Carbide Employees Vote For Union

Hourly employees at Loudon's Union Carbide Friday night voted last week for representation by the International Association of Machinists and Aerospace Workers. The vote was 193 for the union and 173 against.

Company officials said that all but three of the eligible voters in the plant cast ballots in the election. Nine votes were challenged.

Plant Personnel Relations Director Jack Modglin said the next step is the certification of the election by the National Labor Relations Board officials from Atlanta. When the election is certified by IAM officials will contact company officials and a date will be set for the beginning of negotiations.

The International Association of Machinists and Aerospace Workers is headquartered in Cleveland, Ohio. The Union has had an office in West End Loudon for several weeks leading up to the vote held last Wednesday and Thursday.

City Appoints Board, Needs New Fire Truck

At a called meeting of the Loudon City Commission Friday night a seven member Health and Education Facilities Board for the City of Loudon was created. The board is part of the state requirements under the act which will allow for the construction of the 90 bed William Bond Company's Care Inn Nursing Home at Loudon.

Named to the board were Ray Birkholz and Pete Campbell for six years, John Greer and Charles McCall, four years; and Edna Armwine, Wanda Watkins and Jack Randolph for two years.

City Administrator Gary Hensley said that the Board will issue bonds for the purchase of land and the construction of the nursing home facility that will then be operated by the Bond organization on a lease-purchase agreement. The

Nursing Home will be located on Highway 72 near Loudon County Memorial Hospital and property being purchased from Martha Robinson.

Administrator Hensley also reported that he had been informed by State Fire Inspectors, who recently completed their 10-year insurance inspection of fire fighting facilities in the City, that the city would be required to purchase a new fire pumper truck. Hensley said that it would take several months to prepare specifications for the equipment, expected to cost more than \$40,000, and then about a year for delivery after the bid had been awarded.

The Commission authorized him to go ahead and seek professional advice from state agencies to assist him in drafting the specifications of the equipment which will be needed.

W. H. Russell, Edward Headlee, Guy Russell, Ed Alexander Win Top GOP Nominations

HAPPY NOMINEE—Superintendent of Education nominee Edward Headlee gets a congratulatory kiss from his wife, Nancy, after election returns Thursday night showed that Headlee had defeated incumbent Albert Dukes and challenger Ed Osborne.

RUSSELL CONGRATULATED—GOP nominee for Sheriff Guy Russell receives congratulations from well-wishers after Thursday night's primary results were announced at the courthouse.

As expected a record number of voters went to the polls in Loudon County Thursday to select Republican nominees for the August General Election. When the polls were closed and the votes of the 422 voters were tallied there were some surprise winners.

Comments of voters expressed greatest surprise at the victories of Edward Headlee for Superintendent of Schools and Guy Russell for Sheriff. Both men had two opponents and the races had been viewed as toss-ups. In

other county-wide races William H. Russell, a Loudon Lawyer and former administrative assistant to Governor Winfield Dunn easily defeated former county court member Paul Arp in a 2292 to 1142 vote. Russell won all but one precinct, with Arp's lone precinct win coming from Luttrell.

Incumbent County Court Clerk Ed Alexander received a heavy block vote in the

Loudon, Philadelphia and Greenback precincts to win a 503 vote margin, 1980 to 1457, over B. F. White.

There were two other contested races. Third district Road Commissioner Joe Greenway outpolled Howard Brooks 1350 to 1019 for that nomination. Incumbent first district Constable Dewey Russell lost in his bid for the nomination by four votes. Winning the two slots on the General Election ballot were O'Dell Justice with 552 votes and Jack Rowe with 544 votes. Russell received 540 votes.

(EDITORS NOTE—A full tabulation of the official results, precinct by precinct, are contained elsewhere in this issue.)

Loudon High School teacher Edward Headlee, who conducted a well organized campaign with a large staff of teenage supporters, pulled the big surprise of the election. He took a heavy vote lead in the Loudon and Philadelphia precincts, along with a good showing in the remainder of the county to win over Lenoir City High School Principal Ed Osborne and incumbent Superintendent Albert Dukes. Headlee collected 1541 votes, Osborne 1320 and Dukes 1070, giving Headlee a 211 vote win over Osborne.

In the race for nomination for Sheriff, Lenoir Citizen Marion Wampler, won seven of the 13 precincts, but a very heavy vote for Guy Russell in the Loudon-Philadelphia area gave Russell the nomination. Russell polled 1738 votes, with 953 coming from Loudon and Philadelphia. Wampler ended with 1479 votes and Fred Sheppard, who took second in three precincts, received 314 votes, according to the official count.

A strong county-wide vote for Ed Alexander, winning nine precincts, carried him over B. F. White. Many had expected a much closer race for that nomination.

Trustee J. V. (Slim) Schrimsher received the heavy complimentary vote, 2706. He was followed by Register of Deeds incumbent Ralph Wear with 2677. The heavy voter turnout had been predicted by both local newspapers because of the interest in the Sheriff and School Superintendent races. The previous high Republican Primary vote was 3188 in 1966. This primary saw that vote topped by 1964 voters. Some election watchers say that the influx of 600 new voters and an estimated 500 Democrats voted in the primary accounted for the increase.

Another surprise was that the first district, Loudon area, turned out more voters than the second district, Lenoir City, area. Some 1419 voted in the four first district precincts and 1370 in the Lenoir City precincts, a difference of 43.

Road Law To Have Great Affect Here.

The Tennessee County Uniform Road Law enacted by the state legislature recently

will greatly affect Loudon County, Harvey Sproul, county judge told the Quarterly Court Monday.

He also emphasized the bill leaves several questions unanswered. He said Tuesday night he has sent a letter to the County Technical Assistance Services in Nashville asking for clarification of the bill.

The language of the bill presumes a single chief administrative officer for the county's highway department and sets up a minimum salary schedule for the position. However, a provision is made for counties, like Loudon County, which have more than one commissioner, and specifies that the salary will be equally divided among them.

Provisions in the act set qualifying standards for highway commissioners, salary scale and term of office. The act also requires complete inventories and plans for a five-year improvement program to be submitted by the highway department.

Any use of the county highway equipment or material on private improvements is prohibited under the act. Such acts are misdemeanors. (Continued on Page 11)

Builders Give Up On Code Revision

Loudon County Court postponed enforcement of the Southern Standard Building Code Monday when a committee of builders and suppliers failed to provide recommendations for revising the code.

The code was adopted by the court in its June meeting of 1973 but enforcement was postponed to Sept. 1, 1973 and again to Jan. 1, 1974.

The delays were to give local builders and suppliers time to propose amendments to the code.

J.W. Wilburn, of Wilburn Hardware Co., Lenoir City, Wayne Carter of Carter Lumber Company, Loudon, and Jim Hamilton, builder and contractor, told the court the code is unworkable.

WILBURN SAID, "If it gets started, I'm afraid you're going to have people here every meeting taking up hours of your time, just like the planning commission."

Carter maintained the requirement of using only graded lumber will only increase the costs without improving quality. He said the lumber now being used is "a little superior to the stamped lumber. The only difference is we don't have the stamp."

Hamilton expressed the unanimous opinion that the code can only serve to increase prices. He added, "I'm not going to bear it. The buyer is the one who will have to pay."

Squire James Hartsook said the court was only getting one side of the question and requested someone to speak for the homeowner who gets a shoddy building.

Squire J.J. Blair, a contractor himself, told the court the main objection to all the required inspections. He said if the inspectors do not check buildings when needed, building crews will be idle and will run costs up.

Wilburn said enforcement of the code would mean people could not build their own homes from wood cut on their own property. The code calls for graded lumber and a licensed contractor for all buildings to be maintained.

In addition, the committee

complained about the requirement for having a blueprint and architectural drawing of every building as adding an additional \$500 to \$2000 to the cost.

REPEATED REQUESTS from Judge Harvey Sproul for specific recommendations from the builders and suppliers committee received only blanket condemnations of the code.

Squire Blair complained he does not know what the code requires, asking Wilburn where the committee obtained a copy of the residential portion of the code.

The issue was again postponed and the court asked Judge Sproul to obtain copies of the code for the court members to use in further study.

Inman Moss of Sweetwater made the low bid on the Philadelphia Connecting Road for the excavation. The bid

was for \$310,788. It includes all grading, ditching and bridges but does not provide for the paving, sign and guardrails. It is a 1.9 mile project.

The court voted unanimously to accept a temporary no cost lease with TVA for the county to operate the Air National Guard Rest Camp as a recreation park.

The agreement, called a Land Use Permit License, can be voided by either party on 30 days written notice.

The arrangement also calls for the county to submit a projected improvements and use plan if it is decided to enter into a permanent agreement.

The court unanimously voted to approve an amendment to the A-1 zoning provisions to allow recreation facilities other than those permitted.

STATE PLANNER Steve Campbell told the court the

Widow Sues For \$500,000

The widow of a TVA guard, killed while directing traffic for a work crew in March, has filed a \$500,000 damage suit in U.S. District Court against an Ohio truck driver and his employer for the alleged wrongful death of her husband, Thomas H. Hood.

Mary Virginia Witherspoon Hood accuses Robert Lahr, the driver of the tractor-trailer rig, of negligence in the operation of his vehicle and also "names his employer, Wingo Inc., a defendant as owner of the truck."

Hood was standing in front of a vehicle on U.S. Highway 11 near Loudon, directing traffic around a construction site, when the accident occurred.

Mrs. Hood charges Lahr of Bloomingdale, Ohio, drove his rig into the parked vehicle "causing it to be knocked forward over Hood," and then passed over Hood with his rig, "causing instantaneous death."

Choral Concert To Aid Band

The annual concert of the Loudon County Choral Society will feature a brass trio from the University of Tennessee that will present a selection of classical numbers during the program.

The Concert is scheduled for Loudon High School at 7:30 p.m., Thursday, May 16 and on Friday, May 17 at Lenoir City High School.

The presentation at Loudon is being co-sponsored by the Loudon Lions Club and the Loudon Band Boosters Club. All proceeds from the event, having an admission-donation of \$1 per person, will be presented to the Loudon area band program. Tickets are now on sale by members of the Lions Club, the three bands in the Loudon program, under director Ray King, and members of the Band Boosters Club. Tickets will also be available at the door.

Choral Society Conductor Roy G. Cardwell Jr., said the 34 voice Society, made up of persons from Loudon and Lenoir City will present a varied program. Some of the selections are Scarborough

Fair, Creation, Amazing Grace, Syncopeed Clock, Carousel, Impossible Dream,

Aquarius' and a special finale, Thankful To Be An American, Born In God We Trust.

Oscar Kirkland of Loudon is President of the Choral Society.

LIONS BOOST CHORAL SOCIETY CONCERT—The Loudon Lions Club and the Loudon Band Boosters Club are helping boost the Annual Concert of the Loudon County Choral Society, set for Loudon High School Auditorium on Thursday, May 16. All proceeds from the concert will be donated to the Loudon area Band program. Pictured are Lions James Savage, Tom Nichols and Tom Matlock, with Choral Society Conductor Roy G. Cardwell, Loudon High Band Director Ray King, and Choral Society President Oscar Kirkland.

OFFICIAL RIBBON CUTTING—Hamilton National Bank President Don Carter cuts the official ribbon of 20 five dollar bills at the Philadelphia Branch of the bank if opened Saturday afternoon. Better than 500 persons attended the opening. Mr. Carter is flanked by other officers and employees of the bank who assisted in the opening.

Loudon County Herald

For and about Women

Ann Randolph Engaged Zimmerman

Mr. and Mrs. Ted Allen Stafford of Loudon announce the engagement and forthcoming marriage of their daughter, Elizabeth Ann, to Larry Eugene Stafford, son of Mr. and Mrs. Gene Franklin Stafford of Loudon, R. I.

Miss Randolph is a cum laude graduate of Carson-Newman College and is presently teaching at the Loudon Jr. High School.

Mr. Stafford is a cum laude graduate of the University of Tennessee with a degree in Mechanical Engineering. He is employed with IBM in Boulder, Colorado.

June 28th is the date set for the wedding to take place at the First Baptist Church of Loudon.

Named Methodist Woman Of Month

Loudon United Methodist Women at their unit meeting Monday, April 29, honored Mrs. W. F. (Louise) Zimmerman as Woman-Of-The-Month. Mrs. Zimmerman was the choice of the Violet Grubb Group and was presented by the group's leader, Mrs. Charles Morgan.

In the presentation Mrs. Mortan cited Mrs. Zimmerman as "a superb teacher in public and church schools, an effective leader in church and community affairs, a resourceful program planner, a successful pioneer chairman of the Council on Ministries of the Loudon United Methodist Church, and a sometimes Volunteer of her services when no one else is available for something that needs to be done."

sisters and brother-in-law, Mr. and Mrs. Ray Giles and family of Riceville, Mr. and Mrs. Maynard Thompson and family of Sweetwater, also his mother, Mrs. Minnie Kirkland and sister and brother-in-law, Mr. and Mrs. Larry Hooker and family and brother Buck Kirkland and family.

Mr. and Mrs. Bob Barbour and sons of Morristown spent the weekend with their parents, Mr. and Mrs. Burton Pettay of Loudon and Mr. and Mrs. James Kelley of Lenoir City.

Personal Mention

MRS. ERNIE LUNSFORD
Phone 458-2681

Mrs. Maggie Limburg returned home recently after spending the winter with her son-in-law and daughter, Lt. Col. S.W. Harris in Columbia, S.C.

Mr. and Mrs. Cecil Karnes spent the weekend with their son and daughter-in-law, Mr. and Mrs. Jim Karnes in Fayetteville.

Mrs. Joe Largent of Philadelphia and Mrs. Carl Henderson spent last Tuesday with Mrs. Martha Woody and Kay in Kingston.

Mr. and Mrs. Terry Cook and children of Kokomo, Ind. and Mrs. Tommy Badsbaw of Lenoir City were dinner

Patti Gentry, Freddie Nix Exchange Vows

Patti Denise Gentry and Freddie Joe Nix were united in marriage on Saturday, March 16 at New Macedonia Baptist Church.

Rev. Elmer Hurst performed the double ring ceremony before an altar decorated with a large candleabra entwined with greenery and burning tapers. Nuptial music was presented by Mrs. Faye Townsend. Special solo selection was "The Twelfth of Never".

The bride is the daughter of Mr. and Mrs. Floyd Gentry, Jr., Philadelphia. Parents of the groom are Mr. and Mrs. Fred Nix.

The bride, given in marriage by her father, wore a gown of Chantilly lace with a fitted bodice, empire waistline and high neckline. She carried a large orchid with pink rose buds.

Miss Gail Simpson was Maid of Honor with Mrs. Danny Jones serving as Matron of Honor. They wore long baby blue dresses and carried long stemmed pink roses. Paula Gentry, sister of the bride, was flower girl. She carried a basket of pink rose buds. Miss Joyce Harrison kept the bride's book.

Best Man was Danny Jones, brother-in-law of the groom. Ushers were Eric Hawkins and Keith Gentry, brothers of the bride. Ring bearer was Kevin Gentry, brother of the bride.

A reception was held at the bride's parents home following the ceremony. Those assisting with serving were Misses Joyce Harrison, Pat Ishill and Barbara White.

Philadelphia Personal News

Mrs. Eugene Dilts returned home last Wednesday after being in Mountain City with the William Jones family for a week. Mr. Jones had surgery and is now at home.

Mr. and Mrs. Ray Tallent of Loudon City visited Sunday with Mr. and Mrs. W.T. Tallent and attended the service at the First Baptist Church with them.

Mr. and Mrs. Charles Tallent had their sons home with them last week. Mr. and Mrs. Charles Tallent were here from Washington D.C. and also visited her mother, Mrs. Irene Stockton. Mark Tallent is from Charleston, S.C. Both sons are with the United States Navy.

Mr. and Mrs. Garland Wooden from Cleveland visited with their daughter, Mrs. John Neese, Rev. Neese and the children over the weekend.

Mr. and Mrs. Jess Phillips of Alcoa were guests Sunday of Mr. and Mrs. Fred Reed. Mr. Phillips was a visitor at the First Baptist Church Sunday morning.

Mr. and Mrs. Joe Dotson and two sons moved recently from Athens to the former home of Mrs. Mary Hill.

Guests of Mr. and Mrs. Wayne Mashburn this week are his sister, Mrs. Howard Tiche and Mr. Tiche from Satellite Beach, Fla.

Mr. and Mrs. Paul Alexander of Loudon City, Tim Thompson from UT and Mr. and Mrs. Marlon Snopel and daughter, Laura of Jackson, Ga. were guests of Mr. and Mrs. C.E. Thompson Sunday. The Snopel family stayed overnight and returned to Georgia Monday.

Mr. Luke Crowder of Maryville visited Sunday with his sister, Mrs. Lois Linginfeller and Mr. and Mrs. W.D. Self.

Mr. and Mrs. Dick Hackney of Knoxville were guests Saturday of Mr. and Mrs. Earl Hackney.

Mr. and Mrs. Johnny Blankenship and David of Oak Ridge visited during the week end with her mother, Mrs. C.O. McCall.

Celebrate Life Presentations Set

"Celebrate Life" a musical-drama version of the life of Christ, will be presented at the Loudon High School Auditorium at 8 p.m. Friday and Saturday, May 10-11, by the God's Squad Youth Choir of the First Baptist Church of Loudon.

"Celebrate Life," written by Ragan Courtney and Beryl Red, utilizes the unique story-telling techniques in dramatic form of Matthew, Mark, Luke and John to tell the beautiful yet dynamic story of Jesus Christ. From "The Truth Shall Make You Free" to "Prayer for Peace," the musical has a message for one and all—"the truth shall make you free. HE IS ALIVE!"

The 54 voice choir, composed of high school and college age young people, will have live instrumental accompaniment. This will include organ, drums, guitar, banjo, brass and a string quartet from the University of Tennessee.

CELEBRATES BIRTHDAYS—Patrick Tyrone Batey celebrated his sixth birthday on May 3. He is a kindergarten student at Central Elementary School in Harriman. His sister, Manique Charise celebrated her first birthday on May 6. Her sister (center) Tisa Marquenta, a student at Suzanne's School of Ballet in Harriman, participated in her first recital on Saturday night May 4. The children's parents are Mr. and Mrs. Paul Batey of Kingston. Their grandparents are Mr. and Mrs. Eli Cleveland of Loudon and Mr. and Mrs. Charles Douglas of Harriman.

MAY 9 1974

TOLE PAINTING is a technique that can be learned by anyone with the determination to paint. Mrs. Joe Bradford works on her tole picture. Mixing the appropriate color paint and the correct brush stroke are the important factors in tole painting.

MRS. BONNIE SHEELEY, Assistant Extension Agent, taught the workshop on tole painting. Here she demonstrates the proper techniques involved in painting a strawberry.

GOOD BRUSHES IMPORTANT—Mrs. Arnold Wallace found that good brushes are the secret to good decorative tole painting. Three brushes were used to paint the leaves, strawberries and daisies on her object.

PRACTICE MAKES PERFECT—Mrs. Anna White and Mrs. Ruth Holloway practice painting strawberries on tracing paper. Good painting techniques are learned with practice.

Agricultural Extension Service
The University of Tennessee

By: Bonnie F. Sheeley
Asst. Ext. Agent

It is a fact that tole and decorative painting can be learned by anyone. A three-day workshop was held April 28-30 with seventeen Loudon County women attending.

Another workshop was held the first three Tuesday nights in April by the Thursday Nighters Home Demonstration Club; nine women attending these sessions. It is true that learning to paint may take a little more time

and patience than learning to decoupage, but the women attending the workshop felt that something really beautiful as tole painting is worth the time and effort put forth.

Just what is Tole Painting? Tole painting actually means nothing more than painting on tin. Toleware is tinware. So in order to imply a correct definition to "Tole Painting" as it is thought of and used today, we phrase it as "Tole and Decorative Painting," thus allowing us to paint on any surface we desire, such as woodenware, tinware, plastic, glass, etc.

Tole and Decorative Painting is method painting. It is a technique rather than a talent, and it can be learned by anyone with a sincere desire to paint. You do not have to design or draw in order to do Tole and Decorative Painting; you work from patterns.

Those attending the workshop learned to finish their boards, to underpaint, and the methods involved in painting leaves, strawberries, and daisies. Another workshop will be held in the

fall for those interested in learning the basic techniques plus some advanced techniques of Decorative Tole Painting.

Brian Gregory McKinley celebrated his fourth birthday May 5. He is the son of Mr. and Mrs. Glen McKinley of Loudon. Grandparents are Mr. and Mrs. Fred Babb of Concord and Mr. and Mrs. Harold McKinley of Philadelphia.

Hawkins Hopes His Training Will Promote Eye Will Program Here

J. Harvey Hawkins of the Hawkins Mortuaries, Loudon and Lenoir City, was one of 42 morticians from throughout the United States selected to attend the eye enucleation and sterile operative technique workshop held at the University of Iowa College of Medicine and University Hospitals and Clinics on April 27-28.

Mr. Hawkins said he took the course because he had found out that there were few persons in his profession in the area who were trained to properly remove eyes from deceased donors which was resulting in the loss of eyes that could bring sight to persons waiting for eye transplants.

Mr. Hawkins said he hopes the program of training morticians in Tennessee will grow and that he will be available to any hospital or mortuary to perform the service free of charge should he be called on. He said he will welcome the opportunity to speak to local civic groups and other organizations about his new role as a paramedical participant in the sight saving and sight restoration program. He mentioned that both the Loudon and Lenoir City Lions Clubs have eye will projects and hopes that since this eye removal and preservation service is now available locally he can help their programs.

The course was initiated with a small pilot class of Iowa morticians about three years ago. Approximately 300 enrollees from about 30 states have since been trained and certified to perform the service at the clinics.

The eye enucleation course for morticians came into existence largely because of the shortage of doctors in many parts of the nation. Morticians were selected as the most logical and promising paramedical trainees because of their extensive academic preparation in the medical sciences of anatomy, microbiology, pathology and sanitation, and because they appear on the scene soon after death occurs.

The course requires intensive study and extensive clinical experience in sterile surgical procedure. The eye must be removed from the dead under the same strict aseptic precautions that are observed in the hospital

operating room. Emphasis is placed on the fact that morticians remove eyes only in those instances where the decedent had willed his eyes to an eye bank. The service is provided without cost to the family of the donor; to the eye bank; or to the patient who receives the corneal transplant. The operation is performed with such care that there is no visible disfigurement of the donor.

Donor eyes must be removed within three hours after death. They then can be kept for as long as 36 hours under refrigeration before they are used. Once the eyes have been removed and placed in a sterile, refrigerated container, they are rushed to the nearest eye bank. From the eye bank they are made available to eye surgeons having patients in need of corneal transplant.

Dependable Power. Count On It.

You expect electric power at the flip of a switch. It takes planning to provide such reliability. Long-range planning. Like being there before families are ready to move into a new subdivision. And before a new business goes into operation.

Reliable service calls for day-to-day planning, too. Like stocking hundreds of replacement parts, keeping equipment in top working condition, and making sure our personnel are expert in whatever job they do.

But even with the best planning, we can't eliminate severe weather or car accidents, the causes of most power outages. The only thing we can do is be ready. And we are. 24 hours a day. You can count on it.

SOMETHING TO REMEMBER
You're counting on us for dependable electric service. We're counting on you to use electricity efficiently. Together we can weather the energy crunch.

Use Electricity Wisely

World Bank Leaders Visit

By: Charles F. McCall
Extension Leader

Loudon County being in the TVA Watershed has many visitors from all parts of the world. Last Wednesday was one of those days. Some sixteen different countries were represented. This group visited the farm of Mr. and Mrs. Homer Vaughn Simpson. Many of the group were involved in Agriculture in their

home country. Mr. Simpson planned a tour of the farm which consisted of a wagon trip of the farm to see various facets of his farming operation. This included the dairy herd, beef herd, small grain, pasture fields and dairy.

Mr. Simpson had been a Resource Development Farmer until last year. His records which play a very important role in his farm

management program were used to show the visitors different inputs of land, labor and capital in order to obtain goals set. Dr. Clark Garland and Dr. Bill Hicks of the Institute of Agriculture assisted in giving information to this very interesting group. This group was in the United States attending a National Economic Management Course sponsored by the World Bank.

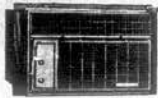

FARM TOUR—Homer Vaughn Simpson is preparing to leave on a tour of his farm with a group of leaders from 16 different countries, U.T. and TVA representatives.

HOW IT WORKS—Dr. Garland of Institute of Agriculture University of Tennessee Agriculture Economics Department explains to the group why Homer V. Simpson did certain things to obtain the yields and returns.

Your County In Action
BY
Harvey L. Sproul
LOUDON COUNTY JUDGE

Last week I was talking about the communications system that will be a part of the new justice center.

What will it encompass and how will it work?
Well without going in to a

very precise explanation of the sophisticated equipment which will cost in the neighborhood of \$125,000 (for communications alone—State and Federal Government pays 95 percent, and Loudon County pays 5 percent), we will be able to do the following:

Right now we basically have the capacity to handle one channel of frequency, but after the new system goes in we will have the capacity for 12, and I believe be able to go to six immediately.

One channel will be our "base primary" system which all units will usually be focused on.

The second channel will be an inter-city point-to-point digital dial system. In other words, you dial like on a telephone to another town and

are then able to talk on the radio back and forth on a separate channel. We will

have this facility in reference to several other Cities and Counties which may have the same capability.

The third channel is a "mutual aid" frequency wherein Central Dispatch can switch over to the mutual aid channel and several Cities and Counties can talk together. For example where you are in the chase of someone going from one County to another.

The fourth channel is the standard present Sheriff's net or the 37.28 frequency and would allow us to contact other cities and counties not on the new system.

The fifth channel would be a car-to-car local situation wherein the Lenoir City Police Department could talk from one car to the other without going on the main channel when privacy might be necessary.

The sixth would possibly be an ambulance dispatch channel. Seventh possibly would be a rescue squad channel.

The eighth would be a Civil Defense channel, etc.

In addition, we hope to have the 911 emergency telephone number where anyone who has an emergency can call that number and the dispatcher will then get in touch with the Fire Department, Police Department, Ambulance Service or whatever is necessary.

Loudon County Elementary Field Day Is Held At Loudon

Loudon, Philadelphia, Highland Park, and Steekee all took part in Monday's Elementary Field Day at Loudon High School.

Three age divisions of both girls and boys field activities highlighted the day with Loudon Junior High and Elementary teaming to capture the overall honors.

Loudon finished no lower than first or second in every age division of the boys and girls overall competition. Steekee boys placed first in the age 10 and under field events with 32 points. Steekee won the 75 yard dash, softball throw, three legged race, 200 yard relay, and standing broad jump. Loudon placed second with blue ribbons in football throw, 50 yard bandage race, and 440 yard race for 28 points.

Loudon edged Steekee for first place in the 10 and under girls by rolling up 29 points on the strength of five first place finishes. Steekee won three events and made 23 points.

Highland Park placed third in both boys and girls 10 and under class.

Loudon's 11-12 girls were high scorers in their events with 30 points. Loudon won five of eight major events, while Philadelphia won the 75 yard dash and the softball throw. Steekee won only the 200 yard run, but did well in the second and third place finishes to end up in second place with 20 points.

Highland Park ran off with the boys 11-12 competition by gaining 30 points. Loudon had 24 and Steekee 15. Highland Park won five events and added one second and two third place ribbons for the overall total.

Steekee girls were the best in the 13-15 division, netting 32 points. Loudon had 27 and Highland Park 20.

The Loudon boys concluded the day by winning the 13-15 boys division with the highest total points of any winner, 37 points. Highland Park proved a tough challenger with 27. Loudon had six firsts with

top marks in the 100 yard dash, standing broad jump, 400 yard relay, football throw, 75 yard bandage race, and the

three legged race. Highland Park won in three events, softball throw, 440 yard run, and 800 yard run.

Philadelphia was the lone other first place recipient with honors in the basketball throw.

WINS BROAD JUMP—Dennis Stewart, Loudon Junior High, soared 8'1" to win the 13-15 age boys standing broad jump in the Elementary Field Day activities at Loudon High School.

JUDGES AWAIT RESULTS—Elementary Field Day judges wait the landing of Steekee's Tammy Boone in the 11-12 year old girls classification of the standing broad jump. Miss Boone jumped 6'7" for a runner-up finish to Loudon's 11-12 year old entry.

ON YOUR MARK, GET SET, GO—Loudon High School Football Coach Bert Rattledge prepared to start the 300

yard relay race in the middle boys division of elementary field day held at Loudon High School Monday.

STEEKIE WINS 10 AND UNDER 200 YARD RELAY—Steekee Elementary won the 200 yard boys division relay race in the 10 year old and under class in

Monday's field day events at Loudon High School. Following Steekee in the 200 yard results was Loudon, Philadelphia, and Highland Park.

Corum Seeks Third Consecutive Win At Atomic

Bill Corum will be out to join a select five drivers who have captured three consecutive feature races at Atomic Speedway.

That'll be the Maynardville standout's goal Saturday night when they put the late model sportsman cars on the starting line.

Corum's Chevy II has been working perfectly the past two weeks as he breezed to victory.

Another challenger appears ready to go after Corum. Herman Goddard, track record holder and points champion in 1972, returned to action last week in a Chevy II. Goddard admitted he didn't

expect a lot from the new machine the first time out. Handling problems put Goddard in the semi-features. By the end of the runnery event, the car had begun to work much better.

Saturday's program is scheduled to start at 7:45 with time trials for sportsman cars. The first race gets the green flag at 8:30. Aside from the 40-lap feature, there'll be the usual menu of four of five heats, the semi-feature and the 15-lap run for bombers.

Admission is \$2.50 and \$3. Children under 12 years are admitted free. Among top sportsman drivers to be on hand are Ken

Phillips, Zeke Buchanan, H.E. Vineyard, Bill Ogle, Johnny Gibson, Don Justice, Preston Thurman, Jim Arnwine, Clay

Kelly, Jack Ogge and Johnny Phillips. David Taylor seeks a second straight bomber victory.

"Now there's a shot you don't see very often."

WORK CONTINUES ON LOUDON CITY RECREATION PARK—The Loudon City Recreation Park continues to bloom with spring. The 11 acre \$290,000 project completed the swimming pool last summer and contractors are busy putting the finishing touches to two tennis courts on the east and west sides of the pool area. A multi-purpose court

for basketball will separate the softball field from the tennis court and pool area. The Tennis courts are expected to be finished by the latter part of May and the ball field is being fenced now with no date set to complete the lighting and ground work.

Loudon County Tennis Finals Halted By Rain

The Loudon County Tennis Tournament under the direction of Gary Lindner of Lindner Real Estate and also sponsored in part by Treasure House Jewelers and Lenoir Drug of Lenoir City had the Sunday finals rained out at Cedar Hills Golf Club tennis courts.

A full day of play at both the tennis courts at the Lenoir High School and at Cedar Hills under cloudy skies on Saturday ended all semi-final School. Both had started play on Sunday when rain in-

terrupted. The first match will be resumed from the point of Sunday's play. Best holds a 3-0 edge in the first set.

Other play had Bill Custead stopping Paul Thompson 6-2, 6-3 in the Intermediate "A" Division for men. Judge Harvey Sproul saw his title chances halted by Jack Thompson in the Intermediate "A" class, bowing 6-3, 1-6, 6-2.

Custead and Thompson will meet for the title this Saturday at 1:00 p.m. at Cedar Hills. In the Women's Inter-

mediate Division semi-finals Jo Ann Thompson beat Terry McCabe 6-1, 7-5 and Helen McCabe toppled Mary Lane 6-0, 6-1 to register a berth in the tournament finals. Ms. Thompson and Ms. McCabe square off on the Cedar Hills' courts at 2:30 p.m. Saturday. The lone finals match that was completed in the tournament on Sunday before the rain ended all play was the Women's Beginner Division captured by Lenoir City girls' basketball standout Marietta Blackburn 6-2, 6-0 over semi-finalist winner Marsha Thompson. Ms. Thompson won over Beverly Veal 6-2, 6-3 to advance. The Champion, Miss Blackburn, reached the finals by thumbing Joy

Mike McConkey Pitches, Bats LC Past Bobcats, 1-0

Lenoir City turned in its best defensive job of the spring baseball season and junior Mike McConkey twirled a poised one-hitter as the Panthers edged Oliver Springs last Wednesday night 1-0. McConkey, who also performs well as a centerfielder when not pitching, struck out eight and walked only one as the Bobcats managed but two base runners in the game. Oliver Springs got its only

base knock in the second inning but McConkey checked the rest of the batting order by striking out the side. Lenoir City struck for seven hits in the game but could not produce a run before the bottom of the sixth inning. With two outs McConkey delivered his third straight hit in the game. Carl Thompson followed with a single pushing McConkey to third base. Mitch Keelber drilled a ground ball for third which was bobbed for

LC PITCHING STAFF READY—Lenoir City's baseball team will have seven pitchers with at least one victory under their belt in the regular season and will be ready to share pitching duties in the fast approaching District 10 tournament at Harriman starting Monday. Pictured from left to right with record in parenthesis: Joey Cunningham (1-1), Mike McConkey (1-0), Johnny Price (1-0), Gary Hamby (1-1), Sammy Dunlap (3-2), Bobby Smith (1-1), and Marty Porter (1-0).

Panthers Clip Lake City Twice To Improve Season Record

Lenoir City won a baseball twin bill from Lake City last week with 4-1 and 7-6 decisions.

Johnny Price went two for two and Mike Walker drove in three runs as Bobby Smith won his second game of the season in the five inning opener. Smith walked five and struck out five and gave up three hits in going the route. Lenoir City hammered out eight hits, posting a 2-1 first inning lead and adding single runs in the bottom of the third and fourth innings.

In the nightcap Lenoir City was surprised to find the Lakers swinging from the heels on sophomore Joey Cunningham and trailed 4-3 after two innings of action. Lake City knocked Cunningham out of the box, hit-terly, in the fourth inning by lashing out two hits and then banging a vicious line drive off the shin of Cunningham that receded back to the fencing behind the plate to lead the bases.

Cunningham had to leave the game and was relieved by second baseman Marty Porter who retired the side without a run scoring. Porter got into a sixth inning jam with two outs back to back hits and a fielding error opened the door for two unearned runs to score before the snappy senior could strike out the Lake City third baseman to retire the side. Lenoir City rallied in the bottom of the sixth as Jeff Walker walked pinch hitting for first baseman Gary Hamby. Mitch Keelber was safe on an error. Sammy Dunlap and Porter each drove in runs with base hits to tie the game and Johnny Price sacrificed the winning run home to sweep the double header.

Porter got the win going three innings of relief and giving up three hits, struck out five and walked one. Cunningham gave up four runs, two earned, struck out one and walked two as Lake City touched him for eight hits. Johnny Price homered in the game and stole four bases besides accounting for the winning run. Sammy Dunlap upped his team leading batting average by going three for four in the second contest.

	FIRST GAME	SECOND GAME

Sport Shorts

The Loudon City Recreation program is lowering the age on T-league baseball to six years old. A meeting today (Thursday) is planned at the Loudon Baseball Park for T-league sign up of boys ages 6-7-8 at 4:30 p.m.

The Loudon Dixie Youth League for boys 9 thru 12 will also have a meeting at the Loudon Baseball Park at 5:30 p.m.

The Loudon program for Babe Ruth (boys ages 13-14-15) will meet at 4:30 p.m. on Friday. The Advanced Babe Ruth for boys 16-17-18 will follow with a 5:30 organization meeting and sign-up.

At 12:30 p.m. Saturday, Representative John J. Duncan will participate in the dedication of a press box at Lenoir City High School in memory of Tommy Bradshaw, former sports writer for the Lenoir City News.

The annual Lenoir City Civitan-Rotary Club sponsored All Sports Banquet is set for tonight at 7 p.m. at the Lenoir City High School Cafeteria.

The District 8 Basketball Coaches held their spring meeting last Thursday with the only formal business being the election of Loudon High School boys coach Hugh Waison to president of the district. Dewayne Arrp, Loudon girls coach was appointed district secretary. They succeeded Jim Farris (President) of McMinn County.

The Loudon County Chapter of the American Red Cross has scheduled its regular swimming program for July 8 through 19 at the Loudon swimming pool. Beginners lessons will be from 9:15 to 10:15; advanced beginners and intermediate swimmers 10:30 to 11:30. Persons wishing information or registration may phone the AMRC at 866-3468.

Lenoir City's High School Baseball team will make its first appearance in the District 10 High School Baseball tournament at Harriman's Paper Maker Field, Monday. The Panthers meet Coalfield in their opening game at 2:30 p.m.

4-H Club Members Provide Game Habitat

Energetic 4-H club members across the Volunteer State are getting involved in providing food and cover for small game.

The program, called FACE (Food and Cover Establishment) is sponsored cooperatively by the Tennessee Wildlife Resources Agency and the Tennessee Agricultural Extension Service.

Each participating 4-H club member competes for cash awards and engraved plaques presented at the Tennessee Conservation League's annual awards banquet in late March. The cash awards are \$300, \$200 and \$100 respectively and are provided by the Tennessee Agricultural Extension Service.

Summers And McNabb Increase Golf Lead

Hall Summers and Penny McNabb stretched their Union Carbide Golf League lead to 13 team points last week by collecting 16 new points in their weekly effort. Summers and McNabb now have 52

team points and lead second place challenger Carlos Evans and Jack Randolph who have 39.

Evans and Randolph moved from ninth place to a second place tie with Jim Spradlin and Ernie Black by winning the low net team honors with a combined round of 68.

Nat Campbell, playing as a league alternate, showed up the regular team players by stroking a low net round of 31 to win the low individual medalist honors. Eldon White and Dick

Rosenbaum had a big point surge with 19 team points to escape the league cellar and moved into an eighth place tie with Henry Julian and play of Penny McNabb (16) and Ray Birkholz (15).

Herbert Hodge is the current individual point leader in the league with 17. He is being challenged by the tie of Henry Julian and play of Penny McNabb (16) and Ray Birkholz (15).

Fishing Forecast

by Ed Witt
Asst. Supt. of Tenn.
Wildlife Resources Agency.

If weather, and lake conditions continue to stay the same fishing for all species should remain good and should even get better.

CHEBORKE LAKE—Water conditions, good, lake clear and full. Bass good casting spinning lure lures, also several being taken on plastic worms. Crappie are still hungry striking small flies and minnows near underwater cover. Rocks and hybrids are breaking in the John Sevier Steam Plant section and are being taken on large bucktail flies trolling.

DOUGLAS LAKE—Water conditions clear on upper end and murky on lower end. Bass fishing is real good casting plastic worms, spinning baits and Big O's into shallow water in back end of coves near drifted trash, and into weeds along edge of water. Large strings of slab size crappie being taken on small minnows and flies off of stumpy points. Saugers are very active on minnows deep and diving type lures are being used also. Catfish are moving and are being taken on trotlines using shad minnows.

LOUDON LAKE—Water conditions, clear and fluctuating. Bass good casting medium running lures, such as gay blades, Big O's, plastic worms and rebels, off of rocky and stumpy points. Crappie have slowed down some but are still being caught trolling small flies and casting small flies and minnows using a boat near rocky banks and underwater cover. Bream are being taken on worms and popping bugs along red clay banks and around submerged stumps.

FT. LOUDON DAM TAILWATER—water conditions murky and fluctuating. Fishing not as good as it was but some nice strings of stripes, catfish, drum, saugers and bream being taken. Catfish and drum on shad minnows and shad gobs deep and stripes and saugers trolling flies and fishing deep on minnows. Bream good fishing near bank using worms.

LITTLE TENN. RIVER—Water conditions clear and fluctuating. Trout, sauger and stripes good. Trout and saugers down stream from Chilhowee Dam to 413 bridge. Trout on corn spinners and dead plugs and saugers on

flies and minnows. On lower end of river from Davis Ferry down saugers being taken trolling and casting flies and stripes in large number, same method.

WATTS BAR LAKE—Water conditions clear and stable. Bass good using plastic worms, top secrets, big O's, trolling and casting flies and worms. Crappie are not as active as they were but some are being taken casting small flies and minnows around underwater cover. Stripes crappies and walleye are being taken at night under light using small minnows. Watch out for the strearkers on popping bugs and worms.

MELTON HILL LAKE—Water conditions clear and stable. Medium size bass and bream being taken on lower end of lake using spoons and popping bugs. Bream on popping bugs and worms. Watch out for the strearkers on popping bugs and worms.

Wildlife Feels Direct Effect Of Litter

Careless littering of tentacles goes far beyond the normal concern with esthetics and has a greater direct impact on wildlife than most people realize. With the emergence of the throwaway society and the help of a packaging industry which indulges its throw-away habits, an increasing number of documented wildlife deaths have been noted due to careless disposal of cans, bottles, packaging materials, etc.

For instance, a massive number of fish die each year with flippers from non-returnable cans stuck in their throats, and, when feeding, waterfowl often become entangled in the plastic ring holders that encircle a six-pack of beer or soda.

It is estimated that of the seven pounds of material we each waste every day, about five and one-half pounds eventually reach some kind of dump. The pound and a half that does not reach the dump is all litter. Nearly all of this is packaging—more than the total waste of the average human.

Panthers Win Fourth Straight Baseball Game

Lenoir City won their fourth straight game and avenged an early season loss at the same time in handing visiting Kingston a 4-3 defeat in baseball Monday night.

The Panther diamond crew was held to only five hits by the highly respected District 10 power but the hits came at clutch intervals and gave senior right hander Sammy Dunlap his third pitching win of the season in five starts.

Lenoir City got on the score board in the bottom of the fourth frame with Johnny Price reaching base via result

of being hit by a pitch. Burley senior catcher Mike Walker wasted little time in taking the pain out of teammate Price's misfortune by slaming a shot over the left center field fence for a two run homer.

force McConkey at second but threw late. A clever double steal scored McConkey for the second time during the evening and gave the Panthers a 4-2 count.

PANTHER SLUGGERS—These six Lenoir City baseball players from left to right Carl Thompson, Marty Porter, Sammy Dunlap, Johnny Price, Tony Long, and Mike Walker had supplied the big hits in powering the Panthers to a current 9-4 season record and will be swinging for a high finish in next week's District 10 Tournament starting Monday in Harrison.

Kingston responded to the 3-0 Panther lead with two runs in the top of the fifth inning on two Lenoir City fielding errors and a base hit.

Lenoir City added a insurance run in the bottom of the sixth as Mike Walker drew a walk only to be forced at second by McConkey. Carl Thompson was safe on a bunt as the Kingston fielder tried to

force McConkey at second but threw late. A clever double steal scored McConkey for the second time during the evening and gave the Panthers a 4-2 count.

Dunlap retired the side in order in the top of the seventh to fashion one of his best season efforts and probably best in district play. The senior right hander allowed six hits and struck out four. He did not walk a batter got himself out of a first and second one out jam in the second inning with a remarkable fielding of a line drive back through the mound that turned into a inning ending double play.

Four of Lenoir City's five hits were all for extra bases with McConkey pounding a double and triple and Marty Porter lashing a double and single and Walker touching them all with his right bagger.

Balanced Team Play Yields Few Team Points In City Golf

Points In City Golf

Scoring in the Loudon City Golf League was low this past week with the team of Harrison Henry and Harold Grimes taking top team honors with 16 team points. The 16 points did move them into a third place slot in the league standing, up five from their eighth place position last week.

Henry also was the low individual medalist with a net of 30 for the week. Richard Archer and John Cobb over took two week leader Joe Mourfield and Dick Ryan in the standings to become the new league leaders with 39 total team points. Mourfield and Ryan are in second place with 36 points.

Defending league champs and second place challengers in last week's standings, Larry and Lynn Millsaps fell to a fourth place tie with Dennie Townsend and Ray Staileup with current totals of 33 team points.

The team of Chir Ratledge and Clell Miller appear to be stranding toward the top of the standings picking up 10 points on the top point leader and coming from the middle of the league (14th place) to sixth with 30 team points to date and just nine shy of the lead.

LOUDON CITY GOLF LEAGUE STANDINGS

TEAM	POINTS
Richard Archer and John Cobb	39
Joe Mourfield and Dick Ryan	36
Harrison Henry and Harold Grimes	33
Larry Millsaps and Lynn Millsaps	33
Dennis Townsend and Ray Staileup	33

Tennis Tourney Halted By Rain

(Continued from Page 8)
Resequig 6-0, 6-0
Mike Walker and Jerry Hall are all tied at 2-2 in the first set of the Men's Beginner Division, with Saturday finals play to resume at Cedar Hills at 9:00 a.m.

Walker disposed of Mike Shubert 6-2, 6-0 to gain the finals, while Jerry Hall and David Browder locked themselves in a marathon battle going three matches and lasting for a period of two hours and 45 minutes, to by far out distance any of the other tournament matches to date in length. Hall finally won out with a total of 57, 64, 6-4.

Trophy presentations for the tournament are scheduled for Cedar Hills Golf Club at 4:00 p.m. Saturday afternoon.

FINISH SECOND IN LOUDON TOURNEY—The Hamilton Bank of Loudon finished second the Eatons of Lenoir City in the annual spring invitational softball tournament held last week in Loudon. Pictured front row left to right: Bill Lentex, Joe Franklin, Arnold Brookshire, Sony Downs, and Buck Kirkland. Second row left to right: Jim Curtis, Ted Sliker, Don Canter, James Miller, Gene Ratledge, and Inky Swiney.

SHERIFF Freeman Russell shows the student-officials the county jail "guest register" as the young men were his guests "Tuesday for Boys" in the County. The student-sheriffs are Tim Guider, Richard Holland and Kyle Sheppard.

Road Law To Have Great Affect Here

(Continued from Page 1)
punishable by fines and/or jail sentences.
Qualifications for county road supervisors include being a graduate of an accredited school of engineering, with at least two years experience in highway construction or maintenance or related field and-or be licensed to practice engineering in Tennessee.
An alternate qualification is at least four years experience in a supervisory capacity in highway construction or maintenance or related field or a combination of education and experience equivalent to the above.
Qualifying affidavits must be filed with the highway committee of the Quarterly Court.

Builders Give Up On Code Revision

(Continued from Page 1)
year's total is projected to be almost \$207,000.

RICHARD LAND, Tennessee Department of Public Health, told the court the Greenback unit of the Loudon County Rescue Squad is not eligible to receive the new modular ambulance because the county is to receive with 75 percent funding from the state.

Land said the ambulance can only be used by a licensed, qualified ambulance service. The hospital ambulance service is the only one in the county qualified for the ambulance, Land said.
Under the contract between the state and county, the ambulance must have specially trained attendants available on a 24-hour basis. Loudon County Rescue Squad Captain John Parris told the court it is impossible to keep men on standby all the time. He said the men in Greenback are on an emergency phone line, but there is no specific designation of men on duty.

The county can still buy the ambulance but the Greenback unit cannot operate it. Land pointed out there is no criticism of the unit but the standards under this program are not met by the group.
Judge Sproul raised the question of state help in financing the ambulance service. He said traffic through the county is composed of out-of-county and out-of-state motorists, yet the county has to bear the full expense of the service.
The court unanimously approved granting the state a right-of-entry to enable construction of the Sugar Limb Connector to get underway while the condemnation lawsuit is being processed through the court.

SQUIRE JIM Hartscock reported the Justice Center committee is hopeful of getting about \$75,000 of federal grant money that Knox County may not be able to use.

A LAW PROVIDING for Civil Service Boards for sheriff's deputies is essentially already in effect in the

county under the Merit Board, the judge said.
He also reported on the new "Sunshine" bill, requiring all government meetings to be open to the public. The bill includes a provision for minutes to be kept and open for public inspection.

One of the key provisions calls for "adequate public notice" to be given of all meetings. Judge Sproul suggested the Purchasing and Budget committees of the court might start meeting on a regular basis to make compliance easier.

He also pointed out the law is under attack in the courts as being unconstitutionally vague and ambiguous.

On the federal level, Judge Sproul mentioned the new minimum wage law that will raise hourly pay to \$2.30 an hour by 1977.

THE COURT ALSO heard the preliminary report on a solid waste container system for the county.

About 40 percent of the county households are not covered by any collection service. Public collection in Loudon County and Loudon and Loudon counties for 895 households and private collections handle another 150.

The placement of the containers in the county still has to be worked out. The initial expense is projected at \$83,100 with an annual operating budget of \$25,500.

The court unanimously adopted a resolution supporting the establishment of a Regional Farmers and Produce Market in Knoxville.

The court authorized the Purchasing Agent to take bids for materials to be used in the construction of two classrooms at Philadelphia and a kindergarten room at Greenback. Projected material cost is \$16,500.

SQUIRE I.D. Connor reported the Hospital Board will consider remodeling part of the old hospital for doctor's offices at its next meeting.

The June meeting of the court will be brief since Judge Sproul will be on duty with the Army Reserves.

Any employee of the

JUSTICE CENTER CONSTRUCTION—Work continues on schedule on the \$700,000 Loudon County Justice Center complex on U.S. 11 between Loudon and Lenoir City. The Center, which will house a county wide communications

center for law enforcement, jail, emergency operations center, General Sessions Courtroom and other facilities is scheduled to be completed late this year.

Students Have Day In Office

Fifty-five students from Loudon, Lenoir City and Greenback High Schools were county officials for a day this past Tuesday during the 25th annual Boy's and Girl's County Day luncheon.

AT BOY'S AND GIRL'S COUNTY—Some of the 100 students, county officials and Legion Post 70 and 120 members at the Boy's and Girl's County Day luncheon are shown during the address by Judge Lloyd McCluen.

department violating the provisions "shall be immediately discharged."
Individuals who have private improvements made on their property using county equipment or material "shall be liable to suit for the value of such improvement, all legal fees and other recovery costs."

Chief administrative officers, county highway commissioners, members of the county governing body and employees of the county road department are forbidden to have "any personal interest, either directly or indirectly in the purchase of any supplies, machinery, materials or equipment for the department."

Violations of provisions of the act may lead to state rural road funds and federal aid secondary road funds being withheld by the commissioner of the State Department of Transportation until the deficiency is corrected.

Provision is also made for a complete inventory of "all machinery, equipment, tools, supplies, and materials" to be filed with the county governing body, Comptroller of the Treasury and the state rural roads division within 90 days of taking office.

A revised inventory must be submitted by Sept. 1 each year the supervisor is in office.

One section of the bill provides for all funds received by anyone for the county roads to be "promptly deposited with the county trustee and expended only upon disbursement warrant drawn upon the trustee in accordance with the law."

In addition, expenditures must be "made within the limits of the approved budget and appropriations made for the department."

Road commissioners must also be bonded for \$100,000 before taking office.

for the day were as follows: COUNTY JUDGE (Harvey Sproul), Connie Huskey, Tim Wade and Coy Webb.

McMurray Has Heart Attack

Don McMurray, a Lenoir City attorney, suffered an apparent heart attack about 3:15 p.m. Saturday. Mr. McMurray is reported in a stable condition, at University Hospital. At the time of the

Association. Several persons were present at the airstrip at the time of Mr. McMurray's attack. When he collapsed an ambulance was called from Loudon County Memorial

Russell. The firm has offices both in Lenoir City and Loudon.

Mr. McMurray, 37, had earlier planned to fly to Johnson City to visit his mother, who has been very ill, but because of marginal flying weather he had put the trip off and decided to install the tie-downs for his airplane.

Doctors told Mrs. McMurray her husband would be hospitalized for about three weeks.

attack he was installing tie-downs for an airplane he recently purchased, at David Ferguson's private airstrip near Philadelphia. He is president of the Loudon County Flying and Pilots

Hospital. After receiving emergency treatment at the hospital he was transferred to Knoxville.

Mr. McMurray is a partner in the law firm of Arnold, Winfrey, McMurray and

Treasure House Jewelers

108 E. Broadway - 986-5160 - Lenoir City

By Calvin Lunsford
Ph. 458-2681

We have published many group pictures through the passing years. Many of the church groups, such as the ones we used last week. Many of them have been school groups and we find that with these groups many memories

prompted. Both church and school plays are recalled by the specific age groups. This is always a lot of fun for our readers. It is not often we find pictures of these groups who had a part in these plays of yesteryear. But we got lucky on one and we present it this week. All of those in the group

are well known. Those in our area who attended school at Loudon in the 30's can easily recognize the boys and girls in this picture.

Albert Dukes, who was principal of Loudon Grammar School at this particular time, quite possibly was instrumental in promoting this school play and just might recall what it was titled.

I was a student at Loudon Grammar School during this period of time and our school under the direction of Mr. Dukes produced many plays. These were helpful to the students and enjoyed by the parents and friends.

Quite possibly this group was presenting a thanksgiving play. I saw this because of the mode of dress of the boys and girls. Of course it could very

well be wrong, but anyway they all seem to be aware of the fact that their picture was being taken.

Those in the picture are Dr. Sam Harrison, Margie Luck, Hall Summers, Josephine Laffer, John Greer, Betsy Cathcart, Ned Nelson and Jessie Hidenour.

Our face is RED. A caption on the information sheet we received with the picture labels it The Minuet Dancers, oh well.

A few years back, the sound of the ringing of the blacksmith anvil was not a strange sound to residents of Loudon. We had in our city quite a few blacksmith shops and these shops often opened at the crack of dawn and the anvil rang out their usual sound through out the length

of the long summer days. Oh yes, they were open during the winter months, but summer was their busy season as they shod the farmers horses and mules. They also made of sharpened plow points, repaired a farm wagon or other farm equipment. Today like so many other things that we fell at one time would be with us always, has bid our way of life farewell.

We would like to list a few of the blacksmiths we have known in our time. These all cooperated shops in Loudon, George Hart.

We would like to list a few of the blacksmiths we have known in our time. These all operated shops in Loudon, George Hart, Charles Jaynes, Sr., a

Kirkland man, Ike McNabb and his son. We have a picture of the late Mr. McNabb, which was made in front of his shop in Loudon.

We have some other pictures of him we will use at a later date. As a boy growing up in Loudon we were around his shop watching him as he worked at his anvil. As some will recall he was a giant of a man, and had tremendous strength. I guess he was the type of man you would mentally picture to be a blacksmith. From the wildest horse or mule to the heaviest job he had, he did it without any noticeable physical strain at all.

His first stop we can recall

was located on Greasy Corner near the old Gillup Julian home. The area where this old shop was located has changed with the years, but we are sure many of our readers will remember this point of interest in Loudon's past.

This picture comes to us from his daughter, Mrs. Elsie Smalling, who lives on Church Street in Loudon. We thank her for it and other very interesting old photos which depict Mr. McNabb's role as an old time area blacksmith.

Well, that's it for now, see you next week.

Cline Joins United Realty

Bob Cline of Robinson Drive, Loudon, has recently joined the Realstate firm of United Realty, Lenoir City, owned by Mrs. R. F. Ash.

Mr. Cline, operated C&S Cleaners in Loudon for 25 years and served as a Major in the U.S. Army Air Corps in World War II.

He was recently licensed by the State of Tennessee as an affiliate realstate broker.

This picture was made at Mr. McNabb shop when it was on Friedman Street.

A few years after this picture was made Mr. McNabb served as a Loudon policeman and was highly respected for his honest and able performance of his duties.

MAY 9 1974

Area Farmer's Market Proposed

A Farmers Produce Market for the East Tennessee area moved one step closer to becoming a reality April 30, as representatives of 16-Middle-East Tennessee counties met with Knoxville Mayor Kyle Testerman, University of Tennessee Agriculture leaders, and Representatives of the U.S. Department of Agriculture and the Economic Development Administration.

The luncheon meeting, which was held in the Presidential Dining Room at the UT Student Center, was designed to bring EDA Officials, Gordon Berry, up to date on the progress made

toward the Farmers Market concept to serve Knoxville and the surrounding market area. It was hoped that the presentation would renew interest and spur approval and funding of the project by the EDA, Mayor Testerman said.

The \$2.3 million project will be resubmitted to EDA for approval in the near future. Mayor Testerman has received the endorsement and support of the county judges of Roane, Cocke, Claiborne, Morgan, Blount, Knox, Anderson, Monroe, Campbell, Grainger, Loudon, Hamblen, Jefferson, Scott, Sevier, and

Union Counties in putting together this project. The Market will serve an area of some 42 counties through the Eastern Part of Tennessee, Kentucky, North Carolina, and Virginia.

Mayor Testerman told those present at the meeting that this was in keeping with the "true meaning of regionalism." He pointed out that such a joint effort could only serve the best interest of all concerned in terms of growth potential for the entire area.

Bob Penecost, of the U.T. Agricultural Extension Service, presented a brief

history of the 16 years since the Knoxville Area Farmer's Market was initiated. He also showed the economic effects of such a facility, saying that it could double gross sales in the first year of operation.

Berry told the gathering that he could not promise anything definite at this time, however, he said he would bring the Knoxville Area Market plans to the attention of the highest echelons of the EDA. He also termed the cooperative spirit of entire 16-county area "a first" in the history of Farmer's Markets.

While the market is still just a group of plans, all present at

Thursday's meeting praised the efforts of Mayor Testerman and enthusiastically praised the meeting as a fruitful one.

The Mayor also praised the County Judges in the area for their vote of confidence in the program. He said, "without their help and support, the project would still be sitting on a shelf somewhere, collecting dust."

Loudon Countians Get TWC Honors

Several Loudon Countians were among the Tennessee Wesleyan College students who were honored last week in the college's annual Honor's Assembly for their outstanding achievements of the 1973-74 academic year.

Those from Loudon County receiving honors were as follows:

Susan Carol Rudd of Philadelphia, a senior, was recognized for being selected to Who's Who Among Students in American Universities and Colleges. The selection was made on the basis of academic ability, leadership and contributions to the college.

Edwin M. Westbrook of

Lenoir City received the Directors Award as the student showing the most potential leadership in the Speech-Tutor area.

Judy Millaps of Philadelphia received the Mrs. Frank Riggs Award, given annually to the student making the most improvement in public school art.

Judy Greenwood Stogner of Loudon received the Herbert Spencer Award. This award is in honor of Herbert Spencer, British sociologist, and is presented to an outstanding senior in sociology.

THANK YOU TO ALL WHO PARTICIPATED IN THE MAY 2 REPUBLICAN PRIMARY.

In all sincerity and humility I pledge to accept the responsibility of being the nominee for County Judge in the General Election. I further pledge, with your help, to continue our honest fair and vigorous campaign.

Elect

WILLIAM H. (BILL) RUSSELL
COUNTY JUDGE

Mrs. Wilson In Hospital Post

Mrs. Babette Steinhauer Wilson, public relations director for Chamberlain Memorial Hospital at Rockwood has been elected to the Board of Governors of the Tennessee Society for Hospital Public Relations, it was announced from Nashville.

Mrs. Wilson will represent 17 counties including her home county and Loudon.

The counties include Campbell, Clay, Cumberland, Fentress, Jackson, Loudon, McMinn, Meigs, Monroe, Morgan, Overton, Pickett, Putnam, Rhea, Scott and White.

The newly organized group has set out to improve the quality of health facility public relations by raising the professional knowledge and standards of practitioners, and by promoting understanding and support of professional public relations theories and practices among health facilities, according to its President Lamar Jackson, of Nashville Memorial Hospital.

Mrs. Wilson, experienced in the journalism field and in the public relations of health facilities, is expected to visit in all the counties as time permits.

To The Voters Of Loudon County

I would like to take this opportunity to thank each and everyone for nominating me as your Republican candidate for Sheriff of Loudon County.

During the last three months, I have enjoyed traveling throughout the county meeting the voters. I am only sorry it was not possible to have met everyone of you. I was very pleased with the warm and friendly reception I received from everyone.

Again, I would like to take this opportunity to solicit your vote and influence in the upcoming General Election in August.

Thank You Again, Guy Russell

WOW! We Were Overjoyed At The Crowd That Attended Our Grand Opening

We thank all of you who attended for coming and congratulate the winners of the door prizes and lucky treasure chest cash. Also to the businesses and firms that sent beautiful floral arrangements which added to our pleasure.

We were extremely pleased with the large number of new accounts that were opened during our Grand Opening. Let us also say thanks to all the Hamiltons (our employees) for their efforts Saturday evening.

MEET THE WINNERS:

- COLOR TELEVISION SET - Louise Alexander
- \$25 SAVINGS BONDS - Dixie Allison and Dovie Bright
- \$100 CASH RIBBON TO CITY OF PHILADELPHIA for their COMMUNITY PARK

LUCKY TREASURE CHEST CASH WINNERS:

- H. H. Richesin, Eulis Presley, Andy Hill, Louise Ford, Linda Morris, Roy A. Murr, Bill Thompson, Cora Nell Allison

HN Hamilton National Bank
Loudon, Tennessee
Philadelphia Branch

U. S. 11 Philadelphia Phone 458-2001

THE WINNER
Branch Manager, Bernie Swiney presents Louise Alexander with a Color TV, the Grand Door Prize, given away at the opening.

Valerie Davis was one of several persons who opened Accounts at the opening Saturday. Teller Charlotte Queen gives her a replica of the Liberty Bell for being one of the first 50 people to open Savings Accounts.

Cora Nell Allison was one of 8 cash winners of the Treasure Chest at the opening.

Deaths

MR. DAVIS
Robert P. Davis, 62, Rt. 1, Hidden Valley, Lenoir City, died Friday, May 3 at St. Mary's Hospital, Knoxville. He was a retired time keeper from Union Carbide, Oak Ridge, member of Avery Lodge 688, F.A.M., member of Loudon Lions Club, and in recent years sold used cars in Loudon County.

Survivors include his wife, Pauline Watkins Davis; two sons, Ted and George, Lenoir City; two grandchildren; brother Harrell Davis, Greensboro, N.C.; sisters, Pauline Barnhill, Oak Ridge, Mrs. Hugh Maroney, Lenoir City.

Survivors include his wife, Mrs. Nina Stafford Wallace, four sons, J. D. Wallace, Knoxville, Halbert, Howard, and Billy Wallace all of Lenoir City; mother, Mrs. Emmett Blanche Wallace, Lenoir City; seven grandchildren.

Funeral services were held Sunday, May 5 from Click Funeral Home Chapel with Rev. Harry Mintz and Rev. Elmer Hurst officiating. Burial in the church cemetery, Hawkins, Lenoir, in charge.

Funeral Home Chapel with Rev. Oth Sims and Rev. Billy Joe McCown officiating. Burial in City Cemetery, Click Funeral Home, Lenoir City, in charge.

MRS. CLEMMER
Mrs. Frances Holt Clemmer, 76, Rt. 1, Philadelphia, New Philadelphia, daughters, Mrs. Ruth Sutton, Mrs. Raymond (Mildred) Glass, Philadelphia; eight grandchildren and five great grandchildren; brother, Carl Holt, Lenoir; sisters, Mrs. Cordie Roberts, Charlotte, N.C., Mrs. Lorene Crisp, Friendsville.

Funeral services were held Friday, May 3 at Valley View Free Will Baptist Church with Rev. Harry Mintz and Rev. Elmer Hurst officiating. Burial in the church cemetery, Hawkins, Lenoir, in charge.

MR. JACOBS
George J. Jacobs, formerly of Loudon, died Saturday, May 4, in High Point, N.C. Survivors include his wife, Neva Oody Jacobs, High Point; daughters, Mrs. Stanley Massengill, Rock Springs, Ga., step-daughter, Mrs. Hoyt Johnson, Newbern, N.C.; sisters, Mrs. Ada Furrow, Mrs. Susie Eller, Mrs. Tinnie Eller, and Mrs. Bertie Hicks all of Loudon; brother U. J. Jacobs, Athens. Funeral services were held Tuesday, May 7, at Kautner Funeral Home Chapel with Rev. L. L. Davis officiating. Interment in Watson Cemetery, Karnes Funeral Home in charge.

MR. DOTSON
Alvin Dotson, 49, son of Mr. and Mrs. Fred Dotson of Loudon, died recently at Creve Coeur, Illinois, while in Proctor Hospital in Peoria, where he was admitted two days earlier. He had been employed at the Caterpillar Tractor Company there for 25 years.

He was a veteran of the Navy and a member of First Church of God in Pekin and the Farmington Sportsman's Club. He was born in Vonnore. Besides his parents Mr. Dotson is survived by his wife, Elaine Pannell Dotson; two sons, Randy of Milwaukee, Wis., and Allen of Creve Coeur; one daughter, Melinda Gail at home; two stepsons, Jim Patterson of East Peoria and Danny Patterson of Peoria; one stepdaughter, Mrs. Britt Beard of East Peoria; five brothers, Jim of Washington, Kyle of Hamilton, Ohio, Charles of Atlanta, and Clifford and Gene both of Loudon; four sisters, Mrs. Johnny Hoover and Mrs. Wilma Henderson, both of Loudon, Mrs. Helen Rodgers of Lioniger, Pa., and Mrs. Carolyn Roach of Port Walton Beach, Fla.; two grand-

children and five stepgrandchildren. Funeral services were held in East Peoria.

MR. PARDUE
William Albert (Al) Pardue, 50, of Lenoir City died Saturday, May 4, in Robinsville, N.C. He was a commercial artist and was attending the University of Tennessee. He was a member of Central United Methodist Church, Lenoir City.

Survivors include his wife, Blanche Noland Pardue; father, W. L. Pardue; brothers, Bob, Knoxville, Clyde, St. Petersburg, Fla., and Don, Lenoir City; several nieces and nephews.

Funeral services were held Monday, May 6, from Central United Methodist Church with Rev. Phil Ernest officiating. Interment in Lakeview Cemetery. Click Funeral Home, in charge.

INFANT DEAN
Christopher Edwin Dean, infant son of Mr. and Mrs. Lowell Dean, Lenoir City has died.

Survivors include the parents, Mr. and Mrs. Lowell E. Dean, Lenoir City; grandparents, Mr. and Mrs. James R. Galyon, Lenoir City, and Mrs. Jim Dean, St. Auburn, West Virginia. Funeral services were held Monday, May 6 from Hawkins Chapel with Rev. Gene Russell officiating. Interment in City Cemetery, Hawkins, Lenoir City, in charge.

MR. THURMER
Carl Lonas Thurmer, 72, of Kingston Pike, Concord, died Sunday, May 5, at the family residence. He was a member of Concord Presbyterian Church, a retired car inspector for Southern Railway.

Survivors include his wife, Mrs. Maude Queener Thurmer, Concord; son, Lonas Thurmer, Memphis; two grandsons; brothers, W. T. Thurmer and Bruce Thurmer of Lenoir City; Sam Thurmer, Bluefield, W. Va.; five sisters, Miss Selma Thurmer, Miss Lucy Thurmer, Mrs. Donna Fine, Lenoir City, Mrs. Maggie Jones, Knoxville and Mrs. Charles Queener, Loudon.

Funeral services were held Tuesday, May 7 at Click Funeral Home Chapel with Rev. David Maude officiating. Burial in Loudon County Memorial Gardens. "Click Funeral Home" in charge.

Memorial Book Fund Adds New Library Volumes

The Loudon Schools Memorial Book Fund Committee has recently added several new books to the Junior High School library. "King of the Wind," in memory of James A. Thomas, "Little House on the Prairie," memorializing Mrs. J. C. Greer, and "The Answer Book," in memory of Mrs. Hugh Carey, Sr., have been donated by Mr. and Mrs. B. T. Brewer. Mr. and Mrs. Pete Campbell have donated "American Heritage Book of Great Historic Places," in memory of James A. Thomas. Mrs. Kathryn Watkins, librarian, has compiled a book of Memorials, listing all books donated since the fund was started in 1950. She will be happy to show it to anyone who is interested.

Mrs. Linda Arp, librarian at the Loudon Elementary School, has ordered "Numbers," and "The Prince Who Gave Up a King," in memory of William Versavague, "The Africans Know," in memory of Ruby Littleton, and "Let's Find Out About the Weather," "teen" bags.

in memory of Charles Jaynes. The donors of these books are Mr. and Mrs. B. T. Brewer.

The memorial book purchases for the Loudon High School Library are incomplete at this time and will be announced at a later date.

Art Festival

Art students of Mrs. Anne Loomis will display their exhibits at the annual Sweetwater Art Festival Saturday, May 11 at Tennessee Military Institute campus from 11 a.m. to 7 p.m.

Along with the displays of art will be several exhibits of pottery, crafts, ceramics, needlework, jewelry, flowers, decorated eggs, baked goods and many others. Several craftsmen throughout this area will display their exhibits.

Those from Loudon County will be Mrs. Claude Bridges of Loudon displaying needlework and Mrs. Charlotte Derrick of Lenoir City with her display of "teen" bags.

We had an answer to the gas problem long before there was a gas problem.
Plymouth Valiant.

14 years ago, when we put our first Valiant on display, it got a lot of attention. Since then, 2.3 million Valiants have been sold. So we figure we've been doing something right. And naturally, Valiant's good gas mileage is part of it. Stop in today and we'll show you plenty of other reasons.

See us for eight great small car buys.

CALVARY BAPTIST CHURCH Loudon

ALL DAY DINNER ON THE GROUND

- BRING YOUR DINNER -

CHURCH SERVICES AFTER NOON MEAL

THANK YOU

WE wish to take this opportunity to thank everyone who assisted us in our campaign—those who talked to friends and neighbors, those who believed and had faith in what we stood for, and those who voted for Edward Headlee for Superintendent of Schools. We are truly sorry that we missed seeing some of you during our campaign, but want to encourage you to call upon us at any time. We now ask that all Loudon Countians join together for the General Election in August and we sincerely ask for your continued cooperation and support in the days ahead as we all work together for the improvement of our schools.

Your Votes And Influence Are Truly Appreciated!

Edward Headlee

A BIG Thanks

To the voters in the Republican Primary for the very generous complimentary vote you gave me last Thursday.

Again thank you and I will appreciate your continued support and vote in the General Election in August.

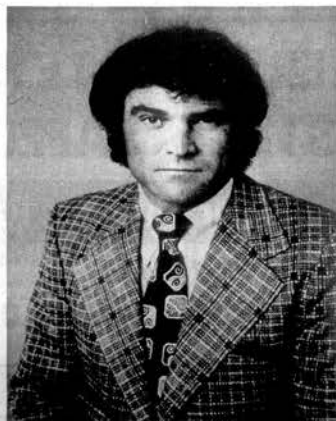

J. V. Schrimsher
Trustee - Loudon County

Voters Of Loudon County . . .

Loudon County is my home and I am anxious to contribute to its well being. I feel that I am qualified to handle the administrative duties required of the Sheriff of Loudon County and I want to announce to the people that I will be a candidate for this office.

I seek your support in my behalf and if elected I will strive to provide Loudon County with an efficient law enforcement agency. An attitude will be assumed that the Sheriff must serve the residents of our county without prejudice or favor. Your Sheriff must be a servant of the people—I will serve ALL the people.

Respectfully Yours,
Ronnie Fagg

Your Vote And Influence Appreciated

Ronnie Fagg is . . .

- * **CONFIDENT** — enough to assume command of the office. "I will be the head of that staff."
- * **CONCERNED** — about all sections of Loudon County. "We can discuss your individual wants and needs."
- * **EAGER** — to work both in the office and in the field. "I think hard work will provide good law enforcement."
- * **ABLE** — to handle the administrative duties required of this office. I have eight years experience in supervisory capacities.
- * **COOPERATIVE** — enough to work with all law enforcement agencies in administering law and order. "Drug problems need to be controlled not only in Loudon County, but throughout the state and nation."
- * **HUMBLE** — will accept constructive criticism. "My friends know I adjust when adjustments need to be made."
- * **MODERN** — enough to apply the latest in law enforcement techniques. "All efforts will be made to stay completely informed."
- * **FORCEFUL** — when it comes time to enforce. "My job will be to uphold law and order."

LOUDON

Sing Features Youth Choir

The Poplar Springs Youth Choir along with the Thompson Family of Loudon will be the featured singers at West Broadway Baptist Church, Sunday, May 11. Services begin at 7:30 p.m. Rev. Roy Hattley, pastor, invites everyone to attend.

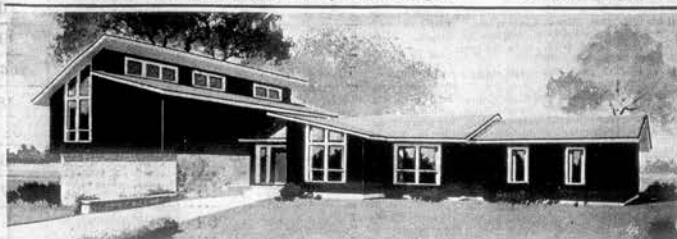

Swimming Lessons Set For Loudon Pool

The Loudon County Chapter American Red Cross has scheduled their regular swimming program for July 8-19 at the Loudon Municipal Pool. Beginners, 9:15 to 10:15; advanced beginners and intermediate swimmers, 10:30 to 11:30. Persons wishing

information for registration may phone the American Red Cross, 886-3468, Monday through Friday during the months of May and June. Only a limited number of registrations will be accepted. One must be eight years old this year to register.

Work Day Set At Prospect

An all day working will be held at the Prospect Cemetery on Saturday, May 18 beginning at 8 a.m. Anyone with relatives buried there are asked to bring their own tools and lawn-mowers and help clean up the cemetery. Dinner will be served at noon.

FOUR BEDROOMS, TWO AND A HALF BATHS

CONTEMPORARY HOME FEATURES SPACE AND LIGHT

FEATURE HOMES

By W. D. FARMER

A casual opening from the foyer of this ultra-modern home leads to the formal living and dining areas. These areas have been isolated from the normal traffic flow of the home to allow privacy when entertaining.

The kitchen features lots of cabinet and counter space and a built-in desk to aid in meal preparation and planning. Included also are such conveniences as a pantry, dish washer and trash washer. The adjacent breakfast room features an overlook into the family room. The generous sized family room has a central fireplace with brick facing covering the entire length of one wall. For convenience a half bath is located here also. The family room has two exits to the outside, one to the rear and

one to the side. The remainder of the lower level is devoted to an often neglected item in many homes, storage. However this area may be finished for a future playroom or bedroom. The upper level houses the bedrooms, three of which have sloping ceilings with fixed glass over. The master suite has a big walk-in closet, dressing area and private bath. Each of the other bedrooms has ample closet space and hall access to a full bath with vanity. The contemporary exterior

design of this home is reflected by the shed roof, intersecting at different pitches; the combination of frame and stone veneer siding and the generous use of windows for natural light. The mass and upper levels of this home contain 1,796 square feet and the finished lower level contains 448 square feet for a total of 3,244 square feet. For further information on plans or prices, write to W. D. Farmer, Residence Designer, Inc., P. O. Box 49463, Atlanta, Ga. 30320.

MOTHER

It is so important that a child feel secure and loved the first weeks and months of its life. Our tremendous authorities say that if a child's spiritual and emotional well-being is neglected in the early months of life, there is a great chance of permanent damage to its personality growth.

Therefore, on this day, we honor not only the beloved mothers of our adults and youth, but the very young mother who has both the tremendous responsibility and the precious opportunity to mold the life and character of the very young child. May she seek early God's help, who is the person of the Son, said: "Suffer the little children to come unto me."

IN MEMORY
In Loving Memory of John W. Galyon who passed away seven years ago May 13. Memories are Treasures. No one can steal. This is a heartache. No one can heal. Some have forgotten. Now that you're gone, But we will remember. No matter how long. Many times we've needed you. Many times we've cried. If love alone could save you, You never would have died. Sadly missed by family and friends. 11c-5-9

IN MEMORY
In sweet memory of my mother for her birthday and Mother's Day. Away back in the hills where mother was sleeping, She was called to Heaven while lying upon her pillow. Mother is not dead, she is only sleeping. In Heaven she will never grow old. She is resting in Heavenly peace with Jesus my Lord. We'll meet her again in the Sweet by and by. Sadly missed by Mrs. G. F. Watts. 5-9-11p.

HALF A GALLON OF POT—Deputy Luke Bright is shown with a half gallon of marijuana that a Loudon County woman turned into the Sheriff's Department last week. The woman, who the deputy would not identify, said she found the "grass" in a half gallon ice cream container behind the bathtub in her home about three months ago. The marijuana would have a street value of several hundred dollars, Bright said.

First Study Report On Loudon Townlift Project Next Week

The first meeting with the professional planners and economists that are looking into the feasibility of a Townlift Project (revitalization) of the business districts of City of Loudon has been set for 7:30 p.m. Thursday, May 23 at the Loudon Utilities Building.

City Administrator Gary Hensley said that John Schable, a Townlift planner, and Robert Tilley, an economist, both with the Tennessee Valley Authority will give a presentation at the meeting on economic studies that they have made on Loudon.

Hensley said that the men will present their opinion on the feasibility of the project, present data on income, population, projections on growth and marketing. Mayor Eugene Lambert says he hopes that the men can tell about other similar projects where TVA has helped in the re-development of business areas of small towns.

REDSKIN MAJORETTES—Selection of the Majorettes for the 1974-75 Loudon Redskin Marching Band were held last week. The majorettes are Pam Boone, head majorette, Julie Iddins, Acquilla Henley, Lisa Walker and Debbie Plomous.

126 Seniors Graduate From Loudon Monday

Graduation for 126 Loudon High School Seniors will be held at 8 p.m. Monday, May 20 in the school auditorium.

Speakers will be valedictorian Winona Oran and salutatorian Ann Hausin.

Among the many awards which will be given are four scholarships, the Beas Greer Scholarship to be presented to Tim Guider; the Methodist Church WSCS Scholarship will be presented to Emille Kirkland; Charles H. Bacon Scholarship (\$500 a year or a total of \$2,000) which will be presented to an as yet unnamed Loudon senior, and for

the first time the William S. Napier Memorial Scholarship, named in honor of the former LHS principal who died in a auto accident just after the school term began.

The 126 graduates will be presented by Principal James Gibson and diplomas will be presented by retiring Superintendent of Education Albert Dukes.

Four awards will be given by the Daughters of the American Revolution, Two Good Citizen awards; American History Award, and the History Essay Award.

The Loudon Rotary Club's Most Improved Student awards heads the list of other awards. They include, Best Athletes, Math Award, Agriculture Awards, Readers Digest Award to Valedictorian Winona Oran, the Danforth "I Dare You" Award to Salutatorian Ann Hausin; attendance awards; Outstanding Senior Band Member and Outstanding Homemaking Student Award.

Parents of the graduating seniors will have reserved seats behind the class. Others will be seated on a space available basis.

Democrat Candidates To Announce Friday

Loudon County Democratic Party Chairman Lee Thompson said this week that he hopes that a full slate of nominees for county offices will result from a meeting of the Executive Committee of the party which is set for 7:30 p.m. Friday, May 17 at the courthouse.

At the meeting all persons wishing to seek office in the county general election are invited to announce for the party nomination. Thompson

said that the executive committee will consider all the announcements and select the nominees for certification as party candidates.

It is understood that several persons are considering asking for party certification for a number of the county-wide offices on the August 1 General Election ballot.

There have been rumors of Democrats considering making the races for County Judge, Sheriff, County Court

Clerk, Trustee, and School Superintendent. Incumbent Circuit Court Clerk Billy Joe Akins has already announced that he will be a candidate for re-election.

There are also expected to be some announcements for Road Commissioner, and constable.

Thompson said he urged all Democrats in the county to attend the meeting and participate in the selection of the party nominees.

City To Enforce Dog Control Ordinances

Loudon City Commission acted on a 20 item agenda Monday night at their regular meeting, passed ordinances, resolutions and dismissed several major items.

After a recommendation from a citizen committee on a dog and dog control program for the city that an active program be instituted the Commission approved their recommendations.

These include the enforcement of a code passed in 1965 that all domestic animals (cats and dogs) in the city be required to be licensed through the city recorders office. A \$1 per year license fee was passed. The commission recommended strongly that all pet owners have their animals vaccinated at the health department rabies clinics set for Loudon this Saturday. After the animal has been vaccinated the certificate of vaccination should be brought to city hall where a license for one year, good from June 15, 1974 to June 14, 1975 be purchased.

City Administrator Gary Hensley said the city is in the process of hiring an animal warden and installing a shelter for stray dogs or

unlicensed that are picked up by the city. He said enforcement of the program will start on June 15.

The Commission acted on the somewhat controversial closing of Hill Street by passing on the ordinance on third reading ordering that the street be closed at the intersection of Hill Street by the Southern Railway tracks.

Mr. Hensley cited a recommendation from the just completed Street Study, where the engineer recommended the street be closed for safety purposes because it was too steep of a grade for safe travel. The ordinance was passed on a motion by Commissioners Swiney and Lyle.

At the recommendation of Fire Chief Chili Jones Sherman Staleup, a city fireman, was promoted to the new position of Fire Captain. The former position of Assistant Fire Chief, which became vacant at the death of Assistant Chief Johnny Oody, was abandoned.

Deputy Recorder Virginia Burente reported that the State has required the city to take action to collect Business Taxes under the Class IV division. This is for contractors located in the city or doing business in the city. The base fee is \$18.50 per year. A contractor having his business located in the city must take out the license and an outside contractor doing as much as \$50.00 in business per year in the city is required to purchase the business tax license.

First reading on the approval of rezoning a three acre tract of land on Main Street from light manufacturing to residential was passed. Also the Commission authorized a public hearing on the matter be called. The property is owned by Green's and it is understood they plan to locate

a mobile home park on the property.

Following the resignation of Tom Delaney from the City Recreation Board the Commission appointed Tom Matlock to fill Delaney's unexpired term.

A policy of compensation to employees drawing Workman's Compensation was established. The Commission voted to not supplement the \$62 weekly Compensation when an employee is out of work because of an injury. In the past the City had paid the difference between the compensation payment and the full salary of the employee. The decision was based on the general attitude and policies of local industries.

A section of Steekee Street from the Grove Street intersection to an alley South of the intersection was designated as a no-parking area on both sides of Steekee.

Mayor Gene Lambert said that a problem of people parking on Steekee near White's Grocery had created a bottleneck and since a parking lot for customers of the business had been built across the street he felt the resolution was justified. Signs were ordered installed immediately and enforcement of the resolution would begin when the signs are erected.

Mayor Lambert reported that he had received a letter from State Transportation Commissioner Bob Smith confirming an earlier report that the state would make a study of the bridge over the Southern Railway tracks on Highway 72 at Loudon Junior High. Smith said that after the state engineers study the situation that if the state can justify a new bridge or some relief he will do what he can to start the project.

Record Entries, Crowd Expected At Festival

Assuming good weather, an expected 10,000 people will converge on the peninsula at Lenoir City Park on Saturday, June 1, for the annual Arts and Crafts Festival.

The Suburbia Junior Woman's Club will sponsor its 12th annual Festival, with Mrs. Kennedy (Kay) Dutton serving as chairman of this year's event. Mrs. Joe (Pat) Grayson is co-chairman.

In case of heavy rain between the hours of 10 a.m. until 3 p.m. on June 1, the Festival will be held the following day, June 2. In case of extensive rain on June 2, the Festival will be held the following

Saturday. Festival hours are from 10 a.m. until 6 p.m. The project was begun by the club for the purpose of enhancing the cultural life of Lenoir City by giving artists and craftsmen an outlet for their talents. The first Festival was successful, but small, compared to the size of the event in recent years. The first year saw 40 exhibitors and a few hundred visitors on the peninsula. Last year the Festival drew well over 100 exhibitors and approximately 15,000 visitors.

In past years, Willard Varrbrough, Knoxville News-Press, and other interested persons

(Continued to page 4)

Shriners Set For Annual Paper Sale Sunday

The Loudon County Shrine Paper Sale will begin with kick-off breakfasts at Lenoir City and at Philadelphia at 6 a.m. Sunday, Chairman Coy Gossage said.

The Lenoir City breakfast will be served by the Order of the Eastern Star at the Avery Lodge Hall.

The Philadelphia breakfast, for workers in the Loudon and Philadelphia area, will be at the Philadelphia Masonic hall. "We are going to get an early start and we hope to be finished by church time," Mr. Gossage said.

Radio coverage of the campaign will be provided by radio station WLL with Ronald L. Cotton, Easter and Ron Harris at the microphones.

The goal this year is \$8,500, almost \$1,000 up from last year's \$7,500 raised. But the goal for Kerbel Temple is \$250,000—a full quarter-million, said Loudon County Shrine Club President W. O. Smallen.

Every year dozens of Loudon Courtians—Masons

and other interested persons— (Continued to page 4)

READY FOR BIG SALE SUNDAY—Several Loudon County Shriners are shown with a display of posters, papers and other articles that will be seen all over Loudon County Sunday during the annual Shrine Newspaper Sale. The Shriners hope to raise over \$7500 here for use by the Shrine sponsored Crippled Children's Hospital. Pictured are Charlie Arp, James Chaney, Claude Smallen, Joe Henderson, John L. (Injun) Brown, Ed McCowan, and Claude Hines.

Greenback Commencement Tuesday

Thirty-two seniors at Greenback High School will receive their high school diplomas at commencement exercises at the school at 8 p.m., Tuesday, May 21.

The only speakers at the graduation will be Valedictorian Gail Keaton and Salutatorian Jane Hartsell. The class will be presented by

Principal James McGhee and school diploma awarded by Superintendent of Education Albert Dukes.

The Rev. Billy Joe McCowan, pastor of Greenback Memorial Baptist Church, will be the Baccalaureate speaker in the school auditorium at 8 p.m. Sunday, May 19.

Class Day services, where school awards and honors were presented was held Tuesday morning at the school.

Senior Class President, Tim Hammonree opened the program. The class history was given by Jane Hartsell, Donna Talient and Lisa Tarwater. Mike Evans read the Class Will with Micki Dalley giving the Class Prophecy.

Awards presented were as follows:

Daughters of American Revolution Good Citizenship award-Terri Rogers.

Outstanding American History Student (Woodman of the World Trophy) Terri Rogers.

DRUM MAJORS—Sandra Shell, left, has been selected Drum Major of the Loudon High Redskin Marching Band for the 1974-75 school year and Connie Bailey, right, assistant drum major.

Mrs. O'Brien In State House Race

Mrs. Anne Belle Clement O'Brien of Cumberland County has announced she would be a candidate for the State Legislature's 36th District, composed of Cumberland County and parts of Boone, Loudon and McMinn Counties. The seat is now held by James Melton.

Stating some of the reasons for seeking the office, "Miss Anna Belle", as she is usually called, said:

"I feel my experience in State government can be used for the benefit of the people of Tennessee and especially this area. Our local people need a stronger voice in State affairs. Our rural road system needs the attention of State government. The most important roads to the people of this area are the farm to market roads, the roads traveled by our school buses and the roads which carry our people to their places of employment. More funds should be

MRS. O'BRIEN allocated for education. Inflation has eaten away at the useable income of citizens. It can and should be controlled.

"For many years, I have been concerned with the problems of the physically handicapped and mentally retarded. These programs should be upgraded and I pledge my support to help our handicapped people."

"For the past seven years, I have been a resident of Cumberland County. We love the people of this area, and my

office in Nashville will be open to you at all times."

Mrs. O'Brien, the wife of Judge Charles H. O'Brien, has had broad experience in State government. She first served as Secretary to the Commissioner of Agriculture and later as recipientist for former Governor Buford Ellington. In the last administration of her brother, the late Governor Frank G. Clement, she served as the Governor's Administrative Assistant.

Since moving to Cumberland County, Mrs. O'Brien has been active in civic affairs, and has served as President of the Board of Directors of the Plateau Mental Health Center, which provides facilities for a fourteen county area in the Upper Cumberland. She and her husband are members of the Cumberland Homestead Baptist Church.

In Germany

Ramstein AB, Germany, is the new assignment of Air Force Sergeant Lowell J. Smalling, son of Mrs. Bessie Smalling, R.R. 2, Vonore, Tenn.

Sergeant Smalling, a construction equipment operator,

Countians Spend \$4,459,000 On Health

Compared with people in other areas of the country, how much are Loudon County residents paying per year for health care?

How large are their personal out-of-pocket expenditures for medical, dental, hospital and other health services, over and above the portion of their bills covered by insurance?

Because the cost of medical care is a matter of major concern, a special study was conducted by the National Center for Health Statistics to determine how big a burden it represents for families in various sections of the nation.

The only other full scale study of this kind that has

made was in 1962. Since that time, it finds, an increasing proportion of these expenses are being paid through insurance benefits, through medicare and through other government programs.

Despite this, however, because medical costs have zoomed in recent years, the consumer is left with bigger bills to pay than ever before.

In Loudon County's regional area, the figures show, some 13.4 percent of the population incurred no medical expenses at all in the year. Of the others, 38.0 percent had no more than \$100 to pay.

The out-of-pocket costs for the area as a whole came to \$182 per capita. Included in

this amount were insurance premiums paid.

Elsewhere in the United States, the expenditures were a little higher, \$185 per capita.

It broke down to \$47 for doctors, \$29 for dentists, \$27 for prescription medicines, \$21 for hospital care, \$10 for optical expenses and the rest for miscellaneous health services, equipment and premiums.

The cost per individual ranged from considerably less than the average to considerably more. It varied from area to area and from family to family.

Age was an important factor. In the local area, for example, the cost was only \$113 for those under 17 but rose to \$200 for people over 65.

The total out-of-pocket outlay, for every man, woman and child in Loudon County, came to approximately \$4,459,000 in the year, it is estimated.

Grand Jury Faces Big Docket Next Week

The Loudon County Criminal Court Grand Jury will have one of its heaviest dockets of cases in the past year or so when they convene Monday at Loudon. Court Clerk Billy Joe Atkins reported that there are now 36 cases awaiting grand jury action and generally another 10 or 15 will be added just prior to the start of the session.

There are 26 felony cases which were carried over from the January term, which along with the expected number of indictments from the grand jury cases, the jurors and Judge Lloyd McClean can expect that the scheduled three week session will have very little breathing room.

The following cases and charges will be considered by the Grand Jury.

(Editors note-The Grand Jury docket lists only names and charges not addresses.)

Janet Thornburg, larceny (bad check); Michael A. Nelson and Alice G. Nelson, dependency and neglect of minor children; Gene Grizzle, reckless driving; Billy Mounts and Johnny Bradshaw, contributing to the delinquency of

a minor; Daniel Polson, arson; Larry David Walden, two counts of destruction of private property; Jeff Green, receiving and concealing stolen property; Jeff Green, two counts of breaking and entering and larceny; Jeffrey Green, attempted breaking and entering; Jeff Green, breaking and entering; Lorenzo Best, hit and run; Kenny Dyer, assault and battery.

Paul Moger, shooting into a home; Lowell Stevens and Dennis Rasar, contributing to the delinquency of a minor; Lowell Stevens, public drunkenness and larceny of an automobile; Dennis Rasar, public drunkenness; Donnie Hill, larceny; Allen Humphrey, breaking and entering; Ronnie Fagg, felonious assault; David Sartan, larceny; Terry Brookshire, larceny; Kyle Ward, public drunkenness and receiving and concealing stolen property; Bowman R. Russell, public drunkenness; B.R. Russell, receiving and concealing stolen property; Ralph Wright, hit and run; James K. Rogers, driving while intoxicated; Charles Lowe,

larceny; George Littleton, larceny and fraudulent breach of trust.

Harvey H. Underwood and Joseph M. Underwood, larceny; Tony M. Fields, Jack A. Revis and William E. Preston, three counts of shooting into a dwelling, one of shooting into a storehouse and one of felonious assault; Tony M. Fields and Jack A. Revis, public drunkenness; William E. Preston, driving while intoxicated; Preston Boyd, larceny by trick; Gene Rogers, three counts of forgery; and Norman Arden, failure to provide.

The 26 felony cases carried over from the previous term of court and the indicted charges are as follows:

James Hanson, three cases of worthless check; Thomas R. Walker, larceny after trust; Fred Allen Berry, receiving and concealing stolen property; E. G. Perkins, Sr., larceny (bad check); Robert Whitaker, larceny (bad check); Robert Earl Adams, six cases of larceny, receiving and concealing; Dwayne Shaver, forgery, uttering and passing.

Dennis Rasar and Walter Moore, selling controlled substance; Robert Edmonds, Jr., selling controlled substance; Michael Richeson and Richard Fields, selling controlled substance; Mike Aikens, possessing controlled substance with intent to sell; Dennis Rasar, Richard Fields, and John Doe (alias), selling controlled substance; Dennis Rasar, selling controlled substance; Cheryl Johnson, worthless check; Alvin H. Mitchell, worthless check; Cathy Dyer, worthless check; and Bud Covington and Don Waldrop, concealing and aiding.

Record Entries, Crowd Expected At Festival

(Continued from page 1)

Sentinel roving reporter, chose the Festival for the Sentinel's Trip of the Month, which contributed greatly to its growth. Publicity has also been given the Festival in Southern Arts and Crafts Newsletter, The Loudon County Cullman, Ala. and the Southern Living and Tennessee Conservation.

Mrs. Lib Barrette, chairman of the food committee, reports that 600 chickens will be barbecued at the site by husbands of Suburbia Club members and Jerry Park. Plates will sell for \$2 for 4

chicken, baked beans, cole slaw and bread, plus lead tea and coffee. Dessert will be available and may be purchased separately.

Mrs. Betty Wolfe, chairman of home baked items, promises pies, cakes, brownies and cookies, all baked by Suburbia Club members.

The short order booth will serve hamburgers, hot dogs and cold drinks as long as there is a demand for them.

"The many early responses by exhibitors indicate that there will be more exhibits this year than ever before," Mrs. Dutton said.

Shriners Set

(Continued from page 1)

break out in force for the Shrine Paper Sale and the goal has always been reached.

In addition to Shriners, other Loudon County Masons including those in the Loudon City, Loudon and Philadelphia Blue Lodges, and other interested Loudon Countians—especially members of the Loudon County Emergency Rescue Squad—combine their efforts for crippled children in the Shrine Paper Sale.

Badge Of Former Police Officer Retired

Kenneth M. Flynn, 57, 13865 of the Metropolitan Police Department of Washington D.C., that Flynn wore for 14 years as a member of the force, has been retired.

Recently a Captain and two Sergeants from the Washington force came to the Flynn home and presented him with a plaque with his original badge mounted on it.

They told him that the Chief of Police retired his badge due to the many accommodations he had received while on the force. Usually, a badge is retired only if the officer that wore it was killed in the line of duty.

OFFICERS BADGE RETIRED—Kenneth M. Flynn, Martel Estates, Lenoir City, was recently presented a plaque with his police badge that was retired by the Washington D.C. Metropolitan Police Department. Flynn, 57, retired about 18 months ago after 14 years on the force.

Training Vacancies At Area Vocational School

Robert Barnett, Superintendent of the Athens Area Vocational-Technical School announces that there are now vacancies in the following training areas: Air Conditioning and Refrigeration; Auto Body Repair; Drafting; Electronics; Machine Shop; Masonry; and Welding.

A major objective of the Area Vocational-Technical School training is to constantly seek ways to more effectively prepare individuals for employment, and to upgrade those who are already employed. When an individual improves or upgrades his employment potential, not only he and his family benefit, but the community in which he lives.

The school will enroll both those who have graduated from high school and those who have left the full-time school. While some courses do require a high school

graduation or its equivalent, the school offers courses for those who have less formal education.

The school is fully accredited and veterans are eligible to receive full educational benefits. No tuition or registration fees are charged to any student at the school. The student is only required to purchase instructional supplies, textbooks, or workbooks for his own use.

Applications are accepted at any time between the hours of 7:30 a.m. and 4 p.m. Monday through Friday. Anyone interested in training is urged to apply immediately.

Applications may be made by contacting Paul F. Walker, Supvr. of Student Services, telephone 745-6960; or writing to the school at State Area Vocational-Technical School, P.O. Box 846, Athens, Tennessee 37023.

TVA Has Blue Collar Openings For Women

TVA said today it is making extensive efforts to encourage women to apply for the large number of apprenticeship training jobs the agency expects to fill by early summer.

This campaign is part of the agency's overall program to get more women into jobs that traditionally have been reserved for men.

The jobs TVA plans to fill by June 1 will provide training at major construction sites, operating steam plants, and other facilities as asbestos workers, boilermakers, cement masons, carpenters, electricians, equipment mechanics, gas and diesel mechanics, instrument mechanics, machinists, millwrights, painters, sheet metal workers, steamfitters, iron workers, and operating engineers.

TVA trades and labor, or blue-collar, employees number more than 14,000 but only a little more than a year ago there were only a few categories in which women worked: Display illustrators, instrument mechanics, chemical plant operators, and electrician-welders. The apprenticeship training programs are providing the opportunity for more women to reach the journeyman level in skilled crafts. At Watts Bar Nuclear Plant, Marthe M. Cumming is enrolled in the steamfitter apprentice program and Laurie J. Tumolo in the electrician apprentice program. Linka

Klak and Dollie Hayes are at Sequoyia Nuclear Plant as the electrician apprentice program.

Clad in coveralls and hard

hats, these women receive no special treatment and are expected to do the same work as men. They receive the same pay as men. As apprentices they work along with journeymen in their crafts and perform a wide variety of tasks necessary to master the trade.

The starting salary for apprentices without related training or experience is \$4.45 per hour. The rate increases with advancement to each higher level training period. When training is successfully completed, apprentices become fully qualified to do journeyman work and receive journeyman pay.

Persons interested in enrolling in any apprenticeship training program can apply at the nearest TVA employment office. Applicants must be at least 18 years of age and must have completed six years of grade school and preferably have completed high school. They must take a battery of general aptitude tests, and must also be in good physical condition as determined by a TVA medical examination.

Support and Vote For RONNIE FAGG For Sheriff

General Election, Thursday, August 1, 1974

Administrative Ability Plays An Important Role in Providing Successful Law Enforcement

VOTERS OF LOUDON COUNTY:

Our county faces many problems, some which you personally observe each day. When these problems concern law enforcement they need to be resolved in an efficient and scientific manner. Conducting investigations, making arrests, preparing the necessary documents keeping up to date files, and making certain that defendants and plaintiffs receive proper attention under the laws come under the responsibility of the Sheriff of Loudon County.

In my personal opinion the present sheriff has done a good job for Loudon County, but times are changing and the office needs to be brought up to date. If elected to this office I will inherit some good law enforcement officers for my staff. Some will not want to work under me but the men who stay and the men I hire will be professional officers. I feel I can assemble an efficient, courteous and knowledgeable Sheriff's Department of which all Loudon County will be proud. Providing proper law enforcement for ALL citizens will be my goal.

Mike Walker Selected As Top Individual Athlete

Lenoir City All Sports Banquet Draws Overflow Crowd

By Danny Gibson
Sports Editor

The athletes of Lenoir City High School were treated to their annual All Sports Banquet sponsored by the Lenoir City Civic Club and the Lenoir City Rotary Club last Thursday night.

Over 400 people turned out for the short notice event which had trouble finding a spring calendar date to honor the Panther athletes. Doctor Harold Freedman was the master of ceremonies, doing a smashing job of creating disorder and humor about the banquet with his many stories and quips.

New head football coach Henry Blackburn opened the banquet by inviting everyone to come out this fall and support the Lenoir City football program. Coach Blackburn and his staff have installed the Vee offense with a lot more emphasis being placed on passing also. Coach Blackburn disclosed the Panthers would hopefully be making the changes to better their play and also give the fans a more wide open performance.

Coch Dale Brown, who took a position with the State of Tennessee Drivers Education Department, was also presented and paid tribute to the Lenoir City athletes, his football players, and the Lenoir City people, wishing them much success in the future.

Football players being honored at the banquet were Mike Walker, Most Outstanding Football Player, Sam Thompson, V.F.W. Best Lineman and the Best Blocker Trophy, Tony Long, the winner of the Best Offensive Player Trophy and Carl Thompson the Coach Roy Harmon "Mr. Panther" Trophy.

In Girls Basketball Coach Glenn Williams expressed his enjoyment of having the opportunity of being a part of the Lenoir City Girls' Basketball Success Story. Williams, who is giving up the head coaching job of the Panthers this year, said in part, "I was most proud to be able to coach, proud to have worked with and shared the accomplishments his teams had been able to achieve."

Four girls instrumental in the Panthersites march to the state tournament this past season received special recognition. Pam Smith, a junior forward, won the Best Attitude Trophy. Senior Glenda Brown the Hustle Award. Janet Leeper the Tommy Bradshaw Best Defensive Player Trophy and Marietta Blackburn, who has either set or broken all of the school scoring records during her varsity play won the Guy Buckner Trophy as the Best Offensive Player.

In Boys basketball Coach Willie Joe Smalley termed his 1973-1974 Panther edition as his best group of workers in his 14 years as head coach at L.C. Mitch Keebler won the Most Assists Trophy with 152 assists for that award. The Best Attitude Trophy went to Don Breazale and The Clarence H. Middleton Memorial Trophy was presented to Johnny Price. The Out-

standing Player Trophy was shared by both Keebler and Liles, a first for a coach Smalley team.

Gary Dye was the top individual golfer. The Panther Press, the Lenoir City School newspaper, honored for the first time the Mr. Football, Mr. Boys and Miss Girls Basketball. Panther Press Sports Editor Kaye Harris made the presentations to Mike Walker, Mitch Keebler, and Marietta Black-

burn respectively. Mike Walker carried away the top honor of the night edging Marietta Blackburn for the Outstanding Sportsmanship Award going to the top All Sports individual and so honored by the Civitan and Rotary Clubs. The selection is made on the grounds of athletic ability, team spirit, sportsmanship, dedication, and leadership and voted by the entire athletic department participants.

FOOTBALL STARS RECOGNIZED—Five of Lenoir City's football players were given special recognition for their season play at the Lenoir City All Sports Banquet last Thursday night pictured from left to right: Sam Thompson, Carl Thompson, Tony Long, Mike Walker, and Jeff Walker.

Maremont Golf Play In Sixth Week

The Maremont golf league is in its sixth week of golfing action with the race developing into a close struggle.

Mike Sims has a one point edge over the field of league golfers with a total of 29. Harold Grimes is in second place with 28 points and third and fourth positions are separated only by a half of a point with Bill Bishop, Charlie Romine, and Jim Hamil challenging the leaders.

Jim Hamil made the largest jump in the league standings as he moved from a ninth place slot to a fourth in the

standings. Hamil picked up nine of a possible 10 points in his league round.

Jim Lee and Bob Welch were the golf ball winners for last week with Lee turning in a low net of 31 to win two golf balls and Welch had a 33 to receive a golf ball.

Points are awarded on the merit of winning a hole. For each hole won, one point is received. Half points are received if the players tie on a

hole and one point is given for the low net score of the day.

Basketball Game To Benefit Napier Fund

The Loudon Standing Committee of the Loudon County School Board which is led by Walina Lyons will sponsor a basketball twin bill Saturday night at the Loudon High School gym. The hoop contests will match the Loudon High School '74 team against the Senior Boys Intramural Champions at 6:30 and the Loudon varsity for 1974-1975 season against the Black Magicians at 7:45.

The Magicians are composed of former Loudon athletes Morris Wilson, Roy Wilson, Rufus Smith, Calvin Cozart, Butch Brown, Rosey Brown, Yancy Hampton, Lonnie Hawkins, and Melvin Hawkins.

The Saturday night proceeds will be donated to the William Napier Scholarship Fund.

MR. NAPIER Fund. Admission is \$1.50 for adults and \$.75 cents for students.

Lenoir City In Winner's Bracket Of District Baseball Play

Oak Ridge squeezed past defending champion Harriman 3-1 and Lenoir City downed Oliver Springs 10-1 Tuesday in second round action in the District Ten baseball tournament at Papermaker Park in Harriman.

Earlier, in opening round action Monday, Harriman had stunned favored Rockwood 12-1, eliminating the Tigers from the tournament along with Kingston, which bowed 9-5 to Oak Ridge.

Results of the first two rounds of the tournament found Harriman meeting Oliver Springs at 6 p.m. Wednesday in a losers bracket contest, while the winners bracket battle followed at 8 a.m. between Oak Ridge and Lenoir City.

The lone game on tap tonight (Thursday) is set for 7 p.m. matching the Harriman-Oliver Springs survivor against the loser of the Oak Ridge-Lenoir City game. The winner of the Oak Ridge-Lenoir City contest comes

back at 7 p.m. Friday against the third basemen did the damage as Panther grounders repeatedly sought out the left side of the Bobcat infield.

Oliver Springs got a run in the fourth on a walk, a stolen base, and an error, but McCoskey's two-run doubles to the fifth and run-scoring single in the seventh put his team on top 10-1.

Bobcat reserves got two runs in the seventh as Lee Grace walked, took second on a wild pickoff attempt, and scored on Stubbs' single. Darrell Miller then forced Stubbs at second, but stole second himself, and came in on a long single to left center by Scott Brown.

Harriman nearly pulled off a major comeback in its game with Oak Ridge, cutting three runs off an 8-4 Wildcat lead, before running out of steam with the tying run on second base.

Coalfield in the second game, seizing an early 4-0 advantage and holding on to win 5-1. Sammy Dunlap had three hits and scored two runs for the Panthers, who got a strong five-hit pitching performance from Marty Porter. Mike Walker and Carl Thompson had the only RBI's for Lenoir City, which took advantage of numerous Jacket mistakes.

Oak Ridge exploded for six runs on five hits in their first turn at the plate and that proved to be enough to eliminate Kingston, 9-5, in the first game on Monday evening's schedule.

The Wildcats, along with the four low scorers from other teams in the meet, including Harriman's Terry Austin, qualified for further competition in the Region Two tournament, set for next Tuesday at Moccasin Bend Golf Course in Chattanooga.

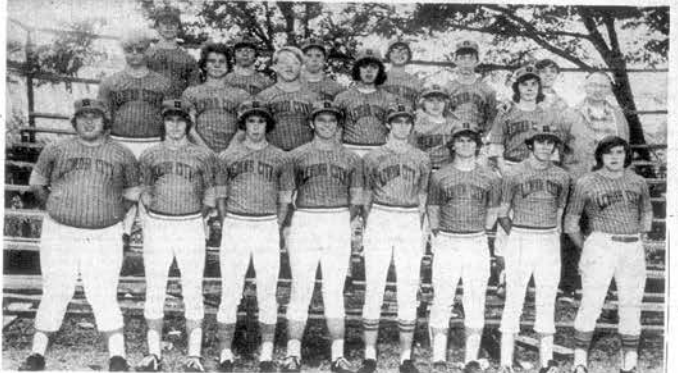

Oak Ridge recorded a team score of 327, with other scores in the tournament as follows:

Zane Goodrich, who had given up 23 runs in two losses to Rockwood this season, stunned the favored Tigers with a three-hitter as Harriman took the final game on the program 12-1 in five innings.

Strong hitting, featuring a lowering home run by Keith Brewer, keyed the Blue Devil upset which was assured as Lenoir City toyed with early as the second inning

in Monday's opener. Oliver Springs eliminated Oakdale 7-0 on a four-hit shutout by lefthander Kenny Stubbs.

Lenoir City toyed with Porter, Mike Walker, Sammy Dunlap, Mike Hudson, Jimmy Campbell, Mr. Bobby Hicks, radio sports voice of the Panthers. Third row left to right: Joey Cunningham, Mike Ellis, Bobby Smith, Gary Hamby, Mike Flanagan, and manager Curtis Monger. Lenoir City is coached by John Brannon, who did not wish to be pictured with the team.

LENOIR CITY HIGH SCHOOL BASEBALL TEAM—Making their bid to capture the District 10 High School Baseball Tournament at Harriman this week is the Lenoir City Panthers. Pictured front row left to right: Tony Long, Johnny Price, Mitch Keebler, Carl Thompson, Danny Luttrell, E.K. Salvage, Mike McCoskey, and Jeff Blakney. Second row left to right: Jeff Walker, Marty

Porter, Mike Walker, Sammy Dunlap, Mike Hudson, Jimmy Campbell, Mr. Bobby Hicks, radio sports voice of the Panthers. Third row left to right: Joey Cunningham, Mike Ellis, Bobby Smith, Gary Hamby, Mike Flanagan, and manager Curtis Monger. Lenoir City is coached by John Brannon, who did not wish to be pictured with the team.

The Loudon Recreation schedule for the week is posted at the Loudon baseball field T-league, Dixie Youth Baseball, Babe Ruth Play, and men and womens softball are to play a full schedule with the use of both the Loudon baseball park and the use of the new ball field beside the High School. Be sure to check the posted schedule to see what time you play and where your game is played.

Oak Ridge Captures District Golf Title

Oak Ridge, playing on its home course, took first place honors Monday in the District Five golf tournament, edging runnerup Rockwood by four strokes.

The Wildcats, along with the four low scorers from other teams in the meet, including Harriman's Terry Austin, qualified for further competition in the Region Two tournament, set for next Tuesday at Moccasin Bend Golf Course in Chattanooga.

Oak Ridge recorded a team score of 327, with other scores in the tournament as follows:

Rockwood 331, Lenoir City 322, Kingston 345, Harriman 349, Onieda 355, T.M.I. 369, Crossville 374, Clinton 396, LaFollette 391, and Tazewell 422.

Rockwood, oddly enough, failed to advance an individual golfer, despite the team's second place finish. The Tigers were saved by Eddie Evans, who fired an 80, but lost out in a playoff for fourth to Gary Dye of Lenoir City.

Bryan Kendrick of Clinton took individual honors with a 74, followed by Rick Moore of Lenoir City at 74, and Harriman's Austin at 77.

JOHN HIWASSEE TIGERETTES—Hiwassee girls basketball coach Damon Mitchell has added two more outstanding college freshmen to his 1974-1975 roster by signing fourth year letterman Jane Shubert and Marilyn Smith of Loudon High School. Coach Mitchell expressed his pleasure in signing the two high scoring Loudon forwards and feels their addition to his team along with such signees as Marietta Blackburn of Lenoir City and Cleveland's Debbie Park will once again lead the Tigerettes into a challenging berth for National honors the next two years.

FORMER LENOIR CITY SPORTS WRITER HONORED—Tommy Bradshaw, sports editor of the Lenoir City News for almost 40 years, has been honored with a memorial building built in his honor at the Lenoir City High School softball field. The new press box was dedicated last Saturday with a special ceremony involving left to right Lenoir City youth league and recreation director Earl Fox, Mrs. Dorothy Bradshaw, daughters Linda, Judy, and Mary Calbrine. Making a memorial plaque presentation to the Bradshaw family is U.S. Rep. John Duncan with State Representative Benny Stafford and Carl Koelsa, State Senator for Loudon and Blount Counties taking part.

Herb's Hideaway.

(Another in a series of imaginative uses for the GMC MotorHome.)

Poor Herb.

There he was, trying to come up with a way of getting away from it all on weekends—despite the gas shortage.

Then he hit on the fact that there were all kinds of neat recreation spots that were practically in his own backyard. And that a GMC MotorHome was an absolutely smashing way to get there.

What's more, when he got to his retreat in the woods, he discovered that the MotorHome was as much pleasure to live in as it was to operate on the highway. Without the worry and expense of owning a cabin that he would leave unoccupied five days of every week. (When his MotorHome wasn't in use, he could simply store it at his dealer's Lockock. There, any services he desired could be performed and the MotorHome would be ready next time he needed it.)

And speaking of owning, Herb learned he didn't even have to buy a MotorHome—that he could rent one just about any time he wanted. Now, that was reasonable. Especially when he took along a couple of poker-playing buddies.

Interested? See your local dealer for full details.

The MotorHome from General Motors.

Deadlock Tightens City Golf Standings

The Loudon City Golf League is still in command of Richard Archer and John Cobb with 49 total points to date, but they are not alone as defending league champs Larry Millsaps and Lynn Millsaps picked up 16 team points last week and also have 49 points.

The league leaders are far from safe as a log jam is occurring in the second and third positions of the league. Dennis Townsend and Ray Stalcup are all tied up in second place with Bert Ratledge and Clell Miller, each team with 44 points.

Harrison Henry and Harold Grimes are knotted in third place with Jack Ferguson and Glenn McNabb with 42 team points each.

Clell Miller and Bert Ratledge, making their surge toward the top, won the team low net for the week with a combine round of 65.

Iny Swiney and Clell Miller shared the low net individual honor with rounds of 32.

Lynn Millsaps is the new individual pace setter with 30 individual points to date replacing John Cobb who has dropped to fifth with 25 individual marks.

Ray Stalcup is now in second place with 27 points and Tom Sexton has 26. Ted Lomax and Cobb both have 25.

Full Race Slate Set At Atomic

You can't win every time against the weatherman. After the first rainout of the season at Atomic Speedway, late model sportsman drivers will be back at the popular dirt track Saturday night for another first-claim show.

Heavy rain forced postponement of last week's competition before any of the drivers had had an opportunity to make qualifying runs.

Saturday's program is scheduled to start at 7:45 with time trials for the sportsman machines. The first race gets the green flag at 8:30. Besides the 40-lap feature, there'll be at least four heats, a semi-feature and a 15-lap race for drivers in bomber cars. Tickets are \$2.50 and \$5.

Bill Corum, the Maynardville flash, tries to equal the track record for consecutive feature wins. He's topped the last two in a Chevy II.

Georgia standout Snooks DeFour became the first driver to win three straight in a Mustang. Ken Phillips of Loudon took the mark last year in a Camaro.

Herman Goddard will be back for his second race in a new Chevy II. Other top performers expected include Zeke Buchanan, H.E. Vineyard, Bill Ogle, Johnny Gibson, Don Justice, Preston Thurman, Jim Arwine, Clay Kelly, Jack Ogle and Johnny Phillips.

MAY 16 1974

Fishing Forecast

By Ed Witt
Asst. Supv. of Tenn.
Wildlife Resources Agency.

NORRIS LAKE—water conditions, clear, full and stable. Bass, good but have moved into deeper water due to cool weather. Several limits being taken fishing with flies and minnows, deep, also medium running lures along rocky banks. Crappie are still being caught in large numbers but are harder to find. Not scattered out like they were. Fish with small flies and minnows around underwater cover. Walleye have begun to fit spinners and worms and large minnows. Troll the spinners and still fish minnows deep.

DOUGLAS LAKE—water condition, clear and stable. Bass still being caught in large numbers but not like they were. Best method is casting plastic worms and flies around the trash drifts in coves. Crappie and minnows still dependable. Best method is casting small minnows and flies for crappie and still fishing deep off rocks with minnows and flies for sauger. Catfish being caught fishing deep with minnows and on trotlines using shad minnows.

FT. LOUDON LAKE—clear on lower end and murky on upper end and still. Bass remains active several being taken in early morning on top water lures. Not large in size but plentiful. Being taken on plastic worms and spring lizards around underwater

cover, stumps, etc. Crappie have slowed down with big run appearing to be over but several still being caught on small flies, and minnows, fishing about 10 to 15 deep around underwater cover. Catfish moving into medium depth water. Fish with large creek minnows.

FT. LOUDON FALLWATER, clear and fluctuating. All species have slowed down some but several drum, catfish, crappie, stripes and saugers still being caught. Drum and catfish still fishing deep with shad minnows and guts. Crappie, stripes and saugers casting and trolling small minnows and flies.

WATTS BAR LAKE—clear, full and stable. Bass and crappie in fair. Bass on plastic worms, minnows and medium running lures. Crappie are on the move and are still being caught on small minnows and flies casting and trolling along rocky banks. Catfish are moving and are hungry. Best method is still fishing with night crawlers and cut bait along brushy banks. Also on trotlines using cut bait.

MELTON HILL LAKE—clear, full and stable. Bass and bream have moved back into deeper water due to cool weather but are still being caught on lower end of lake on flies, minnows, plastic worms and natural worms.

CHILHOWEE LAKE—water condition, clear and stable. Bass, crappie and bream are good, large string being caught. Best method on bass is casting and still fishing with

LOTS OF FISH—Joe Fagg and his son, Chester of Loudon had good luck as they fished recently at Ft. Loudon Dam. They caught 60 crappie, stripes and saugers. Joe is holding a large drum he caught weighing over 10 pounds.

spring lizards. Crappie on flies and spinners. Several hundred large trout in one pond size was stocked last week on upper end of river. Stripe and saugers have slowed down but are still being caught trolling flies, lower end, white and green on yellow.

Deer Hunters To Receive Better Chances Of Kill

Tennessee deer hunters were given additional opportunity to harvest more deer for their license dollar by the Tennessee Wildlife Resources Commission, meeting in regular session in Nashville today.

Hunting regulations proposed and adopted will now allow the hunter additional opportunity for success on more than one managed quota deer hunt per season.

Tennessee Wildlife Resources Commission Chairman, Jim Beasley of Milan, said that in the past, deer hunters who were limited to one deer per season on a management area quota hunt may now reapply where vacancies exist and have the chance for additional harvests on hunts where permits are required.

"In other words," said Beasley, "as long as there are vacancies and the hunter wishes to purchase the permits, he may continue to try for a deer."

In an effort to remain consistent with standardized hunting regulations for the convenience of the hunter, state-wide seasons and bag limits adopted by the Commission included:

SEASON	DAILY BAG	LIMIT
Squirrel	Aug. 24 thru Jan. 4 (West of U.S. Hwy. 27) Oct. 5 thru Jan. 4 (East of U.S. Hwy. 27)	6
Ruffed Grouse	Oct. 12 thru March	3
Rabbit	Nov. 28 thru March 1	5
Bobwhite Quail	Nov. 28 thru March 1	5
Crow	Season opens on Fridays, Saturdays and Sundays May thru Feb.	No limit

SEASON OPENS **SEASON CLOSURES**
 Deer (Archery) September 28 Varies according to unit
 Deer (Gun) November 16 Varies according to unit
 (Consult TWRA 1974-75 Hunting Guide for Additional Information)

Possession of shot gun ammunition loaded with more than one solid lead is specifically prohibited while hunting deer, bear or boar except in those counties where legal by private act.

At the request of Tennessee Coon Hunters Association delegates, possession limit of one raccoon, at any time, was established by the Commission in an effort to curb illegal trapping and re-sale of hides.

In other action, the Commission heard discussions on reciprocal fishing agreements with the State of Kentucky on Land Between the Lakes (Barkley and Kentucky Lakes), discussed and adopted a public statement on Status of the Buffalo River, revised and adopted Roadside Menagerie regulations, closed the season on Beaver hunting in Regions III and IV.

To The Voters

Of Loudon County

I wish to thank everyone who supported me, and voted for me. Since the vote is now County wide, I was pleased with all the complimentary votes I received from the other districts & also my own districts which I serve.

Hope you will continue to support me in the General Election, and I will continue to do my best. See you at the Polls.

Thanks
Lee Malone

LARGEMOUTH BASS—Mark Gibson of Loudon is shown with a five pound, five ounce Largemouth bass he caught while fishing at Watts Bar Lake.

TV Sports Show On Ft. Loudon This Week

Area sportsmen will have four days this week to "field test" the latest in outdoor gear.

The Tennessee Valley Sports Show, which opens today at Knoxville Boat Club on Budget Road, will feature displays from 14 area dealers of marine, camping, skiing, motorcycling and swimming gear. You can test what you see in nearby Fort Loudon Lake.

"One of the newest items to be displayed is the Kawasaki Jet Ski," said Claude Fox of National Outboard Association, which is sponsoring the show with KBC.

"It's like a motorized surfboard. It was demonstrated here at the Dogwood Arts boat races and the crowd really seemed to like it."

Hours for the show, which ends Sunday, are noon until dark. There is no admission charge.

JOHN SMITH of Loudon is shown with a 10 pound drum he caught on a rod and reel in the Tennessee River last week.

CRAPPIES—Mike Langley and J.D. Easter of Loudon caught these 36 crappie with minnows while fishing Watts Bar Lake this past weekend.

A one hour water show is slated at 2:30 Saturday and Sunday. Members of Aquatic Ski Club will demonstrate speed and kite skiing. Also, KBC's racing team will exhibit and run their craft along the NOA course.

"The U.S. Coast Guard and auxiliary also will be on hand," Fox said. "Boaters can get a free inspection of their equipment at that time."

Kingston Bass Rodeo Set For June 2

Kingston Jaycee's Second Annual Open Bass Rodeo is scheduled for Sunday, June 2 from 6 a.m. to 3 p.m. at Kingston City Park on Watts Bar Lake. \$1200 in cash prizes will go to winner in the event.

Entry fee for the tourney is \$25, and checks should be sent to John Banker, 828 Sargeant Drive, Kingston, Tenn. 37763, or additional information may be obtained by calling 376-7766.

First prize is \$500, second \$250, third \$150, and fourth \$100. Big fish wins \$100.

Competition will be based on Largemouth, Smallmouth and Kentucky Spotted Bass only, with a total of ten bass twelve inches or longer, and the largest bass will be disqualified for each bass under twelve in length.

Gas will be available at the Park, and partners must exhaust emissions and decide on boat, gas, etc. Each contestant must get 50 per cent fishing time for his animals in natural waters, holes and front seat, etc. Each Test sites were located in boat must be checked before take off, and identified.

By VIRGIL WARD

BONEFISH, FLOUNDER OFFER FUN FISHING

You won't find many game fish as different from each other as bonefish and flounder. The former is not for eating while the latter is a dining delight. Anyway, both are fun to catch.

Bonefish, for example, is a fierce fighter and a Florida favorite. It has a forked tail that can really whip, a sucker-type mouth and snout, and silvery sides with long, distinct stripes.

Go after bonefish off Florida's east and west coasts and particularly along the Keys. The best time is usually from late spring to late fall. However, they can be caught virtually all year round.

You'll find bonefish feeding in muddy water sometimes called "bonefish flats." When you spot bonefish in the shallows, perhaps with their tails out of water, you'll know they're feeding on the bottom. Fly bouncing a small Maribou jig slowly along the bottom, or place a lure or live bait a good distance in front of them, say about 25 feet. This is often effective. Shrimp, crab, and worms also are good baits.

If you want a great sport, try fly fishing for bonefish. But be sure your fly rod has a stiff backbone and a large single-action fly reel. Spinners tackle with about a six-foot rod and an eight-pound monofilament line will provide plenty of excitement, too.

As for flounder, you'll find them in a great many places offshore, surf, bottom of sounds, channels and rivers near shallow bars, and small

tidal streams in salt marshes. The best habitat is in bays and inlets over mud and sand. You usually find flounder in water five to 20 feet deep. Include a 1/2-inch wire leader as part of your bait casting gear.

To bring flounder close in, use a chum pot. Lower a mesh sack filled with ground menhaden, crushed oysters, clams and mussels to the bottom of the bay. Or use small menhaden (two to four inches), cubes of lake trout, squid or the underside of a flounder (about three inches long and one and a half inch wide) as bait.

The best time for flounder, let the bait sink in to the bottom and then lift your rod to bring the bait to the top of the bottom. Flounder has a delicate mouth so let the line slacken when it strikes so it can swallow the bait. Then set the hook, but lightly. (A rule of thumb, count to 10 then set the hook.)

Another good way of going after flounder is to drift the bottom with a bucketful of or wetched spinner. A hook baited with a minnow, cut bait, or pork rind also is effective.

Dear Virgil,
A friend told me that he had excellent luck with lake trout on live minnows. He used a hook with great success on bass, white perch and any luck with tips for lake trout and if so, what do you recommend?

Richard Holt
Orlando, Fla.

Dear Richard,
Jigs can be very effective on lake trout but be sure to fish them deep. Some years ago my son Bill and I took some huge lake trout on 2 1/2 ounce Bass Buster Maribou Jigs at Great Slave Lake in the Northwest Territories. These were lake trout in the 30-pound range and they seemed to favor this jig over a number of other types of lures we offered.

Virgil Ward
Virgil Ward, three-time world and national freshwater fishing champion, is seen weekly on the "Championship Fishing" TV series. Send your questions to Virgil Ward, P.O. Box 6, Mankato, Minn. 56001.

Thank You So Much

for the very fine victory you gave me in the Republican Primary. As your nominee for County Court Clerk, I will work for the General Election Victory and to continue to offer the public the kind of service they deserve when in contact with my office.

Rhonda Arlene Glass Engaged

Mr. and Mrs. Robert C. Glass, Route 4, Loudon, announce the engagement and forthcoming marriage of their daughter, Rhonda Arlene to Harold Gene Hobbs of Sweetwater. He is the son of Rev. and Mrs. Charlie E. Hobbs.

Miss Glass is a student at Loudon High School. Mr. Hobbs is employed at A.W. Woods Concrete Co. in Sweetwater.

The wedding will take place Friday, June 7 at 7:30 pm. at Steekee Creek Baptist Church. No invitations are being sent. All friends and relatives of the couple are invited to attend.

Miss Clover

In School

Who's Who

Miss Donna Clover, a senior at Central High School in Manchester, will be featured in the eighth annual edition of "Who's Who Among American High School Students," the largest student award publication in the nation. Miss Clover is a daughter of Mr. and Mrs. Raymond Clover of Manchester and plans to enter Belmont College, Nashville, after graduation.

Grandparents of Miss Clover are Mrs. Myrtle Pesterfield of Loudon, and the late Jim Pesterfield; and Mr. and Mrs. Elmer Clower of Kingston.

Miss Clover is a member of the Beta Club, band, choir, Y-Teens and is among the top 10 per cent of her graduating class.

In addition to having her biography published in the book, she will also compete for one of 10 scholarship awards funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers."

FIVE GENERATIONS—A five generation family headed by Mrs. Mary Atkins, age 83, seated, is pictured above. With her are her grandson, Chester Fagg, her daughter, Rosa Fagg, great-great-grandson, Marty Newman and her great-granddaughter, Sheila Newman, all of Loudon.

Bettis At Branch Bank In Loudon

Charles Bettis, a graduate of Loudon High School, who has been employed by the Bank of Loudon County since November 1973 has been transferred to the Loudon Branch of the bank to assist manager J.Y. McNabb in loans and work as a teller. Bettis attended East Tennessee State University. Bettis, his wife, Linda and stepdaughter Leigh Trey, reside on Rt. 2, Lenoir City.

CHARLES BETTIS

22 At Loudon High In Society Of Outstanding Students

James H. Gibson, principal of Loudon High School, announced this week that 22 junior and senior students were named for membership into the nation's leading high school honor society, The Society of Outstanding American High School Students.

The following students have been awarded the honor: Seniors, Rhonda Gail Albright Johnson, Dwight Daniel Bivens, Roberts Kaye Brooks, Paula Mae Green, Carolyn Clark Hickey, John Steven Lovelace, Edmond Preston McQueen, Jacqueline Quinn

Nichols, Valeria Winona Oran, Mike Doyle Scott, David Allen Surratt, and Greg Allen Watson; Juniors, Willis V. Wrinn, Hattie Lucinda Allmon, Paul Martin Bivens, Vickie D. Blankenship, Margaret Ella Brannan, Brenda Ann Bright, Evelyn Fay Duncan, Cathy Lynn Estes, Ramona Glynn McNabb, and Bernie R. (Buddy) Swiney.

These students are now participating in The Society of

Outstanding American High School Student's Annual Awards Program which offers over \$800,000 in renewable college scholarships. The scholarships consist of unrestricted cash awards to the student's choice and renewable annual scholarships to leading colleges and universities across the nation. The Society of Outstanding American High School Students Awards Program is one of the largest

of its kind in the country. The Awards Program is one means. The Society uses to promote academic achievement and civic responsibility on the part of American youth. These students are also recognized nationally in an annually published volume, The Society of Outstanding American High School Students, which is distributed to colleges, universities and libraries across the nation.

Principals and counselors of high schools submit to the Society each year a limited number of their top students. The Society then selects only the young men and women who have distinguished themselves as the highest of achievers for membership. According to the principal, "This is a high honor, indeed. The Society then selects only one and one of which these students may be proud throughout their lives".

COUNTY 4-H BREADBAKING
By: Bonnie F. Sheeley
Assistant Extension Agent

The County 4-H Breadbaking Contest was held Saturday morning, May 4 at the Eatons School. Fifteen local winners participated in the event.

The winners in each division will represent Loudon County in the District events in June and July. They include: Michelle Cooper, Greenback, Senior; Marsha Smallen, Loudon, Junior; Each contestant was required to bring bread and give an illustrated talk. Juniors baked three biscuits or three muffins, Junior High 4-H'ers baked a quick loaf of bread, and Senior 4-H'ers baked three yeast rolls or a loaf of bread.

4-H'ers baked three yeast rolls or a loaf of bread. Other Juniors entering included: Madonna Ford, Melissa Green, Shirley Nelson, Ricky Everett, Linda Tunnel and Shari Brown. All the Juniors received blue Ribbons. The second place 4-H'er was Madonna Ford. Junior High entries receiving red awards were Tony Cook, Sheila Millsaps and Karen Caylor. Blue ribbons went to Becky Satterfield, Ronald Ford and Roger Goddard. The second place person was Becky Satterfield.

Michelle Cooper was the only senior entering the yeast bread competition. Her bread received a red award and first place. Judges for the event were Mrs. Ted Wampler, Mrs. Jess Raper, Mrs. Murrill Westbrook, Mrs. Dave Vondy, Mrs. Jewell Thomas and Miss Barbara Tyler.

Awards were sponsored by Anderson's IGA of Loudon and Philadelphia.

JUNIOR HIGH ENTRIES in the County Breadbaking Contest received blue and red ribbons. Receiving red ribbons on first row (left to right) were: Tony Cook, Glendale, Sheila Millsaps, Philadelphia; and Karen Caylor, Eatons. Second row: Receiving blue ribbons were Becky Satterfield, Loudon; Karen Shrader, Lenoir City; Roger Goddard, Greenback; and Ronald Ford, Highland Park.

COUNTY BREADBAKING WINNERS at the contest Saturday, May 4 were Madonna Ford, Greenback, Second; Marsha Smallen, Loudon, First; Becky Satterfield, Loudon Junior, Second; Michelle Cooper, Greenback Senior, First; and Karen Shrader, Lenoir City Junior, first.

You can borrow a cup of sugar or a stack of dollars from the Hamiltons.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. We make a lot of personal loans. And that's what we'd like to talk to you about today. We'll lend you money for any good reason: new baby expenses, a dental bill, refrigerator-dishwasher, tractor, boat, vacation, taxes, and so forth.

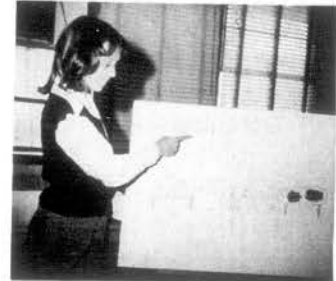

We'll sit down together and figure how much you need and how much you can pay back in monthly installments without straining yourself. Repayment can vary from three months to three years.

We can process your loan quickly and easily. It's just about as easy as borrowing a cup of sugar. If it's a question of money, ask the Hamiltons.

Hamilton National Bank of Loudon
Member of Hamilton Bancshares. The system has 65 offices throughout Tennessee and Northwest Georgia.

Scarborough Gets Award

Gary L. Scarborough, a senior accounting major at Tennessee Wesleyan College, has been named this year's recipient of the Frank Dodson Prize.

This prize is given annually for outstanding work in Business Administration. Gary is the son of Mr. and Mrs. Lynn Scarborough of Loudon. He is a graduate of Loudon High School.

Scarborough is a Navy veteran and an employee of

Westinghouse in Athens. He and his wife, Mary, reside in Riceville. He will graduate from Tennessee Wesleyan with honors this month.

Singing At Fork Creek

The Loudon County Singing Convention will meet Sunday, May 19 at Union Fork Creek Baptist Church at 1:45 p.m. The church is located between Loudon and Vonore on Highway 72. Taylor Knox, president, invites everyone to attend.

Your County In Action
BY **Harvey L. Sproul**

How much garbage do we generate in Loudon County? As you may have read, the Tennessee Valley Authority has been assisting Loudon County and the Loudon County Planning Commission in making a survey, and plus, as to the necessity for and the cost of operating a container pickup system throughout the county.

The study came up with several interesting figures and information.

There are 9,052 County residents served by a public

collection agency (Loudon and Lenoir City).

There are 3,408 residents served by a private collection service (basically the Loudon County Disposal Service).

This means that approximately 10,000 people in Loudon County have no collection service (or are slipping their garbage into somebody else's can), or a net of 3,185 households without service.

Sixty-four per cent of the households outside the incorporated limits of Lenoir City and Loudon have no collection service, or at least are not utilizing it.

The study then shows that it would take 88 6-cubic-yard bulk containers (to serve about 36 households per container) for rural residential use. These would be placed all over the county.

It would require another 18 containers for county schools, or a total of 104 containers needed for rural residential and county school system coverage if the county were to go into this program.

The next thing which the appropriate committees and the Quarterly Court must consider in deciding whether to go into this program is the

cost and whether or not the cost would equal the benefits and whether the people would be willing to pay the necessary taxes to accomplish it; must also be considered.

(Although there would be a possibility of using some general revenue sharing money for the initial capital outlay expense to buy the equipment).

The total cost of the necessary equipment and the containers as estimated by TVA would be \$28,190.

The annual operating expense for the necessary labor, repairs and supplies would be \$28,500.

So putting this in very general terms, after the initial expense of buying the containers and equipment, it would cost around \$30,000 to operate it, and this would equal something like 7 or 8 cents on the tax rate annually.

One of the other questions would be whether or not this would cause a significant financial deterrent to the existing private collection service.

So there is the total program outlined in very general form. What would your decision be if you were on the Quarterly Court?

TEMPRA PAINTS—Those students selected for recognition in the temptra paints class were Debbie Brown, Sandy Maples, Yvonne Allmon and Kenny Schrimsher. These along with all other works of art that were recognized will be on public display May 18-18 at Loudon Utilities.

Steekee School Art Displayed At Utilities

A display of selected art work by students at Steekee School is now showing at the Loudon Utilities Building. The students work was selected for display by members of the Loudon County Arts Association. Their teacher is Mrs. Ira Sue White. The works consist of collages, made from Christmas wrapping paper and other material; water colors of wildlife; and paper-mache' character heads; and temptra paintings culist master piece "I am The Village," by Mark Chagall, which the sixth grade classes had studied in the arts to the schools program presented by the Loudon County Arts Association.

PAPIER MACHE' HEADS—Student selected for special recognition in the papier-mache' heads group in art class at Steekee were Ronnie Shope, Joe White, Debbie Brown, Sandy Maples and Tammy Boone.

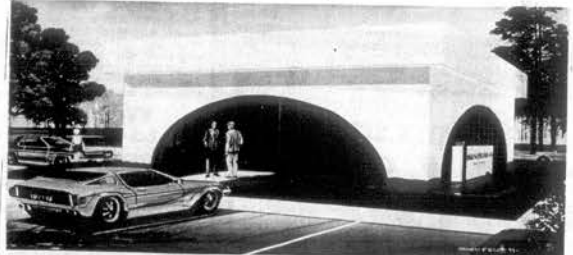

WATERCOLORS—Tammy Boone, Mary Humphreys and Debbie Murr were selected for the best work in the Watercolors division of an art class which was judged by members of the Loudon County Arts Association.

COLLAGE DIVISION—James Hill, Ricky McCrary, R.L. Selvidge, Tim Akins, Judy Brown and Skylla Palmer were selected for the best work in the College category of an art class held at Steekee School. Collages are made from Christmas wrapping paper and other materials.

GREER'S

LOUDON

Rev. Hagan Resigns At Philadelphia Baptist

Rev. Dillard Hagan, pastor of First Baptist Church of Philadelphia for the past three years, has resigned to accept the pastorate of the North Athens Baptist Church.

Rev. Hagan came to Philadelphia from a five year pastorate at Forest Hills Baptist Church of Maryville.

Since coming to Loudon County he has served in the Loudon County Baptist Association on many committees and served as Chairman of the New Association Office Planning Committee to secure plans for the new associational office building which is now completed. He served as Chairman of Evangelism one year and as Vice-Moderator of the Association for a year. For the past two years he has been Moderator of the Association.

Rev. Hagan is the son of Mr. and Mrs. Basil Hagan of Glasgow, Ky., and is married to the former Maxine Britt of Glasgow. They have two children, David, a pre-law student at Hiwassee College where he will graduate this year and then enter Tennessee Wesleyan College. Their daughter, Elizabeth Ann, 17, a senior to be at Loudon High School, plans a career in nursing.

Rev. Hagan has pastored the following churches in Tennessee: First Baptist

Friendville; Tennessee Avenue Baptist, Knoxville; McPheeters Bend Baptist, Church Hill; Beaumont Avenue Baptist, Knoxville; Buffalo Trail Baptist, Morristown; and Forest Hill Baptist, Maryville. He has pastored one in Kentucky-Katana Baptist, Kattawam Kentucky.

Rev. Hagan is the author of the Philadelphia History (1822-1973). It was published January 1974. He has written two tracts for the Tenn. Baptist Convention this year. They have just been published—"Try God's Plan of Salvation" and "Looking Upward".

He Hagens will be moving to North Athens pastorate this June 3.

Rev. Mack White To Pastor Kentucky Church

The Rev. Mack W. White, a student at the Clear Creek Baptist School, Pineville, recently became pastor of the Lothair Baptist Church, Lothair, Ky.

A native of Loudon, Rev. White was employed in that city before moving to the Pineville Bible school for adults.

Rev. and Mrs. White, the former Annette Latson, are graduates of Loudon High School.

The couple will move to Lothair June 1.

Judge Kittrell Seeks Circuit Reelection

Judge Willard Kittrell, Jr. announced Monday that he will seek re-election as Judge of the Fourth Judicial Circuit composed of Blount, Loudon and Roane Counties.

Kittrell was first elected to this office in 1968 to fill the unexpired term of Judge Wayne Oliver, who was elevated to the Criminal Court of Appeals.

"During the years I have served as Judge, I have found the work to be challenging and rewarding. I have explored means of improving the administration of justice and will continue to do so as long as new procedures can, with the certainty, aid in the search for justice. My hope is that my training, experience, education and desire will enable me to become a better Judge in the years ahead and Kerbela Shirin Temple.

that I may be able to serve the people in a way that will contribute to equal justice for all under the law.

A native of Harriman, Kittrell graduated from the University of Tennessee, College of Law, in 1964, served three terms as City and Juvenile Judge, and was serving as General Sessions Court Judge at the time he was named as Circuit Judge. He is a member of the Roane County and Tennessee Bar Associations; American Judicature Society and the Tennessee Judicial Conference. He is married to the former Jean Tighe of Scott County. They have a son, Matt, and daughter, Kitty. He is a 32nd degree Scottish Rite Mason and a member of Judge in the years ahead and Kerbela Shirin Temple.

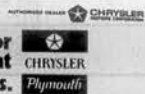

We had an answer to the gas problem long before there was a gas problem.

Plymouth Valiant.

14 years ago, when we put our first Valiant on display, it got a lot of attention. Since then, 2.3 million Valiants have been sold. So we figure we've been doing something right. And naturally, Valiant's good gas mileage is part of it. Stop in today and we'll show you plenty of other reasons.

See us for eight great small car buys.

The Tribe Speaks

BY LOUDON HIGH SCHOOL JOURNALISM CLASS

Allen Maddox:

The many activities of the ending of school have kept us busy and our column has been delayed because of this. This is our last column for the year. The Prom was a decided success as pictures in last week's Herald proved. The Juniors did an excellent job providing such a delightful event. The Prom is always a high point of our high school days.

Last Friday we had an unusual treat. Members of the drama department of Roane State Community College presented an interpretation of scenes from the novel *Dandelion Wine*. This was the first of this type of dramatization. Very few props were used, but the participants were able to help us follow the events.

Class Night was very enjoyable to the audience as well as to the seniors. The past four years were brought back very clearly through the skits and other presentations.

In Assembly Monday 13 the top ten American history students were recognized. Mrs. Billee Moten, Regent of the Hiwassee Chapter DAR, presented the model of highest achievement to Jackie Harvey. The other students in

Schools Out Dance Set At Loudon

A Schools Out Dance, sponsored by the Loudon Redskin Majorettes, will be held from 8 p.m. to midnight, at the school Tuesday, May 21. Music will be by the Sweet Rush band and proceeds from the \$1.25 admission will assist the majorettes in the purchase of new uniforms.

Car Wash Scheduled

The Loudon Church of God will sponsor a Car Wash, Saturday, May 18 from 9 a.m. to 5 p.m. at the church, Lee Highway, Loudon. The price will be \$3.

NOTICE OF SALE

WHEREAS, on the 11th day of December, 1970, EARL L. UNDERWOOD and wife, DORIS A. UNDERWOOD, executed and filed with the Clerk of the County of Loudon, Tennessee, a certain Deed of Trust of record in Trust Book 116, Page 105, in the Register's Office for Loudon County, Tennessee, and being more particularly described as follows, to-wit:

BEING a part of Lot 109 and Lot No. 17A, more or less, in the Madison Subdivision, as shown on the same appears of record in the Register of Deeds Office for Loudon County, Tennessee in Map Book 1, Page 33, and more particularly described as follows:

BEGINNING at an iron pin on the right of way line of a 30 foot street or roadway; which point is 100 feet South 50 deg. 32 min. East from the intersection of said street and Webb Drive; thence in a severance line North 22 deg. 25 min. East 102.8 feet, more or less, to an iron pin on the right of way line of an unopened street or road; thence with said unopened street South 39 deg.

54 min. East 111.3 feet to an iron pin; thence South 40 deg. 07 min. West 50.4 feet to an iron pin and continuing South 22 deg. 37 min. West 102.3 feet to the right of way line of a 30 foot street or road; thence, with the right of way line of said street or road North 50 deg. 32 min. West 100 feet to the point of BEGINNING, and containing 25 acres, more or less, but conveyed by boundaries and not by acres, as shown on survey of Ruff Walter Swensen, Jr., Surveyor, dated November 17, 1970.

WHEREAS, the holder of the obligation secured by the aforesaid Trust Deed, pursuant to the authority contained in the Deed of Trust aforesaid, his named and appointed ROBERT L. BADGER as SUCCESSOR TRUSTEE, with all the rights, powers, and privileges of the original Trustee, by instrument of record in the Register's Office for Loudon County, Tennessee, as follows:

WHEREAS, the said EARL L. UNDERWOOD and wife, DORIS A. UNDERWOOD, have violated the provisions of the aforesaid Trust Deed and there has been a default in the payment of the debt secured by the Trust Deed and the owner of the said debt has requested foreclosure.

THEREFORE, I will on Thursday, June 13, 1974 at 9:30 a.m., sell the above property for cash in hand in part of right and equity of redemption, homestead and dower, subject to any unpaid taxes or other liens, at the front door of the Courthouse in Loudon, Tennessee.

The 9 day of May, 1974. ROBERT L. BADGER, SUCCESSOR TRUSTEE. Cecil Marie Givens Tatham vs Thomas Fulton Tatham. In the General Sessions Court of Loudon County, Tenn.

ATTENTION DOG OWNERS

All dogs within the City of Loudon must have a license tag. Dogs running loose or untagged will be picked up by the City animal warden. Tags may be purchased at City Hall for \$1.00. After June 15, 1974 a 50 percent penalty will be added. You must bring a veterinarian's certificate showing that the dog has been vaccinated for rabies as required by State Law.

The City of Loudon now has a strict dog control ordinance which will be enforced by the animal warden and police department.

