Mike Giles Dies In Cycle Wreck

A member of a prominent Loudon family was killed Friday when his motorcycle collided with a pickup truck and a car on Highway 72 South at the entrance to Loudon County Memorial Hospital.

MIKE GILES

The victim was Michael Harold Giles, 18 son of Mr. and Mrs. Harold Giles, owners of G&W IGA Food Market, Rt. 2, Loudon.

City police officers James Oody and Jesse Costner, who investigated stated in their report that a pickup truck driven by Juanita McBroom, 47, Rt. 2, Loudon, was turning into the hospital drive, crossing the northbound lane, when the cycle operated by Giles, struck the right rear of the truck. The report said that the collision caused the cycle to cross into the southbound lane when it struck the side of a car driven by Jack Handolph Jr., 25, Barber Lane, Loudon.

Survivors other than the parents were one sister, Pam, a student at Loudon High School; grandparents, Mr. and Mrs. Mohlar Giles of Loudon; grandmother, Mrs. Leona Gobel, Loudon and great grandmothers, Mrs. Nolan Clinton and Mrs. Mattie Goble.

Funeral services were held Sunday at Mount Zion Baptist Church with Rev. Ralph Millspaugh and Rev. S. A. Mynatt officiating. Interment was in Loudon County Memorial Gardens. Karnes Funeral Home was in charge of arrangements.

Gas Attendant Has Pocket Picked

A robber was not very subtle Thursday afternoon at the Hilltop Variety Store on Highway 86 but he was slick enough to get away with \$150 in cash.

County Deputies report that an attendant at the store walked up to a light colored pickup truck at the gas pumps and asked "how much." At that time the man in the left seat reached in the attendant's shirt pocket, plucked on the roll of bills and the truck, robber and his female companion, who was wearing a large straw hat, sped away.

Truck Smacks Knox Federal

HIT BY TRUCK—A tractor-trailer truck jackknifed on rain slick Highway 95 and slammed into the side of the new Knox Federal Savings and Loan building about 7:18 p.m. Wednesday causing heavy damage to the present concrete building. Lenoir City policeman Bob Johnson and Knox Federal manager Doug Naugher are shown surveying the damage to the inside and outside of the building. The truck struck the building near the front of the Northeast side of the precast concrete and steel reinforced wall caved in. The truck was driven by Roger Lewis Thompson of Acworth, Ga. He said as he was gearing down for the hill approaching Broadway the transmission on the truck slipped and as he applied the brakes the trailer overrode the tractor. The rear of the tractor struck the building. Damage estimates to the building are still incomplete. The office is still open for business. Mr. Naugher said.

The new Merit System the sheriff's office operates under, after Deputy Brown is served with written notice he can ask for a hearing before the Merit Board, headed by Square Curtis Williams. If the Board upholds the sheriff's action Brown can appeal and a full hearing held within 30 days.

Monday At 9 a.m. . .

Russell To Chair First County Court Session

New Loudon County Judge William H. Russell will chair his first meeting of Quarterly Court at 9 a.m. Monday in the courthouse. Judge Russell is expected to make a brief address to the court about his views on county government, some of the goals he hopes to achieve and the manner in which he will operate his office and court meeting.

Connector Bids Higher Than Expected

Tillett Brothers Construction Company of Shelbyville apparently entered the low bid for the construction of the Sugar Limb I-75 Connector Road. When bids were opened in Nashville Friday the Tillett bid of \$1,298,954 was low.

Superintendent To Write News Column

"View From the Hill" is the title of a new weekly column which will appear in The Herald beginning this week. The column is written by County School Superintendent Edward Headlee and will deal with activity in the county school system.

New Sheriff Fires Deputy Kenneth Brown

Sheriff Guy Russell immediately upon assuming his office at midnight Saturday, notified Deputy Kenneth Brown that his bond was cancelled and he was fired. Brown had been a deputy for several years under the former sheriff Freeman Russell.

TAKEN IN BOOTLEG CRACKDOWN—Sheriff Guy Russell (right) and several deputies are shown with the bootleg whiskey they took in a raid at a building behind Peanut's Tavern about 3 a.m. Sunday. The deputies are Joe Sims, Chief Deputy Luke Bright, Wayne Masbarn, Lucian Kent, Voyd Carruth, and Larry Proaps.

Sheriff Cracks Down On Bootlegging

Three hours after taking office Loudon Sheriff Guy Russell led a raid on a bootlegging establishment that the search warrant said is owned by Earl (Peanut) Crisp

and Cal Carmack. The raid took place at 3 a.m. Sunday about a hour after the

new sheriff warned persons at the establishment if they did not close up he was coming back.

The bootlegging establishment is on Browder Hollow Road, just behind a beer tavern known as Peanut's, which is just outside Lenoir City on U.S. 11.

KEEPING IT COLD—Sheriff Guy Russell and Chief Deputy Luke Bright check the stock of wine in a refrigerator after they raided a bootleg establishment at Lenoir City Sunday morning.

12 Strikers Face Contempt Charge. . .

Union-Company To Meet, Hope To End Carbide Strike

Negotiating teams from Union Carbide and local 2944 of the International Association of Machinists will meet Thursday at 2 p.m. at a meeting arranged through the federal mediation service.

Officials from the Union Carbide Films-Packaging plant at Loudon and the striking union are hopeful that progress toward a wage agreement can be reached. The meeting will take place in the mediation service offices in Knoxville.

Members of the union are in their fourth week of a strike at the plant which has been operating during that period with management personnel and non-union heavy personnel.

They should not be punished for contempt of court for violating and disobeying and aiding and abetting in the violation and disobedience of the temporary restraining order issued by the court on August 16, 1974.

A blanket citation was served on the union itself. Individual citations were issued for local union president Roy Jenkins, Loretta Bradshaw, Elbert Harris, Freda Welch, Curtis Alan Williams, Jr., June Atkins, Annis Schubert, Ernest Millsaps, Nell Buchanan, Jack Shupe, Birdie Ward and Samuel Johnson.

The "show cause" order stated that "they and each of them should show cause why

The citations listed several incidents where the union or union members has allegedly violated the injunction by throwing rocks at cars entering and leaving the plant, throwing bottles or refusing to allow employees to enter the plant.

Several cases are scheduled in General Sessions Court Friday where charges have been brought against individuals involved in alleged incidents surrounding the strike.

SEPTEMBER 5 1974

Loudon County Herald For and about Women

Dills-Ramey Vows Pledged

Miss Glenda Kay Ramey became the bride of Michael Eugene Dills on July 19 in ceremonies at Salem Baptist Church. Rev. Danny Thomas officiated.

The bride is the daughter of Mrs. Frances Ramey and the late C. J. Ramey of Rt. 1, Kingston, and the groom is the son of Mr. and Mrs. Eugene Dills of Rt. 1, Philadelphia.

Wedding music for the service was provided by Virginia Lee Williams and Janice Mack, organist.

The bride, who was given in marriage by Rev. Harley Ramey, wore a satin organza gown lavished with cotton lace on a high neck center front panel and shepherdess sleeves. The ivory satin ribbon tied the empire waist, which released slight gathers on the flared skirt edged in the same cotton lace. A built-in chapel-length train and veil completed the gown.

Barbara Ramey Walker served as matron of honor and Denise Payne as maid of honor. Bridesmaids were Frankie Ramey Scott, Gwen Ferguson, and Joy James. Janet Ramey served as junior bridesmaid and Yvonne Humphreys as flower girl.

Aaron Dills served as the groom's best man, while other attendants were Billy Barr, Eddie Scott, Ray Walker, Dwight Allen, and Gary Shell. The bride's mother wore a pastel-colored dress with belted waist and line sleeves, and the mother of the groom wore a dark rose-colored dress with ivory cotton lace at the waist and long sleeves.

Following the ceremony, a reception was held at the home of Mr. and Mrs. Archie Walker.

The bride is a graduate of Midway High School and a graduate of the National School of Business. She is presently employed as a medical secretary.

The groom is a graduate of Loudon High School and the Athens Area-Vocational School.

Following a wedding trip to Florida, the couple is making their home at Stone Wood Apartments in Sweetwater.

Out-of-town guests attending the wedding included Joy James and Ron Clark of Cleveland, and Denise Payne of Chattanooga.

Personal Mention

MRS. ERNIE LUNSFORD
Phone 458-2681

Mr. and Mrs. Joe Carter returned home Sunday after a 15 day Western Tour.

Mr. and Mrs. W. L. Fulton have returned to their home in Dayton, Ohio after a visit here with Mr. and Mrs. Ed Matlock and Mr. and Mrs. Tom Matlock.

Mr. Ollie Chaney is recuperating at his home following surgery at Fort Sanders Hospital.

We feel that this is a familiar place. It seems that we have seen a similar building somewhere but can't recall where it was. This could have been made in the Greenback area but we don't know. If anyone can offer any help on any of these old pictures we would like to hear from you. We will greatly appreciate your help.

Our other picture this week is from the same group loaned us by Mrs. Norris. This picture is very unusual in several ways. One thing, the design of the house is very odd by even old time standards. Of course, the small bell on the right end of the roof could label it as a church or school, but years ago farm houses used to have large bells mounted on posts in the yard to summon distant neighbors in time of fire or other emergencies at which time they needed the aid of their closest neighbor. My wife's sister, Mrs. Jim Arp, has one of these old antique bells mounted on a post in her yard and it is always a topic of conversation with people visiting their home who are not familiar with this old time custom.

We mentioned a couple of weeks ago in our column that we had this group of old pictures which were loaned to us by Mrs. Norris of Eatons.

Smith Killed By Tractor

Emerson Smith, 34, Trigonua Road, was killed Saturday afternoon when a farm tractor overturned on him at his farm near Greenback. He was employed at ALCOA.

Smith had built a new house on the farm, which is actually in Mount County, and was hauling some brush when the tractor overturned.

He leaves his wife, Mrs. Marie Wolfe Smith, sons, Kenneth who operates Smith Grocery at Glendale, Albert of Morristown; daughter, Mrs. Mary Roddy of Indiana; two sisters, Mrs. Georgia Vaden and Miss Minnie Smith, both of Maryville; and five grandchildren.

Funeral services were held Monday at Smith Mortuary Chapel in Maryville with burial in Sherwood Memorial Gardens.

Well, since that time we have run some of them, and have had some success in finding the identity or at least something about them. We still have a couple more of them left and thought we would run them this week and see what we could find out about them for Mrs. Norris. As we have mentioned before, this lady has done a lot of research on nostalgia and would like to have this information to add to her collection.

Some of the most interesting pictures we have had were ones that were not identified until we ran them in the Good Old Days.

One picture we are using this week is a school picture as is indicated by a portion of the sign visible in the picture.

Where it was, or what the name of it is, we have no idea, but according to Mrs. Norris, it was located somewhere in our area. The building might offer some clue even if the identity of those in the picture are not known. It could have been in any section of our area but with good coverage of our area as well as other localities, we might be able to pinpoint it.

A few days ago we were in Knoxville and ran into Bob Casteed. Bob grew up in Loudon and has lived in Knoxville for the past few years. Many will recall Bob as an outstanding Loudon football star, who also played for UT. We asked Bob sometime ago for pictures and information about his football years and teammates. Maybe he will help us out on this later.

Well, that's it for now. See you next week.

dictated many are not aware of these things.

One thing we learned was that the name Carson Newman was a combination of the names of two different schools. The name Carson came from a boys school named Carson and the name Newman came from a girls school named Newman. The two were combined to give Carson Newman its name. This, of course, was many years ago. Carson Newman College is rich in history, in early religious activity as well as in the Education field. Like other denominational colleges, it has educated many ministers, teachers and others.

It is always interesting to find things like this out about people and places. It includes, many times, things that are not on record anyway. With many of our Good Old Days fans keeping notebooks it is possible that through this and the microfilming of our paper, that much of this otherwise unrecorded information will be preserved for those who will make up our future generation.

A few days ago we were in Knoxville and ran into Bob Casteed. Bob grew up in Loudon and has lived in Knoxville for the past few years. Many will recall Bob as an outstanding Loudon football star, who also played for UT. We asked Bob sometime ago for pictures and information about his football years and teammates. Maybe he will help us out on this later.

Facts on Annual Electric Energy Use

Electrical appliances help make our lives more comfortable, convenient, and safe. Choose and use them wisely to save electricity, time, and money. You may use the following chart as a guide.

Remember: A kWh (kilowatt-hour) is equivalent to the electricity used by ten 100-watt light bulbs burning for one hour.

	Average kWh Used Annually
Electric furnace	13,200*
Heat pump	6,800**
Quick-recovery water heater	4,800
Refrigerator/freezer (14-cu. ft. frostless)	1,800
Freezer (15-cu. ft. frostless)	1,800
Air Conditioning (Central, per ton)	1,500
Air conditioner (Room, one ton)	1,500
Freezer (15 cu. ft. manual defrost)	1,200
Refrigerator/freezer (14-cu. ft. manual defrost)	1,200
Range	1,200
Clothes dryer	1,000
Color television	
Tube type	660
Solid state	440
Dehumidifier	400
Dishwasher	360***
Black & white television	
Tube type	350
Solid state	120
Attic fan	300
Microwave oven	300
Roaster	200
Frying pan	190
Electric blanket	150
Hand iron	150
Radio-phonograph	110
Coffeemaker	110
Clothes washer	110
Trash compactor	100***
Vacuum cleaner	50
Toaster	40
Food disposer	30
Sun lamp	20
Clock	18
Mixer	10
Toothbrush	5

Pilots Slate Club Meeting

The Loudon County Flying and Pilots Association will have a meeting Thursday, Sept. 5, 7:30 p.m. at Al's Steak House in Lenoir City.

President Don McMurray will preside. Coffee and pie will be served.

A discussion of a public airport for the county will be discussed.

Bookmobile Visits Set

Two bookmobiles of the Fort Loudoun Regional Library Center of Athens will be in Loudon County on September 12, 19 and 26.

The following is the Bookmobile schedule for September: Thursday, September 12, Lenoir City Library, 8:30 a.m.; New Providence, 11:15 a.m.; Hines Valley, 1:30 p.m.; Loudon Library, 3 p.m.; and Jackson, 3:45 p.m.; Thursday, September 19, Philadelphia, 12 noon and on Thursday, September 26, Greenback Library, 10:30 a.m.

Sarah Simpson To Teach Equitation At Hiwassee College

The appointment of Miss Sarah Simpson as instructor of equitation has just been announced by Dr. Horace Barker, President of the College. Miss Simpson, from Loudon, will head up the program and offer the first classes in riding beginning with the fall term. In addition to regular college credit, both for phys. ed. and for those interested in working toward a certificate in equitation, Miss Simpson will offer Saturday classes for children interested in the riding program.

Miss Simpson's formal training includes attendance at Mississippi State College for Women, Ringling School of Art and the University of Tennessee where she received

the Bachelor of Fine Arts in 1972. She has earned additional credit at Manatee Junior College and the University of South Florida. Prior to her appointment as instructor of equitation at Hiwassee her experience includes work in Loudon County Schools in the head-start program, three years as social worker under Title I in Loudon County, and art instructor from 68-70.

Area children interested in riding classes should call or write the office of admissions for additional information or details. The Saturday program will, by necessity, be limited and will be made available on a first come, first served basis.

Arnold Hawkins Powers Hamilton Bank Of Oak Ridge To Loudon Labor Day Softball Title

The Loudon Recreation Department refused to make any comment as to their special treatment shown over the past weekend by Mother Nature. Loudon, with its first Labor Day Weekend Softball Invitational set, the weather became a major factor as the national weather service forecast 70 and 80 percent precipitation for the entire

weekend. Nevertheless the rains managed to work their way "around" the tournament for what proved to be a most enjoyable and exciting tournament.

Hamilton Bank of Oak Ridge, who has put together an impressive 7-1-7 season record in finishing fourth in the State softball tournament and won invitationals in both

Tennessee and Kentucky during the summer, rode through the Loudon tournament unbeaten. Treatham Builders of Maryville finished second bowing twice to the Oak Ridge Bankers. McKeenan Chair battled to a

third place position and the surprise of the tournament, the Hamilton Bank of Loudon captured a fourth place trophy.

Some of the unusual happenings in the tournament was the play of Loudon County's two top powers, the Bank of

HAMILTON BANK OF OAK RIDGE IS TOURNAMENT CHAMPS—The Hamilton Bank of Oak Ridge rode unbeaten through the 16 team field of Loudon Labor Day Softball Invitational entries to take home the beautiful four foot championship trophy. The tournament ended the season for the Hamilton team fourth in the state tournament and had a season record of 7-1-7 winning several invitational tournaments and placing in the top four of various others. Loudon cheerleader Jewel Horner, a tournament hostess made the trophy presentation along with tournament director Fred Mode and Loudon Recreation Director Bill Birkholz.

Speaking of Sports

By DANNY GIBSON
Sports Editor

While the Labor Day Weekend found the majority of people relaxing in their own capacity of boating, fishing, camping, hiking, water skiing, picnicing, hunting, playing tennis, softball; or just lounging in normal custom of paying tribute to the long-established holiday weekend marking the official end of summer, we found ourselves "Laboring".

Certainly Loudon County was a site for sporting activity over the course of the weekend with the Loudon Labor Day Softball Invitational coming off without a hitch. Even the weather conditions played favor with tournament director Fred Mode and his very impressive field of talented and classy teams.

The overall sportsmanship was of major league taste and had the top drawing teams begging to for an invitation back next year. Individuals like Mr. Mode working behind the scene that makes a program such as Loudon has had this summer become one of model proportion with the entire community benefitting.

The only cloud we had about the tournament was the selecting of an all tournament team. One representative off the top nine teams was named and we think the top finishers deserve more of a consideration than just a single representative.

High School football 1974 style will get started this Friday night and with the forthcoming season the Herald is sponsoring for the 12th year the Annual Football Contest for the aid of several Loudon County firms. The contest will last for 12 weeks carrying through the play-offs. Better hurry to get those season opener "picks" in before the deadline.

The Herald will again keep the Loudon County readers up to date with the region point standings during the season, starting with about the fourth week of action and following weekly through the play-offs.

A hasten look at the County prep teams finds Loudon getting a lot of pre-season build up as a "AA" play-off contender. But the Region Two tip is Cleveland, McMinn Central, and Kingston, along with Loudon will all vie for the two top spots in the league that will prompt a play-off berth.

Maryville, Region One, is expected to be as good as ever, but lacks the depth of past years. A healthy first 11 could bring the Rebels another title.

In the A division, Greenback will have to out distance Walland and Porter in their own conference for a second straight play-off berth. Jacksboro and Coalfield are also expected to figure in the Region One picture from the Northeastern Conference of Upper East Tennessee.

At any rate football season is upon us and with it the fall weather and beautiful autumn colors are soon to replace the summer time days that are on their way out.

MOST VALUABLE PLAYER—Arnold Hawkins, who made headlines as the "home town hero" as a star football performer for the Loudon Redskins back in the late 1960's returned to the home front this past weekend as a sure handed first baseman and power hitter for the Hamilton Bank of Oak Ridge in the Loudon Labor Day Softball Invitational Tournament. The muscular Hawkins blasted eight home runs in gaining both a position on the all-tournament team and being named the most valuable player of the tourney. Tournament director Fred Mode appears to be equally pleased over the announcement and presentation of the awards. Bill Birkholz, Loudon Recreation Director also part in the trophy presentation.

RECEIVES PLAQUE—Loudon High School football coach Bert Rattledge, who has served as the summer recreation director for Loudon for the past three summers was presented a plaque of appreciation for his time and work in establishing the City of Loudon with one of the better youth and adult recreation programs in the area. Making the presentation is Bernie Swiney, city councilman and Bill Birkholz the newly hired full time recreation director for Loudon.

CAPTURE FOURTH PLACE—The Hamilton Bank of Loudon used a strong defensive showing and clutch hitting to finish fourth in the highly talented field of Labor Day Weekend softball participants in the Loudon Labor Day Softball Invitational. The team was presented with a trophy by tournament director Fred Mode and Loudon Recreation Director Bill Birkholz.

1974 High School Football Starts Friday Night

The high school football season gets underway across the state for real Friday night. And in that regular season kickoff the three prep teams of Loudon County will open their respective seasons.

Lenoir City is the lone county team to open with a home date. Region Two runner-up in 1973, McMinn Central will visit the Panthers in an 8 p.m. skirmish. The Chargers are getting a high rating once again this fall as a top contender and will bank highly on a veteran line to get the edge.

The Panthers are embarking upon a season with a lot of new faces and a new head coach in the way of former assistant Henry Blackburn, who believes his Panthers are ready to start

We want to help you make improvements

A new home, larger buildings, more efficient facilities for handling livestock—these major improvements are investments that shouldn't be postponed if they can be handled without a strain on your finances. A long-term Land Bank loan at a reasonable interest rate can make these things possible. Bring in your ideas now. Take the time to see what a good credit program we can offer.

Loudon County and Eaton Corporation of Lenoir City both falling in their first tournament test and running into each other in a survival contest on Saturday in the loser bracket.

Bar-Knit of Philadelphia handled the Bank of Loudon County 13-7, despite the hitting being even at 16 base knocks each.

McKeenan Chair nipped Eaton 9-8.

The Bank of Loudon County then eliminated Eaton 6-4. The Hamilton Bank of Loudon won over Hall Oil Company 7-2 and then overcame a 10-3 deficit against North Athens for a 12-11 decision, as Don Canter and Joe Franklin paved the way with three hits each.

Treatham Builders stopped the Loudon Hamilton team 13-7, but the Loudon team bounced right back on a first inning grand slam home run by Gene Rattledge to eliminate O'Kains Insurance of Oak Ridge 4-3. McKeenan Chair ended the Hamilton Bank of Loudon hopes with a 12-1 victory.

Hall Oil Company, after a first round loss, came back to win over Grassy Valley 10-5 only to lose to Levi's 10-2. The Bank of Loudon County was put out by McKeenan Chair of Athens 6-1.

In the final day of play (Monday) the Hamilton Bank of Oak Ridge stopped Treatham Builders 17-6. The Maryville team followed with a come from behind win over third place finisher McKeenan Chair 8-7 to gain the finals. The Hamilton team again used their superior home run power to win the title 15-4.

primarily the same players back for this year's Friday night's 7:30 kickoff.

Greenback will travel the farthest of the Loudon County teams. The Cherokee (Continued on Page 11)

BASE KNOCK—Bank of Loudon County second baseman Lonnie Hawkins cracks a base hit against Eaton Corporation in a 6-4 win over their county rivals. The win was the Bank's fifth in eight meetings this summer in tournament play against Eaton.

***** Redskin Grid Material Could Make Loudon AA Contender *****

The Loudon Redskins appear to have the monkey on their backs even before the 1974 high school football season gets underway. The grid forces of Coach Bert Ratledge return some 27 letters from a 1973 team that finished with a 5-5 mark. Many opponents and local patrons have the Loudon stock at a premium this fall with enough talent to contend for the Region Two double-A title and a possible state play-off berth. The Redskins like what they hear but feel there may be nine opposing teams on the Loudon schedule who feel they can change the "atmosphere" among the Redskin following.

Loudon will be a much improved team in 1974 with the possible best talent and

Kenny Skinner is the other tackle weighing 200. Donnie Therap, better known for his basketball talents at 6-5, will hold a starting position at guard on the right side beside Yates. Jeff Nichols a 200 pound junior is the lone under classman on the starting front seven, set at left tackle.

Floyd Morton, the lightest of the starters, will be the offensive center at 160 and 5-9. Morton was given a high grade in the Webb-Jefferson scrimmage for his snuffing and blocking by assistant Coach Jim Gibson.

The starting line will be all seniors except for Nichols. The Redskin depth is a sign of their early season attention in the way of varsity back-up

plenty of support to the guards and tackles on the right side of the Loudon offense. Sophomores Sam Theary (6-2, 230) and Junior Rollen (6-1, 215) will be relief for the rightside interior linemen. Steve Hill a rugged 170 pound junior will play center and see some service as a guard. Ronnie Roberts a 190 pound center will also be used in the

Redskin line. Defensively the Redskins will find Lyle and Donnie Theary at ends with Morton and Swiney also playing the positions. Yates and Skinner are likely tackles. Linebackers will be Johnny Deatridge, Marlon Brown, and Colvin. The secondary will consist of Greg Deatridge, Melton, Watkins, and McQueen. Tim Murrell, Carter Cardwell, Mike Lambert, and Bumper Webster will provide back-up for the secondary.

Loudon on paper has the size enough speed to add variety, and the experience or a fine season. The key one of the season will be the senior at Alcoa, while a strong showing against defending AA State Champion, Kingston, will be a major factor, as was last year, to the frame of mind the Redskins will carry for the 1974 season.

Pursuit on the part of the Loudon defense may be unsatisfactory due to their size. The Redskins will have to prove themselves in the defensive secondary should a team try to strike by air rather than go through the Loudon line. Linebacking will be thin in depth and may be a defensive factor. Senior Dennis Rowe will return in two weeks after finding his doctor's early diagnosis of a slipped disc be only a torn muscle and nerve damage.

Loudon's offense will depend on the job done by the up front blocking and the authority of the quarterbacks to motivate the team. Ball handling, Loudon lost over 40 fumbles in 1973, must be held to a minimum this year.

Certainly a pre-season possibility along with such teams as Kingston, McMinn Central, and Cleveland for region honors.

Loudon County The Herald SPORTS

* 1972 Winner of Second Place Award among Tennessee weekly newspapers in Sportswriting
 * 1973 Winner of Fourth Place Award among Tennessee weekly newspapers in Sportswriting

1971 LOUDON REDSKINS—Front row left to right: Sam Lyle, Buddy Swiney, Terry Brown, Floyd Morton, Dennis Rowe, Mike Yates, Rick Tucker, and Dennis Queen. Second row left to right: Tim Murrell, Jeff Nichols, Ricky Lovin, Roy Hughes, Carter Cardwell, Ronnie Roberts, Kenny Skinner, Porky Campbell, Donnie Therap, Bill Kollock, and Raymond Watkins. Third row left to right: Junior Rollen, Zake Spoon, Steve Lyle, John Delaney, Butch White, John Sweet, Conway Dukas, Sammy Theary, Kenny Starritt, and Mike Lambert. Fourth row left to right: Billy Joe Presley, Sam Stewart, Wendall Davidson, Steve Hill, Gene Gate, Rick Melton, Greg Deatridge, Johnny Deatridge, Marlon Brown, Tim Kiser, Jeff McQueen, and David Grissom. Back row left to right: Coach Jim Gibson, Managers John Rider and Darrell Tuck, and head Coach Bert "Chig" Ratledge. Not pictured is Bumper Webster.

RIDING HIGH—Loudon football coach Bert "Chig" Ratledge (right) and assistant Jim Gibson (left) are riding high on the play of their captains for 1974 left to right Mike Yates, Sam Lyle, Dennis Queen, and Johnny Deatridge in hopes of improving their team showing of last year's 5-5 record. Coach Ratledge is in his 18th season at the helm of the Redskin grid program.

balance since the 1969 season when Loudon did win the AA State Championship. The Redskins have a fine crop of running backs with Johnny Deatridge a six foot 200 pounder expected to make a lot of college scouts check lists before the season is over, heading the group. Rick Melton a 170 pound junior will be the top speed threat in the Redskins veeer offense. Marlon Brown, 6-1, 200, and a junior is a key offensive figure as a back-up to Deatridge and gives both power and endurance to the Loudon offense. Dickie Colvin is also a fullback candidate and could start in the backfield for a lot of teams in the area. Behind Melton will be wirey running back Porky Campbell and sophomore Greg Deatridge.

Rick Tucker, a solid 5-8 senior, gives the Redskins a speedy and elusive flanker. Raymond Watkins and Kenny Starritt are set to relieve Tucker.

Lack Of Depth To Hinder Lenoir City's Blackburn's First Football Campaign

Senior Dennis Queen, 6-1, 180, could be the hunking the Loudon offense. The senior quarterback lacked the ability to be consistent in 1973, but appears to be more confident and sure of himself thus far this fall in practice sessions. Queen has the arm and quick feet to be a threat anytime he has the football. Sophomore Carter Cardwell might be the better at carrying out play assignments but lacks the experience of varsity warfare. Both will give the Loudon offense adequate leadership in quest of crossing the double stripes.

Loudon's line will be big and strong with the ability to fire off the line in an explosive manner. A likely starting trench force of Sam Lyle, 6-1, 195, will be the tight end and has the hands to be a college prospect. His speed will determine much to his chances of turning receptions into touchdowns. Jeff McQueen will be holding the split end job. Mike Yates a muscular, but not always consistent, 230 pounder will be a main wheel in the line play.

The Lenoir City Panthers will open their regular season Friday night against double-A Region Two contender McMinn Central. The Panthers will be facing a veteran Charger eleven while they themselves will be considered a young and inexperienced group with questionable credentials.

Coach Henry Blackburn, in his first season as head of the Lenoir City football program after serving as an assistant for a number of years, will field a spirited and hustling team.

letterman at quarterback, rejoined the team as late as mid-week to get ready for the Friday night battle. McConkey, with the best field

competitor relates Coach Blackburn if he ever gets the confidence to run with abandon authority. He has all the moves and speed.

Bobby Smith a hard driving junior fullback will be the lone starter in the backfield who has been able to work daily this fall with the varsity. His rugged blasts into the line will favor those of graduated Mike Walker.

If the Panthers are to be evaluated for strength, running backs would be their top triumph suit when all are well. Danny Hall who will be heard from as the season rolls along and sophomore Walt Thaxton will give the opposing defenses plenty of moves to grab over.

In the line it's probably Randy Pickle and Mike McNabb lining up at ends. McNabb is 6-4 and 185 pounds with some ability to catch the football. Pickle is a junior. Mitch Smith, Jeff Blakney, Steve Arnold and David Malone are all candidates for pass reception duties.

Tackles are the most inexperienced of Coach Blackburn's team. Jeff Blakney is

set to handle the right side both offensively and on defense. The 200 pound senior should be a real leader for the Panthers this fall.

Jeff Walker is back after knee surgery, but he did not show up for fall drills in his best physical form and is bothered by a scrimmage bruise to the same knee. Nevertheless the junior defensive stalwart will be an important figure to the Panthers and will be on the firing line come Friday night.

Senior Dewayne McNabb will also see plenty of action at tackle.

Curtis Monger and Mike Haynes will be returning lettermen at guards and should play the positions well. Mark Shaver, Robert Keener, and Mike Bledsoe are due to fill in as top line reserves for the men up front.

Tony Williamson at 215 will be the starting center. Kenneth Flynn is a candidate to relieve Williamson.

The Panthers are not at this time considered a contender for region honors but could figure highly in the outcome as they play the league's best

MIKE MCCONKEY....experienced field general. JEFF CANISLER....top break away threat.

ANNUAL FOOTBALL CONTEST

The Herald Loudon County

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

\$12 First Place

\$8 Second Place

\$5 Third Place

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

ENTRIES MUST BE IN THE HERALD OFFICE BY 5 P.M. FRIDAY OR POSTMARKED BY 5 P.M. FRIDAY, IF MAILED.

Friendsville Gets 8-0 Decision Over Cherokees In Jamboree

The Greenback Cherokees, playing without injured senior running back and offensive stalwart Kyle Shepperd, dropped an 8-0 third quarter pre-season Friday

formations in swapping offensive chances with the Falcons. Greenback got a steady running effort from Junior Jimmy Brooks and the converted lineman ran for three first downs and kept the Cherokees in Friendsville territory the entire quarter of play.

Friendsville found little success at cracking the Greenback defense led by Jeff Tipton and Kenny Evans. But two pass completions the last one for a zig-zagging 42 yards with Greenback tacklers laying over most of the route ended in a touchdown. A second effort on the part of the

Friendsville ball carrier for the conversion points made the score 8-0. Kyle Shepperd, a key figure for Coach Keith Bailey's team this fall, did not play due to a cut foot which did not have the stitches out. Shepperd hurt the foot in a backyard touch game when he went up for a pass

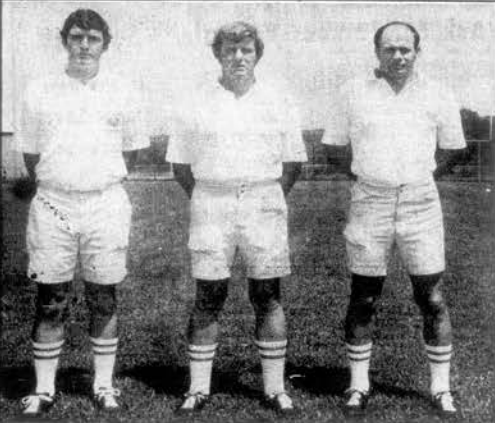

and came down on a piece of glass bare-footed. Other jamboree action saw Maryville score its first time with the football for a 6-0 win over Walland. Alcorn used two teams to handle Townsend 13-0. Porter and Everett and Lanier and Seymour all battled to scoreless ties.

Eight Foothills Conference football jamboree preview to Friendsville. The Cherokees not wishing to show a great deal of their ill preparation chose one of their less used defensive

Greenback's Rebuilding Season Could Surprise Opponents

TO BEGIN FIRST SEASON—The Lenoir City football coaches, while not new to the Panther athletic program, will be undertaking a new roles in 1974. Coach Henry Blackburn, has been stepped up as the head coach replacing Dale Brown, who resigned last winter for a job with the state. Grady Thompson and Bo Burnett will assist in the football program, as all three will work with freshman and varsity players. Pictured Thompson, Blackburn, and Burnett, from left to right.

Coach Keith Bailey, stepping into his ninth year as head coach of the Greenback Cherokees, finds himself without any of the super players that carried him to the state A playoffs in 1973. Yet the crafty Bailey talks of having better balance than last season. "Our line will be improved overall, but we still lack speed in the backfield," confesses Coach Bailey.

Harold Hawkins, a sophomore split end at 170 pounds, will be the teams most exciting individual. "Hawkins must have the football for us to move effectively," says Bailey. Hawkins will also be used in the backfield on occasions and as a defensive safety and punt returner.

Lynn Rucker also a sophomore will be at tight end at a small 145 pounds. His sure

hands won him the starting role. Rick Russell 6-0, 210 and Coy Webb 5-9, 172 are ready to handle the tackle duties. Co-captains Kenny Evans and Jeff Tipton are standout guard material and will serve as linebackers on defense. Rocky

UP FOR GRABS—Greenback's Harold Hawkins goes high to battle for this Roddy Kizer aerial in the third quarter jamboree play with Friendsville. The Falcons won the decision 8-0.

CHEROKEE REAL ESTATE AGENTS—Greenback will be depending heavily on their up the middle power unit of running backs Kyle Shepperd (left) and Jimmy Brooks (right). Coordinating with the Cherokees two top ground gainers will be rookie quarterback Roddy Kizer and his center Rocky Anderson.

Anderson has moved into the vacated center position, replacing Mike Evans. Reserve strength has freshman Steve Linginfelter, 194 pounds, Randy McNeilly, a senior, Eric Becher and Roger Hampton, two promising sophomores on stand by for varsity playing time.

In the backfield, sophomore Roddy Kizer must fill the shoes of graduated Tony Linginfelter. At 145 pounds and six feet all, Kizer has the promise of being a good field general in time. Experience will bring confidence and again give the Cherokees a top player at the key position.

Jimmy Brooks, 190 pound junior, has been moved from the line to running back in a move that has the Cherokee offense clicking. Brooks has made the change over with surprise ease and likes carrying the football, Kyle Shepperd, senior returnee at

tailback must shoulder a big portion of the Cherokees duties offensively and on defense. Shepperd will play

the Cherokees two strong power backs and his 185 pound frame will plug a lot of holes on defense. The flanker job is up for grabs with David Beeler, a senior, a step ahead of Mark Carver, a returning letterman at the position. Carver a junior has the position at an ace at the position at 6-2 and 137, but has been only so-so in his sophomore season and has failed to be constant in fall drills.

Beeler will line up with Danny Dodson as a defensive back for the varsity. Tony Chambers will play defensive end and also work out of the Greenback backfield some, as will Dodson, who will handle the back-up quarterback job.

Robert Davis a junior out for the first time and Randy Evans are also expected to see playing time in the Greenback backfield.

Frank Mitchell and Claude Chapman are competing for the other defensive end starting job and both will play plenty. The Cherokees are said to be in a rebuilding stage and the early reviews backed the predictions. Nevertheless Coach Keith Bailey's forces have worked hard and look

lean and ready for a challenge not expected of such a young team. Jimmy Brooks, a veteran starter since the eighth grade expressed the feeling that "it hurts to loose and we are going to win our share."

The Cherokees will have the conference schedule against them with six games on the road and only four contests at home. The key to the season will hinge on games with Friendsville and Lanier. Without a bonafide knockout punch at this writing the Cherokees must play on pride and hustle to be in the thick of things come November. A good year for the Cherokees would be a 5-5 mark, but we see Coach Bailey and his gang (barring key injuries) seeking another "winner" for Cherokee followers.

will go to Jacksboro to take on the North East Conference's top pre-season Itogon one Class A contender. Jacksboro is expected to field a very physical team much to the order of Maryville Porter over the past couple of seasons. The upper East Tennesseans battle Scott County to a scoreless tie in a Friday night jamboree review. "We are going into battle blind," Greenback Coach Keith Bailey. "We know little about Jacksboro and doubt they know much about us. We will try to do what we do best and hope it works."

NOTICE

Loudon County Democrats

There will be a meeting of the Loudon County Democratic Executive Committee Thursday Night, Sept. 5, at the Courthouse in Loudon, beginning at 7:30 p.m.

Primary purpose of the meeting will be for Discussion and Organization for the up-coming General Election, and for other business, pertinent to the campaign, which may properly be brought before the meeting.

ALL LOUDON COUNTY DEMOCRATS ARE URGED TO ATTEND.

Philadelphia Tournament Finals This Weekend

The Philadelphia Community Club Tennis Tournament is at its half way mark with the field of 83 entries being reduced to 19 at the time of this writing. A vigorous Labor Day weekend schedule and some 10 forfeits has the tournament winging its way into the final and semi-finals of each division.

In the Beginners' Men Luke Bright has advanced to the semi-final round having stopped Eddie Brewster 6-1, 6-2 and Larry Arp 6-1, 6-1. Arp advanced with a forfeit win over Dwight Orr. Opposite Bright in the top bracket of the Beginner Men is Larry Smallen. Smallen drew a first round bye and then edged Don Gagley 2-6, 6-7, 6-3 for the semi-final berth. Gagley had won over Ricky McJunkins 6-3, 7-6, 6-4.

In the lower bracket Larry Millsaps is a two game winner with victories over Larry Cate, 6-3, 6-3, and Gerald Cole, 6-3, 6-3. Cole defeated Doyle Arp 6-0, 5-7, 6-0. Larry Millsaps will face either Jerry White, first round winner over Tommy Millsaps, 6-2, 6-4, or Gerald Cole in an opening round bye, who must play for the semi-final slot.

In the Women's Beginner play Glenda Arp and Helen Cole have gained the finals. Arp defeated K. Waller 5-6, 6-2, and then disposed of Sammie Windle, who drew a bye, 6-1, 6-1.

Brenda McKee turned back Betty Waller 6-2, 6-1, only to fall to Helen Cole, who drew a lower bracket bye in the first round, 6-4, 6-4.

The finals of the Beginner Men and the Beginner Women division will be Saturday at 10:30 a.m.

In the Intermediate classes action has been hot and heavy with the men's division having an A and B class to go with the women's division.

Rodney Blevins has swept through four matches to gain a spot in the Men's B Intermediate Class. Blevins got an opening round forfeit over Butch Brown and then a

spirited win over Don Center of 6-3, 4-4, 7-5 gained him a quarterfinal berth with Buddy Swiney who was forced to forfeit. Blevins then beat Charlie Windle 6-2, 6-3, and then rode to show forfeits by Inky Swiney and Tim Guider who were to meet for the right to play Johnson.

Tom Rothwell and Dewayne Arp were to play for the right to challenge David Arp for the right to the finals of the Intermediate B in men's play. Rothwell defeated Lynn Burnett 6-4, 6-3. Burnett had advanced with a forfeit over Eddie Stular.

Dewayne Arp eliminated Bill Birkholz 6-0, 6-4, for the quarter-final berth.

David Arp made the semi-finals with a forfeit win from Randy Tatham and also advanced when neither Claude Tatham or John Hatledge for their match constituting forfeits.

The Intermediate A Division for men is being played with a double elimination clause and the interest and results have been most favorable.

Larry Bridges and Ted Randolph have gained winner bracket final's berth. Bridges slipped by Joe Black 6-3, 4-6, 6-0 and won over first round bye opponent Ronnie Henderson 6-2, 6-0.

Ted Randolph reached the finals in the winner's bracket by similar route. Randolph stopped Hugh Watson for the second time in as many tournaments 6-4, 7-6 and then defeated Ronnie McNabb, who had an opening round bye, 6-1, 6-3.

In the loser's bracket McNabb bounced back to eliminate Joe Black 6-7, 6-3, 6-0. Hugh Watson stayed alive by defeating Ronnie Henderson 5-3, 6-3. Watson and McNabb will meet for the right to play the loser of the winner bracket finals between Larry Bridges and Ted Randolph.

Linda Arp awaits the winner of the Sarah Arnold-Susan

Huskey match for the finals of the Intermediate Women Division. Arnold drew a bye, while Huskey won over Sue Center 6-3, 3-6, 6-0.

Linda Arp had an opening round bye and then beat Karen Nelms 4-6, 6-4, 6-4. Nelms had been awarded a no-show forfeit over Dottie Anderson.

The Advanced Women, Sue Watson with an opening round bye and Connie Huskey and Beth George opponents for the right to the finals are the only advanced division in the tournament and are yet to play.

Tournament play will continue through the remainder of the week with Friday evening being an off day due to the start of the high school football season with many of the contestants wanting to attend the season opener. Finals in all divisions will be Saturday at the Philadelphia Community Park tennis courts.

Loudon Is Toast Of Scrimmage, Dispose Of Webb, Jefferson

The Loudon Redskins closed out their fall scrimmage preparation for their 1974 high school football season last Tuesday evening with a three way skirmish with Knoxville Webb and Jefferson High School at Knoxville Webb.

The Redskins gave a much better account of themselves, team-wise, than they had shown in Friday scrimmage with Knoxville Johnston and McClain County. The Redskins scored six touchdowns in position with a late surge.

Buck Kirkland and John Lennox have been almost as hot of golfers as the Millsaps team rising up to fifth place in recent weeks with 174 team points.

Kirkland and Lennox tied with Jack Ferguson and Glenn McNabb for top team honors last week. Both teams carded rounds of 72 for the week.

Band Boosters Set Meeting

The Loudon Band Boosters Club will meet Thursday, September 5 at 7:30 p.m. in the band room. President Charles Jones urges all band parents to attend this meeting.

the lengthy practice session and the Loudon defense was at its best with stout scoreless efforts against both foes.

Loudon had entire team healthy for the workout, with the exception of senior linebacker Dennis Rowe, and the dividends was a different team.

Senior full back Johnny Deathridge rambled for one touchdown and 99 yards in seven carries. Junior Marlon Brown, who is shaping up as a key figure in the Redskins 1974 format had 130 yards offense, two touchdowns in 10 carries, recovered a fumble and was in one some half dozen tackles or a better performance.

Rick Melton added 56 yards on five carries and Bumper Webster recovered a fumble and intercepted a pass, returning it 30 yards as the "Association" primed themselves for the Friday night season opener with Alcoa.

Dennis Queen, who was the biggest part of Loudon's offense in last Friday's scrimmage was more the complete offensive general Tuesday directing the attack with the use of his backfield and pass receivers. Queen ran for one touchdown.

Carter Cardwell got an opportunity to run the Redskins offense and hooked up on a 31 yard touchdown aerial with Sam Lyle. Dickie Colvin also scored a six-pointer, gaining 34 yards in six tries with the ball from his fullback position.

Purky Campbell and Greg Deathridge also figured well into the Loudon offense for the evening.

Loudon used the entire fall squad in the scrimmage, scoring three times in four series against the Jefferson defense and three time in five tries at eb defenders from Webb.

Meanwhile Mike Yates, Kenny Skinner, Sam Lyle, Donnie Therap, Sam Therap, Dickie Colvin and Johnny Deathridge were anchoring a tough Loudon defense. The Redskins defenders stopped the Webb offense on five separate offensive series with the Spartans getting only six first downs.

Jefferson managed but two first downs in four offensive series against Loudon.

Dickie Colvin, Marlon Brown, Donnie Therap, Bumper Webster, Steve Hill, and Zake Spoon all had fumbled recoveries for the Redskins.

Attorney General Hires Criminal Investigator

The first criminal investigator for the Fourth Judicial Circuit, composed of Roane, Loudon and Blount Counties, is Clarence Robbins, of Roane County, who has more than 25 years of experience in law enforcement.

Robbins, chief deputy sheriff in Roane County for the last two years, was named to the new position on Saturday by Kenneth Deatherage of Kingston, who is the district attorney general.

The position was created by action of the State legislature in its last session and the legislation called for it to be filled when the attorney general began his next term, which was Sept. 1.

Both Deatherage and Robbins took their oaths of office in Blount County on Saturday morning. Also sworn in at the same time was the judge of the criminal court for the same circuit, Lloyd G. McCluen of Flockwood, who is starting his second term.

Deatherage said there has been a need for an investigator for some years because of the increasing

work load in the circuit and added "we are indeed fortunate to have a man of the experience and dedication of Clarence Robbins."

Robbins said he appreciated the confidence shown in him by his appointment as the first holder of the new position. "I'm going to do like I always have, work hard and long at it," said Robbins. He said one of his chief duties will be in the preparing of evidence for use in the prosecution of cases.

Robbins served "stateside" for two years in World War Two with the 52nd Airborne Division. Since his discharge he has spent practically all his time in law enforcement or correctional work.

He and his wife, the former Hilda Chadwick, now reside at Orchard View, near Oliver Springs. They have a son, Steve, 23, of Chattanooga, and a daughter, Kathy Hodge, who is attending Roane State Community College and is the wife of Eddie Hodge, a coach at Oliver Springs.

Robbins, who is known among associates as a quiet, low-key investigator, served two terms as a constable in Anderson County and also was a training officer at Brushy Mountain State Prison at Petrus for a number of years. His other service was as a chief deputy under two holders of the sheriff's office in Anderson County.

State Board of Education To Upgrade Technical Offerings

As part of an overall effort to upgrade technical education in the State, the State Board of Education voted August 9 to take over operation of the technical division of the Knoxville Regional Vocational Technical School by exercising a 30 day option now existing in its contract with the Knoxville City School System. The program will be operated by the State with existing funds for one year with the intent that by July 1, 1975, it will be fully developed as a two year associate degree technical program.

The Board also plans a comprehensive study defining the role and scope of technical education, where it should be offered, time requirements and jurisdiction and clarifying the distinction between vocational and technical education.

State Board of Education Tightens Academic Requirements for Athletes

The State Board of Education is beginning to take a closer look at scholastic requirements for high school athletes. The Board has requested that, beginning in 1975-76 the Tennessee State School Athletic Association require all students participating in inter-school athletics to take and pass four full course subjects rather than the three presently required.

TSSAA authorized by the Board to establish regulations governing high school athletics. The recommendation by the Board followed a review of the TSSAA regulations handbook for 1974-75.

Office Hours

The superintendent's office will be open Monday through Friday, 8 - 12 and 1 to 5. On Saturdays I will be in the office from 9-12 for the purpose of meeting with various citizens (parents, teachers, students) on an informal basis to discuss problems and concerns which we have in our schools along with possible solutions to these problems in the best interests of all concerned. On Wednesdays I will not be in the office at all due to school visits which I intend to conduct on a weekly basis in order to stay informed about the educational programs in our schools.

School Board Meetings

The Loudon County Board of Education will hold its regular monthly meeting this Thursday, September 5th at 7:30 p.m. All meetings are open to the public. The regular schedule of board meetings is 7:30 p.m. on the first Thursday

Two Arrested For Knox Breakins

Loudon County Deputies Voyd Carruth and Larry Proops, and Lenoir City officers Jack Latham and Clifton Williams arrested two men wanted for a series of robberies in Knoxville. The arrests were made at 2:5 a.m. Thursday on Highway 95. Arrested were Charles Tinch and Johnny Akins of Lenoir City. The pair was wanted by Knox County Detectives in connection with a break-in at Smith Grocery on Highway 11 at Dixie Lee and at a Knox County A&P Store and a drug store.

The Board is authorized by the Board to establish regulations governing high school athletics. The recommendation by the Board followed a review of the TSSAA regulations handbook for 1974-75.

(ROSS H. WILSON, SUPERINTENDENT)

Lenoir City Schools

Qualified Tutor Available County from Cleveland, Tennessee and is the wife of Rev. Robert T. Cantrell, Jr., Minister of United Methodist Church. Mrs. Cantrell is quite well qualified both from the stand point of training and experience. If your child needs special help and requires tutoring, I would recommend Mrs. Cantrell for this task and suggest you contact her by calling her at 988-2634.

RUSTIC HOME HAS MODERN CONVENIENCES

SEPARATE APARTMENT IN BASEMENT

FEATURE HOMES

By W. D. FARMER

This home for pleasant living has been designed to combine the simple pleasures of a country home with all the conveniences of a modern one. A cased opening from the foyer leads directly to the formal living and dining areas. They have been withdrawn from the heavy flow of traffic of the home so that when guests come, privacy will be insured.

The rustic theme continues in the combination family and breakfast area. Combining the two rooms permits all family oriented activities in the same general area. The room features a central stone fireplace and a woodbox that can be filled from the outside. Double French doors lead to a rear screened-in porch.

The kitchen has lots of cabinet and counter space to make meal preparations easy. Included also are such conveniences as a dishwasher, trash can and a half bath. Another feature of this home is that this area has a private rear entrance.

The rest of the home encloses the bedrooms, which are grouped together in a wing to help establish "quiet" and "active" zones. The large master bedroom has plenty of room for storage in a tremendous walk-in closet. For her there is a powder room with a vanity, a separate half bath and shower compartment complete the master bath. The bedrooms of the other bedrooms have ample closet space and hall access to powder room and full bath.

A real feature of this home is the apartment in the basement. Included are two bedrooms with lots of closet space, powder room, and full bath. A big kitchen and an activity area. It can be entered from its own private outside entrance or from the stairs in the hall upstairs.

Also in the basement is a playroom with a fireplace and a basement area for storage. The rustic exterior of this home is accented by the combination of vertical siding and stone veneer, the gable roofs, and the porch with wooden handrails and columns.

The home contains 2,485 square feet and the basement apartment has 1,745 square feet.

For further information an plan number 2443, write W. D. Farmer, Residential Designer, Inc., P.O. Box 49463, Atlanta, Ga. 30329.

PRIMITIVE BAPTIST CHURCH

An Added Touch of Beauty

Robert Louis Stevenson said: "The world is as full of a number of things, few of us have talents which would be as happy as kings."

God's world is filled with beauties, but we need to add our own touch of beauty, so that we might be builders of a better world with Him. Each of us was given talents which would enable us to contribute to the world and mankind something great and lasting and beautiful. May each of us use those talents to the glory of God.

Add a touch of beauty to your life this week by attending church.

Exxon Switch Rumors Fly

Rumors from reliable sources have been circulating in Loudon this past week that the Exxon Corporation may be changing its decision to locate a nuclear recycling and reprocessing center in Loudon County.

The rumors mainly agree that Exxon, which is now the largest corporation in the world, will still place some type of major industrial complex on the 2500 acre Matlock Bend site which it has optioned.

The Herald made several attempts to contact Exxon Nuclear officials for comment and finally on Tuesday located consultant W.K. McCready in Nashville who in turn had

Exxon's Paul McMurray contact the newspaper. McMurray denied the rumors that the recycling plant would not be located in Loudon, but he said that all the information on the site is not good. Mr. McMurray said that no decision has been made either way, but that the company was still evaluating the Loudon site as well as other sites for the plant.

As far as this newspaper knows no other announcement of potential sites has been announced by Exxon, such as the one made here early this year.

Several sources contacted (Continued on Page 6)

Sixty Cases On Grand Jury Docket

Some 60 cases are presently docketed for action by the County Criminal Court Grand Jury when it starts its September term Monday. Criminal Court Clerk Billy Joe Akins said several more cases will probably be added to the docket and the Grand Jury will probably be in session for two or three days.

Jury trials are slated to begin on Monday, Sept. 23 and continue for more than two weeks.

Among the cases are several which have resulted from charges stemming from the current union strike at Union Carbide. Most of the cases involving the strike were waived directly to the Grand Jury by-passing General Sessions Court.

These facing grand jury action and the charges against them are as follows:

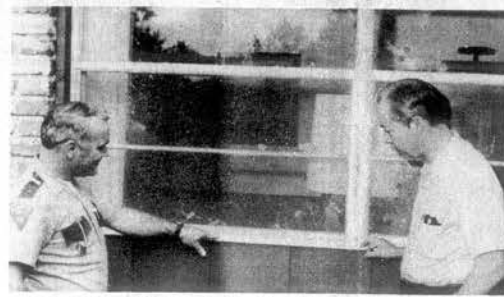

Danny Polson, arson; Larry

uttering and passing forged instruments; Robert Wright, receiving and concealing.

Eddie Justice, two counts of conspiracy; Alvin Bart Barron, receiving and concealing; Alvin Bart Barron, receiving and concealing; failure to yield to blue lights, reckless driving, resisting arrest, larceny and breaking jail; Gary Packett, two charges of leaving the scene of an accident.

Mike Jenkins, contributing to the delinquency of a minor; Gerald Linkenfelter, contributing to the delinquency of a minor; Lowell Stevens, uttering and passing; Humoy Skidmore, larceny; Billy Moses, larceny; Jack Hill, felonious assault; Bernard E. Walker, Jr., driving while intoxicated; Johnny Guider, felonious assault; Gary Packett, receiving and concealing; Jerry Littleton, receiving and concealing; Clifford Stamey, felonious assault; Steve Huskey, receiving and concealing, larceny and

(Continued on Page 12)

SHOTGUN BLAST HITS HOME—A shotgun blast, believed fired from a passing car around 2:30 a.m. Sunday shattered the front windows in the home of Union Carbide Films-Packaging Personnel Manager Jack Modglin. The home is located on Pine Crest Circle near Lenoir City. Mrs. Modglin and her sister were in bed at the time the shots entered the living room and were not injured. The top photo shows Modglin and Deputy Lucian Kent outside inspecting the damage.

Violence Flares Anew At Carbide, Talks Fail

A number of incidents of violence have added to an already tense atmosphere surrounding the Union Carbide Films Packaging plant strike since the third negotiation session with federal mediators broke down last Thursday with no apparent success.

Sunday about 2:30 a.m. a shotgun blast ripped into a home of Carbide Personnel Manager Jack Modglin on Pine Crest Circle at Lenoir City. The glass in two large windows in the living room of the home were

shattered, the interior spattered with glass and shot.

Mrs. Modglin and a relative who was staying with her were in the house, but were sleeping in another part of the house. Mr. Modglin has been staying at the plant since the strike by local 2544 of the International Association of Machinists began on August 12.

Telephone service at the plant was disrupted for the second time. It was reported that a cable on the side of the river bridge which serves the plant was cut about 12:30 a.m. Loudon County Judge Bill

Russell said he was on the phone with a plant official at the time the service was cut.

Russell said he contacted assistant attorney general Ed Bailey and South Central Bell and arrangements were being made to get the service restored.

Judge Russell said he sent Civil Defense Director Ted Randolph to the picket line to inform the pickets that it was a matter of urgency that the telephone service be restored and that no one interfere with repair crews. The Judge said he was not taking sides in the strike, but it was a matter of fact that communications to and from the plant must be kept open, and he would use all means at his disposal to insure service was restored.

Russell and General Bailey later talked with Union President Roy Jenkins asking that the union not interfere with the repair. Jenkins said, "If the pickets want to cross our picket lines, it is up to them. We don't know of anybody that is going to hurt anyone."

Company and union negotiation teams met for over three hours with federal mediators in Knoxville last Thursday. It was reported that there was no change in position of either party.

As had earlier been reported the company is offering 70 cents per hour increase over a

Judge Asks Citizen Help, Budget Cuts

County Judge Bill Russell in his opening remarks at the monthly meeting of county court Monday announced that he wanted to establish a citizens advisory group to obtain more input into county government. He urged the court to take a close look at the structure of the county government to see if changes could be made to make government more effective.

And he also urged all departments within the county with the leadership of the county court to re-examine the county budget to reduce the monthly operating costs by five percent to fight inflation.

Judge Russell said he would work for the next four weeks to set up a citizens council and that he had asked his election opponent Charles T. Eblen to act as co-chairman of the citizen's group and that Eblen agreed.

The complete text of Russell's prepared remarks are as follows:

"Any government can only be meaningful in America today if it serves the collective needs of its people toward the fulfillment of a quality life. 'Who then decides what the needs are and establishes the standards of quality?' The answer is obvious, the people. 'Goals or collective aims' set by thinkers, planners and other experts without the benefit of people input are totally beyond the point of our concept of government. Although we may certainly benefit from those who engage in social planning unless we insist ourselves in the process we have lost our democratic form of government.

"If you accept the concept that we as a people must be concerned with and indeed the main draftsmen of our collective course then you must also recognize that this

carries certain responsibilities. The responsibility to devote time, energy and resources to these ends.

"Having established the above concepts it would be extremely pronouncement on my part, at this point, to attempt to set out what I think the goals should be for the next 8 years. It is almost immaterial what I or any other single citizen thinks except as that opinions constitute a part of the entire community's thinking.

"Therefore, I propose that a system of community wide participation be established whereby each and every citizen has an opportunity to serve on an active advisory committee structure to advise and give direction to this Court on establishing its collective goals for the coming years.

"This concept of citizen participation is certainly not a new concept. It was in fact talked about by both of your candidates for County Judge in the recent election. As a point of interest, I have discussed this plan with the Honorable Charles T. Eblen of Lenoir City and he has agreed to serve as an overall co-chairman of such a program as an expression of his willingness to cooperate to the fullest extent in the best interest of this County. In the highest and best tradition of American Politics, Mr. Eblen is to be commended for this unselfish and noble position. It has been far easier to set back and hope for failure rather than pitching in to insure success. This says something about the great quality of Loudon County people. Loudon County is just a great place to be alive in.

"In order to suggest a framework for this citizen participation in our government process I have arbitrarily classified some areas of interest which several people have already expressed an interest. They are: 1. Transportation Committee. 2. Recreation and Leisure Committee. 3. Inter-Government Relations Committee. 4. Historical and Cultural Committee. 5. Industrial, Commercial, Agricultural Committee. 6. Educational Committee. 7. Communications Committee.

"Although this list is not exhaustive it could provide the framework around which an active, effective citizen advisory group could be formed. I respectfully ask for your suggestions comments and recommendations in the next four weeks in an attempt to get this program off the ground.

"I want to emphasize that any citizen group is only as effective as it desires to be. I hope I am not naive enough to expect that the entire County citizenry will rise to its feet in open enthusiasm for this program. There will always be those in any community who care so little about the affairs at their community that no effort will be made to serve their fellow man. So be it. As I recall the Constitution of the United States still allows every man to make a fool out of himself if he so desires. But, thank God, it also makes provision and gives opportunity for governmental self expression.

"Being human I expect to make mistakes as I embark upon the task of functioning as your County Judge. I appreciate the hands of friendship for this citizen

(Continued on Page 13)

Harrison Road Likely Site Of County Vocational School

County Superintendent of Schools Edward Headlee, at his first Board meeting Thursday night said he had received a letter from the State Department of Education stating that the county had until October 1 to find a suitable site for the proposed \$1,267,920 Vocational School.

The Vocational School, being built and equipped by the State Department of Education, is a joint project between the Loudon County and Lenoir City school systems, who are responsible for providing the site.

School Board member J.B. Hagler said that a joint county-city committee had selected five possible sites and selected a first priority one on Harrison Road about a mile from the Lenoir City High School. He said the site was selected because city water

and sewer service were available which would cut the overall costs of the project substantially.

Superintendent Headlee said he will discuss the deadline with Lenoir City Superintendent Dr. Ross Wilson and get a joint board meeting set where the situation will be discussed and the sites formally presented to the state site selection committee for review.

Headlee said that he had received an agreement from the State to increase the vocational tract offerings from 11 to 12. The two school systems, in their joint vocational programs, presently offer 11 courses of study in vocational areas.

The State Department has announced that The Design Group, Inc., Architects and Engineer, of Johnson City has been selected to design the

Loudon County facility. Superintendent Headlee received a vote of approval from the Board in making the initial step toward seeking membership in the Southern Association of Schools. He said a self-study is first necessary and the full backing of the faculty and administration.

He said that he felt Loudon High now met the requirements and certification in the Association took two years and if the interest was present now was the time to start.

At the beginning of the meeting Board Chairman James Bailey, welcomed Headlee stating that the board pledged their full cooperation to him. Headlee in turn said he would make a 100 percent effort to implement the policy set by the board.

On a request by the Election Commission to move all four

Loudon voting precincts to the Loudon High School the Board said they would agree if the county court and election commission would agree to certain conditions. They include that the school board not be liable to any damage to voting machines stored in the school; that the court or election commission be responsible to any damage done at the school caused from the holding of elections; that no smoking be allowed; any damage to floors at the school done by the heavy voting machines be the responsibility of the county; and that any janitorial fees be paid by the county.

Superintendent Headlee said that problems on bus routes are being dealt with as they occur and he plans to ride each of the 27 county school buses before the end of the first semester of school. He said that one W. Costner bus driven by DeWayne Art that had a capacity of 66, had over 100 students, but that route changes and using other buses had solved that problem.

The Board was told that a termite problem was causing extensive damage to Philadelphia School. Similar problems were reported at the meeting at other schools. The Board authorized Headlee to request that the Purchasing Department ask that inspections of schools be made and bids submitted on treating where it is needed.

The addition of one teacher to the Greenback School staff was approved by the Board. Board member Ted Wampler told the board that he felt that the system should look into some type of burglar alarm system for the schools.

NEW SUPERINTENDENT AND BOARD—County School Superintendent Edward Headlee (seated, center) is shown with the members of the School Board at the first meeting of the board with the new administrator. Board members (left to right) are James Bailey (seated), Ciel Miller, J. B. Hagler, John M. Hutton, Leonard Liles, Lester Thomas and Ted Wampler.

1395 Counterfit Stereo Tapes Taken, Two Charged

A Jamestown couple was arrested in Loudon about 4 p.m. Friday and charged with selling counterfeit stereo tapes. Sheriff Guy Russell said that 1395 stereo tapes believed to be remanufactured (counterfeit) were found in the rear of the pickup the couple was driving.

The Sheriff said that former University of Tennessee basketball star Jimmy England who is in the music business in Knoxville saw the man attempting to sell the tapes from the truck parked on Wharf Street and called the county jail.

Charged were Frank D. Jones and his wife Janice S. Jones, both of Jamestown. After the couple was arrested by Sheriff Russell and Juvenile Officer Joe Sims, it was later discovered Jones was a state witness in a counterfeit tape scandal in California last year.

Chief Deputy Luke Bright said it is believed the tapes were manufactured in Fentress County. He said the

counterfeiters take an original tape and with good sound and recording equipment take blank tapes and reproduce the recordings.

It is believed that the tapes were being sold for \$2 each wholesale and being resold through retail outlets for \$4 each, making the value of the confiscated tapes \$5580.

The couple was released on \$5500 bond each and are scheduled for preliminary hearing in Sessions Court in Loudon Friday.

Some 1395 tapes valued at \$580 were taken from the truck.

TAKING INVENTORY—County Chief Deputy Luke Bright counts a case of stereo tapes after a pickup truck load of allegedly counterfeit stereo tapes were confiscated in Loudon Friday. The man in the leather jacket is Frank Jones who was charged with counterfitting tapes. At right is juvenile officer Joe Sims. Some 1395 tapes valued at \$580 were taken from the truck.

Loudon County Herald
For and about *Women*

Karnes-Wilcox Vows Are Pledged

Miss Kay Marie Karnes, daughter of Mr. and Mrs. Harry Cecil Karnes and William Lloyd Wilcox, son of Mr. and Mrs. Robert J. Wilcox, Bunker, Missouri, were united in marriage August 31 at 7:30 p.m. at the Loudon United Methodist Church with Elder Vernon L. Gary officiating. Mrs. Betty Swiney, organist, rendered several musical selections and Mark Finney, of Tampa, Fla. sang "The Twelfth of Never" and "The Wedding Song." Traditional wedding tapers and greens decorated the church.

The bride wore a hi-rise silhouette of ivory organza. Pearl beaded peau D'ange lace outlined the neck, yoke, bodice, bishop sleeves and full skirt. The detachable train was also lined in peau D'ange and displayed lace appliques. The veil was an ivory chapel length Mantilla embroidered in lace and held by a matching headpiece. The Brides Bouquet was fashioned in a cascade design consisting of Cymbidium Orchids, white miniature Sweetheart Roses, Stephanotis and Baby's Breath.

The bride chose for her attendants Sarah Karnes, sister of the bride, maid of honor and bridesmaids Judy Wagner of Cleveland, Ohio, Sarah Ann Watkins, Oak Ridge, Derinda Stone, Bowling Green, Ky., Debbie Wilcox, (sister of the groom), Bunker, Missouri. They wore empire gowns with ivory chiffon skirts and a chocolate velvet bodice outlined in crocheted ivory lace, and carried colonial bouquets consisting of autumn colored flowers and baby's breath.

The groom chose for his attendants his father, Robert J. Wilcox, Best man, Jim Karnes brother of the bride, Fayetteville, Tenn., Sandy Stone, Bowling Green, Ky., Jim Thomson, Mt. Pleasant, Tenn. and David Woody, Loudon.

Mrs. Heather Karnes, sister-in-law of the bride, kept the Brides Book.

Following the wedding, a reception was given by Mr. and Mrs. H.C. Karnes at the church. Those assisting in serving were Mrs. Jane Anderson, Knoxville, Barbara Johnson, Bowling Green, Ky., Mrs. Alma Mills and Mrs. Ruth Baskette, both of Loudon.

The bride graduated from Florida College, Temple Terrace, Fla., and Western University with M.A. in Health Education. She has

accepted a position as instructor at Western University, Bowling Green, Ky. The groom attended U.T., served four years in the Air Force and is employed with Prudential Life Insurance Company, Bowling Green, Ky. Out-of-town guests were Mr. and Mrs. Grant Freeman, Lavator Ray, Nashville, Mrs. A.D. Tifford, Murfreesboro, Mrs. Rena Dautman and Mrs. Odetta Jacobs, Morrison, Mr. and Mrs. Henry Morton and Ann Oak Ridge, Mrs. Mary Oates, Wilson, Ark. Mr. and Mrs. M.L. Pike, John and Jimmy, West Memphis, Ark.

Col. and Mrs. William G. Patterson, Mr. and Mrs. Billy Patterson, Cookeville, Mrs. Laura Shellenberger, Pennsylvania, Mr. and Mrs. Harry Matheny, Bethel, Ohio. Mr. and Mrs. Mike Swiney, Knoxville, Ronald L. Vinson, Neal Cox, Charles Fitzpatrick, Pamela, Greenville, Mrs. Karen Hudson, Mr. and Mrs. Spencer Coates, Cleon Borden, Mr. and Mrs. Denny Axman, Mr. and Mrs. Jerry Nolan, James M. Collier, Susie Dillman, Becky Tope, all of Bowling Green, Moss Yater, Knoxville, Mr. and Mrs. H.W. Farris, Maryville, Mr. and Mrs. Elma Weseman, Mr. and Mrs. Joe Dillman, Spencer, Indiana, Mark and Donna Finney, Tampa, Fla., Mr. and Mrs. Vernon L. Gary, Marla and Julia, Bowling Green, and Mr. and Mrs. Kyle Burnette, Concord.

SEPTEMBER 12 1974

McKee-Peak Vows Exchanged

Teresa Kay McKee became the bride of Thomas W. Peak on Saturday, August 10 at the home of her parents, Mr. and Mrs. Hershel McKee, Route 4, Sweetwater. The groom is the son of Mrs. Emma Palmer of Loudon and Gordon Peak of Athens.

The double-ring ceremony was performed by Rev. Elmer Summy.

The bride, given in marriage by her grandfather, Robert J. Byrd, wore an organza gown styled with an empire bodice and long sheer sleeves. The high neck and

square yoke were accented with a self ruffle. She wore a shoulder-length lace-veiled veil attached to a ruffled lace headpiece.

A reception was given by the bride's parents following the ceremony.

Maid of Honor was Vickie Byrd, aunt of the bride. Ginger Peak, sister of the groom, was bridesmaid. The bride's book was kept by Annette Chapman, cousin of the bride.

Following a wedding trip to Gallinburg, the couple are residing in Sweetwater.

MISS DUKER

MISS BAKER

Dukes, Baker In Who's Who Edition

Misses Terry Duker and Jane Baker, both seniors at Loudon High School, are among those students who will be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74.

Miss Duker is the daughter of Mr. and Mrs. A.C. Duker, Jr. of Loudon. She is a member of the FHA, Pep Club, Math Club, Prayer Group, National Honor Society, Vice president of Freshman Class, and Secretary of the Student Council. She participated in Intramural Sports. Terry plans to enter East Tennessee State University upon her graduation.

Miss Baker is the daughter of Helen P. Baker and the late James R.L. Baker of Loudon. She is a student council representative of the National Honor Society, member of the Pep Club, Science Club, Math Club, Prayer Group, Thespian Club, band member for two years and was a nominee for

Miss Junior. In addition to having their biography published in the book, Miss Duker and Miss Baker will also compete for one of ten scholarship awards of \$500 to \$1,000 funded by the publishers and will participate in the firm's annual "Survey of High Achievers".

Miss Cline

Is Presented

Miss Christa Ann Cline, daughter of Mr. and Mrs. Horace Cline of Cave Spring, Georgia, was recently presented at the Cotton Ball in Chattanooga. She is a sophomore at Agnes Scott College in Atlanta. Her aunt, Miss Alma Williams of Loudon, attended the Ball. Miss Cline has several other relatives who live in Loudon County.

Reunion Held

The Easter Reunion was held on Labor Day at Edward Easter's residence in Martel, Georgia, as guests were present. Out of state guests included Mr. and Mrs. Reese Easter of Flint, Mich.; Mr. and Mrs. Boyd Cook of Warren, Mich.; and Mr. and Mrs. Larry Kelley and Lavender Faity of Ft. Campbell, Ky.

Janice Simpson Weds Terry Smallen

Miss Janice Gail Simpson became the bride of Terry Wayne Smallen in a candlelight ceremony on Saturday, August 17 at 8 p.m. at Valley View Free Will Baptist Church. Rev. Harry Mintz performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. William V. Simpson of Loudon. Parents of the groom are Mr. and Mrs. Norman Smallen.

The bride, given in marriage by her father, wore a gown of Chantilly lace which fit at the waist accented by a white satin ribbon. The gown featured a high neckline with long sheer sleeves accented by a large ruffle and an attached capelet which covered the shoulders. Her three tier chapel length mantilla and matching headpiece were of bridal illusion edged in Chantilly lace.

Her bridal bouquet was a large white orchid centered in pink and blue daisies and baby's breath which topped a white Bible.

Mrs. Freddie Nix was Matron of Honor. Bridesmaids were Misses Imogene Mintz, Lynn Mintz and Debbie Smallen. Little Sally Smallen, cousin of the groom, was flower girl. The attendants wore long princess style dresses of pale blue crepe accented with rows of white lace. They wore white wide-brimmed hats trimmed with long white ribbons of pink checks. They carried sprays of pink and blue daisies accented with baby's breath.

Earl Nix served as Best Man. Groomsmen were Terry Simpson, brother of the bride, Keith Gentry, Freddie Nix and Roy Wilkerson. Chris McCrary, cousin of the bride, was ringbearer.

Others serving in the wedding were Mrs. Bobby Giles and Mrs. Terry Simpson, organist and soloist.

Following a wedding trip to Nashville, the couple are making their home on Vonore Road, Loudon.

Out of town guests were Mr. and Mrs. Clifford Porter of Maryville, Mr. and Mrs. Gary Porter of Kingsport, Mr. and Mrs. John Skidmore of Cohutta, Ga., Mrs. Bobby Wheeler and son, Keith of Sweetwater and Mrs. W. C. Weaver, Sr. of Timmonsville, S.C.

Mr. and Mrs. Garland Wooden of Cleveland were weekend guests of the Rev. and Mrs. John Neese and children and were here Sunday for the Homecoming at the United Methodist Church. Others who attended were: Mr. and Mrs. Robert Martin and family, Corryton, Mrs. George D. McCrary, Sweetwater, Mrs. Hugh McQueen, Mrs. Homer Bell and daughter, Heather, Loudon, Mrs. Jack Butler and daughter, Mrs. Randy Louis and her son, Ronnie and Mr. and Mrs. Bill Knox and daughters, Kim and Kristal all from Lenoir City and Mrs. Sam Haun and son, Carter, Madisonville.

Mr. and Mrs. David Thompson, Sr. and sons, Kim and Tim of Brentwood and Mr. and Mrs. David Thompson, Jr., and daughter Candice of Crossville were here with Mr. and Mrs. C. E. Thompson for the weekend. Saturday, Mr. Bill Thompson Sr. and Bill, Jr., Tim and Kim and Mr. and Mrs. David Thompson, Jr. attended the football game in Knoxville.

Mrs. Ed Bible and Mrs. Hal Hodges of Knoxville visited Thursday with Mr. and Mrs. C.E. Thompson Sr. and Bill, Jr. and Mrs. Clinton Miller from Charleston, S. C. were guests a few days last week of Dr. and Mrs. W.L. Hyden. Mr. and Mrs. Thomas Lynn and family came from Germany last week and are visiting Mr. and Mrs. Lee Musick before going to Missouri where he will be stationed.

Philadelphia Personal News

Mr. and Mrs. Aurstell Clinton, his mother, Mrs. B.D. Clinton and Mrs. Leona Goble of Loudon visited in Sevierville, Friday with Mr. and Mrs. Shelby Allen. Mr. Allen is a brother of Mrs. B.D. Clinton. Mr. and Mrs. Lee Davidson visited during Labor Day weekend with her sister, Miss Etta Faye East in Wingate, N.C.

Gregg Clinton and Ricky McCluskin will enter Hiwassee College this week. Mr. and Mrs. Burley Blevins and Rodney had as guests for Labor Day weekend, Mr. and Mrs. Hubert Caldwell, Tullahoma, Mr. and Mrs. Charles Caldwell and son Scott, Tallahassee, Fla., Mrs. Hazel Davis, Alcoa, Mr. Lloyd Little, South Carolina, Mr. and Mrs. Dennis Blevins and Miss Claudia Hines, Loudon.

Miss Jody Blount from Smyrna, Ga. was here last weekend with her parents, Mr. and Mrs. Jim Blount.

Mr. and Mrs. John Largent and sons, David and Paul of Oak Forest, Ill., came last Wednesday to spend a week with Miss Ava Largent. Sunday afternoon all visited with Mr. and Mrs. Oden Largent on Lenoir City Road. Mr. Largent had returned home Friday from the Blount Memorial Hospital in Maryville.

SEP 12 1974

City Employees Get Five Percent Raise

Loudon City Commission Monday night approved a five percent across the board cost of living pay raise for all city employees. In calling for the pay increase Mayor Gene Lambert said the Commission had planned for such a possible raise in preparing the city budget and the raise would not affect the annual merit raise system employed by the city, but would just raise the base of the five merit steps.

Five fulltime city firemen received back pay ranging from \$293.30 to \$812 totaling \$3196. The money had been held in escrow by the city while matters concerning fire departments under the newly adopted wage and hour law pertaining to overtime and sleeptime.

City Recreation Director

Bill Birkholz told the Commission that he is planning a full winter recreation program for all age groups, included in the program will be two mens basketball leagues, one ladies league a valley ball league, and a physical education program for adults.

He said the adult physical education program will include exercise classes, plus lectures from U-T personnel on fitness and diet. He stated as the program is developed more details will be announced. Birkholz said he hopes to have the program in full operation in November.

On-street parking, long a problem in residential areas, was again a topic for Commission discussion, but like in the past no solutions were found.

clude increased meal allowance, safety shoe allowance, and funeral leave.

"The proposed contract would expire 27 months from the effective date of the first wage increase. The effect of the Company's offer would increase employment costs at the Loudon Plant by an estimated \$1,200,000 over the proposed contract term.

"The cold hard facts are that the Union is demanding far more than it has been offered, and it has been told that the Company will not meet its current demands. How long will it be before the Union brings its demands down to earth so that there can be a settlement? At this point it's impossible for me to say because there are no further meetings scheduled between the Company and Union.

"We will keep you informed of any developments."

Very truly yours,
R.T. BIRKHOEZ
PLANT MANAGER

Exxon Switch Rumors Fly

(Continued from Page 1)

by the newspaper said that it was definite that the nuclear plant which was announced in January would not be placed in Loudon. One contract said that Exxon was still going to spend "tons" of money in Loudon County. That what they do might not have the investment impact (\$250 million) that the nuclear operation would have, but the employment figures might be much higher.

Exxon's resident consultant William Arbuicke was not in

Loudon in the early part of the week and could not be reached for comment.

Mr. McCready and Tom Greene of the Third National Bank of Nashville, who has had a big hand in the project, are to be in Loudon Thursday of this week to, as they say "talk to some of the guys."

One source outside Loudon said it might be some time before a definite decision about the use of the Loudon

site was made, but that Exxon was not the type of company to just pull out. He said their industrial interests are broad and varied and that the Matlock Bend site was one of the top industrial locations in the nation and certainly Exxon could use it for some purpose.

In recent weeks Exxon started renewing leases with property owners in the Matlock Bend area and was also reported to be taking new leases on property not before held on options.

One of the sources said that if Loudon is not the site for the recycling plant it probably would be somewhere close by "because Exxon would not get far from the AEC facilities at Oak Ridge."

VOWS EXCHANGED—Miss Regina Faye Craig and Donnie Ray Jones exchanged nuptial vows in ceremonies held July 20 in North Carolina. The bride is the daughter of Cecil Craig and the late Ethel Craig of Vonnore. The groom is the son of Mr. and Mrs. Clifford Jones of Philadelphia. The couple were honored with a reception upon their return by Mr. and Mrs. James A. Ramsey at the Ramsey home in Loudon.

Violence Flares Anew At Carbide, Talks Fail

(Continued from Page 1)

an estimated \$2,130,000 over a 24-month contract term. Demands of this magnitude are common in the food casings industry or within our geographic area. Your Company will not agree to demands which would be detrimental to the long-term interests of our plant and its employees. Our main concern must be the future of the plant and your job security, rather than the expediency of a quick end on an unsound basis to an irresponsible strike.

"In view of the Union's continued unrealistic level of demands at yesterday's meeting, the Company made no change in its pre-strike offer—an offer which was and continues to be fair and equitable by any reasonable standard.

"In the event the Union did not give you the opportunity to vote by secret ballot on the Company's last offer prior to calling the strike, the major economic points of that offer are as follows:

- *30 cents per hour wage increase effective the first of the payroll week immediately following ratification by the Union's membership.
- *10 cents per hour effective 7 months after the effective date of the first wage increase.
- *20 cents per hour effective 15 months after the effective date of the first wage increase.
- *This total adds up to 70 cents per hour in direct wage increases—an average increase of 19 percent.
- *In addition, shift differential is increased from 0-10-15 cents per hour to 0-12-16 cents per hour, and rotating shift premium is increased from 10 cents per hour to 12 cents per hour.
- *A 10th holiday is added.
- *Major Medical Insurance maximum is increased from \$15,000 to \$20,000 per person.
- *Other improvements in-

has been crossing the union picket line to work.

A shotgun blast that same night shattered the windshield of a truck owned by Terry Bright, who's wife works at the plant. It was reported that Bright and his brother Arthur followed a vehicle from the Bright home on Corinth Road to the picket line.

Shortly afterwards a picket took a warrant charging that Arthur Bright had a gun and threatened him. Bright posted a bond for felonious assault charges.

Tuesday afternoon rocks shattered the living room windows on the home of

(Continued on Page 11)

From what can be learned the company and union have agreed on all points of the contract except the hourly wage section. It is also understood that the 70 cent figure advanced by the company is final and firm but that its division of 30-10-30 is subject to negotiation.

Last Thursday night following the breakdown of talks two incidents reportedly took place. Two rifle shots were fired into the home of Mr. and Mrs. Bill Raby on Corinth Road. One of the shots passed inches from Mrs. Raby's head. Mr. Raby, a Carbide hourly employee, reportedly

Mrs. Clara Mai Stanfield

Craig, age 52, of Route 3, Lenoir City, died Wednesday, September 4 at Loudon County Memorial Hospital. Employee of Eaton Corp., Member of Tabernacle Baptist Church, Lenoir City.
Survivors: husband, Carl Craig; one daughter, Mrs. Larry (Estelle) Milsaps, Greenback; one son, Rev. James Carl Craig, Greenville, S.C.; four grandchildren; two brothers, Glenn and Frank Stanfield, Nashville; two sisters, Mrs. Laura Cartnell, Lenoir City, Mrs. Elizabeth McLendon, Nashville.
Funeral services were held Friday at Tabernacle Baptist Church, Rev. Carl Robinson, Rev. Charles Bryant officiated. Interment, Cloyd's Creek Cemetery, Click's Lenoir City, in charge.

MRS. PELLON
Mrs. Amanda Jane Ashe Pellon, age 87, died Thursday, September 5 at Park West Hospital. She was the widow of the late Rev. Andy J. Pellon. Member of West Broadway Baptist Church.
Survivors: daughters, Mrs. Ed (Alice) Burnett, Mrs. John (Myrtle) Pruitt, Mrs. J.R. (Pearl) Morrison, all of Lenoir City; Chester H. (Ituby) Brown, Bowling Green, Ky.; granddaughter which she raised, Mrs. Sid (Sharon) McNabb, Nashville; sons, Carl, John and Harvey Pellon, all of Lenoir City; Jo Pellon, Murfreesboro; 21 grandchildren, several great and great-great-grandchildren; sisters, Mrs. Molly Chastine, Cleveland, Mrs. Emily Cartnell, Harve Ashe, both of Chatsworth, Ga.
Funeral services were held Sunday at West Broadway Baptist Church, Rev. Sam Petty and Rev. James Blakey officiated. Burial in City Cemetery, Hawkins, Lenoir City, in charge.

SYDNEY'S DUNE BUGGY gets him to where his families small beef herd is. Building the buggy was one of his latest projects.

Sydney Elam Wins State 4-H Field Crops Award

By Roger L. Perkins
Assistant Extension Agent
Sydney Elam, son of Mr. and Mrs. Jettie Elam of Eatons Crossroads, wins state Junior High 4-H Field Crops Competition. Sydney first won county competition then District where the competition was against approximately 16 other county winners. At these levels of competition a 4-H'er is judged on his 4-H record book (75 percent of total score) and demonstration (25 percent of total score). After winning district Sydney submitted his record book for State Judging in the Field Crop Project. At State Competition Sydney placed first against four other district winners.

Sydney has worked in the Field Crops Project ever since he was in the fifth grade (1969). His first crop was tobacco. His grandparents (Mr. and Mrs. Frank Kinser) gave Sydney his first allotment of tobacco on which he raised his first crop. This past spring Sydney raised his own plants. Sydney's tobacco bed measured nine X 100 feet. He hoped to raise enough plants for his half acre patch plus sell enough to pay for his plants, and fertilizer. After he sold his last plants he discovered he had cleared over two hundred dollars on his tobacco bed. Sydney plans to raise two tobacco beds this coming spring. Sydney says, "I enjoy doing all the work tobacco requires, except hoeing, suckering, and spraying."

Sydney's other grandparents, Mr. and Mrs. O'Beare Elam of Greenback,

bought a farm last year. Sydney's record book shows that he has spent over 800 hours in two years working with field crops. He has prepared ground for planting crops, combined ground, picked corn, grained grain for feeder pigs, cut silage, cut hay, raked, baled, and hauled hay, and straw and clipping pastures.
Naturally, he has also learned the importance of proper machinery, adjustment and lubrication. The small engine project has been very useful to Sydney and his field crop project. In working on his Go-Cart in 1969 he learned to clean a carburetor, change plugs and points, oil, starter, and put a clutch in. Since selling his Go-Cart to his younger brother, Stanley, he has built two dune buggies with the help of his father. He finds the dune buggy very helpful in checking the Angus beef herd and running errands at home. It is not unusual to find the Elam family on a mountain trail, some Sunday afternoon in Sydney's dune buggies.
In the past five years Sydney has exhibited tobacco, chickens, biscuits, corn muffins, barbecue chicken, brownies, cakes and boys school vest at fairs or county 4-H contests. This year Sydney is a sophomore at Lenoir City High School. This year he will be competing at the 4-H Senior Level.
Loudon County has two more junior high 4-H'ers who were district winners. Roger Goddard, son of Mr. and Mrs. Roy Goddard of Greenback, was district winner in the safety project. He placed third in the state contest. He has one more year in the junior high division.
Ronald Ford, son of Mr. and Mrs. John Redmond, Jr., of Forest Estates, was district winner in the boys electric project. He placed fifth in the state contest. Ronald has two more years in junior high competition.

Letter To The Editor

Dear Editor:
I am asking-What kind of President do we have? It's my opinion Ford got off to a bad start with some serious blunders. 1. Picking millionaire Nelson Rockefeller, he is a loser as far as the people is concerned. He isn't wanted. 2. Granting amnesty for the cowardly draft dodgers and deserters, it is down right treason in my thinking. 3. Super blunder has just now took place. Ford giving Nixon a free pardon before he is tried for crimes he has done against the people who elected him. President Ford has set the Country against him and maybe the party. This will be history to remember.
I want to say now that I will not support Ford in 1978 with or without Rockefeller. To me this is the most disgraceful thing that has happened to our government. I ask again what kind of President do we have? I am scared to think what is going to happen next. It's really frightening to think about it.
Sincerely,
O'Dell Justice, Sr. 121 Riverview Dr. Loudon.

Marine Grad

Marine PFC Charles J. Strickland, son of Mr. and Mrs. Charles J. Strickland of 211 1/2 St. Lenoir City, graduated from the Field Artillery Fire Control Man Course at the Marine Corps Base, Camp Pendleton, Calif. He received instruction in the testing, maintenance and operation of equipment used in controlling artillery gun-fire, missile and rocket firing systems.
A former student of Lenoir City High School, he joined the Marine Corps in January of 1974.

Kick-off At 8 p.m.

Alcoa Game Reset For Nov. 8

Loudon-Kingston Head Knocker To Open Redskin Football Season

LONE SOPHOMORE STARTER—Greg Deatridge, an exciting sophomore, with a promising athletic future at Loudon High School, is the lone sophomore expected to start for either team in Friday night's Region Two headliner. Greg will be starting as a first year defensive back for the Redskins.

The Loudon Redskins will tangle with probably their strongest season opening football foe in the history of their high school football program this Friday night when defending 1973 "AA" State Champion Kingston comes to town.

Mother Nature opened up the skies last Friday night prompting the Alcoa athletic officials to postpone their season opening game with Loudon because of fear the freshly soded field would be torn too badly by the cleats of the football shoes from both teams. Thus many Loudon patrons who seemed to be looking ahead to Kingston will now be at feverish pitch having not gotten an opportunity to see Loudon in a varsity appearance leading up to the "Friday night biggie".

Loudon coach Bert Ratledge expressed only wonderment as to the fact his team would be the untested going into the important Region Two battle. "I don't think we were keyed as high as I would have liked for the Alcoa opener and that could have resulted in defeat. But we don't know what to expect of our team in actual season warfare. We got a chance to see Kingston and they are going to get after you in numbers on defense. Our offensive linemen will have to be ready to equal their hustle," confessed Ratledge. Kingston returns a near veteran defensive unit with

first varsity test but can look for secondary help for free safety Raymond Watkins and speedster Rick Melton. Loudon is also light in linebacking depth all other positions are stable with only fundamental lapse giving way to the pressure of both a clutch game and the season opener. The game is geared for a second half shootout as we expect a lot of conservative

moves on the part of each coach in the first two frames. Kick-off is scheduled for 8 p.m. with a capacity crowd filling Dukes Field. In other Friday night games involving the county is Lenoir City traveling to Hartman. The Blue Devils were the victim of a 17-0 Kingston team last Saturday night and have now lost 18 straight games in the course of the past three

seasons. Lenoir City has not lost to the Harriman footballers since 1970 and Coach Henry Blackburn would like to get his Panthers in the winning column for the first time at the Blue Devils expense. The game will be billed a toss up, but the Panthers should have Jeff Canesler back in uniform, after missing the McMinn Central game with a slow healing ankle spring.

Danny Hall was hurt in the second half of the Panther's loss to the Chargers, showing a limp from the aggravation of a fall leg muscle injury. If both backs are in the line-up and the Panther team can put together four solid quarters of hustle and fight the Blue Devils will fold for the 19th consecutive outing. Greenback is in a key conference match with Lanier

at the Eagles home turf. Both teams suffered opening season losses and will be out to redeem themselves. Neither squad was able to cross their opponents goal lines thus again making the 8-7 Greenback win of 1973 look even more real in 1974. This one is a rival affair and might even be settled in overtime or with out contest, pending the attitude of the Greenback defense from its showing in the Jacksonville game.

The Greenback kick-off is set for 7:20, while Harriman and Lenoir City will clash at 8 p.m.

Oh! And if you don't have enough to keep your minds confused as to who can cash in their chips for the all important victories, these respective coaches and teams must do their chores on FRIDAY the 13th.

Speaking of Sports

By DANNY GIBSON
Sports Editor

The first week of high school football got off to a rather "drizzling" start with early Friday morning rains forcing the postponement of many games in Tennessee. Most of the postponements were reset for Saturday night. Loudon and Alcoa had their game called off by Tornado officials due to having recently soded their field and felt the rain and cleats would take a great toll on the grass surface. Thus the game was re-scheduled for November 8. An open date at the tail end of both schools' regular seasons.

In some surprising results around the area unsuspecting Maryville with a team said to have the credentials of a fifth straight "AA" play-off bid, got shocked by Dyersburg 20-0. Dyersburg never launched a pass rolled up 317 yards rushing and gave up 68 yards of total offense to the Rebels.

Knoxville Karns, a future home opponent of the Loudon Redskins, passed its opening test by a 7-6 score over Knoxville Gibbs. Ringgold, Georgia, off to an early season start, made its record 20-0 by overcoming a 14-0 Cleveland lead to win in overtime 20-14. The loss was Cleveland's season opener.

Kingston played on Saturday night, blanking Harriman 17-0. The Yellow Jackets displayed strong defense and only an average ball carrying corps in kicking off its 1974 defense of the "AA" State Championship won last season.

In the "A" division Lanier fell to TSD 16-0, Walland and Porter won season openers to stage an early Foothills Conference power showdown this Friday night. Greenback lost. Friendsville defeated Midway 22-8, and Sweetwater rolled up a 40 point difference at Monterey.

McMinn County blanked Maryville Everett 21-0 in triple A play.

Loudon will host Kingston Friday night in what should be the top area grid attraction in the East Tennessee prep circles. Kingston is labeled "Lean and Mean" while Loudon has more of a physical team with size and power in their favor.

Many Redskin patrons felt the Kingston game would be "the game" for the Redskins and may have been taking the Alcoa game too lightly. But whether the Redskins are lucky or unlucky by not having a game under their belt as do most teams, win or lose, will open now with the Yellow Jackets.

Kingston has an early prep rating of fifth in the AA division while Loudon failed to even get mentioned in the first weekly poll release for high school teams in Tennessee.

Last year's contest was decided in double overtime by a 13-10 score with the Yellow Jackets recovering a Loudon fumble to assure the win.

Coach Henry Blackburn's Lenoir City Panthers deserved a better deal than their 40-7 loss to McMinn Central. The Panthers got stung on three touchdowns that should never have been. The Panthers had but two penalties called on them the entire night and both proved fuel for the fire in Central touchdowns. A third TD run of some 45 yards saw too risky Panther defensive men stick out a hand or arm rather than drive into the ball carrier.

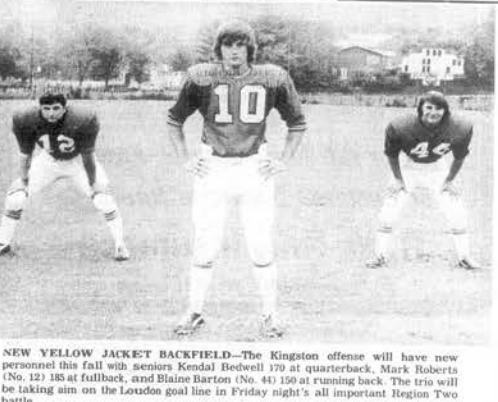

We like the fundamental training Coach Blackburn is trying to install in his players but most of the key Panther players are underclassmen and must grow up to varsity play. A season of experience and the Panthers could start a long tenure of high caliber play. Friday night saw the Panthers get tired and reserves lack the experience to battle a team of McMinn Central's consistency.

MUST STOP KINGSTON VEER—This front four of left to right Jeff Nichols 210 junior, Mike Yates 230 senior, Donnie Thearp 190 senior, and Sam Lyle 195 senior will draw the task of containing the Kingston veer offense Friday night. The Redskins have not won over the Yellow Jackets since 1970, when they came away with a 14-8 decision.

WILL CHALLENGE LOUDON BALL CARRIERS—The line backing duo of Larry Stout (30) and Jim Miles (60) will spear head the Kingston defense Friday night against Loudon.

NEW YELLOW JACKET BACKFIELD—The Kingston offense will have new personnel this fall with seniors Kendal Redwell 170 at quarterback, Mark Roberts (No. 12) 185 at fullback, and Blaine Barton (No. 44) 150 at running back. The trio will be taking aim on the Loudon goal line in Friday night's all important Region Two battle.

Chargers, Kingston Listed In First Prep Poll

Knoville Rule has caught the eye of the state's prep sports writers and sportscasters.

Bob Polston's Golden Bears are ranked as No. 3 in the Class AA division of the season's first Associated Press high school football poll.

Rule, which opened the season with a 21-7 win at Knoxville, received 31 points and one first-place vote. The Bears trail top-ranked Hartsville and No. 2 McMinn Central.

Defending champions Chattanooga Baylor and Dyer County are top-ranked in the Class AAA and Class A divisions, respectively.

Knoxville Fulton and Central are No. 11 and 12, respectively, in the Class AAA poll. Austin-East is No. 19.

Knox Young is ranked No. 19 among Class A schools.

Knox Catholic, 3-1 winner over Parrottsville, is ranked No. 6 among the state's Class A schools.

The season's first AP high school football poll, with records, first place votes and total points on an 87-6-4-3-2-1 basis, 4-3-2-1 in Class A.

Loudon Pee Wee's Suffer First Losses Of Season

The Loudon Pee Wee football teams sponsored by the Loudon Quarterback Club have finally suffered their first defeats. And just as the three teams — Mustangs, Grasscutters, and Indians — have been so successful together, they were unopposed this week end, but in defeat.

The youth teams lost to a fired up Sweetwater group, Saturday night at Loudon's Bacon Field. Loudon played well but just could not find the winning combinations as the Mustangs managed a drive in the last minute of action only to lose 14-6. The Grasscutters lost by a nip-and-tuck score of 12-6.

The Indians then ran into a heavy and powerful eleven and lost 26-6.

The Loudon teams take their work on the road this Friday night with three games at Madisonville. Madisonville is reported to have equal talent and strength of the Sweetwater units and will be tough foes to conquer.

The Pee Wee results of last week failed to make the Herald due to such a heavy load of sports copy of varsity and adult recreation activities room was not projected for the Saturday night results.

Loudon ran their streak to nine wins and no losses as all three teams handed out named and "Grit" construct Midway challenges.

A read about but seldom experience happening came about in the first weigh-in of the 105 pound and under class. Green jersey number 32 proved to be a cute, two pig tail girl. Miss Lisa Seay entered the game as a linebacker early in the game and Loudon appeared to run at the young lady, who handled her position well. She made it clear at the start of the game her pig tails were not to be pulled unless the "guy" wanted a fat lip. Hang in there linebacker.

Loudon won the game 26-6.

The Mustangs won over the less experienced Midway team 26-0. Steve Buchanan, Kent Everett, Billy Moore, Loyd Cook, Zale Hawkins, and Pat Brown anchored a stout defense. Meanwhile on offense Bruce Eller scored five touchdowns, Allan Eldridge tallied twice, Waller Henry twice, and David Matlock, Zale Hawkins, and Loyd Cook also added TD maneuvers.

The Loudon Indians won over the strongest Midway team 20-6. Boo Boo Hawkins had three touchdown runs and quarterback John Cardwell added a two point conversion run. Tim Moore, David Lambert, Ricky Sutton, and Van Ratledge all figured highly in the Indians showing.

Golden Eagles Fly By Greenback For 36-0 Win

The Greenback Cherokees fell subject to a grueling Jacksboro Golden Eagles ground attack Friday night in dropping a 36-0 non-conference season opening football game.

The Cherokees could not find the Jacksboro goal line despite several opportunities from 25 to nine yards out during the course of the night.

Greenback took the opening kick-off and rolled through two series of downs and then used an illegal Golden Eagle defensive block on a fourth down punt to keep new life into their drive. Nevertheless the Cherokees were forced into a punting situation and Harold Hawkins backed the Jacksboro offense back to their own 15 yard line.

But Jacksboro, pre-season pick as a Region One Class A contender, came out of the pits with strength and vigor. Ten plays and two assisting penalties had the Golden Eagles on the score board.

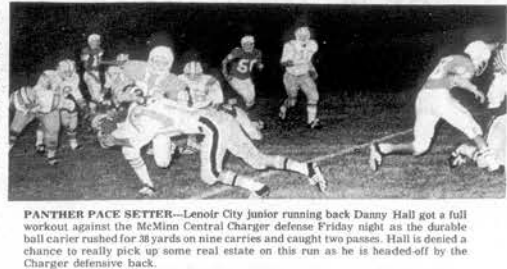

Greenback swapped defensive stands before

McMinn Central Gives Panthers Opening Tumble 40-7

The Lenoir City Panthers of the new field football coach Henry Blackburn got their official baptism of varsity football action in a season opening loss to McMinn Central by score of 40-7. The young Panthers made a strong first quarter showing but the more experienced Charger team took advantage of a couple of Lenoir City misfortunes to get on the score board in the second period and the game tempo stemmed from there.

The Chargers, who gained a

First Downs 16 10
Passes Attempted 8 10
Passes Completed 2 3
Passes Had Intc. 1 2
Yards Passing 10 31
Yards Rushing 291 29
Yards Pen. 3-0 1-5
Fumbles-Lost 2 1
Punts-Avg. 3-32 3-37.0

PANTHER PACE SETTER—Lenoir City junior running back Danny Hall got a full workout against the McMinn Central Charger defense Friday night as the durable ball carrier rushed for 36 yards on nine carries and caught two passes. Hall is doled a chance to really pick up some real estate on this run as he is headed-off by the Charger defensive back.

crossing the double stripe from the five with 5:37 left in the first half. The conversion turned in a nifty 19 yard kick-off return and junior Danny Hall carried three straight Panther 43 yard line. In seven fourth down punt for Lenoir City, McKonkey managed but a 13 yarder under a heavy in the half and a 27-0 in termination score.

Neither team could move the ball in the third quarter with Central hitting a 38 yard punt and Lenoir City's McKonkey answering with a contact but no tackles. The

Lenoir City got no more than the Central offense intercepted a Mike McConkey aerial at the times for nine yards forcing a Panther hurried plays the Chargers struck again with just 03 left a 13 yarder under a heavy in the half and a 27-0 in termination score.

Neither team could move the ball in the third quarter with Central hitting a 38 yard punt and Lenoir City's McKonkey answering with a contact but no tackles. The

Four Weeks Left In City Golf League Season

Larry and Lynn Millsaps need only hold their Loudon City Golf League lead for four more weeks to successfully defend their summer title of 1973. The brother duo have collected 233 team points to date and appear well in second place behind Richard Archer and John Cobb for the majority of the summer months.

Archer and Cobb have the

LOUDON CITY GOLF LEAGUE STANDINGS

TEAM	POINTS
Larry Millsaps and Lynn Millsaps	233
Richard Archer and John Cobb	214
Ed Arnold and Paul Brakebill	206
Jimmie Hamil and Jim Moore	191
Beck Kirkland and John Lennox	179
Jack Ferguson and Glenn McNabb	177
Ted Lomas and Inky Swincy	176
Mike Oddy and Larry Bridges	175
Clell Miller and Bert Ratledge	173
Dennis Townsend and Ralph Stalcup	170
Coye Blankenship and Butch Early	162
Danny Watkins and James Earle	157
Earl Millsaps and Jim Huff	152
Harrison Henry and Harold Grimes	152
Jerry White and David Henson	148
Joe Mourfield and Dick Ryan	148
Jack Kincaid and Gary Brown	148
Don Carter and Jack Hodge	147
Larry Christian and Tom Sexton	146
Larry Lane and Jack Lane	145
Ed Swenson and Gerald Cole	144
David Hamil and Tom Lambert	142
Ray Stalcup and Billy Chambers	136
Charles Watkins and Gene Watkins	126

best chance of keeping the title, but must make up a 19 point deficit in the next three weeks to over take them for the championship.

Ed Arnold and Paul Brakebill trail the leaders by 33 team points and appear out of the running at this time.

Jimmie Hamil and Jim Moore continue to hold fourth place with 191 team points and are assured of a high league finish, having won last week's top team honors by combining for a round of 67 and 68 team points.

Jack Ferguson was the best individual golfer last week with a low net round of 35.

The individual point race appears to be settling down with Lynn Millsaps, John Cobb, and Larry Millsaps Cobb holds second place with 116 points, yielding first place to Lynn Millsaps with 121 individual marks as the Millsaps team has surged to the top of the league play in recent weeks. Larry Millsaps ranks third with 111 personal points.

The league will hold a two week individual tournament to close out its league action for the year starting in October. Details are being worked out by league officials at this time

along with plans for the annual season ending awards banquet.

containing the Golden Eagles back on their own 10 yard line. A punt to the 47 had Greenback in excellent field position. Roddy Kizer whipped a 31 yard pass to the feet of Hawkins and a six yard rush on first down had the ball resting at the nine yard line of Jacksboro. But tragically struck the Cherokees as the ball was fumbled on the second down exchange from center to quarterback and the Golden Eagles recovered.

The mishap seem to affect the Cherokees as Jacksboro marched 88 yards in 11 plays for a second touchdown and a 14-0 half time edge.

Greenback denied the Golden Eagles of a first down on their first two offensive series in the second half and

meanwhile started to click once more on offense.

With the game still much to be had the Cherokees set out from their own 17 yard line with Jimmy Brooks cashing in a run for 39 yards and a first down. Harold Hawkins held tight for a 23 yard aerial advance from the arm of Kizer. With second down and 10 at the Jacksboro 25 the Cherokees failed on three straight passes to give up the ball and the last real scoring drive.

Jacksboro turned the tables by putting the game out of reach on a nine play, 75 yard drive for a touchdown.

Greenback brought the ensuing kick-off back six yards and promptly fumbled at their own 29 yard line on first down. It took the Golden seven plays but the Greenback offense just could not hold the Jacksboro offensive unit out of the end zone.

The Cherokees once again received the kick-off and a 13 yard return for fair field position out side the 20. But as fate would have it the Jacksboro defense proved alert with a pass interception on the first play of the series.

Greenback was so flustered that Jacksboro struck paydirt on its first play from the 30 and the score read 36-0.

Roddy Kizer intercepted a

Jacksboro pass in the closing seconds of the game but the damage had already been done as the Golden Eagles picked up 22 points in the final stanza to salt the game away.

Jacksboro ran 59 plays in the game for 300 yard of total offense, and took charge late in the game as the Greenback defense was not up to par with its fall pre-season showing.

Jeff Tipton, Kenny Evans and Jimmy Brooks carried the team on defense with the most tackles. Rocky Anderson and Frank Mitchell were also rough on the Golden Eagle

ANNUAL FOOTBALL CONTEST

The Herald Loudon County

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

\$12 First Place

\$8 Second Place

\$5 Third Place

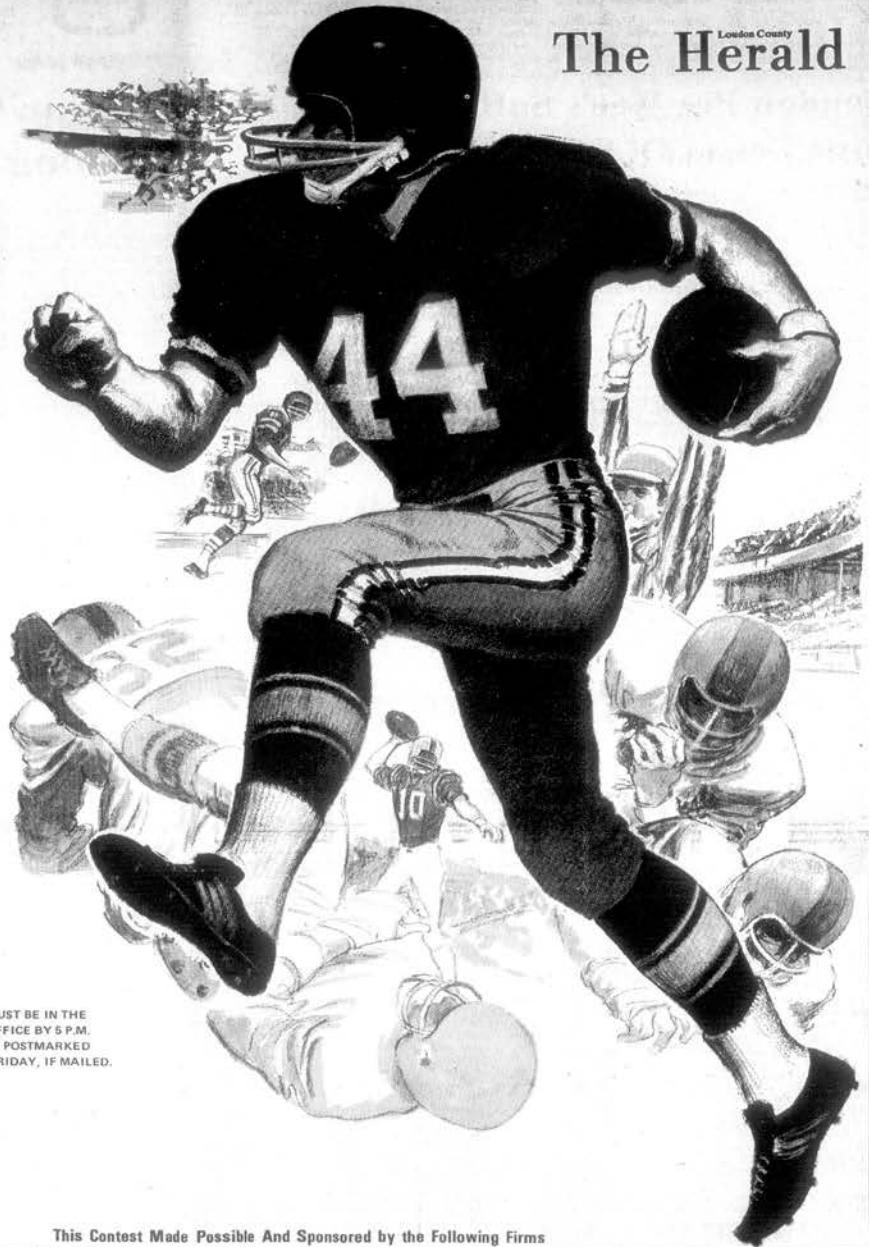

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which team you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.

2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.

3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.

4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

ENTRIES MUST BE IN THE HERALD OFFICE BY 5 P.M. FRIDAY OR POSTMARKED BY 5 P.M. FRIDAY, IF MAILED.

HEADS FOR FIRST DOWN—Lenoir City's quarterback Mike McConkey heads for a 12 yard gain and a first down in Friday night's Lenoir City football home opener with McMinn Central.

McMinn Central Tumbles LC 40-7

(Continued from Page 9)

29 yard boot of his own. An alert defensive back Hennie Goley curled around a McMinn Central fumble at the Charger 31. Danny Hall stroled for five yards. Fullback Bobby Smith alashed for a couple of yards. And the hard running Hall gained a first down with an eight yard effort. Neither Hall nor Smith could gain an inch on the stubborn Central defense, thus McConkey hooked up on a first down 12 yard aerial to Smith, at the Charger three yard line. Smith got the call again and wedged his way into the end zone on the first play and goal. McConkey added the extra point kick.

The Chargers never permitted the Lenoir City offense past the mid-field stripe after Lenoir City touchdown and with 8:46 showing, opened the second half scoring with a 22 yard pass. McMinn Central falled again on a short run in the closing seconds of the game to make the final score 40-7.

Lenoir City Coach Henry Blackburn was not too pleased with his team's showing, as the Chargers seemed to pad their win with not less than three cheap scores on Lenoir City

errors that were uncalled for. A unnecessary piling on penalty when the Panther defense was holding their own proved most costly. A five yard penalty for having too many players on the field cost the Panthers a pass interception at the goal line late in the first half and the chargers turned the mishap into a touchdown. The Panther defense then seemed to lay down on the Chargers longest run of the night, a 44 yard touchdown, that saw all of seven Panthers put a hand on the ball carrier.

PANTHER SCORE—An unidentified referee signals touchdown for Lenoir City as fullback Bobby Smith barrels across the double stripe for the lone Panther score. Smith was a key figure in the Lenoir City cast of Standout performers.

The Panthers did get some standout individual efforts with Bobby Smith gaining 16 yards in eight carries and caught a 12 yard pass. Danny Hall is going to be a dependable player if he can shake some fall practice injuries. Jeff Blakney and Mike Haynes were the best on defense for Lenoir City, sharing in most of the tackles.

Lenoir City got 45 offensive tries with the football and

Philadelphia Tennis Tournament Ends; Watson Out Duals Randolph For Intermediate Title

The Philadelphia Community Club Tennis Tournament ended this past weekend with tournament directors Doyle and David Arp expressing a most enjoyable and pleasing two weeks of tennis competition on the Philadelphia Park tennis courts.

Nineteen from a starting field of 53 entrants were left at the half way mark of last week's reported play. Picking up the action in the Men's Beginner's play Gerald Cole defeated Jerry White 3-6, 6-3, 6-1. Larry Millsaps eliminated Cole to gain the finals 8-2, 6-2. Meanwhile Larry Smallen reached the finals also by handing Luke Bright a 7-5, 6-1 defeat.

Smallen and Millsaps engaged in one of the top final

matches of the tournament with Smallen being pushed the limit of three sets before winning over Millsaps 6-3, 3-6, 6-1.

Heleen Cole opened the Saturday morning final rounds by capturing the Beginner Women's title over challenger Glenda Arp 6-1, 6-2.

In the Men's Intermediate "B" class Tom Rothwell, Loudon Junior High School principal dealt Loudon High School Girl's Basketball Coach Dewayne Arp a 6-4, 7-5 loss. Rothwell then downed

David Arp 7-5, 6-0 to move into the finals with Rodney Blevins. Blevins, who had gained the finals of the Men's Intermediate "B" division at press time last week, stopped Rothwell 6-4, 6-1 to take home a first place trophy.

Susan Huskey won over Sarah Arnold in the semifinals of the Women's Intermediate play 7-5, 6-2. Nevertheless it was Linda Arp taking the finals with two wins in a three set match. Scores read 6-2, 16, 6-2 in favor of Mrs. Arp.

A truly exciting and splendid finish to the tournament was the play in the Men's Intermediate "A" double elimination event. Hugh Watson rallied from the loser bracket to defeat Ron McNabb 6-4, 6-4 and then disposed of Larry Bridges in three sets 7-5, 3-6, 7-5 to oppose unbeaten Ted Randolph. Randolph sent Larry Bridges to the loser bracket with a 6-4, 6-3 decision.

But it was Saturday's finals that put the icing on the most interesting division of the tournament format Randolph who had eliminated Watson in a tournament in Loudon some three weeks past and again duplicated the feat in the opening round of the Philadelphia tournament 6-4, 7-6, needed only stop Watson again to win the tournament. Watson who had to win two matches for the title, won his opening survival match in three sets 6-1, 0-6, 6-3, and then came back strong with a 6-3, 6-1 effort to win the Inter-

mediate "A" trophy. Mrs. Hugh Watson made it a family sweep by also capturing the Women's Advanced title over Beth George 6-1, 6-3. Mrs. George had advanced to the finals by winning over Connie Huskey 6-2, 6-3.

The Philadelphia Community Club is expected to host another tennis tournament next summer.

SPORTSMANSHIP—A token of good sportsmanship is shown after the beginner men's final match between Larry Smallen (left) and Larry Millsaps (right). Smallen won the title 6-3, 3-6, 6-1.

LIGHTING SERVE—Loudon Junior High School Principal Tom Rothwell displays a lighting serve during tournament play.

HUSTLING RETURN—Larry Smallen makes a hustling return of a well placed shot to the right side of the court.

COMPLETES VOLLEY—Rodney Blevins completes a practice volley in a warm up return before the finals of the men's intermediate "B" class.

The Loudon Recreation Double Tennis Tournament got underway Monday evening at Loudon's tennis courts and adjacent the high school campus with Hugh Watson and Larry Bridges defeating Jim Randall and Ronnie Bivens 6-0, 6-2, in the Men's A division.

Loudon Doubles Tournament Started

The Loudon Recreation Double Tennis Tournament got underway Monday evening at Loudon's tennis courts and adjacent the high school campus with Hugh Watson and Larry Bridges defeating Jim Randall and Ronnie Bivens 6-0, 6-2, in the Men's A division.

David Arp and Jerry Lambert were eliminated by Inky Swiney and Jack Ferguson 6-1, 4-6, 6-4 in a Men's B match which had originally been set for Saturday.

In another men's B class Ron Bridgman and John Munsy fell to Allan Johnson and Joe Luckett 6-4, 6-4.

Loudon Recreation Director Bill Birkholz and his wife Sheila passed their first test in the mixed men and women doubles of the B division 4-6, 6-3, 6-2 over Jack Ferguson and Kathy Estes.

And the final game of the evening a men's B contest, Jim Birkholz and Bill Wilson were eliminated by Don Canter and Lynn Burnett 6-1, 6-1.

The tournament will carry through the entire week with no matches scheduled for Friday evening due to high school football games. Finals are scheduled for Sunday afternoon at the Loudon courts.

Seventh Arabian Horse Sale Is Saturday

The seventh semi-annual Arabian Horse consignment sale is scheduled for Saturday at Sa-Arabet Arabian Farms located on Highway 72, five miles west of Loudon.

Poster said this week, "I really think we have the best quality horses for this one

we've ever had."

The farm, owned by Dr. Sam Harrison of Loudon, is located on Highway 72, five miles west of Loudon.

Poster said this week at 1 p.m., has 32 horses consigned from 32 states, from as far away as Oklahoma and Wisconsin.

Both he and Dr. Harrison said Loudon Countians are welcome to attend the sale, whether they are prospective buyers or not, to see this collection of distinguished Arabian horses.

SQUIRREL HUNTERS—Two Loudon football players have turned into accomplished squirrel hunters in their off time. Buddy Swiney (left) and Bill Kollock (right) had a first hunt kill of nine squirrels this past weekend.

Football Contest

The winners are Bruce Lawson, Byron Lawson, Ted Watts, Monty Lawson, J.C. Moser, Myrtle Robertson, all of Loudon; Jack Harrison of Athens, Kevin Hill of Knoxville and Brenda Miller of Kingston.

The McMinn County win over Everett and Greenback's loss to Jacksboro were the big footers in the contest.

A new 10 game slate of games headed by the always tough Loudon-Kingston game is waiting on the contest page.

Violence Flares Anew

At Carbide, Talks Fail

Dorothy Morris, Steekee Creek Road at Loudon. She also has been working during the strike.

Monday about 6 a.m. plant officials discovered a tractor-trailer truck had been pulled across the main entrance of the plant. The truck owned by Earl Millsaps, had been taken from a nearby construction site and pulled across the drive. Millsaps sent someone to move the vehicle.

Steel balls and marbles have been introduced to the strike. There have been several reports of car windows being broken and vehicles dented from steel balls thrown from areas near the plant as workers leave and enter the facility.

One lady riding in a car driven by Mrs. Bill Gray suffered minor cuts when a steel ball shattered a

STATE RECORD CATFISH

Nine-year-old John Rader of Knoxville is the holder of the state record Flathead Catfish title. The 61 pound giant was pulled from the Blue Grass Lake in Knox county on August 27, 1974.

Members of the union have registered several complaints with reporters this week about threats received from Murray Inc. guards, the special guards hired by Union Carbide. They say the guards go fully armed with pistols and rifles and attempt to provoke incidents.

There have been reports to word battles between the strikers and armed guards at the plant entrances.

Hearings on Chancery Court contempt citations against 12 union members that was set for last Saturday has been postponed by Judge James Phillips. Sessions Court hearings for persons charged in various strike related incidents were either postponed until this Friday or waived direct to the Grand Jury which begins hearings Monday.

marital status, and all medically approved family-planning services are available through the clinics. Although PPASM's main office remains in Oak Ridge, the organization has recently opened a free-standing clinic and office complex in Maryville. In addition, PPASM opened a free-standing clinic on August 16 in Oak Ridge next to its main office at 164 Ridgeway Center. Services are free in all PPASM clinics, and anyone from Loudon County will be welcomed who finds it convenient to seek family-planning services in the new free-standing clinic. Appointments may be made by calling 482-3406.

Family Plan Clinics Set

W. C. Booker and Judy Sogner continue their work as family-planning aides throughout Loudon County. They work for Planned Parenthood Association of the Southern Mountains, Inc. (PPASM). Family-planning clinics are held in health-department facilities in Loudon each second and fourth Tuesday of each month, and every third Wednesday of the month. Anyone interested in coming to a clinic should call the health department for an appointment. A medical services team, usually headed by a woman practitioner, conducts the PPASM clinics. The aides would like to talk to anyone who would like to know more about family planning or about the clinic. Services continue free to any Tennessee resident regardless of income, age, or

FAMILY-PLANNING AIDÉ W. C. Booker is shown with nurse Emily Tyson. Both are employees of Planned Parenthood Association of the Southern Mountains (PPASM). Mr. Booker works throughout Loudon County explaining family planning to men. PPASM has an expanded program of family planning in cooperation with the Loudon County Health Department.

Completes Basic

Hugh Bowers, son of Mildred Brewer of Loudon, has recently completed Basic Training at Lackland AFB, Texas and will be stationed at Chautau AFB, Illinois for a six weeks technical school study as a fuel specialist.

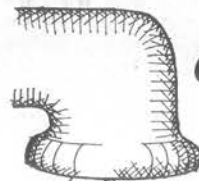

Flanagan, 84, Is Honored

Mr. W. A. (Bill) Flanagan who celebrated his 84th birthday on September 5 was honored by his children with a surprise party at the B & J Cafe in Rockwood. Mr. Flanagan lives on Route 4, Lenoir City. After dinner, cake and ice cream was served. The cake bore a special significance as each layer represented his family. The bottom layer held 32 yellow candles representing his grandchildren, second layer held 21 green candles to represent his children. The top layer held two large number candles 84 which represented his age. Mr. Flanagan's children are: Martha Dean Bivens of Indianapolis, Indiana, Freida Roberts, Loudon, Junior Flanagan, Indianapolis, Robert Flanagan, Knoxville, Clifford Flanagan, Rockwood and Edwin, Raymond James and Arthur Flanagan, all of Lenoir City.

PLANT ENTRANCE BLOCKED—A large truck (shown above) was mysteriously placed across the main entrance to the Union Carbide Plant at Loudon Monday morning about 6 a.m. The truck owned by Earl Millsaps, had been moved from a nearby construction project to the plant road. Plant and county officers called Millsaps who sent an employee to move the vehicle.

Hot Water Costs, But You Can Save!

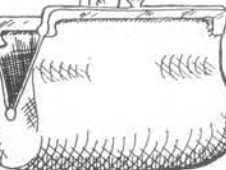

Four things consume most of the hot water at your house. Clothes washing. Dishwashing. Bathing. Leaking faucets.

To conserve hot water (and save on your electric bill), here's what you should do with those four things.

Wash full loads of clothes in the coolest water for a satisfactory wash. Also, use less water for small loads.

Wash full loads of dishes. Step into the shower instead of the bath. You'll use about half the hot water.

Put a new rubber washer in those leaky faucets.

There. All easy to do and, except for the rubber washers at about a nickel each, all free. Just a matter of doing. What could be easier?

Use Electricity Wisely

Citizen Group Proposed

(Continued from Page 1)
 ship and cooperation already extended and want you to know that I will try my best to work with this Court and be of whatever assistance I can consistent with my duties and responsibilities to the people.
 "In these questionable economical times I would make one request. I would like to ask the Court at some early point to re-examine the proposed budget document with an eye to reducing the overall operating portion of the budget arbitrary 5 percent. The fight against inflation must begin at home. We must set the example for others. I would hope that such a cut could be made across the board with the exception of the

County employees salaries. We must always be mindful of that those on fixed incomes are not penalized.
 "I commend this Court for the good they have already done for the people of this County and say again how glad I am to share with you the expectations of tomorrow."
 Judge Russell concluded.
 The main agenda of the court meeting was considered shorter than usual and the meeting was adjourned before the session was two hours old.
 During the meeting, at the request of Judge Russell, Squire R. P. Hamilton telephoned the State Transportation Department to get the latest cost estimates on the

blacktopping, installation of signs and guardrails on the Philadelphia connector which is set for bid in October. The original estimate, before the oil shortage and other inflationary pressures was \$146,000, but the latest estimate made Monday was \$244,000.
 The court was asked by the state to reaffirm their action that the county would meet its one-half of the project costs. On a motion by Squires Boyd Duckworth and Roy Bledsoe this was done with a unanimous vote.
 Judge Russell also reported that the state was taking a long look at the bids taken recently on the Sugar Limb connector. The \$1,299,574 bid was \$277,000 higher than

JUDGE RUSSELL PRESIDES—New Loudon County Judge William Russell is shown presiding at his first county court meeting Monday. Shown in the picture are Squires R. P. Hamilton, Henry Foster and I. D. Conner, and deputy court clerk Mrs. Addie Ruth Clarke.

expected and may result in the project being rebid. The judge said he hoped to have more information from the state in the next few days on this matter.
 County Court accepted a list of conditions from the Board of Education for responsibility for damage to Loudon High School in exchange for being allowed to have the Election Commission move the four Loudon voting precincts to the high school.
 Judge Russell at the outset of the meeting announced that the Squires that now serve on the important budget and purchasing committees will be asked to continue on the committees and asked that all other committee appointments be postponed until the October meeting.
 Lawyers for compensation for clerical help in the offices of the Register of Deeds, Trustee and County Court Clerk have been filed against Judge Russell as county fiscal officer. Russell said he had hired Loudon City attorney H. T. Harris to represent the county in the matter.
 Squire J. J. Blair said he thought that since the county had adopted county personnel classification policy that all offices were under the system. After being informed that the fee offices had not agreed, Squire Blair said he felt that the personnel policy, insurance and retirement

programs would be greatly damaged if the 60 to 65 percent increases were allowed that he had heard were being requested. Judge Russell said he would defend the county's position on the matter, but the final decision rested with Chancery Judge James Phillips who would hear the cases.

 Loudon City Schools

Architects Assigned By State Building Commission
 Architects have now been assigned by the State Building Commission for seventeen groups of vocational education facilities, 105 of the 197 million appropriated by the Legislature for the construction of vocational-technical facilities across the state.
 Design Groups, Inc., Johnson City, has been appointed by the Commission to develop plans for Comprehensive Vocational facilities for Loudon County, Bradley County, Morgan County, and Roane County.
 The construction cost for the Loudon County facility, including equipment, is approximately \$1,600,000. The total number of programs included in this facility is twelve and will include the following:
 Commercial Foods Occupation
 Radio and Television Repair
 Drafting Arts
 Occupational Home Ec.
 General Building Trades (Two Shops)
 Machine Shop
 Welding
 Air Conditioning and Refrigeration
 Auto Mechanics (Two Shops)
 Small Engine Repair
 Loudon County was originally scheduled for construction during the 1973-76 school year and has now been moved to the current school year. The planned change in the state plan necessitates prompt identification and approval of facility sites.
 The grouping on a number of projects under the management of one architectural firm is expected to facilitate management of a project of this magnitude so that construction may be completed by the fall of 1975. Early completion means a considerable savings in the face of rising costs, and architects' fees are reduced when repetitive costs are designed.
 Governing Board to Meet Thursday, September 12, 7:30 p.m.
 The Governing Board for Vocational-Technical Education for Loudon County will meet at the Loudon City Board of Education, 104 A Street, on

Thursday Evening, September 12, 7:30 p.m. The Governing Board is composed of members of the Loudon County Board of Education and the Loudon City Board of Education.
 The primary purpose of this meeting is to enter into an agreement with the State of Tennessee to provide a site for the new Vocational-Technical Center that will be built by the state. It is the responsibility of the local educational agency to provide the site and deed it to the state prior to completing plans for the school.

Revival Slated
 Revival services will begin at West Broadway Baptist Church in Loudon City on Monday, September 16. Rev. Jimmy Seaton of Knoxville will be the evangelist. Services begin each night at 7:30 p.m. Special singing nightly. Rev. Roy Hattley, pastor, invites everyone to attend.

Rev. William C. Brabson
 Pastor

REV. REOFORD L. CHANEY, of Birmingham, has served as superintendent of the Alabama District, Church of the Nazarene, since 1964.
 Prior to his election to the superintendency, Mr. Chaney had been a pastor for 24 years. He served Nazarene churches in Shelbyville, Tenn., Greensboro and Raleigh, N.C., and spent four years in Hawaii as a home missions pastor, where he pioneered the work of the Church of the Nazarene on the island of Maui. He was at Mobile First Church for eight years.
 A contributor to various church publications, Mr. Chaney is a writer of poetry, having compiled booklets entitled "My Creed for Living" and "Poems from the Heart." Rev. Chaney is a native of Loudon County and the son of Mrs. Lucille Malone of 805 Ardren Street, Loudon.

CHARLES THOMPSON 334-5474 (We Not Only List It, We Sell It) RALPH BENSON 745-6352

By Charles F. McCall Extension Leader
Providing beef for America's tables is a precarious business. Of course there's an element of risk in any business. But the hazards of beef men face have to be something special, and that is why beef is hard to get today.

Look at some events of the past year. First, a worldwide spell of bad weather that cut grain crops almost everywhere and sent overseas demand for U.S. grain skyhigh. Result: higher feed prices for cattle feeders. Then came a winter that was literally killed. It killed thousands of beef cattle that would have gone to market and set back the weight of thousands more. Result: two percent of the year's beef production (600 million pounds of beef) lost.

Spring floods delayed or prevented grain planting, driving feed prices still higher. Even the most unlikely-seeming events appeared to conspire. The Humboldt Current off South America shifted strangely.

In Memory
In loving memory of our mother, Mildred Louise Johnson who died September 12, 1973.

We did not know the pain you bore, we did not see you die. We only know you left us and never said goodbye. As we stand by your grave and place flowers with care, we almost hear you say I know you are there. When days are dark and lonely and everything seems to go wrong, we seem to hear you whisper, cheer up and go on. Each time we look at your picture, Mother, you seem to smile and say, "Don't grieve, I'm only sleeping, we will be together again someday."

Sadly missed by daughters, Patricia Lyles and Linda Haskin, husband, James Johnson, sons, James Kyle and Tommy Johnson.

cutting the catch of protein-rich foods that go into livestock feeds. Result: more feed shortages, higher prices. Coping with nature is tough enough, and beef men have always considered it part of the game. But the unnatural risks-like artificial price ceilings-are something else. The ceilings are on the retailer and the packer, but the squeeze goes right down to the cattle feeder and rancher.

It takes about three years from the decision to expand a breeding herd until more beef reaches the retail market. During this long cycle the cattleman faces unpredictable risks that can bring a disastrous cost-price squeeze, which can ruin them. "It's the biggest poker game you ever got into," a rancher said.

The feedlot operator who buys steers from the Loudon County Farmer is in the same kind of bind. His costs for feed, medicine and labor went up about 40 to 45 percent in the past year. The packer, who buys full-grown finished steers from the feedlot operator, isn't in any better shape. He's right up against that ceiling price.

To cut their losses, some feedlot operators and many packers have curtailed cattle buying. And so the beef stays where it is on the ranch and in the feedlot. It is not reaching the consumer. The retail meat counters have become nearly empty and many industry workers are unemployed.

There's no villain draining off unfair profits anywhere in the chain of supply. There are only these facts: (1) higher costs at every stage; (2) prices that make it difficult to recover costs, let alone earn a modest profit; and, as a result, (3) a supply and demand situation that's turned crazy.

No one knows for sure what will happen after the beef price restrictions are lifted. No one can promise consumers that prices will eventually come down. But

\$2,175,000 Spent Here On Home Improvements

Home improvement is the order of the day in Loudon County.

Because of the high cost of new housing, the scarcity of mortgage money and economic conditions in general, many local families who had been thinking about buying new homes have apparently given up the idea for the present and are turning instead, to sprucing up their present ones.

As a result, they have been putting a record amount of money into alterations, additions and repairs.

The figures indicate that their expenditures for such purposes came to a total of \$2,175,000 in the past year. This is distinct from their normal, month-to-month operating expenses.

The estimate is based upon sampling surveys that were conducted in all parts of the county by the Department of Commerce and upon data from industry sources.

The finding is that the average amount spent by homeowners in Loudon County's regional area during the year for upkeep and improvement was approximately \$278 per dwelling unit, as against \$366 nationally. In 1970, by way of comparison, only \$222 was spent locally. Part of the increase was due to inflation.

For some homeowners—those who went in for major repairs and improvements—the outlay ran much higher than average. Others, who may have done considerable overhauling a year or two earlier, did little this time.

Nationally, the Department of Commerce reports, no less than \$18.9 billion was expended in the past year for the upkeep and improvement of residential properties. This was \$1.4 billion more than in the prior year.

As for property owners in Loudon County, how did they spend their \$2,175,000 portion of this total?

In general, a breakdown of the overall figures shows, about 57 percent of the ex-

penditures was for additions, alterations and major replacements. The other 43 percent was for maintenance and repairs. By far, the biggest item in this category was house painting, interior and exterior. It was followed by plumbing, roofing, heating and air conditioning.

VIEW FROM THE HILL

by Edward Headlee

Loudon County School Superintendent

With the beginning of a new school year there are always some problems with bus routes. The school system is committed to providing the best system of transportation possible with the money available. There are, however, certain state regulations which govern the operation of school buses.

(1) Buses may carry up to 20 percent over their rated capacity, but a greater load than this will not be granted State approval.

(2) Buses from one school system may not enter another system without the mutual consent of both systems. This explains why County students may be transported to Lenoir City High School but not the other Lenoir City schools by County buses.

(3) A child cannot ride past a school which provides the services he/she needs in order to attend a similar school in another area.

(4) In order to provide bus service in a certain area there must be a sufficient number of students to warrant such service and an area large enough for turning the bus must be provided if turning is necessary.

I hope that this information will help in understanding some of our methods of operating school buses in Loudon County.

County Schools
Some folks have apparently had trouble finding the telephone number of their school. I have made a list of these and include it in this week's column as an aid to parents and other citizens. In alphabetical order they are:

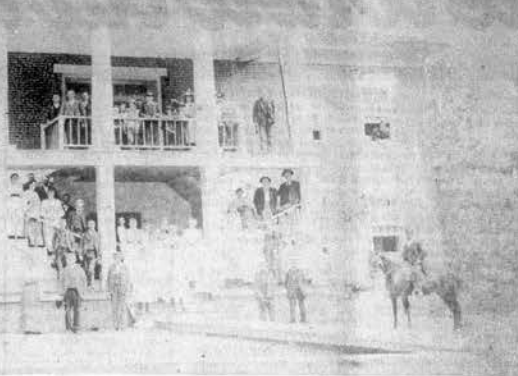

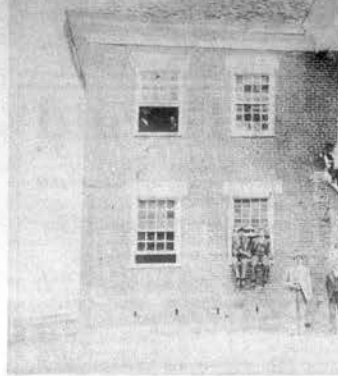

- Browder-966-2454
- Davis-458-2614
- Eatons-866-2420
- Glendale-966-2570
- Greenback-856-3028
- Highland Park-986-2241
- Loudon Elementary-458-2626
- Loudon Jr High-458-3326
- Loudon High-458-4356 or 4327
- New Providence-966-2776
- Philadelphia-458-3684
- Steeke-458-3322

GOP Women Set Picnic

The annual picnic of the Loudon County Republican Women will be held Thursday, September 12 at 6:30 p.m. at the Loudon Lion's Municipal Park. A covered dish supper will be served. A nominating committee will be selected as the main item of business. A cordial invitation is extended to everyone.

AARP Meets Wednesday

The regular meeting of the Loudon County Chapter AARP will be held Wednesday, September 11 at Lenoir City Utilities Building, Lenoir City at 1:30 p.m. Paul Bass, program chairman, will speak on the "Legislative Needs of Senior Citizens of Loudon County." Anyone over 55 years of age is invited to attend and become a member of the AARP.

During the past few weeks we have run a group of pictures loaned to us by Mrs. T. J. Norris. Many of these have been identified in part and some completely. We appreciate the interest of this Good Old Days reader in sending us this group of pictures.

This week we are using another of the group and hope we can turn up some information on it as we have some of the others. This old picture could be connected with the others as it appears to be a school picture. What we can determine by looking at it is probably it is a school group. If you can help us and Mrs. Norris, give us a call.

In our efforts to find things related to Loudon's past we have come up with many things that served as reminders of days gone by and many times pointed out how things have changed. We thought of one thing the other day that we have not requested and must just be among some of our reader's cherished keepsakes. That is an old Loudon telephone directory. Of course, we would like to have one dated back many years ago. If you have one, of a vintage era, and would let us look at it, we would appreciate you giving us a call.

I have no idea when the first directory for Loudon came out but maybe some of our readers could help us. Possibly it was after Southern Bell took over the system.

Since we ran the old picture of Carson Newman College we have had many comments. In fact, we doubted that we would hear from anyone on this picture but much to our satisfaction, we have had tremendous response. This happens sometimes. The picture you would think would have the least of interest will create quite a stir.

Possibly the person contacting us with the broadest scope of information was Mrs. Joyce Thomas of Philadelphia. She took the time to write us a letter which contained a score of information about this Baptist school. The following is some of the many things about this school which she included in her letter. Mrs. Thomas is the former Joyce Carson of Madisonville. She has a family history book and was able to gain information for us. Mrs. Thomas stated that before 1924, Carson Newman was called Carson and Newman College. As we stated last week, it was formed from the union of two schools. The

forerunner of the school was Mossy Creek Baptist College and was founded in 1851 as a college for young ministers. James Harvey Carson was the founding father, trustee and benefactor. A large portrait of J. H. Carson hangs in the hallway of the Administration Building at the college.

Mrs. Thomas also told us that Jefferson City was formed in 1900 from the villages of Mossy Creek and Carronsville. We were grateful to Mrs. Thomas for her complete information and hope that our readers find it to be as interesting as we did.

We were downtown Loudon the other Saturday and ran into Erskine Milsaps, who just

have known Mr. Milsaps all of our life and have felt close to his family. Of course we are always delighted to see and talk to him. As we talked he took out his billfold and handed us a picture and asked if we would like to use it in the Good Old Days. The picture is of two well known Loudon men, the late Verb Simpson and Mr. Milsaps.

