can issue a license or permit, it must cause to be published in a newspaper of general circulation a notice in which the name of the applicant and the address of the location for such license, and the date and time of the meeting in which application shall be considered, and it must be published at least 10 days before prior to the meeting.

There are other new laws of interest passed by the last Legislature, which I will refer to in the future if I have time and space.

The Cities could comply with the new sanitary landfill regulations, which they could not do in their old dumps.

Accordingly, the Quarterly Court acted in the only way that it could in order to comply with it.

We are continuing to have the usual "start-up" problems with the operation of the transfer station at the old County quarry.

In attempting to protect and assist our industries, and the feeling of the Quarterly Court all along has been to help the Cities and help the County people and to perform an additional County service.

The County was not performing any service at all to begin with, and so this is an added duty or obligation on me and the County Court to attempt to get a place that will serve the whole County for the disposal of solid waste.

Hopefully these problems can be worked out in the near future and the operation can be gotten on a smoother basis.

An item in closing concerns the feeling of several of our Court House officials that the revised summer closing hours which involved a few more hours of work on the part of County employees, but allows them to be off on Saturdays, should be continued.

Gannon Completes Course

Speaking of Sports

By DANNY GIBSON
Sports Editor

The Loudon County football fans will get an early kickoff with the annual Foothills Football Conference Jamboree just 10 days away. The Foothills Conference is made up of Greenback, Porter, Walland, Townsend, Lanier, and Friendsville.

The Cherokee will face Friendsville in the third quarter of the jamboree.

Five quarters of football are on the agenda with Porter and Lanier starting the night and Townsend and Walland finishing the first half. The Foothills Conference has also invited Maryville Everet to play Alcoa in the fourth stanza and Maryville and Oak Ridge are to cap the night of pre-season showing.

The annual event is slated for Maryville College football field. Starting time is 7:30 p.m. with gate price \$1.25.

The Foothills Conference has been dominated by Walland in the past few seasons, but a strong challenge is predicted to come from a veteran Greenback eleven this fall. All eyes in the "A" division stack up will be very observant of these two next Friday night.

Maryville is the sleeper in this fall's season start. The Rebels have no established stars with the ring of glory already marked to their cleats. The potent Rebs ("AAA") reportedly roughed up the tall feathers of defending "AAAA" Champs Bristol last week in a three way scrimmage at Carson Newman. The Bristol team concluded last year with a number two ranking among high school football teams in the nation. They are pre-ranked as fourth in this year's early poll. So opponents beware.

Cleveland is expected to once again show some speedy backs, but lack experience; thus the Blue Riders are not expected to be as strong as in the past years.

Kingston reportedly had 101 possible players or bodies out for the start of the Yellowjackets first workouts. The Regional runner-up of last year has cut the man power to 92 in leaving for Middle Tennessee State University for a week of away from home drills and instruction.

Harriman is also scheduled to attend the football camp with Kingston.

The University of Tennessee with player arrival date this Friday for the September 9 opener with Georgia Tech at Atlanta has been picked by national sports writers as the next Southeastern Conference football king. The Vols with an 11 game schedule and a UT first of a home night contest September 16 are positioned in the number nine slot nationally without ever popping a lick on the field.

The addition of seats to Neyland Stadium has

Loudon To Scrimmage Knoxville Webb Thursday

Loudon Redskins are picking up fall football practice with a zest of spirit and hard work. The Redskins are still uncertain at several positions with the season opener at Alcoa just 11 more practice days away. The team is in full gear at the present with leather popping at every point of the practice field. The offensive backs and the hitting of the defensive line certainly are beginning to take the form of a unit. Inexperience and youth will be the biggest obstacle Coach Bert Ratledge has to master for a winning season. Nevertheless the spirit and

determination are definitely on a high key. Loudon will travel to Knoxville Webb Thursday afternoon for a four way scrimmage. The hard nose competition in Knoxville should be of much importance as to who fills key starting berths. Both Gregg Watson and John Lovice are locked in a heated duel for the quarterback job left vacant by the graduation of Yancy Hampton. Both contenders are juniors and both have worked long hours over the summer in readying for the chance to direct the Redskins.

Mules Win Loudon Softball Tournament

The Kingston Mules avenged their second place finish to the Eaton Corporation softball team in the Sub-district playoffs last month by clipping the Loudon City diamond crew in the championship round of the Loudon Invitational Softball Tournament last week.

The Mules, winner of the Loudon City Softball League, started their drive for the title with a journey opening win over The Bank of Loudon County 6-4.

Eaton Corporation got a easier first round opponent with Lenoir Car Works and triumphed 19-1.

Bank of Loudon County, Smith Chair Company, Eaton Corporation, and the Mules made the final day of action as the double elimination affair begin to for the championship showdown.

The mules delt their first blow with a 12-11 conquest of the Eaton team. The Bank of Loudon County eliminated Smith Chair Company with an exciting 14-9 victory. Jack Nichols led the Bank hitting three home runs. Strange had three hits for the loss.

Eaton Corporation recovered to the tournament final with a 16-12 blasting of the Bank of Loudon County. Char'sers hammered out five hits for Eaton while Danny

Watkins and Hugh Watson were the best hitters for the Bank of Loudon County.

The Lenoir City team kept its momentum in the first game of the finals and evened the tournament record of the Mules with a 11-4 win. The victory left both teams with a single loss and set the stage for the playoff. Kingston jumped to a 2-1 first inning lead and never trailed in posting a 7-3 victory and their second Loudon Fall Invitational Tournament Championship.

WORKING OUT THE KINKS—Loudon's head football coach Bert Ratledge gives everyone a close eye in pre-drill warmups for the Redskins afternoon practice session. Thirty-eight players were dressed out for the varsity workouts that have been going on for the past week-and-a-half.

the Vols new seating capacity up and over the 70,000 count to be the 12th largest sports arena in the United States.

Loudon's Jake Lane is labeled to wear number 98 for the UT griders when fall practice starts.

Lomax And Swiney Continue To Climb

Union Carbide Golf Leaders Shutout

One of the most surprising weeks of Union Carbide Golf League play occurred last week. League leaders Hall Summers and Mike Oody were completely shutout from any team points as were runner-up Art Hamill and Dick Huff. Summers and Oody were fortunate enough to hold their pace setting position but Jack Miller and Ciel Miller eased into second place with a 119 team points. Huff and Hamill with 118 points are still very much in contention, but have fallen to third place.

The hottest team in recent weeks has been the charging play of Icky Swiney and Ted Lomax. The fourth place team gathered another big chunk of team points last week with nine. They now have 111 team points to date and only 11 off the lead of Summers and Oody. The nifty play of Swiney and Lomax in recent weeks has really been something considering they were 25 points out of first place in late June and gained but four team

points from June 22 through July 27, yet they have picked up some 20 team points in the past three outings and now are among the league top scores.

This week's schedule should throw some light into the snarl that has developed in the standings since the individual tournament break in July. Defending League champions Huff and Hamill will play the Miller team and only a point separates them from their two

present slots. Oody and Summers will be out to test the momentum Lomax and Swiney have put together also this week. If Swiney and Lomax are to challenge for the 1972 title they nearly have to edge their opponents to make their sudden surge beneficial.

Dave Hamill was the top individual in last week's action with a season low net of 81. His individual effort tied him with Dick Rosenbaum and Mike Oody for the lowest individual score recorded thus far this summer. Hamill plays as the league alternate filling team vacancies each week. He scored his low medal effort during the week.

Hamill's play enabled Jim Cardwell to match the efforts of Austin Scarbroough and Herb Hodge for low team and individual scores for the evening.

UNION CARBIDE GOLF LEAGUE STANDINGS

Game & Fish

TODAY

By Sgt. Bob Harmon
Game & Fish Commission

SMALL GAME PROSPECTS GOOD FOR COMING SEASON

Statewide surveys by biologists of the Tennessee Game and Fish Commission indicate populations of the four major small game species are all higher than last year.

"Our call counts and other surveys indicate squirrel, quail, rabbit and dove populations are all higher as a result of good breeding conditions, and we are expecting a very good hunting season for these birds and animals," Game and Fish Commission Director David M. Goodrich said.

Population estimates were made in June and July through use of the "Call Index" and observations.

Biologists are able to measure total population through use of either sample.

The dove call index increased 14.3 percent over 1971, while the latest observations averaged 2.18 doves per mile of observation route.

Both figures lead biologists to predict a better dove season than was experienced in 1971.

The quail call index was the highest on record since 1963 and represented an increase of 34.8 percent over last year.

Observations recorded a 33 percent increase (121 adult birds seen compared to 93 for last year along the same routes).

An unusually mild winter and the high samples indicate an above average quail population and point to an excellent 1972 season.

Rabbit observations have increased 42.2 percent above the 1971 index and some 30 percent of those seen were juveniles.

Based on the significant increase in rabbit observations and the large percentage of young, biologists are predicting a quail season as good or better than any of the past four.

Squirrel observations indicate population levels equal day to day of 1971, to those of 1965. The squirrel

population apparently has recovered from famine conditions that severely depleted their numbers in 1967.

Although early population estimates are subject to change before season opens due to extreme weather or other phenomena, Game and Fish Commission officials are confident population levels will remain high enough to offer a good to excellent small game season.

"Some 90 percent of our licensed hunters hunt small game, and we feel sure they'll find conditions to their liking this year," Game Management Division Chief Roy Anderson said.

Season dates and bag limits:

Squirrel - Zone I, September 1 - January 1; Zones 2 and 3, August 19 - January 1, 6 Daily, 12 in Possession.

Rabbits - All Zones, November 18 - February 10, 1972, 5 Daily, 10 Possession, Quail - All Zones, November 18 - February 10, 1972, 10 Daily, 20 in Possession.

Dove - All Zones, September 1 - 30; October 14-29; December 23 - January 13, Daily Limit 12, Possession 24.

WATERFOWL FRAME-UP WORK

OFFERS SEASON CHOICES

Members of the Tennessee Game and Fish Commission will meet at Nashville headquarters Thursday, August 17, 1972, to set the waterfowl season for this coming fall and winter.

The meeting is slated to start at 9:30 A.M. (CET). The Commission will decide upon one of two duck season options offered by the U.S. Department of the Interior, either of which may be taken between October 1, 1972 and January 20, 1973.

Option "A" offers a 50 day season with a daily bag limit of 4 ducks, only two of which may be wood ducks, while Option "B" provides for a 50 day season with a 6 duck daily limit. Under the second op-

Tennessee Hunters Warned To Check Rules

Tennessee hunters had best check signals before planning a trip to one of the state's

wildlife management areas this fall. In June, the State Game and Fish Commission adopted several policy changes for the areas, including ones which prohibit:

entry to a wildlife management area during a big game hunt by anyone other than a permit-carrying hunter.

the taking of buck deer with antlers less than three inches in length.

The changes were announced in April during a joint meeting of the G&F Commission and Tennessee Conservation League in

Atlinburg. At its summer meeting, at which time seasons and bag limits were established, the commission approved the measures with no apparent objection from sportsmen in the audience.

The off-road rule was adopted, according to Commission Director David Goodrich, because of damage to the land, possible injury to ground animals and complaints from "walking" hunters.

According to the present statute, operation of all cars, Jeeps, motorcycles and other motor vehicles on the area "will be confined to graded, surfaced and designated areas."

Driving off roads into woods, fields, foot trails or utility rights-of-way," also is now prohibited.

Deer hunters-most notably the archers-will be permitted to shoot only from portable tree stands. Under the new regulations, "the use of wire, nails or other metal materials in the building or attaching of hunting stands to trees" is illegal, as is hunting from a previously constructed one.

The commission specified, however, that portable stands which do not injure trees can be used as long as they are removed from the area after the hunt.

At the time of the adoption of the rule, commission officials explained that the measure was being considered because some

marketable trees were being ruined by nails and that an increasing number of hunters were being injured each fall and winter when they fell through the bottom of rotten or poorly constructed ones.

Entry by persons other than hunters was denied during big game hunts in order to help lower illegal kills, cut down the disturbance of hunters in the woods and protect visitors from possibly being shot accidentally, according to the agency.

Last year's "one slaughter" in East Tennessee was credited with bringing about the three-inch buck law, officials said. The rule was enacted in hopes that hunters would cease "brush shooting" and would instead look for antlers before firing on buck

The three-inch rule applies to all deer hunts, whether on managed lands or open areas. Other measures which were approved earlier this summer specify that:

Hunters do not have to check out through the checking station unless a kill is made.

Hunters must be out of the area by one hour after sunset, except for coon hunters, who must be out by one hour after sunrise.

No animal can be molested unless it is specified on the hunting permit.

No animal can be dimembered to the extent that its species and sex can not be determined until it has been cleared through the checking station.

Alcoholic beverages may be possessed on the area, as long as the user does not become intoxicated.

Dogs are permitted in Cherokee Wildlife Management Area on improved roads and in campgrounds where overnight camping is allowed as long as they are leashed.

"Buy A Block Fund" Picks Up Momentum

Contributions to the Loudon Quarterback Club "Buy A Block" campaign total \$215.80 according to club treasurer Jim Roberts.

The Quarterback Club is hoping to raise a substantial part of the \$8000 it is spending in the construction of a new 20 by 100 foot concrete block dressing room for the Pee Wee Football League. The dressing room facility is being constructed behind the West Stands at the old Loudon High School Bacon Field.

Lenoir City Wins Scrimmage 3-1

Lenoir City pre-season football encounters are giving the Panthers a definite power look for the fall season.

The Panthers decked "AAA" tough Morristown West Saturday by a score of 3-1 in a three way scrimmage at Morristown.

Mike Hooks scooped up a fumble and raced 63 yards for a Lenoir City touchdown.

Tommy Cook tallied one TD for the Panthers and set up another with a long 90 yard jaunt.

Lenoir City had an unofficial scrimmage tentatively set for Wednesday with a Knoxville team at Lenoir City.

Panther Coach Dale Brown is attempting to complete his fall grid schedule with a contract agreement to face Hartsville High School at Lenoir City. The game would fill the Lenoir City open date of Oct. 27, and also give the Panthers a 10 game fall slate with five home games.

Loudon Teams In Women's Tourney

The Loudon Invitational Slowpitch Softball Tournament for Women began Monday night with Holymatic at Lenoir City dealing KLM four hits in five times at bat.

Philadelphia drew a first round bye in the double elimination tournament scheduled to finish Friday night at the Loudon Ball Park.

Loudon's VFW won a sluggish 16-13 over the Athens Mustangs. B. Plaster led all hitters for both teams with four hits in five times at bat.

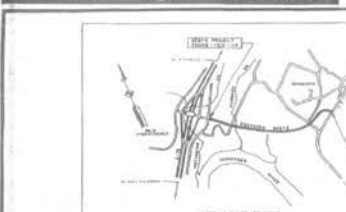

Philadelphia drew a first round bye in the double elimination tournament scheduled to finish Friday night at the Loudon Ball Park.

Table with columns: HUNTING SEASONS AND BAG LIMITS, SPECIAL, SORE 1, SORE 2, SORE 3, SORE 4, SORE 5, SORE 6, SORE 7, SORE 8, SORE 9, SORE 10. Rows include SQUIRRELS, RABBIT, DOVE, QUAIL, WATERFOWL, etc.

RUGGED LINE WORK - Loudon's line coach Gary Dutton is a hard man to please and if one could see the determined faces of these Loudon freshmen preparing for the season opener with Alcoa in hitting the blocking sled opposing teams would know the Redskins are sure to have another "hitting group of gridlers."

FALL PRACTICE WORKOUTS—All types of drills are covered in getting the Loudon football team ready for the fall season ahead. Coach Bert Ratledge is shown pacing the offensive backs and ends in an agility blocking drill. Loudon opened its practice this week with full speed effort in all phases of the football practice.

Jaycees Plan Carnival

The Loudon Jaycees are sponsoring a Back To School Carnival on Saturday, August 26 at the gymnasium at Loudon Elementary School. The activity will start at 5:30 p.m. Loudon Jaycees President Rev. Jack Ferguson said that Carnival Chairman Tom Elliott and the committee are planning a wide variety of activities many of which will be new to carnival goers.

The Jaycees will operate a refreshment center that will be serving hot dogs, pop corn and cold drinks.

Emphasis is being placed on the young fry in many of the game activities, Chairman Elliott said. Some of these will be the fish pond, a duck pond, bean bag throw and others. Some of the other game

features will be bingo for adults and young alike, dart throwing, basketball three-weight guess, grab bag and riddle pitch. Admission will be 25 cents and the ticket is good for a door prize drawing that will be held during the night. The winner will have their choice

of a boy's or girl's bicycle. Additional door prize tickets will be sold three for 50 cents.

Prizes will be awarded to every participant in every game and those who have more skill in the events stand to win some valuable prizes, Jaycee Elliott said.

Judge Defends Court

(Continued from Page 1)

made of these Counties and Cities which had gone into the business of providing ambulance service. Trips were made to many different Counties, correspondence was carried on with other officials, and representatives of Knoxville Ambulance Service and others made trips into Loudon County to appear and talk with the Committee and smaller groups of members of the Committee about the problem.

The joint Committee, after completing its survey in the fall of 1971 recommended that the Loudon County Quarterly Court not go into the Ambulance Service at that time, but that, if necessary, the Quarterly Court offer in (in effect) subsidize the local Funeral Home Directors by offering to pay the Funeral Home Directors for every ambulance call that they made with the County to collect for each service or call that was made.

The Funeral Home Directors declined and could not agree together to accept this offer. Since that time a smaller Committee of the Quarterly Court has been talking with prospective private individuals or businesses who are interested

in providing the service, and also investigating the possibility of federal and state grants, etc.

Goddard To Be Atomic Star

When qualifying for late model sportman cars begins Saturday night at Atomic Speedway, all eyes will be on Herman Goddard.

The Knoxville driver had probably the biggest night ever for a individual last Saturday at the third-mile speedway. Goddard shattered the qualifying record with his Chevy II, won the fast heat and then triumphed in both 25-lap features to determine the Mid-Season Championship. Goddard's qualifying time of 13.75 seconds is believed to be the fastest ever on a closed

MDAA Volunteers Are Needed

Hundreds of volunteers are needed to help with the Jerry Lewis Labor Day Weekend Telethon in Loudon County. This was the announcement made today by Mrs. Bill Webb, President of the Loudon County Chapter of Muscular Dystrophy Associations of America who is the local telethon chairman for the 20-hour spectacular to be telecast over WBIR-TV.

A distinguishing feature of the telethon this year is the emphasis it will place on the local scene with Station WBIR, Channel 10, cutting away from the network every hour to introduce Loudon County Dignitaries and citizens.

Volunteers are needed to serve as hosts and hostesses for telephone pledges, typists, clerks, messengers and chauffeurs. Those who wish to volunteer, services should call Mrs. Webb at 458-4867.

MDAA supports some 150 research projects in medical and scientific institutions throughout the world, and maintains a network of free clinics in major population centers throughout America.

Big-name stars who will appear with Lewis include Mike Douglas, David Hart-

circuit for a stock car. The previous track record of 14.04 seconds was held by Bucky Simmons.

At any rate, Goddard has established himself as the driver to beat when the regular weekly program resumes. Time trials for the sportman cars get under way at 7:45 and the first heat races get the green flag at 8:20. A semi-feature for the sportman drivers and a 25-lapper for hobby cars will precede the 40-lap main event.

Adult admission is \$2. Children under 12 are admitted free when accompanied by an adult. Goddard's performance kept Johnny Hogan from setting a track mark with a third consecutive Feature victory.

Challenging Goddard for top money will be standouts such as Marlon Tipton, H. E. Vindgard, Zeke Buchanan, Charlie Rogers, Tootle Eites, Lee Roy Vann and Otis Miley.

man, Lloyd Price, Buddy Greco, Marty Allen, Charlie Callas, Ed McMahon, Paul Anka, Joey Heatherton, and Joe Namath...plus several big names in country and western music to be seen with Johnny Cash on the telethon's live Nashville "pick-ups." The telethon will be carried in Loudon County over WBIR-TV, Channel 10.

Loudon Auto Runs Second

The Loudon Automotive Club ran its 1969 Camers this past weekend to a second place finish at the Cherokee Dragway in Rogersville. The car owned by Leroy Cadby and John Cobb won the event six weeks ago at Rogersville. The Loudon race crew failed to run Saturday night at 111 Raceway in Knoxville due to a broken rear suspension spring which is very uncommon to cars under normal driving or racing conditions.

Cadby and company plan to run this Saturday in the 411 race and then move on to English Mountain Raceway in Newport for a Sunday meet. If the car continues to improve within the next few weeks the Loudon Automotive group plans to enter the Nationals at Buckingham, N. C.

City Of Loudon Annual Budget

Fiscal Year 1972-1973

Published herein is the adopted budget of the City of Loudon for the year 1972-73, outlining the estimated revenues and estimated expenditures of the City of Loudon and its various departments. Also included is a comparison of the revenues and expenditures for the previous fiscal year.

This budget is based on an effective tax rate of \$1.52 per \$100 assessed value based on an assess ad evaluation of 40 percent as prescribed by state law.

City Of Loudon Budget Summary

	Budget 1971-72	Budget 1972-73
Revenues:		
General Fund Revenue	\$ 275,808.83	\$ 318,589.88
State Street Aid Revenue	56,099.12	46,000.00
	331,808.83	364,589.88
Expenditures:		
General Government	25,533.76	22,650.00
Dept. of Administration	1,057.50	4,675.00
City Recorder's Office	10,895.27	13,383.00

GREENBACK HORSE SHOW—One of the first place winners in the Greenback Horse Show, held in conjunction with the Community Fair, is shown picking up his ribbon after class judging last weekend.

HAD MOST ENTRIES—Mrs. Leonard Kerr of Greenback had the most individuals in the Greenback Fair, agriculture and crafts exhibits. Mrs. Kerr is shown with some of her canned goods that won ribbons in the fair.

Miss Davis Gets Peabody Degree

Beulah Ann Davis, Route 2, Loudon, has received the Specialist in Education degree from George Peabody College for Teachers. She is the daughter of Robert G. Davis, Davis Ferry Road, Loudon.

Miss Davis is a graduate of Carson-Newman College, and earned the M.A. degree at East Tennessee State University.

Dr. John M. Claunch, president of Peabody College, conferred the degree, and Dr. Nat T. Winston, Jr., president of American Psychiatric Hospitals, Inc., delivered the commencement address to the 201st graduating class.

Peabody College traces its beginnings to the founding of Davidson Academy in 1783. Peabody graduates teach more than eight million youngsters daily, and among its alumni are 63 college or university presidents. The college's schools of library science and music are internationally known, and its division of surveys and field services has completed comprehensive surveys of almost 100 school systems in 22 states, as well as in several colleges and foreign countries.

Peabody counts as a major contribution to international education the rebuilding of the educational system of the Republic of Korea under the direction of its department of education. Currently,

Galyon Family Wins Top Greenback Fair Award

A "very successful" Greenback Community Fair was held over the past weekend, according to fair secretary-manager Wilson Belcher.

Mr. Belcher said that there were more than 1200 entries in the agriculture and crafts competition of the fair.

The three day fair featured a two day horse show that Belcher drew a record number of entries. Other events during Fair was a fun night that included a new event—the tobacco spitting contest won by Robert A. Anderson, Jr. Other events included an old ladies race, three legged race, dog show, cake walks and other events.

The Fair Loving Cup, won by the family with most winning entries was claimed by the Robert L. Galyon family, Rt. 1, Greenback.

Fair manager Belcher said that much of the credit for the fine turn out went to Johnnie Myers and Kittle Roberts who obtained a record number of door prizes from Greenback and area merchants that helped draw the crowds for the fair.

Beneath this soft and warm exterior, there lies a heart of plastic.

So far, it's only a valve. Eight-year-old Janet Hernandez has one.

It may not be long before a whole working heart will be made out of plastic.

Men in plastics research at Union Carbide are working on the almost impossible job of designing plastics compatible with the body.

Their most crucial job is making an ultra-thin polypropylene fabric for lining the inside of the heart. A fabric coated with parylene that will allow human tissue to grow into and around it to keep blood from clotting.

A plastic heart isn't the only part of the body we're working on. Maybe someday there will be a little plastic in all of us.

Right now, we've got you surrounded by our plastics. We were in plastics before most people knew the word. We make more plastics than anyone else. We haven't scratched the surface yet.

Why is a great big company like Union Carbide so concerned about a little bit of plastic for the body?

Because. Beneath our corporate exterior, there beats a heart.

Completes Course

Army Private Gary L. Williams, 30, son of Mr. and Mrs. Arthur E. Williams, Route 1, Loudon, recently completed, with honors, an eight-week cooking course at the U. S. Army Training Center, Fort Knox, Ky.

Herbert Jeffrey Oody celebrated his third birthday August 14. He is the son of Mr. and Mrs. Herbert Oody, Route 1, Loudon. Grandparents are Mr. and Mrs. Johnny Oody, Route 2, Loudon and Mr. and Mrs. Gene Raby, Sweetwater.

William Dwan Jones celebrates his third birthday recently with his cousin, Lee and Lina Wells from Knoxville. Dwan and his parents, Mr. and Mrs. William D. Jones, Sr. were visiting here from Mountain City. Grandparents are Mr. Isaac Rucker, Philadelphia, Stark E. Jones, Greenville and foster grandparents are Mr. and Mrs. Omer Wells, Loudon.

OBITUARIES

ELBERT B. BILLINGSLEY Elbert Boyd Billingsley, age 53, of San Bernardino, Calif., formerly of Lenoir City, died August 12.

Survivors include: wife, Mrs. Elsie Ward Billingsley of San Bernardino, Calif.; two daughters, Mrs. Bob (Jo Ann) Vinson and Mrs. Gary (Sharon Sue) Holt, both of North Little Rock, Ark.; brother, Roy Oliver Billingsley of San Bernardino, Calif.; three sisters, Mrs. Regina (Anna B.) Luttrell, Mrs. Bruce (Georgia) Thurmer and Mrs. Edgar H. (Lucille) Powell, all of Lenoir City.

The body was returned to North Little Rock, Ark. where funeral services were held Wednesday. Notice courtesy of Chick Funeral Home, Lenoir City.

W. H. ROBINETTE, age 66, of Route 1, Lenoir City, Eastons Crossroads Community, died Saturday afternoon at Loudon County Memorial Hospital. He was a prominent livestock dealer.

Survivors include: wife, Mrs. Roxie Stewart

Shana Lapiere Long will celebrate her sixth birthday September 1. She is the daughter of E.S. and Mrs. Michael J. Long of Fort Walters, Texas. Grandparents are Mr. and Mrs. Hubert Costner of High Point, N. C. and Mr. and Mrs. J. W. Long of Mary, La.

Robbinette, son, Ralph; two grandsons, Eddie and Jimmy Robbinette of Lenoir City; two granddaughters, Debra Robbinette, Mrs. Kay Dill, both of Knoxville; great-grandson, David Bryant Dill; two brothers, Frank of Sweetwater, Byron of Vance; sister, Mrs. Nellie Schrools, Kingsport.

Funeral services were held Monday at Chick's Funeral Home Chapel, Rev. J. L. Ward officiated. Interment, city cemetery, Chick's, Lenoir City, in charge.

MRS. SARA MARGARET JONES CLONINGER Mrs. Sara Margaret Jones Cloninger, age 55, died at Harrison Hospital after a lingering illness. Member of Trinity Baptist Church, Harrison.

Survivors include: husband, John B. Cloninger, Harrison, one son, Donald E. Jones, at home; brother, Joe Britton; one sister, Mrs. Fannie Coffman, Lenoir City.

Funeral services were held Saturday at Chick Funeral Home, Rev. Joe Butts officiated. Interment, Oral Cemetery, Hawkins, Lenoir City, in charge.

CHARLIE WARREN ROLLINS Charlie Warren Rollins, age 62, of Route 2, Greynock, died Monday, August 14. Survivors include: wife, Mrs. Ezzrene McClum, Rollins; sons, Charles Winford Rollins, Greenback, Dale Rollins, Florida, Jack Rollins, Chattanooga; brothers, Joe and George Rollins, both of Greenback; Robert Rollins, Indiana; sister, Mrs. Vina Dewaux Cloninger, Mary Smith, Loudon; eight grandchildren. Smith Mortuary, Maryville, in charge of funeral arrangements.

WILLIAM BROWN William Houston Brown, age 88, Route 1, Lenoir City, died Tuesday August 8 at Loudon County Memorial Hospital. He attended Pine Top Baptist Church. Survivors include: wife, Mrs. Ezzrene McClum, Florida Waters, Kentucky; Bertha Koger, Toledo, Ohio; Bertie Griffith, Toledo, Ohio; Harrison, brothers, Joe and George Rollins, both of Greenback; Robert Rollins, Indiana; sister, Mrs. Vina Dewaux Cloninger, Mary Smith, Loudon; eight grandchildren. Smith Mortuary, Maryville, in charge of funeral arrangements.

Ohio, several grandchildren and great-grandchildren.

Funeral services were held Thursday at Chick's Chapel, Rev. Jimmy Pellam, officiated. Burial in Loudon County Memorial Gardens, Chick Funeral Home, Lenoir City, in charge.

JOHN RAYMOND DAVIS John Raymond Davis, age 71, of Route 2, Choto Road, Concord, died Thursday August 10, at his home. Member of Faith Temple, Lubbock, Tex., member of Painters Local 342.

Survivors include: wife, Mrs. Vesta Davis; son, R. Franklin Davis, Knoxville; daughter-in-law, Ethel; sisters, Mrs. Nora Rosenbaum, Mrs. Flora Seay, Mrs. Annie Henson, all of Lenoir City; brother, Sam of Lenoir City.

Funeral services were held Saturday at Chick Funeral Home, Rev. Joe Butts officiated. Interment, City Cemetery, Chick Funeral Home, Lenoir City, in charge.

PEARL GIDEON Pearl Gideon, age 74, of 531 West Second Avenue, Lenoir City, died Wednesday, August 9, at Loudon County Memorial Hospital. She was a member of First Presbyterian Church, Lenoir City.

Survivors include: husband, W.R. Gideon; cousins, Jim and Rose Porter, Henry Mizell, Charles and Mary Long, Ella Mizell, Marry Mizell.

Funeral services were held Friday at Chick Funeral Home Chapel, Rev. Tom Buchanan, Rev. McCoy Franklin of

BACK IN THE GOOD OLD DAYS

Many times we have mentioned that we always enjoy family group pictures. It is not that we don't like other things, but family groups, school groups and church groups usually create the most interest among our readers. This is possibly because they involve a lot of our people and are promoters of much thinking in the memories realm.

Our thinking along this line was promoted by a picture given to us by Lawrence P. (Boogie) Kerley of Lenoir City. It is a picture taken many years ago and is of the early Bolt family. The reason Boogie had the picture is his mother was a Bolt. Pictured are left to right, Will Bolt, Oscar Bolt, Joe Bolt, deceased, Lou Etta Bolt, Mae Bolt and Nann Bolt, deceased. The man with the mustache and the lady standing in back of the group are the parents. Another picture we have

this week is one taken in Loudon many years ago. We know they are all Loudon lads and lassies, but we cannot identify them. Maybe you can help us with this one, as well as another one we are using. This one also was taken in Loudon, but not so many years ago. Let us hear from you.

When we have the time we enjoy visiting in different areas of our county. Just to see old friends and meet new ones. Wish we had more time to do this. The other week, in the process of helping to collect the final returns of the recent election, we were in Philadelphia for awhile and were talking to many people. M.C. Anderson, Jr. was talking to me and stated that he figured him and George Martin (who was on hand with other Philadelphians to get the final tally) were the oldest men present. No comment, M.C. anyway, we

enjoyed seeing so many of our friends.

I guess as I waited for the polls to close that I recalled a few memories from my day as a boy growing up and going to school in Philadelphia. All of which are wonderful memories. Things were a little rough for just about everybody in those days. But we managed to get a lot of enjoyment out of what we had. As I stood in front of the school and looked across the road at Dick Harwell's old store, we wondered if that good looking penny candy he used to have was as good today as it was in those days. Well, it would probably cost a nickel today. I would venture a guess that Dick had more penny sales than any other business that ever did or ever operate in Philadelphia. No, the kids didn't take their lunch money and spend it for candy, there was no such thing as hot

14 To Receive U-T Degrees

Fourteen students from Loudon County are among the approximately 1,000 candidates for degrees at the University of Tennessee at Knoxville spring quarter commencement at 10 a.m., Tuesday, August 22.

Dr. Thomas B. Stroup, professor of English at the University of Kentucky, will deliver the commencement address at the Knoxville Civic Coliseum.

Students from Loudon County are: Greenback, Richard Lynn Talent, Master of Science; Lenoir City, Joseph Durr Bishop, Richard Hart Blackburn, Larry Ray Duff, Master of Science; Robert Louis Hill, B.S. in Business Administration; Gail

Hewins Denton, M. Ann. Gelson, Barbara June Gray Kinsinger, Sandra Burdett Ramsey, Cynthia A. Winfree, B.S. in Education; Janet Susan Suddath, B.S. in Home Economics; Mary Lynn Fletcher, B.S. in Liberal Arts, Philadelphia; Linda Gail Lambert Arp, B.S. in Education; Dennis Edward Blevins, B.A. in Liberal Arts.

Students May Change Schedule

Loudon High School Assistant Principal Mrs. Jean McCall this week said that any student at LHS who finds it necessary to make any class scheduling changes should do so next week.

Mrs. McCall said that teachers will be at the school Monday, Tuesday and Wednesday, August 21-23 from 8:30 a.m. to 3 p.m.

lunches served at school in those days. That is unless you set your lunch bag in the window where the sun could shine on it. Oh well, that is the way it was in the Good Old Days.

In recent weeks we have had several people tell us they had

THE PATRI-ETTES—Pictured are Pam Green, Aquilla Henley, Mary Atchley and Marie Atchley with trophies they have received since January. Southern Railway gives a green light to Buying in the South

We spent \$179,018,291 here in 1971, much of it with small firms.

When Southern goes shopping, the total comes to millions of dollars annually. You may be benefiting from those purchases. Because whenever possible, we make a practice of buying in the states we serve. This not only benefits local businesses, but it helps create jobs and otherwise boosts prosperity in the South.

In 1971 we spent \$179,018,291—representing nearly two-thirds of our total purchases—in the 13 Southern-served states and the District of Columbia. That money went for everything from paper clips to freight cars—all kinds of goods and services needed to help us run an efficient, shipper-oriented railroad. To better serve you and the entire Southeast.

Southern feels fortunate to be part of the fast-growing South. We show it by giving a green light to buying here.

Jaycee Carnival Saturday Night

The Loudon Jaycees are sponsoring a Back To School Carnival on Saturday, August 26 at the gymnasium at Loudon Elementary School. The activity will start at 6:30 p.m. Loudon Jaycees President Rev. Jack Ferguson said that Carnival Chairman Tom Elliott and the committee are planning a wide variety of activities many of which will be new to carnival goers.

The Jaycees will operate a refreshment center that will be serving hot dogs, pop corn and cold drinks.

Emphasis is being placed on the young fry in many of the game activities, Chairman Elliott said. Some of these will

be the fish pond, a duck pond, bean bag throw and others. Some of the other game features will be bingo for adults and young alike, dart throwing, basketball throw, weight guess, grab bag and needle pitch.

Admission will be 25 cents and the ticket is good for a door prize drawing that will be held during the night. The winner will have their choice of a boy's or girl's bicycle. Additional door prize tickets will be sold three for 50 cents.

Prizes will be awarded to every participant in every game and those who have more skill in the events stand to win some valuable prizes, Jaycee Elliott said.

GETS BRAILLE RADIO—Allen Justice, a blind youngster from Loudon, is shown receiving a Braille radio and TV sound receiver from Loudon City Lions Club President Angela Patricia as his parents Mr. and Mrs. Odell Justice and Loudon Lions Club President John Carnes look on.

Lions Plan White Cane Days Drive

Loudon Lions Club members will conduct their ninth annual White Cane Days drive this weekend in the Loudon area. The local Lions will try to raise \$1200 as part of a state-wide campaign to raise \$200,000 for the Lions Club's Sight Conservation Program.

The sole function of White Cane Days is to help finance a variety of local and statewide services to the blind.

Allen Justice, son of Mr. and Mrs. Odell Justice is but one of the persons helped by the Loudon Lions. It was through the Lions efforts that Allen was enrolled in the Tennessee School for the Blind at Donelson in 1966. Since that time the Lions have assisted Allen with special gifts of money, clothing, a Braille typewriter and other essentials to help him in school.

Another youngster was given financial help to have surgery to help save her

eyesight. Many hundreds of school children in the county have had free eye examinations courtesy of a Lions Club project and still many others who needed glasses but could not afford them received the corrective lenses at the expense of the Lions Club.

Reaching beyond the local level, the Lions have used White Cane Day funds to support the Blind Industries, the Eye Bank, the Library for the Blind and other functions.

Loudon Lion Charles McCall, chairman for the project, said that all contributions are tax deductible and if anyone is not contacted in the door to door campaign Thursday night or at one of the road blocks Friday afternoon and Saturday morning they may mail their contribution to the Loudon Lions Club White Cane Days, P.O. Box 156, Loudon, Tenn. 37774.

CAUGHT IN CAVE RAID—County officers are shown taking two men into custody after a raid on Mizel Cave near Glendale Monday night. The officers were acting on a tip that prison escapee Dane Howell was in the cave. Howell was not found but four persons, two juveniles and

two 12 year olds were arrested. In the photos (left) Robert Smith, face covered with silver paint is shown resisting efforts of officers to handcuff him. At right, Richard Maples (with hat) is shown being handcuffed after he was forced from the cave by tear gas.

Four Arrested In Raid On Cave

Four young men got the Cave. Sheriff Freeman Russell led the raid after p.m. Monday night when a heavily armed group of 17 County Officers raided Mizel

hiding out in the cave. The four arrested included two juveniles, both 16 and from Loudon City. The two 18 year olds, both adults under Tennessee law, were Robert Smith of Loudon City charged with carrying a concealed weapon, drunk and disorderly and contributing to the delinquency of a minor; and Richard Maples, who was charged with impersonating an officer, drunk and disorderly and contributing to the delinquency of a minor. Both are from Loudon City. The juveniles were charged with being drunk and disorderly.

MEMORIAL PARK GIFT—Philadelphia Mayor Roy Bledsoe is shown receiving a \$500 check from First National Bank director Albert McCrary and Bank President Don Carter. The \$500 contribution was made to the Philadelphia Park by the Bank in the memory of Ronnie Swiney and Lynn Barger, both Philadelphians who were murdered. The money will be used to erect a grandstand at the softball field of the park shown in the background.

black hat with a badge that read "sheriff."

After a second gas bomb was exploded a fourth youth came from the cave. All four, according to officers, had silver paint on their faces, indicating that they had been snuffing paint.

Officers later entered the cave with gas masks and searched out the large room about 100 feet back from the entrance. There are two smaller passages ways in the cave, that some officers believe go as far back as Friendsville where others that might have been in the cave could have escaped.

Both Smith and Maples were found guilty in General Sessions Court Tuesday morning and fined \$10 and costs and given 60 day suspended jail sentences on payment of the fine and costs. Maples was released after his parents paid the fine and Smith was still being held.

The two juveniles were released in the custody of their parents and Judge Tom Ingram placed them under still probation orders.

two hours before officers arrived. Found at the site was a large number of ears of corn, canned food and a large quantity of staples and empty beer cans. Also found were empty paint bottles and plastic bags indicating that someone had been snuffing paint.

Howell's sister, Sammie Sue Brummitt, notified this newspaper last week that the paper was in error in stating that Howell was serving 30 years. She said that it was her husband, Tommy Brummitt, that was serving the longer sentence for armed robberies in Loudon and Kno: County, but Dane was serving 12 years for one case of armed robbery.

Sunday afternoon Sheriff Freeman Russell with a 15 man force of deputies and special deputies made a four hour search for Howell in the area of the Tellico Dam. After walking for more than two hours the officers found a shack made of scrap lumber and covered by heavy black plastic near the mouth of the Little Tennessee River.

It was here that Howell was reported to be holed up. When the officers arrived on a bluff overlooking the hideout there was much evidence that someone had been there only a couple of hours before, but it was deserted when they arrived.

It was then learned that Howell and another man who was reported to be hiding out with him had traded a motorcycle to some local residents for a boat and motor. They were reported seen leaving the hideout about

two hours before officers arrived. Found at the site was a large number of ears of corn, canned food and a large quantity of staples and empty beer cans. Also found were empty paint bottles and plastic bags indicating that someone had been snuffing paint.

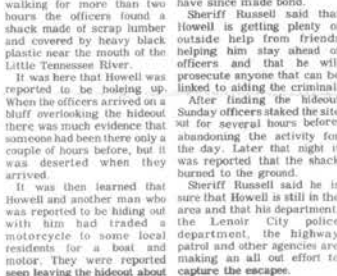

Sheriff Russell said that he had reliable information that Howell was armed with a .38 caliber pistol and had a supply of shells. He said he considers Howell dangerous and anyone seeing him should not approach him, but call the Sheriff's office immediately.

Three persons have already been charged with aiding Howell and have been bound over to the Grand Jury. They are Howell's wife, Virginia, his sister, Cheryl Howell and a friend Mike Young. All three have since made bond.

Sheriff Russell said that Howell is getting plenty of outside help from friends helping him stay ahead of officers and that he will prosecute anyone that can be linked to aiding the criminal.

After finding the hideout Sunday officers staked the site out for several hours before abandoning the activity for the day. Later that night it was reported that the shack burned to the ground.

Sheriff Russell said he is sure that Howell is still in the area and that his department, the Loudon City police department, the highway patrol and other agencies are making an all out effort to capture the escapee.

DINNER LEFT ON TABLE—A table outside a riverside shack believed used as a hideout by escapee Dane Howell is shown as it was apparently left Sunday afternoon, food still on the table when officers raided the area on the Little Tennessee River. Beans, salt, other staples and about a bushel of ears of corn were found along with several dozen empty beer bottles, whiskey bottles and paint cans.

First National To Open Philadelphia Branch

A branch of the First National Bank of Loudon is expected to open in the small south Loudon County city of Philadelphia by the end of this year. The announcement of the branch bank for the community was announced this week by Bank President Donald Carter.

Mr. Carter said the establishment of the bank is dependent on the expected approval of the Comptroller of the Currency. He said that the board of directors of the bank recently approved making application to place the branch at Philadelphia and now that application has been filed.

The bank president also said that the bank has made a purchase agreement for a lot on U.S. 11 at the corner of Bacoone Branch Street for the location of the new branch bank. He said that the new branch approval is expected soon and that the branch should be open prior to the end of this current calendar year.

Loudon City Administrator Gary Hensley reported this week that a large number of complaints have been received at city hall in recent weeks about tall grass and weeds on vacant lots and lawns of empty or abandoned houses and buildings.

Mr. Hensley reminded property owners of a city ordinance (ordinance No. 8-507) requiring property owners or tenants to keep grass and other vegetation cut to a height below 12 inches. He said that if property is not cut within the limits of the ordinance the city might be forced to enforce the ordinance by having the property cleaned at the owners expense.

AUGUST 24 1972

BACK IN THE GOOD OLD DAYS

Many times we have mentioned that we always enjoy family group pictures. It is not that we don't like other things, but family groups, school groups and church groups usually create the most interest among our readers. This is possibly because they involve a lot of our people and are promoters of much thinking in the memories realm.

Our thinking along this line was prompted by a picture given to us by Lawrence P. (Boogie) Kerley of Lenoir City. It is a picture taken many years ago and is of the early Bolt family. The reason Boogie had the picture is his mother was a Bolt. Pictured are left to right, Will Bolt, Oscar Bolt, Joe Bolt, deceased, Leo Elita Bolt, Mac Bolt and Nann Bolt, deceased. The man with the mustache and the lady standing in back of the group are the parents. Another picture we have

this week is one taken in Loudon many years ago. We know they are all Loudon kids and lassies, but we cannot identify them. Maybe you can help us with this one, as well as another one we are using. This one also was taken in Loudon, but not so many years ago. Let us hear from you.

When we have the time we enjoy visiting in different areas of our county. Just to see old friends and meet new ones. With we had more time to do this. The other week, in the process of helping to collect the final returns of the recent election, we were in Philadelphia for awhile and were talking to many people. M.C. Anderson, Jr. was talking to me and stated that he figured him and George Martin (who was on hand with other Philadelphians to get the final tally) were the oldest men present. No comment, M.C. anyway, we enjoyed seeing so many of our friends.

I guess as I waited for the polls to close that I recalled a few memories from my day as a boy growing up and going to school in Philadelphia. All of which are wonderful memories. Things were a little rough for just about everybody in those days. But we managed to get a lot of enjoyment out of what we had. As I stood in front of the school and looked across the road at Dick Harwell's old store, we wondered if that good looking penny candy he used to have was as good today as it was in those days. Well, it probably cost a nickel today. I would venture a guess that Dick had more penny sales than any other business that ever did or ever operate in Philadelphia. No, the kids didn't take their lunch money and spend it for candy, there was no such thing as hot

lunches served at school in those days. That is unless you set your lunch bag in the window where the sun could shine on it. Oh well, that is the way it was in the Good Old Days.

In recent weeks we have had several people tell us they had

14 To Receive U-T Degrees

Fourteen students from Loudon County are among the approximately 1,200 candidates for degrees at the University of Tennessee at Knoxville spring quarter commencement at 10 a.m., Tuesday, August 22.

Dr. Thomas B. Stroup, professor of English at the University of Kentucky, will deliver the commencement address at the Knoxville Civic Coliseum.

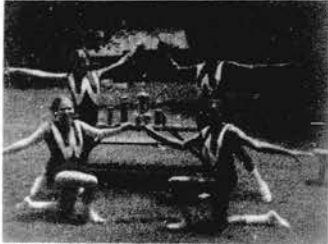

Students from Loudon County are: Greenback, Richard Lynn Talient, Master of Science; Lenoir City, Joseph Durr Bishop, Richard Hart Blackburn, Larry Ray Duff, Master of Science; Robert Louis Hill, B.S. in Business Administration; Gall

Hewins Denton, M. Ann. Golsen, Barbara June Gray Kinsilver, Sandra Burdett Ramsey, Cynthia A. Winfree, B.S. in Education; Janet Susan Suddath, B.S. in Home Economics; Mary Lynn Fletcher, B.S. in Liberal Arts, Philadelphia, Linda Gail Lambert Arp, B.S. in Education; Dennis Edward Blevins, B.A. in Liberal Arts.

Students May Change Schedule

Loudon High School Assistant Principal Mrs. Jean McCall this week said that any student at LHS who finds it necessary to make any class scheduling changes should do so next week.

Mrs. McCall said that teachers will be at the school Monday, Tuesday and Wednesday, August 21-23 from 8:30 a.m. to 3 p.m.

THE PATRIETTES—Pictured are Pam Green, Aquila Henley, Mary Atchley and Marie Atchley with trophies they have received since January. This group has been twirling under the leadership of Pete Kerr, a certified NETA Teacher and Judge. This twirling team has won second place trophies in NETA competition in several events as well as solo and individual competition. Not pictured with the team are Julie Tidms and Lisa Walker.

It May Cost Us!
BUT THESE USED CARS HAVE TO GO!

1970 BUICK ELECTRA, 4 door sedan, air conditioner, power steering and brakes, tilt wheel, green finish, black vinyl roof. Just like new.

1969 CADILLAC, 4 door hardtop, AM & FM stereo, air conditioner, power steering and brakes, windows, seats, tilt wheel, gray finish, blue vinyl top. Blue interior. A nice one.

1971 MUSTANG, 2 door hardtop, air conditioner, power steering, V-8, automatic transmission, white finish, black vinyl top, red interior. A cream puff.

1970 BUICK LeSabre, 2 door hardtop, air conditioner, power steering and brakes, cream finish white top. This is the sharpest.

Southern Railway gives a green light to

Buying in the South

We spent \$179,018,291 here in 1971, much of it with small firms.

When Southern goes shopping, the total comes to millions of dollars annually. You may be benefiting from those purchases. Because whenever possible, we make a practice of buying in the states we serve.

This not only benefits local businesses, but it helps create jobs and otherwise boosts prosperity in the South.

In 1971 we spent \$179,018,291—representing nearly two-thirds of our total purchases—in the 13 Southern-served states and the District of Columbia. That money went for everything from paper clips to, freight cars—all kinds of goods and services needed to help us run an efficient, shipper-oriented railroad. To better serve you and the entire Southeast.

Southern feels fortunate to be part of the fast-growing South. We show it by giving a green light to buying here.

Jaycee Carnival Saturday Night

The Loudon Jaycees are sponsoring a Back To School Carnival on Saturday, August 26 at the gymnasium at Loudon Elementary School. The activity will start at 6:30 p.m. Loudon Jaycees President Rev. Jack Ferguson said that Carnival Chairman Tom Elliott and the committee are planning a wide variety of activities many of which will be new to carnival goers.

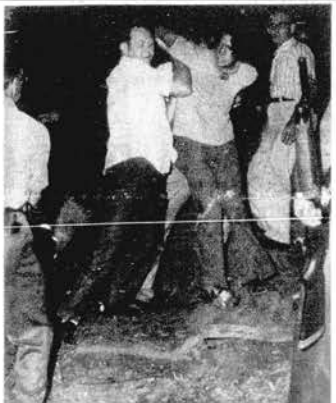

The Jayceettes will operate a refreshment center that will be serving hot dogs, pop corn and cold drinks.

Emphasis is being placed on the young fry in many of the game activities, Chairman Elliott said. Some of these will

be the fish pond, a duck pond, bean bag throw and others. Some of the other game features will be bingo for adults and young alike, dart throwing, basketball throw, weight guess, grab bag and nickel pitch.

Admission will be 25 cents and the ticket is good for a door prize drawing that will be held during the night. The winner will have their choice of a boy's or girl's bicycle. Additional door prize tickets will be sold three for 50 cents.

Prizes will be awarded to every participant in every game and those who have more skill in the events stand to win some valuable prizes, Jaycee Elliott said.

CAUGHT IN CAVE RAID-County officers are shown taking two men into custody after a raid on Mizel Cave near Glendale Monday night. The officers were acting on a tip that prison escapee Dane Howell was in the cave. Howell was not found but four persons, two juveniles and

two 18 year olds were arrested. In the photo (left) Robert Smith, 18, covered with silver paint is shown resisting efforts of officers to handcuff him. At right, Richard Maples (with hat) is shown being handcuffed after he was forced from the cave by tear gas.

GETS BRaille RADIO-Alan Justice, a blind youngster from Loudon, is shown receiving a braille radio and TV sound receiver from Loudon City Lions Club Past President Angelo Patrio as his parents Mr. and Mrs. Odell Justice and Loudon Lions Club President John Carnes look on.

Lions Plan White Cane Days Drive

Loudon Lions Club members will conduct their ninth annual White Cane Days drive this weekend in the Loudon area. The local Lions will try to raise \$1000 as part of a state-wide campaign to raise \$250,000 for the Lions Club's Sight Conservation Program.

The sole function of White Cane Days is to help finance a variety of local and statewide services to the blind.

Allen Justice, son of Mr. and Mrs. Odell Justice is but one of the persons helped by the Loudon Lions. It was through the Lions efforts that Allen was enrolled in the Tennessee School for the Blind at Donelson in 1966. Since that time the Lions have assisted Allen with special gifts of money, clothing, a braille typewriter and other essentials to help him in school.

Another youngster was given financial help to have surgery to help save her

Four Arrested In Raid On Cave

Four young men got Cave Sheriff Freeman Russell led the raid after p.m. Monday night when a heavily armed group of 17 only an hour earlier that Dane County officers raided Mizel

MEMORIAL PARK GIFT-Philadelphia Mayor Roy Blesock is shown receiving a \$500 check from First National Bank director Albert McCrary and Bank President Don Carter. The \$500 contribution was made to the Philadelphia Park by the Bank in the memory of Ronnie Swain and Lynn Barger, both Philadelphians who were murdered. The money will be used to erect a grandstand at the softball field of the park shown in the background.

hideout in the cave. The four arrested included two juveniles, both 16 and from Lenoir City. The two 18 year olds, both adults under Tennessee law, were Robert Smith of Lenoir City charged with carrying a concealed weapon, drunk and disorderly and contributing to the delinquency of a minor. Both are from Lenoir City. The juveniles were charged with being drunk and disorderly.

The officers arrived at the cave, near the Glendale Community, on the banks of the Little Tennessee River, moved in and surrounded the cave entrance, set in a rock face bluff.

The officers could hear a radio playing and loud singing coming from the cave. Just as the officers got into place Smith came out of the cave singing. It was at this point the officers made their move. Smith was taken into immediate custody and orders were given by Sheriff Russell for anyone else in the cave to come out.

No one moved from the cave and Smith refused to say how many were inside. After a warning from Sheriff Russell, a tear gas bomb was tossed into the cave. Immediately two more came out, including Maples, who was wearing a black hat with a badge that read "sheriff".

After a second gas bomb was exploded a fourth youth came from the cave. All four, according to officers, had silver paint on their faces, indicating that they had been sniffing paint.

Officers later entered the cave with gas masks and searched out the large room about 100 feet back from the entrance. There are two smaller passage ways in the cave, that some officers believe go as far back as Pymatville where others that might have been in the cave could have escaped.

Sheriff Russell said he did not know whether or not Howell and some of the men that are reported to be with him were in the cave or not, but he is checking out every tip. The cave raided Monday night is about a mile from a suspected hideout believed used by Howell that was raided Sunday.

Both Smith and Maples were found guilty in General Sessions Court Tuesday morning and fined \$10 and costs and given 60 day suspended jail sentences on payment of the fine and costs. Maples was released after his parents paid the fine and Smith was still being held.

The two juveniles were released in the custody of their parents after Judge Tom Ingram placed them under still probation orders.

Escaped convict Dane Howell still is keeping one move ahead of local law-enforcement officers this week. Howell, who escaped from a state prison farm about three weeks ago, was the object of a massive manhunt by officers over this past weekend.

Howell's sister, Sammie Sue Brummitt, notified this newspaper last week that the paper was in error in stating that Howell was serving 30 years. She said that it was her husband, Tommy Brummitt, that was serving the longer sentence for armed robberies in Loudon and Knox County, but Dane was serving 15 years for one case of armed robbery.

Sunday afternoon Sheriff Freeman Russell with a 15 man force of deputies and special deputies made a four hour search for Howell in the area of the Tellico Dam. After walking for more than two hours the officers found a shack made of scrap lumber and covered by heavy black plastic near the mouth of the Little Tennessee River.

It was here that Howell was reported to be holed up. When the officers arrived on a bluff overlooking the hideout there was much evidence that someone had been there only a couple of hours before, but it was deserted when they arrived.

It was then learned that Howell and another man who was reported to be hiding out with him had traded a motorcycle to some local residents for a boat and motor. They were reported seen leaving the hideout about

two hours before officers arrived. Found at the site was a large number of ears of corn, earned food and a large quantity of staples and empty beer cans. Also found were empty paint bottles and plastic bags indicating that someone had been sniffing paint.

Sheriff Russell said that he had reliable information that Howell was armed with a .38 caliber pistol and had a supply of shells. He said he considers Howell dangerous and anyone seeing him should not approach him, but call the Sheriff's office immediately.

Three persons have already been charged with aiding Howell and have been bound over to the Grand Jury. They are Howell's wife, Virginia, his sister, Cheryl Howell and a friend Mike Young. All three have since made bond.

Sheriff Russell said that Howell is getting plenty of outside help from friends helping him stay ahead of officers and that he will prosecute anyone that can be linked to aiding the criminal.

After finding the hideout Sunday officers staked the site out for several hours before abandoning the activity for the day. Later that night it was reported that the shack burned to the ground.

Sheriff Russell said he is sure that Howell is still in the area and that his department, the Lenoir City police department, the highway patrol and other agencies are making an all out effort to capture the escapee.

DINNER LEFT ON TABLE-A table outside a riverside shack believed used as a hideout by escapee Dane Howell is shown as it was apparently left Sunday afternoon, food still on the table when officers raided the area on the Little Tennessee River. Beans, salt, other staples and about a bushel of ears of corn were found along with several dozen empty beer bottles, whiskey bottles and paint cans.

First National To Open Philadelphia Branch

A branch of the First National Bank of Loudon is expected to open in the small south Loudon County city of Philadelphia by the end of this year. The announcement of the branch bank for the community was announced this week by Bank President Donald Carter.

Mr. Carter said the establishment of the bank is dependent on the expected approval of the Comptroller of the Currency. He said that the board of directors of the bank recently approved making application to place the branch at Philadelphia and now that application has been filed.

The bank president also said that the bank has made a purchase agreement for a lot on U.S. 112 at the corner of Bacomme Branch Street for the location of the new branch bank. He said that the new branch approval is expected soon and that the branch should be open prior to the end of this current calendar year.

Loudon City Administrator Gary Henley reported this week that a large number of complaints have been received at city hall in recent weeks about jail grass and weeds on vacant lots and lawns of empty or abandoned houses and buildings.

Mr. Henley reminded property owners of a city ordinance (ordinance No. 8-307) requiring property owners or tenants to keep grass and other vegetation cut to a height below 12 inches. He said that if property is not cut within the limits of the ordinance the city might be forced to enforce the ordinance by having the property cleaned at the owners expense.

AUG 24 1972

Loudon County Herald For and about Women

Personal Mention

By Mrs. Calvin Lunford
458-2681

Those visiting over the weekend with Mr. and Mrs. Ernest Miller were Mrs. Kate Walker, Mrs. Della Carlywright and Mrs. Gertrude Miller of Cleveland and Mrs. Jessie Grimes.

Sgt. and Mrs. Melvin Justice and daughter, Karen, returned home Sunday to Sumter, S. C. after spending a few days with Sgt. Justice's parents, Mr. and Mrs. O'Dell Justice.

Mr. and Mrs. Keith Craig, Kevin and Kedra of Jefferson City visited Sunday with Mr. Craig's grandmother, Mrs. Ed Hodge.

Mr. and Mrs. Dan Bates, Rose Mary, Bill and Rachel have returned to their home in Memphis after a visit here with their parents, Mrs. Myrtle Graham and Mr. and Mrs. Fred Bates.

Mr. and Mrs. Fred Harold attended the funeral of Frank De Hickey Sunday at Cedar Fork and also visited with Mr. Cordie Tillery who is a patient at Sweetwater Hospital.

Frank Booth and David Barbee left Tuesday for their home in Chicago, Ill. after a week's visit here with their grandmother, Mrs. John Roberson. Mrs. Roberson also had as weekend guests, Laura Booth and Jenny, two young students at UT. Laura and Jenny accompanied Frank and David home to Chicago.

Mrs. Marvin Estelina and children have returned to their home in Indiana after a visit here with their parents, Mr. and Mrs. Rodney Williams and grandmothers, Mrs. Joe Williams.

Miss Ruth Ann Watkins returned home recently from Fort Sanders Hospital where she was a patient for several days.

Mat. Sgt. and Mrs. Sam Watts, David and Paul, were here for a visit with their parents, Mr. and Mrs. W. T. Mason and Mr. and Mrs. Jim Watts. Sgt. Watts has been stationed at Minot, N. D. His next duty assignment will be in Hawaii.

Mr. and Mrs. L. J. Mowen of Lapeer, Mich. are spending this week with Mrs. Lapeer's sister, Mrs. Josie Wilson. Also visiting Sunday with Mrs. Wilson were Mrs. Cleo Todd and Mrs. Jude Johnson of Sweetwater and Mr. and Mrs. Gus Scott and Bobby of Knoxville.

Mr. and Mrs. L. D. Halcomb and family of Knoxville spent Sunday with his mother, Mrs. Mike O'Sheal and Mr. and Mrs. O'Sheal and grandmother, Mrs. Bertha Halcomb.

Mr. and Mrs. Jack Caldwell and family were weekend guests of his mother, Mrs. Bill Kirkland.

Mr. and Mrs. William H. Johnson of Anderson, Ind. were called home last week due to the death of his aunt, Mrs. Margaret Jones Cloungin in Lenoir City.

Mr. and Mrs. Ralph Alexander spent the weekend in Gatlinburg.

Mr. and Mrs. J. E. Greenway had as their weekend guests, Mr. Greenway's sister, Mrs. Kate Hoels of Gatlinburg and Mr. and Mrs. Mac Petty and family of Sewanee.

Mr. and Mrs. Burton Petty have returned home after spending a few days with their son-in-law and daughter, Mr. and Mrs. Bob Barbour and sons in Donaldson.

Mrs. Andy Gody and Mrs. Julie Miller visited Sunday in

Kingston with Mr. and Mrs. Clarence Scott.

Mr. and Mrs. Mike O'Sheal visited last Wednesday with Mrs. Irene Moore.

Misses Carrie Lou and Mary Katherine Mize visited Friday at Knoxville with Mrs. Edna Johnston.

Mrs. Paul Brakebill and children spent last week with Mrs. Erakobill's parents, Mr. and Mrs. R. M. Sweeney in Chattanooga.

Mrs. Paul Robert Young and children of St. Charles, Mo. are visiting this week with their parents, Mr. and Mrs. Oscar L. Murrell and Mr. and Mrs. George Young.

Mr. and Mrs. Jim Easter and sons have returned to their home in Flint, Mich. after visiting here with Mr. and Mrs. Roy McCullough and family. Also visiting the McCulloughs last week was Mrs. Luther Bookout of Madisonville.

Mr. and Mrs. Chuck Anderson of Knoxville, Mr. and Mrs. Dennis Jet of Maryville, Mr. and Mrs. Adison Grimes and Pam of Moshan, Mr. and Mrs. Bill Kirkland and Mrs. Jessie Grimes enjoyed a campout over the weekend at the Earl

Perkins Farm.

Mr. and Mrs. Jim Baker came from Loyal, Ind. for a weekend visit with her mother, Mrs. John Hickman.

Mr. and Mrs. Garlin Craig had as weekend guests, Mr. and Mrs. Marshall Russell and Jimmy of Birmingham, Ala. and Mr. and Mrs. Dallas Rhyan of Rockwood.

Mr. and Mrs. Cecil Jucker visited over the weekend with Mr. and Mrs. Taylor Robertson at Louisville.

Mr. and Mrs. Calvin Rhyan and Cybil and Mrs. Archie Woodard visited Sunday in Cherokee, N. C. with Mr. and Mrs. Claude Cantel and Gordon Cantel.

Mr. and Mrs. Glen Goodwin of Atlanta and Mrs. Fred DeFord spent the weekend in Memphis. While there they visited with Mrs. DeFord's sister, Mrs. Blanch Key.

Mrs. Clyde Davis has returned home after a visit with her mother, Mrs. Ray Bates in Winchester.

Mr. and Mrs. James Nichols and family of Dallas, Texas visited last week with Mr. and Mrs. R. D. Trout and other relatives.

Mr. Herbert Kollock has returned home after visiting with relatives in Indiana.

Mr. and Mrs. John Chasteen attended the 50th wedding anniversary of Mr. and Mrs. Ike Dotson, Sunday in Knoxville.

Mr. and Mrs. J. T. Burnette have recently returned from a visit with their son and daughter-in-law, Mr. and Mrs. Vernon Burnette and family in Gainesville, Fla.

Mrs. Mattie Huffine is moving to Miami, Fla. where she will be making her home.

Rev. and Mrs. Buford Albright and Rhonda have returned home after vacationing in Canada and Niagara Falls.

Mrs. Lora Miles had as her weekend guests Mrs. Pearl Miles, Bobby and Anna of Paris, Tenn., and Mrs. Cora Moore and Lilla of Kingston. They also visited Sunday in Sweetwater with Mr. and Mrs. John Strandridge.

Mrs. H. D. Trout attended the funeral recently of her sister-in-law, Mrs. Whitney Rhynes in Rockford, Ill.

Mr. and Mrs. Lynn Kollock and Bill have returned home after several days visit in Muncie, Ind. with their daughter and son-in-law, Mr. and Mrs. Dennis Blair and son, Rhyme.

Mr. and Mrs. Gordon Sherrill came from their home in Atlanta last Wednesday to spend a few days with his parents, Mr. and Mrs. G. Sherrill. Their children, Sidney and Marcel, who have been visiting their grandparents, accompanied their parents home Sunday.

Mr. and Mrs. Larry Lane spent last week with Mrs. Lane's parents, Mr. and Mrs. John Collins in Clarksville.

Mr. and Mrs. Roy Jones visited last week in Kingston with Mrs. Jones' sister, Mrs. Essie Marshall and with Mr. and Mrs. Davis at Melton Hill.

Mrs. Bill Watts, Tammy and Hobbin of Niota and Mr. and Mrs. Jim Green and Phillip spent last Tuesday in the Smokies.

Mr. and Mrs. Oscar Bayder spent Sunday with her mother, Mrs. Bob Tillery.

Mr. and Mrs. Bill McCarrroll and daughter of Erwin visited Sunday with Mr. and Mrs. Robert McCarrroll.

Mr. and Mrs. Rankin Mullins and Mrs. Carrie Mullins came from Tunnel Hill, Ga. for a weekend visit with Mrs. Joe Williams.

Mrs. Charles Varner, Sr. and Gene and Virginia Vaughn spent Sunday with Mrs. Alma Starnsbury in Dandridge.

Mrs. Lennie Watts and Sybil have

Sonja LaDine Sartin celebrated her first birthday August 20 with her two old brothers, Jonathan and Keith and cousin, Libby and Edward Goin in Oliver Springs. She is the daughter of Mr. and Mrs. Joe C. Sartin of Loudon.

Robert Edward (Robby) McMahon celebrated his first birthday August 22. He is the son of Mr. and Mrs. Charles E. McMahon. He is the grandson of Mr. and Mrs. Millard Shubert and Mr. and Mrs. Tom McMahon, both of Loudon. He is the only grandchild of Ed Humphreys of Loudon.

Michael David Bolt celebrated his second birthday August 22. He is the son of Mr. and Mrs. Estel J. Bolt, Sr. of Loudon. Grandparents are Mr. and Mrs. Estel J. Bolt, Sr. of Loudon and the late Mr. and Mrs. Arthur Costner of Loudon. Great-grandparents are Mr. and Mrs. Will McCrary of Loudon and Mrs. Dorothy Bolt of Loudon City.

Mr. Ricky McJunkin flew to Princeton, Ky. Saturday to visit Mr. and Mrs. Frank Barnes and daughter.

CUB SCOUTS' OUTING—Pictured above are the Den I Cub Scouts and their leaders, Mr. and Mrs. Sam Bolt who went on a picnic, hiking and swimming trip to Indian Boundary Campgrounds in Cherokee Wildlife Management Area on Sunday, August 20. From left to right are Sam Bolt, Eric Harmon, John Hargrove, Tony Bolt, Kent Gibson, David Kirkland, Shannon Bolt, Charles Satterfield and Mrs. Jackie Bolt. Unable to attend were David Grimes and Greg Hensley.

Joan Morton
In Who's Who

Joan Morton, a 1972 graduate of Loudon High School, was recently notified that she is to be featured in the sixth annual edition of Who's Who Among American High School Students, 1971-72. This is the largest student award publication in the nation.

Students from over 18,000 public, private, and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities, or community services in the book. Less than 1.5 percent of the senior class students nationwide are awarded this recognition.

Joan is the daughter of Mr. and Mrs. Joseph R. Morton, Jr. of Robinson Drive, Loudon. She is a member of the Cumberland Presbyterian Church. In high school she was salutatorian of her class, a member of the National Honor Society and was chosen as Who's Who in National Honor Societies, a member of the Literary Club, Pep Club, J.C.L., Science Club, F.T.A., 4-H, and president of the Math Club. She has served as Page at the DAR State Conventions and has done some modeling for fashion shows.

Mr. and Mrs. Windell Stiles of Dallas, Texas are visiting her parents, Mr. and Mrs. W.E. Edwards and Nancy.

Mrs. Joe Largen and Beth Largen of Chicago spent last Wednesday with Mrs. Charlie Davis and Cindy in Village Green, Concord.

Mrs. Sam East and daughter, Miss Elta Fay East spent the weekend with Mr. and Mrs. Lee Davidson and family.

Mrs. Charles Lawson and Mrs. Gillis Hendrickson, both of Kentucky, are in Tampa, Fla. to be with Mr. and Mrs. Paul Carter. Mr. Carter was to have open heart surgery there Tuesday, August 22.

Frank Carter of Knoxville is improving in St. Mary's Hospital.

Mr. Ricky McJunkin flew to Princeton, Ky. Saturday to visit Mr. and Mrs. Frank Barnes and daughter.

100th Camp Ground Services Underway

By Calvin Lansford

As one stands in the midst of the colorful and historic National Campground (which is located about one mile off Highway 96, five miles west of Greenback and seven miles south east of Lenoir City), it is easy to be carried away to memories of a past hundred years. As the whispering winds pass through the tall trees which surround the area, they seem to echo the voices of those long since departed this life, but who were on hand at the old camp meetings held here through the years, praising the Lord in song and testimony.

On August 18, at 7:30 p.m., the National Campground begins its one hundredth service and will continue each September 3, with services each night and Sunday afternoon services conducted at 9:30 each Sunday. This year Dr. Hayden Laster of Maryville will conduct the services with Don Brakebill, also of Maryville, directing the music and Mrs. Don Brakebill at the piano.

The annual campground meetings began in a tent with the Rev. Benjamin Criss of the Methodist Church preaching the first sermon. It has been the custom through the passing years to invite different denominations to conduct the annual meetings.

Aside from the fact that National Campground was organized to bring union to the denominations after the turmoil and uncertainty which existed just after the Civil War, it has continued through the one hundred years to be a heart felt and very influential part of the Christian religion in East Tennessee.

This year, as in the many years past, people will come from all across this section of East Tennessee as well as

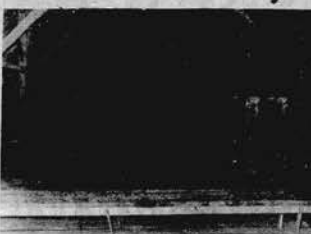

from surrounding states to join fellow Christians and people varied faiths in what could best be described as a worshiping experience without any of the traditional church formality.

Through the passing years, some changes have come about. Maybe not in the custom the services are conducted, but the people who come in automobiles rather than the horse and buggy. Parking space has replaced the hitch racks and the kerosene lamps have been replaced by electric lights but most remains the same as it has been for the past century.

The tabernacle is held together by wooden pegs. The seats, which will accommodate a few hundred, were installed for six dollars at the time the shed was built. A fresh layer of sawdust covers the area and serves as a floor. The hand been time bers that form the framework of the shed remain today as mute testimony of the endurance of the hopes and aspirations of those devoted Christians of the long ago.

The Campgrounds contain five acres. The grounds once contained two good springs but both are now gone. The tumbled down preachers camp, the dilapidated old dining house and cabins which dotted the area where people could come, bring their families and stay for the duration of the annual camp meeting are now gone. There is now talk about building facilities on the grounds for overnight guests.

In the beginning, the organization was chartered under the laws of the State of Tennessee and had full power and authority to enact its own laws. The campground had its own mayor, policemen and other officers, which

CAMPGROUND SHED—Looking down front in the Campground shed, where services are held, one sees the rustic altar furniture. This is the place where many ministers have stood over the passing one hundred years.

arrested violators and sentenced them. There are records that show that one man was arrested at the Campground for intoxication, was tried and fined \$100.

It all adds up to this, August, 1972, meetings at the old National Campground still has some great spiritual effect on the hundreds who will come each night to join in the singing and listen to the minister as he openly proclaims the Gospel. Anyone who enjoys an old fashion meeting is missing something if they don't plan to attend the series of services of the 1972 meeting.

The Tennessee Historical Society has given recognition to this old historical campground and that is only fitting. But to the many who have served on the Campground's committee it is more than a site to be recognized for its historical value, but certainly God's house in the wilderness.

Yes, the National Campground has been a focal point of inter-denominational cooperation for the past century.

A cordial invitation is extended to all in this area.

Greenback Community News

DEATH CAR—The impact of the collision centered on the passenger side door, where Miss Joyce Helen Constarer, was sitting. She was killed in the accident. Loudon County Deputy Jake Chapman, left, and Roane County Deputy Bill Farnham examine the wreck while State Trooper Claude Gardner of Knoxville takes down some information.

OFFICERS EXAMINE Knoxville car—This is the car driven by Richard Miller of Knoxville which collided with a car owned by Ralph Moore of Clinton on I-40 at the Loudon-Knox County line early Sunday morning. Miss Joyce Helen Constarer, 19, of Clinton, was killed.

identified by relatives of Miss Constarer as her fiancé, was confined until Tuesday in the intermediate care unit of UT Memorial Hospital in Knoxville. He is still hospitalized, but a relative said he was "doing all right."

Richard Miller of Knoxville was confined to the intensive care unit, also at UT Hospital. Officers at the scene Sunday were not certain how the accident occurred. But one of the injured men has explained it to his brother.

Ralph Moore, whose brother, Cleve Moore, operates a service station in Kingston, told his brother the car was stopped when the accident happened.

He said Miss Constarer was driving the car west on I-40 when it slid out of control when she apparently applied the brakes too hard.

He said the car, came to a stop at the edge of the road and that he got out to go around and get under the wheel. He said the car driven by Richard Miller of Knoxville collided with his vehicle as he started to get in.

Moore sustained a broken right arm, nine fractured ribs and a bruised kidney in the accident.

Sheriff's deputies from Loudon and Roane Counties, as well as Tennessee Highway

Patrolmen from Knoxville and from Roane County assisted with the investigation.

At the scene from Loudon County were Deputies Jake Chapman and Kenneth Brown.

Funeral services for Miss Constarer were held Tuesday at Jerigan Chapel Baptist Church in Clinton. The Rev. B.L. Gibson and the Rev. Ondis Coley officiated. Burial was in Anderson Memorial Gardens.

She is survived by her parents, Mr. and Mrs. Stanley Constarer of Clinton Rt. 4, five sisters and six brothers.

Miss Constarer had attended Clinton High School. She was employed at the Country Kitchen in South Clinton.

Rogers Attends Institute

Steve Rogers, Route 1, Philadelphia, is one of over 800 Youth Scholars from throughout the United States attending the National Institute on Cooperative Education at Iowa State University Ames, July 30-August 2.

Steve is the son of Mr. and Mrs. Herman Rogers of Route 1, Philadelphia.

Funeral services were held Sunday at Cedar Fork Baptist Church of which she was a member. Rev. Curtis Monday and Rev. Jewell Watson officiated. Interment, Foshee Cemetery, Karnes Funeral Home in charge.

County Schools Set To Open

The photo of school buses made during state inspection this week is an indication that school will start in Loudon County with registration at all county schools this Thursday.

Superintendent of Education, A. C. Dukes, said that he expects some 3600 students to register across the county. Thursday's activity will be abbreviated and classes will commence about 9:30 Dukes said and all buses will run about 10 a.m. returning the students home before lunch, Monday, August 28 will be the first full

day of classes in county schools.

The 26 school buses that transport county students were inspected last Monday by the State Department of Education. Supt. Dukes said that 21 of the 26 buses were either new or only one year old. He said that Loudon County is known in the State Department of Education for having the best school transportation equipment in the state and ranks second only to Sullivan County for the amount of insurance coverage on the buses.

FHA Has New County Office

The Farmers Home Administration office has been moved from the courthouse in Loudon to the Mainstream office in the old Loudon High School Building, according to Jack F. Copeland, County Supervisor for FHA. Mary C. Wells will be assisting in the office when Mr. Copeland is present each Tuesday. The telephone number at the office is 458-2688.

TWO SLIGHTLY INJURED—Two persons were slightly injured in this two vehicle accident on Steekee Road at Corinth Baptist Church about 12 noon Sunday. According to a report filed by Deputy J.C. Hammon, the car driven by Mrs. Minnie McDonald pulled from the church parking lot onto Steekee Road into the path of the truck driven by Billy Roberts of Madisonville. Mrs. McDonald, Rt. 2 Loudon and a passenger in the truck, Terecia Diane Roberts, were treated at Loudon County Memorial Hospital for minor injuries.

Church Ground Breaking Slated

A groundbreaking ceremony will be held at the new site for Bethel United Methodist Church on Highway 72, Sunday, August 27 at 2:30 p.m.

Clinton Woman Dies In I-40 Wreck

Youthful Redskins Have Winning Qualities For Approaching Season

Loudon's football coach Bert Ratledge will embark on his 12th season at the helm of the Redskins this fall. The illustrious Ratledge, who has become a living legend in area high school football, trains a 100-50-12 record in his pigskin credentials and a "AA" State Championship. The current Redskins edition is far from the state champs of three years ago as seasoned veterans are light on the field.

A hustling group of sophomores and juniors will carry the Loudon colors this season for the most part. Three returning regulars will have the early pressures of having to take up any slack that the underclassmen may lack in bonding the Redskins play.

Byron Lawson, a 6'9", 220 pound tackle and tackle Tommy Watkins a 215 pounder are lone senior linemen that will have much to do with the success of the front row of blockers and defensive ground stoppers.

Joining Lawson and Watkins in the line will be juniors "Sweetpea" Campbell at 180 pounds and Brand Brewster a 225 pound strongman. Billy Joe Presley a 220 pound sophomore is figured upon to relieve any of the tackles.

The guards are led by Walter Carnes a 188 pound senior, C.P. Chasin 186 pound senior will be the lightest man in the Redskins line, but is able relief will come from Loudon City transfer Mike Yates a 6'2", 205 pound sophomore.

The backs are led by Walter Carnes a 188 pound senior, C.P. Chasin 186 pound senior will be the lightest man in the Redskins line, but is able relief will come from Loudon City transfer Mike Yates a 6'2", 205 pound sophomore.

all sophomores. Jackie Fickey is set at center where he played well as a junior. The 195 pound senior will be an important man in the Loudon defense also. Mike Brackett is the backup center to Fickey but he is a senior and will be used extensively at tight end or defensive end. Ronnie Roberts

end or defensive end this year. Denny will be a dependable figure at free safety on defense.

The Loudon backfield is wide open for the taking. Greg Watson and John Lovelace

two keen juniors have broken even from the word start at nailing down the number one job left by Yancy Hampton. Both came out of spring practice shy of experience, but open eyed to work and

improvement. Summer vacation has had the two throwing and running and testing themselves as to what plays to call where. Thus both have emerged as a toss up to who plays first, was it not for their number on their jerseys a fan may never know when the change occurs. Both are 5'10" and Watson is a mere five pounds heavier. Dennis Queen is a bright sophomore prospect but lacks experience. Queen was very much in the quarterbacking role until plagiaged by the mumps. His return to practice on a limited

basis will keep him out the first part of the year. Tim Guidier is the big plus to the Loudon backfield with experience at fullback. The hard running injury is tabbed to go both on offense and to excel on defense. Guidier is 190 pounder. He has been slowed some this fall with a back injury. The injury is not expected to keep him out of the September 1 opener.

Senior John Calvin or junior Danny Russell are replacements for Guidier and

will see duties at defensive cornerback or end. Guidier is a cornerback for the Loudon defense.

Buddy Swiney is a promising sophomore learning the varsity chores of a fullback.

David Surrett or John Deathridge are the front runners at winning a starting assignment at halfback. Surrett has 4.9 speed for 90 yards. The junior will also work as a defensive cornerback.

Deathridge is a story in himself. The 5'10" sophomore departed spring practices at 128 pounds and returned this fall a muscular 175 pounds.

Greg Allmon a junior cornerback will see offensive play at halfback also. Rick Tucker a 140 pound sophomore is the top Redskin speedster at 4.6 for the forty. He will be a threat on punt and kickoff returns.

Sam Lyle, Guidier, or R.L. Brannon are booting if out as to who will handle the punting duties. Walter Carnes will handle placements.

In all the Redskins have close to 20 players or better that will see plenty of action. The Loudon schedule is a demanding one and will be a difficult one for so many underclassmen to master. Yet those who may have their way this year with seasoned teams are bound aware of what is in the developing stage and may be a year away from another outstanding Ratledge production.

The Redskins play but nine games this year and must play four AA contenders for the

district and regional honors. Maryville will be the most awesome opponent with depth and a preseason stamp of state championship material. Kingston and Loudon City are blessed with good teams and are sure to give the Loudon team a tussle before the fans at Dukes Field. Alcoa has been snubbed for years by the Redskins but this could be the year the worm turns. No team on the Loudon schedule is to be taken lightly other than the

October 27 open date and by then it is hard to say how the young Redskin Braves have responded to the test of battle. Look for some close calls. Remember Loudon lost four games by a grand total of 10 points last year and finished at 4-6. Don't expect much better this year although it is possible a 6-3 season could be achieved with dedication work and some luck along the way. This would mean the Redskins would have to win a biggy from some unsuspecting power and still not get over confident on the rest.

Lenoir City beware of the young Redskin Braves. Like the main giant circus tent always gets to with its clown men the most daring part of hungry cats out of their cages the crack of a bat. While Loudon Coach Dale probably feels the football team very well fit the circus training his edition of the team at Loudon is a talented circus coach is defining and while he is "natured clown" he is well fit for the "clown" job.

Senior John Calvin or junior Danny Russell are replacements for Guidier and

will see duties at defensive cornerback or end. Guidier is a cornerback for the Loudon defense.

Buddy Swiney is a promising sophomore learning the varsity chores of a fullback.

David Surrett or John Deathridge are the front runners at winning a starting assignment at halfback. Surrett has 4.9 speed for 90 yards. The junior will also work as a defensive cornerback.

Deathridge is a story in himself. The 5'10" sophomore departed spring practices at 128 pounds and returned this fall a muscular 175 pounds.

Greg Allmon a junior cornerback will see offensive play at halfback also. Rick Tucker a 140 pound sophomore is the top Redskin speedster at 4.6 for the forty. He will be a threat on punt and kickoff returns.

Sam Lyle, Guidier, or R.L. Brannon are booting if out as to who will handle the punting duties. Walter Carnes will handle placements.

In all the Redskins have close to 20 players or better that will see plenty of action. The Loudon schedule is a demanding one and will be a difficult one for so many underclassmen to master. Yet those who may have their way this year with seasoned teams are bound aware of what is in the developing stage and may be a year away from another outstanding Ratledge production.

The Redskins play but nine games this year and must play four AA contenders for the

Speaking of Sports

By DANNY GIBSON Sports Editor

All three county teams got into pre-season action last week with healthy scrimmages at various points over the area. Loudon emerged a better and wiser team from a four team scrimmage at Knoxville Webb High School. Harlan, Kentucky and Jefferson City were also guests of Webb. Loudon showed no signs of complete weakness other than mistakes made because they did not know any better. The Redskins are very young and inexperienced for the most part, but have come a long way since letting Crossville trip up and down Dukes field in a spring scrimmage. The Redskins will definitely have a stingy defense that will limit this can be seen daily as Coach Gary Duffon sends his group through its paces.

The Loudon offense may be a bit slower to come around, but when it does (and it will), don't look for it to vanish all so soon as the crop of backs Bert Ratledge has in the development stage are just pasture or two away from being throughbred horses with natural speed. Playing experience will become as much a teaching factor as the long sweaty hours Ratledge has patiently spent prompting his ball carriers.

Lenoir City exchanged scrimmage licks with Knoxville Holston and Farragut High Schools. The Panthers, with pre-season laurels as one of the teams not to be taken lightly if you have your sights set on copping the region title, did not please their coaches as well as had been expected.

Lenoir City scrimmaged Holston in the spring and done a much better job of knocking the Warriors around. Farragut failed to be as pesky as did Holston to the Panthers. Seven holding penalties, four by one player, hurt the Lenoir City execution, while a few new maneuvers by the Holston team made pass defense sometimes spotty.

Both Loudon and Lenoir City appear rough and ready for stopping most any type running game inside or out.

Greenback squared off with jamboree for Friendsville in their scrimmage and won by a 40 count. The Cherokee defense was very sharp with several of the Greenback defenders turning in outstanding plays. The Greenback offense moved the ball with a fluid motion that had both running and passing balance.

The scrimmage triumph is hoped not to go to the Greenback performers head with Friendsville and the Cherokees staged for a third quarter preview Friday night at Maryville College Field.

Maryville will not play in the Friday night Foothills Athletic Conference Football Jamboree at Maryville College Field. The Rebels were unable to get a team to play them in the fifth quarter. Maryville scrimmaged defending "AAA" champs Bristol last week and walked away a 4 to 1 winner. Bristol finished number two in the nation in the high school ranks last year and holds a preseason rating of fourth in the nation this fall. Bristol's Gil Kyle a 170 pound back and Adolph Graves a 208 pound lineman for Nashville Maplewood were two of the top 100 high school football players on the national check list. They are the only prep gridders on the list from Tennessee.

Loudon's VFW Wins Women Tourney

The VFW women softball team had to go the full route in turning back Hollymatic Ladies of Lenoir City in the Loudon Women Invitational Softball Tournament last week. The Loudon team which became the surprise of the tournament paraded into the Friday night unbeatens and only the lack of stopping or a tourney favorite. Hollymatic one of two possible games.

Hollymatic used an explosive six run sixth inning in the first game to break open a 4-4 tie. The Lenoir City team was led in hitting by Marietta Blackburn with two hits and a walk. Nancy McNabb was the best. Hollymatic totaled six runs in the first two innings of the final contest and held a 7-4 difference going into the bottom of the seventh inning, when the VFW attack came to life and hammered out three hits with two out and two Hollymatic errors enabled the Loudon team to slip across four runs and the Cham-

LOUDON TOURNAMENT WINNERS—The VFW softball team in the Women's Invitational at Loudon won the double elimination event over Hollymatic of Lenoir City last week. Pictured for VFW are front row, left to right, Sylvia Hawkins, Lynda Hawkins, Marilyn Smith, Debbie Hawkins, Christine Hicks (manager), and Wallina Lyons. Second row, left to right, Pat Robinson, Diane Wolf, Linda Cotner, Janis McChaud, Sylvia Robertson, Cheryl Johnson, and Debbie McCollister. Not pictured on the tournament team are Acquilla Beckley, Cortin Tedder, Nancy McNabb, Shirley Jenkins, Becky Mitchell, and Mary Lane Mitchell.

REDSKIN TEAM LEADERS—Seniors Jackie Fickey and Byron Lawson were named the new 1972 football captains for the Redskins this year. Coach Ratledge appears pleased with the team decision.

Summers-Oody, Huff-Hamil, Regain Golf Swing

The Union Carbide Golf League is back in the swing of things after a mid let down by the top runners Hall Summers and Mike Oody and Dick Huff and Art Hamil. The two title pinheads of the journey are Linda Hawkins, Debbie McCollister, and Debbie Hawkins led the VFW comeback with Debbie getting the winning backstroke.

Summers and Oody Huff and Hamil Miller and Miller Helms and Carver Loux and Swiney Rosebush and Hodge Scarbrough and White Ferguson and McNabb Swenson and Cole Wagner and Cardwell Hamil and Spradlin Birkholz and Moore Stamey and Evans

fourth place tie with Loux and Swiney. Both teams had 112 points and trail the pacemaker by 19 points.

Ernie Black was the top man of the week with a low net score of 34 for the night.

Hall Summers continues to have the top individual scoring of points to date with 75. The individual mark is

nine ahead of Art Hamil who is in a tight race for runner-up. There are eight more weeks of the golf league left so almost anything could happen to the top ten or top individuals to upset the present trend.

Lenoir City Looms As Region II Grid Challenger

Lenoir City opponents beware of the 1972 Panthers. Like the main attraction of a giant circus the Lenoir team always gets top billing. Even with its clowns and music men the most exciting and daring part is when the hungry cats come dashing out of their cages to perform at the crack of a whip.

While Lenoir City head Coach Dale Brown would probably feel more at ease on the football field than in a circus training wild animals his edition of the 1972 football team at Lenoir City might very well fit the attractions of a talented circus. The Panther coach is definitely the boss and while he has some good natured clown acts about the

dressing room when he blows his whistle the playful Panthers become men of the gridiron. The Lenoir City line compares to some small college weights with muscular strength and size. The backfield is experienced and cunning with good speed.

Thus a real show on wheels could be the Lenoir City football team of this fall. Coach Brown has been at Lenoir City for three years and this team is his own making. The Panthers have come on cautiously under Brown and had a boastsful 6-4 mark last fall. This year's team has a better than average chance of winning the Region crown and still have but nine games scheduled.

The Panthers play McMinn Central in the home opener and passing that first step will be a big game for Lenoir City. Loudon, Cleveland, and defending Region Champ Kingston will pose definite problems other teams on the Panther schedule look like they can be had by their bunch if they play up to their experience and training.

Tommy Cook, a real leader in athletics for Lenoir City, should be one of the top seniors in the state. Cook is a 178 pound quarterback and safety man. He will handle punting, extra points, and kickoff and punt returns. Thus when you put the ball in the hands of such a versatile

player things are certain to happen. Mike Walker a returning letterman and just a junior will be a big man to stop. The 185 pound halfback led the team in rushing as a sophomore with 696 yards. Seniors Donnie Stamey and Chucky Williams are not to be taken for granted in the back-

field. Stamey, Williams, and Walker are linebackers on defense which gives the indication they are not afraid to mix it up either in carrying the ball or tackling the opposing ball carrier.

A big line of fair quickness and excellent strength makes this veteran group a rough and tumble unit. Tim Gaylon is the

ringleader of the line corps. The 220 pound senior center has college credentials of being a fine catch when the recruiters come calling. Balancing out the front line on both sides of Gaylon are first line guards Sam Thompson a 195 pound junior, Nathan Dalton, a 225 pound senior, Donnie Conner 175 pound-

junior, and Gary McNabb 170 pound junior.

The tackles appear in the hands of such returnees as Wade Rice 196 pound and only a junior, Dene Spradlin a 233 pound senior, Ricky Sarten, a 178 pound senior, and Ronnie Brown a 250 pound sophomore.

The ends will rotate between the services of Lee Arnold and Mike Hooks both seniors and junior Carl Thompson.

Hooks is hard hitting defensive ace who uses his ability of quickness to nail ball carriers in the backfield.

PANTHER PROWLERS—The Lenoir City offensive backfield should be one of the more consistent features of the Panthers this fall when this foursome gets into gear. Senior quarterback Tommy Cook (with ball) is backed by the talents of Donnie Stamey (21), a 180 pound halfback, Chucky Williams, a 170 pound senior fullback, and the lone underclassman of the group, but last year's leading team rusher Mike Walker (45), a 185 pound junior. All four play on defense.

Lenoir City will have a surprise for most teams who figure on putting the squeeze on Cook at preventing the Panthers from rolling. Mike Conkey, a pleasant surprise up from the freshman ranks who has been used as a defensive champ, 150 pound sophomore runs the team like he owned it. Hence, the Lenoir City coaches have had the novelty of using Cook as a halfback. The idea of Cook becoming a running back would give added rest to

All we can say is good luck coach but I dare say back will be needed if your team plays true and can handle the prospects of having one of Lenoir City's better grid teams in several years.

The Panthers look ready for a region showdown with defending champ Kingston and provided the cage door is not left open for a Friday night let down these cats can win them all and at worst not lose over two. Thus, an authentic contender for region honors will be at work this fall.

Besides the qualifying runs and heats, sportman cars are due to battle in a 40-lap feature and 25-lap semi-feature. Hobby cars will run a 25-lapper. Adult admission is \$2 (children under 12 free) and rain checks from last

Saturday will be honored. Joining Vineyard for one of the best field of cars this season will be Herman Goddard (Chevy II), who established a track and what is believed to be a world record 10-minute trials two weeks ago; Tootle Estes (Mustang), Ken Phillips (Chevy II), Snooks DeFore (Mustang), and Herb Garner (Chevrolet).

MIGHTY CASEY at Bat—Monty Barger did not strike out like Mighty Casey did for Mudville, but pitched his team to a second place finish in the Philadelphia Invitational Softball Tournament sponsored by the Philadelphia Community Club. The tournament was termed a big success for both participants and the Community Club.

Greenback To Battle Porter In Foothills Conference Race

The Greenback Cherokees need to win but three games and the season can be termed a success over the 1971 campaign. Coach Keith Bailey sees things a lot better than that for the 40 man roster he has taking part in fall drills. While only 29 men will be considered varsity stock by August 25 when the Foothills Athletic Conference Football Jamboree is played, the team potential is unlimited for their "A" division achievements.

Tommy Linginfeller is the key to just how well the Cherokees improve. The 6'3", 190 pound quarterback is just a junior but his football papers are that of a high school all star. Linginfeller totaled over 1000 yards in total offense last fall as a sophomore. He has improved his passing and grown

more in strength and size since his sophomore debut and this should make him the talk of the Foothills Conference.

Tim Hammonree is a power man at fullback and is also a junior. Joe Mainor will be the number two quarterback but is regarded as a halfback. Mainor will handle the punting duties while Hammonree is the placement specialist.

Darrell McKeethan or Danny Evans will fill the other halfback position with senior runner Mainor. McKeethan is a 135 pound junior while Evans is 135 pound senior.

Larry Rifehey, who had a spindly spring, is expected to be the number one receiver for Linginfeller's bullets. Rifehey is a speedy 150 pound senior. Randall Banks will be the left end. He is a freshman. Bill Joe Kyker is the praise of the Greenback camp. The

6'3" junior is out for football for the first time and his presence is very evident. At only 190 Kyker is not the perfect player for his height but his ability to grab hold of ball carriers despite being blocked gives him a big edge so most men at his position. "Kyker can be the type ball

player he wants to be. He has played the whole left side by himself on defense when he was mad and wanted to get at the ball," said Coach Bailey. Joining Kyker as the first

PLYING CHEROKEE—Greenback lineman, Bill Joe Kyker has the team and coaches buzzing with high hopes of this football abilities. The 6'3" tackle has been a key figure in the Greenback defensive construction and hits a mean lick in the offensive line.

He is to eager to play. The tackles spots are held by Tommy McNetley, 175 pound senior and Rick Radder a 155 pound junior.

On defense the Cherokees are expecting McNetley, Radder, Hammonree, and the relief of Keith Rollins, a 160 pound defensive end, and Dennis Childs is a 185 pound tackle that will see plenty of action. Both Childs and Rollins are juniors. Jimmy Brooks is a stocky 170 pound freshman that has playing

Bank Of Loudon County Crowned Champs Of Philadelphia Softball Tourney

The Bank of Loudon County, after several attempts to beat Loudon's Recreation Softball League Champs, the Kingston Mules, combined forces to enter the Philadelphia Invitational Softball Tournament last week. The softball powerhouse rolled through the tournament without a loss as 12 other teams stumbled to defeat in the week's event.

Philadelphia's Bar-Knit, winner of their respective community league, placed second to the Bankers with a fine game flurry Saturday to reach the Saturday night finals.

Loudon finished third in the tournament with Philadelphia's Anderson IGA occupying fourth place honors. Six teams made it to the Saturday showdown. Loudon met Bar-Knit in the Saturday morning opener and won 16-4 in extra innings. The Bank of Loudon County handed Smith Chair Company their first loss 13-4. Anderson IGA eliminated Smith Chair in the loser's bracket play 7-5. Bar-Knit came to life with a 25 hit attack that dropped Marcom from play 20-3.

Bar-Knit continued their good play with a nifty 7-2 decision over IGA to cut the remaining teams to three. The Bank of Loudon County rolled to a 20 to 6 thrashing of Loudon to enter the final game showdown with Bar-Knit.

Bar-Knit avenged their morning loss with a 14-9 victory and found themselves face to face with the Bankers. The Bar-Knit play was good as they were featured in their game of the day. The Bankers showed little sympathy lashing out a 21-5 championship verdict for top honors.

Beverly Barr was crowned the tournament queen for the Community Club's softball team. Other trophies and honors went to Benny Barger. Bar-Knit third baseman for the highest batting average of the tournament. Barger's average was .790, 18 hits in 25 times at bat. Hal Lewfey of the Bank of Loudon County and regular season member of the Kingston Mules was runner-up with .680 average, 12 hits in 20 times at bat. Chig Mitchell (.588 average) of the Bank of Loudon County and Wayne Poole (.558 average) of Bar-Knit finished third and fourth respectively.

Joe Russell of the Bank of Loudon County hit the most home runs of any one player with eight round trippers. Russell had 12 hits for the tournament in 24 times to the plate for a respectable .500 mark. There was 60 home runs hit in the tournament, some in extra innings. Jobs, but all of Russell's were out of the ball park.

Both individual teams and officials of the Philadelphia Community Club express the fine manner the tournament was conducted and the outstanding facilities for the Philadelphia had for recreation events. A Philadelphia Invitational is understood to become an annual summer event for the Community Club with hopes of enlarging the number of teams participating.

Game & Fish TODAY

By Sgt. Bob Harmon

Game & Fish Commission

Tennessee duck hunters will have 30 days beginning November 25 in which to pursue their sport this year. Members of the Tennessee Game and Fish Commission today (8-23) selected season dates of November 25 to January 15, 1973, and set a daily bag limit of 4. The daily bag may consist of 4 mallards or other species, but may not contain more than 2 wood ducks.

There will be no season on canvasback or redhead ducks. The Commission's action came following careful consideration of remarks made by delegations representing most duck hunting areas of the state. None of the delegations favored a split season as was held last year, while most favored extending the season as late as the Federal framework allowed (January 20).

"The Commission's season was seen as a compromise that would allow the most ducks to be taken by the most people, in keeping with the resource," Commission Director David M. Goodrich said.

A goose season of November 12 - January 20 was also set, with a daily bag limit of 5 established. The daily bag may not include more than one Canada goose, however, a limitation imposed on Tennessee and three other Mississippi Flyway states by the U. S. Department of the Interior. With this limitation imposed, the Commission closed East Tennessee's Blythe Ferry Goose Management Area in order to help rebuild the goose population there.

Adopted along with the waterfowl seasons were rules and regulations governing hunting on waterfowl areas operated by the Game and Fish Commission. The regulations are basically the same as those of last year, except that hunters using the Camden and Gooch areas will be allowed only one reservation per year.

In other hunting action, the Commission:

- Proclaimed the waters of Reelfoot Lake a wildlife management area.
- Re-established the Tackott Creek WMA.

-Approved hunting season on the Hatchin and Tennessee National Wildlife Refuges and on TVA's Land Between the Lakes recreational area.

Following extensive discussion, the Commission members decided to end an experimental project at Reelfoot Lake which allowed the commercial harvest of crappie. This project had been underway for eight years, but had apparently not succeeded in generating any appreciable increase in the size of crappie there.

The Commission also prohibited the importation of the white amur, or so-called "grass carp" until further studies of the habits of this fish can be made. It was feared importation of this fish might result in detrimental effects on other fish species.

Commission Law Enforcement Chief Tucker Brown advised the Commission members that special efforts are being made to allow the public to communicate with law enforcement officers. Brown said that an incoming WATS line is being installed in the Nashville office and plans are being made to have

weekend radio dispatchers available. Information-Education Division Chief Larry Richardson said that the hunter-safety program, in progressing on schedule with chief instructors now being trained and student instructor training scheduled to begin in September. Richardson also said that initial distribution of the 1972-73 Pocket Guide to Tennessee Hunting is now being made.

QUOTA DEER HUNT APPLICATIONS DUE
September 1, 1972, is the deadline for submitting applications for quota deer hunts on management areas operated by the Tennessee Game and Fish Commission. "We will accept all applications postmarked by midnight, September 1," Commission and Fish Commission Director David M. Goodrich said.

Computer drawings for positions will be held later in September. Application forms, listing of all hunts and quotas, and complete instructions are available from Game and Fish district offices in Johnson City, Knoxville, Chattanooga, Crossville, Nashville, Lewisburg, Waverly, Jackson and Memphis. All Game and Fish law enforcement officers also have supplies of the forms.

WILD HOG TRAPPING NETS' JAIL TERMS
FOUR TWO
Two East Tennessee men have been fined and given jail sentences for trapping wild hogs on the Tennessee Game and Fish Commission's Tellico Wildlife Management Area near Madisonville.

Rodger Don Taylor, 23, and Worth Shaw, Jr., 20, both of the Coker Creek community in Monroe County, were each fined \$80 and court costs of \$15.50 on charges of possessing and transporting a wild hog in closed season. In addition, Monroe County General Sessions Judge Albert Martin imposed 30-day jail sentences on each, then barred both men from the Tellico WMA for a period of one year by court order.

Game and Fish Officer's Charles Mountain, John French and Ray Beatty arrested the pair near Indian Boundary Lake with two hogs in their possession.

A 1966 automobile owned by Shaw and used in the violation was confiscated by Game and Fish officers.

Your County In Action

BY
Harvey L. Sproul
LOUDON COUNTY JUDGE

The Loudon County Herald recently carried a newspaper article concerning the August 7 monthly meeting of the Loudon County Quarterly Court.

The first paragraph of the news story was to the effect "same song, second verse", and that everything coming up on the Agenda was pretty much a rehash of things that had been discussed previously or that had been postponed from previous meetings.

Now, I am not really criticizing the Newspapers for this statement, because it was basically true.

However, I think a danger might lie in the interpretation of the article not only from the Newspapers who regularly

deciding them immediately, is a dangerous practice, and that the reasoned, studied, and considered decisions are ones that will last, and will have the best chance of getting results for the citizens of the County that are good, and will save the most tax dollars.

Such matters as the question of whether or not to provide Ambulance Service, and how to do this, cannot be decided by bringing it up for discussion at one meeting and making a decision.

Other matters that have arisen recently that fall into the category of needing considerable discussion and contemplation include the question of building new in-terchanges on the Interstate, building a new jail or Criminal Justice Center, the question of solid waste disposal, and the disposition of the old hospital building.

It doesn't bother me to carry many of the same items for several months, requesting additional reports and study, because I then personally feel that the public has had the best chance to know what is going on and to be able to let their views be heard in the newspapers, and to the Squires, and there has been a chance to get a good decision.

I may have been a little too hasty in defending the Quarterly Court concerning the allegation of the local Funeral Homes that the members of the Quarterly Court have been unco-

operative.

Perhaps the whole thing gets down to the question of what is the definition of being "co-operative". Have the nine members of the Court been unco-operative?

So far as the County Judge is concerned, he cannot do a thing officially for the County unless authorized by the Quarterly Court.

If the Quarterly Court had authorized and directed the County to begin an Ambulance Service and given the proper financial backing to do so, I would have done everything I could to carry out their direction. This is my job.

And I really haven't taken too much a side one way or the other in this particular matter, because I really haven't personally known what was the best thing to do.

But on the other hand, in my view, they had not really been unco-operative, because they have spent hours in studying, and working, and meeting, concerning this situation. When you look at it from this standpoint then it is hard to criticize them, because providing an ambulance service will involve such a tremendous amount of money every year.

By studying the matter thoroughly it is possible that alternate plans can be considered which might come up with a way of handling

emergency ambulance service with a reduction of the projected tremendous expense. In addition, by moving ahead too fast on such a matter, you lose your bargaining power insofar as the proper financial responsibility and support from the Federal and State Governments which should be given to local governments, particularly rural smaller Counties such as ours.

If local government is already involved in carrying out the service, then it is very difficult to get the State and Federal Government to come in and help. All they have offered so far is about one tenth of the cost for one year.

It is quite amazing to see the increased activity on the part of out-of-County developers in Loudon County during the last few months.

The increase of interest has been tremendous, and no doubt has been caused

Rev. Hagan To Conduct Revival

Compromise Baptist Church will begin revival services Monday, August 23 through September 2, beginning at 7 p.m. nightly.

Rev. Dillard Hagan, pastor of the First Baptist Church, Philadelphia, will be the evangelist. Mr. and Mrs. Gary Arnes will be directing the music. Special singing are expected each night including the Pleemmons Trio from Athens, the Davis Family from Rockwood and The Gospel Tones from Madisonville.

MEMORY CARD

In loving memory of our father, George W. Bartlett, who died one year ago, August 24, 1971.

Our hearts were broken when you left us, but we miss you so each day. But never will the one we love from memory pass away. The love we shared together are the memories we hold dear and the happiness you gave us will be forever near. We know you would not want us to be sad, but you, dearest son, were all we had.

Mother and Daddy, grandparents and all that loved you.

BACK IN THE GOOD OLD DAYS

Sometimes we have the good fortune to run into things that really prompts a lot of thought about the many things in the realm of The Good Old Days. Along with some comments about a picture we have this week, we will be recalling some things that were a real part of many peoples lives.

A picture we have this week involves two of our boys who grew up in Loudon in one phase of the Good Old Days and were possibly as well known as were any of the rest of us. The two boys in the picture, Ben Wilburn, Jr. and his brother, the late (Nig) Wilburn. They grew up in the area around the old depot. The family lived for many years in the house now owned by the Bill McCarroll family. They were the children of Mr. and

Mrs. Ben Wilburn, Sr. We remember that Mr. Wilburn would call these boys home with a loud whistle, which could be heard by the boys where they were at play with other boys, over in the dip or in Duff town. Now I am sure these names ring a bell with some of our old timers. Klmp (Nig), the younger of the Wilburn boys, now deceased, was widely known in the sports field. He was an outstanding athlete himself and later was a very prominent coach in the East Tennessee area. As we recall him, he had a tremendous desire to succeed in the sports field and he attained this goal. But our best memories of these two boys was just that when we were boys growing up in Loudon riding homemade wagons, flying jennies, a few bloody

nose, watching the freight trains go by and the many other things that made up the lives of boys in those past years.

When Ben, Jr. (as we always called him) came by my house to bring this picture, was the first time we have seen him in a long time. He now lives down near Paint Rock and operates a nursery. We did appreciate the picture and the visit from Ben, Jr. to talk about the Good Old Days.

Oh yes, the young man on the left is Ben, Jr. and the one on the right is Nig. The picture was made down in South Carolina and the woman holding them is not identified. Ben said she was a fine person

and very good to them as she cared for them.

We mentioned homemade wagons that boys used to make when I was growing up. Well, just recently we have noticed some boys riding in homemade wagons. Maybe they are coming back with the passing of time. Just maybe some of the dads could show their boys a few things about homemade wagons.

Last week we ran a picture of the old Bolt homeplace and some of the family members. Of course, the picture was made many, many years ago and as the old saying goes, a lot of water has gone over the dam. But we ran into something here that is seldom possible. Our good friend and former Army buddy, Lawrence P. (Boogie) Kerley of up in Lenoir City came up with a picture of the same made in recent years. In this picture are the late Rev. Doss Kerley and some members of the Bolt family. We are always glad to have pictures of old family heroes of this area. We are glad to have the picture of Rev. Doss Kerley, who pastored many churches in this section of East Tennessee. It contains data on how much was earned and how much was spent in every part of the nation.

Survey Shows Eleven Percent Sales Increase

According to a new survey of business activity in communities across the country, Loudon County turned in a better-than-average performance in the past year.

Significant strength was displayed in its trading area as local residents, enjoying better incomes, spent more freely for goods and services.

The findings are presented in a copyrighted report, called "Survey of Buying Power," released by Sales Management. It contains data on how much was earned and how much was spent in every part of the nation.

Loudon County's market strength reflects the greater purchasing potential of its population. Local people were earning more and more hereafter able to spend more.

Their net disposable income in the year, after payment of personal taxes, amounted to \$58,778,000.

Just what this represented, in terms of the individual family, was found by dividing the dollar total by the number of households. It averaged out to a net, per household, of

\$7,440.

Despite the fact that inflation continued to cut deeply into their purchasing power, they still had a greater amount left for discretionary spending than the year before.

And, with business indicators moving upward, consumers felt a greater willingness to buy. Although they did not go all out in their spending, they did loosen their purse strings sufficiently to give local merchants a good year.

The net result was that retail stores in Loudon County were able to chalk up gross sales of \$38,410,000, bettering the previous year's \$32,785,000.

The rise, 11.7 percent, compares with a 8.7 percent rise in the United States.

According to recent reports on consumer feelings and attitudes, the general sentiment is one of guarded optimism. The belief is that things are getting better, that business is improving and that inflation is being brought under some control.

LOUDON, TENNESSEE, THURSDAY, AUGUST 31, 1972

TEN CENTS PER COPY

KIDNAPPED FAMILY—Loudon Jailer George Wood, right, talks to Mr. and Mrs. Mel Brine and one of their three children, outside the Loudon County jail Saturday afternoon. The family was stopped in Loudon as they were fleeing back to Florida after being released by a couple who had kidnapped them Friday. The family was turned over to FBI agents who were investigating the incident.

Kidnapped Family Found In Loudon

Miami, Florida, couple and their three children fleeing Tennessee after being released by a man and his wife who had held them hostage for two days were stopped in Loudon by County Deputy Kenneth Brown last Saturday afternoon.

Brown spotted the car just crossing the bridge in Loudon, headed south, after calls to the Sheriff's office that a woman had stopped in Lenoir City and asked to call "boarder guards" and what was the quickest route to the Florida line.

In the meantime information given out the Tennessee Highway Patrol informed local officers that the car driven by the family was wanted in connection with a kidnapping of a Florida deputy who had been found chained to a tree in Morgan County earlier Saturday afternoon.

Mr. and Mrs. Mel Brine told local officers that after the kidnapers, released them Saturday afternoon and told to go back to Florida, without telling anyone what happened, they were doing just that when they were stopped in Loudon County.

The long mystery unfolds into a somewhat confusing and complicated series of events. Friday a Tampa, Fla., deputy sheriff, Bruce Brewster, was kidnapped by an escaped prisoner William Elais Davidson and his wife as he took Davidson to a hospital for treatment.

After escaping from the hospital in a stolen car the Davidson's then kidnapped the Brines and their three children at Davenport, Fla., motel where they were staying. The family was on a vacation visit to Disney World and were staying in Davenport.

All eight persons, the Brine family, the deputy and the two kidnapers traveled through Georgia Friday night and into Tennessee Saturday afternoon. When the group reached Wartburg, in Morgan

Jayeets Set Take A Break

The Loudon Jaycees are sponsoring a Take A Break For Safety project during the Labor Day Holiday Weekend, Sunday from noon to 4 p.m. The Jaycees and Jayettes will offer free refreshments to travelers who pass through Loudon on U.S. 11.

A Jaycees Take A Break Center will be set up in front of Loudon High School.

Monday, the Davidsons were captured in Kentucky and turned over to federal authorities.

Court Meets Tuesday Night, Agenda Long

Loudon County Court faces one of the longest business sessions in several months if the length of the agenda is any indication. The Court meets at 7 p.m. Tuesday, Sept. 5, with one new member and the other eight having just being sworn into office for new six year terms. The new member is Boyd Duckworth of Philadelphia who was elected to the seat vacated by Squire Jack Lefler, who did not seek re-election in August.

Listed on the agenda are a group of 14 committees which the court and Judge Sprout will appoint or elect to serve during the coming year.

The ambulance service question is still very high in the agenda and a report on recent meetings with prospects wanting to provide the service in the county is expected.

The complete agenda as released by Judge Harvey Sprout this week is as follows:

1. Hledge of allegiance, opening of Court, and roll call.
2. Reading and approval of the minutes of the August 7, 1972, regular meeting of the Court.
3. Miscellaneous business and interrogations and open discussion period. (At this time any visitor or delegation may state any business which they may want to take up with the County Court, and make any statement about any business.)

(Continued on Page 9)

Water At Interchange A Must For Development

The Loudon County Regional Planning Commission at its recent meeting indicated an attitude toward not rezoning any property in the area of Interstate 75 and State Route 72 until Loudon Utilities or some authority places an adequate water supply to the area.

It was reported at the meeting that a number of developers were showing interest in the area and were seeking rezoning to allow for the commercial development of the area. The Commission thought any rezoning consideration was premature inasmuch there was no water or sewer facilities available in the area. After discussion, it was moved by Ben Wilkerson and seconded by Ross Wilkerson, and unanimously approved that the policy of the Commission would be to recommend (Continued on Page 9)

Strangulation Attempt Reported

An investigation is underway in Loudon into the alleged attempted strangulation of a young Loudon woman.

About 6:30 p.m. Saturday City of Loudon and County officers were summoned to the Claude Brewer home on Ferry Street in Loudon where they found 18-year-old Teala Brewer laying in the floor of her bedroom with a telephone cord around her neck.

Miss Brewer was taken to Loudon County Memorial Hospital where she was treated for shock. When taken from the house she still had a cord around her neck and had red marks on her throat.

Officers said that they had been called to the house the night before, about the same time, after Miss Brewer reported that she had been attacked by a woman. She said then the attacker knocked her down as she was holding the young child she was caring for. She said she was also struck by a softdrink bottle.

On Saturday's attack, she said, the same woman was present, but that she did not see who strangled her.

Officers say they are investigating the matter, but would make no statement on the matter.

Jaycees Repeat Carnival Friday

The Back To School Carnival will be repeated this Friday night by the Loudon Jaycees. The Jaycees held a similar event last week and decided to repeat the Carnival at 7 p.m. Friday at the Loudon Grammar school Gymnasium.

Carnival Chairman Tom Elliott said that there will be plenty of new games and activities for children and adults alike as well as plenty of food and soft drinks.

Emphasis is being placed on the young fry in many of the game activities, Chairman Elliott said. Some of these will be the fish pond, a duck pond, bean bag throw and others.

Some of the other game features will be bingo for adults and young alike, dart throwing, basketball throw, weight guess, grab bag and nickle pick.

Admission will be 25 cents and the ticket is good for a door prize drawing that will be held during the night.

Prizes will be awarded to every participant in every game, and those who have more skill in the events stand to win some valuable prizes, Jaycees Elliott said.

Officials Set Courthouse Hours

Officials at the Loudon County Courthouse this week announced a slight change in the business hours of the offices there.

Effective immediately all offices in the courthouse will be open from 8 a.m. to 6 p.m. on Monday, from 8 a.m. to 4 p.m. Tuesday through Friday. All offices would be closed on Saturday. County Register of Deeds Ralph Wear said these hours will be maintained throughout the winter months.

The only change in the new schedule from the summer hours is the shortening of Monday's business day by 30 minutes.

STATION OPERATOR KILLED—This was the scene at Forester's American Service Station at the intersection of highways 411 and 95 at Greenback Saturday shortly after the truck and car collided in front of the station. The vehicles skidded off the road, struck the station owner Ralph Forester, 45, killing him as he worked on a price sign near the highway. The vehicles continued into the station area, the car bursting into flames, knocking down gas pumps. The truck overturned and struck three parked cars. Some of the hundreds of persons who came to the scene can be seen looking at the damage.

Car-Truck Collide, Service Station Operator Is Killed

A Greenback service station operator was killed as the result of a spectacular car-truck accident on highway 411 at Greenback about 11 a.m. Saturday. The victim was Ralph Forester, 45, who operated Forester's American Service Station at the intersection of U.S. 411 and State Route 95.

Driver of the car John Eastman of Lenoir City was taken to Blount Memorial Hospital where he was treated for minor injuries and released. Troopers said he was being charged with driving while intoxicated and manslaughter. The driver of the milk truck was Ulysses Lequire of Greenback, who was not injured. Troopers said the spectacular accident quickly drew a crowd of several hundred persons to the scene and officials were more than four hours in clearing the wreckage from the station area.

Funeral services for Mr. Forester were held Monday at Smith Mortuary Chapel in Maryville with interment in Zion's Chapel Cemetery.

The victim is survived by his wife, Mrs. Lucetta Hughes Forester; sons, Bradley and Russell Forester of Maryville; brothers, Joe Forester and LeRoy Forester of Maryville and Eugene of Illinois; sisters, Mrs. Robert Miles, Mrs. John McMillan, Miss Station, Mrs. Jess Watkins, Mrs. Harrison Smith of Maryville and Mrs. Homer Long of Knoxville.

Jeff Ratledge Appointed Republican Senate Page

A Loudon youth has been appointed by Senator Howard Baker to serve as a Page in the United States Senate in Washington. Jeff Ratledge, 14, son of Loudon High School Head Football Coach and Mrs. Bert Ratledge, Jr., received a letter this past week from Senator Baker announcing the appointment.

Jeff first sought the appointment from Baker when the Senator was in Loudon on a campaign tour in July.

As an appointee of Senator Baker, Jeff will live in Washington, attend a private government school for Pages and work long hours attending the needs of their Senators.

Jeff will leave Loudon Friday for his new home in Washington. He will be living in a boarding home about four blocks from the Capitol. He will begin work on September 5 and school begins on Sept. 7.

As an appointee of Senator Baker, Jeff will join seven other Senate Pages appointed by Republican Senators. The eight Republican Pages are responsible for running errands attending committee meetings and other jobs at the command of the 45 Republican Senators. In all there are 30 Pages in the Senate, another 51 in the House of Representatives and four in the Supreme Court.

Jeff's day will begin at 6:10 a.m. when he will report to class in the Library of Congress with the other 84 Pages. At 9:45 he will report to the Senate Cloak Room, then at 10 a.m. will be on position in front of the Vice President's chair on the Senate Floor to start assisting the senators. Jeff said he expects his work day to run until 9:30 or 10 p.m. at night until the Senate adjourns for the November election.

The job of Senate Page pays \$7283 per year. Jeff must pay his own room and board and provide his own clothes. The education is provided by the government.

Jeff said he sought the position as a Senate Page because he was interested in politics and he was a Republican. He said his future as a Page depends on Senator Baker's re-election in November, his conduct and grades, and how he performs his duties. He said he hoped to serve the full four years allowed.

Jeff has attended Webb School for the past two years and will be a ninth grade student this fall.

JEFF RATLEDGE.

Tinch Caught In Grocery

An unidentified caller tipped off police of the attempted robbery of a Lenoir City grocery store early Saturday morning and Lenoir City Police men were able to stop the burglary.

Charles Tinch, 19, of Dunn Ridge, was caught inside Red Kelly's Grocery on West Fourth Ave. by officers Clifton Williams and Jack Catham at 6:00 a.m. Saturday.

Tinch was charged with burglary, 3rd degree, and taking by force who have been charged with the same offense on 9:00 a.m. Saturday morning where he waived preliminary hearing and was bonded over to the grand jury. Bond was set at \$7,500.

Tinch had evidently gained entry by throwing the lid of a water meter cover through the front door glass. Other than the broken glass and some papers thrown around the counter, he didn't cause that much damage to the store.

Tinch had evidently gained entry by throwing the lid of a water meter cover through the front door glass. Other than the broken glass and some papers thrown around the counter, he didn't cause that much damage to the store.

\$250 In Cash Prizes Offered In Grid Contest

For the 10th consecutive year the Loudon County Herald in cooperation with a number of county merchants and firms is sponsoring a Football Contest which offers \$250 in cash prizes.

The contest begins this week and works like this: Contestants mark what team they think will win in each of the 10 games listed in the contest ad. Also fill in the number of points they think will be scored in the tie-breaker game. The contest entry blank must be mailed or returned to the Herald office on Cedar Street next to the courthouse no later than 5 p.m. each Friday to be eligible.

The contestant getting the best score for selecting the most games correct and having the best guess on the tie-breaker will win first place cash for that week of \$12. Second place is \$8 and third is \$5. In cases of ties the prizes will be combined and divided equally.

Winners will be notified in the following issue. The contest begins this week and runs for 10 consecutive weeks.

LOUDON CROSSING ACCIDENT—A tax cab driven by Charlie Lawhon of Loudon was struck by several cars of a Southern Railway freight train passing the Highland Avenue Crossing in Loudon late Saturday afternoon. Lawhon said that he approached the crossing and stopped. He said all wheels growing near the tracks prevented him from seeing the northbound freight. Lawhon said he stopped the car just short of the tracks but the freight cars rocking across the crossing hit the front of the car as some of them passed. No one was injured.

Loudon County Herald For and about Women

Personal Mention

McLendon-Johnson Vows Are Pledged

Mrs. Kathy Ann McLendon and Randy Melvin Johnson were united in marriage June 10, at 7:30 p.m. at New Macedonia Baptist Church, Rev. Burford Albright performed the ceremony before an altar decorated with baskets of mums and gladioli and candelabra with greenery and white burning tapers.

Mrs. Gail Clemmer, cousin of the bride was Maid of Honor. Bridesmaids were Mrs. Dorothy Burton, Route 4, Sweetwater and Mr. and Mrs. Phillip Johnson, Route 2, Venoore.

Mrs. Faye Townsend presented the wedding music. The bride, given in marriage by her uncle, the late Ike Tinker, wore a floor length gown of satin and chiffon with rose designs. The long sleeves of chiffon were trimmed with lace and the waist was accented with a satin floor length ribbon. She carried a white bouquet with orchids and her grandmother's handkerchief.

Mrs. Gail Clemmer, cousin of the bride was Maid of Honor. Bridesmaids were Mrs. Donna Robinson and Mrs. Brenda Giles. Flower girl was Beverly Giles, niece of the groom. Their gowns were aqua with the same rose design pattern as the bride's.

Ushers were Mike Robinson, Bruce Watson, Robby Giles and Eddie McLemore. Charles (Chuck) Johnson, nephew of the groom, was ring bearer. A reception was given at the bride's grandmother's, Mrs. Mary McLendon. Those assisting were Miss Becky Mills, Mrs. Joyce Fox and Mrs. Glen Davis.

After a trip to Rock City, the couple is at home at Route 1, Philadelphia. The bride is a senior at Venoore High School and the groom is employed at Cleveland Chair Co.

Jackie Lefler and Rufus Watson, Jr. left Wednesday for the University of South in Sewanee.

Mr. and Mrs. Ronny Pearce and Mr. and Mrs. Bill Rainey of Goodlettsville spent the weekend at the Pearce's trailer on Watts Bar Lake.

Mr. and Mrs. Jerry McNabb of Orange Park, Fla. were the weekend guests of Mrs. McNabb's mother, Mrs. Pearl McNabb.

Fred Chaney left last week for the University of the South at Sewanee.

Stephen and Dawn Davis left Sunday to return to their home in Atlanta after spending several days with their aunt and uncle, Mr. and Mrs. Jack Fickey.

Mr. and Mrs. Tom White of Old Hickory are at their cabin on Watts Bar Lake to spend ten days.

Mrs. Nancy Gossage came from Nashville for a weekend visit with her parents, Mr. and Mrs. John Brown and to return her children, Sherree, Shane and Sharmin back home after having spent several weeks with their grandparents.

Weekend guests of Mr. and Mrs. Lee Stooksbury were Mr. and Mrs. Millard Wilkerson of Lenoir City, Mr. and Mrs. Curtis Glandon of Maryville, Warren Wolfe of Walland and Mr. and Mrs. Carson Hill of Clinton.

Mr. and Mrs. Glen Preestley and sons spent Sunday in the Smokies.

Rev. and Mrs. Doug Easter and daughters of Cleveland visited Sunday with Rev. Easter's father, Don Easter, who is a patient at Loudon Memorial Hospital.

Bobby Roberts and Danny Siler have returned to their home in Brentwood, Md. after spending last week with Mr. and Mrs. Luther Russell.

Mr. and Mrs. J.C. Messamore returned Sunday after attending the showing of the new 1973 Chevrolet cars in Detroit, Michigan last week. While away they also spent a few days with Mr. and Mrs. David Allen Messamore in Scottsville, Mich.

Mr. and Mrs. Doug Cox of Townsend spent a few days last week with his mother, Mrs. Maxine Cox and Mitchell.

Misses Carrie Lou and Mary Katherine Mize attended the wedding Saturday of Miss Janice Magham to James Moore at Bearden Methodist Church.

J.A. Dutton has returned to his home from Blount Memorial Hospital in Maryville where he was a patient for several days.

Mr. and Mrs. Ernest House of Sweetwater, Kathy Kirkland, Mrs. Leona Miller, Larry and Darlene Miller of Loudon and Bill Wayne Stockton of Sweetwater spent Sunday in Goldrush Junction, Pigeon Forge, Tenn.

Mayor and Mrs. Joe Carter had as weekend guest, Mrs. Charles Lawson of Williamsburg, Ky.

Mrs. L.L. Davis spent last week in Knoxville with her grandchildren while their parents, Mr. and Mrs. Ed Davis attended Ridgecrest.

Mrs. Ruby Biddle spent the weekend with her son and daughter-in-law, Mr. and Mrs. Glen Riddle and Krista in Rockford.

Mr. and Mrs. Don Fezell of Knoxville visited Sunday with Mrs. Fezell's mother, Mrs. Arch Miller.

Mrs. Joe Christian has as guests this week her grand-son, Mr. W.H. Wilson, III and Mrs. Wilson of Clinton, Ky.

Mr. and Mrs. Leslie Sparks and Carson and Mrs. Josephine Grimes spent Sunday with Mr. and Mrs. Rev. Andies in Knoxville.

Rev. and Mrs. Harold Burdette of Atlanta were weekend guests of Mr. and Mrs. Ed Matlock.

Selvide Completes Army Basic Training

Private Ronald L. Selvide, 17, son of Mr. and Mrs. John Selvide, Route 3, Loudon, recently completed eight weeks of basic training at the

U.S. Army Training Center, ARMOR, Ft. Knox, Ky. He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions. Pvt. Selvide received his training in Company B, 18th Battalion, 5th Brigade.

HDC Fondue, Fair Coming Up

by Bonnie F. Sheeley, Assistant Ext. Agent
The fondue way of entertaining and just plain eating has caught the imagination everywhere. A fondue provides much enjoyment in both fun and flavor.

This month at the Loudon County Home Demonstration Clubs I will be demonstrating the techniques of making a fondue as well as telling of its history and use in today's way of life. We invite any Loudon County homemaker to come and be a part of any home demonstration club. The September monthly schedule of clubs are as follows:

September 5—Greenback—H.E.A. Building—1:30 P.M.
September 12—Lee Heights—Mrs. Bill Lee—12:30 P.M.
September 13—Eatons—Mrs. Sue Fletcher—11:00 A.M.
September 13—Loudon—Mrs. Ruth Holloway—5:00 P.M.
September 18—Corinth—Mrs. Virginia Wilson—7:30 P.M.
September 19—Martel—United Methodist Church—10:00 A.M.

LOUDON COUNTY 4-H JUDGING TEAMS WIN
District V 4-H Home Economics Judging Teams competed Friday, August 26 at the Appalachian District Fair in Gray, Tennessee. Loudon County 4-H Foods-Nutrition team placed third out of fifteen teams and the Clothing team placed fourth out of sixteen teams. The honor of being on one of the top five teams was even greater as this was the first year junior high 4-H teams have competed in a district contest.

The Foods-Nutrition team was composed of Kay Stevens, daughter of Mr. and Mrs. John Stevens, Loudon; Alva Eubanks, daughter of Mr. and Mrs. Lloyd Eubanks, Loudon; and Lynn Thomas, daughter of Mr. and Mrs. Robert S. Thomas, Lenoir City.

Those 4-H'ers on the Clothing team were: Kathy Range, daughter of Mr. and Mrs. Charles Range, Lenoir City; Teresa Goddard, daughter of Mr. and Mrs. Roy L. Goddard, Greenback; and Gail Galyon, daughter of Mr. and Mrs. John D. Galyon, also of Greenback.

4-H SEW WITH COTTON CONTEST
The 4-H Sew with Cotton Contest was held Saturday morning at the Agriculture Extension Office at the Loudon County

Building in Loudon. The 4-H Sew with Cotton program involves the making and modeling of garments made of 100 percent cotton. This includes interfacing and lining fabrics as well as thread, tape, and trimming.

Garments could be made in three divisions: Sportswear, day dress, and better dress. Contestants entering the contest had to be 14 years of age.

The winners in the Sportswear division were Carolyn Hickey, daughter of Mr. and Mrs. Hugh Hickey of Philadelphia, first; and Gail Galyon, daughter of Mr. and Mrs. John D. Galyon of Greenback, second. In the Day Dress division, Teresa Goddard of Greenback, Carolyn Hickey was designated as the County winner and will represent Loudon County at the district contest to be held at the T.V.A. & I. Fair.

The county contest was sponsored by The Fabric Center, Mr. Billy T. Brewer, Manager.

FOODS-NUTRITION TEAM—Pictured are the Loudon County 4-H Foods-Nutrition team that placed third at the Appalachian District Fair. They are, left to right, Alva Eubanks, Kay Stevens and Lynn Thomas.

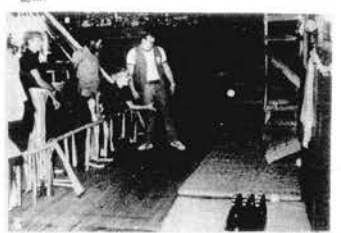

SEW WITH COTTON CONTEST—4-H Sew with Cotton Contest winners model their winning garments Saturday morning, August 26, at the County Contest. Left to right is Gail Galyon, second place winner in Sportswear division; Teresa Goddard, first in Day Dress; and Carolyn Hickey, first in Sportswear. Carolyn will represent Loudon County at the District Contest at the TVA&I Fair.

4-H CLOTHING TEAM PLACES FOURTH—Kathy Range, Teresa Goddard, and Gail Galyon (left to right) composed the Loudon County 4-H Clothing Team which placed fourth at the Appalachian District Fair in Gray, Tennessee.

CARNIVAL MARKSMAN—Tony Paul Lindsey tries his hand at throwing darts at the balloons at the Jaycee Carnival as Jaycee Eli Galyon looks on. The Carnival will be repeated Friday at 7 p.m. at the Elementary School gym.

TRYING THEIR LUCK—Several youngsters are shown trying their luck at the softball pitch and ring throw at the Jaycee Carnival last week. The event will be repeated at 7 p.m. Friday at the Elementary School gym.

At Camp Lejeune Linda J. McKee of Route 1, Harmon Drive, Lenoir City, has reported for duty at the Marine Pfc. David V. Sell, Marine Corps Base, Camp Lejeune, N.C.

Loudon County Football Teams Start Playing For Keeps Friday Night

Speaking of Sports

By DANNY GIBSON Sports Editor

Every football season has key games. The ones that mean so much toward regional or conference championships. Well, you don't have to look any further than the opening week this year to find several important contests.

And, as the curtain goes up on the 1972 Southeast Tennessee campaign, the spotlight falls on numerous fronts.

For instance: -Kingston opens defense of its Region 2 Class AA championship at home against rival Harriman.

-Challengers to Kingston, namely McMinn Central and Lenoir City, battle each other in Lenoir City.

-Region 2 Class AAA contenders McMinn Central and Lenoir City, battle each other in Lenoir City.

-Region 2 Class AAA contenders McMinn County and Bradley County open with formidable foes. McMinn, with new head coach Benny Monroe making his debut, is at home against Maryville Everett and the Bears travel to Knoxville to test Bearden.

-Rhea County gets its initiation into Class AAA competition by hosting rival Soddy-Daisy.

-Cottewah, perhaps this year's Class A sleeper, is at home battling Polk County, itself one of the regional longshots.

-South Pittsburg, which has won 21 consecutive Sequatchie Valley Conference games, goes for No. 22 against rival Sequatchie County in Duple.

-Cookeville and Warren County, a couple of AAA teams with tall ambitions this year, collide head-on in McMinnville.

-Spring City plays the first of nine straight home games, hosting Oliver Springs. The Bulldogs won't hit the road until Nov. 10, the final night of the season.

Draw straws. The prep football season is here. And it comes in with a bang.

Loudon takes its young hopefuls to meet an experienced and talented Alcoa eleven at Alcoa. The Redskins have been most fortunate in dealing with the Tornadoes in years past but weather experts say a Tornado has possible winds up to 300 miles an hour in its eye and this Alcoa team could be as rugged as bad weather.

Greenback will lock heads with Gallatinburg Pittman on Cooper Field. The Cherokees romped 20-0 last fall for one of their two victories. The team from the mountain resort usually does not start practice until school is in session, so a week of preparation for the Cherokees is hardly believed to be enough for this crew to handle the orange and black.

Every team in the county is reportedly in good shape for their season openers. Loudon reports to be in as good a shape as they feel possible for a team of little experience. Tim Guider, who should develop into one of the Redskins more versatile performers as a junior, has recovered from a minor back injury and is awaiting the Friday night clash with highly touted Alcoa.

Buddy Walker, another junior backfield star of the county, who led Lenoir City in rushing as a sophomore has regained full speed of his leg after suffering a bruised muscle in a pre-season scrimmage two weeks ago.

Greenback has first year lineman Bill Joe Kyker back into uniform after experiencing a week of absence due to blood poisoning of a cleat wound received in an inter-squad scrimmage.

All Loudon County performers for their respective schools are eager to get things on the road. But the head coaches are all acting in the same manner with Loudon's Ratledge complaining about how green his team is. Greenback's Bailey has increased the stock market in rosin sales with the horror of not having capable receivers to make passing whiz Tommy Linginfelter and Greenback do their thing, and Lenoir City's Brown lays awake nights sweating the running abilities of McMinn Central's all state candidate David Johnson and the unknown defense the Chargers will bring to Cecil Thomas Field.

Thus everything seems to be stacked for a tremendous season of football. Lenoir City is expected to establish themselves a Region II "AA" contender by turning back Central. I will go so far as to say by two touchdowns if Tommy Cook and his gang of gladiators on the gridiron play to their expected potential for a first game. Greenback knows little about their foe but years past give the Cherokees a winning nod and with this Foothills Conference challenger pawing for "A" division recognition, the home fans could get a real first game treat.

Loudon will advance to Alcoa a lot more cautious than in recent campaigns. The Redskin coaching staff got a chance to see the Tornadoes in action last Friday night in The Foothills Athletic Conference Jamboree at Maryville College field. The Tornadoes fell behind 8-0 to an offensively minded Everett team but turned on the muscle and finise to win 12-8. The Tornadoes are b-i-g or maybe I should say I-a-r-g-e and very t-a-l-l, and good, and any thing else they want said about themselves, as that

The Herald SPORTS

Tootle Estes Wins His First Feature Race At Atomic

Tootle Estes took the lead with 15 laps remaining Saturday night and held on to post his first feature win of the season at Atomic Speedway. Estes, driving a 1965 Chevrolet, outduelled Ken Phillips down the stretch after taking the lead from early racecaster H.E. Vineyard.

Trailing Estes in the final standings were: Phillips, Herman Goddard, Zeke Buchanan, Tex Gibson, Herb Garner, Vineyard, Otis Miley,

Buddy Weaver, and Bill Ogle. Lee Roy Mann driving a Camaro, took the semi-feature. Second through fifth

places went to Don Justice, Marion Tipton, Archie Freeman, and Ronnie Gibson.

REDSKIN MARCHING BAND LEADERS-These pretty young lassies will lead the 1972 edition of the Loudon High School marching band this fall. Featured, left to right, are majorettes Gwen Shell, Darlene Miller, Betty Waller, Pam Boone, and Debbie Thomas. The new Loudon drum majorette is Connie Huskey (center).

Knoxville Is Again Site Of All-Star Game

The TSSAA Board of Control has again selected the University of Tennessee in Knoxville as the site of the 1972 TSSAA Coaches' School and All-Star games.

The Board, in its August meeting here, approved a change in the All-Star games moving both boys and girls basketball to Friday night, Aug. 3, for a doubleheader, and shifting the All-Star football to Saturday night, Aug. 4. U-T has just installed lights and next summer will be the first time since the All-Star games moved to Knoxville that the football game could be played at night.

In other action related to the All-Star program, the Board instructed Gill Gideon, Executive Secretary of TSSAA, to place on the agenda for the annual membership meetings in December plans for the selection of basketball (boys and girls) players. The first play would be Class I All-Stars vs. Class 5 All-Stars, and the second play would be to continue the present East vs. West

Loudon High School Band Ready For Football Season Opener

The Loudon High School Marching Redskins Band has been putting in some long practice hours in an effort to perform for the first football game Friday night at Alcoa.

Band Director Ronnie Kyle reports that he will have 86 members taking part in the first half time show of the grid season. The band will come onto the field from a semi-block formation using a sideline maneuver. Music for the first show will be a couple of concert selections, "Joseph and His Amazing Technicolor Dream Coat" and a concert rock number "Lean On Me".

"Promised Land" will be used for the band's entrance with a side line exit to a drum cadence. The Loudon Band will be using their first few weeks of the football season to place together a marching routine for the Governor's Marching Band Festival in Dalton, Georgia in the latter part of September.

The Loudon band has elected new majorettes for the fall they are Gwen Shell, Pam Boone, Darlene Miller, Debbie Thomas, and Betty Waller. Miss Connie Huskey is the new head drum majorette taking the place of graduated Patsy Brewer.

WILL LEAD GREENBACK PEP SECTION-Anxiously awaiting Friday night and the kickoff of the 1972 football season are Greenback cheerleaders kneeling left to right, Kathy Sartem and Kathy Stee. Standing, left to right, are Micki Dailey and Helen Woods. Linda Tarwater is in the center of picture. Sharon Henry is not pictured.

program. The Board instructed the state office to look into the number of teams participating in girls' track in Tennessee, and set up a tentative plan to begin girls' track as a TSSAA sponsored sport.

Since many states now have a tie-breaking procedure for regular season football games and Tennessee does not, the Board voted that Tennessee football teams participating against out-of-state opponents must play by the football tie-breaking rules of the state in which the game is played.

G. U. S. M. A. N. I. G. Administrative Assistant to the Athletic Director at U-T, was named the director of the 1972-73 TSSAA Boys' State Basketball Tournament set for the Vol campus, March 14-17. Charles "Hubba" Murphy,

Athletic Director at Middle Tennessee State University, was named the director of the Girls' Basketball tournament, March 21-24, which is set for the new MTSU gym in Murfreesboro.

Dr. Ben Jitnicki of the U-T Health, Physical Education and Recreation Department was named the director of the 1973 TSSAA State Track meet at Tom Black Track in Knoxville, May 26.

Roane State Adds BB Game

Roane State Community College has added a 20th game to its previously announced basketball schedule. The Raiders will play at Martin College, Palaski, on Saturday, February 3, at 7:30 p. m. CST.

Loudon Girls Basketball Team Sponsors Gospel Singing Saturday Night

The Loudon Girls' Basketball team is sponsoring a night of gospel singing for the Loudon County people. The singing event will be held Saturday night in the Loudon Baptist Church Auditorium starting at 7:30 p.m. Prices for the night will be one dollar (\$1.00) for adults and 57¢ for students. All pre-school children will be admitted free.

Over 50 years of singing experience will be presented at the Saturday night attraction. Such famous groups as the Kings Men Quartet and the Martin Trio from Kokomo, Indiana will be present. The Kings Men have been together for over 18 years, the Martin Trio for over nine. The Spiritual Aires from Cornith Baptist Church and the Happy Four, a very popular gospel singing group around the area over 20 years ago, are regrouping just for this special occasion.

The Happy Four consisted of Emmitt Carter, Oscar Kirklin, Raymond McKinlein and Tom White. They will once again return to the stage for a refresher of their younger years. Those taking part from the Cornith Baptist Church will be Melvin Castell, Clarence Clark, Charles Turbyfill, and Sue White. Pat Turbyfill plays the piano while Jerry Presley is on guitar.

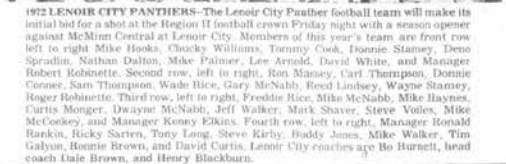

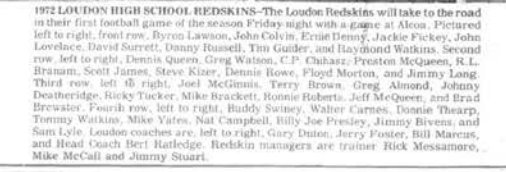

The groups from Indiana are frequent to the Loudon County people and surrounding area via television appearances and radio. They have shared billing with such outstanding quartets as the

LeFevers, Imperals, The Spear Family, and the Happy Goodman Family.

Tickets for the Saturday night special may be obtained through any member of the Loudon Girls Basketball team

or Coach Arp. From Cornith Baptist Church, Arp's Grocery (Loudon), First National Bank of Loudon, Dixie-B Grocery, W.B.'s Texaco, or from any member of the Spiritual Aires Quartet.

JOY Joy is getting a great deal and more car in the bargain. Loudon Motor Co., Inc. GOLD DUSTER

1972 GREENBACK CHEROKEES-The Greenback Cherokees will embark on their fall football schedule this Friday night with a home game against Gallatinburg Pittman High School. Members of the squad are, front row from left, Manager Gary Brookshire, Randy Evans, Eric Heicher, Danny Dotson, Lynn Ruckee, Roddy Kizer, Timmy Tipton, Mark Jones, Chris Blair, Tony Chambers and Manager Mark Myers. Second row, Manager Vance Kinser, Sandy Graham, Steve Langinfelter, Mike Belcher, Kenny Evans, Jimmy Brooks, Rocky Anderson, Coy Webb, Frank Mitchell and Rick Russell; third row, Joe Maitor, Randall Banks, David Linginfelter, David Beeler, Darrell McCoshan, Danny Evans, Larry Ritchey, Lonnie Newby, Tommy McNeiley, and Head Coach Keith Bailey; fourth row, Mike Evans, Gene Kimbrell, Mark Carver, Rick Rader, Billy Joe Kyker, Tony Linginfelter, Tim Hammonree, Dennis Childs, Joey Kimbrell and Assistant Coach Jerry Manning.

YEA, LOUDON!—These Loudon High cheerleaders were among a record 2500 high school cheerleaders from seven states who participated in the 15th annual Tennessee Tech Cheerleaders Workshop. They received expert instruction on the latest cheerleading techniques from members of the National Cheerleaders Association and Tech's varsity cheerleaders. From left, front row, are Fatti Kirkland, Debbie Rowe, Claudia Hines; second row, Shannon Locke, Pat Turbyfill, Teresa Everett, Cathy Estes and Janice Watkins.

Game & Fish TODAY

By Sgt. Bob Harmon
Game & Fish Commission

HUNTER SAFETY INSTRUCTOR APPLICATIONS READY

Application forms for hunter and firearms safety student instructor certification are now available according to Tennessee Game and Fish Commission's Director David M. Goodrich. Persons interested in becoming certified instructors should obtain an application form from their local Game and Fish officer or from Philip Tidwell, Hunter Safety Coordinator, Tennessee Game and Fish Commission, P.O. Box 40747, Nashville 37220.

Tidwell said that progress in the program was moving at a steady pace. Under the present structure, sixty-six "Chief Instructors" have been trained in workshops conducted in every major area of the state. Chief Instructors will be responsible for student instructor training in their local areas.

"Target date for student instructor training by Chief instructors is the middle of September, but the exact date depends upon completion of audio-visual and printed training materials to be used by the instructors," Tidwell said, adding that National Hunting and Fishing Day, September 23, will be the kick-off date for student

BOATING PUBLIC PLAGUED BY THIEFS

Thefts of boats, motors and trailers is continuing to plague the boating public and the Tennessee Game and Fish Commission offers some pointers on how to thwart would-be thieves.

Most motors can be protected by simply turning the screw-down handles toward each other and inserting a lock through the holes in each end of the handles. When secured in this manner, the motor mount brackets must be broken to remove it from the boat.

Boat owners can further protect their equipment when it is on the trailer by locking the trailer to a tree or post with a chain, to prevent someone from driving away with the rig.

A boat, while in the water, is much more difficult to protect from theft. A strong chain locked around a tree or a permanent fixture will often hinder a would-be thief. The Commission also suggests that boat owners record accurate descriptions and serial numbers for each piece of their equipment to aid in recovery should any stolen. The theft should also be reported immediately to the local law enforcement agency.

SAFE BOATING INSURANCE

The Tennessee Game and Fish Commission reminds you that boaters on Tennessee waterways may be ordered to correct a violation or to return to the nearest mooring if on-scene correction cannot be made. This is some of the best safe boating insurance available.

Officers are pointing out unsafe conditions such as: Lack of sufficient personal flotation devices, lack of sufficient fire fighting devices, overloading, insufficient navigation lights

Fishing Forecast

CHEROKEE LAKE: Water conditions - falling and murky on upper end. Bass - good - at night using beddivers with pork rind or other similar spinning type lures. Also some taken early and late on bombers and plastic worms. Rockfish and hybrids being taken daytime trolling over sunken islands and sunken sand bars using deep running plugs, bombers, hotspots and swimming minnows. All other species - slow.

SORRIS LAKE: Water conditions - clear and slightly falling. Bass - good to excellent at night using black plastic worms. Crappie - fair on minnows around brush piles. Bream - excellent on crickets and worms. Catfish - good on minnows and night-crawlers. NORTHERN TAILWATER - trout - good on corn, worms and flies when water is off. Sauger - good drift fishing using small minnows from boat.

DOUGLAS LAKE: Water condition - clear and falling. Bass - good - trolling water dogs, bombers also casting artificial worms all colors near shoreline. Sauger - fair trolling deep running lures - best in upper end of lake. Crappie - fair trolling small lures and still fishing with minnows. Catfish - fair - still fishing with minnows also using trotlines in shallow water using minnows, shrimp and cut bait.

FORT LOUDON LAKE: Water conditions - clear and stable. Crappie and stripes - fair still fishing at night under lights using minnows. Bluegill - good on worms and crickets. Some bass being taken early morning and late evening on topwater lures.

WATTS BAR LAKE: Water conditions - murky and stable. Bass - fair trolling medium to deep running lures. Stripes - good - casting silver spoons in breaks - also still fishing at night under lights with minnows. Bluegill - good on worms and popping bugs. Catfish - good on trotlines using cut bait, shad minnows and slings.

MELTON HILL LAKE: Water conditions - clear and stable. Bass - fair still fishing with minnows deep casting topwater lures early morning and late evening. Stripes and crappie - fair still fishing with minnows around brush piles. Bream - good - worms and crickets.

CHILHOWEE LAKE: Clear and falling - Trout - good at night under lights on corn and worms.

LITTLE TENNESSEE RIVER: Clear and fluctuating. Trout - good on corn, worms and rebel lures. Crappie - good on small jigs near dam.

Environment
Ecology is probably one of the most widely discussed topics of this age. People are finally realizing that for man to survive, we must live with nature and defer to its needs, not destroy it in the mistaken belief that it is there solely for our physical comforts.

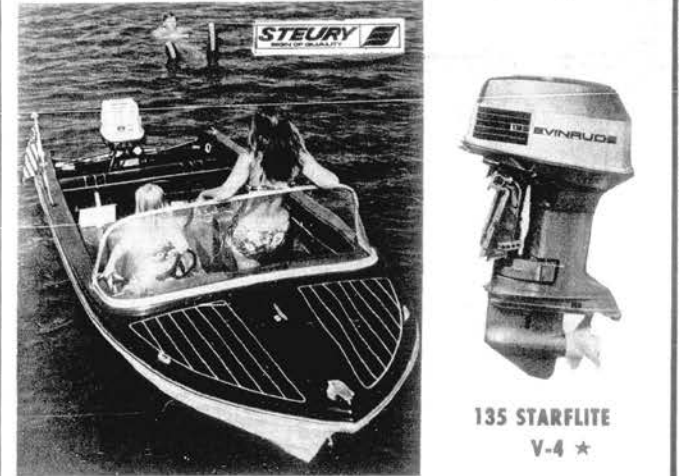

Educating the public to the dangers of air, water and land pollution and support of legislation and policies toward this end are the most obvious means by which we can lend our support in this battle. On a local scale, we can sponsor clean-up campaigns. Stream banks and neighborhoods that were once unattractive messes are now examples of how interested citizens can restore beauty to places that were once environmental scene thumb of man's thoughtlessness.

Far too many people mistake spectacular effort for success.

1972 Boat And Motor Close Out

Just Arrived For Labor Day Vacationers -----

EVINRUDE-73

This new 135 is the same size as a 135. The motor isn't any bigger. But the performance is.

FEATURES: Low profile, low center of gravity 90 degree V-4. Firepower breakers CD electronic ignition. Power-Pilot power assisted single-lever shift with positive mechanical follow through. New pre-set tilt lock. Pulse-tuned exhaust. Fixed jets all around. New 7th pin steering bracket. Pressure-backed piston rings. Computer-actuated gearing. High squish combustion chambers. High capacity fall-back cooling. Super-strong transom brackets.

SPEEDS UP TO 70 M.P.H. ON THE RIGHT BOAT.

OPTIONS: Power tilt and trim (combined). Power tilt (only). Tilt pin steering. Power matched propellers in aluminum or stainless steel. Full instrumentation. Competition accessories available through Evinrude high Performance Department.

Greenback, Friendsville Battle To 0-0 Tie In Jamboree

The Greenback Cherokees were a bit surprised and mostly disappointed at their showing in the Footballs Athletic Conference Football Jamboree Friday night. The Cherokees battled Friendsville in a 12 minute quarter presser showing with nothing team able to register any scoring.

Greenback had scrimmaged the Falcons a week earlier and posted a four touchdown difference on their jamboree fees. Greenback appeared to be in charge of the quarter for the most part. An early scoring drive stopped by the failure of a Cherokee receiver to catch a touchdown pass that slipped through his arms turned the ball over to Friendsville midways of the period. Greenback looked good on defense until they started experimenting with different defense structures and the Falcons found a weak spot. The Friendsville ball carrier scooted for 34 yards and only a last minute tackle by Joe Manior prevented a touchdown. Greenback became a stingy defensive crew the rest of the way with Tim Hammett free to find the final tackle that would give the ball to Greenback for the rest of the quarter.

Tony Linginfelter got his arm in tune for two strikes to content to run out the clock. Greenback receivers and Tim Hammett turned in some power running which accounted for three first downs in a row and placed the ball on the Friendsville 19 yard line. A penalty made it second down and long yardage for Greenback. Three straight passing attempts were either dropped or broken up in half the second scoring effort by the Cherokees and the quarter expired with Friendsville

"COACH IS NOT GOING TO LIKE THIS"—Greenback's outstanding junior quarterback Tony Linginfelter appears to be in a bit of a bind as a would-be Friendsville tackle clings to Tony's new football jersey to prevent him from escaping for a possible Cherokee touchdown.

HARD RUNNING FULLBACK—Greenback's Tim Hammett wards off would-be Friendsville tacklers in an effort to pick up valuable real estate in third quarter action of the annual Footballs Athletic Conference Football Jamboree. Rick Rader (41) and Tommy McNelly try to assist Tim at far right. Neither team scored during the 12 minute period.

QB Club "Buy A Block" Fund Gets Increase In Balance

An additional \$301 has been added to the Loudon Quarterback Club's Buy A Block campaign bringing the drive total to \$416.30. Quarterback Club Treasurer Jim Roberts said that the club hopes to raise about \$800 to pay for a new football dressing room being constructed for the club's Free Wee Football League at the old Basin Field on Fort Hill.

- Contributions of \$1 each or more are being asked to help purchase the concrete blocks, cement, and fixtures for the building.
- The latest contributions to the fund are as follows:
- Norm Mead - \$1.00
 - Lee Ellis - \$1.00
 - Ed Goebel - \$1.00
 - Oliver Melton - \$1.00
 - Paul Prevost - \$1.00
 - Wayne Post - \$1.00
 - Clay Walker - \$1.00

Duck Blind Drawings Slated

Rabbits feet, four-leaf clovers and other assorted lucky charms will be much in evidence Labor Day when several hundred middle Tennessee duck hunters draw for blind locations on five Game and Fish Commission water-fowl management areas.

Not only will hunters hope to be lucky enough to receive one of the blind locations, but they'll also hope to select a blind that will provide ducks throughout the Nov. 25, Jan. 13 season.

All drawings will begin at 9 a.m. (CST) and hunters must be registered before this time to be eligible.

Each hunter must have a valid annual hunting and fishing license and the 15 annual waterfowl-small game management area permit in order to participate.

All Is Well In Union Carbide Golf Standings

The Union Carbide Golf Standings refused to change from their numerical order of the past week with last week's action. Hail Summers and Mike Oody retained their top position with three individual team points. Their closest challengers Dick Huff and Art Hamill managed but four points to trail the league leaders by two team points.

Third place team of Jack Miller and Clell Miller had six team points and have totaled 125 points for the summer. Ted Lomax and Inky Swiney continued to rest in fourth position with 117 points and five team points last week.

Dick Rosenbaum and Eldon White copped the team low net score for the night and took top weekly honors with 10 team points. Ray Birkholz and

Chuck Moore made a tremendous drive to carry home top team scores but fell by a single point (9) to gather in the weekly honors.

Ted Lomax and Dick Huff tied for the low individual play last week with 35's.

UNION CARBIDE GOLF STANDINGS

Team Points	Team Points
Summers and Oody 124	Huff and Hamill 132
Miller and Miller 125	Miller and Miller 125
Lomax and Swiney 117	Helm and Carver 112
Rosenbaum and White 111	Scarborough and Hodge 107
Ferguson and McNabb 104	Swensen and Cole 101
Wagner and Cardwell 78	Black and Spradlin 68
Birkholz and Moore 57	Stamey and Evans 49

Atomic To Host Labor Day Weekend Racing Gala

Atomic Speedway, the fastest dirt track for its size in this country, will be buzzing with activity next weekend. A regular weekly program is on tap Saturday night and a big \$5,000-plus late model sportsman event is scheduled for Labor Day night.

"This promises to be one of the finest racing weekends at our track," said owner Bob Martin. "I expect most of the top drivers from the Chattanooga and North Georgia area for the Labor Day race."

Saturday night's regular program includes a 40-lap feature, 25-lap semi-feature and four heats for sportsman drivers and a 20-lap hobby car race. The purse will be \$2,400. Adult admission is \$2. Time trials for sportsman cars begins at 7:15.

Snooks DeFore (Mustang), Joe Lee Johnson (Chevelle), Jerry Meadows (Camaro), Tootle Estes (Mustang) and track record holder Herman Goddard (Chevy II) are expected to be among the leading drivers battling for first-place money of \$800 in the Labor Day race.

The special event menu includes a 50-lap feature, 30-lap semi-feature and four heats for the sportsman, and a 20-lap hobby for the hobby cars. Time trials get going at 7:30 and the first heat race goes off at 8:30. Adult admission will be \$3 and 50 cents for children under 12 years.

Second place in the main event will be worth \$500 and a \$100 bonus awaits the driver with the best qualifying time. Goddard's track record is 13.75 seconds.

UT Footballers Not Dummies

The Vols, always looking for ways to improve their performance on the football field, can hardly expect to do any better in the classroom. The David Allen, kickers Randy Orange's academic achievements last spring offensive tackles Richard offered evidence that quality Earl and Gene Killian, football and schoolwork are defensive end David Campbell, offensive end Doug Brown, an AP sophomore all Jarboe and defensive back SEC choice last year at strong Gordon Turnage. A total of 35 sophomores, led the way with a 3.08 Vols registered a 2.5 average average out of a possible 4.0, or better. Best of all, not a Ten other Vols posted a 2.0 single player fared so poorly average or better, with that he was denied read-linebacker Jamie Rotella just missin to school for this fall.

PROUD FISHERMAN, Eric Harmon, seven year old son of Game and Fish Officer, Bob Harmon, caught this two pound largemouth bass while fishing in Watts Bar Lake this past week. Eric caught the fish on a white doll fly.

(Continued from page 6)

group of human goliaths have all the credentials of being the State power they were when Albert and David Davis ran rough shod over outclassed opponents. What the Loudon team does with this stiff challenge right off the cuff is anybody's guess but a Loudon win would establish the Redskins as medicine for the season in opponents eyes. While a narrow defeat could allow for improvement gained by more experience. Yet a lop-sided slaughter might be all it takes to stunt the development and play of the Redskins for the entire season.

ANNUAL FOOTBALL CONTEST

The Herald

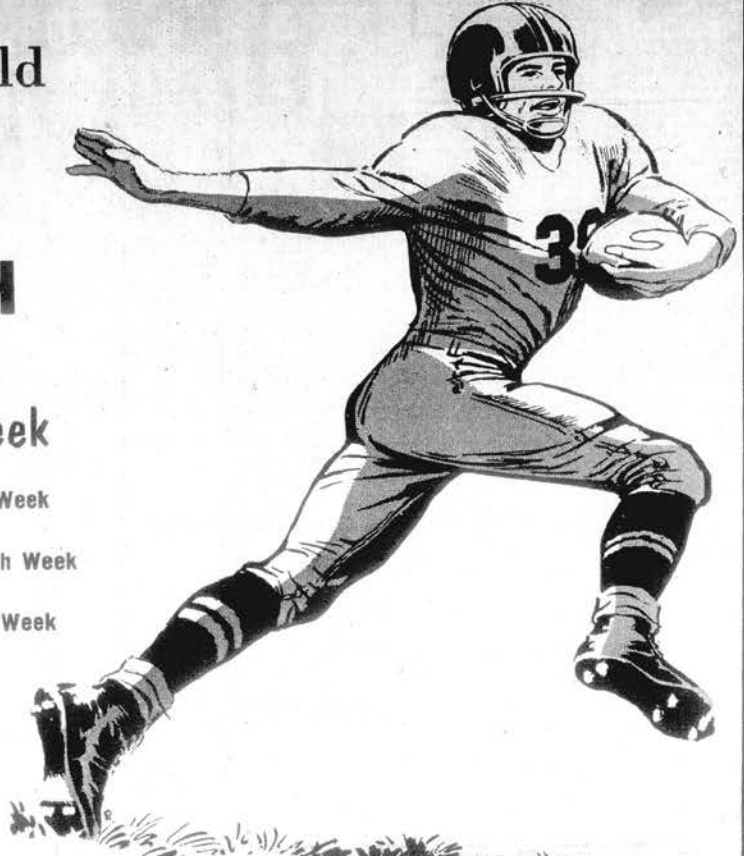

**\$250
IN CASH
PRIZES**

\$25 Each Week

\$12 First Place Each Week

\$8 Second Place Each Week

\$5 Third Place Each Week

Entries must be in Herald Office by 5 P. M. Friday or Postmarked by 5 P. M. Friday, if mailed.