For your information that ordinance is printed below in its entirety:

RABIES CONTROL

3-205. Impoundment. No dog or cat shall run at large within the corporate limits. Unlicensed dogs, or dogs and cats found running at large shall be taken up by the animal warden and impounded in the shelter designated by the City of Loudon, as the dog pound. Such animals shall be confined in a humane manner for not less than four (4) days and thereafter disposed of unless claimed as hereinafter set out: (1) Owners of licensed dogs impounded may reclaim same by paying a pick-up fee of \$1.00 and a feeding bill of 50 cents for each day that said animal has been in the pound. (2) Owners of unlicensed dogs may reclaim same by paying a pick-up fee of \$5.00, a feeding bill of 50 cents for each day that said animal has been in the pound, and by purchasing a license and furnishing rabies certificate or paying for having said dog vaccinated. (3) Anyone may claim an impounded dog after the fourth day has passed upon making the payments required above. (Ords. 241 and 244, modified)

3-206. Citation of owners for violations. When any dog is found running at large and its owner is known, such dog need not be impounded, but the animal warden, in his discretion, may cite the owner of such dog to appear in court to answer to charges of violating this chapter. (Ord. 241)

3-207. Notice of impoundment. Immediately upon impounding a dog the animal warden or his representative shall notify the owner thereof if known. If the owner is not known a description of the animal shall be posted at the city hall. (Ord. 241)

3-208. Destruction of unclaimed animals. Any animal impounded under the provisions of this chapter and not reclaimed as hereinbefore provided, shall be destroyed in a humane manner by the animal warden or under his direction. (Ord. 241)

3-209. Animals biting people. It shall be unlawful for any person except the animal warden or a licensed veterinarian to dispose of any animal which has bitten any person until after a period of 30 days from such biting. When any dog or other animal has bitten any person within the city, such dog or animal shall be taken, impounded and quarantined in the city pound or, at the owners option, shall be impounded under the control of a licensed veterinarian for a period of 14 days, at the owners expense, to determine if said dog or animal has rabies. Any animal found to be infected with rabies shall be destroyed. Any dog may be reclaimed by the owner if adjudged free of rabies, upon payment of the applicable fees as set forth in section 3-206.

The carcass of any dead animal which has been exposed to rabies shall upon demand be surrendered to the animal warden. No person shall fail or refuse to surrender any animal for quarantine or destruction as required herein when demand is made therefor by the animal warden. (Ord. 241)

3-210. Exceptions for nonresident owners. The licensing and vaccination requirements of this chapter shall not apply to animals belonging to a nonresident of the city and kept within the city for a period of less than 30 days, provided that such dogs and cats shall at all times when in the city be kept within a building, inclosure or vehicle or under control by the owner. (Ord. 241)

3-211. Interference with animal wardens. No person shall interfere with, hinder or molest the animal warden in the performance of his duty or seek to release any animal in the custody of the animal warden or from the dog pound, except as herein provided. (Ord. 241)

3-204. Tag to be worn. Every owner is required to see that the numbered metallic tag issued with the license is securely fastened to the dog's choke chain, collar or harness which must be worn by the dog at all times. (Ord. 241)

BACK IN THE GOOD OLD DAYS

By Calvin Lunsford
Ph. 458-2581

As we have said so many times, school pictures are one of our most popular of any we use. Possibly this is because they touch so many peoples lives, both past and present. We have had pictures from most of the old schools of our area. Many of these are now closed as is this school. We have a picture of this week old Chapel School, which was down in the Paint Rock community. This picture was made in 1908 and was presented to Mr. Ted Hickey (who is in the picture) by the principal and teacher at this old school, Mrs. Mattie Huffine.

Mr. Hickey spent a lot of his

time getting all the names together for us and getting the picture to us. We are very grateful to him for the loan of the picture and his tireless efforts in obtaining all the related information.

Those in the picture are identified as follows: first row, Linnie Kate Marr, Emma Martin, Frank Murr, Walker Kirkland, Ed Kello, Annie Nell Sparks, Bonnie Rappinghoff, Emma Brogdon, Betty Moore, John Billingsley, Gilbert McCollum. Second row, Jimmie Sparks, John Henry Brown, Thelma Hickey, Dixie Miller, Martha Moore, Fannie Patterson, Tom Martin, Lucy Kate Hedrick. Third row, Albert Moore, Mae Ward, Paul Johnson, Ruby McCollum, Lafayette Monday, Annie

Billingsley, Gelser Johnson, Ruth Johnson, and Dave Murr. Fourth row, Ferd Limburg, Gerrie Patterson, Ted Hickey, Lydia Hedrick, Carrie Patterson, Cleo Monday, Edgar Brogdon, Belle Patterson, Charlie Woody, top row, Ernest Johnson, Rose Byrd, Frank Johnson, Dora Monday, teacher, Mattie Huffine, George Johnson, Maude Brogdon, Ed McCollum, Mamie Patterson, Oscar McCollum and Mattie Limburg.

Mr. Hickey stated these names were not the married names of the girls and that a large percent of the group was now deceased. But all were well known in this part of our area.

Last week we ran a picture of the late Ike McNabb taken in front of one of the Blacksmith Shops he operated in Loudon many years ago. At that time we mentioned that Mr. McNabb's daughter, Mrs. Elsie Smalling had loaned us some others. Well, this week we have another one of these old blacksmith pictures. This picture has a relationship to the old Babcock logging picture we ran some months ago. We mentioned that for the

most part, horses and mules were used for pulling the logs through the woods after they had been cut down. Well, the late Ike McNabb was the blacksmith of this job and this picture shows him and another man in the process of shoeing horses on the Cllico River. Mr. McNabb is the man holding the hammer. We believe we are right in calling these horses. We made a mistake on this awhile back and had our hand called on it. We hope we are right this time.

Well, that's it for now. See you next week.

Mrs. Alexander To Attend Reception

Honey Alexander, wife of Lamar Alexander, candidate for Governor of Tennessee, will be in Loudon County Saturday, May 18 for a reception in honor of GOP candidates' wives. The reception will be at 2 p.m. to 5 p.m. at the home of Mrs. Roy Bledsoe on Highway 11 in Philadelphia.

Helton Shooting Said Accidental

A Lenoir City man is in U-T Hospital in Knoxville with a bullet wound in the stomach that he claims was accidentally inflicted.

Loudon Police Chief John Lennox said that his office was notified about 12:30 a. m. Sunday by the Loudon County Memorial Hospital that Ronnie Helton of Lenoir City was brought there for treatment before being transferred to Knoxville.

The alleged accidental shooting was reported to have taken place at the residence of Jack Hill, Clyde Street in Loudon, Chief Lennox said the

wound was made by a small caliber weapon. A source reported that Helton underwent surgery at U-T Sunday and because of infection the wound was left open and that he is in critical condition and it would be about six weeks before the wound could be closed should he survive.

Townlift Report Thursday Night

Loudon Mayor Gene Lambert said this week that he hopes to see every business represented at a special meeting of City Commission at 7:30 p.m. Thursday at the Loudon Utilities Building. Two experts from the Tennessee

Valley Authority will be present to discuss the feasibility of a redevelopment of the business sections of the city. TVA has assisted in planning a number of similar projects under what it calls the "townlift" program.

\$350 Taken At Delaney's

A daylight burglary netted a thief \$350 in cash Thursday. Bob Delaney, owner of Delaney Exon and Wrecker Service said that sometime Thursday afternoon a thief went into the office of the service station in West End Loudon and carried out a tackle box where cash was kept.

The tackle box which was padlocked was later found in an alley behind the station, broken open at the hinges. The cash, \$200 in twenty dollar bills, the remainder in smaller bills and coins, was gone.

The theft was reported to County Sheriff's dispatcher Allen Clemmer about 7:45 p.m. Thursday and was also investigated by City Police Sgt. Bill Grimes.

Mayor Lambert said that it is hoped that a program can be developed with both business and city participation that will lead to more attractive business areas, parking facilities, improvement of present businesses and draw new businesses to the city.

The mayor urged all business owners, operators and commercial property owners to attend the meeting. He said after the report is given by the TVA people and if sufficient interest is shown that committees of business people may be appointed at Thursday's meeting to further assist in the studies leading to a plan for the program.

Demos Certify Akins, Eblen, Phillips

DEMOCRATIC CANDIDATES—The five candidates certified by the Loudon County Democratic Executive Committee last Friday night for the General Election are (left to right) Charles Eblen for County Judge, Billy Joe Akins for Circuit Court Clerk, Raymond Phillips for Trustee, Erik Millaps for 1st and 4th District Road Commissioner and Charles Settles for constable.

Loudon County Democrats certified candidates for the County Judge, Trustee, Circuit Court Clerk, Road Commissioner and Constable at a meeting of the party executive committee last Friday night at the courthouse.

Announcing and receiving party certification were Charles Eblen, Lenoir City attorney and former State Senator and Legislator, for County Judge; incumbent Circuit and Criminal Court Clerk Billy Joe Akins, who is seeking a second term; Raymond Phillips of Lenoir City for Trustee; Erik Millaps for first and fourth district Road Commissioner; and Charles A. ("Fatty-Pop") Settles for constable.

Executive Committee Chairman Lee Thompson announced to the 76 persons attending that the committee

would meet again at 7:30 p.m. June 3 at the Lenoir City Utility Building to give any other persons who had not made up their minds an opportunity to announce and seek party certification for the August 1st General Election. Following the meeting former Loudon hand director and director of the County Title Programs Bill Lawson told reporters that he was considering seeking the party certification for Superintendent of Education and he would make up his mind by the time of the June 3rd meeting.

Announcement was also made that Lewis "Doc" McNabb was going to run for second and fifth district road commissioner.

The secret ballot vote of the 18 executive committee members present at the meeting was unanimous for the certification for can-

didates Eblen, Akins, Phillips, Millaps and Settles.

Ronnie Farg, who has already announced his intentions as a candidate for Sheriff, resigned from the party executive committee to seek election as an independent candidate.

County Judge candidate Charles Eblen called for party unity and harmony in his announcement. He said that the person elected as the next county judge would have a hard time filling the shoes of Judge Harvey Sproul, who is not seeking re-election. Mr. Eblen said in the races he had made previously, for State Senator and State Representative, the Republicans and independents that I will do the best possible to make a good public official. Mr. Eblen said he said that by working hard and together the Democrats can clean out some of the Republicans in the courthouse.

Golf Tournament, Banquet Set

Displays Planned For Industry Week

One of the biggest observances of Industrial Appreciation ever staged in Loudon County is set for the week beginning May 27.

A joint effort of the Loudon County Industrial Development Committee and the Chambers of Commerce of Loudon and Lenoir City will stress the importance of the 27 industrial firms in Loudon County play in the economy.

Loudon County Judge Harvey Sproul, Loudon Mayor Gene Lambert and Lenoir City Mayor Joe Grayson have all

signed proclamations establishing the week of May 27-June 1 as Industrial Appreciation Week in Loudon County.

Industrial Development Committee Co-Chairman Bart Ildins and J.W. Wilburn, Jr., said that representatives of

the State Industrial Development Agency have worked in the county for several days taking pictures of all the industrial plants. The photos will be displayed on large placards and scattered throughout the county in business show windows during

the week. Large highway banners will be placed across Highway 11 both in Loudon and Lenoir City in honor of the event.

The men said that all citizens are urged to write or tell the officials of the various industrial firms, who employ more than 4000 persons in the county, that they are vitally important to the economy, growth and civic affairs in the county.

During the Arts and Crafts Festival at Lenoir City Park on June 1 the huge display of photographs, and some displays of industrial products manufactured in the county, will be available for public inspection.

On Tuesday, June 4, the Industrial Appreciation activity will be climaxed with a golf tournament and Appreciation banquet for the board management personnel at Deauville Country Club.

Some 126 Loudon High School Seniors received their high school diplomas and 24 of them received special scholarships and awards in a very crowded and hot school auditorium Monday night.

Some estimated 1200 or more persons crowded into the 900 seat auditorium. To add to the pressure the air conditioning was out of order as was the public address system.

Despite the problems the class was addressed by Valedictorian Winona Ann Rausin and Salutatorian Ann Rausin challenging their classmates to focus their attention on the future and further development of their learning ability.

Superintendent of Education, who has presented diplomas to LHS graduates for 30 years, reflected on his 20 years in that capacity and thanked the students, teachers and parents for their contributions to the educational program of the county.

Valedictorian Miss Oran won several awards. Among them was the Reader's Digest Award, the William S. Napier Memorial Scholarship, presented by the late principal's son John Napier, a \$400 scholarship to Hweasce

CYCLIST INJURED—Ambulance attendants are shown giving first aid to Terry D. Smith, 19, Rt. 4, Loudon, before taking him to Loudon County Memorial Hospital where he was admitted with a compound fracture of the right leg and multiple bruises and lacerations. Moments before, at 6:30 p.m. Friday, Smith was traveling North on U.S. 11 when a car driven by James Parker, 62, Crescent Drive, Loudon, pulled onto the highway crossing the north lane to proceed south, pulling into the path of the motorcycle. Parker was charged by Trooper George Pierce with falling to yield and Smith with violating the drivers license law. The accident occurred in front of Paul's OK Tire Store near Loudon.

College, and the DAR Good Citizen Award.

LIGHT UP A SIZZLING CHARCOAL FIRE

As any good outdoor chef will tell you, it's the fire that makes the difference in charcoal grilling. To arrive at the end result with meat that is brown and appetizing on the outside and juicy and done to perfection on the inside, you should know how to build a good charcoal fire and how to use it.

First, do start out with charcoal briquets. These hand pillow-shaped pieces of coal come packaged in 5, 10 and 20 pound paper bags found in grocery, discount and convenience stores. And contrary to what you might have heard, you only get that good charcoal flavor from charcoal briquets.

Now, to light the briquets. We have found that this is one of the problem areas for the experienced as well as inexperienced chef. To simplify matters and have an even burning fire we have a few tips.

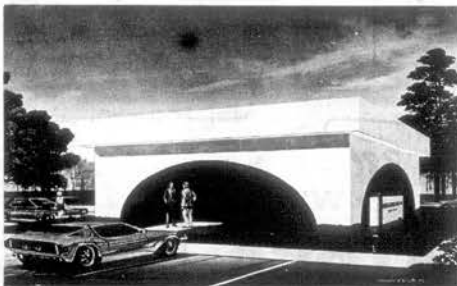

Begin by stacking the briquets in a pyramid. This allows the air to circulate and they'll catch fire quicker. Then use some type of starter. There are a number of materials available in the market. The most common is the liquid starter. Spray it on the briquets and let it stand a minute or two before lighting. And never use kerosene or gasoline for starting a fire.

There are also solid and semi-solid types of starters available. They include the pressed cubes, sticks, jellies and canned solid fuel. Any of these starters will give satisfactory results when used correctly.

If you have an electrical outlet near the grill, you might try using an electric starter. Simply rest the heating element on or around the briquets. The briquets will start to catch fire in a matter of minutes. Then remove the starter after 8 minutes, as recommended by the manufacturer, to prevent a burn-out of the element.

After you have gotten the briquets started make sure you wait long enough before grilling the food. Depending on wind conditions and the brand of charcoal you're using, this will take 20 to 40 minutes. There should be no flame apparent and the charcoal will be covered with a gray ash during the day or glow a bright red at night. Then and only then, are the coals ready for cooking. By following these start-up tips you'll be well on the way to mastering the creative skill of cookery.

Mrs. Savage Named To Ombudsman Post For Loudon Area

Mrs. Billie Savage of the Loudon County Industrial Committee of IDB has this week been named Associate Ombudsman for the Loudon area. The announcement was made by Commissioner Pat Choate of the Tennessee Department of Economic and Community Development. In this capacity Mrs. Savage will act as the liaison between area industry and business and state government.

If a local company encounters some problem that state government could help to solve, or if a firm simply has a question about where to get certain materials or information from state government, they should contact Mrs. Savage at 438-4378. Mrs. Savage has access via a "HOTLINE" to the Ombudsman Office in the Department of Economic and Community Development, where she can get immediate attention to the problems of existing industry and business.

Commissioner Pat Choate in naming Mrs. Savage as an Associate Ombudsman had this to say about the newly

implemented program of the Department's Industrial Development Division. "The Tennessee Ombudsman Program is one of the most effective concepts in recent years for identifying and helping to solve the problems of Tennessee's existing business and industry. By offering the Ombudsman service, state government eliminates the frustration to industry of trying to get help, but not knowing where to go to get it."

Because of the importance of maintaining strong communication between local developers and the industry in their areas, the strongest junctions in the Ombudsman network are the Associate Ombudsmen in each community. Choate said, "Because Mrs. Savage is the person in the Loudon County area who is most in tune to the needs of the area's existing business, she is the obvious contact for the Ombudsman Program. Her experience and expertise permit her to provide the state's Ombudsman with valuable insight into the business climate in her area."

The Ombudsman office derives its name from the historic "Ombudsmen" of Northern Europe. In many Scandinavian countries this special public official serves to help the citizens in dealing with difficulties or complaints. Here in Tennessee the Ombudsman will serve existing business and industry who may be encountering trouble with financing, raw materials shortages, exporting, governmental regulations and controls, or any problem which they may experience as a result of doing business in the Volunteer State. A newly announced Tennessee company, or an expanding firm, can get valuable assistance from the Ombudsman with the many special problems which arise prior to start-up.

Area business is encouraged to call Mrs. Savage at 438-4378 when they have problems or questions requiring the aid of their Associate Ombudsman.

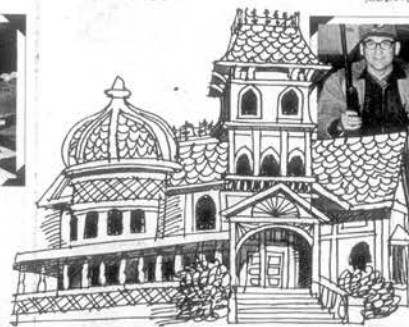

Watergate Attorney To Speak Here

(Continued from Page 1) Watergate Committee, is scheduled for 8-15 p.m. in the auditorium.

Ticket price is \$5 per person. In charge of ticket sales are Mrs. Bobbie Wright for the Eaton Crossroads community; Mrs. J.D. Lane, Glendale, 986-8493; Mrs. Jess Hammonree, Greenback, 856-3425; Mrs. Harry Wampler, Lenoir City, 986-2732; Mrs. Joe Roberts, Loudon, 456-2959 and Miss Mary Griffiths, Philadelphia, 458-2841.

Tickets also are available from Republican Party officers, nominees and county office holders.

You can buy a new house or fix up an old one. See your neighbors, the Hamiltons.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. We know that one way to live better is to live in a better home. Maybe you've finally found your dream house. Or the lot on which to build it. Either way, we'll make you a Real Estate Loan. And we'll take care of all the details: Appraisals, insurance, title searches—everything. Or maybe you're happy with the home you

now live in. But you'd like to add a new room, or a porch, or just pretty it up a little. In that case, we'll make you a Home Improvement Loan. Our rates are low and repayments are easy. We can process any kind of loan easily and quickly. So whether you need a Real Estate Loan or a Home Improvement Loan, see the Hamiltons. We can help you live better. **If it's a question of money, ask the Hamiltons.**

CAR OVERTURNS—Seventeen year old Glenda J. Smith, Rt. 3, Lenoir City received minor injuries about 12:06 a.m. Friday when her car went out of control and plunged over a bank and overturned on U.S. 11 about one half mile of the river bridge. She told trooper George Pierce the car went out of control as she was trying to wipe off the inside of the windshield. She was admitted to Loudon County Memorial Hospital but was released Friday morning.

Speaking of Sports

By DANNY GIBSON
Sports Editor

The first Loudon County Tennis Tournament was concluded last week, but was not given its final dues by this writer due to a slight tragedy of losing the results before being able to get them on type. Along with my sudden scatter brain misfortune was the mishandling of the Loudon Recreation Schedule which has generated more stir and concern through out the Loudon County Herald Office than when Granny dropped her last piece of chewing gum in the chicken house.

But life goes on and now to catch up on the tennis tournament. The idea and planning of the exclusive event for Loudon Counties alone was worked out by Lenoir City Real Estate Broker Gary Lindner. An outstanding player in his own right, Mr. Lindner did not play, but chose to direct the tournament. Had he played, it is unlikely he would have had very little competition inside the Loudon County boundaries. "People are just now beginning to find tennis fun," relates Lindner. "We did not want a bunch of trophy hunters in this first tournament. Now that the County has been subject to a tournament we hope to have others and expand the classifications for a annual event."

It would be nice to hold such an event in conjunction with the annual Lenoir City Arts and Crafts Festival in early June or at least set the finals for that weekend. The rescheduling of the now prestigious Eaton Softball Invitational would be a natural to round out the weekend festivities.

But back to the past tennis event. The Jack Thompson family certainly got their fill of the Tennis Tournament. Mr. Thompson had to labor through three sets to hand Bill Custed a 3-6, 6-2, 6-4 defeat in the Men's Intermediate A Class. Mrs. Thompson won the Women's Intermediate title over Helen McCabe and daughter Marsha lost to Marietta Blackburn in the Women's Beginners.

Rick Best won Loudon's Bud Guider for the Men's Intermediate B trophy and Mike Walker was a 6-2, 6-4 victor over Jerry Hall for the Beginners Trophy in men's play.

The tournament needs a few helping hands in pushing the tournament and assisting in the sponsoring. Treasure House dealers and other sportsmen are being sought while Lindner provided through the Athletic House tennis balls for the tournament.

Certainly more entrants and tougher competition would bring out the interest in drawing a crowd for the exhibitions.

Since I am not a true tennis buff, and play very few times during the summer I found it to my advantage to do a little research when the announcement of the Loudon Tennis Tournament came into being.

With help from the A.C. Nielsen Co., the marketing research firm that is best known for its TV program ratings, I was surprised to learn from a recent sports participation survey and report that 20,158,000 people play tennis from time to time in the United States.

That's one out of every 16 persons in our nation's population.

It's almost hard to believe, but tennis has become such a fast-growing sport that this 10 percent of the population is almost double the percentage playing tennis only a few years ago, the company said.

What's more, 12 percent of the tennis buffs play the game more than three times a month, meaning that they are quite active participants.

Growth of the sport has increased across all age groups. Among males over 18 years of age, 99 percent more played tennis in 1973 as compared to 1970. Other increases were 96 percent for women, 84 percent for teenagers and 87 percent for children.

Nielsen estimates the actual number of players in each of these age groups as follows: Men, 7,011,000; women, 6,958,000; teen-agers, 4,535,000; and children, 1,563,000.

Since Nielsen has close connections with television, it's surprising that the company didn't point out that TV is one of the principal reasons for the boom.

At any rate, tennis, once a "pit-pat" game played on the well-manicured lawns of the very rich, had become the sport of millions. And it's become a 12-month activity, thanks to the mushrooming development of indoor courts. It can be played with modestly priced equipment or with such luxuries as a newly introduced \$150 racket. The frame of this ultra-expensive racket is made of a wood core sandwiched between laminates of graphite.

Just as swimming pools have become common-place, many home owners have been erecting tennis courts on their properties. Which brings us to a story out of Knoxville, Tenn.

It seems that the resident of a Knoxville subdivision brought suit to enjoin a neighbor from building a tennis court. In seeking the injunction, the plaintiff told Circuit Court Judge G. Broughton that the sound of a tennis ball bouncing from a tall racket was one of the most annoying noises imaginable.

With judicial restraint, Chancellor Broughton replied, "I was captain of the University of Tennessee tennis team and I have heard that sound thousands of times. I have never found it offensive."

There are lots of Americans who agree with the judge. If you don't, we have a suggestion: Start playing tennis yourself. As one tennis company official said, "It has become a complete family sport—a game that can be played by both sexes on equal terms."

Providing, that is, your girl friend, wife or daughter doesn't beat you.

130 Laps Of Auto Racing On Tap For Atomic Saturday Night

One of the biggest racing programs in the history of Atomic Speedway will be run Saturday night when sprint cars from a Midwest association will join late model sportsman drivers for a double-main event. Fans will be able to see 65 laps of feature racing—25 laps by the sprint cars and 40 for the sportsman. The sprint cars, which are open cockpit machines, will be making their first dirt-track appearance in the Knoxville area since Broadway Speedway closed several years ago. Time trials for the sportsman and sprint cars will get underway at 6:30. Racing is

scheduled for 8 o'clock. Tickets are \$4 (reserved) and \$3.50 (general admission). The sprint drivers will compete in three 10-lap heat races in addition to the feature. There'll be at least four heats and a semi-feature for sportsman drivers. Bomber cars are to run 15 laps. At least one former Indianapolis 500 competitor, Gene Force, will be running. Another standout is Les Scott. The sprint cars promise to be the fastest racers to compete at the third-mile track. Herman Goddard holds the speedway record with a

Lenoir City Captures District 10 Baseball Crown; Play Mc Minn Co. In Reg. 3 Meet

Lenoir City scored six unearned runs in the second inning Friday night and went on to down Harriman 8-4 for the District Ten baseball championship at Papermaker Park in Harriman.

The two teams had reached the finals by teaming up on perennial powerhouse Oak Ridge the day before, with Lenoir City blanking the Wildcats 2-0 in a winners bracket contest and the Blue Devils eliminating the Redgers 9-4 in the losers bracket finals.

Lenoir City, a darkhorse entry, used superior defense in racing unbeaten to the title, taking advantage of opponents' mistakes repeatedly to offset their lack of offensive punch and refusing to give anything away on their own.

Lenoir City will square off against McMinn County in the Region Tournament tonight (Thursday) at McMinn County's High School Baseball Field, starting time is 8 p.m. The tourney is single elimination.

The Panthers will also be minus the playing services of regular left fielder senior Carl Thompson, who has distinguished himself as one of the top all round outfielders in District 10. The standout performer suffered a broken collar bone in the semi-final 2-0 win over Oak Ridge in a knock-out shoe-string catch of a fly ball that was most instrumental in the Panthers drive for the championship.

Thompson played in the finals unsuspecting of his injury but will now be unable to return to athletic action for a period of some eight weeks.

The Panthers got a gift run right off the bat Friday night as the Harriman third baseman, fielding a ground ball with a Panther trapped ten feet off the bag, threw to first instead with only one out, allowing the game's first run to score.

The bottom fell out in the second as Harriman bobbled to straighten out following a Carl Thompson single to lead the bases. Sammy Dunlap's screeching fly moments later brought in the first run of the inning, making it two outs when it should have been four, and Marty Porter followed up with a two-out triple misjudged by the Harriman centerfielder.

Johnny Price then reached base as the Harriman first baseman dropped the throw for the third out, allowing another run to score. Price reached second on a steal, took third on a passed ball, and waited as Mike Walker was hit by a pitch.

The Panthers then tried a double steal, which Harriman anticipated by throwing to the shortstop instead of second baseman, but this backfired too as the ball was held long enough to allow Price to cross the plate. Walker, who had reached second, then came across on a single by Mike McConkey, to give Lenoir City a commanding 7-0 lead.

The Blue Devils got two runs back in the third Keith Brewer singled, stole second, and came in on a double by

lap at 13.75 seconds in a sportsman car. Meanwhile, the drivers of General Motors products—Chevy IIs and Camaros—will be trying to get back into winners' lane in the late model sportsman race.

Biddle Ridley of Georgia became the first driver of a Ford product to win the feature this season when he prevailed in a Falcon last week.

Ridley won over Little Bill Corum, who was seeking a record-tying third consecutive win in his Chevy II.

"I'm happy to be able to bring sprint car racing to Atomic," said owner Bob Martin. "This will give fans a chance to see a different type of action."

Fish Fry Set
The Loudon County Sportsman Club will have their annual fish fry Tuesday, May 28 at 6:30 p.m. at the Loudon Junior High Cafeteria. All members or those interested in becoming members are invited to attend. Membership fee is \$4 per year.

got away when a two-out error in the seventh allowed the Wildcats a chance to tie the score and send the game into extra innings.

The Wildcats came across in the seventh after the two-out error could have ended it, but the Blue Devils broke it open with a five-run outburst in the eighth.

Harvey singled in Evans in the eighth with the go-ahead run, and the Blue Devils got a comfortable cushion when two hitters in the lower end of the lineup, Mike Weaver and Rick Wright, each singled in two runs to put it out of reach.

Goodrich allowed one single in the eighth but struck out three as Harriman put Oak Ridge out of the tournament for the second straight year.

Lenoir City 000 000 8 2 3 2
Oak Ridge 000 000 0 0 3 2

Loudon County Students Win 21 Ribbons In Special Olympics

Fifteen students represented Loudon County in the Special Olympics last Monday at Oak Ridge's Blankenship Field. Of the 15 Loudon County participants, seven attend Loudon Elementary School and eight go to New Providence Special School.

A total of 21 ribbons were won by the students. This year's competition was limited to just two events per person, which cut down on the possible total of ribbons that probably could have been won by the Loudon Countians.

The field events were classified into age divisions with Loudon Elementary School receiving five first place ribbons, three second, and three third.

Winners were as follows: Arnold Williams, second in the 220 yard dash; David Russell, first in the 220 yard dash and second in broad jump; Tony Wampler, second in broad jump; Bob Mincey, first place in the softball throw and broad jump; Monte Lively, third place in the 220 yard dash; David Russell, first in both the 50 yard dash and the broad jump; and Mary Joe Carmichael, third place in the 220 yard dash and softball throw.

For the New Providence Special School, they brought back eight first place ribbons and two third in a total of 19 they won last year when they could compete in more than two events per individual.

Michael Vineyard finished first in the 9-year old boys' 220 yard run. Beverly Vineyard had a third place finish in the broad jump and Ricky Smith

finished first in the 220 yard run and the broad jump for contestants in the 10-12 year old division.

In the 13-15 year olds Vann Davis won a first place ribbon in both the 50 yard dash and the broad jump. Charles Best won the 50 yard dash.

Judy Dixon and Troy Vineyard were in the 16 and over classification. Miss Dixon was first in the 50 yard dash and third in the soft ball throw, while Vineyard was first in the 220 yard run and third in the broad jump.

WIN IN SPECIAL OLYMPICS—Children from New Providence Special School won 10 ribbons, eight first and two third places, in the Special Olympics last week at Oak Ridge. Pictured are front row left to right: Charles Best, Lisa Vineyard, and Michael Vineyard. Second row left to right: Vann Davis, Troy Vineyard, Judy Dixon, and Beverly Vineyard. Ricky Smith is not pictured.

A 2,750-pound silver midget was once found in Mexico.

Blackburn, Hammontree Receive Official TSSAA East All-Star Appointment

As was predicted and so stated by the Loudon County Herald Sports Editor Danny Gibson almost six weeks ago, Lenoir City's standout senior forward Marietta Blackburn, who led the Panthers to the Girls' State Tournament and Greenback's Tim Hammontree, standout Cherokee football performer for the past three seasons and most instrumental in the Cherokees success in making the Class A State Football Playoffs, have officially been named by the Tennessee Secondary School Athletic Association as members of this year's East All Stars.

The TSSAA All Star matches in boys and girls basketball and in football are being held in Murfreesboro at Middle Tennessee State University this summer with hopes of attracting a larger attendance with the centralization of the star studded events. The boys and girls basketball games will be played on Thursday night, August 1 with the football game scheduled for Friday night.

The East All Stars follow:

GIRLS BASKETBALL

- Lenoir City
- Morristown West
- Warren County
- Cosby
- Friendville
- Sevier County
- Ooltewah
- Bradley County
- Maryville Porter
- Woodbury
- Smith County
- Jackson County

BOYS BASKETBALL

- Maryville
- Happy Valley
- Father Ryan
- Sullivan Central
- Hillsboro
- Pickett County
- McCallie
- Bledsoe County

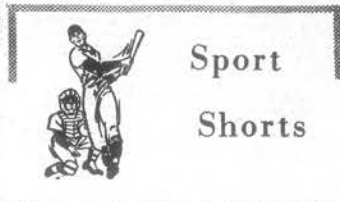

FOOTBALL

- Hixson
- Greeneville
- Rogersville
- Roane Co.

LOUDON ELEMENTARY HAS SPECIAL OLYMPICS WINNERS—Loudon Elementary School had several participants in the Special Olympics last week and captured 11 ribbons in the athletic events. Pictured front row left to right: Arnold Williams, Carolyn Russell, and Tony Wampler. Second row Bob Mincey, Monte Lively, David Russell, and Mary Joe Carmichael.

Sport Shorts

The Loudon swimming pool is being checked this week by state officials and inspectors before approving a tentative opening this Saturday at 11 a.m. The pool when opened will remain open throughout the summer daily from 11 until 8 p.m. Admission will be \$1.00 for adults and \$.75 for students. Season tickets are available if so desired. Swimming attire will consist of bathing suits only (NO CUT-OFFS) and it will be mandatory for all (boys-girls, men-women) with long hair to wear bathing caps for pool entry.

The Lenoir City sponsored Loudon County Connie Mack Baseball team playing in the eight team league of Egleton will open their season Monday night at Lenoir City's Civitan Field against the Bank of Maryville. The Lenoir City team will play Madisonville at Madisonville on Thursday May 30. All games are set for 8 p.m.

The Loudon Merchants softball team is one half game ahead in the current Loudon softball standings. The Merchants have lost only once as has second place Bank of Loudon County, but one more contest than the Bankers. The Hamilton Bank of Loudon is in third place with two losses. Other teams in the league are Hall Oil Company, Maremont, and Union Carbide.

The 1974 TSSAA Boys' State Basketball Tournament was televised to over 3,000,000 interested fans through the facilities of State Productions, Inc. The semi-finals in both classes on Thursday afternoon and night were covered as well as the championship games on Friday night.

Larry Munson handled the play-by-play report of the games and Bob Bell was the "color man."

Stations on the SFI network were: WCYB, Nashville; WATE, Knoxville; WTV, Chattanooga; WNGE, Nashville; WBBJ, Jackson; and WMC, Memphis.

McMinn Central has made a formal request to the Board of Directors of the TSSAA to make it mandatory for the football schedule of each high school, whether it be of Class A, Class AA, or Class AAA play a schedule with members of its respective region only. The request has not been acted upon and is expected to be discussed in the TSSAA June meeting.

The Bank of Loudon County finished fourth in the Eaton Corporation Invitational Softball Tournament held this past weekend at St. Lukes of Chattanooga won the tourney for the fourth straight year, besting host Eaton 14-9 in the Sunday final. Peter Star of Oak Ridge placed third with a 9-6 consolation win over the Bank of Loudon County.

Softball Schedule	
Thursday May 23 1:00	Hall Oil Co.—vs.—Merchants

Harpeth Hills To Host TSSAA Golf Tourney

The 1974 TSSAA State Golf Tournament will be played at the beautiful Harpeth Hills Golf Course in Nashville on July 4-5.

Coach Don Fairbairn of Montgomery Bell Academy in Nashville will be the director of state meet, as well as the Region 3 tournament which is set at Harpeth Hills on May 21.

The Region 1 golf meet will be at Link Hills Golf Course in Greeneville on May 21 with Herb Hawks of Greeneville High serving as director. Jim Pifer of Chattanooga Notre Dame will direct the Region 2 meet at Moccasin Bend.

MAY 23 1974

Protect Your Wildlife

By Ed Whit
Asst. Supv. of Tenn.
Wildlife Resources Agency.

Here it is the middle of spring. With the arrival of spring, the wildlife of the state has begun the reproduction cycle. Small rabbits and birds seem to be everywhere. Their animal life is very pretty and should be left in the great outdoors. This is their home and they are adapted to live there. It is not only a violation of the law to capture these little fellows, but it is almost sure death for them. If one does live in captivity, they are quite a problem to keep clean and they require a lot of time to keep them half way happy. I don't see how any animal, bird or person could be happy in a cage.

Because of the local house dog and house cats in the area today, these little fellows have a hard time making it into adulthood. They should have all the protection and support from the people that we can give them. So before you catch that little rabbit or bird, stop and think—What will I do with it? Why do I want it? and if I catch it and release it, will it live?

FISHING REPORT
NORRIS LAKE—Full, clear Walleye, spotty trolling with worms and spinners is the best method. Bass, fair on spring lizards. Blue gill, good on worms and small flies.

WATTS BAR LAKE—Crappie, fair to poor. Some

good strings with small minnows are being taken. Stripes are good on flies.

PORT LOUDON LAKE—Bass, fair on top water lures. Catfish, good on shad entrails around rocky areas and on trot lines. Crappie were very scarce on Port Loudon over the weekend. Blue Gill very active on small pieces of red worms.

DOUGLAS LAKE—Full, clear. Bass can be caught, but have to be worked for. Crappie and Saugers are fair but not as good as a few days ago.

CHILHOWEE LAKE—Full, clear. Bass fair on spring lizards. Trout good on small spinners and corn tipped with

worms. Several Rock Bass or (red eye) have been reported from Chilhowee. Blue Gill are eating up popping butts.

LITTLE TENN. RIVER—Good on upper end for trout using a variety of lures and bait. Fishing has slowed some on the lower end.

There have been some Rockfish showing up below Melton Hill Dam. These fish resemble a Stripes at a distance, but when fishing below Melton Hill, look twice at them. The limit on Rockfish is two and a size limit of 15-inch or larger before you can keep them. So you had better look again at these fish.

"PANTHERETTE MOM" GETS APPRECIATION TROPHY—Mrs. Ralph Blackburn, who has been the "team mother" of the Lenoir City Pantherettes for the past three seasons, was given an appreciation plaque for her service and help by Lenoir City Girl's Basketball Coach Glenn Williams.

1974 GRIDDERS HONOR COACH BROWN—Lenoir City senior football captain Mike Walker and Sam Thompson presented a plaque of remembrance and appreciation to Lenoir City football coach Dale Brown from the 1973 football team. Coach Brown resigned at the end of the 1973 season to take the East Tennessee Directorship of the Drivers Education Division for the State high schools.

TSSAA West Stars Announced

Members of the 1974 TSSAA West All Star boys basketball, girls basketball, and football as selected by the All-Star

coaching staff of each sport. Secondary School Athletic Association. The teams are as follows:

State Tennis Tourney Set

The 1974 TSSAA Tennis Tournament is set for the Nashville-Centennial Tennis Center, June 4-5, with Mill Von Mann of Father Ryan High School serving as the meet's director.

Ridley Is Winner at Atomic

Biddle Ridley became the first Ford driver to win a feature race this season at Atomic Speedway, holding off Bill Corum's Chevy II for first place in last night's 40-lapper for late model sportman cars.

Gary Duggan capped the semi-feature, Bill Sprinkle prevailed in the bomber division and Jimmy Latham and his co-pilot dog, Blackie, outlasted the demolition derby field.

FEATURE: Biddle Ridley, Ford; Bill Corum, Chevy II; B. Sprinkle, Ford; Ray Phillips, Camaro; P.C. Kerr, Chevy II; Bob McDonald, Chevy II; Johnny Carver, Chevy II.

INDOOR FUN MAKES OUTDOOR SCENE

Grimes Moves Into Maremont Golf Lead

Harold Grimes has moved into the lead of the Maremont Golf League standings by a slim one-half point over Mike Sims. Grimes has 34.5 points to date while Sims is a close second with 34.

Jim Hamill, Bill Bishop, and Virgil Hart are all in a challenging position with Hart the farthest off the pace with 29.5 points.

Both Harold Grimes and Jim Hamill took home two golf balls in last week's play as they tied for the individual low net score, posting rounds of 35. Mike Sims and Calvin Wilson each tied for individual

runner-up with rounds of 36, which won them one golf ball. The Maremont Golf League is played at Cedar Hills Golf Club.

Grain, Wheat Signup Beneficial

Farmers can benefit from signing up in the Feed Grain and Wheat Program, says Fred Pippas, Chairman of the Loudon County Agricultural Stabilization and Conservation Committee. Farmer signup and certification can be completed in one step as soon as acreage is planted to feed grain crops such as corn and grain sorghum. Acreage certification will also include allotment preservation and eligibility for commodity loans, Mr. Pippas says.

EDAP

CURTIS-TIPTON MOTOR CO., INC.
West End Phone 458-4305 Loudon

learned us this picture stated that this family had 14 children, six more after this group was made. Only three of them are still living. Mrs. Sutton's mother, Mrs. Gilliland is in this picture. Our thanks to Mrs. Sutton for the loan of this picture. Our other picture is of the late Ike McNabb, the well known area blacksmith who we have written about the last two weeks. All of the pictures we have used of him were taken at different locations and have individual interest. As we previously mentioned, the old time blacksmith and blacksmith shops are things out of a past way of life in our area as well as other sections of the country. When in it's heyday, it was a contributing element to our way of life. We mentioned last week that the late Mr. McNabb was

a blacksmith on the old Babcock Company logging job in the East Tennessee mountains. This old picture was made on the Tellico River during this giant logging operation which we have had pictures of in the past columns. Someone was talking to us the other day and the subject of decorations came up. The time when everybody made paper flowers and some of them were almost perfect copies of various well known flowers is past. I suppose paper roses was the most popular and most often made. The stores did a large business on crepe paper at this season of the year. Many people dipped their paper roses in wax to extend their life. Many mixed natural greenery to add a natural look to their arrangements. Many people would make flowers for others. I can't recall now what they charged

BACK IN THE GOOD OLD DAYS

longer than we would like, but eventually manage to get them in the column. If you have called us about pictures and we haven't picked them up yet please bear with us. We assure that we will get around to paying you a call in the very

\$4,846,000 In Federal Aid Came To County Last Year

TOP IS AT LOUDON JUNIOR HIGH.—The top 15 students in the eighth grade at Loudon Junior High School were announced last week by Principal Tom Rothwell. They are (front row-left to right) in order of placement, Sara Chihass, Wayne Anderson, Ricky Forshee, Lucy Ann Miller and Barry Clark. Back row-Suzanne Matlock, Greg Schrimsher, Hank Julian, Jeff Milsaps and Mark Moore.

What have Federal grants-in-aid and revenue sharing been producing for Loudon County in the way of money? To what extent did the local area share in the \$42.8 billion that was distributed in the last fiscal year, compared with the amounts that went to other communities?

On the basis of Treasury Department figures and a state-by-state analysis of them made by the Tax Foundation, a non-profit organization that keeps track of government taxation and spending, Loudon County's share was relatively large.

An estimated \$4,846,000 in grants were awarded for local purposes in the year under a variety of aid programs. The total allotment for the State of Tennessee as a whole amounted to \$800,000,000. It covered a number of aid programs, such as public housing, child welfare, hospitals and health, roads, schools and urban renewal. The figures take into ac-

count only grants-in-aid and revenue sharing and do not include other government expenditures in local communities for goods and services. As to the cost of these benefits, they are met by each locality, in whole or in part, by the portion of their income and excise taxes that go into the aid programs.

Loudon County's contribution for such purposes last year was approximately \$4,119,000, according to a breakdown of the figures. Statewide, the cost was \$677,000,000. Not included in these amounts were the matching funds that had to be put up

locally in connection with many grants. The Tax Foundation's study of the way the aid programs are financed shows that the \$42.8 billion that Washington returned to the states and their sub-divisions last year took more dollars out of 22 states than went back to them in the form of aid.

Indiana was the biggest loser. It paid \$1.55 for every dollar of aid. The chief gainer was Alaska, which put up only 38 cents per dollar of aid received. The seeming inequity is due to the fact that distribution of aid is intended to be in terms of local requirements and not on a dollar for dollar basis.

RECEIVE SCHOOL RECOGNITION.—Eighth grade students at Loudon Junior High who won recognition in various areas of school activity are pictured above. They are Eddie Estes and Suzanne Matlock, American Legion Best All-Around Boy and Girl; Bob Boo Hawkins and Kim Ovan, Thorobred Awards (sports); Carl Johnson, Tennessee History award, and Barry Clark, school spelling bee winner.

Rev. Gray Is

H-C Graduate

Rev. Barclay Gray, a Loudon County Pastor, will receive his diploma at the graduation exercises at Harrison-Chilhowee Baptist Academy, Seymour, Tenn. on Friday, May 24 at 10 a.m. Mr. Gray was employed by a firm in Atlanta, Georgia, and pastored a rural church in Loudon County. He became convinced that God would have him to complete those last two years in high school and probably do some college work in order to better prepare him for the work of the ministry. He, his wife, and two daughters came to Harrison-Chilhowee Baptist Academy, Mr. Gray is now pastor of Riverview Baptist Church in Loudon County.

At the Academy, Mr. Gray is Vice President of the Ministerial Conference, Christian Growth Chairman of the Baptist Student Union, and received the National High School Award for Excellence.

Decorations Scheduled

The annual decoration services will be held Sunday, May 26 with memorial service in the Cardwell Chapel Methodist Church and Oral Baptist Church at the 11 a.m. worship service. Rev. William Satterfield and Rev. Duncan Carver will be the speakers. A cordial welcome is extended to everyone.

Those with family and loved ones interred in the cemetery are asked to make contributions to Paul Waller, Route 2, Lenoir City for the year ending May 30. Trustee Waller said effective May 30, Oral Cemetery will be taken care of with the interest from contributions made to the Oral Cemetery Association.

GET DAR AWARDS.—The winners of Daughters of American Revolution Awards at the Loudon Junior High eighth grade banquet are shown above. They are Sara Chihass and Greg Schrimsher, Best American History Students, and Martha Henderson, DAR Good Citizenship Award winner.

WILLIAMSBURG HAS SPACE

In meal preparation, it includes such time saving devices as double sink, dishwasher, and a pantry for storage. Location between the dining and breakfast areas allows easy access to both. The family room has a warm central fireplace and is highlighted by false beams across the ceiling. Double french doors lead to the rear. A second set of stairs leads to an upstairs playroom. The laundry room, on the first floor, has washer-dryer connections, a laundry tub, and a second pantry. This area has a separate private

entrance. The double door garage is bigger than average to provide adequate walking space around any size automobiles. The rest of the home encloses the sleeping areas. The first bedroom, located downstairs, has a walk-in closet and direct access to a full bath with vanity. The other three bedrooms, upstairs, are approached by either of the two sets of stairs. The huge master suite has two closets, one a walk-in, separate dressing room and private bath. The other two bedrooms have ample closet space and hall access to a full bath with a

vanity. The Williamsburg exterior of this home is highlighted by the horizontal frame siding, basic symmetrical design, gable roofs with extending dormer and the window design, including the side-lights around the door. The first floor of the home contains a total of 1,570 square feet, and the second floor contains a total of 1,472 square feet for a grand total of 3,042 square feet. For further information on plan #2015, write W. D. Farmer, Residence Designer, Inc., P.O. Box 49483, Atlanta, Ga. 30322.

Surprise! Duster has a lower sticker price than Volkswagen.

It's true! Our Plymouth Duster is priced below Volkswagen's most popular model. But Duster offers a whole lot more. Things like room for 5 instead of 4. And a trunk that's three times as big as the Super Beetle's. But Duster's sized right for small car parking and handling, and runs on regular gas. Check out Duster, now.

SUPER BEETLE \$2849*

That's the kind of surprise I could really go for. Know what I mean?

PLYMOUTH DUSTER \$2753*

In recent USAC tests, Duster's Slant 6 got better gas mileage on the open road than the Nova and Maverick 6. And, in city driving, even got slightly better mileage than the 4-cylinder Mustang II. The tests were sanctioned and the results were certified by the U.S. Auto Club. The test Duster was equipped with standard transmission.

*Manufacturer's suggested retail prices, excluding destination charges, dealer preparation, state and local taxes. Wheelwells (\$29.20) and wheel covers (\$26.45) as shown on Duster are optional. Prices effective 5-1-74.

ATTENTION DOG OWNERS

All dogs within the City of Loudon must have a license tag. Dogs running loose or untagged will be picked up by the City animal warden. Tags may be purchased at City Hall for \$1.00. After June 15, 1974 a 50 percent penalty will be added. You must bring a veterinarian's certificate showing that the dog has been vaccinated for rabies as required by State Law.

The City of Loudon now has a strict dog control ordinance which will be enforced by the animal warden and police department.

See us for eight great small car buys.

GREER'S

LOUDON

POPPY DAY PROCLAIMED—Lenoir City Mayor Joe Grayson signs a proclamation making Saturday, May 25, Poppy Day in Lenoir City. Mrs. T.J. Norris, of the American Legion Auxiliary, who sponsors the annual Poppy Day sale, looks on. The Auxiliary will sell the Poppy in Lenoir City and Loudon Saturday.

Legion Auxiliary Sets Poppy Day

Mayor Joe Grayson set Saturday, May 25, as Poppy Day for Lenoir City according to Mrs. T.J. Norris, Poppy chairman of American Legion Auxiliary Unit No. 70 which sponsors the annual observance.

Wearing the bright red memorial poppy symbolizes the respect the American Legion Auxiliary feels for those who have died and given of themselves in Europe, Africa, the Pacific and the Southeast Asia. Adopted as the organization's memorial flower at the 1921 first convention in Kansas City, this little poppy grew and spread over the world in France in World War I.

The memorial poppy is made by patients in Veterans' Hospitals and homes throughout the United States. The work provides needed therapy for hands and minds crippled by the ravages of war. The poppy earned provides a few simple luxuries to ease the boredom of hospital life. In keeping with its pledge to "Honor the Dead by Helping the Living," the sale is conducted exclusively by volunteers for the assistance of disabled and needy servicemen and veterans and widows and orphans of deceased veterans.

Booths will be set up Saturday, May 25 at several different locations in Lenoir City. Millions of Americans will be going to their offices and homes wearing one of these little red poppies.

The American Legions Auxiliary reports that wearing a poppy on Poppy Day will honor the more than half-million Americans who died and the nearly one million wounded during both World Wars, the Korean War and the Vietnam Conflict.

Rep. Melton To Seek Reelection

James A. Melton, who is currently serving as State Representative from the 38th District, has announced that he will seek a second term. Melton, a Republican, serves a district made up of parts of Cumberland, Roane, Loudon, and McMinn counties.

Melton, 50, son of the late John Alfred "Al" and Alice Taylor Melton, was born and reared in the Chestnut Hill community of Cumberland County. He and his wife, the former Mary Tollett, along with their two sons, James Jr., 8, and John George, 4, live on City Lake Road in Crossville.

Retired from the Navy, Melton served some 2 1/2 years in the European Theater with the Army Air Force during World War II. During this time he received seven Battle Stars and two Unit Citations. Most of his Navy years were spent on submarines, his first submarine assignment being on the USS Trigger SS 564. After his retirement from the Navy, he worked at First National Bank of Crossville. He is a former operator of the B & W Restaurant, and is now a Real Estate Affiliates Broker with Warner Realty, Inc. He is a member of the Kiwanis Club, the American Legion, and the Tennessee Riflemen Association. He is a member of the First Baptist Church.

Representative Melton states that during his two

years of service in the legislature he has worked and voted for legislation to improve Mental Health Programs, the Rural Road System, a state-wide kindergarten program, vocational education for every county in Tennessee, a school of veterinary medicine, a salary raise for teachers and state employees. He also states that he is opposed to a state income tax. He says, "I would like to thank you for your support for the past two years and ask for your continued support."

The new Kingdon Heirs of Knoxville will be singing at Riverside Baptist Church on Sunday night, May 26 at 7:30 p.m.

FAGG RESIGNS—Ronnie Fagg, who recently announced as a candidate for Sheriff, is shown at the Democratic Executive Committee meeting last Friday night giving his resignation to the Executive Committee membership stating he was running for the office as an independent.

MAY 23 1974

GOP WIVES HONORED—The wives of State GOP candidates were honored at a reception at the home of Philadelphia Mayor and Mrs. Roy Bledsoe Saturday afternoon hosted by the Loudon County Republican Women's Club. Some of the honorees are shown with Mrs. Roy Bledsoe and GOP Women's Chairman Mrs. Johanie Myers (both right). The guests are Mrs. Jim Melton, Mrs. Dorothy Claussen, and Mrs. Honey Alexander, who's husband, Lamar, is running for the GOP gubernatorial nomination.

MRS. OLDHAM LEAVES—Hostess for a reception for wives of Republican state office candidates Mrs. Roy Bledsoe and Loudon County GOP Women's Chairman Mrs. Johanie Myers say good-bye to Mrs. Dorch Oldham (center) as she leaves the gathering at the Bledsoe home in Philadelphia Saturday for other engagements.

MRS. BENNY STAFFORD, wife of Loudon County's state representative (right) talks to Mrs. Gaynell Waters of Maryville, who is seeking the GOP State Committee woman post, at a reception for wives of Republican candidates Saturday at the home of Mr. and Mrs. Roy Bledsoe in Philadelphia.

Girl Scouts Get Awards

Cadette Troop 258 of Loudon have completed their scout year with presentation of awards and badge ceremonies at Loudon Lion's Municipal Park Tuesday, May 21 at 4 p.m.
Mrs. Pat Jones, troop

leader, said that Deede Jones and Carol Cagle received their four challenge pins and are now First Class Scouts. Other girls who received badges were Linda Brewer, Rhonda Glass, Vickie Cardwell, Lucy Brauhn, Tena Maloe, Kim McPeck and Sharon Plernona. Six of those girls have now completed six years in Scouts. Mrs. Jones said that she, along with all of her troop, have ten hours in First Aid

and have been doing volunteer work at Johnson Nursing Home in Lenoir City. She said that they each have over 75 hours of volunteer work and will be presented in a capping ceremony Friday, May 24 at 2 p.m. at Johnson's Nursing Home.
Mrs. Jones stated that she has enjoyed working with this troop and that she feels several of the girls have received high honors.

ATTENTION

ATTEND CHURCH

Eternal Vigil...

Full on, the beating of heavy waves, and rain... these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and mar his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

In Memory

In loving memory of my mother, Ada Frank Cooke, who died June 8, 1972. Many a lonely heartache, many a silent tear, but always a beautiful memory of the one we loved so dear. Sadly missed by daughter, Juanita.

LEGAL NOTICES

NOTICE OF SALE
WHEREAS, on the 11th day of December, 1970, EARL L. UNDERWOOD and wife, DORIS A. UNDERWOOD, executed and delivered unto P. E. Davis, TRUSTEE, a certain Deed of Trust of record in Trust Book 116, Page 165, in the Register's Office for Loudon County, Tennessee, on the following property within the First Civil District of

Have You Tried
Allen's
LENOIR CITY, TENN.

Loudon County, Tennessee, as being more particularly described as follows, to-wit:
BEING a part of Lot 100 and Lot No. 174A, Block A, Port Madison Sub-division, as the same appears of record in the Register of Deeds Office for Loudon County, Tennessee in Map Book 1, Page 33, and more particularly described as follows:
BEGINNING at an iron pin on the right of way line of a 90 feet street or roadway; which point is 100 feet South 50 deg. 32 min. East from intersection of said street and Webb Drive; thence in a sewerage line North 22 deg. 25 min. East 139.8 feet, more or less, to an iron pin on the right of way line of an unopened street or road; thence with said unopened street, South 96 deg. 45 min. East 111.3 feet to an iron pin; thence South 60 deg. 07 min. West 50.4 feet to a point of BEGINNING, and containing 35 acres, more or less, but conveyed by boundaries and not by acres, as shown on survey of Ruff Wall Sweeney, Jr., Surveyor, dated November 17, 1970.
WHEREAS, the holder of the obligation secured by the aforesaid Trust Deed, pursuant to the authority contained in the Deed of Trust aforesaid, his named and appointed ROBERT L. BADGER as SUCCESSOR TRUSTEE, with all the rights, powers, and privileges of the original Trustee, by instrument of record in the Register's Office for Loudon County, Tennessee;
WHEREAS, the said EARL L. UNDERWOOD and wife, DORIS A. UNDERWOOD, have violated the provisions of the aforesaid Trust Deed and there has been a default in the payment of the debt secured by the Trust Deed and the owner of the said debt has requested foreclosure.
THEREFORE, I will on Thursday, June 13, 1974 at 9:30 a.m., sell the above property for cash in hand in bar of right and equity of redemption, homestead and dower, subject to any unpaid taxes or other liens, at the front door of the Courthouse in Loudon, Tennessee.
The 9 day of May, 1974.
ROBERT L. BADGER, SUCCESSOR TRUSTEE.
3c-516

IN HONOR OF THOSE BRAVE AMERICANS.

A time to remember and a time to pay grateful tribute to the men and women, throughout our nation's history, who answered the call to arms when trouble threatened the land...who gave their time, their energy, their courage, and their very lives to protect the principles upon which this country was founded. Today we pause in reverence to recall their sacrifice and renew our own determination that it shall not be in vain...that our American way of life shall grow and flourish for us and for generations to come. It's time to remember, to count our blessings, to cherish our sacred heritage, and put it to productive use.

In honor of this occasion and of those brave Americans, Loudon County Memorial Gardens is placing an American flag above each and every person whose memory will live forever in our Memorial Gardens.

Loudon County Memorial Gardens, in turn, hopes that you will take the time on Memorial Day to honor these special Americans.

Dunn Appoints Lambert To Board

Governor Winfield Dunn appointed Loudon Mayor Eugene Lambert and Blount County Judge Asher Howard to the Tennessee Community Development Board on Tuesday.

Their appointments are effective until May 22, 1978. Mayor Lambert will serve as the Municipal member of the Board and Judge Howard as it's County Service member.

The act creating the Board directs the Governor to select a citizen member from a list of three persons provided by the Tennessee Municipal League and one from a similar list submitted by the Tennessee County Services Association. Other members are House speaker Ned Ray McWherter; Lt. Gov. John Wilder; Commissioner Pat Choate; the State Department of Economics and Community Development; Dr. Victor Hobbday, Executive Director, Municipal Technical Advisory Service, Knoxville; Ralph Harris, Executive Director, County Technical Advisory Service, Nashville; and Dean Perry, Chairman, Local Government Planning Advisory Commission, Elizabethton.

MAYOR LAMBERT

The new Community Development Act passed by the General Assembly created the Board. Its responsibilities include: developing General Development Plans, in the incorporation of certified areas into a city and in describing the powers, duties, responsibilities and restrictions of such an incorporated city during the development period, the Governor said. The Board's responsibilities covers such projects as the proposed new town development of Timberlake.

Court Session To Be Adjourned To June 18

Although County Judge Harvey Sproul has issued a 47 item agenda for the regular June session of County Court, set for 7 p.m. Monday, it is expected the session will last less than one hour.

Judge Sproul, who is leaving this weekend for a two week tour of duty with the U.S. Army Reserves, said that all but one or two items on the agenda will be carried over to an adjourned session at 8 p.m. Tuesday, June 18. Judge Sproul is Commander of the Army Reserve 105-106 Joint Advocate Detachments which will be in training at the University of Virginia.

County Judge Pro-Tem Jim Hartsock will chair the court session Monday night.

Items that will be acted on will be a public hearing on the rezoning of property along Steeple Creek Road in the vicinity of the Ruth Smith property and the Coxzins Baptist Church from Rural

Residential to Suburban Residential. After the public hearing action on the amendment is expected.

Minutes of the May session are expected to be read.

Judge Sproul also expects the court to act on a recommendation from the County Planning Commission to approve the County-TVA Tellico road contract.

At the adjourned session on June 18 the public hearing on the proposed 1978-79 county budget will be held prior to action on the remainder of the regular court agenda.

Publication of the proposed budget will be carried in this newspaper either on the issue of June 6 or June 13 so citizens can study it and appear at the public hearing if they have any complaints or comments. The court budget committee has been holding weekly meetings for several months preparing the budget.

Knox Federal Open House Is Saturday

Open House will be held Saturday, June 1 and June 3 through June 7 at Knox Federal Savings and Loan's new Lenoir City Branch. Alex Curtis, president of the Knox Federal Association announced that music refreshments, door prizes and gifts will be available at the opening.

The modern pre-cast concrete building housing the office is at the intersection of Highway 95 and Broadway in Lenoir City.

The fulltime staff members of the office are Doug Naugher, Phyllis Shrader and Linda Shepherd, all who live in Lenoir City.

KNOX FEDERAL OPEN HOUSE SATURDAY. The staff of the Lenoir City Branch of Knox Federal Savings and Loan is shown in their new office at the intersection of Highway 95 and Broadway in Lenoir City. They are Doug Naugher, Linda Shepherd and Phyllis Shrader. Open House at the new facility will be held Saturday.

Accident May Cost Grand Jury Youth Left Leg Indicts 36

A 14-year-old Loudon youth, Thomas Albert Parker, who just completed his freshman year at Loudon High School, is in Fort Sanders Hospital intensive care unit, fighting to keep his left leg. The youth, son of Mr. and Mrs. Norman Arden, 810 Summer Street, suffered multiple fractures and other injuries to his leg when his motorcycle and a car collided at the intersection of Highland Avenue and Carding Machine Road about 4:30 p.m. last Thursday.

Young Parker underwent several hours of surgery at Fort Sanders last Thursday night in an effort to save the leg. His hip was broken and it was reported that much of the muscle and flesh on his leg was torn off in the accident. City Policemen James Oody and Jesse Costner, who investigated, said in their report that the Parker youth was

traveling East on Highland Avenue had almost cleared the Carding Machine Road intersection when a car driven by Mrs. Pauline B. Hardin, 82 Highland Avenue, which was traveling West attempted to turn onto Carding Machine Road striking the youth. The car and the cycle went off the right side of the road into the parked car of Helen Baker, in the Baker driveway. The officers said that the cycle hit the side of the car, went under the car, throwing the youth over the car. He landed a few feet beyond the driveway.

It was reported that doctors at Fort Sanders said it will be several days before it is known whether the leg can be saved, if so then decisions about restoring damage to flesh and muscle will be made. Mrs. Hardin reportedly told (Continued on Page 7)

Jury trials in the current session of Criminal Court are underway in Loudon County this week following actions by the Grand Jury which returned 36 indictments, 16 No Bills and nolle prosequi cases. Five indictments were returned against a Loudon man, Jeffrey Lee Green, on charges of receiving and concealing stolen property, breaking and entering and larceny and attempted breaking and entering. The cases involve break-ins in Loudon and Lenoir City. Trial for the defendant is scheduled for June 11.

Trial is scheduled Friday for independent Sheriff candidate Ronnie Fagg who was indicted on a charge of felonious assault. Other indictments returned are as follows: Alice G. Nelson, dependency and neglect of minor children; (Continued on Page 7)

ECONOMIST GIVES REPORT—TVA Economist Bob Tilley (left) uses a 22 page report to give local businessmen a report on the prospects of a Townlift project in Loudon. Also in the picture and Commissioners Mrs. Aileen Richeson, Doug Lyle and Joe Carter.

Economist Recommends Townlift For Loudon

Although the disappointment was visible because of a very poor attendance, the information learned at the Townlift session gave every indication that a revitalization project for the business districts of Loudon would be both wise and advisable. TVA Economist Bob Tilley, presented a four page report on a 22 page economic study of Loudon, Lenoir City and Loudon County that he had prepared at the request of the City of Loudon.

Only about 20 persons, very few of them businessmen, attended the meeting which City officials had hoped would be attended by three or four times that many business and commercial property owners. City Administrator Gary Hensley said he was very disappointed in the interest shown and that such an attitude might give the City Commission the idea that the business community was not interested in project and to further study and plan for expenditure of thousands of dollars might be useless.

In an analysis of his findings Mr. Tilley said that Loudon area businesses have done a good job of maintaining their percentage of the retail sales of goods and services in the past 10 years, consistently holding 28 percent of the total sales in the county. In comparing this with other towns he said that about 70 percent of the total money for these type sales are being spent in Loudon stores compared with a 60 percent average in the 201 Tennessee Valley Authority counties. He pointed out that while Loudon was holding its own in the sales funds available ratio its neighbor Lenoir City had dropped four percent. In the area of weakness

Mr. Tilley said that there was a definite lack of general merchandise establishments in the Loudon area. The sales of food was the highest category and was generally higher in ratio spending compared with other cities. The sales of automobiles was about four percent lower than in other communities.

Factors in the sales in the community involved the continued out-migration of the 15 to 20 year age group, which is one of the primary sectors of spending in the economy. Some of the interesting facts in the study were a 2.3 percent drop in population in the Loudon area while the remainder of the county showed a two percent growth, with the Lenoir City division growing 4.3 percent.

Agriculture in the county is declining at the highest rate. In 1950 some 22 percent of the county employment was in agriculture and in 1970 it had dropped to four percent. He pointed out that this decline was more than compensated by the growth in industrial jobs, a jump of 70 percent in the same time period.

His study showed of the 9,011 employed residents in the county, 846 lived outside the county. Since 1959 personal income in the county had jumped 98 percent while farm earnings dropped 44 percent, mainly because in the number of people earning their living on the farm. In mentioning the weakness of general merchandising in the Loudon area Mr. Tilley said that on the average this type of sales made up 20 percent of the economy of a town the size of Loudon but his study showed only 4.4 percent of the sales in this area. He said the figures on eating establishments were confusing. He pointed out a definite need for such eating

places, but that the ones that were here were apparently doing a good business. The study showed that there are 101 business places in Loudon with total sales in 1972 of \$10,120.

Following his presentation several persons attending commented that the growth factors expected in Loudon dictated the necessity of some type of program to keep the business that Loudon now has and to attract people who's buying habits take them from Loudon to change their habits and shop at home.

Mr. Hensley said that the city plans to make a formal request of the TVA to make a Townlift study and make recommendations for improvements in the business districts of the city.

He pointed out that it may be several months before TVA can begin the study because of a backlog of work that they now have.

Commissioner Doug Lyle said that there is definite interest by developers in Loudon and that the coming of the Exxon Nuclear Plant and Timberlake will bring commercial growth to the city. He said how the city and the present businesses prepare for the growth and to receive benefits from it can be realized in part from proper planning. He said the Townlift study can be the basis for the planning for business expansion and integration of new business into the community. Mr. Hensley said that a summary of the comments by Mr. Tilley will be prepared and sent to all those who were present at a previous meeting when some 60 businessmen and commercial property owners attended.

150 Exhibitors Ready For Arts Festival Saturday

Over 150 exhibitors will be on hand at the Arts and Crafts Festival on the peninsula at Lenoir City Park beginning at 10 a.m. June 1.

Craftsmen, skilled in almost any-to-be-thought-of art will be on hand to sell. Some of them will demonstrate the making of their crafts.

For browsers who wish to spend the day, plate lunches will be served under the trees in the picturesque park. Chicken dinners will be \$2. Short orders and desserts will also be available.

To cut down traffic congestion at the park, buses will run each hour from the downtown parking lot at the Bus Station beginning at 10 a.m. A pick-up stop will be made at the back parking lot of Lenoir Shopping Center. This bus will leave the festival site at 10:30 a.m. and continue its schedule until the last return trip at 6 p.m.

An interesting display will be crafts by the Sheltered Work Shop in Oak Ridge. Members will offer for sale plastics, decoupage, wood-working and name plates.

The Sheltered Workshop, a part of Community Service for Exceptional Citizens Inc., 715

Emory Valley Road, Oak Ridge, is a non-profit, charitable organization dedicated to providing services for developmentally disabled citizens including those with cerebral palsy, neurological disorders and mental retardation.

Many of these young adults have attended Daniel Arthur Rehabilitation Center. They begin to learn simple skills at the Work Activity Center, then

progress to the Sheltered Workshop where they are trained to work in the open job market.

Free parking in Lenoir City's downtown area will again be available on the day of the festival as Lenoir City prepares to welcome the thousands of visitors from Tennessee and many surrounding states to the Suburbia Junior Women's Club's 12th annual Arts and Crafts Festival.

500 Expected To Hear Watergate Lawyer

Loudon County Republicans are hoping to draw 500 persons to the first major political fund raising dinner of the election year scheduled for 6:30 p.m. Saturday at Lenoir City High School.

The dinner sponsored by the Loudon County Republican Woman's Club will feature Fred Thomas, political counsel for the Senate Watergate Investigating Committee, as principal speaker. Tickets are available for \$5 each.

The dinner will be held in the LCHS cafeteria from 6:30 to 8 p.m. and the after-dinner program will begin at 8:15 p.m. in the auditorium.

Mr. Johnnie Myers of Greenback said that letters of invitation have been extended to Governor Winfield Dunn, Senators Howard Baker and Bill Brock, Congressman John Duncan and Nat Winston, Dorich Oldham and Lamar Alexander, candidates for the GOP gubernatorial nomination.

County General Sessions Judge Thomas Ingram will be master of ceremonies for the program. Musical entertainment will be provided by Mrs. Walter Shea and Vernon McKinney.

All local Republican office holders, nominees and candidates are expected to attend and will be introduced.

In charge of ticket sales are Mrs. Bobbie Wright for the Eaton Crossroads community; Mrs. J.B. Lane, Glendale, 886-9493; Mrs. Jess Hammonroe, Greenback, 856-3423; Mrs. Harry Wampler, Lenoir City, 926-2752; Mrs. Joe Roberts, Loudon, 458-2809 and Miss Mary Griffiths, Philadelphia, 458-2841. Tickets also are available

MR. THOMPSON

Industry Week Activities Underway

Probably the largest display at the Lenoir City Arts and Crafts Festival will be that of the Loudon County Industrial Appreciation Week committee. Industrial Development Committee Co-chairmen Bart Idkins and J. W. Wilburn Jr. said that a "huge display of pictures of the operations of the 26 industrial firms in the county will be featured at the festival along with a display of industrial products produced at some of the firms. All this week, May 27-June 1, has been proclaimed Industrial Appreciation Week in Loudon County. The Industrial Development Committee along with the Chambers of Commerce of Loudon and Lenoir City are co-sponsoring the event. Large highway banners were

erected Tuesday in Loudon and Lenoir City. Also displays of pictures of the industrial operations that were provided by the State Industrial

Development Agency were erected and will be displayed all this week.

Next Tuesday the climax of the celebration will include a

Golf Tournament for the management heads of all the industries. The tournament will be followed by a social

(Continued on Page 7)

INDUSTRY WEEK BANNERS—Loudon druggist E. S. Berwin, Committee of 100 Co-chairman Bart Idkins and Committee secretary Mrs. James Savage are shown unrolling one of the Industry Appreciation Week highway banners that were erected at Loudon and Lenoir City.

Monica Morgan became the bride of Charlie Frank Smith, Jr. on March 9 at Schaeffer Memorial Chapel in Memphis. Monica is the daughter of Mr. and Mrs. H. Irvin Morgan of Memphis. C. F., the son of Mr. and Mrs. C. Frank Smith, Sr. of Loudon, is a 1967 graduate of Loudon High School and a 1971 graduate of Memphis College. The couple are residing in Memphis where the bride is attending graduate school at Memphis State and the groom is enrolled at U.T. Medical Units, Memphis.

Freedman In Honor Society

A Loudon County student at the University of Tennessee, Knoxville, Norma Lynn Freedman of Lenoir City, was among 160 students recently initiated into the UT chapter of Phi Kappa Phi, national honorary society. Phi Kappa Phi is a society whose membership is open to Juniors who have maintained a 3.5 grade point average and to seniors and graduate students who have maintained a 3.0 GPA.

Miss Ragain In Eta Psi

Teresa Ragain, a Tennessee Tech student from Greenback, has been received into the Eta Psi chapter of Alpha Mu Gamma, the national collegiate foreign language honor society. She was among 39 other students and faculty members inducted into the prestigious society. Tennessee Tech was granted a chapter of Alpha Mu Gamma in 1973. Miss Ragain was presented a chapter certificate at recent formal ceremonies at Tennessee Tech.

Ward Accepts Scottish Rite

James C. Ward of Toledo, Ohio, was among a class of 217 men who received the ancient accepted Scottish Rite Masonry Degree recently. Mr. Ward is a former Loudon resident and is presently an inspector at Sandusky Ohio Plant of Ford Motor Company where he has worked for the past 22 years. He is the son-in-law of Mrs. Alma Carpenter of Loudon. He and his wife plan to return to Loudon upon his retirement.

Cleveland In Who's Who

Donald Cleveland, son of Mr. and Mrs. Eli Cleveland, was one of five students selected by the faculty of Midway High School as Who's Who for 1974 school term. He was chosen from the senior class for his academic achievements, co-operation with students and faculty, school loyalty, participation in school activities and contributions to the community. He was presented a trophy for his outstanding defensive play in basketball this year. He plans to enter the National School of Business in Cleveland on June 17.

Joy Club meeting last Tuesday at the First Baptist Church. Mrs. Darrell Berry of Clarksville was the overnight guest Thursday of Mr. and Mrs. Allen Lawson and son, Mr. and Mrs. Richard Burton of Chattanooga were here for the weekend and with Mr. and Mrs. Frank Henderson, Mr. and Mrs. Bill Henderson, Miss Ann Henderson and Pete Rogers of Knoxville. They attended the Alder Branch Decoration in Sevier County. Misses Ada and Mary Griffiths were in Friendsville Sunday and also visited Mr.

and Mrs. Harry Griffiths and Gene near Maryville. Mr. and Mrs. John Smith and son, John, came from Ringgold, Ga. for the Corinth Decoration and spent the weekend with their parents, Mr. and Mrs. Norman Arp and Mrs. John Smith, Sr. Mr. and Mrs. James Bridges and granddaughter, Christy and Miss Patsy Bowman from Morristown, Ind. were the guests a few days this week of Mr. and Mrs. Arthur Simmons. Mrs. E. W. Waller, Sr. and Mrs. John Everett, Sr. attended the decoration Sunday at Oral. Mr. and Mrs. Norman Arp attended the decoration Sunday at Lawville near Kingston.

Mr. and Mrs. Lee Davidson were weekend guests of their daughter and family, the Rev. and Mrs. Riley Huffstetter and sons in Hillville, Va. Mrs. Grace Deadrick, Mr. and Mrs. Ted Walls and family, all of Oliver Springs, visited Sunday afternoon with Mr. and Mrs. W. E. Edwards and Nancy.

NOTHING DOWN — 36 MONTHS TO PAY

Little "T" Group Quits Court Battle

Proponents of the drive to save the Little "T" River have abandoned all legal efforts to halt construction of Tellico Dam after an adverse ruling by the Sixth Circuit Court of Appeals in Cincinnati two months ago.

Ken Elrod, president of the Association to Preserve the Little T, said last week that the deadline for filing an appeal to the U.S. Supreme Court had passed without any further action being taken.

He said the association's position is that since the Sixth Circuit delivered only a bench opinion, rather than a written one upholding US District Judge Robert Taylor's decision to permit construction it would be extremely difficult to persuade the high court to even grant a hearing.

Therefore, unless there are "dramatic developments," Elrod said there would be no more legal action.

Elrod said that there will be a meeting of friends of the Little T on June 15, at 6:30 p.m. at Fort Loudoun. All interested persons are urged to attend and bring a covered dish, he added.

The association's decision not to pursue the action further apparently brings to a close a seven-year emotional and legal battle to preserve the Little Tennessee River and surrounding area.

Work began on the project in 1967, with land acquisition and preliminary preparations. However, construction was halted in 1972 by an injunction from the Sixth Circuit. The court ordered TVA to file an environmental impact statement, as required by the National Environmental Policy Act which became effective in 1970.

Nearly two years were spent in preparation of the position paper. The river's backers once again took the agency to court, alleging the sufficiency of the statement.

The primary concerns of the environmentalists were the destruction of several Indian villages, and the separation of Fort Loudoun from its original setting, and loss of other areas of great historical and archeological value.

Robertson In Industrial Navy Basic Activities

Naval Aviation Officer Candidate Kurt E. Robertson, whose wife Frances is the daughter of Mr. and Mrs. Howell Graham of 402 E. Second Ave., Lenoir City, has begun basic flight training at Pensacola, Fla.

When he completes Aviation Officer Candidate School he will be commissioned an ensign and begin more than a year of intensive ground and inflight training leading to his designation as a Naval Aviator.

(Continued from Page 1) hour and banquet at the Dean Hill Country Club in Knoxville. Some 100 persons are expected to attend the dinner including the industrial guests, members of the Industrial Committee, Chamber officers, and other invited guests from the State Industrial Agency, TVA and others.

The Industrial Appreciation Week sponsors have purchased a two page advertisement in both county newspapers this week which contain photos of the industrial operations and a message of appreciation for the contribution the plants make to the county.

County Conservation Board Organizes

The newly created Loudon County Conservation Committee has held its initial organizational meeting and elected officers.

Ed Bailey, a Lenoir City attorney, was named president of the group. Other members are Tom Peeler of Greenback, vice president; Mrs. Hamill Carey of Loudon, secretary; J. Will Jones of Eatons, treasurer; and Darris Richeson of Luttrell community.

The committee has been charged with the administration and coordination of the county recreational parks and facilities. At present these include the park under construction at Eatons, the one planned at Luttrell and the old Air National Guard Recreational Park near Glendale, now operated by the county on a trial basis.

The committee met last week and toured the National Guard facility on Fort Loudoun lake which has been leased to the county by the Tennessee Valley Authority. They are expected to make a recommendation soon of the types of use the park will be available for and to develop a permanent use plan for the facility.

Lefler Is Sewanee Grad

Jackie H. Lefler II, son of Mr. and Mrs. Jack H. Lefler of Loudon, received a B.A. degree in economics at commencement exercises Sunday, May 26 from the University of the South in Sewanee.

Jackie was a member of the Order of Govanmen, the basketball team and Alpha Tau Omega fraternity.

Scotty William Brewer celebrated his first birthday April 24. He is the son of Mr. and Mrs. Bill Brewer of Rockford, Ill. Grandparents are Mr. and Mrs. Hubert Rucker of Philadelphia and Mr. and Mrs. Olen Dawson of Rockford, Ill. Great-grandparents are Mr. and Mrs. Estel Jones of Philadelphia.

Homer Happy Cherokees

Blast LC 16-3

The Lenoir City Panthers had their baseball fortunes stopped last Thursday night in the Region III showdown with McMinn County.

Lenoir City quickly chased Cherokee starter John Grubb with Marty Porter driving a fast ball up the middle. Johnny Price walked, Mike Walker was hit by a pitch and centerfielder Mike McConkey delivered a clutch hit to right centerfield for two RBIs and Walker later tallied in the inning.

Panther starter Sammy Dunlap was rolling along in the second inning when the Cherokee bats began to take a liking to his fast ball. McMinn pounded out three consecutive home runs to knot the score and before the dust had settled Dunlap had walked the next batter and a fourth home run followed for a 2-5 McMinn advantage. The Panthers never seemed to overcome the shock.

Lenoir City, which had won 11 straight in the stretch drive of their regular season and through the course of the district tournament, had become known as near perfect in playing error free defense. But as the Cherokee bats kept the Lenoir

City fielders active, the errors and mental mistakes began to take their toll.

McMinn County batters circled the bases in every inning following the fire works in the second frame. Fourteen hits were lashed out and half a dozen Lenoir City mistakes padded the scoring. Lenoir City had but two hits in the game and never threatened after their first inning effort.

Marty Porter relieved Dunlap in the fifth inning and gave up a home run for what was to be the lone earned run off the little second baseman. In the other Region III game, Clinton pounded McMinn Central 8-4 to stage a Dragon-Cherokee contest for the finals.

SAFE AT THIRD—McMinn County's left fielder Anthony Arwine slides safely into third base as Lenoir City's Mitch Keelber applies the tag. McMinn won the Region III contest 16-3.

PRICE MAKES CONTACT—Senior shortstop Johnny Price connects on this pitch for Lenoir City but the line drive smash was caught by a McMinn fielder cutting short a Lenoir City rally.

LOUDON'S COZART SIGNS—Calvin Cozart, mid-season senior transfer from Karns High School, who played guard on the Loudon Redskin basketball team this past winter has signed a junior college basketball scholarship with Montreat-Anderson Junior College in North Carolina. Pictured at last week's signing left to right: Dr. Larry Wilson, Athletic Director at Montreat-Anderson, Head Basketball Coach James Seaton, Cozart, Loudon boys basketball coach Hugh Watson, and Calvin's aunt and uncle, Mr. and Mrs. Thomas Goss.

LOOK OUT BELOW—An unidentified swimmer makes a rather noisy entry into the Loudon Swimming Pool from the high dive. The Loudon pool opened Saturday and will be open daily from 11 a.m. till 6 p.m. through out the summer.

Union Carbide Golf League

Has New Leaders

It's been a long spring for Eldon White and Dick Rosenbaum in the Union Carbide Golf League. The golfing date were at one time within just a couple of points of being the cellar team in the league. A constant game and patience appears to have bettered their one time low ranking. The White and Rosenbaum team stepped up into the cat bird's seat as Jim Spradlin and Ernie Black dropped out of first

place and are now in fourth slot of the standings with a total of 72 team points. Herbert Hodge turned in a nine hole low net score of 29 to take individual medals honors for the week and the Ray Birkholz for the low net individual league mark for the current summer.

Help protect yourself and others you love by having regular medical checkups, and then write a check to the American Cancer Society.

Lomax And Swiney Swinging Hot Clubs In City Golf Play

The Team of Inky Swiney and Ted Lomax appear to be making their move to challenge for the Loudon City Golf leadership. Swiney and Lomax were far back in the standings when Swiney

carved out a low individual net of 34 to bring their team up into a three way tie for sixth place. This past week teammate Ted Lomax posted a midly low individual net of 31 for individual honors and the

twosome also captured the low net team honor with a combine round of 65 to now stand in sole possession of second place with 65 team points to date.

Richard Archer and John Cobb continue to set the league pace with 79 team points and a 14 point lead. Harrison Henry and Harold Grimes are tied with Dennis Townsend and Ralph Stalcup

Clinton Is Region III Champ

The Clinton Dragons got a two hit pitching performance from right hander Mike Graham and reliever John Butlerin Friday night as they turned back McMinn County 3-1 for the Region III High School Baseball Championship.

McMinn got off to a 1-0 lead in the first inning as Anthony Arwine laced a shot over the 275 foot left field defence.

Clinton, who had runners on base nearly every frame in the game, tied the score in the fifth on a two out grounder to the short stop that failed to

complete the out as the Cherokee first baseman was said to have pulled his foot off the base in taking the throw. A high fly ball led the left and center fielders to a collision that produced a 2-1 Clinton lead and a clean hit scored still another run before the third out could be gotten.

Crash Wilson Show To Highlight Atomic Speedway Races

Racing fans of Atomic Speedway on East Interstate 60 at the Melton Hill exit are in for a real treat Saturday night, when in addition to the regular exciting race program they will see Ron (Crash) Wilson drive into a 3000 pound chunk of ice at near 60 miles per hour.

John Batts, driving a midjet spring car, turned the three-mile dirt track in 13.77 seconds in time trials last week for the spring car event. Herman Goddard held the old mark of 13.75 seconds.

sportsman cars open Saturday night's action at 7:45 o'clock. Racing gets underway at 8:30 p.m. Bomber division cars will be featured for 15 laps.

Atomic owner Bob Martin is proud of the opportunity to offer the added excitement for area race fans. Crash Wilson, a native of Alabama, will run heading into the large block of ice, driving a convertible automobile.

"I've never seen Wilson do the act," says Martin, "but I'm told the impact completely shatters the ice and drives the motor in the car back to the driver's seat."

Regular admission prices, \$2.50 and \$3.50, will entitle fans to see the entire racing program plus the special attraction. In other words, no increase in ticket prices for the program Saturday night.

Buddy Rogers, meanwhile, continues to move up in the sportsman feature competition at the speedway.

The former modified driver ran second to winner Ken Phillips in last Saturday's 40-lapper. Little Bill Corum was the fastest qualifier, but failed to place among the leaders.

Sam Isonhour won the sprint car event, nipping veteran Les Scott for the victory.

Loudon City Recreation Program Swing Into Full Operation

The Loudon City Recreation Program is now in full summer operation. Nineteen baseball, T-league, softball, and etc. teams make up the nightly activities at either the new baseball park at the high school or at the Legion Field in town. The swimming pool is also open daily from 11 a.m. till 6 p.m. and the morning youth program is underway also.

Mrs. Harrison Henry has been employed for the summer by the City Recreation Board to manage the swimming pool. Life guard jobs are still available for the summer as a special life guard school will be held for job placements as soon as college has ended for summer vacation.

Reverend Jack Ferguson will be the school director. Classes start the second week of June with registration now available.

The morning youth program is being handled by Dewayne

Arp and Larry Bridges at the Legion Baseball Field. Mrs. Hugh Watson has the girls at the Loudon Junior High with volleyball, badminton, softball, etc. daily.

Coach Hugh Watson will be instructing tennis at the newly paved tennis courts at the high school.

The new tennis courts and all purpose courts are not finished to date as fencing and lighting will not be completed until in June. Upon completion a tennis tournament is planned in the month of July.

The tennis program which will use the Lions Club Park for a week or two is set up for boys and girls of ages 7-10, 11-13, and 14-17.

The morning program gets underway at 9 a.m. and lasts till noon.

Once the new tennis courts are in use classes will be offered with registration being taken at the City Hall.

Coach Bert Rattledge, who is the overall Recreation Director, states there will be a volleyball league set up when the new all purpose court is ready. The teams are to be made up of eight players. Farming of teams and having them announced to Coach Rattledge is now going on.

It is also reminded that the Loudon Recreation Program is in need of interested in-

LOUDON SWIMMING POOL MANAGER—The manager for the Loudon swimming pool was announced this past weekend by the City Recreation Board. Pictured making a chlorine test is Mrs. Harrison Crabtree, the pool manager.

structors in the nightly baseball program and also in seeking contributions and sponsors for the various teams. All interested should contact Coach Rattledge or Gary Henley at the City Hall.

CRASH WILSON

The Club Car.

(Another in a series of imaginative uses for the GMC MotorHome.)

If you're planning to lay siege to the fairways this weekend, consider this:

(a) Pick some neat, out-of-the-way course.

(b) Pool your foursome. And (c) go in a GMC MotorHome.

Honestly, it's more fun than taking separate cars. Easier, too.

If you've got an early tee-off time, you can drive up the night before and probably pitch camp right in the club parking lot. And when the great match is over, your lunch, refreshments—even a shower—are there for you in the MotorHome's capacious interior.

You'll most likely appreciate the savings. Particularly if that two-footer you blew on 18 cost your side the match.

When your MotorHome isn't in use, you can leave it at your dealer's Landock for storage and/or service. For that matter, you don't even have to buy a GMC MotorHome. You can rent one from your dealer. Just ask.

A MotorHome may not keep you from clutching on two-footers, but it sure makes life before and after the match a heck of a lot more fun. And that's what the game is all about, isn't it?

Think about it. And call your GMC MotorHome dealer.

The MotorHome from General Motors.

Mears Signs 7-Footer

Tennessee Coach Ray Mears finally has found the big man he needed to make his basketball recruiting complete.

Tennessee signed DeCarsta "Byrd" Webster, a seven-foot center out of Philadelphia's public high school league. The 18-year-old pivot man had been sought by a number of the nation's leading cage powers, with Maryland providing the sternest opposition in the stretch run for his services.

CM Team Falls 8-1 In Opener

The Loudon County Connie Mack Baseball team was handed an opening season setback at the hands of the Bank of Maryville Monday night at Lenoir City's Civilian Field 8-1.

The Loudon County team, with only one practice session under their belt, got but one hit in the game at the Bank of Maryville's left-hander Johnny Hill struck out 17.

The Lenoir City based team scored their lone run in the bottom of the fifth inning as third baseman Wayne Slamey was hit by a pitch and later scored on a swinging bunt by left fielder Raymond Watkins.

The Maryville team hit two home runs and a double in scoring runs in the third and fourth innings. A two run fifth and four scores in the top of the seventh on Loudon County errors finished the scoring.

Sammy Dunlap was the losing pitcher, yielding eight hits and striking out eight. Lenoir City will travel to Madisonville tonight (Thursday) for a 8 o'clock seven inning contest.

MAY 30 1974

Area Fishing Forecast

BY BOBBY WOLFE, OFFICER OF THE TENNESSEE WILDLIFE RESOURCES AGENCY FISHING FORECAST

NORRIS LAKE—Walleye, good trolling with worms and spinners. Bass, fair to good using spring lizards and top water lures. Crappie, poor.

DOUGLAS LAKE—Bass, beginning to become active once again. Crappie and sauger have slowed but a few are still being taken on minnows and flies. Catfish, good on cut bait.

WATTS BAR LAKE—Stripes and crappie are eating up minnows and flies at night. Bass, good on top water lures.

FT. LOUDOUN LAKE—Blue gill are good on small pieces of red worm or popping bugs. Catfish, good on cut bait.

CHEROKEE LAKE—Rockfish and hybrid are very good in the brass early and late using a spinner type lure. The stripes around German Creek are being caught by large strings.

CHILHOWEE LAKE—Bass are good and trout are being caught good at night. Blue gill are good on popping bugs.

LITTLE "T" RIVER—Trout fair on different lures, flies are very good when the hatch are coming off.

COMMUNICATION SYSTEM TO REMAIN OPEN

Effective Saturday, May 25, the Tennessee Wildlife Resources Agency's Nashville communications system will remain open on weekends and holidays to facilitate communications with the boating public who request help.

Hours of operation will be from 1:00-9:00 p.m. to relay messages from the free incoming WATS line which is available to any boater who requests help from a wildlife officer in the area.

The purpose of this special service is to improve communications between the boating public and the Agency as it relates to boating safety, according to Tucker Brown, Chief of the Agency's Law Enforcement Division.

"We urge all dock operators and the general public to call if there is a need for a Wildlife Officer in their area," Brown said.

During the hours when the communication system is not operating a message center will record all incoming messages to be reviewed at the earliest opportunity by wildlife officers.

JOHN AND BOYD CATHEY are shown with a stringer of fish caught by their father and grandfather, Allen and Homer Cathey, at Center Hill Lake last week. They caught 110 Walleye, bass and catfish during their week of fishing.

RAILBIRDS TELL STORY—A disappointed Lenoir City following which saw the home run happy McMin Cherokee blast the Panthers in the Region Tournament is expressed by the dug out of the Panthers.

Grimes Continues To Set Maremont Pace

Harold Grimes picked up six points and managed to hold his one-half point lead in the Maremont Golf Standings with 40.5 points to date. Mike Sims matched Grimes in last week's action with six points to remain in second place with 40 points.

Virgil Hart and Jim Hamill find themselves tied for third place with 38.5 points to date.

Richard Archer, who also plays in the Loudon City Golf League, made the biggest jump in the standings by accumulation of nine points and coming from 11th to sixth place.

Mike Sims won two golf balls for the individual low net round of the week, a 24. Bob Welch won one ball placing runner-up with a score of 38.

---	---	---

She knows what EER means.

Do you?

EER is a term you need to know if you're going to buy an air conditioner. Meaning "Energy Efficiency Ratio," EER is a way of rating the performance of an air conditioner. The higher the EER number, the lower your cooling costs. Ten or higher is excellent. Eight and nine are good. Seven is fair. Anything six or below should be avoided.

The EER number may be on the nameplate or hangtag. If it isn't, you can figure it:

Btu/hr. Watts	EER	6,000 Btu/hr. 600 Watts	10 EER
------------------	-----	----------------------------	--------

Insist on a high EER. It will lower the cost of cooling your home.

SOMETHING TO REMEMBER

You may hear, "High efficiency air conditioners don't save enough money to make any difference."

That's nonsense.

High efficiency air conditioners do lower cooling costs. And, more importantly, the savings will jump in the years ahead as the cost of energy — all forms of energy — doubles, triples, and quadruples.

late in Blount County. In this picture are Mr. and Mrs. Estes, daughters, Christine and Viola and a son, Leonard. We don't know if any of this family is living or not.

As many can recall, the years gone by were in many ways years of hard work. A large part of the families lived on farms and had to do many chores in their way of life.

Our other picture this week, which was loaned to us by Pete, also was taken on a farm. In the picture are his mother and father, Mr. and Mrs. Fout Jamerson. The two children are their sons, Pete and Homer. They are now all deceased except Pete. This is a fine team of mules and a very heavily loaded wagon. It looks like a long coupled job with two separate stacks of

boards. In those days mules were an important part of farm life and were considered to be very valuable both as work stock and a means of transportation. With mules few in number, the need for blacksmith shops faded away. Someone was telling us the other day that a good mule on the market today would bring a fantastic price and possibly life for them today would be a real pleasure compared to what it was years ago.

Speaking of mules, we were down at J.C. (Slim) Schrimsher's farm last summer observing Slim as he plowed his garden with his old mule. The old mule was reluctant to let me snap his picture because he didn't like the camera flash.

Well, that's it for now. See you next week.

Sproul Organizing Wiseman Campaign

"Plans are now being made for the organization of the local campaign for Tom Wiseman," stated Judge Harvey Sproul this past week.

Judge Sproul was announced as County Campaign Manager for Tom Wiseman, Democratic gubernatorial candidate during his visit to Loudon County on Tuesday, May 21st.

"I thought I was getting out of politics when I decided not to run for County Judge," said Judge Sproul, "but being associated with a man of the caliber of Tom Wiseman is worth staying in politics a little longer."

Judge Sproul expressed the feeling that he feels that his chosen candidate is being received very well according to the statements of many Democrats state-wide, especially in view of the large

number of announced candidates for the nomination.

He cited the endorsement of several organizations of Tom Wiseman's candidacy including blacks, labor, professional, and trade associations.

"I feel the reason he is being so well accepted is his record of integrity and fairness as indicated by his term of office as Treasurer of the State of Tennessee."

"In addition, his experience through that office, and as former member of the State Legislature makes him as well-qualified as any of the candidates who have now announced."

Judge Sproul announced that the names of the persons who will be a part of the organizational structure in Loudon County will be announced in the near future.

\$700,000 Water System Loan Approved

The Farmers Home Administration has approved loans totaling \$700,000 under the rural development program to help finance construction of a water treatment plant to serve about 460 residential and commercial users in Loudon & Monroe Counties. Each county will receive \$350,000 to help finance its share of the project.

Additional funds also are being provided for the project by the counties, the Department of Housing and Urban Development, the Appalachian Regional Council, and Tennessee Valley Authority.

These funds will be used to build a water treatment plant and transmission lines to serve both counties through the Tellico Services Area System.

The loan will be repaid in 40 years at an interest rate of five percent.

Loans for water system projects supportive of rural community development are made under the Rural Development Act of 1972 by Farmers Home Administration, the rural credit service of the U.S. Department of Agriculture.

The Loudon County American Red Cross will offer Senior and Junior Life Saving Courses at Big Springs Pool in Lenoir City.

Senior Life Saving will be taught from 9 to 9 p.m., June 3 through 14. One must have passed the 15th birthday to register for this course.

To register for either course phone the American Red Cross, Mondays through Fridays, 986-3482.

We have often said that we are always glad to have pictures of family groups of those who made up the populis of our area years ago, as well as some of those who are around in the present day.

With those who grew up in these parts a number of years ago, it is hard to find groups, family, church or school pictures that someone will not be able to recognize and recall. Most of the time it is because of close friendship or because they were a part of the community.

The other day Pete Jamerson brought us a couple of old pictures which we are sure many of our readers will

recognize and enjoy. One of them is a family group from our area of the Estes family. When you talk about Estes families, there are quite a few of them who lived in our area a years ago as well as in the present day.

Possibly one of the better known old time land marks around Loudon 40 or so years ago was the Estes Spring, which was located out on State Route 72 near Brown Town Hall. Many old time outings were held at this old location.

Now this is not the same family, although we are sure they were related. As we understand, this family lived near Loudon a few years and

WINS CARBIDE AWARD-Gene Davis (right) Safety Coordinator for Union Carbide's Loudon plant proudly displays the National Safety Council's Award of Honor for William S. Sneath, President of Union Carbide Corporation and Pete Campbell (left) of Loudon. The two local men represented the Films-Packaging Division at ceremonies in New York where the Council's highest award for safety was presented to Union Carbide.

Union Carbide Gets Safety Award

This record is distinguished by a rate for disabling injuries of only 1.47 per million employee-hours worked. The serious injury rate, for less serious, non-disabling injuries, was a low 8.90 per million employee-hours worked. The award was based on the safety performance of all 73,754 Union Carbide employees in the United States, Canada and Puerto Rico.

Honored guests at the presentation of the award at Union Carbide's New York headquarters were 24 employees representing each division of the company.

Attending from the Loudon Films-Packaging Plant were Gene Davis and Pete Campbell.

Surprise! Duster has a lower sticker price than Volkswagen.

It's true! Our Plymouth Duster is priced below Volkswagen's most popular model. But Duster offers a whole lot more. Things like room for 5 instead of 4. And a trunk that's three times as big as the Super Beetle's! But Duster's sized right for small car parking and handling, and runs on regular gas. Check out Duster, now.

That's the kind of surprise I could really go for. Know what I mean?

PLYMOUTH DUSTER \$2753*

Manufacturer's suggested retail price, excluding destination charge, dealer preparation, state and local taxes. Whitewalls (\$28.50) and wheel covers (\$26.45) as shown on Duster are optional. Prices effective 5-1-74.

Jobs for more than 400 Loudon County residents are provided by the 26 industrial plants in the county. It is through the economic base that these jobs support our families, communities and the county. Loudon County owes much of its growth to these industries. During this Industrial Appreciation week, we invite everyone to pay special tribute to the industry that supports our county and invite you to see many displays throughout the county. The Industrial Appreciation week will culminate in the Industrial Festival at Lenoir City Saturday.

To the men and women taking part in this week of community we say thanks for not only their contributions but for the support of their families and neighbors.

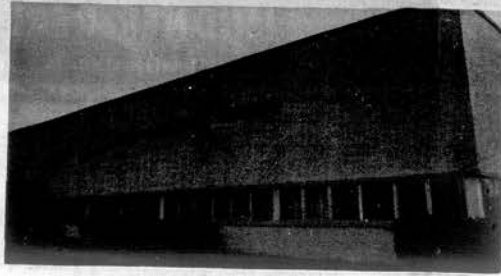

We hope that our gestures during this week in some small way show how proud we are of our friends and neighbors.

LETTERS TO THE EDITOR

Gentlemen:
 The good people of your town will always be remembered by me. Driving on Route 75 coming into your town from Florida on 3-15-74, my brake line let go right at the traffic light near a pharmacy next to Greer's. I was traveling alone and I don't need to tell you how scared I was. I went into the pharmacy to ask for help and a wonderful young girl and young man were very kind to me. The girl offered me her umbrella so that I could walk to a gas station for help. At one station across from the pharmacy, a man I've never seen before or even got his name, listened to my problem, then took me in his truck to a garage called Anderson Tune Up Center, where he told them of my trouble, took the people at the garage in my car and assured me that the people of Anderson Tune Up Center would take good care of me and then he left.
 This man drives a Ford pick-up truck, I believe. I do not know his license or his name but hope that your paper will put a little human interest article in your paper hoping this man reads it and knows how much I appreciate all he did for a complete stranger. The people of Anderson Tune Up Center are also to be commended for their honesty and courtesy to me, and I wish there was such a garage in my home town where the people would be so honest about car repairs. To anyone in Loudon who needs a good garage in my home town where the people would be so honest about car repairs. To anyone in Loudon who needs a good garage in my home town where the people would be so honest about car repairs. To anyone in Loudon who needs a good garage in my home town where the people would be so honest about car repairs.
 Violet Percik
 Cleveland, Ohio

Oriental Rugs Valued At \$14,000 Stolen

Oriental rugs valued at almost \$14,000 were stolen from a new home under construction on Twin Cove Circle on Fort Loudoun Lake near Lenoir City over the weekend.

Loudon County Deputy Lucian Kent said that Lee Congleton, a Knoxville businessman, who is building the palatial home for himself, reported that someone entered the home through the front windows sometime between 1:30 p.m. Saturday and 11:30 a.m. Sunday when the theft was reported.

Two of the rugs, 10 by 11 and

10 x 12 feet were valued at \$7,000. They were described as Tabriz oriental rugs of rust color and blue diamond center. Seven oriental runners valued at \$6,870 were also taken.

Deputy Kent said that tire tracks left at the scene indicated that the thieves were in a three-quarter ton van. He said the tire design is similar to those used on that type of vehicle.

Jenkins Leads Union Head

Local Lodge No. 2544 of the International Association of Machinists and Aero Space Workers AFL-CIO employees of Union Carbide elected officials and committee members by secret ballot Thursday, May 30, at Nichols School, Lenoir City.

Officers elected were Roy (Shine) Jenkins, president; Maxine Parker, vice-president; Robert McCurry, Financial Secretary-treasurer; Kate Kirkland, Recording secretary; Dickie Willis, Conductor Sentinel; Trustees: Ralph Ingram, Curtis McNabb and James (Dobbin) Cannon. Committee members elected were Jimmy J. Snyder, Glen Eller, Floyd Williams, June Atkins and Chief Steward, John Collins.

Eldridge Leads Snodgrass Effort

Stan Snodgrass, a candidate for the Democratic nomination for governor, has appointed an Oak Ridge National Laboratory technician to head up his campaign in Loudon County.

Bart Eldridge, 43, is also a farmer and contractor.

"I feel Stan Snodgrass would be the best man to win in November, as we said four years ago," Eldridge said. "He is a man of extreme honesty and is straight-forward with his fellow man. He will fulfill his promises to Loudon County."

Eldridge has been involved in Democratic Party affairs for many years. He managed the Snodgrass campaign in Loudon County four years ago. Also, he has been instrumental in the campaigns of former Governors Buford Ellington and Frank Clement. Additionally, Eldridge worked in the campaign for John Jay Hooker in the 1970 general election.

Eldridge is married to the former Barbara Bye of Knoxville. He was born in Lenoir City and has lived there all his life. He is an active member of the Knoxville Elks Lodge 160, a member of the East Tennessee Health-Physical Society, and a member of the Loudon County Livestock Association. He is a former member of the Eaton Nuban Club. He is a member of the Central Methodist Church.

Eldridge begins his new duties as Loudon County Chairman for the Snodgrass Campaign immediately.

Squires Set Budget Hearing For June 18

It took 30 minutes to read the minutes of the previous meeting and then just 10 more minutes to complete a short business session of Loudon County Monday night. The court adjourned until 7 p.m. Tuesday, June 18.

Squires James Hartsook, Judge Pro-Tem of the court, presided in the absence of Judge Harvey Spross, who is in Virginia at a two week Army Reserve summer camp.

At the June 18 meeting the court will take up the lengthy agenda and will also hold a public hearing on the proposed 1974-75 county operations budget. The proposed budget will be published in this newspaper next week.

George Mays, a resident of the Hotchkiss Valley area in the fifth district, appeared before the court concerning a fence and gate being placed over a section of Old Hotchkiss Valley Road by another resident of the area. He explained that the old section of the road is not used as it once was because a portion of the road was relocated due to the construction of I-75. Mr. Mays said he works a farm which had 24 acres of land cut off from the main farm by the interstate and he has to travel the road in question to get to the Sugar Limb interchange to get to the property. This, he said, requires he travel the road that has been blocked by a fence and locked gate.

Judge Hartsook refers to Road Commissioner Lee Malone who said he thought the property owners had agreed on the fence and all had keys to the gate lock. Mr. Mays said he did not agree to this and did not want the road closed. Hartsook said only the county court had the authority to close the road and legally the road was open and if necessary Mr. Mays could take a bulldozer and remove the gate.

Commissioner Malone said he would talk to the man who installed the gate and ask him to remove it.

After there was no objection to the rezoning of a section of property near Corinth Church at a public hearing just prior to the court meeting, a resolution was passed to approve the rezoning. The property in question, owned by Ruth Smith, is along Steeple Creek Road and was rezoned from Rural Residential to Suburban Residential.

The final action of the brief meeting was the election of three Notary of the Public. They are Ben Barger, Susie Allen and Nancy Gibson.

HOME GUTTED—This photo shows the living room of the home of Mr. and Mrs. John Parris Sunday morning after a fire gutted the two-story frame home in Lenoir City. Fire virtually destroyed the structure. The Parris' were in Nashville at the time and almost nothing was saved. Parris is Captain of the Loudon County Rescue Squad and owner of Parris Motor Company in Lenoir City.

Fire Destroys Home Of Rescue Squad Captain

Lenoir City volunteer firemen battled a fire at the John Parris residence on East First Avenue for nearly two hours last Sunday morning.

Firemen attempting to get inside to search the house were rebuffed by smoke and heat. The family was in Nashville.

The fire apparently started in wiring near the base of the stairs in the living room.

It spread upstairs, flaring up in several different places.

Firemen were on the job from about 2 a.m. until nearly 4 a.m.

The squad was called out again when fire broke out in the living room of the house about 5 a.m.

The fire initially climbed up the staircase into bedrooms and into the attic.

Gary Atkins and Dave Houston reported seeing smoke about 1:45 as they were traveling down Broadway near Al's Drive-In. The two circled by the house, saw one fighting the blaze and reported the fire.

Parris said this week he thinks the house will have to be torn down because of inside damage.

Fagg Claims Charges Are Trumped Up

Declaring felonious assault charges against him are "trumped up," Loudon County independent candidate for sheriff Ronnie Fagg said Monday his Federal Court petition in which he claims a violation of civil rights is "purely for publicity."

Fagg was scheduled for trial in Loudon County Criminal

Democrats Certify Two More Local Candidates

The Executive Committee of the Loudon County Democratic Party certified the candidacies of Lewis (Deacon) McNabb for Road Commissioner over David M. Naaburn, Beals Chapel Road.

The committee also endorsed the bid for re-election by Fourth Judicial Circuit Court Judge Willard Kiltrell, J.C. Almon of Philadelphia was approved to fill a vacancy from the Fourth District on the Executive Committee and Rayburn Allen of Lenoir City was appointed from the Second District.

The meeting, scheduled for 7:30, was delayed for over an hour for lack of a quorum.

Watergate To Strengthen GOP, Lawyer Says

"The Watergate scandal will make the Republican Party stronger bring out stronger and better

GOP SPEAKER—Fred Thompson, minority counsel for the Senate Watergate Investigation, is shown speaking at the Republican Women's Fund Raising dinner at Lenoir City last Saturday night.

FOR WINSTON—Bo Carey of Loudon, Nat Winston's East Tennessee Youth Coordinator, represented the gubernatorial candidate Saturday night at the GOP dinner.

Republican candidates than ever before," Fred Thompson, Minority Counsel for the Watergate investigation, told the 250 persons attending the Loudon County Republican fund raising dinner Saturday night Lenoir City High School.

Thompson, a tall, imposing man, told his audience that he would compare scandals with the Democrats any day of the week and in doing so would be even more proud to be a Republican. He mentioned the Billy Sol Estes, Bobby Baker, 1960 Presidential election frauds and others, which he said were as bad or worse than Watergate, but that were pushed under the table by the Democrats and the liberal press.

He said that voters today measure the candidate by not what political party he is a member of, but by his personal character and ability. For these reasons, Mr. Thompson does not think that Watergate will hurt the Republican party in the state and national elections nearly as much as many media "mouthpieces" are saying.

In defending the Republican administration he points to the end of the Vietnam War, the end of campus riots and protests across the nation and the general turn of the electorate toward electing stronger men to office. He said that this country has no worry about its government because the people of the country have always expressed good judgement in electing better people if the people in office are not doing the job they should.

Mr. Thompson was introduced by Mrs. Johnnie Myers, President of the

LC Man Killed When Trucks Collide On 11

A Lenoir City man, Cecil E. Bolt, 51, was killed about 10 p.m. Thursday when the pickup truck he was driving collided with a tractor trailer truck on U.S. 11 at the Browder Hollow Road intersection next to West Broadway Baptist Church.

State Trooper Joe Littleton said that Mr. Bolt, a resident of Rt. 3, Lenoir City, apparently pulled out of Browder Hollow Road, crossed the center line in an attempt to turn South on 11, right into the path of the northbound tractor-trailer driven by Phillip Wayne Mitchell, 24, of Jackson, Miss. Mitchell was not injured.

Sheriff Freeman Russell, one of the first persons on the scene, said that Bolt was trapped in the truck. The force

of the impact almost tore the front of the pickup away from the truck. The top of the pickup was crushed down around Mr. Bolt. Fuel tanks on the big truck ruptured further adding to the danger.

The Loudon County Rescue Squad was called to wash the high-way free of the fuel.

Wreckers and Rescue Squad equipment were used to pull the roof of the pickup away from Bolt to allow Ambulance attendants to remove him from the wreckage. This took about 40 minutes. Trooper Littleton said.

Bolt was pronounced dead on arrival at Loudon County Memorial Hospital. He was said to have sustained a broken neck, severe head injuries, broken legs and internal injuries.

Funeral services for the victim were held Sunday at Henstley Chapel Primitive Baptist Church with Rev. Fred Greene and Rev. Tom Shillings officiating.

Mr. Bolt, a World War II veteran, is survived by six daughters, Sharon Bolt, Nashville, Mrs. Donna Aikens, Knoxville, Mrs. Margaret Scay, Dorothy Bolt, Gail Bolt, Mary Ann Bolt, all of Lenoir City; son, Kenneth Eugene Bolt, Lenoir City; mother, Dorothy Bolt, Lenoir City; four sisters, Mrs. Geneva Jenkins, Indiana, Mrs. Juanita Johnson, Cleveland, Mrs. Elizabeth Pruitt, Mrs. Erma Mincey, Lenoir City; Jo Bolt Jr., Indiana, Estel and J.C. Bolt of Lenoir City and two grandchildren.

DRIVER IS KILLED—Cecil Eugene Bolt, 51, of Lenoir City, was killed when his pickup truck, above, collided with a tractor-trailer truck on U.S. 11 at the Browder Hollow Road intersection near Lenoir City about 10 p.m. Thursday.

Republican gubernatorial nomination candidates Lamar Alexander and Dorth Oldham

present. Dr. Nat Winston, the third GOP candidate, (Continued on page 6)

GOP GUBERNATORIAL CANDIDATE—Lamar Alexander stops at the table of Mr. and Mrs. William H. Russell and Mr. and Mrs. Broady Harrison during the GOP dinner last Saturday night.

DORTH OLDHAM stops to shake hands with some of those attending the Republican Fund Raising Dinner Saturday night at Lenoir City. Mr. Oldham is seeking the Republican nomination for Governor.

SNODGRASS VISITS SATURDAY—Democratic gubernatorial nomination candidate of Stan Snodgrass, who was in Loudon County last Saturday, is shown shaking the hand of Winfrey and Ed McCowan on Sat.

JUN 6 1974

Loudon County Herald For and about Women

Shubert-Glass Vows Said

Mrs. Jo Ann Shubert and James O. (Buster) Glass were united in marriage May 25 at the Bon Street Primitive Baptist Church Lenoir City in a double ring ceremony performed by Elder Charles Taylor.

The bride is the daughter of Mrs. Ruth Self of Lenoir City and the late William Lyle Self. Parents of the groom are Mr. and Mrs. Dave Glass of Loudon.

Mrs. J. D. Guider of Loudon served as Matron of Honor and William Bruce Self, brother of the bride, was best man.

A reception was held at the home of the bride's mother on Martel Road following the ceremony. Assisting in serving were Mrs. Peggy Dyer of Madisonville and Mrs. W. B. Self of Lenoir City.

After a trip to North Carolina, the couple are making their home in Madisonville.

Both the bride and groom are employed at Maremont, Loudon.

Personal Mention

MRS. ERNIE LUNSFORD
Phone 458-2681

Bonnie Talk

BONNIE SHEELEY
Assistant Extension Agent
Agricultural Extension Service
The University of Tennessee

June is Dairy Month. Milk's importance in the human diet has been recognized since prehistoric times. American settlers moving West found the dairy cow was a mobile food factory. Since that time, dairying has become a highly technical, mechanized industry. During June, dairy farmers usually reach their peak in production. It's a good month to buy and try new dairy products. To promote increased interest in new or different dairy food recipes, the American Dairy Association sponsors a recipe contest each year. Hopefully this leads to greater consumption of milk and other dairy foods. The five winning dairy recipes will be published during the month of June. The winners included: First, Mrs. Ida Kate Cusick, Lee Heights Home Demonstration Club; Second, Mrs. Jewell Thomas, Eatons Home Demonstration Club; Third, Mrs. Glenda Arrp, Loudon-Corinth Home Demonstration Club; Fourth, Mrs. Catherine Siler, Loudon Home Demonstration Club; and Fifth, Mrs. Helen Williams, Lenoir City Home Demonstration Club.

The first place recipe by Mrs. Ida Kate Cusick was entered in the District Dairy Recipe Contest.

ICE CREAM SANDWICHES OR FROZEN CHEESE CAKE

Blend in blender.
4 ounces cottage cheese, cream style
3 ounces cream cheese, softened
Add and blend well.
1/2 cup sugar
2 egg yolks
2 egg whites, stiffly beaten
Four mixture from blender into a mixing bowl.
Fold in.
1 cup whipping cream, whipped

Line a 9" x 13" pan with whole graham crackers. Spoon in cheese mixture. Top with more graham crackers. Freeze 4 or 5 hours. Cut into squares and serve.

COMMENTS: A mixer may be used if a blender is unavailable; it will just take a little longer.

The Second Place Recipe is for Cheesy Chowder entered by Mrs. Jewell Thomas.

CHEESY CHOWDER

1 cup chopped potatoes
1/2 cup chopped carrots
1/2 cup chopped celery
1/2 cup chopped onion
1/2 cup chopped green pepper
4 tablespoons butter or margarine
3 cups chicken broth
Dash white pepper—1/8 teaspoon
2 cups milk
1/2 cup all-purpose flour
3 cups (12 oz.) shredded sharp process American Cheese
1 tablespoon snipped parsley
In Dutch oven, cook potatoes, carrots, celery, onion and green pepper in butter or margarine until tender but not brown; add chicken broth and pepper. Cover and simmer 30 minutes. Blend together milk and flour; add cheese and parsley. Stir into chowder. Cook and stir till thickened and bubbly. Makes 7 to 8 servings.
COMMENTS: A full-bodied vegetable soup that makes the entire meal.

TO GIVE DEMONSTRATIONS—Home Demonstration Club Foods-Nutrition Leaders will be giving demonstrations on food additives at the June Home Demonstration Club meetings. Plan to attend. Above, Mrs. Clyde Wesson, Mrs. Jeanette Martin and Mrs. Anna White are shown preparing for the event.

REPOUSSE WORKSHOP—Mrs. Ben Alford, Mrs. Jesse Gambil and Mrs. G.L. Hall work on their Repousse pictures at the workshop. Twenty-three Loudon County women attended the workshop held at the Loudon County Rescue Squad Building.

New Shipment of Summer Fabrics
PAULINE'S CLOTH SHOP
Loudon

We're expecting a few extra people for dinner tonight.

Tonight, the world will have 213,000 more mouths to feed than it had last night. Unfortunately, we're not growing food as fast as people. But there's still hope of reversing the trend.

Modern technology is increasing the production of staple food crops in many countries. This "green revolution" is something Union Carbide is very much a part of. We make insecticides that not only save food crops from bugs, but destroy themselves afterwards. Another of our products protects high-moisture feed grains against spoilage from molds. So more of the crop ends up as meat. We've also developed better ways to store, transport and package food.

And we're working on other new ideas: A seed tape that's already helping farmers grow more food per acre of land. An amazing gel that helps plants grow faster with less water. And a sea farm where we're raising salmon by the thousands. Helping the world grow more food is not the only thing we do. But it's one of the most important. Because those 213,000 guests are coming — whether we're ready or not.

UNION CARBIDE

Today, something we do will touch your life.

ANOTHER BIG SUCCESS—This exhibit of Mrs. Lillie Bridges of Loudon was one of about 200 at the 12th annual Arts and Crafts Festival at Lenoir City Sunday. Originally scheduled for Saturday but postponed by rainfall, the event still drew a crowd estimated at between 15,000 and 20,000. More pictures are elsewhere in this issue.

Harrison Is Honor Grad

Harrison of 718 Lakeview Drive, graduated with honors from The Asheville School on June 1st. Harrison was one of eighteen students in a class of thirty-nine to achieve honors.

Mark H. Harrison, the son of Dr. and Mrs. Samuel A. Harrison had previously attended Webb School in Knoxville prior to enrolling at Asheville, a residential college preparatory school. In this year's School play, "You Can't Take It With You," Harrison played the part of Boris Kolenkhov. He played this role so well that he up-staged the other leading actors and actresses. He also acted in a motion picture produced by a group of students and faculty. Harrison was a member of the choir, as well as the Art and Music Societies.

Next year he will attend the University of Tennessee.

Will there be enough electricity?
You decide

It depends on you and how efficiently you use electricity.

Will you waste it?
Or will you conserve it? . . . by insulating your home . . . by flipping off unneeded lights and appliances . . . by washing clothes and dishes no more than necessary . . . by having your home no warmer than 68 degrees and no cooler than 78 degrees.

We have a free booklet listing dozens of other ways to conserve electricity.

Apply the tips in the booklet. Conserve electric power. Then there should be enough for everybody. But waste it and there could be none at all. You decide.

SOMETHING TO REMEMBER
Using electricity efficiently benefits everyone:
1. helps ease the energy crunch
2. less fuel is burned to generate power
3. environmental effects are lessened
4. you save money on your electric bill

MR. PARDUE
Wilson H. Pardue, age 80, formerly of Travers Travers, Fla., of Lenoir City, died Thursday, May 30. He is survived by several nieces and nephews.
Services and interment were held Sunday in Lenoir City Cemetery, Click's, Lenoir City, in charge.

So easy to explain-when you own cemetery property at

It's so easy to explain a cemetery to children when they think of it as a pleasant, cheerful park. Our Memorial Park is "pretty" to children; it is beautiful and peaceful to grownups.
It is so completely different from old fashioned cemeteries that it makes the decision to buy memorial property in advance of need an easy one. One visit will convince you that a cemetery can be an attractive place. At our Memorial Park, handsome sculpture, sunny lawns and shady trees are pleasing to all ages. Distinctive bronze memorials, set level with the well kept lawn, make a beautiful, cheerful place to visit.
Many young families today are buying our Family Sites. They like the security that before-need ownership of cemetery property brings. They've seen what happens to families who neglect to plan in advance - they know their family will never have to experience such distress and financial worry.
We urge you to investigate our Memorial Park for yourself. You will be pleased at the beautiful grounds, convenient location, and the very reasonable prices. Our modest Monthly Payment Plan is designed to fit each family's needs. To receive full information, simply stop by our office or call 986-8220.

We invite you to see our bronze memorials by Gorham, Master craftsmen in Silver and Bronze

INDUSTRIAL leaders in Loudon County were honored at a banquet at Deane Hill Country Club in Knoxville Tuesday night to climax Industrial Appreciation week in Loudon County. In the photos here some of the crowd of 100 that attended are shown. Bart Iddins, master of ceremonies for the banquet is shown welcoming the industrialists to the dinner.

Robinson To Be Missionary

The Rev. Carl Robinson, pastor of Tabernacle Baptist Church on Browder Road, has resigned and is making plans to go to Haiti as a missionary.

Robinson, a graduate of Tabernacle Baptist Bible Institute in Greenville, S.C., will be associated with Berea Bible Institute, Inc., with headquarters in Birmingham, Ala.

For several years he has directed and moderated "Testimony Time," "From the Pulpit," and "Tabernacle Time" radio programs on Lenoir City station WLLI. "I want to express my appreciation to everyone who has made 'Testimony Time' possible for the past three and a half years," he said.

"Especially to the sponsors and to radio station WLLI." From the beginning of his ministry, Robinson said, he has had a keen interest in mission work. While serving as pastor of Bible Baptist Church on Martel Road, he pointed out, the church's mission endeavors grew from three to 12. He subsequently became pastor of Tabernacle Baptist Church and the church has taken on the support of 12 mission works.

The need in Haiti, he said, "is for Gospel preaching, a children's home and a school. The minister is visiting in Haiti once a month now, he said, but as soon as he is able to develop a strong enough base of support, he will be able to move his family there and take on the work full-time.

Watergate To Strengthen Lawyer Says

(Continued from page 1)

was represented by his East Tennessee Youth Coordinator Bo Carey, son of Mr. and Mrs. Hamill Carey of Loudon. Mr. Alexander called on Loudon Countians to help nominate an East Tennessean for the Governor's office saying he will conduct himself in a way the people will be proud. He complimented himself and the other two candidates for their stand on disclosure of campaign finances.

Mr. Oldham pledged that he feels his business background will give him full qualifications to operate the business of the state on an efficient and effective manner and he would hope that the voters would look at the qualifications and background of the candidates and select him as their nominee.

Fagg Claims Charges Are Trumped Up

(Continued from page 1)
Court last Friday, charged with the alleged beating of Billy M. Yann in February. However, he filed a petition to Federal District Court claiming his rights "will be inevitably denied by the very act of bringing plaintiff to trial in the Circuit Court of Loudon County."
As a result the Loudon County trial was postponed until Judge Robert L. Taylor of the Federal District Court in Knoxville rules on the petition.
In an interview Monday, Fagg admitted that the Federal Court petition is "a tactic" and in the next breath he railed against the felonious assault charge, quoting from his Federal Court petition that "there is no specific charge of felonious assault within the

statutes of the State of Tennessee."
Asked about the political wisdom of his move, Fagg cited a statement frequently attributed to Gae Walker, "as long as people are talking about me, it doesn't matter whether it is bad or good."
Fagg repeatedly expressed a desire for "free publicity," yet his petition to Federal Court claims his Sixth Amendment right to a fair trial has been "denied by pre-trial publicity" and the fact that the candidate is in a "hotly contested" sheriff's race.
Fagg also contends that in his race for sheriff he is being openly supported by many blacks in the county.
Talking to a reporter here Monday, he pointedly accused "Loudon County officials" of corruption and graft, but he admitted he could not "legally prove" specific charges because "people who know about these things are afraid to testify."
Pressed to be explicit about the corruption charges, Fagg shrugged his shoulders, smiled, and said nothing. Fagg said the charges

against him are "purely political" because of his knowledge of "ungamed corrupt county officials" and "his race for the sheriff's post."
His petition to Federal Court contends the "atmosphere of hostility generated against him by the general demeanor of certain officials of Loudon County" will keep him from receiving "a fair trial at this particular time or in the near future."
The petition also claims his rights against self-incrimination and right of due process of law under the Fifth Amendment are being denied, but he would not say what specific actions violated those rights.
He said several times, exhibiting obvious pride, that "nothing like this has ever been done in Loudon County before. I just want to point out the ways a man can stall and delay."
Fagg exhibited a letter from his attorney, H. Wallace Maroney of Memphis. The letter emphatically instructed him not to reveal the tactics being used in the case, because they are "unusual to

We had an answer to the gas problem long before there was a gas problem.

14 years ago, when we put our first Valiant on display, it got a lot of attention. Since then, 2.3 million Valiants have been sold. So we figure we've been doing something right. And naturally, Valiant's good gas mileage is part of it. Stop in today and we'll show you plenty of other reasons.

See us for eight great small car buys.

**Speaking
of Sports**

By **DANNY GIBSON**
Sports Editor

Football fatalities are rare in ratio to the thousands who play the game. That's why, say two educator-researchers, the broad range of football injuries has been neglected. The inference is that we are sort of blasé about anything short of death on the gridiron.

That's also why the two professors—Dr. Carl S. Blyth and Dr. Frederick O. Mueller, both of the University of North Carolina—embarked on a four-year study of football injury at the high school level. After one-year pilot study, they surveyed 43 schools over a four-year period, and examined 8,776 athletes and 4,287 injuries.

The study, findings of which just have been released, convinced them that much more research is needed on every level.

"There is relatively little data available on the extent of the problem of football injuries, or other sports injuries, particularly at the high school level and below. The incidence of fatal injuries directly associated with high school football has been estimated at less than two per 100,000 participants annually. Unfortunately, this low mortality rate, certainly more apparent than real, has tended to divert attention from football and other athletic injuries as a significant problem."

Professors Blyth and Mueller and their aids conducted this survey primarily by direct interviews, rather than by reports sent to them by the 43 schools. The report covers 250 typewritten pages, ending with a series of recommendations.

The two professors discovered that 48 percent of the 8,776 football players were injured during their four-year study. The survey, by the way, was funded by the federal government.

Pertinent findings included:
1. Most common injuries are sprains, contusions, fractures, concussions and lacerations.

2. A greater frequency of fractures, contusions and lacerations were found than reported in the past.

3. The knee is most vulnerable, ankle next. Nineteen percent of the injuries concern the knee.

4. About 35 percent of the injured were disabled for seven days or more.

5. Injuries were most frequent in the lower classification of high schools, enrollment up to 500.

6. More injuries occurred in September than any other month.

7. Fifty-one percent of all injuries occurred in practice.

8. More game injuries occurred in the second quarter than in any other period.

9. Four percent of those injured did not receive treatment until at least four days after incurring the injury.

10. Eighteen-year-olds had the highest injury rate. There is a distinct link between age and injury. The risk of injury increases with age.

11. No differences were found between blacks and whites in the frequency of injury.

12. Varsity level players are injured more frequently than junior varsity players.

13. Experienced players are more likely to be injured than the less experienced.

14. Athletes with a history of injury sustain injury much more frequently than do athletes having no such history.

What is the most dangerous football activity? This study pin-pointed tackling drills. One-third of all injuries come on

MORNING YOUTH INSTRUCTORS—The morning youth recreation program this summer in Loudon is being handled by a group of young people. From left to right: Coach Hugh Watson, Mrs. Sue Watson, Larry Bridges, and Coach Dewayne

Arp. The morning program is being conducted at three sites, the Lion's Club Park, the Junior High, and Legion Field, from 9 a.m. until noon for boys and girls through senior in high school.

Hall Oil Company Makes Softball Leaders Take Notice

The Hall Oil Company softball team may very well be the team to be wary of by the time tournament time arrives next month. The youthful diamond crew who were doormats last season have become the most respected and exciting team in the league this summer. Although their record of 4-6 is no better than a fourth place in the current standings the Hall Oil Company team is no push over. In last week's action the Hamilton Bank had to come from behind to notch a 6-5 win over Hall Oil Company. Jim Curtis getting his lone hit of the game for the Hamilton Bank accounted for the tying and winning runs. Buck Kirkland sparked the Hamilton bank with three hits a double and two singles while Danny Watkins also contributed a pair of singles to the win.

Archie Holt and Harold Brookshire accounted for two hits each for Hall Oil Company. Hall Oil Company now has dropped one extra inning game and a one run decision to the two bank teams: the Bank

of Loudon County and the Hamilton Bank respectively. Lonnie Hawkins, Nancy Hampton, and Bill Blair led the Bank of Loudon County over Union Carbide in a slugfest 21-15. Hawkins had five hits for the Bank of LC all singles. Hampton not out hits, two home runs and two doubles while Blair had a home run, double and single.

David Moats, David Birkholz, and Gary Lorenz led Union Carbide with three hits each. Birkholz and Lorenz supplied the long hits with Birkholz blasting two home runs and Lorenz getting one. Jim Curtis blasted a double and three singles and Bill Lennox added a double and two singles in powering the Hamilton Bank by Maremont No. 2, 15-6. Maremont was led by Ricky Dixon with three hits and two hits each by Tom Godsey, Brad Brewster, and

Mike York. The Loudon Merchants got three hits from Hongie Starritt, Doug Ballard, and Harold McCollister in downing Maremont No. 2, 17-9. Starritt hits included a home run while McCollister had a triple.

Maremont got three hits out of Ricky Dixon, Sam and Donnie Thearp in loss. Hall Oil Company edged by Union Carbide 9-7 on the strong hitting of Harold Brookshire, John Ratledge, and Marlon Brown. All three had three hits each in the game. Union Carbide was led by the home run hitting of David Birkholz and two hits on the part of Gary Gibson. The Loudon Merchants ended the week with a convincing 22 hit assault on the Hamilton Bank in pouncing out a 15-5 victory. Ted Sitzer, Ronnie Starritt, Wayne Pool, Bobby Russell, and Dickie

Blankenship all contributed three hits each to the Merchant attack. Buck Kirkland, Dan Cantler, Jim Curtis, and Gene Ratledge all had two safeties for the Hamilton Bank.

McCarry Sharp For Cardinals

The Cardinals of the 13-15 year old Loudon Babe Ruth League got a no-hit pitching performance from righthander Ricky McCarry in stopping the Orioles 12-1 in Thursday night baseball play. The Cardinals had a host of batting stars in the game with Freddie Starritt, Ricky McCarry and Conway Tuck collecting two hits each to spark the win.

Archer And Cobb Take 15 Point City Golf Lead

Richard Archer and John Cobb added nine team points to their Loudon City Golf point totals and have taken a 15 point lead in the 25 team standings. A three way tie for second place finds Harrison Henry and Harold Grimes, Ted Lomax and Inky Swiney, and Dennis Townsend and Ralph Stalcup all even with 73 team points to date. Larry and Lynn Millsaps

are in third place with 71 team points and Jack Ferguson and Glen McNabb are in fourth position with a total of 70. The low net team score of the week was shared by the teams of David Hamill and Tom Lambert and Ed Arnold and Paul Brakebill with rounds of 71 each. Jack Hodge captured the low net individual honors with a score of 31 during the week.

Pirates, Reds Win In Thursday Night Baseball

The Loudon Dixie Youth baseball season got under way Thursday night with a double header on tap. In the first game of the night the Pirates slipped by the Reds in a slugfest by a score of 14-11. In the night cap the Reds came back to trip the Athletics 7-6 in a see-saw game of much excitement.

In the opening game the Pirates were led by Jimmy Russell. Young Russell pounded out four hits, going the circuit in batting with a home run, triple, double and single. The hitting exhibition was answered only by the Reds Eddie Clark, who had a pair of base hits in the first game.

IT'S A HIT—A Loudoun youth strikes the ball from the Tee in Tee League action in Loudoun's summer baseball program. The nightly baseball activities underway at both the High School's new baseball field and at Loudoun's Legion Field has reduced their admission rates to 25 cents for adults and 15 cents for students.

Lefler To Be Instructor At Sewanee Hoop Camp

The fourth Sewanee Basketball Camp will begin its 1974 sessions June 16-22, with Mac Petty, head basketball coach at the University of the South, as director. The camp is for boys ages 8 through high school who want to learn more about basketball and sharpen their athletic skills.

Other sessions will be July 14-20 and July 21-27. Campers may attend one or all sessions.

On the staff are David Tate, head basketball coach at St. Andrew's School, who led the Saints to a 19-5 season, this year; Lee Fowler of Vanderbilt's SEC Championship team; Jack Lefler, former Loudoun High School basketball standout and Sewanee hoop captain who led the Tigers in assists for the past three years before graduating this past season; and Mike Pratt, a former University of Kentucky basketball star who played two years with the Kentucky Colonels of the ABA. Other top high school coaches and college players will be included on the staff.

WILL ASSIST IN SEWANEE CAMP—Jack Lefler of Loudoun will be a member of this year's University of the South Summer Recreation Camp counselors and instructors.

Girls' Morning Rec Schedule Announced

Mrs. Sue Watson has announced a morning recreation schedule for the summer for girls participating in the youth program. The following schedule is offered to girls only and will be at the Loudoun Junior High School.

Monday, June 3 - Friday, June 14: An instructional mini tennis course.

Monday, June 17 - Friday, June 21: Girls tennis tournament.

Monday, June 24 - Friday, July 12: Basketball fundamentals.

—Two tournaments of one on one basketball and free throw shooting.

—Younger girls will participate in a hopscotch tournament and rope jumping tournament.

Monday, July 15 - Friday, July 26: Relay activities and tournament competition.

Monday, July 29 - Friday, August 9: Ball activities such as four square, kick ball, volleyball, badminton and other novelty ball activities.

—A tournament will be in each activity.

Monday, August 12 - Friday, August 23: Games of lower organization such as creative activities and rhythm games.

—Each tournament will be grouped according to age.

—Certificates will be issued to first, second and third place winners.

—Each girl must furnish her own tennis racket in the tennis course.

The morning recreation youth program begins at 9 a.m. and continues until noon Monday through Friday during summer vacation.

Union Carbide Golf Lead Is Shared Again

The Union Carbide Golf lead is again being shared. Eldon White and Dick Rosenbaum, last week's leaders, find themselves in a deadlock with Charlie Helms and Jack Delaney with 89 team points each to date.

Carlos Evans and Nat Campbell are up to second place only three team points off the lead and Henry Julian and Spencer Watkins continue to move up as they now have 75 team points and a third place slot.

Herbert Hodge's 36 proved to be the low net individual score of the week for medalists honors.

Jack Miller and Jim Cardwell and Henry Julian and Spencer Watkins tied for the best team effort of the week with rounds of 78 each.

act to all parts of the country, will be back at Atomic on June 15. He'll drive a car into a 3000-pound block of ice at more than 50 miles per hour.

Leading sportsman drivers to be on hand this week include Maynardville's Bill and Melvin Corum, Leroy Vann of Oak Ridge, Zeke Buchanan of Maryville, Ken Phillips of Loudoun, and Knoxvilleans M.C. Kerr, Herman Goddard, H.E. Vineyard and Herman Goddard.

Sportsman drivers are now

at the dining hall. They will be able to use other University of the South athletic and recreational facilities such as lakes, tennis courts, bowling alley and swimming pool.

Prospective campers should apply at once to Coach Mac Petty at the University of the South, Sewanee, Tenn. 37376, giving age, height and weight, school, and which session they want to attend. Boarding tuition is \$95 of which \$30 is payable with the application. Reduced rates are in effect for day campers, and group rates are available.

Already 21 campers have returned applications from Loudoun for the enjoyable camp. Some 18 young men attended Coach Petty's camp last summer from Loudoun.

TEE LEAGUE ACTION UNDERWAY—Loudoun Recreation aid and umpire Jerry Foster is seen giving a helping hand with the Tee League games at the New Baseball Park now located beside the High School.

OUR HOUSE PAINT STANDS UP TO THE BEST OF THEM!

TRU-TEST IS GOOD PAINT

Lift the lid. See for yourself. With the very first brushful, you'll like its easy-working qualities and extra hiding power. That's because Tru-Test Supreme Latex is a unique formula of acrylic latex and chemically treated oil in a water emulsion form. It goes on as easy as latex paint, yet resists weather, smog, stains and blistering. It dries bug-free in minutes. Contains Titanium pigments...the whitest, brightest known. Choose Pure White or 24 Jamestown Colors.

GREER'S

Tru-Test Paints sold exclusively by True Value Hardware Dealers who own their own paint factories.

BOMBER RACERS RETURN TO ATOMIC RACEWAY

Late model sportsman and bomber division drivers return to the spotlight Saturday night at Atomic Speedway.

Rain washed out last Saturday's program at the third-mile track along with the stunt act of Ron (Crash) Wilson.

Saturday's racing menu gets under way at 7:45 with time trials for the sportsman cars. The first of four heats and a semi-feature are on tap with a 40-lap main event.

Bomber cars will be battling in a 15-lap event and a demolition derby will follow. Adult tickets are \$3 and \$2.50. Children under 12 are admitted free.

JUN 6 1974

PRACTICE TIME—Mr. Wayne Watson, owner of Fort Loudoun Tractor Company in Loudon, sends his team through a brisk workout and batting drill in Loudon's

Dixie Youth Baseball Program. Mr. Watson coaches the Athletics.

Giants, Tigers Are Senior BR Winners

It was the Giants over the Reds 9-4, and the Tigers trimming the Expos 6-3 in Loudon's 18-year old Senior Babe Ruth baseball play last week.

The games were the first of the season for all four teams. Jim Brown cracked two dingles and a double to spark the Giants' win. Greg Deatrice had a pair of singles for the Reds who managed but four hits in the game off of Giant pitching. The Giants lashed out eight base knocks.

Douly Chambers and Mike Lambert each hammered out doubles to open the way for the Tigers to get past the Expos. Darrell Tuck led the Expo hitting with a double and a single out of just four hits collected by each team.

State Boat Safety Board Picks Mooney

George P. Mooney, Knoxville radio executive and boating enthusiast, has been elected chairman of the State Boating Safety Advisory Board.

Mooney was picked Saturday at the board's meeting at Hyatt Regency, George Freeman, Dickson, was named vice chairman.

Mooney has been on the board, which advises the Wildlife Resources Agency on boating affairs, since 1969. He succeeds Dr. J. J. Range of Johnson City.

The board took under advisement a request by M. L. Moore, C. W. Buttner and W. L. Lovelace of Loudon for no-wake zoning in Watts Bar Lake's Hines Creek area. Boating safety coordinators also briefed the board about plans for summer instruction of teachers who will conduct safety programs in schools next fall.

Adcox Gets Prison Term For Larceny

One case was postponed when the defendant suffered a seizure and one was postponed until claims of civil rights violations can be heard in federal court last week in Criminal Court at Loudon.

Dennis Rasar had the seizure during his trial on drug charges. Independent Sheriff candidate Ronnie Fagg filed the petition with federal court charging his constitutional rights have been violated. That case has tentatively been reset for June 13.

Area Drivers In Spring Nationals

Drivers from Kingston, Englewood, Greeneville and Maynardville will be among East Tennesseans battling for money, trophies and prestige in the annual Spring Nationals June 14-16 at Bristol International Dragway.

Jim Gonzales of Kingston has entered a Chevrolet in modified stock, Gary Bruner of Maynardville and Johnny McGrew of Englewood are to drive Chevrolets in stock classes, and Roy Johnson of Greeneville has a Dodge ready for formula stock competition.

The Spring Nationals, sanctioned by the International Hot Rod Association, are expected to be the biggest ever. Fans are able to save on gasoline if it is bought before the event opens, tickets cost \$4 (Friday) and \$8 (Saturday and Sunday). Prizes will be \$9 the last two days on tickets at the gate. A three-day ticket is on sale for \$15-a savings of \$7.

Many other ET drivers, including Lloyd Kirschhoff of White Pine, Byron Cooper of Knoxville, Riggsby of Kingston and Irvine Brothers of Loudon, will be in the field of more than 600 cars.

Opening day will consist of time trials and record runs, qualifying and class eliminations are on tap Saturday. Finals in the professional divisions will be staged at 2 p.m. Sunday.

Meanwhile, the top Funny Car field in the history of the Spring Nationals is shaping up. Pre-entries show 21 of the fuel-burning, fiberglass-bodied fan pleasers will be battling for the 16 positions in Sunday's eliminations.

Bill Leavitt, the defending champion, Gene Snow, Shiri Greer, Ron Gelson in the Chi-Tow, Hustler, Larry Fullerton in the Trojan Horse and Ray Beadle in Don Schumacher's machine rank among the favorites to take top money.

Fishing Forecast

NORRIS LAKE—Fishing for Catfish is very good on worms. Bass fair on top water lures. Blue gill good on popping bugs. Walleye and crappie have slowed down but some are being caught.

DOUGLAS LAKE—is full and clear. Bass fair on top water lures and they are very good in areas where locust are flying. Catfish good on trotline using red worms and night crawlers.

CHEROKEE LAKE—stable. Bass are good over most of the lake. Rockfish and Hybrid are very active over most of the lake using different type lures.

WATTS BAR LAKE—Striper are being taken at night under lights using minnows. Bass are good, bluegill are showing fly rod fishermen a good time.

FORT LOUDOUN LAKE—Bass are fair, catfish good on cut up shad and red worms.

CHILHOWEE LAKE—Bass fair on spring lizards. Trout good fishing at night using corn tipped with worms.

Wats Line To Remain Available

The State Wildlife Resources Agency's Nashville communications system will remain open on weekends and holidays to facilitate communications with the boating public who request help.

From 12 p.m. messages will be relayed via a free WATS line which is available statewide. The number is 1-800-342-8406.

"We urge all dock operators and the general public to use this system if there is a need for a wildlife officer in their area," said enforcement chief Tucker Brown.

At times when the communication system is not operating, a message center will record all incoming calls.

Speaking Of Sports

(Continued from page 8)

tackling exercises of one sort or another, especially the one-on-one tackling.

Forty-one percent of the injuries occurred on defense.

The most serious injuries came from blocking and tackling in an open field.

The helmet is the "outside agent" most likely to cause injury. The helmet was involved in 12 percent of all ailments. Five percent of the injuries involved no contact at all, concerned with torsion or twisting.

The high school coach, of course, figured in the study, too. The older the coach, the less likelihood of injury among the players.

Preppers had less injury if they played for a coach who had had extensive college playing experience. Also, a coach with an advanced degree had fewer injuries on his squad.

More than half of the total concussions occurred when players were using improper tackling or blocking techniques.

Many coaches are not aware of the approved methods of giving players salt and other liquids.

This research indicates strongly many involved in school football are lax or uninformed.

They recommend physicians "limit drastically" the boys' playing football at the marginal level of physical well being.

They call for a "firm stand" on demanding safer athletic equipment.

Well-maintained fields, the use of soccer shoes, more careful supervision by game officials and less live contact in practice would reduce injuries, according to this report.

"No new rules are needed," they concluded.

"What is needed is stringent enforcement of the rules."

Red Win In DY Play

The Reds of the Loudon Dixie Youth League won their second game of the season last week at the expense of the Phillies 15-4. The Reds had to stage a big rally in coming from behind to account for the win.

Tony Lennox and Eddie Julian had two hits apiece to lead the winners. Pat Brown paced the Phillies with a couple of base knocks.

Dodgers Out Slug Braves

The Dodgers of the Loudon Babe Ruth League for 13-15 year old boys got off to a winning start this summer by defeating the Braves 9-7.

Eddie Estes led the Dodgers batting attack by hammering out a double and a single in the game.

Steve West's double was the best base knock for the Braves nine, who managed but four hits in the season opener.

Dodgers Upset By Orioles 3-2

The Loudon Orioles of the Babe Ruth 13-15 age level of baseball play slipped by the Dodgers in a upset win last week 3-2.

Jeff Purdy scored the winning run for the Orioles by stealing third base and crossing the plate when the attempted throw to third was wide of its mark. John Underwood and Doug Wallace had the big bats for the Orioles.

SNACK TIME—The Loudon Swimming Pool concession stand is a most busy place during pool hours as swimming and the sunshine seems to arouse the appetites of most every swimmer.

ATTENTION DOG OWNERS

All dogs within the City of Loudon must have a license tag. Dogs running loose or untagged will be picked up by the City animal warden. Tags may be purchased at City Hall for \$1.00. After June 15, 1974 a 50 percent penalty will be added. You must bring a veterinarian's certificate showing that the dog has been vaccinated for rabies as required by State Law.

The City of Loudon now has a strict dog control ordinance which will be enforced by the animal warden and police department.

Arts Festival Has Record Crowd

ARTS FESTIVAL SCORE BIG AGAIN—For the 12th year in a row the Loudon County Arts and Crafts Festival, sponsored by the Suburban Junior Woman's Club of Lenoir City, continued to grow in success.

Although postponed from Saturday to Sunday the event lost only a few of the 200 exhibitors. The crowd as estimated ranged between 15,000 and 20,000 people. The people came looked, looked, bought some of the items offered and ate and drank almost everything the sponsors had to offer.

Some of those attending said the quality and number of exhibits had improved each year. Parking in the Lenoir City Park at Port Loudoun dam was hard to come by and many people who did not wish to walk a half mile to the park took advantage of the free bus service.

Without doubt the largest civic event in the county, the Festival Chairman Mrs. Kenneth Dutton, expressed her appreciation to the many people who assisted the club in holding the event.

32 Loudon Countians To Get U-TK Degrees

Thirty students from Loudon County are among the approximately 3,400 candidates for degrees at the University of Tennessee, Knoxville spring quarter commencement at 9 a.m. Friday, June 7.

Mechanical Engineering: Steve Houston Russell, B.S. in Liberal Arts, and Phyllis Henry Wolfe, Master of Science.

Liberal Arts: Donald Wayne Parden and Peggy Ann Turner, Bachelor of Fine Arts; Larry Lee Raper, Master of Arts; Loren Ernst, Master of Science; Bonnie Jean Ledbetter, Master of Science in Library Science.

Gebert, and Sara Elizabeth Kirkland, B.S. in Education; Mike Stafford, B.S. in Mechanical Engineering; John Albert Curries III and Margaret Ann Rein, B.A. in Liberal Arts.

Market News Free By Telephone

BY: Charles F. McCall Extension Leader

Tennessee Farmers are now only a phone call away from up-to-the-minute futures market prices for corn, cotton, wheat, oats, soybeans, soybean oil, and soybean meal, reports Charles F. McCall, Extension Leader for Loudon County.

Interest to livestock producers, row crop farmers, feed mills, and grain buyers, says McCall. Farmers trying to decide which marketing alternative to use and when to use it should find future price trends valuable.

Rummage Sale Scheduled

The rummage sale sponsored by the Fort Loudoun Chapter of the Daughters of the American Colonists originally set for June 1 has been rescheduled due to bad weather. The new date is Saturday, June 9 in the Courthouse yard beginning at 10 a.m.