R C Slates Aid Course

An American Red Cross First Aid Course will be held on Tuesdays and Thursdays, September 17, 19, 24 and 26. Miss Ann Vondy of Lenoir City will be the instructor. Classes begin each day at 9 a.m. to 2 p.m. at the Loudon Branch Bank of Loudon County. The classes are specifically designed for persons interested in working in the First Aid Clinic at Loudon Elementary School. Other information may be obtained by calling Mrs. Bitulard, 458-3660.

Last year we brought you over two billion dollars worth of automobiles. You've got a lot riding on us.

A lot of cars rode our rails in 1973. We estimate that the manufacturers' value for autos we shipped amounted to \$2,411,000,000.

And when you put Southern's shipments together with all other railroads, you've got 76% of all the autos and auto parts Americans buy.

Why does the automotive industry and so many other industries ship by rail? They know it's usually the most economical way to go.

Consider these figures for the thousands of things shipped by rail. The average cost per ton-mile by truck is five times as much as by rail. Air shipping is over

fourteen times the price.

And the fuel crunch has made railroad efficiency more than just a matter of dollars and cents. It's a matter of delivering the goods with the smallest possible use of fuel.

Then there's the reliability of rail shipping. Add this on to everything else and you have a good idea why there's so much riding on us. And why you need Southern.

Investigators Have Few Leads

Despite the offer of a \$5000 reward and efforts of Federal Treasury Agents, TBI Agents and local law enforcement officials, little progress has been made into the investigation of a series of dynamite blasts that leveled four power poles and over 600 feet of high voltage transmission lines leading to the strike-troubled Union Carbide plant at Loudon.

The blast occurred about a quarter mile from the Union Carbide plant. Two poles that were damaged in a similar blast on August 27, were blown to the ground, as one about 50 feet further north, and a fourth pole around 400 feet

away across the Southern Railway main line. The giant poles were left on the ground with debris around them resembling a scattered pile of splinters. An investigation at the site later that night made by two Treasury Agents, TBI Agent Leon Miller, Civil Defense

Director Ted Randolph, and Assistant Attorney General Ed Bailey showed that holes had been bored in the poles and the explosive charges placed inside and touched off by fuses. Striking Union President Roy (Shine) Jenkins accompanied the men on the initial inspection.

It appeared that each of the poles had been separately charged, with the blasts coming within seconds of each other. This indicates that at least three persons took part in setting the blast.

There were two 69,000 kw lines on the poles, one served by Melton Hill Dam and the other by Fort Loudoun Dam, forming a loop into the plant. When the lines went down they left the entire area served by the Loudon Utilities system in darkness. TVA and Loudon Utilities working together switched the power coming into the system to a third source and in 30 minutes the lights were back on, but Carbide remained without power.

\$5,000 Reward Offered

Mayor Grayson has continued to work toward finding a private contractor to restore the power lines of the plant. Monday a Loudon City Utility Board engineer and an engineer from a firm that does that type of work surveyed the damage to get an estimate of the cost and how much time would be involved in restoring the power.

CD Director Randolph said his first stop after the blackout was the Loudon County Memorial Hospital. He said that emergency generators functioned properly to provide power for life saving and sustaining equipment at the hospital.

Several members of the National Guard units from Loudon City and Athens were called in to have portable generators available should further blackouts occur during the night, but they were not needed. All members of the Sheriff's staff worked out last night for two days.

Some concern was caused about 3 a.m. when Carbide opened ventilation at the plant out last night for two days. During this period there were reports of fireworks being fired over the plant causing concern about a possible fire.

The Loudon Water Treatment Plant on Highway 72 was placed in full operation for two days to provide enough water to Carbide to clean their production machinery and to prevent damage that could have occurred if the materials had dried.

Wednesday night Union President Jenkins said that he could not understand anyone wanting to undertake such a violent act. He said he was aware that public opinion would point a finger at the union for the act, but he would assume both Carbide and the people of Loudon that at no time during the strike had any violent acts been committed with the previous knowledge or approval of the union.

In a television interview Thursday, IAM Representative M. Q. Dabner disavowed any connection between the union strike against the plant and the explosion that dowered the power lines.

Work inside the plant continues and all employees that had been working or who wish to return to work have been invited to do so, it was learned. Apparently the clean-up and phase-down of production went smoothly. Reports also indicate that more internal generating power has been added at the plant and the production machinery is not "shut down."

Late Friday night Carbide Plant Manager Ray Birchbark announced that the company was offering a \$5000 reward for information leading to the arrest and conviction of the person or persons responsible for destruction of poles and powerlines leading to the plant on August 27 and Sept. 11.

Birchbark invited anyone with information on the blast to contact him at the plant by telephone. The number is 458-2121.

Exxon Says Decision Still Months Away

Exxon Nuclear officials met with several Loudon County leaders last Thursday and Friday and denied that any decision concerning the location of their proposed \$250 nuclear recycling plant at Matlock Bend has been made.

A series of meetings called by consultant W. K. MacCready indicated that a slow down in activity on the site was responsible for the rumors.

It was reported that the main hold up at this point is that the Atomic Energy Commission has not put guidelines for a recycling and refueling plant in type form.

MacCready said Exxon needs another 18 months to complete its study and to exchange views with Atomic Energy Commission's Licensing Board. He said technicians need another nine months to monitor underground water levels by season, already have found that the fluctuation deep in the earth varies up to some three feet, and nine months to stand examination by AEC specialists.

Loudon Businesswoman Mary Anderson Dies

Mrs. Robert L. (Mary Black) Anderson, 58, prominent Loudon businesswoman, died at 11 p.m. Saturday, Sept. 14 at Loudon County Memorial Hospital. Mrs. Anderson had been ill for about 18 months. Mrs. Anderson and her husband operated Anderson Agency Insurance in Loudon for many years, with Mrs. Anderson being active in the business for about 20 years. She and Mr. Anderson retired early in 1973 with the business being operated by a son, Kyle, since that time.

Survivors include her husband, Robert L. Anderson, Mulberry Street, Loudon; sons, Kyle C. Anderson and Charles E. Anderson both of Loudon, James H. Crawford of Gatlinburg, and Robert C. Crawford of Atlanta; mother, Mrs. Ethel Black, brother, Dale Black, Greenville; and seven grandchildren.

Funeral services were held Tuesday at Karnes Funeral Home Chapel with Rev. Jack Ferguson and Dr. Harrell Russell officiating. Burial was in Loudon County Memorial Gardens.

AT BLAST SITE—Two large power poles that once carried two 69,000 kw lines of power to Union Carbide are shown lying in the trees after they were dynamited Wednesday night. The stumps of the two poles and the scattered debris are being inspected by Chief Deputy Lake Bright.

Thieves Hit Two Stores

Two Loudon area grocery stores were broken into last Thursday night and one was hit a second time sometime Saturday night, according to reports at the Sheriff's office.

Deputy Jake Chapman filed reports Friday morning on break-ins at Anderson's IGA at Loudon and at Bridges Grocery on Corinth Road. Sunday a report was filed by Deputy Lucian Kent at the second break-in at Anderson's.

In both break-ins at Anderson's the thieves entered through the ceiling. In the first break-in about \$200 in change was taken from a metal box in the office. The later break-ins netted the thieves about \$60 in change, a stereo system including AM-FM radio, tape player and record changer, an assortment of cigarettes, beer and grocery items. Value of merchandise taken was put at \$500.

ASSESSING PROBLEM—Union President Roy Jenkins, Sheriff Guy Russell and Union Carbide Personnel Director Jack Modglin (left to right) are shown in County Judge Bill Russell's office in an all-night conference following the blast that blacked out Loudon and completely cut off electric power to the Union Carbide Plant.

Mrs. Selgie Bridges reported that thieves broke into her store through the back door. They took some \$30 in change, plus two four pound bags of pennies and nickels, 50 cartons of cigarettes, lighter fluid, deodorant, batteries, razor blades, two boxes of cigars, two boxes of chewing gum, three pair of sunglasses, headache powders, hair spray and shaving lotion.

Tellico Land Schedules Told

Schedules for land management activities in the Tellico Reservoir area in preparation for completion of the dam in January 1977 were announced today by TVA. These activities include timber salvage, agricultural

licensing, structure sales, and family relocations. Between now and completion of construction work, TVA will be conducting sales to salvage merchantable timber in preparation for clearing the reservoir area.

Timber will be advertised and sold on a sealed-bid basis by the Athens office of the agency's Division of Reservoir Properties. In January 1975 a contract will be awarded for the trees (Continued on Page 7)

Loudon County Herald for and about Evelyn Johnston Weds

Nuptial vows were exchanged by Miss Evelyn Karen Johnston of Philadelphia and John Edward Buchi, Jr. of Nashville in ceremonies held Saturday, August 17 at 7:30 p.m. at Cedar Fork Baptist Church, Rev. Jewell Watson officiated at the wedding.

The bride is the daughter of Mr. and Mrs. Richard O. Johnston, of Philadelphia. Parents of the groom are Mr. and Mrs. John E. Buchi, Sr. of Nashville.

Mrs. Helen Dawson, organist, presented the music. Special selections were "Endlessly, Never My Love, Twelfth of Never, and Withier Thou Goest."

The bride, given in marriage by her father, wore a gown of crepe mist styled with empire bodice, long pointed sleeves and A-line skirt with a detachable train. The bodice featured a round yoke of English net accented with plau d'ange lace and pearls. The sleeves, skirt and train were trimmed with Venise lace appliques. She wore a three tier lace-edged veil held by a camelot headpiece of English net, Venise lace and pearls. Her jewelry was a diamond cross given to her from the groom. She carried a colonial bouquet of red and white sweethearts roses with baby's breath.

Her only attendant was Mrs. Larry Adams of Morrow, Georgia, cousin of the bride. She wore a pink crepe gown and carried a single rose.

Robert B. Bonner of Nashville was best man. James Long was the ring bearer.

A reception was given following the ceremony at the home of the bride. Assisting with serving were Marietta and Juanita Johnston, sisters of the bride and Diane Buchi, sister of the groom. Others assisting with the wedding were Mrs. Tony Dabbs of Nashville and Mrs. James C. Hughes of Athens. Her trip to Gatlinburg, the couple will make their home at 7905 Bennington Drive, Knoxville.

The bride is a graduate of Loudon High School, Hiwassee College and Tenn. Tech. University with B.S. in Math Education. She is also a graduate of Electronic Computer Programming Institute and is a computer programming trainee with the Holiday Inn.

The groom is a graduate of Antioch High School in Nashville and is a junior pre-

pharmacy major at the University of Tennessee.

Out of town guests included: Mrs. Shirley Smith and daughter, Angela, Mrs. James C. Hughes, Curtis Johnston, Mrs. Larry Adams, Robert Bonner, Mrs. John E. Buchi,

Sr. and Diane, Mrs. E. M. Trauermicht, Mr. and Mrs. Tony Dabbs, Mr. and Mrs. Charlie Johnson, Mr. and Mrs. Gene Kelton, Mr. and Mrs. David E. Harrell, Mr. and Mrs. W. W. Swann Jr., Mr. and Mrs. Homer McNabb of Detroit, Mich. are here to be with his mother, Mrs. Maggie Henderson who is a patient at Saint Mary's Hospital. They will also visit her mother, Mrs. Lennie Watts and Helen.

Mr. and Mrs. Lowell Laws and sons of Columbus, Ohio were weekend guests of Rev. and Mrs. Clyde Davis.

Mr. and Mrs. Jack Parks visited Sunday in Harrison and Rockwood.

Mrs. Ed Radolph spent a few days last week with her sister, Mrs. Ed Radolph and Mr. Randolph in Sweetwater.

Mrs. Pauline Williams was honored with a birthday dinner on Saturday at her home those attending were, Mr. and Mrs. Spede Ballew, Mrs. Clyde Wells, Lee and Lisa of Concord and Mrs. Bobby Milapsa, Steve, Dawn and Lori and Mary Williams. Mr. and Mrs. Charlie C. Cox, Mr. and Mrs. David Cox of Akron, Ohio spent last week with Mr. and Mrs. Frank Cox.

Mrs. and Mrs. Joe Carter visited Saturday with her son and uncle, Mr. and Mrs. A. C. Long in Rockwood.

Mrs. Mary Bettis spent Sunday with Mrs. Fred Milby.

Mrs. Jessie Stanley of Oneida and Mrs. Mae Bradshaw from Johnson Nursing Home spent Saturday with their sister, Mrs. Joe Christian.

Miss Linda Brown has returned home after a weeks vacation in San Clemente, Calif. and Nev.

Mr. and Mrs. Raymond Stamey and daughters Lisa and Stephey of Atlanta spent the weekend with their parents, Mrs. Willie Hamill and Mr. John Lee Stamey.

John Ratledge, Jane Shubert, Karen Murrell, Weonnia Oran and Mike Messamore are attending Hiwassee College with Mrs. Bethel Jenkins

Daughter For Harris

Mr. and Mrs. Johnny Harris of Lenoir City announces the birth of a daughter, born September 8 at Baptist Hospital in Knoxville. The baby has been named Tammy Bernice. Grandparents are Mr. and Mrs. John Slessinger of Lenoir City and Mr. and Mrs. Fred Harris of Loudon. Great-grandparents are Mr. and Mrs. Otto Hale and Mr. and Mrs. John Williams, all of Lenoir City. The Harris' have another daughter, Tracie Michelle, age two and one half.

Hodge In High School Who's Who

Joseph Michael Hodge, a 1974 graduate of Loudon High School was recently notified that he is to be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1974, the largest student award publication in the nation.

Students from over 30,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Less than three percent of the upperclassmen, nation-wide are awarded this recognition.

Joe Mike, the son of Mr. and Mrs. Jack Hodge of Loudon, He was active in the Loudon High Marching and Concert Bands, is a member of the National Honor Society and pianist for the Youth Chorus of First Baptist Church, and he has also been the recipient of the Fred M. Roddy Scholarship and the John Phillip Sousa Band Award.

In addition to having his biography published in the book, Joe Mike will also compete for one of 10 scholarships of \$500 or \$1,000 funded by the publishers and will be invited to participate in the firm's annual 'Survey of High Achievers.'

Joe Mike is a Freshman at the University of Tennessee this fall and a member of the UT Pride of the Southland Band.

Club Meets At Pine Top

The Loudon Woman's Club had its first meeting of the current year at the Top as guests of Mrs. Lloyd Kirkland. Mrs. Imogene Puckett, Mrs. Pat Viars and Mrs. Kathy Walters were hostesses for a covered dish dinner.

Mrs. Edna Birkholz presided over a short business meeting.

Mrs. Edwina Julian was guest speaker for the evening program entitled "Crafty Creations." She displayed many of her handmade craft items and gave club members hints and instructions for making their own.

Plans For County Park Underway Harkness Speaks At DAC Meeting

Members of the Loudon County Conservation Board met with their families at the Air National Guard Rest Camp to see the work that had been done at the 35 acre facility since Loudon County took over the facility on a lease agreement from the Tennessee Valley Authority for use as a park.

The Conservation Board, headed by Ed Bailey, is responsible for directing all recreation and park facilities operated by the county.

Since early summer work had been underway at the

park facility to clean up and paint up the buildings and grounds.

The Tennessee Valley Authority has prepared a master plan for development and use for the park which is currently being studied by the Conservation Board.

Work done at the park this summer was done by TVA and county workmen under the Mainstream program. Road Commissioner Joe Greenway graded and rocked the roads inside the area.

At one time the National Guard had hundreds of

members in the Camp. It includes a main building with a fully completed basement, sundeck overlooking Fort Loudoun Lake, a boat ramp, and had at one time five mobile homes that were rented to members on a nightly, weekend or weekly basis. Most of the 35 acres is in heavy woodland.

The main structure on the Camp has been repainted and cleaned up. A concrete wall and deck at the edge of the lake has been repaired.

Ideas voiced by members of the Conservation Board is that

development of the park will be long range and it will probably be for selected use by groups.

The plans call for the installation of five cabins in the area where the Air Guard had mobile homes, and perhaps someday the installation of a swimming pool, tennis and basketball courts.

Nature trails run throughout the facility and are to be preserved in their present state.

The outing Sunday was planned to show members of the County Court what work had been done and to discuss plans for the work. But apparently there was some mixup in communications because only one court member came.

There will soon be a young couple living inside the compound in a mobile home. They will act as caretakers and watchmen for the facility.

Until the Conservation Board completes their plans and recommendations for the use of the facility it will remain closed to the public. Chairman Bailey said that next summer the park will be open and prior to that a definite use plan.

Until the Conservation Board completes their plans and recommendations for the use of the facility it will remain closed to the public. Chairman Bailey said that next summer the park will be open and prior to that a definite use plan will be

At DAC Meeting

The Fort Loudoun Chapter of the Tennessee State Society of the Daughters of the American Colonists began its current year with a covered dish supper and meeting on September 9 at the home of Mrs. Bob McEachern on Roberson Road.

The Society was privileged to have as guest speaker Mr. David J. Harkness who was introduced by Mrs. M. C. Anderson. Mr. Harkness is Director of Library Services, Division of Continuing Education at the University of Tennessee and has compiled several publications relating to the Bicentennial.

As an introduction to the main program theme, Mr. Harkness discussed the approaching Bicentennial and told of activities already underway throughout the state as Tennessee joins with the whole nation in renewing the spirit of the American Revolution. His interesting and entertaining talk, "Heroes and Heroines of the American Revolution," included excerpts from a number of his Bicentennial

Philadelphia Personal News

Harm supper Saturday Sept. 21, sponsored by Philadelphia Cemetery Committee at Philadelphia Elementary School, 5 p.m. to 8 p.m. Adults: \$1 children: \$1. Thursday.

The W.M.S. met Monday Sept. 9, at the First Baptist Church. The program given by Mrs. Lucile Simmons and Mrs. Evelyn Everett was "Chinese Baptist in the United States." Mrs. Everett sang a solo accompanied by Mrs. Marion Waller at the piano. Wednesday evening the W.M.S. gave a program, under the direction of Mrs. Iva Shell. The Interim Pastor, the Rev. Truman Wood was also present.

The Wesleyan Guild met Monday Sept. 9, at the home of Miss Ada Griffiths for a covered dish supper and the regular meeting, with 15 members present. Mrs. Helen Winkle had charge of the program.

Miss Ava Largent and Mr.

and Mrs. John Largent and sons, were dinner guests last Tuesday of Mr. and Mrs. Ewell Largent in Maryville. The John Largents returned to their home in Oak Forest, Ill., Thursday.

Mrs. Frank Praytor of Montgomery, Ala. came Friday to stay a few days with Misses Ada and Mary and Mr. Dale Griffiths.

Mr. and Mrs. John Everett spent the weekend with the Rev. and Mrs. Richard Everett and daughter in Reidsville, N.C. Mrs. J. Everett spoke to the ladies of the Calvary Baptist Church there, Friday evening at their prayer retreat.

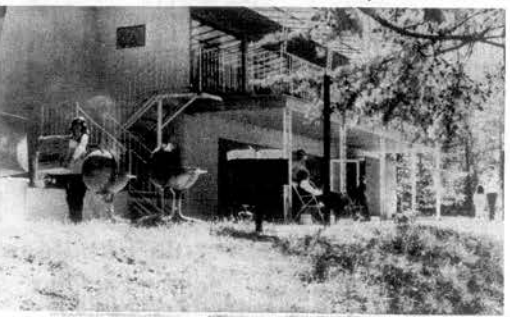

Mrs. James Bacon is home after being a patient at an Oak Ridge Hospital a few days last week. Her Mother, Mrs. Carrie McDonald of Clinton was with the family Saturday.

Mr. and Mrs. Homer McNabb of Detroit are spending this week with his mother, Mrs. Maggie Henderson and her mother in Loudon.

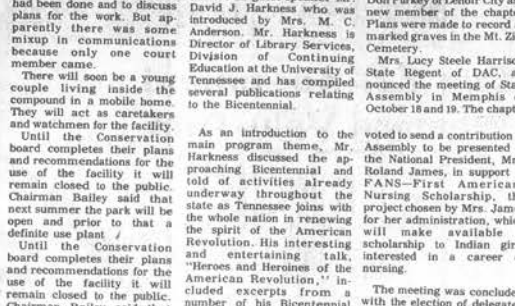

Mr. and Mrs. Floyd Purdy and Arnold had as their guests last week Mrs. Purdy's brothers and sister in law, Mr. and Mrs. Clarence Campbell of Ontario, Canada. Bill Campbell of New Jersey Sunday guests were Mrs. Hazel Patterson, Claude Campbell, Rev. and Mrs. Wesley Watson and Tim, Mrs. Ruth Branson, Mr. and Mrs. Ray Purdy, Don and Karen, Mrs. Bud Barr, Mr. and Mrs. Robert Purdy, Victor, Dawn and Robert Jr., Henry Purdy Jr., Rickey, Henry, Jeff, Berna and Betha, Mr. and Mrs. Kenneth Purdy, Lela and Lori, Mr. and Mrs. Gene Barr, Beverly and Greg, Mr. and Mrs. Carl Bright, and Mrs. Herbert Remfo.

ON NATURE TRAIL—Several members of the Conservation Board are shown looking off a bluff into Fort Loudoun Lake along one of the nature trails at the Air National Guard Camp recently acquired by the county as a recreation park.

DINING AND RECREATION BUILDING—The two story dining and recreation building in the new county park on Fort Loudoun Lake has recently been painted. Members of the County Conservation Board and their families had a cookout there Sunday.

LAKESIDE PATIO—A large concrete patio built out over Fort Loudoun Lake is located just below the large recreation building on the Air National Guard Camp compound that just recently became a county park.

LOOK AT FUTURE CABIN SITE—J. Will Jones of the County Conservation Board stands on a concrete slab where construction of one of five cabins is proposed for the county park. Other members of the Board and other guests at an outing at the facility are shown in the background.

Rev. Nelms Takes Church At Chattanooga

Rev. A. R. Nelms, who has pastored Stockton Valley Baptist Church for the past six years, has accepted full time pastorate of Woodland Heights Baptist Church in Chattanooga.

Upon leaving Rev. Nelms said, "It has been a real joy to work with the fine people of Loudon. It is with mixed feelings we leave our home for we have always felt our town was and is the best."

However, Rev. Nelms stated, "It is also exciting to go on a new field of service". Rev. Nelms went on to say, "We shall never forget our friends here and we offer our sincere appreciation to everyone for being so nice to us."

Rev. and Mrs. Nelms and their family will make their new home at 3231 Ozark Circle in Chattanooga.

HOW ARE THE BEANS—Dr. Sam Harrison, host for a County Dinner and Square Dance at his farm Friday night preceding the Seventh Arabian Horse Sale, checks with some of the guests about the dinner which was served on the lawn of the farm.

Chamber Backs Medic Blood Program Here

Medic begins this month's membership campaign in Loudon County with a boost from the Loudon Chamber of Commerce. The group, meeting at noon Monday at the chamber offices, voted to endorse the new Medic Merchant project. Chamber

President Ben Surratt says the endorsement is a positive way to help in the volunteer blood program's drive for new members and a "long-term way to remind folks that Medic is standing by the year around to meet blood needs of Loudon Countians."

Mr. Surratt says Loudon businessmen will be asked to display materials from time to time and to make available to customers the question and answer booklets which contain Medic application forms. Participating the merchants will post identifying decals in their windows.

Blast Cuts

Carbide Power

(Continued from Page 1) newspapers and in the two local newspapers concerning the reward.

The federal investigation of the incident is said to have yielded some physical evidence, but just what was not revealed. It was reported that the agents had talked with several individuals, but again no confirmation of progress toward the arrest of the persons responsible for the blasts.

A hearing on the temporary injunction slated for Monday in Rogersville before Chancellor James Phillips was postponed until October 4 because Judge Phillips recused himself. Judge Phillips said there might be conflict of interest involved because he was a Carbide stockholder. A judge to hear the matter has not been selected. On August 15, Judge Phillips issued a temporary injunction ordering that pickets be limited to two persons at each gate and that all other striking workers remain 100 feet from the plant property.

Tom Brinson, Medic executive director, says that letters fully explaining the program are going out this week to every resident of Loudon County with a mailing address. He says that the drive, sponsored by the Egudon County Memorial Hospital, is being held to encourage more families to take advantage of the free blood coverage offered by Medic. "A member gives blood free and get blood free," Mr. Brinson said. "He promises to donate a pint a year if it is needed by some other member. Then, when and if he needs blood, too, someone will do the same for him."

Because the program is non-profit, there is a \$1 sign-up fee and \$2 per year dues for donor-members. This covers administrative costs. If someone is unable to donate blood because of age or health requirements, he may become a non-donor member by finding a substitute donor or by paying an extra \$2 per year.

Medic has been this area's

The Tribe Speaks

BY LOUDON HIGH SCHOOL JOURNALISM CLASS

By David Kincaid, & Joel McGinnis
Here we, the Journalism Class, are again reporting the events we think you will enjoy knowing.

The additions to our faculty include Mrs. Sandi Keown, teaching French; Mr. Lewand in Math; Mr. Max McElhaney in Agriculture; Mr. John Napier in Social Studies; Mrs. Joyce Miles, librarian; Mr. Eddie Sharp, assistant Band director and Mr. Bill Thompson also in Social Studies.

Thursday, September 5, these Student Council officers were elected: President, Paul

Bivens; Second Vice-President, Lynn Fickey; Secretary, Terry Dukes; Reporter, Cindy Allmon; Treasurer, Mike Yates. Last year Sam Lyle was elected Second Vice-President, and he automatically became first Vice-President.

To date, our enrollment is 580 students and 26 faculty members. Included in the number of students there are 134 Seniors; 188 Juniors; 139 Sophomores and 189 Freshmen.

We have elected homeroom representatives for the Student Council, the Seniors are: Tim Bingham, Beth

Judging Teams In Competition

Two Senior 4-Hers Home Economics Judging Teams from Loudon County competed in the District Event Tuesday, September 10, at the Agriculture Campus at the University of Tennessee. Those 4-Hers on the clothing team were Carolyn Hickey, Philadelphia; Teresa Goddard, Greenback; Debbie Cook, Greenback; and Carol

Sarten, Lenoir City. This team placed fourth in the event.

The Foods-Nutrition team members were Lynn Thomas, Lenoir City; Michelle Cooper, Greenback; Martha Zehner, Lenoir City; and Eunice Moore, Lenoir City. This team placed fourth in the event.

The foods team judged menus, meat cuts, cheeses, yeast rolls, and canned foods. The clothing team judged pattern layouts, selection of garment notions, and construction features on purchased and made garments.

Galvan, Roy Paul Hodge, Joel McGinnis, J. J. Parry, Ronnie Roberts, Dennis Rowe, Kenny Skinner and Debbie Smallen. The Juniors are: Regina Jones and Teresa Lindsey.

The Sophomores are: Dinah Guider, Andy Hill, Bernie Locke, Susan McNabb, Barbara Stamey and Joe Williams. The Freshmen are: Mike Akins, Wayne Beason,

Renee Giazale and Irene Simpson. This is what has gone on at L.H.S. during the first three weeks of the 1974-75 school year.

You can borrow a cup of sugar or a stack of dollars from the Hamiltons.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. We make a lot of personal loans. And that's what we'd like to talk to you about today. We'll lend you money for any good reason: new baby expenses, a dental bill, refrigerator-dishwasher, tractor, boat, vacation, taxes, and so forth.

We'll sit down together and figure how much you need and how much you can pay back in monthly installments without straining yourself. Repayment can vary from three months to three years.

We can process your loan quickly and easily. It's just about as easy as borrowing a cup of sugar.

If it's a question of savings, ask the Hamiltons.

Hamilton National Bank of Loudon
Member of Hamilton Bancshares. The system has 65 offices throughout Tennessee and Northwest Georgia.

Peggy Sue Green, daughter of Mr. and Mrs. Jim Green of Loudon, celebrated her fourth birthday on September 12. Her grandparents are Mr. and Mrs. Henry Green, Route 2, Loudon and Mrs. Minnie Brogdon, Loudon. Great-grandmother is Mrs. Artie Lemons, Vale St., Loudon.

Randall Duane Sampson was nine years old, Sept. 1. He is the son of Mr. and Mrs. Michael Sampson of Loudon. Grandparents are Mr. and Mrs. Stanley Davis of Philadelphia, Mrs. Edna Sampson of Loudon and Mr. and Mrs. Gene Webb of Athens.

CELEBRATES BIRTHDAYS—Jennifer Yvette (center) and Chastity Gail Robinson celebrated their birthdays on September 12. They were three and two respectively. Their older sister, Sonya DeShaven, (left) was four on July 11. They are the children of Mr. and Mrs. Lloyd Robinson of Loudon. Grandparents are Mr. and Mrs. Gene Robinson, Warren Robinson and the late Myrtle Robinson, all of Loudon. Great-grandparents are Mrs. Elizabeth Selvidge and Mrs. Willie Vair of Paint Rock.

Exxon Says Decision Still Months Away

(Continued from Page 1)

pleased with findings thus far with such things as underground water tables, caverns, and faults. Exxon knew before tests began that a major earth fault occurred in the site area. Even with some "bad signs" already detected, MacCreedy said this was not unusual and were insufficient to recommend scrapping a nuclear processing plant. "There's plenty of land on the optional site," he said.

"Such a plant could be built on another sector found to be more favorable. But the site on a bend of the Tennessee River five miles west of Loudon is the one preferred by Exxon Nuclear for a recycling plant over all others inspected over the county." MacCreedy said absence of drillers in recent weeks may have led to rumors Exxon was abandoning the site. Arbuclie, said a suggestion that if the site was ruled out for a nuclear plant it might be used by the firm for another type of

industry may have fanned current rumors. Both MacCreedy and Arbuclie said any decision must be made by Exxon Nuclear officials in Washington state—not by either man here. Both insisted also that Exxon as yet has insufficient test information to make a decision that won't be available for months, they said.

"Running surveys between the optional land, some 25 tracks, and privately held lands adjoining will cost a lot of money," said Arbuclie. "It could be that the Exxon Nuclear site may grow or reduce, depending on the ascertained needs."

"Also, renewing or extending options for three months or eight months or whatever will cost the company many thousands of dollars. Why would Exxon proceed with such extensions if it planned to abandon the project?"

What happens if a landowner refuses to renew an option? Arbuclie was asked. His reply: "The option now held says the company can buy the land as expiration of the lease agreement." Will that be done? "That's a decision Exxon Nuclear management must decide at the time a flat refusal is made by a landowner," he replied.

Thus far, Arbuclie has not had a flat turnout on landowners he has contacted.

But he said has yet to negotiate with such landowners as Lee Price of Lenoir City. Price and a few of his associate landowners under option had changed their minds, regretted signing the leases, had apprehensions about radioactive materials in

the county and preferred to keep the pastoral site with wildlife and wildflowers as a natural preserve.

"The bank official and I were old friends in Lewisburg once," said Arbuclie. "So I asked him if such a plan he knew about would do harm to Lewisburg if it were to be located in that county. He told me no."

Both MacCreedy and Arbuclie said it would be ridiculous for Exxon Nuclear to continue expansive operations here if the company had no plans to build a nuclear plant. MacCreedy said spent radioactive wastes produced here would be converted to glasslike beads, stored in vault-like containers, and kept at the plant until the United States finally determines upon a disposal site for nuclear wastes from all over

Tellico Land Schedules Told

(Continued from Page 1)

on the east bank of the reservoir between Highway 411 and the dam. In March 1973 on the west bank between Highway 411 and the dam will be sold. Wood sold during these sales must be removed by successful bidders by July 1, 1975. In May and June of 1975 contracts will be awarded for all the trees upstream from Highway 411, and removal will be required by December 31, 1975. Reservoir clearance will begin September 1975, with completion expected by December 1976.

Until January 1977, when the lake will start filling, TVA will continue to rent out for agricultural use the lands above the full pool level which are not required for construction purposes. Rental agreements will be made in accordance with TVA's usual agricultural licensing procedures. No agricultural land below full pool level will be rented after December 31, 1974.

Also in preparation for reservoir filling, TVA will offer for sale certain structures which were purchased as part of its land acquisition program. These structures, which are primarily farm buildings and residences, will be sold by sealed bids. Sales will be conducted in February of the years 1975, 1976, and 1977 by the Athens office. Purchasers will be required to remove their structures within 30 days after award of the contract.

All occupants of land purchased by TVA in connection with Tellico Dam project will be relocated by the end of December 1976. Those living on land which has already been acquired by TVA and which will lie below the normal summer pool elevation will relocate by December 31,

1974. Everyone living on below-normal summer pool lands which come into TVA's possession during 1975 will be moved by December 31, 1975, and those above normal pool level must be moved by December 31, 1976.

The TVA office which serves the Tellico area is located at 1101 Congress Parkway, Athens, 37303 (P.O. Box 606). The telephone number is (615) 745-1785.

Chili Supper

A chili supper will be held in the Lenoir City High School cafeteria Oct. 4, the evening of the Homecoming game.

Serving hours will be 5-8 p.m. Tickets are \$1.50 and 75 cents for pre-school children. They may be purchased from any band student.

The event is sponsored by the Band Booster Club and all proceeds will be used for various band activities.

FIRE DAMAGES STORE—Highland Avenue Market was damaged by an electrical fire about 10:30 p.m. Friday. Firemen are shown battling the blaze which caused extensive smoke and water damage to the grocery store.

Loudon Jolts Kingston With 75-Yard TD Bomb

The Loudon Redskins finally made their 1974 curtain call Friday night, after having to pass up their September 6 scheduled opener with Alcoa due to unfavorable conditions following a rain on that date. Thus defending state double-A champion Kingston became the first opponent to challenge the Redskin edition, entering

the game with a 17-0 win over Hartman under their belt. The Redskins winless since 1970 turned the table this time around and while not as convincing as some would have liked to see in points in Kingston, the Loudon eleven dropped a bomb on the Roane Countians for a 7-0 victory.

The Loudon triumph launched the Redskins as true play-off contenders backing up the pre-season chatter that the Big Red Machine was once again in the Region Two Title picture. The loss puts Kingston in a touchy spot that will require them to have to rebound fast to again make the play-offs as they have but a nine game schedule and it is not one to be taken lightly.

Loudon, likewise has only a nine game regular season slate, but has dealt with one of maybe four contenders, and come away a winner. Counting Loudon the two others are Cleveland, first game loser with a current 1-1 record, and McJannet who stopped Chattanooga Notre Dame for a 2-0 mark and are yet to face Loudon, Kingston, Cleveland, and McJannet in nine game schedule of their own.

But to that wild and zany opening season performance yesterday night on Dukens Field between what was billed as two of the state's best in AA play for 1974. The best as they are said to be had 15 turnovers in the game and executed to the order of a couple of average pee-wee teams.

Yet the defensive side of the ledger saw a hard hitting leather popping exhibition of two proud football oriented schools locked in combat much too early in the season to evaluate their true strengths and laudals.

Loudon won the toss and began operation from their own 24 as Porky Campbell brought the ball back on a 14

yard return. Kingston's veteran defensive unit lived up to its name by stopping Loudon at its own 28. A Sam Lyle punt gave the Yellow Jackets a first down at the Loudon 45.

Kingston managed a first down but an alert Redskin defensive secondary spoiled a Kingston passing effort with Greg Deatridge deflecting the ball into the arms of linebacker Dickie Colvin at the Loudon 15.

Speaking of Sports

By DANNY GIBSON
Sports Editor

The Loudon Redskins survived their opening season clash with a defensive minded Kingston eleven Friday night, but you would have had to see the game to believe it.

Loudon has not had such a spring board chance to get into the thick of the Region Two double-A playoff picture since the 1969 season when they won the state championship and in 1970 when they led the standings for over half the season before Cleveland edged them out in the stretch run.

The game as a whole was not bad for the first varsity test, but to have recorded 10 fumbles and one pass interception against a team with the credentials of Kingston is something of another matter that makes you wonder just what lies ahead. Loudon was denied entrance to the end zone with startling opportunities from the eight (twice), the 12, 23, 35, and 34 yard lines. Six times the Loudon offense moved to inside the Kingston 10 yard line and six times drew back empty results.

But the opposition, who is supposed to be the toast of Region Two, made but one pass completion out of 15 tries with Loudon showing bright in a secondary that had many wondering. The Redskins intercepted four passes with sophomore rookie Greg Deatridge getting two and Dickie Colvin and Jeff McQueen one each. Carter Cardwell landed some good kicks from the corner back position, and Bumper Webster and Raymond Watkins did excellent jobs.

Line backers Marlon Brown and John Deatridge were very stable and Dickie Colvin appeared confident at holding up Kingston offensive traffic.

Kenny Skinner was the backbone to the Loudon defense much to our surprise with Sam Lyle pitching in to anchor the left side of the line.

A credit to the Kingston defense was their savage effort to stand up a Loudon ball carrier and punish him with bone crushing take downs. Loudon lacks this in their play and should work to get more physical. The Loudon team has all the tools to dominate play of any opponent, but easy take downs and continual offensive mistakes won't stand up for long when the season gets down to placing the top two teams of the regular season in the region against one another for the right to continue for the state title.

A few afternoons of quarterbacks and centers practicing on getting the football into play without it being crushed from the bottom of a pile of blockers, will erase such stats as 14 fumbles as recorded by one set of statistics. I caught just 10 but still 10 fumbles would mean 90 for the regular season or twice last year's disastrous total. Let's not dwell too heavy on this not every game is played on Friday the 13th.

The future looks promising for Loudon and Coaches Bert Rattledge and Jim Gibson. But the kinks must be ironed out soon or the party will be over as its hard to build a season on a 7-0 win that may result in a rematch come mid-November.

Coach Bert Rattledge was showing me the Loudon football field game condition in mid-week when we happened up on a four leaf clover. Rattledge quickly plucked it from the ground and smiled. I too found one and remarked as to the possible good omen and gave the treasure to Coach Rattledge. It may have been a good thing too, both probably willed their powers as Loudon could not even execute a safety in the closing seconds to preserve the Friday night win. Kingston should have tied or even won the game in an overtime or two point conversion effort.

Lenoir City will move the Loudon defensive line around some this week as the inter-county rivalry squats off on Loudon's Dukens Field. The winless Panthers fire off the offensive line with authority and had they the break away backs to hit the holes and cut away from secondary would-be tacklers would be of more serious threat to the Redskin team. Loudon appears to have the advantage with both size and depth that can wear down the average team of this fall's Lenoir City vintage. Yet put these two rivals on the athletic field or basketball court and anything can happen.

Greenback faces a stronger than normal Friendsville team this week and again on foreign soil. The Cherokee have improved over their opening season game at Jacksboro, but will have to put some points on the scoreboard and play the defense they exhibited at Lanier to knock the Falcons from the unbeaten ranks.

Kingston was forced to punt, but Loudon kept the ball only two plays as Kingston fumbled at the Loudon 29 to end the half.

Loudon permitted the Yellow Jackets only one offensive play in the second half before junior linebacker Marlon Brown took the ball away on a bruising tackle and fumble recovery. Loudon set up shop at the Kingston 23.

Moved to the 12 on a defensive holding call. Big John Deatridge ran roughly over would-be tacklers to the four, but the snap exchanged was fumbled and Kingston had held once again keeping Loudon from breaking the game open.

Jeff McQueen curled around a Kingston fumble at the Loudon 29 to end the half. Kingston gained seven yards to the five yard line. The speedster followed with a carry to the three, inches short of a first down. Kingston with a mighty defensive charge stopped John Deatridge on fourth down and once more took control.

The two teams exchanged offensive series with Loudon losing the ball on a pitchout that found Kingston operating at the Loudon nine yard stripe.

Loudon's defense was not to be out done and the Redskin tackling unit bent for two yards on first down but Marlon Brown came off the

Loudon 31 before the Redskin defense took over on downs.

Loudon was checked on three plays and punted to the Kingston 33. The Yellow Jackets were guilty of offensive pass interference and was put back on their own 18.

The Loudon defensive line poured through the Kingston ranks to nail the entire backfield and Kenny Skinner claimed the football for the Redskins at the Yellow Jacket eight yard line.

With 3:08 left in the half Loudon was about to break the game open and had moved to the one yard line when Deatridge lost the handle on an off tackle dive and Kingston recovered.

Loudon generated a short offensive drive only to have the Kingston defense intercept a long pass by Queen that was intended for Rick Tucker.

The sudden comedy of errors continued as Jeff McQueen pilfered a Kingston aerial at mid-field.

Loudon and Kingston then swapped offensive efforts with Loudon losing the ball on a snap exchange at the 50 yard line. Kingston moved hurriedly to the Loudon 23 only to have Greg Deatridge intercept a pass to what should have closed the door on Kingston with 1:12 left in the contest. But as the Redskins tried to run out the clock from their own five the play became hectic and on fourth down the Redskins were set to give up a safety in regard to getting the ball away from their goal line on a free kick. But the ball was fumbled and Kingston gained possession with the Loudon defense coming to the rescue by stopping Kingston cold on two offensive whacks at the Redskin end zone.

Loudon's defensive team effort for the game was worthy of exceptional praise, and looked almost in mid-season form. The Redskin defensive stalwarts of Kennedy

Loudon-Lenoir City Inter-County Grid Meeting Set For Friday Night At Loudon

This Friday night marks the annual bloodletting of the Loudon and Lenoir City football teams for the 1974 season. The game is hosted by Loudon and is scheduled for a 8 p.m. kick-off. The Redskins, ranked in both high school football prep polls for the first time in three seasons, will carry a favorite role into the highly competitive contest.

Loudon has only a 7-0 win over Kingston to show for the 1974 season, while Lenoir City has fallen twice in battle, losing 40-7 to McClain Central and 14-0 to a fast progressing young Harriman team.

But records and statistics are of little indication as to the tradition and effort that will be put into this one for both teams. Even though Loudon will be a solid two touchdown

favorite the Panthers will play like they have never been defeated. And for the most part have the weapons to upset Loudon, given a couple of breaks that have yet to come their way in the first two games of the season and a lazy Redskins showing while favoring their 7-0 swatting of the highly regarded Yellow Jackets.

Lenoir City sets the pace in the 45 years series with 24 victories, while Loudon has won 21 times. Oddly enough the two teams have never had a game to end in a tie. Loudon trailed considerably in the series until 1962 when they began to dominate the rivalry. In the past 15 meetings Loudon has lost only five times.

Both teams are expected to be ready for the game despite

the fact that Lenoir City has stand-out junior lineman Jeff Walker out with a broken hand suffered in the McClain Central game and may get to use the services of Jeff Cansler only sparingly in the

backfield as the swift running back has had difficulty in getting a badly sprung ankle to heal.

Loudon has senior linebacker Dennis Rowe back in pads and the letterman is currently working his way back to a varsity level of play. Rowe was leading the Redskins second team defense in preparation for the Lenoir City game in this week's early practice sessions.

Loudon has a long list of battered and bruised players from the Kingston earth mover. But only flanker Rick Tucker and running back Rick Melton seem to be presenting

any doubts as to their full speed capabilities for the opening kick-off.

Greenback will carry a 3-1 worksheet into its neighborhood helmet banger with

Friendsville. The Cherokee team in recent campaigns and are currently undefeated, stopping Seymour and Middletown. Greenback will be their first conference

challenge. The Cherokees feel a win is a "must" for high finish in the conference and a possible winning record.

Game time is scheduled for 7:30 at the Falcon home site.

Redskins Recognized In Prep Polls

Coach Bert "Chig" Rathledge's Loudon Redskins have stirred from the graveyards of long silenced high school football powers this week following a 7-0 triumph over first week's fifth ranked Kingston. The Yellow Jackets are the defending state double-A champs for 1973 and have finished in the top four teams of the state for the past three seasons.

Loudon has not been in the high school football polls top elite since 1970. In the Tuesday prep poll releases by the Associated Press and the United Press International the Redskins received recognition by the sports writers and sports casters across the state.

The AP poll placed Knoxville at the top of the AA ratings and McClain Central is up to third. Loudon, along with the Chargers, was the only other Region Two gridders to make the top 10. The Redskins were voted ninth. Kingston fell from both polls.

The UPI rates the teams on equal basis with out consideration of classification. Chattanooga Baylor heads the poll. Loudon is the highest ranked AA team, locked in a three way tie for 13th position. McClain Central is next to Loudon getting 14 points as compared to Loudon's 15.

Sophomore quarterback Kevin Grigby directed Harriman to its first win in almost two years Friday night as the Blue Devils downed Lenoir City 14-0 before a capacity crowd at Wallace-Barkdale Field.

An 18-game losing streak, longest in East Tennessee, went by the boards as the Blue Devils marched 80 yards to

score in the second period and then clinched it with a 95-yard fourth quarter drive.

Pinpoint passing by Grigby accounted for 130 yards in the two scoring drives, with Val Barksdale and Barry Oody providing the key catches in the opening march and tight end Glen Randolph in the clincher.

Harriman touchdowns came

on a three-yard run by Alvin Pendergrass and a one-yard plunge by Dave Mee. A third Blue Devil score, a 68-yard punt return by Barksdale, was nullified by an illegal block below the waist under a new rule in effect for the first time this year on kick returns.

Lenoir City made two long marches of its own, but the Blue Devil defense stiffened in class. A fumble recovery by Ted Harmon stopped one threat at the 5, and later the Blue Devils held again at the 5, taking the ball over on downs.

Smith picking up sizable yardage up the middle and a halfback Danny Hall over Harriman's left defensive tackle.

Harriman dug in at its own 5, limiting Hall to two yards on first down and separating

order to gain time since Harriman was facing a third-and-12 situation at its own 18 anyway.

The strategy backfired, however, as Grigby hit Pendergrass on a screen pass which turned out to be a 36-yard jaunt to the Lenoir City 48, a clipping penalty cost the Blue Devils 15 yards on the next play, but Grigby got 11 back, hitting Oody over the middle, and a pass interference call got the rest and a first down at the Panther 35.

Grigby lost 15 yards here as the Panther rush but moments later found Oody deep for 21 yards down to the 24. Barksdale made a grab good for 13 more yards, but again the Panther rush forced Grigby to cut the ball for a seven-yard loss on the very next play.

It was Barksdale over the middle, this time for 11 yards, and a personal foul penalty following a four-yard run by Pendergrass gave the Blue Devils a first down at the 3. With only eight seconds showing on the clock, Pendergrass threw a right tackle for the score, and Brady Aycock's conversion made it 7-0 at intermission.

Again, it was Barksdale dominated the second half, and in fact with less than seven minutes remaining in the game each team had managed possession of the ball only once.

Lenoir City kept the pigskin for 13 plays to open the second half, starting at their own 30 following the kickoff and eventually losing the ball on downs at the Harriman 5.

Hall had 30 yards rushing during the march, carrying individually for four first downs.

Hoping to move the ball out from the shadow of its own goal line into more favorable field position, the Blue Devils came through with perhaps their longest scoring drive in a number of years, marching 95 yards in 19 plays to put the game away.

Grigby ran for two first downs himself to get the drive underway. The second came on a fourth down when Coach Harold Taylor decided to keep his team's momentum going, lacking a foot on a fourth down situation at the Harriman 44.

The Blue Devils faced a third-and-eight situation moments later, but a one-handed catch by Randolph traveling at full steam over the middle netted 13 yards and a first down at the Panther 40.

The Blue Devils proved to be tough on clutch down situations in this series, converting another moments later as Mee picked up seven on a third-down play to the 27.

Mee gained five more yards and then Grigby found Randolph open again, with the big junior tight end bulging his way down to the 5. The yardage got tough here, however on a fourth down Coach Harriman's way in over right guard for the score and Aycock's kick made it 14-0.

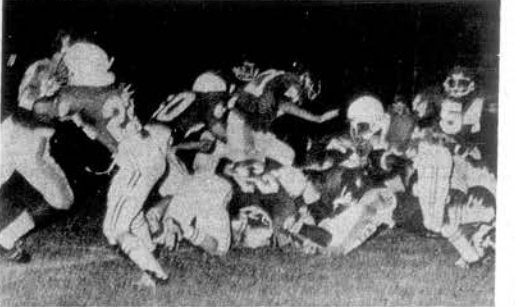

Harriman's defense shut the Panthers off without a first down the remainder of the way, with the only excitement coming on Barksdale's six-yard punt return, nullified by the legal block.

Final statistics showed Lenoir City with a 135-88 edge in net rushing, with Hall leading all runners with 80 yards on 18 carries. Smith had 47 yards on 11 trips, while Pendergrass led the Blue Devils with 47 net yards on 16 attempts, losing 12 on an attempted halfback pass.

Through the season it was a different story as Grigby hit on 10 of his first 11 passes before two late incomplections and finished with a 10-of-13

LOOKS FOR RUNNING ROOM—Lenoir City's fleet running back Bennie Goley, who gained 14 yards on two carries, uses the blocking of Curtis Menger and Danny Hall (22) to move through the Harriman defensive ranks. Lenoir City was defeated 14-0 in the contest.

Madisonville PeeWees Win Twice Over Loudon

The Loudon Pee-Wee football teams won one of three games with Madisonville last week as the Mustangs prevailed 34-0, while the Grasscutters were clipped 12-0 and the Indians fell 39-0.

The Mustangs rolled up a 20-0 halftime lead on the Madisonville eleven as Zale Hawkins tallied the first touchdown for a 6-0 lead. Allen Eldridge turned in a 20-yard scoring jaunt and then caught the two point conversion pass for a 14-0 edge.

Loudon pulled off a successful outside kick on the kickoff and Eldridge ran for 30 more yards and the final TD of the half. The extra point effort was stopped.

Fullback Walter Henry got the call on four straight occasions to open the second half and the power man rolled up real estate marks of 51, three, two, and six yards to cross the double stripe of the Madisonville goal line.

Hawkins passed to Billy Moore for the two point conversion.

Bruce Eller used an elusive fake at the 50 to embark on a nifty 51 yard touchdown romp to close out the scoring.

Kent Everett intercepted a Madisonville pass and returned it close to the Madisonville goal line but time ran out preventing another possible touchdown.

The game could not generate a consistent offensive attack against the fervent Madisonville team that has some high school freshman playing due to the fact the high school has no ninth grade football team.

Loudon took the opening kick-off and recorded two first downs before being contained. The Indians top offensive play of the evening resulted from a 60 yard screen pass maneuver involving quar-

PREPARING TO FITCH—Lenoir City's senior quarterback Mike McConkey (12) prepares to pitch the football to his hard running fullback Bobby Smith (23) as the Panthers engineer a drive against the Harriman Blue Devils Friday night.

terback John Cardwell and Booboo Hawkins.

Loudon will host Lenoir City this Saturday night as the

second half of the Pee Wee season gets under way. Three games are on tap at Bacon Field, formerly the old Loudon High School football field.

The games were too tough. Persons who scored more than five correct picks in the Herald Football Contest last week were doing well. Only four persons correctly picked eight of the 10 games and three of these shared in the contest cash.

About the only games most people seemed to agree on were Bearden over Everett and Maryville over Sevier County. Others were about even in picks of the entrants.

The tie-breaker (number of points scored) by both teams in the Loudon-Kingston game, which was seven) was used to decide the winners.

With 27 points (that was) was Roy Paul Hodge of Loudon. He wins \$12. Two persons had 20 points and they share second and third place cash. Collecting \$6.50 each will be Sara Chahass and Mrs. Albert Bell, all of Loudon.

Bryan Eller, Highland Ave., also had eight correct games, but he is breaker of 34 points put him out of the money.

Ten more games are ready for this third week of the 12 week Contest. Everyone, except players of teams in the contest, and Herald staff employees, can enter. Enter for each member of the family if you wish, but each entry must have a different name.

"WE'RE ON THE ENERGY TEAM!"

"I'm conserving energy in the home." Housewives throughout America are helping use the nation's energy supplies wisely by using appliances more efficiently... cooking more efficiently... turning off unnecessary lights. People at home, along with conscientious motorists and other savers, are making available energy go further than last year.

"I'm drilling more oil wells." Based on the early months, about 9% more oil and gas wells already have been completed this year than last. And about 25% more oil rigs are active in a couple of years, oil companies will be able to refine a lot more products. But demand continues to grow. There's still a big job to do—let's keep working together.

ANNUAL FOOTBALL CONTEST

The Herald Loudon County

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

\$12 First Place

\$8 Second Place

\$5 Third Place

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

ENTRIES MUST BE IN THE HERALD OFFICE BY 5 P.M. FRIDAY OR POSTMARKED BY 5 P.M. FRIDAY, IF MAILED.

Loudon Freshman Gridders Win Opener

The Loudon freshman football team opened its season with a home game at the old Loudon High School football field last Thursday night entertaining Maryville. The baby "Skins exploded in the second half to post a 14-0

win as the Rebel forces failed to penetrate offensively into Loudon territory more than three times the entire game.

FRESHMAN FIRST DOWN—Loudon freshman quarterback Eddie Estes uncorks a pass to his end Steve Schrimsher (80) for a first down in Thursday night's 14-0 frosh football opener with Maryville. Loudon won with two second half touchdowns.

REDSKIN FROSH WIN—Loudon's freshman football team looks into combat with Maryville in the freshman opener for both teams. Loudon quarterback Eddie Estes awaits his half back Freddie Starritt on this power drive into the line. Loudon won the game 14-0.

The first half was a slow paced defensive tussle with Gary Brown, David Black, Steve Schrimsher, Jim Brown and Mark Moore anchoring the Red defense.

Loudon scored soon after intermission as they opened the attack at mid-field. With Freddie Starritt and Mark Moore getting the call from quarterback Eddie Estes the junior Redskins failed to reach the Maryville goal. Fullback Mark Moore broke loose from the Rebel 35 and was on his way for a touchdown when he had his feet cut from under him and lost the football. Teammate Chuck Johnson was quick to view the situation and scooped the ball up and raced the remaining 20 yards for Loudon's first score. Freddie Starritt ran for a two point conversion.

Loudon drove 70 yards in the fourth quarter to cement the win as Starritt crossed the dotter stripes from nine yards out. The extra point was stopped. Starritt and Mark Moore led the Loudon offense with Starritt netting 101 yards on 15 carries and Moore adding 74 on an equal amount of tries. Loudon's at home again tonight (Thursday) hosting Lenoir City freshman in a 7:30 contest.

Cherokees Prevail In Typical GB-Lanier Football Clash 7-0

The Greenback Cherokees have won another last quarter squeaker from football rival Lanier. The Cherokees managed to strike pay dirt in the fourth quarter. Friday night for a 7-0 triumph. The win marked the third straight year Greenback has won and on a single touchdown. In 1972 it was 7-0, 1973 the score stood 8-7, and now again 7-0.

MEAN CHEROKEE—Rick Russell, 220 pound lineman for the Greenback Cherokees is fast coming into his own as an accomplished blocker and tackler for the Cherokees this fall. The big lineman rated high in the Lanier game Friday night.

IMPROVED RECEIVER—Lynn Rucker is fast becoming one of the better sure handed pass receivers in the Piedhills Conference this fall. Lynn had a catch for 11 yards against Lanier.

The Cherokees out hustled the Eagles but the game remained scoreless until Harold Hawkins legged his way into the Lanier end zone from the three yard line with 10:36 showing in the final stanza. Jeff Tipton added the extra point placement.

Lanier received the opening kickoff and Greenback finally got the ball at their own 24. Harold Hawkins lining up as a running back, gained three

yards. A Roddy Kizer pass to Lynn Rucker for 11 yards gained a first down. Jimmy Brooks ran for seven yards and was mid-field on his next effort for a first down. Brooks

was thrown behind the line on Lynn Rucker for 11 yards and a screen pass to Kyle Shepherd lost six yards forcing Greenback to punt. Lanier returned the boot 32 yards and the game was in a

see-saw standoff. Greenback held and put together a 13 play drive as the second quarter got underway. The Cherokees moved to the Golden Eagles 18 yard stripe but a fumble lost the ball for Greenback and Lanier started operation from their own 22.

Kenny Evans came up with a Lanier fumble at the Greenback 40, but the Cherokee offense lost the ball again at mid-field. Greenback's defense answered the call and the Cherokees got the ball on downs only to have a pass intercepted at the 39. The Eagles used a half back pass to move 24 yards to the final play of the half to the Greenback 40.

The Cherokees Danny Dodson raced the second half kick-off back 14 yards to the 35. Eleven plays later Greenback was in scoring position at the Lanier 20. A back Robert Davis who did a fumble lost the Cherokee opportunity. In the drive Hawkins had gained 23 yards rushing, Shepherd nine, and Brooks eight.

The game became a defensive game for the rest of the third period. Greenback's Mark Carver downed a Harold Hawkins punt at the Lanier 16 and the Cherokee defense took charge.

The game became a defensive game for the rest of the third period. Greenback's Mark Carver downed a Harold Hawkins punt at the Lanier 16 and the Cherokee defense took charge. A loose pitch-out cost the Eagles 10 yards. A running play lost one yard, and a incomplete pass made it fourth down.

The Lanier punter was forced to run with the ball and after a 13 yard chase was brought down on the Eagle 18 far short of a first down. Roddy Kizer called on

Hawkins for a seven yard burst to the 11 yard line. Hawkins moved to the nine on the next play. Shepherd lumbered for seven yards down to the two yard marker, and Hawkins knifed his way into the end zone on the next play with Tipton converting. Lanier fought back to move within 18 yards of the Greenback goal line, but offensive pass interference halted the drive.

Hawkins intercepted a pass for Greenback late in the game to halt still another Lanier effort and finally four straight incomplete passes by the Eagles spelled defeat as Greenback exhausted the clock.

Greenback Coach Keith Bailey had a lot of praise for his team's defensive showing. And pointed out the excellent play of first year defensive player Robert Davis who did a fine job, replacing David Beeler, who is out some four weeks, with a broken finger, and his back up Randy Evans, also out with the flu.

Davis, a junior is out for football for the first time. Facing the win on defense was Kenny Evans with a 14 tackle effort. Jeff Tipton, Jimmy Brooks, Rocky Anderson, Rick Russell, Kyle Shepherd, Frank Mitchell, and Tony Chambers were also in on the majority of the tackles.

Hawkins led the offense with 75 yards on 16 carries to bounce back from his lackluster showing against Jacksboro. Greenback had but nine more offensive tries 52 to 43, in the game but gained over twice the yards in total offense with 215 yards as compared to Lanier's 91.

Fishing Report

BY BOBBY WOLFE
Fishing activity has slowed down, although there is some very good fishing at this time of year. Bass are taking top water plug good. Blue gill and Catfish are active also.

Norris Lake is falling with some very good night fishing. Douglas Lake is falling with some fair bass activity. Cat fishing fair at night using cut bait or worms.

Watts Bar fishing is fair to good on most species. Port Loudoun Lake is producing some good catfish.

Cherokee Lake bass is fair, but the Rockfish and Hybrid are still the fish to catch with small blue gill or shad being the best bait.

Chilhowee Lake fishing is slow but some very good bass have been reported.

Little T River Good below Chilhowee Dam for trout and saugers on spinning type lures.

Gary Lindner and Helen McCabe stopped Hugh and Sue Watson 6-2, 6-1 in the championship match. Linda and David Arp had to go the longest route in the mixed men and women "B" classification and in doing so captured the title.

In the first round Charlie and Sammie Windle lost to Kim Brant Hoover and Mike Lambert 6-1, 6-3. Bill and Shelia Birkholz carried Jack Ferguson and Kathy three sets before bowing 4-6, 6-3, 6-2. And Linda and David Arp got past Gerald and Helen Cole 6-1, 6-1.

The second round saw Lambert and Brant Hoover

STOPPED AT THE GOAL LINE—Loudon's outside scoring threat Rick Melton fails to make it to the Kingston end zone after taking a pitch-out near the Yellow Jacket goal line, on one of Loudon's many scoring opportunities.

LOUDON DELEGATION—Waiting the arrival of the Loudon Redskins football team are the 1974 Loudon High School cheerleaders and authentic "RED" haired war chief Darrell Tuck just prior to the kick-off of the Loudon-Kingston football game Friday night in Loudon.

City Summer Recreation Program Ends With Finals Of Doubles Tennis Tournery

The Loudon Recreation Department closed out its summer recreation program this past week with a doubles tennis tournament for both men and women.

An entire breakdown of the tournament results are as follows.

In the Men's "A" Division Larry Bridges and Hugh Watson took two sets from Jim Randall and Ronnie Blevins 5-2, 6-4, to make it to the semi-finals.

Ted Randolph and Ron McNabb eased by Charlie Windle and Preston McQueen 6-3, 6-4, and then stopped Paul Brakebill and Ed Arnold 6-4, 6-3.

Randolph and McNabb advanced to the finals by eliminating Bridges and Watson 6-2, 6-3.

In the lower bracket of the Men's "A" play Bob Richesin and Ron Johnson lost to Joe Black and Ronnie Henderson 6-0, 6-1. Bill Custard and Gary Lindner gained a forfeit over Butch Brown and Leon Willis to move into the semi-finals. Jack Thompson and John Telford stopped Black and Henderson 6-0, 6-1, and then in a choice game of the Men's "A" match up beat Custard and Lindner 6-4, 7-5 for the right to play Randolph and McNabb in the finals.

Telford and Thompson won the championship by the score of 6-1, 6-0.

As for the Men's "B" Division upper bracket Don Carter and Lynn Burnett contested by Jim Birkholz and Bill Wilson 6-1, 6-1. Allan Johnson and Joe Luckett eliminated Ron Bridgeman and John Munsey 6-4, 6-4. Horace McQueen and Steve Millsaps had trouble getting

past Danny Hall and Mike McCabe 6-1, 7-5.

Johnson and Luckett had to go three sets to oust McQueen and Millsaps 4-6, 6-0, 6-1. Allen Johnson and Joe Luckett made the final round by wearing down Don Carter and Lynn Burnett 7-5, 6-3.

In the lower bracket Don Gagley and Bill Birkholz captured a three set dual over Jerry White and Gerald Cole 6-3, 4-6, 6-3. Gagley and Birkholz won a forfeit over Mike Lambert and Doug Kincaid to reach the semi-finals.

Inky Swiney and Jack Ferguson won their first match by turning back David Arp and Jerry Lambert 6-4, 4-6, 6-4. Andre Veal and Doug Naugher then won over Swiney and Ferguson 6-3, 6-2 for the semi-final round with Birkholz and Gagley Veal and Naugher lost the first set 4-6, but bounced back to win the match 6-3, 6-2.

It also took Veal and Naugher three sets to handle Johnson and Luckett 7-5, 4-6, 7-5 in a nip and tuck finals round.

The men and women mixed doubles saw Gary Lindner and Helen McCabe roll through three matches for the championship.

The duet opened play with a 6-0, 6-1 win over Rick Best and Terry McCabe. Lindner and McCabe got a forfeit over Andre Veal and Beverly Veal to step into the semi-finals with Jack Thompson and JoAnn Thompson. Lindner and McCabe were carried three sets to make the finals, winning by a count of 6-0, 5-7, 6-1.

Jack and JoAnn Thompson had made their bid for the

County To Object To Pay Hikes

Members of the Loudon County Court Personnel Committee minus its chairman met Tuesday night to review and recommend action on three lawsuits filed by office clerks.

Members present were Squires R.P. Hamilton and J.J. Blair, County Judge Bill Russell, secretary to the committee, and Sheriff Guy Russell. Attorney H.T. Harris, who Judge Russell said has been retained to represent the County in the suits, also was present.

Also attending were County Court Clerk Ed Alexander, who came in the interest of his lawsuit, and Supt. of Schools Edward Headlee.

Squire Curtis Williams, chairman of the committee, sustained a heart attack in August and has been ordered by his doctor to remain at home. By agreement, Mr. Hamilton served as chairman. The lawsuits were filed by

Alexander, by Trustee J.V. Schrimsher and by Register of Deeds Ralph Wear.

The suits were filed in Chancery Court. Filing of suits is the statutory and traditional method of establishing the amount to be paid employees of the various county offices.

Last year, however, County Court adopted a personnel policies and uniform salaries program under which the State Dept. of Personnel classified each employee position in the county and established a salary range for each classification. A retirement program and payment of 60 percent of hospitalization insurance was included in the plan.

Judge Russell explained to the committee that if they directed him to do so, he would use the plan as a basis for defending the lawsuits, seeking to persuade the Chancellor to accept the uniform salaries as fair and

just. The committee approved. However, he read a letter from the State Dept. of Personnel which pointed out that data contained in the salary plan are now two years old, and recommending that the bottom two steps in the salary scales be eliminated and two more be added proportionately higher at the top of the scale. Each scale of the scale represents about a five percent increase.

The Committee approved the state's recommendation. Under those terms, the committee's recommendations and the requests contained in Alexander's lawsuit worked out to be about the same. He had asked that clerks in his office be increased from \$460 to \$460 monthly and that a third part-time clerk be moved up to full-time, also at \$460. The committee's formula worked out to about \$464. Approval was granted for the three full-time clerks.

Trustee Schrimsher's suit asked that the salary of a deputy clerk be raised from \$400 annually to \$600 and that he be allowed an increase from the present \$2400 to \$4800 annually for part-time clerk hire during the rush season.

The committee recommended that the same recommendations apply to the Trustee's office which would work out to about \$5,568, plus retirement and insurance benefits. The recommendation also called for a 15 percent increase in the part-time clerk hire allowance. Register of Deeds Ralph Wear asked for an increase for the clerk in his office from \$350 monthly to \$600. Again the committee recommended that the county's program be the basis for settlement, but he agreed that the clerk in that office should be moved to the top of the scale in her classification—again working out to the approximately \$464 monthly figure.

CIRCLES END—Loudon quarterback Dennis Queen finds day light to his left as the Redskins veer offense labored to dent the defensive forces of Kingston in Friday night's Region 7 shocker won by Loudon 7-0.

Atomic Raceway Schedules Final Race

Georgia late model sportswoman drivers have a good chance to continue their domination of special events at Atomic Speedway. That's the indication from early entries for the season-ending 200-lap affair scheduled September 28 at the three-mile dirt oval.

Bud Lunford, the hotshot from Gainesville, tops the field of Peach State drivers to be on hand as more than 60 drivers will be vying for a berth in the 24-car field. Lunford has chalked up 41 victories in feature competition this year. This will mark Bud's first appearance at Atomic this season.

Also on hand from Georgia will be Leon Sells, Doug Kenimer, Leon Brindie, and Snooks DePoe. Lunford drives a Chevy II, DePoe a Mustang, and Brindie, Kenimer and Sells Camaros. First place in the race will be worth \$2,000, plus \$250 if the winner is using Firestone tires. Firestones, which recently cut back its participation in other areas of automobile racing, has added

\$500 to the purse, including \$150 for second and \$100 for third.

"This is shaping up to be the most competitive race ever at the track," says Atomic owner Bob Martin. "We'll have the top drivers from other states, too."

Time trials for the race will get under way at 7 p.m. Besides the 200-lapper, Martin has scheduled a pair of semi-features, which should be just as tightly contested. Tickets are \$7 (paid), \$6 (reserved) and \$5 (general admission).

No races are scheduled at Atomic this coming Saturday since the final Southeast Dirt Track Classic event will be run at Cleveland.

No 22 Rifles Allowed

Small game hunters hunting in the South Portion of the Cheekoke Wildlife Management Area including the Tellico and Ocoee Management Units, are reminded that only shotguns, using number 5 shot or smaller, are legal weapons.

Baseball Diamond Under Construction

This coming season Roane State's baseball team will be playing on their own field now under construction across Patton Lane from the main campus at Roane State.

Construction has been going on at the site for the past month on the new field which is being built according to major league baseball specifications. The first part of the work will be finished by mid-October, according to Larry Works, Roane State baseball coach.

wildlife during the fall and winter months. Game species that depend on hard mast include deer, bear, boar, squirrel, grouse, turkey, raccoon, quail and puddle ducks. The purpose of these surveys is to determine the quantity and quality of the mast production in Tennessee. This information can then be used to indicate the probable number of animals that will survive through the winter and provide breeding stock next spring. If this number is high, hunters can look forward to higher bag limits, if it is low the bag limits may be lowered.

Baseball Diamond Under Construction

Phase two of the emerging baseball field will involve the planting of grass, building dugouts and building a fence. "It looks as if we're going to be playing our home games on our new field by this Spring," said Coach Works.

Coach Works says that the baseball team for this coming year now numbers some 35 players. There are five boys returning from last year's team. The number also includes two transfer students who will be attending Roane State this year.

Coach Works and assistant baseball coach Pete Charton anticipate a good season in Tennessee Junior College Athletic Association competition. Coach Works commented, "If our signees are as good as we think some of them are, we have a good possibility of coming up with a good team for the Spring schedule."

The coach feels that the new field will help make a better ball team because the improved facilities will make a better program. An added attraction for spectators will be the scenic lake-side setting of the new ball park. The field adjoins the Caney Creek embayment of Watta Bar Lake.

City Golf League Sets Tournament Dates

The Loudon City Golf League has just two more weeks of summer competition before holding a two week inter-league tournament. The tournament is set to get under way the first week of October with two Flight Championships.

The First Flight will be for individuals with four handicaps or less and the Second Flight for all those above that. Madisonville's golf course will be the site of the 36 hole event that will carry over a two week period.

The City Golf League is also planning a steak supper for its league golfers at the close of the tournament at the Loudon City Park. Ted Lomax is currently registering all those interested in the tournament and supper. A \$7.00 fee is required by those participating in both the

tournament and attending the supper. The wards supper alone is \$4.00 and the tournament entry fee is \$3.00.

All the City Golf League members are urged to notify Mr. Lomax before the regular season is over as to their plans on the season wrap-up events.

In play last week Larry and Lynn Millsaps maintained a 20 point spread over second place John Cobb and Richard Archer in their battle for the league team championship. Ed Arnold and Paul Brakebill have just about cinched a third place finish with Jimmie Hamill and Jim Moore in fourth position.

Dennis Townsend and Ralph Stalcup had combine round of 71 for the low net team honor last week. And Butch Early was the individual medalist with a 34 on his score card for nine holes.

Several Indicted By Criminal Grand Jury

The Loudon County Criminal Court Grand Jury returned action on about half of its current docket Tuesday afternoon.

Indictments were returned on the following persons:

Daniel Polson, arson; Larry Walden, arson; Wayne Nix, failure to provide; Ralph Wright, larceny; larceny of gasoline; forgery; Robert Wright, larceny; Eddie Justice, third degree burglary; receiving and concealing, contributing to the delinquency of a minor; Alvin Bart Barron, larceny, failure to stop for blue lights; reckless driving; resisting arrest; Gary Packett, leaving the scene of an accident; and trespass; Lowell Stevens, forgery; Charles H. Russell, driving under the influence; Bill F. Russell, selling illegal whiskey and possession of intoxicant liquor.

Not True Bills were returned in the favor of the following:

Bart Barron, larceny; Robert E. Jenkins, felonious assault; and James G. Kelly, driving under the influence.

A case of assault and battery against Myrtle Chastain was remanded to General Sessions Court.

Cases carried over from the last term of court which were on the felony docket that have been set for trial are as follows:

Bud Covington and Don Waldrop, concealing and aiding set for Sept. 19. Jeffery Lee Green will be tried on Sept. 30 on four charges of breaking and entering and one case of receiving and concealing. Allen Humphrey will be tried on the same day for breaking and entering.

Others scheduled are David Sarten, Sept. 23, larceny; Kyle Ward, Sept. 23, receiving and concealing; B.R. Russell, receiving and concealing; Jack Webster, Jan. 27, 1975, assault on an officer; Richard M. Coker and Otis Duncan, Sept. 26, armed robbery.

The final report from the grand jury is expected for late Wednesday or early Thursday. Judge Lloyd McClain is expected to set cases for trial over at least two weeks.

LC Blanked By Harriman

(Continued from Page 9) worksheet and 169 yards. Panther field general Mike McCookey, on the other hand, was successful on only 3-of-9 attempts for 15 yards.

The win erased the longest losing streak in East Tennessee and was the first for the Blue Devils since a 20-12 triumph over Knox Young in the third game of the 1972 season.

In the lone other bracket play involving women only, the mother and daughter duo of Helen and Terry McCabe had little trouble in capturing the championship hardware.

Sara Arnold and Sue Canter lost to Mini Morrison and Sheena Lindner 7-5, 6-0. The McCabe's won over the mother and daughter team of JoAnn and Marsha Thompson 6-2, 6-3 and then downed Morrison and Lindner 6-4, 6-2 in the finals.

The Loudon Recreation Department was well pleased with their summer program of softball, youth baseball, swimming and tennis and plans an even larger and more expanded program of varied activities next spring and summer.

Tennis Tournament

(Continued from Page 11) falling to Tim Guider and Mrs. Arp were beating Estes and Ferguson 6-3, 6-2. Linda and David Arp won the finals 6-7, 7-6 in a tie breaker for the Mixed "B" honors.

WHEN YOUR GREAT GREAT GRANDCHILDREN VISIT IT WILL LOOK THE SAME AS IT DOES TODAY...

BEAUTIFUL

Most cemeteries age with time. The grass and weeds grow out of hand. The headstones chip and grow dingy. They can become very unsightly after just a few years.

Why? Because the family is responsible for their respective plots. And they shouldn't be. They could pay someone to take care of their plots for them... but the cost would be prohibitive.

level with the ground. This provides uniformity and adds to the beauty of the garden.

Loudon County Memorial Gardens also furnishes the perpetual upkeep of the entire cemetery. This special attention insures the eternal beauty of Loudon County Memorial Gardens. So when your great great grandchildren visit... it will look the same as it does today. Beautiful.

TELEPHONE CONFERENCE—As County Judge William Russell listens, Lenoir City Mayor Joe Grayson talks to TVA Chairman Aubrey Wagner about the possibility of getting TVA to restore power to Union Carbide after the explosion Wednesday night.

MOVING EMPLOYEES OUT—Women employees who were in the Union Carbide Plant when an explosion cut the power source to the plant Wednesday night are shown being loaded into a van for evacuation from the plant.

WHILE THE LIGHTS WERE OUT—Chief Deputy Luke Bright and Sheriff Guy Russell talk with Carbide Labor Relations officials Paul Titus and Bob Dravecky at the evacuation of female employees after a dynamite blast destroyed the electric power supply to the plant.

GUY WIRES CUT—Guy Wires helping support the power poles that were dynamited Wednesday night had apparently been cut before the blast. Chief Deputy Luke Bright inspects one of the cables.

FORCE OF EXPLOSION—The force of the explosion which dented four power poles carrying transmission lines to Union Carbide can be seen in the photo. Chief Deputy Luke Bright inspects the splintered stump of what was a 90 foot power pole.

Birkholz Says Carbide Won't Be Blackjacked

Union Carbide plant manager Ray Birkholz has taken a tough stand against the "violence and terror-tactics" that have surrounded the strike-troubled plant during the past week. Referring to the dynamite blasts which left Union Carbide without TVA power last Wednesday night, Birkholz said in a newsrelease, "We will not be coerced into an unreasonable settlement. We will not be dynamited into any settlement. We will continue to insist on our legal rights to operate our production facilities. We also think that the people of Loudon and nearby communities do not want this area to be known as the place where industries are blackjacked into submission by lawless elements. Therefore, we will resume our operations immediately following the restoration of power."

In the same newsrelease issued late last Thursday Mr. Birkholz said, "Union Carbide has bargained in good faith with the Union (Local 224 of the International Association of Machinists) and we continue to believe that the majority of members of the bargaining unit believe in the principle of non-violence negotiations leading to a settlement."

A letter from Birkholz was mailed to company employees Friday. The letter directed principally to the striking union members asked that the Union openly join in the efforts of the company and law enforcement agencies to blow the whistle on violence. Birkholz said if the strike is to be ended two things must happen. 1-The violence has to stop. 2-The Machinists Union has to get down to reality at the bargaining table.

"This latest dynamiting was one more serious criminal act added to an already long list of violence against people and property during the strike. These lawless acts will only make this strike go on longer—"

gunfire and explosions won't settle it," the plant manager said.

In one paragraph Birkholz cited a concern for damage not only to employees and the company but to the community because of the violence surrounding the strike. The words of Mr. Birkholz were—"There is a small group of people who are out to do permanent damage to employees, the company and the community. Obviously they don't care about you and your job, they don't care about the 17 years that employees and the company were able to work together without any violence, and they certainly don't care about the improvements in the Loudon area that your taxes and those of the company have made possible. In a nutshell, this small group wants to fear down (destroy) what most of us have worked hard to build for ourselves, your families, and the community."

Alexander won the 1974 Republican Primary with almost 49 percent of the vote in a three-man race. He received the endorsements of 10 of the state's major daily newspapers and was named by Time Magazine as one of 200 outstanding young Americans destined for positions of national leadership.

Democratic gubernatorial nominee Ray Blanton told a rally in Manchester Wednesday night "Tennessee cannot afford back-to-back inexperience in the Governor's office."

"The inexperience of the present Republican administration has led to doubling the state's budget, isolation of the governor, and a general callousness of governmental attitudes," Blanton said.

Thursday (September 19) the Democratic nominee will continue his campaign swing through southern-middle Tennessee. Blanton will be making stops in Decherd, Winchester, Cowan, Sewanee, and is scheduled to attend a Marion County rally at the Nickajack Reservoir.

Several middle and east Tennessee are on the agenda for Friday (September 20). That evening Congressman Blanton will address a six county rally in Cookeville, speaking on his basic positive platform.

"We are presenting to the people of Tennessee a positive, progressive program designed to benefit the majority of our citizenry. We are not going from county to county making different sets of promises. We simply are advocating positive reforms for our state government."

Blanton will continue his campaign through Middle Tennessee Saturday visiting five counties, ending the day with a twenty-five county rally in Alexandria.

Earlier this week Congressman Blanton re-emphasized his support for a national health care plan during an address to the Nashville Academy of Medicine. "I feel any national health care plan should be structured around existing health care systems," Blanton added.

"The medical leadership of this state must join hands to develop workable answers to this problem in Tennessee and the answers include the expansion of roles of nurse clinicians, nurse practitioners and physician assistants."

parents and others in the community. Through improvement and participation, confidence can be restored to Tennessee's public schools."

AEC Key To Industry Alexander Says

Gubernatorial Candidate Lamar Alexander said after a tour of the Atomic Energy Commission's facilities here today, attracting clean, high-paying industry to Tennessee benefits citizens in many ways.

The East Tennessee native visited the AEC's National Laboratories Y-12, operated in Oak Ridge for the AEC by Union Carbide Nuclear Corporation, at 2:45 p.m. Tuesday.

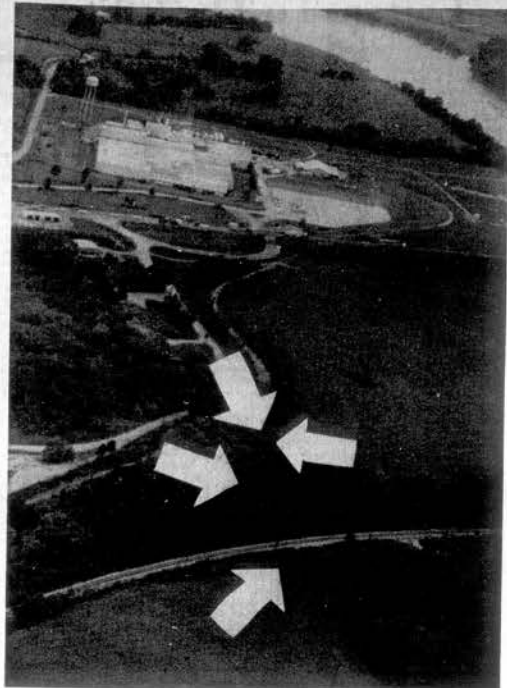

In addition to providing jobs and bolstering the state's economy, Alexander said the addition of new industries and expansion of existing ones makes it possible for communities to improve local services.

He said nine new industries moved into Anderson County in 1973 and five existing ones enlarged their facilities. "Union Carbide alone, the state's largest corporate employer, has more than 13,000 people on its payroll," he said.

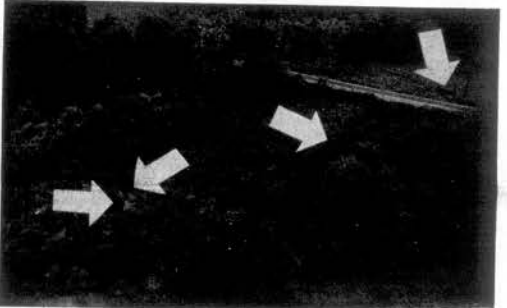

"Because of the economic strength of this county's industries, its county seat, Oak Ridge, has one of the best school systems in the state and one of the state's highest per capita incomes," Alexander said.

He said the Oak Ridge School system has the state's second lowest pupil-teacher ratio—about 20 students for every teacher—and a per capita income of almost \$3,500.

"As Governor, I will do all that is within my power to encourage new industries to move into Tennessee and aid ones to expand in a coordinated, orderly manner to improve our economy without detracting from the quality of our relaxed lifestyle," Alexander said.

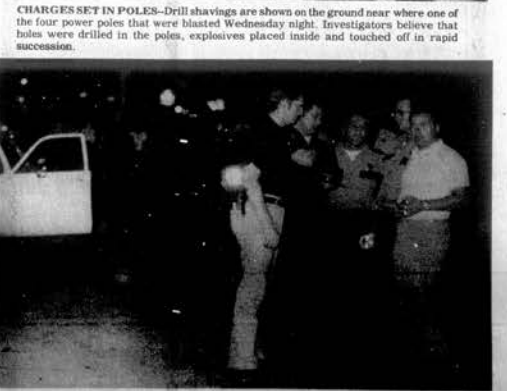

PLANT AND DAMAGE AREA—This aerial photo shows the area of the blast which destroyed the electrical service to Union Carbide in relation to the plant in the background. The downed poles are marked by arrows.

WHERE POLES WERE—This aerial photo shows the area near the Southern Railway main line where the power poles leading to Union Carbide that were destroyed last Wednesday night. The poles are marked by arrows.

CHARGES SET IN POLES—Drill shavings are shown on the ground near where one of the four power poles that were blasted Wednesday night. Investigators believe that holes were drilled in the poles, explosives placed inside and touched off in rapid succession.

AT PLANT ENTRANCES—Assistant Attorney General Ed Bailey, County Judge Bill Russell, Deputies Lucian Kent, Allen Clemmer and Chief Deputy Luke Bright discuss security and control measures around the Union Carbide Plant entrances Wednesday night.

With Blanton And Alexander

On State Campaign Trail

A major task of Tennessee's next governor will be to restore confidence in our public schools according to gubernatorial candidate Lamar Alexander. Alexander noted public education uses more than half of the state's general funds, and in Loudon County alone there were some 5,773 students enrolled in public schools last year. "Helping to fund public education is a large and valuable service of the state government," Alexander said, "and no public concern should demand more attention of our

next governor." Alexander explained that in the 1973-74 school year, state and local government spent some \$700 million on elementary and secondary education. "In spite of this large financial commitment, confidence in many of our public schools seems to be on the decline," stated Alexander. The candidate for Governor of Tennessee said that he would be "totally committed to seeing that Tennessee has public schools in which both parents and students can have confidence."

Litling areas in which Tennessee must act, Alexander said, "First, we need to expand our efforts to improve reading and other communication skills. Second, we must encourage career education in secondary schools. And third, we need to make sure that the special needs of handicapped children are effectively met. "The next governor can and should work for the improvement of Tennessee's school system," Alexander stated. "But the success of public education also depends upon the involvement of

Letters To The Editor

Dear Editor:
I would like to direct my comments to the residents of Loudon County concerning increasing crime in our cities and county and to the fact that the police departments get the blame for it.

I am a policeman for the City of Lenoir City and have been in law enforcement since 1968. I am proud of my job. The pay is not what it should be and the risk is high but I enjoy serving the people.

A policeman's job is to keep the peace, protect the people and property. That is what we want to do in our cities and county can be a safer place to live. I think we have some of the finest and most qualified officers that we have ever had in our cities and county but we need the help of the private citizen.

What can you the private citizen do? When you see a crime committed don't be afraid to report it. Don't be afraid to sign a warrant for his or her arrest and don't be afraid to go to court and testify on the witness stand.

EDITORS NOTE—Ask what his object in the letter was, Officer J. C. Hammonree of the Lenoir City Police Department said that he recently arrested two men stealing gasoline from Troy's Used Car Lot in Lenoir City. He said the owner of the lot, Troy Pesterfield, signed a warrant for the two men, but later agreed to drop the charges if the defendants would pay the costs.

My friend, right is right and wrong is wrong. So do your part in prosecuting the criminal. Then if you have a complaint let it be heard. I assure you I am going to do my part to help make our city and county a better place to live.

Sincerely,
J. C. Hammonree,
Lenoir City Police Department

Dear Mr. Editor:
I have lived in Loudon for the past eight years before that I lived in Sweetwaer. I have worked at what some folks still call "Viking" but at present time is called Union Carbide for 14 years, six months.

I have always appreciated my job there. I have enjoyed the friends I have made while working there both employees and employer.

I know I haven't always agreed with each thing that has come up. There has been things I would like to have changed or perhaps found a better or easier way to accomplish something so it would please each person but I realize life just don't work out that way we want it to each time.

I am very ill at the present time and I can't see that I am improving very fast at present time. Things look bad for me

health-wise.
I have friends that I love as friends both inside and outside on the picket line. Tonight I prayed as sincere and humble as I know how. That God will help these friends to come to the right and to a peaceful understanding.

I love God and I love my friends, so there is no room in my mind or my heart for hate or even dislike for anyone.

Please, I beg both union folk and non-union to ask God to help you to do the right thing, turn it over to Him. Let Him guide you and he will show you the right way. I realize there have been some things said about me that hurt but I only ask God's forgiveness for anyone who wishes to hurt me and I ask him to give me the grace to forgive.

Yes, I'm very sick but I'm not riding on the insurance disability how I've heard it was said about not only me but others.

There is no disability and I am paying my own insurance because I don't ever want

to lose my insurance if I can help it.

Yes, it is hard for me. I sometimes wonder how I will make it, but my God said he would take care of me and I believe that somehow he will. I'm asking each person in Loudon County to get together and ask God to help us get together and be able to work together or to reach out a helping hand to some one in need. Come on folks, lets show people that Loudon is a fine place to live and to raise our children and grandchildren. We can make it and even better place if we will take a few minutes to think about what is best for each family living here and not just dwell on ourselves and what we want.

I realize this is a long letter and you might not be able to print it but I just had to tell someone what I felt. I'm keeping God awfully busy with my problems as well as my friends.

Very sincerely,
Mildred P. Strickland.

Richards Named To Conservation Post

Clarence M. Richards has been named Area Conservationist for the USDA's Soil Conservation Service at Knoxville, according to Paul M. Howard, head of the SCS in the State.

In his new assignment Richards will direct SCS programs in the 12-county Knoxville Area which includes Loudon County. Mr. Richards' promotion and reassignment became effective on September 1.

Richards comes to Knoxville from Greenville where he has served as District Conservationist since 1964.

A native of Putnam County, Richards graduated from Tennessee Technological University in 1948 with a B.S. degree in Agriculture. He began his SCS career at Murfreesboro, Tennessee in 1948. He served in positions of increasing responsibility at various locations across the State before being selected to assist the Greene County Soil Conservation District Supervisor in applying their new District program in 1964. Mr. Richards has served with distinction as District Conservationist at Greenville. He received the Soil Conservation Service's Outstanding Performance Rating in 1966 and a Special Performance Award in 1962. In 1964 he was selected to participate in the USDA's Junior Management Intern Program at Washington, D.C. In 1972 he received a Sustained Above

MR. RICHARDS

Average Performance Award. Richards has been active in civic organizations. Long a member of Rotary International, he is Past-President and currently a member of the board of Directors of the Greeneville Rotary Club. He served as President of the Greene County Fair Board for two years and is now on the Fair's Board of Directors. He is presently serving as Chairman of the Environment and Energy Committee for the Greene County Chamber of Commerce. He is married to the former Miss Mary Lou Johnson of Trenton, Tennessee. They have two daughters Melinda and Claire. The Richards are members of Christ United Methodist Church.

Mr. Larry G. Cate, Sr., Editor of the Loudon County Herald. Not until paragraph three of his September 6 Dear Editor letter, did R. T. BIRKHOLZ, P. L. A. Y. MANAGER, Union Carbide Corp. give any insight to the question that he, himself, is perpetrating in his corporate image. "The Company made no change in its pre-strike offer," an adamantly inflexible position in concrete and steel which leaves no basis for negotiation; and, if anyone had any doubt about it, the underscoring of last in "the Company's last offer" should have dispelled it completely for even the most subtle among us.

Mr. Kirkholz' most misleading statistic has to be in the fourth of his cited "major economic points: an average increase of 19 percent." The implication is that the employees have already been promised a 19 percent annual increase although only 8 percent of that increase will be realized for the first 7 months or until Spring 1975 with less than 3 percent added for the Summer of 1975, 8 percent for 7 months longer, even keep pace with the current inflationary spiral of the rise of the rise in the cost of living, and 3 percent for 3 months is a definite deficit;

but even these percentages are a marked improvement over what the corporation was doing for a good many months before the strike.

In connection with these already misleading figures, consideration must also be given to the fact that this strike is already in its second month which means that these hourly employees have already lost more than the 8 percent initial "gain" that he was excited enough about to cite with an exclamation point; and, if the strike lasts more than a few days longer, the 3 percent will also be lost. In truth, by trusting oral and deceptive statements from a corporation spokesman the day before the strike started, the employees have already lost over 8 percent of their 1974 wages, and it would take some prompt and sincere corporation negotiation to balance the deficit - much less to claim that the corporation is showing any concern whatsoever for either its union or its non-union employees.

Although Mr. Birkholz, claims that "Demands of this magnitude can't be justified within our geographic area," Union Carbide Corp employees in our neighboring county have already been paid on Local 254's requested pay scale in Loudon County; and since we are all part of the Greater Knoxville Area, the Greater Knoxville Area corporation condescension to the contrary. Refusal to recognize Loudon County residents on a par with their neighbors is hardly the

way for a corporation to endear itself to its employees or its neighbors whether or not its spokesmen consider themselves the equal of those who their inflammatory pronouncements and actions have provoked into violence or those who have otherwise glibly misplaced exaggerated loyalty to the corporation or its spokesmen. Instead of talking in terms of \$2,130,000 over a 24 month contract term of \$1,200,000 over a 27 month period which

may have significance to corporation and union officials, both will have to give quarterly to the employees in order to discuss money in terms that are meaningful to them.

The Union is obviously not going to bring its demands down into the 30 cent pit that the Corporation considers reasonable, nor is the Corporation going to scale the 80 cents wall that the Union considers reasonable. Oddly enough, if both the Union and

the Corporation would give quarter (which is, after all, the essence of negotiation) and literally give a quarter, the 30 cent pit would rise to 55 cent ground level and the 80 cents wall would diminish to 55 cent ground level. Neither would be surrendering to the other and each could retain whatever dignity they have not already thrown away without continuing to antagonize all the rest of us in Loudon County who are caught in the middle of their

strife and dissension. If a 7 cent raise is all the corporation is willing to discuss for the time being, the remaining 15 cents could be added 9 months later and a new contract negotiated 18 months later when hopefully the inflationary spiral may be showing some signs of leveling off - if government makes a sincere effort to tackle the problem and receives the necessary co-operation. Regretfully,
Jim Early

Hospital Report

NEW ARRIVALS
 Sept. 3 - Mr. and Mrs. Herbert Oody, boy, 8 lbs. 6 oz.
 Sept. 4 - Mr. and Mrs. Mike Roberts, girl, 8 lbs. 1 oz.
 Sept. 5 - Mr. and Mrs. Dennis

Now he wants to sell it!

You've been thinking about that acreage for some time - it's good land and offers a great opportunity to expand. Can you afford that big step forward? Adequate financing could be the key!

Long-term credit, at competitive interest rates, through the Land Bank Association, can spread expansion costs over extra years for smaller payments. Come by soon - you may be pleasantly surprised at what you can afford.

4 Enroll

At Sewanee

Four young men from Loudon are enrolled at the University of the South at Sewanee. They are among a total enrollment of 1017 students.

Watson. The University of the South, owned by the Episcopal Church in 12 southern states, is 117 years old and continues to make "top ten" lists in the accomplishments of its alumni, among whom are author Andrew Lytle, Senator Howard Baker, athletic superstar Kyle Rote, Jr., and the last two presiding bishops of the Episcopal Church.

Newer departments such as theatre, Russian, and anthropology have added more courses this year. In the tradition of liberal arts versatility, a study of Mozart is being led by Dr. Charles Harrison, retired professor of English, under the university's endowed tutorial program.

Purchasing Meeting Set

The Loudon County Purchasing Committee will meet Thursday, September 19 at 7:30 p.m. in the office of the Purchasing Department, Fort Hill, Loudon.

CARD OF THANKS

The family of Mike Giles would like to express our thanks and appreciation for the flowers, food and all acts of kindness shown during the loss of our loved one. Your thoughtfulness and prayers is deeply appreciated. The Giles family, 9-19-74

PLACIDITY "This will keep him in perfect peace, whose mind is stayed on thee, because he trusteth in thee." Psalm 37:27 "The peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Philippians 4:7 God has never promised life without trouble nor progress without striving. He has, however, promised that and the tumult and strife He would give us an inner peace if we let Him live in our hearts. Learn about this unique peace offered to all today.

As you can see, there are many blanks in the name line-up and this is where we need your help. We were talking to

Dr. Harrell Russell about this picture and I told him that I was pretty sure our readers could help us out. Please let us hear from you.

Our other picture this week is of a house which stood at one time in Loudon County or maybe still does. Which one of these statements fit we don't know but thought possibly some of our readers would recognize the house or the lady standing in the yard. The house looks very familiar, but possibly many houses were built on this style. Could be that some of our Lenoir City readers can help us out on this one. Please let us know.

We noticed recently the much needed improvements to the old Loudon Grammar School gym. The improvements sure look good outside. This old Loudon building has been a part of many of our lives, not only in the basketball realm, but for years this building has been used for a variety of school and community activities. Many graduations, school plays, fund raising event and many other things have been held in this old gym.

I may be wrong in this, but at one time several years ago, this gym was given a name. It seems that I recall a sign on the front of the building. If our readers can help us on this one, let us know. One thing I am sure of is the very mention of this old building brings back many memories to many people.

While we are writing about this old building, we are sure some of our readers have old group pictures taken inside or outside this building. If so, we would like to use them in our column. It is always a real pleasure to have pictures which touch many of our lives. Well, that's it for now. See you next week.

A few months back we were asked to run a group picture of a Methodist Sunday School Class. The purpose being to obtain an accurate identification of those in the group. Nannie Markin had the picture with a partial list of names of those in this picture. Both she and some of those at Loudon United Methodist Church wanted to establish the identity of those in the group. We are glad to be of help in our Good Old Days column.

Class ever to be in Loudon. Of course, we could be wrong on this but feel we are correct in this statement. This was a class that worked seven days a week building and maintaining their unusual attendance. Their record might lend encouragement to Sunday School classes working to build attendance. These men were from all walks of life, professional and businessmen as well as others. Many of those in the picture are now deceased. The following is a list of those we can identify. If you can help us with the others, please let us know.

We ran a similar picture of this group some years ago but was different in some respects. This was possibly the largest Sunday School

Work Day At Cemetery

A work day has been set at Prospect Cemetery for Saturday. Persons with relatives or friends buried at the cemetery are invited to bring shovels, wheel barrows and other tools to help in the project.

A covered dish dinner will be served to the workers at noon.

Ham Supper At Philadelphia

A Ham Supper is being sponsored by the Philadelphia Cemetery Committee. The supper will be held from 5 p.m. to 8 p.m. Saturday at the Philadelphia Elementary school cafeteria.

Price is \$2 for adults and \$1 for a child's plate. Proceeds will be used to maintain and improve the cemetery.

Revival Set At Cedar Valley

A revival will begin Sunday with the 11 a.m. Worship Service at Cedar Valley Baptist Church. Services will continue nightly at 7:30 p.m. through Saturday.

Rev. Clinton Riddle, pastor, said all services are open to the public.

Some Behind On State Tax

County Court Clerk Ed Alexander said this week that several businesses in the county, especially building contractors, are delinquent in paying their State Business Tax.

Alexander said the Business Tax replaced the old Privilege Tax and apparently some people fail to understand they have to file under the new act each year. He said failure to do so could result in court action against the businessman.

18 Year Olds Must Register

The Selective Service System this week said that although the Selective Service is not drafting men for the service that young men must still register when reaching the age 18. Failure to do so is a felony punishable by fine and prison sentence.

Ways listed for Loudon County men to register are as follows:

1. Visit the local board office, Room 335 Post Office in Knoxville.
2. Contact registrar, Robert Hudson at Greer's in Loudon.
3. Register by mail. Cards found in all post offices.
4. Write or contact local office and mail in card will be sent to registree.

Edward Headlee
Loudon County School Superintendent

College Credit Courses
Beginning on September 23 the University of Tennessee will offer three courses for college in Loudon County. These courses, starting dates, locations and instructors are as follows:

Geology 1510 (U) Oct. 2 Loudon High Dr. M. Clark
Educ. C & I (U or G) Sept. 23 Loudon High Dr. L. O. Haaby
Ed. Psy. 5060 (U or G) Oct. 1 Loudon Elem. Dr. W. Russell

Courses marked with a U for undergraduate credit and courses marked with a G are for graduate credit. Geology and Educ. C & I will begin at 6:30 p.m. and Educ. Psychology will begin at 4:30 p.m. Even if you are not currently employed in teaching, you may take these courses for college credit subject to the rules in the U.T. catalog.

School Buildings
We are having some problems in some of our schools this fall due to overcrowding and use of outdated facilities. The system is currently working to provide the facilities which we need. Architects are working on plans to complete the Loudon Jr High School and expand the Greenback School. When completed, the expansion at Greenback will accommodate the students from the Glendale School. However, Glendale is scheduled to remain open until the new addition at Greenback is finished. There are currently no plans to close any other schools soon.

I am riding at least two bus routes weekly and so far have found both owners and drivers to be pleasant and cooperative. If you have complaints or praise for our buses, do not hesitate to contact us. It may take a while to work out some of our problems, but we will do the best we can. Unfortunately every problem cannot be solved, but we will do what we can to make the transportation system in Loudon County the best we can afford.

Superintendents' Conference
I will not be in the office next week, Monday through Wednesday, due to the annual Superintendents' Conference in Gatlinburg. I will be back on Thursday of next week.

REWARD

**UNION CARBIDE CORPORATION,
Films - Packaging Division**

offers to pay a \$5,000 reward for information leading to arrest and convictions of the person or persons responsible for destruction of poles and power lines leading to the Union Carbide plant at Loudon, Tennessee on August 27, 1974, and September 11, 1974.

Contact Ray Birkholz, Union Carbide Corporation, Films - Packaging Division, Loudon, Tennessee, Phone 615-458-2071.

Loudon Man Shot, Another Charged

A Loudon mechanic, shot three times Sunday, is reported still in serious condition at Fort Sanders Hospital but improving after undergoing surgery Sunday night. Sheriff Guy Russell said that Joe Lynn, 28, Ingram Street, Loudon, was shot twice in the stomach and once in the chest by a .25 caliber automatic.

The shooting was reported to the Sheriff's Office by Loudon County Memorial Hospital emergency room personnel about 6:20 Sunday afternoon.

About 6:45 p.m. Johnny E. Miller, came to the county jail with his sister and turned himself in. The sister, Mrs. Ernest Millsaps turned in the gun she said her brother had given her.

Miller has been charged with felonious assault with intent to commit first degree murder. He was released from County Jail late Sunday night under \$1500 bond. Preliminary hearing in General Sessions Court is slated for October 25.

Sheriff Russell said he did not take a statement from Miller concerning the reason for the shooting, but had

talked to two men who with Lynn at the time of the shooting. The two were identified as Terry Jenkins and Gary Jenkins, cousins, both of Loudon.

Gary Jenkins reportedly told the Sheriff that he and Terry were riding with Lynn Sunday afternoon when they got behind Miller at the old Loudon High School. He told the Sheriff they followed Miller out Steekee Road just past the House of Prayer Church and that Miller pulled onto old Steekee Road and stopped.

The witness reportedly told Sheriff Russell that Lynn got out of his car and walked toward Miller's car saying he wanted to talk to him when Miller, still in his car, fired three shots. The cousins said they got Lynn back in the car and took him to the hospital. He was treated at Loudon County Memorial before being transferred to Knoxville.

Sheriff Russell said he understood the two men had been having differences for several months.

A relative said that Miller was scared of Lynn and he shot out of fear of being harmed himself.

Union Carbide Power Lines Restored, Company Blamed For Long Strike

POWER LINES BEING RESTORED-The dynamite destroyed power poles and lines to the Union Carbide plant are shown being rebuilt. A private contractor with a crew of about 12 men moved into the damaged area early

Friday and began work on getting power back to the plant. The aerial photo shows the double set of poles being erected.

Full electric power was restored to Union Carbide's Films-Packaging Plant at 9 p.m. Sunday. Friday and Saturday of last week a private construction firm hired by the Lenoir City Utility Board, replaced four poles and 69,000 volt lines leading to the plant that were destroyed in a dynamite blast on Wednesday, Sept. 11.

Since the blast the food casing plant had been operating on diesel generators inside the plant. Hourly employees at the plant have been on strike since August 12. The dynamiting of the power poles is one of a number of incidents at the plant since the strike began.

Plant manager Ray Birkholz said Tuesday that production is being restored to its "pre-blast" levels. He stated, "In the period when we were waiting for the lines to be connected again, we were able to build up our in-plant power supply to meet our operational requirements; however, it is good to know that both sources of power are now available."

Lenoir City Utilities Board official, who serve the power needs of Carbide, said Monday that the firm that rebuilt the downed power lines was a Georgia firm that operates in several surrounding states.

The crew that did the work was brought in from South Carolina. It took the crew of approximately 10 men two days to do the work.

The Utility Spokesman said that the cost of labor, materials, and living expenses for the contractor would be about \$10,000.

"We have had some people to call and ask why we crossed a picket line to restore the power, but we did not have to cross the union picket line," the man said.

Poles for the job were already on hand and probably made it possible to get the power back to the plant much quicker. Lenoir City Utilities had ordered large poles for major construction it is now doing in West Knox County and for the new Lenoir City Industrial Park. The reconstruction project took a 100 foot pole, one 80 feet and two

65 foot poles. Sunday night, the first night after the lines were rebuilt Union Carbide had a security force, patrolling the lines from the plant to where they come off TVA towers. The guards, not armed Carbide said, were accompanied by "command" dogs. The guards left the patrol area about 10:30 Sunday night after reporting that one dog had been shot and another had suffered a broken hip after being struck by a steel ball.

In a statement released Tuesday Birkholz referring to prospects for settling the strike said, "I continue to feel that the vast majority of the Union Carbide employees do not support violence and that they are as willing as we are to seek a reasonable settlement. Only when both sides are ready to set down and talk realistically, however, will a settlement actually be achieved."

"Any damned fool can blow up a power line," he continued, "but it takes someone special to go through a long hard effort of a bargaining session and come out the other end with a fair settlement."

A letter signed by Union President Roy Jenkins and grand lodge representative M. Q. Dishner that was released Tuesday morning, blamed the company for the lack of action in the negotiations. "The men said the company refused a meeting last week with federal mediators, after a letter from the plant manager said the company was willing and ready to bargain."

The letter said, "this strike could not have been avoided if this company had attempted to negotiate a settlement. At the end of negotiations before the strike the company when it put the 30 cents on the table said the employees were entitled to have something to vote on. Later the statement was made by the company that they would take us on for size. If the company had come up with what they had given in other plants at that time and since, this strike would have never occurred."

According to the violence the letter said, "Many acts of violence have occurred, we as representatives of the union or our members had no part in these acts. We have continued the same policy we have followed throughout the years, telling our members and those who would visit with us we have the will and determination to win this strike by peaceful picketing and will not condone or participate in anything which would be detrimental to anyone involved or the community as a whole."

(Editors note-The entire letter from Mr. Jenkins and Mr. Dishner is published elsewhere in this issue.)

Agents of the Treasury Department and FBI are still actively investigating the power line blazes and reportedly have talked to dozens of persons about the incident. There has been no indication on what progress they have made in their work.

The last negotiating session was held on Thursday, Sept. 5 before federal mediators. No other meetings are scheduled at this time.

Two sheds on the farm of union member Roger Aichey burned last Wednesday, Union President Roy Jenkins said. He said that Aichey thought that arson was involved. The sheds were in separate areas of the farm and both burned at the same time.

Exxon Drilling On AEC Property

Core drilling is being done on a tract in that portion of the City of Oak Ridge which lies in Roane County on behalf of the Exxon Nuclear Co., it was reported this week by an Atomic Energy Commission spokesman.

He confirmed reports that Lawn Engineering Testing Co., is performing certain geological excavation work on an AEC-controlled site which is adjacent to the 1,364-acre site of the Clinch River Liquid Metal Fast Breeder Reactor project.

He said the work was being done by Law under contract with Exxon. Testing such as that at Oak Ridge also was reported to have been authorized by Exxon at

several other locations in the United States in an effort to identify the best sites for future nuclear facilities.

The Oak Ridge site is west of the Y-12 plant, north of Bear Creek and West of White Wing Road.

There has been speculation in recent weeks that Exxon may not carry through on its announced plans for a uranium recovery plant at Loudon. The Loudon site in-

volved 2,500 acres and reached the edge of Roane County. Exxon has denied any decision has been reached to abandon, or revise, the Loudon plans but reports of changes have continued to be circulated.

Merit Board Meets Oct. 1

The Loudon County Merit Board will meet at 7 p.m. Tuesday, Oct. 1 at the county house. It is understood that the Board will hold a hearing on the dismissal of former Deputy Kenneth Brown by Sheriff Guy Russell.

When Sheriff Russell took office on Sept. 1, he dismissed Brown and charged him with conduct unbecoming and officer and insubordination. Brown appealed the action and asked for a hearing on the charges before the Merit Board.

No Indictments In Strike Cases, Three Get Sentences

None of the persons charged with incidents growing out of the strike at Union Carbide were indicted by the Loudon County Criminal Court Friday last week.

Not True Bills were returned in favor of Nell Buchanan, assault and battery; Ernest Millsaps, destruction of private property; Elizabeth Thomas, destruction of personal property; Judith Sharon Bright, reckless driving; Jerry Wilkerson, assault with

The home of Roy Jenkins, president of Local 2544 International Association

Machinists and Aerospace Workers, was shot into sometime last Wednesday,

Shots Fired At Union Head's Home

according to reports at Loudon City Police Headquarters.

Jenkins' union is on strike against Union Carbide Films Packaging plant at Loudon. City police said that apparently a 22 rifle was used. The shots went through the outside wall of the house and into an interior wall of the house.

Jenkins said that at least four shots were taken at the house. Two appeared to be from a 22 caliber and two from a larger gun. Three entered the West end of the house facing Kingston Street and the fourth near the carport on the South side of the house.

The family reported the incident about 11:10 p.m. Wednesday but think the shot was apparently fired at the house during the afternoon. The shooting into the Jenkins' home is the third such incident involving Union Carbide employees since the union members struck on August 12.

Other homes shot into were the Bill Raby residence and the Jack Modglin home. Raby is a non-striking hourly employee and Modglin is the plant personnel director. Jenkins had said earlier that he and his family had received numerous threats since the strike began.

reporting session of the Grand Jury and the charges are as follows: Ralph Wright, forgery, two counts; Bernard E. Walker, Jr., driving while intoxicated; Johnny Gultier, felonious (Continued on Page 6)

an auto; Ebb Harris, Alan Williams and Loretta Bradshaw, destruction of private property.

Although deliberations of the Grand Jury are secret it was reported that a Union Carbide employee on the Grand Jury was not allowed to vote on the charges and that the vote was 8-3 for indictment. The three votes against indictment were enough to dismiss the cases. True Bills (indictments) returned at the second

reporting session of the Grand Jury and the charges are as follows:

1-The residence of Mr. and Mrs. Willard (Bill) Raby, a non-striking employee of Union Carbide, on Thursday, Sept. 5.

2-The residence of Mr. and Mrs. Jack Modglin, personnel manager of Union Carbide, on Sunday, Sept. 8.

3-The residence of Mr. and Mrs. Roy Jenkins, president of Local 2544 International Association

of Machinists and Aerospace workers, on Wednesday, Sept. 18.

THE HERALD has asked that Sheriff Guy Russell, Chief Deputy Luke Bright and Loudon Police Chief John Lennox receive any information in the above cases.

The strike against Union Carbide is an economic issue between the company and the striking union, but apparently some warped minds think it is a war and have no respect for life. We are terrified to think that some night we will get a call telling us that someone has been killed from the strife surrounding the strike.

The vast majority of the union members and the non striking workers have respect for law and order and for the rights of others. But it is apparent there are a few, and they are not necessarily directly involved in the strike, who think strong arm antics, dynamite and guns are the way to settle the issue. You are wrong.

WE PLEAD WITH everyone on both sides of this issue to show respect for each other, have respect for the future of your community and respect for the law.

Herald Offers Reward In Home Shooting Probe

By Larry Cate
Editor

GUNS in the hands of idiots scare the hell out of us. Thus far during the strike at Union Carbide we know of three incidents where houses have been shot into. Each time there could have been more than just some property damage, someone could have been killed.

TO THE TRIGGER HAPPY madmen who are responsible.... You have a price on your head! This newspaper offers a \$500 reward in each case for information leading to the arrest and conviction of those responsible for shooting into the following homes:

- 1-The residence of Mr. and Mrs. Willard (Bill) Raby, a non-striking employee of Union Carbide, on Thursday, Sept. 5.
- 2-The residence of Mr. and Mrs. Jack Modglin, personnel manager of Union Carbide, on Sunday, Sept. 8.
- 3-The residence of Mr. and Mrs. Roy Jenkins, president of Local 2544 International Association

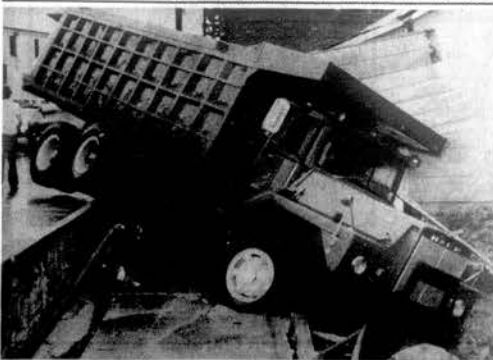

of Machinists and Aerospace workers, on Wednesday, Sept. 18.

THE HERALD has asked that Sheriff Guy Russell, Chief Deputy Luke Bright and Loudon Police Chief John Lennox receive any information in the above cases.

The strike against Union Carbide is an economic issue between the company and the striking union, but apparently some warped minds think it is a war and have no respect for life. We are terrified to think that some night we will get a call telling us that someone has been killed from the strife surrounding the strike.

C-R-R-RUNCH-II took wrecker crews from Delaney's Wrecker Service and Duggan's Wrecker Service four hours to remove this big Mack Truck from its resting place Saturday. The big truck, traveling north, skidded on U.S. 11 in downtown Loudon about 11:15 a.m., flipped around and plunged off the highway into the old Rideout Market, now a residence, heavily damaging the house, the sidewalk, several parking meters and a guard rail. No one was injured. The truck belongs to Bailey Brothers Lumber Company of Wadley, Ala.

Loudon County Herald for and about Women

Murr-Steele Vows Scheduled

Mr. and Mrs. Aubrey L. Murr of Greenback announce the engagement of their daughter, Sarah Elizabeth, to David S. Steele, son of Mr. and Mrs. H.F. Steele, Jr. also of Greenback.

Grandparents of the bride-elect are Mr. and Mrs. John Blankenship of Maryville, and Mrs. Roy Murr and the late Mr. Murr of Greenback. Grandparents of the groom-to-be are the late Mr. and Mrs. Parlin Skoem of Maryville and the late Mr. and Mrs. H. Foust Steele of Greenback.

Miss Murr attends Hiwassee College in Madisonville. Mr. Steele attended UT and is now employed as an assistant manager by Hardees of Knoxville.

The couple will pledge vows October 26 at 7 p.m., at Oakland Methodist Church in Greenback.

All relatives and friends are invited to attend the wedding ceremony and reception following at the church.

The "Doc" Whites Wed 50 Years

Mr. and Mrs. J. E. "Doc" White will observe their 50th Wedding Anniversary on Sunday, October 6. Their children will host an Open House at the Loudon VFW Club from 2 to 3 p.m. No invitations are being sent. All friends and relatives are invited to attend.

The Whites were married on October 5, 1924. They are the parents of two children, Mrs. Joyce Hutton, Loudon and Tom White, Old Hickory. They have five grandchildren.

Watson will also observe her birthday on the same date. While in Loudon the Robert Horners will also be visiting his brother and family Rev. and Mrs. W. H. Horner.

and son, John Edward of Maryville, Mr. and Mrs. Bobby Guider and daughters, Jamie Lynn and Missey of Douglasville, Ga.; Harold Cole and son of Athens, Mr. and Mrs. Richard Kinser, Michael and Shannon and Mr. and Mrs. Gerald Cole, Stacy, Gerald and Lea Ann, all of Loudon.

Fred Atkins of Loudon held a reunion at his home on August 31. All seven of his children were present for the event, the first time they had all been together in nine years. Those attending, along with their families, were Mrs. Freida Rickett of Greeneville; Larry Atkins, Gladys Melton, Ann Franklin, Ethel Done and Carolyn Harold, all of Indiana and Ruby Smallies of Loudon.

Mrs. Della Goodman spent the weekend with Mr. and Mrs. Jim Willis in Maryville.

Mr. and Mrs. Rex K. Burnett, Sr., and sons Terry, Lynn and Kim entertained with a birthday party honoring Mrs. Burnett's aunt, Mrs. Maggie Rickett of Greeneville on Sunday, September 22. Those present to help her celebrate her 93rd birthday were Mr. and Mrs. Elliott Thacker, Washington, D.C.; Mrs. George Collins and son, Ricky; Mrs. Richard Rohr and children, Julie, and Brooke; Alan and Doug Collins; Mr. and Mrs. Kenneth L. Nease, all of Greeneville; Mr. and Mrs. Hugh F. LaRue, Jr., of Knoxville; Mr. and Mrs. Ralph LaRue, Chattanooga; Teresa LaRue and Lucy Wilson of Tenn. Rev. in Cookeville; Mrs. Louis Owen of Nashville; Bill Owen of Knoxville; Mr. and Mrs. Kyle Burnett and daughters, Royal and Brandy of Concord.

Nancy Brooks To Wed Ray Petty

Mr. and Mrs. C. F. "Buddy" Brooks of Greenback announce the engagement and forthcoming marriage of their daughter, Nancy, to Ray Petty of Lenoir City.

Ray is the son of the Rev. and Mrs. Sam Petty of Lenoir City. Grandparents of the bride-elect are Mr. and Mrs. Lee Brooks of Greenback and the late Mr. and Mrs. Hugh McNeely of Greenback.

The grandparents of the prospective groom are the late Mr. and Mrs. Jimmy Dyer and the late Mr. and Mrs. James Petty.

Nancy is a graduate of the University of Tennessee with a degree in journalism. Ray completed two years at Cleveland State Community College, majoring in law enforcement.

The wedding is set for 7:30 p.m. on October 10 at Oakland United Methodist Church in Greenback.

All friends and relatives of the couple are invited to attend the wedding and the reception immediately following in the church fellowship hall.

Personal Mention

MRS. ERNIE LUNSFORD
Phone 458-2681

Mr. and Mrs. Samuel S. Taylor left Monday to return to their home in Washington after several weeks visit here with his mother, Mrs. Charles Taylor, also his sister, Mrs. Paul Arp and Mr. Arp. Mrs. Minnie Kirkland and son Charles and grandson Henry Chambers were honored with a birthday dinner Sept. 15th at the home of Mr. and Mrs. Ray Giles at Riceville. Guests included Mr. and Mrs. Larry Hooker and family, Mr. and Mrs. Charles Kirkland, Sharon Chambers, Joe Mike Hodge, Sandy Giles, Greg Nunley Marty Giles, Mr. and Mrs. Maynard Thompson.

Mr. and Mrs. G. W. Henley entertained with a Bon Voyage dinner at their home Tuesday Sept. 17 for Dr. Linda Pritchard of Penn. and Oak Ridge who will be leaving for France this month to study for a year. Others invited were Dr. Charles and Joan Goodman, Dr. and Mrs. Dave Doherty, Dr. and Mrs. T. H. Smith, Mr. and Mrs. Thomas McKinley, Miss Peggy Turner, Dr. and Mrs. C. C. Condon all of Oak Ridge, Mr. and Mrs. R. T. Young of Clinton, and Mrs. Charles Shipeck of Knoxville.

Nobels Roy Bowen and G. W. Henley attended the Fish Bowl game in Portsmouth, Va.

Mr. and Mrs. G. W. Henley had as over night guest Mr. and Mrs. Mozell Taylor and son of Dayton, Ohio.

Mr. Roy L. Bowen and G. W. Henley were dinner guests of Mr. and Mrs. Clarence McAden of Greenboro, N.C. Mr. and Mrs. Dave Bradshaw and grandson Rocky Thompson of Sweetwater, visited Sunday with Mr. and Mrs. Jim Green.

Mr. and Mrs. Rollin Bradshaw and son Buddy

Jeff and Jennifer Hickey of Sevierville spent the weekend with their grandparents, Mr. and Mrs. "Shorty" McJunkins.

Mr. and Mrs. Roy Matney have returned home after a visit with his sister, Mrs. Garcie Wells in Blacksburg, Va.

Mr. and Mrs. Ralph Ferguson of Oak Ridge were guests Sunday of Mr. and Mrs. Robert McCarroll.

Mr. and Mrs. Bill White and daughter Susan of Oliver Springs and Mrs. Whites mother, Mrs. Janie Bridges of Hartman visited Sunday with Mr. and Mrs. Alfred Bledsoe.

Miss Joan Morton was the weekend guest of Dr. and Mrs. Haskell McCollum and daughter Linda in Greeneville.

Mr. and Mrs. Roy Miller of Alcoa visited Sunday with his

sisters, Mrs. R. A. Lawson Sr. Mrs. Jimmy Burnette and Mr. Burnette.

Harper-Morton Nuptials

New Providence Baptist Church was the setting for the wedding of Miss Carolyn Faye Harper and Jacky Charles Morton on Friday, August 30 at 7:30 p.m. Rev. Troy Coody performed the double ring ceremony before an altar decorated with four candelabra centered with an arch candleabra.

Mrs. Debbie Jones, organist and Brenda Thomas, vocalist presented the nuptial music. Special selections were "If I Give My Heart to You," "The Wedding Prayer," "A Time For Us," "Color My World" and "Wherever Thou Goest."

The bride, given in marriage by her father, wore a full length white gown covered with lace and embroidery of pearls. Her veil was edged in lace attached to a cap of lace and pearls. She carried a bouquet of white sweetheart roses sprinkled with baby's breath centered with a white orchid.

Maid of Honor was Claudia DiBona of Nashville. Bridesmaids were Elaine Harper, Sue Campbell, Jamie Shaver and Mary Harrison, all of Lenoir City. Flower girl was Miss Sarah Woods. They wore empire style dresses of light blue with white daisies. They carried yellow vases with gold and blue ribbons.

Ray Kinser of Lenoir City was best man. Groomsman were Phil Morton of Friendsville, Bill Harper of Loudon, Don Campbell, Lenoir, and Winston Vaughn of Chattanooga. Sean Harper, nephew of bride, was ring bearer.

A reception was given by the bride's parents following the ceremony. Those assisting with serving were Kathy Vaughn, Jackie Peters, Karen Morton and Priscilla Morton. Following a wedding trip to the Nashville and Kentucky the couple are making their home on Hotchkiss Valley Road.

The bride, a graduate of Lenoir City High School, is employed at East Tennessee Rehabilitation Center in Knoxville.

The groom is also a graduate of Lenoir City High School and is employed by TVA.

Out of town guests were Mrs. Maude Hembree of Sparta, Mr. and Mrs. Charles Hembree, Sparta and Mr. and Mrs. Bruno DiBona of Nashville.

Mrs. Browder Is Garden Club Hostess

The Loudon Garden Club met September 10 at the Bank of Loudon County with Mrs. Lillian Browder as hostess. Charlie McCall, guest speaker, used as his topic "Community Beautification Service."

Mrs. Glenda Arp presented devotions after which the club's new member, Mrs. Faye Randolph, was recognized. Mrs. Alma Hoberson attended the meeting as a special guest.

Blue ribbon winners for the month were Mrs. Marita George, Mrs. Mary George, Mrs. Mary Johnson, Mrs. Violet Holt and Mrs. Eileen Howard.

The Tribe Speaks

BY LOUDON HIGH SCHOOL JOURNALISM CLASS

David Kincaid, & Joel McGinails

We elected class officers last week. They are as follows: Senior Class - President: Paul Givens, V. President: Margie Brannam, Secretary: Rebecca Blankenship, Treasurer: Cindy Allmon, Junior Class - President: Steve Hill, V. President: Kay Stevens, Secretary: Janet Keaton, Treasurer: David Grisson, Sophomore Class - President: Sam Giles, V. President: Bernadette Locke, Secretary: Lynette Lynn, Treasurer: Lee Ann Chubaz. The Freshmen Class officers are to be elected after the first nine weeks of school.

The Student Council has decided to change the way of nominating the Homecoming

Queen. The Senior Class will make nominations of the Queens and the whole student body will elect the girl to be Homecoming Queen. The Homecoming game is to be October 18 with Harriman.

On Friday 20, the first Chieftain was published. The Chieftain staff thought that the paper was outstanding for the first edition.

We are receiving two new exchange students this year. Gemma Magaly Serna and Carla Thomsen are both from Mexico. They arrived at Loudon on Tuesday 24th, and will complete the full school year with us. We hope that they will have a successful school year at Loudon High School.

and durability for almost 200 years. Our founding fathers had the wisdom and convictions to establish this nation on sound principles. The American people of today and our present leaders will have to show similar qualities in order to hold and preserve the strength of the nation.

This program was especially relevant because September is Constitution Month, and the DAR sponsors the observance of Constitution Week, September 17-23.

DAR Dinner Meeting Held

A dinner at Pete Smith's Restaurant at Watts Bar Lake on September 12 marked the first full meeting of the DAR. Mrs. John E. James, presiding for the first term as regent, welcomed all the members and their guests.

The high point of the evening was Mrs. Wiley Zimmerman's program, "The Rediscovery of America." Mrs. Zimmerman combined two subjects, our Constitution and the bi-centennial to emphasize the fact that the Constitution has stood the tests and increased in strength

Singing Slated

A special singing will be held Saturday, September 28 at 7:30 p.m. at Vaughn's Chapel Church, Lenoir City. Everyone is invited to attend.

Bonnie Talk

BONNIE SHEELEY
Assistant Extension Agent
Agricultural Extension Service
The University of Tennessee

Bread always tastes best right out of the oven - yours or the baker's. The fragrance lingers in the air. Unlike foods which improve with age, the freshest bread is always best.

How fresh a loaf will remain depends on how the bread is handled and stored. Bread and rolls should be stored in a clean, dry place at room temperature away from any source of heat - preferably in a well-ventilated bread box or drawer.

Clean the storage container once a week, using a soda water solution rather than soap to prevent the transfer of soap odor to the bread. Dry the box thoroughly before replacing the bread.

Tests show that refrigerator storage hastens the staling of bread products, but at the same time it retards any tendency to mold - particularly during hot humid weather.

But freezing preserves the freshness of breads. Frozen breads thaw fairly quickly depending upon their porosity, overall size and filling. Breads should remain wrapped during thawing to prevent condensation of moisture on the surface.

Try this delicious recipe for Corn Light Bread. It is a favorite recipe of the Ben Powell Family of Concord. Mr. Powell is an Associate Professor in the State 4-H Department of the Agriculture Extension Service.

CORN LIGHT BREAD

3 cups buttermilk
1 cup sugar
1 teaspoon soda
1 teaspoon salt

3 cups plain meal
1 cup plain flour
1 cup liquid shortening

Mix all ingredients. Bake in a 400 degree oven for 1 hour. Use a stem pan or two loaf pans.

TRIP TO CRAFTSMAN'S FAIR OCTOBER 15

A chartered bus will be taking Home Demonstration Club women to the Craftsman's Fair on October 15. There may be some extra seats at \$4.30. If you are interested in attending, please call the Agriculture Extension Service Office and leave your name (458-3671). Forward your check to me by October 10.

Band Booster Chili Supper

A chili supper, sponsored by the Band Booster Club, will be held at the Lenoir City High School Cafeteria Oct. 4, the evening of the Homecoming game against Cleveland.

Serving hours will be 5 to 8 p.m. Homemade soup will also be served.

Tickets are \$1.50 and 75 cents for pre-school children and can be purchased from any band student.

Proceeds will be used for various band activities.

Christopher Steven Bright celebrated his second birthday September 22. He is the son of Mr. and Mrs. Steve Bright, Loudon. Grandparents are Mr. and Mrs. W. L. Bright, Jr., Jr. Mrs. Jean Locke and W. B. Locke.

Red Cross Annual Meeting

The annual meeting of the Loudon County Chapter American Red Cross will be held Thursday night, October 3 at Lenoir City Utilities Building, 7:30 p.m. First Aid, water safety and youth volunteers will be presented awards at this time. This is an open meeting.

Mrs. Arnwine Is Delegate

Mrs. Edna J. Arnwine of Loudon recently attended a seven day meeting of the Sigma Gamma Rho Sorority National 35th Boale in Los Angeles, California. She was a delegate of her chapter Gamma Eta Sigma. She is the Basileus of the Sorority in Knoxville.

Following her stay in California, Mrs. Arnwine flew to Philadelphia, Pa. for the annual meeting of Ancient Egyptian Arabic Order Nobles and Daughters of the Mystic Shrine. She represents Almas Court No. 137 of Alcoa as the Illustrious Commandress of the Daughter of Isis.

Mrs. Arnwine was met in Pennsylvania by Mr. and Mrs. W. W. Henley, Mrs. Elizabeth DeArmond and Roy Henley, all of Loudon and Mrs. Louise O. Bowen, Mr. and Mrs. Robert Huff and Mrs. Leora

FIRST AID COURSE-Pictured are ladies who are attending a Red Cross First Aid Course at the Bank of Loudon County for the purpose of working in the First Aid Clinic at Loudon Grammar School. Mrs. Ann Vondy of Lenoir City is the instructor. Those attending the classes are Pat Littleton, Nancy Richison, Dean Sheppard, Betty Galyon, Linda Watson, Deloris Thompson, Mary Edmonds, Aimee Parks, Annis Wilson, Ruth Bright, Alleen Longmire, Barbara Bolt, Frankie Lankford, Sue Oody, Eva Nicholson, Sara Arnold, Billy Jean Morris, Minnie Townson and Ann Jordan.

Philadelphia Personal News

The Philadelphia Cemetery Committee says thank you, to everyone who contributed to our ham supper by donation, help and attendance.

The Joy Club met last Tuesday at the United Methodist Church for a overnight dish lunch. Mr. Dow Biggin, the field representative with the Social Security in Knoxville, was the speaker.

Mrs. Jessie Mashburn of Ducktown was the guest last week of her son, Mr. Wayne Mashburn and Mrs. Mashburn.

Mrs. E.W. Waller Jr., Mrs. E.W. Waller Sr. with Mrs. Jim Dowell and daughter, Debbie of Nashville to attend this meeting. Following the meeting they all attended a family reunion which included three generations of the Wilson family.

Randle and Mr. and Mrs. Ed Waller and son Matt of Loudon, attended the christening Sunday, of Julie Catherine Kline, five month old daughter of Mr. and Mrs. Lowry Kline of Lookout Mt.

Mrs. Boyd Duckworth came to Knoxville Sunday from Ft. Sanders Hospital after being a patient there for several days.

Mrs. Otha Cantrell from Clinton were the guests last Tuesday of Mr. and Mrs. Clarence Wallace.

Mrs. Richard Everett and daughter, Beth and Mrs. Alice Duke from Reidsville, N.C.

SEPTEMBER 26 1974

Medic Starts Blood Program Member Drive

Loudon County will probably escape the blood shortage hitting the rest of the country because so many people in the area belong to

Medic. This observation comes from Dr. Carl Nelson, founder and board chairman of the volunteer blood program whose members give blood to each other as it is

needed. Here since 1958, Medic now has over 38,000 members, with coverage extending to approximately 150,000 people.

"Members give blood free and get blood free," he says. "They or their families will never be caught short, no matter how scarce the supply gets." Dr. Nelson says the shortage is the reason Medic is redoubling efforts to recruit members. "We want to do all we can to keep the supply up and the price down," he says.

A check with hospitals in the area shows that the cost of blood per pint, already is around \$45 to those who have to pay for it. In some places the price has reached \$75 per pint.

One reason blood is in such short supply is that only 3 percent of the people eligible to donate do so on a regular basis. Dr. Nelson says that a lot of people will rush to help if there is a sudden emergency, an automobile wreck with a relative or friend hemorrhaging badly, or a major disaster with a lot of people hurt and needing great quantities of blood in a hurry.

"But there is very little awareness of or response to the ordinary day to day needs of all those people we have never heard of," he says. "The strangers who have the accidents that never seem to happen to us or the blood diseases that require so many pints day after day. And all the illnesses that use up so much

blood or plasma." The increase in the use of blood to treat these illnesses is a second reason that blood is in such short supply, according to Dr. Nelson. He points out that there is a need for more blood to save lives because there are more lives to save and more ways to save them. "Physicians are having greater success than could have been imagined a few short years ago and this takes blood," he says.

Dr. Nelson concedes that volunteer blood programs may not be the complete answer to blood shortages, but he believes that Medic has been a big factor in preventing

shortages in this area. He says that in its almost 16 years of existence, it has never failed to meet a need for blood. Protection, as well as membership, is on a year to year basis. Members promise to donate a pint of blood a year if it is needed.

Because Medic is a non-profit organization, there is a \$1 sign-up fee and \$2 per year dues to cover administrative costs. Non-donor members (those who cannot meet age or health requirements) pay a \$7 yearly fee as well.

The current Medic Membership Drive is sponsored by the Loudon County Memorial Hospital.

CHECKING TAPES—Chief Deputy Luke Bright (right) and Joe Sims are shown checking a truck load of stereo tapes they confiscated Thursday from Paul Clifford Salyer (center). Salyer was charged with selling counterfeit tapes at a local grocery store. In all 1116 tapes were confiscated, but not all were bogus, the deputies said.

60 For 73 Car Trade Goes Sour

A young Loudon man traded his old 1960 Falcon for a 1973 Chrysler—seven-last week and thought he got the deal of a lifetime.

Apparently the man began to think something was fishy and reported the trade to County Sheriff's Department dispatcher Bill Mills. Sure enough the trade went sour. Mills checked with the National Crime Information Center and there was no report of the car being stolen, but later some insurance papers turned up which

contained the name of a Newbern, N.C. man. Mills checked with Newbern police and the car had been stolen about a month ago.

Officers checked further and found out that the man who allegedly sold the car to the Loudon man was in Boone County, J.C. Sands of Paint Rock, was arrested and charged with receiving and concealing stolen property. The Falcon was recovered also and was to be returned to its owner, John Perkins of Loudon.

STOLEN CAR RECOVERED—Loudon County Deputy Bill Mills checks a 1973 Chrysler recovered in Loudon last week. The car had been stolen in North Carolina, brought to Loudon and swapped for a 1960 Falcon.

Deputies Nab More Bogus Tapes

For the second time in less than a month Loudon County authorities have made an arrest in connection with illegal stereo tape traffic in the county. Thursday afternoon Sheriff Guy Russell, Chief Deputy Luke Bright and Juvenile Officer Joe Sims arrested a Bristol, Va., man and confiscated 1116 tapes. The man arrested was identified as Paul Clifford Salyer, 29, of Bristol, Virginia. Salyer said he was employed by Log Cabin Music Company of Meadowview, Va. Salyer was seen making a

sale of 24 tapes to Lee Heights Grocery near Lenoir City. After the store owners had given the man a check they moved in for the arrest. The 1116 tapes were found in a van driven by the defendant. Chief Deputy Bright said that many of the tapes were legitimate, but several hundred violated the copyright codes of the State of Tennessee under which the man was charged.

Salyer posted a \$3500 bond and will appear in General Sessions Court Friday for preliminary hearing.

Grand Jury Dismisses Strike Related Cases

(Continued from Page 1)

assault. Gary W. Packett and Jerry Littleton, receiving and concealing and disposing of stolen property; Clifford Stamey, felonious assault with intent to murder; David Turner, felonious assault; Jerry McDonald and Mike Wallace, larceny of an auto; Glen McClure, disorderly conduct; Harrison D. Jenkins, Don Proops and Jerry Jackson Headrick, burglary; Don Proops, receiving and concealing stolen property; Harrison D. Jenkins, receiving and concealing stolen property; Mark B. Hill, forging and passing a forged instrument and forgery; Frank D. Jones, and Janice S. Jones, violation of Tennessee Code Annotated 39-4216 and 40 (counterfeit stereo tapes); Mike Malone, Jimmy Hicks, Ectis L. Lawson and Robert Scott Clark, contributing to the delinquency of a minor, Alvin Bart (Skipper), Barron, breaking jail while awaiting trial for a felony. Not True Bills were

returned in favor of Humph Skidmore and Billy Moses, larceny of clothes; Jack Hill, felonious assault with intent to commit murder; Charlie Jenkins, breaking and entering; Robert McNabb, receiving and concealing; Steve Everett, receiving and concealing; Gene Craig, contributing to the delinquency of a minor.

Jury trials on cases bound for trial and carried over from previous sessions began before Judge Lloyd McClure Monday.

In cases heard Monday, David Sarten entered a plea of guilty to a larceny indictment and was sentenced to 30 days in jail. The sentenced is to be served during 15 weekends.

Kyle Ward entered a plea of guilty to a receiving and concealing stolen property indictment. He drew a six month jail sentence. Ward is expected to file for probation. In a jury trial B. R. Russell received a six month sentence for receiving and concealing stolen property.

You can bank 100 pennies or \$100,000 with the Hamiltons.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. If you've got a minute, we'd like to talk to you about savings. A regular passbook account is best for you, if you need to make frequent deposits and withdrawals. And we pay high interest. If you can put some money away for awhile

and forget it, you'll get higher interest rates. We pay up to 7 1/4% a year on \$1000 or more, deposited for a period of 4 years.

We'll sit down with you and figure out which savings plan fits your income and your special goals. Once you get started, it's easier than you think.

If it's a question of savings, ask the Hamiltons.

Tellico Water System Tap Fee To Increase To \$250

It is anticipated that as early as November tap fees for the Tellico Area Services System water will increase from the present \$150 to \$250, according to Harry Smith, TVA's technical advisor to TASS.

Applications for taps at the low initial rates are now being taken at Hall Supply in Vonore and at Greenback Drug Store, Residents of Monroe, and Loudon counties are encouraged to apply for taps now, since there will be a substantial increase in the cost of taps in the near future.

Loudon county officials realized the need to provide some sort of central water system which could handle the expected acceleration in residential, commercial, and industrial development in Monroe and Loudon counties; TVA's Tellico Dam Project; and the anticipated needs of the Timberlake New Town.

It's not wise to heat Mother Nature

A lot of homeowners seem to be trying to keep Mother Nature warm. They pay to heat their homes, then let all the warmth escape to the outdoors. That's not wise.

Mother Nature doesn't need your heat. And you don't need the high electric bills that result from such a waste of electric heat.

What you need is a winterized home.

One that's fully insulated, one where the windows have been caulked, the outside doors have been weatherstripped, and storm doors and windows have been installed. Winterized. Heat inside. Mother Nature outside. The way it should be.

For more ways to keep heat in, cold out, ask for your free copy of our "Conserve Energy" booklet.

LOUDON UTILITIES

Five Injured In Wreck Saturday

FIVE INJURED—Five persons were injured in this car, two hospitalized, when the car collided with a tractor-trailer truck on I-75 Saturday morning.