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant naming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Water At Interchange A Must

(Continued from Page 1)
against any additional zoning in the area until an adequate water supply could be made available.

Contacted later Loudoun Utilities Board Chairman W.F. Zimmerman said that the Board had discussed the idea of putting water in the area while construction of the interchange was underway, but the Board was trying to get some idea about the size of immediate and future development around the interchange before undertaking such a project.

New Officers
New officers were elected and mobile home structures and subdivision regulations were also discussed at the meeting.

New officers of the planning commission were installed by John Carwell who recently gave up the chairmanship of

the commission.
Taking on the chairman's position is Ben Galyon. Assisting him will be Roscoe

Transfer Station Improvements Set

The Loudoun County Sanitary Landfill Transfer Station at the old county quarry just north of the Tennessee River Bridge at Loudoun will be closed from noon Saturday until 7 a.m. Tuesday for the purpose of making additional improvements to the service area.

County Judge Harvey Sproul said that citizens of the county are reminded that they may use this facility with no charge if they do their own hauling to the site between the hours of 7 a.m. and 6 p.m. Monday through Saturday. He said this applies to all kinds of normal household waste and garbage, including such things as old refrigerators, stoves and other large items that are occasionally discarded.

Presley, the first vice chairman; Ross Wilkerson, the second vice chairman; and Loudoun County Judge Harvey L. Sproul who will again be the secretary for the group.

In other business, a group of county residents living on Thurman Road off Route 95 north of Lenoir City questioned the planning commissioners on the density of mobile home structures in the county.

Man Caught In Greenback Drug

Greenback City Policeman Raymond (Shorty) Rogers surprised two men attempting to burglarize the Greenback Drug Company about 2 a.m. last Friday. He arrested one of the men and the other fled and is still being sought by authorities.
Rogers saw two men inside the store. They had entered through the rear of the building where some remodeling was underway

leaving easy access to the building. When officers went inside he arrested Tommy Jones, 19 of Madisonville. The other man, still unidentified, got away.
Officers at the County Jail said that the burglars had boxed up some merchandise and were fixing to leave the store when Rogers spotted them.

Jones is being held in Loudoun County Jail in lieu of \$2500 bond. He was bound to the Grand Jury on charges of breaking and entering.

Court Meets Tuesday Night

(Continued from Page 1)

(Item in which they are interested which is on the planned agenda).

RECEIVES MEDAL—Master Sergeant James E. Casteel of Loudon receives the U.S. Air Force Commendation Medal at Louisiana State University from Colonel Lloyd A. Crimpton, professor of aerospace studies.

Sgt. Casteel Receives Medal

Master Sergeant James E. Casteel of Rt. 4, Loudon, has received the U.S. Air Force Commendation Medal at Louisiana State University. Sergeant Casteel, son of Mrs. Elsie Norvell, now residing in Lenoir City, was decorated for meritorious service as an administration superintendent with the 21st Supply Squadron at Elmendorf AFB, Alaska. The sergeant was cited for his outstanding administrative knowledge, extensive

managerial ability and dedication to his responsibilities.

He is now assigned at Louisiana State as sergeant major of the Air Force Reserve Officers Training Corps detachment.

The sergeant, a 1950 graduate of Loudon High School, entered the Air Force in December 1961. Sergeant Casteel's wife, Betty, is the daughter of Mrs. Eunice Keel of Brunswick, Ga.

MISSOURI AUCTION SCHOOL

RECEIVES DIPLOMA—Col. Bobby Tarwater, right, is shown receiving his auctioneering diploma from Col. Richard W. Newsom, President of the Missouri Auction School in Kansas City.

Tarwater Gets Auction Diploma

Bobby Tarwater, Greenback, has just returned from Kansas City, Missouri, where he successfully completed the course in Auctioneering and Auction Sale Management at the Missouri Auction School.

He received his diploma and the honorary title of Colonel along with men and women auctioneers from throughout the United States and Canada. Col. Tarwater was born in Greenback and has lived there all his life, (23 years). He is a graduate of Greenback High School and also attended Hiwassee College at Madisonville.

Gardner Completes Army Basic

Army Private Edward R. Gardner Jr., 19, whose parents live on Route 1, Lenoir City, recently completed eight weeks of basic training at the U.S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

McCall Attends U-T Alumni Meet

Charles McCall of Loudon, president of the Loudon County U-T Alumni Chapter, attended a comprehensive two-day leadership conference this past weekend in Gatlinburg.

The conference, sponsored by the General Alumni Association, was one of two being held this fall for members of the Board of Governors and local alumni chapter presidents. Central theme of the two-day session was the role of active alumni leader must assume if alumni are to maintain their outstanding support of the University.

Mrs. Madge M. Harrison of Memphis, president of the General Alumni Association, presided during the meeting. In her introductory remarks at the beginning of the conference, she challenged the alumni leaders to help make 1972-73 another record year for the General Alumni Association.

"Not only will we continue our many existing programs, but we will also move into the fascinating new area of continuing education," Mrs. Harrison said.

Rising College Costs Hit Local Parents

A larger than usual proportion of Loudon County's young people will be heading for college soon, when the fall semester begins.

For their parents, the cost involved will be greater than ever. They are discovering that the bills for the year, as they arrive, are as much as \$300 bigger than last year's in certain instances.

Based upon the number of local students enrolled and the new schedule of rates for tuition, fees, room, board and incidentals—Loudon County families will be bearing a load of approximately \$660,000 for

the coming academic year, it is estimated. Data on college costs and the number of students from each community comes from surveys made by the U.S. Office of Education, the Department of Commerce and others.

They show that no less than 8,500,000 young men and young women will be attending college this year. This compares with 2,935,000 in 1960.

Of this number, some 220 will be from the local area, as against the 1960 total of 113. What it will cost per year

depends upon where they are going.

The lowest cost, according to a nationwide survey made by the Life Insurance Agency Management Association, is \$1,246 a year. This is the median rate for in-state residents at public colleges in the South.

It takes into account tuition, room, board and fees. Not included are travel expenses, books, clothing and incidentals.

In other sections of the country it runs higher than that—\$100 more in the West, \$200 in the North Central

states and \$300 in the Northeast.

For students coming from other states, the basic charges are from \$600 to \$700 greater. To attend a private college costs considerably more. In the South the average is \$2,342, in the Western and North Central regions, about \$2,775, and in the Northeast, \$3,350.

What it boils down to, with the extras added, is an average of \$2,250 in public colleges and \$3,750 in private institutions.

This year's cost of \$660,000 for Loudon County parents is

based upon half the local students going to public colleges and half to private ones.

Lenoir Planner Review Plats On Developments

Two plats for the development of subdivisions, a plat for the development of a mobile home park and a request to the Lenoir City Board of Zoning Appeals were reviewed recently at the regular monthly meeting of the Lenoir City Regional Planning Commission and Board of Zoning Appeals.

Breck Ellison, a land developer from Knoxville, presented a preliminary plat to the planning commission seeking the approval of a subdivision to be located on both sides of Wilkerson Road. Although the land lies outside the city limits of Lenoir City, it lies within the jurisdiction of the planning commission.

Preliminary approval was granted to the plat once certain technical requirements are met.

The subdivision juts into Ft. Loudon Lake and will hold lots from one acre to 1.75 acres in size.

Lake Frontage for all Ellison told the planning commission that he will provide public water and roads with curbs in the subdivision and that all the lots are designed so that they will have lake frontage.

In another plat review, approval was not granted to a preliminary plat presented by Norman L. Whorin representing Roger Moore from Knoxville, since the plat did not meet all the subdivision requirements.

This proposed subdivision fronts U.S. 11 and Cusick Circle near Dixie Lee Junction and will hold large lots of several acres each.

In another matter, approval was granted to a plat and application for a mobile home park presented by Harry Wampler. The park will be located off Browder Hollow Road.

Tom Platt, a representative with the Tennessee State Planning Office who works with Lenoir City, reported that he had reviewed the plat and found it to meet all the zoning requirements.

Planners Discuss

Proposed Subdivision

The second meeting of the Loudon Regional Planning Commission called to specifically discuss a subdivision plan presented by State Rep. Parris Coffey met last week in special session.

Coffey and his partners' subdivision to be located off Needmore Road outside Loudon's city limits but within the planning commission approval several times because the plat has not met the specific requirements of the city's subdivision regulations.

Among the several requirements which Coffey has not listed are the location of proposed sewer and water lines and the land he wants to reserve for future development.

Approval granted. Preliminary approval, however, was granted to Coffey's preliminary plat last week once two conditions are met.

The first stipulation is that a land survey would have to be made in order to precisely record the exact locations of sewer force mains which run through the property.

Otherwise, a hazardous condition might result if houses were built over the

sewer force mains. The second condition is that all stipulations would have to be met which would be required after study of the plat by staff planner Tom Platt of the Tennessee State Planning Commission.

The Day Requirement. Loudon's subdivision regulations specifically requires that all plats be presented to the state planner ten days before a planning commission meeting at which time the plat is to be presented, so that the planner will have time to study the plat and make sure it meets all requirements.

Coffey failed to present his plat to the commission in time for proper study.

Loudon planning commissioners attending the meeting were Henry Mitchell, chairman; William Huff, secretary and Mayor Joe Carter.

Also, J.E. Greenway, Gary Kinsey and Jack Lefler. In addition to Coffey and Platt, others attending were Charles Burnett from the Loudon Utilities Board; Gary Hensley, Loudon city administrator and Chli Jones, Loudon's building inspector.

Michael Preston Jones, son of Mr. and Mrs. Preston Jones of Loudon, celebrated his fifth birthday, August 19. Grandparents are Mrs. Richard Sampson of Loudon and Mr. and Mrs. Victor Jones of Anthony, Kansas. Great-grandparents are Mr. and Mrs. Estill Jones of Philadelphia.

Larry Keith Miller, son of Mr. and Mrs. James P. Miller, Loudon, celebrated his ninth birthday with a surprise party by his sister, Darlene, 30 guests were present. Grandparents are Mr. and Mrs. Huse Miller and Mr. and Mrs. Audie F. Kirkland, all of Loudon.

Krista Lynn Riddle celebrated her second birthday August 26, with a party at her home in Rockford, 30 guests were present. She is the daughter of Mr. and Mrs. Glen Riddle. Grandparents are Mr. and Mrs. Milan Hale of Andersonville and Mrs. Ruby Riddle of Loudon.

Patricia Elaine Lynn celebrated her third birthday August 23. She is the daughter of Mr. and Mrs. Ted Lynn of Loudon. Grandparents are Mr. and Mrs. W.S. Lynn of Loudon and Mr. and Mrs. F.G. Malnis of Manila, Philippines. Great-grandparents are Mr. and Mrs. Balser Tutterow of Loudon.

Why wait till spring. Permanent pastures needs fertilizing in the fall. You can make plans and preparations while its dry to fertilize your established permanent pastures. Those pastures that have either straight fescue or orchard grass should have at least thirty pounds of nitrogen per acre. This nitrogen should be applied in early September so that it will provide fall and early winter grazing. It will reduce the clover content. It was once thought that fertilizer applied to pastures on fairly steep slopes was removed by heavy rain fall. It has been found that only two percent of ammonia nitrate is lost from a pasture on a five percent slope when five inches of rain falls in a two hour period. While its dry a good time to lime established permanent pastures. It must be well suited for limestone application equipment than in

the wet conditions found during the winter and spring. don't put it all in capital letters.

NO. 5837
Everette J. Williams, etal vs
Billy Ballew
In Chancery Court of Loudon County.
In this cause, it appearing from the Complaint, which is sworn to, that the defendant Billy Ballew is a non-resident of the State of Tennessee, so that ordinary process cannot be served upon him, it is ordered that said defendant file an answer in the Chancery Court of Loudon County, at Loudon, Tennessee, and with plaintiff's attorney Thomas F. Ingram, whose address is Lenoir City, Tennessee, within 30 days of the last date of publication of a judgment by default may be entered and the cause set for hearing ex parte as to him. This notice will be published in the Loudon County Herald for four successive weeks.
This 8 day of August, 1972.
Lloyd Black, Clerk and Master.
Thomas F. Ingram, attorney.

Music Minister Arrives

Michael William Morgan has assumed his position as Minister of Music and Youth at Loudon First Baptist Church. Mike, (as he prefers to be called) and Mrs. Morgan arrived in Loudon last week and are at home in the church's Music Ministers residence on Wharf Street.

Mike and Brenda, who grew up and attended school together, are natives of Robbins, North Carolina. Mike graduated Magna Cum Laude from Appalachian State University with a Bachelor of Music degree.

Yes, this picture was made prior to the re-modeling of the First Baptist sanctuary. Note the difference.

Music, majoring in Music Education. He went on to work as a graduate assistant while completing work on his Master's Degree, which he received in August, 1972.

Prior to coming to Loudon, he has served as part-time Minister of Music at Mountain City First Baptist Church. Through the years he has been active in the direction of youth activities.

Mrs. Morgan is a graduate of Business College and has

Teenage GOP To Organize

An organizational meeting of the Loudon County Teenage Republicans will be held 7 p.m., Tuesday, September 5 at the City Hall in Lenoir City.

Miss Vickie Lindsey, one of the Teenage Republican organizers said that co-chairman for each high school in the county will be elected. A membership drive undertaken and several public service projects planned.

Additional information may be obtained by contacting Miss Lindsey at 886-7186 or the Loudon County Republican Headquarters, 986-5159.

Mrs. Packard Receives Masters

Katherine Ann Packard, daughter of Mr. and Mrs. worked in the insurance field. Mike stated that the Morgan's are very enthused about being in Loudon and working in the religious activities in this area.

W.D. Roberson of Loudon, is one of the 230 students who received degrees from the Graduate School of the University of Alabama in Birmingham. The students were awarded their degrees August 27 at Birmingham's Municipal Auditorium.

Auction, Dinner Set At Fork Creek

The Fork Creek Community Club annual fall Barbecue Chicken supper and auction sale will be held Saturday, September 2 at the Fork Creek Community Center. Supper will be served between the hours of 6 to 7:30 p.m. Tickets may be bought from any club or at the supper. Carl Foxx, publicity chairman, invites everyone to attend.

The other week we wrote about the old Dick Harwell Store, which was located in front of the Philadelphia Grammar School, and how all the boys and girls through the passing years spent some of their pennies and nickels at recess or noon time during their years of school in Philadelphia.

Well, we heard from the Harwell family.

In the course of our conversation with Mrs. Harwell, we uncovered some very interesting facts about the house owned by the Harwell's in Philadelphia. It quite possibly played a very important role in local history. It was for many years used as a stagecoach stop and one of the front rooms in the house contains a very large and elaborate fireplace and mantle. This possibly was the waiting room for those riding the stage through this area. This old house was built in 1810 according to Mrs. Harwell. She said several well known area medical doctors studied

in this old house and according to our information they were Dr. Prentiss, Dr. Browder, and Dr. Duncan. The house was once owned by the Duncan family. Mrs. Harwell stated when they bought the house and moved there in 1929, there was bricks every place. The yard and every other place they could be piled and stored. She said the bricks were made by slave labor many many years prior to their buying the house. Others who owned this old house were Bob Brewer, the McGraw's, the Martins and Sheriff Miller from whom the Harwell's purchased the house.

Mrs. Harwell stated that at one time the street in front of the house was Philadelphia's main street and two wholesale houses stood over where the school house is now located. Mrs. Harwell said that much of the information about the house and its colorful background was passed on to her by people who lived back

during this period of time.

Another picture we have this week was taken in the sanctuary of Loudon First Baptist Church. It was a plaque containing the names of all the boys who attended this church and were now serving in the armed services. This was taken during World War II. This honor was paid to service men by many churches and wasn't something exclusive in First Baptist. Oh

Six Beautiful Homes To Be Constructed This Fall

All six of these beautiful Kingsberry Homes will be built

on a tract of land we recently purchased on Highland Avenue.

These lots are wooded or gently sloping. Each house is completely different in design.

A Kingsberry Home is pre-engineered to cut cost. But you get top quality materials and each house is fully constructed on the lot.

Court Approves Eaton, Luttrell Area Parks

Both Eaton Crossroads and Luttrell communities may get new Federally-funded recreational parks if proposals adopted by County Court Tuesday night go through.

The meeting was postponed from the regular first Monday date since it fell on Labor Day. It also was deferred from 9 a.m. to 7 p.m. because County Judge Harvey Sproul had to attend a hearing in Nashville Tuesday on the proposed Criminal Justice Center for Loudoun County.

In a report on the hearing, he told the Squares that it looks like we are in pretty good shape. Ours is one of two proposals which carries out the cooperative concept, including Greenback, Philadelphia, Loudon, Loudon City and Loudon County. Our application for grant will be cut down some, but it looks pretty good."

The Court authorized Judge Sproul to employ a surveyor to make a survey of a proposed location for the facility, between Lenoir City and Loudon.

Ambulance Problem
A solution for the emergency ambulance service problem facing the county may have come out of a meeting on Emergency Medical Services held in Knoxville and sponsored by the East Tennessee Development District.

The meeting was attended by Civil Defense Director Ted Randolph and Hospital Administrator Gay Hamilton. Mr. Randolph came back with some ideas and a recommendation.

The proposal was not spelled out in the Court meeting, but it involved acquiring some military surplus ambulances and using some of the facilities of the Loudon County Rescue Squad building on Highway 11 between Lenoir City and Loudon. On motion of Squire Hartsock, the Court asked the Ambulance Study Committee to meet with Mr. Randolph

Former Newsman, Preacher, Ira Johnson, 48, Dies

The Rev. Ira Johnson, 48, Lenoir City and Hartman businessman and pastor of Piney Baptist Church in Morgan County, died unexpectedly at his home in Oakdale on Thursday, Aug. 31.

Mr. Johnson was found the apparent victim of a heart attack, in the home by a member of the church who became concerned after the minister failed to answer the telephone, according to reports.

He had been feeling badly that morning when Mrs. Johnson left for work, but there was no indication that he was seriously ill, it was reported.

He leaves his wife, Mrs. Charlie Rymer Johnson; two sons, Frederick Allen and Victor Wyatt Johnson, both of Lenoir City; and a sister, Mrs. Bessie Treat of Lenoir City. The minister was owner of United Printers, office supply and job printing firm in Lenoir City, and a print shop in Hartman.

He was the founder and publisher of The Banner in 1960 and continued to serve as advertising manager of the News-Banner after the Lenoir City News and The Banner merged in 1961. He also was a co-owner of the Loudon County Herald before selling his interest in both newspapers several years ago.

A native of Lenoir City, he was a graduate of Lenoir City High School and attended the University of Tennessee and Carson-Newman College. He also completed a business college course of instruction.

He was for 13 years employed in the accounting department of Lenoir Car Works and for about six years was engaged in construction work. In 1969 he purchased United Printers, commercial printing firm, and established The Banner in

and see what could be worked out.

Park Proposals

The Court voted to accept a deed from the Eaton Rutian Club for seven acres of land and approved a resolution directing County Judge Harvey Sproul to make application with the Housing Urban Development Agency for a federal grant to build a recreational park on the land.

The proposed park would be built on land that the Rutian Club is giving to the county. It is located on Hickory Creek Road. Club President Jerry Park and club spokesman Ed Bailey were both present at the court meeting to present (Continued on Page 5)

Baker Names

Four Leaders

U.S. Senator Howard Baker has named four Loudon County co-chairmen of his reelection campaign.

Leaders of the Loudon County committee to reelect Senator Baker are R.A. Anderson Sr., retired County Register of Deeds; J.E. Greenway, assistant manager of Charles H. Bacon Co.; E.B. "Bud" Hall, salesman for Elm Hill Meats; and Clarence Wall, vice president for manufacturing of Charles H. Bacon Co. Anderson is active in church work and is a member of the Community, Lions and Rotary Clubs. He and his wife Edna live on their farm in Greenback.

Greenway lives on Roberson Road with his wife Helen and children Melinda and Jimmy. Hall, a Lenoir City native, is treasurer of Loudon County Young Republicans. He and his wife Connie have one child, Tony Lynn.

Wall is past president of the United Fund, past Civitan Lt. Governor and president of the Lenoir City High School Board of Trustees. He and his wife Jackie have three children, Vickie, "Trey", and Bill.

PROPOSED DEVELOPMENT OF LOUDON RECREATION PARK

BARCI, WAGGONER, SUMNER & CANNON
NASHVILLE, KNOXVILLE, MOBILE/TORONTO

Pool-Park Complex Development In 2 Phases

Cost About \$280,000 Expanded Project To

The Loudon Swimming Pool-Park Complex will definitely be a two phase project, City Administrator Gary Hensley said this week that the City Commission has decided to go with a larger facility that will provide more recreational features making it necessary to develop the park in two phases.

The City has already received approval of the \$161,000 Phase I and a federal grant in excess of \$80,000 is approved also.

Phase I will include the construction of an olympic size swimming pool, 164 feet by 42 feet and a 40 by 40 diving bay with diving boards and diving tower, a kiddie pool, bath house-concession stand building, all the filtration equipment and fencing around the pool. It will also include one of two proposed parking lots.

Mr. Hensley said that final plans for this phase of the project are now being prepared by the architects, Barge, Waggoner, Sumner and Cannon, and the project should be under contract by sometime in November. This means the pool will be ready for use next summer.

The city is now making application for a federal grant for the \$120,000 Phase II portion of the project. This will include an all purpose lighted baseball field that it is hoped will be used in an organized Little League program, two finished tennis courts, and two all purpose courts that can be used for additional tennis courts or basketball courts. These will also be lighted and fenced. Also included is lighting for the swimming pool, an additional paved parking lot. Lighting for both parking lots. The plans call for an all purpose shed at the south end of the park along with several picnic tables and grills and landscaping.

The new design layout by the architects shows several changes suggested by Mayor Joe Carter and members of the City Commission at an earlier meeting on the park. Mr. Hensley said that if the second grant is approved and Phase II can get underway soon the entire project could be completed within a year from the time Phase I starts.

The Commission decided on the larger swimming pool hoping it would meet the needs of the community for many years and it could be used by the high school, located next door to the 10 acre park complex, for the development of a swimming program.

Hensley cited the fact that the project has grown from the first proposed \$160,000 project to \$280,000 but more the City Commission studied the needs and the potential of the land bought for the project, they decided that complete development now was the best thing for the community, provided that federal funds are approved for the entire project. If the second phase is approved this means more than \$140,000 in federal funds will be used in the project. The City expects to spend only \$60,000 in cash for city labor, actual cash purposes and other cash outlay for the project and the remaining \$80,000 city portion will be made up of in-kind services and other contributions that are recognized by the Housing Urban Development Agency as counting toward the dollar value of the project.

Before final plans on Phase II are completed the City Commission will be meeting with County School officials to discuss how the entire project fits in with the school programs. It is anticipated that Loudon High School will make use of the pool, baseball field, tennis and all-purpose courts and other facilities at the park during the school year. During the summer the city will operate the park as part of its summer recreation program.

Policeman Buttram Hit By Car, Killed

Jesse J. Buttram, 37, Lenoir City Police Sergeant, died when struck by a car while investigating a traffic violation on East Broadway Thursday night about 9:15 p.m.

According to Police Chief Wayne Chambers' investigation, Sgt. Buttram had stopped a west-bound truck for a traffic violation on East Broadway. Just as he started to talk to the truck driver, he saw another car - unidentified, but described by witnesses as a Volkswagen - also in a violation and he flagged the car to stop.

Walking across the four lanes of the street, he was struck by the right front fender of a station wagon traveling east on Broadway. He was only about two steps from the safety of the curb.

Driver of the car was Dr. Joseph K. Geiger of Marion, Ohio, traveling with his wife and two children. He told officers the first time he saw the police officer was when his body struck the windshield of the car.

Sgt. Buttram was rushed to Loudon County Memorial Hospital where he was pronounced dead on arrival.

Dr. Geiger, investigators said, appeared to be in a state of shock following the accident. The family remained in Lenoir City until after the funeral Saturday. No charges have been placed in the case, pending further investigation.

The police officer was a member of Central United Methodist Church, the Fraternal Order of Police, Avery Lodge 593 F&AM, the Scottish Rite Bodies and Kerbel Shrine Temple.

He is survived by his wife, Mrs. Frances Osborne Buttram; two daughters, Mrs. Judy Reed of Parsons and Mrs. Patricia Tinnell of Lenoir City; four grand children; a brother, Ross Buttram of Athens.

Funeral services were held on Saturday, Sept. 2, at Central United Methodist Church with the Rev. Phil Ernst officiating.

The boom of the cannon will echo through the river valley and the whoop of the Cherokees returning from war bearing among their spoils scalp locks to present for bounty as the scenes of the 1758-1760 years at Fort Loudoun are re-enacted.

Admission will be \$1 per person with children five years and younger admitted free. Parking areas will be available with traffic directors on hand. Picnic grounds are nearby and food dispensaries will be handy.

Fort Loudoun, a state-owned shrine, is just east of U.S. 41 near Vonore. The re-enactment will be by members of the National Re-enactment Society, Inc., the

POLICE CHIEF Wayne Chambers talks to Dr. Joseph K. Geiger of Marion, Ohio, driver of a car which struck Police Sgt. Jesse Buttram Thursday night.

Siege Of Fort Loudoun Will Be Presented September 16-17

A cast of hundreds will participate in the re-enactment of the siege of British Colonial Fort Loudoun on the Little Tennessee River Sept. 16-17, with the proceeds to be used to help rebuild the museum which was recently destroyed by fire.

The two-day program will include portrayal of the fatal siege of Fort Loudoun by the Cherokees in 1759 and 1760, depiction of army routine in a British fort in a wilderness country, music by Highland pipers and other events in picture living history.

Participants in the program at Fort Loudoun will come from all parts of the eastern seaboard and will wear authentic uniforms of the colonial period and carry weapons traditional for this period. Flintlock muskets will be fired during the battle sequences and the red, blue, and white uniforms with pewter and gold buttons will enliven the scenes of action.

Even the food served the garrison of the fort and their families will be according to the menus of those days and times.

Sorority Has Opening Day Tea

An opening day tea was held Aug. 27 at the home of Mrs. Mickey Hall in Martel Estates for members of the Gamma Theta Chapter of Beta Sigma Phi Sorority.

The Sunday afternoon tea began with the sorority president, Mrs. Jack Henry, leading members in the opening ritual. New business for the year was discussed and year-books and program books were distributed to members.

Following the closing ritual, tea refreshments were served from the dining table, which was overlaid with a long white cloth, centered with summer flowers.

All members were present and enjoyed a social hour which followed.

The sorority's summer picnic was held at Union Carbony Park on Aug. 4 with members and their families attending.

Dr. Fox Is Revival Speaker

Dr. Anderson Fox of Cincinnati, Ohio will be the visiting evangelist at Fall Revival services at the First Baptist Church of Philadelphia which begins September 10-17. Services will begin each night at 7:30 p.m.

Dr. Fox is the pastor of the New Bethel Baptist Church in Cincinnati.

Mr. Gary Amos, Minister of Music at First Baptist will direct the music. There will also be a visiting soloist each evening.

Rev. Dillard Hagan, pastor, invites the public to attend.

Garden Club Presents Awards

The Loudon Garden Club met August 23 at the Branch Bank of Loudon County with Mrs. Glenda Arp serving as hostess. Carolyn Shope presided at the meeting. Mrs. Eileen Howard read the devotion. Mrs. Ralph Carr, from the Dixie Lee Heights Garden Club, gave a program entitled "Knowing your State Garden Club Federation."

Winners in the monthly flower show were Mary Johnson, Marita George, Eileen Howard, Etta Kelso, Carolyn Shope and Gay Lomas.

Plans are being made for the Loudon Garden Club to enter arrangements in the Moore County Fair to be held this month.

Phelps-Isbill Vows Exchanged
Susanne Marley Phelps and Shirley H. Isbill were married September 2 at the First Methodist Church of Scotia, New York.

The bride is the daughter of Mrs. Eugene Marley of Schoenectady, New York and the late Eugene Clemens Marley. Mr. Isbill is the son of Mrs. Ruth Cates and the late William Edwin Isbill of Loudon.

The wedding was attended by relatives and friends of the bride, Mrs. Cates and Mrs. Paul Henry of Loudon. A reception was held at the home of the bride's mother in Schoenectady, N. Y.

The couple and their children, Rebecca, Mark, Christopher and Andre will be living in Trenton, New Jersey.

The bride attended Skidmore College in Saratoga Springs, N. Y. and is currently employed at the Thomas J. Lipton Company in Flemington, New Jersey.

The groom is employed by the U. S. Food and Drug Administration in Trenton.

Mrs. Carl Hicks visited Saturday with her daughter and son-in-law, Mr. and Mrs. Preston Bright in Philadelphia.

Mr. and Mrs. Leo Black and Kent of Cleveland were dinner guests last Wednesday of Mr. Black's parents, Mr. and Mrs. King Black.

Mrs. Fred Miller spent Sunday with Mrs. Kate Walker in Cleveland.

Mrs. Earnestine Hobinson and brother William Smith have returned from their trip to Orlando, Fla. While there, they toured Disney World.

Mrs. Mae Bradshaw and Mrs. Joe Christian had as guests this week, Mrs. Clara Laujabin and Mrs. Vera Higgins from Cincinnati, Ohio.

Court Approves Eaton, Luttrell Area Parks, Discuss Ambulance Service Problem

(Continued from Page 1)

the proposal. After the adoption of the motions by Squires Henry Foster and I. D. Conner and Squires R. P. Hamilton and Curtis Williams the men thanked the court and said that such a park would be a fine addition to the county and the people of the Eaton Community would appreciate the county court's efforts.

Later in the meeting, the court approved a similar request for the Luttrell Community. The resolution, as adopted on motion of new Squire Boyd Duckworth, seconded by Squire J. G. Hudson, authorizes the County Judge to seek a Federal Grant to develop the former Luttrell School property as a public recreation area. As described by Attorney Ed Bailey who represented a group of Luttrell residents, the existing Luttrell gymnasium would be repaired and the present school building there probably would be torn down. There probably is enough room for a baseball diamond as well, he said.

Sugar Limb Questioned
Charles Eldridge of the Sugar Limb Road area asked the court to try and get the State Highway Department to change the location of the proposed Sugar Limb Road Connector to 1-75. He asked that the road be changed from the route proposed by the state to one that followed the present Sugar Limb Road as near as possible. He stated that the property owners along that route said that they would give the right of way along this route, within reason, if it were followed. Squire Jim Blair said that Miss Kate Blair, one of the major property owners on the route had told him the same thing.

After discussing the matter through a recess the court took no action on that request. Judge Sprout said that the State had said earlier that to follow the old road, although

straightening some bad curves, would entail moving several buildings, and would cost from \$150,000 to \$200,000 more than the one proposed by the state.

Mr. Eldridge pointed out that the county might save a good portion of the road costs on having rights of way given free, where under the state proposal there would be many condemnation lawsuits. He said it would also be cheaper on the county to maintain only one Sugar Limb Road than it would be if the state proposal was followed.

Mr. Eldridge also requested that the court ask Commissioner Lee Malone to repair old Sugar Limb Road. Mr. Malone said that when the location of the new road was definitely fixed and if it did not follow the present road, he would repair and resurface the road.

Building Permits
By unanimous vote, with Squire Blair absent, the Squires approved a measure which would not even get a second at last month's meeting. The court authorized the County Judge to employ legal counsel to pursue in court the failures of citizens to buy building permits.

Squire Jack Letter, in his last appearance in County Court last month, proposed the authorization after it was pointed out that at least three cases of failure to obtain building permits had been returned as "no-bills" by the Grand Jury. At that time no one would second his motion.

This time, after several squires, including R. P. Hamilton and Roy Bledsoe argued that it is unfair for some citizens to have to obtain building permits and others not, Squire Hartsook, indicating he knew of an expensive house which was not on the tax books until it was sold, asked if it were possible for the county to recover lost taxes in such cases. Squire Foster wondered if the County Judge didn't have authority to hire counsel even without authorization by the Court.

On motion by Squire Hartsook, seconded by Squire Hamilton, the Court authorized the hiring of counsel.

Mike Property Accepted
As discussed at last month's meeting, the Court accepted the gift of a house and lot in the center of Loudon, at the corner of Grove and Ferry

Streets. The property, owned by three sisters, Miss Carrie Lou Mize, Miss Mary Katherine Mize and Mrs. Ethel Mize Parker, was deeded to the County for "such uses and purposes as it might see fit in the future..."

Judge Sprout explained that a special committee, appointed at the last meeting, had looked into the matter, recommended its acceptance and made arrangements for transfer of title.

The Court's resolution expressed the "gratitude and appreciation of the Quarterly Court be extended to the said Carrie Lou Mize, Mary Katherine Mize and Ethel Mize Parker for their spirit and benevolence in donating the foregoing valuable parcel of property to Loudon County."

Committees Appointed
Members of the Important Budget and Purchasing committees were appointed, but a proposed change in the operation of the Loudon County Memorial Hospital Board of Directors was postponed until next meeting.

Named to the Budget Committee were Squires Henry Foster, I. D. Conner, Boyd Duckworth and J. G. Hudson. Purchasing Committee members are Squires R. P. Hamilton, J. J. Blair, James M. Hartsook, Curtis Williams and Roy Bledsoe.

Judge Sprout had previously distributed to Court members a proposal for changes in the make-up of the Hospital Board. He said the proposal, in short, would limit to two years the terms of office on the Board, and that it would set out in writing the duties of the Hospital Administrator and those of the Hospital Board of Directors.

Present Board Chairman Conner suggested that the proposal be studied until next meeting, and Squire Hartsook made a motion that the present Board continue to serve until that time. The motion was adopted.

Most of the other committees and boards were left with little change. Judge Sprout, who had returned from a meeting in Nashville late Tuesday afternoon, said he did not have his master-list of committee appointments with him, and that final appointments in some cases would be deferred until next month.

Other Matters
A number of road sign matters were approved by the court and requests made to the road commissioners in the districts affected. These were school zone signs near Eaton School on Hines Valley Road

and Old Highway 96; 30 mph speed limit signs 100 yards either side of Corinth Baptist Church on Steekee Road near Loudon; and stop signs on Meadow Road at Morgantown Road and on Niles Ferry Road at Trigonis Road in the third

district. The court took a brief recess from its business to welcome Mrs. Charles O'Brian, who is the sister to the late Governor Frank Clement. Mrs. O'Brian had been attending a meeting of the Loudon County

Democrat Women being held at the courthouse. She was present supporting the candidacy of her nephew, Bob Clement, son of Governor Frank Clement, who is seeking a seat on the State Public Service Commission. She was introduced to the court by former State Senator Charles Eblen.

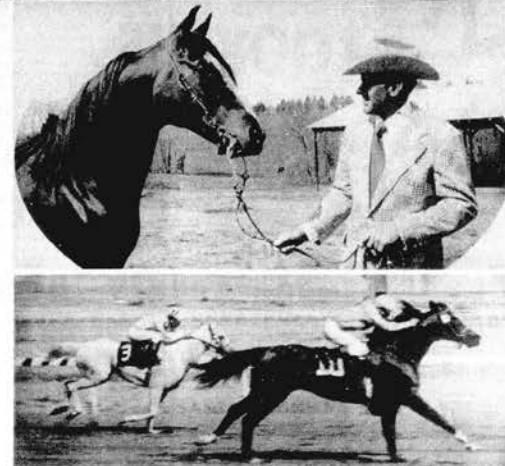

A \$550 expenditure from the Road Districts of Commissioner Lillard Bledsoe was approved to pay dairy farmer Owen James for a cow that died from eating wilted wild cherry bush leaves. James said that the wild cherry leaves got into pasture field on his farm when a county mower cut them along side the road. He said the cow, a Holstein, weighed about 1100 pounds and produced about 50 pounds of milk per day.

The court authorized Judge Sprout to make a settlement with the bonding company of the firm that did the remodeling of the courthouse.

Squire I. D. Conner reported that the Loudon County Memorial Hospital Board had interviewed applicants for assistant administrator and had offered the position to one of them. He said however the man has not yet given his answer.

Squire Jim Hartsook said that the county physician committee was still talking to several prospective doctors. He also said the state fire inspectors had made another inspection of the old Bacon Hospital and he is expecting a favorable report that might allow the county to renovate the building at a reasonable cost to be used for health care purposes.

The court authorized Judge Sprout to make a settlement with the bonding company of the firm that did the remodeling of the courthouse.

WINN FIRST RACE—Dr. Sam Harrison of Loudon is shown in the top photo with Dimrak a four year old Arabian Racing Stallion, owned by Harrison's Sa-Arabet Arabian Farms. Dimrak recently won his first race of the 1972 racing season at Santa Fe Downs. Dr. Harrison said that racing is new in the Arabian Horse field in the United States. Dimrak ran the 1 and one-sixteenth mile race in 1:39.3 and paid 12.5 to one. Dr. Harrison said Dimrak will race in the 1/4 mile Arabian Horse Race at Albuquerque for the race during the New Mexico State Fair. In the bottom photo Dimrak, with jockey Mike Meador up, is shown crossing the finish line at Santa Fe with a one length lead.

County Officials Take Oaths At Ceremony Friday

COUNTY COURT SWORN IN—Seven of the nine Justices of the Peace were sworn in at ceremonies sponsored by the Loudon County Bar Association at the courthouse Friday. Administering the oaths was Chancellor James Phillips. Squires (left to right) are J. J. Blair, Boyd Duckworth (the only new court member), J. D. Connor, Henry Foster, Jim Hartsook, J. G. Hudson and Curtis Williams. Not present were Squires R. P. Hamilton and Roy Bledsoe.

Loudon County officials elected in the August General Election were sworn into office Friday morning in a ceremony held at the courthouse under the sponsorship of the Loudon County Bar Association.

Loudon County Chancery Court Judge James Phillips administered the oaths of office to 17 of the 20 officials who were present.

Bar Association President John Gibson welcomed the more than 75 persons who came to see the ceremony and then Judge Harvey Sproul introduced Chancellor Phillips. Following the swearing ceremony, the Bar Association served refreshments.

Sheriff Freeman Russell

took his third consecutive oath to that post meaning that when he completes this two year term he cannot run for re-election as sheriff. County Property Assessor Emmett Carter took office for his second four year term.

There was one surprise at the ceremony. Constable-elect O. H. Park of the fifth district (Gaines) declined to take the office he was elected to. Park mounted a write in campaign

in the district to defeat Republican nominee Ray Hook. Park gave business reasons for turning down the office. Jessie Easter of Philadelphia who received eight write in votes in the fourth district (Philadelphia) took his oath of office as constable in that district.

There was no candidate for constable on the ballot there. Other constables sworn into office were Charles Settles,

Ozell Justice, Dewey Russell and Raymond Rogers.

It was reported that County Court could fill the vacancy of Constable in the fifth district or they could leave it vacant.

Seven of the nine members of County Court were present for the ceremonies and jointly took their oaths. These included the only new member on the court, Boyd Duckworth of Philadelphia. Others sworn were Jim Blair, J. D. Connor,

Henry Foster, Jim Hartsook, J. G. Hudson and Curtis Williams. Not present were Roy Bledsoe and R. P. Hamilton.

At the beginning of the ceremony Squire Hudson gave Chancellor Phillips his oath of office. Also sworn into office were the three re-elected Road Commissioners, Lee Malone, Joe Greenway and Lillard Bledsoe.

ROAD COMMISSIONERS TAKE OFFICE—Loudon County's three Road Commissioners (left to right) Lee Malone, Joe Greenway and Lillard Bledsoe take their oaths from Chancellor James Phillips Friday as they begin new two year terms of office.

WILLIS JACKSON FORD
Willis Jackson Ford, age 40, died suddenly Saturday, September 3 at University Hospital.

Survivors include: widow, Joyce Black Ford; children, Mrs. Josie Keller, Lenoir City, Miss Linda, Charles, Ricky, David, Bobby, Dennis and Roy, all of Knoxville, Fannie Louis and Willis, Jr., both at home; one sister, Mrs. Nora Davis.

Funeral services were held Tuesday at Woodlawn Baptist Church. Rev. Paul Justice officiated. Interment in church cemetery, Hawkins, Lenoir City, in charge.

MINNIE PARKER CHANEY
Minnie Parker Chaney, age 87, died Wednesday, August 30 at the home of her daughter, Mrs. James Farmer, Philadelphia, widow of Charles H. Chaney.

Survivors include: son, Ollie J. Chaney, Loudon; three daughters, Mrs. James (Aima) Farmer, Philadelphia, Mrs. Lila Jones, Johnson City, Mrs. Samuel (Nona) Brock, Decatur, Ga.; sister, Miss Flora Parkey, Knoxville; 20 grandchildren; 47 great-grandchildren; five great-great-grandchildren; four children preceded her in death, Margaret, Ima Jean, William Henry and Rev. Willis Chaney.

Funeral services were held Friday at Hawkins Chapel, Rev. R. L. Davis and Rev. O. C. Rainwater officiated. Burial in Riverview Cemetery, Hawkins, Loudon, in charge.

CONSTABLES TAKE OFFICE—Loudon County constables who took office last Friday are shown taking their oaths from Chancellor James Phillips. They are Charles Settles, Ozell Justice, Dewey Russell, Raymond Rogers and Jesse Easter.

CHANCELLOR SWORN—Loudon County Squire J.G. Hudson (back to camera) is shown giving the oath of office to Loudon County Chancellor James O. Phillips Jr., in a ceremony Friday at the courthouse sponsored by the Loudon County Bar Association.

Obituaries

JIMMY DOUGLAS SHUBERT
Jimmy Douglas Shubert, age 25, of Wilmington, N. C., died Wednesday, August 30.

\$855 Pledged Here During Muscular Dystrophy Event

Loudon Countians pledged \$855 to the Muscular Dystrophy Foundation during the Jerry Lewis Telethon last weekend. Mrs. Bill Webb, chairman of the event in Loudon County, said that she was very pleased with the amount pledged in the county and more pleased with the response of the people who came to help during the telethon.

In all the Knoxville area raised \$40,000 and the nation-wide event saw more than \$2,200,000 pledged.

Mrs. Webb acknowledged the help of several persons for helping with the phone work done from the Cumberland Presbyterian Church during the 20 hour event. They were Sharon Kelson, Mrs. Leonard Shubert, Joan Morton, Jay Jay Purdy, Vicki Scott, Ladda Price, Mrs. Russell Woody, Cecil Carrier, Cathy Flanagan, Kathy Sartem, Beth Gayton, Selena Cannon, Beth George, Cris Hughes and Ricky Kennedy.

\$855 PLEDGED HERE—Some of the volunteers who helped man the phones in Loudon during the Muscular Dystrophy Telethon are shown at work in the fellowship hall of the Cumberland Presbyterian Church. They are (left to right) Sharon Kelson, Mrs. Leonard Shubert, Mrs. Bill Webb, chairman of the Loudon County Chapter, and Bart Iddins Jr.

PEDESTRIAN INJURED—A Philadelphia woman, Evelyn Allmon, 27, was injured Monday about 7:30 p.m. when she apparently ran into the path of the car, shown above, on U.S. 11 at Philadelphia. The woman was taken to Blount Memorial Hospital for surgery on a badly broken leg, according to State Trooper Tump Sugar. Trooper Sugar said the driver of the car, Jimmy West of Rt. 1 Tellico Plains said the woman ran across the highway and his attempts to miss her failed.

Siege Of Fort Loudoun Will Be Presented September 16-17

(Continued from Page 1) numerous events of skirmishes and battles of American history. Osborne and his group put on a spectacular program for Walnut Grove Plantation, an historic restoration near Spartanburg, S.C., and directed a program for the South Carolina Tri-Centennial Commission and depicted the Battle of the Great Cane Break near Simpsonville, S.C. For the latter presentation Osborne received the Legion of Honor by the National Re-enactment Society.

He will be assisted by other experienced national officers and William H. Craig Jr., organizer of the First Militia Company which has headquarters in Chattanooga. Sunday morning, Sept. 17, a Protestant church service will be conducted in the fort by Osborne who will portray the beleaguered commander, Capt. Paul Demere. Local church congregations are being invited to this. There will be no admission to the church service but the offering will be given to the Fort Loudoun Association for rebuilding its museum which burned in late June of this year.

Sunday afternoon the surrender of Fort Loudoun to the Cherokees will be acted out and the exodus of the British troops at the garrison will begin their ill-fated march toward the neighboring Fort Prince George which was more than 300 miles to the southeast, near what is now Clemson, S.C. Even the final massacre of the garrison by the Indians will be vividly portrayed in the woods around the fort.

Authentically costumed Cherokee warriors of the mid-18th century are being provided for the event by Explorer Post 2022 Order of the Arrow dance team which is sponsored by the Boys' Club of Chattanooga under the direction of William E. Gomer, and the U-T at Chattanooga. Order of the Arrow under the direction of Chattanooga Fire Department Lt. Larry Myers. Myers is probably better known as Chief Chattahoochee, the U-T at Chattanooga's medicament mascot.

He will be assisted by other experienced national officers and William H. Craig Jr., organizer of the First Militia Company which has headquarters in Chattanooga.

BIRTHDAYS

Tina Michelle Lively celebrated her third birthday September 4 with a party. She is the daughter of Mr. and Mrs. Dwight Lively of 828 Mulberry Street, Loudon. Grandparents are Mr. and Mrs. John A. Shaw and Mrs. Ella Mae Lively of Loudon. Great grandfather is W. D. Wallace of Lenoir City.

Angela Dawn Shubert celebrated her first birthday August 30. She is the daughter of Barbara Klauer and Chuck Shubert. Grandparents are Mr. and Mrs. Claude Young of Philadelphia and Mr. and Mrs. Kenneth Shubert of Loudon.

Vineyard In Last Combat Unit

With the De-Escalation of Army activities in Vietnam, the 3rd Battalion, 21st Infantry task force became the last infantry unit in complete active duty in the combat zone.

Army sergeant Ronnie M. Vineyard, 20, son of Mr. and Mrs. James R. Vineyard, Route 3, Lenoir City, was a member of this unit which had been serving as a security force for the air force base at Da Nang.

The sergeant was a team leader with the Battalion's Company B. He entered the

Game & Fish TODAY

By Sgt. Bob Harmon
Game & Fish Commission

GAME AND FISH TO STUDY THE BEAR

The 1972 hunting season for black bear in Tennessee remained closed by order of the Commissioners of the Tennessee Game and Fish Commission. This order was aimed at expanding the bear resource in Tennessee, according to Dick Conley, Big Game Study Leader. This action was based on information gathered by the Game Management Division from bear research conducted in the Southeast, collaboration with other states, and data collected in the past by Commission personnel.

Bear range in Tennessee is the Great Smoky Mountains National Park and the Cherokee National Forest. While bears occupy most of the National Park, they are found only in certain ranger districts of the National Forest - Tellico, Nolichucky and Unaka. Only Tellico and Unaka support a huntable population. It should be emphasized that bears are not found throughout these ranger districts, but occupy only certain portions of them, those being the Tellico and Unaka Wildlife Management Areas. Research has shown that the bear has one of the lowest

reproductive rates of any large mammal in North America. Litter size is small and varies in different parts of the country. Tellico is considered to be excellent habitat for bears and an average of 13 bears per hunting season were killed from 1969 through 1969.

With the increased hunting pressure the average kill jumped to 23 bears per season from 1965 to 1968.

Not having information as to how many bears are on the Tellico unit of the Cherokee W.M.A. and not being able to establish a huntable population in the other sections of Cherokee National Forest, it was believed by the Tennessee Game and Fish Commission that the season should remain closed and a study be made to determine these factors.

To achieve this goal, a study was initiated July 1, 1972, that deals with vital questions about the bear in Tennessee. Emphasis will be placed on population size, distribution, habitat requirements, food habits, home range, reproduction, diseases and parasites, age composition of the population, hunting methods, and collaboration with other states and institutions engaged in bear research and management.

Black Bear Hunting Closed In Tennessee

\$74 Added To QB Building Fund

The addition of \$74 to the Loudon Quarterback Club's Buy A Block Campaign this past week brings the total for the fund drive to \$480.80, as reported by Club Treasurer Jim Roberts.

The Quarterback Club, sponsors of the Pee Wee Football program consisting of four teams, is trying to raise several thousand dollars to help pay for a \$10,000 dressing room, rest room and concession stand building being constructed at Bacon Field, for the Pee Wee football program.

Club President Ed Estes said that construction of the building is about 50 percent complete with most of the work remaining being inside. Donations of any size are being sought to help the organization pay for the building as it is being built.

The latest contributions as reported by the club are as follows:

ANNUAL FOOTBALL CONTEST

The Herald

\$250 IN CASH PRIZES

\$25 Each Week

\$12 First Place Each Week

\$8 Second Place Each Week

\$5 Third Place Each Week

Entries must be in Herald Office by 5 P. M. Friday or Postmarked by 5 P. M. Friday, if mailed.

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which team you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Busy Bees Invade Dukes Field Friday Night In Redskin Home Opener

Danny Gibson Sports Editor
The three high school football teams of Loudon County got off to a flying start last week with 1972 fall openers. Lenoir City and Greenback recorded shutouts over opposing foes while playing before home fans. Loudon dropped (maybe the word here should be fumbled) their contest to Alcoa 35-13 at the Tornadoes gridiron camp.

Kingston fumbles and pass interceptions to give the defending champs a real scare. Kingston will arrive at Dukes field without the breath taking offense it showed last fall although they have some big horses back that can do all the way in the form of Randy Brown. Defense is where Kingston is strong and a good team that can force at Kington offense to come unglued for a brief spell might have the Yellowjackets slogger pulled. Loudon has the team for such an operation with the defense a step ahead of the offense. The 33 points scored Friday night are all that contradictory if you consider Loudon failed to score on three separate times due to lost fumbles inside the Tornadoes 15 yard line. Give Loudon two scores out of three and they would have had 27 points. Take away the eight yard punt from which Alcoa got their offense rolling for a touchdown and Loudon wins, yet they lost. Loudon is young where a team has to be well experienced to play the schedule Bert Rutledge has designed. But be certain a person knows that when the Redskins win they have beaten

a football team, and when they lose they have been beaten by one of the better teams the state can field. A Loudon upset might just be in the making for this one if Kingston is still playing to the tune of "we are the Region Champs of last year." Look for a hard hitting toughie and those Loudon

backs to be a bit more stingy this week in turning loose of the football when hit and taking the pitch-out before the ball gets there.

Lenoir City will travel to Harriman to renew their football series with the Blue Devils. The Panthers have won 25 times from Harriman

since the two teams met for the first time in 1922 with Harriman winning 32-0. Since then the two schools have engaged in one of the better high school rivalries in East Tennessee. Lenoir City won 15-6 last year to break a five year streak by the Blue Devils. Harriman has

whipped the Panthers 19 times over the years. Lenoir City must show a stronger offense this week to stabilize the balance of their 1972 team. The Panthers made good on the breaks provided by the Panther defense against McMinn Central, but the offense start carrying its

weight weekly if the Lenoir City followers are to be given a chance at claiming Region honors and a state playoff berth. Both teams will apply a crunching defense while Lenoir City's offense is believed to be less error minded than what is reported on the Blue Devils. Thus the Panthers are expected to roll again Friday night but extra caution should be warned for the Blue Devils have little to loose and a loss to the Panthers would be a big pill to swallow now that they have gotten off to such a bang-up start.

Greenback will be making their first of six road trips for the season going to Lamar. The eagles lost a number of outstanding performers to graduation.

Loudon will play defending Region II champions Kingston and the Yellowjackets are again being groomed for another Region II "AA" crown. The Yellowjackets lost several their best name players from last years team but have 92 boys to pick from on this year's fall turnout to replace the holes left by graduation. Kingston won its season opener last week 12-7 from Harriman in a come from behind rout. Harriman recorded but one first down, but made use of frequent

Hawkins gained 23 yards, Donnie Eldridge made nine yards and Adam Hawkins made three more.

Harriman's end around and off-tackle plays were hard to contain. Making most of the tackles for the Loudon defense were Tony Schrimsher, David Lambert, Carl Johnson, Tim Moore, Perry Purdy, Mark Vance, John Cardwell and Walter Henry. "Boo Boo" Hawkins recovered a Harriman fumble and Jerry Townsend made a touchdown saving tackle on the last play of the game as he was the only Red Jersey between the Harriman runner and the Loudon goal.

Terry Schrimsher is the coach of the Loudon Mustangs. Also working with the 90 pound or less team are Mike Schrimsher and Bonnie Watkins, two recent stars at Loudon High School. The Mustangs will not play this Saturday night because of the UT-Georgia Tech game.

Red Mustangs Stopped By Harriman, 6-0

The Loudon Mustangs lost a tough decision last Friday night to the 90 pound team from Harriman. At times, the offense clicked, but some bad breaks prevented the home team Red Mustangs from scoring. A 15 yard penalty against Loudon in the second quarter gave Harriman the ball at the Loudon 46 yard line. From there they drove down the field, making three consecutive first downs, to the only touchdown of the game. Mark Vance and Perry Purdy tackled the Harriman runner to prevent the conversion points and Harriman was out front, 6-0.

Jerry Townsend and "Boo Boo" Hawkins alternated at quarterback. Each quarter completed two passes each to Greer Carey for a total of 30 yards. On the ground,

left in the first quarter Linginfeller hooked up with freshman Randall Banks for the first touchdown of the season. Tim Hammonree booted the point after touchdown.

The Highlanders put together a well groomed running attack that moved the ball to the Greenback 30 yard line in eight plays. The Gatlinburg team chose to go

the air on first down at the Greenback 30 but an alert Joe Mainor picked off the aerial in the end zone and the Cherokeees had stopped the march for a touchdown.

Greenback running game had only a few worthy gains by Captain Joe Mainor and the rambling of Tim Hammonree.

Gatlinburg gaining momentum from the lack of Greenback spirit moved the ball with fluid effort with a tremendous defensive save by Mike Evans or Tommy McNeilly saving the day to force a punting situation. Darrell McKeehan was also a head hunter on defense for the Cherokeees, coming up from his defensive back position to nail several Gatlinburg Pittman ball carriers from breaking fire for a touchdown.

A blocker Greenback punt in the second quarter gave the Highlanders their best scoring opportunity of the night at the Greenback 20 yard line. Several running maneuvers had the ball on the Cherokeees seven yard line and only an aroused defensive effort by Tommy McNeilly and Bill Joe Kyker caused a fumble and Kyker claimed the prize with just 1:36 left in the first half.

Greenback looked better adjusted to the task of handling the Highlanders in the second half with Linginfeller and his backs executing much to their expectancy. The Greenback offense got so

PICKS UP CHEROKEE GAIN—Greenback end Randall Banks picks up a Cherokee first down after receiving a Tony Linginfeller pass. The Greenback receivers accounted for 185 yards in the total yardage statistics of the 20-0 win over Gatlinburg Pittman.

14 Different Winners In 22 Atomic Races

When it comes to competition it's hard to equal the record at Atomic Speedway this season. That is putting it mildly.

In 22 racing dates this year there have been 14 different drivers in victory lane. And no driver has been able to take more than three triumphs.

Practically all of these with wins this season will be at the dirt speedway when action resumes Saturday night.

he will be thankful
that you did.

Why would I ask you to send your boy out into the rough, tough world of football? Why would I ask you to expose him to bruises, twisted joints, sore muscles and any number of other ailments? The reason is simple. Beyond the fact that football, with the best protection his uniform gives and the teaching skill of his coaches, offers you a rare opportunity to help make a man out of your boy and to prepare him for a useful place in society. You can bet that the values he gets from participating are immeasurable because they can be applied to other facets of life.

I'm afraid that parents have become victims of the times in which we live. In the past people took the education of football for granted. They don't do that now. Today people question everything and do not speak a great deal of his time trying to justify his program.

The value of football is great. It's a character building game. It builds the type of character America needs today. It teaches how to work as a team, how to test oneself, to find your own physical limits and to be knocked down and get right up again.

Assuming you will get your boy out on that football field, I can tell you not to worry about him; his coach will do that for you. By season's end he will get across to him, not only the football fundamentals, but the basic principles of life. He will put him out on public view about 10 times between now and November, but keep in mind that the coach and his staff are with him day in and day out and the effect of their teaching on your boy could possibly determine the direction he will go in life.

It will be a rewarding experience for your son's coach, too, because he will know your son better than his classroom students. There will develop a camaraderie between man and boy you will be proud of and you will not reap the joy of it until that boy becomes a man.

Football will teach your boy to communicate with people. In effect, on that football field he will be trying life on for size.

Surrett, Branum Standout

Loudoun Fumbles Aid Tornados In 33-13 Sweep

By Danny Gibson
Sports Editor
Loudoun will have no trouble playing ball when winter comes with cold weather. The Redskins will be able to wear gloves for the most part in regard to the way the backs handled the football against Alcoa Friday night. Alcoa thumbed the Redskins 23-13 in the season opener for both teams.

Speaking of Sports

By DANNY GIBSON
Sports Editor

I want to talk to you parents about your boy. Now, I don't have one and maybe you say that I'm not qualified to say a word, but I have had the extreme pleasure of coaching junior high kids and have been the eye witness to success and failure, heartbreak, and happiness and, above all to the multitude of kids who have seen their lives change for the better just because of lessons learned on the athletic field.

Of course every boy cannot play football, but there are a lot of boys loafing about this very minute who should be out there. For his own good if nothing else, because out there he will get an education that he will cherish the rest of his life.

Assuming you will get your boy out on that football field, I can tell you not to worry about him; his coach will do that for you. By season's end he will get across to him, not only the football fundamentals, but the basic principles of life. He will put him out on public view about 10 times between now and November, but keep in mind that the coach and his staff are with him day in and day out and the effect of their teaching on your boy could possibly determine the direction he will go in life.

It will be a rewarding experience for your son's coach, too, because he will know your son better than his classroom students. There will develop a camaraderie between man and boy you will be proud of and you will not reap the joy of it until that boy becomes a man.

Football will teach your boy to communicate with people. In effect, on that football field he will be trying life on for size.

Another thing, because of various levels of ability, don't expect too much of your boy. That's a mistake a lot of parents make. To a lot of people in the stands he will be just another entertainer on football's stage, but to you he will become woven closer into your own life and you will feel a newer responsibility to him that you wouldn't believe.

SURRETT RUNS FREE FOR REDSKINS—David Surrett may prove to be a valuable asset to the Loudoun Redskins offense this fall as the speedy back turned in some eye catching runs Friday night against Alcoa. Surrett looks for downfield blocking after turning the corner on the Tornados. Byron Lawson (78) hurries to lead the blocking for Surrett.

Alcoa was not satisfied and with the help of a Loudoun fumble got another touchdown 19 yards out by Greer.

	Loudoun	Alcoa
First Downs	13	7
Passes Att.	13	0
Passes Comp.	4	0
Yards Passing	23	0
Yards Rushing	10	0
Fumbles—Lost	3	0
Penalties	7-13	14-91
Points	33	13

Alcoa scored twice in the third period on drives but Loudoun may have let down some after consecutive fumbles prevented possible touchdowns.

Loudoun returned to the field with a lot of fight and vigor for the final two periods of play but as fate would have things had battled back to trail 20-13 and just eight seconds left on the ball clock.

Hooks, Gaylon Lead Defensive Play

Panthers Blitz By McMinn Central In 17-0 Defensive Tussle

Lenoir City left the starting block in explosive fashion Friday night with a well played 17-0 triumph over McMinn Central. The Chargers along with the Panthers loomed high in the preseason options of many to challenge Kingston or Legion II honors this fall.

Coach Dale Brown and his staff believed the Panther offense would possibly reduce the losing teams chances at detouring the Yellow jackets in half, thus making the game a most important battle.

TOUGH WALL TO CRACK—Lenoir City's quarterback Mike McCooky sends halfback David White into the line for a short gain as Lenoir City ran out the clock in the fading minutes of their 17-0 victory over McMinn Central.

Defending Carbide Golf Champs Take League Lead

Dick Huff and Art Hamill, defending Union Carbide Golf champs, are back in a familiar position this week, first place. The new league leaders have not been in first position since their final weeks of last summer.

Huff and Hamill have had to battle their way into the league lead, once falling as far back as sixth and seventh place before making a mid-summer drive to overtake the front running teams.

Greenback Game Stats

	Greenback	Gate
First Downs	15	11
Passes Att.	16	6
Passes Comp.	9	0
Yards Passing	185	0
Yards Rushing	25	130
Fumbles—Lost	2-3	7-3
Penalties	4-20	3-25
Points	7-28	5-24

drive from their own 30 yard line to the Central 15 yard line, showing a long offensive surge. Tommy Cook booted a perfect 25 yard field goal to insure victory for Lenoir City and the game was all over.

	Lenoir City	McMinn Central
First Downs	13	4
Passes Att.	8	11
Passes Comp.	4	0
Yards Passing	19	0
Yards Rushing	71	26
Fumbles—Lost	1-1	4-3
Penalties	3-20	8-70

Harriman Sports Editor Wins Grid Contest

As could be expected in the first week of the grid season not many entrants in the Herald's Football Contest scored very high in the 10 game contest.

A Harriman man, Walter H. Scarborough, was the only one to correctly pick the winners of all 10 games. This wins him \$12 first place money in the weekly grid contest.

Several persons however did miss two games and the second and third place was selected on the basis of the tie-breaker, total points scored in the Loudoun-Alcoa contest, which was 36-13.

Look before you work!

Before you install a TV antenna, or carry a long metal pipe, or work with a crane or well-drilling rig, look around for power lines.

Each year, many persons are injured or killed because they carelessly handled metal objects near power lines.

Play it safe. Always look for overhead power lines before working outdoors.

LOUDON UTILITIES

announcement of the new proposed development at Lovell Road on the old Fulton-Sylphon property, with even some talk that this is going to be possibly some kind of "Six Flags Over Knoxville".

Also along Interstate 40-75 is the commercial Executive Park development, and the general expansion of Knoxville westward.

Just across the Loudon County line in Roane County is the new Nuclear Reactor Plant which will be a tremendous investment, and which during construction will employ up to approximately 2,000 people and will have an ultimate investment of something like \$500,000,000 (as compared to the Tellico Project Development of approximately \$70,000,000).

There will possibly be other satellite industries that will want to move close to the Nuclear Reactor Plant, and Loudon County may get some of those.

Of course, there is the Tellico-Timberlake Project Development, the total extent of which is unknown at this time, but which could ultimately be of tremendous and significant size.

Fortunately, we have had a forward-looking Quarterly Court which has seen the wisdom of starting with County Zoning at an early enough time (even though it probably should have been done even earlier) so that there is some chance and opportunity to control and regulate the development to the best future benefit of the present existing residents of Loudon County.

Of course, this will require enforcement, and refinement

Around The Farm

Charles McCall Extension Leader

It isn't their habit but farmers get caught in a squeeze sometimes in making plans. If you plan to make high quality silage this year, don't wait until the last minute to get your equipment and silos ready.

\$155 Million In Life Insurance Held By Loudon Counties

A sign of the major ones. And, on the long-range side, it has such other bulwarks as social security, private pension plans and personal savings.

There are poisonous gases in a newly filled silo. Be sure to run the blower for a few minutes before entering. We wouldn't want to hear that our good friend Cecil Carnes had been called to help get a farm friend out of the silo.

Loudon County farmers will have lots of high quality silage this year. Let's fill it fast and seal 'em tight.

other reports. They show that the lives of Americans are insured for a tremendous sum of money, more than \$1.5 trillion. And this does not include the substantial amount issued to veterans through the Federal Government.

Tennessee State's share of this total is listed at \$28,261,000,000, a big increase over the \$23,896,000,000 reported ten years ago.

Just how much does this boil down to at the family level? The findings are that the average family in the state carries an amount of insurance that is equal to 26.9 months of its net earnings, after taxes.

Applied to Loudon County and to the average level of income prevailing in its area, ownership of life insurance comes to approximately \$155,700 per family locally.

BACK IN THE GOOD OLD DAYS

The time of year which we are now in is looked forward to for many reasons. The harvest, the coming fall colors, the kids are back in school and possibly other things you could add to a growing list. But very possibly the one thing that would rate the highest on the list is the popular sport called football.

In those days passed, high school football was played without many of the rules that have crept into the sport today. This was when anything went and half time was used to treat and re-grow the team for the next half. This was in daylight, no night games in those days. Well, to sum it all up, we are doing this column this week, definitely not as a sports writer but from the Good Old Days angle. To prove a definite point, we went back a number of years to 1928, when this Loudon High team played. I hope days the game had little glamour and very little protective gear. Whether it be yesterday or today, it takes a lot of guts to play football and

this old team had what it took. In those days people didn't turn out for the games. Well, in fact it was just beginning to catch on in those days.

Of course, we could not write about early football action in Loudon without the mention of the late H.M. Gray, who did a lot of the late in the game in Loudon. Mr. Gray probably had more memories of the game as it was played back in those days than anyone we have ever talked to. It was through his endless efforts that the game was kept alive and permitted to grow into the giant it is today in our high school. He told us one day when we were talking that he felt that the coming to the Loudon School system of Mr. Albert Dukes did more for the promotion of football, basketball and other sports in our area than any one thing or person he could think of. We feel that the sport owes much to these men and others, but without the willingness of players like those on this team of 1928, the game would not have grown. This old team

constituted of the following players: Left to right: Ross Reagan, James P. Watkins, Charles Painter, Pete (Woody) Miller, Randle E. Johns, Dewberry Russell, Jim Kline, backfield, Coll Tipton, Gordon Harris, Ray (Julep) Russell, and M.C. Anderson. Our many thanks to Jim Kline for the loan of this old picture and some comments that make us appreciate the game a lot more.

Oh yes, if you will permit me to go even further in regard to this football team, this team was coached by Loudon's first fulltime coach, George Eckstine. He possibly is due a lot of credit for Loudon's role in the football world. This old picture was made in the alley between what is now Loudon Grammar School and the Bert Ratledge home. As most of us know, this is where our present Loudon football coach, Bert Ratledge, Jr. grew up. No wonder (big as he is known to most of us, became deeply interested in football. At the time the picture was made, the High School and grammar were housed in the same building. In the Ratledge yard, you can see the old cistern and the their yard. You old Loudon school mates of this era, note how small the trees in the front yard are in the picture, then look as you drive by this house today. They sure have grown, haven't they?

Somewhere back in the story, we mentioned

Free Meal Policy Announced

The Loudon County School Board today announced a free meal policy for those school children unable to pay the full price.

Local School Officials have adopted a family size income scale to assist them in determining eligibility. These scales have been given to each child in their local school.

Families falling within this scale or those suffering from unusual circumstances or hardships are urged to apply for free meals for their children. They may do so by filling in the application forms which will be sent home with a letter to parents. Additional copies of the application are available at the principal's office in each school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and

Dewberry Russell, who was a member of this team. Well, those who know him will recall his massive build and he had a reputation for always ending a football game with a good fist fight when it was at all possible. He always won.

Well, that's it for now. See you next week.

Farmers May Pasture ASC Feed Grain Land

Farm operators with land enrolled in the 1972 Feed Grain and Wheat Programs may begin pasturing the set-aside land on September 1, according to Fred Pippas, Chairman of the Loudon County ASC Committee.

"Farmers are free to pasture the set-aside acreage but it must not be used for harvesting hay or any kind of crop," Mr. Pippas emphasized. The ASCS Office will make

Corinth HDC Has Meeting

The Corinth Home Demonstration Club held their August meeting at the home of Mrs. Dwayne Arp, Monday, August 21, at 7 p.m. Mrs. Gerald Campbell, president, conducted the business meeting which involved planning the year's programs. Mrs. Bonnie Shieley, Assistant Extension Agent, was present to assist with the planning. The meeting was adjourned with the club, creed. A social hour followed the meeting.

CARL KOELLA, JR.
REPUBLICAN NOMINEE

STATE SENATOR
SEVIER, LOUDON, BLOUNT
COUNTIES

VOTE FOR RESPONSIBLE REPRESENTATION

TAX AMENDMENT
Care must be exercised to insure that the amendment is implemented fairly for each tax category specified. This will require careful, diligent and responsible work by the legislature.

CRIMINAL CODE
The present code is a maze of complications. It should be simplified to enable the State to more easily define various crimes. Thus, providing more effective law enforcement to protect law-abiding citizens.

EDUCATION
Our educational system should be the best possible, consistent with public ability to pay for it. The basic system should be provided by the State, allowing local

school districts to supplement funding to meet local needs.

HIGHWAY SAFETY
This is a joint responsibility of industry, individuals and the State. Industry should abandon efforts to put tandem trailers on our highways, individuals must become more safety conscious, and the State should enact legislation permitting individuals to purchase either standard or no-fault insurance, as best fits their needs.

MENTAL HEALTH
Many advances have been made, but much more remains to be done. The objective must be more effective treatment, with rehabilitation to a normal life style as soon as possible. We must pay competitive salaries to mental health care people, beginning with aides and assistants.

LEGISLATIVE RESPONSIVENESS
Legislators are the communications link between the people and the government. Legislators are responsible for keeping the people informed about government actions and for representing the people's interests at the seat of government. Responsible representation means keeping this channel of communication open through reports to the people and arrangements for any individual to contact the legislator.

With your vote on November 7th and your continued support, I pledge to work for this platform in your interest.
Mr. Adv. paid for by: Carter, for Koella, Roger Dumas, P.O. Clerk.

Pinto Wagon: \$2265*

We put a lot into it. You can put a lot in it.

What you can put in: over 60 cubic feet. Put the rear seat down and there's 30 cubic feet of carrying space. For comparison, VW Superbeetle and Vega Kombi back seat give you a bit over 50 cubic feet.

The basic \$2265* model. It's the ideal choice for people who want an economy car that carries more — or a wagon that costs less. The white sidewall tires (shown here) are \$28.00.

Front Disc Brakes, Standard
And there's precise rack-and-pinion steering, which is normally found only in some of the more expensive sports cars.

2000cc Overhead Cam Engine, it's rugged, economical, peppery and standard equipment. A 4-speed floor mounted all-synchromesh transmission is also standard.

Better idea for safety... buckle up!

Curtis-Tipton Motor Company, Inc.
Loudon, Tennessee

Before you drive it away, you can save \$150 and more on the payments.

Shop around. Bicker about the sticker price. And your trade-in. But when you reach an agreement, come straight to us for the cash to close the deal. Because there's nobody in Loudon County who'll give you a better buy on a new auto loan. And maybe that's true in all of East Tennessee.

On a \$3000 auto loan for 36 months, we're \$180 lower than one dealer's financing company. In fact, we'll charge

you less interest than any financing company we know of. And our rates are as low as any bank doing business with local people. We know you and you know us. Which makes it convenient and fast to arrange your auto loan. In one stop. So after you've saved on the sticker price, tell your salesman you're paying in cash. And let us save you some more.

KICK OFF TIME FOR POLITICS

The November elections are getting closer and there are two state-side races that are getting most of the attention. They are for the U.S. Senate and Public Service Commissioner.

At this point, in Tennessee at least the outcome of the Presidential vote is not in question. It could get tighter later and then again it might spread even more in favor of President Nixon.

The best race looks like it will be between Republican Tom Garland and Democrat Robert Clement for Public Service Commissioner. Garland, a veteran campaigner in the state legislative races is well known throughout Republican circles in the state. Clement, a newcomer himself, has the Clement name which is automatically worth thousands of votes. This race, we feel, will be a dandy with the candidate that has the most money to spend and makes the most public appearances to be the winner. Both are likeable and both have a wide open shot at winning. It will be interesting.

In the U.S. Senate race between Republican incumbent Howard Baker Jr. and Congressman Ray Blanton, Baker has to be given the edge, however it is not a lock. This race will probably be the one with more political infighting than any other on the Tennessee ballot.

This is the season for football and politics and both are somewhat alike unpredictable. A break or two could decide the winners.

Fort Loudoun Siege Pageant This Weekend

The Red Coats are coming! So are the Cherokee, some real, some simulated. The point in Tennessee history of 210 years ago will come to life at Fort Loudoun next weekend, with reenactment of the siege and fall of the frontier bastion on the banks of the Little Tennessee River near here.

A cast of hundreds will participate in the reenactment of the siege of British Colonial Fort Loudoun on the Little Tennessee River Sept. 16-17, with the proceeds to be used to help rebuild the museum which was recently destroyed by fire.

The National Reenactment Society Inc., a non-profit organization dedicated to the rekindling of history, will send more than 350 volunteers in the old fort to reenact "The Siege of Fort Loudoun."

Some will be dressed out in the red and white uniforms British soldiers wore during Colonial America days preceding the Revolutionary War. Some will be in Indian garb, storming out of teepees.

History students would do well to be here by 8:30 a.m. Saturday for the siege's beginning and hope to return at the same hour Sunday to watch developments and the garrison's massacre that ends the drama at 3 p.m. Sunday. This is not a double-take. It's a two-day outdoor performance that requires two days to complete.

Roy A. Sunderland, association president of Knoxville, and Mrs. Alice W. Milton, the executive director, from Chattanooga lead a team that is dedicated

to recapturing this saga of Tennessee's past.

Admission prices will be cheap, indeed, and food and drink concessions will be operated on the premises. But families are welcome to bring their own food chests. The drama will begin and end as scheduled, rain or shine, so come prepared.

Spectators will be handled in golf tournament style, in roped-off areas over a bluff overlooking the river. From there they can see warriors, charge the fort and the Red Coats march in flaming coats to defend the British lion's honor.

"We are thinking of staging the siege reenactment regularly in the future," explained Sunderland. "After all, Fort Loudoun is where Tennessee history began."

Begin it did in the 1750's when the British marched from South Carolina, cannon strapped on muleback, for the perilous Warrior's Path journey over the Great Smoky ranges. Two twelve cannons were given by Capt. Raymond Demere and his 300 soldiers to Oconostota, the Cherokee chief better known as "Old Hop" at the Indian Camp known as Chota.

Why give the Indians cannons? Simple enough, according to history. The British needed 700 acres on the riverbank to build their fort and enclose it with palisades, and "Old Hop" had to be satisfied. Not only that, but the chief wanted winter clothing and presented himself virtually naked that summer to show he and his

Racial Discrimination Charged In Selection Of Five Loudon High School Band Majorettes

Board Backs Band, Director, TBI Asked To Investigate

By Larry Gate
Editor

A racial dispute of the scope this writer has ever had knowledge of in Loudon County has erupted in a claim of discrimination over the selection of the five majorettes that lead the Loudon High School Band. Some 100 persons jammed into the Loudon County Board of Education meeting Tuesday night, both black and white, and many participated in a hotly worded debate.

At the end of the meeting on a motion by board members Ted Wampler and John Hutto asking that the Tennessee Bureau of Investigation be called into the case to see if there was any discrimination in the selection of the majorettes. The board, reversed action they took last Thursday, increasing the number of majorettes from five to 14 so that the nine not selected could march with the band. Board Chairman Jim Bailey said that the action taken by the board earlier failed to follow written band policy and ruled the action void. He said until the matter of discrimination is proven to the board the band will continue to have five majorettes.

Mr. and Mrs. Homer Henley claims that their daughter, Appala, who was one of 14 who tried out in the spring for majorette, was not selected because she was black. The controversy over the selection of the majorettes, that was carried out by three out-of-town band directors, selected by Band Director Ronnie Kyle, apparently started in spring when the Henleys and some other parents who were not satisfied over the selection, approached him on the matter.

The matter was brought to

There was at least one incident between black and whites at a Loudon service station about two hours after the meeting. Loudon police were called and the shouting and name calling disturbance was broken up. There were no arrests.

According to Superintendent of Schools A.C. Dukes a group of black parents and others who label themselves as "Concerned Citizens" caused to the September 7 regular meeting of the board and made charges of discrimination by the judges and of Mr. Kyle. Board Chairman Bailey said it was "like a trial" with questions and counter questions thrown at the board by Roy Wilson, who acted as spokesman for the Concerned Citizens, at both Thursdays and Tuesday nights meeting. Bailey said that the board felt they could settle the question by stating that all who tried out for majorette who wanted to march with the band as such could. He said later that the Board of Education Policy which is registered with the State Board of Education states that any complaint presented to the board must be made in writing five days prior to the meeting so that all parties could be notified.

He said the action was declared void because this was not done and that Mr. Kyle and others charged were not notified so they could be present to state their case as well.

Henry Hawkins, a black, at Tuesday's meeting, said "the

entire thing is a fix." That the board acted right last week but pressure from "Whites" made them back down.

An executive session of the Board called Monday and the band director was called in to present his views and answer questions by the board as to the charges by the Concerned Citizens.

Mr. Wilson claimed that the entire matter is a question of racial discrimination and that discrimination in the schools goes far beyond this one point. He said if the girl had not been black she would have been selected. There were also charges of pressure being used on the judges, that score sheets were not used, and that the Board of Education had "schemed" to reverse its earlier ruling and add to the discrimination.

Rufus Smith, who said he was a former captain of the Loudon Basketball Team said that Loudon used blacks in sports just to build a name for the school in athletics. Eugene Henley said the black girl was far more qualified than anyone selected. Mrs. Henley said the girl had won many trophies in baton and marching competition over a three-year period and anyone who saw her and judged her not as a black, but on ability, would have selected her to the majorette squad.

It was pointed out that there are 31 members in the marching unit of the band and of that number 12 are blacks.

Before the meeting was over about a half dozen of the blacks attending walked out stating they could not get justice from the Board because they were prejudiced. The band director, who was not present at the meeting, is reported to have said to the

(Continued on Page 10)

AT SCHOOL BOARD MEETING—Roy Wilson, spokesman for a group of blacks who call themselves Concerned Citizens, is shown addressing the Loudon County School Board meeting Tuesday night where racial discrimination was charged in the selection of the five Loudon High majorettes. More than 100 persons attended the meeting which turned into a hot debate before being halted by Board Chairman Jim Bailey.

Grand Jury Has Long Docket, Young Faces Eight Charges

The September term of Loudon County Criminal Court is scheduled to begin Monday as the Grand Jury, with Robert A. Anderson, former County Register of Deeds as foreman.

This term of court has one of the heaviest case loads of any in the past two years, Billy Joe Atkins, Criminal Court Clerk said this week. With the opening of court still a week away the docket listed 63 cases, 58 of which will go before the grand jury Atkins said that the grand jury cases will probably grow to 65 or 70 by the time their session is over. It could take the grand jury up to a week to complete their work and the jury trials begin.

Mike Young, a well known figure to police in the county, has his name on the docket eight times. Young faces a misdemeanor charge of vagrancy, and faces grand jury action on charges of aiding and abetting an escaped inmate, uttering and passing a forged instrument, contributing to the delinquency of a minor, carrying a deadly weapon,

receiving and concealing stolen property, escaping from lawful arrest and breaking and entering.

Other grand jury cases now docketed are as follows: Tammy Jones, breaking and entering; Crawford and Nancy Jenkins, criminal trespassing; James Richardson, hit and run; John Grover, contributing to the delinquency of a minor; Billy Littleton, contributing to the delinquency of a minor; Charles Jagen, breaking and entering; James P. Norman, aiding and abetting a felon to escape, larceny of automobile keys and larceny; Johnny Price, larceny; L. C. Garthwaite, exposing his person; Larry Pelton, assault and battery and arson; Cecil E. Sampson, violation of zoning regulation; Franklin D. Sawyer, receiving and concealing; Ronald E. Burnum, receiving and concealing; William A. Ferguson, felonious assault and assault and battery; Virgil McKelvey, breaking and entering; Willie John Turpin, felonious assault with intent to kill; Grover McCrary, assault and battery

and assault and battery on a minor; Bealy Mealer Krouse, felonious assault; James L. Jaynes, hunting during closed season; John Steven McKee, hunting during closed season;

Jackie Queen, assault and battery with intent to kill; Eddie Norman, uttering and passing forged instrument; Virginia Howell, aiding and abetting escaped inmate; Carolyn Johnson, Rennie Hellen, Joe Anderson, Freeman Williams, all charged with contributing to the delinquency of a minor; Paul Manger, assault; Jimmy Collins, felonious assault; Charles E. Tisch, burglary in the third degree; A. M. Roan, misapplication of contract payments; and John A. (Continued on Page 10)

Injured Loudon Logger, Without Aid, Dies

A Loudon County man died Wednesday, the victim of a power saw accident which occurred while he was cutting wood in Roane County.

He was Frank Kelson, 58, a paper wood cutter who was working alone about 500 yards off O'Track Road near Lawville east of Kingston.

Fred Sutton and John Williams, also from Loudon, who also were working in the area, found Kelson's body after they had gone in search of him when they had not heard his saw for some time. When discovered, indications were he had cut his left leg with the power saw while trimming a tree. He had tied a tourniquet on the leg and had attempted to go for help.

Roane County officers who investigated said Kelson had been dead for several hours when found.

Roane County Medical Examiner Robert Wilson said the victim had a seven-inch cut to the bone above the knee on his left leg.

Kelson was reported to be a divorcee who lived alone at Route 2, Loudon.

Roane County Sheriff Arnold Clower and Chief Investigator J.R. Graves made the investigation.

Survivors include: nephew, Clarence Johnson; three

great-nephews, Mike, Danny and Anthony; one great-nephew, Chris Johnson, all of Loudon; sister-in-law, Mrs.

John (Carolyn) Kelson, Knoxville, several cousins.

Funeral services were held Saturday at Hawk's Chapel,

DR. ROBERT WILSON (seated center) and Roane's Chief Investigator J.R. Graves (left) complete reports following the death of Frank Kelson of Loudon in a wood cutting accident in Roane County Wednesday. Other at the scene of the accident, are, from left, Virgil Young, Sheriff Arnold Clower, Tommie Alcorn and Mike Langley.

MAYOR PROCLAIMS WEEK—Loudon Mayor Joe Carter signs a proclamation setting aside the week of Sept. 17-23 as Constitution Week in Loudon County as the Hiwassee Chapter Daughters of the American Revolution Regent Lucy Steele Harrison looks on. The DAR is sponsoring the local observance and is attempting to make the public more aware of the meaning of the Constitution of the United States.

Constitution Week Being Promoted By Local DAR

Special emphasis will be placed on reminding the public of the significance of the Constitution of the United States during Constitution Week, Sept. 17-23. The local observance of Constitution Week is being sponsored by the Hiwassee Chapter of the Daughters of the American Revolution.

Loudon Mayor Joe Carter signed a proclamation last week setting the week aside for the observance, as DAR Chapter Regent Mrs. Lucy Steele Harrison looked on. Mrs. Harrison said "The Constitution has been described as the greatest document ever written. It is the basis of all law in our country and our guarantee of freedom. It should be considered the privilege and duty of the American people to

commemorate the 185th anniversary of its adoption with ceremonies and flag display." The Hiwassee Chapter has adopted a plan of eight points they plan to use to make the local public aware of Constitution Week. They include, radio announcements, newspaper articles, requesting the schools to participate in the observance, asking all civic clubs, churches and scout groups to have programs of special emphasis, posters made by member of the Junior American Citizen Clubs will be displayed in public places, the signing of a proclamation, bulletin boards are planned in the schools and all citizens and business places are being asked to fly the American Flag during the week.

In signing the proclamation Mayor Carter urged all

Loudon residents and Loudon Counties to pay special attention during that week to our Federal Constitution and the advantages of American Citizenship.

LIVESTOCK JUDGING TEAM—Pictured are the Loudon County 4-H Junior High Livestock Judging Team. They are Steve Millsaps of Philadelphia, Ricky Bettis and Clyde Brook, Jr. of Loudon.

4-H'ers In Junior High Judging Events

This year was the first time that 7th, 8th, and 9th grade 4-H'ers had an opportunity to participate in 4-H judging competition planned especially for them. The contest was held at the Appalachian District Fair at Gray, Tennessee. The four agricultural divisions entered were Crops, Forestry, Livestock, and Chickens Barbecuing.

The crops judging team members were Sydney Elam, son of Mr. and Mrs. James Elam, Eatons Crossroads; Danny Laagston, son of Rev. and Mrs. James Laagston, Eatons Crossroads; Mike Price, son of Mr. and Mrs. Ellison Price, Eatons Crossroads; and Don Tritt, son of Mr. and Mrs. Mac Tritt of Eatons Crossroads.

This team had to identify 30 different grain and forage seeds, 30 different weeds, grade two samples of wheat and two samples of soybeans, judge two samples of wheat and two samples of soybeans and judge two samples of hay. The forestry team members also live in the Eatons Crossroads Community. Dean Lifes, daughter of Mr. and Mrs. Marce Lifes; Angela Acree, daughter of Mr. and Mrs. Elick Acree; Jimmy Matlock, son of Mr. and Mrs. Joe Matlock; and Fry Stanley son of Mr. and Mrs. R.M. Stanley. These 4-H'ers had to

Philadelphia Personals

Mr. and Mrs. Wayne Mashburn had as their guests Labor Day weekend, his daughter and family, and Roger Sisson and daughter from Blue Ridge, Ga.

Mr. Wheeler Simmons and Mr. Arthur J. Simmons from Charlotte and Yadkinville, N.C. spent a few days last week with their brother, N.H. Simmons and Mrs. Simmons. Miss Grace Carter, a missionary from Liberia, Africa, is spending a few weeks here with relatives. Grace came to Tampa, Fla. to be with her brother, Paul Carter, who is improving from open heart surgery.

The Rev. and Mrs. Dillard Hagan were in Glasgow, Ky. overnight Friday due to the illness of Mrs. Hagan's father. Misses Ada and Mary Griffiths visited Sunday with Mr. and Mrs. Larry Griffiths and Mr. and Mrs. Lee Griffiths and Phyllis in Chattanooga. Mr. and Mrs. Frank Henderson and Mrs. Bill Henderson visited Sunday afternoon with Miss Ruth Malcolm and Mrs. J.W. Kizer at Asbury Acres.

Lebanon and Mrs. John Christian were guests last Thursday of Mr. and Mrs. R.K. Grant in Knoxville. The Wesleyan Guild and their families and other members of the United Methodist Church had their annual picnic Monday night at the home of Mr. and Mrs. Wayne Mashburn.

Miss Sue Larsen was home a few days last week with Mr. and Mrs. Joe Larsen. She returned to Atlanta Sunday.

Miss Dale and Mr. Sittler are graduates of Hagerstown High School and are employees of Dana Parts Corporation.

Singing Sunday

The Loudon County Singing Convention will meet Sunday, September 17 at Jackson Chapel Baptist Church at 1:45 p.m. The church is located approximately seven miles from Loudon between Highway 72 and Stooke Road.

Karen Dale Is Engaged

Mr. and Mrs. Willard Dale, 296 N. Perry Street, Hagerstown, Ind., announce the engagement and approaching marriage of their daughter Karen to Bill J. Sittler, son of Mr. and Mrs. Charles J. Sittler, also of Hagerstown and formerly of Loudon.

Randall Duane Sampson celebrated his seventh birthday September 1. He is the son of Mr. and Mrs. Mike Webb of Philadelphia and Richard Sampson of Atlanta. Grandparents are Mr. and Mrs. Stanley Davis of Philadelphia, Mr. and Mrs. Gene Webb of Athens and Mrs. Edna Sampson of Loudon. He celebrated his birthday with a party with his second grade classmates in Mrs. Wilkerson's room at the Philadelphia Elementary School.

Jennifer Ines Carroll, daughter of Mr. and Mrs. Porter Carroll of Philadelphia celebrated her first birthday September 5. She is the granddaughter of Mr. and Mrs. Charles Powell and Mr. and Mrs. A.P. Carroll, both of Philadelphia.

Chris Smith, son of Richard and Jeannie Smith, of Lenoir City, celebrated his first birthday September 3 with a party at Loudon Lion's Club Park. Eleven guests were present. Great-grandparents are John Bright and Erna Markwood of Loudon.

Charles Parion Fagg, II, celebrated his first birthday September 12. He is the son of Mr. and Mrs. Charles P. Fagg, Route 2, Loudon. Grandparents are Mr. and Mrs. Charlie Cooner, Route 2, Loudon and Mr. and Mrs. Parion Fagg, Route 5, Martel Road, Lenoir City.

Chris Dolson celebrated his second birthday August 21 with a party given by his parents, Mr. and Mrs. Billy Joe Dolson of Athens. Eight guests were present. He is the grandson of Mr. and Mrs. Ed Dolson of Sweetwater and Mr. and Mrs. Guy Russell of Loudon.

Seaman Bowers

Seaman David A. Bowers, son of Mrs. Mildred Brewer, 100 Highland Avenue, Loudon, has graduated from the Recruit Training Center in Orlando, Florida. He will be attending General Mechanics School for two weeks then will be stationed in Norfolk, Virginia.

OSCAR'S Piano Notes

It is difficult and expensive to rent a piano to provide pitch and good condition once it has been neglected for a long time. Even more important, the process of training the ear to play is at all times a study cannot be accomplished by listening to incorrect scales. Along with a good teacher and proper practice a student needs a piano in tune. Call on your local tuner-technician, Oscar Kirkland, 68-2738.

Loudon Personals

Mr. and Mrs. Eugene Moore, Jr. and family were here last weekend from Highpoint, N.C. for a visit with his parents, Mr. and Mrs. E. J. Moore.

Mrs. James Anderson and

Loudon High Calendar Girls Elected

On Wednesday, Sept. 6th, the Loudon High School Interact Club announced the winners of its calendar girl contest for 1973. This was the culmination of several months of effort beginning back in February of this year.

Around April a group of 25 young ladies from the 1972-73 junior and senior classes were selected by a selection

committee of the Interact Club. These young ladies were then called together and the purpose of their selection was explained to them. All 25 agreed to participate and shortly thereafter parental consent was received. A picture of each of the young ladies was then requested to be used in the final judging and selection process.

In June the club sponsor, Mr. Edward Headlee, sent a request to Johnny Carson of NBC's Tonight Show to serve as judge and Mr. Canon graciously accepted. The results of his selections were revealed in the assembly program on Wednesday morning. They are:

- Miss January- Marianne Horton
- Miss February-Selena Cannon
- Miss March-Connie Huskey
- Miss April-Susan Huskey
- Miss May-Karen Murrell
- Miss June-Nancy Lowe
- Miss July-Jane Schubert
- Miss August-Alzama Wrim
- Miss September-Pat Turbyfill
- Miss October-Linda Bhea
- Miss November-Pat Kirkland
- Miss December-Emilie Kirkland
- Miss 1973-Melanie Horton

Now the Interact Club must make arrangements for the official pictures of the girls, the advertising to be used in the calendars, and the printing of the calendars. Anticipated to be ready for sale by November 15th, the Interact Club hopes that the community will assist them in making this project their best ever.

INTERACT CLUB DIGNITARIES-Interact Club President Richard Love presents roses to the new reigning Miss 1973, Melanie Horton. The honor is in regard to the selection of calendar girls, an annual custom by the club. Both students of Loudon High School are seniors.

LETTERS TO THE EDITOR

Dear Editor:

Loudon is in serious trouble. It seems many girls in the age level of seven to 18 are in need of conscientious helpers. Girl Scouts are now convening for the year and we have a dangerous lack of Girl Scout leaders. There is a sad case of apathy this year, more so than in the past years, many little girls are anxious to become scouts and Brownies that will be turned away because of a lack of adult supervision.

There are no special requirements in being a Scout leader except love, concern and a desire to help girls grow into young ladies willing and able to serve their community. Special training courses offered from the Scout Office are available to all interested adult leaders and Assistant leaders.

Come on folks, get on the bandwagon and drum up some much needed adult supervision for Girl Scouts. If there is little or no response from this plea, many girls will be turned away this year. As of today, Loudon has no Brownie leaders, two Junior troops, one Cadet troop and no senior leaders. Please, moms, call and volunteer one hour a week for meetings and help yourself as well as the girls. Scouting is a rewarding experience for adults as well.

Fort Loudoun Siege Pageant This Weekend

(Continued from Page 1)
braves needed the white man's coverings.
As Tennessee students will

as for the girls; you get back much more than you give. For information, call Mrs. Tom Elliott, 458-4696.

Thank you, Mrs. Tom Elliott
Dear Editor:
Each year, for several years, the Loudon Jaycees have had two projects at Christmas time of which we are very proud and which returned many nice responses from recipients.

One project is "Christmas Packages" for Loudon men in Vietnam. The other project is a program of seeing that some of the needy children in our area receive Christmas gifts that otherwise they might not have.

This year, we hope to include also the sending of "Christmas Packages" to Loudon men in the VA hospitals. Of course, to carry on these projects we must raise money to pay the expense of gifts, postage, etc.

This Friday night before the Loudon-Lenoir City football game, we will sponsor a "Chill Supper" at the Loudon High School Cafeteria. Serving time

will be from 5:30 to 7:30 p.m. Price of the supper will be \$1 for adults and 75 cents for children under 12. Additional donations will be accepted.

We would like to make a special appeal to all football fans to come early for the game and enjoy a good chili supper.

Your participation will not only help the Loudon Jaycees but will help the many people who are recipients of our Christmas project.

So fans, come out and receive a full stomach and a full heart for knowing you helped your fellowman.

Sincerely,
Mrs. Tom Elliott, President,
Loudon Jaycees

Completes Basic

Airman Jerry C. Long, son of Mr. and Mrs. Thomas L. Long of Rt. 3 Browder Road, Lenoir City, has completed his U.S. Air Force basic training at the Air Training Command's Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill., for training in the aircraft equipment maintenance field.

Cherokee nation, but the French sought to rouse the Indians against the British as the two countries vied for control of America. The British found a friendly

will be from 5:30 to 7:30 p.m. Price of the supper will be \$1 for adults and 75 cents for children under 12. Additional donations will be accepted.

Old Hop got his two cannons, which in recent years have been dug up in a farmer's cornfield—once the site of Cherokee capital Chota. One such fieldpiece, along with other war material, is now off to the University of South Carolina at Columbia for treatment that prevents deterioration. Some scholars still say that the British tumbled cannons from the palisaded walls 4 feet into the Little T. If so, they've never been found. History says the British buried guns and powder at the fort upon surrender, that the Indians found the deception, overtook the British in a nearby wood, and massacred the lot of them. This bloodletting will provide the final, chilling chapter of the two-day reenactment.

The pageant is under direction of Glenn Osborne Jr., Nashville, who will stage

Obituaries

LC Holds Edge In Series

Unbeaten Panthers vs Victory Starved Redskins, Head Grid Card

Speaking of Sports

By DANNY GIBSON
Sports Editor

This is the week that turns blood kin into feud in enemies in Loudon County. Loudon and Lenoir City meet face to face on the gridiron. The long series dates back to 1923 with Lenoir City supporting a 23 to 20 advantage over the Redskins in their 43 previous encounters. There has never been a tie. In consulting both Loudon and Lenoir City fans over the big county rivalry and the odds of no ties one man said in a serious fighting tone that he was writing backacking away in a hurry. "A tie, H— neither team or town would stand for it." "But what if it happened?" I ask. "Look it won't and if it did we would just play till somebody scored or they quit."

I don't see either team quitting as I have made enough trips to the two opposing practice fields that I feel like I am a shuttle bus on the road. Neither team appears to be constructing any big secret plays or such but both football squads want the victory very bad and are out to get it. Lenoir City, unbeaten and untied in two contests, has probably its best team in years with sites and hopes of a berth in the state playdowns in November. Loudon on the other hand has a young team without a win thus far and wanting the taste of victory. Loudon craves a victory, Lenoir City can not afford to lose.

Who will see the showdown? Good question!!! I believe Lenoir City has more size and experienced depth in all departments. The superior Lenoir City asset is its defense. It is strong and unyielding, especially on any type of running game. They are a bit open in pass defense but good enough that no team has scored on them this fall. The Panther offense has an

Lenoir City and Loudon will go head to head this Friday night in a game of much county interest and local attention. The Panthers will come into the game unbeaten and unscorred upon. They will play a potential running game, anchored by a stout defense. The Redskins have lost twice in as many outings this fall with Alcorn and Kingston turning Redskin errors into easy touchdowns. The Loudon team is probably a year away from fielding a big winner as has been the custom in recent campaigns. Thus the Panthers will enter

the surroundings of Dixon Field a solid 14 point favorite. Game time is set for an 8 p.m. kickoff.

Greenback travels to Friendsville Friday night for a 7:30 clash with the Falcons. The Cherokeees are a narrow

pick to record their third win in as many outings this fall. Greenback has met the Falcon forces twice already this fall. Once in a scrimmage, won by Greenback and a 0-0 standoff in the Foothills Athletic

Conference Football Jam-boree. Friendsville was 3-7 last year, while the Cherokeees were 2-8. Both have improved and both will carry unbeaten marks into the Foothills Conference showdown. Friendsville has gained a

couple of new members to its team since seeing the Cherokeees and this has been a big help to their winning record. Greenback may well be without the services of Tim Hammonree, who is slowed

by a bruised kidney. For the Cherokeees to win they will have to begin to settle down to the team they have the potential of becoming. Greenback, while unbeaten, must excel to win this important conference game with Porter, the conference favorite, coming up next week. Greenback and Porter are tied for the conference lead at this time with one league win each. Friendsville and Townsend embark on conference foes for a first time this Friday night while Walland and Lanier have lost in Foothills play.

Loudon Breaks Down Under Kingston Defensive Pressure, Lose 28-0

The defending Region II champs, Kingston, made their arrival to Dukes Field Friday night and the Roane County football power was in true form with a 28-0 whacking of Loudon.

The Redskins were in an upset mind and showed well in the early stages of the first quarter. Quarterback Greg Watson and running back David Surret sliced through the Kingston defensive line for an easy first down. Fullback Tim Guider pounded the Yellowjackets front wall for a

Loudon's defensive back Danny Russell appeared to have an interception. The Redskins performer kept the ball above his head a split second too long and the Kingston receiver out wrestled him for the ball. The play went for a Kingston first down and gave them the momentum needed to reach the end zone.

Kingston's defense loosened

up considerably after the score and played with rugged freelance effort in halting the Loudon offense line and time again.

The Loudon defense was not all that had either, playing just as tough and stubborn as the Yellowjacket defensive corps.

Kingston managed to back Loudon to their own 20 yard line late in the second period

and as fate would have it the Redskins fumbled with a minute and 11 seconds left in the half at the 27 yard line. An alert Kingston defensive back picked up the loose sphere and sailed into the end zone for Kingston's second score of the quarter and probably let the air out of all Loudon hopes for an upset.

Neither team showed much in the first six minutes of the

second half with both teams exchanging punts. It was on the second offensive series of the half for Loudon when disaster struck again. A bad snap from center on a fourth down punt resulted in Kingston getting the ball at the Loudon 20 yard line. The Jackets used six plays to score but not before both teams made mistakes. Kingston scored but had the play called back due to a penalty. Loudon seemed to get new life from the error but was guilty of pass interference two plays later and the Kingston offense had a first down and goal.

The Yellowjackets moved on for the score and after the kickoff and keeping Loudon in check for three plays returned the Redskins punt 45 yards for the final touchdown of the night and a 28-0 score.

Loudon had several offensive bursts in the final period but nothing more than Kingston's defense could overrule in time. Loudon did move as close as the 16 yard line in the fading minutes but still no score was to be granted.

Loudon used three quarterbacks in the game and ran players in and out most of the evening with hopes of finding that special eleven that will spring the Redskins from their delayed starting block.

Tim Guider paced the Loudon ball carriers with 46 yards on 11 carries. The Redskins front four looked good at times with the defensive ends playing their best thus far. Preston McQueen and

Jimmy Bivens both had several good defensive efforts. Loudon was pretty well defeated by statistics but still refused to let Kingston really earn a touchdown for the night. Not to say Kingston did not cause things to happen at times maybe but nevertheless the Yellowjackets scored on Loudon errors much as Alcorn did the week before.

Loudon is a very weak on experience and this cannot be taught in practice. The team is solid but lacks experienced senior leadership for the young rookies to learn from as the sophomores and juniors are the whole show for this season and Loudon followers are going to have to adjust until these boys grow up and possibly they won't forget the way they had to cut their varsity teeth when these teams show up again.

short gain, pulling the Kingston defense in tight to halt the ground game. Watson crossed everyone up with a 38 yard pass to R. L. Brannan but the play went for naught when a motion penalty erased the big play. Kingston used the play to force a punt and the Redskins turned to defense. Loudon was superior on the first series by Kingston, promptly forcing a punt. Loudon's offense suddenly became ineffective and they had to relinquish the ball. Kingston was backed down field by 44 yard punt by Guider. The Yellowjacket offense started to perk here and from the 16 yard line the Roane County team marched 76 yards in 13 plays to harg a touchdown on the scoreboard. Loudon had the Yellowjackets stopped at one point of the scoring drive with a 15 yard penalty but the Jackets went to the air and

SURRET TRAPPED BY STINGING JACKETS—Loudon running back David Surret (1) is halted at the line of scrimmage by the Kingston defense. Brad Brewer (7) attempted to run interference on the play but the Kingston tacklers have managed to slip by.

Sweetwater Woman Captures First Place In Grid Contest

The Midway-Charleston tie game put a clincher in the Herald Football Contest last week knocking the first two place winners out of possible perfect entries.

JUMP BALL—No. basketball has not taken the place of football on Dukes Field, but Danny Russell and Bill Hall Kingston could not have jumped any higher for a rebound than they did to battle for this Yellowjacket pass. Hall won the battle and set the stage for Kingston's first score.

Jaycettes To Host Pre-Game Chili Supper

A Chili Supper will be held Friday night, September 15 from 5:30 until game time at the Loudon High School Cafeteria sponsored by the Loudon Jaycettes. Prices are \$1 for adults and 75 cents for children under 12.

Proceeds will be used to help sponsor Christmas projects for Loudon. \$12 for her efforts. Second place with nine games correct and a 42 point tie-breaker and right dollars was won by William Zeeb, Jr., R. 1, Loudon. Third place money of \$5 was won by Bruce Lawson, Bruce missed two games, as did a number of entries, but he was the only one that had a perfect 28 points in the tie-breaker. Besides the Midway tie, Bruce, the number one Redskins fan, picked Loudon over Kingston in his other runs. Others who missed only two games, but did not get in on (Continued on page 7)

Game & Fish TODAY

By Sgt. Bob Harmon

Game & Fish Commission

One of Tennessee's universities and one junior college have incorporated the Tennessee Game and Fish Commission's new Hunter and Firearms Safety educational training program into their Fall curriculum.

According to Commission Director David M. Goodrich, Tennessee Technological University in Cookeville and Cumberland College in Lebanon will teach similar courses in Hunter and Firearms Safety and Outdoor Sportsmanship.

"Dr. Flavius Smith assisted by Mr. Ralph Edwards will teach the course at Tech and Mr. James Dressler at Cumberland," Goodrich said, adding that students will be able to earn one hour credit for passing the course.

either sex. Open only to archers age 11 through 15, accompanied by parent or other adult with written consent of parent. Adult participation is limited to role of advisor only.

Deer, Grouse (Archery)—One two day hunt, October 30-31, 1972. No hunter quota. Bag limit—one deer, buck only.

Deer, Grouse (Archery)—Four two day hunts, November 1-2, 3-4, 8-9, 10-11, 1972. No hunter quota. Bag limit—one deer, either sex.

Deer (Gun-Archery) (Women only)—One two day hunt, November 13-14, 1972. Bag limit—one deer, either sex. Only women eligible for this hunt.

Deer (Muzzle loading rifles only)—Two two day hunts, November 12-16, 17-18, 1972. 500 hunter quota. Bag limit—one deer, buck only.

Deer (gun only)—Five two day hunts, November 20-21, 22-23, 24-25, 27-28, Dec. 1-2, 1972. 500 hunter quota. Bag limit—one buck.

Guides and Driving — GUIDES, DEER DRIVES, LOUD NOISES AND HARASSMENT ARE PROHIBITED ON ALL DEER HUNTS.

Prohibited Entry—Entering the wildlife management area from Norris Lake during bag game hunts is prohibited.

HUNT DATES CATOOSA WILDLIFE MANAGEMENT AREA (Dogs allowed on Small Game Hunts)

Squirrel, August 19 - October 1; Nov. 19-26, Dec. 5, 1972 - January 1, 1973.

Grouse, August 19 - October 1; Nov. 19-28, Dec. 5, 1972 - January 1, 1973.

ANNUAL FOOTBALL CONTEST

The Herald

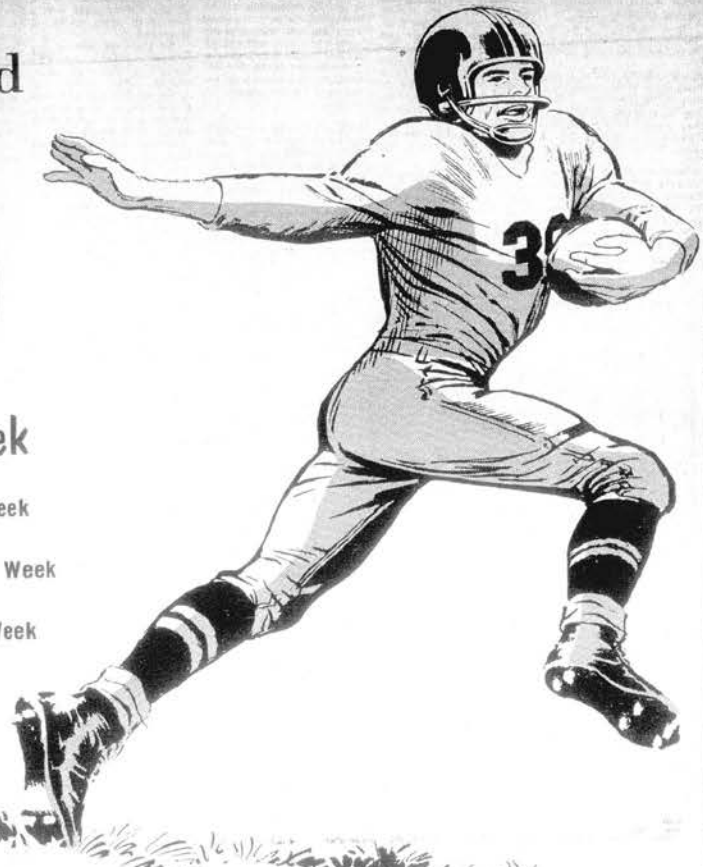

\$250 IN CASH PRIZES

\$25 Each Week

\$12 First Place Each Week

\$8 Second Place Each Week

\$5 Third Place Each Week

Entries must be in Herald Office by 5 P. M. Friday or Postmarked by 5 P. M. Friday, if mailed.

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Knoxville Man Heads Sports Paper

A Knoxville man, Jack E. Sharp, has been named associate publisher of the new East Tennessee Edition of Sports Digest magazine.

In making the announcement, William E. Ward, publisher of the Miami-based publication, said he was "delighted to have such a knowledgeable and capable man as Jack Sharp to oversee the magazine's formative operations in Eastern Tennessee."

An active interest in sports, coupled with his business background, prompted Sharp to join Sports Digest in publishing and distributing a monthly magazine in the East Tennessee community.

BIG PLAY FOR LOUDON IS CALLED BACK—Louden opened the game Friday night with a spirited offense which had the Yellowjackets reeling but the possible knockout punch of the prospective scoring drive, a 14-yard pass to R.L. Braman, was called back on a penalty and the fire of the Louden offense.

Fourth Quarter Drive Gains 6-0 Greenback Victory Over Lanier

Greenback had to work overtime in posting its second win of the season Friday night, a 6-0 triumph of Lanier. The win gives the Cherokee a 1-0 record in the Football Athletic Conference football standings along with Porter, also 1-0.

The Cherokee handled the Eagles with ease in spring practice and after a season opening loss to Madisonville figured the Blount County team to still be lacking a winning attitude. The inexperienced Eagles very near pulled the upset of the Football season by containing the Greenback offense all every turn and boasting a fire-up peppy offense that gave its all.

Greenback started the game by winning the toss and receiving. Larry Ritchey made a spectacular return to the Lanier 40 yard line only to fumble when he was tackled. The play seemed to kindle the fire for Lanier and the Eagles moved the ball until Joe Mainer intercepted a pass for Greenback to turn things around.

Greenback was unable to generate its offense, bringing on an exchange of punts. By the middle of the second quarter Tony Linginfelter had the Cherokee primed and Larry Ritchey had the fans buzzing when he ran under a 53 yard aerial tossed by the Greenback field general. Greenback moved the ball to the 11 yard line before spluttering. Tim Hammonree attempted a field goal but the kick was blocked and Lanier took over.

Hammonree, a valuable asset to both the defensive and offensive corps, was injured in the latter part of the second quarter when a Lanier ramed his helmet into the small of his back bruising a kidney. Tim was rushed to the hospital for

x-rays and thus left the Cherokee without their best power runner and clutch defensive linebacker for the second half.

Keith Rollins and Danny Evans teamed to give the Greenback defense a boost. Rollins logged three tackles and six assists while Rollins was the most active of all the Cherokee registering four tackles and assisting on 16 others.

Bill Kyker and Danny Evans came up with fumble recoveries in the third period to halt Lanier offensive surges. Greenback also coughed up the ball during the quarter to hamper their own scoring efforts.

The fourth period started with both defenses fighting tough to stop all offensive maneuvers. Greenback appeared to be weakening when the Lanier defensive claimed a fumble recovery with 8:31 left to play. Greenback managed to get the ball back 58 seconds later on Tony Linginfelter's defensive gem. The Cherokee could not move the ball and had to punt. Lanier again fumbled the

ball and Tommy McNeilly scooped up the elusive sphere. Greenback's offense was held in check once more and had to punt. Lanier attempted two running plays and a pass before punting to the Greenback 41 yard line.

Tony Linginfelter pulled out all the stops at this point with time quickly ticking away the seconds deadline. A screen pass to Joe Mainer set the drive off on a 21 yard gain and a first down. Darrell McKeehan hit the line for seven yards. Crossbacks by Joe Mainer and Danny Evans added still more yardage to the march down the field and a first down. Tony Linginfelter making good use of the triple option at this point tucked the ball under his arm and jogged out a nifty 11 yard gain to the seven yard line. A five yard penalty made it first and goal at the Lanier two yard line. Linginfelter slipped in for the score on roll out option pass or run play, after the ensuing penalty had moved the ball closer to the end zone.

The try for a two point conversion was not successful for the Cherokee.

Greenback continued to play outstanding defense for the remaining two and one half minutes of the game and recorded their second victory of the young season.

Tony Linginfelter was the top Greenback ground gainer with 55 yards on 13 carries. Most of his yards came on play action roll outs with the receivers covered and Linginfelter having to keep the ball. Darrell McKeehan shared the rushing efforts with Linginfelter with 13 carries and 20 yards. Joe Mainer rushed for 29 yards on 11 tries but had the big play of the fourth period racing 21 yards on the screen pass catch-and-run. Tim Hammonree had but seven yards on two carries when he was hurt on a tackle.

Randall Banks and Larry Ritchey looked better hauling in Linginfelter bullets than they had thus far this fall. Banks best catch was for 14 yards and Ritchey had a whopping 53 yarder. In final totals Greenback had 117 yards passing and 162 rushing to round out a balanced attack.

CHEROKEE DEFENSE PREVAILS—Lanier's quarterback Robert Boone finds the going rough in an attempt to gain yardage against Greenback Friday night. Greenback's Keith Rollins (80) hangs on to Boone while Tony Linginfelter (15) and Tommy McNeilly (51) rush to help out on the tackle.

Penn State 'Way Behind' - Paterno

Penn State Coach Joe Paterno says he wonders if the Nittany Lions will be ready for next Saturday's season football opener at Tennessee.

"We're way behind in our preparation and not even close to being ready to play a team in Tennessee's class," Paterno said Monday during workouts here. "We're so banged-up that we haven't been able to work in pads."

Paterno, who scouted the Volunteers' 34-3 victory over

Georgia Tech last Saturday, said Tennessee is "just a great football team. I've never seen a more impressive opening game."

Among the injured Penn Staters is junior halfback John Cappiell, slowed by a charlie horse. But the biggest loss was junior fullback Tom Doncher, sidelined by knee surgery earlier this fall.

Racial Discrimination Charged

(Continued from Page 1)

Monday night, that as far as he was concerned there was no discrimination. He said the Henleys are two of the best workers in the Band Boosters and had been in the band for many years. He said he would have done so in favor of their daughter, but he stayed completely out of the judging. Of the judging there were claims that some sheets were not used in the judging. This too was disputed by Mr. Kyle's statement to the board and by some band members at the meeting.

Judges of the competition were Owen McPeak, Roger Tate and David George, all three high school band directors. Mr. Kyle said in his opinion all the judges were qualified and the tryout was as fair as it can possibly be made and was handled in a way that was acceptable to the school principal William Napier.

Whites at the meeting, including many band members, parents of band members and some of the five majorettes and officers, charged that the VII or some investigative body be asked to investigate the matter to determine if there was discrimination as had been charged.

Superintendent Dukes told the board that it would continue to march as it is now constituted and the band and the director had the full backing of the board until something concrete could be proven. Mr. Wilson asked why the board took its stand. Mr. Bailey answered that its policy required that proof be

Teenage GOP Elects Officers

The second meeting of the Loudon County Teen Age Republicans was held Tuesday, September 5 at City Hall in Lenoir City. The newly organized club elected officers for the coming year at this meeting. Officers are Gary Hamby, Lenoir City, President; Kim Bell, Greenback, Vice-president; Beth Galyon, Loudon, Treasurer; Kathy Sarlen, Greenback, Secretary; and Reed Lindsey, Lenoir City, Sergeant at Arms. Vicki Lindsey, who helped organize the club, said that the T.A.R. will be working in both the Nixon-Baker Booth and Congressman John Duncan's Booth at the TVA&I Fair. The next meeting is scheduled for September 19 at 7 p.m. at City Hall in Lenoir City. Miss Lindsey invites all interested Loudon County Teenagers to attend.

Rev. Sharp Evangelist For First Baptist Revival

The First Baptist Church of Loudon will begin Revival services on September 17 through September 24. The evangelist will be Rev. David V. Sharp, pastor of First Baptist Church in Kingston. A native of LaFollette, Rev. Sharp has held pastorates at Osnabrige, Mass.; Athens, McMinnville and Sevierville, as well as Burleson, Texas. A graduate of Carson Newman College and Southwestern Baptist Theological Seminary, Rev. Sharp has done extensive work in the field of religious education. He is on the Board of Trustees of Belmont College, member of the Committee on Boards of the Tennessee Baptist Convention, Board of Trustees Harrison Childress Baptist Academy and the Executive Committee of the Tennessee Baptist Convention. Mike Morgan, Minister of Music and Youth at Loudon First Baptist will be in charge of music for the revival. Services begin each night at 7:30 p.m. Rev. Milton Bodden, pastor, extends an invitation.

presented, and the complaint is in writing, and that no proof had been presented and no written complaint filed. There was a number of statements that feared that the entire matter would lead to racial hatred and possible violence. Some feared that the band program, which has progressed in the past two years, had already been damaged.

There was mention by both black and whites that the matter would end up in the courts, that a community that had enjoyed a good relationship between black and white would be hurt. Mr. Bailey commented later that Mr. Kyle was very upset over the entire matter and he used a heavy strain. Kyle reportedly told the board that no matter what happened in the matter he would probably resign after the present school semester.

City Commission Orders Signs

Loudon City Commission met for only about 20 minutes Monday night and discussed only three items. The Commission decided that the city would install off-street parking spaces for property owners on the newly widened Collins Street. The Commission said it is necessary that residents use off-street parking and leave the street open for two way traffic for area residents and residents of the low-rent housing project. The Commission took the action to avoid putting no parking signs along the street. Police Commissioner Gene Lambert said he did not like to put no parking signs in any residential area unless absolutely necessary. He stated that he hoped the residents on Collins Street would use the off-street parking areas that are being provided by the City so the no parking resolution will not be necessary. Commissioner Mrs. H.H. Richeson presented a recommendation of the Loudon Advisory Committee that the Commission purchase two historical-type markers to be used as city limit markers on U.S. 11 at each city limit. The two markers cost \$390. The motion to purchase the signs passed without opposition. The sign will have the name Loudon, the date, 1817, when the city was founded, and the new city motto "Proud of the Past, Focused on the Future" inscribed in the cast metal marker. Mrs. Richeson also reported that she was still working with the State Painting Commission art department in designing a seal for the city.

Grand Jury Has Long Case Docket

(Continued from Page 1) Eastham, manslaughter. Felony cases carried over from the last term of court are as follows: Tommy Brummitt, receiving and concealing and breaking and entering; Earl Wayne Whiddon, Sr., larceny; Douglas Patrick Nridler, larceny; Alvin B. Barron, two counts of larceny of bad check; D. C. Maze, receiving and concealing stolen property; and Kenneth Smithers, larceny of automobile and larceny.

7. Number of newly hired teachers by race.

8. Number of applications by the race received by the district.

9. Recruiting procedures used by the district.

10. The composition of the central office staff designated by race.

Mr. Dukes said that the fourth point in the demands made by Dewey E. Dodd, Chief, Education Branch, Office of Civil Rights of HEW in Atlanta would be hard to answer, but he planned to answer his letter.

Members of the Board of Education, Mr. Bailey, Mr. Dukes the Superintendent, John Hutton, Charles Eblen, Leonard Liles, Ciel Miller, Ted Wampler and Lester Thomas, all expressed deep concern over the charges and felt that they had acted in the best interest of the band, the school and the community. But they felt that efforts that had been made to settle the affair had been met with hostility and any effort of compromise was a waste of time. They also stated that they believe there was no racial discrimination in the selection of the majorettes and that with what information they have the band

of the Department of Health, Education and Welfare. The letter contained a list of 10 demands for information.

The letter asked for the following:

1. The method used for the selection of majorettes; the number of judges, if any; the race of the judges, and whether or not score cards are kept.

2. The requirements for participating in the tryouts as majorettes.

3. A comparison of the qualifications of the majorettes who were selected along with the qualifications of Miss Aquilla Henley who was not selected.

4. A list of names, by race, of all students who have participated in all extracurricular activities since 1965.

5. A copy of your district's policy concerning student participation in extracurricular activities.

6. The number of vacancies for teachers including 1972-73 school year.

Your County In Action

BY Harvey L. Sproul
LOUDON COUNTY JUDGE

There has not been too much since Aug. 4, 1972, in the way of clarification as to what will ultimately happen concerning "Question 3" in the classification of property.

The railroads, and possibly some of the utilities, are indicating that they are going to do everything they can to have the "Constitutional Amendment" declared unconstitutional, and I have not really heard as to whether or not the enforcement and implementation of Question 3 will be undertaken until some of these things have been decided.

Carl O. Wattenbarger and wife to Gary S. Crawford and wife. Dist. 1. One lot.

gone against them) will be brought back to life again. Their argument is probably going to be that each County owes them a lot of money because the railroads have been assessed at 50 percent of value each year since 1967, but private property in each County has been on an increasing basis beginning with 15 percent, and only this year having reached 60 percent.

In addition, they probably will say that the property assessor is not really assessing or appraising all County property at 100 percent of value, but that he is actually doing is trying to keep new parcels of property equal with comparable property in the same area.

What this adds up to is that even though you have just bought a piece of property for \$15,000, but the fellow down the road has property which is comparable in value which is on the County books at an appraisal value of \$10,000, then the property assessor will put your piece of the property which you bought for \$15,000 on the books for \$10,000 also.

If he did not do this, then you would be paying a whole lot more taxes than the man down the road and this is not fair. But the railroads will say that even though the Counties have been assessed at 50 percent of value, in appraisal value, which would be the same as in the year reappraisals was completed, that the railroads are going up each year inasmuch as they are reappraised each year. Whether this is true, and whether or not they can prove it I don't know, but these are some of the things that we may see happening in the next few months and years.

The latest State Welfare Newsletter indicates that 49 persons were declared indigent for food stamps in June because they had misrepresented their circumstances, and that the State is going to reimburse from such people in that month. This apparently took a great amount of effort to collect the money back, because the largest amount collected was \$369.00, and the smallest was \$2.00.

Brewster Named McMinn County FHA Supervisor

Farmers Home Administration State Director Paul M. Koger announced the appointment of David E. Brewster as county supervisor for McMinn County, with headquarters at Athens, effective Sept. 3. He succeeds Russell Ray Porter who transferred to the Farmers Home Administration office in Trenton, Tennessee.

Brewster was raised on a farm in Loudon County, where he received his formal education, graduating from Loudon High School in 1964. He received the State FFA Degree in 1963 and was Vice President of the local Chapter in 1964. After receiving his B.S. Degree in Agriculture from the University of Tennessee in 1968, he was employed by the Board of Education for Loudon County. He came to work with the Farmers Home Administration as assistant county supervisor at Athens in 1970.

"Brewster is well qualified for the position of county supervisor because of his education, experience, and his interest in rural people," Koger said.

He is married to the former Rebecca Watkins of Loudon. They have two daughters.

Selma, age two, and Amy, age five months.

The Farmers Home Administration is an agency of the United States Department of Agriculture serving farmers and other rural people with credit and supervision. Loans are made to farmers to purchase, enlarge, or improve farms; purchase livestock, feed, seed, fertilizer, and other supplies. Rural housing loans are made to families to construct, repair, or purchase homes in rural areas. In recent years the responsibilities of the Farmers Home Administration has been expanded to provide assistance to rural communities for water and sewage disposal systems.

LEGAL NOTICES

NOTICE OF SALE OF REAL ESTATE
WHEREAS, On the 13th day

of October, 1971, by deed of trust recorded in the Register's Office for Loudon County, Tennessee, in Trust Book 121, page 441, Jerry D. Davis and wife, Linda Q. Davis, conveyed to Ernest P. Schumacher, Trustee, the hereinafter described real estate to secure a note in the sum of \$14,700.00; due in monthly installments of \$97.50 each, commencing on the first day of December, 1971, and on the first day of each month thereafter until the principal and interest are fully paid, except that the final payment of principal and interest, if not so paid, shall be due and payable on the first day of November 2001.

WHEREAS, Default has been made in the payment of said indebtedness and other provisions of the deed of trust have been violated, the holder of said indebtedness has declared the amount due and payable as provided in said deed of trust, and the Substituted Trustee has been directed to foreclose the deed of trust in accordance with the terms thereof, the public is hereby notified that the undersigned Substituted Trustee for the hereinafter described real estate at public auction to the highest and best bidder, for cash in hand in front of the Courtroom door in Loudon, Loudon County, Tennessee, on the 8th day of October, 1972, at 11:30 a.m. The said real estate to be sold is located in the 5th Civil District of Loudon County, Tennessee, and more particularly described as follows:

BEGINNING on an iron pin in the South right of way line of Ellis Road at its intersection with the West right of way line of Outer Drive, thence with Outer Drive, 160.74 feet to an iron pin, corner to Lot 15; thence with Lot 15, North 45 deg. 42 min. East, 266 feet to an iron pin in the line of Lot 10, corner to Lot 15; then with Lot 10, North 36 deg. 44 min. East, 98.5 feet to an iron pin in the South right of way line of Ellis Road, South 57 deg. 50 min. East, 119.4 feet to the point of BEGINNING, said premises being improved with a dwelling.

BEING the same property conveyed to Jerry D. Davis and wife, Linda Q. Davis, deed dated October 6, 1971, from

John H. Wallin (single), recorded in Deed Book 105, page 472, Register's Office for Loudon County, Tennessee. This is the 7th day of September, 1972.

Erwin H. Arnold, Substitute Trustee.

9-14-11c

NOTICE TO FURNISHERS OF LABOR AND MATERIAL TO HARRISON, INC. CONTRACTORS, FOR USE IN THE CONSTRUCTION OF CONTRACT NO. 603, PROJECT NO. S-5305-8204-04 and SP-0901-8223-04 LOUDON-BLOUNT COUNTY, TENNESSEE.

Notice is hereby given that the State Department of Highways is preparing to make settlement with HARRISON, INC. contractors of ALCOA, TENNESSEE, for THE RESURFACING WITH BRIMUNOX (PLANT MIX) TYPE LINE AND FINISHING OF STATE ROUTE 33, BEGINNING AT THE MONROE-LOUDON COUNTY LINE AND TO A POINT APPROXIMATELY 2.1 MILES EAST OF THE LOUDON-BLOUNT COUNTY LINE. This line has a total length of 6.2 miles and designated as project numbers SP-0901-8223-04 LOUDON-BLOUNT COUNTIES.

All persons holding claims against the contractor, HARRISON, INC., or their agents, for materials or labor entering into the construction of this project, must file written claims of such claims with the contractor, G.L. Allen, State Construction Engineer, the Department of Highways, 119 Highway Building, Nashville, Tennessee 37219, on or before November 6, 1972, in order to obtain the advantages afforded to claimants by legal statutes.

ROBERT F. SMITH, COMMISSIONER.

NON-RESIDENT NOTICE
NO. 5555

B. Mildred McDaniel

9-14-11c

PHILLIPS vs Elizabeth McDaniel Bitlitz, et al. STATE OF TENNESSEE, IN CHANCERY COURT OF LOUDON COUNTY.

In this case, it appearing from the Complaint, which is sworn to, that the defendant, Elizabeth McDaniel Bitlitz and Frances McDaniel McCraney is a non-resident of the State of Tennessee, so that ordinary process cannot be served upon them, it is ordered that said defendant file an answer in the Chancery Court of Loudon County, Loudon, Tennessee, and with plaintiff's attorney Don T. McMurray, whose address is Lenoir City, Tennessee, within 30 days of the last date of publication or a judgment by default may be entered and the cause set for hearing ex parte as to them.

This notice will be published in the Loudon County Herald for four successive weeks. This 7th day of September, 1972.

9-14-11c

NOTICE TO CREDITORS
Estate of Charles W. Rollins, deceased.

Notice is hereby given that Charles W. Rollins died intestate on August 14, 1972, in Loudon County, Tennessee,

and that no Administrator is being appointed. Notice is hereby given to all persons, residents and non-residents, having claims of any nature against his estate, to file and make known this claim either to Ezarene Rollins, his widow, Route 2 Greenback, Tennessee, John O. Gibson, attorney, Loudon, Tennessee, or to the County Court Clerk of Loudon County, Tennessee, within 60 (sixty) months of this date, otherwise these claims, if any, will be considered unenforceable by said Estate.

This 6th day of September, 1972.

Estate of Charles W. Rollins, Ezarene Rollins, widow, John O. Gibson, attorney.

9-14-11c

NOTICE TO CREDITORS
Estate of Hattie R. James, deceased.

Notice is hereby given that on the twenty-ninth day of August, 1972, Letters Testamentary, in respect to the Estate of Hattie R. James, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise, their claims will be forever barred.

This August 29, 1972. Robert V. James, Executor of the Estate of Hattie R. James, deceased.

those days. As for those who grew up in Loudon, there are not too many around who at one time or another were not students at the site and building now occupied by Loudon Grammar School. Of course, as we mentioned last week, it was the only school other than Dunbar School and housed high school as well as grammar school classes. It possibly holds as many memories as any of the buildings in our town. There are so many things we could recall and write about and this we would truly enjoy. Mainly because these thousands of pleasing things were a part of our lives.

W. Martin of Akron, Ohio, Mrs. Martin grew up in the Loudon area and states she enjoys the Good Old Days as well as the rest of the Herald. Mrs. Martin would like to

locate a picture of Bessie Hill, wife of Worth Hill. She died in 1924 and was buried in the Mt. Zion Church cemetery. Mrs. Martin states that she was only six years old when Mrs. Hill died. Mrs. Hill was the former Bessie M. Shirley. If you can help Mrs. Martin, give us a call. Well, that's it for now. See you next week.

Vaughn's Chapel Schedules Revival

Revival services will begin Monday, Sept. 25 at the Vaughn's Chapel Missionary Baptist Church. Pastor Rev. Gene Russell announced that Rev. Herbert McKeenan of Union Fork Creek Baptist will be the visiting evangelist. Services will begin at 7:30 p.m. nightly. Rev. Russell said all special stagers and the public is invited.

Cub Scouts Set Organization

A meeting will be held at the Loudon United Methodist Church, Thursday, September 14, at 7:30 p.m. to organize the 1973 Cub Scout Program. All interested boys, ages eight through ten, along with their parents, should attend this meeting. The Loudon Cub Scouts are sponsored by the Loudon United Methodist Church.

Charles Merrick On Dean's List

Charles L. Merrick, son of Mr. and Mrs. John Merrick of Loudon, was placed on the Dean's Honor Roll for the summer quarter at Auburn University. His grades were in the upper five percent for the quarter. He is studying Architecture and Fine Arts.

Meeting Changed Pasture Seeding

American Legion Post 126 of Loudon Commander Rollen Bradshaw announced this week that the regular meetings of the Post have been changed from the first Monday to the first Tuesday of each month.

Farmers in the county are busy seeding permanent pasture to provide feed for cattle and to preserve the soil, says Fred Pippas, Chairman of the Loudon County ASC Committee. "Much of this share under the Rural Environmental Assistance Program administered by the ASCS Office," he added. Farm operators are encouraged to secure a soil test and to apply the needed fertilizer and lime before making seedings.

Corinth Revival

Revival services will begin September 18 at the Corinth Mission with Rev. Jewell Watson as Evangelist. Services begin each evening at 7:30 p.m. Joe Watson, pastor, invites everyone to attend.

OIL HELPS TENNESSEE SCHOOLS MAKE THE GRADE

Our schools use hundreds of things that are made from oil: desk tops and fiberglass seats, educational films, tapes and records, paint, ink... even the erasers or pencils.

But most of all, schools use energy. For heat, light and transportation. 75% of all our energy comes from oil and natural gas (including 40% of our electricity).

But today, we're using these petroleum fuels faster than we are finding them. That's why America faces an Energy Gap.

We're your local oil companies. Working to bridge the growing Energy Gap. Because it's as simple as A-B-C... a country that runs on oil can't afford to run short.

Your Local Oil Companies

For more information, write Volunteer State Oil Committee 19th Floor, Third National Bank Bldg. Nashville, Tennessee 37219

A country that runs on oil can't afford to run short.

NEW BANK NAME holding a reproduction of National Bank of First National Bank logo and the bank will be changed

First Now-H

Two well known County Hamilton banks will take their name Friday.

The name change becomes official at dual ceremonies at National Bank of and the First National Loudon drapes their Hamilton Bank.

Doing the honors C.T. Burnett, president Hamilton Bank of and Don Carter, president the Hamilton Bank. Also attending will from Hamilton Bank Inc. the parent Ceremonies highlighted by both banks and for visitors. The invited.

"We want every Lenoir City and know that the only changing is the name. Roundtree Hamilton Bank president. "We've same people and give the same good service people Lenoir City have come. Maybe even a little. He explained that the two banks have Hamilton Bank's history, they're operating under the name. The bank changing their name because Hamilton Bank is expanding to Tennessee's first banking system.

Spokesmen for emphasized that needn't worry about First National Bank City or old First Bank of Loudon check deposit books. A checks will be accepted banks until the sup-

LOUDON, TENNESSEE, THURSDAY, SEPTEMBER 21, 1972

TEN CENTS PER COPY

NEW BANK NAME—Bank President Dan Carter is shown holding a reproduction of the new symbol of the Hamilton National Bank of Loudon. At this Thursday the former First National Bank of Loudon will use the familiar "FNB" logo and the bank signs, like the one in the background will be changed to reflect the new name.

First National Banks Now-Hamilton Bank

Two well known Loudon County Hamilton Bancshares banks will take their family name Friday. The name change will become official at 2 p.m. in dual ceremonies as the First National Bank of Loudon City and the First National Bank of Loudon drape their old signs imprinted with the new name: Hamilton Bank.

Doing the honors will be C.T. Burnett, president of the Hamilton Bank of Loudon City and Don Carter, president of the Hamilton Bank of Loudon. Also attending will be officials from Hamilton Bancshares Inc., the parent company. Ceremonies will be highlighted by open house at both banks and refreshments for visitors. The public is invited.

"We want everyone in Loudon City and Loudon to know that the only thing that is changing is the name," said N. Rountree Youmans, Hamilton Bancshares president. "We've still got the same people and we'll still give the same good banking service people in Loudon County have come to expect. Maybe even a little better."

He explained that although the two banks have long been Hamilton Bancshares affiliates, they have been operating under their original names. The banks are changing their names now because Hamilton Bancshares is expanding to become Tennessee's first statewide banking system.

Spokesmen for both banks emphasized that customers need not be worried about using old First National Bank of Loudon City or old First National Bank of Loudon checkbooks or deposit books. All the old checks will be accepted by the banks until the supply is gone. The First National Bank of

Little T Group Sets Seminar

A seminar for land owners who are affected by the Tellico Dam project is being sponsored by the Association for the Preservation of the Little Tennessee River. The seminar will be held at 8 p.m. Sept. 23 at Vonore High School. An Association announcement of the meeting said that the purpose of the meeting will be to inform the property owners of legal procedures and Nashville attorney Robert Echols will discuss the implications of the federal injunction which is now halting construction on the dam. The announcement stressed that the meeting is no "anti-dam," and that land owners who support the project would benefit from the information.

Republicans Slate Meeting

Loudon County Republican Executive Committee Chairman Harry Wampler announced this week that a general meeting of the Committee will be held at 8:30 p.m. Thursday, Sept. 21 at the courthouse in Loudon.

Loudon, Lenoir City Homecomings Friday

Football is at its peak around the state and with college and professional pugkin play getting started the fever of fall athletics is here. All three Loudon County high school football teams are in action this week with special attention given to each.

Greenback travels to Porter for what many football followers believe will be the pick of the Foothills Conference's race and a possible berth in the Region I class "A" division playdowns. Meanwhile "AA" division teams Loudon and Lenoir City host "AA" opponents in their respective homecoming games, Loudon will meet Maryville Everet in an eight o'clock clash, as Lenoir City likewise will kickoff at 8 p.m. with Knoxville Carter as their foe.

Miss Marsha Waller, now a University of Tennessee co-ed, will be relinquishing her crown at Loudon in a pregame ceremony. Six candidates nominated by the Loudon football team will be voted on Friday and announced Friday night. Those running for the 1972 homecoming queen are Vivian Harris, Gwen Shell, Susan Huskey, Betty Walker, Selena Cannon, and Pal Turbyfill. They are all Pal Turbyfill.

Mrs. Polly Chambers Giles, Homecoming Queen for 1962 and her class will be the featured alumni honored at this year's Redskin homecoming festivities.

A parade will start the homecoming festivities in Loudon at 3:30 p.m. The American Legion Building will be the site of departure and a parade route of Grove Street and Cedar Street, past the Grammar School, along Ward Street to Steeple Street and finally to the high school. The Loudon High School

Schrimsher Heads Campaign

The State Headquarters of the Tom Garland for Public Service Commission campaign in Nashville has announced the appointment of County Trustee J.V. Schrimsher as Loudon County coordinator.

Schrimsher has long been a leader in civic, fraternal and charitable affairs in Loudon County. He cited his long experience as trustee as a factor in his favor as Senator Garland's election.

"I have had much experience in dealing with the Public Service Commission in the collection of taxes," he said, "and this leads me to know that Senator Tom Garland's maturity and experience as a legislator gave him invaluable qualities for Public Service Commission."

He said Senator Garland would work to update the Commission to the high level of public service it should have.

Senator Garland thanked Schrimsher for accepting the post and said, "This is the kind of campaign coordinator I wish I had in every county. I have every confidence that J.V. Schrimsher will soon have the Tom Garland campaign in Loudon County moving forward toward victory."

Girl Hit By Car, Injured

A 12-year old Loudon girl, Terry Franks, was injured Monday afternoon when she was struck by a car after leaving a station wagon used by her mother as a school bus. The girl, daughter of Mrs. Shirley Bright, was treated at Loudon County Memorial Hospital for a broken thumb. (Continued on Page 8)

LOUDON HOMECOMING QUEEN CANDIDATES—One of these six pretty Loudon High School senior girls will reign as the new 1972 Homecoming Queen Friday night. The queen will be announced in pregame ceremonies of the Loudon-Maryville Everet football game. Pictured queen candidates for 1972: Vivian Harris, Gwen Shell, Susan Huskey, Betty Walker, Selena Cannon, and Pal Turbyfill.

LENOIR CITY HOMECOMING COURT—One of the lovely senior girls at Lenoir City High School will be crowned Homecoming Queen for 1972 Friday night during halftime ceremonies of the Lenoir City Knoxville Carter football game. Pictured left to right: Linda Hawk, Theresa Lawson, Cindy Edwards, Cindy Ledbetter, Paula Godfrey, Vicki Wall, Ronda Liles, Beverly Veal, and Cindy Littleton.

MAN ARRESTED—Five City of Loudon officers are shown trying to handcuff Preston Lee Strickland after he refused peaceful arrest outside Loudon County Memorial Hospital about 1:30 a.m. Saturday. The man earlier allegedly fired shots when officers answered a trouble call at his home on Cedar Street in Loudon.

TBI Refuses To Investigate Racial Charge

The Tennessee Bureau of Investigation has refused to make an investigation of charges of racial discrimination in the selection of majorettes for the band at Loudon High School.

Loudon County Superintendent of Schools Albert Dukes said that he requested through the Attorney General's office that the TBI be called into the case, but they refused because there was no criminal offense indicated, that their power of investigation was limited to criminal offenses.

At a meeting of the Board of Education last week a group of blacks who labled themselves as Concerned Citizens charged racial discrimination in the selection of the five band majorettes.

The parents of a black freshman girl at the school, Mr. and Mrs. Homer Henley, had complained that their daughter was not selected as a majorette because she was black. About 100 persons, including 25 blacks attended the meeting.

Superintendent Dukes said that he expected the Board of Education to appoint a committee of six parents, three white, three blacks and the entire school board to a committee to study not only the selection method for majorettes but the school guidelines on all extracurricular activities at the high school. He said that a student handbook with guidelines for students, teachers, including all activities at the school, but that these were not detailed in some areas.

This committee is expected to be appointed at the next regular meeting of the Board of Education set for 7:30 p.m. Thursday, October 5.

Mr. Dukes said that as far as he was aware there had never been any racial discrimination in any student activity or teacher hiring anywhere in the county school system. He said that he expects that the Civil Rights Office of the Federal office of Health, Education and Welfare has been asked to

investigate the charges and he felt the board would welcome such an inquiry.

Many rumors of expected demonstrations and trouble at the Loudon-Lenoir City football game last Friday night turned out to be without foundation. Among the rumors that circulated throughout the county after last Tuesday night's Board of Education meeting was that three bus loads of blacks from Chattanooga were being brought in to demonstrate when the Loudon band performed at halftime. Another was that there would be other demonstrations prior to and during the game.

There were very few blacks in attendance at the game. Notably fewer than at most Loudon home games.

All 13 black members of the 81 member Loudon band participated in the band program.

The only things that were reported that might be termed demonstrations were that a group of blacks seated in the Loudon stands did not stand up when the Loudon band played the National Anthem prior to the game.

One minor incident was reported after the game. A white woman struck a black youth after some remarks were exchanged between the two, but the incident was quickly over with both walking away.

School officials said that although feelings over the matter had been high and rumors had been circulated all week that both blacks and whites for the most part seemed to come for the game and not to cause any trouble.

Loudon High Principal William Napier said that the atmosphere at the school was tense Wednesday and Thursday of last week but that there had not been any incidents and the students were continuing with their activity, including preparation for Friday night's Homecoming events, in a spirited manner as the students at the school always have.

Young Indicted By Local Grand Jury

The Loudon County Grand Jury continues to wade through a long docket of cases in the first week of Criminal Court that opened Monday.

More than 60 cases are on the bound over docket for Grand Jury action which is expected to take most of the week.

Trial of jury cases is expected to begin Monday and last several weeks. Indictments that have been returned in the early grand jury cases include, the following: Tommy Jones, breaking and entering; Billy Littleton, contributing to the delinquency of a minor; Charles Dupes, breaking and entering; L. C. Garthwaite, exposing his person; Franklin Snyder, receiving and concealing; Ronald E. Bursum, receiving and concealing; and Mike Young, two indictments of receiving and concealing stolen property and breaking and entering.

Not True Bills were returned in favor of the following: Mike Young on charges of escaping from lawful arrest and carrying a deadly weapon; Betty Mealer Krouse, felonious assault.

Grover McCrary, assault and battery on a minor; Virgil McKelvey, breaking and entering; Johnny Price, larceny; and John Guider, contributing to the delinquency of a minor.

3 Arrested In Stolen Car

Loudon city police, acting on a tip from a service station owner, recovered a stolen car and arrested three juveniles from Kentucky in Loudon early Tuesday morning.

Police Chief John Lennox said that Loudon Texaco Service Station owner Fred Sheppard phoned authorities that three youths in an out-of-state car had just purchased gas and paid for it with an unusual amount of small change.

City officers stopped the car, a 1962 Buick, in West End Loudon about 8 a.m. The youths said they had stolen a car in Kentucky, went to Ohio, stole another car, switched

Bryan College Choir Concert Set

The mixed quartet of Musical Messengers from Bryan College of Dayton will present a program of music and personal testimony at the Loudon United Methodist Church, Sunday, September 24 at 6 p.m.

The male members of the team, Brent Ferguson, tenor, of Trenton, Ga., and Rick Eflrd, bass, of Kannapolis, N.C., are traveling for the second year. Rick was president of his sophomore class last year and has been elected vice president of the Student Senate for this year. Brent is a senior music education major.

Barbara Peck, alto, of Springfield, Mo., is also a senior; Debbie Vincent, soprano, of Beaumont, Texas, and Carris Barker, piano accompanist of Ashford, W. Va., are sophomores.

The four vocalists were members of the college concert choir and madrigal singers which toured in Arkansas, Texas, Louisiana, and Mississippi during spring vacation in addition to having appointment in high schools and churches in Georgia and Tennessee.

For their appearance in Loudon, Dr. T.C. Mercer, president of Bryan College, will accompany the messengers as staff representative.

Rev. W.H. Horner, pastor of Loudon United Methodist Church, invites everyone to attend this program.

Womans Club

The Loudon Woman's Club held its first meeting of the year at Pinetop as guests of Mrs. Lloyd Kirkland, Mrs. Leonard Milaps, Mrs. Charles Harrison, and Mrs. Tom Matlock served as hostess and co-hostesses for an outdoor covered dish dinner at the beginning of the meeting.

Mr. Ed McQueen presented a most interesting and informative program on the history of Loudon County.

Mrs. Gary Dutton, newly installed president, presided over the business meeting.

Curator Speaks

Forty DAR's and their guests had the privilege of hearing Mrs. Sarah King, Curator General and past State Regent, at Hiwassee Chapter, opening dinner meeting at Waifs Bar Resort last Thursday night. Mrs. King, well known as a speaker, charmed her audience as she shared with them highlights of Continental Congress last April. She also related many interesting events and developments concerning the DAR National Museum in Washington, D.C., which is her responsibility as Curator General.

At the close of the meeting, Mrs. Lucy Steele Harrison, regent of Hiwassee Chapter, presented to Mrs. King a beautiful brass candle stick in appreciation for her close association with the Chapter. Also receiving a gift was Mr. Arthur "Fogler" long, time friend of Hiwassee Chapter's. Attending this dinner was the host Chapter, Hiwassee, and members of Hoes Craig and Alexander Keith Chapters. An honor guest was Mrs. Joe Matthews, State Vice-Regent.

MUSICAL MESSENGERS—Pictured above are the members of the Mixed Quartet of Bryan College Musical Messengers. Standing, left to right, are Carris Barker, accompanist, from Ashford, W. Va.; Barbara Peck, alto, Springfield, Mo.; Brent Ferguson, tenor, Trenton, Ga.; and Debbie Vincent, Beaumont, Texas; Rick Eflrd, bass, of Kannapolis, N.C., is seated in front.

FIRST PLACE DISTRICT TEAM—Barbara Rucker, Teresa Hickey, Nancy Bettis, and Carolyn Hickey were members of the Clothing Judging team to win the District Judging Contest. They competed against sixteen other teams and will now enter the State contest.

4-H'ers Win At TVA&I Fair

By Bonnie F. Sheeley,
Assistant Extension Agent

Loudon County 4-H Club members participated in many areas of competition at the TVA&I Fair last week. They also enjoyed the fair exhibits and the midway as over 1,000 4-H'ers from our county visited the fair.

On Tuesday morning seven 4-H'ers participated in the Home Economics Judging Contests. A foods-nutrition team and a clothing team placed first over sixteen other teams in clothing judging. They will represent Loudon County and District V in the state event.

DISTRICT WINNER—Carolyn Hickey, winner of District Sew with Cotton Contest will now enter her points made of 100 percent cotton in the State event.

Those 4-H'ers on the clothing team included: Nancy Bettis, daughter of Mr. and Mrs. Clarence Bettis, Loudon; Barbara Rucker, daughter of Mr. and Mrs. S.E. Rucker, Loudon; Teresa Hickey and Carolyn Hickey, daughters of Mr. and Mrs. Hugh Hickey, Philadelphia.

The 4-H'ers participating on the foods-nutrition team were: Lynn Thomas, daughter of Mr. and Mrs. Robert S. Thomas, Lenoir City; Teresa Goddard, daughter of Mr. and Mrs. Roy Goddard, Greenback; and Gail Galyon, daughter of Mr. and Mrs. J.D. Galyon, Jr., Greenback.

On Friday, September 15, four 4-H'ers from Loudon County went to the fair to enter the District 4-H Dress Revue. The girls and the division they entered were: Penny Kizer, Apron, daughter

of Mr. and Mrs. L. Roger Kizer, Greenback; Vanessa Elam, Skirt and Blouse, daughter of Mr. and Mrs. James Elam, Eatons; and Carolyn Hickey, Sew with Cotton, daughter of Mr. and Mrs. Hugh Hickey, Philadelphia. All four girls received blue awards and cash prizes, and Carolyn Hickey received a first place award and a purple ribbon in the Sew with Cotton Contest. She will now be eligible to enter the State Sew with Cotton Contest.

Loudon County 4-H'ers attending the T.V.A.&I. Fair had enjoyable times and many learning experiences!

Completes Course

Navy Airman Apprentice James K. Haskoy, son of Mr. and Mrs. Bill Haskoy of 722 West Broadway, Lenoir City, has completed the Aviation Structural Mechanics School at Memphis.

Aviation Structural Mechanics maintains hydraulic systems, fusages and wings aboard naval aircraft.

Joe Malloy Jr. is Oak Ridge Coach

Joe Malloy, Jr. has completed his courses and comprehensions, under the doctoral program at the Middle Tennessee State University at Murfreesboro. During his studies he has maintained a straight A average, ranking first in his class. He completed work for his Master Degree in Physical Education with a minor in Education Administration at Tennessee Technical University in June of 1970 and was elected into Phi Kappa Phi for his average for that degree.

He has returned to Oak Ridge High School where he will be Head Track Coach and Junior Varsity Football Coach.

Mr. Malloy is married to the former Martha Lou Weaver and they have two children. Mr. Malloy did his practice teaching at Loudon High School in 1968.

At Sewanee

Three Loudon Countians are among 901 students registered for the academic year in the College of Arts and Sciences of the University of the South at Sewanee. They are Fred Allen Chaney, son of Mr. and Mrs. James A. Chaney; Jack H. Lefter, son of Mr. and Mrs. Jack H. Lefter; and Rufus Gordon B. Watson, son of Mr. and Mrs. Rufus B. Watson, Sr., all of Loudon.

Voting List Compiles For ASC Elections

A list of eligible voters for Loudon County Agricultural Stabilization and Conservation (ASC) community committee elections is now being compiled at the ASCS office.

Producers may check at the ASCS office to make sure they are listed to receive ballots in the mail elections to be held later this year.

Producers and the general public may inspect the list from now until December 1, 1972, at the Loudon County ASCS Office located on Highway 11, at the end of the bridge.

Voter eligibility for ASC committee elections is non-discriminatory and is applicable without regard to race, creed, color, sex or national origin.

A farmer who is eligible to participate in any ASCS program is eligible to vote in ASC elections. This includes not only producers of legal voting age who own, rent, or sharecrop a farm, but also minors who supervise and conduct farming operations on an entire farm. Spouses of eligible voters can participate in ASCS elections if they are joint owners of the farm.

In addition to these voters, any legal partnership such as estates, trusts, State or State agencies, may also receive a ballot. Each owner in a joint farm ownership has a vote. However, a producer may only vote in one community election in the county regardless of the number of farming interests he has in different communities.

"We are exerting positive effort to assure that the names of all potential voters are on the list," said Martha Blair, ASCS County Executive Director.

Mrs. Anderson Is DAC Hostess

The Fort Loudoun Chapter of the Daughters of the American Colonists met at the home of Mrs. M.C. Anderson in Philadelphia on September 12, 1972.

Mrs. J.E. Richens was leader and presented a program on National Defense which she closed with the selection "There is no Escape" from the book written by the Rev. Paul R. Dodd, former minister of the Loudon Methodist Church. Mrs. Henry Richens, regent, presided over the business meeting and read a letter of appreciation from the Director of Social Services at Eastern State Hospital for the donation of clothing in the hospital. Following a discussion of

goals for the year, financial commitments were made to the National Headquarters Fund, the Assembly Fee, the President's Project, the Microfilm Fund, and a donation to the Fort Loudoun Restoration Fund. The members voted to place the organizational publication, The Colonial Courier, in the Loudon Library, and to donate

UT FOOTBALL TICKET WINNER—Mrs. Curtis Montooth is shown receiving two tickets to the UT-Wake Forest football game from Hamilton National Bank of Loudon vice president Charlie Davis. The bank gave two tickets to the game away at a drawing of members of the bank's Golden Club members. Henry Huff, drew the winners name at halftime of the Loudon-Lenoir City football game last Friday night.

The Tribe Speaks

BY LOUDON HIGH SCHOOL JOURNALISM CLASS

By Patti Gentry, Joyce Harrison, and Steve Rogers

Again we are reporting to you as members of the Fourth Period Journalism Class. We are somewhat late beginning, but that is because of the difficulty in getting classes settled and ourselves back into the routine of work.

These are some notable changes to report. We are no longer using the rotating class schedule, but each class is 35 minutes long and meets at the same time each day. The lunch times have changed—coming now at 11:45 and 12:45.

Some other changes are in the study hall periods. There are only two scheduled, the first and the sixth periods. As some of you know, the students who have a way home are allowed to leave school at 2:15 rather than to remain for the sixth period study hall. This has proved to be helpful to those who are needed at home or at jobs.

The changes in the faculty include three new teachers. Mrs. Brenda Crabtree is teaching world history. She is the wife of Mr. Harrison Crabtree who taught here for the past two years, but is now a student in U.T. School of Law. Last year she taught at Seymour High School. She is the former Brenda Moyers of Lenoir City. She and Mr. Crabtree are parents of a daughter, Audurylyn Leigh, age four. After October 1, the Crabtrees will be at home at 813 Rosedale Ave.

William Loudon Of New Zealand Visits

Through the passing years, the town of Loudon has had many visitors. Some returning to the area where they grew up, others coming to visit friends and relatives. But quite possibly, the visitor with the strangest motive is William Loudon, who comes from New Zealand, to visit a town which bears his name and possibly is a descendant of Lord Loudon, for whom the town of Loudon was named.

Mr. Loudon grew up near the Loudon Castle in Scotland. He later came to reside in New Zealand. He is a man who could be labeled a world traveler of a sort and one who spent the seas for years as an engine man on various ships sailing the waters of many lands.

Possibly one of his most colorful experiences during his years of travel, was as a member of Admiral Byrd's expedition to the North Pole and the honor of being mentioned in one of Admiral Byrd's books.

Queen candidates are Betty Walker, daughter of Mrs. Ed Walker, Gwen Shell, daughter of Mr. and Mrs. Herbert Shell, Pa' Turbyll, daughter of Mr. and Mrs. Virgil Turbyll, Vivian Harris, daughter of Mr. and Mrs. Elbert Harris, Susan Huskey, daughter of Mr. and Mrs. Carlton Huskey, and Cecelia Cannon, daughter of Mr. and Mrs. James Cannon.

Barbara Hucker and Carolyn Hickey won first place in the District Clothing Contest at TVA&I Fair. This includes judging and rating garments, methods of sewing and matching fabric with pattern. Also on the team were Teresa Hickey and Nancy Hettis, graduates of '72. Seventeen teams from across East Tennessee competed in the contest. The state contest will be held in October.

Carolyn Hickey was one of three winners in Dist. V "See with Cotton" contest at TVA&I Fair. Garments must be made of 100 percent cotton fabric. The contest is sponsored by TVA&I Fair and Southern Cotton Growers Association. State contest is held Jan. 18, 1973.

More Spending Money In Loudon Co

How have Loudon County families been making out financially in recent years in the face of the rising cost of living? Are they better off or worse off?

The findings are that the average local family has more spending money left today after taking care of its subsistence needs— food, shelter and clothing— than it has ever had.

The reason is that incomes have been moving upward at a much faster rate than prices, despite the feeling that some people have that their gains are being eaten up completely by inflation.

As a result, there has been a growing surplus of discretionary purchasing power available for the kind of consumer goods and services that make for more luxurious living.

On the whole, according to the Department of Labor, out of every \$100 spent by the average non-farm family, \$25.00 is allotted for food, \$24.00 for housing and \$10.90 for clothing.

MAKING APPLE BUTTER—These four Loudon ladies are shown making 115 pints of apple butter the old fashioned way with copper kettle and open flame. They are (left to right) Mrs. Shirley Nathenson, Mrs. Chester Wright, Mrs. Homer Vaughn Simpson and Mrs. Humer Simpson.

Apple Butter, Copper Pot Style

Five bushel of apples, 30 pounds of sugar, two ounces of cinnamon, and eight hours of cooking over an open fire and you get 115 pints of apple butter.

That is the recipe used for four women in Loudon last week. They set up an outdoor kitchen in the backyard of the Homer Simpson farm near Loudon. The women are Mrs. Shirley Nathenson, Mrs. Chester Wright, Mrs. Homer Vaughn Simpson and Mrs. Humer Simpson.

The women set up a 20 gallon copper kettle in the backyard of the Simpson's home, built a fire and went to work. The previous day they had peeled five bushel of apples and made them into apple sauce, a four hour job itself.

When they added the apple sauce, sugar and cinnamon, they stirred the mixture over the open fire for four more hours, then filled 115 pint jars.

More money is being spent nowadays for medical and dental care, appliances, recreation, housing, travel and cultural activities than in former years.

The U.S. Department of Labor reports that the average family in the United States devotes 58 percent of its income for food, shelter and clothing, as compared with 75 percent 20 years ago.

In Loudon County, based upon this national average and upon the income level in the local area, approximately \$6,010 is spent annually per family for the three basic necessities.

Among families with below average incomes, a larger proportion of their cash goes for the necessities. Those in the upper brackets use a smaller proportion for that purpose.

Webster Enters Clear Creek Baptist School

Mack Webster While has enrolled as a freshman at the Clear Creek Baptist School, a theological school for adults, Pineville, Kentucky. A native of Loudon, where he is an active member of the Mt. Zion Baptist Church, Mr. While is the son of Mr. and Mrs. James R. White of Loudon. He is a 1964 graduate of Loudon High School. Mr. While is married to the former Arnette Watson of Loudon. The Whites have no children.

The Clear Creek Baptist school is a Kentucky Baptist Bible school which combines practical training for the ministry with high moral and spiritual standards. A capacity enrollment of 165 represents many areas of Kentucky and several other states.

Who is left to the average Loudon County family for discretionary spending is some \$4,380, which is more than is available in many communities across the country.

It is the money that goes for new cars, new household equipment, vacation expenditures, savings and for better living generally.

Girl Hit By Car, Injured

license plates and headed south. Chief Lennox said the three, ages 15 and 16, admitted to previous convictions on similar cases. They also said the money they had was taken in a break in in Ohio. The youths are being held in Lenoir City jail pending further investigation and possible action by Kentucky and Ohio authorities.

Your County In Action

BY
Harvey L. Sproul
LOUDON COUNTY JUDGE

As usual, I attended the annual Mayors' and County Judges' Day at the TVA&I Fair last Wednesday. This is a special day, complete with dinner, which apparently the Fair has been holding for years and years in the past.

As a general rule, this is also the "Governor's Day" and the Governor of the State is generally the honored speaker.

This year, Governor Dunn was not able to be present, and the program was somewhat shorter than usual, although we from Loudon County were very proud that the featured attraction as entertainment on the program was Little Jimmy Harris.

The Fair was blessed with good weather for the 1972 Fair, and on Wednesday it was very hot even on up into the evening.