This the 4th day of June, 1974

John O. Gibson, Chairman
Loudon County Election Commission
Billy T. Brewer, Chairman
Republican Primary Board
Idus Littleton, Chairman
Democrat Primary Board

Nelson Buys Olds Dealership

Jack Nelson, 43, a native and life-long resident of Knoxville, is the new owner of the Oldsmobile-Jeep dealership in Lenoir City. Nelson recently purchased Dean-Simpson Oldsmobile and has changed the name to Jack Nelson Oldsmobile-GMC.

Since taking over the business Mr. Nelson and his staff have been busy painting and redecorating the East Broadway establishment. He plans a formal announcement and grand opening later this month.

Mr. Nelson, a 1952 graduate of the University of Tennessee-Knoxville, is on the board of directors of the Orange-Tie Club and is permanent transportation director of the Volunteer Classic (basketball tournament). He is married to the former Carolyn Sanders. They have two children, Cathy, 21, a senior at U-TK and Jack Jr. who will be entering the U-TK school of architecture.

Mr. Nelson is a Sunday School teacher at Knoxville First Baptist Church. He has been in the automobile business for 26 years, having operated his own business, been used car sales manager for Knoxville Buick, Inc., He has been awarded Buick's Royal Purple Sales Award for sales for 16 years. He is a Lt. Col. in the Army Reserves for 20 years and had two years active duty in Korea. The Nelson family plans to move to Loudon County in the fall of this year.

He announced that his staff will include Mrs. Mildred Grubb, a long-time employee of the dealership; Fred Slagle who has 28 years experience as service manager; Bill Yates and Jim Colson as mechanics; Danny Brown as utility man; Sam Shanton and Red Simpson in sales.

JACK NELSON, the new owner of the Oldsmobile dealership in Lenoir City is shown in front of the East Broadway location. He recently purchased the business formerly known as Dean-Simpson Olds. It will now be called Jack Nelson Olds-GMC.

Rev. Isaacs Gets Doctorate

Rev. Larry L. Isaacs, son of Mr. and Mrs. T. A. Isaacs, received the Doctor of Ministry Degree on May 31, 1974 from the Southeastern Baptist Theological Seminary, Wake Forest, North Carolina. Rev. Isaacs was pastor of Corinth Baptist Church and Cedar Valley Baptist Church before returning to Carson Newman College and then to Southeastern Seminary. He is presently pastor of the Green Pines Baptist Church near Raleigh, North Carolina. Rev. Isaacs also holds the A.B. degree from Carson Newman, and the M.Div. from Southeastern Seminary. He is married and has two children.

LEGAL NOTICES

NON-RESIDENT NOTICE ORDER OF PUBLICATION

NO. 1261
Kenneth Jerry Wicker vs. Sherian Lee Wicker

In the General Sessions Court of Loudon County, Tenn. at Loudon, Tennessee. It appearing from the bill in this cause, which is sworn to, that Sherian Lee Wicker resides out of the State and cannot be personally served with process, it is ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the 2nd Monday in June next, and make defense to the bill filed in the above cause, which seeks Absolute Divorce, or otherwise said bill will be taken for confessed and cause proceeded with ex parte. This the 10th day of May, 1974
Billy Joe Akins, Clerk of said Court.
Ivo W. Sanders, Solicitor for Complainant.

Community. As for our seat, we didn't know Mr. Easter as well as Lam Hardy who is the other man in the picture. As a small lad, I remember that in those days, almost every Saturday you could see Mr. Hardy with his sack of chair splints somewhere in Loudon looking for families who needed chairs for families who needed chairs bottomed. He was an expert in his line of work and possibly has bottomed chairs for almost every family in Loudon during those years. I used to like to watch him work when he would come to our house to fix our chairs. I guess I was impressed with him because of his quiet manner. He would answer my questions directly but no wasted conversation from him. He had a job to do and he did it with his craft skill then was off to the next place to fix other chairs. He was a hard worker who made his words and efforts count. We later realized that we only saw a portion of his labor, preparing the white oak strips

he used to bottom the chairs with was quite a job and the results of many hard hours labor. As best as I can recall, his price per chair was 30 cents. Mr. Hardy is still living today and is 92 years old. He worked hard all of his working years. He was like so many from that era, who believed that what you didn't do for yourself wouldn't get done. He walked 20 miles each way to and from Loudon to do his chair work in order to provide for his family. Today very few people use this type of chair and I doubt if there is anyone around who does the type of work that Mr. Hardy did. I suppose there is not enough demand for it to make it worthwhile. Our thanks to Mrs. Nelle Cleveland, daughter of Mr. Hardy, for the loan of this picture. Well, that's it for now. See you next week.

County Gets New Modular Ambulance

Loudon County Ambulance Service has acquired a new \$14,000 ambulance. The new, high performance Ford ambulance is called a "modular" ambulance, meaning the modular or basic bulk of the ambulance can be exchanged with another truck chassis would the need arise. The air-conditioned, fully automatic vehicle meets full state requirements with the most modern up-to-date equipment in the state. The unit was obtained by county application to the state in July of 1973. Funds were just recently made available with the state paying 75 percent of the costs and the county 25 percent.

The ambulance modular is mounted on a one-ton Ford Chassis and powered by a high performance V-8 engine, stabilizer bars for handling and has special equipment for maneuvering over any type of road. It is equipped with European siren, which has three variations, wail, yelp, and high-low. A complete emergency lighting system will make the vehicle easy to spot when in emergency use. It also has a number of bright flood lights to assist ambulance personnel when working near the unit at night.

MAKES POINT WITH YOUTH—Stan Snodgrass talks with a group of young people in Loudon on his visit there Saturday. At right is Benny Surret of Loudon, a member of the Snodgrass committee.

NEW COUNTY AMBULANCE—The Loudon County Ambulance Service last week received delivery of a one-ton Ford modular ambulance purchased by the county with the assistance of a 75 percent state grant. Members of the Ambulance Service crew are shown looking over the \$14,000 piece of equipment.

This week we have another school group picture and one we feel will be of interest to many of our readers. I suppose the old gym at the Loudon Grammar School has touches about as many people lives as any other building in our town. It would be an impossible task to count the many thousands who have been involved in one or more of the uses which this old place has served through the many passing years. Its history dates back to the days when the Loudon Grammar School and High School were housed in the same building.

The old gym has served in the role of gym, where many basketball tournaments have been held, a place for the many hundreds of school plays, carnivals and many other times it has been used for a community building for many different causes. All this thought is the result of a school group picture taken in front of this old building. Robert (Bob) Littleton brought us the picture but didn't state what year it was made. He could identify some of the people but several he was unable to identify. Those identified were Larry

Robinson, a Steele girl, Judy Ross Millsaps, a Hain boy, Ray Thornburg, Gene Presley, a Ward boy, a Watsons girl, Glada Watkins, Wanda Purdy, Peggy Parham, Martha Helen Pettey, Mary Louise Purdy, Vivian Patterson, Linda Gail Smith, Bob Littleton, Bill Russell, Bozo Smailen, Kenny Stevens, Harold Richmond, Buddy McNeel, Doug Shubert and Mac LaRue.

We are very grateful to Bob for the loan of this picture from Loudon. Hopefully someone can complete the identification.

This past week we received a picture which we prize very much, possibly because it touches on several things which are of definite interest to us. One thing about the picture is the location. It was made at an old molasses mill which is almost a thing of the past. We are sure many of our readers have heard of molasses mills but never have seen one.

Many of our readers will recognize the men in this picture. They are Sam Easter, who for many years was a well known area merchant having a store in the Cedar Grove

You can borrow a cup of sugar or a stack of dollars from the Hamiltons.

SUGAR

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. We make a lot of personal loans. And that's what we'd like to talk to you about today. We'll lend you money for any good reason: new baby expenses, a dental bill, refrigerator-dishwasher, tractor, boat, vacation, taxes, and so forth.

We'll sit down together and figure how much you need and how much you can pay back in monthly installments without straining yourself. Repayment can vary from three months to three years.

We can process your loan quickly and easily, just about as easy as borrowing a cup of sugar. So a question of money, ask the Hamiltons.

The Herald

Loudon County

VOLUME 89, ISSUE NUMBER 24

LOUDON, TENNESSEE, THURSDAY, JUNE 13, 1974

15 CENTS PER COPY

CANDIDATE PACK IN LOUDON—Democratic gubernatorial hopeful David Pack (right) former State Highway Commissioner and Attorney General, was in Loudon County Monday. He is shown here being greeted by Pete Littleton, Tom Foster and Charles Fletcher.

Hospital Room Rates Increase \$8.50 Per Day

Loudon County Memorial Hospital has increased its room rates approximately \$8.50 per day and has made basic changes in its pricing structure in order to meet the financial requirements for the coming year. The change became effective on May 6, administrator Gay Hamilton announced this week.

The hospital anticipated the passing of the minimum wage legislation back in February and at that time initiated a \$1.90 minimum wage. The hospital did this in spite of the fact that there wasn't any offsetting increase in revenues to cover these expenses recognizing that the hospitals most valuable asset is its employees. In addition it was felt that the economic stabilization program controls would be discontinued as of April 30, and at that time a rate increase could be implemented to recover these additional expenses. Mr. Hamilton also noted that the

wage expense increase to the hospital including that already been implemented and that that will be implemented in the coming budget year will total more than \$150,000. Payroll costs for the present year total approximately \$452,000. Another cost for the hospital; electricity, food, drugs, supplies, paper goods, are increasing for the hospital just as they are for individuals and other businesses. The petroleum shortage and general inflation have hit hospital supplies and they pass on price increases on necessary goods and materials almost daily, Hamilton stated.

A third factor that has influenced the need for price adjustments is the result of having been under Economic Stabilization Program Control guidelines since August of 1971. For years the hospital could not increase prices except by a small allowable percentage even though the expense of supplies, services, and salary continued to rise. Because of this cost-price squeeze, the hospital has lost money during this past operating year. Adjustments in the pricing structure to get the hospital back on a stable economic footing are required.

Mr. Hamilton noted that Loudon County Memorial Hospital is the largest slice of the budget goes into education, which will take \$2,623,353.87 for the operation of the county schools. The Budget Committee for the first time has left funds in the budget requested by the school board to pay teacher salaries for additional teachers not covered under the state minimum average daily attendance program. It is expected that three or four additional teachers to allow for expanding the curriculum in county schools, mainly the high school, will be hired. The agenda to be acted on is as follows:

City Budget Up . . . City Seeks Funds For Recreation Director

Although final reading on the 1974-75 fiscal budget was delayed by Loudon City Commission Monday night because the document is not in final form, City Administrator Gary Hensley said even with

about a 20 percent increase in expected expenditures the city property owners would not be faced with a tax increase this year. The Commission gave approval to a resolution to pay the salary of a full-time City Recreation Director. Administrator Hensley said that there was a new manpower program that would allow funds for such a position and that with the growth and scope of the city's recreation program such a position was needed. Mayor Lambert said that the recreation department is the biggest department in the city in terms of people involvement. He said there are about 60 persons either being paid or working as volunteers in the program.

Mr. Hensley said he hoped to have the program funded by late summer, to allow for the development of a winter program through the use of school facilities and to start planning for the summer program next year.

Mrs. Rex (Virginia) Burnette will become the City Recorder of Loudon on July 1. She was elected to succeed Recorder-Judge Joe V. Watkins who is retiring at the end of June. Mrs. Burnette has been deputy recorder for about two years. Elected as deputy recorder was Mrs. Eldred Smith.

It is understood that after his retirement Judge Watkins will continue to assist in handling city court. Mayor Lambert announced that the city is planning a reception to honor Watkins before he retires.

\$218,152 For County Roads

A total of \$218,152 will be available in state funds for highway maintenance and construction in Loudon County during the next fiscal year. The announcement came from state Rep. Benny Stafford, R-Lenoir City. Money is distributed in three categories. The largest portion is channeled through the Department of Transportation and is based on county population and area. Another portion is set aside according to population and road mileage and the third goes directly to cities and counties through the Local Government fund.

Under the new agreement Dr. Jerry Rogers, of Knoxville, who at one time practiced in Lenoir City, will cover the emergency room from 7 a.m. Saturday until 11 a.m. on Monday every other weekend. On the alternate weekends the team of doctors who provide the service at the University Hospital in Knoxville will be on duty at Loudon.

Mr. Hamilton said that the remainder of the week a rotating schedule for the local staff physicians had been worked out for daily and nightly coverage during the remainder of the week.

Mr. Rogers was traveling North on the highway when his car suddenly crossed into the Southbound lane into the path of a "7" vehicle driven by Howard L. Bailey, Jr. also of Maryville.

State Trooper Joe Littleton, who assisted Trooper Wayne Wilson in the investigation, said witnesses told the officers that just before the accident Rogers appeared to slump over the steering wheel of the car. Littleton said this could mean the man suffered some sort of disorder causing him to lose control of the car before the accident.

Mr. Rogers was brought to the Loudon hospital by the Greenback Rescue Squad Ambulance and was pronounced dead on arrival. He was said to have sustained a broken neck and a broken leg.

Mr. Bailey, listed in critical condition at Blount Memorial Hospital, sustained severe head injuries and internal injuries. It was reported.

The accident occurred about 3:30 p.m. near the Ox Bow Restaurant. Mr. Rogers' body was taken to Miller Funeral Home in Maryville where funeral services were held Saturday.

COUNTY'S NINTH FATALITY—A retired Maryville barber, was killed about 3:30 p.m. last Thursday in a two car collision on U.S. 411 near Greenback. The two vehicles are shown above. Rogers was driving the car at right and Howard L. Bailey, driver of the car at left was critically injured.

Federal Court Denies Ronnie Fagg Petition

Federal Judge Robert Taylor has refused the petition of Loudon County independent Sheriff Candidate Ronnie Fagg. Fagg had petitioned the Federal Court to remove his Felonious Assault trial from Criminal Court at Loudon because of "pre-trial" publicity and because he had spoken out on corruption of local officials. With Judge Taylor's refusal to hear the case it will be scheduled for jury trial before Judge Lloyd McCluen, today (Thursday). Fagg was indicted on the assault charge by the grand jury from an incident when he allegedly struck Billy Vann in a fight at Lenoir City earlier this year.

Steve Campbell of Lenoir City was found guilty of possessing a controlled substance in a jury trial Monday and assessed a fine of \$1,000. He had been indicted on a charge of selling a controlled substance. The delayed trial of Dennis Bazar, indicted on one count of attempting to commit a felony and three counts of selling a controlled substance, was held Monday. He entered a plea of guilty and sentenced to one to five years in prison on the combined count. He will serve the sentence concurrently with a three to four year sentence he received on an earlier drug conviction for a total sentence of three to five years.

Fletcher Gets Demo Post

Charles Fletcher of Lenoir City was elected Chairman of the Tennessee Democrat Party Credentials Committee at the Democrat State Convention in Nashville last weekend. Fletcher had earlier been named to represent the second congressional district on the Committee. Others attending the State Convention from Loudon County were Les Thompson, Earl Eldridge, Mrs. T.E. Mills, Mary Sowards, Tim Thompson, Billy Thompson, Jim Eblen, Grace Eblen, Ivo Sanders and Billy Joe Atkins.

JUN 13 1974

MASON FOR 50 YEARS—Retired Loudon Postmaster John Simpson (left) is being presented a 50 year membership pin for his activity in the Loudon Masonic bodies. The presentation was made last week by F.C. Yearwood, himself a longtime Masonic leader.

Piano Recital
June 16 - 23

The pupils of Mrs. Jo Ann Fox will be presented in a piano recital on June 16 and June 23 at 3 p.m. each Sunday at Blairland Baptist Church. The public is invited to attend.

Lifesaving Course Set

The Loudon County Chapter American Red Cross will offer a Senior Lifesaving Course at the Loudon Municipal Pool, June 24 through July 5 from 8:30 to 11 a.m. For registrations, phone American Red Cross, 966-5488 Monday through Friday.

Celebrate Birthdays

Curtis A. Williams III celebrated his first birthday June 3. He is the son of Mr. and Mrs. Alan Williams of Lenoir City. Mrs. Williams is the former Miss Verline Fagg of Loudon. Grandparents are Mr. and Mrs. Curtis A. Williams, Sr. and Mr. and Mrs. Parlon Fagg. Great-grandparents are Mr. and Mrs. Tom Plemons, all of Lenoir City.

Carl Nathan McJunkins, son of Mr. and Mrs. Robert McJunkins of Kokomo, Ind., celebrated his fifth birthday June 13. He is the grandson of Mr. and Mrs. F. H. McJunkins of Loudon and Mr. and Mrs. Alcide Nadeau of Maine.

JUNE DAIRY COOK-OFF WINNERS were announced by the Extension Service Wednesday. They include (left to right) Mrs. Joe Bradford, meat dish; Mrs. Clyde Wesson, salad; Mrs. William Lee, dessert; Mrs. Gerald Campbell, miscellaneous; Mrs. Joe Pine, vegetables; Mrs. Dexter Williams, 5th place Dairy Recipe. All dishes contained some type of dairy food.

Mrs. Hill Is FB Speaker

"You never outgrow your need for milk," Mrs. Lorraine Hill, Dairy Council of the Appalachians, Inc., told the Loudon County Farm Bureau Women attending the June dairy meeting, Thursday, June 6 at the home of Mrs. Paul Arp. "To have a healthy body, she continued, "one must have daily the basic four which includes milk". Mrs. Hill emphasized the importance of the many nutrients found in milk.

Mrs. Jean Sayles, also representing the Dairy Council, was a guest. Mrs. Paul Arp, chairman, gave a brief summary of the activities of the Farm Bureau women.

The group then joined in singing led by Mrs. John D. Barr, followed by the pledge to the flag by Mrs. Edward Bright. Devotions were given by Mrs. Anne Bright.

Sing Sunday

The Loudon County Singing Convention will meet Sunday, June 16 at 7:55 p.m. at the Morgantown Baptist Church near Greenback. Taylor Knox, president, invites everyone to attend.

LOUDON WINNERS—June Dairy Recipe winners from Loudon County were Mrs. Bobby Cusick, first; Mrs. Jewell Thomas, second; Mrs. Doye Arp, third; Mrs. Catherine Siler, fourth; and Mrs. Helen Williams, fifth. Pictured are Mrs. Arp and Mrs. Cusick.

4-H DAIRY PROJECT WINNERS in the 4-H Dairy Foods projects gave their demonstrations at the June Dairy Cook-Off last Wednesday. They are (left to right) Velvet Wilburn, daughter of Mr. and Mrs. Richard Wilburn; Michelle Cooper, daughter of Mr. and Mrs. Graham Cooper; and Janet James, daughter of Mr. and Mrs. Owen James.

The University of Tennessee

June Dairy Month can easily be celebrated with a wealth of nutritious dairy products. Milk production is at its seasonal peak at this time of the year to help host many tempting food ideas. It furnishes the American family with one of the highest quality foods at an attractive price.

Milk is a must on your grocery list each week - a most nutritious beverage and an ingredient in most recipes. Butter is a tempting topper for hot breads and spring - fresh vegetables, cheeses - mild or sharp - are great sandwich ingredients. Whipped cream proudly crowns delicious desserts. Yogurt's fast growing popularity makes it a "must" for many menus. Mrs. Doye Arp's Dairy Recipe placed third in the county contest. Try it soon.

SPECIAL CHEESE LOAF

3 eggs, beaten
1/4 cup ground pecans
1 pound cottage cheese - 1/2 of 1 1/2 oz. envelope dry onion soup
3 cups fortified high-protein cereal
1/2 cup margarine, melted

Heat over to 350 degrees F. Beat eggs in a medium-sized bowl, add remaining ingredients and mix together. Pour mixture into an 8 inch square baking pan. Bake 45 minutes. Serve as a main dish. Makes 6 servings. (Tastes almost like a meat loaf.)

Cafeteria Managers At State Convention

Eleven Loudon County School Cafeteria Managers and the County Supervisor are attending the Tennessee School Food Service Convention in Knoxville this week, June 11-14. Those attending the convention which is being held on the University of Tennessee campus are Mrs. Raymond Jenkins, Browder; Mrs. Della Hill, Davis; Mrs. Lucille White, Eatons; Mrs. Adele Carpenter, Glendale; Mrs. Minnie McTeer.

Greenback; Mrs. Naomi Luttrell, Highland Park; Mrs. Edith Davis, Loudon Elementary; Mrs. Margaret McQueen, Loudon High; Mrs. Lucy Woodard, Loudon Jr. High; Mrs. Lou Ella Norris, New Providence; Mrs. Alice Cathcart, Philadelphia and Mrs. Ruth Ridenour, Supervisor.

Several nationally known speakers will appear on the program. The banquet keynote speaker will be Mr. Ben Smith who is nationally prominent for his famous talks, "The Big Red Apple" and "How to Get Along With People". Miss Ruth Hogan, School Food Service Specialist with the National Livestock and Meat Board in Chicago will make a presentation on "Maintaining Quality Meals with Today's Prices". Also on the program will be Dr. Lara Odland, Dr. Daniel Hubbard and Dr. Mary Jo Hitchcock of UT. Dr. Donald C. McAfee, Director of the Division of Nutrition Education of the National Dairy Council, Chicago, will address the group on "Available Nutrition Data".

MR. DEATHERAGE

eleven years as an Assistant District Attorney General and for the past four years as District Attorney General. With his announcement General Deatherage made the following statement:

"It has been my privilege the past four years to work with a wonderful group of people. This includes the people of the Fourth Judicial Circuit, (who have seen fit to return me to the office without an opponent), cooperative public officials, my staff and my family.

"I appreciate the cooperation of the Courts, the Clerks of the Courts, the Sheriffs of all three Counties, the Police of all the Cities and Towns, as well as the Department of Safety of Tennessee, which includes the Highway Patrol and Tennessee Bureau of Identification. Without these people, my success would be most difficult.

"The staff, composed of Mrs. H. F. Gilbert, Jr., Secretary; John C. Crawford, III, full time Assistant; Edwin Arnold, Assistant; and David Black, Assistant, is due a large measure of credit for their expertize and devotion to duty, a demanding job has been made easier. Equally helpful was the too short, but effective, service of former Assistant Jerry Cunningham.

"My wife, Imogene, the two

MR. STAFFORD

Stafford Running For Legislature

M. F. "Benny" Stafford, State Representative for the 21st legislative district which is comprised of part of Loudon and part of Blount Counties, announced today that he is a candidate for re-election. He has served in the 87th and 88th General Assemblies and is presently the Republican Whip Leader in the House. He is also a member of the Agriculture Committee and the Environment and Environment Committee.

my four years of experience in this office will be valuable in conducting the state's business and in aiding the local governments." He believes in being responsive to the needs of the people, in operating his office in a friendly and efficient manner, and stated that "my doors are always open to all the citizens of my district."

Stafford was educated in the public schools of Loudon County. He was in the U.S. Air Force from 1952 until 1960, serving in Korea, Germany, and Japan. He is presently an

Youth Job Available

The East Tennessee Development District announces the temporary job opening for Counselor for the Summer Youth Program. Applications can be picked up in the County Judge's office in Loudon or the Loudon Neighborhood Service Center or Lenoir City Neighborhood Service Center. Applications must be returned to the County Judge's Office in Loudon by June 17. For additional information, call 378-3528.

Test For Fall

By Charles F. McCall Extension Leader

A good fertilization and liming program is a key factor for success in seeding a permanent pasture this fall. Fertility problems can be corrected more effectively before seeding than at any other time. Fertilizer and lime applied at this time and worked into the soil is more evenly distributed in the top six inches of soil.

Soil testing is the best method of determining fertilizer and lime needs. Farmers who are soil sampling for fall-seeded pastures should send the samples to the laboratory as soon as possible to avoid delays.

The fee for soil testing will be \$1 per sample effective July 1. The costs of operating the laboratory have increased tremendously during the past few years. For this reason, it has been necessary to increase the fee to this level. However, soil testing is still a bargain for the farmer. Proper fertility practices are essential in a good management program.

Social Security Office Taking Phone Appointments

The Knoxville social security office is now making appointments for people in Loudon County that want to file applications for social security and supplemental security income benefits. This new appointment service will reduce office waiting time and provide the public an opportunity to find out what is needed to file an application before visiting the office.

By telephoning the office first for an appointment, a trip may not be necessary. Most applications can now be completed by telephone and sent to the person for review and signature.

Because social security and supplemental security income checks are received during the first part of the month, the telephone lines are very busy until about the tenth. Therefore, you will find it easier to call the social security office after the tenth of the month to make an appointment.

Most appointments will be scheduled within two weeks from the time requested. This will allow you time to get the information and evidence needed to file an application. It will also provide time for the social security office to get a complete record of your earnings under social security.

Free telephone service to Knoxville social security office is available for Loudon County residents by asking the operator for WX 1551.

Hospital Room Rates Increase \$8.50 Per Day

(Continued from Page 1)

Hospital charges are considerably lower per patient day than hospitals of similar size in this state. Another factor which has had a significant effect on the hospital rate structure has been the addition of new services that are required under the accreditation standards set by our accreditation agencies.

One of these new services that will be implemented in the Loudon County Hospital in the coming year will be in the area of social work. Another area of service provided by the hospital is in emergency room-physician coverage which has increased the operating expenses of Loudon County Memorial Hospital significantly. The program has worked very well so far and it is felt by most that it is an extremely vital service to our community.

The hospital in the past year has implemented programs and purchased equipment that have increased the productivity of many of the hospital departments. One of these things has been the acquisition of a Coulter "S" Hematology system. This system has dramatically increased the accuracy of hematology tests while also significantly reducing the time required to perform these tests currently performed on the Coulter "S" system in 20 seconds.

Another system which has been implemented in the

hospital has been the "telemeter" system. This system makes it possible to record certain information regarding the functioning of the heart to a center in Illinois and to receive interpretations within minutes. The service is available 24 hours a day and has greatly influenced the hospital's ability to provide timely service in a very critical area to our patients at a relatively nominal expense.

Another thing that the court, hospital, medical staff, and members of the community are attempting that will increase the use of the facilities and service and will achieve an economy of scale has been recruitment of more physicians. This results in lowering of unit costs through increased utilization of facilities, Hamilton said.

At the same time an effective ongoing review of hospital stay or utilization is resulting in the decrease of the average hospital stay. All this means less revenue for the hospital, yet reduce the cost to the patient, and this is of primary concern, Mr. Hamilton stated.

Loudon County Memorial Hospital is one of the 16 area hospitals forming the Cooperated Hospital Services, Inc. a non-profit corporation which offers shared purchasing of pharmacy, educational programs to improve the quality and achieve savings through a cooperating effort. Loudon County Memorial Hospital is saving approximately 2-3 thousand dollars per year on

intravenous solutions administration sets alone through this cooperative effort. The hospital also has subscribed to the Tennessee Effective Management Program which provides an onsite industrial engineer to help in applying scientific approach to the operations of the hospital. One of the things which has resulted from this affiliation has been an intensive study of the ambulance departments operations. Through this organization and a grant provided by the W. K. Kellogg foundation a team of "temp" personnel have analyzed all of the ambulance department records. They are trying to determine where most of the ambulance calls, (emergency or non-emergency) and when a call was dispatched, the time required to answer an emergency call and the general evaluation of the problems encountered in the operation of this department during the past year.

In addition the hospital is taking an active part in the energy conservation effort. Mr. D. W. Howell, plant manager, is heading up the energy conservation program and several energy saving steps have been taken.

The building heating and cooling systems have been adjusted when outside temperatures permit. Lighting levels are being reduced when they do not affect safety or patient care. Employees are cooperating by turning off lights when not in use, turning off appliances including electric typewriters when not in use, 3. keeping thermostats levelled at 68 degrees Fahrenheit when this is 4. keeping windows and doors closed whenever possible.

The department heads are engaged in reducing costs through consistently working within the hospital's budget. Hamilton noted that the hospital's board of directors recognition of the need for an economically sound institution reflected the trustee's interest in providing necessary services in health care to members of the community. For the hospital to meet the demand for health services it must be in a position to attract and retain personnel, keep abreast of a rapidly changing technology, and maintain an efficient plant.

City Seeks Funds For Recreation Director

(Continued from Page 1)

had lived near the crossing for 50 years and her father 25 years prior to that and that there had never been an accident there. She said the closing of the street would be an inconvenience to many people. She said the street is steep and most people travel down the street because it is hard to exit from the top on Collins Street.

Mrs. McCarroll said that the closing of the street would hurt property values. Mayor Lambert said that a barrier was planned at the crossing intersection to prevent vehicular traffic from crossing the tracks but that pedestrians would still be able to cross at that point.

Vice Mayor Joe Carter said that if possible the city would like a circular turn-around at the barricade which would allow persons having cars to turn around and exit on Collins Street.

Commissioner Doug Lyle said that he and the Commission would look at the situation and see if something that would satisfy the

residents could be accomplished and allow the crossing to be closed.

It was pointed out that the closing was necessary to allow for the correction of a drainage problem before the city could widen the Hackberry Street crossing into the public housing project. Jack Kincaid presented the Commission with an application for a package beer license for a business to be built on the property behind Loudon Cleaners. He said the store would be for drive-in service only and a circle driveway would be provided with exits on Mulberry and Highland Avenue.

Mr. Kincaid said he had talked with two of the three beer board members and they had no objections and he requested the City Commission to consider increasing the number of allowable package beer permits to allow him to establish the business. Mayor Lambert said the Commission would look at the site, talk with the City Police and Beer Board and make a determination in the case.

Loudon Recreation Program Seeks Community Aid; Schedule Changed

Speaking of Sports

By DANNY GIBSON
Sports Editor

The Loudon summer youth and recreation programs are not drawing the interest and patronage by the community that is necessary to meet expenses.

With 19 youth teams in full operation and completely uniformed and furnished with equipment the program carries a debt of over a \$1000.00. In order to pay for these necessities the nightly admission for seeing three and four ball games is 25 cents for adults and 15 cents for students.

The summer schedule has taken a change

as the New Park proved to not be a strong draw in games played close to dark as the field has no lights and makes the playing and viewing poor for all concerned.

Thus a revised schedule has been released this week with four games of baseball and softball and Tee League being worked into a nightly schedule at lighted Legion Field. There will be one softball game on Monday, Thursday, and Saturday night at the New Park.

"Our biggest problem is funds to operate," relates Coach Bert Ralledge. "Our program and facilities are on par with any ones but we need the support of the people and town to make the program a success."

The Loudon Tee-League program for boys 6-9 years of age has lost some contact with several boys who should be taking part. If you desire to play ball this summer in Tee ball, Dixie Youth (10-12), Babe Ruth (13-15), or Senior Babe Ruth (16-18) the time to call is now. Contact City Hall (458-2202) or come to the ball park on any night and sign up by giving name, age, birthday and phone number.

The Loudon morning recreation program has had its program altered due to lack of interest. Starting this Monday the Loudon High School gymnasium, which is air conditioned, will be the site for boys and girls wishing to play summer basketball. All should report to the gym by 9 a.m.

Tennis is still being offered at the Loudon Junior High School for boys and girls. Classes according to age are now being set up. Adults may sign up for tennis lessons at the City Hall.

Support and volunteer help is needed to provide a strong recreation format. Loudon has done well until now so let's not fall short with our obligations. Remember it's easier to disband the program than it is to build one the community is proud of.

Everett High School has joined a newly formed athletic conference.

The Bulldogs will compete in the Mid-East Athletic Conference in football next season. It is hoped that all Everett athletic teams will compete in the new league in the near future. Other teams in the new league are Knoxville Carter, Newport, Jefferson, Morristown West and Sevier County. Clinton is a possible future member.

Everett Football Coach Clifford Irwin stated that the new conference will help in scheduling future football opponents, a constant problem since the three classification system began.

The Bulldogs will play only a few of the conference members this fall in football, but

Cardinals Lead Babe Ruth Standings

The Cardinals of the Loudon Babe Ruth League pushed their record to a perfect 3-0 last week by downing the Dodgers 10-8 in a high scoring game. Later in the week the Cards had to come from behind on the Phillies to win 11-7.

Steve Watkins clubbed two doubles and Kenny Starritt laced a run producing triple in the win over the Dodgers. Eddie Estes and Jamie Lennox had hits for the Cardinals.

Starritt hit another triple and added a single in the victory over the Phillies. Paul Watkins powered a double for the Phils.

Other safe hits for the Cardinal nine was Van Ralledge and Gary Brown.

GETTING FINAL INSTRUCTIONS—Jeff Woods of the Cardinals receives a last second instruction from Babe Ruth Coaches Ben Woods, Jeff's father, and Luke Bright, before going to bat. The Cardinal team is seen in the dugout, while in the back ground the stands are rather bare from lack of support from the Loudon community sports followers.

GOOD PLAY AT FIRST—Kenny Starritt of the Phillies, who made one of the top defensive catches of the game in left field, is thrown out in a close play at first base by a Cardinal fielder. Phillie Coach J. C. Monger is pictured watching the happenings at first base.

Braves Top Phillies 4-3

The Braves of the Loudon Babe Ruth League squeezed past the Phillies in a very close 4-3 game as Tony Brown paced the Braves hitting with two safes.

Gary Brown and Andy Hill each had a base hit for the losing Phillies.

Lenoir City Connie Mack Team Is Winless

The Lenoir City Connie Mack team playing in the Eagleton Connie Mack and Senior Babe Ruth District made up of teams from Blount County, Loudon County, Monroe County, McMinn County, and Polk County is experiencing expansion problems as most all first year teams do. The Lenoir City diamond crew is winless in

four outings thus far. Nevertheless Coach David Dunlap is fielding a young team that will mature with experience and while not presently setting the league on fire should be a strong factor in the overall outcome of the standings in the second half of the summer campaign and a sure team to be dealt with next

summer. The Lenoir City team has dropped games to the Bank of Maryville, Madisonville, Tellico and the Maryville Mets. Lenoir City managed but one hit in each of the first two games as they faced experienced teams with veteran line-ups. But against Tellico the Lenoir City bats

came to life with the Loudon Countians holding a 3-2 lead going into the top of the seventh frame. A two out rally by Tellico exchanged the lead and Lenoir City failed to produce any scores in the bottom of the lining. Mike McConkey, who has pitched well for the Lenoir (Continued on Page 10)

White And Rosenbaum Take 4 Point Lead In Carbide Play

The Union Carbide Golf League duo of Eldon White and Dick Rosenbaum have once again eased their way into the command role of the league. White and Rosenbaum broke a first place tie with their closest challenger of Charlie Helms and Jack Delaney last week with 16 team points for a current total of 185. Delaney and Helms are in second place with 101 points having gained only 12 team marks in their play last week. Carlos Evans and Nat Campbell are still in third place with 95 points, followed by Dick Huff and Art Hamil's

Archer And Cobb Keep Lead

There were few position changes resulting from last week's Loudon City Golf League action. Richard Archer and John Cobb picked up 10 team points to keep a solid grip on the league leadership with 98 team points to date. Ted Lomax and Inky Swiney took command of second place with nine team points and 82 points for the season. Third place is locked in a three way tie with the teams of Dennis Townsend and Ralph Stalcup, Harrison Henry and Harold Grimes, and Larry Millsaps and Lynn Millsaps all stuck on 78 team points for the summer. Clell Miller and Bert Ratledge and Larry Christian and Tom Sexton are tied for fourth position with total counts of 76.

DARRELL TUCK KEEPING CHECK ON SUMMER RECREATION—Darrell Tuck, has been employed by the Loudon County Herald as a summer sports and recreation program reporter and photographer. Darrell, 17, will be a senior at Loudon High School this fall.

Darrell Tuck Joins Herald Summer Sports Staff

The Loudon County Herald has employed Darrell Tuck, a 17 year old Loudon High School senior, to assist in covering the summer recreation program. Darrell, the son of Mr. and Mrs. Joe Tuck of Route 4, Loudon, is an avid sports

By Darrell Tuck

Hello Sports fans. Our topic today is Little League Baseball managers. As we know Little League managers are a small breed of people. Not too many people want to take part in helping out their nearby Little League Baseball teams. So now I would like to recognize the managers of the advanced Babe Ruth, boys ranging from 16-18.

Harold Brookshire is the boss for the Giants. We understand Harold spends more time at the ball park than home. When he's not with the Giants he plays softball for Hall Oil Company.

The headman for the Reds is Melvin Hawkins. Remember Melvin was the big end and kicked extra points for the Loudon Redskins football squad during 1967-1969. Melvin is a member of the Bank of

Loudon Co. softball team.

Mr. Leonard Kincaid is the manager for the Tigers. Leonard is a car salesman in Sweetwater. He has one of his sons playing for him as the teams second baseman. So he's got to have a lot of nerve one thing for sure.

Danny Poole handles the Expos affairs. Denny probably has more experience than any coach in the league, he's starting his seventh season. Denny also performs at Legion Field, playing pitcher or catcher for Hall Oil Company.

LOUDON BABE RUTH STANDINGS		LOUDON SENIOR BASEBALL STANDINGS			
TEAM	W	L			
Cardinals	3	0	TEAM		
Orioles	1	1	Tigers	2	1
Braves	1	1	Giants	2	1
Dodgers	1	2	Expos	1	2
Phillies	0	2	Reds	1	2

Darrell helping us during the summer," said Sports Editor Danny Gibson. "Darrell has a wide knowledge of sports and should make a great contribution to our sports section this summer."

Darrell plans to enter the field of journalism upon graduation from high school. Darrell will be keeping a close

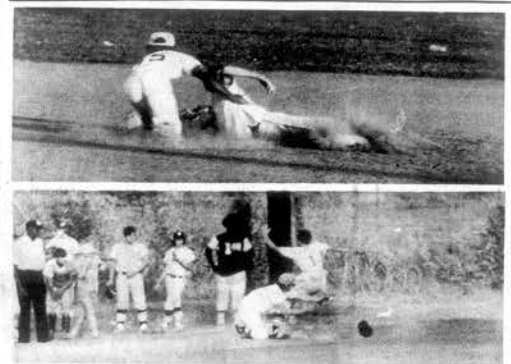

watch on the baseball happenings in Tee-League, Dixie Youth and Babe Ruth and Senior Babe Ruth for the Herald. He will also do a short column from week to week with the head of "Callin' Em".

Late Rallies Highlight Sr. Ruth Play

The Loudon Senior Babe Ruth League for boys of 16-18 years of age is quickly turning out some exciting matches. In last week's play the Tigers, ahead by 6-0 going into the seventh and final inning, lost their composure as the never-say-die Giants rallied for seven runs and a 7-6 come from behind victory.

Butch Brown's base cleaning triple and single powered the way for the Giant comeback. The Tigers had built their lead on Donnie Thearp's two doubles and a pair of safe hits each from Sam Thearp and Henry Chambers.

In the second game of the day the Reds over came a 4-1 defeat to defeat the Expos 5-4. The Reds managed but one hit, a single by Raymond Watkins in the first inning, but an erroring Expo infield produced the Reds with five unearned scores.

CLOSE PLAYS IN LOUDON SENIOR BABE RUTH—The Loudon sports camera catches a couple of close plays in Tuesday night Senior Babe Ruth action at Legion Field. Bumper Webster of the Giants applies a tag at second base in the top picture while an unidentified Expo is barely safe at third base in lower photo.

Herb's Hideaway.

(Another in a series of imaginative uses for the GMC MotorHome.)

Poor Herb.

There he was, trying to come up with a way of getting away from it all on weekends—despite the gas shortage.

Then he hit on the fact that there were all kinds of neat recreation spots that were practically in his own backyard. And that a GMC MotorHome was an absolutely smashing way to get there.

What's more, when he got to his retreat in the woods, he discovered that the MotorHome was as much pleasure to live in as it was to operate on the highway. Without the worry and expense of owning a cabin that he would leave unoccupied five days of every week. (When his MotorHome wasn't in use, he could simply

store it at his dealer's Landoek. There, any services he desired could be performed and the MotorHome would be ready next time he needed it.)

And speaking of owning, Herb learned he didn't even have to buy a MotorHome—that he could rent one just about any time he wanted. Now, that was reasonable. Especially when he took along a couple of poker-playing buddies.

Interested? See your local dealer for full details.

The MotorHome from General Motors.

Fishing Forecast

NORRIS LAKE—Bass fair to poor, although a few good ones are being caught. Walleye good fishing off muddy points using spinner and worm combination.

DOUGLAS LAKE—Catfish is good on trot line using cut bait. Bass fair, there is some break activity in early morning or late afternoon. A few good strings have been caught at night.

WATTS BAR LAKE—Bass good on medium running lures or top water lures. Stripe fair at night under lights with minnows. Blue Gill excellent with flies and using popping bag or worms.

CHEROKEE LAKE—Bass good on top water lures or plastic worms. Rockfish and hybrid are producing some excellent fishing.

CHILHOWEE LAKE—Trout are very active at night with very few fishermen taking advantage of them. Blue gill are eating up crickets about as fast as they hit the water.

LITTLE T-RIVER—Fishing in the upper end with corn has produced several limits over the past few days.

BLACK FLY MOSQUITO CONTROL PLANNED
 East Tennessee areas had special problems with biting insects last summer and this summer Wildlife Resources Agency and Tennessee Valley Authority biologists will cooperate to help communities establish local control programs.

PRICE BLASTS 340 FOOT HR IN CM WIN

Linginfelter Records Second Win

Price, Porter, Foster Bat Madisonville By Mets

While the Lenoir City Connie Mack team is taking a few rough knocks as a first year team in the highly talented Eggleston Connie Mack District, a trio of former Lenoir City baseball standouts are making a success of the Madisonville Connie Mack team. Second baseman Marty Price, centerfielder Johnny Porter, and catcher Neal Foster have been most instrumental in the early season success of the Madisonville team.

Madisonville is 3-1 in league play, losing only in the bottom of the seventh to the Bank of Maryville at Maryville on a home run by Cleveland State Community College catcher Tom Harmon, 4-3.

Madisonville's latest triumph came Monday night at Maryville as the once beaten Mets fell 6-3. Former Greenback football star Tony Linginfelter gave up a total of three hits in the game and was backed by two double plays in the field and some sensational catches by Johnny Price in centerfield.

At bat it was the shell shocking power of the Madisonville line-up. Shortstop Mike Balsinger broke from a hitting slump to smash three stand-up triples in three at bats. Neal Foster pounded a triple off the left field fence and followed up the hit with a successful steal of home. Marty Porter delivered a two out bases loaded double that gave Madisonville a sure lead and Johnny Price blasted a 360 foot home run to ice the victory. First baseman Steve Sloan also had two hits, a

double and single in the contest. Madisonville plays host to Tellico tonight (Thursday) and then travels to Maryville for a game with Harrison Construction Company on Monday night.

Speaking Of Sports

(Continued from page 8)

are expected to play all the other teams in the league in 1975.

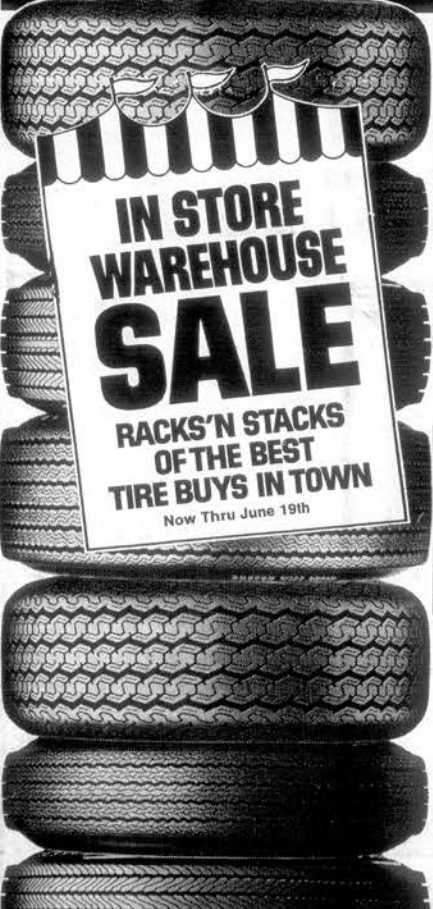

Coach Irwin emphasized that the Everett team will continue most of its old rivalries, in addition to Conference competition.

Loudon dropped the Bulldogs in football last fall as they are a "AAA" school, while the Redskins are "AA."

The New Region IV office of the Tennessee Wildlife Resources Agency (originally Game and Fish Commission) is now located at 1929 West Morris Blvd., in Morristown.

The recent reorganization of the old Game and Fish Commission divided the state into four regions. Monroe, Loudon, Knox, Anderson, Campbell, Blount and all counties to the east of them are included in Region IV. Morristown was selected as the site of the regional office because of its central location. The Knoxville and Johnson City offices have been closed.

Lenoir City CM Team Wins

(Continued From Page 8)

City nine, struck out 12 batters and made it 18 strikeouts in 14 innings of pitching by going the distance against Madisonville and Tellico.

Tom Breazeale and Arless Morgan both had a pair of base knocks in the game to lead Lenoir City.

Gordon Kelly, senior pitching star for the Bears High School team, fanned 14 of the Lenoir City batters, but had to have relief help to nail down the win.

The Maryville Mets hit three home runs and scored six unearned first inning runs on Lenoir City Friday night as a dropped third strike ignited a Met rally that proved the difference in the game. Lenoir City fought back but lost 8-5.

Mike McConkey was again the losing pitcher, lasting just three innings. Sammy Dunlap came on in relief to close the door on the Mets.

Ron Massey and Steve Arnold each recorded a pair of base hits in the game. Tom Breazeale, Wayne Stamey, and Bobby Smith all had clutch hits in the contest with Smith's blow a triple that brought two mates across the plate in the fourth inning.

The improving Lenoir City team will go on the road for games Thursday and Friday night at Etowah and Harrison Construction Company at Maryville, respectively.

Lenoir City has a home game with Athens on Monday night at Civitan Field.

Vegetable Production Increasing In County

By Charles McCall, Extension Leader
 One very seldom thinks of a new industry in the field of Agriculture. We have one that isn't new but is growing. The vegetable production industry in the Greenback Community has been around for several years. Unless you have been on the market or visited in the community you wouldn't know it was there. We were privileged to get a good look first hand yesterday. I was taken on a tour of Mr. Rastus Yates farm. We found some twelve acres of cabbage and ten acres of sweet potatoes. This is a lot of cabbage heads in my book and a lot of hard work not to think about being

SOUR KROUT OR SLAW could be, but this cabbage patch on Rastus Yates' farm in the Greenback Community is an example of Loudon Counties growing vegetables production.

faceted with digging those potatoes this fall. We found four people in the field harvesting cabbage, two ladies and two men in the packing shed grading cabbage heads and sacking them. Mr. Yates was busy hauling some one hundred bags a day to Knoxville and Cookeville. I found Mr. Yates had one of the cleanest big gardens in the county. Really he is only one of the six to ten farmers in the Greenback Community in the business of growing vegetables for the fresh market. Mr. Yates says that he believes in producing a good product for the consumers. I can vouch for this fact because the cabbage head he gave me was very delicious. Being located a short distance from a major city like Knoxville helps also, to market a good product. Mr. Yates says he follows the latest in weed control, insect control and production practices. We believe that there is much room for more fresh vegetable farmers in Loudon County. If and when the new market is built in Knoxville the demand will increase and as the population increases so will the demand for food.

Use Of DDT For Tobacco Forbidden

Loudon County Agricultural Stabilization and Conservation (ASC) Committee. Mr. Pippes points out that again this year random samples of tobacco will be taken at the markets and chemically analyzed to determine DDT or TDE residues, if any. Before a marketing card is issued, each producer will be asked to certify whether or not the prohibited pesticides were used on the tobacco after it was planted in the field. The making of a false certification concerning the use is a violation of Federal Law and is punishable by imprisonment and fine, Mr. Pippes says.

FITTING TIME AT BOYS STATE-Boys State delegates Steve Poole (left) of Rockwood and Paul Bivens of Loudon try their official T-shirts on for size. They joined about 600 delegates at Tennessee Tech Sunday for a week-long experiment in self-government.

ATTENDS CONFERENCE-Two Loudon County youths were among the 250 delegates to attend the 19th Annual 4-H Regional Resource Development Conference at Fontana Village, N. C., June 3-7. Pictured are Carolyn Hickey of Loudon and Michael Price of Lenoir City. They studied the responsibility of the human resource in using natural resources wisely.

For Governor

Franklin Haney

He means more than talk.

Born in rural Tennessee, he has helped rebuild urban Tennessee. The son of a molder in a foundry, he has made his mark in the business world. He has the energy of a young man and the experience that comes from hard work.

He knows what it's like to face tough times, and fight to get ahead.

Now he wants to make this state a better place with better jobs for all the people who call it home.

He can do it. He wants your help.

Paid for by the Franklin Haney for Governor Committee. Tom Claxton, Treasurer.

OUR HOUSE PAINT STANDS UP TO THE BEST OF THEM!

TRU-TEST IS GOOD PAINT

Lift the lid. See for yourself. With the very first brushful, you'll like its easy-working qualities and extra hiding power. That's because Tru-Test Supreme Latex is a unique formula of acrylic latex and chemically treated oil in a water emulsion form. It goes on as easy as latex paint, yet resists weather, smog, stains and blistering. It dries bug-free in minutes. Contains Titanium pigments... the whitest, brightest known. Choose Pure White or 24 Janestown Colors.

True Value
 HARDWARE STORES

GREER'S

Tru-Test Paints sold exclusively by True Value Hardware Dealers who own their own paint factories.

We had an answer long before there was a gas problem.
Plymouth Valiant.

14 years ago, when we put our first Valiant on display, it got a lot of attention. Since then, 2.3 million Valiants have been sold. So we figure we've been doing something right. And naturally, Valiant's good gas mileage is part of it. Stop in today and we'll show you plenty of other reasons.

See us for eight great small car buys.

ATLANTIC CHURCH
America the Beautiful...

From the time that Columbus discovered America... seen here thought of this country as some thing special. It was here that Ponce de Leon sought the fabled land of youth and ever here has advanced America's majestic mountains and beautiful valleys. However, the real beauty we see on the land, see on the people. The people, same... seeking a land where they could worship God in freedom, and under God dwell upon a land and bring spirit. This is what makes America beautiful. Attend church regularly... help keep America beautiful.

 John B. Smullen and wife, Blanch L. Smullen to Norman

IN MEMORY

In loving memory of Joe Jones who died four years ago. Many a lonely heartache, many a silent tear, but always a beautiful memory of the one we loved so dear.
 Sadly missed by wife, children and grandchildren.
 6-13-11c.

CARD OF THANKS

We wish to thank everyone for their kindness at the death of our father and grandfather. We especially want to thank Rev. Vaughn Albright, Rev. Elmer Hurst and Rev. R.L. Davis, the doctors, nurses and orderlies at Loudon County Memorial Hospital who were so kind to us.
 The children and grandchildren of John L. Green.
 6-13-11p.

May Rainfall Three Get Very Heavy RSCC Degrees

May rainfall averaged an even 7 inches across the Tennessee Valley, far above the normal 4.2 inches for May, TVA reports. Heaviest rains were in the eastern half of the Valley where the average of 7.3 inches was third highest on record for May.

Highest May total reported to TVA was 12.30 inches at Clingman's Dome, on the Carolina-Tennessee border in Great Smoky Mountains National Park.

big bands and of course, Roy (Dinah) Miller had his own band in our area for many years. Others of course filled the music needs in other areas.

Mrs. Alma Roberson, a very dear friend of ours and a fan of the Good Old Days, gave us a picture to use which we are very proud to have and use in our column.

Possibly one of the hardest jobs of farming is the work in cutting, raking, baling and hauling hay, which supplies food for stock during the winter months when pastures are killed by winter's frost and freeze. It is a job that must usually be done in a hurry making the best of dry and pretty weather so as not to have the hay damaged by rain's moisture.

Usually a lot of help is enlisted in order to speed up the process.

The picture Mrs. Alma loaned to us shows the late George Otis Roberson riding a hay wagon across a field. Mrs. Alma says this was one of four wagons in use at this time. The man driving the team is Bob Smullen. This old picture was made in 1935 on the Roberson farm near Loudon.

Mr. Roberson was a well known Loudon County farmer and in late years became widely known as an auctioneer. Mr. Roberson passed as "Red" or Colonel Lawson was well known and well liked in our area and was a large and successful farm operator.

Well, that's it for now. See you next week.

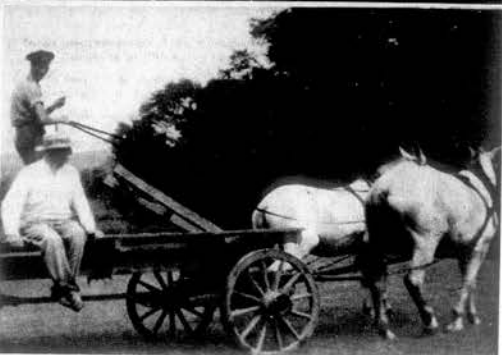

Three Loudon County students at Roane State Community College have earned degrees which will be presented at the second annual Commencement Exercises on Saturday, June 8.

Alan Cecil Duff has earned his Associate of Science in General Business Administration. He is married to Helen Duff and they live at Route 2, Lenoir City.

Michael Wayne Richeson has earned his Associate of Science degree in Electronics Technology with honor (Cum Laude). He is a graduate of Lenoir City High School. He is the son of Mrs. Mary Richeson and the late Mr. Richeson. He lives at 415 W. Third Avenue, Lenoir City.

ROANE STATE GRADS—Two of the three Loudon Countians who graduated last week from Roane State Community College are shown. They are Victoria Elaine Shubert and Michael Wayne Richeson. Another local grad, Alan Cecil Duff was not pictured.

pictures come our way. We are always pleased to get this type of picture as well as the others. The only difference in group pictures and individual pictures is that they just involve more people of the Good Old Days.

This group we have this week is a large music class of Loudon young people and was taken many years ago.

I am not sure but would guess that possibly Mrs. Edna fought more in the many music classes she had than

We have been what we feel few weeks in that we have had very fortunate in the past several very interesting group

Sheriff Candidate Guilty Of Assault

Democrat Dinner Friday

All of the state's Democrat candidates for the party nomination for Governor have been invited to a Fund Raising Dinner at 7 p.m. Friday, June 21 at Lenoir City High School Cafeteria.

Lee Thompson, Chairman of the Democratic Executive Committee said that a number of the candidates or their representatives are expected to attend. He said also that local Democratic nominees for the county general election will be present.

Each of the candidates will be allowed to speak briefly or have a representative speak for them if not present.

Jerry Adams will provide piano dinner music during the \$5 a plate dinner.

Tickets to the dinner and rally are available from all candidates, members of the party executive committee and will be available at the door Friday night.

Stolen Car Recovered

A car stolen from a Knoxville manufacturing plant parking lot Monday afternoon was recovered in Loudon County by Deputy Lucian Kent about 7:30 p.m. Monday.

Kent making an arrest of James G. Kelley for driving while intoxicated and Jerry Ogle for public drunkenness and violation of the registration law, found the car had two different license numbers mounted on it. One from Sevier County and one from Blount County.

A further check showed the vehicle was stolen from Frank D. Hicks who is employed at Standard Knitting Mills. After the pair was fined on Loudon County charges Tuesday morning in Sessions Court they were turned over to Kent County Deputies and charged with larceny of an automobile.

Little T Group Urges Investigation Of TVA

Members of the Association for the Preservation of the Little Tennessee River called for a Congressional investigation of TVA when they met Saturday night on the banks of the river at Fort Loudoun. "It is quite possible that a Tennessee Congressman may consent to chair the investigation," said Mack Pritchard of Nashville. Such an investigation would probe into all of TVA's activities, including the Tellico Dam Project which APLTR has been fighting hard to stop.

"We're down but not out"—this was the attitude expressed by APLTR members as they vowed to seek other means to stop the Tellico Dam. An environmental suit brought by the Environmental Defense Fund in conjunction with APLTR was unsuccessful in stopping the dam even though an injunction did halt construction for two years.

Several Little T landowners present at the meeting vowed that they will question TVA's right to take land for industrial and urban development. "It has long been an

DRIVER HAD MINOR INJURIES—A 10-wheel, twin-axle gravel truck, hauling rock for the stretch of 17 1/2 between the River Bridge and Lenoir City, plunged through the guard rails of the \$7-million river bridge and fell about 60 feet to the river bank below. The accident occurred about 5:30 p.m. Monday. The driver, Howard C. Flowers, 32, of Crab Orchard said his brakes failed as he was attempting to cross from the northbound lanes to the open southbound lanes of the bridge on the Loudon side. Witnesses told Highway Patrol Sgt. Wallace Mills the big truck went up on the guardrail, span 180 degrees and plunged into the bank. The truck was totally demolished. The driver was treated and released for minor injuries at Sweetwater Hospital. Mr. Flowers said the truck belonged to W. R. Mitchell of Livingston.

Court Postpones Code Six Months

The main courtroom at the Loudon County Courthouse is full when County Judge Harvey Sprout opened a Public Hearing on a proposed \$6.2 million Loudon County budget for 1974-75. But not one person questioned any segment of the document.

The budget includes \$1.4 million in new county spending, but the same property tax rate of \$3.96, now in effect, is projected.

In closing the public hearing, when there were no comments, Judge Sprout said that the Budget Committee of the Court—which has spent months preparing it—will take a final look and then recommend the budget and tax rate to the July meeting of the Court.

A DELEGATION of 20 to 40 builders, contractors and building supply dealers was present for the adjourned session of County Court, asking the body to abandon earlier passage of the

(Continued On Page 11)

Raby Hurt In Wreck

William E. Raby, 20, of Bluff Street, Loudon, was admitted to Loudon County Memorial Hospital about 1:30 a.m. Tuesday with injuries received in an automobile accident on U.S. 11 between Loudon and Philadelphia.

Highway Patrol Sgt. Wallace Mills said that Raby was traveling north and apparently ran out of the highway striking a TVA transmission line. The impact broke the large pole at the bottom and about halfway up. The car was totally demolished.

Raby was admitted to the hospital with a head cut, cut on the foot, and numerous bruises. His condition was not considered serious.

Scott Surrett Dead, Was 54

Scott Surrett, 54, Main Street, Loudon, died suddenly Tuesday at Erlanger Hospital in Chattanooga of an apparent heart attack. Mr. Surrett was owner of S.S. Surrett Trucking Company which he has operated from Loudon for several years. He was a member of the Loudon United Methodist Church and a Mason.

It is understood that Mr. Surrett, who had suffered a heart attack before, was at a chemical company in Chattanooga unloading a truck when he suffered the attack about noon Monday.

Mr. Surrett is survived by his wife, Mary Copeland Surrett; two sons, Russell and Barry Surrett all of Loudon; parents Mr. and Mrs. S. S. Surrett of White Pine; brothers Donald and Henry Surrett of White Pine; Ben Surrett of Loudon; Earl of North Wales, Pa.; Harold of Suncoke Shoals, Ala.; sisters, Mrs. Frances Mavey, Mrs. Bernice Briggs and Mrs. Dorothy Manis of White Pine; and two grandchildren.

Funeral services will be held at 2 p.m. Thursday at Loudon United Methodist Church with Rev. W. H. Horner and Dr. Harrell Russell officiating. Interment in Highland Memorial Cemetery in Knoxville. Haskins Mortuary, Loudon, in charge.

Berry Caught During Prison Escape Bid

Fred Allen Berry, who last year was sentenced to three to 13 years in prison for the death of his wife and later a receiving and concealing charge, tried unsuccessfully to break out of the state prison in Nashville this past weekend.

Berry was found guilty of involuntary manslaughter, in the death of his ex-wife, Carolyn Gentry Berry, who's body was found in a barn near Loudon last summer.

State Prison authorities put out an alert for Berry and Raymond Edward Harsley, who was serving a life sentence for armed robbery, about 12 midnight Saturday.

The pair was discovered underneath the prison hospital about about 5:45 a.m. Sunday trying to dig their way out of the prison.

Complete plans will be announced next week for the annual July 4th Celebration for the Loudon area.

It was announced this week that a parade, family carnival and square dance are in the planning stages.

Earl Ridenour of the Loudon Jaycees announced that the group will sponsor a July 4th Parade. He said the event will be open to everyone and all kinds of units on an all-comers basis. He stated the club hopes to have many decorated bicycles, antique cars, floats, horses, marching units and etc. The parade line-up will be held on Carter Street next to the high school at 9:15 with the parade to begin at 10 a.m.

At 11 a.m. the Loudon Lions will open a family carnival at the Lions Municipal Park on Roberson Springs Road. Bill House is chairman of the event. The Lions are planning a full range of games, greasy pole, greasy pig, bingo, ball throwing, plenty of food including sandwiches and cold drinks, and displays of Lions Club activities and projects.

The night of July 4th, the Jaycees are making plans for a public square dance. Further details on all the events will be published next week.

Baptist Association Office Dedication, Open House Set

Open house and Dedication of Loudon County Baptist Association Office will be held from 1:30 to 4:40 p.m. Sunday. The new brick Association Office building recently completed. It is located on U.S. 11 between Loudon and Lenoir City.

Rev. Glen Melton, Superintendent of Missions for the Associations said that a dedication service for the new office building will be held at 2:30 p.m.

The dedication message will be delivered by Dr. Ralph Norton, Executive Secretary-Treasurer of the Tennessee Baptist Convention. The dedication prayer will be led by Rev. Leslie R. Baumgartner. Missions Director, Tennessee Baptist Convention. Both men are from Brentwood.

Rev. Melton said that all members of churches in the Loudon County Association and the general public are invited to attend the open house and dedication.

July 4th Celebration Planned For Loudon

Independent Sheriff candidate Ronnie Fagg of Lenoir City faces a \$500 fine and 60 days in jail. Fagg was convicted in Criminal Court last Thursday for assault and battery in a day long trial.

Fagg took the stand in his own defense and admitted he struck Billy (Mickey) Vann in the head. He said the scuffle took place at Ernie's Place, a tavern on Highway 70 between Eaton Crossroads and Dixie Lee Junction.

Mr. Fagg said he had asked Mr. Vann and three other men who came into the tavern to leave after one of them threatened the owner of the business. Fagg said that Vann took off his coat and reached into his pocket and he (Fagg) hit Vann because he did not know what he might have in his hand as the took his hand from the pocket.

Vann testified that he had to be hospitalized due to a blood clot near the brain because of the force of the blow from Fagg.

Fagg's attorneys were given 30 days to file a motion for a new trial by Judge Lloyd McClellan.

In other court action last week Robert Earl Adcox, indicted on six charges of receiving and concealing some \$2095 in brass taken from the Southern Railway car shops Lenoir City entered a plea of guilty to all charges. He reportedly was employed by the firm at the time the brass was taken.

He was sentenced to three to five years on each count with four terms to be served concurrently and two consecutively for a total sentence of 8 to 10 years.

In another assault and battery case, Donna Ferguson was sentenced to 60 days in jail and fined \$200.

DeWayne Shaver entered a plea of guilty to uttering forged paper and sentenced to one year with the sentence suspended and being placed on probation for one year.

Mike Atkins was found guilty by a jury of selling marijuana and sentenced to one to five years in prison.

Raymond Best was fined \$10 and given two days in jail for driving under the influence.

Bill Arbuckle's Wife Dies Here

Mrs. Carolyn Arbuckle, 46, wife of William (Bill) Arbuckle, the man who obtained options on 2500 acres of land at Loudon for the Exxon Nuclear Plant, died in Loudon early Friday morning.

Mr. and Mrs. Arbuckle and their three children, had returned to Loudon Thursday from a vacation in North Carolina. It was the first visit to Loudon for Mrs. Arbuckle and their children. The family was staying at Mr. Arbuckle's office-residence on Mulberry Street in Loudon.

Thursday night Mrs. Arbuckle became ill after dinner and was taken to Loudon County Memorial Hospital, where she appeared to be responding to treatment.

Her body was returned to the family home in Lewisburg Friday morning and funeral services and burial were held there Saturday.

Survivors other than her husband, are three children, Nan, Kathleen and Andrew; mother, Mrs. Esther C. Prosser, Lewisburg; sister, Mrs. Margaret London, St. Petersburg, Fla.

The family had planned to move to Loudon later this summer as soon as a suitable home could be purchased. Mr. Arbuckle has been retained by Exxon as a consultant and expects to work in Loudon for two or three years.

Miss Dorsey Is Injured

Miss Lynn Dorsey, 19, 828 Rosedale Avenue, Loudon, was admitted to Loudon County Memorial Hospital, with injuries suffered in a one car accident on U.S. 11 near Highland Park School about 4 p.m. Thursday.

Trooper Joe Littleton said Miss Dorsey was traveling South when she either went to sleep or lost control of the car. It went off the right side of the road and overturned. She sustained back and neck injuries, along with cuts on the head, arm and hand. Trooper Littleton said that Miss Dorsey was wearing seat belts home could be purchased. Mr. Arbuckle has been retained by Exxon as a consultant and expects to work in Loudon for two or three years.

CANDIDATE VISITS—Public Service Commission candidate Joe C. Carr Jr., left, shakes hands with Loudon businessman Jack Randolph, during a handshaking visit the candidate made to Loudon Monday.

Loudon County Herald For and about Women

Mary Evelyn Harrison Is Bride

On Sunday June 9 at four o'clock in the afternoon, Miss Mary Evelyn Harrison, daughter of Mr. and Mrs. William Broady Harrison of Albion Farm, Loudon, became the bride of Mr. William Robert Cate, son of Mr. and Mrs. Harry Cate, Sr., of Sevierville.

The wedding vows were solemnized in the yard at the home of the bride's parents against a background of oak trees, open fields, and the Smoky Mountains.

The officiating ministers for the double ring ceremony, which included a service of Holy Communion, were the Reverend William H. Horner and the Reverend Doctor Harrell M. Russell, pastor and associate pastor of Loudon and Bethel United Methodist churches. Dr. Russell is an uncle of the bride.

The bride's dress of white crystalite had a bodice and the cuffs to the long sleeves of Belgian lace. A flounce of crystalite, beginning with a band of the lace, extended into a graceful train. The white picture hat of straw had applied flowers of Belgian lace and streamers of net. The bridal bouquet was of white and yellow roses with baby breath. The bride carried a lace handkerchief from Jerusalem belonging to her maternal grandmother, Mrs. Ora Mae Russell of Loudon.

Miss Ruth Ann Harrison was her sister's maid of honor and only attendant. Her dress was of yellow dotted Swiss with a double, lace edged, flounce at the neckline. Her garden hat of yellow straw, banded with a ribbon of yellow and green embroidered flowers, had yellow ribbon streamers. She carried a nosegay of yellow roses and daisies.

The bride was given in marriage by her father. The groom's father served his son as best man. The ushers were Mr. Raymond Broady Harrison, brother of the bride, and Mr. Harry Cate, Jr., brother of the groom.

A program of wedding music was given by Mrs. Gerald Hill, pianist, of Sevierville, and Miss Cate, of Knoxville, soloist and guitarist of Knoxville. Mrs. Hill is a former music teacher of the groom. Miss Guyon and the bride and groom had worked together as Counselors at Camp Wesley Woods near Townsend.

A wedding reception given by the bride's parents followed immediately at the Harrison home.

The couple left for a brief honeymoon at Fontana, North Carolina. They are now at home in Emory, Virginia, where Mrs. Cate, a graduate of Sullins College, Bristol, Virginia, will complete her work as a Senior at Emory and Henry College. Mr. Cate attended East Tennessee State University at Johnson City. He is presently employed at American Furniture Company, Chilhowie, Virginia.

Among the out of town guests for the wedding were: Mr. and Mrs. Mark Harrison of Maryville, Major and Mrs. Joe J. Harrison and sons, Mark and Hunter, of Fairlawn, Ohio; Mrs. Francis Tallent, Nashville; Mrs. Louise Harris, and Mr. Arthur Henry of Lenoir City; Mr. and Mrs. Ralph Allison and Miss Sara Allison of Draper, Virginia; Miss Becky Horne, Bristol, Virginia; Mr. and Mrs. Lawrence Johnson, Miss Terry Johnson and Master Russell Johnson, Dublin, Virginia; Miss Sara Watson, Charlottesville, Va.; Mr. George Anderson Delaware; Mrs. Brien Greene, Madisonville, Mr. and Mrs. A. N. Blair, Miss Sandra Harris, Mr. and Mrs. William Morgan, Mrs. James Murphy, all of Knoxville; Misses Melina and Roba Cate of Morristown; Mr. and Mrs. Douglas Henry, and Mrs. A. W. Franklin, Decatur; Mrs. Henry Cate, Jr., Mr. and Mrs. Billy Jenkins and Becky, Mr. and Mrs. Gene Collett, Mrs. Leon Collett, Mrs. Horace Dixon, Mrs. Betty Large, Mrs. Cleo Taylor, Mrs. Lela Eberhart, Miss Margaret Etherton, Sevierville.

Rev. and Mrs. Riley Huff, settler and sons of Hillsville, Va. visited a few days last week with Mr. and Mrs. Lee Davidson here, while attending the Holston Conference of the United Methodist Church in Knoxville.

N.R. Simmons and Arthur Simmons were in North Carolina for the weekend and attended the Simmons Reunion Sunday at the home of Mr. and Mrs. Rex Overman in Harmony, N.C.

Mr. and Mrs. Luther N. Stewart will observe their Golden Wedding Anniversary with Open House on Sunday, June 23 from 3 to 5 p.m. at their home on Webb Drive, Route 3, Loudon.

The couple were married on June 23, 1924. Mrs. Stewart is the former Vaul Lovin. Mr. Stewart is retired from Union Carbide, Y-12 Plant, Oak Ridge.

They are the parents of four children, Mrs. Robert (Nellie) Schrimsher of Athens, Mrs. C. A. (Betty) McKenzie of Knoxville, Mrs. Lon (Deane) Kiser of Loudon and Ray N. Stewart of Kingsport. They have 10 grandchildren and six great-grandchildren.

Woodmen Annual Picnic

The Modern Woodmen Insurance Company of American held their annual picnic at the Lion's Club Park on Thursday June 13. Host for the event was Ted Lomax, special agent for the Woodmen Organization in the Loudon County area.

Sixty three policy holders and their families were present. They each registered for a prize drawing. John Tuck of Loudon was the winner.

Lankford-Lowe Vows

Phyllis Lankford and Billy Lowe of Loudon were united in marriage on Friday, June 7 at Tabernacle Baptist Church in Lenoir City.

Parents of the couple are Bud Lankford and the late Virginia Lankford and Mr. and Mrs. William Henry Lowe, all of Loudon.

Jackson Is Ordained Elder

Johnny Jackson, son of Mrs. John Jackson of Loudon was ordained an elder in the United Methodist Church at the recent Holston Conference held in Knoxville.

Rev. Jackson, a graduate of Loudon High School, is now serving as Associate Minister of Trinity at Valley View Methodist churches in Oak Ridge.

Rev. Jackson is a nephew of the late William S. Napier.

Miss Bessette, Mr. Parton Wed

Miss Denise M. Bessette and Alan Parton were united in marriage April 20 at St. Raphael's R.C. Church in Trenton, N.J. with the Rev. Eugene Keenan performing the ceremony.

The bride is the daughter of Mr. and Mrs. Donald Bessette of Trenton. The groom is the son of the late Sgt. Carl Parton and June Parton, formerly of Loudon. He is the grandson of the late Bud Sewell of Loudon.

Mrs. Callie Sewell of Trenton and Mrs. Eva Massengill of Lenoir City.

Given in marriage by her father, the bride was attended by her sister, Mrs. Donna Donigan of Chester, Pa. as Matron of Honor. The bridesmaids were Miss Gayle Gosselin, Miss Jeanne Krier and Miss Rhea Parton, sister of the groom.

Frank Pasierb was best man. Ushers included Joe Bressant, Joe Hoyer, David Mums and Patrick Parton, brother of the groom. All of the attendants were from Trenton.

William Bolt of 400 Collins Street, Loudon, celebrated his 86th birthday on June 4. He was given a birthday supper by his great-grandson, Murphy Pennington of Loudon.

Son Born

Mr. and Mrs. Robert G. Cornett, Hines Valley Road, Lenoir City, announce the birth of a son, Robert Gene, Jr., born June 1 at Park West Hospital, weighing nine pounds and eleven ounces. He is the grandson of Mr. and Mrs. Robert D. Cornett of Hotchkiss Valley Road, Lenoir

Mrs. Gibson Joins Staff

Mrs. Johnny Sue Gibson Schöschan, a March graduate of the U.T. College of Home Economics at Knoxville, has been assigned to the Loudon County Agricultural Extension office for a 10-week field training course, Charles F. McCall, Extension Leader, announced this week.

"The training course will run from June 17 through August 21," explained McCall.

Johnny Sue is from Loudon County. Following field training she plans a career as an Extension agent.

While serving as junior assistant Extension agent in Loudon County, Johnny Sue will study both the youth and adult phases of Extension work, added McCall. She will participate in Extension meetings, events and activities.

VELVET WILBURN, 4-H Dairy Food Winner, gave her county winning demonstration at the Dairy Cook-Off June 5. She is the daughter of Mr. and Mrs. Richard Wilburn. She will attend the District event June 27.

Bonnie Talk

BONNIE SHEELEY
Assistant Extension Agent
Agricultural Extension Service
The University of Tennessee

An Ornamental Horticulture Field Day and Open House is scheduled for Tuesday, June 25, 1:30 - 9:00 P.M. Visitors by the bus load will be welcome. The Field Day will be held on the campus of the Institute of Agriculture, University of Tennessee. Points of interest will be:

- 15 displays of interest to home owners
- Hundreds of varieties of plants
- A close look at current research
- A house plant conservatory
- A plant diagnostic clinic. Bring a sick plant, a bad weed, or an unknown shrub. All will be identified.
- And finally it will be a good chance for everyone to visit the University.

For more information and a program call me at 458-2671.
DAIRY RECIPE ENTRY
The fourth place dairy recipe in Loudon County was submitted by Mrs. Catherine Siler of the Loudon Home Demonstration Club.

NUTTY CHEDDAR ROUNDS
2 1/2 cups shredded sharp natural cheddar cheese
1 cup softened margarine
1 teaspoon mustard
1 teaspoon paprika
1/3 cup finely chopped peanuts
Heat oven to 400 degrees. Combine cheese, margarine and mustard. Beat until thoroughly blended. Add flour and paprika; mix well. Shape rounded teaspoon full of dough into balls. Dip half of the ball into peanuts. Place ball, peanut coated side up on ungreased cookie sheet. Flatten crisscross style with fork. Bake for 12 to 15 minutes or until edges are lightly browned. Makes approximately 4 dozen.

Joe Watkins Honored By Methodists

BY CALVIN LUNSFORD
The Fellowship Class of Loudon United Methodist Church honored their teacher, Joe V. Watkins, for having served 50 years as a Sunday School teacher. Mr. Watkins, who began teaching a young boys class when he was only a teenage boy himself, has continued to teach different classes for the past 50 years. In these years he has served also as Sunday School superintendent, choir director and on many other committees and positions in the Methodist Church of which he has been a life long member.

The Fellowship Class, which is a mixed class, presented Mr. Watkins with a gift certificate in appreciation for his years of service. In addition to the gift certificate, the church presented him with a meritorious service pin.

Mr. Watkins, who recently retired as City Recorder, stated that his years of teaching had for the most part been a learning experience because he had received much help from those in the classes he had taught. When he began teaching, he gave New Testaments to many of the boys for their perfect attendance. Today some of the Bibles are still being used by those who received them several years ago.

Mr. Watkins was in the Dry Goods business with his father, the late E.E. Watkins for several years before he took over and operated the store himself. He later became the City Recorder from which he is now retired.

Mr. and Mrs. Watkins, a retired school teacher, state they "feel they have now reached the most rewarding goal of their lives."

DIXIE TWIRLING CHAMPION—Tonya Scarbrough, 10 year old daughter of Mr. and Mrs. Jerry Scarbrough of Loudon, became the Dixie Twirling Champion and was second place runner-up in Dixie's Most Beautiful Majorettes Contest held in Maryville on June 1. Tonya competed in the 10-11 year old age group and will now go to the World Finals of the World Twirling Association which will be held in December. She was sponsored by the Bank of Loudon County in this contest. Tonya is the granddaughter of Mr. and Mrs. Tom Littleton of Loudon and Mr. and Mrs. Richard Scarbrough of Lenoir City. She is a student of Mrs. Claudette Siah of Nashville.

Stops ruinous rust... gives anything metal a fresh start in life.

X-O Rust stops rust and corrosion on old surfaces, won't let it start on new metal. Dries to a beautiful, durable finish that resists moisture, sun, salt air, fumes. We Can Show You The Way!

Teens Here Spend \$2,805,000

Loudon County's teen-agers, growing in number and in affluence, have emerged as a consumer group with a strong economic clout.

They are spending an estimated \$2,805,000 a year for clothing, records, cars, cosmetics, costume jewelry, snacks and soft drinks, tape recorders, sportswear, entertainment and the like.

The findings are based upon facts and figures compiled by the Youth Research Institute here in a survey covering the nation as a whole.

It shows that America's teen-agers now have a personal income of over \$34.7 billion a year. This includes their weekly allowances and their after-school earnings—from baby-sitting, lawn mowing and other jobs.

According to the survey, those in the 16 to 19 age group

are the wealthiest. Girls in that bracket average \$22.15 a week and boys, \$20.85. The 13 to 15 set has much less, \$7.10 for girls and \$6.83 for boys.

For Loudon County's teenage population, which now totals 5,200, it produces spending at the average rate of \$350 a year.

That amount of purchasing power is of considerable importance to local retail stores.

The youth poll shows that girls consistently outspend boys, at all stages.

"Personal vanity is a chief reason for this difference," it states. "Girls invest \$11.10 a week to look better, spending it on clothing, cosmetics, beauty aids and jewelry, while boys seek to get by on much less."

"While girls buy heavily for themselves, the leading male

expense, \$4.60 is for dating and entertainment. Cars are in second place among boys, accounting for \$3.60 a week.

The survey shows, also, that teen girls are greater consumer resistances and have a higher fashion consciousness.

Of still greater interest to local merchants is the other

equipment they have been purchasing?

Somewhat more than they did a year ago, the latest figures indicate. It reflects the fact that families, locally and elsewhere, were more expansive in 1973 in their spending for high-price goods, thus adding to their installment debt.

Nevertheless, they have kept it within bounds. Because their incomes are higher than they were a year or two ago, they are in a position to carry a larger debt load. Inflation has been a drawback, however, making it harder for families to come up with their monthly payments.

According to the latest Federal Reserve Board report, installment debt in the United States now totals \$147 billion, which is \$19.2 billion more than it was a year ago.

In Loudon County, based upon the average earning and expenditure picture locally and upon national credit reports, the installment debt locally is estimated at \$1,350 per family.

That is the average, equivalent to about 16 cents of every dollar of income, after taxes. Some families owe much more than this and others owe little or nothing.

For the entire local population, the installment debt outstanding comes to an estimated \$10,924,000.

This takes into account loans for automobile purchases, credit for the purchase of other consumer goods, personal loans and loans for home repair and

family purchasing, from cars to carpets, estimated at close to \$50 billion a year nationally, over which the teen-agers have a direct influence.

In Loudon County, in line with the overall findings, this influence affects some \$5,000,000 of local spending per year.

Installment Credit Here \$10 Million

To what extent have Loudon County residents been making use of the large amount of installment credit available to them?

How much do they owe at the present time on the cars, washing machines, dish-

washers, furniture and other equipment they have been purchasing?

Somewhat more than they did a year ago, the latest figures indicate. It reflects the fact that families, locally and elsewhere, were more expansive in 1973 in their spending for high-price goods, thus adding to their installment debt.

Nevertheless, they have kept it within bounds. Because their incomes are higher than they were a year or two ago, they are in a position to carry a larger debt load. Inflation has been a drawback, however, making it harder for families to come up with their monthly payments.

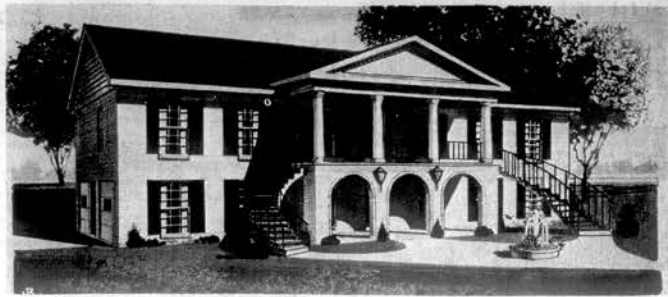

According to the latest Federal Reserve Board report, installment debt in the United States now totals \$147 billion, which is \$19.2 billion more than it was a year ago.

In Loudon County, based upon the average earning and expenditure picture locally and upon national credit reports, the installment debt locally is estimated at \$1,350 per family.

That is the average, equivalent to about 16 cents of every dollar of income, after taxes. Some families owe much more than this and others owe little or nothing.

For the entire local population, the installment debt outstanding comes to an estimated \$10,924,000.

This takes into account loans for automobile purchases, credit for the purchase of other consumer goods, personal loans and loans for home repair and

COLONIAL HOME FEATURES LARGE FAMILY ROOM

By W. D. FARMER

A casual opening from the foyer leads directly to the formal living and dining areas. These areas have been isolated from the normal traffic flow of the home to allow privacy when entertaining.

The large family room is centrally located and offers access to every area of the home. Also included is a warm fireplace. Sliding glass doors lead to a rear terrace.

The step-saving U-shaped

kitchen features lots of cabinet and counter space to ease in meal preparation. Included are such conveniences as a double sink, and a dishwasher. Location adjacent to both the dining area and breakfast area is another practical convenience.

The garden type breakfast area has a built-in desk to aid in family planning. A laundry with washer-dryer connections and a pantry for storage is here as well.

A real feature of this home is the playroom downstairs. This is ideal for a couple with young children or those who do a lot of entertaining. Entry can be made from the stairs from the family room, the garage or the front of the house

through a door under the porch. A half bath is adjacent. The drive under garage is bigger than average to allow for walking space around today's larger automobiles.

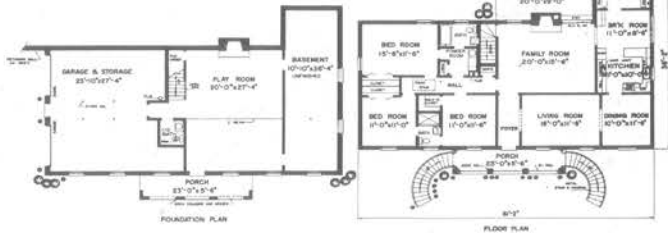

The rest of the home encloses the bedroom area. The master bedroom offers more than adequate closet space, separate powder room and private bath. The other two bedrooms have ample closet space and direct access to a full bath.

The distinctive exterior of this home has been designed to reflect old world colonial charm. Symmetrical balance, dentils, gable roof, the colonnaded front porch with forward extending gables and brick veneer siding help to

emphasize. Twin circular wrought iron stairs, leading to the main entrance, complete the design.

This home is designed to take advantage of that hard to build on lot that slopes from the rear to the front. The front of this home is two stories high while the rear is one story. This arrangement allows minimum grading and leaves most of the natural beauty of the lot.

The home contains a total of 1,891 square feet in the main floor, and 716 square feet in the basement. For further information on plan #857 write: W. D. Farmer, Residence Designer, Inc., P.O. Box 4968, Atlanta, Ga. 30322.

modernization. Not included are mortgage debt, charge accounts and single payment loans.

With repayments taking \$1 out of every \$6 or so out of the average family's net income, they amount to approximately \$10 per month per Loudon County family.

At Lejeune

Marine Cpl. Cornelius E. Henry, whose wife Anna is the daughter of Mr. and Mrs. Roy J. Farmer of Route 2, Lenoir City, returned to the Marine Corps Base, Camp Lejeune, N.C., after participating in artillery firing exercises at Fort Bragg, N.C. as a member of the 10th Marine Regiment, he took part in fire-power coordination drills during the exercises.

Four Loudon Countians have been named to attend the 25th Tennessee Environmental Study Camp for Future Farmers of America at Fall Creek Falls State Park, this week. Commissioner Granville Hinton, Commissioner of the Tennessee Department of Conservation announced this week.

Those from Loudon County who are attending are Ricky Maynard, Rocky Anderson, Danny Curtis and Bruck Jenkins.

The camp is conducted by the Division of Forestry and Educational Services,

Department of Conservation.

"The total area of forest land owned in connection with farms in Tennessee is about 5,000,000 acres," said State Forester Max Young. That is almost half of the total forest land area of the State. Under present management practices, the farm woodlands of Tennessee produce no more than one third of their potential. This fact alone indicates how important it is that the Future Farmers of Tennessee be trained in the fundamentals of good forestry practices. About 1870 boys have received such training at the Tennessee Training Camp since its beginning in 1960."

Four Attending Conference

Keep your air conditioner happy

A dirty filter on your air conditioner forces it to work hard. Straining to do its job, the air conditioner uses far more energy than it should.

This is wasteful. And you pay for it. The overworked air conditioner increases your electric bill.

The simple way to hold down cooling costs (and conserve energy) is to check the filter at least once a month. Clean or replace when necessary.

It's an easy way to keep your air conditioner happy.

SOMETHING TO REMEMBER

Filters are designed to catch dust before it gets into, and fouls up, your air conditioner or central system. When a filter gets dirty, you should either replace it (if the throw-away type) or clean and re-install it (if the permanent type).

Loudon T-League Seeks More Boys; Ratledge Calls For Uniforms Not Turned In Last Summer

The Loudon Recreation Program is still seeking boys for the 6-9 year old Tee-League teams. The Tee-League program is suffering

and stands to be dissolved if more interest is not shown by the boys and parents of children of this age bracket. Coach Bert Ratledge has

asked that all boys who did not turn in baseball uniforms last summer at the end of baseball season and is not playing this summer to please get their

uniforms in to him now. "We need the uniforms and know who checked them in and who did not last year, so to save a lot of problem we need for the boys to bring the uniforms on in to give to some one else."

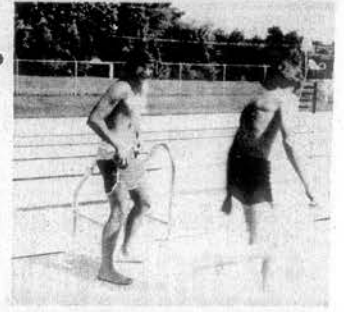

LOUDON LIFE GUARDS ANNOUNCED—The life guard corps which will be keeping a watchful eye on swimmers this summer at the Loudon Swimming Pool are left to right: Bart Carey, Bryon Lawson, Bart Iddins, Bill Davis, John Ratledge, and Mike Scott. On the ladder is Lynn Fickey, and Buddy Swiney appears to be on duty as he occupies one of the life guards stands.

City Golf Play Has Cobb And Archer Alone At Top

The Loudon City Golf League season is nearing the halfway mark and John Cobb and Richard Archer appear settled on keeping a lock on the league leadership. Cobb and Archer have 100 team points to date with 11 games last week. Their closest opposition comes from a host of teams.

Ted Lomax and Inky Swiney are presently in second place with 88 team points, followed by Jimmie Hall and Jim Moore, Ed Arnold and Paul Brakebill, and Larry Christian and Tom Sexton with 87 team points. Clell Miller and Bert Ratledge, Harrison Henry and Harold Grimes, Larry Millsaps and Lynn Millsaps are in fourth place with a total of 86 points and Harrison Henry and Harold Grimes follow with 85.

Defending league champion Larry Millsaps and Lynn Millsaps are resting in sixth place with 84 team points and a seventh place tie between Dennis Townsend and Ralph Stalcup and Ed Arnold and Paul Brakebill with 82 team points.

LOUDON'S FIRST STREAKER—The Loudon County Herald's news camera was "Johnnie-on-the-spot" last week in chance of getting a picture of Loudon's first streaker. But the news tip turned out to be only Loudon life guard John Ratledge teasing the eye of the camera as he came on duty to look after the swimmers at the Loudon swimming pool. But John says, "come on and enjoy the Loudon pool facilities, and who knows what might happen on one of these hot summer days." "Don't look Ethel... too late, it's all happening at the Loudon Swimming Pool from 12 noon till 6 p.m., seven days a week, 1 p.m. on Sundays."

Merchant Baseball Team Record Falls To 2-4

The Loudon Merchants baseball team of the Stan Musial Baseball League in Knoxville has recorded a 2-4 record to date. The Merchants dropped three games over the past weekend, but one of their season wins was over state tournament representative Oliver Snapper and the other against a South Knoxville nine.

Tommy Cook had four hits in the game and reached base twice more on fielding errors. He also scored three runs. Donnie Darnell had three base knocks and tallied three times. Kenny Henry, Bobby

Russell, Gene Ratledge, and Charlie Dye all had two hits in the game. Loudon will travel to Knoxville for games this weekend.

Maddox Lands Big One

LeRoy Maddox of Philadelphia caught a 51 pound buffalo white fishing on Watts Bar Lake with Lawrence Maddox of Greenback and L. D. Queener of Philadelphia. It took two and one half hours to finally land the fish. It was caught on a Drows Fly rod, with Sears 12 lb. test line using a worm for bait.

Area Weightlifting Contest Scheduled

Plans have now been completed for the Second Annual Appalachian Open Weightlifting and Posing Contest. The contest is scheduled for Saturday, July 16, at Everett High School Gymnasium in Maryville.

Competition will be divided into five weight classes: Class A: 135-lbs.; Class B: 136-149; Class C: 150-164; Class D: 165-199; Class E: 200-up.

Trophies will be awarded to the first place winner and runner-up in each of the five weight classes. The winner and runner-ups in each of the five weight classes will be determined on the basis of total weight in the jerk and snatch minus the body weight of the contestant.

Each lifter will be given two attempts at the jerk and snatch. The highest amount of weight lifted on either of the two tries will be recorded. The Posing Contest will follow the weight lifting competition. Trophies will be awarded to both first and second places. Competitors will be required to pose in several positions, displaying muscle development and body proportions.

There will be a \$250 entry fee for all competitors. Weigh-in for the contest will start at 7:30 p.m. with competition getting underway at 8 p.m. Admission will be \$1 for adults and 50 cents for students. For further in-

A LITTLE LOW, WOULDN'T YOU SAY?—Jack Nichols of the league leading Bank of Loudon County in the Loudon Recreation Softball League finds this pitch a little difficult to hit as it "bites the dust" just after passing the home plate area and rolls into the catchers glove.

\$1500 - \$2500 Cash Bonus For One Of These Jobs.

Not everyone can get the jobs listed below. You must qualify for them. But, if you do, and successfully complete your training, you'll be paid a cash bonus.

The bonuses range from \$1,550 - \$2,500 depending on the job. You'll be expected to serve a 4-year enlistment. But the bonus will be paid in a lump sum after your training. And most of the jobs are open to women.

In addition to the bonus, you'll also receive regular Army pay and benefits. A starting salary of \$326.10 a month before deductions with a raise to \$363.30 in just four months. Plus meals, housing, medical and dental care, and 30 days paid vacation every year. Here are some of the jobs:

- Construction Machinery Operator
- Missile Crewman
- Missile Repairman
- Electronic Repairman
- Electrical Instrument Repairman
- Radio Teletype Operator
- Map Draftsman
- Radar Crewman
- Radar Mechanic
- Radio Mechanic
- Electronic Technician
- Telephone Repairman
- Tank Mechanic
- Electrical Plant Operator
- Inventory Clerk

Athletics Slip By Reds 4-3

In one of the more outstanding recreation Youth League games of the summer the Athletics downed the Reds 4-3. Perry Purdy was the big man at the plate for the winners connecting for the Athletics lone base hit of the game and also working for a run batted in walk with the bases loaded.

Tony Julian and Eddie Clark got the two Reds hits.

Errors Help Orioles Win

The Loudon Orioles of the Loudon Babe Ruth League managed to slip by the Braves 11-9 last week in a game of numerous fielding errors. Henry Purdy slapped the winning base knock for the Orioles, a two run double. B. J. Moore's two hits led the Braves.

Cardinals Stay Unbeaten

The Cardinals kept record clean in Babe Ruth play by coming from behind to topple the Braves 6-3. The Braves were again plagued by mistakes and collected only one hit off the pitching arm of Ricky McCary. McCary assisted himself at the plate by pounding a triple and a single in the game.

Lindner Stays Alive In Blackshire Tourney

Gary Lindner, Lenoir City Real Estate Broker, is in contention for the tennis title of the Oak Ridge Blackshire Tennis Open now going on at OR. The tournament has a draw of over 800 players from the area.

Lenoir City Hosts Madisonville In Key Connie Mack Game Monday

The Lenoir City Connie Mack team will face one of the top league leaders in Madisonville this Monday night at Civitan Field at 8:00 p.m. The Loudon County CM entry is currently 0-7 in league play having dropped some close ones over the past week. Lenoir City fell to Etowah at Etowah 6-5. Rabbit Selvaige blasted a lead off home run but the lead changed hands to a 6-3 Etowah advantage by the seventh. Lenoir City scored twice in the seventh and left two runners stranded in the final inning.

On Friday night the Harrison Construction Company took advantage of a six man position change in the Lenoir City line-up to post a 15-1 win. Wayne Stamey was tagged for the pitching loss. Lenoir City failed to get a hit in the game with Bobby Smith scoring the lone run after a walk and three stolen bases circled him home.

The Lenoir City team bounced back to play powerful Athens off their feet on Monday night. The Athens nine won on an eighth inning home run, 1-0. Mike

McConkey was the loser going the distance on a six hitter. Madisonville has lost but a single game and is currently tied for the league lead. Madisonville with Greenback's Tony Lingerfelter firing a three hitter stopped Tellico 6-1 and Gerald Young and Mike Balsinger teamed to plich Madisonville past Harrison Construction Company 3-1.

Neal Foster had two hits for Madisonville against Tellico, while Marty Porter and Mike Balsinger collected hits in the Harrison win.

THE BAD AND THE UGLY—The most "unloved" part of any ball game is the umpires. They never seem to make a call that some one does not frown over or just can't see it their way. Yet their word is law no matter how bad or ugly the situation may become. But far from being the worst, it is two of Loudon's Recreation ump's who probably find themselves calling balls and strikes in their sleep by the end of the week after umpiring four games each night at Lenoir's Legion Field. Found a fine job and pictured from left to right Henry Mitchell and Jim Fields.

by Darrell Tuck

Last week we talked about the managers of the Senior Babe Ruth so in all fairness, today we'll see whose taking a part in the 13-15 Division of Babe Ruth.

J.C. Monger is the skipper for the league leading Cardinals. This is the second year of coaching for J.C. in Little League Baseball. J.C. plays softball for Hall Oil Co. when not with the Cards.

Dennis Rowe and Henry Chambers share the duties as the Braves managers. Both Dennis and Henry will be seniors when school starts.

The Orioles have Harold Brookshire for their manager. Harold takes part in three teams at Legion Field, two in baseball and the other in softball.

Ben Woods the leading batter in the Philadelphia Softball League is the boss of the Phils. Like some of the other coaches Ben has his son Jeff, playing for him.

The Dodgers have Larry (Tiger Lilly) Hughes. One thing's for sure if Tiger ever gets lost in baseball he's always got wrestling. Last Saturday he took the Dodgers to see his favorite hero Ron Wright.

Since the change in schedule the crowds have really enlarged. Thanks to you fans. If you haven't come out yet, they're games five nights a week at Legion Field.

SPECIAL NOTE: Next week the Herald will have the batting average in the Senior Babe Ruth division.

Cedar Hills Forms Tennis Association

The Cedar Hills Golf Club has just formed a Tennis Association with newly elected officers. Gary Lindner is the new president, while Jo Ann Thompson is the secretary and treasure of the association. The association is made up

of some 54 members is open to any Club member or can be joined separately. The Tennis Association plans an inter-club tournament later in the summer and is currently keeping a tennis ladder for its players to gauge the improvement of its players.

A tennis clinic is being conducted by the Association each Saturday from 2 p.m. till 5 p.m. at Cedar Hills.

Anyone interested in joining the Tennis Association should contact Mr. Lindner at 986-8086 or 986-8974.

Giants Lead Sr. BR Play

The Senior Babe Ruth, league leading Giants, sporting a 5-1 season mark, downed the Reds 5-3 Tuesday night. The Giants' bats were fairly well silenced by the Reds pitching as only Bulch Brown, Jim Brown, and Ronnie Roberts managed a base hit. A host of Reds made fielding errors to open the door to victory for the Giants.

Watkins Hurl Reds Over Expos

On Thursday night Raymond Watkins, who started the season as a regular for the Lenoir City Connie Mack Baseball team, took the mound for the Reds in Senior Babe Ruth play at Loudon and twirled a one hit, 10-1 victory over the Expos. The win was the second of the summer for the Reds over the Expos.

Watkins got plenty of batting support from team mate Dennis Queen, who blasted a triple and home run in setting the batting tempo.

Tigers, Giants Win

Sr. Babe Ruth Games

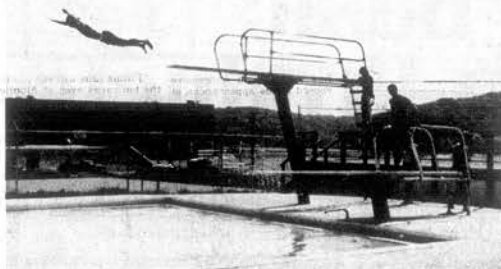

In last Tuesday night's Loudon Senior Babe Ruth play the Giants out slugged the Expos 2-0 and in a second game the Tigers upended the Reds 6-4.

Jack Jones and Ronnie Roberts each had two single for the Giants as they won their third game in four outings. The loss was the third for the Expos.

Canada Geese Nests In East Tennessee

"One of your geese out here has five goslings!"
This report received recently from a caller living on the banks of Melton Hill Lake signalled the success of one of the most far-reaching waterfowl programs to be undertaken in East Tennessee.

The caller was confirming that giant Canada geese nested successfully in east Tennessee this spring. The parent geese were two of many put on the lake as a result of a joint TVA-Tennessee Wildlife Resources Agency project.

The call was the first of several reporting breeding successes in the Melton Hill area and around farm ponds in Blount, Loudon, and Knox Counties.

"These goslings confirm our hopes and expectations that giant Canada geese will become year-round residents of the Tennessee Valley," Jim Burbank, TVA biologist, said. "This is the first year that the young geese raised at the Buffalo Springs Game Bird Research Center were old enough to nest."

"Adult geese transplanted from Michigan and Minnesota have also adjusted to Tennessee. Considering the trauma these northern geese have undergone and the youth of our local birds, we are highly pleased with the results of their first attempts at nesting," Burbank said.

As of the first week of June eight nests with a total of 16 goslings had been sighted on Melton Hill, and seven nests with 18 goslings had been reported in Blount, Loudon, and Knox Counties.

Melton Hill is one of several reservoirs around which starter populations of parent geese will be placed to

establish a year-round population in the eastern portion of the Valley.

The effort to establish resident populations will help offset declines in waterfowl resulting from destruction of breeding grounds in the

northern states and Canada. It will also mean more and larger flocks of ducks and geese for hunting, nature study, observation, and research in the Tennessee Valley area.

The focal point of the program over the past few

years has been the Tennessee Game Bird Research Center where parent geese from Michigan, North Dakota, Minnesota, and Illinois have been reproducing to provide starter flocks for introduction around reservoirs and farm

ponds in the eastern portion of the Valley.

Biologists hope that in the coming years the Valley will be able to point to a year-round population of more than 16,000 giant Canadas—maybe more.

Regional office in Morristown or to local Wildlife Officers.

Fishing Forecast

Most fishing is being done in early morning, late afternoon or at night in most areas due to the summer heat.

FORT LOUDON LAKE—Most species are slow at present but a few good bass were seen last week. Fly rodders were enjoying good fishing. Some fair cat fishing is going on, using worms or cut bait.

WATTS BAR LAKE—Crappies are good fishing at night with minnows in deep water. Bass is fair on top water or medium running lures. Blue gill very good on popping bugs or worms.

NORRIS LAKE—The water is high but if you stay after then some good strings can be caught. The stripes are

beginning to break in different locations with the Powell side having the most activity.

DOUGLAS LAKE—The water is in the Willows giving the bass plenty of room to roam, but fishing is good for Bass. You had better take a large variety of plugs with you when you go.

CHEROKEE LAKE—Bass fishing is still fair. The stripes are in the breaks but the rock-fish and Hybrid are still the best fishing.

CHILHOWEE LAKE—Trout fishing is good at night using corn tipped with red worms. Blue gill are good on crickets or bugs.

Upper end of the Little T River is good for trout on worms or corn. There was an eight pound Brown hauled in last week. He was caught on a crippled swimming minnow.

A variety of fish was seen on the lower end of the river last week with about that many kind of lures and bait being used.

Boats Must Be Registered

Effective July 1, 1974, Federal Law requires that all boats, mechanically powered as well as sailboats, be registered.

The Tennessee Wildlife Resources Agency and Federal officials will be making periodic checks to ensure that this law is being observed.

Inquiries concerning these requirements should be directed to the Tennessee Wildlife Resources Agency

Giants Clout Tigers 17-8

Saturday night was no night for a pitcher in Loudon's Senior Babe Ruth play. At least it wasn't in the Giants and Tigers game. The Giants erupted for 17 runs and outdistanced the Tigers 17-8 in a game that accounted for the most runs scored thus far this summer in Senior Babe Ruth action.

Butch Brown, Gary Gibson, and Paul Julian all hammered out two hits apiece in the slugfest. Mike McCall powered four hits, all singles, in leading the offense for the Tigers.

Evans And Campbell Carbide Golf Leaders

Carlos Evans and Nat Campbell have been edging closer to the Union Carbide Golf League top spot for several weeks, but not until this week has the dust been able to overtake the front running efforts of Eldon White and Dick Rosenbaum.

Campbell had a low net round of 33 to take individual medalist honors this past week and combined with partner Evans to score 21 team points and vault into the league lead with 118 team points to date. White and

Rosenbaum fell to second place with 111 team points to date.

Charlie Helms and Jack Delaney are in third place with 106 points followed by Henry Julian and Spencer Watkins with 102.

Austin Scarborough and Herbert Hodge claimed the low net round for team play with a round of 73.

Hodge and Dick Rosenbaum are deadlocked in a two way fight for the individual play leadership with 41 points each.

At Assembly

The General Assembly of the Cumberland Presbyterian Church is meeting this week in Bowling Green, Ky. Attending from Loudon are Tom Henry Jr., commissioner of the Knoxville Presbytery; Miss Mary Katherine Mize and Rev. Jack Ferguson.

Grimes Continues Lead Sampson Fires No-Hitter

The Marenton Golf League goes into its final week of the first half of the season this week with Harold Grimes holding a 3.5 lead over his nearest challenger. Grimes has accumulated 54 points to date while runner-up Mike Sims has 40.5.

Jim Hamill and Virgil Hart are farther back in the battle for the league lead as they hold down third and fourth place respectively.

Three players tied in last week's low net scoring with rounds of 22. They were Richard Archer, Bob Welch and Calvin Wilson. Each player won two golf balls.

Mike Sims placed second for the week with a 34 and got one golf ball.

The Phillies got a no-hit pitching performance from Richard Sampson routed the opposing Giants in Loudon.

Dixie Youth action 21-1. Jeff Woods, Jerald Allison, Paul Swiney and Sampson all had two hits in the explosive win.

Wood Duck Surveys Complete

Personnel of the Tennessee Wildlife Resources Agency have just completed Wood Duck stream surveys on the Upper and Lower Holston, Little, Nolichucky, and Clinch Rivers. The same 1030 mile segments of these rivers are

floated each year and the number of Wood Ducks and Broods are counted. This information is used to determine the amount of Wood Duck production. Based upon

this, recommendations are made to the Mississippi Flyway council on the setting of Wood Duck Seasons to allow hunters the greatest opportunity without damaging the duck population.

These surveys revealed that the Wood Duck population is very high on the upper Holston, high on the lower Holston, moderate on the Little and Nolichucky and low on the Clinch River.

Court Postpones Code Six Months

(Continued From Page 1)

Southern Standard Building Code.

After a 30-minute period of discussion, Squire J.J. Blair, with a second from Squire Boyd Duckworth, moved to further delay enforcement of the code for six months.

J.W. Wilburn Jr., representing the family firm, and speaking for the delegation, said he could see no advantage to having such a code in the county and he could not find any person who favors it.

Wayne Carter, of Carter Lumber and Builders Supply, said a committee of builders and suppliers had studied the code for months to recommend some modification and that they could not see any benefit in adopting the code at all, because, he said, it would put the builder, the supplier, and the home owner in Loudon County at a disadvantage financially, compared to surrounding counties.

Wilburn said that adoption of the code would not guarantee the home builder a better house, but he insisted it would greatly increase his cost.

It was contended that most builders in the county already meet all the standards in the code anyway. Judge Sproul observed that since this is true, he could not see why there were any objections.

Carter said that when the committee he was on appeared before the Planning Commission, not one planner had read the proposed code. If they did not know what it was, how could they recommend it for enforcement, he wanted to know.

Judge Sproul pointed out that it was the intention of the Court to allow for modifications of the code to make the builders happy. He also revealed that there is a possibility that the state will adopt a state building code. Loudon County, he said, would do well to have a code in force to avoid being trapped by disagreeable state regulations.

State Planner Steve Campbell contended that the code would guarantee better construction for the home owner. Wilburn and Carter disagreed. Campbell acknowledged that the requirements of the code would add about 10 percent to the price of a home.

Squire Blair, calling for the delay in enforcement, said the Court should keep an "ear to the ground" and not let the state force a code on the county, but at the same time, he insisted, the county should not enforce a code that would be unfair to the people and to the builders.

A MOTION WAS PASSED that would guarantee the residents of a three-mile section of Prospect Road in the Fourth District, that the road will be blacktopped.

The section of road in question lies between Prospect Church and the Clarence Pettis property. A resident of the area told the Court that 13 of 14 property owners have conveyed the

necessary 50-foot right-of-way to the county, and he asked that the county guarantee the remaining right-of-way to be obtained by condemnation, if necessary.

This was approved on motion by Squire Blair and Squire Roy Bledsoe. It was pointed out that less than a half acre is needed from the property owner, who has refused to donate the property. Road Commissioner Lillard Bledsoe said as soon as the total right-of-way is obtained, the road will be improved and blacktopped.

THE COURT VOTED to accept a \$50,000 loan from Farmers Home Administration for the water system proposed for the Greenback area.

Judge Sproul explained that a similar loan is being made to Monroe County, and that the agency has asked for a guarantee from each county that the money will be repaid. Plans call for the loan to be paid from water system revenues and the Judge pointed out that while no one would guarantee that the county would never have to be liable for the loan, it looks extremely unlikely that that would ever happen.

The water system, to serve the Greenback area, Vonnor, and to provide water for the Madisonville water system, as well as for the anticipated industrial area expected to accompany the Tellico Dam, will be conducted by Tellico Area Services System, an agency created jointly by Loudon and Monroe Counties. The system has received \$500,000 from TVA, \$500,000 for each county from the Housing and Urban Development agency, and \$185,000 and Monroe County \$200,000 in Appalachian Regional Commission funds, all for the proposed water system.

"We have gone too far to back out now," commented Squire I.D. Conner in making the motion to accept the loan. Squire J.C. Hudson, who represents the Greenback area, seconded the motion passed unanimously.

ON MOTION OF Squire J.J. Blair, the Court adopted a program to establish an Occupational Safety and Health Program for Loudon County to substitute for state and federal OSHA requirements. Judge Sproul explained that if the county is to exempt itself from state and federal regulations, it had to be done by July 1. The program adopted was the same as one adopted recently by Murray County. Civil Defense Director Ted Randolph was appointed as inspector for the program, although he pointed out that his Civil Defense term will expire with that of the County Judge on Sept. 1. He agreed, however, to serve as Health and Safety inspector until that time.

"Well, as one Republican on County Court, Ted, I want to tell you I think you have done a good job," observed Squire R.P. Hamilton.

The local health and safety regulations will cover public buildings, use of safety aids and equipment by county employees, county vehicles and other equipment.

AT THE REQUEST OF State Health Department official Allen Murray, from the Knoxville office, the Court approved designation of approximately \$6,000 in accumulated savings to be spent for the Loudon County Health Dept. budget. Mr. Murray explained that the money was part of approximately \$11,000 or \$12,000 which has been accumulating over several years and has, until now, been held by the state in Nashville. As a result of a recent state-wide audit by the Comptroller's office, these savings are being returned to the counties, including Loudon County, to be used for Health Dept. purposes. In Loudon County's case, the difference between the \$11,000 or \$12,000 total and the \$6,000 to be returned will be used for another budgeted item.

THE JULY MEETING OF County Court will be held on Monday, July 15. Traditionally, Judge Sproul pointed out, the July meeting date is moved because it falls so close to July 4, Independence Day. It is at that meeting that the tax rate is expected to be set.

As a part of Squire J.J. Blair's motion, the meeting will be at 9 a.m. "Let's have it at night," requested Squire Boyd Duckworth, who has attended night meetings at night. No one responded, and the motion was approved. "I'll fool you, I'll come to one," said Duckworth, whose daytime job has prevented him from attending several daytime meetings.

Judge Sproul reported to the Court that several young people are working in the county on a project similar to the Neighborhood Youth Corps. "We hope we may get some more slots," he said. Applications for employment in the program can be made at the Judge's office or through the Neighborhood Service Centers at Lenoir City and Loudon.

ON MOTION OF Squire Conner, the Court authorized application for "at least two ambulances and more if they can be justified" from the state. Judge Sproul conceded that probably only one will be approved under a 75 percent grant from the state, "but since we are now leasing two, it seems we should apply for at least two."

The County recently took delivery of its first ambulance, funded under the 75 percent state grant.

Judge Sproul announced that \$301,000, or about half of the cost of the County Justice Center has been expended and the project is about three weeks ahead of schedule.

The court approved a resolution to enter into a grant agreement with the State for the Emergency Operations Center, which is being funded by a \$75,000 grant.

Judge Sproul said that a study of the bids for the

communications system of the Center showed that the bidders read the specifications differently, which explained part of the \$20,000 spread in the bid. It may result in rebidding the system.

The system is financed by a 95 percent federal grant.

Squire Boyd Duckworth said that he has had several complaints about a private

solid waste collector in the county and said the county Solid Waste Committee will meet on this matter in the near future. He said the complaints were coming from the Lenoir City area.

Squire I.D. Conner said the hospital board has entered into an agreement to finance the medical school education of two Loudon County men. He said that for a \$20,000 investment each, the men have agreed to return to Loudon County to practice upon

completion of their education. Should they decide to practice elsewhere they would repay amount \$5,000 higher than the loan grant, plus interest.

A study is being made of the costs for converting the old Bacon Hospital into doctors' offices, Conner said, but no recommendation is ready at this time.

He reported that hospital bed rates had been increased to \$84 a day for private rooms, \$49 for semi-private and the ambulance service fee had

been increased \$5 to \$35 per call.

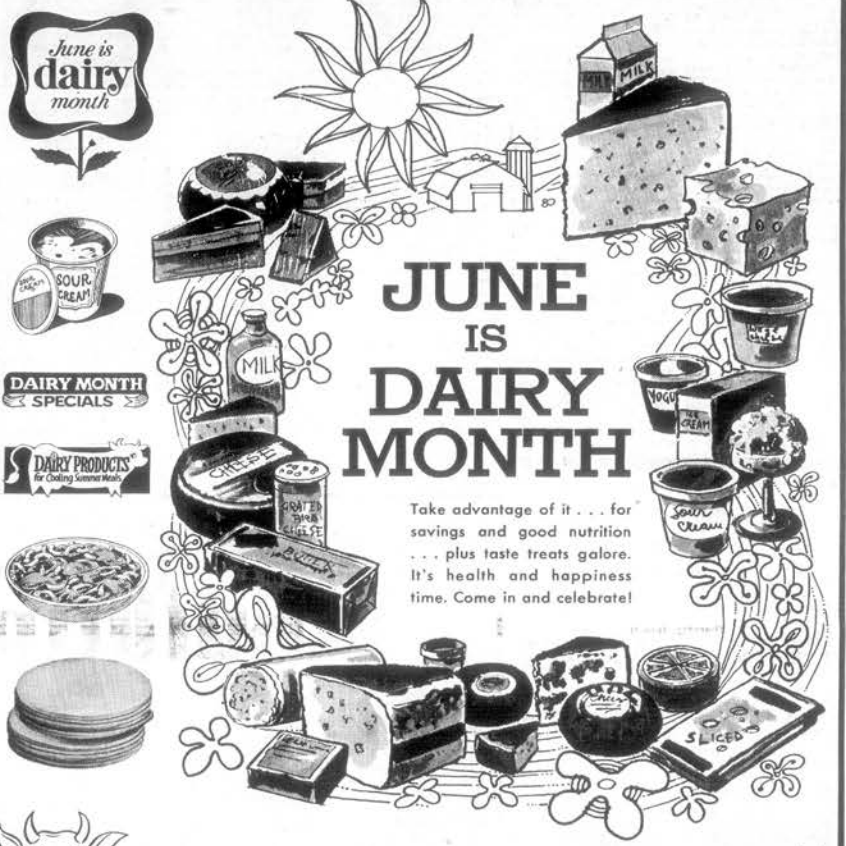

County Civil Preparedness Director Ted Randolph reported that a position of Assistant Coordinator of Emergency Services for the county has been created. It is being filled by the County Ambulance Service Director, who will receive half of his salary from Civil Defense. This action is pending Hospital Board approval.

An amendment to earlier minutes of the court was made

to correct an error made in rezoning property in the area of Munsey Brothers Products Company plant at Lenoir City. Judge Sproul said when a block of property in the area was changed from industrial to Residential the boundary was drawn incorrectly and included the Munsey property. Elected to the office of Notary Public were Ray E. Long, Desmond T. Lomax, Linda Mouts and Rachael Weaver.

The meeting adjourned at 10:15 p.m.

JUNE IS DAIRY MONTH

June is Dairy Month

Milk for Protein Power

For high-quality low-cost protein, Milk gives you the winning edge.

Let's look on the good side of things during Tennessee's June Dairy Month.

Today milk and dairy products still mean high-quality protein at low cost for your family. In Tennessee, the dairy industry is one of our state's basic industries, and June Dairy Month is a time for you to show positive support. For real protein power, enjoy milk every day.

PARK NEARING COMPLETION—The Loudon municipal park development, a \$350,000 project spanning more than two years of construction, is finally nearing completion. Workmen are shown completing a concession stand behind the little league baseball field and checking grade of ground near the tennis courts and utility court.

Broome Is New Sears Manager

Grover Blevins, who served as manager for the Sears store in the Lenoir Shopping Center since its opening five years ago, retired Thursday, June 13 after 14 years' service with the company.

Blevins said he is taking an early retirement so that he can "travel, do some gardening and take life easy."

Before coming to Lenoir

City in 1969, he was appliance manager at the Alcoa and Oak Ridge Sears stores.

He praised both the customers and his employees. "I've enjoyed the people in this town. I have found it difficult to leave now that the time has come. The people have been most pleasant. I've enjoyed this the most of any Sears store I have worked

with. I've had an unusual group of employees. They were all local people and have helped make the store a success."

The store's new manager is Bob Broome, who has been with the company for 27 years. Both men have been personal friends for about 30 years, and Blevins worked under Broome at the Oak Ridge store where Broome was manager for eight years. Broome and his wife, Barbara, have two daughters

IN STATE "LITTLE MISS" PAGEANT—Rebecca Ruth Dockery will represent Loudon County in the "Little Miss Tennessee" pageant July 1-6 in Murfreesboro. She was sponsored by the Lenoir City Jaycees in the Tennessee District pageant in Maryville where she carried her way to the state pageant. She won two trophies at the Summer beauty pageant in Maryville held in May. She is the daughter of Mr. and Mrs. Carl Dockery of Lenoir City. Grandparents are Rev. and Mrs. Wayne Froops of Lenoir City and Mr. and Mrs. George Dockery of Friendsville. She will be sponsored in the state pageant by several Loudon and Lenoir City businesses.

TIP TO MOTORISTS
If you've plans for tomorrow, cut your speed on the traffic packed highways of today.

Kathy, 14, and Cindy, 19, who is a student in the Fort Sanders School of Nursing.

"We're looking forward to serving the community with good service and quality products. I'm happy to be in Lenoir City."

James E. Nelms, Jr., celebrated his seventh birthday May 21. He is the son of Mr. and Mrs. James Edward Nelms, Sr. of Philadelphia. Grandmother is Mrs. Ethel Nelms of Philadelphia.

Face Fly, Cattle Eyes Big Problem

By Charles F. McCall
Extension Leader

Pinkeye is a major problem of Loudon cattlemen in the summer and fall and control of the face fly is important in prevention of the disease.

Pinkeye is associated with the face fly in most cases. The face fly spreads the organism which causes pinkeye from cow to cow. Bright sunlight is another factor in development of the disease.

One of the first signs of the disease is excessive weeping or tear drainage from the affected eye, McCall explains. As the disease progresses, the lining of the eye socket becomes inflamed. The pupil becomes cloudy and an ulcer develops on the eyeball.

Cattle with sore eyes are uncomfortable, do not graze normally, and are likely to lose all or part of vision in the

eye affected. If both eyes are affected, the animal may become completely blind. Blindness in one eye makes a cow difficult to handle. Sore eyes in calves cause considerable loss of weight.

Prompt treatment of pinkeye can result in complete recovery of sight. Remove the affected animal from the herd and place in a darkened barn. Treat the eye with powdered or liquid sulfa and/or an antibiotic preparation to control infection and speed up healing. Eyes which are severely inflamed or white in appearance may be helped by injecting an antibiotic directly into the lining of the eye socket. This is best done by a veterinarian.

Unfortunately there are no insecticides which will give complete protection from the face fly. Back rubbers and dusts charged with 5 per-

cent Co-Ral, 3 percent Clodrin, or some similar organophosphorus compound, can be placed where the cattle come in contact with them daily.

Other measures to help control pinkeye are: 1. Clip pastures to remove tall grasses with awns and seeds that irritate the eyes. 2. Provide shelter for cattle during the day. The face fly does not enter buildings.

Schrimsher Is Assigned

Army Specialist Four James M. Schrimsher, 22, son of Mrs. Buna Schrimsher, 913 Vale, Loudon, is assigned to the 13th Support Brigade, Ft. Hood, Tex.

His father, Leo Schrimsher, lives on Commerce St., Loudon.

LETTERS TO THE EDITOR

Mr. Larry Cate
c/o Loudon Herald
Loudon, Tenn.
Dear Larry:
On behalf of the American Cancer Society, I want to thank you for your cooperation during our recent Cancer Crusade. Never have I known anyone to be as understanding as you are. Your paper does so much for public service.
I'm sure our success in reaching our challenge goal was due in a large part to good publicity.
This was our most successful year in all areas. We rendered more service locally, touched more people educational wise and sent a much larger contribution for research.
On our desire to wipe out this dread disease and when we do who can say those dollar and dime did it.

Gratefully,
Major Pease
President
Loudon County Unit
American Cancer Society

Carey Attends

Ham Carey of Greer's True Value Hardware Store of Loudon recently attended the 33rd semi-annual national True Value Hardware Store Fall & Winter Merchandising Market & Convention held at Cotter & Company headquarters in Chicago.
The Market was held to acquaint the over 4,600 True Value Members nationwide with new merchandise, market trends and promotional programs for the 1974 Fall and Winter selling seasons. In addition, Members had the opportunity to order merchandise from one of the world's largest, most comprehensive selections of gifts, appliances, housewares, hardware and other related lines of over 700 leading manufacturers.

75% Here Own Homes

One firm asset that most families in Loudon County can count on, in these times of economic uncertainty, is the homes that they own.
Their equity in these homes, representing their market value minus the mortgage debt outstanding on them, comes to a hefty \$31.2 million, it is estimated.
This refers solely to single-family, non-farm dwellings that are owner-occupied. Not included are multi-unit properties that are rented and units that are vacant.
The facts and figures on homeowner assets, locally and elsewhere in the United States, are based upon data gathered by the Department of Commerce in connection with its latest Residential Finance Survey and upon data from the last Census of Housing.
Nationally, the figures indicate, the value of these single-family dwellings adds up to more than \$684 billion. In the local area the total is approximately \$64.9 million.
The survey shows that most homes are mortgaged. Of the 31 million single-family properties in the country, 61 percent have mortgages on them, up from 57 percent in 1960.
In Loudon County's regional area, some 60.5 percent have mortgages. The others are owned free and clear.
On the average, the figures indicate, mortgage debt on single-unit homes amounts to

52 From County On U-TK Dean's List

Fifty-two students from Loudon County are among the University of Tennessee, Knoxville students whose scholastic achievements placed them on the dean's list for the spring quarter of 1974, according to records compiled by the Office of the Dean of Admissions and Records.
The list of students includes only full-time, undergraduate students on the Dean's List at Knoxville. Part-time, law and graduate students are not included.
Students whose quarterly average is 3.75 through 4.0 earn Highest Honors; those who make 3.40 through 3.74 earn High Honors; and those with a grade average of 3.00 through 3.39 earn Honors.
Loudon County students attaining a position on the honor roll are:
(Highest Honors): Judy Mae Cornett, Norma Lynn Freedman, Gary Lee Johnson, James Oliver Kuggans, Jr., Joan Eblen Morton, Robert M. Peach, Jr., William Franklin Stafford, Vada Nadine Stanley, Ann McCutche Ward.
(High Honors): Mary Ann Allison, John Milton Bodien, Sue Stout Canter, Janice Marton Eller, Betty Carmichael Greer, Emily Kathleen Hines, Melanie Horton, Carol Jenise Hall, Deborah Deane Kinzairg, John Everett Rausin, Robert Stuart Resseguie, Nancy Vann.
(Honors): Diane McNabb Allmon, William Dale Amburn, Judy Kay Bailey, Carl Joseph Black, Peggy Louise Bledsoe, Laura Katherine Booth, Nancy Lee Brooks, Bart Greer Carey, Don M. Dewey, Cynthia Elaine Edwards, Susan Jane Freedman, John William Gaddis, Mary Reams Harrison, George Dewain Hildreth, David William Hipes, Patricia Gail Hall, William F. Kyker, Mary Katherine Longworth, Bruce Edwin Lynn, James Edward Maples, Ray Gordon Ruid, Gary Wayne Shell, Earl Hall Smith, Samuel Allen Stevens, Beverly Ann Sweeney, Eddie Paul Tinnel, Lynn Denise Turner, Marsha Waller, Mose Lee Waller III.

Deaths

MR. BROWN
Dorsey Lee Brown, age 69, Route 2, Loudon, died Tuesday, June 11.
Survivors include: wife, Mrs. Jessie Palmer Brown, Loudon; daughters, Mrs. Herbert (Stella) Dotson, Wartrace, Tenn., Mrs. Burton (Golden) Reed, Ga., Mrs. Ronnie (Helen) Ward, Lenoir City; sons, Billy, Raymond and Jimmy Brown, all of Ga.; sisters, Mrs. Ellen Oake, Miss Annie Brown, both of Loudon; brother, Arthur Brown, Loudon; eleven grand-children; two great-grandchildren.
Funeral services were held Thursday, June 13 at Mt. Zion Baptist Church. Rev. Bernard...
about 52 percent of their market value.
On that basis, the market value of local, one-family dwellings is offset by mortgage obligations of close to \$33.7 million, leaving home owners in the area with an equity of approximately \$31.2 million.
Savings and loan associations are the principal holders of conventional loans on single-unit homes, according to the report. Next in order are banks and life insurance companies.
According to the latest tabulation, some 75 percent of the homes in Loudon County are now owned by their occupants.
This compares with the United States average of 62 percent and with 66.7 percent in the East South Central States.
Courtney, Rev. Barkley Gray officiated. Interment, Mt. Zion Cemetery. Kames Funeral Home, Loudon, in charge.
MR. ELDRIDGE
Ralph Harvey Eldridge, age 68, Route 3, Loudon, died Friday, June 14 at UT Hospital after a brief illness. He was a prominent farmer, deacon of New Providence Baptist Church, member of Loudon County Farm Bureau.
Survivors include: wife, Ruth Dutton Eldridge; three daughters, Miss Cythia Eldridge of Atlanta, Ga., Mrs. James (Nora Ann) Woods, Loudon and Mrs. Joe (Betty) Henderson, Loudon; three grandchildren; brother, Albert, Loudon.

986-2972 or 458-2043. Riders Will Be Picked Up In Front Of Nelson Shoe Shop, Lenoir City

Last year we brought you over a billion dollars worth of furniture. You've got a lot riding on us.
A lot of furniture rode our rails in 1973. We estimate that the manufacturers' value of furniture we shipped amounted to \$1,120,000,000.
And when you put Southern's shipments together with all other railroads, you've got almost half of all the furniture Americans buy.
Why do the furniture industry and so many other industries ship by rail? They know it's usually the most economical way to go. Consider these figures for the thousands of things shipped by rail. The average cost per-ton-mile by truck is five times as much as rail. Air shipping is almost fifteen times more expensive.
And the fuel crunch has made railroad efficiency more than just a matter of dollars and cents. It's a matter of delivering the goods with the smallest possible use of fuel.
Then there's the reliability of rail shipping. Add this on to everything else and you have a good idea why there's so much riding on us. And why you need Southern.

CARD OF THANKS
We would like to thank everyone for the kindness shown during the death of our loved one, Fronia Taylor. Especially the friends and neighbors of West End, Loudon for the flowers, food and all acts of kindness.
W. B. Taylor and family.

LEGAL NOTICES

ORDER OF PUBLICATION NON-RESIDENT NOTICE
No. 1774
Claude Herman Chrisman vs. Lora Aileen Moats
In the General Sessions Court of Loudon County, Tenn., at Loudon, Tenn.
It appearing from the bill in this cause, which is sworn to, that Lora Aileen Moats, Chrisman resides out of the State and cannot be personally served with process, it is ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the third Monday in July next, and make defense to the bill filed in the above cause, which seeks absolute divorce, or otherwise said bill will be taken for confessed and cause proceeded with ex parte.

This the 12 day of June, 1974.
Billy Joe Atkins, Clerk of said Court.
Charles T. Eblen, Solicitor for Plaintiff.
6-20-74.

ORDER OF PUBLICATION IN THE JUVENILE COURT OF LOUDON COUNTY, TENNESSEE
NO. 1928 (10-144)
State of Tennessee Department of Public Welfare, Petitioner vs. Teresa Gail Davis Carson, respondent (whereabouts unknown), defendant.
In this cause, it appearing to the Court from the allegations of the Petition seeking to terminate forever the parental rights of the Defendant, Teresa Gail Davis

Carson to Kenneth Wayne Carson, a copy of which Petition may be obtained at the Office of the Juvenile Court of Loudon County, Tennessee, at Loudon; that the whereabouts of the Defendant is unknown, and therefore, ordered that said Defendant enter her appearance herein on June 24, 1974 at 10:00 a.m., a rule day of said Court and plead, answer, or demur to the Petition filed against her, or the same will be taken as confessed as to her and set for hearing ex parte, and that a copy of this Order be published for four (4) consecutive weeks in the Loudon County Herald, a newspaper published in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the third Monday in July next, and make defense to the bill filed in the above cause, which seeks absolute divorce, or otherwise said bill will be taken for confessed and cause proceeded with ex parte.

This the 12 day of June, 1974.

Health Council Meeting Set
The Loudon County Health Council will meet Thursday, June 20 at 7:30 p.m. at the Loudon Utilities Building in Loudon.

Mental Center Opens Tuesday
Overlook Mental Health Center will open its first satellite clinic on a limited basis in Maryville on Tuesday, June 25. The clinic will operate on an out-patient basis every Tuesday from 9:30 until 3:00.

The satellite program is part of Overlook's plan of taking mental health services to the people in the communities it serves. Another clinic is scheduled to open soon in Monroe County, followed by similar operations in Loudon and Sevier Counties.

The house in which the clinic is placed is located at 719 Simerly Street, directly behind Blount Memorial Hospital, and is leased by the hospital to Overlook. Volunteer workers have spent many hours painting, decorating, and fixing up the house.

I guess this could well be described as the most popular corner in our town before and during World War II. Our town, like many others has changed. Boys don't hang out at the drugstores now like they did when I was a young man. I guess TV and cars keep them on the go and at home. In those days if you took your best girl to the old Lyric theatre, you stopped on the way or after the show at the Pharmacy for a coke, soda or ice cream. This was living pretty high on the hog.

remembered by many of us from the Good Old Days in our town. Of course, Ernie and Henry Richesin continued to operate

this popular business in the ensuing years. The policeman on the left is no stranger to Loudon folks of those years. He is the late Happy Billingsley, who was a policeman for many years and well earned the nickname "Happy" with his constant jovial mood. I guess he could get tough when he had to, but most of the time was very jolly. He was a policeman when they furnished their own

I am reasonably sure that if you mentioned Loudon Pharmacy or Richesin Drug Store to any of the folks from the Good Old Days in Loudon, you would by no means have reference to a strange place. Somehow this place of business became a focal point in our town Loudon for many years and if you were cal-

ching a bus to the City of Knoxville, meeting your friends or just dropping in for a soda or ice cream cone, this was the place in Loudon to do it. The Richesin boys were here seven days a week always ready to greet you with a humorous crack or a smile, which seemed to be all in a days work for them.

Bolt Charged In Shotgun Shooting

Eugene Bolt of Lenoir City was charged with felonious assault by county deputies last Wednesday night after he allegedly shot two men with a shotgun. The incident took place in the Bucktown community near Lenoir City.

Treated at Loudon County Memorial Hospital for shotgun pellet wounds in the leg were Bill Howard and a 15-year-old youth, Walter Thaxton.

Howard told officers that he went to the door of his home and saw a man and woman on the street arguing. Just as the Thaxton youth came to the door also there were two shots. The second shot struck the two victims.

Deputy Kenneth Brown, who, along with Larry Propps and juvenile officer Joe Sims, investigating the incident, said that he had been told that Bolt had earlier left a tavern and went home to get his shotgun. He said then apparently Mrs. Bolt went after her husband, who was reportedly on foot, and tried to get him to come home. It was while they were talking near the Howard home that the shots were reported to have been fired. Bolt was arraigned by Judge Tom Ingram Thursday and ordered to appear in Sessions Court on Friday, June 28 for preliminary hearing. Bond was set at \$3000.

I-75 Construction Worker Killed

A 19-year-old Cookeville man was killed in a construction accident on Interstate 75 at Philadelphia about 5:30 p.m. last Wednesday. The victim was Raymond R. Cobey, an employee of Tennessee Blacktop Inc. of Brentwood.

County Deputy Larry Propps said that workmen at the scene told him that they are not just sure what happened. Cobey was working with a shovel in the asphalt hopper of a paving machine. Somehow the victim was knocked to the highway and the rear wheels of the paving machine ran over him. His chest and head were crushed.

Loudon County Ambulance Service attendants said the man apparently died instantly. He was dead on arrival at Loudon County Memorial Hospital at 5:50 p.m. Wednesday. The company was paving I-75 about a mile south of the Highway 73 interchange at Loudon, just south of where the interstate crosses Dry Valley Road.

Mr. Cobey had been staying in a motel in Sweetwater during the week. It took authorities about three hours to notify his family in Cookeville. The body was taken there for funeral services and burial.

Few Clues In Cornett Murder

AT MURDER SCENE—Sheriff Freeman Russell and TBI Agent Wade Ingram are shown looking at the body of Henry Cornett (under the plastic cover) in the front yard of the Cornett home where the man was killed by a small caliber shot in the head Friday morning.

Sheriff Russell said that Mrs. Cornett called the jail at 9:50 a.m. Friday and reported that her husband had been shot. He said when he and other officers arrived at the home which is near the Eatons Community, they found Mr. Cornett lying face up on the ground with a bullet wound in the top of the head.

Mrs. Cornett said she and her husband had slept late Friday morning and he had been outside painting just a few minutes when she heard the shot. She said when she went to the door just seconds after the shot her husband was on the ground.

The straw hat he was wearing bore evidence of the shot and the paint brush he was using was beside the body, just about six feet from the front porch of the modest home.

The body was taken to Blount Memorial Hospital for an autopsy and to have the bullet removed from the victim's brain. Sheriff Russell said after the bullet is analyzed perhaps there would be some new development in the case.

Officers talked with neighbors of the family and apparently none saw anything unusual. The victim's brother, Jim, who lives just across the road, said he was in the kitchen of his house, heard the shot, went outside but saw nothing.

Sheriff Russell said it is possible that the man was wearing a straw hat with a bullet, but since Mrs. Cornett heard the shot and so did the brother, he believes Mr. Cornett was shot by someone laying in wait or from a passing car.

The Sheriff said that Mr. Cornett was apparently bent over the saw-horses painting the boards for his truck, explaining the entry of the bullet in the top of the head.

Officers involved in the investigation include Sheriff Russell, Deputy Kenneth Brown, Coroner Dr. W.B. Harrison, and TBI Agents Wade Ingram and Leon Miller.

Funeral services for Mr. Cornett were held Sunday at Hawking Funeral Home Chapel in Lenoir City with Rev. Billy Joe Mills officiating. Burial was in Loudon County Memorial Gardens.

Survivors include the widow, Mrs. Myra Dabson Cornett; three children, Mrs. Helen Schubert of Loudon, Emory Robert Cornett, Dayton, and James Henry of Knoxville; 11 grandchildren; mother, Mrs. Julian Cornett of Knoxville; two brothers, Jim and McKinley of Lenoir City; sisters, Mrs. Margaret Smith, Knoxville, Mrs. Christine Russell, Lenoir City.

4th Celebration Plans Confirmed

Further plans for the July 4th Celebration at Loudon were announced this week by the sponsoring organizations: the Loudon Lions Club and the Loudon Jaycees.

Jaycee President Kyle Anderson said the plans for the parade are still informal with every entry, horses, wagons, antique vehicles, decorated bicycles, decorated motorcycles, emergency vehicles, floats and marching units of all types invited.

He said the lineup for the parade would be at 9:15 a.m. on Carter Street next to the high school.

The parade will leave the school at 10 a.m., take a route of Steekee Street to Ward Avenue, down Cedar Street to Grove Street, and disband at the Legion Building. Parade entries need not register, but be at the lineup point at 9:15.

Immediately following the parade the Loudon Lions Club Family Carnival will start at 11 a.m. at the Lions Municipal Park on Hobson Springs Road.

Chairman Jim Savage said that the festivities there will last until 8 p.m. with bingo for all ages, the grassy pole, greasy pig, basketball throw, fish pond and weight guess games.

Four country hams will be given away by the Lions. There is no admission to the carnival. Mr. Savage said that there will be plenty of parking space available nearby the park.

Food and drinks will be sold by the Lions throughout the rounds of amusement of various sites.

Under the contract the hospital will provide \$600 per year for each man for three years. The contract can be repaid in two ways. First if they do not wish to return to Loudon County to practice medicine after their education they must pay back all the money with retroactive interest, compounded semi-annually at eight percent, plus a \$2,500 penalty. If they establish a medical practice in the county for each year of practice they will satisfy one year of their medical school funding.

The Hospital Board felt that this program would be one way to help young people of the county get an education in medicine and perhaps get them to return home to practice.

Two young men from Loudon are the first recipients of a new loan-grant program of the Loudon County Memorial Hospital designed to bring new doctors to the county.

Last week Buddy Guider and Vann Helms, both 1970 graduates of Loudon High School, signed a contract with the hospital for financial assistance with their medical school education. Both men have been accepted by the University of Tennessee Medical School at Memphis and start their training there next week.

It will be at least seven years before the young men return to Loudon County to open their practice. If they select that route, after the three years of medical school each faces a one year internship and three years of residency.

Helms is the son of Mr. and Mrs. W. E. Helms, Rt. 4, Loudon. He is now completing his BS Degree at the University of Tennessee in Knoxville. Although his medical career plans are not final he indicated he is thinking of establishing a family practice and possibly internal medicine in Loudon County.

Mr. Guider, son of Elizabeth Guider, 124 Highland Avenue, Loudon, graduated from Tennessee Tech in June and is undecided what field of practice he will undertake.

Hospital Assists Med Students

Mr. Guider, son of Elizabeth Guider, 124 Highland Avenue, Loudon, graduated from Tennessee Tech in June and is undecided what field of practice he will undertake.

GET MEDICAL SCHOOL AID—Loudon County Memorial Hospital Administrator Gay Hamilton hands Buddy Guider and Vann Helms copies of the contracts they signed for financial assistance with their medical school education. Each can receive \$600 a year for three years. Should they complete their medical education and return to Loudon County to practice they would not have to repay the loan.

July 4 Herald Issue Early

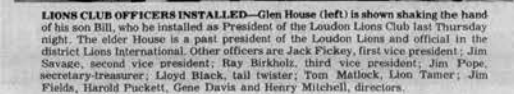

The publication schedule of the Loudon County Herald for the July 4th issue has been advanced by 24 hours, editor Larry Cate said this week.

To allow for home delivery on Wednesday, July 3rd, the Herald will be printed at noon Tuesday. This makes it necessary to advance all deadlines for news, advertising, classified advertising, pictures and all other items to 12 noon on Monday, July 2.

All news correspondents are requested to have their material in the newspaper office by 9 a.m. on Monday. Usually closed on Friday afternoons and Saturday, the office will remain open all day Friday and until 2 p.m. Saturday.

Editor Cate said all advertisements are asked to have their copy for that issue ready by Saturday if possible to help ease the Monday deadline strain.

The office will be closed on Thursday, July 4th, but members of the staff will be busy giving coverage to various events in the county.

LIONS CLUB OFFICERS INSTALLED—Glen House (left) is shown shaking the hand of his son Bill, who he installed as President of the Loudon Lions Club last Thursday night. The elder House is a past president of the Loudon Lions and official in the district Lions International. Other officers are Jack Pickett, first vice president; Jim Savage, second vice president; Ray Birkholz, third vice president; Jim Pope, secretary-treasurer; Lloyd Bask, tall twister; Tom Matlock, Lion Tamer; Jim Fields, Harold Puckett, Gene Davis and Henry Mitchell, directors.

Sarge Harrison Dies Of Cancer

Funeral services were held Sunday in Loudon at the Cumberland Presbyterian Church for James Oscar Harrison, widely known as "Sarge." The pastor, the Rev. Jack W. Ferguson, Jr., and the Rev. William H. Horner, pastor of the Loudon United Methodist Church officiated, with burial in the Loudon County Memorial Gardens.

Elders of the church served as honorary pallbearers. Active pallbearers were Rufus Brown, Watson, Jr., Ronald Johnson, William Blair Harrison II, Oscar Hogan Harrison, all nephews and Joe D. Mearfield and Jack H. Lefler, Jr., cousins.

Mr. Harrison, age 56, died on Saturday at the Loudon County Memorial Hospital after a short illness.

He was the son of the late Oscar V. Harrison and he is survived by his mother, Mrs. O. V. Harrison. He was a descendant of Loudon's earliest families, the grandson of the late Dr. and Mrs. William Henry Harrison and the late Mr. and Mrs. William R. Blair.

Mr. Harrison attended Tennessee Wesleyan College

and following a tour of duty during World War II he entered the insurance business with his father-in-law, the late R. M. Gray, founder of the R. M. Gray Insurance Agency of Loudon, and senior city, an association he continued with his brother-in-law, Rufus B. Watson, until the onset of his illness.

He was a member and an elder of the Cumberland Presbyterian Church of Loudon and was active in all the church connected organizations. He was also a sports enthusiast. In his earlier years he participated in baseball. Later he became an avid golfer and was often a central figure in the City Golf League.

In addition to his mother he is survived by his wife, Mrs. Jeannette Gray Harrison; a daughter, Miss Sally Harrison; a son, James Gray Harrison; one sister, Mrs. Ben B. Simpson; and one brother, the late Blair Harrison, all of Loudon.

Memorials may be made to the Cumberland Presbyterian Church or to the American Cancer Society.

Boy's Legs Broken In Car-Bike Wreck

Carl Shaw, 13, son of Mr. and Mrs. John Shaw, Rt. 2, Loudon, is a patient at Port Sanders Hospital where he was admitted last Friday afternoon following a car-bicycle accident near Loudon.

A report at County Jail shows that the Shaw youth was riding a bicycle when he collided with a car driven by Patricia Ann Maynard, 16, Rt.

Loudon. The youngster reportedly sustained a broken hip, both legs broken, and cuts and bruises. A member of the

family said the Steekee School student was given blood to replace that which was lost in the leg wound but he is now responding to treatment.

BARN, TRACTOR, TRUCK BURN—Just a few minutes after a wagon loaded with bales of hay and a truck load of hay were put in a barn at the Guy Bishop farm Thursday night a fire broke out. The barn, several hundred bales of hay, a tractor, wagon, truck, several saddles and other tools were destroyed. The picture here shows the fire just after the barn collapsed.

Murr-Carver Vows Pledged

Miss Sandra Renee Murr became the bride of Ronald Shane Carver in ceremonies on Friday, June 14 at 7 p. m. at the Church of the Nazarene, Rev. William Brabson performed the double-ring ceremony, before an altar decorated with two candelabra trees with greenery and baskets of pink and blue daisies.

Miss Teresa Buckner, pianist, presented the music. The bride is the daughter of Mr. and Mrs. Verlin Ray Murr, Route 2, Loudon. Parents of the groom are Mr. and Mrs. Wesley Carver, Route 4, Loudon.

The bride, given in marriage by her father, wore a gown of white organza accented with lace and a floor length, Mantilla edged with matching lace. She carried a bouquet of pink and blue daisies.

Matrons of Honor was Vickie Wilkerson. Bridesmaids were Karen McCollister and Beth Gaylon. Miss Gail Murr, cousin of the bride, was flower girl and Kathy Murr kept the bride's book. They wore floral gowns and carried bouquets of white daisies.

Joe Downs of Loudon was best man. Lawrence Hartzell, cousin of the groom was ringbearer and ushers were Roy Wilkerson and Mike Rurr.

A reception was given by the bride's parents at their home following the ceremony. Miss Tammy Carver and Margie Kelso assisted with serving. After a wedding trip to the Great Smokey Mountains and Gatlinburg, the couple will reside in Loudon.

The bride is a senior at Loudon High School. The groom is employed by Maremont Corp.

Luncheon For Miss Randolph

Miss Ann Randolph, bride-elect of Larry Stafford, was honored with a luncheon on Friday, June 21 at the Fox Den Country Club in Knoxville. Hostesses were Mrs. William H. Russell and Mrs. Edwin Arnold, of Loudon.

The guests attending were Misses Emily McCulley, Joyce Bodlien, and Sally Ritchey, Mrs. James Savage, Mrs. Ivo Sanders, Mrs. Stanley Blevins, Mrs. James P. Watkins, Jr., the mothers of the prospective bride and groom, Mrs. Ted Randolph and Mrs. Gene Stafford.

The couple will be married on Saturday, June 29 at First Baptist Church in Loudon.

GARDEN FOR BONNIE—This living garden on the campus of Hiwassee College has been dedicated to the memory of a Greenback girl, Bonnie Presnell. Bonnie, a member of the Hiwassee girls' basketball team and an outstanding student, was killed last December when Arab terrorists fire-bombed her airplane in the Rome, Italy, airport as she was accompanying a cousin Robin Haggard to Saudia Arabia during the Christmas holidays.

Garden At Hiwassee Honors Bonnie Presnell

Bonnie Dean Presnell, the Greenback girl who was killed last December when Arab terrorists fire-bombed her airplane at the Rome, Italy, airport, has been honored by a living garden at Hiwassee College in Madisonville. Bonnie was a Sophomore at Hiwassee and a member of the girls' basketball team at the time of her death.