Five persons were injured in a car-truck accident on rain-slick I-75 near the I-68 interchange about 12:40 a.m. Saturday.

State Trooper Joe Littleton said a car driven by Hughie J. Hughes, 22, Edna, Kentucky, apparently skidded on the wet highway, hit a guard rail and slid across the highway into the path of a Roadway Freight Lines truck driven by Marlin Roark, 35 of Talbot, Tenn. Both vehicles were traveling South.

Mr. Hughes' mother, Anna Mae Hughes, 64, of Edna, sustained two broken collar bones in the accident. A sister, Margaret Rogers, 24, of Dalton, Ga., suffered a back injury. Both were transferred to a Dalton Hospital from Loudon Saturday. Others in the car were Penny Rogers, 7, and Eugene Rogers, 9. They had minor injuries.

Women-Patience-Football

By Calvin Lunsford
There was a time in the distant past when a woman could exercise a woman's lib anytime she wanted to except Saturday afternoon during the rattle and roar of the pigskin parade. Football, football, autumn madness has taken over her once peaceful castle and has made a silent, romanceless jerk out of her six day considerate husband.

But alas, my dear ladies, more came and only Heaven knows where it will stop. Sunday afternoon, Monday night, more leagues formed and now someone is predicting a network that will broadcast sports 24 hours a day. Maybe this is what prompted women's lib movement. If daddy watches sports everyday in the week, mama better be prepared to earn the money for the popcorn.

But ye old enloured arm chair quarterback, take heed. The current football talk books may hold the answer to getting mama interested in the boob tubes male hypnosis.

For instance, the girls might glean knowledge from these bits of information or miss-information about the game. ANNOUNCER—these tend to come in threes. One tells

you what is happening; another, the cute one, tells you what you saw; and the third one, the smart alec, tells you why you saw it. Sometimes the first one can be helpful.

COACH—The man who teaches the players how to hurt the other players more than themselves and convince them that it is manly.

DRAWPLAY—When a player is a little woozy and cannot remember what he is supposed to do. The coach draws him a diagram of the play, showing him what to do.

EAT THE BALL—Seldom needed nowadays with the money players are paid.

RED DOG—The dog that runs on the field at half time and is chased by officials. May also be white or spotted.

INSTANT REPLAY—Replay of a T.V. tape showing that the announcer made a mistake about who was carrying the ball and who made the tackle.

REST PERIOD—Also known as time out. This gives you one minute to go the bathroom.

RUNNING BACK—Returning from the bathroom when the whistle sounds signaling the end of the commercial.

PLAY—Action between the commercials. A play consists of the quarterback throwing

the ball and eleven other men throwing the quarterback. If he lives for three plays another man kicks the ball. A play may also consist of a man running with the ball but this is considered dull. One play is enormously like the next.

SPREAD FORMATION—Girls, dressed in little clothing, forming a circle and kicking their legs around.

Very monotonous and sometimes broken up by camera shots of girls in the stands, giggling, looking self-conscious or weeping with boys.

THE MESSAGE—The reason for the game. A COMMERCIAL—a word from the sponsors, the time when the announcer is cut off in the middle of a sentence and a person starts advertising hair cream. If the hair falls luxuriously to the shoulders and has beautiful body, the person is a man. Also a time to watch Joe Namath shave. If that tugs you on.

If the girls who form the panty hose platoon are unable to understand this lingo or that of the course talking sport-coated sports announcer, our suggestion girls, would be turn off the sound and watch the game.

CHEVROLET FOR 1975. CARS THAT MAKE SENSE FOR TODAY.

Nova LN Sedan

Monza 2+2

MONZA 2+2 The small car of tomorrow will probably be a little more powerful, handy and comfortable than ever. The 1975 Monza 2+2, shown above, offers this today. It has advances like rectangular headlights set in a soft front end, fold-down rear seat, and a new 4.3-liter V8 engine available.

CAMARO Our sensibly sporty compact. It looks like a million and drives like it looks.

IMPALA America's favorite car continues to provide the room many families need plus plenty of quiet and comfort. Still the great American value.

WAGONS Big ones, small ones, in-between ones. Practical wagons that make sense for America. And you.

CHEVELLE Mid-size, easy to drive, room for six, mid-priced, strong reputation for value. America's most popular intermediate.

MONTE CARLO Its special ability: making you feel good. About the way it looks and drives. About your own taste and judgment.

CHEVROLET'S NEW EFFICIENCY SYSTEM FOR 1975 is the key part of a program aimed at helping our new cars run leaner (more economically), run cleaner—and save you money every mile.

The Efficiency System is standard on all 1975 Chevrolets with V8 or 6-cylinder engines. It's a series of significant engineering improvements working together for the very first time.

Components include High Energy Ignition, catalytic converter, Early Fuel Evaporation and steel-belted radial ply tires. In sum, the System is designed to lighten the pleasure and lower the cost of driving a 1975 Chevrolet—to bring you a better running car in many ways, along with improved fuel economy, more miles between recommended maintenance and an engine that stays cleaner internally because of no-lead fuel.

Your Chevrolet dealer will gladly give you the details and answer your questions. See him and the sensible 1975 Chevrolets starting September 27.

CHEVROLET MAKES SENSE FOR AMERICA

TRUCK OVERTURNS, BURNS—Franklin Brown, 32, of Bossi, La., was admitted to Park West Hospital with a broken leg and multiple cuts when he was thrown through the windshield of his tractor-trailer truck when it overturned and burst into flames Thursday. The accident occurred about 10:20 a.m. on U.S. 11 about three miles north of Lenoir City. According to state trooper Joe Littleton the load of concrete pipe shifted when a chain broke causing the truck to overturn. Loudon County Rescue Squad firemen are shown fighting the blaze.

SEPTEMBER 26 1974

Loudon Scalps Lenoir City Footballers By 42-0 Score

By Danny Gibson

The Loudon Redskins stopped arch rival Lenoir City last Friday night in football by the score of 42-0. The setback is the fourth largest point spread in the now 46 year series.

The win was Loudon's second of the season in as many outings, while Lenoir City lost for the third time in three contests.

The Panthers battled Loudon to a scoreless first quarter only to yield under the powerful Redskin attack in the second period and throughout the second half. Loudon rolled up 530 yards of total offense as compared to 183 for the Panthers. Ten players shared the chores of tating the football for Loudon as Bert Raitledge used every available player on his squad in the game.

Loudon won the toss and elected to receive the first half kick-off. Marlon Brown moved the ball out to the Redskin 34 on a 19 yard dash only to have Lenoir City's fired up defense crack fullback John Deathridge on the opening play from scrimmage and an alert Tony Williamson pounced on a loose Loudon fumble for the Panthers.

The Panthers enjoyed their best field position of the game as the ball rested on the Loudon 35. The Panthers would cross mid-field only twice more in the game and never were they permitted

their own 38 gained 20 yards on a pass to Sam Lyle. Junior Fullback Marlon Brown rounded left end for 18 yards to close with in 25 yards of the

Lenoir City goal line.

Sophomore running back Greg Deathridge, subbing for an injured Rick Melton who did not suit up for the game, exploded through the middle of

the Loudon line. His forward progress was apparent as he stopped at the 21, but the determined sophomore kept his feet moving and refused to

go down. Deathridge, bouncing from numerous Lenoir City would-be tacklers groups was forced right, parallel to the line of scrimmage. A burst of speed and a key block by Bumper Webster at the corner got him to the 15 yard line. Deathridge again encountered Panther defensive men only to use the services of two game officials, who were only a couple of yards apart, to scoot between and he was headed for paydirt. Senior Dennis Rowe applied the final block to make sure Deathridge was safely in for the touchdown. The play was only credited for 25 yards but game films show Deathridge breaking seven tackles and juggling his leg for all of 50 yards in getting his first touchdown as a varsity performer, with 1:30 left in the first half.

Bobby Smith carried the second half kick-off back 19 yards for Lenoir City and the Panthers opened up with a wide open passing attack. Mike McConkey found the receiving hands of Steve Arnold and then turned the quarterbacking over to Benny Goley. The Panthers used a shot-gun offense with Goley at the controls. His first target was a 22 yard bullet to Mike McConkey who had moved to the flanker position on the field. Sophomore Walt Thaxton hauled in a seven yard aerial but the sudden offensive sparkle soon was extinguished by the Loudon defense and the Panthers were once again being forced to punt.

After Loudon got the ball, senior fullback Johnny Deathridge got untracked for 52 yards and Dennis Queen used the running of Marlon Brown and Percy Campbell for 25 more yards before ramming the ball into the end zone himself from two yards out to make the score 28-0 at the end of the third period.

Sam Lyle hit a lengthy 64 yard punt only to have his Lenoir City compliment, Mike McConkey to answer with a 56 yard blast of his own as the final 12 minutes of the game took shape. Loudon, with reserves filling the battle trenches and second and third team backs carrying the football, were still not to be denied by the battered Panther leggers. Dickie Colvin, Carter Cardwell, and Bumper Webster forced their way into Lenoir City territory with

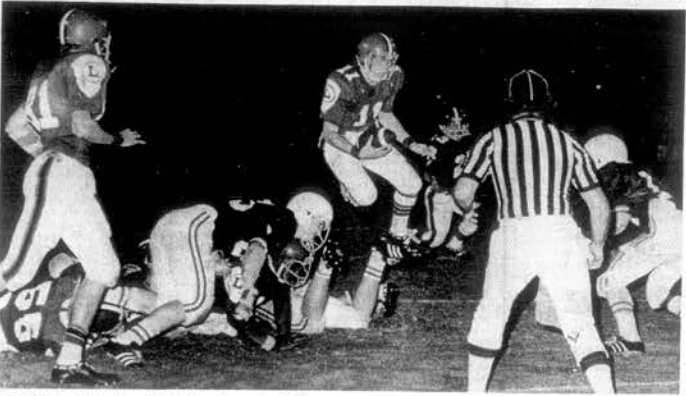

REDSKIN INJURIES—The Loudon Redskin sideline had the look of a hospital ward Friday night as first team right tackle (left to right) Rick Tucker, Floyd Morton, Rick Melton, and Loudon assistant football coach Jim Gibson's son, Mark, a Pee Wee football casualty all watch the game's "in pain" of a 42-0 thumping of Lenoir City.

LOUDON TOUCHDOWN—Loudon's senior quarterback Dennis Queen (11) rushed for three touchdowns and three for another Friday night in pacing Loudon to a 42-0 football triumph over arch rival Lenoir City. Queen and his mates rolled up 430 yards rushing and 190 yards

past the Redskin 40. Three plays lost four yards for the Panthers and the Mike McConkey, who did a tremendous job of keeping Loudon backed up with booming punts, kept the ball to give Loudon a touchback and possession at their own 20.

Loudon moved swiftly through the Lenoir City ranks as fullback Johnny Deathridge and Percy Campbell alternated running assignments to reach the Lenoir City 33 yard line. A fourth down and three situation saw Loudon go for a first down and the Lenoir City defense contained Campbell for just two yards and took over on downs. Mike Haynes, Kenny McNabb, Jeff Blakney and Curtis Monger supplied the defensive wall for the Panthers, determined fourth down effort.

Lenoir City was forced into punting, but Loudon's Buddy Swiney and Dickie Colvin were flagged for roughing the punter and Lenoir City had its first down at the Loudon 46. The Panthers drove to the Redskin 40 behind the aid of Walt Thaxton and Bobby Smith, only to be forced to punt again into the Loudon end zone.

GB, LC on Road, 'Skins To Host Knoxville Karns In Friday Night Football Action

The Loudon Redskins will be at home for the third week in a row this Friday night when Knoxville Karns, led by fourth down and three situation saw Loudon go for a first down and the Lenoir City defense contained Campbell for just two yards and took over on downs. Mike Haynes, Kenny McNabb, Jeff Blakney and Curtis Monger supplied the defensive wall for the Panthers, determined fourth down effort.

Lenoir City was forced into punting, but Loudon's Buddy Swiney and Dickie Colvin were flagged for roughing the punter and Lenoir City had its first down at the Loudon 46. The Panthers drove to the Redskin 40 behind the aid of Walt Thaxton and Bobby Smith, only to be forced to punt again into the Loudon end zone.

Loudon High School Principal Jim Gibson urges all students who plan to attend the Loudon-Knoxville Karns game Friday night to buy their tickets in advance. The general gate admission is \$2.00 per person while students may purchase tickets for \$1.00 in advance at the high school, junior high elementary schools, or the drug stores in Loudon.

Loudon football assistant coach Joe Mike Watkins, lines

up as the opposing challenger. The Redskins lost to the Beavers last fall in a clutch pivotal contest that prevented the Redskins from figuring into the Region Two play-off berth. The loss, prompted by Loudon fumbles and mistakes, seemed to have a definite mental effect on the 1973 Redskin team the remainder of the season as Loudon finished 5-5 for the year.

The Redskins are once more flying high with two wins to their credit, and a showdown date with the Region Two co-leader McMinn Central just a week away. But the Beavers were unbeaten until last Friday night when a strong Knoxville Farragut eleven

knocked them from the undefeated ranks with a 19-7 win. Karns will be out to get back on the winning trail and keep Coach Watkins' record clean against his old buddies come Friday night. And the Redskins could possibly be in serious trouble if they are looking ahead, otherwise they will be picked as the pre-game favorite.

Senior flanker Rick Tucker and junior speedster Rick Melton, both were out of the Lenoir City game with knee bruises, are expected to be back in uniform. Game time is scheduled for a 6 p.m. kickoff. Lenoir City, loser of three straight and only one touchdown to their credit thus far,

must travel to Knoxville Webb and do battle with one of the top high school quarterbacks in the state this fall, Bill Arbo. The Panthers need a win under their belts had to regain some confidence they have now tarnished by Region Two king-pins McMinn Central and Loudon. Coach Henry Blackburn and his team are not counting them selves out of the season after just three games and four quarters of sound football Friday night could very well do the trick.

The Panthers are due some breaks and the team appears to be about as physically ready and capable as one could ask of a team certain to explode for some touchdowns sooner or later.

Loudon fumbled on first down and Dennis Queen regained the pigskin at the Loudon 15. Senior fullback Deathridge charged through right tackle for nine yards and on third down Queen hit tight end Buddy Swiney for 39 yards and a pass to move the yard sticks to the Lenoir City 10 yard line.

Queen dashed eight yards to the Lenoir City two yard marker. And with 1:56 still on the clock in the second quarter Queen hurdled his way into the end zone and a touchdown. Kenny Skinner's conversation was good.

Danny Hall galloped 21 yards on the kick-off as Lenoir City started at their 40 yard line. The Panthers were checked by the defensive play of the Loudon team and McConkey drove a punt to the Loudon three yard line for a 56 yard punt.

Loudon, with their backs to the goal line, proved their offense could get the job done when necessary. The Redskins marched 97 yards in 10 plays using just four minutes and 40 seconds off the clock to take a 14-0 lead.

The Redskins got 18 yards from John Deathridge, six yards each from Queen and Campbell, and 30 yards from Greg Deathridge on the long drive. Sam Lyle rambled 33 yards on an end-around maneuver and later took a 14 yard pass from Dennis Queen to tally the touchdowns in the well engineered scoring march. Kenny Skinner's extra point boot was good.

Lenoir City had the ball for but three offensive tries before having to punt once more. Loudon moving from

Colvin, Deathridge, Webster Lead Loudon JV's To 24-0 Win

The Loudon Junior Varsity football team traveled to Lenoir City Monday night in the closing act of a five day Loudon-Lenoir City football visitation that started with freshmen on Thursday night, varsity play on Friday, Pee Wee action Saturday night, a day of rest on Sunday, and moved to the pigskin wars on Monday evening.

Loudon's JV team, behind the field leadership of Carter Cardwell, rolled to 24-0 victory. Greg Deathridge, Dickie Colvin, Percy Campbell, and Bumper Webster moved the yard sticks for the Redskins. While Walt Thaxton, Danny Hall, Steve Porter and quarterback Benny Goley provided the opposing force for Lenoir

City's Junior Varsity. Bill Kolbeck, Steve Hill, Mike Lambert, Tim Murrell, Kenny Starritt, Junior Rollen, Roy Hughes, Sam Thearp, and Steve Lyle led the Panthers at bay the entire evening on defense.

Loudon's JV touchdown came on an 11 yard drive that covered 79 yards. Greg Deathridge scampered into the end zone from 12 yards out.

The score stood 7-0 throughout the first half. In the third period fullback Dickie Colvin plunged into the Lenoir City end zone completing a 60 yard dash from scrimmage. Bumper Webster rounded out the touchdown scoring on a five yard slant in the fourth quarter. Deathridge

and Colvin ran for the extra points following the TD's. Colvin being called on twice.

Baseball Uniforms Needed

Loudon Recreation Director Bill Birkholz this week urged the managers for all the city sponsored youth baseball teams to collect the uniforms from their teams and turn them in at the city hall. He urged that this be done this week.

The Cherokees have added a new player to their roster, sophomore Gary Roach. Roach is a transfer from Lenoir City, where he was a member of the Panthers football team. Gary's parents have moved to the Greenback community, thus resulting in the uniform change. Roach will be eligible for immediate playing duty and it may be none too soon for Coach Keith Bailey. The Cherokees are expected to be minus the play of key receiver, punter, and defensive safety Harold Hawkins for the Porter game. Roach has a kidney brace and Roach could very well be his replacement. Game time is 7:30.

RACES FOR PAYDIRT—Loudon's Dickie Colvin races for the end zone and a Loudon touchdown in the Redskins 24-0 Junior Varsity football victory over Lenoir City Monday night.

Herald Cameras View Loudon-LC Football Clash

LOUDON'S JOHNNY DEATHRIDGE got the second half started for the Redskins with a 52 yard dash from scrimmage. The senior fullback had 119 yards on the ground in nine carries.

LOUDON TIGHT END Sam Lyle (86) stretches his legs in a 33 yard scamper on an end around play that moved the football into Lenoir City territory. Panthers Walt Thaxton (34) and Mike McConkey (12) prepare to run Lyle out of bounds.

FANCY STEPPING Porkey Campbell (23) tip toes his way free of Lenoir City lineman Mike Hayes (right) in a first down dash for the Redskins. Campbell carried the ball 12 times in the game.

LENOIR CITY'S Walt Thaxton looks for running room as he circles right end behind the blocking of Jeff Walker (55). Would-be tacklers for Loudon are Bill Joe Presley (71), Kenny Skinner (63), and Carter Cardwell (10).

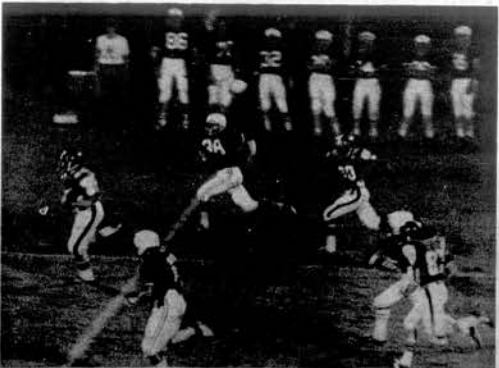

LOUDON RUNNING back Marlon Brown (32) follows the blocking of big Mike Yates on Lenoir City's Steve Arnold to gain extra running room. Brown legged the football 53 yards on eight carries in the 42-0 Loudon win.

LENOIR CITY'S Steve Arnold (88) who played a standout game for the Panthers Friday night lets a Mike McConkey pass elude his arms as Loudon's Kenny Starritt defends on the pass play.

LENOIR CITY'S Danny Hall (22) finds the running tough and punishing as the Loudon defense key heavily on the Panther running back. Loudon defenders from left to right Dickie Colvin, Sam Lyle on bottom of pile, and Mike Yates (72) stop Hall after a short gain.

LOUDON SENIOR tight end Buddy Swiney is off to the races after snagging a Dennis Queen pass for a 66 yard jump to the Lenoir City 10 yard line. Steve Arnold (88) and Mike McConkey (12) prevented Swiney from turning the long play into a touchdown.

Redskins Advance In AP Football Poll

Loudon continues to move in the latest Associated Press High School football poll. The Redskins, ninth a week ago, have jumped to sixth this week. Goodlettsville has taken over the top position, moving out Knoxville Rule for the class AA lead. McMinn Central is again ranked third in the poll with Hartsville and Milan in fourth and fifth place respectively.

Loudon remained in 17th position on the UPI listings, which rates all the high schools together, rather than classify them as to enrollment figures.

McMinn Central is in the UPI top 20 for the first time with a 14th place ranking.

LC PeeWees Capture Two Games From Loudon

The Loudon Pee Wees failed to equal up to their season opening play against Lenoir City Saturday night. The Pee Wees captured all three contests in the two teams first meeting, but Saturday night saw two of the Lenoir City grid squads get revenge.

The Loudon Mustangs rebounded from two straight setbacks to post a 3-0 win over the junior Panthers to start the second half of the season with a win. But their counterparts, the Loudon Grasscutters and the Loudon Midgets dropped close 8-0 decisions.

Cedar Hills Doubles Tourney Moves Into Finals

The Cedar Hills Tennis Association began a doubles tournament last weekend, pairing advanced and intermediate players on each team.

Thompson and Lindner won in straight sets, 6-3, 6-3, over Beverly Veal and Marsha Thompson. In the other bracket, Morrison and Thompson defeated Mally Thomas and Bonnie Naugher.

Gary Lindner and Danny Barnett advanced to the finals of the Men's Doubles, defeating Bill Custead and

Mike Waller, 6-4, 6-3.

They await the winner of a Mac Garbett-Jim Toon vs. Danny Hall-John Telford match.

Lindner and Barnett advanced to the finals in straight sets, winning over Steve Spears and Ron Bridgeman, 6-2, 6-2, in their opening match.

Garbett and Jim Toon won by default in their first match before defeating Les Toon and Mike Ellis in three sets, 1-6, 5-2, 6-1.

Custead and Waller won their first match, defeating Jim Burge—and Doug Naugher is on upset, 7-6, 7-6, 6-4.

Kip Hickman, one of Lenoir City's top golfers, and his partner, Bill Thomas, also fell

to Custead and Waller, 7-4, 5-7, 6-2.

In the Mixed Doubles Gary Lindner and Molly Thomas will meet Jo Ann Thompson and Doug Naugher.

Thompson and Naugher won the longest set in the mixed division, taking a three-set match over Bill Custead and Mona Thompson on a tie breaker, 9-7, 6-4, 7-6.

Tennis Association President Lindner said the growth of tennis is "so fast it is unbelievable."

"We have had four or five tournaments this summer and the response has been great. We are looking for a real tennis year in '75," he said.

ANNUAL FOOTBALL CONTEST

The Herald London County

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

***12 First Place**

***8 Second Place**

***5 Third Place**

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

ENTRIES MUST BE IN THE HERALD OFFICE BY 5 P.M. FRIDAY OR POSTMARKED BY 5 P.M. FRIDAY, IF MAILED.

Redskin Freshmen Stop Panthers 34-0

The Loudon freshman football team won its second game in as many tries Thursday night by turning back Lenoir City 34-0 in the Panther's first game of the fall.

The freshmen Redskins got two touchdowns each from running backs Mark Moore and Freddie Starritt and one from quarterback Eddie Estes in a game in which the Panthers were barreling over the young Redskins.

Loudon scored twice in the first period on Mark Moore's 10 yard run and a one yard dive by Freddie Starritt. Starritt's extra point run made the score 14-0. Moore got his second TD of the game in the second quarter on a 15 yard goal pass to make the halftime score 20-0.

Starritt and Estes each tallied in the second half. Loudon rolled up 250 yards in total offense for the game and had 21 first downs. Lenoir City had but 50 yards of total real estate and one first down, which came in the second half. Freddie Starritt led the first year Red Men with 70 yards

yards and Jim Brown added 56 of rushing. Mark Moore had 64 more. Doyle Varner stood out for the Redskins.

The Loudon freshmen will play at Alcoa this Thursday night at 7:30 p.m.

HANGS ON TIGHT—Loudon's Steve Schrimister goes up in a crowd to pull in a pass from teammate Eddie Estes in the Redskins 34-0 freshman win over Lenoir City.

CATCH THAT PASS—Loudon and Lenoir City freshman vie for the deflected pass in Thursday night's freshman game at Loudon. The pass was caught by Loudon's Moore for a first down.

the Lenoir City offense with 40 yards of rushing. Loudon's defense was anchored by B.J. Moore, Gary Brown, Steve Schrimister, Dennis Stuart, and David Black.

The Loudon freshmen will play at Alcoa this Thursday night at 7:30 p.m.

Greenback Fumble Results In 7-0 Loss

The Greenback Cherokeees are probably wondering where they went wrong this week in football drills to prepare them for their fourth straight trip of the loss. The Cherokeees football scheduled called for the Greenback graders to hit the road four straight weeks before appearing before the home folk. The Cherokeees will venture to Porter Friday night in a tough Panther foe that has lost only once.

Greenback on the other hand has had its hands full from the season opener. Jacksboro, still unbeaten, pounded them 34-0. Lanier, who fell by a stubborn score of 7-0, won their first game

Friday night, and Friendsville continues to be undefeated via way of an alert fumble recovery and ran of 85 yards as the Cherokeees bowed 7-0.

The picture fails to brighten any for the men of Coach Keith Bailey's team. Porter is a single point loser in their only loss. Vonore is fresh from their first win. Walland, Townsend, and Charleston, three consecutive foes are still unbeaten. Midway has showed signs of toughness and TSD will be a cliff hanger. Certainly Greenback appears to have jumped from the trying pan to a well kiddled fire.

In Friday night's misfortune happening to the Cherokeees, who had led the Falcons slip by 8-0 in a pre-season jamboree on a strong passing attack, shut off every avenue through the air. In fact the total offensive stats showed Friendsville with 161 yards of offense while Greenback had 159 total yards.

But the score read 7-0 Friendsville despite the fact the Falcons were never able to penetrate past the Greenback 35 yard line the entire game. Friendsville took the opening kickoff and from their 44 was greeted by a bone crushing defensive rush by Greenback which caused a fumble. Kyle Shepherd recovered defensive rush by Greenback which caused a fumble.

Friendsville took the opening kickoff and from their 44 was greeted by a bone crushing defensive rush by Greenback which caused a fumble. Kyle Shepherd recovered defensive rush by Greenback which caused a fumble.

Friendsville took the opening kickoff and from their 44 was greeted by a bone crushing defensive rush by Greenback which caused a fumble. Kyle Shepherd recovered defensive rush by Greenback which caused a fumble.

the Falcons for 15 yards on two runs. Brooks hit the line for three more yards and then Friendsville threw up a road block at their 30. Hawkins was intercepted on an attempted halfback pass to Mark Carver and the Friendsville offense ran out the clock for half time.

Greenback got the second half kickoff at their own 40 as the ball sailed out of bounds. Three plays gained nothing, but Hawkins executed a fake punt and ran for 14 yards and a first down in Friendsville territory. The Cherokeees continued to move on the runs of Shepherd and Brooks only to bog down at the Falcons 14 yard line. On fourth and five yards for a first down

Greenback's defense continued to shine as Rocky Anderson recovered a fumble at mid-field just after the start of the final quarter.

Greenback lost its momentum though as they

were tagged with a 15 yard holding penalty. Greenback got the ball back for one last ditch effort and possibly could have pulled the game out as they started to drive from their own 12. Lynn Rucker caught a pass for 13 yards. Hawkins grabbed a pass for nine and Brooks carried on a draw play for four yards and a first down. But Friendsville

robbed the Cherokeees of any further chances by intercepting their second pass of the game and was able to keep the ball until time expired. Jimmy Brooks paced the Greenback running corps with 68 yards on 15 carries. Kyle Shepherd had 27 yards on seven carries and Hawkins added 17 yards on six rushes. Kenny Evans and Jeff

SLIPPERY FALCON—Greenback would be tacklers Kenny Evans (32) and Tony Chambers (40) attempt to contain the running of Friendsville back Phillip Clure on this mid-field run.

Tipton were in on 19 and 18 tackles respectively. Rocky Anderson, Brooks, Shepherd, and Rick Russell all stood out on defense. Tony Chambers was complimented by Cherokee coaches for his best defensive effort of the season as he shared on a dozen tackles.

Keith Grimes Wins Football Contest

Entrants in The Herald's football contest are beginning to show more success in picking the weekly winners. Two entrants last week correctly picked all the games and about a dozen

correctly picked nine winners. First place on a tie-breaker of 35 (42 points were scored in the Loudon-Lenoir City contest) was claimed by Keith Everett Grimes, Vale Street Loudon. Keith wins \$12. Second place cash (\$8) with a 28 point tie-breaker goes to Maurice Hill, Hunter Hill Drive, Knoxville. Third place money (\$5), with nine games correct and a perfect tie-breaker of 42, was won by James Chaney, 501 Popular Street, Loudon.

Chaney, like many others missed the Farragut victory over Karns.

Others who missed only one game include Mrs. David Thompson, Chuck Jenkins, Mrs. Gary Atkins, and Byron Lawson.

Fishing Report

Fishing activity is a little slow in most areas but some good bass are yielding to the plug.

FORT LOUDON LAKE is producing some very good largemouth on plugs. Most other species are slow in the lake, but catfish are very good below Ft. Loudon Dam. Some good Rockfish have been caught below the dam in the eight to 12 pound class. NORRIS, MELTON HILL AND CHEROKEE are giving up some fair to good fish but

Sue Hall, Ted Grimes, J. C. Menger, Kevin Hill, Carolyn Hill, Marie Miller, Jerry Foster, Gary Atkins, and Byron Lawson.

Atomic Slates Super Bowl

The finest late model sportsman drivers from a four-state area will be gunning their racers for top money Saturday night at Atomic Speedway in a 200-lap affair billed as the Super Bowl of Stock Car Racing.

City Golf League In Final Week

The Loudon City Golf League is into its final week of regular season play with Larry and Lynn Millsaps holding a 13 point advantage over their closest challengers John Cobb and Richard Archer. The Millsaps brothers have tallied 247 points to date with Cobb and Archer accounting for 134 thus far in the season.

Loudon High School Senior Class To Sponsor Tennis Tourney

As a finale to the tennis season, the Loudon High School senior class has scheduled a tennis tournament to begin Saturday, October 5. The tournament will be played on the courts adjacent to Loudon High School.

Women's Singles Trophies

Women's Singles Trophies will be awarded to the winner and the runner-up in each division. There is a \$3.00 entry fee and the proceeds will be used to help the senior class raise money for their traditional class trip. Entry forms can be obtained at Loudon High School, Lenoir City High School, or from local merchants in Loudon and Lenoir City.

The tournament was originally scheduled to begin Saturday, September 28. However, the class felt that by postponing the first day of play one week they would receive greater participation and host a better organized tournament. All interested tennis players must have their entries at Loudon High School by Monday, Sept. 30. No entries will be accepted without the entry fee, nor will any entries be accepted after the date stated above.

There is a possibility that each division will have three brackets; beginners, intermediate, and advanced. However, this depends on the number of entrants for those brackets. A minimum of eight entrants would be required for such brackets. The pairings for the tournament will be listed in this newspaper next week.

Parents Meet

All parents who have children attending the Loudon Grammar School are urged to attend the Parents Meeting and Open House Tuesday, October 1 at 7 p.m. The Parent's meeting will be held in the school cafeteria from 7 to 7:30 p.m. All new members of the Parent's Group will be elected at this meeting. Following the meeting, parents may visit their children's classrooms from 7:30 to 8:30 p.m.

SEPT 26 1974

Local Pension Payments Increase

How much are Loudon County residents now receiving from Washington each month in the form of social security checks? How do these checks compare in size with those going to other sections of the country? The latest official figures, released by the Social Security Administration, show that the pension payments in the local area are comparatively large.

They have been rising considerably during the last few years, due to the increases that have gone into effect.

Payments to Loudon County beneficiaries, as of the beginning of this year, were at the annual rate of \$1,473 per recipient, as against \$1,137 in 1971.

In the rest of the East South Central States, the average was \$1,431 and, in the State of Tennessee, \$1,466.

Just how much goes to a beneficiary, or to members of his family, is determined by the amount he earned during his working years.

The fact that the checks going to local residents are running bigger, on average, than those to many other parts of the country indicates that, over the years, their incomes were better.

More and more retired or disabled people and their dependents qualify each year to receive social security payments, due to revisions of the law that have reduced the age of retirement and brought in classes of workers that were ineligible formerly.

The current report shows that the number of persons in Loudon County who were receiving pension payments in the past year was 4,415. In 1971 there were 4,189.

The increase in the number enrolled in social security has been accompanied by frequent hikes in the amounts paid out in benefits, as well as in the payroll taxes that go to pay for them.

The figures show that more than \$6,216,000 is now entering the county annually via the social security route. In 1971, by way of contrast, it was \$4,764,000.

With the changes that have been made, social security has expanded to huge proportions. It involves the collection and payout of over \$51 billion annually, which is nearly a fourth of all other Federal receipts.

PILLS AND GRASS—Deputy Allen Clemmer is shown with some marijuana and unidentified pills he confiscated after arresting three Ohio residents at a Lenoir City motel Tuesday night. He found the bag of marijuana sticking out of the pants of the female in the group and the pills were hidden under the dash of their car. The three were charged with public drunkenness and possessing marijuana.

PILLS AND GRASS—Deputy Allen Clemmer is shown with some marijuana and unidentified pills he confiscated after arresting three Ohio residents at a Lenoir City motel Tuesday night. He found the bag of marijuana sticking out of the pants of the female in the group and the pills were hidden under the dash of their car. Revival At New Macedonia

Revival services will begin at New Macedonia Baptist Church on September 29 with services each night at 7:30 p.m. Rev. R. L. Davis pastor of Corinth Baptist Church will be the evangelist.

There will be special singing each night. Rev. Elmer Hurst, pastor, invites everyone to attend.

Two Named RSCC Teachers

Mary Jane Denton and Calberta Bowden, long-time residents of Loudon County, will be teaching two of the three courses which Roane State is offering in Loudon County this Fall.

Mrs. Denton is presenting a class entitled "Making Inexpensive Gifts for Christmas." The course explores the many ways to take seemingly useless items and turn them into beautiful gifts and ornaments. Some of the activities will revolve around bottle cutting, egg art, decoupage, 3-D art and dome work (ten-week course, 7-9 p.m., \$16.).

Mrs. Bowden will be teaching a fundamental oil painting course. She will be helping students develop some of the techniques which have made her one of the areas best local artists. She will be dealing with, among other things, drawing, color

Basic Adult Education Classes Begin October 1

Basic adult education classes will begin at the Middle School at 6:30 p.m. on October 1. Anyone who desires to further his education who has not completed high school is urged to enroll. Classes will be available for those who can not read or write as well as those who are in the middle or upper grades.

Those who do not have a high school diploma are especially encouraged to enroll and prepare to take the GED test.

landscaping, composition and material selection (eight-week course; 8:30-9:30 p.m., \$16).

The third course being offered by Roane State Community College is a beginning bridge course which will be taught by Mrs. Sarah Thonison, a certified bridge instructor from Athens. Students do not need any bridge knowledge to enroll and enjoy the course (ten-week course, 7-9 p.m., \$18).

Persons interested can register at the first class meeting for each of the above courses at Loudon County High School on Monday, September 23. All classes will meet on Monday evenings at the high school for further information call the instructors or Dr. Paul Goldberg, RSCC's Director of Community

Adult Drafting Class Offered

An Adult Education Class in Drafting will be offered to Loudon County residents beginning October 1. Persons wishing to register should be present in the classroom at the Old Loudon High School Building (upstairs) at 6:30 p.m. on October 1.

The class will be restricted to 24 persons. All instruments and equipment will be furnished without charge. The class will meet two nights a week for three hours each session.

Mrs. Wilcox On WKU Staff

Mrs. Kay Karnes Wilcox, a native of Loudon, has joined the faculty at Western Kentucky University as an instructor in the Department of Health and Safety.

A former teacher in Wilson, Arkansas, Mrs. Wilcox received both her B.S. and M.A. degrees from Western. She was also the recipient of a graduate assistantship at Western during 1972-73.

She is married to William Lloyd Wilcox.

State Approves Three Sites

The Vocational-Technical Center for Loudon County moved one step closer to reality this past week when a representative of the State Department of Education, Mr. Charles Hallie, approved all three sites previously selected by the Governing Board Committee of Sites. Mr. Hallie was impressed with all the sites and felt that either of the sites would be adequate for the school. All three sites are located below the Lenoir City High School and are accessible to all students in Loudon County.

The Governing Board will meet again within the next few days to take whatever steps are necessary to enter into contract with the state. The site must be purchased and deeded to the state by the Governing Board before further planning can begin. The architect will visit the site and begin planning for the building just as soon as the site is acquired.

Randall Duane Sampson was nine years old on September 1. He is the son of Mr. and Mrs. Micael Webb of Philadelphia. Grandparents are Mr. and Mrs. Stanley Davis of Philadelphia, Mrs. Edna Sampson of Loudon and Mr. and Mrs. Gene Webb of Athens.

Vocational Classes For Adults in Typing, Shorthand and Drafting

Adults who are interested in taking typing, shorthand and drafting should report for these classes on the evening of October 1, 6:30 p.m. Typing and shorthand will be taught at the Lenoir City High School and Drafting will be taught at the Old Loudon High School. Only those who are able to attend two evenings each week should register for the classes. The majority of the students and teachers will decide the days the classes will meet.

Needy Parents Should File Applications For Free Lunch

Parents who are unable to provide lunches for children attending school should file an application with the principal for free lunches. Applications for free lunch are available at each school. Hardship cases are eligible for free lunches and should be explained in the application.

Letters To The Editor

Letter to the Editor

The strike that could have been avoided by Carbide. In a letter to the employees of Union Carbide Film Packaging Division Loudon, Tennessee the Company on September 13, 1974 said they were ready and willing to bargain in good faith in order to reach an agreement. Why did they refuse a meeting which the FMCS attempted to set up last week and again as late as September 21, 1974. Mr. Tashberry of the Federal Mediation and Conciliation Service on Saturday September 21 told us the Company had no time to come into negotiations at Loudon. That they had other things to do. So who is lying to who?

The Plant manager took no part in these negotiations. He has never attended the first meeting. However he spouts off about good faith negotiations. The facts are very plain to each member of the Machinists Union and their neighbors. This Company wants their employees here in Loudon to work for less than employees in other locations. We say the employees of Carbide here in Loudon as well as the area around should be given the opportunity to work here and receive wages and other benefits from this Company as their employees wherever their plants are located.

This strike could and would have been avoided if this Company had attempted to

negotiate a settlement. At the end of negotiations before the strike the company when it put the 30 cents on the table said the employees were entitled to have something to vote on. Later the statement was made by the Company that they would take us on for size. If the Company had come up with what they had given in other plants at that time and since, this strike would have never occurred.

Many acts of violence have occurred, we as Representatives of the Union or our members had no part in these acts, we have continued the same policy we have followed throughout the years. Telling our members and those who would visit with us we have the will and determination to win this strike by peaceful picketing and will not condone or participate in anything which would be detrimental to anyone involved or the community as a whole.

What did the news give on the shots which were fired into the Officers of the Union homes? Do you as citizens of Loudon and the surrounding area think that your labor is worth as much as that of employees in other plants of Carbide's? We do and they have settled contracts before the strike and after the strike for wages of 60 cents and more. For the first year of a contract.

The members of Local Lodge No. 2544 IAM & AW APL-CIO are right in their

demands for a fair wage and working conditions. Roy Jenkins President LL 2544 International Association of Machinists and Aerospace Workers

M. Q. Disher
GLH

Dear Editor

This letter comes to you from a non union member employed by Union Carbide. At this time I am better known as a scab, but since I have seen the scabs I have really found out what a scab is. They are people who appreciate what others do for them, they are not greedy, they are trust worthy and want to work and pay their honest debts instead of living off of welfare and food stamps.

We read letters to the Editor last week, one about the law enforcement officers, and what a citizen should do when they see a crime committed, take a warrant! he says. Well a lot of good this does. The people of our County Court must be afraid to speak up for what is right, last week the Grand Jury had union people seated on it. There were cases that should have had bills that were dropped-over law enforcement officers do not want to get involved. They get paid to uphold the law. But report any violent act from the union mob and see how far you get.

The other letter from a lady

I like very much but if she was able to cross the picket line she would soon have many friends she has in the mob.

I speak for everyone in the Carbide plant at this time. I have been with the company for almost 16 years and some of them longer. We have always been treated fair and we have no complaints to make about the company. So you see we have no reason to act like wild animals. We are trying to act like adults and we don't want to hurt anyone, just be able to use our freedom.

I think a correction should be made on the way we were escorted to our homes by the sheriff's patrol the night the transformer was dynamited. The Sheriff took us to the West end of Loudon. The highway patrol met us there and escorted us a few miles and told us they were almost out of gas and had to turn back. We were on our own that night just as we are now.

There has been all kinds of lies told on the ones of us who have to stay in the plant. But I can tell you here and now, the men in the plant are perfect gentlemen. They act much better than some of the ones we have worked with before. I have been condemned for coming in to work and living in the plant, but I have no reason to want to do anything against Union Carbide. I would not want my name on the International Union list if I had to find another job.

Thank God, I do not need them to supply my needs-God said he would do this, if I can not believe this, how can I believe anything else God has told me.

I feel I am doing what is

VIEW FROM THE HILL

by Edward Headlee

Loudon County School Superintendent

Board Meeting

The Loudon County Board of Education will hold its regular monthly meeting on Thursday, October 3 at 7:30 p.m. in the superintendent's office.

Any items to be placed on the agenda should be in the superintendent's office, in writing, by Friday, September 27.

New Buildings

Jim Bailey, chairman of the Board, Bob Cassidy, supervisor of instruction, and I met with representatives from Barber & McMurray, architects, to start moving things forward on the County's building program. The two projects currently under study are the additions at Greenback School and Loudon Jr High School. We all hope to be able to move rapidly toward the construction of these facilities so that we can provide the best education possible for Loudon County's children.

Vocational School

Charles Haile from the Tennessee State Department of Education was in Loudon County on Thursday, September 19 to inspect several possible sites for the new vocational school. He made his recommendations to the site selection committee and they are now moving forward on those recommendations.

Student Advisory Group

A new committee has been created to advise the superintendent on student

superintendent's office, in writing, by Friday, September 27.

any, October 3 at 7:30 p.m. in the superintendent's office.

Survivors: wife, Bertie Presley Glass; sons, Carl, Raymond, James O. (Buster) Glass; daughter, Lorene Glass, all of Loudon; seven grandchildren; a sister Mrs. Jess Milasaps of Vonnore.

Funeral services were held Sunday at Hawkins Chapel. Rev. Clyde Davis, Rev. S. A. Mynatt officiated. Interment, Corlith Cemetery. Hawkins Mortuary, Loudon, in charge.

MRS. MALONE

Mrs. Lucille Chaney Malone, age 81, of 802 Arden Street, Loudon, died Friday, September 20.

Survivors: daughters, Mrs. Ernest (Clara) Jones, Miss Juanita Malone, both of Loudon; sons, Reford Chaney of Birmingham, Ala., Sam Malone of New York; stepchildren, Mrs. Mary Moody and Henry Malone of Alcoa, Mrs. Charles (Gertrude) Malone, Loudon; brother, Frank Trotter of Niota; five grandchildren; two great-grandchildren; one great-great-grandchild.

The 1975 Ford Cars And Trucks At Curtis-Tipton

FORD New, luxurious standard-size cars.

Your class look will show why Ford merits your selection. Sleek styling. Doors that open easily, close solidly. Precision fitting there, at the hood and deck lid. A smooth, glossy finish. And superb tailoring inside.

For 1975, we're introducing two distinguished new kinds of LTD's: The elegant new Ford LTD Landau—a brand-new luxurious standard-size car that's almost a foot shorter and hundreds of pounds lighter than many costlier cars. And the newly styled Ford LTD—with traditional LTD value at a new base-car price.

Eight new Ford LTD's to choose from: 2 Landaus, 2 Broughams, 2 LTD's, and 2 handsome Wagon models, including the Country Squire, the luxury wagon leader. All are beautifully equipped and engineered with traditional LTD quality and quiet. All have steel-belted radial tires, solid state ignition and other Ford service-saving features. If you're looking for full-size luxury at reasonable cost of ownership, see the new 1975 Ford LTD's. The closer you look, the better we look.

1975 FORD MAVERICK

The proven family compact.

Simple, honest value plus a great reputation for reliability make Maverick a family favorite. (Maverick is the choice of over 1,400,000 owners!) It's a roomy, well-built compact that's easy on gas, easy to park and handle, and easy to service. New standard steel-belted radial ply tires and solid state ignition help reduce Maverick scheduled maintenance for '75.

Choose either 2- or 4-Door Sedan, or the sporty Grabber. There are two economical 8-cylinder engines, or a lively V-8. Good-looking cloth and vinyl trim, carpeting, courtesy lighting and European-type armrests are all standard. Simple honest value, surprising luxury, surprising price. The more you look at Maverick, the more you'll like what you see.

'75 FORD PICKUPS TOUGH AND THRIFTY

NEW F-150

Ford Pickups have built-in durability with double-strong construction at key points and over 200 sq. ft. of metal is galvanized to resist corrosion. There are new two-door SuperCab pickups, roomy enough for a back seat, and the new F-150, the Heavy-Duty 1/2 ton pickup that can use either leaded or unleaded fuel. Big choice in pickups.

Choice of cabs: Regular Cab with full-width seat for three big passengers. Exclusive SuperCab—only two doors, but roomy enough to seat a family of six. Crew Cab—four doors and seats six big adults.

Choice of comfort: All Ford Pickups are available in three trim levels—value-packed Custom, distinctive Ranger or top-of-the-line Ranger XLT.

Wagons from Ford, the Wagonmaster

Ford • Torino • Pinto

Year after year, more families buy Ford Wagons than any other wagons in America!

That's because, year after year, Ford has introduced more of the wagon innovations that families buy wagons for: innovations that add convenience, comfort, capacity and utility. We know families come in all different sizes, so we build a practical size Ford Wagon for every family. There are the big standard-sized Ford LTD Wagons... the solid mid-size Torino Wagons... and our popular little economy wagon, Pinto. Here are some of the better wagon ideas that have made Ford Wagons number one sellers in America...

Wagon Group

'75 Ford Elite

A mid-size car in the Thunderbird Tradition

This is the 1975 Ford Elite—a mid-size car styled and crafted in the Thunderbird tradition. It combines mid-size operating economy with the classic styling and personal luxury of Thunderbird.

Like Thunderbird, it comes to you the way a luxurious car should. Unique opera windows, odonestrain vinyl roof, electric clock and other deluxe appointments. Also standard are 351 CID V-8, SelectShift Cruise-O-Matic, power steering and power front disc brakes. And Elite is available with a power Moonroof (shown above) and other Thunderbird-inspired luxury options.

Yet Ford Elite is built to help you keep operating costs down. With gas-saving, steel-belted radial ply tires. Solid state ignition and a host of other service-reducing features. Ford Elite... designed in the Thunderbird tradition, and built for the way you drive today.

MEASUREMENTS:

Wheelbase	114"
Length	216.1"
Height	53.2"
Width	78.5"
Luggage Capacity (seats 2, A Type-unloaded)	16.5
Fuel Capacity (gal.)	26.5
Passenger Capacity	5

The closer you look, the better we look.

MUSTANG II

Our small, sporty personal car.

To the already long and impressive list of Mustang II features—features that include 4-speed transmission, rack-and-pinion steering and front disc brakes—we've added two very important improvements. Gas-saving, steel-belted radial ply tires and solid state ignition on all Mustang II engines.

Look close at the engine choice, too. This year the Ford Mustang II offers a choice of three engines. The standard 2.3 Liter 4-cylinder, or an optional 2.8 Liter V-6 (standard Mach 1) or the new 302 CID V-8, for exciting performance.

MUSTANG II 2+ shown with wheel disc rings, V8W tires.

The success car of '74 is doing it again in '75.

Look Close At A New Car Designed To Give You Efficient Use Of Space, Fuel And Money . . .

FORD GRANADA \$3698

SHOW ROOM PRICED AT.....

THE NEW FORD GRANADA has the sales staff of Curtis Tipton Motor Company anxious to show off the reasonably priced (\$3698 plus taxes and shipping) compact Friday as the Loudon Ford dealer's show room is filled with the new 1975 Ford preview. Pictured is left to right salesman Earl Millsaps, Jack Hodge, and dealer owner Pop Curtis.

The Design: Ford Granada is designed to help deal with such problems as crowded roads, increased fuel cost and maintenance. Granada is about two feet shorter and a half ton lighter than most standard-size cars. So you can expect excellent gas mileage. Yet there's a family-size room inside with plenty of head room and trunk space.

The Economics: A luxurious car today has to earn its keep. Granada doesn't back away from that fact. Its trim design helps reduce needless weight and excessive fuel consumption. Granada's basic engine is a six with solid state ignition that's economical and easy to maintain. And it comes with gas-saving radial ply tires.

The Construction: Granada is put together to stay together. Precision machinery holds body parts in right alignment as they are welded into a solid unit. In a separate process, the body panels are treated to help minimize vibration. To help protect against rust, Granada's body is covered with 13 pounds of

primers and chip-resistant baked enamel. And every Granada is subjected to hundreds of inspections while it's being built. The feeling inside Granada is solid and secure; it hugs the road. It has about the weight of a Mercedes 280.

The Complete Ford Line For 1975

SEPTEMBER 26 1974

Oldsmobiles Showing At Jack Nelson's In Lenoir City

Loudon County Oldsmobile dealer, Jack Nelson Oldsmobile announced today that the Oldsmobile 1975 model line-up includes 35 models with increased emphasis on the smaller car market.

Four new entries range of models and the broadest market coverage in the automaker's long history. The nation's oldest existing manufacturer of automobiles now offers models with wheelbases ranging from the new small-size Starfire at 97 inches to the family size Ninety-Eight at 127 inches.

In addition to the Starfire, three new entries in the compact Omega series have been introduced featuring luxury interiors and appointments not formerly available in this series.

STARFIRE
Oldsmobile's Starfire is an all-new car for the division and features comfortable 2+2 interior seating and sporty exterior design. It is available in one body style, a sport coupe.

The high-back front seats are available with either soft velour or supple vinyl covering and are separated by a center console containing the transmission shift control and parking brake lever.

The rear seat back folds forward increasing the fully-carpeted load floor area that is accessible from the hatchback door. A collapsible spare tire is stored in the right rear quarter well, hidden from view by a soft trim tire cover.

Instrumentation includes a speedometer, tachometer, fuel gage, ammeter and temperature gage.

The exterior of the Starfire features dual rectangular headlamps and dual horizontal grille openings in the flexible front end panel. This soft material surrounds both front and rear energy absorbing bumpers allowing them to be blended into the overall car design while maintaining protection in minor impacts.

Functional louvers with bright edges located in the rear quarter lock pillars exhaust air from the passenger compartment and

1975 OLDSMOBILE OMEGA SALON SEDAN

provide efficient flow-through ventilation.

A 231-cubic-inch V-6 engine and four-speed synchromesh transmission are standard on the Starfire and a Turbo Hydra-matic transmission is available. Power brakes with front discs and steel belted radial-ply tires are standard.

The compact Omega series has been expanded to six models for 1975 with the addition of the Omega Salon available in the same three body styles as the base Omega—coupe, hatchback coupe and sedan.

All Omegas have received extensive body and chassis changes for improved appearance, passenger comfort and ride characteristics. Each model is built on a 111-inch wheelbase and is equipped with energy absorbing bumpers, front and rear.

The standard power plant is the 250-cubic-inch in-line six-cylinder engine featuring revised cylinder heads, combustion chambers and cast integral intake manifold for improved air-fuel distribution.

A new 260-cubic-inch V-8 engine with dual jet carburetor is available on all Omega models offering the smooth operating characteristics and durability of a V-8 engine with the economy of a small displacement engine.

Both engines are available with three-speed column shift or floor shift synchromesh transmission. The third-speed

Turbo Hydra-matic is optional on the base Omega Sedan.

The 260 V-8 and Turbo Hydra-matic transmission are standard on the Salon.

The 350-cubic-inch four-barrel V-8 with Turbo Hydra-matic transmission is optional on all Omegas.

Salon models feature reclining front contour bucket seats covered in velour or perforated vinyl, a headlamp dimmer switch built into the turn signal lever, center console and a Salon steering wheel. A rear stabilizer bar gives the Salon sportier handling characteristics.

Wheel opening and protective body side moldings are standard on the Salon and optional on the base Omega models.

Variable speed pulse windshield wipers, power door locks, power windows, power trunk lid release and a headlamp on reminder are all new accessories available on the Omega for the first time.

CUTLASS
Oldsmobile's mid-size Cutlass line-up in 1975 offers 11 models in four body styles—two colonnade hardtop coupes, a colonnade hardtop sedan and station wagon.

The 260 V-8 and Turbo Hydra-matic transmission are standard on the Cutlass Supreme Cruiser and Vista Cruiser and optional on all other Cutlasses.

The 455-cubic-inch four-barrel V-8 engine and Turbo Hydra-matic transmission are optional on all 1975 Cutlass models.

Three new grilles identify the Cutlass models with specific designs for the Cutlass and Cutlass S, the Cutlass Supreme and Vista Cruiser, and the Cutlass Salon.

Tailfins on the Cutlass and Cutlass S have a dual over-and-under theme while the Cutlass Supreme and Cutlass Salon feature dual vertical lenses.

Swivel bucket seats are available on the Cutlass S and Cutlass Supreme coupes and the latter includes unique removable, reversible, front seat cushion and back pillows with vinyl on one side and velour on the other.

A new wider, protective body side molding with a bright accent is available on all 1975 Cutlasses. Temporary semi-automatic air conditioning, introduced on Oldsmobile's full-size models in 1974, is also available.

In a hardtop coupe, hardtop sedan and town sedan body styles with a convertible available in the Delta 88 Royale.

Hardtop and town sedans feature new uppers with more side glass for better visibility. The hardtop sedans have a new triangular quarter window in the rear quarter sail panel and the town sedans have an additional window in the rear door.

New swing-away grilles with a cross-hatch design are mounted in a molded fiberglass reinforced front end panel with a four-opening variation of the traditional Oldsmobile dual grille design.

Standard engine on all Delta 88 and Delta 88 Royale models is the 300-cubic-inch four-barrel V-8. The Turbo Hydra-matic transmission is standard on all full-size Oldsmobiles.

The Custom Cruiser continues to be available in both two and three-seat versions with or without exterior woodgrain appliques. The 455-cubic-inch four-barrel V-8 engine is standard.

The Ninety-Eight line-up includes a Luxury Coupe, Luxury Sedan, Regency Coupe and Regency sedan. The standard Ninety-Eight sedan has been discontinued.

Ninety-Eight hardtop sedans have a small vertical window in the sail panel and the coupes feature a large trapezoidal fixed window behind the door lock pillar. Padded full-halo and landau style vinyl tops are available on Ninety-Eight coupes and a full-padded top is optional on the sedans.

The Regency series continues to offer luxurious soft pillow seats covered in velour or soft vinyl and 60-40 divided front seats with dual controls standard. Center fold-down armrests are standard front and rear.

Two-way electric power seats, power windows, power steering and power brakes are standard on all Ninety-Eight models and the standard engine is the 455-cubic-inch four-barrel V-8 with Turbo Hydra-matic transmission.

1975 OLDSMOBILE TORONADO

The front-drive Toronado has two models this year—a Custom coupe and a Brougham coupe. Both have a new recliner opera window in the rear quarter sail panel for added luxury and more privacy for rear seat passengers.

The Brougham features loose-pillow look interiors on standard 60-40 divided front seats with dual controls. The interior trim is available in a variety of velour coverings or doekin vinyl in white or silver.

The Toronado taillamps have been placed in a horizontal position and combined with the backup lamps in the rear end panel above the bumper. New vertical chrome bumper bars

with body color inserts extend above the lower bumper bar to provide added protection from minor impacts in those vulnerable areas. These vertical bars move with the bumper into flexible rear end caps on minor impacts.

The 455-cubic-inch engine and Turbo Hydra-matic transmission remain standard on the Toronado.

FULL-SIZE OPTIONS
Several new options are available on the 1975 Oldsmobile full-size models. A new remote controlled left hand outside mirror with lighted integral temperature indicator is available on all full-size models. The intensity of the light can be controlled with the light switch in the same manner as the instrument panel lighting.

Another new option is a theft deterrent system that features flashing exterior car lamps and rapid horn blowing in the event of an attempted forced entry. The system is armed by locking the door with the key and detects an attempted improper opening of the trunk, hood or doors.

A new convenience option available on all full-size cars except the Toronado is the lighted door lock package. Pushing the door handle activates a light in the handle illuminating the lock cylinder and turns on the interior lights for about 30 seconds, enabling the driver to unlock the door, enter the car, buckle up and insert the key in the ignition before the lights automatically go off.

1975 OLDSMOBILE STARFIRE SPORT COUPE

JACK NELSON OLDSMOBILE

PREVIEWING OLDSMOBILE 1975

THURSDAY & FRIDAY OPEN TILL 9 p.m.

The Sales Team of Jack Nelson, "Red" Simpson Sam Hampton are Waiting To Greet You

It's A Good Feeling To Have An Olds Around You.

We don't just sell Oldsmobiles, we insist you experience it and should maintenance be required our highly qualified service department led by Mr. Fred Stagle and his staff of Bill Adams, Danny Brown, and Bill Yates are ready to be of service.

The management, sales staff, and service department extend a special invitation to the people of Loudon County to come by for a visit and inspect the new 1975 Oldsmobiles now in the showroom at Jack Nelson Oldsmobile in Lenoir City. Now you can pick from every Oldsmobile series; drive up to 22,500 miles on non-leaded gasoline without changing spark plugs; drive up to 7,500 miles between oil changes; and get improved gas mileage over a year ago.

OMEGA - OMEGA SALON—the looks and comfort of a touring car, but with the economy and price of a compact.
 CUTLASS - SALON, SUPREME, SPORT—has room for the family plus easy to handle size at a budget price.
 DELTA 88 - DELTA 88 ROYALE—a handsome exterior and lavish interior in a car that can take you any where in style.
 NINETY EIGHT - REGENCY, LUXURY SEDAN—designed and built in a car designed for less maintenance and more comfort with you in mind.
 TORONADO—one of the world's most beautifully designed and engineered cars, front wheel drive, and surrounded by the feeling one can only experience with Oldsmobile.

BACK IN THE GOOD OLD DAYS

We were reminded of something by a picture we received the other day. This picture relates to a real part of the majority of the people who lived in this area several years ago. But like so many other things, it has just passed from our way of life. What we are having reference to is hog killing time and of course with the arrival of fall and the cool mornings we are reminded of how people a few years back were anxious for freezing weather so they could butcher their hogs. The cold weather assured them that the meat would cure out and not spoil.

As many of us can recall, a brisk winter morning and the delicious odor of frying fresh pork sausage was well worth the effort of hog killing. There used to be places set up to slaughter hogs and prepare them to be sectioned for salting. Parts were then cut up for sausage, back bones and ribs, etc. We are grateful for this old picture. The people in the picture are the late Andy Fvesley (man holding the axe), Ernest Clowers (part-

tially hidden in the back) and the young man with the broad grin is J.B. Clowers. These men are all well known in this area.

Our other picture this week was made in Chattanooga. We think that many of those in this old picture are old time Loudon Countians. We are sorry but we can't identify any of them. Maybe some of our readers can help us out. Possibly they all may have made this trip together or some of those in the picture might have just happened to be on hand when the picture was taken.

We had a friend of ours ask us a question the other day that we couldn't answer. Maybe some of our readers can. Most of us who grew up during the Good Old Days era recall the old time hoe cake bread our mothers used to make and how delicious it was. But how did it ever get this name? Like so many other things common to us, we look it for granted, etc. It and never gave a second thought to how it got it's name.

With our reader interest in solving some of these little mysteries of the past, maybe you have one which is brought to your mind by this one. If so, give a call and we will ask our readers to help us try to find the answer. We have been very fortunate in the past in solving these mysteries with the help of our kind readers.

With the use of the many pictures loaned to us by Mrs. Norris from Eatons, Crossroads, we have come up with some very unusual things in connection with these old pictures.

One of the things we found out about one of the pictures of the building we ran a couple of weeks ago is that it is possibly a picture of the old Holston College. This is the forerunner of Maryville College. The man who called us was from Lenoir City but he failed to write his name down. He stated that the old school was located near Greenback and a portion

Farmers In County Gross \$12,379,000

For Loudon County farmers, 1973 was the most successful year they have had in a long time, according to the final tabulations, just released.

For many of them it was the most prosperous year they ever had. It compared favorably with farm and ranch results in many sections of the country.

Following as it did upon a relatively good 1972, it enabled the farm community to recover somewhat from a number of lean years. With their operations well in the black, they were able to reduce their debt load and to purchase some needed new equipment.

Although gross receipts reached a record level, so did operating expenses as inflation sent farm costs soaring. However, the gap was sufficient to produce a new high in net income.

The findings are based upon a national survey released by the Standard Rate and Data Service and upon reports from the Department of Agriculture and others.

In Loudon County, SRDS reports, farm receipts amounted to \$12,379,000. The figure represents gross receipts, before any allowances for taxes, supplies, labor costs, equipment and other operating expenses.

Included are the overall receipts from the sale of farm products, together with government payments and the value of the home-grown foods or all of the building may still be there. He stated that his conclusion, whether right or wrong, was drawn from the design of the old building in the picture we ran. He stated that he could be wrong for this reason. Buildings of that era were designed like the one in the picture and that it could be another school building with the same design as the old Holston College. He is going to investigate this further and see if he can find out more about this picture.

We were not aware that this school existed but we are sure many other people did. We are happy to find a connection between this picture and our area. We were pleased that this man took the time to call us and we are grateful to him. Well, that's it for now. See you next week.

we figure you can use the laughs NOW more than ever!

LOUDON, TENNESSEE, THURSDAY, OCTOBER 3, 1974

15 CENTS PER COPY

A LENOIR CITY MAN, John H. Bowers, 62, of Rt. 5 Marlet Road, Lenoir City, lost his life in this accident which involved his car and a tractor-trailer. The tragedy occurred at the intersection of East Broadway and new Highway 95 in Lenoir City.

Bowers Killed In Car-Truck Wreck

A Lenoir City motorist was killed and his one-year-old great grandson was injured Tuesday morning when a tractor-trailer rig smashed into the side of his car, throwing him from the wreckage. The accident occurred at the intersection of East Broadway and new Highway 95.

The victim was John Bowers, 62, of Lenoir City Rt. 5, who died on the way to the hospital shortly after the accident.

Steven Harold, son of Mr. and Mrs. Vaughn Harold, also of Lenoir City Rt. 4, was injured. Rushed to Loudon County Memorial Hospital, he was transferred to Children's Hospital in Knoxville where he was listed in fair condition Tuesday night.

Thirteen-year-old Jennie Harold, sister of Steven, was admitted to the hospital at Loudon. Her injuries were not reported.

Driver of the tractor-trailer was James D. Tachick, 28, of Kohler, Wis. He told officers he was on his way with the truck, owned by Valley Leasing Corporation of Appleton, Wis., to Anniston, Ala.

Lenoir City Policeman Raymond Littleton, who, along with Policeman Dolph Myers, investigated the ac-

cident, said the truck driver told him he was traveling down the hill on Highway 95 and driving through the intersection toward Ft. Loudoun Dam on a green light when the car drove in his path.

Officer Littleton said the truck crashed into the side of the car and dragged it about 150 feet before both came to a stop.

Mr. Bowers was knocked from the car and into the street and the trailer wheels ran over his chest.

The young girl and the baby were in the front seat, the baby lying on the floor board and the girl pinned under the dash. Officers had to pry the door open and help her from under the dash.

No charges were placed, Littleton said.

Mr. Bowers is survived by his wife, Irene of Lenoir City; two daughters, Mrs. Mary Harold of Lenoir City and Mrs. Dorothy Mayes of New Orleans, La.; eight grandchildren; sister, Mrs. Minnie Melson of Atlanta; two brothers, Morris and Charlie Bowers, both of North Carolina.

Funeral arrangements were incomplete. Click Funeral Home is in charge.

Loudon Still First OR Site Second Exxon Choice

Exxon Nuclear, according to a story Tuesday in THE OAK RIDGER, has named a 2500-acre tract of land in Oak Ridge as the number two site for the proposed \$250 million nuclear recycling and refueling center. Exxon still says Loudon is the number one site, but that work is now under way at Oak Ridge "just in case," according to Exxon public relations director W. E. Frost.

Exxon Nuclear has contracted Law Engineering Testing Company in Atlanta to do core drilling and other geological investigations of a potential industrial site on a 2500-acre tract of land owned by the U.S. Atomic Energy Commission.

This Roane County site, bounded on the north by Oak Ridge Turnpike and on the east by White Wing Road, is adjacent to the site selected for the proposed Clinch River Breeder Reactor Plant.

In January, Exxon Nuclear officially announced in Loudon County its tentative plans to build and operate by

1981 a large commercial nuclear fuel recovery and recycling plant west of Interstate 75 and northwest of Loudon in an area bordered by Matlock Bend Road.

But the Loudon site has some geological problems uncovered in core drilling investigations carried out by Exxon by Bechtel Corporation, a San Francisco firm.

Exxon said that the Loudon site has numerous underground limestone cavities, or "sinkholes," which may make the ground support for a reprocessing plant weaker than desirable.

But, he added, the discovery of the sinkholes does not pose "an overwhelming or unsolvable problem." He said that preliminary geological site surveys will continue at the Loudon site as well as at the Oak Ridge site.

He said if the Oak Ridge site has any problems, Frost said

Board Studies Brown Case

The Loudon County Merit Board today studied charges against former deputy Ken Brown under advisement Tuesday night after a 15-minute hearing. Brown had appealed his dismissal by Sheriff Guy Russell on charges of insubordination and conduct unbecoming an officer.

Russell dismissed Brown the night he took office on Sept. 1. Brown had served for two years under former Sheriff Freeman Russell.

At the hearing attended by Merit Board members Jim Blair and R. P. Hamilton only Sheriff Russell and Brown testified and their remarks were restricted to the charge of insubordination. Board chairman Curtis Williams was not present. County Judge Bill Russell acted as moderator with courtroom rules in effect.

Sheriff Russell stated that on Saturday, August 24 that Brown asked to see him at the

jail. He said Brown called him into the Sheriff's office and said he (Russell) would make a good sheriff. Then he asked him about the appointment of Luke Bright as Chief Deputy. Russell stated he told Brown that Bright would be chief deputy and that Brown said he would fight him all the way.

He said he later told Brown that when he took office he was going to be dismissed and supplied Brown with statements from witnesses on charges of conduct unbecoming an officer and Brown said he would fight him also.

Brown later testified that when he referred to fighting he meant the charges against him. Brown said that on the morning of Sept. 1 he came to the jail to report for work when Russell took over, but Russell left without saying anything to him. He said he called the new Sheriff from the home of former Sheriff

Big Pay Hikes Granted By Judge

Chancellor James O. Phillips has granted raises for deputy clerks in the offices of the Loudon County Trustee, Register of Deeds and County Clerk. Judge Phillips granted the requested pay increases Friday in a hearing in his Rogersville office.

Trustee J.V. Schrimsher, Register of Deeds Ralph Wear and County Clerk Ed Alexander had brought suits, which is required by law, against the county to get the pay raises.

The deputy clerk to the Register of Deeds received a pay raise from \$350 a month to \$400 a month amounting to \$500 a year. Wear also was allowed \$1800 for extra part-time help when needed.

County Clerk Ed Alexander was allowed \$6000 per year for three full-time deputy clerks amounting to \$600 a month. They had been receiving \$400 a month. One of the full-time deputy clerk had

been a part-time position. Alexander was granted \$1500 a year for part-time help.

The salary of the deputy clerk in the Trustee's office was increased from \$800 a year to \$600. He also was allowed \$4800 a year for extra help.

Acting under direction of County Court, County Judge Bill Russell hired attorney H.T. Harris to defend the suit asking that salaries be in conformity to the county personnel policies and uniform salaries program adopted by the county last year.

In the hearing Judge Phillips commended the county for taking such interest in its employees and offering such good benefits. But he said that it was his duty to set the salaries, not the county court and that the salaries he allowed were in line with those paid in other counties in the area.

AT CONTRACT SIGNING—Members of the negotiating teams representing Union Carbide and Local 2544 of International Association of Machinists are shown as they prepare to sign the wage contract that ended a seven week strike at Carbide. The signing took place at Sig's Restaurant in Lenoir City Monday at 3 p.m. Pictured (left

to right) front row—Jack Modglin, Bob Dravecky and Bob Howard, representing Carbide, M.Q. Dishner and Roy Jenkins of the union. Back row—Paul Tibbs, Ray Birkholz, Jim Cardwell and Tom Matlock of Carbide, Jim Snyder, Jim Eller, June Atkins and Floyd Williams of the union.

45 Cents, Year Contract End 7 Week Carbide Strike

The bitter seven week strike at Loudon's Union Carbide plant is over. A settlement was reached at 4:30 a.m. Friday, Sept. 27, after a marathon 15-hour bargaining session. The union membership ratified the agreement on Saturday in a 188 to 45 vote and recall of Aerospace Workers. The union membership ratified the agreement on Saturday in a 188 to 45 vote and recall of employees began on Monday of this week.

Plant Manager Ray Birkholz states that, "I am pleased that a settlement has finally been achieved, and am looking forward to seeing our employees back on the job. This long strike, which was marked by a great deal of violence, has placed a strain on our employees and the community, as well as the competitive position of the Loudon Plant. I hope we will be able to quickly cement relations and recover our normal market share lost during the strike."

The strike took place over the terms of the initial contract covering hourly production and maintenance employees. The Machinists Union had won representation rights for the unit in May by a 93 to 178 margin. The contract which was ratified Saturday is for one year ending September 30, 1975. It provides for a 45 cent per hour wage increase for all employees, as well as some job adjustments to certain job

classifications. Shift differential, meal allowance, safety shoe allowance, and funeral leave were improved under the contract. In addition, a tenth paid holiday has been added and the major medical insurance benefit maximum was increased from \$15,000 to \$20,000.

Under the terms of the return-to-work agreement, employees will be contacted as to when they are to report to work. It was not known how long it would be before all employees will be recalled. The Company and Union also agreed to drop or withdraw any legal or disciplinary actions arising out of the strike against each other or against employees. The exception to this is that the Company is not precluded from taking any action, including disciplinary action, against any employee by reason of involvement in the dynamiting of electric power service to the Loudon Plant during the strike.

County Court Meets Monday Night At 7

County Judge William Russell Tuesday released a 20 item agenda for the regular monthly session of County Court scheduled for 7 p.m. Monday in the main courtroom at the courthouse.

Judge Russell is expected to make a number of committee appointments at the meeting and report of the salary

lost and discuss the personnel matters with the court.

Several road matters are listed on the agenda as Corinth Cemetery, Glenn Johnson, J. E. Shaw and George Miller. The complete agenda released by the judge is as follows:

- 1. Opening of court, pledge of allegiance, prayer and roll call. (Continued On Page 7)

UF Starts \$51,000 Campaign

Loudon County's 1975 United Fund campaign got off to an enthusiastic start at its annual Kick-Off Breakfast at 7:30 a.m. Monday at Sig's Restaurant in Lenoir City. The drive was kicked off with announcements of pledges totaling \$5,050. The opening pledge was announced by Industrial Chairman Richard

Loudon; and Tom Milsaps-Philadelphus. Richard Whillock is industrial chairman and Roy Cardwell is serving as Oak Ridge coordinator.

Several of the member agencies were represented at the breakfast. The UF agencies are American Red Cross, American Legion Mile of Dimes, Arthritis Foundation, The Boy's Club of Loudon City, Daniel Arthur Rehabilitation Center, The Empty Stocking Fund of Greenback, Great Smoky

Mountain Council of Boy Scouts of America, Tansal Girl Scout Council, Loudon Mile of Dimes, Loudon County Emergency Rescue Squad, Philadelphia Community Chest, United Services Organization, Youth Club of Loudon, Loudon County Advisory Committee and United Cerebral Palsy.

UF Executive Secretary Barbara Cardwell said the next report meeting would be held at 12:30 p.m. Monday, Oct. 14 at Sig's Restaurant in Lenoir City.

very pleased with the breakfast attendance and said he hoped the enthusiasm would carry over into the campaign. He pointed out that inflation was going to be a factor in this year's campaign and that workers should point out to donors that inflation factors are felt in the Fund also and larger pledges will be necessary to meet the budgets of the 115 member agencies. Working under Atkins as area chairmen are Tom Peeler-Greenback, Dottie Pace-Lenoir City, Gene Davis-

Some 25 persons attended the Kick-Off breakfast. At the event, where the meal was provided by the Hamilton National Bank of Loudon, Drive Chairman Jack Atkins said that the advice and help he was receiving was making him very confident that the record goal would be attained during the campaign. He mentioned that in the 15 year history of the Fund in the county that the goal had always been met and surpassed.

County UF President Charlie Davis of Loudon was

AT UNITED FUND KICK-OFF—United Fund Drive Chairman Jack Atkins addresses the 25 to 30 persons who attended the United Fund Kick-Off breakfast last Monday morning. At left is Greenback Area Chairman Tom Peeler and at right Fund President Charlie Davis of Loudon.

Doctors Upset By Medicare Ruling

A recent inspection of the Loudon County Memorial Hospital by Medicare inspectors showed the facility was not in compliance in administering anesthetic for obstetrics and emergency cases.

Dr. Sam Harrison, hospital chief of staff, called an emergency staff meeting Monday, attended by all doctors in the county, hospital administrator Guy Hamilton, director of nursing Mrs. Gladys Hines and County Judge Bill Russell to explain the problem.

It was explained that since Loudon first had a hospital that nurses under the doctors supervision had administered anesthesia in child birth and emergency room cases.

Dr. Harrison said that the Medicare inspectors said that this could not be done if the hospital was to be paid for handling medicare patients although Medicare does not pay for obstetric cases and has nothing to do with the majority of emergency cases. He said that the inspectors told the nurses that it was illegal and dangerous for them to administer anesthetic and that they could be liable if something went wrong even if they were being supervised by

a doctor. Harrison said nurses had done this work as long as he has been in practice and it was impossible for him or any other doctor to administer the anesthetic and deliver a baby or set a broken arm at the same time.

Since the warning from Medicare the nurses at the hospital have said they will no longer administer anesthesia. The doctors said this means they will have to give up OB patients or try to get another doctor to help.

Hospital Administrator Guy Hamilton said that he was trying to arrange for a nurse anesthetist or MD anesthetist to be on duty at the hospital. Cost of such service were estimated to be from \$60,000 to \$100,000 per year, which would be offset in part by revenues charged for the service.

Dr. Harrison said that there should be some avenue of appeal because in the cases where Medicare are finding the hospital out of compliance with their regulations, Medicare does not pay.

Hospital administrator Hamilton said failure to comply with the regulations could cost the hospital the \$400,000 a year it receives from Medicare.

1974

Loudon County Herald

For and about Women

Russell-Harper Vows Said

Miss Carolyn Russell and Timothy Harper were married in a double-ring ceremony at 8 p.m. on August 31 at Bethel Methodist Church. Rev. William H. Horner performed the ceremony. The bride was given in marriage by her father at an altar decorated with baskets of blue pompons, yellow mums and gladiolus.

The bride is the daughter of Mr. and Mrs. Billie E. Russell, Route 2, Loudon.

The groom is the son of Mrs. C. R. Harper, Steeple Road, Loudon.

Mrs. Karen Henry, Palanist and Mrs. Bonnie Wear, vocalist presented the nuptial music. She sang "I Believe". The bride chose a long white gown with lace yoke and back, puffed long sleeves trimmed in ruffles as was the hem of the gown. The veil was of bridal illusion with daisy-laced edging. She carried a bouquet of yellow roses, feathered blue carnations and baby's breath accented with blue ribbons. Both the bride and groom carried lucky coins given to them by Mrs. Gerry Nichols.

Joan Russell, sister of the bride, served as Maid of Honor. She wore a floor length aqua-mint dress with long puffed sleeves. She carried blue carnations. Flower girl was Angela Joan Nicholson, niece of the bride. She wore a pink daisy-covered long dress. Her basket contained yellow rose petals. Mrs. Billie Jean Nicholson, sister of the bride, was in charge of the Bride's Book.

Charles Harper served his brother as Best Man. Ushers were G.C. and Pat Harper, brothers of the groom. Bryan Russell, nephew of the bride, was ringbearer.

Following the ceremony a reception was given by the bride's parents, Mr. and Mrs. Billie Russell. Those serving were Mrs. Brenda Cunningham, Mrs. Judith Russell and Mrs. Martha Black. Out of town guests included

Mr. and Mrs. Charles Harper, Tracy and Srenia of Farmington, Mich.; Mrs. Robert L. Purday, Cindy, Shannon and Dianne of Georgetown; Mrs. Calvin Letsinger and Candy of Concord and Mr. and Mrs. Jimmy Nicholson and Angela of Friendsville.

Jane Moore and Tony Mat, were of Jefferson City. Mr. and Mrs. Carl Sebridge were in Louisville, Ky. last week to attend the funeral of Mr. Edward Johnson. Mr. Johnson was formerly of Loudon City.

A group from the Cumberland Presbyterian Church attended a Presbyterian Rally Sunday at Camp Chilhowee near Maryville.

Mr. and Mrs. John Harmon of Philadelphia visited Sunday with Mr. and Mrs. Luther Russell.

Kermit Rowe Jr. returned to his home in Hopkinsville, Ky. after a weekend visit here, with his parents, Mr. and Mrs. Kermit Rowe, Sr.

Mrs. Hugh Tompson of Madisonville spent last week with her sister, Mrs. Labe Everette and Mr. Everette.

Mr. and Mrs. Charles McCall and Mr. and Mrs. W.C. House attended the 225th Anniversary Banquet of the Newport Lion's Club Saturday.

Mr. and Mrs. Charles Brakel attended the Tenn.-Alabama football game Saturday at Auburn while there were the judges of their son-in-law and daughter, Mr. and Mrs. Marty Bilderbach.

Mrs. J.I. White has returned to her home in Vonore after undergoing surgery at Loudon County Memorial Hospital.

Mr. and Mrs. Henry Cochran of Brooklyn, New York are guests of Mr. and Mrs. Joe Carter.

Mr. and Mrs. Neal Sharp of Oklahoma, Mr. and Mrs. Haskell Sharp and son Larry of Ill. Mrs. Jim Ball and daughter Mirraha of Knoxville were guests during the weekend of Mrs. Fred Miller.

Mr. and Mrs. Ed Davis and family of Knoxville visited last Sunday with his parents, Rev. and Mrs. Lloyd Davis. Mr. and Mrs. Joe Presley visited Saturday with Mrs. Nancy Johnson in Greepsback.

Mrs. Reba Stuller, Mrs. Bertie Daniels and Mrs. Faye Sifers of Sweetwater visited Monday with Mrs. Fred Miller.

Mr. and Mrs. Tom White of Oak Ridge visited Sunday with their mother, Mrs. George Smalling.

Mr. and Mrs. Evan Forshé and her mother, Mrs. Maggie Limburg visited Sunday with Mr. and Mrs. Joe Cecil and daughter in Oneta. They also visited in Kingston with Mr. and Mrs. Henry Billingsley.

Mr. and Mrs. Cecil Jaynes are back home after a vacationing in Pa. and Wash.

Dwight Christian of Knoxville visited last Tuesday with mother, Mrs. Joe Christian.

Weekend guests of Mr. and Mrs. Jim Green were Mr. and Mrs. Clifford Cook of Lenoir City, Mrs. Bill Watts and daughter, Robb and Tammy of Nots, Jimmy Hugh Green and daughter Susie of Fairburn, Ga. Mr. and Mrs. Rollen Bradshaw and son Buddy.

Mr. and Mrs. Andy Oody spent the weekend with their son and daughter-in-law Mr. and Mrs. William Oody and family in Newport.

Mrs. Fred Miller and her weekend guests the Neal Sharps and the Hankell Sharps visited Saturday at the A.B. Lynn family at Pond Creek.

Mrs. Mary Cook of Rone Mt. and Mrs. Joe Carter visited last Wednesday with Mrs. Fred Miller. They also visited Mr. and Mrs. Walker Redmond at Ten Mile.

Mike, Kay and Doug Hill came from Trenton, Ga. Saturday for a visit with their grandmother, Mrs. Josephine Grimes.

Elmer Lowry of Washington is here for a visit with his mother, Mrs. Grace Lowry.

Mr. and Mrs. Joe Lane Jr. have had as their visitors his mother, Mrs. Joe Lane, Sr., his sister, Mrs. Ruth Turner, Mr. and Mrs. Gail Wells of Sharon, Pa. also Mr. and Mrs. James B. Lane and family of Maryville.

Gilling McCrary has returned to his home in Porterville, Calif. after a visit here with his sister, Mrs. Igha Houston and other relatives.

Mr. and Mrs. Arthur Watson of Maryville, Mr. and Mrs. Earl Russell and family of Friendsville visited Sunday with Mr. and Mrs. Charles Kelley.

Miss Andrea White of Old Hickory spent the weekend with her grandparents, Mr. and Mrs. Doc White.

Mr. and Mrs. Ike Howard of Vonore visited Sunday, with Mr. and Mrs. Joe Presley.

Mr. and Mrs. Rollen Bradshaw and son Buddy and Mrs. Jim Green visited Sunday with Mr. and Mrs. Ed Hodge.

Mrs. Glen Green and Jinky Wicker has returned to East Tenn. State University in Johnson City to resume his studies.

CRAFTSMAN'S FAIR
By Bonnie F. Shelley
Assistant Extension Agent
Each year the Southern Highland Handicraft Guild and its members present the Craftsman's Fair of the Southern Highlands, which will be held October 15, through October 19 in the Civic Auditorium in Gatlinburg. This is one of the biggest shows of its kind in the country. Each day, you may visit the Fair from 10:00 a.m. until 10:00 p.m.

At the Fair, over one hundred craftsmen will be hard at work. Weavers, whittlers, quilters, blacksmiths, chairmakers, and dulcimer players will be on hand to demonstrate their crafts for interested visitors. If you attend the Fair, you will see how to tie brooms, hammer silver jewelry, and carve life-like birds and animals. Enamels, pottery, glass and metal sculpture will be displayed by more contemporary craftsmen. Each craft article, regardless of size, shape or raw material, reflects the character of the craftsman.

Entertainment and education for all ages is offered by the Fair. The Members Exhibit, an annual feature, incorporates examples of the craftsmen's best work into new creative displays. Folk music is

Out of town guests that attended the funeral of Mrs. Lucille Malone were Mr. and Mrs. Reford Chaney and family of Birmingham, Ala. Mrs. Joseph Sue Ellis and family of Huntsville, Ala. Harold Walls of Nashville, Mr. and Mrs. Hoyle Trotter of Lansing, Mich. Mrs. Carrie Hicks, Mr. and Mrs. Burton Dodd, Mr. and Mrs. M.C. Trotter, Mr. and Mrs. Claude Smith, Mr. and Mrs. Fred Cox, Mrs. Katherine Trotter and family of Chattanooga, Finmore Trotter, Mrs. George Sallis, Mrs. Robert Trotter of Dayton, Mr. and Mrs. Luther Star-Norton, Mrs. Mary Moody and David, Mr. and Mrs. Henry Malone of Nots, Mr. and Mrs. Eddie Malone, Mrs. Ronny Chambers of Cookeville and Charles Trotter, Ga.

Presented daily including traditional songs and dances of the mountains. Endless opportunities for both amateur and professional photographers, plus new ideas for teachers, home demonstration members, and students will be available. Also, the Fair offers a wide assortment of beautiful hand made objects for special purchase at reasonable prices.

Since the beginning of the Craftsman's Fair, in 1948, it has provided mountain people with a much needed means of income, and has provided over half a million visitors with a wonderful experience. The Fair is demonstration of what one group of American Craftsmen will do for the good of all, as a confirmation of their confidence in and respect for the importance of their work.

A group of twelve or more may attend the Fair at a reduced rate. If you plan a trip to the Fair, and wish to spend the night, it would be a good idea for you to contact the Gatlinburg Chamber of Commerce for information on accommodations.

The Loudon County Home Demonstration Club's will be attending the fair on October 15. We will be making the trip on a chartered bus at a cost of \$4.50 per person. There are a few extra seats. If you wish to make the trip with us, please call 458-2671 before Saturday, October 5.

First Son For David Bells

Lt. and Mrs. David R. Bell of Germany announced the birth of their first child, a son, who has been named Brian David. Mrs. Bell is the former Miss Margaret Ann Windle. Maternal grandmother is Mrs. Lloyd Windle, Jr. of Vienna, Va., formerly of Loudon. Great-grandmother is Mrs. Lloyd Windle of Loudon. Lt. and Mrs. Bell have spent the past three years in Germany and were scheduled to return to the States in November. However, they have decided to take another tour of duty and will remain in Germany for another year.

At the Fair, over one hundred craftsmen will be hard at work. Weavers, whittlers, quilters, blacksmiths, chairmakers, and dulcimer players will be on hand to demonstrate their crafts for interested visitors.

Entertainment and education for all ages is offered by the Fair. The Members Exhibit, an annual feature, incorporates examples of the craftsmen's best work into new creative displays.

EXCHANGE STUDENTS—Kay Stevens and Janet Keaton (left and right) student hosts for Carla Thomson and Gema Serna Hauayek, foreign exchange students from Mexico, and showing the girls some school yearbooks. The two exchange students enrolled at Loudon High School last week.

Exchange Students From Mexico At Loudon High

Two foreign exchange students from Mexico have enrolled at Loudon High School. They are Gema Serna Hauayek and Carla Thomson. Miss Hauayek is the guest of Janet Keaton and Mrs. Virginia Keaton and Miss Thomson is guest of Kay Stevens, daughter of Mr. and Mrs. John W. Stevens.

Gema, who speaks English, lists her hometown as Mexico D.F. and Carla, who understands and speaks only a few words of English, is from Lagos de Moreno, Jalisco. Loudon High principal Jim Gibson said the two girls both have good personalities and are being accepted very well by the student body at the school.

Gema's father, Luis Serna Hauayek, is a government employe and her mother, Lidia, operates a cafeteria. She has three sisters and three brothers. The girls are all students. The brothers are an administrator in a factory, a teacher and one is a medical intern. Gema's hobbies are going to the movies, riding a

bicycle and outdoor sports. At Loudon High Gema is taking art, bookkeeping, physical education, American History, Home economics and typing. Ask of her first impression of America and Loudon she said, "I think they are good."

Carla's father, Niels, is a country club manager, and her mother, Edith, is a housewife. She has three brothers and two sisters. One brother is a student, the other

two are ranch administrators. One sister is a housewife and one a student.

Her hobbies are horseback riding, motorcycle riding, tennis and swimming. Carla is studying art, English, physical education, band, home economics and typing at Loudon High. Carla said she felt right at home in Loudon and her adopted American family said she was like a sister and loved by the family.

Philadelphia Personal News

Mrs. Bertha Jaynes and Mr. and Mrs. Cecil Jaynes flew to Hammond, Ind. Friday, Sept. 13, to visit with Mr. and Mrs. Emil Jaynes and son. Then all visited with Mr. and Mrs. Jim Emerson and family in Philadelphia, Pa. and also toured Washington D.C. and returned home last Thursday.

Mr. and Mrs. Frank Henderson had a dinner guests Sunday, Mr. and Mrs. Richard Burton, Chattanooga, Dr. and Mrs. John Doris Atlanta.

Misses Ann and Ruth Henderson and Pete Rogers, Knoxville, and Mr. and Mrs. Bill Henderson. Mr. and Mrs. Lee Davidson were weekend guests of their daughter and family, the Rev. and Mrs. Riley Huffstetter and sons in Hillsville, Va. Mrs. Maggie Henderson returned home last Wednesday from St. Mary's Hospital.

Miss Loretta and Mr. Ralph Hamilton with Mr. and Mrs.

Cannon Marks 92nd Birthday

A birthday dinner honoring Mr. Walker Cannon was given on Sunday, September 29 at Sweetwater Park. Mr. Cannon celebrated his 92nd birthday on Friday, September 27.

Guests included Mrs. Cannon, Mrs. Frank Lowe, Mr. and Mrs. Doyle Lowe, Kim and Sonny, Mr. and Mrs. Ernest Ingram and sons, Rev. Thomas A. Jarrington, Tyra Cannon, Belva, Nina, Eddie and Vaughn, all of Sweetwater, Mrs. Belle Eiler, Mr. and Mrs. Earl W. Mauney, Stephen and Jason of Maryville, Mr. and Mrs. Gene Lane of Alico, Mr. and Mrs. Larry Alexander of Oak Ridge, Phillip Bettis of Philadelphia, Mr. and Mrs. Bennie W. Lane and Gret of Lenoir City, Mr. and Mrs. Cecil E. Wallace of Harriman, Mr. and Mrs. Tony Huff and Mr. and Mrs. Howard Bettis, Martha and Stephen, Mr. and Mrs. George Lane and Mrs. Margaret Mills, Stacy and Kim, all of Loudon.

Reid Hamilton of Sweetwater were guests Sunday of their Aunt, Mrs. Z.M. Riley in Richmond, Ky.

Miss Louise Alexander and Mr. A.F. McCrary were weekend guests of Mr. and Mrs. John Lutz and daughter, Jonna Lea in Murfreesboro. Mr. and Mrs. Ed Holland came here last week from Libertyville, Ill. and are presently living at the Hyden home.

Mr. and Mrs. Ray Tate of Concord, N.C. spent the weekend with Mr. and Mrs. Jim Cavett and Mr. and Mrs. George Martin. Sunday, they visited with cousins in Boone County.

Garden Club's Flower Show Oct. 12

The Loudon Garden Club will hold their annual Flower Show, Saturday, October 12 at the Loudon Junior High School from 2 to 6 p.m. Mrs. Grahaime Johnson, Show Chairman, extends a cordial invitation to everyone. There will be no admission charge. Mrs. Johnson stated that there wasn't as much interest in the club's flower show as they would like to have and that she hopes through explaining what a Flower Show is that everyone would consider it a pleasant experience to view the Club's work.

When viewing a Flower Show, it is important to tour the show according to the Club's schedule. They have designed the tour in order that an understanding of what the arranger is trying to convey through her arrangement may be recognized.

Flower arrangements will be divided into four parts: Tri-color, creativity, Award of Distinction and Nature and Art and Industry. Again, the judge may not choose the prettiest but will judge the arrangement on the fact that one entry is customarily superior to another.

Flower arrangement is the art of organizing selected elements according to the principles of design to attain beauty, simplicity, expression and harmony. The elements of design are space, line, form, pattern, texture, and color. The principles of design are

balance, dominance, contrast, rhythm, proportion and scale. The Tri-color class must consist of all fresh plant material. Roses, Chrysanthemums, and mass arrangements are entered in this class.

Section Two in the class of arrangements competing for the creativity award. Here, some plant material must be used, either fresh or dried and accessories may be used, if needed to carry out the theme. For example, one arrangement has the title "Columbus Day" featuring water. This means that the water must be the dominant part of the arrangement. Oriental arrangements and fruit and flower combinations will also be included in this section.

Section Three is for the Award of Distinction. The arrangements in this class will consist of all dried material and some will include weathered wood or driftwood. The homemaker can view ways to arrange dried flowers in an unusual manner or beautiful bouquets to enjoy all winter.

Section Four will be the entries competing for the Nature, Art and Industry Award. In this section the containers will be made from discarded or broken articles, such as parts of lamps, automobiles, pumps, tools, old wire and the like. To combine these articles with plant material in an artistic manner is not easy but it is a challenge to be mastered. To receive

this award is the same as winning a nice prize, catching a large fish or making a good grade on a test. Featured entries will be a halloween arrangement with the title of "Spooky and Kooky" and all white arrangement called "Jack Frost". These arrangements are not used in the home except for special occasions or as a conversation piece.

Mrs. Johnson said that over 50 entries, which will be all different, will be displayed.

Michael Wayne Trout celebrated his first birthday on September 10. He is the son of Mr. and Mrs. Joe Trout, Route 2, Loudon. Grandparents are Mr. and Mrs. J. A. Trout and Mr. and Mrs. N. C. McKeivey, all of Loudon.

Billie Gay Ridge celebrated her second birthday September 7. She is the daughter of S-Sgt. and Mrs. Robert L. Ridge, formerly of Philadelphia. Grandparents are Mrs. Marie Bivens and the late Bee Brookshire. Great-grandmother is Annie Elizabeth Kiser of Loudon. Billie's sister, Robin and her parents reside at Brooks AFB, San Antonio, Texas, where her father is with the School of Aerospace Medicine.

Anna Belle Pledges Meetings Cancer Society Reelects Mrs. Pease President

Anna Belle Clement O'Brien, Democratic nominee for the 36th Legislative seat, which includes Philadelphia, Luttrell and part of Loudon, said in a visit to the area last week that she would hold open meetings with citizens on important state legislation if she is elected to the post in the Nov. 5 General Election.

Mrs. O'Brien, sister of the late Governor Frank Clement, faces Republican incumbent James Melton in the race. She said that she would introduce any private legislation for the county that was approved by the county court or city governments. She was referring to the fact that Rep. Melton refused to sign a county road bill during the last term that had been passed by the county court.

On the public meetings Mrs. O'Brien said she wants to get to know the people of her district and their problems. She said the meetings on legislation affecting the county would be the best way for her to get the feeling of the people and if elected she would do this.

Mrs. O'Brien, a former executive secretary and administrative assistant to two past governors, said she feels her knowledge of state business would be a benefit to her district.

On other issues she said she will push hard to increase aid to education, better programs for handicapped children and mental health programs; to support improved road programs; better job opportunities; improved law enforcement; and to straighten out districts in conformity with county lines. She said many citizens in the 36th district have expressed their desire to see the district composed of complete counties instead of fractions of several counties as they are now in many cases.

ANNA BELLE CAMPAIGNS—Anna Belle Clement O'Brien, candidate for the 36th District State Legislative seat is pictured with her Loudon County Campaign manager J.C. Allmon when Mrs. O'Brien visited the county last Thursday.

Cancer Society Reelects Mrs. Pease President

The Loudon Unit of the American Cancer Society met Thursday, September 26 at the Bank of Loudon City.

Officers were elected for the 1974-75 year. They are as follows: president, Mrs. Harry Pease; vice-president, Mrs. Kenneth White; treasurer, Mrs. John Merrick; secretary, Miss Betty Harrison; public education chairman, Mrs. Charles Morgan; Mrs. Bill Lawson and Mrs. Joe Watkins working with her; public information, Mrs. James Stewart; service chairman, Mrs. Myrtle Moore; memorial chairman, Mrs. John Simpson; and medical advisor, Dr. Walter Shee.

Tom Green, Field Representative for the A.C.S.,

awarded the Loudon Unit a certificate of appreciation for reaching a \$600 goal during the crusade. This is the second year Loudon has received this award.

Mrs. Price, service chairman, reported on service for the past quarter. Patients have received transportation, bandages and other supplies.

Memorial Chairman, Mrs. John Simpson, announced that memorial envelopes are available at all banks and funeral homes in Loudon and Lenoir City. Persons wishing to make a memorial can pick up an envelope, fill it out and mail it to her. They will be acknowledged immediately.

Great progress is being made in the attack on Cancer.

In the past 25 years more progress has been made in the understanding of this disease than in all the history of man. Today one out of every three cancer patients are being saved.

Basically the Society's message is one of conservative hope. The Society's symbol is called the Sword of Hope. The sword represents the American Cancer Society and symbolizes the determination of volunteers, laymen and physicians to conquer cancer. The ACS wages a national attack against cancer on three points: research, education and service.

Airman Coffey Assigned To Lowry AFB

Airman Sarah L. Coffey, daughter of Mr. and Mrs. William E. Coffey of 406 C Street, Lenoir City, has been assigned to Lowry AFB, Colo., after completing Air Forces basic training.

During her six weeks at the Air Training Command's Lackland AFB, Tex., she studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Lowry for specialized training in the supply field.

Airman Coffey is a 1967 graduate of Lenoir City High School.

Skinner In THP School

Michael J. Skinner of Loudon County is one of 29 recruits for the Tennessee Highway Patrol who began eight weeks of intensive training at the Law Enforcement Academy in Donelson Monday.

In making the announcement, State Safety Commissioner Claude Armour stated, "After an intensive recruiting campaign, we have selected 29 applicants from across the state to attend our academy. These recruits were hired after successfully completing the Civil Service Examination and oral in-

Amos Enrolls At Bryan

Gary Amos, son of Mr. and Mrs. H. S. Amos, Route 1, Lenoir City, is one of 110 Tennessee residents enrolled this fall at Bryan College. He is a 1967 graduate of Lenoir City High School. He has attended both Belmont College in Nashville and Johnson Bible College in Knoxville. He entered Bryan as a second-semester student last year.

Hawk Named A G Assistant

District Attorney General H. Kenneth Deatherage, today announced the resignation of Assistant District Attorney General David T. Black of Maryville, effective September 30, 1974. General Black has seventeen months with the District Attorney's Office. In submitting his resignation Mr. Black stated: "This decision results after due deliberation and because I feel that in fairness to you, the Attorney General's office, and the people of the circuit, my law partner, and my civil clients, I do not have adequate time in which to prepare for my assignments as Assistant Attorney General and still provide my civil clients with proper representation. This decision is difficult but I regret to advise you that I hereby respectfully tender my resignation as Assistant District Attorney General for the Fourth Judicial Circuit.

"It has been a most pleasurable experience working with you, John and Ed and I certainly shall miss the challenge and personal satisfaction resulting from this service. Once again, I am grateful for the opportunity which you provided me some seventeen months ago."

In accepting the resignation General Deatherage said: "David Black has served with distinction during the months he has been with this

office. It is with deep regret I accept his decision to resign. His resignation statement is indicative of the caliber young man he is and I respect that decision.

"The office will miss David but we wish for him the best in all his endeavors. I deeply appreciate his work, his loyalty and most of all his friendship."

Simultaneously with reporting General Black's resignation, General Deatherage announced the appointment of Honorable Charles E. Hawk of Harriman, as Assistant District Attorney General effective October 1. Due to prior commitments Mr. Hawk will serve as a part time assistant until January 1975, at which time he will become a full time assistant.

Hawk is a native of Chattanooga. He is married to the former Vickie Baker of Kentucky. They have one daughter, April Dawn Hawk, 19 months old. He is a graduate of Roane County High School. His undergraduate degree at U-T was in industrial management. He graduated first in his 1967 class from U-T law school. He won the Bronze Star for service in the U.S. Army in Vietnam. Hawk has been active in various civic and bar association functions in Roane County.

The Tribe Speaks

LOUDON HIGH SCHOOL JOURNALISM CLASS

The Homecoming candidates were nominated Friday, September 27. They are: Cindy Allmon, Becky Blankenship, Margie Branan, Jewel Horner, Margie Kelso, Sheila Murray, and Owen Phillips. The queen will be elected Oct. 11, and will be announced before the Homecoming game between Loudon and Harriman Friday, night, October 11th.

We had a guest speaker at assembly last week. Rev. Jehn Richardson of the Beaver Creek Cumberland Presbyterian Church, at Powell talked to us about what we thought was the most important in our lives. We enjoyed it very much.

The Math Club elected officers. They are, President: Debbie Smullen, Vice-President: Tim Dixon, Secretary: Donna Kyle, Treasurer: Tonya Williams, and Student Council Representative: Becky Blankenship.

The Vocational Industrial Clubs of America has been started in Loudon County School system. Thursday September 26, they had a meeting at Lenoir City High School to organize their Sub-Regional VICA Club.

Legion Extends Eligibility

Loudon American Legion Post 120 Commander Rolen Bradshaw said this week that he has been notified by Second District Commander Hugh T. Brown that the membership eligibility dates for persons with service in World War II and Korea have been changed.

World War II eligibility has been extended to Dec. 31, 1946, nine months longer than before. Korean vets that served until Jan. 31, 1966, an increase of two years may now apply for membership.

Bradshaw said the move was made by the National Legion organization to allow more veterans an opportunity to join the Legion.

- Election of Notary Publics.
- Adjournment.

BREAKIN SCENE—Mrs. Seigle Bridges discusses with Deputy Lucian Kent what was taken in a breakin at her store Saturday night on Corinth Road. Her grandson, Tony Lindsey looks on.

Thieves Hit Bridges Grocery, Two Charged

LOOT RECOVERED—Chief Deputy Luke Bright and Juvenile Officer Joe Sims are shown with some of the merchandise recovered from a breakin at Bridges Grocery at Corinth Saturday night. A Loudon man and a juvenile have been charged in the breakin.

For the third time in three weeks thieves have hit Bridges Grocery on Corinth Road. Store owner Mrs. Seigle Bridges said the thefts are about to put her out of business.

The latest breakin was discovered Sunday morning. Taken were several hundred dollars worth of merchandise, including meat, cheese, canned goods, toilet items, cigarettes, billfolds, razor blades, soft drinks, and a small amount of change.

The thieves broke in a rear store door to get inside the store. Just a week ago a money bag disappeared from the store, however, the money was later recovered by County Chief Deputy Luke Bright.

Deputy Lucian Kent investigated Sunday's breakin.

Late Monday Chief Deputy Luke Bright and Juvenile Officer Joe Sims recovered

some of the merchandise taken from the last breakin at the store. They issued warrants for Randy Crawley, 19, Rt. 4, Loudon and for a juvenile also from Loudon. Before the defendants could be picked up it was reported that they had left the state.

The New Image To Perform At LHS

A group of four men known as The New Image, a touring Gospel group, will give a performance at Loudon High School at 9:30 a. m. on Wednesday, October 16. The appearance of the widely known singing group is being sponsored by the Loudon High School Prayer Group.

The program will be held in the school auditorium and is open to the public. The admission is 50 cents.

Three of the young men are college students and all are working toward a career in Christian work. In their publicity material the group spokesman said, "we preach the Gospel of Jesus Christ using the same formula as the Church—song and spoken word, but our songs are the kind which young people can identify. We call it Christian contemporary music."

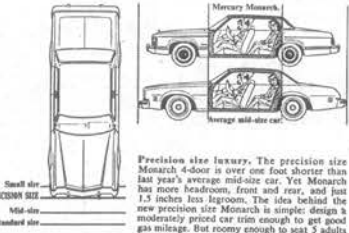

BLANTON VISITS—Democratic gubernatorial nominee Ray Blanton makes a point as he addresses about 50 persons at the Loudon City Utility Building on a visit to the county last Thursday. Seated at left are Jay Shubert of Loudon and Dr. Harold Freedman, Blanton's county campaign manager.

Monarch 4-door sedan. Comes equipped with precision cast 230 CID 6-cylinder engine, fully reclineable European style bucket seats, front disc brakes, solid-state ignition, white sidewall steel-belted radial ply tires, 19.2 gallon fuel tank, high level ventilation, quartz crystal controlled digital temperature, map pockets, carpeted luggage compartment, deeply grained vinyl roof, wire spoke wheel covers, body guard molding, foot-operated parking brake.

SEE THE NEW 1975 MONARCH AT YOUR LINCOLN-MERCURY DEALER TODAY. THE DAY OF THE CAT.

Precision size luxury. The precision size Monarch 4-door is over one foot shorter than last year's average mid-size car. Yet Monarch has more headroom, front and rear, and just 1.5 inches less legroom. The idea behind the new precision size Monarch is simple: design a moderately priced car trim enough to get good gas mileage. But roomy enough to seat 5 adults in comfort. It means engineering a small car around people instead of crowding people into a car.

Monarch's high seat positioning and large window areas offer good road visibility. Its big 14.8 cu. ft. trunk can hold 8 assorted pieces of family luggage with room left over. Precision design, rather than excess weight, makes Monarch strong. And easy to handle. It maneuvers with slight effort through traffic and into small parking places. Monarch has the same number of Ford Motor Company Lifeguard Design Safety Features as our biggest Mercury. And the snug fit and smooth finishes are designed to be of a quality you might not expect in a car of this size.

Practical luxury. European style assist straps and grab handles are positioned strategically throughout its interior. In addition to a generous size glovebox in the dash, roomy map pockets are located behind each front seat. An optional illuminated vanity mirror is mounted on the passenger-side sun visor.

Monarch 2-door coupe. See if the moderate price doesn't surprise you for a car equipped with precision cast 200 CID 6-cylinder engine, front disc brakes, fully reclineable bucket seats, solid-state ignition, steel-belted radial ply tires, 19.2 gallon fuel tank, high level ventilation, opera windows.

Options:

- 230 CID Six
- 302 CID V-8
- 351 CID V-8
- Select-Shift transmission
- Air conditioning
- AM/FM/Multiplex
- AM/FM/MPX tape
- Power steering
- Power brakes
- Power windows
- Rear window defroster
- Power moonroof
- Cast aluminum wheels
- Whitewalls

Monarch has been engineered with more luxuries and offers more options than we've ever built into any small car.

Gas mileage, 18 to 26 mpg under highway conditions and 14 to 18 mpg under city conditions.

Based on results of tests conducted by the United States Environmental Protection Agency (as of 8-9-74) using a dynamometer to simulate city and highway driving conditions on this type of car equipped with 250-1V engine and frequently purchased options. Your gas mileage will depend on the type of driving and driving habits, maintenance, road and weather conditions, and how your car is equipped.

Functional luxury. Instrumentation in the Monarch is clustered for easy reading. Monarch's smooth ride is engineered by the Mercury special-ists. It maneuvers with precision around tight turns, through tangled traffic and into small parking places.

Melton And Deathridge Star

Redskins Avenge 1973 Loss To Karns With 27-10 Rout

The Loudon Redskins posted touchdowns in each quarter Friday night to nail down a 27-10 football decision over visiting Knoxville Karns.

The win upped the Redskins record to 3-4 for the season and dropped the Beavers of Jim Mike Watkins, former Loudon football assistant coach, to a 2-3 slate for 1974.

Loudon's win avenged a 27-10 loss to the Beavers last year when the Redskins offense fell prey to a rash of fumbles and miscues which paved the way for an easy Karns victory.

The Redskins once again found the football to be of some trouble to hang on to, fumbling eight times and losing three. But a stout defense and the 1-2 running punch of Rick Melton and John Deathridge easily powered Loudon over the rough going to stay atop the Region Two double-A standings.

Melton, playing for the first time since the season opener with Kingston, carried the ball 14 times for 104 yards and senior fullback Johnny Deathridge got the call on 16 snaps for another 90 yards of real estate.

All totaled the Redskins team gained 312 yards for the night and a defense led by the bone crushing tackles of Mike Yates, Donnie Thearp, Kenny Skinner, Jeff Nichols, Terry Brown, Sam Lyle, and Marlon Brown limited Karns to 31 yards rushing and 98 yards passing.

Loudon received the opening quarter kick off and Rick Melton advanced the ball 20 yards to the Loudon 34. Melton rushed for three yards

and big John rambled 27 yards off the veer for a first down to the Beavers 14.

Three plays gained only three yards, so on fourth down at the 11 Dennis Queen rifled a pass to tight end Sam Lyle and the senior receiver needed no help in skipping past the double stripes and into the end zone for Loudon's first of four touchdowns. Kenny Skinner surprisingly missed the extra when the Redskins offense fell prey to a rash of fumbles and miscues which paved the way for an easy Karns victory.

The Redskins once again found the football to be of some trouble to hang on to, fumbling eight times and losing three. But a stout defense and the 1-2 running punch of Rick Melton and John Deathridge easily powered Loudon over the rough going to stay atop the Region Two double-A standings.

Loudon received the opening quarter kick off and Rick Melton advanced the ball 20 yards to the Loudon 34. Melton rushed for three yards

and big John rambled 27 yards off the veer for a first down to the Beavers 14.

Three plays gained only three yards, so on fourth down at the 11 Dennis Queen rifled a pass to tight end Sam Lyle and the senior receiver needed no help in skipping past the double stripes and into the end zone for Loudon's first of four touchdowns. Kenny Skinner surprisingly missed the extra when the Redskins offense fell prey to a rash of fumbles and miscues which paved the way for an easy Karns victory.

Finally Loudon got in gear following a 48 yard Karns punt to the Redskins 14 yard line. Six offensive plays and two first downs had advanced the ball out to the Loudon 49 yard line. Rick Melton, who had already rushed for 43 yards in the game, broke loose for a 51 yard scamper with 5:53 left in the half to give Loudon a 13-0 lead. Kenny Skinner's kick was good.

Loudon's defense continued to be too much for the Karns offense but Loudon lost a fumble at the 25 yard line and the Beavers chose to test the Redskins secondary by passing. Two aerials fell incomplete, but on third down the pass was on its mark and the Beavers were on the score board at the 2:18 mark of the first half. The conversion kick made the score 13-7.

The touchdown was the first to be recorded on Loudon this season.

Greg Deathridge fumbled the ensuing kick-off and Karns was back in business at the Loudon 38. Karns passing attack got the ball within field goal range and a offside penalty gave the Beavers two chances to hit the uprights. Thus with four seconds left in the half the score was reduced to 13-10 on a 22 yard boot.

Loudon had some degree of difficulty on offense to start the second half themselves fumbling twice and getting tagged with a 15 yard holding penalty before they got untracked for a 11 play scoring march which covered 48 yards. Dennis Queen legged the ball the final 19 yards for the touchdown and Skinner hit the uprights for the conversion with 3:33 showing in the third quarter.

A 30 yard punt return by Greg Deathridge midways of the final period got Loudon

within 45 yards of the Karns goal line. Six plays later Rick Melton darted off tackle for 15 yards and his second touchdown of the night. Skinner's kick made the count 27-10 and Karns had four minutes to catch up.

The Beavers completed a 30 yard pass to the Loudon 27, but the Big Red defense denied the Karns offense any more footage and as the Knoxville eleven ran out of downs the clock ran out of time ending the game.

Loudon Recreation Department Announces Fall And Winter Schedule

The City of Loudon for the first time will offer a year round recreation program for people of all ages. This is a program in which everyone in the City of Loudon and the communities of Loudon County may participate.

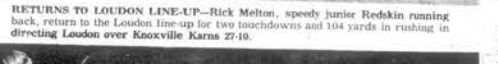

program will have a brochure, put out by the sponsorship of the Hamilton Bank of Loudon, to acquaint these interested people in the various

programs to be offered by the Loudon Recreation Department. Further information on the fall and winter activities and

the sign-up for teams can be done through Mr. Birkholz's office located in the old Loudon High School, or phone 458-5104.

RUN, JOHNNY RUN-Loudon senior fullback Johnny Deathridge rounds the corner off the interference of teammate Kenny Skinner (65). Deathridge rambled for over 90 yards in the win over Karns.

RETURNS TO LOUDON LINE-UP-Rick Melton, speedy junior Redskin running back, return to the Loudon line-up for two touchdowns and 104 yards in rushing in directing Loudon over Knoxville Karns 27-10.

LOUDON PRE-GAME SHOW-Dr. Paul Brakehill, Loudon dentist and sports enthusiast, was joined by the music of the Loudon High School band in singing our National Anthem in pre-game ceremonies to the Loudon-Knoxville Karns football game. The Loudon band is under the direction of Mr. Roy King.

OPEN FIELD TACKLE-Loudon's bruising power runner Johnny Deathridge is knocked to the ground on a good open field tackle by a Knoxville Karns defensive player. Deathridge, nevertheless, picked up a first down before being tackled.

FIRST LOUDON TOUCHDOWN-Loudon senior tight end Sam Lyle takes a Dennis Queen pass on the Redskins first offensive series Friday night for a touchdown in a 27-10 decision over Knoxville Karns.

Archer Wins

The Marentom Golf league ended their league play last week with Reed Stamey winning the last half of play with a total of 60 1/2 pts. Calvin Wilson was runnerup with 56 1/2 pts. Richard Archer, Jim Hamil, and Charlie Ramee rounded out the top 5 places.

Two Time Winner

Webb... Lenoir City... Spartans... Spartans 31-6 Grid Win

LC To Host Cleveland In Homecoming Game

Loudon-McMinn Central Clash In Region II Showdown

LOUDON HOME COMING CANDIDATES—Loudon will observe homecoming next week during the Harriman-Loudon football game.

Lenoir City Sag Gives Spartans 31-6 Grid Win

The Lenoir City Panthers were stung with a 43 yard scoring pass in the final seconds of the first half Friday night at Knoxville Webb to break a 6-0 tie the stage for a 31-6 setback.

Meanwhile the Chargers, who have made the Region Two playoffs for a year ago have dealt defeat for Lenoir City, Harriman, Chattanooga Notre Dame and Cleveland.

The Chargers will be a probable seven point favorite for the key clash with the winner setting in the driver's seat as a prime candidate for a berth in this year's state playdown.

Rockwood could slip into the picture with a possible 74 points, should they secure a perfect regular season. The Tigers are unbeaten at this juncture and play only Loudon any strength for the remainder of the season.

Coach Bert Ratledge and Jim Gibson feel the Redskins are physically ready and that the test of toughness is before them. Loudon has lost the past two meetings to the Charger.

Advance tickets are available for students and adults at the office of Loudon High School. Kickoff time is set for 8 p.m.

Loudon will return home the following Friday for a homecoming game with Harriman.

Lenoir City will entertain Cleveland in the Panthers homecoming festivities for 1974. A pee game chit supper and a couple of daring punt returns by Arbo to add to their point advantage.

Arbo fielded a Lenoir City punt with 31 seconds left in the third quarter and a crowd of Panther would-be tacklers unsuspectingly watching a Mike McKinley punt dribble down the field.

Arbo scooped up the ball on the dead run and a startled Panther punting unit made no effort to stop him and he raced 42 yards for a 24-lead.

Another good punt return and a final two yard drive to the end zone closed out the scoring with 2:25 left in the game.

Lenoir City lost a fumble at the Webb 28 when it appeared they might get back into the thick of the contest. A Danny Hall fumble recovery following a Webb fair catch attempt of a Lenoir City fourth down punt, also seemed to spark the Panther offense.

Getting the ball at the 44 Lenoir City called on Hall for seven rushes and 48 yards. Sophomore Wali Torgeson added 12 yards to the drive, but on fourth down at the Spartan 10 he was turned back for a loss of four yards and the Panther hopes were lost.

Hall ran with determination on the slick and muddy field picking up 11 yards on 16 chances Thaxton gained 41 yards on 31 carries.

Steve Porter came on late to run the ball three times for eight yards.

Defensively Curtis Monger, Jeff Blakely, Mike McShabb and Bobby Smith, and Mike Haynes all graded high on tackling. They also teamed to block four of the Spartans extra kick blocks. Blakely getting two knock-downs.

LENOIR CITY 6 0 0-0-6 K. WEBB 4 6 12-31

Lack Of Interest Could Cancel Golf Tourney

The Loudon City Golf League season ending tournament could well be cancelled if at least 30 of the 40 league players do not take part.

In last week's regular season play Larry and Lynn Millsaps clinched their second league team championship in as many summers with 12 team points for 259 total.

LOUDON CITY GOLF LEAGUE STANDINGS. Table with columns: TEAM, POINTS. Lists teams like Larry Millsaps and Lynn Millsaps, Richard Archer and John Cobb, etc.

Sr. Class Sponsored Tennis Tourney, Starts

A singles tennis tournament, sponsored by the Loudon High School senior class, will begin play Saturday at 9 a.m.

The tourney will run all week with the finals scheduled for Sunday, Oct. 13. Over 100 people will compete for trophies in six divisions.

First round matches are: Boys 18 and under, Intermediate. All matches to be played at Loudon Junior High School courts.

Oct. 7-Teresa Everett vs. Kathy Fulton, 4:30 p.m.; Sarah Johnson vs. Cathy Estes, 4:30 p.m.; Jewel Homer vs. Becky Danco, 4:30 p.m.; Ginger Johnson vs. Sara Chast, 4:30 p.m.; Kim Bremhoefer, bye, J. J. Purdy, bye.

Men's Division: Oct. 7-Beverly Veal vs. Glenda Arp, 4 p.m.; LEE Hodson vs. Susan Barfield, 4 p.m.

Men's Advanced: Oct. 5-Tom Hallett vs. Bill Arnold, 3:30 p.m.; Teedy Barry vs. John Telford, 3:30 p.m.; Bill Gray vs. TWC vs. Joe Luckett, 12:30 p.m.; Larry Briggs vs. Ken Saly, 12:30 p.m.; Allan Johnson vs. Hugh Watson, 3 p.m.; Deaneve Arp vs. Tom Oates, 3 p.m.; Bob Richey vs. Jim Randle, 3 p.m.; Steve McEachon vs. Terry Burnett, 3 p.m.

LENOIR CITY HOME COMING COURT—Lenoir City will have homecoming festivities this Friday night when the Panthers meet Cleveland in football.

HALL GOES TO WORK ON SPARTANS—Lenoir City running back Danny Hall used great individual running efforts to gain extra yardage against the Webb Spartan defensive unit.

PANTHER KICK RETURN SPECIALIST—Elusive Benny Goley of the Lenoir City Panthers races into the clear on a kick return in the Friday night Knoxville Webb-Panther football game.

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Greenback's Lack Of Offensive Punch Yields Football Game To Porter 23-0

The Greenback Cherokeees failed to step across the 40 yard line of the Porter Panthers Saturday night offensively and in turn dropped their third football game of the season 23-0.

The Cherokeees, who have scored but seven points in four games, that a 7-0 win over Lanier, could again not find the correct combination as the veteran Panther team won their third game in four contests.

Greenback's defense, although lacking in size by a considerable amount per individual, played hard and really never were dominated at the line of scrimmage. Probably one of the toughest chores of the night was for Greenback center Rocky Anderson a 185 pounder to block the defensive tackle of Porter which balances the scales at 273 pounds and threw his weight around with authority on the football field.

Greenback received the opening kickoff at their own 13 yard line with Randy Evans hustling the ball back to the 34 for a 21 yard return. Kyle

swapped punts as the game moved into the second quarter. The Cherokeees fumbled on third down at their own 20 yard line and Porter's alert defense claimed the football. Two plays later the Panthers had increased the score to 14-0 with 9:22 left in the first half.

The Cherokeees made their strongest offensive threat of the first half following the kickoff, the Cherokeees were awarded a first down on a 15 yard penalty for roughing the passer at the 50 yard stripe. The Greenback offense crossed into the Porter territory and down to the 44 yard line before punting into the Panther end zone.

Porter displayed their most superior effort of the game as they opened the series from their own 20. Eight plays produced the Panthers with 80 yards of real estate and a touchdown with two minutes left in the second stanza. Greenback's defense forced a bad conversion attempt for a 20 halftime score.

Porter covered the field on two passes of 13 and 14 yards respectively for first downs and an eight yard run set up the touchdown maneuver, an 18 yard pass completion.

Greenback's defense opened the second half with two great efforts of keeping the Panthers in check on consecutive offensive series.

The Cherokeees found themselves backed to their own 13 yard line offensively as the Panthers kicking game became a factor.

A screen pass to running back Jimmy Brooks from Roddy Kizer carried the Cherokeees out of the hole. Kyle Shepherd had just 13 yards on nine tries and Randy Evans gained 23 yards on three running efforts.

Danny Dodson caught two passes in the game and Mark Carver caught his first pass of the 1974 campaign for 10 yards.

Defensively Dodson was in on 14 tackles. Kenny Evans and Jimmy Brooks teamed to make a dozen slips with Randy Evans, Jeff Tipton, and Rick Russell playing tough to the very end.

Coach Keith Bailey was rather optimistic of the game, which was postponed on Friday night due to rain and

STRETCHES FOR FIRST DOWN—Greenback sophomore quarterback Roddy Kizer appears to be stretching for the chalk line in a short yardage dive into the Porter Panther defensive line in Saturday night Foothill Conference grid action.

yard return to their own 35. But the Cherokee defense again proved worthy of the challenge as Porter lost 22 yards in three plays.

The two teams played on even terms the remainder of the game with Greenback resting on the Porter 40 yard line following a 27 yard screen pass to Jimmy Brooks from Kizer as the game came to an end.

Porter was not very effective offensively as they managed but 73 yards of total real estate. Porter had 212 yards in the game. Jimmy Brooks moved the chains 19 yards on six carries and caught two passes for 48 more yards for an individual offensive showing of 67 yards. Kyle Shepherd had just 13 yards on nine tries and Randy Evans gained 23 yards on three running efforts.

Danny Dodson caught two passes in the game and Mark Carver caught his first pass of the 1974 campaign for 10 yards.

Defensively Dodson was in on 14 tackles. Kenny Evans and Jimmy Brooks teamed to make a dozen slips with Randy Evans, Jeff Tipton, and Rick Russell playing tough to the very end.

bruised kidney. If we can get our offenses rolling, I believe we can still have a good season."

Hawkins is expected to play this Friday night, an early first half lead of 12-0 was cut to 12-6 by the half and the Loudon Mustangs stepped up the tempo in their game for a 28-0 victory and the Indians had to battle for a 30-16 triumph.

Spring City took a 8-0 first quarter lead on the Mustangs, but Loudon hit pay dirt on the first play of the second quarter with quarterback

John Cardwell hooking up on a 65 yard scoring pass and run to receiver Van Rallegde. Cardwell's three yard sneak got the two point conversion evened the score at 8-8.

After an exchange of punts the Mustangs once again used the passing combination of Cardwell and Rallegde to cover 24 yards for a 14-8 lead. Kerry Brant Hoover rambled over the double stripes for a two point conversion as Loudon increased the lead to 16-8.

Spring City battled back to tie the score at the half 16-16, scoring in the final 16 seconds of the second period.

Loudon gained the lead for good in the third quarter as Boo Boo Hawkins scooted into the end zone from the Spring City 30 yard line. Hawkins also ran for the conversion points and a 24-16 edge. Hawkins then came back in the fourth quarter to elide through a big hole in the center of the Spring City defense to race 32 yards and the final touchdown of the night. Kerry Brant Hoover put the icing on the Volunteer Conference win by powering his way into the end zone for a two point conversion.

Loudon travels to Midway this Saturday night for a three game encounter.

THREE POINTS FOR PORTER—The Greenback defense which had thrown up a determined goal line stand to prevent the Porter Panthers from scoring a second half touchdown try desperately to block this field goal effort. Pictured for the Cherokeees are Tony Chambers (40) and Kick Russell (74).

Redskins Frosh Rally For Win

The Loudon freshmen football team coached by Larry Bridges and Larry Collins ran their season record to three wins and no losses this past Thursday night by whipping Albion 28-12.

The Loudon frosh did not have an easy evening. An early first half lead of 12-0 was cut to 12-6 by the half and the Loudon Mustangs stepped up the tempo in their game for a 28-0 victory and the Indians had to battle for a 30-16 triumph.

Spring City took a 8-0 first quarter lead on the Mustangs, but Loudon hit pay dirt on the first play of the second quarter with quarterback

John Cardwell hooking up on a 65 yard scoring pass and run to receiver Van Rallegde. Cardwell's three yard sneak got the two point conversion evened the score at 8-8.

After an exchange of punts the Mustangs once again used the passing combination of Cardwell and Rallegde to cover 24 yards for a 14-8 lead. Kerry Brant Hoover rambled over the double stripes for a two point conversion as Loudon increased the lead to 16-8.

Spring City battled back to tie the score at the half 16-16, scoring in the final 16 seconds of the second period.

Loudon gained the lead for good in the third quarter as Boo Boo Hawkins scooted into the end zone from the Spring City 30 yard line. Hawkins also ran for the conversion points and a 24-16 edge. Hawkins then came back in the fourth quarter to elide through a big hole in the center of the Spring City defense to race 32 yards and the final touchdown of the night. Kerry Brant Hoover put the icing on the Volunteer Conference win by powering his way into the end zone for a two point conversion.

Loudon travels to Midway this Saturday night for a three game encounter.

the board in the last period to pull out the victory.

Mark Moore scored three times for Loudon on runs of eight and two yards put the game on ice with a 30 yard interception late in the game.

Loudon's other score came on a 65 yard pass reception and run by flanker David Black, who took the pass from quarterback Eddie Estes.

Dennis Stewart, E. J. Moore, and Steve Schrimsher anchored the Loudon defense by giving up just 25 yards

rushing and 56 yards through the air.

Loudon's offense was sparked by the running of Mark Moore with 70 yards on 16 carries. Freddie Starritt, who accounted the Loudon conversion efforts, had 30 yards rushing.

Loudon had 210 yards of total offense in the game. The young Redskins were to have returned a visit by Lenoir City on Tuesday night of this week and will meet Knoxville Farragut on a Thursday night battle.

WINNERS IN THE OPEN SHOOTING DOG class at Ft. Loudon Bird Hunters field trials this past weekend were Freddie Epp, first place, Charlie Besmer, second and Wayne Ellsbury, third.

Hunters Hold Annual Field Trials

Fort Loudon Bird Hunters Club held their 21st Field Trial on the Red Roberson farm near Loudon on September 27, 28, and 29. Over 128 dogs were entered for the three day event. Dogs were entered from seven different states.

Class winners, dogs and owners are as follows: OPEN PUPPY—first, "Doc", Billy Long of Sardinia, Ala.; second, "Gall Possessed", Al Blanton of Alabama; third, "Buddy" T. Jack Robinson of Dayton, Ohio.

OPEN SHOOTING DOG—first, "Prince Pal" Belle, Lewis J. Lawson of Alabama; second, "The Egottist", Buddy Davis of Greenville; third, "Tango's Flaming Star", Gay Stancell of Gainesville, Ga.

AMT. PUPPY—first, "Clitico Joe", J.P. Kennedy of Madisonville; second, "Rollin's Royal Heir", Robert Rollins of Franklin, N.C.; and third, "Ben", Robert Rollins of Franklin, N.C.

AMT. DERBY—first, "Bud", Bob Norris of Lenoir City; second, "Prince Pal Prissie", Jim Lewis of Anniston, Ala.; third, "Johnny Longshot", Bob Cole of Sparta.

AMT. SHOOTING DOG—first, "Bud", Bob Norris of Lenoir City; second, "White Knight", Jerry Heckler of New Market; third,

"Delivery's Might Mouse", Madisonville; second, "Sam", Bob Cole of Sparta; third, "AMT. ALL AGE—first, "Warhorse Jake's Blastoff", Buddy Davis of Greenville; "Moonchild", J.P. Kennedy of

Shepherd gutted his way for six yards on two carries, but a third down incomplete pass forced the Cherokeees to punt.

Greenback's defense was primed with linebackers Jeff Tipton and Kenny Evans stopping the Panthers from getting a first down. Porter-punted and Greenback had their offensive efforts marred by penalties after gaining a first down at the 40 yard line.

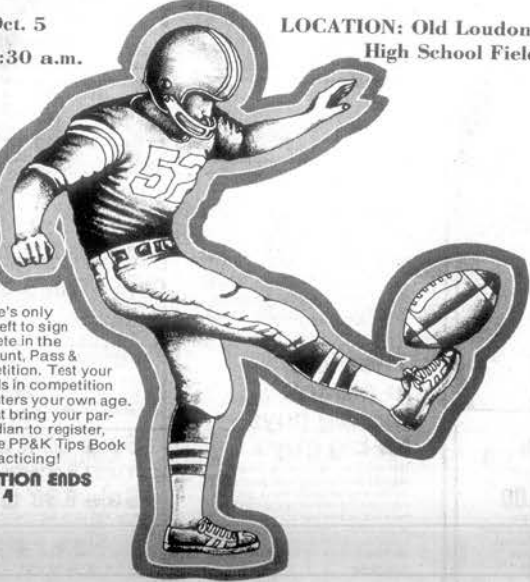

A 15 yard punt, which was partially blocked gave the Porter offense the first break of the game at their own 45.

The Panthers used six plays to cover the required 55 yards for a touchdown with 2:18 left in the first period. The kick was good for a 7-0 score. The clutch play of the scoring drive was 34 yard quarterback-draw up the middle with Greenback defensive back Tony Chambers making the tackle at the one yard line.

Greenback and Porter

YOUNGSTERS 8 TO 13...SHOW YOUR FOOTBALL SKILLS SIGN UP FOR THE 1974 FORD PUNT PASS & KICK COMPETITION

DATE: Oct. 5 LOCATION: Old Loudon High School Field
TIME: 9:30 a.m.

Hurry! There's only a few days left to sign up to compete in the 1974 Ford Punt, Pass & Kick Competition. Test your football skills in competition with youngsters your own age. It's free. Just bring your parent or guardian to register, get your free PP&K Tips Book and start practicing!

Nursing Home To Pay City \$5000 Service Charge

Green Sentenced To 6-12 Years In Pen

Several prison terms have been handed down in Criminal Court cases in the past week. Darl Cronan, tried on six cases of attempted felony and selling controlled substance (drugs) was sentenced to a total of three to five years and fined \$1750.

Jeff Green of Loudon was sentenced to a total of six to 12 years on several cases. He received a three to six year sentence on receiving and concealing stolen property in a jury trial. Then entered pleas of guilty to three charges of breaking and entering and receiving three concurrent sentences of three to six years. The sentences on the latter will run consecutively with the jury sentence. Allen Humphrey was found not guilty on a related breaking and entering case. Charles H. Russell was

found not guilty on a driving while intoxicated charge. Gary W. Packett and Jerry Littleton received a six month sentence for receiving and concealing charges. Packett was also fined \$50 and cost on a guilty plea for leaving the scene of an accident.

Eddie Justice was given a three year sentence for third degree burglary and a one year sentence for selling or aiding in concealing stolen property. Charges of armed robbery against Richard Coker and Otis Duncan were dismissed after the prosecutor in the case did not report for the trial.

Charles Lowe entered a guilty plea to a larceny charge and was given one to three year sentence. Mrs. Jackie Barron was found not guilty on a bad check charge.

The City of Loudon will receive over \$2000 each year from the William Bond Care Inn Nursing Home during the 25 year lease on the facility. This was brought out at a special City Commission meeting Thursday night.

Mayor Gene Lambert who negotiated the agreement said that under the Health and Education Facilities plan under which the facility was established, it is not required to pay property taxes or in-lieu-of-taxes. He said the agreement was worked out based on the services, police, fire, garbage, street lights, etc., the city will be providing. The nursing home is now under construction on State Highway 72 East of Loudon.

The agreement of service charge will be based on 2,200 times the tax rate from year to year. The first year the service charge will amount to \$5,170. Loudon Motor Company was awarded a bid to provide the city with two police cruisers. The city will pay \$7,950 trade-in difference between the 75 Plymouth Gran Fury and the traded 1973 Chevrolet. The new cars will meet the Tennessee Highway Patrol specifications for cruisers. The only other bid was from Miller Motor Company on two 1975 Chevrolet Malibus at a trade price of \$8400.

Two ordinances were passed dealing with the new municipal park. Parking will be prohibited on the Southeast side of U.S. 11 along the park property. Bicycles, motorcycles and all other vehicles will be prohibited from traveling on park property other than the driveways and parking lots.

Highway 72 Work To Start In '75

that none have been discovered so far but investigation of the site has been underway for only two weeks. "I don't think we will ever find a site that ideally fits the recipe," Faust said.

Faust noted that when Exxon Nuclear started looking at the Loudon site several months ago, "we made it clear that we were going to examine several sites for possible nuclear industries, including reprocessing. We are still looking at alternative sites." Faust said that it has not yet been worked out with the AEC how Exxon Nuclear would obtain the land should the firm decide that the Oak Ridge site is the preferred one.

An AEC spokesman said today that Law Engineering Testing Company has been granted an entry permit by the AEC to do the core drilling.

Board Studies

(Continued From Page 1)

Freeman Russell about 12:40 a.m. and was told his bond was cancelled.

The only comments made about the conduct charge was that Sheriff Russell had given him copies of statements made by a man named Polak and another unnamed man. Brown said these charges had been earlier investigated by former Sheriff Freeman Russell and found untrue.

Brown had former Sheriff Russell at the hearing as a witness and Sheriff Bright and Juvenile Officer Joe Sims, but they were not called to testify.

Vonore have been purchased and construction will begin on that section of the road in the spring of 1975. Harry Smith of TVA reported at a meeting of the Tellico Area Planning Council in Greenback last week.

Smith said the section from Pond Creek to U.S. 11 at Loudon will be built later by the State Highway Department, but there had been no schedule projected. TVA has completed about one-fourth of the design work on the Tellico Parkway from highway 95, to Tellico Dam and to Highway 72. Smith reported.

Smith also reported that TVA had 96.6 percent of the tracts of land for the Tellico Dam and Lake project had been purchased which is 88.7 percent of the total 38,000 acres involved in the three counties of Loudon, Monroe and Blount.

Former County Judge Harvey Sproul, who is chairman of the TAPC presided over the business session where a suggested new set of by-laws were offered. Since it was founded in 1967 the group has operated as a citizen sounding board between the citizenry and TVA with about 18 members from each of the counties.

John Mays, East Tennessee Director of the State Planning Office presented the suggested by-laws, which mainly calls for 11 members from each county. After discussion Chairman Sproul appointed county judges and present officers as a committee to further study the by-laws and make a recommendation at the next meeting of the council.

The schedule for the dam closure remains at January 1977 with summer pool level to be reached in March of 1977. At that time the plug in the canal will be blown out and the Tellico water will flow under Highway 95 to Fort Loudoun Lake.

White Cane Drive Set

A goal of \$2,000 has been set by the Loudon Lions Club for their annual White Cane Day drive, which will be held on October 11 and 12. Lion Lloyd Black, chairman of the project, said the goal is an increase of \$800 over last year. Lions throughout district 12, which includes the Loudon club has a goal of \$50,000.

Funds raised in the annual White Cane Day drive are used to support Lions sight conservation programs. The Loudon Lions will set up a road block at the intersection of Mulberry and Grove Streets on the two days and also will collect donations at the Loudon football game on the 11th.

Some of the sight programs supported by White Cane day is the sight screening of school children, leader dogs for the blind, recordings for the blind, the Lions eye bank and others.

In the past the Loudon Lions have conducted a door-to-door campaign to help raise funds, but this will not be done this year.

OES Slates Supper Oct. 5

The Paint Rock Eastern Star will have a covered dish supper, Saturday, October 5 at 7 p.m. at Paint Rock Lodge. All Masons and their families are invited to attend.

Medic Merchant Program Underway At Loudon

MEDIC MERCHANT Hamil Carey of Greer's (right) puts up a membership campaign poster as Tom Brinson, Executive director of the volunteer blood programs looks up with approval.

Loudon residents will have a first-hand opportunity to join Medic tomorrow, Friday, October 4, when the familiar green and white van will be at First Baptist Church. Staff members will be on hand from 10 a.m. until 5 p.m. to answer questions and show the Medic film.

The volunteer blood program is currently conducting a membership campaign in Loudon County and the van visit follows the successful start of the Medic Merchant project sponsored by the chamber of commerce. Medic executive director Tom Brinson says local businessmen are solidly behind the project. "Not one person said no to becoming a Medic Merchant," he says. "There seems to be 100 percent participation. If we missed anybody on our rounds, we sure would appreciate a call to the chamber of commerce. We'll get the material out to him right away."

Merchants taking part in the project display Medic literature so customers can become familiar with the services and benefits offered. Those already signed up are Bowman and Porter Furniture and Hardware, White Store, Arp Grocery, Greers, Tie-Tec Jewelry, Richesin's Loudon Pharmacy, Myers-Hudson Drug Center, Friendly Florist, Loudon County Properties, City Cafe, City Barber Shop, Game's Barber Shop, R. M. Gray Insurance, Bank of Loudon County, Hamilton National Bank, Economy Discount Store, Henry's Shoe Store, Specialty Shop, Duncan Department Store, Family Fashions, Bevin's Drugs, Pauline's Cloth Shop, and Edith and Frances Beauty Shop.

Vocational Club Elects Officer

Vocational-Industrial Clubs of America has formed a Club in Loudon. The club is made up of students from Loudon and Lenoir City who attend the three hour drafting vocational class each day at Loudon. Mr. George Brown is the instructor of this class.