The Mayors and County Judges present from each of the East Tennessee Cities and Counties are introduced, along with their wives, and Loudon County was well represented with Mayor Joe Carter, Mayor Joe Grayson and wife, Mayor Roy Bledsoe and wife, and myself, present from Loudon County.

Now, you may have noticed that I listed Mayor Roy Bledsoe and wife, and many readers will know that Mayor Bledsoe is not reputed to be married.

Nevertheless, there was an attractive young lady there accompanying him, and I couldn't tell for sure, but it did look like her tag did say Mrs. Bledsoe.

I don't know whether that was an announcement or what, so I guess you will just have to ask him.

Of course, there are several

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo models. Nineteen different models to choose from.

Isn't it romantic? You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting? This year's are something to get

OPENING NEXT SUMMER—Admiring a sketch of Loudon's newest park which is due to open next summer are members of the Loudon Regional Planning Commission and a Tennessee State Planning Office representative, Tom Platt (pointing), who works with Loudon from left are Henry Mitchell, chairman of the planning commission; Gary Hensley, city administrator; Platt; Chli Jones, building inspector; Ham Carey, vice-chairman of the planning commission; and Jack Leifer.

20 Year Public Improvement Plan For Loudon, Philadelphia Outlined

Streets, parks, schools and water services in Loudon and Philadelphia are all scheduled for improvements and new construction over the next 20 years according to the Loudon and Philadelphia Public Improvements Program which has recently been released.

Also recommended in the Program for construction for the cities between now and 1989 are a county office complex and jail and a Loudon community library.

These and many other twenty-year projects and methods of financing them are all briefly described in the Program which was prepared by the Loudon Regional Planning Commission with the assistance of the Tennessee State Planning Office.

Why was such a program prepared?

A Basis for the Budget
The Public Improvements Program, which is set up on a flexible schedule as a guideline for the cities, will provide a basis on which to prepare a municipal capital budget which is scheduled for next year.

Estimates of monies necessary to finance the proposed projects and means of obtaining funds are all incorporated within the Program, which equally distributes the proposed projects over a 20 year period in order to lessen the cities' financial burdens.

By projecting future needs of its residents and by planning for them now, Loudon and Philadelphia can avoid costly mistakes incurred by some communities when they do not base current decisions on future needs.

More Public Crisiers
Other proposed projects scheduled for the coming decade include the organization and installation of gates at all major railroad crossings and a municipal complex for Loudon.

Additional police cruisers and new fire engines are also slated over the twenty-year period as is the remodeling of the existing police station in Loudon.

New public housing units, a long-term care facility and an expansion to Loudon County Memorial Hospital are also recommended for the coming two decades.

Other portions of the Public Improvements Program include the improvements of water mains and water distribution and the extension and installation of sewer mains for both Philadelphia and Loudon.

Comprising other parts of the Program are improvements to and construction of city parks and

Additional classrooms are advised for Loudon Junior High School and Steekee Elementary School, a new elementary school for Philadelphia and one at Loudon to replace Davis Elementary School which is recommended for closing. Another new school is recommended for western Loudon.

An urban renewal project in the Hospital Hill area and a revitalization of Loudon's downtown are also set according to the Program.

Copies of the new Program are available at City Hall and the Loudon Public Library for public review.

Mt. Olive Bapt. Dinner Slated

A dinner will be held at the Mount Olive Baptist Church, Sunday, September 24 from 11:40 to 1 p.m., sponsored by the women of the church for Women's Day.

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first? We're happy to report that's us for 1973. But since everything must begin somewhere...

Look what we hatched. You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

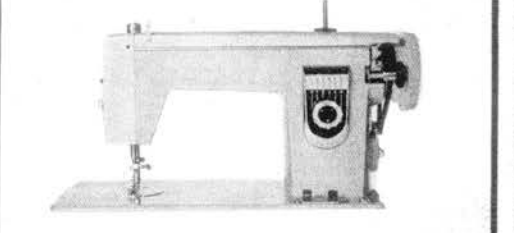

We've been thinking about your legs. One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

So what else is new. Naturally this is only a taste of what's new for '73. Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system. Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes. We invite you to see it all at your Chevrolet dealer's.

Loudon, Lenoir City Homecoming Festivities Top Exciting Football Weekend

Speaking of Sports
By DANNY GIBSON
Sports Editor

With one-third of the football season over and most every team getting into the heart of their season, Loudon City and Greenback look very much like championship material or at least challengers for their respective Regions. Loudon has yet to win a game while playing three of East Tennessee's strongest "AA" schools, may not be so bad off. A lot of teams and sports followers are ready to junk the Redskins and this may prove to be the biggest mistake of the season. Loudon almost surprised Lenoir City, top ranked Region II "AA" power, Friday night and out played their county rival with the exception of two blocked punts. Nevertheless Loudon runs into Everett Friday at Dukes Field. It is homecoming for the Redskins and a valiant effort will be in store for the Bulldogs (1-2) on the year and a upset win over Morristown West last Friday night. The Bulldogs have an exciting offense, centered around the triple option. The "AAA" Blount County school will carry a three point advantage into the clash with the Redskins Friday night, but watch out for the Redskins to start settling down for the season. Coach Rattle's gang has just about provided all the fun they are going to as opposing teams and it is time for a change with Redskins fans getting a taste of victory.

(Continued from page 1)

...marching band and the cheerleaders will accent the parade with the many floats and queen candidates to be viewed.

A dance in the high school cafeteria after the game and midnight will conclude the Loudon homecoming festivities. A one dollar per person charge will be collected at the door with the band group of "D.C. and Company" playing for the dance.

Lenoir City will not have a parade but will have a gala of events at the football game. Carter High School marching band will give their halftime show as a pregame attraction

to allow time for the crowning of the Lenoir City queen during halftime. A special awards ceremony will take place prior to the ball game with Miss Jeannette

Alford, who has been active in the Lenoir City Business Department for years being honored for her extended service to the school. Miss Cliffreda Wear, 1971

homecoming queen, will crown her successor during the halftime show. The Lenoir City marching band will supply the background and give a field show after the

crowning of the queen. A fireworks display will be conducted at the end of the game and a dance in the Lenoir City gymnasium will follow from 10 p.m. till 12:30 a.m. "Fat Back" a band from Knoxville and well known to the many young people who frequent the Sound Show Case night club in Knoxville, will play for the dance. A \$1.50 per person door charge or \$2.50 a couple will be charged.

The student council of both Loudon and Lenoir City are in charge of their respective homecoming activities.

Stunned Panthers Come To Life In Fourth Quarter Spree To Conquer Loudon 22-7

Lenoir City was a 14 point favorite Friday night with Loudon Redskins but to have viewed the action through three quarters of play an unsuspecting fan would have never believed the power rating.

Lenoir City landed a decisive 18 point knockout punch in the final 12 minutes of action to remove the suspense and open for a major upset of high school rivals.

Lenoir City dominated the entire first quarter with Loudon having the ball for only three plays and a punt. The Panthers had run 19 plays from scrimmage at one stage of the game in comparison to the three initial efforts by the Redskins.

Lenoir City drove with authority in the opening minutes to the six yard line of Loudon but penalties and an inspired Redskin defense stopped the scoring march when Tommy Cook was wide on a Lenoir City field goal attempt.

Loudon took over on their own 28 yard line and started a drive of their own with John Lovelace at quarterback. The Junior field general, getting the surprise starting assignment over Greg Watson starter for the past two games. Lovelace called on David Surrett and Tim Guider for six yards. On third down and four Lovelace crossed the Lenoir City defense by throwing a bomb to R.L. Brannum. The play covered 53 yards and a near touchdown.

The first quarter ended one play later with Loudon punching out valuable real estate on the stubborn defense of Lenoir City.

It took Loudon but four plays to finally hit pay dirt. Tim Guider plunged one yard for the touchdown with Walter Carter catching the extra point for a 7-0 Loudon lead.

John Lovelace had accounted for the one yard maneuver on the preceding play. John called a triple option run right and as the Lenoir City tackle and defensive end converged on him he flipped a pitchout to a speeding David Surrett, who fought his way to the one yard line.

Lenoir City and Loudon traded fourth down punts before the Panthers were able to regain their composure on offense. The Panthers ripped off two first downs on Mike Walker and Donnie Stamey runs. A charging Redskin defensive line resulted in a second down and 12 for the Panthers on the 34 yard line. Tommy Cook loosened up his passing arm with a 34 yard aerial to Mike Walker coming out of the backfield to knot the score at 7-7 with 4:23 in the half.

Loudon drove the ball past midfield as the half ended on a Lovelace to Sam Lyle pass reception at the Lenoir City 39 yard line.

Loudon held a two yard edge in total offense at the half with 119 yards as compared to 117 by the Panthers. Lenoir City had more offensive plays than Loudon than routing up nine first downs to five for the

Redskins. Neither team managed to get the upper hand on the other in the third quarter with both defensive teams holding tough.

Lenoir City finally grabbed

the momentum at the start of the fourth quarter as Mike Hooks knifed through the Loudon ranks to block a Tim Guider punt. The Panthers moved swiftly for a touchdown. Donnie Stamey

covering the last two yards behind the blocking of Nathan Dalton and Tim Galyon. Cook's conversion was again perfect and the Panthers led 14-7.

It had been a long night for

FANCY FOOTWORK AIDS PANTHER GAIN-Lenoir City's Donnie Stamey, instrumental in the Lenoir City 22-7 triumph over Loudon both offensively and defensively, puts an offensive maneuver on Loudon's Danny Russell (21). Would-be tacklers for Loudon coming to Russell's aid are Bryan Lawson (78), John Colvin (43), and Steve Kizer (38). Lenoir City blockers pictured are Mike Walker (45) and Wade Rice (72).

TOUCHDOWN, REDSKINS-Loudon's Tim Guider (lower left with arms folded on ball) waits patiently for the Lenoir City and Loudon linemen to be removed from atop his legs after scoring the first touchdown of the game Friday night and the first touchdown posted on the Panther defense thus far this fall.

LENOIR CITY'S WALKER HAULS IN TOUCHDOWN AERIAL-Lenoir City quarterback Tommy Cook placed this pass right on the mark in hooking up with Mike Walker for an 18 yard touchdown play and a 7-7 standoff for the first half. Loudon's Tim Guider (41) and Jeff McQueen (60) just missed in an attempt to break up the reception.

LOUDON'S LOVELACE LAUNCHES PASS FOR LVLE-John Lovelace, turning in the best quarterback performance of the season for Loudon, hurls a pass to Sam Lyle for a Loudon gain. Lyle had three receptions for 49 yards.

The Panthers up until the start of the final period and with just a minute and 30 seconds gone from their go-ahead scoring march the Panthers had Loudon backed up to the goal line. Loudon had mismanaged the kickoff and was forced to start at their own four yard line.

Loudon once again got a tremendous rush on fourth

runs of five yards or better per carry. Mike Walker applied the final icing to the Lenoir City triumph with a 13 yard burst for a touchdown and a 22-7 score. Cook missed the conversion kick.

Loudon exhibited their top performance of the season and it was questioned by many as to what would the season be like had the Redskins started the fall campaign with such a team effort. Several Loudon players earned another chance of a starting berth at quarterback. The Junior field general has been involved in a three way battle for the starting role with classmate Greg Watson and sophomore Dennis Green. Lovelace had a banner night passing with a 32 yard strike to R.L. Brannum and three completions to sure handed Sam Lyle for another 49 yards.

John Deathridge playing behind David Surrett for the first two games of the season got his chance in the second half when the Redskins lost the services of Surrett with a broken collar bone. Deathridge responded with 40

down and Guider kicking from his own end zone. Mike Hooks, Lee Arnold, Carl Thompson and Tim Galyon were in the Loudon backfield almost as quick as the ball reached Guider. Hence the second blocked punt of the quarter resulted and a safety recorded when the ball bounced out of the end zone.

Lenoir City's defense stopped Loudon cold for the remainder of the game with the exception of a first down pass reception by Sam Lyle under pressure from the Panther secondary.

A short Loudon punt mid ways of the betic fourth stanza gave Lenoir City good field position once again and Cook used his running backs all with Chuck Williams, Stamey, and Walker netting

Tellico Landowners' Meeting

The Association for the Preservation of the Little Tennessee River is sponsoring a seminar for land owners who are affected by the Tellico Dam Project at Vonore High School, Sept. 23 at 8 p.m. The purpose of the meeting is to inform the property owners of legal procedures. Nashville attorney Robert Echols will discuss the implications of the federal injunction which is now halting construction on the dam.

APLTR officers stress that the meeting is not "anti-dam." Land owners who support the project need to be as well informed of their rights as those who oppose it. All who are affected in any way by the project, including road rights-of-ways, are urged to attend.

Teaching Positions Unfilled

Must Be In Memphis Wednesday

Coach Bill Marcus And Wife Nancy Leaving Loudon High School

by Danny Gibson
Sports Editor

Loudon High School assistant football and basketball coach Bill Marcus and his wife, Nancy, both teachers at Loudon High School, have announced their decision to leave Loudon. The announcement was made official Monday. The Marcuses are moving to Memphis, where Coach Marcus has been accepted for Pharmacy School. The knowledge of the highly regarded medical school was not known until Thursday by the Marcuses family. Coach Marcus and Nancy discussed the issue the entire weekend and after consulting Loudon Principal William Napier decided to return to Memphis. The announcement was made with mixed emotions from Coach and Mrs. Marcus. "We have to leave Loudon and Loudon High School, and our many friends but we feel this is best for us and Bill," said a cheerful Mrs. Marcus. Coach Marcus will attend Pharmacy School for four

years with part of his schooling coming from supervised work at some drug center in Memphis. Coach Marcus has several college credits in the field of pre-medicine thus helping to influence his decision to take the acceptance to enter Pharmacy School. Coach Marcus is in his third year at Loudon High School as general science teacher and serving as the junior varsity boys basketball coach and assistant varsity basketball coach. He joined the football coaching staff this fall. Mrs. Marcus had taught at Loudon High school for the past six years. She had served as Biology teacher and had a two year stint at girls basketball coach. Mrs. Marcus is also an active member and instructor in Loudon's summer recreation program. The loss of Coach and Mrs. Marcus (Nancy) is a tremendous shock to everyone who associates with them. Their character and com-

munity spirit is of unlimited worth to Loudon and Loudon High School. While very much disciplinarians in the classroom and as instructors of athletics Coach and Mrs. Marcus are two of the nicest and warmest people I think I have ever met. Although I have been in Loudon for only a short while and knowing only a number of people, when I arrived at Loudon High School to be introduced to the coaches and surroundings of the school I have never been treated with so much acceptance and effort to aid my covering of sports events at Loudon than I was shown by Coach Marcus. Coach Marcus with his bright smile and humorous personality along with the pleasant greeting of Mrs. Marcus will always be remembered as two extra special Loudon Countians whose friendship and citizenship will be hard to replace for what they have meant to Loudon High School students and their development.

Principal William Napier expressed deep feeling for the loss of two of his more finer teachers. "They are just gifts to their profession and our school," stated Mr. Napier. "We will have to look long and hard to find replacements for filling the excellent jobs they have spoiled us with in their class room jobs and athletic leadership."

The Marcuses will be leaving after this week for Memphis with a promise to all for a return visit. No replacements have been announced for the vacant positions left in the Loudon High School teaching and coaching ranks.

With the departing of Coach and Mrs. Marcus brings the count to four in loss of teachers for Loudon High School in just over a year's time. Basketball coach Mac Pesty took assistant basketball coaching duties at the University of the South and assistant football coach Buddy Wendell accepted a head coaching job at Chattanooga High School in Georgia.

COACH BILL MARCUS AND WIFE NANCY LEAVING LOUDON-HIGH School principal William Napier has announced that Mr. and Mrs. Bill Marcus will be leaving Loudon and the teaching profession this week. The Marcuses are leaving for residents in Memphis, where Mr. Marcus has been accepted for pharmacy school. Mrs. Marcus is the Biology teacher at Loudon High School, while Mr. Marcus is the general science teacher and assistant coach of the boys basketball team and this year's football team.

Panthers Fourth Quarter Rally Stops Loudon

(Continued from page 10)

had 22 yards on eight carries. Surret registered 15 yards on four tries from scrimmage before leaving with his injury.

Lenoir City, completely out played after being stopped at the Loudon six yard line in the first period, had individual standouts to come through in the clutch in warding off the Loudon hopes of an upset.

Donnie Stamey was a tremendous shock to everyone with 11 tackles and numerous

assists. Stamey scored a touchdown and became the inspiration of the Lenoir City team when they fell behind in the early going.

Tim Galyon played his consistent game and may very well be the best all round lineman in this area of the state. Definitely Galyon exhibits play required of an All Star and top College prospect. Mike Hooks, Lee Arnold, and Carl Johnson gave good accounts for

themselves through out the course of the game. Sam Thompson and Tommy Cook split 11 tackles between them on defense while Mike Walker gained 82 yards on 14 carries and caught one pass for 34 yards on offense for the Panthers. Donnie Stamey totaled 61 yards on 14 rushes and Chucky Williams gained 34 yards on five offensive efforts. Tommy Cook ran for 24 yards on eight plays and punted twice for a 40 yard average.

Not Bad!

Casey Stengel won 10 American League pennants and seven World Series while managing the New York Yankees.

McKeehan Rushes For 109 Yds.

Greenback's Keith Bailey is a very happy football coach. Coach Bailey's Greenback Cherokees are perched atop of the Foothills Athletic Conference Football Standings with a 2-0 league record and a 3-0 season mark.

The unbeaten, unscored upon, Cherokees played their best game of the season Friday night in whalloping Friendsville 27-0. The Cherokee victory described by Coach Bailey and his assistant Jerry Masino as the "Best team effort we've had in two years." And no doubt it is the sweetest and most comforting at the moment.

One very loyal Greenback fan said, "It just makes you want to sit there and have the team come back out again after the game to play some

Greenback's Offense, Defense, Throttles 27-0 Victory Over Falcons

good on the conversion. Greenback's defense turned into a block wall in the late part of the third period and forced Friendsville to punt on fourth down. The Cherokees got the ball at their own 22 yard line and with the Greenback offense clicking with the precision of a well oiled machine paraded 78 yards with Darrell McKeehan hammering over the goal line for a two yard six-pointer. The PAT failed.

The outstanding Greenback play was astounding to watch as they played with the finesse and character of a winner. The defense was led by the efforts of Bill Joe Kyker, who recovered another fumble. Joe Minor played great with a pass interception to keep his string alive in that

more the feeling of winning is so good." So right is the feeling in Greenback that the Cherokees will go against defending Foothills Champion Porter Friday night in what should be the game of the year and have an important bearing on the Conference and Region I "A" division race.

Greenback wasted little time in gaining the upper hand Friday night over the Falcons. Friendsville had entered the game unbeaten and a three point favorite over the Cherokees on the assumption that the Cherokees had key personnel out with injuries. Tony Linginfelter and company left little to be imagined when he geared the Cherokee to a fast moving ground attack on the running of Darrell

GREENBACK'S DARRELL MCKEEHAN RUNS DOWN FALCONS—Greenback's Darrell McKeehan is fast proving his worth as a Greenback football player. The wiry McKeehan gained 109 yards rushing. Friday night as the Cherokees downed unbeaten Friendsville 27-0. McKeehan dashes through the line for yardage in this picture behind the blocking of Dennis Childs and Gene Kimbrell. Bill Joe Kyker is at right fixing to make a block on Friendsville's linebacker Charles Tucker.

points took place before Greenback could find the end zone—again. With three minutes left in the half Tony Linginfelter rounded the end for a 16 yard touchdown jaunt and Hammontree made the count 14-0.

The second half had just gotten under way when Darrell McKeehan picked off a stray Friendsville pass for an interception at the Greenback 42 yard line. A sparkling 23 yard return had the Greenback followers on their feet. Linginfelter never gave the Friendsville defense a chance to adjust and flipped a 28 yard scoring pass to Larry Ritchey on the first play from scrimmage. Ritchey broke three tackles in completing the catch and run for pay dirt. Hammontree was

department. Minor has been moved to tight end since Randall Banks, a promising freshman starter has quit the team.

Dennis Childs, Jimmy Brooks, Mike Evans, Rick Radder, and Tommy McNeilly had high grades on their Friday night play.

Friendsville got as close as the 11 yard line on the Cherokees but a stalwart defensive effort on third and fourth down stopped the drive. Greenback escaped the close quarters with a surprise quick kick by Joe Minor, which traveled for 70 yards.

Darrell McKeehan has established himself as an offensive threat for the Cherokees, running wild over, around, and past the Friendsville defense for 109 yards of individual rushing.

Sweetwater Grasscutters Clip Loudon 30-0

The Loudon Grasscutters led a hard fought battle to the Sweetwater 75-pound team last Monday night. Although they were out-weighted, the Red team held their own in the second half and the offense moved the ball.

Running back Alan Eldridge and Bruce Eiler consistently made good ground gains and a pass from Zell Hawkins to Kevin Brown was good for several yards.

THE '73 FORDS ARE HERE.

At 60 mph a '73 Ford LTD quieter than an airborne glider.

On July 27, 1972, General Radio Co. tested a '73 LTD against an airborne glider. Both at 60 mph and with identical sound level meters. The result: the Ford was quieter. But the new LTD is more than just quiet. It is well made from its power front disc brakes, power steering and automatic transmission, standard equipment. Its luxurious, comfortable, cruise interior. There are 16 new Ford models to choose from and each will convince you that quiet is the sound of a well-made car.

THE QUIET 1973 FORD LTD BROUGHAM (Shown with optional Deluxe Bumper Group, Performance Group, deluxe wheel covers, front parking lamps and whitewall tires).

A '73 Torino on the Michigan Test Facility. The cables and photo to the left illustrate its smooth ride.

A '73 Torino balance so smooth, a high wire artist kept balance on a road of 2x4's.

Chances are you won't try to balance yourself on top of your new Torino. But, when you're riding inside, you'll still appreciate Torino's refined suspension—because it helps to cushion bumps, absorb road vibrations and reduce body sway. You feel solidly in control while you ride in comfort and luxury. The solid mid-size Torino. Smooth riding, strong and quiet.

THE 1973 PINTO WAGON (Shown with Square Diffuser, luggage rack, Deluxe Bumper Group and whitewall tires).

There are 39 new models to choose from.

And every 1973 Ford, Thunderbird, Torino, Mustang, Maverick and Pinto—comes equipped with energy-absorbing bumpers and steel guard rails in all side doors. Steel-belted radial ply tires and AM FM stereo radios are options on all models. Test-drive these new Fords at your Ford Dealer's office.

ALL 1973 cars must meet Federal Emissions Standards before sale. See your Ford Dealer for details.

Loudon, Tennessee

September 23, Proclaimed "Hunting And Fishing Day"

The nation and Tennessee's hunters and fishermen are about to receive the attention they justly deserve.

Proclaimed by President Richard Nixon, revised by the U.S. Senate and House of Representatives, and proclaimed by Tennessee Governor Winfield Dunn, September 23, 1972, has been set aside for the first celebration of "Hunting and Fishing Day."

"Hunters and fishermen have played outstanding roles in the conservation of wildlife resources through their contributions to wildlife management programs which are of significant benefit to all fish and wildlife, including non-game species," Governor Dunn said when proclaiming the Tennessee celebration of the important day.

Historically, the joint activities of hunting and fishing have been held in the highest regard as a prime recreational activity. More importantly, the hunter and fisherman is the first to recognize the need to conserve and perpetuate our natural resources. With scarcely an exception, the most effective leaders in the fight to save the environment developed their dedication to the cause from their early outdoor experiences in hunting and fishing.

"Perhaps the greatest contribution the hunter and fisherman makes is in the financing of programs that promote the wise use of our national resources," Tennessee Game and Fish Commission Director David M. Goodrich, said.

For many years, the only funds available to Federal and State Governments for conservation of natural resources have come from special taxes

and fees levied solely on hunters and fishermen. To date, some two and a half billion dollars in tax and license fees has been the sportsman's special financial contribution for the conservation of our natural resources.

The celebration of "Hunting and Fishing Day" will call attention to the considerable contribution hunters and fishermen make to the national welfare and introduce the hunters and fishermen in the community.

A PROCLAMATION ESTABLISHING LOUDON COUNTY HUNTING AND FISHING DAY THE FOURTH SATURDAY OF EACH SEPTEMBER

Because of the outstanding contributions of America's hunters and fishermen to recreation, conservation and the economy, they are deserving of special recognition.

Since the turn of the century, hunters and anglers have been the leaders in major conservation programs in our cities, states and Washington. These sportsman-conservationists are responsible for the founding of state fish and game departments in all 50 states. They asked that they themselves be required to buy hunting and fishing licenses and that the money collected be used to support state conservation agencies. Hunters and fishermen asked for season and bag limits so that everyone would have a fair chance to harvest the annual crop of game and fish without damage to the basic breeding stock of any species. Further, sportsman's programs have benefited hundreds of non-game fish and wildlife through habitat development.

Hunters and fishermen, unique in America, asked that their fishing and hunting equipment be taxed and that the money be used for land acquisition, research and habitat management for fish and wildlife for the enjoyment of all Americans. Through their publications and organizations—such as the National Wildlife Federation, Ducks Unlimited, Izaak Walton League of America and many others—hunters and fishermen have led the nation in the battle for a better environment and the wise use of our natural resources.

Therefore, I, Harvey L. Sproul, County Judge of the County of Loudon, do hereby proclaim September 23, 1972, as Loudon County Hunting and Fishing Day and that this Day be an annual observance the fourth Saturday of each September. I urge all of our citizens to join with sportsman-conservationists in a rededication to the wise use of our natural resources and their proper management for the benefit of future generations. Further, I urge all citizens to visit sportsman's clubs in Loudon County Hunting and Fishing Day to learn more about conservation and outdoor skills.

(signed) Harvey L. Sproul

Date September 18, 1972

(Please send copy of proclamation to NHF Day, 1412 Sixteenth St., N.W., Washington, D.C. 20036.)

HUNTING DAY PROCLAIMED—Following a National Proclamation making Sept. 23 National Hunting Day Judge Harvey Sproul signs a county proclamation to the same effect as Game and Fish Commission officer Sgt. Bob Harmon looks on.

GIBSON'S BLUE WINS AGAIN—Gibson's Blue Coon dog of Loudon won first place in the Loudon Coon Clubs night hunt last Saturday night. He also won the series hunt for having more points than any other dog in the Club. Howard Gibson is the owner of the prize winning dog.

Hamil And Huff Take 8 Point Lead In Golf Play

Only four weeks remains in the Union Carbide Golf League play. Dick Huff and Ari Hamil, defending champions, have once again overtaken the league lead after a week's absence. Huff and Hamil own a 157 team points and an eight point lead over challenging Jack Miller and Clell Miller. The Miller team has 149 points to date but failed to scratch last week and thus surrendered what may be an uncatchable lead to the team of Huff and Hamil, who tallied 10 team points and vaulted from second place.

Only four weeks remains in the Union Carbide Golf League play. Teams receiving honors were Ray Birkholz and Chuck Moore, Dick Rosenbaum and Eldon White, Ed Swenson and Gerrald Cole, and Homer Stamey and Carlos Evans. Top individual honors went to over challenging Jack Miller and Clell Miller. The Miller team has 149 points to date but failed to scratch last week and thus surrendered what may be an uncatchable lead to the team of Huff and Hamil, who tallied 10 team points and vaulted from second place.

CHEROKEE WAR PARTY CELEBRATION—Greenback football players were full of excitement and big smiles Friday night after polishing off Friendsville for their third victory circle at the third-mile dirt track this year.

Loudon Mustangs Suffer Loss Atomic Speedway Saturday

The Loudon Mustangs outplayed the Speedwax 90-pound team last Monday night, but still lost a heart-breaker, 8-6. Loudon took the opening kick off and in six plays were in the red zone for six points. Two long runs of 27 yards and 24 yards by Boo Boo Hawkins sparked the drive. The try for extra points failed.

Racing fans at Atomic Speedway are still waiting for veteran driver Joe Lee Johnson of Chattanooga to do his thing. Johnson, one of the South's leading late model sportsman drivers, still hasn't reached victory circle at the third-mile dirt track this year.

Boo Boo Hawkins gained a net 90 yards for the night, becoming the leading ground gains. He also completed four passes to Greer Carey for 27 more yards. Tony Schrimsher also carried for 24 yards.

The racing program, which gets under way at 7:45 with time trials, includes a 40-lap feature, 20-lap semi-feature, four heat races and a 20-lapper for hobby cars.

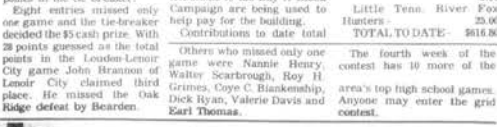

DEATHBRIDGE SCRAMBLES FOR RUSHING HONORS—Loudon's sophomore running back John Deatheridge was the top rushing individual for the Redskins Friday night with 80 yards in nine carries. Lenoir City's Tommy Cook trips Deatheridge from turning this play into a possible touchdown. Loudon's Jimmy Bivens (80) arrives late in preventing the tackle.

Near Perfection Grid Pick Tops Contest Entries

Things are beginning to settle down into mid-season form in the Herald's Football Contest, with a number of people showing more knowledge in their selections. Two entries got all 10 games correct and picked the upsets, McMinn County over Clinton and Bearden over Oak Ridge. First place with 10 games correct and 20 points in the tie-breaker was claimed by John Gray, 918 Valley Vista in Loudon. He won \$12.

Second place money of eight dollars was won by Phil Watkins, who also had all 10 games correct and had 20 points in the tie-breaker. Eight entries missed only one game and the tie-breaker decided the \$5 cash prize. With 28 points generated as the total points in the Loudon-Lenoir City game John Brannon of Lenoir City claimed third place. He missed the Oak Ridge defeat by Bearden.

Others who missed only one game were Annie Henry, Walter Scarborough, Roy H. Grimes, Coye C. Blankenship, Dick Ryan, Valerie Davis and Earl Thomas.

PEE WEE JUNIOR REDSKINS—Those players on the 13 and 14 year old Pee Wee football team at Loudon in the Volunteer Conference are left to right front row manager Don Russell, Arnold Russell, Windall Davis, Darrell Russell, Kenny Starritt, Dennis Brown, Doug Jossell, and manager Gary Gibson. Back row, left to right, Coach Mike Littleton, David Gagley, Carter Cardwell, Greg Deatheridge, Joe Williams, Chester Moore, Gene Cate, and Mark Moore. Not pictured was Coach Sonny Downs.

ANNUAL FOOTBALL CONTEST

The Herald

\$250
IN CASH
PRIZES

\$25 Each Week

\$12 First Place Each Week

\$8 Second Place Each Week

\$5 Third Place Each Week

Entries must be in Herald Office by 5 P. M. Friday or Postmarked by 5 P. M. Friday, if mailed.

CONTEST RULES

- Clip the contest entry blank on this page, or make a reasonable facsimile. In the column designated, mark which team you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
- Only one entry per person may be submitted. Employees for their immediate families of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
- All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
- Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Game & Fish TODAY

By Sgt. Bob Harmon
Game & Fish Commission

DROP IT AND YOU'RE BAITING, LEAVE IT, AND YOU'RE NOT

The confusion over what does, and what does not constitute "baiting" of a dove field is not all that perplexing, especially if Federal regulations are closely studied, according to the Tennessee Game and Fish Commission.

"Any grain or seed left in a field as the result of normal agricultural operations is perfectly legal, no matter how many doves or other wildlife it attracts," Commission Director David M. Goodrich, said. "The determining factor is that it must be part of a normal agricultural operation."

By this conclusion, the practice of baiting can only be the intentional spreading of corn, other grains or seeds for the express purpose of attracting wildlife, with no intent of the action to be part of an agricultural operation.

But even this is not illegal, according to interpretation of Federal regulations, when hunting is allowed or done adjacent to or on the baited area.

Officers of the Tennessee Game and Fish Commission and the U.S. Fish and Wildlife Service made several baiting cases at the beginning of the dove season. In all cases, baiting had been done prior to the opening of the season and was known to the officers. Arrests were made, however, only when hunting over the baited area occurred.

G & F ANNOUNCES WATS INCOMING TELEPHONE SERVICE

Tennesseans may now report hunting, fishing and boating violations, pollution fish kills and ask for emergency assistance from the Tennessee Game and Fish Commission by using the nearest telephone.

"Dialing 1-800-342-8406 will put anyone in the state in contact with the Game and Fish Commission's Nashville headquarters," Commission Director David M. Goodrich said in announcing the new service. "There will be no charge for the call," he added.

Director Goodrich emphasized that the incoming WATS line is intended for emergency use, when normal channels of communication would be impractical or unavailable.

Coupled with the Game and Fish Commission's two-way radio system, the new telephone service should result in immediate attention to an emergency situation. During September, radio dispatchers will be on duty and weekend duty in the Nashville and Knoxville G&F offices to bolster the new service.

During hours when radio dispatchers are off duty, incoming messages will be recorded for attention when office hours resume.

"We remind everyone that this telephone line is intended for emergency use, and ask

that discretion temper the use of this number," Director Goodrich said.

Fishing and Hunting Forecast CHEROKEE LAKE
Water conditions - clear and falling - fishing conditions good.

Bass - good on plastic worms. Some activity on topwater lures early and late. Rockfish, hybrids and strips - fair, casting in the breaks in Morristown and German Creek areas. Crappie - good, trolling medium size jigs and minnow combination.

NORRIS LAKE
Water conditions - clear and falling
Bass - fair, casting deep, rocky points at night using black doll flies with pork rind or spring lizards. Stripes - fair, casting breaks in late afternoon using topwater lures. Bluegill - good on popping bugs and crickets.

NORRIS TAILWATER
Trout - good on corn, flies and worms when water is off.

DOUGLAS LAKE
Water conditions - clear and falling
Bass - fair, casting deep-running lures - fast. Crappie - fair in heads of coves using gold minnows. Catfish - fair, fishing deep with worms.

WATTS BAR LAKE
Water conditions - clear and stable
Bass, crappie and stripes - a few being taken on topwater lures; also fishing at night under lights with minnows. Bluegill - fair on worms and popping bugs. Catfish - fair, using cut bait on trotlines.

FT. LOUDON LAKE
Water conditions - clear and falling
Bass - some activity early and late on topwater lures. Stripes - fair, casting breaks in late afternoon and still fishing with minnows at night under lights. Bluegill - good on worms, crickets and popping bugs.

MELTON HILL LAKE
Water conditions - clear and fluctuating
Bass - fair on topwater lures early and late.

Stripes and crappie - fair on minnows and jigs. Bream - good on worms and popping bugs.

CHILHOWEE LAKE
Water condition - clear and fluctuating
Trout - good on corn, worms, at night under lights. Bluegill - good on crickets and worms.

LITTLE TENNESSEE
Trout - good on spinners and corn.

HUNTING
Squirrel hunting continues to be excellent. Squirrels feeding on acorns and hickory nuts.

Dove hunting is slowing down some but several milled and corn fields are still producing fair shoots.

Hunters remember: September 23, 1972, is National Hunting and Fishing Day. On the wildlife management areas that have scheduled hunts on that date, the area permits will not be required. Those areas are Catawba, Tellico, and Chuck Swan Henderson Island and Kingston refuge will be open on that date for special dove hunts.

1973 Chevrolet Shows At Miller Motor Company Thursday

Chevrolet, which sells more cars and trucks than any other manufacturer in the world, in 1973 will offer three product lines that are completely new from the ground up...the Monte Carlo, the division's personal luxury car, an all-new Chevelle, and a completely restyled line of pickup trucks, Chevrolet's first new pickup truck in six years. The entire line goes on display at Miller Motor Company in Loudon today.

The 1973 Chevrolets, featuring seven car series...from the top-of-the-line Caprice to the versatile Vega...give America's automobile buyer the greatest choice of styling features and safety innovations ever offered in the division's 62-year history.

In the model year that just ended, Chevrolet broke its all-time past sales records. Along the way new sales records were established for the Corvette, the Monte Carlo, the Caprice, the Nova, and the Vega...which gives some idea of the breadth of Chevrolet's current sales strength.

John Z. DeLoorean, a General Motors vice president and general manager of Chevrolet, stated that the '73 models are substantially improved in roadability, comfort and styling.

"In addition," DeLoorean added, "Chevrolet dealers are undertaking an all new service program, called Service Supremacy, which should result in a giant step toward better service."

The addition of an improved product and improved service to the momentum built in the past year should guarantee a super year for Chevrolet in 1973," he concluded.

The 1973 Chevrolet passenger cars and trucks are scheduled for public introduction on Thursday, September 21.

All told, Chevrolet will offer 87 passenger car models in '73, eight more than in the previous year.

The new Monte Carlo...one of the industry's strongest candidates for Car-of-the-Year honors...has outstanding handling and roadability characteristics.

From its new impact resistant bumper and new roofline to its sculptured taillights, the Monte Carlo has redesigned interiors, instrument panel and steering wheel.

Also new is an acoustically-engineered double-panel roof while a power-operated all-metal sliding roof is optional. Another customer-pleaser is a new 22-gallon fuel tank.

The full-size standard Chevrolet, the industry's top selling car, offers a new luxury series...the top-of-the-line Caprice Classic.

The Classic sports a convertible model for the first time along with two and four-door hardtops and a four-door sedan.

Also offered are two and three-seat Caprice Estate wagons which have a 125-inch wheelbase and the popular Slide-Away tailgate.

New station wagon names in 1973 are keyed to comparable Chevrolet series. Thus the former Kingswood becomes the Impala wagon and the El Camino replaces the former Brookwood station wagon in the Chevrolet lineup.

Both Nova and Camaro have new model entries in 1973.

The Nova hatchback coupe features a lift-away deck and six-foot of flat floor when the rear seat is in a downward position. Utility is the hallmark of this remarkably-handling small-family car either for in-town shopping or for country cruising or camping.

The newest member of the Camaro family is the Camaro Type LT coupe, a luxury touring model which has a 14-horsepower Turbo-Fire 350 cubic inch engine.

New styling and handling highlight 100, Chevelle for 1973 along with the introduction into the line of the Colonnade hardtop design. The Chevelle is offered in three series...top-of-the-line luxury Laguna, popular Malibu and a new base deluxe model.

In addition, the SS option is available on Malibu Colonnade hardtop coupes and Malibu station wagons. Wheelbases for the Chevelle

FLAGSHIP OF THE FLEET—The all-new Chevrolet Monte Carlo is among the most changed of all seven Chevrolet car lines in 1973. Featuring beautifully sculptured side and rear-quarter metal, new grille, and an optional Landau or opera-type vinyl roof, the Monte Carlo is a styling classic. Many months of advanced chassis and suspension engineering work have given the Monte Carlo handling and roadability said to equal or surpass that of Europe's most expensive personal touring cars.

include 112-inch for coupes, and 116-inch for sedans.

At the same time, new names adorn Chevelle's wagon line-up including the Laguna Estate and Laguna; Malibu Estate and Malibu; and Deluxe.

Two and three-seat wagons are offered in all Chevrolet series.

A new, improved Vega offers eight new exterior colors...four exclusive to this car line. Four Vega models are the hatchback coupe, notchback coupe, Kammback wagon and panel express truck.

America's only production sports car...the Corvette...features evolutionary changes which include an impact-resistant front bumper, side guard beams, hide-a-way windshield wipers, a new air induction system for

the engine, steel-belted radial ply tires and a new Turbo-Jet 64-cubic-inch V8 power plant.

Chevrolet in 1973 offers a wide variety of new colors. Availability includes 16 paints and seven extra-coat vinyl tops.

All paint and top colors except black (new for the Chevelle) and white are available in color combinations are obtainable with the new paint and vinyl top offerings.

Highlights by car line are as follows:

CHEVROLET: The industry's leading seller, the full-sized Chevrolet sports a brand new Caprice Classic convertible for the first time along with two roomy, 125-inch wheelbase top-of-the-line Caprice Estate station wagons. The new Caprice Classic lineup also

offers a coupe, a sport sedan and a four-door sedan.

Inside, the Caprice offers four knit-cloth and vinyl plus one brocade cloth and vinyl choice for coupe and sedan. Three all-vinyl interiors are available on the convertible while a new soft-rim steering wheel has cushioned center for all full-sized Chevy models.

MONTE CARLO: Sculptured side and rear-quarter panels, a distinctive Landau top, along with revolutionary handling and roadability make the Monte Carlo a top candidate for Car-of-the-Year honors.

The Monte Carlo Landau is designed to achieve the ultimate in personal luxury vehicle comfort offering a sturdier frame, a new highly-refined and tuned suspension

NEW CHEVROLET NAME PLATE—A distinctive European flavor, both in styling and handling and roadability, highlights the new Chevrolet Laguna which is available in two and four-door pillar hardtop models and four-door station wagon models. Urethane impact-resistant front bumper, new grille with single unit power beam lamps are highlights of the additional luggage space. Introduction date for all Chevrolets is Thursday, September 21.

system, wider wheel trends, new body mounts, new suspension geometry concept.

The 1973 Monte Carlo offers American motorists for the first time roadability, handling, and quietness never before experienced by the driver of a standard-sized American automobile.

CHEVELLE: New Colonnade two and four-door hardtop coupe and sedan models are offered in the Malibu series. An "SS" package for the Malibu coupe well as station wagon is offered for the first time.

Station wagons now carry the same names as their sedan and coupe counterparts. Chevelle station wagon models for 1973 are offered in three series...Laguna and Laguna Estate wagon, Malibu and Malibu Estate Wagon and

the DeLuxe.

NOVA: The Nova model line-up in 1973 is increased from two to six models consisting of a new hatchback coupe, a regular coupe and four-door sedan in two series, including a new personal luxury Nova Custom.

CAMARO: The new Camaro Type LT coupe is a luxury touring model with special exterior and interior appearance features. Luxury seats and sidewall trim, special instrumentation and special LT steering wheel emblem highlight the interiors. LT exterior package includes dual sport-mirrors, hide-a-way windshield wipers, a lower body side molding with accent paint treatment, LT emblems and 14 x 7 Rally wheels.

VEGA AND CORVETTE: Evolutionary changes highlight changes for 1973 for both these models.

Vega again offers four body styles including hatchback coupe, notchback wagon and panel express truck. Vega also offers new front bumper with stronger mounting for improved protection, new Chevy-built three and four-speed manual transmissions with improved shift linkage design and improved emission control system.

Quieter ride and even greater handling abilities characterize the 1973 Corvette as one of the most sought after true production sports cars in the world.

In addition, two Stingray versions are offered...a two-passenger coupe and convertible.

Curtis-Tipton Motor Company Shows 73 Fords Friday

A new Ford car, with fresh front appearance, new sheet metal, and unique features including an optional anti-theft alarm system and a standard spare tire extractor for station wagons, highlights Ford Division offerings for 1973, that go on sale at Curtis Tipton Motor Co. in Loudon Friday.

With our bread-and-butter car all new, and with the market leadership we hope to continue with Pinto, Torino, Thunderbird and Mustang, we look forward to 1973 as another record-breaking year," said John Naughton, Ford vice president and Ford Division general manager.

The Division's 39 car models in six lines will make their debut at Ford dealerships Friday, September 22. Availability of all vehicles is subject to Federal emissions certification.

Ford Division continues to expand the availability of radially-steel-belted tires which are standard again on the Thunderbird in 1973 and now optional on all other car lines. These tires are offered with a 40,000-mile wear guarantee from the manufacturer.

The Ford car receives a new look, a more convenient instrument panel, and a variety of new features. Thunderbird offers a new front appearance and a new optional opera window.

Torino, with two new luxury models, eliminates the high-back bench seat of 1972 and adds a new front grille. Mustang's front bumper now is molded urethane.

Maverick's interior is substantially upgraded. Pinto adds to changes started during the '72 model year both steering and braking refinements besides new paint and trim color selections.

New impact-absorbing bumper systems that meet Federal safety standards are on all 1973 Ford Division cars as are new exhaust emission control devices to help control oxides of nitrogen (NO-X).

FORD

The Ford features a new grille, and new sheet metal which give the car a long, formal look. All four-door

Ford have new "green-houses" with increased headroom over similar 1972 models.

Other Ford standard equipment improvements include a new instrument panel which places the radio, heater-air conditioner and clock within easy sight and reach of both the driver and front passengers. The bin-type glove box is twice as large as in 1972. Improved window weather-stripping helps to provide an especially quiet ride. Windshield washers on the wiper arms provide precise amounts of window cleaner exactly where needed. All 1973 Fords also include power front disc brakes.

New options with Fords include a right rear-view mirror with its control near the steering column, handy to the driver. Power mini-view windows are available with four-door models.

Other new options include a recreation dial between the optional dual facing rear seats in station wagons, an AM-FM stereo radio with tape player option and an automatic parking brake release.

The anti-theft alarm system also is optional. When the system is armed, forced entry into the passenger or luggage compartments cause the car's horn to sound intermittently for five to seven minutes.

The 460-cubic-inch V-8 eight-cylinder engine is an added option with Ford cars. Standard engine for 1973 is Ford's 331-2V, a V-8 accompanied by a standard automatic transmission.

The 1973 Thunderbird offers a new front appearance produced by a new grille, standup hood ornament and larger, impact-absorbing bumper. Front and rear headroom is increased.

Radially-steel-belted white sidewall tires are standard, as are a refined rear suspension, larger rear brakes, and bright body-side protection molding with a black vinyl insert.

TORINO

An all-new car in 1973, the Ford Torino has a new front appearance in 1973. Low-back

1973 FORD—Most changed Ford Division car for 1973 is the full-sized Ford. Shown here is the LTD four-door hardtop. All-new sheet metal below the window line and a new segmented grille give the 1973 Ford a more formal look. All 1973 Fords have a new impact-absorbing bumper system, although the overall length of the car is increased only about one inch. Power front disc brakes, power steering, Select Shift Cruise-O-Matic transmission and a 331-2V eight-cylinder engine are standard in all new Fords.

front bench seats are standard, and an electric rear window defroster is now optional for station wagons.

A new Torino series is added. It included the Gran Torino Brougham two-door hardtop and four-door pillared hardtop. They replace the Brougham Interior Trim Group option of 1972.

MUSTANG

Ford Mustang's five models — still the widest choice in the small specialty segment — include Ford Division's only convertible for 1973. All Mustangs carry a new grille, and molded urethane front bumpers which match the body color.

Five new paint colors and two new trim colors are offered. New options include forged aluminum wheels and a two-ton hood with twist-type hood locks.

Other new options include a leather-wrapped steering wheel, a revised protection package and rear bumper guards.

MAVERICK

Ford Maverick, Ford Division's million-unit seller, receives a substantially upgraded interior with more comfortable seats and richer looking door trim.

A refined front and rear suspension and an improved sound insulation package highlight Maverick's technical improvements. Sporty forged aluminum

wheels and an AM-FM radio are new Maverick options.

PINTO

Ford Pinto — which received many "running changes" in mid-1972 including thicker seats on all models and an improved suspension — for 1973 adds steering and brake refinements and an optional handling suspension package. Such 1973 additions as the station wagon, sun roof and Sports Accent Group will continue into 1973.

All new pickups with the most extensive changes in six years highlight Ford Division's light truck lineup for 1973.

Longer wheelbases, wider tracks, restyled sheet metal and new options give the Ford pickups flexibility as personal or work vehicles.

"The Ford pickup has become one of the best selling vehicles in America in recent years because of its versatility and dependability," said John Naughton, Ford vice president and Ford Division general manager. "In the truck market, whether commercial or personal, form follows function — and for 1973 we have concentrated on providing the ever-growing number of pickup users with the features they have demanded, while retaining the rugged looks our customers want."

New features and options include a longer cab with

behind-seat storage in most models, a special 140-inch wheelbase Super Camper Special designed for the larger campers on the market, automatic transmission and power steering for the four-wheel-drive models, a redesigned instrument panel with integral optional air conditioning, and a fiberglass pickup box cover designed specially for the Ford pickup.

NEW FEATURES

The wheelbases on all F-Series pickup trucks, already the longest in the market, have been by two inches to 117 inches and 133 inches. This allows the addition of two inches to the length of the cab for added comfort and convenience for occupants, and, with an outside fuel tank, provides a behind-the-seat storage compartment suitable for tool boxes, suitcases or fishing gear.

Several new options, most of them recreation-oriented, are available for 1973. For the first time, front and rear stabilizer bars — designed for improved handling with a loaded vehicle — are included with the Camper Special and Super Camper Special option packages and are available separately.

A high-quality, smartly styled fiberglass pickup box cover, designed for the new Styline pickup with eight-foot box, mates accurately with the box and rear of cab.

1973 TORINO—Ford Division's Torino, which set a series of sales records in 1972 in pacing its market segment, presents a new front appearance for 1973 highlighted by a wider grille and a larger impact-absorbing bumper. All Torino models for 1973, including this Gran Torino two-door hardtop, feature new high-visibility, low-back front bench seats, larger rear brakes and an inside hood latch release. New Torino options for 1973 include steel-belted radial-ply tires and a spare tire lock.

1973 MAVERICK—Providing additional flair for compact buyers is Ford Division's Maverick four-door sedan with Luxury Decor Option. The Luxury Decor Option includes reclining independent seats, deep-cut pile carpeting, white sidewall steel-belted radial ply tires, vinyl roof and improved ride and sound packages.

F-100 PICKUP TRUCK—Ford Division's new F-Series pickup trucks, including this F-100 Ranger XLT, feature the most extensive changes in six years. The F-100 250-300 light trucks include an all-new cab, new interiors, new exterior sheet metal, longer wheelbases and wider tracks. Cab length is increased two inches, permitting more leg room and a roomy storage area behind the seat in most models. New features include front disc brakes on all two-wheel-drive models, double wall construction of the cargo box and optional power steering and automatic transmission in four-wheel-drive models.

LEGAL NOTICES
NOTICE OF SALE OF REAL ESTATE
WHEREAS, On the 13th day

of October, 1971, by deed of trust recorded in the Register's Office for Loudon County, Tennessee, in Trust Book 121, page 441, Jerry D. Davis, wife, Linda Q. Davis, conveyed to Ernest P. Schumacher, Trustee, the hereinafter described real estate to secure a note in the sum of \$14,700.00, due in monthly installments of \$97.90 each, commencing on the first day of December, 1971, and on the first day of each month thereafter until the principal and interest are fully paid, except that the final payment of principal and interest, if not sooner paid, shall be due and payable on the first day of November 2001.

NOTICE TO FURNISHERS OF LABOR AND MATERIALS TO HARRISON, INC. CONTRACTORS, FOR USE IN THE CONSTRUCTION OF CONTRACT NO. 6811, PROJECT NO. S-53006-8204-04, AND SP-68001-8203-04 LOUDON-BLOUNT COUNTY.

Notice is hereby given that the State Department of Highways is preparing to make settlement with HARRISON, INC., CONTRACTORS OF ALOOA, TENNESSEE, for the BIRMINGHAM (PLANT MIX) MATERIALS OF A SECTION OF STATE ROUTE 33, BEGINNING AT THE MONROE-LOUDON COUNTY LINE AND EXTENDING TO A POINT APPROXIMATELY 2.1 MILES EAST OF THE LOUDON-BLOUNT COUNTY LINE, being a total length of 6.13 miles and designated as project numbers SP-53006-8204-04 and SP-68001-8203-04 LOUDON-BLOUNT COUNTIES.

All persons holding claims against the contractors, HARRISON, INC., or their agents, for materials or labor entering into the construction of this project, must file itemized notice of such claim (5 copies) with the original copy to the Chief Clerk of the Tennessee State Court, Public. This notice of claim to be received at the Office of G.L. Allen, State Construction Engineer, the Department of Highways, 118 Highway Building, Nashville, Tennessee 37219, on or before November 6, 1972, in order to obtain the advantages afforded to claimants by legal statutes.

ROBERT F. SMITH, COMMISSIONER.
NOTICE TO CREDITORS
Estate of Charles W. Rollins, Ezarene Rollins, widow, John O. Gibson, attorney. Notice is hereby given that Charles W. Rollins died intestate on August 14, 1972, in Loudon County, Tennessee.

Phillips, vs. Elizabeth McDaniel Bihaki, et al. STATE OF TENNESSEE. IN CHANCERY COURT OF LOUDON COUNTY.

NOTICE OF BRANCH BANK
Notice is hereby given that the First National Bank of Loudon, Loudon, Tennessee has made application to the office of the Comptroller of Currency for permission to establish a branch at the N.W. side of W. Lee Highway (State Route No. 11) approximately 300 yards S.W. of the intersection with Fowler Mill Road, Philadelphia, Tennessee. This application was accepted for filing by the National Administrator of National Banks, Memphis, Tennessee on August 4, 1972.

HIGHLAND HOMES
Lenoir City - Ph. 986-5839

I suppose the one major thing that has undergone drastic changes across the years has been our mode of transportation. One element of this is the auto and trucks, and this seems to be possibly one of the most quickly recognized things. Our

readers of the Good Old Days pictures very much. We enjoy receiving them from our readers. We have a picture this week of an old truck and the driver. The truck, a "T" model Ford, was used by Mr. Garret

Jamerson on his Rustleigh Products sales. The young lady standing on the running board is Mr. Jamerson's eldest daughter, Lucille. Several times over the passing years we have written something about the two Civil War locomotives which are (from what we can determine) at the bottom of the river at the railroad bridge in Loudon. Well, we have been approached by some interested parties, who have the needed equipment to search the river bottom to determine whether or not they are there, as has been recorded in some Civil War articles written about the Civil War. The last group of people to approach me on this wanted to know if they found them and recovered them, who would lay claim to the rightful ownership. Of course, we could only answer that we had no idea about the legal aspects of ownership. These interested people are investigating this matter further and their course of action will hinge upon what they find out. This is not intended to be critical of their approach. Regardless of who could claim ownership, I still would like to see the matter proved or disproved once and for all. Another picture we have this week is of an old house somewhere in Loudon County. Just where, we don't know. Maybe some of our readers can enlighten us as to whom it was the home of and the location. Another picture we are using is used for a special

reason. Of course, it is the old railroad bridge and as most old timers know, there was an old Fort used during the Civil War which lays along the Duff side of the railroad. What we would like to know is, do you,

Completes Basic

Airman Clarence E. Bowers, son of Mrs. Mildred Brewer, 100 Highland Avenue, Loudon, has completed Basic Training at Lackland Air Force Base, Texas. He is a 1971 graduate of Loudon High School. He will be assigned to Lowry Air Force Base, Colorado where he will be studying as an Inventory Management Specialist.

our readers, have any pictures of this old fort or area? Call us if you do, it is of real importance. In our thinking about old trucks out of the past many memories come to mind. The once popular grocery delivery truck is one all of us from the Good Old Days will recall.

They used to be a common sight especially on Saturday when everyone ordered their groceries for the week. The once very popular peddler who operated rolling stores with their order of the kerosene can, which was mounted on the back of the truck, always had a good

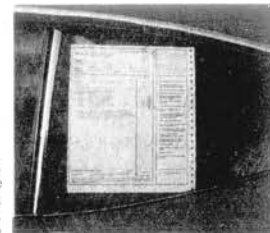

supply of candy and other things for children of the rural communities they served. We are still looking for old school group pictures. Regardless of the year or school, give us a call if you have one we can use. Well, that's it for now. See you next week.

\$200,000 Criminal Justice Center Grant Approved

Loudon County has been approved for a grant of \$200,000 toward the construction of "Criminal Justice Center" to serve the County and its four cities. County Judge Harvey Sproul announced this week. He said he received notice of the approval on Monday of this week. The money - to be matched on a 50-50 basis by local funds - was approved for Loudon County by the Tennessee Law Enforcement Planning Commission. "The State only had \$450,000 to distribute this year and Loudon County was the only one to receive its full request," Judge Sproul noted. Under the proposal, a joint-use facility would be built somewhere between Lenoir City and Loudon to serve as a lock-up for Loudon County, Lenoir City, Loudon, Greenback and Philadelphia.

It would contain quarters for the General Sessions Court, the office of the General Sessions Court Clerk, central communications center to several courts, police departments, the Sheriff's office, and the fire departments operated by Lenoir City, Loudon and the Loudon County Rescue Squad. Also housed in the building would be the headquarters for the Loudon County Civil Defense organization. The next step, Judge Sproul said, is to get the specific endorsement from Loudon County Court and meet with the project. The Court has already approved the Criminal Justice Center in general terms, but under the terms of the grant, the County now began taking steps to carry out the project immediately, the Judge reported.

Hospital, Ambulances On Long Court Agenda Monday

When Loudon County Quarterly Court meets Monday at 7 p.m. they face another long agenda that includes more than 20 committee and county official reports. Among the items expecting court action is one concerning the election of a new Board of Directors for the Loudon County Memorial Hospital. A resolution is expected to be introduced by Squire I.D. Corner establishing new guidelines for board appointments, description of their duties and that of the hospital administrator. The major point of the resolution provides that Hospital Board members will be appointed on a year to year basis by the county court. Squire Corner said that the definition of duties of the board and the administrator simply put on paper those that they now have. The squares will also consider the establishment of a Loudon County Criminal Justice Advisory Board. There are three items listed under the Ambulance Service Study Committee. They include a report on previous actions of the court, activities since last meeting and consideration of any recommendation and discussion concerning the Nov. 15 deadline set by funeral homes for ceasing local operations. The court will also consider the appointment of a Constable for the fifth district. (Continued on Page 12)

Program and continuation of general program. (1) Further appointment, organization, and finalization of committees. (2) Report concerning personnel classification study. (3) Report concerning appointment of Constable for Fifth Civil District. (Continued on Page 12)

Luttrell Forms Club, Starts Park Development

Less than two weeks old and already the Luttrell Community Club is waiting no time in busying itself with community projects. Only two days after the Club was officially created with the election of officers at a community-wide meeting, members were speedily preparing an application for federal funds for the development of a \$20,1230 community park and center to be situated on the grounds of the old Lenoir School which has been closed for eight years.

No waste of time here! Assisting the Club with technical matters in the application to the U.S. Department of Housing and Urban Development was Tom Platt, a Tennessee State Planning Office representative who works with Loudon County and its municipalities and counties. According to Platt, if the grant from HUD is approved the federal government will pay for the construction of the park with the remaining cost being promised by the Community Club through "in-kind" services such as assisting in the construction of the park and cash. Depending upon the grant's approval, the park will contain a baseball-softball field, a children's playlot, picnic tables and a basketball gym since the old gym is renovated.

Officers Elected
New officers of the group are: Dennis Richman, president; L.E. Bruce, vice president; Jerry Thomas, treasurer and Charlie Romine, secretary. Recently Richman, Bruce and Thomas gathered at the Luttrell School site to look over their hoped-to-be community center and explained some of the background in seeking a park facility for the Luttrell community. "We've actually been discussing a park project for about two years," President Richman said, "and have been organized to work on it six months although the Club was (Continued on Page 12)

Registration Deadline Oct. 7

A special supplemental voter registration will be held at five locations throughout the county Saturday by the Loudon County Election Commission from 9 a.m. to 4 p.m. Election Commission Chairman John Gibson said that the deadline for persons to register to be eligible to vote in the November elections of October 7. The special registrations will be held in the Election Commission office at the courthouse, the Eatons School, Lenoir City Utility Building, Greenback fire hall, and McNabb Furniture at Philadelphia.

Cycle Hits Truck, Rider Killed

A young Lenoir City man died Wednesday night Sept. 20, just a few hours after the motor cycle he was riding smashed into the rear of a huge coal truck on Browder Hill between Loudon and Lenoir City. The victim was David Spoons, 18, of 1065 Bell Avenue in Lenoir City.

State Trooper George Pierce said that Spoons and a companion were riding side by side going South on U.S. 11 about 9:30 p.m. when they

RIDER WAS KILLED—David Spoons, 18, of Lenoir City was killed when the motor cycle he was riding, shown above, struck the rear of a slow moving coal truck on Browder Hill last Wednesday night. A crowd is shown looking at the battered cycle.

MR. SPOONS

came up behind the tractor-trailer loaded with about 30 tons of coal. Spoons was riding in the inside lane, same as the truck. Trooper Pierce said that the cycle ridden by Spoons left 148 feet of skid marks before the impact with the rear end of the truck. Spoons fell with the cycle about 20 feet from the impact point.

Witnesses at the scene said that he had visible head injuries and lost considerable blood at the scene. He was taken to Fort Sanders Hospital where he died in emergency surgery of internal bleeding. Trooper Pierce said Spoons apparently mis-judged the speed of the slow moving truck and was unable to move to the passing lane to avoid the collision. The motor cycle was demolished in the crash. Only minor damage on the truck was reported.

The truck driver, Herman R. Case of Oliver Springs, was charged with involuntary manslaughter. He was on his way to the Union Carbide Films-Packaging Plant at Loudon with the coal at the time of the accident, a delivery he had made for years. Trooper Pierce said Spoons was a member of Primitive Baptist Church, attended Lenoir City High School and was employed by Elm Hill Packing Company. He is survived by his parents, Mr. and Mrs. Hubert Spoons; two brothers, Jerry and Gary Spoons; grandmother, Mrs. Ruth Spoons; great grandmother Mrs. Frank Spoons and four nieces and nephews. Funeral services for the victim were held at Primitive Baptist Church Saturday with Elder Charles Taylor officiating. Burial was in City Cemetery in Lenoir City. Click Funeral Home was in charge.

Young Gets Four Prison Terms Plus Jail Term, Trial Dates Set

Mike Young of Lenoir City who was indicted on five charges by the Grand Jury last week, entered pleas of guilty to all counts and was sentenced by Judge Lloyd McCluen to one to five years in prison on four charges and to 11 months and 29 days in jail on the fifth.

The four prison terms will run concurrently. They were for aiding and abetting Dune Howell an escaped convict, uttering and passing a forged instrument, receiving and concealing stolen property and aiding and abetting. The jail term was for contributing to the delinquency of a minor.

Jury trials for the current session of Criminal Court began Monday and will continue through October 25th. John A. Eastham, who is the alleged driver of a car involved in an accident in Greenback in which a service station owner was killed, was indicted for murder by the grand jury. That trial is set for October 25.

Alvin B. Barrow was sentenced to 30 days in jail on each of two charges of violations as recommended by a jury. A directed verdict of not guilty was given by Judge McCluen in favor of Walter Brown who was indicted on charges of larceny after trust. Tuesday Frank Parris and Ronnie Helton were sentenced to 90 days in jail after being found guilty of contributing to the delinquency of a minor. Helton then submitted to a charge of receiving and concealing and sentenced to one year in prison. Helton also withdrew an appeal to a three year prison term sentence he was given in the January term of criminal court for a break-in at Atchley's Pharmacy. Judge McCluen directed a not guilty verdict in favor of James P. Norman, Johnny Price and Vivian E. Barron who were indicted on charges of larceny. The Judge directed the verdict for the lack of evidence in the case.

The schedule for trial on the

indictment returned by the grand jury and the trial dates are as follows: WEDNESDAY, SEPT. 27 - Franklin Snyder and Ronald Burman, receiving and concealing. Jack R. Jones, driving while intoxicated and no drivers license. THURSDAY, SEPT. 28 - Willie John Turpin, felonious assault, Virginia Howell, aiding and abetting an escaped inmate and receiving and concealing. FRIDAY, SEPT. 29 - Kenneth Smithers, larceny of an automobile and larceny. MONDAY, OCT. 2 - Robert Jerry Faircloth, autism reciprocal support, Eddie Norman, forgery. TUESDAY, OCT. 3 - Donald Lee Barnard, larceny (bad check), Ronnie Helton, receiving and concealing. WEDNESDAY, OCT. 4 - Cecil E. Sampson, violation of zoning resolution. FRIDAY, OCT. 6 - A.M. Koon, R.G. Charles and Riley Johnson, omnibus hearing on misapplication of contract funds.

MONDAY, OCT. 9 - A.M. Koon, misapplication of contract funds. MONDAY, OCT. 16 - Tommy Jones, breaking and entering, James L. Jaynes and John Steven McKee, hunting in closed season. TUESDAY, OCT. 17 - Charles E. Tusch, burglary. MONDAY, OCT. 23 - R.G. Charles and A.M. Koon, misapplication of contract funds. TUESDAY, OCT. 24 - Riley Johnson and A.M. Koon, misapplication of contract funds. WEDNESDAY, OCT. 25 - John A. Eastham, murder.

The Grand Jury returned several "not true" bills in favor of the following persons: James P. Norman, aiding and abetting a felon to escape and larceny of automobile keys, Larry Pullum, assault and battery and arson; William A. Ferguson, assault and battery and felonious assault; Jackie Queen, assault and battery with intent to kill; Paul Monger, assault; Jimmy Collins, felonious assault.

Surveys Damage—Trooper George Pierce is shown looking at the damage to the rear of a car driven by Billy Smith of Lenoir City after it was struck by a motor cycle on Highway 95. The cycle rider, David Coley, 23, suffered a broken knee and underwent surgery in a Knoxville hospital.

Kick-Off Tuesday For United Fund Goal Is \$47,505

Donald Mynatt, new executive director of the United Cerebral Palsy of Upper East Tennessee, will be the featured speaker for the annual kick-off meeting for the Loudon County United Fund Tuesday night, Oct. 3. The meeting will be held at Loudon Junior High School at 7:30 p.m., according to Charlie Davis, UF President. Area captains, workers, United Fund officers and others interested in this county-wide fundraising organization are asked to attend. Mr. Mynatt, a native Knoxville, is a graduate of UT and was engaged in personnel work at UF before accepting this new position. He is married and has one three-year old child. The family resides at Seymour.

Goal for this year's United Fund Campaign is \$47,505, up from last year's successful campaign to raise \$46,145. The United Fund of Loudon County has never failed to meet its goal since its organization in 1961. It has been pointed out. However, County Campaign Chairman Jack Hill urged workers to redouble their efforts this year. "We would like to conclude the campaign by the end of October," he said.

Demo Dinner Set For Blanton

Loudon County Democrats will hold a fund raising dinner Thursday night to benefit the candidacy of Democratic U.S. Senatorial candidate Ray Blanton.

The dinner will be held at 7:30 p.m. at the Lenoir City High School Cafeteria. Tickets are \$10 each. Speaker at the event will be State House of Representatives Speaker James McKinney, County Chairman for the Blanton campaign Dr. Harold Freedman said that the Committee is hopeful that Congressman Blanton will attend. Freedman will be master of ceremonies. Other area Democratic Party leaders will also be attending. Freedman said. Tickets are available in advance and at the door.

Bob Clement Visits Loudon

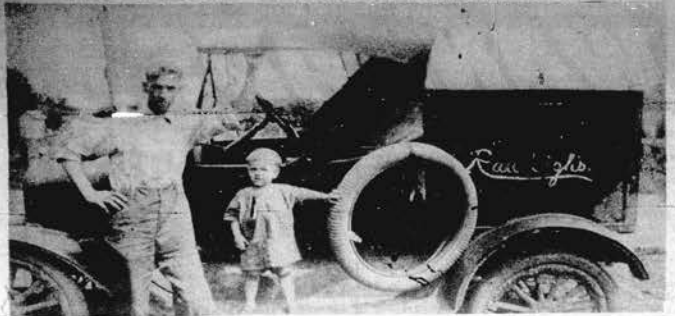

Democratic candidate for Tennessee Public Service Commission, Robert Clement, was in Loudon Wednesday for a reception and handshaking tour. A reception was held at the Bank of Loudon County Loudon Branch at 2 p.m. with Clement's Loudon County Campaign Chairman Penny McNabb as host. Following the reception Clement visited several downtown areas.

HAPPY HOMECOMING QUEEN—Loudon High School 1972-73 Homecoming Queen Pat Turbyfill beams as last year's homecoming queen Marsha Walker places the crown on her head moments after she was announced as the winner in pre-game ceremonies Friday night. Miss Turbyfill's escort Bill Davis is at left and Miss Walker's escort Hank Evans look on. Miss Turbyfill is the daughter of Rev. and Mrs. Virgil Turbyfill.

Car-Cycle Collide, Rider Breaks Leg

A Loudon man underwent surgery last Wednesday night following a car-motor cycle accident on State Highway 95 at the Old Shaw Ferry Road intersection. Driver of the cycle, David L. Coley, 23, of Loudon, received a broken knee and other injuries, when his cycle struck the rear of a car that was attempting to cross the Southbound lanes from the median to a driveway. State Trooper George Pierce said that the driver of the car, Billy Smith of Lenoir City told him that he pulled across the highway and did not see the motor cycle at all until after the impact. The rear of the Smith car was heavily damaged by the impact. Less than 15 minutes after the accident the rider on another cycle was killed in a separate truck-motor cycle accident on U.S. 11. Coley, still confined to Fort Sanders Hospital, recovering from surgery, was charged with violation of the drivers license law by Trooper Pierce.

BACK IN THE GOOD OLD DAYS

Jamerson on his Rawleigh Products sales. The young lady standing on the running board is Mr. Jamerson's eldest daughter, Lucille.

Several times over the passing years we have written something about the two Civil War locomotives which are (from what we can determine) at the bottom of the river at the railroad bridge in Loudon. Well, we have been approached by some interested parties, who have the needed equipment to search the river bottom to determine whether or not they are there, as has been recorded in some Civil War article written about the Civil War.

The last group of people to approach me on this wanted to know if they found them and recovered them, who would lay claim to the rightful ownership. Of course, we could only answer that we had no idea about the legal aspects of ownership. These interested people are investigating this matter further and their course of action will hinge upon what they find out. This is not intended to be critical of their approach. Regardless of who could claim ownership, I still would like to see the matter proved or disproved once and for all.

Another picture we have this week is of an old house somewhere in Loudon County. Just where, we don't know. Maybe some of our readers can enlighten us as to whom it was the home of and the location.

Another picture we are using is used for a special

I suppose the one major thing that has undergone drastic changes across the years has been our mode of transportation. One element of this is the auto and trucks, and this seems to be possibly one of the most quickly recognized things. Our readers of the Good Old Days seem to like old car and truck pictures very much. We enjoy receiving them from our readers.

We have a picture this week of an old truck and the driver. The truck, a "T" model Ford, was used by Mr. Garrett

reason. Of course, it is the old railroad bridge and as most old timers know, there was an old Fort used during the Civil War which lays along the Duff side of the railroad. What we would like to know is, do you, our readers, have any pictures of this old fort or area? Call us right especially on Saturday if you do, it is of real importance.

In our thinking about old trucks out of the past many memories come to mind. The once popular grocery delivery truck is one all of us from the Good Old Days will recall. They used to be a common sight especially on Saturday when everyone ordered their groceries for the week. The once very popular peddler who operated rolling stores with their order of the kerosene can, which was mounted on the back of the truck, always had a good supply of candy and other things for children of the rural communities they served.

We are still looking for old school group pictures. Regardless of the year or school, give us a call if you have one we can use.

Well, that's it for now. See you next week.

Completes Basic

Airman Clarence E. Bowers, son of Mrs. Mildred Brewer, 100 Highland Avenue, Loudon, has completed Basic Training at Lackland Air Force Base, Texas. He is a 1971 graduate of Loudon High School. He will be assigned to Lowry Air Force Base, Colorado where he will be studying as an Inventory Management Specialist.

\$200,000 Criminal Justice Center Grant Approved

Loudon County has been approved for a grant of \$200,000 toward the construction of "Criminal Justice Center" to serve the County and its four cities, County Judge Harvey Sproul announced this week. He said he received notice of the approval on Monday of this week. The money - to be matched on a 50-50 basis by local funds - was approved for Loudon County by the Tennessee Law Enforcement Planning Commission. "The State only had \$400,000 to distribute this year and Loudon County was the only one to receive its full request," Judge Sproul noted. Under the proposal, a joint-use facility would be built somewhere between Lenoir City and Loudon to serve as a lock-up for Loudon County, Lenoir City, Loudon, Greenback and Philadelphia.

Kick-Off Tuesday For United Fund Goal Is \$47,505

Donald Mynatt, new executive director of the United Cerebral Palsy of Upper East Tennessee, will be the featured speaker at the annual kick-off meeting for the Loudon County United Fund Tuesday night, Oct. 3. Hospital, Ambulances On Long Court Agenda Monday

When Loudon County Quarterly Court meets Monday at 7 p.m. they face another long agenda that includes more than 20 committee and county official reports. Among the items expecting court action is one concerning the election of a new board of Directors for the Loudon County Memorial Hospital. A resolution is expected to be introduced by Squire I.D. Conner establishing new guidelines for the hospital board appointments, description of their duties and that of the hospital administrator. The major point of the resolution provides that Hospital Board members will be appointed on a year to year basis by the county court. Squire Conner said that the definition of duties of the board and the administrator simply put on paper those that they now have. The squares will also consider the establishment of a Loudon County Criminal Justice Advisory Board. There are three items listed under the Ambulance Service Study Committee. They include a report on previous actions of the court, activities since last meeting and consideration of any recommendation and discussion concerning the Nov. 15 deadline set by funeral homes for ceasing local operations. The court will also consider the appointment of a Constable for the fifth district. One was elected in the August General Election but then refused to take office. The complete agenda for the October 2 meeting as released by Judge Harvey Sproul this week is as follows:

1. Pledge of allegiance, opening of Court, and roll call.
2. Reading and approval of the minutes of the September 5, 1972, regular meeting of the Court.
3. Recognition of visitors and delegations and open discussion period. (At this time any visitor or delegation may state any business which they may want to take up with the Quarterly Court, and make any statement about any item in which they are interested which is on the planned agenda).
4. Reports of County Officials, Departments, and Committees: A. County Judge (1) Report concerning Emergency Manpower Summer

Officers Elected

That trial is set for October 25. Alvin B. Barron was sentenced to 30 days in jail on each of two bad check convictions as recommended by a jury. A directed verdict of not guilty was given by Judge McCluen in favor of Walter Brown who was indicted on charges of larceny after trust. Tuesday Frank Parris and Ronnie Helton were sentenced to 60 days in jail after being found guilty of contributing to the delinquency of a minor. Helton then submitted to a charge of receiving and concealing and sentenced to one year in prison. Helton also withdrew an appeal to a three year prison term sentence he was given in the January term of criminal court for a break-in at Atchley's Pharmacy. Judge McCluen directed a not guilty verdict in favor of James P. Norman, Johnny Price and Alvin E. Barron who were indicted on charges of larceny. The Judge directed the verdict for the lack of evidence in the case.

The schedule for trial on the

Car-Cycle Collide, Rider Breaks Leg

A Loudon man underwent surgery last Wednesday night following a car-motor cycle accident on State Highway 95 at the Old Shaw Ferry Road intersection. Driver of the cycle, David L. Coley, 23, of Loudon, received a broken knee and other injuries, when his cycle struck the rear of a car that was attempting to cross the Southbound lanes from the median to a driveway.

Trooper George Pierce said that the driver of the car, Billy Smith of Lenoir City told him that he pulled across the highway and did not see the motor cycle at all until after the impact. The rear of the Smith car was heavily damaged by the impact. Less than 15 minutes after this accident the rider on another cycle was killed in a separate truck-motor cycle accident on U.S. 11. Coley, still confined to Fort Sanders Hospital, recovered from surgery, was charged with violation of the drivers license law by Trooper Pierce.

SURVEYS DAMAGE—Trooper George Pierce is shown looking at the damage to the rear of a car driven by Billy Smith of Lenoir City after it was struck by a motor cycle on Highway 95. The cycle rider, David Coley, 23, suffered a broken knee and underwent surgery in a Knoxville hospital.

SEPTEMBER 28 1972

Butler-Birkholz Nuptials Pledged

Miss Beverly Jean Birkholz and George Drew Butler were united in marriage Saturday, September 16 at 3 p.m. at Grace Lutheran Church in Knoxville. The ceremony was performed by Rev. Roy Sibera and Mr. John Fox before an altar decorated with candelabra backed with greenery and a spray of roses, gladioli, daisies and baby's breath.

Parents of the couple are Mr. and Mrs. Ray T. Birkholz, 407 Robinson Drive, Loudon and Mr. and Mrs. Herman E. Butler, 458 Carpenter Drive, Palatine, Illinois.

Al Linsford, organist, Stan Herrell and Tom Payne, trumpeters, presented the wedding music. Special selections included "Crown Him With Many Crowns" and "Praise To The Lord".

The bride chose a floor length gown of white silk organza. Alencon lace covered the fitted bodice and outlined the sculptured neckline. An organza sash outlined the high waistline tying in a bow in the back. The hemline, edged with Alencon lace over tiny organza pleats, extended to a chapel-length train. Her profile headpiece of sprays of orange blossoms held her chapel-length veil of imported silk illusion.

For her jewelry, she wore pearl earrings given to her by the groom, and a locket given to her mother by her father when they were dating. She carried a colonial bouquet of white roses, daisies and baby's breath.

Maid of Honor was Miss Molly Hudgens of Nashville. Mrs. Leonard Metzgar of Madison served as Matron of Honor. Bridesmaids were Miss Patsy Davis of Winchester and Miss Nancy Wiesman of Edgar, Wisconsin. They wore floor-length gowns of coral voile with portrait necklines and short sleeves. The empire lines were sashed with white organza tying in bows with long streamers in the back. Their hair was white open-wave straw banded with coral illusion.

They carried nosegays of gladioli, daisies, and baby's breath. Thomas H. Hamilton of Knoxville served as best man. Groomsmen were Ellis Lee length gowns of coral voile with portrait necklines and short sleeves. The empire lines were sashed with white organza tying in bows with long streamers in the back. Their hair was white open-wave straw banded with coral illusion.

Acolytes were James P. Birkholz, brother of the bride, of Loudon and Tracey Butler, brother of the groom, of Palatine, Illinois. Randy R. Dahlike of Milwaukee, Wisconsin, cousin of the bride, was Crucifer. Following the ceremony, a reception was held on the lawn of the church given by the bride's parents. Assisting with serving were Miss Suzann Turner, Miss Kathy Teague, Miss Patricia Farmer and

Philadelphia Personals

Miss Grace Carter was the speaker for the WMS meeting Monday, Sept. 18 at the First Baptist Church. The topic was "State Missions" and Miss Carter told about her missionary work in Liberia, Africa.

Mr. and Mrs. Lee Davidson and Rev. and Mrs. Dwight Cagle of Harrison returned last Monday from a weeks vacation to Disneyworld and Daytona Beach, Fla.

Mr. and Mrs. Norman Arr kept their grandson, John Smith, while his parents, Mr. and Mrs. John R. Smith of Ringwood, Ga. were in Hawaii last week. Mr. and Mrs. Smith were here Monday for the funeral of his grandmother, Mrs. Ethel Smith of Madisonville.

Rev. A. A. Carlton of Lenoir City was the guest speaker Sunday at the First Baptist Church as the pastor, Rev. Dillard Hagan, was in Cincinnati last week for revival services at Trinity Baptist Church.

Mr. and Mrs. Robert Lönberg of Chicago were in Gatlinburg for a two weeks vacation and came to visit Miss Ava Largent last Monday.

Mrs. Bob Shubert, all of Knoxville and Miss Marsha Shubert of Loudon.

For their wedding trip, the bride chose a street length dress of forest green brushed knit with topstitching and tiny appliques of red.

Following a wedding trip, the couple will reside in Martinsville, Virginia.

Out-of-town guests included: Mrs. Robert Dahlike and sons of Milwaukee, Wisconsin; Mrs. Leonard Graeven of Edgar, Wisconsin; Mr. and Mrs. Russ Hossbach and Greg of Joliet, Illinois; Mrs. G. F. Carter and Mrs. D. N. Beckfield of Memphis; Mr. and Mrs. Walter Hudgens of Nashville; Mrs. Jared Reynolds of Nashville; Mr. and Mrs. Edwin Wiesman of Edgar, Wisconsin; Tom Schoeber of Stratford, Wisconsin and Mrs. Myra Birkholz of Chicago.

Miss Watson, Mr. Cordell Are Wed

Mr. and Mrs. E.M. Hill and Mr. and Mrs. Hugh Hill were in Maryville last Monday to visit with Mr. and Mrs. Younger Bridges. Mr. Bridges is able to be out now after being in the hospital recently.

Miss Mary Griffiths, Mrs. John Everett, Sr. and Mr. Bill Henderson were members of the Loudon High School Class of 1932 that met Saturday night for a reunion dinner at the YFW building in Loudon. Mrs. Henderson and Mr. Everett also attended.

Miss Grace Carter will visit a few days this week with Miss Sudie Waters in Memphis. Miss Waters had heart surgery recently.

Rev. Douglas Brown, pastor of the United Methodist Church in Sweetwater, was the speaker last Tuesday for the Joy Club at the United Methodist Church here. Mrs. Homer Holdridge was a new member. A covered dish lunch was served after the meeting.

Mr. and Mrs. John Everett attended church service Sunday morning at the Greenback Presbyterian Church.

Mr. and Mrs. Frank Henderson and Mr. and Mrs. Bill Henderson were guests Sunday of Mr. and Mrs. Richard Burton in Chattanooga.

The Sunday School classes will give a shower Thursday evening at the First Baptist Church for Mrs. Walter Longworth.

Mr. and Mrs. Harvey Grubbs of Atlanta were weekend guests of Mrs. John

Miss Watson, Mr. Cordell Are Wed

Miss Brenda Watson and Leon Cordell were married 7:30 Aug. 26, at Mount Zion Baptist Church.

The bride is the daughter of Mrs. Mack Watson and the late Mr. Mack Watson. The groom is the son of Mr. and Mrs. Hall Cordell of Loudon. Rev. John Tipton officiated the wedding.

The bride's gown was of peau sheer over satin with lace over hanging the silk. Her veil and train was of two which connected together at the shoulders, surrounded in lace. The sleeves were banded with lace at the wrists.

She carried a bouquet of red roses and daisy. The bible which she carried was given to her by her mother. Attendants to the bride were Edwardian gowns of muted colors of red and green and carried red roses.

Miss Frit Holder of Lenoir City was matron of honor. Bridesmaids were Polly Atkins, Loudon, Frankie Scott, Roane County, Brenda Knox, Loudon, Brenda Atkins, Loudon.

The flower girl was Miss Shari Cole and ring bearer was Howard David Cole, both of Athens.

Gary Jenkins, of Loudon was best man. Groomsmen were Eddie Scott, Roane County, Freddy Watson, Loudon, Lukie Russell, Loudon, Jim Christian, Loudon.

The bride was given away by her oldest brother, Francis Watson. Candle lighters were Jerry

Christian. Mrs. Laycock from Harrods Creek was the speaker at the United Methodist Church Sunday evening. The pastor, Rev. John Nease, had revival services last week at the Oak Grove United Methodist Church.

Watson, Loudon and Mike Giles. The reception was held at the home of Mr. Francis Watson. The interiors were decorated with red roses and daisy. Mrs. Howard Cole and Mrs. Lois Holder and Mrs. Jim White served.

The newlyweds are making their home in Loudon. Out of town guest were: Mr. and Mrs. Glen Watson of Florida, Mrs. Florene Harris of Maryville, Mrs. Bonnie Gentry of Maryville, Mr. and Mrs. Joe Cordell and family of South Carolina, Mr. and Mrs. Mack White of Pineville, Ky.

Greenway, and Gillie Purdy.

(We used to be the First National Bank of Loudon.)

(We used to be the First National Bank of Lenoir City.)

We're both taking our family name. Hamilton.

Everybody knows it would take a lot to make a person change his name.

Same way with banks, especially those that have been around for a long time. As both of us have.

It took a lot to make us change our names. Getting statewide banking services for you is what did it.

We joined with a lot of other banks so we could all give

better service for those who bank with us.

We're all calling ourselves Hamilton. And we're all yours.

Now, you'll have a hometown bank to go to almost everywhere you go in the state.

It's kind of nice to have a family name. Feels real good. We want all of our old friends to come see us and help us get used to it.

Loudon Class Of '32 Has Reunion

The Loudon High School class of 1932 held its 40 year reunion Saturday night, September 23, at the Loudon VFW. Eighteen members were present along with their wives and husbands.

The welcome was given by J. E. Greenway, Serving as Master of Ceremonies was Gillie Purdy. Dinner was served from 7:30 to 8:30 p.m.

A Memorial was given to the deceased of the class by Bill Henderson.

Many memories of high school days of 40 years ago were talked over during the evening.

The class, which was holding its first reunion in 40 years, made plans for another get-together in five years.

At the close of the evening, Roy Miller gave the invocation.

Mrs. B.P. Walker and Mrs. Walter Edmondson of Maryville visited Thursday with Mrs. I.M. Denton, and her guests on Monday were cousins, Mrs. Ralph Hickey and Bonnie of Knoxville.

Mrs. Leon Brient has returned from a visit with her cousin, Mrs. J.W. Sutherland of Rogers, Ark. and with friends in Tulsa, Okla.

Mr. and Mrs. Ernest Williams of Waverly, Ohio have been guests of Mrs. Ray Burgess the past week and of Mr. Williams father in Loudon and Mrs. Williams brother, Mr. and Mrs. Edwin Best in Maryville.

Mr. and Mrs. John Everett of Philadelphia attended worship services at Greenback Presbyterian church here Sunday.

Mr. and Mrs. Lloyd Kirkland of Loudon attended services at Presbyterian church here Sunday and were dinner guests of Mr. and Mrs. R. Anderson Sr.

Mr. and Mrs. Richard C. Dougherty of Knoxville were visitors at the Presbyterian worship service Sunday and were dinner guests of Mr. and Mrs. Nick Rowland.

Mr. and Mrs. Paul Dempsey of Lenoir City visited Sunday with Miss Mae Lowry.

Mrs. Russell Named Trustee

Mrs. H.M. Russell of Loudon, was recently named to the board of trustees for the newly organized International Nursing Services Association. The organization elected officers and trustees in a meeting in Atlanta, September 14.

The Association will sponsor an international nursing services center at Emory University's Nell Hodgson Woodruff School of Nursing.

Rummage Sale

A garage and rummage sale sponsored by the Beta Sigma Phi Gamma Theta Chapter will be held on Friday and Saturday, Sept. 29 and 30 at the James M. Hair building at Broadway from 9 a.m. to 5 p.m.

Greenback, Panthers Schedule Home Games, Loudon Journeys To Central

Speaking of Sports

By DANNY GIBSON
Sports Editor

Friday night was not the big football weekend most Loudon Countians had hoped for and kinda expected. Last Friday night was homecoming for Loudon and Lenoir City with much pagentry and pretty girls parading about. Greenback had its hat riding on a upset bid to handle big ole Porter.

The Lenoir City affair proved to be the only one hundred percent success showing. The Panthers handled Knoxville Carter with a 26-0 triumph. Miss Theresa Lawson was a most gracious and understanding new crown queen. It took several rewarding kisses from the more than willing football captains of the Panther football team to please all the photographers present. The Lenoir City band and the fire works at the end of the game were extra special treats for the overflow homecoming crowd at L.C.

Loudon found homecoming a bit rugged. Everett was anything but amusing in stunning the Redskins with a 34-7 defeat. Miss Pat Turbyfill was the school favorite as homecoming queen and the Redskin beauty accented a lovely parade and showing by the Loudon marching band.

Both Joe Spence of Lenoir City and Coach Dewayne Arp of Loudon, Student Council advisors of their respective schools, are to be commended for their organized handling and smoothness their schools turned in for the alumni gathering.

Greenback had its victory streak halted in a rough and tough manner. Porter, averaging close to 235 pounds per man in the line and close to 190 in the backfield wore Greenback's thin Cherokees to a frazzle. But Greenback never gave up and carried the fight to the end. The loss gives Porter an edge in the conference and at a playoff berth in the Region One standings. But Greenback still remains a contender and with hard play and some possible luck almost anything could happen in the next six weeks of regular season action. The Cherokees still have a shot at posting a 9-1 work slate, which is compared to the school's best effort ever.

The Tennessee High School action ratings are taking a beating in recent weeks with several upsets taking place. Kingston has been positioned as the top "AA" team in the state but a trip to Maryville may prove otherwise. The Rebs are possibly the best team if not the second best team in the state, period. Sweetwater looks like a cat that can not be tamed by any "A" division teams this campaign and Bristol is cautiously putting together its defense for a second "AAA" crown. The top 10 in each division of play are as follows:

TOP 10 TEAMS IN EACH CLASS				
AAA	1. Hamilton	99.2	1. Sweetwater	94.2
	2. Bristol	95.0	2. Maryville	87.4
	3. Hillcrest	92.8	3. Loudon City	79.9
	4. W. Overton	94.6	4. Milan	85.9
	5. Hendersonville	94.5	5. Arden	82.3
	6. Warren County	92.4	6. Pulaski	81.7
	7. Kingsport	90.9	7. Jackson North	80.7
	8. Covington	90.7	8. Church Hill	78.3
	9. BGA	90.4	9. Lewisburg	78.3
	10. Maplewood	88.8	10. Katon	77.7

The TSSAA has finally got around to posting the complete 1971-72 State Champions in all the fields of sports. The list follows as so:

FOOTBALL

Loudon will travel to McMinn Central Friday night in what is termed a toss-up between superiority. Loudon is still seeking its first win of the season while Central is 2-2 for the year. Loudon will be a touchdown underdog probably as a result of their poor showing last Friday night. Coach Chig Rattledge has given hints that a shake up in Redskin personnel may be in line for this one as he and his staff patiently search for the winning combination of players. Coach Rattledge said little of his latest setback but it was evident that the loss to Everett had its effect on the Redskins head mentor. Loudon appeared headed for a

The Herald SPORTS

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sports Writing

surge to the top after three straight losses had the Redskins snorting for victory with little improvement. But as fate would have it Loudon errors ripped away the thoughts of a homecoming triumph and the Everett Bulldogs were eager to accept the charity.

Friday's battle in Etowah will be no different if the Redskins do not relax and pop

some leather. Central is a one man ground attack with various offensive sets to confuse the opposing defense. But in the end it boils down that the hard running of David Johnson, the 1971 Chattanooga Times Southeastern Player of the Year. The senior running back has been instrumental against every team the Chargers have faced to date

Lenoir City Extends Record To 4-0 With 26-0 Homecoming Win

Lenoir City was the flip of the coin Friday night and elected to receive. The swift moving Panthers received the opening kickoff and marched 70 yards in 14 plays for a touchdown. Donnie Stamey did the honors from five yards out with 5:38 left in the first quarter. Tommy Cook booted the extra point.

The opening quarter drive was to set the stage for a 26-0 romp over "A" Knoxville Carter and give the Lenoir City fans one of the most pleasant homecomings in recent years.

Lenoir City completely dominated play in the first half with Mike Hooks, Wade Rice, Donnie Stamey, and Tim Galvon spear-heading a stalwart defense that yielded just 46 yards rushing and 24 yards passing for the entire game.

Mike Walker picked off a Carter pass in the closing minutes of the first period and in no time at all the Panthers had driven 45 yards for the second touchdown of the night. Cook teamed with Lee Arnold for the score on a 13 yard aerial.

Lenoir City had several sure scoring plays to go but when perfectly thrown passes slipped through waiting arms for disappointing "drops" and of course no points.

Lenoir City had a brief let down in the middle of the second quarter and at the start of the second half letting Carter reach the Panther 40 yard line in the second half before halting the Hornets and then permitting the Knoxville team fit its way to the 24 yard line in the second half.

The Panthers responded to the gutsy play of Carter with a

last minute scoring march in the second period. Mike Walker plunged over from two yards out for the 5-pointer but a mishandled snap from center on the conversion attempt wiped out the conversion attempt.

Lenoir City played mostly reserves in the second half

yards, but again the conversion effort was no good. Donnie Stamey again led the Lenoir City defense with eight individual tackles. Mike Hooks was just one behind with seven for the night, both performers had several assists. Wade Rice, a tough blocker and tackler, played one of his better games of the season with three tackles and seven assists. Rice is a 195 pound junior.

Donnie Stamey, played his usual standing game with 15 carries and 74 yards on offense to match his defensive efforts.

David White and Tommy Cook accounted for 18 yards each on half dozen tries from scrimmage.

Reed Lindsey collected 21 yards rushing and intercepted a pass for his night of work. Mike McConkey robbed Carter of a third interception in the second half and played much of the second half at quarterback for the victorious Panthers.

THIS IS THE YEAR—Many Lenoir City football fans are stating this is the year for the Panthers, but this year's football captains Tim Galvon (left) and Tommy Cook (right) don't really seem all that concerned about football in this picture as they give newly crowned homecoming queen Theresa Lawson a rewarding kiss. All three are seniors at Lenoir City.

Greenback Suffers First Loss To Over-sized Porter, 28-6

Make way for the Porter High School Panthers. A convincing 28-6 victory over Greenback Friday night could result in a second consecutive Football Athletic Conference championship.

A crushing ground game by the Panthers proved too much for the Greenback defense which played with class despite the loss.

Porter, which out weighed the Cherokees close to 85 pounds per man, opened the game with a 70 yard touchdown from scrimmage.

Greenback, showing the good team they are coming back with their own bit of fireworks for the night. Three minutes deep into the second quarter Greenback had a first down and goal at the six yard line. Two hard smashes into the Porter line softened the Panthers enough for Tony Linginfelter to make his way to pay dirt from the three yard stripe. The Cherokee playing for keeps went for the lead on a two point conversion but the attempt was stopped and

Porter held a 7-9 advantage. Greenback's defense held tight and fought the Panthers size unbelievably well. The Panthers managed to grind out a late second period score.

	Greenback	Porter

Greenback	6	0
Porter	7	14

for a 14-6 halftime difference but the play of the Cherokees was something to be seen. Porter had gained 180 yards on the ground in the first two periods of play and set up much of the clock keeping Greenback from having a chance at playing offense. Nevertheless the game Cherokees refused to say die and were fired up for the second half.

Porter used its brute strength to simply out muscle the Cherokees in the third quarter and the result was two more Panther touchdowns.

Greenback dug in for the final quarter and without the size of Porter had the constant use of the Panther first team sticking it out till the end. The Cherokees refused to give way and denied any further scoring by the Blount County "A" division giants.

Porter came into the game after two poor showings which had cost them an unexpected defeat (non-conference). The Panther defense applied a crushing rush on Greenback's Tony Linginfelter and the pressure paid off. Greenback was limited to just certain pass routes since Linginfelter had no time to set up and throw the long ball over the slowest Panther defenders.

Greenback had several touchdowns in the bone breaking battle. Larry Ritchey had several receptions for over half of the Greenback passing statistics and stole a Porter pass also. Ritchey had a fumble recovery to his credit as did Mike Evans and Danny Evans.

Porter, using its size to a big advantage, stayed mostly on the ground completing only two of four passes for four

Thursday, 7:30 p.m. Pass, Punt, And Kick Competition Tonight

At 7:30 p.m. Thursday the 12th annual competition in the Punt, Pass and Kick Competition sponsored by the Ford Dealer, Curtis-Tipton Motor Company, will begin at the old Loudon High School football field. Tournament director is Jack Upton.

Registration for the annual event continues this week until 5 p.m. Thursday. Registration forms are available at Curtis-Tipton.

"Although time is growing short, any boy 8-13 years of age can still compete," said Upton. "All he needs to do is come into our showroom, accompanied by a parent or guardian, and fill out the P-P-K registration form. There's no entry fee or charge of any kind, and that goes for all six levels of competition, up to and including the National Finals."

The Ford Dealer pointed out that 1st, 2nd and 3rd place trophies will be awarded in the Local competition in each of the six age groups. Increasing the boys' chances of winning one of the 18 trophies is the fact that each boy competes against other

boys his own age. And since there is no body contact, a boy's size is not as important as his ability to punt, pass and place kick for distance with accuracy.

"Winners can reap right on going up through the Zone, District, Area and Division contests to the National Finals," the Ford Dealer said. "It's possible that this year will be held at the Pro Bowl Game in Dallas on January 21. That means an all-expense-paid trip for the contestant and his parents, a special tour of fabulous Dallas, Texas, a Banquet of Champions celebration, and the chance to meet some of the top professional players and coaches."

Grasscutters Win

The Loudon Grasscutters held on through a tough second half to overcome a strong Madisonville 79 pound team 4-0, last Saturday night at Bacon Field. This was the same Madisonville team that defeated Sweetwater and Sweetwater overpowered the Grasscutters 30-0 last Monday night.

Allen Eldridge scored the only touchdown on a 30 yard run in the first quarter.

Detroit Tigers Have Better Edge

The Boston Red Sox are a 2-5 favorite to win the American League East baseball title and Detroit is 3-2, oddsmaker Jimmy "The Greek" Snyder said Monday in updating his betting line.

Baltimore is 20-1 and the New York Yankees are 50-1, said Snyder, pointing out that those are the odds as of Tuesday morning since none of the teams played Monday.

Loudon Turnovers Aids Everett In 34-7 Setback

Loudon had the terrible experience Friday night of a 34-7 homecoming battle to Maryville Everett. The triple-A Bulldogs were ratted a loss up for the game with winless Loudon, due to the stiff competition the Redskins have had to face.

Everett wasted little time in landing a solid kick to the Redskins cause. An electrifying 35 yard kickoff return right through the heart of the Loudon kickoff unit gave the Blount County team a 6-0 lead.

The extra point conversion was no good. Loudon regained its poise and drove inside the Everett 15 yard line only to fumble away a scoring chance. The Bulldogs failed to move the Loudon defense and were forced to punt. Loudon again generated a clicking offense which bogged down at the Everett 15 yard line. Walter Carnes attempted to put the Redskins on the scoreboard with a fine goal attempt of some 36 yards but the attempt was no good. Four minutes and 34 seconds remained in the first period.

Everett and Loudon swapped turnovers with Jack Fickey recovering a fumble only to have Everett stall a Loudon pass.

Loudon again got a break just before the close of the first period with Byron Lawson finding a fumble for the Redskins at the Everett 20 yard line. John Deatridge banged through the Bulldog defense to give Loudon a 6-0 tie and Walter Carnes placed Loudon ahead with his conversion kick, 7-6.

Loudon's lead was to be short lived as the Bulldogs executed a draw run off of a fake pass for 57 yards and the Redskins made good on only one play for a touchdown. The Bulldogs left in the first period. A two-point pass conversion was

Food and Loudon trailed 14-7. Loudon never recovered from the big play and try as they might offensive maneuver after maneuver resulted in Redskins errors. Everett added six more points in the middle of the second period on a short drive and a final two yard scoring drive. Trailing 20-7 at the half Loudon continued to have a bad case of "the slips" as fumbles and pass interceptions increased the Redskins to a 34-7 lead.

Everett safety with 3:58 left in the third stanza for a touchdown. Preston McQueen had six possible holes for the Redskins. Everett added a two point conversion.

The Bulldogs opened the fourth quarter with a touchdown pass of seven yards after a Loudon turnover. In all Loudon lost the ball seven times on three pass interceptions and four lost fumbles. Loudon fumbled six times and again punting proved to be below par as only a 25 yard average was produced on three boots.

The probable most disappointing thing of the game was that Everett was not so much the superior team. The Bulldogs lost three straight fumbles in the first period to Steve Kizer, Jack Fickey, and Byron Lawson but the Redskins made good on only one play for a touchdown. The Bulldogs fumbled nine times all

together and had three less first downs than Loudon but still won due to costly Redskins errors at crucial times of the contest.

Coach "Chig" Rallego disappointed and maybe a little let down over the performance of his team had some praise for the development his line had made over the first four games. "They have worked hard and are about where I thought they could be for a winning effort but our backs and secondary are letting down and without all the team going one way we will never get it together."

Loudon certainly had the situation ripe for a win and it was sad that the Redskins had to turn the ball over so many times on and off a dry field. McMan Central, Friday night opponent, does not appear to be any stronger than Everett but definitely not any weaker. R.L. Brannan had a splendid defensive game with seven tackles and three assists.

Stewart McQueen had six individual tackles. Steve Kizer, proving a valuable Redskin, was in on five tackles and two assists. John Colvin registered six stops and three assists. Jack Fickey got credit for three tackles and six assists.

Offensively the Redskins just could not get inside the double stripe. Numerous times Loudon offense moved inside the 10 yard line to denied a touchdown. Tim Guider led the Loudon runners with 12 carries on 13 carries. Deatridge totaled 33 yards on 10 tries from scrimmage. John Lovelace had the most individual offensive carries with 14 for 31 yards. Brannan caught two passes during the game for 28 yards and was joined by Jimmy Bi-ens and Sam Lyle in the receiving ranks with one catch each for 33 and 20 yards respectively.

GREENBACK AERIAL SETS UP TOUCHDOWN-Tony Linginfelter set up Greenback's lone touchdown Friday night with this pass completion to Danny Evans at the Porter five yard line. Linginfelter scored two plays later from the three yard line, but Porter won the game 28-6.

REDDIKINS FIGHT FOR FIRST DOWN- Everett's defense was very stingy in giving up this first down by a diving John Lovelace of Loudon Friday night. Loudon players are Tim Guider (41), Steve Kizer (30), and Brad Brewster (76). Loudon lost the game 34-7.

SLIPPERY SPHERE-Loudon's R.L. Brannan finds difficulty in catching this pass from quarterback John Lovelace as six several of the Loudon receivers. Despite the game being played in dry weather all of the Loudon backs and receivers had trouble with football some time during the night.

TELICO TROUT—John Brogdon and son, Johnnie, of Loudon, are shown with their catch of Trout that they caught in the Tellico River this past weekend.

Game and Fish TODAY

By Sgt. Bob Harmon
Game and Fish Commission

District Game Biologist Larry Saffley and Lt. Edwin Witt will conduct an open hearing with area sportsmen to discuss the coon season. The meeting will be held at the Loudon County Courthouse, Thursday, September 28 at 7 p.m.

The Loudon County Coon Hunters petitioned the Game and Fish Commission asking that Loudon County be closed to the killing of raccoons this hunting season for the purpose of restocking. At the June meeting of the Game and Fish Commission, the decision was made to close the season.

Since then, area hunters have again petitioned the Game and Fish Commission to open the coon season for this '72-'73 season.

STATE NKC COON HUNT IN LOUDON COUNTY
The Loudon County Coon Hunters Club will host a State NKC hunt October 6 and 7 at their clubhouse on Highway 11, south of Loudon.

A coon hunt will be held each night starting at 8 p.m. on Saturday, October 7; the club will sponsor a drag race, treeing contest and bench show. These events are scheduled to begin at 12 noon and continue through the afternoon.

Approximately 33 trophies, plus ribbons, will be presented to the winners of the different events.

Odin Viars, president of the Loudon County Coon Hunters Club, extends to all coon hunters an invitation to attend and participate in this hunt.

DEER HUNTS
A total of 14,622 Tennessee deer hunters were successfully drawn today by computer for deer hunts on wildlife management areas operated by the Tennessee Game and Fish Commission.

A total of 17,886 had applied for the hunt. However, more than 4,000 vacancies remain available after the drawing since many hunters had applied for only one or two hunts and those were filled when the computer drew their name. Successful hunters will be notified first by the Game and Fish Commission with details on how to apply for remaining vacancies to be announced later.

LITTLE TENNESSEE
Trout is very good on night crawlers and fair using

spoons, corn and rebel lures. Squirrel hunting is very good with lots of limits being taken. Dove hunting is good but fields where they are feeding are getting scarce. North Fork of Clinch, Bald River, North River, Sycamore Creek are closed to trout fishing. Clinch Creek and Tellico River are still open on Wednesdays, Thursdays, Saturdays and Sundays.

Wildlife management areas open to hunting and dates are: Cataoca, squirrel and grouse through October 1, 1972; Chuck Swan - squirrel through October 21; and on Tellico Unit - squirrel September, Sept. 30-October 1, October 7-8.

MELTON HILL LAKE
Water conditions - clear and fluctuating.
Bass - fair on topwater lures. Stripes - fair in jumps early and late. Bream - good on popping bugs, worms and crickets.

DOUGLAS LAKE
Water conditions - clear and fluctuating.
Bass - good on plastic worms, early and late; also some being taken jigging with night crawlers around rocky points. Crayfish - fair in lower end on jigs tipped with minnows. Sauger - fair - in lower end - on minnows, deep; some being taken on deep-running lures, trolling. Catfish - fair on cut bait and night crawlers, deep.

PT. LOUDON LAKE
Water conditions - murky to clear and fluctuating.
Bass - fair on rubber and plastic worms fished deep. Stripes - fair in jumps, early morning and late evening. Also, still fishing with minnows under lights at night. Bream - fair on worms and crickets close to the bank.

WATTS BAR LAKE
Water conditions - clear and stable.
Bass - fair on minnows deep; also some being taken on topwater lures. Stripes - fair - some being taken at night under lights on minnows. Bluegill - good on popping bugs and worms. Catfish - good on trotlines using cut bait and shad minnows.

CHILHOWEE LAKE
Water conditions - clear and fluctuating.
Trout - continues to be good on corm and worms at night under lights.

Tie Breaker - Total Number Of Points
Scored By Both Teams in the Loudon Game _____
NAME _____
ADDRESS _____ CITY _____

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the column designated, mark which teams you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Red Mustangs H

The Loudon Red Mustangs finally put it all together Saturday night and held Madisonville 90 pound to scoreless. In spite of Loudon fumbles (two of them recovered by Madisonville), the Mustang defense had control of the situation.

On the first play of second quarter, Bob Hawkins turned right end and excellent blocking to scamper 15 yards for the Loudon touchdown. The try for extra points failed but the six point margin held for the victory.

The most thrilling play of the night was a 60 yard pass from Hawkins to Joe Townsend. Unfortunately, the seven yard line by a very tall and fast Madisonville player and the next play failed to produce a TD as the

THE LOUDON MUSTANG football program are called year's team: front row, Matlock, Wesley Manger, Hawkins, and Joe Watson; Greer Carey, John Carlow, Johnson. Third row, Jeff Tim Moore, Jerry Townsend, Lambert, David Grimes, right end: Ernie Black, coach Ronnie Watkins.

Red Mustangs Roll Past Madisonville

The Loudon Red Mustangs finally put it all together last Saturday night and held the Madisonville 90 point team scoreless. In spite of four Loudon fumbles (two of them recovered by Madisonville) the Mustang defense kept control of the situation.

On the first play of the second quarter, Boo Boo Hawkins turned right end with excellent blocking to scamper 15 yards for the Loudon touchdown. The try for extra points failed but the six point margin held for the victory.

The most thrilling play of the night was a 60 yard pass from Hawkins to Jerry Townsend. Unfortunately he was tackled from behind on the seven yard line by a very tall and fast Madisonville player and the next play failed to produce a TD as the clock

ran out at half-time. Townsend played his best game of the season as he ran the ball five times, gaining 19 yards, making several key tackles, making good blocks and intercepted a pass to stop a Madisonville drive at the Loudon 49 yard line.

The Mustangs showed much improvement on defense allowing Madisonville only one first down. Mark Vance, Tony Schrimmer, Tim Moore and David Lambert, each one carried the Madisonville ball carriers for substantial losses and made several other tackles.

This greatly improved Mustang team will face Lenoir City this Saturday night at the Lenoir City Field.

Some people remain unhappy because they worry so much because they aren't happy.

Loudon Indians Post 30-0 Score

The Loudon Indians blasted Madisonville 30-0 Saturday night. The Indian offense slugged their first two games, began to roll early against Madisonville. Freddy Starrett returned the opening kick-off to the Loudon 49 yard line. Steve Watkins ran off tackle for six yards, Henry Purdy ran for 10 yards and a first down at the Madisonville 35. Starrett scampered 30 yards on a reverse for the touchdown. Starrett also ran for the extra points.

On the first offensive play for Madisonville, Watkins intercepted a pass and returned it to the Loudon 48 yard line. The Indian quarterback, Eddie Estes, found John Greer open in the end zone for a 36 yard touchdown pass. Purdy picked up the extra points on a three yard run.

Junior Redskins Victorious Over Madisonville

The Junior Redskins, 115 pound team of the Pee Wee Football League, got their first win of the season Saturday night, 26-6 over Madisonville. The Junior Redskins led a heart-breaker the week earlier, 20-18 to Sweetwater and also their season opener, 23-0 to Harriman.

The win over Madisonville saw the Junior Reds come from a 6-0 halftime deficit to overpower the visitors. Junior Reds suffered a big loss in the game when guard-linebacker Mike McCall received a broken collar bone when he was returning a punt.

After an exchange of punts in the second half, Loudon started to march down field under the direction of quarterback Carter Cardwell. Henry Chambers put the drive in motion by intercepting a Madisonville pass. Kenny Starrett went the final 76 yards to cap a 50 yard drive.

Coy Blankenship Is \$12 First Place Winner

Most everyone was far too low on their point guess for the tie-breaker in the Herald Football Contest and not too many people scored more than eight games correct.

The winners in the first two places however picked all 16 games correctly and a difference of five points on the tie-breaker decided first and second. The \$12 first place prize was claimed by Coy Blankenship who guessed 26 points to be scored in the Loudon-Everett contest. There were 41 points posted in the 3-7 Everett victory.

Second place cash of \$8 was won by Carl Grimes of Loudon who had all games correct and a tie-breaker of 21 points.

The tie-breaker also decided third place and the Brannon family of Lenoir City repeated as winners again this week. This week Mrs. John Brannon, had nine games correct and 30 points on the tie-breaker to win the \$5 third prize.

Others who missed one game but missed on the cash were Donald Cleveland, David L. Christopher, and Mrs. Floyd McDaniel.

Huff And Hamil Add To Union Carbide Golf Lead

Dick Huff and Art Hamil picked up 10 more team points and increased their Union Carbide Golf Standing edge to 14 points over second place Jack Miller and Cleli Miller. Huff and Hamil have a total of 167 team points to date and appear headed for championship honors once again.

Jack Miller and Cleli Miller with 153 team points managed but four team points in last week's play and the low team point production may very well have taken them out of the championship picture.

Hall Summers and Mike Oody, still in third place, equaled the league leaders in team point accumulation with 151 team points and trail the Miller team by just two points, but still find themselves 16 team points off the league pace and only three weeks of action left in the season.

Ted Lomax and Inky Swiney, who made a August bid to overtake the front runners have tapered off in their play and scored but four

Goddard Ahead In Atomic Point Race

Herman Goddard, who got off to a slow start this season at Atomic Speedway, has built a comfortable margin in the battle for the points championship with only two races remaining.

Goddard, a four-time winner at the track this year, has piled up 3,070 points. H. E. Vineyard trails by 770 and is in a tight battle for second place with a total of 2,300.

"Since our races last Saturday night were stopped by rain, I'm going to extend the points season one more week," said Owner Bob Martin. "I think that's the fairest way to handle it."

"However, I'd like to point out to Atomic fans that our racing season doesn't end with the points championship.

Just one minute later Greg Deatridge intercepted a Madisonville fumble and raced 23 yards, then kicked the extra point to put the Reds in front 13-6.

In the first minute of the fourth quarter a pass from Cardwell to David Negley set up a 15 yard TD romp by Starrett to make the score 19-6.

The final score of the game saw Deatridge race in from 15 yards to cap a 50 yard drive.

Look for safety features that fit your family's needs when you shop for clothing, reminds a U.S. extension clothing specialist. Good fit is especially important for those working around machinery. Color likewise is important for those who need to see, such as hunters or children. And garments that reflect light are needed for those who are out after dark.

THE LOUDON MUSTANGS—The 10 and 11 year old division of the Loudon PeeWee football program are called the Mustangs. The team player weight is 90 pounds. This year's team, front row, left to right: Tony Schrimshirer, Dornie Eldridge, David Manick, Wesley Manger, Jerry Thompson, Tommy Russell, Walter Henry, Anthony Hawkins, and Joe Watson. Second row, left to right: Joe White, Rasty Campbell, Greer Carey, John Cardwell, Tony Julian, Perry Purdy, Jonathan Sartan, and Steve Johnson. Third row, left to right: Frank McCall (manager), Carl "Be-Bo" Hawkins, Tim Moore, Jerry Townsend, Jimmy Russell, Carl Johnson, Mark Vance, David Lambert, David Grimes, and Neal Schrimshirer (manager). Team coaches, left to right are: Ernie Black, Mike Schrimshirer and Jerry Schrimshirer. Not pictured is coach Ronnie Watkins.

THE '73 FORDS ARE HERE.

The 1973 Ford LTD. 600 horsepower at 60 mph. Quiet is the name of a well-made car.

At 60 mph a '73 Ford LTD rode quieter than an airborne glider.

On July 27, 1972, a crew of Radio Car tested a '73 LTD against an airborne glider. Both had 60 mph and with identical wind level meters. The result? The Ford was quieter. But the new LTD is more than just quiet. It's well made from the power front disc brakes, power steering and automatic transmission, standard equipment. So it's also more comfortable, roomy interior. That's why you'll find it in comfort and luxury. The solid mid-size Torino. Smooth riding, strong and quiet.

A '73 Torino rode so smooth, a high wire artist kept balance on a road of 2x4's.

Chances are you won't try to balance yourself on top of your new Torino. But, when you're driving inside, you'll still appreciate Torino's refined suspension—because it helps to cushion bumps, absorb road vibrations and restore body control. You feel solidly in control, whether you're in comfort and luxury. The solid mid-size Torino. Smooth riding, strong and quiet.

'73 Pinto: When you get back to basics, you get back to Ford.

Ford, the company that built the first basic, solid, reliable car seventy years ago, has built today's basic, solid, reliable car: Pinto. It's become America's top-selling economy car for more reasons than economy. Here are some of those reasons: A 1600 cc. engine developed and perfected in over 10 years of actual driving. Rack-and-pinion steering. Solid-welded body, electrocatalytic light emission. 4-speed transmission—built for life. Every thing we've learned in seventy years of car-making—all the lessons—we built into every Pinto. Watson, Kumbout and Seelan. When you get back to basics, you get back to Pinto.

A '73 Torino on the Mustang Testing Facility. The colors you see are the colors you'll see on the road.

There are 39 new models to choose from.

And every 1973 Ford, Thunderbird, Torino, Mustang, Maverick and Pinto—comes equipped with new energy-absorbing bumpers and a crumple zone in all models. Standard radial ply tires and AM-FM stereo radio are options on all models. Test-drive these cars. Points at your Ford Dealer's name.

Your County In Action

BY
Harvey L. Sproul
 LOUDON COUNTY JUDGE

Every once in a while on Sunday I buy an Atlanta Journal and Constitution because it seems to have such a cosmopolitan coverage of world, state, and surrounding state news.

I like to look and see what items of interest they have picked out about Tennessee and are publishing in the Atlanta paper.

It is particularly interesting to see how much coverage they don't give concerning the Tennessee Volunteers Football Team.

There are always many interesting and varied columns on the editorial page, and this past week I am particularly interested in Jack Spalding.

I don't believe he would mind if I quoted from him to a certain extent here in my column.

His column was on the subject "It's Hard to Find Good Judges", but was really talking more in terms of trial judges, appellate judges, and Supreme Court Judges.

Of course this is of particular interest to me because I am an attorney, but I think that the general subject should be of importance to all.

Presley Completes Electronics Course
 Eugene E. Presley, Route 2, Loudon, recently graduated from Cleveland Institute of Electronics (CIE), which prepares students for the First-Class FCC License with Radar Endorsement examination.

Specific areas of instruction covered in this course include operation, maintenance, troubleshooting, repair of communications equipment, industrial electronics, computer, television, medical electronics, automation, and aerospace.

Sorority Holds Fall Rush Party
 A Fall Rush party for Beta Sigma Phi Gamma Theta Chapter was held September 21, 7 p.m. at the home of Mrs. Gerald Campbell of Loudon. Members arrived dressed to "feed the cows and stop the pigs."

A short business meeting was called to order by Mrs. Jack Henry. Mrs. Campbell gave a short history of Beta Sigma Phi and told about its significance to members.

Following the closing ritual, there was a get acquainted period. Mrs. Gail Cole won the corn shelling contest.

Everyone helped make homemade ice cream which was served with peach cobbler and sandwiches.

The party was attended by 12 members and 25 guests.

On September 7 the meeting was held at Carbine Park in Loudon, with Mrs. Dick Huff and Mrs. Harry DeFord as co-hostesses.

The meeting was called to order and plans were discussed for a Garage and Hummage Sale to be held September 29 and 30 at the James M. Hair Building from 9 a.m. to 5 p.m.

After the closing ritual, refreshments were served.

Supplemental Voter Registration

A special supplemental voter registration will be conducted by the Loudon County Election Commission on Saturday, September 30 from 9 a.m. to 4 p.m. at the following locations:

- Election Commission Office - Courthouse
- Eaton Cross Roads - Eatons School
- Lenoir City - Utilities Building
- Greenback - Firehall
- Philadelphia - McNabb Furniture

The deadline for persons wishing to register to vote in the November elections is October 7, 1972.

The Tribe Speaks

BY LOUDON HIGH SCHOOL JOURNALISM CLASS
By Patti Gentry, Joyce Harrison, and Steve Rogers

This past week we the student body at L.H.S. have been electing class officers and they are as follows: Senior Officers: Pres- Bill Stafford, V.P. Byron Lawson, Sec- Betty Waller, and Treas- Selena Cannon. Junior officers: Pres- Danny Bivens, V.P. John Lovelace, Sec- Connie Huskey, and Treas- Greg Watson. Sophomore officers: Pres- Paul Bivens, V.P. Sam Lyle, Sec- Cindy Allmon, and Treas- Brenda Bright.

The Seniors took the Armed Services Aptitude Test, the test lasted from 1st through the end of 3rd period. The students voted Friday on Homecoming Queen and the results were announced Friday night during the pre game show. The Homecoming Queen for 1972-73 is Miss Pat Turbyfill. Loudon High School Future Farmer members visited the TV&A Fair on Monday, September 11th. We entered more than 47 crop and shop exhibits in the FFA Department and in the open show. Ninety of our members made an educational tour of the livestock farms, crop and shop exhibits before being dismissed by their group leaders to visit the Midway. Members were divided into 10 groups for the tour and were led by members of the Junior and Senior Agriculture classes. Four members entered the tobacco grading demonstration scoring 910 points out of a possible 1000 points. Team members included Ricky Moore, Eddie Jenkins, Eddie Montooth, and Larry Jameson. Other award winners:

Senior, Second Thursday-Loudon 7 and 8, Third Thursday-Loudon Senior High. Friday clubs will be: First Friday-Loudon 6th, Second Friday-Falcons 5, 6, 7 and 8. 4-H enrollment is open for any student in Loudon County between the grades of 4 thru 12. Any student may enroll or re-enroll during the months of October and November. If you are wanting to participate in any 4-H activity you must enroll in 4-H each year.

LOUDON HOMECOMING COURT-Loudon Homecoming Queen Pat Turbyfill, third from left, is shown with the other five Queen candidates after the crowning ceremony prior to the Loudon-Everett game Friday night. Pictured left to right are Gwen Shell, Selena Cannon, Miss Turbyfill, Susan Huskey, Betty Waller and Vivian Harris.

HOMECOMING FLOAT WINNER-The Sophomore Class at Loudon High School took the \$30 first prize in the homecoming parade float competition with their float shown above.

SENIORS ARE SECOND-Winning second place in the Loudon Homecoming Parade Float competition was the Senior Class float.

THIRD PLACE FLOAT-Loudon's Freshman Class won third place in the Homecoming Parade competition last Friday. They won \$15 for their efforts.

FOURTH PLACE FLOAT-The \$10 fourth place prize in the float competition in the Loudon Homecoming parade was won by the Junior Class.

DISCONTINUED AMBULANCE SERVICE:

The following will discontinue Ambulance Service on November 15, 1972

Click Ambulance Service, Lenoir City, Tenn.
Hawkins Ambulance Service, Lenoir City, Tenn.
Karnes Ambulance Service, Loudon, Tenn.
Hawkins Ambulance Service Loudon, Tenn.

Due to the Federal Highway Safety Act of 1966, the State Laws passed to concur with the Federal Highway Act, we find that it is impractical to provide ambulance service.

The laws passed to date not only carry a financial penalty but also carry an imprisonment sentence if not strictly complied with.

We suggest that the only feasible method to give ambulance service in each county or area would be to consolidate all ambulance service under one governmental organization so that organization could receive aid from Federal, State, and/or Local government, such as County Court, Rescue Squads, Fire Department, Hospitals, etc.

We, as Funeral Directors, have up to this date attempted to give the best possible ambulance service at the lowest possible cost.

We regret we must discontinue ambulance service for the above stated reasons. We tried to work out matters with Loudon County Court, but it would not cooperate.

We would advise the citizens of Loudon County to contact your County officials and express to them the serious need of action so your County will not be without ambulance service when we discontinue the services on November 15, 1972.

PARK LOCATION?—Officers of the Luttrell Community Club look over the proposed site of a park and community center project for Luttrell. From left, that's J.E. Bruce, vice-president; Darrin Richison, president and Jerry Thomas, treasurer.

Luttrell Forms Club, Starts Park Development

(Continued from Page 1)

just formed a few days ago. The land will have to be reclaimed and the gym renovated," he continued, "but the site really only needs minor improvements."

Further Deterioration?
Presently the gym is being used as a polling place during elections but "if it's not improved the building will deteriorate further and we'll have to go to Philadelphia or London to vote," Thomas commented.

If the gym is restored, plans call for it to be used as a multi-purpose center for basketball and community-wide meetings.
The park and center project will serve a five-to-six mile radius and approximately 200 families in the western Loudon County community.

Garland County Workers Named

District campaign workers in Loudon County for State Senator Tom Garland, a Republican who is seeking a seat on the State Public Service Commission, was announced this week by J.V. Schrimsher, Garland's county campaign manager.

Schrimsher, Loudon County Trustee, said the district workers would be active in getting Garland's material out to voters in their district and getting voters to the polls in his behalf.

The workers appointed by Schrimsher by districts are as follows:
First District - Lloyd Black, Ed Alexander, Ralph Wear, Ronnie Wear, Marieta George, Jim Roberts, Faye Roberts, Mrs. R.P. Minney, Bob Carter, Wayne Carter, Rolen Bradshaw, Ed Arnold, Donald Roberts, Odell Justice, Sarah K. Watkins, Mr. and Mrs. Dewey Russell and Paul Giles.

Second District - Mrs. Agnes Williams, Joe Alley, Everett Keener, Gary Hamby, Mr. and Mrs. Gary Linder, Jack Henry, Norma Henry, Arthur Henry, Floyd Ivey, and Mary Lou Williams.

Third District - Johnnie Myers, Bob Griffiths, Mrs. Albert Bell, Mrs. Kitty Roberts, H.C. Greenway and John M. Hutton.

Fourth District - Emmett Carter, Mr. Eddie Brewster, Carl Bright, Jack Easter and Dick Harrison.

Fifth District - Leonard Liles, Les Malone, James Johnson, Homer Johnson, C.V. Duff Jr., Louis Henley, Lena Henley, Howard Phillips, Joyce Phillips, Jessie Norris and Otto L. Swiney.

Park Grants Applied For

Applications for federal grants for the development of two parks in Loudon County were signed last week by Loudon County Judge Harvey L. Sprout making another step in the process of obtaining land and developing the first Loudon County parks.

Long County Court Agenda

(Continued from Page 1)

(3) Consideration of request of Loudon Citizens' Committee to use Aisle Building at meeting place.

(4) Report concerning building permits, and compliance with requirement.

(5) Report and any necessary action concerning closing old route of Paris Drive in replacement of new road and right-of-way.

(6) Any report ready concerning problems between the administration of Loudon County and Loudon Sub-division Regions in areas where County Zoning is in effect.

(7) Appointment of two new members to Board of Zoning Appeals from Planning Commission to replace J. E. Greenway and Curtis Williams.

(8) Highway Department.

Park Grants Applied For

Applications for federal grants for the development of two parks in Loudon County were signed last week by Loudon County Judge Harvey L. Sprout making another step in the process of obtaining land and developing the first Loudon County parks.

Long County Court Agenda

(Continued from Page 1)

(3) Consideration of request of Loudon Citizens' Committee to use Aisle Building at meeting place.

(4) Report concerning building permits, and compliance with requirement.

(5) Report and any necessary action concerning closing old route of Paris Drive in replacement of new road and right-of-way.

(6) Any report ready concerning problems between the administration of Loudon County and Loudon Sub-division Regions in areas where County Zoning is in effect.

(7) Appointment of two new members to Board of Zoning Appeals from Planning Commission to replace J. E. Greenway and Curtis Williams.

(8) Highway Department.

O. Election of Notary Public: A. A. (1)

Consideration of calling a public hearing on the following two proposed reorganizations recommended by Planning Commission:

(A) A small tract of land located at the intersection of Alternate State 93 and the S. & W. Railway at GENA in the Third District from A-2 to C (Old Center).

(B) A 30-acre parcel owned by Parry Coffey on the Nindmore Road next to the City limits of Loudon from A-2 to B-1.

A. A. (2)
On the agenda concerning committees who include replace-

ment of the Third District member to the County Board insomuch as A. Clark has resigned.

4. P. (1)
Will include consideration of authorizing the County Judge to accept the State Law Enforcement Plan, reorganization of the Sheriff's Office.

(2) Received notification that the County's application for a \$200,000 loan has been approved by TLEAC.

LEGAL NOTICES

NOTICE OF SALE OF REAL ESTATE

WHEREAS, On the 13th day of October, 1971, by deed of trust recorded in the Register's Office for Loudon County, Tennessee, in Trust Book 121, page 441, Jerry D. Davis and wife, Linda Q. Davis, conveyed to Ernest P. Schumacher, Trustee, the hereinafter described real estate in accordance with the sum of \$14,700.00; due in monthly installments of \$9.90 each, commencing on the first day of December, 1971, and the first day of each month thereafter until the principal and interest are fully paid, except that the final payment of principal and interest, if not sooner paid, shall be due and payable on the first day of November, 1972.

WHEREAS, Default has been made in the payment of said indebtedness and other provisions of the deed of trust have been violated, the holder of said indebtedness has declared the amount due and payable in full and in satisfaction of the deed of trust, and the Substitute Trustee has been directed to foreclose the deed of trust in accordance with the terms thereof, the public is hereby notified that the undersigned Substitute Trustee will sell said real estate to be sold in public auction to the highest and best bidder, for cash in hand in front of the Courtroom door in Loudon, Loudon County, Tennessee, on the 6th day of October, 1972, at 11:30 a.m.

The real property herein described real estate to be sold is located in the 38th Civil District of Loudon County, Tennessee, and more particularly described as being Lot No. 14 of the Pleasant Hill Subdivision, as shown by survey of R.W. Sweeney, Jr., dated July 27, 1971, and more particularly described as follows:

BEGINNING on an iron pin

in the South right of way line of Ellis Road at its intersection with the West right of way line of Outer Drive, thence with Outer Drive, South 35 deg. 56 min. West, 140.74 feet to an iron pin, corner to Lot 15; thence with Lot 15, North 45 deg. 45 min. East, 200 feet to an iron pin in the line of Lot 10, corner to Lot 15; then with Lot 10, North 36 deg. 44 min. East, 86.5 feet to an iron pin in the South right of way line of Ellis Road, South 57 deg. 50 min. East, 118.4 feet to the point of BEGINNING, said premises being improved with a dwelling.

BEING the same property conveyed to Jerry D. Davis and wife, Linda Q. Davis, deed dated October 6, 1971, from John H. Wallin (single), recorded in Deed Book 106, page 77, Register's Office for Loudon County, Tennessee.

This the 7th day of September, 1972.

Edwin H. Arnold, Substitute Trustee.

NOTICE TO FURNISHERS OF LABOR AND MATERIALS TO HARRISON, INC. CONTRACTORS, FOR USE IN THE CONSTRUCTION OF CONTRACT NO. 6031, PROJECT NO. S-53006-8204-04 and SP-09001-8223-04 LOUDON-BLOUNT COUNTY, TENNESSEE.

Notice is hereby given that the State Department of Highways is preparing to make settlement with HARRISON, INC., contractors of ALCOA, TENNESSEE, for THE RESURFACING WITH BRIMMINOUS (PLANT MIX) MATERIALS OF A SECTION OF STATE ROUTE 33, BEGINNING AT THE MONROE LOUDON COUNTY LINE AND EXTENDING TO A POINT APPROXIMATELY 21 MILES EAST OF THE LOUDON-BLOUNT COUNTY LINE.

All persons holding claims against the contractor, HARRISON, INC., or their agents, for materials or labor entering into the construction of this project, must file a itemized notice of claim (3 copies) with the original copy sworn to before a Notary Public. This notice of claim to be received at the Office of G.L. Allen, State Construction Engineer, the Department of Highways, 110 Highway Building, Nashville, Tennessee 37219, on or before November 6, 1972, in order to obtain the advantages afforded to claimants by legal statutes.

ROBERT F. SMITH, COMMISSIONER.

9-14-72C

SEPTEMBER 28 1972

I am sure everyone can look back on their childhood days and find things that seem to be most pronounced in their memories. If you were like me, there was possibly many material things that you would have liked to have had, but the essential things were about all that was available. Lacking in many of the things that kids have who are growing up today. But, we made up for it in creating our own fun things. I guess one of the things that

was a very important part of our childhood days was playing baseball and most times this was with a string would ball and a homemade bat, made out of a board. But it was a lot of fun and I wouldn't take anything for the memories of my childhood pals and the hours we spent together. Our other picture this week is of the late Mr. and Mrs. Noah Purdy, which is a reminder to us of the days when the Purdy's yard and street in front of their home was just about a constant scene of a baseball game. The Purdy's sons, Noah, Jr. and the late George Purdy were most ardent baseball fans. These fine old people were very patient to put up with the noise and activity that went on at their house. These were people who were of our life of growing up as they were to many others. They were always patient with us and their sons as we grew up in part in their presence and we appreciated them, as we have so many of the other wonderful people who have made up the populace of the place we love and call home. We are most grateful to the Purdy family for the loan of this picture. Speaking of games kids used to play. We were visiting Mr. and Mrs. Gene Hickey the other day and they were talking about scotch and hoops kids used to roll. They wondered why kids didn't do this anymore. I suppose it's just part of a changing way of life. Well, that's it for now. See you next week.

Burley Marketing Cards Are Mailed

Cards have been mailed to all farm operators having a tobacco quota asking if the crop was produced on the farm in 1972, says Fred Fipps, Chairman of the Loudon County ASC Committee. This information is needed to secure marketing cards for those growers who will have tobacco to sell.

The producers have also been asked if insecticides containing DDT or TDE were used on the crop during its growth. It is very important that these cards be returned promptly and that they be properly executed, Mr. Fipps says. A false certification on the card can make the producer liable for criminal or civil action. Random samples of tobacco will be collected from producers at the warehouse and tests will be made for the use of DDT or TDE.

Someone is waiting for you to get in touch. Dial them long distance. Today.

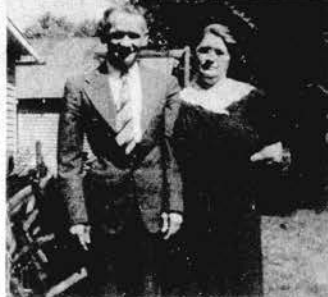

Dialing direct is easy. Here's how: Just dial "1", plus the area code (if it's different from yours), plus the number. It's quicker than placing your call through the operator—more personal too! So dial long distance direct, and save.

BACK IN THE GOOD OLD DAYS

We are always looking for unusual pictures that depict a way of life from days gone by and through the passing years have come across some pictures of things that we had no idea that had been recorded in pictures. But it seems that somewhere, somebody, has a picture of it, if it has been done. This week we have a picture

of something which was very common Back in the Good Old Days. Quite possibly, some of our readers are very familiar with this type of work. It was something that not only required muscle but also a lot of know how. This picture is about men who knew the river and its many trials. The know how was a big factor in handling a sometimes unruly log float. Also it was necessary to know the water on which the log float was made on. This old picture shows the men preparing a float for its long journey. This picture was made on the Tellico River and the float's destination was Loudon. At that time there was a sawmill along the river of our town. Those in the picture are: (left to right) Ben Howard, John Sloan, Daniel Howard and Carra Bright. This old picture was loaned to us by Henry Howard, who was the son of Daniel Howard in the picture. Our many thanks to him for the loan of the picture.

BENNY AND SONJA—Benny Houser is a member of the Sweetwater Grasscutters football team and his sister, Sonja, is a team cheerleader. They are the children of Mr. and Mrs. Benny Houser of Sweetwater. Grandparents are Mr. and Mrs. Ira Everett, Loudon and Mr. and Mrs. J.D. Houser of Sweetwater.

CLEMENT VISITS—Public Service Commission Candidate Bob Clement is shown shaking hands with Fred Laffer when the Democratic candidate visited Loudon last Wednesday afternoon. About 25 persons greeted Clement at a reception hosted by his Loudon County Campaign chairman Penny McNabb.

Loudon County Revenue Share Portion Reported At \$228,828 By Duncan

Representative John J. Duncan today released the amount of appropriation for the Second District under the Revenue-sharing Bill recently agreed to by a Senate-House Conference.

Loudon County	Total Grant
County Area	\$228,828
County Government	\$163,449
Total to cities over 2500	\$ 63,161
Total to cities under 2500	\$ 2,219
Lenoir City	\$ 39,542
Loudon	\$ 29,619

In announcing Loudon County's portion of revenue-sharing funds, Representative Duncan said, "I am proud to have had a part in gaining congressional acceptance of this bold new measure to strengthen our state and local governments." Representative Duncan went on to add, "This bill recognizes the fact that the local taxpayer is also a Federal taxpayer. It is high time that the Federal government increase its portion of its tax revenues in stronger state and local governments." Congressman Duncan noted that he expects both the House and Senate to approve the Revenue-sharing Bill within the next few days.

In explaining his conviction that revenue-sharing will allow local governments to be more responsive to the needs of the people, Representative Duncan stated, "The Congress levies taxes and authorizes expenditures but the crucial operating decisions are often made by anonymous Washington bureaucrats who are directly accountable neither to elected officials nor to the public at large. Revenue-sharing puts our Federal taxes back in the hands of those local officials who have a greater awareness of local needs and whose policies are subject to public acceptance or rejection at the ballot box."

Kick-Off Report Encourages U-F Leaders, Goal \$47,500

The 12th annual United Way Campaign of the Loudon County United Fund got off to a fine start Tuesday night toward reaching the 1973 goal of \$47,500 when the Fund received three checks totaling \$170.71.

The annual Kick-Off meeting was held at the Junior High School with a large group of Fund leaders and volunteers attending. Highpoint of the meeting

was the initial contributions to the 13 member agency. They came from Wampler-Elm Hill, The Eaton Corporation and the Hamilton National Bank of Loudon. Ted Wampler, representing Wampler-Elm Hill presented a check for \$227.21 and announced that the campaign in the two plants was complete and there was 100 percent participation from employees. Chuck Rauscher of the Eaton Corporation

presented a check for \$2500 which is the company contribution. The third presentation represented another 100 percent completion. It was presented by United Fund President Charles Davis of the Hamilton National Bank of Loudon for the sum of \$443.50. President Davis said he is very proud of the record of the Loudon County United Fund. He pointed out that it started

(Continued on Page 5)

UNITED FUND KICK-OFF — Ted Wampler of Wampler-Elm Hill, Chuck Rauscher of Eaton Corporation and Charlie Davis of Hamilton National Bank of Loudon hand Bob Black, industrial co-chairman and Jack Hill United Fund Campaign Chairman, checks totaling \$3,170.71 that kicked-off the 1973 Loudon County United Fund drive Tuesday night.

Two More Sentenced To Prison

Two more prison terms have been handed down in Criminal Court trials in Loudon County this week. Willie John Turpin entered a plea of guilty to a charge of felonious assault and was sentenced by Judge Lloyd McClain to one to three years in prison.

Eddie Norman, indicted for forgery, was found guilty and sentenced to one to five years in prison. A mistrial was declared in the trial of Franklin D. Snyder and Donald E. Burnam, on charges of receiving and concealing stolen property.

A court directed verdict of not guilty was returned in favor of Virginia Howell who had been indicted on a charge of aiding and abetting Dan Howell, a prison escapee.

Jack R. Jones was fined \$50 and costs on a charge of driving while intoxicated and found not guilty on a no drivers license charge.

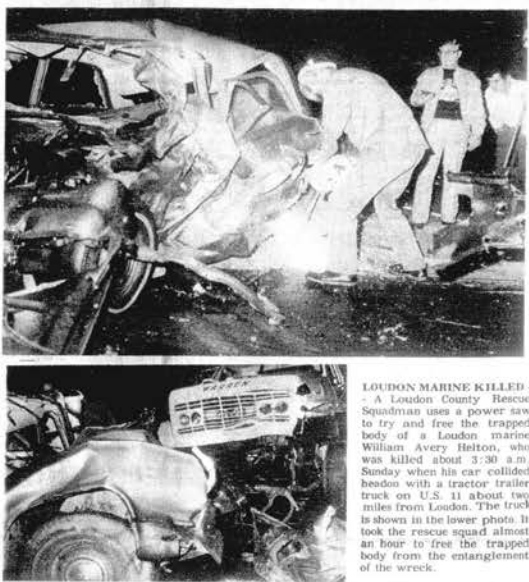

It was reported last week that Mike Young was sentenced to one to five years on four separate charges. One of the four sentences was a minimum of five and a maximum of five years in prison. He will serve all four sentences concurrently. He also faces a jail term of 11 months and 29 days after completion of the prison term. Criminal Court Clerk Billy Joe Akins reported.

Womens Club Buffet Slated

The annual Buffet Dinner of the Loudon Woman's Club will be held Sunday October 15 at the Loudon High School Cafeteria. It was announced this week.

Tickets for the dinner are now on sale by the Club members and will be available at the door. Prices are \$1.75 for adults plate and \$1 for child's plate. Proceeds will be used to help construct a cheerleader's stand at the Loudon High School football stadium.

Marine Killed In Grinding Collision

A young Loudon U. S. Marine was killed about 3:20 a.m. Sunday in a grinding head-on car-truck collision on U. S. 11 about two miles from Loudon. The victim was identified as Avery William Helton, 18, 107 Cedar Street in Loudon, who was home on leave from Memphis where he was stationed.

State Trooper Don Collins, who investigated, said that Helton was killed instantly in the accident. A rescue team from the Loudon County Rescue Squad was called to the scene and worked more than an hour with axes before they freed the badly mangled body of the Marine from the wreckage of the car. He was driving.

Trooper Collins said the driver of the truck, Edward Jack Carroll, 36, of Warren, Michigan, said he was traveling north on U. S. 11 when he noticed two cars coming south and one was attempting to pass the other.

Mr. Carroll, who suffered back injuries and was admitted to Loudon County Memorial Hospital, said he applied the brakes on his truck, skidded into the shoulder of the road and into the ditch attempting to avoid the collision. The two vehicles collided left front to left front. Collins said that the truck skidded for 165 feet before impact, Helton's car skidded 27 feet before impact and the tractor skidded another 36 feet after the impact knocking the

car back 45 feet. When the vehicles stopped they were blocking both lanes of traffic on the highway. It was almost 6 a.m. before the wreckage was cleared from the highway. The Helton car was completely demolished by the impact. The engine of the car was found under the car. The steering wheel apparently crushed the chest of the victim and his head was also severely damaged. Rescue Squad members worked to free him said his body was pinned almost from one end to the other.

Mr. Carroll told Trooper Collins that the driver of the car that Helton was apparently passing stopped and ran back to the Helton car calling the victim by his first name, leading him to believe Helton was his friend. He said that after he apparently saw that Helton was dead he then came to aid the injured truck driver and left the scene without giving his name. Trooper Collins said that there are no charges against the witness but the information he could give is vital to the investigation and he requested that the person contact him at the Highway Patrol Headquarters in Knoxville.

The father of the victim reportedly told Trooper Collins that his son had had another accident recently with a tractor-trailer and his car was in a Loudon body shop for repairs and the car he was driving had been loaned to him by the firm.

The truck driver is employed by Stevens Van Lines of Memphis. No charges have been placed against him in the accident. Trooper Collins said the truck driver apparently did everything he could possibly do to avoid the accident.

Military funeral services for Helton were held Wednesday from Hawkins Funeral Home Chapel in Loudon with a Marine Chaplain officiating. Burial was in Lakeview Cemetery in Lenoir City.

Listed as survivors are the victim's parents, Avery and Mildred Shelley Helton; two brothers, Bobby Wayne and Michael Shane Helton; grandparents, Mr. and Mrs. Alex Bates all of Loudon and Mr. and Mrs. Bill Whitaker of California.

County Court Decides

Hospital To Provide Ambulance Service

Loudon County Court Monday night voted to set up a county-operated ambulance service as a department of the Loudon County Memorial Hospital. The action came in the face of a declaration by local funeral directors that they will cease ambulance service on Nov. 15.

The Court's decision answered the long-debated question of what direction County Court will go to solve the problem of providing ambulance services for Loudon County residents. Other proposals considered over the last approximately 18 months include subsidizing funeral homes to stay in the ambulance business, awarding a franchise to a private ambulance operator and setting up an ambulance service separate from the hospital. None of those proposals have worked out.

As a part of Monday night's deliberations, County Judge Harvey Sprout described the operations of the Cumberland County Ambulance Service as a part of the Uplands Cumberland Medical Center at Crossville. He and five members of County Court visited the Crossville hospital recently and were given a tour of the ambulance department there and a description of its operation.

Monday night's action did not include appropriation of funds to carry out the proposal, but in previous discussions which have occurred at virtually every meeting of County Court for the past year and a half, it has been made clear that it will cost upwards of \$75,000 to buy equipment and finance the first year's operations.

New Court member Boyd Duckworth — who was appointed new chairman of the County Court Ambulance Committee Monday night — said the cost to Cumberland County was \$100,000 to buy equipment and operate the first year and a net cost of about \$40,000 the second year. Specifically the Court voted,

on motion of Squire James M. Harisook, to instruct the Court's Ambulance Committee to meet as soon as possible with Hospital Administrator Gay Hamilton and with Civil Defense Director Ted Harshbarger, who has done considerable work recently on the problem, and to "set up a plan for the Hospital to do the best it can to take over ambulance service in Loudon County by Nov. 15 when the funeral homes go out of the ambulance business." His motion was seconded by L. D. Conner and the vote was unanimous.

Harisook told the Court he was very much aware of the nearness of the Nov. 15 deadline which has been set by the funeral homes. "They're adamant. They're going to quit," he said.

All three Loudon County funeral homes, Clark Funeral Home of Lenoir City, Hawkins Mortuary of Lenoir City and Loudon, and Quinn and Karnes Funeral Home of Loudon, have stated that new State and Federal regulations concerning ambulance operations are so stringent they cannot continue to offer the service.

Criminal Justice Center Judge Sprout reported, as was announced in newspapers last week, that the county had been approved for a \$200,000 Loudon County Criminal Justice Center and asked for additional authority to get the project underway.

The court approved a motion to allow for the appraisal committee to hire appraisers for property considered for potential locations, to allow them to decide on a site, hire an attorney, take options if possible, or file condemnation if necessary. Judge Sprout said that under the terms of the grant, which is for the construction of the building, estimated to cost \$400,000, and equipment for the building. This work including having contracts and plans made done by December 1.

An additional grant of \$100,000 is being applied for under the communications and records phases of the project. Under this grant the county and cities participating would only add 25 percent of the cost. This phase also includes assistance for salaries in operating the communications and records departments.

Under the proposal, a joint-use facility would be built somewhere between Lenoir City and Loudon to serve as a back-up for Loudon County, Lenoir City, Loudon, Greenback and Philadelphia. It would contain quarters for the General Sessions Court, the office of the General Sessions Court Clerk, central communications center to serve all four police departments, the Sheriff's office, and the fire departments operated by Lenoir City, Loudon and the Loudon County Rescue Squad. Also housed in the building would be the headquarters for the Loudon County Civil Defense organization.

Hospital Board Named The court adopted a resolution defining the duties and responsibilities of the administration and board of directors of the Loudon County Memorial Hospital. Also they named a hospital board, which will serve for two years. The board members named were I. D. Conner, Gene Hamby, John Roberts, Calvin Atchey, Dr. Harold Freedman, J. J. Blair, Homer Vaughn Simpson, Roy Blackoe and Mrs. Nola Etiam.

Squire D. Conner reported that the Hospital Board had hired Dan Kidd as assistant administrator of the hospital under administrator Gay Hamilton. He also said that the hospital was installing a fire alarm warning system to be tied in with the City of Loudon Fire Department.

In other action, the Court heard a report from Judge Sprout that a lawsuit has been brought against the County

jointly by local hotel and motel owners to declare invalid a county-wide five percent occupancy tax on hotel and motel room rentals. County Court adopted the tax to raise revenue to pay the county's portion of the cost of access roads to the Sugar Lamb and Philadelphia interchanges on I-75.

The basis of the suit, Judge Sprout related, involves whether or not the Court and the County Judge followed proper procedures in levying the tax. No injunction is involved, he pointed out, however, and collection of the tax will continue while the lawsuit is in court.

On recommendation of Third District Judge J. G. Hudson, Gordon Fisher was named to the Loudon County Board to replace C. A. Clark, who resigned for health reasons.

The Court also appointed Lester Williams as temporary Constable in the Fifth District to serve until a special election on Nov. 7. O. H. Park, who was elected in August for the post, declined to accept the office citing a health condition which he said he had not previously known about.

State Planner Dennis Merritt told the Court that the first part of applications for grants for Luttrell and Eatons Kuritan Community Parks have been filed and it is expected that something will be heard from them by the last of October.

Permit Granted After hearing from Elmer Hatlee, a resident near new Highway 49 and Simpson Road at Lenoir City, about a problem he had in getting a building permit to construct a new house, the Court instructed the building inspector to issue him a permit to allow for the construction of the home.

Mr. Hatlee told the court that he bought the property in question over three years ago, that he did not front on a public road at the Loudon Grammar School Cafeteria.

Demo Women Set Rally

The Women's Democrat Club will sponsor a Democrat Rally, Saturday, October 7 at the Utilities Building in Lenoir City at 2 p.m. Speakers for the event will be Mrs. Ray Blount, Mrs. Bob Clement and Mrs. Gene Livingston, State Committee woman.

Parents Group Call Meeting

An organizational meeting of the Parent's Group of the Loudon Grammar School will be held Monday, October 9 at 7:30 p.m. at the Loudon Grammar School Cafeteria. Henry Mitchell, president, urges all parents of children attending Loudon Grammar School to attend.

Greenback Community News

By Mrs. S.B. McCollum
Phone 956-3017 Greenback

Mrs. I.M. Denton celebrated her birthday at her home on the Lenoir City Road Saturday with her sons Mr. and Mrs. Harry Denton, Jeff and Jamie, Mr. and Mrs. Dale Denton and family of Blufffield, and friends adding to her joy with food, gifts, letters and cards. Her third son, Mr. Hugh Denton and Mrs. Denton have announced the birth of a daughter Keima Leah Denton in a Marietta Ga. hospital. Mother and baby are reported doing nicely.

Mr. and Mrs. Earl Hackney attended services in the Friends Church in Friendsville Sunday and were dinner guests of Mr. and Mrs. Robert Peters.

Mrs. C.E. Long spent last weekend with Mr. and Mrs. Bush Long in Maryville.

Mrs. M.G. McTeer attended the West Tennessee State Fair in Memphis last week and was judge of Food exhibits.

Mrs. A.L. Disney is spending this week with her son Mr. and Mrs. Frank Disney in Knoxville.

Among those who attended the Auburn-Tennessee football game in Birmingham last week were Mr. and Mrs. Roy M. Brooks Jr., Mr. and Mrs. P.K. Greenwood, Attorney and Mrs. James Fox, Mr. and Mrs. Red Barnes.

Mr. and Mrs. Harold Carpenter have moved to Athens, Ga. where he is employed with Production Credit Company. Mrs. Gail Brooks; Miss Hazel Alexander; Mrs. Ruby Long and Mr. Robert Thompson visited the William Dempsey family in Warton, Ala. during the weekend.

Mr. Clarence Mizer of Misers Station visited Friday with Mr. and Mrs. S.B. McCollum and their guests on Saturday were Mr. and Mrs. P.S. Ferguson of Bryson City, N.C.

Mr. and Mrs. John Carpenter, Erin and Alison of Savannah, Ga. are guests this week of his parents, Mr. and

Mrs. A.W. Carpenter. Another son, Larry Carpenter and Mrs. Carpenter have moved from Key West, Fla. to Maryville. Larry has completed his military service in the Navy.

Mr. and Mrs. James Blair and Mrs. C.E. Long spent Sunday with Mrs. Birdie Lane in New Tazewell, and Hank Long was also a guest.

The Greenback Community Club entertained 40 members of the Greenback High School Football Squad last Thursday evening with a dinner and program. The speaker of the evening was Mr. Gerald Hasty, Football coach of Maryville College and Mr. Robert Barnes also spoke. Master of ceremonies was the Rev. A. Gillander and Mrs. M. G. McTeer had charge of the dinner.

Mrs. Kenneth Hair continues her visit with Mr. and Mrs. Fred Spencer in Orlando, Fla. and with Mr. and Mrs. F.L. Peterson in Cocoa, Fla. Mr. and Mrs. Max Cooper, Mark and Paige of Cincinnati, Ohio have been guests of his mother, Mrs. Carrie Cooper and other relatives.

Mr. and Mrs. Charles McCollum, Mr. and Mrs. James Long entertained relatives at the McCollum home in Friendsville Sunday honoring Mr. Floyd Hammonree on his 80th birthday.

Among the guests were sons, Mr. and Mrs. Edwin Hammonree of Maryville; Mr. and Mrs. Melvin Hammonree; grand children, Mr. and Mrs. Jerry Hammonree of Concord; Mrs. Patricia Ingram; Mr. and Mrs. Earl Sinsnet. Mr. Hammonree enjoys good health and his wife Mrs. Nona Griffiths Hammonree is able to accompany him to church regularly. He and his brother, John Hammonree, age 94, are the two out of 8 children remaining of the late Mr. and Mrs. Alexander Hammonree family.

SAFE DRIVER HONORED-Loudon Police Chief John Lennox presents a certificate of merit to Mrs. John Brown after she was named Safe Driver of the Month by the Lenoir City Pilot Club. Club representatives looking on are Lena Bell and Ruth Tyler.

Mrs. Brown Gets Safe Driver Award

After more than a month's observation of local residents by the Loudon Police Department, Mrs. John L. Brown was presented a certificate of merit by Police Chief John Lennox last Thursday for her courteous and safe driving during the month of August. The award is sponsored by the Pilot Club of Lenoir City in an effort to promote traffic safety.

A similar award was presented to Miss Susan Cox of Lenoir City.

Representing the Pilot Club at the award presentation was Lena Bell and Ruth Tyler of the club's safety committee.

Mrs. J.B. Anderson observed her 93th birthday anniversary at the home of her daughter, Mrs. Glenn Wear and Mr. Wear in Maryville. She has recovered nicely from major surgery and was able to enjoy relatives and friends, gifts, letters and cards and a long distance telephone call. Her other daughter, Mrs. I.E. Airheart of Scottsboro, Ala. is with her and her son, Ben Anderson of Scottsboro visits her often. She and her brother, Sam McCollum Sr. are the two

Philadelphia Personals

Mrs. Harry Harris and Mrs. Gordon Gann of Marietta, Ga. have returned from a 10 day vacation in Ipswich, England. They visited T.S.G.T. and Mrs. James Harris and boys. While there they toured London and visited the resort city of Felixstowe.

W. E. Edwards was in Dallas, Texas last week on a business trip and visited with Mr. and Mrs. Weindell Stiles.

Mr. and Mrs. Amos Allen were the guests a few days last week of Mrs. Allen's sister, Mrs. James Linkie and Mr. Linkie in Akron, Ohio.

Miss Valerie Davis had a tonsilectomy recently at Fort Sanders Hospital.

Miss Ada Griffiths visited Thursday with her aunt, Mrs. D. L. Keelber in Lenoir City and her daughter, Mrs. Robert Stulting, who was there from Knoxville.

Dr. and Mrs. W. L. Hyden from Charleston, S. C. were here for the weekend.

Mr. Johnny Rhynes from Alabama spent the weekend with his sister, Mrs. Ed Knox and Mr. Knox.

Mrs. John Everett, Sr. invited the ladies Sunday School Class of the First Baptist Church to her home Monday for a covered dish dinner to honor Miss Grace Carter who will return this week to Liberia, Africa.

Mr. and Mrs. David Perkinson of Chattanooga visited Saturday with relatives here. Mrs. Perkinson is a niece of Mrs. Henry Bledsoe and Mr. E. M. Hill.

Mrs. Newman Hill, with her sister, Irene, and brother, Charles, from Indianapolis, Ind., were guests Sunday of Mr. and Mrs. E. M. Hill and will visit a few days with other relatives. Mr. and Mrs. Glen Hill and daughters of Lenoir City had dinner Sunday with Mr. and Mrs. Hill.

Celebrate Birthdays

John Whetstone Hutton celebrated his second birthday September 12. He is the son of Mr. and Mrs. Wayne Hutton, Macon, Ga. Grandparents are Mr. and Mrs. L.C. Whetstone of Pensacola, Fla. and Mr. and Mrs. John M. Hutton of Greenback.

Peggy Sue Green celebrated her second birthday September 12. She is the daughter of Mr. and Mrs. James Green, Route 2, Loudon. Grandparents are Mr. and Mrs. Henry Green and Mrs. Minnie Brogdon, both of Loudon.

TOPS Club Sets Bake Sale

A Bake Sale will be held in front of Greer's, Saturday, October 7, beginning at 8 a.m., sponsored by the "Take Off Pounds Sensibly" Club. There will be different baked goods plus a decorator to personally decorate your cakes for special occasions.

living children of the late Mr. and Mrs. J.B. McCollum.

Mrs. Blanche Hall, Mrs. Garfield McCarter and Mrs. Raymond Cook were visitors in Knoxville Friday.

Mr. and Mrs. Walton Moore and family of Carrollton, Ga.; Mr. and Mrs. Milton Green and family of Knoxville; Mr. and Mrs. Paul Green; Mr. and Mrs. Jack Green and families were guests Sunday of Mrs. Annie Archer.

SEASON STARTERS
right in line for Fall

There's an elegant tempo to measure this fall. Bold plaid, neat pattern, varied drapings. A new emphasis on utility. And, there's a secret of that classic gray flannel suit. The tailoring? Impeccable. The lines? Well worked. Merchs of polyester and wool - and knit, of course. The range of colors will please every man. Be here early.

road with a frontage of 25 feet as required by the county regulations, but he had lived in a mobile home on the property during that time. After further discussion, it was learned that he had a right of way 16 feet along a private road that was maintained by the county for more than 11 years. The court deemed that this made the road public and asked that the building permit be issued.

Eaton Park Opposed
Three men who were interested as property owners on Hickory Creek Road where the new Ruritan Recreational Park is to be built in the fifth district appeared before the court to oppose the construction of the park. Marvin Whitaker said the

property owners were not in favor of the park because it would invite trouble for the people along Hickory Creek Road. He said the road was narrow and at one point it was a straight-away for more than a mile and used for drag racing. He felt the park would invite more speeding, dumping of garbage and serve as a gathering place for people to "dream up meanness." He felt that if the park was built in that location, which was decided to the county by the Eaton Ruritan Club last month, that someone should take the responsibility to provide protection and assurances to property owners along the road leading to the park that the road would be patrolled to provide safety for their children, themselves and their property.
Squire R. P. Hamilton told

the delegation that he felt the proper place for their objections to be heard was at the Ruritan Club meeting and invited them to attend the next meeting of the club.

In earlier action, the court requested that Road Commissioner Leo Malone erect 30 mph speed limit signs on Hickory Creek Road.

The Court recommended the reappointment of Squire Curtis Williams to the County Planning Commission and named him for another term on the Board of Zoning Appeals. Also appointed to that Board was R. S. Pressley, from the County Planning Commission.

A Public Hearing was called for 8:30 a.m. Monday, Nov. 5, on a proposal to rezone a tract at Jena, near Greenback, from A-2 (Agricultural) to C-1 (Rural Center), and another tract on Needmore Road, near Loudon, from A-2 to R-1 (Residential).

The Court voted to approve expenses of 10 cents per mile for County Court Clerk Edward Alexander for his travels about the county visiting wholesalers and retailers who are delinquent under the State Business Receipts Tax Act. Only one Notary Public, Fay Clinton, was elected.

Fire Extinguisher Demonstration Slated By City

A fire extinguisher demonstration will be sponsored by the Loudon Fire Department on Saturday, October 14 at Legion Field in Loudon. Fire chief Chili Jones announced this week.

Chief Jones said the demonstration, which will be given three times during the day, will be part of the observance of National Fire Prevention Week, October 8-14.

Three types of fire and all three types of fire, using chemical extinguishers will be demonstrated. The demonstrations will be held at 10

Man Indicted On Building Permit Pays

All new constructions in Loudon County, no matter how big or small, must have building permits and this regulation is one which many county residents are unaware of.

That's the word from county building inspector, Joe Bradford, who said recently that questions and confusions have been cropping up lately over the building permit regulation especially since related Quarterly Court action concerning permits occurred recently.

The Court action involves the enforcement of the building permit regulation. County Squires, at a recent meeting, voted to authorize the county to hire legal counsel in order to institute injunctive proceedings against violators who do not secure permits before building.