Bonnie was a former Loudon County All-County

basketball performer at Greenback High School. Miss Presnell's parents, Mr. and Mrs. Houston Presnell, of Greenback, were in Madisonville recently when the memorial was dedicated. The garden is one-tenth of an acre in size and is located on the site of the college's old administration building. The bricks used in its walkway came from that structure.

The garden is located in a

quiet, nesting glade near the entrance to the campus. The idea for the memorial garden began with Hiwassee's Cigarettes Club, of which Bonnie was a member. But, other Hiwassee students and instructors participated in establishing the memorial.

About \$800 has been invested in the garden, funds raised by the Cigarettes and individual contributions. The Hiwassee Aviation Club, of which Bonnie also belonged,

Philadelphia Joy Club Has Picnic

BY DR. WILLIAM HYDEN
In a parade of "first" by the community of Philadelphia, another was added on Tuesday, June 18 by the Joy Club of Philadelphia. On that date the Joy Club held its annual picnic in the Philadelphia Community Park at the new outdoor pavilion. This was the first function staged at the pavilion, which is just now receiving the final touches of construction.

For this occasion the Joy Club had as its special guests also helped with the garden. The garden is ringed with dogwood and maple trees. Four benches and a small fountain in the garden were donated by Miss Presnell's parents.

There are also plans for a second memorial plaque to be installed at the garden for the inscription of names of other students who may die while enrolled at Hiwassee. B.D. Benton, Hiwassee's director of public relations, said that the garden would soon be a spot of beauty on the Hiwassee campus. "To me," Benton said, "it is a symbol of the revival of man's concern for his fellow man."

That statement was very descriptive of Bonnie. She was always concerned about her fellow man—her friends and everyone she came in contact with.

the Senior Citizens Club of Martel and Mayor and Mrs. Roy Bledsoe of Philadelphia. The Joy Club of Philadelphia is composed of some 35-40 members. Its purpose is for members to remain active concerned in civic, church and community affairs. Luncheon meetings are held on the third Tuesday of each month at 11 a.m. alternately in the Baptist and Methodist churches. Visitors and prospective members are always welcome. The programs begin with a short devotion followed by discussion of some important pertinent topic. Prominent guest speakers frequently address the group. The Joy Club was founded some six years ago and is one of the most active senior citizen groups in Loudon County.

Mayor Bledsoe was recognized as a special guest as he was a prime mover in getting the Community Park for Philadelphia. He, along with the City Council, is primarily responsible for its development. He gives a great deal of personal attention to implementing construction and installation projects at the Park. Indeed, he and Jim Cavelt worked until 10 p.m. on the evening of June 17 to finish installing the roof on the pavilion to have it ready for the Joy Club picnic.

The Park consists of some 18 acres. In addition to the new

SPECIAL GUESTS—Members of the Joy Club and their guests Martel Senior Citizens Club are shown at their annual picnic at Philadelphia Park on Tuesday, June 18.

Webb Gets BA Degree

John Carl Webb, son of Mr. and Mrs. C. Webb, Barber Lane, Loudon, received his B.A. degree in ceremonies held at Kalamazoo College, Michigan on Saturday, June 15.

Mr. Webb graduated with a major in English. His college activities and honors included serving as a Senior Fellow in the English Department and being frequently mentioned on the dean's list. In addition, he is the recipient of the Dwight and Lolita Stocker Prize awarded for excellence in English Writing for poetry.

MAYOR AND MRS. ROY BLEDSOE are shown in front of the new pavilion at the Philadelphia Park. They were honored by the Joy Club at their annual picnic last Tuesday.

CHARTER MEMBER—Mrs. E. W. Waller, Sr. and Mrs. Roy Bledsoe are shown at the Joy Club picnic. Mrs. Waller is a charter member of the club.

Junior Assistant Extension Agent

June Dairy Month is a good time to try new meal ideas using dairy products not so well known or used. Sour cream, for example, deserves a place in meal planning just like other dairy products.

The name itself, "sour" cream, is somewhat misleading, for today's product is made from fresh sweet cream which has been pasteurized and homogenized. It has a rich, clean, medium sharp cultured flavor.

Sour cream is especially good for making dressings for salads, a garnish for some dishes, sauces for vegetables or an added ingredient in baking and cooking.

It is the finest marinating agent known for meats. Fine textured cakes, cookies and breadstuffs tell when sour cream is an ingredient.

For a quick dessert, sweeten sour cream and serve it over fresh strawberries, sliced bananas or peaches.

Party time is the perfect time to bring out a delicious dip made with smooth and tangy sour cream.

The fifth place dairy recipe in the county contest is by Mrs. Helen Williams.

- SAVORY CHEESE SPREAD**
- 2 c creamed cottage cheese
 - 2 Tbsp. dairy sour cream
 - 2 c shredded sharp American Cheese
 - 1 Tbsp. minced onion
 - 1/4 c finely crumbled blue cheese
 - 1 teaspoon horseradish
 - 1 teaspoon dry Italian Salad Dressing mix
- Blend together all of the ingredients thoroughly. Add additional sour cream if a dip is preferred. Chill several hours to blend flavors. Garnish with parsley and pimiento strips. Serve with crackers, melba toast, rye or pumpernickle bread. Makes about 4 cups.

AT HEAD TABLE—Some of those at the head table during the Democratic Fund Raising Dinner Friday night are (left to right) Mrs. J.B. Hagler, gubernatorial candidate David Pack, Judge Harvey Sproul, Mrs. Tommy Wiseman, Dr. Harold Freedman with the son-in-law of Ray Blanton, at right is Mrs. Pack.

MRS. STAN SNOODGRASS, wife of the Democratic candidate for Governor is shown with Bart Eldridge chairman of the Snodgrass campaign in Loudon County as they eat dinner Friday night at the Democratic Fund Raising Dinner.

DEMOCRATS HAVE FULL HOUSE—Between 350 and 400 Loudon County Democrats are shown at a party Fund Raising Dinner last Friday night at Lenoir City High School. The function was attended by two candidates for Governor and representatives of five others.

Demo Event Draws Big Crowd

Between 350 and 400 Loudon County Democrats crowded into the Lenoir City High

School cafeteria for a fund raising dinner which attracted a large number of state-wide candidates as well as all the local Democratic candidates. County Democrat Chairman Lee Thompson said the event was by far one of the most successful fund raising events and gatherings of Democrats ever held in the county.

Franklin Haney of Chattanooga and David Pack of Sevierville, both candidates for the Democratic gubernatorial nomination were present. Other candidates for Governor represented were Tommy Wiseman, Ross Bass, Stan Snodgrass, Jake Butcher, and Ray Blanton. Mr. Pack was introduced by his county campaign chairman Mrs. J.B. Hagler.

Dr. Harold Freedman introduced Lewis Flack, who spoke for his father-in-law, Ray Blanton. Mrs. Emma Wiseman spoke for her husband and was introduced by his county chairman Harvey Sproul. Horace Bass represented his brother Ross Bass at the dinner. Bart Eldridge introduced Mrs. Stan Snodgrass who had two of her children campaigning with

her. Speaking for Jake Butcher was Bill Banks of Knoxville.

Tennessee Secretary of State Joe C. Carr Sr. was at the meeting representing his son Joe Jr., who is running for Public Service Commissioner. Another candidate for that post State Senator Jim Robertson was also present. The meeting was used by candidates for local office asking the party to help them in their election bids.

Billy Joe Akins, the only Democrat officeholder seeking re-election to a courthouse office, told the party that he believes he will

Seven Car Pileup At Hospital

Seven vehicles, six cars and a pickup truck, were damaged, some heavily, in a strange accident on the parking lot of the Loudon County Memorial Hospital about 11:10 p.m. last Wednesday.

Loudon Police officer J.R. Airheart, who investigated said in his report that a witness said that a Buick, driven by A.J. Isbill, 42, of Lenoir City, entered the parking lot upper terrace from Grove Street at a high rate of speed.

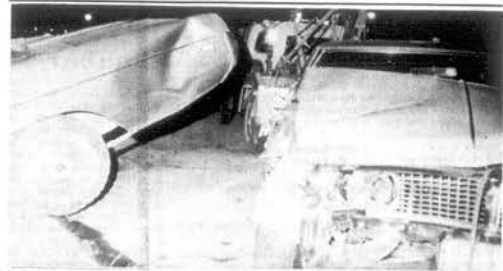

The car first hit a pickup truck owned by Elmer McBroom knocked it across the bank into the lower parking level. Next hit was the cars of Mrs. E.F. Foster and Open McKee. Both of these vehicles were knocked over the curb and nosed down the steep 12 foot bank with their rear wheels hung on the curb. The fourth vehicle belongs to Ronnie Willis, a hospital orderly. His car went over the bank and came to rest on the hood of a car, belonging to nurse Gloria Stamey on the lower level. A station wagon owned by Tom Matlock was also damaged. It was the last car hit in the accident.

Mr. Isbill was taken to the emergency room for treatment of minor injuries.

Sources at the Police Department say that a blood test was made of the driver and charges depend on the results.

Most of the cars involved were owned by hospital employees.

receive the same support he did four years ago when he first sought the office of Circuit Court Clerk.

SEVEN CAR ACCIDENT—The three photos here show some of the seven vehicles involved in a strange accident on the parking lot of Loudon County Memorial Hospital about 11:10 p.m. last Wednesday night. (TOP) The Buick at right was driven by A. J. Isbill and crashed into six other vehicles parked at the hospital. (Center) Loudon Policeman J. R. Airheart looks on as Delaney Wrecker Service removes one of the vehicles. (Bottom) Two of the cars struck in the parking lot are shown on a bank between the two parking levels. At right the car of a hospital orderly is shown on the hood of a nurse's car.

JUN 27 1974

Quarterback Club Horse Show Set For July 3rd

Loudon's Legion Baseball Field will host one of the East Tennessee's most prestigious horse shows July 3rd. The gala event is sponsored by the Loudon Quarterback Club and is in its fourth year. The horse show was a two day affair last summer but changed back to a one night attraction this year. Prize money will be in excess of \$1500.00 covering 16 classes. Over 125 horses are expected to be in the show with some coming as far away as Georgia and North and South Carolina.

The honorable Dude Crowder will serve as the judge for the show. He hails from Shelbyville and will be assisted by Ring Master Roy Bledsoe of Philadelphia. The organist will be Bonita Hanners of Doraville, Georgia.

Mr. Ross Wilkerson of Loudon City will be the Master of Ceremonies.

The price of the show will be one dollar per person with the

event getting under way at 7:30 p.m.

All during both shows, which will be held at the ballfield on Grove Street, food and drinks will be available.

To add to the color and respect of the show two large challenge trophies will be awarded. One trophy, given for Stud and Gelding classes will be the Charles H. Bacon Challenge Trophy. Colonel Bacon was the owner of the first World Champion Walking Horse named at the initial World Walking Horse Celebration in Shelbyville.

The other Challenge Trophy will be given for the Racking Championship, in memory of Riley Wampler, a long time horse show promoter and participant.

Both trophies are very large. It is possible for either to become the treasure of one owner if the same horse and rider were to win in his category for three straight years, otherwise the trophies will belong to the winner for one year.

The Giants remained atop of the Loudon Senior Babe Ruth standings by stopping the Reds 5-3. The Giants in winning their sixth game in seven outings, was led by the RBI producing hits of Edith Brown and Ronnie Roberts. Charlie Kerr had a double for the best hit by a Reds player.

Phillies Roll By Reds 10-4

In Loudon Dixie Youth Baseball the Phillies rolled over the Reds 10-4 last week. Jeff Woods and Paul Swiney led the 10 run assault for the Phillies. Richard Sampson was the winning pitcher, but had to have late inning relief help from Jeff Woods.

Tony Lenno stood out for the Reds with three base hits in the contest.

Giants Win In Sr. Babe Ruth

The new tennis courts are nearing completion and should be in use by the Fourth of July. Anyone seeking tennis instructions as to when the classes will start.

TSSAA Pays For Home

Of the total cost, more than \$190,000 was raised by schools playing extra TSSAA benefit games and other contributions.

Tigers Stay Close In Sr. Babe Ruth

The Tigers continued to stay on the heels of the Giants in Loudon Senior Babe Ruth play by clipping the Reds 12-4. The Tigers are only a half game back in the standings to date.

Henry Chambers and Donnie Thearp were the batting stars for the Tigers with three hits and two hits respectively. Ricky Jones had two singles for the Reds.

Loudon Pool Schedules Family Night

Fort Loudon Softball Invitational This Weekend

The Fort Loudon Invitational Softball Tournament will be on tap for this weekend in Loudon. The three day playdown has 14 of the top teams in the area with play getting underway Friday night at 6 p.m. with the A&W of Loudon City facing the Merchants of Loudon. North Athens plays the Co-op of Greenback at 7 p.m. Morland Heights of Knoxville meets Bar-Knill of Philadelphia at 8 p.m.

Other games involving Lakeview American of Maryville, Royal Crown Cola of Athens, Central Methodist of Knoxville, Eaton of Loudon City, O'Kains of Oak Ridge, and Piney Grove of Maryville conclude the night with the last game set for 11 p.m.

The Bank of Loudon County and the Hamilton Bank drew opening round byes and will play their first games on Saturday. The three day double elimination tourney will wind up on Sunday at 3 p.m. with the finals.

Over \$800.00 in trophies have been purchased with 12 Loudon merchants, banks or organizations sponsoring the awards.

Fred Mode is the tournament director.

The admission price is 50 cents for adults and 25 cents for students.

In other city recreation activities and programs of which the schedule for the ball fields can be found in this week's sports section, has the swimming pool offering the people of Loudon a family night for swimming. The pool will be open from 6 p.m. till 8:30 this Friday night for family use with "Family Night" becoming a regular activity on Tuesday nights.

Tennis Courts Near Completion

Loudon Senior Babe Ruth Top 10 Batters

The new tennis courts are nearing completion and should be in use by the Fourth of July. Anyone seeking tennis instructions as to when the classes will start.

Braves Slip By Dodgers 6-4

DODGERS—The Dodgers of the Loudon Babe Ruth League are pictured front row from left to right: Boo Boo Hawkins, Eddie Estes, James Lennox, Danny Kincaid, David Lambert, and "Bird" Kincaid. Second row from left to right: Jeff King, Tom Tuck, Don Russell, Pat Sutton, David Black, and Tiger Hughes, coach.

Braves Slip By Dodgers 6-4

The Dodgers failed to get things going last week in Babe Ruth action as they dropped their second game of the week, a 6-4 loss to the Braves. B. J. Moore had a double and a single and Dennis Stewart got two singles for the Braves. Boo Boo Hawkins had a double for the Dodgers.

Union Carbide Golf Lead Changes

Charlie Helms and Jack Delaney carded a team round of 70 in the Union Carbide Golf league last week in once again become the top team in the standings. Delaney and Helms were knocked from the top of the league some weeks back by Eldon White and Dick Rosenbaum only to have Carlos Evans and Nat Campbell overtake them. But this week it's back to Helms and Delaney with a total of 128 team points to date. Eldon White and Dick Rosenbaum are in second place with 125 points.

Late Model Sportsman And Bomber Show At Atomic

The next two weeks should be thrilling ones at Atomic Speedway, the country's most exciting third-mile dirt facility.

A weekly late model sportsman and bomber show is on tap this coming Saturday night. Then on the night of July 4 the second of the four-race East Tennessee Dirt Track Classic series will be run.

The classic race will be one of the richest of the year at the speedway. A total of \$6200 in posted awards await the elite field of performers, which are expected to come from a four-state area.

Top drivers from North Georgia and throughout East Tennessee are on hand for the weekly 40-lap feature, but others are expected for the Classic.

"It seems that we pick up a couple of new cars each week," says Atomic owner Bob Martin. "In recent weeks, we've had to run five heats. At most tracks, three heats will take care of all the automobiles."

Saturday's weekly show opens at 7:45 p.m. with time trials for sportsman drivers. The first heat races goes off at 8:30. There also will be a semi-feature, plus the 15-lap bomber event.

Leading drivers battling for top money in the 40-lapper will include Ken Phillips, Zeke Buchanan, H.E. Vineyard, Toole Estes, Lee Roy Vann, Bill Curum, Buddy Rogers, Wayne Fielden and others.

Athletics Upset Pirates 12-1

The Athletics of the Loudon Dixie Youth League broke league-leading Pirates five game winning streak with a 12-1 run. Joe Watson got the pitching decision for the Athletics and contributed to his own cause with a home run. Zeal Hawkins rapped out two doubles in leading the Reds at the plate.

DORTCH OLDHAM

has the know-how to govern Tennessee best for you.

He's the kind of man who makes things happen. Always has. He's tough, honest and hard-working.

People talk about the way he built a small Tennessee publishing company into one of the largest in the United States.

They talk about his warmth and openness with people. His knack for making the right decisions, too.

But Dortch Oldham's record speaks for itself. Now we need a leader who can put efficiency in state government and bring new industry to Tennessee.

The choice is simple. Put Dortch Oldham to work building a better Tennessee for you.

Help elect him governor.

Republican Dortch Oldham has the strength to succeed.

Bank Of Loudon County Gets Breathing Room In Softball Action

The Loudon Merchants, who were just a game out of first place last week in the Loudon Recreation Softball League, lost two of their three games in league play to fall three games back of the Bank of Loudon County.

The Hamilton Bank slipped by the Merchants 8-6 in the early part of last week and Hall Oil Company downed Union Carbide 16-10.

The Bank of Loudon County defended their honor as the king of the league by blasting the Merchants 11-1. Bill Thompson led the Bankers with three hits, two doubles and a single, as they opened the game with a five-run first inning.

Each as the Hamilton Bank had to battle stubborn Union Carbide into extra innings for a 11-10 victory. Jim Curtis got the winning base rap for the Hamilton Bank.

The Loudon Merchants returned to the victory column by nipping Marentmont in eight innings 9-8 to round out the week's softball action in Loudon.

Five East Tennessee Champs

State High School Titles Spread Evenly Over State

The state's three grand divisions fairly well shared the Tennessee Secondary School Athletic Association (TSSAA) team championships this past year.

Manchester in girls track and Nashville Father Ryan in wrestling.

Champs from East Tennessee were Happy Valley in Class S boys basketball, Baylor in Class AAA football and tennis, Kingston in Class AA football and girls Prep School in girls tennis.

In West Tennessee the winners were Memphis Melrose in Class L boys basketball, Trezevant in Class S girls basketball, Dyer County in Class A football and Memphis Raleigh-Egypt in cross-country.

In individual competition, Middle Tennessee and East Tennessee both had eight champions and West Tennessee one.

Lenoir City Connie Mack Team Nipped By Madisonville

The Madisonville Connie Mack team upped its record to 7-2 for the season Monday night by handing Lenoir City a come from behind 7-5 set back. The loss was the ninth in nine outings for the Lenoir City diamond team.

and shortstop Mike Balingier drove a 3-2 Sammy Dunlap pitch far over the left center field fence for a 3-3 Madisonville lead. Madisonville added two more scores in the wild fifth and hung on in the sixth and seventh frames as Lenoir City collected two runs in the bottom of the sixth.

The Homecoming Home.

It's that time of year. How you've anxiously awaited the return to old State U. Here's your chance to arrive with impact. Show those rash underclassmen what the Class of '55 is made of. Bring those Tekes and Delt-Sigs to their knees.

One, pool the old gang. (There is strength in unity.) Two, go together in a sleek GMC MotorHome. (Talk about an entrance!)

In all likelihood, it'll be more economical than going in separate cars and staying in sundry hotels. And when halftime comes, you have your restaurant, refreshment stand and warming hut serenely parked a short stroll away.

Then, too, when the big weekend is over,

GMC
The MotorHome from General Motors.

MURPHY MOTOR MANOR

Alice Highway - Next To The Airport

By Darrell Tuck

Hello once again. Today I'd like to tell you who runs the Loudon Little League program and some of the people connected.

Coach Bert Ratledge started to work in May getting the uniforms and equipment ready for action. He also was in charge of signing up of the players. Since the season has started Coach Ratledge acts as the Commissioner not only for the Little League Baseball team but for the softball teams as well.

Coach was looking for some body to run Legion Field this summer to look after things where he chose Mr. Earl Thomas who has alot of experience in this type of work. Mr. Thomas is a teacher at Highland Park but resides in Loudon.

After Mr. Thomas was hired he had to find three girls that would work for him. One of them is Becky Blankenship who takes up the admission. The other two Margie Braman and Debbie Smullen take care of the concession stand.

Also I might say if you're ever at the ball park be sure and get some of their delicious pop corn. If you didn't have a reason to come to the hall games before, now you do.

Bruce Lawson is also employed at Legion Field by Mr. Thomas. Bruce is the official scorer. If you ever wonder so he chose Mr. Earl Thomas who has alot of experience in averages come from. "Yes", Bruce is the one.

Home Runs Carry Phillies

The Phillies blasted four home runs and sent the Pirates down to their second straight loss last week in Dixie Youth Baseball play 9-6. Travis Kiser had two home runs and Pat Brown and Jeff Woods hammered out a home run and a single each to pace the Phillie hitlers.

Lenoir City first baseman Tony Long, who rapped Madisonville pitching for three hits and a walk and scored three runs, drove a pitch over the center field fence for a 3-2 LC advantage in the bottom of the fourth.

Madisonville struck back with catcher Neal Popler and Marty Porter, both former Lenoir City High School standouts, lashing base hits

LONG HAS BIG NIGHT IN GAME—Lenoir City

firstbaseman Tony Long had a perfect three hits and a walk in three official times at bat, including a rocketing home run, in Lenoir City's 7-5 Monday night loss to Madisonville.

KEEPS PITCHING RECORD IN TACT—Greenback stand out athlete Tony Linginfeller, who has signed an athletic scholarship with Carson Newman, hurled Madisonville past Lenoir City Monday night in the Engleton Connie Mack League play. Linginfeller is unbeaten in four outings this summer.

SAFE AT FIRST—Dodger first baseman Eddie Estes awaits the ball after a safe hit by Braves batter Steve Oran puts him on the base path in Babe Ruth action at Legion Field in Loudon.

State's Budget Okayed By Game-Fish Commission

A much-needed small game project by the Tennessee Wildlife Resources Agency got a boost last week at the regular commission meeting in Morristown.

The 10-member commission approved a TWRA budget request of better than nine million dollars, including a half-million dollar request for the small game program.

Harvey Bray, executive director of TWRA, had said earlier that the small game program was one of his top

projects during the 1974-75 year, and that plans for planning food and getting the project started in the right direction were already under study.

The commission also revised the squirrel hunting season for East Tennessee, changing the starting date

from Oct. 5 back to Aug. 24 to conform with the rest of the state. The season was changed for all of East Tennessee except for Bradley and Polk

Counties, which will not open until Oct. 5.

In addition the commission conditionally approved a request for Bray to purchase

3,000 prints of an original painting by wildlife artist Ralph McDonald of the Tennessee Bobwhite Quail. These prints will be sold by the TWRA and the funds earmarked for increased habitat

development and management of small game throughout the state.

LENOIR CITY CONNIE MACK TEAM—The Lenoir City Connie Mack Baseball team which is playing in its first year of organized competition in the Eagleton Connie Mack District is pictured from front row left to right: Floyd Morton, Ron Massey, Bobby Smith, Sammy Dunlap, Mike McConkey, and H. K. "Rabbit" Solvage. Second row left to right: Earl Fox, coach, Mike Ballard, Steve Arnold, Tommy Bresson, Tony Long, Wayne Stamey, and David Dunlap, manager. Doug Dunlap is the bat boy.

WATSON GETS TROPHY CATCH—Watch those Little Tennessee Brown trout. They are taking sideswipes at Rebels dragged past their noses. Chilhowee Shoals Landing is convinced that fishermen from Loudon must know the secret. Larry Bridges landed a 9 lb. 6 oz. Brown trout measuring 30 inches long Saturday. High Watson (pictured) was also in the fishing party and returned with Bridges and McMinn County High School basketball coach Harry Wilkerson on Monday to land a trophy catch of his own, a 8 lb. 14 oz. Brown trout measuring 27 inches.

Miller, Ratledge Golf Team Gains Ground In City Play

Richard Archer and John Cobb still lead the Loudon City Golf League standings but watch out for Ciel Miller and Bert Ratledge. Archer and Cobb managed but four points to date to their team total of 113 to date, while Miller and Ratledge picked up 15 to move into second place with 101 team points to date.

Ed Arnold and Paul Brakelbill and Jimmie Hamilton and Jim Mourie broke into the 100 point club with 12 team points for the week and rest in third place just 13 points out of first place. Coy Blankenship and Butch Early tied with Don Carter and Jack Hodge in team play last week. Both teams recorded rounds of 70. Gary Brown had a score of 13 to top all the league's individual low net marks for the week.

ATHLETICS—The Athletics of the Loudon Dixie Youth League are pictured from left to right front row: Pat Lennox, Lloyd Cook, Joe Harper, Scotty Huff, Wayne Lennox, and David Kirkland. Second row left to right: Joe Watson, Perry Purdy, Charlie Satterfield, Coach Wayne Watson, Ricky Eubanks, Tommy Bowers and Greg McNabb.

Tennessee Walking Horse Association Reorganizes

The Tennessee Walking Horse Breeders' Association of America has adopted a wide-ranging reorganization plan to unify all segments of the Walking Horse industry.

Members of the board of directors retiring following the annual meeting were Harlin Hayes, Franklin Tenn., president; Dr. DeWitt Owen, Franklin, first vice president; Cy Williamson, Hopkinsville, Ky., second vice president; Norman Ellis, Birmingham, Mich., and Dr. (Ike) Apel, Portsmouth, Ohio.

Retiring president Hayes described Guy as "eminently qualified to oversee the operations of our association. He has established an outstanding record in business, government and the walking horse industry, and we welcome him to his new position."

Guy succeeds Paul C. Ringgold of Brentwood in the executive director position. Ringgold resigned in January to pursue other interests and has served the association on a consultant basis since that time. Guy, who served three successive terms ending in 1972 as Madison County Sheriff and was Mayor of Jackson from 1951-55, is known throughout the country for announcing at horse shows, an avocation he began in 1955. He is an American Horse Shows Association Steward, has managed horse shows in the Mid-South and Southwest for a number of years, and was one of the organizers in 1947 of the Mid-South Horse Shows Association, a group he has managed since 1951.

Guy has also served as management consultant to many horse shows, and has been Secretary-Treasurer of the National Fox Hunters Association since 1961.

Guy served 10 years in sales and management positions with the National American Life Insurance Company, and was Vice-President in charge of home office operations prior to making his successful race for sheriff in 1966.

Graves Home Games

One of the first tasks for Guy, who is expected to assume his duties officially in about 30 days, will be to help implement the unification plan adopted by the association's membership. The change was recommended by the immediate

past board of directors as a means of unifying the Walking Horse industry under a central, authoritative body, and encouraging greater participation and involvement by the membership at large across the country.

Members of the board of directors retiring following the annual meeting were Harlin Hayes, Franklin Tenn., president; Dr. DeWitt Owen, Franklin, first vice president; Cy Williamson, Hopkinsville, Ky., second vice president; Norman Ellis, Birmingham, Mich., and Dr. (Ike) Apel, Portsmouth, Ohio.

Baptists Dedicate New Associational Building

BY CALVIN LUNSFORD
On Sunday, June 23, the Loudon County Baptist Association conducted dedication ceremonies and held Open House at their new office building on Highway 11 between Lenoir City and Loudon.

Special guests were Dr. Ralph Norton, executive secretary-treasurer of the Tennessee Baptist Convention and Rev. Leslie Baumgartner, director of Missions of the Tennessee Baptist Convention.

DEDICATION SPEAKERS—Speakers who had an active part in the dedication of the Loudon County Baptist Associational Office Sunday are (left to right) Rev. Leslie R. Baumgartner, Missions Department Director Tennessee Baptist Convention; Rev. E.R. Sherwood, Moderator County Association; Rev. Glen Melton, County Missionary; and Dr. Ralph Norton, Executive Sec.-Treas. State Baptist Convention.

The program began with scripture and prayer by Rev. Dillard Hagan, chairman of the Building-Planning Committee. Recognition to all those who served in various capacities in making the building a reality was given by Rev. Glen Melton, Association Missionary. The message of Dedication was given by Dr. Norton and Rev. Baumgartner gave the prayer for Dedication.

BAPTIST OFFICE DEDICATED—The new office building of the Loudon County Baptist Association is almost hidden in the crowd of cars at the dedication of the building Sunday.

Some of the key committees which worked to plan, build and furnish the modern facilities of the Loudon County Baptist Association were the Associational office property committee composed of Glen Melton, Emmet Carter and James Stewart; Planning committee, Dillard Hagan, Glen Melton and Virgil Turbyll; Ernest Cottrell and Shields Webb, both deceased; Building Committee, Milton W. Bodien, chairman, Charles Wheeler, Ernest Cottrell, deceased and Charles A. Redmond, Jr.; Finance committee, Ernest Cottrell, former chairman, deceased, Jack Hodge, present chairman, T.M. Cody and Bernard Courtney; Equipment and furniture committee, E.M. Sherwood, chairman, T.M. Cody, Glen Melton and Dillard Hagan.

County Association of Missionary Baptists really began with the organization of Baptist churches in this area long before there was an association.

The association began to form when the Holy Spirit impressed upon the hearts of individuals and churches for a closer fellowship and to meet a need of working together; thus in 1873, the association began to take shape and was named Providence Association of Baptists. In 1955, the name of Providence Association was changed to the Loudon County Association of Missionary Baptists.

The first Superintendent of Missions was Otha Helton in 1946; second R. C. Walker in 1947; third C.M. Dutton in 1948; fourth Harold R. Pitt in 1951 and fifth Glen Melton in 1959.

On September 7, 1970, plans were set in motion for a new office building. The dedication and open house this past Sunday were a culmination of these plans.

Today Loudon County Baptists have much to be proud of. A new, modern and much needed Associational office, a budget of \$20,069.52, church membership of 11,057, and in 1973, 346 persons were baptized into the Loudon County Association.

During the ceremonies, Rev. Melton recognized a large group of people, all of whom had made contributions in many areas of service during the planning, construction and furnishing of the building.

The Loudon County Baptist Association held their Centennial Celebration in 1973. It was hoped when the building was being planned that it would be ready for occupation and the dedication could be held in recognition of 100 years of service to the Loudon County Baptists.

The story of the Loudon County Association of Missionary Baptists really came to this association on February 2, 1959. I was handed a Book of Minutes for the preceding year and a half box of envelopes. I was told, "This is all we have in the way of supplies and equipment. We started immediately to have some place as an office from which to work. Calvary Church, Lenoir City, was gracious and willing to share space for an office to be started. Thanks to the church and pastors, Brother Carlton and Brother Sexton, for this help. The associational total budget in 1959 was \$5,670; number of churches—34; and church membership—6,108."

Rev. Melton stated "When I came to this association on February 2, 1959, I was handed a Book of Minutes for the preceding year and a half box of envelopes. I was told, "This is all we have in the way of supplies and equipment. We started immediately to have some place as an office from which to work. Calvary Church, Lenoir City, was gracious and willing to share space for an office to be started. Thanks to the church and pastors, Brother Carlton and Brother Sexton, for this help. The associational total budget in 1959 was \$5,670; number of churches—34; and church membership—6,108."

APPRENTICESHIP GRADUATE—Jim Preston (second from right) is shown receiving his certificate for completion of an 8000 hour Tool and Die Apprenticeship at the Maremont Corporation plant at Loudon. He received certificates from the United States Dept. of Labor, Bureau of Apprenticeship and Training and from International Correspondence School. Pictured (left to right) are Joe Wiggins, manager manufacturing engineering; Richard Lundberg, supervisor tool engineering; Boyd Harper, tool room foreman; Mr. Preston and William W. Dean, operations manager of Maremont.

WINSTON WITH COMMITTEE—Several members of the Loudon County Committee for Nat Winston for the Republican gubernatorial nomination are shown with Dr. Winston last Wednesday when he visited Lenoir City. Shown are (left to right) Kitty Roberts, Bob Carter, Lena Henley, Dr. Winston, Glenn Luttrell, Barbara Luttrell, and Bob Carey, Winston's ET Youth Coordinator.

Road Commission Salaries Unc hanged

Judge Harvey Sproul reported today that he had received an answer to a previous question asked by him of the County Technical Assistance Service as a result of questions which arose at a County Quarterly Council meeting during a discussion of the new Tennessee County Uniform Law which was adopted by the last legislature.

The general tenor of the questions was to the effect that this law has on the Loudon County Highway Department organization and the Private Acts authorizing same.

Judge Sproul stated that one of the questions involved whether or not there would be any change in the present salaries of the three highway commissioners of Loudon County.

According to the memorandum from CTAS, the new law provides that the Board of Commissioners or a highway supervisor would receive a minimum salary at least equal to the county clerk. If the commissioners are being paid more than that, which is true in Loudon County, then the existing law would apply.

Accordingly, in Loudon County the Commissioners will continue to receive the same amount that they are receiving now which is basically \$50 per month each.

Celebration Plans Told

(Continued From Page 1)

The Signore Family Band, of Hazel Park, Michigan, formerly of Loudon, will be at the park during the day providing musical entertainment.

From 9:30 until 11 p.m. the Jaycees will sponsor a Square Dance on the Maremont Corporation Parking lot. Square dance and round dance music for the occasion will be provided by Troy Pesterfeld and the County Trojans.

Persons attending are asked to bring their folding chairs. Soft drinks will be available.

graduate of an accredited school of engineering with two years experience, or shall have had at least four years experience in a supervisory capacity with highways and shall have at least a high school education or a GED diploma.

The second question was as to the upcoming election of the commissioners and as to the length of the term which the commissioners are running.

The new Act provides that the road commissioners will be serving a four year term. The new term will apply to the upcoming election so that the present candidates, instead of running for a two year term as they have in the past, are now running for a four year term.

The new Act does require minimum qualifications for candidates, but the minimum qualifications will not go into effect until any election occurring after 1974.

In this regard, the new Act requires that a county road superintendent must be a

New Program

At Hospital

The Loudon County Memorial Hospital and Loudon County business, church groups and individuals are working together this summer in an effort to utilize community assets and resources and bring the hospital and the community closer together.

Central United Methodist Church bible school in Lenoir City, has planned all their craft ideas around what could be used in a hospital. The crafts ranged from trays made by the kindergarten and first grade department up to wall hangings created by the older children. This contribution is very large in the eyes of the hospital patients who receive these crafts.

The Loudon County Florists have donated flowers each week to decorate the individual tables in the cafeteria. The florists participating in this are: Bennett Florist, Bowden Floral Company, Genes Florist Shop, Friendly Florist, and Rosedale Flower Shop.

The Loudon County Art Club and individual Loudon County artists are working together to set up monthly art shows in the hospital lobby and in the cafeteria. There is planned to be an individual artist featured each month. The painting will be on display every day and available for purchase.

R C Swim Classes For Handicapped

The Loudon County Chapter American Red Cross will offer classes in swimming for handicapped children age eight or older. The course will be held July 8-15 from 9:30 to 10:30 a.m.

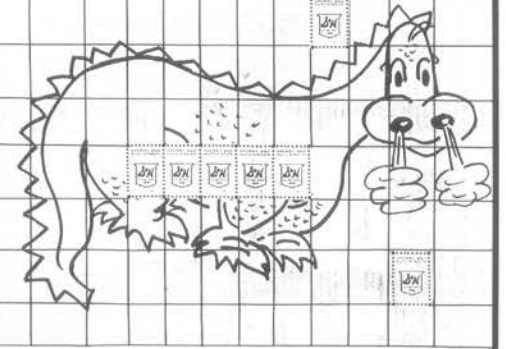

This class is limited to six pupils. A qualified instructor will be teaching the course. For location and registration contact American Red Cross office, 986-3463.

WHERE CONSTRUCTION WORKER DIED—County Deputy Larry Propps examines the place on I-75 south of Loudon where a construction worker died after being crushed under an asphalt paving machine last Wednesday. The victim, Raymond Cobey of Cookeville, was employed by Tennessee Blacktop, Inc., who has the contract for paving the section of the newly completed interstate.

FORCED OFF ROAD—The car of Randy Crawley, 18, Rt. 4, Loudon is shown down an embankment on Browder Hill (US 11) just outside Lenoir City after an accident about 12:10 a.m. Thursday. Crawley, treated and released at Loudon County Memorial Hospital for minor injuries suffered in the accident, told officers he was traveling South when another car traveling North passed another vehicle forcing him off the road.

GOP HEADQUARTERS OPENING—Some of the crowd attending the opening of the Republican Headquarters in Loudon Saturday are shown in the headquarters building having refreshments and talking politics. The headquarters is located on Grove Street between Tic Toc Jewelers and Richesin Pharmacy.

Ag Disaster Help Available

Producers in Loudon County are checking thoroughly into the disaster payment provisions of the 1974 feed grain and wheat programs administered by the Agricultural Stabilization and Conservation Service (ASCS).
 "We want to do all we can to explain how producers become eligible for prevented planting and low yield payments," said Fred Pippas, Chairman of the Loudon County ASCS Committee. Prevented planting means that the farmer is unable to plant because a severe natural disaster striking at planting time prevented him from planting. Low yield is when a disaster seriously affects the potential yield of a crop after planting.
 In the case of wheat and feed grains, if the producer is prevented by a disaster from planting an acreage of annual nonconserving crop at least equal to the sum of his wheat and feed grain allotments, he may qualify for a prevented planting payment.
 Low yield payments apply only to program crops of wheat, grain sorghum, barley and corn that have been planted, but a natural disaster such as hail, excessive rainfall, extended drought, or flood totally destroys the crop or reduces the potential yield substantially below normal.
 Mr. Pippas emphasized that if a disaster prevents a farmer from planting his crop acreages or severely damages a planted program crop acreage after planting, he should immediately report it to the ASCS Office.
 Participation in these programs is open to all farmers regardless of race, color, creed, sex or national origin, and to be accepted, an intention to participate must be filed before harvest or July 15, whichever comes first.

Son Born

Mr. and Mrs. Jimmy Furrow, Route 2, Loudon, announce the birth of a son, James Steven, born June 9 at Park West Hospital. Grandparents are Mr. and Mrs. Paul Furrow, Loudon and Mr. and Mrs. Vernon Barber, Cedar Hills, Lenoir City.

"We Can Show You The Way!"

JULY 4th

A Time to Repledge Ourselves . . .

Born of a revolution, this country began with a pledge: liberty and justice for all. Now... nearly 200 years later... we, the American people, are still striving for these goals. It's easy to find fault... but it takes dedication and unity to bring about change, as our forefathers did. We have the freedom now to do it peacefully. Let's celebrate that freedom today and honor our nation for what's been achieved. Then, let's join together ... with a renewed sense of purpose ... to reach our goal.

The Herald

Loudon County

Your County In Action

BY **Harvey L. Sproul**
LOUDON COUNTY JUDGE

Having just returned from two weeks annual training with the U.S. Army Reserve, I have the feeling as if I had been gone for two months. It's strange how you can be gone for just a little while and it seems like a much longer period of time.

In this regard, I was very proud of our East Tennessee JAG Detachments which are stationed at Knoxville and for which I am responsible. Our Detachments at Knoxville are legal assistance teams which help soldiers and their dependents with their personal legal problems.

Our camp this year was at the Judge Advocate General's School at the University of Virginia in Charlottesville, Virginia, and the legal assistance detachments from all over the United States were present. This year there was competition among the teams from 14 teams from our East Tennessee area placed second in the competition and received an award of commendation.

It is always a hectic thing to try to get ready to leave for two weeks insofar as trying to get all the meetings taken care of in advance and to take all the stop-gap measures necessary that are anticipated might come up during the two week period.

Then after you get back it takes a while to try and catch up.

This is particularly difficult for my stand point inasmuch as I attempt to do this both with the County Judges Office and with my law practice also. Inasmuch as I am not a candidate for reelection an County Judge and will return to the full-time practice of law, I had hoped to attempt to begin to spend more time with my law practice before September so as to kind of soften the transition period and "change over."

Upon my return, I was very pleased to see the progress that had been made on the County Justice Center construction.

I truly think that it will be a beautiful building and a very useful building.

Already we have requests from many different officials and public agencies as to the possibility of use of the facility.

Ever since I've been in Loudon County I have always heard how consolidation of various activities would be economical and how many people would like to have certain public facilities placed between Loudon City and Loudon.

Well, we finally got something going up that is going to fulfill that desire, and here's hoping that it will work well.

It does appear that it will be something that will lead to more unification of efforts between our two major cities and the county.

The consolidation of many activities, including such as already is being done, and the further possibility of consolidation of all police forces in Loudon County into one law enforcement agency could be the ultimate culmination of this cooperation.

If this ultimately can be done, it should mean the utilization of the 35 or 40 full time police officers that are already on the payroll into a unit that would allow the specialization, for a career law enforcement program for those who are interested in it, and for increased protection for citizens all over the county as to increase in cost, and with possibly a proportionate savings in cost as time goes on.

One thing appears to be for sure, the jail itself (and part of the County Justice Building) will be a very secure jail, and will be a "fall" in the true sense of the word.

In other words it is going to be concrete and steel, with no windows, and when a person is in that jail, he is going to know he has been in jail. It won't be a second home.

It will suppose that somebody someday may escape from the jail, but it will be much more safe and secure, from the standpoint of protection of the prisoners and the law enforcement personnel involved, including protection from the danger of fire, etc.

MR. WALLER
Curtis Waller, age 51, 903 Valley Vista Drive, Loudon, died Wednesday, June 19, Member of Oral Baptist Church and a retired employee of Union Carbide Corporation.

Survivors include: wife, Mrs. Catherine Pickell Waller; three daughters, Mrs. John Smith, Johnson City, Misses Martha and Lisa Waller, at home; sisters, Mrs. Tom Riggie, Mrs. Jane Cardwell, Loudon City, Mrs. Kenneth Delapp, Loudon; two brothers, Paul and Gordon, Loudon City.

Funeral services were held Friday at Click Chapel with Rev. O.C. Rainwater and Rev. Willard Satterfield officiating. Interment, Loudon County Memorial Gardens, Click, Loudon City, in charge.

MRS. FISHER
Mrs. Sally Arden Fisher, age 68, of Route 4, Loudon died Friday, June 21 at Loudon Memorial Hospital.

Member of Corinth Baptist Church.

Survivors include: brothers, Robe and Olie Arden, Loudon; Hoyett Arden, Greenback; sisters, Mrs. Flora Mitchell, Loudon, Miss Earlie Arden, Madisonville; several nieces and nephews.

Funeral services were held Sunday at Hawkins Chapel. Rev. Fred Green and Rev. Franklin B. Kagley officiated. Hawkins, Loudon City, in charge.

MRS. MOYER
Alice Bennett Moyer, age 89, Route 1, Philadelphia, died Friday, June 21, Member of Virtue Cumberland

The conclusion reached in the government survey is that education up to a high school level. Each added year of schooling produces greater income for the average person throughout his entire working career.

The current differential between an elementary school graduate and a high school graduate is about \$135,000 in life-time earnings, it finds.

There is a big advantage, also, in going beyond this point and getting a college degree. The prospective lifetime income of the college graduate, based upon current conditions, is estimated to be \$279,000 more than that of the high school graduate.

From that point of view, the Loudon County resident in a good position because the education level, locally, is above that in many areas of the county and is constantly moving upward.

At the present time, the median amount of schooling being acquired by local men is about 9.0 years, according to the latest Census Bureau findings.

They show that 19.6 percent of the local male population over age 25 are elementary school graduates, that 25.4 percent completed high school and that 5.4 percent are college graduates.

Deaths

Presbyterian Church.
Survivors: two sons, Lenoy Philadelphia and Moss, Loudon City; eight grandchildren, two sisters, Miss Ada Bennett, Mrs. Clarence Miller; brother, A.E. Bennett, all of Concord.

Graveside services were held Sunday at Lakeview Cemetery, Rev. Bill Middleton officiating. Hieck's, Loudon City, in charge.

James Home Broken Into

Thieves cut a window screen on the mobile home residence of Johnny James sometime Saturday, entered the home and made off with a number of items, according to a report filed at the county jail by Deputy Voyd Carruth.

Listed as stolen were three 12 gauge shotguns, an Eli cap and ball pistol and a cap and ball muzzle rifle.

Some people believed that gold was stolen because of the sun and that the heat of underground veins would burn everything they touched in contact with, turning those substances into gold.

\$1500 - \$2500

Cash Bonus For One Of These Jobs.

Not everyone can get the jobs listed below. You must qualify for them. But, if you do, and successfully complete your training, you'll be paid a cash bonus.

The bonuses range from \$1,550 - \$2,500 depending on the job. You'll be expected to serve a 4-year enlistment. But the bonus will be paid in a lump sum after your training. And most of the jobs are open to women.

In addition to the bonus, you'll also receive regular Army pay and benefits. A starting salary of \$326.10 a month before deductions, with a raise to \$363.30 in just four months. Plus meals, housing, medical and dental care, and 30 days paid vacation every year. Here are some of the jobs:

- Construction Machinery Operator
- Missile Crewman
- Missile Repairman
- Electronic Repairman
- Electrical Instrument Repairman
- Radio Teletype Operator
- Map Draftsman
- Radar Crewman
- Radar Mechanic
- Radio Mechanic

ATTEND CHURCH

A THIRSTY LAND

Men have a thirst and a longing for goodness and righteousness. The most parched soul is parched by acts of kindness, forgiveness, and love. Jesus said, "Those who thirst of the water that I shall give him shall be in them, but the water that I shall give him shall be in them. A well of water springs up into everlasting life."

Men who are thirsty to the everlasting life will find that satisfaction and fulfillment by attending church.

LEGAL NOTICES

NON-RESIDENT NOTICE
NO. 6624
News-Banner Publishing Co., Inc. vs Bobby L. Lane, et al.

State of Tennessee, in Chancery Court of Loudon County.
In this cause, it appearing from the Complaint, which is sworn to, that the defendant Bobby L. Lane and Carolyn K. Lane is a non-resident of the State of Tennessee, so that ordinary process cannot be served upon them, it is ordered that said defendant file an answer in the Chancery Court, of Loudon County, at Loudon, Tennessee, and with plaintiff's attorney, Harvey L. Sproul, whose address is Lenoir City, Tennessee, within 30 days of the last date of publication or a judgment by default may be entered and the cause set for hearing ex parte as to them. This notice will be published in the Loudon County Herald for four successive weeks.

This 24th day of June, 1974.
Lloyd Black, Clerk and Master.
Harvey Sproul, attorney.

BACK IN THE GOOD OLD DAYS

Someone asked us the other day what percentage of those from years past in Loudon that we had run pictures of. Well, that is rather difficult to say, but there has been a fairly good number including school and church groups, family reunions, etc. We can think of many which we have not had pictures of and would like to have others which we have not used. This picture we are using this week has many of our well

known Loudon people in it. Many are now deceased. This picture was made many years ago at the N. S. Bluford home on College Street. The group was Mrs. Betty Greer's Sunday School class. The event was a tacky party and tacky parties were very popular in that period of time. I haven't heard of one being given in recent years. Of course, there may be tacky parties still being given and we just don't hear of them.

Anyway, the names of those in this group are Mrs. Clarence Taylor, Pearl Remine, Mrs. George Luck, Mrs. Otto Chibasz, Dot Sharpe, Effie Boli, Lizzie Underwood, Mrs. Betty Greer, Mathis Jones, Lillian Browder, Mrs. Larry Mitchell, Mrs. C. B. White, Lydie Harwell, Nelle Simpson, Mrs. N. S. Bluford, Mae Grubb, Mrs. Bess Greer, Mae York, Nelle Miller, Elizabeth Collins, Mrs. Bruckner, Mrs. S. P. Dannel, Kato Jones, Hope Whitaker, Grace Thomas, Mrs. Lucy Gray, Mrs. Ruby Lutz, Gertrude Nelson, Bertha Long, Mrs. Willie Wilson, Mrs. Emma Quinn, and Mrs. Bob Wilson. Some of those in the picture were not identified. Our many thanks to the lady who loaned us this picture. Another picture we have this week was sent to us along with several others. We are always glad to receive pic-

tures from our readers. Some have a broader interest than others and some are of unidentified people and places. Sometimes they date back before the time most of us have lived. This picture was loaned to us by Mrs. Frankie Sutton and is a picture of her father, the late Curtis Gilliland and his family. We were talking to Orman (Store) Altum the other day and he was telling us that he had an old picture made back when he was the manager of the local White Store. This has been quite a few years ago but many of our readers will recall this period in the Good Old Days in our town. Some time soon we will borrow this picture from Orman and run it in the Good Old Days column. This past week we had the pleasure of meeting and talking to Mr. and Mrs. Guy Hamilton from Lenoir City.

Greenback Sets 4th Celebration

The Greenback Fire Department announced this week that they will sponsor an old fashioned Fourth of July celebration of Thursday, July 4 at Greenback High School. Plans have been made for a parade to begin at 2 p.m. and a Fish Fry will be held at 4 p.m.

read, "in appreciation for devotion to high ideals and sound judgement of Justice to the City of Loudon. - 1959-1974."

Mr. Watkins said that during his years with the city he had always been impressed with the caliber of persons governing the city and the city employees. He said cooperation was always the keynote with in the city family. He thanked the city commission and employees for the plaque and said each was a good friend.

Watkins' wife, Katherine, also retired recently as librarian at Loudon Junior High School. Mr. Watkins said they plan several extended trips and probably would have a busier life than when he was working for the city. Mr. Watkins will continue to serve the city on a part-time basis as City Judge when he is available.

Mrs. Hamilton is a sister to Charlie Plennon, who ran a grocery store in Loudon for many years. Charlie will be well remembered by many of our Loudon folks. Mrs. Hamilton has contributed to the Good Old Days in years past and they both expressed how much they enjoyed the Good Old Days. We appreciate their comments very much. We are always glad to meet and talk to our readers and hear their comments. We are still looking for old baseball team pictures. We know that since the days of Reese Pope, Harry Cannon, the Russell boys, the late Joe Malone and many others, baseball has been a boon to Loudon. Well, that's it for now. See you next week.

City Recorder Retires, Honored

Joe V. Watkins who has served as Loudon City Recorder and Judge for the past 15 years retired last week. Joe succeeded his father in the job 15 years ago and until about two years ago also operated Watkins' Store in Loudon.

A coffee and reception for Mr. Watkins, sponsored by the City, was held Thursday at the Loudon Utilities Building. Some 60 people attended. At the beginning of the reception Mayor Eugene Lambert presented Mr. Watkins with a plaque which

CITY RECORDER RETIRES—Loudon Mayor Gene Lambert, right, presents a plaque from the City to retiring City Recorder Joe Watkins. Mr. Watkins' wife looks on. About 60 people attended a reception for Watkins at the Utility Building Thursday morning who has served as Recorder for 15 years.

Morganton Resurfacing Scheduled

A contract for resurfacing a 1.3 mile section of Morganton Road near Greenback is expected to be included among projects let for bid at the July 19 letting. State Transportation Commissioner Robert F. Smith said last week. The total estimated cost of the project is listed as \$44,000.

FOUR INJURED—Four persons were injured, but not seriously, when the car shown above, driven by Danny Sheppard, left highway 11 near Highland Park and plowed

into the front of McGinnis Grocery, almost destroying the small grocery store. Three occupants of the car and the store clerk were injured.

11 Injured in 3 Wrecks

Car Demolishes Grocery Store

Eleven persons were injured in three separate accidents on U.S. 11 between Loudon City and Dixie Lee Junction Friday and Saturday, according to reports filed by State Trooper Joe Littleton who investigated all three accidents.

The most spectacular of the three came about 5 p.m. Saturday when a car driven by Danny Sheppard, 18, 412 Second Avenue, Loudon City, clipped a tractor-trailer truck then traveled 817 feet plunging into a small grocery store near Highland Park School, trooper Littleton said.

Littleton said that Sheppard's car, a 1972 Chevrolet struck a Dutton Trucking Company vehicle when traveling north on the highway, barely missed a utility pole, struck a pickup truck belonging to Carl Bible, Rt. 4, Loudon City, on the parking lot of McGinnis Grocery, and then plowed into the grocery store building, virtually destroying the small store, knocking the entire front out of the building and scattering fixtures and stock in its wake.

Sheppard, two passengers in his car, Danny Hamilton, 20 of Loudon City and Gary Alexander, 20 of Atlanta, and the manager of the grocery store, Beulah Gentry, 64, of Loudon City were all taken to Loudon County Memorial Hospital for treatment of minor injuries. None were admitted.

Littleton charged Sheppard with reckless driving. Gene Manis, Rt. 4, Loudon City, was admitted to Loudon County Memorial Hospital following an accident on US 11 at Cusick Circle and Strange Road intersections about 5:10 p.m. Friday when the Manis car and one driven by Idus T. Littleton collided.

Manis was traveling toward Loudon City, according to the State Trooper, when Littleton pulled from Cusick Circle and was crossing 11 to Strange Road into the path of the trooper Littleton said.

Loudon Outside Precinct Split

The Loudon Outside voting precinct is being split for the August General Election, Election Commission Chairman John Gibson announced this week. The reason for the split is due to the fact that the area covered by the Loudon Outside precinct includes parts of the 21st and the 36th State Legislative Districts. Gibson said that since voters in the precinct are entitled to vote in only one of the two legislative races the precinct must be split. He said that the boundary lines as described in the state law which created the district are not clear to him and he is trying to get a man of the area in the Outside precinct to show voters which precinct they can use and to prepare the registration books for the poll workers.

Both the precincts will be located at the Old Loudon High School and will be known as Loudon Outside East which is part of the 21st Legislative District; and Loudon Outside West, which is included in the 36th Legislative District. He said voting (Continued On Page 6)

McNabb Gets Demo Vote Board Nod

J. Y. McNabb of Loudon, Vice President of the Bank of Loudon County, was named by the Loudon County Democrat Executive Committee, as the party selection to the Loudon County Board of Election Commissioners.

McNabb's appointment which is expected to be confirmed by the State Election Commission, will have him replacing Democrat County Judge Candidate Charles Ehlen on the five member board.

McNabb was elected 115 in the Executive Committee vote Friday night. Charles Fletcher, a former member of the Election Commission, had sought the nomination also. Executive Committee Chairman Lee Thompson said he could have designated the nominee but felt that the matter was something for the party to consider.

In other matters the Executive Committee appointed committees in Loudon and Loudon City to secure headquarters for party headquarters in both towns. A free fish fry, planned for July 19 at the Loudon City park on Fort Loudoun Lake was announced. Open to the public at no charge the event is going to be sponsored by the Loudon County Democratic Woman's Club. Mr. Thompson appointed Rayburn Allen of Loudon City chairman of a committee to plan party sponsored advertising supporting Democratic candidates for local office.

Three Weeks Of Circuit Court Set

A three week slate of jury cases are scheduled for the July term of Circuit Court which begins Monday, July 15. Nineteen jury cases, including alternates are on the docket released last week by Court Clerk Billy Joe Akins. There are also six non-jury cases scheduled.

The schedule of the cases, date, parties and causes are as follows:

MONDAY, JULY 15 - Robert E. Wilkerson, Alma R. Wilkerson, David Eugene Wilkerson and Brigina T. Wilkerson (the) Robert E. Wilkerson vs Louis G. Moncrief, auto accident. Alternate case - Aught McCulloch vs

James O. Viars and wife, Almette (Peggy) Viars, auto pedestrian.

TUESDAY, JULY 16 - John B. Simpson vs Clarence H. Nichols, auto accident (death). Alternate case Ready Mix Concrete Company vs Charles Matlock, open account.

WEDNESDAY, JULY 17 - Grace Williams vs Volena Maples and Earlena Maples (the) John C. School of Beauty, assault and battery (personal injury). Alternate case - Volunteer Structures, Inc. vs Walker's Truck Contractors, Inc., and Robert

(Continued On Page 6)

MARIJUANA CROP—Sheriff Freeman Russell and deputies Jake Chapman and Voyd Carruth are shown pulling up about 200 young marijuana plants found growing just off U.S. 11 near Old Stage Road.

300 Marijuana Plants Harvested By Officers

Some Loudon County "pot" smokers, who were growing their own marijuana will find this week that their crops have been harvested. Late Sunday afternoon Sheriff Freeman Russell, deputies Jake Chapman, Voyd Carruth and a newspaper reporter harvested two crops totaling about 300 plants, that at maturity would produce more than \$1000 in "pot" if sold on the streets.

The first "harvest" was just off U.S. 11 near the Old Stage Road between Loudon City and Dixie Lee Junction. There were more than 200 plants from four inches to 18 inches high were picked. A resident that lives nearby had tipped off the Sheriff about the crop. Just a few minutes later on the farm of Malcomb West on US 11 across from Cole's Drive-in Theatre, some 100 plants about three feet in height were pulled from an old tobacco bed. Mrs. West had found the plants several weeks ago. They had been looking for the "pot farmers" but none had been seen.

The Sheriff said the weed would be burned.

DIFFERENT TYPE OF BURLEY—Malcomb West of Loudon helps Sheriff Freeman Russell harvest a crop of 100 three foot marijuana plants the West's found growing in an old tobacco bed on their farm.

No New Leads In Murder

Sheriff Freeman Russell said an intense investigation into the shooting death of Henry Cornett, 65, at the victim's home near Eaton Crossroads, on Friday, June 21, is continuing, but very little headway in the case is being made.

Cornett was shot to death in the front yard of his home about 9:30 a.m. His wife heard

the shot and found him shot one time in the top of the head. The man had been painting boards for a new truck bed and is believed to have had his head down when struck by the shot.

Sheriff Russell did say that the bullet was removed from the victim's brain and was identified by the Tennessee Bureau of Criminal

Investigation as a .22 caliber magnum bullet. Russell, TBI Agent Leon Miller and Deputy Kenneth Brown, have talked with a number of people in the area of the Cornett home, but apparently have learned nothing that would assist in finding the person responsible or the cause of the shooting.

Jaycees, Lions Set Parade, Carnival, Dance

The Loudon Lions Club and Loudon Jaycees are urging Loudon area residents to save energy on the 4th of July by staying in the county and observing the 198th Birthday of the United States by attending the full day of activities they have planned.

At 10 a.m. the Celebration will start with a parade sponsored by the Jaycees. Club President Kyle Anderson said that all entries including decorated bicycles, cars, antique vehicles, horses, wagons, marching units, scouts, military units and others are welcome.

He said that every entry is welcome and all that is necessary to become part of the parade is to show up at line-up time, 9:15 a.m. on Carter Street, next to the high school.

The parade route will travel down Steeple Street, up Ward Avenue, down Cedar Street to Grove and across Mulberry and disband at the American Legion Building.

As is customary cash prizes will be given to the best decorated bicycles in the parade.

Beginning at 11 a.m. the Loudon Lions Club Family Carnival at the Lion's Municipal Park on

Roberson Springs Road gets underway. This will include games such as bingo, football throw, darts, weight guess, fish pond, plus the greasy pole climb and greasy pig chase, and other events. Admission will be free and the games will cost from 10 cents to 25 cents. Prizes will be awarded to participants.

Throughout the activity at the park the Lions will be selling sandwiches, soft drinks and other refreshments.

Activities at the park are expected to last until 6 p.m. Sometime during the day the Lions will

have drawings for four country hams that are being given away.

The final event of the day will be a Square Dance from 8:30 p.m. to 11:30 p.m. on the Maremont Corporation parking lot. Music for the dance, which includes popular dance as well as square dancing, will be provided by Troy Pesterfield and the Country Trojans. Admission will be \$1 for adults and 50 cents for children. The Jaycees will also have soft drinks available. Those attending are asked to bring folding chairs.

Retired Teachers Have Luncheon Five 4-H's Attend District Demonstration

BY DR. WILLIAM L. HYDEN

The Retired Teachers Association of Loudon County and Lenoir City held its annual luncheon in Greenback on June 27 at the Greenback Masonic Hall. Members of the Loudon County Chapter of the American Association of Retired Persons were invited to join with the Retired Teachers for this occasion.

There was a large turnout of members and guests of some 75 persons, due to the overlapping memberships of teachers belonging to AARP and vice versa.

Miss Jeanette Alford, president of Retired Teachers Association presided at the meeting. The program consisted of reports from legislative meetings of TRTA and AARP; citation of Lee D. Price as the outstanding retired teacher of Loudon County; and a memorial tribute to Mrs. Tennessee Griffiths Bacon, who taught in the Lenoir City Schools for more than 33 years.

Miss Alford reported that 1973-74 had been a record-breaking year for progressive legislation for the benefit of retired teachers. In this connection, two actions stand out. First, the remuneration for teachers retired before 1973 and after. Second, a cost of living increment of 3 percent for retired teachers will become effective on July 1.

Mr. Price, a member of the Tennessee Legislative Committee of TRTA and AARP, reported that a number of bills are under study. Perhaps the one of greatest immediate interest to aging persons in Loudon County is the possibility of establishing a multipurpose senior citizens information and referral center. Funds for this center would come from revenue sharing through the Tennessee Commission of Aging.

The Retired Teachers selected Lee D. Price as the outstanding retired teacher of Loudon County. They have nominated him for the retired teacher of the year from the

RETIRETEACHERS LUNCHEON—Miss Jeanette Alford, president of Retired Teachers Association spoke to a group of more than 75 persons at a joint luncheon of Retired Teachers Association and American Association of Retired Persons held June 27. Seated beside Miss Alford is Mrs. Betty Bell, who was presented a gift in honor of her mother, Mrs. Tennessee Griffiths Bacon, as a memorial tribute by the association.

State of Tennessee. Mrs. George Mincey read the citation which has been sent to the state organization in support of his nomination. The program closed with an appropriate memorial tribute by Mrs. Carl Griffiths to Mrs. Tennessee Griffiths Bacon who contributed so much to the lives of her students.

"Amazing Grace" sung acappella by Carl Griffiths added to the tribute. A gift and a red rose were presented to Mrs. Betty Bell, daughter of Mrs. Bacon, who was present as a special guest.

By: Bonnie F. Sheeley
Assistant Extension Agent
Five 4-Hers from Loudon County competed in Senior District Demonstration Day Monday, June 24, at the Clyde Austin 4-H Training Center in Greenville.

All the 4-Hers received red awards, and two were selected District alternates. Lynn Thomas from Lenoir City and Michelle Cooper of Greenback were selected alternates. In their projects and will now be able to attend State 4-H Roundup in August.

The 4-Hers and their projects are: Ricky Minor, Greenback, Electric; David Beeler, Greenback, Plant Science; Michelle Cooper, Greenback, Dairy Foods; Lynn Thomas, Lenoir City, Food Preservation; and Carol Sarten, Lenoir City, Clothing. Teresa Goddard and Linda Raulston attended Demonstration Day and then stayed the week along with Ricky Minor, David Beeler, and Michelle Cooper at the Training Center for a Leadership Conference.

ATTEND LEADERSHIP CONFERENCE—4-Hers attending Leadership Conference and District Demonstration Day were Linda Raulston, Carol Sarten, Lynn Thomas, Michelle Cooper, Teresa Goddard, Ricky Minor and David Beeler.

Local Delegates At Women's Conference

Mrs. Paul K. Arp, chairman of the Loudon County Farm Bureau Women, and Mrs. Ann Bright were in Columbia, July 1-3, attending the 27th Annual Summer Conference of Tennessee Farm Bureau Women. They joined some 150 other ladies from across the state for the three-day event. During the session, the

ladies heard about the work of the Farm Bureau service organizations, legislative accomplishments, and a report from Jimmy Stanford of Jackson, president of the Tennessee Young Farmers and Homeowners, the young people's organization co-sponsored by the Farm Bureau and U.T. Agricultural Extension Service.

There also was a report on Tennessee's vocational education program. Featured speaker for the conference was Mrs. Chester Smith, chairman of the American Farm Bureau Women's Committee. Mrs. Smith is an Oklahoma farm wife.

The meeting was under the direction of Mrs. H. H. Proffitt, Jr. of Maryville, state chairman. It opened at noon on Monday and concluded shortly after breakfast on Wednesday, and was held at the 4-H Club Training Center in Columbia.

Navy Airman Recruit David L. Wilcox, son of Mr. and Mrs. Bryan Wilcox, formerly of Loudon, graduated from Recruit Training at the Naval Training Center, San Diego, Calif. He received nine weeks of intensive instruction in seamanship, small-arms training, fire fighting, close order drill, first aid and naval history.

New Real Estate Firm In Loudon

Loudon County Properties, a new real estate firm, opened for business in Loudon last week. The firm is owned and managed by Mrs. Bettie Jean Pope, wife of Loudon businessman, Jimmy Hugh Pope. The firm, which deals in all types of real estate is located on Wharf Street in the C&S Cleaners Building.

Mrs. Pope, who has been in the real estate field for three years, just recently received her brokers license. She has completed several courses at the University of Tennessee in real estate and appraising. Members of her staff are Mrs. Donna Dutton and James Zion, both veteran real estate sales people.

Duncan To Speak Sunday At Loudon First Baptist

Second District Congressman John Duncan will be guest speaker at the Sunday morning Worship service of First Baptist Church in Loudon Sunday. The service begins at 11 a.m.

The church has set the day at Patriotic Sunday. Special music by the adult choir will also carry out the theme of the service. Two special selections are "Our Flag" which will be narrated by Gene Cate, and "This Is Our Land America" which will be accompanied by organ, piano, timpani, and a brass section. The public is invited.

LOUDON COUNTY GENERAL ELECTION
Thursday, August 1, 1974

(Paid Pol. Adv. by Billy Joe Akins)

JULY 4 1974

Loudon Outside Precinct Split

(Continued From Page 1)

machines would be used at both precincts. As Gibson described the Outside East precinct it will resemble a horseshoe looping around the city of Loudon.

The election machine ballot which will contain the County General and the Republican and Democratic State Primaries is said to be one of the longest and most complicated county voters have seen. Mr. Gibson said it covers the entire machine top to bottom and from side to side.

The Election Commission Chairman said that anyone in the first, third and fourth districts who would wish to work in the election should contact him or the election commission office.

There are 38 candidates listed on the General Election ballot, 11 on the Republican ballot and 19 on the Democratic Primary ballot, for a total of 58 candidates to select from.

The largest field, of course is for the Democratic gubernatorial nomination where 12 candidates are listed on the ballot.

The following is the lineup on the County General Election Ballot:

- For County Judge
Charles T. Eblen (R)
- William H. Russell (R)
For General Sessions Judge
Thomas F. Ingram (R)
- For Criminal Court Judge

driving while intoxicated, having no drivers license and violating the registration law, after both accused the other of being the driver of the car.

The car with the two men charged by Trooper Joe Littleton, struck the rear of a car attempting to turn left from 11 into Bucktown. The two men are identified as Reed Moss, 51, and Danny Lee Cannon, 18, both of Lenoir City. Moss sustained facial cuts and a broken leg.

Driver of the other car was Joseph Hardy, 52, Rt. 3, Lenoir City. He had only minor injuries, but two occupants of the car, Mary Hardy, 31, and James Howard, 38, were both admitted to a Knoxville Hospital after the accident.

Mrs. Keener Elected By Health Group

The East Tennessee Health Planning Council, Inc. (ETHPC) held its Second Annual Meeting on Thursday, June 27 in Knoxville. Over 85 people attended the combination banquet-meeting, including Health Council members, hospital administrators, nursing home administrators, local physicians, and other people interested in health care delivery in the East Tennessee area.

Officers for the coming year were elected by Council members attending the annual meeting, however, since there was not a quorum present, this action is pending ratification by a majority of the Council members.

Those elected by the group were: Raymond G. Guay, Knoxville Architect, Chairperson; Rose Keuser, Lenoir City Public Health Nurse, Chairperson-Elect; Helen D. Fine of Maryville, Secretary; and James Franks, Newport Utilities Board Manager, Finance Officer.

The Council officers will serve on the ETHPC Executive Committee along with Richard Whittaker, MD from Knoxville representing Knox County; James Amburgey, Dean of Students, Hiwassee College in Madisonville representing Blount, Loudon, and Monroe Counties; Robert Butziger, a Deer Lodge Minister representing Anderson,

FIVE HURT—Reed Moss, with head bleeding and his leg broken sets in the door of the car he was in when it struck the rear of the car below. Moss and another man in the same car were both charged with drunk driving after saying the other was driving at the time of the accident on U.S. 11 at the Lenoir City city limits about 10:30 p.m. Sunday. The car struck in the rear was stopped attempting to turn into Bucktown when the other car struck it in the rear.

Deaths

MR. BASKETTE

Jack W. Baskette, Sr., age 52, 508 West Seventh Avenue, Lenoir City, died suddenly Saturday, June 28 at Loudon County Memorial Hospital.

Member and a deacon of Calvary Baptist Church, employee of K-10 Oak Ridge National Laboratories.

Survivors include: wife, Ruth Collins Baskette; son, Jack W. Baskette, Jr., Louisville, Ky.; grand-daughter, Jennifer Lyn; brother, William C. Baskette, Lenoir City; sisters, Miss Faith Baskette, Loudon, Mrs. Reggie (Pansy) Honey, Carthage; nieces and nephews.

Funeral services were held Tuesday at Hawkins Chapel.

Rev. Clarence Sexton, Rev. A.A. Carlton and Rev. Glenn Melton officiated. Interment, Lakeview Cemetery, Hawkins, Lenoir City, in charge.

MISS GUINN

Ida Hazel Guinn, member of

a widely known Loudon County family died Tuesday, June 25 at Fort Sanders Hospital. She recently retired from the Oak Ridge National Laboratory. She was a member of the United Trinity-Methodist Church in Lenoir City.

Survivors: a sister, Mrs. Robert Berry of Knoxville, whom Miss Guinn had made her home for the past 25 years; a brother, Frank J. Guinn, also of Knoxville.

Funeral services were held at Click Funeral Home Chapel Thursday, June 27, Interment, City Cemetery, Click's, Lenoir City, in charge.

HIGH COSTS HIT US, TOO

We seem to be on a runaway elevator that goes only one way. Up. Supplies and equipment cost more... when we can get them at all. Inflation has affected all our operating and maintenance costs. And interest on borrowed money is high.

There seems to be no sure way to stop the elevator. But there is one person who can help. You.

Use electricity wisely. Use it efficiently. Use only what you need.

This way, our present system can handle more of the load. This will be a big help in keeping down our costs and, in turn, keeping your electric rats at the lowest feasible cost.

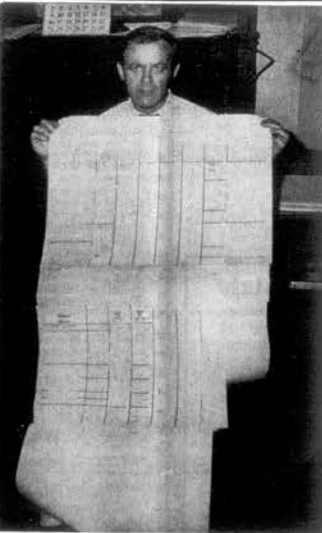

SOMETHING TO REMEMBER

Since we are publicly owned and not in the business of making a profit, you are buying electricity at "cost." Our essential costs, unfortunately, have been rising tremendously. You can, indeed, hold down electricity's cost to you by using it efficiently.

Use Electricity Wisely

Central Methodist Captures Fort Loudon Soft Ball Tourney

The Central Methodist Softball Team of Knoxville carried away the giant winner's trophy in the finals of Sunday's Greater Fort Loudon Invitational Softball Tournament held at Legion Field. The three day event, with over \$200.00 dollars in trophies being up for grabs, zipped along in fine summer weather with the real winner being the Loudon County Recreation Department who sponsored the event.

Not only was the weather ideal but the community interest was excellent and the sportsmanship matched up to the hospitality displayed by the tournament committee and the Loudon High School cheerleaders which worked throughout the tournament providing cokes and good cheer for the visiting teams.

Central Methodist rolled through the tourney without a loss and stopped Lakeview American of Maryville 7-3. Phil Tipton, voted the tournament's Most Valuable Player, and Carl Hillon each blasted three hits in the title game and were supported by the hitting of George Hill, Joe Parton, Gene Julian, and Jim Guy Thomas with two base knocks apiece.

Late inning rally to stay active in the winner's bracket while the Co-op suffered their first loss.

Vineyard, Livesay, and Ray Petty were the top hitters for the A&W. Kenneth Fox humpered for the Greenback team.

Greenback had won their first contest, a 10-3 decision over North Athens. Larry Ritchey had four hits, two going for home runs in the contest for the Co-op.

The A&W finally went down to Moreland Heights 16-15 as the winners had to come from behind to win.

Lakeview American boosted the A&W in a close one 3-2. Al Nickles and University of Tennessee footballer Ricky Townsend delivered clutch hits for Lakeview.

The Loudon Merchants bounced back from their loss to hand out loser's bracket win over Bar-Kniff of Philadelphia 20-5 and the Hamilton Bank of Loudon 7-5.

The Merchants ran out of gas as Lakeview clobbered the Loudon team 27-3.

The Hamilton Bank of Loudon never really got their hitting together, bowing to Moreland Heights 7-1 in their opening test. The Hamilton came back to eliminate North Athens 8-4 on the hitting of Buck Kirkland, Don Canter, Danny Gibson, and Arnold Brookshire, before going down to the Loudon Merchants.

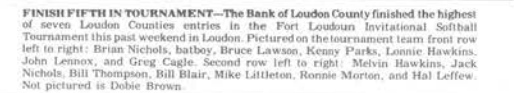

Philadelphia Bar-Kniff dropped two straight contests. Moreland Heights struggled to a 14-10 win and the Loudon County team made several errors in losing to the Loudon Merchants.

Eaton's almost beat Central Methodist, but a crucial call on an extra base hit wiped out the flame of victory and Central Methodist won 7-5.

The Knoxville team then carried their winning ways past Moreland Heights 11 to 9. A nifty 6-3 decision over Lakeview American and a strong 20-12 thumping of O'Kains placed them in the tournament finals.

O'Kains won over the Bank of Loudon County, and Piney Grove of Maryville, only to be eliminated by Lakeview American 20-7 for a fourth place finish.

Lakeview whipped Royal Crown of Athens 24-8 and upended Moreland Heights 9-4 before going down to defeat at the hands of Central Methodist.

FINISH FIFTH IN TOURNAMENT—The Bank of Loudon County finished the highest of seven Loudon Counties entries in the Fort Loudon Invitational Softball Tournament this past weekend in Loudon. Pictured on the tournament team from front row left to right: Brian Nichols, barboy, Bruce Lawson, Kenny Parks, Lonnie Hawkins, Jack Nichols, Bill Thompson, Bill Blair, Mike Littleton, Ronnie Morton, and Hal Leflew. Not pictured is Dobbie Brown.

"That's my bubble gum picture card you're tearing up!"

MERCHANTS RECOIL FOR 17-5 WIN

The Loudon Merchants softball team, which had lost two of their past three league games, came to life last Monday night and blitzed by league leading Bank of Loudon County 17-5.

R. L. Branam led the way with four hits and Bobby Russell, Ted Sitzer, and Wayne Poole added three hits each to assure the win.

The Bank had won the week before 11-1 over the Merchants.

In the only other league game, the Hamilton Bank outslugged Union Carbide 18-8.

NOT QUICK ENOUGH—Greenback Co-op second baseman Kenneth Fox puts the tag on a Lenoir City A&W base runner but he was not fast enough to record an out as the runner was safe. The A&W won the game 11-6.

Farmers Host Dove Hunting

Tennessee Farmers looking for a new way to pick up a little extra pocket money might consider opening their farms to dove hunters.

Farmers who held dove hunts in Tennessee last year averaged \$310 each in extra income, according to Billy Minser, University of Tennessee Wildlife research biologist.

"These hunts were held as a consequence of regular dove mining operations," Minser said. "The farmers did not plan the hunts in advance; they simply took advantage of good hunting situations as they occurred."

Hunters usually paid \$2 each for the privilege. The average was two birds per farm with a density of two hunters an acre.

The dove shoots generally were held on fields of freshly harvested grain - millet, soybeans, wheat and corn silage. Fields averaged less than 25 acres.

Gary Lindner Wins Oak Ridge Tennis Tourney

Gary Lindner

Gary Lindner is fast making a name for himself in area tennis play and all the same time turning short on opposition.

Mr. Lindner, a real estate broker in Lenoir City, just completed a tournament in Oak Ridge, winning the individual championship in teaming with a Knoxville man to capture the doubles finals as well.

Mr. Lindner won the Blacksher Tennis Tournament in surprisingly easy fashion. He defeated Joe Minuter, who was seeded third, in the quarter finals.

Bob Ward of Knoxville gave Lindner the most rugged game by dueling him for three hours before falling 6-4, 4-6, 6-3. Lindner met Charles Spiran, a top player from Knoxville Halls, in the finals and won in two quick sets for the individual honors.

Mr. Lindner combined with the advanced talents of Knoxville Catholic's Greg Patterson, a standout basketball player on the Irish state finals runner-up hoop team, for the doubles crown.

Lindner and Patterson breezed into the finals only to lock horns with Mike and Bob Ward of Knoxville. Lindner and Patterson took the title 7-5, 3-6, 6-3.

Mr. Lindner, who reigns as a premier player in Loudon County, and heads the Cedar Hills Tennis Association, has been tabbed an advanced tennis player for the past several years in the most active tennis circles of Knoxville.

But not until just the past few months has Mr. Lindner turned his game into one of consistent high quality performances such as the one exhibited in winning the Oak Ridge Blacksher Open Tournament.

Mr. Lindner will be involved in the Crossville Invitational Tennis Tournament over the Fourth of July. He will then play in the State Open Tournament to be held at Knoxville's Tyson Park July 15.

Mr. Lindner will be matched with "the best" in these tournaments and will also take part in the Knoxville City Championships, which get under way at Knoxville's Tyson Park August 15.

Gary Lindner

Clear Skies Expected For QB Horse Show

The temperatures are supposed to reach the 90's Wednesday (today) with fair skies and hold around the 70 mark tonight for the annual Quarterback Club Horse Show at Loudon's Legion Field. The gala event, expected to draw some 200 entries, will get under way at 7:30 p.m. There will be \$1500.00 in prize money covering 16 classes.

Admission is one dollar. Incession stands will be on the site for plenty of soft drinks and snacks.

Atomic Racing Set For 4th

When the 20-car field for the Southeast Dirt Track Classic gets the green flag Thursday night at Atomic Speedway, a pair of Georgians figure to be the drivers to beat.

Doug Kenimer, who has lost only one appearance at the third-mile speedway, will have his Chevillon on the line. Jody Ridley, who has performed well on NASCAR's Grand National circuit this season, will be in a Ford. Ridley's brother, Biddle, also will be driving a Ford in the 75-lap race—the second of the four-race series.

Drivers will be battling for a top prize of \$1000 besides trying to stay near the top in the point standings.

Qualifying runs are scheduled to start at 7:30. The first heat race goes off at 8:30. There also will be a 20-lap semi-feature which will be worth \$200 to the winner. Tickets for the Classic are \$4 (reserved) and \$3.50 (general admission). Children under 12 are admitted free. Doug Carpenter of Johnson (Continued to page 9)

Anybody can shout he's for the "working man".

Especially if there's an election coming up.

Some men play up to the working man only at election time. Other men work for him all the time.

Tom Wiseman is one of those "other men". He has always gone to bat for the working man. He did as state treasurer, and before that as state legislator.

Here's what Wiseman has *already done* for the working man:

- THE TENNESSEE MINIMUM WAGE LAW. Wiseman twice introduced and voted for this bill as legislator.
- COMPENSATION FOR BLACK LUNG DISEASE. Wiseman pushed this bill... one strongly sympathetic to coal miners... through the legislature, thereby making black lung a compensable work-related disease.
- WORKMAN'S COMPENSATION BENEFITS AND MEDICAL BENEFITS. Wiseman introduced and pushed this bill to increase workman's benefits through the legislature. It is now law.

Here's what Wiseman can do as governor for the working man:

- He'll increase workman's compensation benefits to a respectable amount, substantially higher than the below-poverty position it holds now.
- He'll push *unlimited* workman's medical and rehabilitation benefits.
- He'll appoint his Commissioner of Labor from the ranks of organized labor, so you'll have a genuine spokesman.
- And if you ever want to speak to the governor himself, you can.
- No go-betweeners.

Tom Wiseman. Think what he'll do as governor.

TOM WISEMAN as governor

PAID FOR BY CITIZENS FOR WISEMAN, Anne Stanton, secretary

City Golf Standing Close In On Leaders

The one time healthy City Golf lead enjoyed by Richard Archer and John Cobb is slowly losing its zest. The number one twosome in the league managed but four points in a match with Jack Hodge and Don Canter two weeks ago and just five from approaching Ed Arnold and Paul Brakebill this past week.

Currently Archer and Cobb lead the league with 118 team points. Ted Lomax and Inky Swiney share second place with Arnold and Brakebill, as each team has 110 team points.

Cliff Miller and Bert Rutledge, 105 team points, and Jimmie Hamill and Jim Moore with 103 team points, Larry Millsaps and Lynn Millsaps, 102 team points, and Dennis Townsend and Ralph Stalcup, 100 team points, round out the top four through seventh place respectively.

Three teams all tied for the low net team round last week. Ed Arnold and Paul Brakebill, Jack Ferguson and Glenn McNabb, and David Hamill and Tom Lambert all fired scores of 71 for team honors.

The individual medalist award for low net score was just as crowded as four players finished nine holes with counts of 34. Jack Ferguson, Ed Arnold, Harold Grimes, and Don Canter shared the spot "light" for the week.

John Cobb, Ted Lomax and Tom Sexton are all locked in a torrid fight for the individual league leadership. Cobb holds the lead with a season total of 66 points, but Lomax is right behind him with 65 and Sexton has 63 to date.

M. F. (Benny) Stafford

for Floterial Representative
21st Legislative District
Loudon & Blount Counties

Your Continued Support & Confidence Appreciated

For the past four years I have been privileged to serve the citizens of Loudon County in the State Legislature. As in the past I will pledge to listen to the wishes of the people and try to work for their interests in Nashville.

Although I am unopposed in the August election I would greatly appreciate your vote of confidence.

Paul Pol. Adv. Inserted by Benny Stafford

By Darrell Tuck

My column today is dedicated to the statistical fan. In the following will also be a brief summary of all the Babe Ruth and Senior Babe Ruth teams. But remember stats aren't everything. I'll give you an example now. The Expos in the Senior Babe Ruth are leading in pitching but the team has only won one game out of seven. So you know it's got to be.

Now let's take a look at the Babe Ruth teams. Each team will be listed as they are placed in the standing.

First, the league leading Cardinals. The Cards unbeaten in six previous starts are built around extra good hitting and solid pitching. Kenny Starritt and Ricky McCary are the stars of the team. How much longer can it last?

The real surprise to every body has been the Orioles. They have a 3-2 record but they're a much better team than their record shows. Mental mistakes and lack of hitting may cost them the championship. Conway Tuck leads the league and team in batting with a sizzling .600 average.

The Braves have lost most of their ball games by one or two runs. One thing they really need is some pitching. In none of their games have they lusted the whole game with any success. B. J. Moore is the strong point on the team batting second in the league at a .571 clip.

In the fourth position are the Pirates. Lack of some extra hitting and also pitching seems to be their biggest problem. Kevin Bailey is the only big stick on the team, batting .500.

The big disappointment of the year is the Dodgers. At the first of the year everybody was looking for them to be no less than second. But the season isn't over yet. Eddie Ester is the leading batter on the squad and sixth on the league with a .444 average.

If things go the way they are now in Senior Babe Ruth the Giants and Tigers will battle it out to the last week of the season. The Tigers trail the Giants by half a game.

I think the reason for such success for the Giants has been the fact they get better wood on the ball than anybody in the league. Led by Paul Julian, Butch and Jim Brown they're leading the league on batting with a .398 clip. In the pitching department Butch Brown ranks fourth.

The Tigers right on the heels of the Giants are led by the hot bats of Mike McCall (which is leading the league on slugging) and Donnie Therap. The Tigers seem to play their best ball when Mark Ward is on the mound. The hard throwing right hander is tied for second in pitching.

In third place is the Reds. Their big problem has been getting the players to the ball park. The team is batting .sluggish. 233. Raymond Watkins leads the team in hitting and pitching. In the league he places eighth in hitting and fifth in pitching.

The Expos have been pitching well and hitting fairly well but the defense has not been up par at all. The Expos don't have a batter in the top ten but their pitchers (Darrell Tuck and Danny Abbott) rank one and two on the league.

Innings pitched, hits and earned runs etc. is how the pitchers ratings are figured.

Are a Fishing Report

Most fishing has slowed down due to the hot weather of summer. The lakes are all full and clear.

FOUR LOUDOUN LAKE—Bass are fair in late afternoon and early night. Bluegill, good using fly rod and popping bugs or red worms on bank. Catfish good on cut bait, stripes are breaking in different parts of the lake, but are not in full swing yet.

NORRIS LAKE—Fishing is rather slow but some bass and walleye are being caught. Stripes are fair in the breaks. Bluegill good around hush areas.

WATTS BAR—Stripes and crappie are fair at night on minnows. Some break activity has been reported on stripes.

DOUGLAS LAKE—Bass fishing is fair most of them are caught in the break. Some good catfishing on trot line.

CHILHOWEE LAKE—Trout fishing at night is the best using corn tipped red worms. Blue gill are fair.

LITTLE T RIVER—Producing some large brown trout. Fisherman need to check their license as the first of July, a new license is required.

Instant this happens begin the forward part of the cast by slowly starting to lower your upper arm and, at the same time, pushing forward with your forearm.

Continuing this movement until your arm and rod approach a 45-degree angle. Now push back with your thumb and wrist to make the upper part of the rod drive the line forward in a tight loop.

As the line straightens out in front of you, let go of the slack line held in your left hand. The momentum will pull the line forward through the rod guides.

Send for a FREE brochure containing tips on how to keep your hook "ship shape" all season long. Write to Virgil Ward at the address below.

As the line straightens out in front of you, let go of the slack line held in your left hand. The momentum will pull the line forward through the rod guides.

To feed out more line to reach a particular spot, or to dry a fly, you'll have to "false cast"—that is, go through the full overhead cast but before the fly touches down begin a second backcast.

To lengthen the line, release some or all of the slack you've been holding in your left hand as you bring the rod forward in the false cast. Repeat the false casting—peeling off additional line you go along — as often as necessary to set the fly over a particular spot.

It's a good idea to get into the habit of making the shortest cast possible for any given situation. This not only will give you accuracy, but also drop the fly on the water before the leader and reduce line slack.

With practice — and you'll have to have it in the beginning — you'll soon be ready to join that special breed of sportsman, the fly fisherman.

Dear Virgil: We recently visited our rip up to a launching area on a reputedly good fishing lake, only to be told we couldn't use our outboard motor. The warden on duty said only electric fishing motors were allowed. Can you explain the distinction? Everywhere else we have been allowed to use our gas outboard.

Ron Hardman
Arlington, Va.

Dear Ron: There is a growing trend to close smaller lakes to gasoline outboards in favor of electric fishing motors. Many very small lakes are closed to all types of motors. The reason the electric motors get a break are several according to

State Dove
Fields Being
Developed

Last year, on a state-wide basis, 54 dove hunting leases were obtained for a cost of \$14,765. On these fields, an estimated 13,950 hunters harvested 54,699 doves. Because of this success, a similar program will be conducted this year. First priority will be given those counties which do not have a Wildlife Management Area.

As you raise the rod, your forearm and rod will come to a 45-degree angle. Now give the rod a sharp lift, but stop when your forearm is nearly vertical. The whip-like motion will lift the line off the lawn and move it up and back.

As the line moves backward, relax your wrist a little so the rod drifts back slightly. When the line straightens out behind you, you'll feel a tug. The

NICE STRING—Steve Merritte of Maryville is shown with his catch at Fort Loudoun Dam last week.

SMALLMOUTH BASS—Johnny Russell of Knoxville, formerly of Loudoun, is shown with a four and one-half pound Smallmouth bass he caught last week out of Fort Loudoun Dam Marina.

FIVE FOUND LARGEMOUTH—Sonny Fletcher of Lenoir City is holding a five pound largemouth bass he caught at Fort Loudoun Dam last week.

LITTLE T CATCH—Olan Williamson of Loudoun is shown with a Brown Trout caught in the Little Tennessee River last week. It weighed one and one half pounds.

HERBERT CLEMMER of Loudoun is shown with a Sauger he caught on Watts Bar Lake. The fish weighed 3 lb. 10 ozs. and was 22 inches long.

Virgil Ward, three-time world and national freshwater fishing champion, is seen weekly on the "Champion-Ship Fishing" TV series. Send your questions to Virgil Ward, P.O. Box 6, Mankato, Minn. 56001.

Loudon County Herald

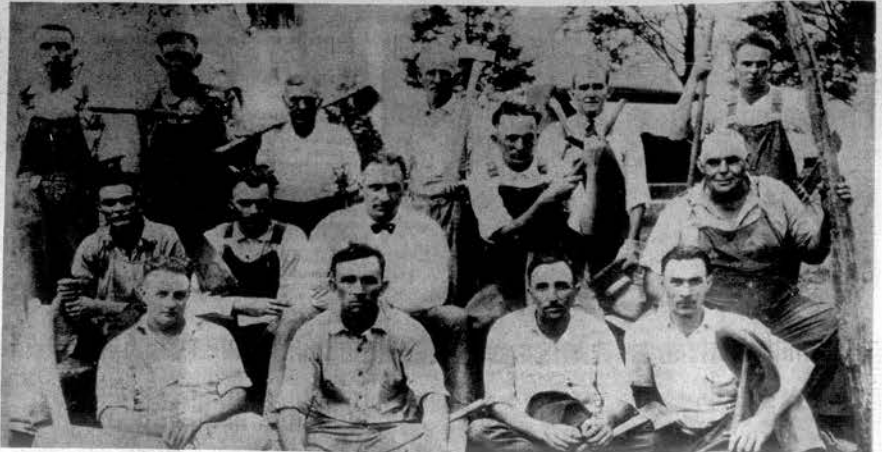

come about in recent years but has been true for many years past. Just point out the need and somebody will get the effort going and usually worked out to a very effective conclusion.

We were reminded of this by a picture we have this week of a group of Loudon men doing one of the needed tasks many years ago. This group was formed to get Riverview Cemetery in shape for Decoration Day. We have run several similar pictures but not ever this particular one. In this picture we find men from all walks of life and all sections of our town banded together to get a needed job done. Many of these are now deceased and others have followed in their footsteps in helping to make our area a wonderful place in which to live.

This group contains many well known Loudon people and those we can identify are John Cooper, Bob Berry, Ben Peters, Walter Chaney, Dink Deford, Harney Deford, John Mize, Mr. Hayes, Joe Hudson and Bart Greer. These are not in any order and some of them are not identified. If you can help us, let us know.

Mr. John Mize, now deceased, was for many years a rural mail carrier out of Loudon. As a small boy, we spent many hours with him working on the many pieces of rental property he owned in Loudon. He, through the years, related many colorful things to me about our town. I guess one of the most interesting things was the things he told me about his boyhood. His father operated a carpenter shop and their main

work was casket making. As best I can recall, he said many were ordered after the person had expired and in some cases it was because the casket had to be a special size. Mr. Mize made picture diplomas, etc. in frames made by him.

He was a man, like many other tall in our community and meant much to my life. Our other picture this week is one of a Mrs. Frank (Mae) Clemmer and daughter. Many

people will recall this young lady who grew up and married Jim Phillips. For several years Jim ran a watch repair service in Loudon. He was located in the space up on Grave Street where Gene Hickey now has his business machine shop. The Phillips boys came to Loudon from Philadelphia. Ted, Jim's brother, was around Loudon for several years. He was a Jack-of-All-Trades and could do about anything from

photography to movie projector operator. We knew Jim when we lived in Philadelphia as boys in school together.

Mrs. Frankie Sutton, who loaned us this picture, made the identification for us. She stated that Jim and his wife now live in Chattanooga. We haven't seen Jim since he left Loudon years ago.

We were talking to Jimmie Cannon the other day and he was telling us that his family

was holding their family reunion on July 4th at Carbine Park. He said about all the old families who made up the populace of Loudon years ago were about all gone and when you stop and think about it, this is true. Many are now scattered across the country and many are deceased. Many people have told us that the Good Old Days column has kept many of the old family names alive and

we are proud to be part of that era of Loudon history. Some weeks ago a lady in Lenoir City called the Herald office and left her name and phone number and stated she had a school group picture to loan us. Somewhere we have misplaced the name and number. Please call us again and we will be happy to use the picture.

Well, that's it for now. See you next week.

I guess out of all the things we could mention that would be complimentary about our town, the one thing that would stand out above the rest is how our people always join together to get a job done. This is not something that has

Vote for Honesty Decency Experience

Vote for Ross Bass

Ross Bass offers the voters of Tennessee a record of public service and achievement — a record unblemished by breach of honesty or decency. He brings into the Governor's race a record of 18 years of public service: six years as Postmaster of Pulaski, Tennessee, and 10 years in the U. S. House of Representatives and from 1964 to 1967 in the U. S. Senate.

Now Ross Bass offers this record of service and achievement as the foundation of his campaign for Governor. He proposes a program of progress for Tennessee, conceived, initiated and carried out with

honesty and decency.

His entry into the Governor's race immediately projected Ross Bass into the forefront of the Democratic Primary. No other candidate for Governor has been elected to state-wide office. No Democrat has defeated a major Republican opponent in a state-wide race since Ross Bass was elected to the U. S. Senate in 1964.

Paid for by Ross Bass for Governor Committee, Reverend Horace Bass, Chairman

Industry Park Grant Approved

A long-awaited approval of a \$250,000 federal grant from the Economic Development Administration came last week, and the City of Lenoir exercised its option to buy a 100-acre industrial site just west of the Eaton Corp. plant.

The grant, which will go with a \$500,000 loan recently approved for the project by the Farmers Home Administration is for the purpose of acquiring and developing the site as an industrial park.

Announcements which came from the offices of Rep. John Duncan and Sen. Bill Brock pointed out that the project is "to help stimulate industrial growth and create jobs in Loudon County."

The site is the area which lies along the Tennessee River (Watts Bar Lake) immediately downstream from the present Eaton Corp. plant. It is being purchased from the Lenoir City Company under an option arranged by Hamilton National Bank President Bill Hildreth two years ago when he was president of the Lenoir City Committee of 100 for Industrial Development.

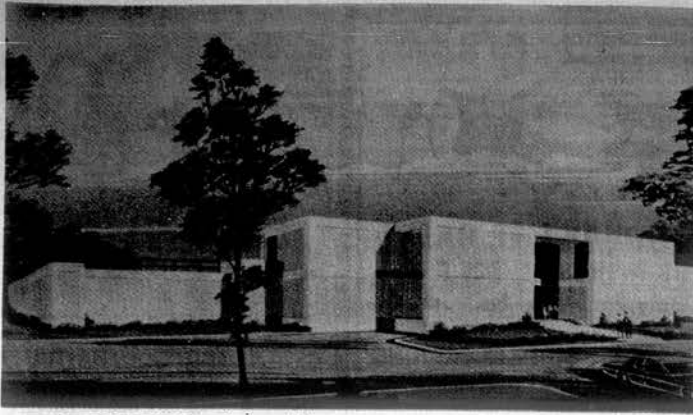

Plans for the industrial park, which are being developed by the engineering firm of Barge Waggoner, Sumner and Cannon, call for building an industrial access road through the property to connect with the bridge over the Southern Railway tracks west of Lenoir City and tie into the present industrial road leading to the Eaton Corp. plant. Water, sewer, and electrical services also will be readied.

At a City Council meeting Monday night when the Council ratified the Mayor's action a few days earlier to exercise the city's option to purchase the property, Mayor Joe Grayson expressed his appreciation to Rep. John Duncan, whose office, he said, had been in daily contact with the Economic Development Administration in an effort to get the grant approved before the option on the property ran out.

Smokey Says:

JUL 4 1974

THIS ARTIST'S RENDERING shows the proposed filter plant and main pumping station for the Highway 411 corridor water system which received approval for the last of its federal funds this week with announcement of a total \$405,000 grant from the Appalachian Regional Commission. The drawing, in full color, is on display at

Byerly's Drug Store in Greenback. Druggist Edwin Byerly is a Board Member of Tellico Area Services System, the joint Monroe and Loudon Counties Utilities Board which will be responsible for building the water system.

Water System Grants OK'd

Announcement was made last week of the last of expected federal grants to make possible the construction of a water system to serve the Highway 411 area from Greenback to Vonore.

Commission for the project. Of that amount, \$220,000 goes to Monroe County and \$185,000 to Loudon County.

The two counties have appointed a joint water utility board, called Tellico Area Services System which will administer the funds toward construction of the water system.

already been approved, including \$500,000 to each county (total of \$1-million) from the Housing and Urban Development agency and a loan of \$700,000 (\$350,000 to each county) from the Farmers Home Administration.

The total estimated project cost is \$2,676,000. The balance of \$600,000 is expected to be paid from revenue from the proposed water system.

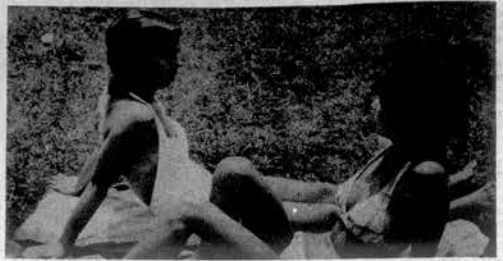

Another major user of water from the system will be the City of Madisonville, which has had a serious water supply shortage for several years.

Denton Assigned

The son of a Lenoir City couple has been assigned to Wiesbaden AB, Germany. Air Force Captain (Doctor) Stephen L. Denton, son of Mr. and Mrs. Paul L. Denton, 413 W. First Ave., is a flight surgeon with the USAF hospital. He previously served at Osan AB, Republic of Korea.

The captain, a 1962 graduate of Lenoir City High School, received his B.S. and M.D. degrees from the University of Tennessee.

His wife, Captain Linda L. Denton, is the daughter of Mr. and Mrs. Melvin Corley of Meyersdale, Pa.

BUTCHER ON SCHOOLS

"We need career oriented education that will provide our children with meaningful job skills."

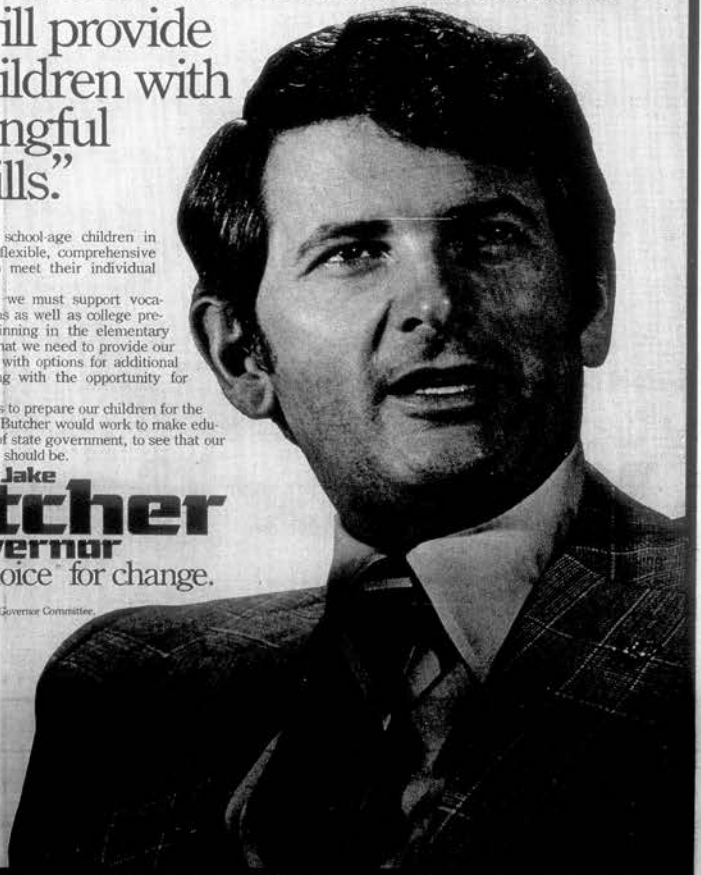

There are 1,150,000 school-age children in Tennessee. It takes a flexible, comprehensive educational system to meet their individual goals and needs.

Jake Butcher believes we must support vocational training programs as well as college preparatory courses, beginning in the elementary grades. And he feels that we need to provide our high school graduates with options for additional technical training along with the opportunity for college degrees.

It will take good schools to prepare our children for the jobs of tomorrow. Jake Butcher would work to make education the top priority of state government, to see that our schools are all that they should be.

Use Of Old Bacon Hospital Is Urged

At the last meeting of the Loudon County Health Council on June 20, in the Loudon Utilities Building, the Council voted to send a resolution to County Court urging that action be taken to investigate the financial feasibility of converting the Old Hospital into a Doctor's Clinic. Harry Wampler reported on the trip to Chicago taken to try and recruit Doctors for Loudon County. Gay Hamilton, Hospital Administrator, reported on other attempts the hospital is taking to recruit physicians. The fact that Loudon County cannot offer to physician space in a group practice clinic or guarantee them a salary is a detriment to the recruitment attempt. The Health Council voted to send a resolution to County Court asking that the Court investigate the possibility of financing the remodeling of the Old Hospital for a Doctor's Clinic. The Health Council strongly feels that the County will have to be willing to make a financial commitment to the Doctor recruitment campaign. The council voted to seek the approval of County Court allowing the Loudon County Health Council to be recognized as County Court's official health task force for all health-related matters of concern to the County. The Council will select three representatives of the Council who will attend all meetings of County Court. The next Loudon County Health Council meeting will be in September.

and everyone for the prayers, food, flowers, kindness and for all the congregation for us during the illness and death of my husband. I especially would like to thank Kyler Futral, Home and the Rev. Wesley Miller, the Rev. Clinton Riddle and the pallbearers. I sincerely thank the singers for everything that was done and given in our time of need. It will never be forgotten. May God Bless you all. Mrs. Vaughn Denton.

LEGAL NOTICES

NOTICE TO CONTRACTORS OF STATE HIGHWAY CONSTRUCTION BIDS TO BE RECEIVED

JULY 19, 1974 Sealed bids will be received by the State of Tennessee, Department of Transportation, at their offices in the State Highways Building, Nashville, Tennessee, until 10:00 o'clock A.M., July 19, 1974. LOUDON COUNTY (CONTRACT NO. 6615): Project No. R-2424(1) - (SS015-3302-03) The surfacing with luminous material (plastic mix) of a section of Secondary Route No. 2424, beginning at the Greenback City limit and extending to the Blount County line. Project length—1.30 miles. Working days—On or before December 1, 1974. Estimated Construction Cost—\$42,000. Demo Headquarters Opening Saturday

The official opening of the Loudoun County Democratic Headquarters will be held at 10 a.m. Saturday. The headquarters is located in the Johnson Building on A Street in Lenoir City.

Local Democrat candidates, Charles Eblen for county judge, Billy Joe Atkins for circuit court clerk, Raymond Phillips for trustee, Erk Millsaps and Deacon McNabb

for road commissioner, Charles Settles and Bowman Bivens for constable will be present.

Chairman for the various Democrats seeking the nomination for Governor will have literature at the headquarters for distribution. Refreshments will be served from 10 a.m. to noon, and the headquarters building will be open daily until the August 1 General Election.

Howell Escapes From State Prison

Dane Howell, a well known Loudoun County police character, was one of eight inmates at the State Prison in Nashville to escape Monday afternoon.

Howell was serving a 12 year sentence on a Knox County conviction for armed robbery. The inmates were among 13 on a bus that was driven away from the prison farm at lunchtime Monday. Two of the

prisoners turned themselves in and three others were recaptured.

The escape apparently took place as about 35 prisoners were being loaded on the bus, when one prisoner jumped in the drivers seat, started the bus and pulled away blowing the horn.

A number of residents in the area of the prison farm joined state police, prison guards, dogs and helicopters in the hunt for the escapees.

Recreation And Crossing Grants Are Assured

Loudoun City Commission was informed by Mayor Gene Lambert and City Administrator Gary Hensley Monday night that two federal grants for projects in the city are expected to receive approval in the next few days.

Mayor Lambert said he has been informed that a grant covering 95 percent of the cost of having train activated crossing signals for the Highland Avenue crossing of Southern Railway track is to be approved. If the approval is granted the installation of the signals at the crossing will bring a successful end to a struggle covering several years to get the devices for the crossing.

The Mayor said that the East Tennessee Development District had requested approval for seven such projects and Loudoun's request was the number two priority.

Mr. Hensley said that the East Tennessee Development District has requested funding for a full-time city recreation director. Under the program funds would be provided by the federal government that would pay the salary and a fringe benefit supplement for

a director for one year. The Commission gave Mr. Hensley the authority to start interviewing applicants for the job and to establish an office for the director as soon as the grant is approved and the person hired.

In a letter Loudoun Health and Education Facilities Board Chairman Ray Birkholz said that revenue bonds for the construction of the million dollar facility selected. He indicated that construction on the 80 bed facility would probably begin late in July. On a 31-vote the Commission approved increasing the number of beer permits in the city from four up to five. The city Beer Board had recently received an application from Jack Kincaid for the establishment of a package beer store in West End, but could not act because there were no permits available under the number restriction.

Mayor Lambert said that the Commission's action in increasing the number of permits would not mean approval of Kincaid's application, that this was the responsibility of the Beer Board after receiving any applications and complete investigation would make a determination if an additional permit would be issued.

Commissioner Joe Carter voted against authorizing an additional permit. Mayor Lambert appointed three Loudoun High School students to the City Youth Advisory Board. They are Mike McCall, Mike Lambert and Abby Dukes.

Thieves Take Guns, Tools, Motor, TV's

Loudoun County Deputies have investigated several breakins and thefts in the past several days.

The hardest hit home was that of Ruth Renz, Rt. 4, Beals Chapel Road, Lenoir City. There thieves knocked the lock on the back door sometime between 2:30 and 6 p.m. on July 4. Taken was an air conditioner, 26 gauge shotgun, 19 inch color television, two portable radios, stereo console television, silver AM-FM records and speakers; several old clocks, set of walkie talkies, chrome 33 Caliber

pistol, 410 single shot shotgun, about \$20 in pennies, a dinner ring, watch and pellet gun.

Deputy Larry Fropps investigated. A tool shed at the Bobby Wagner home, Old Steeple Road, Loudoun, was broken into and a homelite chain saw and about \$300 in tools were taken. Deputy Luke Bright said the break-in also took place on July 4th.

Vaughn Skidmore, Broadway, Lenoir City, reported a Deputy Jim Maples that someone stole a motor off his boat at Port Loudoun Lake Saturday.

Butcher Name Left Out

In publishing the list of candidates names in the general election and the Democrat and Republican primary elections last week The Herald inadvertently excluded the name of Democratic gubernatorial candidate Jake Butcher.

Architect Hired For School Program

The first steps of a building program for county schools which will span several years and cost several million dollars was taken at a recent meeting of the Loudoun County Board of Education.

A new building program for special education classes resulted from new state laws passed in the last legislature. Under the legislation each local school district is responsible for the needs of all children, handicapped to gifted.

The Board unanimously approved hiring Barber and McMurray of Knoxville for an ambitious long-range building program. The firm will make preliminary drawings and cost estimates for two priority projects set up by the board. The preliminary plans will then be presented to county court for funding.

An eventual building

program of several million dollars is envisioned. Consolidation of Greenback and Glendale schools and adding to Loudoun Junior High School is expected to be among the top priorities.

Dr. Jerry Morton, chief psychologist for the Little Tennessee Valley Educational Co-operative presented a program for special education to the board.

He said the county will be eligible for more than \$200,000 in state funds on the basis of handicapped children already identified.

He added a maximum limit of \$152,000 has been set because the program was not given full funding.

The plan included setting up a special class at New Providence school for eight severely handicapped children, another class of 15 children and placing 20 New Providence students in regular classes.

The eight students in one class would normally go to Daniel Arthur Rehabilitation Center in Oak Ridge, but the Co-op, working with Bob Cassidy, supervisor of instruction, recommended setting up the class as a means of saving money.

Dr. Morton reported Daniel Arthur will charge \$2100 per child next year.

He also said the LTVEC voted at its last board meeting to set up a three-county program similar to Daniel Arthur within the next three years.

The board unanimously approved an amendment to the proposed school budget of \$19,000 for the program. The money was originally included in the budget but was cut because of the new program.

Dr. Morton explained the county can hire a co-ordinator

JOBY KIRKLAND, 17, Vale Street, Loudoun, received a broken collarbone and cuts Wednesday afternoon when the Ford Pinto he was driving and a Roadway Express truck collided at the intersection of Grove Street and Highway 11. Kirkland was attempting to turn from Grove onto the highway when his car was struck in the side by the truck driven by Robert E. Erickson of Cumberland Gap. The car, which was demolished is shown in the top photo. In the lower picture ambulance attendants are preparing to take Kirkland, a Loudoun High student, to Loudoun County Memorial Hospital, where he was admitted.

CHECKING FOR PRINTS—Loudoun Police Chief John Lennox watches as TBI Agent Wade Ingram checks a bottle of pills that was partially emptied by burglars that entered Richesin's Loudoun Pharmacy Sunday night.

BREAK IN TOOL—TBI Agent Wade Ingram examines a crow bar that still has the price sticker of a Knoxville store that was used by burglars that stole some 1000 pills in a break in at Loudoun Pharmacy sometime Sunday night. Loudoun Police Chief John Lennox is behind Ingram.

1,000 Pills Taken In Drug Robbery At Richesin's Pharmacy

About 1,000 units of legend type drugs were stolen by thieves who broke into Richesin's Loudoun Pharmacy sometime Sunday night. Store owners Ernie and Bob Richesin put a retail value of \$250 on the stolen pills.

The thieves entered the basement of the building and used drills and crowbars to get through the wood floor into the prescription department of the store. Once inside they raided the narcotic cabinet under the work counter. Bob Richesin listed the drugs

taken as 500 Percodan tablets and the remainder in Demoral, Morphine, Nembutal and Quaalude tablets. The store owners said that there was money in two cash registers in the store (change for opening Monday morning) but neither was touched and there seemed to be no other merchandise missing.

Investigating officers, Loudoun Police Chief John Lennox and FBI Agent Wade Ingram, said the person that went into the store had to be small because of the size of the hole cut in the floor.

Chief Lennox said the method of gaining entrance to the store was similar to two earlier breakins at Bevins Drugs just a block away from

Richesin's, where the thieves cut through an upstairs floor to get into the store. There only legend drugs were taken. The breakin was discovered

about 6:45 a.m. Monday by Ernie Richesin when he opened the store. Officers think that at least two persons were involved.

20 Months Old... Child Drowns In Small Pool

A 20 month old Loudoun boy accidentally drowned in a small swimming pool at his home on Matlock Bend Friday afternoon. The victim was Charles E. Moore, son of Mr. and Mrs. E. C. Moore.

Friends of the family said that the youngster was playing in the yard when he climbed a ladder on the side of the three foot deep pool and fell in. His father was working in the family garden some distance away and saw the youngster fall in the pool. The father ran to the pool and got the boy out and efforts to revive him failed.

Mr. Moore is employed at the Marenton Corporation and Mrs. Moore at Union Carbide in Loudoun. The boys is survived by a twin brother, Robert Lee Moore, a sister, Angela Faye; grandparents, Mr. and Mrs. Lee Moore and Mr. and Mrs. James E. Jones, all of Loudoun.

Funeral services were held

Sunday, July 7 at Blairland Baptist Church with Rev. Bernard Courtney officiating. Burial was in Steeple Cemetery. Karnes Funeral Home was in charge of the funeral.

County Court Meets Monday

The adoption of the 1974-75 County Budget and property tax rate, along with a number of reports head the July agenda of County Court. The meeting will be held in the main courtroom of the courthouse at 9 a.m. Monday.

A recent public hearing on the proposed \$6.2 million budget indicated that a \$3.96 property tax rate, same as last year, would be needed to support the budget which includes almost \$1.5 million in additional spending.

Judge Harvey Sproul, who has only two more regular court sessions before completing an eight year term as county judge, will report that the Defense Civil

(Continued on Page 6)

JULY 11 1974

Loudon County Herald
for and about *Women*
Miss Randolph Weds

Miss Elizabeth Ann Randolph became the bride of Larry Eugene Stafford on Saturday, June 28th at the First Baptist Church of Loudon. Mrs. Stafford is the daughter of Mr. and Mrs. Ted Allen Randolph of Loudon. Mr. Stafford is the son of Mr. and Mrs. Gene Franklin Stafford, also of Loudon.

The evening ceremony was performed by the Rev. Milton W. Bodien before an altar decorated with arrangements of gardenias and glads and candelabra holding burning tapers and sprays of Oregon fern. A program of wedding music was presented by Mrs. Thomas A. Matlock, organist. Edwin H. Arnold, soloist, concluded the ceremony with "The Lord's Prayer". Mr. Randolph gave his daughter in marriage. Mrs. Marion Bitterback II of Auburn, Alabama, was in charge of the bride's book.

For her wedding, the bride chose a full length gown of white silk organza over taffeta with a Victorian-necklined fitted bodice appliqued with pearly Alencon lace featuring long fitted sleeves with erilet cuffs and an A-lined skirt with vertical appliques of Alencon lace. Her chapel length mantilla was bordered in matching pearly lace. The bride's only jewelry was a gold locket, an heirloom belonging to her paternal grandmother. She carried a cascading bouquet of pink rosebuds and daisies.

Mrs. Albert E. Headlee of Loudon served as matron of honor. Bridesmaids were Miss Emily McCullley of Lawrenceville, Georgia; Mrs. John Smith of Johnson City; and Mrs. Richard Cunningham, sister of the groom, of Erie. They wore floor-length slip dresses of pink knit with floral organza self-tie jackets featuring open collar necklines and bishop sleeves. They wore picture hats of pink horsehair banded in matching satin ribbon and carried nosegays of pink rosebuds and daisies.

Mr. Stafford was his son's best man and ushers were Don Stafford and Mike Stafford, both of Lexington, Kentucky, brothers of the groom; and Ted Allen Randolph II, brother of the bride.

The six tiered wedding cake served to the wedding guests at the reception at the church following the ceremony was of special significance. It was a gift to the bride from Mrs. Jimmy Cannon who has received wide recognition for her talent for baking and the decoration of cakes for special occasions. Assisting in serving were Misses Rita Cannon, Donna Nelms and Sue Merrick.

The bride was graduated from Carson-Newman college with a BS degree in education. Mr. Stafford is a graduate of the University of Tennessee at Knoxville with a degree in Mechanical Engineering.

Following a wedding trip to Myrtle Beach, South Carolina, the couple will reside in Longmont, Colorado, near Boulder where the groom is a mechanical engineer with IBM.

Personal Mention

19 Attend District 4-H Demonstration

By Bonnie F. Sheehey
 Assistant Extension Agent
 Nineteen Junior 4-H'ers from Loudon County participated in the Second Annual District Demonstration Day at Clyde Austin 4-H Training Center. The event was held June 27 in Greenville.
 The bus trip to and from the Training Center was sponsored by the following persons and business firms: Goodwin Drug Company, East Broadway, Lenoir City, Tennessee Valley Enterprise, Inc. Post Office Box 196, Philadelphia, Russell and Shields Inc. Co., Post Office Drawer A, Lenoir City, Richard F. Wilburn, Rt. 5, Strang Rd., Lenoir City.
 All the 4-H'ers participating received blue participation ribbons. The person presenting the best demonstration in each project was recognized. Loudon County had three 4-H'ers recognized

as giving the best demonstration in their project. They were: Ramona Goddard, Greenback, Safety; Mary Humphrey, Steekee, Field Crops; and Donna Keeble, Eatons, Sheep.
 The other 4-H'ers participating in their 4-H club and project included: Jamie Boone, Eatons, Arts and Crafts; Bud Cheatham, Highland Park, Beef; Marsha Smallen, Loudon, Bread; Andrea Webb, Loudon, Clothing; Janie Millsaps, Philadelphia, Dairy; Velvet Wilburn, Highland Park, Dairy Foods; Stanley Etam, Eatons, Electric; Sharon Kelo, Steekee, Health; Laura Sparks, Eatons, Home Improvement; Tony Rush, Highland Park, Horse; Shari Brown, Highland Park, Management; Scott Green, Eatons, Petroleum Power; Linda Tinnel, Highland Park, Sewing; Patti Shockley, Greenback, Swine; and Carroll Maxwell, Gendale, Wildlife.

GAVE DEMONSTRATIONS—Nineteen Junior 4-H'ers from Loudon County gave demonstrations at District Demonstration Day on June 27. The event was held at the Clyde Austin 4-H Training Center in Greenville.

JUL 11 1974

SUPREME COURT CANDIDATES VISIT—Democratic nominees for the Tennessee Supreme Court are shown talking with Landon attorney Arthur Fowler (right), who hosted a luncheon for the five men Wednesday. The five candidates for the state high court are (left to right) Chancellor Ray Brock of Chattanooga, Nashville attorney and Vanderbilt professor William J. Harbison, Pulaski attorney Joe Henry; Supreme Court Justice Wm. H.D. Foyes of Memphis, and Appeals Judge Bob Cooper of Chattanooga.

County Court Meets Monday

(Continued from Page 1)

Preparedness Agency has cut the grant allowance of \$75,000 for an emergency operations center at the new Justice Center now under construction on U.S. 11.

A report will also be given on the progress of the Interstate Connector Roads including the proposed August letting of the Sugar Limb Connector. The Philadelphia connector is now under construction.

There are expected to be several proposed budget changes. Among them is an increase of the General Sessions Judge salary from \$10,000 to \$16,000 per year due to action by the last state legislature.

The complete budget is as follows:

1. Passage of Bill of Licensure, opening of Court, and roll call.

2. Consideration of proposed in-lieu-of-tax agreement with Meremont for new addition, if proposal ready.

3. Consideration of proposed in-lieu-of-tax agreement with Meremont for new addition, if proposal ready.

4. Consideration of proposed in-lieu-of-tax agreement with Meremont for new addition, if proposal ready.

5. Consideration of proposed in-lieu-of-tax agreement with Meremont for new addition, if proposal ready.

Architect Hired For School Program

(Continued from Page 1)

for the program with the extra money. Doug Cox, who worked as a psychological

examiner in the county schools last year, will fill that position.

A graduate assistant will be hired to help do the testing of

the children.

Dr. Bill Oakes, head of the LTVEC, told the board the county is already doing most of the things required under the new law and said the program should not cost any additional county money.

The program had to be approved and submitted to the state by July 1 to show the county is attempting to meet

the needs of local pupils.

If the county does not provide educational opportunities for all the children, lawsuits can be filed against the county.

The group acknowledged there will be some resentment by regular classroom teachers that handicapped students will be in their classes.

Supt. of Schools Albert Dukes pointed out that the handicapped student was in regular classes for years before special education classes were provided.

The board unanimously approved a contract with the LTVEC for psychological testing. The service will cost the county about \$2,000 in local money.

Ben McMurtry, present and general manager of Barber & McMurtry represented the firm at the meeting.

Charles Lindsey of Lindsey and Maples and Reginald Perry of Perry and Cooper also presented proposals for their firms.

McMurtry said his firm's fee would be about 5 percent of the cost of the building if the firm is used for the entire program.

The board members pointed out the program will be stretched out over several years but McMurtry said that would not present any problems.

Re-Elect LEE MALONE for Road Commissioner Loudon County General Election Aug. 1, 1974

TO THE VOTERS OF LOUDON COUNTY
Due to a new law, the voting will be county wide. But I will only serve in the 2nd and 5th districts as I have before. But I will be most grateful for all the support I can get over the entire county. And my oath of office has always said, Loudon County. The (2) other road commissioners and I have worked with each other during the time I have served as road commissioner.

So I would appreciate all the votes I receive and I will continue to work for the good of the County.

LEE MALONE

CAR OVERTURNS IN CREEK—Roy Duff of Oral Community is shown being assisted out of his car by ambulance attendants and a county deputy after his car plunged off Hotchkiss Valley Road and overturned in a creek about 6:45 p.m. Monday. Mr. Duff was treated for a cut on the head and other injuries at Loudon County Memorial Hospital.

legislature
b. Request of East Tennessee United Coroner's Party for Loudon County participation.
c. \$500 increase in General Sessions Budget for training of Clerks.

MORE AND MORE BIKES—Some of the more than 100 bicycles that were decorated and entered in the Loudon Jaycee 4th of July Parade are shown on the route.

A CARNIVAL FAVORITE—Charles Jones of the Band Boosters spun several hundred cones of cotton candy during the parade and carnival Thursday.

EVERYBODY WAS HUNGRY—The food concession at the Lions Carnival on July 4th could not keep up the demand for food and drinks. During the day the Lions took in almost \$1500 at the carnival at the Lions Municipal Park.

RINGERS AND LEANERS—The horse show pits were ringing all day during the Lions Carnival on July 4th.

See the Hamiltons for the highest bank interest on savings the law allows.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. And we like to do friendly, neighborly things. Like give you the best deal on your savings. So we'll pay you 7 1/4% a year on \$1000 or more, deposited for a period of 4 years. You can deposit up to \$100,000 under our 7 1/4% plan. We have a whole range of savings plans, including high interest regular passbook accounts.

If you've got \$100,000 or more to invest, ask about our Certificates of Deposit. Our interest rates are competitive with the largest banking institutions in the country. We'll be glad to talk it over and suggest the savings plan that best fits your income and special goals. As your friends and neighbors, we've got your best interests at heart. **If it's a question of money, ask the Hamiltons.**

Reunion Held

The Kirkland reunion was held Sunday, June 30 at Union Carbide Park. Those attending were Mr. and Mrs. Warren Kirkland, Sherry, Randy, Denny and Cindy of Fort Wayne, Ind.; Mrs. Cleo Sherrill and Butch of Lenoir City; Mr. and Mrs. Audie Kirkland, Mrs. Leona Miller and Larry; Mr. and Mrs. Ricky Alexander, Mr. and Mrs. James Kirkland and Lana, Junior Kirkland and Kathy; Mr. and Mrs. Phil Watkins and Raymond; Mr. and Mrs. Kenny Parks, Mr. and Mrs. Ed Parks and Jeannie, all of Loudon; Mr. and Mrs. Roy Moore and Robbie; Mr. and Mrs. Ernest Houser, Daniel Lynn, Mr. and

Mrs. Tommy Akins and Christie, all of Sweetwater, Mr. and Mrs. Wayne Wilson, Martin, Tammy and Denise of Kingston and Mr. and Mrs. Robert Kirkland, Vicky, Lavette and Bobby of Nolichucky.

June Rainfall

June rainfall averaged 4.5 inches across the Tennessee Valley, just a little over the normal amount of 4.3 inches for the month, TVA reports. For the first six months of 1974, average rainfall over the Tennessee Valley has been about 7.5 inches above normal. Resulting streamflow in the Tennessee River has been almost 50 percent above normal for this six-month period.

JULY 11 1974

QB CLUB HORSE SHOW DRAWS LARGE CROWD—The fourth annual Loudon Quarterback Club Horse Show held

last Wednesday night on Legion Field drew an estimated crowd of over 2000 people and some 160 horses. The

weather proved to be ideal with Quarterback Club officials expressing much satisfaction with the gala event.

Over 2000 View Quarterback Club Horse Show

More than 2000 people attended the fourth annual Loudon Quarterback Club's Horse Show last Wednesday night. The gala event held in conjunction with Loudon's Fourth of July activities drew over 160 entries for the 16 classes. Prize money in excess of \$1500.00 was distributed to first, second, third and fourth place winners.

The two large challenge trophies given to the top Stud and Gelding entry and to the top Racking horse entry. The two large challenge trophies given to the top Stud and Gelding entry and to the top Racking horse in memory of two of Loudon County's two outstanding horse lovers and showmen Mr. Charles H. Bacon and Mr. Riley Wam-

pler. Jack Hinds of Knoxville and honored as the best walking rider by Mr. Roy Starkey was horse and thus received the

Charles Bacon Trophy to keep for one year. Meanwhile Mr. Hobo, owned by the Double-D Stables of Sweetwater and ridden by Colleen Haney was chosen the best Racking horse and was presented the Riley Wampier trophy. Should either horse be able to keep his category for three years in a row at the Loudon Quarterback Club event then that particular trophy or both will be retired with new ones being given the following year.

STUD AND GELDING CHAMP—Ernie Black, president of the Loudon Quarterback Club, is shown giving Roy Starkey, the rider of The Ringmaster, the Charles H. Bacon trophy for the best horse in the Stud and Gelding class.

CENTER OF ATTRACTION—The center of the ring at the annual Quarterback Club Horse Show Wednesday night in Loudon was filled with pretty ribbon girls and high stepping music. The ribbon girls were Pam Henson, Debbie Yates, Susan Watson, Sheila Elder, and Ann Black. Their escort was Kent Everett. Music was presented by organist Bonita Hanners of Doraville, Georgia. Roy Biedsoe served as Ring Master with Ross Wilkerson of Lenoir City Master of Ceremonies. The honorable Dude Crowder of Shelbyville was the judge.

Low individual net honors was won by Bill Bishop, who turned in a round of 32. Jim Lee placed second, recording a score of 25.

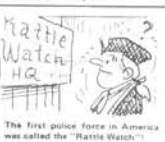

The standings are as follows:

PLAYER	POINTS
R. Stamey	15.5
B. Bishop	13.5
C. Wilson	13
R. Archer	12
J. Hamill	11.5
J. Anderson	11
J. Lee	11
C. Romine	11
H. Grimes	9.5
B. Welch	9
R. Hayworth	8.5
C. Moore	5.5
M. Sims	5
R. Cardwell	3.5
V. Hart	0
H. Weaver	0
P. Dozier	0
J. Murr	0
B. Sherwin	0
F. McCrary	0

Stamey Is Early Maremont Golf Leader

The Maremont Golf League is in its third week of its second session. Reed Stamey, with 15.5 points, is the current leader, followed by a close battle for the second slot. Bill Bishop is only two points out of first place with 13.5 points, but Calvin Wilson (13 points) and Richard Archer (12 points) are hanging close in the standings. Stamey, Bishop, and Jim Lee had the biggest point totals for the past week of

action at Cedar Hills Golf Club in Lenoir City. All three claimed seven points.

The first police force in America was called the "Rattie Watch."

RACKING CHAMPION—Ernie Black, president of the Loudon Quarterback Club, presents Colleen Haney, rider of Mr. Hobo, the Riley Wampier Trophy for the best Racking horse in the racking class last Wednesday night.

Athletics Win Sixth, 6-5

The Athletics of the Loudon Dixie Youth League won their sixth game of the season last week by downing the slumping Phillies 6-5. Greg McNabb and Ricky Eulank "each" collected two hits to pace the Athletic hitters. Joe Millsaps and Buddy Brewster slugged out a home run and triple, respectively for the Phillies.

GIANTS—The Giants of the Loudon Senior Babe Ruth League are front row left to right: Wendall Davidson, Joel McGinnis, Mike Brookshire, Jackie Jones, Gary Gibson, and Ricky Purdy. Second row left to right: Jim Brown, Danny Moore, Ronnie Roberts, Butch Brown, Paul Julian, and coaches Harold Brookshire and Paul Hentley.

Rainbow Trout Record Broken

The Tennessee state record for rainbow trout has been broken! A 13 lb. 6 oz. beauty was caught in Dale Hollow Reservoir by Bruce Dozier of Gallatin on June 27. Dozier was fishing from a boat using night crawlers at night, about four miles upstream from the dam when he hooked into the prize. This fish measures 30 1/2 inches long, with a girth of 20 1/2 inches. The previous state record rainbow weighed 14 lbs. 3 oz. and was taken from the tailwater below Dale Hollow dam in December, 1971, by Jack Rigney. Dozier's catch tops the old record by 14 ozs. Once the most abundant species of birds ever reported, the passenger pigeon of North America is no longer around!

Being your own man isn't always the way to become governor...but with

DORTCH OLDHAM, it's the only way.

Why? Because he's dedicated, honest and hard-working. The kind of man who makes things happen. Always has.

People all over the country talk about the way he built a small Tennessee publishing company into a national leader.

They talk about his warmth and openness with people. His knack for making the right decisions, too.

But Dortch Oldham's record speaks for itself.

He has the support of thousands of Republicans and Independents who want mature, conservative leadership.

Polls conducted by Democrats reportedly show he will be the toughest man to beat in November.

Go with a winner. Republican Dortch Oldham has the strength to succeed. Elect Him Governor.

Get growing.

Whether you're five years old or fifty, now is the time to start saving with us. Your money will be safe, with nice steady interest adding up fast.

So talk to us about a savings plan that makes sense for you. Isn't it time to get growing?

Loudon Recreation Department Makes Plans For Tennis Tourney

The Loudon City Recreation Department is in the planning stages for an open tennis tournament for all Loudon Countians. The tournament

will be under the direction of Mrs. Hugh Watson and Larry Bridges, and will be for children ages 8 through 16, singles only. A singles and doubles elimination play will be for adults, men and women over 16 years of age.

The tournament is tentatively set for the last week of July or first of August. All

interested participants are urged to contact Mrs. Watson or Mr. Bridges, or call the Loudon City Hall or Loudon swimming pool in the afternoons to register.

To register be sure to leave your name, age, and address so you can be further informed as to the definite plans of the tournament.

Expos Surprise Tigers With 10-3 Win

The oft-beaten Expos of the Loudon Senior Babe Ruth League turned in a stunning 10-3 surprise win over the second place Tigers Friday night.

The Expos erased a 1-0 Tiger lead in the fifth inning with two runs and exploded for eight more in the sixth. Bumper Webster, Danny Ishill and Roy Paul Hodge had two hits each in the game for the Expos.

Darrell Tuck picked up the mound decision for the Expos on a live hit. The win was the Expos second of the summer.

TWO BAGGER—Bruce Arden of the Pirates slams a double to left field in a Dixie Youth Baseball game with the Giants on Legion Field.

VIOLET PURDY of Hines Valley, Lenoir City, is shown with her catch of Bluegill at Port Loudoun Lake last weekend.

Canter And Hodge Take City Golf Weekly Team Honors

The Fourth of July failed to bring any new changes to the Loudon City Golf League.

standings. John Cobb and Richard Archer picked up their biggest team point score in three weeks to hold onto the league lead. Cobb and Archer racked up 11 team points to increase their total for the summer to 129.

Ed Arnold and Paul Brakebill added eight points to their count, but so did Ted Lomax and Inky Swiney as a tie for second place continues. Both teams have 118 team points and are strongly challenging the current head masters of Cobb and Archer.

Larry and Lynn Millsaps, defending league champions, are starting to improve their play and are up to fourth place in standings. They gained more team points than any of the top three teams with 14 and now have 116 teams

marks, only two shy of second place.

Don Canter and Jack Hodge moved past the 100 point mark with a low net team score of 72 for their play last week and won top team honors. Their 16 team points moved them into ninth with 104 points to date.

The league appears to have suddenly developed into a tight wide open race as the second half of the season gets underway. The first 15 teams are only separated by 35 points and at one stage in the season Richard Archer and John Cobb enjoyed a near 30 point lead over their closest challenger.

Joe Mourfield shot a 33 to capture the low net individual medalist spotlight last week.

TAKING APPLICATIONS

Recreation Director for City of Loudon
Education and/or experience in recreation required.
Must be capable of administering and organizing year round recreational program.
Good salary and fringe benefits including auto allowance.
Applications may be obtained at Loudon City Hall and should be turned in by July 23

Bill's Bass Bus.

(Another in a series of imaginative uses for the GMC MotorHome.)

Next fishing trip, do what Bill did. Get together with a couple of your cronies and take a GMC MotorHome. It can be more efficient than going in separate cars. It's easier. It's more fun. And it's quite probably cheaper than renting a cabin and eating out. Especially if you divvy up on expenses.

Best of all, you can rent or buy. If you buy, you'll be happy to know you can store your MotorHome at your dealer's Landock when it's not in use. And if you rent, well, we think you'll find the fee quite affordable (you're divvying up, remember?).

A GMC MotorHome can whisk you right to where those giant lunkers lie. (There are plenty of them within a short drive of here, too.) And when lunchtime comes, your piscatorial palace is there at shoreside, waiting for you to pop the morning's catch in the frying pan.

Think about it. Then contact your MotorHome dealer.

Speaking of Sports

By DANNY GIBSON
Sports Editor

Loudon High School Girls' Basketball Coach Dewayne Arp has fairly well exhausted his schedule for the month of July and we are only in the first full week of mid-summer. Coach Arp has departed with 19 prospective Loudon High School girls' basketball players for the 1974-75 season to the annual basketball summer camp held at Walland High School. Coach Arp's girls will workout daily for a week improving on the fine parts of their game and scrimmaging with such state powers as Red Bank, Kingston, Gallatin, Parrottsville, Midway, Selma, Maryville, Everett, Lafayetteville, Bradley County, and others.

The camp has three sessions with different teams attending each one. When Coach Arp returns to Loudon he will be just checking on the "old homestead" so to speak. For on Monday, July 15 Coach Arp will head up the instructors for Hiwassee College's All Sports Camp which carries through July 20. Coach Arp will be in charge of the girls' basketball training. Coach Arp will lecture daily and supervise 6-player basketball. He will be assisted by girls from the Hiwassee College's Women's team.

The camp will cater to students from freshman in high school to 1974 graduates, and has received a wide interest from campers all over Tennessee and parts of Virginia. The initial camp fee for the week is 50 dollars with each camper selecting a special sport to better themselves through special instruction. Sports offered will be tennis, golf, swimming, six-player basketball, and five player basketball.

Nightly activities has Coach Arp and his group joining the other campers in special events other than their three and one hours of fundamental training in basketball in the morning. On Monday night the group will hear a lecture and see a film on drugs and sports. Tuesday has the campers all going to Townsend to see the Passion Play. A party at Laurel Lake is set for Wednesday, and contests in each special sport is scheduled for Thursday. A mass banquet honoring the campers and recognizing individuals for outstanding improvements in the week will be the closing note on Friday Special awards will be given top performers.

Other than special fundamental instructions in a specific sport the campers will have free time to ride horses, play ping pong, swim, softball, archery, shoot pool, and other enjoyable recreation sports. No Coach Arp is not through, he returns to Loudon to check on his morning recreation duties and relieve a substituting Coach High Watson so that he might work as an instructor for Hiwassee Coach Donnie Jenkins area high school boys basketball seminar for a week.

And after a work week in Loudon it off to Murfreesboro for the TSSAA Coaches' Clinic and the East-West All Star games. Who said summer time vacation was a life of leisure for a high school coach?

LEARNING TO SWIM—Mrs. Inky Swiney, head of the Red Cross Chapter for swimming instruction in Loudon County, reports that over 153 "learners" signed up for the two week course on learning how to swim at the Loudon

Swimming Pool. Pictured is the first session of beginners in the 9:30 a.m. class that has attracted 106. The second session which follows at 10:30 a.m. has 47 participants.

Area Fishing Forecast

FORT LOUDON LAKE - Fishing for bass and other species requires some time but several large Bass was reported over the holidays. Blue Gill is very good on popping bugs. Some good catfish are being taken on trotlines using worms and cut bait.

WATTS BAR LAKE - Reporting some good bass fishing on top water or medium running lures. Stripe are fair at night under lights with minnows.

DOUGLAS LAKE - is falling slightly. Bass fishing is fair on repale type lures fishing in the breaks. Blue gill are fair on fly rods with crickets.

NORRIS LAKE - most species are poor but few walleye are being caught.

CHILHOWEE LAKE - fishing is poor but most trout are caught at night under lights.

MORNING TENNIS—Taking part in the morning tennis program sponsored by the Loudon Recreation Department is left to right: instructor Mrs. Hugh Watson, Wanda Selvaige, Lea Ann Cole, Pam McCalloch, Leigh Ann Watson, Beth George, and instructor Larry Bridges.

LITTLE "T" - is not producing large strings of trout but it is producing some

large trout in the two pounds to six pound range. Some Rockfish and Hybrid were reported below Melton

Hill Dam but none were of legal size. A rock or Hybrid must be 15 inches before it is a legal fish.

Atomic Raceway Returns To Regular Saturday Night Program

A regular weekly late model sportman race program is scheduled Saturday night at Atomic Speedway. The regular events resume after Doug Kenimer scored an easy victory in the Southeast Dirt Track Classic on July 4. It marked the fifth win in six appearances for the Georgia champion.

The victory gave Kenimer the point lead after two of the four Classic events. Others are scheduled Aug. 4 at Appalachian Speedway in Kingsport and at Cleveland Speedway on Labor Day. Saturday's sportman show gets under way at 7:45 with

time trials. More than 50 drivers are likely to vie for spots in the 40-lap feature. The first of several heat races begins at 8:30. There also will be a semi-feature, plus a 15-lap bomber battle. Tickets for the races are \$3 (reserved) and \$2.50 (general admission).

With the return to weekly action, the three hottest drivers in recent weeks at the track—Ken Phillips of Loudon, Bill Corum of Maynardville and H.E. Vineyard of Halls—will go at it again. One of the fast-improving drivers is Johnny Phillips of Lenoir City. Johnny ran second to Ken Phillips in the last weekly race and won the semi-feature in the SE Dirt Track Classic.

Other top names expected are Les Roy Vann of Oak Ridge, Don Justice of Oliver Springs, Johnny Hogan of Spring City, Zeke Buchanan of Maryville, Herb Garner of Townsend and J.T. Kerr of Maryville.

The speedway is located off Interstate 40 east of Kingston at the Melton Hill-Highway 95 exit.

Phillips Wins 4th July Race

Ken Phillips of Loudon captured top honors in a Camaro July 4th night to highlight the weekly racing program at Atomic Speedway. Johnny Phillips took runner-up

ATTEND SEWANEE BASKETBALL CAMP—These are some of the 20 young players from Loudon who attended the first session of the Sewanee Basketball Camp held at the University of the South, Sewanee, Tenn., in June. Back row, left to right: Brian Courtney, Don Purdy, James Birkholz, Mark Harrell, Joe Williams, Stephen Betts, Bill Brakobill, Carter Cardwell, and Randy Davis. Front row, left to right: Coach David Tate of St. Andrew's School, Ben Fields, Buddy Arnold, Don McColister, Coach Jack Lefler, Conway Dukes, and Steve Watkins. Places are still available in the second and third sessions of the camp, to be held July 14-20 and July 21-27.

GETTING INSTRUCTIONS—These Loudon youngsters attended the Sewanee Basketball Camp recently at the University of the South in Sewanee, Tenn. Lynn Davis gets shooting instruction from David Tate, left, while looking on are Kerry Brambover, Merril Brakobill, John Cardwell, Greer Gary, and Coach Mac Petty, center, director of the camp. Ken Everett, foreground, is coached in guarding by Jack Lefler.

honors, while other leading finishers, in order, were H. E. Vineyard, Wayne Fielden, Johnny Gibson, Herman Goddard, Don Justice, Chris Miley, Zeke Buchanan, and Preston Thurman.

Larry Phillips won the semi-feature race, finishing ahead of M. C. Kerr, Herb Garner, Lee Roy Vann, and Bill Ogle.

Communications Bids Reset

New bids will be taken for the Central Communications and Records system for the Loudon County Justice Center. Judge Harvey Sproul said that the County Law Enforcement Agency, set up by the cities of Loudon, Lenoir City and the county for

operating the center had rejected all previous bids. Some of the specifications contained in the bid package have been clarified and a revised bid package has been submitted with opening of bids set for 10 a.m. on Friday, July 19.

BUTCHER AND YOU

“Working people pay the bills, and you have a right to government that is responsive to your needs.”

Born and raised on a farm, Jake Butcher learned young what hard work is all about. He knows the contributions made by the working people of Tennessee. As your governor he will work to make state government more responsive to your needs:

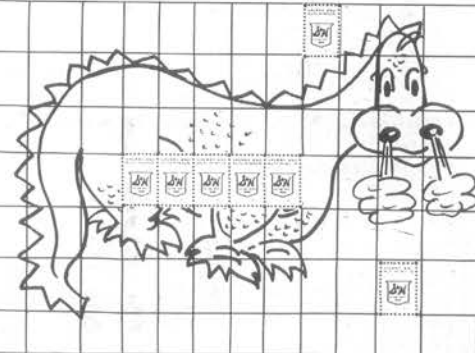

- Instead of more programs and more taxes and more commissions in state government, Jake Butcher would work for a thorough evaluation of existing programs, to see that we get a dollar value for a dollar spent.
 - Jake Butcher would make education the top priority of state government. He believes our children have the right to meaningful job skills, not just diplomas. And he would work to see that the jobs they learn are available when they need them.
 - Tennessee needs more industry, the kind of industry that pays good wages and creates meaningful jobs. As Governor, Jake Butcher would go wherever and whenever it is necessary to bring this kind of industry to Tennessee.
 - Everyone and every corporation should pay a fair share of the taxes. Jake Butcher would support a thorough examination of our tax system to see that the working man does not bear more than his rightful share of the tax burden.
- Isn't it time for some good, old-fashioned responsibility in government? Isn't it time we had someone in Nashville to straighten out the mess in state government?
- Jake Butcher is the one candidate who is not aligned with any of the old guard, the one man who can bring a new beginning for Tennessee.
- Elect Jake Butcher your governor and he will work to bring state government home to you, the people of Tennessee.

elect Jake Butcher
Butcher
Governor
The one choice, for change.

Rescue Squad Answers 206 Calls In Six Months

The Loudon County Emergency and Rescue Squad has completed its busiest six-month period. Captain John Parris said this week when he released a report of the Squad's activities compiled by secretary Ralph Gregory, in

the first six months of this year the Squad responded to 206 missions, that is more than one a day, and its members have spent 7,845 man hours and driven 6,753 miles on the missions.

The missions include 81 ambulance calls, 11 of which were to vehicle accidents involving four deaths. Most of the ambulance calls were handled by the Greenback Unit of the Squad, who handles all ambulance calls in that area, although some of the

ambulance responses were in other areas of the county made at the request of the Loudon County Ambulance service.

Other missions were 29 first aid standbys, one for lost person, seven drowning calls including State and regional responses, 23 house fires, two business fires, three car fires, one flood call, one for tornado, one state meeting, two regional meetings, 27 fire standby calls, 27 ambulance

standbys and one training class.

Members of the squad have spent 999 hours working on the squad buildings and equipment.

Captain Parris said the total hours does not include several hundred hours spent in telephone calls, bookkeeping, secretarial work and the volumes of paper work and reports, weekly squad meetings, and manning communication units.

GIVES WOOD A "HAMMER HARD" FINISH!

Tru-Test Polyurethane Varnish WON'T CHIP, CRACK OR PEEL.

Protects like a coat of armor. Won't chip, crack or peel even from repeated heavy hammer blows. It's amazingly hard and unbelievably durable. Outlasts ordinary varnish.

Produces a clear, smooth finish that's both marproof and water-proof. Ideal for use indoors and out... for floors, furniture, paneling, woodwork, boats, bar tops, etc.. Available in high-gloss, satin or dull finish.

You Need A Friend In Government

STAN SNODGRASS For Governor

The needs of the people of Loudon County are what Stan Snodgrass has on his mind.

There's no doubt about it, Stan Snodgrass is the man Loudon County needs as governor. Stan sees people, not just votes, when he meets his friends throughout the state. He listens and understands their problems, then he finds solutions that work.

Stan Snodgrass stands for honesty and decency in government. Through the years, Stan has earned this reputation and the respect of every one he's come in contact with, church leaders, fellow lawyers, legislators with whom he's served, and friends all across Tennessee.

VOCATIONAL EDUCATION

"We need to develop the same Pride of Craftsmanship in our young people that their parents and grandparents had. I want to see an alternative system of education that will develop the talents of students in skilled trades. Not everyone wants to go to college, and we must provide ways for young people to prepare for rewarding careers which they can take pride in. Young people are our most precious resource."