Officers elected were: Sharon Parris, Lenoir City, President; Raymond Watkins, Loudon, vice-president; David Blankenship, secretary of Loudon; Mark Matlock, Reporter and Steve Sartin, parliamentarian, both of Lenoir City.

The Herald Loudon County

The Cattle Crisis--What Is Happening And Why

By Charles F. McCall
Extension Leader

What is causing the current crisis in the cattle industry? Many things have fouled up the workings of the law, but basically the crisis is a result of the old law of supply and demand—as it affects cattle prices on one hand and the cattlemen's costs on the other.

At the moment, we have plenty of fed cattle. In fact, about one-third of the current cattle-on-feed inventory is ready for market, compared

to a normal 20-25 percent ready to move at any given time.

There was a period several weeks ago when we were just about current and working into decreased numbers on feed, and, had the situation continued, we would have been able to maintain a relatively strong market. However, we have recently had a sharp increase in total slaughter including a large proportion of non-fed cattle, and this has put pressure on

fed cattle prices. Weekly slaughter has recently run at 640,000 head or more, compared with a more normal 600,000 to 620,000. The non-fed portion of the slaughter has been around 40 percent, compared with a normal 25 percent or less.

Disruptions of fed cattle marketings, beginning with price controls and other factors, have interfered with orderly marketing of fed cattle and subsequently with feeder cattle. At the same time, as a result of a continuing build-up in our cow herd in recent years (up 5 percent on Jan. 1 compared with 1973), we have increased numbers of feeder cattle. On July 1, the total was about 7 million greater than a year earlier.

HIGH FEED COSTS—The disruptions and number increases have been coming at a time when costs (including grain) are at an all-time high and when feeders are trying to minimize their losses. The combination of the less position of the feeders and the continued high grain costs has reduced demand for feeder cattle, resulting in extreme pressure on prices of feeder cattle, which already were backing up.

Cattle on feed are down 3 million from a year ago. At the same time, yearlings outside of feedlots are 19 percent higher than a year ago, and

calves are up 10 percent. Feedlots are showing little interest in young calves because of extremely high costs of adding gain, while the calf crop this year has increased by 4 percent. Also, more heifers will be available because producers are not now holding heifers back the way they were.

NON-FED SLAUGHTER—All of this has resulted in an extremely wide spread between fed cattle and feeder cattle prices, and it has stimulated the slaughter of non-fed cattle. In many instances, a packer will pay more for a feeder animal than will a cattle feeder. The non-feds include increasing numbers of cows, milk-fed calves, heavy feeder cattle from warm-up or backgrounding operations as well as some short-fed cattle from feedlots. The slaughter includes very little of the traditional "grassfat" 2 or 3-year-old steers or heifers.

Part of the non-fed slaughter is seasonal, and there will be a let-up in the slaughter of milk-fed calves and some other animals. Longer heifer calves will help the industry, but for now, it further depresses fed cattle prices.

The effect of the increased non-fed slaughter is to reduce the demand for fed cattle and to further disrupt orderly marketings as fed cattle are done.

COMING TO A HEAD—As a result of the price and cost trends, both producers and feeders are now in or face extremely unprofitable situations. The supply trends which have developed over a number of years are now coming to a head.

This has stimulated some changes in operations of cow-calf operators as well as feeders—including more producers feeding their own cattle and in some cases forced reduction in cow herds. Many ranchers who had saved additional cows and had not moved all of their yearlings now have another calf crop on the ground. They are going into the winter feeding period facing a sharply lower cattle market and a high priced roughage.

As a result, there has been increased cow slaughter, although it is not likely that the industry this year will do much more than reduce the rate of increase as compared with last year. Total numbers are still increasing and may continue to increase at least into 1975.

Meanwhile, the relatively high grain prices have pushed some cattle out of feedlots earlier than normal, resulting in a significant increase in the proportion of Good grade cattle as compared to Choice. More retailers apparently

have moved to merchandising Good grade cattle, often as boue brands, simply due to the economics of Good versus choice.

CATTLE CYCLE—The entire industry is unprofitable today, and it appears to be in the large supply-low price period of the traditional cattle cycle. Because of the unprofitable situation, herds are reduced, slaughter is increased and further pressure is put on prices. While there are certain factors which cattlemen, as individuals and as an industry, can consider and attack in order to minimize the effects of the cycle, there is no way to really stop the numbers reduction period or the pressure on prices.

Periods like this give rise to poor marketing practices, such as contingent selling of fed cattle, and to a variety of arrangements in an attempt to minimize losses. Some of these things actually fuel the pressure on prices. This is simply because cattlemen are individuals and, while concerned about the industry, they take individual actions which appear to be best for them at the time.

COMPETING MEATS—While beef production is 9 percent ahead of a year ago, production of competing meats simultaneously has been up sharply, adding to the over-all problem. Also, the U.S. industry is affected by the world surplus of beef and

Clarence E. Bowers, son of Mrs. Mildred Brewer, 210 Collins St., Loudon, has been assigned to Aviano AB, Italy, from Charleston AFB, S.C.

Bowers, an Air Force aviator first class, is an inventory management specialist with the 40th Supply Squadron, a unit of the U.S. Air Force in Europe.

by the world demand for reduced grain supplies. Contrary to earlier cattle cycles, however, higher feed prices also are forcing reductions in swine breeding herds and poultry flocks. Coupled with cattle herd reductions there ultimately will be substantially reduced supplies of meat and higher prices, although, during the period of herd reduction, supplies will continue large. And many in the industry will be irreparably damaged.

Unfortunately, the problems of this particular cattle cycle are compounded by factors beyond the cattlemen's control—things like the high grain costs and extreme inflation of interest and other costs. This has reduced the cattlemen's ability to pare back production costs as in the past. Also, there is less availability of credit and financing, because of the national and international economic situation. Financial institutions now have more alternatives for the lending of available funds, and they tend to put funds where returns and security are best.

CONTINUING TREND—In summary, for at least the next year, the industry faces a continuing trend of herd reduction with increased meat supplies and pressure and pressure on prices. And there is little, if any, way to alter the general course of things, which as been developing for the past several years. Panic, irrational marketing practices, further with-holding and similar approaches will only intensify the adverse trends.

The concept of orderly marketing, at both producer and feeder level, is an essential tool to minimize losses. In addition, individuals must keep informed on prices which will in or keep from pushing the market even lower.

In a free market supply-demand business like the cattle business, these cycles have always occurred, and the industry eventually will work out of this one—possibly even faster than in the past—but difficult times will continue at least well into 1975, and

possibly longer. As individuals and as groups, cattlemen must identify the problems and then take action where positive results can be obtained. This industry should avoid actions which merely raise dust and achieve nothing.

Now he wants to sell it!

You've been thinking about that acreage for some time—it's good land and offers a great opportunity to expand. Can you afford that big step forward? Adequate financing can be the key.

Long-term credit, at competitive interest rates, through the Land Bank Association, can spread expansion costs over extra years for smaller payments. Come by soon—you may be pleasantly surprised at what you can afford.

MRS. JONES
Mrs. Maude McNabb Jones, age 88, Route 2, Greenback, died Monday, Sept. 30 at her

home. Daughter of John and Katherine Richards McNabb. During her active years she was a member of the Cloyd Creek Presbyterian Church. Survivors: son, John Alexander Jones, Greenback; daughter, Mrs. Iza (Willie Kate) McDonald, Greenback. Funeral services were held

Wednesday at Ashley Chapel Methodist Church, Rev. Floyd Wait officiated. Interment, Church cemetery, McCammon-Annonas in charge.

MRS. BROWN
Mrs. Leona Carmichael Brown, age 72 of Route 4, Loudon, died Monday, Sep-

tember 23 at Sweetwater Hospital. Member of the Mount Olive Baptist Church and Loudon Chapter 47 of the Eastern Star.

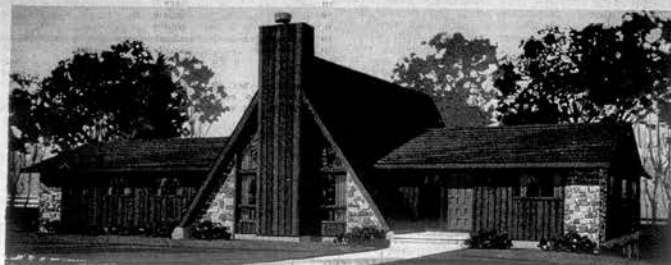

Survivors: sons, A.C. (Babe) Brown of Philadelphia, Cecil Brown of Cincinnati, Ohio and James E. Brown of Loudon; daughters, Mrs. Vickie Wilkerson of Loudon, Miss Pearl Brown of Broey, N.Y., Mrs. Paulette White of Loudon; 18 grandchildren; sister, Mrs. Victoria Paulmer, Loudon; brother, E.C. Blair of Cincinnati, Ohio; three daughters-in-law, one son-in-law; two aunts; six nieces; one nephew; four sisters-in-law and two brothers-in-law.

Funeral services were held Thursday at Ratterman Chapel in Louisville, Ky. Announcement courtesy of Clark Funeral Home, Loudon City.

Burley Penalty 70 Cents

The penalty rate for excess marketing of burley tobacco during the 1974-75 marketing year is 70 cents per pound, according to Fred Pippis, Chairman of the Loudon County Agricultural Stabilization and Conservation (ASC) Committee. Pippis said the penalty rate

for burley and other types of tobacco was announced recently by the U.S. Department of Agriculture. The Agricultural Act of 1938, as amended, provides that marketings of burley in excess of 110 percent of a farm's poundage quota are subject to penalty. Pippis said the most prevalent type of case where penalties are collected is when the quota tobacco produced on one farm is sold on the tobacco marketing card for a different farm. He urged Loudon County growers to use special care to see that they did not become involved in such illegal practice.

THREE BEDROOMS, TWO BATHS

CONTEMPORARY HOME FEATURES ACTIVITY AREA

FEATURE HOMES

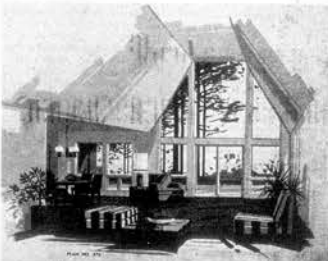

By W. D. FARMER

This contemporary A-frame home centers around a large activity area. Of particular interest are the fireplace at one end and the open air effect created by the cathedral type ceiling, the generous use of glass and the open view

into the dining area. The U-shaped kitchen is a real step saver and has lots of cabinet and counter space. Location next to the dining area and the activity area allows easy access to either. Adjacent is a laundry area with washer-dryer connections. All three bedrooms are grouped in a wing to help divide the home into "active"

and "quiet" zones. The master bedroom has a large walk-in closet for storage, a dressing area with vanity, and a private bath. Each of the other two bedrooms has ample closet space and hall access to a full bath with a vanity. The contemporary exterior of this home features A-frame construction over the activity area. Vertical siding

and stone veneer combine with the window placement to reinforce the design. A traditional front is also available with the plan. The home contains a total of 1877 square feet of livable area. For further information on plan 52EA, write W. D. Farmer Residence Designer, Inc., P.O. Box 49468, Atlanta, Ga. 30359.

MR. RUCKER
Bruce Rucker, age 53, of Loudon, Route 1, died in the VA Hospital, Mountain Home on Sunday, September 26.

Survivors: four daughters, Mrs. Mary Sue Biedose and Mrs. Ann Bridges, both of Loudon, Mrs. Clara Dawson of Georgia and Mrs. Kay Rodgers of Loudon City; a brother, Sam of Loudon; seven grandchildren.

Funeral services were held Thursday at Mount Olive Baptist Church, Rev. Thomas Radogee, Rev. William Price officiated. Interment, Riverview Cemetery, Riverview, Loudon, in charge.

MR. JOHNSON
Ed (Snooks) Johnson, age 47, of Louisville, Ky., formerly of Loudon City, died Wednesday, September 25 following a heart attack.

Survivors: wife, Mary Ruth Davis Johnson; two daughters, Sharon Morehead, Judy Stamer, both of Louisville; son, Barry Johnson of the home; two grandchildren, Eddie and Sylvia Morehead; mother, Mrs. Frankie Johnson, Coffman; step-father, Bill Coffman of Loudon City; four brothers, W. H. and Joe Johnson of Anderson, Ind., J. C. of Chattanooga, Jack of

Thank You

The members of L.L. 2544 IAM-AW want to take this opportunity to thank all our friends who helped us financially and with their moral support during our successful strike against Union Carbide.

Without this help, we feel this campaign would have been much harder.

L.L. 2544 wants to become a part of the Loudon-Lenoir City area and be friends with everyone, working together for the economic growth of the community.

Again, thanks to all who helped us.

ROSS H. WILSON, Superintendent
Lenoir City Schools

Annual Southern
Association Meeting
Held at U.T.

The Tennessee Superintendents and Principals of Southern Association high schools in East Tennessee had the annual meeting in Knoxville on Monday of this week. The meeting was held at University Center and was chaired by Dr. Russell French, College of Education, and a member of the state committee for Southern Association of Colleges and Schools. Dr. Herman DePriest, Chairman of the State Committee, Dr. Clyde Orr, East Tennessee State University and a member of the State Committee, and Dr. O. C. Stewart, Member of the State Committee and Coordinator of the Evaluation Team that evaluated Lenoir City High School last April were also in attendance at the area meeting.

Dr. Marshall Peritt, Assistant Superintendent of Shelby County Schools, gave the keynote address on the subject, "Ways and means of self-improvement—Staff and Personnel". Dr. Joseph Johnston, Associate Executive Secretary, Secondary Commission of Southern Association, Atlanta, Georgia, gave an overview of the Annual Meeting in Dallas in December as well as other

information concerning changes in standards to be considered at the Dallas meeting. Dr. Johnston also discussed other topics, including Unit Schools, Professional Growth, Five and Ten Year Evaluations and Computer Reports.

Member schools were given computer reports of their standing in the Southern Association. Some schools had major deficiencies that must be removed or membership will be withdrawn within a certain period of time.

The degree of excellence which a school shall attain to hold membership in the Association is determined by measuring its program in terms of a general purpose deemed sound for schools of the Southern Region and in terms of certain requirements which the Commission holds to be necessary if this purpose is to be accomplished. The school's purpose, together with the criteria and standards related to its accomplishment, become the criteria in terms of which the excellence of the school is judged and accreditation granted.

Laboratory For Small Engine Repair Arrives
The laboratory for the new vocational program, Small Engine Repair, has arrived

VIEW FROM THE HILL

Edward Headlee
Louidon County School Superintendent

Board Meeting

The Loudon County Board of Education will hold its regular monthly meeting on Thursday, October 3 at 7:30 p.m. in the superintendent's office.

Until Christmas it will be necessary for the superintendent to be out of the office

and will be installed at West Hill School. The Laboratory will be installed by a factory representative of the company that sold the laboratory and should be ready for operation within the next few days. The laboratory was purchased as a package for teaching small engines and cost almost \$7,000. The entire cost of the laboratory was borne by the state and the program is operated by the Lenoir City Board of Education. Students from Loudon County high schools attend this program by contractual agreement with the Lenoir City Board of Education. Some forty-eight boys from Lenoir City and Loudon County are enrolled in Small Engine Repair. Prof. Earl Brown of Lenoir City is the teacher. Several Special Education students are enrolled in this program and according to Mr. Brown, they are doing satisfactory work and making progress.

after 2:30 p.m. on Mondays due to a class at the University of Tennessee. The other office hours will remain the same as previously announced.

New Phone Number
The superintendent's phone number has been changed. The new number is 438-5411.

The phone company has installed new phone equipment so that we can better serve the citizens of Loudon County.

Superintendent's Conference
The annual superintendent's conference in Gatlinburg was held on September 22-23. Much valuable information, especially for new superintendents, was passed around. I feel that useful insight into some of our local problems was gained at this meeting.

Reading Program
The new state-wide reading program for all children in grades 1-3 will be starting around the first of the year. This program will utilize a reading specialist and aide to work with all teachers in grades 1-3 in Loudon County. This program is not designed as a remedial step for weak or slow readers, but is intended to serve all children within the specified grades. We sincerely hope that these youngsters will be better and more interested readers than the

majority of young people who currently graduate from our public schools.

AGENDA
Loudon County Board of Education
October 3, 1974

The items of business and reports for this meeting of the Board are as follows:

1. Approval of minutes of September meeting. (copy attached for inspection.)
2. Policy on transportation of non-bus children.
3. Report on keeping children of working parents until 3:15 p.m.
4. (a) Report of audit of cafeteria and activity funds of County schools. (b) New contract for audit of school funds for 1974-75.
5. Release of liability form for Loudon High School extracurricular events.
6. New Providence cafeteria.
7. Salary of Mrs. Azalea Limburg for 1974-75 (retirement year).
8. Philadelphia School: (a) basketball coach situation (b) new boiler. (c) assistant for custodian - 2 hours per day.
9. Report on Loudon High School baseball team.
10. Election of new teachers.
11. Election of Board representative to attend T.S.B.A. meeting in October.
12. Report on Southern Association of Colleges and Schools.
13. Report on architect.
14. Request for approval of L.H.S. band trips for school year 1974-75.
15. Comparability of effort requirements for Title I.
16. Other business which may be brought before the Board at this time.

Local Power Companies Urge 20 Percent Customer Use Cutback

Customers of electric power distributors serving Loudon County, Ft. Loudoun Electric Cooperative, Loudon Utilities and Lenoir City Utilities, are urged to drastically cut back their electrical use, in an announcement made this week by William Hoddleston, Charles Burnett and Kenneth Dutton, managers. They said that a coal shortage at TVA steam plants is seriously threatening the region's power supply for this winter. Coal is used for generating three-fourths of the TVA power supply.

"We are asking for full cooperation from all our customers—residential, commercial, and industrial—so as to avoid such drastic measures as some type of rationing or rotating blackouts," said the managers. They added that reduced electrical use must continue until further notice.

The managers explained that their agencies have been promoting energy conservation all year, through publicity and the availability of pamphlets, bumper stickers and other material. "But the present fuel shortage will require more stringent actions than just turning off a light or

turning down a thermostat," commented the managers. "Now we should use only essential appliances and other electrical equipment and only when absolutely necessary."

TVA, Ft. Loudoun Electric Cooperative, Loudon Utilities and Lenoir City Utilities have all implemented a severe internal curtailment of electrical use at all their facilities. Their customers are advised to concentrate on heating, hot water, lighting, and major appliances in curtailing their use.

For example, heating thermostats should be kept no higher than 68 degrees, and lower if possible. A setting of 65 degrees will save 18 percent more electricity than 68 will and thermostats set at 60 degrees will save 41 percent more electricity than a 68 degree setting.

"These temperatures may require a change of dress and life style," commented the managers. "But a little inconvenience and discomfort is much better than the suffering that would result from interruptions in electric service."

The managers pointed out that TVA is trying to increase purchases of coal, but without much success. "The coal shortage is nationwide," they said "and coal production is expected to fall short of demand by about 39 million tons this year."

Managers said that they and TVA will keep electric consumers informed of the situation through further reports, as well as providing more details on ways the consumer can reduce his use of electricity.

Lankford To Speak At Coop Annual Meeting

Darrell M. Lankford of the Tennessee Valley Authority, Office of Power, will present "The Nuclear Energy Age" program at the Annual Membership Meeting of the Fort Loudoun Electric Cooperative on Saturday Oct. 5 at 1:35 at the Madisonville Junior High School.

The presentation Mr. Lankford will give will center around the peacetime uses of Nuclear Energy dealing with energy production through Nuclear Power. He will cover subjects dealing with low level effects of radiation, thermal pollution and major nuclear accidents from a positive point of view. He begins his presentation with a discussion of the atom—what it is, its parts and what an isotope is and how one is made. He then will explain the history of nuclear fission and its results. He will use a model of a nuclear reactor with its fuel rods, control rods and fuel assemblies to explain the safe operation of a modern nuclear power plant. The audience will

be given a chance to participate in the program with a discussion on radiation. He concludes his presentation with a discussion of the uses of radioisotopes in medical applications. The purpose of this program is to inform and educate the public by trying to dispel their misconceptions about Nuclear Power.

degree setting. "These temperatures may require a change of dress and life style," commented the managers. "But a little inconvenience and discomfort is much better than the suffering that would result from interruptions in electric service."

The managers pointed out that TVA is trying to increase purchases of coal, but without much success. "The coal shortage is nationwide," they said "and coal production is expected to fall short of demand by about 39 million tons this year."

Managers said that they and TVA will keep electric consumers informed of the situation through further reports, as well as providing more details on ways the consumer can reduce his use of electricity.

garage was about all there was in this section except the old ice plant. As you can see this area has grown. We would like to have some old pictures taken back in these years. If you should have one and would let us use it, please give us a call. Well, that's it for now. See you next week.

Revival Set At Bethel
Loudon Band Boosters To Meet Tonight

Revival services will begin Sunday, October 6 at Bethel United Methodist Church. Dr. H. M. Russell will bring the messages each night with services beginning at 7 p.m. Mr. and Mrs. Bernie Ray Swiney will be in charge of the music. Rev. W. H. Horner invites everyone to attend.

The Loudon Band Boosters will meet Thursday, October 3 at 8 p.m. in the Bandroom. President Charles Jones urges all band parents to attend to discuss the trip and transportation to Bristol.

BACK IN THE GOOD OLD DAYS

We have run some unknown pictures in our column over the past few weeks and the interest people have shown in looking at them has been very good. We will report on some of them in the next week or two. We appreciate the interest and help from everyone.

As a conclusion to this group of old pictures we have used, we are using the last of them, which we think is a church group. Again we don't know anything about the picture except it was located somewhere in the Loudon County area. We are not familiar with a lot of the old buildings in the Greenback area so it is quite possible that this building is located there

or maybe has been torn down now. One thing that was interesting to us about this old picture was the design of the stairs, which lead up from each end of the massive porch. Note how they make the turn to the upper level and it looks as though they meet at the top at a large entrance. This possibly was not an unusual design in that era but certainly there are few of these old buildings left.

Much of our area housing of the early 1890's was influenced by a variety of designers from the old world. It is sad that so many of them have been torn down. I am not opposed to progress but I loved these old type houses.

Many times we receive pictures through the mail and we appreciate this very much. A few days ago Mrs. Nell Dial sent us three pictures of her family which was well known in our area. One of them was a color picture which won't reproduce in our printing process but the others we are using are as follows: John Wyle Hill, father of Tom Hill

and grandfather of Mrs. Dial. According to Mrs. Dial, John Hill was prominent in many areas of the development of Loudon County. He lived all his life in this area and is buried at New Providence cemetery.

The other picture is of the John Hill family. Along with Mr. Hill are his wife, Isabella Hotchkiss Hill and her three youngest children. Next week we will have more information on this family.

We mentioned something the other week about the late Cannon Lenoir who was a good friend of ours. We were talking to some of our readers about Mr. Lenoir and they were recalling the ultra modern garage he built in Loudon's West End. It is the building now occupied by Delaney's Repair Shop and in its day it was the most up to date building on Lee Highway or the newly opened Highway 11. The opening of this highway in the late 20's was the link between North and South and was highly traveled as it still is today. I am sure this was Mr. Lenoir's reason for choosing this site for his business. It was thought at that time that Loudon would rapidly expand to the West. It did develop in the residential sections fairly fast but the business section kind of bogged down. Possibly because of the depression which hit about this time. The growth was to come after the end of World War II.

IT ALL ADDS UP!

Condemnation Of School Site Sought By Board

The Governing Board of the Vocational Technical Education for Loudon County has recommended to County Court that a 15-acre site on the Paul Williams Farm just off Harrison Road on West Hills Drive be condemned for the proposed \$1.8 million vocational school.

The Governing Board held two meetings in the past week after sites for the school were reviewed by Charles Haile, state site inspector for the school.

Funds for building, equipping, and operating the school will come from the state, after the county purchases the site.

Both the Loudon County and Lenoir City School Boards serve as the Governing Board. The Board had rated four sites as recommended by the State. The Williams site, which reportedly is now owned by Williams' son and daughter was first. Second was one owned by Dr. David Jones, third is property owned by Carl Alford.

Property owned by Jim Fine was listed as fourth by the Governing Board but the Board reported that stipulations in the sale and the fact that sewer service was not immediately available

were the reasons it was not considered further.

According to the Governing Board the owners of the three selected sites, which are all located on Harrison Road near Lenoir City High School, refuse to sale or discuss a price.

For this reason the Governing Board's recommendation was made to county court by County Superintendent Edward Headlee.

After hearing the proposal County Court referred the matter to the Budget Committee for further study and recommendation back to the court.

Bettye Pope of Loudon Properties was at the court meeting and said she represented Mr. Fine and that there were no stipulations in the sale of his property. That it was available for \$300 per acre and wanted the Fine property to receive equal consideration.

Dr. Rose Wilson, Superintendent of Lenoir City Schools, said that the decision on the land, its purchase or acquisition by condemnation were holding up the project. He stated if the county does not get the land the project could be lost.

LOUDON, TENNESSEE, THURSDAY, OCTOBER 10, 1974

15 CENTS PER COPY

BAND RATED SUPERIOR—The officers of the Loudon High marching band are shown with the trophy the band won Saturday at the Southeastern Band Festival in Bristol along with a number 1 or superior rating. Pictured are Band director Ray King, Nancy Clinton, Sandra Shell, assistant director E. D. Sharp, Rick Jones, Bam Boone, Roy Paul Hodge, Richard Wilkerson, Terri Shinliver and Jody Kudd.

Loudon Band Rated Superior At Southeastern Festival

The Loudon High School marching band received a Superior (No. 1) rating at the Southeastern Band Festival last weekend at Bristol, Va. The band under the direction of Ray King was in competition with 22 other bands from surrounding states.

The last time the LHS band received a superior rating was in 1964. Mr. King said the precision drill routine used by the band was a patriotic presentation using an angle entrance to the field featuring presentations by the flag, rifle and color guard corps. The 81 band members left for Bristol at 4:30 a.m. Saturday morning after being up until midnight from the Friday football game at McMinn Central. King said they marched in a parade in Bristol and competed in the marching competition and returned to Loudon about 10:30 Saturday night.

This weekend, King and assistant band director E.D. Sharp will take the band to Cleveland for the Tri-State Marching Festival.

Band officers are Sandra Shell, drum major, Captain Roy Paul Hodge, First

Lieutenant Richard Wilkerson, secretary, Pam Boone, Sgt. at Arms Rick Jones, Second Lt. Terri Shinliver,

rifle captain Nancy Clinton, flag captain Karen McCollister and colorguard captain Inaugue Green.

Burglars Take \$1300 At Greenback Truck Stop

Some \$1300 in cash was stolen from the Shady Side Truck Stop on Highway 411 at Greenback sometime Sunday morning.

County Deputy Lucian Kent said Shady Side owners told him that they closed at 7 a.m. Sunday morning and when preparing to reopen at 8:30

a.m. they found a milk can where receipts for a weeks' business was being kept was gone. Apparently the thief entered the building by cutting a screen on a window on the rear of the building.

Authorities are looking for a blue car that was seen at the truck stop about the suspected time of the robbery.

Squires May Junk Personnel Pay Plan

Members of County Court were vocal in their disapproval of the award of recent pay increases to deputy clerks in three fee offices of the county allowed by Chancellor James Phillips. A discussion of the lawsuit, which saw raises in pay for deputy clerks range from \$100 to \$530 per month, took more time and any item during the two and one half hour court session Monday night.

The discussion ended with the county personnel committee of the court plus budget director June Custard to study the impact of the act or if the county could continue the policy.

At the opening of the discussion Judge Bill Russell explained that the Chancellor had ruled that the county court did not have the authority to set salaries even with a personnel policy and it was his duty to set the pay scale for the fee offices.

Judge Phillips granted a pay raise to the deputy clerk in the Register of Deeds' office from \$350 a month to \$400 a month. The Trustee's deputy clerk from \$4,800 a year to \$6,500 a year, and raised the three full-time clerks in the County Clerk's office from \$400 to \$500 a month.

Squire J.J. Blair said the taxpayers are stuck with something that the court has nothing to do with. We pay 60 percent of the insurance and 60 percent of the retirement but we don't have any authority in their pay. Blair said, "we created all these benefits and are now getting slapped in the face by the people we were attempting to help, maybe we should just cut the retirement and insurance programs."

Squire I.D. Conner said he didn't feel good about the decision, it was not fair to the people who worked in on-fee offices. He said the clerks in the county court clerk's office got fair raises but the others were excessive. He commented that some of the

people had to take work home at night and attend night meetings, but the ones that got the big raises don't do that as far as he knows.

Fourth District Squire Boyd Duckworth said, "if we don't have any say so in the matter of pay we have no business paying the insurance and retirement and we should not pay it."

Squire Blair said if the people in the County Court Clerk's office had stayed with the plan they would have made more over a four year period. He said the pay will stay the same for four years as he understands it.

Court Clerk Edward Alexander said he understands he can file a lawsuit each year if he wishes. Judge Russell said he thinks the ruling is for four years, but he could be mistaken.

Judge Russell said the ruling puts the Court in a bad situation with other non-fee offices, such as the solid waste department and Property Assessor where employees

(Continued on page 6)

Wright Draws Six Jail Sentences

Ralph Wright received six jail terms in Criminal Court last week. Wright received six months each for forgery two counts and uttering and passing a forged instrument. He received two 11 month and 29 day terms for joyriding on a charged reduced from receiving and concealing stolen property. He also received a 90 day sentence for petty larceny.

Bill F. Bussell, who was arrested in a bootlegging raid by Sheriff Guy Russell, the night he took office, was fined a total of \$1000 and sentenced to 30 days in jail for selling illegal whiskey and possession of intoxicant whiskey. Eddie Bivens, arrested with Bussell was fined \$100 for possessing intoxicant whiskey.

Johnny Guider received a two to five year prison sentence for felonious assault with intent to commit murder.

Two years in prison was given to Lowell Stevens on a uttering and passing a forged instrument charge. Stevens was also sentenced to 11 months and 29 days in jail for contributing to the delinquency of a minor.

James Rogers was fined \$50 and sentenced to 30 days in jail with 28 days suspended on payment of fine and costs for driving while intoxicated.

Larry Walden was placed on probation after receiving a one to three year prison sentence to arson. Daniel Polson also charged with arson will go on trial on Oct. 28.

Joe Smallen was given a 30 day suspended sentence on a worthless check charge pending payment of the check and costs.

Not guilty verdicts were returned in favor of Mrs. Jackie Barron for bad check and Alvin Barron for receiving stolen property. Barron was also given a six month jail sentence for escaping jail. Glen McClure was found not guilty on a disorderly conduct charge.

A hung jury resulted from the trial of Bud Covington and Don Waldrop for concealing and aiding in a case where allegedly 30 pigs were stolen from a farm at Eatons. The jury reported it was deadlocked late Monday night to four for conviction.

Lions White Cane Days Friday, Saturday

The Loudon Lions Club will set up a road block at the intersection of Mulberry and Grove Streets on Friday and Saturday, October 11 and 12 and also will collect donations at the Loudon-Harriman football game Friday night for their annual White Cane Day drive.

Lion Lloyd Black, chairman of the project, said the Loudon Club has set a goal of \$2,000 for this year's drive which is an \$800 increase over last year.

Funds raised in the White Cane Day drive are used to support Lions sight conservation programs. Some of the sight programs supported by White Cane day is the sight screening of school children, leader dogs for the blind, records for the blind, the Lions eye bank and others.

Black urges all citizens to give either at the road block or at the high school game as door-to-door solicitation will be conducted as in the past.

Ambulance Service To Stage School Bus Disaster Friday

A mock disaster involving a school bus with about 20 persons injured will be staged to test the readiness of the Loudon County Ambulance Service about noon Friday. The fake accident will take place near Loudon High School.

Ambulance Service Director Bill Sweet said that Dr. Harold Freedman will coordinate the disaster with the hospital. He said that emergency vehicles from the

Ambulance Service and all personnel will be involved. The accident patients will be students in the health occupation classes.

Also included in the test will be units from the Sheriff's office, Rescue Squad, Highway Patrol, fire departments and city police.

Sweet said each "victim" will be tagged with selected injuries and the ambulance attendants will treat them in transport and then at the

hospital emergency room personnel will assist with treatment and placement in the hospital for further treatment as would be done in a mass emergency where facilities of the emergency rooms would not be adequate to handle treatment.

Sweet said he wanted the public to be aware of the test because vehicles will be using emergency equipment and radio transmissions will seem that there is an actual emergency.

CARE INN CONSTRUCTION—Construction on several wings of the 90 bed Care Inn Nursing Home at Loudon is shown in progress. The \$1 million facility is to be completed early next year. The William Bond

Company, owner of Care Inn said the building is being built to convert to 130 nursing beds, but the facility is currently licensed for 90 beds.

For and about Women

Joy Adams Is Wed

Miss Brenda Joyce (Joy) Adams and Larry Dean Reese exchanged nuptial vows in an afternoon ceremony at 3 p.m. on Saturday, September 21 at the First United Presbyterian Church of Greenback. Rev. W.D. Thomason performed the double ring ceremony.

Joy is the daughter of Mr. and Mrs. James H. Adams of Greenback. Parents of the groom are Mr. and Mrs. U. Paul Reese of Joelchick. Rev. W.D. Thomason performed the double ring ceremony.

Grandparents of the bride are Mrs. J. Harold Adams of Mansfield and Mr. and Mrs. Glenn Thurman of Copperhill. Larry is the grandson of Mrs. Paul Reese of Chestnut Hill and Mrs. Rachel Baxter of Newport.

Mrs. Mary Sowders, organist and Miss Meribeth Hammonree, vocalist present "The Wedding Song".

The bride, given in marriage by her father, designed and made her gown. Flocked silk organza covered polyester taffeta featuring wide satin ribbon around the empire waist and the hem of the skirt. The long sheer sleeves were accented with band and covered buttons.

Her train featured lace edging with lace daisies and seed pearls accenting the satin ribbons. She carried a bouquet of white and yellow roses.

Fellowship Hall of the church. Mrs. Fred Bell of Greenback was in charge. Those assisting were Mrs. Robert G. Willis, Mrs. Jimmy Greene, Pam and Glenna Owen, Mrs. Karen Clark, Miss Brenda Boruff and Mrs. Glen McTeer.

Following a trip to New Orleans, the couple will make their home in Nashville.

The bride is a graduate of Greenback High School and has attended East Tenn. State Univ. for two years where she is a member of ETSU-KOTC-Sponsor Corps. She is a special education major and worked at Daniel Arthur Rehabilitation Center in Oak Ridge his past summer.

The groom is a Cooke County High School graduate and a graduate of East Tenn. State University receiving his BS Degree in Marketing. He was a distinguished military

student and has served as 2nd Lt. in U.S. Army at Ft. Knox, Ky. and Ft. Benning, Ga.

Out of town guests include: Mr. and Mrs. Glenn Thurman, Copperhill; Mrs. E.H. Rowe, Miss Ernestine Rowe, Mr. and Mrs. Bernie Martin of Augusta; Mrs. Robert G. Willis, Eden, N.C.; Mr. and Mrs. Jimmy Greene, Rucker, Ga.; Mr. and Mrs. Jimmy Johnson, Grayson, Ga.; Mr. and Mrs. Ed Bailey, Mineral Bluff, Ga.; Mr. and Mrs. Larry Satooll, Atlanta, Mr. and Mrs. Luther Taylor, Mrs. Rachel Baxter, Goldie Leatherwood, Mr. and Mrs. Melvin Watson, all of Newport Mr. and Mrs. Dean Anderson, Johnson, Mr. and Mrs. Sam Baxter, Mr. and Mrs. W.T. Berryman, Ft. Rucker, Ala.; and Capt. and Mrs. Don Davis, of Tampa, Fla.

MISS BELL HONORED—Miss Kim Bell (center) was honored at a shower last week given by Misses Lynda Hall (left) and Vickie Myers, (right). Miss Bell will become the bride of Rex Shepherd on Saturday, October 12.

Shower Honors Miss Bell, To Wed Rex Shepherd Oct. 12

Miss Kim Bell, bride-elect of Rex Shepherd, both of Greenback, was honored with a shower at the home of Mrs. Harley Myers on Thursday, October 3. Hostesses were Mrs. Myers and daughter, Vicki and Mrs. Ralph Hall and daughter, Lynda.

Miss Bell is the daughter of Mr. and Mrs. Fred Bell of Greenback. Parents of the prospective groom are Mrs. Martin Cummings of Greenback and Delwyn

Shepherd of Asheville, North Carolina.

Miss Bell has also been honored recently with a miscellaneous shower given by the ladies of Pine Grove Presbyterian Church at the home of Mrs. Don Lingnietler and with a tea at the home of Mrs. Jim Fox. Hostesses for the tea were Mrs. Fox, Mrs.

Dallas Ryan, Mrs. Robert Burns and Mrs. Jim Adams.

Miss Bell will become the bride of Mr. Shepherd at 7 p.m. on Saturday, October 12 at Pine Grove Presbyterian Church. A reception will follow in the Fellowship Hall of the church. All friends and relatives are invited to attend.

The Philadelphia Personal News

Revival services will begin Sunday Oct. 13, at the First Baptist Church. The Rev. Truman Woods will speak on Sunday then the Rev. Bernard Courtney of Loudon will be the Evangelist.

Mrs. W.L. Hyden, Misses Ada and Mary Griffiths and Mrs. Ed Holland were guests for lunch Tuesday with Mrs. E.S. McCarty at their country home near Knoxville.

Dr. and Mrs. W.L. Hyden spent the weekend with Dr.

and Mrs. Jack Hyden and daughters in Richmond, Va. Steve Satterfield, son of Mrs. Evelyn Satterfield left Sept. 5, to be with the Air Force in Texas.

Mr. and Mrs. James McCubbins of New Market were here for the weekend with her parents, Mr. and Mrs. J.B. Beals. Miss Teresa Lewis and Mr. Larry Fletcher of Johnson City were their guests Sunday.

Mr. and Mrs. John Everett

New Image Concert Here Wednesday

A group of four men known as The New Image, a touring Gospel group, will give a performance at Loudon High School at 9:30 a.m. on Wednesday, October 16. The appearance of the widely known singing group is being sponsored by the Loudon High School Prayer Group.

The program will be held in the school auditorium and is open to the public. The admission is 25 cents.

Three of the young men are college students and all are working toward a career in Christian work. In their publicity material the group spokesman said, "we preach the Gospel of Jesus Christ using the same formula as the Church—song and spoken word, but our songs are the kind which young people can identify. We call it Christian contemporary music."

The Tribe Speaks

LOUDON HIGH SCHOOL JOURNALISM CLASS

On October 5 the Redskin marching band traveled to Bristol to compete with 100 other bands. They received a rating of One. There were only about six other bands that received such a rating.

The second Chieftain will come out Wednesday and improvements are being made.

The Homecoming parade will be leaving the American Legion Building at 6:45 p.m. and travel down Grove Street, up Cedar Street, down on Ward Street, and on to Steeple Street, then to the High School. The parade will travel around the field, and the queen will be crowned before the game.

Mr. and Mrs. Dewayne Arp are parents of their second daughter.

On October 15, Bernard the magician and hypnotist will arrive in person here at the high school to perform a world famous mystery show. We hope to see quite a performance.

Mr. John Napier's class had a Chinese dinner in Home Ec. It was prepared by Dennis Queen, Bernadette Locke, and Juliette Locke. The menu was: Beef Chow Mein, Shrimp Chow Mein, fried rice with peppers, onions, and eggs, noodles, and iced tea. The dinner was very delicious and it was a switch from hamburgers and french fries.

Tammy Rena Lively celebrated her fifth birthday, on October 3. She is the daughter of Mr. and Mrs. James Lively, Route 4, Loudon. Grandparents are Mrs. Ella Mae Lively and Mr. and Mrs. John Shaw of Loudon. Great-grandfather is W.D. Wallace of Lenoir City.

Thomas-Johnson Vows Exchanged

Miss Lydia Ann Thomas became the bride of Bruce Edward Johnson in ceremonies held at the home of the groom's parents on August 7.

The bride is the daughter of Mr. and Mrs. Earl E. Thomas of Lenoir City. Parents of the groom are Mr. and Mrs. James David Johnson, also of Lenoir City.

Mrs. Nancy Taylor of Marietta, Ga. served as Matron of Honor with Miss Carolyn Johnson as bridesmaid.

Eddie Ray Rasoer of Lenoir City was best man.

Following the ceremony, a reception was given at the home by the bride's parents.

The couple are now making their home in Lenoir City.

Kristi Michelle Hawkins, daughter of Mr. and Mrs. James Paul Hawkins of Loudon, celebrated her first birthday on Sept. 26. Kristi is the granddaughter of Mr. and Mrs. Paul D. Hawkins of Loudon and Mr. and Mrs. Grover McCrary of Loudon.

GOVERNING BOARD SESSION—The Vocational School Governing Board, composed of the Loudon County and Lenoir City School Boards, are shown in a meeting last Thursday night to discuss possible sites for the \$1.8 million county vocational school. The board decided on a 15 acre site located on the Paul Williams farm on Harrison Road near Lenoir City High School.

VIEW FROM THE HILL

by Edward Headlee
Loudon County School Superintendent

Baseball Team

At its regular monthly meeting the Loudon County Board of Education approved the formation of a baseball team at Loudon High School. With assistance from such interested persons as Mr. Earl Barger (uniforms), the City of Loudon (park facilities), and others the team is scheduled to get rolling this spring. Mr. Bill Thompson will serve as coach, bringing to the team his experience gained in playing ball for the University of Tennessee.

State Reading Program
We are presently interviewing persons for the positions of Reading Resource Teacher and Reading Resource Aide in our system. These two individuals will be trained by the State for their work with all teachers in the County in grades 1, 2, and 3. By carefully selecting the best qualified people we can hopefully increase the quality of training in reading which our children receive.

Courses
The superintendent's office is currently compiling a listing of those college-level credit courses which persons in Loudon County are interested in taking. If you are

eligible for college credit and wish to take a course locally, call 458-5411 and leave your name and the course you want and the results of this survey will be made known by the end of October.

Teacher Evaluation Conference
On Wednesday of this week teachers and principals from all over Loudon County attended a Tennessee Education Association conference on teacher evaluation at the University of Tennessee. This workshop was aimed at preparing educators for the mandatory statewide program to be conducted this year. The first year will be concerned with the evaluation of all non-tenure teachers.

Reading Conference
This Friday and Saturday several of the County's teachers will be attending a conference sponsored by the International Reading Association at the Hyatt Regency in Knoxville. We sincerely hope that some new ideas and techniques may be learned by those who attend and they can bring back some new knowledge to assist those of us who are involved in the effort to improve reading instruction in our County schools.

Christmas Meeting Planned

The Loudon County Area Chapter of the American Association of Retired Persons is making special plans for the 1:30 p.m., Thursday, Dec. 6, meeting in the Memorial Building. Alexander Gilliland, Greenback, will be in charge of the program which will center around the Christmas theme.

Members (and visitors who are always welcome) are asked to bring gaily wrapped gifts to be placed beneath the Christmas tree. Instead of exchanging these gifts, they will be taken to Johnson Nursing Home for the residents there. For this reason, members should indicate on the wrapping what the gift is and, if necessary,

Squires May Junk Plan

(Continued from page 1) would be paid under the salary plan. Squire Blair said the entire thing gets back to politics and the fact the elected officials do not want to cooperate with the court. Alexander injected "I am not going to be the goat of the courthouse." Blair retorted, "It looks like the county court is."

A report by the personnel committee is expected at the November meeting of court.

whether it is suitable for a man or a woman. Mrs. Johnson suggested such items as tooth paste, body lotion, facial tissue, fruit, cookies or soft candy.

COOK'S PEST CONTROL, INC. New Name For Biltmore Pest Control Co.

County 4-H Leaders Join National Week Celebration

BY ROGER L. PERKINS
Assistant Extension Agent
Across the country, increasing numbers of young people are involved in efforts to improve the quality of life in their communities. These youths, all 4-Hers and their parents and leaders are working cooperatively to make things happen through individual and group activities.

National 4-H Week, October 6-12, focuses on these cooperative efforts which involve nearly 3.3 million boys and girls and some 560,000 volunteer leaders, nationwide. An annual observance since 1927, National 4-H Week serves as a time for 4-H members and leaders to review past accomplishments and to exert even greater effort for the future in the "learn by doing" program. "We Can Make It Happen" is the theme of 1974 National 4-H Week. The words sum up the optimistic philosophy and aims of 4-H participants everywhere. The phrase pinpoints youths' commitment to learning, service to others and involvement in programs designed to develop their leadership and citizenship potential to the fullest.

With an active program in nearly every county of the

U.S., 4-H has grown dramatically in recent years. This past year alone saw a 32 percent increase in the number of youth participants. The number of organized 4-H clubs increased by nine percent and the number of volunteer leaders by 10 percent.

While continuing to involve a maximum number of youths in rural America, 4-H has found increasing interest in its programs among young people of the cities and suburbs. And 32 countries around the world now have 4-H or similar type groups.

Many of the activities in which 4-H members and their groups participate focus on the concerns of today. Their efforts are directed to improvement in the quality of living, such as energy conservation, maintenance and improvement of the environment and increasing the nation's food supply. The young people's work places emphasis on health and safety—individual, family and community good nutrition and a variety of other community projects and activities meeting the special needs of their local areas.

Encouragement for the young people comes from

numerous sources, including the Cooperative Extension Service, which administers the 4-H program. Additionally, numerous friends of 4-H within the nation's private sector support the program, including 60 corporate and foundation donors which channel resources through the National 4-H Service Committee.

Sgt. McGinley Academy Grad

Master Sergeant John L. McGinley, son of Mr. and Mrs. George L. McGinley, 421 Robinson Drive, Loudon, has graduated from the Strategic Air Command's Non-Commissioned Officer Academy at Barksdale AFB, La.

Sergeant McGinley, who received advanced military leadership and management training, is a liquid fuel systems maintenance technician at Davis-Monthan AFB, Ariz.

A 1959 graduate of Loudon High School, the sergeant attended Carson Newman College, Jefferson City.

With Your Schools

ROSS H. WILSON, Superintendent
Lenoir City Schools

New Vocational Programs Enroll More Than 400 Students
Eleven new vocational programs added to the high school program during the past two years have more than 400 high school students enrolled during the first semester of the current school year. These classes serve students from Lenoir City, Loudon, and Greenback high schools. Most of the programs are offered in Lenoir City with the exception of Health Occupations, offered at the Loudon High School, and Radio and TV Repair and Drafting, both offered at the Old Loudon High School. Classes in Home Economics (Occupational), Auto Mechanics, and Welding are offered at the Middle School. Small Engine Repair is offered at West Hill School while Office Practice, Auto Body Repair, and two classes in General Building Trades are offered at the Lenoir City High School.

Classes enrolling the largest number of students are Building Trades, Small Engine Repair, Auto Mechanics, and Auto Body Repair. The class in Welding will probably be one of the most popular courses in the future since a great deal of interest has been expressed in this program.

Enrollment at the end of the first month of school for the various programs:

	Lenoir City	Loudon	Greenback
Health Occupations	23	10	
Small Engine Repair	23	14	11
Auto Body Repair	24	12	5
General Building Trades (Prof. Wilburn)	41	9	
General Building Trades (Occupational)	57	12	
Home Economics	15	9	
(Occupational)	17	2	
Auto Mechanic	21	10	
Welding	12	16	
Drafting	17	6	
Office Practice	16	10	
Radio and TV Repair	12	10	

Twelve programs will be designed in the new Vocational/Technical Center that will be built by the state. Some of the present programs will remain in existing facilities and those operating in temporary quarters will be moved to the new center.

You can borrow a cup of sugar or a stack of dollars from the Hamiltons.

We're the Hamiltons. Your friends and neighbors who work at Hamilton Bank. We make a lot of personal loans. And that's what we'd like to talk to you about today. We'll lend you money for any good reason: new baby expenses, a dental bill, refrigerator, range dishwasher, tractor, boat, vacation, taxes, and so forth.

We'll sit down together and figure how much you need and how much you can pay back in monthly installments without straining yourself. Repayment can vary from three months to three years.

We can process your loan quickly and easily. It's just about as easy as borrowing a cup of sugar.

If it's a question of savings, ask the Hamiltons.

United Fund Report Monday, Work Of 5 Agencies Outlined

Monday at 12:30 p.m. at Sigs Restaurant in Lenoir City. The Loudon County United Fund will have its first report meeting since the kick-off of the \$51,146 campaign for 1975. The fund got off to a good start at the kick-off breakfast with \$5,866 in donations and pledges reported. Some \$3,000 was pledged by Eaton Corporation, \$2,000 from the employees and management of Elin Hill Meats and Wampiers Sausage, and \$50 from Sigs Restaurant.

County Campaigns Chairman Jack Atkins said that raising \$51,149 is a big job but he believes that the UF has a good campaign committee and that the people of Loudon County believe in the work of the United Fund and its 15 member agencies who receive their budgets from the money raised in the annual campaign.

Atkins said that if the contributors remember that the United Fund is 15 campaigns in one and give or pledge their contributions accordingly the drive will be successful.

He asked that some information on the 15 agencies be published so the public can see what good work and services are provided by them.

The agencies are as follows:

AMERICAN RED CROSS
Loudon County Chapter
119 "A" Street
Lenoir City.

Fred J. Smith, Chairman
Mrs. Katherine Babh, Executive Secretary
MILITARY FAMILY SERVICES
Worker
Emergency Service to Military Families available 24 hours a day, including birth announcements.

Disaster Service is provided on an immediate agency basis by the National Red Cross through the local chapter, as it was to Loudon County in 1963. Water Safety is a continuing program which includes swimming and lifesaving courses in all classifications conducted each July by qualified personnel.

First Aid courses: Standard first aid, personal safety, and multi-media as well as basic first aid in schools are conducted by qualified instructors in the county.

Hospital Volunteers (formerly Grey Ladies), active since 1963, contribute over 3000 hours of service each year at the Loudon Memorial Hospital.

Volunteer School Health Program provides assistance to school teachers by training volunteers in caring for sick and injured children during school hours.

Home Nursing courses teach the proper care of sick and injured in the home by qualified instructors available for day or evening classes.

Child Care for newborn infants to pre-school age is taught to baby sitters by expectant mothers and fathers in day and evening classes.

Mother and Baby Care is taught to expectant parents by a registered nurse in a regular course of instruction.

Youth Program organizes young people for aid services at the Johnson Nursing Home in Lenoir City and for tutoring and other special work.

AMERICAN LEGION
MEMORIAL BLDG.
Lenoir City.

J. C. McCown, Treasurer

The Mile of Dimes organization has been sponsored by the American Legion for several years, funds for its operation having been raised by the Post until the advent of the Loudon County United Fund.

Its purpose is to assist worthy citizens in need of coal, groceries, medicine, etc., where other means of obtaining these items are not possible. The Mile of Dimes also provides Christmas baskets for needy families and assists other organizations in placing this help throughout the city and surrounding areas.

The local committee is composed of Floyd Ivey, Charlie Hines and J. C. McCown.

ARTHRITIS FOUNDATION
Mrs. Jim Price

The Middle-East Tennessee Chapter of the Arthritis Foundation is one of the many organizations whose prime reason for being is to develop a program to engage in a nationwide fight against the disease. This Foundation

seeks to accomplish its goal against arthritis through a fourpoint program: Basic research for cause and cure; clinics for diagnosis, treatment and rehabilitation; care for homebound arthritics; education of doctors, nurses and laymen.

THE BOYS' CLUB OF LENOIR CITY
Memorial Building.
Lenoir City.

James Herron, Club Director

The Boys' Club of Lenoir City, an affiliate member of Boys' Clubs of America, began operations locally in May of 1966. The club offers an active program of sports, games six days a week during the three summer months and three days a week during the remaining nine months of the year. All programs, activities and events are conducted under professional leadership with emphasis on character development. The Club is open to any boy between the ages of 6 and 16 regardless of religion or place of residence.

DANIEL ARTHUR REHABILITATION CENTER
Oak Ridge, Tenn.

Z. H. Brody, Director

The geographic area served by the Center includes Anderson, Blount, Campbell, Claiborne, Knox, Loudon, Morgan, Roane, Scott and Union Counties.

The Center is dedicated to the total rehabilitation of most types of handicapped children adults, regardless of cause, including the physically handicapped, mentally retarded, and emotionally disturbed. The Center's total program is fourfold: diagnostic, educational, therapeutic, and ancillary. Integrative services are provided in five general areas: physical restoration, speech, psychological, educational and vocational.

THE EMPTY STOCKING FUND
Greenback, Tenn.
Clarence W. Price, Chairman

The Empty Stocking Fund of Greenback was established several years ago by Baptist, five Methodist and two Presbyterian churches of the area and has a board of directors appointed from the churches. This Fund became a member agency of the United Fund upon its organization and depends upon its allocation to carry out its program of supplying food, fuel, medicine and clothing for worthy area residents.

PHILADELPHIA COMMUNITY CHEST
Philadelphia Community Club
Tommy Millsaps, President

The Chest is a philanthropic and charity fund sponsored and operated by the Community Club, a group of men residing in the Philadelphia Area, whose purpose is to serve the Community Chest. The Chest depends on allocations from the United Fund for the major portion of its funds.

UNITED SERVICE ORGANIZATION
E. W. Clark, Local Chairman

USO is a "home away from home" for nearly a million of our service people. It helps to bridge the gap between life in the civilian community and our Armed Forces; so important where they are separated by barriers of languages, customs, money and geography. The USO receives no financial aid from the government but is supported through voluntary gifts.

The number of servicemen and women from our immediate area who can enjoy the benefits of USO "wherever they go" is more than 400. Let's show them we care!

YOUTH CLUB OF LENOIR CITY
James C. Dewell, President

The Youth Club of Loudon, Tennessee is chartered by the State of Tennessee. The boys program consists of baseball, battle ball, basketball, soft ball, badminton, volleyball, tennis, horse shoes, shuffleboard, archery and golf. The girls program consists of J. croquet, mixed tennis, archery, volleyball, horse shoes, shuffleboard, soft ball, badminton and golf. The Club sponsors a number band program and, if needed, provides the rental of instruments for children who cannot afford or have the music instruction otherwise.

LOUDON COUNTY ADVISORY COMMITTEE
901 Mulberry St., Loudon
George Bowman, Chairman

This committee administers an emergency fund for Loudon Countians who cannot immediately qualify for welfare aid. It is used primarily for cash for food stamp purchases, children's emergency medical and other needs, including transportation and expenses incident to enrolling them in boarding homes or orphanages.

UNITED CEREBRAL PALSY MIDDLE-EAST TENN.
1325 Clinch Ave. SW
Knoxville

Donald D. Myant, Executive Director

This agency is attempting to meet the vocational, educational and social needs of the cerebral palsied adult and others with any severe physical disability. Funds will support aid to and treatment of persons in Loudon County afflicted with the disease as well as national medical research program toward a cure.

GREAT SMOKY MOUNTAIN COUNCIL BOY SCOUTS OF AMERICA
6409 Sperrill Rd., Knoxville

The 15 Cub Packs, Scout

Troops, and Explorer Posts in Loudon County are all owned and given leadership by area churches, civic clubs and community groups. These units are given services and professional guidance by the Great Smoky Mountain Council, Boy Scouts of America, which serves 30,000 boys in 21 counties of East Tennessee.

Nelson Wilkins, Council Training Chairman; John Carnes, Assistant District Commissioner; and Royce Copeland, District Scout Executive, coordinate and serve to an excess of 500 boys in Loudon County.

TANASI GIRL SCOUT COUNCIL, INC.
1306 1/2 Broadway N.E., Knoxville

Barbara Winston, Director

The seventeen Girl Scout Troops in Loudon County are members of Tanasi Girl Scout Council, consisting of eighteen counties in East Tennessee. Girls in Loudon, Lenoir City, Greenback, Philadelphia, and surrounding areas participate in activities dealing with citizenship, arts, community service, international friendship, and health and safety. The program is open to any girl seven through seventeen who wishes to participate.

Organized during the depression of 1930, Funds for services were raised annually by a committee until it became one of the first member agencies of the United Fund. Managed by Mr. W.V. Kirkland, president of the Charles H. Bacon Company, and Mr. Jack Lefter, manager of the Doo P. Smith, Chair Company. The Fund is used to furnish relief for those in need of food, medicine and fuel, and who are unable to provide for these necessities themselves. Christmas baskets for the needy is also a project of this fund.

LOUDON COUNTY EMERGENCY RESCUE SQUAD
Capt. John Pariss, CO

The primary purpose of the Squad is to provide and promote life-saving and first aid throughout the county and to foster accident prevention. Emergency Unit Stations located on Highway 11 between Lenoir City and Loudon and in Greenback stand "at ready" to meet serious emergencies on a 24 hour basis. A fire truck is in readiness for use in rural areas where no fire protection is available.

The Squad operates entirely from funds provided through the Loudon County and the sale of value received items.

LOUDON MILE OF DIMES

where he was treated for a head cut and loss of several teeth. Vineyard was admitted to Loudon County Memorial with head injuries also.

Highway Patrolman Joe Littleton charged Ham with reckless driving and Vineyard with failure to yield and carrying a pistol.

15 Television Sets Stolen

Thieves took 15 color portable sets and cash left in the register from the R.F. Ashe Furniture Company on Broadway sometime Sunday night or Monday morning.

The robbers broke a window on Kingston Street, entered the building, loaded the television sets on a truck or van through the back door and left.

The theft was discovered Monday evening.

Four sets from the display windows in the front of the store were among those taken.

Mrs. R.F. Ashe, owner of the store, said she did not know exactly how much money was taken in the robbery. "They left the checks and most of my business Saturday was done by check," she said.

The cash register was found outside the store in the back. It was pulled apart but was not ruined, Mrs. Ashe said.

Architect Starts On Loudon Junior, Greenback Additions

Architects are ready to start preliminary drawings for additions at Loudon Junior High and Greenback School, the Loudon County Board of Education was told Thursday night.

Approval was given for starting a self-evaluation toward obtaining membership in the Southern Association of Colleges and Secondary Schools for Loudon High School.

In the over four hour meeting Superintendent Headlee told the board he and principals from Loudon Junior and Greenback had met with architects and that preliminary drawings are now underway.

October Tabbed Action Month

October has been designated "Immunization Action Month" by the Tennessee Department of Public Health, Loudon County Health Nurse Mrs. Marjorie Price said this week. During the month, educational materials will be presented to the public, describing the dangers of childhood disease and the ongoing need for immunization.

Dr. Egoz W. Powinkle, Commissioner of Public Health, explained the reason for the program. "We're worried about the declining rate of immunizations nationally, particularly among children between the ages of one and four. Each year the percentage of vaccinated children has dropped a little more. Although the rates are not yet declining in Tennessee, we still have enough unimmunized children so that epidemics of vaccine preventable diseases are a possibility."

"The diseases for which young children should be vaccinated," Dr. Powinkle said, "are polio, measles, mumps, rubella, diphtheria, tetanus and pertussis." He urged parents to check their records to make sure their children have been vaccinated for these diseases, and to take unimmunized children to the doctor or to the local public health department without delay.

Retirement ceremonies were held recently at Andrews, AFB, Md., for Staff Sergeant Edward I. Stockton, son of Lee V. Stockton of 900 Rosedale Ave., Loudon.

Sergeant Stockton also received the U.S. Air Force Commendation Medal for meritorious service as a maintenance controller while assigned to the 2048th Communications Group at Andrews.

The sergeant has more than 30 years military service. He is a 1954 graduate of Loudon High School.

Sergeant Stockton's mother, Mrs. Jewel H. Cinnamon, resides on Rt. 4, Lenoir City.

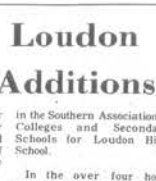

Another Pitts in the Air—Several years ago Gerald Cole (above) and Butch Ferguson each started building a Pitts Special, a small one seat, bi-wing, aerobatic airplane that looks like it is right out of World War I. Last week Gerald joined Butch in the skies as he got his plane N17G certified by the FAA and he flew the tricky little bird for the first time. Above Gerald is shown checking the plane out, preparing to taxi for take-off at Ferguson's strip at Philadelphia and his take off roll. One of the ground the spirited craft powered by a 180 horse power Lycoming engine will climb at a rate of 3000 feet per minute.

First Baptist Choirs To Present 'Alleluia'

"Alleluia", a musical by Bill Gather and Ron Huff, will be presented by the combined youth and adult choirs of the First Baptist Church, billed as a one hour "praise gathering for believers" the musical will begin at 7:30 p.m. Sunday.

The 75-voice combined choir will be conducted by Michael Morgan and will be accompanied by an instrumental tape track. The public is invited to attend.

Completes Officer School—Kurt E. Robertson, husband of the former Miss Frances N. Graham of Lenoir City, was commissioned an ensign upon completion of Aviation Officer Candidate School at Pensacola, Fla. recently and has begun basic flight training. He will be designated a Naval Aviator upon completion of more than a year of intensive ground and inflight training. Mr. Robertson is a 1974 graduate of Brigham Young University, Provo, Utah.

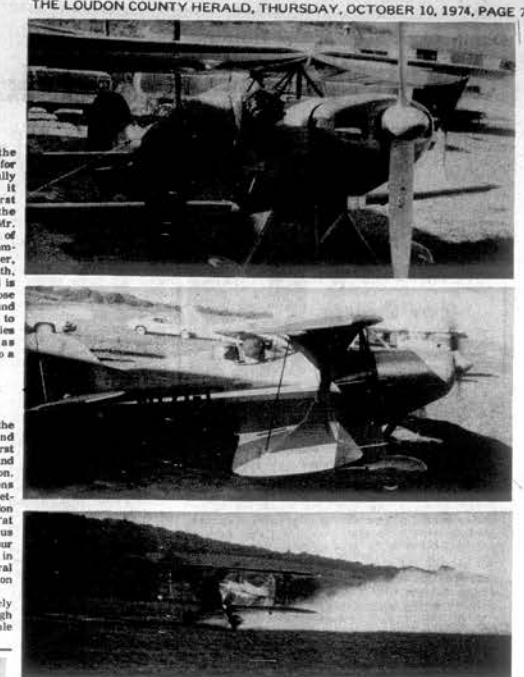

LET'S FACE IT

You can't avoid the inevitable, but you can save those you love a heart rending ordeal by simply planning ahead before death. Deciding on a cemetery plot or mausoleum crypts for your family isn't a happy thought... but it's something no one should put off. The Memorial Gardens makes it much easier than you think with our sensible purchase plan, used by so many Loudon Countians. Call us today. There's no obligation. It's the thoughtful thing to do.

Loudon County Memorial Gardens

The use of a release of liability form for extracurricular events for Loudon High was OK'd by the board.

Another Pitts in the Air—Several years ago Gerald Cole (above) and Butch Ferguson each started building a Pitts Special, a small one seat, bi-wing, aerobatic airplane that looks like it is right out of World War I. Last week Gerald joined Butch in the skies as he got his plane N17G certified by the FAA and he flew the tricky little bird for the first time. Above Gerald is shown checking the plane out, preparing to taxi for take-off at Ferguson's strip at Philadelphia and his take off roll. One of the ground the spirited craft powered by a 180 horse power Lycoming engine will climb at a rate of 3000 feet per minute.

OCTOBER 10 1974

Deathridge, Melton Get Honors

Err-r-i-n-g Redskins Use 1-2 Punch To Knock Chargers From Unbeaten Ranks, 20-7

The Loudon Redskins fourth victory of the season powered their way to their Friday night at McMinn

Central 20-7 to move into a share of the Region Two class AA lead.

The Redskins used the running of senior fullback Johnny Deathridge and the darts and dashes of junior Rick Melton to pile up 204 yards of total offense and end a two year domination by the undefeated Chargers.

Deathridge accounted for his biggest night as a varsity runner with 28 carries and 181

yards rushing and one touchdown. Melton carried the ball nine times for 146 yards to simply wear the McMinn Central defense ragged.

While Deathridge and Melton were laboring on offense the Loudon defense was busy with Mike Yates, Donnie Thearp, Sam Lyle, Marlon Brown, Kenny Skinner, and Dickie Colvin containing the Chargers.

Loudon, a pre-game underdog, carried the ball nine times for 146 yards to simply wear the McMinn Central defense ragged.

Speaking of Sports

By DANNY GIBSON
Sports Editor

Has play-off fever hit the Loudon Redskins? Apparently there are some symptoms stirring in the down town Redskin football fans and followers. Whether it has affected the Loudon High School football team as of yet is undetermined.

The Harriman Blue Devils will be in town Friday night for the Redskins' homecoming and to find out if Loudon is living on a cloud of success or are they hungry to restore football prominence to their grid program. Loudon has not been in the play-off picture this late in the season since the 1969 season when they won the double-A state title and in 1970 when they won their first five encounters.

Loudon has extended their season record to 4-0 as of this past Friday night with a striking 20-7 triumph over unbeaten and 1973 Region Two runner-up McMinn Central. The win kept Loudon very much in the play-off scene for current campaign but a rugged home stretch in the second half of the season may prove too much for the Big Red Machine.

Kingston, won the state title in AA play last fall, is now just about eliminated from any possible hope of getting into the play-offs this time around. The Yellow Jackets were trimmed 21-10 at Maryville last week for their fourth loss in five games.

McMinn Central is now 4-1 and must play Kingston this Friday. The Chargers also must conquer the likes of Maryville, Cookeville, and McMinn County before they can be assured of another berth in the play-offs. Maryville is in Region One, has lost a contest and won one in overtime at Crossville. A lot will be at stake when Loudon and the Rebels meet in two weeks on Dukes Field, as neither will want to be losing at that juncture of the October slate.

Still Loudon must face Harriman Friday night in a clutch game. The Blue Devils are 2-3 for the

the pigskin just 15 yards shy of the end zone. Dickie Colvin came up with a clutch interception at the Loudon three yard line and the game was quick to change its momentum.

In 12 plays Loudon marched 97 yards and with only 14 seconds left in the half crossed the Central goal line on Dennis Queen's one yard plunge. Kenny Skinner's kick was ruled wide to the right.

Johnny Deathridge was the workhorse of the drive with 59 yards rushing on seven snaps, the longest being for 34 yards. Rick Melton ran for 19 yards, and Sam Lyle snagged a

clutch nine yard first down pass at the Central eight yard marker.

Central posted two first downs before Loudon could turn them back on a fourth down effort at the Redskins 35.

The two teams marched up and down the field in the second quarter with Loudon losing the ball twice on pass interceptions at the Charger 24 yard line.

McMinn Central coughed up the ball on a fumble mid-ways in the period and Marlon Brown claimed it for the Loudon defense at the Charger 33 yard line.

Loudon took the second half

kick-off and from their own 27 moved 30 yards in two plays as Melton and Deathridge gained first downs through big holes in the Charger defensive line.

The Redskins fumbled at mid-field and Central had stopped the Loudon offense.

The teams swapped punts with Loudon finally getting their second half game plan working with five minutes left in the third stanza.

From the Loudon 18, John Deathridge bulled his way for 24 yards. Melton followed with a dandy 23 yards to the Central 37.

Deathridge, the 205 pound fullback, on five straight kicks caused the blocking of Mike

Yates, Kenny Skinner, Ronnie Roberts, Jeff Nichols, and Donnie Thearp to cross the Charger's double stripe. Big John getting his second TD of the season on a two yard drive. Skinner's conversion kick was perfect and Loudon led 13-0 with 1:06 left in the third quarter.

Loudon's defense denied the Charger offense a first down on fourth down and inches at the McMinn Central 43 yard line as the fourth quarter took shape. Loudon then punted to the Central six yard line with 8:13 to play in the game.

The Central offense was checked by the Loudon defensive wall and managed but a 24 yard punt to their own 34. Loudon needed but six plays to take the Chargers out of the undefeated ranks as back-up fullback Marlon

Brown, a striking 200 pound plus junior, powered the ball to the McMinn Central seven yard line on three carries. Quarter back Dennis Queen accounted for the final seven yards on two carries and with 5:40 left on the clock Loudon was ahead 20-0.

Central put together a flashy night play drive covering 79 yards by way of four pass receptions. The last coming on second down from the Loudon 25 yard line with 2:53 to play.

Loudon recovered a on-side kick-off at the 49 yard line and Carter Cardwell and his bandits proceeded to eat up the rest of the game clock with some valuable playing experience to be used for another game.

Loudon, a pre-game underdog, carried the ball nine times for 146 yards to simply wear the McMinn Central defense ragged.

Loudon recovered a on-side kick-off at the 49 yard line and Carter Cardwell and his bandits proceeded to eat up the rest of the game clock with some valuable playing experience to be used for another game.

QUICK STEPPER—Loudon Redskin reserve fullback Marlon Brown shared in the destruction of the McMinn Central defense Friday night as he was instrumental in Loudon's third touchdown drive of the ball game.

QUEEN SCORES SIXTH TD—Loudon quarterback Dennis Queen scored his sixth touchdown of the season Friday night on this dive into the McMinn Central end zone. Mike Yates (left) and Sam Lyle (right) provided the blocking for the score.

Lewis To Speak

Dr. Jean Lewis will be the guest lecturer at the first Weight and Inch control course meeting under the sponsorship of the City of Loudon Recreation Department, Oct. 21. Dr. Lewis is an instructor at the University of Tennessee, where she teaches courses in weight control and figure improvement.

The Inch and Weight Control course is just one of several recreation facets scheduled this fall and winter by the Loudon Recreation Department for men and women of Loudon and also for those of neighboring communities.

The Inch and Weight Control classes are scheduled for each Monday night, starting Oct. 21.

THEY CALL HIM THE STREAK—Rick Melton, Loudon's streaking running back, blitzed past the McMinn Central Chargers for 140 yards on nine carries to insure Loudon's fourth straight win of the season.

John Deathridge Rick Melton

year and are led by an unpredictable group of sophomores and juniors that play wild-eyed and loose. Harriman is not considered play-off material this season, but could be much a deciding factor with some upset wins along the way.

Kenny Skinner Mike Yates

Cleveland is also 2-3 for the season and the sophomores studied Raiders are big, with a line averaging over 200 pounds per man and some swift backs that have not turned loose for head Coach Bobby Scott as of yet.

Rockwood, looms as the most likely team to challenge Loudon at this time, should the Redskins made the play-downs in November. The Tigers are currently unbeaten and have only Loudon left on their schedule as a team that could ruin a perfect 10-0 worksheet. Thus,

(Continued on Page 12)

LOUDON WORKHORSE—Big, bruising Johnny Deathridge powers his way forward for real estate against McMinn Central Friday night on Loudon prevailed 20-7. Deathridge carried the ball 28 times in the game. Other

Redskins are Jeff McQueen (87), Dennis Queen (11), Kenny Skinner (66), Jeff Nichols (76), and Donnie Thearp (81).

ANNUAL FOOTBALL CONTEST

The Herald Loudon County

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

\$12 First Place

\$8 Second Place

\$5 Third Place

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Steve Arnold Out For Season

Pam Smith Crowned Queen

LC Dealt 19-6 Homecoming Loss By Cleveland

PINS BLUE DEVIL RUNNER—Greenback's Kyle Shepherd applies a tackle to a Vonore ball carrier and is soon to get assistance from team mate Tony Chambers at left. Both were defensive stalwarts for the Cherokees in the victory.

CROWNS QUEEN—Lenoir City's Curtis Monger has the honor of crowning the new 1974 Panther homecoming queen Pam Smith.

First Half Scoring Carries Greenback By Blue Devils

The Greenback Cherokees celebrated their long wait to play before the home folk for the first time this fall by shutting out visiting Vonore 19-0. The Cherokees accounted for 183 yards rushing and 107 through the air as they enjoyed their best team performance of the season offensively and defensively. Vonore started the game in high style with a 10 yard pass completion and a 23 yard sweep of right end. Kenny Evans, senior linebacker, for the Cherokees and credited for being in on 23 tackles during the game, landed a jarring tackle at the

Greenback's defense forced a punt and Randy Evans, he took the aerial for the score with 5:22 left in the second period. Jimmy Brooks tried for a two point conversion run but was no good. Greenback's defense again stopped the Blue Devils from gaining first down yardage. The Cherokees drove from Vonore punted and Greenback started offensive operations from the 40. Kier went for the touchdown bomb on first down and receiver Harold Hawkins

was well behind everyone as he took the aerial for the score with 5:22 left in the second period. Jimmy Brooks tried for a two point conversion run but was no good. Greenback's defense again stopped the Blue Devils from gaining first down yardage. The Cherokees drove from Vonore punted and Greenback started offensive operations from the 40. Kier went for the touchdown bomb on first down and receiver Harold Hawkins

fervently eight times in the first quarter. Two times coming on a kick-off reception and one on a punt reception. Twice Lenoir City fumbled away the ball and one of defensive maneuver was to punt the ball on fourth down. Vonore was as close as the Greenback nine yard line in the second half but the Cherokee defense ended up taking over on downs at their own 14 as four plays lost five yards. Jeff Tipton came up with a Vonore fumble at the 50 yard line following a Rocky Anderson tackle to cause the loose pignisk. Greenback punted to the Vonore nine and the Blue Devils fumbled on the final play of the game as Kenny Evans came up with the ball. Harold Hawkins and Jimmy Brooks were the standout offensive players for Greenback. Hawkins rushed four times for 48 yards and caught three passes for 80 more stripes and 128 yards of total offense. Brooks rushed 17 times for 84 yards. Shepherd had 20 yards in nine tries. Mark Carver and Lynn Rucker each caught a pass for 14 and 13 yards respectively. Kenny Evans led the defense with help from Brooks, Shepherd, Frank Mitchell and Robert Davis. The win was Greenback's second of the season in five

James. The Cherokees will again be on the road this week, playing Walland at 7:30 Thursday night.

Table with 5 columns: First Downs, Passes attempted, Passes completed, Passing yardage, Rushing yardage, Pen. Yds., Fumbles lost, Punting-Avg.

Greenback 21. The football was knocked loose and linebacker Jeff Tipton recovered the ball and returned it 12 yards before being pulled down. Greenback then set out on a 67 yard march that has not been possible by the Cherokee offense in four earlier games to date. Jimmy Brooks ran behind good blocking for six, eight and 10 yards. Kyle Shepherd added a yard to the Vonore 42. Brooks ran for two more yards and Roddy Kizer changed in the air hitting flanker Harold Hawkins on a 13 yard effort and coming back with a 27 yard strike for a touchdown. The seven play drive was topped by Tipton's conversion kick with 4:28 left in the quarter. Each team swapped punts with Greenback setting out for the Vonore goal line from the 15. Two penalties, 34 yards by Hawkins, six yards from Shepherd, and 22 yards on the part of Brooks closed the Cherokee camp to within the yard of the Vonore goal line. Brooks barreled into the end zone, but fumbled and Vonore recovered.

HUSTLING CATCH—Lynn Rucker, Greenback Cherokee end puts the squeeze on this 14 yard pass from quarterback Roddy Kizer for a first down against Vonore Friday night.

STRAIGHT AHEAD DRIVE—Greenback's Jimmy Brooks who rushed for over 80 yards in Friday night's 19-0 decision of Vonore goes head long into this Blue Devil defender for extra yardage around end.

LENOIR CITY HOMECOMING QUEEN—Lenoir City homecoming queen for 1974 was Miss Pam Smith. She was escorted by senior Eddie Billingsley and football player Curtis Monger (64) and Mike McConkey (12).

ARNOLD STOPS TOUCHDOWN—Lenoir City defensive back Steve Arnold (88) stands between this Cleveland ball carrier and the Panther goal line. Benny Goley (11) and Walt Thaxton (34) are fast to help Arnold contain the ball carrier from scoring.

called by a 66 yard Eddie Estes pass to Black for the touchdown. Freddie Starritt ran for the two point conversion. Louden failed to take advantage of a Lenoir City pass interception in LC territory, but a fumble recovery at the Panther five was too much. A first down play lost yardage. A quick pass to Black caught the Panthers unsuspecting and the score was 10-0 at the half as Starritt again added the conversion score. Freddie Starritt carried the third period kick-off to the 25 and in six plays got the call for Louden's third TD of the night. Minutes later Mark Moore scored for Louden to increase the count to 30-0. Jim Brown finished the scoring on a 20 yard fourth quarter run.

The Skins posted 350 yards of total offense in the game as compared to 15 for Lenoir City. Starritt and Moore both accounted for over 100 yards of rushing in the game. Louden engineered a seven play 43 yard drive in the fourth quarter to upend Farragut. Moore had 70 yards of rushing to lead all ball carriers in that department. Louden's next freshman challenge will come on Tuesday night in a home game with Cleveland.

Louden participated in the McMinn County, Monroe County, Bradley County, Polk County region or in the same region as Lenoir City. Louden will play the Panther nine on a home and home basis though during the regular season.

Baseball Coming To LH

Loudon Freshmen Get Two Wins

The Loudon freshmen football team gained two more victories during the past week to improve their season mark to five wins and no losses. The first year Redskins captured their second win of the season Tuesday evening over a home-standing Lenoir City freshman team 36-6. Lenoir City took the opening kick-off and drove to the Loudon 20 before stalling. The Redskins held on downs and in four plays had reversed the drive to the Panther end zone. The 80-yard march was

Garage Saves \$13,000 First Year Report Shows

Loudon County Court Monday night heard a report from County Purchasing Agent Arnold Jenkins that the first year of operations of the County Garage saved the county \$13,000 despite major hikes in gasoline and diesel prices and inflationary raises in prices of parts and materials used at the facility.

The report, which was later challenged by Road Commissioner Lee Malone, showed the garage expenditures were \$41,835.91 in 1973-74 compared with \$54,496.61 the county spent on services and material now provided by the garage in the previous year.

The major savings was in the Highway Department's use of fuel, which is stockpiled and sold to the road commission from the garage headquarters near Lenoir City. It showed that only \$6,037.71 was spent for fuel last year compared with over \$20,000 the previous year.

A total of 7,000 less gallons of gasoline and 2,550 fewer gallons of diesel were used during the year report compared with a year ago, but the savings of fuels offset the prices there.

It was here that Commissioner Malone said that the fact that he has to get gas for his vehicles at the garage costs his district 894 man hours at \$2.65 per hour each month. He said that some days it takes as long as two and one half hours to get a truck gassed because his men go to work at 7 a.m. which is before the center garage opens. He said the cost in man hours is even more in the first road district because of the extra distance to the facility and also in the third district.

He said any savings the garage might claim is false because of the delays and costs in lost time in road departments county spend on the roads.

Squire J.J. Blair told Malone he was tired of hearing gripes about the garage, that it was a proven fact it was saving the county money, it provided better accountability of materials and the garage was here to stay as far as he was concerned.

The comparisons on the garage report listed the Highway, Board of Education and Sheriff's offices because they were in operation during the two year period. These comparisons are published alongside this article.

The court postponed for 30 days any action on a proposed Utility Use and Occupancy Agreement between contractors and the county which would require utilities and contractors to secure a bond for repairs to county roads and rights of way for that was done in county roads and rights of way.

The board was recommended by the Planning Commission and was presented by State Planner Steve Campbell. Most court members agreed that such an agreement was in the best interest of the county, but wanted to study it and have the county judge to make recommendations on how would hold the bond and how bond figure would be arrived at before action was taken.

The calling of a public hearing to allow for the

rezoning of a parcel of land at the intersection of highway 95 and Jackson Bend Road from rural residential to general commercial was approved on recommendation of the planning commission.

A request by J.E. Shell for acceptance of a road in the Poplar Springs area was not approved because of expense in bringing up to standards.

Road projects approved were one near Corinth Road at Corinth Cemetery, provided adequate rights of way were obtained, and a request by George Miller for a section of a road in Pine Grove provided

Cleveland Deals LC 19-6 Defeat

(Continued from Page 11)
recovery, but a clipping penalty cancelled the score. Goley tried to hit Mike Ellis with a home run bomb on first down and missed in his mark and two running plays netted only four yards as the Panthers were forced to punt.

Curtis Monger and Goley turned in key tackles as Lenoir City again stopped the Blue Raiders. This time at midfield.

A fourth down punt had Lenoir City back to their own 11 yard line and three running plays gained nothing. The Panthers punted for 33 yards and then defended Cleveland on fourth down at their 22 yard line.

Lenoir City picked up their first down with 4:23 remaining in the half as Steve Arnold ran for eight yards and Thaxton crossed the 43 yard line for a two yard gain. The Panthers success was short lived as they lost four yards on two running plays and Thaxton was denied a first down by a long yard drive a 12 yard effort. A Panther punt to the Cleveland 20 gave the Raiders the ball with only two minutes to play in the first half.

The Blue Raiders, paraded down the field in five plays, and with 25 seconds left in the second quarter plunged into the Lenoir City end zone from six yards out. The extra point kick was good for a 13-0 halftime edge.

The Blue Raider drive in the closing minutes of the first half marked the fourth time in five games this season that Lenoir City opponents have scored in the last 30 seconds of the first half.

Cleveland started where they left off in the first half as the third quarter began. Two first downs had the ball to near mid-field when the Panther defense staged a determined effort that caused a fumble. Kenny McNabb, a guard, was quick to scoop the ball up and down the side lines to the end zone for a Lenoir City touchdown. The extra point try was no good.

A fired up Panther team appeared to be close to scraping together a possible victory, but Cleveland never permitted Lenoir City's offense to cross their 37 yard line.

Cleveland bounced back on an exchange of punts to produce a 39 yard return to the Lenoir City 21. Jeff Blakney saved the touchdown with a clutch tackle.

Steve Arnold applied a

crushing tackle at the Lenoir City five yard line that caused a fumble and Danny Hall recovered to halt the Blue Raiders.

Arnold was injured on the play and x-rays after the game showed a broken right foot that will end the hard playing senior's high school football career.

Lenoir City was forced to punt from their own end zone and this time the Blue Raiders

were not to be stopped. From the Panther 40, Cleveland used eight plays to score and all play away from the Lenoir City hopes of an up set.

The Panthers tried to regroup with a wide open passing attack in the last five minutes of the contest, but to no avail as Cleveland's secondary proved stable.

CLEVELAND	27 0 0 0
LENOIR CITY	6 0 0 0

Speaking Of Sports . . .

(Continued from Page 8)

pending on how well McMinn Central handles their remaining foes, it would appear Loudon and Rockwood are a furlong closer to making the play-offs as number one and runner-up than the other members of Region Two.

McMinn Central, we understand has added Alcoa to their nine game schedule in a November 15 open date for both schools.

Loudon head coach Bert Ratledge is still optimistic of his teams success and chances of being a play-off team. "We have something to play for now by all means. But we have made so many mistakes already that its a wonder we are not 2-2 or worse. So far we have played only good enough to win, never have we executed close to our potential for an entire half much less a complete game."

"Our defense is 70 percent of our good fortune so far. Our offense seems to be coming around but fumbles and little errors have made the first half the season exciting if not heart stopping at times."

Nevertheless the Redskins are again in the football elite in Tennessee Prep grid circles. The running of Johnny Deathridge, 75 times for 441 yards and two touchdowns, speaks well for itself, Junior Rick Melton, missed the Loudon-Lenoir City game, but still has accounted for 288 yards of rushing on 32 carries for a 9.0 yards per carry average and one TD.

Quarterback Dennis Queen has tallied six touchdowns and rushed for over 100 yards in four games. Meanwhile Porky Campbell rolled up over 120 yards of read estate in his only start of the season. Greg Deathridge, Marlon Brown, who gathers 25 to 40 yards of rushing a game usually in the final 12 minutes of action, and Bumper Webster are all capable backs which can tot the freight when called upon.

Assistant Coach and defensive co-ordinator Jim Gibson said the Redskin line performed its best as a blocking and tackling group in the Knoxville Karns contest than in any other game since he has been associated with the Loudon football program.

Loudon is not out of the woods by a long shot and the toxic "Chig" Ratledge, after 18 years of football instruction as the Redskins head coach is playing cautious. But admits he has the most depth and winning potential in his coaching career, only if they didn't make so darn many foolish mistakes. But that's show biz!!!! And with the cast the Redskins can field the season looks to be off to a good start. Already 1121 yards of team rushing and 237 yards picked-up on passing.

A final note on the play-offs has the first round series scheduled for Friday, Nov. 22 semi-finals are set for Nov. 29 with championship games in three classes for either Friday night Dec. 6 or Saturday afternoon Dec. 7.

The Region Two winner will go against the winner of either Region Three or Four, which is predicted to be Hartsville or Dyersburg respectively. The Region One winner, either Knoxville Rule, Maryville, or Kingsport Ketron as of now would face the team Region Two does not play.

PUNT, PASS, AND KICK WINNERS—Winners of Saturday morning's P.P.A.K. competition at Old Loudon High School football field are front row left to right: Eight year old John Parker Gray; Nine year olds Randy Campbell, Derek Ribbesin, and David Grimes; Timmy Henley, and Grey Hensley; 12 year olds Kerry Brantboeyer, Curt Wayman, and Jeff Jenkins; 13 yr. olds Ben Fields, Mark Vance and Donnie McCollister. The winners, those named first in each group will go on to compete in the area P.P.A.K. at Alcoa this Saturday morning. The group will leave Curtis Tripton Motor Company at 6 a.m. Mr. Jack Hodge is the Loudon P.P.A.K. director and has handled the competition for the past 12 years.

URGENT URGENT

To All Customers Of
LOUDON UTILITIES

The supply of electricity can become critical in the very near future due to TVA's inability to get sufficient delivery of coal.

Every customer must start immediately to reduce their use of electricity by at least 20 percent.

Listed below are some things you can do to help in reducing the use of electricity.

1. Conduct a family discussion on importance of conservation of energy—read literature on the subject.
2. Lower heating thermostats to at least 68 degrees F. and raise air conditioning thermostats to at least 80 degrees F.
3. Close off and do not heat any part of your home not being used.
4. Reduce use of lighting—use lower wattage lamps where possible—do not use decorative lighting.
5. Conserve use of hot water—larger and fewer loads of clothing in the washer—larger and fewer loads of dishes in the dishwasher—brief showers instead of baths.
6. Cook fewer hot meals—cook several foods at same time when using the oven.
7. Dry larger loads of clothes in the dryer but less often—air dry small amounts instead of using the dryer.
8. Use window drapes effectively for added insulation.
9. Install adequate insulation, weather stripping, storm doors, and windows.
10. Wear light outer garments indoors during the winter—use more bed covering.
11. Avoid staying up late which requires use of lighting and appliances—form the habit of longer hours of rest at night.
12. Select new appliances on the basis of their efficiency as well as cost.
13. Consider installation of the heat pump if other forms of heating are to be changed or replaced.
14. Security and night watchman lights needed for security and safety should not be disconnected—where several are used by the same customer, consideration may be given to disconnection of lower priority units.
15. Postponing heavy use of electricity until after 7:00 p.m. also helps reduce the daytime load of the electric—clothes washing and drying, baths, special cooking and dish washing.

The success of voluntary reduction in the use of electricity will determine whether or not more drastic steps will have to be taken.

4-H'ers from Loudon County are offering this year a speakers bureau. If you need a speaker or program for your club or organization call 458-2671 between 8:00 a.m. and 4:00 p.m. Monday through Friday, or write Mr. Roger Perkins, Assistant Extension Agent Post Office Box 277, Loudon, Tennessee 37774. The 4-H Speaker Bureau will be in effect during October and November.

Please make your request for a speaker at least two weeks in advance.

Over \$184,000 in scholarships will be awarded 265 national winners during the 53rd National 4-H Congress in Chicago, December 1 through 5. The awards are provided by corporations, businesses and foundations in some 43 different programs.

Carolynn Hickey, daughter of Mr. and Mrs. Hugh Hickey, Philadelphia, will be competing in the 4-H Dress Revue Project at National 4-H Congress in Chicago in November.

One out of every six Americans was a former 4-H member. Over 33 million 4-H alumni are continuing to live the 4-H motto - To Make The Best Better.

Be an Individualist! You can make things happen! Join 4-H and explore the hundreds of opportunities to express yourself in project work. You can raise an animal, plant a flower, make a dress, cook a meal, take a picture, fix a car, and more! One of your interests is sure to be in 4-H.

Want to do something for your community . . . and your country? Then volunteer as a 4-H leader. Both adult, junior and teen leaders are needed. If you're in the 7-9 grade you can be a junior leader and gain fine experience working with youngsters. If you're in the 10-12 grade you can be a teen leader and have responsibility for your own project group.

In 4-H, citizenship is a springboard for action! Boys and girls in the 4th through 12th grades improve their homes and communities, and train to be tomorrow's leaders. You can join 4-H or be a 4-H leader. A place is waiting for you in 4-H. Explore the possibilities during 4-H Week October 6-12.

Now's the time to volunteer for youth. As a volunteer 4-H leader, you can work with the country's young people in a unique program that has already attracted nearly 400,000 adults to its ranks. Through 4-H you can help America's youth grow with a purpose. Think about it. Then act on it.

Know how 4-H started in America? It began as pig and corn clubs for boys, and canning and sewing clubs for girls. Today, 4-H'ers can choose from up to 60 real-life learning experiences called "projects." They can develop their personalities; improve their skills; gain new knowledge in science, agriculture, foods and nutrition, clothing, personal development, community service, leadership. They can learn the "why's" as well as "how's" of what they do.

STUDENT CHURCH

THE CHURCH IS GOD'S SPECIAL AGENCY IN THE WORLD for spreading the knowledge of His love for man and of His demand that man be saved by the true living faith in Him. Without this growing in the love of God, no government or society can be built which will bring progress and the freedom which we hold so dear and which we prize so highly. Therefore, man has a duty to perform, one which should be held by the whole of the world. It is to be a living faith in Him, to be a living faith in Him, to be a living faith in Him, to be a living faith in Him.

POSSESSION
The understanding and grasp that He has given us the production of man's mind and the production of man's mind and the production of man's mind and the production of man's mind.

Weaver, from the Paint Rock Community, send us this old picture but he had forgotten where it was taken.

Mrs. L. D. Queener from Philadelphia answered a couple of questions we had posed in the past weeks.

Hoe Cake Bread was a quick bread used in preference to the long time it took to bake bread in a Baker on the open hearth or the slow heating old wood stove oven.

Mrs. Queener says we take our modern quick cooking ovens for granted. Holston College, which we ran a picture of, was located between Friendsville and old Lows Ferry Road.

Mrs. Queener says her father-in-law attended the college. Mrs. Queener is compiling a history of the Tallferro or

Tollivers. She would like to have any information on these families. If you can help, write Mrs. L. D. Queener, Route 1, Philadelphia, TN.

We have a picture this week of Norris Dam when it was just completed. This was TVA's first dam and was considered the best paying job in the Country. Everyone was trying to get a job on it and many of our area people did. I was showing this picture to a friend of mine and he made this statement, "Calvin, this was B.C., wasn't it?"

When I asked when he meant, he said, "Before Controversy." Of well, I suppose many of the complaints have just justified in many peoples minds and this we don't disagree with. Everyone has their own rights which I respect.

Mrs. Queener is compiling a history of the Tallferro or

would be of interest to our Good Old Day readers and we were glad to have it.

Now that cool weather has returned, we recall many things from the Good Old Days winters. One thing somebody was talking to me about the other day was the boots that boys used to look forward to getting when school started.

Talking about the winter months of years ago, when the darkness of evening hours brought the gathering of the family around the radio for Lam and Abner, Amos and

Andy, Asher and Little Jimmy and Little Jimmy's theme song 'Now I Lay Me Down to Sleep'. As best I can recall their last name was Sizemore but just about everybody listened to them. Others were The Shadow, Fibber McGee and Molly, Buck Rodgers.

Mert and Marge and the very popular Date Smith and Ted Collins Show. Most of radio programming today is devoted to music and news, but what a help it was in those days in passing the long winter nights. We like to recall things of this type. Maybe

times were hard but people and families loved each other very much. This is not to say that people don't love each other today but we don't have or don't take the time to tell each other.

Well, that's it for now. See you next week.

One of our pictures this week is very interesting but worn with time. It possibly won't produce too well but we decided to give it a try and hope it comes out good enough to tell something about it.

Several things are interesting about it. For one thing, the old and long-gone steam engine which is powering what we believe is

an old time thrashing machine. It shows the large number of men working with it. Also note the engineer standing by the steam engine. The team of mules standing near the steam engine are pulling something we cannot identify. If you recognize it, give us a call.

This old picture was taken somewhere in our area. Mr.

Free Pap Clinic Set

The American Cancer Society in conjunction with the Loudon County Health Department is sponsoring a Pap Clinic. This service is offered for women 40 and over and there will be no charge.

Strict appointments must be made by those interested. Anyone wanting to have a Pap test must contact the following people at the time and place listed to make an appointment: Mrs. Ronnie Johnson, any morning, 9-12, phone 458-6529; Mrs. Tom Foster, afternoons, 2-4, 986-3477; Mrs. Harry Pease, evenings, 7-9, 458-2790; Greenback area, Mrs. Josh Tallent, 856-3018.

Mrs. Harry Pease, Loudon County Cancer Society Chairman, stated that Cancer of the uterus primarily is a disease of the mature. Most cases are diagnosed as endometrial carcinoma in the age of the 50's and 60's. Many older women have not had a checkup since their child-bearing years. Mrs. Pease said that reports show that among all American women, cervical cancer is second to breast cancer.

Mrs. Pease advised that the Pap test is based on the study of cast off cells which shed normally or scraped from living tissue. Reports show that this cytological examination has made it possible to detect cervical

cancer sufficiently to make treatment almost 100 percent successful.

Mrs. Pease urges all women 40 or over who have not had a Pap Test recently to take advantage of this service.

Bank Offers Booklet

The Hamilton National Bank of Loudon announced this week its all-out support in combating the energy crisis and will begin immediately to distribute to customers a brochure on how to save an electrical power consumption.

Donald L. Carter, President of the Hamilton National Bank, stated that the bank's position is complete cooperation with Federal State and local authorities in the encouragement of voluntary conservation of energy.

not only in a shortage of power but also with increased inflation. We are very fortunate that the banks in our Hamilton system are located in the Tennessee Valley Authority region where electricity has been abundant for over four decades. This has enabled us to industrialize our area and thereby has created a better life for everyone. To preserve this way of life, we must face shortages with logic and positive action.

The TVA has been very outspoken in urging voluntary efforts. We, throughout the Hamilton are pledging our efforts to cooperate with the TVA and distributors of TVA power."

The Best Way to Bed Down a Buckaroo

First you take a lot of love and tenderness and then you add comfort and attraction to the "Bunk house."

See our Jamison Bedding Sale ad in this issue.

GREER'S

LOUDON

Betty, call your husband

Honest, honey, I didn't realize you were gone until the Super Bowl was over. If you'll just come back, I promise you my undivided attention. Call me long distance. Dial the 1+Way. It's the cheapest way to call. And we need the money for a new picture tube.

Isn't there someone you'd like to call, right now? Dial long distance the 1+Way. It's the cheapest way to call. That means you can talk longer and call more often.

South Central Bell

"Inflation has hit everyone, but especially our seniors. I want to ease their burden by reducing the sales tax on prescription drugs and income tax on their securities dividends."

"The Nation's high unemployment rate makes it difficult for the young people who are being laid off. We must cut government spending to reduce prices."

"The incorporation of one of TIME's 200 future world leaders was gratifying. This, together with the incorporation of more newspapers than was received by all candidates, was a major factor in our victory."

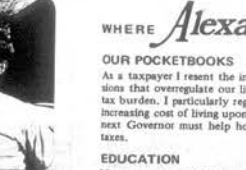

"Serving as chief executive officer during the transition period between the administrations of our last two governors gave me valuable experience in the operations of state government."

Alexander

"My experience as chairman of the Council on Crime and Delinquency gave me an insight into the dimensions of our crime/drug problem and what must be done to support law enforcement."

"Many of the problems facing farm and small town children have been bypassed for emphasis on urban needs. We must make constructive efforts at achievement in both areas."

"Many of the problems facing farm and small town children have been bypassed for emphasis on urban needs. We must make constructive efforts at achievement in both areas."

WHERE Alexander STANDS

OUR POCKETBOOKS
As a taxpayer I resent the increasing governmental intrusions that overregulate our lives and add to our staggering tax burden. I particularly regret the effects of the rapidly increasing cost of living upon our senior Tennesseans. Our next Governor must help hold the line on spending and taxes.

EDUCATION
Many parents no longer have confidence in the ability of public schools to furnish their children with a good, decent education. Greater attention should be given to adequately developing basic reading and writing skills, as well as providing students with an opportunity to develop their own individual vocational abilities.

CRIME AND DELINQUENCY
As former chairman of the Tennessee Council on Crime and Delinquency I am painfully aware that many of our neighborhood streets are unsafe; that the increase in violent crimes is outrageous; that drug abuse in junior high and high schools is damaging young Tennesseans and their futures. Dealing effectively with these problems will be a major objective of my administration.

BASIC MEDICAL CARE & MENTAL HEALTH
It is essential that we continue to take effective steps toward alleviating the severe shortage of doctors and medical facilities in some areas of Tennessee. In the area of mental health, we must expand the efforts recently begun to provide more non-institutional community-based care while at the same time improving the atmosphere and conditions for those who must have institutional help.

QUICK FACTS ABOUT Alexander

BACKGROUND: Eighth generation East Tennessean. Born 1940. Raised in Maryville, Blount County.

CITY HONORS SPROUL—Loudon Vice Mayor Joe Carter presents former Loudon County Judge Harvey Sproul with a plaque from Loudon City Commission for his outstanding service and dedication during his term as Judge. The presentation was made at a City Commission meeting Monday night.

City Commission Honors Sproul

Former County Judge Harvey Sproul was presented a plaque for outstanding service and dedication to Loudon County by the Loudon City Commission Monday night at the Commission's monthly meeting.

The plaque was presented by Vice Mayor Joe Carter who told Sproul that his service to the county and assistance to the city of Loudon had been of great benefit to the citizens of the county.

Judge Sproul thanked the Commission for the honor and thanked them for their cooperation with him as County Judge and with the county government.

The business session of the meeting lasted only about 15 minutes with several ordinances acted on but with most major items of business postponed until October 21 at 7:30 p.m. Mayor Gene Lamberti and city Administrator Gary Hemley were both unable to attend Monday night's meeting.

At the October 21st meeting the Commission will hold a public hearing on the annexation of property where the 90 bed Care Inn nursing home is being built on Highway 72 just outside the present corporate limits. The annexation ordinance on the question was passed on second reading Monday night.

After the Commission repeated a resolution establishing a wage and hour policy for Fire Department employees, Commissioner Doug Lyle said that for several months the Commission had been putting off action on the problem in the fire department.

The problem in question deals with federal wage and hour requirements that have forced the city to pay firemen full pay for sleep-time during their around the clock shift. The firemen work 16 hours straight and under the federal ruling they must be paid a full 60 hours even when they are sleeping. The Commission said this is causing problems in other departments because of the wage differences.

Final reading on an ordinance granting an across the board five percent pay hike to city employees was passed.

Second reading was approved on an ordinance which prohibits all vehicles, bicycles, cars and motorcycles from traveling on any part of a city park except designated driveways and parking areas.

At the October 21st meeting the Commission will hold a public hearing on the annexation of property where the 90 bed Care Inn nursing home is being built on Highway 72 just outside the present corporate limits. The annexation ordinance on the question was passed on second reading Monday night.

END OF CHASE—A crowd is shown gathering for a look at the Thunderbird that was chased through the streets of Loudon Saturday afternoon before the car wrecked. Two Philadelphia, Pa., men were arrested on a variety of charges after the movie-like chase.

Movie Like Police Chase Takes Place At Loudon

A high speed police chase that would rival any Bonnie and Clyde scene had people heading for cover in Loudon Saturday afternoon. The activity started at Philadelphia and ended in Loudon when the car being chased wrecked.

Philadelphia officer Frank McKenzie stopped a late model Thunderbird with Philadelphia, Pa. license on U.S. 11 after witnessing erratic driving. As he was attempting to make an arrest for drunk driving the two black occupants, jumped in the car and sped off.

McKenzie chased them into the Philadelphia residential area where they drove into the yard of Ed Bandy in an attempt to hide behind the house. The chase then headed up Highway 11 with Brent Davis in the car with

Backberry and into the City Housing Project, where officers said the T-Bird jumped curbs, narrowly missed a child and headed on to Collins Street at one point the car stopped and started backwards, crashing into the city cruiser causing an estimated \$1000 damage. The pursued car then hit Fort Hill and when crossing the Southern Railway tracks left the ground and came to rest in a nose down position between Commerce and College Streets.

Officers McKenzie, Johnson, and Brent Davis came out of their cars with guns ready. The men gave up and the chase was over with a crowd gathering to see what had happened.

The driver of the car was charged with driving while intoxicated, three violations of running red lights, failing to stop for a blue light, leaving the scene of an accident and interfering with an officer making an arrest.

The passenger in the car, Walter Sanders, was charged with driving while intoxicated and resisting arrest. Both are being held in County Jail with preliminary hearing in General Sessions Court set for Friday.

Car Missing Year Found In County

A car believed to have been stolen and stripped over a year ago has been found in Loudon County. Sheriff Guy Russell reported this week, Bright said the 1973 Ford Ranch Wagon had only 5000 miles on it when it was driven into a thick wooded area and stripped.

The car was discovered this week by some residents of the Jackson Bend Road area, about a quarter mile from the road, some 150 yards into a wooded area. Stripped from the car was all four doors, radiator, air conditioner, radio, battery, carburetor, tires and wheels.

Bright said it took five hours to get the car out of the wooded area and wrecker crews had to use power saws to cut trees along a path to the

16 Arrested At Party

Sixteen persons were cited to General Sessions and Juvenile Court on Nov. 1, by county officers Thursday night after they broke up what was termed a "rot party."

Sheriff Guy Russell, along with Joe Sims, Larry Proaps and Jim Lindsey broke up the affair that was being held on the I-75 river bridge at Loudon. Four adults cited were Larry Walden, Freddie Rice, Richard Elkins and Terry McColister. The other 10 were juveniles. The officers confiscated a quantity of beer and marijuana.

Brown Suspended After One Day Back At Work

After one day back on the Loudon County Sheriff's force Deputy Kenneth Brown has been suspended. On Sept. 1 Sheriff Guy Russell fired Brown, but after a hearing before the County Merit System Board, Brown was ordered reinstated.

Brown worked on shift last Wednesday, but then was suspended by Chief Deputy Luke Bright Wednesday morning for insubordination. Bright said when Brown was put back to work he was told to wear his uniform only when on duty and to stay away from the County Merit System Board, Brown was ordered reinstated.

Under the rules and regulations of the merit board Brown cannot appeal a suspension, unless it is for

more than 10 days or occurs more than one time in a six month period. The rules also says "the sheriff has the authority to suspend any employee for cause for a period of 10 days." On this Bright said he was given the authority to act for the Sheriff in his absence.

Brown said that during his shift Tuesday, Bright called him to his office and told him that he (Bright) was the best and issued three orders. 1. Brown was not to ride with any other deputy after his regular 12-hour shift. 2. As soon as he got off work he was to go straight home and pull off his uniform. 3. He was to stay away from former sheriff Freeman Russell's home.

Brown said that at 3:30 p.m. Tuesday after he had completed his shift he stopped at the former sheriff's home to

tell him he had gone back to work and would be unable to help him build a cattle chute as he had promised earlier.

Brown stated he reported to the jail at 3:30 a.m. Wednesday as ordered and sat in the Sheriff's office until 7:45 a.m. when Bright came in and informed him he had not done what he was told and was suspended for 10 days.

Brown said he believed a deputy can go where he pleases when off duty except to tavern, bars or places that would reflect badly on the office he holds. Brown said he had reported the suspension by the Chief Deputy to the Merit Board.

The deputy said he had told Bright he was not going to resign, but he was going to try his best to work with him and the sheriff and to get along with them.

DISASTER SCENE—County Ambulance crews are shown arriving at the scene of the mock school bus wreck to find 20 persons dead or injured. All 20 were given field treatment and transported to Memorial Hospital within 30 minutes.

Many Motorists Stunned At Mock Disaster Scene

The shriek of sirens, flashing lights, and the groans, yells and activity surrounding the mock disaster drill by the Loudon County (Continued on Page 12)

Alexander Urges Citizens To Become Involved In Government

Gubernatorial candidate Lamar Alexander today challenged citizens to become involved in the political system in order to restore confidence in government, make government more responsive, and allow more services for each tax dollar.

"I have said much during the campaign about restoring faith in our institutions, making officials more open and responsive to the citizens, and increasing necessary government services. Volunteers are the key to all these proposals," Alexander said at a luncheon with supporters at the Red Carpet Inn, 1-75 in Loudon County, at 11:30 a.m.

"By playing a role in government, people will realize that it is not a mystery or something over which they can have no influence." Alexander explained volunteers help government become more responsive by providing the one-to-one response necessary to solving the human problems of society. "Volunteers are especially

vital to the improvement of state services without increased expenditure. They can provide the manpower without the need for additional funds," the Blount County native stated.

Alexander repeated his

commitment to creating a state office of Voluntary Action to see that volunteers are recruited and put to their best use.

Alexander won the 1974 Republican Primary with almost half the vote in a three-

man race. He received the endorsements of 10 of the state's major daily newspapers and was named by Time Magazine as one of 200 outstanding Americans destined to positions of national leadership.

AT ALEXANDER LUNCHEON—about 100 supporters of Lamar Alexander attended a luncheon Tuesday at the Twin Lantern Restaurant. Here Alexander is shown greeting GOP Vice Chairman Mrs. Louise Henley. Others in the picture are Harry Wampler, Ed Arnold and J.E. Greenway.

United Fund Reaches \$20,000, Inflation Hurting Campaign

The United Fund drive in Loudon County is off to one of the slowest starts the campaign has ever had. Of the \$51,149 goal only \$10,996.25 had been contributed or pledged when the first report meeting was held Monday at noon.

Campaign Chairman Jack Atkins said with the campaign halfway through the month that the drive should be halfway through, but instead only about 20 percent of the goal has been reached. He reported that an all out effort will be made to reach the goal but with inflation and the dwindling buying power of the

dollar many families may be hard pressed for funds to donate to the Fund.

At the report an additional \$5,945.25 was reported. Of that amount \$3796 came from Maremont Corporation to Loudon. \$1,900 was a company donation, \$2,275 in hourly employee pledges and \$221 in cash contributions from hourly employees. Personnel director Bob Black said that the campaign in the salaried employee division was just starting. Other funds reported were \$663 from Lenoir City business, and \$396.25 from Loudon residential.

Most area chairmen said the

campaign in industry, business and residential were just getting underway and they expected substantial reports at the report meeting next Monday at 12:30 at Loudon Junior High School Cafeteria.

United Fund President Charlie Davis again reminded workers to impress on the contributors that the United Fund is an organization made up of 15 agencies making one concerted fund drive. He said that with the economic picture as it is the campaign workers will have to work extra hard if the drive is to meet its goal.

DEMOCRAT HEADQUARTERS OPENED—Mrs. Ray Blanton, wife of the Democratic gubernatorial nominee (in floral print dress), cuts a ribbon officially opening the Loudon Democratic Headquarters Friday. Holding the ribbon are Mrs. Jack Randolph, Billy Joe Akins, and Mr. Jay Shubert. Next to Mrs. Blanton is Dr. Harold Freedman, Blanton's county chairman.

For and about Women

Connie Gail Arden Engaged

Mr. and Mrs. Lee Roy Arden, Route 4, Loudon, announce the engagement and forthcoming marriage of their daughter, Connie Gail to Thomas Watt Brantley, son of Mr. and Mrs. James T. Brantley of Greensboro, North Carolina, formerly of Loudon. Grandparents of the bride-elect are Mrs. Lucy Mae Brown and the late Herbert Brown and Mr. and Mrs. Noah Arden, all of Loudon. Grandparents of the prospective groom are the late Mr. and Mrs. Tim Watt of Loudon and Mr. J. French Brantley and the late Mrs. Brantley of Manchester.

Both the bride-elect and groom-to-be are graduates of Loudon High School. Mr. Brantley attended the University of Tennessee and was a member of Acacia Fraternity. He is presently employed by the North Carolina National Bank.

The couple will exchange vows on November 23, at 4 p.m. at the home of the bride-elect's sister and brother-in-law, Mr. and Mrs. Lynn Willett of Loudon.

visited Sweetwater with Mr. and Mrs. Gillis Moore. Those visiting Sunday with Mr. and Mrs. "Doc" White were Mr. and Mrs. Jack Bradshaw of Akron, Ohio, Mr. and Mrs. Ronny Pierce and sons Ronny, Billy and Brad of Goodlettsville, Mrs. Vestie Davis of Concord, Rev. and Mrs. Charlie Hobbs of Sweetwater, Mrs. Florie Frills, Angie and Linda of Philadelphia Mr. and Mrs. Joe Presley.

Mrs. Nancy Gilliland of Lenoir City and Mrs. Frankie Sutton spent the weekend in Atlanta, Ga., visiting with Mr. and Mrs. Rod Lodenburrie, Mr. and Mrs. John Crumby and Mr. and Mrs. J.C. Lindsey, and with their Aunt Mrs. Zilla Gilliland in Decatur, Ga. They also visited with Mrs. Ethel Lindsey in Etowah.

Mrs. Charlie Queener entered Fort Sanders Hospital Tuesday to undergo eye surgery.

Mr. and Mrs. Jack Bradshaw of Akron, Ohio are here visiting relatives. Mr. and Mrs. Roy Matney spent the weekend in Rockwood with Mr. and Mrs. Albert Matney.

Rev. and Mrs. Eldon Smith of Seymour visited here Sunday with friends.

Mr. and Mrs. Clarence Bettis and family visited Sunday with Mrs. Fred Miller. Mrs. Handle Miller has returned home after a two weeks visit with her mother, Mrs. Joe I. White in Vonnore.

Mr. and Mrs. Evan Forshee, Mrs. Maggie Limburg, Mr. and Mrs. Boyd Patterson visited last Wednesday with Mr. and Mrs. Henry Billingsley in Kingston.

Mr. and Mrs. Gus Wilson of Clearwater, Fla. are the guests of her mother Mrs. Joe Christian in Loudon.

Mr. and Mrs. W.G. House were in Murfreesboro over the weekend to attend a Lion's Club meeting. Enroute home they stopped off in Crossville for a visit with their son and daughter-in-law Mr. and Mrs. Gus House and sons.

RETIREMENT DINNER—Mrs. Pearl Henry is shown with Hamilton Bank President Don Canter at a dinner in her honor upon her retirement on September 30. Mrs. Henry was honored by the employees of the bank at the Twin Lantern in Lenoir City.

Mrs. Henry Honored By Bank On Retirement

The Hamilton National Bank of Loudon, honored Mrs. Pearl Henry with a dinner on September 30 at the Twin Lantern in Lenoir City. She was honored by the employees upon her retirement effective September 30.

The bank presented her a watch and the employees gave her a silver tray engraved with the dates her service began with the bank and the date of her retirement. They also gave her a set of matching candle holders.

During the evening many funny incidents which had occurred throughout the years were related and were enjoyed immensely by new employees as well as those who were employed at the time of occurrence.

Don Canter, president of Hamilton Bank, then spoke on Mrs. Henry's loyalty and value to the bank and stated that she would be dearly missed. As an example of her value to the bank, she was called in to work Tuesday, October 1, the day after retirement.

Mrs. Henry said it was good to be "sixty-five and still alive" and that she would be available for spot duty in the bank on occasion.

Scarborough-Lindsey Engagement Told

Mr. and Mrs. Ray H. Scarborough, Route 2, Lenoir City, announce the engagement and forthcoming marriage of their daughter, Brenda to Arthur Lee Lindsey, son of Rev. and Mrs. Arthur Lindsey of Loudon.

The couple will be married on Friday, November 29 at 7 p.m. at the home of the bride's aunt, Mrs. Cora Isham of Lenoir City.

and is presently employed at Marenmont Corporation, Loudon. Grandparents of the groom-to-be are Mr. and Mrs. Fred White, Rt. 4, Loudon. He is a graduate of Loudon High School and is also employed at Marenmont.

The bride-elect is the granddaughter of Mr. and Mrs. William Frank Smith of Lenoir City. She is a graduate of Roane County High School

Woman's Club Tours Store

The Loudon Woman's Club met on Thursday, Oct. 10 for the evenings program "House Beautiful" at Woodruff's Century House in Knoxville. Jack Brooks was the host and guide. Mr. Brooks discussed with the group furniture styles, groupings and accessories. He was most informative about the relative merits of different woods, fabrics and the methods of construction. Refreshments were served by Woodruff's following the tour. A short business meeting followed the clubs return to Loudon.

Mrs. Burn Is Club Speaker

Friends, Family Honor Robersons On Anniversary

Mr. and Mrs. Ben M. Roberson of Roberson Road, Loudon, celebrated their 50th Wedding Anniversary at their Ancestral farm home with a family luncheon on October 8. Hostesses for the occasion were their daughter and son-in-law, Mr. and Mrs. Holland A. Vestal, Jr. of Athens.

Mrs. Roberson is the former Electa Berry. The couple were married on October 8, 1924, at the home of the bride's parents Mr. and Mrs. Frank A. Berry, Marbie Bluff Farm, also of Loudon.

Mr. Roberson, Retired President and Chairman of the Board, now Hon. Chairman of the Hamilton National Bank of Loudon and his wife live on the farm his great

grandfather settled on in 1824. The home was built in 1859 by his grandfather. The Robersons are the fourth generation of his family to observe their Golden Wedding Anniversary in this home. The previous generations were: Mr. and Mrs. Joseph Roberson who observed their Golden Anniversary in 1869; Mr. and Mrs. Michael Roberson in 1902 and Mr. and Mrs. William M. Roberson in 1939. Mr. Roberson has the original land grant given to his great-grandfather in 1824.

Greeting the guests at the front door was a heart shaped wreath featuring golden bells and a picture of the honorees. Inside on the hall table were pictures of the couple 50 years

ago and a yellow rose. Their daughter ended the luncheon by serving the Anniversary cake on an Antique crystal platter, which was a wedding present of Mr. Roberson's mother and father.

The Roberson's two grandsons, William Roberson Vestal and Stephen C. Vestal were away in college and unable to attend. Those attending were the brothers and sisters, sisters-in-law, and a nephew, Mr. and Mrs. Albert Berry, Mrs. Frank A. Berry, Jr., Mrs. Will D. Roberson and Miss Blanche Roberson, all of Loudon; Mr. and Mrs. Sam H. Roberson, Michael Blair Roberson of Maryville, Mr. and Mrs. Robert W. Berry and Miss Gladys Berry of Knoxville.

Awards Given At Garden Club Show

The Loudon Garden Club held its fourth annual Flower Show October 12 at the Loudon Jr. High School. The show featured over sixty artistic arrangements, sixty-one cut horticultural specimens and seventy-five potted plants. Special exhibits were displays of contrived flowers, helpful hints to gardeners, an exhibit on World Gardening, showing Loudon's participation in the Federation of Garden Clubs' program to send seeds and other garden aids abroad to developing countries.

4-H member, Ronnie Shope entered a display on Conservation, "Planting a tree for Life Tomorrow", explaining the correct methods of planting trees and their care along with pamphlets and in-

formation concerning Landscaping designs and wildlife. He also included a collection of leaves and bark from trees, native to our area. There was a special exhibit of hanging baskets.

Those winning special awards were: Mrs. Marita George, Tri-color; Mrs. McCona George, Creativity Award; and Award of Distinction; Mrs. Charlotte Hodge, Arboreal Award and Sweepstakes; Mrs. Mary Johnson, Nature, Art and Industry Award and Sweepstakes Award; Winners of the Award of Merit were, Mrs. Mary Gae Lomas, Mrs. Glenda Arp, Mrs. Mary Johnson, and Mrs. Violet Holt. The Horticulture of Excellence went to Mrs. Glenda Arp.

FLOWER SHOW WINNERS—Those winning special awards at the annual Flower Show Saturday were (left to right) Mrs. Charlotte Hodge, Mrs. Marita George, Mrs. Glenda Arp and Mrs. Mary Johnson.

GARDEN CLUB EXHIBITS—Shown are exhibits displayed by members of the Loudon Garden Club at their annual Flower Show held Saturday at the Loudon Junior High School.

Philadelphia

Personal News

Mr. and Mrs. D. C. Millsaps, Mr. and Mrs. Haskell Shell and Mr. and Mrs. Carl Bright were in Gatlinburg for a few days recently.

The W.M.S. met last Monday evening at the First Baptist Church with fourteen members present. Mrs. Lucile Simmons was in charge of the program, "Suffering in Sahel in Africa" and discussed "Love Thy Neighbor."

Mr. and Mrs. Richard Burton of Chattanooga were here for the weekend and with Mr. and Mrs. Frank Henderson, Mr. and Mrs. Bill Henderson, Misses Ann and Ruth Henderson and Pete Rogers of Knoxville spent Sunday in the Smokies.

Mr. and Mrs. Bobby Brookshire and daughter of Dalton, Ga. were here for the weekend with Mr. and Mrs. Ed Knox.

Mr. and Mrs. Mike Webb with Mr. and Mrs. Bob Mathew of Knoxville spent the weekend in New Orleans, La. and attended the Tenn.-LSU football game Saturday in Baton Rouge.

Miss Estes In Who's Who

Miss Cathy Estes, daughter of Mr. and Mrs. Ed Ward Estes of Loudon, will be featured in the Eighth Annual Edition of Who's Who Among American High School Students 1973-74.

Miss Estes, a senior at Loudon High School, is a member of the Pep Club, Science Club, co-captain of Cheerleaders, National Honor Society and placed third in the History Award. Cathy plans to enter UT upon graduation.

Don Dewey

In UT Ensemble

Don Dewey of Dixie Lee Junction, a senior in biomedical engineering at the University of Tennessee, Knoxville, is among those students participating this year in the UTK Percussion Ensemble.

One of the most active musical organizations on the UT Knoxville campus, the Percussion Ensemble is an organization composed entirely of percussion instruments. Members of the group perform a large variety of musical literature, including pop music, standard literature and avant grade compositions.

CELEBRATES BIRTHDAYS—Krystal Presley and Chris Hutton celebrated their first birthday October 12 with a party. There were 12 guests present. Krystal is the daughter of Mr. and Mrs. Larry Presley of Philadelphia. She has one brother, Keith. Her grandparents are Mr. and Mrs. Earl Presley and Mr. and Mrs. Curtis Hinds of Loudon. Chris is the son of Joyce Hutton, Loudon and Wayne Hutton, Lenoir City. He has one brother, John. He is the grandson of Mr. and Mrs. Dock White, Loudon and Mr. and Mrs. Charles Hutton, Lenoir City.

Portwood On Dean's List

Owen C. Portwood of Route 5, Lenoir City has been named to the Dean's List summer quarter at Roane State Community College.

In order to make the Dean's List, a student must have a grade point average of 3.25 or higher. There are also 98 other persons who were named to the Dean's List.

Kathy Steele In Student Who's Who

Kathy Steele, a senior at Greenback High School will be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74.

Students are recognized throughout the country for their leadership in academics, athletics, activities and community service.

Kathy is the daughter of Mr. and Mrs. H.P. Steele, Jr. of Greenback. She is a member of the Beta Club, Letterman's Club, F.H.A. and newspaper staff in fashion. She is captain of the cheerleaders was elected to Profits Fashion Board and is a member of the Youth Leadership Program at Carson Newman College. She attends Oakland United Methodist Church and plans to attend UT upon graduation.

MEMORIAL CEREMONY—Pictured at a special memorial ceremony for Mrs. John C. Harrison are her four daughters, (left to right) Mrs. John Pennington, Mrs. Bob McEachern, Mrs. Walton Hewett and Mrs. J.E. Greenway with a grandson, Charlie McEachern, who unveiled the bronze marker. The grave of the late Mrs. Harrison was marked Sunday by the Fort Loudoun Chapter of the Daughters of the American Colonists.

Memorial Marker Placed On Mrs. Harrison's Grave

The Fort Loudoun Chapter of the Tennessee Society of the Daughters of the American Colonists placed a memorial marker at the grave of Mrs. John C. (Mary Alford) Harrison in a special ceremony at Harrison Cemetery on Sunday, October 15.

Mrs. M. C. Anderson conducted the memorial service and spoke of Mrs. Harrison's loyalty and devotion to the church, to the Chapter and the object of the National Society DAC. The bronze marker was presented and dedicated by Mrs. Lucy Steele Harrison, State Regent of DAC, and was unveiled by Charlie McEachern, a grandson. Following the unveiling Mrs. R. M. Ivens, chaplain, read the poem "They Are Not Far" and closed the service with prayer.

Mrs. Harrison, who died

May 26, 1972, was a charter member of the Fort Loudoun Chapter, a descendant of her DAC colonial ancestor, Simeon Taylor a landowner in Guilford County, North

Carolina. Her earliest East Tennessee ancestor, a grandson of Simeon Taylor, was Simeon Eldridge who lived in Roane County prior to the year 1793.

Singing Sunday At Holston

The Loudoun County Singing Convention will meet at 1:45 p.m. Sunday at South Holston Baptist Church. The church is located approximately two miles from Lenoir City across Fort Loudoun dam on highway 95.

Taylor Knox, president, said the public is invited to attend.

23 Girls In Junior Miss Pageant

JUNIOR MISS CONTESTANTS—Fifteen of the 23 candidates for Loudoun County Junior Miss are shown at a Coke Party held for them by Pageant sponsors Xi Alpha Psi Sorority of Lenoir City. Those pictured are (seated left to right) Susan Smith, Jennie Harrison, Jewel Horner, Terry Dukes, Carol Quillen, Debbie Cook, and Rhonda Brown. Standing left to right—Libby Hagan, Linda McConkey, Sharon Parris, Mary Barnett,

Cindy Padgett, Terri Dalton and Pam Smith. Contestants not present were Michelle Cooper, Teresa Goddard, Pam Boone, Rita Ritchey, Aquilla Henley, Marchela Smith Beth Webb and Margie Kelsa. The pageant to select the Junior Miss will be held Nov. 16 at Lenoir City High School. Ten of the girls are from Loudoun, six from Lenoir City and five from Greenback. The winner will represent Loudoun County in the State Junior Miss Pageant.

Roane State Enrollment Up

Fall quarter enrollment at Roane State Community College has zoomed past the high mark set in the Fall of 1973. A grand total of 1,422 students are enrolled at Roane State for Fall quarter, 1974, in a variety of credit and non-credit courses.

The greatest area of increase in enrollment was in

the number of students who are taking courses for credit. The preliminary count shows some 1,474 students in credit courses, exceeding last year's total of 923 by 50 per cent.

Dr. Cuyler A. Dunbar, RSCC President, said "We are tremendously pleased by the enrollment increase shown at this institution this year. We feel that this reflects a strong endorsement of the high quality academic and extra curricula programs offered by Roane State. We think it particularly significant that

the increase is sufficient to qualify for extra appropriations based on the formula now used by the Tennessee Higher Education Commission. We look forward, during the coming year, to continuing our efforts toward the development of an institution of which this community can be justly proud."

The overall increase in total enrollment was 32 per cent above Fall, 1973, totals of just over one thousand students.

Two Interstate Rest Areas Planned For Loudon

Gov. Winfield Dunn announced today that 15 Interstate Highway rest areas and information centers, including two in Loudon County, have been approved as capital outlay projects by the State Building Commission.

The projects involve three combination rest area-information centers, one information only center and the balance being rest areas complete with rest rooms, picnic and parking facilities.

Governor Dunn said the local projects would consist of two rest areas to be located on Interstate 40 and one to be located on Interstate 75. The estimated cost of the I-40 project is \$1,700,000 while the other improvement is estimated to cost \$767,000.

Combination rest area-information centers are planned for Dyer, Fayette and Montgomery counties. The information center is planned

for I-40 in Cocke County. Other rest areas only are slated for Maury, Wilson, Rutherford, Coffee, Hamilton, Bradley, McMinn Campbell and Greene counties.

Commission approval signals the start of design work in the near future, the governor said. Construction could begin in 1976 with completion possible in 1977.

Funding of the proposed projects is provided by proceeds of a \$10,000,000 bond issue requested by the Governor and authorized by the 88th General Assembly to accelerate completion of the Interstate Highway System. A total of \$11,000,000 of this was for the purpose of matching federal-aid interstate funds for welcome centers and rest areas along the system.

Seven information centers are already complete and operating in Sullivan, Campbell, Robertson, Shelby, Giles

Ray Blanton on Inflation:

"Yes, I can help curb inflation in Tennessee."

Inflation is the most critical problem we face in America today. True, as Governor, I could not stop inflation, but there are many steps I will take to slow down inflation in Tennessee.

First, I would eliminate State Taxes on essentials like prescription drugs.

Second, I will repeal the Fair Trade Laws that are only "fair" to big business... they are unfair to the people because they fix prices.

Third, through a bureau of Consumer Affairs, I will inform Tennesseans of lowest prices and best values, and protect them from unsafe products and fraudulent sales practices.

And through Industrial Development and Vocational Education, I can create new jobs and higher wages for many Tennesseans.

Most of all, I will stop the money-draining tactics of big business monopolies and return prosperity to the people... where it belongs.

RAY GOVERNOR BLANTON

today's Democrat for the future.

Paid for by Loudon County Committee for Blanton, Dr. Harold K. Freedman, chairman

Horse Show Sunday

The Little Tennessee Foxhunters Club and the Piney Ridge Riders Club will sponsor their last Western Pleasure and Speed Horsemeshow for this year on Sunday, October 20 at 1:30 p.m.

The arena is located at the Foxhunters Clubhouse on Poplar Springs Road, Loudon. Come out Hwy. 72 (Loudon-Vonore Road) to Giles I.C.A. Market and follow the signs.

There will be 17 classes with first place trophies and five place ribbons. An overall championship rider trophy will be awarded on high points.

The Pleasure Classes are: Old Timer's Pleasure (riders 39 years and older) Open Pleasure, Western Pleasure, Youth Open Pleasure (riders 16 years and under), Tot's Open Pleasure (riders 12 years and under).

Racking Classes include:

Youth Racking Class (riders 16 years and under) Style Racking and Speed Racking.

In the Speed classes there will be: Junior Barrels and Junior Speed (riders 16 years and under; no limits on size of horse) Senior Barrels, Senior Speed, Flag Race, Potato Race, Buddy-pick-up or Rescue Race, Polebending and change partners.

The entry fee for classes is \$3.00 each. There will be no admission charge at the gate. Refreshments available at the Snack Bar.

For further information call Patricia Williams, Sec., Piney Ridge Riders Club at 458-8533.

Margie Branam Is Homecoming Queen

Loudon Passes Blue Devils In 26-0 Triumph

The Loudon Redskins ran their winning ways to 5-0 Friday night by clobbering visiting Harriman 26-0 before a packed stadium of Loudon homecoming fans.

McQueen all had receptions in the game, with at least two sure touchdown losses being recovered.

Harriman crossed mid-field late in the second quarter only to have a pass intercepted by Greg Deatridge to end the first half at the goal line.

Skinner, corrected his kicking form and split the up-rights for a 19-0 count.

Speaking of Sports by DANNY GIBSON Sports Editor. Includes a small portrait of a man.

Booster Clubs Take Step Forward

Suddenly the cost of living has become an important and question asking dilemma of "what's next". It would appear everything has sky rocketed in price over the past 10 years with the crunch finally surfacing in the last 18 months to two years.

Tucker runs by Queen, John Deatridge, and Rick Melton moved the sticks to the Harriman 33. But a pass interception on a bullet to Sam Lyle gave the Blue Devils the ball at their 30 with 7:18 showing in the first period.

Loudon is guilty of clipping on Marlon Brown's 32 yard second half kick-off return moving the ball back to the Loudon 18. Dennis Queen turned the end for 14 yards and John Deatridge added 10 yards on his first carry of the third quarter.

Coach Bert Ratledge and Coach Jim Gibson felt their Loudon team played only well enough to win over an improving Harriman football team.

Queen engineered a 10-play drive that ran two plays over into the second quarter as Loudon carved out a 57 yard touchdown march. Queen's 35 yard wind-whistler to a speeding Rick Tucker placed Loudon on the scoreboard with 11:37 showing in the half.

Harriman kept the ball only two minutes and 36 seconds before Loudon was again seeking a second touchdown. From the Loudon 36, John Deatridge rambled 15 yards. A 15 yard pass to Jeff McQueen and a 11 yard burst by Deatridge over shadowed an illegal procedure penalty.

Mike Lambert rased all thoughts of Harriman scoring by intercepting a pass to give Loudon the ball and first down.

RECREATION SCHEDULES AVAILABLE—The Loudon Recreation schedule for fall and winter are now available at all three Hamilton Banks in Loudon and at Watson Auto Parts, the three drug stores, the Redskin Deli and the Loudon County Herald office. The brochures are sponsored by the Hamilton Bank and are shown in this photo with Recreation Director Bill Birkholz and Hamilton Bank President Don Center.

Inch And Weight Classes To Be At High School

The City of Loudon's first recreation program will get underway Monday, October 21st, at 7:00 p.m. at the Loudon High School. The class will be under the direction of Mrs. Johann Dutton. The classes will include ways to shape-up and have fun at the same time. The first class meeting will have Dr. Jean Lewis, a University of Tennessee professor, for the main speaker. Dr. Lewis will talk on why weight control is important and how to control

your weight sensibly. This program is for both men and women and is the type of class where you will progress at your own rate. For more information call either Bill Birkholz at 458-5104 or Mrs. Dutton at 458-2730.

Loudon County Gridders To Face Tough Friday Night Foes

The football scene is about to unfold the cream of the crop in the next couple of weeks. This Friday night has the teams in Loudon County going against their toughest overall foes of the season. Greenback will travel to twice beaten Townsend for a 7:30 kick-off. The Cherokee Tiger game is the last away game of the season. Greenback will travel to the Loudon County eleven. The Panthers will be a touchdown underdog, but the Greenback offense appears to be gaining a step in experience and could make this one a cliff hanger to the end.

area in Kingston. The winless Panthers would like nothing more than to cut their teeth on the Yellow Jackets' mistakes. Coach Jess Plennons is having a whirlwind of problems with the defending AA state champs and it is wondered if the current season interest is still strong with the Loudon County eleven. The Panthers will be underdogs but look for a new inspiration by the Loudon City team. Last week's play at Knoxville Hills may be the tip-off of better days ahead. Cleveland, fresh from a season trouncing of highly regarded Chattanooga Notre

Dame, stand tall in the path of the Loudon Redskins hopes and dreams of making the Region Two double-A playoffs. The Big Red machine is in for a feat they may not be prepared to accept. The Blue Raiders have nothing to lose and everything to gain. If the Loudon play-off stock is for real this week will be a true acid test. Cleveland has both size and speed and the depth to play four rugged quarters. Kick-off is set for 8 p.m. A top area game has once beaten Maryville hosting unbeaten and Region Three co-leader Goodlettsville.

Ryan, Lambert Hold First Round Lead In City Golf Tourney

Dick Ryan and Tom Second Flight respectively in Lambert are the early first 36-hole Loudon City Golf round leaders of the First and Second Round.

Ryan, playing in the three and under handicap, fired a 18-hole 70 to take a one stroke lead over Inky Swiney. Lambert posted a 69 in the second flight and leads Earl Millsaps by three strokes.

Speaking Of Sports . . .

(Continued from Page 8)

formed with the idea of promoting the Loudon High School program starting with the fundamental training of the elementary group and following right on through to the varsity level. But the club has settled to the backing and financial support of only the midlevel football program, thus promoting the need for a still another group of interested individuals. Loudon City is starting a Panther Booster group with Walden's Cafeteria serving as the meeting quarters.

Certainly the coaches do not have the time to get out and push for support of their respective teams. But in a time when community ties are needed in the strongest of ways interested individuals should volunteer to help, if not in donation of money then in donation of free time for the construction of a better and stronger and more competitive county sports program.

Since 1970 Loudon County high schools have made the football play-offs in a bid for the state title in either AA or A almost every year. At least one boys or girls team in basketball makes it to the regional playdowns each season. One making it to the state tournament last year. Baseball has long been a strong East Tennessee power at Loudon City and hopefully the newly formed Loudon nine will fair accordingly. But the fielding of standout teams and long hours of coaching and preparation will do the job any more it is going to take all our efforts.

Five Game Redskin Football Stats Released

Mr. Tom Delaney, a long time sideline figure of Loudon High School football was over the years who keeps an in depth statistic chart for head coach "Chig" Ratledge, has provided the Loudon County Herald Sports Department with these figures to pass along to Redskin patrons. In five contests the Redskins have posted 91 first down and amassed 990 yards of total offense, 1587 yards rushing and 373 passing. Opponents have achieved 33 first downs and gained 604 yards of total offense for the season, 254 yards rushing and 459 passing. Loudon backs have rushed on 269 occasions and 16 pass completions snaggged out of 39 passes. Five have been intercepted. Redskin foes have run on 138 scrimmage snaps and passed on 96, completing 82. Loudon has intercepted eight times.

Loudon's Sam Lyle has punted the football 16 times for an average of 48.7 yards per boot. The opposition has had to punt 34 times for a 36.6 average.

The Redskins have been guilty of 20 infractions and penalized 198 yards, while the referees have called 16 penalties in Loudon's favor for 157 yards.

The Loudon backs have a knack of dropping the ball along the way and data shows the Redskins fumbling 29 times and losing 16. Their opponents have fumbled just

18 times and lost nine. Nevertheless the Redskins are yet to be scored on the ground and give just 17 points thus far on two passes and a field goal.

Kenny Skinner has booted 16 of 20 extra point tries, while eight individuals have scored at least one touchdown for Loudon in the five games to date.

Offensive individual standouts have been: Dennis Queen with 31 Carries, Dick Melton 51 carries, and Johnny Deatridge with 87 rushes. Sam Lyle has caught eight passes and Buddy Swiney and Rick Tucker four each.

Defensively Mike Yates, 240 pound senior, leads the tackling with 25 stops and 15 assists. Sam Lyle ranks second with 23 tackles and eight assists. Dickie Colvin has nailed the ball carry 24 times and helped on 16 others. Dennis Thearp and Marlon Brown have 21 tackles with Brown assisting on 20 more and Thearp 17.

Kenny Skinner has been given credit for 18 tackles and a dozen assists. Carter Cardwell, John Deatridge, Jeff McQueen, and Raymond Watkins round out the defensive leaders with Deatridge accounting for 16 tackles and 15 assists and Cardwell leading the defensive backs with 15 tackles and eight assists.

Greg Deatridge paces the Redskins in interceptions with five.

Deanna Blankenship Is Football Contest Winner

Deanna Sue Blankenship of Loudon correctly picked winners of all games in The Herald's Football Contest last week and missed the tie-breaker (Loudon 26-Harriman

6) by only two points to win the \$12 first place cash. Thomas Hader of Cleveland was second with 16 games right and 32 points to take the \$8 second place money. Third

Lynn And Larry Millsaps Are City Golf Champs

The Loudon City Golf League concluded its final regular season play this past week with Larry and Lynn Millsaps successfully defending their 1973 summer crown as first year league champions. The 1974 season finished with 273 team points, coming on with a late August surge that saw them pass Richard Archer and John Cobb in September.

Cobb and Archer had led the league for over two months of the regular season but could not hold off the hard driving Millsaps team. Cobb and Archer finished with a team total of 244 points as did Ed Arnold and Paul Brakebill.

Arnold and Brakebill never took command of the league standings, but probably fashioned the best overall steady play of any team for the entire summer. Arnold and Brakebill opened the season in the top of the league and steadily climbed the ladder to their runner-up tie with Cobb and Archer.

Ted Lomax and Inky Swiney caught fire in the month of September and finished fourth in the standing with 223 team points, two better than Jimmie Hamill and Jim Moore. Lynn Millsaps also captured the top individual play for the summer with 139 points. John Cobb finished second, accounting for 125 points. Larry and Lynn Millsaps won the last week top team honors to assure themselves of the league title. Harrison Henry won individual medalist recognition with a 32. The Inter-league tournament, consisting of 18 holes will start this week and the awards supper is scheduled for Tuesday, Oct. 22 at the City Park, starting at 6 p.m.