Previously, court members had delayed action on the matter causing some citizens to erroneously think that the law was and would not be enforced.

Since the court's decision to authorize the hiring of legal counsel, the Grand Jury recently returned a "true bill" against one man who had been accused of not securing a building permit.

Since then, the defendant, C.E. Sampson, has agreed out-of-court to pay a fine and to

by a building permit. "The court's action to authorize the hiring of counsel has had two effects," Bradford said.

"First, it assures that all citizens will be treated equally in that persons previously buying building permits can rest assured that other people will have to do the same," he explained.

"Secondly, the property assessor will be able to rely upon the building permits as an indication of the location of new construction in the county thus enabling him to get the new structures on the tax rolls for assessment," he said.

Advantages cited "One of the most important methods that Loudon County residents can use to maintain and improve their present property values is to enforce these regulations," he added.

"Only by this way are peoples' homes protected from undesirable construction next door to them. Also, it is an important basis for attracting commercial and industrial development in the county," he said.

The building inspector noted that "the zoning and building regulations were designed for and by the people of this county and only through their cooperation can we enforce them and strive to make Loudon County a more pleasing and enjoyable place to live."

Rezoning Requested

Rezoning requests and discussion on the hiring of a road and civil engineer for the county were items on the agenda recently when the Loudon County Planning Commission met at the

Loudon County Courthouse. A request to rezone a portion of U.S. Hwy. 411 from agricultural to a commercial zone for a drive-in restaurant and service station was taken under study. The petition was

A WELCOME ADDITION—Ben Galyon, left, the chairman of the Loudon County Planning Commission welcomes Henry Mitchell as the newest member of the planning commission. Mitchell also serves as the chairman of the Loudon Regional Planning Commission.

Airish Fall Nights Greet Mid-Season Football Grid Foes

Speaking of Sports

By DANNY GIBSON
Sports Editor

Yes, and speaking of sports... who ever changed the essential gear and equipment for protection of football players to foam rubber was no dummy. Without the spongy buoyance of the protective rubber no telling how many performing players would have drowned in Friday night's downpour. Water on the field, most all around the area, but I am speaking mainly about McMinn Central's was every bit of six inches deep in places. The asphalt track surrounding the field was like a moat and yet the clouds opened up with a continual rain that a duck would have been optimistic of. Nevertheless 350 Loudon football fans sat in the stands to view the opening kickoff. By the end of the first quarter the Loudon Marching Band was manning the life boats and rounded the far end of the moat, excuse me, track and were heading for home. Thus the cheerleaders and a brave God fearing lot remained. By half time 97 Redskins fans were left and the rain stopped. Everyone appeared ready for the start of the second half and were even more joyed over the slack in the downpour of rain. Someone must have spoken up, with Mother Nature eaves dropping. Because as the McMinn Central player teed up the football, the skies again opened and rain, and rain, and more rain fell. By the end of the contest 37 Loudon fans stood drenched. What was once encouraging cheers from the cheerleaders were now gurgles of such chants: "I'm a Raindrop", "Row, Row, Row Your Boat", and still others frolicked out of the stadium to tunes of "Sunny Side of the Street". I could not even see the road to drive home, but if Central fans want to call those avenues of asphalt waterbeds streets that is fine with me.

Never in all my years, maybe all of a dozen, of following high school and college football have I ever been subject to rain for the duration of a ballgame as I was Friday night. We finally gave in and took off our shoes, hung up our rain coats and watched the water polo game (The football game).

You may be wondering why I was not in the press box like a smart sports writer would have been. It was so crowded and jammed with people that a spotter for McMinn County radio station had to be fed by a man standing three bodies back.

Hence, I figured if I ever got in I might never be able to get out. Especially if a fat man or two were to scrouge in late in the game. So, me, Coach Hugh Watson, Coach Larry Bridges, the cheerleaders, and a student pep group of 11, were left splashing about on the sidelines. Oh, the rest of the 37 fans (fools) were concerned parents of boys playing on the field. I guess several parents figured after 15 to 18 years of raising a son it would be had to let him go down the drain at this stage of his life.

We all made it back to Loudon. The public address announcer was most courteous to inform me that Loudon lost 28-6. The scoreboard shorted out on the second tidal wave of the ballgame and I, along with a lot of others, was lost as to the particulars of the contest.

I don't know what Coach Ratledge and Coach Dutton said to their team on Monday as far as analyzing the outcome of the game but it was unanimous anyone taking part in the game or enduring its entirety were destined for the "BIZ BAG!"

By the way the rain let up just as the referee called time on the game.

Loudon lost the services of two regulars Friday night. Greg Watson suffered a broken collar bone in the last play of the game. Greg Allmon, who had been slowed by a head injury once this year, was again hit hard in the Friday night mud bowl and has been forced to drop his football duties.

David Surratt was lost earlier to the Redskins with a broken collar bone.

Greenback proved the smartest of Loudon County schools playing on Monday night rather than on Friday night. But just like in the pros, the Cherokees were upset 18-13 by Venable. The Greenback offense failed to get going until the waning minutes and by then it was too late. A couple of fourth down plays resulted in the final outcome. Venable scored on a fourth and 24 yards to go, while Greenback blew a fourth and nine yard effort. Unless the Cherokees get their desire back, they could be in trouble for the remainder of the season.

Loudon City carries its banner to Knoxville this week after swapping halves with Cleveland Friday night. The Panthers were a lucky group, winning 7-6, and will have to get four quarters of outstanding team play under their belts if they are to remain leaders of the Region II, "AA" division, when kickoff time arrives in Knoxville.

Loudon County Coon Club will sponsor two nights of coon dog trials Friday and Saturday as a highlight to the end of dog-training season. Championship points can be earned each night. In addition, a bench show and treeing contest will be held before the night hunt on Saturday.

Twenty-first ranked Loudon City in the United Press International overall state high school football poll will travel to Knoxville this Friday night for another crucial football contest. The Panthers, boasting a five point margin in the region two AA standings, are unbeaten in five games this fall. Knoxville

game one at a time. Greenback returns to Foothills Conference play this week and after two straight losses will be seeking to find the victory trail. Walland is the Cherokee foe. The Indians are at home and most power ratings label this one a toss up. Greenback is a possible three

ago. The Redskins were riding a wave of consecutive victories when they visited the Dayton Yellowjackets. The Rhea County team won and again named the Redskins last fall. Now the shoe rests on the other foot. Dayton is having a rather blissful campaign with only a loss to Chattanooga Red

Loudon has yet to scratch and carry a disappointing 0-3 record to the Friday night grid bout. Still the Redskins, a certain 16 point underdog, may get all the wheels rolling for this one and pick themselves up where they came unglued two years ago. A quick look at the Region II

"AA" play with a 5-4 state. Sweetwater (4-4) finds South Pittsburg in the way of their third straight "A" division crown. But it would be well for all to remember that the first place finisher must play the region runner-up at the season end before advancing to state

Loudon Junior Varsity Reflects Better Days Ahead

Hey, Redskins football fans hang in there for the opposition may not have forced the Loudon pick to settle on the reservation as a class "AA" dormat.

Freshman football coaches, Larry Bridges and Phillip Bettis, have got a small war party of young braves just itching to contribute to the reconstruction of the Loudon football gladiators. The Loudon Junior Varsity is small in number and may even be a bit slimmer in size for football players, but the speed, hustle, alertness, and desire is there. For this the freshman Redskins proudly boast a 4-0 season record with just three games left for the year.

Loudon has won over McMinn Central twice 16-13 and 14-6. Starred Maryville 16-0 and blanked Loudon City 26-0. The Central Chargers have been the toughest foe to date with games left to Cleveland, Loudon City at Loudon October 16th, and Oak Ridge at Loudon October 26th.

Coaches Bridges and Bettis are in to be commended for their daily efforts in underwriting the reconstruction of another Loudon Red Machine which may lay and close to the scene. Redskins fans are predicting in the near future.

With only 16 players on the squad the daily practice routine is a weird scene but nevertheless the drills and individual work goes on. The

playoff rounds for the eventual class A, AA, or AAA state championship. The number one and two teams must face each other for the right to compete no matter if they have played in regular season or not.

Loudon City, climbing in the state power ratings, leads the

results are unbelievable. For example Maryville, 1970 "AA" champs, brought 64 players to challenge the Redskins freshman force. The Blount Countians were of good size and the depth speaks for itself with the number of participants on the freshman level. Loudon won the game on every note and whipped the young Johnny Rebs 16-13.

Coches Bridges and Bettis, state the team is like a big family of brothers. "Everyone does his job and calls on each other to excel for the team. We are a little small but gally and everyone plays a lot due to the number of players. They give a full 100 percent and that is excellent when you consider they are only freshman and have a lot of years ahead to improve their football skills."

REDSKIN JUNIOR VARSITY—Loudon's Junior Varsity football team made up of freshmen are currently unbeaten in four season games. The mighty Redskin freshmen have out scored their opponents 72-19 with three games left on their schedule. Pictured left to right, front row: Rickey Bettis, Tim Murrell, Roy Hughes, Jim Birkholz, Tim West, Jeff Nichols, Matt Downs, and Decker Colvin. Second row, left to right: Coach Phillip Bettis, Derrick "Burrer" Webster, Mike Brookshire, Steve Hill, Bill Brakobell, Marlon Brown, Jeff Gagley, Mike Lambert, Porky Campbell, and Coach Larry Bridges.

HURRY FOOTBALL, HURRY!!—Greenback's Danny Evans finds himself in a difficult position on this play Monday night. Evans patiently waits the flight of a pass from quarterback Tony Kingfielder, while Venable's defensive back Randy Hendricks rushes madly to break up the reception. Evans made the catch, but Hendricks was equally successful by making a quick tackle.

"AA" Powers Tie

Kingston and Maryville, a pair of Class AA state football giants who met in the semifinals of the state playoffs last season, battled to a scoreless tie Friday in a game marred by mistakes.

Kingston, ranked 12th in the state by the Associated Press, knocked on seventh ranked Maryville's door four times in the first half, but failed to cash in. The Jackets sloshed their way to the 10, 11 and 15 yard line in the first semester and then moved inside the Maryville five yard line following a blocked punt at the 28, only to see all four bids fall short.

The Jackets almost got on the board with 4:45 left in the game when Maryville punter Robert Nicely had to dodge tacklers in his own end zone before getting off a punt on the run. But the punt, which covered some 30 yards, was touched by Kingston's safetyman and Maryville recovered it at midfield.

Early in the second half, Kingston recovered a Maryville fumble at the Maryville 34 yard line, moved to the 20, but the Jackets' field goal kicker lost his shoe and the kick fell short of its mark.

McMinn Central Floats Past Redskins 28-6

London dropped to 0-5 Friday night with a 28-6 footwashing by host McMinn Central. The Chargers took the opening kickoff all the way to the London 20 yard line and cracked over the end zone double strike in just five plays for a easy 7-0 lead.

A hard driving rain set in as London got the ball on the kickoff and the weather along with the blanket defensive play of the Chargers proved fatal for the Redskins victory hopes.

The Chargers registered a touchdown in every period with All State candidate David Johnson rambling for 122 yards on 25 carries. The one

man tank crew got two touchdowns on a one yard run and a 20 yard jaunt with three London tacklers draped to his body for a good part of the way.

London got a brief offensive spark in the second quarter but a pitchout landed in the arms of a McMinn Central defensive man and the Redskins offensive work went for naught with Central getting an easy score from the miscue.

London had some bright spots in the maddy event. Dennis Queen has been moved from his role of backup quarterback to a running back. His debut was a commanding one despite the

slippery field conditions. Queen has good quickness and with Tim Guider anchoring the power running chores the Redskins might well be receiving a buckfield of the future.

First Downs 10-13
 Passes Att. 5-3
 Passes Comp. 1-1
 Yards Passing 35
 Yards Rushing 107

 London 0-6-0-0-4
 McMinn Central 7-2-2-7-28

to Ernie Denny. The scoring maneuver caught Central by surprise and was one of the few offensive wrinkles that fooled the Charger defense.

The weather forced both squads to stick basically to the ground and here again London has had its problems.

London tried for a two point conversion but the pass to Steve Kiser was incomplete.

London had better team statistics for the game than did McMinn Central lagging 10 first downs to eight, but fumbles and pass interceptions in their own territory cost London three of the four scores Central was able to make.

Huff and Hamill were Miller and Miller. Slaymore and Oody. Rosenbaum and White. Lomas and Evans. Ferguson and McNaught. Helms and Carver. Scarbro and Hodge. 124. Swensen and Cole. 122. Wagner and Cardwell. 98. Black and Spradlin. 88. Birkhoff and Moore. 75. Stamey and Evans. 61.

Have 173 points on the year with only a couple of weeks left to play. Jack Miller and Clell Miller have 163 points to date with a 10 point round last week. Hall Summers and Mike Oody are not giving up and trail in the standing with 161 team points. They also collected 10 team points in their last outing. Hamill and Huff registered a six point score making a mad dash for the end on the golf league play. Dick Huff and Art Hamill are fighting off challenges by Jack Miller and Clell Miller and Hall Summers and Mike Oody.

Panthers Slip By Cleveland, 7-6, In Muddy Region II Battle

Lenoir City won its fifth game of the season Friday night without a loss, nipping Cleveland 7-6 in a game played under wet and rainy skies.

The Panthers playing before the home folk, had a strong first half rolling up 163 yards of total offense and eight first downs. A 70 yard drive from the Lenoir City 30 yard line proved to be the attraction of the first 24 minutes of play. Tommy Cook directed a precision offense down the field on 12 plays with Mike Walker fighting his way into the end zone from the three yard line. Cook booted the extra point and the first half ended with Lenoir City in command 7-0.

The Panther defense, a proud group led by Tim Galyon, Donnie Stamey, and Mike Hooks, had dominated the Cleveland offense in the first half. The Blue Raiders managed but 40 yards of real offense in the first two quarters and trailed in first downs eight to one.

Lenoir City found themselves facing a new team in the zone with safety Tommy Cook, barring the door to victory.

and continued to handle the once stubborn Panther front wall. Cleveland marched 40 yards to paydirt and only after Cleveland elected to go for a two point conversion and the lead did Lenoir City come to life. Tim Galyon made a crushing tackle on the Cleveland ball carrier and the Panthers had a 7-6 count which would hold up for the rest of the game.

Cleveland banged out 125 yards of offense in the second half and nearly broke the game open on a fake punt. The Panthers had a 7-6 count which would hold up for the rest of the game.

Donnie Stamey had two recovered fumbles and Mike Walker was added to the second half defensive efforts of the Panthers. Cleveland also robbed Lenoir City of three fumbles in the second half.

Stamey and Walker were the offensive work horses for the night with Stamey accounting for 79 offensive yards on 14 carries good for 60 yards and one pass reception for 19. Walker carried the ball 24 times and had 84 yards on the ground. Mike caught two passes for 14 yards to round out his night.

Cook make the crucial stop despite the slippery ground conditions and the interference of blockers. Lenoir City refused to be so yielding after the touchdown scare and the game soon ended with the Panthers taking over sole ownership of the region standings.

Chucky Williams and Tim Galyon led the defensive play for the Panthers with five tackles each. Tommy Cook, Donnie Stamey, and Sam Thompson also were defensive stalwarts in the important Region II encounter.

3 Teams Left In Golf Title Race

The Union Carbide golf team is making a mad dash for the end on the golf league play. Dick Huff and Art Hamill are fighting off challenges by Jack Miller and Clell Miller and Hall Summers and Mike Oody.

Blue Devils Pull Plug On Greenback Rally For 18-13 Upset

Greenback dropped its second game of the season Monday night to a fired up Vonnore team 18-13. The Cherokees had rescheduled the game for Monday after continued rain had made the Greenback playing field an undesirable rectangle of play Friday.

The Cherokees, favored by more than two touchdowns, were held scoreless in the first half while never getting any closer than the Vonnore 35 yard line.

Vonnore knocked out the Greenback end zone on three occasions in the first half but stout defensive efforts held the Blue Devils in check.

Greenback started out with a ground attack which was fairly well contained by Vonnore. The Cherokee offense, close to run outside on the Blue Devil defense but a stray pitchout was intercepted and returned to the Greenback six yard line. Keith Rollins and

Bill Joe Ryker turned in defensive gems to block the Vonnore offensive efforts. Greenback took over on downs and registered two first downs before having to punt. The snap from center was dropped and Vonnore again had excellent field position at the Greenback 20 yard line. The Cherokee defense proved strong and turned back the Blue Devil thrust for a touchdown.

Greenback finally stabilized offense in the second quarter which was stalled at the Vonnore 35. Vonnore marched the ball to the Greenback 10 yard line before being denied entrance to the end zone. Greenback had one last chance before halftime but chose to run out the clock.

The second half found Greenback fired up and ready to play football. Vonnore was still in a winning frame of mind and the defensive tassel

continued.

Vonnore finally got a break late in the third stanza with a recovered fumble at the Greenback seven yard line. Three plays and the Blue Devils had scored. Greenback stopped the extra point effort. With 2:49 left in the third period Vonnore engineered a 60 yard drive that again produced a touchdown, but still the two point conversion effort was no good.

Greenback started to show signs of panic in the fourth quarter following a Vonnore pass interception. Determined rallies by the Blue Devils and two penalties had the ball on the Greenback 13 yard line.

Greenback's defense followed the lead of Bill Joe Ryker and Tim Hammontree to make it fourth down and 27 yards for a first down and 27 yards for a touchdown. The Greenback defense appeared to have done its best job of the second half when the right side of the line opened up and the last ditch effort by Vonnore turned into a touchdown. At least six Cherokees had their hands on the ball carrier sometime during his 30 yard jaunt.

Trailing 18-0 and only 8:58 left in the game Tony Linginfelter rolled right and Jimmy Brooks out down the defensive back turning Tony loose for a 74 yard touchdown sprint. A mixup on the conversion attempt had the Devils had scored. Greenback stopped the extra point effort. With 2:49 left in the third period Vonnore engineered a 60 yard drive that again produced a touchdown, but still the two point conversion effort was no good.

Kingston-Maryville, Bradley-Red Bank Deadlocks Knot Grid Winners

The weather had its effect on the Loudon County football contest this week. Two games of which their out comes had a wide difference of opinion being voiced by those entering the contest resulted in ties. All most everyone rode with Greenback and this proved fatal. In all only one person managed to get enough correct decisions on their score card and derive a total number of points score which would gain a first place finish.

Brenda Thompson of Philadelphia won the first place money of 12 dollars with only two wrong games, the tie, she predicted the Vonnore upset over Greenback. She had 33 points for the game total points tie breaker.

Second place and third place is where the shock appears.

Six people share the second best entry with seven winners. In all 22 persons had seven games correct (no one picked the tie) and the winners were all with in one point of the Loudon-McMinn Central tie breaker. There were 34 points scored in the game with Central winning 26-6.

In all only one person will receive \$2.16. They are Sam Johnson, Bill Thompson, Tim Thompson, W. L. Thompson, Dave C. Blankenship and Mrs. Theresa Christopher.

Others who were close, but placed out of the money, were Linda Moxley, Beverly Howell, Sharon Grimes, Hap Carver, Selmer Maynard, Odell Justice, James Grimes, James Hays, Eugene Henry, Cecil Smith, Johnny Thearp, Freeman Russell, Carl Grimes, Helen Lawson, and Ted Watts.

Lenoir City won its fifth game of the season Friday night without a loss, nipping Cleveland 7-6 in a game played under wet and rainy skies.

Greenback dropped its second game of the season Monday night to a fired up Vonnore team 18-13. The Cherokees had rescheduled the game for Monday after continued rain had made the Greenback playing field an undesirable rectangle of play Friday.

SQUIRREL HUNTERS—James "Buster" Clark and John Lennex of Loudon are shown with their limit of squirrels.

Loudon Mustangs Bag 90 Pound Panthers 40-0

The Loudon Mustangs played a near perfect game last Saturday night to give the Lenoir City 90 pound team a sound licking, 40-0. All phases of play showed great improvement—no fumbles, crisp tackling, improved blocking and hard running.

Loudon took the opening kickoff and marched straight down the field and scored in eight plays. John Cardwell, playing his best of the season, carried the ball four times for 31 of the yards in the drive. Boo Boo Hawkins went over the TD. Cardwell added the extra points to put Loudon out front 10-0.

Lenoir City was forced to punt following the next kickoff and Loudon again marched straight to the goal line. This drive was sparked by a beautiful pass from Boo Boo Hawkins to Jerry Townsend which was good for 55 yards. Tony Schrimsher ran the last four yards for the second touchdown, and a pass from Boo Boo to Greer Carey made the score, 16-0.

Tony Schrimsher recovered the following kickoff to Lenoir City and away they went again. This time, Hawkins carried the last 15 yards and Schrimsher added the two extra points. Loudon recovered a Lenoir City fumble and again marched to the Lenoir City 14 yard line as a first down.

Lenoir City sputtered to life in the third quarter and made a couple of first downs but several tackles in the Lenoir City backfield turned the ball over to the Mustangs. Jerry Townsend racked up the six points this time and Donnie Eldridge added two more.

In the fourth quarter, Jerry Townsend intercepted a Lenoir City pass and ran 38 yards for the final TD of the game. Cardwell added two and the game was ended with Loudon ahead 40 points.

Tim Moore, Boo Boo Hawkins, David Lambert, Walter Henry and Greer Carey played their usual "hard nose" game on defense as they held Lenoir City to 27 total yards for the night.

The Mustangs will play Harriman Saturday night at Harriman.

Grasscutters Clip Lenoir City 8-0

The Loudon Grasscutters had a big win of 8-0 last Saturday night over Lenoir City. The game was a scoreless, defensive battle until the last quarter when a Lenoir City runner got in the clear and headed for the Loudon goal. Bruce Eller, a stand-out runner all season, chased him down from behind and made a game-saving tackle inside the Loudon 10 yard line. The Loudon defense, led by tough Charlie Hooker, rose to the occasion and held the line, taking over on downs on the Loudon five yard line.

With just a few minutes remaining, Zell Hawkins made a quick first down to the 15 yard line. Then Allen Eldridge broke loose on a counter-play for an 80 yard touchdown. Hawkins added two points to put the icing on the cake.

The Loudon Grasscutters will face the Harriman 15 pound team next Saturday night at Harriman.

LC Trips Junior Reds 12-6

The Loudon Junior Reds went back behind 500 percent Saturday night as they dropped a 12-6 decision to neighboring Lenoir City. Earlier last week the 125 pounders took an easy 20-0 win from Midway. The team is now 2-3 for the season and faces a strong test at Harriman Saturday night.

The Junior Reds have been beset with injuries in the past three games with five starters on the sidelines last week.

In the Midway contest Greg Deatridge scored two touchdowns and provided two defensive plays only to fall victim to a knee injury late in the game forcing him to miss the Lenoir City contest.

At Lenoir City the visiting Loudon team went out tough. They held Lenoir City on the opening series. On their first play from scrimmage Red Quarterback Carter Cardwell threw the bomb to Kenny Starrett for a 45 yard scoring play which turned out to be the last time the Redmen got into scoring position.

Lenoir City came back in the third quarter and punched out a 53 yard drive to knot the score. With less than two minutes to go the Lenoir City midgets scored again after intercepting a Loudon pass. The score came on a nine yard run leaping a 22 yard drive. The final score was 12-6.

ANNUAL FOOTBALL CONTEST

The Herald

\$250 IN CASH PRIZES

- \$25 Each Week**
- \$12 First Place Each Week**
- \$8 Second Place Each Week**
- \$5 Third Place Each Week**

Entries must be in Herald Office by 5 P. M. Friday or Postmarked by 5 P. M. Friday, if mailed.

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees for their immediate families of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

DISCOVERS ANIMAL FOSSILS—Phillip Bledsoe, right, Loudon, an East Tennessee State University graduate student, discovered a bed of animal fossils while he was driving pile this summer for a new bridge in Kingsport. Prof. Elizabeth Owings, left, identified the fossils as graptolites (more than 300 million years old).

Loudon Wins Heart Assn. Award

LOUDON COUNTY WINS AWARD—Mrs. R.S. Pressly of Loudon (right) is shown receiving an award for the Loudon County Chapter of the American Heart Association for having the highest percentage increase during the 1972 fund raising campaign. Mrs. Pressly is chairman of the Loudon County Chapter. Others in the picture are Victor H. Ashe, General Chairman of the drive, Dwight Kessel who is presenting another award to Mrs. James Huff of Gatlinburg.

The Board of Directors of the East Tennessee Heart Association had its regular fall meeting on Monday, September 25. The meeting was held at noon at the University Inn on Clinch Avenue at 17th in Knoxville.
The Directors from twenty counties served by the East Tennessee Heart Association met to discuss and approve the activities and projects planned by the Association for the 1972-73 fiscal year. This included programs in heart research, public and professional education and community service.
In addition to the regular business, awards were presented to two East Tennessee counties for work in the 1972 Heart Fund Campaign. W. Dwight Kessel, Chairman of the Board of Directors, and Victor H. Ashe, General Campaign Chairman for 1972, presented the awards to Mrs. James Huff of Gatlinburg, for Gatlinburg having the highest per capita giving accepting the award for Mrs. Robin Bales, and Mrs. R. S. Pressly, Loudon, for Loudon County, highest percentage increase.

Homemakers Guests At U-T

Carolyn Hekey, Debbie Pickett, Laura McCall, and Susan Huskey of Loudon Future Homemakers of America Chapter, Loudon, have been special weekend guests of the College of Home Economics of The University of Tennessee, Knoxville. These students were accompanied by Mrs. Donna Ivens Home Economics teacher at Loudon High School.

They attended, with some 500 other girls from throughout Tennessee, the 22nd annual Varsity Visit to be held September 22-24. While attending Varsity Visit, the Future Homemakers learned of the educational opportunities available in the College of Home Economics through visits to departments, displays, and consultation with students and faculty. Advisors attended sessions dealing with new developments in The University of Tennessee, Knoxville and the College of Home Economics. The FHA visitors, along with some 500 FFA members, were welcomed with tours of the campus followed by sports activities in the Student Aquatic Center. Activities ended with lunch on the Agricultural Campus and attendance at the UT-Wake Forest football game.

LOUDON COUNTY MEMORIAL HOSPITAL REPORT

BABIES:
September 25 - Mr. and Mrs. Sowards (Wanda), a daughter, 6 lbs. 7 oz.
September 26 - Mr. and Mrs. Brown (Sara Jean), a daughter, 6 lbs. 7 oz.
September 28 - Mr. and Mrs. Palmer (Joyce Lee), a son, 7 lbs. 14 oz.
September 30 - Mr. and Mrs. Davis (Betty), a son, 6 lbs. 6 oz.
September 30 - Mr. and Mrs. Miller (Cynthia), a daughter, 7 lbs. 3 oz.
ADMITTED Sept. 25-Oct. 1

GWETHALYN HUFF GRADUATES—Gwethalyn Huff is shown receiving her B.S. Degree in Sociology and Business upon her recent graduation from Belmont College. She is the daughter of Mr. and Mrs. Robert Huff, Nashville and granddaughter of the late Mr. and Mrs. William Hensley. She is the niece of the Hensley family of Loudon. Gwethalyn is a 1968 graduate of Cameron High School. While at Belmont College, she was secretary to the President of the college, a member of the XAN's sorority, Afro American Alliance, and Alpha Management Association. She is an active member of her church and a member of the choir. She is presently employed at the Prudential Insurance Company and plans to work for her Master's Degree.

NEW HIGH WAIST PLAYTEX

i can't believe it's a girdle

NEW HIGH WAIST GIRDLE

Yes, you can have a smoother midriff... comfortably... with the same unbelievable control and unbelievably lightweight fabric that made "i can't believe it's a girdle" the greatest girdle news of the year.

- exclusive self-adjusting waistband that resists roll and won't pinch...
- controls your waist without bones or stays
- unique design... easy to put on... without bulky zippers that pinch and snag
- made of a sensational fabric that gives you the control of paneled girdles weighing 50% more

Available in:
High Waist Girdle (M, L, XL, XXL) \$16.00
High Waist Panty (M, L, XL, XXL) \$18.00 (XL, XXL \$1.00 More)

RAILROAD SALVAGE LOUDON

The Tribe Speaks

BY LOUDON HIGH SCHOOL JOURNALISM CLASS

By Patti Gentry, Joyce Harrison, and Steve Rogers

Articulture Report continued from last week: Loudon FFA, Vegetable Show, 4, \$7.50; Loudon FFA, Tobacco Grading, 7, \$8.30.

Other exhibitions were: Steve Faulkner, Darrell Burnette, David Blankenship, Eddie Montooth, Keith Gentry, Charles Kerr, Freddie Giles, Jerry Holt, Gregg Clinton, Larry Russell, Eddie Jenkins, Bobby Jones, Floyd Morton, Scott Tilley, Bill Smaller, Bill Kollock, Thomas Leterman, and Terry Cooley. Leading with the most exhibits was Scott James with seven entries. Bill Kollock and James Holt were in charge of entering exhibits at the Fair. Gregg Clinton, chapter reporter.

We are happy to report that Mr. Phillip Bledsoe has taken Mr. Marcus' place. Mr. Bledsoe is the son of Mr. and Mrs. Lillard Bledsoe and husband of the former Miss Henri Greenwood. He is a recent graduate of East Tenn. State University, earning his Master's Degree in General Science. Mr. Bledsoe graduated in the Class of 1961 from Loudon High School. They are presently living with his parents.

The competing floats for the Homecoming Parade placed as follows: First place, sophomore float, "We're All in This Together"; second place, senior float, "We've Only Just Begun"; third place, Freshman float, "Play Dead Bulldogs"; and fourth place, junior float, "Redskins are hazardous to your health."

Last Wednesday in assembly the following people were chosen for the membership of the National Honor Society. They are: Seniors, Rodney Eblevin, Valerie Davis, Vivian Harris, Chris Helms, Geraldine Hill, Angie Hodge, Marianne Horton, Melanie Horton, Susan Hankey, Gary Ivers, Larry Ivers, Pat Kirkland, Byron Lawson, Mike Messamore, Ricky Messamore, Martha Miller, Larah McCall, Carolyn Ritchey, Bill Stafford, Jane Stafford, Pat Turbyfill, Betty Waller, Mike Watts, and Alma Wynn. Juniors, Danny Bivens, Jimmy Bivens, Gabe Brooks, Greg Clinton, Debbie Gibson, Paula Green, Ann Grimes, Tommy Hall, Carolyn Hickey, Joe Mike Hodge,

Comie Huskey, Sandy Jones, John Lovelace, Nancy Lowe, Quinn Nichols, Winda Oram, Ann Rausin, Linda Rhea, Mike Scott, Susan Simpson, Sonya Tuck, Mary Tyler, Greg Watson, Sharon Wynn and Vonbell Wynn.

Adult Education Registration Set

Registration for Adult Basic Education classes will be held Thursday, October 5, from 7 p.m. until 9 p.m., and again on Tuesday, October 10, from 7 p.m. until 9 p.m. Classes will start Thursday, October 12 at 7 p.m.

Registration and all classes will be held in the Loudon Jr. High building.

Any adult 16 years or older who has not finished the elementary level education is eligible to attend. Students who have not finished High School level and who want to prepare for the G.E.D. test are eligible.

There will be no charge to the student. All necessary books, materials, equipment and supplies used will be furnished free.

The purpose of the program is to raise the educational level by improving the ability to benefit from occupational training and increase opportunities for more productive and profitable employment.

Book Available To Seniors

Scottish Rite Masons in this area are distributing, at no cost, a booklet entitled "Free Enterprise" to each high school senior. The 36-page booklet is published by the Supreme Council of Scottish Rite Masons, Washington, D.C., and distributed by the local 22 degree masons, 144,673 and for Greenback, 84117.

The 1971 property assessments for Loudon County as set by the Commission total \$4,796,729. The assessments for Lenoir City are \$751,129, for Loudon, 144,673 and for Greenback, 84117.

The 1972 assessments are expected to average approximately 15 percent more than the 1971 amounts.

The booklets are distributed through the local school systems (superintendent, principal and teacher).

Fred W. McPeake, Secretary

LETTERS TO THE EDITOR

Dear Editor,

Last week it was my privilege to accept a plaque for Loudon County from The East Tennessee Heart Association which lists Loudon County as the county within their twenty county area as being the county with the highest percentage of gain in giving in 1972. This plaque is in recognition of the generous giving by the people of Loudon County for this worthy cause.

It is only fair that a report be given to you and the people of Loudon County for your generous support. In this way you will see to what extent the people of Loudon County are benefiting from their giving to this cause.

Garland Urges Greater Voice

Senator Tom Garland, candidate for the Public Service Commission, recently proposed that city and county governments be given a greater voice in regard to the ad valorem assessments assigned by the Commission to the properties of regulated businesses.

Garland, noting that the Commission is authorized and required by law to assess railroad, utility and motor carrier properties in the counties and municipalities, said the amount of these assessments "has a tremendous impact on the budgets of local governments since local taxes are levied on the basis of the Commission's assessments figures."

Once the Commission has valued the property, the companies have ten days in which to register objections after which the Commission holds a hearing to consider the objections, Garland explained.

"Since the assessment figure may be subject to a hearing, I propose that every municipality and county affected by any such objection to a company's part should be notified immediately and advised of the hearing date," Garland said.

"This enables the local government to defend themselves against possible cuts in assessed values which result in reduced revenue to them," the candidate added.

The 1971 property assessments for Loudon County as set by the Commission total \$4,796,729. The assessments for Lenoir City are \$751,129, for Loudon, 144,673 and for Greenback, 84117.

The 1972 assessments are expected to average approximately 15 percent more than the 1971 amounts.

The booklets are distributed through the local school systems (superintendent, principal and teacher).

Fred W. McPeake, Secretary

service but we hope no one has to use it.

4. School Health Program - Films, teaching aids, and pamphlets are available to students and health teachers for class use and background material for science exhibits and term papers.

5. Catalogues of available materials were distributed to teachers of the county last February. There have been 18 requests for material. I am not sure if all the requests were from teachers, however.

6. Professional Education Seminars - Seminars for physicians and nurses reaching the latest techniques and advances in cardiovascular disease. Outstanding national cardiologists are guest speakers. Films and pamphlets are available to the physicians and nurses in an active continuing educational program.

7. I will list the local projects in the East Tennessee Heart Association and then show how each is being met locally.

8. Support of U-T Heart Clinic - This valuable service to the community is available to any medically indigent patient in the 20 county area upon physician referral. Clinical diagnosis, evaluation and, if necessary, heart surgery is performed. Physicians staffing the clinic serve as volunteers. Over 50 patients are seen monthly.

9. Since October of 1970 there have been 22 Loudon Countyans who have used this service. There have been two operations performed.

10. Work Evaluation Unit - Evaluates the work capacity of persons with employment problems due to cardiac disability. If there is no physical activity or as to the kind of work which a patient with heart disease may safely undertake, the clinic will help answer these questions. Open to any patient upon physician's referral.

11. No one in Loudon County has used this service but it is available if needed.

12. Cardiovascular Rehabilitation Program - Periodic classes for physicians, dentists, nurses, and para-medical groups interested in learning the life saving technique of mouth-to-mouth breathing and closed-chest heart massage.

13. We are very fortunate in these people and publicize throughout their organizations so that these persons could be called immediately if an employee develops chest pains. Heart attacks occur also, and others trained by ETHA are on duty at all U-T Football games at three locations in or near the stadium to administer to heart attack victims. One man's life was saved by having this service available this year. All Loudon Countyans attending the games are covered by this

service but we hope no one has to use it.

14. I do not have an accurate account as to the participation of the professional people of Loudon County this year.

15. The Education Programs - Designed to promote a better understanding of factors causing heart and blood vessel diseases. Included in this are televised public information programs and presentations before interested civic and lay groups. Pamphlets which help answer common questions about heart attack, stroke, hypertension and risk factors which should be understood to help prevent heart disease.

16. The Loudon Rotarians before interested civic and lay groups. Pamphlets which help answer common questions about heart attack, stroke, hypertension and risk factors which should be understood to help prevent heart disease.

17. Heart Research - The East Tennessee Heart Association supports extensive research in the cardiovascular field in two of our local medical centers, the U-T Hospital Research Center and the University of Tennessee, Knoxville, which offers hope for future continuing advances and understanding of heart and blood vessel disorders.

18. Several residents of our county have benefited from Heart Research. A number

have had open heart surgery. I know of at least one who wears a pacemaker and another who has an angiotensin to slow down the heart rate when necessary. It is difficult to say just how many in our county have in the past benefited from Heart Research. Fund which was started in 1948.

19. The number for this service is Knoxville 324-6411. An answering service usually takes the call and you state your name, telephone number, your question or questions. Later, you will receive a call and the dietitian will have the information for you, for sometimes she must research the answer to the question. This service is not only available to heart patients but to anyone with a diet problem. The ETHA contributes toward the expenses of this service.

February - is always designated as Heart Month and you will again be given an opportunity to contribute.

Should you have any questions, please look in the Yellow Pages of the Telephone Directory under "Social Services" and find out how to contact The East Tennessee Heart Association or the local chairman.

Yours truly,
Mrs. Roscoe S. Presley

MEMORY CARD

In memory of Sarah E. Jones Lennox who died three years ago October 1.

A million times we have needed you, a million times we have cried, if love alone could have saved you, you never would have died. In life we loved you, darling, in death, we love you still. In our hearts you hold a place, no one else can fill.

Sadly missed by sons, Pat and Robin Lennox; parents, Mr. and Mrs. James Jones, brothers and sister, Mr. and Mrs. Robert Lennox.

AGEND CHURCH EVERY WEEK

Blue Grandpa knew how that peep tone on their heads made them smile. He had and then forgotten 1/2 of what you were taught and why. Oh how he wishes. The text is: They always to find. They're open to help you believe on, many times at the expense of their own belief and hope.

But remember in an Eastern 300's. They will come to help the Lord's best and best. The best of the best and the best. The best of the best.

Have the other one, too, or anything, that will help you fall into them with you.

BACK IN THE GOOD OLD DAYS

The Good Old Days effort is always glad to have old school group pictures. As we have stated in the past, they create a lot of interest among our readers and eventually most all of our readers are in the Good Old Days because they attended schools in our area. School group pictures come available to us sometimes because of events, such as class and group homecomings. A recent class reunion was the motivation for us being able to use the picture we have this week. This old class picture was made forty years ago and is the Class of 1932 of Loudon High School.

This was a very large class for that particular time but through the passing years, the number of grads at Loudon High has been on the increase.

This old picture was taken in front of the old wood building at what is now the Loudon Grammar School. Of course, this old building, which was built for a combination auditorium and gym has been around through most of the school days of those now living and who were a very definite part of the Good Old School days in Loudon.

The officers of this class of 1932, were Gillis Purdy, president; Marion Benne, class historian; Irene Miller, class grumbler; Jane Blair, faculty representative; Frances Jackson, class poet;

Swine Movement Stopped Here

Many of the swine producers in Loudon County have been deeply concerned about their herds because of hog cholera being found in two herds in Knox County. Because of this and other outbreaks of infection in the state the Commissioner of Agriculture and State Veterinarian has RESTRICTED the movements of ALL SWINE in the state of Tennessee, for two weeks as of Thursday morning, September 26.

The new regulations are no feeder or breeder swine shall move into or within the state for any purpose. No slaughter swine shall be sold at public auction in Tennessee markets. Swine of finished slaughter weight may move directly to or federally approved slaughter houses or packing plants.

The extent of infection and exposure of swine in Tennessee and in other states is not fully known. Therefore, the restriction of the movement of swine is necessary until the location and extent of infection and halt the spread of hog cholera. There are no known cases of hog cholera in Loudon County at the present time and it is greatly appreciated.

Our other picture this week of a well known Loudon County boy and a Vintage automobile is Ern and Arnie Cutrell. It possibly was a cold day when this old picture was made. Judging from the snow that is on the ground. But in those days a Sunday afternoon was an ideal time to make snapshots and just about everybody did it. We appreciate this since it has helped to keep us going through the passing years of the Good Old Days. Our thanks to Joe (County Boy) Mills for the loan of this snapshot.

Well, that's it for now. See you next week.

certainly hoped that there will not be any found.

All swine producers in Loudon County should strictly follow the above regulations. There will be no feeder pig sales in the State of Tennessee anywhere until the restrictions are lifted.

Sigma Philo Has Picnic

The Sigma Philo Club of Knoxville were entertained with a picnic, Saturday, September 9, at the home of Mrs. Edna J. Arwine and Elizabeth DeArmond, 621

Cedar Street, Loudon. The picnic was well attended with 13 members and 14 guests present. Music and games were played. Mrs. Ervin Glanton, president, expressed her appreciation to the hostesses for the enjoyable event.

Isn't there someone you'd like to be near? Get in touch by long distance. Call today. And dial it direct.

Dialing direct is easy. Here's how: First dial "1," plus the area code (if it's different from yours), plus the number. If by chance you get a wrong number, just call the operator and tell her what happened. She'll make sure you're not charged. So keep in touch the personal way. Dial long distance direct and save.

ANNOUNCING THE 1973 PLYMOUTH'S

1973 Plymouth Satellite:

Take a terrific looking mid-size car, give it a brand-new soundproofing treatment, and you've not only got the most beautiful, but the quietest Satellite ever built.

Built to be seen. Not heard.

Presenting Space Duster:

A new concept in Plymouth economy. All the great features of the regular Duster, plus fold-down rear seat and sliding sun roof options.

1973 Fury:

Part of its beauty is the lasting quality. Not just the standard electronic ignition, not just the Torsion-Quiet Ride, or the great new styling... it's the way this Fury is built to last longer than ever before. That's the joy of it.

CHRYSLER Plymouth

THAT'S THE JOY OF IT!

Loudon Motor Company, Inc.

U. S. 11 Loudon, Tenn.

Before you drive it away, you can save \$150 and more on the payments.

Shop around. Bicker about the sticker price. And your trade-in. But when you reach an agreement, come straight to us for the cash to close the deal. Because there's nobody in Loudon County who'll give you a better buy on a new auto loan. And maybe that's true in all of East Tennessee.

On a \$3000 auto loan for 36 months, we're \$180 lower than one dealer's financing company. In fact, we'll charge you less interest than any financing company we know of. And our rates are as low as any bank.

That's because we're a local bank doing business with local people. We know you and you know us. Which makes it convenient and fast to arrange your auto loan. In one stop. So after you've saved on the sticker price, tell your salesman you're paying in cash. And let us save you some more.

EXPLAIN YOURSELF BUDDY--

We walked into the office late Tuesday afternoon to find an excited secretary saying she overheard on our police monitor that someone was fixing to shoot somebody in Lenoir City.

That got our attention about as quick as someone saying "come to dinner". Sure enough the Lenoir City police dispatcher came on and said, "before you shoot him get him away from the house and back toward the shed. Don't shoot him with a pistol, use the shotgun, then cut his head off." Well by this point, needless to say, we were grabbing cameras, trying to call the jail and find out what the devil was going on.

About this time the Lenoir City dispatcher came back on the air telling his patrolman to go ahead and kill the "dog". That sent the visions of headlines of "Policeman kills madman" out of our head. It sure would have helped save our heart from racing a few hundred beats if we had heard the first part of the transmission when the dispatcher told the officer to go to a certain address to check on a reported rabid dog.

But the dispatcher did not let us down. He completed the story by reporting that the officers had killed the dog and took it to have its head cut off so the health department could send it off for a rabies test.

Anyway we were glad it was not a big story because we had most of the front page built and it would have meant another hours work getting that big headline in the page.

Training For Ambulance Attendants Being Offered

A certified course to train Emergency Medical Technicians will be offered to qualified applicants beginning October 16, 1972, at the Tennessee State Vocational Center in Knoxville.

The course is being offered and sponsored by the Tennessee Department of Public Health and the Tennessee Medical Association. The coordinator of the program is Dr. J. MacDonald Burkhardt.

Benefit Buffet Dinner Sunday

The annual Woman's Club Benefit Buffet Dinner will be held Sunday, Oct. 15, at the Loudon High School Cafeteria from 11:30 a.m. to 1:30 p.m.

AWAITING GRAND OPENING--Treasure House Jewelers, a division of Maryville Jewelers of Maryville-Alcoa, has opened a store in Lenoir City. Eagerly awaiting their grand opening this weekend are, left to right, store manager Bob Watkins, Mrs. Wade McIntosh, assistant manager David Pinley (behind counter), and here for the grand opening, Midland Shopping Center Treasure House Jewelers' manager, Kenneth Carroll.

given the responsibility of providing ambulance service to the County by the Quarterly Court at their last session, he would be happy to consider anyone interested in the area.

The need for personnel to work in this field might be significant either on a full or part-time basis in the very near future.

Anyone interested may contact Mr. Hamilton at the Loudon County Memorial Hospital, Telephone 458-4691, for information, or they may come by his office.

Squad Slates Open House

Open House will be held at the Greenback Headquarters of the Loudon County Rescue Squad, Tuesday, October 15 from 12 noon to 7 p.m.

The open house will be held in conjunction with a ceremony marking the completion of payment of the mortgage on the building.

Criminal Court Cases Postponed

Criminal Court in Loudon County has recessed until the week of October 23 after three cases set for this week were continued to the next term of court and one indictment was quashed.

The indictment quashed was against A.M. Koon for misapplication of contract funds. Continued were indictments against Koon, R.G. (Continued on Page 7)

ACTIVE SUPERIOR RATING--Loudon's pretty fancy stepping majorette corps composed of, left to right, Darlene Miller, Betty Waller, Pam Boone, and Debbie Thomas were honored with a superior rating trophy for their showing in the Dalton, Georgia Band Festival this past weekend. Gwyn Shell, a member of the majorette corps, was not present for the picture.

Majorettes Win Superior Award

The five member Loudon High School Marching Band majorette corps received a superior rating last weekend at the Governor's Marching Festival in Dalton, Ga.

The bands were grouped into four classes according to enrollment of their respective schools. The band spent Saturday night at the Dalton Sheraton Inn and returned home Sunday.

The band director complimented all the band members for their hard work leading up to the competition saying that they had spent many hours marching and practicing for the competition.

City To Take Pool Bids, Phase II Grant Sought

Bids will be taken on the construction of a new olympic size swimming pool by the City of Loudon in the next few weeks.

The swimming pool, which will be one of the largest municipal pools in the area, is part of a total recreational park project valued at \$282,794.

Treasure House Jewelers Opens

Treasure House Jewelers has opened a new store in Lenoir City. The jewelry shop is a division of Treasure House Jewelers of Maryville-Alcoa.

With jewelry locations in Maryville and also in the Midland Shopping Center in Alcoa, Treasure House Jewelers has been serving Loudon and also in the surrounding area with fine stones and jewelry for over 25 years.

The recent decision to expand to the Loudon County area has been under consideration for nearly two years. Now Treasure House Jewelers has planted themselves at 108 East Broadway in Lenoir City to make it easier for their Loudon County customers to visit more frequently.

Mr. Bob Watkins will manage the new store. He is from Nashville, but will be making his home in Lenoir City at the County Villa Apartments.

expected, about \$67,000 to \$70,000 construction could start in November with completion expected in April or May of next year.

The entire project, with two phases of development, includes not only the pool, bathhouse, and parking facilities, but tennis courts, basketball court, a softball-baseball field, picnic shelter and other facilities. The entire park will be lighted.

Mayor Joe Carter said the park development is probably one of the most significant undertakings of the City Commission and it is being made possible by federal grants under the Federal Open Space Development Program.

At the meeting the Commission met with engineers on the project and reviewed the detailed plans, gave their approval and asked for bids to be taken. The engineers said they expect from two to five bids to bid on the project.

In other Commission business City Administrator Gary Hensley reported that government employees credit union, Mr. Hensley said that would be of great benefit to the employees and expressed the hope that the project was undertaken.

Mayor Carter appointed

Biracial Committee To Study School Policies

A citizens committee will be appointed this week to make a study of student activities at Loudon High School and other related areas to see if there are any areas of racial discrimination and make recommendations.

At last Thursday night's Board of Education meeting the board granted the Concerned Citizens Club a voice in the selection of the standing committee of six persons, plus the seven member School Board, to make the study and recommendations.

The entire matter of possible racial discrimination came up when a group of blacks protested the selection of majorettes for the Redskin Marching Band. A black girl who tried out for the five girl majorette team was not selected and her parents and a group of blacks said it was because of racial discrimination on part of the band director and the judges.

Ray Wilson, chairman of the Concerned Citizens Club, sent the Board a certified letter asking that the blacks be given a voice in the Standing Committee selection. School Board Chairman, after conference with the board, agreed that the blacks would name two blacks and one white to the group and the school board would name one black and two whites.

Volunteers Named For United Fund Drive

Loudon County's United Fund campaign is in the middle of its first week of activity and area chairmen this week announced that volunteer workers in the residential and business divisions of Loudon have been named and have started work.

Ray Operator Caber Dies

Marvin Eugene (Gene) Rayder, 56, operator of City Cab in Loudon and the Skating Rink, died of a heart attack Saturday night Oct. 7 while working at the Skating Rink on U.S. 11 near Loudon.

Mr. Rayder had suffered a prior attack earlier this summer. Members of the Loudon County Rescue Squad were called to the scene and gave Mr. Rayder mouth-to-mouth resuscitation but he died about a half hour later at Loudon County Memorial Hospital in the emergency room.

Mr. Rayder was a resident of 402 West Fourth Avenue in Lenoir City. He was a World War II veteran and was a familiar site on streets in Loudon.

Mr. Rayder is survived by his wife, Mrs. Gay Nellie Rayder of Lenoir City; two daughters, Mrs. Clifford Kirk Jr. of Knoxville, Mrs. Douglas Thomas of Sweetwater; sister, Mrs. Bill Stockton of Jackson; half brothers, J.T. Thomas of Lenoir City, Clayton Thomas of the U.S. Marines; five grandchildren; mother, Mrs. Carrie Thomas of Sweetwater.

Funeral services were held Monday at Karpus Funeral Home Chapel with Rev. Bernard Courtney and Rev. Edward Luttrell officiating. Burial was in Lakeview Cemetery in Lenoir City.

Police Chief Wayne Chambers said Key was arrested by Lenoir City officers Clifton Williams and Jackie Latham Tuesday morning at a break-in at Lenoir Hardware.

Another attempted break-in was reported at J.W. Wilburn Hardware the same morning. There thieves broke a glass in a sky-light in the building but did not get into the building because of steel bars under the window.

Each group is to present their members to Superintendent of Education Albert Dukes this week. One member to be appointed by the Board of Education has already been announced and agreed on. This is William Napier, principal of the high school, who is the Standing Committee member named Superintendent Dukes is to call a meeting of the Committee and the Board for organization purposes. After this they will begin what is expected to be a series of meetings to cover school board policies and school regulations in all phases of school activity.

Mr. Bailey said that when the Standing Committee makes its report to the School Board then they will take it under advisement and will either approve it, disapprove it, accept parts of it and have the final authority in the matter.

In other business the Board hired John Carrey a Knoxville accountant to set up bookkeeping systems and conduct audits on the 11 county school cafeterias. The contract for establishing the bookkeeping system is for \$350 and the audits are not to exceed \$2200 or \$200 per school.

Mr. Carrey also audits the student activity funds at the county schools.

Sen. Baker Will Speak Here

Senator Howard Baker will be guest speaker at a \$5 a plate fund raising dinner being sponsored by the Loudon County Republican Party. The dinner will be held starting at 6:30 p.m. at the Loudon High School Cafeteria on Friday, Oct. 27.

County GOP Chairman said that Congressman John Duncan will introduce Senator Baker at the rally in the school auditorium starting at 8 p.m. Besides Senator Baker and Congressman Duncan, both seeking re-election, other Republican candidates who are on the November 7 ballot who will be present are Tom Garland, public service commissioner; Carl Kostra, state senator; Benny Stafford and James A. Melton, state legislator.

Live entertainment will be featured before the start of the rally. Tickets are on sale by all Executive Committee officers of the GOP and are available at the courthouse.

Key Arrested After Theft

Claude Key of Lenoir City was arrested by Lenoir City officers Clifton Williams and Jackie Latham Tuesday morning at a break-in at Lenoir Hardware.

Police Chief Wayne Chambers said Key was arrested by Lenoir City officers Clifton Williams and Jackie Latham Tuesday morning at a break-in at Lenoir Hardware.

Another attempted break-in was reported at J.W. Wilburn Hardware the same morning. There thieves broke a glass in a sky-light in the building but did not get into the building because of steel bars under the window.

Key waived preliminary hearing in General Sessions Court and bond was set at \$5,000. The case will go to the grand jury at its January term.

LOUDON HEADQUARTERS OPENED--The formal opening of the Loudon Republican Headquarters for the November election campaign was held Saturday morning at the headquarters building on Mulberry Street in Loudon. Part of the crowd that attended and were served refreshments are shown in front of the building.

Charles Painter, class orator; Roy Miller, class prophecy; Evelyn Waller, gufforian; and J.E. Greenway, class will. Class colors were rainbow. Class motto - Know thyself. Class flower, rose. Lela Mae Gaylon was vice-president, and secretary-treasurer was Frances Jackson. Commencement exercises for this class was held at 8 p.m., Monday, May 23, 1932. Possibly, this class, being forty years since graduation, has kept an excellent record of their graduation, including some very well kept original invitations.

BACK IN THE GOOD OLD DAYS

This was a very large class for that particular time but through the passing years, the number of grads at Loudon High has been on the increase.

This old picture was taken in front of the old wood building at what is now the Loudon Grammar School. Of course, this old building, which was built for a combination auditorium and gym has been around through most of the school days of those now living and who were a very definite part of the Good Old School Days in Loudon.

The officers of this class of 1932 were Gillis Purdy, president; Marion Remine, class historian; Irene Miller, class gufforian; Jone Blair, faculty representative; Frances Jackson, class poem;

We have a complete list of the names of those in the picture but not in the order in which they are standing. We will list them and you can pick the people out. The list is as follows: Gillis Purdy, Lela Mae Gaylon, Frances Jackson, Carrie Blair, Jane Blair, Mable Caldwell, Leona Gibson, Mary Griffiths, Margaret Hutton, Edith Hibel, Fannie Johns, Francis Kline, Irene Miller, Nannie Ree Miller, Kathryn Quinn, Marian Remine, Helen Ross, Flora Scarborough, Eleanor Smallen, Alice Smith, Elizabeth Tutterow, Evelyn Waller, J.E. Greenway, Bill Henderson, Roy Miller, and Charles Painter.

We understand that some of those in this class picture are now deceased but we are not sure which they are.

Our thanks to J.E. Greenway for the loan of this old class picture with possibly one of the best run downs on class information we have had. The privilege to run across. We

Swine Movement Stopped Here

Many of the swine producers in Loudon County have been deeply concerned about their herds because of hog-cholera being found in two herds in Knox County. Because of this and other outbreaks of infection in the state the Commissioner of Agriculture and State Veterinarian has RESTRICTED the movements of ALL SWINE in the state of Tennessee, for two weeks as of Thursday morning, September 28.

The new regulations are no feeder or breeder swine shall move into are within the state for any purpose. No slaughter swine shall be sold at public auction in Tennessee markets. Swine of finished slaughter weight may move directly to or federally approved slaughter houses or packing plants.

The extent of infection and exposure of swine in Tennessee and in other states is not fully known. Therefore, the restriction of the movement of swine is necessary until the location and extent of infection and halt the spread of hog cholera. There are no known cases of hog-cholera in Loudon County at the present time and it is

certainly hoped that there will not be any found.

All swine producers in Loudon County should strictly follow the above regulations. There will be no feeder pig sales in the State of Tennessee anywhere until the restrictions are lifted.

Sigma Philo Has Picnic

The Sigma Philo Club of Knoxville were entertained with a picnic, Saturday, September 9, at the home of Mrs. Edna J. Arwine and Elizabeth DeArmond, 621

Cedar Street, Loudon. The picnic was well attended with 13 members and 14 guests present. Music and games were played. Mrs. Ervin Glanton, president, expressed her appreciation to the hostesses for the enjoyable event.

Isn't there someone you'd like to be near? Get in touch by long distance. Call today. And dial it direct.

Dialing direct is easy. Here's how: First dial "1," plus the area code (if it's different from yours), plus the number. If by chance you get a wrong number, just call the operator and tell her what happened. She'll make sure you're not charged. So keep in touch the personal way. Dial long distance direct and save.

EXPLAIN YOURSELF BUDDY--

We walked into the office late Tuesday afternoon to find an excited secretary saying she overheard on our police monitor that someone was fixing to shoot somebody in Lenoir City.

That got our attention about as quick as someone saying "come to dinner". Sure enough the Lenoir City police dispatcher came on and said, "before you shoot him get him away from the house and back toward the shed. Don't shoot him with a pistol, use the shotgun, then cut his head off." Well by this point, needless to say, we were grabbing cameras, trying to call the jail and find out what the devil was going on.

About this time the Lenoir City dispatcher came back on the air telling his patrolman to go ahead and kill the "dog". That sent the visions of headlines of "Policeman kills madman" out of our head. It sure would have helped save our heart from racing a few hundred beats if we had heard the first part of the transmission when the dispatcher told the officer to go to a certain address to check on a reported rabid dog.

But the dispatcher did not let us down. He completed the story by reporting that the officers had killed the dog and took it to have its head cut off so the health department could send it off for a rabies test.

Anyway we were glad it was not a big story because we had most of the front page built and it would have meant another hours work getting that big headline in the page.

Training For Ambulance Attendants Being Offered

A certified course to train Emergency Medical Technicians will be offered to qualified applicants beginning October 16, 1972, at the Tennessee Area Vocational Center in Knoxville.

The course is being offered and sponsored by the Tennessee Department of Public Health and the Tennessee Medical Association. The coordinator of the program is Dr. J. MacDonald Burkhardt.

Participants in the program will study two nights a week from 7 to 10 p.m. over a period of 12 to 13 weeks. Ten hours of the training will be in a hospital for on-the-job training.

Loudon County Memorial Hospital Administrator, Gay Hamilton, states that persons who are interested in taking the course must be presently connected with an ambulance service such as a funeral home, rescue squad, etc., or sponsored by a hospital, it being the responsibility of the hospital to determine whether or not a person is qualified to participate in the course.

Mr. Hamilton indicates that because the Hospital has been

Benefit Buffet Dinner Sunday

The annual Women's Club Benefit Buffet Dinner will be held Sunday, Oct. 15, at the Loudon High School Cafeteria from 11:30 a.m. to 1:30 p.m.

The menu for the dinner will consist of ham, choice of two vegetables - broccoli au gratin, scalloped potatoes, green beans or corn, homemade rolls. Also choice of salad and dessert and drink.

Tickets are available from any club member or at the door, for \$1.75 for adults and \$1 for a child's plate. Carry out service is also available and call in orders accepted by phoning 458-3441.

Criminal Court Cases Postponed

Criminal Court in Loudon County has recessed until the week of October 23 after three cases set for this week were continued the next term of court and one indictment was quashed.

The indictment quashed was against A.M. Koon for misapplication of contract funds. Continued were indictments against Koon, R.G. (Continued on Page 7)

Awaiting Grand Opening-Treasure House Jewelers

Jewelers, a division of Maryville Jewelers of Maryville-Alcoa, has opened a store in Lenoir City. Eagerly awaiting their grand opening this weekend are, left to right, store manager Bob Watkins, Mrs. Wade McInloch, assistant manager David Finley (behind counter) and here for the grand opening, Mid-Land Shopping Center Treasure House Jewelers' manager, Kenneth Carroll.

RECEIVE SUPERIOR RATING-Loudon's pretty young stepping majorette corps composed of, left to right, Darlene Miller, Betty Waller, Pam Boone, and Debbie Thomas were honored with a superior rating trophy for their showing in the Dalton, Georgia Band Festival this past weekend. Gwen Shell, a member of the majorette corp, was not present for the picture.

Majorettes Win Superior Award

The five member Loudon High School Marching Band majorette corps received a superior rating last weekend at the Governor's Marching Band Festival in Dalton, Ga., Band Director Ronny Kile reported this week.

The 75 member Loudon band competed with some 45 other bands for ratings of the band, drum major and majorettes. The drum major received an "excellent" rating and the entire band a "good" Mr. Kile said.

The bands were grouped into four classes according to enrollment of their respective schools. The band spent Saturday night at the Dalton Sheraton Inn and returned home Sunday.

The five majorettes who won the "superior" rating are: Gwen Shell, Darlene Miller, Betty Waller, Debbie Thomas and Pam Boone.

The band director complimented all the band members for their hard work leading up to the competition saying that they had spent many hours marching and practicing for the competition.

City To Take Pool Bids, Phase II Grant Sought

Bids will be taken on the construction of a new olympic size swimming pool by the City of Loudon in the next few weeks. Loudon City Commission Monday night voted to ask engineers on the project, Barge, Waggoner, Sumner and Cannon, to start advertising for bids on the pool next week.

The swimming pool, which will be one of the largest municipal pools in the area, is part of a total recreational park project valued at \$283,790. The pool and park is to be located in a 10 acre tract of land adjacent to Loudon High School.

If bids on the pool come in as expected, about \$57,000 to \$70,000 construction would start in November with completion expected in April or May of next year.

The entire project, with two phases of development, includes not only the pool, bathhouse, and parking facilities, but tennis courts, basketball court, a softball baseball field, picnic shelter and other facilities. The entire park will be lighted.

Mayor Joe Carter said the park development is probably one of the most significant undertakings of the City Commission and it is being made possible by federal grants under the Federal Open Space Development Program. Already phase one of the project, \$161,225 had received a federal grant of \$81,600. Monday night the Commission approved filing of an application for the second phase of the project valued at \$122,544, seeking a \$62,990 grant.

At the meeting the Commission met with engineers on the project to review the detailed plans, gave their approval and asked for bids to be taken. The engineers said they expect from two to five firms to bid on the project.

In other Commission business City Administrator Gary Hensley reported that city employees were to meet with employees of the County, City of Lenoir City, County teachers, Lenoir City teachers, Loudon and Lenoir City Utility employees this week to discuss the possible formation of a county-wide government employees credit union. Mr. Hensley said he thought such a credit union would be of great benefit to the employees and expressed the hope that the project was undertaken.

Mayor Carter appointed

Treasure House Jewelers Opens

Treasure House Jewelers has opened a new store in Lenoir City. The jewelry shop is a division of Treasure House Jewelers of Maryville-Alcoa.

With jewelry locations in Maryville and also in the surrounding area with fine stones and jewelry for over 25 years.

The recent decision to expand to the Loudon County area has been under consideration for nearly two years. Now Treasure House Jewelers has planted themselves at 108 East Broadway in Lenoir City to make it easier for their Loudon County customers to visit more frequently.

Mr. Bob Watkins will manage the new store. He is from Nashville, but will be making his home in Lenoir City at the County Villa Apartments.

Mayor Carter appointed

Biracial Committee To Study School Policies

A citizens committee will be appointed this week to make a study of student activities at Loudon High School and other related areas to see if there are any areas of racial discrimination and make recommendations if necessary in the policies governing student and teacher activities at the school.

At last Thursday night's Board of Education meeting the Concerned Citizens Club, sent the board a certified letter asking that the blacks be given a voice in the Standing Committee selection. School Board Chairman, after conference with the board, agreed that the blacks would name two blacks and one white to the group and the school board would name one black and two whites. Each group has the right to object to any member appointed by the other. Alternate members are expected to be selected in case of objections. Mr. Wilson said his group thinks this manner of selecting the committee was fair.

Each group is to present their members in Superintendent of Education Albert Dukes this week. One member to be appointed by the Board of Education has already been announced and agreed on. This is William Napier, principal of the high school.

After the Standing Committee is named Superintendent Dukes is to call a meeting of the Committee and the Board for organization purposes. After this they will begin what is expected to be a series of meetings to cover school board policies and school regulations in all phases of school activity.

Mr. Bailey said that when the Standing Committee makes its report to the School Board then they will take it under advisement and will either approve it, disapprove it, accept parts of it and has the final authority in the matter.

In other business the Board hired John Carrey a Knoxville accountant to set up bookkeeping systems and conduct audits on the 11 county school cafeterias. The contract for establishing the bookkeeping system is for \$350 and the audits are not to exceed \$250 or \$300 per school. Mr. Carrey also audits the student activity funds at the county schools.

Volunteers Named For United Fund Drive

Loudon County's United Fund campaign is in the middle of its first week of active door-to-door canvassing this week announced that volunteer workers in the residential and business districts of Loudon have been named and have started work.

A county-wide goal of \$47,500 for the 13 agency campaign is being sought and Campaign Chairman Jack Hill is hopeful of a good report when volunteers meet for their first report meeting set for Monday at 12:30 p.m. at the Loudon Junior High Cafeteria. At last week's kick-off meeting \$5170.21 was reported making County Fund President Charlie Davis optimistic that the drive would be completed within the month of October with the goal being met for the 12th consecutive year.

Loudon residential co-chairmen Mrs. J.C. Greer and Mrs. Clyde Norton announced their volunteers who will conduct a door-to-door campaign in the Loudon area. They are Mrs. Arthur Fowler, Mrs. Jack Letler, Mrs. Ray Birkhoff, Misses Carrie Lou and Mary Katherine Mize, Mrs. Deacon Deford, Miss Jerry Bradford, Mrs. Lullie McCall, Mrs. Earl Hall, Mrs. Doug Watkins, Mrs. Clyde Woodard, Mrs. Hamill Carey, Mrs. W.B. Harrison, Mrs. Ivo Sanders, Mrs. Kenneth Wolfe, Mrs. Pete Campbell, Mrs. William H. Jones, Mrs. B.H. Barrett, Miss Louise Harrison, Mrs. W.C. Patton, Mrs. Sam Harrison, Mrs. Harry Pease, Mrs. Bill Brewer, Mrs. Hall Summey, Mrs. Doug Lyle, Mrs. Jess Lovelace, Mrs. Ted Lomax and Mrs. Oscar Kirkland.

Loudon business co-chairman W. Broady Harrison and Robert Hudson announced that their workers were Ed Arnold, Jim Savage, Don McCollister, Jim Fields, Henry Mitchell, W.A. McMurray, Jack Fickey, Ralph Wear, Lamar McCall, Jim A. Pope, Charles Burnett, Jessie Ridenour, Gay Hamilton, Joe V. Watkins, Freeman Russell and Jim Roberts.

Sen. Baker Will Speak Here

Senator Howard Baker will be guest speaker at a \$5 a plate food raising dinner being sponsored by the Loudon County Republican Party. The dinner will be held starting at 6:30 p.m. at the Loudon High School Cafeteria on Friday, Oct. 27.

County GOP Chairman said that Congressman John Duncan will introduce Senator Baker at the rally in the school auditorium starting at 8 p.m. Besides Senator Baker and Congressman Duncan, both seeking re-election, other Republican candidates who are on the November 7 ballot who will be present are Tom Garland, public service commissioner; Carl Koella, state senate; Benny Stafford and James A. Mellon, state legislator.

Live entertainment will be featured before the start of the rally. Tickets are on sale by all Executive Committee officers of the GOP and are available at the courthouse.

LOUDON HEADQUARTERS OPENED-The formal opening of the Loudon Republican Headquarters for the November election campaign was held Saturday morning at the headquarters building on Mulberry Street in Loudon. Part of the crowd that attended and were served refreshments are shown in front of the building.

OSCAR'S Piano Notes

The piano is normally an investment of long life. ABUSE, not use, is often responsible for quick deterioration. NEGLIGENCE, the failure to give a piano the care it needs, is the most common form of abuse. Your piano should be tuned twice a year. Many manufacturers recommend four times and its mechanism should be regulated as needed. For dependable, courteous service, call OSCAR KIRKLAND, 498-3758.

West Broadway Singing Saturday

The West Broadway Baptist Church will have a singing on Saturday, Oct. 14, at 7:30 p.m. Featured singers will be the Maple Springs Quartet and Trio from Cleveland, Prapes Chancel Youth Choir from Knoxville and the Spiritual Aires from the Corinth Baptist Church in Loudon.

The Rev. Raymond Hudson, pastor, invites everyone to attend.

Weekend Revival At Macedonia

Weekend revival services will be held at New Macedonia Baptist Church, October 27-28 with Rev. Ralph Patton of Maryville as the guest speaker. Rev. Patton is the son of Rev. James Patton, former pastor of Corinth Baptist Church.

Services will begin each night at 7:30 p.m. Rev. Buford Albright, pastor, invites everyone to attend.

Nazarene Sets Revival Services

Revival services will begin at Loudon Church of the Nazarene on October 16. Services begin each night at 7:30 p.m. with Rev. Bob Rutherford of Tullahoma as Evangelist.

Rev. Rutherford graduated from Trevecca Nazarene College in 1943 and has a total of 25 years in pastorate and five years in Evangelism.

Clyde J. Davis, pastor, extends a cordial invitation to everyone.

Jaycettes Launch Operation Red Ball Project

The Loudon Jaycettes and the Loudon Fire Department have launched "Operation Red Ball" to give added protection to invalids, handicapped persons and children who might be fire victims.

Here is how it works: A Red Ball decal four inches in diameter and made of vinyl, pressure-sensitive material is placed on the inside of the person's bedroom window. One Red Ball is displayed for each person. In the event of fire, the Red Ball pinpoints the children and invalids location for firemen so they can evacuate those rooms first. The emblems may be picked up at the fire department at no cost.

A Fashion Evolution

by Bonnie F. Sheeley
Assistant Extension Agent

There is a totally new look for the new fall season. The classics are back in a big way. Seemingly as American as apple pie, the styles are comfortable and neat, yet spiced with a softness that gives just the right touch of femininity.

Don't think for a minute, however, that you can dig through mom's attic moth-balled clothes and create the classic look. The revival of classics is rich in tailoring - a variety of vests, elongated jackets, pointed lapels and collars, and wrap around with tie belts.

Softness is achieved with ruffles and bows, fluttery skirts, cap sleeves. Skirt lengths, too, have settled to a practical length somewhere around the knee.

Blazers and shirt jackets in rustic colors and plaids are going everywhere, topping pants and long skirts and everything in between. The newest in pants is wide and cutted often with front pleats and high-fitted, belted waistline.

Colors on the scene will include vibrant, electric, sometimes nearly neon blues, yellows, reds, and greens mixed with black and white, the season's basics. There is also an added emphasis on earth colors. Then, too, the monotone trend makes the whole family of beiges and browns important with gray coming through as a major color neutral.

For a new, luxury pull-out, escalate your fashion importance by redefining your wardrobe. Get renewed attention with the layered look, the classic look, or the innocent, naive look.

DECOUPAGE WORKSHOP
A decoupage workshop will be held Tuesday morning, October 24, in the basement of the Trinity United Methodist Church. I will conduct the workshop which is open to any interested persons in Loudon County. If you are interested in attending, please call the Agriculture Extension office (458-2671) before Monday, October 16.

SCHOOL, LUNCH WEEK
OCTOBER 1-11
This is National School Lunch Week. Provide your child with a nutritious lunch this week and in future weeks. Children who eat nutritionally-balanced meals are more alert mentally and physically during school hours.

Bowers Assigned To Lowry AFB

Airman Clarence E. Bowers, son of Mrs. Mildred P. Brewer of 100 Highland Ave., Loudon, has been assigned to Lowry AFB, Colo., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

With UNICEF's help, the death rate from malaria among children has been lowered from 3.5 million in the 260's to less than one million last year.

4-H FUN FEST—These are some of the 4-H'ers who attended the first 4-H Fun Fest. This was a time for organized recreation and a picnic lunch.

Philadelphia Personals

Schrimmer left Friday to spend a few days with Mr. and Mrs. Bill Versavage in Williamsburg, Va.

Tim Thompson spent the weekend with his parents, Mr. and Mrs. David Thompson, Sr. and Kim in Brentwood.

Miss Louise Alexander and Mr. A.F. McCrary were dinner guests Thursday of Rev. and Mrs. Dwight Cagle in Harrison.

Mrs. John Windle, Miss Loretta Hamilton, Mrs. John Christian and Mrs. George Baker of Loudon were weekend guests of Mr. and Mrs. Bill Agee and David in Johnson City and Mr. and Mrs. J.B. Windle and Myra in Kingsport.

Mrs. John Jarvis of Knoxville and sister, Gay of Kingsport, with Mrs. Richard Jarvis and children of Nashville were visiting in the home of Mr. A.F. McCrary Saturday.

Miss Martha Henderson of Knoxville was home last week due to illness.

Mr. Robert Stultz and Mr. and Mrs. Roger Williams of Proppertstown, Ill. came last Sunday to spend a few days with Mrs. Julia Milsap. Mrs. Milsap and Mrs. Stultz were overnight guest last Tuesday of Mr. and Mrs. Wallace Milsap and children in Chattanooga and Mr. and Mrs. William stayed overnight with meet on the 24th Wed. in Oct. at the Roane County Park. Every one over 50 is invited to attend and bring a covered dish.

The Paint Rock-Kingston Neighborhood Service Advisory committee meets on the 4th Tuesday of each month. We are asking for larger attendance. Nellie Cleveland Chairman, Mrs. Margaret Holl Director of Paint Rock-Kingston N.S.C. was in charge of Senior Citizen Day activities, at the Roane County Fair Oct. 27. Prizes were given to the oldest citizen and the couple that had been married the longest. Prizes were also given to the oldest unmarried lady, Miss Maggie Underwood. 1st prize for old fashioned costume went to Agnes Ford. 2nd prize Mrs. Pearl Edwards of Rockwood. 3rd prize, Mrs. Gaynell Reid of Harrison. The activities concluded with Lee and Jean Schillings of Cosby, Tenn. They were singing and playing mountain music. Gospel singing was presented by the Cedar Grove Youth Chorus, the Midway Gospellers of Erie and the Douglas Family of Harrison, Tenn.

Plan Now For Your Christmas Party

We have all the facilities to serve your Christmas party, Club Banquet, or Buffet and are now taking reservations for the Christmas season. Call Bob Littleton now and secure the date you wish.

Complete menus, table decorations, Christmas tree, and all the trimmings are provided as you request.

You can't find a better atmosphere anywhere in Loudon County. We can serve any size party up to 140 persons.

SOIL EXPERTS—Shown at the County Land Judging Contest is the winning FFA Team from Greenback. They are (left to right) David Beeler, Wilson Belcher (Coach), Coy Webb, Bobby Tawater (Assistant Coach), Johnny Rose and Mike Belcher.

Greenback Wins Land Judging

by Charles F. McCall, Extension Leader

The Loudon County Land Judging Contest held in the Greenback Community last week had the largest number of participants since the contest started in 1961. There were three FFA Teams and three 4-H teams.

Winners of the County Contest sponsored by the Loudon County Soil Conservation District was the Greenback FFA Chapter Team. They scored 1,843 points out of a possible 1,800 points. The high score was a tie between Coy Webb and David Belcher. Both had scores of 389 out of a possible 400. The Greenback FFA will compete with other FFA Chapters in the District Contest Saturday, October 14, 1972 in Knoxville at the University of Tennessee Farm.

Winners in the 4-H Division was a 4-H Team from Greenback, Kenny Evans, Tommy McNeilly, Darrell McKeehan and Frank Robinson scored 1,497 points out of a possible 1,600. High scorer among the 4-H'ers was Tommy McNeilly with 389 out of 400. This team will also compete in the District V Contest Saturday, October 14, 1972 at the University of Tennessee Farm.

Many of the farmers in Loudon County are receiving the highest prices in history for feeder calves. Yet, the future profits to you as a beef producer depends upon the records you keep on the herd. With prices ranging from 45 to 64 cents per pound for feeder steers and from 40 to 47 cents per pound for feeder heifers, farmers must depend upon good production and records if they are to become more competitive. The records you keep are going to play a key role in your efforts to improve growth rate and quality. The most important records that you can keep on your beef herd is from birth to weaning. This record will help you to estimate the milking ability of the calf's dam and also shows how the offspring will perform. Eyeballing as has been done in the past will not get the job done today.

The most important decision that you as a beef producer will have to make is in the selection of replacement heifers. Without records to use you are shooting in the dark. With records that show an average daily gain from birth to weaning you have one of the best tools available to you as a beef producer.

Replacement heifers selected on daily gain and acceptable quality is the first step in selecting replacement heifers. However, you should visually inspect these animals. For example, if two animals from the same farm have the same average daily gain with one carrying a lot of finish and the other thin tells you that the fat heifer does not have the potential to grow—she just puts on fat. But the thin heifer is still growing.

Secondly the heifer selected must be structurally sound—possess breed character and be feminine. If you want 100 replacements you would normally select 15, remember that the heifer within your own herd may be superior to those that you can buy. Most breeders will not sell you their best, because they want to keep those for herd replacements.

Records can be used to cull the cow herd. Far to many farmers have "boarder" cows. You should sell these as soon as superior replacements can be obtained. Any cow that fails to produce enough pounds of quality calf to show a net profit has no place in your herd. The only way that you can find this out is through a performance testing program.

In our present days of beef production a competitive herd is essential. If you want these data to become a "status symbol" they must be used. If the TOOL is used with common cow sense, it will make you LOOT.

Fort Loudoun Electric Has Annual Meeting

The 32nd Annual Membership Meeting of the Fort Loudoun Electric Cooperative was held at the Madisonville Junior High School Gymnasium, Saturday, October 7.

The following Trustees were elected for a three year term: District 4, Ebert L. Montgomery, Route 2, Greenback; District 6, Jerry S. Keyes, Route 1, Vonore; and District 9, Creed Pack, Route 2, Madisonville.

Mr. John C. Hale, President, welcomed the members and guests, with more than 800 in attendance. Special guests were Mr. T.O. Walker, Public Relations Director, Tennessee Electric Cooperative Association, Nashville; Mr. A.L. Daniels, Eastern District Manager, Division of Power Marketing, Tennessee Valley Authority, Knoxville; and Mr. Lynn Seebor, General Manager of Tennessee Valley Authority. Mr. Seebor is also a member of Fort Loudoun Electric Cooperative.

He spoke briefly of the many advantages of electricity and that it is the most vital and flexible energy available to each of us, with the least change in environmental ecology.

William A. Huddleston, Assistant to General Manager and Chief Engineer gave the General Manager's report. H.G. Gangwer, Sr., General Manager, was unable to attend the meeting due to his being in the hospital. This meeting is the first Mr. Gangwer had missed since his coming to the Cooperative in 1964.

Wet September

September began dry and ended wet in the Tennessee Valley, as rains in the last half of the month brought the average September total across the region to 5.4 inches, TVA reports. Normal for September is 3.0 inches.

Highest September total reported to TVA was 9.53 inches at Sewanee, Tennessee, about 40 miles west of Chattanooga. The lowest was 1.70 inches at Dial, Georgia—about 65 miles southwest of Chattanooga.

Charles and Riley Johnson also on misapplication of contract funds. Cases now set for October 20 are Tommy Jones, breaking and entering; and James L. Jaynes and John Steven McKee, hunting in closed season. On Oct. 24 is Charles E. Tinch, burglary and the final day of court is the murder trial of John A. Eastman.

Your County In Action

BY Harvey L. Sproul
LOUDON COUNTY JUDGE

I believe a new program being started by the Loudon County Hospital Board of Directors, through recommendation of and with the cooperation of Administrator, Gay Hamilton and the Loudon County Ministers is going to be wonderful. This is in reference to the new "Hospital Chaplain" program.

Many hospitals have full-time chaplains, and others attempt to work out a program with volunteer assistance. It has been announced that the Board at its last meeting approved a Chaplain Program and authorized it to begin at the Hospital. I have recently had occasion to know how beneficial and helpful it is to have a Chaplain or Minister available at the hospital during emotionally trying times, and I believe this will be well received by people of the County and will be greatly appreciated.

I have been quite concerned in reference to the recent controversy concerning the selection of majorities at Loudon High School and the racial discrimination overtones that were involved. Even to talk about the problem is possible to cause additional problems, and possibly would have the tendency to inflame or re-arouse the issue, but on the other hand, it is awfully hard to sweep a real problem under the rug. It seems to keep coming back at you. In this particular issue seemed to spread way out of proportion to the point that there were rumors that there was to be a lot of "trouble" at the Loudon-Lenoir City football game that Friday night. Many people stayed away from the game because they thought there might be trouble, and possibly for other reasons concerning the controversy. The cause of the controversy and whether or not the complaints were well-founded is one question, but the other question is or continues itself to the question of how is the proper way and best way to settle these type matters. If in fact there was no real basis for a complaint concerning the manner of selection of cheerleaders, then this question will smooth itself out by itself. Whether there was any real basis for the complaint or not does not change the fact that many people thought that there was basis for a complaint, and possibly had true feelings about this. On the other hand, there were probably some who felt that this was a good occasion to make certain "points". My own observation, which is at somewhat of a distance concerning school matters, is that racial discrimination problems, application to general school matters, has been almost nothing. Possibly this is helped by the fact that

Mount Olive Pays Debt, Burns Mortgage

Sunday was a banner day for the members of Mount Olive Baptist Church in Loudon. In services Sunday afternoon attended by about 300 persons the church burned a \$13,000 bank note marking the complete repayment of a loan made from the Bank of Loudon County five and one half years ago to build a new church. The Mortgage Burning Day was a day long event at the church. After regular morning worship services a dinner was held at the church followed by the special services. Among the honored guests were Congressman John Duncan, his administrative assistant, Ed Bailey, Loudon Mayor and Mrs. Joe Carter, contractors on the building R.G. Sherrill and Paul Acuff, Sam Denny, who drew the plans and Glen Hickey a friend of the church credited with making major financial contributions to the building fund.

CHURCH MORTGAGE BURNED—With Mount Olive Baptist Church Trustee Chairman Garner Henley holding the paid-off \$13,000 bank note, pastor Rev. W.E. Price and Congressman John Duncan prepare to burn the note. Others in the photo are church officers and community leaders invited to the service Sunday by the church.

Our total County black population is in the neighborhood of approximately 2 percent. Of course in a situation such as this, the 2 percent of people may have a greater tendency to feel that they are being discriminated against because there is such a small percentage. But to get back to this point, it seems to me that the blacks in our school systems in Loudon and Lenoir City have had fair opportunity, and in fact have achieved great positions of honor in many of scholastic and extracurricular activities, and certainly in athletics, and that the acceptance and working out of these integration and racial problems has been very good compared to what it has been in many other Counties. This does not mean that there have not been those specific incidents that have occurred, but they occur in any school system, integrated or un-integrated, and arise in any kind of activity or employment, or organization in which a person might be involved.

At any rate, it is very clear that the way to settle these matters is not by war and rumors of war, and I was very thankful that nothing happened at the Loudon-Lenoir City ball game, and in fact expected nothing to happen. I went and took my children. But it is hoped that we all, the majority and the minority, can lean over backwards to see that in our public life all people are treated equal and given equal opportunity. Decisions and choices will be made which will sometimes appear to be wrong or unjustified, but we are human and those things happen—and most of the time without any specific intent being behind it. To give the other fellow the benefit of the doubt, unless he can be proved without question otherwise, is not a bad policy.

Plemmons Named

Senator Howard Baker announced today local leaders in the Nixon-Baker Youth Campaign. Serving as Loudon County Youth Chairman is Colton Plemmons of Loudon. Senator Baker complimented this youth organization highly, saying, "The efforts and time contributed by these youthful supporters has been a tremendous help to my campaign and their enthusiasm has been a personal inspiration."

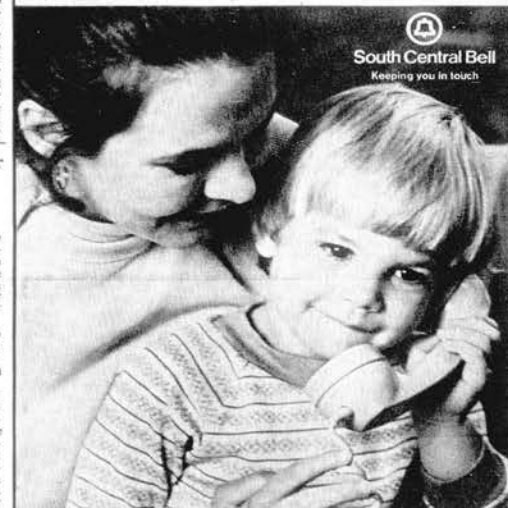

Fire Extinguisher Demonstration

Three demonstrations of the proper uses of fire extinguishers will be given Saturday by the Loudon Fire Department, a project being undertaken as part of the national observance of Fire Prevention Week. The demonstration will be held at the Legion ball field at 10 a.m., 1 p.m. and 3 p.m. according to Fire Chief Chili Jones. Chief Jones said fires will be set and demonstrations of Class A, B, and C fire extinguishers will be given. He urges all businesses, industrial fire safety and representatives, law enforcement officers and others interested in fire prevention to attend and take advantage of these demonstrations.

and the late Kenneth Faulkner when \$3000 was raised on a few weeks time just before Faulkner died. This church is now getting building and to tile the floors in the basement area housing add central heating and air educational rooms and conditioning to the church fellowship hall.

Unbeaten Region II Gridiron Powers Square Off Friday

Speaking of Sports

By DANNY GIBSON
 Sports Editor

Most all the high school football teams are over the mid season hump and are preparing for a valiant stretch drive. Some teams pursue a dream of a state playoff berth and eventual state championship honors. While other teams battle to finish with a winning mark and still others seek to put things together and finish with a bang in lieu of the momentum carrying over till next year.

At any rate only about five more weeks are left in the regular season.

A very important game is on the agenda for this Friday night among area football fans and followers. Kingston visits Lenoir City for a regular season "AA" showdown between Region II powers. Both teams are unbeaten and only a Kingston-Maryville tie shadows the Yellow Jackets' record. Lenoir City is 6-0 with a mere 19 points given up by its stalwart defensive unit. Kingston is 5-0-1 for the year and yielded just 20 points to its foes.

Offensively the two fine teams have scored with respectable margins. Kingston has logged 128 points in six games with a 0-0 tie included. The Panthers have worked the score board for 107 points. But a side light which may have a factor in Friday night's clash is the absence of Kingston's top running back Randy Brown. The versatile senior gained over 1000 yards as a junior and has been instrumental in the Yellow Jackets this fall. The senior break away threat suffered a broken wrist in a back yard touchfootball game over the weekend and the injury could have him out for an indefinite time.

There is not a great deal riding on this face off between Kingston and Lenoir City as they both have reached a point in their schedule where a loss either way will not keep the two from tangling again in the close of the regular season for the Region II championship.

Under this year's TSSAA football playoff for "A", "AA", and "AAA" the runnerup of each region will play the top team in that region despite the fact they may have played in regular season. Lenoir City and Kingston are assured of these two spots in Region II already or at least so barring a couple of miracle upsets which is unlikely with the cards on the table and the stakes getting higher.

Lenoir City has games left with Rockwood and Lenoir before traveling to Hartsville in a test of Region III and Region II powers. Should Lenoir City drop the Kingston and Hartsville games it would take a lot of football play for either the likes of Rockwood or Lenoir to wreck this Panther crew.

Meanwhile Kingston finishes up on a challenging Dayton eleven and a tussle with Lynn View. Only the Rhea County Yellow Jackets figure to be a respectable game with a probable 21 point difference at the end.

The only other Region II contenders are Cleveland and McMinn Central and they each have dropped two games at this stage of the season and Bradley County and McMinn County should apply the kiss of death to their cross town rivals in their respective regular season finals.

So we are back to Friday night's Region II "feeler" and a November 17th region tie showdown at a site neutral to both teams.

The Friday night battle could easily be a 50 yard line stand off, seriously. Neither team wants to lose but the team which wins will have to really be in peak readiness in November to combat the fired up medicine generated by the

Lenoir City will get a lot of attention this week with sports writers, prospective playoff team scouts and college coaches all flocking to get a view of the Lenoir City-Kingston grid clash. The prestigious results will have a large factor in fortelling the eventual teams to be heavily considered for the "AA" state title.

Kingston has experienced a game much as this one two weeks ago against Maryville. The Rebels are labeled by many as the team to beat for the "AA" title this fall. The game ended in a scoreless tie under the worst of playing conditions due to a constant down pour of rain. The game Friday night appears to be scheduled for a dry field with temperatures in the mid 40's to low 50's. Although an overflow crowd expects to be under the roof of the stadium, the two region II foes will generate to warm the entire stadium on both sides of

the field. Lenoir City will be a touch-down underdog despite the home field advantage. Kingston appears to have established themselves better against tough opponents in recent weeks more than has the Panthers. But the Panthers may have been looking ahead for this game as almost everyone has predicted the two teams would meet with the region title and state rankings at stake. Kingston is rated 12th in the latest UPI high school poll while Lenoir City is locked on a 19th position for overall school

powers. Lenoir will carry its 0-6 record into a skirmish with Cleveland at Lenoir. The Redskins are near their peak as this Loudon team will probably ever be able to attain. The defense is playing tough and the offense is starting to hit in stride with the blocking up front. The realization of the whole thing is the Redskins opponents have not and will not get any easier and could cancel out a fighting effort on the part of the Redskins to salvage the season. Loudon will be listed a 21 point disadvantage prior to

kickoff. Nevertheless the Redskins were a 30 point under dog to Dayton and controlled the game up until the last 23 seconds. Cleveland will have a couple of tall, fast backs and uses their right end as their prime pass receiver. The Blue Raiders are very much of the same pattern team. Dayton was. Dayton handed the Cleveland team a sound licking earlier in the year.

Greenback continues to mystify its followers with superb performances. The Cherokees dropped their third game in a row Friday night

and the game was never close despite Greenback was the favored team. The Cherokees felt stubbornly to an overzealous Porter team after three straight wins. The loss seems to have had its effect with two upsets following. The disappointing factor of the entire thing is Greenback has a very capable team with good to excellent personnel. Giving up the lone defeat appeared to hurt at the time but as the picture is getting more complete with the playing out of the season the Cherokees have blown two chances to finish runner-up in Region I

and the game was never close despite Greenback was the favored team. The Cherokees felt stubbornly to an overzealous Porter team after three straight wins. The loss seems to have had its effect with two upsets following. The disappointing factor of the entire thing is Greenback has a very capable team with good to excellent personnel. Giving up the lone defeat appeared to hurt at the time but as the picture is getting more complete with the playing out of the season the Cherokees have blown two chances to finish runner-up in Region I

and the "A" division class with needless losses. Porter has since lost and would have been below the Cherokees in the standings as they were whipped by region leading Maury.

The overall play of the Cherokees must improve if the season is to be of any measure. A Friday night trip to Townsend will again find

the Greenback forces a touch-down favorite but under the present break down with the line not blocking on offense and the defense taking turns as to what individuals will make the tackle with out any team pursuit the Cherokees must be able to start basketball preparation and forget their football.

The Townsend-Greenback game will have a 7:20 p.m. starting time while both Loudon and Lenoir City starting times are set for eight o'clock kickoffs.

REDSKINS John Lovelace tackled Friday night.

Dayton Stings Redskins In Waning Seconds With "Pass And A Prayer"

The Loudon Redskins continue to be snake bit in football. The Redskins played tremendous football for 47 minutes and 30 seconds Friday night only to stumble in the waning minutes of the game to bow to Dayton 7-0.

Coach Chig Rattledge's "Big Red Machine" had an early lead and down the Rhea County gridiron in the fashion of a beautifully shined and polished locomotive making a run against time. But as fate would have it this was not to be the night the Redskins were to regain a piece of their prestige in what is much feared football empire.

Loudon, a 30 point underdog at kickoff time, met the fired up Yellow Jackets head-to-head from the opening gun. Both teams battled with vigor for a quarter with Loudon outperforming the Redskins before a capacity crowd honoring Rhea County's homecoming.

The Redskins dominated play with 26 offensive plays to only eight for Dayton in the first quarter of action. Loudon used up much of the clock on a 13 play drive that carried for 23 yards only to have a five yard penalty force a punting situation at the Dayton 35 yard line.

The Redskins never got any closer to pay dirt in the first half but a stout Loudon defense was equally stubborn in containing the Yellow Jackets swift backs.

The third quarter rocked along with unsuspecting quickness as the two teams swapped punt after punt. Loudon drove as close as the 35 yard line once but was

losing coach who will have five weeks to remind his boys "They beat you for fun, but we'll redeem ourselves in the real thing." But no matter who wins this round you can well bet the outcome of both will rest in the trenches for both. Neither team has a blanket pass defense but the best pass defense is a mad rush of the passer. Hence three yards and a cloud of dust may be the forte of this year's Region II conclusion.

carried the ball 22 times for an even 100 yards. Quarterback John Lovelace, looking more at home every week with his directing of the Loudon offense, contributed 51 yards in 12 carries from scrimmage. Jeff Queen fast becoming the open field threat Loudon has needed from the start of the season, added 22 yards on nine

tries with the ball. Queen, a sophomore quarterback made into a shifty running back, is responding with ease to the new position and gives the Redskins two able passers in the game at once.

Loudon's defense played its finest game of the season and Coach Gary Dutton had nothing but praise for his

crossroads of the season for the Redskins as they appear to have just about grown into a respectable football team that is capable of playing on even terms with anyone.

Block Fund Increased \$60

A total of \$676.80 has now been contributed to the Loudon Quarterback Club's Buy A Block Campaign. The Club is using the money from the campaign toward the construction costs of a new dressing room, concession stand and restroom facility at the old Loudon High School football field for the Pee Wee football program.

The 100 foot long building will have four dressing rooms, plus concession stand and rest rooms. During this past week \$60 has been added to the fund.

The latest donations reported by the Quarterback Club Treasurer Jim Roberts are as follows:

Junior Reds Exhibit Best Season Effort

By Frank McCall

Loudon Junior Reds coaches Mike Littleton and Sonny Downs praised their teams effort Saturday night as their best of the year even though the 125 pounders lost 22-14 to Harriman. The coaches said their team made their best team effort of the year and were the first team to score on the Harriman team this season.

With less than a half minute gone in the game Loudon scored. On the first play from scrimmage Red halfback Kerry Starrett took a handoff from quarterback Carter Cardwell and raced through good blocking on the right side of the line for a 50 yard score. Goodwork carried in on a keeper for the two point conversion.

Greg Deathridge intercepted a Harriman pass on the Devils first play, but the Reds came right back and threw an interception to Harriman. Harriman took four plays to cover 30 yards and scored on a 13 yard pass and tied the contest 8-8.

REDSKINS DISPLAY OFFENSIVE FINESSE—Loudon's John Lovelace takes a teeth jarring lick from a would-be tackler Friday night, but completes a yard gaining pitechout to Tim Guider for a first down. Guider rushed for

Greenback Fails For Third Straight Week

Greenback saw its season record fall to 3-3 Friday night after a 28-0 pounding by Walland. The loss also evened the Cherokeees conference slate at 2-2. Greenback lost its momentum in the first period when the Indians scored following the opening kickoff. A 29 yard scamper to pay dirt made the score 6-0, but Greenback spoiled the two point conversion attempt. Walland's defense penetrated the Greenback line at will and had the ball back within minutes of their first score. Again the Indians drove past the double stripe for a touch-down and was successful on a two point conversion pass. Trailing 14-0 at the close of the first period the Cherokeees generated a spark of offense but was stopped shy of the mid-field stripe. A fourth

100 yards in the game and Lovelace added another 51 yards of real estate. Both are juniors and will be back next year.

WAY OF LIFE
In the trials of life most of us could be found guilty of being chronic complainers.

Special 60-Lap Race Scheduled

A special 60-lap feature is scheduled Saturday night at Atomic Speedway and the purse will be increased by 50 per cent for the champion. Instead of the usual \$400 which awaits the winner, the 60-lapper will be worth \$600. Qualifying for late model sportsman cars starts at 7:15. The first heat race begins at 8 o'clock and will be followed by a semi-feature, hobby event and the special 60-lapper. Adult admission will be \$3 (grandstand) and \$4 (pits). It'll be 50 cents for children under 12. Herman Goddard, track champion for the season, will be out to add to his winnings in a Chevy II. Goddard ran seventh in the feature last Saturday night to wrap up the title.

Jerry Meadows of Chattanooga, who was the leading qualifier and captured the 40-lap race in a Camaro, is expected back to make a bid for the 6000.

Also among the favorites will be B.E. Vineyard, Tex Gibson, Bill Ogie and Clay Kelly in Chevy IIs; Joe Lee Johnson, Tottle Estes and Ronnie Tims in Chevies, and Snooks DeFoor, Wayne Hixson and Buddy Weaver in Mustangs. Besides Meadows, the top Camaro drivers include Zek Buchanan, Preston Thurman, Leroy Vann and J.B. Duncan. Marvin Tipton has one of the most competitive Covertas. The hobby action has become real close during recent weeks. David Leath aims for a second straight victory in a Chevrolet, but can expect a run for the money during the present Pee Wee Football League season.

Panthers Use Second Half Surge For 9-6 Victory Over Knox Halls

Lenoir City ran its unbroken record to 8-0 Friday night with a come from behind victory over Knoxville Halls, 9-6. The Region II leaders were out overly impressive in recording the win with the Panther defense out showing the offensive unit. Lenoir City's head master, Dale Brown, commented on his team's performance as "just good enough to get beat". Truthfully the Panthers dominated play in every quarter and held the Red Devils to minus yardage in every period but the second. Knoxville Halls, coming into the contest of Region I and Region II powers, had lost but one game to Knoxville Powell by a score of 3-0 in a surprise upset. The Red Devils battled the Panthers to a first quarter draw and regrouped its defense to halt a spirited Lenoir City drive at its own 19 yard line. The Lenoir City defense had been exceptional containing the Halls backs but on third down and five the Knoxville school sprang its fastest ball carrier loose and the race was on. The play was good for 76 yards and a touch-down. The Red Devils attempted a two point conversion with a pass, only to

have the Lenoir City defense stop the play dead. Lenoir City, trailing for the first time at the half this season, showed their credentials with a rousing second half charge. The Lenoir City defense backed

First Downs	L.C. Halls
Passes Att.	11 4
Passes Comp.	7 8
Passes Yds. Recd.	11 47
Yards Passing	5 25
Yards Rushing	195 43

Punting-Avg.	33.40 34.43
Lenoir City	0 0 0 0 9
Knoxville Halls	0 0 0 0 6

once again and on fourth down from the 12 yard line the Halls center flipped the ball high over the punters head and into the end zone. Lenoir City defensive stalwarts, Mike Hooks and Carl Thompson captured the Red Devils punter and the pigskin before he could escape the end zone coating the Knoxville team's safety. The big road triumph had several standouts from the victorious Panther eleven. David White stole two Red Devil passes and Tommy Cook intercepted one. Defensively the Panthers held the Region I foe to minus 22 yards in the second half and a mere 90 yards total offense for the entire contest. Donnie Stamey led the tackling corps with six. Nathan Dalton and Lee Arnold registered outstanding marks with five stops and Mike Hooks and Tim Galyon intimidated the Hall ball carriers through out the game. Tommy Cook ran the Lenoir City offense like a well oiled machine. The Panthers turned Donnie Stamey and Mike Walker loose 20 times each for 75 and 107 yards rushing respectively. Stamey also had a 11 yard pass reception.

Donnie Stamey carried the ball the final three yards for the score and Cook booted the extra point for a 7-4 margin. Lenoir City's defense continued to whip the Halls linemen at every turn and the determined hustle paid off. Knoxville Halls was stopped deep in their own territory

1972 PANTHER PEP LEADERS—Leading the many cheers and chants for the Lenoir City Panther football team this fall are the Lenoir City Cheerleading squad of, left to right, Cheryl Veal, Kelly Lawson, Melinda Estom, Cindy Ledbetter, Terry Henry, and Kathy Littleton.

Vols Get Holiday

Couch Bill Battle gave his Tennessee football team, which has an open date this week, a holiday Monday. The Vols next game is with undefeated Alabama here Oct. 21. Battle said he hoped the open date would enable some of Tennessee's injured players to recover in time for the Alabama game. "We need all the healthy players we can find for that contest," the coach said. Tennessee is 4-1.

Hamontree Selected Carson Newman Cheerleader

Miss Kathy Hamontree is finding her activities as a college co-ed to be much on the order of those in high school. Miss Hamontree is a sophomore at Carson Newman College in Jefferson City. She is majoring in psychology. But once studies and classroom participation is over Miss Hamontree is busy practicing for her Saturday showing with the Carson Newman cheerleading squad. Miss Hamontree was a cheerleader for three years at Greenback and finds her college duties just as exciting. The Eagles football team is currently unbeaten and ranks in the top 10 teams of the small college grid poll. Kathy graduated from Greenback in 1970, but did not decide upon trying out for the college cheering squad until this fall. The select group made up of seven girls and two boys is elected by the student body. Kathy is the daughter of

Rev and Mrs. R. L. Hamontree. She has a brother Tim, who is an outstanding athlete at Greenback in football and basketball.

Kathy is the daughter of Kathy Hamontree

PLENTY OF PEP—Loudon's pep section was full of energy Friday night at Dayton as the Redskins football team played its best four quarters of football this season. The Loudon cheerleaders were in top spirits after drying out from the Friday night rains the past week at McMinn Central and were instrumental in boosting the team moral.

Bristol Continues To Reign In AP High School Poll

Can anyone stop the Bristol blitz? That remains the big question in Tennessee high school football circles. The Vikings beat Elizabethton, then No. 4, 21-15 Friday night and as a result continue to dominate the latest weekly AP prep poll.

Bristol, the defending Class AAA champion, has won six straight games this season and is consecutive over the past two seasons.

In the poll, Knoxville Central, Franklin County and Hixson came up with significant gains.

Central, 6-0, gained three notches to No. 2, replacing BGA, which lost Friday night to Clarksville Northwest 37-8 and tumbled to No. 19. Franklin County, also 6-0, advanced four spots to No. 3. Kingsport, 5-0, is No. 4, Memphis Hillcrest, 5-0, No. 5, Memphis Station, 4-0, No. 6, Elizabethton, 4-1, and Sparta, 4-0, are tied for No. 9, and

Hixson 4-0, No. 10.

The second 10 is Memphis Hillcrest, 5-0, Hendersonville, 4-0-1, Kingston, 5-0-1, Nashville Maplewood, 5-1, Nashville Overtown, 5-1, Brownsville, 4-0-1, Jackson Northside, 5-0-1, Covington 4-1, BGA 3-1, and Nashville Pearl, 5-0.

Memphis Hillcrest, Sparta and Elizabethton received one-first place vote each. Bristol, which hosts Erwin this week, had all the rest.

Other games this week involving the top 10 are Oak Ridge at Knox Central, Franklin County at Warren County, Kingsport at Greeneville, Mitchell at Memphis Hillcrest, Christian Brothers at Memphis White Station, Sparta at Knox Holston, Dayton at Maryville and Hixson at Clinton. Elizabethton is idle.

The latest AP high school football poll, with team records, first-place votes and

total points on a 20 19 18 basis:

Table with 3 columns: Rank, Team, Points. Lists top 30 teams including Bristol, Knoxville Central, and Kingsport.

Divisional Top 10

Table with 3 columns: Class, Team, Points. Lists top 10 teams in various classes like Class AAA, Class AA, and Class A.

Gibson's Blue Honored For '72 Hunting Season

Loudon had a host of top qualifying coon dogs to finish in the classification of superior blue tick coon dogs from around the state this past weekend in the Tennessee State Championship Hunt.

Howard Gibson's, Gibson's Blue, was named the top dog for the entire 1972 hunting season. Gibson finished second to Wayne Hallmark of Knoxville in the weekend hunt for registered dogs.

- 3. Everette Shultz, "Rock", Knoxville
4. S. Stacey Russell, "Queen", Loudon
5. Loyd True, "Susie", Loudon
6. R.A. Tuck, "Betty", Loudon

- REGISTERED CLASS
1. Wayne Hallmark, "Big Creek Tom", Knoxville
2. Howard Gibson, "Gibson's Blue", Loudon
3. Everette Shultz, "Rock", Knoxville
4. Buddy Hall "Hall's Tennessee Spot", Sweetwater
5. Johnny Viars, "Jack", Loudon
6. George Long, "Long's Joe", Knoxville

TOP DOG FOR 1972—Howard Gibson poses with his champion Blue Tick Coon Dog, Gibson's Blue, after finishing second in the two day State Coon Hunt held this past weekend. Gibson's dog was awarded a trophy for scoring the most points during the 1972 hunting season.

Duck hawk has been known to fly as fast as 180 m.p.h.

Union Carbide Golf Title Up For Grabs In Final Week Of Play

The Union Carbide Golf League winds things up this week with the 1972 Championship up for grabs. Defending champions Dick Huff and Art Hamill took advantage of a September rally to jump out front by 13 points over their nearest competitor and appeared headed for another title.

Huff and Hamill had a 10 point advantage last week only to be shut completely out by Jack Ferguson and Glen McNabb. Second place contenders Jack Miller and Ciel Miller lost the league lead in a September slump and have

had to play catch up ever since. The surprisingly easy handling of Huff and Hamill last week opened the door and now a first place tie highlights the last week of seasonal play. Jack and Ciel gained 110 points and drew even with Huff and Hamill with a 10 point blanking of third place and title contenders Hall Summers and Mike Oody.

Jr. Reds Cont. Far Too Many Points Picked In Loudon-Dayton Game

The point tie-breaker in the Loudon-Dayton game decided all three winners in last week's Football Contest. There were only seven points scored in the tie-breaker game, but all the winners had many more points and still came closest.

First and second place money of \$20 was combined when two contestants missed at fullback carried in for the score. The extra point attempt failed and Harriman held a 16-14 edge.

Both teams played hard defense in the fourth quarter. Loudon attempted a first down deep in their own territory and failed. Harriman took over on the 10 and scored in three plays.

With less than a minute to go and trailing 22-14 the Reds moved from their own 35 to the Harriman 20 in two plays on an exciting run by Deatridge but the clock ran out giving Harriman the win.

only one of the nine games used in the contest judging. The Alcoa-Halls game was thrown out because it was played on Thursday night. Winners with 33 points on the tie-breaker and one miss were Mrs. Floyd McDaniel of Sweetwater and Bill Thompson of Philadelphia. Each receives \$10. A large number of contestants missed two games, but Clinton Helms with 21 points won the \$5 third place cash award.

ANNUAL FOOTBALL CONTEST

The Herald

**\$250
IN CASH
PRIZES**

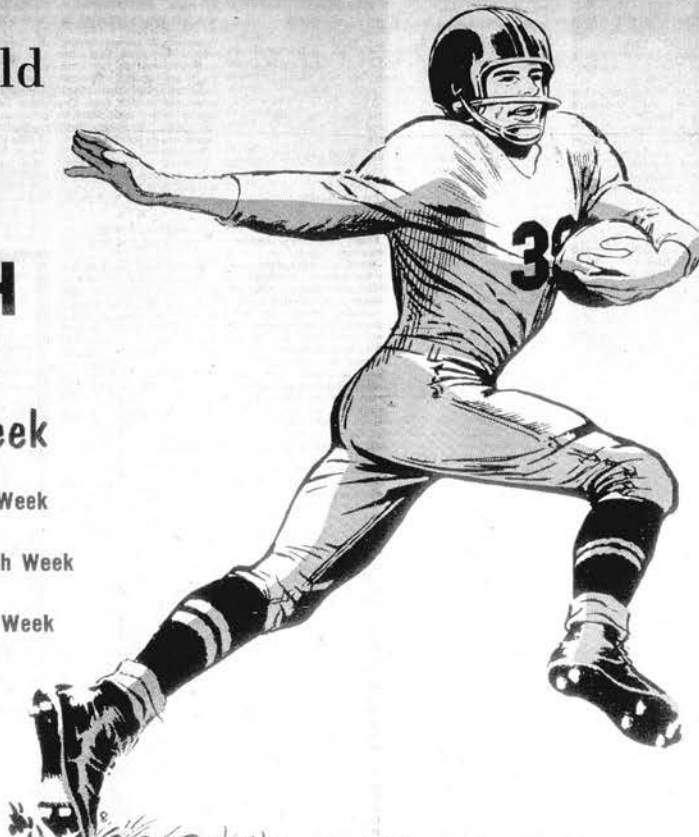

\$25 Each Week

\$12 First Place Each Week

\$8 Second Place Each Week

\$5 Third Place Each Week

Entries must be in Herald Office by 5 P. M. Friday or Postmarked by 5 P. M. Friday, if mailed.

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which team you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Game and Fish TODAY

By Sgt. Bob Harmon
Game and Fish Commission

CATOOSA WMA BOAR HUNTING CLOSED

A verified outbreak of hog cholera near the Game and Fish Commission's Catoosa Wildlife Management Area, and subsequent quarantine of an area that includes the management area, has caused the Game and Fish Commission to summarily close wild boar hunting at Catoosa until further notice.

At present, the quarantine, established by the U.S. Department of Agriculture, is effective through November 3, 1972. This quarantine is, however, subject to extension.

Surveillance of the Catoosa wild boar population has shown no evidence of hog cholera in the wild boar population to date.

"It should be emphasized that while the Game and Fish Commission has suspended the taking of wild boar on the Catoosa Wildlife Management Area, hunters will still be allowed to utilize the area for the taking of deer," Game and Fish Commission Director David M. Goodrich, said.

This action of the Game and Fish Commission is taken in a spirit of absolute cooperation with Department of Agriculture officials, and is an attempt to control the possible spread of this disease, according to Commission officials.

SEVEN CONVICTED IN ILLEGAL DEER KILL CASE

Six Nashville men and one juvenile have been arrested and fined in connection with the illegal killing of a deer in Cheatham County, according to the Tennessee Game and Fish Commission.

Convicted on charges of killing a deer in closed season were Tony Ray Bradford, 18, and Jerry Thomas Orman, 19. Eddie Daryl Divincy, 19, Richard Steve Hogan, 18, William Dawson Divincy, 15, James Edward Nichols, 18, and Charles Chester Hampton, 19, were convicted of charges of possessing an illegally taken deer.

Each defendant was assessed \$50 fine and \$21 court cost by Cheatham County General Sessions Judge W.R. Baker.

Arresting Game and Fish Commission Officers Lieutenant Ken Stockdale and Ernest Mitchell said Bradford and Orman confessed to killing the doe deer while squirrel hunting Sept. 30.

"The seven returned late that night to the deer, but wrecked their car while returning to Nashville," Stockdale said, adding that the illegal deer was found during investigation of the accident, and Commission personnel were notified.

Commission Law Enforcement and Field Services Division Chief Tucker Brown said this type violation of the game laws normally increases at this time of the year.

"With the approach of cold weather some hunters ap-

FISHING AND HUNTING REPORT

CHEROKEE LAKE
Water conditions - good and fluctuating.
Bass - very good on purple worms, ball divers, and bank whackers, late evening and at night. Crappie - fair on minnows near brush piles on minnows - all other species poor.

NORRIS LAKE
Water conditions - clear and falling.
Bass - good at night on large plastic worms and spring lizards, especially in Big Creek section. Walleye - good trolling spinners and worms off gravel points. Bluegill - excellent on popping bugs.

NORRIS TAILWATER
Trout good on flies, worms and corn when water is off.

MELTON HILL
Water conditions - clear and fluctuating.
Bass - fair on minnows and jugs; medium depth. Crappie - fair on minnows near brush piles. Bream - good on worms and popping bugs.

DOUGLAS LAKE
Bass - good on plastic worms and night crawlers early morning and late evening. Crappie - fair on minnows and white flies, deep.

FT. LOUDON LAKE
Water conditions - muddy upper end, clear lower end.
Bass - fair on shallow running lures. Stripes - good in breaks on spoons; crappie fair on minnows deep; carp/fish good on shad minnows and cut bait.

WATTS BAR LAKE
Bass - fair, trolling minnows and casting medium running lures - crappie fair on minnows - catfish fair on trotlines using cut bait.

CHILHOWEE LAKE
Water conditions - clear and fluctuating.
Bass - fair on lizards, deep. Trout - good at night under lights on corn and worms. Bream - good on worms and popping bugs.

LITTLE TENNESSEE RIVER
Trout very good on spinners, rebel lures and corn.

"Squirrel hunting is still good. Grouse season opens October 14, 1972 and closes February 28, 1973. Dove season opens October 14 and closes October 28, 1972. Deer archery season opens in Blount, Union and those portions of Campbell County north of Highway 63 an east of Highway 25W.

Plenty of permits are available at the Knoxville office for deer and bear hunts on Tellico W.M.A. for November 10-11, 1972 and on Catoosa for November 6-7, 10-11, and 17-18.

**ELECT
Leonard Evans
State Senator**

Blount, Loudon, Sevier and Part of Menocoe Counties

The experienced candidate with four and a half years in upper level state government.

The candidate who will work for and represent all of the people of the 8th Senatorial District.

Will work for the protection of the state's environment. Will work for consumer's protection. Will support and work for Legislation to improve education including support for state-wide kindergarten and vocational schools.

Will work for better state government through better use of the tax dollars.

What goes up must come down.

The tires of most jetliners lose traction on a half inch of snow. It can also be laid down before a storm to act as an anti-icer. Last winter it was successfully used at over 20 busy metropolitan airports. This year we expect that more airports will be using UCAR Runway De-Icer. So now instead of just talking about the weather, people can do something about it.

BACK IN THE GOOD OLD DAYS

This week we are using a choir group picture taken at Loudon First Baptist a few years back. In fact, many of

these children are grown, now married and have families of their own. I am quite sure that if you asked them, they would wonder where the passing years went.

We are sorry, but we can't identify all of them. I know I should, but I can not. Anyway, here are the ones we know and not in any order. Of course, the man of the left end is Ed Davis, chair director and on the right end is Pam Finn, organist. Both of these people held these positions in the church at that time. Some of the others are Jo Nell McCollum, Beth Sanders, Janice Pope, David Allen Messamore, Gary Hodge, Theresa Lunford, Mary Faye Grimes, Sue Merrick, Jo Ann Purdy, Gary McCollister, Suzanne Turner, Ronnie Henderson, Joe Hooker, Leo

Black, Don Gagley, Mrs. Leona Pope, and Kenneth Howard. I need some help on the others.

Someone asked the other day if we had ever had a picture of a horse drawn hearse. Well, we hadn't at that time, but now we have. This is owned by Harvey Hawkins and is shown in a parade a few years ago.

The other day Oliver Hawkins stopped by the Herald office to leave us an old issue of the Loudon County Record (which used to be the name of the Herald) and it was dated August 24, 1916.

We looked through it, we found many items of interest and some of them are as follows: Jim McGill had just opened a meat market in Loudon. At the date of this issue, there was a meal supper and raising \$17.00, but that their expenses would have to come out of this. Of course, in those days \$17 was a sizable sum of money. Possibly, the most interesting thing in this paper was an ad from M.L. Ferguson an Overland dealer. The price for a five passenger

touring car was \$635 and the Roadster was only \$620. And this car had 104" wheelbase, 4" tires, electric starter and electric lights. These last two items was certainly a luxury on cars in those days. The engine was 31 1/2 H.P. with speed of 50 M.P.H.

Another thing which I never knew existed until I read this old paper was an organization called the Loudon County Sunday School Association. At this time of this paper, the Association had been in existence for eight years.

Oh, yes, some of my Lenoir City friends who were looking at the paper were curious as to when Goodwin's operated a drug store in Loudon. They had an ad in this old paper. Many thanks to Mr. Hawkins for the loan of this old paper. Our many thanks to Prudence

Loudon County Farm Sales Top \$6 Million

For Loudon County's farm population, the past year proved to be a better one, by and large, than it was for farmers and ranchers in many sections of the country.

Although some operators did little more than break even, others, especially those with well-equipped, commercial-size setups, did quite well.

Despite the fact that prices obtained for farm products and livestock were at a low level during the first half of the year, they picked up

Bright of Charlottesville, North Carolina for her nice letter to the Good Old Days. Well, that's it for now. See you next week.

somewhat in the second half. As a result, many farmers were able to report bigger-than-average gross incomes.

The better showing was due, in part, to favorable weather conditions, bigger plantings and heavier fertilization. Also a factor was improved operating efficiency, made possible by the use of more mechanical equipment.

The figures on the year's operations, for the local area and for other sections of the country, are contained in a survey report released by the Standard Rate and Data Service.

In Loudon County, it finds, farm receipts amounted to \$6,017,000. By way of comparison, three years ago,

when a similar survey was made, the total was \$4,957,000.

The increase, 21.4 percent, was above average. Elsewhere in the United States there was a 15.6 percent rise and, in the State of Tennessee, a 20.7 percent rise.

The income figure represents gross receipts, before taxes and operating costs are taken into account.

Included are the cash proceeds from farm marketings, government payments and "income in kind," which is the value of products grown and consumed on the farm.

Of the cash receipts from the sale of farm goods, an estimated 31 came from crops and 69 from livestock, poultry

and dairy products.

As for net income, that is another story. Inflation wiped out a good part of the prospective gains because prices paid by farmers for production items, interest, taxes and wages rose considerably during the period. The rise was about five percent in 1971, according to the Department of Agriculture.

This year, however, prospects appear to be much brighter, except in areas that were hit by tropical storm Agnes. Aided by better prices for most commodities, the farm community as a whole is looking forward to ending 1972 in better shape than it has for some time.

EXTINGUISHER DEMONSTRATION—Loudon Fire Chief Chili Jones prepares to blast a small fire with a chemical fire extinguisher during a demonstration held Saturday in conjunction with National Fire Prevention Week. Two fire extinguisher models being sold by the Fire Department are shown in the foreground.

Fire Department Starts Extinguisher Program

The Loudon Fire Department has started a drive to place fire extinguishers in every home, business, and vehicle in Loudon. Fire Chief Chili Jones said that thus far the department has sold 33 units and has plenty more left. He said that if fire extinguishers were in every home and business in Loudon that about 70 percent of the calls made by the Loudon Fire Department could be eliminated. Of the 33 already sold three have been used in home fires saving the Fire Department from making a trip. He said the use of fire extinguishers in small homes as fires could cut down the operating expense of the

Loudon Fire Department, save tax payers money and help Loudon maintain its low fire rating. The department has three sizes of chemical extinguishers for sale at prices far below the retail level. Chief Jones said that many people are buying them to give for Christmas gifts. The prices start at \$12.50 plus tax and go to \$23.50 for the larger models. Last weekend the department gave demonstrations in the use of the chemical extinguishers. Chief Jones said anyone wishing to purchase an extinguisher could call him at the Fire Hall or come by anytime.

LOOK OVER STILL—Roane County Coroner Ralph Rose, Roane Sheriff Arnold Clower, and two other officers look at the moonshine still found about 50 feet from a well where the nude body of Marion "Greasy" Early was found Saturday afternoon in lower Loudon County.

FISHING FOR GUN IN WELL—A Roane County Rescue Squadman is shown using a magnet on a line trying to fish a gun that Marion Early was said to have lost in a well. Early, found dead in the well, had told friends he was going into the well to try and find the gun. A moonshine still was located about 50 feet from the well.

Body Of Man Found In Well Near Moonshine Still

The body of a man identified as Marion "Greasy" Early, 51, Rt. 1 Philadelphia was found in a well late Saturday afternoon in a desolate heavily wooded area at the Loudon-Roane County line. The body, nude, was about 50 feet from an operating moonshine still. County officers, including Loudon County Sheriff Freeman Russell and Roane County Sheriff Arnold Clower and Rescue Squadmen from both counties, spent all Saturday night and Sunday investigating the many

unusual aspects of the case. Roane County officers were called into the case first by two men, who found the body and about 9:30 p.m. Saturday they notified Loudon County that the body was in Loudon County. Sheriff Russell said when he told the Loudon County Rescue Squad arrived Roane County officers had removed the body from the well and were bringing it out of the woods. The site was about two miles off of Sandy Road near Paint Rock on property owned by Bowaters.

Officers reported that the copper still had five barrels, classifying it as a 500 gallon still. About 250 gallons of mash were destroyed. The still was brought to the Loudon County jail. Sheriff Russell said he did not know for sure, but believed that the dead man might have worked for the owners of the still, but did not think he was the owner of the operation. Loudon County Coroner Dr. W.B. Harrison and Roane County Coroner Ralph Rose both examined the body and Attorney General Kenneth Deatheridge ordered the autopsy that was performed at Blount Memorial Hospital. Russell said the autopsy would determine if the man died from drowning or other causes.

Chamber Starts Member Drive

Loudon Chamber of Commerce President Edwin Arnold announced this week that the annual membership drive of the Chamber is underway.

He reported new members to date as being Bart Idrome of Associates Developers, Curtis-Tipton Motor Company, Arthur Fowler, John Gibson, R.M. Gray, Viars Esso, Karnes Funeral Home, Coles Drive in Theatre, Union Carbide, Dr. W. Paul Brakelb, Rhea Photo Service, Pilot Oil Company, Loudon Feed and Grain, B.E. Presley Appliance Company, Edwan Arnold, Coles A & W Drive In, Fort Loudon Ford Tractor, Family Fashions, Bank of Loudon County, C.P. Sharp, Anderson Agency, Specialty Shop, Russell's Shields Insurance, Pope Finn and Tic Toc Jewelers.

Mr. Arnold said that all persons are welcome to join the Chamber and to attend their monthly meetings.

SHERIFF RUSSELL GETS STORY—Loudon County Sheriff Freeman Russell (standing left) talks with several people who live near the place where the body of a Philadelphia man was found in a well Saturday.

Biracial Committee Named

The names of six persons, three white and three black, who will serve as a Biracial Standing Committee, to study school and student policies at Loudon High School was announced this week by Superintendent of Education A.C. Dukes. The committee will study both the school board policies and the student activity policies at the school and make recommendations back to the board to be sure all policies guarantee racial fairness. Two blacks and one white were named by the Concerned Citizens Club. Their members are Roy Wilson, chairman of

the Concerned Citizens, who is employed at Oak Ridge; Wainita Lovins, who is employed in the Loudon County Mainstream Program; and Rev. W.H. Horner pastor of the Loudon United Methodist Church. The two whites and one black appointed by the Board of Education are William Napier, principal of Loudon High School; Jim Cardwell, former Loudon High School football coach, presently employed at Union Carbide

in Loudon; and the black is A.C. Brown of Philadelphia employed at Oak Ridge. Mr. Dukes said that an organized meeting of the committee would be held in the immediate future and they would elect a chairman and such other officers as they feel they need, then develop a working agenda and start to work. He said he felt it would take the committee several months to get their recommendations ready. At that time they would be presented to the Board of Education for their consideration. The Standing Committee was appointed as an ad hoc committee of the Concerned Citizens that racial discrimination was apparent to them in the selection of ma jorettes in the Loudon High School band.

United Fund Leaders Call For Big Effort After Bad Report

Loudon County United Fund leaders called for a 100 percent-plus effort this week to beat the campaigns total to at least the halfway mark in the \$47,500 drive by Monday's 12:30 p.m. report meeting at the Twin Lantern Restaurant at Lenoir City. County Campaign Chairman Jack Hill was less than elated over the first report meeting held this week at Loudon Junior High School. Some \$236.12 in new contributions and pledges were reported at the luncheon bringing the total to date to \$756.23, which is \$200 under the point the campaign was at the same time last year. Chairman Hill called for workers to get out and ask for the contributions. He said the people of Loudon County will support the United Fund efforts if asked and the volunteers will do the work if the area chairmen will just encourage them. One reason for the small report is that most of the industrial chairmen have just begun to work in their areas and because the business and

residential sections have started distribution of campaign material but not yet picked up many of the pledges. The only industrial report given Monday was from the Charles H. Bacon Company's Loudon plant where chairman J. E. Greenway reported \$730.00 in pledges with only one-third of the drive complete. Lenoir City business chairman Bob Delouch reported \$486. Loudon business, Bob Hudson reported \$205. Loudon residential area reported \$560.12 and Lenoir City \$75.

Previously reported was \$6170.21 with the additional \$2396.12 brings the total \$7566.33 on only about 16 percent of the goal of \$47,500. Reports are expected next week from most of the local industrial plants, from Greenback and Philadelphia where campaigns are reportedly underway, from Oak Ridge, one of the major pledge units of the campaign and further reports from all segments of the business and residential campaign.

Sisters Give County Property

Loudon County Judge Harvey Sproul last week received a deed on behalf of the county from three Loudon sisters who gave the property to the county. Misses Carrie Lou and Mary Katherine Mize and Ethel Mize Parker presented the deed to Judge Sproul and Ted Handolph who worked on a committee to receive the property. The property is located on the corner of Church Street and Grove Street and has been used by various organizations in the area for several years. County Court adopted a resolution in September to accept the property and to thank the sisters for the gift on behalf of the county. Judge Sproul said that a decision has not been reached as to what use the county will make of the property but a committee has been appointed to recommend uses for the property which is considered quite valuable because of its location.

County Taking Applications For New Youth Services Officer

Loudon County has a job opening for a person to serve as County Youth Service Officer, County Judge Harvey Sproul announced this week. Qualifications for the job are (1) must have at least two years of college credits with some special education in a field related to criminal justice and juvenile enforcement. Applicants must provide resume of qualifications; (2) must be physically able to meet all standards of police officers under Tennessee Minimum Standards Legislation; (3) must be bondable; (4) must have own transportation. Applications may be secured through the County Judge's office at Loudon. Judge Sproul said a grant for the position has been approved by the Tennessee Law Enforcement Planning Agency, but that the grant papers have been misplaced during the first of September and were just now received and executed by him. He has applied for an extension of the program because of this and expects the program to begin on Dec. 1 and continue through November of next year. To this it will be up to the County and the cities of Loudon and Lenoir City to decide whether or not they will continue with the project.

Repaving Of 2 Roads Starts

Harrison Inc. of Alcoa has started repaving sections of two rural roads in Loudon County for the state Bureau of Highways. Transportation Commissioner Robert F. Smith announced today. The \$27,494 project involves two miles of Big Piney Road and two and one-half miles of Meadow Road. The contract calls for completion of the work by Nov. 1, Smith said. Sheriff Russell said he would not rule out foul play until the autopsy report was received but indications pointed that the man either fell in the well as he was trying to climb into it, or once in the well he could not get out. He said he could have died of drowning or had a heart attack. Sheriff Russell said the rope ladder would have been a challenge for anyone to climb and there were no marks on the side of the well, which was covered with moss and mud that anyone had struggled against the side trying to get out. An almost empty fifth whiskey bottle was found with Early's clothes. It took officers about two

Country Store

The Country Store portion of the Philadelphia PTA annual Fall Festival will feature many bargains of new and used items ranging from furniture to old bottles. The festival will be held at 8 p.m. on Saturday, Oct. 28 at the school. Books and tobiins will be hovering over the dart throw, grabbag, cake walk, ring toss, and many other events. The Festival is designed for the entire family with events geared to all ages.

PRESENT DEED TO COUNTY—Miss Mary Katherine Mize, Miss Carrie Lou Mize and Mrs. Ethel Mize Parker are shown presenting County Judge Harvey Sproul with a deed to a parcel of property located in Loudon that the three sisters have given to Loudon County. Ted Handolph who worked with both the sisters and the county in arranging the gift looks on at right.

Benita Evans celebrated her first birthday October 3 with a party. Those helping her celebrate were her brother and sister, Tommy and Robin, Gina McNabb, Joe and Sharon Chambers and Charlie and Kim Hooker. Benita is the daughter of Mr. and Mrs. Benny Evans, Route 4, Loudon. Grandparents are Mr. and Mrs. Buck Chambers, Loudon and Mr. and Mrs. Buford Evans of Greenback.

Greenback Community News

By Mrs. S.B. McCollum
Phone 956-3017 Greenback

Members of Greenback Presbyterian Church met for a covered dish supper in the Fellowship Hall Sunday evening with about 80 persons present. The guest of honor was Mrs. Faye Akers who will be moving to Avon Park, Florida in November. Also honored guests were Mr. and Mrs. William Webb (Gail Hutton) and Mr. and Mrs. Joe Dotson and Robert. Among Mrs. Akers' friends who came were Mrs. Hugh Youkum; Mrs. Quincy Lane and Mrs. Jess Sullivan of Maryville; Mrs. E.M. Edington; Mr. and Mrs. Joe Roberts of Knoxville. Mr. Doster Byerley has returned from Ft. Wayne, Ind. where he attended a reunion of his military unit.

Mr. and Mrs. Kyle McCall spent the weekend in Chattanooga with their daughter Mrs. Leon Quillen and Mr. Quillen and family.

Miss Louise Alexander, Mr. A.F. McCrary with the Rev. and Mrs. Dwight Cagle of Hartman were visiting last Monday in Gatlinburg, Newport and Morristown.

Mr. Jack Windle of Kingsport stayed overnight Friday with his grandmother, Mrs. John Windle.

Mr. and Mrs. Dennis Blevins of Knoxville visited during the weekend with Mr. and Mrs. Burley Blevins and Rodney.

Mr. and Mrs. Wayne Mashburn were guests Saturday of Mr. and Mrs. Donald Brewer in Chattanooga.

Mr. N.R. Simmons has been fishing two weeks on Ocracoke Island with Mr. and Mrs. Wheeler Simmons, Tommy Simmons and James Andrews of Charlotte, N.C. and Earl Simmons of Winston-Salem, N.C. He plans to return home Tuesday.

Mrs. Mayne Wear and Mrs. Cam Hall of Loudon visited Mrs. J.V. Akers and other friends here Sunday.

Miss Jewel Hammonree, bride to be of Mr. Robert Hood was honored Saturday afternoon with a miscellaneous shower by Mrs. David Hammonree and Mrs. Gary Fippe at the home of Mrs. Hammonree. Contests and delicious refreshments were served and the honoree received a number of useful house-keeping gifts.

Mr. and Mrs. Hugh Denton, Trevor and Kena of Marietta, Ga. were weekend guests of Mr. and Mrs. Dale Denton near Maryville; also Mrs. I.M. Denton Mr. and Mrs. Harry Denton, Jeff and Jamie.

Mrs. Ethel Riner observed her 67th birthday anniversary at the home of Mrs. Helen Jackson last Sunday. Guests were Mr. and Mrs. Charles Henry and family; Mr. and Mrs. Gillis Holloway and family; Mrs. Little Crawford of Knoxville; Mr. and Mrs. Mayford Webb and family.

Mr. and Mrs. Oreal Ellum are at home from Dallas Texas where they attended the National Convention of American Bankers Association.

Little David Blankenship of Oak Ridge spent the weekend with his grandmother, Mrs. Hense McCall and great-grandmother, Mrs. Margaret Huffstader.

Mr. R.M. Peterson of Maryville visited Mr. and Mrs. S.B. McCollum Friday. A special service at the Greenback Methodist Church will take place next Sunday morning at 11 o'clock at the Greenback Methodist Church. The pastor, the Rev. Don Nations will not be present and Mr. Howard Byrd will be the speaker. Music will be furnished by the Interdenominational Quartet.

Mrs. A.L. Disney is at home from treatments in the P.L. Sanders Hospital and from a visit with her son Mr. and Mrs. Frank Disney in Knoxville.

The Rev. Paul Beckwith of Birmingham, Ala. visited Monday with Mr. and Mrs. John E. Hammonree.

Mr. and Mrs. Rankin Long of Greenville visited his

mother Mrs. C.E. Long last Tuesday.

James Heathery, son of Mr. and Mrs. Leonard Heathery (Marsha Peterson) is in a critical condition in Birmingham, Ala. Childrens Hospital suffering from hepatitis and cirrhosis of the liver. He is the grandson of Mrs. Dale Montgomery.

Mrs. Kenneth Hair returned some Thursday from a three weeks visit with Mr. and Mrs. P.L. Peterson in Cocoa Fla. and with Mr. and Mrs. Fred Spencer in Orlando.

Mrs. William Graham and Mrs. Mayne Wear of Loudon visited Wednesday with Mrs. I.M. Denton and Miss Emma Hall.

Mr. and Mrs. Robert Ragain of Cookeville were weekend guests of his parents, Mr. and Mrs. Freeman Ragain and Rusty.

Mrs. Nora McCarter suffered a broken shoulder last Monday at the home of her daughter, Mrs. P.L. Peterson and Mr. Peterson in Cocoa, Fla. and is being treated in the Rock Lodge Hospital.

Loudon DAR Wins Gold Honor Roll Award

Hiwassee Chapter met last Thursday night at the home of Mrs. W.G. House, Jr. for its first regular meeting of the fall season. Among the committee reports given, was the presentation of the Annual Budget by Mrs. Ed McQueen. Most significant was the announcement by the Regent, Mrs. Lucy Steele Harrison, that the chapter had fulfilled all the requirements to be awarded the Gold Honor Roll rating for the third consecutive year. Also the National Junior American Citizens Committee had presented to Hiwassee Chapter the first place award for Best Press Coverage in the Southeastern Division.

Mrs. Blair Harrison brought to the group a most stirring program entitled "Our Flag". Included in part in her remarks was another program which she had presented to Hiwassee Chapter twenty years ago at a meeting held at the home of

Dr. and Mrs. Francis Yearwood in Sweetwater in 1952. The previous program was called "A Blueprint for Conquest" and named a nine-point plan by the communists to overthrow the U.S. Government revealed in a report by J. Edgar Hoover in 1944. The nine points all led to the gradual erosion of the American Government through influencing our youth and by gaining control of labor, education and church organization. The appalling success of the communists plan realized over the past twenty years was cause for dismay. Mrs. Harrison emphasized that one way of combating this communist plan is an old fashioned way of patriotism, and that our flag represents such a devotion. The conclusion of the program contained a prayer of George Washington's and a poem about the flag. As a final gesture the audience was asked to stand and pledge

Loudon Countians Move Less Often

Residents of Loudon County apparently appreciate their community. They feel that the grass is greener right where they are.

Their record shows that they do less moving about from house to house and from place to place than people in most parts of the county.

The findings are based upon figures released by the Department of Commerce, drawn from data gathered during the last census.

The purpose was to determine the extent of internal migration in the United States and to discover how often people pull up their stakes in one location to take up residence somewhere else.

Nationally, the picture appears to be one of high mobility. In the period of the past year alone, more than 36 million Americans, nearly allegiance to the flag. Members were reminded that the Chapter has flags suitable for outdoor display for sale to the public.

Mrs. Ralph Alexander assisted Mrs. House in serving their guests.

one out of every five in the population, moved to different addresses.

Loudon County residents are less transient than that. A large proportion of them were found to be living in the same houses that they were occupying five years before.

The number of local people, over age five, who did move during the five-year period totaled 7,938. Of these, 4,860 merely changed to other locations within the county. Another 3,078 came in from other areas to take up local residence.

As to the number who may have left the county to live elsewhere, no figures are available.

What it boils down to is that, in a period of five years, only 35 out of every 100 people in Loudon County had changed their addresses and were living in different houses.

This mobility rate was lower than that reported for the United States as a whole, 47 per 100.

The rate in the East South Central States was 46 percent, and in Tennessee, 41 percent. Why do people move? A

number of social and economic reasons are given. In many cases it is due to the fact that the family has grown and needs more space. Sometimes it is to go into smaller quarters, following a breakup in the family.

A major part of the shifting occurs among persons between ages 20 and 24. That is when young people leave home to find jobs, get married and set up households of their own.

Operation Redball Underway Here

The Loudon Jaycettes and the Loudon Fire Department have launched "Operation Red Ball" to give added protection to invalids, handicapped persons and children who might be fire victims.

Here is how it works: A Red Ball decal (four inches in diameter and made of vinyl, pressure-sensitive material) is placed on the inside of the person's bedroom window. One Red Ball is displayed for each person. In the event of fire, the Red Ball pinpoints the children and invalids location for firemen so they can evacuate those rooms first. The emblems may be picked up at the fire department at no cost.

Your County In Action

BY HARVEY L. SPROUL

LOUDON COUNTY JUDGE

I have intended for several months now to discuss some of the interesting changes indicated by a study made in Loudon County in reference to the 1970 census.

There are some very interesting facts and statistics indicated in a study made by the Department of Agricultural Economics of the University of Tennessee.

One of the main indicators shown in the analysis by U. T. is that our youth are being dispersed. During the period between 1960 to 1970 the population increase in Loudon County was just over 300 people.

However, in the same period of time the excess of births over deaths was more than three times that amount, which indicates that we have a very strong out-migration from Loudon County during that period, and the study indicates that the persons who out-migrated were principally those young people who were between the ages of 20 to 34 years of age.

On the other hand, we had more migration between the ages of 35 to 44. The conclusion on this point was that the opportunities for "work with a promise" and requiring higher education have been apparently very limited in Loudon County.

Female Problem

One of the interesting disappointments to the females of our County I suppose will be the fact that the out-migration of males during the 1960's was somewhat greater than that of the females.

The study then states that the type of thing I would be more attractive to bachelors but possibly somewhat less attractive to the possibilities of women finding a suitable mate.

In 1970 the average household-size in Loudon County was 2.1. This is supposed to have possibly resulted because of the out-migration of large families, and the decrease in the fertility ratio.

Broken Homes

The study further shows that Loudon County is following the trend found in the rest of the State in that there was an increase in the

Weekend Revival

Weekend revival services will be held at Glenock Baptist Church, October 27-29 with Rev. Bill Webb, pastor, as speaker. Services begin each evening at 7:30 p.m. The pastor invites everyone to attend.

Federation Meets

The Fourth District of Tennessee Federation of Garden Clubs met October 5 at UT Plant Science Building. The following attended: Mrs. McCone George, Mrs. D. K. George, Mrs. Graham Johnson and Mrs. Jack Shope.

Schools To Observe Education Week

The Loudon County public schools will observe American Education Week, October 22-28. The observation theme will be "Make Education Top Priority."
American Education week has been observed annually since 1921 to encourage local citizens support and active participation in the improvement of education. This year's program will stress the importance of giving education the priority it deserves both in funding and citizen concern.
Sponsors of the nationwide event are the National Education Association, The American Legion, the National Congress of Parents and Teachers, and the U.S. Office of Education.

The Loudon County Teachers Association expressed the hope that parents will take this opportunity to visit the schools in their community.

Thornburg At Camp Lejeune

Marine Staff Sergeant James E. Thornburg, son of Mrs. Lillie H. Thornburg of Route 4, Loudon, has reported for duty at the Marine Corps Base, Camp Lejeune, N.C.

Retired Teachers To Hear Vance

The Lenoir City-Loudon County Retired Teachers Association will meet October 26 at 1 p.m. at the Presbyterian Church at Loudon. Mr. Vance plans to meet with the group. Miss Ada Griffiths, Secretary, urges everyone to attend.

Greenback Stages Homecoming Grid Fight With Charleston

Speaking of Sports

By DANNY GIBSON
Sports Editor

Friday the 13th and all that kind of stuff can be tacked to the Lenoir City-Kingston game Friday night at Lenoir City. A game of unbeatens, won handily by Kingston 35-7. Only I fail to view the results that way.

I believe much in how the song, made famous by Jerry Reed, that says "When Your Hot Your Hot and If Your Not Your Not".

Kingston's Hubert Cantrell was definitely hot, in fact I saw him leave the field by way of teammates carrying him off to the dressing room and the kid was perspiring so heavily, had he not been minus his helmet he might have drowned. The exhibition turned in by the Kingston running back is certainly a feat one reads about in books or sees on the tube on the late movie.

Cantrell had a phenomenal 255 yards of rushing with touchdown runs of 79, 40, 80, and 36 yards to his credit. He normally is a straight line defensive ace for the Kingston team handling the chores of a free safety with the best in the area, but offense is not his game. Cantrell was in on nine individual tackles and had eight assists to combine with two interceptions.

The once in a lifetime performance could not have been better suited for the Kingston team, who was playing without their ace running back Randy Brown, out with a broken wrist suffered in a tag football game.

The two Region II powers will meet again on November 17 and, while the Yellow Jackets may be the superior team on the basis of Friday night's showing, Kingston had eight first downs, Lenoir City likewise, Lenoir City had 103 yards rushing, Kingston had 102 yards and Cantrell had 355. I expect the Panthers to be a little more active than they were at times Friday night. All of the heroics by Cantrell came on runs to the left side of the Panther line. Not saying the line let down as it did not. The Lenoir City line is equal to any in the state, but is not an overly quick unit.

They have not had to practice follow up pursuit in stopping ball carriers of their first six opponents. The Panther secondary on the left side failed to attack the ball carriers with any savagness and thus the tender tackling efforts cost the Panthers the game and prompted the play of Cantrell. The Kingston ball carrier was hit on every one of his touchdowns but the lack of team "gang" tackling enabled the agile back to keep on his feet.

A more saddened blow than the loss for the Panthers was the injury to Tommy Cook. Cook suffered a broken collar bone in a valiant effort to carry the ball and get Lenoir City back in the game. The injury is a fast knitting break that could find him back on a limited basis should the Lenoir City team avenge their lone season loss and advance into the playoffs.

Mike McConkey, a sophomore with plenty of talent and potential, steps into Cook's shoes and will have the task of gearing the Panther offense to his tempo. McConkey shows signs of becoming a feared passer, but the Lenoir City attack has been mostly a ground operation up until this time. Whether the change over can be made without complication and offensive stall is a question to be answered in the weeks ahead.

Loudon will be in line to regain some of its lost football heritage Friday night at Dukes Field. The winless Redskins lost unbeaten Maryville. The Red Rebels are the host of "AA" football this fall with little doubt being given to their chances at coping the state crown, but a Loudon upset would really send the wire services reeling along with the Blount County Johnny Rebs.

Greenback finally decided to put things together like they should have done at the start of the season. The Cherokees have been virtually struck from the Region One and Foothills Conference title races but an impressive season can be posted with continued team play as showed in Friday night's victory over Townsend. The Greenback line really landed some licks and the defense played with iron will determination that an outstanding team always has.

SLOW MOVING—Lenoir City's Donnie Stamey found the Panther running game a trifle slow as Kingston defenders made a habit of clinging to the Lenoir City ball carriers. The Lenoir City team fell to the defending Region II Champs 35-7.

Friday the 13th cost the Loudon County football fans their last undefeated eleven as Lenoir City stumbled to the tune of 35-7 by a rugged Kingston team.

The Panthers will be back on the football scene this week with a visit to Rockwood. The Tigers' season has not been all that impressive and the Panthers should heal a lot of their wounds with a sound verdict over the Rockwood team. The Tigers may make more of a game of it than expected since Lenoir City will be operating with a new

Cleveland's Second Half Play Overpowers Loudon 35-7

Loudon traveled to Cleveland Friday night in what many expected to be a nip and tuck football game based on past meetings of the two "AA" teams. The favored Red Raiders proved their pregame superiority by turning back the Redskins 35-7.

Loudon opened the game with a fast offensive tempo. Danny Russell returned the kickoff 19 yards and quarterback John Lovelace ripped off 11 yards on the first offensive play from scrimmage for a first down. A fumble for a loss of eight yards and an incomplete pass set the stage for an eventual fourth down punt.

Cleveland wasted little time in covering 74 yards on seven plays to take a 7-0 lead with 6:50 remaining in the first stanza.

Loudon failed to generate any offense after the score and kickoff, but a 49 yard punt by Guider had the Loudon defense ready to go to work. The Red Raiders swapped punts again before hitting pay dirt for a second time 10 seconds into the second quarter. Cleveland fielded a 37 yard punt by Loudon at mid-field and used only two plays in accounting for the score off a 41 yard run.

Loudon got its offense ironed out and lumbered down the field on a 75 yard march.

Loudon averaged over 18 yards per kickoff returned in the Cleveland game Friday night. Danny Russell returned this kick 17 yards in the first quarter, after crumpling a would-be Cleveland tackler. Donnie Queen (11) teams with Russell as the Redskins kick and punt return specialists.

The Loudon's defense became inspired over the offensive savvy and stopped the Red Raiders in four quick tries from scrimmage. Loudon got the ball and were fired up when a lost fumble

KICKOFF RETURN—Loudon averaged over 18 yards per kickoff returned in the Cleveland game Friday night. Danny Russell returned this kick 17 yards in the first quarter, after crumpling a would-be Cleveland tackler. Donnie Queen (11) teams with Russell as the Redskins kick and punt return specialists.

Maryville and the Rebels are tough. A lone tie to Kingston is the only bad mark on the Maryville season thus far and the Redskins will have to have a tremendous game effort from start to finish to stay in

would or will have trouble playing on even terms with. Despite being winless the game this week. The Maryville team is probably the lone team that Loudon has faced this year that they

young Redskin team has had its moments and take away a pile of mistakes, Loudon's Big Red Machine might not be as low as they are being billed. Thus what is picked to be a breather for the Blount County team might be a scalping by

surprise. The Friday night kickoff will tell the tale. Greenback will be honoring homecoming this week with a game against Charleston. The Panthers will enter the game fresh from a 28-20 tie with Friendsville and this alone proves the Bradley County school is capable of scoring and playing good football. The Cherokees are a touchdown favorite and will have to work to equal their play last week and give the alumni something to be proud of. Kickoff is set for 7:30 with homecoming ceremonies at the hall.

stepped the Redskin Express. Loudon again held the Cleveland offense in check scoring drives of over 50 yards pass from Lovelace to Steve Kiser when a fumble and 30 yards in penalties put the Redskins in the hole once more.

A desperation pass fell in the arms of a Cleveland defensive back and returned 27 yards for a touchdown and the once contending Redskins dropped from the comeback trail with the start of the fourth quarter. Cleveland put together a seven play drive from a vigorous rushing attack midway of the fourth period to account for their final points of the night and a 35-7 score.

The Redskins fashioned only an average for the Red Raider clash with the defense playing ahead of the offense despite yielding three Cleveland scoring drives of over 50 yards. Loudon's offense was carried much on the individual rushing of Guider, who had 88 yards of total offense and John Deatridge with 25 yards on six tries from scrimmage.

Cherokees Tame

46-6 S

The Greenback are back on the field in the football. The Cherokees rolled 66 triumphing 9-0 Friday night. The season record to Tony Langflier scoring chief for with three touchdowns. Townsend opened evenly matched roaring drive into territory, only to Kyker intercept return it 64 yards. Townsend set up a 47 yards. The Tigers gave the defensive effort by preventing Cherokees' extra point end zone for a touchdown. Townsend again offense in gear. Kyker scored a pair of touchdowns in 17 minutes and with 7:30 left in the first quarter Tony jugged four yards to touchdown of the Hammontrée kick point.

An extended Cherokees at the second highlighted by screen pass to mounree set up touchdown of the Langflier slyly the three yards Hammontrée again on the extra point.

Greenback expected break after Townsend fumble offensive play. Langflier scored up at the 25 yard line for pay drive. Townsend attempt slyly.

With 1:25 left Langflier again a loose fumble Cherokees were in

Cherokee Uprising Tames Tigers With 46-6 Showing

The Greenback Cherokees are back on the winning path in football. The unpredictable Cherokees rolled to an easy 46-6 trouncing of Townsend Friday night to run their season record to 4-3.

Tony Linginfelner was the scoring chief for the contest with three touchdowns for Greenback. Townsend opened the near evenly matched game with a roaring drive into Greenback territory, only to have Bill Joe Kyker intercept a pass and return it 64 yards to the Townsend 23 yard line. The Tigers gave their greatest defensive effort of the game by preventing the Cherokees entrance to the end zone for a touchdown.

Townsend again got its offense in gear only to have Kyker steal a pass and return it 47 yards. The Cherokees were not to be stopped this time and with 7:56 left in the first quarter Tony Linginfelner jogged four yards for the first touchdown of the night. Tim Hammontree kicked the extra point.

An extended drive by the Cherokees at the 2:49 mark of the second quarter, highlighted by a 36 yard screen pass to Tim Hammontree set up the second touchdown of the night. Tony Linginfelner slipped in from the three yard line and Hammontree again was good on the extra point kick.

Greenback got an unexpected break after the kickoff. Greenback fumbled on the first offensive play and Tony Linginfelner scooped the ball up at the 35 yard line and raced for pay dirt. The conversion attempt was no good.

With 1:25 left in the half Linginfelner again pounced on a loose fumble and the Cherokees were in business at the Tiger 40 yard line. A first down pass to Larry Ribley caught the Townsend defense flat footed and the swift senior split end dashed 40 yards for the final score of the half with a 27-0 advantage at the half.

Joe Major capped the half with a pass interception and ran back which appeared to be another touchdown but a clipping penalty wiped out the scoring play from the books.

Greenback continued to roll on all cylinders as the second half struck up. The Cherokees used but two minutes of the third quarter to march to the Townsend 40 yard line.

receiver to cough up the pigskin. Townsend got the ball back on a fumble some 46 seconds later at the Cherokee 24 yard line.

Mike Belcher got the ball back for Greenback at the 21 yard line and the Cherokees drove to the Townsend 40 yard line before losing the ball on a fumble.

Townsend made its final effort of the night to reach the Greenback end zone on a pass play. The maneuver proved a success as the play was good for 60 yards and pay dirt for the Tigers. The clock showed two minutes and 12 seconds left in the grid battle as the Tigers missed the extra point conversion and the game was quick to become history.

The Cherokees were outstanding in posting their fourth win of the season. The Greenback offense used a combine running and passing attack which saw Tony Linginfelner hit on eight of eight passes before leaving in the second half with a bruised arm injury. Joe Major took over the field controls and added two Cherokee scores to give the Cherokee fans a going home treat.

Defensively the Cherokees played their second top game of the season cutting off the state's seventh leading scorer Jerry Myers from ever seeing the field.

LOST PANTHER—Lenoir City's quarterback Tommy Cook, who was lost for the season with a broken collar bone Friday night, shakes off a would-be tackler in returning a first half punt by the Kingston team. He is the team captain, quarterback, punt and kickoff specialists, punter, and occasional running back and split receiver.

receiver to cough up the pigskin. Townsend got the ball back on a fumble some 46 seconds later at the Cherokee 24 yard line. Mike Belcher got the ball back for Greenback at the 21 yard line and the Cherokees drove to the Townsend 40 yard line before losing the ball on a fumble. Townsend made its final effort of the night to reach the Greenback end zone on a pass play. The maneuver proved a success as the play was good for 60 yards and pay dirt for the Tigers. The clock showed two minutes and 12 seconds left in the grid battle as the Tigers missed the extra point conversion and the game was quick to become history.

UT ALL AMERICANS—A halftime surprise to the Kingston-Lenoir City football game Friday night was the presentation of the pass, punt, and kick trophies to the Lenoir City winners. Making the presentations were former University of Tennessee All American fullback Curt Wulson (right) and All American and Olympian gold medal winner, swimmer Dave Edgar (left).

Kingston Regains Region Leadership Cantrell Led Yellow Jackets Apply 35-7 Defeat On Lenoir City

The Kingston Yellow Jackets playing without highly touted running back Randy Brown, dug into their bag of tricks to pull a rabbit out of their hat in the form of a defensive back Hubert Cantrell Friday to hand previously unbeaten Lenoir City a 35-7 defeat.

Cantrell, who had carried the football only 19 times this season for a total of 95 yards, became a perfected superstar on eight offensive carries for four touchdowns and a phenomenal 235 yards of offense. He also joined in on 15 tackles and intercepted two passes. The outstanding individual fete, which is assured to bring the Roanoke County player laurels in the way of state recognition, caught the Panthers in a daze and remained in their first loss this season.

Kingston fumbled the ball on the first play from scrimmage and Tony Long was "Johnny on the spot" to recover for the Panthers. The heads of a list of four contenders, Cantrell, Kingsport and Elizabethton, also were prominent in the picture.

Top two finishers in each region across the state clash Nov. 17 to determine qualifiers for the final playoff series. Unfortunately, Knoxville's West Tennessee Cinderella team is all but out of contention. The Hets play only a 96-point schedule, and it appears at least 90 will be needed to make the grade. West, coming back strong after a winless 1971 season, was tied by Knoxville 92 in its debut this year, and that takes away more points.

Knoxville Central (7-0) has three games remaining, and if the Bobcats could win them all, a playoff position will be assured. Bristol (7-0) and Kingsport (6-0) clash Oct. 26 and that game will narrow the field further. Bristol is heavily favored to repeat as state Class AAA champion. The Vikings now have won 19 straight games.

Elizabethton (5-1) has lost only to Tennessee High, but the Cyclones have a chance to qualify if they win their remaining games and two of the present unbeaten slip somewhere along the line.

Leading threats in Region 2 Class AAA are Sparta and Franklin County. It's close in the Region 1 AA race. Maryville is regarded as the front-runner with Ketchon, Church Hill, Hampton and Knoxville Hills still contending. Kingston, which trailed previously unbeaten Lenoir City, 35-7, will meet the Panthers again in the regional playoff.

Hampton, with three Class A schools on its schedule, must finish unbeaten to remain a challenger. On the Class A scene in East Tennessee, all championship speculation starts with tough Sweetwater. The Wildcats, after their second straight state crown, are likely to meet Blodgett County of Pikeville in the Region 2 title game. Maury of Dandridge and Jacksboro lead the Region 1 field.

The TSSAA does not set game sites until participating teams have been determined, but there appears a strong possibility Neyland Stadium will be the site of at least one contest in the post-season series. Loudon's Dukes Field will also boom as a "A" or "AA" playoff site.

After regional representatives have been determined, the first-round pairings in all classes will match Region 1 against 3 (Middle Tennessee) and Region 2 against 4 (West Tennessee). Games are scheduled Nov. 24 and Dec. 1.

final Kingston score came on a 13 yard pass play to register the final count at 35-7. Lenoir City had but two offensive surges after their first quarter success. A 56 yard kickoff return by Tommy Cook that had the Yellow Jackets in hot pursuit fell short of a touchdown when the last Kingston defender made a shoe string tackle. The Kingston defense was in the end to preserve a 21-7 score at the time.

Lenoir City took the fight into the second half with a blocked punt by Mike Hooks. The Panthers could have had an easy touchdown had they not been in such a hurry to pick the ball up. The ball was finally fell on at the Kingston 20 yard line and a pass interception by Cantrell ended the scoring threat.

The Panthers, while losing the game, also lost the services of Tommy Cook, their versatile captain. The senior back suffered a broken collar bone in the fading minutes of the third quarter when it became necessary to use Cook's speed and ball carrying talents as a running back rather than a field general.

Mike Walker also suffered a fracture of his wrist in the game, but is expected to be able to play in the Rockwood game with a plastic cast if needed. Walker paced the Lenoir City offense which matched the Kingston offense in first downs, eight, but failed to feature a running back like Cantrell. Mike had 94 yards on 15 carries. Don Stamey, who led Lenoir City in tackles with nine, had 24 yards of rushing and 11 yards passing on 10 carries and one pass reception.

Tim Galyon and Mike Hooks had outstanding defensive nights but the lack of tenacity on the part of the Panthers proved to be a fatal mistake as the game was recorded as history.

Football Season Headed For December Showdown

heads a list of four contenders, Cantrell, Kingsport and Elizabethton, also were prominent in the picture. Top two finishers in each region across the state clash Nov. 17 to determine qualifiers for the final playoff series. Sunday Race Scheduled At Atomic Raceway

The first fall race of the season is scheduled Sunday at Atomic Speedway—the South's fastest third-mile dirt oval. With the move to afternoon competition, track owner Bob Martin anticipates the finest field of automobiles to date.

"We're the only track still running weekly in East Tennessee and North Georgia," said Martin. "Because of this I feel all the top drivers will be here. It should be a real show for area fans."

Headlining the program will be a 60-lapper for late model sportsman cars. The racing begins at 2:30. Also on the menu are as many as four heats and a semi-feature for the sportsman machines and a 20-lap run for hobby cars.

The winner of the sportsman feature will earn \$600.

Several Chattanooga-area drivers are expected to be on hand. These include Jerry Meadows (Camaro), Joe Lee Johnson (Chevelle) and Snooks De'oor (Mustang). Chevy II drivers have dominated the action at the speedway this season. Track champion Herman Goddard, H.E. Vineyard, Clay Kelly and Tex Gibson are among the front-running Chevy II pilots.

Sunday afternoon racing will be continued at the track as long as weather permits "or as long as fans are interested in watching some of the best racing in the Southeast," said Martin.

Heading the hobby field will be Jerry Vineyard, Monk White and David Leath.

The speedway is located east of Kingston on I-40 at the Melton Hill exit.

TOO MANY REDSKINS—Loudon's defensive corps led by Jackie Fickey and John Colvin put a harness on this Cleveland ball carrier. Loudon lost the battle of Region II teams 35-7 on the Blue Raiders home field. Loudon enters Maryville Friday night.

Loudon Indians Whip Harriman For Fifth Win

The Indians slipped by a tough Harriman team Saturday night by the score of 14-6.

Loudon received the kick-off on their own 43 yard line. Watkins gained 6 yards and Purdy picked up five yards and a first down on the Harriman 46 yard line. Estes passed to Black for 41 yards to the Harriman five yard line. Black made a great catch with a Harriman player hanging on his arm. Starrett carried in for the touchdowns behind the blocks of Watkins and Stewart. Estes passed to Greer for the extra points. The Indian defense with Greer, Fields, Starrett, Johnson, Paul Watkins, Steve Watkins, West and Black led the defense in an outstanding game. The Indians travel to Sweetwater October 21 in quest of the sixth straight win.

Cornett Farm Hit By Fire For Fourth Time

Henry Cornett, who lives with his wife on their nine-acre small farm on Lindsey Road between White Wing and Williams Ferry Roads, is convinced there is a fire-bug in his community.