INDUSTRIAL DEVELOPMENT

"Expanded vocational education will provide Tennessee with a skilled, job-educated work force... this is what attracts new industry to a state. This new industry in turn provides high-paying jobs for Tennessee's citizens, and helps build a stronger financial base on which the state can increase its services to the people. New industry and the expansion of existing industry in Tennessee will be a high priority when I'm governor because this is the quickest way to increase the personal income of all Tennesseans, and to improve the quality of life in Tennessee."

ROADS AND HIGHWAYS

"With the Interstate system almost complete it's time we turned our attention to secondary and access roads throughout Tennessee. Good roads contribute greatly to a state's economic growth, and I intend to work toward making Tennessee's total highway system one the people can use profitably every day."

MENTAL HEALTH

"Only two of Tennessee's five mental hospitals currently meet minimum national standards. Unless we upgrade these facilities in Tennessee we'll lose several hundred thousand dollars in Federal funds. It takes a great deal of time to build new hospitals and repair old ones, and I believe we must start now if our citizens are to receive the quality health care they deserve."

AGRICULTURE

"The traditional role of the farmer in Tennessee must be preserved. I will do everything I can to see that the farmer receives his fair share of the food dollar. The farmers of Tennessee can be sure they'll have a friend when I'm elected governor."

CONSUMER PROTECTION

"The cost of living is constantly on the rise. As governor, I will support the Consumer Protection Bureau whose responsibility it is to insure that the people of Tennessee receive the best quality and most quantity for their hard-earned dollars."

A FRIEND IN GOVERNMENT

"As governor I intend to install a state-wide toll free COMPLAINT LINE direct to the governor's office. A special team of investigators, acting on my behalf, will be on call to look into any severe problems that can be corrected by state agencies. I want all Tennesseans to know that they'll have a friend in the governor's office."

During the course of this campaign it will be virtually impossible to personally visit each and every one of you. I hope you will feel free however to contact me with any problems or suggestions you may have. Please write to me at state headquarters, or your county headquarters, and I assure you that I'll be responsive to your needs. With God's help, I intend to give Tennessee the friend they need and deserve in government.

Your friend,
Stan Snodgrass

County Gets Sharing Check

Loudon County has received its General Revenue Sharing payment for the last quarter of the fourth entitlement period which ended June 30. Judge Harvey Sprout said today. The amount was \$37,448. The receipt of this payment marks the halfway point of the five year General Revenue Sharing program set up for five years by the Congress.

DORTCH'S DAISIES

PAM HENRY is working for DORTCH OLDHAM for Governor. DORTCH OLDHAM is the man Tennessee needs for Governor. He states he will not give an expedient answer for the sake of votes and his stand on issues will be the same in all parts of the state.

THE CALVARY—There was a whole calvary of horses and riders in the Loudon Parade.

THE CLOWNS COME TOO—What parade would be complete without clowns? This group of TOPS members have added this final touch to the Loudon July 4th Parade for the past three years.

Final Diggings Underway At Chota Village

A team of University of Tennessee archaeologists and students is utilizing heavy earth-moving equipment provided and operated by TVA to assist in final archaeological investigations of Chota, the 18th century Cherokee Indian village

located in the Tellico Reservoir area. The equipment is being used to carefully remove top soil or "plow zone" earth covering evidences of the village area. Archaeological consultants recommended this procedure to recover a maximum

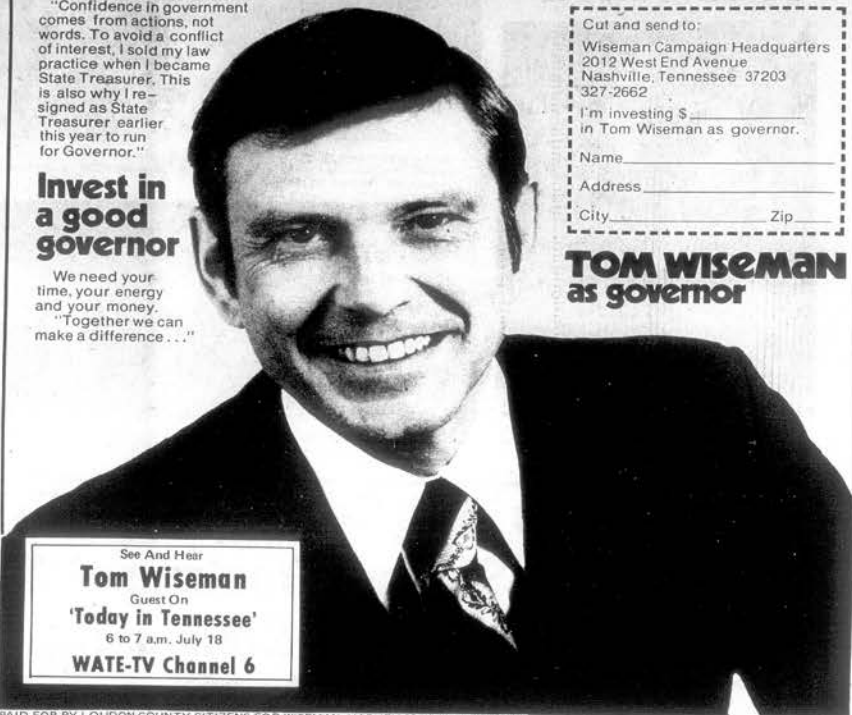

amount of information in the course of the study, as an accepted procedure on archaeological research projects in other reservoir areas and highway projects throughout the country. UT has approved this approach and has increased its

archaeologists. Detailed excavations at the site during previous years have provided considerable information regarding the culture of the 18th century Overhill Cherokees, including the location of the Chota "Town operation." A TVA surveying crew is also at the site preparing a map of the excavated areas marked by the artifacts.

"Confidence in government comes from actions, not words. To avoid a conflict of interest, I sold my law practice when I became State Treasurer. This is also why I resigned as State Treasurer earlier this year to run for Governor."

Invest in a good governor

Last Great Trail Ride Hosted By Russell

by Larry Cate
Editor

A trail ride and campout billed as One of the Last Great Loudon County Trail Rides

was hosted this past weekend by Loudon Attorney Bill Russell at his farm in Dry Valley in Southwest Loudon County. Bill invited more than a

dozen weekend cowboys including this writer and son, Gene. The group gathered at Russell's barn about 3 p.m. Saturday and saddled up for a three hour trail ride.

The ride leader was another attorney, Ed Bailey of Lenoir City. The trip covered a number of farms in the area, spanning about seven or eight miles. Those along for the ride were Russell, editor Cate and

unsaddled, watered and fed and the riders embarked on the campsite where Jack Henry was preparing a meal of "secret recipe" beans, cornbread, salad, hash brown potatoes, steaks, and saw mill gravy.

the younger members of the group went frog gigging and returned with 10 frogs to be added to the breakfast of bacon, biscuits, eggs, grits and gravy.

People once believed that stones from an eagle's nest could help them detect thieves.

DORTCH'S DAISIES

LIZ DELANEY is working for DORTCH OLDHAM for Governor. DORTCH OLDHAM, with rugged persistence and top level management experience, will make Tennessee an excellent Governor.

(Paid by Loudon County Oldham For Governor Committee)

SADDLING UP—Some of the riders are mounting up as they prepare to leave on a three hour trail ride from the Bill Russell farm in Dry Valley last Saturday.

ON THE TRAIL—Some of the trail riders are shown riding through one of the farms they rode over Saturday on a ride in the Dry Valley area as part of the First Annual Last Of The Great Loudon County Trail Ride hosted by Bill Russell.

son, Gene, Bailey, Brownie Holt, Dave Holt, John Ridenour, Broody Harrison, Pop Curtis, Leslie Sparks, Bill Millsaps and Gary Watts.

During and after the meal Gene, Eddie and Terry Robinson of Loudon provided musical entertainment on the banjo, fiddle and guitar. Other guests who joined the group for dinner were Ed Arnold, Buddy Arnold, and Bland Winfrey.

At 7 Sunday morning the campfire was rebuilt and breakfast brought the group back to life. After the meal most of the campers left for home.

FIXIN THE GRUB—Bland Winfrey and Broody Harrison inspect the work of cooks Jack Henry and Larry Cate as they prepare the meal for those who participated in the trail ride and camp out at the Bill Russell farm last Saturday.

CHOW TIME ON THE TRAIL—After the trail ride the campers are shown having an old fashioned trail meal on the farm of their host Bill Russell as they listen to music from Gene Robinson's fiddle.

CAMPFIRE MUSIC—Gene, Eddie and Terry Robinson provide music for the campers as trailride guide Ed Bailey (left) and host Bill Russell (right) listen.

SPECIAL MID-SUMMER PRICES NOW AT AND GREER'S

Free Frigidaire Automatic Ice Maker when you buy one of our three most popular refrigerators.

Frigidaire has made it possible for its dealers to offer you an automatic ice maker absolutely free when you buy any one of our three most popular refrigerator-freezers:

- Our 17 or 20.6 cubic foot Top Freezer Refrigerators, models FPCI-170T and FPCI-206T. Or our 20.3 cubic foot Side-by-Side 3-door Refrigerator-Freezer, model FPCI-203 V3. (You pay only for the plumbing and installation of the ice maker.)

It means you won't have to fill ice trays at the kitchen sink. And you won't have to worry about spills on the way to the refrigerator.

It also means you can always have a bucket of ice on hand for those unexpected occasions. It's all done for you automatically, right inside our 100% Frost Proof refrigerator-freezer. And it's a dependable ice maker, too, because we've been building dependable refrigerators for over 50 years—and whatever we build, we build to last.

What's more, we've used our exclusive Frigi-Foam insulation to make our walls as thin as possible to give you as much storage space—in as little space—as possible.

And trimmed the fully-adjustable shelves with the luxurious look of teakwood to make all three models as beautiful inside as out.

Unfortunately, this automatic ice cube maker offer can't last too long.

In fact, since it expires July 31, 1974, we suggest you see any participating Frigidaire dealer as soon as possible.

Frigidaire, Home Environment Division of General Motors.

Summer Band Program Slated

Loudon band program director Ray King this week announced the following summer band program schedule:
July 15-July 19; 1 p.m.-3:30 p.m. with 1 p.m.-2 p.m. beginners; 2:45 woodwind instruments; 2:45 p.m.-3:30 p.m.—brass and percussion instruments.

July 22-August 12; 9 a.m.-12 p.m. with 9 a.m.-10 a.m. beginners; 10 a.m.-11 a.m. woodwind instruments; 11-12 brass and percussion instruments.
Anyone interested in being in the band program in grades 5-12 that would like to learn an instrument should come at the beginners session. The other sessions will be for junior and senior high school members that have been playing for at least one year.

The High School band camp preparing for the first ball game will meet on August 12 at 9 a.m.

5700 Bugs Collected Here

The Loudon lightning bug collectors had a rough season this summer. The combination of cold, windy weather followed by hot, dry weather wrecked havoc with attempts to catch the insects for scientists. No bugs were delivered at the town's only collection on July 1 at Arp's Grocery. This is in marked contrast with the 3700 fireflies that the local bug catchers contributed last year for enzyme experimentation. The collection agents relate that the unseasonably cool weather has had an adverse effect on the other sites that the lightning bugs have been delivered in the area. This season, they declare, is a below average to a poor one.

Isn't there someone you'd like to call, right now? Dial long distance the 1+ Way. It's the cheapest way to call. That means you can talk longer and call more often.

Betty, Call your husband.

Honest, honey, I didn't realize you were gone until the Super Bowl was over. If you'll just come back, I promise you my undivided attention. Call me long distance. Dial the 1+ Way. It's the cheapest way to call. And we need the money for a new picture tube.

MRS. MASON

Funeral services were held Saturday at Hawkins Chapel. Rev. A. C. Kiser officiated. Burial in Hackney's Cemetery, Hawkins, Lenoir City, in charge.

A \$1,500 - \$2,500 CASH BONUS?
If you check with your Army Representative, you'll find many challenging jobs. With a 4-year enlistment, the bonuses range from \$1,500 to \$2,500. And most of the jobs are open to women. Not everyone gets these jobs. You must qualify for them. If you do, you'll be paid the bonus in a lump sum when you complete your training. (In most cases 16 weeks)

The jobs are demanding. But the rewards are great.

ATTEND CHURCH

Precious SIGHT
No man is too high to see to prevent the eyes of women and our children. Good sight is an absolute necessity in the conduct of our lives, in the school work of our children, and in the enjoyment of all life.

But there is another type of sight which in these times is being neglected—spiritual sight. We and our children need to be enlightened and guided in the love of God and His commandments, and to rely on Him. We need to meet His representatives, that making a better home life, increasing life and a better world. Prayers to be made, "O Lord, send us our Lord to lead us, toward the man that brought us here." Attend the church of your choice.

LEGAL NOTICES
NON-RESIDENT NOTICE
 No. 464
 News-Banner Publishing Co., Inc. vs Bobby L. Lane, et al.
 State of Tennessee.
 In the Chancery Court of Loudon County.
 In this cause, it appearing from the Complaint, which is sworn to, that the defendant Bobby L. Lane and Carolyn L. Lane is a non-resident of the State of Tennessee, so that ordinary process cannot be served upon them, it is ordered that said defendant file an answer in the Chancery Court, of Loudon County, at Loudon, Tennessee, and with plaintiff's attorney, Harvey L. Sprout, whose address is Loudon City, Tennessee, within 30 days of the last date of publication or a judgment by default may be entered and the cause set for hearing as to them as to them. This notice will be published in the Loudon County Herald for four successive weeks.
 This 24th day of June, 1974
 Lloyd Black, Clerk and Master.
 Harvey Sprout, attorney 6-27-cc.

LEGAL NOTICES

LOUDON COUNTY CONTRACT NO. 66151
 (53015-3302-03)-The surfacing with bituminous materials (plant mix) of a section of Secondary Route No. 242, beginning at the Greenback city limit and extending to the Blount County line.
 Project length-1.30 miles.
 Working days-On or before December 1, 1974.
 Estimated Construction Cost-\$42,000.
 NO PROPOSAL CONTRACTS WILL BE ISSUED FOR BIDDING PURPOSES AFTER 12:00 O'CLOCK NOON, JULY 19, 1974.
 THE ATTENTION OF THE

PROSPECTIVE BIDDERS OF LABOR AND MATERIALS TO ASHLAND OIL, INC. CONTRACTORS FOR USE IN THE CONSTRUCTION OF CONTRACT NO. 6382, PROJECT NO. RS-2430(9) LOUDON COUNTY.
 Notice is hereby given that the Tennessee Department of Transportation, Bureau of Highways is preparing to make settlement with ASHLAND OIL, INC., contractor of Knoxville, Tennessee, for the RESURFACING AND DESALTING WITH BITUMINOUS MATERIALS (PLANT MIX) AND THE INSTALLATION OF GUARDRAIL ON A SECTION OF SECONDARY ROUTE NO. 2430, BEGINNING AT MONROE COUNTY LINE AND EXTENDING TO LOUDON CITY LIMIT, being a total length of 4.87 miles and designated as Project number RS-2430(9).
 LOUDON COUNTY. All persons holding claims against the contractors, ASHLAND OIL, INC., or their agents, for materials for labor entering into the construction of this project, must file itemized notice of such claim (5 copies) with the original copy sworn to before a Notary Public. This notice of claim to be received at the Office of G. L. Allen, State Construction Commissioner, Tennessee, on or before September 3, 1974, in order to obtain the advantages afforded to claimants by legal statutes, as shown by map or plat of said subdivision of record in the Register's Office for Loudon County, Tennessee, in Flat Book 2, Page 31, to which reference is here made for a more complete and detailed description of the same. BEING the same property conveyed to William L. Ury and wife, Starr Ury, from Vernon J. Dupree and wife, Mary L. Beers, by deed dated May 21, 1973, recorded in Book 118, Page 478 in the Register's Office for Loudon County, Tennessee. This the 1st day of July, 1974.
 Frank H. Marsh, Substituted Trustee
 7-11-3cc.

NOTICE TO CREDITORS
 Estate of Sam Floyd McInturf, deceased.
 Notice is hereby given that on the twenty-eighth day of June, 1974, Letters of Administration, in respect to the Estate of Sam Floyd McInturf, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise, their claims will be forever barred.
 7-3-2cc

NOTICE TO CREDITORS
 Estate of John P. Dupree, deceased.
 Notice is hereby given that on the twenty-sixth day of June, 1974, Letters of Administration, in respect to the Estate of John P. Dupree, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise, their claims will be forever barred.
 7-11-3cc

FORFEITURE NOTICE
 By the authority of a Deed of Trust executed by WILLIAM L. URY and wife, STARR URY, dated December 7, 1973, and recorded in Trust Deed Book 128, Page 60, in the Register's Office for Loudon County, Tennessee, to secure the indebtedness set out in said Deed of Trust, said indebtedness having become due and payable by virtue of default of the said mortgagor on the said mortgage, the undersigned, acting under the authority of that certain Appointment of Substituted Trustee dated June 20, 1974, and filed in the Register's Office for Loudon County, Tennessee, on the 1st day of July, 1974, will on TUESDAY, JULY 30, 1974, at NINE O'CLOCK (9:00) A.M. AT THE FRONT DOOR OF THE LOUDON COUNTY COURTHOUSE IN LOUDON, TENNESSEE, sell to the highest and best bidder for cash, in bar of redemption and of homestead, and subject to any unpaid taxes the following described property, to-wit: SITUATED IN DISTRICT NO. ONE (121) of Loudon County, Tennessee, and on the East side of U.S. Highway No. 11, and more particularly described as follows: BEING in the Green Acres Subdivision for Loudon County, Tennessee, and being Lots Nos. 65, 66, 67 and 68 in Block 18 of said Subdivision, as shown by map or plat of said subdivision of record in the Register's Office for Loudon County, Tennessee, in Flat Book 2, Page 31, to which reference is here made for a more complete and detailed description of the same. BEING the same property conveyed to William L. Ury and wife, Starr Ury, from Vernon J. Dupree and wife, Mary L. Beers, by deed dated May 21, 1973, recorded in Book 118, Page 478 in the Register's Office for Loudon County, Tennessee. This the 1st day of July, 1974.

LEGAL NOTICES

ORDER OF PUBLICATION NON-RESIDENT NOTICE

No. 1376
Claude Herman Chrisman vs Lora Aileen Moats Chrisman

In the General Sessions Court of Loudon County, Tenn. at Loudon, Tenn.

It appearing from the bill in this cause, which is sworn to, that Lora Aileen Moats Chrisman resides out of the State and cannot be personally served with process, it is ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said defendant to appear before the said Court on or before the third Monday in July next, and make defense to the bill filed in the above cause, which seeks absolute divorce, or otherwise said bill will be taken for confessed and cause proceeded with ex parte.

This the 12 day of June, 1974. Billy Joe Akins, Clerk of said Court.
Charles T. Eblen, Solicitor for Complainant.

1974

We are guilty of saying often that Loudon has changed so much over the passing years and have been able to prove this by many of the pictures we have used in the Good Old Days column. It is not that our town is any different from others, but the personal edge it has for us and the part of our lives it was.

Our reminder of this is a picture we have this week which was of real interest to us. We are quite sure it will mean a lot to many of our readers. It is a picture made in the first White Store in Loudon and was made 35 years ago. So many things have changed over this period of time. At the time this picture was made, this was probably the most modern grocery store in Loudon. A lot of the credit was due to the manager, Orman Altum, who was known to most all our people as "White Store". I am sure that many people didn't know his real name, but referred to him as "store". This man was gifted with the ability to display the items in the store in such a way as to be very appealing to the shoppers and his jovial, friendly mood was possibly responsible for

Annual 4-H Pullet Sale Set For July 19

By Roger L. Perkins
Asst. Ext. Agent

There will be 144 sex-link pullets in the county poultry show and sale on July 19, at 9:30 a.m. on the Loudon County Courthouse Lawn. These pullets will be 21 weeks old the day of the show and sale. No doubt some of these pullets will already be laying.

The sex-link is a cross between a Road Island Red and a Barred Rock. The pullets have such characteristics as an exceptional early large egg size, superb livability, and a sustained high rate of production on a minimum amount of feed.

This year the following 4-H'ers raised chickens and each will be entering six in the show and sale. EATONS CLUB: Chester, Constance and Patricia Wright, Mary McFalls, Barry Blanton and Donald Smith. GLENDALE: Carroll Maxwell, Charlie Finger, Marty Goodman, Tim Brannon. GREENBACK: David Webb and Richard Rose. HIGHLAND PARK: Angela Blair, Landon Vance, Anita Roach, Beverly Garrison and Mike Brown.

LENOIR CITY MIDDLE SCHOOL: Lewis Rogers. LOUDON CLUB: David Grimes, Mark Bivens, J.R. Shaffer and Leroy Rhea, Jr. STEELES: Ricky and Eddie Hembre.

For many of the 4-H'ers it was their first time they had ever cared for chickens of their own.

William H. "Bill" Russell

County Judge for ALL the people of Loudon County

General Election, Thursday, August 1, 1974

"I will certainly appreciate your support and vote in the August 1, General Election

William H. "Bill" Russell

- * As a member of the Loudon County Industrial Bond Commission I have actively participated in the funding of industry in Loudon County. As members of the Chambers of Commerce I have donated free time and services for the procurement of industry for Loudon County.
- * I will cooperate with any agency or organization for the progress of Loudon County including timber-lake and related projects keeping in mind the best interest of Loudon County at all times.
- * I have had several years of governmental experience at the management level which will enable me to assist Loudon County with state, federal and other agencies of government to obtain necessary assistance to meet the needs of our county.
- * As member of Rotary Club, past member of Jaycees and Civitan Clubs, member of Tennessee Historical Commission, present director of the United Fund and various other civic groups, I am in position to appreciate the many problems of our community and tried to help find solutions to them.
- * I volunteered and served four years in the U.S. Marine Corps, hold a B.S. in history and political science, law degree from the University of Tennessee.
- * I helped organize and am a director in a financial institution serving Loudon County which is located in Lenoir City.
- * Since my graduation from law school, except for the time engaged in state government, I have maintained a law practice and offices in Loudon and Lenoir City.
- * I have always been my own man, and as your county judge, will listen to counsel from any citizen but will not be dictated to by any individual or special interest group.

Democrat Fish Fry Friday, GOP Barbecue Tuesday

Demos To Boost Local Candidates

Friends and supporters of the Loudon County Democratic candidates are invited to attend a free fish fry and rally for the candidates starting at 7 p.m. Friday at Lenoir City Park, picnic shed at Fort Loudon Dam. The fish fry is being sponsored by the Loudon County Democratic Women's Club.

Party Chairman Lee Thompson said the local candidates would all be present and make short speeches to the crowd following the dinner. The Democrats on the local ballot are Charles Ehlen for County Judge, Billy Joe Akins for Circuit Court Clerk, Raymond Phillips for Trustee, Deacon McNabb and Erk Millspaugh for Road Commissioner, Bowman Bivens and Charles Settles for Constable.

Mr. Thompson urged those who attend to bring lawn chairs because of the lack of seating space at the park.

Troy Pesterfield and the Trojans will provide musical entertainment at the rally. Although the rally is being held primarily for the local candidates, Mr. Thompson said he expects several state candidates, possibly some of the gubernatorial candidates, to attend.

The dinner will include fish, hash, popovers, slaw, baked beans and drinks. The Democratic Women's Club said that all Democrats in the county are invited, and if more than 500 show up they will cook more fish.

VOLUME 89, ISSUE NUMBER 28

LOUDON, TENNESSEE, THURSDAY, JULY 18, 1974

15 CENTS PER COPY

FIRST BLAZE SUNDAY—Loudon County Rescue Squadmen and volunteers are shown fighting a stubborn blaze and carrying furniture from the Kenneth Selvidge residence Sunday when a fire heavily damaged the house.

ARSON SUSPECTED IN WEDNESDAY BLAZE—The possibility of arson is being investigated after a second fire at the Kenneth Selvidge residence in less than three days destroyed the home.

GASOLINE JUG FOUND—Deputy J.W. Mashburn smells gasoline in a plastic jug that was found near the Kenneth Selvidge home Wednesday morning. The fire, the second in three days at the house, destroyed the structure.

Arson Suspected As Fire Hits Home Second Time

State Arson Investigators are being asked to investigate the cause of the second blaze in three days at the Kenneth Selvidge residence on U.S. 11 near Loudon County Memorial Gardens.

About 2:30 a.m. Wednesday the house was engulfed in flames and despite efforts of two Loudon County Rescue Squad tanker kits the house burned virtually to the ground.

Sunday about 8 p.m. the Squad was called to the home and extinguished a blaze that did several thousand dollars damage to the five room house. At that time the fire was contained in a front bedroom and living room with the remainder of the house receiving smoke and water damage.

Much of the furniture was saved from the blaze Sunday, but was smoke, heat and water damaged. The Selvidge family returned home from church Sunday night to find the Squad working for a construction company. The fire Wednesday morning appeared to have started in the rear of the house, but soon spread throughout the structure.

Deputies J. W. Mashburn and Larry Proops recovered a plastic milk carton from near the house, that had contained gasoline. Two cartons had been noticed near the house, but one had been melted by the heat. Since the fire Sunday the Selvidge family reportedly had been staying at a Lenoir City motel. Neighbors said Wednesday morning that they were awakened by cracking sounds and heard people shouting about the house being on fire.

GOP Expects Up To 3000, Dunn Coming

What is being billed as the "biggest rally" ever held in Loudon County by the county Republican Party will be held from 5:30 p.m. to 9 p.m. at the Loudon High School Football Stadium, on Tuesday, July 23, party chairman Edwin Arnold said this week.

The rally will begin with a free barbeque dinner for all who attend. Arnold said that rally chairman William H. Russell and J.V. Schrimsher are preparing to feed up to 3000 persons.

Heading a list of special guests at the rally will be Governor Winfield Dunn. Others expecting to join Duncan are Congressman John Duncan and U.S. Senators Howard Baker and Bill Brock. Chairman Arnold said that

GOV. DUNN

during the dinner that three groups of musicians will be providing live entertainment. They include Troy Pesterfield and the Trojans, Bill McCarroll's trio, and Gene Robinson and Sons.

Members of the Republican Executive Committee and local candidates are distributing tickets to the barbeque and rally free of charge. A ticket good for admission is also printed in a GOP advertisement in this issue of The Herald. Chairman Arnold said those who for some reason fail to get a ticket should come and attend that free tickets will be available at the gate.

The barbeque will be served from two or more serving lines in the Stadium concession stand.

At 7 p.m. the rally will begin. The guests will be seated on a stand erected on the football field and spectators will be seated on the "home" side of the field.

All three major Republican gubernatorial candidates, Lamar Alexander, Dorich Oldham and Dr. Nat Winston will also be present and will make short addresses to the crowd.

The local Republican candidates will be introduced and those in major contested races will speak to the rally also, it was said.

Chairman Arnold said that the Rally is the biggest undertaking he can remember by the local party and that with the attendance of Governor Dunn, the gubernatorial candidates and the other special guests, he expects the stands to be full.

Deputies Recover Stolen Guns, Tools

Two recent breakins have apparently been solved by officers of the Loudon County Sheriff's Department. Two men have been charged with receiving and concealing and disposing of stolen property after the recovery of several guns stolen from the Grant Brannan residence. Five juveniles have been charged in the theft of about \$500 worth of tools from the truck of W. L. Stafford after they were recovered last week.

Deputy Luke Bright and Joe Sims said the tools, two tool boxes of tools, several testing meters and other tools were found at the home of a Simpson Road, Lenoir City, resident, who had bought them from youths earlier.

The five boys charged face charges before juvenile judge Thomas Ingram in the incident. The tools have been returned to Mr. Stafford. They were stolen on June 1st.

several other items taken in the breakin are still unaccounted for.

Sheriff Freeman Russell said that several breakins in recent weeks have netted thieves a large number of guns, before making the purchase.

RECOVERED TOOLS—Loudon County Deputy Luke Bright is shown with two boxes of tools which were identified as stolen from W. L. Stafford in Lenoir City in June. The tools were found in the possession of a Simpson Road man who said he purchased them recently. Five juveniles were charged in the case.

Budget, Tax Action Postponed ...

Two Disputes Take Up Most Of Court Session

Loudon County Court discussed several road problems and narrowly approved entering a joint public agency with Roane County for community service programs in an abbreviated session Monday.

Most other matters on the agenda were postponed until the adjourned meeting Monday at 7 p.m. Tax budget committee will meet at 6 p.m. in Judge Sprout's office.

Juveniles Charged In Breakins

Two Lenoir City juveniles, who were arrested early Sunday morning walking along Highway 95 near the I-75 interchange, have been charged with breaking into Charles Lester Texaco Station, a tractor-trailer parked at the station and the Twin Lantern Restaurant.

Deputies said when they arrested the teenage boys they were carrying a stereo-tape display case, several tapes, blank pistols, knives and several cigarette lighters.

One of the two arrested had a cut arm and said he cut the arm getting into the truck cab. Taken from the truck was a tape case and tape player. Later, deputies returned to the station and found a glass broken out of the front of the building smeared with blood. The tape display case, lighters, and knives were taken from the station.

The manager of Twin Lantern Restaurant reported that someone had broken into the establishment, located across from the Service Station and \$22 in change was missing.

Deputies also located a Chevrolet Van nearby, which was found to belong to a relative of one of the boys arrested. Several items taken from the station were found in or near the van.

The court also gave approval to work out a formal agreement with the City of Loudon and Maremont Corporation on in-lieu-of-tax payments.

Court started almost an hour late because of Circuit Court being in session and the next two hours were filled with discussions and arguments over road problems and

(Continued on page 12)

Greenback, Loudon Projects Get Highest Priority

The Loudon County School Board unanimously approved building projects at Greenback and Loudon Junior High School as first priorities in a long-range building program. Barber and McMurtry, Knoxville architectural firm, was hired at a called meeting in June for the building program.

There was some discussion of designating one of the projects the most immediate program, but the motion was clear in placing one ahead of the other.

The first proposal was to make Loudon Junior High first on the list but Board Member Ted Wampler suggested asking for an opinion from Superintendent Edward Headlee.

Headlee said based on what he knows he would recommend Greenback receive the highest priority because the state recommended closing Glendale and combining it with Greenback two years ago.

Preliminary drawings and cost estimates for both projects will be presented to county court for approval.

(Continued on Page 12)

Democrats Open Headquarters

PART OF THE CROWD which gathered for the opening of Democratic Headquarters in Lenoir City Saturday morning posed to have a picture taken. The headquarters is in the former United Printers location in the Johnson Building on A.S. Local campaign committees for the various Democratic candidates for local office will have displays in the room.

JULY 18 1974

Loudon County Herald
For and about Women

Janice Simpson Engaged

The engagement of Miss Janice Gail Simpson to Terry Wayne Smallen was announced this week by her parents, Mr. and Mrs. W. V. Simpson of Loudon. Parents of the groom-to-be are Mr. and Mrs. Norman E. Smallen, Sr., also of Loudon.

The bride-to-be is a 1973 graduate of Loudon High School and is employed by her father, Mr. Smallen also attended Loudon High and is employed by the Maremont Corporation.

The couple will exchange wedding vows at 8 p.m. August 17 at Valley View Baptist Church. All friends and relatives are invited to attend.

and Mrs. Inkey Swiney, Mr. and Mrs. Joe Presley visited Sunday in Vonnore with Mr. and Mrs. Ike Howard and Mr. and Mrs. John Milligan. Williams and Mrs. Ruth Pace of Chattanooga visited Sunday with Mrs. Grace Trout.

Hill-Wilson Vows Exchanged

Miss Janice Darlene Hill became the bride of Rev. James Kenneth Wilson on June 7 at 7:30 p.m. at Valley View Baptist Church. The ceremony was performed by Rev. Glen Hall and Rev. Doyle Pruet. The bride is the daughter of Mr. and Mrs. Raymond L. Hill, Sr. Route 2, Loudon. Parents of the groom are Mr. and Mrs. Raymond Wilson of Sweetwater. The bride, given in marriage by her father, wore a gown of white bridal satin with the bodice overlaid with polyester lace. Her long train of net illusion was gathered to a head piece of sequins and seed pearls. It was bordered by wide bridal lace and appliqued with lace flowers. The dress was designed and made by the bride. She carried a bouquet of blue and white abaseta daisies entwined with baby's breath. Matron of Honor was Mrs. Gwen Brown of Knoxville, sister of the bride. Bridesmaids were Miss Cheryl Shirk of Loudon and Janice Carol Hill, niece of the bride. They wore dresses of aqua polyester with aqua net headpieces. They carried long stemmed red roses. Geraldine Hill and Sharon Hinds kept the Bride's Book. Lisa Wicker served as flower girl. Traditional wedding music was presented by Mrs. Terry Simpson of Loudon. Special selections were "Until the Twelfth of Never" and "The Wedding Prayer". Ricky Wilson served his brother as best man. Ushers were Jimmy Blankenship of Sweetwater and Bobby Blankenship of Loudon. Mark Pruet was ringbearer. Following the wedding, a reception was given by the bride's parents. The couple are now making their home on Loudon, Rt. 2.

Summer is here and the living is easy. Pack up the food and family for outdoor fun. Whether this is your first or fiftieth time on the camp trail, you are always open for shortcuts at mealtime.

Little work and lots of fun are two requirements for a memorable trip. Advanced planning is a sure way to avoid pushing the panic button at the picnic table.

A big task while camping is to keep the kids happy and healthy by serving hearty foods from the Basic Four Food Groups. Use the Camper's "4-2" Rule pertaining to foods, and remember convenience foods can cut corners, yet provide quality meals.

Choose your basic four foods that are canned, crowd-pleasing one-dish meals, conveniently packed snacks, and clean and carefully refrigerated perishables.

Such menus may include cook-out burgers, potato salad, corn, milk, lemonade, chocolate cake, or chilled watermelon. Here's a recipe that may be used on a camping trip, picnic, or backyard cookout.

COOK-OUT BURGERS

1 1/2 pounds ground beef 1 egg
1 cup instant nonfat dry milk 1 teaspoon salt
1 tsp. instant minced onion 6 sandwich buns, buttered
Mix together beef, nonfat dry milk, salt, egg and onion. Shape into 6 large, flat patties and place in wire hamburger broiler. Cook slowly over coals, turning occasionally, until cooked to desired doneness. Serve on warm buns. YIELD: 6 servings.

DUNKIN' TIME—Splashing and dunking among friends is fine, but it looks like the gal in the foreground is fixing to get dunked again.

WALKING ON WATER—Not quite. Jeff Nichols is providing the young lady with support as they enjoy the water at Loudon's Municipal Pool Sunday.

4-H Demonstration Day

By Bonnie F. Sheeley
Assistant Extension Agent

Nineteen Junior High 4-H'ers participated in the District V Junior High Demonstration Day July 2. The event was held on the Carson Newman Campus.

Transportation to the event was sponsored by: Bennett Gardens; J. W. Wilburn Hardware, Inc.; Karnes Funeral Home; Loudon; and Hawkins Funeral Home, Loudon City.

Nerrissa In Ridge Program

Nerrissa Harrison of Loudon is one of 41 young people from 12 communities who are working this summer under the Youth Opportunity Program at Oak Ridge facilities operated by Union Carbide Corporation for the U.S. Atomic Energy Commission.

Miss Harrison is working at the Oak Ridge Gaseous Diffusion Plant. The Youth Opportunity Program is for persons between the ages of 18 and 21 who are either high school graduates or students planning to continue their education either in college, business, vocational or training schools.

This is the ninth year that Union Carbide's Nuclear Division has participated in the Youth Opportunity Program. Earlier this year Union Carbide's Central Employment staff worked with guidance counselors at a large number of schools to find suitable candidates for the program.

Loudon County had three District or purple award winners at this event. Their 4-H record books will now be entered in the State Contest competing with the four other districts in the state. These 4-H'ers were Roger Goddard, Safety, Greenback; Sydney Elam, Field Crops, Eatons, and Ron Ford, Electric, Highland Park.

The 4-H'ers enter their 4-H record books and give a

demonstration on some learning experience in their main 4-H projects. They compete with entries from 20 other counties in District V. They receive white, red, blue, or purple awards.

The 4-H'ers receiving blue awards and their project and club included: Linda Kaulston, Clothing, Greenback; Karen Strader, Quick Breads, Loudon City Middle School; Ralph Grubb, Bicycle, Loudon City Middle School; Ronald Shope, Forestry, Steekee; and Vanessa Elam, Alternate Winner, Sheep, Eatons.

Those receiving red awards

THREE 4-H'ers from Loudon County received Purple awards at the District V Demonstration Day July 2. Their 4-H record books will now be entered in the State event. They are (left to right) Roger Goddard, Safety, Greenback; Sydney Elam, Field Crops, Eatons; and Ron Ford, Electric, Highland Park.

DEMONSTRATION DAY PARTICIPANTS—19 Junior High 4-H'ers from Loudon County participated in the District V Demonstration Day. Three 4-H'ers received purple awards, six received blue awards, and ten received red awards.

Included: Nancy Trout, Photography, Loudon City High School; Janet James, Dairy Foods, Loudon; Sandra Brashears, Wildlife, Eatons; Monte Elliott, Petroleum Power, Loudon; Becky Satterfield, Dog, Loudon; Eve Blanton, Home Improvement, Loudon City Middle School; Sharon Hart, Horse, Eatons; Vicky Myers, Food Preservation, Highland Park; Greg Acree, Animal Science, Eatons; Keith Ames, Home Grounds, Loudon City Middle School; and Danny Crutcher, Wildlife, Eatons.

In District 4-H Dress Revue

By: Sue Scholoshan
Junior Assistant Extension Agent

Three senior 4-H girls participated in the District V Senior Dress Revue July 10. Carolyn Hickey of Philadelphia, received a purple award in Sports Clothes. This means she will go on to State competition and compete against winners from four other districts.

Michelle Cooper, Greenback, entered the School Clothes Division and received

a blue ribbon. Dana Zehner, Loudon City, received a red ribbon with her entry in the Party Dress Division.

The garments the girls made were judged on construction details. Then the girls modeled their outfits in front of the judges. How the garment fit on the girl, the modeling of the outfit, and the girl's knowledge of clothing were used to determine their scores.

Junior Life Course Slated

The Loudon County Chapter American Red Cross will offer a Junior Life Saving Course at Big Springs Pool on Wednesday, July 24 through August 2 from 9 a.m. to 11 a.m. For registration and more information, phone American Red Cross, 866-3468, Monday through Friday.

McGinley Gets AF Promotion

The Air Force has promoted John L. McGinley, son of Mr. and Mrs. George L. McGinley, 421 Robinson Drive, Loudon, to master sergeant.

Sergeant McGinley is serving at Davis-Monthan AFB, Ariz., as a career advisor.

The sergeant, a 1959 graduate of Loudon High School, attended Carson-Newman College, Jefferson City.

Tennessee River Waterway Benefits Set New Record

Users of the Tennessee River waterway saved a record \$71,600,000 in transportation costs on barge freight carried on the river in 1973, according to the annual estimate by TVA economists. This was an increase of more than \$5 million over the estimate for 1972.

This benefit to the regional economy was about eight times as much as the \$9 million total operating cost of the waterway for 1973, including depreciation.

The savings estimate for 1973 represents a "rate of return" of more than 25 percent of the net navigation investment in TVA dams, locks, and other features of the Tennessee River waterway.

Nine TVA dams create an unbroken chain of lakes and locks for river tows traveling the 650-mile-long main stem of the Tennessee River, which in turn links this region with an inland waterway system extending from the Gulf Coast to Minnesota and Pennsylvania.

Since 1933 when construction of the TVA system of dams began, Federal operating costs for the Tennessee River waterway have totaled \$167 million while benefits have totaled \$758 million in shipper savings. The savings figures are estimated from actual freight costs compared to costs for the next cheapest means of transport if the improved waterway were not available.

River traffic and waterfront industrial growth also set new records in 1973. Barge traffic totaled 29 million tons of freight, a small increase from 1972 and double the level of ten years ago. Private investment in waterfront industry was a record \$228 million.

Work is now being completed on the Yellow Creek Port complex, the first river port on the Mississippi section of the Tennessee River waterway. This joint TVA-State-local project is located north of Lake, Mississippi, and includes a public river terminal with rail and road access and adjoining industrial sites. It will be operated by the Yellow Creek State Inland Port Authority.

This new port will be the site for groundbreaking ceremonies July 8 marking the start of construction on the north end of the 253-mile Tennessee-Tombigbee Waterway, a Corps of Engineers project that will give Tennessee River port cities a shorter water route to the Gulf Coast and abroad.

Completion of the project is scheduled for the early 1980's. The Tennessee-Tombigbee Waterway will mean a new chapter in the usefulness of the Tennessee River, according to M. I. Foster, TVA's Director of Navigation Development and Regional Studies.

"Tennessee River waterfront industries now provide jobs for more than 41,000 workers, and a shorter water route to the Gulf will mean new opportunities for these and other industries in transporting both raw materials and products," he said.

For example, Foster said, the present barge route between Decatur, Alabama, and the Gulf goes to New Orleans, a total of 1,210 miles by way of the Mississippi River. But with the Tennessee-Tombigbee Waterway shipments from Decatur will take only 558 miles to reach Gulf port facilities at Mobile, Alabama.

Knockville and other river ports in east Tennessee will be closer to the Gulf Coast by the new route than most of the busy ports on the lower Tennessee River are now, Foster pointed out.

"Since the Tennessee Valley region and the Gulf Coast are growing industrial areas, there are many possibilities for interregional trade," Foster said. "The Tennessee Valley has industries that utilize the oil, salt, sulfur, and other minerals of the Gulf Coast while many products of Valley industries are shipped to coastal markets. The new waterway will play an important part in this natural interchange, as well as in international trade for the Tennessee Valley."

Youth Hit By Train, Killed

David Kent Hill, 14, of Luscombe Drive, Knoxville, who was killed when struck by a train near Morrell Road in Knox County Friday afternoon, was the grandson of Mr. and Mrs. L.N. Stewart of Loudon and Mr. and Mrs. E.M. Hill of Philadelphia.

The young victim also has several aunts, uncles and cousins who reside in Loudon County.

Knox County Deputies said the youth apparently was walking along the tracks and fell into the path of the Southern Railway engine.

The train was being operated by J.D. Walker of 8322 Middlebrook Pike. Mr. Walker said he was operating the engine from the left side of the train and did not see the youth, who was on the right side of the tracks, until after he was struck.

David would have been in the 10th grade at Bearden High School this fall.

His stepfather, Rev. C.A. McKenzie, said David was an avid baseball fan and played with the Sandy Koufax league. He played in a game Thursday and spent the night with a friend, David Tipton, who lives across the railroad tracks, and was returning home when the accident occurred.

"We don't know what happened," Mr. McKenzie said.

Funeral services were held Sunday at Mann's Bearden Chapel with Rev. Bill Bruster officiating. Grave-side services were held in Westview Cemetery in Sweetwater with Rev. Anderson McCulley officiating.

Survivors are the parents; brother Allen Hill, grandparents and aunts and uncles.

DAVIS SOLOS-BILL Davis, pictured with his flight instructor, L.C. Hunter, is having the back out from his shirt, which is traditional after a first solo flight. Bill finished at Hiwassee College and will leave September 1 for Emory School of Aviation in Greeley, Colorado, where he will further his flight training.

Annual Membership Meeting of Appalachia Educational Laboratory

The annual membership meeting of the Appalachia Educational Laboratory will be held at Charleston, West Virginia on July 21 and 22. This is the Eighth Annual Membership Meeting of the laboratory and the general theme of the conference will be Appalachia Today - An Update.

The conference will deal with the Economy Today, especially in Appalachia as well as education in Appalachia. Presentations on AEL's various programs as they relate to education and improvements in education will take most of one day of the conference.

An Appalachia Art display will be on exhibit from Morehead State University. The art exhibit is entitled "Kentucky Documentary: Life in Appalachia 1974."

Vocational Education Advisory Council To Hold Public Hearing

The Tennessee Advisory Council on Vocational Education will conduct a vocational education hearing at the University Center, Knoxville, on Tuesday, July 23, 1974, 9 a.m. This is the Council's first effort to bring together users and producers of the products of vocational education.

Representing the State Board of Education at the hearing will be Dr. Benjamin E. Carmichael, Commissioner of Education, William M.

Harrison, Assistant Commissioner for Vocational Education, and State Representative Ben Atchley and Victor Ashe, Representatives of business, industry, Education, Chamber of Commerce, parents, students, and local advisory councils are asked to make brief statements after which the floor will be open for discussion. The general public is invited to attend this local public hearing.

Certification Changes Proposed for Special Education

New standards for certification of special education teachers have been proposed by the State Department of Education following a two year review of existing standards by teachers, school administrators, teacher educators and parents.

Under the proposed new standards, a professional certificate will be issued with a general endorsement in special education. The endorsement will provide for licensure in the areas of learning disabilities, crippling and special health conditions, emotionally disturbed, educable and trainable mentally retarded, gifted and other areas which might develop in the future.

In addition, separate endorsements may be obtained for the following specializations: visually handicapped, hearing impaired, speech and language impaired and severely orthopedically handicapped.

TO ALL THE VOTERS OF LOUDON COUNTY

Due to a new law, the Road Commissioners from each district must run county wide. This does not mean I am running against the commissioners of the other districts. If elected I will serve only in the 1st and 4th districts, as I have in the past.

Since I am now serving as Road Commissioner I will be unable to contact everyone in person, for I feel that my first responsibility is to my job.

So I am taking this opportunity to ask each of you for your vote and influence.

With Deep Appreciation,
LILLARD BLEDSOE

Republican Nominee:

Road Commissioner - 1st and 4th Districts

The Swimming Pool.

(Another in a series of imaginative uses for the GMC MotorHome)

You know how much the kids love to go swimming. Especially if they can go swimming with their buddies. Well, why don't you grownups get together and really make a happening out of it?

Rent a GMC MotorHome.

See, with a GMC MotorHome, two families can get together (in one vehicle instead of two) and take advantage of some of the more scenic swimming holes. It'll be more fun because you're all together. And with all of you in one vehicle, you may just find the trip a little cheaper.

And since you have a full galley to work with, you can prepare a super picnic right in the MotorHome.

You can buy a GMC MotorHome if you want. And use it for all sorts of let's-get-away-for-the-weekend adventures. And your GMC MotorHome dealer can take care of almost everything. Why, he can even offer a place for you to keep your MotorHome when it's not in use. But the beautiful thing is that he'll rent you a MotorHome if you don't want to buy.

Think about it. Then contact your local GMC MotorHome dealer.

Loudon City Open Tennis Tournament Dates Announced

The Loudon City Recreation Department has set its dates for its first tennis tournament. The tournament will be divided into two divisions. The first division is for boys and girls through age 16 and will be held the week of July 22. All play will be done in the morning hours under the direction of Mrs. Hugh Watson and Mr. Larry Bridges, tennis instructors of the morning

Loudon youth recreation program. All participants are to register through them by Friday, July 19. The adult portion of the tournament will get underway Monday, August 5, with all entry requirements fulfilled by Friday July 26. The tournament will be open to Loudon County residents only and entrants should make their interests known to Mr.

Larry Bridges, Route 4, Loudon, so that the tourney brackets can be drawn up. The adult tournament will be conducted in the evening hours on the tennis courts adjacent to the Loudon Swimming Pool and will be singles play only. A doubles tournament is under consideration at a later date. All entrants should evaluate their own abilities as to being

classified a beginner, intermediate or an advanced player.

and obedience and performance for all horses. A pony and saddle will also be given away at the horse show to some lucky ticket holder. Tickets for the horse show are one dollar per person with everyone under 12 getting in free. Participating riders will also be admitted free. For more information call 458-5533 in Loudon.

followed by the boys game at 8. Both games will be played at Murphy Athletic Center. The all-star football game will be played under the lights beginning at 8 p.m. on Friday, August 2.

LOUDON'S DIXIE YOUTH GIANTS—The Giants of the Loudon Dixie Youth Baseball League is pictured front row left to right: Charles Duncan, Chris Mitchell, Russell Jona, Randy Campbell, and David Mallock. Second row left to right: Allen Eldridge, Donnie Eldridge, David Grimes, Stacy Cole, and Jeff Jenkins. The Giants are coached by Peno Campbell and Hamp Russell.

Orioles Rally For Win

The Orioles staged a last inning rally to slip past the Dodgers 7-6 in Babe Ruth baseball Monday night. John West was credited with the victory in a one inning relief role. Eddie Estes was the losing hurler, going the route for the Dodgers. Ben Fields and Jeff Purdy had two hits each in leading the Orioles.

Phillies Square Record

The Phillies of the Loudon Babe Ruth League evicted their season record with a 26-8 slaughter of the last place Dodgers. The Phillies, now 3-2, were led by the hitting of Tim Denton in chasing three-Dodger hurlers. The Dodgers attempted to rally in the final inning with four hits, two walks and a

Loudon-Lenoir City Softball Sub-District To Start Saturday

The Loudon-Lenoir City softball sub-district tournament will get under way this Saturday afternoon on Loudon's Legion Field. The Loudon Merchants will meet Maremont No. 2 in the first game of the double elimination tourney.

The entire field of team entries will play in the first day of the tournament which will carry through the entire week with finals on Saturday, July 27 at 3 p.m.

There are 15 teams vying for the sub-district title, won last year by Eaton's of Lenoir. Eaton's is the lone unbeaten team in the tournament with a 15-0 league mark. They drew an opening

round bye and will set out Saturday's first round waiting the winner of Lenoir City's Dutton and Loudon's Hall Oil Company contest to open Monday night's card of four winners bracket contests. There will be no games on Sunday.

Jerry Foster will be the tournament director and prices have been set at 50 cents and 25 cents for adults and students per session.

The top four finishers in the tournament will go on to compete in the district tournament in Athens, starting Monday, July 29. Philadelphia will be the site for the Philadelphia and Vassar leagues tournament with the top four teams advancing also to Athens.

Giants Win 10th Game, 13-3

The Giants won their 10th game of the summer by blasting the Reds 13-3 in Senior Babe Ruth play. Mike Brookshire swapped roles from pitching star to hitting standout for the Giants by hammering three singles. Gary Gibson, Jim Brown, and Jackie Jones collected two hits each in the one sided win.

Dennis Queen suffered the pitching loss for the Reds, giving up 12 base knocks. Jackie Jones pitched for the Giants and scattered seven safeties.

Charlie Kerr stood out for the Reds, collecting a double and two singles in three of his at bats.

Tigers Fall In 14-13 Slugfest

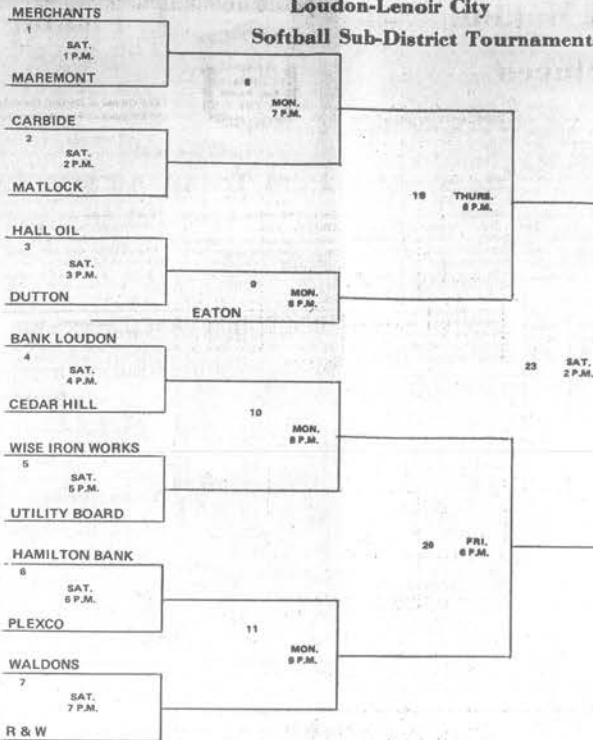

The tail spinning Tigers lost a slug fest to the Reds in a Senior Babe Ruth League contest 14-13. Charlie Kerr, Chris Helms, and Dennis

Queen set the batting tempo for the Reds with two hits each.

Dennis Queen pitched the entire game for the Reds, yielding 13 runs on 10 hits.

Henry Chambers and Carter Cardwell drilled three and two hits respectively for the losing Tigers. Danny Mierst started on the mound for the Tigers,

Loudon-Lenoir City Softball Sub-District Tournament

By Darrell Tuck

The sports news around Loudon is getting pretty slow now on the hot days of July. In the following I did come up with a few items to tell you about. Remember football season is coming soon so my column (Callin' Em) will touch some of the football details.

Last week I reported that Earl Thomas and Coach Rattlehead had retired from their jobs at Legion Park. This information is true, but I did get some information messed up. I said that Fred Mode would be helping out Jerry Foster at Legion but this is false. Mr. Mode's only job is directing the softball tournament.

For the early football fans and football players, fall football practice is slated to start Monday August 5. It sure will be hot, on those big line men and speedy backs. So remember Loudon football players and managers August 5th is the big day. Coach Gibson has settled down for

the summer after a long fishing trip around the deep south.

The Dixie Youth, Babe Ruth and Senior Babe Ruth All-Star games will be played in two weeks. The champion of each division will play the All-Stars. The All-Stars will be chosen by the managers. The manager of each team will choose three people from his team and the second place manager will choose four pitchers on the all-star team or each manager will choose four players from his team.

The champion of the Babe Ruth and Senior Babe Ruth is almost certain with the Cardinals probably winning in Babe Ruth and the Grants in Senior Babe Ruth. The Pirates and H's are still tied for first place on Dixie Youth play.

The Expos on Senior Babe Ruth had been in the tail-end the whole season, but the past two weeks they've really made some changes and one of them moving into second place on Sr. Babe Ruth.

Stamey Continues As Maremont Leader

Reed Stamey continues to lead the Maremont Golf League, as he picked up nine points last week to boost his second half season total to 24 1/2 points.

Richard Archer moved up to second place six points off the pace and followed closely by Charlie Romine, Calvin Wilson, and Jim Hamill.

Reed Stamey had the low net score of the week with a round of 32. Richard Archer had the second low net finish with a 32. The two golfers received two and one golf ball respectively.

"... many say it won't work . . . but it's got to . . ."

"Before a Governor can solve the problems of education, crime, and energy in our state - he must first have the confidence of all Tennesseans.

"In this election year, when confidence in our political institutions is at a low ebb, we must restore faith in the elective process.

"It is incumbent on all candidates to offer their public and private lives in a mode that is above reproach and to conduct their campaigns in the same manner.

"Campaign financing should be a matter of public record, and gifts, all of them with no strings attached, should originate from a broad segment of the public.

"That is why I will publicly disclose the names of every contributor to my campaign and the exact amount of the contribution. That is why I am encouraging small gifts from thousands, rather than big gifts from a few.

"There are many who say it won't work, but it's got to if we are to move our system."

Lamar Alexander

The Alexanders - Leslie, Honey, Lamar & Drew

Lamar Alexander is no stranger in Loudon County. An eighth generation Tennessean born in neighboring Blount County, Lamar and Honey have both visited in Loudon County during the present campaign and will be present for the Big Republican Barbecue and Rally at Loudon High School on Tuesday, July 23.

Lamar Alexander would be the best possible Governor for Loudon County and all of Tennessee.

Larry And Lynn Millsaps Making Move In City Golf Standings

The Loudon City Golf League leaders John Cobb and Richard Archer overtook their closest challengers last week to open up a 14 point first

place advantage. Larry and Lynn Millsaps, defending champs of last summer, moved into second place by a single team point over Ed

Arnold and Paul Brakehill. The Millsaps' brothers are the highest in league standings. They have been this year and could well be on their way to over taking Archer and Cobb by the month of August.

Jack Kincaid and Gary Brown collected all the top league honors last week. Kincaid and Brown, in ninth place, combined for the best low net team round of 66 and Brown topped off the day by carrying out a score card count of 31 for individual medalist recognition.

John Cobb with 20 individual points and Tom Sexton and Lynn Millsaps with 73 and 71 points respectively appear to be geared for a real dog fight for individual honors down the stretch run of the league season. Only a high total in the 50's come close to the three top individuals and are doubtful of making a run for the individual point championship.

LOUDON CITY GOLF LEAGUE STANDINGS

TEAM	POINTS
Richard Archer and John Cobb	142
Larry Millsaps and Lynn Millsaps	128
Ed Arnold and Paul Brakehill	127
Jimmie Hamill and Jim Moore	123
Ted Lomax and Icky Swiney	121
Dennis Townsend and Ralph Stalcup	118
Clell Miller and Bert Rutledge	114
Harrison Henry and Harold Grimes	111
Jack Kincaid and Gary Brown	110
Larry Christian and Tom Sexton	109
Don Canter and Jack Hodge	108
Mike Oody and Larry Bridges	108
Jack Ferguson and Glenn McNabb	102
Ed Swenson and Gerald Cole	102
Buck Kirkland and John Lennex	99
Coye Blankenship and Butch Earley	96
Larry Lane and Jake Lane	95
Joe Mourfield and Dick Ryan	92
Roy Stalcup and Billy Chambers	92
Danny Watkins and James Watkins	89
Charles Watkins and Gene Watkins	87
Jerry White and David Henson	79
Earl Millsaps and Jim Huff	77
David Hamill and Tom Lambert	77

Hawkins Accounts For Dodger Victory

The Dodgers rode the Hawkins fired a no-hit 5-1 pitching and hitting of Boo Hawkins to account for their second win of the season in Babe Ruth play last week.

Hawkins fired a no-hit 5-1 decision over the Braves and pitcher Steve Oran who failed to give up an earned run but in Babe Ruth play last week still lost.

THE CARDINALS—The Cardinals, who are currently setting the pace in Loudon's Babe Ruth Baseball League are pictured front row left to right: Coach Denny Poole, Jerry Thrasher, Ricky Sutton, Doug Russell, Curt McKee, Tim Moore, and David Ward. Second row left to right: Freddie Starritt, Steve Watkins, Kenny Starritt, Paul Watkins, Ricky McCrary, Coach J.C. Monger, and Terry Viars.

Ken Phillips Still Setting Pace At Atomic

If recent races are any indication, the field is closing each week on the frontrunners at Atomic Speedway. Drivers such as Ken Phillips, Bill Corum and H.E. Vineyard have dominated the late model sportman competition at the third-mile dirt facility.

"The above mentioned drivers have more or less held the upper hand," says Atomic owner Bob Martin. "But if the fans who attend each week will notice, the finishes have been getting closer. It's only a matter of time before a new

name slips under the checkered flag. The late model sportman and bomber division racing resumes Saturday night at the speedway. A field of more than 50 drivers is expected to be on hand for the sportman qualifying which gets under way at 7:45. The first race gets the green flag at 8:30. Reserved seats for the weekly program are \$3. General admission is \$2.50. Children under 12 years are admitted without charge. The bomber division, which normally has about 20 cars running each week, is becoming more popular and one of the more exciting races. The machines, which are nearly 100 per cent stock, compete for 15 laps each week.

Little Boys Football Sign-up

Little boys football league registration will be held on

Thursday, July 25 at 7 p.m. and on Saturday, July 27 from 9 a.m. until 1 p.m. at C.F. Dan Field, Lenoir City. Any boy who didn't sign up for spring practice will be required to pay a fee of \$5 to cover insurance cost. First practice

will be held on Monday, July 29 at 6 p.m. at Civitan Field, Lenoir City.

Brookshire No-hits Tigers

Mike Brookshire turned in the first no-hit pitching performance of the summer in

Loudon's Senior Babe Ruth action last week as the Giants shutout the Tigers 11-0.

Cards Run Record To 7-0

John West struck out 41 and gave up only four hits, but poor fielding by his Orioles teammates in Loudon Babe Ruth baseball enabled the Cardinals to post a 7-1 victory. The league leading Cardinals with a 7-0 workshheet to date, got a triple and a single from hard hitting Steve Watkins and a three hit pitching performance from Ricky McCrary in nailing down the win.

ACE—Ricky McCrary, of the Cardinals, is the top performing pitcher this summer in Loudon's Babe Ruth play. He has fired a no-hitter, a one-hitter, and a three hitter in recording four of the team's seven wins.

will be held on Monday, July 29 at 6 p.m. at Civitan Field, Lenoir City.

Fishing Report

BY BOBBY WOLFE, WILDLIFE OFFICER

Fishing is limited to early morning or late afternoon and night because of summer heat.

FORT LOUDON LAKE—Bass are not as active as they were but some large ones are being taken on plastic worms. The Stripes are breaking and when they break they will hit almost anything that is available. Blue Gill is good on fly rod. Rockfish and Hybrid are still producing some good fishing on Cherokee Lake.

NORRIS LAKE—has some fair fishing for Blue Gill. A few good Walleye are biting but very slow. Some good night fishing is going on.

WATTS BAR LAKE—Stripes and crappie are good at night under lights with minnows.

Some break activity by stripe has been reported. Cullowee Lake's blue gill are very good on popping bugs and crickets. Trout are fair at night under lights using worms.

Record Sunfish Caught

The red breast sunfish caught on the Holston River by R. W. Gillespie on June 22, 1974, was officially declared as a state record by the Tenn.

Wildlife Resource Agency on July 1, 1974.

Gillespie's one pound, five ounce Sunfish surpassed the old record of fourteen and one half ounce caught in 1968.

WATERFOWL SEASON—To provide the East Tennessee sportsman a greater voice in the establishment of this year's water fowl season, three public meetings will be held with members of the Wildlife Resource Agency. These meetings are scheduled for 7 p.m. on August 13 at Johnson City Power Board and the morristown Hamblen Library. The third meeting is at 8 p.m. on August 13 in the second floor auditorium of the Red Cross Building, 591 W. Cumberland, Knoxville.

ECONOMY FEATURED IN CONTEMPORARY HOME

THREE BEDROOMS, TWO BATHS
 FEATURE HOMES
 W. D. Farmer
 Despite small square footage, this home features three bedrooms, two baths, and all the features normally associated with a larger home. The foyer has a coat closet which is convenient for incoming or outgoing guests. A cased opening leads to the separate formal living area. Isolation of the living room makes this home good for entertaining. Another highlight of this home is the combination dining-family room. This permits all family-oriented activities in one generous sized space. The L-shaped kitchen is a real step saver and for convenience is directly accessible to the fully-equipped utility room with washer-dryer connections and a private rear entrance. The rest of the home closes the sleeping quarters. The master bedroom has a big closet and a private bath. The other two bedrooms each have ample closet space and direct access to a full bath.

Electric Lines
 Look but don't touch

Be careful when working outside near electric power lines. Don't place yourself in a position where you, or an object you're holding, could accidentally touch a line. Consider all electric lines hot and dangerous. If you see one down or if you must work near them, call us. We'll help you steer clear of the danger.

Two Disputes Take Up Most Of Court Session

(Continued from Page 1)

community services. Tom Davis, county road inspector, told the court that contractor Jim Hamilton is not cooperating with him on inspections of roads being built in East Martel Estates. Davis also said a representative of Hamilton's told him Road Commissioner Lee Malone has already given approval of the roads.

Malone denied signing any papers giving approval on the roads. DAVIS SAID Malone had admitted to him he signed the papers. Malone said he signed papers for Hamilton to start the roads, but insisted "all in the world I've done is look at the base last week."

FOUR INJURED—Four persons were taken to Loudon County Memorial Hospital about 7:30 p.m. Tuesday when the two cars shown above collided on West Broadway in Lenoir City. The Gremlin, driven by David Jean, Rt. 3, Lenoir City, was traveling north and the Chevrolet, driven by Ann Gray of Rising Fawn, Ga., was traveling South. According to Lenoir City police officers the collision took place in the southbound lane at the intersection of Broadway and G Street. Both Jean and Mrs. Gray and two other occupants of the Gray car was injured.

Under the road standards set up by county court, Davis is the only person authorized to inspect the roads. Davis reported the grading is complete, the stone base is down and the first paving was being done.

According to county road standards, inspections are supposed to be made after each stage. "With no co-operation from Mr. Hamilton and 50 percent of the work done, there is no way I can carry out the road inspections," Davis said.

HE TOLD the court there is a bad drainage problem in the development and said Hamilton has filled in sinkholes and built a road across the corner of the biggest one.

Squire Boyd Duckworth asked, "Why wasn't the road stopped if standards are not being met?"

Davis replied, "I don't have a power in the world to stop work." Squire Duckworth wanted to know why Davis had not inspected the roads before since he knew work was being done. Davis said the developer is responsible under the road standards to notify the inspector and reiterated "I can't do my job without co-operation from the developer."

SQUIRE JIM HARTSOOK made a motion to give the inspector the authority to stop work if the roads were not being built up to county standards. Squire R. P. Hamilton seconded the motion.

County Judge Harvey Sproul ruled the motion out of order because the matter was not on the agenda and because there might be some legal question whether the court would order work stopped on private property.

The sub-division is being developed as a private project but the roads will have to be accepted by county court and maintained by the county.

Squire Duckworth and Commissioner Malone said

the commissioners ought to inspect the roads if they are going to be responsible for keeping them up.

The court referred the matter to the Planning Commission for study and voted to notify Hamilton the roads may not be accepted by county court unless the county standards are met.

COURT MEMBERS agreed the roads should meet the standards before acceptance and said since Hamilton is putting money in the project, he should be aware of the risk.

Squire Blair read a resolution proposing a joint public agency between Loudon and Roane counties for community services program that touched off a tense debate among court members.

Squire Blair made a motion to approve the resolution, seconded by Squire Hartsook. Both men were on a joint committee to work out a two-county agreement.

Squire I. D. (Iabe) Connor, also a member of the committee but unable to attend a meeting because of sickness, made a motion to table Blair's motion and refer the matter to the budget committee.

HE SAID SINCE the resolution contained a request for \$7500 of county revenue sharing funds, the budget committee should make a recommendation on it.

Squire Blair and Hartsook agreed to delete the money portion of the resolution, saying the matter could be taken up later.

Squire Connor insisted it should come before the budget committee for a recommendation.

Squire Duckworth suggested the county should join Monroe County and seven other counties in a similar program because it appears future county growth will be in the Greenback-Vonore area.

Squire Henry Foster said the Monroe County group operates more programs than the Roane-Loudon County organization without costing the counties any local money. He accused the Roane County agency of being top-heavy with staff.

HE INSISTED he is only interested in seeing that the money gets to the poor people of the county instead of paying

Greenback, Loudon Get Priority

(Continued from Page 1)

for Lenoir City Schools. The money is for the difference in per pupil spending between the county and city for the 627 students at Lenoir City High School. Superintendent Albert Dukes said, "It's the worst

high salaries. He turned to a reporter at the meeting and spoke to him, ignoring court members.

The issue of the programs has been a year-long dispute by the court. Some court members insist the issue is essentially a personality clash between Squire Foster and Jack Smith, who has been executive director of Mid-East Community Action Agency and its predecessors.

On the vote to table, Squires, Duckworth, Connor, Foster and Hudson, all members of the budget committee, voted to table the matter. Squires Blair, Roy Bledsoe, Hartsook, Curtis Williams and R. P. Hamilton voted against to table the motion. The tabling motion was defeated 4-

THE RESOLUTION passed by the same 5-4 vote with Squires, Blair, Bledsoe, Hartsook, Hamilton and Williams voting for the motion to create the agency.

Squires Connor, Foster, Hudson and Duckworth voted against the motion.

There are two separate contracts involved in the Marenmont in-lieu-of-tax payments.

A contract between Loudon County and the City of Loudon will divide the payment money from an addition at Marenmont about two years ago.

Basically, the agreement will divide the money equally until the City of Loudon gets its initial investment of \$40,000 back. Thereafter, the money will be divided proportionately according to the tax rate of the county and city.

The second contract involves an addition now being built. The agreement will be between the county, City of Loudon and Marenmont.

thing that has happened to us in any way." He said.

Board Chairman Jim Bailey explained that the money is being taken from the school surplus instead of being put on the tax rate.

Ted Wampler said he could not see a "business responsibility" for the county to pay the money.

Bob Cassady, supervisor of instruction, presented board members copies of the handicapped program for 1974-75.

"We won't be doing an awful lot more than we have in the past, but we'll be doing it in a little different manner," he said.

In-lieu-of-tax payment but the company will pay an amount equivalent to the amount due if taxes were paid.

J. T. CARTER of Greenback asked the court to appropriate money to pay him for grading work done at Highland Park School. The Squires agreed the bill should be paid, but said a purchase order was not issued for the job.

By the law, any county purchase over \$300 must be bid on. Bids were not received for the grading job. Red Clark, maintenance supervisor for Loudon County Schools hired Carter on the county school board's orders.

Squire Hamilton, chairman of the Purchasing Committee, pointed out there is also a similar bill for work done at Philadelphia School.

The matter was postponed until the adjourned meeting Monday night. The court asked that County Superintendent Albert Dukes, Clerk and School Board Chairman Jim Bailey be at the meeting.

THE COURT also approved the creation of Loudon Outside East precinct for the Aug. 1 general election and state primary.

He explained all teachers in the county will receive training for the program.

"The more familiar everyone is with the plan, the better off we'll be," he said. In a pointed reference to trouble with the Lenoir City plan, Chairman Jim Bailey asked if the county has received any complaints about the plan.

Superintendent Dukes said no complaints have been reported to his office.

Bill Lawson, director of the Title I program, told the board he is required to submit a plan for this year based on funds received last year.

Because of a surplus from the year before and released

impounded money, the county had about \$24,000 more last year than will be available this year, Lawson said.

"We may not be able to service all the eligible schools," he said.

The program is based on the percentage of low income pupils and the number of low income pupils in each school.

He warned the board some schools may be denied the program because of shortage of funds.

The board also discussed plans for kindergartens in county churches. Deacons from Pleasant Hill Baptist asked questions about insurance, space, teachers and expenses.

CHILD HURT IN FALL—Two year old Robert Hughes Jr., received severe bruises Sunday morning when it fell from a second story window in the Thomas Apartments in Loudon. The child fell from the window to the street below (about 20 feet). The path of the fall is marked on the picture. The screen from the window is shown on the sidewalk near the spot when the child hit. The mother told neighbors the youngster did not have any broken bones or internal injuries. He is a patient at Children's Hospital in Knoxville.

Kennedy, Chairman of ETDD, to membership on the ETDD Law Enforcement Advisory Committee for a period of one year, effective July 11, 1974. The Law Enforcement Advisory Committee, operating as a technical advisory committee under the provisions of the Bylaws of the East Tennessee Development District, makes recommendations to the ETDD Board of Directors, the Executive Committee and the District staff on topics of concern to the District in public safety, criminal justice, crime prevention, law enforcement, juvenile delinquency and other related fields.

A Personal Message
From
CHARLES T. EBLEN
Your Candidate For
COUNTY JUDGE

In a few days (Thursday, August 1) you will go to the polls to elect a new

COUNTY JUDGE
With all sincerity, I hope you will consider my application to represent you for the next eight years.

THIS I PROMISE:

1. Equal representation to each of you, regardless of your education, your financial position or political affiliation.
2. To work with your clubs and church organizations for county improvements . . . in all the county.
3. That a SPECIAL COMMITTEE from each precinct will be appointed to go over various problems in your area. Their findings and suggestions will be presented to the County Court for study and approval. (This will save valuable time and often misunderstandings during a regular County Court meeting.)
4. AND THIS I ALSO PROMISE: If I am elected your County Judge . . . I will always be available for a conversation concerning your problems.

I WILL APPRECIATE YOUR VOTE ON AUGUST 1st
CHARLES T. EBLEN
CANDIDATE FOR
LOUDON COUNTY JUDGE
LOUDON COUNTY GENERAL ELECTION, AUGUST 1, 1974
—Pol. Adv. Inserted and Paid for by Charles T. Eblen

VOTE FOR
O'Dell Justice
FOR CONSTABLE
First District
August 1 General

I want to thank all the voters in the 1st district for electing me your constable for the past 8 years. You good people placed my name at the top each election. This is a high tribute and honor. I very appreciate this privilege to have represented all the people in the county. I want to take this opportunity to ask for your vote and support in the general on August 1. My sincere thanks to everyone.

O'Dell Justice, Sr.

Sproul Elected Chairman Of
Law Enforcement Committee

The East Tennessee Development District (ETDD) Law Enforcement Advisory Committee installed its officers for the coming year at its quarterly meeting this past Thursday. Loudon County Judge, Harvey Sproul, who served last year as First Vice-Chairman, succeeded Sergeant James A. Gillespie, Maryville Police Department, as Chairman of the Committee. Other officers who were installed are: First Vice-Chairman, James P. Keebler, Director of Court Services, Knox County Juvenile Court; Second Vice-Chairman, Hershel Beeler, New Tazewell City Recorder; Secretary, Jean (Mrs. David W.) Brown, Concord; and Treasurer, Loretta Bunyard, Counselor, Probation and Parole, State Department of Corrections, Oak Ridge. At last Thursday's meeting, Dr. Dennis Freeman of the Oak Ridge Mental Health Center described to the Law Enforcement Advisory Committee the Center's proposed application to seek funds to train law enforcement officers in the Center's Catchment Area (including Scott, Morgan, Campbell, Roane and Anderson Counties) in the handling of persons who are mentally disturbed and in the handling of family disputes. The proposed program, an innovative one which will be a pilot for the area, received a favorable recommendation from the Committee and will be presented to the District's Executive Committee sometime in the near future. Also at the meeting, Tom Woodson, Director of Jail Inspection for the State Department of Corrections, discussed the 1973 legislation which authorized inspections of local jails, lock-ups, workhouse and detention facilities and the Department's program to comply with the legislative directive. In addition to inspections, the program will also offer assistance to local officials in upgrading and improving their facilities in accordance with established minimum jail standards. In other action, the Law Enforcement Advisory Committee recommended approval of the East Tennessee Development District's plan to continue in-service and

You Need
A Friend
In
Government

STAN SNODGRASS
For Governor

The needs of the people of Loudon County are what Stan Snodgrass has on his mind:

VOCATIONAL EDUCATION

"We need to develop the same Pride of Craftsmanship in our young people that their parents and grandparents had. I want to see an alternative system of education that will develop the talents of students in skilled trades. Not everyone wants to go to college, and we must provide ways for young people to prepare for rewarding careers which they can take pride in. Young people are our most precious resource."

INDUSTRIAL DEVELOPMENT

"Expanded vocational education will provide Tennessee with a skilled, job-educated work force . . . this is what attracts new industry to a state. This new industry in turn provides high paying jobs for Tennessee's citizens, and helps build a stronger financial base on which the state can increase its services to the people. New industry and the expansion of existing industry in Tennessee will be a high priority when I'm governor because this is the quickest way to increase the personal income of all Tennesseans, and to improve the quality of life in Tennessee."

ROADS AND HIGHWAYS

"With the interstate system almost complete it's time we turned our attention to secondary and access roads throughout Tennessee. Good roads contribute greatly to a state's economic growth, and I intend to work toward making Tennessee's total highway system one the people can use profitably every day."

MENTAL HEALTH

"Only two of Tennessee's five mental hospitals currently meet minimum national standards. Unless we upgrade these facilities in Tennessee we'll lose several hundred thousand dollars in Federal funds. It takes a great deal of time to build new hospitals and repair old ones, and I believe we must start now if our citizens are to receive the quality health care they deserve."

There's no doubt about it, Stan Snodgrass is the man Loudon County needs as governor. Stan sees people, not just votes, when he meets his friends throughout the state. He listens and understands their problems, then he finds solutions that work.

Stan Snodgrass stands for honesty and decency in government. Through the years, Stan has earned this reputation and the respect of every one he's come in contact with, church insiders, fellow lawyers, legislators with whom he's served, and friends all across Tennessee.

AGRICULTURE

"The traditional role of the farmer in Tennessee must be preserved. I will do everything I can to see that the farmer receives his fair share of the food dollar. The farmers of Tennessee can be sure they'll have a friend when I'm elected governor."

CONSUMER PROTECTION

"The cost of living is constantly on the rise. As governor, I will support the Consumer Protection Bureau whose responsibility it is to insure that the people of Tennessee receive the best quality and most quantity for their hard-earned dollars."

A FRIEND IN GOVERNMENT

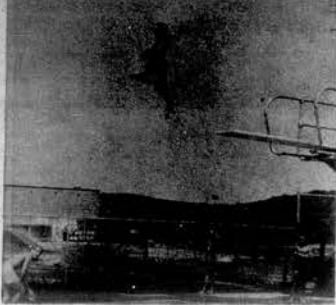

"As governor I intend to install a state-wide toll free COMPLAINT LINE direct to the governor's office. A special team of investigators, acting on my behalf, will be on call to look into any severe problems that can be corrected by state agencies. I want all Tennesseans to know that they'll have a friend in the governor's office."

During the course of this campaign it will be virtually impossible to personally visit each and every one of you. I hope you will feel free however to contact me with any problems or suggestions you may have. Please write to me at state headquarters, or your county headquarters, and I assure you that I'll be responsive to your needs. With God's help, I intend to give Tennesseans the friend they need and deserve in government.

Your friend,
Stan Snodgrass

JULY 18 1974

WATCH YOUR STEP—Bruce Elder looks like a man who just found out there were no more steps as he heads for the water after jumping from the high board at Loudon's pool.

SHY BATHING BEAUTIES—These Loudon teens suddenly became shy when the camera turned their way as they were sunbathing at the Loudon pool Sunday.

DORTCH'S DAISIES

GLENDIA CLICK is working for **DORTCH OLDHAM** for Governor. **DORTCH OLDHAM** is a 54 year old successful businessman who has the knowledge and experience to move Tennessee forward.

(Paid by Loudon County Oldham For Governor Committee)

BETTER IN AIR CONDITIONING—While most people were sweltering these folks were staying cool in the Loudon Swimming Pool Sunday.

SLEEK OUTFIT—This sleek speedster was one of the many boats that was on the waters of Fort Loudoun Lake at the Lenoir City Park Sunday.

BILLY JOE AKINS
For
Circuit Court Clerk

To The Voters Of Loudon County

Because of the continuing duties of my office, serving you as Clerk of the General Sessions, Criminal and Circuit Courts, I will be unable to cover the county and visit with all of you as I would like.

Therefore, may I take this method of asking you to consider my qualifications, my experience, and the courteous and efficient manner in which I have tried to operate the office during this term of office.

In The General Election, August 1, 1974

Vote For . . . Re-elect
BILLY JOE AKINS
Circuit Court Clerk

(Paid Political Ad.)

Anybody can shout he's for the 'working man'

Especially if there's an election coming up.

Some men play up to the working man only at election time. Other men work for him all the time.

Tom Wiseman is one of those "other men". He has always gone to bat for the working man. He did as state treasurer, and before that as state legislator.

Here's what Wiseman has *already done* for the working man:

- **THE TENNESSEE MINIMUM WAGE LAW.** Wiseman twice introduced and voted for this bill as legislator.
- **COMPENSATION FOR BLACK LUNG DISEASE.** Wiseman pushed this bill . . . one strongly sympathetic to coal miners . . . through the legislature, thereby making black lung a compensable work-related disease.
- **WORKMAN'S COMPENSATION BENEFITS AND MEDICAL BENEFITS.** Wiseman introduced and pushed this bill to increase workman's benefits through the legislature. It is now law.

Here's what Wiseman can do as governor for the working man:

- He'll increase workman's compensation benefits to a respectable amount, substantially higher than the below-poverty position it holds now.
- He'll push *unlimited* workman's medical and rehabilitation benefits.
- He'll appoint his Commissioner of Labor from the ranks of organized labor, so you'll have a genuine spokesman.
- And if you ever want to speak to the governor himself, you can. No go-betweens.

Tom Wiseman. Think what he'll do as governor.

TOM WISEMAN
as governor

Paid for by Loudon County Citizens for Wiseman - Harvey Sproul, chairman

Church Sets Yard Sale

Bethel United Methodist Church will have a Yard Sale at the church on Vonore Road, Highway 72 on Friday, July 19 from 5:30 to 8:30 p.m. and on Saturday, July 20 from 9 a.m. to 5 p.m. Proceeds from the sale will go to the Building Fund.

Notice Of Change Of Voting Precinct

Loudon Outside Precinct

The following area voters will be voting in a new precinct known as Loudon Outside East Precinct due to recent Legislative changes in the Election of State Representatives.

The new Loudon Outside East Precinct will vote in District 21, presently represented by M. F. (Benny) Stafford.

The old Loudon Outside precinct will be known as Loudon Outside West, where the voters a part of the 36th Legislative District, presently represented by James Melton.

All persons who voted in the old Loudon Outside precinct which lies on the East Side of the Tennessee river will vote in the new precinct and all persons living on the South East side of Loudon and the Stoeke and Corinth Roads will vote in the new precinct.

* All others living in the Loudon Outside Precinct will not be changed.

Loudon County Election Commission
John O. Gibson, Chairman

Deaths

MR. GHORMLEY
Samuel E. Ghormley, age 85, 308 E. Second Avenue, Lenoir City, died Monday, July 15, at St. Mary's Hospital after a brief illness. Mr. Ghormley was a retired car dealer and businessman of Lenoir City and operated the Fowler's Mill Farm in Monroe County. He was the son of the late Mr. and Mrs. William Henry Ghormley of Lenoir City. He was one of the Ghormley brothers who established the Ford dealership, one of the first in East Tennessee.

Survivors: wife, Mrs. Elizabeth Douthitt Ghormley; one daughter, Mrs. Earl Alexander, of Loudon; two grandchildren, Marian Leigh Alexander and William Douthitt Alexander, in charge.

Funeral services were held Wednesday at Hawkins Chapel, Rev. Jack Ferguson officiated. Interment, Lakeview Cemetery, Hawkins, Lenoir City, in charge.

Survivors: three daughters, Mrs. (Allison) Allison of Lenoir City, Mrs. Margaret Smith, Knoxville, Mrs. Charlie (Christine) Russell of Lenoir City; two sons, McKinley and James Cornett, both of Lenoir City; 13 grandchildren, 29 great-grandchildren.

Funeral services were held Thursday at Click Funeral Home Chapel, Rev. McMahan officiated. Interment, City Cemetery, Click's, Lenoir City, in charge.

MRS. MOYLE
Mrs. Arline W. Moyle, age 73, died Tuesday, July 9, at the home of her daughter Mrs. Ruby Nicholson.

Survivors: daughter, Mrs. Thomas H. (Ruby) Nicholson, Loudon; sons, Dwight, T. Moyle, Tulare, Calif.; Ray G. Moyle, Fountain City, Calif.; sisters, Mrs. W. E. Gritsham, Tulare, Calif.; Mrs. Ralph Lewis, Tulare, Calif.; J. Gelinas, Clearwater, Fla.; brothers, Casey Sherman, Hanford, Calif.; H.S. Sherman, Visalia, Calif.; nine grandchildren; six great-grandchildren, nieces and nephews.

Funeral services were held Thursday, July 11 in Tulare, Calif. Karnes Funeral Home, Lenoir City, in charge.

EDGAR ROGERS
Edgar Rogers, age 71, Marrel Road, Lenoir City, died Wednesday, July 10 at Park West Hospital. Member of South Loudon Baptist Church.

Survivors include: wife, Mrs. Rosie Raser Rogers; mother, Mrs. Martha Jane Rogers; daughter, Mrs. Betty (Betty) Skidmore; sons, Roy, Jack, Raymond and Paul; brothers, Fred and Don; sisters, Mrs. Edith Green, all of Lenoir City, Mrs. Iva Lee Gray, Sarasota, Fla., Mrs. Pat Schaller, McLean, Va., Mrs. Georgia Kieby, Newport News, Va.; 11 grandchildren.

Funeral services were held Friday at Click's Chapel, Rev. James R. Graves, Rev. Hollis DeWitt, Rev. Edward Lattrell officiated. Interment, Lenoir City cemetery, Click's, Lenoir City, in charge.

MRS. WELCH
Robert C. Welch has joined Southern Athletic, Inc. as Data Processing Manager, according to an announcement by President F. W. Isaacs. In this capacity, Mr. Welch will be responsible for the development and implementation of operating procedures for a new IBM System 3, Model 10 Computer. This unit will be installed very shortly at the new Southern Athletic Plant at the Forks of the River Industrial Park.

A native of Sparta, Mr. Welch was graduated from White County High School in Sparta and attended Tennessee Tech at Cookeville. He is married to the former Tina Thomas of Loudon. They currently reside in Lenoir City and will move to Knoxville in the near future.

Southern Athletic is one of the leading sporting goods manufacturers in the United States. The range of products includes uniforms and equipment for the following sports activities at the professional, collegiate, high school and junior high and intramural levels: Football, basketball, baseball, softball and track.

Southern Athletic is a member of the Kendall Sports Division, a wholly owned subsidiary of Colgate-Palmolive.

Welch Joins S. Athletic

IN MEMORY
In loving memory of Robert Lindsey who died one year ago, July 4.
We know you're a million miles away, even though you seem so near. We can't speak to you or touch you, but we still see you and remember you as you were. You were always smiling and laughing and living each day to its fullest. As long as we never lose the memory of you, we never really lost you at all. Sadly missed by wife, children and grandchildren. (7-18-1tp)

Johnsons Visit On Way To Antique Car Show

BY CALVIN LUNSFORD
A group of Anderson, Indiana travelers who were traveling in the form of several Model A Ford cars spent the night of July 15 in Loudon. The group are on their way to Stone Mountain, Georgia for the National Model A Ford Meeting. These travelers will travel around 1500 miles on this trip.

JUST PASSING THROUGH—This group of Model A Ford owners, mostly former residents of Loudon County,

The group, two of whom are former Loudon Countyans, have Model A Fords running like they had just left the factory and the pride of the owner's just cannot be equalled.

Each year an annual meeting of the Model A Ford owners is held somewhere in the United States. The group will be traveling to New York City next year and in 1978 the meeting will be in California. Their average speed is around 45 to 50 MPH and they average about 20 miles per gallon on gasoline. When the group has trouble, they all

stopped overnight Tuesday in Loudon on their way to the National Model A Ford meeting at Stone Mountain, Ga.

although they did on occasion have to make on-the-road repairs, there was nothing more adventurous or thrilling than traveling with a group of Model A Ford buffs.

another group leaving this week making a total of 30 cars from their city to attend the meeting. A total of 400 cars are expected to attend the meeting.

Traveling cross-country to a Model A Ford show is nothing to Mr. and Mrs. Johnson as they have spent several weeks each summer traveling to attend these meetings. Mr. Johnson said the club's

Celebrate Birthdays

Amanda Lynette McGinnis celebrated her first birthday June 22 with a party at her home. She is the daughter of Mr. and Mrs. Pat McGinnis, Route 1, Philadelphia. Grandparents are Mr. and Mrs. Willis Bettis of Sweetwater and Mr. and Mrs. Jim McGinnis of Philadelphia. H. H. McGinnis of Lenoir City and Mrs. Lou Smalling of Ball Play are her great-grandparents.

Elicia Lewis (left) celebrated her second birthday on July 18. She is the daughter of Mr. and Mrs. Charles Lewis of North Carolina. Grandparents are Mr. and Mrs. G. W. Lambert and Mr. and Mrs. Charles Lewis, Sr., all of North Carolina. Great-grandparents are Mr. and Mrs. George Lambert and Mrs. Frankie Sutton of Loudon. Elicia is pictured with her cousin, Gidget Powers.

Five Attend Seminar At Ohio State

How are U.S. businesses organized? How do they operate? Five young people from Loudon County learned a lot about these subjects after attending the District Youth Seminar in Columbus, Ohio, June 24-26.

The Loudon County "youth scholars" who attended the American Private Enterprise Seminar at Ohio State University were: Preston McQueen, Dennis Rowe, Sheila Murray, Carol Gibson and Karen Lane.

Selected to attend the Seminar at Columbus because of top performances during local studies of the American Private Enterprise System, local youth joined other scholars from three states at the Seminar. States represented were Indiana, Ohio, and Tennessee. According to Tom Best, adult leader for the Loudon County group, youth scholars learned more than about how businesses operate by solving management problems such as those faced by real business organizations. Each youth scholar served on the board of directors of a hypothetical company during the Seminar.

Divided into small groups, the Seminar delegation received information on the organizational structure and board policies of their companies, as well as instructions on how to make business decisions. Each group then received several business problems to solve in their role as a board of directors. Youth scholars were already familiar with the basic structures of U.S. businesses, with knowledge gained during study programs held locally during March and April. In the local American Private Enterprise study programs, students participate in studies of partnerships, proprietorships, corporations and cooperatives. During those local programs, many community businessmen cooperated as resource people to instruct scholars during Private Enterprise classes. Included as local resource people were: Bill Patton with the National Federation of Independent Businessmen; Jack Lefler, Smith Chair Co.; County Judge Harvey Sproul; Charles Brakebill, U.T. Asst. Vice Pres.; Charles Harrison, local dairy farmer; Bob Hudson, Smith Chair Co.; Roy Birkholz, president of Films and Packaging Division of Union Carbide; Jim Pope, P.C.A.; B.R. McMorris, U.T. Ag. Economic Dept.; Bill Davis, Tennessee Farmers Co-op and Tom Best, Chattanooga Production Credit Association.

The scholars also had a "practical" motive during Seminar activities at Ohio State University. Nearly \$1,000 in cash awards and college scholarships were earned by boards of directors

and students during the course of study. According to Seminar Director, John Everage of the Federal Intermediate Credit Bank of Louisville, the cash awards and scholarships available at the Seminar provide tangible evidence of accomplishments for the hard-working scholars. Several dollars in cash awards were won by the local group.

Several well-known speakers and educators served as instructors and resource people during the Seminar at Ohio State. Among those participating were: Dr. David Boyne, Chairman, and

Dr. Francis McCormick, Associate Chairman, Department of Agricultural Economics, Ohio State University; J. W. Brown, President (retired), Federal Intermediate Credit Bank of Louisville; Dr. Charles Ingraham, Agricultural Economics Department, Ohio State University; George Hamrick, Extension Agent, Pickaway County, Ohio; and Dr. Ken Retsch, Associate Dean, College of Agriculture and Home Economics, Ohio State University.

The Seminar, jointly sponsored by the Federal

Intermediate Credit Bank of Louisville and Production Credit Associations in Indiana, Ohio and Tennessee, also was host to several bankers who provided instruction to students. Among those present were: Robert Russell, Donnie Winters, George Fox, Les Arnold, and Charles Kemp, all with the Federal Intermediate Credit Bank of Louisville; Production Credit Association personnel who assisted with the Seminar were: James DeRan and Charles Carter of the Ashland, Ohio PCA; Frank Burnett of the Dyersburg, Tennessee PCA; Other Farm Credit

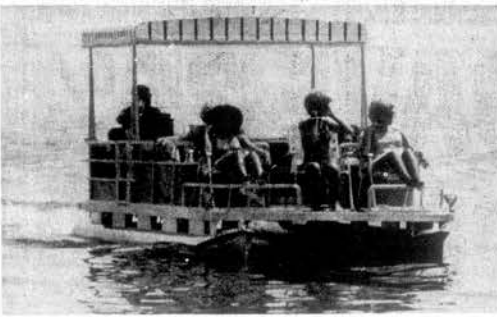

Bank program participants included Carlos Elliott of the Louisville Bank for Cooperatives and Charles Hardin of the Federal Land Bank of Louisville. Sponsors of the local program were: Loudon Farmers Co-op, Hamilton National Bank of Loudon, Loudon Lions Club, Smith Chair Co., Union Carbide, Carter Lumber Co., Loudon Utilities, Myers-Hudson Drug Co., PCA, and Loudon County Herald. Keynote speaker at the Tuesday evening banquet was Henry Schriver, a well known agriculturalist from Ohio.

BUSY SWIMMING HOLE—The swimming area at Fort Loudoun Lake Sunday was a busy place as the photo above shows.

HANG ON LADY—This young lady was holding on tight as she was towed around Fort Loudoun Lake Sunday on skis.

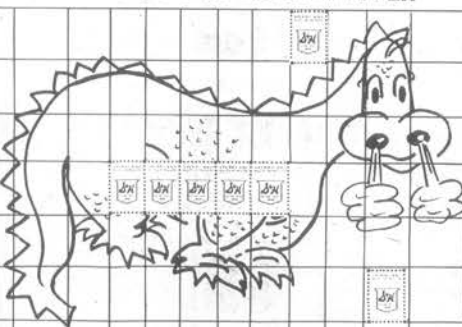

CRUISING AROUND THE PARK—This powered float cruised around the Lenoir City Park in Fort Loudoun Lake Sunday afternoon as its occupants enjoy the water and sun.

LOCAL SCHOLARS AT OHIO STATE—The five local youth scholars who attended the special study seminar of the American Private Enterprise System at Ohio State

University recently are shown (first row-left to right) Carol Gibson, Karen Lane and Sheila Murray. Back row Preston McQueen, Dennis Rowe and adult leader Tom Best.

Rainfall For Six Months 63.8 Inches

Rainfall across the Tennessee Valley averaged 63.8 inches for the fiscal year ending June 30, the second highest fiscal year total of record and about 11 inches above normal.

The record fiscal year rainfall total of 70.5 inches was

set in 1972-73, and the Valley has experienced about 29 inches of excess precipitation over the past two fiscal years. This is the wettest consecutive 24-month period of record. January was the wettest month of the past fiscal year, with Valley rainfall averaging

9.7 inches. August 1973 was the driest, with about 3.0 inches of rainfall.

The TVA system of reservoirs regulated four floods on the Tennessee River during the past 12 months. Flood control operations in November, December, January, and March held the river to non-damaging levels at Chattanooga and averted an estimated \$53.2 million in flood damages.

Regulation of flood flows by TVA also helped reduce flood crests on the lower Ohio and Mississippi Rivers during December, January-Febr-

uary, March, April, and June. The Corps of Engineers estimates that operation of the TVA reservoir system averted \$4.3 million in damages during the first two floods, but has not computed damages averted for the latter three. During flood periods on the lower Ohio and Mississippi Rivers, TVA reservoir operations are coordinated with the Corps' operation of reservoirs on the Cumberland River. During the June 1974 flood, much of the water moving down the Tennessee River was stored in TVA's Kentucky Lake, holding it out of the Ohio-Mississippi flood.

Willard, Call Mr. Ward.

I know you don't like traveling, Willard, so wherever you are, call me. From now on, you can make most of your sales calls by long distance. It saves gas and the company's money. And you'll have more time to spend with your kids... Bobby, Susan, Catherine, Frank, Lucy and the twins. You probably haven't even seen the twins.

Get things done by long distance. Dial your calls the 1+ Way. It's the cheapest way to travel.

WINSTON SUPPORTERS—With a group of young supporters behind him Dr. Nat Winston prepares to greet voters coming up the street at the Loudon GOP headquarters last Wednesday.

COUNTRY MUSIC artists Bonnie Lou and Buster provide the entertainment at Dr. Nat Winston, Republican candidate for governor listens in the background when the Winston bus tour stopped at the Loudon GOP headquarters last Wednesday morning.

HE ATE THE WHOLE THING—This youngster was so engrossed in eating watermelon at the Republican Rally at Greenback Friday night he failed to notice his picture was being taken.

CANDIDATES CHAT—State Senator Carl Kodis and Circuit Court Clerk Candidate Bob Littleton exchange election talk at the GOP Rally at Greenback last Friday night.

WATERMELON TIME—Sitting, standing or any position was in order at the Republican Rally at Philadelphia when the watermelon was cut.

PHILADELPHIA RALLY—Circuit Court Clerk Candidate Bob Littleton does the chore of slicing the watermelon at the Philadelphia Republican Rally last Tuesday night attended by about 100 persons.

51 Percent Of Local Spending For Food And Cars

How much are Loudon County families spending these days? What part of their disposable income reaches the cash registers of local retail stores? According to the latest figures, covering the past year, consumer spending has

been relatively strong in the area. Despite the constantly rising cost of goods and services, which more than offset the gains in personal income in some instances, most local retailers reported good results. Many of them topped their figures of the previous year.

The findings are contained in a survey made by the Standard Rate and Data Service. It indicates just how the average family in each section of the country has been spending its retail dollar and the amounts that it allocated for food, clothing, household supplies, cars, furniture and

the like. In Loudon County, the figures show, a major part of the consumer dollar was spent in stores selling food and automotive equipment. Together, they gathered 51 percent of all retail business in the area. Food expenditures alone, in local bakeries, butcher shops, supermarkets, grocery stores, delicatessens and other food outlets amounted to \$11,586,000, as against the prior year's \$9,792,000.

This covered only food that was bought for home consumption. Not included is money spent in lunchrooms, restaurants and other dining and drinking places.

Except for the latter part of the year, business was good in the automotive field as well. Sales of cars, motorcycles, boats, trailers and related equipment totaled \$12,634,000, compared with the previous year's \$10,443,000.

Market strength was also in evidence in most other retail lines. Variety shops and department stores carrying general merchandise grossed \$2,385,000, as against their former total of \$2,032,900.

Two Attend Sewanee

Fred Chaney, son of Mr. and Mrs. James A. Chaney, and Rufus B. (Gordo) Watson, son of Mr. and Mrs. Rufus B. Watson Sr., both residents of Loudon are among 127 students enrolled in the college summer school at the University of the South. The Episcopal-owned university has been in operation since 1868 and enrolls some 900 students in its regular school year. The small enrollment and informal atmosphere of the summer school enable students to have close personal contact with their teachers and fellow students. Often special courses not available during the regular year are offered in the summer session.

Those selling shoes, hats, clothing and other articles of apparel had receipts of \$2,147,000. The year before it amounted to \$1,894,000.

In stores selling furniture and home furnishings, the volume was \$2,404,000. Previously it was \$2,056,000. Nationally, consumer buying rose 12.7 percent in the year; the figures show. Much of this is attributed to inflation.

Russell On Historical Commission

Governor Winfield Dunn last week announced the re-appointment of Loudon attorney William H. Russell to a five year term on the Tennessee Historical Commission.

Mr. Russell is a former member of Governor Dunn's cabinet, having served as Deputy Commissioner of Conservation and as an Administrative Assistant to Dunn.

DEVELOPS PROGRAM—Judy McGill (left) talks with Pat Martin about the women's re-entry program she developed for Roane State Community College.

LC Woman Develops Roane State Program

Judy Harris McGill of Lenoir City visited the campus of Roane State Community College near Harrison every week during Spring Quarter and planned a special women's program for the college that turned out to be unusually successful.

Judy put together a re-entry program for women. The idea was to encourage housewives and mothers in the Roane State service area either to return to college or enroll for the first time.

Of the women who attended the program on May 22, more than half have responded by asking for enrollment material and financial aid information. One participant filled out her application on the day of the program. The next day, the college-age daughter of this enthusiastic lady came by the Admissions office to fill out her own ap-

Singing Sunday

The Loudon County Singing Convention will meet Sunday at 1:45 p.m. at the Church of the Nazarene at Loudon on Grove Street. Taylor Knox, president, said the public is invited.

Bond Sales

Total \$29,344

Cash sales of Series E and H Savings Bonds in Loudon County during May amounted to \$29,344 county savings bonds chairman Will A. Hildreth reported today. Through May the county attained 47.7 percent of its dollar goal as set by the Department of the Treasury.

Savings Bonds sales for the state amounted to \$6.7 million in May, slightly above the figure for the same month last year. January-May sales this year were \$35.1 million, also above last year's record volume. Tennesseans hold \$681 million in the securities, yielding over \$30 million in annual interest, according to Treasury estimates.

Nationally, January-May sales of \$3 billion set a sales record, resulting in a new high of \$62 billion in Savings Bonds holdings, the announcement said.

NEARS GRADUATION—Loudon County Deputy Sheriff, Voyd Carruth, a former Etowah Policeman, recently completed a 48 credit hour course in Law enforcement at Cleveland State Community College and was presented a Law Enforcement Qualification Certificate. In December Deputy Carruth will graduate from Cleveland State with an Associate Degree in Law Enforcement.

Continuing and Higher Education. The women's program planned by Judy was done as a practicum course supervised by her major professor at UT, Dr. John Peters, who is Associate Professor of Continuing and Higher Education. Judy and her husband, Randy McGill, live in Cedar Hills. Judy has her B.A. degree from the University of West Florida with a major in English. She expects to complete her masters work in time for the December commencement at the University of Tennessee. Randy is an undergraduate student at Maryville College where he is majoring in economics. They are both active in Concord United Methodist Church where they work with the UMYF group. Judy is Summer Youth Director at the Church.

Jake Butcher will be a Governor whose judgment you can trust.

Jake Butcher has carefully studied the issues affecting the people of Tennessee. Motivated by a sincere and earnest desire to serve, he will bring his experience and leadership ability to state government to meet the challenges ahead.

EDUCATIONAL SYSTEM...The disruption of our educational system has taken its toll. To preserve our public education system we must make education the number one priority of state government. We must make our public schools so good that our citizens won't look to other alternatives.

HIGHER EDUCATION...The satisfaction of the thirst for knowledge is one of the finest gifts we can give our children. We must see that a college education is available and affordable to them.

VOCATIONAL/TECHNICAL EDUCATION...We need to emphasize the value of technical training beginning in elementary schools, and establish and support vocational training schools beyond high school to provide advanced technical training. We must work to see that the jobs we are training our children for today will be available when they are ready to begin their careers.

RURAL ROADS...The people in our rural areas depend on good roads to attend school, for shopping, for health care, and most important, to get their crops to market. I will work to make rural roads a top priority in state government.

MASS TRANSIT...The energy shortage, the need to preserve our environment, and the safety of our citizens demand that we develop a workable mass transit system for our cities. I will propose an incentive plan to the Legislature which would provide up to 25 percent of the necessary funds or state credit to encourage our cities to begin plans for a system immediately.

SALES TAX ON PRESCRIPTION DRUGS...The poor and the elderly on fixed incomes often find it difficult to meet their medical expenses. We can provide some relief for them by removing the sales tax on prescription drugs. As Governor I would support legislation to do so as quickly as possible.

CAMPAIGN FUNDING...We must produce legislation that will require the publishing of campaign contributions and expenditures. We must not allow the opportunity for large, secret campaign contributions which may be paid off by successful candidates with state contracts. I will disclose my campaign contributions voluntarily this year because I believe it is time government officials came out from behind the cloak of secrecy.

INSURANCE REFORM...If we do not move quickly to enact our own insurance reform, the federal government will thrust a national program upon us. I would like to see Tennessee have the option of tailoring a modified no-fault insurance plan to our own specific needs. I believe we can do so in a manner that would be most beneficial to the consumer, reduce the case loads in our courts and still protect the right of the injured victim in an automobile crash to sue.

HEALTH CARE...Eight counties in Tennessee have only one doctor for every 6000 people. Five counties have no dentists and fifteen lack even a single general hospital bed. As governor I would work with the medical leadership in Tennessee to develop improved health services in our rural areas and small communities and to attract medical and para-medical personnel into these areas where they are so desperately needed.

CONSUMER PROTECTION...I see no reason to stifle ingenuity and free enterprise, but I do believe that consumer protection must assume more responsibility. The consumer has a right to expect that his purchases are manufactured and guaranteed as the label and the advertising imply.

CAPITAL PUNISHMENT...I believe that certain heinous crimes such as murder for hire, kidnapping and the murder of a police officer, capital punishment can be a deterrent.

PENAL REFORM...Our prisons must become places in which rehabilitation can occur because, in one way or another, society pays the bill for the way our prisons are run. Right now the bill totals \$3,700 a year for each of the 3,400 prisoners in Tennessee. Counseling in prison, in-prison and out-of-prison work programs, the teaching of skills and the proper transition into society can greatly reduce the rate of return to our prisons and can convert convicted criminals into useful, contributing members of society.

CRIME CONTROL...The crime rate is climbing in our cities and spreading beyond the suburbs into the countryside. While there are no quick solutions we can begin with more citizen involvement in the problems of law enforcement. And we can provide good leadership and adequate funding for salaries, personnel training and equipment.

COURT SYSTEM...If we are to hope for more efficient crime control and to encourage respect for the law, we must find ways to accelerate the settlement of cases in our courts. I will encourage the Legislature to provide adequate judicial manpower to help reduce the heavy case loads in our courts.

DRUG ABUSE...Drug addiction has spread from the streets into our high schools, to our junior high schools and in some cases even into elementary schools. We must act now to halt the spread of this dread addiction through investigation and vigorous prosecution of the pusher and through rehabilitation programs for the users.

TAX REFORM...I would support an in-depth study of the state tax system to insure that everyone and every corporation pays a fair share of the tax bill. I am opposed to any tax increase because I feel we can accomplish more by making better use of the tax dollars we are getting now.

TVA RATES...The price of power in Tennessee is one area in which we must be especially vigilant. We must not allow the utility rates to place a burden on the working man. And we must maintain a favorable rate structure if we hope to attract new industry to Tennessee.

WELFARE...The very young, the handicapped and the very old obviously need welfare assistance. And, we must work to see that their needs are met. But we must also work to break the welfare cycle for others by moving beyond mere support programs to self-help programs. We must provide people a hand up, not a handout.

EQUAL OPPORTUNITY...I intend to run state government on the same fair and impartial basis that I run my own business. And I intend to set the pace for equal opportunity in Tennessee by employing men and women at all levels in government, based on their ability.

ECONOMY IN GOVERNMENT...Too often the answer to any problem in state government is more taxes, more programs, more commissions, instead of a thorough evaluation of existing programs. I believe that by injecting some good, old-fashioned common sense into the governmental process we can provide far greater benefits to the people, at less cost. In my administration, we won't have a \$685,000 jet airplane that costs \$400 to \$500 an hour to fly, and cannot land at most of the airports in the state.

INDUSTRIAL DEVELOPMENT...I will work to bring new industry to Tennessee. But, I will be selective about the kind of industry we invite. I believe that Tennessee needs only the kind of industry that can provide meaningful jobs and a livable income for our people, without being destructive to our environment.

TOURISM...We can combine the central location and the natural beauty of our state with properly developed and promoted recreational facilities so that tourism may provide a vital balance in our economy. To encourage this balance I would support legislation to maintain and to expand our recreational facilities.

ENVIRONMENTAL PROTECTION...We do not want our children learning about forests, clear streams and open fields from their history books. It is an adventure they have a right to experience for themselves. I would recommend that we move now to insure that their heritage is clean air, water and land.

OUTDOOR SPORTS...For America, hunting and fishing have been more than recreation. They present an opportunity for training in self-reliance and maturity, for a returning to nature. We must work to preserve not only the rights of our children to hunt and fish, but the wilderness areas that provide the opportunities.

SPOKESMAN IN WASHINGTON...Today, when so many of the problems we face are beginning in Washington, I don't believe the Governor's job can end in Nashville. We have endured the energy crisis, spiralling inflation, a crisis in confidence and still we have no workable solution to these problems. As your Governor I will use the influence of my office to make your voice heard in Washington. I will go wherever and whenever it is necessary to get action when we need it.

ADVOCATE...We need a full-time representative in Washington whose sole responsibility is to analyze and coordinate funding and programs and channel them into the cities and counties of Tennessee. There are many federally-funded programs from which we could benefit if we could be made aware of the availability and the requirements. These represent funds our taxpayers have paid in to the federal government, and I would work to see that Tennessee gets its rightful share.

REGIONAL OFFICES...In line with my promise to bring state government home to the people, I would establish regional offices around the state and bring my staff and cabinet to you on a regular basis. You will have the opportunity to discuss your problems with your state government without having to travel all the way to Nashville.

I will be discussing these and other issues with you as I travel around the state. I hope you will agree that we can meet the challenge ahead and that you will join with me. Together we can bring government home to the people of Tennessee.

Legal Notices

NOTICE TO CREDITORS
Estate of Ralph H. Eldridge, deceased.

Notice is hereby given that on the tenth day of July, 1974, Letters of Administration, in respect to the Estate of Ralph H. Eldridge, deceased, were issued to the undersigned by the County Court of Loudon County, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise their claims will be forever barred.

This July 10, 1974.
J.E. Haynes, Administrator of the Estate of Ralph H. Eldridge, deceased.

NON-RESIDENT NOTICE
ORDER OF PUBLICATION
No. 1388

In the general Sessions Court of Loudon County, Tenn. at Loudon, Tennessee.

William Ben Bluford, Sr. vs Deborah Hatcher Bluford.

It appearing from the bill in this cause, which is sworn to, that Deborah Hatcher Bluford resides out of the State and cannot be personally served with process, it is ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the 2nd Monday in August next, and make defense to the bill filed in the above cause, which seeks absolute divorce, or otherwise said bill will be taken for confessed and cause proceeded with ex parte.

This 10th day of July, 1974.
Billy Joe Akins, Clerk of said Court.

"I DON'T SEE ANYTHING"

THIS IS ONLY ONE WAY TO SEE THROUGH A CAMERA. Did you ever try to look through a camera lens? You, most of us have, but not until now. We would use your camera to take a picture in such a manner. There are many things, which go through your eyes giving themselves a chance to really see. To make sure you have a clear vision, you should be checked regularly, and God where others can help direct you in your search for God.

"So then faith cometh by hearing, and hearing by the word of God."

1974

I guess the memories of families from the Good Old Days recall many hours and many events out of the lives of those who made up our populace in years past. There are those specific areas, many of which got their names from schools located nearby, such as the area we are writing about today—Steele.

Our thoughts about this area and the family we have pictures of is the D. O. McNabb family who lived for many years in this section of our County. One of the pictures is of the McNabb boys, Garland

(Moon) James and Harry. There was another boy in the family named Dolphin, but he is not in this picture. Moon, as he was known to Loudon County folks got his nickname because he was so tall and was a star basketball as well as a star football player for Loudon many years ago. He moved out west several years ago and is now deceased. James, the one in the middle is a Baptist preacher and lives in Whipsney, S. C. Harry, the youngest, now lives in Oak Ridge. We are sure many of our readers will remember these boys and

sport fans will remember Moon's contribution to the fields of basketball and football.

The other picture we have is of the father of these boys, Rev. D. O. McNabb. He was a well known Baptist preacher who preached in many sections of our county. He, like many of the preachers of that era, was well-known and will be remembered by many of the older residents.

As you will note in the picture, there are a couple of fox hounds who managed to get their picture made also. This is fitting, for this man loved fox hunting and was well known by the old time fox hunters of East Tennessee. We are pleased to have a picture of this old time preacher and his sons.

We were just looking over some copies of the Herald which was the Loudon County Record at that time, dated in the early twenties. It was relating the joys and the sad news that is a definite part of our way of life. In those days, which we refer to as the Good Old Days, made their mark on

our community. This one issue contained many political notices of those seeking office. Many of these were elected by the people and served their people well. So many in our lifetime have contributed to the upbuilding of things that we sometimes take for granted, such as spiritual, government, community and so many others that should spark the lamp of pride in our County. We many have our problems but they are our problems and our people will resolve to solve them in the best interest of the majority.

I guess this was all motivated by the youngsters of our area, who, this past 4th of July, rode bicycles which were flag draped or they were carrying the flag. This is an event, somehow, misplaced by so many areas today.

Choose a year out of the Good Old Days. You find compassion, patriotism, community pride and above all, a love for each other. Hat, Off to Loudon County.

Well, 'hat's it for now. See you next week.

School Health Class Set

Dr. Bill Wallace of the University of Tennessee will teach an extension course in Loudon "School Health 3510" beginning July 22 through July 26. Registration will be at 8:30 p.m., Monday, July 22 at the Title I office at the old Loudon High School.

The cost for three hours undergraduate credit is \$48 and graduate credit is \$66. The course will deal with drug abuse and would be beneficial to parents, teachers and law enforcement officers.

WINSTON AND FRIENDS—Republican candidate for Governor is flanked by Don Cagley and Tom Myers on his visit to Loudon last Wednesday morning. The visit was part of a 60 county bus tour by the candidate.

Nat Winston for Governor of Tennessee

Johnson City Press Chronicle Endorsement:
"We feel that Dr. Winston's philosophy—conservative, attuned to the grassroots values inherently respectful of the dollar, is suited to the nation's needs at a time when many strange doctrines abound and the tendency is to spend money as if the world might end at midnight."

Nat Winston is the Republican candidate who can WIN in November, and he needs your help now. Be sure to vote in the Republican primary, and vote for Nat Winston.

Nat Winston is against bussing . . . "No child ever got an education on a bus."

Nat Winston will work against inflation . . . "out state government can best cope with inflation by containing its own expenditures."

Nat Winston is opposed to a state income tax.

Nat Winston will fight drugs . . . "it is time to declare war on the leeches of society, the drug pushers."

Nat Winston will fight crime . . . "lawlessness will not be tolerated, and the death penalty is a useful weapon against crime."

Nat Winston is in favor of a return to the basics in education, the teaching of the "3 R's"—reading, writing and arithmetic—and discipline in the classroom.

Nat Winston is everything a governor should be . . . former state commissioner, experienced business executive, and a political conservative who can win in November. Give him your support in the August 1 Primary.

Election One Week Away... Many Voters Still Undecided Here

With the County General Election and the Republican and Democrat State Primaries just one week away (Thursday, August 1) many Loudon Countyans are still undecided on how they will vote, especially in the gubernatorial nominating, a quick poll by The Herald showed this week.

The vote for three major county-wide offices seems to be set in the minds of the voters, but as many as 50 percent say they do not know who they are going to vote for Governor and many even said they haven't decided between the Republican and Democratic slates.

In the past two county elections nearly 6000 persons have voted, but with the County GOP vote in May drawing 3500 voters, it is expected that between 6500 and 7000 may vote if they can make up their minds on who to vote for. One election official said that when there is a large field of candidates, such as in the governor's race, and voters cannot decide they sometimes do not vote at all.

Two major changes in the local election set up are almost sure to cause some confusion on election day. First the times that the polls will open and close have been changed. All the polls will open at 10 a.m. instead of nine as in the past. The machine precincts, which is all but Luttrell, will stay open until 8 p.m. Luttrell, using paper will operate from 10 a.m. to 5 p.m.

Election Commission Chairman John Gibson has stated. The division of the Loudon Outside Precinct because of the split state legislative district, will probably be the biggest boggie to greet the voters in that precinct. The new precinct will be known as Loudon Outside East, which is represented in the 21st state legislative District by Benny Stafford. A recent change by the state legislature, which is most of the people in the precinct, who were represented by Stafford, into the 36th legislative district, are now currently held by James Melton of Crossville.

To adequately describe the split district was "almost impossible" Commission Chairman John Gibson said, but notices are being sent to all persons who will be changed from Loudon Outside to Loudon Outside East, Mr. Gibson said. Both precincts will be located in the old Loudon High School, he stated.

The three big races on the county ballot are for County Judge, Trustee and Circuit Court Clerk.

Republican William H. Russell and Democrat Charles Eblen are both waging a hard, door to door campaign to win the eight year term, succeeding Democrat Judge Harvey Spool who is not seeking reelection. Democrat Circuit Court Clerk incumbent Bill Joe Atkins is basing his campaign on his record of management of the office, but is facing stiff competition from Republican nominee Bob Littleton, a newcomer to county political battles.

Republican Trustee J. V. Schrammer, a veteran of 10 years in the office, is being challenged by Democrat Raymond Phillips.

An independent candidate for Sheriff, Ronnie Fagg, will be listed on the ballot, challenging Republican nominee Guy Russell, but Fagg, who was recently convicted of assault and battery, reportedly has left the state for employment, and apparently is not actively campaigning for votes.

Two Republican incumbents for Road Commissioner have Democrat challengers. Lillard Bledsoe is being challenged by J.E. Millsaps and Deacon McNaabb. He is attempting to unseat Lee Malone.

Under state law the election commission must publish a sample copy of the election ballot at least 15 days prior to the election, but because of delays by the Knoxville firm that is printing the ballot, the state legislature, which is most of the people in the precinct, who were represented by Stafford, into the 36th legislative district, are now currently held by James Melton of Crossville.

Killed Protecting Buddies . . .

Stout Wins Medal Of Honor For Vietnam Heroism

. . . First For Loudon Countian

MRS. FAYE THOMAS of Cusick Circle, Lenoir City Rt. 5, chokes back tears as she is presented, posthumously, the Medal of Honor, for her son, Sgt. Mitchell W. Stout, who was killed in Vietnam in 1970 as he scheduled his comrades from a grenade explosion with his body. Her daughter, Susie Thomas, left, offers a comforting hand on

her arm. Another daughter, Mrs. Melody Woods stands behind her. At right wearing glasses, is Jack W. Stout of Knoxville, father of the hero, and at extreme right is U.S. Vice President Gerald Ford, who made the presentation to Mrs. Thomas. —World Wide Photos.

VP Ford Presents Medal To Parents

Related Story On Page 17

The memory of much-decorated Loudon County soldier Sgt. Mitchell W. Stout, who lost his life in 1970 in Vietnam while shielding his comrades from a grenade blast, was honored with the nation's highest military award, the Medal of Honor in special ceremonies in Washington, D.C. last week. The soldier's mother, Mrs. Faye Thomas of Cusick Circle, Lenoir City Rt. 5, was presented the posthumous award Wednesday, July 17, by Vice President Gerald Ford. The ceremony, during which five other Vietnam military heroes also received the Medal of Honor, was held at Blair House, just across the street from the White House.

The soldier, who had passed his 20th birthday less than a month before his death, was on his second tour of Vietnam. He had volunteered to return because he thought the U.S. cause there was "worthwhile."

The Medal of Honor, frequently called the Congressional Medal of Honor, crowns an already impressive list of awards and medals the young soldier had already received. They include the Bronze Star Medal with one Oak Leaf Cluster, the Army Commendation Medal with one Oak Leaf Cluster, the Purple Heart, the National Defense Service Medal, the Vietnam Service Medal, the Vietnam Campaign Medal (Vietnam) and the Combat Infantryman Badge (First Award).

The citation, which accompanied the medal, described the action which cost Sgt. Stout's life: "Sergeant Mitchell W. Stout, Battery C, 1st Battalion, 44th Artillery, distinguished himself on March 12, 1970 during an attack by a North Vietnamese Army Sapper company on his unit's firing position at Khe Gio Bridge, Republic of Vietnam.

SGT. STOUT

Sergeant Stout was in a bunker with members of a searchlight crew when the mortar came under heavy enemy mortar fire and ground attack. When the intensity of the mortar attack subsided, an enemy grenade was thrown into the bunker. Displaying great courage, Sergeant Stout ran to the grenade, picked it up, and started out of the bunker. As he reached the door, the grenade exploded. By holding the grenade close to his body and shielding its blast, he protected his fellow soldiers in the bunker from further injury or death. Sergeant Stout's conspicuous gallantry and intrepidity in action, at the cost of his own life, are in keeping with the highest traditions of the military service and reflect great credit upon him, his unit and the United States Army."

When he decided to volunteer for a second tour in (Continued On Page 13)

County Adopts Budget, \$3.96 Tax Blair, Conner Exchange Barbs

Loudon County Court approved a \$6.2-million budget and a \$3.96 tax rate for 1974-75 Monday night in an adjourned session.

The budget includes \$14.4-million in new county spending but holds the tax rate at its present level.

The budget was approved by a 7-2 vote with Squires J.J. Blair and Roy Bledsoe voting against the resolution. Squire Blair cast the only dissenting vote on the tax rate in an 8-1 tally.

Squires Boyd Duckworth, I.D. (Babe) Conner, Henry Foster, Jim Hartscock, J.G. Hudson, Curtis Williams and R.P. Hamilton voted for approval of the budget. The same equires plus Bledsoe voted for the tax rate.

IN THE ONLY serious objection to the recommended budget, Squire Blair said he would not vote for the appropriations because it contains \$12,432 for Lenoir City schools as reimbursements for the difference in per pupil spending between the city and county systems.

After asking that the appropriation be explained, Squire Blair said, "I knew what that was. I also found out they pay their school superintendent in excess of \$20,000. Ours gets about \$15,000. There is several other things they spend money on that don't have a thing to do with the students."

"I don't know whether this budget committee is representing Lenoir City or Loudon County," he continued. The budget committee approved the request without a recommendation from the county school board. Squire Conner, who is a member of the committee, responded saying, "I resent that 100 percent. We're representing Loudon County." Dr. Ross Wilson, superin-

tendent of Lenoir City schools, told the court he feels there is "a moral responsibility if nothing else" for the expenditure.

"If you pay your share, you certainly can't refuse to reimburse us for the money spent on county students," Dr. Wilson said.

Blair said, "Lenoir City has always tried to stay ahead of Loudon County in school

spending and now it looks like you're wanting the county to help you."

Squire Conner retorted, "In the 15 years I've been on the court, anytime anything has been brought up that would benefit Lenoir City, this equire (Blair) has been against it."

SQUIRE BLAIR also proposed the court pay 60 percent of the county teachers' individual insurance

instead of the 50 percent included in the budget.

He said the teachers would only be back next year wanting the entire cost. He advocated paying the same percentage for the teachers the county pays for other county employees.

In presenting the budget, County Judge Harvey Sproul said, "We always consider it (Continued On Page 13)

Davis, Atkins To Direct UF Effort

Loudon County United Fund President Charlie Davis of Loudon this week announced that Jack Atkins, employee relations manager of the Eaton Corp. in Lenoir City, will be this year's chairman of the United Fund campaign. The effort this year will be to raise a tentatively-set goal of \$51,149, up from last year's goal of \$48,600, but less than the \$61,000 actually reached in last year's campaign.

Mr. Davis, who is vice president and cashier of the Hamilton National Bank in Loudon, pointed out that the United Fund organization in Loudon County has never failed to reach its goal since the county-wide joint agency effort began in 1961.

A native of Clarksville, Mr. Atkins is a graduate of Austin Peay State University and came to Lenoir City to join the Eaton Corporation's Management Training Program seven years ago. He was promoted to Employee Relations Manager earlier this year.

He and his wife, Brenda, have three children, Scott, 7, Mike, 5, and Brian, 2. They live on Harrison Road, Lenoir City. He is a member of the Civitan Club and coaches a Little League baseball team. He is a member of the Masonic Order and the family attends Trinity United Methodist Church.

New directors elected for three-year terms this year are Mrs. Kitty Roberts of Greenback, Richard Whillcock of Lenoir City and Bill Russell of Loudon. Continuing to serve on the Board, for two year terms are Jack Hill and Mrs. Norma Henry of Lenoir City and Robert Hudson of Loudon. Serving for one more year are Tom Matlock and Jack Pickey of Loudon and Tom Thornburg of Philadelphia. Immediate Past President Bob Black also serves as a director.

The United Fund campaign usually gets under way in Loudon County industries in mid September and continues through October.

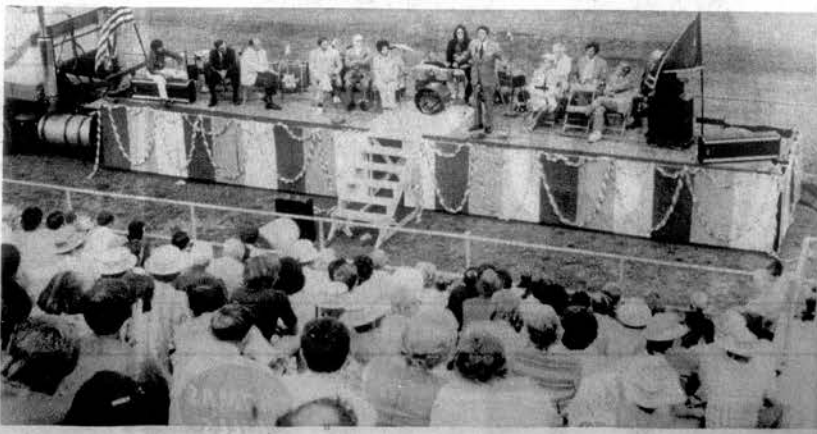

MR. DAVIS

MR. ATKINS

GOP Rally Is Republican Who's Who

SOME 1600 LOUDON COUNTY Republicans listened as Governor Winfield Dunn spoke to a rally of the local GOP Tuesday night at Loudon High School. Above Dunn speaks with part of the crowd shown in the foreground. Preceding Dunn on the stand were the three Republican candidates for

Governor and numerous local and state candidates. The 1500 or so who attended were treated to a free barbecue dinner by the local Republican party. Other pictures are on page 13 of this issue.

JULY 25 1974

Loudon County Herald For and about Women

Kay Karnes To Wed Bill Wilcox

The engagement of Miss Kay Marie Karnes is announced by her parents, Mr. and Mrs. Harry Cecil Karnes of Loudon. She will be married to William Lloyd Wilcox of Bowling Green, Ky., the son of Mr. and Mrs. Robert Jefferson Wilcox of Bunker, Missouri.

The bride-to-be graduated from Florida College in Temple Terrace, Fla. where she was a member of Omega Chi Society and secretary of Girls Religious Training Class. She is also a graduate of Western Kentucky University

in Bowling Green, Kentucky and was a member of Sigma Delta.

The groom-to-be attended the University of Tennessee, served four years in the Air Force and is presently employed by Prudential Insurance Company.

The wedding will take place at Loudon United Methodist Church on August 31 at 7:30 p.m. All friends and relatives are invited to attend. A reception will be held following the ceremony at the church.

Maynard-Hobbs Vows Are Said

On June 28 at 7:30 p.m. Miss Mary Lou Maynard became the bride of Rev. Jimmy Hobbs in ceremonies at Sleek Creek Baptist Church performed by Rev. Charlie Hobbs, father of the groom.

The bride is the daughter of Mr. and Mrs. Donald Maynard, Route 4, Loudon. Parents of the groom are Rev. and Mrs. Charlie Hobbs of Sweetwater.

Miss Donna Hobbs, pianist and Miss Susan Jameson, vocalist, presented wedding music.

The bride chose a long white dress of polyester overlaid

with a lace bodice and long lace sleeves. She carried a white bible topped with white carnations.

Her matron of honor, Miss Lynette Lynn, wore a floor length gown of blue polyester. The bridesmaids, Miss Diane Letterman and Miss Rhonda Brown, wore long dresses of blue and pink polyester. They each carried a bouquet of blue hydrangea.

Miss Robin White served as flower girl with Ken Russell as ringbearer.

A reception was held at the home of the bride given by the bride's parents following the ceremony.

Ward-Garner Pledge Vows

Miss Martha Ellen Ward became the bride of Terry Wayne Garner on Thursday, July 4, at 4 p.m. in a lawn wedding at the home of the groom's parents, Mr. and Mrs. Elmer Garner, Route 2, Loudon. The bride is the daughter of Mr. and Mrs. Bill Ward, Route 3, Lenoir City. The evening ceremony was performed by the Rev. Ollie Russell before an arch trimmed with ivy and a prayer bench with pink bows. A bed of flowers surrounded with white rocks served as the background of the lawn wedding. A program of wedding music was presented by Miss Gail Garner.

For her wedding, the bride chose a full length gown of white dotted swiss. The gown featured a square neckline and long, full sleeves with narrow cuffs trimmed with lace. The waistline was accented with a wide band of lace. The flowing skirt featured a wide ruffle at the bottom. She also wore a white hat with a white bow and

streamers. The bride's only jewelry was a single strand of pearls belonging to her mother. She carried in her sleeve a handkerchief belonging to her maternal grandmother. The bride's bouquet consisted of pink, blue, yellow and white daisies and baby's breath with matching ribbons. Miss Viola Jackson of Loudon served as the maid of honor. She wore a full length dress of pink knit with small white flowers. She carried a single pink daisy with matching ribbons. Mr. Johnny Blankenship was the groom's best man.

Following the ceremony, a reception was held at home of the groom's parents. Mrs. Betty Johnson, Miss Gail Garner, sisters of the groom, and Mrs. Wanda Garner assisted in serving. The three tier cake was decorated with pink roses and was a gift to the bride and groom from Mr. and Mrs. Bonnie Garner, brother of the groom.

Mrs. Ward and Mrs. Garner, mothers of the bride and groom, wore pink street length dresses with long lace sleeves with white accessories. The bride attended Lenoir City High School and is now employed with Lay's Store. The groom is a graduate of Loudon High School and is employed with Marenont Corp.

After a short trip to Kentucky, the couple is now residing at Route 3, Lenoir City.

HOME DEMONSTRATION CLUBS HOLD
ACHIEVEMENT DAY
By: Bonnie F. Sheeley
Assistant Extension Agent

The annual Loudon County Home Demonstration Club

Achievement Day and Picnic was held at the Ted Wampler Farm on Hixes Valley Road Friday, July 12. Approximately 50 Home Demonstration Club members and guests were present.

The highlight of the morning's activities were two demonstrations given by Mrs. Sue Schlosshan, Junior Assistant Extension Agent, and Miss Carolyn Hickey, Senior District 4-H Dress Revue Winner. Sue's demonstration included timely tips on foods and clothing for outdoor living. She listed items to look for when selecting clothes for children and adults.

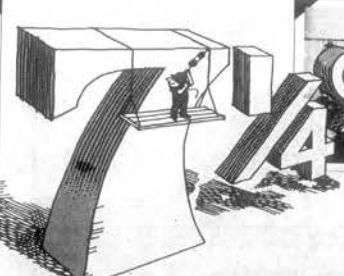

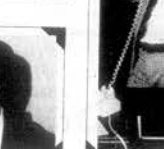

Carolynn Hickey demonstrated an outdoor apron for picnics and outings. The apron was made from a gay print trimmed in bias tape and had several sets of buttonholes on it to hold napkins, forks, and other flatware.

Clubs are recognized each year using a point system for activities completed. Superior clubs are those that have attained over 2500 points over the club year. For the first time

all eight clubs in the county were recognized as Superior Clubs. The Home Demonstration Club attaining the most recognition points is the Club of the Year. The Lee Heights Home Demonstration Club was honored as the Club of the Year for 1973-74. The officers of this club were President, Mrs. James Harrison; Vice-President, Mrs. James Bailey; Secretary, Mrs. Joe Bradford; and Reporter Mrs. Ralph Phelps.

A picnic followed the morning program. Eatons Home Demonstration Club was in charge of planning and conducting the event. Home Demonstration Clubs in the county, also displayed booths on different phases of Outdoor Living: the theme for the Achievement Day. The club booths were displayed on the following subjects: Health and Safety; Thursday Nighters; Camping, Martel; Outdoor Life, Eatons; Items for the Outdoors; Lee Heights; Food for the Outdoors; Loudon-Corinth; and Equipment for the Outdoors, Lenoir City.

Becky In World Hemisphere Pageant

Little Miss Rebecca Ruth (Becky) Dockery, four year old daughter of Mr. and Mrs. Carl Dockery of Lenoir City, was chosen as Little Miss

Tennessee Saturday night, July 20 at North West Junior High School in Knoxville. Becky will represent the state of Tennessee in the Pee

Wee division of the 1974 Hemisphere National finals to be held at the Dutch Inn in Walt Disney World, Florida the week of August 27-

September 2. Youngsters and girls will be arriving from throughout the United States and Canada for the 12th annual National Hemisphere pageant and will compete in five different age divisions. Becky will compete in the Pee Wee division from ages two to five. Judging is based on beauty, charm, poise and personality. The youngsters and girls will compete the entire week in three outfits, formal, casual and costumes. Costumes must represent their hometown state.

Many prizes will be awarded as the highlight of the National 1974 Festival which include six automobiles, \$16,500 in scholarships and U.S. Savings bonds, furs, wardrobes, diamond watches, six foot trophies and many other items.

WINS STATE PAGEANT—Four year old Rebecca (Becky) Dockery, daughter of Mr. and Mrs. Carl Dockery of Lenoir City, Saturday night won the Miss Tennessee Hemisphere Pageant in competition with 14 other girls who were county winners. Becky and her mother will fly to Disney World in August where she will compete in the Miss World Hemisphere Pageant. Becky is shown here being congratulated by County Judge Harvey Sprout. Becky's response to the fact she would be going to Disney World was, "Will I get to see Mickey Mouse?"

John, call your mother.

I realize this is going to pain you, son, but with the gas situation and all, I just can't keep coming to visit you every weekend. So call me long distance the 1+ Way. It saves money. That means we can talk longer. After all, a mother needs to know what her son is doing.

Isn't there someone you'd like to call, right now? Dial long distance the 1+ Way. It's the cheapest way to call. That means you can talk longer and call more often.

Tom Wiseman **X**

The Last Name First?

Tom Wiseman's Name will be easy to find—on the very bottom of the list of Democratic Candidates for Governor.

TOM WISEMAN

- Can Win In August
- And He Can Win In November

Why...

- * He is experienced, qualified, and yet, not having sought state-wide office before, he doesn't have political scars.
- * He is fully qualified. He KNOWS State Government. During his two outstanding terms as State Treasurer, he exhibited great fairness, integrity, and the ability to take over an office that was using outmoded methods and began to modernize its procedures.
- * Tom Wiseman served two terms in the State House of Representatives. He KNOWS the State Legislature and can WORK WITH its members to promote programs and legislation for the benefit of ALL Tennesseans.
- * Tom Wiseman has taken a forthright stand on the important issues instead of giving out of meaningless double-talk.
- * Tom Wiseman is the candidate BEST ABLE to unite all segments of the Democratic Party, including labor, business, youth, farmers, housewives and teachers.

HERE IS WHAT SOME OF THE STATE'S LEADING NEWSPAPERS HAVE TO SAY ABOUT TOM WISEMAN

"In a long lineup filled with tired veterans of past political wars and so-called 'fresh faces' out to blitz the voters with expensive Madison Avenue-type media campaigns, Wiseman came through as a sharp, candid, well-informed and thoughtful person. He has been probably the best state treasurer Tennessee has had. By applying good business sense and modern data-processing methods he has put idle money to work and make some \$60 million in revenue for the citizens of this state. That's not just a record. It's more than all other treasurers of the past have done combined. And when investing state money, Wiseman always saw to it that banks and savings institutions in every part of the state benefited. Most impressive is Wiseman's straightforward approach to matters of state. We have found him direct, frank, articulate and intelligent. He does not toss out words to please a listener. He thinks before he talks. And he listens. The fact that he is a front-runner in the Democratic primary is evidenced by the barrage of cheap shots other candidates have fired at him."

—The Commercial Appeal Memphis

"Tom Wiseman is forceful, energetic and personable. He is an able and skillful lawyer and unusually knowledgeable of the operations of government. He is city man and farmer, politician and public servant. Mr. Wiseman, at 43, is young enough to have the energy for public service and to attract the confidence of young people and, at the same time, has the experience and maturity to merit the trust of older citizens and to cope with the challenges of the governor's office."

—The Tullahoma News and Guardian

"...a close look at the routine audit of the treasurer's office, by the office of the state comptroller, reveals no shortage of funds, no indication that there has ever been a shortage, and contrary to some published reports, no factual information that bank accounts were not properly balanced."

—Dana Ford Thomas in The Knoxville News-Sentinel

"In approaching the issues squarely and with confidence, Mr. Wiseman also has shown he will make decisions based on principle rather than political expediency. He is giving the voters of Tennessee a chance to determine in their own minds the best choice. He has not turned himself over to a public relations firm to shape an image."

—Manchester Times

"Truckers News, after screening gubernatorial candidates platforms, talking to individuals in the many crafts of labor, looking into past performances of candidates when labor issues were at stake concerning the truck driver and other crafts of labor, our editor and staff have reached a conclusion on whom is best and only choice for governor of Tennessee. We therefore solicit all truckers and families and friends to get out the vote for our distinguished endorsed candidate Tom Wiseman as your governor of Tennessee."

—Truckers News Nashville

"His record as state treasurer alone would be sufficient for us to endorse him as governor, but in addition he has an excellent record as a member of State Legislature. He supported bills to ENACT A MINIMUM WAGE LAW, INCREASE TEACHERS' SALARIES, REFORM LEGISLATIVE PROCEDURE, CLEAN UP THE PRACTICE OF SMALL LOAN COMPANIES and many other pieces of legislation that were beneficial to Tennesseans."

—The Jasper Journal

"While he held the office he made \$60 million dollars for you and for us, more than all other state treasurers combined. He did this by keeping the state's idle funds invested at a nationally comparable rate of interest. He played no favorites. State funds were deposited in all 78 savings and loan associations and all of the state's 360 banks except two which did not choose to accept them. This is the kind of fiscal responsibility that appeals to us. It is refreshing in an era when most office holders and candidates either talk only of spending or make vague promises about the budgeting."

—State Gazette Dyersburg

Leaves Oliver Springs

Mike Pickell Expected To Be New Lenoir City Girls Basketball Coach

Mike Pickell, head basketball coach at Oliver Springs for the past two seasons, is resigning to take a position as head girls coach at Lenoir City. Pickell's Oliver Springs teams over the past two years have finished runnerup twice in the District Four (S) tournament and second in Region Two (S) play.

No official action has been taken by the respective school boards on his resignation at Oliver Springs and his reported acceptance of the new job at Lenoir City.

Glen Williams resigned as head girls' basketball coach at Lenoir City after taking his team to the state tournament this past season.

Pickell is a graduate of Roane County High School, where he was a member of the

MIKE PICKELL

Pickell currently makes his home in the Oral community near the Roane-Loudon county line and his wife the former Linda Chambers of Lenoir City, is a teacher at Loudon

High School. Prior to accepting the head coaching position at Oliver Springs, Pickell was junior high basketball coach at Lenoir City.

Pee Wee Football Registration Set

The Loudon Quarterback Club, sponsor of the Pee Wee football program in Loudon, has called a meeting for the fall registration of boys 7-8-9 that will perform on the Grasscutter team and for boys

10-11 that will play on the Mustangs. The meeting is set for Monday, July 29 at 6 p.m. at the Quarterback Club headquarters adjacent the old Loudon High School football field.

WARMING UP—Softball players loosen up their arms prior to taking the field at Loudon's Legion Park in the

current Loudon-Lenoir City Sub-District softball tournament. The tournament finals will be Saturday.

Bank Of Loudon County, Eaton Set Sights On Sub-District Softball Title

The Loudon-Lenoir City Sub-District Softball Tournament begins Saturday with the biggest surprise coming in the form of a late afternoon thunderstorm which caused Monday night's schedule to carry on into the midnight hours.

The Loudon Merchants pounded out 15 hits with catcher Ted Sitzer scoring three runs, driving in five scores, and reaching base on all four of his official times at bat in a 14-1 decision over Marenment Number 2.

Matlock Tire Service of Lenoir City banged out 15 hits and stopped Union Carbide 12-2. Hobie Barger and Doug Williams led the hitting for the winners. Henry Chambers got two hits for the Union Carbide team.

In what may have been voiced an upset, Hall Oil Company squeezed past Duttons of Lenoir City 10-9. Duttons took an 8-1 lead

through four innings, but the youthful Hall Oil Team responded with three runs in the fifth and capped their day with a six run seventh to capture the contest.

John Rattledge, James Miller and Tommy McCollister all shared key roles in pulling the game out of the fire with clutch hitting. Lee Reed and George Stafford had three hits each in the game for Duttons.

Yancy Hampton (4 for 5), Jim Watts (2 for 3), Vernon Rischer (2 for 2), and Jack Nichols (3 for 3) set the tempo for the Bank of Loudon County's 24 hit assault on Cedar Hills resulting in a 21-6 triumph. A 10 run fourth inning for the Bankers put the game on ice early.

Junior Hope hit a single and triple for Cedar Hills top individual.

Wise Iron Works forfeited their right to play in the tournament with Lenoir City's

Utility Board advancing as their initial first foe.

The Hamilton Bank of Loudon had a 12-1 lead on Lenoir City Plexco when play was called due to heavy rain. The tournament was also checked for the day with play picking up in the fifth inning on Monday night.

The Hamilton Bank was still in gear getting five more runs to win 17-1. Joe Franklin, Buck Kirkland, and Jim Curtis led the Hamilton attack with the three scoring nine runs and accounting for five others.

Plexco managed but six hits with Bob Price hitting a home run and single in the setback.

The A&W of Lenoir City, a possible team to watch in the tournament, tripped Waldons 9-4. Ed Boling lashed out three hits for the A&W and Gary Chamber hit a single, triple, and double to highlight the winning effort. Former Lenoir City basketball star and baseball player, Mitch Keelber had three base hits,

for Waldens.

Hall Oil Company advancing in the winners' bracket opposite defending sub-district champion Eaton, gave up eight first inning runs on six hits and four errors in a losing cause to the Lenoir City power 13-3.

Frank Brown, Red Ryan, and Roy Howard were the leaders for Eaton. Larry Hughes had two singles for Hall Oil Company.

The Loudon Merchants won their second game of the tournament by hanging a 14-5 loss on Matlock Tire Service. Bobby Russell and Ronnie Starritt teamed to scored seven of the Merchants 14 runs.

The Bank of Loudon County appears to be the team with the heavy artillery. The Bankers out loose for 18 hits and 19 runs in disposing of Lenoir City Utilities 19-4. Yancy Hampton and Melvin Hawkins tagged a pair of home runs each and Mike

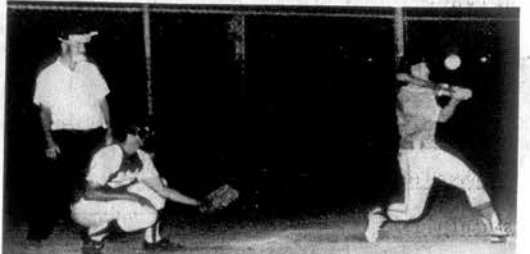

Littleton blasted a round tripper to spark the easy win.

The final game of the evening on Monday saw the Lenoir City A & W coming back for their second appearance of the day to pound the Hamilton Bank to the tune of 19-3. An eight run first inning and 19 hits for the game did the trick for the winners. Jimmy Vinyard's three hits led the A&W.

Arnold Brookshire had two hits and reached base on an error to play the top role for the Hamilton Bank team.

Rain threatened to postpone Tuesday night's tournament schedule made up of loser's bracket contests. Wednesday was set for an off night with Thursday's play finding the Loudon Merchants facing Eatons in the lone winner's bracket game. The Bank of Loudon County and the A&W meet on Friday.

The double elimination tournament will conclude on Saturday with the top four

FOUL BALL—Danny Russell, Loudon Merchant rightfielder, fouls off a pitch against Matlock Tire Service in the Loudon-Lenoir City Sub-District Softball Tournament. The Merchants won the game to advance to the winner's bracket semi-finals.

Rain Storm Washes Out Atomic Races

You aren't going to win everytime out against the weatherman, according to Atomic Speedway owner Bob Martin. The promoter at East Tennessee's most exciting track has been victimized for the third time this season.

"We'll be back in operation Saturday night," said Martin, "and the competition should be even better since drivers will have had a couple of

weeks to get the racers ready."

The late model sportsman and bomber show will be spiced with the addition of a demolition derby.

Time trials for the sportsman cars get under way at 7:45. The first heat race is scheduled for 8:30. The main event is to cover 40 laps. There'll be a semi-feature and a 15-lap run for the bombers.

Adult tickets are \$3

(reserved) and \$2.50 (general admission). Children under 12 years are admitted free.

The demolition derby will be worth \$125 to the winner. The runnerup is to be paid \$50.

Heading the field of sportsman drivers will be Ken Phillips of Loudon, M.C. Kerr of Knoxville, Zaki Buchanan of Marysville, Bill Corum of Maynardville, H.E. Vineyard of Halls and Jody Ridley, the Georgia standout.

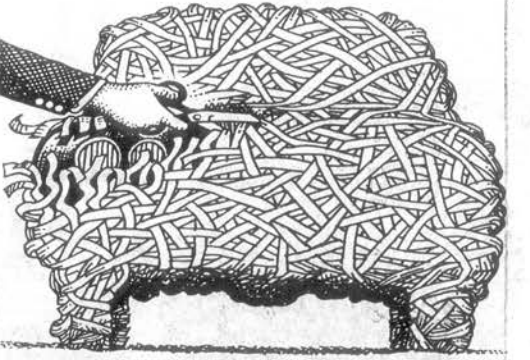

ONE OUT—Earl Russell, manager of the Loudon Merchants softball team, cautions his base runners that there is only one out. Ronnie Starritt is camped on third base waiting a chance to score.