TEAM	POINTS
Larry Millsaps and Lynn Millsaps	273
Richard Archer and John Cobb	244
Ed Arnold and Paul Brakebill	244
Ted Lomax and Inky Swiney	223

SHORT CIRCUITED—Loudon flanker Rick Tucker is just a little short to pull this Dennis Queen pass down, but the senior receiver did make two catches for touchdowns in the course of the game.

UNDEFEATED LOUDON FRESHMAN FOOTBALL TEAM—Front row, from left: Tony Brookshire, Chuck Johnson, Eddie Estes, Dean Rowe, Jerry Townsend, Doug Russell, Freddie Starritt, Jeff Harris, Skip Pointer, Wayne Anderson and manager Curt McKee. Second row, Quintin Robanks, B. J. Moore, William Smith, Mike

Akins, Clay Burnett, Tim Akins, Jerry Brown, Ricky McCrary and Tommy Simpson; third row, Coach Larry Bridges, Bobby Blankenship, Bill Horner, Jim Brown, Stephen Bettis, Gary Brown, Dennis Stewart, David Black, Steve Schrimsher, Mark Moore, Coach Larry Collins.

Quick, What's The Name Of Your Auto / Homeowners Insurance Company? If You've Never Heard Of Them Before Ask Yourself These Questions:

1. What kind of claims service can they give in MY area? Some companies have only 1 or 2 claims adjusters for ALL of East Tennessee. If they are spread this thin they probably can't give fast service when you need it.
2. Can they meet my needs? Some companies have limits on the amount of insurance they will provide on dwellings or will not provide high bodily injury limits for automobile insurance.
3. Are they able to offer other services? Some companies can't provide "extras" such as inflation-guard for your homeowners, or car-pool discounts, multi-car discounts and driver training discounts for auto insureds.

INVESTIGATE . . . BEFORE YOU BUY. YOU DESERVE MORE THAN A PIECE OF PAPER FOR YOUR PREMIUM DOLLAR.

ANNUAL FOOTBALL CONTEST

The Herald Loudon County

12 BIG WEEKS

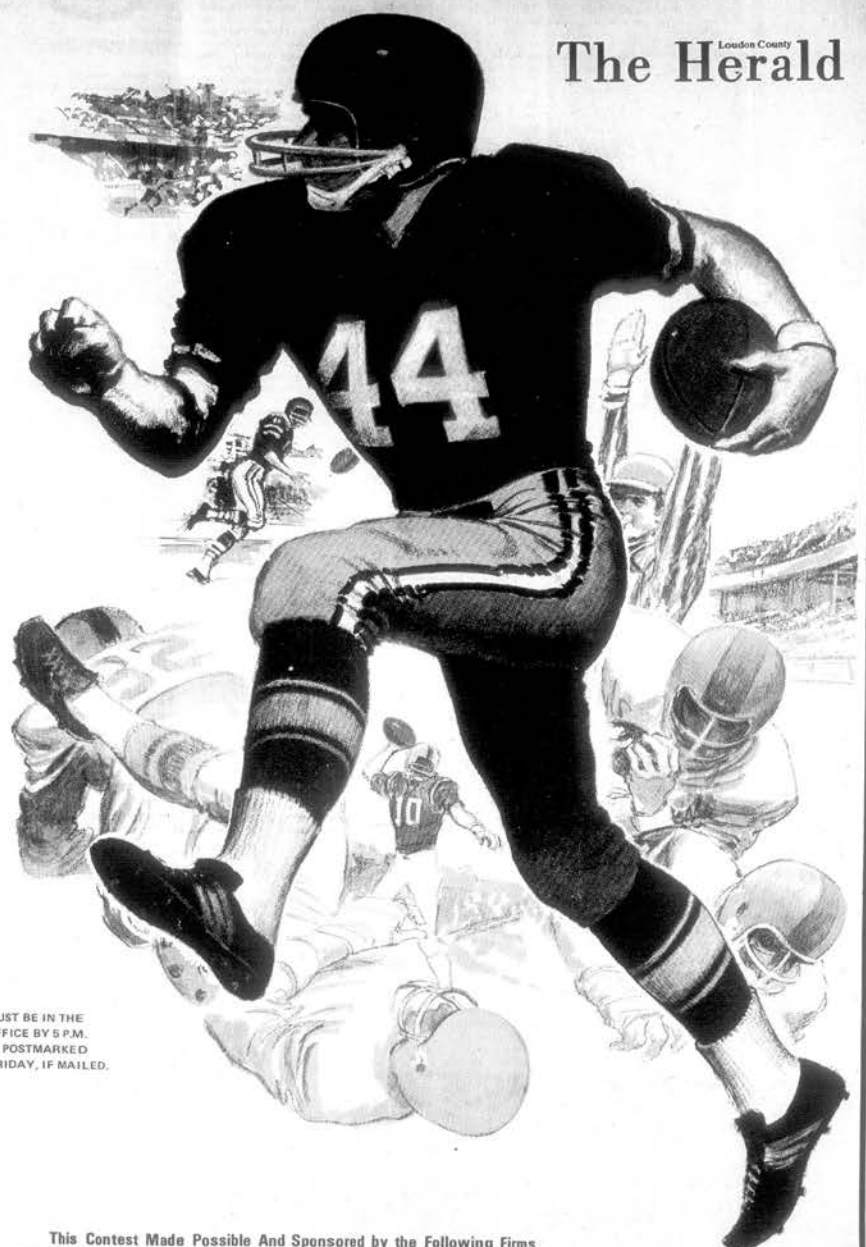

\$300 IN CASH PRIZES

\$25 Each Week

†12 First Place

†8 Second Place

†5 Third Place

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees for their immediate families of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Panthers Leave Red Devils Gasping in 7-3 Loss

CARVER MAKES CONVERSION RECEPTION—Greenback split end Mark Carver makes a standout reception of this Roddy Kizer touchdown-two point conversion aerial in the second half of Thursday night's Cherokee-Walland football clash.

The Lenoir City Panthers toyed with the possibility of salvaging their first win of the season last Friday night at Knoxville Hills, only to be nose out by a score of 7-3. The struggling Panthers gave their most solid effort of the season in almost surprising Hills. "We played on their half of the field the entire game," said a disappointed head coach Henry Blackburn. And certainly for hustle and play the Panthers should have won on merit alone. On at least two occasions the Lenoir City team appeared to be bound and as if by magic the Blue Devils survived the assault and regained the football just yards from their own end zone.

The Panthers lost the opening coin toss and kicked to the Blue Devils. But the Lenoir City defense was superb and with Curtis Monger, Jeff Walker, Tony Williamson, Jeff Blakney, and Dewayne McNabb all containing the Halls offense, the Panthers displayed a more aggressive and pursuit type group of tacklers.

The offense was once again in the hands of senior Mike McConkey, as Benny Goley missed most the week of practice before the Halls game with the flu. McConkey, mixing his play selection, rolled right and left for 40 yards on 12 carries and used the running of Walt Thaxton, 18 rushes for 60 yards and the pass catching of Jeff Blakney to keep the Panthers in scoring position all evening. Lenoir City, try as they might, could never break the Blue Devil defense once they got within 25 yards of a touchdown. The Panthers finally marched into scoring range late in the second period, only to fumble away their momentum. The Blue Devils

were checked by the defensive wall constructed by the Panthers and by a strange reverse from games past the Lenoir City made a key pick-off a Halls pass attempt in the closing seconds of the first half to fire the Panthers even to a more fever pitch.

The second half saw Lenoir City start from their own 25, pick up a first down on two runnings plays by Danny Hall and Walt Thaxton to the 35. A five yard penalty advanced the ball to the 40 but the Panther offense bogged and a punt was necessary.

Halls, held to just 32 yards rushing in the first half and 12 yards passing, tackled on 13 yards from the line of scrimmage on first down at their own 45. A yard, then 10 more off tackle moved the ball to the Lenoir City 37. And then as the Panthers dug in and cracked hard on a run to the left of the line by the Blue Devil back the ball bounced free. But just like a basketball

recovery, Jeff Blakney claiming a fumble at the Blue Devil 12 yard line. Such a happening has been so often the misfortune of the Lenoir City offense not their opposition.

Lenoir City could move no closer than the Blue Devil seven, thus on fourth down Mike McConkey split the left with a 24 yard field goal for a 3-0 Panther lead.

Walt Thaxton assured the free. But just like a basketball

period and cut the score to 32-14.

Hawkins Stars For Cherokees In 40-22 Walland Setback

The Greenback Cherokees presented unbeaten Walland with numerous first half scoring opportunities last Thursday night and as a result fell to the Indians 40-22. The Cherokees completely stopped on the ground resorted to a desperation aerial attack in the second half in an effort to rally and over take the conference leaders. Walland gave up but nine yards for the entire game to Greenback rushes, who ripped the Cherokees defense for 350 yards on the ground for the game.

Greenback took the opening kick-off with Jimmy Brooks bring the ball back up field for 22 yards to the Cherokee 32. Brooks fumbled the ball on the tackle and Walland recovered. Four plays and the Indians had taken an early lead,

cashing in the Greenback turnover. The initial scoring play coming from seven yards out. The Indians were successful on a power sweep for a two point conversion, with just 1-50 yards in the game.

The Cherokees gave indications of coming back with a march of their own as Mark Carver hauled in an 11 yard Roddy Kizer pass at the Greenback 44 for a first down. The Indians stopped the Greenback running game cold and an incomplete pass forced the first punt of the game.

Walland starting from their own 27 overcame two five yard penalties in an 11 play ground assault that saw them cross the Cherokee goal line with 3:36 showing the first quarter clock. The Indians used first down runs of 12, 14, 15 and 13 yards in the drive,

striking pay dirt from nine yards out. A conversion pass was good for two points, and a 16-zip tally.

Greenback was checked at their own 44 in four plays

following the kick-off, Walland taking a Cherokee punt near mid-field stop. In four plays to the Cherokee 29 before Jimmy Brooks and Jeff Tipton teamed on coming up with a crushing tackle and fumble recovery. Brooks getting the ball as the first quarter ended.

Solid-fuel Fireplace For Mobile Homes

The first wood-burning fireplace designed exclusively for mobile homes is now available to you through Solid Fuel Fireplace Incorporated. The new fireplace is designed to mount flush against the wall to facilitate easy clearance, beauty, and efficient heat throughout the home. This decorative and inviting unit can be installed into any existing mobile home. It may be supported, and set around with standard mobile home building materials and requires no masonry foundation or clearance.

FEATURES
 *Beauty and warmth - adds charm to any decor. May be installed without reducing valuable floor space.
 *Easy installation - fits between standard stud spacing and board-ers.
 *Exclusive fold-away metal doors - may be closed when not in use.
 *Adjustable to gas logs.
 *Unit comes complete - include firebox, chimney, hearth, brick front with mantle, metal doors, spark-guard screen, and grate.

DODSON'S BLOCK HAS HAWKINS OFF ON 71 YARD TD RUN—Greenback defensive safety Harold Dodson intercepted a Walland pass with 7:11 left in the second quarter of Thursday night's football game and returned it 71 yards to the Cherokee first touchdown of the game. Hawkins Dodson (22), a defensive back with Hawkins threw the freeing block to get Danny Dodson on his long scamper.

but the Walland ground game was switched to the air for 18 yards and a first down. The Greenback defense made its best showing of the first half, anchoring them selves at their own 31. Two Walland running plays and an incomplete pass produced just two yards. A fourth down pass was scored by Greenback safety Harold Hawkins at the 25.

Hawkins used a couple of elusive moves to rid himself of two Walland tacklers and then raced free on a Danny Dodson block to scamper down the sidelines for a 71 yard touchdown run on the 71 yard line. The TD cut the Walland lead to 16-6 with 7:08 left in the half. A two point conversion pass was no good.

Walland, refusing to yield to the Greenback score, drove 79 yards in a time of 4:21 to post a 24 halftime score. The Indians used 11 running plays to move down the field and overcame a double penalty of 20 yards for illegal motion and a personal foul at the Greenback nine yard line. The Indians scored from the 24 on a sweep to the right. The conversion run was good.

Greenback had to weather still another Walland scoring effort before the half as Kizer was injured on the first play following the ensuing kick-off and Danny Dodson had trouble handling the snap with Walland recovering at the Greenback 27. The Indians traveled to the Cherokee 13 before the clock expired.

Walland in the second half kick-off, was forced to punt by a regrouped Greenback defense only to have Harold Hawkins to loose the punt in the lights and fumble at the Greenback 19. Three plays and Walland had hammered the pickup into the end zone and a 2-0 score. The extra point run being good.

Greenback, with a much improved second half effort, made their move to challenge the Indians. With the ball resting at the Cherokee 42, Kizer hit Harold Hawkins on a 40 yard pass for a first down. A pass to Randy Evans was incomplete, but came back to his favorite receiver Hawkins and this time for 41 yards to the Walland seven yard line. Jimmy Brooks fired into the Walland line for a yard and Kizer returned to the air to hit Lynn Rucker with a six yard touchdown pass over the middle. Mark Carver stretched high to pull in a two point conversion pass with

nothing, thus prompting the Cherokees to engineer a halfback pass with Hawkins hitting Lynn Rucker in the end zone for the touchdown.

Hawkins added a two point conversion run for a 40-22 score.

Couch Keith Bailey was unhappy with his teams first half showing expressing the failure of the Cherokees hit and block giving the Indians the upper hand early. "We were just arm tackling and not knocking out their interference on their power wedge running attack." "Our second half was much better and proved we could play with them had we got after them for the entire 48 minutes," expressed the coach.

Harold Hawkins had his best game of the year, rushing five times for 13 yards. He caught three passes for 61 yards, threw a touchdown pass, scored a TD on a pass interception, and added the two point conversion run.

Jeff Tipton, Danny Evans, and Danny Dodson were defensive stalwarts in the game for Greenback's spotty defensive showing.

THAXTON RAMBLES—Lenoir City Sophomore Walt Thaxton gave a standout performance in carrying the football and playing a heads-up defensive game Friday night at Knoxville Hills. Thaxton carried the ball 18 times for 60 yards.

CLUTCH PASS—Panther senior quarterback Mike McConkey unloads a clutch fourth down pass to senior receiver Jeff Blakney for a 39 yard gain and near touchdown in the Halls football game Friday night.

TOUCHDOWN AERIAL IS SHORT—Lenoir City's Walt Thaxton simply out ran this sure touchdown pass in the third quarter Friday night at Halls High School. The reception would have given the Panthers their first win of the grid season.

1974

Motorists Stunned By Mock Disaster

(Continued from Page 1)
Ambulance Service last Friday morning caused stir of excitement. Motorists driving by Loudon High School where the fake school bus wreck was staged converged on the scene many unaware that what they were witnessing staged wreck.

The drill was organized through the Loudon County Memorial Hospital to test the efficiency of the Ambulance Service and the Emergency Room staff at the hospital. The operation was coordinated by Dr. Harold Freedman and received support from the Loudon County Rescue Squad, Loudon Fire Department, Loudon County Sheriff's Department, Loudon City Police Department, Loudon and Lenoir City Schools, the Hospital Auxiliary and the local newspapers.

The drill was started at 9:30 a.m. and by 10 a.m. all 20 of the injured or dead victims had been field treated and taken to Loudon County Memorial Hospital.

One purpose of the drill was to determine the level of preparedness of the hospital and community in meeting such a disaster in event one

was ever faced. The disaster was staged on Stoeke Road at Loudon High with a school bus carrying 20 students enrolled in the Health Career Programs at Loudon and Lenoir City High Schools. The bus was driven into a ditch against a utility pole to simulate an accident.

The victims were scattered on the ground and roadside near the bus and some were inside. All were made up with various injuries including broken bones, severe head injuries, multiple cuts, back injuries, and internal injuries. The students were role-playing the part of injured persons, and the makeup was so realistic that many passersby were visibly upset and stopped to offer assistance.

The hospital received a call from the scene that a disaster had occurred and the mechanism developed by Ambulance Service Director Bill Sweet was set into motion. Ambulances from the two bases of the County Ambulance Service along with ambulances from the Loudon County Rescue Squad were quickly dispatched, along with a fire truck from Loudon. Law enforcement personnel were

FIRST ARRIVALS—The first ambulance load of "victims" in the disaster drill Saturday arrive at the emergency room entrance of Loudon County Memorial Hospital. Pictured are Odell Justice, Juanita Ballard, Jack McNabb, Eugene Henley, Rosie Brown, Ronnie Willis, Betty Henderson and Doug Easter.

CHECKED IN AT HOSPITAL—Dr. Harold Freedman checks one of the mock disaster victims as they arrive by ambulance at the hospital and dispatches them to a treatment room. Nurses are Opal McKee, Betty Henderson and Juanita Ballard.

notified and arrived to assist in the traffic and crowd control.

After the start of the disaster it was all business. Firemen arrived pouring water on the bus and ambulance crews started checking the various injuries, treating victims and loading the more serious cases for a fast ride to the hospital.

At the hospital personnel assembled and waited to receive the injured where they were checked by nurses and

Dr. Freedman and dispatched to treatment rooms or the morgue where the dead on arrival victims were sent.

Security on all entrances to the hospital was established, and traffic coordinators were placed in the parking area and emergency room entrance. Director Sweet said, "we learned a great deal from this drill, as we discovered in departmental critique sessions held after the disaster was over and the victims sent back to school.

Our supply of certain drugs would have probably been exhausted which means we need to establish lines of communications with adjacent hospitals for help in the event the real thing happens. We need to develop and provide in-service training on triage procedures, e.g., establishing responsibility and outlining procedures for people involved in sorting out the injuries. We need a call list for our telephone operators to contact off-duty personnel. We

need to make arrangements with adjacent county's ambulance departments for assist in helping transport victims both to the local hospital and nearby hospitals. We need additional security personnel, and we need an identification system for relatives of victims and hospital personnel," he said. Sweet said the cooperation received from all agencies involved was very good and the acting by the victims was very realistic. He said results

from the drill will continue to be studied for ideas to attain better efficiency toward meeting the areas needed in

health delivery. In all about 60 persons from the various agencies were involved in the mock disaster.

Stolen Car Recovered Here

(Continued from Page 1)
road and put wheels on the hulk of the body. All identification has been stripped from the car. The FBI has been called in to take identification from the frame of the car and find out where it

was stolen from. Bright said he went to the location of the car earlier in the day, raised the hood to look for identification and was welcomed by an angry black snake resting on the motor of the car.

FIREMEN WATCH—Loudon Firemen watch as Ambulance EMT's Bobby Walker and Kent Parris aid a student with a bad leg wound.

READY TO TRANSPORT—Ambulance attendant Jack McNabb prepares a cot for one of the two students injured in the mock bus wreck as Mike Langley applies bandages to a head wound.

AMBULANCE ATTENDANT Mike Langley treats one of the "more seriously" injured students before transport to the hospital in Friday's mock disaster.

IN TREATMENT ROOM—Nurses Juanita Ballard, Glenda Clemmer, Gladys Hines, and admittance clerk Dortha Craig are in the emergency room with one of the injured students.

RECEIVES AID—Ambulance Service Emergency Medical Technician Kent Parris prepares to apply a bandage to the badly cut hand of one of the students participating in the school bus mock disaster.

OCT 17 1974

VIEW FROM THE HILL

by Edward Headlin
Louidon County School Superintendent

Apologies:
If you have tried to call or see me at the office lately and found that I was not there, I apologize. I have attended several meetings lately and all have been useful. I feel that I can better serve you as your superintendent because of the information I have learned. If you want to talk with me, please leave your name and telephone number and I'll return your call as soon as possible. Thank you.

Building Program
Plans are moving forward quite rapidly on both the Greenback and Loudon Jr. High projects. A meeting has been scheduled for Thursday, October 24 at 7:30 p.m. in the

superintendent's office. The architects, the school board, and the court budget committee will be present to go over the two proposals.

S.A.G.
The Superintendent's Advisory Group held its first meeting on Tuesday, October 7 at 7:30 p.m. in the superintendent's office. All six members were present. The meeting dealt with general discussions and the purposes of the committee. Upon a request from the Greenback representatives a call was made to the Tennessee Book Company on Thursday. Loudon County was assured that the long overdue social studies texts would arrive

within a week to ten days. The next S.A.G. meeting is set for Monday, November 4 at 7:30 p.m. on the superintendent's office.

Fire Safety
Last week Loudon Fire Chief Bill Jones delivered the fire extinguishers which we ordered for Loudon Elementary School based on an inspection conducted by Chief Jones and myself. I understand that this has been a concern of many parents. Presently we are planning to conduct similar inspections of all county schools to determine the needs of each. The safety of our children is the

first consideration that we must have when we check these schools.

Coal
We have begun stockpiling coal for use in our schools, but we cannot be certain of getting as much as we used last year. The State Department of Education is looking into the possibility of a four-day school week. The day would be extended by 1-1/2 hours per day to make up the fifth day's work. If the coal strike comes, Loudon County is in better shape than several of our neighbors thanks to the planning of the school board, county court, and the purchasing department.

Thanks!
A personal note of thanks from the Loudon County Board of Education and the superintendent's office to Mr. Buddy Jenkins and the county purchasing committee. Mr. Jenkins saved the county several thousands of dollars in securing a boiler for the Philadelphia School. Several times when the situation looked darkest, Mr. Jenkins took his own time to make trips, phone calls, and personal visits in order to get a boiler for this school. Speaking for the Board of Education and the teachers and children of Philadelphia School—"Thanks, Buddy!"

Dills Hurt In Wreck

William A. Dills, 19, Rt. 2 Philadelphia, was admitted to Fort Sanders Hospital following a traffic accident on Industrial Park Road at Loudon about 7:45 p.m. Wednesday.

Dills car struck a car that had been left on the side of the road out of gas. The car was owned by Ricky Alexander, 21, Rt. 2, Loudon.

Both cars were heavily damaged. Dills sustained facial cuts and head injuries when he struck the windshield of his car. State Trooper Joe Littleton charged Alexander with improper parking.

Stolen Car Recovered Here

A car belonging to Mr. and Mrs. M. L. Stafford, Forest Heights, Lenoir City, was found stripped and burned at Notchin Hill, near Poplar Springs at Loudon Thursday morning.

County Jail Dispatcher Bill Mills said James Duncan of Rt. 2, Loudon turned in two torn up license plates and a check of registration records showed the tags belonged to a 1973 Gran Torino owned by the Staffords.

The car was found by Deputy Jake Chapman. The Staffords were unaware that the car had been stolen before being notified that it had been found.

Band Rates High At Cleveland

RECEIVED EXCELLENT RATING—The Loudon High School Marching Band attended the Tri-State Marching Festival held at Bradley County High School in Cleveland on Saturday, October 12. They received a rating of

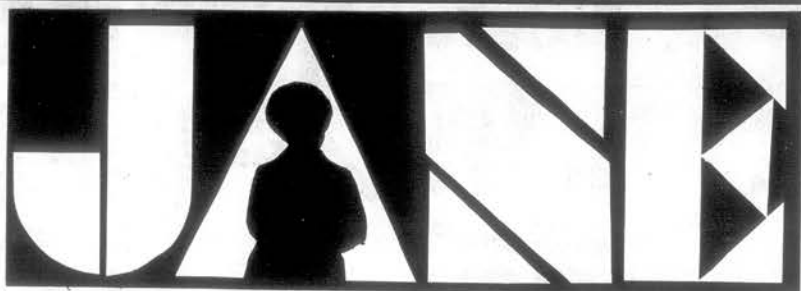

Excellent with the colorguard, flags and majorettes rated Superior. Four trophies were presented the band for their efforts. The band will enter the Bandmaster's Open in Knoxville this Saturday, October 19.

ROSS H. WILSON, Superintendent
Lenoir City Schools

East Tennessee

Teacher of the Year Mr. Hassel Evans, Coordinator of General Administration, State Department of Education, has notified Prof. Joe Spence that he is the East Tennessee District Teacher of the Year for the 1974-75 school year. The East Tennessee Development District has some 27 school systems and is the largest district as far as the number of school systems in the state. Mr. Spence competed with candidates from these systems and was selected the winner and will represent the East Tennessee Development District at a banquet sponsored by the State Commissioner of Education in Nashville when the State Teacher of the Year

will be selected from the nine districts. Mrs. Johnnie Littlefield was the District Teacher of the Year last year and represented the East Tennessee District at the banquet sponsored by the Commissioner. A Nashville teacher won the state honor last year.

We congratulate Mr. Spence and wish him even greater success as he competes for the state honor. For the second year in a row this honor has come to Lenoir City and certainly we are happy to be honored in this way.

Southern Association Membership Will Be Decided in December
Lenoir City High School will

be considered for membership in the Southern Association of Colleges and Schools by the Tennessee State Committee on November 18, 1974 and by the National Committee at the annual convention in Dallas, Texas, December 8-11, 1975. The State Committee will meet in Nashville on November 18 and the recommendations of the State Committee will be presented to Commission on Secondary Schools in Dallas in early December.

Several weeks ago the Chairman of the State Committee, Mr. Herman DeFries, and Dr. O. C. Stewart, Member of State Committee, and also Chairman of the Evaluation Committee that visited the high school last April, visited the high school as a follow-up of the Visiting Committee to see what action had been taken to meet the recommendations of the Visiting Committee.

Qualifications of Vocational Teachers

Many vocational teachers will be needed across Tennessee during the next few years as Comprehensive Vocational Education becomes a reality. The recent appropriation of 197 million by the General Assembly for capital outlay will call for several hundred new vocational teachers.

The education requirements and work experience for Trade and Industrial Education teachers is as follows:

1. Be a high school graduate or successfully complete the GED Test.
2. Must have completed at least 6 years of approved employment experience. Periods of organized training may be applied. Other training and experience may be evaluated.
3. Submit a qualification sheet to the Regional Office for evaluation.
4. Secure a Tennessee Vocational Teacher's Certificate.
5. Complete a 10 hour pre-service orientation course.
6. During the first 5 years of teaching, complete 27 hours each.
7. During the first 5 years of teaching, complete 27 hours of approved Industrial Education (Minimum of 3 quarter hours each year).
8. During the second and subsequent 5 years of employment, complete 6 quarter hours of professional or technical courses of value to the instructor in improving the program.
9. Also during the second and subsequent 5 years as a vocational teacher, complete 12 weeks in not less than 6 weeks periods of employment in the trade being taught. Approved workshops, institutes, and Seminars may be applied.
10. Organize and sponsor a VICA Club.

County Per Family Debt Share \$310

What Federal expenditure takes three times as much from Loudon County residents, through the taxes they pay, than aid to education?

What is it that takes a bigger piece out of their tax dollar than Federal spending for veterans services, revenue sharing, housing and community development, space research and environmental protection, all combined?

The answer is: the interest on the national debt. The interest costs are at a record level, nearly \$30 billion, by virtue of a big boost in the debt ceiling, in May. The total debt is now at an astronomical \$465 billion, just under a half trillion.

The increase, requested by

the Nixon Administration, was necessary so that the Government could borrow money to meet its oncoming obligations.

Since \$465 billion is too colossal a sum to grasp, it is broken down for better understanding.

If it had to be paid off all at once and if everyone in the country had to chip in an appropriate share to liquidate it, Loudon County's contribution, based upon local population and income, would amount to \$43,148,000.

Since there is no plan to pay off the debt, of course, it presents no immediate problem. What is of concern, however, is the huge amount of interest that must be paid on it annually.

The \$30 billion that will be required during this fiscal year is second only to the cost of national defense, the budget shows.

Residents of Loudon County will be paying approximately \$2,615,000 toward these interest charges, in line with their normal share of the overall tax load. Per local family, the average is \$310. The Federal debt has reached the point of being

larger than the combined governmental debts of the rest of the world, according to Congressman H. B. Gross of Iowa. It has risen more in the last five years alone than in the previous sixteen.

Responsibility for the growth is attributed to deficit spending, year after year. The national government has grown so big that it takes \$9,500 every second to keep it going.

The Tribe Speaks

LOUDON HIGH SCHOOL JOURNALISM CLASS

By David Kincaid
This week is the last week in the first nine weeks. The grade cards will come out Thursday of next week.

There has been a new policy set up this year to help the grades of students. If a student has a perfect attendance for the nine weeks there will be three points added to the average of his or her grade for that nine weeks. There will not be any semester exams given.

The Homecoming Queen was announced last Friday night at the ballgame. Paula Green, the 1973 Homecoming Queen crowned Margie Brannan as the 1974 Queen.

Instead of making floats for the parade this year the student body decided to decorate cars. The Freshman won first place; PFA, second place; Seniors, third place; and the Sophomores, fourth place. The Juniors and the Science Club also had cars in

the parade. There was not any prize money given out this year for the best one.

This Friday the softball team will go to Cleveland to play their sixth game of the season with a record of 5-0. Last Friday night we beat Harriman with a score of 25-0.

Adult Basic Enrollment Set

Enrollment for Adult Basic Education classes will be held at the Loudon Junior High School, Monday, Oct. 21 and Tuesday, Oct. 22 at 7 p.m. Classes are open for any person 16 years old or older who has not finished eight grades or completed high school.

There are no fees or charges for the class. All books, materials and supplies are furnished free to the student. For further information, call 458-3245 or 458-5411.

VOTE ON NOVEMBER 5 FOR LAMAR ALEXANDER

Lamar Alexander Cares...

About the Problems of Inflation

□ There are things, specific things, that a governor can do about inflation. If leaders of all states and all nations work together, constructive progress on the solution of this problem can be made.

One high-priority step needed now is immediate intensification of efforts to bring more industries with more high-paying jobs to Tennessee. This step, with increased emphasis on vocational training can move us toward raising the average income to the national average of \$5,000.

Without penalizing progressive programs, we need to curtail wasteful government spending at both the state and federal level.

Tax relief for older Tennesseans and stabilization of the interest rates for younger families are all worthwhile goals for our next governor, Lamar Alexander cares about these problems.

Police Boat Available Here

A Police Boat will be added to the patrol equipment of the Roane County, Tennessee Sheriff's Office.

A 18' police boat driven by 140 horsepower outboard motor, made possible by a federal grant from the Tennessee Law Enforcement Planning Agency, will provide the Roane County Sheriff's Office with the capability to patrol Watts Bar Lake and investigate crimes occurring on the water; at its accesses and in or to properties along its shoreline.

Watts Bar Lake covers 28,000 acres in Roane County, has 535 miles of shoreline and residential properties; equipment and development

committee in the local administration of U.S. Government farm programs, Mr. Pippes said.

Loudon county has six ASC communities. The names of these communities are: Eatons, Oak Grove, Glendale, Greenback, Luttrell and Corinth.

Thursday at Baker's Creek Presbyterian Church with Rev. Tom Fuhr and Rev. Jewell Williams officiating. Interment, church cemetery, McCombs-Ammans, Maryville, in charge.

MR. MALONE
Samuel A. (Tea) Malone, age 78, of Route 3, Loudon, Cave Creek Community, died Monday, October 7 in Veterans Hospital, Johnson City. He was a 50 year member of the American Legion, Loudon Lodge No. 204 and a Veteran of WWI.

Funeral services were held Thursday at Click Funeral Home Chapel. W.A. McMurray, Chaplain of the American Legion Post No. 203 officiated. Interment, Abbott Cemetery, Loudon County, Click's Lenoir City, in charge.

Smith Named Memorial Chairman

Juanita Smith of Lenoir City today was named Memorial Gift Chairman of the local Heart Unit. The appointment was announced by Dr. John R. Nelson, President of the East Tennessee Heart Association.

"These gifts help express feelings which are beyond words," Mrs. Smith said. "They say you care enough to help reduce the toll of suffering and death from heart attack, stroke, and other

cardiovascular diseases which cause over a million deaths each year. In addition, the gift is a fitting honor to the memory of another, or to the achievement of a much admired friend."

The special advantage of memorial gifts to the Heart Association is in the many benefits they bestow, the Heart Association said. Memorial gifts are a lasting tribute to the person honored. They also help the Heart Association, which is doing

something about Heart disease through research, public education, and community programs.

Mrs. Smith added, "All gifts received through the Memorial program go toward the support of Heart Research." Mrs. Smith urges everyone to continue to make memorial gifts to the Heart Association.

Memorial gifts can be made by contacting Juanita Smith, 308-A West Fifth Ave., Lenoir City, TN 37711

Solid Waste Meeting Set

The Loudon County Solid Waste Committee will hold a meeting at 7:30 p.m. Tuesday, Oct. 22 in the office of County Judge Williams H. Russell. It is open to the public.

on the entire lake exceeds \$48 million. The majority of the value of these properties, equipment and development are in Roane County. The police boat will also be used on Emory River, a navigable stream in Roane County.

The Roane County Sheriff's Office will patrol the waters of the lake daily and will assist, when requested, law enforcement agencies in the counties of Loudon and Blount, where a portion of Watts Bar Lake is located, in the investigations of crime occurring on the lake or along its shoreline.

PIONEERS IN PLASTICS FOR OVER 50 YEARS

IT MAY NOT MATTER TO YOU BUT IT DOES TO YOUR FAMILY.

In a lot of cemeteries you will find that some plots are unkept - the headstones are chipped or turned dark and stained - and in general it is a forbidding place to visit.

After your death it will not matter to you where you are buried. But it will certainly matter to your family. At Loudon County Memorial Gardens we have kept your family in mind. We feel that the family should be greeted by a uniform and beautifully kept cemetery on each and every visit, year after year.

For this reason Loudon County Memorial Gardens requires a uniform ground level bronze headstone and provides perpetual care with each plot. With the special attention our memorial gardens receives, it looks the same today as it did last year and will in years to come.

Think of your family. Come to Loudon County Memorial Gardens today and see our complete program. It will make your family happier in the years to come.

Come To A Power Conservation Workshop

For most of us electricity has become an essential part of our lives. We light and heat our homes, cook our meals, heat water, wash and dry our clothes, and do a hundred other things with it every day.

Because of a nationwide shortage, TVA's coal supplies are dwindling. And when the coal runs out, there won't be enough electricity to go around -- so everyone must cut back now to save the coal we have.

You can learn how to conserve power by attending a free conservation workshop. Experts will demonstrate things everyone can do at home and at work to save electricity and help extend the coal supply through the winter.

Lamar Speaks On Health Care

"Most of Tennessee's 95 counties are suffering from a doctor shortage," declared gubernatorial candidate Lamar Alexander this week. "Last year there was one doctor in Loudon County for every 3,514 residents," Alexander said. "This is worse than the state average of 1,139 residents for each doctor," he noted.

"A major concern of the next governor, must be to supply adequate medical care for all Tennesseans. The shortage of medical care is critical in many areas of Tennessee," Alexander continued.

"We must provide initiatives for doctors to work in areas where they are vitally needed. A program recently begun by the state Department of Public Health to establish primary health care centers in rural communities is a significant step which I plan to expand as Governor," said Alexander.

THE CHURCH ENCOURAGES... READING GOD'S WORD

The reading of God's word is a spiritual feast by every body. It has been the source to forget the pain passed by many in the past, to make the Bible available to all. There was a time when men were hungry for all the wonderful messages contained in God's word. The Bible is full of wisdom and the teachings that should read, but by every word that proceeds out of the mouth of the Lord.

BACK IN THE GOOD OLD DAYS

I guess one of the greatest pleasures of doing the Good Old Days is the fact that so many people take an interest and try to help us. When they come across pictures they feel would be of interest to our readers they call us, leave them at the Herald Office or take the time to bring them to us. We really appreciate this. We have always felt that this was everybody's column and we are glad for the help. Our remarks many times have been that school and church groups are the most interesting pictures. It seems they always create a lot of

interest among our readers. This week we have a group of girls from ACTeens at the First Baptist Church of Loudoun. This picture was made in January 1955. The girls are all well known in Loudoun and are as follows: Top to bottom: Patsy Messer, Carolyn Morgan, Sue Handle, Jody Shubert, Sarah Beth Morrison, Marianne Joe Carter, Carolyn Foster, Gail Clark, Bonnie Summers, Pauletta Smalling, Betty Sue Roberts, Connie Summers and Margaret Forshoe. Most of the girls in this picture have had their names changed by

marriage but our Loudoun folks will have no trouble in knowing who they are. Stewart was their leader at the time of this picture. We appreciate Mrs. Stewart taking time to bring us this picture for use in the Good Old Days. Another picture we have

GENERAL TELEVISION SERVICE of Lenoir City has moved to a new location on Broadway. The interior of the new display floor is shown here. The business is owned by James Veal.

this week is one that has a large number of well known Loudoun people in it. This picture is of the Charlie H. Bacon annual get-together at Christmas. We have had pictures of this occasion before but never one just like this.

We can recognize some of the people but we can't begin to identify all of them. Those we can identify are the late Bowman Hall, J.E. Greenway, the late Charlie Brackett and Mrs. Brackett, Joe Courtney, Mrs. Jett, George Haskins, Charles Jones, Mr. and Mrs. Guy Russell and Mrs. Nova Dills. I know there are others we should recognize but we can't seem to place their faces. We are sure many of our readers will be able to identify more of them.

We have been interested in the new cars with their gas saving devices. We thought back to the years of the continental and beacon. Do you recall these makes of cars? Well, they were also known for their gas mileage. The problem in those days wasn't gas shortage but dollar shortage, which was just as bad if not worse.

I have often been asked the question: Why I referred to this era of time as the Good Old Days. Well, it wasn't because the horn of plenty was running over but because a lot of humorous, inexpensive things happened to us and so many others we knew when we were growing up.

We have been interested in the blue denim fad. It is nothing new, this was the rage when I was a boy. Not because of the fact that you were in style, but with most of us that's all we had. And time faded them much quicker than any of us desired. A new pair of overall pants and a white shirt was considered nice dress. Never thought I would see the day when young people would prefer these to a pair of nice slacks, tie and sport coat. But I guess it's o.k. I believe in people having a right to dress as they please. Well, so much for the styles.

Somebody was telling of seeing a bumper sticker while vacationing in Miami, Florida, which read: "Country Music, Picky, Picky, Picky." Well, that's it for now. See you next week.

"WE'RE ON THE ENERGY TEAM!"

"Our whole company is saving energy. The Government has asked corporations to reduce energy consumption 15%, and is providing guidance and incentive awards. We're saving on heating and air conditioning with better insulation and more efficient systems. And that giant sign on the roof that used to burn all-night—we turn it off at 10:30 now."

"I'm helping increase the capacity of an oil refinery so we can help meet the increased demands for gasoline and other usable forms of energy."

There is a big gap between domestic refining capacity and domestic energy needs, a gap that must be closed to do it, we have to expand existing refineries or build new ones, so that our refining capacity can handle the growing demand for energy.

It will take everyone's understanding and cooperation to get this expansion and new construction going.

More Salary Lawsuits Filed

Another lawsuit has been filed by an elected official to get pay raises for deputy clerks. Last week Circuit and General Sessions Court Clerk Billy Joe Atkins filed suit in Circuit Court for raises for two deputy clerks and also seeks an additional clerk.

As required by law the suit was filed against County Judge William Russell and will be heard by Circuit Judge Willard Kittrell, probably in the next few weeks.

Atkins' suit claims that in the General Sessions Court office fees exceed \$15,000 and the number of cases are increasing each year. The deputy General Sessions Court Clerk is now paid \$6000 per year and the lawsuit seeks to have that increased to \$7800 per year, with a weekly basis of \$150. The suit asks that the increase be made retroactive to Sept. 1, 1974.

Atkins is asking that the deputy Circuit Court Clerk salary be increased \$1200 per year from \$400 a month to \$500 a month.

The Clerk is asking for an additional deputy clerk on a salary scale of \$400 per year, or \$400 per month.

Atkins cites sufficient fees collected in his courts to pay the salaries and the cost of living increases as justification for the increases in pay and the fact that case load is rising as justification for the additional clerk.

Judge Russell said he will defend the suit in the same manner as suits previously brought by fee clerks J.V. Schrimmer, Ralph Wear, and Ed Alexander. In those cases Chancellor James Phillips granted the clerks the additional salary increases, additional clerks and extra help that was requested.

The suits have caused a stir in County Court because the salaries granted are in excess of the amounts set out in the county personnel and salary plan. The effect of the salary hikes on the county are now under study by the county court.

At Utilities... Power Workshop Next Tuesday

A series of four public workshops to show customers how they may cutback the usage of electricity will be offered Tuesday, Oct. 29 by the Loudon Utilities manager Charles Burnette said this week.

The workshops set for 10 a.m., 1 p.m., 4 p.m., and 7 p.m. will be held in the Utilities Assembly room. The workshops are designed to lessen the threat of power shortages by showing customers how to conserve electricity.

Burnette said a second benefit will be to help customers keep their power bills down. He urged all power customers, residential, commercial and industrial to attend any of the sessions and pick up some of the tips that will help them and their utilities during the expected crisis this winter.

BUCKTOWN RAID—Etta Mae Roberts, owner of an establishment raided Saturday night, looks surprised when Sheriff Guy Russell, Chief Deputy Luke Bright and

Juvenile Officer Joe Sims came up with 37 half pints of whiskey hidden in the refrigerator and oven of the kitchen of her Recreation Center.

Alabama Man Killed In Wreck

A Birmingham, Alabama, veterinarian died of injuries suffered in a traffic accident in Loudon County on U.S. 11 at 4:50 a.m. Thursday. It was learned that the victim, Earl M. Jones, 50, 4212 Briarwood Drive, Birmingham, was on his way to Oak Ridge to visit relatives when the car he was driving struck the rear wheels of a tractor-trailer truck on U.S. 11 just 200 feet south of the Sugarclimb Road intersection.

State Trooper George Pierce said a heavy fog blanketed the area at the time of the accident, although it is possible that Dr. Jones fell asleep. County Deputy Larry Proops said he passed the Jones car, a 1971 Mercury Marquis, just a few minutes before the accident and observed him weave in the road.

The Jones car was traveling north and struck the rear tandem wheels of the southbound tractor-trailer driven by Clinton Ray Hovis, 43, of Spartanburg, S.C. Jones car spun around in the road and stopped 72 feet from the impact. Neither vehicle left any skidmarks prior to the crash, Pierce's report showed.

Dr. Jones died five hours after the accident at Fort Sanders Hospital of internal chest injuries and massive bleeding. He also sustained a compound fracture of the left leg in the accident.

The death brought to 14 the number of persons killed in Loudon County traffic accidents this year.

DEATH CAR—A Birmingham, Alabama, man, Earl Jones, became the 14th Loudon County traffic fatality last Thursday when his car struck a tractor-trailer truck on U.S. 11 about two miles north of Loudon.

Two Bootleg Operations Raided By Sheriff Russell

Two more suspected Loudon County bootleg whiskey operations fell victim to the crusade of Sheriff Guy Russell Saturday. Sheriff Russell led raids on an alleged bootleg operation of Etta Mae Roberts in Bucktown and also against another suspected illegal sales outlet operated by George Evans on old Highway 95 near Lenoir City.

The biggest haul was made at Etta Mae's Recreation Center in Bucktown. Deputies came away with 37 half pints of whiskey, one-fifth of wine, 27 quarts of beer, and 14 six packs of beer. Six persons including Mrs. Roberts were arrested during the raid there late Saturday night.

Arrested with Mrs. Roberts were Margaret Johnson, Dewey Key, Robert Key, Getha Satterfield and Bill Winkle. All six were charged with possessing whiskey and beer for resale. Bond was set at \$250 on each of the two charges against all six defendants.

Sheriff Russell said the whiskey was found in

refrigerator and hidden in the oven of an electric range and in a closet. The beer was in a large cooler in a back room.

Earlier Saturday Philadelpia Deputy Frank McKenzie, dressed as a construction worker, went to the location and purchased a half-pint of whiskey with a marked bill that was recovered in the raid.

At the highway 95 raid where George Evans was arrested, officers confiscated 16 half pints of whiskey, plus two open bottles. Evans was charged with possessing whiskey for resale. He was released on \$500 bond.

Officers participating in the raids with Sheriff Russell, were Chief Deputy Luke Bright, Juvenile Officer Joe Sims, and deputies, McKenzie, Voyd Carruth, W.J. Mashburn, Kenneth Keeble and Jim Lindsey.

Two Caught Minutes After Armed Robbery

Two Loudon men were arrested early Thursday morning just 90 minutes after an armed robbery at McDonald's Grocery and Self Service Station on U.S. 11 just north of Loudon.

Charged were Cecil L. (Moe) Lawton and a juvenile, Roger Lee, both of Loudon. Both were placed after \$10,000 bond.

Deputy Larry Proops said that a call came in at 1:34 that the robbery had taken place. He said that store attendants Eddie McDonald and Hal Shubert told him and Deputy Jim Lindsey that two men came in the store, told Shubert to turn around and McDonald to lay on the floor.

The armed robbers then helped themselves to the contents of the cash register, said to have been between \$300 and \$400, and fled in a blue car with South Carolina license plates.

City of Loudon officers John Mills and Troy Burton stopped the car, which contained

Slow Time Starts Sunday

The move from Daylight Savings Time back to Standard Time comes at 2 a.m. Sunday morning.

Local residents should turn their clocks back one hour when they retire Saturday night. An example being set the clock back to 10 a.m. if you go to bed at 11 Saturday night.

Under the new federal law, standard time will be used during the four winter months of November, December, January and February. Daylight savings time would then return the first of March and continue until the last Sunday in October.

United Fund Nears 60 Percent Mark

Almost \$20,000 in new contributions and pledges were reported Monday at the luncheon report meeting of the Loudon County United Fund. The total in the \$51,149 campaign drive reached \$29,864 or about 60 percent of the goal. Fund Executive Secretary Barbara Cardwell announced.

Fund Chairman Jack Atkins said he was very pleased and encouraged by the report of \$19,728 in new pledges during the week. He said he is still confident and hopeful that the drive can reach its goal by the last week of October or the first week in November.

New money reported at the meeting was as follows:

- Eaton Corporation \$2,790.00
- Maremont Corporation \$25.00
- Bacon Company 631.00
- Lenoir City 250.00
- Sheffield Steel 200.00
- Lenoir City Atomic Plants 12,147.00
- Lenoir City Business 1,216.00
- Bacon Company 1,284.75
- Loudon 1,284.75
- Loudon Business 894.00
- Loudon Residential 41.00

\$5,790. Maremont to \$4,621, Lenoir City business to \$2009, and Loudon residential to \$427.25.

The report from Loudon County employees at Oak Ridge is just over 50 percent complete. It was reported Bacon at Loudon is 60 percent complete, Sheffield 90 percent, and Lenoir Industries reported it was complete.

The report meeting next Monday will be held at Sig's Restaurant at 12:30 p.m.

Waldrop Shot At Tavern

A Lenoir City tavern operator has been charged with felonious assault with intent to commit murder following a shooting at the Midway Tavern about 11:45 p.m. Friday.

Douglas McCulloch, 38, owner of the business, is free under \$25,000 bond for shooting Don Waldrop, also of Lenoir City.

Sheriff Guy Russell said that Waldrop was shot one time in the stomach by a .22 caliber pistol.

McCulloch reportedly told the Sheriff that Larry Kelly and Clyde Lowe, who had been told by McCulloch to stay away from the tavern came in. When the owner tried to get them to leave a fight started with Waldrop joining the two men being evicted. McCulloch said he was cut on the chin in the fight and drew his pistol and fired, hitting Waldrop.

Kelly and Lowe reportedly took Waldrop to Loudon County Memorial Hospital by car where he was treated to transferred to U-T Hospital in Knoxville.

Waldrop underwent surgery Saturday and Sunday and was still listed in serious condition in the hospital's intensive care unit.

McCulloch's preliminary hearing is scheduled for General Sessions Court on Friday, Nov. 1.

Open House Set At LHS

Open House will be held at Loudon High School from 7 to 9 p.m. Tuesday, Oct. 29 principal Jim Gibson said this week.

He said all parents are invited to attend the function and meet with teachers to discuss matters concerning the school or their children.

Pair Fined \$600.25

Pines totaling \$600.25 were assessed against two Philadelphia Pa. men who were involved in a high speed police chase in Loudon two weeks ago.

The two men Freddie Floyd Sanders and Walter Sanders were arrested after wrecking their late model Thunderbird which ended the chase through the streets of Loudon. During the chase the men backed their car into a City of Loudon police cruiser changing them causing \$1500 damage to the police car.

After paying their fines in General Sessions Court Friday the men were allowed to leave town, but the City of Loudon attached the Thunderbird until settlement can be made on the damages to the police car.

Philadelphia Deputy Frank McKenzie initiated the chase after the men broke away from him as he was attempting to arrest them at Philadelphia on a drunk driving charge.

Loudon Precincts Changed

The Loudon County Election Commission this week announced that all four Loudon voting precincts have been moved to the Loudon High School Cafeteria for the November 5 General Election.

Commission Chairman John Gibson said that Loudon Inside East, formerly at the courthouse; Loudon Inside West, Loudon Outside East and Loudon Outside West, all formerly housed at the old Loudon High School have been moved to the new high school because of more convenient facilities, more room and additional parking facilities.

HEADED FOR JAIL—Sheriff Guy Russell escorts Etta Mae Roberts to a waiting patrol car after a bootleg whiskey raid on her Bucktown establishment Saturday night. The three people at right were also arrested in raid.

RAIDING PARTY—The officers that took part in two raids on bootlegging operations in Loudon County Saturday night are shown with the beer and whiskey confiscated in the raids. Pictured (left to right) are Frank McKenzie, Kenneth Keeble, Luke Bright, Sheriff Guy Russell, J.W. Mashburn, Jim Lindsey, Voyd Carruth, Larry Proops and Joe Sims.

24 OCT 24 1974

this week is one that has a large number of well known Loudon people in it. This picture is of the Charles H. Bacon annual get-together at Christmas. We have had pictures of this occasion before but never one just like this.

We can recognize some of the people but we can't begin to identify all of them. Those we can identify are the late Bowman Hall, J.E. Greenway, the late Charlie Brackett and Mrs. Brackett, Joe Courtney, Mrs. Jeti, George Haskins, Charles Jones, Mr. and Mrs. Guy Russell and Mrs. Neva Dills. I know there are others we should recognize but we can't seem to place their faces. We are sure many of our readers will be able to identify more of them.

We have been interested in the new cars with their gas saving devices. We thought back to the years of the continental and beacon. Do you recall these makes of cars? Well, they were also known for their gas mileage. The problem in those days wasn't gas shortage but dollar shortage, which was just as bad if not worse.

I have often been asked the question: Why I referred to this era of time as the Good Old Days. Well, it wasn't because the horn of plenty was running over but because a lot of humorous, inexpensive things happened to us and so many others we knew when we were growing up.

We have been interested in the blue denim fad. It is nothing new, this was the rage when I was a boy. Not because of the fact that you were in style, but with most of us that's all we had. And time faded them much quicker than any of us desired. A new pair of overall pants and a white shirt was considered a nice dress. Never thought I would see the day when young people would prefer these to a pair of nice slacks, tie and sport coat. But I guess it's o.k. I believe in people having a right to dress as they please. Well, so much for the styles.

Somebody was telling of seeing a bumper sticker while vacationing in Miami, Florida, which read: "Country Music, Picky, Picky, Picky." Well, that's it for now. See you next week.

BACK IN THE GOOD OLD DAYS

I guess one of the greatest pleasures of doing the Good Old Days is the fact that so many people take an interest and try to help us. When they come across pictures they feel would be of interest to our readers they call us, leave them at the Herald Office or take the time to bring them to us. We really appreciate this. We have always felt that this was everybody's column and we are glad for the help.

Our remarks many times have been that school and church groups are the most interesting pictures. It seems they always create a lot of

interest among our readers. This week we have a group of girls from ACTeens at the First Baptist Church of Loudon. This picture was made in January 1965. The girls are all well known in Loudon and are as follows: Top to bottom: Patsy Messer, Carolyn Morgan, Sue Randle, Jody Shubert, Sarah Beth Morrison, Marianne Joe Carter, Carolyn Foster, Gail Clark, Bonnie Summers, Pauletta Smaling, Betty Sue Roberts, Connie Summers and Margaret Forshoe. Most of the girls in this picture have had their names changed by

marriage but our Loudon folks will have no trouble in knowing who they are.

The group was the Girls Auxiliary or GA's of Loudon First Baptist. Mrs. James Stewart was their leader at the time of this picture. We appreciate Mrs. Stewart taking time to bring us this picture for use in the Good Old Days.

Another picture we have

GENERAL TELEVISION SERVICE of Lenoir City has moved to a new location on Broadway. The interior of the new display floor is shown here. The business is owned by James Veal.

"WE'RE ON THE ENERGY TEAM!"

"Our whole company is saving energy. The Government has asked corporations to reduce energy consumption 15%, and is providing guidance and incentive awards. We're saving on heating and air conditioning with better insulation and more efficient systems. And that giant sign on the roof that used to burn all night - we turn it off at 10:30 now."

"I'm helping increase the capacity of an oil refinery so we can help meet the increased demands for gasoline and other usable forms of energy."

There's a big gap between domestic refining capacity and domestic energy needs. A gap that must be closed. To do it, we have to expand existing refineries or build new ones, so that our refining capacity can handle the growing demand for energy.

It will take everyone's understanding and cooperation to get this expansion and new construction going.

More Salary Lawsuits Filed

Another lawsuit has been filed by an elected official to get pay raises for deputy clerks. Last week Circuit and General Sessions Court Clerk Billy Joe Atkins filed suit in Circuit Court for raises for his deputy clerks and also seeks an additional clerk.

As required by law the suit was filed against County Judge William Russell and will be heard by Circuit Judge Willard Kittrell, probably in the next few weeks.

Atkins' suit claims that in the General Sessions Court office fees exceed \$15,000 and the number of cases are increasing each year. The deputy General Sessions Court Clerk is now paid \$6,000 per year and the lawsuit seeks to have that increased to \$7,000 per year, which on a weekly basis is \$150. The suit asks that the increase be made retroactive to Sept. 1, 1974.

Atkins is asking that the deputy Circuit Court Clerk salary be increased \$1,200 per year from \$400 a month to \$500 a month.

The Clerk is asking for an additional deputy clerk on a salary scale of \$400 per year, or \$400 per month.

Atkins cites sufficient fees collected in his courts to pay the salaries and the cost of living increases as justification for the increases in pay and the fact that cases are rising as justification for the additional clerk.

Judge Russell said he will defend the suit in the same manner as suits previously brought by fee clerks J.V. Schrimmer, Ralph Wear, and Ed Alexander. In those cases Chancellor James Phillips granted the clerks the additional salary increases, additional clerks and extra help that was requested.

The suits have caused a stir in County Court because the salaries granted are in excess of the amounts set out in the county personnel and salary plan. The effect of the salary hikes on the county are now under study by the county court.

At Utilities . . .

Power Workshop Next Tuesday

A series of four public workshops to show customers how they may cutback the usage of electricity will be offered Tuesday, Oct. 29 by the Loudon Utilities manager Charles Burnette this week. The workshops set for 10 a.m., 1 p.m., 4 p.m., and 7 p.m. will be held in the Utilities Assembly room. The workshops are designed to lessen the threat of power

shortages by showing customers how to conserve electricity. Burnette said a second benefit will be to help customers keep their power bills down. He urged all power customers, residential, commercial and industrial to attend any of the sessions and pick up some of the tips that will help them and their utilities during the expected crisis this winter.

BUCKTOWN RAID—Etta Mae Roberts, owner of an establishment raided Saturday night, looks surprised when Sheriff Guy Russell, Chief Deputy Luke Bright and

Juvenile Officer Joe Sims came up with 37 half pints of whiskey hidden in the refrigerator and oven of the kitchen of her Recreation Center.

Alabama Man Killed In Wreck

A Birmingham, Alabama, veterinarian died of injuries suffered in a traffic accident in Loudon County on U.S. 11 at 4:50 a.m. Thursday. It was learned that the victim, Earl M. Jones, 56, 4212 Briarwood Drive, Birmingham, was on his way to Oak Ridge to visit relatives when the car he was driving struck the rear wheels of a tractor-trailer truck on U.S. 11 just 200 feet south of the Sugarhill Road intersection.

DEATH CAR—A Birmingham, Alabama, man, Earl Jones, became the 14th Loudon County traffic fatality last Thursday when his car struck a tractor trailer truck on U.S. 11 about two miles north of Loudon.

State Trooper George Pierce said a heavy fog blanketed the area at the time of the accident, although it is possible that Dr. Jones fell asleep. County Deputy Larry Proops said he passed the Jones car, a 1971 Mercury Marquis, just a few minutes before the accident and observed him weave in the road.

The Jones car was traveling north and struck the rear tandem wheels of the south-bound tractor-trailer driven by Clinton Ray Hovis, 43, of Spartanburg, S.C. Jones car spun around in the road and stopped 72 feet from the impact. Neither vehicle left any skidmarks prior to the crash, Pierce's report showed.

Dr. Jones died five hours after the accident at Fort Sanders Hospital of internal chest injuries and massive bleeding. He also sustained a compound fracture of the left leg in the accident.

The death brought to 14 the number of persons killed in Loudon County traffic accidents this year.

United Fund Nears 60 Percent Mark

Almost \$20,000 in new contributions and pledges were reported Monday at the luncheon report meeting of the Loudon County United Fund. The total in the \$51,149 campaign drive reaches \$29,854 or about 60 percent of the goal. Fund Executive Secretary Barbara Cartwell announced.

Fund Chairman Jack Atkins said he was very pleased and encouraged by the report of \$19,758 in new pledges during the week. He said he is still confident and hopeful that the drive can reach its goal by the last week of October or the first week in November.

New money reported at the meeting was as follows:
Eaton Corporation \$2,790.00
Maremont Corporation \$25,000.00
Bacon Company Lenoir City \$61.00
Sheffield Steel \$50.00
Lenoir Industries \$200.00
Oak Ridge Atomic Plants \$12,147.00
Lenoir City Business \$1,216.00
B a c o n C o m p a n y L o u d o n \$1,884.75
Loudon Business \$54.00
Loudon Residential \$1.00
The latest report brings the Eaton Corporation pledges to

\$5,790, Maremont to \$4,621, Lenoir City business to \$2,079, and Loudon residential to \$427.25.

The report from Loudon County employees at Oak Ridge is just over 50 percent complete. It was reported, Bacon at Loudon is 60 percent complete, Sheffield 90 percent, and Lenoir Industries reported it was complete. The report meeting next Monday will be held at Sig's Restaurant at 12:30 p.m.

Pair Fined \$600.25

Fines totaling \$600.25 were assessed against two Philadelphia, Pa., men who were involved in a high speed police chase in Loudon two weeks ago. The two men Freddie Floyd Sanders and Walter Sanders were arrested after wrecking their late model Thunderbird which ended the chase through the streets of Loudon. During the chase the men backed their car into a City of Loudon police cruiser causing them causing \$150 damage to

Open House Set At LHS

Open House will be held at Loudon High School from 7 to 9 p.m. Tuesday, Oct. 29 principal Jim Gibson said this week. He said all parents are invited to attend the function and meet with teachers to discuss matters concerning the school or their children.

Waldrop Shot At Tavern

A Lenoir City tavern operator has been charged with felonious assault with intent to commit murder following a shooting at the Midway Tavern about 11:45 p.m. Friday. Douglas McCulloch, 38, owner of the business, is free under \$25,000 bond for shooting Don Waldrop, also of Lenoir City. Sheriff Guy Russell said that Waldrop was shot one time in the stomach by a .22 caliber pistol. McCulloch reportedly told the Sheriff that Larry Kelly and Clyde Love, who had been told by McCulloch to stay away from the tavern came in. When the owner tried to get them to leave a fight started with Waldrop joining the two men being evicted. McCulloch said he was cut on the chin in the fight and drew his pistol and fired, hitting Waldrop. Kelly and Love reportedly took Waldrop to Loudon County Memorial Hospital by car where he was treated to transferred to U-T Hospital in Knoxville. Waldrop underwent surgery Saturday and Sunday and was still listed in serious condition in the hospital's intensive care unit. McCulloch's preliminary hearing is scheduled for General Sessions Court on Friday, Nov. 1.

Two Bootleg Operations Raided By Sheriff Russell

Two more suspected Loudon County bootleg whiskey operations fell victim to the crusade of Sheriff Guy Russell Saturday. Sheriff Russell led raids on an alleged bootleg operation of Etta Mae Roberts in Bucktown and also against another suspected illegal sales outlet operated by George Evans on old Highway 95 near Lenoir City.

The biggest haul was made at Etta Mae's Recreation Center in Bucktown. Deputies came away with 37 half pints of whiskey, one-fifth of wine, 27 quarts of beer, and 14 six packs of beer. Six persons including Mrs. Roberts were

arrested during the raid there late Saturday night. Arrested with Mrs. Roberts were Margaret Johnson, Dewey Key, Robert Key, Gethoa Satterfield and Bill Winkle. All six were charged with possessing whiskey and beer for resale. Bond was set at \$200 on each of the two charges against all six defendants.

Sheriff Russell said the whiskey was found in

refrigerator and hidden in the oven of an electric range and in a closet. The beer was in a large cooler in a back room. Earlier Saturday Philadelphia Deputy Frank McKenzie, dressed as a construction worker, went to the location and purchased a half-pint of whiskey with a marked bill that was recovered in the raid.

At the highway 95 raid where George Evans was

arrested, officers confiscated 16 half pints of whiskey, plus two open bottles. Evans was charged with possessing whiskey for resale. He was released on \$500 bond. Officers participating in the raids with Sheriff Russell, were Chief Deputy Luke Bright, Juvenile Officer Joe Sims, and deputies, McKenzie, Voyd Carruth, W.J. Mashburn, Kenneth Keeble and Jim Lindsey.

Slow Time Starts Sunday

The move from Daylight Savings Time back to Standard Time comes at 2 a.m. Sunday morning. Local residents should turn their clocks back one hour when they retire Saturday night. An example being set the clock back to 10 a.m. if you go to bed at 11 Saturday night. Under the new federal law, standard time will be used during the four winter months of November, December, January and February. Daylight savings time would then return the first of March and continue until the last Sunday in October.

Loudon Precincts Changed

The Loudon County Election Commission this week announced that all four Loudon voting precincts have been moved to the Loudon High School Cafeteria for the November 5 General Election. Commission Chairman John Gibson said that Loudon Inside East, formerly at the courthouse; Loudon Inside West, Loudon Outside East and Loudon Outside West, all formerly housed at the old Loudon High School have been moved to the new high school because of more convenient facilities, more room and additional parking facilities.

For and about Women

Akins-Hamil Vows On Nov. 9

Mr. and Mrs. Paul Akins, Route 2, Loudon, announce the engagement and forthcoming marriage of their daughter, Donna Sue to David Arthur Hamil, son of Mr. and Mrs. Arthur Hamil, also of Loudon. Grandparents of the bride-elect are Mrs. Emma Fagg and the late Garland Fagg and Mr. and Mrs. Arthur Akins, all of Loudon. Grandparents of the prospective groom are Mrs. Joe Hamil and the late Mr. Hamil and the late Mr. and Mrs. Jody Lambert, of Loudon.

The bride-elect, a graduate of Loudon High School and Draughton's Business College, is presently employed with Marenton Corporation.

The groom-to-be graduated from Loudon High School and is also employed with Marenton.

The couple will exchange vows on November 9 at 4 p.m. at Mt. Zion Baptist Church of Loudon. No invitations are being sent, all friends and relatives are invited to attend.

Sonya Tuck

In Who's Who

Sonya L. Tuck will be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74.

Sonya is the daughter of Mr. and Mrs. Carroll M. Tuck of Loudon. She is a member of the Prayer Group, National Honor Society, FHA, Science Club, Honor Roll, Literary Club, International Thespian Society, Thespian Club, Junior Classical League, and Pep Club at Loudon High School. She was fifth in her graduating class and received the Bonham Journalism Scholarship from UT. She is a member of Loudon United Methodist Church and of the youth and chancel choirs. She is presently attending the University of Tennessee, majoring in Journalism.

Historical Plans Told At Meeting

Mrs. Mary Sue House and Mrs. Charlotte Alexander were hostesses for the regular monthly meeting of the Loudon County Chapter of DAR on October 10 at the home of Mrs. House.

Following the business meeting, Mrs. Catherine Henry, program chairman, introduced Mr. Maxwell Ramsey who spoke on "The TVA Plan for Historical Preservation on the Little 'T'". Mr. Ramsey used slides and maps along with background information to present TVA's plans for the future. Following his presentation, a question and answer discussion was held.

Beamer-Buchanan Vows Are Pledged

Miss Lynn Ann Beamer and Dana Drew Buchanan were married on Sept. 30 at 5:30 p.m. at the Students Religious Center at East Tennessee State University in Johnson City. Bill Nolan, pastor of the Religious Center, officiated at the exchange of the vows. The wedding was performed before magnolia trees on the lawn of the Center.

The bride's parents, Mr. and Mrs. Richard L. Beamer, are from Pontiac, Mich. She is the granddaughter of Mr. and Mrs. Emory Barr of Philadelphia. Parents of the groom are Mr. and Mrs. Dewey D. Buchanan of Morristown.

The bride wore a long dress of ivory file fashioned with a high neckline featuring trim of cluny lace. The slightly gathered pleated skirt fell from a belted waistline ending at the back with a bow. Ruffled cluny lace made up the cuffs of the long fitted sleeves and also marked the hemline.

Silk illusion tied into a large bow at the back of an ivory picture hat outlined with cluny lace. She carried a colonial bouquet of yellow and pink roses and daisies.

Mrs. Michael T. Vaughn, sister of the bridegroom, of Johnson City, was matron of honor. She wore a long turquoise knit dress and a large turquoise picture hat.

David Scott Buchanan, brother of the bridegroom, was best man. A reception was held following the ceremony at the Religious Center. Miss Tonda Eldreath of Chesapeake, Va. kept the bride's book. Assisting with serving were Mrs. Pauline Barr, grandmother of the bride and Mrs. Lois Porter, great aunt of the bridegroom from Spruce Pine, N.C.

After a wedding trip, to Myrtle Beach, S.C., the couple are making their home in Sevierville. The bride is a graduate of

Philadelphia Personal News

Dinner was served Sunday at the First Baptist Church Fellowship Hall after having revival services there last week, with the Rev. Bernard Courtney of Loudon as the evangelist.

Dr. W. S. Cole, State Commissioner on aging and Professor of Sociology at U.T. was the speaker for the Joy Club meeting last Tuesday at the First Baptist Church. Mrs. Cole also attended the meeting.

Mr. and Mrs. Frank Praytor of Montgomery, Ala. were here with the Griffiths Family for the weekend to attend the Tenn.-Ala. football game Saturday in Knoxville.

Mr. and Mrs. Bill Mitchell of Douglasville, Ga. spent the weekend with Mr. and Mrs. Joe Largent and will spend a few days vacation in the Smoky Mts. and with her Uncle and Aunt, Mr. and Mrs. Don Henderson in Mars Hill, N.C.

Miss Ruth Henderson of Knoxville was home with Mr. and Mrs. David Thompson Jr. and daughter from Crowsville were weekend guests of Mr. and Mrs. C. E. Thompson. Sunday the Thompson's guests were Mr. and Mrs. Paul Alexander, Mr. and Mrs. Gary Woodard and Mrs. Terry and daughters, all from Lenoir City.

Mrs. Sarah Harris and daughter, Miss Adelaide Harris of Nashville and son, Fred Harris of Knoxville visited Saturday with Misses Ada and Mary and Mr. Dale Griffiths. Mr. and Mrs. Larry Griffiths of Chattanooga were their guests Sunday.

Girl Born To Knolls

At St. Louis

Mr. and Mrs. Tom Knoll of St. Louis announce the birth of a daughter, Karen Margaret, born October 7 at St. John's Mercy Hospital. The Knoll's also have a son, Tommy, age three. Mrs. Knoll is the former Delma Turner, formerly of Loudon. Grandparents are Mr. and Mrs. Delmas Turner of Loudon and Arthur Knoll and the late Mrs. Knoll of St. Louis.

Emmanuel Christian School and Midwestern Baptist College. The groom is a 1968 graduate of Merristown High School. He served four years in the U.S. Navy and attended the School of Photography at Massey Jr. College in Atlanta, Ga. He is a former staff photographer of the Citizen-Tribune, Morristown. He is presently a partner in the "Photo Shop", Gatlinburg.

Golden Wedding Party Scheduled

Mr. and Mrs. Arthur V. Giles will be honored by their children on their 50th Wedding Anniversary, Sunday, November 3 with Open House at the Philadelphia Lodge Hall from 2 to 5 p.m. No invitations are being sent. All friends and relatives are invited to attend. The couple were married on November 1, 1924. They are

the parents of four children: Mrs. Irwin (Frances) Husman of Newman, Calif., Mrs. Manuel (Betty) Coelho of Modesto, Calif., Charles M. Giles of Philadelphia and Mrs. William J. (Lavonda) Werner of Dayton, Ohio. They have 10 grandchildren and eight great-grandchildren.

225 Help Whites Celebrate Anniversary

50TH ANNIVERSARY—More than 225 people attended the 50th Wedding Anniversary celebration of Mr. and Mrs. Dock White, Route 4, Loudon, held Sunday, October 5 at the VFW in Loudon. Their children, Joyce Hutton and Tom White were hosts for the event.

TOPS Club Meets Each Tuesday Nite

The No. 106 TOPS Club meetings are held each Tuesday night from 7 to 8 p.m. at the Bank of Loudon County Branch in Loudon.

Mrs. Beatrice Simpson is the leader with Margaret Bell serving as co-leader. Secretary is Dolores West, Treasurer, Kathi Tutterrow and weight recorder is June Turpin.

The first Tuesday night of each month is Award night for weight lost and gained the previous month; second session is a business meeting; third Tuesday is discussion of recipes and diets and on the fourth Tuesday a program is presented by the person gaining weight the previous month.

Members who have kept off the pounds (KOPS) are Imogene Jenkins, Emilee Robinson, Colleen Ferguson, and Faye Stamey.

Scholarship To Honor Mr. Ivens

The children of the late M. J. (Major) Ivens of Madisonville are establishing a Scholarship Fund at Hiwassee College in his memory.

The student selected for this Scholarship will be a resident of Tennessee and preferably a student with an agricultural background as Mr. Ivens was a "man of the soil" and an avid conservationist.

Major Ivens, age 97 at the time of his death, was the oldest alumnus of Hiwassee College. He once sold his only possession, a mule, to pay for the costs of his first year at the school. After receiving his degree, he taught school in the

Monroe County School system for 50 years.

Mr. Ivens was the father of five sons and five daughters, one son, Reid Ivens, makes his home in Loudon. Other sons are Glenn Ivens of Madisonville; Maynard L. of Vancouver, Wash.; Morris of Jonesboro and Ermerson F. of Clinton. His daughters are Reva, Jewel and Helen Ivens and Margaret Holland, all of Knoxville and Dr. Mary Sue Ivens of New Orleans.

Persons interested in contributing to the Scholarship Fund should contact Hiwassee College of Reid Ivens at 438-4148.

VOWS EXCHANGED—Miss Lola Julian of Loudon and Alvin Kerley of Lenoir City were married on Saturday, Oct. 12 at the home of the groom. The bride is the daughter of G.E. Erwin of Madisonville. Parents of the groom are Mr. and Mrs. George Kerley, Lenoir City.

Simpson Joins Law Firm

James H. (Jim) Simpson, a recent graduate of the University of Tennessee College of Law, has joined the firm of Arnold, Windfrey, McMurray and Russell, it was announced this week. Mr. Simpson, who's mother, Mrs.

or the ghostly guests at a Halloween party. When scooping out a pumpkin, we usually create two things—a Jack-O-Lantern and a mess! This year, don't throw away all of that "mess". Save the seeds and turn them into a delicious snack—Salted Pumpkin Seeds. To prepare this snack, wash the seeds well, and spread them on a cookie sheet to dry. Roast them at 375 degrees F for 20 to 30 minutes or until dried. Dot with butter and brown for 5 to 10 minutes at 400 degrees F. (They toast more evenly if stirred often.) Sprinkle the seeds with salt and you have an extra Halloween treat for your family. The small school-boy apples are popular as well as economical. If you live near an orchard or roadside market, you may be able to find a peck, half-bushel, or a whole bushel of small apples; or you may want to buy them by the bag at your nearby food store. Hand them out as is or prepare candied apples.

APPLE ON A STICK

6 red apples 1/2 cup water
6 wooden skewers Few drops red food coloring
1 cup sugar Few drops cinnamon or peppermint flavoring
1 cup syrup
Wash and dry apples; remove stems. Insert skewers in stem end of apples. Have apples at room temperature. Combine sugar, syrup, water, and red food coloring in saucepan. Cook over medium heat, stirring constantly until mixture boils. Then cook without stirring to the crack stage (280 degrees F.). Remove from heat; add flavoring and stir only enough to mix. To keep syrup from thickening, place pan over boiling water immediately. Hold apple by skewer and dip in syrup. Remove quickly and swirl so syrup spreads smoothly over apples. Place on wire rack over waxed paper to cool.

IT'S AS GOOD AS ALL OUTDOORS

For many Americans trout fishing is the ultimate in outdoor sports. The tingle of excitement begins when they get out their fishing gear and head for a mountain stream or lake, and culminates when they feel the tug of the trout at the end of the line. Cleaning the day's catch and cooking it over the open fire signals the end of a perfect day.

But even if you don't know a rod from a reel, thanks to modern-day aquaculture and transportation you can find tasty trout on the menus of fine restaurants across the country. You can even "go fishing" for a trout in supermarket fish and freezer cases for at home dining.

Farm-raised trout grown with tender, loving care in a controlled environment, shipped to market at the peak of perfection and prepared by competent and creative chefs is as good as if you'd pulled it out of a mountain stream yourself. It's as good as all outdoors.

Whenever pan fried in butter, barbecued with bacon or stuffed and baked, trout is a nutritious treat. And how can anything that tastes so good be so good for you? Easy. Trout are protein-packed.

Spices and seasonings are an excellent way to dress up trout. For a German delight, add a little dill.

For zesty Italian flavor, try a pinch of oregano.

For a French flair, a touch of thyme and rosemary.

For a southern-style dinner, sprinkle with sesame seeds.

For an all-American accent, add snipped chives or parsley.

The food forecast for fall is for shortages and higher prices, especially in the meat line. This means that supermarket shoppers will be seeking other protein sources to include on their weekly menus. What could be better than protein-rich, pond-raised rainbow trout.

Martha Simpson, resides in Lenoir City, will work from the Loudon office of the firm. The firm also has an office in Lenoir City.

Simpson and his wife, Anne, reside at 204 New Road at Concord. He is a native of Bernhardsville, Tennessee. He attended high school in Merkel, Texas. Attended Texas A&M University and has a B.S. in mechanical engineering from Southern Illinois University. From 1967, until recently, he was employed as a development engineer with Union Carbide Corporation in Oak Ridge. Simpson served in the U.S. Army's 101st Airborne Division at Fort Campbell, Ky. He is a member of the Tennessee Bar Association and was scoutmaster of Troop 228 in Oak Ridge. His hobbies are amateur radio operator, hunting and fishing.

Sandramarie Mae Pemburn celebrated her first birthday October 10. She is the daughter of Mr. and Mrs. Charles S. Pemburn, Jr. of Latham, N.Y. Grandparents are Mr. and Mrs. Arthur Nelso, Sr., Route 2, Loudon.

Wife Of Dr. J.R. Watkins Dies At 73, Rites Held

Mrs. Lenna Bowers Watkins, age 73, wife of Dr. J. R. Watkins of Loudon, died Sunday, Oct. 20 at Loudon County Memorial Hospital. She worked with her husband at his Loudon office for many years and was an active member of Loudon United Methodist Church. Funeral services were held Tuesday at Loudon United Methodist Church, Rev. W. H. Horner, Dr. Harrell M. Russell officiated. Burial in Steeple Cemetery.

Other survivors are: daughters, Mrs. Ralph (Myrtle Ann) Koelemay, Wisconsin, Mrs. Rhoben (Harriett) Byington, Rhode Island; sons, J. R. Watkins, Jr., Biloxi, Miss. W. Lewis Watkins of Morrisstown, Pa., Aljea Watkins, Loudon; sister, Miss Florence Bowers, Oak Ridge; brothers, Hugh Bowers, Maryville, Jim Bowers, Knoxville; 11 grandchildren, one great-grandchild.

ATTENDS DISTRICT MEETING—Pictured are members of the Loudon Woman's Club who attended the District II, Tennessee Federation of Women's Club meeting held October 16 at Dean Hill Country Club in Knoxville. They are (left to right) Mrs. Jo Webb, Mrs. June Mallock, Mrs. Edna Birkholtz, Mrs. Jo Ann Dutton and Mrs. Reta Iddins. The Loudon Club, along with the six Lenoir City Federated Clubs, were host clubs for the event.

TEMPTING TREATS FOR HALLOWEEN TRICKSTERS
It's only a few days until the friendly goblins, painted witches, and a few dangerous looking cowboys will be knocking at your door. With open brown paper bags, they will be waiting for a "treat" and warning you of the upcoming "trick" if you don't add to the goodie collection. With a little kitchen witchcraft or a visit to your retail store or one of your civic clubs, you can come up with "Trick or Treats" that are fun to eat and good for the spooks too. Remember wrapping is a must for cleanliness in many of your "trick-or-treats". Fruit is one goblin favorite that needs no wrapping. The simplest of everyday foods can delight the spooks.

Some of the metals we mine are more precious than gold.

An ounce of cold steel can do wonders for a warm smile. But it must be a very special steel. Strong, yet ductile. Hard, yet smooth. It must not rust or stain. And it must remain unchanged through ice-cold sodas and red-hot pizzas. At Union Carbide we mine or process the alloying metals that make possible this special steel and hundreds of others. We produce over 60 different alloys and alloying metals.

Manganese, tungsten, silicon, chromium, vanadium. Not exactly household words. But — combined with iron, aluminum and other metals — they have transformed the world we live in. If it weren't for alloys there would be no high-strength steels for buildings and bridges. No jet engines or aircraft bodies. No sophisticated tools. No electric motors for shavers, typewriters or vacuum cleaners.

No computers, or lightbulbs, or television sets. When you think of them this way, our alloying metals become very precious indeed. Whether they're as far away as a rocket on its way to the moon. Or as close to your heart as a brace shaping a beautiful smile.

Blanton Campaign Sweeps Across State In 10 Days

Democratic gubernatorial nominee Ray Blanton has carried his campaign into every section of the state during the past ten days, traveling from Kingsport to Memphis.

Speaking at a tri-county rally in Kingsport, Blanton said that the present Republican administration is distinguished by its lack of responsiveness and its arrogance in dealing with people. Accusing the Republicans of delaying the East Tennessee medical school, Blanton said, "It's been held up too long. It's

important for providing better health care for this region and the rest of the state. Together, we'll build it."

The Congressman told a Hendersonville audience that he is a "middle-of-the-road Democrat," and will offer his leadership to elements of the left and right but will follow a middle course during his four years in office. "I take each issue on an individual basis and judge it on its merits," Blanton added.

In Chattanooga, Blanton said he suspects "giant oil and coal interests teamed with the Republican national ad-

ministration in reaping record profits and meddling with TVA's rate-setting system. "While the oil companies advertise that the country runs on oil, I wonder if the country isn't run by oil," Blanton said.

Blanton made the charge in releasing a lengthy position paper on Environment and Energy, another plank in his "Platform for Progress."

Speaking at a Democratic rally in Knoxville, Blanton said, "We need a governor who understands the needs of the average citizen. We need a governor who will take a sensible approach to state spending. The billion-dollar increase in the state's budget over the past four years is a graphic Republican example of why we are in the economic mess we are in today."

Leah Eve Galyon celebrated her second birthday with a party given by her parents, Mr. and Mrs. Ben F. Galyon, Jr. of Loudon, on October 2. Those attending were Paul, Gina and Mark Stevens, Marc Williams and Amy Mason.

Ainee Danielle Clabough, daughter of Mr. and Mrs. Mike Clabough of Lenoir City, celebrated her first birthday Sept. 22. She is the granddaughter of Mr. and Mrs. Florence Clabough of Lenoir City.

Alexander Favors Work Plan

Gubernatorial candidate Lamar Alexander this week declared he will "support" an incentive plan for state employees as a way to find the most efficient means of performing state government services.

Alexander explained the incentive plan would save the state time and funds by offering bonuses to state employees who make workable suggestions on how to improve the delivery of services to citizens.

"With prices rising at almost 10 percent each year, the need to economize in state government is imperative. It is also imperative to improve crime-fighting programs, education, mental and public health services. An incentive plan could help hold the line on state spending while continuing the progress of recent years," said Alexander.

"As Governor, I want to do everything I can to fight inflation. Governments have initiated our economic problems and governments must help solve them," Alexander said.

The incentive plan is only one of the measures Alexander proposed to save money for Tennessee's citizens. He also said he will "require annual review of every state program, rather than taking for granted every program from year to year."

And he promised "to select commissioners and department heads who will examine their budgets and pare down their services to essential priorities."

State government must continue to provide valuable services to our citizens without increasing the burden on our taxpayers," Alexander said.

to identify all handicapped persons between the ages of 0-21. Handicapped persons refers to a wide variety of conditions such as crippled, deaf or hearing impaired, learning disorders, mentally retarded, speech and language handicapped, blind or visually handicapped, emotionally disturbed, socially maladjusted and gifted.

The school system will complete the census on all children known to them including those currently enrolled in school. The public is encouraged to cooperate in identifying children who are too young for school, not in school because of handicapped conditions, or who have dropped out of school but are 20 years or younger. Anyone knowing of a child with one of the above conditions or anyone with questions about a possible handicapping condition may call 458-5411 or 458-3245. Persons who qualify may be eligible for special services under the Mandatory Education for the Handicapped Act. Deadline for completing the survey is November 1.

FHA Plans Office In Loudon County

The Farmers Home Administration of the U.S. Department of Agriculture has been authorized to establish a fulltime office in Loudon County.

Alexander won the 1974 Republican Primary with almost half the vote in a three-man race. He received the endorsements of 10 of the state's major daily newspapers and was named by Time Magazine as one of 200 Americans destined to positions of national leadership.

In the primary Alexander became the first statewide candidate ever to make a full disclosure of campaign contributors and contributions. His latest disclosure on October 17 revealed a total of almost 8000 contributors giving some \$695,000, an average contribution of \$87.

In the general election campaign, Alexander has received the endorsements of the Nashville Banner, the only newspaper to endorse both major candidates in the primary election, the Chat-

taanooga Times, whose endorsement of Alexander is the first of a Republican in recent history, the Oak Ridge, the Cleveland Daily Banner, the Kingsport Times-News, the Morristown Citizen Tribune, the Chattanooga News-Free Press, the Elizabethton Star, the Knoxville Journal, the Maryville-Alcoa Daily Times, and the Bristol Virginian-Tennessean.

In making their endorsements, these newspapers have pointed out Alexander's vision and progressive programs for the future of Tennessee.

1974 Property Taxes Due

Loudon County Trustee J.W. Schrimsher this week reminded property owners that taxes for 1974 are now due.

and countryside, community facilities and business-industrial development.

Loudon County now is served from the Farmers Home Administration office in Madisonville. The Madisonville office will continue to serve Monroe County.

The opening of a Loudon County FHA office has been approved by the USDA authorities because of substantial demand for the agency's services in that county. The bi-county office in Madisonville has been one of FMHAS's busiest in Tennessee. It led all FMHA offices in the state in loaning loans with 115 approved in 1973.

An office supervisor and clerical assistant will be assigned to the new Loudon office, which is expected to be opened by January 1, 1975. The office location in Loudon is yet to be determined.

Farmers Home Administration is one of the principal agencies through which the Department of Agriculture administers the Rural Development program.

The Tribe Speaks

LOUDON HIGH SCHOOL JOURNALISM CLASS

Sales for Lou-Hi-San will begin next Monday. The Staff is hoping to keep the price at \$6, which is the same as last year. The company has already notified the staff of approximately \$100 increase in cost. The group is working to sell extra advertising space to offset this cost. It is also hoped that more books will be sold, but only the ones reserved by the first payment will be guaranteed a book.

Saturday morning at 7 a.m. the bus left the high school to take 62 Seniors to U.T. to take the A.C.T. test. The test lasted for about three hours. The bus returned to Loudon about 2 p.m.

Friday night before the Maryville ball game there will be a chili supper sponsored by the Senior Class in the high school cafeteria. Proceeds will be used for the Senior trip. The cost will depend on what

you eat.

Monday night at 7 p.m. there will be another chili supper given to raise money needed for athletics. The Redskin Booster club is sponsoring this. During the supper films will be shown of the football games that have already been played. The cost will be \$1.50, the tickets will be sold by the coaches or the football players. We hope to raise enough money to build a new press box for the Dukes Football Field.

Loudon High School is going to have a baseball team this year. It will begin in the first part of 1975 between January and February. Practice will be held at the ballpark downtown after school. The first game is expected to be sometime in April. The city is going to finance a new concession stand for the ballpark. It should be ready by the time baseball season starts.

At a Democratic rally at Winchester, Friday, Blanton said, "I intend to be a governor in the Democratic tradition, a governor concerned with the needs of all our people."

Last Sunday, newsmen from around the state accompanied Congressman Blanton on a float trip down the Buffalo River and Blanton took the occasion to release a "Platform for Progress" position paper on environment.

Blanton campaigned in Henry, Benton and Crockett counties on Monday and addressed supporters at a dinner and rally in Trenton Monday night. Tuesday and Wednesday were spent in East Tennessee.

The candidacy of Congressman Blanton has received site endorsement of six newspapers during the past ten days, including the Bristol Herald Courier, a daily in traditionally Republican East Tennessee.

Census On Handicapped Underway

In compliance with recent legislation, Loudon County Schools will conduct a census

Ray Blanton on Senior Citizens:

"A useful life is not measured in years."

Thousands of people in their 70's, 80's and even 90's are being "put on the shelf" when their talents, abilities and vast experience can be put to use to build a greater Tennessee. I want to assure the elder citizens of Tennessee that this "untapped" resource of experience will be called on to be of service to state government.

I want to make sure that what you have spent a lifetime building will not be torn down by inflation, taxes, unforeseen expenses and medical bills. Through special programs, I will assure you of comfort, dignity and security in your mature years.

Paid for by Committee to Elect Blanton Governor, Dr. Harold Friedman, Chairman

RAY GOVERNOR BLANTON

today's Democrat for the future.

Redskins Score Twice In Opening Minutes

Loudon Wins First Time On Cleveland Gridiron 24-7

The Loudon High School football seniors made a promise to the Redskins student body Friday afternoon in an emotional and spirited pep rally that they would break the jinx held over them by the Cleveland Blue Raiders.

Loudon seniors had never won over the Cleveland grid team, losing 36-6 and 6-0 as one in varsity play as sophomores and Juniors. Never had a Loudon team even won in Cleveland so the solemn promise was not going to be an easy task to fulfill.

Seven hours of excited and loyal pep boosters accompanied the Loudon team bus and marching band. A few hundred cars and the Loudon delegation was well represented.

Loudon lost the coin toss and had to kick-off. The Blue Raiders caught Donnie Thearp's kick at the 12 and came racing back up the field only to run head long into the Redskins Buddy Swiney. The ball popped free and Swiney recovered.

Rick Melton gained two yards on a off tackle slant. A five yard penalty for offside moved the ball back to the Cleveland 25. Dennis Queen then went to the air with a 25 yard pass to end Sam Lyle and Loudon's first touchdown. Kenny Skinner's PAT with 10:59 left in the opening quarter had the Redskins in control.

When things go right, things go exceptionally right if you are already keyed to a fever pitch to start. Cleveland took the ensuing kick-off and after only a two yard return to the 15 Swiney again stuck the ball carrier and the ball springs free. Greg Deatridge ran on the scene to recover for Loudon.

The Redskins use but four snaps from scrimmage, assisted by a pass interference penalty on Cleveland, to strike pay dirt. Johnny Deatridge powering his way across the double stripe with 9:20 still to be played in the first stanza. Kenny Skinner added the extra point kick for a 14-0 lead.

Cleveland refused to attempt a return of the third Loudon kick-off in just two minutes and 41 seconds, downing the ball in the end zone.

From their 20 Cleveland constructed a 10 play drive, that produced three first downs to the Loudon 45. On a long post pattern pass Admiral "Bumper" Webster, making his first varsity start in the Loudon secondary intercepted the Cleveland aerial at the Redskins 11.

Rick Melton carried the ball out to the 20 but the Cleveland defense forced a punt and Sam Lyle took advantage of a 20 mile and hour wind to boom one 61 yards to the Cleveland 18.

Cleveland moved the ball to the mid-field line to end the first quarter and a punt into the Loudon end zone gave the ball to the Redskins.

From the 20 Loudon called on Deatridge twice for four yards and then Queen unloaded a 37 yard wind whistler to flanker Rick Turner. Tucker, with a great personal effort, out jumped the defender for the standstill reception and a Loudon first down at the Cleveland 39.

A pair of three yard runs by John Deatridge and Marlon Brown set up a first down end around maneuver by end Sam Lyle for a first down at the 28. A five yard penalty was quickly made up on a 21 yard scamper by Melton to the 12.

Loudon's offense stalled at this point and Kenny Skinner came on to calmly drive a 30 yard field goal home into the face of a 20 mile an hour wind. The 3-point kick was most impressive as it had a good

eight to 10 yards of extra zest after passing the cross bar with plenty of height. Thus giving Loudon a scoring

the two team's defensive play. Loudon checking Cleveland on three separate series, with Carter Cardwell intercepting a Blue Raider pass at the Loudon 23 on Cleveland's deepest invasion of the quarter with 5:53 to play in the half.

Loudon lost a fumble in the late stages of the period but the Loudon defense as usual took the challenge and stopped Cleveland on downs at their 37.

Loudon opened the second half with fine field position at their 39. Two John Deatridge runs produced 11 yards and a first down. A Dennis Queen

pass was off target and Cleveland intercepted at their own 42.

The Blue Raiders, with ball possession, got an aided boost with a 15 yard personal foul penalty. Two passing plays for 27 yards on Loudon's right defensive side and several yields by the Loudon defensive line gave Cleveland a first down and goal at the Redskins three yard line.

The Blue Raiders need three plays to finally plunge into the Loudon end zone with 6:10 left in the third quarter. The rushing TD effort was the first touchdown scored on the Redskins on the ground this

season. Loudon has given up a total of 24 points in six games to date.

Loudon, following a 19 yard kick-off return by Marlon Brown to the 32, marched down the field in 13 plays only to be denied a touchdown at the Cleveland six as the Blue Raiders took over on downs.

A fumble for a loss of eight yards and a five yard penalty was instrumental in stopping the "Big Red Express".

Cleveland was unable to advance past their own 20 as the fourth quarter arrived. A Loudon's reserves took ad-

Blue Raider punt to the Loudon 44 had the Redskins rolling again.

The Redskins assisted by two Cleveland penalties needed only six rushes into the Cleveland defensive line before Rick Melton danced loose at the 12 yard line and into the end zone for Loudon's final TD of the night. Kenny Skinner's conversion kick with 9:03 to play made the count 24-7.

Cleveland got the ball for only one more series. Loudon's reserves took ad-

advantage of a roughing the punter penalty to spark a drive that saw Carter Cardwell use the running of Dickie Colvin and Porky Campbell to keep the ball for 13 plays and run the clock out with the Redskins camped on the Cleveland 12.

The promise was well kept as eight running backs accounted for the Redskins real estate and Lyle and Tucker caught passes. Johnny Deatridge led the team with 82 yards on 13 carries. Rick Melton had 74 yards on 10

tries, while Porky Campbell legged the ball for 42 yards on seven efforts. Dickie Colvin ran with authority with 24 yards on just three calls.

Defensively Loudon had a host of standouts with John Deatridge Marlon Brown and Mike Yates setting the pace with 13 tackles each. Dickie Colvin, Bumper Webster, Jeff McQueen, Kenny Skinner, and Sam Lyle all received high tackling marks with at least eight tackles.

The Tigers embraced the Panthers last year in a surprise win of considerable measure. It could be the Panthers time to surprise as they are not considered to be in a playing mood since dropping a 48-2 decision to Kingsport last week at home.

Coach Henry Blackburn's team could save their season on this game despite being a four touchdown underdog.

Reports are the Tigers' flashy quarterback Cooley is injured and could not play figuring the Panthers to be a warm up for the following Friday night battle with Loudon for the Region Two championship.

Greenback will begin the first of a three game home stretch with highly regarded Charleston. The Panthers are two-time losers, once to Walland and once to Friendsville. They are outside contenders for Region Two A honors and upset the Cherokees last year.

Beware Panthers the Cherokees are shooting for a winning season and that means a three game sweep of the regular season. Game time is 7:30.

SKINNER HITS 3-POINTER—Loudon's educated toe, Kenny Skinner shows perfect form in hitting this 30 yard field goal against Cleveland Friday night. The kick was into a 20 mile an hour wind. Raymond Watkins is the placement holder. Donnie Thearp and Marlon Brown hold out the defense on the right side while Skinner is busy at his duties.

TOO FAST FOR RAIDERS—Loudon's Rick Melton breaks into the clear on one of his 10 carries against Cleveland Friday night. The fleet junior scored a touchdown and picked up 74 yards in the Redskin win.

QUEEN MAKES MOVE—Loudon quarterback Dennis Queen prepares to make a offensive cut behind the block of teammate Rick Tucker (33) as he runs for real estate in the Cleveland football game.

Sportsmen To Hold Barbacue

The Loudon County Sportsman Club will have its annual barbecue at 6:30 p.m., Tuesday, Oct. 29, at Loudon Junior High School. All members and guests are urged to attend. All you can eat, fun and fellowship will be available. Fish and game awards will be presented. Dr. J. R. Watkins, president and Ed McCown is secretary-treasurer.

A QUICK BACK HAND TO THE STOMACH—No, Loudon football coach Bert Ratledge did not back hand the referee; he is merely explaining the rules of the game to the official so that the contest can be judged fairly.

Loudon In Final Home Bout With Region I Power Maryville

The Loudon Redskins will be closing out their regular season home stand this week with powerful twice beaten Region One contender Maryville on tab. The Red Rebels have dominated the two team series in recent campaigns, making the state AA play-offs the last four seasons.

Loudon has never beaten the Red Rebels on the present Redskin grid site. In 1970 Loudon was in command 21-7

at halftime only to bow 35-28 in the last 30 seconds of that memorable game. Many feel this high school game was the best ever played on Jakes Field to date.

A similar survival struggle is expected for this week. Loudon has not beaten Maryville here actually since 1962 and this week's game is expected to be the biggest for Loudon needs the win to continue their hopes of a

Region Two play-off berth and to keep their unbeaten slate in tact.

Maryville on the other hand can not stand another loss having been beaten by Region Four AAA toughie Dyersburg in their season opener and by highly ranked Region Three AA power Goodlettsville last week. Both losses came on the Red Rebels home field.

Maryville will come with a rugged defensive team that has capitalized on their op-

ponents mistakes and also gets good results on punt and kickoff return yardage.

Loudon will be a near touch-down favorite, but a slip and the well drilled Rebels will have Loudon fighting for their lives in the final weeks of the regular season in an effort to make the prestigious play-offs.

Lenoir City will be involved in a game of contrast. The winless Panthers must travel to unbeaten Rockwood in a key Region Two double-A clash.

The Tigers embraced the Panthers last year in a surprise win of considerable measure. It could be the Panthers time to surprise as they are not considered to be in a playing mood since dropping a 48-2 decision to Kingsport last week at home.

Coach Henry Blackburn's team could save their season on this game despite being a four touchdown underdog.

Reports are the Tigers' flashy quarterback Cooley is injured and could not play figuring the Panthers to be a warm up for the following Friday night battle with Loudon for the Region Two championship.

Loudon Athletic Boosters To Have Chili Supper Monday

The Loudon Athletic Boosters will have a chili supper on Monday night starting at 7:30 p.m. at the high school cafeteria.

Coaches Bert Ratledge and Jim Gibson will give a run-down on the Loudon football season to date and what the Region Two play-off picture looks like in the double-A division.

Films of past games will also be viewed. A scout report of the upcoming Rockwood game will be given, along with reports of the Alcoa contest on Nov. 8.

The freshman coaches will be on hand to review their season which will be over this week.

Hugh Watson, boys basketball coach, and Dewayne Arp, girls head

mentor, will preview their upcoming seasons.

Tickets for the Monday night gathering are \$1.50 per person and will be available at the Maryville-Loudon football game Friday night or at the office of the high school. Tickets will be at the door on Monday night.

A large delegation of Redskin backers are expected to attend.

guard who was an all-state second team selection last year, and all-district center Ken Hammon. Playmaking guard Grady Langley is also back along with Steve Murray and Chaney Palmer, and these five are expected to be joined by newcomers Bill Rice, Darrell Roberts, and Val Barksdale to form the nucleus of this year's Blue Devil Squad.

Alcoa, which has won two state titles under longtime Coach Vernon Osborne, has several key performers back

Harriman Cagers To Meet Alcoa In O & W Preliminary

Harriman has been selected to meet Alcoa in a preliminary contest to the University of Tennessee's annual "Orange and White" basketball game, to be played Thursday, November 14, at Stokely Athletic Center.

The Blue Devils, who have compiled a 69-24 record under Coach Richard Pickett for the past three years, are expected to rank along with Alcoa as two of the area's top cage powers this season.

Top returnees at Harriman include Dan Anderson, 6-0

from last year's state tournament team, including 6-6 center Chuck Ogle.

The game will be the third of the season for Harriman, which opens its new 300-seat gymnasium on November 9 against Kingsport Dobynsennett in a double-header with matching Kingston and Knoxville Hule.

The Orange and White game, an intrasquad affair, will mark the official unveiling of this year's U-T basketball team.

Greenback Turns Back Tiger Efforts For 7-0 Win

The Greenback Cherokeees could well be the model team for curbing inflationary means in football. At least Coach Keith Bailey's Region One Class A squad is doing its part to hold down all the extra movement and scoring they can. In the three Cherokee wins this season their opponent has failed to score. Greenback has failed to score in three of their four losses and thus set the scene for some exciting nip-and-tuck barn burners. Friday night was no exception as the Cherokeees took the opening kick-off at

the Greenback end zone. The Cherokeees were unable to generate their offense and punted to the Tiger 46. From the 46 the Townsend offense made a strong bid to knot the score as they drove 42 yards on 12 plays to the Greenback 13. On fourth down and two the Cherokee defense

another first down at the Townsend 46. A six yard loss on a passing attempt and two incomplete throws wiped out the drive. The two teams swapped punts and Greenback was back on offense. The Cherokee offense appeared to be choked off and a punting situation on hand from their 43. Hawkins lofted a high 20 yard boot and the ball was mishandled by the Townsend return man. Rick Russell recovered the ball for Greenback at the Townsend 37.

Greenback was still not able to move the ball and a fake punt gained just two yards as Townsend took over on downs at their 35 ending the third quarter.

Townsend's offense, inspired by the strong defensive effort of holding the Cherokeees, came to life once more. Tony Chambers attempted to halt the drive by registering a six yard loss on a Townsend running back. But the Tigers came back with a 16 yard pass and a 12 yard run to establish their offensive attack.

GREENBACK 7 0 0 0 - 7 TOWNSEND 0 0 0 0 0

Greenback ran out the time, kicking in the last minute to the Townsend 30. Danny Dodson then intercepted a Townsend desperation pass as the game ended with Greenback's opening quarter drive deciding the issue 7-0.

Jimmy Brooks and Harold Hawkins were the horses in the Greenback offense with Brooks running for 65 yards on 23 carries. Hawkins had 75 yards of total offense with 38 yards rushing on 14 carries and two pass receptions for 37 yards.

Kyle Shepherd had a standout game with 27 yards on seven carries and a 11 yard pass reception. Roddy Kizer finished in the plus column with 27 yards on six runs.

Kenny Evans led all Greenback defensive players with 16 tackles. Jeff Tipton and Rocky Anderson were in on 13 stops each, while Shepherd and Brooks joined in

brief action prior to Friday night. The Jackets' best yard production of the season, rolling to 163 yards on 14 carries. He had runs of 80, 15, 14, and 12.

Kingston's defense, which had several standouts, all but shut off Lenoir City. The Panthers, generated a total offense of 69 yards, and failed to complete a pass in 10 attempts, and two passes were

(Continued On Page 12)

BROOKS SETS GREENBACK PACE—Jimmy Brooks was the Greenback workhorse Friday night carrying the football 23 times for 65 yards. The power packed running back sheds tacklers as he untracks a 10 yard run.

Blakney Is LC Standout Kingston Stings Panthers With 48-2 Drumming

The Lenoir City Panther football team hit bottom last Friday night in what many believed to be the worst performance turned in by a LC grid team in years. The Panthers fell to oft-beaten Kingston 48-2.

The Panthers, who are winless in seven games this season, have certainly not had much to cheer about this fall. But nevertheless Coach Henry Blackburn's men have continued to battle superior foes and hampering injuries all

season and have made the scores close on occasions. It might even be said that the Panthers deserve the fate of at least two wins at this juncture and could have been 4-3 with any degree of luck, other than bad, and some healthy key

starters. Friday night was no exception. The Panthers started the first quarter in a way that could have got them off and running towards an upset only to suddenly fold to the "big plays" of the Yellow Jackets, that halted a four game skid of their own.

Kingston drove 96 yards in 13 plays from the opening kickoff for the first score, but invited disaster at the very beginning of the game.

The Panther kickoff took a crazy hop and appeared headed into the end zone as the Kingston safety man watched from nearby. However, the ball suddenly stopped at the

one and the Yellow Jacket receiver was forced to pick it up under "pressure" and returned it only to the 4.

The stirring Kingston march did not seem to take away the spirits of the Panthers and a first period safety gave indications the contest could be a most interesting battle.

Kingston was soon to open with a boom as big plays all favored the Yellow Jackets victory efforts. Even a blocked punt that had the Lenoir City fans standing in aisles turned out to be a kind of omen to the Kingston win.

The Yellow Jackets tallied touchdowns in every quarter with the summary as such: Bedwell, 15 yard run climaxing a 82 yard, four play drive.

Hunt, 15 yard run climaxing a 60 yards, nine play drive. Jim Miles, a 48 yard dash

with a ball that struck a Lenoir City player after the Panthers had blocked a Miles punt.

Alan Thomas, one yard sneak after John Arp set a short drive in motion by intercepting a pass and returning it 33 yards to the Panther 12.

Greg Murr, one yard drive which was set up after Randy Guettaer recovered a fumble caused by James Woody.

Hunt, 80 yard run. Lenoir City got its safety when Jeff Blakney tackled Bedwell in the end zone.

Kingston had had the ball at its own 16 when a bad pitch was recovered by Panther Mike McConkey to give LC the ball at the four, trailing only 7-0. However, on the next play a Panther back fumbled and Kingston recovered at the five, and the safety came on the second play from scrimmage, with 2:38 left in the first period.

It was a game of bizarre happenings, including the blocked punt which turned out to be Lenoir City's undoing.

That play broke the back of the Panthers and ended what little hope they had to make a game of it.

The Panthers had declined a third down holding penalty against Kingston at the Jacksonville 46, to force a punt. Jeff Blakney broke through to block Miles' kick, sent the ball high in the air. It came down striking a Lenoir City lineman on the shoulder and falling to the ground. Miles rushed in, and in a crowd, picked the ball up and ran goalward.

Other players stood stunned, some wondering if Miles could really advance the ball. Only one L.C. player gave serious chase, but he wasn't in the race. Miles scored.

The play ran the score to 28-2, with the following extra

The Herald Loudon County

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Alexander To Attend Loudon GOP Barbecue

Republican candidate for Governor, Lamar Alexander, will head a slate of GOP candidates scheduled to attend a free barbecue dinner and rally at Loudon High School from 7 to 9 p.m. on Thursday, October 31.

County GOP Chairman Ed Arnold said barbecues and

drinks will be served in the cafeteria to all that come.

Other candidates who indicated they will attend include Jane Hardaway, seeking a seat on the Public Service Commission, U.S. Congressman John Duncan, 21st Legislative District Representative M. F. "Benny" Stafford, and 36th

Legislative District Representative James Melton.

Arnold said the dinner and rally is the main event for the County GOP prior to the Nov. 5 General Election. He said all supporters of the party and candidates are invited to attend.

RECREATION MEETING—Mrs. Johann Dutton, left, and Dr. Jean Lewis, right of 17 greet the first meeting of the Loudon Recreation sponsored chess and weight control class. Mrs. Dutton will teach the class which meets each Monday night.

Demo Bus Tour Visits, Free Fish Fry Saturday

Members of the Tennessee Democratic Caucus, in the midst of a bus-tour campaign for Democratic candidates in the Nov. 5 election, made an unexpected visit at the Loudon County Democratic "Beans and Cornbread" dinner

Monday night. The party function was held at the Loudon County National Guard Amory building beginning at 6:30. County Democratic Chairman Lee Thompson said about 250 persons were served.

Featured speaker was Franklin Haney of Chattanooga, one of the four top-running candidates for the Democratic nomination for governor in the August Primary. Haney, introduced by his Loudon County campaign chairman for the primary, Jerry Swaney of Loudon, urged state-wide as well as local support of all Democratic candidates.

Entertainment was furnished by a group from John Roberts "Little Opera" at Lenoir City.

The Democratic Caucus bus group, headed by Speaker of the House of Representatives Ned McWhorter, made the stop here on the way from Scott County to Chattanooga. Thompson said they stayed here about an hour.

Others in the party was Rep. Tom Burnette, Chairman of the House Commerce Committee; Cayce Penicost, a member of the Public Service Commission for 22 years; Harlan Matthews, State

Treasurer; Rep Gentry Crowell, Chairman of the Caucus and Calendar Committee and Jim Free, Clerk of the House of Representatives.

Loudon County Campaign Chairman for Blanton Dr. Harold Freedman and Party Chairman Thompson both made short comments urging support for Blanton for Governor, Z. D. Atkins for Public Service Commission and Mrs. Anna Belle Clement O'Brien for State Representative for the 36th District.

Thompson emphasized a "Free Fish Fry" set for Saturday night, Oct. 26 at the Loudon Junior High School, beginning at 6:30.

Newly-elected Public Service Commissioner Bob Clement will be featured speaker and Mrs. O'Brien also plans to be here.

A rally is planned for the Luttrell, community Tuesday, Oct. 29 for Mrs. O'Brien, beginning at 7 p.m., it was announced.

The election is Nov. 5, Thompson emphasized, "and we must work harder than ever during these next two weeks to insure the election of these outstanding Democrats."

Lions Club Elementary Tourney To Start Nov. 4

The Loudon Lions Club will hold their annual Elementary Invitational Basketball Tournament, starting Monday, Nov. 4.

Approximately seven teams from the immediate communities of Loudon and Lenoir City will participate in the boys and girls event. Games will be held on Monday, Tuesday, Thursday, and Saturday nights. Wednesday night will be an off night and Friday night will be open in observance of the usual high school football games.

The games on Monday and Tuesday are to use six and seven minute quarters to allow for the heavy first round schedules. Games on Thursday and Saturday will be of normal length.

Trophies will be awarded to

the top three teams in boys and girls play and a Best Individual Trophy will be given the standout boy and girls of the tournament.

The tournament will be held in the Old Loudon High School gym. Prizes for the tourney will be 75 cents for students and one dollar for adults.

New Home Broken Into

Some \$275 in building supplies were stolen from a new home construction site on Davis Ferry Road last Thursday night.

County Deputy Allen Clemmer filed a report showing that a home being built by Clyde Porter was

entered by knocking a hole-in the siding next to the front door at the house.

Taken was 150 lbs. of No. 18 coated common nails, 125 lbs. of mixed nails, 500 feet of 12-3 copper wire, 12 receptacle boxes, 11 breakers, two boxes of staples, 30 or 35 connectors and two one side door locks.

Saturday night Mr. Porter reported chasing a car away from the house when he drove up to see if the building was secure for the night.

Sheriff Guy Russell said that new homes or construction projects are easy prey for burglars. He said where possible builders should leave supplies in one room or work building where they can be locked up at night and on weekends.

Jackets Sting Panthers 48-2

(Continued From Page 9) intercepted.

The Yellow Jackets used all of their 50-player squad in the game. Coach Blackburn realizing the loss early used Walt Thaxton some at quarterback and gave runningbacks Steve Porter and Jeff McGill plenty of game experience for seasons ahead.

Bobby Smith returned to action as an offensive ball carrier in the game, having

been hobbled by a knee bruise since the Loudon game four weeks ago.

Phil Reed, who will most probably punt for the Panthers next fall, hit his lone effort of the game for 62 yards.

Jeff Blakney was the games top performer for the Pan-

thers as he recovered two fumbles and blocked a punt and record a safety with a nifty tackle. Jeff Walker, Curtis Monger, and Dewayne McNabb provided Blakney with some strong support.

Therapy Unit May Be Added At Hospital

Reports on financing for a study on Old Bacon Hospital and adding a physical therapy unit to the hospital were heard by the Loudon County Hospital Board at its meeting last Wednesday.

Hospital Administrator Gay Hamilton told the board there are two possible sources for the study funds. "It tentatively looks good," he said.

He added neither agency is interested in a long-range study for the new hospital. The Old Bacon Hospital study will take a minimum of \$1000 and up to \$2000, he said.

Hamilton reported Physical Therapy Associates of Wharton Tex. have agreed to some contract changes in a proposed agreement but said there are a couple of points still to be negotiated.

He said renovation costs of the area needed for the service is estimated at \$2000.

A year-end review of the financial statement of the hospital showed the facility lost \$37,000 last year. Hamilton pointed out the difference in 1973-74 and 1972-73 is \$73,000 since the hospital made a profit of \$35,000 in 1972-73.

He said the difference in revenue can be traced to lower occupancy rates. He added the rate of patient days is still falling.

Hamilton reported the recent Medicare inspection team said the anesthesia procedures in obstetrics and emergency care is inadequate.

Other than the anesthesia problem, Hamilton said, the hospital is in pretty good shape on the report.

He proposed a contractual arrangement between the hospital and the doctors who are willing to administer

anesthesia. It would save the hospital the expense of a nurse anesthetist.

Under the proposal the doctors would give anesthesia in obstetrics and emergency room cases instead of nurses. The doctors object to the proposal, saying the procedure has worked fine for 25 years.

Hamilton said the Medicare team cited the hospital for the practice last year. He pointed out the requirement is also part of the licensing guidelines.

A nurse anesthetist will still be available for elective surgery on Monday and Wednesday, Hamilton said.

Dr. Harold Freedman complained the Medicare team did not care about the quality of patient care.

"That committee didn't ask one patient what kind of care they are getting. All they care about is dotting the i's and crossing the t's," he said.

Dr. Sam Harrison said the team was basically made up of administrative-oriented people and insisted it is a classic case of interference with the physician's care of patients.

Several doctors have expressed strong disapproval over the issue.

Hamilton countered that not only would the hospital be in danger of losing its Medicare support if it fails to comply with the requirement, but it would also risk losing its license.

Dr. Harrison told the board he has written to both U.S. Senators, the governor and Congressman John Duncan.

The doctors generally agree there should be a separate set of guidelines for urban and rural hospitals.

THIS 16 POUND Yellow Catfish was caught by Alex Lawton, Freedman Street, Loudon, on a trot line on Walts Bar last week.

We're All In This TOGETHER

You may be saving power like crazy. But if everyone else is wasting it,

your conservation won't make much difference.

We have to get everyone in on the act or face possible blackouts this winter when TVA's coal supply is drained away.

If you're concerned about this crisis—and you should be — get your friends and neighbors out to the power conservation workshop. Make phone calls. Remind the people you meet. Bring some people with you.

TVA specialists will show everyone how to save electricity effectively to help our coal supplies last through the winter.

POWER CONSERVATION WORKSHOP

DATE: OCT. 29

TIME: 10 AM - 1 PM - 4 PM - 7 PM

PLACE: LOUDON UTILITIES

In Honor Of Those Brave Americans

A time to remember and a time to pay grateful tribute to the men and women, throughout our nation's history, who answered the call to arms when trouble threatened the land...who gave their time, their energy, their courage, and their very life to protect the principles upon which this country was founded. Today we pause in reverence to recall their sacrifice and renew our own determination that it shall not be in vain...that our American way of life shall grow and flourish for us and for generations to come. It's time to remember, to count our blessings, to cherish our sacred heritage, and put it to productive use.

In honor of this occasion and of those brave Americans...Loudon County Memorial Gardens is happy to announce their plans for a new section in the Memorial gardens where a free burial space will be provided for all veterans who qualify. Loudon County Memorial Gardens will take great care to provide the finest Veterans garden available. Complete with magnificent landscaping and a towering monument as a testimonial that this earth is being laid aside for Veterans and their families.

TVA Coal Supply Continues To Fall

The amount of coal in TVA power plant stockpiles dropped by another 500,000 tons in three weeks since the agency asked users of electricity for voluntary cutbacks in power use to help stretch these reserve coal supplies.

TVA said that its coal stockpiles would be gone by the end of the winter if depletion of the stockpiles continued at this rate—even without the threat of a national coal miners' strike in November, which would cause a much faster drop in coal supplies.

The stockpiles decline has continued this month despite TVA's efforts to buy more coal wherever it is available, large purchases of power from other power systems, and apparently uneven results from the call to the region's consumers for voluntary cutbacks in power use. The decline has been interrupted temporarily in the past few days, but this was attributed mainly to mild weather, TVA said.

Recent coal deliveries to TVA power plants have totaled less than 500,000 tons a week, but these plants normally burn about 700,000 tons a week. Coal consumption increases even more in winter with the additional power demand for electric heat.

If the United Mine Workers of America and coal mine operators do not reach agreement in current negotiations on a new contract, a strike is expected to begin November 12. The last national UMWA strike three years ago lasted for 45 days. About two-thirds of TVA's

present coal supply is produced by mines operating under UMWA wage agreements. If a strike occurs this year and lasts as long as the one in 1971, that would exhaust the coal stockpiles at most of TVA's coal-burning power plants, the agency says.

Stockpiles now represent a 44-day reserve supply of coal for the system as a whole (at the normal rate of coal consumption), and stockpiles at 7 of TVA's 12 coal-burning plants are below that average with amounts as low as a 15-day supply.

TVA has asked all users of electricity to cut back consumption where possible to help avoid the possibility of shortages. If a strike occurs more serious power curtailment measures will be necessary to avoid critical power shortages as long as possible, TVA said, with the nature of these measures determined by conditions at the time and the prospective length of the strike.

TVA said the extent of its ability to supply electrical needs of its customers in the event of a strike would depend on many factors such as the amount of coal in stockpiles at the beginning of the strike, the extent to which the strike affected production in non-UMWA mines, availability of hydro power and nuclear generating units, the extent to which neighboring systems could maintain their scheduled winter power deliveries to TVA, weather conditions as they influenced power demands on the

system, and the effectiveness of energy conservation measures. If stockpiles were exhausted, only a small portion of the area's normal power needs could be supplied from hydro and nuclear plants on the TVA system.

Electric Bill May Be Down In November

The monthly fuel cost adjustment on TVA electric rates will show a small decline in November because TVA increased its power purchases from other electric systems last month in order to use less coal in its own generating plants.

The November adjustment is computed from the actual cost of fuel used in TVA power plants last month. On residential electric bills, it will amount to .876 of a cent per kilowatt-hour or 76 cents for each thousand kilowatt-hours used by the consumer. This is down from 99 cents in October.

TVA cautioned that this reduction does not represent a true saving in overall power system costs. With coal in short supply at its own power plants, TVA bought more power from other systems, and the cost of these purchases does not appear in fuel expense. The average cost of coal continued to increase, but less coal was used. The purchased power and mild weather also allowed TVA to "make less use of oil-fired peaking turbines."

This monthly adjustment covers only changes in fuel expense per kilowatt-hour of sales. Other power system expenses, including the cost of power bought from other systems, are considered in a quarterly financial review to determine whether overall power rates and revenues are adequate to cover overall power system expenses.

At Lejeune
Marine Lance Corporal Timothy H. Carver, son of Mr. and Mrs. Elsie C. Carver, reported for duty with the 2nd Marine Division at the Marine Corps Base, Camp Lejeune, N.C.

TVA Issues Checklist For Saving Energy

How does your home rate in using electricity efficiently?

You can be your own home "inspector" with this checklist prepared by power conservation specialists to help consumers check point by point some of the steps needed to avoid wasting electricity in coming months—particularly in homes using electric heat.

"Not only business and industry but home consumers as well are going to have to make a real effort to hold their use of electricity to a minimum if we are to stop the depletion of coal stockpiles and avoid the prospect of power shortages that could cause serious problems for everyone," said A. O. Daniels, coordinator of TVA's present emergency energy curtailment program.

These power-saving measures will save on consumers' electric bills too, Daniels said.

"Heating a home in a cold winter month generally takes much more energy than all other home uses put together, so winter bills for homes with electric heat often are two or three times as large as electric bills for the fall months. Obviously you can't prevent all of that rise by measures

that cut perhaps 20 percent off electric power use, but a real effort to hold down power use can keep power bills from being as high as they would be otherwise."

This checklist was adapted by TVA from similar material used by the Conservation Crews of the Knoxville Utilities Board. Consumers may obtain more detailed information on power-saving measures from local electric systems.

CONSUMER CHECKLIST

This is a list to use in checking your home for wasted energy. The more YES answers, the less energy wasted. Thermostat for heat set at 68 degrees or below (or use thermometer to maintain that heating level).

Window and wall air-conditioning units covered during winter to prevent air leaks.

All windows and outside door frames caulked tightly. Storm windows and doors throughout the home.

All windows and doors in good condition (no broken panes or sashes).

Exterior doors, doors leading to unheated areas, storm doors, and windows are weather stripped or tightly sealed.

Draperies closed at night and on cloudy, windy days. Fireplace damper is closed when not in use (and closes

tight).

Heating and/or cooling filters are cleaned regularly. Heat to unheated rooms is cut off.

Attic has 6"-8" of insulation and is well ventilated.

Floor has 2"-3 1/2" of insulation.

Supply and return air ducts insulated in unheated areas. Refrigerator and freezer door gaskets are tight.

Unnecessary lights and appliances are turned off. Laundry is dried on lines when possible.

When laundering use cold or warm water when possible. Does not allow frost more than 1/4-inch thick in refrigerator and freezer.

Turns off outside lights when not needed.

Turns off televisions and radios when not in use.

Runs dishwasher only when there is a full load.

Stops all leaking faucets.

Takes brief showers or uses a small amount of water in the tub.

Uses portable electric appliances for cooking when possible.

Insulated hot water pipes in unheated basement or crawl space.

Windows are kept closed at all times during cold weather.

Lamar Alexander Cares... About the Working Man and His Family

□ The well-being of the working man and his family is threatened from several directions and Lamar Alexander thinks we should act now to do something about it.

Inflation has driven interest rates up and is seriously depressing housing starts and new construction. This poses a threat to construction workers' jobs.

Interest rates on home loans are making it almost impossible for young working men and their families to own their own homes.

Food and necessities are being priced out of the reach of the little man, and many breadwinners who have reached retirement age must continue to work.

In addition to holding down wasteful government spending, we must redouble our efforts to bring more new industries with higher paying jobs to Tennessee while intensifying vocational training programs so we can meet inflation with bigger paychecks.

□ Because of inflation's high interest rates, younger working men and their families are finding it difficult to own their own homes and meet installment payments. Elimination of wasteful government spending... rates and national level will help stabilize inflation.

□ Zooming food costs have made the grocery cart our most expensive vehicle. Intensified vocational training and increased efforts to attract industries with higher paying jobs can result in bigger paychecks for Tennessee's working men and their families.

□ High inflationary interest rates have depressed construction work and new building starts. This, in turn, lowers jobs and income which affects working men and women in stores, shops, filling stations and other non-construction jobs. We must reverse this trend.

**STONE FIREPLACE IN FAMILY ROOM
RUSTIC HOME HAS FOUR BEDROOMS**

FEATURE HOMES

By W. D. FARMER

A casual opening from the foyer of this home leads directly to the formal living and dining areas. These rooms have been separated from the normal traffic flow of the home to insure privacy when entertaining. The living room is highlighted by a bow window across the front.

The kitchen has lots of cabinet and counter space as well as a step-saving design to make meal preparations easy. Included are such conveniences as a double sink, dishwasher, and separate oven and surface units. Central location between the breakfast and dining areas allows direct access to any of the rooms.

The laundry room with private rear entrance has connections for a washer and dryer, a laundry tub, and storage space. Also included is a toilet compartment.

The family room centers

around a stone fireplace. The room design allows the maximum amount of wall space to aid in placing furniture. Double French doors lead to the rear.

The rest of the home encloses the sleeping areas. Having the bedrooms grouped together in a wing like this, divides the home into "active" and "quiet" zones. The master suite, on the rear, has two closets for storage, one of which is a walk-in. The bath area has a large vanity, and raised tub for her, and a shower and lavatory for him. A toilet compartment com-

pletes the master bath. Each of the other three bedrooms has ample closet space and hall access to a full bath with a vanity.

The traditional exterior of this home is reflected by the combination of horizontal siding and stone veneer, the intersecting gable roofs and the bow window across the front.

The home contains a total of 2,274 square feet of living space.

For further information on plan number 2230A, write W. D. Farmer, Residence Designer, Inc., P.O. Box 49463, Atlanta, Ga. 30329.

Letters to the Editor

Dear Editor:
The Loudon High School Band Boosters have been trying to raise money to buy a Van to be used for the benefit of the band members since May.

Each band FAMILY has been asked to donate \$12 this year toward this project and then \$12 next year. That's all that is asked. I know each family feels their child or children receives a \$1 per month profit in many ways from being a member of the High School Band.

So let's give Director Ray King, assistant Ed Sharpe and President and Mrs. Charlie Jones our support since they are the best workers anywhere. Since November 18 is the deadline for the final

decision, let's all give our support and give our \$12. Mrs. Beatrice Simpson.

Deadline for ASC Community Committee Nominations October 29

Only a few days remain to nominate farmers as candidates in the upcoming ASC community committee elections, reminds Fred Fippe, Chairman of the ASC Community Committee.

First duty of the newly elected community committee members will be to serve as

delegates to elect new members to the county ASC committee. Mr. Fippe reminds producers that this is an important occasion for the responsible, farmer-chosen team of ASC community committeemen.

By turning in a total of six or more petitions, farmers in

each ASC community have the opportunity to prepare the slate of nominees themselves. If six or more valid petitions are received from a community the county ASCS office will prepare a slate containing the names of all eligible nominees. If less than six valid petitions are received

for any ASC community, the job of slate completion will be turned over to the incumbent community committee, which will add nominees needed to complete the slate.

Petitions must be signed by three or more ASC farm voters and must include a certification the nominee will serve if elected. The petitions must be delivered or mailed to reach the county ASCS office no later than October 29.

The election will be held by mail in the period of Nov. 18 through Dec. 2, Mr. Fippe, added.

Last year we brought you over \$700 million worth of appliances. You've got a lot riding on us.

A lot of appliances rode our rails in 1973. We estimate that the manufacturers' value for appliances we shipped amounted to \$715 million.

And when you put Southern's shipments together with all other railroads, you've got over 70% of all the appliances Americans buy.

Why does the appliance industry and so many other industries ship by rail? They know it's usually the most economical way to go.

Consider these figures for the thousands of things shipped by rail. The average cost per-ton-mile by truck is five times as much as by rail. Air shipping is over

fourteen times the price.

And the fuel crunch has made railroad efficiency more than just a matter of dollars and cents. It's a matter of delivering the goods with the smallest possible use of fuel.

Then there's the reliability of rail shipping. Add this on to everything else and you have a good idea why there's so much riding on us. And why you need Southern.

SOUTHERN

THE RAILWAY SYSTEM THAT GIVES A GREEN LIGHT TO INNOVATIONS

An equal opportunity employer.

Notice Of General Election

In accordance to law and pursuant to Tennessee Code Section 2-114, notice is hereby given of a General Election to be held in and for Loudon County, Tennessee on Tuesday, November 5, 1974, at the established precincts during the hours prescribed by law, for the election of the following:

- Governor of State of Tennessee**
- Public Service Commissioner**
- United States Representative - 2nd District**
- State Representative - 21st Legislative District**
- State Representative - 36th Legislative District**

The following persons have been appointed by the Loudon County Board of Election Commissioners to hold and conduct the said election at the appointed precincts between the hours of 10 a.m. and 8 p.m. on Tuesday, November 5, 1974 under the election laws of the State of Tennessee

State Board of Education To Hold Public Hearing

The State Board of Education will hold a public hearing on legislative matters dealing with public education to be presented to the 89 General Assembly, which will convene in January. The hearing will be held in Nashville, Cordell Hall Building, Room 120-121, on Thursday, October 24. This is probably the most important meeting of the year because it will give every interested citizen an opportunity to present his case on public education, K-12. In the past, most people have not known what was recommended for K-12 until the budget of the Administration was given to the General Assembly.

From 9:30 till noon, the general legislative matters will be considered under the following broad categories:

1. Teacher Certification.
2. State establishment and control of public education.
3. Local school governance and board authority.
4. Educational programs; proposed new ones and directions for those authorized but not yet fully implemented.

From 1:30 until 4 p.m., consideration will be given to the appropriations for and financing of the regular kindergarten through grade twelve program, plus the special programs for vocational education, handicapped, rehabilitation, and the state library system.

Some of the items that will come before the State Board at the Thursday meeting are:

1. Change the fee for a certificate from the present \$20 to \$30. The present fee is inadequate to defray the expenses of the Office of Certification.
2. The is rather a sharp increase from two dollars to twenty dollars and I think the increase should be more gradual.
2. Adopt the Interstate Agreement on Qualification of Educational Personnel.

This would provide for the acceptance of the certification

of teachers licensed in other member states during the term of a contract negotiated among the member states.

3. Change the formula for the distribution of state school funds from ADA to ADM.

4. Make mandatory the popular election of school board members and the appointment of the superintendent of schools by the Board of Education.

5. Require that excess fees collected from State Funds by the county trustee be rebated to the program generating these fees in proportion to the amount each fund contributed.

6. Authorize insurance pool programs for local school systems for the purpose of

providing fire and extended coverage damage.
 7. Provide for the confidentiality of information about a teacher as contained in his personal file and authorize closed board meetings for teacher disciplinary matters.

In-Service Training For Resource Teachers

In addition to the ten days set up in the school calendar and earned by points by professional personnel in Lenoir City Schools, Resource teachers also spend some days in In-Service activities with the Little Tennessee Valley Educational Cooperative. On Monday of last week our Resource Teachers were in Athens attending a Co-op meeting.

The In-Service meetings are planned by Dr. Jerry Morton, Mr. Mike Davis, and Mrs. Ann Lyons of the Co-Op Staff and have been quite helpful to our

Resource teachers. The staff of the Co-Op is working with much enthusiasm to bring the best training possible to the teachers who serve handicapped children. Certainly we appreciate the leadership provided by Dr. Morton, Mr. Davis, and Mrs. Lyons in helping our teachers to reach those who are handicapped.

At least two additional meetings will be held this year for Resource teachers, December 30 and March 21.

The Handicapped
 Mrs. Johnnie Littlefield, Coordinator of Handicapped Program for Lenoir City Schools, is presently enumerating the handicapped children in Lenoir City, both in school and out of school. If you have children who are handicapped who are not attending public school, Mrs. Littlefield would be most interested in knowing about same.

Trustees Notice To Elderly Taxpayers

The elderly taxpayers who received a tax refund last year on your property tax should have received a refund form from Nashville to be filled out. We suggest you bring this form to the Trustee's office and pay the tax and we will fill out the form for you so you will get your refund much quicker.

You do not need to have anyone fill it out for you. We will do all that when you come in and pay the taxes.

Sincerely Yours,
J.V. Schrimsher, Trustee

BACK IN THE GOOD OLD DAYS

So many things that were around when I was growing up are now gone from the scene. They only live in the memories of those who lived during that time. We were reminded of this with a picture we had loaned to us the other day. Possibly all of these things from the past have a personality connected closely to them; a person who was as much a part of our lives at that time as the people we have around us today.

I know many of those from the Good Old Days will remember Hooker's Planeing Mill, which was a large metal building located where the Loudon Riverview Church is now located. It was a rather large operation and did special mill work for many builders in our area.

The late John Hooker was the owner operator. Mr. Hooker was well known in the wood working field around Loudon. He was a man who stood tall, not only in his physical build, but his character was noteworthy. We recall as a lad going by Mr. Hooker's mill to

get scrap lumber to build wagons and other things boys built to play with in those days. We considered him to be a very dear friend.

Also in the picture is the late Jim Nichols and he was another man for whom we had very high respect. Mr. Nichols was a very good musician and we used to play some with him when he had the time. He was an excellent fiddler of the old time variety and he enjoyed playing very much. I learned a lot about string music from him.

Another man in the picture is Mr. Watts who worked for Mr. Hooker for many years. He was a very efficient and knowledgeable man in this field. The other person in the picture is unidentified. We believe it is a McCollister boy but we could be wrong. If you know who this boy is, give us a call.

This picture reminded us of the old cotton gin that used to be right behind where this building was located. If you remember cotton gins, you

also recall all the yellow dust that emitted from it. If the environmentalists had been around in those days they would have had a fit. Not only would the dust fly but you could hear it running all the way up town. Of course, it was seasonal only but you knew it was in operation when it ran. We doubt if any pictures of the old gin exist but if by chance someone has one, we would like very much to use it in the Good Old Days.

This picture of the Hooker Mill might have been made by Loudon's roving photographer Ted Phillips. He carried his camera and tripod to many places. We have never had any pictures we were sure Ted made but it is quite possible we have had some.

Our other picture we have is a mystery to us. We know someone gave it to us and possibly there is something interesting or unusual about it but we can't recall what it was. Probably the men are quite well known but we cannot identify them. If you can help us please give us a call.

In mentioning Ted Phillips the photographer, we would like to see some of the pictures he made. If you possibly have some, please let us know. We were talking to Charlie Davis at Hamilton Bank the other day. Charlie was telling us about some rattlesnake pictures he had. Maybe he will let us run one of them in the Good Old Days column. Charlie was telling us

Alexander Expected For GOP Barbecue

All the State Republican candidates on the Loudon County Ballot will attend a Free Barbecue and Rally from 5 p.m. to 7 p.m. at Loudon High School Cafeteria Thursday night.

Lamar Alexander the GOP standard bearer for Governor will head the list. Also present will be Jane Hardaway candidate for Public Service Commission, Congressman John Duncan, and state representatives M.F. (Benny) Stafford and James Melton.

Barbecues, chips and drinks will be served to all who attend and GOP Chairman Ed Arnold said everyone will have a chance to meet and shake hands with the candidates.

The Barbecue-Rally is being held early (5 to 7) because it falls on Halloween night and will be over in time to allow those attending to get home and answer the trick or treat calls at their doors.

Evans Pleads Guilty To Whiskey Charge

George Evans, arrested in one of two bootleg whiskey raids, recently, entered a plea of guilty before Sessions Judge Tom Ingram on charges of possessing whiskey for resale last Friday.

Evans was fined \$50 and costs and given a 10 day suspended jail sentence. Dewey Key, one of six persons arrested in a raid on

an establishment operated by Elton Mae Roberts in Bucktown, entered a guilty plea to possession of whiskey and public drunkenness. He was fined \$10 and costs on each charge.

Others arrested along with Mrs. Roberts, Margaret Johnson, Robert Key, Gelthos Satterfield and Bill Winkle, waived preliminary hearing to the Grand Jury.

\$13,000 Needed By United Fund

Almost three-fourths of the United Fund goal of \$51,149 has been raised during the present campaign. With a total of \$37,411.65 now pledged or contributed \$13,737.37 is still needed to meet the 1975 Campaign Goal.

At Monday's report meeting in Lenoir City the area captains reported \$7,584.88 had been raised during the past week. Fund Drive Chairman Jack Atkins said he is still hopeful of a successful

campaign and said that the area chairmen have been making a very good effort to keep their quotas up.

It is expected the campaign will go six weeks, hoping that the goal will be reached no later than November 11. Several times in past years the campaign has been extended to reach the goal. In the 14 year history of the Loudon County United Fund

School Board To Ask \$1.7 Million For Loudon, Greenback Schools

A six step school building program covering four years was adopted by the Loudon County School Board, Thursday night in a joint meeting with the County Court Budget Committee. At the meeting representatives of Barber & Murray Architects of Knoxville gave a report on proposed additions to Greenback School and Loudon Junior High School which are the two top priorities in the program.

The two projects, both proposed for the 1974-75 year, call for an expenditure of more than \$1,700,000.

The building program outlined was somewhat different from one adopted by the School board earlier in the year. Superintendent Headlee said after meeting with principals in the county he revamped the priorities and made some changes in the program.

Construction schedule of the plan starting next year runs through 1978. The program approved is as follows:

1974-75 Program
GREENBACK SCHOOL-Kindergarten through 12th grade-Six new self-contained classrooms. Enlargement of kitchen and cafeteria areas. Library and materials center. 700 seat auditorium. Remodel science room and elementary physical education room. This

FLOOR PLAN DRAWINGS - PAGE 13

addition will result in the closing of Glendale School with the 120 students moved to Greenback.

LOUDON JUNIOR HIGH SCHOOL-Grades 5 to 8-Five new self contained classrooms. Gymnasium and auditorium combination. 600 bleacher seats and 500 portable floor seats. Remodel install ceiling in present building and add fluorescent lighting.

1975-76 Program
PHILADELPHIA SCHOOL-Kindergarten through 8-New library and materials center. New gymnasium and auditorium combination. Remodel old auditorium to add four classroom spaces.

STEEKEE SCHOOL-Kindergarten, grades 4 to 8-New library and materials center. Additional kitchen storage space. (Editors note - The original plan called for additional classrooms. Headlee said these were dropped because if a new elementary school is built at Loudon the space would not be needed.)

1976-77 Program
NEW JUNIOR HIGH (MIDDLE) SCHOOL-East Highland Park Area - 750 seat school will be designed to accommodate approximately 550 pupils grades 5-8.

1977-78 Program
NEW LOUDON ELEMENTARY SCHOOL-grades-kindergarten to grade 4-This school will be designed to accommodate approximately 600 pupils in grades K-4. The kindergarten and 4th grade from Steeke and all of Davis School will be moved to this school.

Mr. Headlee said the program is subject to change, especially the two new schools, in event of consolidation of the Lenoir City and Loudon County systems. This is the reasoning Headlee used in delaying the new schools until later dates. He said if the consolidation does not come until 1976 more than likely the consolidation idea will have been dropped.

Dick Eckert and Dan Feyn of Barber & McMurray outlined the plans for the additions for Loudon Junior High and Greenback.

Several years ago a similar Loudon Junior High addition was proposed but was abandoned after it failed to get county court approval. At that time the addition of a gymnasium-auditorium combination, five classrooms and restrooms was expected to cost \$375,000. At the inflated price of today the addition,

SCHOOL PLANS SHOWN-Dick Eckert and Dan Feyn of Barber & McMurray Architects of Knoxville are shown giving a joint meeting of the Loudon County School Board and County Court Budget Committee a look at plans for additions at Loudon Junior High and Greenback Schools at a meeting last Thursday night.

although it has been changed somewhat, is estimated to cost \$775,000. The new construction includes air conditioning for the entire building, except gym and cafeteria, some remodeling in the existing structure including putting ceilings in the rooms, and adding fluorescent lighting.

The addition would be built on the South side of the building. The classrooms would extend from the end of the present building and the

gym-auditorium would be in front of this structure. The Greenback project, as described in the five year plan, would cost an estimated \$941,870.

After hearing the details and viewing drawings prepared by the architects, members of the court, budget committee, I.D. Conner, Boyd Duckworth and Henry Foster all commented that they were well aware of the needs of the school system and said if the

court can possibly approve the building program and find a means of financing it without placing an undue burden on the taxpayers it will do so.