And he cites no fewer than four fires over the past 18 months on his property to support his contention.

The most recent fire occurred about 2 a.m. Sunday, Oct. 15, when the barn, located close to his house, "exploded" into a fire and burned to the ground.

Before that:

Aug. 16, 1972 — Mrs. Cornett awoke about 2:50 a.m. strangled from smoke. She roused her husband and they rushed to open windows and doors to let the smoke out. Rushing outside, they searched to find the source of the smoke and discovered a burning pile of material under the floor immediately beneath the bathroom.

June, 1972 — Mr. Cornett's son, James, had just moved a trailer onto the property, on Saturday. It burned Sunday night, taking with it all the furnishings, including \$300 to \$400 of new furniture he had just added.

April, 1971 — A four-room house, full of antique furniture, but with no one living in it, burned to the ground. "I know who did it," Mr. Cornett said, "but I can't prove it yet."

Deputy Fire Marshall Marzan Nigler went to the scene of Sunday night's fire which burned the barn. He told Mr. Cornett it looked like arson.

Mr. Cornett said neither he nor his wife had gotten a full night's sleep since the first fire 18 months ago. Sunday night, he said he and Mrs. Cornett had taken turns staying up to watch for possible arson against their home. "I had just laid down," he said, "and I heard the dog barking and got up to see what it was but I didn't find anything. I laid down again and heard the dog barking again. When I looked out toward the barn I saw a thin whip of smoke coming from the building and I saw the bulb of a man running away. I went for my rifle and there was this loud explosion that sounded like a stick of dynamite and blew the roof off the barn. The whole thing burst into flames. It was bright enough you could pick up a pin anywhere in the house."

Loudon County Rescue Squad fire truck rushed to the scene but the barn, which had been engulfed in flame immediately after the explosion, was beyond saving. However, they wet down the house to keep it from catching.

Mr. Cornett, who had been spraying water on the house from the time the fire started, said if the wind had not shifted, the house would have caught, too.

He estimated the loss at more than \$200, in addition to the building. Contents included a new lawn mower, a new garden tiller, a new wheel barrow and several hand tools. In addition, there were several used appliances and pieces of antique furniture, he said. "There were two kitchen cabinets, one made by my partial to."

"The Rescue Squad was wonderful, and so were the neighbors," Mr. Cornett said.

Cherokee's Win

Kyker, Larry Ritchey, Rick Radder, Danny Evans, Joe Mainor, Gene Kimbell, and Tommy McNelly in spearheading the impressive team victory certainly shows what Coach Keith Bailey's troops are capable of doing weekly with almost any "A" division team.

The Tribe Speaks
BY LOUDON HIGH SCHOOL JOURNALISM CLASS
By Patt Gentry, Joyce Harrison, and Steve Rogers

Mrs. Ivens and her freshman Home Ec. class went on a field trip Oct. 5. They visited the White Lily Company and were each given samples of flour; they also visited the Dairy Council. Gennie Vaughn, and Deb Cook went as long as chaperones for the Home Ec. class.

The band traveled to Dalton, Georgia, October 7 to compete in the Governors Marching Festival and they received these honors. Drum Major-3, Majorettes-4, and Band-2. After awards were presented the band stayed overnight at the Sheraton Motor Inn and they started home returning

about 12.

The band also went to Chattanooga this past Saturday and competed in a contest. They received the following: Drum Major-2, Majorettes-2, Band-2, Color Guard-1. And everyone returned home with three Tee-Tommies.

The Juniors ordered their Senior rings Monday Oct. 2. The Senior Color picture which was scheduled at Friday Oct. 6, at 10:30 a.m. but was not taken until 2 p.m. that afternoon. It was taken on the steps at the front of the school.

Eating is no longer a matter of taste—today, every bite becomes a matter of cost.

Tie Breaker - Total Number Of Points
Scored By Both Teams in the Loudon Game _____

NAME _____

ADDRESS _____ CITY _____

CONTEST RULES

- Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
- Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
- All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
- Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Game and Fish TODAY

By Sgt. Bob Harmon
Game and Fish Commission

According to David Goodrich, Director of the Tennessee Game and Fish Commission, there have been various interpretations of Rules and Regulations 159 pertaining to the use of motorized vehicles on wildlife management areas.

Rules and Regulations 159 states that motor bikes and/or motorcycles may be operated only on graded, gravelled, or macadam surfaced roads or areas designated for such use. They are not to be operated on firebreaks, log roads, trails, utilities rights of way, foot trails, planted or sowed fields, or into the open woods.

Four-wheel vehicles are permitted on graded, gravelled macadam, log roads, firebreaks and motor vehicle trails that are not designated as closed.

Four-wheel vehicles will not be permitted to be operated on utility right of way, foot trails or sown or planted fields or off into the woods.

The U.S. Forest Service has adopted this regulation with a more liberal interpretation. The following is the policy of the U.S. Forest Service and will apply to all of the Cherokee National Forest, Tellico and Ocoee units included.

From September 1, 1972 to January 1, 1973 all off-road vehicles will be prohibited from going through open woods, fields, power line right-of-ways or other roadless areas in the Cherokee National Forest. All vehicular traffic will be restricted to existing roads and trails. Vehicles will be prohibited from travelling any road or trail marked closed to vehicles.

Cop Price of U.S. Forest Service further states that no motorbike or motorcycle or four-wheel vehicle will be permitted to travel through designated recreational areas or on skid roads that have been sown or planted for food for wildlife. These roads will be marked with a small yellow metal sign stating "Road Closed."

CHEROKEE LAKE
Water conditions - murky in upper end; clear in lower end.
Bass - good in lower half on black and purple worms early morning and late evening. Also good at night on bush wackers and hell divers with pork chunks attached, around rocky points and sunken islands. Rockfish and hybrid - good below John Sevier Steam Plant on large bucktail flies. Also, trolling deep running lures around points, and 13. Crappie fair on minnows 12 to 15 feet deep around brush sites.

NORRIS LAKE
Water conditions - murky and rising.
Bass - fair on large minnows of rocky points and casting purple worms at night. Bluegill - good on worms and crickets. Catfish - fair on large minnows.

NORRIS TAILWATER
Trout - good on corn flies and worms.

FT. LOUDON LAKE
Water conditions - lower end clear and fluctuating; upper end muddy.

Bass - good in jumps on spoons, shysters and flat fish. Stripes - good on spoons and shysters. Bluegill - good on worms and crickets. Catfish - good on shad minnows and cut bait.

DOUGLAS LAKE
Water conditions - muddy in upper end, clear in lower end.
Bass - very good on artificial worms off points; also trolling deep running lures. Sauger - good on deep running lures trolling very fast; also still fishing with minnows near mouth of creeks.

WATTS BAR LAKE
Water conditions - clear and falling.
Bass - fair on minnows. Crappie - fair on minnows around brush piles. Bluegill - good on worms and crickets. Catfish - good on trotlines using cut bait.

MELTON HILL LAKE
Water conditions - clear and falling.
Bass - fair on minnows; Bream - good on worms and crickets. Crappie - fair on minnows around brushpiles.

CHILHOWEE LAKE
Water conditions - clear and fluctuating.
Bass - fair on lizards, deep. Trout - good on corn, worms at night. Bream - good on worms and popping bugs.

LITTLE TENNESSEE RIVER
Trout very good on spinners, rebel lures and corn.

Squirrel hunting is still good. Grouse hunting is good, especially on the high ridges in Union, Campbell County and Anderson County.

Deer - archery season is open in Zone 1, through November 3, 1972, except Hancock, Claiborne, and Hawkins counties - October 7 through Oct. 13, 1972.

Oon and opossum opens October 13, 1972 at sunset and closes January 31, 1973, with a limit of one per person per night.

The middle season of dove hunting opens October 14 at 12 noon and closes October 29, 1972.

Q. If I go on the statewide deer archery hunt can I carry a gun and kill some squirrels or grouse?
A. It shall be unlawful for any person hunting with a bow and arrow to be in possession of any firearms or being accompanied by any person possessing firearms.

Q. What size shot or gun can I hunt small game on the Cherokee Wildlife Management Area?
A. You can use only 22 rifles and shotguns with number 5 shot or smaller.

Ross, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise, their claims will be forever barred.
This October 3, 1972.
Blanche Ross Wood, Executrix of the Estate of Mae E. Ross, deceased.

NOTICE OF SALE OF REAL ESTATE
WHEREAS, on the 12th day of October, 1971, by deed of trust recorded in the Register's Office for Loudon County, Tennessee, in Trust Book 121, page 419, Charles Martin Johnson, Jr., and wife, Mildred Smith Johnson, personally to Ernest P. Schumacher, Trustee, the hereinafter described real estate to secure a note in the sum of \$14,700.00; due and payable in monthly installments of \$97.50 each, commencing on the 1st day of December, 1971, and on the first day of each month thereafter until the principal and interest are fully paid, except that the final payment of principal and interest, not sooner paid, shall be due and payable on the first day of November, 2001.
Default has been made in the payment of said indebtedness and other

provisions of the deed of trust have been violated, the holder of said indebtedness has declared the amount due and payable as provided in said deed of trust, and the Substitute Trustee has been directed to foreclose the deed of trust in accordance with the terms thereof, the public is hereby notified that the undersigned Substitute Trustee will sell the hereinafter described real estate at public auction to the highest and best bidder, for cash in hand in front of the Courthouse door in Loudon, Loudon County, Tennessee, on the 1st day of November, 1972, at 11:30 a.m.
The said real estate to be sold is located in the 5th Civil District of Loudon County, Tennessee, and more particularly described as being

Lot No. 40 of the Pleasant Hill Homes Subdivision, as shown by survey of R.W. Sweeney, Jr., Surveyor, dated August 5, 1971, and being more particularly described as follows: BEGINNING on an iron pin in the West right of way line of Outer Drive, at a point approximately 380.3 feet from the Northeast right of way line of Elms Road; thence with Lot No. 41, North 78 deg. 41 min. East, 226.8 feet to an iron pin in the line of Lot No. 39, corner to Lot No. 41; thence with Lots Nos. 39 and 27, North 20 deg. 19 min. East 100 feet to an iron pin corner to Lot No. 38; thence with Lot No. 38, North 66 deg. 06 min. East 108.5 feet to an iron pin in the West right of way line of Outer Drive; thence with Outer Drive in a Southerly direction to a curve to the right bearing a radius of 229.6 feet a distance of 100.9 feet; thence continuing with Outer Drive, South 12 deg. 13 min. West 48.9 feet to the point of BEGINNING, said premises being improved with a dwelling.
BEING the same property conveyed to Charles Martin Johnson, Jr., and wife, Mildred Smith Johnson, by deed dated October 6, 1971, from John H. Wallin (Single) recorded in Deed Book 105, page 96, Register's Office of Loudon County, Tennessee.
This the 9th day of October, 1972.
Edwin H. Arnold, Substitute Trustee.

ATTEND CHURCH EVERY WEEK

A Letter From Daddy
The letter to a boy and a girl, to show the family how the Bible will help them in their lives.
We have a letter to a boy and a girl, to show the family how the Bible will help them in their lives. The letter is written in a simple, friendly way, and is full of interesting facts and stories. It is a letter that every child should have, and it is a letter that every parent should read to their children. It is a letter that will help them to understand the Bible, and it will help them to know that God loves them, and that He is always with them.

Baptist Church. The picture shows the roster of the boys from the church who were serving their Country. Many are the familiar names upon this recognition board.

Another picture we have this week is of an old car. What kind, we don't know. But the lady standing beside the old car attired in old time outfit is Mrs. Lawrence P. Kerley of Lenoir City. Her husband, Boogie, is about the best authority on Vintage cars we

know of. He has quite a few of his own to prove it. In recent weeks, we have heard from several of our readers in the Greenback area. We greatly appreciate

this. If any of our readers over that way have pictures we could use in the Good Old Days, please let us know. We will arrange to get them. So let us hear from you in the Greenback area. Well, that's it for now. See you next week.

Barbecue To Honor Congressman

Congressman John J. Duncan and his family will be honored at a barbecue-reception on Tuesday, October 24 at the Knoxville civic Coliseum.

Persons from all nine counties of the Second Congressional District will attend the event to meet and talk with the Duncan family, according to Richard Stair, District Chairman.

The event is scheduled for 5:15 to 7:30 p.m. and persons wish Stair said, pointing out that this is strictly a reception and there will be no speeches. Continuous entertainment has been planned. Mr. Stair noted that "This is a great opportunity for people to come and visit John and his family." Everyone is invited to the reception. Approximately 12,000 people enjoyed barbecue and

meeting the Duncan family at a similar event in 1970. Representative Duncan has served the Second District for the past eight years and is now seeking election in this fifth term in Congress. The Second District Representative holds the distinction of possessing a near perfect attendance and voting record. Representative Duncan is currently serving on the House Ways and Means Committee.

our lives that has long ago passed from the scene. All things have taken a change with the passing years. Some, of course, have unduly gone greater change than others. One of our pictures this week possibly points this out better than any words we could choose to use and of course, as you look at this old picture you will recognize it as a basketball team. One that was Loudon's pride and joy 46 years ago. This is longer than a lot of our readers have lived. The year was 1926.

This picture is very interesting in several ways and to mention a few, it could very well have been Loudon High's first basketball team and most surely the first high school team to play in Loudon High's ultra modern gym. It was very modern in those days. If Loudon had a team before this, they played on an outdoor court. For prior to this time, as far as I know, Loudon didn't have a gym. The names of this team recall many memories for all of us who lived in Loudon in those years. Some of them are now deceased. Some still live in our area. These men were recognized athletes of those years. Of course, High School sports had not reached the level of interest they have today. But it was this early interest and devotion to their favorite sport that fanned the fires of interest until it started growing and is what it is today. A part of just about everybody's lives in one way or another.

We say hats off to this old basketball team of 1926. The team is composed of the following (tallied): Lee Griffiths; (front row, left to right) Earl Abbott, Gordon Harris, Frank Henderson, Kyle Kolbeck, (back row) Charlie Thomas, Johnny Grubb and Blair Harrison. Our many thanks to Frank Henderson of Philadelphia for the loan of this very interesting picture. Mr. Henderson was a member of this old Loudon High School team.

Several times we have had pictures of groups leaving for the service during World War II, having their picture made on the steps of the Loudon First Baptist Church.

Well, sometime back, one of the Webster twins gave us a picture which was made in the vestibule of the Loudon First

Many times in the preparation of the Good Old Days, we run across things that connect with other things and are able to paint a pretty good word picture of an era of

MY ONE VOTE DON'T COUNT— Loudon City Administrator Gary Hensley passed along the following information about the importance of one vote. We thought you might be as surprised as we at the one vote decisions by voters.

One vote DOES count.

One vote made Oliver Cromwell Lord Proctor of the Commonwealth.

One vote caused Charles I to be executed.

One vote decided that Americans speak English rather than German.

One vote kept Aaron Burr, later charged with treason, from becoming president.

One vote elected Marcus Morton Governor of Massachusetts.

One vote made Texas part of the United States.

One vote saved President Andrew Johnson from impeachment.

One vote changed France from a monarchy to a republic.

One vote admitted California, Idaho, Washington, and Oregon to the Union.

One vote elected Rutherford B. Hayes to the Presidency. And the man in the electoral college who cast that vote was an Indiana Congressman elected by one vote.

One vote made Adolph Hitler head of the Nazi Party.

One vote saved the selective service only 12 weeks before Pearl Harbor.

One vote put over a thousand students into a modern school.

Yes, one vote DOES count. And if you consider ten, a hundred, or a thousand votes, it screams a demand; for in our democracy, the people get the kind of government they deserve.

The Herald

Loudon County

VOLUME 87, ISSUE NUMBER 43 LOUDON, TENNESSEE, THURSDAY, OCTOBER 26, 1972 TEN CENTS PER COPY

HANDICAPPED CITIZEN OF YEAR—Miss Freida Young of Loudon is shown being presented a framed certificate for being named Loudon County's Handicapped Citizen of the Year. The presentation, made at the Loudon Lions Club meeting Thursday night, is being made by Robyn Walker, supervisor of vocational rehabilitation division of the State Department of Education. Standing behind Freida are her parents Mr. and Mrs. E.E. Young. Jack Lefler, Loudon County Chairman of the Governors' Committee on Hiring Handicapped and Mrs. Donna Sparger of the Vocational Rehabilitation office.

Freida Young, Polio Victim Is Handicapped Citizen Of Year

Freida Young, a polio victim at age two, has been named Loudon County's Handicapped Citizen of the Year. The presentation, made at the Loudon Lions Club meeting Thursday night, is being made by Robyn Walker, supervisor of the Vocational Rehabilitation division of the State Department of Education. Assisting were Mrs. Donna Sparger, vocation rehabilitation counselor and Jack Lefler, Loudon County Chairman of the Governor's Committee on Hiring the Handicapped.

The award is given annually to a handicapped person in Loudon County for their personal achievement in overcoming a disabling handicap. Mr. Lefler said that Miss Young's courage and personal achievement, even though she wears leg braces and has to use crutches earned her the award.

For 11 years of her public education Miss Young had a homebound teacher. During her senior year at Loudon High School she attended classes at the school in a wheelchair.

Autopsy Shows Early Died Of Drowning

The death of a Loudon man whose body was found Saturday, Oct. 14, in a well near Paint Rock has been ruled accidental drowning. Sheriff Freeman Russell said this week.

The body of Marion Early, 51, Rt. 1 Philadelphia, had been taken to Elmont Memorial Hospital in Maryville shortly after it was removed from the well where it was found. Sheriff Russell said that authorities at Elmont Memorial Hospital had notified County Coroner Dr. W.B.arrison that water was found in the lungs of the man and no other reasons for his death were found in the examination.

Friends of Early found his body in the well Saturday afternoon. The man had told friends he was going to get a gun out of the well that he had destroyed in it earlier. This was the preceding Friday. In addition to Early's body in the 25 foot well, that contained about four feet of water, authorities found an operating moonshine still. They confiscated the still and destroyed about 250 gallons of mash.

A rope with sticks as steps about every five feet were found leading from a tree into

Leg Removed From Cycle Wreck Victim

A 15-year-old Loudon youth lost a six week battle to keep his right leg. Surgeons last Monday removed Gary Beatty's right leg just below his knee at Fort Sanders Hospital.

Gary, son of Mr. and Mrs. James Beatty, Rt. 1 Loudon in the Prospect Community, had an accident on his motorcycle early in September near Loudon Junior High School as he was returning home from school at Loudon High School.

The youth has been hospitalized since that time. Once before doctors had scheduled him for surgery to remove the leg but delayed it in hopes the crushed leg might mend. Reports are that Gary is recovering well from the surgery and is expected to be released from the hospital this week.

LOUDON COLOR GUARD—Loudon High School Marching Band's color guard was given a superior rating at the Chattanooga Marching Festival last weekend. The Loudon band took part with over 50 bands from three states for the event. Members of the Loudon color guard are, left to right, front row, Joey Ruff, Debbie Smallen, Debbie Gibson, Edna Simpson, Heather M. Locke, Paula Green, captain of the color guard, Nancy Clinton, and Vivian Dunn. Second row, left to right, Kaye Harrison, Imogene Green, Sandy Muir, Vivian Watts, Martha Brown, Yarbber Harrison, Gloria Brown, Karen Jenkins, Beth Jenkins, Beth Galyon, Connie Moore, Michela Smith, co-captain of the color guard, and Tommy Russell. Not pictured are Sharon Hardy and Jewel.

Local Soldier Killed, Friend Hurt In Wreck

One young Glendale Community man was killed and a friend was injured Friday in Marietta, Ga., as the pair was returning home from Fort Benning, Ga., for homecoming at Greenback High School where they both graduated last June.

Dead is Kenneth M. "Kim" McNelly, 19, son of Mr. and Mrs. Jack McNelly of Glendale near Greenback. Injured was Kenny Keeble, 18, son of Mr. and Mrs. Kenneth Keeble also of Glendale.

The two men were traveling in the McNelly's car when the dead youth apparently lost control at an intersection where road construction was underway. McNelly died early Saturday in a Marietta hospital. Keeble was admitted to a Marietta hospital, but since been returned to his home recovering from chest and back injuries.

Both enlisted in the United States Army during the summer and were in Paratrooper Jump school at Fort Benning.

Funeral services for McNelly were held Monday at McCammon-Ammons Funeral Home Chapel in Maryville with Rev. Sam Patten and Rev. Walter Barton officiating. Burial was in Grandview Cemetery at Maryville.

The victim is survived by his parents, brother, Tommy Bobby, Randy and Chris; one sister, Jackie, all at home; grandparents, Mrs. Lloyd Petty Greenback and Mrs. W.R. McNelly of Greenback.

McNELLY

U-F Reaches 40 Percent

Loudon County's United Fund Drive is doing better but still not good enough, Campaign Chairman Jack Hill told U-F leaders at Monday's report meeting at the Twin Lanterns restaurant.

A total of \$11,308.35 in "new money" was reported to bring the total to \$18,875.18, approximately 40 percent of the \$47,500 goal in this year's campaign.

The money collected will go to support 15 agency members of the Loudon County United Fund.

New reports at Monday's meeting showed:

- Maremont Corp., \$1,000.
- Union Carbide, Loudon employees, \$1,256.50.
- Union Carbide, Loudon employees, \$500.
- Lenoir City businesses, \$528.
- Loudon businesses, \$330.
- Loudon residential, \$442.75.
- Clubs, \$1,000.
- Oak Ridge Union Carbide employees, \$7,096.

Sen. Baker, Other Top GOP Candidates Here For Rally

Loudon County Republicans are expecting some 500 persons to attend a \$3 a plate fund raising dinner and rally at Loudon High at Loudon High School this Friday night, Senator Howard Baker, candidate for re-election is slated to be the main speaker at the event.

Loudon County GOP Chairman Harry Wampler said tickets are still available for the dinner which will be served from 6:30 to 8 p.m. in the school cafeteria. The speaking program will follow in the school auditorium.

Senator Baker's speech is expected to revolve around the Republican efforts in the November 7 national elections.

In support of candidates from the Nixon-Agnew ticket down to the state legislative races, The Merry-makers, a well known Lenoir City singing group, will provide entertainment in the auditorium before the program.

M.G. Goodwin, Lenoir City attorney, and prominent local Republican will be master of ceremonies for the affair.

All candidates for area offices will be on the program. Senator Baker will be introduced by Congressman John Duncan, himself a candidate for re-election. Duncan is slated to be introduced by Public Service Commission candidate Tom Garland.

President Richard Nixon will be represented at the dinner by Lamar Alexander of Maryville, a former Nixon administrative assistant.

Invocation for the meeting will be given by Rev. Glenn Melton, Loudon County Baptist. A Association of Misionary County Trustee J.V. Schrimsher will lead the prayer to the flag.

Other Republican candidates on the program will be Carl O. Koella, of Maryville candidate for 8th Senatorial District seat in the State Senate; M.R. "Benny" Stanford, seeking re-election as State Representative from the 21st Representative District; and James A. Melton of Boone County seeking election to the new 36th Representative District in the State House of Representatives which includes portions of Loudon County.

Also present will be Ray E. Hill and Lester Williams seeking election as Constable of the 5th Civil District of Loudon County, the only local race on November ballot.

President of the P.T.S.A. Hamburgers, hot dogs and homemade chili will be served in the school cafeteria.

Mr. Bacon said the Festival is organized to provide fun for the entire family and will feature various games and events. He said the P.T.A. welcomes all who wish to attend.

City Calls Utility Building Purchase Final

Although the Tennessee Valley Authority has not given consent the City of Loudon has purchased for \$50,000 the Loudon Utilities Building and is now renting the building back to them for \$1200 a month.

For almost a year now the city has been attempting to reach an agreement with TVA for the purchase of the building, but TVA has declined to give their consent. City Administrator Gary Hensley said that as far as the city is concerned they have now purchased the building and the Utilities is paying the city rent.

The City has agreed that in the future they will build the Utilities a new building and lease it to them. At that time

Senate, PSC Races Enliven Election Here

The Nov. 7 election is less than two weeks away and local political observers say this is one of the quietest elections they have seen in

Jail, Prison Terms Given

Two men were sentenced to six months in jail in Loudon County Criminal Court Monday after entering a plea of guilty to a charge of attempt to commit a felony. The men, Franklin D. Snyder and Ronald E. Burnum, had been indicted on receiving and concealing charges.

An earlier trial ended in a mistrial.

Tommy Jones, entered a plea of guilty to a charge of breaking and entering in the third degree and was sentenced by Judge Lloyd McCluen to three to five years in prison. He was charged with breaking into Greenback Drug earlier this summer.

The trial of John A. Eastham charged with murder, said by State Troopers to have been the driver of the car involved in an accident where a Greenback service station operator was killed, has been rescheduled for November 2. The trial was postponed because Eastham recently suffered a stroke.

Criminal Court Clerk Billy Joe Akina reported.

James L. Jaymes and John Steven McKee were also to be tried this week on charges of hunting during closed season.

Brooks underwent major surgery in Maryville Bloont Memorial Hospital Tuesday and is

Scouts Honor Schrimsher

Mr. and Mrs. Bill House held a farewell party Monday night, October 23, at their home in honor of Mike Schrimsher, on behalf of Loudon's Scout Troop 215. Mike was presented a Certificate of Appreciation from the Great Smokey Mountain Council, Knoxville, for his scout work for the past two years. The theme for the party was Halloween and included apple dunking and a ghost story, complete with the grisly passing from one person to the other parts of a dismembered body. Mike will be leaving Thursday, October 26, for a tour of duty with the United States Army.

CERTIFICATE OF APPRECIATION-The Loudon Troop 215 Scoutmaster, Bill House, presents a certificate of appreciation to Mike Schrimsher, Assistant Scoutmaster for the past two years for dedicated scout work in Loudon with Troop 215. Mike is terminating his Scout work prior to entering the Army on October 26.

Provost-Thompson Vows Pledged

Mr. and Mrs. Paul Provost announce the marriage of their daughter, Marie Elizabeth, to Charles Eugene Thompson, Jr., son of the late Charles Eugene Thompson and Mrs. Zelma Mouts. The ceremony took place at the Nazarene Church with Rev. Clyde Davis officiating. The bride wore a gown of white satin and lace with a floor length veil. She carried a white Bible topped with blue and white carnations. Miss Rhonda Welch served as Maid of Honor. Best man was Jackie Thompson, brother of the groom. Following the wedding, a reception was held at the home of Mr. and Mrs. Carl Thompson, grandparents of the groom. Assisting with serving were Mrs. Joyce Conner, Judy Turner and Mrs. Aileen Kott. The bride attended Loudon High School. The groom just recently returned from a two year tour of duty with the US Navy. The couple will reside in Ringgold, Georgia where the groom is employed with Ceco Construction.

improving satisfactorily at her home on the Meadow Road. Mrs. Nora McCarter, who suffered a broken collar bone at the home of Mr. and Mrs. F.L. Peterson in Coosa, Fla. remains in the hospital in the Rock Lodge Hospital. Further x-rays show a broken pelvis bone. The Greenback Presbyterian women's Association met Thursday evening with Mrs. Alexander Gillander and the president Mrs. Eileen Anderson was in charge. The Bible study of the Book of James was led by Mrs. Jean Adams. Mrs. Robert Anderson Sr. reported on the District Meeting in Maryville. Mr. Melvin Butler, barber

at the I.G.A. building on 411 suffered a slipped disc at his home here Friday and is in Sweetwater hospital for treatment. Mr. and Mrs. Charles Henry and family and Mrs. Ruby Henry and Miss Bonnie Presnell are in Monroe, Mich. the guests of Mr. and Mrs. Rennie Cole (Patricia Henry). Mrs. Alexander Gillander expects to spend this weekend with Mr. and Mrs. Bruce Gillander and family in Macon, Ga. Bill Hall of Knoxville U.T. came after the U.T. Alabama game Saturday and visited over Sunday with his parents Mr. and Mrs. Ralph Hall. Mr. and Mrs. R.W. Bell are quite ill and feeble at their Jacksons Ferry Home.

Louise Mayne Wear of Loudon went this week to spend the winter in her Dayton Beach Florida home. Mrs. Gary Fippe has news that her husband of the U.S. Army in Germany suffered a face injury three weeks ago, but is improving satisfactorily and expects to return home within ten days. Mr. and Mrs. John M. Hutton; Mr. and Mrs. Elbert Montgomery; Mr. and Mrs. Fred Fippe; Mrs. Ralph Hall; Mr. and Mrs. Oscar Elam; Mr. and Mrs. J.G. Hudson were among those who visited the J.L. Seaton family at the McCamman funeral home Friday evening. Miss Linda Cabe of the Knoxville U.T. Hospital spent the first of the week here with her parents, Mr. and Mrs. Coy Cabe. Mr. Fred Fippe talked with his sister Mrs. Kern Everett in Columbus, Ohio Wednesday and Mr. Everett, who has been ill for a long while is not improving.

Races Enliven Election Here

(Continued from Page 1)

portion of Monroe. M. F. "Benny" Stafford, Republican nominee for the 21st Representative District seat in the State House of Representatives is unopposed. Loudon Countians in the fourth civil district and some in the fifth district will be voting on a Representative in the 32d state district. There are three candidates in that race. They are Jack D. Elkins of the American Party, Democrat Wayne W. Humphrey and Republican James A. Melton. All three are from Roane County.

Voters in the fifth district will also elect a constable for the district in a special election on the ballot. There

Ray E. Houk and Lester Williams are candidates. The special election is being held to fill a vacancy left when the man elected in the August County General Election refused to take office.

Shower Honors

Susan Simpson

Miss Susan Simpson, bride-elect of Dave Watson, was honored with a miscellaneous shower, Thursday, October 19, at the home of Mrs. Herman Monroe. Co-hostess was Mrs. Clarence Roy of Sweetwater. A green and white color theme was used.

Barbecue Sunday To Aid Eaton Ruritan Park Effort

A ball park, picnic tables, a basketball court and a tot lot with slides, swings and toy rides are only part of the many recreational facilities awaiting Loudon County residents if a grant for a park at Eaton Crossroad is approved by the U.S. Department of Housing and Urban Development (HUD).

Called the Ruritan Park after the Eaton Crossroad Ruritan Club which has spent long hours and much preparation getting the project underway, the proposed park will sit on a 7 1/2 acre site and will cost approximately \$50,000.

An eight foot high cyclone fence costing about \$7,000 will

surround the planned park which will be, if the grant is approved, the first recreational facility for the area.

Paved road planned according to Jerry Park, president of the Eaton Crossroad Ruritan Club, plans are to pave Old Price Road

OBITUARY

Paul Lester Dailey, age 56, of 305 Clark Blvd., Murfreesboro, died Saturday, October 21, in Murfreesboro. He was a retired sheet metal worker. Member of Kingston Pike Baptist Church. Disabled World War II veteran and member of DAV, Murfreesboro. Member of Charles H. McKinley Masonic Lodge. Survivors include: wife, Iva Lee Hill Dailey; daughter, Mrs. Kathy Hutchins, Murfreesboro; son, Paul Jr., Murfreesboro; two grandchildren, Shannon Leigh Dailey, Margaret Angela Hutchins; sister, Mrs. Alva Arden, Lenoir City; two brothers, Ernest, Lenoir City, Earl, Muncie, Ind.

Funeral services were held Monday at Kingston Pike Baptist Church. Rev. George W. Spears officiated. Masonic graveside services at Loudon County Memorial Gardens.

leading to the park located one mile out Hickory Creek Road. "The park will be for the use of everyone in Loudon County and, of course, there will be no charge to anyone," Park said. "The Ruritan Club has been actively working on the project for two years."

"We bought the land five years ago and that got the ball rolling," he said.

"There is no limit to what we could do for the park if the people will just come out and

support it," he added. Physical labor is needed more than money if the grant is approved.

Future possibilities at the park include a horse ring and possibly tennis courts and a handball court.

"With the ball park in the present plans, we hope that a Little League baseball program will also be started," Park said.

Chicken barbecue set Money raised from the

Ruritan's annual chicken barbecue set for 11 a.m. to 2:30 p.m. on Sunday at the Eaton cafeteria will be used to help sponsor the park.

"Everyone is invited," he added, "and tickets may be obtained from any Ruritan Club member."

Assisting the Club in its application to HUD for the park funds has been the Tennessee State Planning Office community planner for Loudon County, Tom Platt.

Bob Clement

For Public Service Commissioner

Reasons Loudon Countians Should Vote For Bob Clement.

1. Bob Clement will bring the office of Public Service Commission to the people.
2. Bob Clement's campaign has already brought more activity in the present Public Service Commission with a 15 percent increase in complaints.
3. Bob Clement wants an East Tennessee Office of the Public Service Commission.
4. Bob Clement Wants and will ask for citizen participation in the Public Service Commission and will seek to organize regional citizen groups in this area.
5. Bob Clement pledges to hold public utility rates down to save you money but at the same time pledges to be fair with all utility firms.
6. Bob Clement guarantees that if he is elected on Nov. 7, the people of Tennessee will be able to reach him any day and they will get action.
7. Bob Clement signed a notarized statement pledging to serve the full six-year term of office if elected to the Commission. Something no other candidate has done.
8. Bob Clement will let the people of Tennessee know what the Public Service Commission can do for them.

Howard Baker Voted FOR The 1968 Gun Control Act

Ray Blanton Voted AGAINST It.

Ray Blanton opposes gun control because he believes it penalizes the honest, law-abiding citizen. And because statistics show the 1968 Gun Control legislation has failed to slow down the increase of crime.

Congressman Blanton now has a bill in Congress to repeal the 1968 act. In its place, he advocates a 10-year mandatory prison sentence for anyone convicted of using a gun to commit a felony.

Greenback, Loudon Frosh To Play In "Big Thursday" Grid Roundup

Speaking of Sports

By DANNY GIBSON
Sports Editor

Typing at random... Thursday night football appears to be the in thing for this week with the annual teacher's meeting holiday for students being this Friday. Eight of nine East Tennessee Unbeatens kept their record in tact this past weekend as Elizabethton weathered Kingsport Dobyns-Bennett's frantic 24-point fourth quarter and escaped with a 27-24 victory to knock the Indians from the unbeaten ranks in a battle of East Tennessee powers.

Meanwhile, seven of East Tennessee's other eight undefeated teams continued their winning ways, most of them with shutout victories.

—Bristol (8-0), the state's top rated team and winner of 20 in a row, coasted to a 43-0 win over Morristown East.

—Knoxville Central (8-0), the No. 2 prep team, blasted Newport 57-6.

—Sweetwater (7-0), registered an amazing 34 points in the first quarter and went on to crush Copper Basin 63-0.

—Maury (3-0), breezed past Lanier 27-0 for its seventh shutout of the season.

—Jacksboro (6-0-2), turned back Jellico 14-0.

—Kington (7-1), blanked Dayton 20-0.

—Maryville (6-0-1), held to a 7-0 halftime lead, rolled on to tromp Loudon 27-0.

—The eighth unbeaten team, Hampton, battled to a 0-0 tie with Lynn View.

The officiating in the Loudon, Lenoir City and UT-Alabama football games this past weekend were not what many scribes would call "home cooking". Loudon was the victim of several fouls which were not called and in one instance cost them a touchdown on a 85 yard punt return.

Lenoir City with its three yards and a cloud of dust offense ramming the fight to its every opponent had 85 yards stepped off against them in Tigerland at Rockwood. The Panthers escaped with a shaky 6-0 victory which was pretty flat without the inspirational fight charged into them weekly by Tommy Cook. Nevertheless the Panthers are not that much of a one man team and should realize this as soon as possible so that they can begin preparing themselves physically and mentally for what chances and opportunities that lies ahead of them as a team. Those half effort blocks and tackles are what cost good teams their poise and class.

UT had the same problem turning up with a late block or half blocking on big yardage plays that would have taken the salt out of the Tide and given Tennessee and Vol fans a worthy New Year Vacation to Miami, New Orleans, or maybe Dallas, but now you can use that money for a bigger Christmas present this year. Which reminds me Christmas is just 60 days away, is everybody getting their list ready?

Tennessee was not caught in an altogether let down. The Alabama team was lucky to a certain degree, just like tackling Condrige Holloway by the face mask and not getting penalized. So goes life.

The Hamilton Bank of Loudon has just gotten a pack of football tickets for the Youth Charity game November 11. The game will involve the UT Junior Varsity and Notre Dame's Junior Varsity. At Neyland Stadium. Tickets will be on sale from now until the day of the game. People seeking tickets, \$3.00 adult, \$1.00 student, and \$5.00 for a family ticket may be purchased through the bank receptionist Mrs. Richeson.

Squirrel hunters are still reporting good success afield, although pressure has dropped off this species somewhat. Some bushytails are still cutting acorns, but most are now being found on the ground foraging for food.

In addition, dove hunting pressure has tapered off drastically from what it was in early September. Shotgunners who can locate late-cut fields — especially corn — are having some excellent shooting with many limits being reported.

Finally, those grouse shooters who have taken advantage of the early season are reporting pretty good success on the higher ridges. Grouse hunting pressure is expected to pick up somewhat one the weather gets colder and the leaves drop, but it is doubtful that grouse hunters will crowd one another.

Vols Expected To Change QB For Hawaii

Trainer Mickey O'Brien said Stanback will not be able to play against Hawaii and Coach Bill Battle moved Paul Careathers up to the varsity at tailback.

Holloway suffered a bruised hip and Stanback a bruised knee in the Alabama contest last Saturday. Stanback spent Saturday and Sunday night in university hospital, but was released Monday.

"Big Thursday" comes up this week in high school football. Because of the East Tennessee Education Association meeting at UT, most prep games will be played one night earlier than usual.

At least 25 games are slated around the area for Thursday night with still some games set for the traditional Friday night clash.

Loudon and Lenoir City will take the entire week off with open dates on their schedules. Loudon will return to the gridiron on Friday night November 3, against Rockwood at home. A 7:30 kickoff time will be observed due to the time change this weekend. Lenoir City has two games and a region playoff appointment on its schedule. The Panthers will have games with Lafollette and powerfull Region Three representative Hartsville before again squaring off with Kingston in

the Region Two showdown for all the marbles. Greenback entertains Midway this week with a Thursday night game. The Green Wave will bring a very distinguishing record of 5-2-1 for the season. Midway is very much the equal to the Cherokeses (5-2-0) with wins over several common foes. Midway lost to Walland, defeated Vonnore in a come from behind effort, and tied Charleston. The Vonnore and Charleston game were on Green Wave soil.

Thursday night's game is on Greenback's Cooper Field with kickoff set for 7:30. The Cherokeses are in fine physical shape for the game and should be a sure touchdown favorite. Tony Linginfelter, junior field general appears to have gotten the Greenback offense in gear after a slow start. The talented Linginfelter, who passed for over 1000 yards last year as a sophomore is right on target for the win-up or another outstanding campaign. Tony has hit on 31 of 415 passes for 988 yards and been intercepted eight times. He has also ran the ball 60 times for 353 yards and a 5.9 rushing average.

Linginfelter's two closest offensive buddies are Darrell McKeenan a running back and Larry Ritchey, a split receiver. McKeenan, who was not expected to be all that great this year has been a leader since the opening game against Galiburg. The speedy runningback has rushed for over 150 yards on two occasions and compiled 400 yards on 93 carries to date. His backfield duties have been a tremendous asset to the winning record of the Cherokeses.

Larry Ritchey has taken the spot of graduated Terry Hammonire, who displayed great pass catching abilities in his senior year. Ritchey, a senior this season has been on the receiving end of 19 passes for 421 yards, almost half of the Cherokeses passing yardage.

Joe Minor, senior team captain, has been a threat with the ball also with 12 receptions for 220 yards. Joe has been the Cherokeses most versatile performer, thus far. Defensively Mike Evans, Greenback center, has an even 100 tackles in eight games and teams with Tim Hammonire and Danny Evans for the top honors at stopping opposing ball carriers.

Midway fails to boast any individuals with outstanding marks of these stellar performers for the Cherokeses. For those Loudon Coustians not wishing to travel to Greenback for what should be a top "A" division battle, the Loudon Freshman play a totally tough Oak Ridge eleven at 7:30 p.m. Thursday. The Loudon frosh are unbeaten in six outings. The young Redskins have but 16 plays on their team but have been just tremendous in their team play and hustle. The Loudon frosh rolled up 471 yards of total offense in their latest win, a 44-6 trouncing of Kingston two weeks ago.

The Thursday night game will be the final game of the season for the freshman.

"AA" Power Maryville Lumbers Past Winless Redskins 27-0

Undefeated one-tied Maryville continued to roll towards its third East Tennessee "AA" football championship in the last five years with a 27-0 triumph over winless Loudon Friday night.

The Rebels were held in check for the entire first half on outstanding defensive play by the Redskins. The only blemish was an 85 yard punt return with 6:41 left in the first period that gave the Blount County power the edge. The long touchdown maneuver had a tremendous boost when a Redskins would-be tackler was shipped at the corner of the punt return wall set up by Maryville. Had the clip not occurred the ball carrier would have been knocked out of bounds. The official which was not over 10 yards away and watching the illegal block refused to acknowledge the infraction of the rules and the touchdown stood.

Loudon giving a splendid effort to halt the potent offense of the Rebels which is one of the more explosive of the high school ranks this year. The Redskins tied the Rebels at touchdown at the Loudon nine yard line in the closing minutes of the first period. Maryville faltered after a 56 yard march of some 14 plays.

Byron Lawson stopped still another drive with a fumble recovery, and Maryville hampered its own cause with numerous clipping fouls and motion penalties which seem

REDSKIN PASS TIP DRILL—Loudon's Danny Russell goes high to tip this Maryville aerial from the crowd of possible receivers behind him. In excellent position for an interception from the Maryville pass catcher is R.L. Brannan. Ernie Benny (18) hurries over from his pass defense area to assist on the play.

to spark the Loudon play. The Maryville defense was just as stubborn not yielding a Logan first down until late in the third period.

Maryville again added to their scoreboard total with a 48 yard sweep to the end zone with 1:34 left in the third quarter. The Rebels got the ball back almost immediately when a halfback pass by Dennis Queen was intercepted. The Maryville offense, behind the running of fullback Troy Bowman, went 72 yards in four plays for a touchdown.

The two teams swapped punts and Maryville constructed a game ending 42 yard drive for its final touchdown of the game. The Rebels failed to convert their six-point kick.

Maryville's all state in fullback candidate Troy Bowman, led the senior back 141 yards in four plays for a touchdown and a 21-0 score.

Loudon made its line of offensive threat of the game after taking the kickoff. Tim Guider returned the ball nine yards. John Lovelace hit end Jimmy Bivens, who has become an accomplished pass receiver in recent weeks, with a 14 yard aerial.

Dennis Queen hit the Maryville line for one yard and Lovelace came back with the same play only this time Queen ran for 18 yards. A pluckout around right end added 21 more yards to the Redskins rushing cart. Tim Guider plunged off tackle for four yards to bring up a second down and six yards for a first down. Queen was thrown for a nine yard loss on the next play and then the Maryville defense rushed Lovelace causing a hurried pass attempt to R. L. Brannan to fall into enemy hands and stop Loudon's drive for a touchdown.

Competition is scheduled to start at 8 o'clock, but the strip opens for practice at 6. Adult admission is \$3 (4 pits) and \$1 for children 6-12 years.

There'll be racing in five eliminator brackets — top stock, modified stock, junior stock and two elapsed time divisions. The purse will be \$725.

Action also will resume at 4:40. Moto-Cross next Sunday at 2 p.m. with admission \$2 (adults) and \$1, children (6 and under).

Trophies will go to winners in five classes 10-100, 101-125, 126-200, 201-250 and open. No rider under age 12 will be allowed to compete.

place, with a tie-breaker of 30 points, and \$3 belongs to Betty Ann Grimes, Rt. 4, Loudon. Third place money of \$5 was won by Bryan Eller of Highland Avenue in Loudon. He had a tie-breaker of 34 points.

Others who missed only one game, but had high points in the tie-breaker contest, were Dale Jank on the tie-breaker. St. Rull Thompson, Nell Watkins, David Hamd, Gary Hall, Mike Hall, Odis Purdy, Bill Ballard and Mike Russell.

Winners may pick up their cash prizes at the Herald office during regular office hours.

Contestants might note that the tie-breaker contest is the U-T game this week since Loudon is not playing.

II Miss One Contest Game

Eleven entrants in the Herald Football Contest correctly picked nine of the 10 games correct and only three of these won cash due to the point pick on the tie-breaker. No one was able to get all 10 games correct.

Most contestants missed Florida's win over Old Miss or Holston's win over Bearden.

With a 26 point tie-breaker (only one point from perfect with 27 points scored in the Loudon-Maryville game) Odell Justice Junior, 121 Riverview, Loudon receives the \$12 cash first prize. Second

Dotson Crown Queen Greenback Thrills Homecoming Crowd With 26-21 Triumph Over Charleston

The Greenback Cherokees celebrated an exciting homecoming Friday night on Cooper Field with an impressive victory over Charleston 26-21. The game supplied plenty of thrills for the Greenback fans as the Cherokees exhibited a superior effort despite having to settle for a narrow margin of victory.

The Cherokees jumped to a 13-0 lead, only to let Charleston catch up by halftime on two long distance fumble recoveries. Greenback went back on top 26-13 before Charleston scored again late in the game.

Greenback doubled the

	Greenback	Char.

Charleston	12	21

Tony Linginfelter, who scored two touchdowns, joined Darrell McKeenan, Tim Hammonree, Tommy McNeilly and Jimmy Brooks as leading the Greenback offense. Keith Rollins, Hammonree, Mike Evans and Joe Mainor paced the defensive play.

Greenback grabbed the upper hand in the first quarter on a five yard run by fullback Tim Hammonree. Hammonree was wide on the conversion kick.

Greenback padded their lead in the second quarter on a 21 yard scamper by Linginfelter and Hammonree made good the extra point kick.

Greenback, not to be out done by the Cherokee offense, led the Panthers at every corner and after a fourth down pass to the Greenback 20 were again faced by Tony Linginfelter and company. The Charleston defense rallied their forces to cause a Greenback fumble and a Panther player quickly fielded the loose ball and raced into the end zone for a touchdown. The conversion kick made the score 13-7, Greenback.

Greenback took the kick-off and drove the length of the field on the balanced play of a Larry Ritchey pass reception, and Darrell McKeenan and Tim Hammonree runs. The Cherokees were camped on the four yard line of the Panthers when disaster again struck. Greenback lost the handle on a pitchout and the ball bounced into the hands of a Charleston defensive back and the race was over. The feet-footed Panther streaked 96 yards to pay dirt and a tie game. Charleston attempted to take

the lead on a two point conversion, but the Greenback defense denied the ball carrier to reach the double strike.

Greenback regained the lead in the third quarter as Tony Linginfelter rambled over the goal line from the five yard line. Tim Hammonree made the score 20-11 with his extra point boot.

Other offensive leaders were Hammonree with 89 yards rushing, and Danny Evans with 20 yards rushing and two pass receptions for 18 yards.

Darrell McKeenan paced the Greenback offense with his most productive rushing

LINGINFELTER SHAKES OFF PANTHERS—Greenback's junior quarterback Tony Linginfelter, who scored three touchdowns Friday night, fights off this would-be Charleston tackler in quest of finding an open receiver to pass to in the Cherokees 26-21 decision over the Panthers.

Mainor snagged a 14 yard pass and intercepted a Charleston pass and returned it for 10 yards.

The Greenback offense had the ball for 62 plays as compared to only 39 for Charleston.

The Greenback defense was paced by the outstanding play of Keith Rollins, who had eight tackles with four stops coming in the Charleston backfield for minus yardage.

FIGHTING GREENBACK FULLBACK—Tim Hammonree lumbers around right end for a Greenback first down Friday night in the Cherokees 26-21 homecoming conquest over Charleston. Hammonree scored a touchdown and was instrumental in both offensive and defensive play for the Greenback team.

HOW THE BALL BOUNCES—Greenback's Larry Ritchey (42) appears stunned by the bounce of this fumble as Charleston player picked up and raced 20 yards for a touchdown.

Hooks, Walker Free Panthers Of Rockwood Upset With 6-0 Decision

Lenoir City ran into a fired up Rockwood Tiger team Friday night and had to pull out all stops in registering their seventh win of the season 6-0. Rockwood was honoring its homecoming festivities and almost made the big Tiger event a memorable one as the highly ranked Panthers had offensive problems throughout the game.

The Lenoir City defense again had to come to the rescue but not before a second half drive had the Loudon Countians feverishly fighting off the offensive play of Rockwood at their own 20 yard line. A 15 yard penalty eased the momentum and Lenoir City held on downs. The spirited march on the Lenoir City defense was Rockwood's lone scoring effort to get any farther than the Panther 30 yard line.

Lenoir City had just as much of a problem as did the Rockwood team. While holding tough on defense the Panthers could not generate any form of offense that could

mount a scoring drive. The Panthers only score came in the middle of the second quarter when an alert Mike Hooks recovered a Rockwood fumble at the 25 yard line. On the next play Mike Walker shot through a hole behind the blocking of Tim Galyon and Nathan Dalton and the hard running halfback was not to be stopped. Walker's sprint to pay dirt proved to be the only score of the evening as the Lenoir City try for an extra point was no good.

The Panthers had very little life about their team in turning back Rockwood. Lenoir City a 2-7 loser for the first time a week ago to Kingston played for the first time with an senior quarterback Tommy Cook who is out for the rest of the regular season and probably the region playoffs with a broken collar bone.

Sponsor Mike McConkey handled the field general duties and did reasonable well under the circumstances.

GREENBACK HOMECOMING QUEEN—Miss Shirley Dotson, a senior, was named the 1972 football homecoming queen Friday night at halftime of the Greenback-Charleston football game. Miss Dotson was elected by popular vote at the Cherokee football team. Shirley is also an outstanding basketball player and is a member of "Pruffitt's Teen Fashion Board in Maryville.

Mike Walker continued to be the Panthers workhorse with 23 carries for 70 yards and caught a pass for 30 yards. Donnie Stamey rolled up 99 yards on 14 tota of the pigskin and rugged Mike Hooks took time off from his tight defensive showing to haul in a 15 yard pass.

The Lenoir City defense dominated the evening show with a total yield of only 54 yards to the Rockwood offense. The Panther defense became so physical in the final half that the Tigers had a

minus 15 yards rushing. Mike Hooks led the defense with nine tackles. Chuck Williams turned in eight stops, while Carl Thompson and Donnie Stamey rounded out the Panther defensive standouts. David White intercepted a pass for Lenoir City limiting the Rockwood offense to just two pass completions on 13 attempts.

Hamilton National Bank

Unanimous Bristol And Knoxville Central Run 1-2 In State Prep Grid Poll

Bristol and Knoxville Central, one-two in the weekly AP high school football poll, face tough tests this week in what promises to be a key factor in the TSSAA playoffs.

Bristol, 8-0, hosts Kingsport, 6-1 and ranked No. 11 this week after being fifth last week before falling 27-24 to Elizabethton, which was eighth last week but moved up to fifth this week.

Knoxville Central, 8-0, hosts Clinton, 6-2 and still in the running for a playoff berth for talent terrific Region 1 of Class AAA.

In still another big game, No. 7 Memphis Hamilton, 7-0, collides with Memphis Woodlawn, 6-1 and which lost to Memphis Overton 7-6 last week for its first loss.

The TSSAA spokesman said that one team, No. 9 Kingston, has already clinched a playoff berth for Region II of Class AA. Kingston, 7-0-1, has 75 points, a TSSAA spokesman said, and can finish no lower than second in the point standings.

Under a new setup this year, the top two teams in each region advance to the playoffs.

Kingston faces a tough foe this week in Knoxville Rule, 6-2 and a hopeful for a playoff berth in Region I of Class AA.

The TSSAA spokesman said Kingston is the only team to have clinched a berth so far but added that four other teams can assure themselves a berth by winning this week while three more can clinch at least a tie for a playoff berth.

The four are Maury, in Region I of Class A, which plays at Newport; Lake County, Region 4 of Class A, which hosts Collierville; South

Fullan, also Region 4 of Class A, which hosts Obion County, and Hartsville, Region 3 of Class AA, which hosts MI. Juliet.

The three others are Bristol, Knoxville Central and Cornerville, of Region 3, of Class A, which plays at Huntland.

The poll, meanwhile, has two new members—including a Class A team, Lake County, which slipped into the No. 20 spot. The other new squad is Bolivar, No. 19.

The top 10 in order after Bristol and Knoxville Central are Hillcrest, Franklin County, Elizabethton, Memphis White Station, Memphis Hamilton, Marysville, Kingston, and Nashville Pearl.

In the second 10 are Kingsport, Nashville Maplewood, Nashville Overton, Sparta, Covington, Chattanooga Baylor, Hixson, Brownsville, Bolivar and Lake County.

The latest AP high school football poll, with team records, first-place votes and total points on a 100-point scale:

1. Bristol	20	8.0	419
2. Knox Central	6.0	269	
3. Hillcrest	7.0	315	
4. Franklin Co.	7.0	314	
5. Elizabethton	6.1	307	
6. Mem. White St.	7.0	351	
7. Mem. Hamilton	7.6	299	
8. Marysville	4.6	254	
9. Kingston	7.0	320	
10. Nashville Pearl	7.0	323	
11. Kingsport	7.0	369	
12. Nash. Maplewood	7.3	354	
13. Nash. Overton	7.1	351	
14. Sparta	7.1	324	
15. Covington	6.1	310	
16. Chatt. Baylor	6.1	311	
17. Hixson	7.1	317	
18. Brownsville	6.2	311	
19. Bolivar	7.0	323	
20. Lake County	6.0	305	

Also receiving votes were Hendersonville, Sweetwater, Milan, Dickson, Knoxville West, Clarksville, Northwest, Chattanooga City, Chattanooga South, Fulton, East Ridge, Memphis East, Clinton, Nashville West, Lebanon, McNairy County, Jackson, Northside, Memphis Woodlawn, Church Hill, Huntingdon, Bolivar East, Chattanooga Central, Lenoir City, Nashville, Memphis, Davidson County, Kenton, Shelbyville, Nashville North, and Old Hickory Academy.

Fired Up Junior Reds Spank Cats 6-0

The Loudon Junior Reds, coached by Sonny Downs and Mike Littleton, got their sweetest victory of the year Saturday night when they avenged an earlier loss to Sweetwater by tagging a 6-0 loss on the cats at Sweetwater. The game was a bruising battle all the way with the Loudon score coming with two minutes left in the final quarter of play. Loudon held the edge during most of the contest demonstrating ball control. The Junior Reds had 31 offensive plays, compared with 25 for Sweetwater. Loudon had nine first downs and Sweetwater three. Loudon compiled 158 yards in offense to Sweetwater's 77.

Workhorses in the Loudon offense were fullback Greg Debridger who carried the ball 22 times in the game and Keny Starrett who had 11 offensive plays.

It was a fullback pass from Debridger to Starrett that was the key play in the scoring drive of the Junior Reds.

After moving from their

own 25 yard line to the Sweetwater 36 Loudon appeared stalled with a fourth and six situation. Debridger back to punt threw a strike to Starrett the sidelines that put the Reds back in business on the Sweetwater 12. Several plays later Debridger plowed five yards around the left side of the Loudon line for the score.

Sweetwater got inside the Loudon 30 yard line only twice in the contest and each time the Loudon defense held firm. Earlier in the week the Junior Reds defeated Midway for the second time in the season. They now have a 4-3 record. They face an improved Madisonville 125 pound squad Saturday night at Madisonville.

Others leading the Junior Reds in their offensive effort were Quarterback Carter Cardwell and running back Windell Davidson.

Linemen who turned in game winning performances were Dennis (Dancing Bear) Brown who recovered a key

fumble, Mark Moore, Mike Bivens, Gene Cate, Ricky Arden, Joe Williams, Arnold Russell, Sam Stewart and David Kegley.

Indians Continue To Roll In Pee Wee Play

The Indians gained their sixth win at the expense of Sweetwater Saturday night by the score of 28-0. The powerful Sweetwater offense was stopped cold by the Indians, Greer and Black, and was forced to punt to the Loudon 36 yard line. Parly scampered off tackle on the Indians first offensive play for 46 yards to the 13 yard line. Watkins intercepted by Greer set up the Indians second touchdown. Estes passed to Black for 24 and 12 yards. Starrett picked up 16 yards and Purdy gained eight as the Indians moved to the Sweetwater 39 yard line. Watkins blasted off tackle for 39 yards and a touchdown after running through two Sweetwater defenders. Watkins also ran three yards for the extra points.

Early in the second half Estes passed to Starrett for 48 yards to the Sweetwater 34 yard line. Chuck Johnson on a nifty run up the middle picked up the 34 yards and a touchdown. Estes passed to Greer for the extra points. With Starrett, Johnson, and Purdy running, the Indians travel to Madisonville in quest of their 7th win.

FLEETING MARYVILLE REBEL-Maryville sends one of its fleet senior running backs out around left end for a sizeable gain on the Loudon defense Friday night. Would-be tacklers for Loudon are Steve Kiser (30), Jackie Fickey (53), Jeff Queen (60) and Jimmy Bivens pursue from the extreme right.

Tennessee Tech Is Undefeated In OVC Race

Tennessee Tech has spoiled Morehead's homecoming and is in the process of ruining the dreams of other Ohio Valley Conference teams may have had about the OVC title. Tech swatted Morehead 26-17 Saturday to roll to its fourth straight conference decision without a loss. Morehead fell to 2-1-1 after being No. 2 in the conference. And a look at the rest of the schedule reveals that Tech has a strong advantage.

Tech, 6-1 overall, plays two

of its three remaining OVC games at home. And its only road game is against Austin Peay, unless so far in OVC action. The home games are against Eastern Kentucky and Middle Tennessee. Western Kentucky, currently No. 2 in the conference at 5-1, has by far a tougher schedule—and plays two on the road and one at home.

The Hilltoppers, who lost 30-10 to Tech last week, are at Morehead this week, home against tough Middle Tennessee and finish up at Murray.

In Saturday's other results, Western Kentucky downed Eastern Kentucky 10-0, Middle Tennessee stopped Austin Peay 24-0 and Murray topped East Tennessee 17-0.

Mustangs Sweep Past Sweetwater

The Loudon Mustangs beat the Sweetwater 90 pound team 28-0 last Saturday night to avenge an earlier loss. Boo Boo Hawkins made two touchdowns, one on an intercepted pass which he ran back 55 yards and the other on a quarterback keeper for 38 yards. He also threw two touchdown passes—one to Jerry Townsend and one to Greer. Carey, Tony Schrimmer had a good night, carrying the ball nine times for 46 yards. He also made several good tackles and intercepted the Sweetwater hand-off in the Sweetwater backfield.

Kerry Brantthover caught a pass for an eleven yard gain and also alertly recovered a Loudon fumble in the air. Tim Moore recovered a Sweet-

HOUSING AUTHORITY PAYS TAXES-Loudon Housing Authority Chairman Don Canter is shown presenting Loudon Mayor Joe Carter with a check for \$900 representing payment of in-lieu of taxes by the Housing Authority for the 50 unit low rent housing project. Canter said that the Housing Authority pays in-lieu of tax payments to the city on the property based on a percentage formula of rent receipts. The picture was taken on the steps of the Housing Authority office on Parklaker Trail.

Deputies Discover Breakin, Meat, Groceries, Oil Reported Taken

Thieves broke into E. & C. Market on Mariel Road early Tuesday morning and made off with several hundred dollars worth of merchandise. The store is owned by Clifton Guider.

County Deputies J. W. Mashburn and Jake Chapman discovered the burglary during their regular patrol about 3:20 a.m. Tuesday. The deputies found that the lock had been broken off the front door of the store and replaced in an effort to hide the broken.

Taken were four cases of motor oil, 20 to 25 cartons of cigarettes, large quantities of meat, grocery items and health care items, plus a radio.

Sheriff Freeman Russell said the case is still under investigation.

ANNUAL FOOTBALL CONTEST

The Herald

**\$250
IN CASH
PRIZES**

\$25 Each Week

\$12 First Place Each Week

\$8 Second Place Each Week

\$5 Third Place Each Week

Entries must be in Herald Office by 5 P. M. Friday or Postmarked by 5 P. M. Friday, if mailed.

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

26th Annual SE Association Of G&F Commissioners Meeting Underway

Gov. Winfield Dunn kicked off the 26th annual meeting of the Southeastern Association of Game and Fish Commissioners Monday by praising the Tennessee Game and Fish Commission for its help in "my fight to protect the 'Little Tennessee River' and added "they have brought the U.S. Corps of Engineers to consider the value of wildlife management lands in addition to the value of land to be cleared for agricultural purposes.

Gov. Dunn told the some 1,000 visiting biologists and commissioners from 16 states "We are proud of your efforts and in my judgment your leadership is having great impact on the emergency of the South as a new force in Mainstream America today."

The meeting of the association began its three-day run here Monday at the Byatt Regency House with afternoon and evening sessions dealing with the fisheries divisions. The Tennessee Game and Fish Commission is host for the meeting.

"Tennessee, in my judgment, is an appropriate setting for a meeting for discussing ways in which out agencies can work to protect the environment and the wildlife in our various states," Gov. Dunn said. "We are proud of the abundant wildlife resources of our state. No one

knows any better than you the magnitude of the task of protecting both the beautiful hills and streams and the wildlife that inhabits them.

"We must never lose sight of what lies ahead and of the course we must take if we are to leave for posterity the kind of environmental heritage our pioneer fathers left for us. We will probably make our quota of mistakes, considering the frailties of the human clan, but I have the utmost faith that we will succeed. One of our greatest assets is the high caliber of men and women such as you who are engaged in the tasks attendant to conservation of our game and fish and who evidence vital interest in this problem through personal involvement.

"The survival of our wildlife and perhaps even the lives of our descendants depends on our success in meeting this challenge. We cannot afford to sit this one out."

After the luncheon broke up, the biologists and commissioners scattered in what seemed a hundred directions to begin hearings on diseases, management problems and ideas, and new techniques on fish and game management.

Loudon Residents L. Ed Witt of The Tennessee Game and Fish Commission and Sgt. Bob Harmon, who normally fills this space with his Out Doors column are attending the Knoxville meeting.

Vet Advises:

Get 'Old Rover' In Shape For Hunting

As the days become chillier and the leaves more colorful, more and more East Tennesseans will be unleashing their dogs in pursuit of grouse, raccoons, quail, rabbits and waterfowl.

But will Old Rover be ready for the strain of hunting? Not unless the hunter "shapes him up."

That's the opinion of Dr. George W. Brown, vet at Farragut Animal Clinic, who adds that "pre-hunt training for dogs is just as important as it is for humans.

"You need to take 'em out several weeks before the season begins," he continued. "Run 'em for awhile everyday to toughen up muscles and lose some of the fat which has collected over the summer."

Once afield, the hunter should keep an eye out for any health problems his dog might suffer, the vet said. Cuts from barbed wire and puncture wounds from sticks are most common.

"Lots of times, a long-haired dog like a setter will get out, but the hunter won't notice it until it becomes infected and the dog starts licking it," he noted.

Travel to and from the field can be potentially dangerous for the driver if his dog is permitted to roam freely in the car. "I understand that some insurance companies won't pay off a claim if an uncaged dog was in the car," Dr. Brown said.

The best way to transport them in a passenger car is in the trunk. "Trunk tops are loose enough to permit the passage of air," he said.

On the other hand, the vet ruled against leaving the trunk open slightly, since this might draw lethal fumes in from the exhaust pipe.

LETTERS TO THE EDITOR

EDITOR: THE LOUDON COUNTY HERALD
I was standing in line at a drug store prescription counter waiting my turn. An elderly lady ahead of me paid for her medication, and as she turned to leave, she remarked to anyone who cared to listen: "I've a notion to tell them to keep their drugs." She very definitely wasn't happy, but the price she'd paid for the stuff.

Actually, I felt about the same way when I'd counted the change I'd received back from my long green.

Out on the street I met an old timer I'd known for years away back. He'd been sick. "How are you feeling, R.?"
"I do good," he says.
"Not too good?" he says.
"I asked and druggist's keep me gutted for every dime I get hold of. You know what? That drug store across the street was charged me \$12 for my regular medication, now I'm buying it for half that price, but I had to go somewhere else to do it."

On another occasion I met a lady I'd known for many years, coming out of a drug store. She was making about something. "Would you believe it?" she said. "That druggist charged me \$15.75 for these tablets. It's outrageous."

"There must be a mistake," I suggested. "Go back in there and ask for an adjustment. If he won't come through, just demand a copy of your prescription and loan it to me. There was no adjustment coming up, but she laid that prescription in my hand and I soon went into action."

First off, I wrote the Knoxville Better Business Bureau and told them my story. The BBB informed me—just as I suspected—that I hadn't control prices without fraud was involved, but they did give some good advice on how to handle this sort of thing, but the advice will be worth nothing if buyers fail to heed it. The BBB suggested that buyers should shop from one store to another. In other words—don't buy until you find the right place with a fair price.

The prescription book with me was a sort of "twin" job. Two kinds of tabs on one sheet. Of course this limited investigation was just a sampling something like the Gallop Poll, so I took my prescription and Galloped off toward Knoxville. When I reached south Knoxville I turned around and contacted every drug store on down and through Sweetwater, including West Hills, Farral, Lenoir City, Loudon and Sweetwater.

I found two drug stores in Sweetwater. One gave me his price and the other refused to price the two prescriptions. So this druggist took a lone stand.

EDITOR'S NOTE:—facsimile of prescription included in letter but deleted by editor. The above prescription was filled at a pharmacy in my hometown at a cost of \$15.75 which is by far the highest price quoted between West Hills—South Knoxville and Sweetwater.

Here are the prices quoted for the above mentioned prescriptions by 12 other drug stores from South Knoxville to Sweetwater:
1. \$11.50, 2. \$11.05, 3. \$8.80, 4. \$8.50, 5. \$7.17, 6. \$8.34, 7. \$11.40, 8. \$10.75, 9. \$15.75, 10. \$8.50, 11. \$7.17, 12. \$11.60.

How's that for lopsided, upsey-downsy pricing? I would hesitate to comment, but I will quote what three druggists had to say about that highest price on the list. One said, "That price is ridiculous." Another said, "We could have sold a hundred tabs for what that thirty cost." The third said, "Now, somebody got took on that prescription."

I would like to mention that the information as well as the publication of this in the interest of people who may have a limited income are not financially able to pay the higher prices charged by some firms.

This should have been published long ago, but the fact is: this script lay on the shelf at one newspaper for near three months, gathering moss and spider webs while I walked the floor and pulled my hair.

Let me say in conclusion that comments on this factual reporting will be welcome. I am often reminded of something Abraham Lincoln once said: Said Abe: "It's a sin to remain silent, when it's our duty to speak."

What I meant to say is: ARE

THE PRICES OF PRESCRIPTION DRUGS TOO HIGH IN SPOTS HERALD? A good question. The only answer I can think of is: Either some are selling too high, or others are selling too low and the chances of anybody selling anything too low now days would about equal the chance of two stars colliding in space. Thanks for listening, Bill Pardue Lenoir City

P. S.—As a parting shot, I would like to emphasize once more that in this period of inflation and greed, take the advice of your Business Bureau and shop around and get the best price before you buy, whether it's drugs, beans, livers or a one-way ticket to Graustark. As one frog to another, I'd say—Look before you leap. It's your privilege and your Business Bureau. Avoid the places that would double the price. Would any buyer throw away five, six or seven dollars on one deal just because he liked the way the merchant parts his hair?

The average Joe, like myself, knows as little about prescription drugs as a gnat knows about a hydrogen bomb. Drugs could very well be called the mystery merchandise. Then how do you know if you're getting your money's worth at a prescription counter? Actually you don't know, is there no guidelines, price freeze or any sort of yardstick to go by? Personally, I don't know of any. Like I said, it's a mysterious business as far as the layman is concerned. Your chances of making a good deal is to compare prices, and that's what this piece is all about. B. Pardue

EDITOR'S COMMENTS:—After taking Mr. Pardue's letter to several of the druggists he mentioned in his letter we found there could be

Magnavox introduces Modular 100% SOLID-STATE Color TV with exclusive VIDEOMATIC

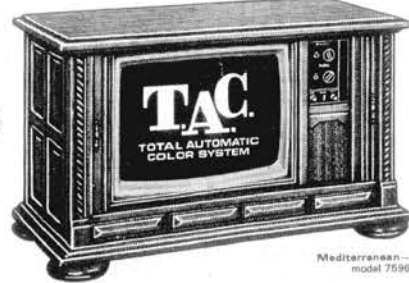

...the world's most Totally Automatic Color TV!

Early American—model 7584

Contemporary—model 7542

Mediterranean—model 7596

Come see the first color television that watches you! **The Videomatic**. Electronic eye watches the light you watch television by and automatically adjusts your picture for color, brightness and contrast. Videomatic gives you a bright, clear, sharp picture... day or night... automatically!

Modular 100% Solid-State Chassis—for more performance, more reliability and more serviceability than ever before! No tubes to heat up or burn out. Quick servicing is easy to get to and quick to fix!

Instant Automatic Fine Tuning—"remembers" the precise setting for every station signal and keeps it locked in for a perfectly-tuned, precise picture—on every channel, every time!

Automatic Chroma Circuit—reduces variations in color intensity—and gives more uniform color from station to station... automatically!

Automatic Tint Control—brings natural fresh tones. No green people. No purple people. You'll always see "people" people in every scene, on every channel... automatically!

The Brilliant Matrix Picture Tube—incorporates today's most advanced tube technology. Every color dot is completely surrounded by opaque blackness to reduce reflections and give you far better contrast—for more brilliance!

WARRANTY
ONE FULL YEAR PARTS AND SERVICE. If anything goes wrong with your TV during the first year and it's Magnavox's fault, it will be repaired—with no charge for labor or parts. And, if your picture tube becomes defective within two years, it will be exchanged for a new tube. In the first year, Magnavox pays for installation; in the second year, you do.

Magnavox truly gives more. Solid-State Videomatic models from '659

ELECTION COMMISSION OF LOUDON COUNTY

John O. Gibson, Chairman **H. F. (Pota) Littleton**
Buddy Brooks, Secretary **Charles Fletcher**

Your County In Action

BY **Harvey L. Sproul**

LOUDON COUNTY JUDGE
 Last week I gave some statistics concerning the 1970 census report concerning Loudon County.

This week I am going to continue a little with this, but using a different summary, this one being made by the East Tennessee Development District.

What do you think the per capita income is in Loudon County?
 In 1969 it was estimated to be \$2,128. This is the 9th highest in the 16-County East-Tennessee Development District (Knox County and surrounding Counties).

Only Knox, Anderson, Blount, and Hamblen County were higher.
 This point right here may be the reason why Loudon County is not receiving nearly as much money under Revenue Sharing as in Monroe, Cocke, or Sevier Counties, all of which are close in size to Loudon County.

Per capita income doubled in Loudon County between 1959 and 1962.
 The ETDD report shows that industrial development in Loudon County added nearly 1600 new manufacturing jobs between 1953 and 1970, most of which came after 1966, of which I am very proud.

Another interesting point is that between 1959 and 1970 over 2000 people left Loudon County and were not replaced, but between 1960 and 1970 only 1300 people left the County and were not replaced.

The Loudon City Census Division shows a growth in increase between 1950 and 1970 of 43 percent, while the Loudon Division shows a decrease of 1.8 percent. However, this is shown to be a very narrow range of dif-

Payrolls Here Over \$25,000,000

Loudon County supports a greater number of business establishments—small, medium and large—than do many communities of its size.
 And, based upon their record during the past three years, as indicated by the number of people they employ and the size of their payrolls, they are in good shape, for the most part.

The findings are reported in a new government study released by the Department of Commerce, entitled "County Business Patterns." It utilizes data compiled by the Department of Health, Education and Welfare from tax reports filed by employers.

Listed, for all sections of the country, are comparable figures on employment and payrolls for firms engaged in retail and wholesale trade, manufacturing, finance, services and in other fields.
 For Loudon County, the report shows a total of 329 separate businesses that employ one or more persons.

Of this number, there are 190 that have from one to three employees, 70 that have from four to seven and 50 with 8 to 12. In addition, there are many owner-operated businesses in the area with no employees.
 The great majority of local

Noticed another interesting development in a recent issue of the "Local Planning News" which stated as follows:
 "The Wilson County Quarterly Court recently approved a zoning ordinance which will allow the development of a new municipality to be called Belinda City. The new \$200 million city will be located along I-40 southeast of Mt. Juliet and will provide residences, utilities, churches, schools and recreation for some 15,000 persons."

At a recent meeting of the Local Government Planning Advisory Committee in Nashville, the fact that there are now between 70 and 75 counties which have planning commissions was somewhat surprising.

firms have been in operation for many years and are well established. In addition, a certain number of new ones spring up each year, replacing those that are discontinued for one reason or another.
 With wage scales on the rise in Loudon County during the last few years, the payrolls of local establishments reached a high level last year of \$25,712,000.
 This was considerably greater than three years ago, when it amounted to \$18,604,000.
 The increase, 38.2 percent, was better than average. It compares with 19.2 percent in the United States and with 23.8 percent in the State of Tennessee.
 The figures include all workers receiving wages and salaries from private, non-farm employment covered by social security.
 Locally, the number of persons so employed in the year is given as 5,228.
 This is exclusive of domestic workers, members of the armed forces, the self-employed and government workers.

Waldrop Completes Navy Training

Navy Airman Recruit
 Thomas A. Waldrop, son of Mr. and Mrs. Neil J. Waldrop, of Route 5, Virtue Road, and husband of the former Miss Rebecca A. Maddox of Route 2, Hinds Valley Road, all of Loudon City graduated from recruit training at the Naval Training Center in Orlando.
 A former student of Loudon City High School, he is scheduled to report to Aviation Electronics Technician School in Memphis, Tenn.

FROM THE PULPIT

By Carl Robinson
Pastor of Tabernacle Baptist Church
The 'blessed hope' is the theme of common interest to all God's faithful...

We believe that the message on the soon coming of Christ will help start the needed Holy Ghost revival which may complete the 'out-calling' of the Church in preparation for His glorious appearing.

SECOND COMING MESSAGES

BACK IN THE GOOD OLD DAYS

We have stated many times that we are always very proud to have school or group pictures, and that they create much interest among our readers. Well, we have been pleased to have received some very interesting pictures of this type the last few days and we are using one of them, a school group this week. It is the old Tulagahler School, which was located near Fowler's Mill on the Madisonville Road. This picture was made in 1933. This old school is now closed. It held its last session in 1947. Many of those in the picture now live in Loudon and surrounding areas. Note the rick of wood in the

upper right corner. This wood was used to heat this old school house. Water was carried from a spring which was located nearby. Those in the picture are as follows: front row, left to right: Bert Peters, Margaret Parks Harrison, Ruby Moroe Cagle, Lillian Watts, Beulah Mae Clark, Ernest Blankenship, Jr., Bill McLendon, Gay Buck Nichols, Frances Giles Husman, Frank Clark, Harrison Smith, Margie Blankenship Wilcox, Second row, Louise Watts, J.W. Nichols, Charles (Oit) Nichols, Roy Staloup, Warren G. Smith, Rankin Moree, Billie Blackman Curtis, Gene Fletcher, Glenn Summit, Third row, Hubert Moroe, Sibyl Fletcher Collins.

Pauline Smith, Goldman Holloway, Clyde Holloway, and Jack Clark. The teacher at the time this picture was made was Mrs. Sudie H. Boyd. Mrs. Boyd is still living and in her nineties. She resides at Asbury Acres in Maryville. We were delighted to have this old school picture. Many of them we personally know and would be glad to have comments from any of this group.

Mrs. Glenn Davis of Route 1, Philadelphia, loaned us this old picture. She said that classes began in mid-July and ended in late February or early March.

Our many thanks to Mrs. Davis for the loan of this old picture.

Somebody mentioned to me

the other day the old Larkin Catalog and how people used to get up an order out of this old catalog. For their efforts, they would receive a gift of merchandise. Sometimes it would be a set of glassware or dishes and all the orders were shipped by rail, in wood barrels. This was before the days of the modern truck lines and everything either came by express or Parcel Post.

We were wondering if any of our readers by chance had one of these old catalogs laid away. We would like very much to see one and write some about it. For that matter, we would like to see any kind of old catalogs you might have, and write about some of the changes that have come about in the passing years.

Nominations Sought For ASC Posts

Loudon County farmers are encouraged to nominate candidates for Agricultural Stabilization and Conservation (ASC) community

committeemen reports Martha Blair, County Executive Director. Petitions to be signed by a minimum of three qualified voters, must be filed by October 27, at the Loudon County ASC Office.

to race, color, creed, sex or national origin. Nominations must have farming interest within the ASC community, be qualified ASC voters and not have reached their 70th birthday by the date they take office. Further details on nominations for ASC community committeemen may be obtained from the County ASC Office. The telephone number is 458-3521.

Womans Club Has Meeting

The Loudon Woman's Club met Thursday, October 12, at the home of Mrs. Billy Brewer.

Mrs. Nat Campbell, program chairman, introduced Miss Cindy Duncan who presented a program of music and sketches on the composers of more well-known movie scores.

Most persons eligible to participate in ASCS programs are eligible to serve as ASC committeemen. This includes producers, sharecropper, tenants, and minors who supervise an entire farm operation. ASCS programs are non-discriminatory and are administered without regard

ASC community committeemen elected by mail ballots December 1, will assist the County ASC Committee w/k. ASCS programs, conduct farm community meetings, and serve as delegates to the Loudon County Convention to elect persons to fill vacancies on the County ASC Committee.

LOUDON, TENNESSEE, THURSDAY, NOVEMBER 2, 1972

TEN CENTS PER COPY

Hospital Working To Meet Ambulance Challenge

"I'm doing a lot of praying," said Loudon County Memorial Hospital Administrator Gray Hamilton as he described the problems facing him in the task of taking over the operation of ambulance service for the county on Nov. 15.

"I have no money, no vehicles, no personnel, no communications equipment, and no authorization to purchase any," he said, summing up the present situation.

Loudon County funeral directors have announced a Nov. 15 deadline when they will cease offering ambulance service in Loudon County. They confirmed that date again this week, New State and Federal requirements make it impossible for them to continue, they say.

Loudon County Court at its last meeting instructed the Hospital Board of Directors to come up with a plan for assuming responsibility for operating ambulance service "as near as possible" to the Nov. 15 deadline. The Court did not, however, actually appropriate any money to operate the service, although it was apparent in their conversation of Court Members that they recognized

the obligation to do so.

At its mid-October meeting, the Hospital Board of Directors asked Mr. Hamilton, the Administrator, to get bids, cost estimates, and to search out alternative procedures in the proposed ambulance operation. They did not, however, authorize any purchase of equipment or hiring of personnel specifically for ambulance duty.

Mr. Hamilton pointed out that two ambulance stations will be required, one at the hospital and another at Lenoir City. The bridge, with its frequent congestion, would make it impossible to operate from a single station here, he explained. Besides, records indicate there probably are more accidents in the Lenoir City area.

The picture is not entirely bleak, however. Mr. Hamilton said he had the promise of the loan of an ambulance from one Lenoir City resident and indications of the probability of others, to get started with. There are some present hospital employees who could be used as ambulance attendants, and the Loudon County Rescue Squad has offered support.

"John Parris called me last night," he said Tuesday, "and offered the complete support of the Squad." Mr. Hamilton indicated this may have been at least a partial answer to some of the praying he has been doing.

"Several of the Rescue Squad members are first aid trained and they can probably staff the ambulance service at night until we can get organized," he pointed out. The State recommends ambulance service be based at the hospital, although, geographically, this may not be the best plan in Loudon County, Mr. Hamilton said. He referred to a statement issued by Richard Land, of the Division of Emergency Medical Services, Tennessee.

Incumbents seeking re-election are Curtis Keener, Dan "Red" Kelley, Thomas A. McNabb, Fred Nelson, Nathan Tinder and Harry Wampler. They are being challenged by Joe A. Roberts, Joseph M. Arden, Tom W. Daffron, James "Hank" Skidmore and Robert C. Weaver.

Recorder-Treasurer Henry Foster is also unopposed in his bid for re-election.

Running for a two year seat on the City Board of Education are Donald Brown and Jim Cook. Seeking a six year term is Billy Joe Littleton.

John Parris Motors Moves

John Parris Motors in Lenoir City, located on Broadway for more than three years, has moved to a new, larger location on Highway 96 across from the Ten Lenoir.

Owner John Parris said the larger lot will afford his customers easier access to the lot and a larger inventory of cars to select from. Parris is holding a Grand Opening of the new lot this weekend and is offering free refreshments and favors.

BAKER WHISTLE STOP IN LOUDON—Senator Howard Baker's campaign train, the "Baker Special," stopped in Loudon Tuesday morning and was greeted by some 300 persons including the Loudon High School Band. About 60 Loudon Countians were on the train with Baker. The old steam engine and five cars pulled into Loudon with whistles blaring. Shown here speaking and with some of the crowd behind him is Senator Baker. Also on the train is Second District Congressman John Duncan, Public Service Commission candidate Tom Garland, members of Baker's family and several prominent Loudon County Republicans.

8,000 Expected To Vote In County Next Tuesday

Traditionally Loudon Countians go to the polls in larger numbers in a presidential election. Election Commission officials are prepared for a vote that will compare with the 1968 election when 8027 local residents voted. It is thought about this many will cast ballots in the General Election next Tuesday, Nov. 7.

With Loudon County voters and party supporters most of the attention in the election is turned away from the Presidential campaign to the races for United States Senator and for Public Service Commissioner. Republicans in Loudon County held their "big event" of the campaign last Saturday night. About 300 persons attended a dinner and rally at Loudon High School to hear Senator Howard Baker, Congressman John Duncan, and other Republican candidates, whose names will appear on the ballot next Tuesday.

An official copy of the ballot is published elsewhere in this issue by the Loudon County Election Commission. The ballot will cover five columns on the voting machine and the names of the candidates are listed by their party affiliation.

Voters will notice in the race for President and Vice President, not only the names of Republicans, President Richard Nixon and Spiro Agnew; Democrats George McGovern and Sargent Shriver; and American Party candidates John Schmitz and Tom Anderson appear but the names of their electors who would represent them in the Presidential Electoral College if they carry the state of Tennessee.

Second on the machine ballot are the candidates of U. S. Senate. They are incumbent Republican Senator Howard H. Baker, Jr., Democrat, Congressman Ray Blanton, and Independent Dan R. East. Both Baker and Blanton have actively campaigned in Loudon County. Baker was the main speaker at the Republican dinner last Friday night and was in the county again Tuesday when his campaign train whistle stopped in both Lenoir City and Loudon on its statewide swing.

There are also three candidates seeking the post of Tennessee Public Service Commissioner of the Eastern Division. This race, many political observers believe, will be the real "horse-race" in the Tennessee vote. There Republican State Senator Tom Garland and the son of the late state Democratic Governor, Frank Clement, Robert Clement, are the main candidates. The American Party is represented on the ballot by Damon V. Owens.

Second District Congressman John Duncan is (Continued on Page 6)

16 Qualify For Lenoir City Race

Lenoir City Mayor Joe Grayson is unopposed in the City Election there on December 7. However there are 11 candidates seeking the six seats on the City Council including all six of the incumbents.

Incumbents seeking re-election are Curtis Keener, Dan "Red" Kelley, Thomas A. McNabb, Fred Nelson, Nathan Tinder and Harry Wampler. They are being challenged by Joe A. Roberts, Joseph M. Arden, Tom W. Daffron, James "Hank" Skidmore and Robert C. Weaver.

Recorder-Treasurer Henry Foster is also unopposed in his bid for re-election.

Running for a two year seat on the City Board of Education are Donald Brown and Jim Cook. Seeking a six year term is Billy Joe Littleton.

While election day will be a busy time for campaign workers, candidates and election officials it will be a holiday to many others. All Loudon County and Lenoir City Schools will be closed for the day, as will most all city, county, state and federal offices. Banks in Loudon and Lenoir City will also be closed all day for the election.

Voting in Loudon County will begin at 9 a.m. in all precincts and all but the Luttrell precinct will close at 7 p.m. Paper ballots are still used at Luttrell and it will close at 4 p.m.

There are also three candidates seeking the post of Tennessee Public Service Commissioner of the Eastern Division. This race, many political observers believe, will be the real "horse-race" in the Tennessee vote. There Republican State Senator Tom Garland and the son of the late state Democratic Governor, Frank Clement, Robert Clement, are the main candidates. The American Party is represented on the ballot by Damon V. Owens.

Second District Congressman John Duncan is (Continued on Page 6)

KNOCKED FROM TRACKS—This car, belonging to Stanley Russell, Sumner St., Loudon, was knocked from the Southern Railway tracks Commerce Street Crossing in Loudon about 1 p.m. Monday. Russell stopped on the tracks to aid the driver of a stalled car when a Southern Freight rounded a curve striking his car.

Loudon Woman Shot Ex-Husband Charged

WHERE SHOT FIRED—Where a shotgun blast shattered the window of the residence of Mrs. Wanda Massey early Friday morning is visible in the photo above. Mrs. Massey, on the phone inside, was struck by the shotgun blast apparently fired from just outside the house on Cedar Street in Loudon.

The ex-husband of a young Loudon woman was charged with felonious assault by the woman after she was shot in the face with a shotgun early last Friday. Mrs. Wanda N. Massey, 21, 181 Cedar Street, Loudon, took out a warrant charging her former husband, Richard Massey, with the shooting.

Loudon Police Chief John Lennex said the shooting occurred about 2:45 a.m. last Friday. He said the victim told officers she was answering the telephone in the living room of her house when someone fired the blast through a closed window with the curtains closed.

Chief Lennex said Mrs. Massey was admitted to St. Mary's Hospital, with at least 11 shotgun pellets in the side of her head and face. She was reportedly released from the hospital Monday.

The officer said that whoever fired the shots must have been just outside the window and that Mrs. Massey was about 30 feet from the window. Chief Lennex said he believes the weapon was a 12 gauge shotgun, although no gun or spent shell was found.

Richard Massey was arrested by county officers Saturday and he posted a \$2500 appearance bond. A preliminary hearing will be held on the case in General Sessions Court in Loudon Friday at 9 a.m.

Massey is presently free under an appeal bond. Earlier this year he was convicted of felonious assault on the late Jess Buttram, then a Lenoir City police officer.

Business Man, Navy Vet, Jack Snow Dies

Funeral services were held in Loudon Sunday afternoon for Charles Jackson (Jack) Snow, 54, who died Friday, Oct. 27, at Loudon County Memorial Hospital.

Mr. Snow, who had been critically ill for several months, was a descendant of Richard Snow who was one of the first white settlers in what is now Loudon and Roane Counties. His grandfather was Andrew Jackson, who served with the Union Forces in the Civil War.

Mrs. Snow, until earlier this year, was a partner with his brother in Snow Brothers Tractor Company in Loudon. They sold the firm shortly before Mr. Snow became ill.

Mr. Snow was a 20-year veteran of the U.S. Navy. The last three years of his active duty, 1967-69 were spent as chief of the U.S. Naval Marine Corps Training Center in Knoxville. It was following his retirement from the Navy that he became active in business in Loudon.

During his illness Mr. Snow was confined seven weeks at Bethesda Naval Medical Center in Maryland.

The Navy career of Mr. Snow began in 1940 when he enlisted. Shortly after he completed boot camp he helped commission the USS Conner one of only two destroyers ever built of the three stack design. When war was declared he went aboard the Destroyer USS Calhoun that served on troop escort duty from New York to Panama. From this duty the ship went into the Pacific and helped in the training of the famous "Marines" called the Carlson Raiders. In June of 1942 the ship took part in the landing on Macao Island the first offensive raid made by the United States in enemy territory.

In August 1942 the USS Calhoun left Honolulu for New California to pick up troops. It joined a task force of troop ships and Men of War ships and made the invasion of the Solomon Islands. From the

JACK SNOW

invasion point the Calhoun made six suicide runs into Tulga and was bombed and sunk by the Japanese on the sixth run. This was on August 30, 1942. Jack Snow jumped from the burning ship. Just as he hit the water a large life raft came crashing down on him knocking him under water. When he came to the surface, he was to remain in the shark infested waters for over four hours before he was rescued. The ship that rescued him put him off on the island where he remained for two weeks. Jack was reported aboard a ship in the harbor called the William George Burrows. This ship was run aground and was being bombed every day. After leaving Tulaga, Jack was sent to the New Hebrides Island. It was on this island that he met his brother James. Neither knew the other was in the vicinity. Jack had been reported to his parents by the Navy Department as missing in action. It was some time before they learned that their son was alive. He was later sent home on a 30 day survivors leave.

Later Jack helped prepare the battleship USS Iowa BB 39 for commissioning. This ship was the first 45,000 ton battleship the U.S. Navy ever

(Continued on page 7)

Ambulances, Jail Site On Court Agenda

Two major projects to be undertaken by Loudon County will occupy much of next Monday's session of County Court for 9 a.m. at the Courthouse.

The Squires will actually meet 30 minutes earlier than that for a public hearing on two proposed bills for reaming. They are (1) a small tract of land located at the intersection of Alternate State 15 and the L&N Railway at Genia in the Third District, from A-2 to C-1 (rural tract); and (2) a 90-acre parcel owned by the Honorable Paul Coffey on the Needmore Road next to the city limits of Loudon from A-2 to R-1 (residential).

The Court will concern itself with possible action on condemning land for a proposed Criminal Justice Center between Lenoir City and Loudon, and with problems involved in the county's assumption of emergency ambulance service when local funeral homes cease offering such service. They have announced Nov. 15 as the deadline.

The proposed Criminal Justice Center—for which the county has been authorized a \$200,000 grant—is planned to be located on two parcels of land, one owned by Thomas G. Henry and the other by Kermit App, just west of the Loudon County Reservoir building. The two tracts are of 5.58 and 6.46 acres respectively.

A committee has been at work seeking options on the

property, and the agenda calls for consideration of possible action to condemn the land if they are unsuccessul.

The agenda follows:

TO ALL MEMBERS OF THE QUARTERLY COURT, EACH MEMBER OF THE BOARD OF THE PUBLIC HEARING OFFICE, TWO PROPOSED RESOLUTIONS TO BE HELD AT 9:00 A.M., MONDAY, NOVEMBER 6, 1972, IN THE MAIN COURTROOM.

Following is the planned agenda for the regular November meeting of the Loudon County Quarterly Court, to be held at 9:00 a.m. on Monday morning, November 6, 1972.

Pledge of allegiance, opening of Court, and roll call.

1. Report of approval of the minutes of the October 2, 1972, regular meeting of the Court.

2. Recognition of visitors and deputations and approval of resolutions.

3. Report of approval of a resolution to state any business which they may want to take up.

4. Report of approval of any other business as presented, which is on the planned agenda.

5. Reports of County Officials, Departmental Committees, A. County Judge

6. Emergency Manpower Program, and continuation of general resolution.

7. Further appointment of committees and special assignments.

8. Report concerning proposed collection study.

9. Report concerning Hotel Motel Tax collection, as well as lawsuit brought by GATO, Inc. against the County for Hotel Motel Tax declared void.

10. Report of the County Clerk.

11. County is involved.

12. Report by J. J. Greer, reporting for Mrs. J.C. Greer who is in charge of the Loudon Residential Drive, told of \$361.90 in new contributions for a total of \$1,303.87 from that area, already an increase from last year and indications are there is more to come. She had high praise for the campaign workers there which was seconded by UF President Charlie Davis.

Other new reports Monday included \$180 from employees of Mayfield Dairy, \$139.70 from Philadelphia, \$780 from a total of \$4,969; \$215.67 from Lenoir City residential and

(Continued on Page 6)

\$15,000 Needed To Meet Fund Goal

Loudon County United Fund has reached 60 percent of its \$25,000 goal with a total at Monday's report meeting of \$32,840.25. But several of Loudon County's industries still had not gotten their canvass for employee pledges really underway.

The big boost this week—as last week—was a report from Union Carbide employees at Oak Ridge of \$4,574 for a total of \$11,970. Roy G. Cardwell, coordinator for Loudon County, at Loudon reported \$1,423.50 in new money for a total of \$2,153.50 and Maremont above-employee pledges of \$1,727 which, coupled with the corporate gift of \$1,000 reported last week totals \$2,727. Union Carbide Films Packaging Division at Loudon reported \$1,033.20 in new pledges for a \$2,289.80 total.

Many Lenoir City industries, however, have just

Loudon County Herald

For and about Women

Watkins-Bledsoe Date Set

Miss James P. Watkins of Loudon, announces the engagement of her daughter, Sarah Katherine, to Mr. Roy H. Bledsoe, son of Mrs. Henry Bledsoe and the late Mr. Bledsoe of Philadelphia. Miss Watkins is the daughter of the late Attorney General James P. Watkins.

Miss Watkins was graduated from the University of Tennessee with a B.S. and from Tennessee Technological University with a M.A. She is currently employed by the Loudon County Board of Education.

Mr. Bledsoe is a dairy farmer in Loudon County. He is the present mayor of Philadelphia and is a member of the Loudon County Quarterly Court.

The couple will be married December 16 at the United Methodist Church of Loudon.

Creative Christmas cards can be meaningful remembrances when you've made them yourself, so get out the scissors and the gluepot and explore with us at November Home Demonstration Clubs some of the more interesting ways to remember friends and acquaintances at holiday time.

LEARNING THE ART OF DECOUPAGE—Mrs. Hurlay DeFord, Mrs. Gerald Campbell, and Mrs. Lloyd Campbell attended the Decoupage Workshop conducted by Mrs. Bonnie Sheeley, Assistant Extension Agent, Tuesday, October 21, at the Trinity United Methodist Church in Lenoir City.

Creating With Decoupage

by Bonnie F. Sheeley, Asst. Ext. Agent. The word "decoupage" means to cut-out. It is the art of decorating surfaces with paper cut-outs. Decoupage is a very old art thought to have originated in Europe during the seventeenth century. It was received in the early twentieth century in this country. Since then it has had its ups and downs. To achieve a desired design effect, cut-outs are pasted in place on the surface to be decorated. This surface has previously been prepared. The piece is allowed to dry, then coated with clear varnish. The varnish may be glossy, semi-glossy or flat. After enough coats of varnish are applied so

that the cut-outs can barely be felt, the piece is sanded lightly and then rubbed down with steel wool. Another coat of varnish is then applied, sanded and rubbed down. This procedure is followed until the cut-outs can no longer be felt through the coats of varnish. Decoupage can be applied to almost any surface that has been properly prepared. Examples of items that can be decorated are boxes, trays, lamps, lamp shades, shadow boxes, and even pocket books. The main ingredients for successful decoupage projects are patience and effort. These attributes combined with a little artistic talent will lead to beautiful projects. Home Demonstration club members and other Loudon

County women attended a decoupage workshop this past week. Many interesting skills and techniques of decoupage were demonstrated and learned.

GREENBACK PERSONAL NEWS

The Greenback Community Club met at the Ft. Loudon Electric Guest House last Thursday evening with the president, Atty James Fox in charge. The main feature of the program was election of officers for the coming year. Elected were president—Rev. Alexander Gillander, vice pres. Mr. Robert Barnes; Secretary Mrs. Mary Evelyn Barnes; asst. secretary—Atty. James Fox. A bridal shower at the Ft. Loudon Electric Guest House on Oct. 24 was given for Mrs. Tom Pieman (Sharon, Rose Brookshire). Hostesses were cousins of the bride, Mrs. Ronald Owenby and Mrs. Judy Lowe. Contents were enjoyed and the honoree received many useful homekeeping gifts. Out of town guests were Mrs. Win. Brookshire and Mrs. Fred Roberts of Maryville. Pink and yellow colors were used in decorations and the delicious refreshments. A family tea, honoring bride elect, Miss Jewel Hammonire was given by her aunt Mrs. Howard Hudson at her home in Knoxville Oct. 23. Co hostesses were Mrs. Johnny Powell and Mrs. Jack Ingram III. The Hudson home

was attractively decorated in green and white florals and the delightful salad course was the same color. Mrs. Ben Hammonire and Mrs. J.G. Hudson attended the tea. Next Sunday Nov. 5 the ladies of Greenback Presbyterian church are sponsoring a gift tea in honor of Miss Jewel and the time for the tea is 3 to 5 o'clock p.m. Miss Hammonire and Mr. Robert Hood will be married on Dec. 6. Mr. and Mrs. Johnny Jones of Chattanooga have announced the birth of a daughter, who will be christened Carmen Michele. Mr. Jones parents, Mr. and Mrs. Raymond Jones spent last weekend in Chattanooga with their son Johnny and family, Mr. and Mrs. Jerry

Jones and family of Winchester also visited the Johnny Jones family during the weekend. Mr. and Mrs. John Hamil of Maryville visited Miss Mae Lowry Sunday. Miss Karen Rollins of Knoxville U.T. spent the weekend here with her parents, Mr. and Mrs. Winfred Rollins. Mr. and Mrs. Jack Rollins and family of Chattanooga were weekend guests of his mother, Mrs. Charlie Rollins. Mr. and Mrs. Fred Fippe visited Sunday with Mr. and Mrs. Earl Hutton near opore. Mr. and Mrs. Tommy Woods, Misses Darlene and Becky and Miss Robin Anderson spent last weekend in the Cumberland State Park. Miss Linda Cabe of Knox-

ville U.T. Hospital visited during the weekend with her parents, Mr. and Mrs. Coy Cabe. Mrs. Roy M. Brooks Jr. was again taken to the Maryville Blount Memorial last Saturday where she is undergoing tests and treatment. Little Miss Andrea Morgan of Atlanta is the guest of her grandparents, Mr. and Mrs. Frank Hill. Miss Anita King and roommate of East Tennessee State University, Johnson City spent the weekend with Miss Kings parents, Mr. and Mrs. Frank King. Mr. and Mrs. Glen Ferguson of Maryville were weekend guests of Mr. and Mrs. A.W. Carpenter. Mr. and Mrs. Harold Carpenter of Athens visited

Sunday with his parents Mr. and Mrs. A.W. Carpenter. Mr. and Mrs. Kyle McCall spent the weekend with friends in Atlanta and on their return stopped in Chattanooga for a visit with their daughter Mrs. Leo Quillen and Mr. Quillen and family. Mr. and Mrs. R.C. Woods; Mr. and Mrs. Dick Woods Jr.; Mr. and Mrs. Tommy Woods and daughters spent the weekend with Mr. and Mrs. Wayne Graybeal in Roan Mountain and attended the wedding of Miss Vickie Graybeal to Mr. Roy Cole. Mrs. Hazel Smith, who has been with her brother, Mr. Earl Hackney and Mrs. Hackney and with relatives in Friendsville, has returned to her home in Eaton, Ohio. Mrs. C.E. Long spent

Sunday with her son, Mr. Bust Long and Mrs. Long in Maryville. Mrs. M.G. McTeer was a visitor in Nashville the latter part of the week. Mrs. Alexander Gillander is at home from a several days visit with her son Mr. Bruce Gillander and Mrs. Gillander and family in Macon, Ga. Miss Emma Hall spent Thursday with Mr. and Mrs. G.M. Wear and Mrs. J. B. Anderson.

Knox Hamilton Joins Bancshares

Affiliation of The Hamilton National Bank of Knoxville and Hamilton Bancshares, Inc. of Chattanooga was agreed upon in principle today by the two organizations.

HAMMER'S
WEST END LOUDON

Boots \$6.98
Sheets \$1.00
Blankets \$9.98

Harry M. Nacey, Jr., chairman and president of The Hamilton National Bank of Knoxville, and J.E. Whitaker, chairman, and N. Florence Youmans, president of Hamilton Bancshares, announced the proposed affiliation which is subject to approval by regulatory authorities.

The joint announcement by Mr. Nacey, Mr. Whitaker and Mr. Youmans follows: "The Hamilton National Bank of Knoxville and Hamilton Bancshares, Inc. of Chattanooga have enjoyed a close association since 1931, the year Hamilton of Knoxville was founded. In recognition of emerging statewide banking organizations throughout Tennessee, this affiliation would be a natural course of

action. The parallel growth and functions of The Hamilton National Bank of Knoxville and Hamilton Bancshares, Inc. follow an increasing demand for banking services throughout the state.

"Our common goals under this proposed affiliation would be economically beneficial to both organizational structure and the provision of services for our customers.

"The affiliation of the two organizations and the subsequent combination of total deposits would be less than other statewide banking systems. The joining together would present more vigorous competition to statewide banking."

Deposits of The Hamilton National Bank of Knoxville as of Sept. 30, 1972 were \$258,533,529 and total deposits of Hamilton Bancshares, Inc. as of the same date were \$844,586,306.

Hamilton Bancshares, Inc. has Tennessee subsidiary

The Tribe Speaks
BY LOUDON HIGH SCHOOL JOURNALISM CLASS
By Patti Gentry, Joyce Harrison, and Steve Rogers

The FFA held their first meeting last week, and the boys divided up into several different groups led by their group chairman to discuss banks in Chattanooga, Johnson City, Morristown, Harriman, Lenoir City, Loudon, South Pittsburg, Cooperhill, Spring City and White Pine. On October 11, Federal Reserve Board approved the acquisition of the majority of the stock of Farmers National Bank in Winchester, Tenn. Application with regulatory authorities is pending on the acquisition of Hardeman County Savings Bank of Bolivar, Tenn.

The Juniors took the PSAT-NMSQT test Tuesday Oct. 17, the initials stand for Preliminary Scholastic Aptitude Test and National Merit Scholarship Qualifying test.

This test is to assess the ability of the people to do college work and to see what their weak and strong subjects are.

The Seniors traveled to Knoxville Sat. Oct. 21 to take the ACT test. The results of this test are sent to various colleges of the Seniors choice to let the colleges know of the persons ability and to show what subjects need to be

improved upon.

Two of the clubs have elected officers and they are as follows:

4-H Club—President, Carolyn Hickey; Vice-President, Tommy Hall-Reporter, Ray Rudd; Secretary-Treasurer, Rachel Mincey; Junior Classical League-President, Ray Rudd; Vice-president, Byron Lawson and Sam Carey; Secretary, Bill Stafford; Treasurer, Paul Bivens.

This year the teachers conducted teachers visitation for two days instead of one; so the students received an extra holiday. The purpose of teachers visitation is to let the teachers and students get better acquainted and for the teachers to help the students with any problems they might have.

Teachers visitation was held the 25th and the 26th and there was a teachers meeting on the 27th giving the students a three day holiday.

That's about it for this weeks column, be sure and look for the Herald Column next week.

Gregory Wayne Lane celebrated his third birthday Friday, October 27, with a party at his home. Those attending were his grandmothers, Mrs. Bobbie Coleman of Lenoir City and Mrs. George Lane of Loudon; Tony and Bryan Lindsey, Deanna Smith and Kimberly Mills. Greg is the son of Mr. and Mrs. Bennie W. Lane of Lenoir City.

83 Loudon 4-H'ers Attend U-T Game

Roger Perkins, Assistant Extension Agent

Last Saturday morning was the beginning of a busy day for 83 4-H Officers from Loudon County. The day started with 4-H Officer Training in Lenoir City. The instructors were Mrs. Joe Brannon—President; Mrs. Richard Wilburn—Vice Presidents; Mrs. Carol Ridenour—Secretaries and Reporters; Mrs. Roy Goddard and Mrs. Paul Rudd—Song Leaders; and Mrs. Gene Goddard—Recreation Leaders. After the instructional session of the officers convened to see a mini 4-H Program put on by 4-H'ers from the Eatons 4-H Clubs under the direction of Mrs. James Elam.

FOUR INJURED—Four elderly out-of-state residents were injured, two seriously, when their cars collided on I-40 at the I-75 intersection Monday morning. The top photo shows both vehicles after the accident.

Four Injured In I-40 Wreck

One man was critically injured, and three other persons were injured, when the cars carrying two out-of-state elderly couples collided on Interstate 40 at the I-75 interchange about 11 a.m. Monday.

In critical condition after surgery at U-T Hospital for chest injuries is George O. Fairchild, 74 of College Corner, Ohio. The man's wife, Ester, 70, was admitted to Loudon County Memorial Hospital with a broken arm, lacerations and other injuries. She is reported in good condition. Her husband was brought to Loudon first but later taken to Knoxville.

In the other car were Mr. and Mrs. James Amos of Webster Grove, Mo. Both were admitted to Fort Sanders Hospital. Mr. Amos, 72, suffered facial, arm and leg

U-T Men's Glee Club Here Today

The University of Tennessee's Men's Glee Club will be performing in Loudon County this Thursday (today), at Loudon City Middle School, Loudon High School and will hold a workshop at Greenback School.

The group is being brought into the school's by the Loudon County Art's Association. Under the direction of Dr. Andrew Haldord, the Glee Club will present approximately an hour program at the Middle School beginning at 8:30 a.m. The concert will be presented at Loudon High School from 10 until 11 a.m.

Mrs. Wiley Zimmerman, program chairman of the Arts Association, said the public is invited to either of these concerts. There is no admission charge. One of the main goals of the Loudon County Arts Association is to bring programs of a cultural nature—such as music, art or drama—into the public schools, at no cost to the students.

At Greenback School, Dr. Haldord and his students will conduct a workshop with a group of 30 students who have signed up for chorus. This will be the beginning session for the students, who have signed up in advance, and a teacher has been selected to conduct the group after this kick-off workshop.

driver's attention.

Mr. Loconte was treated and released at Blount Memorial Hospital. His wife, Winona, 51, was admitted to the hospital, as was Mrs. Ella Ree Sharpston, 37, Howard A. Sharpston, 38, was also treated and released.

Mrs. Newberry and her son, David Newberry Jr., 3, were admitted to Blount Memorial Hospital, while another, Travis, eight months, was released to his aunt.

Also admitted were Judy Rayfield, 17, and Anna Ruth Morgan, both of Sevierville. Two other occupants of the Newberry car, which contained seven persons—were transferred to Baptist Hospital in Knoxville. Mrs. Lucia Gosnell, 19, and her son, L. C. Gosnell Jr., 2, of Sweetwater, were listed in serious condition with head injuries at the Knoxville hospital.

Hospital Working On Ambulances

(Continued from Page 1)

Dept. of Public Health, which bears that out. Mr. Lamb is currently training officer for Emergency Medical Technicians in a course being offered at the Area Vocational School in Knoxville. His statement follows:

Loudon County has committed itself to provide ambulance service and emergency care as an extension of the Loudon County Memorial Hospital. The provision of ambulance service for many reasons.

In exploring the reasons for

hospital based ambulances, consider the essential factors of training and personnel, equipment, communications and facilities.

Training for ambulance personnel is certified by the Division of Emergency Medical Services, Tennessee Dept. of Public Health. The basic level course for Emergency Medical Technicians (the term for a trained ambulance attendant) requires 81 hours of instruction and practice in resuscitation, control of bleeding, care of fractures and injuries, emergency childbirth, extrication, and other subjects. Lectures are presented by physicians and practical instruction is supervised by experienced ambulance personnel.

Following completion of basic training, personnel attain proficiency by using skills in daily ambulance activities. Where ambulance calls occur infrequently, patient care skills may be maintained while assisting with medical care in the hospital and other areas of the hospital.

Within the next year, ambulance personnel may be centered at the hospital emergency room, authorization to provide initial emergency medical treatment, intravenous fluids, cardiac defibrillation, and administration of certain drugs may be used where trained paramedical personnel are in radio contact, or under direct supervision of a doctor.

Hopefully, the physician may be centered at the hospital emergency room, allowing medical knowledge to reach the victim prior to entering the hospital.

When operating from the medical facility, ambulance personnel can exchange experiences and knowledge with hospital and nursing staff members. Working in close coordination with members of the medical team will enable personnel to communicate essential information, develop and improve skills, and acquire insight to other functions of emergency care.

The hospital based ambulance serves affords other advantages for emergency care and transportation. These advantages will be discussed in later articles dealing with other elements with ambulance services.

\$15,000 Needed To Meet U-F Goal

(Continued from Page 1)

250 from clubs.

Meanwhile, UF officials moved to discontinue a fund circulating in one of the plants which is causing some adverse reaction to the drive.

Someone has read, it was reported, that the national director of the United Fund receives a \$70,000 annual salary and they objected to that.

"I don't off hand know how much the National Director makes," said Executive Secretary Mrs. Barbara Cardwell, "but he doesn't get it from us. We send a total of \$25,000 from our collections here to the national headquarters and we get much more than that back in materials, posters, literature, etc."

All funds to the 15 member agencies in the Loudon County United Fund are dispensed directly to them from our treasurer.

Some people probably think local UF funds go to the national office and then back here, but that is not true, one campaign worker pointed out.

Mrs. Cardwell explained that checks are written to most of the member agencies on a quarterly basis, as pledge payments come in throughout the year. Some of them, such as the Lenoir City and Loudon Mile of Dimes, which have most of their expenditure at Christmas, receive all their allotment at that time.

Concluding Monday's meeting, which was held at Loudon Junior High School cafeteria, UF President Davis urged workers to "see if we can't wrap this drive up next week."

The next report meeting will be at the Twin Lanterns Restaurant in Loudon City Monday at 12:30 p.m.

Republicans Ray E. Hook and Lester Williams are seeking votes.

This newspaper will carry complete county vote tabulations by precincts and the winners in the various district, state and national races in the regular issue of the paper Wednesday.

unopposed for re-election as is 21st District Floterial Representative to the state legislature, M. F. "Benny" Stafford.

For State Senate, 8th District, which includes Loudon, Sevier, and some of Monroe County is Republican Carl O. Koella and Democrat Leonard Evans.

Three candidates are in the race for 36th Representative District Floterial Representative. They are James A. Melton, a Republican, Democrat Wayne W. Humphrey and American Party candidate Jack D. Elkins. Voters in the fourth district of Loudon County, Philadelphia and Luttrell, and the Western portion of the Fifth District, Eaton Station will vote in the 36th District race and the rest of the county is in the 21st Representative District.

Voters in the Fifth District will also have a special election for the office of Constable on the ballot. There,

Eight Hurt At Greenback

Eight persons were injured, two seriously, in a two-car head-on collision on U. S. 411 south of Greenback about 1 p.m. Sunday.

Highway Patrolman Ray Sampley of Maryville, who investigated, said the accident occurred about a mile north of the Monroe-Loudon County line when a car driven by Carmine L. Loconte, 54, of Gadsden, Ala., was hit by another car in the wrong lane, apparently driven by Mrs. Warren Newberry, 71, of Nista.

Reports at the scene indicated that a child in the Newberry car may have fallen from its seat, diverting the

 owned. Before being assigned to the Pacific the Iowa carried President Roosevelt across the Atlantic to the Yalta Conference.
 After reaching the Pacific the Iowa, with Jack Snow on board, was included in most major engagements of the war from the invasion of New Guinea all the way to Okinawa and the Philippines. When Japan surrendered the Iowa was anchored next to the Battleship Missouri where Gen. MacArthur and General Wainwright signed the treaty that declared the end of the War with Japan.
 After the treaty was signed, Jack left the Iowa and volunteered to go aboard the only battleship the Japanese had left. The ship was called the Nagato. It later transferred to a Japanese cruiser that had a full Jap crew and only a few American sailors. After the US took command of the two ships they left for Bikini to take part in the Atomic Bomb tests. Due to lack of knowledge of fuel consumption, both ships ran out of fuel and were adrift for

about a week until help could arrive.
 Mr. Snow, was the son of the Late James Franklin and Maud Dunbar Snow.
 He is survived by his wife, Della (Ellie) Walker Snow; daughters, Mrs. Lois Ann Terrell, Memphis, Miss Margaret Sue Snow, of Loudon; son Charles Bryan Snow of Loudon; sister, Mrs. George W. Lawson, Birmingham, Ala.; Brothers, James F., Robert D., Vaughn A. Snow of Loudon and Marvin E. Snow of Coe'sville.
 Services were held at Karrer Funeral Home Chapel with Rev. Bernard Courtney officiating. Burial was in the Forshae Cemetery.

NOV 2 1972

1972 Redskin Victory Hopes Rest With Season Ending Game

Speaking of Sports

By DANNY GIBSON
Sports Editor

The Region One "A" division teams have had a real suspense filled football season and the season is not even over yet. Maury High of Dandridge appears to have emerged with the most record of any team in the region and will probably be the state representative in the playoffs for the 26 team area.

Included in the Region One format is the Foothills Athletic Conference, which has had its finest season since it came into existence. The 1972 championship came within one inch of being a four-way tie.

Porter won the 1972 title with a 3-1-1 record. The Panthers tied Lanier 0-0, stopping a Lanier scoring drive at the Porter one-inch line. Townsend, Walland, and Greenback tied for second place in the Foothills Conference with 3-2 records. If Lanier had moved the football one inch farther, the league would have seen four teams in the top spot.

Knoxville Rule pulled a startling football upset Saturday night, knocking off previously unbeaten Kingston, 14-0. The game was played at Kingston.

The loss leaves Kingston with a 7-1-1 mark this season. It was the first time the Yellow Jackets had lost a regular-season game since 1970, when Rockwood applied a 9-8 knockout punch. The Kingston football teams over the years had not been shutout in a defeat since 1966.

The word from Kingston is complete neuralgia in the necks of many of the Yellow Jackets worshippers. The loss simply reminds everyone concerned that almost every football team is human and puts their uniforms on one leg at a time, whether they be a big time region power or just a mediocre grid team from the city.

The Kingston team will probably welcome the return of their top running back Randy Brown for the Lynn View game Friday night.

Basketball practice is picking up around the county with almost every boys and girls team going at full speed from junior high ranks to the high school varsity. Greenback will get the roundball season off to a fast start with a November 10 battle at Lanier. Lenoir City will meet Dayton in their first test and Loudon will kick theirs off on Tuesday night, November 14.

The elementary season will start with a pre-season tournament at the old Loudon High School gym. Dates and pairings will be announced at a later time.

The Tennessee Secondary School Athletic Association TSSAA has asked the University of Tennessee for use of Neyland Stadium for the Nov. 17 Region I Class AAA playoff football game.

Tennessee High of Bristol and Knoxville Central are probable opponents. Both have identical 9-0 records and were rated 1-2 in last week's Associated Press weekly poll.

Central winds up its season Friday night against Knoxville West while Bristol clashes with cross-town rival Bristol, Va., High.

In addition to Neyland Stadium, the TSSAA has inquired about the use of Knoxville's Evans-Collins Field and the fields at Knoxville Central and Bristol, said Bob Baldrige, TSSAA publicity director.

"Our largest playoff crowd ever was 8,745 last year at Bristol, but we think as many as 14,000 maybe more, might want to see the Region I playoff game," Baldrige said.

The UT Athletic Department has offered use of Neyland Stadium for playoff games on either Nov. 18 or Nov. 25 following Tennessee home games, on Dec. 1-2.

Meanwhile, Lenoir City has qualified for the Region 2 Class AA playoff and will meet Roane County High at Kingston Nov. 17. Lenoir City, which lost to Kingston 25-7 in regular season play, has a 7-1 record and Kingston is 7-1-1.

Maury High of Dandridge has been selected as the site of the Class A Region I contest.

Meanwhile, back on the lake, 32 of the country's leading professional anglers have crowned our own TVA's Dale Hollow the best small-mouth bass water in existence. Also receiving votes were Cherokee, Norris, Center Hill, Crooked Creek (Ark.), and Broken Bow (Okla.). The pros almost unanimously named the plastic worm as the most productive bass lure, with spinners a distant runner-up and top-water gadgets practically sterile except occasionally somewhere at night when the moon's right and the water skiers in bed preferably dead.

Greenback will have its work cut Friday night when Tennessee School for the Deaf arrives at Cooper Field for the regular season final football game for both teams. The Knoxville school has a 7-2 record to date with a 28-27 loss to Alabama School for the Deaf and a Knoxville Catholic being the lone teams to hang defeats on the Vikings.

The Cherokees have a sparkling 6-3 record and need a win to be eligible for a post season bowl game. Any team taking part in a TSSAA approved bowl contest must have seven wins to their credit.

Greenback will carry a three game winning streak into Friday night's battle. The Vikings have won four in a row to set the stage for what should be a supreme challenge for both teams.

The Vikings have only 26 boys on their team but are blessed with some outstanding talent. The entire 1971 backfield is back and the current results speak for themselves. Larry Belke, 152-pound deaf All American, is starting his fourth season at tailback. Steve Harrison, 173

pounds, operates as the number one quarterback and Don Stewart, 140 pounds, provides able support.

Fred Merrittweaver, 185, is the first team fullback with Ronald Bell opening at swing back. Willie Sangster is considered the team's top backfield replacement. Two other deaf-Americans are in the line, Marion Whaley, 221 pounder, at guard and Charles Browning, 191, at center. Whaley has been a starter for three years. Joe Murphy, who made honorable mention on the 1971 All American team, holds down the other guard slot and Kenneth Bosley, 175 pounder who will be in the Deaf Olympics as a hurdler next summer in Sweden is the Vicks most consistent pass receiver at end.

TSD coach Mike Slater

speaks with much confidence over his team's season performance to date and thinks this final game will be the frosting on the cake for either Greenback or the Vikings. Thus the Vikings will bring a solid offense and a strong defense to be placed on the line Friday night when Tony Linginfelter and company seek to keep the Cherokees hot hopes alive for a high school bowl invitation among "AA" division powers.

TSD will be a touchdown favorite in the clash of Region One teams, but Cherokee fans can expect another offensive show with the team making the lowest mistakes probably squaring out a victory.

Meanwhile on the "AA" division front, Loudon, winner of eight games this fall, will play their season final game with Rockwood. The Redskins will be at home for the season wrap-up with hopes of ending their non-customary ways of losing.

Loudon lost to the Tigers 18-15 last year in a thrill packed battle. Rockwood has a 5-4 season record and would like to make two in a row over the luckless Redskins. The Tigers latest triumph was a 20-2 blitzing of Harriman.

Redskin and Tiger followers will find this game to be well worth attending despite the contrast in records. The Redskins have faced a much more challenging schedule than Rockwood with both schools losing to their common foes. Dayton lashed out a 14-0 hit back on the Tigers while Loudon was delt a last minute 7-0 loss. McMin

Central toppled the Rockwood team 10-0, while Loudon fell to the Chargers 28-6 in a sea of mud and water. Kingston whitened past Rockwood 41-0 triumph. Loudon was blanked by Kingston 29-0 and Lenoir City settled for a 6-0 triumph. Loudon was blanked by Kingston 29-0 and Lenoir City for over three quarters before falling 2-7.

The Tigers are picked to enter the game a six point favorite but don't be surprised if the Loudon prep team does not give Redskin boosters a pleasant note to cling to through the winter.

Lenoir City has been working diligently to reduce costly errors which has brought Coach Dale Brown's group more penalties than their fair share. The Panthers have made good use of their

Due to the time change all games involving Loudon County teams, kickoff will be at 7:30 p.m.

Tommy Linginfelter, playing like the pros on television, went for the bomb on first down and team captain, Joe Mainer, proved the ideal receiver. Capt. Mainer made a splendid circus catch on the dead run with only a few steps between him and a trio of Midway defenders and the back of the end zone. The pass was thrown perfect and Greenback had traveled 29 yards in one play for a 24-12 advantage and 54 seconds still remaining in the third quarter.

Midway wanted little time in getting back into the ball game as they crossed the Greenback defense with a sideline screen pass that went 79 yards and a touchdown. The Green Wave picked up a two point conversion to trail 24-20.

Greenback got the ball on the kickoff and ate up a passing game of the clock only to loose the ball on downs deep in Midway territory. The Green Wave got the ball with five minutes to go.

Greenback's defensive team stopped Midway on the kickoff at the 22 yard line and on the second play from scrimmage Bill Joe Kycker received a Midway fumble.

Record Sixth Victory

Greenback Splatters Green Wave 24-20 With Linginfelter Aerials To Ritchey

Greenback put on a regular air show Thursday night with Tony Linginfelter, Larry Ritchey, and Joe Mainer playing lead roles in the festivities that brought a 24-20 football victory to the Cherokees.

The Cherokees struck first in the near even matched game with a 65 yard drive capped by a 30 yard touchdown pass from Linginfelter to Ritchey. The extra point kick was blocked and Greenback led 6-0 with 6:36

left in the first quarter. Midway was not to be denied their offensive talents and paraded 81 yards to a touchdown with 1:28 left in the quarter. The final scoring maneuver coming on a 14 yard run. The Green Wave used the triple option to perfection in constructing a damaging ground attack.

Greenback stopped the try for a two point conversion and had the Green Wave stalled at the 32 yard line until a penalty gave the long drive new life on

third down and long yardage. Greenback got a big first half break in the second period when Tommy McNeilly recovered a fumble for the Cherokees in Midway territory. Linginfelter turned Darrell McKeenan and Danny Evans loose for a first down run. Tim Hammonree softened the Midway defensive line with a short yardage plunge shy of the goal line and Linginfelter followed on the next play with an aerial strike to Larry Ritchey for a one yard touchdown. Again the try for extra point was not good.

Midway failed to generate much of an offense in the second period as Keith Rollins and Tim Hammonree destroyed the triple option with Rollins getting to the

pitch man faster than the ball and Hammonree applying bruising tackles to the quarterback as he was forced to keep the ball.

Midway flirted with a passing game in the closing minutes of the first half and extremely well in the third and fourth quarters to remain close on the heels of the Cherokees.

TOP CHEROKEE RECEIVER-Senior Larry Ritchey (42) streaks across in front of the camera for a one yard touchdown pass from teammate Tony Linginfelter in Thursday night's only high school varsity game in Loudon County. Ritchey scored three touchdowns on passes to lead Greenback over Midway 24-20.

Madisonville 90 Lbs. Top Loudon The Loudon Mustangs fought an uphill losing battle against a fired-up Madisonville team. The offense was able to build a long sustained scoring drive, due especially to the hard running of Tony Schrimsher, who carried the ball seven times on the drive and scored the six points. Boo Boo Hawkins took the second half kickoff back 70 yards for Loudon's only other

Yancy Hampton, the heralded Mr. Redskins in Loudon High School sports circles of the past three years, is continuing his leadership abilities in athletics with a blue chip showing as a basketball player for Hiwassee College. Hampton, who signed a grant-in-aid with Middle Tennessee State University to play football, was courted by several college scouts during Loudon's 1971-72 basketball season. Hampton remained

YANCY HAMPTON

set on a college football career, until a shoulder injury in the TSSAA All Star Football game this past summer prompted him to have second thoughts on football due to his size. Thus, Hiwassee Junior College coach, Donnie Jenkins, a former Lenoir City and Hiwassee star, called on Yancy during the summer and when the fall term started in Madisonville, Hampton arrived with his tennis shoes and a desire to play basketball. Jenkins responded with a

full scholarship he had saved. Hampton might decide against football at the last minute. Hampton has performed to be the blue chip prover his high school credentials indicated. Yancy has led the Tigers to two wins out of three games over Tennessee Wesleyan College, a four year school. Hiwassee has captured other pre-season scrimmages over LNU, Cleveland State Community College, a first ever in Hiwassee history in basketball with the Bradley County school, and Dalton Junior College of Dalton, Ga., the number two junior college team in the nation last year. Hampton has been instrumental in the Tigers play in every contest and Coach Jenkins believes Hampton may still be a long way from his full potential as a college basketball player. Yancy sparked Loudon to an outstanding 25-7 record in his senior year and finished with a total of 1747 points for his three year varsity career, a school record. Besides pacing the Redskins to a semi-final berth in the State Region playoffs, Hampton won individual laurels as being named to the All-Tri-State, All County, All East Tennessee,

Loudon County Youth Catches Record Brook Trout

A 13-year-old Loudon County youth has laid claim to the state record brook trout. Erick Belcher of Route 2 Greenback snaked a 14-inch, one-pound Brookie from Tellico River for the honor. Ray Beatty, hatchery manager at Tellico, and Price Wilkins, chief of hatcheries and trout management for the State Game and Fish Commission, verified the catch.

Belcher's trout tops a 12½ inch trout caught in April, 1971, by Knoxville's John Garrison. Garrison's fish also came from Tellico River.

The brook trout is Tennessee's only native trout, and is found in Appalachian mountain streams. The more common rainbow and brown trout have been introduced through stocking programs. Though small in size, the brook trout is a favorite of many trout fishermen because of its wariness and fighting ability. It may be tough to break

Erick's record, however, since a one-pound brook trout is about tops for Tennessee waters.

The Loudon Herald talked with Erick last week in gathering first hand information of the "fish story" and the technique used in landing a record size Brookie. Young master Belcher refused to release any trade secrets that might jeopardize his fishing mark by other fishermen.

When asked if the fish made a beautiful mounting and lasting trophy, Erick just smiled and rubbed his stomach and said, "It was one of the most tasty meals of fish he had ever experienced".

Erick went on to say he figured if a record size catch could be achieved at the age of 13 that he would have plenty of fishing days ahead to surpass his young fishing laurels.

Erick is the son of Mr. and Mrs. Wilson Belcher. Mr. Belcher is the Agriculture

ERICK BELCHER

Hunter Safety Training May Gordo Watson Is Sewanee Offensive Star Soon Apply To Tennessee

Mandatory hunter safety training might loom on the horizon for Tennessee and other states not covered by compulsory training.

That's the word from two representatives of the U.S. Bureau of Sport Fisheries and Wildlife, which appeared at the 26th annual conference of Southeastern Association of Game and Fish Commissioners in Knoxville last week.

"A mandatory program should bring about a reduction in hunting-related firearms accidents," Warren Parker of Atlanta explained. He was

joined in agreement by BSW regional supervisor E.H. Chamberlain.

Parker cited a 14-year study in New Jersey which showed that annual hunting deaths have been cut in half since the institution of the course for juvenile hunters.

"We feel that any course should provide a minimum of four to six hours of classroom instruction and practice in basic subject matter, live firing and other adequate instruction before a mandatory program is instituted," the Federal representative pointed out.

GORDO WATSON

Gordo Watson, son of Mr. and Mrs. Rufus Watson of Loudon, who quarterbacked the Loudon Redskins to the "AA" State Championship in 1969 is keeping up his gridiron ways. Gordo is a sophomore runningback on the University of the South football team at Sewanee.

Watson missed early

practice sessions this fall but has come on strong in the last few weeks of the season to become Sewanee's leading ground gaining threat. In the game against Washington and Lee he led Sewanee's rushing attack with a total of 117 yards and led in pass receiving for a

total of 117 yards. Gordo also handles the punting duties for Sewanee.

SIX COONS KILLED IN NIGHT HUNT—Johny Viars of Loudon had a whole hunting seasons dividends in a single night last week. Viars along with Curtis Hines of Loudon bagged six coons in a pleasure hunt in Middle Tennessee. A coon hunter is considered lucky if he kills as many as six coons during a normal hunting season in and around Loudon County.

Greenback Tops Wave

(Continued from page 8)

minutes left in the game and tried to punch out a scoring march that would bring them victory but the defensive play of Tim Hammonree, Mike Evans, Tommy McNeilly, Bill Kyker, Rick Rader, and Gene Kimbrell were just too much.

The sixth Greenback triumph was a real team effort with Linginfelter directing the offense with the poise and confidence of a natural leader. Darrell McKeehan was the top rusher for the game with 81 yards on 15 carries and a lot of second effort. Danny Evans was the complement of McKeehan with 39 clutch yards on five carries, with three rushes for first downs. Tim Hammonree and Linginfelter rounded out the rushing play with 25 and 29 yards respectively.

Larry Ritchey was the pass catching wizard with six receptions for three touchdowns and 122 yards. Joe Major had two catches and a touchdown.

The entire Greenback line is to be applauded for both their offensive blocking and defensive hustle. Kyker, McNeilly, and Mike Evans each had a fumble recovery to top their night's play.

Junior Reds Soak Madisonville 12-6 In Rain Plagued Game

The Loudon Junior Reds, 125 pound Pee Wee Football League team, defeated Madisonville 12-6 Monday night in a game played in a downpour of rain on the muddy Madisonville field. It was the second time that the Junior Reds had defeated Madisonville this season.

After being forced to punt to Loudon late in the first quarter Madisonville's defense, which was stingy all night, let down for an instant as Kenny Starrett, speedy Loudon halfback went 61 yards on the final play of the quarter to give Loudon a 6-0 lead.

Midway of the third quarter Starrett broke loose again on a 22 yard off tackle scoring drive.

Both teams had four first downs in the game. Loudon had 35 offensive plays to Madisonville's 32. In total yards Loudon had 121 to 77 for Madisonville.

Saturday night at Bacon Field at Loudon the Junior Reds, now 6-5, close out their regular season play against Lenoir City. A win over Lenoir City would give Loudon second place in the Volunteer Conference Standings behind undefeated Harriman.

HIGH DEFENSIVE WALL—Loudon Freshman quarterback Marlan Brown (13) attempts to climb over the top of Oak Ridge tacklers for valuable real estate in Thursday night freshman action. Other Loudon performers pictured are Mike Lambert (82), Mike Brookshire (64), and Tim West (72).

Wrestling Returns To Loudon Gym

Professional Wrestling, under the sponsorship of the Loudon High Band Boosters Club, will be returning to Loudon this fall beginning Nov. 11, club official Charles Jones announced this week. Announcements concerning the first matches on Nov. 11 will be made next week. Mr. Jones said.

SIDELINE SPRINT—Greenback's Danny Evans picks up seven yards before being chased out of bounds near the Greenback goal line in Thursday night's game between the Cherokee and Midway. Greenback won 24-9.

Unbeaten Indians Pound Madisonville 30-0

The Loudon Indians upped their season record to 7-0 this past Monday night. The high powered offense collected 294 total yards enroute to a 30-0 victory over Madisonville. Loudon won the toss and elected to receive. The Indians marched 83 yards for the first TD as Steve Watkins covered the final 12 yards for the score. The key play on the drive was a 25 yard pass play from Eddie Estes to David Black. John Greer added the extra point to make the 6-0 with four minutes left in the first quarter. On Madisonville's first play from scrimmage, an alert Dennis Stewart

recovered a fumble to set up another Loudon TD. Freddy Starrett covered the remaining 39 yards in only three plays. The key play in the drive was a 39 yard pass play from Estes to Starrett. Greer again added the extra point to make the score, 16-0, with three minutes left in the first quarter.

Because of a rain sogged field, play became very ragged with mistakes taking their toll. Not until late in the second quarter did Chucky Johnson bust around right end with a key block from Greer to score a 33 yard run by Henry

Purdy and help by the blocking of Steve Watkins. Freddy Starrett added the extra point for a final score of 30-0.

The game was called early in the fourth period as the outstanding offensive players were Steve Starrett, Purdy, Johnson, Black, Viars, Lovin and Zeeb. Defense standouts were Stewart, P. Watkins, Fields, John Greer, and S. Watkins.

Loudon will face Lenoir City Saturday night at Bacon field in another rugged and important game.

Tennesseans have shown sound judgement in sending legislators to Washington who are, in the main, helpful associates...rather than constant critics...of our national leadership. Men who can work together toward our mutual goals. Such a man is Senator Howard H. Baker, who... through constructive association with these national leaders, is making sure that Tennessee's voice...and interests...are being heard.

Re-elect Senator Baker

POLITICAL ADVERTISEMENT PAID FOR BY BAKER FOR SENATE COMMITTEE | HENRY CAMPBELL, CHAIRMAN

PORKY ROUNDS CORNER—Porky Campbell, Loudon freshman touchdown scoring ace, turns on the speed as he rounds the corner for a sizeable gain on this play. Other Loudon players rushing to help possibly break Campbell free are Jimmy Birchholz (78), Mike Brookshire (64), Steve Hill (58), and bumper Webster (81) leads the interference.

CONTEST RULES

- Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner, or if in your opinion, any game will be a tie, mark your entry accordingly. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
- Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
- All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
- Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

TELLICO WILD BOAR - J.F. Kenneth, and Morris Carey are shown with the three wild boar that were killed this past weekend on the first Deer and Boar hunt on the Tellico Wildlife Management Area. J.F. and Morris live in Maryville and Kenneth resides in Greenback.

Game and Fish TODAY
By Sgt. Bob Harmon
Game and Fish Commission

Recently Sgt. Bob Harmon and Bill Holladay, Officers of the Tennessee Game and Fish Commission, apprehended two illegal raccoon hunters in the Pond Creek section of Loudon County. Evidence found there resulted in charges of hunting during a closed season being placed against John Steven McKee and James Jaynes of Sweetwater.

When arraigned in General Sessions Court, the defendants pleaded not guilty and asked for their charges to be heard before the Grand Jury which returned a true bill. The defendants were tried in Criminal Court before a jury. The jury, after hearing the evidence, found the defendants to be guilty of hunting during a closed season and assessed \$247 in fines and court costs.

CHEROKEE LAKE
Water conditions - clear and falling.
Rockfish and hybrids - extra good below steam plant down to Hugh B. Day Bridge on large blacktail flies. Largemouth - good, early and late using rapalas and plastic worms and bombers - at night using spinners with pork rind about 15 to 20 feet deep. Crappie - improving, still fishing with minnows 12 to 15 feet deep.

MELTON HILL LAKE
Water conditions - clear and falling.
Largemouth bass fair using rubber red worms and large minnows. Crappie and stripes fair on minnows and flies. Catfish fair on large minnows, cut bait, bream good on

NORRIS TAILWATER
Trout - good, with the water off, using corn and worms.

With 28 points each (36 would have been perfect) were Theresa Christopher of Oak Ridge and Gary Laughlin of Loudon City. They will each receive \$10. Three persons share the \$5 third prize and will receive \$1.67 each. Each missed only one game and had 30 points on the tie-breaker, closest of all those who missed only one game. Money winners there are Mary F. Stevens, Loudon; Lynn Dorsey, Loudon and Albert Grimes, Loudon.

Others who missed only one game, but were either short or over on the points were Sherry Atkins, Mrs. C. E. Thompson, J. M. Sharp, John H. Stevens, Jackie Hall, Kim Thompson, David Thompson, Brenda Thompson, Howard McDaniel, Bill Bowden, David Christopher, Jeff Laughlin, Carl Grimes, Betty Ann Grimes, John Brannon, and Charles Helms.

The 10 game state this week is the final contest of the year and the contest editors think the games might be the most challenging of the year. As usual \$25 awaits the winners in the contest.

Geagley Completes Army Basic
Navy Airman Recruit Charles D. Geagley, son of Mr. and Mrs. Murrell Geagley of 610 Church St., Loudon, graduated from recruit training at the Naval Training Center in Orlando.

Your mother is the best reason to vote for Ray Blanton.

On April 18, 1967, Senator Baker voted against an amendment to provide an average 20% increase for all social security beneficiaries.

On the same date, Baker voted against an amendment to extend medicare coverage on a permanent basis to all persons 65 and over.

On November 16, 1967, Baker voted to table an amendment which would have provided a reasonable allowance beyond the first \$25 for drugs prescribed for use outside a hospital or nursing home for those over 65 who participated in medicare voluntary insurance program.

On December 5, 1969, Baker voted against an amendment to provide for social security

FOR RIDE TO POOLS PH. 458-4636

increases and a minimum social security payment of \$100 per individual and \$150 a month for married couples.

On November 17, 1971, Baker voted to table an amendment increasing social security benefits by 5% and establishing automatic cost of living adjustments in benefits.

This year, when the Senate voted to increase social security benefits by 20%, Senator Baker was absent.

CARS COLLIDE—A car driven by Mrs. Charles McCall, right, was struck by the car at left driven by Bob McEachern on Grove Street in Loudon last Thursday morning. Mrs. McCall suffered minor injuries. McEachern pulled from Steeple Road into the path of the McCall car. Mr. McEachern was on his way to Loudon County Memorial Hospital to check on the condition of his son, Robert, who was injured just minutes earlier in a farm accident. His leg was broken when a farm wagon fell on him. Loudon Policeman Jesse Costner investigated.

Families In Local Area Smaller

How do Loudon County families compare in size with families in other sections of the county? Are they larger or smaller than they were ten years ago?

Interest in the subject has been heightened recently from two directions. On the one hand, the ecologists, alarmed at what the present rate of population growth is doing to our natural resources and our environment, warn of the need to conserve and protect.

The Census Bureau, on the other hand, has just announced that, for the first time in history, the nation has had a six-month period of zero population growth.

What it means is that the number of births during that period just balanced the number of deaths.

If that rate were sustained for a long time, the number of children ever-born would be 2.1 per woman, which is sufficient to keep the population fixed. In recent years, however, it has been close to 3.1.

In Loudon County, families tend to be smaller in size than in most communities. Census Bureau figures show that there are 209 persons per 100 households locally.

The average in the United States is 311 per 100 households and, in the State of Tennessee, 315.

Since 1960, local families have changed somewhat in size. At that time there were 353 persons per 100 households, as compared with the current ratio of 309 per 100.

Although the nation's fertility rate has dropped temporarily to the replacement level of 2.1 children per woman, the real end of population growth cannot be expected until that rate has been maintained for a number of years, the experts point out.

The reason is that the number of births depends on both the rate and on the number of females of child-bearing age and younger in the population.

Not until every girl now born completes her child-bearing years and her daughter have held to the 2.1 rate, would births offset deaths on a permanent basis.

When that happens, say the ecologists, a long step will have been taken to stop the steady deterioration of the environment through air pollution, water pollution and the like.

DISCONTINUED AMBULANCE SERVICE:

The following will discontinue Ambulance Service on November 15, 1972

- Click Ambulance Service, Lenoir City, Tenn.
- Hawkins Ambulance Service, Lenoir City, Tenn.
- Karnes Ambulance Service, Loudon, Tenn.
- Hawkins Ambulance Service, Loudon, Tenn.

Due to the Federal Highway Safety Act of 1966, the State Laws passed to concur with the Federal Highway Act, we find that it is impractical to provide ambulance service.

The laws passed to date not only carry a financial penalty but also carry an imprisonment sentence if not strictly complied with.

We suggest that the only feasible method to give ambulance service in each county or area would be to consolidate all ambulance service under one governmental organization so that organization could receive aid from Federal, State, and/or Local government, such as County Court, Rescue Squads, Fire Department, Hospitals, etc.

We, as Funeral Directors, have up to this date attempted to give the best possible ambulance service at the lowest possible cost.

We regret we must discontinue ambulance service for the above stated reasons. We tried to work out matters with Loudon County Court, but it would not cooperate.

We would advise the citizens of Loudon County to contact your County officials and express to them the serious need of action so your County will not be without ambulance service when we discontinue the services on November 15, 1972.

Carving out a future?

We can help.

Your MFA Insurance Agent will help you construct a shield of shelter that will fit your particular life, health, home and auto needs.

A dime still buys a lot of Electricity

For about the cost of a candy bar, you can buy enough electricity to —

- dry 2 loads of clothes for 1 hour each,
- wash 6 loads of dirty dishes in a dishwasher,
- dry your hair for 21 hours,
- or cook on an electric range for 6 hours,
- or wash 32 loads of clothes in an automatic washer,
- or operate a radio for almost 5 days,
- or burn a 100-watt light bulb for 80 hours,
- or run your color TV for 24 hours straight.

A dime won't buy much else these days, but it still buys a lot of electricity.

LOUDON UTILITIES

VOTE FOR RESPONSIBILITY

Elect
CARL KOELLA, Jr.
STATE SENATOR
Sevier, Loudon, Blount Counties

CARL KOELLA, JR. STANDS FOR:

- RESPONSIBLE TAX ADMINISTRATION:** Fairness to all categories of business specified in the new constitutional amendment.
- RESPONSIBLE MENTAL HEALTH CARE:** We must continue to move forward. One way is to pay competitive wages to mental health workers, especially to aides and assistants.
- RESPONSIBLE CRIMINAL LEGISLATION:** Eliminate confusion in laws which interferes with effective law enforcement.
- RESPONSIBLE LEGISLATIVE SERVICE:** Only by reporting to the people and listening to them can legislators meet their personal responsibility for responsible representation.
- RESPONSIBLE EDUCATION:** Let the State provide the basic system, and permit local school districts to supplement funding to meet their individual desires and needs.
- THE PEOPLE OF TENNESSEE:** With your continued support and your vote on November 7th, I will work for this program in your interest.
- RESPONSIBLE HIGHWAY SAFETY:** Every person, individually, in government and in industry, must recognize and accept his personal responsibility in this important matter.
- PRESIDENT NIXON:** His record has proven responsible leadership.

Vote Republican - Nov. 7

PARENTS' RESPONSIBILITY
Train up a child in the way he should go and when he is old, he will not depart from it. Proverbs 22:6
All anyone who has more previous experience in it, and will attempt to do so, is to be considered as a "parent" and is liable to be held responsible for the actions of the child. It is the parent's responsibility to train up the child in the way he should go and when he is old, he will not depart from it. Proverbs 22:6
The most important thing is to give the child, however, it is to be considered as a "parent" and is liable to be held responsible for the actions of the child. It is the parent's responsibility to train up the child in the way he should go and when he is old, he will not depart from it. Proverbs 22:6

BACK IN THE GOOD OLD DAYS

Several times over the passing years since we have been doing the Good Old Days, we have come across several pictures of moonshine stills which have been captured in our county. This seems to always create a lot of interest among our readers.

This week we have a picture taken of an old still. This picture was made in downtown Loudon near where the highway bridge now ends in Loudon. Of course, this old bridge was not there at the time this picture was made. It is interesting to note that just about everybody in this picture. Don't know whether they all just came to see the still or to get their picture made. Anyway, must be a hundred people present for this occasion.

At the time this still was captured Sheriff Miller was Sheriff of Loudon County. The late John Miller had several stills to his credit during his years as high sheriff of our county. We have had pictures of other stills he captured and all of them were taken at this same location. We don't know why except that this was close

to the county jail where these old stills were on display in the jailhouse yard.

We are sure many of our readers will recognize many of the people in this old picture. It is a little dark but might reproduce well enough to be able to make out those in the picture.

The old house in the background is the old Isbell house. This house was used many years as a place to house jurors serving on jury duty at the county courthouse. This old house was torn down a few years ago.

We mentioned last week about wanting Greenback readers to send us pictures from their area. Well, here is one we received this week. We feel that there is quite a lot of interesting things about this man. We don't have much information except he was an old country doctor in the Greenback area. The picture shows Dr. Ambrose Jones and his horse, Sam Houston. We would appreciate more information on this.

We think we observed something the other day that might well be a first. Jim Miller who lives on Vale Street, Loudon, has a cat which runs cars. I know it is very common for dogs to do this, but I never saw cats do this before. This is a very pretty cat, black and white. Maybe cats are different than we thought they were. The reason we say this is because Ikey Goins says he has a cat who uses the bathroom like other members of his family and he feels that this cat is just one of his family. Maybe these things are not unusual for the Feline species but they were to us. Do you know anything else unusual about cats?

Another picture we have this week is of a school house. We don't know which school it is but it resembles the old Jackson School. We don't believe it is though. All we know for sure is that it was located in Loudon County. We would like to have someone help us on this. Whether it is the Jackson

Local Landmarks Is ETHS Program

Loudon County Landmarks will be the title of the November 5 meeting of the East Tennessee Historical Society meeting at the Lawson McGhee Library in Knoxville. Society President Ed McQueen announced this week. The program will begin at 8 p.m.

Mr. McQueen said the program, open to the public, will be given by Mrs. Earl Gormley Alexander, Loudon County historian and genealogist of note.

It was also announced that Mr. McQueen has been appointed as a member of the Tennessee American Revolution Bicentennial Commission and will be working with the Commission in planning Tennessee's role in the 200th anniversary of the American Revolution in 1976.

Thieves Break Into Garage

About \$200 in merchandise was taken from a garage at the home of Olan Williamson, Fort Hill, Loudon over the weekend, reports at the Loudon Police Department show.

Some \$200 worth of recording tapes, display cases, lanterns, flashlights and batteries were reported taken.

School and if not "we would like to know the name of it. Would greatly appreciate your help on this.

Well, that's it for now. See you next week.

Southern Railway gives a green light to More Jobs

We helped create 902 industrial projects, 57,000 jobs during 1968-1971

For years we've been urging industry nationwide to Look Ahead—Look South. A lot of industry has.

In 1971 alone, over \$420 million was invested in new industrial projects and expansions in the 366 counties we serve. Between 1968 and 1971, some 57,000 job opportunities opened up as a result of 902 such projects. And growth continues.

How is Southern helping? Besides publicizing the merits of the South's "greener pastures," we supply answers businessmen need in order to make the move. We also maintain a 22,000-acre land bank for industrial development.

But most important—we run a railroad that's shipper-oriented. So a company executive can be assured of rail transportation that will help his firm prosper. By helping him squeeze waste out of distribution.

Southern gives a green light to making the southeast "greener pastures" for industry. Which also means greener pastures for you.

LOUDON, TENNESSEE, THURSDAY, NOVEMBER 9, 1972

TEN CENTS PER COPY

Site Approved For Criminal Justice Center

Loudon County Court moved a step closer Monday to eventual construction of a Criminal Justice Center, containing a central jail, courtroom, communications center and offices for all police activities in the county. But it was clear that several matters remain to be worked out.

The Court, on motion of Squire I.D. Conner, seconded by James M. Hartsook, authorized the use of condemnation proceedings - if necessary - to acquire two parcels of property on which to locate the proposed facility. The Squires also gave the Budget Committee authority to purchase the property if agreements can be reached - borrowing the money if necessary.

The facility - to replace the present Loudon County Jail - would be located on land immediately to the west and behind the Loudon County Post Office. The facility would be built with three government grants, a \$200,000 50 percent grant for construction (already approved), a \$105,000 75 percent grant for communications equipment, and another 75 percent grant of a much lesser amount for the records system.

United Fund Exceeds Goal, More Expected

A report Monday of an additional \$15,018.77 in pledges and contributions to the Loudon County United Fund was followed by a victory celebration by campaign leaders as the campaign passed its goal of \$47,500. Although the campaign had passed its goal Fund Chairman Jack Hill and President Charlie Davis said that campaign workers in industry, business and residential sections should continue to take pledges because it is impossible to collect all pledges each year.

MAREMONT AIDS PARK PROJECT-Maremont Corporation of Loudon has contributed \$3000 toward the construction of the City of Loudon Swimming Pool and Recreation Park complex. Above: plant manager Bill Dean is shown presenting Mayor Joe Carter with a check for \$3000 contributed by the company, for use in the \$280,000 park development. Half of the costs of the park is coming from federal grants and the remainder from city funds and in-kind services. The city is hoping for other gift contributions for the project.

Republican Candidates Sweep Loudon County

1-75 BRIDGE CONSTRUCTION-The two aerial photos above show progress being made on the construction of the 1-75 twin span bridge across the Tennessee River at Loudon. The top photo is on the north bank of the river, showing the fill leading to the bridge and barges in the stream where concrete piers are underway. At the right of the top photo shows one of the coffer dams where a set of piers are under construction on the river bottom. In the lower photo activity on the south bank of the river can be seen. Construction on all remaining sections of 1-75 in the county is underway. The bridge represents about \$7 million in construction and all projects total about \$20 million in 1-75 contracts under construction in the county. The bridge and all sections of the highway are due for completion by mid 1974.

Court Acts On Many Items On Agenda

Loudon County Court Monday committed itself to finance the direct expense for an ambulance service to be operated by the Loudon County Memorial Hospital, and authorized condemnation proceedings, if necessary, to acquire property on the site of a proposed Loudon County Criminal Justice Center.

Ambulance Service Financing OK'd, Deadline Cannot Be Met

Loudon County Court Monday promised to provide the finances necessary to operate an emergency ambulance service for Loudon County. At Monday's meeting, the Court discussed the ambulance problem at length in the morning session and then brought it as the last item in the afternoon.

Bob Clement Wins PSC Seat

Loudon Countians voted for the winners in all but one race in Tuesday's state and national election. County voters chose Republican Sen. Tom Garland by more than 1100 votes while elsewhere fewer than the record 8027 who cast ballots in the presidential race in 1968.

According to unofficial county vote totals, 7596 persons went to Loudon County voting precincts Tuesday, fewer than the record 8027 who cast ballots in the presidential race in 1968. President Nixon, however, received more than 100 more votes in Loudon County this time than in 1968.

Brewster-Ingram Nuptials Pledged

The beautifully decorated sanctuary of Johnson's Chapel Missionary Baptist Church was the setting for the wedding of Pamela June Brewster and Joseph Michael Ingram on October 30, at 8 p.m.

The altar, banked with greenery and golden burning tapers and each window with an arrangement of greenery with lighted candles, helped to set the mood for the candlelight ceremony.

Mrs. Dennis Townsend of Loudon sang "O Perfect Love" and "Whither Thou Goest".

The bride's parents are Reverend and Mrs. William F. Brewster. The groom's parents are Mr. and Mrs. Joseph Paul Ingram.

Mr. Glenn Sledge served as best man. Ushers were Tommy Burnett and Walter Galyon.

Mrs. Brewster chose a burnt orange polyester dress with brown accessories with white corsage. Mrs. Ingram chose a powder blue polyester dress with black accessories and white corsage.

Mrs. Dan Babby kept the brides book.

A reception was held following the ceremony at the home of the bride's parents.

Mrs. Ren Wilburn, Mrs. Rosemary Cox, Mrs. J.W. Thompson and Mrs. Tommy Betts.

Rev. Brewster performed the ceremony. The bride was given in marriage by her brother, Brad Brewster.

For her groom, the bride chose a long empire style white polyester trimmed with Chantilly lace entwined with ribbon. Her fingertip veil of illusion was centered with matching ribbon, same as that of her dress. Her only jewelry was a diamond pendant necklace made from her mother's engagement ring. She carried a bouquet of poms centered with a white orchid.

Matron of Honor was Mrs. Tommy Burnett and bridesmaid was Mrs. Wayne Hoach. Miss Cynthia Spurgeon, niece of the groom, served as flower girl. Their dresses were the same princess style pink multicolor design.

The Matron of Honor and bridesmaid carried one long stemmed bronze vase with matching streamers, with the flower girl carrying a basket of red and white rose petals.

Master Kenneth Brewster, brother of the bride, served as ringbearer.

Out of town guests were Mr. and Mrs. Billy Spurgeon, Donnie and Cynthia of Lawrenceburg, Ky. and Mrs. Warren Skinner and Paula of Athens.

The bride is employed by McCrary Pharmacy, and the groom is employed by Vance's Amuse Service Station.

After a short wedding trip to Atlanta, Ga., the couple are at home on Route 2, Sweetwater.

Mr. and Mrs. Roy Matney were called to Blacksburg, Va. last Wednesday due to the death of her brother-in-law, Douglas Wills. While away they also visited with Mrs. Wills and Mrs. Matney's mother, Mrs. H.L. Shuler.

Mr. and Mrs. Bob Grimes and children and his mother, Mrs. Josephine Grimes spent Sunday at Fall Creek Falls State Park in Pikeville.

Mr. and Mrs. Joe Presley had as their guests last Wednesday, Mr. and Mrs. Melvin Presley of Lenoir City and on Sunday, Mr. and Mrs. Tom Howard of Lenoir City also visited.

Clarence Bettis and his mother, Mrs. Mary Bettis, visited Sunday with Mr. and Mrs. Ray Buckner in Newport.

Mrs. Fred Miller visited Sunday in Sweetwater with Miss Clara Grishy and at Pleasant Hill with Mrs. Annie Brackett.

Miss Linda Brown is vacationing this week in San Juan, Puerto Rico.

Enslas Henry is a patient at Fort Sanders Hospital.

Mr. and Mrs. William J. Harrison were visiting Friday in Sweetwater.

Butch Craig came from Atlanta for a weekend visit with his parents, Mr. and Mrs. Carlton Craig and Victor.

Mr. and Mrs. Emmett Moore of Sweetwater were guests Sunday of Mr. and Mrs. Verne Stagg.

Mr. and Mrs. Wade Millsaps, Brian and Charlie of Chattanooga spent Sunday with his parents, Mr. and Mrs. Elk Millsaps.

Mr. and Mrs. Rickey Bell and Stacey of Athens visited Sunday with her parents, Mr. and Mrs. Raymond Everette.

Mr. and Mrs. J.P. Watts had as their weekend guests, Miss Jean Watts, Mr. and Mrs. James B. Watts and daughter, Jeanne of Chattanooga and Miss Sue Watts of Englewood.

Mrs. Willie Hamill spent the weekend with her son and daughter-in-law, Mr. and Mrs. Richard Hamill and family in Kingston.

Mrs. Fred Miller visited Friday with Mr. and Mrs. Clarence Rose and Mr. and Mrs. Fred Brackett in Sweetwater.

Mrs. Alfred Green spent last Tuesday in Knoxville.

Mrs. Alfred Bledsoe visited Sunday with her son, Arnold Bledsoe and Mrs. Bledsoe in Cleveland.

Mr. C.A. Robertson returned to his home last Wednesday from UT Hospital after undergoing eye surgery.

Mrs. James McKelvey and her daughter, Mrs. Sue Davidson and children spent Sunday at Fall Creek Falls State Park in McMin County.

The Hawkins Trio and Miss Vickie Faulkner were guest singers at the Sunday evening worship service at the Presbyterian Church in Sweetwater.

Mr. and Mrs. Burton Petty has as weekend guests their children, Mr. and Mrs. Bill Thompson and children of Wildersville and Mr. and Mrs. Bob Barbour and children of Donaldson.

Mr. and Mrs. Joe Alexander were home from Nashville for a weekend visit with his parents, Mr. and Mrs. Ralph Alexander.

Billy Collins spent the weekend with his parents, Mr. and Mrs. John Collins in Clarksville.

Mrs. Cora Moore of Roane County spent the weekend with her daughter, Mrs. Lora Miles.

Mrs. and Mrs. Dana Lee Jeffers of Oak Ridge were guests Sunday of her parents, Mr. and Mrs. Cecil Jaynes.

Mr. and Mrs. James Chaney spent the weekend with the week-end with his parents, Mr. and Mrs. John Collins in Clarksville.

Mrs. Cora Moore of Roane County spent the weekend with her daughter, Mrs. Lora Miles.

Mrs. and Mrs. Dana Lee Jeffers of Oak Ridge were guests Sunday of her parents, Mr. and Mrs. Cecil Jaynes.

Mr. and Mrs. James Chaney spent the weekend with the week-end with his parents, Mr. and Mrs. John Collins in Clarksville.

Weekend guests of Mr. and Mrs. Willard Stooksbury of Kennesaw, Ga. and Luther Bliscard of Etowah.

WHITE STORES

Young-Ramsey Vows Exchanged

Mr. and Mrs. Claude Young of Philadelphia announce the marriage of their daughter, Donna Kay to Quentin Ramsey, son of Mr. and Mrs. John Ramsey of Vooroe.

The couple were married at the Church of God, October 20 at 2 p.m. in South Carolina. They are now residing in Vooroe.

Miss Nancy Thompson, Nancy is teaching in Chattanooga city schools and returned home with her mother and aunt for the weekend.

The Annual Harvest Fellowship Supper held in the reception room of the Pine Grove Presbyterian Church Saturday evening with a large crowd in attendance. The Rev. Harry Mercer and Mrs. Mercer came from Knoxville and the Rev. Mercer offered the opening prayer. The supper was in charge of Mrs. Graham Cooper and Mrs. Don Lingfelter and the church ladies assisted them in serving.

Mr. and Mrs. Raymond Lambert are guests of their daughter, Mrs. Jack Carroll and Mrs. Carroll in Atlanta, Ga.

Mrs. Buri Lingfelter is at home from Maryville Blount Memorial hospital and continues to improve from her recent illness.

Little Stacy French, daughter of Mr. and Mrs. John French (Judy Hammett) continues to improve from illness and has been brought home from Blount Memorial hospital.

Little Miss LeAnn Best of Maryville is the guest of her grandmother, Mrs. Graham Cooper.

Mr. and Mrs. Elmer Beasley, Mr. Winston and Stephen Leatherwood of Maryville visited Sunday with Mr. and Mrs. S. B. McCollum.

Miss Pat Hill of Knoxville U.T. with Mr. and Mrs. Kyle Black and daughters Teresa and Cynthia accompanied little Andrea Morgan to Atlanta Friday and visited Mr. and Mrs. Richard Morgan.

Mr. and Mrs. Steve King and Brandy of Asheville, N.C. are guests of his parents, Mr. and Mrs. Frank King and other relatives.

Mrs. Coy Cabe and Miss Linda and Mrs. Blanche Hall visited Sunday with Mrs. Jessie Cook and Mrs. Beulah Cox in Knoxville.

Gary Fipps, son of Mr. and Mrs. Elbert Fipps has completed his military service and is now at home with his wife, Mrs. Margaret Williams Fipps and his parents, Margaret was in Germany with Gary for several months and since returning home she has been helping redecorate and furnish their home on the Fipps farm.

BY LOUDON HIGH SCHOOL JOURNALISM CLASS
By Patti Gentry, Joyce Harrison, and Steve Rogers

Grade cards were given out Thursday, November 2, for the first time this year. This year they will be given out every nine weeks.