SAFE AT THIRD—Hall Oil Company's Butch Brown is safe at third base despite a quick tag by Eaton's Kenny Rattledge following a relay from the outfield on a hit by another Hall Oil team member.

Cut out the red tape.

When you talk to us about an auto loan you don't get the run-around... you get the loan... fast. So, cut out the red tape when you want to cut out in a new car. See us.

Loudon City Recreation Youth Tennis Tournament

Loudon Tennis Tournament Interest Soars

The Loudon City Recreation Tournament has received over 100 entries thus far with the adult division having until Friday to complete their entries.

The youth division is being played currently during the morning with first round results in the beginner girls placing Jewell Horner over Pam McCulloch 2-6, 6-3, 6-1.

Mark Moore defeated Gene Cate 6-1, 6-0 and will meet Ricky Jones in the semi-finals of the boys 13-14 division. Jones won on a forfeit over Bill Horner.

Freddie Cobb also advanced on a forfeit.

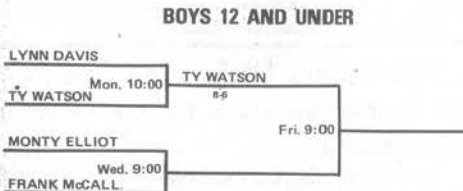

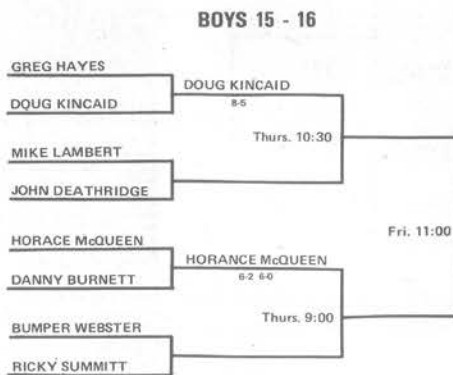

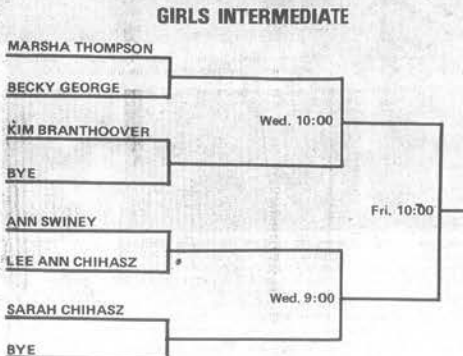

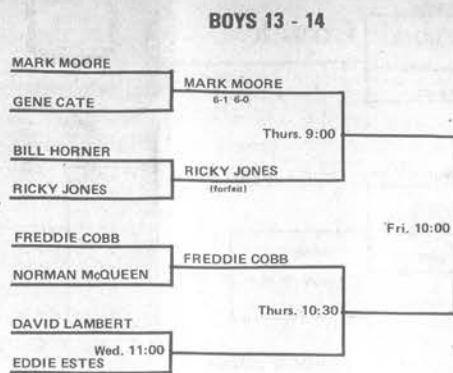

Ty Watson out dueling Lynn Davis 8-6 in the boys 12 and under class. The players have a choice of playing the best of three sets or the first player to score eight games.

Doug Kincaid edged Greg Hayes 8-5 in the 15-16 boys play. Horace McQueen stopped Danny Burnett of Lenoir City in the lower bracket of the 15-16 class 6-2, 6-9 to reach the semi-finals of that division.

The youth play will conclude this Friday in both boys and girls divisions with the adult session starting Monday and running for a two week interval.

SMASHING SERVE—Danny Burnett of Lenoir City displays a smashing serve in the boys division of the 15-16 age classification of the Loudon City Recreation Tennis Tournament.

What's the oldest sport known to man? The answer is archery, which started long before Robin Hood. The sport is older than the wheel and axle!

The Club Car.

(Another in a series of imaginative uses for the GMC MotorHome.)

If you're planning to lay siege to the fairways this weekend, consider this: (a) Pick some neat, out-of-the-way course. (b) Pool your foursome. And (c) go in a GMC MotorHome.

Honestly, it's more fun than taking separate cars. Easier, too.

If you've got an early tee-off time, you can drive up the night before and probably pitch camp right in the club parking lot. And when the great match is over, your lunch, refreshments—even a shower—are there for you in the MotorHome's capacious interior.

You'll most likely appreciate the savings. Particularly if that two-footer you blew on 18 cost your side the match.

When your MotorHome isn't in use, you can leave it at your dealer's Landock for storage and/or service. For that matter, you don't even have to buy a GMC MotorHome. You can rent one from your dealer. Just ask.

A MotorHome may not keep you from clutching on two-footers, but it sure makes life before and after the match a heck of a lot more fun. And that's what the game is all about, isn't it?

Think about it. And call your GMC MotorHome dealer.

GMC
The MotorHome from General Motors.

(Murphy Motor Manor)

400 East Broadway

Maryville, Tenn.

WINNING FORM—Jewell Horner returns a serve from opposing player Pam McCulloch in first round tournament action in the girls' beginner division. Miss Horner won the match 2-6, 6-3, 6-1.

Stamey Setting Hot Marentom Pace

Reed Stamey is setting a hot pace in the Marentom Golf League stepping out to a six point lead over second place Richard Archer. Stamey had gained a total of 30 points to date while Archer is faced with the task of catching him and keeping ahead of a host of team mates. A total of three

points separate the second place and sixth place positions in the league standings this week.

Richard Archer and Bob Sherwin tied for the individual low medalist of the week honors last week with rounds of 38. A tie was also logged in the runner-up slot for low

weekly medalist Jim Lee and Bob Welch with scores of 39 finished second, each received a single golf ball. Archer and Sherwin got two golf balls each for their scores.

JULY 25 1974

Callin' 'Em

By Darrell Tuck

This year has been a fine year for the Loudon Little League Baseball program, with the exception of the Tee-League. All the games were played as scheduled except for the Tee-men. When the little boys supposedly moved to Legion Field to play no body showed up. Maybe it can be worked out next year.

In Senior Babe Ruth the Giants won the league championship with a 11-2 record. Going into the last week of the season the Tigers and Expos battled out second place. Both teams had one game to play, each with the Giants. The Tigers got lucky with a come back win, and the Expos failed.

In the Babe Ruth division the Cardinals coached by Denny Poole and J. C. Monger went undefeated in seven games. Last year Denny and J. C. coached the Piney Orioles who went without a loss. Behind the champs came the Orioles with a 5-3 record.

Tigers Stun Giants, 8-7

In the last regular season Senior Babe Ruth game of the summer the Tigers stunned the Giants with an 8-7 upset win. Mike McCall led the way for the winners with a double and single. Mark Ward was the winning pitcher, while Butch Brown suffered the loss for the Giants.

Jackie Jones had a triple and a single to lead the Giants, who hadn't been beaten since the second game of the Loudon Summer Recreation season. The Tigers were the team to do the job then also.

Athletes Are DY Champs

The Athletics won the championship of the Loudon Dixie Youth Baseball division by beating the second place Pirates 4-1. Joe Watson and Greg McNabb slapped out two hits each for the winners. Randal Brannan had the only hit for the Pirates, an RBI double in the first inning. Watson got the win while Brannan got the pitching loss.

Cobb, Archer Hold Edge

John Cobb and Richard Archer turned back defending Loudon City Golf League champions Lynn Millsaps and Larry Millsaps 10 to 6 in league action last week to stay in command of this year's standings. Cobb and Archer have 152 team points going into this week's play with the Millsaps' brothers tied for second with Jimmie Hamil and Jim Moore, each team has 134 team points.

Ed Arnold and Paul Brakebill were able to score but one point last week, but are still in a challenging position in third place with 128 team points. Ted Lomax and Inky Swiney have 126 team points and the teams of Dennis Townsend and Ralph Stalcup and Bert Ratledge and Clell Miller all have 123 points.

Jack Kincaid and Gary Brown find themselves sharing company in eighth place with Mike Oody and Larry Bridges with 122 team points. Oody won the individual player of the week honor with a low net score of 31. Playing partner Larry Bridges also fashioned a good

But with a fine team. Denny and J. C. shouldn't be surprised if some of the other managers ask them their secret for winning.

In Dixie Youth play the A's beat the Pirates out by one game. The thing that did it for the A's was good defense and sound bats, when the going got tough. Remember the Pirates at one time were 4-0 and looked like nobody could beat them. They wound up losing three out of their last five games.

When it rains it pours "how true," the Loudon-Lenoir City Sub-District was put a little behind when the rain came Saturday at Legion Field. Hamilton Bank was defeating Plexico on the bottom of the fifth inning. Saturday's first round winners were: Loudon Merchants, Matlock, Hall Oil Co., Bank of Loudon Co., The Utility Board and Eaton who drew a bye. In the five official games Saturday Loudon teams won three out of five. This year's umpires have been Jim Fields, Henry Mitchell and Jerry Foster. If you would like to shake their hand or pat them on the back...NO hitting...They'll be glad to accept it.

It's really been a privilege working for the Herald this summer, and working and having a good time at the ball park this year. I hope you, the people who read my column (Callin' 'Em) have enjoyed reading it as much as I have writing it.

Remember the Dixie Youth All-Star game, and the Babe Ruth and Senior Babe Ruth tournaments.

Lenoir City Dixie Youth All Stars Are District VII Champ

The Lenoir City Dixie Youth All Stars under the direction of Manager Arless Morgan and coach Paul Johnson won the District Seven Tournament last week for the second straight year.

The Lenoir City nine won their first three games of the double elimination tournament before bowing to Harrison 11-1, nevertheless the future Panthers rallied

with a 4-3 championship triumph over the same Harrison team. Lenoir City dealt Rockwood an opening followed with a come from behind win over Madisonville 13-8. Sweetwater proved to be most stubborn, losing 1-0 before tangling with the Harrison entry in the finals. Keith Cook won two games for the LC team Mike Rodgers

won one as did Clayton Willis. Willis fired the 1-0 one-hitter over Sweetwater.

The Lenoir City team will meet the representative from District Six this Monday in a best two games out of three playoff to see who qualifies for the state tournament. District Six comes from the Cleveland area.

WIN DISTRICT VII DIXIE YOUTH CROWN—The Lenoir City Dixie Youth All Stars won the District Seven Tournament last week and will advance to a three game playoff with the winner of District Six. Pictured front row left to right: Ricky Walker, Mitch Ledbetter, David Mills, and Robby Gray. Second row left to right: Kenny Johnson, Randy McNabb, Tom Ervin, Gary Laughlin, Bill Latham, Ron Dougherty, and Keith Cook. Back row left to right: Coach Paul Johnson, Clayton Willis, Mike Rodgers, Curtis Middleton, Chris Wampler, and Manager Arless Morgan.

NRA To Have Championships

The National Rifle Association will sponsor two major national shooting championships during July and August.

The National Pistol and Rifle Championships are scheduled for Camp Perry, Ohio, July 27 through August 18. More than 3000 competitors are expected to enter the pistol and revolver matches (July 27-31), small bore rifle prone and position competition (August 2-8), and high power rifle shooting (August 11-18).

The National Air Pistol and Air Rifle Championships will be a special feature of the 1974 competitions scheduled for Camp Perry.

During late August and early September, the Tucson (Arizona) Rifle Club will host the 1974 NRA National Metallic Silhouette Championships.

Barry Cooper Fires Reds Past Phils

The Reds scored a very impressive victory over the Phils 10-3 behind the pitching

and hitting of Barry Cooper. Cooper had three singles for the Reds. Woods was the home run and single, while

losing pitcher.

'To The Voters Of Loudon County'

Re-Elect The Road Commissioners, Who Now Hold Office

★ Lee Malone
★ Lillard Bledsoe
★ Joe Greenway

The law was passed where all the voters, can vote in the General Election August 1, 1974. For All (3) three Road Commissioners, in any area of the county you live in.

So your votes will be greatly appreciated, by all (3) three Road Commissioners. Each Road Commissioner, works in co-operation with each other, for better roads and the good of the county.

So go to the polls, and vote in the General Election August 1, 1974, for these (3) three Road Commissioners, who work for the improvement of the roads.

WITH HEARTFELT THANKS FROM EACH US, TO EACH AND EVERYONE

See You At The Polls

Fold for by the Road Commissioners

Old Fashioned Decency...

Will it Save Our System?

In a time of confusion and distrust, just being able to perform in office is not enough to restore public confidence in a system that made us great.

Lamar Alexander has lived his public and private life with the old fashioned decency and wholesomeness that has gone out of style with some. That's why he was the first gubernatorial candidate in the history of our state who voluntarily, fully and publicly disclosed all contributions and the names of all the donors.

Lamar Alexander is a very modern and dynamic Republican leader who believes that old fashioned decency can... and will... eventually save the American System.

Lamar Alexander

Greenback Grid Stars To Play In Saturday's East-West Shrine Game

The finest football players from the Class A Football Conference and larger Blount County schools, Alcoa, Maryville, and Maryville Everett will divide boundaries for the annual Blount County East-West Shrine All-Star football game this Saturday night at Everett High School field. The starting time is set for an 8 p.m. kickoff.

The West squad is made up of eight graduated seniors from the Greenback Cherokee team that posted a sparkling 8-3 record and gained a state playoff berth in the Class A state playoffs last winter. The head coach for the West is Greenback's Keith Bailey and he is assisted by Lanier's head grid mentor Skip Murrin.

Players making the All Star selection from Greenback were Tony Linginfelter, Bill Joe Kyker, Mike Evans, Keith Rollins, Rick Rader, Bobby McNeilly, Gene Kimbrell, and Darrell McKoshan. Tim Hammontree the Cherokees hard running fullback of last fall and defensive stalwart is the West team manager. Tim will play

for the TSSAA East All Stars in the TSSAA Coaches' Clinic event next week and is not allowed to play in more than one all star attraction. The West was being using Greenback's Cooper Field for a practice site and will be a slight favorite in the contest. Admission for the game is one dollar.

THE WEST SHRINE ALL-STARS—Pictured are the West All-Stars that will be made up of predominate Greenback grid stars of last season from left to right back row: Stanley Crisp, Joe Hodge, Tony Linginfelter, Bill Kyker, Gary Patterson, Rusty Thompson, Gary Atchley, Kim Cox and Mike Evans. Second Row—Stanley Crisp, Terry

Tucker, Steve Sutton, Keith Rollins, Rick Rader, Ron Miles, Charles Brown and Roger Vance. Front Row—Manager Tim Hammontree, Reggie Watson, David Cook, Jackie Davis, Darrell McKeenan, Bobby McNeilly and Gene Kimbrell.

Fishing Report

BY BOBBY WOLFE, WILDLIFE OFFICER

SOUTH HOLSTON LAKE—Bluegill fishing is good using popping bugs. Large and smallmouth bass fishing is fair using surface lures. Largemouth have been caught in the breaks, trout are biting fair at night under lanterns using nightcrawlers and minnows. Crappie are poor with some taking dollies and minnows. Water conditions are clear and falling. Tail water trout are fair using natural bait.

BOONE LAKE—Bluegill and Catfishing is good on natural bait. Bluegill are also taking popping bugs. Largemouth bass are fair using surface lures in early morning and late afternoons. At night largemouths are hitting spinners and natural bait. Crappie fishing is poor with a few being taken on dolly and minnow combinations.

CHILHOWEE LAKE—Most species are poor, some good trout have been caught at night.

LITTLE T-A few large brown trout are still being caught on artificial lures.

WATTS BAR LAKE—Striper are good at night using minnows under lights. Bass fair on shallow running lures. Catfish are fair on trotline baiting with cut bait.

MELTON HILL LAKE—Crappie and bluegill fishing is good with crappie hitting flies and minnows and bluegill taking crickets, worms and popping bugs. Largemouth and striped bass fishing is poor with the greatest success coming from minnows, flies, and jigs.

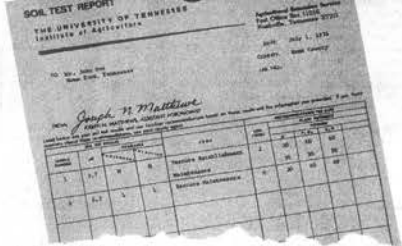

FORT LOUDOUN LAKE—Most fishing is slow but the stripe are breaking fairly good over most of the lake. Blue Gill are fair on popping bugs.

NORRIS LAKE—Bluegill fishing is good using surface lures, popping bugs and nightcrawlers. Catfishing is fair when trolling spinners and worms. Largemouth and striped bass, crappie and walleye fishing is poor with some largemouth taking surface lures and spring lizards. Some walleyes are being taken on minnows at night. Water conditions are clear and stable. Tailwater trout are good using worms, flies, and corn.

EDDIE KING of Loudon is shown with a 15 pound catfish he caught Sunday at Matlock Bend on Watts Bar fishing with worms.

Here's one item a farmer doesn't have to gamble on

A soil test tells the exact story of nutrients needed for the crop you plan and the yield you want. No guesswork, as with rain, drought, temperature, insects, costs, or market. Now there's another good reason to rely on soil testing. Armed with the information it provides, you first of all save money. You don't spend dollars on a plant food not needed. And, you're in a far better position to juggle things

around and still come up with an answer in the face of today's scarcities. Sure, you Co-op is in the fertilizer business. We hope you'll let us work with you... on product and service, too. But we also hope you'll use your money wisely and get that soil test first!

WEST COACHES—Coaches for the West squad of the East-West Shrine All-Star football game Saturday, July 27, at Everett High are Skip Murrin of Lanier (left) and Keith Bailey of Greenback.

Union Carbide Golfers Return To Action

The second session of the Union Carbide Golf League has published their first week of scores since taking a break during the week of July Fourth. Charlie Helms and Jack Delaney are currently setting the pace with 170 team points.

Henry Julian and Spencer Watkins with a low, net team score of 71 for the week has moved into a second place position with 163 team points. The low net score was the best in the league and gained Julian and Watkins the top team honor for the week. Third place is held by Jack Miller and Jim Cardwell, 13 points out of second place and 18 from the league lead, with 152 team points.

scores for the summer with 29's. Dick Rosenbaum is the top individualist with 52 individual points. Charlie Helms trails in second place one-third of a point behind.

A PERSONAL MESSAGE TO LOUDON COUNTY CITIZENS

From **CHARLES T. EBLEN**
Your Candidate For **COUNTY JUDGE**

I feel that I am capable and qualified to be your County Judge for the following reasons:

EQUAL REPRESENTATION

1. I feel that all the various sections of Loudon County should have equal representation on Loudon County Court. As your former State Senator, I was the author of a Private Act which created the Fifth Civil District, giving additional representation to the citizens in the Eaton Crossroads, Dixie-Lee Junction and Lee Heights areas.
2. Having served on the Education Committee in the State Legislature, as well as having served on the Loudon County Board of Education for 10 years, I am qualified to know the educational needs of the County.
3. I also authored the private act creating the General Sessions Court for Loudon County. The passage of this act eliminated the fee system in the county and provided Loudon County with a great deal of additional revenue.
4. I have been engaged in the practice of law in Loudon County for the past 23 years.

AIMS

- I will strive for more industry and better working conditions for all Loudon Citizens.
- I will strive to improve services without an increase in Taxes.
- I WILL APPRECIATE YOUR VOTE ON AUGUST 1st

CHARLES T. EBLEN
CANDIDATE FOR
LOUDON COUNTY JUDGE
LOUDON COUNTY GENERAL ELECTION, AUGUST 1, 1974

TVA 'Flying Saucers' Are Really Weather Balloons

"Flying saucer" reports may crop up this month in east Tennessee as the result of a study that will use reflective balloons and low-flying aircraft to gather information

Atmospheric Administration (NOAA) in several different studies related to air movement and dispersion patterns in east Tennessee. NOAA scientists from the Atmospheric Turbulence and Diffusion Laboratory at Oak Ridge, Tennessee, and from the Air Resources Laboratory at Idaho Falls, Idaho, will be conducting the experimental work.

needed in predicting and controlling air quality, according to TVA.

During the month of July, TVA will be cooperating with the National Oceanic and

A large number of weather balloons will be released throughout east Tennessee on several days each week during the month. These will be used to verify and refine mathematical predictions of the effects of meteorological conditions on plume behavior. Some of the weather

balloons, called tetrons, are designed to follow wind currents at low altitudes and are covered with metal foil so that they may be tracked by radar for hundreds of miles. A specialized acoustic sounder (similar to SONAR) provided by TVA will be used to track

some of these for hundreds of miles by reflected sound waves to determine regional wind patterns. At various times from July 8 to July 27, TVA will temporarily darken the smoke plume from Kingston Steam Plant by reducing the electrostatic precipitators

used to trap particles of fly ash. This cutback in precipitator operation will make the plumes from the plant stacks easier to follow so that their location and direction may be more easily observed by the scientists and by the pilots of light airplanes

and helicopters. These aircraft will be flying at very low altitudes, over areas up to several miles from the plant to make measurements of temperature and atmospheric turbulence. TVA will also make available the data from its

extensive system of meteorological and air quality monitoring stations in east Tennessee. These studies will be under the general direction of Dr. Frank A. Gifford, Director of the Atmospheric Turbulence and Diffusion Laboratory in Oak Ridge.

SLIM'S BUDDIES—Republican Trustee incumbent J.V. (Slim) Schrimsher gets a kick out of his youthful supporter at the Republican rally Tuesday.

With all the confusion in the Governor's race, shouldn't the voters ask, "Who is the most qualified of all the candidates for Governor?"

DAVID PACK knows how to be Governor

- Chancellor
- Commissioner of Highways
- Commissioner of Insurance and Banking
- Attorney General of Tennessee

David Pack's Pack Experience in State Government is far more extensive than that of any other candidate for Governor. His integrity, ability and efficiency have never been questioned in his twenty years of service to the people of Tennessee.

It takes time to learn how to be Governor. Can we afford to take a chance on inexperience?

Elect David Pack, Democrat

The one who knows how to be Governor.

The one who can win in November.

County Adopts Budget, \$3.96 Tax

(Continued From Page 1)
to be tight, but insofar as I'm concerned it's very tight this year. It's almost a minimum budget."

"He pointed out that county is using more federal revenue sharing funds for operating expenses than will be received this year.

"If revenue sharing were stopped, it would require a substantial increase on the tax rate," Judge Sproul cautioned.

ABOUT \$150,000 of federal revenue sharing funds will be spent for law enforcement this year.

Squire Conner reported to the court that questions of supervision in the local health department have been answered to the satisfaction of the budget committee and he recommended the health department budget for approval.

There was some dissatisfaction among court members about nursing supervision imposed by the state on the local department.

COURT APPROVAL was given for the payment of claims for work done at Highland Park and Philadelphia schools which did not follow the required procedure of bids under the County Purchasing Act.

The two claims, \$3344 by J.T. Carter for grading at Highland Park, and about \$1300 from Inman Moss for paving at Philadelphia, were ordered paid from school funds after several equities admitted the Board of Education for failing to comply with the purchasing act requirements for competitive bids for services over \$300.

School Superintendent A.C. Duke said the board had told School Maintenance Supervisor Red Clark to find someone to get the work at Highland Park done. Mr. Duke said he did it although he had a difficult time finding someone to do the work.

Both Duke and Mr. Clark indicated they felt the other had taken care of the purchasing requirements. Board Chairman James Bailey said there was no intention by any of the parties to by-pass the purchasing committee in any way, but is something that just happened.

After Squire I.D. Conner called for a recommendation from the Purchasing Committee, Squire R.P. Hamilton, chairman of the committee, said the group had no recommendation, but since the work at both schools had been completed and at reasonable costs he would make a motion they be paid. The motion was seconded by Squire Curtis Williams and approved by all the Squires.

Squire Blair said he is sure that both the superintendent and school board were aware of the purchasing requirements and felt none of the blame should be placed on Clark or the people who did the work. He said he would not support any unauthorized claims in the future.

LAMAR ALEXANDER steps to talk with a group of his youthful supporters at the Loudon Rally Tuesday.

DORTCH OLDHAM and his local campaign head Arthur Henry walk into the Loudon High football stadium followed by a group of his local fans.

CANDIDATES CHAT-Lamar Alexander and Dorlich Oldham, both candidates for Governor stop to shake hands at the Loudon GOP Barbecue-Rally Tuesday night.

Stout Wins Medal Of Honor

(Continued From Page 1)
Washington for the presentation. Vietnam and told his mother about it, he was strangely prophetic of his own death. "If I ever comes to a choice of my life or my men," he told her, "there won't be any question. I will be my life."

He volunteered for Vietnam the first time, too, after serving for three months in Germany. He had been in Vietnam about five weeks, assigned to the first Battalion, 44th Artillery. His mother said he had written her that he was a squad leader on a "duster," a tank like vehicle.

His father, Jack W. Stout of 401 Watagan Ave., N.E., Knoxville, also was in

Stamey Charged With Assault

A 22 year old Loudon County man, Vaughn Goodson, a Loudon native reportedly living in Lenoir City, is in serious condition in the intensive care unit at St. Mary's Hospital in Knoxville.

Sheriff Freeman Russell said that Goodson reportedly was struck in the head by a blunt object in an altercation at the intersection of Ford Road and U.S. 11 at Lenoir City about 9:30 p.m. Sunday. Goodson reportedly is partially paralyzed in the left arm and leg from the brain injury he sustained.

Tuesday morning Clifford Stamey of East Lee Highway, Lenoir City, was arrested and charged with felonious assault with intent to murder in the case. He was released on \$500 appearance bond.

FORMER BOSS LISTENS-As his former boss, Governor Winfield Dunn, listens, County Judge candidate Bill Russell speaks to the 1500 at the Loudon County Republican Rally Tuesday night. Governor Dunn praised Russell's energy and contributions to his administration during his remarks.

DR. NAT WINSTON shows his talents on the banjo and singing as the crowd cheered him at the Republican rally and barbecue at Loudon Tuesday night.

to be sure everything was just right, concluded the busy day. Thursday was occupied with preparations for and the return flight to Knoxville. "We had been invited to lunch with Rep. Duncan," Mrs. Thomas said, "but we had to cancel it because we didn't have time." They returned to Knoxville at 3 p.m. Thursday. "Mitch loved life," his mother recalled, "and he lived it that way. He had a ball. And then her memories shifted to a more somber note. "You wouldn't have thought that he had such a strong sense of responsibility that he showed."

Loudon Faces Major Fire Facilities Improvement Program

If the City of Loudon is to maintain its present Class Six Fire Insurance rating it must meet a long list of requirements recently set down by the Insurance Services Office of Tennessee following a recent inspection of city fire fighting facilities.

Mayor Gene Lambert said that to maintain the rating the city faces a capital outlay of \$200,000 for new equipment, hydrants, manpower and other facilities. Lambert said that Loudon is one of the few cities in the state with a six class rating that most cities in the population range of Loudon are seven or eight class.

The Mayor said that one of the major items is a new 1,000 gallon per-minute fire pump-

per, and a major overhaul of the fire hydrant and water line system throughout the city.

According to City Administrator Gary Hensley the Class Six rating saves the city property owners about \$100,000 per year over the Class Seven rate.

Mayor Lambert said that some of the items in the evaluation by P.N. Rychen, Assistant Supervisor of the ISO, could be spread over a five year period and he believes that the list of recommendations could be accomplished without a property tax rate increase.

The Mayor and Administrator Hensley have also been in contact with the state office attempting to get some of the recommendations

relaxed.

The recommendations, which amount to requirements for maintaining the present rating, are as follows:

FIRE DEPARTMENT

1. Due to the fire flow requirements of the large industrial plants and congested downtown areas, at least two first line pumps should respond to all building fires.

A new fire department pumper of at least 1000 gpm pumping capacity certified by a nationally recognized testing organization such as Underwriters Laboratories, Inc. be installed and fully equipped. The old 1952 Pirsch pumper should remain in

reserve equipped and ready for service.

2. Additional full-time firemen should be provided whereby at least two full-time firemen will be on duty 24 hours per day with each required piece of fire apparatus.

3. The practice of full-time firemen responding to fire alarms outside the corporate limits, except for mutual aid to another town, should be discontinued immediately.

Two first-line pumps and full-time firemen should remain inside the city limits.

4. A training program should be inaugurated which will guarantee each paid-on-call fireman at least four hours of training each month and full-time firemen at least two hours training daily, while on duty.

Company members should make frequent inspections of buildings on a scheduled basis. Inspection data should be recorded on suitable forms augmented by appropriate notes and sketches and used as subjects for discussion in the training program, including pre-fire planning of individual buildings.

Adequate records of training operations should be maintained so they can be evaluated by this office. Records should include dates, men attending, time spent, type drills and/or evaluations performed, and any other pertinent information concerning training operations.

5. A deck gun with three 2 1/2-inch inlets, equipped with several straight stream tips, and a large capacity fog nozzle should be purchased for the fire department.

6. Additional minor fire fighting equipment as marked on the enclosed sheet should be purchased and placed on the fire department pumper.

7. Provide for the fire department, a total of 4000 feet

of 2 1/2-inch double jacketed rubber lined hose under 10 years old.

This amount of hose is based on at least 1200 feet of 2 1/2-inch hose loaded on each required pumper and 1200 feet of hose in reserve for each pumper. Hose drying facilities should be provided.

8. All fire department apparatus should be equipped with a two-way radio.

9. Sufficient company officers be designated so there will be at least one company officer for each company installed.

FIRE SAFETY CONTROL

10. The fire prevention code should be strictly enforced. All commercial and industrial buildings should be inspected at least twice annually and for the more hazardous occupancies, four or more times a year, with follow up on violations of the code.

Permanent records and diagrams of each property inspected should be established with a record of inspections. We are enclosing suggested forms which can be tailored to meet the City's needs and will be helpful in establishing your permanent files.

SERVICE COMMUNICATIONS

11. A specific telephone number should be assigned for fire alarm emergency service with a separate number assigned for normal fire department business and so listed in the telephone directory.

The dial should be removed from the telephone assigned to receive fire alarms located in the firemen's quarters on the second floor.

WATER DEPARTMENT

12. Install mains, valves, and Mr. Woodard.

and hydrants marked in "Red" on attached water distribution map.

In future installations, hydrants should be installed as follows:

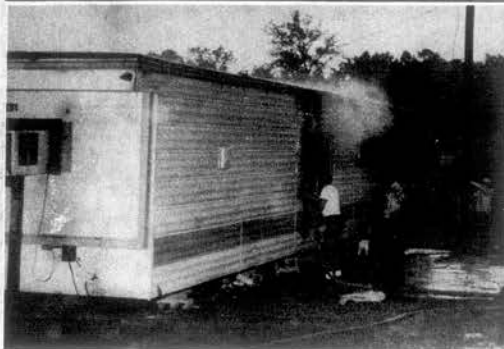

(a) In business, industrial, and institutional districts, hydrants should be installed at each intersection and intermediate hydrants so that they are not over 300-400 feet apart.

(b) In residential districts, hydrants should be installed at each intersection, with intermediate hydrants so that they are not over 500-600 feet apart.

13. Gate valves should be inspected annually and fire hydrants semi-annually, with records maintained of the condition, repairs made, and date of inspections.

It was noted during the inspection, many hydrants need to be raised.

Plans should be initiated for the compliance of these recommendations to upgrade the fire protection facilities and to retain a sixth class rating.

MOBILE HOME GUTTED—The Loudon County Rescue Squad extinguished a blaze at the mobile home residence of the David Grissom family on Get Good Road near Loudon late Saturday afternoon. Lightning struck the television antenna causing the fire to start in the television set. The interior of the home was gutted. The family was not at home at the time. The fire flamed up again later adding to the damage. Mr. Grissom said that the contents of the home was a total loss.

Company members should make frequent inspections of buildings on a scheduled basis. Inspection data should be recorded on suitable forms augmented by appropriate notes and sketches and used as subjects for discussion in the training program, including pre-fire planning of individual buildings.

Adequate records of training operations should be maintained so they can be evaluated by this office. Records should include dates, men attending, time spent, type drills and/or evaluations performed, and any other pertinent information concerning training operations.

5. A deck gun with three 2 1/2-inch inlets, equipped with several straight stream tips, and a large capacity fog nozzle should be purchased for the fire department.

6. Additional minor fire fighting equipment as marked on the enclosed sheet should be purchased and placed on the fire department pumper.

7. Provide for the fire department, a total of 4000 feet

of 2 1/2-inch double jacketed rubber lined hose under 10 years old.

This amount of hose is based on at least 1200 feet of 2 1/2-inch hose loaded on each required pumper and 1200 feet of hose in reserve for each pumper. Hose drying facilities should be provided.

8. All fire department apparatus should be equipped with a two-way radio.

9. Sufficient company officers be designated so there will be at least one company officer for each company installed.

FIRE SAFETY CONTROL

10. The fire prevention code should be strictly enforced. All commercial and industrial buildings should be inspected at least twice annually and for the more hazardous occupancies, four or more times a year, with follow up on violations of the code.

Permanent records and diagrams of each property inspected should be established with a record of inspections. We are enclosing suggested forms which can be tailored to meet the City's needs and will be helpful in establishing your permanent files.

SERVICE COMMUNICATIONS

11. A specific telephone number should be assigned for fire alarm emergency service with a separate number assigned for normal fire department business and so listed in the telephone directory.

The dial should be removed from the telephone assigned to receive fire alarms located in the firemen's quarters on the second floor.

WATER DEPARTMENT

12. Install mains, valves, and Mr. Woodard.

Mrs. Lora Miles had as her guests last Monday, Mrs. Everette Moore and daughter Fonda of Pontiac, Mich. Mr. and Mrs. L.W. Miles and family of Paris, Tenn. were also guests on Sunday.

Scotty Wicker of Chattanooga spent a few days last week with his grandparents, Mr. and Mrs. Claude Wicker.

Leann and Bobby Bailey of Lenoir City spent Monday night with their grandmother, Mrs. Josie Wilson.

Mrs. Zeno Dutton of Des Moines, Iowa, Mr. and Mrs. Joe Lane honored their mother, Mrs. John Houston, recently on her 77 birthday with a birthday dinner those attending were, Mr. and Mrs. Robert Houston of Chattanooga, Mrs. Viola Murray of Lenoir City and Mr. and Mrs. Thomas Houston.

Penny Witt of Lexington spent Monday with her grandmother Mrs. Gladys Witt.

DORTCH'S DAISES

VALOIS SHEA is working for DORTCH OLDHAM for Governor. DORTCH OLDHAM has had experience in dealing with people and evaluating their abilities. He is the leader Tennessee needs. Mrs. Oldham has what it takes to be the next Governor of Tennessee.

Zoning For Development On New 72 Discussed

The inspection of roads being built in the Martel Estates East subdivision, the possibility of developing a new zone for regulation of commercial development along the new highway 72 connector

to I-75, and newly instituted regulations governing subsurface sewage disposal systems in Loudon County were the main topics of concern at the regular meeting of the Loudon County

Regional Planning Commission Thursday. Planning commission members, county road engineer Tom Davis, and developer Jim Hamilton discussed the condition of the

roads in Martel Estates East Subdivision. Construction of the roads in it is approximately 50 percent complete, and Davis stated that inspection of the roads as called for in the Loudon County Road

Acceptance Standards manual had not been made, adding that possible drainage problems might occur due to the extensive amount of grading which has been done on the site.

Hamilton remarked that he was unaware that the county road engineer was required to make the various inspections in accordance with the manual and stated that he was under the impression that the

signature of the road commissioner on the plat, which has been approved by the Loudon City Regional Planning Commission, was all that was needed.

Staff planner Steve Campbell pointed out that although the applicable subdivision regulations called for the signature of the road commissioner, since the roads in the subdivision would be presented to the County Court for acceptance and maintenance, the procedural requirements of the road acceptance manual should be adhered to.

Following considerable discussion, Hamilton and Davis agreed to make inspections of the roads in the subdivision and to try to resolve any possible deficiencies present in the construction of the road system. In order to prevent a similar situation from occurring in the future, the planning commission voted to ask the planning commissions in Loudon and Lenoir City to consider revising their local subdivision regulations to make them more consistent with the procedural and developmental requirements of the county's road acceptance manual.

The planning commission discussed the possibility of instituting zoning changes along the new highway 72-Interstate 75 connector in order to better guide commercial development in that area. Staff planner Campbell noted that the present Loudon County zoning resolution may be inadequate to provide proper land use controls in an area like this.

Campbell stated that he has presented the Loudon Regional Planning Commission with a proposal for the development of a new commercial district in the Loudon County zoning resolution which would be called the Planned Commercial District, and that he received favorable response to the suggestions. Such a district would allow the planning commission to exercise more influence over commercial development in the area.

Campbell pointed out that one of the main objectives of the new zone would be to avoid situations which allow the

development of strip commercial highways and the numerous problems associated with such development activity. Campbell also suggested that commercial activity along the new highway be restricted to two areas; that is, the area surrounding the I-75 interchange and the area in the vicinity of the industrial park road, SR-72 and U.S.-1. The planning commission decided that staff should proceed with the development of a new commercial district zone and that further close contact with the Loudon Regional Planning Commission and the Loudon Utilities Board regarding zoning and utility extensions should be maintained.

Loudon County environmentalist J.R. Proaps gave a brief summary of new regulations governing subsurface sewage disposal systems. The new requirements, Proaps explained, rely heavily on the capability of the land to accommodate subsurface sewage disposal systems. Of particular importance will be soil evaluation on lots where septic tanks are to be installed. Certain changes will also be required in regard to the submission of preliminary plats to the planning commission. Whereas prior to this time the planning commission was the first to receive the preliminary plat, the new regulations will require that the Health Department review the plat before any action is taken by the planning commission.

In other action, staff planner Campbell introduced discussion of the possible application of certain aspects of the Delist-method for formulating the goals and objectives of a new land use plan to be developed by the planning commission during the current fiscal year.

A possible pollution problem generated by an asphalt plant located near Philadelphia was examined. Comments from the planning commissioners were noted concerning the proposed I-49 interchange at Watts Road, and the commissioners were reminded of the need to document facts regarding enforcement of the Southern Standard Building Code.

The five Democrat Supreme Court candidates are shown on their recent visit in Loudon

The Five Candidates Are:

Justice William H.D. Fones

Justice William H. D. Fones of Memphis, the only present member of the Tennessee Supreme Court who is a candidate for election to the office. He was a member of the prominent Memphis law firm of Rosenfield, Borod, Fones, Bogatin and Kramer before being appointed a Shelby County Circuit Court Judge in 1971. Governor Winfield Dunn named him an Associate Justice of the Supreme Court in 1973.

William J. Harbison

William J. Harbison of Nashville, who in 1966-67 served as a Special Associate Justice of the State Supreme Court, is a partner in the Nashville law firm of Trabue, Minick, Sturdivant and Harbison and his career includes a lecturer in law and adjunct professor of law at Vanderbilt University Law School where he has taught since 1950.

Joseph W. Henry

Joseph W. Henry of Pulaski, has served as president of both the Tennessee Bar Association, in 1970 and 1971, and president of the Tennessee Trial Lawyers Association from 1965-66. His service in those positions was marked by a positive movement to reform outmoded procedures in the state legal system. He's a former Tennessee Adjutant General serving in the cabinet of the late Governor Frank G. Clement.

Chancellor Ray L. Brock

Chancellor Ray L. Brock of Hixson, who in order to seek a Supreme Court seat has resigned his position as judge of the state's Third Chancery Division, to which he was appointed by the late Governor Frank G. Clement in 1963 and to which he was elected in 1966. He would have been unopposed in his re-election for the seat this year. He is the only trial judge now seeking appointment to the high court.

Judge Robert E. Cooper

Judge Robert E. Cooper of Chattanooga, Chief Judge of the Tennessee Court of Appeals - Eastern Division, who is a former Circuit Court Judge in Chattanooga. Prior to that Cooper served as a criminal prosecutor on the staff of the Hamilton County District Attorney. He was appointed to the Court of Appeals in 1960 by the late Governor Buford Ellington; was elected 1962 and re-elected 1966.

Your vote for these men will assure Tennessee of having a competent & fair Supreme Court

You Need A Friend In Government

SNODGRASS

For Governor

1974

There's no doubt about it, Stan Snodgrass is the man Loudon County needs as governor. Stan sees people, not just voters, when he meets his friends throughout the state. He listens and understands their problems, then he finds solutions that work.

Stan Snodgrass stands for honesty and decency in government. Through the years, Stan has earned this reputation and the respect of every one he's come in contact with, church leaders, fellow lawyers, legislators with whom he's served, and friends all across Tennessee.

The needs of the people of Loudon County are what Stan Snodgrass has on his mind:

VOCATIONAL EDUCATION
"We need to develop the same Pride of Craftsmanship in our young people that their parents and grandparents had. I want to see an alternative system of education that will develop the talents of students in skilled trades. Not everyone wants to go to college, and we must provide ways for young people to prepare for rewarding careers which they can take pride in. Young people are our most precious resource."

INDUSTRIAL DEVELOPMENT
"Expanded vocational education will provide Tennessee with a skilled, job-educated work force... this is what attracts new industry to a state. This new industry in turn provides high-paying jobs for Tennessee's citizens, and helps build a stronger financial base on which the state can increase its services to the people. New industry and the expansion of existing industry in Tennessee will be a high priority when I'm governor because this is the quickest way to increase the personal income of all Tennesseans, and to improve the quality of life in Tennessee."

ROADS AND HIGHWAYS
"With the Interstate system almost complete it's time we turned our attention to secondary and access roads throughout Tennessee. Good roads contribute greatly to a state's economic growth, and I intend to work toward making Tennessee's total highway system one the people can use profitably every day."

MENTAL HEALTH
"Only two of Tennessee's five mental hospitals currently meet minimum national standards. Unless we upgrade these facilities in Tennessee we'll lose several hundred thousand dollars in Federal funds. It takes a great deal of time to build new hospitals and repair old ones, and I believe we must start now if our citizens are to receive the quality health care they deserve."

AGRICULTURE

"The traditional role of the farmer in Tennessee must be preserved. I will do everything I can to see that the farmer receives his fair share of the food dollar. The farmers of Tennessee can be sure they'll have a friend when I'm elected governor."

CONSUMER PROTECTION

"The cost of living is constantly on the rise. As governor, I will support the Consumer Protection Bureau whose responsibility it is to insure that the people of Tennessee receive the best quality and most quantity for their hard-earned dollars."

A FRIEND IN GOVERNMENT

"As governor I intend to install a state-wide toll-free COMPLAINT LINE direct to the governor's office. A special team of investigators, acting on my behalf, will be on call to look into any severe problems that can be corrected by state agencies. I want all Tennesseans to know that they'll have a friend in the governor's office."

During the course of this campaign it will be virtually impossible to personally visit each and every one of you. I hope you will feel free however to contact me with any problems or suggestions you may have. Please write to me at state headquarters, or your county headquarters, and I assure you that I'll be responsive to your needs. With God's help, I intend to give Tennesseans the friend they need and deserve in government.

Your friend,
Stan Snodgrass

Paid Pol. Adv. Inserted by Snodgrass for Governor - Loudon County Committee - Bert Enright Chrm., J.V. McHabb, Treasurer

Loudon Has New FFA Advisor, Two Attend Camp

The Loudon FFA Chapter was represented at the Tennessee FFA Leadership Training Center at Camp Clemens by Jeff Nichols and Jeff Belcher along with their Chapter Advisor, Max McElhanev.

Mr. McElhanev succeeds Richard Calahan as Loudon High School Chapter Advisor. He is a native of Rutledge and a 1970 graduate of Rutledge High School. He received his B.S. Degree from the University of Tennessee College of Agriculture this

year. While at the University, he was chosen Outstanding Ag-Ed senior, Outstanding Senior in Teacher Education, Who's Who in American Colleges and Universities, a member of the UT Dairy Judging Team and a member of the UT Singers.

The three attended Camp Clemens during the week of July 18-19 at Doyle, Tennessee. Although the camp is dedicated to leadership training, the Future Farmers also learned more about their

organization in addition to actively competing in sports and recreational activities. During the week, each member attended an officers class and a program of work class which are designed to help the member in his local chapter during the forthcoming year.

The Loudon Chapter received a blue state chapter award having earned 399 of a possible 400 points during the week. This was the highest total points earned by any chapter.

Jeff Nichols, president of

the Loudon Chapter, served on the camp council and participated in the flag raising ceremony. Jeff Belcher provided the invocation and gave the roll call of chapters. Demonstrating his athletic abilities, Jeff Nichols participated in all major sports and received third place in the shot put competition. In addition to his team efforts in softball, basketball, and volleyball, Jeff was the champion diver at Camp Clemens having won first place in the jack-knife, swan and big splash competitions.

To further recognize Jeff's abilities, as well as character, he was awarded the title of "Best Sport" by his teammates.

Jeff Belcher admirably represented Loudon in the FFA Quiz Contest as Jeff Nichols did well in the Extemporaneous Public

Speaking Contest.

Having received certificates for their leadership training, Nichols and Belcher

returned with new ideas and high aspirations for directing the work of their chapter this year.

AIN'T IT FUN! Bryan Lindsey sure thinks so as he enjoyed the fun at Loudon Municipal Pool Sunday afternoon.

THE FROGMAN—Frogman Tony Lindsey is unaware that he is about to be attacked by Kim Willis at the pool Sunday afternoon.

POOLSIDE BATHERS—These young ladies are shown at Loudon's pool Sunday afternoon just relaxing and getting their feet wet.

POOL ANTICS—These youngsters were sure having fun at Loudon's pool Sunday afternoon. The pool will remain open daily until school starts.

Swimmers Course Set

The Loudon County Chapter American Red Cross will offer a Swimmers Course starting July 29 through August 9 at Loudon Municipal Pool from 7 to 9 p.m. You must have passed intermediate swimming before taking this course. You may register by phoning American Red Cross 986-3468, Monday through Friday.

Pvt. Denny Gets Badge

Army Private Ernest E. Denny, son of Mr. and Mrs. Sam Denny, Cox Road, Loudon received a parachute badge upon completion of the three-week airborne course at the U.S. Army Infantry School, Ft. Benning, Ga.

During the first week of training, he underwent a rigorous physical training program and received instruction in the theory of parachuting. The second week tested his ability through jumps from the 34-foot and 250-foot towers. The final week he was required to perform five static line parachute jumps.

Mark Noe Is Promoted

Mark A. Noe, son of Mr. and Mrs. Ralph B. Noe, Williams Ferry Road, Lenoir City, has been promoted to airman first class in the U.S. Air Force. Airman Noe, a weather observer at Ft. Stewart, Ga., is assigned to Detachment 19, 16th Weather Squadron, a unit of the Air Weather Service. The airman is a 1972 graduate of Lenoir City High School.

DORTCH OLDHAM

has the know-how to govern Tennessee best for you.

He's the kind of man who makes things happen. Always has. He's tough, honest and hard-working. People talk about the way he built a small Tennessee publishing company into one of the largest in the United States. They talk about his warmth and openness with people. His knack for making the right decisions, too. But Dortch Oldham's record speaks for itself. Now we need a leader who can put efficiency in state government and bring new industry to Tennessee. The choice is simple. Put Dortch Oldham to work building a better Tennessee for you.

Help elect him governor. Republican Dortch Oldham has the strength to succeed.

Bridge At Loudon Named For Sgt. York . . .

Stout One Of 3000 To Win Medal Of Honor

The Medal of Honor, the nation's highest military award, has been awarded to a mere 3000 persons in its more than 100 years of existence, pointing out the importance and honor. The fact that Sgt. Mitchell Stout, of Lenoir City, who was killed shielding his comrades from a grenade blast in Vietnam on March 19, 1970, has been selected for this highest of high honors has brought honor and pride to his family and to his home town and county.

Sgt. Stout's selection for the Medal of Honor makes him not only the most decorated soldier, but will probably become the most remembered among the more than 100 Loudon Countians who were killed in the two world wars, Korea and Vietnam.

Sgt. Stout's selection for the Medal puts him in the company of America's greatest heroes. Names most readily associated with the Medal of Honor in Tennessee are Sgt. Alvin York who received the award for his battlefield gallantry in World War I and Alexander Bonneyman of Knoxville. Bonneyman won the medal for action on "Bloody Tarawa" where he

killed 200 Japanese soldiers with his own hands and a few TNT charges, before he was killed himself. When others in his company found his body he had his hands around the neck of a Japanese in a death grip.

Known to few Loudon Countians the river bridge at Loudon was named years ago The Alvin C. York Bridge.

How It Started

Gen. George Washington started it all in 1782. Sacrifices at Bunker Hill, Lexington and Valley Forge had won independence for the United States and brought honor to

Gen. Washington. But he realized that he alone could not take credit for the defeat of the British. The General felt that some recognition should be given to the anonymous men of the Continental Army—those soldiers whose efforts extended beyond the normal

call of duty. Thus, the Badge of Military Merit—our country's first military decoration was born.

From that first decoration, awarded to only three men, grew both the philosophy and the method by which this country expresses its appreciation to the members of the military.

Following that guideline, the Medal of Honor was authorized by Congress, Dec. 21, 1861, to be awarded only on direction of the President for heroic action. It was the second decoration to be created.

HALL OF HEROES—The name of Sgt. Mitchell Stout was just added to the some 3000 Americans who have won the Medal of Honor in the past 113 years. The Hall of Heroes, above, is located in the Pentagon. The bronze plates on the walls contain the names of the medal winners.

THE MEDALS—The three Medals of Honor (left to right) of the Army, Navy and Air Force in giant form as they are displayed in the Hall of Heroes in the Pentagon in the nation's capital.

Carbide Tells Of Promotions For Nine

A number of promotions at the Union Carbide, Films-Packaging plant in Loudon were announced this week by plant manager Ray Birkholz. Birkholz said that Nat Campbell, Don Nichols, James Cardwell and Ralph Schrimsher, all formerly shift foremen, have been promoted to shift supervisors. Each of the four men have approximately 17 years service with the company.

Mrs. Carol Ostead has been promoted to forelady in the small casing finishing area of the plant. She has been employed by the company since 1969.

Three other men, Jimmy Grimes, Charles Helms and Carlos Evans have been promoted to foreman in the production area. Grimes, Helms and Evans have all worked in the chemical, extraction and drying area operations since 1957, 1964 and 1968 respectively.

James Savage was promoted to foreman and is presently on special project assignment. He has been in the powerhouse operation since 1957.

Campbell, Cardwell, Schrimsher, Evans and Savage have done training and supervisory work in the Barcelona, Puerto Rico Plant on numerous occasions.

The criteria remains almost the same today. The eligibility requirements, however, have been expanded to provide for the responsibilities the U.S. has assumed in various parts of the world.

The Medal:

The Medal itself has taken a variety of forms, in its 113 year history. The Army, Navy have always had their own copy of the Medal. The Air Force used the Army's design of the Medal until 1965. (Air Force was part of the U.S. Army until 1947) In 1965 the Air Force designed its own medal.

On July 25, 1963, an act of congress made the Medal of Honor available for acts of heroism performed while engaged in an action against an enemy of the U.S., while engaged in Military operations involving conflict with an opposing foreign force, or while serving with friendly Foreign troops

engaged in an armed conflict against an opposing force in which the U.S. is not the belligerent party.

Earliest Recipients:

Eddie Rickenbacker was first flyer to receive medal. He received the medal in 1931 for action in World War I.

Between Wars:

General Billy Mitchell and Capt. Charles Lindberg were awarded "The Congressional Medal of Honor." This was special awards for Mitchell's pioneers service to the field of aviation and Lindberg's famous flight. Although this is not the military Medal of Honor it does hold the same rank and honor as the military medal.

Of the millions and millions of men who have served in the military service since the birth of the medal only some 3,000 men have earned the famed and coveted Medal of Honor.

During the Civil War, Indian

Wars and other bush wars before 1896 many men were awarded the medal that did not qualify. In that year the medal of honor winners were reviewed and hundreds of the medals were revoked and lesser medals awarded.

To win the Medal of Honor one must perform duty that is above and beyond the call of duty. It must be at the risk of life. The act must be seen and sworn to by at least two observers. If any of these rules are not present the medal is not approved. The Congress must act on the medal and can only be awarded by the congress of the U.S. Whenever possible the medal is to be presented by the President of the United States. The citation must be signed by the president as commander-in-chief.

Recently a special alcove between corridors six and seven in the Pentagon has been established as the Hall of Heroes in honor of all who

have won the medal. On nameplates in the Hall are the names of all winners.

The youngest man to receive the medal was 17 the oldest in his 60s. The men have been young and old, white and black. Many men who have won the medal were not even citizens of this country, but were serving in our military.

First to Win Medal:

The first men to win the Medal were the members of Andrew's Raiders. The Raiders job was to travel from Tennessee to Georgia on the "train General" and then to steal the engine and run it to Nashville. Their mission was to burn the trestles and destroy the track behind them.

President Harry Truman an ex-combat officer once said with real tears in his eyes "I would rather have the Medal of Honor than to be President of the United States—I sincerely feel it is a far greater honor."

CAA Lists Job Openings

The Mid-East Community Action Agency is accepting applications for a Nurses position with the Office of Child Development's Head Start Program serving Loudon and Roane Counties.

Women Hold 42.5 Percent Of All Jobs In Loudon County

In Loudon County, the proportion of women in the labor force is greater than ever. The latest government figures show that no less than 3,880 local women, out of a total female population of 9,130 over the age of 16 are employed or are seeking employment. The proportion, 42.5 per cent, is well above the 31.6 percent reported in 1969. It compares with 41.4 percent in the United States and with 36.8 percent in the East South Central States.

Of the local male population over age 16, approximately 72.8 percent are in the labor force. Details on the feminine march into the labor market, as it affects each part of the nation, come from the Department of Commerce, The Conference Board and others. Overall, nearly 31 million women are now in the labor force. They are to be found in offices, in stores, in factories, in service businesses and in various professional activities. Few occupations are closed to them nowadays. The degree to which Loudon County women have made their presence felt in the employment field is brought out in the official figures. They show that local women now hold some 40 percent of all jobs in the area.

According to the Bureau of Labor Statistics, almost two out of every five persons of working age in the United States were not employed and not seeking employment in the past year. The most common reasons given were school attendances, home responsibilities, disability and discouragement over ever being hired. The extent to which the profile of the labor force has been changing over the years is indicated by The Conference Board figures, which show that women held 38 percent of all jobs in the country in 1973, up from 25 percent in 1948. During the same period, those held by men dropped from 74 percent to 63 percent.

The reports indicate, also, that new job applicants are increasingly finding job opportunities in white collar positions, in service-oriented industries and in government. By the same token, the ratio of workers in agricultural jobs has been decreasing. It dropped from 13 percent of the labor force to four percent in the last 25 years.

Teresa Maria King, daughter of Mr. and Mrs. Hay King, celebrated her first birthday on July 22. She is the granddaughter of Mr. and Mrs. Donald J. Schillaci and Mr. and Mrs. Clyde L. King, Sr., all of Chattanooga.

Swaney Is Haney Chairman

Franklin Haney, Democratic candidate for governor in the August 1 primary, has named Jerry D. Swaney of Loudon to head the Haney for Governor campaign in Loudon County.

The announcement was made in Nashville during a meeting of all Haney for Governor chairmen and coordinators. During the meeting, Haney pointed out that the people of Tennessee want a new face in politics just as his latest poll—which jumped 19 percent—showed.

Swaney, an operator at Alcoa Aluminum Co. in Alcoa, attended Loudon High School and is a veteran of the U.S. Air Force. He is married and has two children. In accepting the appointment in Haney's campaign, Swaney said, "It is an honor to be a part of this campaign. I have not been active in politics before, but I believe in Franklin Haney, and I appreciate this opportunity to serve in his campaign."

Swaney is a Chattanooga businessman. The polls show that I gained 10 per cent of the vote in 21 days and they show that my top goals—to bring more jobs and better pay for the young people in this state, to protect senior citizens from rising taxes and the hardship of fixed income are the goals of all the people," said Haney.

Swaney, in making the announcement, said the people of Tennessee are tired of the old politics and are ready for new ideas and new faces in leadership.

For Governor

COUNTY CHAIRMAN-Franklin Haney, left, Democratic candidate for governor in the August 1 primary, discusses his plans for getting out the vote with Jerry D. Swaney, center, campaign chairman for Loudon County, and Frank Clement, Jr., state campaign manager.

STRONG LEADERSHIP FOR TENNESSEE FRANKLIN HANEY KNOWS TENNESSEE FAMILIES NEED MORE AND BETTER JOBS

Families are the backbone of Tennessee. That was true when the first settlers set up homes here. It was true when Franklin Haney was growing up on a farm in McMinn County. It's true today. With Franklin Haney as your next governor, it will be true for your children and grandchildren.

Franklin Haney sees the needs of Tennessee families. He came up the hard way. He knows that his number one job as governor will be meeting those needs, providing opportunity. He's spelled out a blueprint... to do it just like he built a \$200 million company from scratch in seven years.

The Haney plan means more and better jobs will be brought in to help men and women make ends meet. The Haney plan means that the young people can stay home and won't have to leave Tennessee to find higher paying jobs in another part of the country.

The Haney plan means that vocational and technical educational programs of Tennessee will be beefed-up to make sure that the jobs are available for people after they are trained.

The Haney plan means that the state's senior citizens won't have to pay increases in property taxes when they reach age 65 and have to live on fixed incomes. It means that our older citizens, who have already paid the price in making Tennessee a great state, won't have to pay taxes on prescription drugs. It means they will have low cost public transportation.

The Haney plan means quality education for every child in Tennessee. The Haney goal is to make certain that every man, woman and child in every area of Tennessee gets their fair share of the services of state government.

Franklin Haney knows what it takes to get things done. As a husband and father and a man who has worked to get ahead, he knows it must be done. He has the ability and the strength to lead. He will help your family and others in Tennessee enjoy and build the state we call home.

To do it, he needs your help — Give him your vote and support on August 1.

From the Haney Family Scrapbook

John Haney, Franklin's father, on a Sunday afternoon with his children on the family's farm in McMinn County. From left are Faye, Betty (in her father's arms) and Franklin. Mr. Haney worked a second job as a molder in a foundry to make ends meet. He was killed in a tractor accident on the farm in 1966.

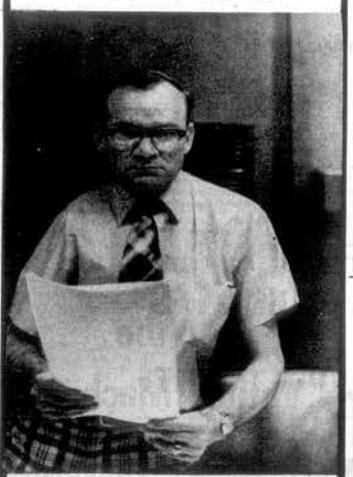

Franklin Haney and his wife, Emily, and their daughters, Mary Alice, 2, and Mae Elizabeth, 1.

For Governor FRANKLIN HANEY

- * Complete cooperation with all lawyers and law enforcement agencies
- * Dpen on Wednesday afternoons
- * Office in sound financial condition by complying with state audit regulations

LOUDON COUNTY GENERAL ELECTION
Thursday, August 1, 1974
(Paid Pol. Adv. by Billy Joe Akins)

Windle Is Haney County Coordinator

Franklin Haney, Democratic candidate for governor, has named Charles B. Windle, a Loudon businessman, as coordinator of Haney's campaign in Loudon County.

The announcement was made in Nashville during a meeting of all Haney for Governor chairmen and coordinators. During the meeting, Haney pointed out that the people of Tennessee want a new face in politics just as his latest poll — which jumped ten percent — showed.

Windle, co-owner of Loudon Tool & Die Co., attended schools in Loudon County, is a member of the Tennessee National Guard and is a Mason. In accepting the appointment in Haney's campaign, Windle said it was an honor to be a part of the new politics in Tennessee.

"Franklin Haney is the man who can change things in Tennessee and bring a fresh approach to our problems," Windle added. Haney, in making the announcement, said the people of Tennessee are tired of the old politics and are ready for new ideas, and new faces in leadership.

"The polls show that I gained ten per cent of the vote in 21 days and they show that my top goals — to bring more jobs and better pay for the young people in this state, to protect senior citizens from rising taxes and the hardship of fixed income are the goals of all the people," Haney said. Haney is a Chattanooga businessman and developer.

For Governor

HANEY COORDINATOR-Franklin Haney, left, Democratic candidate for governor in the August 1 primary, discusses his plan for getting out the vote with Charles B. Windle, his Loudon County Coordinator, and Frank Clement, Jr., state campaign manager.

DORTCH'S DAISIES

MARY RUTH DUNSMORE is working for DORTCH OLDHAM for Governor. DORTCH OLDHAM, with his ideas and common sense methods, the support of people who want mature, conservative leadership, make him the front-runner for Governor.

(Paid by Loudon County Oldham For Governor Committee)

TVA Streamflow Information Available

The canoeing and fishing public can now get up-to-date streamflow information around the clock on 20 streams in and near the Tennessee Valley through a new telephone recorded message device installed by the Tennessee Valley Authority. The telephone number to call in Knoxville (615) 525-5731 for this 7-day-a-week service.

DEMOCRATS HAVE CROWD—Part of the crowd of some 800 persons who attended the Democrat Fish Fry and Rally Friday night at Lenoir City Park are shown under the picnic shelter listening to the candidates speak.

powerhouses on seven streams, streamflow gauge readings on 13 uncontrolled streams, and lake elevations for four TVA reservoirs. Daily average total flow will be provided for Norris Dam on the Clinch River, Douglas on the French Broad, Apalachia on the Hiwassee, Chilhowee on the Little Tennessee, Nantahala on the Nantahala River, Parksville and Ocoee No. 3 on the Ocoee River, and Fort Loudoun Dam on the Tennessee. The Friday message will include estimated flows through the weekend. Flows are subject to change without notice.)

For uncontrolled streams, 7 a.m. streamflow readings will be provided from gauges on the Buffalo River (Lobellville gauge), Collins (McMinnville), Duck (Normandy), Emory (Oakdale), French Broad (Newport), Harpeth (Kingston Springs), Little River (Maryville), Nolchucky (Emoryville), O'bey (Jamestown), Oconaluftee (Birdtown), South Fork Cumberland (Stearns), Tellico (Tellico Plains), Toccoa (Dial). These readings will be reported on Saturdays as well as weekdays.

SERIOUS TALK—Democrat County Judge Candidate Charles Eblen and Jerry Swaney county chairman of the Franklin Haney campaign are shown talking at the Democrat Fish Fry last Friday.

Lake elevations will be included for Cherokee, Douglas, Fontana, and Norris Reservoirs. Anyone attempting to float these streams should be familiar with the various stream reaches and the degree of hazard they present at different levels of streamflow. TVA recreation specialists advise. Novices

are advised to check with experienced canoeists who can interpret this information.

Reunion Set

The Chambers family reunion will be held Sunday, July 28 at Loudon Lions Municipal Park. Lunch will be served at 12 noon. All relatives and friends are invited to attend.

LOOKING FOR VOTES—Democrat candidate for Trustee, Raymond Phillips, (center) seems to be looking for more hands to shake at the Democrat Fish Fry and Rally Friday at Lenoir City. Some 700 to 800 persons attended. County Judge Candidate Charles Eblen has his back to the camera.

ANNA BELLE CLEMENT O'BRIAN, sister of the former Governor Frank Clement, candidate for 36th District State Representative is shown talking to Rufe Wilson and County Democratic Party Chairman Lee Thompson at the Democrat Rally Friday attended by some 700 to 800 persons.

At Loudon Rally . . .

Alexander Sees Future In Tourism Here

Declaring that the tourist industry should be one of the bright spots in the state's future, especially in East Tennessee, gubernatorial candidate Lamar Alexander today told Loudon Countyans that they are in an excellent location to take advantage of rising numbers of tourists and tourist dollars.

"Tourism was a \$875 million dollar industry in Tennessee in 1973, and should come near the \$1 billion mark this year," Alexander said at the Loudon County GOP rally at the Loudon County High School stadium.

"Located near the metropolitan areas of Knoxville and Oak Ridge and on the way to the Great Smokey Mountains, many tourists must pass through here. With the completion of I-75, which I will do all I can as governor, to support, more people will come to Loudon County," Alexander said.

Alexander noted that with state and local roadside picnic areas, new TVA developments, local scenery and historical sites many of the passing tourists will stop and

see Loudon County, boosting its economy.

Alexander was the first candidate officially to enter this year's candidate-packed race for Governor. He announced his intentions on Feb. 7.

Alexander has gained the endorsement of six major daily newspapers in the past several weeks—The Nashville Banner, the Maryville-Alcoa Times, the Kingsport Times, News, the Cleveland Daily Banner, the Knoxville Journal and Today's News—in Harriman. He has also gained the endorsement of the Dyersburg Mirror, a weekly newspaper.

Alexander has also been

named, along with Sen. Bill Brock, by Time magazine as one of 200 men and women destined to provide the United States with a new generation of leadership.

On May 28 he became the first statewide candidate ever to make a complete report of all contributions and contributors to a campaign before an election. He made a second report on July 15.

Alexander's two disclosures show almost 2,800 contributors have given over \$202,000 to his campaign, an average of \$73 per contribution.

Alexander is a former campaign coordinator and legislative assistant to Sen. Howard Baker and served a year as executive assistant to

Presidential Counselor Bryce Harlow. He is a partner in the 15-member Nashville-rankin law firm of Dearborn and Ewing and until recently served as state chairman of the Tennessee Council on Crime and Delinquency.

TO ALL THE VOTERS OF LOUDON COUNTY

Due to a new law, the Road Commissioners from each district must run county wide. This does not mean I am running against the commissioners of the other districts. If elected I will serve only in the 1st and 4th districts, as I have in the past.

Since I am now serving as Road Commissioner I will be unable to contact everyone in person, for I feel that my first responsibility is to my job.

So I am taking this opportunity to ask each of you for your vote and influence.

With Deep Appreciation,
LILLARD BLEDSOE
Republican Nominee:
Road Commissioner - 1st and 4th Districts

M. F. (Benny) Stafford

for
Representative

21st Legislative District
Loudon & Blount Counties

Your Continued
Support & Confidence Appreciated

For the past four years I have been privileged to serve the citizens of Loudon County in the State Legislature. As in the past I will pledge to listen to the wishes of the people and try to work for their interests in Nashville.

Although I am unopposed in the August election I would greatly appreciate your vote of confidence.

ATTEND WILDLIFE CONFERENCE...Four Loudon County 4-H'ers attended the State 4-H Wildlife Conference recently. They are Danny Crutcher, Theresa Hickey, adult leader; Sandra Brashears and Teresa Goddard, teen leader, who was not present for the picture.

Four Attend 4-H Wildlife Conference

By: Sue Schlosshan
Jr. Assistant Extension Agent

Four Loudon County 4-H'ers went to state 4-H Wildlife Conference in Crossville, Tenn. recently. They are Danny Crutcher, Sandra Brashears, Theresa Hickey, adult leader, and Teresa Goddard, teen leader attended. The conference was held July 8-12.

The week was spent going to field classes and learning about such things as game management, wildlife, ecology, reptiles and amphibians, and hunting safety. There was also a period set aside to explore wildlife. This included sports, wildlife crafts, fishing techniques, nature trail, and a song bird study.

The 4-H'ers had recreation time every day and a campfire every night.

Nat Winston for Governor of Tennessee

Johnson City Press Chronicle Endorsement:
"We feel that Dr. Winston's philosophy—conservative, attuned to the grassroots values inherently respectful of the dollar, is suited to the nation's needs at a time when many strange doctrines abound and the tendency is to spend money as if the world might end at midnight."

- Nat Winston is the Republican candidate who can WIN in November, and he needs your help now. Be sure to vote in the Republican primary, and vote for Nat Winston.
- Nat Winston is against bussing . . . "No child ever got an education on a bus."
- Nat Winston will work against inflation . . . "out state government can best cope with inflation by containing its own expenditures."
- Nat Winston is opposed to a state income tax.
- Nat Winston will fight drugs . . . "it is time to declare war on the leeches of society, the drug pushers."
- Nat Winston will fight crime . . . "lawlessness will not be tolerated, and the death penalty is a useful weapon against crime."
- Nat Winston is in favor of a return to the basics in education, the teaching of the "3 R's"—reading, writing and arithmetic—and discipline in the classroom.
- Nat Winston is everything a governor should be . . . former state commissioner, experienced business executive, and a political conservative who can win in November. Give him your support in the August 1 Primary.

Mrs. Humphrey Wins Scholarship

Mrs. Arvilla J. Humphrey, formerly of Loudon, a Medical Technologist at Irwin Memorial Blood Bank of the San Francisco Medical Society, has been named as one of five scholarship recipients for 1974 by the American Association of Blood Banks.

Mrs. Humphrey, who has been associated with Irwin Memorial for the past two years, will receive the \$1,000 scholarship at the AABB's annual meeting in Anaheim, California, in November. Now in its seventh year, the AABB award program is funded by the Fenwal Division of Baxter Laboratories. The awards are made annually by the AABB's Committee on Education on the basis of an essay pertaining to blood banking or a related field. Mrs. Humphrey's paper dealt with "Titrations Studies in the Kidd System", an identification system for rare blood typing.

To qualify for scholarship consideration, applicants must have been enrolled or accepted for enrollment in a program leading to blood bank certification at an AABB approved institution. Mrs. Humphrey is presently working on her certification in blood banking at Irwin under the direction of Herbert A. Perkins, M.D., Director of Research.

Irwin Memorial has been an official training center for medical technologists wishing to become certified as blood bank specialists since 1961. The Irwin Training Program

MRS. HUMPHREY

is jointly sponsored by the AABB and the American Society of Clinical Pathologists Registry of Medical Technologists and is approved by the American Medical Association. Since its inception, 24 students have completed the Irwin program. Mrs. Humphrey is the second Irwin student to receive the AABB award.

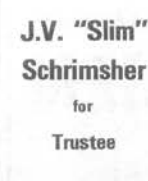

A native of Loudon, Mrs. Humphrey received her B.S. Degree from Carson-Newman College in Jefferson City. She will complete her training at Irwin in January, 1975, and will pursue a career in blood banking. Her husband, Stinson, is a senior at the University of the Pacific School of Dentistry in San Francisco and the young couple make their home in Daly City, Ca.

IT'S THE CUSTOM

Many Americans traveling abroad are unnecessarily fearful about getting through customs. It's neither difficult nor dangerous if you follow these suggestions from the Holiday Inn travel writers:

1. Your purchases can be exempt from duty if you dutifully fill out the customs form, if they are for your personal or household use, if your trip was not made just to buy them and if you didn't order them in advance.
2. You're allowed to bring in duty free items worth \$100 including 100 cigars (not Havanas) and one quart of spirits. Certain art objects and antiques over 100 years old are exempt from this and may come in for free wherever their cost.
3. To avoid overloading your luggage while you travel, send gifts back marked "Gift."

You may send as many as you like, but at present, you can send no more than one a day per person.

4. If you have any questions about whether you can take a particular item home, consult the U.S. consul, or pursue the matter with the purser on your plane.

Hopefully, these hints will keep you from holding up those border lines and help you become accustomed to customs!

Letters to the Editor

DEAR MR. CATE:
 Earlier this month, a cousin of mine, Boyd Jaynes, was killed in an auto accident in Cleveland. His wife, Helen, was seriously hurt in the accident. She is at this time in the Bradley Memorial Hospital, Room 145, Cleveland.
 I was told she had both legs broken, a pin in one knee, one arm broken, pelvis bone broken and hurt through her chest also. Although she is improved, she still has to be in the hospital six to eight weeks longer.
 Helen is 27 years old and is originally from Rhode Island. She has no family as she was an orphan. She and Boyd lived in Dalton, Ga. and was on their way home when they had the wreck in Cleveland. Boyd was killed and Helen was hospitalized with serious injuries. They had no insurance at all. She needs help with her medical expenses because she has no family, no money and no insurance.
 Boyd had lived in Loudon County for years. He was the son of the late Emmet "Cooter" Jaynes who died recently.
 Anyone wishing to help Helen may write her at Bradley Memorial Hospital, Room 145, Cleveland.
 Thank you.

The X-ray devices some airlines use to probe luggage for "hidden tools" can also ruin undeveloped film. So, play it safe by carrying film as hand luggage and asking the airline personnel not to X-ray it.

"To The Voters of Loudon County"

Re-Elect Lee Malone

For Road Commissioner

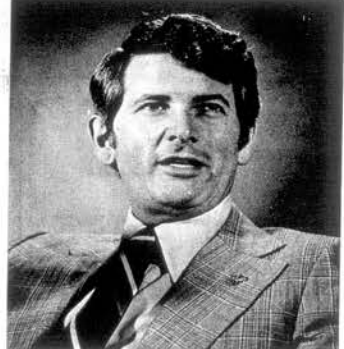

Remember all you voters in Loudon County, the time is nearly here for the General Election, August 1, 1974, and all of you can vote "County Wide". I most sincerely solicit each vote, and need your support. I hope I deserve it, I have tried with the amount I have had to work with to do the best I possibly can. And you can be assured I will continue to do so. Your vote will mean very much, and will be appreciated.

REMEMBER TO VOTE "COUNTY WIDE"

Signed—LEE MALONE
 Paid for by Lee Malone

elect Jake Butcher Governor

The one choice, for change.

Jake Butcher believes government should be honest, government should be efficient, government should be effective. And, most of all, government should be responsive to you. But it's going to take all of us, working together to mold our government into that posture. That's why Jake speaks out on the issues. He wants you to know where he stands, so you can make the decision to stand with him and work for a new day in Tennessee.

- INFLATION**
 I believe the governor of Tennessee can fight inflation. I believe he must, because inflation is eating the very heart out of America. I would clamp down on the runaway spending in state government which has contributed to inflation here in Tennessee. And, I would work to see that we make the best use of the tax dollars we are getting now, so that we get a dollar value for a dollar spent. Industrial development can help alleviate inflation in Tennessee. I would work to bring clean industry to Tennessee, the kind of industry that provides meaningful jobs and good incomes for the people, without polluting our environment.
- INTEREST RATES**
 The root cause of inflation is the high interest rates on loans and rampant spending. And the eastern financial establishment is lobbying to raise the rates even higher. As Governor, I will exert the influence of the Governor's office, in Washington to get the interest rates rolled back to a livable level, and to hold the line on the cost of money, so builders can build, and buyers can afford to buy homes, cars and the necessities of life.
- CRIME CONTROL**
 The crime rate is climbing in our cities and spreading beyond the suburbs into the countryside. While there are no quick solutions, we can begin with more citizen involvement in the problems of law enforcement. We need neighborhood watch programs to teach people how to prepare against potential crime. We must provide job opportunities and educational opportunities. And, in our law enforcement offices we need good leadership and adequate funding for salaries, personnel training and equipment. We need an attitude of respect for enforcement of the law.
- PENAL REFORM**
 We cannot afford to release unrehabilitated prisoners to commit another crime to society. Our prisons must become places in which rehabilitation can occur because, in one way or another, society pays the bill for the way our prisons are run. Right now the bill totals \$3,700 a year for each of the 3,400 prisoners in Tennessee. Confining in prison, in-prison and out-of-prison work programs, the teaching of skills and the proper transition

- sixth from the bottom. That's not good enough. We must make education the top priority of state government. We need to insure that our young people who want to go on to college can have that opportunity. We also need to provide career oriented education in our high schools, so that we can provide our children with meaningful job skills, not just diplomas.
- TVA RATES**
 The price of power in Tennessee is one area in which we must be especially vigilant. We must not allow the utility rates to place a burden on the working man. And we must maintain a favorable rate structure if we hope to attract new industry to Tennessee.
- INSURANCE REFORM**
 If we do not move quickly to enact our own insurance reform, the federal government will thrust a national program upon us. I would like to see Tennessee have the option of tailoring a modified no-fault insurance plan to our own specific needs. I believe we can do so in a manner that would be most beneficial to the consumer, and still protect the right of the injured victim in an automobile crash to sue.
- ETHICS**
 We must produce legislation that will require the publishing of campaign contributions and expenditures. We must not allow the opportunity for large, secret campaign contributions which may be paid off by successful candidates with state contracts. I have and will continue to disclose my campaign contributions voluntarily this year because I believe it is time government officials came out from behind the cloak of secrecy.
- WASHINGTON ADVOCATE**
 We need a full-time representative in Washington whose sole responsibility is to analyze and coordinate funding and programs and channel them into the cities and counties of Tennessee. There are many federally-funded programs from which we could benefit if we could be made aware of the availability and the requirements. These represent funds our taxpayers have paid in to the federal government, and I would work to see that Tennessee gets its rightful share.
- TOGETHER, WE CAN MEET THE CHALLENGE**
 I want you to stand with me now, in this campaign, so that together we can have the opportunity of effectively meeting the challenges facing Tennessee. I will need you throughout my administration, working with me, to see that the government in Nashville is representative of all of the people of Tennessee. Together, we can bring government home to the people.

Paid for by Jake Butcher for Governor Committee, Leo Sanders and Glen Ellis, Co-Chairmen

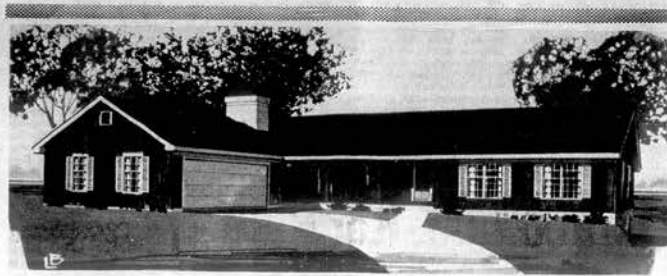

Kemper Back At Goodyear

Bill Kemper has returned to Lenoir City to manage the Goodyear Service Store on Broadway. Kemper was manager of the Lenoir City store from 1968 to 1972. Since that time he was manager of the Crossville store. He returned to Lenoir City Monday of this week, succeeding Terry Reid, who has taken another position with Goodyear.

Mr. Kemper said that he is happy to be returning to Lenoir City where he has many friends and enjoyed a good business relationship with many county businesses.

MR. KEMPER

FOUR BEDROOMS, TWO AND A HALF BATHS

RUSTIC HOME OFFERS SPACIOUS LIVING

The U-shaped kitchen is a real step saver and includes all the latest appliances, such as a dishwasher and a trash disposer. A real feature for the homemaker however, is the generous amount of cabinet and counter space to aid in meal preparation. The kitchen allows direct access to both the garden type breakfast area and the formal dining area.

The big family room has lots of natural light from the three windows and a cozy central fireplace. Also here is an entry from the outside and from the garage which is oversized to allow walking space around today's larger automobiles.

A laundry area with connections for washer and dryer, shelves and a pantry for storage is adjacent. The rest of the home encompasses the sleeping areas.

The huge master suite offers complete privacy and has a big walk-in closet, separate powder room and private bathroom.

The three other bedrooms are located on the opposite end of the house. The first with a walk-in closet and direct access to separate powder room and full bath is ideal for guests or older children. The other two bedrooms have ample closet space and hall access to the powder room and bath.

The rustic exterior of this home is emphasized by the use of gable roofs and multi-light windows with shutters and the horizontal frame siding.

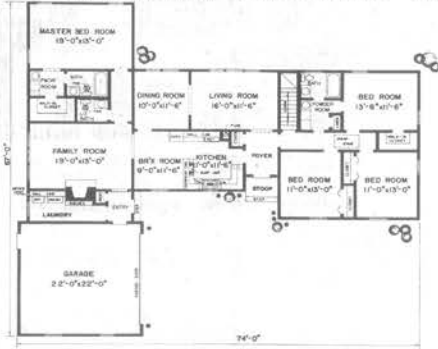

This home contains 2,361 square feet of house area.

For further information on plan #2340A, write W. D. Farmer, Residence Designer, Inc., P.O. Box 49465, Atlanta, Ga. 30322.

By W. D. Farmer

This home has been designed to allow for pleasant, uncramped living. The formal living and dining areas are centrally located, but are isolated from the normal traffic flow of the home to make entertaining easy.

In Memory

In loving memory of our husband and Dad, Audie Williams, who died two years ago, July 25.

Lengthening shadows bring memories of days that have passed us by and I think of time and I think of life and I sometimes wonder why.

That time can't be stayed and enjoyed without loss as the sun and earth and sky and the more I think, the more I am sure that nothing can ever be lost.

Sadly missed by Pauline, Christine, Gail, Linda and Mary.

RAY BLANTON: The Man and the Record

Born and raised on a farm in Hardin County, Tennessee, now 44 years old. Educated in public schools, he worked his way through the University of Tennessee, earning a degree in agriculture.

Farmer, businessman and former school teacher.

Served in the Tennessee State Legislature.

Served three terms in U.S. Congress.

Married, father of three.

Let the record and the man speak for Tennessee.

I have been all across the State of Tennessee many times, and it's the same everywhere — people are fed up with high prices going higher. Historically, it has been the duty of Tennesseans to continually work hard to stay ahead. They still do, but it is becoming more and more difficult just to keep up.

I believe the solutions to high prices and high taxes begin and end with people. The fight to increase our standards and lower prices is not going to be an easy fight. As a resident of Tennessee you must get involved in the selection of someone who will speak out for the needs of every family in the state.

The challenge is like none other we have ever faced in the history of Tennessee. Accepting that challenge requires careful judgement.

I am proud of being spoken out as a representative of the working people of Tennessee while in the state legislature and the U.S. Congress. More importantly, however, you must now be the judge of that record. My desire is to continue serving the people of Tennessee — this time from the Governor's office.

My line of communication has always been open to fellow Tennesseans. When I am elected Governor that policy will never change, because I believe person-to-person communication is the only source of true representation for the people of our great state.

Through the years since we began the Good Old Days, many people have asked us to do something on the man from our area who had his funeral before he died. Well, this whole column along with pictures will be devoted to this unusual event.

On Sunday, June 26, 1938, Uncle Felix (Bush) Breezeale sat before a flower flanked casket, which was homemade and said, "Best funeral I ever heard preached". It was his own. The 73 year old Roane County farmer was the center of attraction for some 8,000

curious pairs of eyes, each fighting for a glimpse of the soft spoken old gentleman who sat under the canopy in the Cave Creek church yard. People came from across Tennessee and several adjoining states for the funeral of the then living Bush Breezeale, who, for some strange reason wanted to see what his funeral would be like. So he had it before he died. On this hot day in June traffic stretched for several miles. Area people had never seen a live corpse before and probably would never have

another opportunity such as this.

At 2:15 p.m. Mr. Breezeale arrived, delayed by traffic. The late Frank Quinn, Loudon undertaker, furnished the hearse and directed the funeral. The mob of people milled around the hillside thick as ants and were full of glee when the hearse came into sight, shouting "There it comes". Working its way through the crowd, the hearse finally reached the canopy. Pallbearers, Bush's fox hunting buddies, bore the homemade casket.

Few who attended were critical of Uncle Bush's idea of a funeral while still living, but most stated they would wait till they died to have theirs. Most of them were having a ball just attending this one.

The music for the funeral was furnished by musicians from Knoxville, Chattanooga and Kingston. The song that was sung was "On Jordan's Stormy Banks I Stand" which was Uncle Bush's request.

Rev. Charles E. Jackson of Paris, Illinois, preached the funeral.

During the entire service Uncle Felix maintained a calm, cool and collected attitude but during the service one woman fainted.

Uncle Bush stated at the conclusion "This is my funeral, there won't be one when I die and I am well pleased with it." When asked why he decided to do this the way he did, he remarked, "Don't rightly know, guess I just wanted to hear what the preacher would say about me". He said that the funeral was the climax of the plan he had when he started making his coffin.

For five hours after the funeral, cars were still edging their way to the main roads leading from Cave Creek. Many Highway Patrolmen, who had been on hand to handle traffic were busy trying to get people out of the rural area and back on the main highways. Soft drink

trucks loaded their empty bottles and left. Uncle Felix, wearing a new blue suit and straw hat, pronounced the affair a complete success.

After it was all over, he went back to his mule and took his casket home with him. But the story didn't end there.

A few years later, death did pay a call on Uncle Bush and he was laid to rest in the church cemetery in Cave Creek. A while back we visited the grave of Uncle Bush Breezeale. He was a man we never had the pleasure of meeting but he is well remembered for his unusual act and although he was alive for his big funeral, he probably established an attendance unequalled by anyone before or after him.

We have tried to point out some of the high lights of this very unusual act but so many things are connected with this that it would be impossible to get them all. We feel we have

New Book Contains Facts On Many Local Families

A new genealogy and history containing family background on many families in Loudon County will be released on October 1. The book, "A Fight For Freedom", was compiled and edited by Alya Dean (Smith) Irwin, 1306 Wood Hollow Drive, Apt. 503, Houston, Texas 77027.

Complete records of the American ancestors of the

sons of Guillaume Fouquet and Jane Eyre (William 2, Giles 2, Rank 2) are published for the first time. The William 2 line is traced to 1974. The material in this book is new. It has been collected over a period of 40 years from family records, old Bibles, newspapers and cemeteries. Everything is thoroughly documented through library, Court House and government records. The history of Fuqua and allied families has never been published. No data has been "lifted" from other books on the principal families.

This book has been termed many books in one, because of

the vast amount of detailed information on families connected by marriage with the Fuqua family. Many families are traced to the Magna Charta Barons. 452 pages of thoroughly documented records of the Fuqua and allied families covering a period from 1860 to 1974 in America. 8000 entry index, 78 illustrations (pictures, maps, original Bible Records and original documents). It is Smythe sewn, case-bound in leather with real gold stamping. This limited edition available October 1, 1974 and sells for \$35. per copy, postpaid.

Allied names are: Adams, Alexander, Alford, Allen, Anderson, Armistead, Bacon, Bagwell, Bailey, Baker.

Also, Barkdale, Barnes, Bass, Bates, Bedford, Bell, Black, Blair, Blandenship.

Also, Booker, Bowman, Boyd, Browder, Brown, Bruce, Bryan, Butler, Calloway, Campbell.

Others are, Carney, Carson, Carter, Cartwright, Christian, Christley, Clark, Cooke, Cooper, Cury.

Also, Cunningham, Daniel, Davis, Deatheridge, Dodson, Dupuy, Earnest, Eldridge, Ellis, Evans.

Also, Ewing, Fitzgerald, Fleming, Floyd, Ford, Fuqua-Fuquay, Harrison, Hudspeth, Humphreys, Irwin, Jackson.

Also, Jarnagin, Johnston, Jones, Lawson, Loveless, Mann, Maxey, Mitchell, Montgomery, Moody.

Also, Morton, Palmer, Pampllett, Poval, Preston, Pulliam, Read, Rector, Reeve, Sampson.

Also, Simpson, Smith, Stewart, Tallferro, Taylor, Terry, Thomason, Thompson, Walker, Ward.

Others are Waring, Watkins, West, Williams, Winton, Witt, Woodson, Word.

This is a partial list of names in the book. Records of many other early pioneers of French, English, Irish, Scottish, Italian and German origins are also to be found.

William H. (Bill) Russell

FOR
COUNTY JUDGE

General Election, Thursday, August 1, 1974

County Judge For ALL The People Of Loudon County

Ever since 1892, when my great-grandfather, William Riley Russell, bought a farm and moved into Loudon County, our family has been involved and interested in the affairs of Loudon County. Service to others is a tradition I wish to continue. The office of County Judge is one which provides an opportunity and challenge for service. I sincerely and respectfully ask for your vote and support.

Whether or not I am elected for this vitally important post I have enjoyed the campaign experience. Talking with people all over the county has reconfirmed my opinion that Loudon County's greatest and most valuable asset is her people. I would be extremely proud to represent Loudon County as its County Judge. I believe that my legal background and governmental experience qualify me for this opportunity.

As the Republican nominee for County Judge I will continue to seek out voters by visiting all areas of the county. If for some reason I do not personally get the opportunity to ask each of you for your vote please know that I do want your vote and support.

Elect William H. (Bill) Russell

Enforcement Of 100 Foot Law Set For Election

For the first time in recent memory an attempt may be made to enforce the "100 foot law" at voting precincts in Loudon County during Thursday's General and state primary elections.

Election Commission member H.F. (Pete) Littleton said at a meeting of election precinct officials held by the Commission last week the "100 foot law" was mentioned several times by the precinct officers.

A state law requires that all persons, candidates and workers for candidates, signs and material must be kept 100 feet from the entrance to the building where the election is being held.

Mr. Littleton said that most of the complaints he hears about elections in Loudon County is the fact that crowds of people handing out cards, asking for votes, or appearing in support of certain candidates crowd around the polls and hamper the free flow of voters in and out of the polling places.

Election Commission Chairman John Gibson said the enforcement of the law is up to the officer at each precinct, but that the Commission will provide 100 foot markers to the officers in an attempt to help the crowded conditions at the polling places. He said that the precinct officer can take out warrants charging violators with a misdemeanor or not

complying with the law. Mr. Gibson said he doesn't think full compliance is necessary but if the number of workers can be drastically reduced the problem will be remedied.

Section 2-711 of the Tennessee Election Law deals with this question. This section reads as follows: Posting of sample ballots and instructions—arrangement of polling place—Restrictions. The officer of elections shall have the sample ballots, voting instructions, and other material which are to be posted in conspicuous positions inside the polling place for the use of voters. The officer shall measure off 100 feet from the entrance to the building in which the election is to be held and place boundary signs at

Within the 100 foot boundary and the building in which the polling place is located display of campaign posters, signs or other campaign materials, distribution of campaign materials, and solicitation of votes for or against any person or political party or position on a question are prohibited. No campaign posters, signs or other campaign literature may be displayed or on the grounds of any building in which a polling place is located. The officer of elections shall have each official wear a badge with his name and official title.

County Judge Top Local Race ... 7000 Expected To Vote Here

Several major contested races for Loudon County officials, the highly contested races for nomination for governor in both the Republican and Democratic primaries and an election ballot which straddles from top to bottom and from column one to column 10 of the voting machines awaits the voters on Thursday's elections in Loudon County.

Voting will begin in all precincts in the county at 10 a.m. and will close at 8 p.m. in the precincts with voting machines. The only paper precinct in the county, Luttrell, will close at 3 p.m. The new voting times are in accordance with new laws passed by the legislature providing for uniform voting times across the state.

Sample ballots in all elections are published elsewhere in this issue by the county election commission. Commission Chairman John Gibson said that voters are urged to study the ballot before going to the polls to familiarize themselves where the candidates names appear

that they wish to vote for. He said that because of the length and complexity of the ballot this will save time and speed the voting process at the polls which are expected to be crowded throughout the day.

Some 7000 or more persons in Loudon County are expected to vote and campaigning in the contested races is expected to go right on until the polls close Thursday night.

Some 57 names appear on the county general ballot, 19 on the Democratic Primary and 11 on the Republican Primary ballot. Three races in the county general have captured most of the attention of voters. They are William H. Russell, Republican against Democrat Charles Eblen for County Judge; Democrat incumbent Billy Joe Akins against Republican Bob Littleton for Circuit Court Clerk; and Republican J. V. Schrimber and Democrat Raymond Phillips for Trustee. Republican nominee Guy Russell has competition for sheriff from independent

Ronnie Fagg, but Fagg, after being convicted for assault and battery in criminal court has not been campaigning.

There are races in two of the three Road Commission posts in the county. Incumbent Lillard Bledsoe is challenged by J. E. Millage in the first and fourth road districts and Lee Malone is contested by Deacon McNabb in the second and fifth district race.

All Road Commissioner must run county-wide, under a new court ruling, but will serve in their elected districts. Commissioner Joe Greenway in the third district is uncontested.

Other candidates on the County General ballot are Thomas Ingram for Sessions Judge; Edward Headlee, Superintendent of Schools; Ed Alexander, county court clerk; Ralph Wear, register of deeds; Willard Kittrell, circuit court judge; Lloyd McCluen, criminal court judge; James Phillips, Chancery court judge; Kenneth Deatherage, attorney general; O'Dell Justice, Jack Rowe and Bowman Rivers, for the first district; A. C. Brown and Charles Settle for constable, second district; Raymond Rogers, constable, third district; and Ray Houk, constable, fifth district; Supreme Court Judge, eastern division, Robert Cooper and W. M. Ables, Jr.; Supreme Court Judge, western division, William Fones; Supreme Court Judge, middle division, Don Hildebrand and William Harrison; Supreme Court Judge, fifth district; Greenwood, Allen Shaffer, Ray Brock, Joe Henry, Jerome Ables, J. B. Cobb, Vickie Stuart and Charles Wick.

In column 10 on the voting machine are the names of 16 judges of the court of appeals and the criminal court of appeals where the voter will vote yes or no for their being re-elected.

Who will win the races for the Democratic and Republican nominations for governor in the voting in Loudon County is as unpredictable as it is across the state.

The Republican Primary will be located in column five of the voting machine. The candidates for Governor are Lamar Alexander, Derrick Oldham, Melvin Waldron and Nat Winston. Alexander, Oldham and Winston have all campaigned extensively in Loudon County and their campaign committees all think their candidate can win the county vote.

Other races on the Republican ballot are Jane Hardaway for Public Service Commissioner; Incumbent Congressman John Duncan with competition from Boyce McCall; 21st Legislative District Representative Benny Stafford; 38th Legislative District James Melton; Gayness Waters for State Executive Committee woman; and W. Henry Ogle for State Committeeman. Columns six and seven will contain the Democratic Primary and there will be six names of the candidates for governor in each of the two columns, which cause some confusion to voters.

The candidates for governor in column six are Ross Bass, Jake Butcher, Hudley Crockett, Franklin Hinesy, James Powers and Charles Vick. For governor in the seventh column are Ray Elston, Washington Butler, Johnnie Ekins, David Packer, Stan Snodgrass and Tom Wiseman.

Democratic candidates for

LOUDON AND ROANE County Sheriffs Freeman Russell and Arnold Clowers (center) discuss the finding of the body of Josephine Mainor in Watts Bar Lake Friday afternoon about 37 miles from where the woman reportedly drowned Wednesday on the Little Tennessee River. At left is Rescue Squad Captain John Parris.

Body Of Drowning Victim 37 Miles Downstream

The body of Miss Josephine Mainor, 47, Rt. 2, Loudon, was found by a bass fisherman on Watts Bar Lake near Kingston about 12:30 p.m. Friday, some 38 miles from the place the woman allegedly jumped into the Little Tennessee River in a suicide attempt Wednesday night.

Dragging operations had been underway in the Little T near the point where Fork Creek enters the river at the old Bacon Ferry since shortly after the woman was reported to have jumped into the river at 8 p.m. Wednesday.

Sheriff Freeman Russell said that Miss Mainor and her boyfriend, Dennis Pruitt, also of Loudon, had spent the day together. He told Sheriff Russell that they had been "fussing" and she had threatened to kill herself because she said he did not love her anymore.

Mr. Pruitt said that he and Miss Mainor stopped at the Bacon Ferry, where Everett Sand Company had a plant, to drink some beer. He said she got out of the car and they went to sit on the river bank and she suddenly jumped in. He said the woman started floating down the river about 100 feet from the bank and they called for help.

Pruitt said he ran along the

bank but could not reach her. He said just as she reached a sand barge she said she could not swim and said "help me Dennis," then disappeared under the barge.

At this point the man went to a nearby house and called the sheriff's office. At 9:15 the Rescue Squad put their first boat in the water, Captain John Parris said.

Dragging operations were in continuous progress for 42 hours with as many as 50 men and 10 boats in the water at one time.

The man who found the body, hung on a tree limb near "Long Island" about three miles below the Loudon-Roane County line, was Lamar Benker of Rt. 5, Lenoir City. Benker was bass fishing and floating down the river when he saw what he told Roane County Sheriff Arnold Clowers was a dog caught on a limb.

He said as he approached the object he saw it was the arms, upper body and head of a woman. He went about a mile away and called Roane County officials.

Roane County Rescue Squad and Sheriff Clowers' attendants and Sheriff Clowers recovered the body about 1:30 p.m. and notified Loudon County that they had found a body that might be

that of the drowning victim. At 2 p.m. Friday Sheriff Freeman Russell and Squad Captain John Parris met Sheriff Clowers and the Roane County coroner at Midway Road on Highway 70 where Russell made a tentative identification of the body.

After an order for an autopsy was approved the body was taken to Blount Memorial Hospital where family members made positive identification.

The autopsy showed that Miss Mainor died of drowning, but noted that there were no marks on her body, considered unusual for a body in the water for nearly two days, traveling such a distance in swift water.

A check with the Tennessee Valley Authority safety office at Fort Loudon Dam showed that the body would have traveled 11 1/2 miles on the Little Tennessee and then 26 miles down the big river in Watts Bar Lake, for a total of 37 1/2 miles in the river over 40 hours from the time the woman allegedly went into the water until Mr. Benker found the body.

Captain Parris said that men and equipment from Loudon, Etowah, Monroe, Roane and Knox Rescue (Continued On Page 12)

Construction Underway On New \$1 Million Loudon Nursing Home

Construction began Monday in Loudon on a \$1 million, 90 bed nursing home. The facility located on a six acre tract on Highway 72 South of Loudon,

was authorized under the health and education facilities act and by the city of Loudon, is being leased to the William Bond Company, Inc., of Memphis and will be known as Care Inn.

Loudon excavation contractor Earl Millings began excavation on the site Monday and construction of the building by Pongetti Construction Company of

Memphis will begin in the near future. Job Superintendent will be J. B. Whaley of Loudon.

Friday, Bond President, Murray Murphy, members of Loudon City Commission, the Loudon Health and Education Facilities Board and some 50 other persons attended a ground breaking ceremony on the site marking the beginning of the project.

Mayor Gene Lambert and Board Chairman Ray Birkholz turned the first shovels of dirt. Members of the Health and

Education Facilities Board are Birkholz, chairman, Frank C. Brown, secretary, Pete Campbell, Charlie McCall, Wanda Watkins, and Edna Arwine.

Thursday the board with Mayor Lambert and City Administrator Gary Hensley were in Birmingham, Ala. for the closing of the bond sale. The million dollar issue was bought by First Alabama Securities for eight and one-half percent interest.

The facility, approved for 90 beds, will be built large enough to accommodate 120

beds in the future. Construction is expected to take about seven months.

At the ground breaking Mayor Lambert said, "The completion of this facility will mark the fulfilling of a great need in our community. I want to thank the members of the Health and Education Facilities Board, who have served many hours without pay getting this project approved and to Mr. Murphy and his firm for their confidence in selecting Loudon for their newest Care Inn."

GROUND BREAKING—Mayor Gene Lambert and Health and Education Facilities Board Chairman Ray Birkholz turn the first shovels of dirt at the ground breaking for the 90 bed Care Inn Nursing Home at Loudon last Friday.

Others in the picture are Mrs. H. H. Richesin, Edna Arwine, Joe Carter, Mrs. Martha Robinson, Pete Campbell, Frank Brown, Bernie Swiney, Wanda Watkins, Charlie McCall, Jack Randolph. (Other Picture On Page 5)

After 9:15 p.m. Thursday ... 458-2087 For Election Results

Results of voting in Loudon County Thursday will be available to the public Thursday night through the office of the Loudon County Herald.

As in the past The Herald and the Lenoir City News will man all the precincts in the county to gather the first unofficial results of the voting in the General Election and the Democratic and Republican Primary Elections. Assisting The Herald will be members of the Loudon

Jaycees. Although the ballots are long, and there are actually three elections to be tabulated The Herald is hopeful of having results on the contested races ready by 9:15 p.m. The polls close at 8 p.m.

Anyone wishing election returns may call The Herald at 458-2087 or 458-2088.

LAMAR BENKER (RIGHT), who was fishing in the water near New Midway Road in Roane County, discovered the body of Josephine Mainor. Roane Investigator Tom Mallicote (left) and Deputy Roy Jenkins take a statement from the Route 5, Lenoir City fisherman.

Lamar Alexander for Governor

Where he stands

Our Pocketbooks

As a taxpayer I resent the increasing governmental intrusions that over-regulate our lives and add to our staggering tax burden. I regret the effects of rapidly increasing cost of living upon our older Tennesseans. Our next Governor must help hold the line on spending and taxes.

Crime and Drugs

As former chairman of the Tennessee Council on Crime and Delinquency I know that our neighborhood streets are unsafe, that the increase in violent crimes is outrageous, that drug abuse in our schools is damaging our youngsters' futures. Using firmness to meet these problems will be a keystone of my administration.

Public Improvements and Environment

We must accelerate the development of Tennessee's road and highway systems. We must encourage the type of new industry which improves the lives of our citizens and communities. And, we must protect the natural beauty of Tennessee from further erosion and destruction.

The Alexanders - Lesae, Honey, Lamar & Drew

Lamar Alexander is no stranger in Loudon County. An eighth generation Tennessean born in neighboring Blount County, Lamar and Honey have both visited in Loudon County during the present campaign and will be present for the Big Republican Barbecue and Rally at Loudon High School on Tuesday, July 23.

Lamar Alexander would be the best possible Governor for Loudon County and all of Tennessee.

County Pays \$15,066 For Property

A Circuit Court jury last week awarded Mr. and Mrs. Tom G. Henry Jr., a total of \$15,066 for 5.58 acres of land in Loudon County took through condemnation for the new Loudon County Justice Center, presently under construction on U.S. 11 between Loudon and Lenoir City.

It was understood that the county had offered about \$11,000 for the property but the owners were wanting a much higher figure, claiming the property, located at the intersection of the proposed Sugar Limb connector with U.S. 11 was prime commercial property.

Sidney V. McCulloch was awarded \$1100 in property damages and \$600 in personal damages from William T. Packett and Arnold Smith in an auto accident damage case last week also.

Earlier in the session a jury dismissed the case of Grace Williams vs. Yolena Maples, Earlena Maples and Lenoir City School of Beauty. Miss Williams had claimed personal damages for an alleged beating she took from the defendants while attempting to inspect the beauty school as part of her job as a state cosmetology inspector.

The case was dismissed by the jury upon finding no judgement.

The eighteen other cases scheduled for the term just ended were either continued or settled out of court.

Your County In Action

BY HARVEY L. SPROUL
LOUDON COUNTY JUDGE

I am getting a lot of kidding now, being called such names as "Tom Mix," "Roy Rogers," etc.

And I must confess that it is much easier to joke and laugh about it than it was two weeks ago.

My escapade with the horse was frightening and painful at the time, and is causing me considerable frustration and inconvenience with my broken right hand (I am right-handed) but I suppose it could have been much worse and that I am lucky not to have more injuries than I have.

It was the first time that I had ridden this particular horse, a young gelding belonging to my neighbor, and I am so "Tom Mix" anyway. He decided that he wanted to go back to the barn and just farm up on his hind legs and then went right on back over, with me still on him.

happened during the fall, other than I couldn't get my breath, blood was coming, while I was lying there.

OUR TRUE VALUE SALE ENDS THIS SAT.

GREER'S

LOUDON

1. What has he done in the past (his qualifications).

2. Why is he running, what he says about this and how valid his past actions make this appear.

3. The type of campaign he is running.

4. What he says and what he promises he will do.

It seems to me to be awfully easy to talk about what the problems are and how a person is desirous of solving the problem, but then it is another thing to suggest the solutions, how it will be done, how the candidate will be able to get along (and get it accomplished) with the legislative body, what his background has been in dealing with that kind of thing in the past, etc.

What is important? B a c k g r o u n d a n d qualifications, ability and desire to do the job after the election is over!

These are big decisions, and there is considerable confusion for this particular election, but if a good percentage of the people will study the candidates and their platforms, then maybe we will come out all right.

Criminal Appeals

Born in Cadet Cove, Blount County, on Aug. 11, 1907. University of Tennessee, B.A. 1927, LL.B. 1928. Admitted to Tennessee Bar 1928; admitted in Federal Courts 1938; admitted in United States Supreme Court 1946. Began practice in Maryville, Oct. 20, 1928.

Military Service February 1942 to January 1947. Quartermaster Corps and Judge Advocate General's Department in Military Justice, advancing from First Lieutenant to Lieutenant Colonel.

Resumed practice of law in Maryville, January 1947. City Attorney of Maryville September 1947 to February 1949. Appointed Circuit Judge of Fourth Judicial Circuit February 19, 1949 to succeed Honorable, Pat Quinn, deceased; elected 1950, 1958 and 1964.

Appointed Judge, Tennessee Court of Criminal Appeals July 1, 1967, elected August 1968. Member Tennessee Bar Association, American Bar Association, Tennessee Judicial Conference, Phi Delta Phi, First United Methodist Church, Maryville. Compiled and published "A Manual for Jurors" while on Trial Bench and provided every juror with a copy.

Married to Thelma Goodson of Royston, Ga. Sept. 14, 1929, three children, W. Wayne Jr., Michael Stephen and Julia Jane (Mrs. Hugh C. Webb Jr.).

Maryville Kiwanis Club Distinguished Service Award for Outstanding Community Service, 1965; Maryville Smoky Mountain Civitan Club Outstanding Jurist Award, 1968.

Judge Oliver Election Urged

Loudon County friends of Judge W. Wayne Oliver of the Tennessee Court of Criminal Appeals have been circulating information urging his reelection with a large vote in the August 1 general election.

Former Loudon County Judge S.P. Dannel and Attorney Arthur Fowler were among those who contacted this newspaper seeking voter support for Judge Oliver.

"I have not practiced criminal law for many years," said Judge Dannel, "but I have been personally acquainted with Judge Oliver during the time he was Circuit Court Judge and also since he became a member of the Criminal Appeals Court of the State of Tennessee. I know him to be a very able and distinguished judge."

Judge Oliver was Circuit Judge of the Fourth Judicial Circuit, which includes Loudon, Blount and Roane Counties, from 1949 to 1967.

Under a new system, members of the court are running under what is known as the Modified Missouri Plan, which will have on the ballot the question:

"Shall W. Wayne Oliver be retained as a judge of the Tennessee Court of Criminal Appeals?" Voters will be asked to register "yes" or "no" on the question. No other candidate is listed for the position.

Judge Oliver's friends have pointed out that "This will probably be the last time he will seek this office and we would certainly like to see him get the highest possible complimentary vote as a tribute to his long and outstanding service as a jurist in our state."

A biographical sketch on Judge Oliver follows:

W. WAYNE OLIVER,
JUDGE

LOUDON'S CARE INN-Construction began Monday on the 50 bed Care Inn Nursing Home, shown above in an

\$2,125,000 Spent On College

Loudon County's college-bound students and their parents are in a bad squeeze this year.

They are caught between a further rise in college fees, a tight money market that makes it difficult to get bank loans at normal rates and a continuation of the inflation that has raised living costs to record levels.

And, for those local families that have two youngsters going to college at the same time, the financial situation is that much more difficult.

A nationwide survey of 2,200 colleges and universities, conducted by the College Entrance Examination Board, shows that nearly all of them have increased their charges for the forthcoming semester.

As a result, it has become 8.4 percent more expensive, on average, than it was last year to go to college and nearly 36 percent more so than in 1970.

The bill that Loudon County families are faced with this year, based upon the number of local students involved, is estimated at \$2,125,000. This includes tuition, fees, transportation, room and board and miscellaneous expenses.

It takes into account the current cost increases, which are in the neighborhood of \$346 for students living on campus at private four-year colleges, according to the findings, and a somewhat smaller boost, \$158, for those going to public institutions.

Because of current conditions, colleges that had more applicants than they could handle in former years are not confronted with sagging enrollments. Many of them are in the position of having to actively recruit students and are easing their standards in the process.

Based upon the latest figures, it is estimated that there will be about 660 young men and women in the Loudon County contingent this year.

For those who will be residents at private four-year colleges, the average cost will be \$4,639, according to the report. At publicly-supported institutions, it will run to about \$2,400.

The total cost of \$2,125,000 confronting local parents assumes that half of the students will be attending public colleges and the rest will be going to private ones.

In Sankatchewan is ample for short-term needs. Beyond 1980, "it will be necessary to bring on stream the equivalent of at least one new potash mine each year somewhere in the western world."

Flood Report

TVA has completed a 114-page report, "Floods of March 1973 in the Tennessee River Basin," covering what would have been the most destructive flooding in the region's history without river control measures.

Fertilizer Scarce

Farmers again will have trouble finding all the fertilizer they want next year, but the supply situation should improve by 1976 and 1977 as new manufacturing plants come into operation.

Also, today's shortage exists in spite of the largest fertilizer production ever; manufacturers simply have not been able to keep up with unusual expansion in demand for fertilizer.

Those are main points in the supply picture described to fertilizer dealers and marketers at a TVA Fertilizer Conference being held here this week.

"What brought on the shortage was an unexpectedly large increase in fertilizer use in 1973," said Dr. L. B. Nelson, who heads TVA's National Fertilizer Development Center.

"Demand increased slowly during the early 1970's," Nelson said. "By 1972 it had absorbed most of the surplus

production capacity built in the late 1960's. Then in 1973 tight world food supplies led to higher demand for U.S. farm products and fertilizer use jumped a good 10 percent."

All of this cleaned out manufacturers' inventories and stimulated all-out production, said Ed Wheeler, president of The Fertilizer Institute. "We just didn't have such a surge in demand. Devaluation of the U.S. dollar and price controls also contributed to the shortage by encouraging exports."

John F. Anderson, vice president of Farmland Industries, a midwestern regional cooperative, reviewed the outlook for nitrogen, the plant food used in largest quantity.

He expects nitrogen fertilizer production to increase modestly during the next two years. He also expects farmers to want to buy more—if they continue to receive good prices for their crop. Thus, Anderson sees nitrogen in tight supply through 1976.

After this, however, supplies should catch up with demand as planned ammonia plants begin to come on stream, he said. The expansion could increase nitrogen fertilizer capacity 50 percent by the late 1970's.

W. J. Turbeville, Jr., chairman of Phosphate Rock Export Association, forecast a worse situation for phosphate fertilizers next year, but said things should improve in 1976.

"U.S. farmers should be able to buy more phosphate in 1975, for which they will pay higher prices," he said. "Even so, the supply will continue to be somewhat limited because of prices in the world market."

"The turning point is likely to be in the 1976 fertilizer year," Turbeville said. "Looking toward the end of the decade, capacity will be more than adequate to supply all the farmers of the world—if they can pay and if sufficient phosphate rock is mined."

Turbeville said the U.S. phosphate industry is committed to expanding production capacity 40 percent by 1976-77. He foresees some easing of prices when supplies are again plentiful, but not to pre-1974 levels.

Way E. Koepke of the Canadian Department of Energy, Mines and Resources reviewed the outlook for potash. Canada is the major producer of potash for North American farmers.

He indicated that capacity

Explosive Bank Of Loudon County New Sub-District Softball Champs

The Bank of Loudon County, after a three year role as the bride's maid to local softball tournament finishes, has finally developed into the poised and deadly power it is capable of being. The hard hitting Bankers stroled through the Men's Open Slopepitch Loudon-Lenoir City Sub-District Tournament last week without a loss to bring down the championship.

Lenoir City Eaton Corporation is the defending tournament champion and unbeaten in its regular league season could do no better than finish runner-up to the Bank of Loudon County, bowing twice to the eventual title holders 7-6 and 14-6.

CAPTURE SUB-DISTRICT TITLE—The Bank of Loudon County rolled through the Loudon-Lenoir City slow pitch softball sub-district tournament unbeaten for the 1974 championship. Pictured (front row left to right: Bill Thompson, Yancy Hampton, Jack Nichols, Lonnie Hawkins, Greg Cagle, and Melvin Hawkins. Second row left to right: Bruce Lawson, Jim Wata, Vernon Fisher, Joe Russell, Kenny Parks, Bill Blair, Hal Leftew, and John Lenoir.

Other top finishers in the tournament was the Hamilton Bank of Loudon (third) and the A and W of Lenoir City (fourth).

The top four sub-district finishers advance to Athens for the district tournament involving teams from Etowah, Athens, Philadelphia, Dayton, and Loudon.

The Loudon-Lenoir City Sub-district progressed much to the outline of early tournament results reported in The Herald through last Monday night.

As the tournament picked up in the loser's bracket on Tuesday evening with rain threatening, Union Carbide eliminated Maremont Number 2, 22-8. Bobby Simpson was the standout performer for Union Carbide scoring four runs and batting in four more scores on two singles, a double, and a triple. Union Carbide got on the scoreboard in every inning, while Maremont did not score until the fifth, sixth and seventh frames. John Thearp had two hits and reached base on an error in four official batters for Maremont.

Cedar Hill had to come from behind to deal Lenoir City Dutton a 10-7 loss. Dutton scored five times in the first inning and two more runs in the third. But Cedar Hill managed to tally three runs in the first and second innings and a four run third proved to be the story of the game. Chucky Easter had three hits for the winners and got batting help from Jim Keener and Bill Johnson. Glenn Sisco and Mike Lane had five hits between them for Dutton's.

Hall Oil Company, a team to be cautious of in years to come, downed Walden 15-5. Hall Oil overcame a three run first inning by Walden with a five run fourth inning and then poured on the clincher with nine scores in the fifth. John Ratledge, Bulch Brown,

SUB-DISTRICT RUNNER-UP—Eaton Corporation finished second to the Bank of Loudon County in last week's Loudon-Lenoir City softball sub-district play. Pictured (front row left to right: Larry Johnson, Kenny Ratledge, Hoyle Chambers, Frank Brown, and Ikey O'Dell. Second row left to right: Roy Howard, Zane Walker, Junior Collins, Red Ryan, and Bobby Miller.

Stanley Blair, and Denny Poole all had two hits in the victory. Johnny Munsey scored two runs and got three hits for Walden.

The Loudon Merchants lost their first game in the tournament after reaching the winner's bracket semi-finals, to Eaton 19-2. Roy Howard, Larry Johnson, Ron Walker, and Red Ryan all had two base knocks for Eaton. Bobby Russell and Sam Wilford collected half of the Merchants eight hits.

Union Carbide became the second Loudon team to slip from the tournament field by losing to Lenoir City Utilities 10-3. Roy Acuff had two hits and two runs batted in for the Utilities.

The Hamilton Bank of Loudon bounced back to drop

Cedar Hill 10-1. Arnold Brookshire and Buck Kirkland sparked the Hamilton win with three and two hits respectively. Cedar Hills got but seven hits in the game, three in the first inning.

Matlock Tire Service edged Hall Oil Company 8-6 as Eddie Stamey blasted two home runs and drove in five runs for the winners. J. C. Menger, Denny Poole, and John Ratledge lashed out two hits each for the Hall Oil team.

The Bank of Loudon County ran into one of its more tougher opponents in handling Lenoir City A and W 11-0. The Bankers, ahead 2-1 going into the sixth scored seven runs to give signs of a rout only to have the stubborn Lenoir City A and W team answer with five six inning

runs of their own thus carrying the final result to the final out of the contest. Lonnie Hawkins and Joe Russell had three hits each to pace the Bank of Loudon County.

The Hamilton Bank of Loudon unveiled a 17 hit attack to oust the Lenoir City Utility Board 18-7. Joe Franklin, Jim Curtis and Don Canter all shared the hitting honors with three each. Donald Pace had three hits for the Utilities.

Matlock Tire Service got off to a slow start in putting a 16-7 defeat on Plexco. Matlock had 16 hits to their credit and was assisted by 11 Plexco errors.

A nip-and-tuck survival battle was the highlight of the Loudon Merchants and Hamilton Bank loser bracket encounter. The Hamilton Bank, ahead 4-3 at the close of the first inning, had to play catch up the rest of the game. The Hamilton rallied for a four run sixth inning with two out to take the lead for the last change of hands and win 12-10. Jim Curtis spearheaded the Hamilton Bank hitting with three runs scored and four hits. Bobby Russell and

Loudon High School Football Candidates To Report

The Loudon High School Redskin football candidates is set for the Loudon High School football dressing room at 5 p.m. for physical examinations and team meeting with coaches Wednesday, August 7. The meeting pictures that will be used in constructing this year's prospective players are urged.

Reed Stamey continues his hot pace in the Maremont Golf League, as he got 8 1/2 pts. of a possible 10, last week.

Richard Archer, Jim Hamill, Jim Anderson, Calvin Wilson, and Charlie Romine, are in a close battle for second place. Only 5 pts. separate 2 through 6.

Stamey Holds League Lead

Mike Sims was low net winner of the week with a round of 21. Bob Sherwin and Howard Weaver tied for second low net with rounds of 34.

Spectator admission is 5¢ (reserved) and \$2.50 (general admission). Children under 12 years are admitted free when accompanied by an adult.

The third race on the Dirt Track Classic will be run next Sunday at Kingsport's Appalachian Speedway.

Doogh Kemmer holds the series point lead with a total of 196. Rounding out the top five are Bill Corum (186), Doug Carpenter (182), Jody Hildley (180) and Leon Brindle and H. E. Vineyard (178 each).

With all the confusion in the Governor's race, shouldn't the voters ask, "Who is the most qualified of all the candidates for Governor?"

GONE TO CHEERLEADER WORKSHOP—Loudon High School cheerleaders for the 1974-75 school year are attending a workshop at Tennessee Tech this week. Pictured (front row left to right: Jewel Horner, Libby Varner, and Jeannie Purdy. Back row left to right: Mary Watson, Shannon Locke, Cathy Estes, Teresa Everett, and Teresa Lindsey.

Carpenter Challenges Atomic Drivers

There's a new challenger at Atomic Speedway in Doug Carpenter of Johnson City.

Carpenter, who won the first race on the Southeast Dirt Track Classic Series, apparently will be an Atomic regular since Sportsman Speedway has halted

Harold McCollister had three hits each for the Merchants.

The Lenoir City A and W rapped out a 27-hit assault on his. Dick Ryan's two RBI single in third inning stood up for the key play of the contest.

Eaton got three doubles from Junior Collins and a home run and double from Bobby Miller in claiming a 7-3 decision over the Hamilton Bank of Loudon.

Eaton was unable to weather a nine run Bank of Loudon County second inning in losing to the Bankers for the second time in the tournament.

"If Carpenter decides to run weekly with us, it will make the competition that much tougher," said Atomic owner Bob Martin. "His car has run well each time he has driven

squeezed past the Lenoir City A and W 3-1 for third place in a top notch defensive game. Both teams managed but six hits. Dick Ryan's two RBI single in third inning stood up for the key play of the contest.

Eaton got three doubles from Junior Collins and a home run and double from Bobby Miller in claiming a 7-3 decision over the Hamilton Bank of Loudon.

Eaton was unable to weather a nine run Bank of Loudon County second inning in losing to the Bankers for the second time in the tournament.

14-6. Yancy Hampton slugged two doubles and a single for the Bank and scored three times. Junior Collins scored three runs and hit two singles and a double on behalf of

Eaton's comeback efforts.

HAMILTON BANK OF LOUDON—The Hamilton Bank of Loudon placed third in the Loudon-Lenoir City Sub-district tournament. Pictured (front row left to right: Danny Watkins, Danny Gibson, Bill Lenoir, Sonny Downs, Doug Kirkland, and Arnold Brookshire. Second row: Jim Curtis, Dick Ryan, Inky Swiny, Buddy Swiny, Gene Ratledge, and Don Canter.

LENOIR CITY A AND W—The Lenoir City A and W finished fourth in the sub-district softball meet. Pictured (front row left to right: Harold McNabb, Ed Biling, Gary Chambers, Buddy Walker, and Jim Vineyard. Second row left to right: Roy Williams, Bill Livesay, Gerald McConkey, Barry Neal, and Randy Wright. Not pictured: Ray Petty.

38 Men To Vie For Intermediate Title In Loudon City Tennis Tournament

The Loudon Youth Club has concluded its first half of the Loudon City Tennis Tournament with the tournament directors of Mr. Larry Bridges and Mrs. Hugh Watson, well pleased. The first portion of the tennis tournament was for youth through 16 years of age. The adult division will start this Monday and a field of 38 intermediate men classification top the field of 72 adult men and women tournament entrants.

Fourteen games will be played on Monday at two locations, the Loudon Junior High School and the Loudon High School tennis courts. The game sites are marked on the tournament brackets (seen elsewhere in the Herald). A match between Dewayne

Arp and Tim Guider at 3:30 Monday at the high school will open the adult play. The remaining matches will all start at 5 p.m. or later for the remainder of the week in first round activities.

The semi-finals in all divisions will be played on Saturday with the first match beginning at 10 a.m. in Beginning Men.

The tournament finals will start at 1 p.m. on Sunday with all the matches being at the new tennis courts adjacent to Loudon High School.

Beginning Men Division play with a 10 man field starts on Tuesday.

The Beginning Women Division has a field of eight and will start action on Wednesday evening.

Intermediate Women has a much smaller cast in regard to the men's brackets, with just seven entrants. A match on Tuesday and two on Thursday will produce Sunday's finalist.

There are four women in Advanced play and a six men make up the other side of the Advanced pairings. All tournament entrants are

asked to be at court side 15 minutes in advance of their playing schedule. All games will be open to public observation with no admission charge.

Area Fishing Forecast

By Bobby Wolfe

PORT LOUDON LAKE—Stripes are breaking good on the upper end, and some break activity on the lower end also. A good string of Crappie were caught around the Brookley Landing area over the weekend, they were caught on minnows at night. Bass have slowed down. Blue Gill fishing is good. Catfish good at night on worms and cut bait.

MELTON HILL LAKE—Fishing is fair with some very large blue gill being taken.

WATTS BAR LAKE—Stripes very good at night using minnows. A few Crappie being taken also. Some good Bass have been reported, they were caught in the Breaks,

Blue Gill fishing continues to improve.

NORRIS LAKE—Fishing activity is limited almost to night fishing, some big fish have been taken with the best results being around rocky banks.

DOUGLAS LAKE—Most species are poor although a few Crappie are being caught with minnows around brush piles at night.

CHEROKEE LAKE—Rock fish and hybrid are producing all the activity on this lake as they are very active.

EARLY WINNERS—Loudon Youth Club Tennis Instructors and Tennis Tournament Directors Mrs. Hugh Watson (left) and Mr. Larry Bridges (right) pose with two early championship winners, Mrs. Watson gives Missy Haynes (Girls Beginners) a pat on the back for her good play and Bridges was equally pleased with Monty Elliot who won the Boys 12 and Under title.

Woodcock And Dove Season Set

The Wildlife Resource Commission at its last regular meeting in Morristown granted permission to Director Harvey Bray and the Wildlife Management Committee to set both the Dove and Woodcock seasons upon receipt of the Federal Guideline. These seasons were established on July 9.

The Dove season will be split into three segments from Sept. 1-Sept. 30, from Oct. 12 to Oct. 27 and from December 11 to January 13, 1975 for a total of 79 days. Hunting will be allowed from noon to sunset during these periods with a 13 bird bag limit and a 34 bird possession limit.

The available information on the Migration Pattern of Woodcock indicates that the peak of their migration occurs in late October, in order to increase the harvest of these game birds and provide greater hunting opportunity for Tennessee sportsmen, the Woodcock Season will start earlier this year. The season will run from October 12 to December 15, a period of 65 days. Hunting will be allowed from one-half before sunrise till sunset. The bag limit is five and possession limit is ten.

Cedar Hills Tennis Association Concludes First Tourney

Cedar Hills Tennis Association President Gary Lindner said the response was so good the group will schedule another tourney in weekend.

In finals decided over the weekend, Lindner and John Telford defeated Jim Burger and Jack Thompson, 1-4, 6-3, 7-5 for the Men's A division doubles trophy. The winners came back from a 1-5 deficit in the third set.

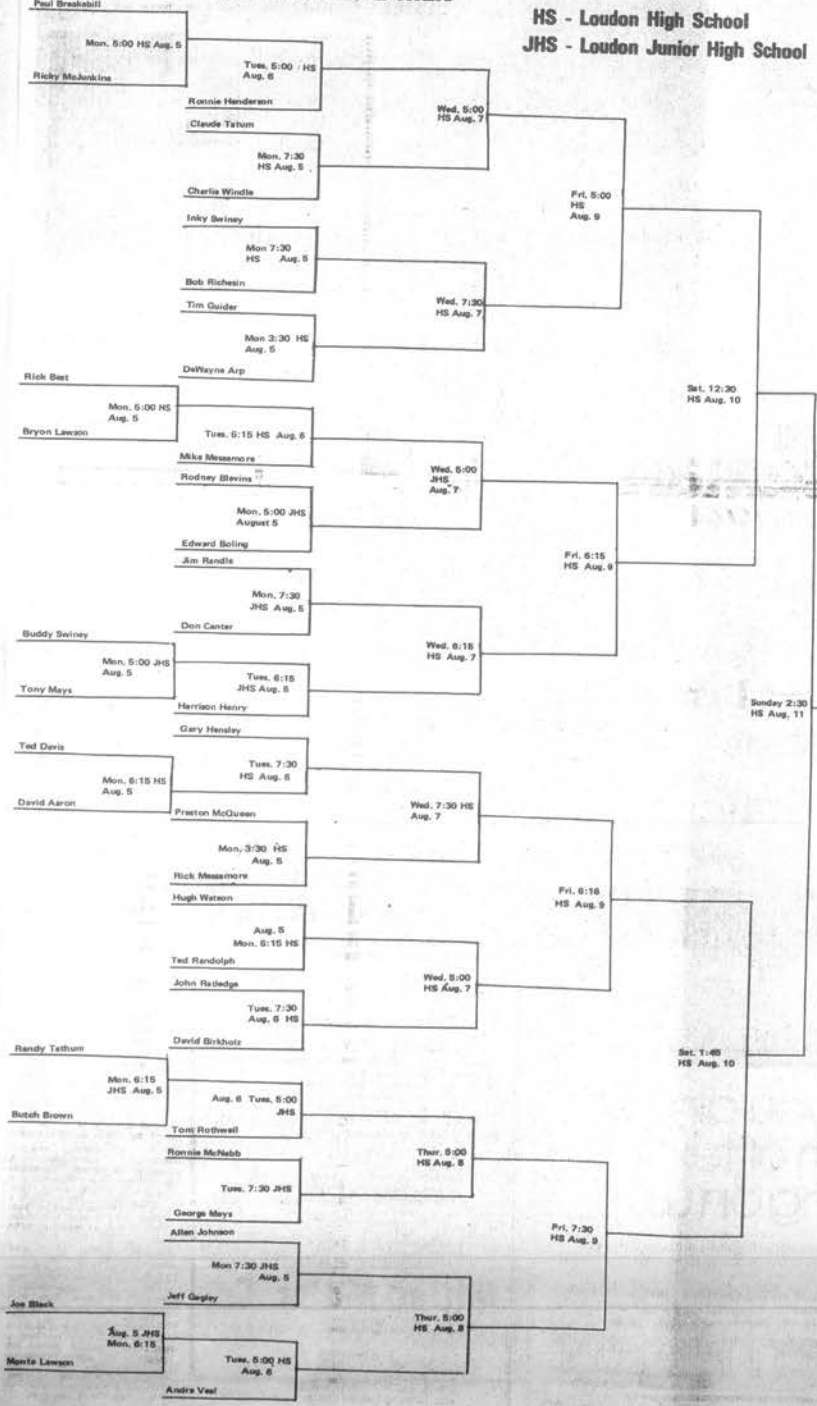

In Men's A Singles, Telford defeated Lindner for the crown, 6-3, 7-5. Telford and Minnie Morrison beat Les Toon and Mona Thompson for the Mixed Doubles trophy, 6-3, 6-2.

In the Women's Singles, Jo Ann Thompson defeated Minnie Morrison, 6-2, 6-3 for the title.

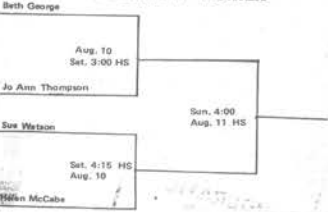

Play will continue Saturday for the Men's B Singles and Women's Doubles crowns: Doug Naugher will meet Jim Toon and Andre Veal will meet Bill Thomas in the men's semi-finals matches Saturday. Finals will also be played Saturday.

Loudon Tennis Tournament Completes Youth Finals

The Loudon Youth Club closed out the Loudon Youth Recreation Tennis Tournament this past Friday with worthy champions being crowned in each division of boys and girls play.

Sarah Chihaz and Kim Brant Hoover battle to the final of the Girls' Intermediate with Miss Brant Hoover taking the cham-

ampionship match, 8-3. Missy Hayes downed Shannon Locke 6-1 in the Girls' Beginners for her top honor.

Mentz Elliot defeated Ty Watson 8-1 in the Boy's 12 and Under Division.

In a smashing Good Boy's 13-14 final match Ricky Jones won over Eddie Estes 6-3. Ricky dealt Mark Moore a 6-2,

6-3 loss to gain the finals, while Eddie beat Freddie Cobb 6-2, 4-6, 8-0 to make the finals.

Horace McQueen used a hard delivery and consistent play to win the 15-16 year old boys championship over Mike Lambert 6-4, 4-6, 6-2.

McQueen won over Bumper Webster 7-5, 6-3 and Lambert edged Doug Kincaid 7-6, 6-3 to reach the final showdown.

15-16 BOYS' TENNIS FINALIST—Horace McQueen (right) won the Loudon Youth Recreation Tennis Tournament for boys 15-16 years of age by downing Mike Lambert (left) 6-4, 4-6, 6-2.

REFRESHING THEIR THIRSTS—Kim Brant Hoover (left) refreshes her thirst after winning the Girls' Intermediate Loudon Youth Club Tennis Tournament over runner-up Sarah Chihaz, who likewise finds a cold drink of water refreshing. Miss Brant Hoover won the title 8-2.

THE BLOW OF A CHAMP—Ricky Jones moves into a tennis volley as he captured the boys 13-14 year old division in the Loudon Youth Club Tennis meet. Ricky stopped Eddie Estes for the title 6-3, 6-2.

Waterfowl Meeting Set

To provide the East Tennessee Sportsman a greater voice in the establishment of this year's Waterfowl Seasons, three public meetings will be held with members of the Wildlife Resources Agency. These meetings are scheduled for 7:00 p.m. on August 13, 1974 at the Johnson City Power Board and the Morristown-Hamblen Library. The third meeting is at 8:00 p.m. on August 15, 1974 in the second floor auditorium of the Red Cross Building, 507 W. Cumberland, Knoxville.

Campground Meeting Set

The 102nd annual National Campground is scheduled for Aug. 9-18. It was announced this week, and the Rev. Raymond Smith, pastor of the First Baptist Church of Maryville, will return again this year as the preacher.

Services will be held each night beginning at 7:30. On Sunday, Aug. 11, services will be at 2:00 and 7:30 p.m.

Homecoming will be the second Sunday, Aug. 18, with Sunday School at 10, the morning preaching service at 11 and dinner on the grounds scheduled for noon. The afternoon and evening services will be at 2 and 7:30.

Mrs. Annis Hartsell, long-time secretary to the National Campground Association, expressed concern this week for the safety of the 100-year-old meeting shed. Vandals, she reported, have twice started fires under the shed, one of them burning far enough to char one of the rough oak benches. In both cases, passers-by and neighbors noticed the smoke and put out the fires before serious damage was done.

Vandals also have ripped out some of the electric wiring in the old structure, Mrs. Hartsell said.

Public Notices

MR. CARDWELL Elected Vice Chairman

Roy G. Cardwell of Lenoir City has been elected Vice Chairman of the Institute of Nuclear Materials Management at the organization's 1974 annual meeting in Atlanta, Ga.

The Institute is an international association of scientific, technical, and commercial individuals in government and industrial nuclear facilities and support organizations with primary responsibility for the utilization, control, and protection of nuclear materials.

The organization is actively involved in the development and application of safeguards.

2006-RESIDENT NOTICE ORDER OF PUBLICATION NO. 1374

Claude Herman Christman vs. Flora Allen Moats Christman

In the General Sessions Court of Loudon County, Tenn., at Loudon, Tennessee, 37774. It appearing from the bill in this cause, which is sworn to, that Flora Allen Moats Christman resides out of the State and cannot be personally served with process, it is

ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the 3rd Monday in August next, and make defense to the bill filed in the above cause, which seeks absolute divorce, or otherwise said bill will be taken for confessed and cause proceeded with ex parte.

This the 16 day of July, 1974. Billy Joe Akins, Clerk of said Court.

John O. Gibbons, Solicitor for Complainant.

7-25-4tc

In the General Sessions Court of Loudon County, Tenn., at Loudon, Tennessee. William Ben Bluford, Sr. vs. Deborah Hatcher Bluford. It appearing from the bill in

ORDER OF PUBLICATION NO. 1388

which it is sworn to, that Deborah Hatcher Bluford resides out of the State and cannot be personally served with process, it is ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the 2nd Monday in August next, and make defense to the bill filed in the above cause, which seeks absolute divorce, or otherwise said bill will be taken for confessed and cause proceeded with ex parte.

This the 16th day of July, 1974. Billy Joe Akins, Clerk of said Court. Blind Winfrey, Solicitor for Complainant. 7-18-4tc

GENERAL REVENUE SHARING ACTUAL USE REPORT

General Revenue Sharing provides federal funds directly to local and state governments. Your government must publish this report advising you how these funds have been used or obligated during the year from July 1, 1973, thru June 30, 1974. This is to inform you of your government's priorities and to encourage your participation in decisions on how future funds should be spent.

CATEGORIES (A)	ACTUAL EXPENDITURES CAPITAL (B)	OPERATING MAINTENANCE (C)

ATTEND CHURCH

A DAILY INCIDENT

Hardly a day passes without the newspaper reporting an automobile accident. Lives are lost and bodies mangled due to careless driving on our streets and highways. The cause of these accidents is usually the negligence of the driver, and to which accident prevention is the greatest risk in our life. There are those who depend on their getting out of their car in an emergency and to depend on it to save their lives. A daily God would have us aware of these things, will we seek that character could be saved - if we were interested enough. God often impresses the reality of His existence upon those who meditate His words. It is He who will show them the love of God for mankind by helping all who are suffering.

McMurray Recovering From Heart Surgery

Prominent Loudon County attorney, Don McMurray of Lenoir City, successfully underwent a six-hour open heart operation at Vanderbilt Hospital in Nashville Friday.

Mr. McMurray has had two serious heart attacks in the past three months. Doctors recently discovered that McMurray, 57, had two arteries leading to the heart that were blocked and arterial by-passes had to be implanted.

McMurray is a member of the law firm of Arnold, Winfrey, McMurray and Russell, with offices in Loudon and Lenoir City.

Mr. Winfrey reported that doctors at Nashville said that the surgery was a complete success and Mr. McMurray should be discharged from the hospital in about two weeks after which he will be allowed to come home, but his activity will be restricted for a period of time.

Heart Fund Memorial Gifts \$180.50

A total of \$180.50 in memorial gifts was received

7000 Expected To Vote Here

(Continued From Page 1)
Public Service Commissioner are Z. D. Atkins, Joe C. Carr and James Roberson. For second district congressmen are Jessie Brown and Margaret Francia; 36th district representative, Mrs. Anna Belle Clement O'Brian; State Committeewoman, Agnes Bird and Committeeman Don Palmer.

during the 1974 campaign drive which covers July 1, 1973 through June 30, 1974.

Mrs. Ray Birkholz of Loudon, Memorial Gifts Chairman said the donations showed an increase of \$41.50 over the same period last year.

"Memorial gifts made in honor of a friend or loved one over the past years are helping to save thousands of lives," Mrs. Birkholz said, adding, "They are an important source of support for the Heart program throughout the year, as well as during the annual Heart Fund Campaign."

To make a memorial gift, send the name of the person to be honored, your own name and address and that of the person to be notified, together with your check or money order in any amount to: Mrs. Ray Birkholz, 407 Robinson Drive, Loudon, TN 3774.

DRAGGING UNDERWAY—A boat of Loudon County Rescue Squad members are shown dragging in front of a sand barge where the drowning body of Josephine Mainor was last seen by her boyfriend last Wednesday night after the woman reportedly jumped into the Little T in a suicide attempt.

MEMBERS OF ROANE COUNTY RESCUE SQUAD AND Ambulance Service retrieved the body of Josephine Mainor after a fisherman, Lamar Benker discovered it lodged in some low hanging tree limbs. From left, are J.W. Russell and James Kirby, Rescue Squad; and Ray Williams and Arnold Newcomb, Roane County Ambulance Service.

DORTCH'S DAISIES

JANET KEATON is working for **DORTCH OLDHAM** for Governor. **DORTCH OLDHAM** has had experience in dealing with people and evaluating their abilities. He is the leader Tennessee needs. Mr. Oldham has what it takes to be the next Governor of Tennessee.

(Paid by Loudon County Oldham For Governor Committee)

Harold, call the home office.

We have a promising new account in Las Vegas. And it's all yours, Harold. Of course, there's the austerity program and the gas situation. So instead of going to Las Vegas, you'll make your sales calls by long distance. That saves a lot of expense. And anyway, Las Vegas could ruin a man. Couldn't it, Harold?

Get things done by long distance. Dial your calls the 1+ Way. It's the cheapest way to travel.

Body Found 37 Miles Away

(Continued From Page 1)

Squads were involved in the dragging operation around the clock with more than 500 man hours spent on the operation. Funeral services for the victim were held Sunday at Hawkins Mortuary Chapel in Loudon with Rev. S. A. Synatt officiating. Burial was in Mt. Zion Cemetery.

The victim is survived by her parents Mr. and Mrs. Walter Mainor, Loudon; brothers Dewey and Arthur of Loudon; Herbert and Hames of Thomasville, N. C.; sisters, Mrs. J. C. Shaw, Mrs. Naomi Isbill of Loudon; Mrs. Anna Ruth Crisco, Thomasville; and Mrs. Thelma McDaniel of Lenoir City.

YOU need a friend in government

STAN SNODGRASS

For Governor

**Undecided? . . . Vote For
STAN SNODGRASS**

Two polls completed recently show Stan with a lead over his nearest competitors. Here is the order of both polls:

1. Snodgrass
2. Crockett) Tied
Wiseman)
3. Blanton
4. All others sharing 10%

Stan Snodgrass Can Win The Primary - Stan Snodgrass Can Win The General Election In November
HERE ARE SOME OF THE REASONS WHY

THESE PEOPLE WANTED AN HONEST MAN -- THEY FOUND IT IN STAN SNODGRASS

THE STATE OVERSEER OF THE CHURCH OF GOD endorsed the Snodgrass Campaign in Chattanooga before some 6,000 members of the church. "We need a friend in government, and that friend is Stan Snodgrass," D. A. Biggs told the Campground crowd.

A Poll released by the Cookeville HERALD-CITIZEN indicated Stan Snodgrass is the **LEADING CONTENDER** for the Democratic gubernatorial nomination. Stan says the poll closely matches other polls recently taken across the entire state. This is evident by the enthusiasm that is beginning to develop in all our county organizations. I am confident that momentum - will continue to build to **VICTORY IN AUGUST AND NOVEMBER.**

ANOTHER BIG PLUS IN SHELBY COUNTY. One of Shelby County's largest political organizations, the 8th District Political Association, has endorsed the candidacy of Stan Snodgrass for governor. The association's president, Charles B. Myers, said: "We are convinced Stan Snodgrass would represent the best interests of the total community, but especially the poor people." The 8th District Political Association has political influence with some 30,000 residents of Tennessee's largest county.

These are just a few of the thousands of Tennesseans who are flocking to the Snodgrass banner. And some of our hardest workers are those who just work; folding and stuffing envelopes, passing out literature, and nailing up signs. These people are seldom recognized, but we want to publically thank them from the bottom of our hearts for their efforts.

Do Yourself, Loudon County & Tennessee A Favor And Decide With Thousands Of Other Voters To Vote For

County Judge Candidates Speak On Issues

The candidates for County Judge, William H. Russell and Charles Eblen, this week answered several questions put to them by newspaper reporters giving their views on several issues that are concerning the county. The questions and the answers by the candidates are as follows:

1) Please make a short introductory statement, outlining your general views of the County Judge's office, your general aims and purposes.

Eblen: If elected county judge, I would make the following proposals for the betterment of Loudon County: 1) I will appoint a committee of three in different sections to meet monthly to discuss their respective area problems; 2) I will work with our state legislature for the benefit of Loudon County; 3) I pledge to work closely with all of our school personnel to upgrade our educational system; 4) I will strive for more industry and better working conditions for all Loudon Countyans; 5) I will strive to improve services without an increase in taxes.

Russell: The county judge's office is one in which the leadership of the county can be developed. The statutory and constitutional provisions setting up the office give it varied

duties to perform in connection with estates, hearings, etc. However, the real thrust of the office comes in its overall administrative challenge. As chairman of the county court, the county judge has the opportunity to stay abreast with and give direction to the most crucial issues of our county.

As a student of political science and history, and as a practicing lawyer, I feel the next eight years require the services of someone who is interested in and dedicated to the concept of seeing that Loudon County develops and grows, but does so in such a manner and with such quality as it benefits the citizens of Loudon County first.

The most important goal for Loudon Countyans, in my opinion, is to unite themselves into one county for the betterment of all.

2) Do you find Loudon County's road situation to be a significant issue? If so, in what way? What would you propose to strive for insofar as Loudon County's roads and highways are concerned? County Court has repeatedly proposed a one-man, county-wide road superintendent. Would you favor this type of arrangement?

Eblen: I favor a referendum on this question.

Russell: Loudon County's road situation is a significant issue not only now but will continue to be for the next eight years at least. It is significant because increasing cost of materials and labor and the scarcity of both are going to make it increasingly difficult for us to provide the kind of roads we are demanding in order to meet our needs.

In this day of increasing mobility and increased use of vehicles to carry ourselves and our products back and forth, anything less than seeking to have every road in this county paved is totally unacceptable.

With the increased rural road money which the present state administration has provided for there is absolutely no reason why Loudon County could not get this as a reasonable goal to pave every road that is not now paved.

Our Commissioners will work together with the Highway Department, I will support the commissioners and their road programs. The County Court should be contingent on the city teachers retaining their tenure.

The question of the elected school board and an appointed superintendent should be settled by a referendum. It is a very controversial question and I would not want to settle it.

be used, I certainly would favor this type of an arrangement. I think it is more important to insure that we are continuing to strive for quality roads at the lowest possible tax dollar than who or how many people are in charge of the system.

In one way or another the tax dollar must be spent wisely or it makes little difference whether there are ten commissioners or one.

Getting the tax dollar into pavement on the roads at the lowest most efficient cost is the goal we must strive for.

3) It appears that consolidation of Lenoir City and Loudon County schools is a strong likelihood in the next year or two. Do you favor such consolidation? What role should the County Judge take in making preparations for possible consolidation? Would you favor an elected school board and an appointed Superintendent of Schools?

Eblen: I would be in favor of consolidation of the schools of Lenoir City and Loudon County. I would be in favor of the city teachers retaining their tenure.

It is terribly more important that the people of this county insure that whoever serves on the board are of such high moral character and good common sense that the decisions they make in connection with the schools would be on a sound basis.

It is my opinion that these ends can be accomplished regardless of the method of selection of the school board members.

4) County-wide planning and zoning has been in effect now for several years. What changes, if any, do you see that need to be made in the planning and zoning of the county?

Eblen: Zoning and planning to a certain extent is good. According to reliable information I have received, a number of property owners have been taken advantage of. If elected county judge, I will see that the rights of all property owners are protected.

Russell: This county has in the past several years undergone a significant change by adopting some very extensive planning and zoning regulations.

I personally would like to see that the zoning and planning restrictions are changed to the extent that our citizens are not deprived of the normal benefits which they should derive from the private ownership of land.

In this day of increasing governmental control it is vital that the individual property owners have certain rights attached to their ownership of property.

Increasing population and scarcity of materials has caused us to adjust our style of living, and increasing regulation in some areas is unavoidable.