Mr. Conner said that already the court is faced with problems of finding revenue to pay for things that have already been done. He forecast a big jump in the tax rate in the next couple of years, even without the school

(Continued on Page 13)

Small Voter Turnout Tuesday Feared, Polls Open From 10 To 8

JANE HARDAWAY IN LOUDON-Republican Candidate for Public Service Commission Jane Hardaway, left, is shown talking with Billy Brewer, J. E. Greenway, John Gibson and Carmine Watkins when she stopped in Loudon briefly last Wednesday.

Lack of voter interest because "it is just not a good year for politicians" is expected to keep the turnout at next Tuesday's (Nov. 5) State General Election. Election Commission Chairman John Gibson, generally correct in predicting voter turnout expects about 6500 Loudon Countians to vote. This is about 1000 less than voted in the last gubernatorial election in 1970.

Polls in the county will open at 10 a.m. and remain open until 8 p.m. All the Loudon precincts, both inside precincts and the two outside precincts have been moved to the Loudon High School Cafeteria in the new room for the precincts and parking for voters.

The big race of course is between Republican Lamar Alexander and Democrat Ray Blanton to see who will suc-

ceed Republican Winfield Dunn as Governor in January. Backers of both candidates have waged strong campaigns in Loudon County and each think their candidate can carry Loudon County and win state-wide. Locally Republicans think they have the edge because of historical voting patterns. Democratic Party Chairman Lee Thompson and Blanton Campaign Chairman Harold Freedman claims Democrat unity in the county is the best it has been in years and they are expecting to win the county vote.

There are five other candidates for governor, all independents, but none are expected to make any serious vote bid. They are Jack Connor, Hubert Patty, James Resor, Alfred Taylor and Arnold J. Zandi.

A race which may be as interesting as that of Governor will be between incumbent Democrat Z.D. Atkins who is challenged by Jane Hardaway, a Republican, for Atkins' Public Service Commission seat.

Mrs. Hardaway, a former cabinet officer of Governor Dunn, has waged a very active campaign and made much of the fact that Atkins will not reveal the sources of his campaign income. Voters in three precincts, Philadelphia, Luttrell and Loudon Outside West have a contest to help decide, incumbent 36th Legislative District Representative James Melton is in a heated battle with Anna Belle Clement O'Brien, sister of the late Governor Frank Clement. The 36th legislative district is composed of the three Loudon County precincts, two in McMinn

County and parts of Roane and Cumberland County. Both candidates are from Crossville.

Second District Congressman John Duncan is receiving token opposition from Jesse Bernard Brown of Knoxville. Duncan is expected

to win easily. The only other candidate on the Loudon County ballot is 21st Legislative District Representative M.F. (Benny) Stafford running unopposed for this third term in the state legislature.

MR. ALEXANDER

MR. BLANTON

BIG DEMOCRAT TURNOUT-Some 300 to 350 Democrats packed the Loudon Junior High School Cafeteria last Saturday night for a free fish dinner and to boost the candidacy of the Democratic candidates in next Tuesday's General Election. The only Democrat candidate that was present was Anna Belle Clement O'Brien, seeking the 36th State Legislative District seat in the State Legislature. Her

nephew, Public Service Commissioner Bob Clement was present representing Democratic gubernatorial candidate Ray Blanton. Both Mrs. O'Brien and Clement plugged for election of the Democrat slate on the Loudon County ballot which includes Mrs. O'Brien, Blanton and PSC incumbent Z.D. Atkins. In the

picture panel above (left) Mrs. O'Brien talks with Bob Clement and Penny McNabb. In the background is Mrs. O'Brien's county manager J.C. Allmon. (center) Mrs. O'Brien is shown addressing the crowd. At right, Clement is speaking in behalf of Blanton where he dealt mainly with what he thought was the weaknesses in the Republican administration in Tennessee and the United States.

Mrs. Harold Duff and Mrs. Hurley DeFord introduced a representative of Sarah Coventry Jewelry to show new jewelry for fall and how it should be worn. Mrs. Duff concluded, by showing her own collection of jewelry.

Mrs. Lynn Sheeley and Mrs. Vernon McCulloch were hostesses.

Mrs. Lynn Sheeley presented a program recently on styles for fall with slides from Sears and Vogue. The meeting was at the home of Mrs. Lynn Sheeley and Mrs. Harold Duff as co-host.

A Halloween Costume Party was attended by Gamma Theta and Zeta Omega at the VFW Club in Loudon recently. Square dancing and a costume parade was the highlight of the party.

Sorority Starts Year With Active Program

The Gamma Theta Chapter of Beta Sigma Phi started their activities for the year by forming a friendly venture chapter, which has been named Zeta Omega Chapter.

"A Bus Ride With Beta Sigma Phi" was the theme used to orientate and entertain prospective members. Mrs. Gerald Campbell, Extension Officer, was in charge. Guests were transported by bus to several homes of members where they were told the history and purpose of Beta Sigma Phi. Later refreshments were served at the Lenoir City Park.

Mrs. W.G. Tatum was hostess to the Beginning Day Tea where plans for the year were made. Mrs. Bill Thompson, president, presided.

Programs Beta Sigma Phi programs are designed primarily to give a clearer and deeper appreciation of the cultural things in life, and this year's programs are to be given on beauty, in hopes that the principles of artistic living can be expressed and to help each member to form an individual concept of beauty.

Mrs. G.L. Hall and Mrs. Vernon McCulloch presented a program on "Body Beautiful" by inviting a representative of a belly dancing school to explain the history of belly dancing. Mrs.

Debbie Brock

In Who's Who

Debbie Brock, a senior at Bledsoe County High School, will be featured in the Eighth Annual Edition of Who's Who Among American High School students, 1974-75.

Debbie is the granddaughter of Mrs. Frances Sitzler of Loudon. Her parents are Mr. and Mrs. Vance Brock of Pikeville.

She is a member of the Beta Club, 4-H Club, FHA, B Club and of the basketball team. She has been named to the All Tournament in Dunlap Classic, the All-4th District and All SEC Conference team.

Upon graduation, Debbie plans to attend Tennessee Tech University majoring in Business Administration.

LOUDON CANDIDATES—Pictured are the Loudon participants who will compete in the Junior Miss Pageant. They are: (seated on the floor) Jewel Horner, Libby Hagan and Terry Dukes. (seated on bench) Michelle Smith and Margie Kelso. (standing) Jennie Harrison, Rita Richey, Yarbber Harrison, Aquilla Henley and Pam Boone.

21 Girls Start Rehearsals For Junior Miss Pageant

Twenty-one of Loudon County's young women between the ages of 16 and 18 will be presented in the Junior Miss Pageant sponsored by the Xi Alpha Psi Sorority.

The participants are judged on scholastic ability, poise and appearance, youth fitness, creative and performing arts, awareness, perception, ability in human relations and contributions to family and community.

In alphabetical order those appearing in the pageant will be:

Mary Barnett, daughter of Mr. and Mrs. C.F. Barnett, Phelps Road, Lenoir City. Miss Barnett is active in the American Red Cross, and is a member of the Foreign Study League. She traveled in Europe for a month with a group from the league.

Pamela Boone, honors, is the daughter of Mr. and Mrs. C.H. Boone, Sr. She attends Loudon County High School where she was a majorette for four years and head majorette during her senior year. She plays bass clarinet in the concert band.

Rhonda Kaye Brown, Greenback, whose parents are Mr. and Mrs. Bobby G. Brown, hopes to pursue a career in the health field. She has worked in such community projects as March of Dimes, Christian Happening and Easter Seals.

Michelle Cooper, daughter of Mr. and Mrs. Graham Cooper, Greenback, will probably play the piano as her talent in the Junior Miss Pageant. She plans to attend Tennessee Technological University, where she will major in Earth Science.

Terrie Dalton, daughter of Mr. and Mrs. S.L. Dalton, Ford Road, Lenoir City, plans to be a teacher. She likes social studies in high school where she is president of the National Honor Society. Miss Dalton is a member of the First Presbyterian Church.

Terry Jo Dukes of Loudon whose father and mother are Mr. and Mrs. Albert C. Dukes, Jr. has been listed in Who's Who Among American High School Students. She has been an active worker for the Heart Fund, Cancer Fund and the

March of Dimes. Teresa Goddard, daughter of Mr. and Mrs. Roy L. Goddard, Greenback, hopes to attend the University of Tennessee and become an Interior Decorator. Her hobbies include doll collecting, stamp collecting and swimming.

Aquilla Henley, Loudon, whose parents are Mr. and Mrs. Homer E. Henley, Sr., attends Loudon County High School where she plays in the band. She plans to be a registered nurse and her hobbies are swimming, baton twirling, basketball, softball and tennis.

Elizabeth Hagan's parents are the Rev. and Mrs. Dillard Hagan of Athens. She attends Loudon County High where her favorite subject is biology. She plans to attend Cleveland State College and become a radiologist.

Jennifer Lynn Harrison is the daughter of Dr. and Mrs. Sam Harrison, 718 Lakeview Drive, Loudon. She plans to be a physical education teacher and has taken three non-credit courses at the University of Tennessee in tumbling, diving and gymnastics.

Yarbber Harrison of Loudon hopes to attend Kentucky State University of J.C. Harrison College and become an accountant. A student at Loudon County High School, she likes accounting, drama, basketball, and band.

Margie M. Kelso whose parents are Mr. and Mrs. Arthur W. Kelso will give a dramatic reading in the pageant. She plans to attend Hiwassee and become a teacher. Her hobbies include major in Earth Science. She likes fishing, swimming, sewing, badminton and softball.

Linda Faye McConkey, daughter of Mr. and Mrs. McConkey, is a charter member of the first student credit union in Tennessee. She attends Lenoir City High School where her favorite subject is French. She plans to attend Lee College and study psychology.

Cindy Denise Padgett, daughter of Mr. and Mrs. Ralph E. Padgett, is a student at Lenoir City High School where she is interested in English, band and mathematics. Miss Padgett had a taught baton twirling at clinics in several states.

Sharon Parris, whose parents are Mr. and Mrs. Harold E. Parris, Lenoir City. She plans to attend Framingham Vocational School in Massachusetts to study drafting. She enjoys playing tennis and volleyball. Her hobbies are singing and sewing.

Carol Ann Quillen of Greenback is the daughter of Mr. and Mrs. Earl R. Quillen. She attends Greenback High School where she is on the annual staff. Miss Quillen plans to be a nurse and will attend UT. She particularly likes to work with children.

Rita Ann Richey, daughter of Mr. and Mrs. Don H. Richey, plans to attend the Illinois Institute of Technology where she will study Architectural Designing. She will play the piano or flute in the pageant.

Michela Smith of Steekee St., Loudon, is the daughter of Mr. and Mrs. William E. Smith. Miss Smith hopes for a career with the airlines when she graduates from Loudon County High School. She will dance at the Junior Miss Pageant.

Pamela Michelle Smith, daughter of Mr. and Mrs. W.T. Smith of Lenoir City, was Homecoming Queen 1974 of Lenoir City High School. Miss Smith plans to attend the University of Tennessee and wants to enter the medical field. She plays basketball and likes to sew.

Susan Smith, Martel Estates, Lenoir City, is the daughter of Mr. and Mrs. Robert Smith Jr. She plans to teach ancient history and is especially interested in music.

LENOIR CITY CANDIDATES—Those from Lenoir City who will participate in the Junior Miss Pageant November 16 are: (Seated on floor) Mary Barnett. (seated on bench) Sharon Farris, Linda McConkey and Cindy Padgett. (standing) Beth Webb, Pam Smith, Terrie Dalton and Susan Smith.

GREENBACK CANDIDATES—Candidates from Greenback in the Junior Miss Pageant November 16 are (seated on floor) Michelle Cooper and Teresa Goddard. (standing from left) Carol Quillen and Rhonda Brown.

She plays the piano, flute and oboe.

Beth Webb is the daughter of Mrs. Mary Nell Webb and the late Mr. Webb. A student at Lenoir City High School, history is her favorite subject. She is president of the Student Council and is thinking of a possible career in communications in either journalism or broadcasting.

The pageant to select Loudon County's Junior Miss will be held at 7 p.m. Nov. 16 at Lenoir City High School. The

winner will represent Loudon County in the State Junior Miss Pageant.

Kay Lovett, music teacher in the Lenoir City Schools, is staging the event.

Tickets may be bought in advance from any sorority member. Advance tickets for students are \$1.00, adults, \$1.50. At the door students tickets will be \$1.50 and adults, \$2.00. For information call Joy Kirkland, 986-5737, or Carol Black, 986-5701.

Art, Craft, Hobby Books Added To Library

A group of memorial books dealing with arts, crafts, and hobbies has been recently purchased for the Loudon High School Library with funds from the Loudon Schools Memorial Book Committee. These books include "Practical Encyclopedia of Crafts" from Mr. and Mrs. Earl Alexander, "Ceramics by Shop" given by Mr. and Mrs. B.T. Brewer, "Planting Abstract Landscapes," given by Mr. and Mrs. Burton Fetty.

"Junk Sculpture" and "Coin Collecting as a Hobby" were given in memory of Dr. Charles Morgan by Mr. and Mrs. B.T. Brewer. Mr. and Mrs. Pete Campbell have given "Comix" (a history of comic books in America), and "Tin Can Crafting" in memory of J.M. (Jake) Littleton. Memorizing Mrs. Clark Harrison and "Idea for College" and "Tissue Paper Creations" given by Mr. and Mrs. B.T. Brewer. Books in memory of Mrs. Sallie Chance are "Tole Painting," from Mr. and Mrs. B.T. Brewer, and "Greeting Cards You Can Make," and "Flower Pressing," from Mr. and Mrs. Wm. Napier. In memory of Mrs. Ruby Littleton are "Hooked and Knotted Rugs" and "Folding Table Napkins," given by Mr. and Mrs. Pete Campbell.

Additional craft books are "Macrame" from the Deacons of First Baptist Church in memory of Mrs. Norma Amburn; "Making Paper Flowers," given by Mr. and Mrs. B.T. Brewer in memory of Mrs. A.F. McCrary; "Whittling and Wood Carving," from the Loudon Lions Club in memory of F. Vaughn Browder; "Leathercrafting" in memory of Will D. Roberson, given by Mr. and Mrs. B.T. Brewer; "Exhibiting Methods," from the Brewers in memory of Charlie Moore. Books in other categories include "Idea for Monologues," given by Mr. and Mrs. Wm. Napier in memory of R.M. Gray, given by Mr. and Mrs. Earl Alexander; and the "New English Standard Bible," given by the Deacons of First Baptist Church in memory of Mrs. Norma Amburn.

The High School Librarian, Mrs. Joyce Niles, said that school funds for new library books are quite limited, and expressed appreciation to the donors for adding these books to the library collection.

Memorial books may be given to any of the Loudon Public Schools. Checks should be made payable to the Loudon Schools Memorial Books Fund and sent to Earl Alexander, Steekee Road, Loudon. It is helpful to the librarians if the donor will suggest what category of book is desired.

Philadelphia Personal News

The Wesleyan Guild met at the home of Mrs. Helen Windle for the October meeting and a covered dish supper. Mrs. Joy Mathison gave the program. There were eighteen members present.

Mr. and Mrs. Frank Henderson returned last week from Maryville last Thursday for the funeral of a cousin, Mrs. Keith Lane.

N.R. and Arthur Simmons returned last week from visiting Mr. Simmons' sisters and brothers in North Carolina and fishing at Ocracoke Island.

Butch Baker, a student at T.M.I., spent the weekend with Mr. and Mrs. Elmer Cathcart.

A bridal shower was given Friday evening at the Philadelphia United Methodist Church for Miss Gail Williams of Galax, Va. Miss Williams and Joe Davidson will be married Saturday, Nov. 2, at Galax. Joe was home with Mr. and Mrs. Lee Davidson for the weekend from Grissom Air Force Base, Ind. Miss Williams is the daughter of the Rev. and Mrs. Darrell Williams.

The Rev. Joe Burris of

Abbie Claude Garthwaite celebrated his fourth birthday recently with a party. He is the son of Mr. and Mrs. Lyle Garthwaite, Lenoir City. Grandparents are Mrs. Lucy Garthwaite, Mrs. Tennie Bright and the late Jake Bright of Loudon.

Quick, What's The Name Of Your Auto / Homeowners Insurance Company?

If You've Never Heard Of Them Before Ask Yourself These Questions:

1. What kind of claims service can they give in MY area? Some companies have only 1 or 2 claims adjusters for ALL of East Tennessee. If they are spread thin they probably can't give fast service when you need it.
2. Can they meet my needs? Some companies have limits on the amount of insurance they will provide on dwellings or will not provide high bodily injury limits for automobile insurance.
3. Are they able to offer other services? Some companies can't provide "extras" such as inflation-guard for your homeowners, or car-pool discounts, multi-car discounts and driver training discounts for auto insureds.

INVESTIGATE... BEFORE YOU BUY. YOU DESERVE MORE THAN A PIECE OF PAPER FOR YOUR PREMIUM DOLLAR.

LEGION BUILDING — LOUDON

41 Recieve Caps At Red Cross Service

The Loudon County Chapter of the American Red Cross presented caps and pins to 41 women who have fulfilled the requirements for volunteer workers in the school health program.

The service was held at 7:30 p.m., Oct. 24, in the sanctuary of First Baptist Church, Lenoir City.

A program of organ music was presented by Mrs. Paul Schmied. The invocation was given by the Rev. Bill Middleton, pastor of Clinch View Cumberland Presbyterian Church.

The volunteers and the audience were welcomed by Mrs. Walter Shea Jr., chairman of volunteers. She introduced the Rev. Tim Hedquist, assistant pastor of First Baptist Church.

In his remarks Mr. Hedquist spoke of the multi-faceted Red Cross and that the name would have different meanings for a veteran, a natural disaster

victim or a school child. As the volunteers will work in the schools he urged them to "take seriously this opportunity to demonstrate to children the love and care that will impress them, not just with the Red Cross, but about adults in general."

Fred J. Smith, Loudon County Chairman, presented certificates to the volunteers. They received their caps from Mrs. Dave Vondy, general chairman of the school health program, and their pins from Mrs. Joe Grayson, city school nurse.

Mrs. Don Summitt, and Mrs. Robert Thomas lit the symbolic candles held by all the volunteers. Mrs. Harold Freedman, Mrs. James Bluford and Mrs. Glen Eller led the group in the pledge of service.

Those receiving their caps and pins will serve in the following school clinics:

Easton: Mrs. Charles

Duggan, Mrs. J.M. Fine, Mrs. James Fuller, Mrs. George Gardner Jr., Mrs. Bobby Harrison, Mrs. Maurine Hodge, Mrs. Earl Hudson, Nichols: Mrs. Terry Brown, Mrs. R.W. Haskell, Mrs. Timothy Hedquist, Mrs. Raymond King, Mrs. Ted McConkey, Mrs. George Miller, Mrs. K.W. Stephens, West Hills: Mrs. Marshall Arden, Mrs. Charlie Hines, Mrs. Donald Johnson, Mrs. J.C. Simpson, Middle School: Mrs. Jere Adams, Highland Park: Mrs. Joe Brannon, Mrs. Bobby Tadgett, Mrs. W.D. Price, Mrs. C.L. Smith, Lenoir City Senior High School: Mrs. George Galyon, Loudon Grammar School: Mrs. Edwin Arnold, Mrs. H.L. Bolt, Mrs. A.L. Bright, Mrs. Paul Edmonds, Mrs. B.D. Lankford, Mrs. J.L. Longmire, Mrs. C.B. Morris, Mrs. T.H. Nicholson Jr., Mrs. W.M. Gody, Mrs. Robert Richens, Mrs. Fred Sheppard, Mrs. Deloris Thompson, Mrs. W.G. Townsend, Mrs. Charles Wilson, Loudon Junior High: Mrs. Patricia Littleton, Mrs. Edward Parks, Mrs. H.A. Watson.

RECEIVES CAPS AND PINS—These ladies received their caps and pins after completing the requirements to work in the Health Clinics at Loudon Grammar and Loudon Junior High Schools. Those pictured are (front row) Mrs. B. D. Lankford, Mrs. Patricia Littleton, and Mrs. H. A. Watson, (second row) Mrs. Edward Parks, Mrs. T. H. Nicholson, Jr., Mrs. Fred Sheppard, and Mrs. Glen Eller, (third row) Chairman of the group, Mrs. James Bluford, Mrs. H. L. Bolt and Mrs. J. L. Longmire. The classes were sponsored by the Loudon County American Red Cross.

Inflation Hits Household Budgets In Loudon Area

As in other parts of the country, inflation has become the number one problem in Loudon County.

Local residents are watching apprehensively as their cost of living keeps rising and it becomes harder and harder to make both ends meet.

That the nation is suffering from a slump in business activity, some call it a recession, is generally acknowledged by most economists. The larger question is whether it is headed for a depression, which is a much more serious situation.

Not since the 1930's has there been a real depression in the United States. Most of the present population has no conception of what it was like. They were not around at the time.

No more than one out of every three people now living in Loudon County knows about it first hand. The others were born later or were too young then to remember.

As noted recently by U.S. News and World Report, it was a time when the national product plunged nearly 33 percent in four years. Stock market prices also collapsed, falling 89 percent in three years. Masses of people lost

their jobs.

However, a recurrence of these and other drastic happenings is considered most unlikely.

For the 1930 depression to repeat itself today, the unemployment rate in Loudon County would have to shoot to more than four times its present rate. At that time it reached 25 percent.

Families were poverty-stricken. Able-bodied men stood on "street corners peddling apples. Restaurants offered "all-you-can-eat" meals for 65 cents.

It was a time when personal income dropped 58 percent in four years. By way of contrast, net income per family has risen 16 percent in Loudon County in the past four years.

Although living costs are continuing to rise and interest rates are at an all-time high, the country is considered to be far from any such disaster as the 1930 depression.

Safeguards, such as were not present then, exist now. Workers are protected by unemployment insurance, by minimum wage laws and by Social Security. Their savings bank accounts are insured by the Federal government and their home loans are stretched out over a longer period.

16,700 Loudon Countians Are Of Voting Age

Will the events connected with the Nixon administration result in more Loudon County voters going to the polls next month because of their increased concern over the political process?

Or will more than the usual number stay away because of a feeling of disenchantment and frustration with politics in general?

No one can be sure what will happen. What is known, fairly accurately, is the number of eligible voters in the local area and in every other community across the country and how many of them have voted, if at all, in other years.

The picture has been brought up to date by the Department of Commerce, through a state-by-state study, just released, giving its estimates of the current voting age population.

In Loudon County, now that persons who are 18 years old and over are eligible, some 16,700 local residents, equivalent to 65.1 percent of the population, may qualify. This compares with 65.6 percent in the United States as a whole and with approximately 66.9 percent in the State of Tennessee.

Contrary to expectations, despite the fact that the 26th

Amendment made it possible for over 11 million 18, 19 and 20-year-olds to vote for the first time in 1972, only 5.3 million of them, 48 percent, did so.

What their turnout will be this year, for a non-presidential election, is anyone's guess.

As for the entire electorate, young and old, the Commerce Department states it has reached 145 million, an increase of 20 million since 1970, the last comparable election year.

Since 1962, it finds, there has been an overall decline in voter participation in non-presidential elections. In the South, however, a growing percentage of the population has been voting.

How much fence-jumping, from one political party to another, will there be this year? While there is no sure guide to what will happen, especially this year, some important light was shed on that subject in a study conducted some time ago by the University of Michigan's Survey Research Center.

It found that once a voter makes his choice of a political party, usually before age, 30, he generally sticks to it for life. Only one out of five switches thereafter.

Six Masons In 32nd Degree Session

Six masons from Loudon County are scheduled to begin classes in Knoxville Thursday, Oct. 31, leading to the 32nd degree in freemasonry.

Scheduled to receive the honor are Austin T. Daley of Greenback, Lester E. Gaston, James L. Hughes Jr., Kenneth R. Kinser and Robert L. Nelson of Lenoir City and Robert P. McNabb of Philadelphia.

They are sponsored by the Loudon County Scottish Rite Club. Robert W. Lee is president of the club, James A. Anderson is vice president,

Herbert O. Jones is secretary and Troy L. Aaron is membership chairman.

Scottish Rite Masonry is a fraternity that uses drama to teach ethics, moral and spiritual standards, basic religious and personal philosophy and the American system of constitutional government.

Charity projects of 32nd degree masons include fitting and distributing shoes for needy children of school age and supplying wheel chairs for people in need.

Ray Blanton on Commitment:

"Judge a man's honesty, experience and integrity...and you have measured his ability to serve"

Honesty in Government is more than just disclosing campaign funds. I am committed to serving the needs of *everyone* in Tennessee, not just select few. Tennesseans have contributed to my campaign because they *want* honesty in government, not political favors.

My open approach to government includes full disclosure of campaign funds and expenses. But more than that, it includes fair and honest treatment of everyone... man or woman, black or white, young or old, management or labor.

That is my commitment to you.

RAY GOVERNOR BLANTON

today's Democrat for the future.

Z.D. Atkins has done a lot for you in the last 10 years.

- Z. D. helped save AMTRAK Railroad service for Tennessee, and kept the much needed "Piggyback" rail freight service.
- He enforced rigid drug laws among truckers and removed over 500 dangerous offenders from the road for your safety.
- He keeps your utility rates down. PSC regulated telephone rates. For instance, have gone up only 20% in 10 years, while non-regulated TVA electric rates have gone up 80% in the same period.
- Z. D. has been acclaimed as a fair and impartial judge of what's right for everyone.
- Z. D. has helped maintain the Public Service Commission on a self-support basis, and will continue to do so. This action will save the taxpayers of Tennessee millions of dollars.
- Z. D. Atkins fully complies with the new Sunshine Policy and keeps his doors open to all news media, interested parties and the general public. In fact, he did so before the law was passed.

He's ready and able to do even more.

Keep this responsible voice working for you!

This Is Anna Belle Clement O'Brien

I am a Candidate for the Tennessee Legislature in Cumberland, Loudon, McMinn and Roane Counties!

YOUR FAMILY - and my family - can MAKE A DIFFERENCE IN our Community! I am proud to have been a part of the Clement Administration in Tennessee that brought us:

- First Educational TV System
- First Department of Mental Health in Tennessee
- First Industrial Development Council
- First AA Bond Rating - Saving on Interest Rates
- First Long-Range Planned Highway Program
- First Vocational-Technical School System - (Construction of Voc. Schools within a 30-mile driving distance from any point in the State)
- First Free Textbook System
- First removal of Mortgages from Welfare Recipients

MORE MONEY WAS SPENT ON EDUCATION IN TENNESSEE in one Term than all others in the history of Tennessee!

I WANT TO REPRESENT YOU IN THE TENNESSEE LEGISLATURE FOR IMPROVED GOVERNMENT!

Colvin Is Defensive Stalwart

Redskins Keep Unblemished Record In Tact With 20-7 Conquest Of Rebels

The Loudon Redskin varsity football team seems to have suddenly swept the county by storm. Unbeaten and untied in seven games to date, the Redskins are atop the Region II double-A standings and appear destined for a first round berth in the state playoffs starting November 22.

Loudon has two regular season games remaining and both are on the road. This week its unbeaten Rockwood (7-0) making its bid to gain a Region II double-A playoff spot. A win for either team will assure a call from TSSAA officials as to their good fortune and best wishes. Should Rockwood lose, their chances will rest with the regular season results of McMinn Central.

A Redskins loss would make the Alcoa game a must event for them to qualify for the playoffs. Rockwood will be classified in the A division next fall. Already two A class teams are on their schedule which has made it questionable as to whether they would finish with enough points in the standings to make the playoffs, even though their record will be one of the best in the area.

Coach Bert Ratledge was lashed by opposing coaches and sports writers as the team to watch out for in double-A play this fall, as early as August when the TSSAA sponsored coaches clinic and all star games were going on in Murfreesboro. Ratledge was optimistic to the fact and did not wish to have his team tagged for "Friday night brilliance" before the first game was even played.

The first game was even rained out and rescheduled at the end of the regular campaign, thus putting the Redskins into the limbo pit the following week with no other than the class AA defending state champs, Kingston. Loudon won 7-0 and have since improved over the weeks clipping opponents of high AA caliber from Knoxville, Blount County, Cleveland, McMinn County, Roane County and arch rival Lenoir City.

All the wins have been impressive but not overpowering. The Redskins seem to play just well enough to win each game with no one individual emerging as the team's "Mr. Standout", or player to stop if Loudon is to be stopped.

If Loudon is to be stopped in the regular season we feel the person or persons to stop is no other than the 18-year veteran himself Bert "Chig" Ratledge. Ratledge is a fox of the gridiron. He uses his players as that of a master chessman, knowing each ones potential and limitations, evaluating his opponent from the best to their weakest, and then presenting a game plan with will require a 100 per cent from his team and often times getting 110 per cent plus.

Not every season is a banner year. In 1972 the Redskins lost eight in a row. The margin of defeat was never so great but what they had could have been the victor. Yet Ratledge admitted in the 1972 spring practice his team lacked a lot of football talent and his opponents were of the toughest to be dealt with of any double-A schedule.

The Big Red Machine, better known to the immediate area as the Loudon Redskins, which in terms of seven past football victories might be classified as the "Mighty Redskins".

Loudon closed out their home schedule for the regular season Friday night by tromping over Region One power Maryville 20-7. The win was the Redskins' first over the Red Rebels on Dukes Field and the first home win over the Blount Couglans since the undefeated team of 1962 performed the feat.

Maryville drew first blood and may have put a gasp of wonderment into some of the capacity Loudon fans. But proving to be the poised team they are the Redskins answered back with three touchdowns, 13 first downs, and 319 yards of total offense as compared to the visitors 146 yards, 80 being on the 10 play first down scoring drive.

The Redskins started the game in a blaze of first down yardage. Marlon Brown had a 25 yard kick-off return and Dennis Queen unloaded a pinpoint 35 yard pass to Buddy Swiney to the Maryville 24 before the Rebels had much more than button their chin straps.

John Deathridge carried for five yards, Queen was sacked for minus four and on third down Queen uncorked a pass that was off target and easily intercepted at the 10.

Maryville was given a rude introduction to the Loudon defense as Kenny Skinner, Sam Lyle, Dickie Colvin, John Deathridge, Marlon Brown, and Mike Yates teamed to cut the feet from under the Red Rebel ball carriers.

Loudon again drove to the Maryville 32 only to have Sam Lyle punt into the end zone, missing the coffin-corner by a yard.

Maryville's offense took command from their 20 and in 10 plays had marched around and through the proud Loudon defense for a touchdown. The ground maneuver was the best to be executed on the Loudon defense this season. The Redskins had given up but 30 points in six games coming into the contest.

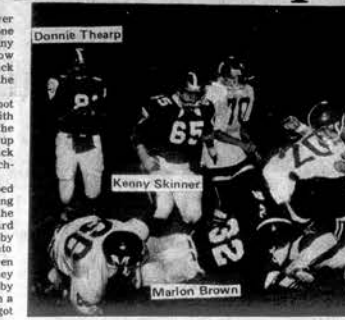

Loudon wasted no time in equaling the count as they took the lead with a 20-0 lead with 2:18 left in the period and paraded to victory on eight plays. The touchdown and 37-0 conversion coming just three plays and 53 seconds in the second quarter.

Dennis Queen rolled around right end for the TD and Kenny Skinner booted the conversion kick. John Deathridge's runs of 24 and 30 yards were the top efforts in the drive.

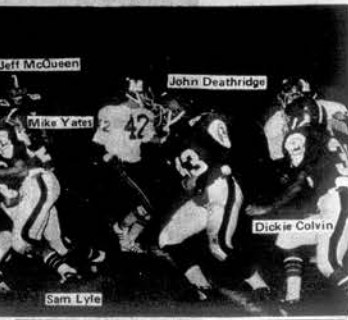

Maryville was caught at their own 16 yard line on the kick-off and three plays lost three yards as the Loudon defense regained its normal style of play.

Loudon, operating from their own 40 following a 47 yard punt, hit pay dirt once more in six offensive plays. Queen ran for seven yards, fullback John Deathridge carried twice for eight yards, Rick Melton scooted for nine yards as would-be tacklers tripped his jersey from his back, and a 33 yard pass to Sam Lyle placed the ball on the three yard line.

Dennis Queen dove over tackle to nose into the end zone for the touchdown. Kenny Skinner failed to follow through on the extra point kick and the ball sailed wide of the uprights.

REDSKINS ATTACK—The Loudon Redskin defense has eight of 11 players pictured within five yards of the Maryville ball carrier as Marlon Brown and Sam Lyle team to halt the rushing effort.

REDSKINS ATTACK—The Loudon Redskin defense has eight of 11 players pictured within five yards of the Maryville ball carrier as Marlon Brown and Sam Lyle team to halt the rushing effort.

placed blocking, both at the line of scrimmage and down field. The Redskins powered their way to the Maryville 16 only to have a clipping penalty spark the Rebel defense into checking Loudon on downs at the 20.

Maryville's defense had a short rest as the Loudon defense got the ball back on second down with Dickie Colvin battling for a fumble recovery at the Maryville 17.

John Deathridge caused the fumble by sacking the quarterback. Percy Campbell raced to the 12 on first down and Queen whipped a wind-whistler to Marlon Brown on second down (Continued on Page 12)

INTERCEPTS PASS—Bumper Webster (30) sheds off tacklers on a 12 yard return of a pass interception in second half action of the Loudon-Maryville football game.

ANKLE LOCK—Loudon's Rick Melton, who ran for more than 130 yards of offense against Maryville Friday night, is caught by the ankle and neck in an attempt to slow him down. Melton had his jersey ripped off his back on one run.

Knox Rule First To Make Grid Playoffs

Rule High School of Knoxville has become the first team to qualify for a berth in the 1974 TSSAA Football Playoff series. Rule has an 8-0 record and has only one game left on its schedule, Nov. 8, against Roane County High at Kingston.

Rule represents Region 1 of Class AA. Retron High of Kingston has a 7-0 record and may qualify for the other regional playoff berth with one more victory. Ketron plays Rogersville this week.

One other big game in Class AA that could determine playoff teams will find Loudon (7-0) at Rockwood (7-0) in Region 2 action.

The biggest game this week in Class AAA will be in Region 2 when undefeated Pathner Ryan (7-0) meets Nashville Hillsboro (6-2). Another top contest will find Tennessee High of Bristol playing host to undefeated Kingsport Dobyns-Bennett.

Tigers Tame Panthers With Long TD Jaunts 24-7

The Lenoir City Panthers continued to blossom with improved play and inspired effort, but neither their play or inspiration could halt the Rockwood Tigers from registering a 24-7 triumph.

	L.C.	R.Wood
First downs	12	9
Passes attempted	12	7
Passes completed	4	4
Passes had intcd.	0	2
Yards passing	74	37
Yards rushing	159	271
Penalties-yds.	8-85	9-54
Fumbles-lost	7-1	2-2
Punting-Avg.	5-35.4	2-21.3

Rockwood, who broke past the Lenoir City defenders for scoring jaunts of 60, 45, and 75 yards in the first half and then were restricted to a 25 yard field goal in the second half. Lenoir City was denied touchdowns on numerous occasions in both halves and with just one minute left in the game Mike McConeky plunged across the field for a 24-7 triumph.

Rockwood struck pay dirt on the first play from scrimmage with lightning quick quarterback Pat Cooley rolling right and when the Lenoir City defense surrounded him pitched wide to his trailing halfback and the race down the side lines was on. Lenoir City moved to the Tiger 30 on a fumbled punt recovery only to be stopped. A Tiger fumble following a pass reception gave Lenoir City the ball back for a second effort to tie the score. But the Tiger defense held again and from their own 10 the Tigers punched the ball out to their own 25 before springing the door open for a 75 yard touchdown scamper off right tackle.

Lenoir City was turned back at the Rockwood 30 on still another Panther drive and as the second quarter hit the midpoint the Tigers found an opening in the right side of the Panther defense and from 65 yards legged the ball home. The conversion kicks were all good for a 21-asp first half count.

The Panthers came up with their third fumble recovery of the first half late in the second period as Danny Hall claimed the pig skin inside the Rockwood 40. The Panthers marched to the 17 yard line but broke down on a penalty and a penalty pushed the Lenoir City offense back.

A Rockwood drive in the third quarter was highlighted by three 15 yard penalties, but Lenoir City dug in and the Tigers had to settle for a 25 yard field goal. Lenoir City's offense stood on the Rockwood goal line for the rest of the game as the Tigers checked the Panthers on downs at their two yard line and following a punt the Lenoir City offense was on the move again.

Stretching down the field the Panthers hit on a clutch fourth down pass to Walt Thaxton from Mike McConeky to keep the final drive alive. The Panthers continued to roll as the game slipped into the last minute of action. Mike McConeky plunged in for a touchdown from the one yard line. He also kicked the conversion effort.

Lenoir City actually played well enough to win, only to come home a loser. The Panthers got better running efforts from a host of ball carriers in the way of Walt Thaxton, Bobby Smith, Danny Hall, and Steve Porter than at any time this season. Mike McConeky quarterbacked a well planned control game that seemed to do everything right but cross the Rockwood goal line throughout most of the South.

The Panther defense was led by the tackling of Jeff Blakney, Jeff Walker, Smith, Curtis Monger, and Hall. LENOIR CITY 00507-7 ROCKWOOD 00708-2

Sign Up For Recreation Hoop Teams

Openings are still available in the Loudon recreation basketball leagues. Bill Birkholz, recreation director, said this week. Play in two men's leagues and one women's division will begin the first week of December. Birkholz emphasized that teams from all over the county will be accepted for play in the league.

Registration for the open league is \$35 per team and \$20 for each team in the restricted league. Women's teams can register for \$20. All applications and fees must be turned in to the recreation director's office at least one week before play starts. Registration forms may be obtained at Loudon City Hall or the Recreation office in the Old Loudon High School. Team rosters must be turned in 24 hours before play begins.

Panthers Play Tonight

Region II Unbeaten Clash In Tiger Town Friday

Many believe the Tigers' quickness assisted by a 100 per cent healthy ball team that has not fielded its number one backfield since the season opener will turn the momentum in favor of the Tigers.

Lenoir City will try to break their losing skid by playing on Halloween night (Thursday) in the Panthers final home game. Knoxville South will be the guest in a 8 p.m. kickoff. The Rockets are sizable favorites but Coach Henry

Blackburn's team looks better at this point of the season than at any other time. The Rockets could get surprised if the Panthers are tricking and don't treat them to the long gainers and turnovers other teams have feasted on this season.

ELUSIVE RUNNER-Junior quarterback Pat Cooley of Rockwood, who has scored seven touchdowns this fall, is pictured breaking into the clear on a roll out in the first quarter of play against Lenoir City Friday night. Danny Hall (22) of LC closes in at right.

Perfect Entry Wins Herald Grid Contest

For the second time during the 1974 Football Contest a perfect entry has won first place. This past week Bill Thompson of Philadelphia correctly picked all 10 winners and on the all important tie-breaker hit the exact number

of points scored in the Loudon-Maryville game, 27, Loudon 20, Maryville 7. The effort wins Thompson the \$12 first place cash. Three other contestants also picked all 10 winners and their placement in the cash awards was decided by the tie-breaker. Pat Foster had 28 points, one from perfect, to win second place cash of \$8. Bruce Eller of Loudon had 31 points, good enough for the \$5 third place prize. The only game winner Mary Stevens had 38 points on the tie-breaker, but did not win any of the \$25 cash.

Another state of 10 games is in the contest this week. The contest editors hope they have selected 10 games that will be played on Friday night. Many teams are playing on Thursday because of the school holiday on Friday. In the event any of the games listed are played Thursday they will not be used in the tabulation of the winners.

Auburn-Florida Clash Is TV Game

Tennesseans will get to watch the clash of unbeaten Auburn and once-beaten Florida on television Saturday. The American Broadcasting Co. says the game will go live throughout most of the South.

STEVENS, Conductor; Wm.T. FERGUSON, Sentinel; J.C. STEPHENS, Trustee; C.F. JENKINS, Trustee; C.N. COOK, Trustee.

INELIGIBLE PLAYER—The Loudon Redskin basketball team received a blow Monday when they were informed that star pivot man William Casler would be ineligible this season due to the fact he was in his ninth semester of high school work. Casler attended Alcoa and Lenoir City in his first year of high school and a transcript was never received when he entered Loudon High School as a sophomore. The senior will conclude his final year of studies and is expected to be among several spring graduates to be signed to a basketball college scholarship from around the area.

STARRITT RAMBLES—Freshman running back Freddie Starritt rambles for a sizable gain in Loudon's 25-0 win over a strong Robertsville Junior High team last Thursday night.

A trick or treat weekend will pit Region II unbeaten Loudon and Rockwood in the area headliner among high school football play. The Redskins must win to gain a berth in the state playoffs starting Nov. 22. The Tigers must win to have any chance at all of making the playoffs as they have two class A teams on their regular season schedule and thus cannot gain sufficient points in the all important standings to rate a playoff berth should they lose.

Lenoir will counter on the past play of their defense, although not tested by such outside speed by any of their past opponents, and the offensive execution of quarterback Dennis Queen, and his running mates Johnny Deatridge and Rick Melton. Game time is scheduled for a Friday night at 7:30 p.m. Greenback will be at home with Midway in a Friday night clash also beginning at 7:30 p.m. The Cherokeees will be trying to rebound from last week's loss to Charleston. The Green Wave have never defeated a Greenback team and will be only a three point favorite in this one. Coach Keith Bailey's team wants this one in hopes of a 500 finish.

make the score 20-0 at half-time. B.J. Moore intercepted a Charger pass and Chuck Johnson followed the play with a nifty 40 yard romp to the end zone. Moore finished the scoring with an 11 yard blast. Dennis Stuart hit on four of five extra point conversions.

On Thursday night the Loudon freshmen met Robertsville in what has been a spoiler for the Redskins for more seasons than not. But this year's Loudon eleven were ready. B.J. Moore traveled 42 yards in the opening stages of the game, and David Black padded the count with a pass

Loudon Freshmen Complete First Undeclared Season With 8-0 Mark

The Loudon Freshman Football team concluded their season last week with two victories and a perfect undefeated season of eight wins and no losses. The young Redskins, posting the first unbeaten

fresh work sheet in the school's history, closed out the year with a 34-0 trouncing of McMinn Central and a 25-0 handling of once beaten Robertsville Junior High of Oak Ridge. Loudon scored on their first

three offensive series in the McMinn Central clash. Freddie Starritt scored two touchdowns on a pair of 15 yard scampers. Jim Brown raced 35 yards in the late stages of the second quarter to

OCTOBER 31 1974

ANNUAL FOOTBALL CONTEST

The Herald Loudon County

12 BIG WEEKS

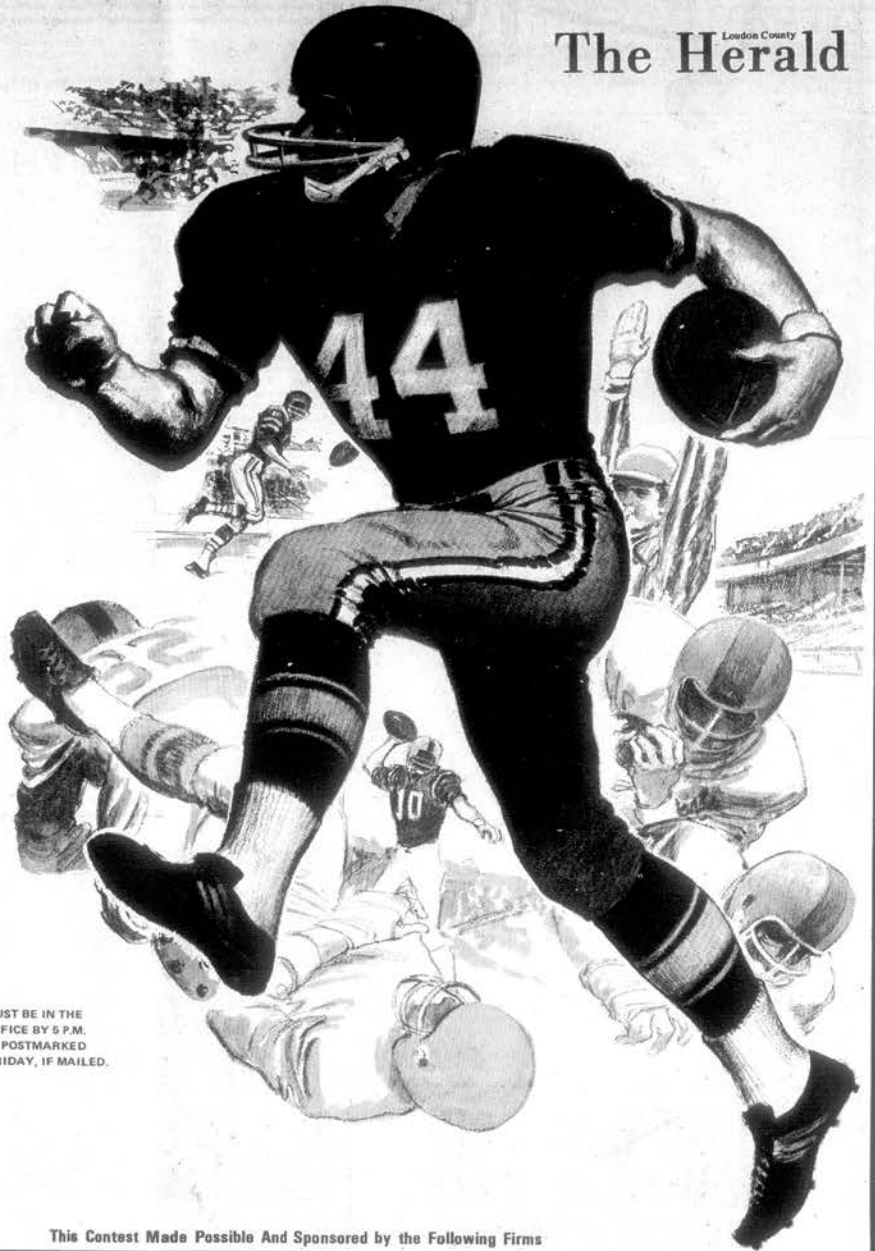

\$300 IN CASH PRIZES

\$25 Each Week

- *12 First Place
- *8 Second Place
- *5 Third Place

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees for their immediate families of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

ENTRIES MUST BE IN THE HERALD OFFICE BY 5 P.M. FRIDAY OR POSTMARKED BY 5 P.M. FRIDAY, IF MAILED.

Evans Hurt As Cherokees Are Toppled By Charleston 21-7

The Greenback Cherokees received the opening kickoff Friday night with Harold Hawkins racing some 52 yards before he was dragged down. The Cherokees continued to march with Jimmy Brooks powering across the goal to cap a 12 play 40 yard drive and give Greenback a 6-0 edge over visiting Charleston. The extra point kick was blocked. But the Cherokees were unable to protect their advantage as the Panthers battled back with a nine play 65 yard march that knotted the score and with 38 seconds left in the first period took the lead on a two point conversion pass. The Panthers then added 13 more points in the

four plays failed to gain a single yard. Greenback stopped Charleston at their own 33 following two first downs. The Cherokees crossed midfield only to be intercepted at the 42. Charleston could not move and Kyle Shepherd turned in a 16 yard run to the Charleston 38 as the first half ended. Both teams swapped punts in the second half with Charleston constructing a

The Panther offense came to life with a 35 yard run and a 36 yard pass making the ball on the Greenback 13. With 11:19 to play in the game and third down and five situation the Panthers hit pay dirt to end a seven play 78 yard drive. The conversion effort was stopped for a 14-6 score. Greenback made two advances at posting another score. The ensuing kickoff went out of bounds at the 40 and the Cherokees moved the ball to the 41 before Kizer was hit trying to pass and the ball was intercepted. Charleston drove 55 yards in 11 plays to put the game on ice with 5:07 to play. The TD coming from the six yard line. David Bessler returned the kickoff 20 yards and a 18 yard pass to Lynn Racker had the Cherokees in Charleston territory, but the Panthers managed to take over on downs at their own 35 and run out the clock.

The Cherokees not only lost the game but lost the services of senior co-captain and linebacker Kenny Evans. The defensive stalwart went down with a left knee injury in the first quarter of play and is not expected to be back on the gridiron. Jeff Tipton led the Cherokees in tackling with six tackles and 15 assists. Jimmy Brooks, Rocky Anderson, Kyle Shepherd and Danny Dodson also were defensive leaders. Brooks and Hawkins paced the offense with Brooks carrying 16 times for 52 yards and one pass reception to six. Hawkins had four pass catches for 51 yards and ran for 21 yards on seven calls for a total of 72 offensive yards.

Loudon Decks Rebs

(Continued from Page 8) to up the score to 19-7. Kenny Skinner split the uprights on the conversion for a 20-7 score with 4:34 left in the third period. The game turned into a punting duel in the final cant with Maryville's closest penetration being a fumble recovery in the final minute of the game at the Loudon 39. Loudon got as close as the Maryville 27 as Junior Bumper Webster intercepted a pass and returned it 12 yards. A clipping penalty and a fumble gave the Rebels the ball back preventing the possible score. Loudon never threatened after that and likewise the Red Rebels were held at bay until the clock, which at times refused to stop even when turned off, was exhausted declaring Loudon the victor. Loudon's balanced offensive attack was sparked by the running of Junior Rick Melton with 123 yards in 15 carries. John Deatridge, who played a whole of a game both offensively and on defense added 94 yards to the totals in 14 snaps. Dick Colvin was the defensive standout in the game with six tackles and 10 assists. The junior linebacker has been in on 66 stops to date to reign as one of the team leaders on defense. Deatridge, Brown, Skinner, Yates, Lyle, and Thearp were also very much an active part of the front line defense.

then be the best contender and play like the best in every second of every game, have pride and be a true winner. The line has not let him down to date. This is the best team in overall ability I have had at Loudon continues Coach Ratledge. We can do more things on offense and match a stout defense against any team on strength, in side running, out side quickness, or pass coverage. "We have not always been so fortunate. Even the 1968 champions had some weak points, but we seemed to make up for them on other phases of the game." Weak spots or not, champions to be, or just another good season still hangs in the balance. The spirits of the Redskin team are the best I have encountered since filling this column. The family like harmony is strong. School spirit is tremendous. Patron backing is massive and growing.

Eleven players have provided points for the Loudon offense. The Redskins have totaled 2631 yards on offense and given up just 1018. Their mistakes have taken a nose dive in the form of a confident and poised team. As for the initial team leaders "The Association" as they jokingly refer to themselves and by often times by their teammates, is carrying a corner of the seven pointed star for which a new edition will be sought Friday night. The Association is senior John Deatridge who has scored three touchdowns, rushed for 661 yards on 114 carries and taken part on 93 tackles; juniors Rick Melton, Marlon Brown, and Bumper Webster; and sophomore Greg Deatridge.

Melton has scored three TD's and in 76 carries moved the ball 578 yards. A defensive stalwart at linebacker, has been in on 66 tackles, carried the ball 27 times for 162 yards and scored once. Webster hauls as a tough cookie in the defensive secondary. He has intercepted two passes, scored a touchdown, and made several key tackles preventing long gains by opponents. Greg Deatridge is the team's punt return specialist and individual leader in Region II for pass interceptions with seven. He's scored a touchdown, been in on 27 tackles, and is the team's second best rusher with a 9.1 yds. per carry on five offensive chances.

While The Association is just five members of the Redskin squad they find their winning credentials no more instrumental than those of end and punter Sam Lyle, who has punted for a 42.2 average mark on 23 boos. Lyle also has scored three touchdowns on 12 receptions for 205 yards and leads the team in rushing yards per carry with a 10 yard average on five attempts. The senior tight end is also a head hunter on defense taking part on 51 tackles. Several have been for minus yardage in the opponents backfield. In the defensive scheme of the team junior linebacker Dickie Colvin continues to find his way into the opposing team's backfield and has took part in 96 tackles. His play against Maryville being his best to date with six tackles and 18 assists added to his season marks.

Kenny Skinner, Mike Yates and Donnie Thearp might decide to hang out a billboard in their corner of one of the victory stars. They have combined to make 168 tackles or better than a half of their opponents rushing attempts (216). Skinner has also converted 18 extra point kicks and made two field goals. Add the seven game play of seniors Dennis Queen, Buddy Swiney, Jeff McQueen, Terry Brown, Dennis Rowe, Billy Joe Presley, Rick Tucker, Raymond Watkins, and Bill Lollok, Ronnie Roberts, and Floyd Morton; Juniors Jeff Nichols, Steve Hill, and Purky Campbell; and sophomores Carter Cardew, Junior Gokun, and Sam Thearp and the Big Red Machine looks to be a sturdy structure that could not just be the toast of Region II but of the double-A teams of the state and on par with the best in the supposedly superior triple-A league.

This is not to mention the fact that the Redskin freshman posted the first unbeaten season in the school's history and will be carrying their success up to the varsity level this spring and for the next three years.

Coast Guard Lists Recall Of Boats And Motors

The Coast Guard has released its latest list of active recall campaigns for recreational boats and engines. In releasing the list, Rear Admiral J.F. Thompson, chief of the Coast Guard's office of boating safety, emphasized that the majority of these campaigns, and the 63 campaigns which have been completed since the program's initiation in 1971, have been undertaken voluntarily by the various manufacturers without Coast Guard prompting.

Thompson further stated that the excellent campaign completion rate which the Coast Guard has observed is a direct indication of the boating industry's concern for the safety of its products and the safety of the recreational boater. "As the boating season draws to a close in many regions," Thompson said, "preparations for winter storage are imminent, boat owners having a specific boat or engine described on the list are urged to take it to a dealer for inspection, if this has not already been done." A partial list of the boats and engines needing to be checked is listed below.

- OUTBOARD MARINE CORP. all 50 hp through 125 hp 1973 models, for marine control.
 - OUTBOARD MARINE CORP. all 50 hp through 125 hp outboard motors with single remote lever 1973 models, for timing lever.
 - OUTBOARD MARINE CORP. all 50, 60, 80, 115 and 135 outboard motors, 1973 models with electric start, for reverse shift mechanism.
 - OUTBOARD MARINE CORP. all 9 and 13 hp 1974 models, for throttle return spring.
 - MERCURY MARINE LTD. unit, model 120, serial numbers 340778 through 357079, 1.7 units, model 140, serial numbers 346222 through 346441, 1973 models, for support of fuel line.
 - MERCURY MARINE in-board and 1-engine, three model numbers, with serial numbers 215MCM, 223 MCM, 225 MCM, bus serial numbers, before 196272, 264070, 264074, 2524311, 1974 models, for timing lever.
 - GLASTON BOAT CO. V-315 94 units having serial numbers 90149 and 90338, 1973 models, for propeller wiring of ballast wires.
 - TOM BOY LTD. 156, 1974 model, for trimmer wiring of ballast wires.
 - TIDE CRAFT 16-foot touring motor, SPL, 1974 model, for insufficient flotation.
 - TENNESSEE VALLEY FIBERGLASS Challenger, Mark II, 1974 model, for insufficient flotation.
 - MUSTLER-156D, 1973 and 1974 models for insufficient flotation.
 - STARCRAFT 19 and 21 Marlin, 16 Bill Dance Pro, Bassmaster DLK, Bassmaster STD, bass boat model, 16 Cup Bass Boat, and 16 Cup Chris Schenckle Bass Boat, 1973 models, for seat belt and centerline strap.
 - RANGER BOATS DIVISION 14 models, for seat belt and centerline strap, for maximum weight capacity.
- This list covers about all the boats and engines sold in this part of the country. If you have doubts, check with your dealer or the Coast Guard for a list of products on the recall.

LOOKING AHEAD—Greenback's Harold Hawkins, who had a full night of running, pass receptions and kickoff and punt return yardage to his credit, evades a Charleston would-be tackler for a first down on this play.

OUTBOARD MARINE CORP. (JOHNSON, EVINRUDE) all outboard motors with electric

Speaking Of Sports . . .

(Continued from Page 8) career has been with productive results at Kingston, and as head coach of Erwin, a school that must compete with a triple-A powers of the Upper East Tennessee region known as the Big Seven Conference. Gibson has taken charge of the defense. He calls the signals when the yardage is most critical to the opposition. In more times than memory can relate, Gibson's defensive front wall has stopped the opposition cold with only inches to be gained. They have given up just 37 points, less than a touchdown per game. Gibson told his troop on the eve of their first regular season game, "If you are to wear the label of a contender,

FIVE GENERATION FAMILY—Pictured at a recent birthday celebration in honor of W.O. Watts on his 90th birthday are five generations of the Watts family. They are (left to right) W.O. Watts; his son, Homer Watts; grandson, James (Tater) Watts; great-granddaughter, Mrs. Rebecca Watts Johnson and his great-great-grandson, Shane Johnson.

Watts Honored On Birthday

Mr. and Mrs. Reed Strickland of Madisonville, honored her grandfather, W.O. Watts of Loudon and her aunt, Mrs. Boyd Duckworth, Philadelphia, with a birthday dinner at their home recently. Mr. Watts celebrated his 90th birthday. Those attending were Mr. and Mrs. Boyd Duckworth, Arthur Leo Giles, Mr. and Mrs. B.J. Millsaps, Joe, Andy and John, Mr. and Mrs. J.L. Millsaps, Mr. and Mrs. Homer Watts, Gary and Kristi, all of Philadelphia; Mr. and Mrs. James (Tater) Watts, Jimmy, Bobby, Darrell and David McGinnis, W.O. Watts, Mrs. Reba Tinker, Mr. and Mrs. Robert Robinson, Pam and Tammy, all of Loudon; Mr. and Mrs. Jerry Johnson and Shane of Loudon City and Mr. and Mrs. Reed Strickland, Allen and Julie and Jamie Watts of Madisonville.

Letters to the Editor

Dear Sir:
I was shocked to learn that the Tax Reform Act of 1974, now being considered by the House committee of Ways and Means would require an income tax on V.A. service-connected disability compensation and also Military retirement disability pay. If this matter is passed it will affect over 1/2 million widows and survivors who are now receiving service-connected death benefits from the Veterans Administration. This does not include the living veterans who did fight for their country and did not desert their duty or run from the country to avoid the draft. I am asking my friends and neighbors to join me along with other disabled veterans in voicing a strong objection and concern against this matter. Write your Congressman at the following address:
House of Representatives
Washington, D.C. 20515
Sincerely,
James E. Stewart

MR. BABB
Charles Iburn Babb, age 70, of Loudon City, Route 2, died Monday, Oct. 28 at Loudon County Memorial Hospital after a brief illness. He was a semi-retired carpenter. Survivors: widow, Mattie Helms Babb; sons, Willis (Buddy), Atlanta, James of US Air Force, S.C., Charles of US Army, Kentucky, Harvey of Crossville, Billy, at home; daughters, Mrs. James (Pat) Tate, Loudon City, Mrs. Albert (Wanda) Furlong, Ky., Mrs. Larry (Sandra) Schrimpsier of Loudon City; 11 grandchildren; sisters, Mrs. Jamie Shadwick, Mrs. Hessie Allison, Loudon City; brother, Owen Babb, Loudon City.

\$1.7 Million Sought For School Buildings

(Continued from Page 1)
building program. The feeling left by the budget committee was that if the tax payers agree with the need for the program it would be possible. No estimate was made of the overall cost of the five year program, but observers said it could easily hit \$10 million. Vocational School The site for the proposed \$1.6 million state funded County Vocational School was discussed at length with the budget committee asking that the joint Loudon City-Loudon County Steering Committee look at all the sites again and see if one can be purchased

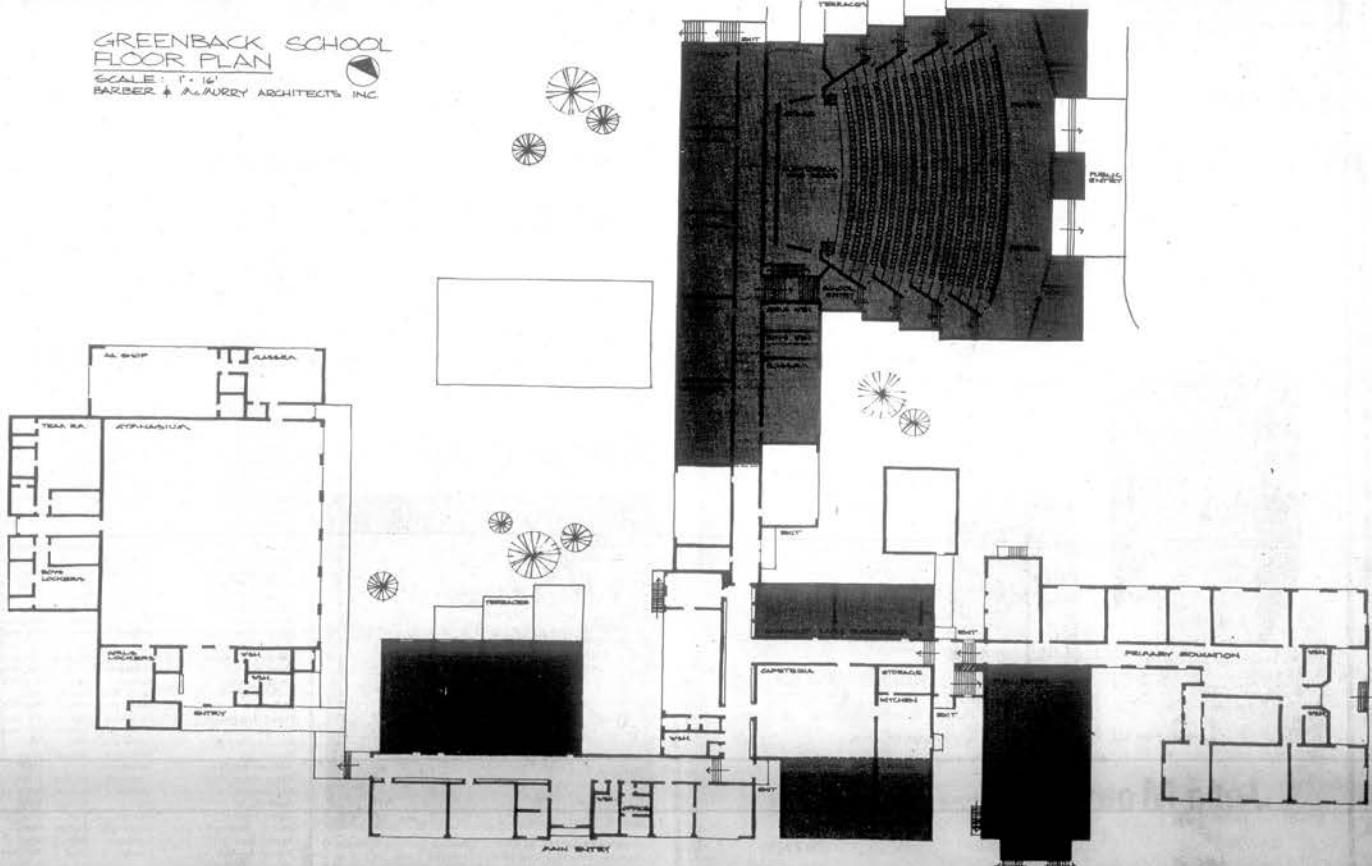

without condemnation. The board had reported that the three primary sites, owned by Doug Williams, Carl Alford and David Jones all would have to be condemned. A recommendation had been put to the entire court to condemn the Williams property for the school but the court delayed action. Loudon real estate agent Betty Pope of Loudon Properties spoke to the Thursday night meeting stating that property of James Fine, adjoining the three other sites was available at \$3000 per acre. She said if the county wanted 15 acres for the site it could select any part of the 58 acre farm and the disputed state claims that a sewage

pump station would be required for the site. The possibility of a fifth site was introduced. The property is East of the Williams property and is owned by Quintice Mills. All the sites are just a short distance from Loudon City High School. To Attend Meeting Superintendent Headlee was given permission to attend a weeklong seminar on community education at Flint, Michigan in mid November. He explained that the trip was paid for by the state and that the State Education Department is pushing hard to develop a community education concept in the state and for this reason he thought he should attend.

JUNIOR HIGH ADDITION—This architects drawing shows the proposed addition of a gymnasium-auditorium and five classrooms to Loudon Junior High School. The drawing (with new construction areas shaded) shows only four classrooms. The fifth is on the lower level. The proposed cost of the addition is over \$750,000.

GREENBACK SCHOOL FLOOR PLAN
SCALE: 1" = 16'
BARBER & MAURRY ARCHITECTS INC.

GREENBACK BUILDING PROPOSAL—The shaded areas show where new construction of six classrooms, and an auditorium are planned at Greenback. The architects drawing also shows a conversion of the present auditorium into a library and an addition to the cafeteria and remodeling of the old gym for an elementary school physical education room. The addition is expected to cost almost \$1 million.

OCT 31 1974

Salary Lawsuit, Personnel Plan, Schools On County Court Agenda

A continuing discussion of several matters before County Court at their last meeting is expected at Monday's monthly meeting of the body.

On Judge Bill Russell's agenda, the controversy over salary lawsuits, the county personnel plan and a proposed bond for road repair by contractors are on the agenda. A recommendation from Superintendent of Education Edward Headlee on a five-year school building is expected along with plans for additions to Greenback and Loudon Junior High schools.

Judge Russell will report on the Citizens Committee he has established to help advise county court.

The full agenda for the meeting which is set for 9 a.m.

In the courtroom at the courthouse Monday is as follows:

1. Opening of Court, pledge of Allegiance, prayer and roll call.
2. Reading and approval of the minutes of the October meeting of the Court.
3. Recognition of visitors and delegations.
4. Open Discussion - (This is the time for any visitor or delegation to state any business which they may want to take up with the quarterly Court, and make any statement or discussion about any item in which they are interested which is on the stated agenda.)

County Judge

1. Reports of County Officers, Departments and Committees.
2. Salary Lawsuits.
3. Report on Personnel Plan matters.
4. Report on Citizens Committee items.
5. Energy Committee report.
6. Planning Commission.
7. General report concerning Planning Commission activities.
8. Public hearing on rezoning.
9. Road repair bond - carryover from last meeting.

Highway Department:

1. Philadelphia Road Report.
2. Sogar Limb Road Report.
3. Design money for Moxley Creek Road.

Department of Education

1. General Report.
2. Little Tennessee Valley Educational Report.
3. Report on Vocational School site.

Justice Center

1. General report from Loudon County Law Enforcement Agency Board.
2. Report on Communication Center.

Purchasing Committee

1. General report.
2. Hospital Report.
3. Budget Committee Report.
4. Budget Amendment.
5. Election of Notary Publics.
6. Adjournment.

William H. Russell
COUNTY JUDGE

PHILADELPHIA HOME DAMAGED—One bedroom of the Troy Ward home at Philadelphia was damaged by fire Sunday morning. Some of the furniture taken from the room is shown outside the home after the Philadelphia Fire Department put out the blaze. The fire was believed to have been caused by a portable electric heater. The remainder of the house sustained smoke damage but the family was not forced to move out. Ward is employed at BarKnit Mills in Philadelphia.

Brummitt Captured In Georgia

A Lenoir City man who jumped bond over three years ago is back in Loudon County Jail. Tommy Brummitt was arrested in Jonesboro, Ga., below Atlanta, last week on a hit and run charge.

Authorities there checked his name through the National Crime Information Center and found he was wanted in Loudon County.

Brummitt, who was charged with breaking and entering and receiving and concealing stolen property, was awaiting a Grand Jury hearing when he left the state on Sept. 32, 1971.

Sheriff Guy Russell went to Georgia over the weekend and returned Brummitt here.

Loudon County School Superintendent

Building Program

In a called meeting of the Loudon County Board of Education last Thursday the Board approved a revised building program that includes the various areas of Loudon County. They heard a report from the architect on the two projects that are currently under study. The budget committee of the County Court was also present to hear the report. These two projects will be presented to the whole County Court at their regular meeting on Monday, November 4. The revised building program will also be presented for the Court's consideration.

S. A. G.

The Superintendent's Advisory Group meeting scheduled for Monday, November 4 has been postponed due to conflicts in scheduling. It will be rescheduled for a later date.

Remember that the County Schools will be closed this Friday, November 1 for the annual E.T.E.A. meeting at the University of Tennessee. The schools will also be closed for Election Day on Tuesday, November 5. Sorry, parents. Students, enjoy it.

Reading Program

The Reading Resource Teacher has been selected pending approval of the Board of Education. Interviews are now being held for the selection of the side position. These two people will be receiving in-service training sometime during the month of November and will begin in-service for the local teachers shortly after that. The program is scheduled to begin for the students by January 1, 1975. The in-service for the local teachers in grades 1, 2, and 3 will require at least three and maybe as much as five days. This means that those children in these grades will remain at home for the period in which their teachers are involved in the local in-service program. We hope that this inconvenience to parents will be outweighed by the benefits of the new program.

Notice Of Applications for Absentee Ballots

JOHN O. GIBSON, CHAIRMAN
LOUDON COUNTY ELECTION COMMISSION

CORNETT HOME BURNS—The home of the late Henry Cornett, who was murdered earlier this year, burned to the ground about 3 a.m. Wednesday morning. The Loudon County Rescue Squad was called to the scene after the sheriff's office was notified of the fire by James Cornett who lives across the road from his brother's house. When firemen reached the house the roof had already fallen in.

Candidate for
Governor

□ Lamar is deeply concerned about the problems facing the working man and his family. He believes we must increase emphasis on attracting industry with higher paying jobs and intensify our vocational training programs to provide bigger paychecks for Tennesseans.

□ Alexander believes we must act at once to get inflation and the high cost of groceries and other necessities under control. This will take a cooperative effort between all of our states and the federal government to eliminate all unnecessary programs and wasteful spending.

□ Lamar is an eighth generation Tennessean who grew up in Maryville. His parents, Andrew and Flo Alexander, were both school teachers. From them, Lamar has inherited a deep respect for the old-fashioned values which have made our state and nation great.

□ The wholesome family life of the Alexanders is a source of strength and a moral force that undergirds Lamar's character and his actions. Shown are Money, with new daughter Kathryn, Leslie (2), Lamar, Drew (4) and the faithful family guardian, old "Squire."

□ Lamar Alexander brings exceptional qualities of leadership and governmental experience to his candidacy. He was chief executive officer during the transition between the administrations of the last two governors and a valued aide to Senator Howard Baker.

□ Lamar wants to move quickly to meet the problems of the 600,000 Tennessee Seniors, living on fixed incomes. Relief in the form of elimination of sales tax on prescription drugs, tax on securities income and increased exemption on homestead taxes are all high priority goals.

NOVEMBER 5 VOTE FOR LAMAR ALEXANDER FOR GOVERNOR

Jane let the cat out of the bag.

It's been called the forgotten office. The Public Service Commission. The state-wide elected office that has more to do with your pocketbook than any other elected position in Tennessee.

But Jane Hardaway's candidacy has stirred people to ask questions about the PSC. Because Jane is asking her opponent questions... like...

- Why closed meetings to conduct the public's business?
 - Why not bring meetings to the communities?
 - Why not more advanced public notice on rate increase requests by the utilities regulated by the Commission?
 - Who does the Commission represent? Industry or the Consumer?
 - Why not a Citizens Advisory Council to review actions of the PSC?
- Jane Hardaway has made it her business to shed new light on the Public Service Commission. Because she believes the PSC is the public's business.

Jane Hardaway is a businesswoman with the perspective of a housewife. And you can't beat the combination.

**VOTE HARDAWAY

ROSS H. WILSON,
Superintendent
Lenoir City Schools

The III Personnel VITE MATCH PROGRAM

Music Appreciation Through Community Help, Title III music program in Lenoir City Schools, was visited last week by members of the supervisory staff from the State Department of Education. Since the program is to be evaluated at the end of the first year of operation, the State Supervisory Staff is mostly concerned with evaluation as outlined in the project. It is anticipated that the project will be a three year program and will be funded at the end of each year. Continued funding, of course, will depend on whether or not the proposed objectives are met each year.

On the day of visitation by the Supervisory Staff a group of choral singers from Doyle High School in Knox County gave a musical demonstration. Many groups have performed already from outside the school and one of the unique features of the project making it rather innovative is bringing into the school the various musical talents of the community.

The project will continue to be visited during the year by personnel from the State Title III Office, and I am sure that Miss Kay Lovett, Director of the Project, and her Aides will benefit greatly from this assistance.

Work Study Program For Vocational Students

The Work Study Program for Vocational students should get underway during the early part of November. This program provides an opportunity for needy students to earn some money while attending high school. During the past two years Lenoir City has received approximately \$2000 each year for needy students who have qualified for the program.

Mr. E.A. Gray, Supervisor of Work Study for the State Department of Education, was in Lenoir City last week and advised that applications should be submitted by those students who feel they can qualify for the program. Employment under the Work Study Program will be furnished only to students who meet the following conditions:

1. Must be enrolled in a vocational program and be in good standing in the program.
2. Must be in need of the earnings from such employment to continue their vocational program.
3. Must be at least 15 years of age and less than twenty-one years of age at the date of the commencement of employment.
4. Must do satisfactory school work while employed on the program.

Students enrolled in the Work Study Program can work up to a maximum of 15 hours per week. The maximum amount of earnings shall be no more than \$45 per month or \$350 per academic year. Any student interested in working on this program should secure a formal application form Prof. Guffey, Counselor at Lenoir City High School, and fill out the application completely and have parent or guardian sign application. Applications that are not complete and bearing signature of parent will not be considered for employment.

Lenoir City Teacher Of Year To Be Honored

The Lenoir City Teacher of the Year as well as East Tennessee Development District Teacher of the Year, Prof. Joe Spence of Lenoir City High School, will be honored at a banquet at the Holiday Inn (Vanderbilt), Nashville, on November 11 when the State Commissioner of Education, Dr. Benjamin E. Carmichael, announces the Tennessee Teacher of the Year for 1973. Certificates will be presented to Prof. Spence and hope that he will be the 1973 Tennessee Teacher of the Year.

Last year Lenoir City's Mrs. Johnnie Littlefield was the East Tennessee Development District Teacher of the Year and competed for the state honor. A Nashville Metropolitan teacher won the state honor.

Obituaries

MR. KEENER
James Carl Keener, age 64, Hillcrest Drive, Lenoir City, died Tuesday, Oct. 22 at his home. He was of the Baptist faith, member of the Union O.V.A.M., owner and operator of Keener's Restaurant.

Survivors: wife, Mrs. Lora Bell Keener; two sons, James Eugene and Carl Fred, both of Lenoir City; two grandchildren, Jimmy and Tim; daughter-in-law, Pat Keener, Lenoir City; mother, Mrs. D.O. Keener, Lenoir City; three sisters, Mrs. Gertrude Garner, Mrs. Zola Baker, both of Lenoir City and Mrs. Jesse L. Hope, Huntsville, Ala.; several nieces and nephews, including niece Debbie Jane Carr, of Tremont, Ill.

Funeral services were held Thursday at Click Funeral Home Chapel, Rev. Wayne McMillan and Rev. J.E. Hurd officiated. Interment, Lakeview Cemetery, Click's, Lenoir City, in charge.

MRS. STONE
Mrs. Fannie B. Stone, of Knoxville, daughter of the late Rev. and Mrs. John Henry Starline, died Friday, October 18 after a lingering illness. Survivors: two nephews, Roscoe Swartz, Harlan, Ky.; Hugh A. Moulden, Detroit, Mich.; two devoted nieces, Mrs. Mary C. Smith, Concord, N.C.; Della M. Horton, Nashville, several great nephews and nieces.

Funeral services were held

Saturday, Elder T.W. West officiated. Burial, Pleasant Forest Cemetery, Hawkins, Lenoir City, in charge.

MR. BROWN
Lonnie Brown, age 76, of 827 Summer Street, Lenoir, died Monday, Oct. 21. Veteran of World War I.

Survivors: son, Elmer of Lenoir; five grandchildren.

Funeral services were held Wednesday at Blairland Baptist Church, Rev. Bernard Courtney officiated. Burial Simpson Cemetery, Lenoir, Click's, Lenoir City, in charge.

MRS. MCCOLLISTER
Mrs. Ollie McCollister, age 88, Route 1, Lenoir, died Tuesday, Oct. 22 at UT Hospital. She was a member of Riverview Baptist Church. Survivors: husband, Floyd, Lenoir; daughter, Mrs. Phyllis Selvidge, Loudon, sons, Randall, Harold and Jerry, all of Lenoir; sisters, Mrs. Stella Curtis, Georgia; Mrs. Kate Gribble, Maryville; Mrs. Lucile McCracken, North Carolina; Mrs. Susie McCollister, Mrs. Mildred

Lawhorn, both of Loudon; brothers, Walter Hyde, North Carolina; Arthur Hyde, Loudon; six grandchildren. Funeral services were held Thursday at Blairland Baptist Church. Rev. Bernard Courtney and Rev. L.L. Davis officiated. Interment, Loudon County Memorial Gardens, Karnes Funeral Home, Loudon, in charge.

MR. WEBB
G.G. (Grant) Webb, age 80, of Route 1, Lenoir, died Friday, Oct. 25 at Loudon County Memorial Hospital after a lingering illness. He was a member of Vaughn's Chapel Church.

Survivors: one daughter, Mrs. Imogene Webb Hooker, Chattanooga; three sons, Troy L. Webb of Pico Rivera, Calif.; Glenn H. Webb, Dawney, Calif.; Leonard G. Webb, Knoxville; a sister, Mrs. Harvey Belcher of Madisonville; 19 grandchildren; six great-grandchildren. Funeral services were held Sunday at Hawkins Chapel, Rev. Hugh Coty and Rev. Gene Russell officiated.

Interment, Lakeview Cemetery, Hawkins Funeral Home, Lenoir City, in charge.

MR. BRIGHT
Luke Lee Bright, Sr., age 92, died Friday, Oct. 25 at his home in Charlotte, N.C. He was born in Monroe County but had lived in Charlotte for 47 years.

Survived by: wife, Della Bright; six sons, Erkin Bright, Lakeland, Fla.; Tom Bright, Bryson City, N.C.; Luke Lee Bright, Jr., Lenoir City; Clayton Bright, Asheville, N.C.; Glenn Bright, S.C.; Ohio, Melvin Bright, Charlotte, N.C.; five daughters, Mrs. Mollie Lowery, Lenoir City, Mrs.

Myrtle McCune, Fillmore, Calif.; Mrs. Naomi Auten, Mt. Holly, N.C.; Mrs. Edith Rodden and Mrs. Mildred Europa, both of Charlotte; step-daughters, Mrs. Laura Smeltzer, Mrs. Neale Mullins and Mrs. Edna Lawling, all of North Carolina; sister, Mrs. Bertha Fowler, Rossville, Ga.; 42 grandchildren and numerous great-grandchildren; nieces and nephews. Funeral services were held Sunday at Mt. Zion Baptist Church, Monroe County, Rev. M.E. Hunt officiated. Burial, church cemetery, Hawkins Lenoir City, in charge.

MRS. YEAROUT
Maggie N. Yearout, age 72,

of 614 West 2nd Avenue, Lenoir City, died Saturday, October 28 at the Recovery Center of Knoxville. She was a member of Bible Baptist Church.

Survivors: daughter, Flora Murley, Newport; son, William H. Yearout, Lenoir City; four grandchildren, Priscilla Yearout, Carol, Dede and Thomas Eugene Justice; half-sister, Mrs. Clara Ellison, Lenoir City. Funeral services were held Monday at Click Funeral Home Chapel, Rev. T. M. Cody and Rev. Clarence Sexton officiated. Interment, Lakeview Cemetery, Click's Lenoir City, in charge.

NEW DIRECTOR—Prominent Loudon County dairyman Hugh Hickey (right) has been elected by local dairy farmers to the Board of Directors of the Tennessee Valley Division of Dairymen, Inc. Hickey succeeds A.J. Smith (left) who did not seek re-election to the post. Hickey operates a dairy farm in the New Hope Community on Pond Creek Road. He and his wife, Junita, are the parents of three daughters, Margie Perkins, Teresa and Carolyn Hickey.

Harold, call the home office.

We have a promising new account in Las Vegas. And it's all yours, Harold. Of course, there's the austerity program and the gas situation. So instead of going to Las Vegas, you'll make your sales calls by long distance. That saves a lot of expense. And anyway, Las Vegas could ruin a man. Couldn't it, Harold?

Get things done by long distance. Dial your calls the 1+ Way. It's the cheapest way to travel.

ATTEND CHURCH
PARENTS' RESPONSIBILITY
"Train up a child in the way he should go and when he is old, he will not depart from it." Proverbs 22:6
Ask anyone what his most precious possession is, and he will almost invariably say, "My children." The desire for the welfare of our children enable us to "love motivation." We will do anything, give them anything, if we think it will help them.

Swiney Named Scout Executive

Mike Swiney, son of Mrs. Bernie Swiney of Loudon, was recently named the Yuchi District Scout Executive for the District of Russell County and Smiths Station, in Phenix City, Alabama.

Russell McLean, Scout Executive with the Chatahoochee Council of Alabama stated, "We feel very for-

tunate to have Mike join our professional staff. With his previous experience as a volunteer leader in Scouting, he will be able to share with the leaders his many successful experiences to bring a bigger and better Scouting program to the Yuchi District.

Mr. Swiney, a native of Loudon, was a Scout himself, having achieved the rank of Eagle Scout. He has worked as a waterfront director for several summers and was camp director of the Blue Ridge Mountain Council in Southwest Virginia.

Mr. Swiney earned his B.S. Degree in natural science from the University of Tennessee in 1971 and his M.S. in recreation administration from UT in 1974.

He formerly taught his school science in Dublin, Va. and most recently was employed by the Knoxville City Recreation Dept.

He is married to the former Susan Whaley of Maryville

We were pleased this past week to receive a very good basketball picture for the Good Old Days. Of course, as is always the case, the pictures we receive starts us to thinking back about things related to them. Basketball has been a sport that dates back further in our school sport history than does football. I could be wrong in this but I believe we had a school owned football field. As I recall we played football in Loudon's baseball park at first. This old park was located in the 600 block of Ferry Street but Ferry Street ended at the baseball park and didn't extend out as it does now. The other end of Ferry Street began just beyond where the John Hooker home now stands. Anyway, this was where Loudon played its football games in the open field. As we recall, we already had the gym at the High School which was then located where the grammar school is now. The interest in football was to grow in the forthcoming years to what it is today and basketball interest was also in for a very pronounced interest growth through the efforts of Albert Dukes who came to Loudon to assume the role as principal of

Loudon Grammar School I am not sure who owned the old baseball field where Loudon played its early football games but I don't believe it was owned by the County School System. Maybe someone can enlighten us on this.

All our thinking about this was motivated by a picture we have of a Loudon basketball team. This was one of many that was coached by Mr. Dukes. Those who we can identify are Katherine Wilson, Shirley Jenkins Moore, Jo Ann Watkins Moore, Mr. Dukes, Sue Jacobs Brewer. Our many thanks to Mrs. Laura Jenkins for the loan of this picture.

We were wondering since we began writing this if there was any outside basketball

played before we got our first gym. I recall the hoops and backboards that stood in back of the school house and somehow I want to think we played some outside games in those days. Danny Gibson, our sports editor, said sometime he would like to write a history of football at Loudon. Maybe the history behind basketball would be equally as interesting to our Loudon people.

The McCollister boy in last week's picture has been identified as the late Harold McCollister.

Our other picture this week is one of interest because it involves people we, from the Good Old Days, all know. Cars

picture, maybe not anything specific, just that someone had a camera and wanted to snap this picture. Regardless, these boys and others will possibly get a kick out of this picture. Our good friend and ardent Good Old Days fan, Ed Matlock, loaned us this picture. He told us about having it and we kept reminding him until he finally looked it up for us. Our many thanks to Ed. The boys in the picture are Tom Nichols, J.B. Winkle and Jack Leffer.

We were listening to some fellows talking the other day about their hobo experiences years ago and some of the unusual experiences they had with the railroad detectives who tried to throw them off the freight trains. We noticed that today you never see a hobo on the trains that pass through Loudon. We thought back to the time when a train passing through would have a dozen hobos sitting in doors of empty box cars or sitting on top of the freights. Many times the passenger trains would have some riding the blinds (which was between the passenger cars). They would usually get off on the back side of the train when it stopped at the station. I suppose the absence of the hobo is an indication of the changed times.

SIGNS OF THE TIMES

The question has been coming to us over and over again, "Why all the Blanton signs, and so few Alexander signs and posters?" The truth is that hundreds of Republican Party posters have been removed from private property and hauled away by the truck loads, while the opposition Party signs remain almost untouched.

The Loudon County GOP is standing behind its party slogan, "Government of the people, for the people and by the people," and we cannot condone the actions of anyone hurting the people's rights or their property. We know what is happening and we believe the voters of Loudon County know what is going on, and WHO and WHY such tactics are being done.

We believe that the voters of Loudon County will support Lamar Alexander for Governor, being a man raised and whose parents still live in nearby Blount County regardless of the few posters that are allowed to remain standing during the final weeks of this campaign.

Loudon County Republican Executive Committee
 Edwin H. Arnold, Chairman

SAFE LOCKED, MONEY GONE—Sheriff Guy Russell and Deputy Jake Chapman look at a floor safe at Anderson's IGA at Loudon which was looted last Wednesday night. When employees opened the safe Thursday morning, it was locked, but the nearly \$6000 inside was gone.

\$6,000 Taken From Anderson's

Loudon County Sheriff Guy Russell, FBI Agent Leon Miller and District Attorney's Investigator Clarence Robbins are still trying to find out what happened to nearly \$6000 that disappeared from a locked, hidden floor safe at Anderson's IGA at Loudon last week.

Sheriff Russell said that Wednesday night store employee Bill Roberts placed the money in cash, checks, and food stamps, in the safe and locked it in the presence of other employees.

When Roberts opened the safe Thursday morning it was empty. The safe is located in

the main part of the store close to the check-out counters. It is under the floor of the building and is generally covered by a merchandise display. Roberts said he noticed the display case was not just as he left it, but had no idea the safe had been tampered with because it was locked.

A key and a combination is required to unlock the safe. There was also no sign of forced entry into the building. Store owners Mr. and Mrs. Milas Anderson said they had insurance to cover the loss. It is the third burglary loss at the store in the past two months.

Mills Property Selected For Vocational School, Squires, Chief Deputy Exchange Sharp Words

On the advice of the County Court Budget Committee, with agreement of the County Vocational School steering committee composed of the Loudon County and Lenoir City School Boards, County Court Monday voted to purchase a 22 acre tract of land from Quintus Mills near Lenoir City High School for the \$1.6 million vocational center.

The four sites that had earlier been picked by the Steering Committee were passed over in favor of the Mills site because it was for sale, available without condemnation and at a lower price per acre than the number one selection owned by Doug Williams.

The Court approved payment of \$60,000 for the property which contains a five room brick house, a barn, and two other out-buildings.

For more than two months the steering committee had been attempting to deal with Mr. Williams. Dr. David Jones, Carl Alford and James Jones, Carl Alford and James Jones, for property for the school, that will be built by state funds and equipped through a Headlee said these

plans are all just thoughts of his should consolidation come, but at the present the county is planning to follow the building program that was announced in local newspapers last week. He indicated that the construction plans for two new schools in the lower grades has been pushed back in priority to see if consolidation becomes a reality.

Headlee outlined the five year program and more specifically dealt with the proposed additions during this coming year at Greenback and Loudon Junior High. The Superintendent warned the court that at the December meeting he would have his hand out wanting the court to finance the \$1.8 million project.

Headlee also said he is trying to find funds to finance a \$15,000 study of all areas of the County and Lenoir City School systems by the University of Tennessee. He said he feels the study is needed to help both systems see just where they are and where they need to go in consolidation, buildings, curriculum, instruction,

finance and transportation.

Sharp Exchange

There was a sharp exchange of words between several members of court and Sheriff Guy Russell and Chief Deputy Luke Bright.

The debate began when Squire J.G. Hudson asked Sheriff Russell if he had a deputy referring to Kenneth Brown) that was on the payroll but was not being worked. Russell said, "He is working."

Squire I.D. then said he had had 25 to 30 calls from citizens complaining about Juvenile Officer Joe Sims working wrecks and breakins. He asked the sheriff if this was part of Sims' duties. Russell said, "Well, we help him and he helps us. We work together."

Squire Jim Hartscock asked if this was what the Juvenile Officer was suppose to do and was he a deputy. He asked former sheriff Freeman Russell, who was in the courtroom about this. Freeman Russell said that the Juvenile officer was bonded through the sheriff's office to allow him to serve juvenile

papers and make arrests, but that was all.

Chief Deputy Luke Bright then said, that it was the sheriff's right to use his people for whatever reason he wanted to. That Sims was a deputy and that he thought that certain members of the county court were "trying to run the Sheriff's office."

Squire J.J. Blair then brought up the guidelines under which the Juvenile Officer job was created and Judge Russell asked that they be brought to the courtroom. The guidelines stated the Sheriff will continue to employ one person as a deputy sheriff in Loudon County to serve as a County Youth Services Officer.

Squire Blair then referred to the Merit System Board action on reinstating Deputy Brown after Sheriff Russell had fired him. Blair said, "The action might not have been exactly right, but we did what was proper." He said the case of overabundance was not proven and that was the only charge brought out in the hearing.

Alexander, Hardaway, Duncan, Stafford, Melton Carry Loudon County

Blanton Is Governor, O'Brien Upsets Melton

Former Congressman Roy Blanton, a Democrat, will become Governor of Tennessee in January. He will succeed Republican Winfield Dunn. Blanton easily defeated Republican nominee Lamar Alexander, a Blount County native with many relatives in

Loudon County, by about 10 percent of the statewide vote. In Loudon County Alexander won by 60 votes, 3438 to 3376 by unofficial returns.

A Democrat will be representing a portion of Loudon County in the State Legislature, Anna Belle

Clement O'Brien defeated Republican incumbent James Melton 3523 to 2848 in a four county race. Mrs. O'Brien lost Loudon County 353 to 401 for Melton, but she won by almost 300 votes in Cumberland County where both candidates reside, and by nearly 1200 votes in Roane County.

ELECTION NOTE—A precinct by precinct chart of the election returns in Loudon County is printed on page 6 of this issue.

Democrat Z.D. Atkins apparently had defeated a challenge by Republican Jane Hardaway in a statewide

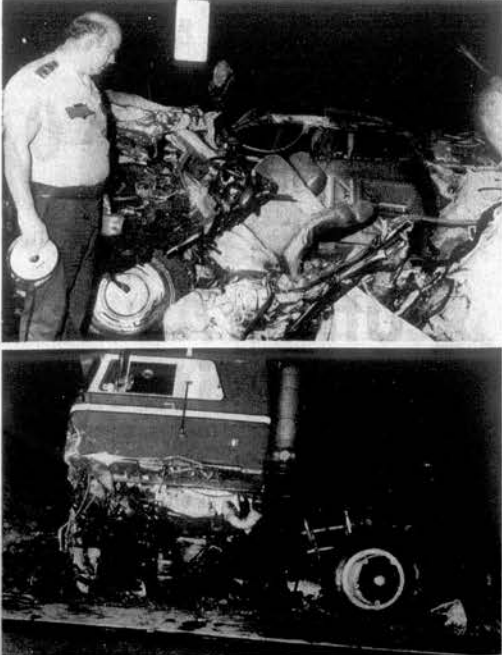

race, although locally Mrs. Hardaway, former Commissioner of Personnel for Governor Dunn, carried Loudon County 3365 to 2828. Atkins statewide margin was about 70,000 votes.

Victory Near In United Fund Drive

Monday will be the final report meeting of the 1975 Loudon County United Fund Drive and campaign chairman Jack Atkins expects it to be a victory celebration. This past Monday the \$51,149 drive came to within \$582 of the goal.

Fund will continue its tradition of complete funding of the budget of the 15 member agencies who benefit from the campaign.

During the week campaign workers collected \$79,433.31 in new contributions and pledges bringing the total to date to \$45,307.44. The final meeting next Monday will be held at 12:30 p.m. at Sig's Restaurant in Lenoir City and all area and division chairmen are urged by Chairman Atkins to have their reports complete and to be prepared to make their final reports at the meeting.

DRIVER KILLED INSTANTLY—The force of a collision between the car above, driven by Frank Sparks and the tractor trailer (in the lower photo) is evident by the extensive damage to the two vehicles. Deputy Ira Teeters looks at the Sparks car. Sparks was killed instantly in the crash, that occurred on U.S. 411 near the Highway 95 intersection at Greenback about 9:30 p.m. Friday.

The industrial drive, which has accounted for over \$36,000 in the drive got new pledges of \$1845 from Union Carbide at Loudon in their first report in the drive; \$1930 additional from the Union Carbide nuclear plants at Oak Ridge bringing the total there to \$17,696; another \$157 from Marenmont giving them a total of \$5,207; \$205 from Lenoir City Bacon for a total to date to \$1307; Sheffield Steel contribution increased \$20 up to \$312.38.

Other areas that increased during the week was Lenoir City business where \$2171 in additional pledges brought the total to \$532; another \$398.96 from Lenoir City residential for a \$908.11 total; \$394 from Loudon business now showing \$1104; and \$258.45 in new money from Loudon residential which shows \$1033.95 for the campaign.

The new grand total of \$45,307.44 represents 89 percent of the goal. Atkins said there are several campaign areas not yet completed which should easily account for the necessary funds to put the drive over the 100 percent mark. He said the meeting of the goal will mean the United

Chief Deputy Gets \$100 Month Raise

Another salary increase for a county employee has been awarded by the courts. Friday, Criminal Court Judge Lloyd McChen granted a pay raise of \$100 a month to the Loudon County Sheriff's Department Chief Deputy.

The raise brings the pay of the Chief Deputy (Luke Bright) to \$919 per month. Bright had been earning the same amount, as a deputy which is \$819 per month. Judge McChen ruled that

other raises for deputies, and dispatchers, which were granted in the personnel plan and were effective last July were in line and did not change those figures.

County Judge Bill Russell defended the lawsuit saying that there was no money in the county law enforcement budget for the raise. McChen said he deemed the office of the Chief Deputy demanded a higher salary than a regular deputy.

Representatives, but some were surprised at the showing of Democrat Jesse Brown. Duncan polled 4225 votes in Loudon County coming off as the top vote getter in the county, but Brown who did not spend one minute in the county campaigning received 3015 votes.

Looking back at the Governor's race, won by more than 150,000 votes by Ray Blanton, only 63 voters in Loudon County who went to the polls did not vote in that race. The five independent candidates all polled 56 votes. Blanton came as close as any candidate in Loudon County since 1962 when Frank

MR. BLANTON

MRS. O'BRIEN

15th Traffic Fatality Recorded

Frank Sparks, 67, Rt. 4, Maryville, became the 15th Loudon County traffic fatality when his car collided head-on with a tractor-trailer on U.S. 411 near the Highway 95 intersection at Greenback at 9:30 p.m. Friday.

State Troopers David Johnson and George Pierce said the force of the collision completely ripped open the Sparks car, causing it to ignite and damaging the 1973 Pelerbilt tractor beyond repair.

Trooper Johnson said that a Mustang driven by Robert Boone 17, of Tallahassee, apparently pulled onto 411 into the path of the northbound

Sparks car. Sparks car glanced off the Mustang, traveled about 200 feet up the shoulder of the highway, hit a ditch and darted into the southbound lane into the path of the truck driven by Lee Pater, 30 of Franklin, Fla. The impact knocked the Sparks car backward about 110 feet onto the shoulder of the northbound lane.

Neither of the other two drivers were injured. It took Rescue Squad ambulance crew and others who assisted about 30 minutes to remove the badly mutilated victim's body from the wreckage. A truck driver who was at the scene at the time of the ac-

cident reportedly put the fire out in Sparks car. Sparks body was brought to Loudon County Memorial Hospital.

A power line was downed when the tractor-trailer went onto a ditch and the trailer loaded with agriculture lime broke a power pole. Wrecker crews worked until 4 a.m. Saturday removing the wreckage of the vehicles.

The Greenback Fire Department was called to the scene to prevent fire from the highway after fuel oil from the truck covered the pavement in the area of the collision.

Boone, driver of the car that pulled from highway 95 onto 411 was charged with failure

Clement carried the county in his last race for Governor by 30,000 votes over Democrat Jesse Brown.

The 6873 votes cast in Tuesday's election was 344 more than voted in the August County General Election and was slightly more than had been projected. In 1970 however 7418 persons voted in Loudon County in the State Election when Winfield Dunn became the first Republican Governor in the state in more than 50 years.

Percentages late Tuesday night favored Ray Blanton 56 percent to 41 percent for Lamar Alexander. The NBC

(Continued on Page 7)

to yield. Trooper Johnson said other charges may be pending after the investigation is completed.

Mr. Sparks is survived by his wife Dorotha Sparks; two daughters, Mrs. Faye McDonald of Lenoir City, Mrs. James Hindley of Maryville; son, George Sparks, California; 15 grandchildren; two great grandchildren; three brothers, Jim and Fred of Indiana, John of Maryville; several nieces and nephews.

Funeral services for the victim were held Monday at Oakland Methodist Church with Rev. Cliff McCallooh officiating. Burial was in the church cemetery.

The Tribe Speaks . . .

Loudon Mr. And Miss, Superlatives Nominated

By Patricia Blankenship, Denise Gatlin, Joyce Farmer

On Thursday, October 31, we voted for Mr. and Miss of the classes and we voted for Mr. and Miss LHS and also for other candidates.

Those nominated are as follows: Miss LHS: Cindy Allmon, Jane Barker, Becky Blankenship, Margie Brannan, Jewel Horner, and Shannon Locke.

For Mr. LHS: Paul Bivens, John Deatridge, Sam Lyle, Billy Joe Presley, and Rick Tucker.

Mr. FRESHMAN: Jeff Harris, Mark Moore, and Steve Schrimmer. Miss FRESHMAN: Sara Chhassa, Rita Deford, and Sherry Hodge.

Mr. SOPHOMORE: Carter Cardwell, Randy Davis, Ricky Lovin, Steve Hillaps, and Doug Surrett.

Miss SOPHOMORE: Lee Ann Chhassa, Pam Giles, Alice Harris, Jennie Lefler, and Betty Webb.

Mr. JUNIOR: Tim Kiser, Steve Harrison, Steve Hill, and Ernie Black.

Miss JUNIOR: Kathy Hamill, Kay Stevens, Sandra Shell, and Diane Watkins.

Mr. SENIOR: Terry Brown, John Deatridge, Sam Lyle, Dennis Queen, and Rick Tucker.

Miss SENIOR: Cindy Allmon, Karen Atkins, Becky Blankenship, Elizabeth Delaney, Jewel Horner, and Gwen Phillips.

BEST ALL AROUND: Boy: Monty Barger, Jeff McQueen, Donna Therap, Sam Lyle, and Tim Dixon.

Girl: Jane Baker, Margie Brannan, Sherry Oran, Debbie Smallen, and Tanya Williams.

MOST DEPENDABLE: Boy: Mr. Paul Bivens, Steve Cannon, Roy Paul Hodge and Billy Joe Presley, and Dennis Rowe.

Girl: Jane Baker, Darlene Blankenship, Rebecca Blankenship, Margie Brannan, and Debbie Rowe.

MOST INTELLECTUAL: Boy: Mr. Paul Bivens, David Blankenship, Roy Paul Hodge, Joby Kirkland, and Buddy Swiney.

Girl: Darlene Blankenship, Evelyn Duncan, Jennie Harrison, Ramona McNabb and Sherry Smallen.

MOST DIGNIFIED: Boy: Paul Bivens, Darrell Brown, Steve Cannon, Sam Lyle, Jeff McQueen, and Dennis Rowe.

Girl: Margie Beals, Darlene Blankenship, Pam Boone, Evelyn Duncan, Jennie Harrison, and Donna Kyle.

MOST COURTEOUS: Boy: Monty Barger, Steve Cannon, Joby Kirkland, Billy Joe Presley, and Dennis Rowe.

Girl: Darlene Blankenship, Donna Kyle, Cheryl Shirk, Margie Wallace, and Mary Watson.

BEST PERSONALITY: Boy: Paul Bivens, Mark Harper, Joby Kirkland, Sam Lyle, Billy Joe Presley, Ronnie Roberts, and Gene Viars.

Girl: Jane Baker, Rebecca Blankenship, Margie Brannan, Brenda Bright, and Terry Duke.

MOST POPULAR: Boy: Paul Bivens, Johnny Deatridge, Sam Lyle, and Mike McCall.

Girl: Cindy Allmon, Pam Boone, Margie Brannan, Kathy Estes, and Debbie Rowe.

FRIENDLIEST: Boy: Paul Bivens, Tim Dixon, Mark Harper, Billy Joe Presley, Kenny Skinner, and Mike Yates.

Girl: Cindy Allmon, Margie Brannan, Libby Hagen, Sherry Oran, and Debbie Smallen.

BEST LOOKING: Boy: Keith Gentry, Sam Lyle, Ricky Purdy, Dennis Queen, Rick Tucker, and Gene Viars.

Girl: Cindy Allmon, Kathy Estes, Jewel Horner, Margie Kelso, and Gwen Phillips.

MOST ATHLETIC: Boy: John Deatridge, Sam Lyle, Dennis Queen, Dennis Rowe, Kenny Skinner, Donnie Therap, and Mike Yates. Girl: Cindy Allmon, Yarker Harrison, Debbie Hawkins, and J.J. Purdy.

The winners in each of these categories will be announced in Assembly Wednesday, Nov. 6. We will include them in the next week's column.

LHS STUDENT COUNCIL OFFICERS: Paul Bivens, Pres. Sam Lyle 1st V. Pres. Lynn Pickey 2nd V. Pres. Terry Duke-Secretary, Mike Yates-Treasurer, and Cindy Allmon-Reporter.

Senior Members: Tim Bingham, Beth Galyon, Roy Paul Hodge, Joel McGinnis, J.J. Purdy, Ronnie Roberts, Dennis Rowe, Kenny Skinner, and Debbie Smallen.

Junior Members: Steve Hill Pres., Regina Jones, and Teresa Linday.

Sophomore Members: Pam Giles, Pres., Dinah Guider, Arly Hill, Bernie Locke, Susan McNabb, Barbara Stamey, and Joe Williams.

Freshman Members: Mark Moore-Pres., Mike Akins, Renee Grizzle, Irene Simpson, and Dan Ellitt.

Club Representatives: Jody Rudd-Band, Steve Harrison-FFA, Donna McNabb-FHA, Hank Julian-JCI, Becky Blankenship-Math, Jane Baker-National Honor Society-Evelyn Duncan-Prayer Group, Brenda Bright-Pop, Scott Tilley-VICA, and Art Giles-4-H.

The Sophomore class had a hay ride and Weiner roast Saturday night, November 2.

The group met at the home of John Harrison. Approximately 50 students along with their sponsors participated in the event.

The Open House was again a decided success. More than 100 guests registered, but it was felt that several came who did not sign the register. There was much interest shown by everyone who attended. The Senior Home Economics Class prepared and served the refreshments.

The Lou-Hi-San Staff mailed the first shipment to the publisher last Thursday. The subscription "sale" will continue through Friday November 9. Reservations are

approximately the same as of this time last year. It was expected that they would be ahead. Because of the increase in cost, very few extra copies will be ordered.

The VICA drafting class was pleased with the response to the "Wild World of Wrestling" they sponsored on last Thursday. Some of our students show almost as much wrestling ability as do the wrestlers whose "identity" they assumed.

The Powder Puff Football game on Monday was another enjoyable event sponsored by the Seniors for their trip. It is impossible to name all the outstanding players.

Legion Plans Veteran's Day Barbecue

The Annual Veteran's Day Barbecue Dinner of the Loudon American Legion Post 120 will be held at 6 p.m. Saturday, Nov. 9 at the Loudon Junior High Cafeteria. Commander Rollen Bradshaw said that all members and wives are invited to attend. Legion District Officers will also be attending.

ENERGY CONSERVATION WORKSHOP—TVA economist Minnie Bowman is shown giving tips on energy conservation at one of four workshops sponsored by TVA and Loudon Utilities last week. The workshops were designed to help the homeowner and businesses cut down on their use of electricity.

VIEW FROM THE HILL by Edward Headlee Loudon County School Superintendent

Community Education The superintendent will be out of the office from Sunday, November 10 through Saturday, November 16 in order to attend a training conference on community education in Flint, Michigan. Other educators from across the country have attended and will attend this system to learn how the schools may be used by everyone from three to 93.

Board Meeting The Loudon County Board of Education will hold its regular monthly meeting on Thursday, November 7 at 7:30 p.m. in the superintendent's office. L.T.V.E.C.

The Little Tennessee Valley Educational Cooperative will hold its regular monthly meeting on Wednesday, November 13 at 7:30 p.m. in the Honor Branch of the Sweetwater Valley Bank, Lenoir City and Loudon County are two of the seven school systems who hold membership in this organization. The coop currently has several programs in progress, most of them dealing with education of the handicapped under Public Law 94. However, the coop is expanding its efforts into other areas such as: driver education and bicycle safety. We should be seeing even greater expansion in the coop during the next several years.

Vocational School Based on a visit by Mr. Charles Haile from the State Department of Education, the Vocational School Governing Board and the Budget Committee of the Loudon County Board presented a proposal to the entire Board at its regular November meeting on Monday of this week (see "Court Meeting" in other section of the paper).

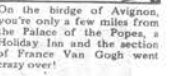

Adult Basic Education The classes for those adults who wish to earn a high school diploma by means of the G.E.D. Test are now being formed. These classes are designed to provide the training required to pass the G.E.D. Test and thereby earn a diploma. For information about enrolling call Mr. Bob Cassidy at 459-3245.

MEETING AGENDA The agenda for the Loudon County Board of Education meeting on Thursday, Nov. 7 is as follows:

- 1. Approval of minutes of called Board meeting on October 24, 1974.
2. Request for approval of

- 1975 Loudon High School senior trip.
3. Approval and election of Reading Resource teacher for reading program.
4. Request by City of Loudon for reduction in fees for use of old high school gym.
5. Report by superintendent on meeting of County Court.
6. Report by superintendent on negotiations with University of Tennessee on question of county-wide comprehensive survey.
7. Approval by Board of method of repairs for roof at Eaton School.
8. Comparability of effort for Title I program for 1974-75.
9. Report on handicapped census in Loudon County.
10. Report by Lester Thomas on need for assistant for Philadelphia custodian.
11. Other business that may come before Board properly at this time.

On the bridge of Avignon, you're only a few miles from the Palace of the Pope, a Holiday Inn and the section of France Van Gogh 'went crazy over'!

On perms or body perms — \$8.95 up. Allene brand perms — \$12.95 up (Cut & hairstyle included). Free gift with each perm until supplies are depleted. Shop open 9 am until 4 pm Thursday, Friday, Saturday — 986-6901 Edith Burkhardt at BURKHART'S BEAUTY SALON West Hwy. at City Limits, Lenoir City, TN. "Get yours before the power blackout or brownout starts."

CONGRESSMAN JOHN DUNCAN (left) talks with John Sewell of Loudon about his hat which had Alexander and Duncan stickers on it at the GOP Barbecue last Thursday night at Loudon High School. Between 500 and 600 persons attended the pre-election event.

ALEXANDER CAMPAIGNS HERE—GOP Candidate for Governor Lamar Alexander is pictured shaking hands with Mrs. Pat Harper Loudon at the GOP barbecue at Loudon High School last Thursday night. State Senator Carl Koella stands beside Alexander.

Mr. and Mrs. Lee Davidson and Mr. and Mrs. Larry Miller of Sweetwater attended the wedding Saturday evening of Miss Gail Williams and Joe Davidson in Galax, Va. They visited with the Rev. and Mrs. Riley Huffstetler and sons in Hillsville, Va. during the weekend. Miss Louise Alexander with Mr. and Mrs. Greg Cagle of Loudon also attended the wedding.

Miss Jennie Smith of Chattanooga came Monday to spend this month with Mr. and Mrs. Buster Ayres. Miss Ann Henderson was home overnight Friday with Mr. and Mrs. Bill Henderson. Misses Ada and Mary Griffiths were dinner guests Sunday with their aunt, Mrs. D.L. Keelber in Lenoir City. Miss Louise Alexander with Mrs. A.J. Eldridge, Mrs. John Preston and Mrs. Ralph Eldridge were guests Tuesday of Mrs. Hazel Moore at New Providence.

Mr. Harris, manager of the H.T. Hackney Company in Knoxville, visited Monday with Mr. A.P. McCrary.

DERAILMENT AT GREENBACK—Two L&N Railway freight cars parked on a siding at Greenback derailed about 5:30 a.m. Monday after they rolled from their parking place, through a spur brake switch with one of the cars overturning. Nine cars were parked on the siding. L&N Knoxville Division Superintendent R. L. Agee said it is believed that someone released the brakes on the cars causing all nine to start rolling downhill. The car that overturned and the one immediately behind it were derailed and damaged. The others were not damaged or displaced. The L&N main line at the crash site, was closed for nine hours while crews cleared the wreckage and repaired tracks.

MOBILE HOME BURNED—The mobile home residence of Mr. and Mrs. Danny Pardue, Riverview Drive in Loudon was destroyed by flames Saturday night. The Loudon Fire Department answered the alarm but found that flames had engulfed the trailer when they arrived. Fire Chief Chili Jones said the couple was not at home at the time of the fire. The fire apparently started in one corner of the living room near a television set, Jones said. The trailer was owned by Ted Johnson.

TVA Nuclear Generation Increase

Browns Ferry Nuclear Plant in northern Alabama generated 1.9 billion kilowatt-hours of electricity in the July-September quarter, nearly 7 percent of the total generation on the TVA power system, according to the agency's operating records. This was equivalent to the electricity produced from about 650,000 tons of coal at TVA coal-burning plants, where fuel is in short supply. The first of three generating units at Browns Ferry went into commercial operation on August 1 after several months of test operations. Over the three-month period this nuclear unit was available for service 87 percent of the time, an unusually high level of reliability for a large steam-electric unit, TVA said. The average availability of TVA's larger coal-burning units over the past year was about 72 percent. The second Browns Ferry generating unit began startup tests in August and contributed to the nuclear level of the generation total for the quarter. Fuel loading for the plant's third unit is scheduled next spring. Total power generation on the TVA system in the July-September quarter was 28.3 billion kilowatt-hours with providing about 75 percent of nuclear units 17 percent, and oil-fired peaking units less than 1 percent. Power generation was down about 10 percent from the same period a year earlier.

How to make the winter profitable as well as economical with your cow-calf herd

- Co-op Pro-Vim Blocks (32% Protein + Vitamins and Minerals)
- Co-op 48% Beef Concentrate
- Co-op 32% Beef Concentrate

When cattle get enough protein, they'll consume more roughage and make better use of what they do eat. Research has repeatedly shown a 10-20% improvement in performance when roughage is supplemented with protein.

Educators
Elect Webster

Miss Betty Jean Webster is the 1975 President-Elect for Health and Physical Education section of the Middle Tennessee Education Association. She is an Assistant Professor of Health, Physical Education and Recreation at David Lipscomb College in Nashville.

She received the B.S. degree from Middle Tennessee State University and the M.A. from George Peabody College. She is active in professional organizations related to her profession and served on the American Association for Health, Physical Education and Recreation "Stardust" committee. She has done various assignments by serving on the membership, publications, publicity, President's and State Convention committees of the Tennessee Association for Health, Physical Education and Recreation. She served as Vice-President of the Health Division for TAHPER and Vice-President of Health for the Middle Tennessee Education Association.

Miss Webster served as secretary of the Tennessee College Physical Education Association and is active in the Tennessee College Women's Sports Federation which encouraged intercollegiate competition in various sports. She has written various articles for the HEALTH AND PHYSICAL EDUCATOR and the TENNESSEE TEACHER. She has written two biographies: Fran Riel, "Athlete, Coach, Teacher, Administrator," and the "Professional Contributions of Maggie Buleah Davis to the field of Health, Physical Education and Recreation in Tennessee." She was presented an HONOR AWARD by the Tennessee Association for Health, Physical Education and Recreation for her outstanding ability, accomplishments and service to her community, country and profession. Miss Webster is the daughter of Mrs. E.R. Webster and the late Rev. E.R. Webster of Loudon.

Foster Parents
Are Needed

Foster parents are urgently needed in the East Tennessee Area by the Tennessee Department of Corrections for placement of children between the ages of 12 and 17. There is a great demand for Black foster homes as well as foster homes for the older children.

Many youths are returning from State Correctional Schools and do not have a home to return to. If a foster home cannot be found these children must remain in the institution.

The children in correctional schools have been through juvenile court and have been declared delinquent. Others needing foster homes may have been to juvenile court on dependent and neglected petitions or may have been declared unruly by a juvenile court judge.

Those interested in this program may inquire by contacting Loretta Johnson, foster home counselor, in Knoxville, (523-4101).

SCHOOL PROGRAM EXPLAINED—Superintendent of Schools Edward Headlee explains drawings of proposed school additions at Greenback and Loudon Junior High to members of County Court Monday. Headlee said he would make a formal request for funds for the projects at the December meeting.

Mills Property Selected
For Vocational School

(Continued from Page 1)
 The question to clear himself of the charges.

All Day Meetings
 Because of the energy crisis the Court on the suggestion of Squire Blair set all future meetings for the daytime, beginning at 9 a.m. Squire Henry Foster referring to Squire Boyd Duckworth, who cannot attend most day meetings because of employment, said the court should not take action on the proposal until Duckworth can express his views. The motion by Blair and Hartsook was adopted.

On other energy matters Civil Defense Director Ted Randolph said that the county energy committee was in the process of developing some guidelines for county offices to use in conserving electricity and that meeting times, use of lights, and county equipment was included. He said some of the suggestions which he hoped would be adopted as regulations for the county would be strong, and probably meet with some resistance. Randolph said he thought strong leadership by the county government along with suggestions from the county energy board would help the people of the county in establishing their own priorities on energy use.

Road Bonds Approved
 A general obligation bond issue of \$600,000 to complete county obligation on the construction of the Philadelphia and Sugar Limb Connector roads was approved.

The county does not plan to sell the bonds right away, but will borrow the money needed for the projects on anticipated bond notes, hoping that the bond market improves.

1-75 Opening

When reporting on the progress on the Philadelphia and Sugar Limb Connectors County Judge Russell said he had been told that the latest scheduled opening date for I-75 through Loudon County is set for January 1. Judge Russell thinks the highway will be open by Christmas, at least he hopes so.

Welfare Patient
 Welfare Director Mrs. Jesse Ridenour was given permission to use what portion of the \$2000 budget for supplementing indigent county nursing home patients she needed for a man scheduled to be placed in a Knoxville Nursing home. She said the only place she can find for the man is in Knoxville and the supplement needed is more than the \$30 per month limit the court placed on the nursing home indigent budget.

Team Praised
 A resolution by Squires Henry Foster and I. D. Conner praised the Loudon High School Redskin Football team for their successful season and for becoming eligible for the state football playoffs.

Advisory Committee

Judge Russell introduced Mrs. Ann Bright of Luttrell and Charles Eblen of Lenoir City to the court as co-chairmen of his Citizens Advisory Committee, which he said is still in the organizational stage. He said he was very pleased at the reception the idea has had and for the number of people who have offered to serve on the group.

Road Design Funds
 Some \$3000 was approved for use to have an engineer design the planned

redevelopment of Muddy Creek Road in the Second District from U.S. 11 to the Mariel Road underpass. Squire R. P. Hamilton said having the design work done would speed the project up and get it approved for construction next year.

Luttrell Road
 An updated survey of the proposed four mile rebuilding of the Luttrell Road has been completed. Squire Hamilton reported to the court. He said that \$400,000 had been set aside by the state for the road and construction should start next summer.

Several Receive
Prison Sentences

Pleas of guilty by Harrison D. Jenkins, Don Proaps and Jerry Jackson Hedrick for burglary of several thousand pounds of brass from the Southern Railway Car Works at Lenoir City earlier this year drew prison terms of three to six years for the three defendants. In addition Proaps and Jenkins were charged with receiving and concealing stolen property in the burglary. They were given 30 days to file motions for probation by Criminal Judge Lloyd McClain. The action came last week during the last session of Criminal Court for the fall term.

Leslie Logan, who was returned to the county from the State Prison, on a selling controlled substance charge, entered a guilty plea and received a five year prison term.

A trial that lasted three days saw a jury fine Clifford Stamey \$50.00 and costs, a six month jail sentence suspended and placed on probation for 11 months and 29 days. Stamey was found guilty of assault and battery as the result of a felonious assault with intent to commit murder indictment. He allegedly struck Vaughn Goodson with a golf club in an altercation which left Goodson partially paralyzed earlier this year.

A petition for probation for Jeffery Green, found guilty of several breaks earlier, was denied and he was ordered to start serving a six to 12 year prison term.

E. G. (Cy) Perkins submitted to five bad check charges. He was given 30 days in jail on each with the terms suspended on payment of the checks and over \$500 in court costs, plus being placed on probation for 11 months and 29 days.

Mike Malone and Robert Scott Clark were each sentenced to 15 days in jail for contributing to the delinquency of a minor. Two other defendants on the same charge Jimmy Hicks and Eccles (Moe) Lawton were found not guilty by jury.

Gene Toberts, charged with larceny of an auto and five counts of forgery, entered a guilty plea and drew sentences totalling three to six years in prison.

Alvin Hart Barron received 30 day jail sentences on three charges after entering a guilty plea to failure to stop for blue lights, reckless driving and resisting arrest. Bernard E. Walker, Jr. was found not guilty of a driving while intoxicated charge.

Blanton Wins,
O'Brien Upsets
Rep. Melton

(Continued from Page 1)
 television network was the first to project Blanton the winner, doing so about 17 minutes after the polls closed at 8 p.m. local time.

Precincts carried by Blanton in the county included Loudon Outside East, Lenoir City East, Lenoir City West, Lenoir City Outside, Luttrell and the absentee vote.

In the 36th District Legislative race in which three precincts in Loudon County vote, the winner Arza Belle Clement O'Brien lost this county by 48 votes, carrying only the Luttrell precinct while losing Philadelphia and Loudon Outside West.

In the entire district which includes parts of Loudon, McMinn, Roane and Cumberland Counties, Mrs. O'Brien, who is the sister of the late Governor Frank Clement, won in Cumberland and in Roane, the two big counties in the district. The following is a county table on that race.

	O'Brien	Melton
Loudon	353	401
McMinn	118	222
Roane	2517	1371
C'land	2545	2254
TOTALS	5533	4248

Loudon (8-0) Officially In Region Playoffs

Loudon Slips Past Rockwood Upset Bid, 14-7

The unbeaten third-ranked double-A Loudon Redskins had rally for two second quarter touchdowns Friday night and then stave off a last minute Rockwood push to the Redskin goal line to claim a 14-7 triumph. The win landed the Loudon griders a first round berth in the state championship playoffs which strike up November 22.

Loudon still has a game left on their regular season, visiting Alcoa Friday night before taking a week off in preparation for Region Two probable runner-up McMinn Central.

The Rockwood Tigers entered the game also with an unblemished season record and had the adrenalin flow for a major upset as an overflowing crowd gathered for the choice football game in the eastern part of Tennessee.

Loudon 40. A 15 yard penalty moved the ball to the Redskins 27 as they were detected as holding in the line. A razzle-dazzle halfback pass from Johnny Deathridge to Marlon Brown advanced the sticks to the Rockwood 38 as the play was good for 35 yards.

A gutsy 17 yard pass got the Tigers out of the hold but the Loudon defense quickly forced a punt to their 34. But unexpectedly the Redskins fumbled on their second offensive snap and Rockwood recovered at the 33 with 3:20 to play.

Cooley passed for six yards and came back with a nifty 10 yard scramble to the Loudon 10 only to have 240 pound senior Mike Yates drive him to the turf causing the ball to be fumbled and Yates quickly recovered.

The Rockwood threat for a tying touchdown had been stopped and Loudon used three rushing efforts to exhaust the clock.

Loudon did not present a very superior image in winning their eighth game of the season. The defense was not sharp, as the smaller Tiger team moved Loudon sometimes at will. But the Redskins did buckle up and play tough when they had their backs to the wall in the opening period and in the final canto.

Speaking of Sports

By DANNY GIBSON, Sports Editor

If you attended the Loudon-Rockwood football game Friday night or heard a run down of the event in some way or form don't be too assured or upset at the closeness of the showdown between the two unbeaten won by Loudon 14-7. Actually the Loudon coaches felt the game could be no more than just another game. They tried to warn the Redskins players and probably some did take more of a concern than others. By the first of the second quarter their entire team was well aware they had a ball game on their hands.

The Redskins trailing 7-0 then went to work in the business way they have come through all season. Senior fullback Johnny Deathridge doing a great job of running and also showed well at linebacker on defense was the difference in the game.

Rockwood with a dashing and darting Pat Cooley setting the tempo actually played well enough to win. But Deathridge's determined running in the clutch along with a well mixed play selection which used Sam Lyle as a runner from the right end slot and Rick Melton's outside punts was more than the Rockwood defense could contain.

Loudon missed at least two other scoring opportunities, one in the first half and one in the second half. Of course Rockwood was denied two apparent scores on fumble recoveries.

But remember no matter how tough or good you are it is difficult to get "up" for every game. Even though the Tigers were undefeated in seven games, Loudon had just battled on consecutive weeks Cleveland and Maryville winning both. Both teams are considered year in and year out double-A king pins. I'm not so sure, now that Cleveland is starting to jell, if they are not the second best team in Region Two.

Rockwood had an open date and more or less did what was necessary in handling Lenoir City. The week before, thus giving them plenty of rest and time to prepare for a Redskins only. Their schedule is not as challenging as Loudon's Kingston's, or McMinn Central's or the like.

I don't believe the Tigers could ever defeat this Loudon team, but certainly the even blow by blow play they gave Friday night may have brought the Redskins out of the clouds in time for a serious playoff effort.

Lenoir City football coach Henry Blackburn we see has brought up some potential freshmen in the latter games of the season to get some variety experience. We like this idea and feel it a good thing. A reward for a hard freshman season would be for these prime individuals that could help come the following year, whether it be as choice reserves or on the specialty teams the chance to finish out the regular season as a member of the varsity is always an honor.

But even the inspiration of some key freshman talent is unlikely to do much for the Panther stock for next fall or even the next. The Panthers need some depth in the line and most all the prospects coming on are either running backs or rather lean in size. A tough and dedicated winter weight program might manufacture some added beef but still the Panthers need numbers as well as talented prospects.

Greenback failed to observe a home football game as homecoming this year. The Cherokee Athletic Department has been the financial backer for the event for the past few seasons. The overall scheme has been a burden with no benefits. Thus the customary event was optioned to any club or organization that wanted to foot the bill. There were no takers.

In years past homecoming was used to collect up extra money in the athletic fund. But the merchants of the community began to complain thus forcing a school sponsored function.

In a closing note of speculation and rumor the Loudon-McMinn Central rematch has a great chance of being played in Loudon on November 22. The winner of that game is expected to play their semifinal game in Knoxville, either at Knoxville Seaden's football field or at Knoxville's Evans-Collins field. The finals would then be played probably in Middle Tennessee at a site to be named.

Also it appears the Redskins could have at least one early college commitment when the season ends. Mike Yates, 240 pound senior tackle, has made frequent visits to Vanderbilt and is leaning toward the Commodores and their program to regain football prominence in the southland.

Statistical table with columns for First downs, Passes attempted, Passes had int'nc, Yards passing, Yards rushing, Fumbles-lost, Punting-avg.

Sam Lyle responded with a booming 54-yarder to the Redskins 20.

Rockwood proceeded to drive the football down the throats of the Redskins on short yardage efforts. The Tigers in a poised control ground attack marched 74 yards in 11 plays with Cooley rolling right for the final eight yards. The conversion kick was good as only 43 seconds remained in the first quarter.

Loudon, not playing up to past game performances, nevertheless showed the confidence and trade mark of the unbeaten power they are by taking the ensuing kickoff driving to a tying touchdown and conversion.

From the Loudon 35, the Redskins used just seven plays to strike pay dirt. John Deathridge rambled 14 yards, Rick Melton raced 42 yards in two carries, and Dennis Queen kept the ball for two straight runs of six and one yard to knot the score. Kenny Skinner added the conversion kick with 9:43 in play in the half.

An illegal procedure penalty wiped out the momentum of Rockwood's next offensive series and Loudon received a punt at the 26.

The Redskins gave indications of breaking the game open as they used a pass interference penalty as a spring board for a five play drive covering 74 yards to take the lead 14-7. Sam Lyle almost broke for a touchdown on an end around that produced 24 yards. Deathridge added 12 yards and Rick Melton slipped free on a block by Rick Tucker to dash 24 yards for the go-ahead TD with 4:38 left in the first half.

Both teams swapped punts in the closing minutes of the half as the ball was kept close to mid-field.

The third quarter was bottled to a scoreless stalemate as Rockwood failed to advance past its own 43 in three offensive series. Loudon got to the Rockwood 35 once on the offensive running of Johnny Deathridge, Greg Deathridge, and Sam Lyle. But the Rockwood defense regrouped and caught Dennis Queen for a 10 yard loss killing the march.

Rockwood was stopped at its own 45 and at their 34 in their first two offensive series in the fourth quarter. Loudon meanwhile constructed a drive that started at the

Loudon 40. A 15 yard penalty moved the ball to the Redskins 27 as they were detected as holding in the line. A razzle-dazzle halfback pass from Johnny Deathridge to Marlon Brown advanced the sticks to the Rockwood 38 as the play was good for 35 yards.

Deathridge came back to break tackles for a 19 yard run to the 19. Queen and Deathridge collected nine

yards in three plays and Loudon chose to go for a first down at the Rockwood 16. Quarterback Queen was thrown back for a yard loss on an option roll out when he failed to pitch the ball and Rockwood took over on downs.

A gutsy 17 yard pass got the Tigers out of the hold but the Loudon defense quickly forced a punt to their 34. But unexpectedly the Redskins fumbled on their second offensive snap and Rockwood recovered at the 33 with 3:20 to play.

A second down 19 yard pass moved the ball to the Loudon 14 with 2:23 to play. Junior Jeff Nichols made the biggest tackle of his varsity play when 230 pounder nailed Cooley for a two yard loss at the 16 yard line. An illegal procedure forced the Tigers back three rushing efforts to exhaust the clock.

Loudon gained a total of 371 yards on offense and produced 13 first downs. Rockwood had an impressive 248 yards and 14 first downs. Pat Cooley accounting for 85 yards rushing on 30 carries and 37 yards passing on four completions.

JOHNNY EXPRESS IN ACTION-Loudon's big senior fullback Johnny Deathridge rambles through the ranks of the Rockwood defense in capturing individual game rushing honors for Loudon. The Redskins won the game 14-7.

MELTON SCORES WINNING TOUCHDOWN-Loudon's speed merchant Rick Melton turns on the steam in quest of scoring the winning touchdown against Rockwood Friday night. Melton, who gained 74 yards in the blocking of Ronnie Roberts (55), Terry Brown (51), and Rick Tucker just ahead of Brown.

Eleven Score In Herald Contest

The Sevier County win over Carter and Cookeville's defeat of Crossville were the key games in the Herald Football contest last week.

Eleven contestants, the largest number this year, picked all the winners. Only nine games were used in the judging because the Everett-Sullivan East Game was played on Thursday night prior to the contest deadline.

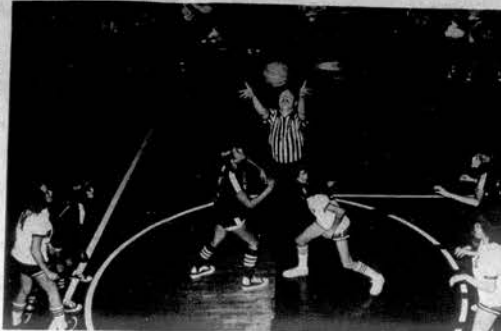

The correct tie-breaker for the week would have been 21, using the Loudon 14, Rockwood 7 score. The winners were further away from the correct tie-breaker than usual.

First place cash \$12 on a 24 point tie-breaker belongs to

Kathy Kirkland, Steekee Street, Loudon. With 30 points on the tie-breaker; Valerie Rogers, Rt. 1, Philadelphia, wins the \$5 second place money. Third place is divided, \$2.50 each by Sissie Eller, Highland Avenue Loudon, and Gene Foster, Rt. 4, Loudon, both had 31 points on the tie-breaker.

Other contestants who had all games correct were Michelle Atkins, Mrs. Paul Alexander, Odie Purdy, Tena Ross, Harold Grimes, Bill Fox and Jim Itzlar.

Each week the Herald Football Contest receives entries from Bowman R. Russell and Jay E. Kilby, both Loudon Countians, who are in the state prison at Nashville. This week a letter was received from Russell stating that last week Kilby had an entry which should have won him second place—all games correct and a 26 point tie-breaker. The Contest Editors know that the prison entries will not arrive until Sunday and wait until that time to make final decisions on the winners. The Kilby entry the week of the Maryville game was not a winner. The contestant forgot to mark one of the games, which is often an oversight by contestants. "Sorry about that fellows," but keep sending your entries.

TOURNAMENT ACTION—The Loudon Lions Club Invitational Elementary basketball Tournament is underway at the Old Loudon High School gym. Both boys and girls team from elementary schools in Loudon County are participating with the finals set for Saturday night.

KIZER ESCAPES—Greenback's sophomore quarterback Roddy Kizer eludes tackles to gain eight yards in a 28-10 football win over visiting Midway Friday night.

Horse Races Gathers Crowd

Some 150 to 200 persons gathered at Samsel's Arabian Farms owned by Dr. and Mrs. Sam Harrison Sunday for an afternoon of horse racing.

Dimrak, an Arabian Stallion owned by Dr. Harrison won a three furlong race covering the distance in 50 seconds. Three heat races preceded the final race where the best winners competed. Placing

second in the main event was Electric Shocker, owned by Harrison and third was Magic, an Arabian Filly owned by County Judge William Russell.

First place finishers in other events were horses owned by Lonnie Senkar, pole race; Miss Snyder, potato race; Jess Tinch, barrel race; Tom Jesson Egg Race and Key Hole race.

GB Passes Midway 28-18

(From Page 9)

The Cherokes were led by several players on both offense and defense. Jimmy Brooks had 20 yards in 11 carries. Kyle Shepherd had 35 yards in five snaps.

Hawkins caught six passes for 124 yards and had a net five yards rushing. Rucker had three receptions.

Jeff Tipton, Rocky Anderson, Brooks, Rick Russell, Coy Webb, Frank Mitchell, and Shepherd were tops in tackling statistics.

Harold Sharp, tournament co-ordinator and former

BASS Bypasses Tennessee Lakes

For the first time in three years, the Bass Anglers Sportsman Society, with the headquarters in Montgomery, Ala., will not be bringing a qualifying tournament into Tennessee.

Harold Sharp, tournament co-ordinator and former

Chattanooga, had indicated that three lakes in Tennessee were being considered during the summer, but that none were placed on the six-tournament circuit for 1975.

"A couple of years ago, we had only four invitations for tournaments," Sharp said last week at the 1974 Miller High Life Classic. "But this year we had 23 invitations and we just couldn't get it worked out for a Tennessee lake this year. We could be back in 1976, however."

The closest tournament to Chattanooga this year will be a return to Kerr Lake (Also known as Buggs Island) on the Virginia-North Carolina border. That event is scheduled for May 7-8-9. Sharp said also that the National Federation Tour-

ANNUAL FOOTBALL CONTEST

The Herald Loudon County

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

\$12 First Place

\$8 Second Place

\$5 Third Place

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Greenback Plans Park, City Hall Complex

The development of a major facility complex is being planned by the City of Greenback. The City Council has purchased land and had plans drawn up for a combination recreation complex, fire hall, city offices and library on Old Morganton Road.

A little over four acres has been purchased just south of the Morganton and Highway 95 intersection. The proposed 95 plans call for an Olympic size swimming pool and bathhouse, picnic shelter, play area, tennis courts, parking lot and municipal building.

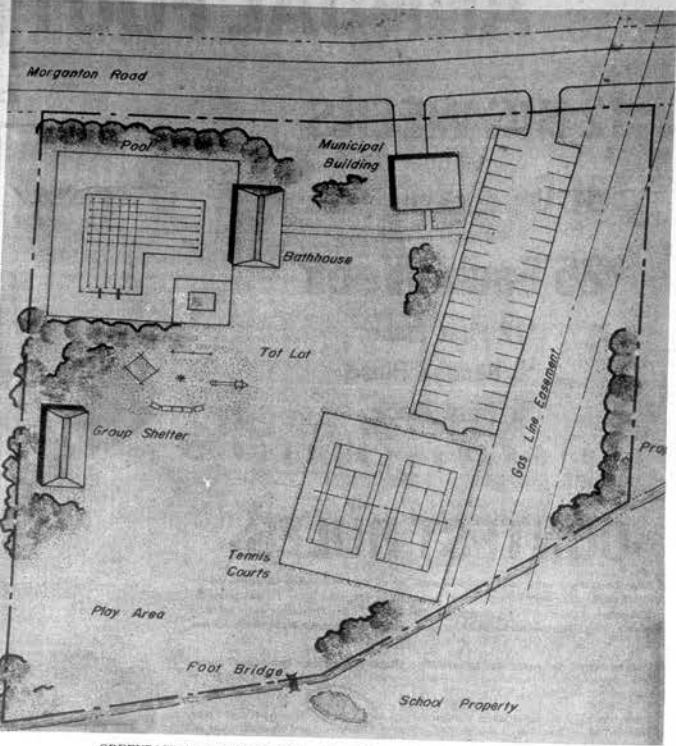

The municipal building would house the expanded fire department, offices for the mayor, city council, police and the community library.

Greenback Mayor Tom Peeler said TVA helped the city draw up plans for the project. He also reported he hopes to get a matching funds grant from the Bureau of

Outdoor Recreation. He said the remainder of the money will have to be raised locally. The estimated cost of the project was not announced. Mayor Peeler also said the expanded fire department, with two trucks and a station wagon to carry first aid equipment has been in service for about two months.

The city obtained the station wagon and new fire truck this summer. A subscription drive for fire protection helped pay for the equipment. Square dances and other community projects also raised money.

Peeler said about 250 people subscribe to the fire protection. The volunteer fire department has 24 members. Jack Lett is the fire chief and Ira Hodges is the assistant. Peeler also announced W.L. Hammonree has been appointed to the City Council replacing Ron Hudson who moved to Blount County.

GREENBACK COMPLEX PLAN—A city park complex for Greenback was announced last week by Mayor Tom Peeler. The proposal, to be built with matching grant and local donations, includes city offices and fire hall and a complete recreation center. Cost estimates on the facility were not available.

DRUGS TAKEN—Deputy Larry Proops shows Sheriff Guy Russell some of the 200 pills and capsules that he and Lenoir City policemen Clifton Williams and Raymond Littleton took from two men, Barry McHugh 25 of Knoxville and Steve Masters, 28 of Concord last Tuesday night in Lenoir City. The men were arrested while sitting in a car near Atchley's Pharmacy on A Street in Lenoir City.

THIS ATOMIC WORLD—Teacher-Demonstrator Clay Bailey checks out equipment for use in his lecture-exhibits on "This Atomic World." The program is currently being offered to high school students across the state of Tennessee and is one of 20 similar units appearing daily at high schools throughout the country.

'This Atomic World' To Visit Schools

A demonstration-lecture on atomic energy and its uses will be given at two Loudon County high schools during the month of November. The demonstration will be at Greenback High on Nov. 8 and at Loudon High on Nov. 11.

The program, entitled "This Atomic World," and the visitation schedule has been announced by Dr. Fred N. Peebles, dean of the College of Engineering at the University of Tennessee, Knoxville.

Sponsored by UTK, the Atomic Energy Commission and Oak Ridge Associated Universities, the lecture program is one of 20 similar units appearing daily at high schools throughout the country. It is designed to acquaint students with the basic principles of nuclear

energy, its sources and its role in agriculture, engineering, industry, medicine and research.

Clay Bailey, who has completed extensive training at Oak Ridge Associated Universities, will present the assembly program. He will explain in student terms the structure of atoms and the operation of nuclear reactors as well as such concepts as radiation, fission, and fusion.