The U. T. Mens Glee Club visited the school last Thursday. This event is sponsored annually by the Loudon County Arts Association. They sang several selections including some from the award winning musical "Showboat." Group pictures were also made on Thursday. These

Mrs. Hall Gives Club Program

The Loudon Garden Club met Wednesday October 25 at the Bank of Loudon County. Carolyn Shepe presided at the meeting. Glenda Arp read the devotions. Mrs. Ben Hall of Athens gave a very informative program on the Growing and Shaping of Horticulture. Mrs. Gae Lomax and Mrs. Eileen Howard served as co-hostesses.

Winners in the monthly flower show were: Mary George, Etta Kelsa, Mary Johnson, Grace Hillings, Marita George and Eileen Howard.

Tulips will be set at the fountain square and pink dogwoods will be set in the mini-park by members of the Garden Club during the month of November.

Masons Taking 32nd Degree

Four masons from Loudon County are scheduled to begin classes in Knoxville Thursday, leading to the thirty-second degree in the masonic fraternity.

Scheduled to receive the honor are Isaac F. Cox, Jr., James C. Greenwood, Robert W. Lee and Owen C. Portwood of all Loudon County.

They are sponsored by the Loudon County Scottish Rite Club of which Glen Way is president. Joe Henderson is vice president, John Wortley is secretary and Glen Whistler is membership chairman.

Scottish Rite Masonry is a fraternity that uses drama to teach ethics, moral and spiritual standards, basic religious and personal philosophy and the American system of constitutional government.

One of the charity projects of thirty-second degree masons is the fitting and distribution of shoes for needy children of school age.

Republicans Sweep Junior High Vote

It was a Republican sweep in the straw-vote elections held at Loudon Junior High Monday.

President Nixon overwhelmed George McGovern 167 to 20. Senator Howard Baker led the voting with 170 votes. His opponent Ray Blanton received 23. Tom Garland won out over Bob Clement for Public Service Commissioner 154 to 36. State Senate candidates Carl Kosila and Leonard Evans received 118 and 49 votes respectively.

Sean Ray Russell, son of Mr. and Mrs. Joseph W. Russell, Route 2, Loudon, celebrated his eighth birthday, Nov. 8. He is the grandson of Mr. and Mrs. William Russell, Route 2, Loudon and Mr. and Mrs. T.A. McCully, Rt. 1, Philadelphia, and great-grandson of L.D. Standifer.

Timothy Peeler celebrated his fifth birthday, Sunday, November 5. He is the son of Mr. and Mrs. Leland Peeler, Ward Avenue, Loudon. Grandparents are Mr. and Mrs. James Christmas of Loudon.

Shoemaker-Queen Wed In Double Ceremony

Mrs. Betty Shoemaker of Loudon and J.C. Queen of Mt. Clemens, Michigan, were united in marriage at a double wedding ceremony with his daughter, Miss Carol Queen to Larry Reed of Georgia.

The double wedding took place Sunday, October 15, at the home of A.C. Jackson of Attica, Michigan. Rev. Adkins of the Church of God of

Prophecy, performed the ceremony.

Jonelle and Dewayne Adams, vocalists, sang "Whither Thou Goest" and "Each For The Other."

A.C. Jackson served as Best Man. Matron of Honor was Mrs. Marge Jackson.

A reception was held following the ceremony, with 50 guests attending.

Greenback Community News

By Mrs. S.B. McCollum
Phone 956-3017 Greenback

Miss Jewel Hammett was honored by a bridal tea on Sunday afternoon by ladies of Greenback Presbyterian Church in the Fellowship Hall. The honoree was showered with many useful gifts. Colors of yellow and white were used in the arrangements of flowers and refreshments. Those who assisted in serving were Mrs. A.W. Carpenter, Mrs. Kenneth Hair, Mrs. Robt. Hair, Mrs. Joe Greenway, Mrs. H. C. Greenway and Mrs. Tony Sowers. Among the friends and relatives who came were Mrs. Kenneth Brown, Mrs. Johnny Powell, Mrs. Sidney Hood, Mrs. Betty Waldo, Mrs. Marlon Hood, and Miss Wanda Hammett of Maryville, Mrs. Hoyte Beals and Miss Karen and Mrs. Bruce Hinton of Knoxville. Mrs. J. G. Hudson had charge of the guest book.

Mr. and Mrs. Fred Conable and Miss Candy of Maryville are at home from a trip to Elizabeth and Goldsboro, N. C. and with friends in Daytona Beach, Fla. Mrs. French also spent some time with Mr. and Mrs. P. L. Peterson in Cocoa, Fla. and visited Mrs. Nora McCarter in a nearby hospital. Mrs. McCarter is reported improving and has been removed to the home of her daughter, Mrs. Peterson and Mr. Peterson.

Mr. Mike Disney of Maryville and brothers, Tim and Jeff Disney are at home from pheasant hunting in South Dakota.

Mr. Nick Rowland suffered a stroke at his home here Thursday evening and was taken to Blount Memorial Hospital for treatment. Mrs. Rowland spends much time at his bedside.

Mrs. C. E. Long visited Friday night with her son Mr. Bush Long and Mrs. Long in Maryville and with her

HB Hamilton National Bank

Loudon, Tennessee

Ambulance Financing OK'd Deadline Cannot Be Met

(Continued from Page 1)

hospital, one at the Rescue Squad Building on U.S. 11 and one at Greenback. The two units in the Loudon-Lenoir City area would rotate locations to give the crews duty at the hospital where they could learn hospital duties and be further trained in emergency procedures.

His suggestion would be to have two crews at two men per crew or four men per shift working a 2 hour day, with each working three days a week. He proposed having members of the Loudon County Rescue Squad man the emergency vehicles on Sunday. Under his plan it would take eight men plus one director to operate the program in the Loudon-Lenoir City area. These men would be working 70 hours each, two week pay period. He reported that the Rescue Squad Unit at Greenback, that has trained emergency medical technicians has said they will continue to operate that unit, but wanted a vehicle and equipment furnished by the county.

A cooperative agreement with Greenback and Knox County to back up Loudon County units when necessary is understood Mr. Hamilton said. He said he hopes that the local funeral homes would also offer their services to back up the county program. He said back up units will not have to meet the strict state regulations.

The hospital administrator said that trained personnel is just as important as the proper equipment and personnel the county will use will be trained in the Emergency Medical

Technical courses being offered by the state in Knoxville.

Communications, two way radios on the sheriff's frequency, will be used in the vehicles Mr. Hamilton said to allow for better use of equipment. He said with help from Civil Defense, the communications equipment needed might be purchased for about \$600.

Mr. Hamilton suggested that at first he proposes to lease four used ambulances for a two year program at \$400 per year. He pointed out that new emergency ambulances cost from \$10,300 to \$14,000 each and lease for \$900 to \$400 per month each. His suggestion is for the county to get in the program with a minimum expense and hope that state and federal programs might come along later that would allow for vehicles and equipment that right now the hospital and the county could not afford. He is basing the Loudon County program on a similar operation in Cumberland County.

The cost estimate to operate the program for one year is \$50,000, with \$43,400 of that being payroll for the nine men in operation. It was reported that the county averages about two to three emergency and non-emergency calls per day, and at charging \$35 per call would not pay for the program.

Mr. Hamilton said that every effort would be made to have some type of ambulance service available by Nov. 15, and that he had received pledges of cooperation from the Rescue Squad and law enforcement officials to aid in the program until it could be started.

Court Acts On Many Items On Agenda

(Continued from Page 1)

of Lenoir City is the proposed location of a branch of the bank and a shopping center. A public hearing on the matter of rezoning the property from Agriculture to General Commercial is slated for 7 p.m. Monday, Dec. 11, at the courthouse.

Judge Sproul in his report to the court outlined a broad program of legislation proposed by the Local Government Committee of the Inter Governmental Committee of which he is a member. The proposed legislation ranges from the creation of a Local Government Study Commission, several tax modernization programs and changes, to building codes and an ambulance program.

After the presentation former Squire H. M. Adams requested help from the court to get proposed legislation on the statewide Kindergarten program changed to an Approved Program of Early Childhood Education, which would be broader than the kindergarten program. The court suggested that he take the proposal to the local Boards of Education and get their feelings before the court takes any action.

Reporting on the status of lawsuits against the county, County Judge Harvey Sproul said the suit against former Circuit Court Clerk Bobby J. Knowles has been continued to the next term of Chancery Court, Jan. 15 Feb. 28, because a witness could not be here; nothing new has developed in the suit by Road Commissioner Joe Greenway against Loudon County, awaiting a ruling by the Chancellor; and a new suit by Dutton Trucking Co. vs. the county has been filed, but a voluntary non-suit already taken in the case. The Judge speculated that the maneuver may have been just to keep the statute of limitations from running out.

The Court approved Judge Sproul's recommendation of a water system for the Greenback area. Other members are Vernon Kirkland of Loudon and R. C. Woods of Greenback.

The Court approved the Budget Committee's recommendation that a water line be installed to the garbage transfer station at the rock quarry near Loudon. State regulations require it, Judge Sproul pointed out. Also approved was a 2 p.m. closing time for Saturdays. Records indicate almost no use of the facility after that time, the Judge said.

disposal, a road inspector, ambulance service, possibility of converting the old Bacon Hospital into a nursing home, and other items on the agenda.

Loudon County will receive, as the county's portion, \$12,000 according to the latest estimates. Judge Sproul reported. This compares with Monroe County, with about the same population, at \$13,000; Morgan County with about half the population, \$168,000; Campbell County with about the same population, \$53,000; and on the other hand, Anderson County, with three times Loudon County's population, \$242,000.

The Judge said, is based on county per capita income coupled with the comparative tax effort the county is assessing against itself.

The Court approved a request by Tom Henry Sr., speaking for his son, that a fence, intended for a field next to the new Union Carbide industrial access road at the bridge a road be installed around another field instead. The fence was part of the agreement between Mr. Henry and the county for land used in building the road. The Court asked Road Commissioner Lillard Bledsoe to erect the fence at the alternate location.

Apparently because of the Revenue Sharing legislation, the Judge said, it appears that the Emergency Manpower program, expected to last two years, will end next July and the four permanent positions, police officers for Philadelphia and Greenback, an Assistant Administrator for the Hospital and the Sheriff's Office, and a State Supervisor, will have to be financed by the local governments.

Edwin Bierley of Greenback was named to the Loudon County Board of Public Utilities to succeed Jack Hill of Lenoir City, who resigned. It was pointed out that the Board's primary concern now is a water system for the Greenback area. Other members are Vernon Kirkland of Loudon and R. C. Woods of Greenback.

Thump, Thump, Thump, Basketball Season Opens Friday Night

Speaking of Sports

By DANNY GIBSON Sports Editor

Lenoir City placed two men on the All East Tennessee football team. Tim Galyon, a 225 pound senior center for the Panthers, was named to the first team. Tommy Cook, Lenoir City's quarterback and punt and kick specialist, was named to the third unit. Cook is a senior. Both boys are top college material, but Cook may delay his thoughts of a grid career until he finishes baseball play in the spring. He also is a top class baseball player and could very easily be drafted by the pros in the summer draft.

Galyon is a football player deluxe. His vicious blocking and tackling technique has got him looks from several Southeastern Conference and southern universities. Tim is a "Big Orange" fan but has not committed himself as to leaning toward one school or the other for a college career.

Lenoir City has one regular season game remaining with unbeaten Hartsville (9-1) and then they take on Kingston in the Region Two playoff.

The TSSAA regional football playoff list has not been completely decided as several contenders have important games remaining this Friday night, the final week of the regular season. The partial list and sites are as follows:

- CLASS AAA
 - REGION 1: Knoxville Central vs Tennessee High of Bristol, tentatively scheduled Thursday, November 16 at UT's Neyland Stadium.
 - REGION 2: White County vs either Franklin County or Chattanooga Baylor. Franklin County is the expected foe.
 - REGION 3: Nashville Overton vs Nashville Maplewood or Nashville Pearl.
 - REGION 4: Memphis Hamilton vs Memphis White Station.
 - CLASS AA
 - REGION 1: Maryville vs Ketron or Knoxville Rule.
 - REGION 2: Lenoir City vs Kingston, at Kingston Friday, November 17.
 - REGION 3: Trousdale County (Hartsville) vs Macon County (LaFayette) at Hartsville, November 17.
 - REGION 4: Four team race between Jackson North Side (85 pts.), Memphis East (84 pts.), Chester County (84 pts.), and Huntington (80 pts.). Milan has accumulated 79 points with one game remaining.

- CLASS A
 - REGION 1: Jacksboro vs Maury High School of Darridge, November 17 at Darridge.
 - REGION 2: Eldecose County vs Sweetwater, November 17 at Sweetwater.
 - REGION 3: Cornersville vs White House at White House.
 - REGION 4: Lake County vs South Fulton, Friday, November 17, at Union City.

All playoff games will begin at 7:30 p.m. local time with the semi-finals scheduled for November 24 and the finals December 1.

The University of Tennessee appears headed for a December engagement in the Gator Bowl at Jacksonville, Fla. if they can drop Mississippi in the Vols homecoming battle Saturday week. Kentucky and Vandy are considered pesky but not dangerous foes to date. A likely opponent is either Texas Tech or even Notre Dame. It seems the latter is always being discussed as a bowl opponent for Tennessee by Ole Snomey followers. Don't ask me why?

The Baby Vols will tangle with Notre Dame's Junior Varsity this Saturday in a charity game for the Children Hospital. The annual youth charity affair which was scheduled at 1:30 p.m. at Neyland Stadium has been moved to 12 noon kickoff time so those attending can hurry home to view the 4 p.m. kickoff of the unbeaten LSU Tigers and unbeaten Alabama for the Southeastern Championship and a bid to play in the Orange Bowl. Try not to miss either game.

Herald Grid Contest Ends With Log Jam Of Winners

There were several games that stamped entrants in the last week of the Herald's Football Contest. Among them was Lenoir's win, Greenback's loss, Kentucky's loss, Auburn's win, and scattered others.

No one got all 10 games correct, but there was a log jam at nine correct, one wrong. The tie-breaker was the thing. There were 31 points scored in the Lenoir game and the prize money was awarded on the basis of the points.

With 30 points and nine games correct was Monty Lawson, Wharf Street in Lenoir who claims the \$12 first prize.

Second money, \$8, with 23 points was Rodney Best, Rt. 1, Sweetwater.

Again this week three of \$5 is shared by three persons. Each will receive \$1.67 and had 23 points on the tie-breaker. They are Ben G. Theap, Mrs. Helen Lawson, and Sheriff Freeman Russell.

Others who missed only one game, but were off on points were Mildred Helms, Bill Bowden, Mike Hall, Brenda Thompson, Phil Watkins, Candice Thompson, Sam Johnson, Hap Carver, Bruce Lawson, Selmer Maynard, J.C. Monger, Ross McDaniel, Mrs. Floyd McDermis, Bill Thompson, D.E. Thompson, Ted Watts and Ed Bandy.

The football season is quickly giving ground to basketball as nearly every grid team has finished its regular season with only a few grid matches left for this Friday night. The state football playoffs are set for November 17, November 24, and December 1.

Basketball teams are opening up this weekend and almost every team in the state will have at least one game under their belt by next weekend.

Greenback is the first Loudon County team to open their cage season with a road trip to Lanier. The Cherokee return home Tuesday night for a key contest with Porter.

Lenoir City is still in the thick of football with a regular season game left with Hartsville, the middle Tennessee "AAA" power and favorite to make the semi-final round of the state playoff. The Yellowjackets are unbeaten in nine games and will be a six point favorite when Region Two power laden Panthers go to the game.

The game is scheduled for 7:30 kickoff which would be 8:30 Loudon County time. Fans driving to the game are cautioned to allow for a solid three hours drive.

Lenoir City has changed its basketball opener from Friday night to Saturday with Dayton. The Panthers will travel to Rockwood Tuesday night for a game with Rockwood.

Hamilton, Sparta, Maryville and Chattanooga Baylor.

In the second 10 are a tie between Hartsville and Franklin County for No. 11, then Nashville Maplewood, Sweetwater, Kingsport, Lake County, Chattanooga City, Covington, Nashville Pearl and Fair Ryan of Nashville. Meanwhile, the Tennessee Secondary School Athletic Association said 10 teams qualified Friday for playoff berths.

The latest AP high school football poll, with team records, first place votes and total points on a 20-10 basis:

1. Bristol	10-0	399
2. Knox Central	10-0	355
3. Elizabethton	9-1	323
4. Mem. Hillcrest	9-1	318
5. Mem. White Station	9-1	310
6. Mem. Lakota County	9-0	307
7. Mem. Hamilton	9-0	304
8. Sparta	8-1	229

Loudon Halts Long Losing Streak With 21-10 Thumbing Of Rockwood

It took Loudon nine games to achieve the satisfaction of recording a victory, but the Redskins did it Friday night with a 21-10 walloping of Rockwood.

Loudon took the opening kickoff and drove to the Rockwood 44 yard line before having to punt to the Tiger 23 yard stripe. The Tigers found the Loudon defense in a stubborn attitude for yielding yardage and had to punt.

Loudon had excellent field position and was in Rockwood territory within seconds. The Redskins offense again stalled and Coach Rutledge decided to gamble early in the contest for a first down on fourth and long yardage. The play failed to gain for Loudon and Rockwood had its best field position of the game, but again Loudon displayed a zest to play brilliantly on defense and the Tigers were unable to extend their lead.

Rockwood boomed a punt to the Loudon seven yard line and the Redskins lost their momentum in a fumble which cost them 13 yards and a punting situation as the second quarter started.

Rockwood set up shop on the Loudon 33 yard line and rolled to a first down in two plays. The Loudon defense, sticking it tough in the trenches, became a rock wall at the 14 yard line and Rockwood could get but three yards on three downs. Rockwood attempted a 28 yard field goal on the fourth down and the kick split the uprights for three points.

Loudon, knowing the feeling of trailing from past experience, never let up. A 17 yard kick return by John Deatridge had the ball up to the Loudon 34 yard line. But the jinx which has been instrumental in riddling Loudon's victory chances all season popped up again and Loudon fumbled.

Rockwood hit for a first down pass on the first offensive play of the series but Loudon's Ernie Denny was on the spot to apply the tackle and shake the ball loose for a fumble recovery.

Again Loudon had the ball and this time the Redskins mounted a beautiful 76 yard drive in 11 plays for a touchdown with Tim Guider plunging into the end zone from the two yard line. Walter Carnes bled the extra point for a 7-3 first half margin.

Loudon had several big plays in the touchdown drive led by Mike Brackett recovering a loose ball on a Loudon punt at the 48 yard line. Guider and John Lovelace had runs of over 15 yards to give the Redskins large gains and crucial first downs.

Both teams swapped offensive chances before the half with Loudon bringing down the curtain on an attempted field goal which was short. Loudon quickly gained the upper hand in the second half driving 64 yards in 18 plays for its second touchdown of the night. The time consuming march took over eight minutes as Loudon called on Guider from the one yard line with

First Downs	Loss	Returned
Passes Att.	9	12
Passes Comp.	4	10
Passes Incp.	5	1
Yards Passing	247	10
Yards Rushing	130	47
Punting-Avg.	4-1	3-3
Field Goals	1-0	1-0
Fumbles-Lost	4-2	3-3
Time of Possession	4:29.8	5:30.8
Loudon	6	7
Rockwood	9	9

Carnes adding the extra point. The touchdown apparently had an ill effect on the Rockwood offense as they failed to generate an offense of any proportion on their first down after the score for the remainder of the game.

Loudon, liking the idea of scoring touchdowns, got a drive underway midway of the fourth period. Helped by a 62 yard gallop by John Lovelace to the Rockwood 15 yard line, the Redskins moved to a score on a 15 yard aerial to Sam Lyle from Lovelace. Carnes made it 21-3 with 6:20

Bristol, Knoxville Central and Elizabethton are again 1-2-3 in the next-to-last weekly AP high school football poll, but Memphis Hillcrest has replaced Franklin County as No. 4.

HURRAY! TOUCHDOWN LOUDON—Sophomore Jimmy Bivens appears to have turned from football player to cheerleader for Loudon as he watches Tim Guider plunge into the end zone for a Redskins touchdown and the lead in the game.

Lenoir City Defense Paves 30-0 Triumph Over Lafollette Owls; Walker Stars

Tommy Cook, back in victory to victory number eight Friday night with a 30-0 whitewashing of Lafollette. The Panthers dominated play from the very start and only once let the Owls slip inside their 20 yard line and that was on a penalty.

The Panthers produced 11 first downs and 236 yards of offense in the game to a mere 3 first downs and 77 yards of real estate by the Owls. Lenoir City could not get on the scoreboard in the first 12 minutes of play despite hammering away at the Lafollette defense for a spirited drive that was wiped out deep in Owls territory on a fumble.

Lafollette gave up the football on a punt late in the first period and the Panthers hit pay dirt on the first play of the second quarter. Mike Walker, who gained 140 yards on 15 carries during the game to pace the Panthers, broiled his way through the Owl defense for a 22 yard score.

Game and Fish TODAY

By Sgt. Bob Harmon
Game and Fish Commission

GAME AND FISH COMMISSION TO SET 73 FISH SEASONS

The ten-member Tennessee Game and Fish Commission will meet in Smithville, Nov. 16, and a major item of business will be the setting of fishing seasons for next year. The meeting is slated for 1:30 p.m. (CST) at the Evans Mill Lodge just outside Smithville.

The seasons and regulations, as presented by the Commission's Fish Management Division for approval, are basically the same as those in effect this year. Minor creel limit changes have been proposed for South Holston Lake, which straddles the Tennessee-Virginia border. These changes are offered in an attempt to more closely Tennessee's regulations with those of Virginia. The Fish Management Division proposes to remove the limit on white bass in South Holston, and also to increase the daily trout limit on this lake to seven.

The Commission will also consider adding four days of wild boar hunting on the Catoosa wildlife management area to offset hunts lost during the early part of the season when the area was subject to quarantine due to hog cholera outbreaks in neighboring Cumberland County. Exact dates are not yet determined and are subject to the termination date of the quarantine.

FISHING AND HUNTING REPORT

CHEROKEE LAKE
Water conditions - clear and falling.

Bass - good in early morning and late afternoon, using plastic worms and bombers. Carp at night using bell divers. Crappie good, fishing 12 to 15 feet deep with minnows. Rockfish and hybrids - fair in lower end and good in upper end, using large bucktail flies on deep running lures.

NORRIS LAKE
Water conditions - murky and rising.

Bass - fair at night on bush-wackers and in day on minnows. Crappie - some being taken on minnows, deep. Bluegill - good on flies, worms and crickets. Catfish - fair on minnows and worms. Walleye and sauger - fair, trolling tombs and worms.

DOUGLAS
Water conditions - clear and falling.

Bass - very good, casting, trolling and still fishing with minnows. Sauger - fair, trolling deep running lures and still fishing with minnows off rocky points and in creek mouths.

FT. LOUDON LAKE
Water conditions - murky and fluctuating.

Bass and stripes - good in breaks on skylers, spoons and flatfish. Bluegill - good on worms and crickets. Catfish -

WATTS BAR LAKE

Water conditions - murky and falling.

Very little activity due to weather. All species poor except crappie and several are being taken in the Point Rock section on minnows.

MELTON HILL LAKE

Water conditions - clear to murky and falling.

Fishing activity slow due to weather. Few bass and crappie being taken on minnows; hump and catfish good on natural bait.

CHILHOWEE LAKE

Water conditions - clear and stable.

Bass fair on minnows and rapalas. Trout fair on corn and worms, deep.

LITTLE TENNESSEE
Trout - extra good on corn, worms and flies around Bacon's Ferry and Carsons Island.

HUNTING REPORT

Squirrel hunting is extra good. Several grouse are being taken. Should get better when leaves fall.

Deer gun season opens in Campbell County on November 16 through November 26, 1972. Goose season opens November 12, 1972 and closes January 30, 1973 with daily limit of 5. Only one Canadian goose allowed in daily bag. Duck season opens November 25, 1972 through January 13, 1973, with daily bag limit of 4. Only two wood ducks are allowed in daily bag limit. Quail and rabbit season opens November 18.

WILDLIFE MANAGEMENT AREA REPORT

TELICO W.M.A. - October 27-28 - 1145 hunters killed 62 wild boar and 43 deer.

CATOOSA W.M.A. - Oct. 21-22 - women deer gun hunt - 137 women killed 20 deer.

CHUCK SWAN W.M.A. - Oct. 27-28 - Jr. archers - deer hunt - 130 hunters killed 4 deer.

Oct. 30-31 - deer-archery hunt, back only - 104 hunters killed 18 bucks.

Mustangs Gallop To 38-0 Win

The Loudon Mustangs finished their 1972 season with a resounding 38-0 win over the Lenoir City 30 pound team last Saturday night. Coaches Schrimsher and Watkins shifted some players around and it appears that they got a more effective use of the available talent.

John Cardwell lined up at quarterback with Boo Boo Hawkins, Tony Schrimsher, Carl Johnson and Jerry Townsend sharing the running duties. Six different players scored points. Hawkins scored three touchdowns. Schrimsher made one touchdown and Carl Johnson, carrying the ball for the first time made a touchdown and one two point conversion. Carl has been shining on defense all season. Ronnie Edridge made two points as did ends, Kerry Brant Hoover and Greer Croy.

The blocks pushed the Lenoir City defense completely out of the way for several long running gains. The alert Loudon defense kept Lenoir City scoreless. Leading the defense were David Lambert, Tim Moore, Mark Gibson, and Walter Henry, former nose man who now covers more territory from his linebacker position.

The Mustangs have won four conference games and two non-conference contests for a 6-4 record for the year.

TWO MEN WERE injured, one critically, when this car skidded out of control on wet pavement on I-76 near the new Highway 95 overpass about 1:30 Tuesday morning, Nov. 7. Injured were the driver, Charles Jarvis, of Eaton Crossroads, with severe internal injuries, and Cecil Hatcher, who complained of a back injury. Rescue Squad member Ray Houk, who accompanied one of the victims to the hospital, said the car, traveling west on I-76, went out of control near the first yellow caution light and overturned in the median strip several times.

TODAY

By Sgt. Bob Harmon
Game and Fish Commission

GAME AND FISH COMMISSION TO SET 73 FISH SEASONS

The ten-member Tennessee Game and Fish Commission will meet in Smithville, Nov. 10, and a major item of business will be the setting of fishing seasons for next year. The meeting is slated for 1:30 p.m. (CST) at the Evans Mill Lodge just outside Smithville.

The seasons and regulations, as presented by the Commission's Fish Management Division for approval, are basically the same as those in effect this year. Minor creel limit changes have been proposed for South Holston Lake, which straddles the Tennessee-Virginia border. These changes are offered in an attempt to more closely Tennessee's regulations with those of Virginia. The Fish Management Division proposes to remove the limit on white bass in South Holston, and also to increase the daily trout limit on this lake to seven.

The Commission will also consider adding four days of wild boar hunting on the Catoosa wildlife management area to offset hunters lost during the early part of the season when the area was subject to quarantine due to hog cholera outbreaks in neighboring Cumberland County. Exact dates are not yet determined, and are subject to the termination date of the quarantine.

FISHING AND HUNTING REPORT

CHEROKEE LAKE
Water conditions - clear and falling
Bass - good in early morning and late afternoon, using plastic worms and livers; fair at night using bell divers.
Crappie - good, fishing 12 to 15 feet deep with minnows.
Rockfish and hybrids - fair in lower end and good in upper end, using large bucktail flies on deep running lure.

NORRIS LAKE
Water conditions - murky and rising
Bass - fair at night on bush-whackers and in day on minnows. Crappie - some being taken on minnows, deep. Bluegill - good on flies, worms and crickets. Catfish - fair on minnows and worms. Walleye and sauger - fair, trolling bombers and worms.

DOUGLAS
Water conditions - clear and falling
Bass - very good, casting, trolling and still fishing with minnows. Sauger - fair, trolling deep running lures and still fishing with minnows off rocky points and in creek mouths.

FT. LOUDON LAKE
Water conditions - murky and fluctuating
Bass and stripes - good in breaks on bluestays, spoons and flatfish. Bluegill - good on worms and crickets. Catfish

WATTS BAR LAKE

Water conditions - murky and falling
Very little activity due to weather. All species poor except crappie and several are being taken in the Paint Rock section on minnows.

MELTON HILL LAKE
Water conditions - clear to murky and falling
Fishing activity slow due to weather. Few bass and crappie being taken on good on natural bait.

CHILHOWEE LAKE
Water conditions - clear and stable
Bass fair on minnows and rapalas. Trout fair on corn and worms, deep.

LITTLE TENNESSEE RIVER
Trout - extra good on corn, worms and flies around Bacons Ferry and Carsons Island.

HUNTING REPORT

Squirrel hunting - extra good. Several grouse are being taken. Should get better when leaves fall.
Deer gun season opens in November 16 through November 26, 1972. Goose season opens November 15, 1972 and closes January 20, 1973 with daily limit of 5. Only one Canadian goose allowed in daily bag. Duck season opens November 25, 1972 through January 13, 1973, with daily bag limit of 4. Only two wood ducks are allowed in daily bag limit. Quail and rabbit season opens November 18.

REDSKIN BIRD BIRDS - Whooping up the feeling of victory in Friday night's 21-10 triumph over Rockwood are Loudon cheerleaders left to right: Shannon Locke, Cathy Estes, Pat Turbyfill, Debbie Rowe, Teresa Everett, Janice Watkins, and Patti Kirkland.

TWO MEN WERE injured, one critically, when this car skidded out of control on wet pavement on 175 near the new Highway 93 overpass about 1:30 Tuesday morning. Not 7. Injured were the driver, Charles Jarvis, of Alcoa Crossroads, with several internal injuries, and Cecil Hatcher, who complained of a back injury. Rescue Squad member Ray Houk, who accompanied one of the victims to the hospital, said the car, traveling west on 175, went out of control near the first yellow caution light and overturned in the median strip several times.

Mustangs Gallop To 38-0 Win

The Loudon Mustangs finished their 1972 season with a resounding 38-0 win over the Lenoir City 90 pound team last Saturday night. Coaches Schrimsher and Watkins shifted some players around and it appears that they got a more effective use of the available talent.
John Carshel lined up at quarterback with Boo Boo Hawkins, Tony Schrimsher, Carl Johnson and Jerry Townsend sharing the running duties. Six different players scored points. Hawkins scored three touchdowns, Schrimsher made one touchdown and Carl Johnson, carrying the ball for the first time made a touchdown and one two point conversion. Carl has been shining on defense all season. Dennis Eldridge made two points as did ends, Kerry Brantboover and Greer Carey.
The blocks pushed the Lenoir City defense completely out of the way for several long running gains. The alert Loudon defense kept Lenoir City scoreless. Leading the defense were David Lambert, Tim Moore, Mark Gibson, and Walter Henry, former nose man who now covers more territory from his linebacker position.
The Mustangs have won four conference games and two non-conference contests for a 6-4 record for the year.

Magnavox introduces Modular 100% SOLID-STATE Color TV with exclusive VIDEOMATIC™

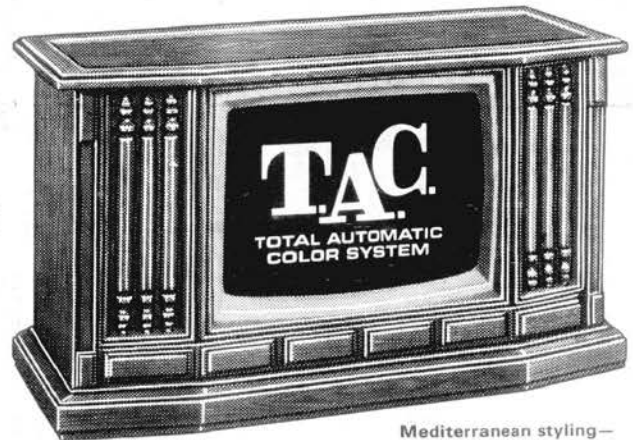

...the world's most Totally Automatic Color TV!

Contemporary—
model 7582

Early American—
model 7584

Mediterranean styling—
model 7586

YOUR CHOICE

\$699

Come see the first color television that watches you! The Videomatic Electronic Eye watches the light you watch television by and automatically adjusts your picture for color, brightness and contrast. Videomatic gives you a bright, clear, sharp picture . . . day or night . . . *automatically!*

Modular 100% Solid-State Chassis—for more performance, more reliability and more serviceability than ever before! No tubes to heat up or burn out. Should servicing be necessary, it's no big deal. Everything is easy to get to and quick to fix!

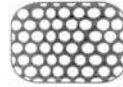

Instant Automatic Fine Tuning—"remembers" the precise setting for every station signal and keeps it locked in for a perfectly-tuned, precise picture—on every channel, every time!

Automatic Chroma Circuit—reduces variations in color intensity—and gives more uniform color from station to station . . . *automatically!*

Automatic Tint Control—brings natural flesh tones. No green people. No purple people. You'll always see "people" people in every scene, on every channel . . . *automatically!*

The Brilliant Matrix Picture Tube—incorporates today's most advanced tube technology. Every color dot is completely surrounded by opaque blackness to reduce reflections and give you far better contrast—for more brilliance!

WARRANTY

ONE FULL YEAR PARTS AND SERVICE. If anything goes wrong with your TV during the first year and it's Magnavox's fault, it will be repaired—with no charge for labor or parts. And, if your picture tube becomes defective within two years, it will be exchanged for a new tube. In the first year, Magnavox pays for installation; in the second year, you do.

CARD OF THANKS

We wish to express our sincere appreciation to all our friends, neighbors and loved ones that stood by us in such sad times of sorrow during the death of our husband and father that loved us, Joe H. Cathey. We want to express our deepest appreciation to Kames Funeral Home and to Rev. Jewell Watson and the pallbearers and the girls that sang. We won't ever forgive you all. God Bless each and everyone.

IN MEMORY

In loving memory of Mrs. Willie Clemmer who died November 6, 1972. Sadly missed by children, grandchildren, great-grandchildren and sister.

ATTEND CHURCH EVERY WEEK

Advertisement for church attendance with a central image of a church building and various text boxes listing church names and services.

What Does It Take To Build A Church? Perhaps you give to the church on the casual basis... The only possible answer is - the love of God. True love of God prompted them to sacrifice and give to the sanctuary which also serves them. The love of God compels them to meet their needs with others who serve them. Their love of God compels them to 'go and tell others'.

HALLOWEEN PARK DAMAGE—Loudon Police Chief John Lennex, Maintenance Supervisor Ray Lovin and city employee Jim Swiney are shown looking at the

Damage done to the Lions Municipal Park at Roberson Springs Halloween night. Estimates of damage run from \$500 to \$1000.

BACK IN THE GOOD OLD DAYS

The area in Loudon County at one time contained some very large farms. Many of them have been sold and are now smaller farms or housing and industrial sites. But for a number of years farming was the largest source of work in our area. I don't know what the figures are, but would

Bill's Landscaping Service

Bill Birkholz Phone 458-2319

guess it to be far smaller than some years back. Our thinking about large farms was prompted by an old and very interesting picture we have this week. This photo was made on the Dunlap Farm in the Greenback area. I don't know the exact date of this picture but it was taken some years ago. This is quite a thrashing operation as can be determined by the number of men standing at various locations in the picture. As anyone can tell it was very hard work and long hours. Those who worked at this usually followed the thrashing machine through the whole thrashing season. We have always heard that these crews always had excellent appetites. We also know they consumed a great quantity of water because I worked as water boy for one of these crews one summer.

Another old picture we have this week is a family group which we believe to be a Russell family. The Ike Lawson family of Philadelphia loaned us the picture. We have tried to contact them for more information but have not been able to.

Anyway we are using the picture with the hope that someone will enlighten us as to who it is and where it was taken. If anyone can help, please give us a call.

A fellow was asking me the other day if I remembered the little folding aluminum drinking cup people used to carry in their pocket. Yes, was my answer and I am sure many of you, our readers, recall these. They were supposed to be sanitary. In those days every home, church, school and many business places had a water bucket and one dipper that everyone drank out of. The little folding cups were carried so people wouldn't have to drink out of the public dipper. Didn't make much sense since if the germs were on the dipper they certainly would have been in the water. Just think, all of us from the good old days lived through it.

Will all the commotion that's been raised over things that are said to have an effect on our health in the past few years, it makes one wonder how we managed to make it this far.

We have had some offers of pictures from a lot of our readers in recent months. Some of these we failed to make notes on so call if you please give us a call if you have pictures we might use in this column.

Vandals Damage Loudon Park

Halloween vandalism was a little heavier in the Loudon area this year than in the past several years.

Vandals did between \$500 and \$1000 in damages to the Lions Municipal Park at Roberson Springs in Loudon, according to City Police Chief John Lennex.

Some 10 concrete picnic table seats were taken off and four broken; three barbecue grills were damaged, screens torn off, chimneys turned over, four trash cans missing, and several others overturned, two fountains were damaged, about every light bulb in the park was either broken or taken out, one swing was broken, others tied together,

coke bottles were broken in several areas and tissue paper was rolled over shrubs, trees and play equipment.

Chief Lennex said the damage was done between 6 and 9 p.m. with vandals making at least two trips into the park. He said the park gate was locked and the vandals probably had to cross the creek to get into the park.

City maintenance crews worked most of Wednesday cleaning up the park and repairing damage done. Maintenance Supervisor Ray Lovin said it would be some time before all the park benches and grills were repaired because parts would

have to be rebuilt. Area police had more than usual the number of complaints of egg throwing. One local egg producer reported three cases of eggs stolen. A truck driver passing through had the windshield of his tractor-trailer broken out by an egg.

There was also a noticeable drop in the number of youngsters trick or treating, but there was also a larger number of private and church sponsored parties.

Loudon Accepts FFA Greenbands

The 25th Annual Greenband Ceremony was held Monday night, November 6, at the Loudon High School Cafeteria. Fifty-four Greenbands were accepted into the Chapter and they each received a Greenband pin.

The meeting was opened by the Chapter officers and devotion was given by Lonnie Brewster.

The history of the FFA was given by Kenneth Moore and Tony Clinton. The FFA Emblem was described by Edward Farmer, Paul Lifford, David Cagle, Steve Harrison, Doug Kincaid and Ricky Bettis.

The Motto was given by David Beatty. Danny McEachern, Mike Gray, Tim Almon, Doug Woody and Chuck Tilley.

The FFA Jacket was described by Paul Julian, Randy Ritchey, J. E. Rucker, Dennis Walker, and Darrell Arden.

The Code of Ethics was given by W. Watson, Bill Brakebill and Steve Hill.

Next, the Creed Contest was held. This included the two

October Rainfall Twice Normal

October rainfall averaged 8.2 inches across the Tennessee Valley, about twice the normal October amount, TVA reports.

So far this fall season has been more like spring in terms of rainfall, with a total of 10.6 inches in September and October—the wettest in recent years. Normally fall is the region's dry season. Typical rainfall in the Tennessee Valley averages about 4 to 5 inches a month through the winter, spring, and summer, but drops to a normal 2.6 inches in October.

Dennis Walker, Tim West, Scott Tilley, and Ronald Maynard.

Thank You

Our thanks to the hundreds of persons who visited our new sales lot on Highway 95 in Lenoir City during our grand opening last weekend. We know that everyone did not get waited on and invite you to come back soon.

We are now adding to our inventory of excellent late model cars and believe that we might have what you are looking for.

Thank you again for your interest.

CARBIDE CONTRIBUTES TO POOL-PARK-Loudon Union Carbide Films Packaging Plant Manager Ray Birkholz, right, is shown presenting Bernie Ray Swiney, Loudon City Commissioner of Recreation a check for \$3000 which represents a contribution by the company toward the construction of a \$200,000 swimming pool-park complex in Loudon. It was also learned that the Plant's Employee Recreation Association might also make a contribution toward the pool-park project. Carbide's contribution brings to \$2000 the amount contributed by local industry for the project which is scheduled for construction late this year.

NEW CITY LIMIT SIGNS-Loudon City Commissioner Mrs. H.H. Richesin and Mayor Joe Carter are shown with one of the two new city limit signs recently purchased by the city to be placed at the city limits on each end of town on U.S. 11. The signs were produced by a firm that makes historical markers.

For Ambulance Service Call 458-4311

Rescue Squad To Answer Emergency Ambulance Calls

The Loudon County Rescue Squad has undertaken the task after it was learned that the Loudon County Memorial Hospital would not have ambulance service available when the local funeral homes went out of the business at midnight Wednesday.

50 Cases On Circuit Docket

More than 50 cases are set for trial in the November-December term of Circuit Court in Loudon County before Judge Willard Kittrell. Eleven of the cases are land condemnations involving Interstate 75 and most of the others are damage suits resulting from automobile accidents. Trials will begin Monday, Nov. 20 and are scheduled through December 15.

Squire Charged With Shooting

A Loudon County Squire Boyd Duckworth has been charged with felonious assault in the shooting of his first cousin in Sweetwater Monday afternoon, according to records at the Monroe County Jail. It was reported that Duckworth, who lives at Philadelphia, and his cousin, Buster West, who owns Valley Plumbing and Electric in Sweetwater, had been in odds for some time over a family matter. According to records the two apparently met near Atkins Restaurant in Sweetwater, got into an argument which led to a fight and the shooting. West was reportedly shot in the upper leg. It was also reported that the shot fractured West's leg and he was hospitalized at Sweetwater. Sheriff Frank White said that Duckworth posted a \$5000 bond.

Lions Cake Sale Underway

The Loudon Lions Club has more than a ton of fruit cakes for sale. The Club has started its annual sale of Benson's Old Fashion Fruit Cakes. The three pound cakes, sold for many years by the Loudon Lions, sell for \$3.75 each. Cake Sale chairman Charlie Davis said that the profits from the sale of the cakes, which is expected to be completed between now and Christmas, will be used for the school eye screening project of the Lions and other sight conservation projects.

Herald Early Next Week

The Loudon County Herald will be published early next week. Because of the Thanksgiving Holiday the Herald will be printed on Tuesday so mail subscribers will receive their paper before the Holiday. Deadline for all news copy and advertising will be 5 p.m. Monday. The paper will be printed sometime Tuesday and should be on the news stands sometime Tuesday afternoon and delivered by mail on Wednesday.

Community Thanksgiving Services Are Scheduled

The annual Community Thanksgiving Service will be held Thursday, November 23, at 7:30 p.m. at the United Methodist Church in Loudon. Rev. Milton Bodden, pastor of First Baptist Church, will be the speaker. Berney Ray (Ikey) Swiney of the Loudon Methodist Church will be in charge of choir and music arrangements. Rev. O.C. Rainwater, secretary-treasurer, extends a cordial invitation to the entire community to attend this service of worship and praise.

Philadelphia Papers Sent North Again

For the second week in succession the Loudon County Herald for Philadelphia subscribers found their way to Philadelphia, Pa. Herald Editor Larry Cate, again expressed his regrets to Philadelphia area subscribers. The Loudon Post Office where the papers are mailed from, said they put a large tag on the bag containing the newspapers, but apparently the people in the Lee Street Post Office Annex in Knoxville paid no attention to the state name or the zip code. Strong complaints were registered in the Knoxville office by both the Herald and the Loudon Postmaster, Ed Marrs.

Two Charged After Packing Co. Breakin

Two young Lenoir City men were arrested by County Deputies early Wednesday following a break-in at Keener Packing Company. Arrested were Frankie Parris and Donnie Graves. County Deputies Jake Chapman and Luke Bright were on routine patrol about 1:05 a.m. when they saw two persons removing items from the building. When they approached the subjects ran. The deputies, then joined by J.W. Maaburno, confiscated a 1965 Pontiac registered to Parris. The car contained six large hams, 12 pounds of bacon, 12 pounds of bologna and a bank deposit bag containing \$213 in un-cashed checks. Parris waived preliminary hearing in General Sessions Court and was bound to the grand jury. Graves has a preliminary hearing Friday and was bound over. Both had bonds set at \$7500 under charges of 3rd degree burglary.

Beer Permit Increase Approved By City

On recommendation of Mayor Joe Carter, Loudon City Commission Monday night approved an increase in the number of beer permits allowed in the city. Previously the city had allowed only three permits, one on-premises permit and two off-premises. It is understood when final reading on the increase is completed the permit would be granted to Highland Avenue Food Market for off-premises package beer sales, subject to recommendation of the beer board. It was also reported that the terms of all three members of the present city beer board had expired and a new board was appointed. Jake Bivens was reappointed as chairman to a three year term. Burton Petty was reappointed to a two year term and Joe Moarfield was appointed to a one year term replacing Millard Parks who could not serve because of bad health. The Commission approved the taking of bids for the purchase of a new pick-up truck for the City Service Department. City Administrator reported that the city would be receiving checks in December and January totaling about \$24,000 in federal revenue sharing and the truck could be paid for out of this money.

Jaycees Slate Turkey Shoot

An all day Turkey Shoot will be held Saturday under the sponsorship of the Loudon Jaycees. Project Chairman Jim Lindsey said the shoot will be held on a lot between Railroad Salvage and Loudon Motor Company on U.S. 11. The shoot will begin at 9 a.m. and last till dark. A line of 12 targets will be set up 40 yards from the firing line. The Jaycees will furnish ammunition for 12, 16, 20 and 410 gauge shotguns. Guns will also be available or shooters may bring their own guns. Shots will be \$1 each. Prizes will be 10 to 12 pound frozen turkeys. Everyone is invited to participate Mr. Lindsey said.

BURGLARY LOOT-Loudon County Deputies Jake Chapman, Luke Bright and J.W. Maaburno are shown with some of the loot taken in a break-in while it was in progress. Two Lenoir City men were later arrested in the case.

INTERSTATE 75 CONSTRUCTION-This aerial photo shows work underway in Interstate 75 in the Hotchkiss Valley area of Loudon County between Loudon and Lenoir City. In this photo an area where the highway will have a wide median with wooded area between the northbound and southbound lanes is shown. The highway is to be completed and in use in mid-1974.

officials were fearful that most of the county would be without emergency ambulance service for a period of time until the Loudon County Memorial Hospital could get a program there underway. Squad Captain John Parris said, "The Squad has no other choice but answer emergency ambulance calls. And we will answer those calls that are emergencies," he said. Parris said that the Squad will have two station wagon ambulances plus one that Click Funeral Home has made available to them.

All emergency ambulance calls should be placed through the Sheriff's office by phoning 458-4311. Parris said the dispatcher at the Sheriff's Office would know at all times who was operating the ambulances and where they were stationed and this would allow them to give the best service.

He said that at night the ambulances would be stationed at the Rescue Squad building on U.S. 11 and a crew would be there at all times during the night. During the day he said the ambulances would be assigned to members of the squad who were available and that they might be at their places of business, homes or other places in the county. The squad owned vehicles are also equipped with two-way radios.

Captain Parris said he wanted to make it clear that the Squad was not going into the ambulance business but they feel an obligation to provide emergency service if there is none available through other agencies in the county. He said he hoped that the Hospital could get their program underway as soon as possible and that the Squad would provide them with assistance in anyway possible. He said that after the Hospital Ambulance Service is started the Squad would continue to provide back-up emergency service when requested by the Director of the County service.

It was reported this week that there was no way that the local funeral home operators would answer ambulance calls after midnight on the 15th. The funeral home owners said they had given the county more than a year to find some solution to the ambulance problem. It was learned that the three funeral directors had signed an agreement with each other that if any one of them answered an ambulance call after midnight on the 15th they would pay the other \$300.

Meanwhile the Loudon County Memorial Hospital Board was to meet Wednesday night to take some action toward getting the county ambulance service program in motion. County Court last week passed a resolution offering financial support to a hospital operated ambulance service and instructed the Board to try and have a professional service in operation by January 1, 1973.

Hospital Administrator Gay Hamilton was expected to inform the Hospital Board of possible alternatives to providing service, as he did to county court last week. Hamilton and other officials have already begun looking into the purchase or lease of equipment and applications for employment in the service are being taken and training sessions are underway.

Loudon County Herald For and about Women

Personal Mention

By Mrs. Calvin Lunstford
458-2681

Mr. and Mrs. Arthur Fowler have been in Ireland on a tour with the UT Alumni Association.

Mr. and Mrs. Garner Henley have recently returned from a trip to Liberia.

Mrs. Mary Lou Dorsey and daughter, Lynn, of Loudon and Mrs. Dwight Cagle of Harriman were special guests. Greg Cagle and Dianna will be married, Saturday, November 18.

Simpson-Watson Vows Solemnized

Miss Susan Vaughn Simpson and David Ansel Watson were united in marriage, Saturday, November 4 at Loudon United Methodist Church. The candlelight ceremony was performed by Rev. William H. Horner before an altar decorated with two stands of fern, entwined with ribbon with spiral and seven branched candelabra. Highlighting the decorations was a tree candelabra with burning tapers, and the Trinity candle ceremony.

The couple's parents are Mr. and Mrs. Homer Vaughn Simpson and Mr. and Mrs. Ira H. Watson, Jr., both of Loudon.

Mrs. Bernice Ray Swiney, organist and Berice Ray Swiney, vocalist, performed the wedding music. Special selections included "Whither Thou Goest", "Ave Maria" and "Wedding Prayer".

The bride, given in marriage by her father, was attired in an empire, polyester double-knit gown that swept to a chapered train with imported scalloped chantilly lace outlining the neckline, bodice and sleeves. Her veil was a floor length mantilla of white organza accented with Chantilly lace.

Miss Paula Harris of Birmingham, Alabama, served as Maid of Honor. Bridesmaids were Ruth Simpson, cousin of the bride of Lancaster, S.C.; Lee Wells of

BSU Choir To Sing Here Sun.

The B.S.U. Choir of Cumberland College, Williamsburg, Kentucky, will present a concert of sacred music, Sunday, November 19, at 7:30 p.m. at the Loudon First Baptist Church. The choir will be under the direction of Charles Rice, a ministerial student at Cumberland College.

Michael Morgan, Minister of Music and Youth at First Baptist, stated that information he had received was that the program will be about 50 minutes long and will consist of hymns and contemporary religious music. Some of the selections are numbers written by the Cumberland students. The program will also feature quartets and solo. It will be evangelistic in nature with the injection of personal testimonies during the program.

Mr. Morgan extends a cordial invitation to everyone to attend.

WHITE STORES

Bowers-Murr Engagement Told

Mr. and Mrs. Bobby V. Bowers of Madisonville announce the engagement and forthcoming marriage of their daughter, Kathy, to Michael Steven Murr of Loudon. He is the son of Mr. and Mrs. Ray Murr.

Grandparents of the bride are Mr. and Mrs. Charles Brakett and the late Mr. and Mrs. John Bowers of Madisonville. The groom's grandparents are Mr. and Mrs. Willie Yates of Loudon and the late Mr. and Mrs. Andy Murr of Venable.

The bride-elect is a graduate of Madisonville High and Godsey Beauty School of Athens.

The groom is a graduate of Loudon High School and is presently employed by Maremont Corporation.

The wedding is planned for Friday, December 1, at Westside Baptist Church in Madisonville. All friends and relatives of the couple are invited to attend.

Rowland, Kentwood, La.; Mr. and Mrs. Frank Dougherty, Owensboro, Ky.; Mr. H.Q. Crockett, Martin, Tenn. Sister, Mrs. Helen Hunt Lansing, Mich.; brother, Mr. Walter C. Cook, Detroit, Mich.; Dr. and Mrs. J. T. Hutton, Knoxville; Mrs. Margaret Sentelle, Bristol, Va. Others who came from Knoxville were Mr. and Mrs. William Camp; and Miss Mary Ella Swaney; from Loudon, Mr. and Mrs. Cam Hall and Mrs. Margaret Robinson.

Mrs. Homer Byrd, who underwent major surgery last week in the Knoxville Baptist Hospital, continues to improve and has returned to his home.

Mrs. Itley Jones has been admitted to the Blount Memorial Hospital for observation and treatment.

Born to Mr. and Mrs. Honnie Evans (Alma Pritchett) a son on Saturday Nov. 11 in the Blount Memorial Hospital.

On Sunday Nov. 19 the Centennial of Cloyd Creek Presbyterian church will take place with Dr. Gordon Harold leading the worship service. At noon a pot luck dinner will be served at the Ft. Loudon Electric Guest House near Jess and all in the area are invited. Back at the church at 2:15 Mr. Edwin Best of Maryville New Providence Presbyterian church will be the speaker. Then will follow a historical pageant in which the youth of the Cluster will participate. Former pastors and leaders of the church will be recognized and special music will conclude the program.

Sunday evening Nov. 19 at 7:30 p.m. the annual praise service will take place in the sanctuary of The Presbyterian church with Mrs. Mike Disney in charge. The service is sponsored by the Womens Association and men and young people of the church are welcome. Thanksgiving eve, Nov. 22 at 7 p.m. at the Greenback High School, the annual Community Thanksgiving Program will take place. All

ART WINNERS—Two third grade students at Loudon Elementary School won awards for their participation in the W.S.J.C. "TV Festival" of Art competition. Shown above are Jeff Schrimsher, son of Mr. and Mrs. Robert Schrimsher of Loudon, a student of Mrs. O.C. Rainwater, who won third place in his grade division. He entered a drawing of the sun. Honorable mention winner in the same class was Carla Glass, daughter of Mr. and Mrs. James Glass. A member of Mrs. Burton Petty's class, she entered a drawing of a boat. Both received certificates for their winning entries.

4-H CLOTHING JUDGING TEAM—Teresa Hickey and Carolyn Hickey, daughters of Mr. and Mrs. Hugh Hickey of Philadelphia and Barbara Rucker, daughter of Mr. and Mrs. Sam Rucker of Loudon, were members of the Loudon County 4-H Clothing Team to participate in the State Clothing Judging Contest.

Greenback Community News

By Mrs. S.B. McColium
Phone 956-3017 Greenback

Revival services this week in the Presbyterian Cluster churches began Sunday evening in the Clover Hill church with the pastor, Dr. Hayden Laster in charge. The evangelist, the Rev. Stephen Brown of First United Presbyterian Church, Quincy, Mass. is the evangelist and his first sermon was entitled "The Good News" with a large crowd present. The Monday night sermon was at Pine Grove on "Persecution". Tuesday nights title was "The Grace of God" at Bakers Creek. Wednesday night he preached on "The Biblical Formula for Marriage" at Greenback and Thursday evening, Rev. Brown spoke on the "Miracle of Ministry". The people of this area feel fortunate to have enjoyed the blessings of the gospel services planned by the pastors of these churches and the messages of the Rev. Brown.

Womans Club Plans Bazaar

The Loudon Womens Club will hold a Christmas Bazaar on December 9 at the Loudon United Methodist Church. The doors will open at 10 a.m. There will be arts and crafts, Christmas gifts and decorations, white elephants, baked goods, a country store and the garden shop. Patrons are invited to shop for unique gifts and stocking stuffers. Lunch will be served.

Library Is Club Program

The Loudon Womens Club met on Thursday, November 9 at the Loudon County Library. Mrs. LeRoy Custard, chairman for the program, introduced the guest speaker, Mrs. Harvey Sproul, who presented a program on Children's Library Work and Children's Books. Mrs. Sproul demonstrated the type stories children like to be told. A short business meeting followed the program.

7 From Here In Teaching Program

Seven University of Tennessee at Knoxville students from Loudon County are participating in the UTK Student Teaching Program this quarter. "Student teaching is the culminating laboratory experience in the teacher preparation program in the UTK College of Education," said Dr. William Butefisch, director of student teaching. Student teachers from Loudon County are: Sharon Diane Clevenger and Joe P. Pass of Lenoir City; Mary Ann Ritchey, Marsha Jane Anderson, and Evelyn Jean Brooks of Loudon; Jerry Upton and Kerry Upton of Philadelphia.

Kingston, Lenoir City In Region Two Show Down Friday

Speaking of Sports

By DANNY GIBSON
Sports Editor

The Loudon Herald is naming its All Loudon County Football team for the 1972 season this week. Thirteen players representing Greenback, Loudon, and Lenoir City are being honored for their hard play, sportsmanship, and standout abilities.

A total of 20 merchants from the three communities joined in paying tribute to the Loudon County grid stars and helping make it possible for trophies and certificates to be awarded to each member of the team. The merchant patronage was much better than in basketball last March and this tends to make us believe even stronger that Loudon County is stocked with predominate football fans.

Two All East Tennessee selections head the list of All Loudon County performers. Both hail from Lenoir City's talented football team of the past season.

TOMMY COOK, a 180 pound senior quarterback, has played split end for the Panthers this past fall, runningback, is the team punter and kickoff man. Cook returns opposing punts and kickoffs, was the starting field general until a broken collar bone sidelined him in the Kingston game and still he was back in just a few weeks running the second team offense and punting and kicking field goals. Cook is probably the most versatile player on the team.

TIM GALYON, Lenoir City's senior center, shared All East Tennessee Honors with Cook. The 225 pound lineman is considered a top college prospect and is backed by many in feeling he is the best lineman in the County this year.

Loudon's **BYRON LAWSON**, a senior, had much praise from coaches and fans as his blocking and tackling proved steady for the Redskins all year. Byron started on Loudon's football team as a sophomore and has been most consistent during his career. Coach Gary Dutton, who handles the Redskin line has made the statement that Lawson was the smartest lineman he has ever coached at not getting out foxed by opposing blockers.

JACK FICKEY, senior lineman for Loudon, had 84 tackles in nine games and played outstanding in the 7-0 loss to Dayton and the 21-10 victory over Rockwood in the season final.

TIM GUIDER, junior runningback and defensive linebacker for Loudon rounds out the members from the Redskin camp making the All County team. Guider rushed for 563 yards this year on 122 carries and made 84 tackles in

Twenty-four of the top three in Tennessee will take part in 12 TSSAA First-Round Football Playoff games this Thursday and Friday, with the winners advancing to semi-final action on Nov. 24.

Four games will be held in each of the three classifications in Tennessee.

One game—Knox Central vs. Tennessee High of Bristol—is slated for Thursday, Nov. 16, at Neyland Stadium at the University of Tennessee with the kick-off set for 8 p.m. All other play-off games will be on Friday night, Nov. 17, and will start at 7:30 p.m. (All starting times are local times.)

Advance tickets are \$1.50 for both students and adults. The advance ticket sale will end the day before the play-off game. All tickets sold on the day of the play-off game and the gate will be \$2.50 each for both students and adults.

developing into a college prospect for his senior year.

Greenback has four players honored on the team with **TONY LINGINFELTER**, junior Cherokee quarterback, heading the list of elite. Tony carried the ball 78 times for 371 yards and tossed 155 passes connecting on 68. Linginfelter accounted for 1139 yards through the air and was intercepted but eight times. Tony played the defensive end when the Cherokees had to give up the football and his 52 tackles and five fumble recoveries were instrumental in this year's winning marks at Greenback.

TIM HAMMONTREE, junior fullback, made the team off his excellent defensive credentials and hard nose blocking. Tim rushed for 227 yards and was in on 95 tackles, 11 individual stops coming behind the line of scrimmage.

DARRELL MCKEEHAN, was the offensive surprise of the Cherokees. The junior running back will not be eligible for his senior season due to his age but gave the Greenback team plenty to be proud of in closing out his high school career. McKeehan was used primarily on offense and his 121 rushes for 626 yards led the Greenback team in both departments.

MIKE EVANS, lineman, was not always mentioned in the headlines every week but his team play resulted in some clutch gains for Greenback offense and his defensive play speaks for itself. Evans was in on 123 tackles and recovered five fumbles. Eight times he caught opposing ball carriers behind the line of scrimmage. His tackling efforts were the best on the Greenback team.

Lenoir City with the best team record in the County fills out the rest of the team. **MIKE HOOKS** and **LEE ARNOLD** are the top choice at the end positions. Not so much of a threat at pass

(Continued on Page 9)

An interesting aspect of the first-round and semi-final games is that if any of those games end in a tie, a tie-breaking procedure shall be used. This must be done so that a team can advance to the next round of the play-off series.

Prior to the start of each play-off game the officials and coaches of both teams will flip a coin to determine the home team. Then, if a game does end in a tie, the tie shall be broken in the following manner:

Immediately after a tie game, the visiting captain calls a flip of the coin and the winner gets the choice of offense or defense.

The offensive captain has the choice of direction to put the ball in play and after the two-minute rest period the team gets the ball, first and goal at the 10.

The team has four downs to score, unless there is a loss of possession. If a touchdown is scored there will be a try for an extra point or points. A field goal is permitted at any

time.

After loss of possession, the opposition gets the ball at the 10. The same end of the field is to be used providing equal game conditions.

The team with the greater number of points in the overtime shall be declared the winner with the final score determined by total points in both regulation and overtime.

The play-off games, sites and directors are as follows:

Class AAA, Region 1—Tennessee High in Bristol vs. Knoxville Central at the University of

Tennessee in Knoxville. Game Director is Gus Manning.

Class AAA, Region 2—Chattanooga Baylor vs. Franklin County at Winchester. Game Director is James Douglas.

Class AAA, Region 3—Nashville Overton vs. Nashville Pearl Vanderbilt University in Nashville. Game Director is Walter Campbell.

Class AA, Region 4—Memphis Hamilton vs. White Station Halle Stadium in Memphis. Game Director is Bill Todd.

Class AA, Region 1—Maryville vs. Clinton at Dalton-Bennett in Kingsport. Game Director is Tim Briley.

Director is Hal Lefew.

Class AA, Region 3—McDon County vs. Trousdale County at Hartsville. Game Director is Floyd Jackson.

Class AA, Region 4—Jackson North Side vs. Memphis East Botolph Stadium in Jackson. Game Director is Thurman Reynolds.

Class A, Region 1—Jacksonboro vs. Maury at Danfordge. Game Director is William Taylor.

Class A, Region 2—Bledsoe County vs. Sweetwater at Sweetwater. Game Director is Jim Butler.

Class A, Region 3—Cornersville vs. White House at White House. Game Director is S.S. Hobbs.

Class A, Region 4—Lake County vs. South Fulton at Lake County. Game Director is Bob Jarvis.

Hartsville (10-0) Nips Lenoir City (8-2), 6-2

Lenoir City will carry an 8-2 record into Friday night's game with Kingston for the Region Two playoff berth in the "AA" state championship race.

Hartsville, Region Three power, dropped the Panthers Jack a game of defense Friday night at Hartsville.

Lenoir City took a 2-0 lead on a safety by Mike Hooks, but the Yellow Jackets hammered away at the stout Lenoir City line until just 1:05 remained in the game before striking for a touchdown on 17 yard pass and the victory.

Lenoir City took the opening kickoff and drove 57 yards in 11 plays to the Yellow Jackets 44 yard line. The Hartsville defense dug in and the Panthers could get no closer to the end zone.

Hartsville moved the ball only to the 30 yard line before having to give the ball back on a punt. Lenoir City moved back to the 33 yard line before having a pass intercepted at the 10 yard line to stop the drive.

Mike McKinney returned the favor some minutes later by snagging a Hartsville aerial at the 40 yard line. Lenoir City could not gain any momentum from the change of hands of the ball.

Hartsville found the Lenoir City defense just as tough and punted into Lenoir City territory. McKinney whipped a 30 yard pass to Hooks to again give Lenoir City a down hill slant on a touchdown. The Panthers continued to move the ball, but an alert Yellow Jacket defensive back stole another Lenoir City pass at the five yard line. The Hartsville tried to be a hero and return the ball for all he was worth. The idea proved disaster for Hartsville as Mike Hooks the intended receiver of the pass caught the Hartsville player in the end zone attempting to retreat for blocking help in moving the ball up the field. Thus a safety was registered with six minutes left in the half.

Lenoir City received the free kick and still could not mount an offensive attack. Hartsville took over at its own 44 yard line and marched down the field to the Lenoir City 33 yard line where David White and Donnie Stamey tried to prevent a touchdown on fourth down but Hartsville.

Lenoir City moved the ball to midfield in the last few seconds, but a turnover recovered by Hartsville wiped out all chances for Lenoir City to win.

A Lenoir City victory would have been a blow to the

as only seconds remained in the second quarter, after a fumble by Hartsville on the first offensive series of the third period. Hartsville yielded a first down and finally halted the Panthers at their 30 yard line. Tommy Cook was short on a 25 yard field goal pass from the Yellow Jacket 25 yard stripe.

Lenoir City hung tight on defense and soon had the ball again. A drive to the Hartsville 18 had the Panther followers crossing their fingers that this would be the offensive series that would break the spirit of Hartsville.

The touchdown hopes died on a fumble with Hartsville recovering.

Hartsville combined a rushing offense with some short passes to finally rest the ball on the Lenoir City 10 yard line. Lenoir City was not about to give any more yardage and held its ranks with four hard tackles.

The Panther moved the ball to the 40 yard line with 2:30 left in the game before Hartsville was able to have the ball for what would probably be their last chance of the game. The Yellow Jackets managed to get the ball to the Lenoir City 18 yard line when it appeared the Panthers had stopped the drive. Hartsville tried a fourth down desperation pass and to the surprise of everyone including Yellow Jacket receiver the ball was caught just as he ran out of the back of the end zone. Hartsville had scored with a minute left on the game clock. The Panthers stopped the two point conversion attempt for a 6-2 score.

Lenoir City moved the ball to midfield in the last few seconds, but a turnover recovered by Hartsville wiped out all chances for Lenoir City to win.

A Lenoir City victory would have been a blow to the

SHUBERT GETS ROUGH WITH INDIANS—Jane Shubert came out to play Tuesday night in the basketball game opened for the Loudon basketball teams. Jane goes down on one knee in battle for this loose ball with a Walland guard. Shubert totaled 15 points for the game.

Walland Girls, Farragut Boys, Fall To Loudon In Cage Opener

Loudon opened its basketball season on a winning note Tuesday night as the Loudon Lassies turned back Walland 50-40 and the Loudon boys smacked a 56-45 loss on Farragut.

The Loudon girls got a near perfect scoring balance from its offensive trio of Marilyn Smith, Debbie Hawkins, and Jane Shubert. Smith and Hawkins tallied 16 points each and Shubert was a point shy with 15 counters.

Debbie Hawkins carried the hot hand throughout the game making eight of 10 shots. Shubert hooped in five baskets in a dozen tries. Smith hit seven shots out of 22 attempts.

The Redskin sextet turned the game over to reserves in the second half after rolling up a 29 point advantage in the third stanza.

Loudon played without the defensive services of Gloria Brown, but got excellent jobs from Yarbber Harrison and Connie Huskey and Susan Haskey, who had their own private concert by leading the Loudon team with seven rebounds each.

The Loudon boys uncorked their 1972-73 edition with a up and down victory over Farragut by a 56-45 score.

William Camder directed the triumph with a standout performance both offensively and defensively. The 6'2" center filled the nets for 24

points on 12 field goals. He only shot 18 times and capping Tuesday night as the Loudon Lassies turned back Walland 50-40 and the Loudon boys smacked a 56-45 loss on Farragut.

Mike Messamore and Bill Collins were steady scoring partners in supporting Camder's first varsity start, hitting for 13 points each.

Messamore nosed out William for top rebounding honors getting 15. Collins had nine rebounds for the game. Rodney Bivens turned in a fine job of ball handler and playmaker. The senior guard had few mistakes in the game and looks very confident in directing the pace of the game. Butch Brown and R.L. Evans shared playing time at the other guard position as Coach Watson little room to substitute in the first game for both teams.

Loudon hit a remarkable 50.2 percent for their first time out making good on 27 of 52 shots. Farragut pop the cords for a respectable 41.6 percent on 26 field goals out of 62 shots.

Loudon played a fine game with a lot of team hustle and team work which prompted a 33-21 half time lead. Farragut got the Redskins to get crossed up in assignments at the start of the third quarter with a full court press. Loudon went five minutes and 43 seconds without a basket as center filled the nets for 24

Game and Fish Commission

NOVEMBER MARKS OPENING OF MAJOR HUNTING SEASONS

Tennessee hunting gets down to business this month with the opening of deer, waterfowl, wild boar, quail and rabbit seasons.

The quail and rabbit season opens November 18, with daily limits of 5 bunnies and 10 quail. The deer gun-archery open seasons begins November 16 in all zones, with bucks having antlers 3 inches or more in length the only legal targets. Opening the same day will be the wild boar season in Overton, Pickett, Fentress and parts of Cumberland, Scott and Morgan Counties.

Waterfowl hunters will open their season November 25th, with a daily bag of four ducks except that only two of these may be wood ducks. Canvasback and redhead ducks may not be taken this year. Of particular interest to Zone I (East Tennessee) deer hunters is the special deer season in Claiborne, Hancock and Hawkins counties. A three-day season (Nov. 16-18) will be in effect there, with quotas of 60 bucks each to be taken from Claiborne and Hawkins counties, and 20 to be taken from Hancock County. In the event any county does not reach its quota during the first three days, that county will hunt again on November 25. Special checking stations will be set up in all three counties and deer taken must be checked through one of the stations.

Tennessee's Cumberland Plateau wild boar population has grown significantly, according to all reports, and should offer very good hunting this year. The pertinent to Cumberland, Scott and Morgan counties north of Interstate 40 and west of U.S. 27 and all of Overton, Pickett and Fentress counties will be open concurrent with the Zone II deer season, although the use of dogs for boar hunting will not be allowed. This area could very well offer the best wild boar hunting Tennessee hunters have experienced in some time.

The steady march of cold fronts across Tennessee in past weeks has put many mallards and black ducks into the state with regularity, brightening waterfowlers' hopes for a good season. Aerial surveys made by Game and Fish Commission personnel since mid-October have shown steady increases of duck populations on Commission waterfowl management areas, where pumping is in progress and running according to schedule.

Last year's mild winter, while limiting many hunters in their success, was good for good quail and rabbit populations in most areas of the state. Periodic population counts have led Game and Fish Commission biologists to believe populations of both these popular small game species are well above figures

for recent years. Spring goods dealers across Tennessee have reported increased sales of archery tackle and rifles, apparently prophesying an increasing number of deer hunters this year. Much of this increased activity has been brought about by a deer herd now numbering well over 100,000.

Weather, say Game and Fish Commission officials, is determining just how successful Tennessee hunters will be this year.

CHEROKEE LAKE
Water conditions - clear and falling.
Bass - good in early morning and late afternoon, using plastic worms and bombers fair at night using hell divers. Crappie - good, fishing 12 to 15 feet deep with minnows. Rockies and hoppers - fair lower end and good in upper end, using large bucktail flies on deep-running lures.

NOBLE LAKE
Water conditions - murky and falling.
Bass - fair at night on black bug-buckers or flies with pork rind; also, large minnows around rocky points. Crappie - poor using minnows. Rockies and hoppers - fair on worms and doll flies around rocky points. Catfish - fair during the day.

NORRIS TAILWATER
Trout - good on worms, flies and corn.
WINDGLASS LAKE
Water conditions - clear and falling.
Bass - very good, casting minnows and still fishing with minnows. Sauger - fair trolling deep-running lures and still fishing with minnows off rocky points and in creek mouths.

LOUDON LAKE
UPPER END
Water conditions - muddy and fluctuating.
Stripes and bass - fair on spoons and shysters. Crappie - poor. Catfish - fair on cut bait and shad minnows.

LOUDON LAKE
LOWER END
Water conditions - clear and fluctuating.
Stripes and bass - fair on goby blades, spoons and cut bait and shad minnows. Crappie - poor. Bluegill - good on worms and crickets.

MELTON HILL LAKE
Water conditions - muddy in upper end, clear in lower end and fluctuating.
Bass and stripes - fair on jigs, plugs and minnows. Bream - good on worms and flies. Catfish - fair on worms and minnows. Crappie - fair on jigs, plugs and minnows.

CHILHOWEE LAKE
Water conditions - clear and stable.
Trout - fair on corn and worms. Bass - fair, using rubber lizards, water dogs, minnows, doll flies and pork rind.

LITTLE TENNESSEE RIVER
Water conditions - murky and fluctuating.
Trout - fair on spinners, spoons, corn and worms.

Gordo Watson Proves "Little Man" Can Make A "Big Dent" In College Football

The University of the South has found a serious threat in Gordo Watson, a five foot nine inch, 165 pound sophomore transfer from Loudon. He has made quite an impression on Swannee Head Football Coach Shirley Majors who hopes Gordo's presence in the offensive lineup will last for Gordo's remaining two years.

Gordo spent his freshman year at Davidson hoping to be a highlight in their offense. After spending most of the time playing on a freshman team that won one of its ten games he was told that he wasn't a place for a ball player of his size anywhere in college football. He then transferred to Swannee intending to prove his worth on the gridiron.

Gordo was forced to sit out the first three games of the

season due to a pre-season operation. But he soon got together with the rest of the Swannee offense and became the team leader in total offense. He did this by amassing 538 yards in almost every way possible in the last two games of the season. Without a doubt his three receptions totaling 73 yards, the last a 20-yard touchdown in the last minute of the game, was the key to Swannee's 29-25 victory over Wabash last weekend.

Gordo believes that the team will be able to cope with the loss of Swannee's five super captains even though they showed great leadership both on and off the field. He also sees many bright spots for Swannee football with forty returning players for next year's team.

GORDO WATSON

Lenoir City Sweeps Dayton In Opener

Big Jim Harris, a 67" transfer student from Michigan made his initial start for the Lenoir City Panthers Saturday night and the results were most impressive. Harris bucketed 19 points on eight field goals in 12 tries and gathered eight rebounds to pace the Panthers to a 85-46 trouncing of Dayton.

Joining Harris in the route was Tim Cunningham, who had 16 points and 11 rebounds. Doug Williams hit on five of seven field attempts to score 12 points.

New Panther players got their name in the scoring column as Charlie Dye ran the Lenoir City offense with authority and registering eight assists.

Porter Wins Twice At Greenback

The Porter Panthers swept a basketball twin bill Tuesday night at Greenback. The Panthers won the girls game 60-29, but had a more difficult road in slipping past the Cherokee boys 53-47.

Mari Beth Hammonree propelled the losers with 20 points. Kathy Broome added nine and was the only other Greenback player to score.

Porter had a 19-8 first quarter advantage and Cherokeees were never able to recover.

In the boys game Greenback proved they may be ahead of their practice program even though they lost 53-47. The Cherokeees with just five days of practice to their credit trailed 13-10 after the first quarter. A second period surge regained the lead for Greenback and they held the edge till the middle of the fourth quarter. The Cherokeees had a five point working margin at one point. In the contest but began to go down hill late in the ball game when

Illinois Team Enjoys 62-Game Football Streak

Somewhere along the way it's got to end. The football fans in Pittsfield know it, they just ask that their team's 62 game win streak not end tonight in a season-ending contest against South Shelby High of Shelby, Mo., victorious in its last two outings 75-0 and 72-0.

"They say that every week," laughs Pittsfield Coach Fred Erickson. "The fans keep saying they know the streak will end and they say they'll accept it as long as it isn't against whomsoever we're playing that week."

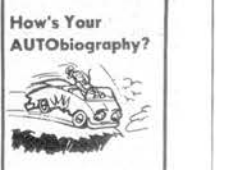

"Pressure? I just don't realize how much pressure there would be when I took the job," Erickson is in a unique position. Usually, a new coach takes over a losing team. But Erickson inherited the team this season when Don Pollard left and became an assistant coach at Western Illinois University, his alma mater.

Pollard took over at Pittsfield in 1965 when the team won one game, tied three and lost five. Then the Saukes

How's Your AUTOBiography?

Restrict fishing on Doe Creek on opening day after 6 a.m.; add Henderson Creek to the wild-stream system at Tellico; remove the limits on stripes in South Holston Lake and also raise the trout limit from five to seven there, and open portions of the Holston River to giggering for rough fish.

The meeting will be at Evans' Mill Lodge on Center Hill Lake.

Greenback Splits Opener With Lanier

Greenback opened its basketball season Friday night at Lanier with a split. The Greenback girls bowed 60-54, while the Cherokee boys rolled to a 59-56 decision.

Mari Beth Hammonree, picked up where she left off as a junior, ripped the nets for 20 points. The offensive minded Hammonree hit on 15 of 34 shots from the field for a 44 percent accuracy.

Kathy Broome and Sandy Hammonree added eight and seven points respectively for the Cherokeees. Shirley Dolsen led the defense, snaring five rebounds.

Greenback hit on 21 of 49 shots for 41 percent from the field. Lanier made good on 26 of 74 shots for 38 percent. Both teams hit 50 percent from the foul line with Greenback hitting 12 of 34 and Lanier nine of 18.

The Greenback boys, with only four days practice time behind them, failed to a 17-17 first quarter lead and never trailed in out lasting the Eagles 59-56.

Larry Ritchey gunned in 22 points to lead all scorers. Ritchey hit an 10 of 24 shots from the field and was sup-

ported by forward Joe Mainor with 13 points. Bill Kyker dumped in 11 counters to round out the Green attack. Tony Lingfield ruled the backboards, pulling down 20 rebounds for the Cherokeees.

Neither team shot well with Greenback hitting 21 of 66 shots for a cool 32 percent. Lanier hit 23 of 66 for 34 percent. The Eagles won the backboard battle with a 49-39 edge. The difference in the game was at the foul line where Greenback hit 17 of 32 tries compared to 10 of 17 for Lanier. Both teams had 19 turnovers.

1972-73 Loudon County Basketball Preview

The new basketball classification of "S" and "L" schools with the division split at 500 students has caused the Loudon County Secondary School Athletic Association to reclassify its member schools for the 1972-73 season. Schools will participate in the large division of schools and the new District Seven format. In this group of teams will be Clinton, Dayton, Harriman, Huntville, Kingston, LaFollette, Oak Ridge, Rockwood, and of course the Panthers, Oak Ridge, Clinton, Harriman, and Loudon City appear to be the preseason pick to finish high in the district standings.

Redskins will be a dark-horse contender with McMin Central and Alcoa. The expected bosses for this year: McMin Central and possibly Bradley County are the teams to beat in the girls play. Loudon City and Kingston are figured to be the top teams in the staff play of District Seven.

Both Loudon City and Loudon will be included in the Region 11 playdowns. District Five (Knoxville city teams) and District Six (Knoxville County schools) will meet to see who finally reaches the state tournament level.

Greenback '14, a small division team, will compete in District Three with Friendsville Academy, Knoxville Catholic, Knoxville TSD, Knoxville Webb, Porter, Lanier, Seymour, Harrison, Chilhowee, Townsend, Friendsville, and Walland. District Three and District Four will meet to see who is the Region 11 "S" representative.

Friendsville and Knoxville Webb have been tabbed the teams to beat for a berth in the region play. Porter and Friendsville are the top girl contenders at this time.

...one returning in an easy basket... Bedford had four the streak, the first after 54 victories.

Pantherettes Lose Cinderella Tag, With Veteran Starters

The Loudon City Pantherettes under the direction of Coach Glenn Williams surprised several teams down the stretch of last season. The youthful Pantherettes (predominately sophomores) hit their season peak with an upset victory over always tough Bradley County sextet in the regional semi-final round.

The Cinderella team of old District Nine with its pleasing 15-12 record as a launching pad should be a bonafide title contender for the new District Seven "L" classification. The Pantherettes may find the regional showdown a bit spicy, but still are worthy of equal gym space with Bradley and Everett.

Marietta Blackburn returns at forward for her junior year. The high scoring sharpshooter should be one of the best at her position in the entire state. Her ability to produce points will have ample support from team-mates Mary Ruth Dunsmore and Teresa Maddox. All are juniors with Dunsmore just a shade behind Blackburn in scoring capabilities. The pair can go inside or bomb from long range. Maddox will serve as playmaker and the inside team play makes the offense look even more spectacular.

Janet Leeper leads the defensive corps. The 5'2" guard is a hustler and rugged ball hawk. Her inspired play should pair her with some of the best in the area. Leeper and the now veteran Pan-

Redskins Lack Back Court Experience In Follow Up Of 25-7 Finish

Coach Hugh Watson will have a challenging curtain act when the 1972-73 basketball season opens. Watson's Loudon Redskins paraded to a prestigious 25-7 record in the District Nine championship and semi-final finish in the region a year ago. The Redskins lost just four games in 25 games, but over half the team's offense went with those four. Yancy Hampton and Ray Simmons, who were gobbled up by area college coaches to enrich the talents of their respective teams averaged almost 40 points a game between them. Simmons led the team in rebounding. Playmaker Dale Ambrun has also graduated and Dan Hinkelholz a 6'4" starter is missing.

The lone starter returning is 6'5" senior forward Mike Messamore. Mike will shoulder much of the load in the early going for the Redskins as his soft touch shooting from the left side of the court and his ability to be at the right place at the right time around the backboards makes him a fine college prospect. Coach Hugh Watson will be sophomore jumping-jack William Canaler. Canaler played junior varsity ball last year but has worked diligently over the spring and summer months to become a star over night. Canaler has the moves and shooting touch to be a great player and his presence around the defensive board will soon be known after a few

games are under his belt. The front line is completed by 6'7" senior Bill Collins. Collins is a hustler with a savvy to mix up the action all his own. Collins was a trusty center in the 1972-73 season. He had a brilliant district and regional tournament as a starter, replacing injured Ray Simmons in the playoffs. Collins is also a power man in close.

The Redskins look good so far but the ball has to be taken to the big men and this calls for a good guard or two. The Redskins will play six guards that is, not necessarily good, just average. Hence the Redskins may have a weakness that could make them no better than an average team this year. Rodney Blevins, a 5'11" senior and team co-captain, will shoulder much of the load in the early going for the Redskins as his soft touch shooting from the left side of the court and his ability to be at the right place at the right time around the backboards makes him a fine college prospect. Coach Hugh Watson will be sophomore jumping-jack William Canaler. Canaler played junior varsity ball last year but has worked diligently over the spring and summer months to become a star over night. Canaler has the moves and shooting touch to be a great player and his presence around the defensive board will soon be known after a few

Mari Beth Hammontree Ready For Greenback Cage Season

The Greenback girls team will have one of the top forwards in the area in senior Mari Beth Hammontree. Miss Hammontree has put in a lot of practice over the basketball vacation months and should be ready to do her thing in deluxe fashion.

Miss Hammontree is the one returning forward for the Cherokeeettes and this may lead to the beginning of the season. Kathy Broome a 5'10" junior could develop into a scoring threat and rebounder for the

challenge for a starting job by tournament time if his ball handling improves. Coach Watson feels he has a more physical team this year with no big name scorers to catch the pre-season buzz as he did last year. But the Redskins will be more balanced this go-around. A tougher district format will have his headaches for the Loudon team. Loudon could have a better team than last year's and still be no better than third or fourth in the district power ratings. Thus the Redskins will remain very much a mystery until the season starts and the back court duties are won.

Alcoa, McMin Central, and McMin County are all loaded for what should represent one of the toughest districts in the state.

Greenback lassies but lacks playing experience in finding out just what goes on around the basket in a varsity game. Miss Hammontree, who has been a member of the Cherokeeettes since she was a freshman, has found another outside shooter in sophomore Mari Beth Hammontree. Hammontree likewise needs the benefit of actual game experience but could become a responsive playmaker and rebounder when to much attention is given to Mari Beth. Shirley Dotson, a returning senior, will function as the first assistant. She is giving forwards a rest, but Miss Dotson must direct the Greenback defense until this time. Coach Shirley Dotson as a starting guard last year and is giving the leadership needed in training two new recruits, Debbie Hester and Lynda Hall, a junior, is fast learning the techniques of scoring. The team is looking for forwards and is matched with Sarah Murr a senior on the starting unit. Murr played basketball as a freshman but did not take part during her sophomore or junior year.

Jill Adams, a spirited sophomore, is expected to be an top guard replacement for Greenback with promising futures. Both are tapped for seeing plenty of action under the tutelage of Coach Murr. Miss Murr will be used very much at forward it is believed and she to is a sophomore. Rhonda Brown, Betty Woods, Kathy Long, and Carol Quillen are all sophomores that should assume some starting assignments. Debbie Hester, a freshman, has a lot of natural ability, but may be a year or two away from stardom at Greenback.

Loudon Lassies Have More Offense, Challenging Defense, Tougher Foes

The Loudon Lassies have logged more practice time since the close of last season than any other team in the state on the job. The Redskin sextet were overjoyed with their 30-12 mark and district and regional titles. Coach Dewayne Arp and his squad are confident they can equal if not better their last year's record. The Loudon offense will be better with Jane Schubert and Marilyn Smith more experienced and senior forward Sherry Owen as sophomores. Schubert is finally concentrating more on her shooting and has developed a more accurate hook shot around the basket. Teaming with Schubert will be the speedy Marilyn Smith, who has been scoring nights at a sophomore. If Smith can control her shots from her hand driving lay-ups and use her floor play to score, she will be a better offensive team and also will have an abundance of depth with no set team or starting berth until later in the season. Nevertheless the defense will have to prove itself as being capable of matching the offensive play of McMin Central, Bradley County, and Maryville. Everett. All three teams mentioned are regarded as better than most in the state this year and McMin County and Maryville are expected to be stronger than last season.

Installing a tight defensive trio can be seen in every practice. Gloria will be lost to the team for a few weeks due to a dislocated finger which had to be operated on for correction and this could put the Lassies at a real tight ship for the bat. Connie Huskey and Mary Tyler are expected to start at the other two guard positions. They will replace Mary Elizabeth Delaney, a sophomore guard, and forwards Sharron Byrd and Sherry Owen are expected to play at first center for the Lassies. Hence the Redskin sextet will be a better offensive team and also will have an abundance of depth with no set team or starting berth until later in the season. Nevertheless the defense will have to prove itself as being capable of matching the offensive play of McMin Central, Bradley County, and Maryville. Everett. All three teams mentioned are regarded as better than most in the state this year and McMin County and Maryville are expected to be stronger than last season.

Double figure performances on any given night. Team leaders in scoring but some of the opponents were rated in the class of the state. Under the new classification of "S" and "L" schools the Cherokeeettes will be a highly respected hard wood group. All of the Greenback starters return for this season and the novelty has Coach Charles Bailey looking for a promising year. Friendsville and Knoxville Webb seem to be enough teams to do business with in the new District Three, but once the Cherokeeettes are adjusted to basketball in the football season (all starters play football) then watch out for some explosive nights in Greenback. Larry Ritchey and Joe Mainor are the two senior captains and should set the scoring pace. They made up the Cherokeeettes backcourt and will have ample help from Tim Hammontree and Tony Linginfelter at forwards. Center Bill Joe Kyker is expected to be much better this winter. The entire Greenback front line are juniors. Kyker is the tallest of the lot at 6'5". Tony Linginfelter is close to 6'3" and Tim Hammontree is over six foot. Thus the Cherokeeettes will have size with their speed and all is left to put the ball in the basket. Here lies the problem. All the Greenback starters have played together for two seasons and all are capable of

Senior Personnel Gives Loudon City Excellent Possibilities For District Honors

The Loudon City Panthers turned in with a respectable 11 season record last winter under Coach Willie Jags Smalley's court men finishing third in the district tournament and fourth in the regional playoffs.

The Panthers lost four members from its team via way of graduation, with starters Ed Hestley and Randy Tatham (top rebounder) among the departed. Nevertheless Coach Smalley appears to have found adequate replacements in rebuilding his team, which will have an established cast of seniors.

Tim Cunningham, a 6' 5" senior forward, is back for what should be a banner season. He is a college scholarship. Tim will probably carry the offense when the going gets rough and tough and will also be counted on heavily to grab his share of rebounds. Cunningham's quickness and experience will land him extra duty at drawing the top defensive chores of stopping the opposition's number one scorer. A pleasant surprise to Coach Smalley was the arrival of a 6' 7" transfer from Michigan by the name of Jim Harris. The 230 pounder has been a real shot in the arm to the Pan-

Senior Personnel Gives Loudon City Excellent Possibilities For District Honors

thers goals for the season and figures to be a sure starter. Harris is a senior with a neck of appearing the loose rebound and powering the ball through the hoop. He is expected to have college potential.

Warren Melton a 6' 2" forward rounds out the front line at this time for the Panthers with Mike Hooks, 6' 4" center, and center Benny Brown (top rebounder) among the departed. Nevertheless Coach Smalley appears to have found adequate replacements in rebuilding his team, which will have an established cast of seniors.

Senior Personnel Gives Loudon City Excellent Possibilities For District Honors

Footballers that should make the variety are juniors Mike Walker and Carl Thompson. Sophomore Mike McConeky is the lone 10th grader with varsity possibilities.

As a team the Panthers should be extremely strong with seven seniors composing a number of possible line ups. Coach Smalley says he might even go with Brown (6' 4") and Harris (6' 7") and Cunningham (6' 5") against such physical teams as Oak Ridge of Chattanooga, Taylor, Beckett, and the eventual starting five the Panthers will contend for District honors are both Oak Ridge, Clinton, and Harriman. This very well could be the year for the Panthers.

BASKETBALL SEASON IS TIPPED OFF BY CANSLER-Loudon opened their basketball season Tuesday night with a 56-45 triumph over Farragut at Loudon. William Canaler controls the play for the Redskins and never let up in pacing the Loudon team to victory with 24 points. Players for Loudon are left to right: Rodney Blevins, R.L. Brunum, Bill Collins, and Mike Messamore.

The Tribe Speaks

BY LOUDON HIGH SCHOOL JOURNALISM CLASS

By Patti Gentry, Joyce Harrison, and Steve Rogers

The nomination and election of the Senior Superlatives, Mr. and Miss of each class, and Mr. and Miss L.H.S. was of most importance last week. The following are

Murphy Dwayne Pennington celebrated his first birthday November 6. He is the son of Mr. and Mrs. Douglas B. Pennington, Grove St., Loudon. He is the grandson of Mr. and Mrs. Murphy Downs, Collins Street, Loudon. Great-grandfathers are Will Boli, and John Pennington, both of Loudon. Those who attended his party were Mrs. Louise Brannan, Cicero Parks, Mrs. Betty and James Sittler, Kimberly Ann and Robin Angel, Miss Debbie Angel and sons, Michel and Kevin, Miss Darlene Hayes, Arnold Russell, Dennis and Connie Russell, Mrs. Helen Downs and granddaughter, Leah Downs, Mr. and Mrs. Albert Thompson and daughter, Karen.

nomination of each class. Mr. Junior - Danny Rivenes, Tim Guider, Tommy Hall, Greg Watson. Miss Junior - Rhonda Albright, Carolyn Hickey, Joan Russell, Sharon Watson. Mr. Sophomore - Sam Lyle, Gene Viars. Miss Sophomore - Cindy Allison, Gary Kelso. Mr. Freshman - Bill Brakebill, Jim Birkholz, Mike Brookshire, Larry Brakebill, Miss Freshman - Debbie Thompson, Julie Iddins, Edna Simpson, Sherie Harris. See pictures of the winners elsewhere in the paper.

Mr. Senior - Chris Helms, Byron Lawson, Mike Messamore, Rick Messamore, Bill Stafford.

Kimberly Renee Lambert celebrated her fifth birthday November 3 with a party. She is the daughter of Mr. and Mrs. Steve Lambert of Loudon City. Grandparents are Mr. and Mrs. Bob Nix of Loudon and Mr. and Mrs. Sam Lambert of Oak Ridge.

MOST DIGNIFIED: Sherie Harris, Angie Hodge, Marianne Horton, Martha Miller, Bart Iddins, Larry Ivens, Rick Messamore, Tommy Watkins.

MOST COURTEOUS: Beth George, Debbie Parks, Carolyn Ritchey, Gail Simpson, Bart Iddins, Mike Messamore, Eric Phillips, Jim Stewart.

BEST PERSONALITY: Selena Cannon, Marianne Horton, Patti Kirkland, Betty Waller, Bill Collins, Gary Mays, Jack Fickey, Bart Iddins, Rick Messamore, and Bill Stafford.

MOST DEPENDABLE: Patti Gentry, Patti Kirkland, Jane Stafford, Alzona Wrinn, Chris Helms, Larry Ivens, Ricky Jones, Greg Wilkerson.

MOST INTELLECTUAL: Geraldine Hill, Marianne Horton, Jane Stafford, Alzona Wrinn, Byron Lawson, Steve Rogers, Bill Stafford, Mike Watts.

MOST LIKELY TO SUCCEED: Geraldine Hill, Marianne Horton, Alzona Wrinn, Byron Lawson, David Littleton, Mike Messamore, Bill Stafford.

More Families Raise Income Level Here

According to a nationwide survey of incomes and income distribution, Loudon County families have been upgrading their financial position in the last few years. Most of them have benefited from the rising scale of wages and salaries in the local area. As a result, a larger proportion of them are now to be found in the middle and upper income brackets and a smaller proportion in the lower ranges than ever before. The extent to which the upward shift has been taking place, from bracket to bracket, is detailed in a copyrighted report released by Sales Management.

The purpose of the survey, which covers all parts of the country, was to obtain a clearer financial picture of each community than was revealed by its "average income" figure.

It sheds light on what the average represents, whether it is based on a small number of families with big incomes compensating for a much larger number with small incomes, or whether earnings are well distributed.

In Loudon County, it is shown, the general level is higher than it was and the spread relatively good. Some 58.9 percent of the households in the local area had net cash incomes, after payment of their taxes, of \$2,000 or more in the year.

It was a larger proportion than in many sections of the country, the figures show. Because only cash income

was considered in the survey, full justice is not done to farm families as no allowances are made for income-in-kind and lower living costs on the farm. As to the various income groupings in Loudon County, the breakdown shows that 22.4 percent of local households have a net of \$5,000 to \$9,999, that 14.2 percent are at the \$8,000 to \$10,000 level and that 21.9 percent have \$10,000 or over. The others have \$5,000 or less left after taxes.

Although take-home pay has been on the rise generally, not all of the gain represents an improvement in real income. Inflation has been taking its toll along the way.

Christmas Mailing Guidelines

In 1972, as in the past, the Postal Service, is encouraging customers to deposit Christmas mail by recommended dates. They not only assure delivery prior to December 25, but they also help the Postal Service keep ahead of the avalanche of holiday season mail. Loudon Postmaster Ed Marry said, "This doesn't mean one can't deposit Christmas cards and packages after those dates. Postal employees will do their best to deliver them. However, like those who do their shipping on Dec. 24, late mailers take their chances. To help everyone receive the best possible mail service, it still pays to be an "early bird" and meet these holiday mailing dates.

GLENN ROGERS, JR.

Glenn Allen Rogers, Jr., infant son of Mr. and Mrs. Glenn Allen Rogers of 707 A Street, Lenoir City, died Wednesday, November 8, at Loudon County Memorial Hospital.

Survivors include: parents, grandparents, Rev. and Mrs. Fred Rogers; great-grandparents, Mr. and Mrs. Willis Johnson of Route 3, Loudon, Mrs. Rachel Newman of Chattanooga.

Funeral services were held Thursday at Click Funeral

Home Chapel, Rev. Jimmy Graves officiated. Interment, City Cemetery, Click's, Lenoir City, in charge.

EUGENE R. JENKINS

Eugene R. Jenkins, age 32, died Sunday, November 5 in Little Rock, Ark., of injuries suffered in an automobile accident.

Survivors include: six children, Leann, Linda, Dovie, Jimmy, Eugene and Gerald, of California; mother, Mrs. Doyle Irons Jenkins, Michigan; two brothers,

Charles Rowland, Sweetwater, James Rowland, California; two sisters, Mrs. Geraldine Ross, Arkansas, Miss Carol Jenks, Michigan.

MARTIN LEE THOMAS

Martin Lee Thomas, infant son of Mr. and Mrs. Martin Thomas of Route 3, Loudon; died Tuesday, November 7, at University Hospital.

Survivors include: parents; grandparents, Mr. and Mrs. B.E. Schrimsher, Mrs. Pauline Davis; great-grandmothers, Mrs. Ella Aycock and Mrs. Hallie Schrimsher.

Funeral services were held Wednesday at Cave Creek Cemetery, Click Funeral Home, Lenoir City, in charge.

IDA BELLE ROBINSON

Ida Belle Robinson, age 95, of 1900 Main Street, Loudon, died Saturday, Nov. 11.

Survivors include: daughter, Mrs. Bessie Tiley, Loudon; one brother, Richard Robinson, Maryville; nine grandchildren; 10 great-grandchildren; two great-great-grandchildren.

Funeral services were held Monday at Riverside Baptist Church, Rev. L.L. Davis, Rev. Bernard Courtney officiated.

JOHNNIE ELIZABETH HOLLOWAY

Johannie Elizabeth Holloway, age 36, of Daylily Drive, Knoxville, formerly of Lenoir City.

Survivors include: sisters, Annabelle Wilkerson, Knoxville, Josie Mae Coker, Lenoir City, Ruth Morgan, Knoxville, Mrs. Johnny Burton, Florida; Mrs. Robert Flynn, California; several nieces and nephews.

Funeral services were held Saturday at Click Funeral Home Chapel, Rev. Fred

MR. BLEDSOE

Riceville Branch Bank Approved

The Riceville Bank, of Riceville, has received the final approval necessary to allow it to establish a full service banking office in Calhoun, to be known as Calhoun Branch Bank, branch of Riceville Bank, according to Carl E. Bledsoe, President. Bledsoe is a native of Philadelphia.

Mr. Bledsoe stated that the Riceville Bank had been vitally interested in becoming a part of the rapidly growing Calhoun area and that this interest had been heightened by an economic survey commissioned by the bank a few months past. The detailed economic survey indicated the strong, continuing growth of the Calhoun area and prompted the bank to file an application with the State Banking Department and the Federal Deposit Insurance Corporation, in Washington, were quickly received.

Building and personnel

Bramen officiated. Interment, West View Cemetery, Click's, Lenoir City, in charge.

NATIONAL GUARD OPEN HOUSE—Several Loudon County National Guardsmen, members of Company C at Lenoir City are shown with a display of equipment shown at Open House there Saturday. Guardsmen in the photo are Bobby Williams, Estes, Quener, Sid Timmel and Jim Goddard.

plans for the Calhoun office are now under study and it is hoped that the branch bank will be open within ninety days. Progress announcements will be made as developments warrant.

Mr. Bledsoe announced on behalf of the Directors, Officers, and Employees of the Riceville Bank, that all are looking forward to giving the most efficient and most courteous service to the people in the Calhoun area that any bank can offer in any community.

Mr. Bledsoe emphasized that the Riceville Bank is making every effort to begin its Calhoun operations in the shortest possible time so that the people of the area can receive adequate banking services.

Rotary Offers Education Awards

Loudon Rotary Club is seeking young men and women as candidates for Rotary Foundation educational awards for study abroad in 1974-75.

Four types of educational awards are offered by the Foundation: Graduate Fellowships, for those between the ages of 20 and 28, with a Bachelor's degree or equivalent; Undergraduate Scholarships, for those 18 to 24 with a minimum of two years of university level work but without a Bachelor's degree; Technical Training Awards, for those 21 to 33 with a secondary education and at least two years' working experience; and Teachers Awards for those 25 to 50 who have been engaged as fulltime teachers of the mentally, physically or educationally handicapped for at least two years at the time of application.

Each award covers round-trip transportation, educational and living expenses for one academic year, and, if necessary, funds for intensive language training.

The Rotary Foundation is a non-profit organization supported by contributions from Rotarians and Rotary clubs in 148 different countries. Since 1947, the Foundation has awarded more than US \$14 million for its various programs, and more than 3,000 young men and women have gone to countries other than their own for a year of study.

The application deadline date is March 15, 1972.

Those interested or desiring further information should contact Loudon Rotary Club President Len Lomax, P.O. Box 286, Loudon, or call him at 858-4228 or 428-4364.

Private Lindsey Completes Basic

Army private Reed C. Lindsey Jr., 17, whose parents live on Route 4, Vonnore, recently completed eight weeks of basic training at the U.S. Army training center, Armor, Ft. Knox, Ky.

Loudon County Voters

Many Thanks

... for the confidence you have shown in me in your support of my candidacy for re-election as State Representative. The complimentary vote you gave me in the November 7 General Election was most gratifying. May I assure you that I will always respect that trust as I try to represent YOU in the State Legislature.

Clays Creek Presbyterian Marks 100th Year Sunday

BY CALVIN LUNSFORD
On Sunday, November 19, the Clays Creek Presbyterian Church will observe their 100th Anniversary Services. Activities of the Centennial celebration, will begin at 11 a.m. with the worship service, conducted by Dr. H. Gordon Harold. At noon, a "Hot Lunch" dinner will be served in the REA Building, located across from the Pine Grove Presbyterian Church. At 2:15 p.m., the members and guests will assemble at the church for an address by Mr. Edwin Best. A historical pageant will be presented by the Presbyterian Youth Center. Following this recognition service will be conducted to honor former pastors and special guests. Special music will be presented throughout the services.

The completed church was dedicated in the fall of 1872. The church is still an organized church with the Rev. Floyd R. Watt as pastor. The church books very much today as it looked almost a century ago, the same benches are in use. The Rev. William B. Brown, the first pastor, served during the struggling days of the building of the church. He was pastor from 1871 to 1879.

No large amount of money was needed to build a permanent church building, but men gave labor and lumber. James Alexander, great grandfather of Gail Alexander Brooks and Miss Hazel Alexander, gave the land for the present church building, which is just across the Loudon County line into Blount County. The car-

penters were Hose Allen and Mike Huffstader.

The timber for the framework was hand hewn, it was dried where the Clays Creek Cemetery is now located. The weatherboards were sawed in Tellico, sent by boat to Morganton and hauled from there, then planed by hand.

The church is one of the humble country churches which has had so much to do with the writing of the history of East Tennessee and has made various contributions. Four sons of the Clays Creek Church have entered the ministry. Rev. J.E. Alexander was ordained here in the Presbytery of Kingston on Oct. 8, 1876. Rev. Hamer Alexander, brother of Charles M. Alexander, another son of this church was an ordained Presbyterian Minister. Rev. Robert C. Jones grew up here, and as a young man was an elder of the church. So after completing his Seminary course, Rev. Jones went to Siam as a missionary where he served for a number of years. He later returned to this country and was pastor of other nearby churches for several years.

Charles M. Alexander, the acknowledged "Prince Of Gospel Singers," united with the church as a boy of 13, in 1880, and remained a member until his death. It was in this very building where Charles led his first gospel song in a public meeting. He afterwards traveled the world over leading thousands upon thousands of sinners to love in many nations by rulers and people.

One of the outstanding

events or meetings of this community in the early days, was the Sunday afternoon "singings" led for years by John D. Alexander, the father of Charles. The entire community joined in the meetings. Clays Creek was one of the first places to ever make a large use of the famous Sankey song books.

Ida Alexander was for years engaged in special church work as a pastor's assistant or young people's worker.

Dr. Ambrose L. Jones, one of the best known practicing physicians of this section, was a product of this church.

Dr. Lynn Ferguson Curtis of Maryville, is also a product of this church.

The Clays Creek Church and the community have a rich past, rich in inheritance and good work.

The Rev. William B. Brown, the first pastor, served during the struggling days of building the church. He was pastor from 1871 to 1879. He was followed by the Rev. Milton A. Mathes, who supplied about one year and resigned to accept a teaching position at Washington College. Other pastors have been Thomas Brown, C.B. Lord, J.H. Cooper, C.A. Duncan, James McNeal, Alexander Bartlett, P.M. Bartlett, G.S.W. Crawford, Herman Goff, Samuel T. Wilson, J.M. Hunter, I.A. Pierce, E.B. Welch, Jim E. McConnell, W.W. Astels, H.E. Orr, David M. Kerr, Jesse Boatman, G.H. Everett (father of John and Sarah Chapman), who had planned to be a missionary but the angel of death called her home at the early age of 25. Dr. Ambrose Jones, Annis Duncan Beals (grandmother of Dr. Joe Beals, Knoxville), Tom Alexander, brother of Charles M. Alexander, Robert Jones, missionary to Siam, May Swanner, school teacher, Charlotte Messler, daughter of the Rev. Isaac Messler, Dr. Lynn Ferguson Curtis and Lawrence Lowe. Many others have gone whose names we are not able to recall. It is equally true that Maryville

College has had a large share in the work of this church. Many times this pulpit has been filled by teachers and many wonderful ministerial students of the college.

Dr. Samuel T. Wilson, former president of Maryville College, conducted his first sacramental service, in response to an invitation from Elder A. Price Chapman, who had been sent as a delegate from this church to Zion's Presbyterian, where Dr. Wilson was ordained.

It is within these sacred walls that many times neighbors have gathered to bear their sorrows with one another. Nothing so unites a people as sorrow, and this church, if it could talk, could tell of many sad hearts that have found comfort in the kind work of a lifelong friend and neighbor when sorrow had come into the home.

Sunday, November 19, will be a memorable occasion for the people of Clays Creek Presbyterian and its friends

Loudon High Superlatives Are Named

One of the highlights of the school year for the students of Loudon High School is the announcement of the class favorites, senior superlatives and Mr. and Miss Loudon High School.

These were honored by their presentation in the student body during assembly Tuesday morning, November 14.

Each student nominates one boy and one girl from his class for class favorite. The top five nominees from each class are selected on by an anonymous vote on an envelope in each respective class. No nominee shall have any academic grade lower than a "C" nor any citizenship grade lower than a "B".

The seniors follow the same procedure in nominating and electing their superlatives. However, no student may be elected to more than one superlative.

Mr. and Miss Loudon High School are nominated by the entire student body. The nominees shall have no academic grade lower than a "C" nor any citizenship grade lower than a "B".

The class favorites chosen by each class for 1972-73 are as follows:
 U.S. and Miss Freshman—Debbie Thompson and Bill Brubaker; Mr. and Miss Sophomore—Cindy Allmon and Gene Viars; Mr. and Miss Junior—Joan Russell and Tim Guider; Mr. and Miss Senior—Beth George and Chris Helms.

The senior superlatives chosen by the senior class are:
 Best All Around—Patti Kirkland and Jack Fickey; Most Dependable—Patti Gentry and Ricky Jones; Most Intellectual—Geraldine Hill and Bill Stafford; Most Likely to Succeed—Alzenna Wynn and Bryon Lawson; Most Dignified—Gerrie Harris and Tommy Watkins; Most Courteous—Carolyn Ritchey and Eric Phillips; Best Student—Betty Walker and Bill Collins; Most Popular—Selena Cannon and Rick Messamore; Friendliest—Ginny Vaughn and Tom Brantley; Best Looking—Darlene Miller and John Colvin; Wittiest—Valerie Davis and Carl Glass; Best School Spirit—Pat Turbyfill and Rodney Blevins; Most Athletic—Gloria Brown and Mike Messamore.
 Chosen by the entire student body for Mr. and Miss Loudon High School were Selena Cannon and Bill Stafford.

50 Cases On Circuit Docket

(Continued from Page 1)
 auto accident. Alternate Igrid J. Saunders vs Larry Paul Genco and Bernard Genco, auto accident.
 Thursday, Nov. 20—State of Tennessee vs Frank West, year. If he is kept four more years and bred to 30 cows each year, he will increase the value of the calves by 1,296 for the four years. At these figures, the bull will be worth \$1,812 for the five years.

In addition, the better betters from each of the five calf crops should be put back into the herd as replacements. This will further increase the genetic potential of the herd and the bull. Of course, the bull will have a salvage value. If he weighs around 1,800 pounds and sells for 28 cents per pound, you'll recover \$504.

I can't stress to much the importance of buying a bull with records and performance. Performance testing is beyond the experimental stage and is an accepted tool for all cattlemen. The profit a cow calf producer makes in the future will depend a great deal upon the records he keeps on his herd today.
 Buy your herd bull as cheaply as possible. However, keep in mind that you can afford to pay at least \$1,812 for a bull that will increase the growth rate of his offspring by one-tenth of a pound daily as in the above example. You can make progress by buying bulls with known performance."

LOUDON HIGH SUPERLATIVES—Tuesday morning in assembly the Superlatives of 1972-73 were announced at Loudon High School. The

group of students honored are shown in the photo above following the announcement.

300 Junk Cars Removed From Loudon County

During the past year TVA has answered more than 50 inquiries from 34 states about its junk car collection demonstration—mainly from local governments interested in setting up their own junk car recycling projects.
 In response to this national interest, TVA has prepared a 26-page booklet designed to help communities solve the accumulating problem of abandoned cars. The booklet is titled "The Junk Car From Field to Foundry—A Guide for Solving a Community Problem."
 The campaign collected 200 junk cars in Loudon County earlier this year.
 Twenty-two city and county governments in six Tennessee Valley states conducted local and regional junk car collection drives during the past year as part of the TVA demonstration. More than 16,000 junk cars have been collected and recycled since the program began in 1970.
 Under this program TVA loans special collection vehicles on request to Tennessee Valley cities and Charles L. Griffin as William Kyker, Kykers IGA, Pennsylvania National Mutual Casualty Insurance, workmen's compensation. Time Finance Company vs John D. and Mary E. Williams, appeal. Frances Elizabeth Blankenship Parks vs Ervin Parks, Jr., appeal motion to dismiss. City of Loudon vs James Russell, appeal from city court. State of Tennessee vs Joyce Palmer vs Buford Palmer, condemnation.

SQUAD NOTE BURNED—A note was recently burned when the Loudon County Rescue Squad paid off a loan on the Greenback Squad Unit Building at Greenback. Above Squad Captain John Paris is assisted in burning the note by Fire Marshall Marion Wampler. Trustee J. V. Schrimsher who is chairman of the Squad Board of Directors, Sheriff Freeman Russell and Squad member Bill Fox are others look on in the background.

STOLEN PROPERTY FOUND—Three Loudon boys walking along a bluff overlooking the Tennessee River Monday found a quantity of items that were reported stolen from the Stan Williams home in Loudon on October 30. Police Chief John Lemex said. The items, bottles, flash lights, lanterns, and stereo tapes, are shown in the photo above. Lemex said the loot was found by Ricky Lovin, Tony Brinkshire and Steve Oran. Lemex said the boys found the merchandise, left it where it was and notified police. The Chief said a few items reportedly taken was not found.

MUSIC WORKSHOP—Dr. Ambrose Holford, head of the choral dept. of the University of Tennessee's School of Music, directs a girls' glee club at Greenback High School. The workshop was held Thursday, Nov. 2, with arrangements having been made by the Loudon County Arts Association. After participating in "Music Saturation Day" last spring, also sponsored by the Arts Association, Dr. Holford volunteered to return this fall and work with any choral group in the county. At Greenback High School, the Girls Glee Club has been organized and will be under the direction of Mrs. Thelma Cooper. Dr. Holford and his UT Men's Glee Club joined them for their first session. The combined groups enjoyed working on Christmas folk songs and selections from the "Sound of Music." The Men's Glee Club performed at Loudon City Middle School and Loudon High School before holding the workshop at Greenback.

City Increases Beer Permits (Continued from Page 1)
 because he felt the city taxpayers were paying twice for the service because the county was using much more participation from both both Loudon City and Loudon under the federal regulations to get approval for the project. Mr. Hensley said that both he and City Police Chief John Lemex were on a board that would hire the Juvenile Service Officer and he understood that the county now had four applicants for the job.
 City Commission was slated to have a meeting Wednesday at 10 a.m. this week for the opening of bids on the proposed City Swimming Pool. Four bids are expected on the project.

Around The Farm
 Charles McCall Extension Leader
 The University of Tennessee Agricultural Extension Service
 As we approach the coming season when the various breed associations will be holding their production sales, beef cattle producers in Loudon County will be asking how much to pay for a herd sire. Remember that sometimes during a beef animals life it will be sold by the pound.
 Weight an eightly of beef cattle are two traits that put money in the cattlemen's pocket. And, the ability to gain weight and have acceptable quality are heritable traits; they are passed from parent to offspring. Therefore, selecting outstanding animals that are high in these two traits assures us that improvements can be made in herds using bulls with known performance.
 Growth rate from birth to weaning is important because many Loudon County cattlemen sell calves as feeders at about 240 days of age. Assume that a bull having a growth rate of 2.40 pounds a day from birth to weaning is mated to heifers having a growth rate of 1.90 pounds a day. If both sire and dams come from herds with an average growth rate of 1.75 pounds daily, we can expect to have an increase of one-tenth of a pound daily over the herd average.
 This increase amounts to 24 extra pounds per calf at weaning. Using the average price (\$47.82) that choice steers brought in the Smoky Mountain Feeder Calf Sale this fall that's an extra \$11.47 per calf. If we assume you have a city cow herd and all calves grade and weigh about the same that's an extra \$973.50. This should give you some indication of how much to pay for a beef bull.
 If you purchase a two-year old bull he shouldn't be bred to more than 30 cows the first year. Assuming you had a 100 percent calf crop, the bull would be worth \$229.40 more than the one used the previous

Your County In Action

BY Harvey L. Sproul
LOUDON COUNTY JUDGE

YOUR COUNTY IN ACTION
From time to time I continue to hear general comments (and I think many times it is in a "kidding" fashion) to the effect that it seems that the Quarterly Court takes up the same old business at every meeting.

Some people may not actually understand that this "carrying over" of business is done on purpose.

You will read from time to time in newspapers, editorials criticizing City Councils, County Courts, and Boards of Education for having secret or closed meetings.

And I guess, of course, there are those times when "Executive" sessions must be held for some particular purpose, and certainly there are work sessions needed by various committees to just sit down and grind out the nitty-gritty of details in working out various matters.

I am personally aware of situations in several counties

reason for having monthly meetings.

Therefore, there is a conscious attempt made to look ahead to find out what business is coming before the Squires for consideration, and to get that on the agenda as soon as possible so that they can begin to consider and think about the problem, and possibly to appoint a committee to work on details if necessary.

When it finally comes time to make the decision, then it is hoped that the matter has been thoroughly discussed and has been made known to the public so that they have had a chance to say anything they want to the Squires about their feelings on the matter.

A Sullivan County woman pled guilty in Blountville on October 3, on the charge of falsifying the amount of income in her household in order to receive food stamps, and received a prison sentence of 11 months and 29 days.

You will notice that we may carry several items from

meeting to meeting for two or three months, then all at once at a particular meeting several items of important action will be taken all at once.

Food Stamps
The latest issue of "Common-grams", the monthly newsletter of the State Department of Public Welfare, indicates that the Department is continuing to tighten up on its checking on recipients of food stamps.

The newsletter indicates that since September 1, 1972, five warrants have been secured for the arrest of persons suspected of fraud in connection with the receipt of food stamps, and 7 others have been requested.

A Sullivan County woman pled guilty in Blountville on October 3, on the charge of falsifying the amount of income in her household in order to receive food stamps, and received a prison sentence of 11 months and 29 days.

County, Tennessee, requiring the said Defendant to appear before the said Court on or before the 14th day of November next, and make defense to the bill filed in the above cause, which seeks Absolute Divorce, or otherwise as the Court may see fit.

W. W. Cathey, Administrator of the Estate of Joe H. Cathey, deceased, 11-16-72.

NOTICE TO CREDITORS
Estate of Frank L. Kelso, deceased.

Billy Joe Atkins, Clerk of said Court.
Ivo W. Sanders, Solicitor for Complainant. 10-26-4p.

NON-RESIDENT NOTICE
NO. 1068
Ronnie Dwayne Smith vs. Marsha Ann Silphiant Smith
In the General Sessions Court of Loudon County, Tenn. at Loudon, Tennessee.

It appearing from the bill in this cause, which is sworn to, that Marsha Ann Silphiant Smith resides out of the State and cannot be personally served with process, it is ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the 14th day of November next, and make defense to the bill filed in the above cause, which seeks Absolute Divorce, or otherwise as the Court may see fit.

E.H. Arnold, Solicitor for Complainant. 11-2-4p.

Notice is hereby given that on the thirteenth day of November, 1972, Letters of Administration, in respect to the Estate of Frank L. Kelso, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise their claims will be forever barred.

This November 6, 1972.
W. W. Cathey, Administrator of the Estate of Frank L. Kelso, deceased. 11-16-72.

Jerry Mode Home on Leave
Airman Apprentice Jerry Mode is spending a 14 day leave with his parents, Mr. and Mrs. Fred Mode, after completing Naval Recruit Training at Orlando, Florida and two weeks on the job training at Memphis. Following his leave, Jerry will return to Jacksonville, Florida for duty.

Littlefield Promoted By US Navy
Navy Petty Officer Third Class James M. Littlefield, son of Mr. and Mrs. F.E. Littlefield Jr. of 917 Sumner St. and husband of the former Miss Pamela V. Golightly of 402 Robinson Drive, all of Loudon, was promoted to his present rank and completed the basic Machinist Mate segment of nuclear power training at Great Lakes, Ill. He will be assigned to short training period aboard ship and then to Basic Nuclear Power School at Mare Island, Calif.

He is a 1968 graduate of Loudon High School.

Veterans are urged to write, call or visit Veterans Administration regional offices or local veterans service organizations for information or assistance in applying for veterans benefits.

NOTICE TO CREDITORS
Estate of Joe H. Cathey, deceased.

Notice is hereby given that on the sixth day of November, 1972, Letters of Administration, in respect to the Estate of Joe H. Cathey, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice.

Try Comfort Conditioning you'll like it!

Comfort conditioning is the only way to make your home as comfortable as it can possibly be. First, you need an electric central system: either a year-round heat pump or separate electric heating and cooling units.

Next, add a humidifier for use during colder weather. It will make you feel comfortable at a lower inside temperature, which should help reduce heating costs.

Then, install an electronic air cleaner for really clean air. Permanent and portable models are available that filter out up to 98 percent of the impurities in the air passing through them.

Try comfort conditioning. See your dealer or call us for more information.

ATTEND CHURCH EVERY WEEK

MOTHER'S FOOTSTEPS

What joy in life is there to those eyes that smile in quiet prayer... look back at those days. When one set of feet walks about... they both the same... but when you look again, you see that they are different... that the mother you see is not the same as the mother you were once in the arms of.

There is one dream and ambition they both have, however, and that is to see our Lord and Savior Jesus Christ, and to be of service to the church. This globe is of gold.

For the eyes of the Lord are not as man's, and His ears are open unto their prayers, but the ear of the Lord is upon those that do not. 1 Peter 3:12

BACK IN THE GOOD OLD DAYS

A few weeks ago we ran a picture of the old Tulagahler School which was located near Fowler's Mill. Well, we have another picture of this old school which was taken many years before the other one that we used. We know that his old school was often called Tulagahler College. Where this title originated, or why, we do not know. Maybe some of the students of this old school can fill us in on this. Anyway, we were delighted to have this old picture run in the Good Old Days. We are very grateful to Ike Lawson for the loan of this picture. Mr. Lawson is a patient at the Beverly Hills Hospital in

Knoxville. Those in the picture, which we are unable to date, are as follows: Front row: Bill Fowler, Fale Jones, Harman McKee, Cecil Harris, Wolford Phillips, Charlie Simpson, Gordon Thomas and Ike Lawson. Second row: Arbie McKee, Cordie Love, Edna Bell Phillips, Mathis Jones, Florence Fletcher, Merrill Fletcher, Blanche Fowler, a Thomas girl and Elsie Lawson. Third row: Calvin Lawson, Fred Jones, May Jones, Clyde Fletcher, Lucille Nicholson. Jessie Lee Nicholson, Bessie Kirkland, Harrison Melndon, Polly Kirkland and Bessie Lawson,

Teresa Simpson, and Katie Cagle. Fifth row: Frank Simpson, Dick McKee, Orville Fletcher, Harvey McSpadden, John Nicholson and Ruth McLendon. The teacher, wearing the hat was Mrs. O.W. Fowler, who was known to her students as Miss Maggie. They all loved her very much. Notice the familiar names from the other Tulagahler School. These could very well be the parents in many cases of those in the other picture. Our other picture this week was taken inside the late Den Wilson's Cafe. The man in the picture is the late Herb Wilson, Den's brother. We don't know who the others are in this picture. We, of the Good Old Days, are always interested in Loudon High Class reunions. Many times we see some of our old friends and former Loudon residents who have come home for class reunions, and we enjoy it very much. Well, our thoughts along this line were motivated by a request we have from one of these classes who will be

holding their class reunion in June, 1973. They have a problem which we would like to help them with. It seems that one of their old classmates has lost touch with the group. They would like very much to get in touch with her. She is Beverly McConnell, as far as anyone knows. Her last place of residence was Spring City. Her family, for a number of years, ran the Band J Cafe, in Loudon. If you can help this class to find this person, contact the Good Old Days at the Herald or Mr. Carl Rudenour of Loudon. Your help will be greatly appreciated. A couple of weeks ago when we ran the old Tulagahler School, four names were omitted out of the third row. They were: Hubert Morse, Sbyl Fletcher Collins, Pauline Smith, Goldman Holloway, Clyde Holloway, Jack Clark. This is the correction of the entire third row. Our apologies for the error. Well, that's it for now. See you next week.

Pastors Group Elects Ferguson

The Loudon Pastors' Association met with the United Methodist Church, Friday, November 10. New officers were elected at this meeting. Rev. Jack Ferguson, pastor of Loudon Cumberland Presbyterian Church, was elected president. Rev. O.C. Rainwater, retired, was re-elected Secretary-Treasurer.

Insurance Plan Said Illegal

Loudon Farmers Cooperative manager Harry Goodman said this week that the Farmer's Co-op is not selling insurance and is in no way connected with a company now illegally offering a plan called "The Farmers Co-Op Plans." Mr. Goodman said that many area residents have received a brochure on this "plan." He said the Tennessee Department of Insurance has already issued a Cease and Desist order against the company, to prevent it from doing business in the state.

Hamilton Gets Approval For Philadelphia Branch

Approval from the Administrator of National Banks in Washington, D.C. has been received by the Hamilton National Bank of Loudon for a new branch bank in Philadelphia, Don Canter, bank president announced this week.

Mr. Canter said he received a letter Friday, dated Nov. 15, that the branch bank had been approved. He stated that a temporary trailer bank operation would open at Philadelphia sometime during December. The trailer bank will be located on the permanent bank site, located on U.S. 11 300 feet southwest of the Fowler Mill Road intersection of U.S. 11.

Mr. Canter also said that the

bank hopes to let bids on the permanent branch building before the end of this year.

Man Charged With Burglary

A Loudon man has been charged with receiving and concealing stolen property after a quantity of money and merchandise was taken from Bridges Grocery on Steeple Road and was found in his car and in his possession by county deputies Saturday.

Mrs. Seigle Bridges, owner of the store, reported the break-in to county officers Saturday morning. She said she found the burglary when she opened the store for business Saturday.

County Deputy Kenneth Brown, who investigated, said the thieves entered the store by knocking a panel out of a door at the back of the building and crawling between shelves covering the door.

Taken were two cigarette lighters, a radio, six pocket knives, \$50 in change, cigars, six cartons of cigarettes, two cards of lighter flints, three pounds of bologna and three pounds of beef.

Arrested was Dennis Ray White, 19, who recently returned to Loudon from North Carolina. Deputy Brown said some of the merchandise and money taken was found in White's car and some items he had in his possession when arrested. He is being held at Loudon County Jail in lieu of \$500 bond.

MRS. HARRISON
Mrs. Harrison Is State Regent

Mrs. Lucy Steele Harrison of 623 Mulberry Street, Loudon, was elected Tennessee State Regent of the Daughters of the American Colonists at the Society's recent State Assembly in Chattanooga.

Mrs. Harrison is a charter member of the local Fort Loudon Chapter of the DAC and has served as Regent, Historian, and presently is the chapter's Registrar. She has also held the office of State Historian of Tennessee and Vice President of the State Officer's Club.

Mrs. Harrison will be installed in April when the DAC's General Assembly convenes in Washington, D.C.

Two Teenagers Are Injured

Two Loudon teenagers were injured Sunday afternoon when the car they were riding with struck a utility pole on Ward Avenue in Loudon.

The injured were identified as the driver of the car Warren Kyle Smith, 19, Rt. 4 Loudon and Linda Smith, 15, same address. Both were treated for cuts and other injuries at Loudon County Memorial Hospital.

LIONS SWEETHEART-At the annual Ladies Night Program of the Loudon Lions Club held last Thursday night, Dr. Corrie Blair McPeake was named Lions Club Sweetheart of 1972. Lions Club president John Carnes is shown presenting Dr. McPeake with a bouquet of roses. About 150 persons attended the dinner.

BOTTLE BABY-Loudon County Trustee J.V. Schrimsher was the champion baby bottle nasser in a three "baby" contest at the Lions Club Ladies Night last Thursday. Above Schrimsher, complete with bonnet and bib, is being fed by his wife Jessie. Others in the contest were Lions Harold Golightly and Tom Matlock.

Let Us Unite And Give Thanks

All of us have something in common. This is our country. Let us remember its noble heritage, and our forefathers on Thanksgiving.

Squad Answers 21 Ambulance Calls No-Competition Agreement Sought

The Loudon County Memorial Hospital Board of Directors last Wednesday night said the Hospital would be operating a county ambulance service by December 31st or seven days after the three funeral homes in the county signed an agreement that they would not compete in the ambulance service for a period of 10 years.

The non-competition agreement is part of the County Courts' directive to the Hospital Board. The court had ordered the hospital to start a county ambulance service by January 1st, provided the funeral homes would agree not to go back into the business after the county spent thousands of dollars establishing the service.

As of Monday night the proposed contract agreement had not been presented to the funeral directors for their consideration. All three local funeral homes went out of the

ambulance service business on November 15th. Since that time the Loudon County Rescue Squad has been operating the service. Squad Captain John Parris said in the first five days of the operation the Squad had answered 21 emergency calls, nine of which came in the first 24 hour period. Anyone needing ambulance service should call the Sheriff's office at 458-4311 and they will dispatch the ambulances. During the day an ambulance is stationed both in Loudon and at Lenoir City. At night the Squad has men stationed at the Rescue Squad all night to answer any calls through the jail dispatcher. The Squad is using an ambulance loaned to them by Click Funeral Home and a station wagon owned by the squad. Captain Parris said that there is always a two man crew ready to take a call and a two man back up crew on call when the

duty crew is on a call. Captain Parris said that although the Rescue Squad is not really equipped for ambulance service that all members have cooperated and he is very pleased with their performance.

Hospital Administrator Guy Hamilton, who said he hopes to relieve the Rescue Squad of the ambulance duty as soon as possible, had nothing but praise for the Squad. He said Loudon County has never had a better ambulance service. That the squadmen are trained and their response time has been excellent. He said that the Rescue Squad as a whole has responded to the crisis and demonstrated strong community spirit and he could not praise them enough for the fine job they are doing for the people of the community. Hamilton said he hoped to have a county-owned ambulance available for the squad to use this week if it is

necessary for them to continue the operation in event the agreement ordered by the county court and the hospital board with the funeral directors is not completed.

At the Hospital Board meeting Chairman I.D. Corner, himself a member of county court explained the county's action concerning establishment of an ambulance service through the hospital. He said the county court agreed to fund the service, above collections and that the court asked that the service be in operation by January 1 provided the funeral homes would sign the no-competition agreement.

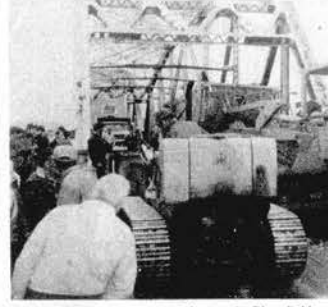

The resolution passed by the Hospital Board said that the Hospital Administrator had the authority to begin an ambulance service on December 31st or seven days after the funeral directors signed the 10 year no-competition agreement. County Judge Harvey Spradford told the board if the funeral directors failed to sign the agreement he thought the entire matter would have to go back to the county court for further action and that some court members had expressed that they would not vote to fund a county service unless the funeral homes would agree to sign the agreement.

The Hospital Board agreed for Mr. Hamilton to obtain immediately after the agreement was signed. Two vehicles are already at the hospital and ready for use. The minute the hospital takes over the service. The vehicles are a 1970 Dodge Medicruiser, which can hold five emergency patients, an attendant and driver. It includes all the necessary equipment to meet and in some cases exceed state and federal regulations. The other is a 1970 Cadillac convalescent ambulance costing \$7500. To be delivered prior to the start up date of the service are two more ambulance type cars. One is a 1963 Cadillac and the other a 1965 Oldsmobile. The two new vehicles will be leased for \$500 a month and purchase of the older cars will be \$2000.

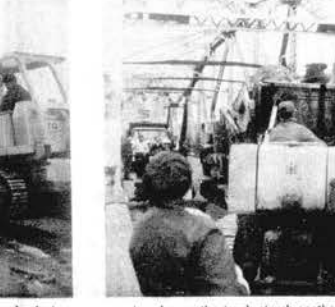

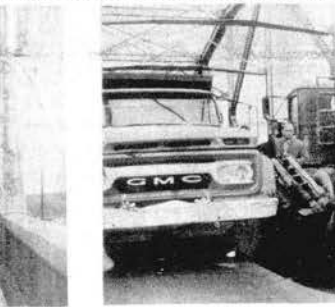

The equipment is being obtained from M&M Sales of Nashville. Mr. Hamilton said he had called on six ambulance vendors getting prices on equipment and M&M was his choice. The 1965 Oldsmobile, if everything goes through, will be assigned to the Greenback Rescue Squad as an emergency vehicle. The Greenback Rescue Squad Unit has in the past and will continue to provide emergency ambulance service for that section of the county.

Mr. Hamilton announced that Romy Willis, an employee at the hospital for the past eight years, has been appointed as coordinator for the county ambulance service, and is presently taking an Emergency Medical Technician course. Mr. Hamilton said that he has a number of applications for the eight positions as ambulance crews, some being from ambulance services in other areas. He said getting qualified personnel to operate the service was not going to be a problem.

Schools Close
All Loudon County and Lenoir City Schools will be closed Thursday and Friday for the Thanksgiving Holidays. Also closed the same days will be the Loudon County Courthouse offices.

BRIDGE BLOCKED-An accident on the River Bridge at Loudon last Friday, pictured above, blocked traffic through Loudon for more than two hours. A truck carrying an earth moving pan struck the side of the bridge knocking the machinery off the trailer as shown at the top-left. A motor also on the truck struck another truck crossing the bridge, top-right. In the two lower photos high-lifts are shown picking up the big earth mover and placing it back on the truck. The driver of the truck was fined \$64 for not having a wide load escort across the bridge.

motor also on the truck struck another truck crossing the bridge, top-right. In the two lower photos high-lifts are shown picking up the big earth mover and placing it back on the truck. The driver of the truck was fined \$64 for not having a wide load escort across the bridge.

Bridge-Earth Mover Collide, Bridge Wins

Traffic across the River Bridge at Loudon was halted for more than two hours last Friday after a big piece of earth moving machinery was knocked off a tractor-trailer truck. According to police reports the driver of the truck carrying the "pan" failed to stop for a wide load escort across the bridge, met traffic on the bridge and when moving over to the side the big piece of machinery struck a trailer. A large motor on the trailer also fell into the side of a truck owned by Earl Millsaps of Loudon.

Driver of the truck carrying the machinery, Aaron R. Wilson of Aylacauga, Ala., owned by W.T. Mayfields Sons Trucking Company of Alabama, was fined \$64 in Loudon County court for violation of the wide-load escort ordinance. Two large high-lifts, one owned by the city and another

by a private operator, were called to help clear the wreckage from the bridge. The two high-lifts working together lifted the back end of the earth pan back onto the low-boy. During the two hour period traffic was blocked. Officers rerouted thru traffic around Loudon via Vonore and Kingston. Traffic backed up for several miles before the bridge was opened. Police Chief John Lemex said because the big piece of equipment was rugged and could be handled without further damage by the high-lifts, allowed the bridge to be cleared much faster than if something more fragile, such as a mobile home, had been involved. A large quantity of oil spilled from the motor that fell from the truck and it was also cleared from the bridge by city crews.

Loudon County Herald for and about Women

Russell-Hembree Vows Exchanged

Miss Vickie Ann Hembree and Roland Eugene Russell were united in marriage Friday, November 3 at 7 p.m. at Poplar Springs Baptist Church.

Parents of the couple are Rev. and Mrs. Robert Eugene Russell and Mr. and Mrs. Billy C. Hembree, all of Loudon.

Rev. Russell, father of the groom and Rev. Elmer Sutomey officiated at the double-ring ceremony. The candlelight ceremony was performed before an altar decorated with an arch of candelabras and four seven-branched candelabra, entwined with ribbon and fern. Two palm trees highlighted the decorations.

The bride, given in marriage by her father, chose an empire style dress of white satin with a mandarin collar and french cuffs. The dress was accented with Alencon scalloped lace and white pearl buttons. Her two tiered veil of Bridal Illusion was held with a headpiece of tiny hearts and roses, made of Alencon lace. She carried a bouquet of white and pink roses.

Mrs. C.E. Wade, pianist and Glen Wade, vocalist, both of Loudon City presented the wedding music. Special selections were "I Hear the Angels Singing" and "The Lord's Prayer".

Mrs. Peggy Cornett served as Matron of Honor. Mrs. Pam Goble served as ring bearer. They wore long dresses of pink floral print polyester crepe with empire waistlines and puff sleeves. Maid of Honor was Miss Sheila Haun. She wore a long dress of polyester crepe with a floral bodice and solid pink skirt. The bridesmaids were Miss Glenda Haun and Miss Cindy Coulter of South Carolina. They wore long solid pink polyester crepe dresses. Karen and Kim Wyrick, of Sweetwater, were the flower girls. They wore dresses the same as the bridesmaids and carried lace flowerbaskets with rose petals.

Billy Goble served as Best Man. Groomsmen were Charles Goble and Danny Maynard. Ushers were Wayne Hembree and James Russell. A reception was held at

Personal Mention

By Mrs. Calvin Lunford
458-2681

Mr. and Mrs. Henry Hope and family are here from Houston, Texas to spend Thanksgiving holidays with his mother, Mrs. Kate Hope.

Larry Brown is a patient at

Debbie McCown To Wed Wayne Jones

Miss Debbie Jo McCown and Wayne E. Jones, both of Maryville, will be married Friday, November 24, at 7:30 p.m. at Unity Baptist Church in Maryville.

The bride-to-be is the daughter of Rev. and Mrs. Billy Jo McCown, former pastor of Union Fork Creek Church in Loudon. Parents of the groom-to-be are Mr. and Mrs. Clarence Jones of Maryville.

A reception will be held at the church immediately following the ceremony. No invitations are being sent, but all friends and relatives of the couple are invited to attend.

DAR Meets

At Harrison's

Mrs. Benny Simpson and Miss Maude Grigg hosted the November meeting of the DAR at the home of Mrs. Lucy Steele Harrison.

Mrs. Marney McQueen gave a committee report on progress made toward securing historical markers for Loudon County landmarks.

There was enthusiastic discussion about plans being made for Hivassae Chapter to mark the grave of a Revolutionary soldier this spring. Such an occasion could bring state and national officers to participate in the ceremony. It was decided that the Chapter advertisement in the DAR magazine is to be an insertion honoring Hivassae Chapter members.

Mrs. Henri Richiesin gave a very thought provoking program on the subject of National defense and entitled "What is America?"

Reunion Set

The families of Jack and Ellen (Edwards) Moore and William and Elizabeth Roberts will hold a family reunion at the Legion Building in Loudon, Sunday, November 26.

A covered dish lunch will be served at noon.

All friends and relatives are invited to attend. For more information, call 458-4738 after 5 p.m.

Chaney Pledges

Fred A. Chaney, son of Mr. and Mrs. James A. Chaney, 302 Mulberry Street, Loudon, has pledged to Alpha Tau Omega Fraternity at the University of the South at Seawane.

Local DAC Members Elected To State Assembly

The announcement of local members elected to state offices was the highlight of the State Assembly report given by Mrs. Henry Richiesin at the Nov. 14 meeting of the Fort Loudoun Chapter of the DAC held at the home of Mrs. J.E. Richiesin on River Road.

Mrs. Lucy Steele Harrison is the new State Regent elect and will be installed in Washington, D.C. for a three year term when General Assembly convenes in April.

Miss Maude Grigg was elected to serve as State Recording Secretary and Mrs. M.C. Anderson was elected to

hold the office of State Corresponding Secretary. A reception is planned in their honor by the local society at State Assembly scheduled to meet in Knoxville October 1973 which the Fort Loudoun Chapter will also host.

Other business included the distribution of cards and note paper to be sold and the collection of Christmas gifts to be sent to veterans at Mountain Home. Miss Irene McKinney of Etowah was welcomed as a new member of the society and Mrs. R.M. Ivens and Mrs. Leroy Outcald were welcomed as guests.

Misses Ada and Mary Griffiths attended the program at Cloyd's Creek Presbyterian

Church in Meadow Sunday afternoon and also visited Mr. and Mrs. Dall Brooks.

Med Student 2 More Turkey Loans Available Shoots Planned In Loudon Co.

County Judge Harvey L. Spraul announced that he is advised that the Tennessee Education Loan Corporation has available a program authorizing the payment of \$35,000 per year for certain medical students tuition on a loan basis.

However, there are possibilities that if the student agrees to return to the county to practice medicine after his graduation, that the full \$14,000 available for a four year period becomes an outright grant and the student may not be required to repay the sum.

If there are any students presently in college interested in this program please contact Judge Spraul.

After a very successful turkey shoot this past Saturday the Loudon Jaycees this week announced that two more shoots are planned. These shoots are slated for Dec. 2nd and 16.

Jaycee Chairman Jimmy Lindsey said 336 persons participated and won 28 turkeys.

The Jaycee Turkey Shoots are held on a lot between Loudon Motor Company and Railroad Salvage on U. S. 11 at Loudon. Shooters may bring their own guns. Ammunition is furnished by the Jaycees. Each line consists of 12 shooters firing at targets 40 yards away. A turkey is given away on each line.

Mr. Lindsey said the Jaycees wanted to thank each of those who participated and it was at the request of many shooters that the two additional shoots were being scheduled.

"PRIDE OF THE SOUTHLAND" BAND—Four students from Loudon County are members of the 1972 University of Tennessee at Knoxville Marching Band. Pictured are, from left, Eddie Tinnel of Lenoir City; Sue Gibson, Lenoir City; Suzanne Smith, Loudon; and Beverly Sweeney of Loudon. The "Pride of the Southland", which performs at all home and most away football games, has approximately 250 student members.

Volunteers For FISH May Organize In County

A group of volunteers for FISH from all of Loudon County will meet at the First Presbyterian Church in Lenoir City at 7:30 p.m., November 21.

The group will consider the operation of FISH in surrounding counties and make a decision about organizing in Loudon County. Mr. James C. Crews and Mr. James R. Muir, both past presidents of FISH in Oak Ridge, will tell about their operation and answer questions.

FISH is a loosely knit international organization of good neighbors who agree to take a 12 hour time slot every four to six weeks to be on call in emergency situations and to render whatever neighborhood service is called for. The calls come in through an answering

service which then refers them to the volunteer on duty. It is a very effective way to be of service without involvement in relationships which are dependent or unduly time-consuming.

Persons who desire to be of service to their neighbors are invited to attend the organizational meeting of FISH.

This effort has come about through discussions in the Lenoir City and Loudon Ministerial Associations.

ET Community Awards Event Set

Representatives from 18 counties, including Loudon, will gather in Knoxville on December 9 for the awards luncheon of the 29th annual East Tennessee Community Improvement and Development Program. Some 14 organizations also will receive cash awards in the roadside beautification program carried on with the community improvement work.

The awards luncheon will be held at the Brehm Animal Sciences Building at the University of Tennessee Institute of Agriculture. Registration will start at 11:30 on Saturday morning, December 9, followed by a social hour when sponsors and participants may get acquainted and look over community reports. The luncheon will be held at 12:30 p.m.

The community improvement program is sponsored by civic and service clubs of Knoxville, business firms and individuals, and the U.T. Agricultural Extension Service. The East Tennessee Automobile Association is co-sponsor of the roadside beautification project.

Judging of entries by 21 organized communities, and 61 groups in the roadside beautification project was completed early in November. Some \$4,000 will be presented in winners and "worthy entries" in the improvement program.

AT THE HELM—Officers of Paul's Patriots JAC Club are from left, Kim Brant Hoover, secretary; Debbie Piemons, flagbearer; John Gree, vice-president; and Ricky Lovin, president.

WE THE PEOPLE—Pictured are the cast of Constitution Week skit "We The People" given at Loudon Junior High School recently.

Junior American Citizen Clubs Fall Activities Announced

By Mrs. Betty Carey

The Loyal Junior American Citizens, Mrs. Margaret Petty's third grade JAC Club at Loudon Elementary School has been busy involved in a multitude of activities this fall.

Making posters and decorating bulletin boards for Constitution Week led into a study to learn about community government. Mrs. Virginia Burnette, Deputy City Recorder, was a guest at

POINT OF INTEREST—George Dukes, vice president of the Loyal JAC club, emphasizes a point. Other officers are Neil Schrimsher, president, and Betsy Pope, secretary.

one club meeting, and Mr. Charles Jones, Fire Chief, visited the club during Fire Prevention Week. The members exhibited their desire as young citizens by participating in Operation Red Ball. This was a project to mark the homes where invalids, older or helpless people might need special help in an emergency.

A Letterbug Campaign has kept members mindful of good citizenship. Ecology is a word probably not found in their vocabularies, but the Loyal JAC's are making a big contribution to this cause by joining Operation Bald Eagle.

For each Hunt's Wesson Food label sent in, a tree is planted in a barren area in the USA. So if you wish to be a Loyal American Citizen, save your Hunt's Snack Pack wrappers and Big John beans labels for the third grade and Operating Bald Eagle.

The Thanksgiving dinner trays at Johnson's Nursing Home will bear favors made by members of the Loyal JAC Club, a group of third graders who can show you what it means to be a good citizen.

New JAC clubs presently being organized are Mrs. Aileen Richies's Kindergarten, Mrs. Billie Morton's third grade, and seventh and eighth grade Social Studies classes at Steekee School. News of these clubs will be reported in the near future.

Then strictly for fun the club planned a Halloween party that was quite as successful as the previous activities. To follow through on the Social Calendar, the members have functions scheduled for February, remembering American History Month, also Valentine's Day and a swim party in May at the close of the school year.

Work has begun on a pictorial history of the community, a major project for the year.

It's easy to tell that Paul's Patriots take the business of being Junior American Citizens seriously. Their sponsoring DAR'd take them seriously too, and feel genuine respect and appreciation for them.

Speaking of Sports

By DANNY GIBSON
Sports Editor

The Loudon Redskins are looking more and more like a definite challenger for a high finish among the elite of the District Eight "1L" division. The Redskins lost a heart breaker Friday night at McMinn Central 39-38, but the game would not have been close had the Redskins got a fair and we will say equal consideration in the eyes of an official which has versed more than once his dislikes of Loudon High School and its officials. The Redskins were charged with 21 team fouls while playing a conservative zone defense which is supposed to not jeopardize a team into fouling. On the other hand McMinn Central played a sticky man-to-man defense with players shirt-tailing Loudon on defense up and down the court, the gestures were un-noticed. The results speak for themselves. If an individual or individuals are to be paid for officiating athletic events then it is of this writer's opinion it is that judges duty to give his best in calling as just and fair a contest as his knowledge of the game will permit. If an official is going to take sides then he should either slip in the back door as we so often do or pay his ticket fee and sit on the bleachers in hailing his support. The same official appeared in the Hiwassee College-Cumberland College game Saturday night and the referee let two fouls break out, called two technicals and added 67 team fouls to the drawn out affair.

Nevertheless Loudon looks better than we've estimated their talents might be at tournament time in March. The Redskins do need to find a scoring punch at a guard position. Rodney Blevins appears to have the playmaking duties down pat but he can not direct the complicated Loudon offense and be a eight to 12 point performer from the outside. But we must remember you can't always have your cake and eat it to.

The News Sentinel has compiled its preseason basketball survey for the season at hand. Ted Riggs, Sentinel Sports editor rates Lenoir City's Tim Cunningham as one of the top 25 college prospects in the state and lists Region Two "1L" teams abundantly in the top rated teams of the state.

Here's how they graded the teams:
1-Kingsport; 2-Chattanooga Riverside; 3-Memphis Melrose; 4-Nashville Stratford; 5-Alcoa; 6-Nashville Ryan; 7-Sparta; 8-Nashville McGavock; 9-Johnson City; 10-Elizabethton; 11-Chattanooga Howard; 12-Memphis Raleigh-Egypt; 13-Chattanooga City; 14-Lewisburg; 15-Lebanon; 16-McMinn Central; 17-Lenoir City; 18-Oak Ridge; 19-Harriman; 20-Memphis Treadwell; 21-Bradley County; 22-Knox Central; 23-McMinn County; 24-Memphis Kingsbury; 25-Knox Fulton.

The leading players:
1-Anthony Roberts, Chattanooga Riverside; 2-Skip Brown, Kingsport; 3-Kip Puryear, Lebanon; 4-Johnny Sneed, Nashville Ryan; 5-Dennis Godfrey, Alcoa; 6-John Gunn, Memphis Melrose; 7-Rickey Talbert, Dickson; 8-Mike Smithson, Centerville; 9-Jesse Goslon, Chatt. City; 10-Spence Young, Lewisburg; 11-David Lutter, Trenton; 12-Malcom Settles, Memphis Bartlett; 13-Mike Jackson, Nashville Stratford; 14-Steve Barron, Dyer; 15-Gary Vaughn, Memphis Raleigh-Egypt; 16-Calvin Nunn, Chattanooga Central; 17-John Yarbrough, Memphis Treadwell; 18-Barry Busby, Nashville Stratford; 19-Roy Aderhold, McMinn Central; 20-Dennis Berrier, Seymour; 21-Alvin Scott, Bradley County; 22-Tim Cunningham, Lenoir City; 23-Charles Stuart, Johnson City; 24-Willie Fry, Memphis Northside; 25-Bob Nelson, Memphis Kingsbury.

At a recent meeting of the Foothills Athletic Conference, Seymour's application to the conference was rejected.

Foothills coaches feel that the Seymour community is growing to the extent that the Seymour school will probably move to AA competition in a few years.

The 1972 All-Foothills Conference football team was selected at the recent meeting and will be announced at a later date.

NEW COACH ARRIVES—James "Jim" Gibson, new football assistant at Loudon, arrived Monday to take his coaching duties and classroom assignment. Gibson is a native of Morristown and has been coaching at Erwin for the past three years.

McMinn Central Chargers Play "Mr. Clean" In 39-38 Barn Burner

The Loudon boys convinced the most optimistic of followers Friday night that they are capable of playing with the best in the district this season. The Redskins lost four starters from last winter's 25-7 season and many felt the Loudon hoop play might take a nose dive, but that may be only wishful thinking by Loudon fans.

The Redskins bowed to a highly touted McMinn Central team Friday night on the road 39-38. The game was a nip-and-tuck battle all the way with neither team ever having more than a four point lead. Loudon led for the majority of the contest with William Casler supplying the edge for Loudon. The 6'2" jumping-jack burned the cords for 13 points and collected seven rebounds before departing from the game in the third quarter with five fouls. Casler hit on five of eight shots from the field.

Mike Messamore took up the offensive slack for Loudon

and bagged 14 points for the night. Donnie Thearp replaced Casler and teamed with Messamore and Bill Collins in controlling the back boards and protecting the slitt

GIRLS	
LOUDON (44)	CENTRAL (47)

Central 11 14 14 20 - 61	

Loudon lead. Collins was lost by the foul route in the fourth quarter and here the Chargers begin to show superiority and Central streaked to a three point advantage in the closing seconds only to have Thearp drive home a basket to cut the difference to one as the game ended.

Loudon won the game at five turn except in the final count of scores. The Redskins won the rebounding play 29-35

and hit two more shots from the field than the Central team, 17 to 15.

The Chargers hit a better field goal percentage with 15 of 43 shots for a 34.5 percent. Loudon hit on 15 of 36 shots for a 30 percent mark. One reason for the low shooting mark of Loudon can be credited to the pressure defense of the Chargers that limited the usually high accuracy shooting of Mike Messamore to a six for 21 night.

The eventual edge proved to be at the foul line where Central hit seven of 17 foul shots. Loudon made but four of six free shots.

The Redskins were called for 31 team fouls, 14 in the second half. McMinn Central had five fouls for the first half and was caught fouling only once in the second half of play. The Loudon Lassies dropped their first game of the year 61-46. The Lassies were in the game all the way until a five minute cold spell in the final period saw a 44-43 Central lead

RUGGED CHARGER DEFENSE—Mike Messamore experienced a lot of defensive attention from the McMinn Central Chargers Friday night. The Redskin Performer had 14 points and 15 rebounds for the game.

Later in the third quarter Stamey broke loose for a 62-yard gallop, again to the Jacket eight where he was caught from behind. Again Kingston held and Tommy Cook booted a 26-yard fielder for the Panthers' only points.

Lenoir City's defense reformed itself for the regular season loss to Kingston, a 35-7 setback. All East Tennessee and All County premier lineman Tim Galyon and defensive stalwart Donnie Stamey led the fierce Panther lacking with nine tackles each. Sam and Carl Thompson were just a step behind as they were good for eight stops each. Williams contributed seven for the night.

Tommy Cook was a surprise starter for the Panthers after

suffering a broken collar bone just five weeks past against the same Kingston Yellow Jackets. Cook played the entire game on defense and was used as a flanker on offense. He also handled the punting and kicking chores which proved to be the Panthers lone path to the score board.

Offensively Stamey led the Panthers with 64 yards on five carries while hard running teammate Mike Walker had his lowest real estate production of his varsity career with only 14 yards in eight rushes.

Stamey also had two pass receptions for a total of 23 yards.

Kingston's Jeff Wade was

Second Quarter Sting Gives Yellow Jackets Region Grid Championship

Dwaine Keylon kicked a 22-yard field goal and Hubert Cantrell scored a touchdown on a 40-yard run as the Kingston Yellowjackets bunched their points in the second quarter and fought off two thrusts by determined Lenoir City in defeating the Panthers 10-3 Friday night to repeat as the Region 2 Class AA high school football champions.

Kingston now will play Region 2 four winner Jackson Northside at Memphis East Friday night. Jackson Northside defeated Memphis East 14-0 for their respective region crown. Kingston will be a narrow six point favorite despite going away from home for the game.

Kingston dominated the rushing, piling up 244 yards to

their top offensive threat with 111 yards on 23 carries. Kingston lost the services of running back Randy Brown in the latter stages of the third period as he and Lenoir City's defensive hunter Mike Hooks had heated words and the referees decided both players should be removed from the remainder of the game.

Bristol Back Top Prep Prospect

George Heath, a running back and linebacker for top-ranked Tennessee High in Bristol, is rated as the state's top prep football prospect in the Knoxville News-Sentinel's annual poll of college recruiters.

Heath scored 147 points in 10 regular season games this year to rank as the state's No. 2 scorer. Last year he was a member of the 2nd Team All-State defense.

"The boy is a football player, a great runner," one scout said. Willie Fry, an end at Memphis Northside, is rated the second best prospect in the state.

Following in order are Adolph Groves of Nashville Maplewood, back; David Culey of Sparta, quarterback and defensive back; Eddie Lawson of Red Bank, back; and Anthony Oggs of Sweetwater, back and kicking specialist.

Recruiters from Tennessee, Vanderbilt, Memphis State, Alabama, Mississippi, Auburn and Kentucky rated the players. State championship battles will be played Dec. 1 at sites to be selected following the semifinals.

Playoff Semi-finalists Have Combined 123-6-3 Record

East Tennessee schools will be the host for four of the six State (TSSA) semifinal football playoffs Friday night. Tennessee High of Bristol (AAA) and Sweetwater (A), both defending champions of their divisions, will entertain Nashville Overton and Lake County, respectively.

Mary High of Dandridge takes on White House in the other Class A semifinal while Chattanooga Baylor battles Memphis Hamilton at Chattanooga in the second AAA clash.

Class AA playoff contests are slated for Hartsville where Ketron, the Region 1 title, battles Hartsville, and Region 2 winner Kingston is at Jackson Northside.

All games start at 7:30 p.m., local time. State championship battles will be played Dec. 1 at sites to be selected following the semifinals.

Stan Robbs of Chattanooga Central, end; Charles Moss of Covington, quarterback; Glenn Covington, of Memphis Overton, back; Greg McCallie of Knoxville Rule, tackle; Ricky Davis of Memphis Westside, back; and Dale Fair of Elizabethton, back.

Eddie Powers of Clarksville, back; Rusty Beasley of Knoxville West, quarterback; Jay Garrett of Chattanooga Central, tackle; Billy Austin of Memphis Wooddale, quarterback; Ricky Pannell of Memphis Frayser, linebacker; Larry Utley of Milan, tackle; and Scott Farrell of Manchester, tackle.

Recruiters from Tennessee, Vanderbilt, Memphis State, Alabama, Mississippi, Auburn and Kentucky rated the players. State championship battles will be played Dec. 1 at sites to be selected following the semifinals.

Recruiters from Tennessee, Vanderbilt, Memphis State, Alabama, Mississippi, Auburn and Kentucky rated the players. State championship battles will be played Dec. 1 at sites to be selected following the semifinals.

DAILY GRIND

Today even the man who feels he has nothing to live for finds he can't live for nothing.

RECEIVE RUNNER-UP TROPHY—Kingston's assistant principal, Hal Leffew, presents the Region Two, Class AA runner-up trophy to Lenoir City Captains Tommy Cook (10) and Tim Galyon (50). The two outstanding Lenoir City performers were instrumental in the Panthers' 83 season record, the school's best since 1949.

Lenoir City Dumps Kingston In Cage Sweep

Lenoir City's basketball team found the Kingston Yellow Jacket hardwood crew just about as stubborn as the Panther football team did the Roane County grid unit. The Panther cagers had to scramble for a surprisingly close 39-47 triumph. Doug Williams led LC with a tremendous individual effort. Williams fired in 16 points on eight of 16 shots and had seven assists to lead in both departments for the game. Tim Cunningham supported

among the Panthers. Lenoir City trailed 32-24 at the half but got their shooting bristles on at the half and were in command of the game midway of the third period, out scoring Kingston 10-2. Cunningham carried the cool shooting Panthers in the first half with 17 of his points. Williams supplied the second half leadership with a dozen counters.

Lenoir City hit 27 of 61 shots for a 44 percent effort. Kingston hit 25 of 42 tries. Lenoir City won the backboard 23 to 22.

The Lenoir City girls had little trouble keeping their slate clean with a 39-25 victory. The Panthers got scoring from but two players, Marietta Blackburn and Mary Ruth Dunsmore. Blackburn had 23 points for game honors and Dunsmore contributed 16.

The 1-2 Pantherette punch hit for better than 50 percent of their shots. Marietta caused nine of 17 shots for 52 percent

Greenback Tops TSD 62-47 In Boys Cage Tilt

Greenback played host to Tennessee School for the Deaf Friday night in basketball and the Cherokee must have still been thinking back to a final season ending football loss which cost them a post season bowl bid. The Cherokees turned in their brightest performance of the season with an impressive 62-47 victory.

Joe Mainer sparked the victorious team play with 23 points. Teammate Larry Ritchey had 14 points, with 10

LEADS CHEROKEE VICTORY—Senior, Joe Mainer paced the Greenback triumph over TSD Friday night with 23 points. The victory was Greenback's second in three outings.

TSD (47)

F. Beasley 12	Langlois 10
Hammontree 4	Kyker 11
C. Stewart 4	Mainer 23
G. Growing 15	Ritchie 14

Greenback 15 10 17 20 47	

coming in the second half. Ritchey's most impressive play came on numerous assists which opened the game up for Greenback.

Bill Joe Kyker and Tony Lingfielder rounded out the double figure showing for Greenback with 11 and 10 points respectively.

Lingfielder hit the first three shots of the game for Greenback, but got into foul trouble and had to sit out portions of the remaining three periods.

Mainer hit eight field goals and seven foul shots in pacing Greenback to their third win in three starts.

The Cherokee front line won the rebounding battle by a 46-35 margin. Kyker and Tim Hammontree had 14 rebounds each and Tony Lingfielder had nine.

Offensively the Cherokee hit on 25 of 72 shots for a 34.7 percent accuracy. TSD fired in 22 baskets on 70 team tries for a 31.4 percent.

The Greenback girls did not play a scheduled game with Maryville girls due to the Rebel football team being involved in the "AA" football playoffs and the Blount County lassies wanted to attend the game.

Greenback will be idle over the Thanksgiving holidays.

LOUDON'S DEFENSIVE SEXTET of Connie Huskey, Yarberr Harrison, and Mary Tyler fight desperately to get this loose rebound on the offensive board of the Central Chargeettes. The lack of height hurt the Lassies as they fell in the Central team.

CHAMPIONSHIP HARDWARE—Loudon Junior High boys basketball team won the Lions Club Elementary tournament last week and the Philadelphia girls copied the distaff award. Randy Davis and Greg Deatheridge hold the boys trophy while the Philadelphia girls identification could not be obtained.

CLOSED SCORING ROUTE—Lenoir City's outstanding junior forward Marietta Blackburn is cut off from the goal in her effort to add to the Pantherette lead over the Kingston distaff. Lenoir City won the game with ease 39-25.

MUST PAY PRICE
If the man of the hour really wants to stay on a pedestal, he shouldn't get sloshed.

CLOSING BASKET—Loudon's Donnie Therp, who came on in relief of William Camler to drag down seven rebounds and score four points dropped in the final two points for Loudon as they bowed to McMinn Central 39-38.