However, we must insure that any of these regulations serve our mutual purposes rather than to make servants of us to the regulations.

It is vital that men of good common sense and lofty purposes are involved in any of these to insure, particularly the smaller land owners and people who have worked hard all their lives to provide land for themselves and their families, are not infringed upon.

5) Loudon County's new Justice Center will be completed and ready to go in operation just a few weeks after the new county judge takes office. What thoughts do you have on the cooperative law enforcement efforts among the various city, county and other law enforcement agencies which is expected to go into effect at this time? What expansion of law enforcement efforts, if any, do you foresee?

Eblen: I have been informed by high level law enforcement officials that this project will be the first of its kind in the state of Tennessee. I shall try to unite Loudon County and the four incorporated towns together that will make law enforcement in Loudon County second to none.

Russell: I am particularly excited about the possibilities of Loudon County's new Justice Center. In talking with the various law enforcement officers of this county, both city and county, an assurance will result in better law enforcement for the whole county.

If we could do nothing else during the next eight years but to complete the Justice Center and the feeling that the people of this county want and appreciate good law enforcement then we have accomplished a great deal.

I am of the opinion that by joining our efforts with the municipalities and county governments within this county we can jointly provide an opportunity for a quality of law enforcement which would not be equaled anywhere else in this state.

6) Apparently the way has been cleared, legally, for the completion of Tellico Dam and we probably can assume the facility will be completed. With this in mind, what do you foresee as benefits and problems in the development of the Tellico reservoir area and of the new town of Timberlake? What cautions should be exercised in connection with Timberlake?

Eblen: A project of this magnitude will certainly be a boon to the economy of Loudon County. Of course along with the influx of population there will be problems for the school system and the law enforcement officials. I will strive to make the changes orderly and with little or no controversy.

Russell: The courts have cleared the way for the completion of Tellico Dam and the Tennessee Valley Authority is currently negotiating with several private companies, the main one being Boeing for the development of the area known locally as Timberlake.

I had an opportunity to talk with and advise the representatives of Boeing and the other involved groups including this county, when the legislation was being drafted and passed in Nashville for the development of new towns in any area in the state.

Of course, Boeing was particularly interested in this legislation because it would provide the guidelines by which these kind of new developments would be done.

By taking the necessary time they insured that this legislation protected the citizens of Loudon County in these new development areas.

Some of the problems in connection with new developments are that the present citizens would end up paying a lot of the utilities service and taxes for new development which would take years to repay in tax service.

In this particular development there are problems for Loudon County since much of the anticipated industrial growth would not be in Loudon County but in adjoining counties and we would end up with the residential areas.

This, of course, would mean

Paid Political Advertising, Loudon County Republican Party

Winston

For GOVERNOR

Nat Winston Has Spent More Time In Loudon County Than Any Other Candidate For Governor—He Can win For Tennessee. Vote for Nat Winston—Republican Primary Thursday, Aug. 1, 1974

Paid Political Advertising Inserted By Loudon Countyans For Nat Winston

(Continued On Page 3B)

County Judge Candidates Speak On Issues

(Continued From Page 2B)

industry to come to this county. I believe that our county is in such a good position that we do not need, anymore, to offer such considerations.

If an industry is interested in coming to Loudon County they ought to be of such quality that can afford to come and develop without any special consideration.

We should also be very careful of the kind of industry that comes to Loudon County. We do not want an industry in this county which would endanger the lives of ourselves and our children with

polluting waste.

We want to insure that the quality of our surrounding wild life and streams is given top consideration. I do believe that industrial development is a valid and necessary concern of the taxpayers and that the County Court of the county could, if it so desires, and perhaps should, be prominent in the leadership efforts.

I believe they should be involved in them so they can protect and provide the kind of quality development that this county deserves.

I believe that the taxpayers should be involved in this kind of development just as they

should in agriculture and education and the other services that we normally provide for our citizens.

Again I would like to emphasize that we do not need to sell ourselves to every industry that comes down the pike.

We are in such an enviable position that industry that wants a solid quality environment for their plants will come to us, and locate their plants here, because they know that Loudon County traditionally provides the kind of good labor force and good community in which to raise their families.

Of course, we are all very

proud of the fact that Loudon County is a possible site for Exxon Nuclear Incorporated.

Having worked with the people in connection with securing this industry and having been able to have provided services in that connection, I am looking forward to such time that the federal government approves their application.

If this occurs Loudon County will have an increased tax base to the extent that it almost equals our present tax base.

This is the kind of increase that is desirable because the number of services that Loudon County will be asked to provide will be minimal.

The number of employees will be relatively small but the quality and the pay scale will be relatively high. It is this kind of equality that we can look forward to in the future.

In addition if Exxon does locate their plant here it will automatically bring other satellite high quality industry to service the main operation.

We are, of course, all excited about this and certainly are grateful to those who did so much to make this a reality.

81 What do you consider Loudon County's greatest problem—or problems? What possible solutions do you see to it or them?

EBLEN: 1) A vocational school is being considered between Lenoir City and Loudon. If elected, I shall do everything in my power to see that this program is completed.

DEAR SIR: While transporting our

sailboat late at night last month, my son and I experienced motor trouble in the town of Loudon, Tn., and one of your officers was very polite and helpful to us in our difficulty.

He went out of his way to make things pleasant for us even took us to the police department for coffee, since there were no cafe's open at that hour.

We would like to give special thanks to Officer John Mills. It is because of such fine men as Officer Mills, that traveling has become a great pleasure.

Wallace and Thomas Milham, 131 Fairhope Ave., Fairhope, Alabama.

DEAR MR. CATE: Tennesseans For Better Transportation's purpose is to be a center of information regarding transportation as it

relates to all modes in Tennessee. We attempt in every way possible to make the citizens of the state and all elected officials aware of the needs and importance of transportation to our total way of life. In order to do this, we, obviously, must work closely with both the printed and electronic media across the state in making this information available.

THT has just completed a two-year survey of the newspapers across the state to determine how much coverage was being given to transportation matters. These figures are based upon the clipping service of the Tennessee Press Association. This survey reveals that 146 papers in 1972 carried 2,413 articles and in 1973 2,217 articles. The Loudon County Herald in 1972 had 3 articles and in 1973 had 7 articles for a total of 10 articles in a 24 month period.

During the period extending from June 17 to July 12, 1974, the undersigned participated in a graduate course in geography at the University of Tennessee entitled Research Design and Field Program.

Loudon County was the selected study area for the group.

During this time we experienced some of the best cooperation from the citizens of Loudon County that could be hoped for in such a course of study. We extend our thanks to all those who assisted us in the completion of our various research papers; without such excellent assistance it would have been much more difficult to complete our work in the four-week period assigned for the study.

Again, our thanks to all those who gave so wittingly of their time.

Sincerely,
Don Alvie
Wally Crandall
John Fox
Manik Hwang
Doug Kocher
Joe Petreselli
Dale Quattrochi
Ross Thomas

PUTTING SIGNS ON CARS and trucks for the Republican motorcade Saturday is underway as the candidates prepare to leave on the countywide tour.

M. F. (Benny) Stafford

for Representative

21st Legislative District
Loudon & Blount Counties

Your Continued Support & Confidence Appreciated

For the past four years I have been privileged to serve the citizens of Loudon County in the State Legislature. As in the past I will pledge to listen to the wishes of the people and try to work for their interests in Nashville.

Although I am unopposed in the August election I would greatly appreciate your vote of confidence.

Pd. Pol. Adv. Inserted by Benny Stafford

2) I will encourage the Tennessee legislature to rezone the legislative districts placing all Loudon County voters in one district.

3) I will do all in my power, if elected, to help the highway department secure more funds for the construction and upkeep of our roads which have been damaged by floods and bad weather during the past two years.

4) If elected, I shall work with the Loudon County farmers in time of drought or flood to help them recover any compensation or money that might be due as a result of losses.

RUSSELL: Loudon County's greatest problem is also her greatest opportunity. I sincerely and earnestly believe that our greatest opportunity during the next eight years is to learn in function and work together as citizens of one county.

Rivers and highways and other such pursuits this county can accomplish anything it reasonably wants to do.

We could have some of the finest roads, the best educational system and some of the highest quality industrial development this state has ever seen if we work together as one county to accomplish these ends.

By working together in areas of education, industrial development, highways and other such pursuits this county can accomplish anything it reasonably wants to do.

We could have some of the finest roads, the best educational system and some of the highest quality industrial development this state has ever seen if we work together as one county to accomplish these ends.

importantly, no amount of saving could justify the danger to which some of our children have been exposed while waiting on school buses in the dark morning hours. "In January of this year, I introduced legislation to repeal Public Law 94-148," Congressman Baker stated. "PL 94-148 established year-round daylight saving time. I proposed a repeal of this law because a large majority of the people in my Third District of Tennessee are much disturbed at the fact this legislation has had on their lives. Further, it did not seem reasonable that any significant saving of energy would result."

recently issued by the Department of Transportation. DOT has recommended the repeal of DST on a year-round basis and a return to daylight time to run from March until October. We would then return to Standard time during the darkest months of the year, November, December, January and February. This would afford some relief from the conditions described above. In view of this recommendation from DOT, I believe Congress should reconsider the whole question. Hearings should be held on year-round daylight saving time and a reasonable compromise be arrived at before the winter season is on us again."

Time To End DST Says Baker

Congressman LaMar Baker, R-Tenn., sponsor of legislation to repeal year-round daylight saving time, has again called for action on his bill. Calling attention to the report just released by the Department of Transportation, the veteran lawmaker said the Congress should take speedy action in order that changes could be planned in advance of the dark winter months. Baker said the report by DOT simply confirmed his conviction that the saving in energy did not justify the inconvenience of year-round daylight saving time. More

DORTCH'S DAISIES

LEA ANN BRIGHT is working for DORTCH OLDHAM FOR Governor. DORTCH OLDHAM is a 34 year old successful businessman who has the knowledge and experience to move Tennessee forward.

If you like the idea of putting your hobby to work, you'll like the Army Reserve.

TO ALL THE VOTERS OF LOUDON COUNTY

Due to a new law, the Road Commissioners from each district must run county wide. This does not mean I am running against the commissioners of the other districts. If elected I will serve only in the 1st and 4th districts, as I have in the past.

Since I am now serving as Road Commissioner I will be unable to contact everyone in person, for I feel that my first responsibility is to my job.

So I am taking this opportunity to ask each of you for your vote and influence.

With Deep Appreciation,
LILLARD BLEDSOE
 Republican Nominee

Road Commissioner - 1st and 4th Districts

Oldham Promises Exxon Support, 95 Completion

Republican candidate for governor, Dorth Oldham, in an interview with reporters when in Loudon for the Republican Rally last week addressed himself to several issues he said that he had found to be on the minds of Loudon Countians.

Mr. Oldham said he was very excited about the development of the \$250,000,000 Exxon Nuclear plant on Mallock Bend in Loudon. He said that the licensing process for the facility through the Atomic Energy Commission is one place where he felt the Governor could be of benefit to the project. He said as Governor he would give his personal attention in helping the Tennessee Congressional Delegation in their support of the project. Mr. Oldham said that he had found Loudon Countians very excited about the project and said it would be a boom to not only the county but to Tennessee.

He complimented the industrial development forces in the county saying he believes Loudon County is in the heart of the industrial potential of the state.

Mr. Oldham said he had stated at a rally in Maryville and wanted to repeat in Loudon County that the broken promises of the past on the completion of State Highway 95 between Lenoir City and Maryville, would be fulfilled by him if elected Governor.

On the subject of roads he said that the development of a sound State Highway network, rural and secondary roads

was of immediate need with the completion of the Interstate network as close.

development of good farm to market roads and rural roads is very much on the minds of Loudon Countians," he said.

"and you can be sure that roads will be one of the top priorities in my administration. We will have a massive road program."

and education," he said. "If we can get the road system and education system at the level they should be then every other phase of development in the state will follow," he closed.

DORTCH OLDHAM, Republican gubernatorial candidate, said this week that he will, as governor, push for the completion of I-75. "If it is not finished by then. The final link in Loudon County has taken much too long to complete," he said. He said he would launch an all-out effort to up-grade secondary roads in the county to provide better access to the interstate system.

Loudon County Herald For and about Women

Davis-Rogers Vows Said

The wedding of Miss Valerie Dawn Davis and Steve Alan Rogers was solemnized at 7 p.m. Wednesday, July 10th at Philadelphia Baptist Church. The Rev. L. L. Davis of Loudon, uncle of the bride performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Stanley Eugene Davis of Philadelphia, and the bridegroom is the son of Mr. and Mrs. Herman Hoover Rogers of Fork Creek Community.

The bride, given in marriage by her father wore a gown of white, sheer organza over poul-de-soie. It was accented with chantilly lace on the bodice, sleeves and chapel train. The long, floor length veil of silk illusion was held by a cap of chantilly lace and edged in matching chantilly lace. She carried a bouquet of black-eyed susans, Killon daisies, and baby's breath. Her only jewelry was a heirloom pin belonging to her paternal grandmother. The pin was fastened to the bridal bouquet.

Miss Betty Waller, maid of honor and Miss Selena Cannon, bridesmaid wore floor-length gowns of gold gingham edged in eyelid emerald. Headpieces were of matching material to their dresses and were triangle scarfs. They carried baskets filled with black-eyed susans, Missy Erwin, cousin of the groom was the flower girl. Her long gown was fashioned identical to the bridesmaids. She carried a basket of yellow daisy petals. Field Webb, deapity of the bride served as ring bearer. He was dressed in black knickerbockers, black bow tie and a lace trimmed gold shirt. Randall and Rodney Sampson, nephews of the bride lit the candles at the altar. Ray Rudd of Sunnyside Com-

munity was best man and Sam Carey of Loudon was an usher. Miss Patricia Rogers, cousin of the groom, kept the bride's book.

Wayne Weaver of Sweetwater presented the

traditional wedding music. Special selections were "Speak Softly Love," "We've Only Just Begun," "The Wedding Song," "Love Is A Many Splendored Thing," "The Lord's Prayer," and "Princess Of Denmark No. II."

another daughter, Kim, 3. Grandparents are Mr. and Mrs. George Lane, Mr. and Mrs. J. E. Mills. Great-grandparents are Mr. and Mrs. Walter Cannon of Sweetwater and Mr. I. A. Lane of Loudon.

CAROLYNN HICKEY is attending State 4-H Roundup at U.T. this week. She will be competing in Sportswear, wearing the outfit shown in the picture.

Carolyn Hickey In State Dress Revue

By Sue Schlostein
Junior Assistant Extension Agent

The Loudon County 4-H'ers are competing in this year's State 4-H Roundup this week. Carolyn Hickey of Philadelphia is District V's representative in the Sportswear Division. She won the District V Dress Revue in Sportswear at Morristown, July 10.

Carolynn will be competing against girls from four other Districts in the Sportswear Division. If she wins in this division she will then compete against the winners from the School Dress, Party Dress and Best Dress Divisions for state honors.

Michelle Cooper of Greenback is attending State 4-H Roundup as an Alternate in Dairy Foods. She will not be able to compete unless the District V winner in Dairy Foods does not attend.

Doyle Scott In National Who's Who

Michael Doyle Scott, a senior at Loudon High School was recently notified that he will be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74, the largest student award publication in the nation.

Michael is the son of Mr. and Mrs. Doyle Scott, Route 3, Loudon. He is active in National Honor Society as president; Society of Outstanding American History Students; Red Cross; Science Club; Intermural Sports and Ministry School at the Kingdom Hall of Jehovah's Witnesses. He received 4th honors and Senior Superlative as Most Intellectual.

In addition to having his biography published in the book, Michael will also compete for one of ten scholarship awards of \$500 to \$1,000 funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers".

Michael plans to prepare for the ministry work as well as a secular career in electronics.

Michelle is also a nominee for the Vol State Award to be given to selected 4-H members who have particularly outstanding records in project achievement, leadership, and service in 4-H.

Teresa Goddard is also attending Roundup, and serving as a room chairman during the awards banquet.

State 4-H Roundup is being held on the University of Tennessee Campus this year. Demonstration Day during this week was on Tuesday, with the awards banquet Tuesday night.

Roundup will be highlighted by a trip to Gallinburg, where the 4-H'ers will be able to browse in the shops and view the mountain scenery. They will also go to Hunter Hills Theater and see "South Pacific."

Roundup will last from August 5-9.

Philadelphia Personals

Mrs. John Windle was in Florida recently for a vacation with Mr. and Mrs. Agee of Johnson City.

Mrs. Mary Cummings of McMinnville was the guest last week of her cousin, Mrs. John Christian.

Mr. and Mrs. Lee Davidson were with her mother, Mrs. Sam East, several days before her death Friday at the hospital in Charlotte, N.C. Mrs. East was buried Monday in Lenoir City.

Mrs. Stanley Davis, Mrs. Athena McGhee with their sisters, Mrs. Charlie Vermillion of Knoxville and Mrs. Ernest Wilson of Ocala, Fla. vacationed together last week in Ocala, Jacksonville and Daytona Beach, Fla.

The Allen family had their reunion Sunday at the home of Mr. and Mrs. Haskell Shell. Attending were Mr. and Mrs. Richard Allen and Mr. and Mrs. Edward Butts of Theodore, Ala. Mr. and Mrs. Fred Allen, Park Forest, Ill.

Mrs. Alice Anderson and son, Michael of Lansing, Ill. Miss Debbie Price, Highland Park, Ill. Mr. and Mrs. Mike De Bella, Calumet City, Ill. Mrs. Vera Norchoff, Murray, Ill. Mr. and Mrs. Jim Allen, Calumet Park, Ill. Mr. and Mrs. Elaine Allen and sons, Dalton, Ill. Mr. and Mrs. Dennis Allen, Riverdale, Ill.

Mr. Ed Allen, Middlefield, Ohio and Mr. and Mrs. Reid McNabb and family of Nicholson, Ga.

Mrs. George Martin is home

after being with her sister, Mrs. Roy Tate at the Charlotte Memorial Hospital in North Carolina. Mrs. Tate has improved and expects to return to her home in Concord, N.C. this week.

Misses Ada and Mary and Mr. Dale Griffiths were in Lenoir City Sunday for the funeral of their aunt, Mrs. Larry Mitchell.

Mr. and Mrs. David Ferguson with Mr. and Mrs. James Wright of Loudon left Friday by plane for Wisconsin, but had to return home after staying overnight in Madison, Ind., due to bad weather.

Mrs. Mills of Norfolk, Va., the guests of Mrs. Tom Markwood, was a visitor Sunday at First Baptist Church.

George Martin and Mrs. Homer Bolt and Heather of Loudon visited Saturday with Mr. Luke Martin in Murfreesboro.

Long Gets Promotion

A Loudon man has achieved the rank of airman first class in the U.S. Air Force.

Airman First Class John H. Long, son of Mrs. Mary A. Long, Rt. 1, Loudon, is a telecommunications systems specialist at Andrews AFB, Md. and serves with a unit of the Air Force Communications Service.

The airman is a 1973 graduate of Loudon High School.

Jody Christopher Lambert celebrated his first birthday on July 7. He is the son of Mr. and Mrs. Donald R. Lambert, Route 2, Loudon. Grandparents are Mr. and Mrs. Glen Lambert, Route 2 and Mr. and Mrs. Johnny Brogden, Route 1, Loudon.

Personals . .

Mrs. Annie Farmer of Pontiac, Mich., spent last week with her brother, Mr. Gene Hughes and Mrs. Hughes.

Rev. and Mrs. Wayne Hill and Karen of Flat Rock, Ala. spent last Sunday with Mr. and Mrs. Wayne Hill.

Mrs. Douglas Easter has been a patient at Women's Hospital in Chattanooga.

Mr. and Mrs. Sammy Stooksbury and son Stephen of Stockbridge, Ga., and Mr. and Mrs. Willard Stooksbury of Kennesaw, Ga., are spending this week with their parents, Mr. and Mrs. Lee Stooksbury.

VISIT BROCK AND DUNCAN—Mr. and Mrs. Don McCollister, 1116 Welch Avenue, Loudon, and their family visited with Congressman John Duncan and Senator Bill Brock in Washington recently. They are shown on the steps of the U.S. Capitol building. Standing (left to right) Senator Brock, Gilbert Houston, the McCollister's daughter, Judy Houston, Mrs. McCollister and Congressman Duncan. Seated are Martha Galyon of Congressman Duncan's office, Mr. McCollister and Donnie McCollister.

You can bank 100 pennies or \$100,000 with the Hamiltons.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank.

If you've got a minute, we'd like to talk to you about savings.

A regular passbook account is best for you, if you need to make frequent deposits and withdrawals. And we pay high interest.

If you can put some money away for awhile

and forget it, you'll get higher interest rates. We pay up to 7 1/4%* a year on \$1,000 or more, deposited for a period of 4 years.

We'll sit down with you and figure out which savings plan fits your income and your special goals. Once you get started, it's easier than you think.

If it's a question of money, ask the Hamiltons.

Never been sick? Then, you'll be interested in this new Disability Income plan!

Keep this new plan in force until maturity and its money back feature provides a refund of your premiums less any benefits you have received over the years.

Meantime, you have the peace of mind security of knowing your family will have an income to live on if a covered sickness or accident keeps you from working.

Sound like the kind of Disability Income plan you've been looking for? Then, call me today for full details.

CONGRATULATIONS BILL-Democratic candidate for county judge Charles Ebbel congratulates victorious Bill Russell after returns Thursday night showed Russell defeated Ebbel for the office. Both candidates were in The Herald office to get the returns.

BUSY PLACE-The office of The Loudon County Herald was a busy place election night as candidates and other interested citizens were on hand to see the returns come in.

ADDING THINGS UP-Loudon Jaycees Charlie Anderson, Mike Waller and Kyle Anderson are shown adding up election returns Thursday night. The Jaycees helped the Herald gather and assemble the returns.

Band To Start Marching Rehearsals

The Loudon High School Band will begin rehearsals on Monday, August 12 at 9 a.m. in the bandroom. All students that are to be in the High School band including majorettes and colorguard instruments and marching shoes. For any questions about rehearsals, contact Ray King at 458-4328.

Don, Dial Della.

Don, Sweetheart, this is your last chance. If I don't hear from you before Saturday, I'm going to the party with Roger. Call me long distance. And dial it the 1+ Way. It saves money. So we can talk longer. It's such fun to make up.

Isn't there someone you'd like to call, right now? Dial long distance the 1+ Way. It's the cheapest way to call. That means you can talk longer and call more often.

MR. ALEXANDER MR. BLANTON

Butcher Wins Here . . . Alexander, Blanton Win Party Nods

Loudon County voters cast their ballots much for the same candidates as did the surrounding area in last Thursday's Republican and Democratic State Primaries.

In Loudon County Republican Lamar Alexander easily the vote battle in the four man race for the gubernatorial nomination. Alexander, who won by a 25,000 vote state-wide victory, polled 1574 votes in Loudon County against Dr. Nat Winston and 410 by Dorch Oldham.

Loudon Countians gave banker Jake Butcher the largest slice of the vote here. Butcher got 646 Loudon County votes, followed by 598 by the state-wide winner, former Congressman Ray Blanton, with 536 votes. Other local top vote getters among

the Democrats were Franklin Hasey, 448, Tom Wiseman 416, Hudley Crockett, 294, and Stan Snodgrass 238.

In other races on the Republican ballot Congressman John Duncan easily won. Duncan received 1785 votes here against 39 for his opponent Boyce McCall. Unopposed for nominations State Representatives Benny Stafford polled 1226 votes and James Melton of the 38th district 163 votes. Jane Hardway, unopposed for the nomination for Public Service Commissioner collected 1044 votes.

The local precinct chart on the two primary elections are published on page 12 of this issue.

Mrs. Hardway will face veteran Commissioner Z. D. Atkins for the PSC post in

Russell, Akins Win Top Local Races

(Continued From Page 1.)

long at the machine precincts, thus the small Luttrell precinct did not close until 8 p.m. along with all others.

Since that time Election Commission Chairman John Gibson said that he has requested the purchase of two machines, one for Luttrell and one additional for the Loudon Outside West Precinct. Before

the election the old Loudon Outside precinct was split because of the division of the state legislative districts, leaving only one machine for the two precincts. The Outside West precinct attracted 566 voters, seen to too many for one machine to handle. Since only 189 persons voted in the Outside East precinct the Commission is not asking for an additional machine there.

Your County In Action

BY HARVEY L. SPROUL LOUDON COUNTY JUDGE

Well, the biggest election in years, at least from the standpoint of the size of the ballot, is now over, and I would doubt that anyone could truthfully claim that every vote they had cast was for a winner.

November. Atkins carried the Loudon County vote, putting down Joe C. Carr Jr. and Senator Sam Roberson.

According to the official charts from the Election Commission 3464 persons voted in the Republican primary and another 3241 in the Democrat races. This totals 6705 which is 174 more than voted in the county general election. Reporters who have long covered elections find this almost unbelievable and although the votes received by the candidates seem to concur with the unofficial vote gathered on election night, it is believed the total vote county in the primaries must be incorrect.

Of the 3464 Republicans said to have registered to vote in the primary at the polls, only 2420 voted in the GOP voters' election. Many voters reported getting into the machine and after casting general election votes did not see the primary election further down the machine, or thought they had to go to a second machine for the primary.

Similar problems were encountered by Democratic voters. Of the 3241 reported voters in the primary only 2679 voted for one of the 12 candidates for governor on a ballot that had little else to offer.

Blanton won his nomination by a 40,000-plus margin over Jake Butcher, and soon after the returns were in Blanton and his November opponent Alexander went into huddles with party officials to construct party unity for the big fight.

Generally, for every winner there is a loser (unless uncontested), and in some of the races this time there were many losers.

However, as a general rule I do not think that you can say that a person who did not win is a "loser".

For there is much to be said for a person who is willing to offer himself for public service and to make the sacrifices of time and money that are necessary to pursue this course.

When we get to the place in this country where we need one candidate for each office, then we are truly in deep trouble.

So, congratulations to all the winners and congratulations to all of the seconds, third, fourth, fifth places, etc. also.

The next question is who is going to remove all of the posters that were so enthusiastically put up.

Perhaps we can all help to do that, possibly leaving only those candidates who are still running for I suspect that if their posters are torn down, they will only be obliged to put up some more.

Of course, I was supporting strongly one of the Democratic gubernatorial candidates, and was disappointed when he did not win. However, he did make a strong showing in the State-wide race in a situation where he did not have comparable financial backing, to some of the other candidates, and I think that it is possible that we will hear from him again (which is probably true of several of the unsuccessful Democratic candidates).

On the Republican side, I would tend to think that this would probably be the only State-wide race that would be attempted when he did not win (which is probably true of the other hand, you never can tell. Who else would be the top candidates for the Republican

nomination for Governor four years from now?

On the local level, I am fast

approaching the end of my eight-year term as County Judge, and certainly this is with mixed emotions.

I do look forward to returning to the full-time practice of law. But of course I hate to leave the office of the County Judge with so many things "hanging fire" that are not completed.

There are plenty of problems involved, and I told both of the candidates back at the start of the election that they must be half-crazy to want to be interested in a job that has so many problems and details with which to be concerned; but on the other hand was very proud that two qualified persons were willing to run.

Speaking of Sports

By DANNY GIBSON
Sports Editor

City Recreation Director Hired

In a late news release to the Loudon Herald Wednesday the City of Loudon has hired a full time City Recreation Director, Bill Birkholz, a 1967 graduate of Loudon High School where he played football and basketball was hired by City manager Gary Hensley. Bill is the son of Mr. and Mrs. Ray Birkholz of Loudon and has attended UT majoring in physical education and recreation. He will assume his job responsibilities immediately. A formal announcement of filling in recreation position will appear in next week's Loudon County Herald.

Marietta Blackburn, the Miss Cool Blonde Bomber from L.C., showed she was by far a true Tennessee prep star. The slender 5-5 forward who has known little failure in her basketball career, was shaken to learn by mid-week that probably a second quarter appearance would be her only taste of all star competition. The starting forward combination of Bradley County's Liz Hannah, Warren County's Barbara Biles, and Porter's Stephanie Johnson got the benefit of most of the week's preparation from Porter's head mentor Galen Johnson.

Miss Blackburn did not give a typical account of her play in the second quarter, possibly pressing to do too good in a bid for some second half consideration. Marietta had hit one of five shots, missed a crisp under the basket, hit two foul shots, logged a turnover and contributed three assists. The eight minute effort by the East scrub-team had regained the East a three point advantage by intermission.

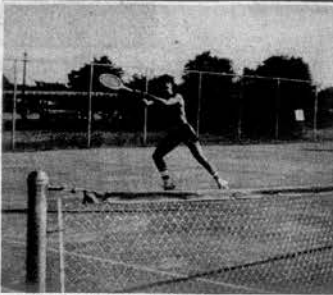

The East managed to blow a five point edge in the third quarter, and when Johnson got desperate the call came and Blackburn was waved into the game. A quick check of the mess that had entangled the East was quickly taken in stride by the Blonde Bomber. The Lenoir City super star, just like in the crucial tight games the Pantherettes so often encountered, calmly took matters in her own hands. The Blonde Bomber locked herself into a scoring duel with Denese Kittrell of Westmoreland, the state's top scoring average performer in 1973-74.

Marietta zipped in seven straight, including an underhand, reverse lay-up under the East goal on a drive that saw two giant West guards amazed and bewildered as to the realism of the blonde headed kid from Loudon County. Meanwhile Miss Kittrell was hitting six in a row and four of four foul shots. The lead was swapping hands like a hot potato being passed around.

The East had the ball and 45 seconds to score. The bench call had the East team holding for a final second shot. Without a lot of organization the East worked off the seconds and when time came to score the offensive maneuvering produced no open scoring attempts and the ball was whipped to Blackburn some three steps in front of the circle. The hurried launch was off target only by inches but the East had canned their victory hopes by not keeping with their offensive pace and game momentum.

The Blonde Bomber certainly proved she was deserving of more than just 16 minutes of playing time. To win, you have to play winners in games such as the TSSAA all star meetings. Had Miss Blackburn been given the basketball for a more practical shot or had the play been set to where she was supposed to have gotten the ball for the final effort the East probably would have won. Definitely the East was the better group and Miss Blackburn the most valuable player, had the East gotten their go-team of Blackburn, Hannah, and Biles in earlier or stayed with them in the end.

Greenback's Tim Hammonree did not have the fanfare night for the East gridders that Miss Blackburn did in carrying the East hope sextet. Not saying he played bad for his efforts were of his usual rugged manner. The 208 pound Carson Newman signer provided the East team with the resulting factor in their only points in the first half. A bone cracking tackle from his defensive end position, parted the football from the West and gained the East

Fox Hunters To Have Horse Show

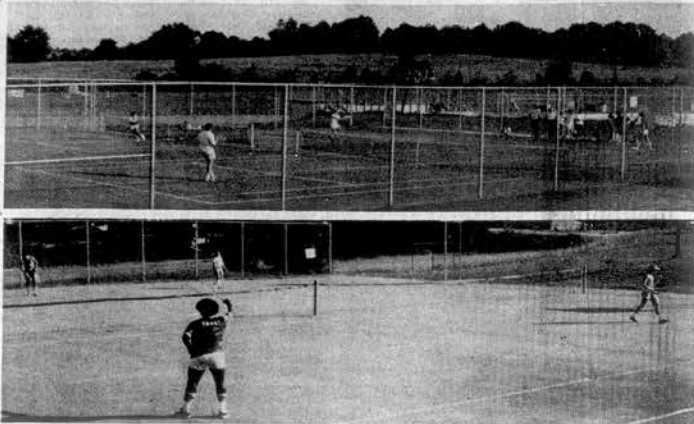

The Little Tennessee River Fox Hunters Club will hold a Western Pleasure and Speed Show Horse Show this Saturday night at 7 p.m. The horse show will be held at the Fox Hunters Club House on Poplar Springs Road. There will be 15 classes with trophies given to first, second and third place winners. The overall championship rider will be recognized with a trophy. Entry fee is \$2.00 for each class. Admission for the event is one dollar for adults and 50 cents for children. A concession stand will be in operation at the show to provide plenty of refreshments. For more information call 458-5533.

a two-point safety. An open field tackle on the kickoff in the second half had the stadium trembling from the solid kick. Otherwise Hammonree could contribute only a consistent team effort of doing his job at his defensive position. Hammonree did not figure into the offensive plans of the East, which like the West played two paton football.

Loudon County was well represented in the TSSAA All Star events in Marietta Blackburn and Tim Hammonree and both exhibited their talents in the highest degree. Their fine play is not only a tribute to them personally, but to their schools, coaches, and communities.

TENNIS ACTIVITY HEAVY—Tennis activity was heavy in Monday evening's first round of the Men's Intermediate Tournament adult segment sponsored by the Loudon Youth Club. Tennis courts at the Loudon

Junior High School and at the new Loudon High School facilities are being used for the tournament which runs through Sunday.

Loudon City Tennis Tournament Off To Good Start

The Loudon Youth Club sponsored City Tennis Tournament adult segment got under way Monday evening with a hearty approval of both excitement and smooth organization.

George Mays 6-0, 6-0, and Allen Johnson eased by Jeff Gagley 6-2, 6-3. Tournament play continues

Larry Bridges, tournament director, appears to be running the community wide project flawlessly and reports outside sponsorship has been good with only a couple of surprising rejections for help on trophies and general equipment of the non-profit tournament.

the rest of the week with similar and final rounds set for Saturday and Sunday in all divisions. Still waiting to start tournament play are the Intermediate Women, Men and Women Beginners, and Men and Women Advanced.

Early first round winners stem only from the Men's Intermediate class of play where 38 was pre-registered. Paul Brakebill beat Rick McJunkins 6-2, 6-3. Charlie Windle over Claude Tatum 6-3, 6-0. Inky Swiney defeated Bob Richiesin 6-4, 6-1. Dewayne Arp beat Tim Guider 6-1, 6-1. Rodney Blevins, David Aaron, and Joe Black all advanced on match forfeits. Joe Black is understood to have also passed his second round of play with still another forfeit on Tuesday night.

Jack Delaney and Charlie Helms are apparently in the groove for a competitive stretch drive in the Union Carbide Golf League standings. The Union Carbide golfing leaders with 213 team points, won the low net team honor with a 70 in Madisonville last week to add another 20 points to their overall sum. Jack Randolph and Herbert Hodge carded 70 low net marks for nine holes also but loom back in sixth place with 164 points.

Blackburn Shines In Disappointing 64-61 Loss To West Girls

A 45-second stall for the last shot failed to work for the East All-Star girls basketball team Thursday night as they bowed to the West Stars 64-61 in the annual TSSAA match-up.

The win was the West team's fifth in the six year series and fourth straight.

Disappointed East coach Galen Johnson blamed his team's defeat on a first half scoring error, which had taken a point off his team's total at halftime.

"If I had known that we didn't have that extra point

when I talked to my girls at the half, we would have planned a different second half strategy," Johnson snapped at reporters. "The scorekeeper messed it up and you guys (the reporters) should have caught it."

Johnson had also voiced his displeasure to TSSAA officials.

The point in question was a free throw which was given to the East team instead of the West midway in the second quarter. The East club was leading 34-31 at the halftime,

according to the scoreboard. The correct score was 34-32. "I don't see how it made very much difference," said Westmoreland coach Bobby Hopkins.

The West took the lead 44-43 going into the fourth quarter, then swapped it back and fourth throughout the final period. The East was leading 62-61 with 45 seconds left when Johnson signalled to play for one shot. Marietta Blackburn of Lenoir City, who had hit seven of eight shots in the fourth quarter, took the final

shot with two seconds left and missed.

Shelbyville's Carol Lance rebounded, was fouled, and the West's Denise Kittrell sank two free throws to put the game away.

Kittrell, an All-Midstate performer from Westmoreland, was the game's leading scorer with 24 points and was voted the All-Star most valuable player. She scored 16 of her points in the fourth quarter. Marilyn Gilchrist of McNairy was West's other double-figure scorer with 15.

Blackburn, the Blonde Bomber, led the East offense with 18 points, four assists, and a general floor game that

had all the Loudon County and area coaches and East Tennessee followers beaming with pride of the former Pantherette's valid all-star credentials.

The West hit 20 of 67 shots for 29.9 percent, while the East made 27 of 55 for 49.

"I thought our girls played real well," said West coach

moreland. When asked about his strategy during the last minute stall by the East squad, Hopkins said he instructed his players to play the East forwards loose and let them take the outside shot if they wanted to. "And it looks as though it worked, doesn't it?" he smiled.

Rain Postpones Atomic Races

Atomic Speedway owner Bob Martin isn't ready to sing the wet weather blues, but he's hopeful of getting a break from the weatherman.

For the second time in three weeks, the weekly late model sportman racing program has fallen victim to the rain.

Martin and the more than 50 drivers who stage the show

each week will be back Saturday night. Time trials get under way at 7:45. The races start at 8:30. Admission for adults is \$3 and \$2.50. Children under 13 years are admitted free.

The races include at least four heats, a semifinal, 40-lap main event and a 15-lap run for bomber division cars.

Heading the field of sportman drivers will be Buddy Rogers and Herman Goddard of Knoxville, Lee Roy Vann of Oak Ridge, Zeke Buchanan of Maryville, Bill Corum of Maynardville, H.E. Vineyard of Halls, Ken Phillips of Loudon and Don Justice of Oliver Springs.

Georgia standout Biddle Hildley also will be on hand with his Ford seeking a second victory of the year.

Fishing Forecast

FISHING FORECAST

Cobb And Archer Are Low Net Golfers

John Cobb and Richard Archer combined for a low net team score of 73 to par the Madisonville Golf Course last week in Loudon's City Golf play and remain atop the league standings over challenging Larry and Lynn Millsaps. The low net round gave the leaders a 14-team point week and a total of 173 team points to date.

The Millsaps brothers have 160 points for their summer playing time. The 73 also gave Cobb and Archer the best team card for the week along with Inky Swiney and Ted Lomax, who likewise recorded a par 72 during the week.

Swiney and Lomax are tied for fourth place with Jimmie

Hall and Jim Moore, both teams have accumulated 144 team points to date. Ed Arnold and Paul Brakebill have a secure hold on the number three slot with 153 team points, but are off the league pace by 20 points.

Gerald Cole and Jack Kincaid turned in individual low net scores of 32 in last week's play and thus easily captured the top medalist honors.

The individual point standings is ironically on par with the team competition as John Cobb of the number one unit is on top in the summer point total with 98. Lynn Millsaps is second with 84 personal points and Paul Brakebill ranks third with 81 individual points.

BLONDE BOMBER IN ACTION—Marietta Blackburn, Lenoir City girl's basketball whiz for the past three years displays her many facets of basketball talent in setting the East All Star tempo in a disappointing 64-61 loss to the West in last week's TSSAA All-Star games. Miss Blackburn wore number 13 in the distaff play and rebounded, scored, drove for the basket, and pressured the West guards in a standout 18 point performance.

My Sincere Thanks

May I take this means to thank the many, many voters who worked in my behalf, and who voted for me in my campaign for Trustee of Loudon County. Although the effort was unsuccessful, I will always appreciate the support, encouragement, and confidence you showed in me.

Raymond Phillips

Callin' 'Em

By Darrel Truck

The recent Babe Ruth and Senior Babe Ruth tournament was a very big success, crowd wise and of course for the winners. The umpiring done by Jerry Foster, Bill Lankford and Henry Mitchell was very good I might add.

Softball has started back at Legion Field after a week of vacation. A couple of teams from Lenoir City and Philadelphia have joined five of the teams from Loudon to make a ten team chart.

Who's know who won the Babe Ruth tournament which was the Dodgers but who helped them win it? So now I'll tell you. Centerfielder Dean Rowe and third baseman Jeff King had five hits each to lead them in the hitting. Other leaders were Bob Boo Hawkins and Pat Sutton with three hits. In pitching David Black may be another Mike Marshall or Hollie Fingers as he won two of the four games in relief. Bob Boo Hawkins and Eddie Estes had the other Dodger victories. The line-up of C-Boo Boo Hawkins CF-Dean Rowe SS-David Black 1B-Pat Sutton P-Eddie Estes LF-Conway Duke 2B-Anthony Hawkins 3B-Jeff King RF-Don Russell Manager-Larry Hughes.

You have just seen a very good winning combination. The Dodgers scored 47 runs while the opposition scored 25 times.

Yes, football is here practice starts this Friday after some pictures on Wednesday. We sure hope it'll be a successful year for the Loudon Footballers. They are due to come around, it has been a while since the Red Machine has put together a winning combo.

Congratulations! Dodgers.

AUG 8 1974

West All Stars Stage 74 Yard Drive To Clip East

The TSSAA West All Stars completed a two day sweep of all star competition Friday night by trapping the East All Star footballers 30-17 in the final two minutes of play. The unexpected win was the second in a row for the West grid team and puts the series at 6-2 in favor of the East, which won the first six games. It was not all a bed of roses for the East, who were picked a 18 point favorite on Wednesday only to find the news media retracting themselves as late as Friday morning to giving the West the upper hand by three points. The latter prediction proved true in score but the earlier idea had its merit.

The East was by far a superior group with both quickness and overall ability. But the bigger and slower West did the one thing that is most important in such a contest, made fewer mistakes. The East punted but once and it was batted into the air for a four yard effort and even had a one yard return by an alert West lineman. The East fumbled four times and had the ball stolen on passing efforts three more times in eight crucial and frustrating turnovers.

Mark McClure of Dyer County, who scored two of the West touchdowns, dove over from the one yard line with 1:50 remaining for the decisive point.

The East, which trailed 14-2 at halftime, drove 37 yards in nine plays to grab a 17-14 advantage in the fourth period. Quarterback Sammy Simpson of Johnson City bulldozed his way over from less than a yard out.

Dennis Harrison, who was named the game's most valuable player, set up the first West touchdown. The Murfreesboro Riverdale graduate, who is headed to Vanderbilt, blocked the East's lone punting effort of the night at the East's 10 yard line and Lafayette's Mark Shrum caught the ball at the 14. Four plays later the West was on the scoreboard.

The East missed a golden opportunity to knot the score in the second quarter when Tennessee signee Glenn Powers of Warren County recovered a West fumble at the 10 yard line. Reggie Mathis of Chattanooga Notre Dame lost his second fumble of the half and the West held.

The East defense managed to contain the West with Sweetwater's Sam Hurst, a Memphis State University signee, throwing the quarter back for a sizable loss and on third down Greenback's Tim Hammtreee playing the left defensive end position raked the West signal caller in his typical teeth jarring manner. The hard tackle by the Carson Newman signee caused the ball to land up in

the West's end zone and as the scramble was on for the recovery of the loose ball the West managed to get the pickup and the East a two point safety for a 7-2 score. The West went to work on the next offensive series traveling 80 yards in nine plays and scored with less than 50 seconds to play in the first half.

The East appeared headed for its seventh victory in the eight game series despite the eight miscues when Simpson cashed in with 8:08 left. Instead, McDonald, a Georgia freshman-to-be, engineered the game-winning 74-yard drive.

Parrish sparked the offense with a darting effort which produced 30 yards. McDonald, two plays later, threaded a 19-yard strike to Harrison for a first down at the East 48. Parrish scored 19 yards for another key first down. "Our defense kept us in it," said Wilson, "but it still didn't play as well as I thought it would. The blocked punt killed us. It was poor execution all around."

EAST LINEMAN—Tim Hammtreee, Greenback football standout, is pictured with a group of college grid freshmen to be in a picture session at the TSSAA All Star games. From left to right: Keith Alley (ETSU) signee from Hixson, Lavon Anderson (MTSU) signee from Greeneville, Bobby Church (Furman University) signee from Chattanooga City, Mike Coffey (Vanderbilt) signee from Oak Ridge, Lee Gowan (Vanderbilt) signee from Maryville, Tim Hammtreee, Carson Newman signee, Sam Hurst (Memphis State) signee from Sweetwater, and Greg Jones (UT) signee from Bristol.

West Coach Ab Davis of Dyer County made what he thought was a key adjustment at halftime.

"We spent most of the first half running straight at 'em in order to make our passing game go," said Davis. "We had so much success that we decided to stay with it in the

second half. It paid off." Ed Parrish of Dyerburg and another Vanderbilt signee was lapped the top back of the game. The standout West performer had 92 yards on 13 carries, scored two touchdowns and left the rest up to his teammates who were able to produce only 23 yards in 24 tries at the East's defense.

A disappointing crowd of 2518 witnessed the East's comeliness of misfortunes at the Middle Tennessee State University grid facility.

Twenty colleges were represented in the contest. Vanderbilt, with 11 signees, led the pack. UT, Kentucky, Alabama and Georgia had players on the field.

SOLID TACKLE—Greenback's Tim Hammtreee was on the bottom of this pile of grid talent as the East defensive unit stop the West ball carrier in his own backfield.

West Boys Are Double Overtime Cage Winners

It took 46 minutes, but the West evened the TSSAA All-Star basketball series at four wins apiece with a 90-89 victory over the East last Thursday night. An Election night crowd of just over 1,800 was on hand at spacious Murphy Center to watch a rather dull contest until the East battled back from a 14-point deficit to force two extra periods of play. The West jumped out to a 9-0 lead before the East scored with 8:42 remaining in the 10-

minute opening period. It was tied 15-15 with 2:34 left, but the West's Tony Rufus hit a jumper for a 17-15 lead that lasted for the next 30 minutes. Trailing 46-32 with 2:10 left in the second quarter, the East finally tied the score at 79-all with 2:49 left in the fourth quarter on Garry Rolen's layup. Ryan's John Sneed gave the East its first lead just seconds later on a pair of free throws, but it was to no avail. After William Patterson's jumper with 12 seconds left

the score, the East failed to convert on a last-second shot by Rolen. The first overtime ended scoreless with a pair of free throws by Rufus increased the margin to four. However, it was two foul shots by Brownsville's Terry Smith which tied the game with 18 seconds left.

Columbia's Greg Armstrong got the West out front 85-80 with just 17 seconds gone in the second overtime and a pair of free throws by Rufus increased the margin to four. However, it was two foul shots by Brownsville's Terry Smith which tied the game with 18 seconds left. The West hit 33 of 98 shots for 33.7 percent while the East connected on 34 of 85, for 40 percent. Turnovers were just about even.

Dodgers Win Babe Ruth Tournament

By Darrell Tuck

The Dodgers were crowned tournament champs Monday night by defeating the Phillies 17-9. Coming into the tournament with a 2-7 record, the Dodgers went through the tournament unbeaten in four games.

In the opening game the Orioles squeezed by the Braves 9-8. Ben Fields and Conway Tuck each bugged out two hits in leading the Orioles. Tuck was also the winning pitcher, pitching a four-hitter. Steve Oran had three of the four Brave hits and also suffered the loss.

In another first round game Larry Hughes' Dodgers put it together by beating the Orioles 12-4. Work and errors helped the winners as they could get but three hits, Dean Rowe, Pat Sutton and Eddie Estes had the safes.

Boo Boo Hawkins got credit for the win as Andy Hill was the losing pitcher. Van Hatfield, Gary Brown, Joe Williams, Tom Denton, and Sam Mays got the five Phillie hits.

The Braves were eliminated from the tourney by the Phils 18-13. Yes sir, the Phils won 18-13 on the strong hitting of Van Hatfield who had four hits and Gary Brown and Steve Millsaps who had two hits each. Steve Oran and Tommy Atkins had two hits a piece for the losers. Kevin Balles was the winning pitcher while Jeff Harris had the loss.

In the first big upset in the Babe Ruth tourney, the

Dodgers beat the league champion Cardinals 11-9, and Hank Julian each had two hits each for the Orioles. The Dodgers aided by errors and two hits from Dean Rowe and Jeff King had already won more games in the tourney than in the whole year. David Black pitched the win in relief while John West pitched a two-hitter, but still lost. The Cardinals put the Orioles out of business with a 19-2 win. Kenny and Freddy Starritt were the top hitters for the Cards. Jeff Purdy got the only Oriole hit in the three inning game. Ricky McCrary

got the win while Conway Tuck suffered the loss. In another big upset the Phils knocked off the Cardinals 9-8. Gary Brown led the way for the Phils with two hits. Kenny Starritt had two of the three Cardinal hits. This game was rated the most exciting by most everybody who saw it. Tom Denton was the winning pitcher, while Steve Watkins got stuck with the loss. The Dodgers claimed the title with an impressive 17-9 victory over the runner-up Phillies. Dean Rowe, Pat Sutton, and Jeff King all had two hits for the champs. Don Russell, Boo Boo Hawkins, and Anthony Hawkins finished out the hitting. Andy Hill and Denny Brown had two hits apiece for the Phils. Eddie Estes pitched the entire game to record the win while Steve Millsaps was the losing hurler.

Sr. Babe Ruth Tourney Finals Rained Out

In the two first round games of the Loudon Senior Babe Ruth Tournament the Giants won by forfeit of the Reds and the Tigers won the same way over the Expos.

In second round action the Expos won over the Reds 4-1. Tim Dixon, Buddy Swiney and Darrell Tuck each slugged out two hits. The Reds managed but three hits off of winning pitcher Darrell Tuck. Tim Kiser, Norman Duncan and Brian Courtney got the safes. Marion Brown got the loss.

The Tigers put the Giants in the losers bracket by beating the Giants 3-3. The Tigers managed but two hits off losing pitcher Mike Brookshire, Kenny Skinner and David Kincaid got the base knocks. Jim Brown stroked out two hits for the Giants. Mark Ward was the winning pitcher. The Giants sent the Expos home on a forfeit Friday's Giant-Tiger Championship game was rained out.

In Appreciation

I want to express my sincere thanks and appreciation to the Loudon Countians who voted for me for Road Commission in last Thursday's General Election. Although I had no opposition, I was gratified with the fine complimentary vote you gave me, and I pledge to return your confidence by continuing my program of improvement of the roads of the Third District.

Joe Greenway
Road Commissioner

East of Oak Ridge, Wayne of Whiting, Ind., five grandchildren and two great-grandchildren; sister, Mrs. H. N. Russell, Lake Worth, Fla. Graveside services were held Monday, Aug. 5 at Lenoir City Cemetery, Click's, Lenoir City, in charge.

Hospital Subscribes To Advisory Service

The Loudon County Memorial Hospital has subscribed to a service offered by the University of Tennessee Area Health Education Center which is directed by Dr. Paul G. Zarbock.

The University of Tennessee Area Health Education Center is providing this service utilizing the medical staff of the University of Tennessee, personnel from the U.T. Hospital, and faculty from the main campus of the University of Tennessee. It is a service which is designed to provide in-service education in areas of health care delivery defined by each hospital participant as being most critical. The base of operations for the Area Health Education Center is on the U.T. main campus in Knoxville, Tennessee.

As most health care is a constantly changing field. There are frequent changes in technology and frequent changes in legislation affecting the delivery of health care. It is sometimes very difficult for a hospital to adjust to this periodically changing legislation and to changes in the technological

area of health care. It is hoped that through this affiliation with the U.T. Area Health Education Center will be able to educate and provide assistance in these two basic areas.

Whenever a hospital identifies a problem area, whether it be identified by the medical staff or the administrator of the hospital, it is presented to the area health education center; they in turn refer it to the appropriate personnel within their staff to do the research and develop a presentation which is addressed to that particular problem. As this presentation is made to the hospital, it is recorded for future broadcasts along the hospital communications network. Broadcasts are made weekly, generally on Wednesdays at noon, and the medical staff or personnel which are affected are asked to attend. If participants in the program cannot attend these broadcasts, they can be taped and distributed to the appropriate personnel. The University of Tennessee issues continuing education units for each of the broadcasts in which the hospital participates. These continuing education units go towards the satisfaction of requirements under the most recent health care legislation. Public Law 92-603.

It was felt by the hospital governing board, the medical staff, and the department heads of the Loudon County Memorial Hospital that this would provide a means of complying with this new legislation and also of upgrading the quality of care offered. Almost any area of operation in the hospital environment is eligible for study by this group whether it be in housekeeping, maintenance, nursing, medical records, business office, dietary or the medical staff.

The cost of this service will be \$30 per month. Included in this charge will be the use of an F.M. receiver that has a side band built into it to receive these broadcasts. The hospital is very enthusiastic about this program and hopes that it will help to serve the health care needs of the people of Loudon County. Hospital Administrator Gay Hamilton said.

Jackson Takes New Church

The Rev. Bill Jackson has been appointed pastor of the Eatonwood Church of God. He is a resident of Loudon County and is the son of the Rev. and Mrs. Wayne Jackson.

The Jacksons have an daughter, Kim, Mrs. Jackson is the former Priscilla Christian.

Mr. Jackson has served for the past two years as the pastor of the Kingston, Midtown Church of God in Kingston.

Eatonwood Church of God is located on Hines Valley Road nine-tenth mile from Eaton Crossroads. The church was erected recently and is in the process of completion. A large cross donated by Lloyd Drake has been added to the church's exterior.

Airman Day

Navy Airman William C. Day, son of Mr. and Mrs. B. W. Day of Route 1, Walker Ferry Road, Lenoir City, has completed the Aviation Electrician's Mate School at Millington, Tenn.

What we're doing for your health is a lot more comforting than a bowl of chicken soup.

Our CentrifChem blood analyzer helps a hospital make more than 20 vital blood tests with up to 300 chemical analyses an hour. Much of the life-saving oxygen in a hospital is ours. And we constantly experiment. We are 123,000 involved human beings who work all around the world on things and ideas for every basic need. So today, something we do will touch your life. And may even help save it.

Little things at home relieve a lot of your misery. But we offer human solace too. Many medicines you find at a drug store are made with our chemicals. Aspirin to bring down your burning fever, lozenges to soothe your poor sore throat, sedatives to let you fall asleep at last.

We're also involved in more serious things. We make radioactive diagnostic materials that pinpoint cancer. And plastic for heart valves human beings can live with. We invented an Oxygen Walker. It helps people with emphysema move freely around again.

UNION CARBIDE Today, something we do will touch your life.

I Am Grateful

For the very fine complimentary vote that you the voters of Loudon County gave me in my unopposed race for re-election as your Register of Deeds.

I will try to repay this reward through efficient service in the operations of my office.

RALPH WEAR

Register Of Deeds

A BIG THANKS

For Re-Electing Me
Your TRUSTEE

As I have done for the past 18 years I will strive to serve the interests of All Loudon Countians as Your Trustee.

I congratulate my opponent, Raymond Phillips, on the very fine vote he received in the General Election.

Thanks again,
J.V. (Slim) Schrimsher
Trustee

My thanks to all my loyal supporters who voted for me in last weeks election.

A special thank you to the voters of the 1st & 4th districts.

It has been a privilege to serve as your Road Commissioner for the past 8 years.

With Sincere Thanks—
Lillard Bledsoe

Your Confidence Greatly Appreciated

The very fine complimentary vote I received in Thursday's General Election was greatly appreciated.

I will continue in the next four years to serve the people of Loudon County as courteously and fairly as humanly possible.

Edward Alexander, County Court Clerk

Two Named For Publication

Mrs. Betty Bennett and Mrs. Bill Kirkland have been selected as Outstanding Young Women of America for 1974, according to Paul Reeder, director for this national awards program.

These women are now being considered for further state and national awards. This fall, fifty-one of the young women nominated for the Outstanding Young Women of America Program — one from each state and the District of Columbia — will be named as their state's Outstanding Young Woman of the Year.

From the fifty-one state winners, the national Ten Outstanding Young Women of America for 1974 will be selected. These national winners will be presented at a special awards ceremony to be held this fall in Washington, D.C.

The Outstanding Young Women of America program was conceived, and is today guided, by leaders of the nation's major women's organizations. The program's Board of Advisors, headed by Mrs. Dexter Otis Arnold, is composed of the national presidents of leading women's clubs. Mrs. Arnold is honorary president of the General Federation of Women's Clubs.

The purpose of the Outstanding Young Women of America program is to recognize young women between the ages of 21 and 35 for their exceptional contributions to their professions and communities and their

Waller's Set Reunion

Nominations for this national awards program are made by women's organizations, churches, alumni associations, and individuals throughout the country who have firsthand knowledge of their nominees' abilities and achievements.

The Waller reunion will be held Sunday, August 11, beginning at 11:30 a.m. at Old Macedonia Church, Roane County. The church is located approximately two miles off I-40 taking Melton Hill-Oak Ridge exit.

THANK YOU

For the overwhelming vote for LAMAR ALEXANDER for Governor. Those of us who worked for Lamar in Loudon County appreciate your votes and support. We ask that all Republicans unite behind Mr. Alexander for a Republican victory in November.

Loudon Countians For LAMAR ALEXANDER For Governor

Paid Pol. Adv.

I would like to thank the voters who cast a complimentary vote for me August 1st.

I will work hard to uphold the confidence you have shown in me.

Tom Ingram

General Sessions Judge

My Sincere Thanks

for the support the people of the 1st District gave me in the recent election.

O'DELL JUSTICE
Constable 1st District

THANK YOU

For giving me the largest vote of any candidate in the August General Election. When I take office as your Sheriff on Sept. 1, I will immediately begin working to give you, who have expressed your confidence in me, the very best in law enforcement.

GUY RUSSELL
Sheriff-Elect

THANK YOU

I wish to thank the voters of Loudon County for selecting me to serve as Road Commissioner in the first and fourth districts. I will try to give the residents of these districts the best possible roads with the funds we have to work with.

Thanks Again
J.E. (Erk) Millsaps Sr.
Paid Pol. Adv.

MANY THANKS
To The Voters Of
LOUDON COUNTY

The hard work of the past four years in performing the duties of my office and the even harder work of campaigning these past few months was very handsomely rewarded last Thursday by the margin of victory I was given in being re-elected your Criminal-Circuit and General Sessions Court Clerk.

I thank each voter from the bottom of my heart.

To my opponent, Bob Littleton, I say congratulations for a very strong race and commend him for a very fair and honest campaign.

THANKS AGAIN,
BILLY JOE AKINS
Circuit Court Clerk

Tobacco To Be Checked For DDT

Chemical analysis of random samples of tobacco at warehouses will be made throughout the marketing period to determine if any pesticide containing DDT or TDE was used on the tobacco after it was field planted, according to Martha Blair, farm program official in Loudon County.

Agricultural Stabilization and Conservation Service County Office—required for all tobacco grown under marketing quotas.

During the past four years practically all producers have certified non-use of materials containing DDT or TDE. Nevertheless, in some areas chemical analyses have showed residual levels of the pesticides.

Since tobacco is mixed in the field. Before being issued tobacco marketing cards, producers must certify whether or not DDT or TDE was used. Tobacco marketing cards—issued by the

A SINCERE THANK YOU

I wish to thank the many citizens of Loudon County who had the trust and confidence in me to cast a large complimentary vote on my behalf. I promise that you will have my total efforts to improve and increase the educational system of our county

My sincere appreciation,
Edward Headlee

I wish to thank all of the people who took part in the elections of August 1, 1974.

I am looking forward to working with all Loudon County people as we progress together. I am particularly grateful and thankful for the wonderful people who did so much because they believed in Loudon County.

William H. (Bill) Russell
County Judge Elect

DO YOU HAVE A HANDICAPPED CHILD? If your child has a physical or mental handicap which has made it hard for you to get a proper education in the past, you should be aware of your child's right to receive an appropriate education at no expense, including services to help the child compensate for his handicap. Your child's rights have recently been clarified in a court decision, which interprets Tennessee's Mandatory Special Education Law, Chapter 838 of the Public Acts of 1972. Your State and local Boards of Education now have the duty to provide an appropriate education for your child, in his local public schools, if possible, no matter whether your child is mentally retarded, blind, deaf, or suffers some other physical or mental handicap. A copy of the court decision can be obtained from your local superintendent of schools or by writing to: The Right to Education, Office State Department of Education, Curdell Hill Building, Nashville, Tennessee 37219.

PLEASE BE CONSIDERATE! Writeups for an appointment before going through any of our homes. Those living in the homes will be most appreciative. Thank You.

we wait until we have two or three to run together we do finally get around to using them. If we have one that you have loaned us and we haven't as yet used it, please bear with us, we will get around to it.

A few days ago a man gave us a picture of himself holding his young daughter in his arms. The picture was taken quite a number of years ago and at that time the man was well known in our area. In the years past, he has moved to another state and he stated that no one except relatives would remember him. I disagreed with him saying that he would be surprised at how many of those from the Good Old Days in our area would recognize his picture of many years ago. So we agreed for me to run it in the Good Old Days without telling who it was and see how many people that read our column would now who it was. So give me a call, 458-2081 if you know who it is. Now readers, help me to prove that Loudon County's Good Old Days crowd never forget a face. Call me on this one.

Another picture we have this week is of a couple possibly well known in our area. In the passing of time since I was given this picture by someone, I either didn't have or have lost the information as to their identity. This happens to us once in awhile. We are sorry this happens and will strive to prevent this. We need your help in making the identity of this couple from somewhere back in the Good Old Days era. Please help us and we will advise our readers in a future column.

Still another picture we are using this week has one of

those old cars out of the past. The lady standing beside the car is the late Mary Mills. The car is an old Chrysler Roadster and the snow on the ground served as a reminder of how cold cars were in those days. Open cars even with side curtains were very cold and this was the days before heaters for cars would heat them. They had heaters but they didn't work very good. We had a nice letter the other day from some of our readers up in Kokomo, Indiana and we did appreciate the many good things they said about our paper and the Good Old Days effort. We are always happy to hear from our out-of-state readers. We would like to thank the Johnnie Hill family for their very nice letter. Would like to hear from others. Drop us a line anytime.

By the time this article goes to press, the election will be over. It has been one of greater activity than we have seen in many years. We were thinking the other day about the time Roy Acuff ran for Governor of Tennessee. When he was traveling around the state with his band and the night they came to Loudon and set up their sound truck and stage in front of the White Store. Hundreds of country music fans came to hear Roy and the group and the crowd yelling for Roy to sing "The Great Speckled Bird". I guess he drew the largest crowd of any candidate who ever appeared in Loudon. There might have been larger ones but I don't know of any. In the Good Old Days hundreds of people would gather at the Courthouse on election night to find out the results. This was before the days of our vast communication systems. Loudon County didn't have a radio station in those days and the Loudon County Herald didn't give the complete and ready tallies as they do today. We have written many times about the crazy election bets that Loudon County men used to make on the election and the interest and humor they would create as the loser

paid up by doing many unusual things, such as rolling the bet winner around in a wheel barrow or buggy and the loser supplying the power. We are still receiving calls and comments on the Bush-Brazzette funeral story. We have talked to many who attended this event and took along a picnic lunch and spent the day. Others thought it was the most unusual thing they had ever heard of. Well, that's it for now. See you next week.

Celebrate Life Concert Sunday

The Youth Choir (God's Squad) of the First Baptist Church of Loudon will give a repeat performance of the Celebrate Life, a musical on the life of Christ, at 7:30 p.m. Sunday at the church. The 50 voice choir will be accompanied by piano, guitar and drums. Director Mike Morgan said the public is invited to attend.

Lions Honor Secretary

Loudon Lion Club President Bill House presented Jim Page with a certificate of appreciation at the club's regular meeting on Thursday, August 1. Lion Page's accuracy and promptness in submitting reports initiated his receiving this award. The certificate was signed by Charles McCall, Lions District Governor and members of his staff.

Quite often we have individual pictures or pictures of a couple and we are always glad to have them. Although

UNION STRIKES AT CARBIDE

Workers Walkout Monday As Contract Talks Stall

The recently organized Local Lodge 2544 of the International Association of Machinists and Aerospace Workers AFL-CIO went on strike at the Union Carbide Films-Packaging plant at Loudon at 6 p.m. Monday night after efforts to work out the first wage and benefit contract broke down.

The union organized this spring after a vote to be represented in collective bargaining was approved in May. Contract negotiations have been underway since late June and representatives of the company and union met with federal mediators as late as Sunday to try to settle the matter.

Union local President Roy (Shine) Jenkins said shortly after the second shift walked out Monday night that the membership intended to stay out until a contract was perfected. Jenkins said that there were 280 members in the union local.

Although Mr. Jenkins would not say what the employees are asking, it was learned from another union member that the company was being asked for 40 cents per hour immediately and 50 cents per hour in one year.

Company spokesmen were equally evasive on what they were offering but reporters were told that they offered a total of 65 cents over a contract period of 28 months.

Only minutes after the strike started a crowd of 100 or more hourly employees gathered at the two entrance roads to the plant. A company spokesman said that about half the hourly employees went out at 6 and supervision and salaried personnel took over their positions in the operations. The company manufactures food casings.

Tuesday morning the strike appeared to be 100 percent effective, with no hourly employees seen crossing the picket lines.

Monday night a number of supervisory personnel were seen carrying in mattresses apparently expecting to be in the plant around the clock for some time.

Saturday about 10:30 about 50 persons on the 4-12 shift struck, but returned before the shift ended after being told about the Sunday meeting.

Observers said Tuesday that if the strike is not settled in the first few days, it could last several weeks.

Contractors who are involved in an expansion of the facilities at the plant, that when finished will add an additional production line, did not cross the picket line and one was seen bringing equipment off plant property.

Sources within the plant said that about 100 persons out of a total employment of 450, were working Tuesday morning. This number was expected to drop somewhat as the strike continues.

It was reported that about two-thirds of the manufacturing operation was continuing Tuesday morning.

CARBIDE PICKETERS—Union Carbide employees, members of the new International Association of Machinists and Aerospace Workers, Austin Scarborough, Tootsie Carver, Kenny Stevens, Jake Stewart and Buck Holt are shown manning a picket line after the local union struck Monday night.

County Hires 157 Teachers, School Holidays Decided

The Loudon County Board of Education has named 157 teachers and principals to positions in the county school system. Of the 157 teachers, 20 are new, not having taught in Loudon County before.

The teachers and principals will open in-service training on Monday of next week and hold registration at all schools on Wednesday, Thursday will be the first full day of school for grades 1-12. Kindergarten students will register on Wednesday, but not begin classes until Tuesday, Sept. 3, Superintendent A.C. Duke said.

Classes will be dismissed in the first semester on Labor Day, for in-service training on Nov. 1, election day on Nov. 5.

Nov. 28 and 29 for Thanksgiving. School will end for the first semester on Dec. 19 and Christmas and New Year's Holidays will begin. Second semester classes will start on Thursday, Jan. 2. Second semester class holidays will be in-service training on March 21, March 28-31 for Easter, May 22, in-service training, and the last day of school will be on Friday May 23.

County-wide positions in the system are Beth Womack, Anita Will and Susan Johns speech and hearing teachers; Josephine Davis, home bound teacher; Robert Cassidy, supervisor; Jim Fields, attendance; and Bill Lawson, Title I Director.

School hours for registration next Wednesday will be from 8 a.m. to 5 p.m.

(Continued On Page 7)

Policeman Guider Shot In Knoxville

John W. Guider, 22, of Loudon City, a Knoxville City policeman, was shot and seriously wounded while on duty there Sunday morning. Guider, a former Loudon City policeman, was scuffling with a man he was trying to arrest when he was shot with his own gun. Despite his serious wound, the officer managed to hold the suspect until help arrived.

Officer Guider was admitted to the intensive care unit of Baptist Hospital and was listed in serious condition early this week.

Guider is married to the former Rose Ann Weaver. The couple has one child and resides on West Hills Drive in Loudon City.

Charged with felonious assault in connection with the shooting was William Henderson Holt, 28, of 2043 Bethel Avenue, Knoxville. Holt's bond was set at \$25,000. A preliminary hearing in Sessions Court in Knoxville has been set for Friday.

Shortly after the shooting Knoxville police put out a bulletin for the arrest of two other men wanted in connection with the incident. One of the men, not identified, has been arrested and held for questioning in the affair. The other is still being sought.

Homicide Detective Jeff Davis said Holt and Officer Guider, both told him that the officer's 0-millimeter pistol discharged as the two men were struggling behind Profit's Food Market, 3100 Wimpole Avenue. The bullet struck Guider in the lower right side of his chest, Detective Davis said.

After being shot, Officer Guider grabbed Holt and held him until other officers arrived, Detective Davis said.

Officer Guider, who was riding alone in his patrol car, had responded to a report that three men were loading items into a car parked off Houston Avenue, Davis said.

"He didn't find the car there, but found it on Wimpole near Castle Street," Detective Davis said.

Officer Guider went to question the three men in the car, but the trio "took off running. Two of them went one way, and Holt went the other way, and Guider chased Holt to the back of Profit's Store." Officer Guider joined the Knoxville Police Department about two years ago.

It was reported that Guider's brother, Bill, who is a member of the Loudon City police force, was on radio dispatch duty when Knoxville police radioed and asked for someone to notify Mrs. Guider and bring her to Baptist Hospital.

Man Charged After Shooting

A Loudon City man, Robert Jenkins, 44, has been charged with felonious assault following an incident at his home on U.S. 11 behind Top Tavern at Loudon City Sunday where his wife was injured in the stomach with a .38 caliber pistol.

Jenkins told officers that the shooting was accidental and that the gun discharged while he was cleaning it in the living room of the house.

The incident reportedly took place about 1:30 p.m., but was not reported to the Sheriff's office until 6 p.m. by ambulance service attendants who returned to the county after taking the woman to UT Hospital in Knoxville.

Deputy Vord Carruth went to the Jenkins residence and was unable to locate Mr. Jenkins, who according to reports phoned to the jail, had been drinking and left in his car after the ambulance, apparently called by a neighbor, came to take the woman to the hospital.

She was shot in the lower stomach and underwent two hours of surgery Sunday. The hospital reported her to be in undetermined condition.

After Jenkins was arrested by Carruth about 8 p.m. Sunday, he said that his wife was in the bathroom of the house washing clothes when the shooting took place. He told the officers that the woman ran out of the house after being shot and fell about 50 feet from the house.

Jenkins said he went to the home of a sister in Roane County to get her to go to the hospital with him, but she refused. He said he then went to Top Tavern and asked Bud Barron to go to the hospital with him.

Jenkins was released from jail Sunday night after posting a \$1,000 appearance bond on a felonious assault charge.

ON STRIKE—IAM union members Steve Walker and Charlie Letterman are shown at the main entrance of the Union Carbide plant at Loudon after the union members went on strike Monday night.

On Court Agenda . . . Election Commission Requests Machines, Precinct Changes

Retiring Loudon County Judge Harvey L. Sproul Jr. will chair his last scheduled meeting of the county court Monday night. The session, which has a fairly short agenda will begin at 7 p.m.

Judge Sproul, who has served for eight years in the post is expected to make several remarks about the progress and problems of the county during his term, along with remarks from retiring Superintendent of School A.C. Duke, retiring Sheriff Freeman Russell and Road Commissioner Lillard Bledsoe.

Plans for a swearing-in ceremony for new county officials, who take office on Sept. 1 will also be announced.

The agenda itself contains a request from the County Election Commission for changing voting places at the old Loudon High School and the courthouse to the new Loudon High School and a request for additional voting machines for Loudon outside West and Luttrell precincts.

The court will also consider a proposal for establishing the office of County Attorney and (Continued On Page 7)

Crash Reported, Nothing Found

A search all night Saturday and throughout the day Sunday failed to turn up a reported airplane crash in the north-east portion of Loudon County.

Calls started coming in to the Loudon County Sheriff's office about 10:45 p.m. Saturday from residents of the Twin Cove, Dunn Ridge, Marial and Ford Road areas that a light plane was seen flying low in the Dunn Ridge area, followed by an explosion and the sighting of signal flares.

County Jail Dispatcher Dennis Moldenhauer said that about a half dozen calls from residents in the area all reported hearing an explosion, hearing a airplane, and sighting the flares. County Deputy Vord Carruth also saw one of the flares. Using information from the sightings the Deputies, along with Brent Davis, Bill Fox and Ray Hook, spent much of the night (Continued On Page 7)

COUNTY WAR MEMORIAL—The photo above is a model of the \$24,000 Loudon County War Memorial which will be erected in the courthouse lawn in October. The bronze memorial will honor the veterans of all wars from the county and the names of those who died in the wars will be engraved on plaques on the base of the memorial. The seven foot figure will be mounted on a three foot block of granite. A fund drive to raise money to pay for the memorial is now underway.

War Memorial \$ Drive Starts

A drive to raise more than \$17,000 through individual, business, civic club and industrial donations, was kicked off this week. The money will be used to pay for an All-Wars Memorial for the county.

The monument, a seven foot bronze infantryman, mounted on a three foot block granite, and be erected where the World War I monument is now located in the courthouse lawn.

The \$23,000 monument is expected to be erected and unveiled sometime in October if the necessary funds are raised.

Miss Sara Simpson, daughter of former County Judge and Mrs. Ben Simpson, and a sister of Marine Corporal John Simpson, who was killed in the Vietnam War designed the monument.

Several months ago the County Court approved an appropriation of \$7,300, as an initial payment on the monument to allow for the contract to be awarded on the project.

The memorial will honor veterans of all wars from World War I, World War II, Korea and Vietnam. Plaques for each war will be erected at the monument site and the names of Loudon Countians killed will be included on the plaques.

A committee of citizens was appointed by county court more than two years ago to begin work on the memorial and some funds have already been raised.

Area co-chairmen for the solicitation of funds are Hazel Alexander of Greenback; Arthur Simmons of Philadelphia; Addie Ruth Clark of Loudon City; and Lacy Steele Harrison of Loudon.

All contributions would be made in the name of The Memorial Fund and mailed or given to Randall Johns, Care of Loudon Post Office, Loudon.

The Co-Chairmen say that all organizations, schools, businesses, industries, and individuals are asked to make whatever contribution that they can as soon as possible to allow for full payment for the monument before it is unveiled.

The co-chairmen say they are available to talk to groups about the monument and position projects to raise money for it. They say if every resident of the county would donate \$1 each and if industry and business would contribute \$1 for each employee that the cost of the monument could be met easily.

Maremont Emptied By Bomb Threat

A telephone bomb threat building had better be evacuated because a bomb would go off in the plant at 4:30 a.m.

The building was immediately evacuated of all personnel on the third shift, but workers returned to their jobs about 1 a.m. after nothing happened and a search of the building turned up negative.

AUG 15 1974

Tallent-Jones Date Set

Mr. and Mrs. Dale Tallent of Madisonville announce the engagement and forthcoming marriage of their daughter, Sandra Dale Tallent, to Michael Jones of Loudon. He is the son of Mr. and Mrs. Charles Jones, Loudon.

The bride-elect is the granddaughter of Mrs. Audrey Tallent and the late Bartie Tallent and Joe Harrell and the late Mrs. Ethel Harrell, all of Madisonville. She is a 1972 graduate of Madisonville High School and is employed at M. Johnston's in Etowah.

The groom-to-be is a 1972 graduate of Loudon High School and attended Athens Vocational School. He is presently employed with Westinghouse in Athens. He is the grandson of the late Mr. and Mrs. William Jones, Mr. and Mrs. Fred Harold and Mrs. Alice Harold, all of Loudon.

The wedding will take place at 8 p.m., August 24 at Friendship Baptist Church in Madisonville. No invitations are being sent. All friends and relatives of the couple are invited.

Mr. and Mrs. Ralph Preston are here from their home in Sebring, Fla. visiting with Mr. and Mrs. Herbert Jackson and other relatives.

Mr. and Mrs. Elmer Steel of Madisonville visited Saturday with Mrs. Ed Hoedje.

Mrs. Estel Brewer and daughters Patsi and Linda spent the weekend with Mrs. Brewers' aunt, Mrs. Lucille Lee in Union City, Ga.

Mrs. Doug Watkins has returned home after a 2 weeks visit with her brother Tom Rousseau and family in Paint Rock, Ala.

Mr. Orman Altum is at home after being a patient at Baptist Hospital.

Mr. and Mrs. Homer Simpson had as their weekend guests their son and daughter-in-law, Mr. and Mrs. Joe P. Simpson, Ruth and Joe of Lancaster, S.C.

Master Will McPeake of Memphis is here for a visit with his grandparents, Mr. and Mrs. Bob McEachern and Dr. and Mrs. W. T. McPeake.

Mrs. Willie Hamil spent last week with her sister, Mrs. Daisy Frye in Knoxville.

Bill Horner Jr. returned home Monday after a three weeks visit in Bradenton, Fla. with his sister, Mrs. Robert Miller and Mr. Tilly.

Krisnie and Tony Oody of Knoxville are spending this week with their grandparents, Mr. and Mrs. Andy Oody.

The Arp Reunion was held Sunday at the Paul Arp farm.

Mr. and Mrs. Claude Steele of Greenback visited Sunday with her mother, Mrs. Hannah Crisp.

David Chapman has

returned to his home in Griffith, Ind. after spending a few weeks with his aunt and uncle Mr. and Mrs. Tom Williams and other relatives.

Mr. and Mrs. John Molloy of Cincinnati, Ohio, and Mr. and Mrs. Ted Lomas returned home Sunday after a 2 weeks tour thru Calif., Las Vegas, Ariz. Colo. and Mexico.

Mrs. Fred Webb and daughter Sherrill of Knoxville visited Sunday with Mr. and Mrs. King Black.

Mrs. June Daly and sons have returned to their home in Albany, N.Y. after a visit with her parents, Mr. and Mrs. John Chasteen.

Weekend guests of Mr. and Mrs. Lee Stooksbury were Rev. and Mrs. Buford Albright of Madisonville, Mr. and Mrs. Willard Stooksbury of Keesau, Ga. Mr. and Mrs. Curtis Glandon of Maryville, Mr. and Mrs. Jim Biscard, Carolyn and Chester of Rockford, Ill.

Mr. and Mrs. Arthur Hooker of Newark, Dela. are visiting here with relatives.

Mr. and Mrs. Carl Ridemur and children spent the weekend in Murfreesboro.

Miss Sharon Howell has returned home after a month's visit with her brother and sister-in-law, Mr. and Mrs. Jerry Howell in St. Clairsville, Ohio.

Mr. and Mrs. Oliver Hawkins, Miss Vickie Faulkner, Coral Johnson and Chusky Johnson were Delegates of the Loudon District Baptist Association, held last week at Star Bethel Baptist Church in Etowah.

Mr. and Mrs. Freddy Walker and daughter Candia, Mr. and Mrs. Bill Cunningham returned home last Wednesday after vacationing at Orlando, Fla. Mr. and Mrs. Leslie Sparks and son Carson, and Mrs. Josephine Grimes attended the Sparks Reunion Sunday at Cades Cove.

Mr. and Mrs. Earl McCallin visited Sunday with Mrs. Cleona White and Helen Foster at Madisonville.

Mr. and Mrs. Jim Creon and Phillip spent last weekend with Mr. and Mrs. Jimmy Hugh Green and family in Fairburn, Ga.

Mr. and Mrs. Johnny Kerr of Alcoa visited Sunday with their daughter, Mrs. Jack Rowe and Mr. Rowe.

Mr. and Mrs. Geoff Emery of Knoxville and her parents, Mr. and Mrs. Delmas Turner spent the weekend visiting relatives in Hayesville, N.C.

Mr. and Mrs. Roscoe Ledford of Columbus, Ga. were guests last week of Mrs. Grace Trout. Mrs. Trout also had as guests Monday Mrs. Robert Brookshire and Tereza of Dalton, Ga. and Mr. Ed Knox of Philadelphia.

Mr. and Mrs. Andy Oody and Mrs. Deva O'Sheil spent Sunday in Greenville with Mr. and Mrs. Alton Brooks and family.

Mr. Kermit Rowe returned

Harrison, Horner Teen Board Presentees

Miss Jennifer Harrison and Miss Jewell Horner, both of Loudon, have been invited to be one of the Presentees at the Fourteenth Annual Teen Board Presentation Dance on Saturday, August 24, at Knoxville Coliseum.

Miss Harrison is the daughter of Dr. and Mrs. Samuel A. Harrison, Lakeview Drive, Loudon.

Miss Horner, daughter of Rev. and Mrs. William H. Horner, also lives at Lakeview Drive, Loudon.

The Teen Board of Knoxville is a private, non-profit organization solely for teenagers with adult help. Its purpose is to get the teenagers to work and take the lead in civic and welfare projects and to help build leaders for the future. It is an outstanding social event but is not just a dance or social debut for teenagers. It is an event where teenagers and adults alike enjoy the same social occasion.

This Presentation Dance is a reward for those girls and boys who have completed their hours of service.

The weekend starts with a Country Fair on Friday, August 23 at the Teen Board Headquarters with a Brunch and tea on Saturday followed by the Mayor's dinner and then on to the Coliseum for the Grand March and the presentation of presentees.

MISS HARRISON

MISS HORNER

Charles Kelley.

Mr. and Mrs. Benny Rogers of Athens and Mr. and Mrs. Earl Rogers and daughter Connie vacationed recently at Grand Canyon.

Mr. and Mrs. Sammy Stooksbury and son Stephen of Knoxville, Ga. vacationed last week with Mr. and Mrs. Charles Hearn in Knoxville and Mr. and Mrs. Lee Stooksbury.

Mr. and Mrs. Joe Lane were recent dinner guests of Mr. and Mrs. Taylor Howard in Madisonville.

Mrs. Elizabeth Jones and son Hanny spent last week in Winston Salem, N.C. with her daughter and son-in-law, Mr. and Mrs. James Mowles and sons.

Mr. and Mrs. Bob Birkholz of Finton, Mich. were guests last week of their parents, Mr. and Mrs. Frank Robinson and Mr. and Mrs. Ray Birkholz.

Mrs. Ethel Nelms un-

derwent surgery Monday at Park West Hospital.

Mr. and Mrs. James R. Mowles and children Ricky and Cris have returned to their home in Winston Salem, N.C. after a weekend visit here with her mother, Mrs. Elizabeth Jones.

Mr. and Mrs. Lloyd Black and daughter Beckey spent the weekend in Asheville, N.C. Mrs. Elmer Catheart of Philadelphia, Mrs. Maggie Limburg, Mr. and Mrs. Evan Forshee attended the Woody Reunion Sunday at Roane Co. Park.

Mrs. Frank Roberts is visiting with her daughter and son-in-law, Mr. and Mrs. George Bowden and Tommy in Brantton.

Hickey Wins State 4-H Project Event

Carolynn Hickey, a Senior 4-H'er from Loudon County was chosen a State Project Winner Tuesday night at the 1974 Tennessee 4-H Roundup in Knoxville. The event took place at the University of Tennessee. Carolynn will receive a trip to the National 4-H Congress in Chicago in November to compete in the National event.

Carolynn is the daughter of Mr. and Mrs. Hugh Hickey of Philadelphia. She has competed in the state event three years; this year she won over 18 other entries.

Carolynn has been a 4-H'er eight years and makes most of her clothes. Her garment for the state event was a red and hunter green plaid wool pant suit featuring a blazer jacket and cuffed pants.

WINS DRESS REVUE—Carolynn Hickey, State 4-H Dress Revue winner, will attend National 4-H Congress in November to participate in the National event. Parenthood Group Sets Rap Session

Planned Parenthood Association of the Southern Mountains will sponsor an informal "rap session" and workshop on human sexuality for Loudon County teenagers.

The session will begin at 10:30 a.m. on Friday, August 16 in the fellowship hall of the Cumberland Presbyterian Church in Loudon. The leader will be Judy Stogner, Loudon County family planning aide. Ms. Stogner holds a BS degree in Behavioral Science and a Tennessee teacher's certificate. She has also completed the training course on human sexuality which is required for employment by PPASM. Teens assisting in the preparation of the session are Abby Duker and Paul Bivens of Loudon.

Films will be shown and literature will be available. Soft drinks and snacks will be furnished. Teens of any color, shape, size, or sex are welcome. Transportation may be arranged by calling 458-4789.

BONNIE SHEELEY
Assistant Extension Agent
Agricultural Extension Service
The University of Tennessee

No one thinks that life was really good in those yesteryears known nostalgically as the "good old days." Life was a drudgery of hard work, few products, less services. Yesterday's homemaker was tied to the home by backbreaking labor - she scrubbed and sewed, cooked and canned, pumped and planted - and was an old woman by the time she was thirty years old.

By contrast, today's homemaker leads a push-button existence. Her home is filled with labor-saving devices that make doing the laundry a matter of pressing the right buttons. Doing dishes has become a "snap" in an automatic dishwasher. Cooking is a delight, what with the many partially prepared foods and new cooking equipment. Keeping carpets and floors clean is a task done in short order with the vacuum cleaner. Even scrubbing the kitchen floor has given way to automation.

DR. JERRY WILLIAMSON, president of Gordon Junior College, Barnesville, Ga., formerly of Loudon, is shown roasting a hot dog at a cook out he held for students at his lake-front home at Barnesville recently.

Dr. Williamson Hosts Cookout For Students

Dr. Jerry Williamson, president of Gordon Junior College, Barnesville, Ga., recently hosted a cook-out for Gordon summer students at his lake-front country home.

Dr. Williamson, a graduate of Loudon High School, has served as the first president of the junior college since its acceptance into the University System of Georgia in July, 1972.

He previously was Dean of the College at Clayton Junior College in Morrow, Ga. In 1969-70 he was Assistant Dean of the School of Arts and Sciences and associate professor of English at Georgia State University in Atlanta. He has also served at several other institutions of high learning in teaching and administrative positions.

Dr. Williamson received the B.A. degree in English and Music in 1958 from Middle Tennessee State University, and the M.A. degree in English in 1960 and the Ph.D. degree in Humanities in 1962 from Florida State University.

He is married to the former Lynn Simon of St. Petersburg, Fla., and has two children.

Deann Renee Purdy celebrated her fifth birthday August 8. She is the daughter of Mr. and Mrs. Robert H. Purdy of Loudon. Grandparents are Mr. and Mrs. Floyd Purdy, Philadelphia and Cordie Bradshaw, Loudon.

Bradley Michael Williams celebrated his first birthday August 6 with a party including seven guests. Those attending were Nicole Buckner, Chris Smullen, Tonya, Susanna and Stevas Crawford, and Christy and Kelvin Wiggins. Brad is the son of Mr. and Mrs. Mickey Williams of Loudon. Grandparents are Mr. and Mrs. Lon Kiser and Mr. and Mrs. Floyd Williams, all of Loudon.

But this change from the "Do-it-yourself" economy our grandmothers lived in, to today's mammoth "shopping center" economy has created a new challenge. Because there is so much to choose from, so many inducements to buy this product or that, it is necessary to become a discriminating shopper. We have to learn to separate fact from fiction in claims offered. To help you become a discriminating shopper, we are offering a Learn By Mail Study Course on Living Within Your Income. It will begin the latter part of September. The course is free and will provide many answers to today's hectic life style. To register for the course, please call the Agricultural Extension Office at 458-8271.

Local Girl In Ridge Youth Program

Nerriasa Harrison of Needmore Street, Loudon, is working under the Youth Opportunity Program this summer at the Oak Ridge Gaseous Diffusion Plant in Oak Ridge. Her work assignment is in the General Accounting Division.

Forty-one people from 13 local communities have been assigned under this program to work at one of the three Oak Ridge facilities operated by Union Carbide Corporation for the U.S. Atomic Energy Commission.

employment staff members worked with guidance counselors at a large number of schools earlier this year to find suitable candidates for the program.

Singing Set For Sunday

The Loudon County Singing Convention will meet Sunday, August 18 at 1:45 p.m. at Woodlawn Baptist Church. The church is located on Buttermill Road just off Highway 85 near Melton Hill exit of 140. Taylor Knox, president, invites everyone to attend.

Carver Trains

Marine Lance Corporal Timothy H. Carver, son of Mrs. Elzie C. Carver of Route 1, Greenback, has completed special infantry training at the Marine Corps Base, Camp Lejeune, N. C. He received instruction in rubber boat and beach survey techniques used in making amphibious raids.

Carver serves with Company "H," 2d Battalion, 8th Marine Regiment at Camp Lejeune.

Miss Duncan In Student Who's Who

Miss Evelyn Faye Duncan, a senior at Loudon High School will be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74. In addition to having her biography published in the book, Miss Duncan will also compete for one of ten scholarship awards of \$600 to \$1,000 funded by the publishers and will also be eligible to participate in the firm's annual "Survey of High Achievers".

Miss Duncan, daughter of Mr. and Mrs. A. C. Duncan of Loudon, is a member of National Honor Society, Pep Club, F.H.A., Prayer Group, Student Council, member of God's Squad and bus co-captain for First Baptist Church. She plans to attend Tennessee Tech University upon graduation.

Showers For Miss Simpson

Miss Gail Simpson, bride-elect of Terry Smullen, has been honored recently with several bridal showers.

A miscellaneous shower was given on July 13 at the home of the hostess Mrs. Floyd Robinson of Loudon. Co-hostesses were Mrs. Pearl Russell and Miss Thelma Smullen. The outdoor setting was carried out with a yellow and white color scheme. Honored guests seated around the bride's table were the bride's mother, Mrs. Virgil Simpson, mother of the groom, Mrs. Norman Smullen and Mrs. Susie Harvey, grandmother of the groom.

Miss Simpson was honored on July 26 with a lingerie shower given by Mrs. Johnny Thearp and Mrs. Terry Simpson. The hostesses presented Miss Simpson with a host vase of blue and pink carnations. She received many lovely gifts.

On August 10, Mrs. Freddie Nix hosted a miscellaneous shower for Miss Simpson. After the guests enjoyed a game of Bridal Bingo, refreshments were served. Miss Simpson and Mr. Smullen will exchange wedding vows on August 17 at 8 p.m. at Valley View First Will Baptist Church.

Completes

Army Basic

Army Private Daniel R. Hoskinson, 18, son of Mrs. Margaret Cleve, Route 4, Lenoir City, completed eight weeks of basic training at the U.S. Army Training center, infantry, Ft. Ord, Calif. He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

Wilson Wins Gates Mystery Shopper Award

Billy J. Wilson who operates Loudon Automotive Supply Loudon received the special Gates "Mystery Shopper" Award recently. The award, a plaque bearing three Eisenhower Dollars, and two Kennedy Half-Dollars, was presented for exceptional customer

service by a representative of The Gates Rubber Company, Denver, Colorado. Gates sponsors the nationwide contest to reward Automotive parts Jobbers who offer the best in quality automotive replacement parts. A fleet of "Gates Mystery Shoppers" travel across the country stopping at authorized Gates Jobber outlets. The "Mystery Shopper" asks for a replacement part to fit his car, and if the counterperson brings out the proper Gates part, he is awarded the special plaque.

Thornburg In Marine Exercise

Marine Staff Sergeant James E. Thornburg, son of Mrs. Lillie A. Thornburg of Route 4, Grimes Road, Loudon, has participated in "Express Charger," a training exercise near the Marine Corps Base, Camp Lejeune, N. C. He joined with Marines from the Pacific and Atlantic commands, taking part in maneuvers designed to test the operational readiness and coordination of Marine air and ground support units.

Around The Farm

By Charles F. McCall

It's about time to start harvesting corn silage. One of the big questions we have to answer about this time of year is when to cut corn silage. We recommend that corn silage be cut in the dough to dent stage for highest milk and beef production. Dairy cows will eat large amounts of silage when it is well preserved. Beef cattle being fattened will make fast gains on good silage.

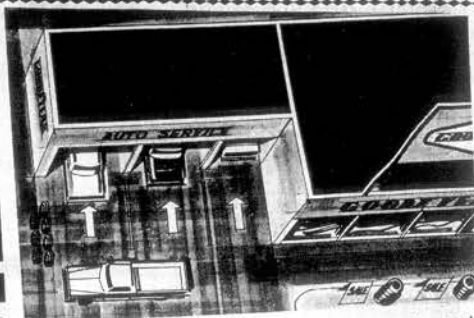

Corn silage packs tighter and preserves better when the grain is in the dough stage to dent stage. If the corn is cut before the dough stage, there will be losses from juice seepage in upright silos. Seepage loss will be less in trenches or bunkers, but the high moisture content will promote higher fermentation losses. Around 65 to 70 percent moisture is desirable, which is usually the case when corn is in the dough to dent stage. For trench or bunker silos, dough stage silage contains about 70 percent moisture and

the chopped material packs easily. For upright silos, moisture should be slightly lower and corn in the dent stage has adequate moisture for packing. Dry corn below 50 percent moisture, is much more difficult to pack and preserve for silage. The silage usually molds in the silo and cattle will not eat it as well as if mold-free. Fermentation losses are also high when dry silage heats due to poor packing.

In drought stress, wait for corn to reach the dough stage if possible. Young corn may be fired up to the ear and the stalk may still contain too much moisture. Before there has been too much "lag time" between opening a silo and having a test or analysis made of the silage. Enough data is available that we can recommend to Loudon County farmers that they test their silage as it is being ensiled. This is to your advantage because highly accurate feeding recommendations can be made before you open this silo.

Three Charged In Eaton Breakins

An 18-year-old Lenoir City man and two juveniles were arrested early Sunday by County Deputies Voyd Carruth and Lucian Kent after a stack of fire goods was found in the car they were driving.

Some of the property found was identified as stolen sometime Friday night from Luttrell Texaco Service Station at East Crossroads, and from Liles Mobile at Eaton.

Stolen from the station was 10 boxes of spark plugs, 13 cartons of cigarettes and seven boxes of cigars.

Found in the car when Eddie Justice, 18, and the two juveniles were arrested was, one box of spark plugs, two boxes of cigars, nine odd spark plugs, one can of charcoal lighter, 21 packs of assorted cigarettes, a Rockwell skill saw and two nickel collector album.

Woman Hurt In Accidental Shooting

Jim Perkins, Rt. 2, Lenoir City, notified authorities at County Jail Sunday night that he had accidentally shot his wife Sunday afternoon.

Mr. Perkins said he was going to shoot his wife, Barbara, who to shoot with a .32 Park West Hospital where she was treated and released.

Plane Crash Reported, Nothing Found

(Continued From Page 1)

searching through the area, but finding nothing.

Residents also reported sighting or hearing three helicopters in the area, adding to the plane crash rumor.

Early Sunday morning several light aircraft flew over the area, but again nothing was found. The flights continued throughout the day Sunday.

A check with the Federal Aviation Agency flight service at Knoxville and McGhee Tyson Airport tower showed that no known aircraft were overdue or missing in the area.

Sheriff Freeman Russell said that the reports all came from reliable persons and the sighting of the flares are still unexplained.

typical amount and the second smallest July figure since 1960, TVA reports.

Local rainfall during July showed wide contrasts, from a drenching 11.95 inches at Tullahoma in middle Tennessee down to less than an inch at several points in east Tennessee. These included 81 of an inch at Sevierville, 85 at Watts Bar Dam, 90 at Maryville, and 97 at Arthur (near Cumberland Gap), Tennessee River streamflow fell below normal for the first time this year, following a wet winter and spring. Hydroelectric generation on the TVA system declined. At TVA's tributary storage dams, lake levels were falling during the month but still were generally higher than in most years at the end of July because of the large amounts of water stored in these reservoirs last spring.

3. Election of members of retiring election board.

4. Adjournment.

NEWS OF FLYING

FLIGHT FACTS

Did you know that:

Flying isn't just for the young. Although the largest number is in the 25-29 year old bracket, nearly 20 percent of the private pilots are over 60 years old.

Flying isn't just for the rich. Sixty percent of today's private pilots earn less than \$20,000 a year.

The cost of learning to fly is about equivalent to a winter's skiing or country club dues, according to Piper Aircraft Corp.

A small Piper single engine airplane travels two to three times the speed of our family automobile and at 14 to 18 miles per gallon.

Around 30,000 women now hold private pilot licenses. It takes a minimum of 40 hours-20 with instructor and 20 solo-to qualify for a private pilot's license.

Small airplanes are used more for business purposes than for personal recreation. Approximately the same number of people travel by small airplane each year as ride the commercially scheduled airlines.

For more answers to questions on flying and learning to fly, write Ned Schantz, Piper Aircraft Corp., Lock Haven, Pa. 17745.

Local Students Enrolled At Middle TSU

According to figures released today, students from 78 Tennessee counties and 32 states are attending summer school at Middle Tennessee State University. Rutherford County supplied the largest number of students, with a tally of 1,068. Davidson County furnished 832 students, and Coffee County had 230.

Other large enrollments included 190 students from Bedford County, 150 from Maury County, 144 from Hamilton County, 142 from Wilson County, 118 from Franklin County, 115 from Sumner County and 112 from Lincoln County. Two hundred and seventy nine students from 32 states are attending the summer sessions. Alabama furnished the most students, with 38; Kentucky was next with 31; Florida had 29 and Georgia supplied 27. There were also 119 international students enrolled this summer.

Students enrolled for the summer sessions from Loudon County are: Elaine Connolly, Donna Leigh Dixon, Cynthia Kay Poore, Robert Dean Rose, Louise Annette White.

1. Announcement concerning Loudon County Bar Association meeting in one month for new County officials.

2. Announcement of completion of execution of contract by TVA for maintenance of the Project Roads Contract.

By DANNY GIBSON
Sports Editor

Like a broken record we find ourselves again following up the TSSAA Coaches' Clinic and All-Star games with the wonderment of will they last?

The West, which led only one of the three series, girls basketball, stormed into Murfreesboro with a stunning array of All-Stars and proceeded to romp through a three game sweep that left the East shocked.

The West girls started the avalanche of East setbacks with a 64-61 victory in beautiful Murphy Athletic Center, despite the final quarter gunning of Lenoir City's Marietta Blackburn. Then the West boys followed that with a sloppily played 90-89 overtime victory. Then on Friday night at Horace Jones Field, the West scored in the final two minutes to hand the East footballers a 20-17 defeat.

It was the West's second straight grid triumph after losing the first six. The boys basketball series is now level at four games each and the West girls hold a commanding 5-1 advantage.

Had it not been for the news media sending out results, very few people would have known about the sweep. Why? Only 2,518 fans, including a record 671 registered coaches, saw the football game and a mere 1,840 including the same registered coaches were on hand to see the cage lifts.

A crowd of 6,000 to 8,000 was quoted by the TSSAA would make the All-Star contests a financial success or at least break even in overall costs and expense. The desired amount of interested fans fell light almost 2,000 spectators, thus the continuing struggle to make the All-Star games a success, fingers on for TSSAA officials. They're running out of ideas.

"One thing we need and have never gotten is good advance sale of tickets," said TSSAA Executive Secretary H. Gideon. "We don't have the big rush because people know there will be plenty of seats available on the nights of the games."

There were about 11,000 seats available for the basketball games and 14,000 empty seats at the football contest.

"The big question right now is what did the Thursday night election returns bring broadcast on TV across the state do to us," continued Gideon. It hurt, to say the least since the All-Star basketball games did not weigh as much importance to many of the Mid-State people as the election results did. But there was no election Friday night.

In the minds of most observers, the TSSAA has a legitimate lemon on its hands...financially. The players get a kick out of the games, the coaches like them, but the fans won't buy the product.

"As far as I'm concerned," intoned Gideon, "the clinic and all-star games are okay." The Board of Control will meet later to determine the future of the games. That has become an annual point of business.

What about MTSU as site of the clinic and games?

"I haven't heard a bid recreation from any of the coaches yet," explained the TSSAA boss. "Everything is great and centrally located. That's not to say anything against UT, they always did a fine job."

The facilities? "Facilities at MTSU are probably the best we can have for these events," he said. "The coaches can register, see the exhibits, watch basketball practice and football practice from the same building."

And MTSU officials? "You couldn't ask for better people to work with than Mr. Murphy, MTSU athletic director, and his staff. The coaches were always here if we needed them and MTSU people did everything in their power to make this a success."

So the Tennessee Secondary School Athletic Association All-Star games appear in jeopardy once again of being canceled. No profit no play. Although I expect it to continue for another year (I say this each time I write this crazy column each year following the All-Star game). I can not see what losing money on something as important to the boys and girls that make up the TSSAA sports program as being tapped as an all-star would make the TSSAA officials take it with a grain of salt. The all-star games appears to be the lone operation guided or backed by the TSSAA that is in the red money wise. The TSSAA is not suppose to be a big business enterprise, it's suppose to be the member schools across the state sit under a governing board of officials to see the many sports programs practiced and played by the schools are conducted and maintained in the best interest of the young participants. Yet the TSSAA, like everything else that deals in big business, feels they must turn a buck on everything or else eliminate it. The TSSAA is not hurting financially for it has come a long way since being organized back in 1925.

It would have been sad to say the least in those first years of the roaring 20's when they were getting established had some high political figure with influence said scrap them

Fall Football Practices Underway

Organized high school football practice for the fall season started Friday with many teams around the area using the start day for physicals and issuing practice gear. The TSSAA permits one organized team meeting with coaches prior to the start of fall drills, some schools took advantage of this day earlier in the week to hand out gear and physical examination slips.

Loudon used Wednesday for such a day and also made use of the team gathering for press day and picture sessions. The Redskins dressed in full practice gear for Friday afternoon's practice and the Loudon coaches held a morning session on Saturday. Early observations have the Redskins in pretty fair physical shape as a team with 42 boys in uniform. Coach Bert Ratledge expects a squad of 45 by the time school starts, with only one letterman absent due to vacation at this time. A couple of transfers from area schools are expected to be out when school registration arrives.

"The boys look good, but they have to hit that practice field for two and half hours (Friday), what they look like on the way back to the dressing room may tell us more about what must be done to get ready for fall," stated Ratledge and assistant Jim Gibson.

Loudon has no freshman-to-be in uniform and will not have any on the varsity squad. We plan to hold some outside scrimmages in a week or so, after we get familiar with our assignments that have not been practiced since spring.

Lenoir City opened up Friday with only a squad meeting and Coach Henry Blackburn with a 40 to 45 man varsity feels his team will be ready to go in the latter part of the week also. Two-day drills are on tap through out the week with the morning session of four and 45 minutes starting at 8:30 and the afternoon meeting a lengthy one of two and one half hours from 4 p.m. on.

Coach Blackburn has three scrimmages set up with Morristown West, Sweetwater and Frazar. No dates have been set. "It will depend on our progress. We might not have but two," related Blackburn.

Greenback started preparation for defense of its Foothills Athletic Conference Football Championship Friday with a team meeting. Coach Charles Bailey feels his team will be slow to come around, because of replacing so many from his outstanding team of last year. "We will play it by ear, our practices will be mostly afternoon and twilight gatherings. Not all of our team will be available until school has officially started. A squad of 36 to 40 will make up the Cherokee squad. Greenback will also tackle a couple of outside scrimmages but Coach Bailey could not say for whom he would be getting in touch with to test his Cherokees.

they can't survive. The state athletic prominence we know now might have been far in the rear had the state education board and such not stuck by weathered out the storm, and made the high school and junior high athletic credibility what it is today.

POSE FOR FOOTBALL PROGRAM.—Appearing on this year's Loudon High School football program for 1974 will be the Redskins squad picture. Prospective players attending the picture session are front row left to right: Sam Lyle, Buddy Swiney, Terry Brown, Floyd Morton, Dennis Rowe, Mike Yates, Rick Tucker, and Dennis Queen. Second row left to right: Tim Murrell, Jeff Naylor, Roy Hughes, Carter Cardwell, Ronnie Roberts, Kenny Skinner, Porky Campbell, Donnie Thearp, Bill Kollock, and Raymond Watkins. Third row left to right:

Junior Rolan, Zake Spoon, Steve Lyle, John Delaney, Butch White, John Sweet, Conway Dukes, Sammy Thearp, Kenny Starritt, and Mike Lambert. Fourth row left to right: Billy Joe Prensley, Sam Stewart, Wendall Davidson, Steve Hill, Gene Cate, Rick Melton, Greg Deatridge, Johnny Deatridge, Marlon Brown, Tim Kiser, Jeff McQueen, and David Griesom. Back row left to right: Coach Jim Gibson, Managers John Ridenor and Darrell Tuck, and head Coach Bert "Chig" Ratledge. Not pictured is Bumper Webster, who is on vacation in California.

Birkholz Gets Recreation Post

Bill Birkholz, son of Mr. and Mrs. Ray Birkholz of Loudon, has been selected as Loudon Recreation Director pool. The hiring of Birkholz was made by City Manager Gary Hensley upon approval of the Loudon City Recreation Board in a meeting last Monday night.

Birkholz moved to Loudon in 1966, graduated from Loudon High School in 1967. He played football for three years and basketball one. Upon entering college, Bill played golf at Wirtz Junior College and later was a member of the University of Tennessee Volleyball team.

He has coached and helped in various sports organizations such as the Sequoyah Hills Baseball program in suburban Knoxville while attending UT. He has also helped to organize sport programs and leagues. Birkholz, who is married to the former Sheila Couch of

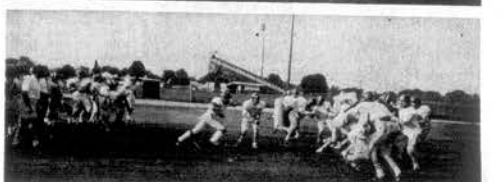

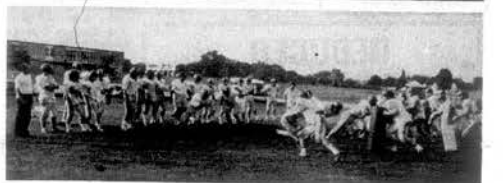

Loudon, will make his office in the old principal's office of Loudon High School.

The hiring of Birkholz, 25, provides Loudon with a full time recreation employee for organizing, directing and planning a year round program, for all ages. Presently a fall and winter program and schedule is in the making with only adult men's basketball league and volleyball league known to be for certain. A women's exercise class is also expected to be a part of the fall and winter format.

In accepting the recreation responsibilities Birkholz replaces Loudon High School football coach Bert Ratledge, who had held the post in part for the past three years. Ratledge, who will serve in an advisory capacity for the city and to Birkholz was able to give only a full time effort to a summer program the last year. (Continued On Page 10)

NEW RECREATION DIRECTOR—Bill Birkholz (left), has been hired by the Loudon Recreation Board as the City Recreation Director. Gary Hensley (center), City Manager and Bert Ratledge, who has served in the capacity in a part time basis talk with Mr. Birkholz concerning his duties.

HIGH SCHOOL FOOTBALL PRACTICE RESUMES WITH FALL DRILLS—Loudon High School Redskins football team is captured in a series of fall practice photos showing them in a serious mood for the fast approaching fall grid season. Loudon, while in full practice gear, was not expected to get into actual live contact until late this week. The Redskins will spend much of early practice to conditioning and refreshing their memories from spring drills in once again getting down blocking and running assignments.

SPORTS

First Loudon Tennis Tourney Success; Lindner, Watson Win Huskey, Randolph, Veal, Burnette Win Divisions

like to thank all those who participated for their sportsmanship and good play, and to the merchants who contributed funds for the trophies that were presented to the winners and runnersup in all the divisions.

A mixed-doubles tournament is now being planned and teams should contact City Recreation Director Bill Birkholz for entry information.

Tennis Tournament Scores

INTERMEDIATE MEN: Paul Braxton over Ricky McClure, 6-2, 6-3; Rick Best over Bryon Lawson, 6-3, 6-0; Buddy Swiney over Tony Mays (score not recorded); David Gargy over Ted Davis (forfeit); Bulch Brown over Randy Tahum, 6-2, 6-4; Joe Black over Doyle Lawson (forfeit); Ronnie Henderson over Paul Braxton, 6-1, 6-4; Charlie Winkle over Claude Tahum, 6-2, 6-0; Mike Swiney over Bob Richies, 6-1, 6-3; DeWayne Arp over Tim Guider, 6-0, 6-1; Ronnie Henderson over Charlie Winkle, 6-1, 6-3; Ed Arnold over Billy Joe Wilson, 6-1, 2-6, 6-3; Lynn Burnette over Kenny Harris, 6-3, 2-6, 6-1; Doyle Arp over Don Gabley, 6-1, 6-3; Championship: Lynn Burnette over Don Gabley, 6-1, 6-3.

ADVANCED MEN: Ed Arnold over Tom Beeler, 3-6, 6-3, 6-4; Jack Thompson over Kyle Anderson, 6-2, 6-2; Bill Custead over Ed Arnold, 6-2, 6-4; Gary Lindner over Jack Thompson, (forfeit); Championship: Gary Lindner over Bill Custead, 6-3, 6-1.

BEGINNING MEN: Lynn Burnette over John Johnson, score not recorded; Don Gabley over Larry Cale, 6-2, 6-3; Lynn Burnette over David Arp, score not recorded; Kenny Harris over Mike Shubert, 6-4, 7-5; Doyle Arp over Neil Campbell, 6-1, 6-1; Don Gabley over Billy Joe Wilson, 6-1, 2-6, 6-3; Lynn Burnette over Kenny Harris, 6-3, 2-6, 6-1; Doyle Arp over Don Gabley, 6-1, 6-3; Championship: Lynn Burnette over Don Gabley, 6-1, 6-3.

ADVANCED WOMEN: Jo Ann Thompson over Beth George, 6-6, 6-0; Sue Watson over Helen McCabe, 6-4, 6-6.

INTERMEDIATE WOMEN: Sarah Arnold over Sherri Hemley, 6-2, 6-2; Dottie Anderson over Susan Huskey, 2-6, 6-3, 6-1; Connie Huskey over Linda Arp, 6-4, 1-6, 6-2; Mary Lane over Sarah Arnold, 6-6, 6-2; Connie Huskey over Dottie Anderson, 6-2, 6-2; Championship: Connie Huskey over Mary Lane, 7-6, 6-3.

BEGINNING WOMEN: Alice Clark vs. Sandy Elliott, (no show); Beverly Veal over Jewell Henley, (forfeit); Margaret Gibson over Joyce Rutledge, (forfeit); Deane Lambert over Donna Miller, (forfeit); Veal vs. Lambert, (no show); double (forfeit); Margaret Gibson over Deane Lambert, 6-6, 6-2; Championship: Beverly Veal over Margaret Gibson, 7-5, 6-3.

GARY LINDNER jumps to make a return on a Bill Custead shot in the Men's Advanced championship Sunday. Lindner won 6-1, 6-3.

INTERMEDIATE CHAMPS—Ted Randolph and Connie Huskey, winners of the championship matches in the intermediate division of the Loudon Tennis Tournament are shown with runnersup Mary Lane and Rick Best after their matches Sunday.

BEGINNER WINNERS—Loudon Tennis Tournament winner Larry Bridges presents trophies to the winners in the Beginners Division after the championship play last Sunday. They are Beverly Veal, first place; Lynn Burnette, first place; Margaret Gibson, runnerup; and Doyle Arp, runnerup.

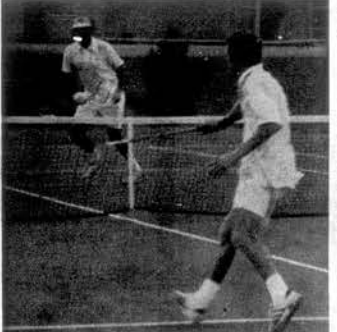

SUE WATSON makes an underhand return of a Jo Ann Thompson shot in the Women's Advanced championship match.

BILL CUSTEAD backs up to make a return to Gary Lindner in their championship match Sunday.

RANDOLPH'S FORM—Ted Randolph shows good form and determination as he serves to Rick Best in the finals of the men's intermediate play. Randolph won in straight sets.

ED ARNOLD (left) and Bill Custead charge the net in their semi-final game in the men's advance division of the Loudon Tennis Tournament. Custead won and advanced to the finals.

LADIES INTERMEDIATE FINALS—Connie Huskey, foreground, has just smashed a serve to Mary Lane in the finals of the women's intermediate play. Miss Huskey won in straight sets.

INTERMEDIATE SEMI FINALS—Ted Randolph, closest to camera, and Ronnie McNabb, provided one of the best matches of the Loudon Tennis Tournament in this semi-final round. Randolph won in three sets, 6-3, 6-7, 6-3.

BEGINNERS ACTION—Doyle Arp, foreground, returns a forehand shot of a Lynn Burnette serve in the men's Beginner Division finals Sunday.

The first Loudon Tennis Tournament ended Sunday with six hours of championship play in both men's and women's beginners, intermediate and advanced divisions.

Gary Lindner, Lenoir City realtor, took the men's advance class by defeating Bill Custead of Loudon 6-3, 6-1. In the women's advance play with the sets even between Mrs. Jack Thompson and Mrs. Hugh Watson, Mrs. Thompson, who had played in a tournament earlier Sunday in Knoxville, retired giving Mrs. Watson the championship by default. Mrs. Thompson won the first set 6-4, with Mrs. Watson battling back to win the second set 7-6 by the tie-breaker route.

In intermediate championship play Ted Randolph Jr. of Loudon defeated Lenoir City High School band director Rick Best in straight sets of 7-6, 6-3. Randolph had to come from behind in the first set after being down 0-3 and in the second 1-2, to win. Connie Huskey took straight sets of 7-5, 6-3 from Mary Lane to claim the intermediate women's trophy.

In the beginners division Beverly Veal of Lenoir City took sets of 7-5, 6-4 from Mrs. Jim Gibson to win that trophy. Mrs. Veal's only match in the tournament was the championship play. She had claimed two other matches by default with none of the opposing players showing up for the games.

Lynn Burnette, showing much polish took straight sets of 6-1, 6-1 from Doyle Arp in the men's beginners division. Arp had won three earlier matches to gain the finals. He purchased his first tennis racket about six weeks ago.

Tournament Director Larry Bridges said that the 48 matches in the seven day tournament, drew good crowds and excellent participation and the enthusiasm for tennis in Loudon is growing rapidly. Most of the games were played on the new courts at the municipal park near Loudon High School, but some early elimination matches were decided at the Junior High School courts.

Mr. Bridges said he would

WOMENS ADVANCED Champion Sue Watson (left) chats with Jo Ann Thompson as the pair has a Coke during a break between sets in the championship Sunday. Mrs. Watson won after Mrs. Thompson retired from the court with the match even.

MENS ADVANCED winner Gary Lindner (center) and runnerup Bill Custead talk with tournament director Larry Bridges after the trophy presentation Sunday afternoon.

AUGUST 15 1974

12 Teams In Philadelphia's Third Invitational Tournament

The third annual Philadelphia Invitational Softball Tournament will be held from Monday, Aug. 19 through Friday, Aug. 23, at the Philadelphia Community Park.

Twelve teams from throughout East Tennessee will play in the double elimination tournament. Tournament Directors Doyle Arp and Tommy Millsaps said that trophies will be awarded to winners in both brackets.

A rundown on the teams in the tournament is as follows: Loudon Merchants—Number two team in the Loudon league with an 11-4 record. They placed in third in the 73 tournament at Philadelphia and are managed by Earl Russell.

Hamilton Bank Finished third in the Loudon League, with a 10-5 record. They also placed third in the Loudon sub-district and played in the District III tournament at Athens. They finished fourth in the Philadelphia tournament last year. Coach is Don Canter.

Prospect Baptist Church—Placed fourth in the Philadelphia league with a 12-9 record. Manager is David Stephens.

Woodward—Finished first in the church league at Athens with a 15-4 record, won the Philadelphia Church sub-district and finished second in the Loudon City District Tournament, and finished seventh in the State last year. Manager is Jimmy McMullan.

Maremont—Third in the Philadelphia league with a 12-9 record. Manager, Johnny Risher.

Loudon VFW—Seventh in the Philadelphia League in their first year with a 4-7 record. Manager, Sam Pressley.

Eaton—Number one in the Loudon City League for four straight years finished 15-0 this season. Placed second in the Loudon sub-district and played in Athens in the District. They won the Philadelphia tournament last year. Manager, Xan Walker.

Bar Knit—Number one team in Philadelphia league for past three years. Finished this season with an 18-3 record. Second in Philadelphia Sub-District. Manager by Menty Barger.

Bank of Loudon County—First in Loudon League with 12-3 record, won Loudon sub-district. Placed second in Philadelphia Invitational last year. Manager Bill Thompson.

Greenback Co-op—Number one team in Vinton League, won the Philadelphia Sub-District. First year in the Philadelphia Invitational. Manager, Tom Peeler.

Anderson's I.G.A.—Number two in Philadelphia league with 14-8 record, finished fourth in invitational last year. Manager, Al Cox.

The times and pairing of the teams in the Tournament are included in the bracket accompanying this story.

Hamilton Has U-T Tickets

Tickets for the University of Tennessee's 1974 football games with UCLA (Sept. 7) and Kansas (Sept. 21) both in Knoxville are now available in Loudon. Hamilton National Bank is acting as the University's agent in Loudon. UT officials are expecting the usual large turnouts at Neyland Stadium for these two intercollegiate contests.

UT Athletic Director Bob Woodruff, in keeping with the policy of making football tickets available to Vol fans, has established ticket offices throughout West, Middle and East Tennessee.

Back at the helm of the Volunteer offense will be quarterback Condredge Holloway, who dazzled fans last year with his game-saving heroics. Also returning is wide receiver Stanley Morgan, the Vols' leading receiver last season as a mere freshman.

New faces will be evident in the Tennessee defensive lineup this fall, as Coach Bill Battle hopes to improve on last year's somewhat shaky unit. Such stalwarts as Hank Walter and Robert Pulliam, however, will be present to lead the younger Vols.

Coach Bill Battle will take an impressive record into action this season. In four years, the 32-year-old Alabama graduate has established a record of 39-9, taking his team to a bowl game every time.

Archer, Cobb Hold 10 Point City Golf League Lead

The Loudon City Golf League standing had no real big changes from the team play last week at the Madisonville Golf Course.

Richard Archer and John Cobb continue to be the team to beat for the league team title this summer. The league front-runners have 18 team points to date and a 10 point lead over their closest challenger Larry and Lynn Millsaps.

The Millsaps brothers have been slowly cutting away at the lead once built to better than 20 points by Archer and Cobb. Larry and Lynn have 176 points currently and out scored the league pace setters 16-13 in last week's matches. Ed Arnold and Paul Brakelb, staved in third place for several weeks now, added seven points to their summer efforts and have 160

to date. Jimmie Hamil and Jim Moore are up to fourth place with 152 team points and the 33rd of Inky Swiney and Ted Lomax, Jack Ferguson and Glen McNabb, and Dennis Townsend and Ralph Stalcup have all moved to within just a couple of points of each other in the standings. In fact quite a bit of competition and jockeying in the standings could easily take place with a sudden surge of any team from five through 19 in the standings.

Earl Millsaps and Jim Huff cared the best low net team score of the week with a sleek round of 96. Earl Millsaps also collected nine individual points with a personal mark of 33 for the day and top medalist honors. He was matched in his low net play by his partner Jim Huff and Buck

Kirkland with 33's also but neither managed to receive as many individual points for their efforts.

SURVEY DAMAGE—City Recreation Director Bill Birkholz and City Maintenance Superintendent Ray Lovin survey damage to the Municipal Swimming Pool concession stand. Burglars forced open the service windows sometime Friday night, took a small amount of candy and 12 pizzas. Damage to the building amounted to several hundred dollars.

Atomic Offers \$7,000 To Drivers In Saturday Slate

Another top racing show is coming to Atomic Speedway Saturday night Aug. 31. More than \$7000 will be up for grabs during the seven event program which will feature three classes of machines—two in the late model sportsman division.

The A Class will be for cars with a cubic inch displacement of more than 218, the B Class for those with smaller powerplants. The other class will be for bombers.

The racing begins at 8 p.m. with head races to decide the 20 cars for the B feature, then comes time trials for the Class A racers, the 15-lap bomber run, last-car dash for the six quickest racers in Class A triminals, the B Class feature (30 laps, semi-feature for A cars (30 laps) and the Class A feature (40 laps).

First place in the A feature

Stamey Holds Golf Lead

Red Stamey continues to roll in the Maremont Golf League. He holds a 6 point lead over his closest challenger, Jim Anderson. Only one and one-half points separate second through sixth place Howard Weaver had low net of the week with a round of 34. Second low net went to Carl Moore with a 35.

Civitan Horse Show Saturday

Lenoir's City Civitan Field will be the site of the annual Civitan Club's Horse Show Saturday starting at 7 p.m. There will be 24 classes, ranging from pleasure horses to racking and walking horses, to western horses. Prize money will exceed \$1000 with grand champions of the Saturday night event being recognized in both Western Class and Walking Horse Class. As a special novelty to the horse show a three class Ponies of America portion will be of high interest and have much crowd appeal.

For further information on the Lenoir City Civitan Horse Show contact Harry Wampler, Lenoir City.

Birkholz Gets Recreation Post

It will take both the backing of the community and the backing of the merchants and plants of our town to make it develop. Volunteers in the area. Teaching duties and football preparation hampered Coach Ratledge in being able to give the required amount of time to the program for a recreation format as to what Ratledge and the City Recreation have hopes of some day seeing in Loudon will consist more than just the words "play ball". A lot of planning, organization, and much time must be given for such an expandable program.

Birkholz will be doing most of his first year's work without a full time staff. Community interest and help by volunteers such as Mr. Fred Mode, who has served as the director and drawing up of the softball invitational tournament held in Loudon this summer. And Mr. Jerry Foster, who has run a tight and organized ship in having the best Dixie Youth, Babe Ruth, and Senior Babe Ruth programs the town has ever had.

"A hand full of individuals can not make the recreation

Carbide Golf Lead Widens

Catch me if you can! That seems to be the cry of Union Carbide Golf League leaders Charlie Helms and Jack Delaney. The league pace setters held their own in last week's play by adding to 10 team points to their summer total and have moved out to a 27 team point advantage to date. Helms and Delaney's 223 team points is the lone team to reach the 200 point plateau thus far this summer. Henry Julian and Spencer Watkins have 196 team points to date and Jack Miller and Jim Cardwell with 192 team points loom as the best possible chances of challenging for the league championship as it heads for the final seven weeks of play.

Miller and Cardwell stepped up in the standings and in team points last week by continuing for a low net team round of 73 for top team honors among the Union Carbide golfers. Jack Miller also captured the low medalist play with his 35 for nine holes.

Atomic Offers \$7,000 To Drivers In Saturday Slate

Another top racing show is coming to Atomic Speedway Saturday night Aug. 31. More than \$7000 will be up for grabs during the seven event program which will feature three classes of machines—two in the late model sportsman division.

Birkholz Gets Recreation Post

It will take both the backing of the community and the backing of the merchants and plants of our town to make it develop. Volunteers in the area. Teaching duties and football preparation hampered Coach Ratledge in being able to give the required amount of time to the program for a recreation format as to what Ratledge and the City Recreation have hopes of some day seeing in Loudon will consist more than just the words "play ball".

A lot of planning, organization, and much time must be given for such an expandable program. Birkholz will be doing most of his first year's work without a full time staff. Thanks To The Voters of Loudon County

I would like to thank the people of Loudon County who gave their support and help during the primary general elections. I would like to congratulate my opponent Billy Joe Akins in a job well done. Thanks again—Bob Littleton

7 Years In Loudon

We want to thank the many people who have placed their confidence in our abilities to handle their insurance needs during our seven years in Loudon, as we celebrate our seventh anniversary of business here.

Some of the great companies we represent are:

- Travelers •Continental •Granger Mutual
- National Grange Mutual •Mutual Insurance of Tennessee

We are always available to counsel with you on your insurance needs.

Thanks
Orville Orr, Manager

Your County In Action

BY
Harvey L. Sproul
LOUDON COUNTY JUDGE

As I approach the last couple of weeks of my term of office as County Judge, and prepare to return to the full-time practice of law, I think it is only natural to look back on the highlights of the eight years and what hopefully has been accomplished, and this I hope to do in the next two or three weeks, if you will so permit me.

I suppose the thing that is possibly most on my mind right now comes from the fact that I have been looking at some statistics from a National Science Foundation study made by ORNL, indicating the employment trends of manufacturing industries in East Tennessee from 1943 to 1973.

This study breaks down each county in the State industry by industry and as to the employment in each industry during certain specified years. I think the following statistics are very revealing:

1943-2730
1966-2431
1973-3826

Those figures indicate the number of people employed by manufacturing industries in Loudon County for the respective years.

The revealing thing to me is the employment decrease from 1943 to 1966 (23 years). But from the time I took office in 1966 to 1973 (with another year to go on my term) manufacturing jobs in Loudon County has almost doubled in that eight year period.

I recognize that there have been many factors that attribute to this, but I do feel good that we were able to improve the Loudon County economy and increase jobs, and I think having an alert, modern, progressive County government supported by the Quarterly Court, cooperation between the working municipalities, and supported by the majority of the people of the county has enabled this to be done.

Certainly we have not been able to "lower taxes" as such (although I don't think any

other county has been able to do this either), but I do think the foundation has been laid to where the rate of increase of our property taxes can be slowed because many of the necessary things that had to be done have now been accomplished, and that as the value of the land in the county grows, and as we continue to bring in more tax-paying industry, the burden on the average homeowner and citizen will be gradually reduced in proportion.

In the industrial field there have been some specific things that are of particular note.

Certainly the purchase of the Thomas property in Loudon and the development of the Maremont Industrial Park and our ability to get Maremont to become an established plant here at the point where possibly there are almost 1,000 employees at the plant, has been a big factor in the economy of the total county.

Of course we got a good road out of that too and got some expeditions on the building of the overhead bridge of new State 72 because of Maremont. We were also able to get a new access road to Union Carbide Corporation through the cooperation of the owners of the property, Mr. and Mrs. Tom Henry and the State of Tennessee Highway Department.

We have other new industries including Lenoir Industries, Mussey Products

and Elm Hill Meats were also established in the early part of the beginning of this period. Genesee built a new plant and Maremont has expanded twice.

That just covers one area of county life during the last eight years and possibly the newspapers will allow me to hang over a review on September 1 to end up the way it takes it.

Certainly one of my pleasures during this time has been the writing of this column and the closer association that I have felt for the people of through the column.

Mail Delivery Is Expanded

A liberalization of rules that will bring mail delivery service for the first time to more than 100,000 rural families has been approved by Postmaster General E. T. Klassen.

"Under previous criteria," Postmaster General said, "rural delivery extensions could be made only if at least one family was benefited for every seven-tenths of a mile a rural carrier had to go to serve the box and return to his normal line of travel."

"But the Postmaster General has increased the acceptable route variance to a mile, thereby enabling us to provide home delivery service to many additional families."

Big Orange Starts Grid Drills Friday

Opener With UCLA To Be Televised Nationally

Whether it's a blessing or a curse may be debatable, but the Tennessee Vols will be spared the pressure of living up to gaudy expectations when they report to camp August 16 for the start of football practice.

For the first time in several seasons, gridiron prognosticators have been acting with notable restraint in assessing the Volunteers' outlook. One magazine went so far as to suggest Tennessee might lose five of its first six games, projecting a hypothetical victory over Tulsa as the only bright spot in an otherwise uninterrupted string of defeats.

Turning their predictions to league warfare, the clairvoyants have picked Bill Battle's troops to finish seventh in the Southeastern Conference. Alabama and LSU have been overwhelmingly selected for the top two berths.

An uncertain defense, still licking wounds inflicted during an unaccustomed assault on its goal line during the 1973 season, is the source for most of the skepticism concerning the Vols' prospects. Battle's chief goal in spring practice was to reinforce a defensive unit that was a little too pliable by Big Orange standards.

Understandably, the experts do not tend to lay out a limb in predicting great achievements for the Vols until evidence is in hand that the defense remedied its woes of last year. The opportunity to measure improvement will be afforded in short order as explosive UCLA comes to Knoxville September 7 for the season opener.

Tennessee backers had their hopes for a more formidable defense bolstered when Trainer Tom Wall reported that senior linebacker Hank Walter has fully recovered

from ankle injury that sidelined him most of last season. The coaches think Walter, who was brilliant in early combat and even earned national lineman-of-the-week honors against Auburn, has the capability to set the tone for a more stubborn defensive effort.

There is less concern about prospects for a strong offense inasmuch as the Huntsville Houdini, Conrodge Holloway, again will be at the controls. The pre-season all-SEC quarter-back passed up spring football in favor of baseball, but his occasional visits to the football practice field left little doubt that Holloway would

adapt swiftly to the Vols' new Veeer offense.

After reporting August 16, the Vols will pose for news photographers at Picture Day August 17 and will begin two-day practice Monday, August 19, working without pads the first three days.

"The coaching staff is worrying most about the situation at linebacker and the running back positions," said Battle. "The coaching staff is worrying most about the situation at linebacker and the running back positions," said Battle. "The coaching staff is worrying most about the situation at linebacker and the running back positions," said Battle.

Hunting Season And Bag Limits

Squirrel open Aug. 24, closes Jan. 4, 1975 except Polk and Bradley Counties which open Oct. 5, daily limit 6, possession limit 12.

Quail - Nov. 28, March 1, 1975 daily limit 3 possession 6.

Rabbit Nov. 28, Mar. 1, 1975 daily limit 5 possession limit 10.

Crow Season opened on Friday, Saturday and Sunday May thru February. No limit.

Woodcock - Oct. 12 - Dec. 15, 1974 daily limit 5 possession limit 10.

Teal - Sept. 21, Sept. 29, daily limit 5 possession limit 8.

Raccoon Oct. 11, Feb. 9, limit one per night per person or 2.

Bobcat, opossum, mink Oct. 11, Feb. 9 no limit daylight hunting only.

Groundhog, Gray fox, skunk, weasel, coyote, beaver, season open year around no limit daylight hours only.

Shooting hours

Teal 1/2 hour before sunrise until sunset. Doves noon until sunset, Raccoons sunset until sunrise, Squirrels, Quail, rabbits game sunrise until sunset.

Legal weapons for hunting small game and game birds. Shotguns using ammunition loaded with number 2 or smaller shot. Shotguns using ammunition loaded with number 2 or larger shot for waterfowl.

Filles using .22 calibre rim fire ammo legal for hunting small game except waterfowl. Also the use of the 22 rifle as the south portion of the Cherokee and Tellico Wildlife Management areas is prohibited for hunting all game.

The population of small game appears to be up across the state. The hunting success will depend largely on the weather and the hunter himself. Squirrels are cutting hickory nuts and the mast crops looks good. Doves are plentiful and if the farmer gets the corn miller and other small grain cut in time success should be good.

Don't forget to contact the farmer, get permission to hunt and respect him as the gentleman who furnishes the food and habitat that produces the game to hunt.

Fishing Forecast

CHEROKEE LAKE-water conditions clear and falling. Bass is good and are being taken on top water and spinner type lures early morning and late afternoon.

MELTON HILL LAKE-water conditions clear and falling.

All species poor except blue gill and it is good on crickets and worms.

MELTON HILL TAIL WATERS-A few crappie and stripes being taken on small minnows and flies but several large Rockfish have been caught fishing in the swift water of number one turbine using large white lead head jigs. Remember the size and possession limit on rockfish 15 inches in length and 2 in possession.

FORT LOUDOUN LAKE-water conditions clear and fluctuating.

Bass fair on top water lures early morning and late evening. Bream good on popping bugs, crickets, and worms around rocky banks and weed beds.

NORRIS LAKE-water conditions clear and falling. Fishing been slow but seems to be getting better nights are cooling. A few bass are being taken at night casting plastic worms along rocky points. Blue gill good on worms, crickets catfish good in coves using jig lines with cut bait and worms as bait. Walleye

in memory of Clean Allen King who was killed August 18, 1965.

Our hearts are sad, but this we know, when God called you, you had to go. What we give to see your smile, to sit with you and talk a while. They say time heals all sorrow and helps us to forget, but time so far has only proved how much we miss you yet. Sadly missed by mother, brothers, and sister.

YARD SALE-Saturday, Aug. 17, all day. At Cul N Sew Fabrics, Hackberry St. Loudon.

WATTS BAR LAKE-water conditions clear and falling. A few bass are being taken in early morning and late evening on plastic worms and top water lures. Bream are being taken on popping bugs and crickets. A few stripes and crappie being taken under lights at night using small minnows.

Barknit Wins League Crown At Philadelphia

Barknit, with an 18-3 record won the Philadelphia Softball League play. Second place was decided by a playoff between Anderson's IGA and Maremont, won by IGA. Both teams had identical 13-8 season records.

Fourth place also decided by a playoff went to Prospect with a win over Paint Rock.

The final team records and standings are as follows:

Barknit 18-3
Anderson IGA 13-8
Maremont 13-8
Prospect 12-9
Paint Rock 12-4
Lattrell 9-12
VFW 4-17
Loudon 1st Bap. 3-18

This the 16th day of July, 1974.

Billy Joe Atkins, Clerk of said Court.

John C. Gibson, Solicitor for Complainant. 7-25-4r.

Costs HIT US, TOO

We seem to be on a runaway elevator that goes only one way. Up. Supplies and equipment cost more . . . when we can get them at all. Inflation has affected all our operating and maintenance costs. And interest on borrowed money is high.

There seems to be no sure way to stop the elevator. But there is one person who can help. You.

Use electricity wisely. Use it efficiently. Use only what you need.

This way, our present system can handle more of the load. This will be a big help in keeping down our costs and, in turn, keeping your electric rates at the lowest feasible cost.

SOMETHING TO REMEMBER
Since we are publicly owned and not in the business of making a profit, you are buying electricity at "cost." Our essential costs, unfortunately, have been rising tremendously. You can, indeed, hold down electricity's cost to you by using it efficiently.

We always enjoy running pictures that have a lot of our Loudon area people in them. Gatherings of all kinds out of the past bring back memories to a lot of us. For many years, the Charles H. Bacon Co. was the largest company in our area and any of us who grew up in Loudon, Lenoir City or surrounding areas was affected by this plant. So many of our people worked for this company while others operated or worked for business places that depended on the mill payroll for a livelihood. Their lean years meant it was a lean time for many others in the area.

For many years the company held an annual Christmas party for their employees. I don't believe they have these now, but anyway, we have a picture which was taken at one of these parties many years ago. Many of those in the picture are now deceased and many have since retired from their jobs. We cannot begin to identify all of those in the picture but we know some of them. Those who are Bethel Jenkins, Bennie Harris, Autin Howard, Catherine Jacobs, Noah Arden, George Haskins, Will Oody, Bobbie Ray, a Wortley boy, Lonnie Oody, Alice Hooker, Harold Clark, George West, Frank Jones, Stella Lindsay, Mrs. Black, Huse Miller, Mr. Babby, Ault McCallough, Mrs. Jett, and Mrs. McKee. These are not in any order. There are many others who we think we know but just can't seem to place the face. We will most likely be embarrassed when we find out who some of these are that we can't seem to fit a name to.

We are always glad to have these old group pictures and in cases where we are not furnished identification, we just have to try to make some of them out. We are sure many of our readers will know all of them. Many of our readers keep scrap books of the Good Old Days and would appreciate knowing the identity. If you know, pass them on to us and we will run them in a future column. We will be grateful for your help.

The other picture we have this week is of a site familiar to all of us. The incline railway at Chattanooga. Our reason for running this picture is for contrast. The area has

Personal Income Hits \$70 Million Here

Business activity moved into higher gear in Loudon County during the past year, according to a national economic report, just issued.

The added strength was due, principally, to the fact that local families had more money at their command and were more willing to spend it.

The uplift that their added spending gave to retail business in the area is brought out in the report, called "Survey of Buying Power." It was compiled and copyrighted by Sales Management, a marketing publication.

In it are presented comparable figures showing how much was earned and spent in each section of the country.

In Loudon County, it shows, incomes were generally higher than before. Local residents had a net disposable income, after taking care of their personal taxes, of more than \$70,991,000, as against the previous year's \$62,619,000.

The gain, 13.3 percent, topped the United

States rise of 11.2 percent and the 12.5 percent in the State of Tennessee.

Just what this income amounted to, on a per family basis, is indicated by the median earnings in the area, listed at \$7,078 per household. Half of them received more than this and the other half less.

Although many people, despite their increased incomes, continued to hold off on their purchasing of big-ticket items because of the economic and other uncertainties of the times, others regained some of their confidence and were less restrained in their spending.

All in all, it turned out to be a better year for most local merchants. They recorded a sales volume of \$50,240,000, up from the prior year's \$39,492,000.

Each community is given a performance rating based upon the amount of retail business actually done, as compared with its estimated full capacity.

This is done through an "index of buying power," which takes into account income, population and sales.

Loudon County's index rating is .0093, which is the percent of the nation's business it is believed capable of producing.

Since more than this was done in the past year, .0098 percent, the conclusion is that a fair amount of the local purchasing is done by non-residents.

Mid East Has Job Openings

The Mid-East Community Action Agency announces a job opening in the Head Start Program for a Teacher Aide. The job location will be in Lenoir City.

The person selected for this position must have a high school diploma or equivalent, be interested in and have ability to work with pre-school children and be willing to take the necessary training to perform the job. Job development is required.

Applications are available at the Loudon and Lenoir City Neighborhood Service Centers. Applications must be submitted to the Executive Director of Mid-East Community Action Agency, Box 623, Kingston, TN 37763.

No applications will be accepted after August 16. For further information interested parties may call Kingston, 376-5538.

changed so much since this old picture was made, near the turn of the Century. The area is now heavily populated and the incline railway now has two tracks. In those days it only had one and note the little building on the mountain top to house the car in comparison to the modern station now atop Lookout Mountain. This old tourist attraction has been operating for over half a century and as far as I know has never had an accident taking anyone's life. I think it operates the year round.

We are very grateful to Mrs. J. T. Norris of Eatons Crossroads for the loan of this picture and some others which we will use as we get the information on them.

Sometime back a lady from Lenoir City called the Herald office about a school group picture she had for us to use in the Good Old Days. Our secretary passed the phone number on to me and somewhere along the way I have misplaced it. Please call us again.

Well, that's it for now. See you next week.

Blood Pressure Check Offered

It was announced today by Mrs. Edna Birkholz, Loudon Heart representative, that the East Tennessee Heart Association will offer a free high blood pressure check here in Loudon on August 26.

All citizens of Loudon are urged by Mrs. Birkholz to make every effort to have this simple, painless but most important test on August 26. "High Blood Pressure is of epidemic proportion and only if we all work together can we eliminate this problem," she says.

The screening will be held on the lawn of the Court House from 10 a.m. until 1 p.m. and from 3 p.m. until 6 p.m. on August 26.

Applications will be accepted after August 16. For further information interested parties may call Kingston, 376-5538.

TURN YOUR SOYBEANS INTO GOLD.

Gold Kist Marketing has come to Tennessee.

We're one of the country's largest cooperative marketers, with facilities for handling and distributing your crops worldwide. Particularly your soybeans, corn, and small grains.

Here in Tennessee we've 21 receiving stations ready to serve you this season—24 hours a day, if necessary.

In addition, we've just completed a soybean processing plant at Decatur, Alabama, to serve growers in this area.

And it's big, too—capable of handling up to 25 million bushels a year.

So, this year turn your soybeans into Gold Kist.

You'll get good service, top dollar for grade and weight, and a share in any profits we make.

Just bring your beans to the Gold Kist receiving station near you.

That's Gold Kist: big to serve you better... local enough to serve you first person.

GOLD KIST RECEIVING STATIONS.

Schools Are Open . . .

BOTH ADDRESS TEACHERS—Retiring County Superintendent of Schools A.C. Dukes Sr. and Edward Heard Sr., Superintendent-Elect, both addressed the mass meeting of county teachers and principals Monday at an in-service session for the educators at Loudon High School.

Three Charged In Weekend Burglaries

Three Lenoir City men have been arrested in connection with four break-ins over the past weekend by Sheriff's Department Deputies.

Arrested were Alvin Bart (Skipper) Barron, Steve Everett and Roger McHabb. All three face preliminary hearings in Sessions Court Friday.

Deputy Kenneth Brown said that Mrs. Lillie Atkins, Pleasant Hill Subdivision, returned home Friday night to find her stereo sitting in the yard. About three-quarters of a mile away the mobile home of Mrs. Robert Hope on Highway 96 was broken into and a stereo, portable television, AM-FM radio and four rods and reels were taken.

After a truck was reported to Lenoir City Police backing into a wooded area behind the old city dump Saturday morning deputies found several items taken from the Hope residence.

About 11:30 Saturday morning, Mrs. Hope called

and said a car stopped near her home and picked up the rods and reels alongside the road. A neighbor Robert H. Brown, who's home was also burglarized Friday, apprehended the men and held them until Deputy Brown arrived.

Alvin Barron was charged with two counts of receiving and concealing after a gun stolen from the residence of Raymond Newberry, was found in a car he had been in Saturday. In addition to the rifle, a pistol, and record player was taken from the home.

Barron was arrested by Deputy Voyd Carruth late Sunday afternoon after a chase by car and on foot in the Bucktown area. He was also charged with resisting arrest.

A break-in at the home of Larry Glandon, Highway 96, where a shotgun, 25 stereo records, 30 records, \$40 in cash and a stereo and speakers, were taken, is still under investigation.

Blood Pressure Clinic Monday

The East Tennessee Heart Association will have a van in Loudon on August 26 at the courthouse, to give free blood pressure checks as part of the Association's screening program. Assisting in the program will be the Loudon County Health Department and the local Heart Association Chapter.

Heart Association Chairman Mrs. Ray Birkholz said the screening program will be conducted from 10 a.m. to 1 p.m. and from 2 p.m. to 6 p.m. on the designated day. She said the check is of course painless and takes only a

couple of minutes of time.

Mrs. Marjorie Price, County Health Nurse, said a similar screening at Luttrell, in lower Loudon County, recently turned up eight people with dangerously high blood pressure and these people have since been started on medical treatment which might save their lives from possible heart attack or stroke.

Mr. Birkholz said the hypertension screening is just one of the ways the local heart chapter uses the funds that Loudon Countyans contribute to the Loudon Heart Fund Drive.

MAYOR'S BLOOD PRESSURE JUST FINE—County Health Nurse Marjorie Price checks the blood pressure of Loudon Mayor Gene Lambert as part of the East Tennessee Heart Association screening program. A free public blood pressure check will be held in Loudon next Monday at the courthouse lawn. The mayor's blood pressure was a very normal 120 over 72.

Carbide Granted Injunction . . . Strike Continues, Mediation Fails

UNION PRESIDENT Roy (Shine) Jenkins and union representative M.Q. Dishner are shown talking over the strike situation at the burned out Blue Circle across the street from the struck Union Carbide plant.

A second attempt at federal mediation between Union Carbide Films-Packaging plant officials and the striking International Association of Machinists and Aerospace Workers local Union 2544, broke down Tuesday afternoon with no settlement. The Union, organized at the local Carbide plant in May, struck the plant on August 12, after no agreement on the first wage contract could not be reached.

Last Friday the company announced a temporary injunction against the union to limit the number of pickets to two at each entrance to the

plant and to keep non-picketers at least 500 feet away from company property. The injunction also instructed the union pickets not to interfere with non-striking employees who wish to report to work and not to stop firms that service the plant from entering and leaving.

The injunction was granted by Loudon County Chancery Judge James O. Phillips in a special hearing at Rogersville. Sheriff Freeman Russell served the injunction on local union President Roy Jenkins and local Vice President Maxine Parker. Sheriff Russell said that as soon as the injunction was served the union members moved back immediately.

STRIKE PARTY—Members of local 2544 International Association of Machinists, on strike against Union Carbide of Loudon, are shown at a cookout and square dance they held near the plant Monday night as their strike entered its second week. About 200 persons, strikers and members of their family attended the event.

Carbide Labor Relations Director Bob Dravecky said the injunction was sought after incidents, damage to employee cars, rock throwing, incidents of throwing nails on the company driveways, threatening calls to non-striking employees, harassment of working employees, and picketers refused to allow businesses serving the plant to enter.

There have been many rumors of incidents such as throwing of acid on cars of non-strikers, rocks throwing, and calls to employee wives, husbands and others suggesting harm if non-striking employees continued to cross the picket lines and remained working in the plant during the strike.

At least one alleged incident

ended in the arrest of a striking employee. Nell Harper Buchanan of Loudon was charged with assaulting Judith Sharon (Sherry) Bright, daughter of Mr. and Mrs. J. D. Bright of Loudon, Thursday night. The alleged incident took place at the Inn of Lenoir parking lot after Miss Bright reportedly left work at the plant. She is working at the plant under a student-work program. Her mother is also employed at the plant. After the arrest of Mrs. Buchanan Friday morning she in turn charged Miss Bright with reckless driving. A hearing on the charges is slated for General Sessions Court before Judge Thomas Ingram on Friday, Sept. 6.