Specially-designed electronic equipment is used during the 40-minute program to demonstrate the sources of radiation, how nuclear energy is harnessed to furnish electric power for cities, and the use of radiotopes to aid in diagnosis and treatment of diseases and to learn more about life processes.

A blackboard talk or demonstration lecture to biology, and careers in nuclear science, follows the assembly.

Jerry Holt Assigned To Philadelphia

Jerry Holt of Philadelphia has recently been assigned to the U.S. Naval Base in Philadelphia, Pa. where he will study as a hull technician. Mr. Holt, the son of Mrs. Pauline Holt and the late Elbert Holt, is a 1973 graduate of Loudon High School. He is married to the former Miss Alva Gene Eubanks.

Letters to the Editor

Dear Editor:
The City has for the first time a comprehensive Recreation program. We are proud of our programs and the way they are set up, but we are having a problem finding volunteers to help these programs get off the ground. We need people desperately

to help run these programs and even if they would volunteer for but one night per week it would help greatly. We need someone to help run the women's basketball, the men's restricted league basketball, men's open league basketball, the youth league (Saturday mornings) and a

couple of tournament which are now in the planning stages.

The people of Loudon and Loudon County have been known to rise to occasions in most any way they can to help better their community and in this one way they can be of great help. It is imperative that we have help in order to have these programs and to expand them. I feel that the people of Loudon need and want these programs and they will be something for which

we can all be proud.
Bill Birkholz
Recreation Director

Some people believe that dragon fire will sew up the mouths of nagging women.

DRY, DON'T FRY

That's one rule for getting the most efficient use from your clothes dryer. Overdrying, frying, is rough on fibers, it sets wrinkles, and it wastes electricity.

Another clothes dryer efficiency tip is to clean the lint filter after each load. This lets the dryer work faster.

A third efficiency tip is to dry full loads. Small loads don't utilize all the heat produced by the dryer.

And here's a word to the wise. Some clothes dryer fabric softeners and anti-static conditioners have damaged dryers. When this is the case, dryer manufacturers rightfully void the warranty. Be careful. Use only those products guaranteed not to damage dryers.

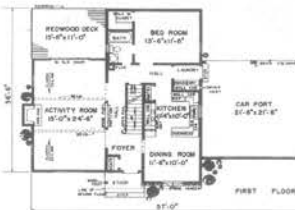

Use Electricity Wisely

LOUDON UTILITIES

FITS ON A SMALL LOT
CHALET HOME HAS ACTIVITY AREA

FEATURE HOMES
By W. D. FARMER

A large activity area is the feature of this home for pleasant living. Highlights of the room include a central fireplace and sliding glass doors exiting to a rear wooden deck. An open air effect is created by the slope ceiling with beams and the view into the foyer and balcony upstairs.

The U-shape kitchen is a step saver and offers a lot of cabinet and counter space. A pantry is included also. Location next to the dining area allows easy transfer from kitchen to table.

Adjacent is a laundry area with washer-dryer connections.

The first floor bedroom has a walk-in closet and direct access to a full bath with a vanity.

The remaining two bedrooms are located upstairs. The master bedroom has a dressing area with a long vanity, a private bath and an oversized walk-in closet.

The European style chalet exterior uses rustic siding and stone veneer. The upper floor has the old world "wattle and daub" effect by utilizing half timber and stucco construction. The gable roof and scalloped frieze, help to emphasize the design.

The first floor contains 1156 square feet and the second floor contains 800 square feet for a total of 1956 square feet.

For further information on plan 953, write W. D. Farmer, Residence Designer, Inc., P.O. Box 49465, Atlanta, Ga. 30322.

Satterfield At Sheppard AFB

Airman Steven M. Satterfield, son of Mrs. Mary E. Satterfield of Philadelphia, has been assigned to Sheppard AFB, Tex., after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard

for specialized training in the medical service field. Airman Satterfield, a 1972 graduate of Loudon High School, attended East Tennessee State University.

Exceptional Children Parents Meet

A meeting of parents of exceptional children and parents who think their child is exceptional will be held at 7 p.m. Thursday, Nov. 7 at the community room of the Bank of Loudon County.

An exceptional child was described as one with special educational needs caused by unusual physical, mental or emotional conditions. All parents are welcome to attend.

Four Degrees Saves

Million Tons Coal

The small difference between 72 degrees and 88 degrees on thermostats of the 750,000 Tennessee Valley homes heated with electricity makes a big difference in TVA coal requirements—about one million tons in a typical winter heating season.

TVA has called for emergency power curtailment efforts, including electric heat levels no higher than 88 degrees, to help maintain power plant coal stockpiles that are far below the levels normally needed in anticipation of the winter heating season.

"If you're going to find savings in consumption you have to look where the power is being used, and during this coming winter the heavy concentration of electric heating in the region will require large amounts of energy," says James R. Burdeshaw, TVA Director of

Power Marketing. "Major savings of electricity will come from lower thermostat settings on electric heating systems. Setting the thermostat on 88 degrees instead of 72 degrees will save 20 percent of the energy used for heating. This kind of saving can reduce TVA's coal needs by almost one million tons during the heating season, based on normal sales. Keeping the cold air out and warm air in by adding insulation, storm doors and windows and caulking to make homes tight adds to the energy savings," he said, and these measures also cut dollars off of the monthly electric bill.

Consumer information pamphlets on ways to save on electricity are available from TVA and from most of the region's municipal and cooperative local electric systems.

LEGAL NOTICES

NOTICE TO CREDITORS
Estate of Hattie Allison, deceased.
Notice is hereby given that on the thirtieth day of October, 1974, Letters of Administration, in respect to the Estate of Hattie Allison, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise, their claims will be forever barred.
This October 30, 1974.
James R. Burdeshaw, Administrator of the Estate of Hattie Allison, deceased. (11-7-2c)

Notice is hereby given that on the thirty-first day of October, 1974, Letters of Testamentary, in respect to the Estate of Omer Fred Wells, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise, their claims will be forever barred.
This October 31, 1974.
Lona M. Wells, Executrix of the Estate of Omer Fred Wells, deceased. (11-7-2c)

me, as Trustee under said instruments, I will, on Thursday, the 26th day of November, 1974, offer for sale and sell in front of the courthouse door in Loudon, Tennessee, at 10:00 a.m., Eastern Standard Time, to the last, highest and best bidder, for cash in hand, and in bar of the equity of redemption, the following described tract of land, situated in the First (1st) Civil District of Loudon County, Tennessee and more particularly bounded and described as follows:
BEGINNING at a stake in the public road leading to the old Redman Farm; thence South with the line of Howard and Green 13 rods to a stake; thence with the line of Lindsey West 13 rods to a stake corner to Lindsey; thence with Lindsey North 13 rods to a stake in the center of said public road; thence with the said road East 13 rods to the beginning, containing one (1) acre, more or less, excepting a certain lot 90 x 111 feet conveyed to Wilburn Clemmer.
This being the same property conveyed from Cora Clemmer to Wilburn H. Clemmer by a deed of record in the Register's office for Loudon County, Tennessee, in deed book 110, page 201, in which Cora Clemmer reserved a life estate, and by deed of Wilburn H. Clemmer to Lou Crawford dated April 13, 1974, of record in the Register's office for Loudon County, Tennessee, in deed book 117, page 544.
Trustee believes that said property is free and clear except for current taxes, but is to be sold subject to all matters.
This 2nd day of November, 1974.
Donald L. Canter, Trustee
Fowler & Gibson, Attorneys
Post Office Box 366 Loudon, Tennessee 37774 (11-7-2c)

IN MEMORY
In loving memory of Billy Joe Crawley, who died one year ago, November 4. Your gentle face and patient smile with gladness we recall. You had a kind word for each and died beloved by all.

The voice is mute and still. The heart that loved us well and true. As bitter was the trial to part from one so good as you.
We do not need a special day to bring you to our mind. The days we do not think of you are very hard to find. Since you went first and we remain to make the road alone, we live in memories garden of happy days we have known.
A million times we have needed you, a million times we have cried. If love could have saved you, you never would have died. In life we loved you dearly, in death we love you still. In our hearts you hold a place, no one else can fill. It broke our hearts to lose you, but you didn't go alone, for part of us went with you.
God gave us the strength to face it and the courage to bear the blow. What it meant to lose you only God will ever know.
You are not forgotten. Daddy, nor will you ever be, as long as life and memories last, we will remember thee.
Your smile has gone from us yet Daddy, your hands we cannot touch. Thank God for the memories of the one we loved so much.
Sadly missed by sons and daughters, mother and brother, The Crawleys.

ATTEND CHURCH

What Does It Take To Build A Church?

Partners you give to the church on the corner once in a while and wonder what it would be like to see during a service. What is that does their people to that particular building every week? What built that church?

The only possible answer is — the love of God. How love of God prompted them to sacrifice and give to that sanctuary right here. The love of God compels them to sacrifice with others who serve Him. How love of God compels them to give and tell others.

We pray that you will be able to teach a church this week, and that you will always remember us — the love of God.

As the church grows, it will be able to do more for the community. It will be able to do more for the world.

As the church grows, it will be able to do more for the community. It will be able to do more for the world.

NOV 7 1974

BACK IN THE GOOD OLD DAYS

Now that the basketball season is upon us, the interest is growing by leaps and bounds in this sport. Along with the current interest comes those of us who look back to the years past and do a little thinking. We have been pleased with some good old time basketball team pictures which have come our way in the past few weeks. This week we have a basketball team picture which comes to us from Roy Goddard of over in Greenback. Mr. Goddard was a member of this team and we are grateful to him for remembering the Good Old Days.

This was the Greenback High School team of 1945. We don't know what kind of year the team had when this picture was taken but we do know that Greenback High has had some good teams over the years.

Mr. Goddard identified those in the picture as follows:

Ellis Evans, Jr., Graham Cooper, Jr., Raymond Newberry, Gilbert Hartsell, Owen Evans, Roy Goddard, Billy Blankenship, Joe D. Hall, Lee Johns, Jr., Harry Newberry, G.D. Cooper, coach and Cowan McCammon, mgr.

We were glad to receive this picture for several reasons. One, it is a good basketball picture and very timely. Second, it is from the Greenback area of Loudon County and we would like to have more pictures from this section of our area. Anyone in this section who has old pictures we would like very much to use them for the Good Old Days.

Our other picture we have this week is of some well known Loudon men, all of whom worked over the years for Charles H. Bacon Hosiery Mills.

According to Mrs. Bethel

Jenkins, who loaned us this picture, these men would get together about once a week for a fishing trip down around Kingston. Many of them would ride down the river on the Bacon Co. Cruiser and others would drive down and meet them for a weekend of fishing. According to Mrs. Jenkins, they had those who would fry the fish while others fished. Sometimes they would invite Rev. Boyer, a well known Loudon minister to go along with them. We are sure most everyone in those days in Loudon remembers Rev. Boyer. He loved fish and loved to be with people. Mrs. Jenkins said they always looked forward to having him come along on these trips.

This picture was made on the back of the cruiser as the fishing boat is tied alongside the cruiser. Those in the picture are Vernon Kirkland, Wesley Watkins, McComa George, and the late Bethel Jenkins. Others who often made these trips were Charlie and Otto Chihaz, the late Charlie Brackett, Dick Ferguson, Mr. Bruckner, John Johnson of Lenoir City and J.E. Greenway.

Most of the folks from the Boatouse which housed the cruiser's down behind the hosiery mill at Loudon. As I recall, having seen it cruising up and down the river, it was a mighty fine and fancy boat for these parts.

I recall Mr. Kirkland's interest in boating when he came to Loudon and I believe I am correct in saying that he possibly brought some of the most modern outboard boats and motors to this area. As a boy, it was my delight to watch as he roared up and down the river. He created a lot of interest in surfboard riding, which was new to our area. A lot of people were trying their hand at making their own and giving surfboard riding a try. Our many thanks to Mrs. Jenkins for the loan of this picture.

Maremont To Move Corporate Offices

Maremont Corporation has announced that it plans to move its corporate offices to the Standard Oil Building, 200 East Randolph Drive, Chicago. The move is scheduled for Spring 1975. Maremont operates a muffler and exhaust systems plant in Loudon.

The Company's corporate offices since 1957 have been located in the Maremont Building at 168 North Michigan Avenue, Chicago. The building has been sold to the National Bank of Greece.

Maremont will occupy the 52nd and 53rd floors of the Standard Oil Building, about 80,000 square feet of space. Richard D. Abelson, Chairman and Chief Executive

Officer, said, "This is a significant move for Maremont Corporation. We expect that the consolidation of our headquarters offices on two 30,000 square foot floors will result in important operating efficiencies, compared with our present ten-floor layout."

The Standard Oil Building is the World's fourth tallest office structure and contains over two million feet of office space. It was completed earlier this year and today is over 80 percent rented.

Chicago-based Maremont manufactures and distributes shock absorbers, exhaust systems, foreign vehicle parts, friction material and truck parts.

Woman Hurt In Wreck Friday Night

Dora A. Johnson, 26, Webster Court, Loudon, was admitted to Loudon County Memorial Hospital Friday night for observation following a traffic accident on U.S. 11 between Loudon and Philadelphia.

The injured woman was driver of a car hit from the rear by another car driven by William K. Hamilton, 57, of Rt. 1, Philadelphia. Hamilton told Trooper George Pierce he was unable to stop when he came upon the Johnson car which was stopped for a car turning off the highway.

Never been sick?

Then, you'll be interested in this new Disability Income plan!

Keep this new plan in force until maturity and its monthly back feature provides a refund of your premiums less any benefits you have received over the years.

Meantime, you have the peace of mind security of knowing your family will have an income to live on if a covered sickness or accident keeps you from working.

Sound like the kind of Disability Income plan you've been looking for? Then, call me today for full details.

UF Just \$1,074 From Completion

"We can't quit when we are so close to reaching our goal," was the comment by United Fund campaign Chairman Jack Atkins and Fund President Charlie Davis, Monday when what was supposed to be the last United Fund report meeting showed the drive was just \$1,074 from reaching the \$51,149 goal.

An additional \$4,707.92 was reported Monday bringing the current campaign total to \$50,075.36. Atkins said being so close to victory in the campaign brought the decision to extend the drive one more week, to give those who had not made their contributions or pledges another chance. He urged all campaign workers to make one more effort in their areas to get the drive "over the top."

Atkins said at 12:30 next Monday at the Loudon Junior High Cafeteria a victory luncheon complete with party hats and horns would be held. He said all campaign workers, captains and division chairmen were invited to attend.

New money reported this week included \$83 from the Philadelphia community; \$674.37 from Greenback; \$104 from Lenoir City business; \$222.50 from Lenoir City residential; \$1,234.10 from Loudon business; \$102.75 from Loudon residential; \$31 from Sheffield Steel; \$1,234 from Union Carbide at Oak Ridge; and \$1,006.20 from Union Carbide at Loudon.

Bar Association Says Collection Agency Is Practicing Law Illegally

The Loudon County Bar Association filed a lawsuit in Circuit Court last Wednesday against the East Tennessee Collection Agency, saying the suit, regularly engages in the unauthorized practice of law by filing lawsuits on behalf of the collection of delinquent accounts, that the Agency regularly appears in General Sessions Court for execution under the judgment. The complaint further says that East Tennessee receives as much of the sum of \$8 effected by the filing of lawsuits, the appearance in Court, and the execution thereafter and that such actions on the part of the Agency constitute the unauthorized practice of law at the employees and agents of the Agency are not licensed attorneys pursuant to state laws and rules set out by the State Supreme Court.

The lawsuit asks the Agency be required to answer the complaint and that a hearing be held and a permanent injunction be issued by the court enjoining the Agency from engaging in the practice of law, and that the Bar Association be given general relief.

Price Named Philadelphia Postmaster

Sectional Center Manager Postmaster C. Edwin Graves announced the appointment of Mr. Roe H. Price to the position of Postmaster at Philadelphia. The appointment was effective Saturday, Nov. 9.

Mr. Price is a career postal employee, having entered the Postal Service as a substitute rural carrier in 1953. His most recent assignment has been that of postmaster at Erie, Tennessee.

This promotion is in keeping with the Postal Service practice of appointing career employees to postmaster positions, Mr. Graves stated. A resident of Roane County for 25 years, Mr. Price is active in community affairs.

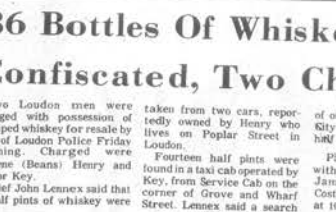

86 Bottles Of Whiskey Confiscated, Two Charged

Two Loudon men were charged with possession of stamped whiskey for resale by City of Loudon Police Friday morning. Charged were Eugene (Beans) Henry and Junior Key.

Chief John Lennox said that 70 half pints of whiskey were taken from two cars, reportedly owned by Henry who lives on Poplar Street in Loudon.

Forty-half pints were found in a taxi cab operated by Key, from Service Cab on the corner of Grove and Wharf Street. Lennox said a search of other cabs at Service and City cab turned up two more half pints.

Participating in the raids with Lennox were officers James Oody and Jessie Costner. The raids were made at 10:30 a.m. Friday.

CONFISCATED WHISKEY—Loudon Police Chief John Lennox looks over 86 halfpints of bonded whiskey that was confiscated in two raids in the city of Loudon Friday. Charged with possession was Eugene (Beans) Henry and a taxi driver Junior Key.

Car Hits Pole, One Killed, Two Hurt

DEATH CAR RIPPED APART—Junior King of Loudon was killed and two other men injured when King's car (above) slammed into a telephone company pole and was ripped apart Saturday. The rear section of the car is shown at left near the broken pole. The front section of the car is at right, 114 feet away from the impact area. All occupants were thrown from the cars.

One man was killed and two others injured Saturday when the car they were riding in slammed into a telephone pole on U.S. 11 at Wicker's Motel just South of Loudon.

The victims, identified as the driver of the car, Johnnie Junior King, 34, Clyde Street, Loudon. He died at University Hospital in Knoxville in surgery for massive head, neck and internal injuries about three hours after the power pole hitting. State Trooper George Pierce.

Admitted to Loudon County Memorial with broken ribs and other injuries was John Harold Lanier, 35, Clyde Street, Loudon. Bobby Massey, 29, Main Street, Loudon, was treated for cuts at Loudon and released.

Trooper Pierce said that the northbound car was apparently traveling at a high rate of speed, went out of control across the south-bound lane and struck the power pole about 5:45 p.m.

The rear portion of the car, a 1965 Falcon, and the roof, were found beside the utility pole and the front passenger section traveled about 114 feet stopping against a mobile home at the motel.

All three occupants were thrown out of the car. King is the 16th traffic fatality recorded in the county this year.

The force of the impact severed a South Central Bell cable and left the residence of Green Acres subdivision without telephone service for about the day. A tractor-trailer truck trying to stop just as the accident happened struck a power pole on the opposite side of the road causing a fire on the lines, leaving a major portion of the Loudon area without electric power for about 30 minutes.

King was employed at Athens Table Company. He formerly was employed at Don P. Smith Chair Company. He also headed a musical

School Board Discusses Facilities For All County Students, Vo-Ed School Site Problem Arises

During a discussion concerning a proposed study of the County School System the Loudon County School Board indicated that it is unhappy with the on-again off-again consolidation talk by the Lenoir City School System.

Board member Ted Wampler said at Thursday night's meeting of the County Board of Education that he thinks the county should plan toward providing education for all county students, including those attending school in the Lenoir City System.

Wampler said the county board had talked about this before and it is the feeling of the majority of the board and several court members. He said that the talk of consolidation has held back any plans for school buildings and improvements because the consolidation would have a drastic effect on the county system. He feels that the county needs to direct its planning toward educating all students who live in the county. More than half the students presently attending Lenoir City High School reside in the county.

Board member J. B. Hagler agreed saying that the proposed comprehensive study for the county should reflect what steps the county should take toward pulling its students out of the Lenoir City system, if it continues, and getting them under the direct control of the county system. It was pointed out that about a third of all county funds for education are put into the Lenoir City system pay the costs of county students in the schools.

During the discussion the Board directed Superintendent Edward Headlee to seek \$11,000 from the County Court to pay for a comprehensive study of the system by professionals at the University of Tennessee.

Hagler said that the study should be a guideline for planning all phases of school activity in the county for at least 20 years, and it should help cut down the possibility of making mistakes in building during the next several years when a drastic building program must be undertaken.

The Board left out a section of the study that would have dealt with the Lenoir City system. He asked that all county students in the Lenoir City system be included.

The Board also gave Headlee the authority to ask County Court to provide funds for the construction of additions to Loudon Junior High and Greenback Schools that had earlier been announced. Headlee said he had plans to do this at the December court meeting.

Headlee said that the total bond issue for the school additions, which will cost

about \$1.8 million, would have to be \$2.7 million because of the share that would automatically go to the Lenoir City system.

Hagler, who was a member of the joint Lenoir City County Steering Committee to find a site for the \$1.8 million state Vocational School for the county, reported that the committee had not proposed the purchase of the Quintus Mills property off Church Drive in Lenoir City. He said that several squares thought that there was a block amount of funds for site preparation, building, equipment and first year operations of the center and if the county wanted to they could use some of the funds for the property. The state would pay for the land and let the total amount of state funds be used making the school a complete vocational center, saying if the county used any of the state funds, that same amount would be taken away from the total center plan.

The board granted the Loudon High School senior class four days of leave from class for the planned class trip to the Bahamas in March.

On the recommendation of Superintendent Headlee Mrs.

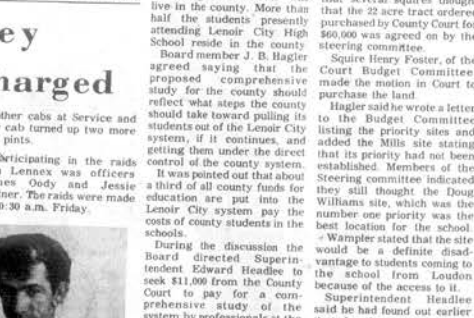

Jackie Williams, was hired as the county reading resource teacher. Headlee said that \$19,000 in state funds for the resource project had been approved and that the program would include a reading program for all students in the first, second and third grades. He said the resource teacher would coordinate the program in the 41 classes in the three grades throughout the county.

A request by the city of Loudon recreation department to lower the \$10 a night fee for use of the old Loudon High gymnasium for the City's winter program was discussed but not acted on.

Board member Wampler brought up the fact that he was under the impression that the city was supposed to blacktop the roadways and parking areas at Loudon High School in exchange for the site for the new city park next to the school.

It was brought out that the county court had agreed for the city to fill in a large ditch between the school and park in exchange for the property. The board was questioning the action because it was not brought back to the school

(Continued On Page 7)

MR. KING

City May Bring Lawsuit Against Pool Contractor

Loudon City Commissioner approved taking legal action against the contractor who built the new city swimming pool because of a leak in the water system at the pool.

Knoxville contractor W. A. Mackee was the contractor.

City Administrator Gary Hensley said that for months efforts to get the contractor to repair the broken water main has failed. He said last month the water bill during October when the pool was not even in use was \$300.

The parking spaces on Wharf Street reserved for use by taxi cabs, but not presently rented are being converted by the commission. One will be used as a parking space for a city police cruiser and the other will be used for public parking.

A resolution calling for a public hearing to amend the city zoning ordinance was approved and Dec. 9 set for the public hearing. The amendment calls for a section of Mulberry Street, from Keene Street westward to the Light Manufacturing Zone to be rezoned from residential to professional. Administrator Hensley said that growth pressures indicated the need for the action and the change would not interfere with, continued use for residential or public use. He said that residential development, but it would allow for the location of low traffic oriented professional offices in the area. The recommendation was made by the City Planning Commission.

Commission delayed until Nov. 28, when they will have an adjourned session at the Housing Authority office, action on a proposal for improvement at the Legion Park ballfield. Construction of a new concession stand for the park had been budgeted for this year. The vocational trades classes of the county has proposed to furnish the labor and build the concession stand if the city will furnish material.

The commission put off their decision to give them time to study the proposal. Drawings that were submitted for the first time Monday night.

For and about Women

Vows Set For December 14...

Miss Blankenship Engaged

Rev. and Mrs. R.L. Blankenship of Loudon announce the engagement and forthcoming marriage of their daughter, Patricia Ann to Paul David Julian, son of Mr. and Mrs. Henry Julian of Loudon.

Grandparents of the bride-elect are the late Mr. and Mrs. W.L. Nicholson, Sr. of Voores and Mr. and Mrs. J.H. Blankenship of Loudon.

Grandparents of the groom-to-be are Mr. and Mrs. Ed Alexander of Loudon and Mrs. Edna Julian and the late Floyd Julian.

The bride-elect, a graduate of Loudon High School, is attending Roane State Community College. The groom, also a graduate of Loudon High School, is employed by Marenmont Corporation.

The couple will exchange vows on December 14 at 7 p.m. at Riverview Baptist Church. No invitations are being sent. All friends and relatives are invited to attend.

Guider-Moses Vows Planned This Month

The engagement of Erax L. Guider of Loudon to Frank Moses of Monroe County was announced this week. The couple plan to wed later in November. Mrs. Guider is employed at Don P. Smith Chair Company.

Effective November 27, 1974

\$40,000

Insurance In Force on All Bank of Loudon County Deposit Accounts

We've got you covered at Bank of Loudon County. And soon, you'll be covered by twice as much depositor's insurance as before.

As of November 27, each deposit account up to \$40,000 will be fully covered by the Federal Deposit Insurance Corporation - twice the amount in effect since 1969.

When the effective date is reached, all accounts will automatically be covered. And, of course, all new accounts will be covered, too. Your coverage can also be extended beyond \$40,000 when your deposits are made in separate accounts. Your joint account with your spouse and your individual account, for example, will both be insured for \$40,000.

We'd be happy to answer any questions. Just call or come by.

Remember: after November 27, all deposit accounts at the Bank of Loudon County will be insured for \$40,000 by an agency of the federal government.

Vice President**

Joseph Webb of Loudon, a student at the University of Tennessee, Knoxville, has been elected vice president of Acacia Fraternity at UTK. Acacia was founded at the University of Michigan in 1904, and the Tennessee chapter was founded in 1964. Webb is a third quarter freshman majoring in industrial education.

**Loudon Band
Boosters To
Meet Monday**

The Loudon Band Boosters Club will meet Monday, November 18 at 7:30 p.m. in the bandroom. President Charles Jones said this is a very urgent and important meeting and he urges all band parents to attend.

Mr. and Mrs. Charles Henry and Danny have returned from a visit with their daughter, Mrs. Ron Cole and Mr. Cole in Monroe, Mich.

Mrs. Bob Hood of Morristown spent Wednesday with her parents, Mr. and Mrs. Ben Hammonree. Mrs. Leonard Kerr spent Saturday with her son Mr. and Mrs. David Kerr in Lenoir City.

Mr. and Mrs. Leon Hammonree are on a fishing trip in Clearwater, Fla.

Mrs. Helen Jackson is at home from Park West Hospital and is improving satisfactorily.

Mrs. J. V. Akers of Morristown was the guest Wednesday of Mrs. M. G. McTeer.

Mrs. E. W. Ellington of Kingsport was the weekend guest of her mother, Mrs. Gid and brother, Mr. and Mrs. Ralph Hall.

Mrs. Jennie Green, who underwent surgery in Blount Memorial Hospital, has returned home and is recovering nicely.

Mr. and Mrs. James Adams and family have been the guests of their daughter Mrs. Larry Reese (Joy) and Mr. Reese in Nashville.

Mrs. James Rogers is improving from illness at her home here after several days treatment in the Blount Memorial Hospital.

Mr. and Mrs. Johnny Hankenship and David of Oak Ridge spent the weekend with Mrs. C. O. McCall.

MISS SCARBROUGH HONORED—Brenda Scarbrough, bride-elect of Arthur Lee Lindsey, was honored Sunday, Nov. 10 with a linen shower at the home of Mrs. Patsy Arden, Green Acres, Loudon. Hostesses for the event were Mrs. Arden, Mrs. Janette and Mrs. Kaye Lindsey. Pictured with the honoree are Mrs. Alma Lindsey (left) mother of the groom-to-be and Mrs. Ray Scarbrough, mother of the bride-elect. The couple will exchange vows on Friday, November 29.

The University of Tennessee

If you're fortunate enough to have a fireplace you may wonder if this is the time to let it produce heat for your home—in addition to the radiance that it provides. However, it is not the most efficient means of producing heat for your home.

But—in spring and fall, a fire will help ward off the early chill more economically than a large heating system—and in times of power shortage or failure it can be used for heating and cooking, if need be. A standard cord of air dry, dense hardwood weighs approximately 2 tons and provides as much heat as 1 ton of coal, or 150-170 gallons of No. 2 fuel oil, or 24,000 cubic feet of natural gas.

Some fuels are health hazards—and cause pollution. But wood is much lower in irritating pollutants than most fuels—and the wood-burning fireplace often offers a touch of nostalgia.

At November Home Demonstration Club meetings

my demonstration is on "The Makings for a Country Christmas." The theme for this year's Christmas could easily be described as "Country" with lots of plaid and calico. I am sharing my ideas for decorations and gifts to help carry out this theme. The pamphlets including instructions for many decorations and gift items are available by calling the Agriculture Extension Service Office (438-2871) and give your name and address.

**Singing Set
For Sunday**

The Loudon County Singing Convention will meet Sunday, November 17 at 1:45 p.m. at Mt. Zion Baptist Church, Taylor Knox, president, in view everyone to attend.

**Tammy Brannon Is
Miss Autumn Queen**

Miss Tammy Julie Brannon of Lenoir City, was chosen Miss La Petite Autumn Queen on October 18 at Maryville Junior High School. She is 16 years old and is the daughter of Mr. and Mrs. Joe Brannon of Lenoir City.

Miss Brannon was crowned Miss La Petite in the nine to 16 year old age group. They were judged on beauty, personality and talent. Miss Brannon chose as her talent a twirling act.

Miss Brannon was also chosen by the girls in the entire pageant as Miss Congeniality. She received this award at a tea in honor of the girls held at the Quality Inn in Lenoir.

She also placed third with the highest points in competition with girls from the overall pageant ranging from ages 6-16 years old.

The Rev. and Mrs. E. H. Finger family were hosts and hostesses at a family tea on Sunday afternoon, honoring the bride-elect of Rick Finger, their grandson who will be married to Miss Patsy Stevens of Athens on Dec. 21 at the Athens First Baptist church. Miss Stevens teaches in the Athens school system and Rick will graduate from Tennessee Wesleyan College in December.

Attending the tea were 75 members of the Finger, Wright and Large families. Assisting in serving were the Finger daughters, Betty, Shirley, Kitty, Norma and Glenda. The couple received many lovely gifts for their new home.

Mrs. Fred Bell and Mrs. Harley Myers spent two days in Memphis last week.

Mr. De Lynn Shepherd of Asheville, N.C. attended the ball game Tenn. School for Deaf Frigidate Friday and was the dinner guest of Mr. and Mrs. Rex Shepherd.

Mr. and Mrs. Gene Tarwater spent the weekend at their Gatlinburg home.

Mr. John H. Tarwater was in Nashville over the weekend at the bedside of his wife in Vanderbilt Hospital. Mrs. Tarwater is reported improving slowly.

The Rev. and Mrs. Paul Hatfield of Middleboro visited at the weekend with her parents, Mr. and Mrs. Joe Wear and Miss Maude Peterson.

Mr. and Mrs. Gamble Law of Lakemont were guests Sunday of Mr. and Mrs. Joe Wear and Mr. and Mrs. S. B. McCallum.

Mr. and Mrs. P. S. Ferguson of Bryson City, N.C. and Mr. Sam McCallum of Maryville were guests Sunday of Mr. and Mrs. S. B. McCallum.

Miss Linda Cabe of Knoxville U.T. Hospital visited with Mr. and Mrs. Garfield McCarter at the weekend.

Mr. and Mrs. Kenneth Brown of Maryville were guests Saturday of Mrs. J. E. Hammonree.

Mr. and Mrs. Johnny Powell and Scotty of Maryville spent Sunday with her parents, Joe and Mrs. J. G. Hudson.

The Greenback Home Demonstration Club met Friday Nov. 8 in the R.E.A. guest house with Mrs. Genie Stansbury the president in charge. The morning session

With Purchase of Any Frigidaire Appliance
Range, Refrigerator, Washer, Dryer, Dishwasher

Introducing the Revolutionary **Touch-N-Cook Range** from Frigidaire and General Motors

Elegance, 22.0 cu. ft., and 100% Frost-Proof convenience, combined by Frigidaire.

The largest Frigidaire refrigerator, 8.10 cu. ft. is freezer with top-to-bottom storage, separate ice storage and a sliding basket. Five refrigerator shelves (4 fully adjustable, cantilever), and "Add-On" Automatic Ice Maker (extra charge) make this giant a virtual super-market. Distinctive smoked onyx accents put it in a class all its own.

Easy cooking is right at the tip of your finger. Just touch the control you want, touch the time and temperature settings you need. The Frigidaire Touch-N-Cook Range remembers and carries out your cooking instructions with precision. And its precision you can count on, thanks to the dependable, 100% Solid-State circuitry of the

Touch Control Panel. You'll find cleaning just as easy as cooking with the Touch-N-Cook Range. The Control panel is flat and smooth, wipes clean with a damp cloth. So is the one-piece ceramic cooking surface. And no special cookware is required. The oven? Just lock the oven door, and with the touch of a finger it begins cleaning itself automatically.

PAGEANT REHEARSALS—Some of the 21 contestants in the Loudon County Junior Miss Pageant, set for Saturday night at Lenoir City High School are shown in one of the rehearsal sessions held during the past two weeks.

21 Girls Vie For County Junior Miss Title Saturday

Saturday night will be a big night for the 21 Loudon County young women competing for the title of Loudon County Junior Miss. The pageant to name the County winner will represent her home county in the state event, to be held beginning at 7 p.m. Saturday in the Lenoir City High School auditorium. The event is sponsored by Xi Alpha Psi Sorority of Lenoir City. The participants will be judged on scholastic ability, poise and appearance, youth fitness, creative and performing arts, awareness, perception, ability in human relations and contributions to family and community.

The 21 contestants and their parents are as follows: Mary Barnett, daughter of Mr. and Mrs. C. F. Barnett, Lenoir City.
 Pamela Boone, daughter of Mr. and Mrs. C. H. Boone, Sr., Loudon.
 Rhonda Kaye Brown, daughter of Mr. and Mrs. Bobby G. Brown of Greenback.
 Michelle Cooper, daughter of Mr. and Mrs. Graham Cooper, Greenback.
 Terrie Dalton, daughter of Mr. and Mrs. S. L. Dalton, Lenoir City.
 Terry Jo Dukes, daughter of Mr. and Mrs. A. C. Dukes, Jr., Loudon.
 Teresa Goddard, daughter of Mr. and Mrs. Roy L. Goddard, Greenback.
 Aquilla Hensley, daughter of Mr. and Mrs. Homer E. Hensley, Loudon.
 Elizabeth Hagan, daughter of Rev. and Mrs. Dillard Hagan, Loudon.
 Jennifer Lynn Harrison, daughter of Dr. and Mrs. Sam Harrison, Loudon.
 Yarrow Harrison, parents deceased of Loudon.
 Marcie M. Kelso, daughter

of Mr. and Mrs. Arthur Kelso, Loudon.
 Linda Faye McConkey, daughter of Mr. and Mrs. Ed McConkey, Lenoir City.
 Cindy Denise Padgett, daughter of Mr. and Mrs. Ralph Padgett, Lenoir City.
 Sharon Parris, daughter of Mr. and Mrs. Harold Parris, Lenoir City.
 Carol Ann Quillen, daughter of Mr. and Mrs. Earl Quillen, Greenback.
 Rita Ann Hittner, daughter of Mr. and Mrs. Don Ritchey of Loudon.
 Michaela Smith, daughter of Mr. and Mrs. William E. Smith, Loudon.
 Pamela Michelle Smith, daughter of Mr. and Mrs. W. T. Smith, Lenoir City.
 Susan Smith, daughter of Mr. and Mrs. Robert Smith, Jr., Lenoir City.
 Herb Webb, daughter of Mrs. Mary Nell Webb, Lenoir City.

The sponsors of the Junior Miss event promise that a very entertaining evening will be provided for those attending. They say the talent selections of the girls and their presentations in evening gowns and sportswear will be a very good show.

The winner will receive a number of gifts including a \$200 scholarship, trip to the State Junior Miss Pageant, and a \$75 savings bond. Savings bonds will also be awarded in the runner-up spot and in the scholastic competition.

Advance tickets are \$1 for students and \$1.50 for adults. Tickets will be 50 cents higher at the door the night of the pageant.

With Your Schools

ROSS H. WILSON, Superintendent
Lenoir City Schools

Adults interested in furthering their education should enroll in Basic Adult Education Classes at the Middle School on Monday Evening of each week. These classes provide instruction for anyone who is unable to read and write as well as preparation to take the GED Test. Anyone who became a dropout prior to completing high school should take advantage of the GED Test and enroll in preparation for the test. Thousands of adults take the GED Test annually and many of them qualify for the Equivalency Diploma. A test score of 45 is required to receive the Equivalency Diploma.

Adults interested in typing, shorthand, or Drafting may enroll in these classes at Lenoir City High School or Loudon High School. Drafting is offered at the Old Loudon High School and the other courses at Lenoir City High School.

Major Problems Confronting Public Schools
 The sixth annual Gallup Poll of public attitudes toward public education shows the following to be the most crucial problems facing public education:
 1. Lack of discipline
 2. Integration-Segregation problems
 3. Lack of proper financial support
 4. Use of drugs
 5. Difficulty of getting good teachers
 6. Size of school classes
 7. Parents' lack of interest
 8. School board policies
 9. Poor curriculum
 10. Lack of proper facilities.

In this survey the question was asked concerning prayer in public schools. Would you favor an amendment to the U.S. Constitution that would permit prayers to be said in the schools? Seventy-seven percent answered in the affirmative.

Work Study Applications Available For Vocational Students
 Lenoir City high school students enrolled in vocational classes may submit an application for work under the Work Study program. This program is operated at Lenoir City High School under a grant from the State Department of Education.

To be eligible for Work Study a student must meet the following criteria:
 1. Enrolled in a vocational program
 2. In full time attendance as a full time student
 3. Passing all courses and doing satisfactory work in all areas
 4. Meet the following economic scale of family income:
 Number in family Income:
 2 children Not over \$4300
 3 children Not over \$5300
 4 children Not over \$6300
 5 children Not over \$7300
 6 children Not over \$8300
 5. Submit application signed by parent or guardian.

Application forms are available at the Guidance Office, Lenoir City High School. Please see that every application form.

I Seek Your Vote And Support

Robert W. (Bill) HODGE

Candidate For City Recorder-Treasurer
City of Lenoir City

I am a lifelong resident of Loudon County having lived in Lenoir City for 11 years. My wife is the former Shirley Phillips. We have three children, Rich and Yvonne graduates of Lenoir City High and Richard a sophomore at LACS. I am a member of the First Church of the Nazarene at Lenoir City. I am co-owner of Jack's Drive-In Restaurant and a representative of Home Beneficial Insurance.

YOUR CONSIDERATION IN THE DEC. 5, 1974 LENOIR CITY ELECTION WILL BE MOST GRATEFUL
 Fred Pol. Adv.

VIEW FROM THE HILL

by Edward Headlee
Loudon County School Superintendent

Congratulations
 Congratulations to the 1974 Loudon High School Redskins football team for a 9-0 season and a berth in the play-offs. Best wishes to the coaches and squad as they aim for their second championship in five years.

Building Program
 The County Court has seen the plans for the proposed additions at Loudon Jr. High and Greenback schools. We sincerely hope that the sponsors can see their way clear to authorize the funds necessary for these projects at the meeting on December 2. We urge parents and other interested citizens to contact the members of County Court and express their wishes on these two proposals.

Reading Program
 At its regular monthly meeting last Thursday the Loudon County Board of Education, clerks Ms. Jackie Williams to the position of Reading Resource Teacher. She and the aide to be hired by November 20 will attend a training session at U.T. on November 25-27. A reading resource center is to be set up in the same building as the superintendent's office.

Now, Your Money Is Insured Upto \$40,000 at Hamilton.

On November 27th, 1974, the Federal Deposit Insurance Corporation (FDIC) will increase its limit of insurance coverage on the money you have deposited at Hamilton Bank.

From \$20,000 to \$40,000. Double the coverage. Hamilton Bank has savings plans and checking accounts that really put your money to work. And, since we're a member of FDIC, Hamilton Bank has now doubled the safety of your money.

If you've got a question about savings or checking, ask the Hamiltons. We're here to help.

Hamilton Bank

Letter To The Editor...

Former Sheriff Says He Is Outcast

Dear Editor: Since I have been branded as an outcast in Loudon County, it has come for me to defend myself. I was born and raised in Loudon County and I think it is needless to comment on that for I am sure just about everyone in the County knows me and what I stand for.

Kenneth Brown who was their acting superior officer in my absence, who had been in Eastern State Hospital for a number of months, probably on the street and at the time the man was charged with arson, a felony in Loudon County.

Since our Chief Deputy Luke Bright has told people not to stop at my home to see me, some of my friends are afraid to be seen talking to me at ball games, on the street and at the Courthouse. If they will come in the back way on the dirt road and not their horns and blink their lights, I'll meet them down at the barn and talk to them.

asked the Sheriff about Kenneth Brown working and Joe Sims working as an adult officer, the Chief Deputy Luke Bright said what was wrong with the Sheriff's office was the former Sheriff was trying to run it. Well, for his information, I am not trying to run the Sheriff's office. I have more to do than I can get done taking care of my little farm and case without trying to stick my nose in Sheriff Guy Russell's business.

The people of Loudon County have been good to me for they let me serve as their Sheriff for 10 years, longer than any other sheriff in the history of Loudon County. For this, I am most grateful. I am not a perfect person nor did I make a perfect sheriff. My sole and only aim was to enforce the laws of Loudon County and to treat all people equal, regardless of white or black, big or little, rich or poor.

Now after the Merit Board had reinstated Kenneth Brown, our Sheriff said he did not have a bond for him, if the County wanted to pay him they could. After midnight the same night that Brown was reinstated, Chief Deputy Luke Bright called Kenneth Brown and told him to report to work at 3 a.m. He did not get to the office until the Chief Deputy came in and sent him down on the new 17s bridge to watch traffic, left him down there without a car or communications.

While they were having a burglary at Glendale Supermarket, they called the jail about 2:40 a.m. Kenneth Brown had already reported to work but could not leave to assist because of previous orders. The Sheriff had one car and one man on duty so the burglars got away. The same night, Anderson's IGA was robbed again. When some members of the County Court

Now, will the real Sheriff please stand up? It's time to let yourself be known. Signed, Freeman Russell.

Circuit Court Set For Session

A three week session of Circuit Court will begin on Monday, Nov. 18 with 29 cases scheduled for trial before the court adjourns on Dec. 12 with Judge Willard Kittrell presiding.

COUNTY CORONER Dr. W. B. Harrison (standing in door of car) talks with county deputy Lucian Kent as he examines the body of John Snider who was found dead of carbon monoxide poisoning in his car Sunday morning. The death was ruled a suicide.

John Snider Death Ruled Suicide

The death of John Snider, 63, Hines Valley Road near Eatons Crossroads, has been ruled a suicide by county coroner Dr. W.B. Harrison. Snider, believed to be a former employee of the Roane County Highway Department, was found in a parked car at his home by a neighbor, Mrs. Hattie Harvey, about 9:55 a.m. Sunday.

Deputy Brown May Sue Bright For Remarks

County Deputy Sheriff Kenneth Brown said this week that the remarks by Chief Deputy Luke Bright to county court last week about him were libelous and that he had hired an attorney to take what steps necessary to "stop this kid stuff once and for all."

and if Chief Bright will get his witnesses from out of state and bring them back he will take a polygraph (lie detector) test along with them.

Russell in the case because Russell was out of town, but Brown said that Sheriff Guy Russell had not left for a Sheriff's Association meeting in Nashville when Bright took the action at 7:45 a.m. in the morning, and did not leave until after 9 a.m. that morning.

Flood Insurance Meeting Set At Loudon

Officials of the Department of Housing and Urban Development along with Tennessee Valley Authority officials will meet Thursday, November 28 at 2 p.m. The meeting scheduled for the Utility Building Conference Room will deal with the new flood insurance program that pertains to the City of Loudon.

Playoffs Set For McMinn Central

Loudon Ends Regular Season With 9-0 Mark; Romps Past Winless Tornadoes 40-8

The Loudon Redskins exploded for 40 points Friday night at Alcoa, their second highest point total of the season, in route to a 40-8 win over winless Alcoa. The triumph was Loudon's ninth of the season and first unbeaten, untied team to wear the Redskins colors since 1962. The Redskins scored touchdowns in every quarter as Sam Lyle, Dennis Queen, and Porky Campbell all had standout performances.

Loudon took the opening kick-off and drove to the one yard line only to lose the ball on downs. But an alert Sam Lyle scooped up a Tornado fumble at the Alcoa four-

yard line and legged it home for Loudon first touchdown with 7:07 left in the first quarter. Skinner's kick was good. The two teams swapped a rash of fumbles with Donnie Thearp getting one for the Redskins. Alcoa was claiming two of four lost fumbles by Loudon and turned their second one into a touchdown from the Loudon 19 in just seven plays.

Trailing 8-7 in the second quarter Loudon used the running of Campbell and the passing of John Deatridge to Markon Brown and the arm of Dennis Queen to Sam Lyle for the go-ahead points.

The Loudon offense rolled so yards in four plays with Lyle's

Punting-Avg.	1-53	6-20.5

reception at the 3-13 mark of the second period turning the tide.

Loudon followed the act with a 37 yard touchdown strike from Queen to Rick Tucker as Loudon was able to open up with good field position after a 18 yard Alcoa punt.

Carter Cardwell got Loudon rolling with a pass interception in the second half. Queen's pass to Marlon Brown accounted for the last 11 yards and a touchdown.

Dickie Colvin then intercepted a second Alcoa pass and a 17 yard whip to Lyle from Queen made the score 34-8.

Colvin blocked a Alcoa punt to set up the final touchdown of the night. Carter Cardwell, at the controls, Loudon drove a final TD with junior Tim Kizer scoring a seven yard scoring pass.

Junior Porky Campbell, starting in the place of an injured Rick Melton, led the Loudon offense with 83 yards in 15 carries. John Deatridge carried the ball for 11 times and got 34 yards. Sam Lyle caught three passes for 38 yards and Marlon Brown grabbed two for 58.

Dennis Queen, later to be honored by the Knoxville Journal, as area player of the week for his pin point passing of four touchdown series and smooth running of the Loudon offense had a four yard average in five carries.

Kenny Skinner, Donnie Thearp, Dickie Colvin, Mike Yates, and Marlon Brown led the Loudon defense in tackling.

LOUDON	714125-40
ALCOA	0 8 00-8

Chargers Win, Gain Playoffs

Larry Carter scored two touchdowns on short runs and Eddie Wilson recovered a fumble in the end zone for a third TD as the McMinn Central Chargers rolled over Maryville's Red Rebels 22-0 Friday night and nailed down a berth in the AA division of the state high school football playoffs against Loudon.

Carter plunged over from a yard out in the first quarter to get all the points needed by the Chargers whose ferocious defense kept the Rebels at bay throughout the game. Maryville never crossed the 50-yard line.

Carter scored again in the final period and Wilson's fumble recovery was icing. Tom Poston accounted for the other Charger points with a 25-yard field goal and one PAT. McMinn Central 22-0-0 Maryville 0 0 0-0-0

throughout the game. Maryville never crossed the 50-yard line. Carter scored again in the final period and Wilson's fumble recovery was icing. Tom Poston accounted for the other Charger points with a 25-yard field goal and one PAT. McMinn Central 22-0-0 Maryville 0 0 0-0-0

SETS LOUDON GROUND ATTACK—Porky Campbell set the Loudon ground attack against Alcoa with 84 yard of rushing on 15 carries.

Lenoir City Finishes Grid Season At LaFollette

In a closing note for the regular season high school football season the Lenoir City Panthers will travel to LaFollette for a last try at winning a game in 1974. The winless Panthers will be a touchdown underdog in their 7:30 finale.

Other wise basketball has suddenly jumped into the spot light with the exception of the playoffs which start in football Nov. 22.

LOOKING FOR GOALLINE—Sam Lyle had a keen sense for the goal line Friday night scoring three touchdowns on two passes and a fumble recovery as Loudon swamped Alcoa 40-8.

Loudon will travel to Kingsport Tuesday night to open their season officially. Lenoir City with one game already under their belt will entertain Kingsport on night and the Loudon game for next week has been set for Saturday night of that week. Greenback is still idle waiting for a Nov. 26 trip to Townsend.

In another football game of interest McMinn Central will meet McMinn County in their annual rival clash while Kingsport, Ketron is at Ketron and Knoxville Rule Kingsville South for their last game for the right to the state finals in Class AA this year.

Rule Is Upset By Kingston

Kingston hit Knoxville Rule, the state's eighth ranked AA football team, with a pair of lightning-quick first period touchdowns Friday night and then coasted to an amazingly easy 21-0 upset victory over the Golden Bears.

SLIPS—Loudon's Bumper Webster has his feet cut from 'under him on this gallop to the outside in Friday night football action at Alcoa.

The victory lifted Kingston's record to 4-5 on the season, while the loss marked the first in nine starts for Rule. That old football nemesis called fumbleitis dealt the fatal blow to the Bears. Midway into the first period, David Harrison scooped up a Rule fumble and scampered 19 yards to touchdown. Kingston added insult to injury at the start of the second half, taking the kickoff and marching 63 yards. Again it was Beckwell who got the tally, this time on the receiving end of the seven-yard pass from Steve Stanley. Rule 0 0 0-0 Kingston 14 0 7-21

Speaking of Sports

By DANNY GIBSON Sports Editor

Its back to Etowah and McMinn Central for the Loudon Redskins. The unbeaten Loudon gridgers, third ranked in the double A class, has been notified by the TSSAA that they are to play the McMinn Central Chargers on November 22 at 7:30 p.m. on the Chargers home field.

Coach Bert Ratledge was not too pleased with the decision of the TSSAA feeling his team's regular season appearance against the Chargers, played at Etowah, should call for a different site. The Chargers were runner-up to state champion Kingston last fall and ended up meeting the Yellow Jackets twice on the Kingston field.

Loudon defeated the Chargers in their regular season meeting 21-7 in what many felt was Loudon's best complete game of the year.

Loudon won the state playoff in 1969 defeating Humbolt 39 at Loudon.

Tickets for the playoff game will be \$2.00 in advance and \$2.50 the night of the game. Tickets can be purchased at both Loudon and McMinn Central High Schools.

Loudon Coach Bert Ratledge has been named by his fellow coaches as the AREA COACH OF THE YEAR. Coach Ratledge in his 18th year at Loudon has compiled one of the top prep marks in the state with 116 victories, 61 losses, and 14 ties. Ratledge has also been the TSSAA East All Star head coach.

LOUDON COACH BERT RATLEDGE looks at the 1969 state championship trophies that are displayed in the Loudon trophy case as thoughts of the upcoming playoffs, Ratledge in his 18th season at Loudon was named "AREA COACH OF THE YEAR" this past weekend for his outstanding job with the current Redskin football campaign.

Playoff Picture

Here's how the TSSAA's football playoff pairings look, with one week of regular season games left to play.

- CLASS AAA**
- REGION ONE: Knoxville Putton (10-0) vs. Kingsport (9-0)
 - REGION TWO: Chattanooga Baylor vs. Chattanooga McCallis
 - REGION THREE: Nashville Maplewood vs. Nashville Overton
 - REGION FOUR: Memphis East vs. Memphis Hamilton, if both teams win Friday. Dyersburg also remains in contention.
- CLASS AA**
- REGION ONE: Ketron (9-0) vs. Knoxville Rule (9-0)
 - REGION TWO: Loudon (10-0) vs. McMinn Central (8-1) at Etowah
 - REGION THREE: Hartselle vs. Goodlettsville
 - REGION FOUR: Milan vs. Memphis Bishop Byrne, if Bishop Byrne defeats Memphis Shellfield Thursday.
- CLASS A**
- REGION ONE: Jacksonboro (10-0) vs. Walland (9-1)
 - REGION TWO: South Pittsburg vs. Swannester, if Swannester defeats York County Friday. (Olive Spring and Charleston remain in contention).
 - REGION THREE: Woodbury vs. Brentwood Academy
 - REGION FOUR: Oyer County vs. Erin, if Erin wins Friday (Bolton remains in contention).

Loudon Booster Club To Get Hoop Receipts

As an added attraction to this Friday night's high school football season opener for the Loudon Lady Redskins, there will be mother's and daughters preliminary concert. The game will begin at 6:30 p.m. with former Loudon High School graduates and teachers that have been absent from the court for several years taking on the Loudon Junior High next.

The Loudon girls will play Walland in a 8 p.m. game and the Loudon Junior High boys will then meet the Steekee Elementary boys in a 9:15 wrap up to the evening.

The entire gate receipts will be donated to the still infant Loudon Athletic Booster Club. Ticket prices are 50 cents for children and \$1.00 adults.

A planned meeting by the Loudon Booster Club is set for Loudon High School Thursday, November 21 at 7:30 p.m. The meeting will be to elect officers and start plans for future programs by the club. The meeting will be open to both individuals and families interested in the Loudon Athletic program.

Greenback Is Overtime Victim 27-26 In Grid Final

The Greenback Cherokeees were forced to settle for a 27-26 loss to TSD Friday night in the season final game that had to be decided in overtime. The loss left the Cherokeees with a 4-6 season record.

Greenback played the visitors to a scoreless first period but got a break early in the second quarter on a fumbled punt snap that was recovered at the TSD 10. The Cherokeees were unable to

after an exchange of punts drove to the TSD goal line with Jimmy Brooks tying the score on a one yard plunge with 21 seconds left in the game. The PAT kick was blocked forcing the first overtime ever for a Greenback team.

The Cherokeees had the ball first at the 10. Kyle Shepherd ran the ball to the one and Brooks powered his way over from the three yard line. Greenback failed to score on a two point conversion effort for a delay of game penalty set

them back five yards on the maneuver.

TSD scored on its first play from scrimmage and kicked the point after touchdowns to gain the one point margin.

TSD GREENBACK 0120 82-27
 GREENBACK 0 89146-26

First downs	17	19

score and TSD turned the tables marching 90 yards in nine plays to take the lead, 6-0.

Greenback charged back with Roddy Kizer passing to Kyle Shepherd and Harold Hawkins for clutch yardage. Before Hawkins took a 20 yard TD strike, to knot the score 6-6.

TSD gained the lead at 12:46 with 2:12 to play in the half with a 60 yard drive.

The third quarter had the game in control of the defensive units. Coy Webb recovered a fumble for the Cherokeees to end the third period and the Cherokeees set out on a 83 yard drive that came when the lead at 14:12 with 6:29 to play.

TSD was back on top in just a minute and 22 seconds and a two point conversion made it 10-14.

Greenback fought back and

GREENBACK SCORE—Greenback's Jimmy Brooks puts the Cherokeees ahead in overtime period with a hard fought one yard plunge into the end zone against TSD. The Vikings came back to win 27-26.

BRUISING RUNNER—Greenback fullback Jimmy Brooks (#31) follows the blocking of Rick Russell as the two ramble down the field for a Cherokee first down.

TSSAA To Vote On Cage Classification

Eleven proposals will be discussed and voted on by TSSAA member schools at three regional meetings scheduled in December at Jackson, Knoxville, and at Hermitage at the TSSAA state office building.

One proposal dealing with football would be to start the season one week earlier each year.

Two proposals deal with basketball. One of these would be to do away with all classification in basketball. The other proposal would be to have three classes in basketball instead of the present S and L division.

Under the proposed three-classification plan, schools with an enrollment of 499 or less would be in Class A, 500 to 999 in Class AA, and schools with over 1,000 students would be in Class AAA. The enrollment figures would be based on grades 9-12. Schools would also be required to participate in the same classification in football and basketball.

Under the new plan, Class AA schools shall be divided into four regions with four districts in each region. The first and second place teams from each district shall advance to the regional tournament. The top four teams in each region would advance to the sub-state.

In Class AAA and Class A, the schools shall be divided into eight regions with two districts in each region. The top four teams in each district would then advance to the regional meet, and the first and second place teams in each region would go on to the sub-state.

The boys' and girls' Class A state basketball tournament would be played at the same time, probably during the week of the regional meets for Class AA and AAA teams. This would probably be followed by the girls' Class AA and AAA tournament. The boys' Class AA and AAA meet would then conclude the basketball season.

BLOCKED EXTRA POINT—Jeff Tipton has this PAT blocked as Greenback attempted to stop TSD with a touchdown and extra point in the final 21 seconds of the game.

Grid Contest Winners Few

Only two contestants in the weekly HERALD Football Contest got all 10 games last week correct and it was uncommon for as many as four games to be missed. It seems that Kingston over Rule, McMinn Central over Maryville, Clinton over Everett, Meigs over Midway and Sparta over Farragut, were unexpected by most.

The scoring in the Loudon-Alcoa game, 40-8, for a 48 point tie-breaker was also unexpected.

First place cash of \$12 with all games correct and 31 points on the tie-breaker is

claimed by Jack Harrison, Rt. 4, Athens. Second with a 28 point tie breaker was Bill Thompson of Philadelphia who wins \$8.

About a dozen persons missed only one game, but the highest tie-breaker of 36 was entered by Jay W. Kilby, an inmate of the state prison. He wins the \$5 third place cash.

Others who missed only one game were Jimmy Annis, Sherry Simpson, Bobby Hefflin, Luther Hefflin, Kim Thompson, W. L. Thompson, Mrs. W. L. Thompson, Sheila Eller, Harold Miller, Carolyn

Hill, C.E. Thompson, Sherry Atkins and Bruce Lawson.

Since there is no Loudon game this week, the Lenoir City contest, the first listed on the contest entry will be used for the tie-breaker.

Pills Seized At Sue's Truck Stop

City of Loudon Police and County Deputies raided Sue's Truck Stop on Highway 11 in the West End of Loudon about 4 p.m. Tuesday in search of "unlawfully controlled drugs." The officers found a cup hidden under a eating booth seat containing 233 small white pills, that are commonly called "crossroads." A lengthy search of the entire building and a truck failed to turn up any large quantities of illegal drugs.

A search warrant taken by City Police Chief John Lennox indicated that information was obtained that a quantity of drugs was stored in a freezer in the kitchen as well as in the booth. A thorough search of several refrigerators and freezers failed to turn up any additional drugs.

Arrested at the scene was Raymond Newberry, of Lenoir City, who along with his wife, Sue, own and operate the truck stop. Newberry was released from county jail soon after the release after securing a \$300 appearance bond to General Sessions Court. He was charged with possession of a controlled substance. Participating in the raid with Chief Lennox were city officers Jesse Costner, James Oddy and Ted Hiding, county deputies Lake Bright and Jake Chapman.

LC Is Cage Winner At Oliver Springs

The Lenoir City Panthers got double figure scoring from senior Eddie Billingsley and three of his mates in capturing their basketball season opener 75-58 over Oliver Springs. Billingsley tallied 28 and got balanced support from Howard Cusick and Ronnie Cusick with 12 points and Grayling Littleton with 11. Lenoir City never trailed

coasting from an early 20-12 first quarter lead. The Lenoir City girls also won 56-34 as Pam Smith and Patty Cook set the tempo.

LENOIR CITY (2): F.—LITTLETON 11, B.—SMITH 12, C.—CUSICK 12. OLIVER SPRINGS (3): F.—WATSON 8, P.—SMITH 12, C.—HARRISON 12. LENOIR CITY: F.—LITTLETON 11, B.—SMITH 12, C.—CUSICK 12. OLIVER SPRINGS: F.—WATSON 8, P.—SMITH 12, C.—HARRISON 12.

SOPHOMORE STARTERS—Loudon girls coach Dewayne Arp calls for a rest between drills as his top two sophomore forward candidates Jennie Leffer (left) and Bernadette Locke (right) talk over first game preparations.

Basketball Preview

Loudon Five To Be Young, Inexperienced

Youth and inexperience will be the chief factors in Coach Hugh Watson's task of whipping together a Loudon semesters eligibility status and

therefore have only one senior on our last year's varsity returning. He of course being 6-4 rebounder and scorer, Donnie Therap.

Loudon will have a bustling group of sophomores and juniors working to win varsity jobs for the season.

At the same time, the Redskin basketball team this season. "We lost senior William Candler due to 6-1 rebounder and scorer, Donnie Therap.

To make the situation worse, the prime Redskin candidates are also key personnel of the Loudon football team, which is unloading and preparing for the State Playoffs. Should the Loudon gridlers continue to win, those planning to play basketball might not be available until as late as December 9.

This Coach Watson, with a regular season game set with Loudon Tuesday night, has had to patch work his team for the early going.

PROMISING REDSKINS—Coach Hugh Watson is expecting great things from sophomore Randy Davis (kneeling) and junior Teddy Bivens (right) if the Redskins are to have a competitive basketball season.

At forward Richard Wilkerson, a senior or Jim Brown a poised freshman is expected to start, along with sophomores Randy Davis, Davis, 5-11, is being counted on for a bright and productive high school career. "He's a hard worker and is greatly improved for just a sophomore," says Watson. "He would have or will contend for a starting assignment even after the football season is over."

Mark Harrell, 6-3

"We will be capable of showing with most of our opponents," assures Watson. "There will be a lot of pressure on them in the first few weeks and I don't figure our record will be overly astonishing, not even if we had everybody out for the first game. But this bunch will be scrappers and hustle for their points. The rebounding will be tight and we'll have to select our starting line-up carefully. They will get better in time. If not this year then we'll be doing our ground work for the future."

Cherokees To Be Improved

The basketball season opener for the Cherokees girls is still some 12 days away, but Coach Jerry Masingo, who also assists in the football, figures he will need the time to decide on a starting unit.

"We will be improved over our play of the past two or three seasons," states Coach Masingo. "The competition for some starting spots could be a difficult decision on the coach's part, especially at forward."

Coach Masingo has three returning lettermen seeking the starting offensive slots in Senior co-captain Sandy Hammontree, sophomores Chita Tipton and Marti Myers. All three have improved with Tipton and Myers just now getting the feel of having a year of experience behind them.

Miss Hammontree has been bothered with shin-splints of both legs and would be a blow to the team should she be sidelined for any amount of time.

Pam Neely, a freshman up from the elementary ranks, is expected to give the offense depth and future potential. Florida Brown and Becky Woods are two seniors who are battling for recognition at forward.

A trio of sophomores can also play forward in the form of Robin Anderson, Cindy Bell and Margie Gilbert. Gilbert

may also be used in a reserve role at guard.

"Our guards are probably set for the season start," says Coach Masingo. Kathy Long, senior co-captain and Jill Adams, senior will be counted on heavily. Debbie Childs a junior, 5-10, is figured to be a prime rebounder and make-up the starting guard corps. Junior Kathy Long and Darlene Woods, a sophomore, are also being groomed for district duty.

The Cherokees will open their season Tuesday, Nov. 26 at Townsend. A previous game on Friday, Nov. 22 with Knoxville South has been postponed.

Walland and Townsend are considered the 1-2 teams to challenge for district honors this winter.

LET'S COMMUNICATE

POPULATION FREEZE: THE U.S. POPULATION IS GROWING AT AN ALARMING RATE. IN 1974, WE HAD 205,000,000 PEOPLE. BY 1980, WE WILL HAVE 225,000,000. EVERY 19% SQUARE MILES.

CHEROKEE CAPTAINS—Greenback girls basketball coach Jerry Masingo poses with his captains Sandy Hammontree (left) and Kathy Long (right) whom he hopes will make his team an improved team over the past few seasons at Greenback.

Merit Board Has Housekeeping Session

The Loudon County Sheriff's Merit Board Tuesday night requested that the county take steps to comply with sections of the merit system that call for aptitude and physiological testing and physical examinations for all new deputies.

Merit Board Chairman Squire Curtis Williams and J.J. Blair said that the merit system has been in operation for just over a year and most all phases of the act are in compliance, but that the county has not provided the mechanics, such as type and place of testing, forms and other necessary items to institute the testing program. They requested that County Judge William Russell check with Mount County to get details of their programs in the testing area.

The board members met with Sheriff Guy Russell, Chief Deputy Lake Bright and Merit Board Secretary Jake Chapman in the sheriff's office Tuesday night.

They were informed that being proper records were still maintained up to date as prescribed by the merit system act.

Squire Blair said that the rough spots in the act are being ironed out and he sees the system that will be beneficial to the county, the sheriff and the deputies. Sheriff Russell said he was satisfied with the system and he had a good group of deputies and everyone was working together very well. The file of applications for positions of deputy and dispatcher in the department were purged and all those over one year old were declared inactive. The application for full-time employment as a deputy of Jimmy E. Lindsey, Rt. 1, Green Acres, Loudon was approved. Sheriff Russell said Lindsey had been bonded and was working as a part-time deputy at the present and when a fulltime position was available he would like to make it available to Lindsey.

Loudon Junior High Is Lions Club Champs

The Loudon Junior High boys' and girls' basketball teams have taken a liking to the Loudon Lions Club Elementary Invitational Basketball Tournament. For the second straight year the young Redskins have captured the tournament titles with remarkable ease.

The Loudon girls under the direction of Principal Tom Rothwell skipped through both a semi-final game and the championship contest without much resistance. The Loudon set defeated Highland Park 40-21, and then clipped Philadelphia 45-18.

Loudon was led to the title on the 1-2 scoring punch of

Kathy Delaney and Kelly Purdy. Delaney collected 14 and 19 points in the two games, while Purdy added 13 and 16 respectively.

In the round robin girls play Philadelphia won over Eatons 39-26 and beat Steekee 42-26. Highland Park, taking third in the week long tourney, pounded Steekee 26-16.

Philadelphia's Janice Wilkerson had games of 28, 26 and finally 18 points in the championship loss to Loudon.

The Loudon boys were awesome in destroying their opponents for the championship hardware. Coach Ed Waller used all 11 players on his roster each night with as

many as 10 making the scoring column on one occasion.

The Loudon boys romped over Eatons 69-35. Routed Philadelphia 71-31. And captured the tournament title on a 60-40 posting of Highland Park.

Steve Watkins and Ben Fields shared game scoring honors against Eatons with 16 each for Loudon. Mike Sessions also had 16 for the losers.

Donnie Russell's 16 points and Don Purdy's 12 led a balanced Loudon offense over Philadelphia. Dennis Brown was the game's top scorer for Philadelphia with 21.

DEFEND BOYS TITLE—The Loudon Junior High School boys team were easy winners of the Loudon Lions Club Elementary Tournament last week. Pictured front row left to right: Bryan Eller, team manager, Norman McQueen, Anthony Hawkins, Carl Johnson, Donnie Russell, Kerry Braunboyer, and manager David Lambert. Second row l to r: Coach Ed Waller, Tommy Henderson, Ted Grimes, Ben Fields, Don Purdy, Steve Watkins, and Donnie McCollister.

OUTSTANDING PLAYERS—Cathy Delaney of Loudon and Chuck Lane of Highland Park were chosen the outstanding individuals in last week's Lions Club Elementary Tournament. Bill House of the Loudon Lions Club made the presentations.

DEFENSIVE REBOUND—Loudon's Don Purdy, Donnie McCollister and Tammy Henderson battle for a rebound against teammate Steve Watkins (21) watches. Highland Park's Wes Helton is No. 59 and 44 is Billy Hatcher trying for the ball.

Lane tallied 20 in his team's loss to Loudon.

Don Purdy again set the pace as Loudon roared to the top in the championship clash with Highland Park. Purdy had 26 and was followed by Steve Watkins with 14 and Donnie Russell with 11.

Chuck Lane was the difference in Highland Park's runner-up berth, scoring 21 in a 64-43 win over Browder. Keith Cook had 22 for Browder.

In what may have been the best game of the entire tournament, Browder slipped by Steekee boys 29-28 on a fourth quarter rally. Cook and Wiggins led the Browder comeback with 15 and 10 points respectively. Charles Dodson with eight points led the balanced Steekee scoring.

Browder also gamed down Philadelphia in the tournament 51-36, before falling to Highland Park 64-43.

WINS GIRLS TITLE—Loudon Junior High School girls won the Lions Club Invitational Basketball tournament Saturday night. Pictured front row left to right: Gladys Brown, Kim McCaskill, Linda Morris, Kelly Purdy, Debbie Gibson, Gail Brown, Ann Queen, Cathy Delaney, and manager Jan Hatfield. Cindy Oran is not pictured.

PURDY FIRES—Kelly Purdy, who teamed with teammate Cathy Delaney to spark the Loudon Junior High girls to the championship of the Loudon Lions Club Tournament, fires up a two pointer in the game with Philadelphia.

HIGHLAND PARK GUNNET—Chuck Lane, of Highland Park, lofts a one hander to the basket as Loudon Junior High defenders Steve Watkins (21), Donnie Russell (15), Ben Fields (43), and Don Purdy (53) try for the possible rebound.

in what may have been the best game of the entire tournament, Browder slipped by Steekee boys 29-28 on a fourth quarter rally.

Kathy Delaney, Loudon Junior High, and Chuck Lane of Highland Park won individual trophies as the Most Outstanding players of the annual season opening elementary hoop schedule.

TSSAA Is Objective Of ABC Documentary

Gill Gideon, Executive Secretary Tennessee Second School Athletic Association, voiced objection to a recent ABC television documentary on the dangers of sports.

"The report unfairly singled out high school football and was less than honest in many of the impressions it conveyed," according to Gideon.

"Although there are injuries in other sports, 75 percent of the show was devoted to injuries in football. Although there are injuries on all levels of football competition, only high school football received attention. I must believe the persons responsible for this show were not really interested in safety, but in attacking high school football."

Drawing special criticism was the report that 860,000 injuries are suffered each year by the nation's one million high school football players. The figure is, example, were lower during the last two years than at any time during the 13 years since the statistics have been compiled.

The documentary suggested the rule makers are insensitive and irresponsible. "But this ignores the fact that the high school rules committee (The National Alliance Committee) exists solely because the rules makers for collegiate and professional football are unable to provide a football code which can also be adapted to high school age boys. The National Alliance Committee has consistently been the leader in rule innovations to promote football safety. It was the first to require the face mask, first to require the mouth guard, first to reduce the length of football cleats, first to abolish the crack back block and first to eliminate blocking below the waist after kicks.

And if the ABC report should encourage parents to call for an end to high school football, they should know that football is among the safest activities a boy can have after school. In fact, nine times as many high school boys per hundred thousand die in automobile accidents between 3 p.m. and 5 p.m. during the football season than die as a result of playing football.

Marketing cards for 1974 burley tobacco crop have been mailed to growers, according to Fred Fipps, Chairman of the Loudon County Agricultural Stabilization and Conservation (ASC) Committee.

Fipps said marketing cards, instructions for use and official schedules of loan values by grades were mailed to burley producers who have certified pesticides containing DDT-TDC were not used on their 1974 crop. Producers failing to file such certification will have to do so before a card can be issued, he pointed out.

Commenting on use of the marketing card, the Farm Program office said that producers should keep in mind that tobacco can be sold only on the card for the farm on which it was grown. If the grower has an interest in two farms and each has a quota, he needs to use extreme care. The same is true if he has under-produced. He must not use the card for a farm other than the farm on which the tobacco was grown. However, in most instances, producers can, through a very simple process at the County ASCS Office, lease and transfer quota rights from one farm to another. "This must be done before the tobacco clears the sale at the warehouse," Fipps stated.

Advance loan rates by grades on the 1974 burley tobacco crop range from 65 cents to 90 cents a pound and reflect an average support of 85.8 cents a pound, about 8.7 percent above 1973. Increases over last year's grade rates range from five to eleven cents per pound.

Volleyball Changed

Area Burley Growers Receive Marketing Cards

When asked about advances or loans for tobacco with No-Grade, Unsold or Doubtful Keeping Order and Scrap, Fipps said there would be no loan and the amount would be charged against the quotas for farms on which produced.

Fertilizer Seen As Food Supply Key

Whether the world can feed itself "depends largely on how abundantly we can make more efficient and reasonably priced fertilizers available to farmers," a leading scientist said in Chicago last week.

"Fertilizer is essential to maintain or increase food production," said Dr. L.B. Nelson, Manager of Agricultural and Chemical Development for the Tennessee Valley Authority. His statement came during a special session on "All-Out Food Production: Strategy and Resource Alternatives" during the annual meeting of the Society of American Agronomy.

Nelson is needed to help developing countries in their struggle for food self-sufficiency," he said. "And it is needed in increasing quantities in developed nations to sustain production and to produce surplus food which can be shared."

But even with plenty of fertilizer, "if malnutrition and famine are to be avoided, we must in some way drastically slow population growth in developing countries," he said.

Nelson noted that interest in fertilizers has intensified as its role in food production became better understood.

From 30 to 40 percent of the gain in U.S. agricultural production in recent years is considered to be due to increased use of fertilizers, he said.

"Fertilizers can be even more important in many developing countries—especially on less fertile soils and on crops that have high yield potential," he said.

"On the average, one pound of plant nutrients gives ten additional pounds of rice or eight extra pounds of wheat in developing countries. Even greater returns are possible with improved varieties."

However, fertilizer alone—without use of improved cultural practices—can increase production only modestly, if at all, he added.

Nelson said that shortages of nitrogen and phosphate may limit food production to some extent during the next few years, but that world fertilizer production should be equal to demand by the late 1970's.

Nelson said there is "little reason to fear long-term shortages" of the basic raw materials used to make fertilizers. Some shifts may be necessary in feedstocks for ammonia production, he said, but there are many sources of hydrogen that can be used.

ANNUAL FOOTBALL CONTEST

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

\$12 First Place

\$8 Second Place

\$5 Third Place

The Herald Loudon County

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

COLONIAL HOME FEATURES TWO STORY FAMILY ROOM

FEATURE HOMES
By W. D. FARMER

A family room reaching two stories high is the feature of this home. Windows covering the entire height combine with the view of an open rail balcony upstairs to give an open feeling. Also included are a cozy fireplace and a rear wooden deck.

The formal living and dining areas are separated by the foyer and are secluded from the heavy traffic flow. The kitchen has a step-saving U-shape design and offers lots of cabinet and counter space. There is a dish washer and two pantries as well. Access to the dining area or the breakfast area, with its bay window, is easy because of the central location.

A laundry area with wash-er-dryer connections and a half bath are close by.

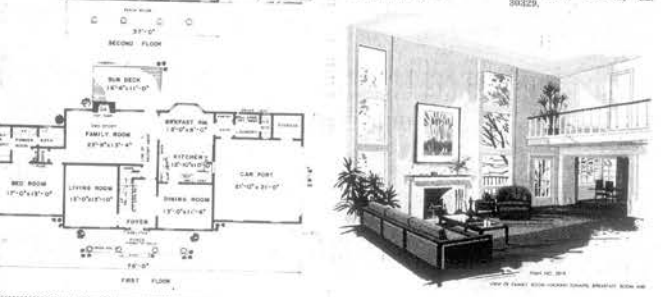

The first of the four bedrooms completes the main floor. This large suite includes a powder room with a vanity, a private bath and a big walk-in closet.

Each of the three remaining bedrooms upstairs have ample closet space and direct access to a full bath.

The colonial exterior of this home is reflected by the symmetrical design, the colonnaded front porch and decorative front porch and entrance. A contemporary front is also available.

The first floor contains 1656 square feet and the second floor contains 897 square feet for a total of 2553 square feet. However, the heated area in the second floor brings the total heated area to 2803 square feet.

For further information on plans 2510 write W. D. Farmer Residence Designer, Inc., P.O. Box 49463, Atlanta, Ga. 30329.

Judge Oliver Plans To Retire Soon

W. Wayne Oliver, of Maryville, who was circuit court judge for Roane, Blount and Loudon Counties for many years, has announced plans to retire.

Judge Oliver has informed Gov. Winfield Dunn that he plans to retire on Jan. 10 from his present position as a judge on the State Court of Criminal Appeals.

Judge Oliver, 66, was named to the court when it was created in 1967. At that time he was serving as circuit judge. He was elected to an eight-year term in August.

Warning Given On Electric Heaters

With chilly weather beginning again, TVA and local electric systems are cautioning consumers to get information on portable electric heaters before adding them as supplemental home heat.

Last winter's fuel shortages brought a boom in electric heater sales, and that trend in turn brought serious problems in some areas of the Tennessee Valley. But these problems can be avoided, and TVA tells how in a folder called "The Portable Electric Space Heater."

One problem last winter occurred with the use of electric heaters in areas where homes normally use other forms of heat and electrical facilities are not designed to handle the extra heating load. In some instances this caused protective devices to shut off overloaded transformers automatically, throwing several homes into darkness until repairs could be made.

A second danger that cropped up was the possibility of fire. The wiring in some older homes was not adequate to handle the increased load placed on it by the portable heaters, resulting in a few house fires. In most cases, however, the protective fuse or circuit breaker at the wiring entrance panel would simply trip off, warning the homeowner of an overload on that circuit. Trouble came if a homeowner tried to bypass the protective device in some way, which allows wiring to overheat to the burning point.

The third difficulty with portable heaters last winter was much higher electric bills than the users may have expected. In older, loosely constructed and uninsulated homes, the heat produced by portable electric heaters can escape almost as rapidly as it is produced. Full insulation and proper weatherstripping can prevent this problem.

The new TVA portable heater pamphlet tells the consumer what to look for when buying a portable electric heater, how to use a portable heater, and how to avoid these three major problems: overheated wiring, very large utility bills, and transformer overloading.

Those in this old picture are as follows: teacher, Mrs. Lennie Williams, Back row: Myrtle Smith Hudson, Frankie Gilliland Sutton. Second row: Wilma Gilliland Nobles, deceased, Vida Smith, Elizabeth Smith Webb, Harriet Smullen, Edith Gilliland Styles, Adie Jenkins, a Justice girl, Geneva Smith and a Smullen girl. These may not be in exact order and the picture was slightly damaged but well worth using. Our many thanks to Mrs. Frankie Sutton for loaning us this picture.

If you have moved to Loudoun in the last while and you have never been to the Poplar Springs area, you should drive out in this section. It is beautiful country and is populated by some fine people. Maybe this kind of compliments will bring us more pictures from this section. We meant what we said but would like to have other pictures.

Along with school pictures, our other popular pictures is church groups. This week we have one which was taken many years ago at a very well known Loudoun County church. I am sure this church through the passing years has meant a lot to many now deceased as well as those still living and attending this place of worship.

The church is the old Pleasant Hill Baptist Church. Today the church has a new building. I don't know whether the location is the same or not. I am sure someone will inform us on this. According to Mrs. Norris of the Eaton area, who loaned us this picture, the lady in black is Mrs. Kinser. She is wearing the black dress because of mourning for a family member who had died as was the custom in those days. Mr. Kinser is holding the baby at right.

Obituaries

MR. SELVIDGE
Raymond Eugene Selvidge, age 42, of Atlanta, Ga., formerly of Loudoun, died Thursday, November 7 in Atlanta. Employee of Atlanta Dairies, Inc.

MRS. STINNETT
Edna Wright Stinnett, age 77, of Route 4, Highland Park Community, Loudoun City, died Thursday, Nov. 7 at Loudoun County Memorial Hospital. She was a member of Primitive Baptist Church.

MRS. CATES
Mrs. D.M. (Nita) Cates, of 406 C Street, Loudoun City, died Thursday, Nov. 7 at Fort Sanders Hospital. She was a member and Stewart of Central United Methodist Church and recently received her 25 year pin for American Red Cross Service.

MR. THOMAS
Jack K. Thomas, age 50, of Route 2, Loudoun City, died Monday, Nov. 4 at Fort Sanders Presbyterian Hospital. He was a member of Oral Baptist Church.

Loudoun City, died Tuesday, Nov. 5 at Fort Sanders Hospital. She was a charter member of the Grace Tabernacle Baptist Church.

MRS. CONNER
Mrs. Ella Summitt Conner, age 74, wife of the late W. Erwin Conner, Route 4, Loudoun City, died Sunday, Nov. 10 at Loudoun County Memorial Hospital. She was born in W.C., former president of the late Mr. and Mrs. J.O. Summitt. She was a charter member of First Presbyterian Church, Loudoun City, where she had served several years as Sunday School Secretary, teacher, and treasurer of the W.C., former president of the Broder Home Demonstration Club.

BACK IN THE GOOD OLD DAYS

We are always pleased to have school group pictures and pictures of those schools now closed create a very great interest. It is a part of something out of our past that only lives through memories and pictures that were taken during their existence. It is interesting to note that a few years ago each community had its own school. They operated on their own with many of the activities of school, church and community closely linked together.

The picture we have this week comes from a section of our area which we haven't had the chance to write much about. We haven't had very many pictures from the area of Poplar Springs and we were delighted to have this one. It is a school group. All of those in the picture are not identified. Time has a way of erasing names of people in pictures. It would be great if people would write names on pictures. Many of the pictures in my family's collection are unknown to me. My parents could identify them, but I can't. So it would have been a great help to me if the pictures had been identified. Of course, we are as guilty of this as the next person.

Attention Natural Gas Customers of Loudoun Utilities

Our quota of natural gas has been cut from the level it was one year ago. To assure that all our customers can meet their winter heating needs we need the help of each user of natural gas.

Natural gas is odorless, BUT an artificial odor is placed in the lines to alert users of natural gas of a leak in the lines or equipment that uses the gas.

WHEN YOU SMELL A NATURAL GAS LEAK - REPORT IT TO LOUDON UTILITIES AT ONCE. Call 458-2091 anytime day or night. DO NOT USE MATCHES WHEN THERE IS A GAS LEAK. DO NOT TURN ELECTRIC SWITCHES ON OR OFF WHEN THERE IS A GAS LEAK.

Your cooperation is requested for the safety for your family and homes and also to help us make the most efficient use of the allotment of natural gas we have.

In heating your home with natural gas, if you will follow the save energy savings guidelines set for users of electrical power we should be able to meet your needs.

YOUR CONTINUED COOPERATION IS URGENTLY REQUESTED.

Go Big Red! Stomp The Chargers

Loudon At McMinn Central; 7:30 P.M. Friday For Regional Football Championship, Transportation Available

By Danay Gibson
Sports Editor

If there is anyone in the Loudon area that is not talking about football, more specifically, Loudon Redskin Football, they are probably under two or over 102 years old.

At 7:30 p.m. Friday at McMinn Central High School at Etowah, the ball will go on the tee and off will go the charge for a state championship in the AA Division. The Redskins sporting a 9-0 season mark and a stellar

victory over the challenging Chargers, are hoping to start the march toward their second playoff State championship. The Redskins of 1969 took the first state championship in the playoff series.

Loudon High Principal Jim Gibson said that about that is being learned at school this week is that Friday night's contest is being built up into THE GAME for the Redskins.

Adding fuel to the fortunes of the Redskin gridder this week is the announcement of THE HERALD'S annual All

County Football Team. The name Redskin is under nine of the 15 players from Loudon, Lenoir City and Greenback to make the squad, the largest domination of the All County honors by any team since it started three years ago.

Fans wanting to go to the game have free transportation offered to them by the Hamilton National Bank of Loudon. Bank president Don Canter said that the bank is sponsoring up to five buses. To get a seat a fan must call the bank (immediately we suggest) and make reservations. The number is 438-4666. The buses leave Loudon

High at 6 p.m. The First Baptist Church is also taking their bus. It too leaves the high school at 6 p.m.

Inside this issue there are several articles dealing with the fortunes of Loudon High's 1974 Redskins, how they compare with the championship team of 1969 and the undefeated 1962 team. There is also the All County Team selections, Lenoir City Panthers football victory, basketball action and much more.

\$51,164.86 Raised...

United Fund Meets Goal

The record is safe. Loudon County's United Fund, which has never failed to meet its goal, has done it again. The 1975 Campaign was extended two extra weeks in order to reach the record \$51,164.86 goal, but it was accomplished Monday.

When Campaign Chairman Jack Atkins read the figures reported to Monday's meeting the total was \$51,164.86, a \$15.86 squeak past the goal. A total of \$1065 in new pledges and contributions was announced at the meeting held at Loudon Junior High School Cafeteria.

With the announcement of the campaign victory, Atkins

Newberry

Hearing Friday

Raymond Newberry, owner of Sue's Truck Stop in Loudon, will face a General Sessions Court preliminary hearing Friday on charges of possession of a controlled substance.

Loudon City and County officers raided the truck stop, in West East Loudon last Tuesday, and confiscated 233 pills found hidden under the seat of a booth in the restaurant. Newberry, also owner of the Garden Sport stores in Lenoir City, has been free on \$3500 bond.

Herald Early

Next Week

Due to the Thanksgiving Holiday the next issue of The Loudon County Herald will be published one day early.

Deadline for all news and advertising will be 5 p.m. Monday, Nov. 25. The paper will be published on Tuesday and distributed to mail subscribers and newstands on Wednesday. The Herald office will be closed Thanksgiving day.

said that when the campaign started he had very little hope that the total budget could be reached, but that as the drive went along he saw that the dedication of the volunteers and the generosity of the thousands of people that supported the campaign pointed a brighter picture.

"I want to congratulate all those who worked in the campaign. We had a very difficult period in which to work, but the total effort made it a success. A special thanks to all those who contributed," the chairman said.

Fund President Charlie Davis extended his appreciation to Mr. Atkins for a "tremendous" job. Davis said, "This is the hardest campaign we have ever had and more effort was put into the drive than in any past year."

He also added his thanks for the public support which he said is really responsible for the success. The last minute push of the funds that made the goal is as follows: Marenmont an additional \$137.50; Loudon Hickory Products \$31; Don P. Smith Chair Company \$20; Carter Lumber Company \$15; Greenback \$65; Lenoir City business \$296.50; Loudon business \$209.50; Loudon residential \$17.

Totals from the various sources for the campaign are as follows:

Eaton	\$2006.00
Lon. Hickory Prod.	51.00
Marenmont	324.50
Lenoir Car Works	89.00
L.C. Bacon Co.	1207.00
Don P. Smith Chair	100.00
Loudon-Bacon Co.	1846.00
Shelfield Street	23.25
Carter Lumber Co.	25.00
Lenoir Industries	200.00
Oak Ridge UCC	19,202.00
L.C. Lion	281.28
Philadelphia	282.00
Greenback	1139.27
L.C. business	5612.50
L.C. residential	525.61
Lon. business	284.60
Lon. residential	1152.78
TOTAL	\$51,164.86

A severe rain and wind storm and possibly a tornado ripped through Lenoir City and the Martel area of Loudon County about 4:45 a.m. Wednesday causing widespread and costly damage.

At least one house was demolished and numerous businesses along Broadway in Lenoir City had awnings blown away, display windows blown out and structural damage. Power in spotted areas in the city was out because power poles and lines in some areas were blown to the ground.

The house damaged was occupied by Mr. and Mrs. George Barber, Lake Shore Road between Lenoir City and Martel. They were not injured. The path of the twister that hit the house was clearly visible in the woods near the house. It appeared the twister was on the ground for several hundred yards. Several power lines and trees in the area were also down and metal roofing was scattered along the roads.

County Deputy Larry Proops said when the storm hit he was on West Broadway and was forced to stop because of the force of the rain and wind. The wind and heavy rain seemed to stop all at once, but before it did I

could see garbage cans flying through the air and other debris, and water was over the sidewalks," he said. He said the further into town he got the worse the damage became.

All members of the Loudon County Sheriff's Department and Lenoir City Police were quickly called to duty along with the Rescue Squad and Civil Defense personnel.

There was no early confirmation that a tornado was responsible, but signs in the Martel area especially would indicate that one was involved. However the damage in the downtown Lenoir City area seemed to be caused by a severe windstorm.

Lawn enforcement agencies quickly set up patrols in the downtown area to prevent looting. The Lenoir City police department reported that cooperation between all the agencies involved was excellent and cleanup and restoration of power and telephone service was underway within 15 minutes after the storm hit.

The area of Broadway from "A" Street East to the highway 95 intersection was the worst hit. Almost every store on the West side of the street had glass damage or awnings ripped off. The aluminum front on the old Cotton Easter Ford building was completely

Loudon Christmas Parade On Dec. 5

A Christmas Parade in Loudon is scheduled for 7 p.m. Thursday, Dec. 5, under the sponsorship of the Loudon Band Boosters Club.

Prizes of \$75, \$50, and \$25 are being offered for the best float in the parade. Parade Chairman Mrs. Wanda Watson said that several clubs at the high school were willing to build floats for merchant, industrial, or civic sponsors. All types of entries for the parade are sought. These include, scouts, horseback riders, antique cars, choral groups and others. Of course Santa Claus will be the main attraction.

Persons wishing to enter the parade or wanting more information should call Mrs.

Epoxy Coating Used On Bridge

I-75 May Open Before Christmas

Interstate 75 through Loudon County "may" be open to traffic before Christmas. These words were spoken by Governor Winfield Dunn last week. Gov. Dunn said if the weather holds at least two lanes of the four-lane super highway would be open for traffic by the holidays. Earlier the Department of Transportation said the highway would be open by the first of year.

The weather could be the key. Not so much in the completion of the highway itself, because little is left to do in Loudon County, but a special surface is being applied to the I-75 river bridge at Loudon and it requires warm weather.

A Highway Department engineer told THE HERALD last week that a special 1 1/2 epoxy surface will be used to

coat the surface of the bridge instead of concrete or asphalt. The use of this type of coating will be a first in Tennessee.

The engineer said that the weather must be warm because the epoxy substance is applied just like concrete. If the bridge surfacing is completed it is probable that the two northbound lanes will be opened by mid-December. Both north and southbound traffic would be allowed the single lanes for travel. The engineer said if half of the bridge is surfaced it is most likely that the other two lanes will not be completed until spring, but at least the Interstate would be in use, relieving the congestion in Loudon and Lenoir City.

LOUDON COUNTY UNITED FUND Over The Top \$51,164.86 Pledged Thanks To You

UNITED FUND OVER GOAL-Loudon County United Fund President Charlie Davis and Campaign Chairman Jack Atkins hold a sign indicating a successful UF drive and thanking the public for their support. The goal of \$51,164 was surpassed at Monday's report meeting. Other UF workers pictured are Bob Hudson, Gene Davis, Rachel Huff, Mrs. W. F. Zimmerman, Dottie Pace, Roy G. Cardwell and Richard Whillcock.

For and about Women

Sitzlar - Fielden Vows Are Pledged

Miss Elaine Kay Fielden became the bride of Charles Edward Sitzlar at 7:30 p.m. on November 9 at Broadway Baptist Church in Knoxville. Rev. Dr. Lewis E. Rhodes officiated. The bride is the third generation of her family to be married at Broadway Baptist Church.

Parents of the newlywed couple are Mr. and Mrs. Jilson H. Fielden, 6905 Lark Lane, Knoxville and Mrs. Frances McEwen of Loudon.

The bride is the granddaughter of Mr. and Mrs. Thomas Benton Sandberg of Knoxville and the late Mr. and Mrs. Charles Albert Fielden. Grandparents of the groom are Mrs. George Murray of Loudon and the late Mr. Murray and Mrs. Charles J. Sitzlar of Hagerstown, Ind.

The bride's gown of satin and chiffon featured a bodice of alencon lace with mandarin collar. Her chapel-length mantilla was bordered in Chantilly lace. She wore her grandmother's cameo brooch and carried red and white roses centered with a Cattleya orchid.

Mrs. Raymond A. Shirley was Matron of honor. Bridesmaids were Janet McLean of Christiansburg, Va., Beth Carlton of Green-

ville, S.C., and Linda Harlan of Johnson City. Kristi Ratledge was flower girl. They wore floor length gowns in a floral pattern of pink, red and green and carried single, long-stemmed red roses.

Ted Sitzlar served his brother as best man. Ushers were Lynn Millaps of Loudon, Daryl Fansler of Kingsport and Steve Stinnett of Knoxville. Kevin Fielden, brother of the bride, was ringbearer.

A reception was held at the church. Following a wedding trip, the couple are making their home in Alcoa.

The bride is a sixth grade resource teacher at Alcoa Elementary School. She is a graduate of East Tennessee State University where she was president of Alpha Omicron Psi Sorority. She was named to "Who's Who Among Students" and was a member of the University Center program committee and Panhellenic Council.

The groom, also a graduate of East Tennessee State University, is a consumer products safety specialist with the Food and Drug Division of the Department of Agriculture for Tennessee. At ETSU, he was a member of the National Environmental Health Association.

Woman's Club Christmas Bazaar Set

The annual Loudon Woman's Club Christmas Bazaar and Bake Sale will be held on Saturday, Dec. 7 starting at 10 a.m. in the fellowship hall of the Cumberland Presbyterian Church of Loudon.

General Chairman of the event is Mrs. Bob Carter who said that the selection of gift items, Christmas decorations and gifts, crafts, and bake goods will be the largest ever offered by the club.

Most of the Christmas crafts, including door decorations, centerpieces, stockings, tree decorations, Christmas calendars and other pieces are all handmade by club members as are the general craft items. Also included will be a group of non-seasonal crafts and gift items.

The bake goods offered will include Christmas candies, cookies, cakes, pies and other pastries.

During the day long event coffee will be served. Chairman of the various committees are June Custead, miscellaneous gifts; Jane Brakebill, crafts; Jo Webb; baked good; Pat Viars; publicity; Mary Evelyn Chisass.

CHRISTMAS BAZAAR OFFERINGS—Mrs. Leon Viars, Mrs. Paul Brakebill, Mrs. Walter and Mrs. Rex Burkholz of the Loudon Woman's Club are shown with a display of a few of the Christmas Craft articles that will be offered for sale in the club's annual Christmas Bazaar on Saturday, Dec. 7 at the Cumberland Presbyterian Church.

Philadelphia Personals

The Gideon speakers were at the First Baptist Church and the United Methodist Church for the services Sunday morning.

The Thanksgiving service will be held Wednesday evening November 27 at the United Methodist Church. The speaker will be the pastor of the Philadelphia Church of God.

NOV 21 1974

Sarah Elizabeth Murr Weds

In a candlelight ceremony Sarah Elizabeth Murr and David Elmer Steele were united in marriage at 7 p.m., October 26, at Oakland United Methodist Church in Greenback. The Rev. Jim Harless and the Rev. Scott Henry performed the wedding ceremony.

A program of wedding music was presented by Mrs. John Hammontree, Organist and Mike Underwood, Vocalist.

Parents of the couple are Mr. and Mrs. Aubrey L. Murr and Mr. and Mrs. H.F. Steele, Jr., of Greenback.

Escorted to the altar by her father, the bride wore a gown of crepe mist and peau d'ange lace styled with an empire bodice and A-line skirt. The bodice had a round lace yoke accented with sequins. The crepe bishop sleeve had a fitted lace sleeve which showed through. The skirt was appliqued with the sequined peau d'ange lace. The detachable chapel train was inserted with a band of the same lace. She wore a lace camelot headpiece with a three tiered lace edged fingertip veil.

The bride carried a natural-look cascade of white feathered carnations and cymbidium orchids on an outline of English Ivy. The Ivy had a special meaning to the bride as it came from the "Bell" at Oakland United Methodist Church.

The bride's jewelry was a diamond pendant, a gift from the groom.

Honor attendants were Mrs. Billy Law, Matron of Honor and Miss Cindy Murr, sister of the bride; Maid of Honor, they carried nosegays of blue cushion pompons surrounded by white rose leaves.

Bridesmaids were Miss Alice Murr, sister of the bride, Mrs. Tom McNeilly, Mrs. Rick Steele, and Miss Kathy Steele, all sisters of the groom. They carried nosegays of blue and white pompons combined with baby's breath.

All attendants wore long formal dresses of royal and turquoise floral in imported "Mistique". The dresses were designed along princess lines with high neck and puffed sleeves. They wore wide brimmed white hats trimmed with a band and streamers of "Mistique". Flower girls were Beth Hammontree and Tania Lambert. They wore long dresses of "Mistique" and carried baskets of pompon petals.

Jackie McGhee and Julie McGhee were junior servers and wore long dresses of "Mistique". Mrs. Agee Lequire kept the bride's book. Best Men were H.F. Steele, Jr. and Rick Steele, Father and brother of the groom. Groomsmen were Rex

Greenback Community News

By Mrs. S. B. McColium
Phone 866-3017 Greenback

The Presbyterian Women's Association will meet for their annual Praise service on Thursday, Nov. 21 at 7:30 in the church sanctuary. Mrs. Frank King will be in charge.

Shepherd, Barry Greene, Jim Murr, Tom McNeilly, Gary Raines, and Jim Brooks. Ringbearers were John Hammontree and Shane Lambert.

The reception was held in the fellowship hall under the direction of Mrs. Tony Sowers, Mrs. Loy Huskey, and Mrs. Selma Keener. Mrs. James McGhee served the cake.

The bride is a graduate of Greenback High School and attends Hiwassee College in Madisonville where she is a member of Phi Theta Kappa.

Mr. Steele is a graduate of Greenback High School and attended U.T. He is presently employed as Assistant Manager at Hardee's in Alcoa.

Those entertaining for the couple were Mrs. Loy Huskey, Mrs. Selma Keener, Mrs. S.F. Forkner, Mrs. T.C. Dixon, Mrs. Clifford Mills, Mrs. Billy Law, Miss Mary Ann Scott, Mrs. Curtis Price, Mrs. Don Pipp, and Mrs. Fred Pippa.

Out of town guests included: Mrs. Steven Talnadge, Chula Vista, Calif.; Mr. and Mrs. Paul Baker and Family, Mr. and Mrs. Bill Baker, Mr. and Mrs. Ricky Carpenter, Maloneyville; Mr. and Mrs. J.H. Underwood, Mr. and Mrs. Mike Underwood, Mr. and Mrs. J.R. Pugh, Jr., Knoxville; Mr. and Mrs. Gerald Balfwin, Nashville; Mrs. Tom Fleming, Fort Knox, Kentucky; Mrs. Jean Ritchey, Miss Carolyn Ritchey, Miss Mary Ann Ritchey, Miss Sally Ritchey, London; Miss Jane Hartzell, Lenoir City; Mrs. Ethel Lane, Tellico; Mr. and Mrs. Rick Steele, Daisy; Rev. and Mrs. Jim Harless, Marti and David Pigeon Forge.

of the program. The Greenback Y Teens participated in World Fellowship Day at the First Methodist Church in Maryville Sunday afternoon. Twelve of the Greenback girls represented Italy. Their costumes and cultural artifacts of Italian homes won first place for Greenback Y Teens.

On Friday evening a steak dinner was served at the R.E.A. Guest House-Football Appreciation meal, honoring members of Greenback High team and their cheerleaders. Fathers of the boys barbecued the steaks and mothers brought home baked pies and other foods to complete the meal.

The fathers who prepared the steaks were Messrs. Roy M. Brooks; R.L. Hammontree; R.E. Valentine; Anderson Jr.; Mothers who helped were Mrs. Billy Blair, Mrs. R.I. Hammontree; Mrs. Bob Hampton; Mrs. Kittle Roberts; Mrs. R.A. Anderson, Jr. and Mrs. R.M. Brooks Jr. Mr. and Mrs. Walter Hargis; Mr. Wayne Kirby of Knoxville and Mr. Joe Kirby of Louisville were guests Sunday of Mr. and Mrs. Don Fipp.

Rev. and Mrs. Billy Jo McCown attended the Tennessee Baptist Convention in Memphis the past week.

Mrs. C.E. Long spent last week with her son, Mr. and Mrs. Rankin Long in Clinton.

Mrs. Mae Johnson was assigned to Maryville Blount Memorial Hospital Sunday and expects to undergo surgery this week.

Born to Mr. and Mrs. Agee Lequire a daughter Joy Michelle is doing fine. Mr. John Ray is quite ill at his home here and has been taken twice to Blount Memorial the past week for treatment.

Mrs. C.S. Sands of Madisonville and Miss Kathy Jo Sands and David Blankenship of Knoxville U.T. visited Sunday with Mr. and Mrs. John Ray.

Mr. and Mrs. Ben Hammontree visited friends in Knoxville Saturday. Mrs. Blanche Hall is at home with her daughter, Mrs. Coy Cate after spending some time with her son Mr. and Mrs. Ed Hall near Binfield.

50th WEDDING ANNIVERSARY—Mr. and Mrs. King Black are shown with their sons, Ernie, Lloyd and Leo, who will host a reception for the Blacks on Sunday, December 1 at the Legion Building in Loudon.

Blacks To Be Honored On 50th Anniversary

Mr. and Mrs. King Black of Loudon will be honored on their 50th Wedding Anniversary with a reception at the Legion Building in

Loudon on Sunday, December 1 from 2 to 5 p.m. Their sons, Lloyd, Leo and Ernie will host the event. No invitations are being sent. Everyone is invited to attend.

Weekend evangelistic services were held at the Morganton Baptist Church with the pastor the Rev. Ray Valentine in charge. Preaching on Friday, Saturday and Sunday evenings was by the Rev. Willie Owl of Cherokee, N.C.

Mr. and Mrs. John Thompson of Meadow are confined to the Blount Memorial Hospital. Mrs. Johnson suffered a broken hip and Mr. Johnson is being treated for blood clots.

Mr. and Mrs. Garfield McCarter and Tim visited her mother, Mrs. Coy Cate in the U.T. Hospital Sunday. After two weeks treatment Mrs. Cate returned home Tuesday and is improving nicely.

Friends of Mr. J.B. Patterson will regret to learn of his illness at his home in Ft. Myers, Fla.

Mr. Charles Linden has completed his military service and will bring his family from Fla. soon to reside in their new home off the Lenoir City Road.

Mr. and Mrs. David Hammontree and children are recovering from virus illness at their homes on Lenoir City Road.

Mrs. A.C. Montgomery and Mrs. W.M. Brezrate of Lenoir City visited Wednesday with Mr. and Mrs. S.B. McCollum. On Friday their guests were Messrs. Jim Lewis and Sam McCollum Jr. of Maryville and on Saturday Mr. Floyd Barnhill of Jonesboro, Ark.

Mrs. Mel Hammontree visited Saturday with Mrs. Wm. Napier in Loudon.

CONSIDER FINISHING TWO UPSTAIRS BED ROOMS IN YOUR FREE TIME
RUSTIC RANCH DESIGN FOR EXPANSION

space for a variety of furniture arrangements and they are located out of the path of daily wear and tear. The stairwell encompasses upper and lower levels. By offering a fully adequate home on the main floor, there is the prospect of finishing upstairs bed rooms as your family needs occur. From the wide foyer are large separate living room and dining room to either side. Both are endowed with surplus wall cludes triple window for view, use also.

The kitchen is popular, being U-shape with extra wall of cabinetry. A breakfast bar is included and built-in appliances are provided. The main floor includes the master bed room with private full bath, powder room and large walk-in closet. The center bed room is adequate for nursery or guests. Central bath is directly across the hall. This room services daytime view, use also.

The double side-entry car port is from the private entry and an extra pantry is located here too. The laundry area is adjacent and rear access is indicated. There are two identical bed rooms upstairs, each with large walk-in closet. A central bath services these rooms. The plan is Number 2438 C. It includes 2400 square feet of living area. For further information write W. D. Farmer, P.O. Box 48463, Atlanta, Ga. 30320.

**Mrs. Ferguson Is
DAC Meeting Speaker**

The Fort Loudoun Chapter of the Daughters of the American Colonists met on Tuesday, November 12, at the home of Mrs. Henry Richens with Mrs. Irene McKinney of Etowah as co-hostess. Mrs. Don Purkey of Lenoir City was introduced as a new member. Welcomed as guests for the meeting were Mrs. Jack Ferguson and Mrs. Will D. Robertson. Mrs. Ferguson was also welcomed as guest speaker. Introduced by Mrs. Bob McEachern, Regent of the Chapter, Mrs. Ferguson spoke on "True Thanksgiving." She enumerated the varied things for which we are most thankful - "health, happiness, family, friends, shelter, food, love, freedom, salvation," and

redemption, for life, for material possessions, for adventures, for our land and our freedoms. Truly we all have been most blessed. Truly we all should be most grateful." After concluding the program with "A Prayer of Thanksgiving" Mrs. Ferguson distributed a collection of Thanksgiving writings and poems to all those present.

During the business session Mrs. J. E. Greenway announced December 5 as the deadline for collection of Christmas gifts to be sent to veterans at Mountain Home. Mrs. John Simpson reported on tentative plans for the Chapter's involvement in the Bicentennial Celebration. Reports on the Tennessee State Assembly held at Memphis on October 18 and 19 were given by Mrs. John Pennington and Mrs. R.M. Ivens, who served as delegate and alternate respectively.

Teddy Joe Scarbrough, Jr. celebrated his second birthday on November 13 with the party at his home. He is the son of Mr. and Mrs. Teddy Joe Scarbrough, Sr. of 907 Maple Street, Lenoir City. Grandparents are Mr. and Mrs. E.H. Scarbrough. He is the great-grandson of Mrs. W.H. O'Neal, all of Lenoir City.

Everyone is interested in winning the war against rising food costs. Here are a few hints on how to save before you shop. Eat before you shop. Walk through a supermarket when you're hungry and you'll find yourself taking home things you don't really need. Let your mind dictate your purchases, not your stomach. Clip those newspaper and magazine coupons. Sure it takes time. But those pennies you save really add up. Invest in an inexpensive hand counter. Use the counter as you add items to your shopping cart. It is a good way to avoid surprises at the cash register. Become familiar with the policies of the store where you shop. Some offer specials during the weekends to increase traffic. But others lower their prices in the beginning or middle of the week to spread out the traffic. Write a menu for every meal of the week before you make out your shopping list. It's the only way for complete accuracy. A written shopping list is a discipline you must cultivate. Use it as a guide when you shop and try not to deviate from it. The more accurate the list the more you save and the less time you'll spend in the store. The longer you linger, the more impulse purchases you will make. Don't write your list in one sitting. Keep a running list. As you become aware of what you need, jot it down. Keep a coupon file. Refer to it when you make your shopping list. There are also hints for saving while you shop. They include: Shop alone. Leave the kids and the husband at home. Otherwise you may find some unwanted pretzels, cookies, candy bars or cereal in your shopping basket. Tooth paste and hair spray aren't part of your food bill. Nor are mops, paint scrapers, socks, shirts or a host of other products you can find in the supermarket. For an accurate picture of what you're paying for food, delete these items. The fewer times you enter a grocery store the lower your food bill will be. So plan to shop no more than twice a week. Once a week is even better. You can do it if your shopping list is well thought out. Resist the temptation to handle an item unless you have definitely decided to purchase it. Once it's in your hands it's almost a certainty it will end up in your shopping cart. A bargain isn't a bargain unless you plan to use it. Just because an item is marked down in price doesn't mean it's meant for your shelf. Watch for double stamp days. Take advantage of specials. Newspaper ads are often filled with ways to beat inflation. Buy fruits and vegetables when they are in their growing season. That's when they cost less and taste better. Never take home damaged fruits or vegetables. Even if they're marked down in price, you're just throwing away your money. The fresher they are the more value you receive. Then get your food home fast. Never leave it sitting in a hot car.

**Nancy Cox To Marry
Johnny James, Nov. 30**

The engagement and forthcoming marriage of Nancy Cox of Loudoun to Johnny James of Loudoun was announced this week. The bride-elect is the daughter of Mrs. Carmen Watkins of Loudoun. Mr. James is the son of Mr. and Mrs. John Emmett James, Route 1, Loudoun. The couple will exchange vows on Saturday, November 30 at 10 a.m. at Loudoun United Methodist Church. No invitations are being sent.

Lori Renette Purdy, daughter of Mr. and Mrs. Kenneth H. Purdy, 819 Summer St., Loudoun, celebrated her first birthday November 14. Grandparents are Leo Schrimsher of Lenoir City, Buma Schrimsher of Loudoun and Mr. and Mrs. Floyd Purdy of Philadelphia.

**Community Club In
Second Year Of Service**

The "Community Club" of Loudoun is now in its second year of serving the people of Loudoun. Mrs. Gladys Hawkins is the president and founder of the club. Other officers are vice president Mrs. Willie Mae Smith, secretary Mrs. Frances Smith, Asst. Secretary, Mrs. Alberta Henley, and Treasurer Bill Wilson. Assistant treasurer or Captains are Mrs. Victoria Faulkner, Mrs. Wainina Lyons, R.J. Robinson, and Garner Wilson. Serving as chaplain is Oliver Hawkins with Mrs. Margaret Blair and Mrs. Edna J. Arwine, as chairmen. The purpose of this club is service to the people. They help during sickness or death in taking food and other type help to the people. Each member's family pays 50 cents per month. The club is very active and meets every second Tuesday of each month.

Win Or Loose, 1974 Redskins Rank As Toast Of Ratledge's 18 Year Reign

The regional showdown Friday night at McMinn Central will of course carry the weight of a highly successful Loudon Redskins football season. The idea of the contest is to advance the strongest and assured Region 2 champion into the semi-final round of the state playoffs.

Loudon won an earlier meeting on the Chargers home field 28-7 and must again duplicate their feat if they are to stay alive for a second state championship in five years. Loudon won the honor in 1969 the first year of TSSAA football classification.

But even if the Redskins should lose the season will be remembered as one of Loudon's greatest. A return to past history and a comparison of statistics on standard Loudon football teams are found this.

In 1962 the Redskins were unbeaten in 10 games, although there was no such thing as classification or state playoffs the Loudon gridder were labeled as one of the prep powers of the state among all teams.

In that vintage season the Redskins were led by the running and scoring of Raymond Stamey, Wilton Richens and Carlos Evans. Stamey rushed for 1021 yards on 117 carries and scored 11 touchdowns. Evans had 698 yards of rushing and Richens 698 yards and eight touchdowns.

Jerry Lawhorn and Joe Alexander were the defensive leaders with Bill Lane a prime pass receiver also playing a

key role on defense. The 1962 unbeaten eleven rushed for 2772 yards, passed for 523 more and had 161 first downs. Their opponents had but 98 first downs on 1101 of rushing and 445 yards passing. Loudon fumbled 34 times and lost 17 while recovering just five of 23 coughed up by their opponents.

It was 1969 before the Redskins could again achieve gridiron brilliance in the way of record and statistics. The first Class AA State Champions had only a tie with stubborn Kingston in the regular season to dim an otherwise splendid season.

Loudon rolled almost at will through the state playoffs with running backs Lennie Hawkins, Kenny Parks, and quarterback Gordo Watson establishing themselves as the offensive leaders. Hawkins had 938 yards on 150 carries for the season and scored a whopping 15 touchdowns. Parks added 792 yards and three touchdowns along with 33 extra point kicks. Watson was the field general of the team and had 13 touchdowns. Yancy Hampton was also a key figure in the Loudon offense that year.

Defensively Loudon was led by J.L. Millsaps, Jake Lane, Bud Guider and Dickie Blankenship.

Loudon had 147 first downs and rushed for 2843 yards. The team did not pass that much hitting on 21 of 44 for 462 yards. Opponents had just 611 yards rushing in 12 games and 30 first downs. Their foes added 564 yards passing but

lost 21 interceptions in doing so as compared to just two by Loudon.

Loudon again fumbled 34 times that year and lost 15. The opponents lost 11 of 27 fumbles.

And now in just five seasons Coach Bert Ratledge and a gallant Redskins band of football performers are after another state title. A few rule changes have been made in those years, such as tie football game being a thing of the past with an overtime or 302 overtimes of extended play used now to produce a winner in case of a regulation game ending in a tie.

Yet the pigskin is the same and stakes are still just as important. And as in the past this Loudon team in nine regular season games of the team scoring to date.

Loudon has 136 first downs for a chance at a 1000 yards his into enemy arms. Loudon has recovered 17 of 21. The Redskins have in-carryes. The rugged fullback intercepted 13 passes.

Never has Coach Bert Ratledge had so many players and defensive linemen as opposed to no losses has its team and yielded but 71. Fumbles seem to have taken a slight Johnny Deathridge, hoping rise with 43 and 23 have fallen for a chance at a 1000 yards his into enemy arms. Loudon has recovered 17 of 21. The Redskins have in-carryes. The rugged fullback intercepted 13 passes.

The team thrives on defense and Mike Yates, 240 pound senior tops the squad in tackles. Marlon Brown, Sam Lyle, Kenny Skinner, Dickie Colvin, Donnie Thearp, and Johnny Deathridge share in applying the kill to opposing ball carriers.

This Loudon team of 1972 has already given up more offense to opponents than any of the recent Loudon teams of superior ability and talent, giving up a grand total of 1822 yards, 766 rushing and 392 passing. But they have in turn got a higher offensive output in nine games than any team ever at Loudon. The Redskins have struck for 2482 yards of rushing and 703 by passing for 3185 total yards.

Twelve men have figured in regular season games of the team scoring to date. Never has Coach Bert Ratledge had so many players and defensive linemen as opposed to no losses has its team and yielded but 71. Fumbles seem to have taken a slight Johnny Deathridge, hoping rise with 43 and 23 have fallen for a chance at a 1000 yards his into enemy arms. Loudon has recovered 17 of 21. The Redskins have in-carryes. The rugged fullback intercepted 13 passes.

Champions." The Redskins, 17 seniors strong, will put it all on the line Friday night at 7:30 when they must go against the Chargers of McMinn Central. But win or lose the Redskins have etched into the football

Chargers Win Again, 21-20

Dave Barnett crashed over the five-yard line with a winning streak to five games, twice tied the score at 7-7 and 14-14 in the heartpounding game played before an overflowing crowd of over 7,000 on an extremely cold night.

Carter threw touchdown passes to Barnett and Ray Hoffman on 15 and 19-yard plays while Grubb also scored the other two Cherokee touchdowns on 25 and six-yard runs. Grubb's 25-yard scoring run, capping a beautifully executed 94-yard drive, gave McMinn a 7-0 lead. However, Carter's toss to Barnett pulled the Chargers into a 7-7 half-time tie.

McMinn, which also lost two other fumbles, took a 14-7 lead on Grubb's 6-yarder but Central came back to tie it 14-14 on the aerial to Hoffman, ending a 66-yard drive. The brilliant Carter, who also intercepted two passes, then ran to the 10. A play later the 5-11, 166-pound senior ran to the five, where Barnett crashed over on the next play.

McMinn County, whose four game winning streak was snapped, had taken a 20-14 lead with 2:48 left in the third quarter on a 51-yard run by sophomore Joey Grubb. However, Rick Bishop missed the crucial extra point. Central which raised its

SPORTS

TSSAA Adds 2 Sports For Girls

The TSSAA Board of Control has adopted two additional sports for girls. The Board, in its November meeting here, has approved girls' golf and cross country. Girls' cross country will begin with the 1975-76 school year. The race will cover a 1 1/2 mile course.

The girls' golf program will begin this school year. Tentative plans call for girls' play to begin with regional competition in 1975 and advance to state tournament play. The boys' and girls' 1975 TSSAA State Golf Tournament will be played at the same time, June 4-5, on the same course. The four golf regions will eventually be broken down into districts similar to the present boys' golf program.

The Board also approved the suggested sites for the first boys and girls junior high regional basketball tournaments to be played in February. The sites are: Region 1—Hamblen East in Morristown, Region 2—Bearden High in Knoxville, Region 3—Tyner Junior High in Chattanooga, Region 4—Mt. Juliet High in Mt. Juliet, Region 5—West End Junior High in Nashville, Region 6—North Side Junior High in Jackson, and Region 7—Allways Junior High in Memphis. Junior division teams have been divided into 28 districts this year with four districts in each region. First and second place teams in each district tournament shall advance to the regional tournament.

Rockwood In Bowl

Junior quarterback Pat Cooley scored three touchdowns on short runs to propel the Rockwood Tigers to a 28-0 triumph over the Oliver Spring Bobcats in the final regular season game for both schools.

McMinn County (7-3) will play Chattanooga City Thursday night in the Scenic Bowl.

high school teams Friday night. The victory was the ninth of the year for the Tigers against a single loss. The Bobcats are 7-3. Tony Bowling scored the first Rockwood touchdown on a 6-yard run in the second period and Cooley tallied twice before the half to give the Tigers a comfortable margin.

Rockwood will play Knoxville Farragut in the Clinton Jaycee Bowl and Oliver Springs will play Maryville Porter in the Rockwood Jaycee Bowl.

Playoffs To End Grid Contest

Ten TSSAA High School Playoff games for regional championships will end the annual HERALD Football Contest this week.

In last week's contest upsets were the rule only one contestant picked all 10 winners. That was Michelle Adams of Philadelphia. The winner gets \$12 first place cash. Many contestants missed the Lenoir City over LaFollette, 21-12 producing the 33 point tie-breaker for the week. Another shocker was South's 9-7 win over Ketroon, a team that was undefeated until Friday night.

Several persons missed only one game and the 33 point tie-breaker settled the money winners. With exactly 33 points and winning second place money of \$8 was Byron Lawson of Loudon. Third place is split three ways with each winner getting \$1.67 each, with all three having 34 points on the tie-breaker. They are W.L. Thompson of Philadelphia, Judy Harrison, Rt. 4 Lenoir City and Betty Waller of Philadelphia.

Others with only one miss were Bill Thompson, Thomas McQuary, Luther Heflin, Geneva Foster, and Monty Lawson.

15 Named To All Loudon County Grid Team

The Loudon County Herald Sports Department recognizes its annual All County Football Team for 1974 this week. Fifteen players make up Loudon County's galaxy of gridiron heroes. The number is the most ever named to the elite list.

Loudon for the first time dominates the team membership with nine players being so honored. Greenback has four players and Lenoir

City two. Loudon with an unbeaten regular season and a class AA playoff berth for the first time in five seasons made the team selection one of the most difficult ever attempted to be constructed. Much of the problem came as a result of the extended number of players the Redskins used in rolling to a 9-0 season mark. Coach Bert Rattledge uses as many as 25 to 30 players exclusively each week and on at least two occasions during the

year used his entire team's personnel for a half or more. Thus the selection committee of coaches and sports writers viewing the Loudon County football teams of Loudon, Lenoir City and Greenback at extreme limits in selecting the best of each team.

Dennis Queen, punter, pass receiver, and defensive stalwart Sam Lyle is joined by standouts in the Loudon line such as rugged Mike Yates, Kenny Skinner, and Donnie Thearp. Marlon Brown and Dickie Colvin two super junior defensive stars at linebacker for the Redskins also join the list.

Still Loudon received special play for flanker Rick Tucker, sophomores Greg

Deathridge and Carter Cartwell. Junior Running back Porky Campbell and offensive lineman Jeff Nichols was also noted.

Greenback, in a rebuilding season 4-6 for the year following a class A playoff appearance in 1973, had four players to make the team. Jimmy Brooks a junior who had made the team as a lineman in seasons past, but moved to running back this season following the hands of TSD.

Lenoir City, displaying steady improvement in their final five games of the season peaking out the campaign with a win over LaFollette, had two players selected. Junior Danny Hall, a scrappy 140 pound defensive nose man and offensive back, drew special praise from Joe Caldwell on his weekly television program over a Knoxville TV station "Sports Insights" as being a player of great competitive drive. Doing a job of what is considered a position of a much larger athlete.

Jeff Blakley, senior lineman and defensive head hunter for the Panthers rounds out the star studded team for this year. Blakley is considered the premier player of this year's Lenoir City squad.

Season standouts that had their special moments were Lenoir City's Mike McConkey, Dennis Galey, Walt Thantam, Curtis Monger, and Lee Arnold. Greenback's Rocky Anderson, Kyle Shepherd, and Rick Russell were all considered for All Loudon County merits.

Kingston Raps Loudon In Hoop Opener

The Loudon High School basketball teams were handed an opening season defeat Tuesday night at the hands of the Kingston hoopers.

The Loudon "B" team dropped a 51-45 game as Freddie Starratt popped in 18 points.

The Lady Redskins lost for the first time evening their season mark 1-1. The Kingston sextet came from behind in the second quarter to pull the game out of the fire 43-37.

Pat Bell, Kingston's 6-2 senior forward struck for 27 points 15 coming at the foul line.

Loudon had all three forwards in double digits with Bernadette Locke setting the pace with 15. Jennie Laffer had 12 and Kim Brantthover contributed 10.

Both teams hit 13 field goals in the game with the difference coming at the charity stripe.

In the boys game Loudon

was no contest for the more experienced Yellow Jackets as they won easily 69-49.

Loudon with out the services of those players still involved in football saw Kingston get off to a 12-4 first quarter lead and built it into a 32 point edge before substituting freely in the latter part of the fourth stanza.

Teddy Bivens led all scorers in the game with 19 points, mostly from the 20-foot range. Mark Harrell added nine points and grabbed 10 rebounds.

Panthers-Kingston Split

The Lenoir City Panthers split with Kingston in a Thursday night basketball game.

The Panther boys won on last second heroes by forward Grayling Littleton 55-52.

Littleton and Howard Canick each tallied 18 points in the game.

The Lenoir City girls fell to a strong Kingston sextet 63-42.

Patty Cook with 14 points sparked the losers. Pam Smith and Vicki Thompson each added 12.

GOING FOR TWO—Kingston's Jim Parris drives for a basket as Loudon's Mark Harrell defends on the play.

Compromise Achieved

A compromise has been proposed by the task force assigned by the Tennessee Wildlife Resources Agency to come up with a program for revenue increase for the agency.

At a recent meeting in Nashville, the task force committee cut the proposed combination hunting-fishing license from \$10 to \$9. Individual licenses would be \$6 for either hunting or fishing and the seven-day permit for \$3 was extended to 10 days, giving state visitors two weekends.

Big game licenses were cut to \$9 for hunting deer, bear and bear while the turkey license dropped from \$5 to \$3.

This formula added up could give the agency \$1.6 million in revenue increases which Director Harvey Bray says is needed by the agency to give Tennesseans and their visitors the kind of "productive fishing and hunting they can enjoy."

Also to be sought is the right

to issue state bonds for the purpose of acquiring and developing wildlife lands.

Attending the meeting were Bob Burn, chairman of the committee and president of the Tennessee Conservation League; Representatives U.A. Moore of Millington, W.R. (Spot) Lowe of Lewisburg and Bill Watson of Madisonville.

Vol and Kentucky Fans Asked to Donate Food

If you are going to the UT-Kentucky football game, be sure to take along something to eat. Alpha Chi Omega, a National Service Fraternity, is holding a food drive in conjunction with the game with the food going to needy families in the Knoxville area.

Each ticket holder is asked to bring one non-perishable food item to the game. Collection points will be designated for various parts of the stadium.

Basketball Preview

LC Boys To Be Mystery Team Of Dist. Seven

The Lenoir City boys of Coach Willie Joe Smalley are termed a youthful team of inexperience and undetermined potential. Coach Smalley has but one letterman returning from a team that reached the region tournament last year and lost but nine season contests.

Smalley has kept this team much in the dark as to what to expect of them in 1974-75. All are off a "B" team which had a 12-6 slate last year. Eddie Billingsley, 6-6 senior and lone returning player with varsity experience will captain the team along with guard Ronny Cusick.

Grayling Littleton is believed a prospective starter at forward with 6-8 Howard Cusick playing center and Terry Parton stepping in at guard. All three are juniors.

Joey Cunningham, 6-3 and Mark Hudson are tabbed as certain to play. Mike McConkey a senior is being counted on after football season to play a major role in the team cast. Craig Harvey has been out with a bad knee

PANTHER CAPTAINS—Lenoir City Basketball Coach Willie Joe Smalley stands with his captains Ronny Cusick (left) and Eddie Billingsley (right) and assistant coach Barry White at a Panther practice session.

and is not in top condition for varsity play at this time. Rounding out the team will be Clifford Brown, Jody Johnson, Doug Phillips, and Jay Hines.

The Panthers have not worked during the summer as their teammates did of 1973-74. Nevertheless the reports are that the team has progressed at a fast rate since school started and early scrimmages were rewarding.

It is believed this team, while maybe a year away from greatness, will rely on the leadership of Billingsley. By tournament time the Panthers could be a polished team and capable of standing on their own.

Smith and promising sophomore Patty Cook. Both Cook and Smith will give the Pantherettes height under the offensive basket and a different type of scoring format from seasons past.

Vicki Thompson, a senior is expected to be the team playmaker with a stable outside shooting touch. Defensively the Pantherettes are a question. With Quillen's early departure and the loss of probable junior starter Karen Stinnet, who left the team several weeks after

Locke, Stingy Defense Gains Lady Skins Victory

The Loudon Lady Redskins opened their varsity basketball season Friday night by hosting Walland's district. The Loudon squad certainly surprised a crowded Loudon High School gym with their play in routing the sound Indian basket 48-27.

Loudon had defeated the Walland team in a summer camp contest by only 10 points and that decision came with a healthy Debbie Hawkins in the line-up.

Hawkins has since had knee surgery and is lost for the first half of the regular season.

Nevertheless the Lady Skins behind the scoring of sophomores Bernadette Locke and Jennie Lefler and the intimidating defensive performance of senior guards J.J. Purdy, Yarber, Harrison, Cindy Allmon, and Liz Delaney the win was almost too easy.

Miss Locke, standing up to her presson billing as a prolific offensive performer, hit 11 of 20 shots and eight foul shots for a first night total of 30 points.

Assisting Locke in the scoring and drawing approval of Coach Dewayne Arp, was Jennie Lefler. Lefler hit five of nine field goals tried and all were from 20-25 feet in length. Her 16 points provided Loudon with what is expected to be a 1-2 scoring punch for the next three seasons.

Senior Susan Blakney could help at guard. Junior Kathy Fulton is back after a year's absence from the team. Other players seeking duty at guard are Patty Watkins (Jr.), Sophomores Marly Lawson, and Marsha Thompson Cindy Cook (Jr.) and Jerre Heap (Soph.) roared out the varsity.

MAD SCRAMBLE—Sophomore forwards for Loudon Jennie Lefler and Kim Branthoover fight for a loose ball in Walland-Loudon game Friday night.

On the defensive side of the court Loudon's guards took the spotlight with an awesome first game showing.

Yarber Harrison grabbed 11 rebounds, came up with eight recoveries and blocked fourshots in just three quarters of playing time. J.J. Purdy, Cindy Allmon, and Liz Delaney were just as busy in near equal playing time. The first line defensive corps limited Walland to just 14 points in their stay on the court and definitely proved they are capable of keeping Loudon in the toughest of games ahead.

Loudon led 36 to 14 at the end of the third canto as Walland failed to score in the second half until 1:43 was left in the third quarter.

Loudon turned the game over to reserves in the final frame and the Indians were able to regain their poise and produced a respectable final score.

Loudon hit 16 of 40 shots for 40 percent. The Walland girls hit 11 of 43 shots for a 25.6 percent. Both teams had an extended number of turnovers in the season opener for both teams.

LOCKE FIRES—Loudon's Bernadette Locke is pictured as she bags 30 points in a season opening win over Walland.

SOPHOMORE PATTY COOK is expected to add to the Lenoir City offense this winter.

PAM SMITH senior forward returns to guide Pantherettes.

Greenback Boys To Open Season Friday

The Greenback Cherokees will open their basketball season this Friday night at Knoxville Catholic, last year's runner-up to Class S state champion Happy Valley.

The Irish have again assembled a tall rebounding force in two 6-8 forwards. The Cherokees of Coach Charles Bailey return two starters from last winter's hoop squad in guards Roddy Kizer, 6-1 sophomore and Senior Mike Reagan. Kizer is likely to move up to a forward position this season with Reagan handling the playmaking at guard.

Harold Hawkins steps up from the reserve ranks to handle the other forward slot and Mark Myers a 5-11 senior will be at the opposite guard vacancy.

Mark Carver, 6-3, junior will be placed at pivot, replacing the services of graduated Bill Joe Kyker.

Kyle Shepherd, out with a football injury, and Kenny Evans, still nursing an injured knee received in football, are two key players figured to be very much in the fight for starting positions.

Evans played a lot last winter and is a good shooter and team player. He is expected to return in a couple of weeks. Coach Bailey has high expectancy from Danny Dodson a junior who is termed the most improved of all returning lettermen. Tom Rader, Steve Linginfelter, and Rusty Reagan round out the squad at this time.

CHALK SESSION—Greenback boys basketball coach Charles Bailey gives his two returning starters Roddy Kizer and Mike Reagan a few play reminders before an afternoon practice.

Help Conserve Energy Free Bus To Playoff Game

We at the Hamilton will sponsor up to five buses for Redskin fans for the trip to McMinn Central and the Regional Playoff games Friday.

Call our office (458-4666) now and make reservations for this free transportation. Buses will leave Loudon High School at 6 p.m. Friday.

- We offer this free bus transportation for a two-fold purpose.
- 1. It is an energy conservation measure. The five buses can take over 200 people to the game. This will mean at least 50 to 75 automobiles will not be consuming gasoline for the trip.
- 2. The Redskins need all the backing and crowd support they can get at this game. Having to play a team they have already beaten gives the incentive to the Chargers. Our support will help the team.

ALL OUR OFFICES WILL CLOSE AT 5:30 P.M. FRIDAY FOR THE BALLGAME!

During this energy crisis we urge you to conserve where ever you can. We have started a program of keeping all unnecessary lights turned off, taken lights off our billboards, and turned the thermostats back in our offices.

Lenoir City Rolls Over Lafollette 21-12 For Season End Triumph

The Lenoir City Panthers rolled the high school gridiron scene Friday night by finishing their season with a smashing victory over a stunned Lafollette eleven. The Panthers chalked up 15 first quarter points and held on to hand the Owls a 21-12 upset.

GOOD TACKLE—Lenoir City's Benny Goley makes a midfield stop of a Lafollette ball carrier as the Panther defense was equally out-standing in protecting the Panthers football win over the Owls.

Jeff Blakney got the momentum flowing in the Panther direction with a early first quarter pass interception at midfield and the Panther offense took over.

Danny Hall and Mike McConkey accounted for a first down on two rushes. Benny Goley added to the cause by racing to the 19 yard line and on the sixth play of the scoring drive dashed off tackle for a touchdown with the game not five minutes old.

A two point conversion pass from McConkey to Jeff Blakney made the count 8-0. Lenoir City showing a solid effort on both offense and defense checked the Owls out down at the Panther 34 late in the first quarter and in turn moved the pigskin toward the Owls goal line.

stirring 15-0 advantage. The Owls fought back at this point with a nifty seven play scoring drive of 66 yards to make the first quarter score 15-6. Lenoir City stopped the conversion effort.

PANTHER TOUCHDOWN—Lenoir City's Mike McConkey plunges over for the Panthers final touchdown of the night at Lafollette. The Panthers won 21-12 for their first win of the season.

The Owls with a bit of trickery were successful on an on-sides kickoff and in just 10 plays into the second quarter had found pay dirt for the second time and cut the Panther lead to 15-12.

Lenoir City battled back in surprising poise getting a couple of key breaks on LaFollette penalties to keep their final scoring march in order. A clutch 27 yard aerial to Mike McNabb carried the ball to the Owl two and on the ensuing play McConkey dove for the six-pointer.

The second half was played to a scoreless defensive tussle. The Panthers drove as close as the Owl 10 in the bid frame only to fumble away their efforts. A touchdown pass from McConkey to Doyle Varner, a freshman, was wiped off in the final quarter on a penalty.

LaFollette drove as close as

the Lenoir City five but the Panthers seeking their first win of the season turned back the assault and preserved the win.

Lenoir City intercepted four passes in the game with Blakney, Benny Goley, Curtis Monger, and Mitch Smith all claiming one.

Offensively Lenoir City got a steady effort from McConkey, gaining 48 yards in 12 carries. Danny Hall carried 12 times for 55 yards and Benny Goley eight snaps for 45.

The Panthers accounted for 108 yards of the 173 rushing yards they got in the contest in the first period.

Blakney, Benny Goley, Curtis Monger, and Mitch Smith all claiming one.

Offensively Lenoir City got a steady effort from McConkey, gaining 48 yards in 12 carries. Danny Hall carried 12 times for 55 yards and Benny Goley eight snaps for 45.

The Panthers accounted for 108 yards of the 173 rushing yards they got in the contest in the first period.

Game And Fish News

By Rex Collier
Ph. 458-5559

November 20th marks the beginning of another Tennessee duck season. The season runs from November 20 - December 1 and from December 11 thru January 17.

This year the point system for bag limits is being introduced into Tennessee. The point system will be:

POINT VALUE	SPECIES
100	Canvasback and Redhead (except where closed)
90	Female Mallard, Wood duck, Black duck, Hooded Merganser
85	Drake Mallard and Ringneck
15	All other species of ducks and geese
8	Coots (daily bag - 15 daily and 30 possession)

The daily bag limit is reached when the point value of the last bird taken added to the sum of the point values of the other birds already taken during that day reaches or exceeds 100 points. The maximum number of birds of species and sexes which could have legally been taken in two days.

With the coming of the point system it will be important for a hunter to be able to identify the various species of duck and mergansers and to know their point values.

To aid the hunter with identifications, two classes have been set by the Wildlife Resources Agency, Ducks Unlimited, and the Outdoorsmen. The classes, scheduled for Thursday, November 14 and Monday, November 18, will be held in Knoxville in the Hamilton National Bank in the Western Plaza Shopping Center.

There is no admission and a dozen decoys will be given away at each of the classes.

These classes can be a great help to the duck hunter and can make his hunting trip more pleasant.

LC Upsets Harriman For Third Hoop Win

The Lenoir City Panthers continued to impress everyone with their first class basketball showing in the early stages of the season Tuesday night turning back state ranked Harriman 61-33.

The Blue Devils, picked in the top 13 of the state in preseason polls, could not shake the pesky Panthers as they had to settle for a 29-29 halftime knot and a strong second half performance by Howard and Ronny Cusick.

BACKBOARD BATTLES—Lenoir City's Howard and Ronny Cusick out-hustle Harriman on the backboards in an upset of the highly touted Blue Devils Tuesday night.

Wildcats Seek Third Title

Sweetwater High can gain a rare distinction in the state high school football playoffs beginning Friday.

Coach King Berrong's Wildcats are in a position to become the first team ever to win three championships.

Five other former titlists—including incumbents Chattanooga Baylor (AAA) and Dyer County (A)—are in the field, but none has succeeded twice.

Sweetwater, which won the 1971 and '72 Class A crowns, battles host South Pittsburg in the Region 2 final, first leg of the state race, Friday. Jackboro and Walland are Region 1 A opponents at Everett.

ANNUAL FOOTBALL CONTEST

12 BIG WEEKS

\$300 IN CASH PRIZES

\$25 Each Week

\$12 First Place

\$8 Second Place

\$5 Third Place

The Herald Loudon County

CONTEST RULES

1. Clip the contest entry blank on this page, or make a reasonable facsimile. In the columns designated, mark which teams you think will be the winner. Also estimate the total number of points which you think will be scored in the Tiebreaker game listed on the entry blank. This will be used only if it is necessary to break a tie between contestants.
2. Only one entry per person may be submitted. Employees (or their immediate families) of the Loudon County Herald are not eligible to enter this contest. Players of teams in contest are not eligible.
3. All entries must be deposited in the contest box in the Herald office by 5 p.m. Friday or postmarked not later than 5 p.m. Friday, if mailed. Entries received after that time will not be eligible. Address all entries to FOOTBALL CONTEST, The Loudon County Herald, Loudon, Tennessee.
4. Entries will be judged on the number of games right. In case of a tie, the contestant coming the nearest to the actual number of points scored in the Tiebreaker game will be awarded the prize. The names of each week's winners will be printed in the Herald on the following week. All contestants agree that the decision of the judges will be final, and all entries become the property of the Herald.

Obituaries

MRS. KIRKLAND
 Beattie Hooker Kirkland, age 84, Route 2, Loudoun, died Monday, Nov. 18 at her home. She was a member of Corinth Baptist Church for over 71 years and widow of Charlie A. Kirkland.