Game and Fish TODAY

By Sgt. Bob Harmon
Game and Fish Commission

The Tennessee Game and Fish Commission set fishing seasons and regulations for next year and provided extra boar hunt dates on the Catoosa Wildlife Management Area at a meeting held November 10 at Smithville.

The meeting was held at historic Ewins Mill Lodge, and followed committee meetings and a special informal discussion with the Commission's Boating Safety Advisory Board.

Added to the Catoosa hunt schedules were gun-archery boar only hunts on November 21 & 22 and 27 & 28, and an archery only hunt on December 9 & 9 in which one deer of either sex and one boar of either sex could be taken.

"These hunts are added since a swine quarantine as a result of a hog cholera outbreak forced us to suspend most of our scheduled boar hunting," Commission Director David M. Goodrich, explained, adding that while there was no evidence of hog cholera in the Catoosa herd, the quarantine prohibited the movement of hog carcasses from the area.

Fishing seasons and limits for next year, as adopted by the Commission members, are basically the same as last year, although some adjustment was made for South Holston lake which straddles the Tennessee-Virginia state line. Changes included upping the trout limit in this lake to seven to match the rest of the state, and removal of the daily creel limit on white bass.

Fish creel limits adopted for 1973 are:

add chart

The Game and Fish Commission rejected an appeal from the Cooke County Quarterly Court for the opening of bear season there.

"We are making every effort to build the East Tennessee bear population to huntable levels, and must abide by our earlier decision to not have any bear hunting this year," the Commission members said.

The wording of a resolution to be submitted to the 88th General Assembly asking their help in seeking permission of the U. S. Fish and Wildlife Service to establish a waterfowl zone system was approved by the Game and Fish Commission.

The next regular meeting of the Game and Fish Commission is scheduled for December 15 in Memphis.

FISHING AND HUNTING REPORT
Fishing activity has slowed down but those who are willing to brave the weather might find fishing better than it has been all year on some of the lakes.

CHEROKEE LAKE
Water conditions - murky in upper end - clear in lower end - falling.
Several largemouth bass being taken on rebels, plastic worms and bombers. Crappie are beginning to bite around stumps and brush piles 12 to 15 feet deep on minnows. Also, crappie are biting good on small flies from John Sevier Steam Plant to the backwater.

Rockfish and hybrids are hitting good on large yellow-headed chagers and large topwater plugs from John Sevier Steam Plant to the backwater.

Rockfish and hybrids are hitting good on large yellow-headed chagers and large topwater plugs from John Sevier Steam Plant to the backwater.

Also, rocks and hybrids are being taken trolling near Points 8 and 13 on spoonbilled rebels and flies.

NORRIS LAKE
Water conditions - clear and fluctuating.
Bass are hitting on large minnows off points. Catfish fishing is extra good on night crawlers.

FT. LOUDON LAKE
Water conditions - murky on upper end - clear on lower end and low. Several bass being taken in late afternoons on the jumps on spinners. Catfish fair on cut bait and shad minnows. Bluegill is still good on worms and crickets.

DOUGLASS LAKE
Water conditions - clear and falling.
This lake is producing some of the best fishing. Bass is good trolling deep-running lures and casting artificial worms. Crappie are being taken in leads of coves and sauger in creek mouths on minnows.

WATTS BAR LAKE
Water conditions - murky and falling.
Some bass and crappie are being taken on minnows, lizards and jigs. All other species poor.

MELTON HILL LAKE
Water conditions - muddy in upper end - clear in lower end.
Fishing activity slow. Some bass and crappie being taken on minnows and jigs. Catfish is fair on worms.

CHILHOWEE LAKE
Water conditions - clear and stable.
Trout is extra good on corn and worms. Several limits of good size trout are being taken. Bass are beginning to

GET FOUR POINT BUCKS-Danny Nichols and Tommy Davis of Loudon are shown with two four point deer they killed on a hunt in Coffey County last Saturday morning. The two bucks field dressed at 98 and 94 pounds.

RABBIT STEW-Kilbert Webb of Loudon is shown with his dog "Blue" and a rabbit. Mr. Webb was hunting on Bart Iddins farm near the Little "T" river this past weekend.

QUAIL TAKE-Tim Harper and Ray Ioman are shown with their bag of six quail that they killed on opening day this past weekend.

hit good on lizards. **LITTLE TENN RIVER**

Watson Receives Sewanee MVP Award

Gordo Watson of Loudon was named by his teammates MVP--(most valuable player)--for the football season just concluded at the University of the South. The 160 pound halfback was a key figure in a 5-2-0 season which saw the purple Tigers wage an uphill

struggle to win two of their last three games. The year's finale was a 29-28 thriller over Wabash of Indiana with the winning points highlighting the last two minutes and with the scoring lead seceding throughout the game. With

Sportsman Club To Have Barbecue

The Loudon County Sportsman Club will have their annual Fall Barbecue, Tuesday, November 28 at 6:30 p.m. at the Loudon Junior High School.

Ed McCown, Secretary-Treasurer, said this was a very important meeting as the club will elect officers and important decisions will be made concerning the future of the club.

Glasses Found

A pair of child's glasses with plastic frames were found Thursday night at the Lions Club basketball tournament. Owner may claim them at the Loudon County Herald office.

Murky and fluctuating. Trout is good on spinners, spoons, corn and worms. Several limits being taken.

HUNTING REPORT
Squirrel hunting is continuing to be good with many limits being taken. Grouse population seems to be up this year with several grouse being reported seen and several killed in the ridges of Sevier, Union, Anderson, Campbell and on the Cherokee Wildlife Management Area outside of the Tellico Unit.

Goose hunters are finding poor hunting due to the shortage of geese in this section. Maybe some of the cold weather we are having in the north will bring some in. Statewide deer season in Zone 1 opened November 16 and quail and rabbit seasons opened Saturday, November 18. Duck season opens November 25.

GORDO WATSON

freshmen composed over half his squad. Coach Shirley Majors shuffled assignments all season to find the right combination, which proved to be, on offense, the passing of Steve Timp, the running of Gary Sims, both of Chattanooga, and the pass receiving (and all-round play) of Gordo Watson of Loudon.

On defense, highest praise went to defensive end Mike Lumpkin of Rock Hill, S.C., and Johnnie Walters, a versatile safety from Huntsville, Alabama. Coach Majors praised the whole team for its uphill struggle and was optimistic about 1973 prospects with only four seniors graduating.

The University of the South is a member of the College Athletic Conference whose symbol, a large railroad bell, this year goes to Centre with a 3-0 record. Sewanee tied for second.

The Loudon Indians of the Pee Wee football league have captured the Volunteer Conference championship by means of a one point sudden death playoff.

The Indians posted a 7-4 victory over Kingston to give them the 26 26 straight win and Coach Buster Cutedge his 82nd victory as a coach.

Loudon and Kingston battled to a 0-0 first half tie. The defensive struggle continued into the third quarter when Kingston finally mounted a scoring drive. The initial scoring play coming on a 44 yard pass.

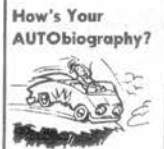

Loudon battled to dent the Kingston defense but had little luck. Loudon found Kingston knocking at their door in the fourth period, until a John Greer fumble recovery at the 23 gave the Indians new life.

A third score pass to Freddie Starritt from Eddie Estes produced a 76 yard touchdown maneuver and a tie game, 6-6.

The regulation time ran out with neither team able to do any more scoring. The coaches met for a brief review of the rules and the ball was placed on the 50 yard line with Kingston getting first crack at playing offense. The Kingston team failed to move the ball and ended up with a minus four yards.

Loudon then took the ball at the 50 yard stripe and Estes took the ball on four consecutive plays for a minus two yards and Loudon was awarded the victory and the championship.

Your County In Action

BY HARVEY L. SPROUL
LOUDON COUNTY JUDGE

TAXES:

I have recently received a copy of the 1972 report put out by the State Comptroller as to the "actual" and the "effective" tax rates for all Tennessee Counties.

Of course, as many of you know, Loudon County's tax rate for this year (1972) is \$2.59, which was no tax raise. In other words the individual property owner will pay the same amount this year as he did last year which was a \$2.94 tax rate.

Loudon County's effective tax rate is \$1.03. This is what a Loudon County property owner pays in property taxes based on his property's actual valuation, as opposed to its assessed valuation.

In other words, if you have a piece of property worth \$10,000, then such a person in Loudon County would be paying \$103.00 in taxes on that piece of property on the average.

RATING:

What this actually means is that approximately 1/2 of the Counties in Tennessee have a higher tax property tax than Loudon County, and approximately 1/3 of the Counties in Tennessee have lower property taxes than Loudon County.

What a County's property tax rate is depends upon many things, including whether or not there is a lot of industry in the County, how many people there are (because the theory

is that more people can have more things for a lesser cost - I don't believe it always works out like this - for example Knox County's effective tax rate is \$1.86, etc. Another thing that governs what a tax rate might be, depends upon how responsibly a County has been operated in the past.

SCHOOL TAX:

Here is another interesting figure: In 1966 the Loudon County School Property tax rate was 44 percent of the County tax rate. In 1971, in Loudon County, the part of the property tax that went to the schools was 51 percent.

REVENUE SHARE:

What will be the result of revenue sharing to local governments be? This is a very broad subject, and there are many feelings about it.

Many authorities seem to believe that it is not proper for the Federal Government to raise taxes that a lower level of government will spend.

(Of course, the Federal Government for years already has been providing funds and grants out of Federal revenues by local government, although with a lot of strings on it, so I don't know whether

that is a very good argument or not)

However, you don't have to talk to many people to see that the local property tax has about stood all it can stand, and local government doesn't have anywhere else to go to get the money to meet the requirements that are being placed upon it, which includes a desperate effort on the part of local government to meet Federal regulations concerning sanitary landfills and solid waste disposal, ambulances and emergency medical services hospital operations, Federal specifications on highways, medicare, medical, welfare, etc.

But apparently where the real dispute is going to come in is on whether or not the intention of Federal Revenue Sharing was to lower property tax rates.

Although the Federal law does not specifically state that revenue sharing cannot be used to lower property tax rates, there is a "built-in" factor in the way the money will be distributed which indicates that the real intention was

The "built-in" factor is that the lesser your property tax rate is the less money you get from Federal Revenue Sharing.

In other words, if Revenue Sharing is used to lower the property tax rate, that means that the next year you get less money because you are doing less in local tax effort, and the next year you would get less money, and the year after that you would get less money, etc.

So in order to keep your share (and Loudon County's share is none too large at that), then the local tax effort would have to be maintained.

It appears, then, that the real intention of the Congress was to give money to local

governments to do some of the additional things that they haven't been able to do because of high property tax rates.

This ultimately is a way of helping to lighten the property tax load because some things are going to be accomplished which could not have been done otherwise without raising property taxes.

An important part of the formula in how the distribution is made to local government is "per capita income", and fortunately Loudon County is fairly high on per capita income figures.

Therefore, in counties where the residents do not make as much money, and are somewhat depressed, the result will be that they will tend to get a larger check proportionately.

Many counties have what is called a "wheel tax" or a "vehicle tax" of \$5, \$10, or \$15 per car. This is considered to be local tax effort, and in many counties brings in substantial amounts of money, and will help them on their revenue sharing received.

I am not sure how many vehicles are registered in Loudon County, but for example if it is 8,000, and the tax were \$5.00, this would mean \$40,000 in revenue.

Loudon County is attempting a different kind of tax that not many other Counties have at this time, and that is the Hotel-Motel tax.

No significant reports from this tax have been received as yet inasmuch as the first monthly collections have not yet been reported, so, how much this will help in improving Loudon County's federal revenue share is not known.

Voters Assured Secret Ballot In ASC Elections

Farmers are cautioned to be on the lookout for their ASC community committee election ballot, Fred Pippas, Chairman of the County Agricultural Stabilization and Conservation Committee, said today.

Ballots were mailed to the voters of record from the County ASCS Office on Friday, November 17 and should be in possession of voters by this time.

Mr. Pippas explained that careful procedures are prescribed and followed to insure a secret ballot in ASC community committee elections. He said voters should follow these steps to make sure their ballots are kept secret and are eligible for counting:

1. Vote for 1, 2, or 3 candidates. (Select from listed nominees or write in.)
2. Place marked ballot inside plain envelope and seal.
3. Place plain envelope inside certification envelope and seal.
4. Sign and date back of certification envelope.
5. Mail certification envelope on return it to the ASCS Office by Dec. 4.

When election ballots are received, they are put in a sealed ballot box until the County ASCS Committee publicly tabulates the votes. This will be Dec. 4, at the ASCS Office beginning at 8:30 a.m.

Properly certified envelopes will be opened and the plain envelopes containing the ballots will be taken out and put in a separate pile. This pile will be thoroughly shuffled so that there will be no way to identify the plain envelope with the voter's name. Only when this pile is removed from the envelopes are opened and the ballots tabulated. Mr. Pippas said, "The contents of the envelopes are never touched before the public tabulation, so there is no way to find out how individual farmers voted."

Conservation Meeting Held In Memphis

One of the key meetings of the year for conservation leaders in Tennessee is scheduled for December 3, 4, and 5 in Memphis, according to Paul K. Arp, Chairman of the Loudon County Soil Conservation District.

Arp said that as many as 300 Soil Conservation District Supervisors and Watershed Directors will convene at the Sheraton-Peabody Hotel December 4 for the two-day meeting. A special vesper service is planned for Sunday evening, December 3. Program highlights will include talks by Davis Frow, State Program Advisor for the National Association of Conservation Districts, Athens, Georgia and E.V. King, Jr., State Coordinator, State of Tennessee, Office of Urban and Federal Affairs. Other first day speakers will include Steve Brunson, President of the Tennessee Association (TACD) and Mrs. Paul Arp, President of the TACD's Ladies Auxiliary.

One of the highlights of the first day session will be the presentation of the Goodyear Soil Conservation Awards.

Members of the Loudon County Soil Conservation District who plan to attend include Mr. and Mrs. Paul K. Arp, Mr. and Mrs. John W. Cardwell, C.L. Messler and Frank B. King. Roy Beddoe plans to attend from the Sweetwater Creek Watershed District and Roy M. Brooks from the Soil Conservation Service.

Other program features included a special program and business meeting for the Association's Ladies Auxiliary and election of officers for 1973.

Around The Farm

Charles McCall
Extension Leader

With the deer and wild boar hunts taking place we were thinking what the average hunter in this county would do in a few years. Many of my friends go hunting very often. We enjoy the sport too. However, the thought of the competition for our open land and the many facets of progress makes us think what our friends will have to depend on in the future if the present trend continues. I ask my friend Edd Witt about this. It was his opinion that the average hunter would eventually depend on privately owned farm land and woodlots for his "day in the field."

"The disappearance of the bison and prairie chicken are good examples of what happens when man takes over wildlife habitat," says Edd Witt, area Conservation Official. "The same thing is taking place, to a lesser extent, with other species such as turkey, quail, squirrel and rabbit. As the size of the human population increases, the wildlife habitat shrinks. It has been said that there's plenty of game for everybody.

1972 TOBACCO MARKET—The first basket of Burley tobacco goes on the market at the Sweetwater Burley Tobacco Warehouse. It was sold for 80 cents per pound which is average for opening day of the 1972 sales. Here several producers and buyers are shown as the market sales started Monday.

small game hunted today is produced on small privately owned land. If no game disappears from these lands, the average hunter will be left holding an empty bag. In fact, if this is permitted to happen, we will find ourselves like those in many of the European countries "hunting for the landed gentry."

The large holdings of land by certain individuals constitutes the basis for the system. The effect on this trend may be counteracted to a very limited extent by

Thanksgiving Services Set At Philadelphia

The annual Thanksgiving service will be held at the United Methodist Church, Philadelphia, Wednesday, November 22 at 7 p.m. The churches participating are the United Methodist Church, the Church of God and the First Baptist Church.

The choir will present special music under the direction of Gary Amos, Minister of Music, at the First Baptist Church.

Rev. John Neece, pastor of the United Methodist Church will be in charge of the service. Rev. Gabrel, pastor of the Church of God will give Devotion. Rev. Dillard Hagan, pastor of the First Baptist Church will bring the message "The Voice of Thanksgiving". Everyone is cordially invited to attend.

providing publicly owned hunting grounds. This approach will afford but little relief because again, due to increased population pressure, insufficient land is available. Since much of the land in public ownership is concentrated in less densely populated regions and hence is unavailable to the majority of the small game hunters.

Thanksgiving

Each Year Seems To Bring New Meaning...

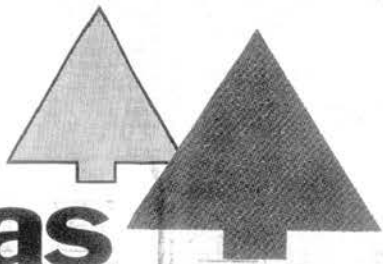

But it really goes right back to that first celebration. Thanks — for living in a land of plenty. Gratitude — for our freedom. Hope — for the future. Thanksgiving? It's an American heritage.

Obituaries

ALLIE P. LITTLETON
Allie P. Littleton, age 64, died at her home on Ashe Ave., Lenoir City, Friday, November 17 after a lingering illness.
Survivors include: husband, Carl Littleton; one son, Jack Mungler; daughter-in-law, Joanne Mungler; Lenoir City step-son, Carl Littleton, Center, Tex.; five grand-

children, J.C. Andrew Wesley, and Dorothy Mungler; Mary Ann Norris, Calhoun, Ga.; three Great-grandchildren, Elizabeth, Greg and James Norris, Jr.; brothers, Alvin Price, Muncie, Ind.; Ralph and J.W. Price, Lenoir City.
Funeral services were held Sunday at Hawkins Chapel, Rev. Frankie B. Kagley

officialled. Interment in Lakeview Cemetery, Hawkins, Lenoir City, in charge.
LEE KIRKLAND
Lee Kirkland, age 77, of Route 2, Loudon, died Friday, November 17 at Loudon County Memorial Hospital. Son of the late Bart and Epasie Kirkland.
Survivors include: sister, Mrs. Charles (Prada) Mainor, Loudon; niece and nephew.
Funeral services were held Sunday at Hawkins Chapel, Rev. Alvin Patton officiated. Interment, Mt. Zion Cemetery, Hawkins, Loudon, in charge.

MRS. KATHERINE CONNELLY RIPPETH
Mrs. Katherine Connelly Rippeh, age 76, died suddenly at her home, Route 2, Concord. She was a retired secretary at Atlas Powder Co. after 49 years. She was a member of Sacred Hearts.
Survivors include: husband, Samuel C. Rippeh; seven stepchildren, nieces, Mrs. Bernard Gleason, Miss Melrose Connelly, both of Knoxville, Mrs. Agnes Wynn, Florence, Ala.; nephew, Joseph B. Connelly, Knoxville.
Graveside funeral services were held at Connelly Cemetery in Ktoxville.

OTIS BREWER
Otis Brewer, age 51, of Route 2, Concord, died Saturday, November 18 at Fort Sanders Hospital. He was former Chief of Police, Lenoir City, member of American Legion and VFW.
Survivors include: father, Bert Brewer; four sisters, May Simpson, Ruth Roberts, Edna Thomas, all of Lenoir City; Kathleen Scarborough, Paducah, Ky.; several nieces and nephews.
Funeral services were held Tuesday at Click Funeral Home Chapel, Rev. Jimmy Graves, Rev. A.A. Carlton officiated. Interment, Shady Grove Cemetery, Click Funeral Home, Lenoir City, in charge.

WAYNE HAMILTON
Wayne Hamilton, age 41, died suddenly at his home, 41 West Broadway, Lenoir City, Thursday, November 16. He was a member of Central Methodist Church.
Survivors include: one niece, Miss Lizzie Wright and several cousins.
Funeral services were held Saturday at Hawkins Chapel, Rev. Phil Ernst officiated. Interment, City Cemetery, Hawkins, Lenoir City, in charge.
COYE E. BAUMGARDNER
Coy E. Baumgardner, age 81, of 304 2nd East Fourth Avenue, Lenoir City, died Saturday, November 18, in Loudon County Memorial Hospital. He was precinct captain for many years in Chicago Heights, Ill., served two two-year terms as trustee for the Village of Glenwood, served two four-year terms as Justice of the Peace of Bloom Township. He was secretary to Cook County Commissioner Charles Grupp, Jr., president of School Board District 167, for 15 years, served on Bloom Township Advisory Committee to the School Board, past president of Brotherhood of Railway Carmen of America, Local No. 1080.

Low Power Rates TVA Still Claims

Electric rates in communities served with TVA power continue to be among the lowest in the Nation, a new edition of the Federal Power Commission's annual report on Typical Electric Bills shows.
The report shows a national average monthly bill at the start of 1971 of \$19.24 for a home using 1,000 kilowatt-hours. That compares with bills ranging from \$11.52 to \$15.89 for the same amount of electricity for customers of TVA power distributors, the agency said today.
The average bill for 1,000 kWh was only \$13.82 in Tennessee, where nearly all the communities surveyed are served by electric systems distributing TVA power. That was the lowest level for any states except Washington and Oregon, where low-cost hydroelectric power from the Columbia River system is a major part of power supplies. The report does not reflect widespread electric rate increases that have occurred across the country since the time of the FPC survey in early 1971, TVA said. There has been no general increase during that period in TVA rates, which had been increased previously.
Following are January 1971 typical rates for home use of 1,000 kWh in various U.S. cities, compared with the present rates in the Tennessee Valley region and its larger cities:

\$27.16	New York City
25.18	Boston
20.26	Chicago
19.99	St. Louis
19.74	U.S. AVERAGE
18.85	Washington, D.C.
17.20	Louisville
17.00	Little Rock
16.00	Asheville
15.83	Birmingham
14.96	Atlanta
15.89	Highest rate for TVA power
14.51	Knoxville, Nashville
14.14	Chattanooga
13.82	Tennessee Average

YOUR FRIENDS AND RELATIVES AT HOME OR LIVING AWAY WOULD APPRECIATE A YEARS SUBSCRIPTION TO THE LOUDON COUNTY HERALD FOR CHRISTMAS.

Ministers Start Hospital Program

Beginning January 1, 1973, the members of the Loudon and Lenoir City Ministerial Associations will begin serving in the Loudon County Memorial Hospital Volunteer Chaplaincy Program. Each minister who takes part will be assigned for one week at a time to be on call for emergency situations and to minister to spiritual needs among the patients as seen by him or the hospital staff. Each

chaplain will also notify local Pastors when their members are patients in the hospital. As part of the preparation for this new program a training experience has been planned. Rev. William Justice, Chaplain at Baptist Hospital, Knoxville, will be guest leader for this two-session experience. The first session will be Thursday evening, Nov. 30, 7:00 - 10:00 p.m. and the second will be Friday morning, Dec. 1, 9:00 a.m. till noon.

Even though they do not belong to either Association and may not plan to take part in the Chaplaincy Program, all ministers in the County are invited to take advantage of this training opportunity in pastoral counseling as related to the hospital ministry. There is a registration fee of \$2 for each participant.

If there are further questions, please call Rev. Phil Ernst, Lenoir City.

Revenue Sharing Explained

(Editor's note: This is the third in a series of four articles on revenue sharing.)

A supplemental memorandum, in addition to a 19-page memorandum on revenue sharing, has recently been sent out to some 300 local government officials throughout East Tennessee by the East Tennessee Section of the Tennessee State Planning Office.

The supplemental information, received only days ago by TSPD from the U.S. Treasury Department, describes "administrative guidelines" which accompany the general revenue sharing act.

The guidelines outlined are temporary measures but

additional permanent adjustments are expected to be received later.

The guidelines are to be used on an interim basis in order to disburse funds to local governments for the period from last January through June 30, 1973.

Checks for that period should be mailed during the first week of December to local governments while checks for the remainder of 1972 should be released this January.

All revenue sharing monies must be used within two years after they are received unless "special permission" is obtained from the Secretary of the Treasury.

Penalties described: The guidelines first describe penalties for failure to comply "substantially with any provisions of the act or regulations."

Generally, the primary penalty involved is a withholding of further payments until the Secretary of the Treasury believes that "appropriate corrective action" has been taken to remedy the situation.

Reporting procedures of how the revenue sharing monies are to be spent are also included in the guidelines.

These governments receiving funds for the January 1, 1972 to June 30, 1972 period must send a report of the amounts and purposes for which funds for that period "have been spent, obligated or appropriated" to Washington.

The Treasury Department will provide forms for the

reports which must be printed in area newspapers.

Also, local governments are required to comply with any request received by the Bureau in the Census or the Treasury Department for data and information "relevant to the determination of entitlement allocations."

Failure to comply with this provision "may place in jeopardy the prompt receipt of funds from the government of entitlement funds."

Latest info only: Only the latest information provided by the Census Bureau will be used by the Treasury Department in determining "entitlement funds" and if not enough current information is available, allocations will, for the most part, not be made until it is received.

In some cases, however, estimates may be made.

Some information provided in the 1967 Census of Government Reports which the Census Bureau conducted will be used to figure "adjusted taxes" which are used in determining revenue allocations.

The "adjusted taxes" information will be updated by a special revenue sharing survey conducted this past fall by the Census Bureau, since it is likely that information obtained from the 1967 survey would be inaccurate in several cases.

According to the Treasury Department, all final allocations will be based on 1972 data.

required in some federal programs which contain federal matching fund provisions.

Supplements are OK: This does not prevent the use of revenue sharing funds to supplement federal grant programs in cases where, for example, expenditures for a project exceed the amount available from non-federal funds plus matched federal funds.

In other words, a local government may use the revenue sharing funds "to defray excess costs."

"Priority expenditures" for which revenue shared monies may be used have been detailed in a previous article.

Wage rates and labor standards are included in the guidelines section as are the provisions that no persons shall be denied the use of any program funded by revenue sharing money because of race, color, national origin or sex.

Persons or groups desiring any additional information on revenue sharing can contact the TSPD at P.O. Box 1069, Knoxville, Tenn. 37901 or at Ph. 522-2185.

NEXT: A look at the Community Development Act.

DECIDING FACTOR: Anybody who has the mind to do it, can-so it's having the mind for it that counts.

NOTICE TO CREDITORS: Estate of Joe H. Cathey, deceased. Notice is hereby given that on the sixth day of November, 1972, Letters of Administration, in respect to the Estate of Joe H. Cathey, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise their claims will be forever barred.

This November 6, 1972. J. H. W. Cathey, Administrator of the Estate of Joe H. Cathey, deceased. 11-16-2c.

TABLE TWISTERS AT WORK—Lions Club Tail Twisters Jack Fickey and Jim Fields couldn't shake a quarter line out of Lion Jack Lemler at the Ladies Night Banquet last Thursday, so like many other Lions the scissors clipped off his tie.

Lowering tax rate? If governments substantially lower the tax rate for which initial shared revenues are determined, the TSPD memo notes that subsequent allotments to that government will also be lowered since total tax effort is an important factor in the formula determining a local government's share.

Restrictions on the use of funds, which were covered in a previous article, are included in the second memorandum as are descriptions of changes in governmental boundaries caused, for example, by annexation.

The guidelines do note that no receiving government may use any part of the revenue sharing funds as a local share of matching funds which are

LEGAL NOTICES: NOTICE TO CREDITORS: Estate of Frank L. Kelso, deceased. Notice is hereby given that on the thirteenth day of November, 1972, Letters of Administration, in respect to the Estate of Frank L. Kelso, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise their claims will be forever barred.

This November 13, 1972. Clarence Johnson, Jr., Administrator of the Estate of Frank L. Kelso, deceased. 11-16-2c.

BACK IN THE GOOD OLD DAYS

Possibly one thing well remembered by school children through the passing years is the seasonal plays and themes promoted at Christmas, Thanksgiving, Valentine's Day and many others we could mention. Somehow, the kids would always get in the mood of the season or day that they were celebrating.

Our thoughts along this line was prompted by an old picture we found in our files. From all indications, it is a school group performing possibly a Thanksgiving play. We say this because of the attire of the young ladies and the scene painted back of the stage.

In many ways the gym reminds us of the old Loudon Grammar School gym, but we don't have any idea where or when it was taken. We thought it maybe just might bring back some good old school days memories. If you know where it was made, let us know.

Another picture we have this week is of the Gilland children which was taken in Cresmont, North Carolina. These children grew up in Loudon and were the daughters of the late Curtis Gilland. Those in the picture are Frankie Gilland Sutton, the late Elma Gilland Nobles and Edith Gilland Styles. These and some other pictures were loaned to us by Frankie Sutton, Hensan Street, Loudon.

We have another picture this week that we don't know the identity of. The picture is an old tin type faded by the passing of many years. We can't recall anyone loaning us this picture. We are sure it is priceless to one of our readers. We would like to know the identity as well as the owner.

You know, quite often, we hear of something that we never heard of before. Our case in point is this. What is a measuring party. We have a very old issue of the Herald which has an article about a

Europe to get it. Maybe he will let us do a story on it and his efforts to obtain it. I'm sure it wasn't very easy to get. We appreciate Bruce's comments about the Good Old Days. We are always glad to see and talk to old friends as well as new friends of ours and the Good Old Days.

We were in the Greenback area the other day and we enjoyed talking to several people, many whom we found to be Good Old Days readers. Of course, this pleased us very much. Some of the folks told us they had some pictures for us and we are looking forward to receiving these. If you live in this section of our county and have pictures you would loan us for the Good Old Days, either give us a call, drop us a card or leave pictures at the Herald office.

Roberts Reports

Bruce operates the Smokey Mountain Automobile Museum at Pigeon Forge, and was telling us about the unusual James Bond Car, which he has in his museum. I believe he told us he went to

READY FOR Hospital Ambulance shown rear the ambulance Coordinator Page 1

VOLUME 87, I

Two Brothers At I-7

Two Lenoir City men were killed and a third injured about 2:00 p.m. Tuesday, Nov. 21, in a construction accident of the Interstate crossing the Tennessee about two miles south of Loudon.

Dead are Jack H. Harper, 41, Lenoir City, and Avery Allen Hatley, 37, Lenoir City. Injured are Garland Harper, 27, Lenoir City, and James W. Hatley, 37, Lenoir City, who were treated at Loudon Memorial Hospital.

All three men were employees of M. Saltzman Bridge Co. who are building the four-lane I-75 scheduled for completion August of 1974.

Loudon County Lucian Kent took a break from Ken Jarvis, construction foreman of the crew, the three men were working on the pier when the accident occurred. The pier was about 115 feet long and was being completed a concretecrete along with plating of steel rods in the pier when the accident happened. The foremen all three men were on top of the form, folding when the steel form started to split bottom and fell over Harper and Avery Hatley attempted to use a concrete bucket to pour. Mr. Jarvis said he did not know if Jack H. Harper was safely held, but other two men did. They were fastened to the pouring form. Harper was able to throw himself from the form during the fall. The two brothers were under the wreckage derailer. The foremen Other workers immediately got the beam

RODIES REMOVED are shown helping shortly after they collapsed.

READY FOR SERVICE—Two of the four ambulances the Loudon County Memorial Hospital Ambulance Service will start using Friday when they take over the service are shown ready to go. Also in the photo are Ellis Galyon of Nashville, dealer who sold the ambulances, Hospital Administrator Gay Hamilton, Ambulance Service Coordinator Ronnie Willis and Rescue Squad Captain John Parris. (Another photo, Page 5)

Hospital Starts Ambulance Service Friday

The Loudon County Ambulance Service, operated by the Loudon County Memorial Hospital will begin emergency and non-emergency ambulance service on Friday, Dec. 1, Hospital Administrator Gay Hamilton said this week.

All three funeral home operators in the county, late last week signed an agreement not to compete in the ambulance service for a period of 10 years. The funeral

operation in the ambulance service.

Anyone needing any type of ambulance service should continue calling the county jail at 458-4111. Mr. Hamilton said a special telephone number and communications system is to be installed at the hospital, but at newspaper deadline time this week the telephone company had not issued a number for the phone.

The County Ambulance service will have four vehicles

and a crew of 12 men and a first coordinator. For the first couple of weeks Hamilton said he would ask the Rescue Squad to continue to assist the hospital on weekends until a full crew could be assembled.

Ambulances will be stationed at the Hospital and the Loudon County Rescue Squad Building with crews on duty 2 hours a day, seven days a week.

The cost schedule for the service was also announced. Calls in the county will be \$30 flat. Calls that take the vehicle out of the county will be \$30 plus \$1 a mile one way. They will also be a \$6 per hour charge for waiting time should the vehicle and crew be forced to wait for the patient before transporting the patient.

Mr. Hamilton said the crew he plans to hire will have many experienced personnel and complete in-service training program is ready to be implemented.

VAUGHN BROWDER
Farm Leader,
Browder, Dies

F. Vaughn Browder, who probably had more influence in the agriculture community in Loudon County than anyone, died Thursday at Presbyterian Hospital in Knoxville at the age of 79.

Mr. Browder died of a heart ailment. He had been confined to a wheel chair for about five years and in the past year spent most of his time in bed. He also for many years had suffered from crippling arthritis.

Since his discharge from the U.S. Infantry following World War I in 1919 he had operated a 650 acre cattle farm in Loudon County.

Bron in Loudon County, he was educated in Loudon County Schools and was a graduate of Emory and Henry University. It was after graduation from college that he entered the service in 1916.

While in the service he served in the 88th infantry division in Germany and France and was a personal friend of WW I hero Sgt. Alvin York. Mr. Browder was discharged from the service with the rank of Sergeant.

Browder and his widow, Lillian Whisman Browder, had been married for 54 years.

His farming and farm related activities were many and varied. He was President of the Loudon County Farm Bureau from when it was founded in 1942 until his death. He was re-elected to the post two weeks ago. He was also a Director of the Tennessee Farm Bureau and was honored for his 30 years of service in the organization recently. He was one of the incorporators of the Loudon Farmers Cooperative and of the State Coop Board. He was a member of the Loudon County and Tennessee Livestock Association for 10 years. From 1948 to 1952 was

VOLUME 87, ISSUE NUMBER 48 LOUDON, TENNESSEE, THURSDAY, NOVEMBER 30, 1972 TEN CENTS PER COPY

Two Lenoir City Brothers Killed At I-75 Bridge

Two Lenoir City brothers were killed and a third man injured about 2:15 p.m. Tuesday, Nov. 21, in a construction accident at the site of the Interstate 75 bridge crossing the Tennessee River about two miles west of Loudon.

Dead are Jack Hatley, 35, Rt. 4, Lenoir City, his brother Avery Allen Hatley, 41, Rt. 2, Lenoir City. Injured was Garland Harper, 35, of 200 Lakesview Drive in Loudon. He was treated at Loudon County Memorial Hospital for minor injuries.

All three men were employees of McKinnon-Saltzman Bridge Contractors, who are building the \$7 million four lane I-75 bridge, scheduled for completion in August of 1974.

Loudon County Deputy Lucian Kent took a statement from Ken Jarvis, construction foreman of the crew on which the three men were working. Mr. Jarvis said that the three men had been working in and out of the big concrete pier, called pier number five on the North side of the river, since about 1:15. They were just completing a concrete pour of some 62 cubic yards of concrete along with placing five tons of steel rods in the section of the pier when the accident happened. The foreman said all three men were standing on top of the form, on scaffolding when the steel pouring form started to split at the bottom and fell over. He said Harper and Avery Allen Hatley attempted to hold on to a concrete bucket used in the pour. Mr. Jarvis said he did not know if Jack Hatley had on his safety belt, but that the other two men did. The belts were fastened to the steel pouring form. Harper was able to throw himself inside the form during the fall, but the two brothers were pinned under the wreckage and under-worked, the foreman said. Other workmen immediately got the heads of the

DEATH CAR—This is the largest piece of the car in which Raymond McJunkins, Jr., were riding early Thanksgiving Day when it was struck by another car as McJunkins attempted to turn his car into Huskey's driveway on U.S. 11 near Philadelphia. Huskey was killed instantly by the impact. Two other large portions of the car, one the entire right side and the other the trunk and rear wheels were scattered for 200 feet along the front of Huskey's home. McJunkins sustained a broken knee cap.

Philadelphia Man Killed In Wreck

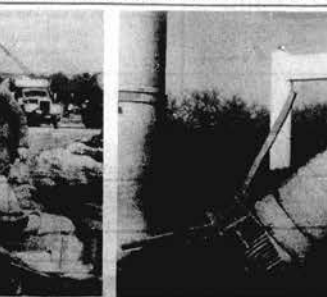

A well known Philadelphia man was killed on U.S. 11 in front of his home about 12:15 a.m. Thanksgiving day in a grinding three car wreck. Dead is Carlton F. Huskey, Jr., 45, who for several years was in the plumbing business in Loudon County, and presently employed at Oak Ridge.

Huskey and his brother-in-law, Raymond McJunkins, 41, were returning to Huskey's house where they had been working on McJunkins car after trying it out, according to State Highway Patrol Sgt. David Grissom who investigated.

Sgt. Grissom said witnesses said that the car driven by McJunkins was attempting to turn from the southbound lane of U.S. 11 about four miles from Loudon into Huskey's driveway when the car was struck on the right side by a car driven by William A. Goley, 33, Rt. 4, Lenoir City.

The McJunkins car was torn into three major pieces by the impact and wreckage scattered over a 300 foot area in Huskey's front yard and along the highway. Mr. Huskey was thrown out of the car. He died instantly of multiple injuries including a massive chest injury. Members of his family, hearing the crash, found his body. The Huskey and McJunkins families are also next door neighbors.

Sgt. Grissom said the Goley car skidded about 140 feet before the impact and slid out of control another 210 feet after the impact. Mr. Goley was admitted to Loudon County Memorial Hospital with mouth, leg and shoulder injuries. Mr. McJunkins was taken to Fort Sanders Hospital in Knoxville. He sustained a broken knee cap and cuts and bruises.

SCENE OF BROTHER'S DEATHS—Shown in the photo above is the bridge pier that collapsed shortly after 80 tons of concrete and steel were placed in the form Tuesday. Three men were on top of the form when it collapsed. Two men were killed when crushed under the wreckage and another was slightly injured.

Two Attempt Jail Break

The only two prisoners in Loudon County Jail Saturday night have been charged with attempting to break out of the jail, Sheriff Freeman Russell said.

Mr. Huskey is survived by his wife, Mrs. Tommie Miller Huskey; three daughters, Deborah, Susan and Connie, all at home; mother Mrs. Blanche Huskey, Tellico Plains; two sisters, Mrs. J.W. Stapp, Kingston, Mrs. Ralph Tucker, Detroit, Michigan.

Funeral services were held Friday at Philadelphia Baptist Church with Rev. Dillard Hagan officiating. Burial was in Sweetwater Valley Memorial Park. Kyker Funeral Home of Sweetwater was in charge.

(Continued On Page 9)

BODIES REMOVED—Workmen on the I-75 bridge construction project at Loudon are shown helping load the bodies of two brothers into a Rescue Squad ambulance shortly after they were killed when a newly poured bridge pier in the river collapsed.

TELLS OF ACCIDENT—McKinnon-Saltzman Bridge Contractors crew foreman Ken Jarvis, center, tells Loudon County Deputy Lucian Kent about the accident on the I-75 bridge construction project that killed two Lenoir City brothers last Tuesday afternoon.

Loudon County Herald for and about Women

Mincey-Myers Vows Planned For December

Mr. and Mrs. R.P. Mincey, of Loudon, announce the engagement and forthcoming marriage of their daughter, Rachel, to Jeff Myers, son of Mr. and Mrs. Franklin Myers of Kingston.

FISH Slated To Organize

With a meeting on Nov. 21 at the First Presbyterian Church of several interested persons, FISH, originated in 1964 at an Episcopal Church in Massachusetts and since that time spreading to more than 2,000 communities, came closer to realization in Loudon County.

The Rev. Joseph T. Boulet of the Episcopal Church of the Resurrection and a member of the Lenoir City and Loudon Ministerial Association who have spurred the meeting, acted as chairman.

James E. Crews and James R. Muir, both past presidents of FISH in Oak Ridge, were invited speakers at the meeting and outlined their organization for the group. "Unlike many other organizations, the word FISH is not formed from the first letters of several different words but is a word in itself and is copied from the early Christians who used the symbol as a way of recognition. It is an appropriate symbol for a group such as this," agreed Mr.

Crews and Mr. Muir who used the story of the Good Samaritan, taken from the Gospel of Luke in the New Testament, as a springboard for discussion of FISH. Therefore, FISH uses a central telephone answering service to receive calls from persons requesting help. The answering service relays the call to the Fish member on duty and that member takes it from there.

Sometimes it is a request for transportation to the doctor or grocery store. Another time someone may need food or medicine. Sometimes the Fish member must act as coordinator between the caller and a person or organization that can help.

"It is up to the individual on call to decide how much he himself can do and how much should be delegated to a professional person or an organization willing to help, such as those that buy shoes, food, eyeglasses, etc.," stated the speaker. "However, because we have no bus system in Oak Ridge, the primary function of our organization has been to furnish transportation for people who can't afford taxi service."

Bacon Official Wins Genesco SARA Award

Edwin L. Brown, Vice President and Treasurer of the Charles H. Bacon Company plants in Loudon County has been named one of the recipients of the SARA Award. The award is given to top executives of the Genesco Company plants who demonstrate superior achievement. The Bacon Company is a division of Genesco.

The Superior Achievement Recognition Award was awarded to Mr. Brown for his handling of the financial affairs of the Charles H. Bacon Company and the fact that his efforts were recognized by his co-workers a letter from Frank M. Jarman, Chairman and J. Owen Howell, president of Genesco said.

Brown has been with Bacon since 1957. People meeting at the First Presbyterian Church last Tuesday were told "don't drag these organizational meetings out or you may lose your enthusiasm. Start and the others will come." So, acting upon this advice, a meeting, hopefully for organizing, was set for Thursday, Dec. 14, 7:30 p.m. at the Episcopal Church of the Resurrection on West Lee Highway.

MR. BROWN
Vice President and Treasurer of the Charles H. Bacon Company and the fact that his efforts were recognized by his co-workers a letter from Frank M. Jarman, Chairman and J. Owen Howell, president of Genesco said.

More Learned On Student Med Program

Loudon County Judge Harvey Sprout said this week he had been able to obtain additional information concerning the special program available to prospective medical students. Under the program residents of Tennessee who are enrolled or accepted for enrollment in an accredited medical school in the United States, and who plan to practice medicine in the area of Tennessee where there is a shortage of physicians, may apply for the special Medicine

Education Loan Scholarship program. Each student accepted may borrow as much as \$2500 per calendar year, or a cumulative total of \$14,000. If at the time that the student is ready to begin his medical practice he continues his indication of practicing medicine in an area at the time determined to be a "shortage" area, then the loan will be cancelled and it will be considered a grant.

The money is loaned in the beginning at a rate of seven percent interest and must be paid in monthly installments within seven years, if not cancelled by service in an accepted area. Repayment begins within a year after the student completes his course, unless it is changed into a grant.

There are only 21 other counties in the State of Tennessee that have a small number of practicing physicians as Loudon County in reference to the total population of the county. Therefore students that would come to Loudon County at the present time would be eligible for the grant instead of the loan. Applications for the program are available at Judge Sprout's office at the courthouse.

RESCUE SQUAD OFFICERS ELECTED—New officers for the coming year were elected by the Loudon County Rescue Squad: Seated are John Parra, re-elected Captain and Bill Fox, First Lieutenant, back row - Jack Rowe, chaplain; Grady Smith, historian; Brent Davis, Sgt.; Dan Ellis, Unit Director; and Clyde Pezall, 2nd Lieutenant. Not pictured are Ralph Gregory, secretary; Adrian Ford, 2nd Lieutenant Greenback unit; Bob Sowers, Sgt.; and Ray Reynolds, treasurer.

Chamber Meets Monday Night More Join

The regular monthly meeting of the Loudon Chamber of Commerce will be held at 7:30 p.m. Monday at the Loudon Committee of 100 office on Mulberry Street in Loudon. President Edwin Arnold urged all members to attend.

Firms and individuals to join the Chamber during the past month are as follows: Richeson's Loudon Pharmacy, B. E. Presley Electric, James S. Walker Company, Loudon Farmers Cooperative, Allen Giles, Miller Motor Company, Loudon Utilities, Don P. Smith Chair Co., White Stores, Maremont Corporation, Hall Oil Company, South Central Bell, Hamilton National Bank, Valley Mercantile Outlet, Aitchley Oil Company, Dixie Motor Sales, Genesco, and Industrial Maintenance Sign Company.

SHERIFF'S SALE
Three abandoned vehicles will be sold at public auction by Loudon County Sheriff Freeman Russell. The sale will be held at 9 a.m., Dec. 11, 1972 at the jail. The vehicles are as follows:
1-1959 Chevrolet, 4door, VIN - E50T143166
2-1964 Buick Station Wagon, VIN - 2K1120038
3-1962 Buick LaSalle, VIN - 44-1019931
This is the 30th day of November, 1972.
Sheriff Freeman Russell.

INSIDE OF MEDICRUISER—Ambulance Service Coordinator Ronnie Willis is shown inside the Dodge Med Cruiser the crash vehicle of the new Loudon County Ambulance Service operated by the Loudon County Memorial Hospital. The vehicle will go into use for the first time Friday. The 1973 Dodge Med Cruiser was purchased for \$10,300.

Speaking
of Sports

By DANNY GIBSON
Sports Editor

Loudon and Lenoir City crossed paths again in the field of sports last Friday night. The game was basketball on this occasion and the excitement and tempo of the game is always of a special nature with each and every movement of the game appearing to have more significance than just the average Tuesday or Friday night game.

Friday night set the stage for outstanding team play and also brought out the best in individuals. Loudon's Jane Shubert played with the most seriousness that she has ever installed among her teammates as a take charge performer. Jane arrived at Loudon's gymnasium early Friday morning despite the day being a holiday for students due to Thanksgiving holidays. She shot baskets for over two hours and declared she was ready to play. And play she did with 34 points a career high for the easy going junior and a top figure for scoring under Coach Dewayne Arp.

Coach Arp was surprised when he checked his score book and found Jane had really out done herself. "I am used to these forwards, Shubert, Marilyn Smith, and Debbie Hawkins all hitting double figures but they seldom get more than 20, but almost always register 12 or better."

When the Lassies get their team back to full strength in a couple of weeks you can bet that their mediocre rating will climb considerably.

Nevertheless white Shubert was exhibiting her potential play for the future. Lenoir City's Marietta Blackburn was ripping the nets with a 46 point display of pure basketball perfection. Miss Blackburn has the poker face play of a gambler with four aces in his hand and an extra up his sleeve. She shows no weakness in her ability to shoot from any spot on the court and can handle the ball and pass as good as any player in the state. Miss Blackburn's desire and hustle to improve and make her team a great unit is a true sports picture painted with sweat and hard work and framed in outstanding performances on official game nights.

"Golden memories of Big Orange Country," a 194-page book on the 50th anniversary of Ed Harris' career with The Knoxville Journal is on sale in book stores in Knoxville and the surrounding area.

Harris, executive sports editor of The Knoxville Journal, wrote the history of football across the state-Tennessee, Carson Newman, Maryville, East Tennessee State, Sewanee, Chattanooga, Tennessee Tech, Middle Tennessee, Knoxville College, Vanderbilt, Tennessee State, UT Martin, Austin Peay, and Memphis State. It also includes stories, and pictures of all Vol coaches and hundreds of pictures of former Vols.

A section also is devoted to the history of baseball in Knoxville, and the growth of tourism in the state.

The book sells for \$3. It is available at most every news stand. Copies may be obtained by mail, by order to Harris at The Knoxville Journal and through the UT athletic Department.

A hard-back book, which sells for \$5 is also available and would make individuals interested in football an excellent Christmas gift.

With high school football in its last week of the playoffs for another year The Herald will have to go with Sweet water to repeat, as the "A" division champ, Kingston appears to have its eye on the top rung of the latter in "AA" play, and of course no body is ready to admit but what Bristol could not be a worthy representative for Tennessee in the Bluebonnet Bowl or even the Super Bowl so who would dare challenge them for the "AAA" title this final week.

A coach for a big name University was passing through town the other day in a recruiting venture to a playoff game. The coach told this story on a prospective signee to a football scholarship as a reference to the rat race that goes on all over the nation in regard to each university and college getting their share of top notch players.

"Listen kid," says the persuasive recruiter, "you play football with us and you get it all...tuition, board, room, books, \$15 a month and laundry."

"Everybody's offering that," replies the schoolboy coolly.

"Yeah," says the recruiter, "but this laundry cleans \$700 a month." Another kid appears unannounced in the coach's office, says he's 6-foot-6, 240, and want to play football at Bedrock U.

Blackburn's 46 Points Keeps LC Unbeaten

Lenoir City Smacks Redskins In Hoop Sweep

Shubert Nets 34 Points

The Herald SPORTS

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting

Lenoir City stuck to their winning ways in basketball Friday night with a sweep of Loudon. The Lenoir City Pantherettes held off a second half Lasso rally to remain undefeated with a 67-62 decision. The Loudon boys lidded for their sixth straight victory over the Panther boys, had the string broken by the score of 55-39.

Loudon, playing with out the services of starting guards Gloria Brown and Connie Huskey and number one defensive reserve Susan Huskey, challenged the Lenoir City sextet from the opening tip. The Lassies hit a respectable 37.5 percent of their field goals on 21 of 56 shots for the game. Lenoir City hit an even 50 per cent of their field goals being successful on 25 of 50 shots.

Loudon's Jane Shubert played her most outstanding game of her prep career with a brilliant shooting performance and team hustle. Miss Shubert burned the nets for 34 points on 11 field goals out of 21 tries.

The tremendous individual play by Shubert was nothing shy of self satisfaction carried over from her sophomore season. The Lenoir City defense, led by Janet Leeper, was instrumental in upsetting Loudon's powerful sextet in the regular season last winter and in doing so all but hung a collar on the shooting touch of Shubert. But Miss Shubert

was not to be stopped Friday night as she took the best of the Pantherettes could offer and bombed the basket from a range of 25 foot to fashioning a wicked hook shot in close to the hoop that never seemed to miss.

While Shubert was electrifying the Loudon followers with her play, Lenoir City had an equal offensive weapon in the form of Marietta Blackburn. The slender junior was driving the Loudon defensive corp dizzy with twists and turns and basket after basket from all parts of the floor.

Miss Blackburn threaded the hoop on 18 occasions out of 29 attempts for a hot hand percentage of 62 percent. The crafty forward, who shoots from the hip like Annie Oakley

RUGGED DEFENSIVE TASK—When Marietta Blackburn gets zeroed in on the basketball goal the opposing defensive guards usually find themselves guarding their own shadows. Miss Blackburn pretty well called the shots Friday night against Loudon as she burned the nets for 46 points. Here she is cut off by Loudon's J.J. Purdy while Mary Tyler and Sherree Harris wait to see what direction Blackburn will seek.

used to do in the "old west" collected a fabulous 46 points and littered gunned down Lassies' best performance of the young season.

Loudon gave Shubert plenty of support with Marilyn Smith adding 16 points and Debbie Hawkins contributing 12. Miss Hawkins twice hit clutch baskets with in the last five seconds of the first and third quarters to equal the Lenoir City strategy of holding the ball for the final shot of the quarter. Miss Blackburn twice controlled the ball for nearly a minute in setting herself up for what appeared to be the back breaking basket in the closing seconds only to have

Hawkins foil the Pantherette efforts.

Mary Ruth Dunsmore turned in with her best game of the current season Friday night with 19 points in giving

BOYS

LOUDON (39)	L.C. (53)
F. Messamore 19	Melton 24
F. Collins 8	Cunningham 4
C. Casler 16	Bracker 18
G. Shewen 2	Williams 1
G. Brannan 7	Dye 2
SOBS: Loudon: Thomas 8, Lenoir: City: Keebler 4, Lenoir: City: Keebler 4, Lenoir: City: Keebler 4, Lenoir: City: Keebler 4	

the Pantherettes a strong 1-2 offensive punch.

Loudon fell behind midway in the first period on costly turnovers and the sharpness

of Blackburn's offensive play. The Pantherettes continued to take advantage of the Lassies inexperienced guards and raced to a 46-27 halftime margin.

Loudon had nine turnovers for the first half but made only four errors in the third and fourth cantos and got a valiant defensive job from Mary Tyler and J.J. Purdy in constructing a comeback that saw the lead cut to a single basket in the fourth stanza. Loudon's defense did a good job of stopping Blackburn and Dunsmore from reaching the basket from the right side but had troubles all evening in containing them from the left of the goal.

SHUBERT SNEAKS IN BACK DOOR—Jane Shubert had her best offensive game of her basketball career Friday night with 34 points. Lenoir City's Janet Leeper tries to prevent Jane Shubert's moves to keep her from adding to her scoring total.

"Can you run?"
"Like the wind."
"Can you block?"
"Like a bulldozer."
"Can you tackle?"
"Like a gorilla."
"Well," says the coach excitedly, "you got any weaknesses?"
"Yeah, says the kid, "I lie a lot."

Recruiting yarns, like fish tales are not uncommon among football coaches, who vow that all's fair in love, war, and the pursuit of schoolboy talent.

A full-page whiskey ad in Life Magazine gives Vanderbilt and Tennessee some free national exposure. It says in big type that the very bourbon fans will be sipping during the traditional clash between Vols and Commodores Saturday afternoon in Nashville was put up to age eight years ago—on November 28, 1964 while Vandy was in the process of upsetting UT, 7-0, "swily the old Sally Rand (naked reverse) setting up the game's only touchdown". Vandy hasn't beat UT since. It'll be interesting to see if the emergence of that batch of bourbon from "the weather houses" proves a lucky stimulative omen for Coach Bill Pace's Gold and Black.

Greenback Victimizes Walland For Third Win Of Season

The Greenback Cherokeees pulled in their best team performance of the young season Tuesday night with 50-45 victory over Walland.

The win gave Greenback a 3-1 season record for the Thanksgiving holidays.

Coach Charles Bailey said, "I am real proud of our entire team. They have been working hard and the results

show for themselves. If we continue keep up our balanced play I think we can play evenly with any team in our district by the end of Christmas vacation."

Tuesday night certainly gave indications of what may become a pleasant hoop campaign for the Cherokeees. It has been several seasons since Greenback has had such

a good start in basketball. Larry Ritchey, again led the Cherokeees in scoring with 20 points, but his team play at running the Cherokee offense and hitting teammates with scoring passes made the senior guard a key figure in the victory. Bill Joe Kyker supported Ritchey with a 16

Doug Lyle would like to express his gratitude and thanks to the many people who helped make the grand opening of Lyle's Pleasure Island a wonderful success.

Doug is pictured with Bobby Tutteroff of Huffman Drive, Loudon, who won the 4 h.p. Mercury motor drawing at the close of the grand opening Saturday.

Doug reminds everyone to:

Harriman Tops Panthers In District Seven Shoot Out

District Seven powers Lenoir City and Harriman squared off in the Blue Devils "cracker box" Tuesday evening and the Panthers had to settle for a split of the cage double header. The Lenoir City girls took the preliminary game 49-39, but the Panther boys fell from the unbeaten ranks 79-87.

The Pantherette defense got equal play from four guards, Janet Leeper had four rebounds and four loose ball recoveries. Vicki Morgan collected four rebounds. Kathy Guillen had four rebounds and two recoveries and Diane Dunlap speared three rebounds and had a game high of six recoveries.

Lenoir City hit 31 per cent as a team while Harriman, playing their best game in three years hit 35 per cent of their shots and one more field goal than the Pantherettes. The difference came at the foul line with Lenoir City hitting 17 of 24 compared to five of 14 for the losers.

The Lenoir City boys fought to a 24-8 first quarter advantage and continued to pour on the coal in the second period for a 26-8 score with less than three minutes left. In the half, Harriman countered with a full court press and at the ball of the eye the Panthers found themselves knotted in a 29-29 halftime deadlock.

The Blue Devils carried their hot hand into the second half of scoring Lenoir City 51-29 down the stretch and pushed their season mark to 5-0 with a 79-57 triumph.

Tim Cunningham led the Lenoir City scoring with 18 points. Warren Melton and Mitch Keebler had 10 points each for the Panthers but the game was never in doubt in the second half as Cunningham, Melton, and Jim Harris dropped from the Lenoir City line up with five fouls each.

Lenoir City had 27 team fouls in the game to just 11 for Harriman. The Blue Devils hit 26 field goals in the game while Lenoir City had 34. The Blue Devils hit 27 of 36 foul shots Lenoir City managed to hit nine of 13 tries.

The second half as Cunningham, Melton, and Jim Harris dropped from the Lenoir City line up with five fouls each.

herettes as she ripped the nets for 38 points. The junior sharp shooter hit on 11 of 26 shots and all were in the 13 to 20 foot range. The game was tied at 17-17 at halftime, but Miss Blackburn came out firing from the hip in the second half and accounted for 21 points in the fourth quarter to pace the Lenoir City girls to victory.

Lenoir City boys fought to a 24-8 first quarter advantage and continued to pour on the coal in the second period for a 26-8 score with less than three minutes left. In the half, Harriman countered with a full court press and at the ball of the eye the Panthers found themselves knotted in a 29-29 halftime deadlock.

Kingston Upsets Loudon Boys; Lassies Win With Second Half Surge

Loudon had to settle for a split of their basketball games with Kingston Tuesday night. The Loudon girls zipped to a 48-37 victory while the Loudon boys were surprised by the Kingston boys 49-46.

William Casler led the Loudon offense with 13 points.

The sophomore center grabbed 12 rebounds, but fouled out early in the fourth period. Mike Messamore lunged in 11 points and swept the back boards for 17 rebounds to lead both teams in that department. Messamore had a chance to give Loudon the lead on a one-and-one foul shooting situation in the closing seconds of the game but the ball rolled off the rim

and the Kingston rebounder was fouled to give the final score of 49-46.

Loudon hit a modest 30.7 per cent on 20 of 65 shots. Kingston hit 16 of 43 tries for a 37.2 game percentage.

into foul trouble for a portion of the game. The team gave the break they had and they lead at the end of the 34-31. The offense forced the far out past its 20 minutes lead over the other team. The rebounder was fouled to give the final score of 49-46.

Loudon Lassie scoring. Jane Shubert and Debbie Hawkins had 12 points each to riddle the Yellow Jackets defense. The Lassies hit 16 of 35 shots for a hot 45.4 per cent for the game. Kingston was good on 16 of 36 floor attempts for a respectable 44.5 per cent shooting.

Loudon Lassie scoring. Jane Shubert and Debbie Hawkins had 12 points each to riddle the Yellow Jackets defense. The Lassies hit 16 of 35 shots for a hot 45.4 per cent for the game. Kingston was good on 16 of 36 floor attempts for a respectable 44.5 per cent shooting.

LIASSIES CONTROL THE BOARDS—Loudon's defensive crew of Yarbber Harrison (83), J.J. Purdy (15), and Sherree Harris (51) crash the backboards for this rebound in the girls game between Lenoir City and Loudon Friday night. Lenoir City's Marietta Blackburn (14) watches with hopes of regaining the basketball.

Redskin Front Line Over Powers Wave

Loudon placed three men in double figures Tuesday night as they broke a three game losing streak with a 77-57 romp over Midway.

percent of their shots, with Mike Messamore holding the hottest hand making good on 11 of 14 shots for a personal 71 percent.

William Casler with 23 points and 11 rebounds led a balanced front line. Redskin attack Senior Mike Messamore returned to his old playing form with 21 points and 11 rebounds. Mike also turned in with five assists. Bill Collins rounded out the double figure scoring with 14 points and added nine rebounds.

The Loudon girls still just a step away from putting things together bowed to the Midway sextet 43-40. Marilyn Smith was the lone Lassic in double figures with 11 points and 11 rebounds at the half and were never able to catch up despite playing close the entire second half.

Game and Fish TODAY

By Sgt. Bob Harmon
Game and Fish Commission

LOCAL HUNTERS: BY SGT. BOB HARMON, GAME AND FISH COMMISSION

Local deer hunters are having good success in pursuing their sport. A group of Loudon hunters, John Lennox, Bill Russell, Jessie Costner, Milas Anderson, and James "Butter" Clark went over to the Chuck Swan Wildlife Management Area during the Thanksgiving holidays.

Jessie Costner and James Clark were the successful hunters in the party. Jessie got a case of "Buck Fever" and missed a big buck but was able to bag a four pointer later in the day. James bagged a spike buck.

Everyone in the party said they saw several deer but were unable to locate a legal buck deer.

Another band of local hunters went to Blount County to seek their deer during the open deer season (which closed Nov. 26).

David Ridings of Loudon bagged a big nine point buck. Hunting with David were Johnnie James, Larry and Jack McCotter, Bud Giles, and Doyle Goodson. The party saw approximately 25 doe.

Raymond Giles of Loudon bagged an eight point, 110 pound field dressed deer while hunting on the Chuck Swan Wildlife Management Area.

Small game hunters took to the field in force opening day and Thanksgiving Day but this past weekend was duck hunting weather. According to reports from the field, few waterfowl hunters turned out for opening day.

Game and Fish Officer Bill Holladay reported several ducks but few geese in the Paint Rock section of Watts Bar. Officer Ed George of Roane County reported seeing a few small flights of ducks on Watts Bar this past weekend.

Rabbit and quail hunters seem to be having "fair" in "Good" success.

According to Leroy Moore, quail hunting was good on opening day. Leroy, Tim Harper and Ray Inman hunted together on opening day and bagged a total of 15 quail.

Earl Williams and son Verlin, spent Thanksgiving Day rabbit hunting in Loudon

County. His party bagged five rabbits before noon.

So far, 3617 hunters have killed 143 deer and 169 wild boar on the Tellico Wildlife Management Area. On Chuck Swan Management Area, 8336 archery and gun hunters have killed 348 deer.

Sealed bids are now being accepted for contraband rifles, shotguns and archery equipment to be sold by the Tennessee Game and Fish Commission.

Commissioner Director David M. Goodrich said 22 items are listed to be sold, including nine shotguns, 12 rifles and one bow. The items were seized from violators of Tennessee's big game laws.

The items include: Shotgun - 12 Gauge, Single Barrel, Serial No. 101584. Shotgun - Revelation, 12 Gauge, Single Barrel, No Serial No. Shotgun - Stevens, 12 Gauge, Single Barrel.

Shotgun - Iver Johnson, Champion, 12 Gauge, Single Barrel. Shotgun - Remington, 12 Gauge, Automatic, Model 1190, Serial No. L29216. Shotgun - Stevens, 20 Gauge, Single Barrel, Model 940E, No. Serial No.

Shotgun - Revelation, 20 Gauge, Single Barrel, Model 355A, No. Serial No. Shotgun - Ithaca, 20 Gauge, Pump, Model 37, Serial No. 102869.

Rifle - Marlin, 30.30 Caliber, Lever Action, Serial No. G24361. Rifle - Remington, 243 Caliber, Bolt Action, Model 700, Serial No. 35487 with Redfield 4X Scope. Rifle - Winchester, 30.30 Caliber, Lever Action, Model 94, Serial No. 3125219.

Rifle - Remington, 30.30 Caliber, Automatic, Model 742, Woodmaster, Serial No. 7114653. Rifle - Browning, 22 Caliber, Lever Action, Serial No. 7116476.

Rifle - Browning, 30-60 Caliber, Automatic, Serial No. 4735M7, with Weaver K-4 Scope. Rifle - Winchester, 30-30

TSSAA To Discuss 12 Proposals At Regional Meetings

Twelve proposals including "wild card" games in football and a change in the basketball program for Class 1 schools will be discussed and voted on by TSSAA schools at three regional meetings in December.

The first meeting will be in Knoxville, Dec. 1, the second in Caliber, Model 94, Serial No. 351361.

Rifle - Preusszue 44, Model 98, Mauser No. 5028. Rifle - Springfield Jr., Single Shot, Bolt Action, Model 50, No. Serial No.

Rifle - 303 British Military Bolt Action, Serial No. 13451. Rifle - Glenfield, 22 Caliber, Automatic, Model 69, No. Serial No.

Rifle - Remington, 30-60 Caliber, Automatic, Model 742, Woodmaster, Serial No. 6923297.

Bow and Arrows - Bear Bow, Model KR3255, 50 lbs., with Five Bar Arrows. Sealed bids for any or all of the above items will be opened at 10 a.m. (CST) Nov. 27, 1972.

They may be inspected in the Law Enforcement Division, Room 229, Tennessee Game and Fish Commission building, 2111 Hillingdon Agricultural Center, Nashville, Tennessee, on Wednesdays and Fridays between the hours of 8:30 a.m. and 4:00 p.m.

Catfish farming is becoming a big business in Tennessee. Montgomery Bell State Park will serve as the meeting place for the Tennessee Fish Farming Conference scheduled for December 8.

"Outstanding authorities will discuss problems related to catfish and trout culture," announced James Cresswell, President of the Tennessee Fish Producers Association. "Emphasis will be placed on pollution control problems."

Fish farm operators, tradesmen and interested individuals are invited to attend this meeting. Guided tours of nearby catfish and trout farms will be scheduled on December 9. Montgomery Bell State Park is located approximately 30 miles west of Nashville in Dickson County.

For further information contact James Cresswell, 428 Taylor Street, Milan, Tennessee, or Robert Hatcher, Tennessee Game and Fish Commission, P.O. Box 40747, Nashville, Tennessee 37220.

session at Jackson, Dec. 4, and the final meeting in Hermitage, at the state office, Dec. 9.

Schools will vote on a proposal submitted by Maryville Everet to base the football play-off system on eight games instead of ten and that schools be allowed to play two "wild card" games. Also on the agenda is the proposal that all regular season football games which end in a tie be decided by using the tie breaking procedure used in the football play-off series.

The tie-breaking proposal was placed on the agenda by the TSSAA Board of Control. There are two proposals in regard to the football season. One proposal is that the first football game be played on the last Friday in August instead of the first Friday in Sep-

tember beginning in 1974. The other proposal is that schools be allowed 11 weeks to play a 18-game schedule beginning in 1974. Gallatin High submitted the first proposal and the second by the Upper East Tennessee "99" Conference.

While the new basketball classification plan has not yet been tried, a proposal by District 2 and District 11 of the Class 1 schools has been submitted that would change the plan to provide for 16 regions of two districts each rather than eight regions of four districts each.

Another proposal is that the age limit be raised from 19 to 20 years. This was submitted by Nashville T.P.S. The TSSAA Board is asking its membership if it wishes to continue the East vs. West

All-Star Basketball games for both boys and girls, or go to a Class 1 vs. Class 5 in both boys and girls.

The results of the voting by the TSSAA schools will be presented to the Board of Control at its Jan. 16-17 meeting and to the Legislative Council at its March 15 meeting.

Tigers Fall As Greenback Rolls

The Greenback Cheerokees got 22 points from a junior center Bill Joe Kyker and guards Joe Malnor and Larry Ritchey bombed the nets for 18 points each as Townsend fell 69-47.

The victory was the fourth for the Cheerokees in five outings this season and their third straight win. Greenback raced to a 14-9 first quarter lead and held a 30 to 26 count at intermission. A third quarter blitz of baskets extended the score to 46-34 and the fourth quarter was all down hill as the Cheerokees hustled and team play turned the game into a runaway. Greenback outshot the Tigers 23-12 in the final count.

The Greenback girls lost the preliminary contest 60-28 to an impressive Townsend sextet. Mari Beth Hammontree called 18 for the Cheerokees.

4 State Teams In Bowl Games

Tennessee, ranked 12th among major colleges and sporting an 8-2 mark with only Vanderbilt remaining on its regular season schedule, will meet Louisiana State Dec. 30 in the Astro-Bonnet Bowl in Houston.

Tennessee Tech, the Ohio Valley Conference champion, will play Louisiana Tech Dec. 9 in Baton Rouge in the Grantland Rice Bowl.

Tennessee State, 10-1, will meet Drake Dec. 9 in the Pioneer Bowl at Wichita Falls, Tex. The Tigers are fifth in the college division poll while Drake is unranked at 7-4.

Carson-Newman, which won the NAA Region 1 playoff Saturday night over Livingston, Ala., will meet East Texas State Dec. 9 at an undetermined site for the national title.

Loudon Pee Wee Football Banquet Saturday Night

The Loudon Pee Wee football teams, the Grasscutters, Mustangs, Indians, and Junior Reds, will hold their annual sports banquet Saturday night at the Loudon Junior High School. The banquet will start at 7 p.m. with Mr. A.C. Dukes directing the event as the master of ceremonies.

Special guest speaker will be former Loudon football star Gordo Watson, who is a current candidate for Little All-American honors at the University of the South, Seawane.

All parents and players are invited to attend along with the team managers and cheerleaders. Individual awards and special recognition to teams and coaches will highlight the night's activities.

HAPPY HUNTERS-Earl Williams and son, Verlin, are shown with the five rabbits they bagged before noon while hunting in Loudon County on Thanksgiving Day.

Chargers Clip Pair From LC

Lenoir City was never able to overcome a first period deficit of four points Tuesday night at McMinn Central and the Chargers pulled out a 61-97 triumph.

Tim Cunningham and reserve Mitch Koebler led the Lenoir City offense with 16 points each. Warren Melton and Doug Williams added 13

and 10 points respectively to the Panther attack which played even with Central for three quarters.

The McMinn Central girls won the preliminary game 64-47.

Cheerokees Over Indians 50-45

(Continued from page 6)

point effort and grabbed 15 rebounds.

No other Cheerokees scored in double figures. Tony Linginfelter equaled Kyker in cleaning the backboards with

County Court Meets Monday Night

The cost of jailer's fees at the Loudon County Jail may be increased from \$2 to \$1 per day by Loudon County Court at its monthly meeting set for 7 p.m. Monday at the courthouse.

The possible increase in jailer's fee is but one of many items on a long agenda to be considered by the court. Among the more pressing items listed by County Judge Harvey Sprout on the agenda is a report on the County Ambulance Service, progress toward obtaining land for the proposed Criminal Justice Center, and possible action on implementing the Juvenile Service Officer program in the county.

The complete agenda is as follows:

1. Pledge of allegiance, opening of Court and roll call.
2. Reading and approval of the minutes of the November 6, 1972, regular meeting of the Court.
3. Recognition of visitors and delegations and open discussion period. At this time any visitor or delegation may state any business which they may want to take up with the Quarterly Court, and make any statement about any item in which they are interested which is on the planned agenda.

4. Reports of County Officials, Departments, and Committees:
 - A. County Judge:
 - (1) Reports concerning lawsuits in which Loudon County is involved.
 - (2) Loudon County vs Bobby J. Knaples.
 - (3) Greenway vs Loudon County.
 - (4) G.A.P.D. Inc. James W. Hamilton, et al vs Loudon County.
 - (5) Report from State Attorney General's office concerning certain pending Tennessee Counties as a result of lawsuits filed by various railroads for a reduction of assessments beginning with the year 1967 to date.
 - (6) Report concerning personnel classification and wage study, and any action if recommendation ready.
 - (7) Report concerning program at Tennessee Education Loan Corporation as to loans and grants available to prospective medical students.
 - (8) Report concerning requested opinion of Attorney General concerning authority of justices of the Peace to issue criminal and civil warrants.
 - B. Loudon County Planning Commission Report:
 - (1) Report concerning obtaining of technical help for comprehensive inspection of proposed roads before acceptance by County, and any action.
 - (2) Any additional report

5. Available concerning Eaton Kurian Recreational Park and the Luttrell Recreational Park.
 - (1) Report concerning progress on possibility of adopting building code.
 - (2) Report on progress on preparation of five-year capital outlay and operating budget for Loudon County.
 - C. Highway Department
 - D. Department of Education:
 - (1) General Report
 - (2) Little Tennessee Valley Educational Socy. Report. To include discussion of prospective programs and direction TVEC is to take in reference to general educational programming, and to Timberlake planning.
 - E. Criminal Justice Center Committee Report:
 - (1) Report concerning progress on obtaining of land and proposed agreement with Cities concerning Criminal Justice Center.
 - (2) County Solid Waste Disposal Committee Report
 - (3) Report concerning progress in building water line to Transfer Station.
 - (4) Report concerning necessity of gravel on road and driveway leading to Transfer Station, and any action necessary.
 - F. Purchasing Committee

6. Report - Squire Hamilton:
 - (1) General Report
 - (2) Further consideration of desirability and possibility of establishing a central garage for Loudon County.
 - (3) Loudon County Memorial Hospital - Squire Center:
 - (1) General Report
 - (2) Ambulance matters
 - (3) Report concerning Hospital Board of Directors progress in establishing an ambulance department at hospital.
 - (4) Specific discussion and action if necessary concerning proposed non-competition contract between County Funeral Homes and the Hospital which is a condition precedent to beginning of ambulance operations by Loudon County.
 - (4) Any further report concerning County's efforts to obtain State and Federal funds for assistance in operating ambulance service.
 - (5) Old Bacon Hospital Building Committee Report - Squire Hartsock:
 - (1) Hospital-Physician Coordinating Committee Report - Squire Hartsock:
 - (1) Consideration of proposed budget amendments.
 - (2) Consideration of approval and appropriation of attorney's fee of Denver, Winfrey, and McMurray for services in State vs. et al Anderson County vs State of Tennessee.
 - (3) Report concerning progress
 - (2) Report concerning actuarial study of cost of providing retirement for County employees not already covered.
 - (3) Report concerning increasing of jailer's fees at the County Jail from \$3.00 per day to \$4.00 per day.
 - (4) Discussion and action necessary to implement Juvenile Service Officer Program under special TLEFA Grant.
 - (5) Election of Notary Publics.

Fort Loudoun Electric Head, Gangwer, Dies

Horton G. Gangwer, Sr., 66, manager of the Fort Loudoun Electric Cooperative for many years died Sunday at Blount Memorial Hospital. Gangwer was well known to many Loudon County residents, especially in the Greenback area where Fort Loudoun Electric serves the power needs of the community.

Mr. Gangwer was very active in the industrial movement in Monroe County and has worked with Loudon County leaders on several joint industrial and civic programs.

He is survived by his wife, Mrs. Thelma C. Gangwer, Madisonville; two daughters, Mrs. Presley Winner, Jackson, Miss., William F. Hayes, Madisonville; son, Horton G. Jr., of Nashville and eight grandchildren.

Funeral services were held Tuesday at Madisonville Presbyterian Church with Rev. C. McCoy Franklin officiating. Burial was in Haven Hill Memorial Gardens.

ESCAPE BID - Loudon County Deputy Guy Russell looks at a hole in a chimney wall in the drunk tank area of the Loudon Jail where two inmates, the only ones in jail at the time, are charged with attempting to break out of jail by digging through the brick walls.

Farm Leader Vaughn Browder Dies At Age 79

President of the Tennessee Burley Growers Association and was on the Board of Directors of the Sweetwater Burley Tobacco Cooperative. For 22 years Mr. Browder was a field man and director of the Chattanooga Production Credit Association.

Mr. Browder was a member of Loudon County Quarterly Court for 30 years and served as the Court appointed mediator of the County Agriculture Committee. He was a member of the Loudon VFW Post 3156 and American Legion Post 129, having served as Commander and several other offices during his lifetime.

He served for 23 years as a member of the Loudon County Selective Service Board.

He was a life-long Democrat and served as a Colonel on the staffs of Governors Frank Clement and Buford Ellington.

In his youth Mr. Browder was known as "the best square dancer and square dance caller in East Tennessee."

Funeral services were held Sunday at Loudon United Methodist Church where Mr. Browder was a member. Officiating at the service were Rev. W.H. Horner, Dr. H.M. Russell and Mr. Browder's Sunday School teacher Dan Ross. Burial was in Loudon County Memorial Gardens.

Survivors include his wife, two brothers, Robert Browder, Knoxville and John Browder of Loudon City; and three sisters, Mrs. Martha Browder, Knoxville, Mrs. Z.B. Wilson, Lenoir City and Mrs. Hamer Simpson of Loudon. Karmes Funeral Home of Loudon was in charge of arrangements.

Two Attempt Jail Escape

(Continued From Page 1) inches had been cleared on the inside of the chimney.

Both men, although they were the only ones in the jail, said they knew nothing of the attempt that they were asleep.

Vandals Shoot Up Greenback

Vandals apparently went on a shotgun shooting spree in Greenback early Saturday morning. Loudon County Deputy Jake Chapman said several businesses had windows broken out and five street lights were shot out.

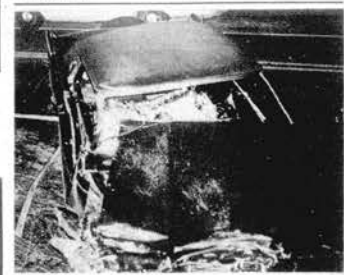

The plate glass window in front of Kings Department Store was shattered, five shots were fired into the sign in front of the Merchants and Farmer Trif County Branch Bank and the glass door in the Greenback Post Office was shot out.

Chapman said spent 12 and 30 gauge shotgun shells were found. The shootings were reportedly heard at 2 a.m. and 5 a.m. Saturday.

Pauline Julian Hurt In Wreck

Mrs. Pauline Julian, owner of Pauline's West End Beauty Shop in Loudon, was injured Saturday night in an auto accident on U.S. 11 near Sweetwater.

A member of Mrs. Julian's family said she sustained bruises and a back injury in the accident and was admitted to Sweetwater Hospital. She apparently lost control of her car on U.S. 11 near Old Sweetwater Church about three miles north of Sweetwater. The car left the highway and overturned several times.

TOTALED CONTINENTAL - The late model Lincoln Continental Mark III driven by William Goley of Lenoir City was demolished when it collided with another car, in which one man was killed near Philadelphia about 12:15 a.m. Thursday. Goley was hospitalized with mouth, leg and shoulder injuries.

Loudon Man Hit By Car

Aughl McCallough, 67, of 1104 Main Street, Loudon, was seriously injured about 6:30 p.m. Saturday when he walked into the path of a car at the intersection of Mulberry and Grove in Loudon.

Loudon City Policeman Frank A. Cratty said that Mrs. Almela O. Viars, Sumner Street in Loudon told him that she was turning left from Grove to Mulberry Street when she felt something hit the right side of her car.

Another witness John R. Snodderly of Lenoir City said Mr. McCallough appeared not to see Mrs. Viars and walked right into the path of her car.

The man was knocked to the pavement and suffered a severe head injury. He was first taken to Loudon County Memorial Hospital. The Loudon County Rescue Squad and later taken to U-T Hospital in Knoxville by his family where he is now listed in serious condition.

Mile Of Dimes Meeting Set

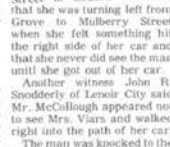

The board of directors of the Loudon Mile of Dimes will have their initial meeting in the board room of the Hamilton National Bank Sunday at 2:30 p.m. The Mile of Dimes distributes more than 100 Christmas Food Baskets each year.

Mile of Dimes Chairman Jack Leffer said anyone knowing of families who would be eligible for Mile of Dimes baskets should contact him, J.E. Greenway, Ed McCowan or any Loudon area minister so screening of the names could begin.

Distributed with the Mile of Dimes baskets are toys that repaired or donated by the Veterans of Foreign Wars Post 5150 of Loudon. Anyone having used toys that are in good repair or could be repaired may call the VFW and they will be picked up.

Loudon County Population To Drop In Next 20 Years

The population of Loudon County will be approximately 23,340 in 1990, a report from the University of Tennessee at Knoxville shows.

The projection is from a study by UT Knoxville's Center for Business and Economic Research. The Center estimates the state's population in 1990 will total 4,556,139. The Volunteer State's population was 3,904,164 in the 1970 U. S. Census.

The population for Loudon County is projected to be 24,114 in 1975, 23,322 in 1980 and 22,726 in 1985.

In its study, "Projections of Population and Labor Force - Tennessee, Regions and Counties: 1975 - 2000," the Center made three population estimates for the state and for each county. One estimate assumes high fertility, high migration and a medium

medium death rate, the second group (Series B) is based on medium fertility, migration and death rate, while the third estimate assumes low fertility, low migration and a medium mortality rate.

All figures cited above are from Series B (medium fertility, migration and mortality) which the Center says "represents a likely course of events."

In the 1975-1990 period, the report projects that 51 Tennessee counties will have population increases, while the remaining 44 will show losses.

While the Center estimates the state's population through 2000, breakdowns for the counties are given only through 1990. There will be some 4,875,298 Tennesseans by the turn of the century, the report says.

Looking at the state as a whole, the report projects that the state's population will increase by 7.6 percent for 1970-80, 7.9 percent for 1980-90 and 7.0 percent for 1990-2000. This growth "is parallel to trends at the national level," the study says.

There will be significant shifts in population age groups in the period before 2000. The percentage of the population 60 years old and older will increase from 14.2 percent of the total population in 1970 to 16.9 percent in 2000, the Center says.

However, the number of people in the 15 to 24 age group will decline over the 20-year period. The percentage of population in this group declines slightly from 17.8 in 1970 to 17.6 in 1980 but drops sharply to 14.2 in 1990 and increases only slightly to 15.7 in 2000, the report says.

In regard to outmigration from Tennessee to other states, the Center says a trend prevalent since the 1960's which shows substantial numbers of people leaving the state is likely to continue.

"Continued outmigration for the 20-29 age group in coming decades is nearly a certainty," the report states. "Furthermore, large numbers of young people will be making early career decisions, and as a result the 15-19 category is likely again to become an outmigration group."

The study was done by Richard Engels, Gregory Robinson, Mary Curran and Martin Hatzadourian, all of

the CBERS staff. Copies of the report are available for \$2.50 from the Center for Business and Economic Research.

NEW POLICEMAN-Robert J. MacDonald has been added to the City of Loudon Police Department, Chief John Lennox announced this week. Officer Hamilton, a Vietnam veteran, is 24, married to the former Linda Pickett of Lenoir City. The couple has two children and resides at 907 Valley Vista Drive in Loudon.

MacDonald Is Plant Executive

Robert J. MacDonald has been elected chief executive officer and Richard C. Woods vice president of Greenback Industries, succeeding President Earl Lowe and Vice President and General Manager Harold Forton who will retire Dec. 31.

Lowe, of Birmingham, Mich., and Forton of Maryville, are founders and principal officers of Greenback Industries and have spent more than 25 years in building and operating the company. They will remain valuable as consultants.

MacDonald will be moving to this area from Fairfield, Conn., where he has been director of metallurgy and research for Handy and Harman, and will be responsible for all Greenback Industries operations.

Greenback Industries joined the Handy and Harman family in 1970 and produces sponge copper powder and copper-tin alloys used in automotive and small appliance industries and as structural parts.

Woods, presently plant manager and a native of the Greenback area who has been with the firm 26 years, was elected vice president, manufacturing, and will direct all manufacturing operations at Greenback and at the Cranberry (N.C.) Division where the company operates a magnetic iron ore mine and processing plant.

Joseph L. Farmer has been elected vice president, marketing, and will direct all sales and marketing functions of Greenback Industries from the Handy and Harman Birmingham, Mich., office.

Handy and Harman, refiners of precious materials, has been recognized for more than 100 years as a leader in the fine silver and brazing alloy powders field.

Womens Club Bazaar Set

The Loudon Womens Club will host a Christmas Bazaar on December 9 at the Loudon United Methodist Church. The doors will open at 10 a.m. There will be arts and crafts, Christmas gifts and decorations, white elephants, baked goods, a country store and the garden shop.

Patrons are invited to shop for unique gifts and stocking stuffers. Lunch will be served.

Patrons are invited to shop for unique gifts and stocking stuffers. Lunch will be served.

State Mean Tax Rate Is \$2.50

The mean property tax rate for 1972 in Tennessee is \$2.50 for each \$100 of assessed value, according to a report released today by the Division of Local Finance of the State Comptroller's Office. The property tax rate in 64 of the State's 95 counties is \$2.50 or below.

In making the announcement, Ralph J. Harris, Assistant to the Comptroller, made special mention of those counties which have held their property tax rate at this figure or below. "The higher level of services being offered by most Tennessee counties today has usually resulted in increased tax rates, but those counties whose tax rate is \$2.50 or less are to be commended for keeping the tax burden as light as possible," he said.

Crockett County outside its two special school districts has the highest property tax rate in Tennessee—\$1.03 for each \$100 of assessed value. Humphreys County, with a property tax rate of \$1.10, has the lowest county-wide rate in the State. Most Tennessee counties assess real personal property at 40 percent of value. Under the recently approved constitutional amendment, real personal property will be assessed at three different rates for the 1973 tax year.

The property tax rate in Loudon County is \$2.58. Property tax rates in surrounding counties are Blount \$2.00, McMinn \$2.25, Rhea inside municipalities \$3.05, outside municipalities \$3.09, Knox inside municipalities \$3.28, outside municipalities \$3.49, and Monroe \$3.45.

According to the report the highest property tax in Tennessee is in the portion of Carroll County which includes the Atwood Special School District. The \$4.95 tax rate and the 40 percent assessment level in this area converts to an effective tax rate of \$1.09.

Of the four metropolitan

counties the report revealed that Davidson County (General Services District) has the highest actual rate—\$4.11, which equals an effective tax rate of \$1.64. Shelby County, which has an assessment rate of 50 percent, has the lowest actual tax rate of the four—\$2.85, which converts to an effective rate of \$1.43. Hamilton County has an actual tax rate of \$3.85 or an effective rate of \$1.34.

Harris said that the report revealed that:

1. By far the largest portion of the property tax goes for school purposes.

2. Only eleven counties have not levied a local sales tax, which must be approved by referendum.

3. Thirty-four counties have a local sales tax of 1.5 percent and the rate is 1 percent in forty-eight counties. Two counties have a local sales tax of 1.75 percent.

4. Fourteen counties levy a tax on motor vehicles ranging in amounts from \$5 to \$20.

Harris added that copies of the report, which shows the

rates of sales and property taxes for each of the State's 99 counties and their special school districts, the level of assessment for real property, and motor vehicle taxes, are available to the public without charge. Copies may be obtained from the Division of Local Finance, State of Tennessee, 1507 Andrew Jackson State Office Building, Nashville, Tennessee 37219.

Your County In Action

BY
Harvey L. Sproul
LOUDON COUNTY JUDGE

I have to stop and think whether or not the little notation I had in one of my columns concerning Mayor Squire Roy Bledsoe some weeks ago had any effect on what is happening on December 16, the date of his prospective marriage to Katherine Watkins.

You may recall I kiddingly mentioned in the column that Mayor Bledsoe, a notorious bachelor, was seen in the presence of a charming young lady at the TV&A Fair-County Judges and Mayors Luncheon and the young lady was wearing a name tag stating "Mrs. Roy Bledsoe".

Of course, what had happened was that the reception committee had just assumed that Mayor Bledsoe was married and had prepared the extra name tag showing "Mrs. Roy Bledsoe".

Well, she went ahead and wore the tag anyway (and didn't change it), and we all had a good time about it - and I mentioned it in my column.

Now the fateful "laus paux" is apparently really going to come true, and they will be going back to the fair next year as an honest to goodness Mr. and Mrs. Bledsoe. Congratulations, and I hope that my innocent publicizing of the event did no harm.

Medical Grant
You may have noticed the

announcement in the local newspaper concerning the special program available to prospective medical students, which could have the possibility of being a \$10,000 grant to such persons for the purpose of going to medical school, if the prospective student agrees to go to a Tennessee County where there is a shortage of physicians.

I think this is one of the fine things that the State Legislature has done in making this money available through the Tennessee Education Loan Corporation.

The shortage of physicians is critical, and anything that can be done to encourage this will be of great benefit to the State of Tennessee.

County Hospital
Sometimes we have the criticism of our County Hospital, and after determining and pursuing the matter further with the person making such a remark, we often find that the criticism is really because of the lack of physicians, rather than a criticism of the Hospital itself, which is fairly well-equipped, and certainly having an outstanding building and personnel for a hospital of its size.

Medical Grant
However, the problem of

attempting to have a physician present during all hours of the day and night for emergencies that might arise is a real problem, and one that is faced by most smaller hospitals, and many of the big ones.

A smaller hospital has a tough time making ends meet under any circumstances, and to have a program where a staff physician is hired around the clock would be financially prohibitive.

One of the many problems about emergency victims that might come to the County Hospital is that a wound or injury may be of such nature that the County Hospital does not have the necessary equipment to treat the injury, or the doctor may not be a specialist in the field needed.

Under those circumstances the only thing that can be done is to send the patient on to the Knoxville Hospitals.

This is always a particular sensitive item for an ambulance driver to appraise, as to whether or not a victim can be treated locally or should be sent on to the Knoxville Hospital.

Rotary Classic
I don't do too much in the way of advertising in this column, but I am involved in something that I think will be of interest to many Loudon Countyans and a good trade mark for Loudon County and Loudon County, and that is the Rotary Basketball Classic, being sponsored by the Loudon City Rotary Club.

This will be the first year for this event, and it involves (after much hard work) the University of Tennessee Junior Varsity, Hiwassee College, Cleveland State Community College, and Roane State Community College.

It is possible that this could become an annual event that will bring some visitors and recognition to Loudon County, and fill an area wherein we do not see much in the way of tournaments, and that is in regard to the new community colleges and the junior colleges.

The price is reasonable, and all are invited to attend on the evenings of December 8 and 9 in the Loudon City High School Gymnasium.

Quarterly Court
The Quarterly Court and the Hospital Board have been very aware of these questions and problems and have been working diligently toward a solution.

We are particularly happy that, at least partially because of the local efforts and cooperation of the Quarterly Court Committee headed by Squire Hartsook, the Hospital Board, and the present County physicians, that there is a new physician now practicing in Loudon City, Dr. Jerry Rogers.

As I understand it, Dr. Rogers will be practicing as a sole practitioner, but will be

Obituaries

LEEF REED, SR.
Lee F. Reed, Sr., age 48, using the same office building as Dr. Walter Shea. Dr. Rogers has recently been serving for several years as one of the emergency-room team members at the Knoxville hospitals and should be a welcome addition to Loudon County medical services.

HERMAN HOWARD BROWN
Herman Howard Brown, age 55, of Route 4, Loudon City, Highland Park Community, died suddenly at Thursday, November 23.

Survivors include: five children, Mrs. Joyce Sanford, Mrs. Brenda Sue Cunningham, Mrs. Nancy Lou McNabb, Miss Melinga L. Brown, Thomas H. Brown; parents, Mr. and Mrs. J. L. Brown; one brother, Clyde A. Brown; sisters, Mrs. George Thompson, Mrs. Clarence Casick, all of Loudon City, Mrs. Glenn James, Athens, Ala.; Mrs. J. Bazell Mull, Knoxville; several nieces and

nephews.

MRS. LILLIE PROAPS
Mrs. Lillie Belle Proaps, age 83, 601 West First Avenue, wife of the late W. M. Proaps, died Sunday, November 26 in Fort Sanders Presbyterian Hospital. She was a member of First Baptist Church of Loudon City.

Survivors include: two daughters, Mrs. Billy Joe (Barbara) McCowan, Maryville, Mrs. Ronald (Sue) Tilley, Knoxville; four sons, Paul, Harold, Bob, and Rev. Wayne Proaps, all of Loudon City; 15 grandchildren; 11 great-grandchildren; one son, Raymond, preceded her in death two years ago; sisters, Mrs. Sallie Cooper, Mascot, Mrs. Annie Ingram, Hixson, Mrs. Flo Felty, Loudon; one brother, Clyde England, Knoxville.

Funeral services were held Tuesday at Click Funeral Home Chapel, Rev. James Lemmon and Rev. Clarence Sexton officiated. Interment, Loudon City Cemetery, Click Funeral Home, Loudon City, in charge.

MISS NANIE ROBINETTE
Miss Nannie Dee Robinette, age 77, of Route 2, Loudon City, died suddenly Sunday, November 26, in Harriman Hospital.

She is survived by one sister, Mrs. Fred (Beatrice) Daniel; two brothers, William C. Robinette and Claude K. Robinette, all of Route 2, Loudon City; several nieces and nephews, including Dee and Lee Weatherly at home.

Funeral services were held at Popular Spring Baptist Church, Tuesday, November 28. Rev. Walter Nichols and Rev. Willard Satterfield officiated. Interment, Popular Springs Baptist Church Cemetery, Click's, Loudon City, in charge.

MRS. ANNIE SCOTT
Mrs. Annie Ross Scott, age 95, Route 1, Loudon, died at home, Sunday, November 28.

Survivors include: one son, Hugh H. Scott, Loudon; three stepsons, Lawrence J. Scott, Philadelphia; Curtis and McDonald Scott, both of Cleveland; two grandchildren and several step-grandchildren.

Funeral services were held Tuesday at Philadelphia United Methodist Church, Interment in Philadelphia Cemetery, Kyer Funeral Home, Sweetwater, in charge.

12,810 Awarded

In I-75 Land

Condemnation

A total of \$12,810 was awarded for 9.35 acres of land and damages in the first Interstate 75 land condemnation suit tried in Circuit Court during the present term.

The award was to Mrs. Dossie Norris. Also listed on the case caption with Mrs. Norris were Agnes Wampler, Ada Jenkins, Ruby Lee, Carl Norris, Paul C. Norris, Ella Rae Porter, Martha E. Weatherly, Barbara Burkhardt, James H. Norris, Roy K. Norris, Plantation Pipeline and AT&T.

The jury awarded Mrs. Norris \$700 for the less than 10 acres taken and \$2800 in damages to the remainder of the property.

Circuit Court Clerk Billy Joe Akins reported that an unusually large number of cases set for trial in the four week term of court are being settled just before they come to trial.

Magnavox Gift Values

for a merrier Christmas

The only color set that automatically adjusts its picture to changing light conditions

Magnavox T.A.C. (Total Automatic Color) not only automatically compensates for all those things from outside the house that can mess up your picture; now Magnavox T.A.C. with Videomatic automatically compensates for the one thing inside the house that can mess up your picture: changing room light! The Videomatic Eye actually "sees" the changing light in your room and automatically adjusts the color, brightness and contrast - to give you the best possible color-right picture. In a bright room. Or an in-between room. Day or night! Now Magnavox T.A.C. with Videomatic not only automatically keeps flesh tones natural and pictures sharp when the scene changes, or when you switch from channel to channel - it also adjusts automatically to changing room light. New Modular 100% Solid-State 100% Solid-State is the most reliable Color TV you can buy. And now Magnavox takes solid-state technology a solid step forward. Now Magnavox builds its solid-state chassis with five major plug-in circuit panels with plug-in transistors and plug-in mini-modules. That makes service a snap - easier, faster, less expensive!

In fact, this chassis has received the National Electronic Association's "SERVICEABILITY DESIGN AWARD."

Backed by the best Magnavox TV Warranty: ONE FULL YEAR PARTS AND SERVICE. If anything goes wrong with your TV during the first year and it's the fault of Magnavox, it will be repaired - with no charge for labor or parts. And, if your picture tube becomes defective within two years, it will be exchanged for a new tube. In the first year, Magnavox pays for installation; in the second year, you do.

Early American - model 7544 \$695.00

Contemporary - model 7542 \$695.00

Mediterranean styling - model 7546 Simulated TV pictures. \$695.00

NOV 30 1972 1972

BACK IN THE GOOD OLD DAYS

We were in the Meadow section of Loudon County the other day and we were very much impressed by the cleanliness and natural beauty of this section of Loudon County. The well kept farm houses and other things made us aware of the beauty of this proud section of our county.

We were down by the old Hickory Brick plant and possibly many of our

newcomers to this section are unaware of the Meadow community and the brick plant. We just happen to have an old picture made at the plant many many years ago. It shows the old drag line at the plant, which was used for digging the clay that the brick were made of. It also shows the drying shed and the ovens. We also have a picture this week of a baptizing at Busselton. It seems that a

similar picture was used in the Loudon County Centennial paper. It was stated that one of the people being baptized was Henry Mizell. Our information is that he supplied the similar picture and was not being baptized.

Another picture this week is one left at the Herald Office and is of Edith and Wayne Gilliland, children of the late Curtis Gilliland. The person who brought the picture states it was made in 1923 at Hartford, Tenn.

In response to a request we had in the Good Old Days the other week concerning the request for information as to the whereabouts of Beverly McConnell, for her High School graduating class, we have had some information given to us. This past week we had a letter from Mrs. Delores (Brown) Johnson of Nashville, formerly of Loudon, who

passed on some information to this group who are planning the class reunion. Our many thanks to Mrs. Johnson for her information and for her kind comments about the Herald and the Good Old Days. She stated that she enjoyed both very much.

We were out in the Davis Ferry section the other day and as we passed Davis School, we thought about this old school and how we had not, as we can recall, ever had group pictures from this school. There surely must be a lot of them around. Possibly they are put away by students of yesteryear at this old school. So, how about it, if you have a group picture from this school that you would loan us, please give us a call. We had a request for information the other day which we couldn't supply. Maybe you can help us. The question was: "How did the 'Seeflick School' get its name? If you know, please pass it on to us. We would also like to have a picture from this old school. Maybe someone has one and we would like to write about this section.

The last two old school pictures we ran in the Good Old Days created a lot of interest. These old pictures have been copied many times by interested people who either attended this old school or had loved ones who did. We greatly appreciate the many calls and comments from our readers across the county. Maybe you have an old school or family group picture that you would like to see in the Good Old Days. If so, all it

takes is a call to us and we will be glad to pick it up. The pictures will be returned after they are used. Well, that's it for now. See you next week.

PAST DUE COMMENTS--

Things have been so hectic for the past few weeks we have neglected commenting on several matters that deserve attention.

During the past few weeks Loudon County has passed through what could be one of its most serious public service crisis and has done so with great success.

We are speaking of the ambulance service problem. When the funeral homes terminated their service in mid-November the Loudon County Rescue Squad with help from the Hospital and the Sheriff's Department went headlong into action. Their service to the county in this dilemma was beyond compliment. John Parris and his squad worked around the clock with some members actually taking their vacations so there would be men on duty to answer any calls. And there were plenty. In just two weeks the squad answered more than 50 calls, 13 of them coming in an 18 hour period.

The Rescue Squad has to be one of the most important public service organizations in the county. Without their services the past two weeks could have meant very serious trouble. In the meantime, Gay Hamilton and the Board of Directors of the Loudon County Memorial Hospital have not been idle. Mr. Hamilton has worked 16 to 20 hours a day getting equipment and manpower lined up for the county to take over the ambulance service.

Some of the funeral home directors expressed to us that they felt publicity on the ambulance service problem was a bad reflection on them. None was intended and in reading the various comments we can find none. The public owes these funeral home owners and their staffs a great deal of thanks for their years of service in the ambulance field. It is easy to see, that when they charged only \$5 to \$10 for most calls, and the new county service is charging a minimum of \$30 and expects to lose money \$50,000 a year in fact, that the funeral homes were performing a public service and paying for it out of their own pockets.

About three weeks ago we attended our first meeting of the Loudon County Memorial Hospital Board. Like most people we have heard our share of remarks concerning the hospital and doctor service there.

We can speak from first hand knowledge that these things are discussed at the hospital board meetings. And are done so openly and decisions are made on how to improve public relations and how to get more cooperation from doctors. We were so shocked at the "lay-it-on-the-table" type of meeting by the board that we sat there and failed to take notes of most of the things they discussed. The Hospital Board, we believe, is doing a good job and they are doing their best to improve the services and service at the hospital.

One thing that has not yet received any publicity is that the hospital now has a supply of blood on hand for immediate use. In the past blood had to be ordered from Knoxville and transferred here by car or bus. This one service addition could save the life of someone you love. There were discussions of other equipment additions.

Changing the subject you will note that the City of Loudon is starting construction on a new swimming pool, which is only part of a pool-park complex being built next to Loudon High School.

Much of the funds from the project is coming from the federal government. Still the project is a major undertaking for a city the size of Loudon. Mayor Joe Carter, the City Commission and City Administrator Gary Hensley, are all due compliments for their work and support of this effort.

City residents may not realize it but the city has now had a full-time City Administrator for more than a year. This move, another of many by the City Commission that has brought progress in Loudon, is paying off. There are many areas in which the City Administrator is active that the Commission members do not have time for or knowledge of various programs. There is one year left on the two year trial period for the City Administrator program. We believe without a doubt the city is sold on the idea and it will be continued.

STILL ANOTHER SUBJECT. County Court Monday night took some action that puzzles us somewhat. After hearing a petition signed by 75 Vaughn's Chapel area residents, objecting to the location of the proposed Criminal Justice Center in that area, the court asked that another study be made of possible locations.

The court and others have worked for such a

The Herald

Loudon County

VOLUME 87, ISSUE NUMBER 49

LOUDON, TENNESSEE, THURSDAY, DECEMBER 7, 1972

TEN CENTS PER COPY

POOL CONTRACT AWARDED—Loudon Mayor Joe Carter is shown signing a contract for the construction of an olympic size public swimming pool for the City of Loudon. At left are the contractor William Mackebbe of Mackebbe Construction Company and Jim Wilgus, project engineer with Burge, Cannon, Wagener, and Sumner.

\$74,110 Contract Awarded For New Swimming Pool

Construction is scheduled to begin this week on the first project in the 10 acre City of Loudon recreation park next to Loudon High School. A contract for \$74,110 was awarded to Mackebbe Construction Company of Knoxville last Friday for the construction of an olympic size swimming pool. The pool is the first of several building projects to be undertaken in the \$200,000 park complex.

Loudon Mayor Joe Carter signed the contract last week saying that the bids received were within the limits set for the project. Contractor William Mackebbe hoped to start moving dirt at the

project site this week and says the pool will be ready for use next summer.

City Administrator Gary Hensley said the pool contract includes the swimming pool, all pool accessories such as life guard stands and diving boards, the filler system, underwater lights, fence, decking and other items.

The contractor said crews would work throughout the winter, as long as weather permitted, but there would probably be a two month period when work would not be possible, but that the pool would be ready by summer.

Mr. Hensley said that if the city's grants on other phases

of the program are approved on a time schedule that is predicted other phases of the project including bath-house, tennis courts, ball field, parking areas, lighting and other items may be complete by next fall. He said that the city will build the bath-house and it will be ready at the time the pool is completed.

Much of the money needed in the project is being provided through Federal Grants. In addition to some city funds, much of the work is to be done by city crews which counts toward the city's 50 percent participation in the program.

DRIVER INJURED—Clifford Dotson of Luttrell was admitted to Loudon County Memorial Hospital late Sunday afternoon after his car ran off U.S. 11 into a utility pole in front of Wickers Motel south of Loudon. Dotson was admitted to the hospital with mouth and head injuries. The accident was investigated by State Trooper Joe Littleton.

Vaughn's Chapel Area Residents Object To Criminal Justice Center

A petition containing some 75 names of persons residing in the Vaughn's Chapel area of Loudon County was presented to County Court Monday night in opposition to the proposed location of the County Criminal Justice Center in that area.

After the presentation, the court voted to ask that locating consultants be called back to the county to find another site for the \$1 million facility that is expected to be built at a cost of \$50,000 to the county.

The petition was presented by Vaughn's Chapel resident Roger Atchley. The petition protested the location of the Center because it would endanger the property values in the community and because of alarm to residents in the community. It asked that another site in some other area of the county be found.

Squire I.D. Conner introduced the motion to ask for another location study. The motion was seconded by Squire R.P. Hamilton and passed on a unanimous voice vote.

During the discussion on the matter Judge Harvey Sproul pointed out that the location on U.S. 11 near the Rescue Squad Headquarters Building was selected because it was conveniently located between both Loudon and Lenoir City, which were involved in a cooperative effort to obtain the facility for use by all three governmental law enforcement agencies. The Judge also pointed out that the county had already approved the purchase of part of the

property needed and a purchase agreement had been worked out with property owner Kermit Arp.

Mr. Atchley said he could not understand why the community had been shunned on other improvement projects and all of a sudden "favored" by the location of a jail. He also questioned the location of the project near the Browder School. Squire Conner stated that he understood that the Browder School might be closed in a few years by the School Board.

Railway Lawsuits Threaten County Tax Structure

It may be "out of the frying pan, into the fire," for Loudon County in the continuing struggle to find sources other than the property tax to pay for county government.

Last year officials sought and won increases in the TVA "in-lieu of tax" payments coming to counties and this year saw the passage of Federal "Revenue Sharing" legislation to bring additional thousands of dollars of revenue into the county's coffers.

But all these gains are threatened to be wiped away by lawsuits now being prosecuted by Southern and L&N Railroads against Loudon and other counties in Tennessee seeking recovery of part of the taxes paid under protest for the years 1967 through 1971.

County Judge Harvey Sproul read a letter from the State Attorney General at Monday night's County Court meeting which conceded that there is "no defense" to the railroads' contention.

The railroads lawsuits claim that assessments levied against them for the years 1967 through 1971 were unfair in that railroad property was assessed at 50 percent of value, compared with other county property assessed at 15 percent in 1967, 20 percent in 1968, 25 percent in 1969, 30 percent in 1970 and 40 percent

in 1971.

Judge Sproul reminded County Court members of the chronology of events which brought about a state-wide reappraisal and reassessment of real estate for tax purposes in the mid-sixties. The railroads sued Tennessee counties, using Loudon and Hawkins Counties as examples, claiming unfair assessments. The suits contended that private property in Loudon County, for example, was assessed at 15 percent or less and that railroad and other utility property was assessed much higher than that, reaching 100 percent in some cases. The railroads sought a Constitutional provision calling for all real estate assessments for tax purposes to be based on 100 percent of value.

The railroads won their lawsuit and Loudon County and other counties had to repay (by extending credits against future taxes) part of the railroad taxes paid for the years 1964-68.

Meanwhile, the State Legislature passed laws calling for a state-wide reappraisal program and setting up a gradual increase in assessment percentages from 15 percent in 1967 to a level 50 percent in 1972, but setting utility assessment percentages at 50 percent im-

mediately.

The railroads paid their taxes for each of those years, but did so under protest and filed lawsuits each year claiming that assessments continued to be unfair.

But they did not prosecute those lawsuits, waiting to see what the people did about the so-called "Question 3" Constitutional amendment which was adopted this year. The amendment sets up classifications for property tax assessment purposes with utility property at 55 percent of value, business and industry at 40 percent and farm and residential property at 25 percent.

With that done, the railroads now have instituted proceedings to prosecute the lawsuits filed for each of those years, demanding refund of taxes paid under what they term unfair assessments.

Judge Sproul told County Court Monday night that there

(Continued On Page 12)

Lenoir City Election Today

Between 1200 and 1800 Lenoir Citizens are expected to cast ballots in Thursday's City Election. Elected will be a Mayor, six City Councilmen, City Recorder and two school board members.

Mayor Joe Grayson is running for re-election unopposed. All six members of the present Council are also in the ballot. They are Curtis Keener, Don Kelly, Tommy McNabb, Fred Nelson, Nathan C. Weaver and Harry Wampler.

Five other men are also on the ballot seeking to unseat present Council members. They are Joseph A. Arden, Tom Daffer, John A. Roberts, James W. Skidmore and Robert C. Weaver.

City Recorder Henry Foster is unopposed. Billy Joe Littleton seeking re-election to a six year term on the City School Board is also unopposed. Two men, Don Brown and Jim Cook are seeking a two year seat on the School Board.

Polls in the city will be open from 9 a.m. to 7 p.m.

Supreme Court Upholds Earls Case Reversal

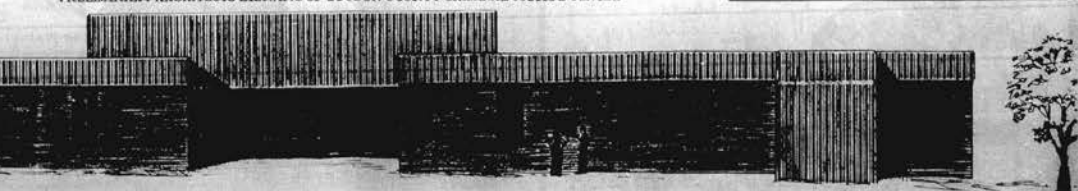

Doyle Earls, convicted in January of 1970 for the murder of Richard Lynn Barger, 17, son of Mr. and Mrs. Earl Barger of Philadelphia, has won another appeal of his second degree murder conviction.

The Tennessee Supreme Court recently upheld a reversal of conviction and 10 to 15 year prison term handed down in September 1971 by the State Court of Appeals.

The Supreme Court ruled that the Court of Appeals acted justly in reversing the conviction because of certain

IN UT SINGERS—One Loudon county is a member of the 1972-73 University of Tennessee Singers. Pictured are, from left, Ellen Naiff Kenzley of Marysville, Dr. Guy Rocknon, director of the Singers, and Linda Brakebill Ridenback of Loudon. Linda is the daughter of Mr. and Mrs. Charles F. Brakebill of Loudon and is a senior majoring in music education at UT.

Eight Attend Local Pattern Workshop

by Bonnie F. Sheeley, Assistant Extension Agent
To make attractive, durable, well-fitting clothes is the aim of every woman who sews for herself or her family. Poorly fitting garments are a waste of time and materials; they are uncomfortable and often do not withstand hard wear. The first step toward making a well-fitting dress is a pattern that fits properly.

Parts — Parts — Parts
For all brands of washers and dryers, ranges and water heaters, call the

John J. Moats Co.
West Broadway
Lenoir City, TN.
986-3237

If you are careful to choose a style and the size best suited to your figure, you may not have any alterations in your pattern. But most women have some figure irregularity which requires that some change be made, either in the pattern or the dress, for a perfect fit. The best way to make changes is to alter the pattern, since it is impossible to make some alterations as well once the dress is cut and basted together.

Eight women attended a Paper Pattern Alteration Workshop held at the Bank of Loudon County in Lenoir City. Methods of altering patterns were illustrated and discussed. Patterns were altered according to the

procedures learned. Those attending the workshop included: Mrs. James Harrison, Mrs. Ruth Holloway, Mrs. Betty Porter, Mrs. Dave Vandy, Mrs. Betty Wolfe, Mrs. Y.H. Coulter, Mrs. Gene Counts and Mrs. Pearl Elam.

KNOXVILLE WOMAN HURT—Mrs. Tony Harrison of Knoxville was treated at Loudon County Memorial Hospital last Friday afternoon after her car (shown above) ran off U.S. 11 near Philadelphia. She reportedly was trying to pass two other cars and as she cut back into the southbound lane her brakes locked causing the car to go off the road into a drainage ditch. The woman was later taken to a Knoxville hospital.

Use Of Professional Road Inspector Studied By Court

Loudon County Court Monday night heard a recommendation from the Planning Commission for the employment of a professional engineer on an "as needed" basis to carry out inspection of all new road construction, including that in subdivisions.

The recommendation, presented by State Planner Dennis Martin for the Planning Commission, was referred to a three-man committee for study and a report to the Court.

Named to the committee were Squires R. P. Hamilton, chairman, J. J. Blair and Curtis Williams.

County Court several months ago had asked the Planning Commission to make a study of how best to obtain an inspection of roads and streets being constructed in subdivisions. These streets and roads later become part of the county's road system and the responsibility of the county for maintenance.

Mr. Martin estimated an annual cost of \$3,000 to \$4,000 for the service.

In other action, the Court, on motion of Mr. Hamilton, seconded by Mr. Williams, asked to have a resolution drawn memorializing the life of former County Court member Vaughn Browder, who died last week. "If we ever had a county-wide official, it was Mr. Browder," said Mr. Hamilton, making his motion.

The Court will meet again next Monday night for a public hearing on a rezoning petition. The property involved is at Dixie Lane Junction and is intended for the construction of a shopping center and for a branch of the Hamilton National Bank of Lenoir City.

In other action Monday night, the Court heard objection from Vaughn's Chapel area residents to the proposed construction of a Criminal Justice Center next to the Loudon County Rescue Squad building. The Court adopted a motion asking to have the engineers return to the county for a restudy of the proposed site.

County Judge Harvey Sprout, in his report to the Court, warned about a possible tax revenue crisis facing Tennessee counties as a result of lawsuits filed by various railroads for a reduction of the TVA's area of tax base. The matter was sent back for negotiation on Squire Henry Foster's motion that Judge Sprout seek to reach agreement with the three members of the firm and bring back a recommendation at the next court meeting.

A resolution proposed by Squire Roy Bledsoe of Philadelphia for a \$2,000 annual commitment for maintenance of the Sweetwater Creek Water Shed project was approved. The appropriation would begin next year.

Complaints about the condition of the road into the County Solid Waste Disposal unit at the Loudon bridge were filed but Road Commissioner Lillard Bledsoe contended the road, built by the Watersproun Co. as a part of the contract for the construction unit, was never built right. The Court asked Judge Sprout to contact the company and ask to have the road brought up to standard.

Squire I. D. Conner, chairman of the Loudon County Memorial Hospital Board of Directors, reported that most of last month's meeting was taken up with the details of taking over ambulance service for the county, but that the Board also voted to install a second elevator at the hospital. The elevator shaft was built in the building during original construction.

Judge Sprout reported on a request from county funeral homes to have an amendment made to the non-compete agreement the three firms signed last week. They have asked for release from the agreement in the event a competing funeral home should come into Loudon County and begin offering ambulance service. The request was referred to the Hospital Board for further study.

Squire Hartsook said a meeting is scheduled in Nashville Dec. 18-19 to consider whether the newer wing of the old Bacon Hospital could be used for a county nursing home. He was hopeful of approval.

He also reported that Dr. Jerry Rogers has begun practice in Loudon City as a new doctor in Loudon County. He asked for a County Court resolution welcoming Dr. Rogers in Loudon County. He also reported that the Hospital-Physician Coordinating Committee, which he heads, has an appointment to talk with another doctor at UT Hospital in a few days and he thought he might be interested in re-locating here.

The Court heard the request from the firm of Dannel Winfrey and McCluray for a fee of \$10,000 for representing the county in the TVA's area of tax base. But the matter was sent back for negotiation on Squire Henry Foster's motion that Judge Sprout seek to reach agreement with the three members of the firm and bring back a recommendation at the next court meeting.

A resolution proposed by Squire Roy Bledsoe of Philadelphia for a \$2,000 annual commitment for maintenance of the Sweetwater Creek Water Shed project was approved. The appropriation would begin next year.

The question of the tem-

porary investment of county funds came up again and Judge Sprout reported this item continues to be emphasized in the county audit. He recommended that about \$300,000 be the maximum kept as cash in banks and that the balance be invested in short-term interest-bearing government securities. Squires noted that Trustee J. V. Schrimsher's report frequently shows \$500,000 to \$600,000 in cash. A committee consisting of the Trustee, the County Judge and Director of Budgets and Accounts Mrs. June Custead was named last year to work on the project and keep as much money invested as possible at all times.

Judge Sprout reported to the Court that Property Assessor Emmett Carter was having problems getting mobile homes being brought into the county on the county property tax rolls.

He said that many purchasers of mobile homes are not purchasing building permits as required by county building resolutions and that from 50 to 60 percent of these mobile home units are escaping being assessed for property tax purposes. He said this matter will be on the January court agenda and suggested that the Loudon Lenoir City and Fort Loudoun Electric Utilities be contacted and asked not to provide power hookups to the mobile homes unless they have a county building permit.

The Court moved its January meeting from January 11 to Monday, January 8, because of the New Year's Day holiday. The meeting will be at 9 a.m.

Squire Roy Bledsoe announced to the court that he will visit Sara Katherine Walker on Dec. 16 at the Loudon United Methodist Church and invited members of the court to attend the 4 p.m. wedding.

Named nuptial public were Gary E. Lindner and Eleanor M. Campbell.

November Was Wet Month

November was the Tennessee Valley's third straight month of unusually heavy rainfall for this time of year. TVA reports, November rains averaged 4.8 inches, compared to a normal 2.5 inches for that month.

Valley rainfall averages for the past three months have ranged around 5 inches or more each month. Autumn normally is the dry season in the Tennessee Valley, with typical rainfall of 2 1/2 to 3 1/2 inches monthly.

The highest November total reported to TVA was 9.86 inches at Highlands, North Carolina, near the northeast corner of Georgia. The lowest was 1.60 inches at Trade, Tennessee, in the eastern tip of the state.

Vols, Syracuse Will Meet In Classic Opener, Dec. 15

Tennessee's first round foe in the Volunteer Classic will be Syracuse, an eastern powerhouse that returns four starters from a team that reached the finals of last year's National Invitation Tournament.
 Coach Ray Mears announced the Vols will meet the Orangemen (that's Syracuse, not Tennessee) at 9 a.m. Friday, Dec. 15, after Holy Cross and Missouri have tangled in the 7 o'clock opener. Consolation and championship games are scheduled for the following

night at 7 and 9. Action is slated for Stokely Athletics Center on the U-T campus.
 In annexing six straight Volunteer Classic championships since the tournament was inaugurated in 1966, Tennessee has never faced a first-round opponent as formidable as Syracuse. The Orangemen are strictly Grade A in every respect and, by experts' calculations, should be improved in 1972-73.
 For Syracuse to be "improved" would be going some indeed for a school that has faced a first-round opponent

Better balance with a little more height up front is regarded as the key to the team's anticipated success. Mike Wadach, a 6-2 senior, has been transferred from the front line to back court where his running mate will be talented Denny DuVal.
 Missouri, another NIT entry last season, boasts one of the tournament's outstanding individuals in 6-7 forward John Brown, who averaged 21.7 points and 10.5 rebounds and set a Tiger field goal accuracy record with a percentage of 55.8.

No television cameras were present Friday night but history continued to be made in the sports world just the same. Friendsville Academy with its 1-0-n-g list of defeats following like a shadow traveled to Greenback Friday night to meet Greenback on the Cherokee hardwood. As one might have already figured nothing exciting took place other than to note the Foxes dropped their 124th straight game dating back to February 1967. Greenback has dealt out 10 of the losses in the string of misfortune.

"The boys have been trying hard but we just haven't been able to put it all together," says new Head Coach Rick Little.

Little, 22, became coach of the team this fall after graduating from Carson Newman College, Jefferson City, Tennessee. His basketball experience was in high school at Abingdon, Va. Joe Fink had been the Foxes coach for three seasons.

The squad Little inherited consists of 13 boys aged 13 to 18. Four are holdovers from last year's team.

"Our starting center, Rob Ingram of Norton, Va., is only 5 feet, 10 inches tall," Little said. "That will give you an idea of some of our problems."

Friendsville Academy is a Quaker school with only 55 students. There are 38 boys and 17 girls. The school's loss streak has received nationwide publicity in the last two years. As a result, Little said, he gets lots of fan mail offering suggestions on how to end the skid.

The academy has played and lost seven games this season. The latest setback came Saturday night against Washington College High School. The score was 69-37. It was the 125th straight loss. The Friendsville Academy girls won 33-30, but occasionally go on long losing streaks of 20 to 40 games before registering a victory.

Little took his team to TSD Tuesday night and then returned home for a Saturday night engagement with Tellico Plains. The outlook is for defeats 127 and 128.

Just how Jimmy "The Greek" rates their winning odds in Las Vegas is unknown but you may well know the point difference is certainly a wide risk as someday the string is going to end.

Outside the players' dressing room, a sign proclaims the academy's "sportsman's creed," it reads:

- "Our school is praised or blamed by our conduct."
- "2. Appreciates a good play...regardless of team."
- "3. Never boo a player or official."
- "4. Is humble in victory praiseworthy in defeat."
- "5. Character, not victory, is the important thing."

Friendsville Academy while a bit shy of challenging Chattanooga, Riverdale for this year's state championship will be of some improvement after the end of this semester. A 6 foot 3 inch player candidate will be eligible and this along with the smooth play of black sophomore guard Clarence Jervey who is a good ball handler and passer could combine with last year's regulars to give the Foxes a respectable showing by tournament time.

Marietta Blackburn, Lenoir City's sure-shooting junior forward is off to a tremendous start this season. The crafty forward has tallied 207 points thus far this season in just seven games. At this rate the Pantherette star could surpass the 1000 point mark by tournament time. She is supporting a 29.4 average, best in the district and tops in Loudon County.

Mari Beth Hammontrout of Greenback is hitting the hoops for almost a 25 point per game clip.

Loudon's Marilyn Smith is the top percentage shooter for the ladies with a 46 percent shooting eye. Miss Smith has a 20.3 point average for six games. All three Loudon forwards are ripping the nets for 12 points a game or better, the lone sextet in the county with such marks.

An unusual happening in Loudon County hoop play came about Friday night. Every boys and girls team won their respective games for a clean sweep of the action. This is the first time this has happened in three years. The Loudon County cagers flooded the goals for 423 points and gave up but 199 points. As a unit the county hit a respectable 42.8 per cent of their shots, hitting 168 baskets out of 392 shots.

Sophomores Thearp, Harrison Star As Loudon Tops McMinn County Hoop Teams

Loudon continues to play basketball like a yoo-yoo on a string. The unpredictable Redskins had one of their "up" nights Friday and reeled off a 51-45 decision over previously unbeaten McMinn County.

Loudon trailed until three

tremendous defensive job from sophomore Yarber Harrison, who blocked three shots and deflected numerous passes, while hauling in 12 rebounds. An individual defensive high for this year's Lassic team.

While Miss Harrison was intimidating the McMinn County forwards, Marilyn Smith was connecting on 11 of 19 shots for 24 points in pacing the offense to a 33-45 triumph.

The victory ended the Lassic record at 3-3.

Jane Shubert, hitting consistently with her patented hook shot, bucketed 18 points in support of Smith.

Loudon hit 36 percent for the game from the field and had a season low of seven turnovers for the night.

The Lassies jumped to a commanding 16-8 first quarter lead and never trailed despite watching the Cherokees cut the county to a single point twice in the second half.

Redskins Thearp hit two key

baskets and was a one man demon on the back boards while Messamore also found the range for important points.

Mike Messamore led the victorious Redskin play by breaking up a tight defensive game with 22 points and 17 rebounds. William Casler was the only other Loudon player to achieve double figures, netting 12 and gathering 17 rebounds. Bill Collins and Donnie Thearp helped rule the backboards with 10 and 11 rebounds respectively.

Loudon hit 47 of 80 shots for a 58.7 field accuracy. McMinn had just as much trouble finding an easy scoring route

R. I. Branam came off the bench to fire in a timely two points that iced the game in the waning minutes. Rodney Blewitt and William Casler gave the Redskins the assured

handworking forward played outstandingly and was instrumental in leading the Redskins to victory. Dennis crashed the backboards for 11 rebounds and added eight clutch points on three for seven performances from the field and two free throws from the foul line.

Thearp is rough on McMinn, in starting line-up Friday night against McMinn County.

The Loudon Redskins have accepted an invitation to take part in the South High School Invitational Hoop Meet December 28 and 29. The two night event will be at the Knoxville South High Rocket gymnasium. Other teams taking part will be Maryville Porter, Knoxville South, and Knoxville Central. Loudon will meet Knoxville Central in the opening night matchup.

This week will be a busy week in basketball for the Loudon County teams. Loudon will host undefeated Harriman Friday night and then take on once beaten state ranked Alcoa Tuesday night.

Lenoir City will test the Tornados in Alcoa on Friday night and then entertain highly touted Clinton in a District Seven contest.

Greenback will wrap up its season play for 1972 with a boys game only at Knoxville's Tennessee School for the Deaf, Harrison Chilhowee will bring a very established group of cage players to the Cherokee camp on Tuesday for a close-out of basketball through the Christmas holidays.

Also involved in the local sports scene will be the kickoff of the first annual Lenoir City Rotary Basketball Classic at Guy F. Tallent Gym. Four teams with top notch college talent will be featured in the Friday and Saturday night attraction. Teams named for the first playdown are UT Junior Varsity, Hiwassee Junior College, Roane State Community College, and Cleveland State Community College.

Hiwassee Tied For Hoop Lead

Hiwassee and Morrow State, each with a 2-0 record, share the Eastern Division basketball lead in the Tennessee Junior College Athletic Conference.

First Lenoir City Rotary Club Basketball Classic To Be Played Friday, Saturday Night

CLEVELAND STATE COMMUNITY COLLEGE COUGARS—Pictured from left to right, front row: Scott Hayes, Rick Gore, Scott Tipton, Don Willoughby, Alvin Massey, and Leon Ballard. Second row, left to right: Associate Coach Ed Coates, Johnny O'Neal, Ronnie Smith, Joe Rutherford, Danny Hardin, Henry Hutson, Charlie Patton, Jerry Banks, and Head Coach Joe Crabtree.

ROANE STATE COMMUNITY COLLEGE RAIDERS—Pictured front row, left to right: Eddie Chatman, Guy Merritt, Curtis Hutson, and Dennis Reynolds. Second row, left to right: Head Coach Ron Hartman, Clyde Jolley, Randy Tatham, Willie Allman, Charles Gray, Steve Ellis, Mark Pride, Alvin Boyd, and Assistant Coach Phil Allen.

The Lenoir City Rotary Club Invitational Basketball Tournament, to be played in Lenoir City High School's spacious Guy F. Tallent Gymnasium Friday and Saturday, December 8-9, will bring together some of the top hardwood talent in East Tennessee and should give the fans a good look at the future stars of the University of Tennessee.

Three of the better junior colleges in Tennessee will be competing for the top trophy, along with the University of Tennessee Junior Varsity.

Hixson College, long a power in junior college hardwood circles, will be joined by Cleveland State College and Roane State College, both newcomers to area basketball circles. Cleveland State has had a cage team for the past two seasons, but this will be Roane State's first venture in basketball. Both are new schools.

The University of Tennessee Junior Varsity is coached by former volunteer star, A. W. Davis, who is hoping for another good year. Since freshmen can now perform on the varsity, there is a possibility that some of the men now on the junior varsity may be playing on the varsity before the season is over. Some of the first year Volunteers may be that good.

Bob Brykalski, an even seven foot freshman from Canton, Ohio, is the tallest man on the talented junior varsity squad, while John Dye, 6-10, from Upper St. Clair, Pa., is just a step behind Brykalski, who is 18, weighs 250 pounds, and Dye weighs in at 220. It will be some task to push these giants around.

Other members of the junior varsity squad are 6-4 Terry Ripka from Granite City, Illinois; 6-5 Jimmy Koren from Knox Hills; 6-4 Rick Ducey from Richmond Academy in Augusta, Ga.; Norman Marable, also 6-4, from Knoxville; and 6-3 Mike Wooten from Murfreesboro, Tenn.; 6-2 Dave Stinebaugh from Columbia, S.C.; 6-1 Dale

Yates from South Fulton, and Mark Klimko from Toledo, Ohio; David Mitchell from Coeburn, Va.; Jeff Singerman from Kettering, Ohio; and sophomore Jay Bonham from Chihuahua, Va., all six feet.

All members of the Roane State Squad come from surrounding towns, and large delegations are expected to attend the classic to see these former high school stars in action.

Randy Tatham, former Lenoir City standout, is the latest player on the Raider squad at 6-4½, while Willie Allman, Steve Ellis and Charles Gray, all from Knoxville, are 6-4.

Other members of the Raider squad are Guy Merritt and Mark Pride, both from Concord, Eugene Martin from Kingston, Alvin Boyd of Hartman, Eddie Chatman of Rockwood, Mike Crews of Oak Ridge, Greg Griffin of Oliver Springs, Curtis Houston of LaFollette, and Clyde Jolley of Meigs County High in Decatur.

Roane State is coached by Ron Hartman.

Hixson, coached by former Lenoir City Captain Dennis Jenkins, has two players in Mark Begley from Kingsport and Larry Russell, former Carter standout from Knoxville. Both are 6-7.

Others expected to star for the Tigers are Vaneq Hampton, from Loudon, Mike White and John Hugdon from Knoxville; Mike Burum from Clifton and Glen Smith of Athens.

Others on the Tiger squad are Johnny Morgan of Mentor, who played at Friendsville High School, Sam Coleman of Middleboro, Ky.; Terry Lawrence and Ernie Roberts of Dalton, Ga.; Randy Hicks of Blountville, Tenn.; and David Tucker of Tellico Plains.

With the exception of one transplanted Yankee, Rick Gore of Newburgh, New York, all members of the Cleveland State squad are area boys.

Coach Joe Crabtree has Danny Hardin, Scott Hayes, Charlie Patton and Scott Tipton from Knoxville; Joe Rutherford from Maryville,

Jerry Banks from Dayton, Alvin Massey from Meigs County, Leon Ballard and Johnny O'Neal from Chattanooga, Henry Hutson from Norma, Ronnie Smith from

Woodbury and Don Willoughby from Pulaski.

The Cougars have been improving every year, and should give the other teams a run for the top trophy.

With these four exciting teams providing the thrills, the first annual Lenoir City Rotary Club Invitational Basketball Tournament just has to be a success.

HIXSON COLLEGE TIGERS—Pictured from front to back, left to right: Yancy Hampton (40), David Tucker (12), John Hugdon (10), Glenn Smith (14), Terry Lawrence (22), Ernie Roberts (34), Randy Hicks (32), Mike Burum (33), Sam Coleman (42), Mike White (21), Mark Begley (56), Assistant Coach Jim Cheek, Johnny Morgan (24), Head Coach Donnie Jenkins, and Mike White (52).

UNIVERSITY OF TENNESSEE JUNIOR VARSITY VOLUNTEERS—Pictured left to right, front row: Dale Yates, Jay Bonham, Jeff Singerman, Mike White, Terry Ripka, Norman Marable, Rick Ducey, and Coach A.W. Davis.

Foxes Drop 125th Straight

Greenback Roms Over Winless Quakers

The Greenback Cherokeees contributed to the publicity of the Friendsville Academy Foxes Friday night, the national prep leader in consecutive basketball losses.

GIRLS

O'back (18)	Fr. Acad. (18)

Greenback handed the Foxes their 124th straight loss by a whopping score of 84-26. The Cherokeees were sub-siding freely by the middle of the first quarter and led at the half 37 to 17. The second half was even worse as Greenback pounded the Quaker Academy 47 to 10.

Larry Kitchey propelled the one sided Greenback victory with 18 points. Larry hit seven

of 16 shots as the Cherokeees shot 115 times for the night or one shot every 16 seconds of the game.

Greenback connected on 39 of their shots for a 33.9 percent, but the Foxes hit only nine of 47 field efforts for a 19.1 percent.

Joe Mainer and Tony Linginfeller bombed the nets for 14 points and Danny Evans and Bill Kyker contributed 12 and 10 respectively to give the Cherokeees five men in double figures.

The victory was the fourth in a row for the Cherokeees and fifth in six starts.

Bill Joe Kyker and Tony Linginfeller controlled the backboards with 18 and 11 retrieves each.

Mari Beth Hammetree burned the nets for a 30 point night and Kathy Browne collected 12 more as the Greenback girls had no trouble in routing the Academy 47-10.

The Cherokeeettes raced to a 32 to 3 half time score and coasted to their first win of the season when they outpointed the contest for at least a quarter.

Pee Wee Grid Banquet

(Continued from page 8)

The games may become a thing of the past in Tennessee high school football. Area coaches and principals voted Saturday in favor of a tie-breaker procedure for regular-season contests.

The ET group also voted 33-23 to back a proposal to amend the qualifying system for the state playoffs. Under this plan, each school would be permitted two "wildcard" games during regular season. Only eight would count in the classification standings.

The East Tennessee vote on other proposals:

- 26-12 against raising the athletic age limit from 19 to 20.
- 36-23 against changing the starting date of football season from the first Friday in September to the last Friday in August.
- 38-20 in favor of allowing 11 weeks to complete a 10-game football schedule, with the playoff series starting on the 12th Friday of the season and continuing through the 14th Friday.
- 27-25 in favor of a junior-high change which reads, "A student shall be ineligible to compete if he has attended

Panthers Wear Out Tigers In 111-33 Rout

Lenoir City went on a scoring rage Friday night in rebounding effort from a double loss to Meigs Central last Tuesday.

Meigs County was the unfortunate victim Friday night. The Pantherettes got another stellar offensive performance from Junior Marietta Blackburn with 40 points and Mary Ruth Dunsmore added 14 as they teamed to lead Lenoir City to a 68-40 triumph in the preliminary game.

Lenoir City's junior varsity and varsity dumoed the Tigers with easy routs. Both teams hit for the century

mark. The "B" game was 101-45 in favor of the Panthers and

played just over two full quarters.

A host of Lenoir City players ripped the nets for 12 points.

Warren Melton, Jim Harris, Gary Brackett, and Mike Hooks all got an even dozen in sharing equal playing time the entire Panther varsity. Sammy Dunlap and Mark Liles flipped in 10 counters to round out the double figure play.

Lenoir City hit 47 of 84 shots for a 55 percent shooting game. The Meigs Tigers, who trailed from the start, hit a cool 10 of 20 shot attempts for a 14.3 shooting.

The Pantherettes hit 24 of 50 tries for a 48 percent in the distaff battle, with Blackburn's 13 of 29 directing the attack.

Lenoir City won the back-

East Tennessee Prep Group Supports Tie-Breaker System

Similar regional meetings are scheduled at Jackson this week and Nashville (Dec. 9). Ballots will be totaled and the final vote considered by the TSSAA Board of Control.

The ET group also voted 33-23 to back a proposal to amend the qualifying system for the state playoffs. Under this plan, each school would be permitted two "wildcard" games during regular season. Only eight would count in the classification standings.

The East Tennessee vote on other proposals:

- 26-12 against raising the athletic age limit from 19 to 20.
- 36-23 against changing the starting date of football season from the first Friday in September to the last Friday in August.
- 38-20 in favor of allowing 11 weeks to complete a 10-game football schedule, with the playoff series starting on the 12th Friday of the season and continuing through the 14th Friday.
- 27-25 in favor of a junior-high change which reads, "A student shall be ineligible to compete if he has attended

school for two semesters after enrolling in the ninth grade."

28-22 against permitting junior high basketball teams from playing 18 games per season instead of 14.

24-15 approving for 18 regions of two basketball districts rather the eight regions of four districts.

43-13 in favor of dividing Class 1 basketball schools in each region and in each district on as equal a mathematical basis as possible.

58-4 in favor of allowing 12 instead of 10 boys to dress for each team in the regional and state tournaments.

29-21 in favor of requesting that the National Alliance Football Rules Committee grant permission to conduct an experiment with 18-minute quarters in junior high football next season.

D.M. Miller, Rule High principal, was selected to the Board of Control for a three-year term. Robert Matueak of Chattanooga Eastside Junior High was elected to a three-year term as a member of the Legislative Council.

Tennessee High School Football Ends As Sweetwater, Bristol, And Hartsville Win Titles

Sweetwater Is Crown King Of A Division Play

Sweetwater is still the king of Class A football in Tennessee.

A 20 victory over White House Friday night gave the vaunted Wildcats their second consecutive state crown.

Anthony Oggs scored all the points and shattered a record that has endured for 44 years.

Oggs finished the season with 247 points, bettering the state mark of 240 set by Dixie Roberts, McMinnville, in 1928.

Coach King Berrong's Wildcats stretched their victory streak to 20 games.

"We played poorly," said Berrong, "but, under the circumstances, I guess a man has to be satisfied if we had played this way against Lake County last week, we probably would have lost."

Oggs, an All-State running back, ran eight yards for the first touchdown in the opening period. He kicked a 25-yard field goal in the second quarter and raced to score the second TD before half-time. He also boosted the extra point.

Anthony counted again in the third period on a smash from the 5.

For the game, Oggs had 128 yards on the ground. Quarterback Kippy Brown picked up 100.

The Wildcats amassed 367 yards rushing and 96 in the air. Two lost fumbles and 126 yards in penalties slowed their attack.

Meanwhile, Sweetwater had a host of outstanding defenders. Tony King had 12 solo tackles and five assists. Steve Plenums was 8-4, Rickey

STATISTICS table showing Sweet vs WH stats for First downs, Yards rushing, etc.

Berrong 7-8 and Sam Hurst 8-3.

Sweetwater had a 13-0 mark this season while White House was 11-2.

This is the third straight year Sweetwater has reached the finals...

Anthony counted again in the third period on a smash from the 5.

For the game, Oggs had 128 yards on the ground.

The Wildcats amassed 367 yards rushing and 96 in the air.

Redskins Sweep Pair Of Hoop Wins From Cats

London placed 11 men in the scoring column Tuesday night as they breezed to an easy 68-40 basketball triumph over Sweetwater.

Mike Mesamere and William Cansler were the only Redskin players to reach double figures for the night while playing in two quarters.

MIGHTY PANTHER—Lenoir City's Tim Cunningham led a great team effort Tuesday night as the Panthers handed previously unbeaten Oak Ridge a 48-41 defeat.

Panthers Pin Hoop Loss On Oak Ridge

Girls Defeat Maryville, 67-45

Lenoir City pulled off one of the "biggest" basketball shuckers in the state thus far this season Tuesday night handing previously unbeaten Oak Ridge a 48-41 loss.

Lenoir City, 6-2, gained valuable ground in the District Seven standings and established themselves as a definite East Tennessee power.

The Panthers opened the game by controlling the tip and Mitch Kewbler gunned in a basket for a 2-0 lead.

The Wildcats missed as big Jim Harris had his most important and best individual showing in a Lenoir City uniform dragging down the rebound.

The 6'7" senior gathered in 14 stray shots for the game and added nine points.

Nevertheless top individual play went to Tim Cunningham with 22 points on nine of 17 field goal tries and 10 rebounds.

Tim hit his low four of 10 foul shots or he would have had even more points.

Kewbler paced the Panther play in the first half with 14 of his 16 points and all coming from the 15 to 20 foot distance.

Warren Melton chimed in on the second half to kill a Wildcat at third quarter rally

Hartsville Bumps Kingston For AA Crown

Twenty tons of sand didn't help the Kingston Yellow Jackets enough Friday night.

So, for the second year in a row, Coach Jess Plenums orange-and-white clad Jackets had to settle for Tennessee Class AA high school football runnerup honors.

The 20 tons of sand were brought in and dumped on the playing field Friday night in order to keep the field from becoming a quagmire from heavy rain all day Thursday and Thursday night.

And while the field didn't turn into a quagmire, it still didn't offer sure footing needed by the fast starting Kingston backs, and was almost made to order for the big bulldozing Hartsville fullback Mike Whittaker.

As a result, coach Tony Majors' Yellow Jackets from Trousdale County posted a 12-0 victory Friday night in the Class AA championship game before an overflow crowd of some 5,000.

"Actually, I didn't think the field made all that much difference the elated Majors declared after the game.

"We did just what we planned to do, I intended to let my big boy (Whittaker) run right at 'em.

Then when we got them to pinching to the inside, we went outside with my quick boy (Danny Hodges).

Whittaker, a 6-1, 200-pound junior battering ram, carried the ball 37 times, once more than the entire Kingston ground corps, and finished up with a net of 75 yards and a touchdown.

It was his one-yard plunge with 8:23 left in the second period that had capped a 10-play, 48-yard drive for the touchdown that looked more and more like it would be the only score of the game.

But with 4:13 left in the game from a power left formation, Hodges stroaked around right end for 51 yards.

Pantherettes vaulted from a 15-13 first quarter rest stop to a 35-24 halftime margin, since City led by 10-0 at the close of the third period and coasted to victory from there.

Janet Leeper was the top defensive performer for the Panthers with nine rebounds.

Number One Bristol Keeps State AAA Title

Senior quarterback David Bibe directed number one ranked Bristol to a 29-6 romp over Chattanooga Baylor Friday night in the finals of the state triple-A football title.

Senior quarterback David Bibe directed number one ranked Bristol to a 29-6 romp over Chattanooga Baylor Friday night in the finals of the state triple-A football title.

STATISTICS table showing Bristol vs Baylor stats for First downs, Yards rushing, etc.

It was the unbeaten Vikings' second straight title, John Cropp's club finished with 25 consecutive victories, 13 this year.

Bibe hurled four touchdown passes, including a pair of Eddie Hirsch in the second quarter, as the Vikings exploded for 23 points to put the game out of reach.

This is the second consecutive AAA crown for Bristol.

The talented signal-caller, who connected on 13 of 17 passes for 196 yards, also tossed scoring strikes to Greg Jones and George Heath.

Bibe's four playoff passes established a playoff mark.

His air yardage fell 15 yards short of his own standard set last year against Covington.

"I don't know if it was my best game," said Bibe, "but it was a great way to end it. I've got to give the offensive line credit, they blocked them out all night."

Leading 24, the Vikings drove to the Baylor 1 early in the second period. But the Bear defense stiffened.

"A lesser team might have had a letdown," said Cropp. "But I think it probably upset me more than I did the kids."

The Vikings followed with three consecutive touchdown drives.

Bibe engineered a 60-yard march to get Bristol its first score. The senior quarterback's 38-yard strike to Heath set up the TD.

While Bibe and the offense were on the sidelines, Bristol defenders stopped the Bears cold. Baylor managed only one first down and 17 net yards in the first half. Baylor never penetrated Viking territory.

The Chattanooga's only score came with 22 seconds remaining when Bob Workington rolled in from the 9.

The two-point conversion failed.

Bristol 23 6 6 -39 Chatt. Baylor 0 0 0 0 -6

THOMAS ON FIRING LINE—Loudon senior forward, Debbie Thomas, riles in two points as the Lassies prevailed in the girls game 53-45 to even their season mark at 3-3.

TACKETT CREEK W.M.A. HUNTS ANNOUNCED

According to John Quillen, East Tennessee Development Supervisor for the Tennessee Game and Fish Commission, the buck only deer hunts will be held on Tackett Creek W.M.A. on December 8-9 and December 15-16, 1972. There is no hunter quota.

Permits can be purchased starting December 1, 1972 for \$5.00 for each two-day hunt at the following locations: W-W Sporting Goods, Highway 25-E, in Harrogate and Maidens Grocery, northeast of Clairfield in Hamlin Town on Tennessee Highway No. 90.

The above locations will also serve as checking stations to bring harvested buck deer to be inspected by personnel of the Tennessee Game and Fish Commission. The cost-share payments range from 20 to 80 percent of the total cost of the practice. Officer Harmon explained that these payments are for plowing, discing, seeds or plants, fertilizer, lime, earth moving, water control structures and necessary fencing when applying the wildlife practice.

Landowners interested in these wildlife practices should contact the local A.S.C.S. office or Committeeman or Officer Harmon for additional details. The Tennessee Game and Fish Commission Officer

which REAP practices will be accepted in Loudon County.

Bob Harmon, Game and Fish Commission Officer, recently attended regional meetings to determine which REAP practices would benefit wildlife. Officer Harmon stated that five wildlife practices will be considered at the County Development Group meeting in December. These practices are: G-1, Permanent Wildlife Habitat; G-2, Shallow Water Areas for Wildlife; G-4, Other Wildlife Conservation Practices; G-5, Wildlife Food Plots and B-T, Wildlife or Fish Ponds. These practices are designed to provide food and cover for all kinds of wildlife.

Any landowner may participate in these wildlife practices and receive cost-share payments. The cost-share payments range from 20 to 80 percent of the total cost of the practice. Officer Harmon explained that these payments are for plowing, discing, seeds or plants, fertilizer, lime, earth moving, water control structures and necessary fencing when applying the wildlife practice.

Landowners interested in these wildlife practices should contact the local A.S.C.S. office or Committeeman or Officer Harmon for additional details. The Tennessee Game and Fish Commission Officer

QUAIL LIMITS—J.G. (Glenn) McNabb (left) and Steve Cavett are pictured with their limit of 20 quail they killed in Loudon County on December 2.

explained that 85 percent of the land in the State is privately owned and most sportsmen hunt on this land. These funds will now assist landowners in making his land more attractive to wildlife. Officer Harmon emphasized that landowners are not under any obligation to allow hunting or fishing on their property when they participate in wildlife practices.

FISHING AND HUNTING CHEROKEE LAKE
Water conditions - clear and falling.
Bass is extremely good near John Sevier Dam on bucktail files-also in head of coves on humpback rebels.
Rockfish good on silver spurs - some being taken in 18 to 20 lb. class. Several crappie being taken in backwater on small minnows. All other activity slow.

NORRIS LAKE
Water conditions - clear and falling.
Bass are really biting good at night on bushwhackers - also on a homemade plug. Crappie - fair on very small minnows - 10-15 feet deep. Bluegill continues to be good fishing deep around stump on worms. Catfish fishing is fair on large minnows and worms off sandy points.

FT. LOUDON LAKE
Water conditions - very low and murky.
All species poor - very little activity.
DOG GLAS LAKE
Water conditions - clear and falling.
Bass are really biting good, trolling deep-running lures and casting artificial worms.

HUNT REPORT
Squirrel hunting is extra good, especially if a dog is used. Quail hunting is extra good. Several limits being taken. Rabbit hunting is good, especially with dogs. Grouse hunting is the best it has been in years - especially in low ridges in Sevier, Anderson, Union and Campbell County; also, several being taken on Clinch and Shor's Mountain in Hawkins County and on Newman Ridge in Hancock County. Best duck hunting is

Sims Named Juvenile Officer

Joe Lynn Sims, 25, of Lenoir City has been hired as the first Loudon County Juvenile Services Officer. Sims will be working with youths who find themselves in trouble through the courts in Loudon County and in the cities of Loudon and Lenoir City.

The program under which Sims is working is sponsored mostly by a federal grant and some financial participation is also provided by Loudon County and the two cities. Sims started his new job last Friday.

Mr. Sims was formerly employed at the Charles H. Bacon Company in Lenoir City. He is a graduate of Lenoir City High School and has two years of credits at the University of Tennessee. He is married and has one child. The family resides at 520 West Seventh Avenue in Lenoir City.

being found on French Broad, Holston and Little Tennessee rivers; jump shooting. Goose hunting is poor - not enough cold weather in the north to send the geese south; also an abundance of corn still holding both ducks and geese in the north.

Tennessee is experiencing one of the best deer seasons since the present Game and Fish Commission was formed. Big game on Tellico seems to have made a complete recovery with the total kill for all hunts there being 201 wild boars and 143 deer killed.

Cherokees Fall Victim To Friendsville

Greenback lost both ends of a basketball double-header Tuesday night at Friendsville. The Cherokees were dealt a 55-38 loss in the preliminary game and the Greenback varsity were toppled by a 63 to 40 count.

Mari Beth Hammonree and Kathy Broome were the lone forwards able to score for the Cherokees in the girls contest. Hammonree popped the nets for 26 points on nine of 35 shots and eight foul shots. Miss Broome, a sophomore with a lot of promise, dropped in 12 points on five of eight shots and two foul shots.

Lynda Hall stood out defensively for Greenback with nine rebounds. Shirley Dotson and Sarah Murr had six each.

The Cherokees got off to a slow start trailing 18-8 at the start of the second period. A conservative second quarter went to Greenback 9-6 and the Cherokees trailed 24 to 17 at the half. The second half was all Friendsville with the Falconettes pulling away in the final stages of the game.

Friendsville 17 21 14 31 65

In the boys game Greenback was plagued by turnovers and needless fouls. The Falcons found the range from far outside in the first quarter and kept up a steady bombardment of the hoop to take a 17-2 lead. Greenback lost their poise in the first few minutes of the second period and trailed by 13 points with four minutes left in the half.

A sudden offensive surge was led by Bill Kyker and Larry Ritchey in carrying the Cherokees back into the game and cutting the difference to

HIGH SCORER—Greenback's Larry Ritchey launches a 20 foot jump shot against Friendsville Tuesday night for another field goal. Larry had 10 field goals in the game and four foul shots for a 24 point effort.

three points only to fall behind by five at the half. Foul trouble caught the Cherokees in the third period and the Falcons edged to a six point advantage. Tim Hammonree and Tony Lingenfelter were lost due to five fouls and the Friendsville offense really caught fire in the last eight minutes for a 21-23 conquest in the last canto.

Greenback played in spurts throughout the game with Bill Joe Kyker and Tony Lingenfelter dominating the back boards when both teamed in over power on the Falcon front line. Larry Ritchey played a good offensive game but as a team

LATE REBELLETT—Lenoir City's Mary Ruth Dunsmore rifles up a shot before a Maryville guard can stop the outside shooting. Lenoir City breezed to an easy 67-45 triumph in the preliminary game Tuesday night.

REAP PROGRAM—Through the REAP program, landowners can be beneficial to wildlife and be reimbursed for their efforts. Farmers can claim up to 80 percent federal reimbursement on some projects.

Dr. Rogers Opens Practice Here

Loudon County has a new doctor. Dr. Jerry Rogers, 37, who has begun his practice here in association with Dr. Walter Shea on Broadway, Leinor City.

DR. ROGERS

Dr. Rogers' coming was announced several months ago by the Loudon County Court committee which has been attempting to attract new doctors to locate in Loudon County. The committee is headed by Squire James M. Hartsook.

Dr. Rogers, who, with his wife, Lisa (she is a registered nurse) have moved into a home they have bought at 206 Oak St., comes here from three years as an emergency room physician at Baptist and UT Hospitals in Knoxville.

He explained that in recent years emergency room practice has become an important specialty, allowing many accident victims and other emergency patients to survive when they might not have several years ago.

Following the announcement of his decision to come here, Dr. Rogers said he had to give the hospitals a 90-day notice, after which he and his wife took a vacation trip to visit her family in Germany.

Dr. Rogers earned his M.D. from UT Medical Units in Memphis after which he specialized in surgery. He interned at Roanoke, Va., then went to the School of Aviation Medicine in Pensacola, Fla.,

and stayed in the Navy for three years as a flight surgeon. He spent a year as a resident in surgery at San Diego, Calif.

He spent a little over a year in private practice in Lewisburg and then another 19 months in surgery and pathology in Nashville before coming to Knoxville as an emergency room physician.

"My wife and I have been greatly impressed with Loudon County and Loudon County," Dr. Rogers said.

"Everybody has been so very nice to us and we are very happy here."

He concluded that it is nice to be away from all the traffic in such places as Knoxville and Nashville.

Railroads Challenge Tax Structure

(Continued From Page 1) is a meeting in Nashville next Tuesday of officials of counties affected to determine whether or not to seek to defend against the lawsuits.

"Even though the Attorney General says there is 'no defense,' it seems to me there might be some defense, and I think we should scrap it out with them," the County Judge said.

"For example, even though the 1954 Supreme Court decision said segregation of schools was wrong, it didn't immediately require integration. Public policy in that case required a gradual

change. Whether we could make that kind of philosophy apply to this case, I'm not sure, but I think we should try."

But if the railroads are successful in collecting the back taxes from 1967 forward, it will "wipe out any advantage we had gained from Revenue Sharing," the Judge told County Court members.

OBITUARIES

REBECCA HAMMONTREE - Rebecca Greenway Hammontree, age 91, died Thursday, November 30 at Johnson Nursing Home, Lenoir City, after a lingering illness.

She was the widow of Ira E. Hammontree, member of Greenback Presbyterian Church for many years.

Survivors include: nieces, Mrs. Ruth Covington, Loudon, Mrs. Catherine Rulf, Gallinburg, Mrs. Margaret Peterson, Coosa, Fla.; nephews, J.E. Greenway, Greenback.

Funeral services were held Saturday at Hawkins Chapel, Interment, Morganton Cemetery, near Greenback, Hawkins, Lenoir City, in charge.

FLOYD THOMAS GLASS - Floyd Thomas Glass, age 82, Route 5, Lenoir City, died Friday, Dec. 1, at his home. He was a retired employe of Lenoir Car Works.

Survivors include: wife, Mrs. Mammie Emert Glass; one daughter, Imogene Price, Lenoir City; two sons, Millard (Bud) Glass, Memphis, Gordon (Dod) Glass, Lenoir City; two granddaughters, Mrs. Harvey Moats, Mrs. Dallas Hensley, Lenoir City; two step-sons, John and James Isaac Redmond; four great-grandchildren; six step great-grandchildren.

Funeral services were held Sunday at Click Funeral Home Chapel, Rev. Don Rockholt officiated, Interment, Lakeview Cemetery, Click Funeral Home, Lenoir City, in charge.

The Clipboard

(Continued From Page 1)

Center for at least six years and it seems strange to us that they would take such action. Perhaps that they still mean to build the center, and quite possibly on the site suggested near the Rescue Squad Headquarters, but will take another look at sites to satisfy the petitioners.

Residents of the Vaughn's Chapel area fear the location of the "jail" would hurt property values and the fact that such a facility is there at all is undesirable. It is our opinion these people are mistaken. The county jail has been in the center of the city of Loudon for years, with people living within 50 feet of it and to our knowledge nothing ever happened that as much as disturbed anyone's sleep in the area.

It is almost impossible for the Justice Center to be located in any other place and still get the cooperative effort from the three governmental bodies that is needed.

THE LO

TVA Announces Power Rate Increase

TVA wholesale power rates as announced earlier, will go up by about 9 percent beginning in January under the adjustment clause of its power contracts, resulting in an estimated increase of about 6 percent in the average residential rates over the entire region. The TVA Board has determined, after its quarterly review of power system finances, that this action is necessary to cover a continuing rise in power system costs and to meet requirements of the TVA Act.

The review indicated the rate adjustment will be necessary to provide adequate revenue to cover power system financial obligations in the fiscal year ending June 30, 1973. It is expected to provide about \$5 million in additional revenue during that period.

The action is expected to add no more than \$1 a month to the average home electric bill in the region.

The TVA region's residential consumers now pay an average of 1.28 cents per kilowatt-hour of electricity used, which is 43 percent less than the national average. This average is expected to rise to 1.36 cents in 1973, a rise which is less than the indicated increase this year in the national average.

TVA rates have remained at the same level over the past two years. In the first 10 months of this year, 56 electric companies across the country have increased retail rates by an average of 8.4 percent.

Greater coal and interest costs are major factors in the

need for more revenue, TVA said. About 80 percent of its present power production is from coal. System fuel cost is expected to increase this year by about 18 percent per kilowatt-hour sold, and interest cost by about 14 percent.

Factors affecting coal costs include the expense to mining firms of meeting higher wages for miners, deep mine health and safety regulations, strip mine reclamation requirements, and new coal severance taxes, TVA said. Interest costs and depreciation on new power facilities reflect the steep increases that were occurring nationally in interest rates and construction costs while these facilities were being built.

Environmental protection is a factor in these cost increases, including steeper strip mine reclamation measures and new air pollution control facilities, TVA said. However, the main impact on power rates from environmental measures, including stringent water temperature standards, is expected to come in future years because the capital investment involved is not immediately reflected in operating costs.

In announcing the rate adjustment, the TVA Board said:

"Electric rates in the TVA area will continue to be well below rates in most other sections of the country. We will continue our efforts to keep rates as low as possible,

emphasizing efficiency in power system operations.

"As a measure of the efficiency in power operations, the latest national figures show that operating expenses of TVA and the local distribution systems here for generating and distributing power are 30 percent below the average for these operations among electric utility companies across the country.

"The TVA power system is owned by the United States and is not operated for profit. However, TVA is required to charge rates which will produce gross power revenues sufficient to cover operation and maintenance expense, payments to states and counties in lieu of taxes, debt service on bonds, payments to the U.S. Treasury as a return on past Government appropriations investment, and a margin for reinvestment in the power system.

"This is the first rate adjustment under the quarterly review system set up two years ago. TVA was able to avoid a rate adjustment last fiscal year when the general trend in rising costs was partly offset by temporary savings in some areas. But the present quarterly review shows that a rate adjustment cannot be delayed further if TVA is to meet its costs this fiscal year.

The review system was established after a sharp increase in costs produced a general TVA rate increase in October 1970 of about 23

Self Assigned
Airman John M. Self, son of Mrs. Ruth V. Self, of Rt. 5 Lenoir City, has been assigned to Keesler AFB, Miss., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Keesler for specialized training as a communications systems operator.

Airman Self, a 1970 graduate of Lenoir City High School, received his A.S. degree earlier this year from Cleveland State Community College.

His wife, Marsha, is the daughter of Mr. and Mrs. Robert S. Chambers of Rt. 1, Lenoir City.

Future Farmers Honor Parents

The Loudon Future Farmers of America held their 25th Annual parent and member Banquet Monday, December 4, in the Loudon High School Cafeteria.

The invocation was given by Lonnie Brewster. The welcome was given by the Vice-president, Eddie Jenkins. The meal was served by the FFA girls. After the meal, music was presented by Tommy Dotson. All special guests were recognized by the secretary, Ricky Moore.

Scott Jaynes, Keith Gentry and David Blankenship were presented awards by the chapter for the best farm program for this year.

East Tennessee Vice-President, Steve Nitzschke and State Reporter, Bobby Thomas, gave a speech on the National theme "FFA Unites Youth with Opportunity." A talk was given by Nat Campbell entitled "A Challenge." Chapter officers conferred the Honorary Chapter Farmer degree to a person who has done a lot for the FFA. The award was presented to Lewis A. Carpenter, Regional Supervisor of Agricultural Education.

TOPS Club Organized Here

The TOPS (Take Off Pounds Sensibly) Club of Loudon was well represented at the Area Inspiration Day held in Oak Ridge Saturday, December 2. Those attending were Libby Golightly, Jean Webb, Beatrice Simpson, June Turpin, Kathy Tutterow, Rhonda Phillips, Ramella Watson, Delores West, Imogene Jenkins and Betty Jean Jenkins. June Turpin represented the Loudon Club as Queen with the greatest weight loss.