The injunction was scheduled for hearing before Judge Phillips Tuesday of this week, but was postponed until Sept. 16 after a Union attorney requested the postponement it was reported.

The mediation meeting this Tuesday reportedly broke up after several issues were discussed, but ended in a stalemate with no new meeting date set. The meeting was held at the Sheraton Inn in Knoxville and was attended by both the union and company representatives.

Local union President Roy Jenkins said in an interview Monday that he is as interested as anyone, and possibly more so, in getting any rumor campaigns, harassment activity and

anything else that would reflect on the membership of the union stopped.

Jenkins said that the majority of the 377 hourly personnel of the plant felt that Carbide was not placing them on equal levels with employees in other plants and this led to the vote which brought about the union representation. He said that the union has tried through negotiations to reach what they feel is a fair and equal wage contract, but since this has not yet been done, the membership had only the strike recourse to let their feelings be known.

Asked about the rumors, reports of harassment and violence, Mr. Jenkins said he has stressed to the local union membership that such activity was not only illegal but was not in the best interest of the membership. He said that as far as he knows nothing out of the way has happened in the area of the picket lines. Away from the plant, he said he had no control over the members, but was continuing to seek their cooperation. He stated that he knows personally that some people that are not members of the union or even employed at the Carbide plant have engaged in activity which has been blamed on the union membership.

"We don't want to try to run the businesses in Loudon, but we don't want anyone telling us how to run our strike," he

At County Court Session . . .

Sproul, Others Give Farewell Addresses

The final County Court meeting of the eight year term of Judge Harvey Sproul this past Monday night was highlighted, perhaps, by remarks made by the retiring judge. Superintendent of Education Albert Dukes, Sheriff Freeman Russell and Road Commissioner Lillard Bledsoe, all of whom will leave office on Sept. 1.

Judge Sproul recounted many areas of progress made in the county, giving credit to the county court's joint efforts. Judge Sproul said that possibly the main accomplishment may be the "gaining of an increased feeling by the people of the county of pride in their county and of the progress it is making."

The full remarks by Judge Sproul are published elsewhere in this issue.

Superintendent of Education Dukes, retiring after 20 years in office, thanked the court for their cooperation with him and the

school board. He said no man could have had a better relationship. He complimented the court on their county-wide attitude not only education but on all facets of county business. He said he did not always get everything he wanted for the school department, but felt the county court always gave him what they felt the county could afford. Dukes said that the county court had given him men on the school board that were knowledgeable and concerned with education and the fact that the school board and court had worked so well with him made his job enjoyable and rewarding.

Sheriff Russell, completing his third successive term, all that is allowed under state law, said that he had never asked for anything from the

county that would injure a department that they did not give him. He thanked the court for their help, advice and interest in providing the county with good law enforcement.

First and Fourth District Road Commissioner Lillard Bledsoe, who was defeated in the general election, thanked the court for their help, advice and interest in providing the county with good law enforcement.

After the speeches and court was adjourned Squire J.J. Blair addressed all four men saying, "I hate to see any of you leave office, you have been good men."

Before the closing remarks of the four retiring officials of the court spent about two hours dealing with a number of items of business.

A REQUEST by the Election Commission that the four Loudon voting precincts be moved from the Courthouse

\$17,000 Needed For Memorial

The Loudon County War Memorial committee has less than two months to raise the needed \$17,000 to pay the balance owed on the bronze statue, if the unveiling is to be held on time in October, a committee member said this week.

The seven foot bronze infantryman will be mounted on a three foot granite block and

placed in the center of the present World War I monument on the courthouse lawn.

The new memorial will honor veterans and war dead from all wars and plaques from World Wars I and II, Korea and Vietnam with the names of those from the county killed in those wars to be placed on the monument base.

The monument was designed by Sara Simpson of Loudon, an artist, who's brother, John Simpson was killed while serving in Vietnam.

Persons wishing to make contributions are urged to use the coupon below and make their contributions as directed in the coupon.

Cost of the monument is nearly \$25,000. County court recently agreed to pay one-third of the cost.

NEW SHERIFF TRAINS—Loudon County Sheriff-Elect Guy Russell is shown receiving a certificate for completing the Basic Sheriff's School at the Tennessee Law Enforcement Training Academy last week from Academy director Charles Grigsby. Russell and about 20 other new sheriffs completed the one week course which dealt with administration, new laws and supervision. Russell will take office on Sept. 1, when he succeeds his cousin, Freeman Russell.

Loudon County Herald for and about Women

Rollin Watson Is Bride

Miss Rollin Ann Watson and Lt. Russell Sterling Latimer were married at 8 p.m. August 17 in the chapel of the Loudon United Methodist Church.

The bride is the daughter of Mr. and Mrs. Rufus Brown Watson, Sr. of Loudon.

The bridesmaid is the son of Dr. Marion Sterling Latimer of Lima, Ohio, and the late Mrs. Latimer.

The Rev. William H. Horner officiated at the ceremony and Mrs. Wade Hill was organist.

The bride, given in marriage by her father, wore a gown of Ivory peau d'ange lace, featuring short puffed sleeves, scoop neckline edged in crystal, pleated organza with pink satin ribbon trim, empire waistline, a-line skirt extending to a short chapel train. She carried a nosegay of pink and white roses and baby's breath.

Mrs. Ronald Johnson was her sister's maid of honor. Her dress of pink organza over tulle was fashioned with empire waistline and she carried a basket of pink daisies, white poms and

baby's breath.

The groom's father was best man. Mr. Rufus Watson, Jr., brother of the bride, served as usher.

Mr. and Mrs. Watson entertained with a reception at their home on Lakeview Drive following the ceremony. Those serving were Miss Janis Littleton, Miss Helen Mae Thompson, Miss Sally Harrison, Mrs. James Gray Harrison, Mrs. David Watson, and Mrs. Dan Thompson.

Miss Margaret Ann (Maggie) Thompson kept the bride's book.

The bride attended the University of Tennessee. She was a presentee at the 1974 Dogwood Ball.

The groom who was graduated from University of Tennessee with a B.S. in Electrical Engineering is stationed with the Air Force in Biloxi, Mississippi.

The newlywed Latimer's will honeymoon in Europe before Lt. Latimer will be stationed in Turkey for two years.

Personal Mention

MRS. ERNIE LUNSFORD
Phone 458-2881

Mr. and Mrs. Bill Petty of Loudon have returned from a trip to Ciudad Juarez, and Chihuahua, Mexico. While there they enjoyed the Greatest Show South of the Border, the bull fight in Ciudad Juarez.

Mrs. Pat Glass and son, Tim, of Erie, Pa., were the recent guests of Mr. and Mrs. R.B. Summey. Mrs. Glass has returned to her home in Pennsylvania while Tim will be remaining with the Summerys until Labor Day.

Mr. and Mrs. Eugene Booth and family of San Juan Puerto Rico, are in Jonesboro to visit his parents. They will be here this week to see her mother, Mrs. Margaret Roberson before returning to Puerto Rico.

Mr. and Mrs. John Carnes were visiting in Williamsburg Virginia recently.

Mr. and Mrs. Mike Baskett and sons have been visiting her sisters Mr. and Mrs. Larry Rodgers and Mr. and Mrs. Williams LaFoe of Huntsville Alabama.

Rev. and Mrs. Frank Miller of Knoxville spent Sunday with Mrs. W.W. Byrum. They attended services at Jackson Chapel Baptist Church.

Miss Nancy Betts has returned home from Camp Easter Seal in New Castle Va. Nancy has spent the summer there working with the handicapped and retarded children and adults.

Lovin-Della Valle Nuptials Pledged

Miss Sandi Gail Lovin of Loudon became the bride of Robert DellaValle of Chattanooga in a ceremony held in the Prayer Chapel of the Loudon United Methodist Church at 3:30 in the afternoon on Saturday, August 10th.

The new bride is the daughter of Mr. and Mrs. Ray Lovin of Loudon. Mr. DellaValle is the son of Mr. and Mrs. Dominic DellaValle of Knoxville, Tennessee. He is a medical Technologist at Memorial Hospital in Chattanooga.

Out of town guests at the wedding were Mrs. Lucia Bonitti, Belleville, N.J., Mrs. Ira Nesbitt, Westchester, Pa., Teresa Treece, Knoxville, and Mr. and Mrs. Oliver Lovin of Maryland.

Following a wedding trip to New Orleans, La., the couple will make their home in Chattanooga.

The new Mrs. DellaValle is a graduate of Tennessee Wesleyan College and is a teacher at Rossville High School in Rossville, Ga.

Mr. DellaValle is also a graduate of Tennessee Wesleyan and is a medical Technologist at Memorial Hospital in Chattanooga.

Mr. Harper is the son of Mrs. C.R. Harper of Loudon. The wedding vows will be pronounced at 6 p.m. Monday, Aug. 26 in ceremonies at Bethel Methodist Church. All friends and relatives of the couple are invited to witness the ceremony.

Miss Russell is employed in the Circuit Court Clerk's office at the courthouse and Mr. Harper is a farmer. Both are 1968 graduates of Loudon High School.

Miss Russell To Wed Monday

The engagement and forthcoming marriage of Miss Carolyn Russell to Tim Harper was announced by the bride-elect's parents Mr. and Mrs. Billy Ed Russell of Loudon.

Mr. Harper is the son of Mrs. C.R. Harper of Loudon. The wedding vows will be pronounced at 6 p.m. Monday, Aug. 26 in ceremonies at Bethel Methodist Church. All friends and relatives of the couple are invited to witness the ceremony.

Miss Russell is employed in the Circuit Court Clerk's office at the courthouse and Mr. Harper is a farmer. Both are 1968 graduates of Loudon High School.

Daughter For Mike Morgans

Mr. and Mrs. Michael Morgan are the parents of their first child, a daughter, Christie Michelle, born August 13 at Park West Hospital in Knoxville.

Grandparents are Mr. and Mrs. Paul Reeder of Seagrave, N.C. and Mr. and Mrs. Walter Morgan of Robbins, N.C.

Mr. Morgan, minister of music and youth at First Baptist Church in Loudon, will be leaving the post in October to take a similar position in Harrison.

Mr. Morgan returned home last Wednesday from St. Mary's Hospital after undergoing surgery.

Witts Have New Daughter

Mr. and Mrs. Michael Witt of Cookeville, formerly of Loudon, are the parents of a daughter, Leigh Ann, born on August 6.

Grandparents are Mr. and Mrs. Jewell Dillehay of Carthage, and Mr. and Mrs. Edwin Witt of Loudon.

Miss Karnes Given Shower

Miss Kay Karnes, bride-elect of Bill Wicks, was honored with a miscellaneous bridal shower last Thursday at the home of Mrs. P.C. Latue on Robinson Drive.

Co-hostesses were Mrs. Helen Smith and Mrs. Vola Roberts.

Miss Karnes received many lovely gifts.

Whether your home is a castle or a cottage you want it to be comfortable and beautiful inside and out. Your castle can take on a new glow with a new coat of paint inside and out. See our Labor Day paint sale elsewhere in this issue of the Herald.

Patsy Jones, H. L. White Are Married

Johnston Chapel Church in Princeton, W. Va. was the scene of a candlelight ceremony Saturday, August 17, uniting in marriage Miss Patsy Marie Jones and H. L. White.

Miss Jones is the daughter of the Rev. and Mrs. James W. Jones, Princeton, West Va. Mr. White is the son of Mr. and Mrs. Charles O. White, London.

Traditional wedding music was provided by Mrs. Leonard Beckett, church organist. The bride was escorted to the altar by her father, who, after giving her in marriage, assumed the remainder of the double ring ceremony from the Rev. Sammy W. Sheaf of Jonesville, N.C.

The bride wore a formal conyire gown of ivory peau de seau, fashioned with yoke and high stand-up collar which was made by her mother. Wide ruffled lace trim accented the bodice and bottom of the princess seamed skirt. A full length lace chapel train was attached to the skirt with a row of beau de seau. Her headpiece was a band of ivory nylon petals and seed pearls with a two tiered elbow length nylon tulle veil. Her bouquet was a cascade of white roses, point poms, and baby's breath. She wore diamond earrings, a gift of the groom.

Mrs. Arnold Jones of Vinton, Va. served her sister-in-law as matron of honor. Miss Brenda Garner, of Robbins, N.C. served as maid of honor. They wore identical floor length gowns of pale pink miracle polyester fashioned with high stand-up collar and short puffed sleeves. The bodice was accented with ruffle trim and a row of self-covered buttons. Self-covered buttons accented the sleeves and a ruffle encircled the bottom of the softly gathered skirt. They wore bone colored picture hats and carried tinted mums. The flower girls were Janet Jones of Vinton, Va., niece of the bride, and Lana White of London, niece of the groom. They were attired in floor length gowns of floral flocked yellow sheer and carried

white baskets with yellow ribbon streamers. Each wore tiny rose buds in her hair. The best man was Mr. Charles O. White, father of the groom. Ushers included David Grady, Richards, Va., Fred Sprinkle, Marion, Va., Arnold Jones, Vinton, Va., brother of the bride, and Terry Jones, Princeton, also a brother of the bride. Aaron Sherrill of Pontiac, Mich., nephew of the groom, was ring bearer. The mother of the bride

wore a peach polyester street length dress with matching accessories. The mother of the groom wore a yellow polyester crepe street length dress with matching accessories and a corsage of old fashioned flowers.

Mrs. Roxana Bartholomay of Princeton attended the bride's book.

Miss Emma Hearn, Princeton, was in charge of the reception held in the Youth Room of the church. Assistants were Mrs. Dana Phlegar, Mrs. Wayne Fink, Miss Pam Brock, Miss Gail Thompson, and Mrs. Kenneth Grubb, all of Princeton.

After a wedding trip to the Pocono Gardens, Pennsylvania, the couple will reside at Underwood Apts., Apt. 2, 100 Valley Drive, Princeton.

The bride, a 1972 graduate of West Liberty State College, School of Dental Hygiene, is employed by Edward L. Veneri, D.D.S., Princeton.

The groom, a 1972 graduate of East Tennessee State University, is employed by Mercer County Board of Education.

Singing Slated

A special singing will be held at 7:30 p.m. Saturday at Vaughn's Chapel Church.

Among the singers are Cliff McCullough, Pastor of Friendship Baptist Church of Maryville and the Friendship Quartet, and the Beals Chapel Youth Choir.

Vaughn's Chapel is having a singing every fourth Saturday and different singers and groups will be featured each time. All services are open to the public.

Reunion Set

The Gryder-Thompson reunion will be held Sunday, August 25 at the Gene Gryder home on Meadow Road in Greenback. All friends and relatives are invited.

Brenda Gray To Wed Bobby Oody

Mrs. Lola Julian of Loudon announced the engagement of her daughter, Brenda Gray to Bobby Earl Oody, son of Earl D. Oody and the late Mrs. Oody, also of Loudon.

Miss Gray is a student at Loudon High School and Mr. Oody is employed with Curtis Brothers, Inc. A spring wedding is being planned.

Two More Teen Presentees Named

Miss Connie Huskey, daughter of Mrs. Tommie Huskey and the late C.F. Huskey of Philadelphia, and Miss Mary Barnett, daughter of Mr. and Mrs. C.F. Barnett of Lenoir City, were announced this week as Presentees at the 14th Annual Teen Board Presentation Dance Saturday at the Knoxville Coliseum.

Miss Huskey, a graduate of Loudon High School, was selected because of her civic work.

Miss Barnett, a Lenoir City High School Senior, was selected because of her civic work.

Last week the names of two other presentees, Jennifer Harrison and Jewell Horner were announced.

The Teen Board of Knoxville is a private non-profit organization solely for teenagers with adult help. Its purpose is to get the teenagers to work and take the lead in civic and welfare projects and to help build leaders for the future. It is an outstanding

MISS HUSKEY

MISS BARNETT

Personals...

Edith Ray has returned home after visiting friends in Whispering Pines, N.C. last week.

Mr. and Mrs. Earl Holt were in Tallahoma Sunday for the funeral of Mr. Pat Proffitt. Mr. Proffitt is a former resident of Loudon.

Mrs. John Jackson spent the weekend with her son, Rev. John Jackson in Oak Ridge. Mr. and Mrs. William H. Russell and Andy and Mr. and Mrs. Bland Winfrey and son spent several days last week at Emerald Isle, North Carolina.

Mr. Earl Blair from Cinn. Ohio is visiting his sister Victoria Faulkner and other relatives.

Mrs. Victoria Faulkner and Vicki, Mrs. Gladys Hawkins and Mr. Earl Blair attended a concert at Rest Haven Baptist Church in Alcoa, Sunday evening.

social event but is not just a dance or social debut for teenagers. It is an event where teenagers and adults alike enjoy the same social occasion. This Presentation Dance is a reward for those girls and boys who have completed their hours of service. The weekend starts with a Country Fair on Friday, August 23 at the Teen Board Headquarters with a Brunch and tea on Saturday followed by the Mayor's dinner and then on to the Coliseum for the Grand March and the presentation of presentees.

Hooker-Jernigan Vows Pledged Saturday

Miss Linda Ruth Hooker and Billy Ray Jernigan were married Saturday, August 17 at the First Baptist Church in Center, Texas with Rev. Jack Smith officiating.

The bride, a second year Nursing student at Texas Eastern School of Nursing in Tyler, Texas, is the daughter of Mr. and Mrs. Dixon D. Hooker of Center. She is the granddaughter of Mrs. Joe H. Hudson and the late Mr. Hudson of Loudon.

The bridegroom is a student at Tyler Junior College in Tyler and is the son of Mr. and Mrs. William D. Jernigan of Center.

Homecoming

Homecoming will be observed Sunday at the West Broadway Baptist Church in Lenoir City Sunday, August 25.

The morning worship service will be held at 11 a.m. followed by a covered dish dinner on the grounds. A singing will be held in the afternoon. All members, former members and friends of the church are invited to attend.

BETH ANNE GAYLON

VICKI D. BLANKENSHIP

More Selected For Student Who's Who

Five more Loudon High School students have been named to the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74, the largest student award publication in the nation.

The latest honorees include: Beth Anne Gaylon, a Senior at LHS, is the daughter of Mr. and Mrs. Ben Gaylon; Margie M. Kelso, a Senior, daughter of Mr. and Mrs. Arthur W. Kelso; Vicki Darlene Blankenship, a Junior, daughter of Mr. and Mrs. Kenneth Blankenship; Ramona Glenn McNabb, a Junior, daughter of Mr. and Mrs. James McNabb of Loudon; and Greg Watson, a 1974 graduate, son of Mr. and Mrs. H.A. Watson of Loudon. Students from over 20,000

public, private and parochial schools throughout the country are recognized for their leadership in academics, athletics, activities or community services in the books. Less than three percent of the junior and senior class students nation-wide are awarded this recognition.

In addition to having their biography published in the book the students will compete for one of 10 scholarships awarded of \$50 to \$1,000, funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers."

Miss Gaylon is a member of the band Flag Corps, National Honor Society, Pep Club, Prayer Group, and is organizer for her church. She plans a career in nursing and will enter St. Mary's School of Nursing in September of 1975.

Miss Kelso is a member of the Math Club, Student Council, National Honor Society, Junior Classical League, Pep Club, Prayer Group and Intermural sports. Miss Blankenship is a member of the Future Homemakers of America, Math Club, National Honor Society, was fifth in the top 10 American History students and has earned Junior, Chapter and State Degrees in FHA. She plans to attend Draughon's Business College in Knoxville.

Miss McNabb is a member of the National Honor Society, Future Homemakers of America, the Junior Classical League, selected for Outstanding American High School Student and placed seventh in the top 10 History students. After graduation she plans to enroll at Tennessee Tech in Cookeville.

Mr. Watson was a member of the Redskins football team, Science Club, National Honor Society, Interact Club, Junior Classical League, Prayer Group, attended 1973 American Legion Boy's State and received the Rotary Club Best All Around Boy Award. He will attend Tennessee Tech University.

MARGIE M. KELSO

Five On 4-H Judging Team

By: Sue Schlosshan, Junior Assistant Extension Agent

Five Loudon County 4-H girls are training to be on 4-H Junior High Clothing Judging Team. The team will be in competition at the Appalachian District Fair at Gray Station, on August 23. Linda Raulston, Robin Ann Kizer, Rebecca Hunt, Cynthia Watson, and Mary Kimberly Wolfe will compete against 20 other county teams.

Last year the Junior High Clothing Judging Team won fourth place.

4-H'ers Attend State Camp

By: Bonnie F. Sheeley, Assistant Extension Agent. Four 4'ers and Leaders from Loudon County attended 4-H Camp at Clyde Austin 4-H Training Center in Greenville, the week of August 5-9. Four-H'ers from Knox, Ocke, Anderson, and Union Counties were also present at the camp.

During the week the campers were involved in classes on crafts, home improvement, wildlife and recreation. Swimming and outdoor games

were enjoyed in the afternoons. Night programs included an outdoor olympic swim meet, talent show, folk games and vespers programs.

The thirty 4-H'ers attending from Loudon County included: Sherri Turner, Sherry Wear, Lea Ann Cole, Tammy Johnson, Joyce Jeffers, Suzanne Millsaps, Eyo Blanton, Laura Sparks, Ann Ross, Suzanne Stanford, Mary Humphreys, Sherry Miller, Denise Miller, Brenda Smith, Debbie Armstrong, Jane

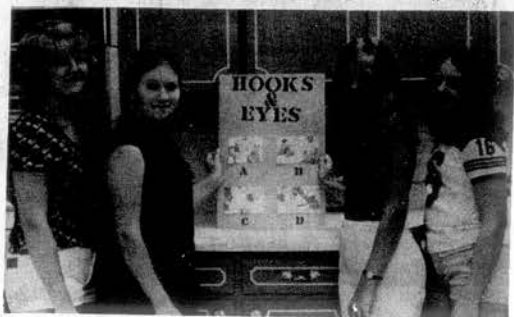

Millsaps, Ramona Goddard, Kim Justice, Tonia Dailey, Elana Brown, Debra Spradlin, Teresa Nix, Debbie Carter, Karen Shrader, Gail Daniels, Bobbie Daniels, Cindy McCarry, Tracy Cox, Sharon Roberts, Tammy Brown and Lisa Axley. The teen leaders attending were Carol Sarten, Lynn Thomas, Rebecca Hunt and Nancy Trout. Adult Leaders were Mrs. Bonnie Sheeley and Mrs. Sue Schlosshan.

ATTENDED 4-H CAMP—Thirty 4-H'ers, four teen leaders, Mrs. Bonnie Sheeley and Mrs. Sue Schlosshan attended 4-H Camp at Greenville during the week of August 5-9.

LEARNING THE CORRECT WAY to sew on snaps and make hems are two things these 4-H'ers have learned for the Appalachian District Fair competition. They are (left to right) Robin Ann Kizer, Teresa Goodard and Carol Sarten, teen leaders. Cynthia Watson, Linda Raulston and Rebecca Hunt.

THESE 4-H'ers are training to be on the Junior High Clothing Judging Team which will compete at the Appalachian District Fair. From left to right: Linda Raulston, Rebecca Hunt, Cynthia Watson and Robin Ann Kizer.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. If you've got a minute, we'd like to talk to you about savings.

A regular passbook account is best for you, if you need to make frequent deposits and withdrawals. And we pay high interest.

If you can put some money away for awhile

and forget it, you'll get higher interest rates. We pay up to 7 1/4%* a year on \$1,000 or more, deposited for a period of 4 years.

We'll sit down with you and figure out which savings plan fits your income and your special goals. Once you get started, it's easier than you think.

If it's a question of money, ask the Hamiltons.

Key Redskins Hobbled By Injuries As Fall Football Drills Move Past Conditioning Stage

The Loudon Redskins are a bit in the arrears as the fall football sessions swing into their second week of full scale operation.

Speaking of Sports

By DANNY GIBSON
Sports Editor

Vacations should be observed once a month, or about every three weeks, with pay. Not once every three years as has been the case with me. Tom Siler and Johnny Carson appear to have the inside on how to arrange such. Possibly by the time I reach their pedestal of living I will have the problem all worked out.

My vacation was nice and I enjoyed it. The weather was good and I used the fair skies to get in a lot of water skiing and visiting of friends I had lost touch with over the years.

But upon returning to Loudon and to work I was faced with getting a low-down on area football practices that I had been absent from for a week, and then there was a column to whip up after sprinkling some half dozen on the readers the entire summer. While pondering my thoughts and dreaming of the week past I was interrupted by the loud and clear blare of my radio. The country singer was singing the woes of folk "making the best of a bad situation" and I had to suppress a giggle as I thought of my vacation and now my work duties.

Union Carbine had gone on strike, thus putting a pause in the usual weekly golf match shared by management and employees. I had not gotten lines right for a picture day session with Coach Henry Blackburn and the Lenoir City Panthers football team. Loudon, Lenoir City and Greenback all managed to schedule fall scrimmages for this Friday.

A stop off in Maryville for a round of the State Open slowpitch softball tournament brought on a few chuckles. An amusing situation at one of the games found two elderly gentlemen fans brought a couple of large bags of bananas. The entire lot was consumed before the Thurman-Bryant-Cookville game ended. But it didn't end there. One of them pulled out a teaspoon, dipped it into a can of snuff, crammed the snuff into his jaw and continued to yell for another home run.

Then there was the Cookeville outfielder who crashed into the fence. The only thing wrong was he wasn't chasing the ball. He was running alongside the shortfielder urging him on. This same outfielder later went for a drive off the bat of a Thurman-Bryant batter, lost it in the sun and the ball bounced off his head and over the fence for a home run. An embarrassing situation.

The University of Tennessee football scene is in full swing, 150 players showed up for Monday practice. A record freshmen turnout of some 70 players showed up with 28 being signed to off season scholarships. About 40 walk-ons appeared with 31-year old Lenoir Cityan Dennis Render, the father of three children who has been in the service for 12 years expressing the desire to be a quarterback aspirant. I guess at 164 pounds that could be a scary situation.

And thanks to a visitor to The Herald office, Mrs. Omer Wells, I was given the use of a Knoxville Journal, dating back to March 4, 1933. The Saturday morning news seem to fit the final page of my copy for the week so here is a few lines from back down memory lane of those depression years when I my self was in the form of my adolescence mother's childhood Raggedy Ann Doll. But for you "oldtimers" the movie of the day was "King of the Jungle" a Paramount film starring The Lionman Buster Crabbe and his leading lady Francis Dee. A "Betty Boop Cartoon" was the forward to the flick.

Groceries were at a premium with the White Stores offering 24 pounds of Roly Poly flour for 55 cents. Potatoes were 10 cents a gallon. A broom and mop sold for combine cost of 25 cents. Cas Walker's special of the weekend had Campbell's Pork and Beans 10 cent size can selling for five cents.

Moon Mullins and Little Orphan Annie were the top comic scrips.

In sports the semi-finals of the state district basketball tournaments were in progress. In District 12 at Kingsport the Greenback boys had just beaten Coalfield 19-14 and Lenoir City blew past Paint Rock 27-12. Harrison whipped Roane County 38-7. The Panthers and Cherokeees were to play on Saturday night for the right to the championship round. On the distaff side Sweetwater was credited with an upset of Oliver Springs 31-30. Roane County edged Wheat 15-14. Wheat is now known as the Oak Ridge Wildcats. Spring City eliminated Lenoir City girls 30-18, and Greenback's lassies lost to Oliver Springs 36-6.

Pat W. Kerr was the president of the TSSAA and had named Clinton High School the site of the region tournament to start on Monday.

There were some other situations stemming from my vacation, but amusing as they were I will hold up here making the best of a given situation. IT'S 5 O'CLOCK AND TIME TO GO HOME.

football sessions swing into their second week of full scale operation. Coach Bert Ratledge viewed his team as such after a three and one half hour workout Monday evening. "We have held only one practice a day while many schools go two-a-day the first week to 10 days of fall practice. Thus we are probably behind in some phases of endurance and conditioning. Hopefully we will shore up in time to balance the scales with our opponents by about September 6." (This is the date most high school teams across the state open their regular season.)

Loudon does not appear lacking, if they are actually behind, the team attitude presents itself on the surface as one of excellent harmony. The coaches seem to be communicating with the players and the most difficult of tasks are challenged with the zest and desire not ever seen by this writer of a Loudon football team since arriving on the scene some three years ago.

Nevertheless spirit and hustle can be shattered like a bubble of glass once the opposing force that step into the trenches are those of a hard core opponent in live combat. Loudon looks to have the experience and depth to be a sound eleven, but already injuries have slowed and hampered key regulars. The injury list looks like a hospital report in number and some may prove costly.

Senior running back Johnny Deathridge is presently stopped by a foot injury. Donnie Thearp, 6'3" interior lineman has a sore throat. Dennis Rowe, a returning lineman who would have been in the starting line-up is out for the season with a ruptured

BOMBS AWAY—Not exactly a bomb, but Loudon's Sam Lyle has been putting his punts high into orbit for the most part this fall. The senior pass receiver gets this punt off in a drill of extreme pressure from an "flushing" lineman.

disc and is under-go surgery this week. Dicky Colvin, a potential linebacker, is hobbling with a bad knee bruise. Sam Thearp a 290 pound lineman who is expected to see plenty of varsity action this fall as a sophomore is on the sideline with a foot injury that may call for minor surgery before he is able to go full strength. Kenny Skinner had a hamstring muscle pull in Monday's workout.

Even with the injuries the Redskins have gotten some excellent practices from Junior Markon Brown, who is yet to be tackled on the first initial taste of contact since practice started. The big running back and linebacker will give the Redskins a solid

performer since getting a year of experience under his belt as a sophomore. Steve Hill appears determined to work his way into starting role at some position. Sam Lyle and Buddy Swiney are set to give Loudon its best punting game in several campaigns.

Big Labor Day Softball Invitational Nearing

The first annual Labor Day Invitational Softball Tournament is scheduled for Loudon beginning August 30. City Recreation Director Bill Birkholz announced this week. Birkholz said he hopes to see the tournament, which will run four days, build into a

several campaigns. Loudon has tentatively set up a three way scrimmage in the latter part of the week with triple-A teams McMinn Swiney are set to give Loudon its best punting game in several campaigns.

Loudon has tentatively set up a three way scrimmage in the latter part of the week with triple-A teams McMinn Swiney are set to give Loudon its best punting game in several campaigns.

Some of the teams already entered are Apex Heating and Plumbing, Bank of Loudon County, Eaton Corporation, Hall Oil Company, Hamilton National Bank of Loudon, Lakeview American, Levis, North Athens, O'Kain's, Riceville Bankers, Rohm and Haas and West End Mission of Athens.

Others who will enter depending on their state tournament schedule are St. Luke's Central Methodist and

BREATHER TIME—The Loudon football team takes time off to get a drink of water and likewise the Loudon Cheerleaders seen at right take a breather using the football blocking dummies as cushions to rest on.

THINGS TO REMEMBER—Loudon High School football coach Bert Ratledge goes over some fine points of directing the Redskin offense with senior quarterback, Dennis Queen.

Atomic Speedway To Have Double Program

Snooks DeFoor, first driver to win three straight weekly feature races at Atomic Speedway, may shoot for a double on the big Aug. 31 show at the dirt facility.

The program is expected to be one of the wildest ever at the speedway and as many as 100 late model sportsman cars are likely.

There'll be two classes for the sportsman drivers, a division for cars equipped with engines of 310 cubic-inch and under power-plants, the other for those with larger ones. Bomber cars, a regular event, also will run. The action gets under way at 8 p.m. with heat races to determine the field for the 30-lap Class B feature. Then the Class A cars will be qualified. Following will be the 15-lap bomber race, a six-lap dash for the six fastest Class A qualifiers, the B feature, a 20-lap semi-feature for A racers and the 40-lap A feature.

Tickets are \$4 (reserved) and \$3.50 (general admission). Children under 12 are admitted free.

Meanwhile, a regular weekly program is on tap Saturday night at the track. Leon Brindie, like DeFoor, a top Georgia driver, also may have a car on hand for both sportsman classes.

More than \$7,000 in prize money will be up for grabs. The Class A winner will earn \$550, the Class B victor \$300 and the Class A semi-feature will be worth \$125 to the winner. There'll also be money for the top three finishers in the fast-car dash and each Class B heat will pay the first three places.

Each of the feature races will be limited to 22 cars.

Loudon and Blount Counties

Morristown West Puts Panthers Back To Work On Practice Field

New Lenor City High School football coach Henry Blackburn has some doubts as to the readiness of his Panthers football team in terms of their season opener against McMinn Central, September 8. The Lenor City gridders hosted Morristown West Saturday morning in a three hour workout that saw only the triple-A Trojans cross the double stripe.

"Morristown West has a good ball team and should compete well in the tough triple-A upper East Tennessee region. They have a lot of letterman back and show both balance and size," reported Coach Blackburn.

The Panthers fell 4-0 in varsity warfare, but failed in several strong bids to cross the Morristown goal line. Lenor City got first try with the ball in a no kick or punt face-off. The Panthers could not move the ball and the Trojans tried their hand at offense from the 20 yard line. Ten plays later the visitors had scored.

Lenor City regained its poise only to fumble on three crucial series deep in Morristown territory. A pass interception shut off one drive and the Trojan defense took care of the rest of the offensive maneuvers.

Mark Shaver recovered a fumble for Lenor City and Mike McConkey intercepted a pass at mid-field. But the persistent Trojans fell lot to better scoring opportunities. A fumble at the Lenor City 18 yard line ended up a touch-down. Still another bobble at the Panther seven produced a 3-zip count and the final wrap-up of the scrimmage saw the Lenor City line break down for a 50 yard scamper and the final score by the Trojan offense.

"We may have scrimmaged too early," stated Coach Blackburn. "We had only been out for five days and with

many inexperienced players figuring into our present plans, we could have rushed them."

Lenor City is not blessed with the big and powerful linemen they have had in recent years and must go with quickness and hustle to overcome the physical differences.

Lenor City does not have that back with super speed and moves either Junior Johnson, a seat-back speedster last fall did not return to school and is reportedly in the arm forces. Jeff Caniser is expected to fill the position. Danny Hill, a junior, to be ran with authority against Morristown West.

The promising junior displayed some determined moves and power, but lacks

the needed speed to be the scoring threat Coach Blackburn and his staff are seeking at this juncture of the fall.

Hill was out of Monday's workout with a pulled muscle, but should be back in time for a Friday scrimmage with Sweetwater. Bobby Smith is a powerback also and does not have the break away swiftness. Thus the Panthers appear headed for a control grinding type offense that will take much patience and heads up blocking by the Lenor City front horsesmen.

Mike McConkey looks to be the best quarterback in the county in early observation. The senior field general is hitting his target on passes and executing plays with a high degree of confidence.

The Panther coaching staff was pleased with the interior line in both the first week of fall drills and in the Morristown West encounter. "Curtis Monger, Bobby Smith, Jeff Blakney, Jeff Walker, and Mike Haynes held their posts well," commented Blackburn. "Actually we had them (Morristown West) stopped on numerous third down plays and then would get too eager and jump off sides on fourth down yielding easy first downs to keep their offense on the field."

The Lenor City coaches of Blackburn, Bob Burnett, and Grady Thompson were stressing fundamental mistakes in this week's preparation for the Friday scrimmage at Sweetwater.

NEW OFFENSIVE WRINKLE—From the picture it would appear Lenor City has come up with a wild offensive formation with the center and quarterback lining up on the left end. Actually the first team was involved in a mock scrimmage with the left side of the line taking on the special offensive session Monday.

Philadelphia Community Club To Have Tennis Tourney

The Philadelphia Community Club is sponsoring a singles tennis tournament for both men and women, starting August 31. The tournament is restricted to adults, 18 years and older, and they must reside in Loudon County.

The tournament will consist of beginners, intermediate, and advanced players in both men and women division. An entrance fee of \$2.00 is required plus a new can of Wilson optic yellow tennis balls.

The tournament finals are set for the Philadelphia tennis courts on September 8. The deadline on entering is 3 p.m. Sunday, August 25. Interested tennis players urged to contact David Arp at 458-3127 or Doyle Arp at 458-3980 to pre-register for the tourney.

The entrance fee will be paid prior to each player's first match and the Loudon tennis courts will be used in case there is an overflow of entrants in early stages of the tournament.

The Loudon Herald will carry the tournament brackets in next week's edition.

PHILADELPHIA TOURNAMENT TROPHIES—Doyle Arp and Tommy Millsaps, directors of the Third Annual Philadelphia Invitational Softball Tournament, are shown with the \$600 in trophies that will be awarded at the event which is now underway.

Loudon City Recreation Department To Hold Doubles Tournament

A mixed-doubles and mens-doubles Tennis Tournament is being sponsored in Loudon by the City Recreation Department. City Recreation Director Bill Birkholz said the tournament will begin on

Monday, Sept. 9 and will consist of A and B Divisions in both the mixed and men's play. A five dollar team entry fee will be charged to help pay for trophies that will be presented

the championship and runner-up teams in all four divisions of play. All the games will be played on the new City Courts and Birkholz said he hopes the two courts now nearing completion will be ready.

Deadline for teams to enter the tournament is set for 12 noon Saturday, August 24. Teams may enter by calling city hall.

The A division teams of each mixed and men's play may (1) be made up of one advanced player and one beginner, or (2) be composed of two intermediate players.

The B Division teams in each division shall (1) include one intermediate player and one beginner, or (2) be composed of two beginners.

Each team will provide one new can of Wilson Heavy Duty yellow tennis balls for play. Director Birkholz said that there will be no games scheduled on Friday, Sept. 13, because of the high school football game.

Loudon City Golf Turns Into Two Team Race

The Loudon City Golf League has suddenly boiled down to a two team dog fight with Richard Archer and John Cobb, league leaders for most of the entire summer, and Larry and Lynn Millsaps, defending league champs

from last summer, just three points apart in the current standings. Archer and Cobb still hold the league lead with 196 team points, but a determined push by the Millsaps' brothers has upped their total to 193 and six weeks left in the city league season.

Ed Arnold and Paul Brakebill are in third place with 171 team points and Jimmie Hamill and Jim Moore hold fourth place with 159 team points. Neither team appears a threat to overtake the leaders if they do not make a quick surge to catch up in team points.

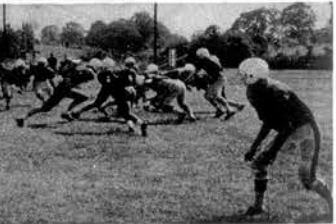

Five teams make up fourth, fifth and sixth positions with only two points separating fourth from sixth. Jerry White and David Henson, locked in a four team log jam for 11th place in the standings with 133 team points, took top team honors last week with a combined round of 72.

Jim Hamill captured the low net individual honor by carding a 35.

Greenback football coaches are not singing the blues as they are realists. The Cherokees have put together a 16-7 record over past two seasons and nucleus of those two seasons have graduated. It is rebuilding time and a time to start laying a foundation for not just the fast approaching season but for a couple of years in coming.

"We have some letterman back that will give us a respectable showing in the conference," says coach Keith Bailey. "But we will be down from the level of play we have grown accustomed to in the past two years."

CALLING SIGNALS—Lenor City's football coach Henry Blackburn calls the shots from the huddle as senior quarterback Mike McConkey adjusts his shoe at left. The Panthers fell to Morristown West in a Saturday morning scrimmage 4-0.

HEAD TO HEAD COMBAT—Lenor City's High School football squad goes through some hard head to head combat in a live inter-squad scrimmage last week. The Panthers will travel to Sweetwater for a scrimmage game this Friday afternoon.

Loudon Pee-Wee Football Teams Sweep Baby Panthers; Mark Gibson Suffers Broken Leg

All three of Loudon's Pee-Wee football teams had a victorious opening at Lenoir City last Saturday night, but one of the Loudon Indians players suffered a serious injury. Mark Gibson, twelve year old son of Loudon High School principal Jim Gibson, received a broken left leg in the first quarter of play. Both bones were broken just above the ankle and he was taken by ambulance to UT Hospital in Knoxville for surgery. He is reported resting well and his teammates visited him Wednesday.

This year there are three Pee-Wee teams. The youngest boys, with a maximum weight limit of 75 pounds, make up the Loudon Grasscutters. The next group, with a maximum weight of 95 pounds, is the Loudon Mustangs, and the oldest boys-the Indians-can not exceed 115 pounds. All three teams defeated their Lenoir City counterparts.

The Grasscutters triumphed 6-0 on a touchdown by Kevin Wright-a 3rd year veteran. Coaches for the Grasscutters are Frank Henson, Duke Everett and Donnie Costner. The Mustangs had the most decisive victory of the night-romping 30-0 in only 3 quarters. The game was stopped at that time by a previous agreement halting play if one team is 18 points or more ahead after one hour of elapsed time.

Allan Eldridge started the scoring with a two yard plunge for six points. A few minutes later, Allan had to run a little farther-this time 45 yards for his second six pointer. A 2-11 Hawkins pass to Da d Mallock made it 14-0. Just before half-time Joe Poynter recovered a fumble setting up the 3rd touchdown this time a pass from Hawkins to Bruce Eller who ran the rest of the 50 yards for the score. A pass from Barry Cooper to Billy Moore added two more points.

The third quarter belonged to Waller Henry the strange running fullback. Henry recovered a fumble at the Lenoir City 22 yard line and three plays later, broke away

for a 22 yard T.D. Zell Hawkins, the quarterback scrambled into the end zone to add the last two points for the 30-0 win.

The Loudon Indians had their hands full all night but showed a lot of determination, discipline and team spirit in winning 6-0 after being temporarily stunned by the injury of their teammate Mark Gibson. On the next play after Gibson's injury, slot-back Jeff Parroy was dis-abled

with a jammed back. He was out for the rest of the night.

In the second quarter Boo Hawkins intercepted a Lenoir City pass deep in Loudon territory and ran it out to the 20 yard line. This began a long sustained drive which ran out at the Lenoir City 20 yard line as the first half ended. In the third quarter, a 25 yd. pass from quarterback John Cardwell to Kerry Brant Hoover set up a one yard T.D. by Hawkins. In the 4th quarter the Indian defense dug in and held Lenoir City at the Loudon six yard line with

only 51 seconds remaining. Clifford "Pecky" Christensen coaches the Indians, ably assisted by Gary "Yancey" Hampton, a former quarterback and running back on the State Champion Loudon Redskins.

Next Saturday night, all three Pee-Wee teams face Spring City at the old High School Field here in Loudon. The Loudon quarterback club urges all the Loudon fans to come see good football and cheer for the Redskin stars of the next few years.

Area Fishing Report

Cherokee Lake-water conditions clear and fluctuating. Bass good casting plastic worms along rocky points late afternoon and night. Rockfish and hybrids

have slowed down but a few being caught on bream and large white jigs at night around point 10. Bream good on worms and popping bugs. Catfish good on trotlines using

LANDS BIG CATFISH-Floyd Morton of Loudon, shows the fish he helped catch while fishing with his uncle, Mr. Jim Pezrell and cousin Randy at Fort Loudon Dam. The large catfish weighed 14 1/2 pounds, the others averaged one to one and one-half pounds.

Duck And Goose Season Set

Tennessee duck hunters in meeting across the State recommended to the Tenn. Wildlife Resources Agency that fifty day split duck season with points on the ducks for bag limits be set. To get as many days as possible to hunt the duck hunters accepted in the split season to open the season at noon on each opening day. The commissions in a meeting Wednesday accepted the recommendations of the duck hunter and set the season and bag limit as follows.

Ducks: Nov. 20, 1974 thru Dec. 1, 1974. Dec. 11, 1974 thru Jan. 17, 1975.

The season opens at 12 noon on each opening day and closes at sunset. Each day there after the season opens 1/2 hour before sunrise and closes at sunset. Under the point system the hunters day is finished when he kills a duck or ducks that put his total number of points over one hundred. Listed are the point

Squirrel Season Opens Sat.

Squirrel season opens Aug. 24, 1974 at sunrise with a bag limit of six. Dove season opens Sept. 1, 1974 at 12 noon. With bag limit of 12. 22 rifles are values on each duck. Redhead and canvasback 100 points, female mallard, woodduck, black duck and hooded merganser 90 points each. Mallard drakes and ringnecks 35 points each. All other ducks 15 points each.

not legal weapons for hunting small game on the Cherokee and Tellico W.M.A. Only shotguns with number five shot or smaller is legal.

Bag limit is five per day with only one canada goose in the bag. Anderson, Loudon, Knox and Blount and counties along the Mississippi river are closed to goose hunt due to the Tenn. WRA and T.V.A. trying to establish a resident goose flock in these counties.

Harvey L. Sproul
LOUDON COUNTY JUDGE

Editors note—The following were the farewell remarks made by Judge Sproul at the final meeting of county court ever which he will preside. Judge Sproul served for eight years as county judge and did not seek re-election. He will be succeeded by William H. Russell, who will be sworn into office later this month.

FAREWELL REMARKS
These past eight years have been momentous ones for me personally, as I believe they have been for Loudon County itself, and possibly are deserving of comment for "record" purposes.

Upon my election in August, 1966, I felt that I had pledged myself to certain goals and standards and set out to keep the pledge that I had made to the people of Loudon County. To be sure, Loudon County is my adopted County and you have to go several Counties back in order to get to the one where I actually was born, but I had high hopes, dreams, and ideas as to a "middle-ground" of growth and progress that should be attempted, with the County hopefully to still retain its basic character that has been here from the time of its organization. These were difficult times in which to strive for these things because

of pressure caused by the general location of Loudon County, with two Interstate Highways and three "U.S." Highways, near the Great Smokey Mountains, the Knoxville, Oak Ridge, and Alcoa urban areas, particularly being in the pathway of the Western growth of Knox County, located on the TVA lakes—all of these things and the proposed new TVA flooding Timberlake development that envisions 30,000 to 50,000 new people in Loudon County in the next 20 to 30 years, and the proposed Exxon development to cost \$300,000,000 or more.

There are things that need to be done to prepare for a future of expected growth, and that is to attempt to provide the necessary basic public facilities, to strive for a sound governmental structure, and a sound financial structure, and the great necessity of maintaining a reasonable planning function that has the responsibility and authority to guide the growth in the best and most economical way. The basic instrument that we have to work with toward these goals in Tennessee is the Regional Planning Commissions, and the tools which they have with which to work are regulations for the subdividing and developing of

land, and the conserving and guiding the use of land so that the necessary utilities and services can be offered for the particular use of the land in the particular locations where these respective types of growth are expected to occur.

To accomplish all of these basics requires good, honest, capable people in government, and citizens who are willing to volunteer and devote their time to serve on the necessary committees and commissions.

We have been blessed with officials and citizens like this during the last eight years. There is no way I can give enough praise and thanks to some of the individuals with whom I have been most closely involved in Loudon County government—qualified officials who have outstanding integrity, dedication to do a good job, and a sincere desire to put the interest of the people first, and personal, political and partisan interest second. Some of the people with whom I have had the opportunity to work the closest and who meet these high standards are: our Director of Accounts and Budgets, June Custard, who is recognized throughout the State for excellence in her field; Buddy Jenkins, our Purchasing Agent, who has

worked for the County many years and who never shirks any task that he is asked to do; our Civil Defense Director, Ted Randolph, who has served with me during most of the eight years I have been in office, and who has an outstanding record of accomplishments, being willing to go as far beyond the more narrow limits which perhaps his job description calls for; my Secretary, Barbara Hefner, who has been dedicated, loyal and dependable and who has typed more words more accurately from my mumbled dictation than anyone will ever be able to count; Marie Brood and Edward Alexander, the two County Court Clerks with whom I have had the pleasure to work; and Deputy Clerk Addie Ruth Clarke, with whom I suffer every month as we attempt to get the minutes of the Quarterly Court correct, and Mrs. Kate Hope, our knowledgeable Probate Clerk, Guy Hamilton, an outstanding young hospital administrator; and people of common sense and employees with whom I have associated daily who are people of competence and interested in the public good.

HIGHLIGHTS
I suppose I am now going to list the highlights of these

eight years I would have to mention on the list the construction of our new Loudon County Memorial Hospital which, after blood, sweat and tears, physically is one of the more progressive and outstanding hospitals of its size, and for which we were able to get \$1,200,000 in grants. In discussing this I could not pass without giving gratitude on behalf of myself and on behalf of the people of Loudon County to Thomas Foster who served as Administrator of the Hospital for some twenty years and without whom the new project would not have been completed.

The "not-yet-finished" Loudon County Justice Center is an outstanding example of what co-operation between governing bodies and law enforcement agencies can do. This project when completed will be a model pilot facility and one of the few of its kind in the country in that it will house the law enforcement and justice functions for all of the law enforcement agencies of the County, and will also serve as good an emergency operating center. It may very well serve as a catalyst for much greater co-operation and accomplishments in the future that will provide better services for the people at a

more economical cost.

The Sugar Limb and Philadelphia Interlakes connecting highways and interchanges, as possibly should have been expected, have turned out to be more expensive than what was first calculated, but I believe (as Mayor E. D. Prentner believed for the Henley Street Bridge at the time it was built) that the interchange and the roads will be a great asset to this County and will be a very small expenditure when compared to the benefits which will ultimately occur.

Loudon County is still one of the few Counties in the State of Tennessee that has adopted the Fiscal Procedures Act, the Budgeting Act and the Purchasing Act as recommended by the State Comptroller's Office. It is a source of amazement to almost anyone with whom I have talked that Loudon County has had only two employees during the seven years since the County's existence with them doing all of the accounting, bookkeeping and auditing writing for all of the County departments except the Hospital.

The approval of the formation of the Loudon County Regional Planning Commission by the Quarterly Court in 1967 has been a necessary and vital key to the progress of the County. Many of the projects and accomplishments first got their "official" start in the County Planning Commission. Subdivision regulations, zoning regulations and the basic groundwork for a building code have all been adopted by the County.

I was personally glad to be involved in advising and guiding the Quarterly Court concerning the County government's TVA In-Lieu-of-Tax payments which are paid directly to the State of Tennessee, but of which a proportionate amount was not being sent back to the County. I was proud that my recommendation turned out to be a wise one. My recommendation, in reference to a tentative settlement that had been reached in the law suit which we were involved, was that the proposed settlement should be least doubled. The Quarterly Court supported me in this and I went to Nashville, appeared before the State Board of Equalization and was able to convince them of the validity of my position. The tentative settlement has resulted in a minimum total increase of at least \$80,000 per year for each Loudon County, which has already received \$240,000, with proportionate increases going to each County in the State which receives these payments.

ACCOMPLISHMENTS
What are some of the other important things which I feel have been accomplished? A merit system for the Sheriff's Deputies. A unified personnel program which for the first time gives a chance at treating County employees equally for equal training and responsibility insofar as pay is concerned, and which has also brought to them a retroactive retirement benefits in full, and also has brought to them a group insurance program of which the County pays a substantial part.

A closely negotiated contract with Tennessee Valley Authority for the Tellico Project replacement roads which will mean hundreds of thousands of dollars to Loudon County in additional benefits over the original contract which has been offset.

The joining with surrounding counties to form the Little Tennessee Valley Educational Council which enables the providing of certain educational benefits which are provided by the County School System alone.

The new Union Carbide Access Road, a project which provides prompt service at an economical price for all County vehicles.

The Marmonet Industrial Park and the obtaining of Marmonet Corporation as a new industry which presently employs approximately 1,000 employees.

The selection by Exxon Corporation of Loudon County for a potential investment of approximately \$300,000,000 to \$400,000,000.

The joining together of the County with the Cities to provide a place for the

disposal of garbage and solid waste.

The adoption of standards for the acceptance of new roads by the County and the selection of a County Highway Engineer to help see that the roads accepted by the County meet the standards.

The renovation of this Courthouse and improvements to this Court House and its grounds, adding to its reputation as one of the more beautiful Court Houses in the State.

The formation of the County Conservation Board, and the co-operation with the Eaton Hurian Club and the Luttrell Community Club in new County parks, in addition to the new County park at the Air National Guard Rest Camp.

The decision of the Quarterly Court in going from quarterly meetings to monthly meetings to enable the better management of County business and to give a better chance to provide service to the people.

The passage of the 1/2 cent sales tax in behalf of the County which has enabled the County School System to improve in its "per pupil" expenditures, and to adopt an open house in raising the pay and salary of the County teachers.

The leadership of this County in organizing the East Tennessee Development District, which includes 16 Counties in its organization, and its various activities.

RETIRING COUNTY JUDGE Harvey Sproul is shown presiding at the last meeting of county court of his eight year term. Sproul will re-enter private law practice on Sept. 1, Monday next. His final court session was held Monday night.

One evidence of the amount of effort that has been expended and the interest the Quarterly Court has had in getting some of the necessary things done, but doing it with the least dollar is the fact that the County has obtained an estimated \$4,225,000 in grants from the Federal and State Governments. This has been obtained on the various projects has been involved.

All these and many others—possibly the main accomplishment may be the feeling by the people of this County of pride in their County and of progress in its making, and of hope and faith in what can be accomplished in the future.

I could not stop without a comment on the association with the Loudon County Quarterly Court over these many years, an association which I personally have always felt to be very good. I have never done anything in my political obligations and bearing no grudges. I leave the same way. Sure, as in any organization over such a long period of time, there are times of strain because we do not all agree on everything all the time, but I have never held a grudge against any man.

I have never felt that the Quarterly Court has been one of the more progressive County Courts in the State of Tennessee, and so far as I am concerned has a record that will match any in the Nation for a County of this size. I believe that when the "big picture" is viewed with good leadership in the Court it has come up with the right answer at the right time most of the time. I have been proud of every man on the Court for various leadership roles; each has assumed various times. I hope that I can still count each man as a friend.

I have never tried to bargain with a Squire to vote for anything. Certainly there have been times when many individual conversations concerning many and difficult issues. But it is leadership and how else can you see all sides of the issue? I have always tried to make my judgments and present the arguments for or against an issue on the question of whether it was basically and generally good for the people of Loudon County as a whole, and I am sure that there was alright too long as I felt the person was attempting to take his position on that issue, and not on the main test of what was good for himself, or his family, or his section of the County.

In looking to the future, I challenge the Quarterly Court and the new County Judge to look at the needs of Loudon County as a whole. I urge them to study each issue, proposal, and program carefully, and to get all the background information possible, with particular in handling to observing what has happened in other communities in handling or failing to handle the same issues and proposals. I challenge them to be willing to take the necessary stands, even though unpopular at the time, that are necessary to keep and improve Loudon County as a good community in which to live.

Godspeed to Loudon County during the coming years.

Harvey L. Sproul
County Judge

Pond Creek Road at the N.R. and Arthur Simmons farm, in this aerial photo.

Sproul, Others Give Farewell Addresses

(Continued from page 1)

reported that the Little Tennessee Valley Educational Cooperative was starting a pre-school school for deaf children in the three county area. The school will be operated from the Alcoa City School System.

FINAL AGREEMENT was reached and approved on a division of funds from the Marenton Corporation's in lieu of tax payments between the county and the city of Loudon and the contract approved. Beginning in 1980 the company will pay \$40,000 a year in lieu of taxes and in the meantime and until the figure of \$40,000 has been collected equally by the city and county the tax will be divided equally.

After that time the division will be based on the tax rate of each government body.

It was reported that the budget committee had affirmed early court action that the recent addition at the Marenton plant and any other additions would be added to the tax rolls for in lieu of tax payment on a basis according to their appraisal by the county Property Assessor.

WAR MEMORIAL committeewoman, Adkie Ruth Clark, reported to the court that the fund drive to pay for the all wars monument, that will be erected in the courthouse lawn, is underway and plans are being made to get civic and service organizations active in the

campaign.

ROAD MATTER pertaining to a road adjacent to the Corinth Cemetery which leads to several houses behind the cemetery was referred to the planning commission. It was pointed out that the road might be classified as a private road, but in the past had been kept up by the county and residents were wanting it deemed a county road so mail service would be obtained.

SWEARING IN CEREMONIES for the newly elected and re-elected county officials will be held at the courthouse at 10 a.m. on Saturday, August 31, Judge Sproul announced. The service will be sponsored by the County Bar Association and further plans will be announced later, he said.

THE ROAD CONTRACT with TVA for the replacement of roads in the Tellico Project area has been signed by TVA, Judge Sproul reported. He said that the county has the right to approve all plans and to have the county road engineer to inspect the work. He said this will probably call for extra pay for the inspector and wanted the court to be aware that they might have to deal with this problem later in the year.

EIGHT ADDITIONAL work slots under the NYC Mainstream programs have been made available in the county it was reported and distribution of the positions is underway Judge Sproul said.

REVENUE SHARING funds expended by the county to date were given as \$69,943.84 was reported to the court and that the county had \$296,577.03 remaining, but that most of these funds had been earmarked for projects already underway in the county.

JUDGE SPROUL urged that all county committees, departments and boards make themselves aware of the provisions of the Sunshine Law and make sure that proper notice of meetings is given to the public.

THE COMMITTEE OF 100 notified the court that it was in the process of selecting a part-time industrial agent for the county and that the Committee expected to act on this matter later this month. It was reported that Bart Iddins of Loudon, who has been active in the industrial program for several years had applied for the post.

AN EXTENSION of the federal employment program under which Loudon County would receive \$3,675 for a period which will end in Feb. 1975 was announced. The court decided to use the funds to hire a county maintenance man to service the county buildings and equipment.

A REIMBURSEMENT of \$1,264.98 to the City of Greenback, which the state had mistakenly paid the county, from local sales tax collections, was approved for payment to Greenback. It was said that the state mistakenly gave funds to the county from one or two businesses that were inside the corporate limits of Greenback.

JUDGE SPROUL OUTLINED more than two dozen court appointed com-

mittees and boards which action on appointments were due throughout the year and promised to get a list of these committees, boards and their members and appointment dates to the Squires before he left office in order that they may make needed appointments.

COUNTY CONSERVATION Board Chairman Ed Bailey sent word that the Board had several ideas for use at the old Air National Guard Rest Camp, which is now a county park. He said that all the court members and their families would be invited to the facility to learn of the problems and proposed plans for the park sometime in the near future.

THE MOTOROLA CORPORATION has been awarded a contract for supplying the communication equipment and system for the new Justice Center, Sproul said. He said the amount of difference between the Motorola and RCA bids was very little but that Motorola could have the system installed about three or four months earlier than RCA.

He said that the contractors are planning to have the Justice Center completed and ready for use sometime in November.

is really getting in bad shape when a large insurance company can cancel out an insurance policy just because a man has damages due to an act of God, where no fault at all could be assessed to the insured. I feel the readers of your newspaper should be informed of what an insurance company can do to poor innocent people who have paid out good premium money and sustained a loss which they could in no way be responsible for.

Yours very truly,
James Alfred Davis

DANCING UNION MEMBERS—To the music of a live band, members of the striking IAM Local 254 at Loudon, held a cookout and square dance at the Blue Circle property Monday night near the Carbide Plant the union struck last week.

Stolen RR Brass Recovered

Lenoir City Police and Southern Railway detectives Tuesday afternoon recovered over \$3,250 worth of brass stolen from Lenoir Car Works on the night of August 13, arrested two Lenoir City men and confiscated a stolen truck in the process.

Don Proaps and Harrison Jenkins, both about 26, were arrested at their residence on Everett Road near Lenoir City about 1:30 p.m. Tuesday. The officers found three of four 55 gallon drums of brass that were stolen from the Southern plant, in the back of a two ton truck. Officers on the raid were Lenoir City Police Chief Wayne Chambers, Commissioner Tommy McNabb, Southern RR Detective J.M. Trice, Guard and Inspector Jim Trice.

It was learned that the two men had cut a chain on the gate lock of the plant and then broke a lock on the back door of the large warehouse where the brass is kept. They loaded in a truck and took it to their residence on Everett Road.

The brass, in 35 lb. pieces, was placed in a homemade forge, where the identification numbers were removed and sledge hammers were used to break it into pieces.

The pair apparently tried unsuccessfully to sell the brass, which costs Southern 75 cents per pound, to metal dealers for 36 cents per pound.

A Lenoir City scrap metal dealer is credited with telling police about being approached by the men trying to sell the metal.

Officers said all of the more than two tons of brass has been recovered.

The two men, jailed at Lenoir City, have been charged with receiving and concealing and other charges might be added. It was reported. Officers said that a check of the truck through NCIC proved that it was stolen in Georgia recently. The men claimed they borrowed the truck from someone in Knoxville.

STOLEN BRASS—Lenoir City Police Chief Wayne Chambers and Commissioner Tommy McNabb are shown looking at two tons of brass that had been stolen from Southern Railway's Lenoir Car Works last week that was recovered Tuesday afternoon.

said. "When this is over, and it will be over soon we think, we will go back to work and give our best to the company as we have over the years. We have friends that are not participating in the strike, friends in management and friends throughout the community that disagree with us, but we ask them to respect our rights and we certainly will respect theirs," he concluded.

Since the injunction was served union members have gathered at the former Blue Circle Restaurant location. Monday night they held a family cookout and square dance on the parking lot.

A "bad mouth" list which names several Loudon businesses has been posted at the plant. It is reported that a sizeable number of employees have been living in the plant since the strike and that a growing number of non-striking employees are reporting for work. A company spokesman said that production of the food cans, manufactured at the facility continues, although not on a full capacity basis.

Dear Sir:

IN MEMORY
In memory of Margaret Burnie Key who passed away August 17, 1973.
Our hearts are sad, but this we know, When God called, you had to go. They say time heals all sorrow and helps us to forget, But mama, time so far has only proven how much we miss you yet. Friends may think we have forgotten, when at times they see us smile. Little do they know the heartaches mama we are hiding all the while.
Sadly missed by daughter, husband, son, grandson and family.
(1p 8-22)

Price Of School Lunch Increased 5¢

The price of a school lunch in Loudon County Schools has increased five cents, Ruth Ridmond, supervisor of the school lunch program in the county announced this week. Students in the elementary and junior high schools will pay 45 cents per lunch and high school students 50 cents she said.

The Loudon County Board of Education also announced its policy for free meals and free milk for children unable to pay the full price for meals and milk served under the National School Lunch, School Breakfast, and Special Milk Programs.

Local school officials have adopted the following family size and income criteria for determining eligibility:

INCOME POVERTY GUIDELINES FISCAL YEAR 1975	
Family Size	Free Meals and Free Milk
1	\$2,510
2	\$3,830
3	\$4,740
4	\$5,640
5	\$6,480
6	\$7,310
7	\$8,080
8	\$8,810
9	\$9,510
10	\$10,190
11	\$10,860
12	\$11,530

Each additional family member add \$670.

Children from families whose income is at or below the levels shown are eligible for free meals or free milk. In addition, families not meeting these criteria but with other resources, such as a car, are eligible for free meals or free milk. These men were the best of friends and the late Cannon Lenoir would have the task of making mechanical repair to the cars of these two men. One time a few years before his death, Mr. Quinn told me how many funerals he had conducted. I wish I could recall the exact number, but I can't. One thing I do remember is that it was a staggering figure and at the time I intended to write something about it. I would like to have a picture of him with one of his funeral coaches or other equipment. Maybe some of his family has such a picture. If so, would like to use it in the Good Old Days column.

Well, that's it for now. See you next week.

unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

Under the provisions of the policy the school principal will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may make a request either orally or in writing to the County School Superintendent, Drawer D, Loudon, Tenn. 37774 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school principal and the office of the superintendent of schools has a copy of the complete policy which may be reviewed by any interested party.

In talking to Mrs. Norris, we found she was well versed in local history. She has done a lot of reading on local families and stated that she enjoyed doing this very much.

One thing we talked about was the Fowler Arithmetic, which she said was written by one of the Fowler's Mill family. She stated that at one time she had a copy of it, but had misplaced it somewhere. She said she felt sure Mrs. Cannon Lenoir of some of the other family members had a copy of this old book. We would like very much to see a copy of it and write something about it. We would also like to have an old picture of Fowler's Mill as it was a landmark in this part of Loudon County. We also are interested in the history about this old mill.

A few days ago Mrs. T.J. Norris of the Eaton's section of Loudon County loaned us a box of old enlarged pictures and said that all of these pictures were connected to Loudon County people. They were given to her by a County woman a few years back. Mrs. Norris said at the time these pictures were given to her the lady told her who all the people were but with the passing of time, the identification had slipped her memory. She feels that if we run some of them, possibly we could find out the connection to Loudon County people. So we thought we would give it a try.

One of the old pictures was made at Carson Newman dated 1892. Mrs. Norris felt it might be some kind of a Baptist organizational meeting. It possibly goes back

beyond any present family connection. It points out how people in that period of time enjoyed group pictures and this we are proud of. It has provided many interesting pictures for the Good Old Days. We would like to hear from anyone having any information on this old picture of Carson Newman. One thing we did note which was unusual about the picture, was the identity under the picture. It was written Carson and Newman. We would like to know why it was this way. If anyone can tell us, please give us a call.

The other picture, which was taken at the Memorial of Wauhatchie, is of two Loudon County ladies and again we don't know who they are. We feel that some of our readers can answer this question. We will greatly appreciate any help you can give us.

\$21 Million Spent Here To Own, Operate 12,550 Cars

The uneasiness that Loudon County residents felt last summer about going on automobile trips for their vacations has all but disappeared.

Their concern at that time was whether they would become stranded someplace for lack of gasoline. This year that concern has been supplanted by a new one-how expensive the trip will be.

Local families who are now traveling in various parts of the country are finding that prices have gone up all over.

That is borne out in a special report made by the American Automobile Association, which states that travel costs are some 19.6 percent higher than they were a year ago. The chief culprits are food and gasoline.

As a result, the new figures indicate, Loudon County couples are now having to spend approximately \$57.50 a day, traveling modestly. That is about \$5.50 more than in 1973.

A two-week trip for two local people, at that rate, adds up to \$905. And that takes care of the necessities but not the frills.

Included in the \$37.50 daily budget is \$20 for food, another \$20 for overnight lodgings, \$12.50 for oil and gas and \$5 for miscellaneous expenses.

That is based upon their covering 300 miles a day, at

average, and getting 13 miles to the gallon of gas.

In addition to the cost of a vacation being greater, the annual expense involved in the ownership and operation of a car has mounted considerably, as Loudon County residents are discovering.

For a standard-size car in the popular price range, driven 10,000 miles a year, it is now \$1,660, or 16.6 cents per mile, according to the AAA.

Of this, \$1,092 is for fixed costs, such as depreciation, insurance and license fees.

The variable costs, for oil, gas, tires and maintenance, amount to \$570 for 10,000-mile operation, or 5.7 cents a mile. The cost is 25 cents a day additional for cars with air conditioning.

Applying this average locally, Loudon County residents are spending some \$20,850,000 a year to own and operate the 12,550 cars that are in use.

25 Loudon Countians To Get U-TK Degrees

Twenty five students from Loudon County are among the approximately 1,500 candidates for degrees at the University of Tennessee, Knoxville summer quarter commencement at 9 a.m. Friday, Aug. 23.

Dr. Lewis C. Dowdy, chancellor of North Carolina Agricultural and Technical University, will deliver the commencement address at the UTK Stokely Athletics Center.

Students from Loudon County are:

Greenback: Nancy Lee Brooks, B.S. in Communications; Kathleen Myers Hammonree, B.S. in Education.

Lenoir City: David Evans Amnoppie, Robert Stuart Resseguie, B.S. in Business Administration; Beto Morton Jones, Money Coleman McWilliams, Patricia Bea Wheeler, B.S. in Education; Marcia Seal Maaburn, B.S. in Home Economics; Susan Jane Freedman, B.A. in Liberal Arts; Larry Lee Raper, Master of Arts; James A. Fritts, Jerry Lee Maringo, James David Sexton, Sandra Kaye Wilkins, Master of Science.

Loudon: Susan Belle Johns, Eleanor Newman Ross, B.S. in Education; Judith Sharon Bright, J.A. Carnes Jr., John Gledhill Helm, Earl Hall Smith, B.A. in Liberal Arts; Sarah Jane Karnes, David M. Swiney, Sandra Joan Guinn, Master of Science; Mary Alice LaRue, William Lee Thompson, B.S. in Education.

New Officials To Take Oaths Saturday

At ceremonies sponsored by the Loudon County Bar Association Loudon County's new and re-elected officials will be sworn into office beginning at 10 a.m. Saturday. The oath taking ceremony will be held in the main courtroom at the courthouse. Bar Association President Ed Bailey said this week.

Mr. Bailey said that the ceremonies will be open to the public and all friends and relatives of the county officials that will be taking their oaths are invited to witness the oaths and to attend a social hour where coffee and doughnuts will be served afterwards.

Retiring County Judge Harvey Sproul will administer the oaths to each of the candidates separately. Bar Association member H. T. Harris will act as master of ceremonies and Tom Ingram will make remarks con-

cerning the importance of the oaths.

Officials taking oaths for the first time include County Judge William H. Russell, Superintendent of Schools Edward Headlee, Sheriff Guy Russell, Road Commissioner Erik Millsaps and Constable Jack Rowe.

Re-elected officials to be sworn in are Sessions Judge Thomas F. Ingram, Circuit Court Clerk Billy Joe Atkins, Trustee J. V. Schrimsher, County Court Clerk, Edward Alexander, Road Commissioners Lee Malone and Joe Greenway, Register of Deeds, Ralph Wear, and Constables Odell Justice, Charles Settles, Raymond Rogers, and Ray Houk.

Although the new officials will take their oaths Saturday morning they do not assume their new duties until 12 midnight or Sept. 1.

SHERIFF AND CHIEF DEPUTY—Sheriff elect Guy Russell and his Chief Deputy Luke Bright are shown after a news conference Monday when Russell announced Bright's selection.

Bright Named Chief Deputy

Sheriff-elect Guy Russell this week announced the appointment of Luke Bright, 33, of Philadelphia as Chief Deputy of his staff. Bright, who has been a deputy under Sheriff Freeman Russell for the past two years, just last week completed a six weeks full time basic police course at the Tennessee Law Enforcement Training Academy at Denslow.

In announcing the appointment the new Sheriff said he feels Bright has the background and ability to handle the job well.

Bright said he is looking forward to working with Sheriff Russell and that they had discussed several changes in operations and procedures in the department. The new sheriff said he would rather wait until he has had a staff meeting with the deputies and dispatchers before making any changes public. He did say that any changes made would be to upgrade and make the department more efficient.

Chief Deputy Bright is a native of Loudon. He attended Vonore High School, was in

the armed forces and for 12 years worked for Clarke Equipment Company in Illinois. He has attended several training schools and seminars in police work. Mr. Russell announced that Billy Joe Mills, who has been a dispatcher for the Loudon City Police Department for several years, will join his department in a similar post when he takes office at midnight Saturday. The new sheriff said he expects most of the officers now serving under Sheriff Freeman Russell, who is his

Loudon County

Near Struck Plant

FBI Investigates Dynamite Blast

Investigators from the Federal Bureau of Investigation, Tennessee Bureau of Investigation, and the Tennessee Valley Authority, have been conducting a joint investigation into a dynamite blast that severed two TVA transmission lines near the Union Carbide plant at Loudon about 12:20 a.m. Tuesday.

The dynamite which shook windows and woke up many persons in Loudon caused a monetary loss of power in the area of the struck Carbide plant and in most of the City of Loudon.

Authorities would not say if the International Association of Machinists and Aerospace workers have been on strike at the facility since August 12.

Employees of the plant that are members of Local 2544 of the International Association of Machinists and Aerospace workers have been on strike at the facility since August 12. Of the apparent dynamite blast, plant Labor Relations Manager Bob Dravecky said that investigators reported that the blast occurred about a quarter mile northwest of the plant (near the old rock quarry) and only a momentary loss of power was experienced and the production process in the plant was not affected. He said that the investigation was still underway and no final report had been given the company.

TVA investigators said that four poles were felled in the blast most of Loudon would have been without power. The last meeting of striking union negotiators and company officials with a federal mediator was held last week and no new developments are known in the process of negotiating a contract between the company and the union. There has been no new meeting scheduled for further talks between the parties.

During the past week there have been several incidents involving arrests directly tied to the strike and verbal charges by striking union members of attempted violence against them, although no charges on any of the allegations has been reported.

Telephone service to the plant was damaged about 10 p.m. Saturday when cables serving the plant were cut. It was reported. Plant officials said only limited service remained the first of the week and that telephone company repair crews had been denied access to the cable by picketers.

Damage to the rail spar on

company property was also reported over the weekend. Dravecky said that persons unknown to the company detached a rail on company property east of the river bridge. He said that a Southern Railway train bringing supplies to the plant last Thursday was temporarily delayed because of crossings being placed on the track. He said Southern detectives demanded that a group of men nearby clear the track and that they did.

Dravecky stated that shortly after the dynamite blast Tuesday morning calls were reportedly made to families of personnel that were in the plant that their husbands had been seriously injured in an explosion at the plant.

A striking employee, George May has charged Jerry Wilkerson, an employee that has continued to work during the strike, with assault with an automobile after an incident Saturday. Earlier in the same incident Wilkerson charged Ernest Millsaps with destruction of personal property after he said a stick was used to break the windshield of his car as he attempted to enter the plant. Wilkerson's car apparently went out of control as he entered the driveway of the plant and struck a curb breaking the two left wheels from the car causing heavy damage.

Other reports on the same incident were that Wilkerson had problems earlier leaving the plant and was trying to re-enter when he was attacked. Striking Union President Roy Jenkins said the pickets at the entrance at the time said Wilkerson entered the plant at high rate of speed and they were nearly killed as he managed to get out of his way. One picket at the road when a reporter arrived said Wilkerson had a gun in the car, but the reporter when allowed to photograph the vehicle saw a rifle case, but no gun was seen. He said a plant guard retrieved the gun and took it inside the plant.

The charges against both Wilkerson and Jenkins in a preliminary hearing in Sessions Court at 9 a.m.

(Continued on Page 11)

MR. BAILEY

Bailey Named Assistant AG

Edwin H. Arnold, assistant attorney general in the Fourth Judicial Circuit for the past several years, has resigned the position to return to full time law practice in Loudon County.

Attorney General Kenneth Donahoe announced Tuesday Edward F. Bailey Jr., an attorney from Loudon City, has been appointed fulltime assistant attorney general to succeed Arnold.

"While I am pleased to welcome Ed Bailey to the staff, it is with regret Ed Arnold has chosen not to continue as Assistant District Attorney. His friendship, support and excellent work are all deeply appreciated. Mr. Arnold left the press of private practice and other private enterprises would not permit him to remain on the staff. I therefore wish for him all good things in his future endeavors and extend to him my thanks for a job well done."

Bailey will take the oath of office in ceremonies in Maryville, Saturday. Bailey, 34, entered law practice in Loudon City in January 1971, in partnership with Loudon County Judge Harvey L. Sproul.

Prior to that time he was employed in the legal department to Union Carbide's Oak Ridge operations from 1968-71.

Bailey is a 1962 graduate of Middle Tennessee State College and received his law degree from the University of Tennessee College of Law in 1968. From 1963 until 1966 he was a Special Agent with U.S. Army Intelligence holding the rank of captain.

A native of Manchester Bailey is married to the former Marianne Huffman. The couple and their son, John, 4, reside on Antioch Church Road, Rt. 3, Loudon City.

He is president of the Loudon County Bar Association, member of the Eaton Rutland Club, president of the Loudon County Commission and Recreation Board, and a member of the Smokey Mountain Hiking Club. The family attends the Episcopal Church of the Resurrection.

Skipper Turns Rabbit Bridge Is Trap

Alvin Earl Barron, known as Skipper and more recently as The Rabbit, added to his reputation as a runner last Wednesday.

Barron was arrested about two weeks ago on charges of burglary and receiving and concealing stolen property.

A state probation officer came to the county jail Wednesday to talk to Barron who was on probation from a state prison sentence. Sheriff Freeman Russell guarded one door to the jail and Deputy Kent the other door. This was because Barron has been known to run if given the chance.

While the young probation officer and Barron were in the Sheriff's private office the inmate coolly opened the window and in a swift move

dived head-first through the ground floor window.

Sheriff Russell said before he could get to the outside of the jail Skipper was up and vaulting over the barbed wire eight foot jail fence and heading toward the river.

All that afternoon officers tried unsuccessfully to find the escapee. About midnight Wednesday night, acting on a tip, county officers and city of Loudon officers set a trap for The Rabbit. A car carrying Barron started across the river bridge at Loudon. Officers blocked the bridge at both sides and moved in. The Rabbit didn't have anywhere to go and wound up back in jail with a new charge of jail break on his record.

Dukes Honored By County Teachers

The Loudon County Education Association

honored retiring County Superintendent Albert C. Dukes Sr., at a banquet at Loudon High

School last Friday night.

Under a theme of Hats Off To A. C. Dukes the teachers, principals, school board members, members of the Retired Teachers Association and other guests praised Mr. Dukes for his contributions and leadership in education during his 20 years as Superintendent in the county and his 42 year career in education.

Dukes will leave office on Sept. 1, and will be succeeded by Edward Headlee of Loudon.

Education Association President James McGhee, principal of Greenback School, who served as master of ceremonies for the function, said that he graduated from Greenback and was presented his high school diploma by Mr. Dukes. Later he said he was interviewed for his first teaching job in the county and then promoted to principal, all under Mr. Dukes. He said in

his remarks, Dukes said he had summed up his feelings at the county teachers meeting last Monday but he would again thank the school board, teachers, their association, the principals and the students that had passed through the schools, for their cooperation, encouragement, and help through the years.

Dukes said he was retiring from the education field as a millionaire. He said he didn't mean in money, but during his lifetime his children had given him 16 grandchildren which he said were worth \$100,000 each to him and Stella.

He mentioned again, as he has at several functions recently, that he has always enjoyed the cooperation and assistance from the county school board members and the county courts he has worked with.

He complimented the teachers for their willingness to work closely with the school board, which he said was responsible for the enactment of a teacher salary index that has given the county one of the best salary scales for any county of its size.

following a dinner in his honor Friday night at Loudon High.

speaking for all the teachers that the respect and love that the teachers, administrators and other school personnel have for Mr. Dukes will follow him into retirement. McGhee said that Dukes was like a father to him and many other young teachers, always willing to listen to their problems and suggestions and to give advice when it was sought.

Following the dinner the principals of the various schools all presented Mr. Dukes with gifts from the school facilities. The Association also presented Dukes and his wife, Stella, with gifts and a plaque for Mr. Dukes for his service to the Association.

School Board Chairman James Bailey presented Dukes with a gift certificate from the Board.

In his remarks, Dukes said he had summed up his feelings at the county teachers meeting last Monday but he would again thank the school board, teachers, their association, the principals and the students that had passed through the schools, for their cooperation, encouragement, and help through the years.

Dukes said he was retiring from the education field as a millionaire. He said he didn't mean in money, but during his lifetime his children had given him 16 grandchildren which he said were worth \$100,000 each to him and Stella.

He mentioned again, as he has at several functions recently, that he has always enjoyed the cooperation and assistance from the county school board members and the county courts he has worked with.

He complimented the teachers for their willingness to work closely with the school board, which he said was responsible for the enactment of a teacher salary index that has given the county one of the best salary scales for any county of its size.

EDUCATION ASSOCIATION member Miss Mary Katherine Mize presents retiring Superintendent Albert Dukes with a plaque at the retirement dinner given him last week.

CONGRATULATING DUKES—Members of the Loudon County Education Association and school board are shown congratulating retiring Superintendent Albert Dukes

THE STRIKE—

Reporting a strike that has had the tensions, rumors and activity such as is happening at Loudon's Union Carbide plant is not an easy task. It is also not one handled with "kid gloves" to maintain a balance of fairness and objectiveness. This we have tried to do.

Still we have been charged with whitewashing alleged acts by strikers and covering up for the company. Neither is true. Strikes are something new for Loudon and is also something new for most of the people employed at Carbide, both union and non-union. The things that are happening, or allegedly happening, are not good. Not for the union, for the company or for the community as a whole.

The best cure is a quick settlement. The union demands and what is apparently being offered by the company are far apart. It seems, but this does not mean that some sort of compromise can be reached. And we are sure that any agreement will turn out to be reached by some give and take.

Many people involved on both sides have worked at the plant 15 years or longer. They grew up together, go to the same churches, their children attend the same schools, some are brothers and sisters, or other related in other ways. We have heard hard and harsh words spoken both ways. We plead with all concerned to use reason and common sense. Despite what some might think this is a community concern and any lawlessness reflects on the community. When it is over the people involved will have to work together again. They will continue to be neighbors and we hope friends.

AUGUST 29 1974

Loudon County Herald For and about Women

Mrs. Gardner, Marine Wife Of Year

Mrs. Gail D. Gardner, wife of Capt. Kenneth Gardner of California was recently selected as the 1974 Military Wife of the Year for Marine Corps Base, Twentynine Palms, California. Capt. Gardner, a former resident of Loudon County, and his wife have been based at Twentynine Palms for the past 30 months. Mrs. Gardner, the mother of three children, was selected for this outstanding recognition in 1971, was runner-up in last years competition, and represented the Base in Marine Corps-wide competition for Marine Wife of the Year held in March. Brigadier General of U. S. Marine Corps, W. G. Joslyn, wrote a letter of commendation for her many hours of volunteer work and her

contribution to the town of Twentynine Palms. Mrs. Gardner does volunteer work as a hobby. "With a hobby," says Mrs. Gardner, "you're supposed to enjoy yourself; with volunteer work, I do just that. I get a great deal of satisfaction from helping others, and to me this is very enjoyable." Mrs. Gardner has contributed many volunteer hours to causes such as the Red Cross, Officers Wives Club and as a Den Mother to local scout groups. She also works as an interviewer for the Navy Relief Society and has hosted receptions at the Communications and Electronics School. She was a coordinator of the Red Cross Shop Early, Vietnam 1970 project, which sent gift packets to servicemen in South Vietnam. Working with the Red Cross

Youth Program, she was responsible for organizing a special group of teachers to help children who have mental handicaps. Mrs. Gardner has volunteered her aid as a Sunday school teacher, assistant at the dependent's clinic, as Chairman of the youth program, a den mother, and course director of various courses of the Red Cross. She is currently organizing a Red Cross sponsored babysitting course and served as Chairman of the 1974 Blood Bank Drive. She is a room mother at Palm Vista School and assists with projects of the girl scouts and local churches. Mrs. Gardner holds a degree from San Francisco State University. She likes to bowl, do needlework and participate in sports.

Personal Mention

MRS. ERNIE LUNSFORD
Phone 458-2881

Mr. and Mrs. James A. Pope and sons John and Jarome spent the weekend in Pikeville with relatives. Mr. and Mrs. S.O. Allen of Miami, Fla. visited last Thursday with Mr. and Mrs. Ernest Kirkland. Fair Senior Citizens Day

Senior Citizens of Loudon County will be included at a Senior Rally for the Elderly on opening day of the TV&I Fair in Knoxville on September 6. The meeting will be held at the Jacob Tent Theatre and will begin at 12:30 p.m.

Featured guest speaker for the event will be Senator Bill Brock. Senator Brock is a member of the Special Senate Committee on Aging. He will be available to exchange ideas about problems of the aging including transportation, housing and income.

The all day outing for senior citizens will include a box luncheon, music entertainment, a tour of the fair and Senator Brock's address.

The East Tennessee Council on Aging is composed of representatives from the 16 county area served by the East Tennessee Development District. Members from County Councils on Aging have arranged for transportation and ticket details. Anyone interested in attending this event should contact Lee Price of Loudon City or Mrs. Sewannye Wilson of Loudon.

Philadelphia Personal News

Correction—Mrs. Iva Shell was elected President of the W. M. S. this month for the coming year.

Mr. Benny Ray Cathcart and sons returned to their home in Ocala, Fla. last Sunday after being here two weeks with his parents, Mr. and Mrs. Elmer Cathcart.

Mr. and Mrs. James Bridges and granddaughter, Cristy and Mr. and Mrs. Steve Bridges and daughter, Marcey Lynn all from Morristown, Ind. were house guests last week with Mr. and Mrs. Arthur Simmons.

Mrs. Elvin Giles, sister of D. C. and J. E. Milaps and Mrs. Tom Markwood, passed away Friday in Spokane, Wash.

Mr. and Mrs. Bob Peters of Friendsville visited Saturday with Mr. and Mrs. D. P. Ferguson.

Misses Ada and Mary Griffiths were guests Sunday of Mr. and Mrs. Lee Griffiths and Phyllis in Chattanooga.

Mrs. W. L. Hyden flew to Charleston, S. C. last Tuesday to go with her son and his family, Dr. and Mrs. Jack Hyden and daughters, to their new home in Richmond, Va. and stay this week.

Mr. and Mrs. Charles Davis and daughters, Mr. and Mrs. Cecil Davis all of Concord and Mr. and Mrs. Ed Wainwright and children of California visited Saturday with Mr. and Mrs. Joe Largent.

Kristie Sue Watts celebrated her fourth birthday August 14. She is the daughter of Gary Watts of Philadelphia and Mrs. Verna Dancy of Sweetwater. Grandparents are Mr. and Mrs. Homer Watts of Philadelphia and the late Mr. and Mrs. Lowry Stiles of Madisonville.

 Agricultural Extension Service
 The University of Tennessee

The heat is still on but there will soon be a hint of crispness in the air. Fall is coming, and with it comes changing activities and bright new fashions.

Soft, fluid styling, very feminine and figure flattering, are the keynotes for the season. Though pants still reign, going cuffless and with a modified flare, skirts are catching the eye and eyes. Skirts are fuller, swingy, often gored, allowing easy movement. Dresses feature the fuller skirt, blouson topped with dolman, raglan or wide kimono-like sleeves. Tent shaping reappears with deep necklines, full sleeves and gentle contours through the midriff.

It's the year of touchable fabrics including soft brushed jerseys, knits, crepes, mohair blends, and chenilles.

Lengths are from short to long, with wrap sweaters getting attention. Sweater-skirt styling allowing great versatility for any time of the day.

Colors are dusty shades of teal, rose, blue, rust and jade along with earth tones from buckwheat through the whole brown spectrum to deep chocolate. The neutrals team with yellow, green, or taupe, and darks such as oxblood and ink-blue are in vogue. Fabric combination is jade or teal with brown and rust with beige returning a close second.

Thus a return to the 20's look with beautiful fabrics and colors. Watch for yesterday's styles updated for the newest fashion appeal.

Tole Painting Workshop

September 11 is the day for the first of several tole painting workshops to be held this fall. If you are interested, be at the Loudon City Rescue Squad Building at 9:00 a.m. Bring a board of any size and shape, paint or stain, chalk, and tracing paper.

This workshop is open to any interested individual regardless of race, color, or creed. You do not have to be a Home Demonstration Club member.

Living Within Your Income

A learn by mail study course on "Living Within Your Income" will be beginning the latter part of September. Any interested individual is welcome to enroll in this free course. Call the Agricultural Extension Service and give us your name and address (456-2871).

Home Demonstration Club Schedule

Home Demonstration Clubs are open to any interested individuals, regardless of race, color, creed, or national origin. The monthly club schedule follows:

3 Greenback	REA Building	1:30 p.m.
5 Eatons	Wampler Farm	11:00 a.m.
10 Lee Heights	Mrs. James Bailey	12:30 p.m.
10 Loudon	Mrs. Anna White	7:00 p.m.
16 Loudon-Corinth	Mrs. Hurley Deford	7:00 p.m.
17 Martel	Martel United Methodist Ch.	1:00 p.m.
18 Loudon City	Mrs. Albert Rainwater	10:00 a.m.
26 Thursday Nighters	Mrs. Bill Redmond	7:30 p.m.

Loudon Countians Read 38,210 Books Last Year, Report Says

A total of 38,210 books were loaned from public libraries in Loudon County during the just completed fiscal year, the Fort Loudon Regional Library reported this week.

The three libraries at Loudon City, Loudon and Greenback accounted for 34,968 of the circulation and the six bookmobile stations the remaining 3,242 for a per capita readership of 1.6 books during the year.

The General L. D. Tyson Library at Loudon City loaned 18,311 units during the year, Greenback 7,908 and Loudon 9,449. The regional library reports that 14,194 books are on deposit in the county libraries.

Bookmobile station circulation in the year were Fort Hills 133, Hines Valley 340, Jackson 1,120, New Providence 1,396, and Philadelphia 233.

Members of the county library board are Mrs. Graham Cooper, Mrs. M.C. Anderson, Walter Hodge, Tom Matlock, Mrs. Aubrey Murr, Mrs. L.C. Roberts and Mrs. Harvey Spraul. Regional Board members are Mrs. Earl Alexander and Mrs. L.C. Roberts.

Librarians are Mrs. George Mincy, Loudon City; Mrs. Ada McCarter, Greenback; and Mrs. Billie Mead, Loudon. Bookmobile station custodians are Mrs. Sue Brewer, Fort Hills, Mrs. T.J. Smith, Hines Valley; Mrs. J.A. Dutton, Jackson; Mrs. Helen Henry, New Providence and Mrs. Brenda Lynn, Philadelphia.

CHAMPION PULLETS—Tater Watts gets a better look at the Grand Champion Pullets he bought for Chester Watts at the 4-H Pullet Sale. Leroy Rhea Jr., (Loudon Junior 4-H) raised the pullets and is shown holding one of the products.

Leroy Rhea Has Grand Champion 4-H Pullets

By Roger L. Perkins
Assistant Extension Agent
Leroy Rhea, Jr. (Loudon Jr. High 4-H'er) exhibited the Grand Champion pen of pullets in the Annual 4-H Poultry Show. This was Leroy's second year to participate in the 4-H Poultry Project. Leroy is the son of Mr. and Mrs. Leroy Rhea of Loudon. Mr. Chester Watts of Loudon purchased the champion pen of pullets.
The other 4-H'ers exhibiting 4-H pullets were Lewis Rogers-Lenoir City Middle School 4-H Club; Ricky and Eddie Hembree-Steekee 4-H; Tim Brannon, Carroll Maxwell, Charlie Finger and Marty Goodman-Glendale; David Webb and Richard Rose-Greenback; J. B. Schaffer, David Grimes and Mark Bivens-Loudon Jr. High 4-H; Landon Vance, Beverly Garrison and Anita Roach-Highland Park 4-H and Patricia, Constance and Chester Wright III, Marty McFalls, Barry Blanton and Donald Smith-Eatons 4-H Club.
The 4-H Poultry Show was sponsored by the Loudon Farmers Cooperative and the Tennessee Department of Agriculture.

The ten following 4-H'ers will exhibit two of their

RSCC Sets Courses At Union Carbide

A college credit course in management and supervision will be offered in Loudon County this Fall quarter by Roane State Community College. The course is Business 2910 (Management and Supervision I).
The class sessions will be held each Monday from 4:30 till 7 p.m. at the Union Carbide Plant in Loudon. The course material covers a wide range of topics that will aid a manager or supervisor in doing a better job. And the material will also be helpful to a person who is looking forward to a promotion to a management or supervisory position.

During the quarter of work the students will be learning about the following areas in the field of management: role and position in an organization, functions and responsibilities, human relations and the importance of effective communications.

The class carries a full three quarter hours of college credit and cost \$18, plus a \$5 one time only registration fee for persons who have not previously taken a Roane State credit course. Registration for this class will be held on September 10 from 7 till 8 p.m. at the Union Carbide plant in Loudon.

Other courses from Roane State could be taught in the Loudon County area. Those who have a particular educational need may call Carroll Marsalis at Roane State, telephone Rockwood 354-3000. Marsalis is chairman of the Career Education Division at Roane State.

Roane State Slates Courses At Loudon High

Roane State Community College is bringing a package of four very enjoyable courses to Loudon Counties this fall. The course included in this first-time offering are Beginning Bridge, Beginning Banjo, Making Inexpensive Gifts for Christmas, and Beginning Painting.
"We want to take an active part in the educational growth of members of our community," stated Dr. Paul Goldberg, Roane State's Director of Community Service. "These courses will allow many local people to continue their education through enjoyable, low-keyed, non-credit activities. There are many individuals in Loudon County who have expressed interest in learning new hobbies, improving rusty skills, meeting new people with similar interests and just getting out of the house to do something fun yet constructive. These courses are offered in response to those people."

The Community Service Package will consist of:
1. Making Inexpensive Gifts for Christmas. The course will be taught by a talented local craftsman, Mary Jane Denton. The course will include such learning and doing activities as ornaments for trees, eggery, 3-D art, some work, decoupage, gifts from bottles and much more. Meets Mondays, 7-9 p.m., for ten weeks. Cost: \$16.
2. Oil Painting. Mrs. A.J. (Calberta) Rowden, instructor. They teach you how to play the five-string banjo, in three-finger Bluegrass style through a building process which utilizes the special learning materials they have developed. The student proceeds from "Cripple Creek" to "Worried Man Blues" to "Mountain Dew" and eventually through "Foggy Mountain Breakdown." The course meets on

Gorath have developed a unique way to teach the banjo. They teach you how to play the five-string banjo, in three-finger Bluegrass style through a building process which utilizes the special learning materials they have developed. The student proceeds from "Cripple Creek" to "Worried Man Blues" to "Mountain Dew" and eventually through "Foggy Mountain Breakdown." The course meets on

Thursday from 7-9 p.m. for ten weeks. Cost: \$35 (includes music). Banjos can be rented for a nominal fee at the first class meeting. Minimum Age: 8. Maximum class: 20.
4. Beginning Bridge. Mrs. Sarah Thomson, a certified bridge instructor from Athens, Tennessee, will be the instructor for the course. Instruction will build from the elementary bidding and playing techniques. No prior knowledge of bridge is necessary. The course will meet on Mondays, 7-9 p.m. for ten weeks. Cost: \$18.

Registration for all courses will be held on September 10, at 7 p.m. at Loudon County High School. Instructors will be available during registration to answer any student's questions.
The courses start during the week of September 23. For more information call Paul Goldberg, collect, at 1-354-3000.

In Loudon County

Accidents Cost \$5,544,000

Do residents of Loudon County lead safer or more hazardous lives than people in other parts of the country? Are they more liable or less liable to be involved in an accident of some sort—automobile or otherwise—during the course of a year?
According to government statistics, local people seem to be more accident-prone than the average.

The accident figures for the local area and for communities in other sections of the United States were compiled by the Public Health Service as part of its annual

vital statistics surveys. All types of accidents were taken into account, whether they occurred in the home or at work, while driving, swimming, boating or hunting.
Based upon the last three annual reports, fatal accidents in Loudon County have been averaging 22 per year, with 12 of them attributed to automobiles.

Included in the figures are all accidents in which local persons were involved, wherever they happened. Excluded were those affecting non-residents.

Related to population, the toll in the area was at the rate of 82 fatalities per 100,000 people during the three-year period.
It was a higher rate than was found in most other communities in the United States, where the average was 58 per 100,000. The rate in the State of Tennessee was 76.

Throughout the country, according to the National Safety Council, about 1,000 fewer persons died in traffic accidents in 1973 than in 1972. It attributes the unusual drop to the fact that people did less driving and traveled at

reduced speeds toward the end of the year, because of the energy crisis.
Accidents have been responsible for a huge economic loss in recent years, it finds. The average over the last three years is placed at \$29 billion a year. This takes into account loss of wages, medical expenses, insurance payments, reduced production and property damage.

Loudon County's proportionate share of this cost, applying the average loss per accident locally, is approximately \$5,544,000 a year.

Vocational Education Leaders Drop Rate Across State According to statistics compiled by the Vocational-Technical Division of the State Department of Education in the 1974-75 State Plan for Vocational Education, the dropout rate has already been lowered by the expansion of vocational education. "We are beginning to have hard evidence that expanded vocational efforts have contributed to increased employment, improved incomes and a lower dropout rate in the public schools," said J. P. Hall, with vocational education's statistical services section. Last year, enrollment in vocational education increased by 10,303 students. More than 300 of this increase took place here in Loudon County. During the same period, 9,251 fewer students dropped out of school than in 1973-74.

Preliminary figures show that 118,873 students or approximately 24 percent of all students in grades 9-12 in Tennessee were enrolled in occupational programs during 1973-74. The State plan projects a rise in vocational enrollment to 139,891 by 1979 when vocational services are extended under the Comprehensive Vocational Education Act to an estimated 134,000 seventh and eighth graders.

Handicapped Funds are Short Most school systems across Tennessee are finding handicapped funds are short of needs. Lenoir City submitted a plan to the Commissioner of Education that would cost

approximately one-hundred fifteen thousand dollars for those children who are known to be handicapped. Approximately 75 thousand has been approved and unless some funds can be negotiated through the State Department, it will not be possible to serve all known handicapped. Of course, there are many handicapped who have not been identified or assessed.

According to State Department personnel requests for funds under Chapter 839 for education of the handicapped presently exceed the \$38.5 million appropriation by approximately 140 percent. School systems are saying they anticipate serving a total of 100,000 handicapped children this year rather than the projected 85,000. Services are supposed to be expanded during this school year to include all handicapped children.

School systems that did much for the handicapped are finding it more difficult this year because of the cost of expanded programs. The state allocation of funds for school systems and this includes many systems that did little for the handicapped prior to this year.

Obituaries

MISS WALLER
Miss Lillian Waller, of 205 A. Street in Lenoir City, died Friday, Aug. 23 at Sweetwater Hospital. She was the daughter of the late George Pickel and Lucinda Hair Waller. She was a Baptist and a retired school teacher.

Survivors include one sister, Hazel Waller Hill, New Orleans; niece, Mary Snow, nephews, Mose L. Waller, Jr., Lenoir City; Albert Waller, Philadelphia; Dan Waller, Philadelphia; Robert Waller, California.

Graveside services were held Saturday, Aug. 24 at Lakewood Cemetery with Rev. Charles Remond officiating. Clerk's Lenoir City, in charge.

MR. BROGDON
John (Bud) Brogdon, age 49, of Denver, Colorado, formerly of Loudon, died August 24 in Denver.

Survivors include: James Brogdon, Kingston; sisters, Mary Bell Britton, Loudon and June McKee of Lenoir City; several nieces and nephews. Services and burial were held in Denver, Colorado.

MRS. FOX
Mrs. Minnie Baker Fox, 75, of Concord, died Sunday, Aug. 18 at Fort Sanders Hospital in Knoxville.

Survivors include a son, Paul C. Fox, Concord; sisters, Mrs. Nannie Vance, Mrs. Carl Pierce, both of Harrison, Tennessee; George Baker, Harrison; half-sisters, Mrs. Jim Woodard and Mrs. Fred Thomas, both of Loudon; one grandson and several nieces and nephews.

Services were held at Loudon County Memorial Gardens on Wednesday, Aug. 21 with Rev.

Bernard Courtney officiating. Karnes Funeral Home in charge.

MR. WIGGINS
William Wiggins, 88, Rt. 1, Philadelphia died Tuesday, Aug. 20, 20 at the Knoxville Recovery Center.

Survivors include daughters, Miss Evelyn Wiggins, at home, Mrs. Louise Standridge, Sweetwater, Mrs. Hubert Harrison, Philadelphia, Mrs. Garland Gentry, Loudon, Mrs. Joe Wallace, Loudon; son, Clarence Wiggins, Loudon; 24 grandchildren; 30 great-grandchildren; nieces and nephews.

Funeral services were held Thursday, Aug. 22 at First Baptist Church of Philadelphia with Rev. Truman Woods and Rev. Raymond McJunkins officiating. Burial was in Philadelphia Cemetery, Karnes Funeral Home in charge.

MR. JAYNES
Raymond Jaynes, 63, Rt. 3, Loudon, died Tuesday, August 20 at Loudon County Memorial Hospital.

Survivors include his wife, Mrs. Inez Stinet Jaynes, Loudon; sons, Arthur, Silas and Charles Jaynes, all of Loudon; daughter, Mrs. Gerald (Shirley) Glandon of Atlanta; mother, Mrs. Arlie Jaynes, Loudon; sister, Mrs. Inez McNabb, Loudon and seven grandchildren.

Funeral services were held Friday, Aug. 23 at Karnes Chapel with Rev. Bernard Courtney officiating. Burial was in Riverview Cemetery, Karnes Funeral Home in charge.

COPPERHEAD KILLED IN CITY—Alfred Taylor holds a four foot long copperhead which his neighbor, John Craig, 120 Highland Avenue, Loudon, killed in his yard Saturday. The snake was discovered by a child who nearly stepped on the poisonous snake. Mr. Craig used a garden hoe to kill the reptile.

Disaster Payments Are Offered

Farmers with Feed Grain and Wheat allotments are offered Disaster payment under the four-year farm legislation Congress passed last year, says Fred Fipps, Chairman of the Loudon County Agricultural Stabilization and Conservation (ASC) Committee.

Disaster payments can be made only for allotment acreages of wheat, corn, grain sorghum or barley when natural disaster has prevented planting or has resulted in abnormally low yields. Applications should be made at the County ASCS Office whenever a producer believes his allotments have been adversely affected by natural disaster.

Application must be made no later than 15 days after completion of harvest in order to qualify for a disaster payment. Farmers with feed grain and wheat allotments who have not already certified their acreage under the allotment programs will be permitted to certify at the same time they apply for disaster payment.

Since inspection must be made to help determine the extent of damage, producers should not plow up or otherwise dispose of wheat stubble until receiving permission from the County ASCS Office.

Mr. Fipps pointed out that the program was not meant to provide full compensation for losses suffered because of natural disaster, but said payments could help tide producers through a difficult period.

TVA Power Still Low
The average cost of electricity to home consumers in the TVA area again was less than 60 percent of the national average in the past year, and the gap remained as wide as it has been for the past several years, a TVA official said today.

Since information from the region's local electric systems for the fiscal year ended June 30 shows an average residential rate of 1.45 cents a kilowatt-hour, compared to about 2.50 cents nationwide, according to James R. Burdeshaw, Director of Power Marketing.

During the fiscal year average residential rates increased by about 15 of a cent per kilowatt-hour in the TVA area and about 18 of a cent nationally.

"Because electric rates have increased some people have the impression that rates here are reaching the same levels as rates in other regions of the country," Burdeshaw said.

TVA Hikes Electric Rates
The monthly fuel cost adjustment in TVA electric rates will increase by .03 of a cent per kilowatt-hour (53 cents a thousand kilowatt-hours) used on residential bills in September, TVA said last week. This will make a total cost adjustment of .099 of a cent per kilowatt-hour on September bills, which reflects the actual cost of fuel burned in TVA power plants in July. It will continue to rise or fall each month with changes in the monthly cost of fuel burned in TVA plants.

LET THE LITTLE ONES HELP

Whether it is helping color Marzipan shapes or packing gift boxes for neighbors and relatives, children should have a part in preparations for special holidays. Candies made at home using corn syrup to enhance the flavor and texture give the children such an opportunity.

Marzipan

- 3 tablespoons Karo light corn syrup
- 1/4 teaspoon vanilla
- 1/4 teaspoon almond
- 1/4 teaspoon salt
- 1 tablespoon milk
- 1-1/2 cups sifted confectioners' sugar
- 1 cup almond paste

Mix together light corn syrup, vanilla, almond extract and salt. Blend in milk. Add confectioners' sugar; mix well. Blend with almond paste. Shape mixture as desired. Let stand uncovered to dry thoroughly. Makes about 3/4 pound.

Candied Coral

- 2 cups crisp rice cereal
- 1/3 cup sugar
- 1/4 cup Karo light or dark corn syrup
- 1/4 teaspoon salt

Heat cereal in shallow pan in 350°F. oven 4 to 5 minutes. Mix together sugar, corn syrup and salt in 2 quart saucepan. Cook over low heat, stirring constantly, until sugar is dissolved and mixture reaches full boil. Remove from heat. Stir in cereal. Shape as desired. Note: If cereal mixture hardens while working with it, place over hot water.

Corn Flake Candy

- 1 cup sugar
- 1/2 cup Karo light or dark corn syrup
- 1 tablespoon vinegar
- 4 cups slightly crushed corn flakes
- 1 tablespoon baking soda

Mix together sugar, corn syrup and vinegar in 2 quart saucepan. Cook over low heat, stirring constantly, until sugar is dissolved and mixture reaches full boil. Cook 10 minutes longer without stirring. Remove from heat. Quickly stir in corn flakes, then quickly but thoroughly, stir in baking soda. Pour immediately into lightly greased 9-inch square pan. Press lightly to spread. Cool. Break into pieces. Makes about 1 pound.

AUGUST 29 1974

Hot And Cold Redskins Show Only Mediocre Performance In Three-Way Scrimmage

Loudon was the Friday morning host to a three way football scrimmage with Knoxville Holston and McMinn County, two triple-A teams.

The two and one half hour skirmish found the Redskins bowing to a much improved McMinn County eleven 2-1 and squaring with the Warriors 1-1.

Loudon had embarrassed the Cherokees 9-3 in a spring scrimmage.

The Redskins had difficulty in the early stages of the scrimmage as McMinn County took the opening offensive effort and drove the ball 80 yards on 16 plays.

The initial scoring maneuver being a eight yard pass to Loudon lost a fumble on its first series with the ball and in two plays the Cherokees had also lost the handle to the pigskin.

The Redskins made a 25 yard jump on the first of two stand out pass receptions by flanker Rick Tucker on passes from Dennis Queen. A six yard gallop ended in a fumble.

Loudon High School Principal Jim Gibson has announced the sale of season football tickets for the Redskins fans. Tickets are on sale at the high school office for the price of \$5.00 adult and \$4.00 student.

The Redskins will have five home games this fall with Kingston, Lenoir City, Knoxville Karns, Harrison, and Maryville all visiting Loudon's Dukes Field.

Another Loudon fumble and McMinn took over at the 50 yard line. Eight plays and the Cherokees were in the Loudon end zone.

A brief rest on the sidelines had Loudon in better perspective for Knoxville Holston.

The Redskins lost a fumble on second down but the Loudon defense proved ready to play and checked the Warriors to regain possession of the ball.

Loudon managed a brief six play drive only to have to punt. The boot was miscalculated, despite having only fair catches no returns, and Loudon recovered. Porky Campbell plunged for three yards, Dennis Queen added one and Marlon Brown fought for six yards and a first down.

Queen rolled right and was off to the races for a touchdown only to have a motion penalty bring the ball back.

The Redskins continued with business, a 40 yard pass completion to Rick Tucker, which was made possible on a great individual effort by Tucker, and five carries by Campbell totaling 24 yards accounted for Loudon's first touchdown. Campbell bellying over from the one yard line.

Loudon regrouped following a 41 yard punt by Sam Lyle to McMinn County to halt the Cherokee offense and Buddy Swiney knifed his way into the McMinn backfield to block a punt and Loudon need but seven plays to hit the scoreboard with a six-spot. The scoring play coming on fourth down with a nine yard pass to Sam Lyle.

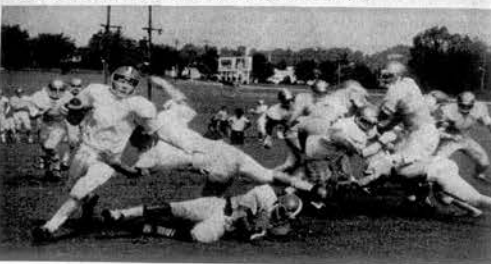

Holston returned to the offense and moved for three quick first downs and 40 yards as the Redskins found themselves playing with only 10 men. The Warriors finally punched out a one yard touchdown sneak and ended the Redskins for the day.

McMinn got the best of the

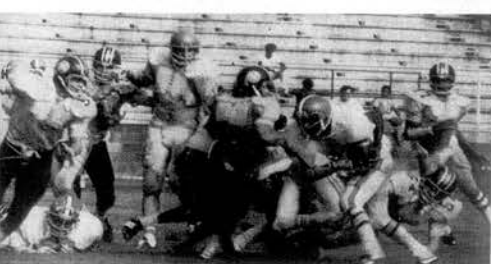

on offense or defense. McMinn County appeared to be in a better physical condition. Loudon also lacked team pursuit in its morning workout. The Redskins did get some good individual tackles and runs. Terry Brown, Buddy Swiney, Mike Yates, and Kenny Skinner drew some praise for their defense, but

due to the lack of time only about half of the Redskins squad was used.

Coach Bert Ralledge had his team back on the practice field Friday afternoon working out on conditioning and was to stress line play on both defense and offense this week.

QUEEN STEPS FREE—Loudon's senior quarterback Dennis Queen rounds right end off the blocking of teammate Marlon Brown in a long run for a first down against Knoxville Holston Friday morning.

MELTON MAKES VEER GO—Loudon's junior running back Rick Melton zips for a short gain against McMinn County Friday morning in a three way practice scrimmage. Terry Brown (on ground left) and Mike Yates (tallest player) try to hold off the Cherokee defense.

LOOKING FOR DAYLIGHT—Loudon's running back Porky Campbell, who scored one touchdown Friday morning, looks for daylight as he escapes the defensive efforts of Knoxville Holston in slipping through the line.

Sweetwater Holds Panthers Scoreless In Friday Scrimmage

The injury bug has suddenly taken its grip on the Lenoir City Panther football camp. Coach Henry Blackburn's Panther's engaged in their second fall scrimmage with an outside opponent Friday and the results were not at all good. The Panthers fell to "A" division futility Sweetwater by a count of 5-0.

The Panthers minus their senior field general Mike McConkey, who is sidelined with a back injury could muster little offense in the afternoon battle. Meanwhile Sweetwater was using the talented running of speedsters Edward Brewster and sophomore Tippy Armstrong in a 6-2, 200 pound running back with the credentials of a great athlete. He is also a fine basketball player.

Sweetwater got first crack at reaching the goal line and after a stout Lenoir City defense of Steve Arnold, Jeff Blakely, Curtis Monzer, Jeff Walker, and Bobby Smith forced the Wildcats to gamble on a fourth down at mid field. The first down was made and the Sweetwater offense used just three plays to turn Brewster loose for the first of two touchdowns by him.

Sweetwater tallied again on the next offensive series with a 45 yard burst up the middle by Armstrong, the top run of the drive.

Jeff Cansler came up with a loose football as the Panthers set up shop in mid field but the Lenoir City offense barely got moving until they coughed up a fumble. Sweetwater found a break down in the right side of the Lenoir City defensive line and turned a off tackle dive into a 60 yard score.

Lenoir City once more got a offensive threat in motion when a passing attempt fell into enemy arms and the return good for a touchdown. Sweetwater marched the length of the field for their final score taking the ball from their five yard line and moving to the 40 before springing a ball carrier loose for the final 60 yards and a 5-zip finish.

Coach Henry Blackburn was not real pleased with the workout. "Our team may have suffered rather than benefited from the scrimmage," confessed the coach. "Their speed surprised us the most and pretty well educated our defensive backs on some do's and don't's that we have not been able to stress in practice. We have sophomores starting in the defensive secondary and they must learn through experience. The team as a whole played well under the conditions and the coaches and I are not down on them," added Coach Blackburn.

Certainly to a young and inexperienced football team such as the Panthers will have this fall the loss along with a loss to Morristown West early in the fall is difficult to digest. But when looking over the situation one finds that it is

The Herald SPORTS

1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting
1973 Winner of Fourth Place Award among Tennessee weekly newspapers in Sportswriting

doubtful the Lenoir City team or coaches were figuring on an injury to Mike McConkey, who should be the key figure of the Panther offense and big playmaker in the LC defensive backfield. A back injury in a normal squad workout due to an unexpected slip in executing a play on Thursday before the Friday scrimmage with Sweetwater has kept the senior signal caller out of service and he has not returned to practice at this writing. Benny Goley, who will be counted on as a regular at either running back or as a split receiver has not been able to practice due to 10 stitches in his hand from a bicycle accident before fall practice started. Goley has the only varsity quarterback experience on the team other than McConkey. Danny Hall, who did a great job in running the ball against Morristown West and hobbled by a hamstring injury was pressed into the role of quarterback. A job he will learn to fill in backing up McConkey this season, was not ready to go full speed and suffered a shoulder injury to double his hurt. Running back Jeff Cansler has a severe ankle

injury and is not expected to practice this week. And senior lineman Jeff Walker back in service from knee surgery is again ailing with his knee and could be a major concern if treatment does not heal the hurt.

The Panther's are far from full strength and a kickoff date with McMinn Central September 6. Lenoir City had a final scrimmage set for Wednesday against Knoxville Farragut but the workout was canceled in hopes the rest would restore the Panther's skills and serious preparation for the Chargers could be continued.

DEFENSIVE CHECK—Lenoir City's Mike Haynes checks this Sweetwater ball carrier in Friday's pre-season scrimmage. Coming in to assist Haynes are teammates Curtis Monzer and Bobby Smith.

PANTHER WORKHORSE—Junior fullback Bobby Smith of the Lenoir City football team tries to power his way for a few extra yards despite the defensive efforts of several would-be tacklers.

RAMBLING TOWARD THE GOAL LINE—Great ball carrying efforts by the Sweetwater running backs as seen in this picture led to a fall scrimmage set back in Lenoir City Friday afternoon. Jeff Walker, Bobby Smith, and Jeff Blakely all have a hand on the ball carrier but the speedy back appears to be keeping his feet in search of a touchdown.

16 Team Field To Make Up Loudon Labor Day Softball Invitational

The Loudon Recreation Department will host one of the top holiday softball tournaments of the area this Friday, Saturday, Sunday, and Monday with the Labor Day Invitational. The four day event has attracted 16 of the better teams for the double elimination show.

Recreation Director Bill Birkholt and Mr. Fred Mode have put in weeks of careful team selection in getting what they feel to be the strongest tournament field to compete for the plush array of trophy hardware. Over \$200.00 in trophies await the tournament champion, runner-up, and all tournament individual standouts.

Five teams from the Loudon County softball ranks will be in the tournament. The Bank of Loudon County, winner of the sub-district title, plays regular season Philadelphia Community League champs Bar-Knit in a 11 o'clock Saturday morning game that will end the first round of the tournament. The Hamilton Bank of Loudon, winner of the regular season league title of the Loudon County League formed for the month of August, will open the tournament with a 6 p.m. Friday night contest against Hall Oil Company. Eaton, fresh from winning

the Philadelphia Community Club Invitational tournament will see action on Saturday morning in a 11 o'clock game against the Hamilton Bank of Loudon. The Hamilton Bank of Loudon will also eliminate Bar-Knit in a 11 o'clock Saturday morning game that will end the first round of the tournament. The Hamilton Bank of Loudon, winner of the regular season league title of the Loudon County League formed for the month of August, will open the tournament with a 6 p.m. Friday night contest against Hall Oil Company.

The winners' bracket semifinals are off on Sunday and will not meet until Monday at 2 p.m. Sunday action will be confined to the teams left in the loser bracket with the first game getting started at 1 p.m.

Only six teams will remain for the start of the final day playdown. The first game is set for 12 noon, with the championship final to be at 5 p.m. A second game at 6 p.m. would follow should the winner of the loser bracket win the 5 o'clock contest.

All the games are scheduled for Loudon's Legion Baseball Field.

Eaton Corporation Keeps Philadelphia Softball Tourney Title

Eaton Corporation of Lenoir City had to overcome a stubborn Bank of Loudon County softball team to defend its title in the Philadelphia Softball Invitational Tournament held last week.

Eaton fell to the Bankers 7-6 as the Loudon based team came from the loser bracket to square the double elimination event only to drop the night cap 14-13 on a five home run assault by Eaton. Woodward Avenue Church of God from Athens finished third in the tournament and Bar-Knit of Philadelphia came in fourth.

In taking away the tournament hardware Eaton's won the championship, team batting mark and home run output. Eaton first baseman Larry Johnson was the tournaments top hitter with a .777 hitting pace (14 hits out of 18 times at the plate), and third baseman Kenny Ratledge launched eight hits over the fence for individual home run honors.

Prospect Baptist Church was recognized for their outstanding sportsmanship in the tournament by the Philadelphia Community Club.

The Bank of Loudon County opened the tournament with a 12-2 win over Prospect. Jack Nichols powered a home run had batted in five scores for the Bankers.

The Loudon Merchants came from behind to get the seventh inning to down Greenback Co-Op 14-13. Rubin Strange, Doug Ballard, and Bill Webb paced the hitting for the winners. Ron Evans and Bob Sowers had three hits each for the Greenback team. Bar-Knit used the hitting of Ben Berger and Ronnie Ramsey to turn back Woodward 9-6.

Eaton exploded for eight home runs and trounced IGA 26-5 in a game where Kenny Ratledge and Kenny Breeden each had perfect nights at the plate.

The Bank of Loudon County had to weather a 10 run sixth inning by the Hamilton Bank of Loudon to post a 20-14 victory. Jim Watts and Kenny Parks each collected four hits in the game with one home run and three doubles apiece. Danny Watkins pounded four straight hits for the Hamilton Bank.

The Loudon Merchants got two home runs from Jerry Russell in stopping Hall Oil Company 18-4.

Bar-Knit continued to roll with a 14-8 triumph over VFW. Bar-Knit struck for 20 hits in the game. "Snake" Watson set the hitting pace with four hits including a home run. Marvin Albright had a home run and double for the VFW.

Prospect eliminated VFW 17-16 behind the hitting of Ronnie Jenkins.

Eaton Corporation won by a score of 16-6 over Maremont. Larry Johnson and Junior Collins had three hits each. Bernard Brown was the top hitter for Maremont with three safeties.

The Bank of Loudon clipped the Loudon Merchants 7-1. Jim Watts drove in four runs in the victory. The Merchants were able to collect but five hits in the game.

Eaton had to come from behind to down a fired up Bar-Knit team 18-4. Kenny Ratledge and Larry Johnson each hit home runs. Hugh Watson, Tony Rutherford, and Monte Burger all had three hits for Bar-Knit.

The Greenback Co-Op bounced back to oust Maremont 12-4. Kenneth Fox, Bobby Sowers, Glenn Reagan, and Bob Guider all had a pair of base hits for the Co-Op.

Woodward Avenue Church of God blasted four home runs in putting Hall Oil Company out of the tournament 21-2. Harold Brookshire had a pair of hits for the losers.

The IGA upset the Hamilton Bank 10-9 with Gary Burum, Herbert Oody, and Eddie Brewer getting three hits each for 16 IGA.

Greenback Co-Op outlasted Prospect 12-9 as Joe Mainor and Jack Russell combined for six hits. Dennis Queen added three hits to the Prospect effort.

Woodward steamed past the IGA 14-1 to keep alive in the losers' bracket.

Bar-Knit ended the play of the Greenback Co-op 9-3 as Mickey Plemons stroked a home run and a double.

The Loudon Merchants fell to Woodward 11-1 for their second loss.

Woodward followed with a 8-2 loser bracket finale win over Bar-Knit. Jerry Kiser and

Hugh Watson had a pair of hits each for Bar-Knit.

Eaton blasted the Bank of Loudon county in the winner bracket finale 19-2.

The Bankers gained a return match by whipping Woodward 11-6 as Watts and Nichols hit home runs.

The Bank of Loudon County then edged Eaton 7-6 to force a play off for the tournament title. Eaton scored six runs in the second quarter.

The second frame only to have the Bank tally seven scores in the same inning and finally a four run sixth brought the winners from behind to claim the championship.

The annual Poothills Conference Football Jamboree is set for this Friday night at Maryville College Field. Five quarters of football are on tap with double-AA Maryville and Young Region One A-class Walland squaring off in the opening frame starting at 7:30.

Alcoa, regular season first game opposition for the Loudon Redskins, will be matched against Townsend in the second quarter.

Greenback will find out just what must be shored up in their final week of fall drills after a third quarter tussle with Friendsville. The Cherokees are in a rebuilding year, having lost nine starters from their 1973 squad that won the conference title and battled for the state A division championship.

Maryville Porter and triple-A Maryville Everett will play the fourth canter. Porter returns a veteran team that lost just three games last year and should be strong this fall.

while Everett is down following a 9-2 season in '73. Lanier and Seymour, two teams that met in last year's jamboree will again take up arms in the fifth and final quarter of the grid preview.

Tickets are on sale at Greenback High School and at the Greenback Drug Store. Advanced ticket sales are \$1.25 per person, adult or student, while at the gate on Friday night the price will be \$1.50 per person.

Greenback Stock Rises With 4-1 Scrimmage Win

The Greenback Cherokees got a high grade from head football Coach Keith Busley Monday after a weekend of viewing films of a Friday evening scrimmage with Gatlinburg Pittman High School.

Greenback won the variety scrimmage 41 with standout letterman returnees sophomore flanker Harold Hawkins and senior running back Kyle Shepherd each scoring a pair of touchdowns.

The Cherokees, dressed and ready soon after Friday's school session had ended, had to wait until after 6 p.m. before the Highlanders could make the trip from Gatlinburg and take the field. But the long wait did little to hamper the fired up Cherokees and a crowd of over 150 interested Greenback fans filled one section of home bleachers.

The Highlanders got first bid at playing offense and the Cherokee defense, despite being out weighed, was in stand out form.

Rich Russell, Jeff Tipton, Kyle Shepherd, Jimmy Brooks and Danny Evans were all over the field stopping sweeps, up the middle power plays, and crashing through to spoil plays in the Highlander backfield.

Roddy Kiser engineered an early scoring drive that saw Jimmy Brooks and Kyle Shepherd using their power and muscle to pass the ball toward the double stripes. Shepherd hulled over the goal line from the three yard line for the opening score.

Greenback got a 28 in interception and 45 y return to the two yard line by linebacker Jimmy Brooks to set up a touchdown pass from

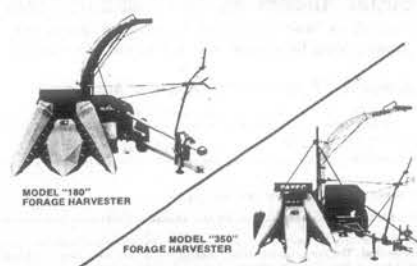

Roddy Kiser to Harold Hawkins.

Hawkins was quick to steal another Gatlinburg Pittman passing attempt and Kiser took to the air with David Beeler and Lynn Rucker, a sure handed sophomore, making key receptions to balance out an impressive Greenback offensive unit, that had to replace eight of its 11 starters from the last two seasons. Shepherd tallied for the second time in the game from short yardage and the Greenback defense stood firm and yielded their playing time to Cherokee reserves both offensively and on defense.

Gatlinburg, while out numbering the Cherokees and having the bigger players, failed to substitute that much and the Highlanders managed to punch out a couple of TD's

Your Choice.

Papec realizes that a farmer's likes and needs vary. That's why we give you a choice of forage harvester design.

Our big, tough Model "180" forage harvester is a rugged cut and blow, cylinder machine for larger tractors. It features a built-in powered knife grinder that lets you sharpen your knives in the field.

The Model "350" forage harvester lets smaller tractors do a bigger job due to its unique "stored energy" design. Papec's flywheel has the power when you need it.

The "350" is so simple. See your Papec dealer today for a demonstration. Or, write us to find out more about the Papec line of forage systems.

Get to know us... Your father did.

53 Enter Philadelphia Tennis Tournament Tourney

A field of 53 tennis entries make up the Philadelphia Community Club's first tennis tournament starting Saturday evening and running through Sunday, September 7.

The tournament under the direction of Doyle and David Arp will have feature a Beginner's men and women's bracket, an Intermediate men's A and B division and a ladies' Intermediate A bracket. An Advanced women's bracket will have but three entrants and there will be no men's advanced bracket, as the usual advanced men players which hail mostly from the Lenoir City area in the county did not enter.

The men's Intermediate A

class will offer a bit of novelty to the week long tournament by being a double elimination affair.

Any player failing to show for a match within 15 minutes of their time slot will forfeit their right to continue in the

tourney. The Philadelphia Community Club plans to use only the Philadelphia Recreation Park tennis facilities and will also provide a concession stand at the tourney site.

Loudon Doubles Tournament Deadline Saturday

Loudon Recreation Director Bill Birkholt wants to remind everyone in Loudon County that the deadline for the Loudon Doubles Tennis Tournament. Those who have not entered may do so by calling City Hall. All the games will be played on Loudon's new tennis courts. Entry fee is five dollars per team. The tourney will start Monday Sept. 9 and conclude on Sunday Sept. 15.

Loudon Pee Wee Teams Stay Unbeaten, Unscored On

Last Saturday night the three football teams sponsored by the Loudon Quarterback Club continued their successful 1974 season by shutting out Spring City in all three games. The Grasscutters started the

steam-roller attack with a crushing 30-0 victory. The Loudon Mustangs-not to be outdone-began the second game with a 60 yard run by Allan Eldridge on the first play of this game. A 35 yard run by Bruce Eller in the Spring City seven yard line set up the second score. A short run through the middle by quarterback Zell Hawkins. A pass from Hawkins to David Matlock added two points and the score was 14-0. Eldridge made his second TD of the night on a 30-yard scamp around end. Later in the second quarter, Hawkins passed to Eldridge for a 43 yard touchdown. Eller added 2 points as the first half ended.

over Lenoir City and were on the side lines this past Saturday night. In spite of this the Indians scalped Spring City 26-0 in a game that was called in the fourth quarter. Boo Boo Hawkins started the scoring with a three yard plunge. Spring City could not move the ball against the strong Indian defense and on the next series Hawkins threw a pass to Kerry Brantthoover for a 35-yard touchdown. Spring City showed one good spark on offense with a 17 yard pass play to the Loudon 15-yard-line. Again the Loudon defense stopped them dead and took over the ball on downs. Beginning the third quarter Hawkins returned the kickoff to the Spring City 27 yard line, where fullback Van Rattledge Loped in for the 27 yard T.D. Later Rattledge took a Spring City punt and headed down the left sidelines behind a wall of blockers. Twice he had to reverse his field, but his long effort paid off with six more points. Hawkins went through the middle to add the last two points of the 26 to 0 and the game was over. The staunch Indian defense was led by standout veteran linemen David Lambert and Tim Moore, ably assisted by Hawkins, Brantthoover, Jim Russell and Scrapy Ricky Sutton.

Next Saturday night the three Pee Wee teams will play the end of the third quarter. The Loudon Indians showed the most improvement during the week. Two of the Indian starting players—Mark Gibson and Jeff Parry—were raise money for uniforms and injured in last weeks victory equipment.

Philadelphia Connector Ahead Of Schedule

Paving on the Philadelphia connector road is not scheduled until spring, but because the contractor is ahead of schedule, "there is a chance it could be done by this fall," County Judge Harvey Sproul said this week.

"I'm requesting that this paving be expedited if there is any way possible," he said. Judge Sproul explained the paving was not included in the original contract because of the fuel crisis and rising asphalt prices.

State Department of Transportation officials felt if paving was included in the bids, construction companies would grossly overbid in an effort to meet the expected rising expenses, costing the county money, the judge said.

"We were in the middle of the energy crisis when the bids were let, and because the paving comes at the end of the project and because of the energy crisis, we decided not to include paving until the fuel issue was resolved or stabilized. The county concurred in that recommendation," Judge Sproul said.

Tolls on the Sugar Limb connector road, to be opened this week, will not include paving either.

League In Final Week

The Marentom golf league is going into the final week of play with Reed Stamey holding a 4 1/2 pt. lead. Richard Archer is in 2nd place, with a slim 1 pt. lead over Charlie Romines, and Calvin Wilson who are tied for third, with Jim Hamill close behind them in 5th place. Bob Sherwin was low net winner of the week with a round of 32. Bill Bishop and Bob Welch tied for 2nd low net with rounds of 35.

IN CARBIDE DRIVEWAY—The 1972 model car of Jerry Wilkerson, a Union Carbide employee is shown after it was damaged from striking a curb entering the plant last Saturday afternoon. Wilkerson took a warrant for a striking union member for breaking the windshield of the car allegedly causing the accident. Another striker has charged Wilkerson with assault with an automobile.

Investigates Dynamite Blast

(Continued from Page 1)

Company officials reported that Monday morning that old tires were arranged at a plant entrance and when workers reporting for work drove between them their tires were cut by glass and other objects. He said that the Highway Patrol and a County sheriff's vehicle were dispatched to the scene and the blockage was removed. He said that earlier reports of nails scattered on entrance roads continues daily, causing flat tires to vehicles.

The company reports that despite the problems a number of non-striking workers are continuing to report to work and that the plant is operating.

Union President Roy Jenkins told a reporter Tuesday night that he was not aware that there had been a dynamite blast of TVA power poles and that he did not think it was the work of any of the union members.

He and M. G. Dishner, IAM Representative, were asked about any acts directed against the striking union membership and they said that they would not specify any because they might be used in court actions later. Dishner said that several incidents against union members are known to him, but few warrants had been taken but there was a possibility that some would be later.

Jenkins said that guns have been seen in the cars of picketers entering and leaving the plant and one had been pointed at him, but he would not elaborate.

Asked about the rock throwing incidents and charges against union members, Jenkins said he understood that an incident did take place Monday night but he was not present and that some of the people charged were at home in bed and not even present when the incident took place.

Jenkins said that such acts of harassment or damaging the property of other people was against the law and he did not uphold any union member who might take such action. He said he and all other union members are as concerned as anyone that nothing happen that would lengthen the strike or delay any agreement that would be the employees of the plant from returning to their jobs.

Since a temporary injunction limiting the number of pickets and mass gathering at plant entrances union members have gathered at the location of the burned out Blue Circle Restaurant where meals are prepared daily.

A "scab" list which appeared to contain 40 to 50 names of persons who have or are crossing picket lines to work in the plant. There is also still a "bait mouth" sign listing several merchants.

Area Fishing Forecast

By Bobby Wolfe

FORT LOUDON LAKE Fishing activity is slow but some bass are being taken. Strip activity is very slow blue gill are good over most of the lake.

WATTS BAR Some strip activity is going on but is difficult to locate blue gill fair on fly rods. Some good night fishing has been reported.

NORRIS LAKE Activity is very slow.

LITTLE T. RIVER fishing is fair below Chilhowee Dam. Some good sauger have been taken. Trout fishing is picking up down stream to 411 bridge.

CHILHOWEE LAKE is poor as a whole but a few good trout are being caught at night.

DOUGLAS LAKE fishing is down but if you work you can catch a few bass.

CHEROKEE LAKE the Rockfish and Hybrid are the big thing in this lake.

Local Choir On TV Thursday At 10

As a promotion for the concert they will give at the Tennessee Valley Agriculture and Industrial Fair, the God's Squad, youth choir, of the First Baptist Church of Loudon will appear on Channel 26 Television's Good Morning Show, Thursday at 10 a.m.

The 55 member choir, directed by Mike Morgan, will present selected numbers from the musical "Celebrate Life."

On Sunday, Sept. 8, at 7:30 p.m. the choir will perform the entire musical at the fair, as the grand finale to a day long program of church programs at the fair. The God's Squad was one of seven area choirs selected from more than 40 applicants to perform at the fair.

A cool house begins with a cool attic

Trapped attic air, as hot as 140 degrees, radiates heat down into a home's living area, overloading the air conditioner and making you uncomfortable. But it doesn't have to be that way.

Six inches of ceiling insulation can block the heat. And an attic fan (not a ceiling fan) can remove the hot air from the attic.

Both are economical and fairly easy to install. Let full insulation and adequate attic ventilation begin lowering your cooling costs now.

PLAY ACTION MANEUVER—Greenback's sophomore rookie quarterback Roddy Kizer fakes a hand off to running back Randy Evans in a play maneuver to confuse the Gatlinburg-Pittman defense before rolling out to his right for a passing play.

Greenback Gets Scrimmage Win

(Continued from Page 9)

on the eighth grade, freshman and sophomore players used by the Cherokees.

Once the regulars had returned to wrap up the scrimmage the Highlanders were able to finally hit pay dirt. But Kizer put together a well led drive that ended on a touchdown aerial of 10 yards to Hawkins to close out the scrimmage.

"We found some people," said Coach Bailey. "And we got good efforts from our ends on offense and defense. The defense was better than expected for the time we have

had to spend on it. Roddy (Kizer) was very poised and his summer work and growth has grown three inches" has given him better credentials at replacing graduated All Conference signal caller Tony Linginfeller.

Greenback has ended its rough work for fall with no other scrimmages set other than Friday night's. Foothills Conference Football Jam-boree at Maryville College. The Cherokees meet Friendsville in a third quarter early season preview. The opening quarter has Maryville and Walland in a 7:30 kickoff.

GOOD RECEPTION—David Beeler, a senior end and defensive back, goes high to spear this Roddy Kizer aerial for a first down in Greenback's 4-1 scrimmage with over Gatlinburg-Pittman Friday evening.

Archer And Cobb Surrender Golf Lead

The Loudon City Golf League has a new team leader. After weeks and months of playing catch-up the brother team of Larry and Lynn Millsaps have finally overtaken the team of John Cobb and Richard Archer.

The Millsaps team has 205 team points and Archer and Cobb 200 team points to date.

Larry and Lynn are the defending league champs and must now hang on for the next five weeks of competition to once again reign as the league's top point getters.

While the league's two top teams battle for every team

point, Ed Arnold and Paul Brakebill now in third place continue to steadily creep up in team points. Out of contention at the start of August, the twosome has gradually been slipping more and more into the title picture. Arnold and Brakebill have 185 team points and were co-team of the week in low net score. Both Arnold and Brakebill matched the low net efforts of Danny Watkins and James Watkins with the week's top low net score.

Bill Chambers carded a 34 to be recognized as the top individual golfer of the week.

Atomic Race Schedule Changed For Weekend

Check signals! Saturday night's racing program at Atomic Speedway has been changed.

Only one class of automobiles—late model sportman—will be running instead of two which was previously announced. Still,

there will be as much feature competition with a 60-lap affair heading the menu.

Qualifying to determine the 22-car lineup for the 80-lapper gets under way at 7:45. The racing starts at 8:30. Tickets are \$5 (pits), \$4 (reserved) and \$3.50 (general admission).

Children under 12 years are admitted free.

Besides the feature run and the usual heat races, there also will be a 30-lap semi-feature and a bomber division feature.

"I expect we'll have to run 'two semi-features,'" said speedway owner Bob Martin. "Because of the number of cars expected."

Since tracks in Middle Tennessee have closed for the season, Martin anticipates several cars from that area. Among these is Jerry Canine of Columbia, who is driving a Chevelle owned by David Sisco of Nashville.

Also to be on hand are Joe Lee Johnson of Chattanooga and Georgia standouts Leon Brindle and Snooks De'Vor.

Saturday's main event will be worth \$650 and \$200 awaits the semi-feature victor.

Meanwhile, Little Bill (Orum of Maynardville and Ken Phillips of Loudon, the car's two biggest winners at the track, will be trying to maintain their dominance.

Atomic Speedway is located at 1-40 Melton Hill exit, east of Kingston.

REDSKINS CLOSE IN—Loudon's defense closes in on a determined McMinn County ball carrier after he breaks through the Loudon line. Pictured for the Redskins are Jeff Nichols, Steve Hill, Dickie Colvin, and Donnie Thearp.

LABOR DAY TOURNEY HARDWARE—Loudon's City Recreation Director, Bill Birkholz, looks over the display of trophies for the upcoming Loudon Labor Day Invitational softball tournament that totals over \$800 in hardware.

PLAY BALCONY IN BEDROOM

CONTEMPORARY HOME HAS SPACE AND LIGHT

living and dining rooms have been isolated from the normal traffic flow of the home to allow privacy when entertaining.

FEATURE HOMES

By W. D. FARMER

This ultra modern home for pleasant living is highlighted by an abundance of living space and a large inflow of natural light. An open air feeling is created by the sloping ceilings in almost every area of the home.

A casual opening from the foyer leads to the separate formal living area. Both the

kitchen features lots of cabinet and counter space to ease meal preparation. The step-saving U-shaped design includes such conveniences as a dishwasher and a pantry for storage. Central location between the breakfast and dining room allows easy access to both areas. An interesting note in the breakfast area is the overlook into the family room.

The spacious family room is highlighted by a central

fireplace with brick facing over the entire length of the wall. For convenience a half bath and a laundry area with washer and dryer connections are adjacent. Sliding glass doors lead to the rear yard.

The rest of the home comprises the four upstairs bedrooms. A real highlight for a family with young children is a bedroom with a play balcony.

The master suite, with sloping ceiling features a big walk-in closet, separate powder room and a private bath.

Each of the other bedrooms has ample closet space and hall access to a full bath with

vanity. Two of them feature sloped ceilings and fixed glass over the windows for extra light.

The contemporary exterior design is reflected by the roof line with ead roofs at different pitches and the combination of vertical siding and brick veneer.

The main and upper levels contain 1,709 square feet, while the lower level totals 423 square feet, for a total of 2,132 square feet.

For further information on plan number 7655SLA, write W. D. Farmer, Residence Designer, Inc., P.O. Box 49463, Atlanta, Ga. 30329.

Local FB Members At Conference

Leaders of the Loudon County Farm Bureau will be in Columbia attending the annual County Farm Bureau Presidents Conference. At the meeting, they'll hear addresses by the President of the American Farm Bureau, Deputy Assistant Secretary of Agriculture, and meet the Democratic and Republican candidates for Governor. The meeting opens at noon Tuesday, August 27, and ends after breakfast on Thursday, the 29th.

Heading the list of delegates will be William K. Bright, President of the Loudon County Farm Bureau. Also attending will be Ralph Alexander.

William J. Kufuss, an Illinois cattle and grain farmer who heads up the 2,200,000 member American Farm Bureau, will address the meeting on Wednesday evening. This will be his first official farm bureau visit to Tennessee since his election 3 1/2 years ago.

Addressing the conference Wednesday morning will be Richard W. Bell, Deputy Assistant Secretary of Agriculture for International Affairs and Commodity Programs.

Gubernatorial candidates Ray Blanton and Lamar Alexander have also been invited to speak to the delegates.

The Presidents Conference is an annual meeting of County Farm Bureau leaders from all over the state. While no official action is taken at the meeting, it has traditionally served as a beginning of Farm Bureau's policy development program for the coming year.

James S. Putnam, President of the Tennessee Farm Bureau, will open the conference with an address and will preside over the meeting. The sessions are set for the 4-H Club Training Center in Columbia.

CARD OF THANKS
To all our friends and neighbors. Our sincere thanks for all the many flowers, food, cards and phone calls rendered during the recent loss of our loved one, Mrs. Addie Blankenship. Gilbert Blankenship, Max Blankenship and Elizabeth Warpool.

IN MEMORY

In memory of Ruby Gray Russell, who died August 26, 1972.
Our hearts are sad, but this we know, when God called you had to go. They say time heals all sorrow and helps us to forget. But mama, time so far has only proven how much we miss you yet. Friends may think we have forgotten, when at times I try to smile, Little do they know the heartaches we are hiding all the while.
Sadly missed by husband, daughters, sons and grandchildren. 8-29-74p

ORDER OF PUBLICATION NON-RESIDENT NOTICE NO. 1400

Sharon Coghill Brady vs James Harold Brady II
In the General Sessions Court of Loudon County, Tenn. at Loudon, Tennessee.

It appearing from the bill in this cause, which is sworn to, that James Harold Brady II resides out of the State and cannot be personally served with process, it is ordered that publication be made for four consecutive weeks in the Loudon County Herald, a newspaper published at Loudon, Tennessee, in Loudon County, Tennessee, requiring the said Defendant to appear before the said Court on or before the 4th Monday in September next, and make defense to the bill filed in the above cause, which seeks Absolute Divorce, or other such bill will be taken for confessed and cause proceeded with ex parte.

This the 27 day of August, 1974.
Billy Joe Atkins, Clerk of said Court.
E. H. Arnold, Solicitor for Complainant. (8-29-74c).

BACK IN THE GOOD OLD DAYS

Again this week we are gaining a picture of unknown origin. The reason is we feel it was made somewhere in Loudon County and your help in placing its locality would be appreciated. If you know call me at 458-5881. The photo is another of those loaned us by Mrs. J.T. Norris of Eatons Community.

It is on her information that we think the photo was taken in the county. This picture possibly has many well known Loudon people in it and most likely is a school group or church group. At one time the churches and schools in many areas were housed in the same buildings and of course this could well be the case here. It is hard to tell if the building is of church or school design because both were similar.

The picture could have come from the Cave Creek area, but again we have no idea except that it was made in Loudon County someplace.

The man standing at the extreme right appears to be holding a Bible. If this is a case it would spell church group, on the other hand it could be a school principal. We know that it will possibly be a persons who has lived in this area for many years, who can come up with the identity of this old photo or possibly some younger person who has had information passed on to them. We know from talking to many of them who read our column, that our younger people have a real interest in nostalgia, as well as local color and history about our people in the past.

Over the passing years the people in and around Loudon have had a warm feeling for each other. Not only in families but in friends also. For many years our populated areas were small enough to make it possible for everybody to know everybody else. This is what we feel makes the good old days in our

area of interest to so many people. To most of us who grew up in this section of the world, we can relate to family names out of the past, connecting them to childhood days or to those who somebody had a part in our lives or in the development of our area.

We mentioned the name Fowler last week in relation to the old Fowlers Mill. This week we have a picture of two of Mr. and Mrs. Joe Randle's children taken many years ago. The Randle name is readily connected with an old time milling family also. This family operated Pond Creek Mill for many years. The mill was located in the Pond Creek Mill area for many years. The back water of Watts Bar Lake forced the mill to relocate and they bought the old historic Robinson Mill site and presently operate a mill at the site and still carry the name Pond Creek Milling Company. The milling business has been a part of the Randle family for over half a century. The mill today is operated by Joe Randle and son Jim, who is the young boy in the picture. Prior to this it was operated by Joe's father, now deceased. The young lady in the picture with Jim is his sister, Nancy. We are reminded that Jim has promised to bring us an old picture for use in the good old days and if he is not too mad at us for running his picture, he might hunt it up so we can use it soon.

We appreciate the use of the Randle children picture for it brings back many memories of the old mill and this most respected family.

We know many of our readers are very much interested in old automobiles. We have some very interesting information on prices from some old ads about the Model T Ford we would be glad to let any of our readers look at if they wish. Well, that's it for now, see you next week.

Maynard Is Dorm Head

Ray Allen Maynard of Loudon was one of five staff members named to head the Carson-Newman College College residence halls for the coming school year by C.N. President Clark Bryan recently.

Maynard is married to the former Linda Atkins and they have two children. Ray graduated from Carson Newman in 1968 with a B.S. in business. He received the Master of Religious Education degree from Midwestern Seminary and served as pastor of East Nolita Baptist Church prior to joining C.N.

While attending C.N. Ray was a member of the Eagle track team.

Dr. Sanders Dies In Virginia

Dr. Sam G. Sanders, about 85, who practiced medicine in Loudon in the 1930's died in Virginia on June 27, it was learned in Loudon this week.

Dr. Sanders practiced from the old Dr. Joe Harrison Hospital located on the corner of Ferry and Grove Street until 1939.

While in Loudon he married a nurse from Virginia. Before they left Loudon in 1939 their daughter, Sidney, was born. They also had two sons.

Stay up with Jerry and watch the stars come out.

Bond Sales Total \$30,077

Loudon counties purchased \$30,077 in Series E and H United States Savings Bonds during July, according to Will A. Hildreth county savings bonds chairman. January-July purchases of \$24,938 represent 63.7 percent of the county's 1974 goal as set by the Department of the Treasury.

Continuing an upward trend, Tennesseans invested \$6 million in the securities during July and \$47.6 million during the first seven months of 1974.

Americans as a whole acquired \$541 million in Savings Bonds during July, the highest for twenty-nine years, bringing the seven-month total to \$4.2 billion, well above the 1973 figure and a record for E and H Bond sales. Holdings by American families now total over \$62.5 billion, most of which was acquired through payroll savings, with an average monthly investment per saver of more than \$3, the announcement said.

WE'RE TAKING THE LABOR OUT OF LABOR DAY DECORATING!