ACCIDENT STUDY—This map of a portion of the City of Loudon shows 'dots' along certain streets and highways in the city. Each of these dots represents an accident and is part of a study showing the most

dangerous streets and intersections in the city. The most dangerous point in the city for auto accidents is at the intersection of Highland and Mulberry Street the study showed.

Loudon Traffic Study Shows Highland-Mulberry Most Dangerous

The Loudon Regional Planning Commission has been busy over the past several months preparing a neighborhood analysis of each neighborhood within the city limits.

One part of the study attempts to determine neighborhood characteristics which, in turn, influence fire, accident, and crime rates so that, for example, police patrols in accident prone areas can be stepped up and traffic warning signals can be

installed. Assisting the Loudon planners with the study in fact, within a two year period (October, 1970-October, 1972) twice as many accidents

occurred along Highland per foot of pavement as happened along U.S. 11. And half of all accidents along Highland happen at the intersection with U.S. 11. As might be expected, accidents along U.S. 11 occur along the entire span of the highway within the city limits and wrecks along Grove occur from U.S. 11 to the city limits. Other study elements of the neighborhood analysis will be released as they become available.

As most of you know, the longer you live and the longer that your parents and grandparents live, the more you have a chance to know them and love them, and in some ways the harder it is to lose them.

Your County In Action

BY **Harvey L. Sproul**
LOUDON COUNTY JUDGE

I guess my ramblings here in this column on the subject "Your County in Action" sometimes gets off the subjects that directly affect the County and its citizens.

Maybe on some occasions I get a little too personal with things that personally affect me. Of course, on the other hand, maybe during the time that I occupy the office of County Judge, things that affect me could be construed to be affecting the County, but at any rate, tonight I feel constrained to comment at least to this extent.

I have always felt very fortunate, because until 1966 all four of my grandparents were living, and until Thur-

Singing Sunday At Broadway

So now I feel fortunate to have my Grandmother Sproul on my father's side, and my Grandfather Renfro, on my mother's side, still living; but last week was a sorrowful time in my family because my grandmother Renfro passed away on November 30, 1972. She was a wonderful lady whose very appearance and personality beamed love.

Although very quiet in manner, I believe her example and her willingness to love and serve others was almost unmatched.

I never heard a single person say a single harsh word about her.

The family felt so strongly about the goodness of her life, that we decided to emphasize thankfulness for her life for her funeral service.

The Looper Trio will be guests singers at the West Broadway Baptist Church, Sunday, December 10 at the 11 a.m. worship service. Rev. Raymond Hudson, pastor, invites everyone to attend.

Thanksgiving for Hester Van Winkle Renfro, and included the participation of the congregation in memorial hymns in honor to her such as "Amazing Grace," and included Readings from the Beatitudes and other Scriptural verses by three of the ladies from the Church who were close to her, together with a brief but beautiful eulogy from her Pastor.

I may be prejudiced, but it was a beautiful service honoring a beautiful lady who had given 79 years of her life for others.

Heart and blood vessel disease afflict 27 million Americans from the newborn to the aged. Help fight America's leading health problem... with a generous contribution to the 1973 Heart Fund.

DECEMBER 7 1972

BACK IN THE GOOD OLD DAYS

Last week we were talking about the Meadow community of Loudon County and tried to geographically point out its location. Of course, this was for some of our newer people who have moved into the area in recent years, and possibly didn't know where it was located.

This past week we had a picture loaned to us of the old Meadow School which possibly holds many fond memories for many of its past

the doctors who had served the Greenback area now we have another picture of a doctor from this section of our county, who is Dr. J.E. Hall. We don't know much about Dr. Hall. But we would like to have some background on him. If any of our Greenback area readers have any information on him, please give us a call.

We are still searching for picture or pictures taken at the Greenback Depot. We were over by it the other day and visualized what a colorful role it must have played in this area a few years ago. Questions that came to my mind are: Was it just a freight terminal or freight and passenger? Who was the depot

agent, did the trains come off the main line to the depot or what. If you can answer these questions or loan us a picture, let us know.

We have another picture this week someone loaned but we have misplaced the in-

formation about the picture. We know this is a piece of railroad equipment, but what or who, we don't know.

Somebody was talking to us the other day and wondered if we recalled the time when Loudon's sewer system was

brick manholes, which I have heard said was quite a feat. As best I can recall, Anvil would take off after every pay day and the manhole building would stop until he returned. There was one time that every

street in Loudon was torn up. It is hard to visualize the magnitude of a job this large. The real large lines were laid in the middle of the street.

While we are on this subject, it used to be, in the early days of our city water system, that

people would go in together and have a central water hydrant put in and they would all pay the bill. I believe in those days it was about \$1.50 and no sewer tax. No sewer, or

at least there wasn't many people whose homes were connected to the sewer system. Oh well.

Well, that's it for now. See you next week.

Savings Bond Sales Over Goal

Loudon Countians purchased \$27,818 in Series E and H Savings Bonds during October, according to C.T. Burdett, county savings bonds chairman. January-October purchases of \$369,351 represent 108.3 per cent of the 1972 goal as set by the Department of the Treasury. Tennesseans invested \$6.7 million in the securities during October, an increase of 19.7 per cent over the same month last year, bringing the year's total to \$63.5 million. This is 20 per cent more than for the corresponding period in 1971.

Franklin M. Jarman of Nashville, volunteer chairman for the bond program in Tennessee, announced that four community-wide campaigns - in Memphis, Nashville, Chattanooga and Knoxville - have exceeded sign-up goals by healthy margins.

DISCUSS BOMB

William Napier, Rescue Squad and City Police and Loudon High School night.

Bomb At Loudon

A unknown caller call from a pay phone in Loudon about 7:30 Tuesday told a South Bell operator that there had been a bomb placed in Loudon High School about to go off. As it turned out, the call was a prank.

At the time the Loudon School basketball team engaged in a contest at Alcoa.

After the operation, City Police in Loudon searched the building, and county officers turned up a bomb and its operation went undetected until the 600 family gymnasium.

GETS GREENBACK Club President

Club President James Worden, at an Improvement Award it was announced a second place award

Greenback Commu

Greenback won top including first place "A" Division (more than 10 families) in the 19th East Tennessee County Improvement Contest. Winners were announced Saturday at U-T representatives of 17 community clubs from county area were invited to luncheon.

Greenback received the "A" Division for community Improvement award for placing second in the Beautification Contest. Greenback has been one of the top municipalities in the program for several years.

Among those attending the Greenback area County Agent Charles L. Salter and Mrs. James Alexander Gillander and Mrs. Alexander Gillander, Mr. and Mrs. Barren.

The wards were packed noon luncheon Plant Services Building at which Dr. Earl Kolb, the USDA rural development department made the official address.

Local Churches Announce Christmas Season Services

By CALVIN LUNSFORD
Many of the Loudon area churches have planned special programs in keeping with the Christmas season. Many will have the traditional Christmas program and treat for the children, while others are offering versions of the Christmas story in music, either as a Cantata or special choir presentation, while others will have special services commemorating the Christmas activities. On Sunday, December 17 at 5:30 p.m., the church choir of 26 voices will present the Cantata, "Story of Christmas" by John W. Peterson. The choir will be under the direction of Bernie (Inky) Swiney. Solo parts will be by Jerry and Melinda Lambert and Mary Lou Bradley. The accompanist will be Mrs. James P. Watkins, organist and Mrs. Bernice Ray Swiney, pianist. Narrations will be by Rev. William Horner. On Wednesday, December 20, the church will observe "Night with a Birthday Cake and a Birth of Christ Theme." On Sunday, December 24, the church will have Communion Services.

LONDON UNITED METHODIST CHURCH
The Philadelphia United Methodist Church will have a special Christmas program on Friday, December 22 at 7 p.m. The program will include a children's program, a Christmas play and a visit from Santa Claus.

CUMBERLAND PRESBYTERIAN
The Cumberland Presbyterian will have the following special Christmas services: On Wednesday, December 13, at 7 p.m., the Junior Choir will present a program of music. On Sunday, December 17 at 7 p.m., the Children's program will be presented in the church Fellowship Hall. The Chancel Choir will present their Christmas Cantata Wednesday, December 20 at 7 p.m. On Sunday, December 24 at 7 p.m., the service will be a Communion Service.

FIRST BAPTIST CHURCH OF LONDON
The First Baptist Church will have the following special Christmas services: On Sunday, December 17 at 7:30 p.m., the Adult Choir will present John W. Peterson's "Night of Miracles" accompanied by piano, organ, brass, trumpet and percussion. The program, approximately 45 minutes long, will feature soprano, tenor, baritone and bass solos. Narration will be from selected scriptures relative to the Christmas Story. The program will also include some congregational hymns.

PHILADELPHIA FIRST BAPTIST
The First Baptist Church of Philadelphia will observe the Christmas season with the presentation of a Cantata, "The Wonder of the Ages" on Sunday, December 17, the program will be under the direction of Gary Amos, Minister of Music. On Wednesday, December 20, the church will present the annual Children's program under the direction of Mrs. Janice Gage.

TRUCK DRIVER INJURED IN DOUBLE ACCIDENT
A North Carolina truck driver was injured in what is best described as a double accident in the City of Loudon last Friday night. The injured man, John Elliott Moore, 47, of Raleigh, N.C., was admitted to Fort Sanders Hospital in serious condition suffering from a broken collar bone, forearm fractures and possibly other injuries, according to city police officer Frank Cratty, who investigated.

FIRE DAMAGES MASSEY HOME
Fire damaged the home of Carter Massey in the Corinth Community near Loudon early Sunday. Loudon County Rescue Squad Fire Trucks were called to the scene, but Mr. Massey had the fire out when they arrived. Squad Public Information Officer Grady Smith reported.

Squad Christmas Trees Delayed, Arrive Thurs.
Christmas trees will be put on sale hopefully early Thursday by the Loudon County Rescue Squad. Squad Captain John Parris said that the sale of trees has been delayed a week later than planned due to problems of the supplier.

DRIVER INJURED LATER—The driver of the tractor-trailer shown here after hitting two parked cars on Mulberry Street in Loudon Friday night was injured when another tractor truck hit him in the street.

AN UNIDENTIFIED MOTORIST inspects the car of Mr. and Mrs. John Millard Coleman. Traffic was tied up in both directions for some time before the bodies of the victims were removed from the wreckage and the demolished vehicles moved to the center of the highway.

Local Couple Killed In Roane Traffic Accident

Two Loudon Countians were among three persons killed Saturday in Roane County on a new section of 140 recently opened in a grinding head-on two car collision.

The victims were John Millard Coleman, 62, and his wife, Kathleen Butler Coleman, 54, Rt. 1, Lenoir City, and Rodney Edward Stevenson, 19, Fayetteville, N.C. The Coleman's, former residents of Loudon, were members of the Loudon Church of Christ. The Bethel United Methodist Church will present a Christmas play and children's program on Wednesday, December 20 at 7:30 p.m.

It was reported by a highway department official that the flashing lights at each end of the new section had been broken by vandals and apparently were not operating at the time of the accident. The officials said the lights appeared to have been knocked out by gun shots.

The young North Carolina man was a native of Fayetteville and a son of Mr. and Mrs. James Stevenson. His body was being moved from Maxwell's in Harriman to Taylor Funeral Home in Fayetteville.

Relatives of Mr. and Mrs. Coleman said the couple had been attending a Coleman reunion in Rockwood earlier in the day and that they were presumed to be returning to their home on East Dixie Highway in Lenoir City at the time of the accident.

The family said that Mr. Coleman had received his colonel's commission from Gov. Dunn on last Aug. 22. The bodies of Mr. and Mrs. Coleman were moved from Maxwell Funeral Home at Harriman to Karm Funeral Home at Loudon.

The funeral was a joint service at the funeral home at 2 p.m. Tuesday. Burial in Loudon Memorial Gardens. Mr. and Mrs. Coleman are (Continued On Page 7)

MR. AND MRS. COLEMAN

All But One Incumbent Elected At Lenoir City

Joe Grayson, pharmacist and co-owner of the Lenoir City Rexall Drug Store, has been elected to a second term as mayor of Lenoir City. He was reelected without opposition in yesterday's city election, but received 831 complimentary votes. He was an alderman before first being elected mayor two years ago. Aldermen were also reelected, with one exception. John A. Roberts is a new alderman, defeating Fred Nelson. Roberts got 355 and Nelson 541. Aldermen reelected: Don Kelly, 715; Harry Wampler, 582; Curtis Keener, 682; Tommy McNabb, 655; Nathan Tindler, 578. The vote for others included: Robert C. Weaver, 314; James W. Skidmore, 178; Tom Daffron, 359; Joseph M. Arden, 357. Henry Forster, unopposed recorder-treasurer, reelected, got 780. Jim Cook won over Dr. Donald V. Brown for a two-year school board seat, 601 to 434. Glenn Ellis, incumbent, did not run. Billy Joe Littleton, unopposed for reelection to his six-year school board seat, got 617. The total vote in the election was 1265 and in the past the vote has been up to 1800.

DISCUSS BOMB THREAT—Loudon High School Principal William Napier (second from right) is shown talking with Rescue Squad officer Bill Fox, Sheriff Freeman Russell and City Police Chief John Lennex about the situation at Loudon High School after a phoned bomb threat Tuesday night.

Bomb Reported At Loudon School

A unknown caller making a call from a pay phone in Loudon about 7:10 p.m. Tuesday told a South Central Bell operator that there had been a bomb planted in Loudon High School that was about to go off. As it turned out the call was apparently a prank.

After a search of the building and a discussion with Principal William Napier it was decided not to interrupt the athletic events.

The threat was the first at the school Mr. Napier said. He also said that there had been no problems at the school that he thought would bring on such a threat.

City police were looking for a truck that was seen at the pay phone, located next to Highland Avenue, at about the time the call was made.

GETS GREENBACK AWARDS—Greenback Community Club President James Fox, left, is shown receiving checks from Community Awards Central Committee member Pen Warden, at the East Tennessee Community Improvement Awards program at U.T. last Saturday after it was announced that Greenback had won a first and second place award in their divisions.

Greenback Wins Top Community Awards

Greenback won two awards, including first place in the "A" Division (more than 200 families) in the 19th Annual East Tennessee Community Improvement Contest. Winners were announced Saturday at U.T. where representatives of 16 county clubs from the 15-county area were invited for a luncheon.

Greenback received \$250 for the "A" Division for Community Improvement and \$200 for placing second in Roadside Beautification. Greenback has been one of the top communities in the Awards program for several years. Among those attending from the Greenback area were County Agent Charles McCall, Mr. and Mrs. James Fox, incoming Club President Alexander Gillander and Mrs. Gillander, Mr. and Mrs. R. H. Birds.

The awards were made at a packed noon luncheon in the Plant Sciences Building at U.T. at which Dr. Earl Kellogg of the USDA rural development department made the principal address.

Working together, cooperation and involvement could sum up the year's work of the Greenback Community Club under the leadership of President Jimmy Fox. A practicing attorney in Blount County with offices in Alcoa, Fox resides in the Greenback Community. Community-wide activity has been plentiful during the

DRIVER INJURED LATER—The driver of the tractor-trailer shown here after hitting two parked cars on Mulberry Street in Loudon Friday night was injured when another tractor truck hit him in the street.

Loudon County Herald For and about Women

Hammontree-Hood Vows Pledged

Miss Jewel Hammontree and Robert Hood pledged wedding vows Wednesday, December 6, at 7 p.m. at the home of the bride, Rev. Alexander Gillander officiated at the double ring ceremony. Miss Wanda Hammontree, sister of the bride, presented a program of wedding music.

The bride is the daughter of Mr. and Mrs. Ben Hammontree of Greenback. Mr. Hood is the son of Mr. and Mrs. Sidney Hood, 112 Church St., Maryville.

The bride, given in marriage by her father, wore an empire gown with Alencon lace bodice with mandarin collar, bridal satin skirt and long full sleeves with wide lace on the pointed cuffs. Her cathedral veil of illusion was attached to a lace bandeau and edged with lace to match the bodice. She carried a cascade of white pompons centered with a white orchid arranged on a white Bible. Mrs. Johnny Powell of Maryville was Matron of Honor. She wore a full length gown of red polyester crepe with empire waist and carried a colonial nosegay.

Marion Hood, brother of the groom, served as Best Man.

Following the ceremony, the bride's parents were hosts for a reception at their home. Mrs. Howard Hutton and Mrs. John J. Ingram III assisted in serving.

The bride is a sophomore at the University of Tennessee, majoring in business.

The groom received a degree in Industrial Management from UT and assisted with Jim Robinson Seal Beel Company in Knoxville.

After a short wedding trip, the couple are at home, 304 Sanderson Ave., Alcoa.

LOUDON

Carolyn Parks And Tommy Akins Marry

Miss Carolyn Jane Parks became the bride of Tommy L. Akins on October 28 at the First Baptist Church of Loudon. Rev. D. R. Greenhoe performed the double ring ceremony before an altar of candleabra and greenery with baskets of orchid mums.

The bride is the daughter of Mr. and Mrs. Edward Parks of Loudon. The parents of the groom are Mr. and Mrs. Lester Akins of Sweetwater and the late Irene Akins.

The bride, given in marriage by her father, wore a gown of white satin with venice lace and pearls. Her sleeves were long and full and the A-line skirt included a detachable train. Her mantilla edged with venice lace fell from a Juliet cap. She carried a bouquet of white pom-poms, asters, orchid mums and a white orchid.

Miss Patti Kirkland, cousin of the bride, was Maid of Honor. Mrs. Kenny Parks, sister-in-law of the bride, was Matron of Honor. Bridesmaids

were Miss Jo Ramsey and Miss Rhonda Richardson of Sweetwater. Junior Bridesmaids were Jeannie Parks, sister of the bride and Miss Irene Akins, niece of the groom of Niota. The attendants wore matching long gowns of orchid chiffon over taffeta with a velvet bolero. They carried nosegays of orchid mums, asters, and pom-poms.

Terry Belk served as Best Man. Ushers were Kenneth Akins, brother of the groom, Frankie Tallent, Dennis Phillips of Sweetwater, Kenny Parks, brother of the bride and Raymond Watkins, cousin of the bride of Loudon.

Mrs. Lynn Black kept the bride's book.

Miss Pat Turbyfill presented the organ music with selections of Theme from Love Story, Romeo and Juliet and the Wedding March.

Following the ceremony, a reception was given at the church by the bride's parents. Assisting in serving were Mrs.

Franklin Lynn Gentry, son of Mr. and Mrs. V. L. Gentry of Vonnore, will celebrate his third birthday December 26. He is the grandson of Ora Mae Godsey of Loudon, Bill Godsey of Knoxville, and the late Mr. and Mrs. Loyd Gentry of Vonnore. Great-grandparents are Ruth and Henry Godsey of Johnson City and Irene Russell of Loudon.

Robert Mark Wade will celebrate his first birthday December 27. He is the son of Mr. and Mrs. Nick Wade of Athens. Grandparents are Mrs. Ora Mae Godsey of Loudon and Mr. and Mrs. Ola Wade of Athens. Great-grandmother is Mrs. Irene Russell of Loudon.

McCown-Jones Vows Exchanged Nov. 24

Miss Debbi Jo McCown became the bride of Wayne Eugene Jones in a double ring ceremony Nov. 24, at 7:30 p.m. at Unity Baptist Church of Marysville. The Rev. Elmer Sharp officiated.

The bride is the daughter of the Rev. and Mrs. Billy Joe McCown of Highland Acres, Marysville. The groom's parents are Mr. and Mrs. Clarence Jones of Americus Rd., Marysville.

Grandparents of the bride are Mr. and Mrs. Ralph McCown of Lenoir City and the late Mrs. W.M. Prooms of Lenoir City. Great-grandmother is Mrs. Joe Wells of Loudon.

Mrs. Bill Thomas, organist, presented selections of "Somewhere My Love," "The Theme from Love Story," "Theme From Romeo and Juliet," "More," and the "Traditional Wedding March."

Mrs. Larry Hunt, vocalist, sang, "If I Give My Heart To You," and the "Wedding Prayer."

The church was decorated with greenery, candelabra and baskets of mums in fall colors.

Given in marriage by her father, the bride wore an ivory empire gown of chery lace styled with pearl trimmed neckline and bishop sleeves. A pearl camelot headpiece held her chapel length veil. She carried a white Bible centered with an orchid surrounded by miniature mums. Her jewelry was gold earrings, a gift of the groom.

Mr. Jones served his son as best man. Groomsmen were Roger McCown, brother of the bride, Jerry Jones, brother of the groom, and Eddie Jones of Daughtersville.

The mother of the bride wore a blue dress of polyester crepe and a white corsage. The groom's mother was attired in blue bordered crepe with a white corsage.

A reception given by the bride's parents was held in the Fellowship Hall of the church. Assisting were Mrs. Ron Tilley, aunt of the bride of Knoxville, Miss Jane Shaver, cousin of the bride of Lenoir City and Miss Carolyn Harper of Lenoir City. Mrs. Lawrence Boyd, sister of the groom, kept the bride's book.

The table was gold overlaid with lace and held a four tier cake. Fall flowers and silver candelabra completed the decorations.

For the wedding trip to Galtsburg, the bride chose a navy blue pantault of polyester crepe.

The bride is a graduate of Everett High School and is a sophomore at Hiwassee College, majoring in secretarial science. She is a member of Phi Theta Kappa sorority and Ginettes.

The groom is a graduate of Porter High School and Knox Area Vocational School, Data Processing. He is employed by Hook Candy Co., of Marysville. The couple live at 1 Foeh Street, Marysville.

Out of town included Mr. and Mrs. Ron Tilley and Jay of Knoxville, Mrs. Joe Wells, Mrs. Lester Dutton, Mrs. Kenneth Dutton and Chris, David Blufford, all of Loudon, Attorney and Mrs. Douglas Dalton, Julie and Brian of Knoxville, Mr. and Mrs. Ralph McCown, Mr. and Mrs. Calvin Shaver, Jane and Van, Mr. and Mrs. Jim Cook and Patty, Mr. and Mrs. A.K. Rainwater, Susan and Michael, Mrs. Bill Harper, Carolyn and Elaine, all of Lenoir City.

MAYFIELD'S Holiday Helpers

ready to serve right from the carton

Let Mayfield's help your holiday entertaining become a "special" occasion. Extend a traditional seasonal welcome with Mayfield's delicious Eggnog. Add a festive look and flavor to your party with ever-popular Mayfield's Peppermint Stick Ice Cream. Good parties begin with Mayfield's French Onion Dip or your own special dip made with Mayfield's Sour Cream. Put Mayfield's in the center of your holiday table... and enjoy the compliments!

Holiday Helpers... at leading grocers everywhere.

BEST WISHES AT Christmas

We're hoping the holiday brings you many joys shared with loved ones. It has been a pleasure to serve you.

VONORE

BUMPER DEEP—A Loudon County patrol car is shown driving through bumper deep water in Philadelphia early Sunday morning after heavy rains sent Sweetwater Creek searing out of its banks and water pouring into several low-lying houses in Philadelphia.

FAMILY RESCUED—Loudon County Rescue Squadmen Brent Davis, Bill Fox and Loudon County Deputy Lucian Kent used Davis' pickup truck to take a Philadelphia family out of their home as flood waters Sunday threatened to enter the house. Philadelphia was the hardest hit area of Loudon County over the weekend when more than four inches of rain fell.

Shopping Tour, Shoot Slated

Some 30 underprivileged children selected from Loudon Elementary School will be guests of the Loudon Jaycees on a shopping trip in Loudon Friday morning.

The occasion will be the annual Christmas Shopping Tour sponsored by the Jaycees.

The children will be given \$7.50 each taken to downtown variety stores where they can buy gifts for themselves or members of their families. Jaycee Jimmy Lindsey is chairman of the project.

The Shopping Tour has been financed through proceeds gained from Turkey Shoots sponsored by the Jaycees. The final Turkey Shoot of the year, sponsored by the club, is scheduled for this Saturday beginning at 8 a. m.

The shoot will be held on U.S. 11 between Loudon Motor Company and Railroad

POOL CONSTRUCTION STARTED—Although now halted by rain construction did start last week on the new Olympic swimming pool in Loudon next to Loudon High School. The \$74,000 pool, part of an overall \$280,000 park development will be ready for use next spring.

MISS MAPLES
Welcome Wagon Hostess Named

Work Starts On Loudon Pool

Loudon City Commission Monday night heard reports on several projects now underway in the city.

City Administrator Gary Hensley said that work is underway on the widening of Carding Machine Road in the city to a 28 foot street. Mr. Hensley said that property owners along the street had all cooperated by giving the additional rights-of-way needed and he publically thanked them for their cooperation.

It was also reported that work had started on the new Salvage. Some 60 turkeys have been won at the earlier shoots. Shots will be \$1 each. Jaycees will furnish shotgun shells for the event which will run until dark. There will be 12 shooters per line with a winner on each line.

olympic size swimming pool in the new city park next to Loudon High School. It was also reported that city crews were working on property improvements at the new city water treatment plant but that work was temporarily halted due to weather conditions.

Mr. Hensley said that a questionnaire had been mailed to residents of Collins Street to get their opinions on parking regulations on the street that city this past summer widened the street and fixed off-street parking areas for all houses on the street that did not have them.

A left turn lane will be added for southbound traffic on the northside of the Grove Street and Mulberry Street intersection it was reported. A center lane for left turn traffic only will be painted. An inside lane will be for thru traffic and right turn. None of the parking along the street from Wheat to Mulberry will be disturbed.

Elzie Bivens, owner of Bivens Body Shop and Wrecker Service, appeared before the City Commission concerning selection of wrecker service by the city. The Commission said that when wrecker service was needed by the City Police Department that they asked the vehicle owners what service to use if they were available. When the decision was to be made by the officer the Commission had instructed them to request distribute the business between all wrecker services operating in the city.

Mr. Hensley reported that a remodeling project was slated to start in the City Hall. He said that interior walls were to be built to provide for separate offices for the City Recorder, City Administrator and Deputy Recorder. At present the City Hall is one large room.

Miss Erlene Maples has just completed a course of training in Knoxville preparing her for the position of Loudon area Welcome Wagon hostess.

Carrying with her the "most famous basket in the world," she will be calling on new families moving into the Loudon area, on families with a new baby or families when an engagement is announced. Welcome Wagon also participates in special events such as golden wedding anniversaries, installation of new civic and governmental officials, visiting dignitaries, and other occasions especially important to the family of the award winner. She will take with her gifts and the good will of Loudon area business firms, and will furnish newcomers with information about local schools, churches and other facilities and such information as drivers license regulations, voting requirements, how to call for help from the police, fire department or ambulance.

Miss Maples, of 600 D Street, is the daughter of Mrs. Volena Maples, owner of Lenoir City School of Beauty. She has for many years been active in community welfare and programs through the Chamber of Commerce, the American Legion Auxiliary, the Heart Fund and Polio Drives. She was Belle of the Smokies Award Winner and Miss Loudon County swimmer in 1967 and in 1968 and in 1970 she was Miss Southland Gator Girl winner in Daytona Beach, Fla. She was listed in "Outstanding Young Women of America" in 1971.

LHS Christmas Concert Tonight

The annual Christmas Concert of the Loudon High School Concert Band will be held at 7:30 p.m. Thursday, Dec. 14 in the school auditorium.

Director Ronnie Kyle said the program will consist of 90 minutes of Christmas music and other selections.

Admission to the concert will be \$1 for adults and 50 cents for students.

Greenback Falls To Lions 75-74 In Four Overtime Marathon

RISEING CHEROKEE—Greenback's high scoring guard Larry Ritchey fired in 25 points and took game overtime as the Cherokees lost a heart breaking 75-74, four overtimes decision to visiting Harrison Chillohwee Lions.

KYKER REBOUNDS—Cherokee center Bill Joe Kyker hauled down 15 rebounds and scored 18 points as he played one of his best varsity basketball games of his career.

TONY PLAYS RUGGED—Tony Linginfelter was like a Trojan on the backboards Tuesday night teaming with teammate Bill Joe Kyker to fight off a tall Harrison Chillohwee five in a four overtime hoop battle.

TWO POINTS HAMMONTREE—Tim Hammonree, fouled out with 32 seconds left in the game Tuesday night but had to watch as the Cherokees were worn down in four overtimes by the Harrison Chillohwee team for their seventh victory of the season against one loss. Hammonree is a tough defensive performer for Greenback.

Cherokees 6-3 After Disappointing Loss

The Greenback Cherokees closed out their basketball play before the Christmas holidays with a night that will be long remembered. The Cherokees won the preliminary contest over the Harrison Chillohwee Lions 56-34 with Mari Beth Hammonree and Kathy Broome teaming for 16 points between them. Miss Hammonree had 28 points for the night and Miss Broome hit a remarkable 11 of 16 shots to hit her season high of 22 markers.

Greenback out rebounded the Lions 36 to 19 with Linda Hall and Sherry Dixon collecting nine and eight respectively. The Cherokees shot an even 50 percent for a season high, making 25 of 50 shots. The Harrison Chillohwee team hit 15 of 49 shots. The Greenback boys enjoyed with victory for the entire ball game but failed to hang on as the Lions tied the game at the close of the fourth quarter on a half court shot by Randy McCarter.

Greenback had a chance to win as they executed a fast break only to miss a crisp shot. A Cherokee was fouled on the rebound but the foul was won by the Lions and the winners. Larry Ritchey led Greenback with 25 points followed by Bill Kyker with 18. Tony Linginfelter had 15 points and Joe Malnor contributed 12 as the Cherokees fell for the third time in nine games. Greenback shot 33.3 percent from the floor on 37 of 110 shots and 31.3 percent of their shots on 31 of 99 field attempts. Greenback lost the rebounding tussle 53 to 47.

Greenback had 13 turnovers in the game while coxing the Lions into making 22. Greenback will return to the hardwood January 4 against the Knoxville Catholic boys.

Greenback had nursed a two to four point lead through the second half but bogged down with 32 seconds to play when Tim Hammonree was lost on foul.

Greenback opened the game with all five starters hitting a field goal as the Lions moved in front 12-10. The Cherokees led at the end of the first and third quarters but found themselves locked in a 35-33 tie at the end of regulation time.

The game went in to overtime with Greenback holding the upper hand in the first two extra stanzas, only to have the Lions battle back to tie the score.

The Cherokees dropped to a five point deficit in the third overtime but a last minute rally and a tip in on a missed foul shot kept the Greenback hopes alive.

Close observation—London's Jane Shubert gets a watchful eye from the referee Friday night as she attempts to launch a field goal for the Lassies in the preliminary game with the Harrison Devils. The Lassies were upset 47-43.

The game went in to overtime with Greenback holding the upper hand in the first two extra stanzas, only to have the Lions battle back to tie the score.

The Cherokees dropped to a five point deficit in the third overtime but a last minute rally and a tip in on a missed foul shot kept the Greenback hopes alive.

The game went in to overtime with Greenback holding the upper hand in the first two extra stanzas, only to have the Lions battle back to tie the score.

The Dragons managed a one point first period lead of 10-13. Lenoir City came back to ease ahead 30-34 at the half. The Panthers with four men hitting for double figures led in the second half in nailing down victory number seven.

Tim Cunningham led the Panthers with 18 points and continues to be one of the area's top clutch performers. Big Jim Harris and Mitch Keebler were equally in true form with 16 points each to give the Panthers a balanced offense from all parts of the floor. Warren Melton added 10

points to insure the Lenoir City play to round out the Panther double figure scorers. The Lenoir City girls were side due to the fact Clinton does not have a varsity girls team.

The Pantherettes will return to action January 2 with the varsity boys in a road trip to McMinn County and the McMinn Cherokees.

Panthers Stop Unbeaten Clinton 69-57

Lenoir City struggled through three quarters play with just a three point lead Tuesday night, but finished strong down the stretch to hand previously unbeaten Clinton a 69-57 defeat. The win gives the Panthers a 7-2 season record to carry into the Christmas holidays.

The Dragons managed a one point first period lead of 10-13. Lenoir City came back to ease ahead 30-34 at the half. The Panthers with four men hitting for double figures led in the second half in nailing down victory number seven.

Panthers Shell Rhea County In Cage Wins

Lenoir City continues to get scoring from its entire team in posting basketball victories. The Panthers latest victim was Rhea County. The Yellowjackets were bounced by the Pantherettes 64-47 and then deflated by the Panther boys 72-47.

Mitch Keebler led the Panthers with 13 points. Doug Williams and Warren Melton contributed 10 points each. Gary Brackett came off the bench to pump in 11 points to have a major role in the win.

The Panthers rode a 22-12 first quarter difference to a uncatchable 45-17 first half lead in coasting to their sixth win of the year.

The Panthers rode a 22-12 first quarter difference to a uncatchable 45-17 first half lead in coasting to their sixth win of the year.

The Pantherettes raced to a one-sided 33-17 first half exhibition and were content to match the Dayton sextet on even scoring in the second two quarters.

The Lenoir City boys ran their record to 4-2 with a 72-47 triumph over the Rhea County five. The win was the second of the season over the Yellow Jackets. The Panthers opened the season with a 85-46 shelling at the LC gym.

Lenoir City got a complete team effort in the game with the entire traveling squad getting into the scoring act.

Greenback Wins

(Continued From Page 1)

The celebration included a parade, games and contests, Little League games, square dance, and a drawing for prizes given by merchants and five Shelton poets.

Beautification projects were another major item. The community club cleared and sowed grass in the Craig's Chapel Cemetery which is adjacent to a little used rural church. The club also developed and beautified a triangle of space just off the main part of town which had been a cattle loading place, planted flowering crab apple trees along roads, sponsored a roadside pickup and the Christmas decorating and lighting contest.

The club gave \$200 to summer recreation at Greenback School and \$150 to the sponsorship for Little League Baseball with plans for increasing the program next summer.

Again this past year Greenback Community Club joined the city of Greenback in sponsoring the Greenback Library which is a branch of the regional system. The club also sponsored a 4-H Club Public Speaking Contest, providing \$25 in prizes, and sponsored a place for and chaperones for weekly Teen Club dances. The club also sponsored one boy to Boys' State.

Main project for the year was establishment of a park and community building, although there was no visible progress on this project, considerable work was done in checking for possible sites.

Better police protection was one of the goals of the club and during the year the city of Greenback purchased a new cruiser to improve patrolling of the area. New homes, industry, remodeling, and encouraging the residents to build a better community were other projects. Sam Forkner was vice president, and Mrs. Lowell Jean Myers was secretary-treasurer and contest chairman.

Card Of Thanks

The family of Floyd "Pez" Johnson gratefully acknowledges the kind expressions of sympathy shown during the illness and death of our loved one. Every gesture was greatly appreciated and shall long be remembered. Elizabeth Johnson and family.

Harriman Sweeps Pair Of Hoop Victories From Reds

On a rainy, foggy, wintery night Loudon played host to the Harriman Blue Devils in basketball. The blamy weather must have had its relaxed effects on the Redskins as they stumbled to both the Harriman girls team in an upset and to the unbeaten Blue Devils boys team.

The Blue Devilettes won the preliminary distaff battle 47-45 in an upset. The Roane Lassies squeaked out an 8 to 5 first quarter advantage, but Loudon wrestled the lead away in the second canto for a 22-21 halftime difference. Loudon won the third quarter 9 to 8 for a 31-29 lead going into the final seven minutes of action.

Harriman took advantage of numerous Loudon turnovers to knot the score at 39-39 with 2:50 left in the game. The Lassies swapped baskets before Harriman took a 45-43

OBITUARIES

MRS. ALBERT MOORE

Mrs. Albert (Goldie) Moore, age 70, of Route 1, Loudon, died Monday, December 11, in a Knoxville hospital.

Survivors include: husband, Albert J. Moore; daughters, Mrs. Frank (Dorothy) Lynn, Mrs. Edith Lemmons, all of Loudon; Mrs. Emma Lee Lambert, Lenoir City; four sons, James Lynn, Lenoir City, Gordon of Loudon, Kenneth, of Philadelphia, Jack, of Loudon; one brother, Frank Sitzer, Kingston; one sister, Mrs. Charles (Bonnie) Morgan, Fort Pierce, Fla.; 13 grandchildren; 11 great-grandchildren; nieces and nephews.

Funeral services were held Wednesday at Karnes Funeral Home Chapel, Interment, Prospect Cemetery, Karnes Funeral Home, Loudon, in charge.

MRS. DAISY JONES

Mrs. Daisy Mae Jones, age 59, died Monday, December 11, at Loudon County Memorial Hospital. She was formerly of Santa Rosa, Calif.

Survivors include: husband, James T. Jones; one daughter, Miss Anna Mae Jones, at home; half brother, James Wallace.

Funeral services were held Thursday at Hawkins Chapel-Entombment in Lakeview Mausoleum. Rev. Frank Weaver officiated. Hawkins, Lenoir City, in charge.

The Herald SPORTS

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting

HEAVY TRAFFIC—Loudon's Mike Messamore (52) runs into heavy traffic under the Redskins basketball game with Harriman Friday night. The 6'5" senior registered 16 points despite the extra attention and crowded conditions under the basket.

upper hand with 13 rebounds to play. Marilyn Smith tied the game at 42-45 with a driving lay-up and only two seconds was left for Harriman to get off a shot. The Devilettes threw the ball in at half court and a desperation 40-foot heave by a Harriman forward banked off the backboard and through the cords of the net for the margin of victory.

Both teams hit 16 field goals for the game with Loudon taking four more shots from the field for a 36 per cent showing. Harriman hit 16 of 40 shots for an even 40 percent. The Lassies had all three starters in double figures, but were never able to serve up the "knock-out" punch as Harriman battled for the victory from the opening tip. Debbie Hawkins led the Lassie shooting with 14 points. Marilyn Smith and Jane

CANSER SHOOT—Loudon's high scoring center William Cansler fires up a 15 foot jump shot from the side of the foul lane as the Redskins hit a warm 49 percent of their first half shots in throwing a first half scare into the undefeated Harriman Blue Devils.

tremendous defensive effort in holding Harriman to their lowest point total of the season but dropped the affair 56-48. The Blue Devils, 9-0 for the season and shooting a hot 58 percent per game as an overall team, had difficulty in the first half as Loudon took advantage of the 1-3-1 trap zone used by the Harriman five to get Mike Messamore open for easy baskets. Loudon jumped to a 14-10 first quarter lead and matched the Blue Devils even through the second period.

Loudon held a 28-25 halftime lead on 46 per cent shooting accuracy. Harriman was able to hit just 40 per cent of their shots from the field.

The second half was a reverse of the first half with Harriman tying the score at the end of three quarters to all the stage for the pressure pack final period wrap-up.

The Blue Devils finally ran up a 48-42 lead with three minutes left in the game. Loudon tried desperately to regain their poise and fight back. The Redskins got four shots to none for Harriman in the last two minutes of play with Harriman missing three chances at the foul line.

The Blue Devils were able to get their eye on the basket in the last 50 seconds and the Loudon boys had to settle for a great effort but a disappointing loss.

Loudon fell to a 31 percent team shooting performance in the second half while Harriman hit on 39 of 81 shots for an improved 48 percent.

For the game Loudon hit 22 of 56 field goals for a 39 percent accuracy, 21 percentage points less than their showings in eight games previous to Friday night.

Harriman made up for their floor game with 14 of 21 foul shots. Loudon managed to get only four points from the charity stripe on four of seven tries.

The backboard play was dominated by Loudon with 37 to 28 advantage.

Mike Messamore led Loudon's play with 16 points on eight of 16 shots and 13 rebounds.

William Cansler and Bill Collins had 10 points and 11

GLORIA'S BACK IN STYLE—The Loudon defense is beginning to look like the unit it was billed as in preseason reviews Tuesday night as Gloria Brown returned as a starter for the first time this season.

Alcoa Boys, Loudon Girls Get Wins

The Loudon girls returned to the poor distaff showing with an impressive 58-35 district win over Alcoa. The Lassies hit a season high 47 percent of their field goal attempts, in ringing up their fifth triumph of the year.

Marilyn Smith paced the Loudon sextet with 25 points, but got plenty of scoring help from teammates Jane Shubert and Debbie Hawkins. Miss Hawkins had 16 counters and Shubert totaled 13 to give the Lassies 61 of their top offensive games this season.

Gloria Brown made her first start of the season, having been out the first three weeks of the season with a dislocated finger. Her intimidating presence was soon known as she blocked five shots, intercepted three passes, grabbed six rebounds and had several deflections in setting the defensive tempo. The 25 points was the lowest offensive total the Loudon sextet has held their opponent this year. The Turnadettes hit a cool 26.4 percent of their shots.

Miss Smith had one of her top shooting nights in a while by burning the nets on 12 of 16 attempts from the floor.

points respectively for the game. Cansler shared rebounding play with Messamore pulling down 17.

The double setback left both Loudon teams with a 4-4 season record.

five 23-25 down the stretch and sent the Redskins down to their second straight loss.

Mike Messamore and William Cansler led the Loudon performance with 17 points each. Both were instrumental in the Loudon rebounding game with 10 and 17 respectively.

Loudon had 30 turnovers in the game.

Alcoa got most of their scoring from the outside with a 28 for 62 exhibition.

Loudon hit 18 of 53 shots from the field but added 17 foul shots to their total to only nine for Alcoa.

The Redskins will host Everett this Friday night in the home hoop game in the county.

UT Is Championship Victim

Hiwassee College Winner Of First Lenoir City Rotary Classic

Morgan Is Named MVP

LITTLE TIGERS CLAW BIG ORANGE—The undersized Hiwassee Tigers avenged an early season loss to the University of Tennessee Junior Varsity Saturday night by out-hustling the Baby Vols in all departments to capture the Lenoir City Rotary Tournament Championship.

TIGER STAR IS MVP—Dr. Walter Shea, Director of the Rotary Basketball Classic, proudly presents the tournament's Most Valuable Player trophy to former Friendsville performer and Hiwassee freshman standout Johnny Morgan. Head Coach Donnie Jenkins, attempting to hold back a "Victory Smile", looks on approvingly.

NOW HEAR THIS—Hiwassee head basketball coach Donnie Jenkins, former Lenoir City and Hiwassee Tiger hoop star, is caught in a busy timeout discussion with his team in the Lenoir City Rotary Classic this past weekend.

WE'RE NUMBER ONE—A proud and deserving Hiwassee College basketball team received top honors in the first annual Lenoir City Rotary Basketball Classic Saturday night. The Tigers handed the University of Tennessee Junior Varsity an 82-70 defeat for the championship.

Hiwassee Fights Off Roane State In Tourney Opener

Tennessee's junior varsity and Hiwassee College reached the finals of the Rotary Classic junior college basketball tournament Friday night.

The Baby Vols beat Cleveland State, 75-57, and the Tigers turned back Roane State, 84-77. The two winners clashed Saturday night at 7 p.m. for the title, following a 7 p.m. preliminary between first round losers.

Forward Terry Ripka of Granite City, Ill., set the UT scoring pace with 25 points. John Dye and Mike Wooten had 12 each, with seven-foot Bob Bryskis adding 10. Ripka also had 15 rebounds. Rick Goree (11) and Henry Huston (10) sparked Cleveland State.

Hiwassee got 19 points from Johnny Morgan, 18 from Mike Borum and 14 from Mark Begley as the Tigers rallied

Loudon's Jackie Lefler Aids 91-78 Sewanee Victory

Bill Kosick, a 7-foot junior from Illinois, poured in 41 and a per cent of his free throws. Alabama made 34 of 73 attempts from the field for 44 per cent and 10 of 14 from the line for 71 per cent.

It was Sewanee's third victory in five outings, with only Tulane and Mississippi State boasting victories over the Tigers. The defeat left the Huntsville outfit with a 1-7 record.

With Kosick's heroics paving the way, Sewanee jumped to a commanding 45-30 advantage at intermission and it was never closer after that.

Eddie Greene added 18 points for the Tigers, while Eddie Krenson contributed 15. Larry Eaks paced Huntsville with 26 points, followed by Buddy Ballinger with 12.

Tigers Roll Past Baby Vols 82-70

Hiwassee, getting double-figure scoring from five players, lagged an 82-70 defeat on Tennessee's junior varsity for the Rotary Invitational basketball tournament this Saturday night.

Altoning for an earlier setback at the hands of the Vols in Knoxville, Hiwassee got a 20-point effort from Johnny Morgan, who was named most valuable player.

Hiwassee grabbed a 25-30 halftime edge and built the margin to 18 points (66-48) with 7:30 to play. UT scrambled back and got within eight at one time.

Bob Bryskis, 7-foot UT center, capped individual point honors by dropping in 25.

The defeat was the first for the Vols in three starts. The champion Tigers are 6-2.

Game and Fish TODAY

HUNTING AND FISHING REPORT
Fishermen are missing some of the best fishing of the year by not fishing now.

CHEROKEE LAKE
Water conditions are good. Bass - several bass are still being taken on plastic worms and lousers; bass fishing is extremely good on John Sevier Lake. Several limits are being taken on Humpback reba's, lousers and hellheaders. Rockfish and hybrids - good from John Sevier. Steam Plant down stream to Robertson Creek on large brook trout. Crappie good 12 to 15" deep around brush piles.

NOBLES LAKE
Water conditions - murky medium-running lures and still fishing with minnow.

FT. LOUDON LAKE
Water conditions - low and muddy on upper end and clear on lower end. Fishing very poor on upper end but from Concert down to Loudoun Dam, bass real good on humpback reba's. Other species poor.

WATTS BAR LAKE
Water conditions - murky and fluctuating. A few bass and crappie being taken on jigs, minnows, deep. No other activity.

MELTON HILL LAKE
Water conditions - muddy on upper end - clear on lower end. Fishing activity slow. Some bass and crappie being taken on minnows and jigs. Other species slow.

CHILHOWEE LAKE
Water conditions - clear and fluctuating. Fishing activity - slow. Some bass being taken deep on lizards. Trout fishing is good on worms and corn, deep.

LITTLE TENNESSEE RIVER
Trout - good on spinners and corn.

HUNTING REPORT
Squirrel hunting continues to be extra good, especially with a dog. Rabbit hunting is good with beagles. Rabbits seem to be bedding down more in woods in open fields. Quail hunting continues to be real

Cherokees Second Half Rally Beats TSD 52-49

Greenback ran its season record to 6-2 Friday night with a come-from-behind triumph over a pesky Tennessee School for the Deaf group of hoopers 52-49.

Greenback trailed by as much as 11 points at one juncture of the contest and was behind 32-20 at the half.

The Cherokees rallied behind the rebounding and defensive play of 6'7" Tony Linginfetter to overtake the Vikings in the fourth stanza and edge past the Knoxville school in the last three minutes of the game.

Larry Ritchey was the only Cherokee to hit in double figures for the night with 18 points. Greenback nevertheless got a balanced team effort from Bill Joe Kyker, Joe Minor, Linginfetter, Jeff

LETTERS TO THE EDITOR

Louder. Please permit us to add our words of respect to those already written or spoken.

Vaughn Browder was indeed a man for all seasons. He could walk with the mighty, but mingle with the most humble with pride and dignity. While he suffered much physical pain, his smile was as radiant as the early morning sunshine of a Spring day and his disposition as

soothing and as pleasant as the laughter of a young girl enjoying life's unfolding wonders. He was at his best in his attitudes and dealings with those less fortunate. He never forgot those who needed help and the kindness of a word, and in the dark and dreary

hours when many were asleep, he and Lillian were ministering to those needing assistance and to those in trouble. The hams and the goodies he and Lillian delivered at many Christmas times can be counted in the hundreds. When thanks came his way, he said it was his

privilege. And he was never too busy to visit the sick and the shut-in. There may be some who might have heard some slighting remark on his part, but few, in any, ever heard Vaughn Browder say an unkind word about any fellow being. That is the more

remarkable when it is realized he suffered in a way that would have stifled the spirit of a lesser man. He was a kind, gentle man and a thoughtful friend. His character was strong, his goodness far-reaching. He will be missed by young and old, rich and poor. His life was

constructive, and he was forever proud of the services he rendered his country in wartime. He will be long remembered, and we're sure the good Lord took a liking to him many, many years ago. Sincerely,
Mr. and Mrs. G. O. Robinson

143 Cars Per 100 Families Here

Residents of Loudon County have gone in for automobile buying in a big way in the last few years, a national survey shows.

As a result, the number of cars on local roads—already large—is growing larger.

The increase is attributed chiefly to the income gains recorded by most families in the area. It has brought bigger and better cars within reach of more people. It has also increased the proportion of families owning two or more cars.

As a result, the family car has been having a greater impact than usual on the local economy. A sizeable part of the household budget is allocated for its purchase and maintenance.

The figures show that the amount spent by car owners in the past year in local service stations alone, for gas, oil, repairs and incidentals added up to \$4,960,000. By way of comparison, five years ago it was \$3,972,000.

The findings regarding automobile ownership and operating costs are from reports covering the entire country, released by the Automobile Manufacturers Association, the Standard Rate and Data Service and others.

In Loudon County, it is shown, there were 143 cars in use at the beginning of this year per 100 households, a relatively high ratio.

It is accounted for, principally, by the fact that local residents, bolstered by their rising incomes, have been in the automobile market in force in the last two years.

And many of them have been keeping their old cars, either for their own use or for their teen-age children, rather than trading them in.

The result is that a greater

number of local driveways are sporting two cars these days.

All in all, automobile registrations in the county have increased from the 9,500 listed five years ago to the 11,320 currently reported.

It was equivalent to a net rise of 19 percent, after allowing for the number of cars that were scrapped.

Elsewhere in the United

States, there was a 18 percent rise and, in the East South Central States, 15 percent.

Much of the increase in car ownership is attributed to the progressive movement of families from heavily-populated urban areas to the suburbs, where the automobile is the basic means of transportation.

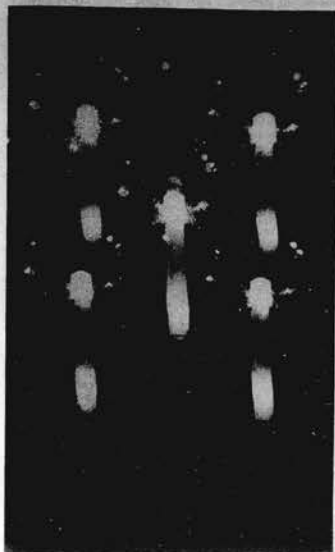

PHOTO ILLUSION—This picture of ONE Christmas Candle, one of many over the streets in Loudon was captured with the use of a multiple exposure lens by Herald Editor Larry Cate. Looking like five candles in a group, it is actually only one, taken by natural light using a 1/4 exposure with Tri-X film in an Electra-35 camera.

FINISHING TOUCH—A Loudon Utilities employee is shown placing the Christmas Star atop the City of Loudon Christmas Tree in the Fountain Square in Loudon last week. The Utilities last week completed placing lighted street decorations in the city and erecting the town Christmas Tree.

LOUDON MAN HURT—James A. Alexander of Loudon was seriously injured last Thursday night when his car went out of control and plowed through 200 feet of undergrowth and trees off U.S. 11 on Broadford Hill. The car, shown above, was demolished by the accident. A passing truck driver reported seeing the car leave the highway. It took county deputies several minutes to find the car, almost buried in the undergrowth about 20 feet below the highway. The injured man was taken to a Knoxville Hospital by the Loudon County Ambulance Service.

Magnavox Gift Values for a merrier Christmas

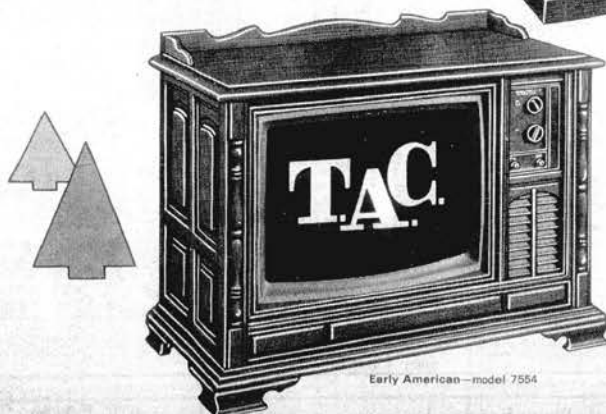

Total Automatic Color Television gives you more!
Great 25" diagonal viewing ... Great convenience!

With T.A.C. you'll always get a color-right, perfectly tuned picture—with natural flesh tones—on every channel, every time ... automatically! Your County In Action

By Harvey L. Sproul

LOUDON COUNTY JUDGE

Many people who have never served on the County Grand Jury do not understand exactly how they operate. However, every three months the Loudon County Criminal Court, with the Honorable Lloyd G. McChes as Judge...
It should be noted that a Grand Jury is different each time and has different people serving on it each three months...
The Grand Jury has other powers and jurisdiction which includes looking into any kind of crime or corruption that might be going on in a County, and to bring indictments on those situations where crimes have been committed.
In addition, the Grand Jury

is charged with the duty of inspecting County buildings to determine whether or not they are being properly kept, and whether or not the law is being kept in regard to this.
Most everyone knows that the Loudon County Jail, for an example, has been an object of some dispute and controversy for several years, with particular view toward the Grand Jury that met in the September term of 1965.
Because several Grand Juries preceding them had strongly criticized the Loudon County Jail, and urged the county to do something to bring the facilities to the point that the Jail could be kept safe, clean and sanitary, and would separate women, children, and male prisoners, this Grand Jury went to a pretty serious case by indicting the County Judge and the Quarterly Court members (which were 14 at that time).
A part of the order of the then Loudon County Judge was to close the Loudon County Jail, and Loudon County had to use other County jails for its prisoners.
A new Criminal Judge, County Judge and a new Quarterly Court (most of whom were also members of the retiring Quarterly Court) was elected in August, 1966, and with hard work and good intentions, an agreement was reached with the Criminal Judge to reopen the Jail for male prisoners, with the provision and condition that the Quarterly Court would provide a renovated or new jail that would be safe, secure, and meet the requirements of the law.
Now, this is December, 1972,

and the jail is essentially the same jail that was condemned in 1965, and for various reasons a new jail has not been built as yet.
One reason is that it costs quite a bit of money to build a building these days, and we have been attempting to get a Federal grant as assistance, together with attempting to determine what the new views and directing concerning criminal justice and corrections will be, so as to more wisely spend the taxpayers' money.
In the meantime, the use of the jail has changed somewhat, and we find it rare if there are more than 6 or 8 prisoners in the jail at any one time, and on frequent occasions there may be only 1, 2, or 3 prisoners. This is a dramatic change from the days of 20 and 25 prisoners per night.
The reason for this is that more people are able to get out on bail, and the Cities and County are not arresting drunks as they did in the past, and other things; but the fact is that a small County is going out of the jail business, another reason being that the Sheriff and officers are not on the fee system any more where they get paid on the basis of how many arrests they make.
Nevertheless, the requirements of law are still there, and the Grand Jury is beginning to become very strong in their reports concerning the jail, and possibly rightfully so, inasmuch as because of various reasons a new jail has not yet been built.
There have been derogatory or critical statements made by the Grand Juries at the May 1969, January 1970, May 1970, September 1970, May 1971, September 1971, January 1972, May 1972, and September 1972, terms.
An example of a report is as follows:
"We, the Grand Jury of Loudon County, Tennessee, feel that the law is being violated in that Loudon County is not providing safe, adequate quarters for its own prisoners

\$500,000 Grant Approved For Tri County Project

A \$1.5-million water treatment and distribution facility which will serve Madisonville, the Highway 411 corridor, Vonore, and Greenback initially, and other areas including the proposed Town of Timberlake, ultimately, was virtually assured this week by approval of a \$500,000 HUD grant to Monroe County.
Glen Ivens, a member of the Tellico Area Services System, a joint organization of the Monroe and Loudon County Public Works Boards, said TASS has been assured that a \$500,000 grant to Loudon County will be approved at the start of the next fiscal year.
In addition, TVA has agreed to finance \$75,000 of the engineering cost of the project. TVA could conceivably provide additional funds, depending on the future of the Tellico Dam on the Little Tennessee River.
Ivens said the water treatment plant will be constructed on the river bank near the Port Loudon Motel on land formerly owned by Ben Clark. He said treated water will be provided to the towns which buy it by pipe lines. Madisonville, for instance, will close down its antiquated water treatment plant which is located in a swamp between the Tellico Rd and Highway 411 S, and construct a pipe line to Woodridge Store where it will join with a TASS line. Madisonville and the other municipalities will be able to purchase water from TASS at a price lower than they can treat it themselves, TASS officials said.
The project approved this week by the U.S. Department of Housing and Urban Development is \$1,111,000 with 90 percent grant funding.
The system will treat 1.25 million gallons daily and ultimately will serve 200,000 people.
The project approved this week by the U.S. Department of Housing and Urban Development is \$1,111,000 with 90 percent grant funding.

Singing Sunday

The Loudon County Singing Convention will meet at 1:45 p.m., Sunday, December 17, at Nelson Street Baptist Church in Loudon City. The annual business meeting will be held for the installation of new officers for 1973. President, Taylor Knox, extends a cordial invitation to everyone.

is living in Indiana. We believe we are correct on this. Others in the family also played various instruments. The others we know in the picture are Rev. Don Nelms, Rev. Jones and his daughter, and J.B. Crisp. There are others whose faces are familiar but we can't recall their names.

We have two more pictures this week. One of them is of Frankie Gilland Sutton. The picture was made in 1917. She is the daughter of the late Curtis Gilland, who resided on Main Street, Loudon, for many years.

Our other picture is one made at Easter time at the home of Slick Howard on Steeple Street, Loudon. The other man is a Robinson. We are not sure who the children are. Possibly some are Mr. Robinson's or some of Slick's

grandchildren. We are sure everyone remembers Slick. He had brothers named Timp and Dadee. I believe Timp is deceased now but Dadee was living in Knoxville the last we heard of him.

With Christmas time upon us and to look at all the thousands of toys, it makes us wonder what ever happened to the much prized Coaster Wagon, which used to be a best seller for Christmas. Most of the boys I grew up with would have been very happy to have one. It has been a long time since I have seen a group of boys riding down a hill in a wagon. It used to be a lot of fun and I know a lot of guys who would agree.

Maybe coaster wagons and mama dolls are just a bit on the old fashioned side. It makes one wonder what they will come up with next year. Oh well, so much for my Christmas comments.

We requested info on the Greenback depot. Well, at the time of this writing we have received word from a Mr. Phipps, whom we have not had time to call yet but am looking forward to talking to him as soon as possible.

We have lost track of many who stated they had pictures for us. If you are one of those

who have mentioned this to us, please it. Well, that's it for now. See you next week.

town of Loudon. As best I can recall, all of this family was talented in the music field. We used to play music with Mrs. Jett's son, Junior, who now has some records pressed and

During this time of year we usually try to come up with a picture related to the season and our readers through the years have been most helpful in supplying us with pictures depicting the yule season or a winter scene.

About two or three years ago, we ran a picture of a

group gathered at the only radio station in Loudon County at that time to sing the carols of Christmas time. Well, we have another picture of this group at the same location but possibly at a different year. Some of those in this picture which were most like from the Blairland Baptist Church are:

The lady seated at the piano is the late Mrs. Jett, who was a gifted musician and very well liked lady of a few years back in our

Joy to the world! The Lord is come!

*How great was the rejoicing of
the Wise Men who followed the
Star of Bethlehem to find the
Christ Child. That joy is ours
at Christmas, as we again dis-
cover the Holy Infant, asleep
in His mother's arms. May all
the world share in this blessing!*

*A Merry Christmas To All From

Loudon County

Four Land Cases Settled By Jury

Four land condemnation lawsuits involving property in Hotchkiss Valley taken for the construction of Interstate 75 have been tried in Circuit Court in Loudon in the last two weeks.

For 2.77 acres taken from the James C. Eblen farm the jury awarded \$2,700 and \$200 in damages for a total of \$3,060.

Frank West and Eva West were awarded \$9,450 for 16.41 acres of land taken for the highway and an additional \$3600 in damages.

Guy Crawford was awarded

\$17,500 for 34.57 acres of land and received \$7,000 in damages.

The largest award was given to J.R. Alexander and Earl Alexander. In that case \$22,575 was paid for 26.78 acres. Damages awarded was \$5,000.

After a two day trial last week a jury deliberated only 10 minutes before returning a verdict in favor of Dr. W.B. Harrison. A suit for \$246,888 against Dr. Harrison and Charles H. Bacon Hospital had been brought by Bobby H. Campbell for malpractice.

Stafford Elected State House Minority Whip

M. F. (Benny) Stafford, State Representative from Loudon and Blount Counties, has been named the third ranking Republican member in the State House of Representatives.

He was elected Minority Whip in a Republican House Caucus in Nashville on Saturday recently.

Other House party leaders are Rep. Tom Jensen of Knoxville, Minority Leader and James Elkins of Anderson County, Caucus Chairman.

Stafford, asked about the position this week, said he was especially pleased to be elected to the leadership post, especially since he is only a

second term member of the State Legislature.

In his duties, he said, will be to maintain communications among all Republican members of the House while the Legislature is in session. All information and requests from the Governor's office to the House Republicans will be channeled through him.

The post gets its name, Rep. Stafford said, from the old days of politics when the job was to keep party members whipped into line.

County Revenue Check Higher Than Expected

Loudon County may receive about \$20,000 more than expected in Federal Revenue Sharing if the first payment represents half the amount the county is to receive. County Judge Harvey Sprout said that first check received this week, supposedly for the first six months of this fiscal year was \$91,474.

Judge Sprout said that according to his understanding of the plan of the Department of the Treasury was that the amount received in the first checks was for half the amount the county would be entitled to for the calendar year of 1972.

County Revenue Check Higher Than Expected

The men allegedly beat and stomped the boy after entering Roane County, in the Fourth District, dumping him in a secluded area.

The injured boy knocked on the door of a resident in the area about 8 p.m. Wednesday and Roane County Court Clerk Jim Easter, who lives in the general vicinity, was called by Myrtle Ward.

Easter said he found the boy

Loudon Man Suspected Of Attempted Murder, Kidnapping And Rape

A Loudon man is one of three suspected in the alleged rape of a Canadian girl and the beating of her boyfriend after giving them a ride that took them through Monroe, Loudon, Roane and McMinn Counties. Charged with rape, kidnapping, and attempted murder is Carl Ody reportedly of Loudon. Ody was arrested in Monroe County late Tuesday afternoon.

Earlier another man, Alfred Lance was arrested by Monroe County officers after the alleged rape of the girl occurred in McMinn County.

Ody was arrested in Monroe County on a Breaking and Entering warrant. The assault with intent to commit murder, rape, and kidnapping warrants are being held by Roane County. It is also understood that McMinn County is holding warrants for the trio, including Ody in the case.

Ody was described as in his early 30's, with long hair and mustache.

A young man who formerly attended Maryville College, John Snow, and the girl were reported to be hitchhiking from Florida to Canada when the three men gave them a ride in the vicinity of Sweetwater.

The girl was allegedly taken to a McMinn County motel and raped before she was released. She contacted the sheriff's department there, and was admitted for treatment at a hospital.

Easter told the reporters the boy was dumped in an area about one mile from the Loudon County line, inside Roane County. He said the area was desolate, and he walked probably 3/4 of a mile before finding a house where someone lived.

It is reported the men who picked up the couple at Sweetwater stopped at a tavern between there and Loudon. The bartender, according to information, apparently knew the men and he was called by the name of Mike, the boy said.

The men then apparently continued their travel to Loudon, and then turned on to Highway 72 which is a route into Roane County and the Paint Rock community of the Loudon County.

The driver apparently went off Highway 72 on to a dirt road which led into the desolate area of the Fourth District.

The boy reportedly had lived in Ohio with his family before they moved to Canada. The girl's name was withheld by officers.

Officers in McMinn County said the other two men were believed with Lance at a time of his apprehension, but escaped. Search for the two is continuing.

Officers in McMinn County said the other two men were believed with Lance at a time of his apprehension, but escaped. Search for the two is continuing.

WINTER IS HERE—The Fountain at Loudon indicates the temperature in Loudon Sunday morning as ice covers the fountain and shrubs around it. Temperatures on back porch thermometers showed the mercury as low as 10 degrees, as winter makes its first real impression in Loudon County.

Holidays To Delay Two Herald Issues

With Christmas and New Years Day coming on Monday the next two issues of the Herald will be published one day late, editor Larry Cate said this week.

The final issue of 1972 will be distributed on Thursday, Dec. 28, about 24 hours later than usual. The first paper in 1973, will be distributed on Thursday, Jan. 4. Editor Cate said every attempt will be made to get the paper in the mail for Thursday delivery.

Jaycees Take 31 Christmas Shopping

CHRISTMAS SHOPPING TOUR—As the photos above show, 31 underprivileged children from Loudon were taken on a Christmas Shopping Tour by the Loudon Jaycees last Thursday. The Jaycees used \$232.50 of the proceeds from three Turkey Shoots to pay for the shopping spree for the youngsters. In the top photo Jaycee Jimmy Lindsey is assisted by National Guardsmen Jackie Mays and Bill Frank Keyton and in the lower photo Jaycee Larry Stogner is shown as some of the children check out their merchandise. Following the shopping the children were presented Christmas Stockings filled with candy and fruit from the Loudon Jaycees. Before returning to classes at Loudon Elementary School they were treated to a root beer courtesy of Coles A & W.

Deadline for advertising in both issues will be on Tuesday of the publications week. News deadline will be 10 a.m. Wednesday of each week. All news correspondents are asked to have their news into the Herald office by 5 p.m. Tuesday.

GOING AWAY COFFEE—A coffee was held at the courthouse last week for Don McMurray, Lenoir City attorney, who with his family is leaving Loudon County to reside in Virginia. Here Mr. McMurray is cutting a cake to serve for those attending the event. The coffee was sponsored by Property Assessor Emmett Carter and courthouse clerks Agnes Williams and Addie Ruth Clarke and was attended by most courthouse officials, clerks and many others.

Co. May Have To Return Taxes

Loudon County will have to repay almost \$200,000 to the Southern railroads if lawsuits the two firms have filed prevail.

The actual total is \$190,560.11 which the railroads say is money they paid in property taxes as a result of unfair assessments.

The railroads paid the taxes under protest for tax years 1967 through 1971. At the same time they also filed lawsuits claiming they were assessed at too high a rate. The lawsuits were allowed to lie dormant, however, with no effort to pursue them.

The claimed discrepancy comes about because of local assessments which were at a 15 percent level in 1967, gradually increasing to 46 percent of appraisal in 1971. At the same time, the railroads say, their property was assessed at 50 percent of appraised value.

That was the arrangement

approved by a 1967 act of the State Legislature. The law provided that by 1973, all property, both utility and private, would be assessed at 50 percent of value.

This plan was upset, however, by the adoption by the voters last summer of a Constitutional amendment, popularly known as "Question 3," which provides for classification of property for tax purposes, with utilities paying at the highest rate.

After the amendment was adopted, the railroads proceeded to prosecute their lawsuits which had been lying silent since their filing.

A letter from the State Attorney General's office offers no hope of successfully opposing the railroads' claim. Deputy Attorney General Milton R. Rice said in a letter to the County Judges of the counties involved that in his opinion there is "no defense" to the railroads' lawsuits.

In a meeting of County Judges in Nashville last week however, the general attitude was to fight the claim.

County Judge Harvey Sprout, who attended the meeting, said a committee was appointed to give further study to the legal aspects of the problem and to determine whether a reasonable defense could be mounted.

One of the possibilities, Judge Sprout reported, is that, for example, the 1964 Supreme Court decision which held segregation of schools to be unconstitutional, did not require immediate integration of all school facilities. It was declared to be public policy to allow time for gradual correction of inequities.

Two Arrested After Forged Check Spree

Two men, one a fugitive from Georgia, were arrested here Friday for uttering and passing forged checks.

Deputy Sheriff Kenneth Brown said the two men had a check writer in their possession and had passed or attempted to pass between \$600 and \$700 in forged checks. The two were identified as

Marvin Allen, wanted in charges Allen is being held in lieu of \$12,000 bond and Mantooth \$3500 bond. The pair are charged with

writing checks using the signatures of Arthur Wilkerson, owner of WLLI radio station and contractor Bud Wilburn. Deputy Brown said that the check writing spree went on Thursday and Friday of last week before they were arrested late Friday afternoon.

DECEMBER 21 1972

Loudon County Herald For and about Women

Personal Mention

By Mrs. Clara Lumbard
458-2681

CONGRATULATIO Livestock Associa producer who has purposes of the certificate to Clare

Livestock Association Meets

by Charles F. McCall, Extension Leader

The Loudon County Livestock Association members were held at their Annual Meeting Friday evening at an increase in the weight of calves was money in their pockets. Robert Sliger, Extension Leader in Monroe County, said "that this could be done if members were to make this their goal. How to get the job done depends upon four or five things. First livestock farmers must have cows with the ability to produce plenty of milk for their calves. In order to do their job well the farmer must provide adequate pasture. Some of the producers have been complaining about their calves being graded compact. In order to solve this problem Sliger said we must get some bulls with bone and length with growth rate of at least two pounds per day. To do otherwise you are only fooling yourself. A definite breeding season was another way Sliger stated that producers can increase weight per calf or average weight. A healthy calf will outweigh an unhealthy calf. This means control of internal and external parasites.

Some of the members were

doing one or more of the things Sliger mentioned. If we are to make money producing feeder calves in the future it's a must that producers work at all these things.

The member that came closest to carrying out the purposes of the Loudon County Livestock Association was Clarence Bettis, local feeder calf producer in the Prospect Community. Also a certificate of merit was presented to the late F.V. Browder in emmory of his interest in the association and its programs. Mr. Browder worked for the advancement, improvement and promotion of the Loudon County Livestock Association. Also, a certificate was presented to Joe Houston for his help in livestock marketing and promotion.

Robert Wilson, President of the Tennessee Livestock Association, expressed his gratitude on behalf of the State Association for the interest people in Loudon County were showing by their county activities. He also told the group that the Annual Meeting of the Tennessee Livestock Association would be held in Knoxville on February 6 and 7, 1973 and urged everyone to make their plans to attend. Broady Harrison, Chairman of the

Additional SS Benefits Cost Residents \$800,000

Residents of Loudon County will soon have to pay the price for the increases in social security benefits that were voted this year.

Beginning on January 1st, local wage earners and their employers will be hit with an increase in payroll taxes to finance the 20 percent hike in pension checks that went into effect in September and the added benefits provided for widows, disabled persons and

others.

Working people who are covered by social security will begin paying at the rate of 5.85 percent on the first \$10,800 of earnings. Matching contributions will be made by their employers.

The new rate represents a rise over the 5.2 percent on the first \$9,000 which they are now paying.

As a result, a person in the local area who earns \$18,000 or

more will be paying \$631.80 next year instead of the current \$468.

The self-employed locally will be paying a maximum of \$664, as against \$675 at present.

What it amounts to, for a resident of Loudon County, is an overall increase of approximately \$800,000 over the total paid by workers and employers in 1972.

The figures are based upon

data released by the Social Security Administration, the Internal Revenue Service and others.

For the local worker who made \$6,000 in 1972 and paid \$12 in social security taxes, the new cost will be \$301. The \$5,000 wage earner will have to pay \$468 instead of \$418.

According to the official figures, the nation's jobholders and their employers turned \$7.5 billion

into the social security trust funds last year. The total this year will be about \$62.3 billion.

Loudon County's contribution to that total will be approximately \$4,000,000, it is estimated.

And next year, under the new rates, it will be close to \$4,847,000 based upon the same number of workers.

Unless Congress votes a further expansion of benefits, the maximum tax will be reached in the year 2011, when a person earning \$12,000 or over will be paying \$876 into social security.

PLEASED-We are pleased that associations such as the one here in Loudon County are carrying out programs to help the Livestock Producer so stated Robert Wilson, president of the Tennessee Livestock Association, from Arlington.

1973 LEADERS-Directors and officers elected for the coming year are as follows: (front row, left to right) Roy Murr, vice-president, Robert Wilson, President Tennessee Livestock Association, Carl Bright, director, (back row) Robert Sliger, G.F. Hein, President, Eugene Millsaps, director, Carl Smith, director, and Edwin D. Byerley, director.

EXTRA MONEY-That's what Mr. Robert Sliger, Extension Leader in Monroe County is telling some 100 members of the Loudon County Livestock Association at their annual meeting.

CONGRATULATIONS-Each year the Loudon County Livestock Association awards a certificate to the producer who has come closest to carrying out the purposes of the association. Shown presenting the certificate to Clarence Bettis is G.F. Hein, president.

Loudon Boys Drop Overtime Tilt With Everett; Lassies Prevail 55-54

Lassie Defense Passes Toughest Test

Speaking of Sports

By DANNY GIBSON
Sports Editor

Loudon closed out their home floor basketball play until after the Christmas Holidays Friday night with a wild and exciting clash with Maryville Everett. The favored Bulldogs were handed a 56-54 upset in the girls game and the Loudon boys had the home folk on top before bowing 60-59 in overtime.

The Loudon girls with their second great team effort in a week's time, raced to a 12-8 first quarter lead and increased their superior playing by a 28-32 halftime difference. The Lassies won the third canto 16-15 and held a nine point lead at one juncture of the contest.

The Everett sextet was not to be denied a last quarter rally and convinced everyone why they are one of the top hardwood girls teams in East Tennessee. The Everett gal knotted the score at 52-52 with over a minute to play but

Loudon with a modest dozen turnovers as compared to as many as 30 on some nights went to deliberate offense and the strategy worked as Marilyn Smith dribbled, and faked, and passed and finally caught the Everett defense out of position to fire a scoring pass to Debbie Hawkins to tie the victory.

Jane Shubert seemed to have again returned to the groove. The junior sharpshooter has had several off nights in the last two weeks as Loudon fell victim to such teams as Harriman and Midway by one or two points. Shubert finished with 26 points. Miss Shubert had plenty of help as Debbie Hawkins ripped the nets for 16 points and Marilyn Smith contributed 13.

Smith, who normally heads the Loudon scoring column hit a cool four of 30 shots, mainly because of the special attention given her by the Everett defense. Miss Smith turned playmaker in the second half and had a game high seven scoring assists to

most improved guard on the team, Connie and Susan Huskey to out play the highly touted Everett scoring unit. The Loudon girls are now 6-4 for the season and Everett dropped to 5-2.

The Loudon boys jumped to a 16-10 lead in the first quarter of the varsity battle and had a seven point advantage after two minutes of the second period, but Mike Messamore was charged with his fourth foul and had to sit out the remainder of the first half.

The Bulldogs were quick to take advantage of the Redskin loss and out played Loudon to the tune of 18 to 7 for a 28-21 half time lead. Loudon returned Messamore to the lineup in the second half and cut into the Bulldog margin with a 14-10 third quarter effort.

"SHALL WE DANCE?"—Loudon's Connie Huskey turned in one of her top defensive displays Friday night as the Loudon Lassies pulled off their most impressive victories of the season, a 55-54 decision over highly touted Everett.

Loudon went to Messamore for a two point lead. Everett tied the score and the Redskins missed again. An Everett player was fouled and both foul timeouts were good for a 60-58 Bulldog lead. Loudon had plenty of time to score and Messamore was fouled attempting to shoot.

The 6'5" senior hit the first shot but the second toss rimmed the basket and came off the rim. Loudon rebounded and took three shots at the

play and win like the Redskins have been accustomed to. Mike Messamore paced the scoring for Loudon and the game Friday night with a sparkling 29 point performance. Mike also led both teams with 13 rebounds. Rodney Blewins had a terrific night at running the Loudon offense and playing a tough defense the entire game. Donnie Tharp also played well and had six points and 10 rebounds.

Loudon won the backboard battle 39 to 27 and out scored Everett from the field by six points. The Redskins hit 24 of 69 shots for an even 40 percent while the Bulldogs hit 46.8 of their shots with a 21 of 45 effort.

Loudon lost the game at the foul line once again with Everett making good on 18 of 23 shots. Loudon hit 11 of 23.

REDSKINS MR. HUSTLE—With a look of determination, Loudon's senior playmaker Rodney Blewins plays a rugged fast moving game from start to end. The wire senior failed to score Friday night but had 10 individual gains of Everett turnovers and was individually responsible for many others. He also had seven assists to add to his night's effort.

Job

Distinguished Area Sports Figure and Official Killed

By Danny Gibson

They buried Bill Cooke in Athens Saturday morning as the sun tried to shine through the gray cloud sky and a brisk nip of winter chilled your cheeks. They also buried the town's youth movement and a promoter of area sports. Bill Cooke was 44 when he died in a grinding car wreck last Wednesday in Bowling Green, Ky. But he was young at Athens. His actions were directed to the youths of Athens. The town he loved. The town he did so much for. But even with his value to "The Friendly City" Bill Cooke reached the lives of many outside of Athens.

Had it not been for Bill Cooke and his character of fair play and inspiration to the smallest of youth, to the most gifted of athletes, boys like George Star, sports reporter now for the Athens daily paper; Larry Fleming, high school sports editor of the Chattanooga Times; Max Barnett, Danny Gibson, Phil Pierce, former UT footballer, Jackie Clark, and a list that would reach from the athletic fields of numerous universities and colleges to the high school ranks, right on down the pee wee beginner would be minus someone today. In some way or another, Bill Cooke touched the lives of hundreds of ambitious, sometimes pesty boys. He bought equipment and formed baseball teams when there wasn't any. He gave money when there was none. He gave his time when he did not have it to give.

Bill Cooke probably gave as much as youngsters as he did his own family. There is a void in Mrs. Alice Cooke's life today. Mary Alice, Bill's daughter, won't have Daddy to talk with any more. It seems a shame.

McMinn County won't have Bill Cooke to go to anymore, either. When the call came to help youth Bill was ready. A word to Alice, and with his hand in his pocket Bill sought out the problem as to how he could best serve.

Maybe he spent too much time with the youngsters. But the time has meant success to a lot and unforgetting memories for others. His memories to take time out to help live on.

The sports world lost something last Wednesday when Bill Cooke's car crashed down that embankment. But the Lord gained a good man and friend. And if there is a young people in Heaven, and I am sure they are, or a ball game in progress then the avid fan and helper.

Bill Cooke was the guy who started the midge football program for McMinn County. He did it for Little League baseball organization. He was an officer in the Babe Ruth League. He personally paid for the Connie Mack League team. He bought the bats and helmets and balls and paid for the

trips. He paid the motel bills and gas bills and took some of the boys places they ordinarily wouldn't have gotten to see. The places were not Yankee Stadium or close to it but they were ball parks with fans and tough competition. Bill coached us to play hard, and we did, and usually we won. If we lost we lost like men.

What he did for young people didn't stop there. He called the balls and strikes. He called the fouls and he called backfield in motion. He was president of the local TSSAA football officials association.

When Bill Cooke umpired a baseball game, it was fun for everybody. He joked with the players, argued right back with the coaches but did his job with a professional attitude.

The last time I saw Bill Cooke was at the Lenoir City-Knoxville Carter football game which he worked with Bob Deal. Bill told of some mischievous happenings about me when I played American Legion baseball for him one summer. The stories seemed funny now but a little embarrassing at the time they happened. He told about boxing events and the rivalry our two teams had with his brother Bill. How they were the toughest two around. We needed each other about the approaching Connie Mack baseball season and the rivalry our two teams possessed during the past summer. We talked of the bright future of some of our players and their chances of going higher in the athletic world.

Bill Cooke was an honorable man you want to be like and have your kids idol and have a chance to receive a minute of instruction from. The kids came first with Bill, but then that was Bill.

Bill was an avid University of Tennessee follower. He knew all there was to be known about the Vols in football or basketball. He gave money to UT and he gave his support. He was a faithful follower of J.P. Kennedy.

The good natured sports amateur, Bill Cooke, is dead. I'll miss seeing him this summer. I was saving my best pitcher just for him. His shoes have left some big prints. His loss will leave an even greater gap to be patched.

Bill Cooke will be missed. Bob "Mr. Dirty Deal" Deal will no longer have a good natured "62" shadow as a pal and fellow friend and official. Bill's pleasant approach to life should be an example for us all.

Yeah, the Lord gained a good sportsman and friend.

Those of us who had the chance and experience to know Bill Cooke, lost one.

Heavy Rains Fail To Spoil Duck And Squirrel Hunting Over State

Just as overall duck hunting success is beginning to pick up across the state, hunters from Kentucky Lake waters are having their problems with high waters.

Heavy rains Dec. 9-10 have forced the suspension of operations at one of the Tennessee Game and Fish Commission's waterfowl management areas, and officials are keeping a close watch on water levels at another.

"Our Goose Wildlife Management Area is flooded out," said Commission Director David M. Goodrich. "Water is standing in the blinds, and is within eight inches of the checking station door. This area will be out of service until further notice."

Goodrich also revealed that commission personnel are keeping a close watch on water levels at the popular Camden waterfowl area, and if the water gets too high, it too may be closed.

The director pointed out that hunters may still use the Goose area at no charge and at their own risk if they provide their equipment and don't mind a possible dunking.

"The water is running pretty swift at Camden," should be considered dangerous," Goodrich added, "and we encourage everyone to keep their life preservers handy."

The West Tennessee high water is providing a return to some old-style river bottom hunting, however. Wading and floating are producing ducks for some hunters.

Tennessee squirrel hunters are having unusually good success this year, according to field reports by personnel of the commission.

"Squirrel hunting appears to be good all across the state, but the west portion of Tennessee and the Cumberland Plateau region apparently the better areas," says Goodrich.

Goodrich said the squirrel population is extremely good this year, and still hunters are having success equal to that of hunters using dogs.

"Usually, still hunting is not too productive this late in the season but the high squirrel population is making both methods productive," Goodrich said.

The squirrel season continues in Tennessee through Jan. 1, 1973. Six may be taken daily, and 12 may be in possession.

Redskins Bomb Sweetwater For Twinbill Triumph

London concluded its regular season play for the year 1973 Tuesday night with a twinbill sweep of Sweetwater on the Wildcats home floor. The double win was the second time this year that the Redskins had posted off the Monroe County school.

The Lassies having won two weeks ago by a 42-29 score, ran their season mark to 7-4 with a 50-41 triumph Tuesday. Jane Shubert bombed the Sweetwater defense to pace the girls.

London (55) Sweetwater (41)
F-Smith 14 Wilson 15
F-Shubert 19 Robinson 16
F-Hawkins 11 Bradley 10
G-Tyler 10 Snyder 10
G-Huskey 10 Simpson 10
G-Brown 10 Davis 10
S-1000 Louisa Durd 2, Starlin 1
London 11 17 14 6 50
Sweetwater 4 8 10 17 41

The balanced Lassie offense teamed to shoot a terrific 63.6 percent from the floor making good on 19 of 40 shots from the field.

Sweetwater placed all three of their forwards in the double scores column with a 19 for 43 night. The 44.1 percent shooting mark equaled the Lassies from the field but London added 12 more points from the foul line while the Kittens were getting just three charity points.

London held a lopsided 21 point lead in the early minutes of the fourth period, but turned the game over to hard working reserves and the Sweetwater set was able to make a respectable final score.

Defensively the Lassies got excellent team play from seven guards who shared near equal playing time. Mary Tyler led the rebounding with five, while senior Gloria Brown had four rebounds and five blocked shots. Others seeing a lot of playing time were Connie Huskey, J.J. Purdy, Sherie Harris, Susan Hunter, and Yerber Harrison.

The Loudon boys defeated Sweetwater 68-40 in their first meeting, and the home floor advantage done little to change the superiority this time with Loudon posting a 68-43 defeat on the Wildcats.

The Redskins did not shoot sharply for the game hitting a fair 36.2 percent of their field goals on 21 of 58 shots. Nevertheless Loudon held a commanding 17 point lead at

the half with a 36-19 score.

Mike Messamore held the hot hand for Loudon with 22 points. The rangy senior hit 10 foul shots to his night's play for the final tabulation.

BOYS

Sweetwater 17 8 30 12 58
Sweetwater 18 8 45 43

William Caniser contributed 14 points for the night and was the only other Redskin to reach double figures. Loudon had a total of eight men in all score.

to get in the scoring act for the night with R.L. Brannan's eight points leading the pack behind Messamore and Caniser.

Loudon out rebounded the Wildcats 48-32 with Mike Messamore and Caniser also tops in this department with 15 and 11 respectively.

Sweetwater hit 16 of 57 shots for a 28.1 per cent from the floor as the Loudon defense made it rough on the offensive Wildcats.

Loudon will be off from practice for a week but will return to the hardwood after Christmas for a couple of days of preparation for the holiday invitational tournament in Knoxville with Knoxville South, Knoxville Central, and Maryville Porter. The tourney is for boys teams only.

STREAKING RESERVE—Loudon freshman Ricky Melton came off the bench in the closing minutes of the fourth quarter Friday night to grab a couple of key rebounds and played excellent defense as Loudon came from behind to tie the Everett 56-56 in regulation play.

London win. Loudon got double figure play from forwards Debbie Hawkins with 11 points and Marilyn Smith fired in 14 points.

Bowl Picture Turkey Season, Increased Hunting License Fees, Highlight Tennessee Game And Fish Meeting

The Tennessee Game and Fish Commission has set turkey seasons for this spring and approved a license revenue increase proposal for submission to the Tennessee General Assembly.

The action came at a regularly scheduled meeting of the Game and Fish Commission Dec. 15, 1972.

The statewide turkey season, as approved by the Commission, will be March 24, 1973, through April 1, 1973, and April 21, 1973, through May 4, 1973. Two male turkeys may be taken provided one is taken on the statewide open hunt and one is taken from a wildlife management area.

Benton, Campbell, Claiborne, Cumberland, Fayette, Franklin, Hardin, Henderson, Lauderdale, Morgan, Shelby, Sullivan, Tipton, Union and Van Buren counties will be open in their entirety, while portions of Carroll, Polk and Roane counties will be open.

Turkey seasons were also set for AEDC, Anderson-Tully, Clatsop, Chattanooga, Cherokee, Chickasaw, Chuck Swan, Natchez Trace, Nickey Brothers and Shelby wildlife management areas.

The Game and Fish Commission also provided an additional wild boar hunting ad-

Michigan's Wolverines averaged 85,566 fans at Ann Arbor this season, halting a 14-season Ohio State reign as college football's attendance champion.

The Rose Bowl-bound Buckeyes drew 84,903.

Nebbraska ranked third with an average of 76,143 for home games and Wisconsin was fourth with 70,694 in figures announced Monday by National Collegiate Sports Services.

The nation's top 100 teams drew 20,562,297 for 568 games, an average of 36,159 and an increase of 1,104 per game over 1971.

Utah State was the upstart story of the year, fattening home crowds by more than 150 per cent from 19,907 to 26,011 with the lure of passing sensation Trey Adams.

Tulane, despite facing the competition of pro football in New Orleans, raised its at-

UT Climbs To Fifth Spot On Grid-Attendance List

The Rose Bowl-bound Buckeyes drew 84,903.

Nebbraska ranked third with an average of 76,143 for home games and Wisconsin was fourth with 70,694 in figures announced Monday by National Collegiate Sports Services.

The nation's top 100 teams drew 20,562,297 for 568 games, an average of 36,159 and an increase of 1,104 per game over 1971.

Utah State was the upstart story of the year, fattening home crowds by more than 150 per cent from 19,907 to 26,011 with the lure of passing sensation Trey Adams.

Tulane, despite facing the competition of pro football in New Orleans, raised its at-

average of 48,097.

Baylor was one of the big access stories at the gate, drawing 33,479 for an increase of 11,798.

Former Kingston Star Paces Tigerettes

A former Kingston female basketball star carries the leading scoring average for Hiwassee College's Tigerettes, who finished second in the nation last season.

Carolyn Bush, a 6-2 forward, has an 18-point average in 18 first five games from the subvarsen Madisonville junior college team.

Miss Bush played both guard and forward during her high school days at Kingston. In her first season at Hiwassee, she was named to the National Junior College Athletic Association's all-star team.

The team resumes play Jan. 4 against Temple (Tex.) Junior College.

DUCK HUNTERS—This group of local duck hunters tagged these nine (9) ducks this past week-end while hunting in a corn field near the Paint Rock Refuge in Loudon County. Pictured are Thomas Lynn, Ronnie Brookshear, Bill Hughes and Tommy Peak.

Game and Fish TODAY
By Sgt. Bob Harmorn
Game and Fish Commission

Members of the Tennessee Game and Fish Commission have voted to seek an increase in hunting and fishing license costs when the Tennessee General Assembly meets in Nashville next spring.

"After considerable study of the matter, it is imperative we seek increases in certain of our licenses in order to meet increasing operating costs and institute new management programs," Commission Chairman G. L. (Larry) Lowe, Chattanooga, said.

Following a meeting of the Commission at the Admiral Beahm Inn in Memphis, Tenn., specifically, the Commission announced its intentions to present a four-part request to the Legislature, which, if approved, would generate slightly over \$1 million in additional revenue.

License cost changes requested include:
-Separation of the present hunting and sport fishing license into fishing only and hunting only licenses, each to cost \$6.00. However, a license allowing both hunting and fishing would be available for \$10.00.

-Increase the cost of the one-day fishing permit from \$0.50 to \$1.00.

-Establish an ammunition dealers' license for \$5.00.

-Eliminate a provision which allows a person to fish in his home county without a license as long as he used natural bait except mudminnows.

Commission Director David M. Goodrich said the revisions in license structure would, according to estimates based on the number of licenses now being sold, create \$1,112,000 in additional revenue for the Game and Fish Commission.

"Several different combinations of license increases were carefully studied, but this structure appears to be best in generating the revenues we need to operate but at the least additional increase for hunters and fishermen," Goodrich said.

Director Goodrich said the additional revenue would be used to offset inflated operating expenses, and for land acquisition, facilities construction and improvements on existing wildlife management areas.

Quiting from a five-year improvement plan based on securing approval of the license increases, Goodrich cited the purchase of at least 20,000 acres near Kentucky Lake to be developed into a wildlife management area as one example of additional facilities that are planned once additional revenue is obtained. The Kentucky Lake area, the site not yet determined, would help supplement the present over-crowded conditions on other wildlife management areas, would be located close to Interstate 40, and be managed for all upland wildlife.

Another major item contained in the five-year improvement program is the construction of a rockfish-musky hatchery near Clinton. Land has been acquired and planning accomplished with reference to building a hatchery which would produce 1,000,000 rockfish fingerlings annually.

"The rockfish has become a big favorite with Tennessee fishermen, and having our own hatchery would enable us to supply demand for this fish which will not reproduce naturally here," Director Goodrich said, pointing out that the hatchery should be responsible for providing an annual catch of at least 100,000

NEW DEVELOPMENT - Old Wildlife Management Areas: Includes additional small game, waterfowl, and big game habitat development. These new developments include the Big Sandy unit on Kentucky Lake with development for waterfowl and small game, new development on Gooch and Tigrett for waterfowl and small game, increased development on Laurel Hill and Percy Priest primarily for small game, increased food plot openings on all other old management areas, emphasizing small game development and dove shooting.

S.M.A.L.L. GAME DEVELOPMENT - State Lands: Includes development on the Hermitage property which belongs to the Department of Conservation and other institutional lands such as Central State properties. The emphasis will be on dove shooting and small game development for dog training and possible one-course field trials area.

OBION-FORKED DEER: Once the Corps of Engineers complete their drainage project and purchase acreages for mitigating the losses to wildlife, Game and Fish will expect to operate these units. The entire emphasis will be on small game and waterfowl and should encompass more than 30,000 acres in the Obion-Forked Deer area. It will include food plot planting, ditch maintenance, water control devices, and public access to the area.

FARM GAME: Includes four additional personnel whose primary job will be working with landowners in establishing wildlife development plots, furnishing limited quantities of seed, clearing, and other items hard to obtain, and general lay-out for farm game plans to

sportsman groups and others. **LAKE - Tipton County Land**: A lake site has been selected in southern Tipton County about twenty miles north of Memphis and upon completion of the appropriate dam, a 300-acre lake can be constructed. With intensive management, this lake should support 30,000 fishing trips, annually, and provide approximately 25,000 associated recreational trips.

CHICKASAW LAKE: A lake site has been selected in northeast Hardeman County for development of a 200-acre fishing lake. This lake will be developed in cooperation with the Soil Conservation Service and the Department of Conservation. This lake will provide fishing opportunities for the urban area of Jackson and Madison counties and surrounding counties. The lake will provide opportunities for 20,000 fishing trips and 30,000 associated recreational trips annually.

ACCESS AREAS: The plan includes development of two access areas on streams each year. Streams being considered for such development include the Hatchie River, the Buffalo River, Upper Clinch River, Norris (Clinch River) tailwater, Harpeth River, Nolichucky River and Obid River. Additional personnel are required to develop and implement an environmental-wildlife education program to civic clubs, sportsmen's clubs and to aid in all Game and Fish functions when necessary.

Hunter Safety Personnel: The Commission's new Hunter Safety Program is already unable to meet the demands of an interested public and the amount of field work required for this program necessitates at least another full-time

employee. **Part-time Help - Fairs, Etc.**: Additional part-time employees are needed in order to expand wildlife exhibits during the summer fair circuit. With increased personnel we can produce even more enjoyable and educational exhibits.

Salary and Wages Increase 5 percent. Calculations are based on normal cost of living increases.

Price Named To Committee

Retired Lenoir City High School teacher Lee D. Price has been invited to membership on the Tennessee Joint State Legislative Committee. The Committee is made up of a cross-section of representatives from the American Association of Retired Persons and the National Retired Teachers' Association.

The prime purpose of the Committee, Mr. Price said, is to sponsor legislation to benefit senior citizens in Tennessee.

H.R. Vance of Nashville, Executive Secretary of the Committee, from Nashville, said in a letter to Mr. Price, asking him to accept membership on the Committee, "Knowing the excellent work which you have done in creating a strong Lenoir City - Loudon County Retired Teachers' Association, I am anxious to have you as a member of the Joint Committee."

Mr. Price said there are 2,456 persons in Loudon County over the age of 65, 1,050 of them designated as "poor."

Part-time Help - Fairs, Etc.: Additional part-time employees are needed in order to expand wildlife exhibits during the summer fair circuit. With increased personnel we can produce even more enjoyable and educational exhibits.

Salary and Wages Increase 5 percent. Calculations are based on normal cost of living increases.

Letters To Santa

Dear Santa, I want a sweet cookie or littlest angel and a typewriter and a bicycle. I have been a good girl this year.

Love
Dee Waddell

Dear Santa, I love you Santa I want "Tearful" Baby Tender Love, view master and reels to go with it. I want a sleeping bag. I have two sisters Suzanne and Corina and they want you to come and see them too.

I have a good girl this year.

Sheela Lynn Millage
Route 1
Philadelphia, Tenn.

Dear Santa I am a good little girl, I want a type writer, sleeping bag I love you Santa Claus

Love
Teresa Delany

Dear Santa, I am a good little girl. I want a bicycle? and a boxing gloves I love you Santa.

Tom Montooth

Dear Santa Clause, I am in the second grade. I have been a pretty good boy most of the time. I want you to bring me a earth mover and a set of crash bang cars and a wagon with a tall bell on it. Tell Rudolph to not be mean. And Santa Clause will bring you a candy cane. I'll see you at Christmas

Yours,
Dale Bradshaw

My name is Lori McJunkins, I want a doll and a baby car, mini bike, movie projector, a dress, cap, gun? And a book I have been very good. I also want tearful baby tender love and a type writer.

I love you Santa,

Love
Lori McJunkins
Velvet Little Sister

Dear Santa, I want a movie project and a Barbie doll. I am a good little girl, I love you Santa Claus

Susie Minecy

Dear Santa I want a new bicycle? and a GI Joe? and a Big Red wagon? I love you Santa

Dear Santa, I would like a record player, some guns, and a lot of trucks and cars for Christmas. Don't forget all the other girls and boys.

Love
Jerry Ray Markowicz

Dear Santa, I have been a good boy this year I would like a guitar a set of walkie talkies a electric train a lamorine and some apples oranges and candy.

Thank you Santa
Charlie Brown
P.S. Don't forget all the other boys and girls.

Dear Santa Claus, I want a baby tender love doll, organ, telephone, a watch, a radio, a new bubble gun bank and some new clothes, and a doll and high chair, a big wheel. And bring my baby sister a doll. My sisters name is Lori Ann Lynn. And Santa bring me a doll with a lot of doll clothes.

Paula Lynn

Dear Santa, Our names are Whitney and Jacque Reynolds. We've tried to be good girls this year. We would like for you to bring us a baby tender love apiece, two baby beds, a putt-putt train, two music boxes and a few surprises. We love you and hope you and Mrs. Santa have a Merry Christmas. Please be good to all the other little boys and girls.

Love,
Whitney and Jacque Reynolds

Dear Santa, I would like to have a cash register, a beauty center with make-up, an etch-a-sketch, and a big deal activity box with lots of books and games, and anything else you want to bring me. I love you.

Mona Hitchey

Dear Santa, I would like to have an airplane, a big truck full of books and anything else you want to bring me. I have been a good boy this year. I love you.

Timmy Ritchey

Dear Santa, I want a cub scout pack and I want a tape recorder and I want a pee wee football suit and I do go in school my teacher is Mrs. Kerr my name Eric

Dear Santa, I want a Barbie doll named Barbie.

Your friend
Denene Clark

Dear Santa, I have been a real good boy this year so please come and see me.

Henderson Elected To ASC Post

Bill Henderson, well-known Loudon County farmer, was elected to the County Agricultural Stabilization and Conservation (ASC) Committee by delegates to the ASC County Convention, held December 8.

The delegates also selected Fred Pippas and Ralph Edridge as Chairman and Vice-Chairman of the three-member County Committee, and named Esco Summit and John M. Hutton as first and second alternate committee members.

Clarence Bettis, Luttrell community farmer and member of the County Committee for 17 years, completed his third consecutive term and was not eligible for reelection.

Mr. Henderson who lives in the Cority Community was elected as a member of the County Committee by farmers in that area but his selection to the County Committee will make him ineligible to serve. He will be replaced by Ray Carpenter who was elected first alternate in the Community election.

The County ASC Committee is responsible for local administration of Government farm programs such as acreage allotments, loans for eligible crops, and conservation and pollution control-sharing on agricultural lands.

The vacancies were filled and the County ASC Committee members are:

Chairman: Fred Pippas
Vice-Chairman: Ralph Edridge
Members: Bill Henderson, Ray Carpenter, Esco Summit, John M. Hutton, Clarence Bettis, and Bill Henderson.

Bowers Completes AF Course

Airman Clarence E. Bowers, son of Mrs. Mildred P. Bowers of 100 Highland Ave., Loudon, has graduated at Lowry AFB, Colo. from the U.S. Air Force supply inventory specialist course.

Russell Visits Youth Town

Sheriff Freeman Russell of Loudon County helped play Santa recently for 26 boys at the Tennessee Sheriff's Youth Town located near Jackson. He participated in the annual Tennessee Sheriff's Association Roundup held at Youth Town. Gifts took the form of clothes, food, and recreational equipment for Youth Town residents whose ages are between 8 and 18.

Sheriffs from all over Tennessee gave the Christmas party for the boys on the campus of the 200-acre farm which houses some 40 neglected and homeless boys during the year.

While in Jackson, Sheriff Russell also attended a training session in law enforcement and public relations in addition to an orientation session on purposes and aims of the Tennessee Sheriff's Association and Youth Town.

NEW LEADERS-Shown here are the new 1973 leaders for the coming year of the Greenback Community Club. They are (seated) Mrs. Evelyn Sowers, secretary and Robert H. Barnes, Vice president. Standing is Rev. Alex Gillander, president.

SHERIFF RUSSELL AT YOUTH TOWN-Loudon County Sheriff Freeman Russell, a member of the Board of Directors of Tennessee Sheriff's Youth Town, is shown on a visit to the Jackson facility last week for a Christmas program, where he and other Sheriff's were Santa to the residents of the home. Sheriff Russell is shown with two Youth Town residents, Bill House and Mike Lassiter. Loudon Counties, through Sheriff Russell, have contributed thousands of dollars to the operation of the home.

THE FRIEND CHURCH EVERY WEEK

the Star

CHRISTIAN love embraces men made in God's image, created persons of sex and flesh, however, the most beautiful or common and symbol of the star on the top of the tree. This is so symbol of the wonderful joy when the child Jesus was born as a manger; when the star showed the way. "For we have seen his star in the east, and are come to worship him." Let the star on the tree remind us to attend church and worship him.

The Church is God's appointed agency in this world for spreading the Gospel of the Kingdom and the Kingdom of God to all men. It is the only institution of God, as presented in Scripture, which is to last to the end of the world. It is the only institution which is to last to the end of the world. It is the only institution which is to last to the end of the world.

Your County In Action
 BY **Harvey L. Sproul**
 LOUDON COUNTY JUDGE
 And it seems that during the

Christmas season where we hope and expect Peace and Understanding and Good Will to all men, still the problems that continue to come. Would Christmas be a good time to discuss taxes? I doubt it, but here goes anyway—

You will recall that the "Question III" passed a referendum of the people and

became a part of our Constitution, so that utilities are to be taxed at 35 percent, industries at 40 percent, and residences and farms at 25 percent.

Do you know that this means that the property tax rate is going up?

Maybe you do, and if so you also understand that with the property tax rate going up, this still probably means that

your property taxes may stay approximately the same as what you paid the last year, because your assessment percentage also governs what the actual amount of tax will be, and the assessment will go down because residential and farm property in 1972 is on the books at 40 percent of value.

Much more of Loudon County's property, is residential and farm land,

than utilities, industrial and commercial and therefore when it is reduced to 25 percent, this means that the assessment will go down, and the tax rate up.

How much will the tax rate go up?

A representative of the State Division of Property Assessments has estimated that Loudon County's rate will probably go up from \$2.58 to \$3.52.

Our neighboring County of Monroe will go up probably from \$3.45 to \$4.30. Roane County will go from \$3.67 to \$3.79.

Bear in mind that these figures are based on no need to increase the amount of money necessary to operate government, and I suppose that has never happened yet, and will probably mean that the rate will have to go somewhat above what is prospected.

Every month I receive a copy of the Community

Resource Development Newsletter, which is distributed by the U.T. Agricultural Extension Service.

One of the things you have to notice about this publication, is that agricultural leaders are realizing that "land use" planning is becoming more important each year in the rural areas of the State.

They have found that this planning tool must be used in order to preserve better soils for farming (as opposed to putting a sub-division on top of it), to guide non-farm use of land to the less fertile areas, and to do something to preserve our rural communities which have been so important to us in the past.

We may be a little bit ahead of the game in Loudon County because we already have our zoning resolution passed by the Quarterly Court, and it will be up to this Quarterly Court, and future Quarterly Courts as to whether or not they will maintain this planning tool, and not give in to the commercial pressures when such is not warranted.

How well the Quarterly Court will be able to do this, will depend somewhat on public support and understanding of how all of this operates.

Some people may think that zoning regulations are pretty tough and pretty stringent, but in Loudon County they were made particularly flexible for a rural county.

The zoning in Loudon and Lenoir City is somewhat more stringent than in the County, for example.

Prospect Sets Christmas Play

A Christmas play, "Who is this babe of Bethlehem?" will be given at the Prospect Baptist Church, Friday evening, December 22, 7:30 p.m.

Some Christmas programs are intended merely to rehearse the Christmas story. Others are written partly for entertainment. "Who is this babe of Bethlehem?" is a teaching program presented in a fresh and entertaining way. From their place in the congregation Mr. and Mrs. visitor raise the question which is on the minds of many undecided people today: "Who is this Jesus and what is he to you and me?" Later they will probably answer it as their own reaction suggests the kind of response others should make to this moving presentation of Jesus Christ as Saviour and Lord.

A cordial invitation is extended to the public to attend this moving Christmas story.

Cantata Set

A Christmas Cantata entitled "Love Transcending" under the direction of Dennis Reheiders will be presented on Dec. 23 at 7:30 p.m. at the North Side Church of God in Lenoir City Church of God in Lenoir City.

Conducted by Rev. Fred Brannon pastor.

A children's play will be presented prior to the Cantata.

Oakland Plans Outdoor Pageant

The youth of Oakland United Methodist Church will present an outdoor pageant from 6 to 7:30 p.m., Friday and Saturday, December 22 and 23.

The Christmas story will be played on loud speakers and the youth will act it out. It will begin every 30 minutes and will be conducted on the hillside beside the church. The Oakland Methodist Church is located four miles North of Vonore on 411 highway. Turn near the Greenback Bank at the Church sign.

On Saturday night at 7:30, a play will be presented inside the church. It is written by Otto Weinmann, a member of the church, and include all age groups. Immediately after the play, Santa will pay a visit and refreshments will be served.

Jim Harless, pastor, invites everyone to attend these services.

Magnavox Gift Values for a merrier Christmas

Total Automatic Color TV gives you more!

A. Model 7514—in charming Early American styling, offers 26" diagonal viewing, although compact in size, it incorporates all the fine furniture craftsmanship that you'd expect (and get) in a Magnavox console. Also available in Contemporary and Mediterranean styling. **\$549**

LETTERS TO THE EDITOR

Dear Editor:
Why can't the City of Loudon work out something about the traffic this time of year when so many people are traveling.

It is nonsense to have the change of lights when the traffic is so heavy on Highway 11. I have stopped at red lights when there would be no cars coming out from side streets.

Is it not possible for the City to hire at least two or three more policemen to change the two or three main lights or have automatic trips when a car comes from the side streets on weekends when traffic is so heavy?

This is the only town between Interstate 75 from Knoxville that this traffic problem occurs so bad until you get back on the Interstate in Cleveland.

Policemen, the people might even throw you out a tip if you would hold your caps out.

A Loudon County citizen,
Bana Callett Clough

Davis School
Rt. No. 2
Loudon, Tenn.
Dec. 14, 1972

Dear Editor:
We would like to take this means to express our appreciation to the Loudon Lions Club for sponsoring the Sight Conservation Program in our schools. As a result of the examinations several of our children with serious eye problems have been checked by an Ophthalmologist and fitted with glasses or treated. Without the Lions Club Test these conditions might not have been detected until these children suffered even more serious eye impairment. Thank you for this important service to our schools.

The Davis Faculty

Miss Webster Honored By State Group
The Tennessee Association for Health, Physical Education and Recreation held their annual convention at Gatlinburg, on Dec. 4 and presented Miss Betty Jean Webster the "Honor Award" for her long term service toward the improvement of Physical Education in Tennessee schools.

Miss Webster who is the daughter of Mrs. E.H. Webster and the late E.R. Webster of Loudon, is presently an assistant professor of Health, Physical Education and Recreation at David Lipscomb College, Nashville.

She received her B.S. degree from Middle Tennessee State University, Murfreesboro, and her M.A. degree from George Peabody College, Nashville. She is active in the Republican party and various professional organizations relating to her profession. She was selected by the National President for Health, Physical Education and Recreation in Washington D.C. to serve on the "Standard" committee.

Miss Webster served on various state committees including membership, publicity, and public relations, and served for

Birthdays and Christmas Gift Projects. Loudon Women's Club, 10 Christmas-filled Ditty Bags for our servicemen in Vietnam.

Seventy Eight Christmas gifts to the veterans at VA Center, Mt. Home. Participating in this program are: Suberbia Jr. Woman's Club, Loudon City Woman's Club, Pilot Club, Loudon Jaycees, Loudon City Cumberland Presbyterian Ladies, Loudon Woman's Club, Keystone Class, Central United Methodist, Sr. Klionian Club, Loudon Methodist Adult Fellowship, Fidelis Class, Ruth Class of Loudon City First Baptist Church, Greenback Community Club and Mr. and Mrs. Haze Houk.

Participating in the birthday gift program twice a

year (26 gifts sent in October) are the Suberbia Jr. Woman's Club, Loudon City Woman's Club, Pilot Club, Loudon Cumberland Presbyterian Ladies, and Klionian Literary Club. We will forward birthday gifts April, 1973.

It is most gratifying to receive these gifts and forward them at the respective times during the year.

Any clubs desiring to participate in these projects, please contact this chapter, for more information.

Many thanks to your paper for the coverage you give to the different programs, this chapter sponsors. It is very much appreciated.

Sincerely Yours,
Fred J. Smith, Chairman
Katherine Babb, Executive Secretary

Good Old Days. This church was named for the Ellizabeth L. Hays Bible Class of the First Presbyterian Church of Old City, Pa., which provided some funds and furniture for the church.

This picture is, I have no idea, but it was in the days before steam shovels had tracks. As you will note this one has wheels, which is something I never saw before and this possibly dates it to the teens of this century.

This old picture was made at Dogtown. Who the men are in the picture, we don't know, but would like to hear from you if you know. This is possibly a road building gang. It is quite different from our modern earth moving machines.

This picture was loaned to us by a Mr. Weaver of the Paint Rock area. Mr. Weaver has a most unusual hobby, which we will be telling you about at a later date. Well, that's it for now. See you next week.

BACK IN THE GOOD OLD DAYS

We have stated many times in our Good Old Days effort, that school and school days pictures offer possibly the best cross section of people and places than any other one thing wrong with this in our opinion. We should by all means have included church life, both rural and city.

We note as we look at history, that early settlers upon choosing a location to form a community, would always include a house of worship. At the very beginning, and still, of course, it has had a good influence on our area as well as the rest of the United States. Many times we have written about old time church meetings. The travel to them by horse and buggy or wagon and the large turnouts for revival or other events taking place. It was definitely the hub of the community activities wherever they were located.

Many memories came back to us through a picture loaned to us by Mrs. Glenn Davis of Philadelphia. Of course, Mrs. Davis was a Blackman before her marriage and she grew up in the Fowler's Mill area. She has very graciously supplied us with some very good pictures of life in that area a few years ago, such as the one we are using this week.

Possibly, many of our readers have never heard of Hays Chapel Presbyterian Church, and others will remember it. It has passed from the scene today. The Hays Chapel Church was dedicated in July, 1928 and this was the occasion for this picture we are using. On this day, the church had an all day meeting and dinner on the ground, which was a very common thing during the

Our Christmas Wish For You

Greetings from the Hamilton Bank of Loudon,
Best wishes for the joys of Christmas Day.
This season we greet you under a new name, expanded service,
same people, a more efficient way.

Now our service area includes Philadelphia,
Soon our branch will open at this location.
We're happy to become a part of this city and await our opening
date with much anticipation.

With gratitude we give thanks for sharing in your life,
To have laughed with you in joy, to have helped in strife.
Through Bancshares and improved service, we're trying hard,
Thru Christmas Clubs, Golden Pass Book, Mastercharge and BankAmericard.

Ours is a daily, as well as a seasonal wish
That we have contributed along your way,
Our interest is personal and community wide
Plus the percentage on savings accounts we are able to pay.

May God bless the faith of all men
On this another joyous Christmas Day,
May again the faces of the Heavenly angels smile
As in greatest joy they pass along your way.

We wish for you all the joys of the season,
May the coming year for you have abundance in store,
And the joys of Peace, Health and Prosperity
Abide with you now and forever more.

Letters To Santa

Dear Santa,
What have you been doing this year? How is Rudoff? Does his nose still shine? How about you, are you allright? This Christmas I would like to have 3 or 4 modies. I will name them: Corvet, 57 Chevy, 44 Ford, old timer pickup truck.
Yours truly
Paul Pascal Dotson

Dear Santa,
There are only a few things I want for Christmas, but they may cost a lot. I want a bicycle, and a pair of walkie-talkies and some clothes. Santa, it's been a long time since I've wrote to you but it still feels good to write to you even if I am 8 years old, and there's one more thing I want.

And that is a blow up Santa Claus. Boy, see you this Christmas.
Love,
Alesia

Dear Santa,
I hope you bring me a gun and helter. Good luck at Christmas time if you don't care I will say hello to Santa.
Your friend
Rickey Fields

Dear Santa,
I would like to have a BB gun race track, trian, GI Joe and a airplane.
Your friend
Dennis Riden

Dear Santa,
I would say that you won't bring me this. But I want four things for Christmas. One is a walkie talkie. I listen to planes with them. I don't like go-carts because once I went up to Scott Carvers house and he had a go-cart. That day we road it. And I road on the back. I knew better then to do it but I did. While we were riding it he went over a bump. And I got me foot caught in the wheel. Well so far I want a walkie-talkie and a mini bike and a race track and a BB gun.
Your friend,
Nathan

Dear Santa,
How is it at the north pole? Do you like horses? I do. I like to ride horses. I would like to have one for Christmas. I have two brothers and one sister. But I am the oldest, one is named Chris and he is 8 years old. And one is named Paul and he is six. And my sister is only one year old. Now I am ten. I wish you good luck and take all the little boys and girls presents for Christmas.
Your friend
Jonathan

Dear Santa,
Santa are you waiting for Christmas? I am. Every Christmas I help decorate the tree. We make our own decorations for our tree. We sing on days and play. I hope it snows. It always looks pretty. And I hope you have fun. But you on TV every year I watch you and Rudoff. I love you for ever.
Yours truly
Jeannie Bacon

Dear Santa,
I would like to have a guitar and a baby tenderlove doll. But what I really want is a smock. I would like to have an orange smock. And some coral colored pants that are in the Christmas book. They are flared leged pants.
With lots of Love,
Lisa Ann Cheatham

Dear Santa,
I want a crane, a set of houses to go with it and a hooker and black-top roller.
That's all
Marvin Ray

Dear Santa,
I want a police Volkswagen that the thing comes on and I want my sister a mirror and a brush. I want play guns, one of them things that goes rat-a-tat-tat and two BB Guns for my mama and me and I want a motorcycle with a man on it with a thing over his head and he has a huck seat with some batteries in it and a toy man who talks to you. Bring Down a Hi Dotty doll and a Cattle Doll.
Love,
David Roberts

Dear Santa,
I want a doll and a play house, a chalkboard and a long dress. Mama said I need some new curtains. I want a book to read. I've been a good girl.
Love,
Sherri Butler

Dear Santa,
Please bring me a bike
Glen

Dear Santa,
I want a record player and records, the names are bang bang.
Love,
Missy Cable

Dear Santa,
I want a doll and a ball and an apple and a bicycle and a teddy bear and color TV and a pony and a bat and a game and a dog and cat and a book and oranges and some cokes and a coat.
Your friend
Cheri Denmie Dodd

Dear Santa,
Will you bring me a color TV and toy pony and doll and

teddy bear and coat and some clothes and cokes.
I love you.
Kin Burchfield

Dear Santa,
I want a color TV and a doll and a coat.
Gail Lanford

Dear Santa,
I want a bike and a Barbly doll and pony and a horse and some oranges, and apples and grapes and cokes.
Your friend,
Carol Ann Sherwood

Dear Santa,
It is about Christmas now. I would like a horse. That does cost a lot. But I would take a record player. And some of Elvin Presley records. And I would like a sun tan Crissy. Happy Christmas! And a happy new year.
Your true love
Penny

Dear Santa,
You know it is getting close to Christmas. And every girl and boy is thinking about you

It won't be long till it snows. I have a little list I want for Christmas: I want a radio with a case and batteries. And a few clothes and Barbly. Everybody and me are thinking about. Will I'd better say good-by Santa.
Love truly,
Patti

Dear Santa,
I want a little book and a big head and a doll and a coat.
Love

Letters To Santa

Dear Santa,
Bring me a doll and some dishes. I love you.
Renee Giffen

Dear Santa,
I want a road grader and a dump truck.
David Harris

Dear Sant,
I want a Bear Bog doll. My sister wants a Barbie Doll and a Barbie Camper. That's what she wants.
Love,
Jodie Peter Rabbit
It's really Jodi Carey.

Dear Santa,
I want you to bring me a

white cake and a chocolate cake and a stove and it's real too. Well, well, I wanted a doll for Christmas but I don't know her number. I forgot it. She gets yellow hair and a purple dress. It's curly too. Chris wants a bird but I don't know the bird's last name.
Love,
Carla Kinser

Dear Santa,
I want a little paper doll. I'll leave you a squeak at my house and bring me a toy and put it under my Christmas tree. My sister's name is Tanya Dawn.
Love,
Traci Barbera and Tanya

Dear Santa,
I want some boots size 11. I don't know what size clothes I want, but I want a Baby Tender. Love that cries when you turn her head. I want my boots colored red and blue. I want my sister some boots. She wears the same size I do and I want hers colored orange and white. I want a little watch that's real-to-of them—some for me and one for my sister. I want a nursery rhyme book with all the nursery rhymes in it. I want a baby doll head and make-up and some rollers and Santa Claus coloring book.
Love,
Jackie McGhee

Dear Santa,
Bring me a G-I Joe and Big Jim. He has a motorcycle. I'm going to get a Rock'em Sock'em. There's one more. It's Busy Buzzy and that's all. Tanya's getting her a stove and cake and whole bunch of Barbie Dolls and her's not gettin' rothin' else. One thing I left out is I'm gettin' a punchin' bag. That's all.
Shane Lambert

Dear Santa Claus,
I want a training wheel bicycle, and I want a Santa Claus, Do to Do! book, a set of dishes. I've been a good girl and I got two sisters and one brother. Leave me some toys and a notebook. That's all.
Susie Atkins

Dear Santa,
I want a Snoopy tooth brush and a horsey thing like that in there.
Traci Lowry

Dear Santa,
I'm going to take a Big Bird, a doll, and Jack in the Box. Oh, yeah! a telephone. Come and meet my two brothers and two sisters. Meet my daddy and my mother. I don't want you to crawl down the chimney. I'll leave the door unlocked. My mother and father will answer the door for you.
Love,
Sonya Belcher

Dear Santa,
I want you to bring me some spoons and dishes and a doll, a coloring book. Bring a coloring book for Angie too.
Love,
Greta Radford

Dear Santa,
I want you in the Pants for a game. Then I want Humpty Dumpty Sat on a Wall. I want a Witchy, Witchy something like I gave my cousin. It has witches on it and kids playing.

I want a head doll and you comb her hair and put make-up on her. I want a Bean Bag doll that has a pink suit on. My next door neighbor has one. Get a little bit of toys for a baby and some dog things for a puppy. I want some Winnie the Pooh pajamas.
Love you Santa,
Kelly Ryan

Dear Santa,
Would you please bring me a race set. I haven't made up my mind what else. Jay wants a train set but Jerry hasn't made up what he wants. Just bring him what you want to.
Love,
Joseph Rhythme

Dear Santa,
I would like for you to bring me a toy ostrich that winds up.
That's all.
Love,
Travis Atkins

Dear Santa,
Give me a little car and a set of trains, a holster and cowboy suit. Ricky wants a set of guns. Stevie wants a little police car. I would like a

trailer truck. Jody plays with little bitty cars. Bring him some more. Could you bring me a set of race tracks too? That will be all.
Love,
Gregory Stokes

Dear Santa,
I want a purple car that runs on batteries, and the lights work at night. I want some Crash'em Up cars and a stuffed animal that's Bugs Bunny and an electric train that you plug up and some Lincoln Logs, a fire truck made of wood, two model cars. My brother will make the model cars. I'd like a Light-Right. Thank you for the Christmas Eve.
Love,
Dale Suteland

Dear Santa Claus,
I want you to bring me a Snoopy tooth brush and Hi Dotty Doll. You pretend like she's talking on the phone. At Christmas I will give you a cookie and I'll make a picture for you of our Christmas tree. I'll have a Christmas tree out and I want you to give the Hi Dotty Doll to me and put the

Snoopy toothbrush under the tree.
Love,
Greta Geneva Guffey

Wishing you a Blessed Christmas and a New Year filled with Peace and Happiness.

GIVE 'EM HELL HARRY IS GONE—

When former President Harry Truman died Tuesday our country lost one of its truly great leaders.

Harry Truman was President of our nation during the young years of this writer's life. We well remember his radio broadcasts and the news-reel features at the Saturday movie. Mr. Truman has always been a favorite political figure of ours.

President Nixon said Harry Truman was one of the most courageous leaders in our nation's history. In this we agree. He was vice president for only 88 days when he assumed the presidency at the death of Franklin Roosevelt.

President Truman's salty "give em hell" personality probably did more to endear him to people than his accomplishments while in office. His battle for life in his final three weeks were similar to his leadership, fierce and determined.

America knew Truman as a leader during wartime, World War II and the Korean conflict. Sometimes his acts were drastic, like the use of atomic weapons, but we think he did so to protect the lives of the American people.

American will always remember Harry Truman as the man who did his "damndest" for his country.

TEN CENTS PER COPY

TOYS AND FOOD GIFTS—Christmas was a little brighter for 100 Loudon area underprivileged families thanks to the Loudon Mile of Dimes and Veterans of Foreign Wars Post 5150. Last Saturday the Mile of Dimes and VFW

distributed 100 large boxes of food and toys to the families as part of their annual Christmas campaign. In the photos above members of the VFW are shown placing toys in the boxes as they are prepared for delivery.

Zoning Regulations Gaining Acceptance

Zoning Regulations for Loudon County have been in effect for approximately 18 months and Loudon County Judge Harvey Sproul said he feels the county is making good progress in citizen understanding and cooperation with relation to zoning.

Many of the problems which are involved in anything new have been adjusted and that the benefits are becoming more and more apparent, Judge Sproul said.

Planning Commission Chairman Ben Gaylon said that the Planning Commission knows that any kind of regulation will from time to time cause controversy, but the important point is that the county has a plan by which to go, and any changes in that plan do give the neighbors and residents of the community the chance to be heard on what they want their community to be.

It was pointed out that Loudon County has been particularly vulnerable because of the extreme pressure for fast development that are coming from the Counties of Knox, Anderson and Blount where regulations are becoming more and more strict each month.

Zoning regulations have been in effect in Loudon County since August 1, 1971, and were not enacted until they had been recommended by the Loudon County Planning Commission after Public Hearings and studies of the proposed regulations for approximately one year.

The regulations and the zoning map divide the county into zones in an effort to properly guide the future growth of Loudon County.

What zone a piece of property is in determines what the various requirements are as to the use of that property in that particular zone.

For example, Mr. Gaylon said, a residential zone, cannot be established in an agricultural or residential zone, but each has its place. An effort has been made to establish places for industry, so that heavy utilities services that must be installed for industry can be put in one location, rather than splattering out all over the county, Mr. Gaylon stated.

Mr. Gaylon invited anyone having questions or problems concerning zoning regulations to see any member of the Planning Commission or the Building Inspector at his office in the courthouse.

Members of the Planning Commission are Mr. Gaylon, chairman; Roscoe Presley, Charles Harrison, Ross Wilkerson, Harvey Sproul, I. D. Gannett, Curtis Williams, Lee Thompson, John Cardwell, Henry Mitchell and Samuel Foraker.

Government Catches Mistake In Sharing Check

As Judge Harvey Sproul had feared the first half-year Federal Revenue Sharing check from the U.S. Government was too good to be true. The check for \$81,474, was about \$20,000 higher than expected by the county for the first half year period.

Judge Sproul said he was afraid this was a mistake and as reported by many city and county governments in the area the check was either a little higher or lower than expected.

A letter from Edward A. Fox, director of the Office of Revenue Sharing was received late last week by Judge Sproul.

The letter is as follows: Gentlemen: Your county government's revenue sharing allocations may be materially reduced from the check you received from this office by the invocation of the so-called Memphis Rule with regard to your collection of sales taxes on behalf of cities in your county.

We will, as soon as we receive proper notice from the governor of your State, adjust our allocations. We will use subsequent revenue sharing payments to adjust the amount we have overpaid you.

Judge Appointed To Committee

Judge Harvey Sproul has been appointed by Dan W. McKinnis, Jr., Executive Director of the Tennessee County Services Association, as a member of a special committee appointed for the purpose of exploring all avenues of relief in reference to the demand by the Railroads of the State for repayment of taxes paid under protest for 1967 through 1971.

Holiday To Delay Next Herald Issue

Due to the New Years Holiday falling on Monday the first Herald issue of 1973 will be delayed by one day. The paper will be on the street on Thursday and hopefully received by mail subscribers on Thursday, also. Deadline for all news and advertising for the January 4th issue will be 5 p.m. Tuesday, January 2. This issue was delayed not only by the holidays but due to the national day of mourning declared due to the death of former President Harry Truman.

SANTA'S LITTLE HELPER—Ginger, pet Chihuahua, of Mr. and Mrs. Braxton Brooks is shown in a Santa costume made for her by Mrs. Brooks. The little dog drew much attention in Loudon last week as Mrs. Brooks, above, took her shopping with her.

Two Injured When Car Overturns

Two members of a Lenoir City family were injured Thursday when their car went out of control and overturned into Hickory Creek just off Hickory Valley Road.

Injured were Mrs. Robert A. Jenkins, 19, and her husband Robert Jenkins. Mrs. Jenkins was pinned under the car along with the couple's 10-month son, David H. Jenkins. Mrs. Jenkins was treated at Loudon County Memorial Hospital with a cracked hip and facial cuts. Mr. Jenkins home on leave from the U.S. Navy, stationed in Norfolk,

Va., sustained facial lacerations and a nose injury. The baby, although pinned under the car with its mother was reportedly uninjured.

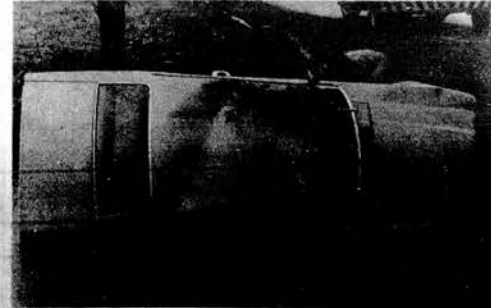

Mr. Jenkins told Deputy Kenneth Brown that something happened to the steering of the car as it went into a curve on Hickory Valley Road. It left the road, went into a ditch and overturned partially in the creek. The car was demolished.

The accident occurred at 10:20 a.m. during a heavy rainfall, Brown said.

CHRISTMAS TRAFFIC—As is the custom on Christmas in Loudon County in recent years it was impossible to get anywhere in a hurry. Shown above is one traffic scene made on Highway 95 at Lenoir City showing just a sample of the traffic through the county last Friday and Saturday. At times it took more than 90 minutes to get from Lenoir

City to Loudon. It was reported that at times Saturday traffic was backed up from Loudon all the way to the truck scales on Interstate 40 in Knox County. If all holds to schedule and Interstate 75 is completed in the summer of 1973 Loudon County will have only one more Christmas season to suffer through the bumper to bumper traffic.

MR. AND MRS. ROBERT A. JENKINS sustained injuries when their car overturned into Hickory Creek Thursday morning, Dec. 21. The couple's 10-month-old son, David, was unhurt.

It's a matter of balance, but if we don't drop the ball, we can make this New Year the best we ever had. Let's all work together for peace and brotherhood, keeping the Christmas spirit alive through 1973. Let's make it a year to remember.

Loudon County Herald

For and about Women

Home Items Made Into Christmas Gifts

HANDMADE DECORATIONS—Mrs. Myrtle Graham of Mallock Bend Road, stands with a part of the unique Christmas decorations, which compliment the Graham home. Many of the items have been made by Mrs. Graham from family heirlooms dating back five generations.

By Calvin Lunsford
 "Into each life some rain must fall." Of course, these are the words of a popular song, but could well sum up the events in the life of two well known Loudon Countians, Myrtle and John Graham. Despite events such as having to give up their farm on the Little Tennessee River, moving to a new home on Mallock Bend Road, only to find they were in the path of Interstate 75, it will still be a Merry Christmas for Myrtle and John Graham.

The Graham home will take on a holiday atmosphere of a very unusual nature. Mrs. Graham, who collects and cherished items of the past, has designed some very unique displays of Christmas decorations and gifts. The gist of which have been handed down to Mrs. Graham from five generations. Possibly the most cherished item, which is included in the Graham home decorations is an old cedar churn, which Mrs. Graham churned milk in for her mother when she was a young girl.

The little table and chair display, hand made was built by Mr. Graham, from nail kegs used on their farm.

As Mrs. Graham stops to explain some of her unique Christmas displays and decorations to friends who might stop by the Graham home during this season, you will not find the remorse that one could expect from having had their home disrupted twice in so short a time. But, instead, the happy glow of the true Christmas spirit.

Personal Mention

By Mrs. Calvin Lunsford
 458-2681

Terry Burnette of Travis Air Force Base in Oakland, Calif. is spending the holidays with his parents, Mr. and Mrs. Rex Burnette. The Burnette's, Terry and Kim spent Sunday with her mother, Mrs. Mary LaRue and other relatives in Greenville.

Mr. and Mrs. David Nicholas and son, Keith, are here from Omaha, Neb., visiting his mother, Mrs. D.M. Nicholas.

Pictures Depict Life, Decisions Of Truman

AT PIANO — Former President Harry S. Truman often played the piano and is pictured here in 1954, two years out of office, giving the downbeat to the Federation of Musicians, which awarded him its "Baby Grand" award.

HORSE FOR HARRY—On his 64th birthday on May 8, 1948, the late President Harry S. Truman posed with a miniature horse which was given him by a nine-year-old boy from Douglas, Wyo., who was also celebrating his birthday. (AP Photo)

And Then, There Was One

BONHAM, Tex. — At the 1961 funeral of House Speaker Sam Rayburn in Bonham, Tex., are then President John F. Kennedy, then vice president Lyndon B. Johnson, and former presidents Dwight D. Eisenhower and Harry S. Truman. Three of the former presidents are now dead. —UPI Telephoto

JAPAN SURRENDERS—Smiling proudly, President Truman announced the formal surrender of the Japanese Sept. 1, 1945. (AP Photo)

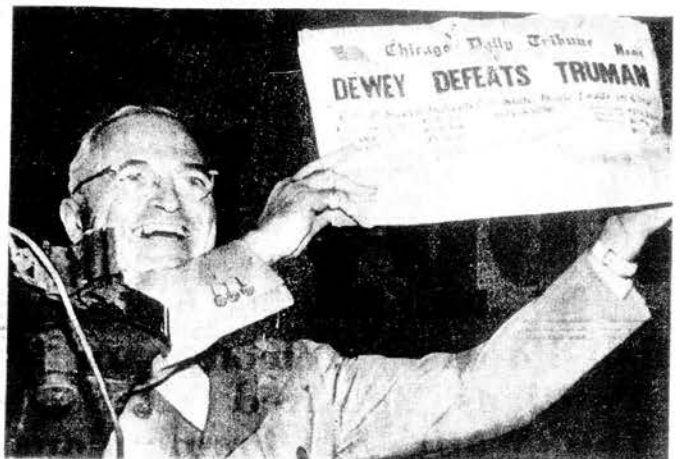

HAPPY 73RD—Friends gave the late president Harry S. Truman a party in Kansas City, Mo., on his 73rd birthday in 1957 five years after leaving the White House. The cake was inscribed "Happy Birthday, Mr. President" and "73." (AP Photo)

TENNESSEE JAMBOREE—President Truman attended the statewide Democratic Jamboree in Knoxville in 1963. He was principal speaker at the function which was attended by several thousand state Democrats.

BLASTS McARTHUR — In a May 7, 1951, speech, President Truman blasted Gen. Douglas MacArthur's war plans in Korea. He feared escalating the conflict could lead to atomic war. (AP Photo)

He Had the Last Laugh

Harry S. Truman smiles big as he displays a newspaper headline announcing his defeat in the 1948 presidential election — only he wasn't defeated. He beat Thomas E. Dewey in one of the most stunning upsets in American political history. The Chicago Tribune believed put its press time, as did Truman when he went to bed election night that he had been defeated. —UPI Telephoto

Loudon

Loudon Boys To Face Knox Central In Optimist Hoop Double Header

Speaking of Sports

By DANNY GIBSON
Sports Editor

The New Year is fast approaching and with it the final issue of *The Loudon Herald* for 1972. A quick review of the facts I find I have just ended a full year of work for the sports fans of Loudon County and I can not let 1973 arrive with out expressing my feelings of great pleasure and reward I have experienced in doing so. The new friends and the warm considerations and help I have received in doing so. The new friends and the warm considerations and help I have received has helped give our paper a sports section of what we hope has become of equal worth to every reader in all sections of Loudon County. The cooperation and help we have received from the respective high schools and the outside help of individual reporters has really widened our coverage and made Loudon County sports known to both the people of Loudon County and to those bordering our communities.

Our lone New Year resolution is to try and give our readers an even more in depth description of the Loudon County sports in 1973, and with your dedicated help we feel certain such a goal will not be that difficult to achieve.

Loudon high school boys is the only team in the county which will be playing any opposing teams during the holidays. The Redskins will be taking part in the South High School Optimist Club Double Header in Knoxville Thursday and Friday. Both the Loudon boys and girls teams will be in action for the first time in 1973 next Friday night at home against Bradley County. Lenoir City will open the New Year with a home tilt against McMinn County Tuesday night, Jan. 2.

Greenback will have their boys in a crucial district game at Knoxville Catholic Thursday night and then both boys and girls teams will oppose Lanier Friday night at Greenback.

While the Lenoir City football team, runner-up to Kingston in the Region II "AA" grid race this past fall, travels to Jacksonville and the Gator Bowl Saturday, this writer will hop a plane Friday night after the Loudon-Knoxville South hoop game to Houston and the Astro Bluebonnet Bowl... with plans to be back in Loudon in time for the first issue of the Loudon Herald for 1973.

A hurried view of the upcoming bowl games should go something like this:

The toughest major bowl pick may be the Cotton. Will Alabama let down after the loss to Auburn, which destroyed national title dreams? Or will the Tide be stung to greater heights by Jim Murray calling the Cotton the "Chicken Bowl" because Alabama chose to play Texas instead of Nebraska?

And what will Texas' reaction be? Texas is a solid, tough ball club. Texas' great psychological spot should be offset by the steadiness of Terry Davis. And surely astonishing blocked punts couldn't cost the Bear another game. Alabama by 5.

I have a shaky vote for Auburn against Colorado in the Gator. Perhaps I'm just pulling for the SEC to redeem itself in bowls. Or maybe Auburn has done so many things it was not supposed to do, it will again. Buffaloes have a great ball-control team. Auburn's expert kicking will be needed. Auburn by 1.

Tennessee has shown it is a resourceful team. LSU has been weaker the past few games. A firm 7 for the Vols on UT's super pass-defense against a Bert Jones, capable of testing it.

Southern Cal has to be favored over Ohio State, though Woody Hayes will be in a good upset spot. And OSU will be the sentimental favorite of all teams with one loss, like Alabama, Auburn, Texas, Penn State, Oklahoma. The factor to pull USC through probably will be fleet Anthony Davis. While we fans were being amazed at two blocked punts against Alabama on the same day, Davis was running 96- and 97-yard kick-off returns back for touchdowns. Never, record men from the NCAA tell us, had a major collegian returned two kick-offs for so many yards in one game. (And we'll add that never had two Bear punts been blocked in one game.) USC coach John McKay must be secretly embarrassed, because it was the middle of the season before Davis got above fourth-string tailback. Then three ahead of him were hurt, my west coast operative tells us, adding: "Notre Dame outplayed USC in the line, but the two kickoff returns and a big interference call were too much for the Irish to overcome. In the UCLA game, USC benefited by the Bruins' continued efforts to run against an 11-man line—all fruitless. The 11 looked like 20 men. USC over Ohio by 7.

Nebraska is too much for Notre Dame, by say 18. The Irish defense is overmatched and, in addition, this is Bob Devaney's last game as Nebraska coach.

Oklahoma won't have much trouble with Penn State, and my pick is 12 points. Also, North Carolina over Texas Tech by 4. NC State over West Virginia by 4. Arizona State over Missouri by 8. Tampa over Kent State by 14.

Loudon's boys varsity basketball team has returned to the hardwood in preparation for their appearance in the South Knoxville Optimist Club Invitational Basketball double header Thursday and Friday night.

Three other teams will take part in the event with the Redskins. They are Knoxville Central High School "Bobcats", South High School "Rockets", and the Maryville Porter High School "Panthers". Only Knoxville Central with a 7-2 record will bring a winning record into the two day meet.

Loudon, who must face the Bobcats in the opening round of the Invitational, have a 5-6 record to date. The lone common foe of the two opening game opponents is Maryville Everett. The Bobcats won a point over the Everett team while Loudon lost an overtime tilt by a point to the Bulldogs.

Host team, Knoxville South will oppose Porter in the Thursday night nightcap.

Loudon will rely on the 1-2 scoring and rebounding punch of senior Mike

REDSKINS IN OPTIMIST INVITATIONAL—The Loudon Redskins will carry a 5-6 record into the South Knoxville Optimist Club Basketball Invitational Thursday and Friday night along with teams from Knoxville Central, South High School, and Maryville Porter. Making the varsity trip for Loudon will be front row, left to right:

John Ratledge, Rick Messamore, Butch Brown, Rodney Elvins, R.L. Brunan, Eddie Montooth, Greg Allmon, and Doug Kincaid, manager. Second row, left to right: Assistant Coach Larry Bridges, Mark Miller, Rick Melton, William Canler, Mike Messamore, Bill Collins, Donnie Therpe, and head Coach Hugh Watson.

Messamore and sophomore William Canler to handle the challenges expected in the holiday meet. Messamore is the Redskins leading scorer to date with a 17.6 points per game average and a 12.8 rebounding efficiency. Can-

ler, the 6'2" jumping-jack, has a 15 point per game average and has collected 135 rebounds in 11 games for a 12.2

mark in that department. Senior Bill Collins, who has played in streaks for the Redskins, has the best supporting credentials with an eight point average and seven rebounds per game stats in nine games. Donnie Therpe, a hard working sophomore forward, has seen action in 10 games and has scored 52 points and pulled down 70 rebounds in establishing himself as a regular in the Redskin lineup.

Rodney Elvins is the expected floor general for the Loudon team and excels as a defensive hawk and ball handler. Butch Brown, R.L. Brunan, and Rick Melton are expected to see action in the two nights of hoop play.

Knoxville Central with a range of "pivot men and a tight man-to-man defense making them one of the more respected teams in the KIL this season provided Coach Hugh Watson and his team a real challenge in regard to kicking off the second half of the regular basketball season.

Games will all be played at South Knoxville High School gymnasium. The Loudon-Porter clash is to start at 7 p.m. tip off and the South-Porter clash is to start at 8:30 p.m. The same time schedule is to be followed on Friday night.

LOOKING FORWARD TO 1973 HORSE SHOW CIRCUIT—These three Tennessee Walking horses, winners of various awards and trophies, are pictured from left to right: Delight Dream, two year old amateur champion, owned by Warbonnet Stables, Prides Shod, two year old champion, owned by Hill Russell and Associates, and Sun's Cold Night, four year old champion, and high point horse for this past year, owned by Tommy and Jimmy Hall.

"Sun's Cold Night" Named East Tenn Horse Show Association Champion

With the months of winter bringing cold weather and snow to the southeastern United States the weekly horse shows around the area have liberated to the warmth of the stables. No showings will be until spring and the welcoming of warm nights. Despite the law of nature and the change of seasons, Jimmy and Tommy Hall are anxiously looking forward for spring and the start of the horse showing season. Jimmy and Tommy own a four year old Tennessee Walking horse by the name of "Sun's Cold Night". The beautiful stallion is not just the everyday run of the mill walking horse

bred but is the 1972 four year old Grand Champion. An active member of the East Tennessee Horse Show Association, "Sun's Cold Night" was the 1972 high point horse of the year. The novelty of parading into the awards circle is nothing new to this fine walking horse. In 1970, as a two year old, "Sun's Cold Night" was named the Reserve Champion two year old by the East Tennessee Horse Show Association and the trophies and honors have gotten bigger and better each year there after. In 1971 he received the three

year old distinction of Grand Champion of his class and again followed suit this past year as a four year old. In his brief but bisterous career "Sun's Cold Night" has been shown in 41 horse shows and has placed in 39 of them. Thus with 1973 just around the corner you can trust that "Sun's Cold Night" entering in his prime as one of the top show pieces in the state will be heard from for years to come and not just on the local scene but national circles as well. "Sun's Cold Night" is trained by Bill Millsaps of the Philadelphia community.

Maryville-Alcoa Jaycee Classic Being Played This Weekend

Blount County welcomes several of Tennessee's outstanding high school basketball teams for the 22nd annual Maryville-Alcoa Jaycee Classic.

One of the oldest holiday events in the state, six boys' teams and eight girls' teams will compete in this year's classic. The event will get under way Thursday, Dec. 28, with four games. There will be five games Friday, Dec. 29, and four final games Saturday, Dec. 30. All games will be played at Maryville College.

Alcoa, Friendsville, and Maryville will be the host boys' teams for this year's classic. Visiting boys' teams are Chattanooga City, Battle Ground Academy and Ketron. Girls' teams include hosts Porter, Everett, Friendsville and Townsend. Visitors are Bradley County, Gainesboro, West Greene and Woodbury. Alcoa and Chattanooga City ranked among the state's top 15 teams in previous years.

polls, highlight the boys' division. Upper East Tennessee's Ketron has been a mild surprise in early season action, and Battle Ground Academy is expected to be one of Middle Tennessee's better teams this season.

Alcoa has lost only to highly regarded Oak Ridge in games this season. Coached by Vernon Osborne, the Tornados were ranked No. 5 in one pre-season prep poll. Alcoa has won two state titles since 1968.

Chattanooga City, coached by Dorsey Sims, has had problems in early games, losing four of 10. Sims coached Chattanooga Riverside to its current position in Tennessee basketball circles, before moving to Chattanooga City last year.

Ketron, coached by Jimmy Dixon, has lost only to No. 1-ranked Kingsport. Dolans Bennett in early games this season. BGA is coached by Jay Cole.

former All-State performer at Knoxville South.

Hosts Friendsville and Maryville are rebuilding this season, but should prove formidable opponents for the visiting teams. Friendsville is coached by Bill Wallace and Maryville by Jim Campbell.

Through the first week of December, the eight girls' teams in this year's classic had lost only six games between them. Three visiting teams, Gainesboro, West Greene, and Woodbury were undefeated at this time.

Only one of these six defeats was not leveled by one of the eight participating teams. Bradley County had been beaten by Porter, Porter lost to Friendsville, Everett was upended by Bradley and Townsend defeated by Everett and Porter. Friendsville's loss came in a season opener at Sevier County. Porter, coached by Galem

Sewanee Cage Team Off On 14 Day Tour Of Mexico

The Sewanee Tigers are off to their best start in recent years with a winning 4-2 record. One of the biggest factors in the Tigers' improved play is the tremendous performance of Little All-American candidate Bill Kosick. The seven foot center is averaging 25.3 points and 16.1 rebounds a game. While some would tend to think these marks were achieved against small college competition, it should be noted that Kosick scored 22 points and grabbed 12 rebounds against undefeated Mississippi State University and scored 19 points against Tulane before fouling out with 14 minutes remaining on the clock.

Head Coach Rudy Davalos and Assistant Mac Petty say: "This is the most unselfish team they have had at Sewanee. We have people sacrificing individual glory and point averages by contributing in their own special way for the betterment of our team. These fellows are a determined bunch and we are becoming big fans of theirs."

This group of cagers are an unusual array of players recruited by Davalos and Petty. Kosick, a close friend of the Tiger Coach before he transferred to Sewanee, was fed up with "high-pressure" athletics and found the University of the South to his liking. Jackie Lefler, a 5' 10" guard from Loudon, son of Mr. and Mrs. Jack Lefler, has just finished his freshman season at the University of Alabama when he found out that his future looked bleak with the super talented Tide. Lefler was persuaded that his place was leading the Tigers and joined his former high school coach at the Tiger camp for his sophomore year. Jackie proved to be an instant success and is a returning regular with a double figure average to his credit. But this season Lefler has been content to direct the Tigers from his playmaking position and some eye catching passes and ball handling. Jackie has also turned in some excellent defensive showings. Joining Kosick and Lefler to complete the Tigers' top

personnel are Eddie Green, a 6'3" forward who was found playing intramural ball at Auburn University where his father is the Dean of Yel-Medicine School. He decided to attend Sewanee on the encouragement of Davalos and his older brother. Green is a durable competitor who helps to captain the team. Ken Bohman, a 6'4" had sat on the bench at Columbia State Junior College for two years behind some excellent players and was eager to play when he arrived on the Sewanee campus. Highly recommended by both his high school and junior college coaches.

It is highly unusual in this day and time for a young man to turn down a full scholarship to attend a school that does not offer athletic aid, but Eddie Krenson, a 6'2" performer of Father Ryan High School of Nashville, is an unusual young man. He was a first team All City performer last year and now starts for Sewanee.

The flying Tigers are presently off from the "hards" with the close of the semester. But action is due to pick up almost immediately with an after Christmas tour "South of the Border". The trip will begin after a stop-over at the Astor Bluebonnet Bowl in Houston. The Sewanee team will get a chance to holler for their neighbors (U.T. Vols) against the 1-5-11, and then head south for a 14 day excursion to the Mexico City area. The Tigers will compete against Mexican universities and tour the country.

Traveling to other countries is not new to this group of youngsters. Last year the team toured Luxembourg, Belgium, and the Netherlands while competing against local teams. Rated higher than ever before by Littenhouse, this Sewanee cage team is creating quite a stir on the beautiful mountain-top campus.

The University of the South will resume its regular season schedule on January 29 against Bryan College of Dayton.

GOING SOUTH OF THE BORDER—Sewanee coach Rudy Davalos and his tri-captains, Eddie Greene, Jack Lefler and Bill Kosick, try on some Mexican raincoat in preparation for the basketball team's trip south of the border down Mexico way. They will spend 14 days in the Mexico City area, then return home Jan. 16.

preparation for the basketball team's trip south of the border down Mexico way. They will spend 14 days in the Mexico City area, then return home Jan. 16.

State Basketball Tournament Announced

The Tennessee Secondary School Athletic Association has announced the drawing for both classifications of the 1973 boys basketball tournament.

The Class I (large school) drawing: Wednesday, March 14—Winner Region 1-Second Region 2 vs. Winner Region 2 vs. Winner Region 3; Thursday, March 15—Winner Region 3-Second Region 4 vs. Winner Region 2-Second Region 1; Friday, March 16—Semifinals. Saturday, March 17—Finals. The Class II (small school) drawing:

Wednesday, March 14—Winner Region 4-Second Region 5 vs. Winner Region 3-Second Region 4; Thursday, March 15—Winner Region 3-Second Region 4 vs. Winner Region 2-Second Region 1; Friday, March 16—Semifinals. Saturday, March 17—Finals. The Class II (small school) drawing:

Game and Fish TODAY

By Sgt. Bob Harmon
Game and Fish Commission

In last week's article, I reported the Games and Fish Commission's intentions to ask the Tennessee General Assembly to increase the fee for hunting and fishing licenses.

Specifically the Commission announced its intentions to present a four-part request to the Legislature, which, if approved would generate slightly over \$1 million in additional revenue. License cost changes requested include:

Separation of the present hunting and sport fishing license into fishing only and hunting only licenses, each to cost \$6. However, a license allowing both hunting and fishing would be available for \$10. The reason for the separation is for the benefit of those sportsmen that only hunt or only fish.

Increase the cost of the one-day fishing permit from \$5.50 to \$1 because the administering of this permit almost absorbs the amount of revenue received from its sale.

Eliminate a provision which allows a person to fish in his home county without a license as long as he used natural bait except minnows. Eliminating the home county fishing would require anyone fishing to possess a license, except those people under 16 years of age (not required for 65 years and older issued free).

Only those citizens that hunt or fish would be benefited by this license increase. Of course, one of the most common remarks against an increase in the "taxes" are increased every year. These taxes increase do not help our Game and Fish programs.

The Game and Fish Commission is a self-supporting State agency which receives its revenue solely from the sale of hunting-fishing licenses, stamps, permits, and federal aid which is distributed to the State on a ration of hunting and fishing licenses sold. The Dingell-Johnson and Pittman-Robertson Acts are Federal Aid, and they are the backbone for research projects conducted by the Game and Fish Commission.

The Game and Fish Commission receives federal aid on a 75 percent to 25 percent matching basis. At the present time, we are losing federal aid because we cannot match these grants.

The Game and Fish program is varied and completed in that we have several types of programs such as: Big game, small game, waterfowl, warm water and cold water fisheries.

Some sportsmen ask, "What is the Game and Fish doing to improve my sport?" Of course, the Game and Fish have several projects across the State to better your sport but let's take our own local area to tell what we are doing for you.

For the big game and small game hunters, we have obtained some 604,000 acres of federally owned lands known as the Cherokee National Forest. These lands have good small game hunting and with the restoration of deer, bear, and wild boar, will provide big game hunters with a trophy.

In an effort to improve small game habitat in Loudon County, last week this writer and District Game Biologist, Larry Safley, at-

tended the Loudon County ASCS Planning committee meeting held in Loudon. We recommended to this committee three (3) federal funded wildlife improvement programs. The ASCS committee approved these programs known as the G-1, G-2 and B-7 practices.

The G-1 practice can be used to develop food and/or cover for wildlife. For example, a farmer could get paid for developing a fence row around or through his fields by using plants; such as, lespedeza bicolor, autumn olive, dogwood, honeysuckle, etc. He may also be paid for establishing perennial food plots with buckwheat, millet, grain sorghum, corn, soybeans, etc.

The B-7 practice pays 80 percent of the cost for building wildlife or fish ponds. Other ponds can also be built under this practice.

What about the waterfowl hunter? The Game and Fish Commission, in an effort to better the hunting in East Tennessee, is developing resident non-migratory waterfowl in the state. In addition to mallards, the Commission is also working with Giant Canada geese and wood ducks. A flock of Giant Canada Geese was calling Melton Hill Lake home if this project meets with success.

The trout fisherman will be benefited by the Buffalo Springs Hatchery, which should produce 100,000 pounds of trout annually. Some of these fish will be released in the Little "T" River and in the streams on the Tellico WMA. Commission in an effort to better the hunting in East Tennessee, is developing resident non-migratory waterfowl in the state. In addition to mallards, the Commission is also working with Giant Canada geese and wood ducks. A flock of Giant Canada Geese was calling Melton Hill Lake home if this project meets with success.

Your County In Action

BY HARVEY L. SPROUL
LOUDON COUNTY JUDGE

Here is some special news and comments concerning matters that might be of particular importance to the taxpayers of Loudon County. I keep noticing in the newspaper each year where the Circuit Court Clerk of Knox County itemizes the amount of money which she says she is paying the Knox County taxpayers. She does this by calling jury members when a case is settled or postponed so that there is no need for them to come in for jury duty. As you may have noticed, this saves quite a bit of jury pay for Knox County each year. Comparatively, in Loudon County our clerks have been doing this for even more years than has apparently been done in Knox County, and does mean a source of tax savings to the people of Loudon County. This practice was instituted in the time of former clerk, Bobby J. Knowles (and possibly even before that), and has been diligently continued by the present clerk, Billy Atkins. We should believe in giving credit where credit is due and when clerks and public officials take extra pains to do the things to save the County tax dollar, they deserve to be commended.

The problem of many of our senior citizens having to live on low incomes is one of which most of us are aware. This problem is a part of the passing of the Question III, the new amendment to the Tennessee Constitution, and is a part of the Local Government platform in attempting to give tax relief to senior citizens, with no damage to the local property tax base.

Accordingly, upon request of our Local Government committee, the last Legislature approved special legislation which gives some benefit to our senior citizens, and I thought it might be of interest to outline just what those benefits are. First, I think it is well to commend the joint local government committee of the Tennessee Municipal League and the County Services Association, and the State Legislature, for requiring that the State reimburse the Counties for those special benefits that are given to our senior citizens so that it does not harm the local property tax base.

The way it works is this: Senior citizens whose annual

Around The Farm

Charles McCall
Extension Leader

Each year literally thousands of poinsettias are sold during the Christmas season. A large majority of these are enjoyed for a couple of weeks and when the leaves begin to drop they are discarded. You may keep your Christmas poinsettia and have it, or new plants propagated from it, next Christmas. You will enjoy growing your own Christmas poinsettia, which is easy if you follow a few simple steps. Water the plant until all leaves have shed and the stems are naked. Then take the pot and plant to a well-ventilated place which is frost-free and allow the plant to become dry. (Water only sparingly.) About the first of May take the plant out of the pot, knock off all the soil, and reset in fresh potting soil made up of sand and good top soil. After resetting, cut the stems back to about three eyes from the base and water heavily. The pot and plant may be kept in a sunny window or may be placed in the yard in a few weeks new shoots will grow from the eyes and develop the plant's shape.

In early August you may take cuttings from this plant and raise new Christmas-blooming poinsettias. The cuttings should be placed in a 6" of the stem tip. Place the cuttings in a plastic bag or in a covered container. If watered generously and kept on a sunny window ledge, they should be in bloom throughout the Christmas and New Year holidays. One thing that will help assure a beautiful, vigorous plant is to protect it from its enemies. 1. Direct blast of cold air such as being displayed near an outside entrance door should be avoided. 2. High and dry temperatures should also be avoided. Poinsettias respond to high humidity, and 2 or 3 times a week they should be placed in the kitchen and run water to raise the humidity. 3. Poinsettias do not like smoke-filled rooms - they want good clear fresh air.

Pvt. Shiplet Completes Army Advanced Course

Army Private Michael R. Shiplet, 26, son of Mr. and Mrs. Roy Shiplet, route 5, Loudon City, recently completed nine weeks of advanced individual training at the U.S. Army Infantry Training Center, Ft. Polk, La. He received general training as a light weapons infantryman and as a mortar and recoilless rifle crewman, in addition to specialized weapons instruction. He also was taught the proper use of high explosives and the placement, detection and disarming of mines. Teamwork was emphasized while he was trained as a member of a rifle squad, mortar squad or direct fire section. Each team member completed the training well qualified to perform other jobs in case of casualties. Pvt. Shiplet is a 1972 graduate of Loudon City High School. His wife, Evelyn, lives on Route 2, Oak Park Mobile Home Community, Loudon City.

Elmer Stacy Completes Airforce Basic

Army Private Earl D. Stacy, son of Mr. and Mrs. Elmer L. Stacy, Route 3, Loudon City, recently completed eight weeks of basic training at the U.S. Army Training Center, Armor, Ft. Knox, Ky. He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions. Pvt. Stacy received training with company D, 11th Battalion of the 4th Brigade. The 19-year-old soldier is a 1971 graduate of Loudon City High School.

TVA Makes \$27 Million Payment

The Tennessee Valley Authority will make a yearend payment of nearly \$27 million to the U.S. Treasury as its semiannual dividend on the TVA power system. The TVA power system is owned by the Federal Government and is not operated for profit. It is required to make prepayments on Federal appropriations invested in TVA power facilities in earlier years, plus dividends on the unrepaid Government investment at a rate based on the Treasury's own interest

Obituaries

WILL H. WEAR

another. Possibly to harvest some farm crop. The farm implement industry, like everything else, has made tremendous strides in the realm of progress, and this is very good. But, somehow, the old steam engine, or steam tractor has a very warm spot in the hearts of many people. It like the old steam railroad locomotive, has long since been superseded by a more versatile and flexible machine designed to do the jobs they once did.

We, of course, are reminded of this by an old picture we have this week of an old time steam engine powering a very old model thrashing machine. I am not too much of an authority on these things, but a look at this old thrasher leads us to believe it is a very early model and possibly one of the first to be powered by a steam engine. Of course, we could be wrong, maybe some of our readers can remember back this far.

Anyway, this picture was made in the Paint Rock section of our area many many years ago. Just how many, we do not know, but would guess it to be in the early nineteen hundreds. Three names are written on the back of this old picture. They are Frank and Bob Campbell and John Robinson. Mr. Weaver of the Paint Rock area loaned us this old picture from his collection. We greatly appreciate this.

Our other picture this week is one which will surely bring many memories to the minds of our readers who lived in our

area a number of years ago. It is a picture of the late preacher, Dave Henley and his wife and two of his sons. We mentioned here in our column one time that Preacher Henley probably preached more funerals in our area than any one preacher of his day. He might have set a record in this part of his ministry. We would like to know just how many he had to his credit, but it is doubtful if

he ever kept a record of this. In my memory, I recall his white mustache and when you saw him in Loudon, he was always talking to those who had gathered around him. I know many of those from the Good Old Days in Loudon remember the many revival meetings held by Preacher Henley during his years as a minister in this section of the country and maybe other areas. We know he traveled

LOUDON COUNTY MEMORIAL HOSPITAL REPORT

BABIES

December 18 - Mr. and Mrs. Cook (Teresa Suzzette), a son, 9 lbs.
 December 19 - Mr. and Mrs. Bowman (Wanda), a daughter, 8 lbs. 4 ozs.
 December 20 - Mr. and Mrs. Mason (Nancy), a daughter, 8 lbs. 11 ozs.
 December 22 - Mr. and Mrs. Skelton (Becky), a daughter, 8 lbs. 3 ozs.

A number of years ago it was not an unusual sight on our rural area roads to see an old steam engine puffing and chuffing along as they made their way from one farm to another.

Planning for a Bright Future

An electric system has the responsibility of providing a constant supply of electricity for its present and future customers. But to continue this supply, the system must expand with the community.

That's why, right now, we're forecasting the number of customers we'll have in 1985 and how much electricity they'll use. If the forecast shows that we need to expand our facilities to meet the future demand, planning and construction must begin on schedule. So that by 1985, we will be able to meet the demand.

Dependable service through the years - that's the kind of future we're planning.