Survivors: son, Jim Kirkland, Loudoun; daughter, Mrs. W.R. (Joyce) Honey, Jr., Fontana, Calif.; three grandchildren; three great-grandchildren.

Funeral services were held Thursday at Hawkins Chapel, Rev. Buford Albright, Rev. R.L. Davis officiated, Interment, Mt. Zion Cemetery, Hawkins, Loudoun, in charge.

MRS. FURROW
 Mrs. Lela Furrow, age 79, formerly of Loudoun, died in the Hamilton County Nursing Home, Chattanooga, Tuesday, Nov. 12.

Survivors: daughter, Mrs. Eva Alford, Lenoir City; son, Edward Dotson, Sweetwater; step-sons J.H. (Fuzz) Furrow, Sweetwater; Ben Furrow, Chicago; step-daughter, Mrs. Theima Lambert, Tullahoma; sister, Mrs. Elizabeth Reynolds, Sweetwater; eight grandchildren; several great-grandchildren.

Funeral services were held Thursday at Karnes Chapel, Rev. O.C. Rainwater, Rev. Bernard Courtney officiated, Interment, Mt. Zion Cemetery, Karnes Funeral Home Loudoun, in charge.

MRS. MCCARRRELL
 Mrs. Ethel Atkins McCarrell, age 74, of Johnson Nursing Home, Lenoir City, died Friday, Nov. 15 at Loudoun County Memorial Hospital. She was a member of the Bell Avenue Baptist Church.

Survivors: three daughters, Mrs. Juanita Webb, Jacksonville, Fla.; Mrs. Norma Lee Shepherd, Richmond, Va.; Mrs. Barbara Buchanan of Virginia; two sons, W.D. McCarrell, Lenoir City; Jack McCarrell, Memphis; 15 grandchildren; two great-grandchildren; three sisters, Mrs. Lizzie Thompson, Loudoun; Mrs. Ruby Wiles, Mrs. Mollie Marsee, Florida; two brothers, Reece Atkins, Loudoun and R.C. Atkins, of Georgia.

Funeral services were held Monday at Bell Avenue Baptist Church, Rev. Raymond Hudson, Rev. Charles Fisher officiated, Clerk's, Lenoir City, in charge.

MRS. KELLY
 Mancel Kelly, age 93, died Monday, Nov. 18 at Fort Sanders Presbyterian Hospital after a lingering illness. She was a member of Church of God, Knoxville.

Survivors: son, Don (Fred) Kelly of Lenoir City; daughter, Mrs. Jack Buffalo of Knoxville; several grandchildren and great-grandchildren.

New Providence Sanctuary Wall Falls

The sanctuary of the New Providence Baptist Church in Hotchkiss Valley was heavily damaged Tuesday morning when the entire West wall of the building collapsed.

Pastor of the church, The Rev. T. M. Cody told Deputy Lucian Kent that a basement had recently been dug under the brick church and work was still underway in finishing the area. Kent said that he examined the area around the foundation in the basement of the church and it appeared that the bank and retaining wall in the basement gateway sending the exterior wall crashing to the ground.

Rev. Cody said that insurance company engineers were to look at the building Wednesday and a determination of what caused the wall to collapse would be made. At first it was thought there might have been some sort of explosion, but Deputy Kent said he could find no evidence to back the theory, but he had requested that the State Fire Marshall's office investigate the incident just to be sure.

A clock in the sanctuary stopped at 5:57 a.m., but the damage was not discovered until sometime between 7 and 8 a.m., Rev. Cody said.

Funeral services were held Wednesday at Hawkins Chapel, Rev. Fred Gooden officiated, Interment at Gritby Chapel, Hawkins, Lenoir City, in charge.

The church is located on a hill beside Interstate 75.

The main floor of the church was left sagging, but Rev. Cody thought it would be jacked back into place without any major repair. Estimates of the damage are incomplete. Deputy Kent put \$25,000 on his work report, but said he thought that would be low.

The church had hired a contractor in September to move the dirt for the basement and members of the church had poured the floor, built the retaining wall and finish work. The building was built in 1950.

New Providence Baptist is well over 100 years old. The organizational meeting of the Loudoun County Baptist Association was held there 101 years ago in a log building. The building that was damaged Tuesday is the fourth building to house the church. There are about 400 members on the church roll and the average Sunday attendance is 150, Rev. Cody said.

As of Wednesday morning Rev. Cody said no definite plans had been made on where the church would hold services until the damage can be repaired, but he hoped that the church would be allowed to use the retaining wall of the school just next door to the church.

The Electronics Class of Loudoun County VIC Club is sponsoring a student wrestling match on Saturday November 23 at 7 p.m. at the Loudoun High School auditorium.

Wrestlers are Loudoun High students and former students who will be impersonating famous wrestlers of East Tennessee. Those participating are Freddie Giles, Darrell Arden, Larry Worley, Billy Presley, Larry "Tiger" Hughes, Gene Rattledge and Harold Brookshire.

work and school Wednesday morning traffic caused some problems in the clean up operations. Most businesses, including those damaged opened for business on schedule and began making repairs. Glass companies from Knoxville and Maryville

were in Lenoir City at 8 a.m. making estimates and plans to repair damage. Repairs are expected to take several days to complete.

RCA To Get Radio Bid For Justice Center

When the new \$1 million Loudoun County Justice Center opens in January the combined communications network of the Sheriff's Department and the police departments of Loudoun and Lenoir City will be operating with temporary equipment.

County Judge Bill Russell said the county had lost an argument with the State Law Enforcement Planning Agency to approve the bid of the Motorola company for the communications equipment. He said although the Motorola bid was \$2500 higher than the one from RCA, who will now get the contract, it had several advantages including a delivery date of 90 days compared with 120 days offered by the RCA bid.

Russell said that he has instructed Civil Defense Director Ted Randolph to take necessary steps to get temporary radio equipment installed to allow the center to start operations as soon as it is completed in January.

Judge Russell said he was able to get the LEPA to agree to reinstate some \$75,000 in funds to operate the communications and records system at the center for a second year as provided in an earlier grant. The Agency recently had deleted the second year funding.

TVA Calls For Emergency Conservation

TVA Board Chairman Aubrey J. Wagner announced last week that the TVA Board has asked the governors and other public officials in the Tennessee Valley region to support a series of emergency power conservation measures in an effort to avoid or postpone power cutoffs which can result from a prolonged coal strike.

"The coal supply situation we in the Tennessee Valley region face today is extremely serious and will become critical if the coal strike continues for very long," Wagner said. "Positive action by everyone is essential now if we are to avoid the impact of devastating shortages of electric power."

1. An immediate cutback in all street lighting to 50 percent of normal;
2. The immediate elimination of all outdoor decorative and advertising lighting;
3. The reduction of commercial business hours to a maximum of 60 hours per week;
4. The immediate reduction of all electric heating thermostats to 65 degrees except in areas which must be kept warmer for health reasons; and an immediate cut to bare minimums of all other uses of electricity in homes, offices, businesses and industries.

THOMAS HILLS store front was heavily damaged in the Tornado and storm as were more than 15 other businesses.

METAL ROOFING CLUTTERED UP MANY BUSINESS AREAS in Lenoir City after the storm. This picture is at the Broadway Shell station.

POWER LINES and other utility lines were down in scattered areas of Lenoir City. This was the scene on First Avenue behind J. W. Wilburn Hardware.

DEBRIS WAS EVERYWHERE in the Lenoir City business district Wednesday as shown by this picture at Gray's Auto Parts.

Metric System Coming?

What are the chances of the metric system coming to Loudon County?

What is the likelihood of the local area eventually turning away from the current units of weights and measures—pounds, quarts and the like—and adopting such newer units as centimeters, meters, liters and grams?

The first concrete step toward that end has just been taken, nationally, with the enactment of a Federal bill authorizing the expenditure of \$40 million over the next four years to introduce the metric system to today's school children.

According to the National Education Association, many schools across the country will now be pushing in earnest to make metrics part of their curriculum.

Loudon County children would be told, for instance, that because of the energy shortage the speed limit on highways has been reduced to 88 kilometers per hour, which is the same as 55 miles an hour.

They would also learn that their family car gets about 6 kilometers to the liter, instead of 14 miles or so to the gallon, and that the 12,500 passenger cars in their area consume an

average of 2,720 liters of gas in the course of a year.

The Loudon County household, in shopping for food, will be buying 2 kilos of meat (equivalent to 4.4 pounds), 200 grams of cheese (7 ounces), and a liter of milk (3.06 quarts).

These and other changes in our present, non-decimal system of units will ultimately have to take place, according to Department of Commerce analysts.

There is increasing pressure in this country, from the business, educational and scientific communities, to

take the plunge. They propose a gradual conversion over a 10-year period.

As it stands now, more than 90 percent of the countries of the world now use the metric system. The United States is the only major industrial country that does not.

That fact puts us at a disadvantage as far as international trade is concerned, it is claimed.

Many oppose the change, however. They contend that conversion would cost many billions of dollars and would upset our economy for years to come.

BACK IN THE GOOD OLD DAYS

We continue some of our comments on Loudon area basketball. Of course our thoughts on this are brought about by a picture we have this week, but in relation to what we wrote about the old Loudon High Basketball teams and where they played. The other week we stated that we thought outdoor basketball was played in back of the old Loudon High School building (now the grammar school). Well, a good friend of the Good Old Days and a good friend of ours, King Black, stated that early games were played in front of this old building. These were the days before the old gym was built which reminds me. Have you noticed the face lifting they have given this old building? We think it looks great and was badly needed.

Now to our basketball picture. It is of a rural team at Prospect and this team played outdoors. The picture was made several years ago. Those in the picture are as follows: Gene Lane, Phillip Bettis, Joe Lynn, Paul Woolsey, teacher, Chester Hart, Butch Crabtree, deceased, Billy Anderson, Estel Hall, deceased, Tom Jones, David Hiltson, Roger Seiber and Johnny James. I am sure this team was a good one as were most rural school basketball teams.

Mrs. George Lane sent us this picture along with some interesting comments about her school days. She stated that she attended a rural school and they had outdoor basketball courts. When weather would permit this was the major activity at a recess and lunch time. She stated that their school was one large room and when they couldn't be on the outside due to weather, they would stay in the one room and all talk at

one time and that outside playing basketball was certainly a lot more fun. Our many thanks to Mrs. Lane.

Our other picture this week is a lodge group composed of a lot of well known Loudon County people. We don't know where the picture was made but I believe it was in the Lenoir City section. We have some guesses as to what kind of lodge group it was but these are merely guesses. Please help us if you can. Mrs. Norris of Eatons loaned us this old picture.

We have had pictures from about every section of our area and pictures of most schools in one form or another. We greatly appreciate the never ceasing interest of our readers in the

Good Old Days effort. We hope all of you continue to help us. We had some calls and lots of comments from our Lenoir City readers in the past few weeks. We are pleased by this and would like to hear from more of our readers in this section of our county. Our Good Old Days is intended for all our county as well as other areas which might be in-

To The Voters Of Lenoir City

For personal reasons I will not seek the office of Recorder-Treasurer.

I appreciate all the help and encouragement I have received and hope that all concerned will understand why my decision was best for me and my family.

Thanks again, Robert W. (Bill) Hodge

JUNIOR MISS AND COURT—Loudon County Junior Miss Pam Smith (center) is pictured with the alternates and trophy winners at the pageant Saturday night. Left to right are Scholastic Achievement winner Rhonda Kay

Brown, Miss Congeniality Libby Hagan, First Alternate Pam Boone, Miss Smith, Second Alternate Beth Webb, Third Alternate and Talent winner Cindy Padgett.

Pam Smith Crowned Junior Miss

JUNIOR MISS CROWNED—Loudon County Junior Miss 1975, Pamela Smith is crowned by Tennessee Junior Miss Janet Deaton at the conclusion of the local pageant Saturday night at Lenoir City High School. Miss Smith won over 20 other contestants.

Pamela Michelle Smith, a 17 year old Lenoir City High School Senior was crowned Loudon County Junior Miss 1975 Saturday night as the judge picked her out of field of 21 lovely contestants, before a crowd of about 500 persons in the Lenoir City High School auditorium.

Miss Smith, called Pam, a very popular Lenoir City student, had been crowned homecoming queen at the school earlier this year. The attractive 5 ft. 10 in. daughter of Mr. and Mrs. W.T. Smith of Lenoir City, is the first of her race to win a major title of this type in Loudon County.

Pam was crowned at the conclusion of the two and one half hour presentation by Tennessee Junior Miss Janet Keaton of Knoxville.

First runnerup in the pageant, who in case Miss Smith for some reason cannot represent the county in the state pageant, carry the county honors is Loudon High Senior and head majorette Pam Boone, daughter of Mr. and Mrs. C.H. Boone, of Vinton.

Second runnerup was Beth Webb of Lenoir City, daughter of Mrs. Mary Nell Webb of Lenoir City. Taking the third alternate award was Cindy Padgett, daughter of Mr. and Mrs. Ralph Padgett of Lenoir City. Cindy also won the coveted talent competition with a sparkling balon and knife twirling and dance routine.

Libby Hagan, daughter of Rev. and Mrs. Dillard Hagan of Athens, won the

A. F. Graduate

Airman Danny R. Tipton, whose parents are Mr. and Mrs. C.J. Compton of Rt. 2, Greenback, has graduated at Keesler AFB, Miss., from the U.S. Air Force administrative specialist course conducted by the Air Training Command.

The airman, now proficient in the preparation of Air Force correspondence and reports, is being assigned to McConnell AFB, Kan., for duty with a unit of the Strategic Air Command.

Airman Tipton is a 1973 Friendsville High School graduate.

Top Talent
Cindy Padgett

Miss Congeniality
Libby Hagan

Congeniality Award Libby, who attends Loudon High, won the award which is selected by a vote of the contestants themselves.

Greenback girl, Rhonda Kay Brown, daughter of Mr. and Mrs. Bobby G. Brown, won the scholastic award, for having the best academic record of the field of contestants.

The field of 21 contestants were judged for poise and appearance in evening gowns, creative and performing arts, scholastic ability, awareness of human relations and community and family contributions. Judges were Nancy Skidmore, Nancy Ferguson and W.K. Croy. Roy G. Cardwell of Lenoir City was master of ceremonies. The pageant was sponsored by Xi Alpha Psi Sorority of Lenoir City.

The new Junior Miss said she is looking forward to participating in the state event in February. When asked about her selection for the crown she said, "I guess that all things are possible." She said she did not think she would win and when the master of ceremonies called her name, "it was like something hit me."

Pam said she thoroughly enjoyed the pageant, working with the girls and the sponsors.

In the talent competition Pam sang "We Only Just Begun," which brought one of the top audience reactions of the night.

For winning the Pageant Miss Smith received a \$200 scholarship from the Suburban Junior Woman's Club, a \$25 savings account at the Bank of Loudon County, an overnight case from Green's, and a trophy from Mashburn Jewelers.

First Alternate Pam Boone, who performed a balon twirling routine, received a \$75 savings bond from Sheffield Steel and a trophy from the sorority.

Second Alternate Beth Webb, was presented a \$50 savings bond from Sheffield Steel and a trophy.

Third Alternate Cindy Padgett, took home a \$25 savings bond from Sheffield and a trophy. As talent winner Miss Padgett also won another \$25 savings bond from Hamilton Bank of Loudon and a trophy.

Miss Congeniality, Libby Hagan won a \$25 savings bond from Merchants and Farmers Bank and a loving cup from Mashburn Jewelers.

The other contestants, their parents and talent presentations were as follows: Mary E. Barnett, daughter of Mr. and Mrs. C.F. Barnett, Lenoir City, pianist, Love Is Blue; Sharon Parris, daughter of Mr. and Mrs. Harold Parris, Lenoir City, vocalist, Moon He's Making Eyes At Me; Terry Dalton, daughter of Mr. and Mrs. S.L. Dalton, Lenoir City, reading about Baby Rita; Ann Ritchey, daughter of Mr. and Mrs. Don H. Ritchey, flutist and reading, Joseph's Dream Coat; Carol Ann Quillen, daughter of Mr. and Mrs. Earl Quillen, Greenback, reading, Overheard In a Movie Line; Michelle Cooper, daughter of Mr. and Mrs. Graham Cooper of Greenback, pianist, Theme from Romeo and Juliet; Teresa Goddard, daughter of Mr. and Mrs. Roy L. Goddard, Greenback, vocalist, He's Everything To Me; Acquilla Henley, daughter of Mr. and Mrs. Homer Henley, Loudon, flutist, Michele Smith, daughter of Mr. and Mrs. William E. Smith, Loudon, dance to Do It Baby; Linda Faye McConkey, daughter of Mr. and Mrs. Ed McConkey, Lenoir City, reading What's Right About America; Terry Jo Dukes, daughter of Mr. and Mrs. A.C. Dukes Jr., Loudon, vocalist, Second Hand Rose; Margie M. Kelso, daughter of Mr. and Mrs. Arthur Kelso, reading from Mary Queen of Scots; Jennifer Lynn Harrison, daughter of Dr. and Mrs. Sam Harrison, Loudon, acrobatic dance to Brian Song; Susan Smith, daughter of Mr. and Mrs. Robert Smith Jr., Lenoir City, a piano selection from Beethoven; Varber Harrison, parents deceased, sang Killing Me Softly.

Junior Miss Pam Smith is tri-captain of the Lenoir City girl's basketball team, member of the National Honor Society, and delegate to Girl's State. She was also named the outstanding girl of the Freshman, Sophomore and Junior classes at Lenoir City High. She hopes to attend the University of Tennessee and someday wants to become a registered nurse or specialize in some field of medicine, because she said she "wants to help mankind by doing my small part to make this world a better place to live in."

HOT LINE REPORT TO HOG FARMERS

FDA has just approved use of Selenium in swine feeds.

Now all Co-op swine feeds contain Selenium at approved levels.

Selenium helps promote maximum growth at optimal feed efficiency — helps you attain best feed conversion for your feed dollar.

Look for it on the Co-op tag, listed as sodium selenite.

The Tribe Speaks

LOUDON HIGH SCHOOL JOURNALISM CLASS
by Patricia Blankenship Denise Gault

On Thursday the Student Council announced that they will be making up baskets for the needy. Students and faculty were asked to bring canned goods from home. We feel that this is a very worthy cause and we are glad to participate.

Also on Thursday, we had a musical assembly. It was a band called "The First Dimension" and the lead singer is Richard Wilkerson. They played a lot of the current hits and it was a good performance. Everyone enjoyed it.

On Friday, the Senior Class sponsored a movie called "Ten Little Indians" starring Hugh O'Brian and Fabian. The movie was a good turn-out and everyone thoroughly enjoyed it.

The Band has been selling patches to raise money for their trip to Florida. The deadline was Friday, Nov. 15, 1974.

The Prayer Group is sponsoring a Bible Study at Cindy Watson's house on December 2. Two girls, Laura Johnson and Linda Rudek, both from Athens, will be in charge. All members, please attend.

The Journalism Class will be putting out an "All Sports" issue of the "CHIEFTAIN" this week. There will be a special price of 15 cents.

The photographer will be here Friday, Nov. 21 to finish making school group pictures. Everyone look your best!

The Health Occupations I and II class had a guest speaker Friday Oct. 19, Jackie Peters, an occupational therapist for over 30 counties in East Tennessee. She brought with her, Fred Capps, a paraplegic patient that was in a wheelchair. He brought along some of his equipment that he uses from day to day.

Jody Shope, Betty White, and Rita Wear along with Mrs. Charlot Hall attended and participated in the annual office leadership conference of the Tennessee Association of Vocational Industrial Club of America (VICA) in Knoxville. VICA has grown to a membership of more than 150,000. The organization was founded in Nashville, Tenn. in May of '65.

The Drafting, TV and Radio Repair, H.O.E. VICA clubs Friday Nov. 8th met to organize the VICA Chapter and elect officers. The officers are as follows: Pres-Sharon Paris, V. Pres-Jody Shope, Sect.-Kathy Hick, Treas.-Tony Mashburn, Reporter-Freddy Giles, and Parliamentarian-Randy Lee.

ALL MATCHING COMPLETE PIECES NOW ON DISPLAY—7-YEAR OPEN STOCK GUARANTEE.

TVA Lowers December Power Rates

The monthly fuel cost adjustment on TVA electric rates will decline again in December because of the measures being taken to reduce the use of coal at TVA power plants, the agency said. The December adjustment is computed from the actual cost of fuel used in TVA power plants last month. On residential electric bills it will amount to .02 of a cent per kilowatt-hour or 82 cents for each thousand kilowatt-hours used by the consumer. This is down from 90 cents in October, and 79 cents on November electric bills.

One reason for the decline was increased power production in October at TVA's first nuclear power plant, which involves a much smaller fuel expense than producing the same amount of electricity from coal.

Another factor was large-scale purchases of power from other electric systems to help hold down coal consumption at TVA plants. Although this purchased power generally costs more than generating the same electricity at TVA's own plants, that cost is not fuel expense and does not show up in the monthly fuel cost adjustment.

TVA said the national United Mine Workers strike that began Tuesday is starting to have a sharper effect on coal receipts at TVA power plants. Although coal shipped from UMW mines before the strike began is still arriving at these power plants, deliveries on Thursday were down to 40,000 tons and will continue to drop.

CARD OF THANKS
I would like to thank the people for their kindness, sympathy, food and flowers during the death of my loving husband, Johnnie Junior King. A special thanks to the preachers, pollbearers, and the singers. A very special thanks to Donnie Roberts for his kindness.

Your loving wife, Elizabeth, 11-21-11p.

John O. Gibson, Solicitor for Complainant. 11-14-11p.

FORECLOSURE NOTICE
That, WHEREAS, by a deed of trust dated April 2, 1974, of record in the Register of Deeds for Loudon County, Tennessee, in Trust Book 140, page 710, et seq., Wilburn H. Clemmer and Cora Clemmer did convey in trust

to Donald L. Canter, Trustee, the tract of land hereinafter described, to secure the payment of the principal sum of \$4,271.40, evidenced by promissory note due Hamilton National Bank of Loudon, Tennessee, all as stated in said deed of trust, and being incorporated herein by reference; and

WHEREAS, said deed of trust provided that in the event of default in the payment of any of said notes and interest, when due, the entire indebtedness shall at the option of the holders and owners thereof become due and payable; and

WHEREAS, default having been made in the payment of certain installments, now due, and the holders of said notes having declared the entire balance now due and payable, and have instructed the undersigned Trustee to foreclose said deed of trust.

NOW, THEREFORE, by virtue of authority vested in me, as Trustee under said instruments, I will, on Thursday, the 28th day of November, 1974, offer for sale and sell in front of the courthouse door in Loudon, Tennessee, at 10:00 a.m., Eastern Standard Time, to the last highest and best bidder, for cash in hand, and in bar of the equity of redemption, the following described tract of land, situated in the First (1st) Civil District of Loudon County, Tennessee and more particularly bounded and described as follows:

BEGINNING at a stake in the public road leading to the old Redman Farm; thence South with the line of Howard and Green 13 rods to a stake; thence with the line of Lindsey West 13 rods to a stake; thence with the line of Lindsey; thence with Lindsey North 13 rods to a stake; in the center of said public road; thence with the said road East 13 rods to the beginning, containing one (1) acre, more or less, ex-

cepting a certain lot 90 x 111 feet conveyed to Wilburn Clemmer.

This being the same property conveyed from Cora Clemmer to Wilburn H. Clemmer by a deed of record in the Register's office for Loudon County, Tennessee, in deed book 110, page 301, in which Cora - Clemmer reserved a life estate, and by deed of Wilburn H. Clemmer to Lou Crowley dated April 13, 1974, of record in the Register's office for Loudon County, Tennessee, in deed book 117, page 544.

Trustee believes that said property is free and clear except for current taxes, but is to be sold subject to all matters.

This 2nd day of November, 1974.
Donald L. Canter, Trustee.

Headlee Attends Workshop In Michigan

Three area educators attended a Community Education Workshop the week of November 10 at the National Center for Community Education in Flint, Michigan. The Center is affiliated with the University of Michigan-Flint.

Dr. Paul Goldberg, Director of Community Services at Roane State Community College, was one of the program participants. Mrs. Anne Hartman, Director of Volunteer Services for the Roane County School System, and Ed Headlee, Superintendent of Schools in Loudon County, were also at the workshop representing the Roane and Loudon County Schools.

Community education has become an important part of public education, both on the college level and with local school systems. The National Center for Community Education is a training center for community education. The workshops aid in leadership and resource development.

Most of the sessions were held on the campus at Flint. But the educators also had several opportunities to visit colleges and model programs in the Flint area. Last Monday they attended a session at Mott Community College. The subject discussed was the Community College and Community Education.

Dr. Goldberg commented that the workshop was a valuable source of ideas and methods of developing creative and useful community education programs in this area. He expressed the interest of Roane State in working with any school system in exploring new ideas and programs which could utilize the College's faculty or administrative resources.

ED HEADLEE, superintendent of Loudon County Schools, Mrs. Anne Hartman, and Dr. Paul Goldberg, at the Community Education Workshop in Flint, Michigan.

effective Sunday, November 17, the U.S. Postal Service intends to discontinue delivering mail on which there is no postage.

Postmaster Marrs said the new policy was instituted because of the high costs being incurred by the Postal Service in its attempt to deliver such mail. Officials estimate that such costs total approximately \$18 million annually.

In announcing the new policy last month, Postmaster General E.T. Klassen said, "it is unfair to burden the vast majority of mailers with costs created by the few who mail without prepayment of postage."

After November 17, letters mailed without postage will be returned to sender if there is a return address, or to the dead letter office, instead of being delivered to the address as postage due mail as has been the custom. Postal officials will attempt to find the sender of unpaid mail and return it for a slight fee. If there is no return address,

"Naturally we realize that someone could inadvertently forget to put a stamp on a letter or that a stamp could come off prior to cancellation, so we urge mailers to be sure to include a correct return address on their mail," Postmaster Marrs said.

HEART FUND CYCLETHON WINNER—Bill Zebb, of Loudon, received a bicycle as the Grand Prize of the Heart Fund Cyclethon sponsored by the East Tennessee Heart Association. Bill raised \$472.20 for the Heart Association's programs and he also rode the most miles, 109 miles in nine hours. He is a member of Webb School, which will receive a trophy for raising more money than any other participating school in this area. He is the son of Mr. and Mrs. William Zebb Route 1, Loudon. 94 cents out of every dollar raised in this event will go toward support of Heart Association programs such as research, community programs and educational programs. The other 6 cents will cover printing cost and other materials used in the event.

Non-Stamped Mail Will Be Returned

Postmaster Ed Marrs today reminded customers that

One of the best fire fighters in your town is a pair of pajamas.

Every town, big or small, needs experienced fire fighters. The ones you see here—in full battle gear—belong to Engine Company No. 1 of Freeport, New York.

The fire fighter that looks out of place is the pair of pajamas on the child.

You see, by law all sleepwear up to size 6X must be made flame-retardant.

And these pajamas are made of 100% Dynel modacrylic, a

flame-retardant fiber created by Union Carbide.

When exposed to fire, properly constructed fabric of Dynel does a very sensible thing. It shrinks from it.

And if a flame should reach it, it extinguishes itself as soon as the flame is removed.

Dynel has a lot more going for it. It's soft, non-allergenic, durable, colorfast, mothproof.

So you're likely to find this versatile fiber in all sorts of

things. Wigs, draperies, carpets, tents, paint rollers. But we doubt that there will ever be a better use for Dynel than helping protect young children against a very old enemy, Fire.

Today, something we do will touch your life.

Tornado Damage Put At \$850,000

Damage in Loudon City and northeast Loudon County last Wednesday morning by a tornado like storm could amount to as much as \$850,000, according to County Civil Defense Director Ted Randolph.

Randolph said a survey of the area, covering two days, identified 45 pieces of property that sustained damage. These included business buildings, signs, awnings, roofs, windows, homes, farm buildings and others.

They said some of the most extensive damage was to the Memorial Building in Loudon City and structural damage to the Ashe Furniture building. He said estimates on the Ashe damage are incomplete.

In addition to the property damage, Randolph said he estimates damages, cost of repair, labor and equipment of the Loudon City Utilities system would run another \$40,000.

Randolph credited efforts by Loudon City Mayor Joe Grayson who coordinated contacts with various contractors, roofing contractors,

and others with getting emergency repairs made by a Wednesday night. Randolph said that the Loudon County Rescue Squad kept a large force of members working throughout the day and into the night Wednesday helping the city crews clean up the debris and store owners repair their damage.

Although the damage estimate of \$850,000 is higher than first thought, Randolph said that had the storm been stronger and come later in the day, when town was crowded with employees and shoppers the losses in injuries and loss of life instead of just in dollars.

The report he completed listed the following damage locations:

- 1. Damage to office of Dr. Paul F. O'Neal, window broken, some inside water damage.
- 2. Mashburn's Jewelers, signs and awnings destroyed.
- 3. Fort Loudoun Savings and Loan Association, one large sign.

TVA May Cut Power 30 Percent

TVA announced Tuesday it has completed a plan under which it could begin cutting back power supplies to its customers when its coal stockpiles fall to the 3-million level. The present coal supply emergency makes it necessary to stretch stockpiles as far as possible.

Stockpiles could reach that level in about three to five weeks if the national United Mine Workers strike continues, TVA estimates.

At that point the electric energy available to local electric systems, industries, and government installations served by TVA would be set at 30 percent below the amount each customer used in the same month a year or two years ago, whichever was larger. This is to avoid penalizing customers who had already cut power use a year ago.

This 30 percent reduction is about the amount TVA already has achieved in the use of electricity at its own offices.

The contingency plan includes progressively sharper

percentage cuts if coal stockpiles should drop further to levels of two million tons and on to one million tons.

"For many people a mandatory reduction of 30 percent in power supplies could mean real hardships, including job cutbacks in some businesses and industries," TVA Chairman Aubrey J. Wagner said. "We must emphasize again how important it is for all users of electricity to make an all-out effort on voluntary power conservation to avoid the prospect of mandatory limits on power supplies."

A drop to a coal stockpile total of three million tons would not automatically trigger a decision to start power supply cutbacks, Wagner said. This decision would at that time have to take into account the outlook for resumption of coal deliveries to TVA from mines now closed by the strike. Coal supply prospects also would determine how soon any mandatory curtailments of

(Continued On Page 4)

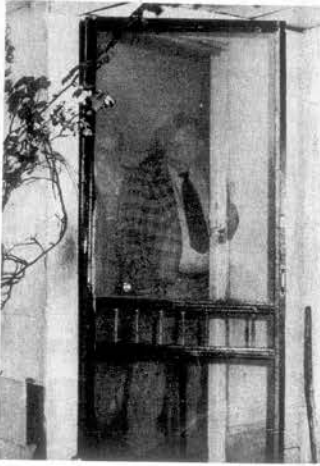

Clerk Wins Salary Hike Lawsuit

The last of the expected salary lawsuits by County Officials for pay increases for clerical help was heard last Thursday in Circuit Court by Judge Willard Kittrell.

Circuit-Criminal and General Sessions Clerk Billy Joe Akins was granted a pay increase of \$100 a month for his deputy Circuit Court Clerk giving that position a \$500 a month salary. A \$52 a week salary increase was granted

to Akins' deputy General Sessions Clerk bringing that salary to \$7800 a year. The raises granted in both cases were exactly as the clerk had sought.

Judge Kittrell did not allow \$4800 sought for an additional clerk, but did give Akins \$2000 for additional help as needed. He was also given permission to re-file for additional funds for extra help in six months if he thinks more is needed.

SHERIFF GUY RUSSELL and Fred Howell are shown through the screen door leading into the kitchen of the Howell home. It was through this door that Howell fired a shot that fatally wounded Kenny Dyer early Sunday morning.

Howell Charged With Murder In Shooting Death Of Kenny Dyer

WHERE FINEST SHOT HIT—Sheriff Guy Russell examines where the first shot fired by Fred Howell to scare Kenny Dyer away from his home early Sunday struck a concrete lip on the foundation of his home.

A 77 year old Loudon City man, Fred Howell, has been charged with murder after a shooting incident at his home early Sunday morning, left Kenny Dyer, 26, of Loudon City dead. The Howell home is just off Midway Road near Highland Park.

Sheriff Guy Russell said that Mr. Howell told officers that he did not mean to kill Dyer when he shot.

The elderly Howell told officers Voyd Carruth and Jim Lindsey, and later Sheriff Russell that Dyer and some other people came to his home about 3 a.m. Howell stated that Dyer came to the back door and wanted to see Jecky Lafay, a 16 year old Loudon City girl who was the overnight guest of Howell's granddaughter, Sannie Sue Brummitt.

Mr. Howell said he told the girl that Dyer was at the door and she didn't want to go out. Howell reportedly told Dyer this and he insisted that he see the girl. Mr. Howell went back to his bedroom where the girl was sleeping and told her she went out on the back porch to talk with Dyer while Mr. Howell stood inside the door in the kitchen.

Mr. Howell and Mrs. Brummitt said that Dyer was insisting the girl leave with him and Howell said he asked Dyer to leave. The man refused and took a swing at Howell. Mr. Howell said he showed Dyer the 22 pistol he was carrying and asked him to leave "while we are still friends." He said Dyer said "you will have to shoot me," and swung at him again. At this point he fired a shot at the ground through the open screen.

Howell said Dyer then started for him saying "You will have to kill me now." Howell said as Dyer came through the door he shot, trying to hit him in the side. The man told Sheriff Russell he did not mean to kill him and

hated that it happened. Dyer, after being shot was taken to Loudon County Memorial Hospital by James (Eddie) Turpin, one of the people he reportedly had with him at the Howell home. He was transferred to St. Mary's Hospital at 3:46 p.m. and reportedly died in the ambulance at 4 a.m. while enroute to the hospital.

The shot that killed Dyer struck him in the middle of his stomach. The first shot that Howell fired struck a concrete lip on the foundation of the house.

A statement given the Sheriff's office later Sunday by Mrs. Turpin (Shirley Sue) stated that Mrs. Howell came to the door with the Lafay girl who was the overnight guest of Howell's granddaughter, Sannie Sue Brummitt.

Mrs. Turpin's statement also stated that the girl ran to the car when the two men started to argue and said that Howell was going to shoot Dyer. She also said that the girl went to Loudon Memorial Hospital with her and the husband to take Dyer to the hospital.

Mrs. Turpin also said that she, her husband and Dyer had been at the Tip Top Tavern at Loudon City until midnight and in a Knoxville spot until 2 a.m. drinking before they went to the Howell home.

Mr. Howell posted a \$3500 appearance bond about 5:30 a.m. Sunday.

Funeral services for Dyer were held Tuesday at Umlia Free Holiness Church with Rev. Woody Martin officiating. Burial in Loudon City Cemetery.

Survivors include the victim's wife, Mrs. Cathy Dyer, two sons, Jason Bradley and Jody Lee; brothers, Joe and Ronnie Lee Dyer, Ellis W. Barron; sister, Carol Moore; step-mother, Mrs. Vernon Dyer; grandmother, Mrs. Dorothy Plemons.

Vo-Ed Site Goes Back To Court

County Court Budget Committee Monday night voted to send the matter concerning the purchase of the Quintus Mills property in Loudon City for the State Vocational Educational School back to county court for further consideration.

County Court at its last meeting voted to purchase the property for \$50,000.

At the Budget Committee meeting Judge William Russell told the committee members, Squires Henry Foster, I.D. Conner, Boyd Duckworth and J.G. Hudson, that several things have developed that were not known when the court acted to buy the tract.

He said that it was thought that there was a 25 to 40 foot road right of way to the property, but a field check showed only a 13 or 15 foot right of way. Another point was that the owner of the adjoining property would not agree to sell additional right of way. The other point is that the deed showed only just over 21 acres and not 25 as reported to the court.

After several minutes of discussion Judge Russell said in view of the problems he felt that the budget committee should take the matter back to the court and no further action to purchase the property should be taken until

that time.

During the discussion Mr. Mills and his attorney Charles Eblen said they felt that the county could obtain right of way into the property from other property owners at a reasonable cost. Mr. Eblen asked if the existing right of way would not be sufficient, but was told about the county standards of 40 and 50 foot rights of way, and the fact that the state would also have a requirement which would have to be met.

A suggestion was made that

some property could be condemned to obtain the right of way but the court members runcly said this was the reason other sites were not considered for the school.

A discussion concerning deficits in operations of the County Ambulance Service ended with the Budget Committee pledging what ever help they could give the hospital who has been absorbing the financial loss of the ambulance operation.

At that time the Hospital Board Chairman

Parade Attracts Many Entries

Loudon's Christmas Parade, set for 7 p.m. Thursday, Dec. 5, is shaping up to be quite an affair, according to Mrs. Wayne Watson, chairman of the event for the sponsoring Loudon Band Boosters.

Mrs. Watson said that entries and sponsors for floats have been surprisingly good. She said about a dozen groups and firms have said they will sponsor floats, many of which plan to enter marching, vehicle and horse back entries.

Prizes for the floats in competition will be \$75, \$50

and \$25. Float entries to date include Gama Beta Sorority, Greens, Rotary Club, International Association of Machinists, Tic-Toc Jewelers, Bank of Loudon County, VFW Post 3150, Fort Loudoun Ford Tractor, The GOD Squad of First Baptist, United Methodist Youth, Loudon Utilities and others.

The Shrine Club Motorcade will be apart of the parade, and the Horses for Dysphroby organization, along with the Loudon High Marching Band and Ole Santa Claus himself.

Mrs. Watson said plans are being made to have a

Christmas Queen from Loudon High participate in the parade. She said each class would nominate candidates, who would then be voted on by members of the Redskins Band. No band members will be eligible for nomination. A queen from the four classes would be named and the remaining three would be princesses.

The complete lineup of the parade and the route it will take will be published next week.

Parade entries are still being accepted by Mrs. Watson. Her phone number is 458-5289.

EXAMINE MURDER WEAPON—Deputy Voyd Carruth holds the 22-caliber pistol that Fred Howell said he used to shoot Kenny Dyer early Sunday. Looking on are Deputies Allen Clemmer and Jim Lindsey.

CHAMPION REDSKINS—The Region 2 AA Football Champion Redskins Football Team displays their happiness after receiving the winning trophy for their defeat of McClain Central, 40-14 Friday night. Holding the trophy is Mike Yates, Sam Lytle and Dennis Queen. The Skins meet Rule Friday at Loudon in the semi-final round of the TSSAA Football Playoffs.

Pep Rally Thursday . . . Redskins Meet Rule In AA Semi-Finals Friday

Thursday is Thanksgiving, but the minds of Loudon Redskin Football fans are probably on the upcoming state semi-final match with Rule rather than turkey and dressing.

Region I champs Rule and Loudon, Region II AA Champs will meet at Dukes Field in Loudon at 7:30 p.m. Friday to see who will represent the Eastern section of the state against the winner of the Milan-Hartsville game in the State Championship on Friday, Dec. 6.

A Thanksgiving Day Pep Rally is scheduled during and following the Redskins team practice Thursday. Coach Bert Rallege said that the team will start practice at 4:30

and following the practice a bon fire and pep rally will be held. He said he urged all students and Redskins fans to attend both the practice and pep rally. Rallege said the support of students and fans is vitally important in getting the team ready to play.

Tickets are now on sale at the high school and at Loudon Pharmacy and Myers-Hudson Drugs. All tickets are \$2 if purchased before Friday. Tickets on Friday and at the gate are \$2.50.

Complete coverage, with a full page of pictures, on the Loudon 40-14 rout of McClain Central, along with information on the game with the Golden Bears Friday, plus basketball and other sports are inside.

Giles Honored On 50th Anniversary

More than 125 persons attended the Golden Wedding Anniversary of Mr. and Mrs. Arthur V. Giles of Philadelphia on Sunday, Nov. 24.

They were honored with a reception at the Philadelphia Lodge Hall by their children Irwin and Frances Husman.

and Manuel and Betty Coelho, all of California; Charles and Wanda Giles of Philadelphia and Bill and Lavonda Werner of Dayton, Ohio.

Out of town guests were Mr. and Mrs. Eugene Monroe of Hugheson, Calif. and Mr. and Mrs. James Monroe of Riverbank, Calif.

Garden Club Supports Care World Program

The Loudon Garden Club met November 15 at the Bank of Loudon County with Mrs. Gae Lomax as hostess. Della Chambers read the devotion.

The club voted to send a donation to the Care World Gardening Program. Plans were completed for the Christmas meeting to be held at the home of Mrs. Essie Ball on December 11.

Mary Johnson, Marita George, Gae Lomax and Mary George.

After the business meeting, Mrs. Charlotte Hodge gave a program on homemade Christmas decorations. The program was designed to inspire members to do a little more with what they have and spend less.

Blue ribbon winners for the month of November were

New Sorority Organized

The new Chapter of the Delta Kappa Gamma Society met Saturday, Nov. 16 at the Loudon County High School, South Harrison with the Harriman Chapter as hostess.

After a business session conducted by Mrs. Jack Bowman of Harriman, president, an initiation service was held under the leadership of Mrs. Jean Black, chairman.

New members from Loudon County initiated were Carolyn Bledsoe, Sarah Bledsoe, Betty Swoney and Carolyn Cade.

Those members attending the meeting from Loudon County were Jeanette Alford, Josephine Blankenship, Mary Buckner, Opal Griffiths, Myra Britton, Azalea Limburg, Golda Miller, Lucile Purdy, Mildred Richey, Lavonda Simpson, Mary Sanda, Blanche Watkins, Lois Goode and Thelma Couper.

An orientation tea was given Sunday, Nov. 24 at the home of Mr. and Mrs. Sanders Bowman of Rockwood for the new members. About 100 persons attended the tea.

12 Families Get Baskets

About 12 needy families in the Loudon area will have a Thanksgiving feast through the efforts of the Loudon High Student Council. Council President Paul Bivens said that the Student Council had prepared the baskets of food and surveyed a list of needy families who would receive the food.

Misty Dean Scott celebrated her first birthday on Nov. 21 with a party given by her mother, Vicki Scott. Her aunt, Brenda Scott, presented her with a gift of a Raggedy Ann and Andy Doll cake. 30 guests were present for the party including Misty's grandparents, Mr. and Mrs. Earl Scott and her great-grandmother, Mrs. Ira Scott.

BONNIE SHEELEY
Assistant Extension Agent
Agricultural Extension Service
The University of Tennessee

Quilling, an age-old craft form using paper rolled and folded into different shapes will be taught at a county workshop December 2 at the Loudon County Rescue Squad Building between 9:30 a. m. and 3:30 p. m. Call the Agriculture Extension Office for information on the supplies that will be needed. Christmas ornaments will be the items made at the workshop.

There will be a Christmas Dinner and Demonstrations December 9 at 6:30 p. m. at the Loudon High School Cafeteria. The covered dish dinner will begin at 6:30 p. m. and the program at 7:30 p. m. All interested persons are welcome to attend. Nine demonstrations will be given on Christmas ornaments.

At Thanksgiving dinners seldom-used china will be brought out of cabinets and used. China sets the table most often on special days; it also requires special care.

Delicate china and crystals deserve the very best care. With proper treatment, these treasures will look their sparkling best and last a lifetime.

When washing by hand, use detergent or soap and warm water. Avoid the abrasive action of scouring powders, pads and steel wool, since these can harm the china. For added protection, line the sink with a bath towel to avoid breakage.

For machine dishwashing, be sure china and crystal are properly loaded to prevent possible breakage.

Standridge of Athens.

Mr. and Mrs. Woodrow Massangill of Knoxville spent Monday with Mr. and Mrs. Lawrence Kerr.

Mr. and Mrs. Ralph Harper of Charleston, Bill elley and Billy of Lenoir City visited Saturday with Mr. and Mrs. Charles Kelley.

Allen Justice, School For the Blind in Nashville will spend Thanksgiving Holidays with his parents, Mr. and Mrs. O'Dell Justice.

Dr. and Mrs. W.C. Lenoir, Katherine David and Mollie will arrive Thursday from their home in Columbus, Ga. to spend Thanksgiving weekend with Dr. Lenoir's mother, Mrs. Cannon Lenoir. Mrs. Kenneth Vowell and daughter Teresa of Murfreesboro spent the weekend with Mrs. Vowell's mother, Mrs. Reba Oody and also visited with other relatives.

Mr. and Mrs. Lawrence Kerr attended church service Sunday morning at Mt. Pleasant Baptist Church at Hickory Creek. The W.M.U. honored Mrs. Maude Bean as women of the year. Mrs. Bean is Mrs. Kerr's mother.

Mr. and Mrs. Tom White have returned to their home in Old Hickory after spending the weekend at their cabin on Watts Bar Lake.

Miss Ginger Crabtree, student at T.T.U. in Cookeville will arrive Wednesday to spend Thanksgiving Holidays with her parents, Mr. and Mrs. Harvey Crabtree.

Mrs. Owen James is a patient at Saint Mary's Hospital.

Mr. and Mrs. Homer Holdridge Jr. of Cleveland visited last Friday with his mother, Mrs. Homer Holdridge Sr.

LOUDON HIGH SCHOOL JOURNALISM CLASS
by Patricia Blankenship
Denise Gatlin

On November 19, the FHA had a meeting to vote for Miss FIA. The qualifications are: Participation for four years, good leadership, and good service. The nominees were: Evelyn Duncan, Darlene Blankenship, Cheryl Shirk, Terry Dukes, Becky Blankenship, Donna Kyle, and Tanya Williams. The two most qualified were: Darlene

Blankenship and Cheryl Shirk. The winner of Miss FIA is Miss Darlene Blankenship. We also discussed helping the Student Council in making baskets for the needy. We are going to make candies and cookies and put in the baskets. The deadline for this is Tuesday, Nov. 28. We will be having a guest speaker to speak to the FHA

Wednesday. She is Mrs. Bonnie Sheeley, as Assistant Extension Agent from the University of Tennessee. She will be giving a demonstration on making Christmas crafts. We are looking forward to her visit.

On November 19, the Juniors and Seniors attended a meeting to explore what our future might be like. The guest speakers, both Mr. Allen, talked the future in electronics. He told of how cars, hospitals, houses, appliances, etc. might be like in the next several years.

On Friday, the Seniors sponsored another movie called "Munster, Go Home". It starred Fred Gwynne and Yvonne De Carlo. Everyone enjoyed it.

VIEW FROM THE HILL

by Edward Headlee
Loudon County School Superintendent

SNOW
One of these mornings we may wake up to find the ground white and lovely. When this happens, turns to one of the following for information concerning schools:

The Special "All Sports" issue of the "CHIEFTAIN" came out Thursday. All of the copies that were made were sold.

"WE WOULD LIKE TO WISH EVERYONE A HAPPY THANKING"

in Loudon County. Radio WELC or WLIL (Lenoir City), WNOX (Knoxville), WOKI (Oak Ridge); Television: WATE, channel 6 or WBIR, channel 10 (Knoxville). These stations will have information if schools are closed by 6:30 a.m. If schools are open, these stations will not be contacted by the superintendent.

VACATION
The superintendent will be out of town the week of November 24-30 which involves the Thanksgiving

weekend. After nearly three months on the job it will be a restful break to relax for a few days before the year-end rush of activity.

FIRE INSPECTIONS
The State Fire Inspector has completed his annual school inspections and there are several areas in our schools which require attention. We hope to correct these weaknesses in the near future.

PARENTS' GROUPS
I hope that the president of the parents' group (PTA, PTO, etc.) in each school will be in contact with me in the near future concerning the needs of their school. Only by a total effort of the home and the school can we possibly give our children the education they deserve.

ENERGY CRISIS
The various levels of government (federal, state, and local) have issued cautions concerning the conservation of energy. We in the public schools have been asked to cut back our use of energy by 20 percent in order to have enough for this winter. We sincerely hope that a four-day school week will not become necessary because the longer hours will only add to an already long day. Perhaps by watching our use of energy we can avoid this possibility.

Board Meeting
The regular monthly meeting of the Loudon County Board of Education will be held on Thursday, December 5, in the superintendent's office at 7:30 p.m. Any items to be considered by the Board should be in the hands of the superintendent by Friday, November 29, 1974 in order to be placed on the agenda.

S.A.A.
The Superintendent's Advisory Group is scheduled to meet on Monday, December 2, at 7 p.m. in the superintendent's office in Loudon. It is hoped that all members can attend. This meeting, as with all other such meetings, is open to the public if anyone wishes to attend.

Conservation
The various levels of government (federal, state, and local) have issued cautions concerning the conservation of energy. We in the public schools have been asked to cut back our use of energy by 20 percent in order to have enough for this winter. We sincerely hope that a four-day school week will not become necessary because the longer hours will only add to an already long day. Perhaps by watching our use of energy we can avoid this possibility.

Local Energy Guidelines Told

The Loudon County Energy Advisory Committee will present a five page report on its suggestions and findings on the energy problems in Loudon County to County Court Monday.

Chairman Ted Randolph, County Civil Defense Director, said the committee spent hours surveying the county and making their recommendations after consultation with various county departments and city governments and utilities in the county.

He said the measures, if adopted, and followed will result in substantial savings of energy supplies. The report suggestions are as follows:

1. Contracts concerning oil and fuel oil for the County and Cities schools should be placed for bids no later than April 15, 1975. Bids should not be restricted to any geographical area.
2. Sufficient stock piling of coal should be carried out. The county school system uses approximately seven hundred tons of coal in a school year. At the present time fuel oil cannot be stock piled. Surplus under ground tanks formerly used by the county highway department could be used to stockpile if it is deemed necessary.
3. Thermostats should be set no higher than 70 degrees during school hours or office hours in public buildings.
4. Thermostats should be lowered to 65 degrees after school hours or office hours in public buildings. Maintaining these conservative measures could save approximately 5 percent of the total cost of the fuel as well as conserving of our energy.
5. All excess lighting should be turned off.
6. Portions of buildings not being used on a regular basis should be closed off. Thermostats should have outer locking devices installed.
7. Schools and public buildings should limit its use of said buildings during the evening hours. The county school system should give consideration to the rescheduling of sport events to save energy.
8. All public buildings excluding those that are vital to the health, welfare and safety of the citizens should be closed on Saturday.
9. Office hours of said public buildings could be set under the following proposals:

Monday through Friday - 8:00 a.m. until 5:00 p.m. All offices to stay open during lunch hours except those offices having the total of one office holder.

10. The key to conservative measures in all schools and public buildings rest with the custodian of each school or each public building. The person or persons in charge of said facilities should take action to see that the above conservative measures are taken.

HOME OWNERS
Home owners should make use of available information of conservative measures in the home:

1. Water heaters should be reduced to 140 degrees.
2. The use of clothes dryers should be curtailed wherein possible.
3. Storm windows or sheet plastic should be placed over window areas.
4. Thermostat setting should be reduced to 65 degrees at night.
5. Home should be well insulated.
6. Rooms not in use should be closed off.
7. Excess lighting turned off.
8. Wherein possible use electric fry pans to prepare meals instead of electric range.
9. Draperies should be opened during the day and closed at night.

There are just a few ways that as a home owner you can save energy and cut the high cost of energy. There are many other ways. You as a home owner should try to reduce the amount of energy as much as possible.

INDUSTRY
Industry uses approximately 70 percent of all energy used in the United States. Industry must make effort in the conserving of energy. The industrial plants in our county have the personnel and knowledge to bring about some reduction in the use of its energy and reduce wherein possible all excess use thereof.

undetermined damage to building.

Vo-Ed Site Goes Back To Court

(Continued From Page 1)
I.D. Conner said that the hospital has been experiencing a decline in patients and a decline in income and the ambulance losses were placing a strain on the hospital finances. Judge Russell said he understood that if it were not for the ambulance service losses the hospital would be showing a slight profit for the year instead of a loss. Conner said in February the hospital was facing a \$38,000 increase in payroll because of scheduled cost of living pay hikes. The county has about \$21,000 in the present budget for the ambulance service

- 44. Goodyear Service Center, window damage with inside water damage.
- 45. Crumley Shell Service Station, window damage.

which is expected to be paid at that time to help the hospital absorb that cost. Moving the Ambulance Service to the new Justice Center when it goes into operation was mentioned as a way to get the burden away from the hospital and a way that the ambulance staff could be cut by stationing all ambulance service from that center instead from two locations as is now done. The Budget Committee passed a motion stating they would consider additional funds for the hospital in the next fiscal budget and in the meantime make budgeted funds available when called for.

TVA May Cut Power 30 Percent

(Continued From Page 1)
power could be ended. As of midnight Sunday the total supply of recoverable coal in TVA stockpiles was 4,369,000 tons, and TVA is using about 40,000 tons a day from these stockpiles to make up for the reduction in coal deliveries during the strike. At that rate it would take about 34 more days for the stockpile total to fall to three million tons. However, Wagner warned that this could happen more quickly if there is a further drop in the low level of coal now being delivered, if colder weather brings increased power demand and coal consumption, or if other developments widen the gap between coal supplies and use at power plants. Even if the coal strike were to end before TVA stockpiles get down to the three-million-ton level, mandatory cutbacks in power supply could be necessary later if coal supplies to TVA continued to fall short of power plant needs.

during the winter heating season, Wagner said. If these cutbacks become necessary, it will be up to each local electric system distributing TVA power to see that total energy use by its retail customers stays within the allocated amounts. These 160 local systems distribute electricity to about 2,400,000 customers. The emergency plan was developed by TVA with input from its distributors and state energy offices in the TVA power service area. TVA has been working with the Tennessee Valley Public Power Association, representing the local distributors, in the development of guidelines for actions each distributor could take to meet the allocations. These could include intensified community campaigns for maximum voluntary reductions in power use, and power allocations to the distributor's own individual customers.

An organizational meeting for Parents of Exceptional children will be held Thursday, December 5 at 7 p.m. at the Lenoir City Utilities Building. All interested parents are invited. Included in the agenda will be a brief presentation by a representative of the counsel for Exceptional children, Knoxville chapter.

Several people reported hearing a noise "that sounded like a train coming through." It is a sound commonly associated with tornadoes.

A small tornado touched down on Broadway about 4:30 Wednesday morning, damaging businesses throughout the business section and causing thousands of dollars in damages.

At least 25 buildings were damaged. Roofs were blown away, brick walls knocked down, signs destroyed, plate windows shattered and power poles knocked over in the storm.

Dear Friends and Customers:

As many of you know, we had very extensive damage because of the tornado on Wednesday, Nov. 20th. Only the people who came by early to help out and the Loudon City Police know how much water was literally pouring into the building through the broken windows and ceiling.

As a result of this, we had thousands of dollars' worth of clothing which was damaged and cannot be replaced at this late date in time for the holiday season. We do not want to buy close-outs, left-over merchandise or seconds from other dealers and cannot buy winter merchandise from our regular sources.

The water has damaged the carpeting throughout the entire store area. It will have to be replaced as soon as possible. The roof also needs repairing. The front will need some remodeling. This means we need to move our present stock so we can have room to work without further damage to the merchandise.

We live in Loudon County. We feel that Loudon County has been good to us (we appreciate all the people who helped us after the storm), and we, in turn, have tried to help Loudon County, in community matters, in school programs to help out with the athletic programs, etc. We have made substantial contributions for the purchase of land for Eaton Yale and Towne, Marmount, Lenoir Industries, etc.

NOW WE ASK YOUR HELP TO HELP US REMOVE THIS STOCK. We are offering clean, new merchandise at tremendous savings to you. Since the holidays are fast approaching, this is a good time to buy those Christmas gifts - birthday needs - other gift items and get more money from your dollar at the same time!

Come see us

Sincerely,

C. Rayburn Allen

The View From The Pressbox As

The Redskins DO STOMP The Chargers

MARLON BROWN is shown with a clear field as he catches a Dennis Queen pass that ended in a 34 yard touchdown for the Redskins.

WITH THE CHEERLEADERS leading the way the Redskins took to Charger Field with the spirit that saw them come from behind to drill the Chargers 40-14 to win the Regional Championship and advance to the state semi-finals with Rule on Dukes Field Friday night at 7:30 p.m.

ANOTHER TD FOR BROWN—Marlon Brown (top right) has just caught a Dennis Queen (11) pass for a 15 yard touchdown.

DENNIS QUEEN the Redskin quarterback threw for four touchdowns, but is shown here on an 18 yard run that led to a Redskin score in the 40-14 Redskin conquest of McMinn Central.

THE BIG MAN RAMBLES—Loudon's powerhouse John Deathridge, did not score in the game, but he accounted for 156 yards rushing of the 317 offensive yards for the Redskins in the romp over McMinn Central.

IT WAS CALLED BACK—The most exciting run of the night was by Greg Deathridge (with ball) on a punt returned raced 80 yards for a score. It did not count as the Skins were called guilty of a clipping infraction.

FLEET REDSKIN RECEIVER Rick Tucker has a clear shot at the goal as he races 50 yards to score in the state regional playoff contest at McMinn Central.

TWO BIG POINTS—After scoring their second TD of the night Loudon went for two points on the PAT in the middle of the stack in John Deathridge scoring on the successful attempt to give the Redskins a 14-7 lead at the time.

IT WAS HIS NIGHT—Marlon Brown, named Player of the Week by his coaches after the game, is shown racing past McMinn Central defenders, in the regional championship game won by the Redskins 40-14 at McMinn Central.

Queen/Engineers'Redskin Offense For 511 Yards

Loudon "Passes" Region 2 Title Round With 40-4 Victory Over McMinn Central

by Danny Gibson
Sports Editor

The Loudon Redskins, third ranked in the final regular season Associated Press Class AA Prep Fall, blitzed pass Region 2 runner-up McMinn Central Friday night 40-14 in the first round of the state play-off series.

The Redskins had won a previous regular season game at the expense of the Chargers 20-7, before returning Friday night to erase any question as to the best double-A football team in Region 2.

The Chargers, who did manage to score more points on Loudon (14) in one game than any other opponent in what is now a 10-game span, took a first quarter lead of 7-0 on a seven play drive ending on a 35 touchdown pass.

The Big Red Machine responded with a bombardment of passes of their own from senior quarterback Dennis Queen. The gutsy field general cranked up his throwing arm for Loudon passes of 53, 34, 10, and 27, the latter three being to Marlon Brown and the other to Rick Tucker.

When the dust had cleared, Redskins had amassed 511 yards of total offense and emptied their entire bench upon the Chargers who managed but 225 yards of offense including a final last period TD run of 89 yards.

The surprisingly easy win advanced Loudon into the Class AA semi-final round of the state football playoffs scheduled for Friday night, Nov. 29. The Redskins will meet Knoxville State, a 20-0 first round winner over Kingsport Ketrone. The game will be played at Loudon, starting at 7:30 p.m.

Loudon received the opening kickoff Friday night and promptly established a first down on the running of Rick Melton and season workhorse Johnny Deathridge at the Loudon 49. The McMinn Central defense toughened their efforts and Loudon punted 32 yards to the Central 18.

The Chargers could not budge the strong Loudon defense and punted for 38 yards on fourth down and eight at their own 20.

The Redskins in excellent field position at their own 42 rushed for a first down to the Charger 46. A 23 yard pass completion to senior flanker Rick Tucker gave Loudon a first down at the Central 23. A series of poor execution in performing the pitch for Loudon's outside running game lost eight yards and ended up giving the Chargers

the football on downs at their 22.

Fired up by the defensive showing the Chargers offense went to work with a spicited air attack. A 11 yard first down completion got the sticks moving and in seven plays the Chargers had paraded 76 yards with the big play being a 35 yard touchdown whip from quarterback Larry Carter to his twin brother Gary Carter with 5:44 left in the first quarter.

Loudon returned the kickoff 15 yards with Porky Campbell bringing the ball out to the Loudon 25. Loudon kept the ball for just two offensive snaps as junior running back Rick Melton lost the handle on a hand-off and Central recovered at the Loudon 29.

The Loudon defense hurried to the rescue and probably turned the game around at the 2:47 mark of the first quarter. Mike Yates, Sam Lyle, Kenny Skinner, Dickie Dolvin, and Donnie Thearp and company in four offensive plays by the Chargers regained possession of the football on downs as Central had a minus five yards for their efforts.

Loudon settled down to business, collected a first down on Dennis Queen's 13 yard punt to the Loudon 49.

The Redskins in excellent field position at their own 42 rushed for a first down to the Charger 46. A 23 yard pass completion to senior flanker Rick Tucker gave Loudon a first down at the Central 23. A series of poor execution in performing the pitch for Loudon's outside running game lost eight yards and ended up giving the Chargers

yard scamper to the Loudon 47. Rick Melton was stalled at the line of scrimmage for a gain of less than a yard, thus Queen came back on a pass play that hooked up with a speeding Rick Tucker down the side lines for 53 yards and a touchdown. The conversation Eck was rudely blocked and the Chargers enjoyed a first quarter 7-0 advantage.

Loudon threw up an iron hand defense on the Chargers following the kick-off and from their own 37 had to overcome a series of penalties that sent the ball back to the Redskins 17 before getting in gear.

Johnny Deathridge ran for 15 yards but Loudon was forced to punt. An alert Sam Lyle seeing a Central defensive player racing in from his right, hesitated on the punt and as he lured the Charger player in for a chance of blocking the punt booted his usual 40 yard punt and took a crushing lick from the on rushing Central player. A hitler three being to Marlon Brown and the other to Rick Tucker.

When the dust had cleared, Redskins had amassed 511 yards of total offense and emptied their entire bench upon the Chargers who managed but 225 yards of offense including a final last period TD run of 89 yards.

three yards as Queen was deked behind the line. But the senior quarterback returned to the productive Loudon air game for a 10 yard bullet to Marlon Brown and a 20-7 score with 1:00 left in the half.

The PAT kick was blocked. Loudon checked the Charger offense in four plays but served up a pass interception at the Central 39 thus giving the Chargers two more offensive plays before intermission.

Loudon picked up the second half in the same fashion as they had taken command of the game in the second quarter. Central was stopped

in four plays following the third quarter kick-off. From the Loudon 19 the Redskins used five plays to hit the score board for the fourth time.

John Deathridge bulled for a yard. Rick Melton ran two snaps for 12 yards and John Deathridge dove left for four yards. Deathridge was again called on for a test of the right side of the Charger defensive force and this time the senior real estate agent galloped 64 yards out distancing everyone for a touchdown.

Kenny Skinner's kick was good with 8:39 yet to play in the third period.

The Hing Chargers were forced to punt away the ball for the fifth time and from the Loudon 13 the Redskins offense accepted the equal task.

Four plays and 87 yards gave Loudon complete control of the game. Deathridge ran for 13 yards. Queen found Brown for a 38 yard pass, with Brown making a falling down reception at the Central 36. Melton added nine yards with Queen returning to this night's favorite passing target

for a touchdown.

• 1973 Winner of Fourth Place Award among Tennessee weekly newspapers in Sportswriting

Marlon Brown for 27 yards and a 33-7 Loudon scoring rout. The kick was again no good following the score.

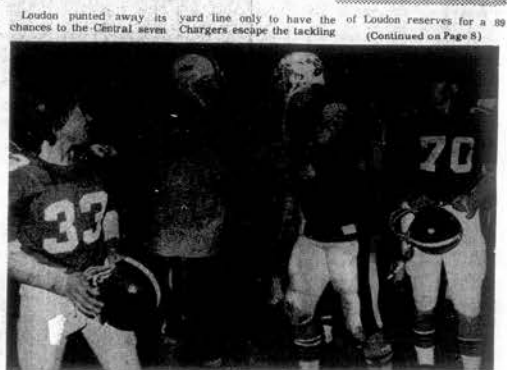

Central got its offense untracked advancing the ball out to its own 40 only to have a fumble end their momentum. Donnie Thearp recovered the oval and returned the ball 12 yards before being tripped up at the McMinn Central 23.

A 15 yard penalty for holding and a Loudon fumble gave the ball back to the Charger offense. The Charger offense appeared headed for a touchdown when Loudon defensive back Carter Cardwell intercepted a pass at the Loudon 12 with seven seconds left in the third stanza.

Loudon moved the ball out to the 40 before calling on Sam Lyle for a 50 yard punt. The Charger offense was surrounded in Redskin style of bruising tackles. Donnie Thearp claimed his second fumble recovery of the quarter and Loudon was knocking on the Central door from the 16.

Carter Cardwell engineered the offense with Porky Campbell finding pay dirt from 14 yards out. Skinner's kick made the count 40-7 with 7:18 left in the game.

To add insult to injury the Redskins stole the football on the kickoff as Bumper Webster came out of the pile with the ball following the tackle. Loudon fumbled the ball back on its first offensive snap at the 28 and Central managed to punt the ball back to Loudon territory.

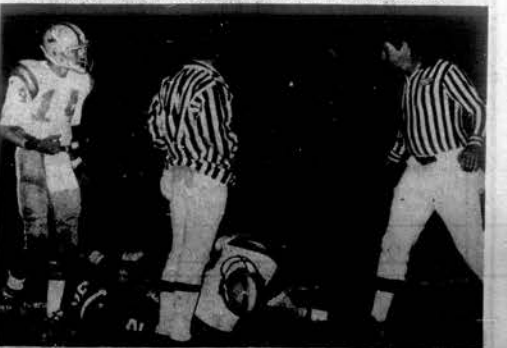

FRIENDS—Loudon's Mike Yates a stalwart 235 pound senior tackle at right is shown paring friends with McMinn Central's highly publicized senior lineman Brad Watts (left) after Loudon had defeated the Chargers for the second time Friday night.

RUN, JOHNNY, RUN—Loudon's power-pact senior fullback Johnny Deathridge sheds would-be tacklers in route to a third quarter 64-yard touchdown jaunt. The senior workhorse had 170 yards in 18 carries and is expected to go over the 1000 yard mark this Friday night. He has 961 yards in 161 carries to date.

TOUCHDOWN STRETCH—Loudon's Marlon Brown who had scored but two touchdowns all season is seen stretching for his third TD of the game Friday night as Loudon routed McMinn Central 40-14 in the Region 2 Class AA title showdown.

TOUCH DECISION—Loudon-McMinn Central game officials hesitate in making the decision as to who owns this pass reception at the Loudon seven yard line. Marlon Brown, who snagged three TD aerials from the arm of quarterback Dennis Queen, was given the benefit of the doubt.

MAKES IMPRESSIVE TACKLE—Loudon's Mike Lambert a junior defensive back and team regular on the specialty teams covering punts, and kickoffs, made one of the key tackles for the Redskins in containing the Chargers. He had a 40-14 Region 2 title game crushing.

Golden Bears Electrifying Offense To Challenge Loudon's Iron Hand Defense In Friday Night Grid Showdown

Knoxville Rule will bring a high explosive offensive football team that has scored 191 points in 10 games to Dukes Field in Loudon in quest of a second big hurdle to the Class AA State Championship Friday night. The Golden Bears have been shut out only once this season, that by Kingston in a 21-0 regular season final at Boone County. Only six seniors are on the roster this year, giving indication to the fact that Rule will be a Class AA factor for several seasons to come.

Frank Foxe, a 175 pound senior running back is the team's top ground gainer and speed merchant with under 100 yard dash. He has gained over 100 yards in every game except the Knoxville Powell game, when he was injured

early and did not return to the lineup and Kingston contained him to his lowest real estate out put in two seasons.

The Golden Bears are a running team most of the time ranking opponents for 234 yards in 10 games.

Coach Bob Polston has been most successful with the Bears in his five year campaign at the school. He has had records of 8-2, 10-0, 8-2, 9-2, and currently 9-1.

Rule lost to Maryville 17-14 last year in the first round of the Region 1 playoffs with the decisive points coming in the last three minutes of the game.

The Golden Bears have given up 75 points, with the best having only two touchdowns to their credit.

Rule also escaped an overtime game with Knoxville

Young 16-13.

Kingston is the lone common foe for the Golden Bears and Loudon.

The Redskins, who will have a Thursday (Thanksgiving) afternoon practice session and pep rally, should be a lock-down favorite for the 7:30 Friday night kickoff.

The winning team will advance to the state AA finals meeting either Milan or Hartsville for the title.

A strong turnout for the game is encouraged as to the possibility of Loudon getting the Championship game, should they be fortunate enough to prevail. No seats are reserved and Loudon season ticket holders are reminded to get to the game early if they plan to sit in their regular season seats.

The TSSAA will announce a

final game site for the Dec. 4 finals on Saturday. Cookeville or Murfreesboro is a likely site out of respect to the final four teams to vie for the 1974 gold cup. Nevertheless Kingston got both the semi-final and final playoff games in 1973. Loudon played the 1969 championship game at Loudon defeating Humbolt for the title.

PANTHER GUNNER—Eddie Billingsley (31) gets off a shot for Lenoir City as the Panthers clipped Loudon Saturday night 7-64. The senior marksman had 28 points

for individual game honors. Loudon's Mark Harrell (51) is shown arriving late to prevent the field goal attempt.

Lady Redskins Snap 2-Year Pantherette Hoop Jinx With 45-38 Victory

The Loudon Lady Redskins snapped a two year Lenoir City jinx Saturday night by handing the Pantherettes a 45-38 loss. The win was Loudon's second of the season in three games and first over a Lenoir City sextet in six straight contests dating back to the 1971-72 season.

Sophomore Bernadette Locke set the pace for the Lady Redskins victory with 21 points. Her eight point first quarter flurry got Loudon off to a 11-8 edge.

Sophomore Jennie Leffer with a clutch 10 point third quarter and game total of 18 points supported Miss Locke in the Loudon scoring column. Leffer hit 12 of 16 foul shots in the game as Loudon was successful on 19 of 27 for the game for a 70.4 percent.

Both teams hit 13 field goals with Loudon shooting 42 times and Lenoir City tried 33 attempts.

The Pantherettes were led

in scoring by Pam Smith and Patty Cook with 13 and 12 points respectively. Neither girl was in double figures until the final frame when Miss Smith hit four fielders and Cook added three.

Lenoir City had just six field goals on Loudon's stingy defensive force of J.J. Purdy, Cindy Allmon, and Yarber Harrison in the first three quarters of having only two Pantherettes were cold from the foul line hitting 12 of 27 for 44.4 percent.

Sandy Thompson was Lenoir City's top defensive performer with six rebounds.

TRAPPED—Loudon's senior guard, Liz Delaney is surrounded by Lenoir City forwards left to right, Patty Cook, Pam Smith, and Pam Thomas, following a rebound Saturday night. Loudon's J.J. Purdy is setting up a block to free Delaney at right.

Virus Stricken Lady 'Skins Tumbled By McMinn County

The Loudon Lady Redskins, playing without forward Bernadette Locke or guards Cindy Allmon or sophomore reserve Juliette Locke who were all out with a virus, dropped a low scoring 38-32 Monday night basketball game to McMinn County.

The Cherokeeettes gained a early lead and was on top 10-8 after seven minutes. Loudon fell behind 22-15 by intermission and was able to close the gap to only four points in the closing minutes of the fourth period.

Clutch foul shooting down the stretch contributed to the McMinn win.

Loudon was led in scoring

by Jenny Leffer with 15 points. Kim Branthover chimed in with 11 points, hitting five baskets out of 20 tries.

Loudon hit a cold 13 of 51 shots from the floor for their coldest home court shooting performance in Coach Dewayne Arrp's four year tenure as head coach of the

Farm Survey

On November 22 the U.S. Department of Agriculture will begin surveying a sample of farms to get current information on livestock and poultry numbers and winter plantings. Some local farmers will be included in the sample.

Robert Hobson, statistician for the Tennessee Crop Reporting Service, explained that this annual survey will be especially important to farmers in light of current supply and price conditions.

Hobson says selected farms in Loudon County will be visited by Mrs. Kitty Roberts of Greenback.

Lenoir City Guns Down Loudon With Second Half Effort

The Lenoir City Panthers had to come from behind in the second half Saturday night to defeat a stubborn Loudon sophomores dominated basketball 77-64.

The Redskins, behind the shooting of forward Rando Davis got to a 18-15 first period lead and the game was all even at 35-35 by the half.

The Panthers led 58-51 at the close of the third quarter but the game was not decided until midway of the final canto when Loudon, hampered by fouls lost four of its nine man squall with five fouls

each and had one playing with four fouls.

Davis, a sparkling sophomore prospect, hit six of 10 foul shots and added 10 of 10 free throws for a 22 point performance only to foul out in the game for the Redskin pace setter.

Mark Harrell dropped in four of seven shots and grabbed seven rebounds for eight points. Mark Blair (5 of 11) and Jim Brown (3 of 10) each had nine points.

Teddy Bivens was Loudon's only other player to net double figures with 13 on four of 11 from the field and five of 10

foul shots, he also had seven rebounds.

Loudon hit 22 of 33 shots for a 66.7 shooting effort.

Lenoir City was led by the clutch play of senior Eddie Billingsley with 28 points for game honors. Billingsley hit 11 of 18 field goal tries and six of seven foul shots.

Grayling Littleton, hitting on 10 of 16 foul shots, and Howard Cusick each supplied 15 points to the Panther scoring.

Mike McConkey came off the bench to hit on four of four

field goal attempts for nine points in the rival clash.

Lenoir City shot a warm 72.5 percent with 26 baskets on 55 attempts.

Loudon actually out rebounded the taller Panthers 32 to 29.

Cherokee Hot As Loudon Falls

The Loudon Redskins were handed their third straight loss Monday night as a veteran McMinn County Cherokee hoop team opened their season with a convincing 48-45 contest.

The Redskins scored almost all of their 30 of 66 field goal attempts and grabbed 35 rebounds on the Redskins.

Loudon hit 21 of 43 shots for a 47 percent shooting effort, but managed just 27 rebounds and had 26 turnovers to hamper their youthful play.

The Cherokee led by a score of 62 to 27 at one juncture only to have Loudon battle back with a gallant

team effort in the final eight minutes to cut the scoring difference.

Mark Blair led a trio of double figure Loudon shooters with 12 points and nine rebounds. Heavy David and Mark Harrell had 10 and 8 points each to team with Blair. All three are sophomores.

Knox Catholic Zips Past Greenback Boys

The Greenback Cherokee varsity boys basketball season got underway Friday night with Coach Charles Ralphy's five visiting district power Knoxville Catholic, the Irish state runner-up in the S classification 1973-74, jumped out to a commanding 24-9 first quarter lead and then coasted to a 90-44 triumph.

Greenback attempted to match baskets in the second period but the Knoxville team still increased their advantage to 43-24.

Sophomore Roddy Kizer led the Greenback scoring with 13

points. Mike Reagan ontributed 10 numbers.

The Cherokee hit a mere 13 of 73 shots in the game, while Knoxville was connecting on a respectable 37 of 87 attempts.

Catholic out rebounded Greenback 48 to 33.

(Continued from Page 7)

yard touchdown effort to close out the night's fire works.

Loudon was resting temptingly on the McMinn Central one yard line as the game came to an end. Dickie Colvin and Porky Campbell doing the ground work that had the Redskins thrashing for still another TD.

Loudon had 10 men with chunks of real estate contributing to the Redskins victory. Johnny Deatridge is a led all ball carriers with 156

yards on 16 carries. Marlon Brown, with four pass receptions for 123 yards and six runs for another 37 yards balanced out the Loudon offense. Rick Melton carried eight times but was limited to 33 yards. Dennis Queen kept the ball on 11 occasions for 31 yards. Porky Campbell had 49 yards. Colvin 19 and Cardwell 19 yards in rushing statistics. Tucker and Swiney added to the passing game.

Defensively Loudon was a team effort with Donnie

Thearp setting the example with 11 tackles. Mike Yates and Dickie Colvin were next on most stops.

Coach Bert Rattledge and assistant Jim Gibson were well pleased with the Redskins team showing refusing to single out any one individual for game heroics. "Marlon Brown had a great first half and Johnny Deatridge picked up the second half showing. Jeff McQueen played one of his top games. The defense was solid and the offense

carried the fight to them all night. Our reserves showed plenty of savvy and not only stuck the Charger ball carriers but on one play wiped out the entire Central bench and their head coach Eddie Rich. The team dedication and practice preparation was a strong factor in our favor, also the great crowd turnout and team backing helped us greatly," spoke Coach Rattledge following the Loudon win.

12 Football Teams Left In State Championship Playoffs

Twelve teams have moved one step closer to being crowned state champion after Friday night's first round of the 1974 TSSAA Football Play-Off series. Semi-final action in three classes will be Friday night at 7:30 p.m. local time.

New champions are assured in all three classes as a result of Friday night's first round play. Chattanooga Baylor, the AAA incumbent, and Dyer County, which claimed the 1973 Class A crown, bowed in regional games.

Sophomore Dan Robinson gained 117 yards on 16 carries and scored two touchdowns to power Chattanooga McCallie past Chattanooga Baylor, 29-7.

It was the first time in 28 years McCallie has beaten its traditional cross-town rival. The triumph avenged a regular season loss suffered on the hands of the Raiders.

McCallie, now with a 10-1 record, will face Knoxville Rebels, 20-17 winner over Fulton, 20-17 winner over Kingsport Dobyns-Bennett. The game is set for Knoxville.

It was the first time in 28 years McCallie has beaten its traditional cross-town rival. The triumph avenged a regular season loss suffered on the hands of the Raiders.

McCallie, now with a 10-1 record, will face Knoxville Rebels, 20-17 winner over Fulton, 20-17 winner over Kingsport Dobyns-Bennett. The game is set for Knoxville.

LOOKING FOR A SCORE—Loudon's sophomore forward Jennie Leffler found much of the offensive burden on her shoulders Monday night as her usual double figure scoring partner Bernadette Locke was out sick with a virus. Leffler collected 15 points in a losing effort.

SKY HOOP—Loudon's Mark Harrell fashions a sky hook with a high degree of accuracy. The sophomore Rebel is shown bucketing a two-pointer in Loudon's Monday night setback against McMinn County.

In the other AAA contest, Dyer County, which claimed the 1973 Class A crown, bowed in regional games.

Sophomore Dan Robinson gained 117 yards on 16 carries and scored two touchdowns to power Chattanooga McCallie past Chattanooga Baylor, 29-7.

It was the first time in 28 years McCallie has beaten its traditional cross-town rival. The triumph avenged a regular season loss suffered on the hands of the Raiders.

McCallie, now with a 10-1 record, will face Knoxville Rebels, 20-17 winner over Fulton, 20-17 winner over Kingsport Dobyns-Bennett. The game is set for Knoxville.

It was the first time in 28 years McCallie has beaten its traditional cross-town rival. The triumph avenged a regular season loss suffered on the hands of the Raiders.

McCallie, now with a 10-1 record, will face Knoxville Rebels, 20-17 winner over Fulton, 20-17 winner over Kingsport Dobyns-Bennett. The game is set for Knoxville.

Dyersburg tagged an 18-7 loss on Memphis East and will face Ryan.

Trousdale County of Hartsville, runner-up to Kingston in the state AA race last year, edged Goodlettsville, 6-0, in overtime.

Goodlettsville, coached by former Loudon High School football player Ernest Smallen, a pregame underdog of some kind to 14 points of the Yellow Jackets to a stand still for four quarters.

Goodlettsville, which is one of few teams to still operate from the single wing offense (South Pittsburg which tripped Sweetwater 26-23 in double overtime also used the single wing) finally bowed to the AA power boasting the Yellow Jackets three year season record to 36 wins out of 37 games. Hartsville has not lost at home in its last 47 games and is making their third straight appearance in the state playoffs.

Senior Larry Warner, a 6-2, 225 pound tackle leads the all round play of the Hartsville eleven.

Milan crushed Memphis Bishop Byrne, 31-8 to gain a spot opposite Hartsville in Friday night's second round of playoff action.

Powerful Brentwood 58-7, to complete the Class A Academy routed Woodbury, competition.

Faces Loudon Friday

Knoxville Rule Shuts Out Kentron For Region 1 Football Crown

Knoxville Rule ran its season record to 9-1 Friday night with a "big play" 26-0 win over opposing Region 1 challenger Kingsport Ketron.

The win advances the Golden Bears to the semifinal round of the TSSAA's Class AA playoff berth opposite Knoxville Rule on Friday night at Loudon.

Quarterback Ronnie Cross and running back Frank Fox, end Lloyd McMahan, center Jimmy Allen, tackle Marvin Waggoner, and safety Fred Williams were Rule's big play people against Ketron.

Cross triggered a 38-yard touchdown pass to McMahan on the Bears' fourth play from scrimmage. Fox broke loose for TD runs of four and 75 yards. Allen wrestled down would-be punt returner Jeff Duncan in the end zone for a safety. Those four plays added up to 20 points.

Waggoner and Williams turned in other sparkling super sophomore smears, a punt to set up Fox's first TD dash. Williams found a second quarter familiar at the Rule 11, felling Ketron's most serious threat of the contest.

"We played spotty," said the veteran Coach Polston after it was all over. "Big plays carried us again. We're a big-play team."

Benny Compton, successful Ketron coach, thought his Wildcats carried the fight throughout the battle.

"We didn't quit," Compton said. "Our guys fought the way. We'll be back next year. I guarantee it."

Rule put points on the scoreboard in every quarter. It was 5-0 after the first period, 12-0 at halftime and 14-0 through three quarters. Fox finished Ketron off with his 75-yard spurt with 9:43 to go.

Final statistics were close. Rule had only two more first downs than Ketron. The Bears' edge in total yards was 164-151.

First downs	Yards rushing	Yards passing	Passes	Fumbles lost	Penalties	Points
12	176	10	52	2	10-83	2-30
10	56	10	23	2	4-38	5-31-6

Hiwassee Favored In LC Rotary Basketball Classic

Coach Donnie Jenkin's Hiwassee Tigers and the Raiders from Roane State are the favorites in the third Rotary Basketball Classic which will be held in Lenoir City on Friday, Dec. 6 and Saturday, Dec. 7.

Knoxville College and Walters State, Morristown, Dyer County teams in the event. Both have outstanding players on their rosters with the Walters State team coached by Bill Gardner, featuring Mike Vaughn who was an all-state forward for Coach Elvin Little at Johnson City.

Four former high school standouts who played for Loudon and Lenoir City will see action in the two-day event with Yancy Hampton and Mike Messamore of Loudon and Lenoir City's Tim Cunningham and Eddie Liles all listed on the Hiwassee roster.

There are other District Eight and Seven players that play for the Tigers. Paul Webb and Roy Aderhold both were outstanding for Coach Jimmy Cornwell at McMinn Central and Randy Boring while playing at Alcoa last year, made the all-district and all-regional teams.

James Harrison, 6-0 freshman guard, made the all-district team while playing for Coach John Skidmore's Kingston Yellow Jackets one season ago and Paul Henley was a strong inside player for Coach Stanley Gaylan at Midway High School.

On the Raider roster are such standouts as Robert Davison, Mike Fuller, Robert Smith and Art Hutchinson. Davison, Fuller and Smith all played for the Rockwood Tiger while Hutchinson was a two-year standout for Coach Richard Pickell at Harriman High School.

Hiwassee has won the previous two Rotary Classics with the Roane State Five, runnersup last year, in contention. The first Raider victory ever was in this series two years ago when Roane State defeated Cleveland State.

Roane State will meet Knoxville College in the opening game on Friday Dec. 6, at 7 p.m., while Hiwassee and Walters State will tangle at 8 p.m.

The two winners will play for the championship on Saturday at 9 with the losers meeting in a consolation class.

BASKET ON THE WAY—Lenoir City's Ronny Cusick has a field goal of the way in third quarter play against Loudon Saturday night. Cusick had a below average scoring night with just four points.

Upsets Mark Final Grid Contest Week

The final week of the Herald Football Contest for 1974 was a bad week not only for the contestants but also for the contest editors. Nashville Overton was listed as meeting Nashville Maplewood in a playoff game, when it should be Nashville Ryan against Maplewood. The game was not counted in the contest scoring.

Despite one game being deleted the contestants still had their hands full. Only a handful of entries picked Erin to defeat Dyer County in the Class A playoff and up and down the entry form there were wide differences of opinion.

The winners for first and second places missed one game, getting eight correct. The tie-breaker (54) Loudon 40 - McMinn Central 14, decided the first two places. Clody Atkins with a 23 tie-breaker took 512 and first place. Second place with 21 on the tie-breaker was Beulah McQuary of Sweetwater. More than a dozen persons missed only two games, but the tie-breaker closest to the score was a 27 turned in by Bill Brakelbill of Madisonville who collects 25.

Others who missed two games were Tim Thompson, W. L. Thompson, Givins Eller, Sheld Eller, Bruce Eller, Lizzie Thompson, Agnes Moore, Peggy Anna, John Simpson, Jimmy Simpson, Vici Harrison, Jeff Harrison, Edna Harrison, Jack Harrison, Diane McQuary, Tonya Ross, Thomas McQuary and Eugene Henry.

The Herald editors wish to thank all the persons who entered the contest during the 12 week contest and to the merchant sponsors who made it possible. The contest will be back for the 1975 season.

Sweetwater Stuck With Double Overtime Playoff Loss 26-23

Blocking back Bill McClain tossed a six-yard touchdown pass to end Cecil Sutton on South Pittsburg's second play in the second overtime period Friday night to give the Pirates a 26-23 victory over Sweetwater in the Tennessee Region 2-A playoff game.

Over 5000 fans were on hand in the battle between the undefeated Pirates, who went into the contest with a 9-0 record, and the Wildcats losers only to South Pittsburg 15-4 in a 10-game regular season schedule.

South Pittsburg completely dominated the first three quarters of play and held a 13-0 margin going into the fourth period. Sweetwater did not have a first down during the first three stanzas, while the Pirates had picked up 11.

Ricky Wayne tumbled both of South Pittsburg's early scores on plunges of one yard in the first period and another over right tackle in the third stanza.

It looked as if the Pirates were going to win in a breeze. However, the Wildcats needed only two plays to score their first touchdowns in the opening minute of the fourth period.

Game And Fish News

by Rex Collier
Ph. 458-5569

Thursday, November 28, is Thanksgiving Day. Thursday, November 28, is also opening day of quail and rabbit seasons. Both seasons run from November 28 to March 1, 1975. Bobwhite bag limit is 10 with a possession limit of 20, while the bag limit on rabbits is five and the possession limit is 10.

Legal weapons for small game include long bows, using tilt-tipped arrows, shotguns using number 2 shot or smaller (except on Cherokee Wildlife Management Area, where the shot size is number 5 or smaller), rifles using 22 caliber rim-fire and handguns using .22 caliber or smaller ammunition (except on the south portion of the Cherokee Wildlife Management Area, where all forms of rifles and pistols are illegal for small game).

PAUL GILES OF LOUDON is shown with a 180 pound hog he killed while hunting this past weekend at Opece Wildlife Management Area.

On this Thanksgiving week

Knox Federal Savings & Loan wants to express a heartfelt thanks to the many folks who made our first year in Loudon County a success.

Thank You

School Buildings On Court Agenda

Loudon County Quarterly Court will consider several major items at its monthly meeting set for 7 p.m. Monday at the courthouse.

Heading the list of items is a request from the School Board for funds to start its five year building program. Superintendent Headlee is expected to ask for approval of a \$2.7 million bond issue for the first phase of the program which includes additions at Greenback and Loudon Junior High Schools.

County Energy Committee Chairman Ted Randolph will present a list of proposals and suggestions on energy savings measures for the county.

Reconsideration on the selection of the Quantas Mills property off Church Drive in Lenoir City is also to be discussed. The court ordered the purchase of the property at its last meeting for \$60,000, but since several problems involving the land have come

out. The complete agenda is as follows:

1. Open Discussion (This is the time for any visitor or delegation to state any business which they may want to take up with the Quarterly Court, and make any statement or discussion about any item in which they are interested.)
2. Reports of County Officials, Departments and Committees.
3. COUNTY JUDGE:
 1. Any special remarks by County Judge.
 2. Merrit Board.
 3. Energy Report and Consideration of Recommendations.
 4. Set Time for County Court Meetings.
 5. Request for Authority to allocate space in Old Hospital Building.
 6. Report on Committee Structure.
 7. Correction of Errors in Minutes.
 8. Addition of Term Designation on Merrit Board.
4. LOUDON COUNTY PLANNING COMMISSION REPORT:
 1. General Report Concerning Planning Commission Activities.
 2. Re-zoning requests: Sam Brahm Property.
 3. Utility and Road Repair Requests.
5. HIGHWAY DEPARTMENT:
 1. Road Commissioners' Reports.
 2. Report on Law Suit Filed and

Heard concerning Browder Hollow Area.
DEPARTMENT OF EDUCATION:
 1. General Report.
 2. Request for Funds for Building Program.
 3. Little Tennessee Valley Educational Report.
 4. Vocational School Site Consideration.
LOUDON COUNTY JUSTICE CENTER:
 1. General Report from Loudon County Law Enforcement Agency Boards.
 2. Report on Reinstatement of Communication Funds.
 3. Report on Communication Equipment Bids and Temporary measures.
PURCHASING COMMITTEE:
 1. General Report.
 2. LOUDON COUNTY MEMORIAL

Attention Natural Gas Customers of Loudon Utilities

Our quota of natural gas has been cut from the level it was one year ago. To assure that all our customers can meet their winter heating needs we need the help of each user of natural gas.

Natural gas is odorless, BUT an artificial odor is placed in the lines to alert users of natural gas of a leak in the lines or equipment that uses the gas.

WHEN YOU SMELL A NATURAL GAS LEAK - REPORT IT TO LOUDON UTILITIES AT ONCE. Call 458-2091 anytime day or night. DO NOT USE MATCHES WHEN THERE IS A GAS LEAK. DO NOT TURN ELECTRIC SWITCHES ON OR OFF WHEN THERE IS A GAS LEAK.

Your cooperation is requested for the safety for your family and homes and also to help us make the most efficient use of the allotment of natural gas we have.

In heating your home with natural gas, if you will follow the save energy savings guidelines set for users of electrical power we should be able to meet your needs.

YOUR CONTINUED COOPERATION IS URGENTLY REQUESTED.

**Hooks Navy
Recruit Grad**

Navy Hospitalman Recruit Brenda D. Hooks, daughter of Mrs. Margaret Hooks of 505 W. Second Ave., Lenoir City, graduated from recruit training for women at the Naval Training Center, Orlando, Fla.

She is scheduled to report to Hospital Corps "A" School, Great Lakes, Ill.

We remember when you could buy a truck load of slash wood for \$5. Of course you had to split it yourself or get some boy to do it for you. This we did a few times ourself and we can vouch for the hard work involved.

At one time Loudon had several wood yards where you could go and buy the amount of wood you needed. Many people made their livelihood in this manner. There was also coal yards operating around our town or you could buy your coal from Charles H. Bacon Co. if you worked there. We are sure many people remember these things out of the past.

Well, that's it for now. See you next week.

During World War II, most of the boys in service took pictures which they sent back home to their folks to let them know what things looked like where they were stationed. Many times the pictures included boys which they had made friends with since entering the service.

This week we have one of these pictures which we sent to our folks while we were in the army. One of the boys is of a well known Loudon County boy, Lawrence P. (Boogie) Kerley of Lenoir City. The other boy is Sgt. Kidd with whom Boogie and I served and who became a close friend of ours during this period of time. Of course we see Boogie now in a while but we don't have any idea about Sgt. Kidd. Like so many of us who served in this conflict, we have lost track of all of them except Boogie and he is like me, he has been in Loudon County too long to leave now.

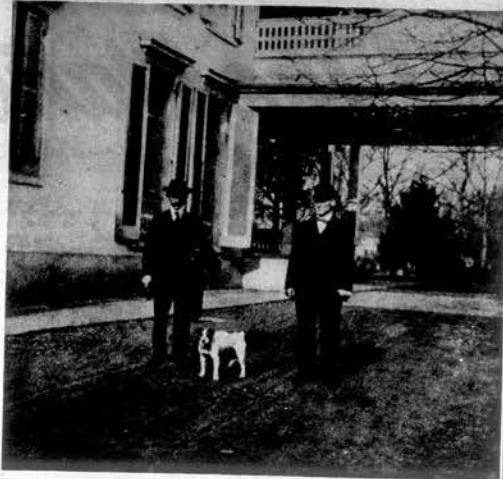

Many of you who know Boogie may not know of his antique car collection. He is very proud of it and I am sure if you dropped by sometime he would be glad to show you his prized cars. His selections include a 1928 Chevrolet, an old model T Ford, Lincoln, Model A Ford and a variety of others. They are very interesting to look at. We suggested that he start an old car museum and maybe someday when he gets tired of working he will

Other picture was taken in 1909 and is a picture of the Andrew Jackson home. One of the men in the picture is from Lenoir City. We don't know which one or who he is. Possibly someone in Lenoir City will help us to identify the man. If you know, let us hear from you.

Today the home is a much visited tourist attraction. I don't know where it was open to tourists when this old picture was made or not. The place is rich in history. Maybe someone can tell us what year this beautiful old home was opened for public visits.

We are grateful to Mrs. Norris of Eatons for the loan of this picture.

In the past few weeks we have seen more people gathering and cutting wood than we have in many years. We were reminded of the days when Saturday in our town brought many wagon loads of wood, some peddled from door to door and some sold at the old hitch racks in Loudon. Of course, this in most cases was stove wood but many people burned wood heaters to replace. Some burned coal but there was no such thing as electric heat. Not many had electric lights. I am sure with the energy crisis many have thought back to those days. But, I doubt if there is enough trees left to supply the amount of wood that would be needed with our population increase of the last few years.

**Anna Belle Sets
Meeting At Luttrell**

State Representative Anna Belle Clement O'Brien, has called a public meeting of all citizens in her district in Loudon County. The meeting of the 36th Legislative District residents of the county will be held at Luttrell School Gymnasium at 7 p.m. Thursday, Dec. 12. The use of public meetings was a campaign promise the representative made.

Representative O'Brien emphasized that Republicans, Democrats, and Independents are invited to attend this meeting. She even hopes that people that did not support her campaign will attend and join in those discussions about no fault insurance, roads, education, and all proposed legislative matters that affect the bread and butter issues in each of our counties.

Representative O'Brien has already attended an organizational meeting at the State Capitol since her election. She plans to attend a

workshop this Friday at the State House of Representatives involving the mechanics of introducing legislation. As soon as she is assigned an office permanently, she will notify the news media so that all mail and visitors will be channeled to that office.

**Strike Cuts
Coal Supply**

Coal deliveries to TVA power plants dropped to less than half the normal amounts this week, after the United Mine Workers strike that began last week shut down mines that provide the bulk of TVA's coal supply.

Coal stockpiles at TVA plants fell by 270,000 tons during the first week of the strike as more use of coal from stockpiles was necessary to make up for the low deliveries.

State Championship At Lebanon Friday . . .

. . . Bank Sponsors Headquarters

Big Red Meets Hartsville In THE GAME

THEY CAME TO PLAY—Jubilant and fired up the Loudon Redskins show their readiness after winning the State AA Semi-final grid contest at Loudon Friday

night. The Redskins steadily moved the ball and defended Rule to win the game 37-0 and advance in the Championship round.

When Loudon's Redskins Football Team travels to Lebanon Friday for the State AA Championship contest with Trousdale County High School of Hartsville they will not be going alone. About 1500 to 2000 Redskins fans are expected to make the trip by car, truck, bus or snowmobile if necessary to cheer their team on.

Both teams will be trying to win their second AA Championship. The Redskins captured the crown in 1969 and the Hartsville Yellow Jackets won the top prize in 1972. Hartsville a school with only 285 students has been in the playoffs for three years and finished second to Kingston last year.

Loudon's Redskins will leave by bus for Lebanon Friday at 2 p.m. They will go direct to Lebanon High School where the game will be played and then return to Loudon early Saturday, probably around 2 a.m. or so.

Persons driving to the game should remember that Lebanon, which is about 30 miles East of Nashville, is in the Central time zone. The 7:30 p.m. gametime would be 8:30 in Loudon.

The route to take is I-40 all the way. The stadium is within site of the Interstate, LHS Principal James Gibson said. About three hours travel time should be allowed. Drivers are also reminded of the constant radar surveillance of I-40 from Crossville to about 10 miles West of Cookeville.

Students leaving for the game before school is dismissed Friday will be given permission to do so, Gibson said. He added that at least one student bus will make the trip, more if there are enough applicants. Doug Lyle, owner of Lyle's Pleasure Island is taking one

charter bus and the Hamilton National Bank is taking a bus for their Golden Club members and families.

Hamilton President Don Canter said that the bank is sponsoring a Redskins Headquarters at the Quality Inn Plaza, rooms 15 and 16. Take the second Lebanon interchange, through town on Highway 231 north, about a mile beyond the town square on the left. He said munchables, drinks and a place to change into warm clothes will be provided.

The Redskins Headquarters will be open all afternoon until about 30 minutes before gametime and again immediately after the game, he said, and all Redskins fans are welcome to stop in.

Latus Cook, sports editor of the Roane County News has seen Hartsville play several times in the past three years and warned the Redskins to be ready for a game that will go to the wire.

A Big Pep Rally at Loudon High School will be held just prior to the team leaving for the game.

Ray King and the Loudon High Marching Band will also be making the trip and will perform their patriotic flag show at halftime of the game.

Details of the Redskins steam-rolling victory over Knoxville Rule in the semi-finals and a roundup on the Hartsville team are headline stories in the sports pages of this issue.

Tickets for the game are \$2 in advance if purchased Thursday or before. Tickets Friday or at the game are \$2.50. They are available at Loudon High School and at Loudon Pharmacy and Myers and Hudson Drug Center.

Will The Last Person Leaving Loudon, Please Turn Out The Lights!

Street Lighting Cut . . .

Loudon Adopts Energy Measures

The streets in the City of Loudon will soon be darker at night. There will also be no Christmas Decorations on the streets this year. Mayor Gene Lambert said this week that the city is cutting the street lights by 50 percent and not using any holiday decorations as a power conservation measure.

In a resolution adopted at a special meeting of City Commission last Monday night, Mayor Lambert said that public cooperation on a volunteer basis is essential in avoiding brown-outs or blackouts in the near future. He urged all residents to remove all unnecessary lighting at their homes, cut heat back, and take all other steps they could to conserve electric power.

He said all businesses are urged to cut their hours to 60 or less where possible, not to use any night lighting on signs or advertising signs. The Mayor said some cities, such as Athens and Chattanooga had adopted ordinances making such cut backs mandatory under punishment by fines. He said he wanted to avoid this type of action if possible.

The street light cut backs were to begin early this week. A survey of all street lights in the city was made last week by the Loudon Utilities and the Mayor and City Administrator Gary Hensley and Police Chief John Lemex. Hensley said that about 50 percent of the street lights would be turned off, but that intersection lights and lights in areas of high security risk would be left on.

As the Loudon Utilities crews cut the power on the street lights they will be marked with white paint which will indicate they are not suppose to be working.

Utilities Manager Charles Burnette stated Monday that the Utility Board was not going to use the TVA subsidized electric sur-charge at the present time, but would review the financial position of the system each month. He said the Utilities would be following the guidelines set out in the TVA Mandatory Power Reduction plan (published elsewhere in this issue).

TVA announced Tuesday it has completed a plan under which it could begin cutting back power supplies to its customers when its coal stockpiles fall to the 3-million-ton level. If the present coal supply emergency makes it necessary to stretch stockpiles as far as possible, Stockpiles could reach that level in about three to five

weeks if the national United Mine Workers strike continues, TVA estimates.

At that point the electric energy available to local electric systems, industries, and government installations served by TVA would be set 50 percent below the amount each customer used in the same month a year or two years ago, whichever was larger. (This is to avoid penalizing customers who had already cut power use a year ago.) This 50 percent reduction is about the amount TVA already has achieved in the use of electricity at its own offices.

The contingency plan includes progressively sharper percentage cuts if coal stockpiles on power supplies fall to levels of 2 million tons and on to 1 million tons.

"For many people a mandatory reduction of 50 percent in power supplies could mean real hardships, including job cutbacks in some businesses and industries," TVA Chairman Aubrey J. Wagner said today. "We must emphasize again how important it is for all users of electricity to make an all-out effort on voluntary power conservation to avoid the prospect of mandatory limits on power supplies."

A drop in a coal stockpile total of 3 million tons would not automatically trigger a decision to start power supply cutbacks, Wagner said. This decision would at that time have to take into account the outlook for resumption of coal deliveries to TVA from mines now closed by the strike. Coal supply prospects also would determine how soon any mandatory curtailments of power could be ended.

As of midnight last night the total supply of recoverable coal in TVA stockpiles was 4,309,000 tons, and TVA is using about 40,000 tons a day from these stockpiles to make up for the reduction in coal deliveries during the strike.

At that rate it would take about 34 more days for the stockpile total to fall to 3 million tons. However, Wagner warned that this could happen more quickly if there is a further drop in the low level of coal now being delivered, if colder weather brings increased power demand and coal consumption, or if other developments widen the gap between coal supplies and use at power plants.

Even if the coal strike were to end before TVA stockpiles get down to the 3-million-ton level, mandatory cutbacks in power supply could be

(Continued On Page 16)

SNOW AND CHURCH DON'T MIX—Church attendance in Loudon was cut to almost one half Sunday when residents woke up to a two inch snow. Above one man is shown

entering Cumberland Presbyterian Church at Loudon at a time when the sidewalks would be crowded. Other areas of the county got only a trace of snow.

Starts At 7 p.m.

Santa Here For Parade Thursday

Ole Santa Claus will make his official Pre-Christmas visit to Loudon Thursday night to participate in the Loudon Band Booster sponsored Christmas Parade set to start at 7 p.m.

Band Booster Club Parade Chairman Mrs. Wayne Watson said that a large number of entries has been scheduled and about a dozen floats will compete for the \$150 in prize money. The parade will line up on Ward Avenue, come down Cedar Street to Grove and continue up Grove and

disband at the Legion Building. The LHS Marching Band will leave the parade at the courthouse and will provide Christmas Music there until after the parade. Following the parade winners of the \$75, \$50, and \$25 float competition winners will be announced from the courthouse lawn. Also the winner of the Christmas Queen contest. The four princesses selected by the student body, who will ride in the parade, are Margie Kelso, senior; Janet Keaton, junior; Neanine Purdy, sophomore;

County Court postponed a decision on purchase of a site for the vocational education center Monday night until the entire court, acting as a site committee, can inspect all six sites.

The court held up final approval on buying the Quintus Mills property, which was approved for purchase in the November meeting until the entire court, acting as a site committee, can inspect all six sites.

The right-of-way shown on the site is between 13 and 15 feet. County Judge Bill Russell said.

Court members expressed reservations about the site after hearing it has not been recommended or assigned any priority by the Governing Board for the center.

Squire Jim Blair said, "We were under the impression they (the site committee) had set a priority on that property."

J.B. Hagler, chairman of the site committee for the Governing Board, told the court, "There was never any type of priority set on the Mills property by the Governing Board nor the state."

Real estate agent Betty Pope surprised the court by offering 25 acres of the Jim Fine property on Harrison Road for \$50,000.

The asking price for the land is \$3,000 an acre, or \$75,000, but Mrs. Pope said Fine would donate \$25,000 of the price back to the county in memory of his wife.

The Governing Board voted unanimously last week to recommend a site along Harrison Road owned by Doug Williams and his sister, Gail W. McLain.

The site adjoins the present property of Loudon City High School. The owners have asked \$20,000 but hinted the figure might be negotiable. Judge Russell appointed the entire court to serve as a

committee to inspect the sites and make a recommendation at a special meeting Monday, Dec. 16.

Objections were raised that site preparation on the Mills property will escalate the cost.

Squire Blair suggested the Williams property behind the high school should be tested for underground caves like the ones found when the high school was built.

Court members agreed any site should be thoroughly checked.

Mrs. Pope told the court an engineer has told her the Fine property will not require a sewage pumping station the state inspector had mentioned as a possibility.

County School Superintendent Edward Headlee told the court that money for the school is divided into three parts—site preparation and acquisition, construction and operation.

He said the court may use state money to pay for the land if it wants, but that will result in less money for the building.

THE COURT referred a proposed \$1.8-million school building addition at Greenback and Loudon Junior High (Continued on Page 12)

Stafford Gets Top GOP Post

State Representative Benny Stafford of Loudon City has been elected to the second ranking Republican post in the State Legislature. Last Saturday Stafford's Republican colleagues elected him GOP House Caucus Chairman. Stafford was opposed by Memphis representative Buzz Elkins. The new post puts Stafford second in the GOP House leadership behind Knoxville representative Tom Jensen. He will be responsible for all caucus sessions of the Republican lawmakers.

Arden-Brantley Vows Pledged

Miss Connie Gail Arden and Thomas Watt Brantley pledged nuptial vows Thursday, November 28 at the home of Mr. and Mrs. Lynn Willett. Rev. Floyd Watt, great-uncle of the groom, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Lee Roy Arden, Route 4, Loudon. Parents of the groom are Mr. and Mrs. James T. Brantley of Greensboro, North Carolina, formerly of Loudon.

Given in marriage by her father, the bride wore a floor-length gown of polyester silk, styled with long sleeves and a lace-trimmed cummerbund and accented by a lace insert around the neckline. Her chapel-length veil was held by a crown of lace and seed pearls she carried a bouquet of red roses.

Mrs. Lynn Willett, sister of the bride, was matron of honor. Best Man was James T. Brantley, father of the groom.

Following the reception, the couple left for a short wedding trip to Gatlinburg. They will make their home in Greensboro, North Carolina.

The bride was a 1974 graduate of Loudon High School. The groom, a 1973 graduate of Loudon High School, attended the University of Tennessee and is presently employed with the North Carolina National Bank of Greensboro.

Mr. and Mrs. William J. Harrison spent Thanksgiving Day with Mr. and Mrs. Hugh L. Costner in Lenoir City. Mr. and Mrs. Joe F. Deacon, Tonya and Allen, Mr. and Mrs. Hollis Pope and Gary, Mr. A.H. Pope of Pikeville, Mr. and Mrs. Charles Pope and Angie of Dunlap were Thanksgiving Day guests of Mr. and Mrs. James A. Pope, John and Jarome.

Mrs. Joe Christian returned to her home on Saturday after a 6 weeks visit with her son-in-law and daughter, Mr. and Mrs. Gus Wilson in Clearwater, Fla.

Mrs. Charles Erb and son Charles of Chattanooga spent Friday with Mr. and Mrs. Paul Arp and Mrs. Charles Taylor.

Mrs. Bill Thompson and daughters Leigh Ann and Robin of Montgomery Bell State Park and Mrs. David Snellgrove of Ripley, Miss. visited last weekend with their parents, Mr. and Mrs. Barton Pettie. While here they also visited, Mr. and Mrs. Bob Barbour and family in Morristown, Mr. and Mrs. Boyd Cloud and Frank Jones in Knoxville.

Miss Ellen Smullen of Lenoir City Mrs. Azelia Limburg and Mrs. John Grubb have returned from a 5-day Thanksgiving bus tour of New Orleans.

Thanksgiving Day guests of Mr. and Mrs. Lawrence Kerr were, Mrs. Maude Bean, Mr. and Mrs. James Bean and Brian of Lenoir City, Mr. and Mrs. Don Bean and Vickie, Mr. and Mrs. Woodrow Massangili and Kim of Knoxville, Mr. and Mrs. William Chapman and Jimmy of Concord, Mr. and Mrs. Joe Eve of Concord.

Lisa and Derrick Hodge spent the weekend with their grandmother, Mrs. Ed Hodge. Mr. and Mrs. Robert McLunkin and sons Bill and Carl of Kokomo, Ind.—Mr. and Mrs. Jimmy Hickey, Jeff and Jennifer of Sevierville were here for a holiday visit with their parents, Mr. and Mrs. Shorty McLunkin.

Mr. and Mrs. Ed Swenson had as their Thanksgiving holiday guests their children Mr. and Mrs. Robert Sullivan and sons of Chattanooga, Mr. and Mrs. Robbin Swenson and sons who were enroute to their new home in Lakeland, Fla. Mr. and Mrs. Herman Monroe and Tommy Simpson returned Sunday after a visit with friends and relatives in Cocoa Beach, Fla.

Akins-Hamil Vows Pledged

Miss Donna Sue Akins and David Arthur Hamil were united in marriage on Saturday, November 9 at Mt. Zion Baptist Church. The candlelight ceremony was performed by Rev. S. A. Mynatt.

The bride is the daughter of Mr. and Mrs. Paul Akins, Route 2, Loudon. The groom's parents are Mr. and Mrs. Arthur Hamil, Route 2, Loudon.

Gary Fagg, uncle of the bride, was organist. Special selections included "The Twelfth of Never", "You'll Never Walk Alone" and "Love Story". Clyde Brooks, vocalist, sang "Never My Lover" and "The Wedding Prayer".

The bride, given in marriage by her father, wore a white satin dress with sheer overlay accented with Chantilly lace. Her veil was a floor length mantilla of white organza accented with Chantilly lace. She carried white roses and an orchid with a white Bible.

Mrs. Sandra Fagg was Matron of Honor. Bridesmaids were Brenda Adkins, Kathy Hamil and Mrs. Sherry Dotson, all of Loudon. They wore long gowns of navy and white flowered polyester and carried a bouquet of mums.

Marsha Fagg, cousin of the bride, was flower girl. She wore a long gown of navy polyester with navy and white lace. She carried a basket of blue tinted mums and daisies.

Arthur Hamil, father of the groom, was best man. Rickers were David Akins, Ricky Hamil and Donnie Lambert, all of Loudon. Ricky Allen Hurro, cousin of the bride, was ring bearer.

A reception was given by the bride's parents following the ceremony at the church. Assisting at the reception were Pam Giles, Cindy and Rita Deford. Mrs. Janice Nelson and Velvet Fagg, cousin of the bride, kept the bride's book.

After a wedding trip to Gallinburg, the couple is residing on Route 2, Loudon. Out of town guests were Mr. and Mrs. Dana Brown, Andy and Janet of Ozard, Ala.

Greenback Community News

By Mrs. S. B. McCollum
Phone 856-3017 Greenback

Dr. A. E. Cropp, former pastor of Greenback Presbyterian Church, passed away Saturday at 4 p.m. at the home of his son, John Cropp, in the Brentwood area. He had undergone surgery two weeks ago and was thought to be doing well. His death was unexpected. Surviving are one daughter, Mrs. Jerry Quilman of Osceola, Michigan; Albert Cropp of Atlanta, Ga.; and John Cropp of Vanderbilt Teaching Staff. The body was brought to Maryville. McCammon Ammons Funeral Home and graveside services were held Tuesday at 10 a.m. in the Pine Grove cemetery, the Rev. John Mathison in charge. At 11 A.M. a memorial service was held in New Providence Presbyterian church.

Friends of Mrs. Hoyle Beals will be pleased to learn that she is recovering nicely at her home in Knoxville after surgery in the Ft. Sanders Presbyterian Hospital.

Mrs. Nick Rowland of Ashury Acres Home went to Knoxville and spent Thanksgiving with Mr. and Mrs. Richard Cook Daugherty.

Mrs. Leon Brient with sisters, Mrs. Ralph Cook and Miss Eula McSpadden of Madisonville spent Thanksgiving with their sister Mrs. Gaudin Walle and Mr. Walle in Maryville.

Rev. Alexander Gillander, pastor of Greenback Presbyterian church until his retirement, came from his home in Tallahassee, Fla. and visited friends here on Wednesday. He was accompanied home by his daughter, Miss Marybeth Gillander of Knoxville where she spent Thanksgiving with her parents and brother, Mr. Bruce Gillander and family.

Mr. John Ray returned home from Mount Memorial Hospital Friday and is improving nicely.

Mrs. Coy Cabe with her daughter, Miss Linda and niece, Miss Kathleen Hall of Knoxville, spent Thanksgiving holidays with Mr. and Mrs. Joe Dillon Hall and other relatives in New Martinsville.

Beulah Murrell and Junior Murrell, all of Loudon and Charles McMahan of Lenoir City.

William Shawn Bivens, son of Mr. and Mrs. John Bivens, Jr. of Loudon, celebrated his first birthday on November 23. Grandparents are Mr. and Mrs. Clifford Strampson of Lenoir City and Bowman Bivens of Loudon.

Christie Junitta McMahan will celebrate her second birthday on December 14. She is the daughter of Mr. and Mrs. Jerry McMahan of Loudon. Grandparents are Mr. and Mrs. Don Ridings.

Mr. Rodney Griffiths of Pigeon Forge spent the weekend with Mr. and Mrs. Peters in Friendsville and Mr. and Mrs. Rodney Griffiths and Mr. and Mrs. Bob Griffiths.

Mr. and Mrs. Garfield McCarter returned by plane Wednesday evening from a visit in Rochester, N.Y. where they were at the hospital bedside of Garfield's brother, Alvin McCarter, who remains seriously ill.

Mrs. Frances McGhee spent the weekend in Tallahassee, Fla. the guest of the Rev. and Mrs. Alexander Glander.

Mr. Clarence Miser of Misers Station visited Wednesday with Mr. and Mrs. S. B. McCollum.

Mrs. Coy Cabe and Mrs. Blanche Hall visited Mrs. Beulah Cox in the Maryville Chalhovee Nursing Home Sunday.

Mr. and Mrs. Dick Hackney of Knoxville were guests Saturday of Mr. and Mrs. Earl Hackney.

Mrs. A. L. Disney is at home from a month's visit with her sisters, Mrs. Paul Disney and Mrs. Walter Johnston and families in Louisville, Ky. Last week she spent with her cousins Mr. and Mrs. Gordon Wilkinson on Ft. Loudon Lake near Louisville.

Mr. and Mrs. Cecil Tallent of Elowah; Mr. and Mrs. Frank Disney; Misses Cecelia and Frankie of Knoxville were Sunday evening dinner guests of Mrs. A. L. Disney.

Mr. and Mrs. Gordon Fisher had as dinner guests Thanksgiving, Mr. and Mrs. Roy Clark; Mr. Charlie Clark; Mr. and Mrs. Jess Hammon; Mrs. Hugh Flaisher and family.

Mr. and Mrs. William Fisher of Maryville entertained at dinner Thanksgiving, Mr. and Mrs. James B. Bussell and family; Mr. and Mrs. Mart Delaney; also Mrs. Patricia Borah of Louisville, Ky.

Miss Melissa Fisher was the weekend guest of her grandparents Mr. and Mrs. Jim Kirkland in Loudon. Members of Pine Grove Presbyterian Church held the Annual Harvest Supper in the Fellowship Hall Saturday evening with about three hundred members and friends in attendance. A delicious stew was prepared by Alvin Hammon; and the ladies of the church cooked vegetables and dessert. Among those who served were Mrs. Don Linginfelter; Mrs. Alvin Hammon; Mrs. G. D. Cooper; Mrs. Jim Ham-

mon; Mrs. Fred Bell; Mrs. Alfred Hammon; Mrs. Ronnie Lett; Mrs. Claude Hammon; and Mrs. Fred Henry. Others who helped were Mrs. Elbert Pippa; Mrs. Harley Myers; Misses Mary Ann and Peggy Scott.

The Womens Association of Greenback Presbyterian church held an inspiring Praise service in the sanctuary Thursday evening and on Sunday evening a number of the members surprised Mrs. Mike Dansey with a stork shower at her home on Rambling Acres. Mrs. C. L. Franklin and Mrs. Frank King served delicious refreshments.

Mr. and Mrs. Wm. Fritchett; Mike and Michelle and Mrs. B. D. Clemmer of Maryville were dinner guests Sunday of Mr. and Mrs. Robert Anderson Jr. and family.

Sidney Elam of Lenoir City spent the weekend with his grandparents, Mr. and Mrs. Great Elam.

Mrs. Charlie Rollins and Mrs. Helen Jackson visited Friday with Mrs. Ethel Riner and Mrs. Annie Kerr in the Maryville Chalhovee Nur-

sing Home. Both are doing well and Mrs. Kerr was plecing a quilt. They also visited Mrs. Addie Montgomery and daughter Margaret.

Miss Sharon Henry of Johnson City East Tenn. State College spent the weekend with her parents, Mr. and Mrs. Charles Henry.

Mr. and Mrs. Oliver Fields had as Thanksgiving guests their son Mr. and Mrs. Don Fields and son of Ocala, Fla.

Mr. and Mrs. Joe Allen Jackson; Ricky; Mr. and Mrs. Wayne Moffett of Maryville were Mr. and Mrs. Curtis Jackson, Wayne, Todd and Maurice of Lenoir City were Thanksgiving guests of Mrs. Martha Jackson.

Mr. and Mrs. O. Elam and Sydney Elam visited Sunday with Mr. and Mrs. S. D. Newman (Pam Miller) in Jellico.

Miss Rimshaw To Wed David Morgan

Mr. and Mrs. Stanley J. Rimshaw, of Loudon, announce the engagement of their daughter, Therese Anne to David Kenneth Morgan of Chattanooga. Parents of the groom-to-be are Mr. and Mrs. Thomas J. Morgan of Chattanooga.

Miss Rimshaw attended Tennessee Technological University.

Mr. Morgan is a TTU graduate and a staff associate with Peat, Marwick and Mitchell and Co. in Nashville.

The couple will pledge vows on March 1 at St. Mary's Church in Oak Ridge. Rev. Joseph J. Rimshaw will perform the marriage ceremony.

Christmas Tree Lighting Sunday

A special service will be held Sunday night, Dec. 8 at 7 p.m. at the Loudon United Methodist Church for the lighting of the Christmas tree. Last year was the first Christmas tree ever erected in the City of Loudon.

The Christmas tree is decorated with ornaments which are symbols of Christianity.

Rev. W. H. Horner, pastor, extends a cordial invitation to everyone.

Philadelphia News

Dr. and Mrs. W.L. Hyden were the guests of Mr. and Mrs. Richard Parker and family in Tuscola, Ill. last week.

Mr. and Mrs. Wayne Mashburn had as guests for Thanksgiving dinner Mr. and Mrs. David Brewster and daughters, Athens, Freddy Brewster, Lenoir City, Mr. and Mrs. Donnie Brewster, Chattanooga and Mr. and Mrs. Eddie Brewster and sons, Ike Farmer and Don Kinsey of Ducktown, also visited the Mashburns.

Mr. and Mrs. Bill Mitchell returned Sunday to their home in Douglasville, Ga. after being here since Wednesday with Mr. and Mrs. Joe Largen.

Misses Ann and Ruth Henderson of Knoxville were home for the weekend and with Mr. and Mrs. Bill Henderson and Miss Ava Largen had Thanksgiving dinner with Mr. and Mrs. Frank Henderson.

VIEW FROM THE HILL

by Edward Headlee
 Loudon County School Superintendent

Snow News
 Due to a possible misunderstanding it may be necessary to clarify the procedure in case of snow. The radio and television stations will be called only if there is no school. If there is no information concerning school on these stations by 6:30-7:00 a.m., there will be school.

S.A.G.
 The Superintendent's Advisory Group has rescheduled its meeting which was originally set for December 2 but had to be cancelled due to change of County Court meeting. It will be rescheduled soon.

Board Meeting
 The Loudon County Board of Education will hold its regular monthly meeting on Thursday, December 5 at 7:30 p.m. in the superintendent's office.

Early Dismissal
 All Loudon County schools will dismiss at 1:30 on Thursday, December 12 in cooperation with the Lenoir City schools in-service program. Buses will run at that time.

Reading Program
 The in-service training for all teachers involved in teaching reading in grades 1, 2, and 3 has been set as follows:
Schools Involved
 Loudon Elementary; Davis Dec. 5-6 (MTu)
 Highland Park; Eaton Dec. 12-13 (TF) Philadelphia; Browder; Glendale; O'back
 On the dates indicated those schools listed will not meet for grades 1, 2 and 3. On these days children in these grades only will remain at home. When our new reading program begins in January, we hope that parents will feel that it justifies this inconvenience.

- AGENDA**
1. Gary Hensley - City of Loudon - Paving
 2. Reading of Minutes
 3. Discussion of Building Program
 4. Highland Park Cafeteria repairs - Pontes
 5. Energy Problem
 6. Lester Williams has new driver - female
 7. Fire Inspection Report
 8. Roof at Eaton School
 9. Election of Title I Teacher and reading Aide
 10. Report on Flint Workshop
 11. Report on County Court Meeting.
 - A. Edward Headlee, Superintendent Loudon County Schools.

Henderson In Honor Society

Mary Ruth Henderson, Philadelphia, enrolled as a graduate student in agriculture, was initiated into Gamma Sigma Delta, honor society of agriculture, at the University of Tennessee in Knoxville on November 19. Graduate students initiated into this organization are chosen because of being able to maintain a 3.50 average or above in course work for graduate credit at UT; have shown superior ability to carry on research or advanced studies; and because they have shown promise of making worthwhile contributions to agriculture.

Gets Award

Marine Sgt. Jackie Harness, son of Mr. and Mrs. G.L. Harness of 715 W. Broadway, and whose wife Agnes is the daughter of Mr. and Mrs. W.D. Doss of W. Broadway, all of Lenoir City, has been awarded a Certificate of Achievement.
 He was cited for his outstanding performance on the Marine Corps physical fitness test, which consists of sit-ups, pull-ups and a timed three mile run. Harness serves with Marine Air Base Squadron 31 at the Marine Corps Air Station, Beaufort, S.C.
 A former student of Lenoir City High School, he joined the Marine Corps in November, 1971.

LIVE CHRISTMAS TREES LAST FOR YEARS

When you purchase a live Christmas tree you can enjoy that tree for many years to come.
 Some good trees to use as live Christmas trees are white and Scotch pine, hemlock and Norway spruce. Other trees, such as Fraser fir and balsam fir, make good live Christmas trees. But these trees should not be expected to live outdoors. Most areas of Tennessee do not have the cool, moist conditions these trees require.
 Any live Christmas tree will hold its leaves longer in the house than a cut tree. Fir trees are desirable as cut trees if they are freshly cut. Fir trees hold their needles longer after cutting than any other type of Christmas tree. Hemlocks lose their needles the fastest.

To make your live Christmas tree last longer here are a few simple rules to follow:
 Don't move the tree indoors until you are ready to decorate.
 Water the tree every day or two to make sure the roots don't dry out.

Plant the tree as soon after Christmas as possible in a hole several inches larger than the bundle of soil around the roots. You may want to plant your tree outside where it can be used as an outdoor Christmas tree in following years.

The Tribe Speaks

LOUDON HIGH SCHOOL JOURNALISM CLASS
 by Patricia Blankenship
 Denise Gallis

The Thanksgiving Baskets for the needy were successful. The FHA girls donated chickens and cookies for the baskets. The Student Council thanks all who participated. The Junior and Senior members of FHA selected three girls to be their candidates for Miss PFA Sweetheart. They were Becky Blankenship, Kathy Hamill, and Sandra Shell. These girls had several qualifications to meet. Among these were beauty and poise, academic average, personality, and school activities. They were judged by a panel of judges on church and community service and personality. The winner is Sandra Shell. Jeff Nichols, a Junior at LHS, was recently elected Vice President of the Knox District Future Farmers of America. The district association includes 11 area schools. The district association meeting was held in Lenoir City on Nov. 30. In addition to the election of officers for 1974-75, the Creed and Parliamentary Procedure contests were conducted. Jeff King, a Freshman at LHS, came in third in this contest. The next meeting will be held at Loudon High School on January 15.

EVE BLANTON, (center) Lenoir City Middle School Junior Leader, is shown instructing Junior 4-H'ers to make a quilted daisy Christmas ornament. For a copy of some quilted patterns, call the Agriculture Extension Office, 458-2671.

3. One acre.
 Selma Hamilton to James Hamilton, Roy H. Hamilton, Teresa Johnson, Mena Rafter and Jo Ann Bolella, Dist. 5. Three tracts.
 Selma E. Hamilton to R. Houston Hamilton and wife, Dist. 2. Two lots.
 Gary Lindner and wife to Richard S. Steven Talient, Dist. 2. One lot.
 E.E. Keener and wife to Richard S. Talient and wife, Dist. 2. One tract.
 Mrs. Hazel Moore to Roger P. Moore, Dist. 5. 2.08 acres.
 Kenneth Eugene Rector and wife to Virgil Huffman, Sr. Dist. 2. One acre.

QUILTING WORKSHOPS—Approximately fifty 4-H'ers participated in quilting workshops last week. Cynthia Watson, Highland Park Junior Leader, teaches a junior 4-H'er some of the techniques involved in making quilted Christmas ornaments.

Letters to the Editor

Mr. Larry G. Cate, Editor
 The Loudon County Herald
 Box 276
 Loudon, Tennessee 37774

Dear Mr. Cate:
 It is a pleasure to say "Thank You" for your cooperation and interest in my recent campaign for Governor.

On Friday, December 6, the Seniors will sponsor another movie. It will be "Three Stooges in Orbit". Loudon had another victory Friday night. It was a 37-0 win. Congratulations Redskins!!!

One of give and take carried on in an atmosphere of skepticism, not cynicism. We each must be healthily suspicious of the other, but we must cooperate if the public is to be given the full information it needs and deserves. As Governor, I want to cooperate fully with the media, and will. I do not expect anything in return but fairness in your reporting. Sincerely,
 Ray Blanton

37-0 Win Puts Skins In AA Championships with Hartsville

Big Red Machine Chews Up Rule Golden Bears

15 YARD PICKUP—Fleet Junior runningback Porky Campbell picks up 15 yards leading to the Redskins final score against Rule, Dickie Colvin leads the play.

A PICTURE IS WORTH 1000 WORDS and there is nothing to tell about the scoreboard except that if the final score in the Loudon-Rule State AA Semi-Final match at Loudon Friday. The Redskins now travel to Lebanon to face Hartsville in the Championship game, Friday, 7:30 central standard time.

BIG CATCH—Jeff McQueen pulls in a Dennis Queen pass of 29 yards that four plays later led to the Redskins fourth touchdown of the first half of the Semi-Final game with Rule. Later McQueen intercepted a Rule pass.

THEY WON THE TOSS TOO—With the Redskin captains at centerfield backed up by the seniors, with the remainder of the team behind them, the Redskins won the toss as easily as they won the State AA Semi-Final game from Rule 37-0.

IT WAS CALLED BACK—Above John Deathridge (left) streaks down the sideline for what was a touchdown with Rick Tucker (23) leading interference. In the photo at the right Tucker clears the Rule last man from Deathridge's path. Although the picture shows a clean block an official trailing the play called a clip to nullify the score.

REDSKIN PUNTER ROUGHED—Rules (53) was called for roughing Loudon standout punter Sam Lyle just moments after this picture was taken. The Redskins walked over Rule 37-0 to advance to the state finals.

HAPPY REDSKINS—Happiness is winning and the Redskins and coaches are happy displaying the semi-final winners' trophy today after smashing Rule 37-0.

REDSKIN RUNNING BACK—Dickie Colvin gets running room against the Rule defense in the State AA Semi-Final contest captured by Loudon 37-0 Friday night.

IT WAS COLD BUT the spirit of the 4000 plus Redskin fans at Dukes Field cheered the Redskins every step of the way in the 37-0 rout of Knox Rule.

INJURY CHECKED OUT—Dr. Sam Harrison checks out an injury to John Deathridge which sidelined the senior standout in the second quarter. Deathridge was not seriously injured and is expected to be at full speed in the state championship with Hartsville in Lebanon Friday.

REDSKIN MARCHING BAND Drum Major Sandra Shell directs the band in an impressive halftime show.

THE GAME OFFICIALS plenty of exercise following the Loudon offense, but at halftime they still warmed their hands at one of the heaters on the Loudon bench.

Defense Provides Big Plays

Rule Gets 37-0 Redskin Threshing

Loudon vs Hartsville For State 'AA' Championship

by Danny Gibson Sports Editor

The Loudon Redskins moved to within one victory of the 1974 State AA Football Championship last Friday night by crushing once beaten Knoxville Rule 37-0 before a capacity home crowd at Dukes Field.

The Redskins, who have won 11 straight in quest of making the final leg of a perfect season and the honor of being the best in double-A grid play, scored almost at will against the Region One Champions and threw up a stalwart defense that permitted the Golden Bears to find Redskin territory on only five occasions and never were they to cross the 20 yard line, after their first offensive series.

along side Yates in the line also saw a chance to register a touchdown. But Yates ruled in determination and 'strength out tussling Skinner for the ball and a 36-0 Loudon rout. Skinner recovered in time to kick his 29th extra point of the season and Loudon settled to hold the Golden Bears in check for the next 11:52 of the fourth period.

Loudon scored late in the final period with Dickie Colvin racing around left end for 45 yards. But the play was called back as Loudon was detected for a clip.

Speaking of Sports

By DANNY GIBSON Sports Editor

Forget about those warm up contests that have been occurring every weekend since September. Forget about those nights when one individual or another may have considered he had a bad game or a sorry week of practice. This is the week of THE GAME, the time when pride and reputation play a tremendous part in who controls the line of scrimmage.

The Yellow Jackets have reached the AA state finals three straight years now, winning the title in 1972, and losing to Kingston in overtime in 1973.

The Trousdale County (91 in size as compared to the 95 counties making up the State of Tennessee) High School is qualified for single A play with only 283 students in the high school ranks. The entire county has between 4000 and 5000 residents. Yet they love to play football. Their record tells one that.

Hartsville has just 25 players on its varsity with some 14 seeing most of the action. They have won 46 straight games on their home field and have won 38 of their last 39 overall games.

In a recent Midstate All-Class AA all star team Hartsville placed three on the first team. Larry Warner a strong 6-2, 240 pound tackle was named the Midstate Class AA player of the year.

Hartsville has just 25 players on its varsity with some 14 seeing most of the action. They have won 46 straight games on their home field and have won 38 of their last 39 overall games.

point under Loudon. Loudon Coach Bert Rattledge says this one, for all the marbles, will be his team's toughest opponent. "We plan to leave around noon Friday, the TSSAA won't pay lodging for us as you must travel 150 miles for such. The distance is measured to be 147 miles from Loudon. The TSSAA has made us live hard for the right to play in the championship game. But the team is asking no favors, just a chance to play with the best or prove they are the best."

Loudon has been behind in four of their last five games and came back to win each decisively. Thus leading us to believe they can cope with Hartsville wide open offensive

YATES TAKES AIR OUT OF RULE PUNTING GAME—Loudon's All State line man, senior Mike Yates, used all of his 6-4, 227 pound frame to "throw his weight around" against Knoxville Rule Friday night.

they could put pressure on Rule's punting game. Also if Loudon could contain the end sweeps on offense the Golden Bears would be forced to pass, something that yare was very poised in executing. Thus Loudon blocked two punts, setting up a touchdown and producing a safety. The Redskins intercepted three passes out of 20 thrown and allowed only four receptions.

Loudon will face Hartsville in the state finals this Friday night at Lebanon, game time is 7:30 p.m. local time. Loudon threw a scare into the home fans early Friday night as quarterback Dennis Queen attempted to run off tackle on the first offensive play of the game only to fumble at the Loudon 23.

Rule, with their cast of speedy ball carriers, raced to the Loudon 11 in just two plays.

The Loudon defense, with the assistance of a five yard illegal procedure penalty, stopped the Golden Bears at every avenue and forced a 33 yard field goal try from the 20.

Rick Melton plowed into the Rule line for a yard, and the esger Bears were caught off sides for five yards. Senior Johnny Deathridge getting his first call of the game glanced off right tackle ran over a would-be tackler and with Melton and Rick Tucker out front rambled 76 yards for an apparent touchdown. Tucker was flagged for a questionable clip on a final block of the Rule safety and the ball was

numbered down to the seven only to have the football slip away and the Golden Bears recover.

The Loudon defense took their task in a serious nature, not yielding a single inch and throwing the Rule offense for a minus five yards on three tries. The fourth down punt was blocked by Mike Yates out of the end zone for a safety. Buddy Swiney missed from the left side by only an eye lash.

Skinner's extra point kick was perfect for a 13-0 lead. Rule's offense was swamped by the defensive effort of Loudon and on fourth down Mike Yates and Dennis Kovee almost beat the ball back to the punter with Yates blocking the punt. Loudon recovered the ball at the 17 as the first quarter ended.

Sam Lyle ran the tight end-around for 14 yards to the Rule three. A half the distance to the goal penalty set up Queen for his third one yard touchdown plunge and Skinner's kick made it 20-0 with 10:26 left in the half.

Rule could do no better than reach the mid field marker before punting to the Loudon 23 following the ensuing kickoff.

Senior Dennis Queen in his best form, engineered an eight play, 72 yard march that would up Loudon's lead to 28-0. A sparkling 29 yard pass play to senior Jeff McQueen got the march off and running. Marlon Brown, replacing John Deathridge in the veer offense, punched out two yards, Sam Lyle was tripped up on an end-around maneuver that gained nothing. Rick Melton with second and third effort moves carried twice for 26 yards. Brown added seven more and Melton contributed six yards to move the ball to the Rule two. Junior Marlon Brown slashed his way into the end zone from the two and came right back for a two point conversion run with 4:41 showing in the first half and a

second showing on the clock. Gravelly Littleton was the lone Panther in double figures hitting for 14. Billingsley and Howard Cusick each had eight points.

Lenoir City hit 16 of 57 shots for a cool 28 percent. Bradley County hit 16 field goals out of 63 tries for a 30 percent showing.

The game was won on foul shots, Lenoir City hitting six of nine. The Bears seven of 15.

Lenoir City (28) Bradley (39) P. Billingsley 8 Atchey 2 F. Littleton 12 Caldwell 2 G. Cusick 8 Murray 2 G. Cusick 8 Holloway 12 G. Cusick 8 Davis 9 S. Subbs 10 Lenoir City-McCormy 9 Lenoir City 14 9 9 - 38 Bradley 13 12 8 - 39

Lenoir City (40) Bradley Co. (73) P. Smith 16 Caldwell 20 F. V. Thompson 11 Chastain 11 P. Thomas 11 Chastain 11 G.S. Thompson 11 Melton G. Johnson Hendricks

Roddy Kizer and Harold Hawkins had double figure performances for Greenback. Kizer hitting 15 and Hawkins 12.

The Greenback girls also led 58-33.

GREENBACK 12 15 0 0 - 33 LEANOR CITY 12 12 8 - 39

was returned by Porky Campbell and Colvin teamed for interception from defensive back Bumper Webster and a fumble recovery from Steve Hill in stopping Rule's fourth quarter advance.

Loudon scored late in the final period with Dickie Colvin racing around left end for 45 yards. But the play was called back as Loudon was detected for a clip.

Loudon dominated the game, despite Rule having the edge in offensive chances 65 to 63. Ten players figured into Loudon's 369 yards of offense. Rick Melton had the largest amount of real estate with 72 yards on eight carries. Dickie Colvin had 46 yards, Marlon Brown 37, Greg Deathridge 37 yards, and John Deathridge's one carry for 39 yards was the top ground rusher.

Sam Lyle set the defensive interception from defensive back Bumper Webster and a fumble recovery from Steve Hill in stopping Rule's fourth quarter advance.

Bradley County Prevails Over Lenoir City Cagers

The Bradley County Bears captured a double hoop win over the Lenoir City boys and girls last Friday night at Cleveland.

The Lenoir City girls, winner of the past three meetings with the Bearettes, lost 24-6.

Bradley County placed all three starting forwards in double figures while Lenoir City playing without an ill Platty Cook was outscored in each canto.

Lenoir City received double figure scoring from its starters but not in the abundance of the Bearettes. Pam Smith set the tempo with 18. Vicki Thompson and Pam Thomas each had 11 counters.

The Lenoir City boys were edged for the second straight game by a single point, 30-28.

The Bears had to come from behind to pull the game out of the fire with less than 10

GB Falls 81-37

The Greenback Cherokes were defeated by Friendsville Tuesday night 81-37. The hot shooting Falcons double the score at the half and never looked back.

Loudon booster club to meet

The Loudon Athletic Booster Club, open to all students and adult, will have a meeting at 7 p.m. on Thursday night (tonight) in the Loudon High School Cafeteria.

Coach Bert Rattledge and Assistant Jim Gibson will review the Hartsville Yellow Jackets and what lies ahead for Loudon in Friday night's State AA Playoff title game.

Booster Club President Don Gagley said there would be coffee and donuts for the gathering. Everyone is urged to attend this meeting in regard to giving the Redskin football team a rousing send off for their all important game.

Also a club progress report in regard to membership and future activities will be announced at the meeting.

Rattledge, Gibson check jackets reel to reel—Loudon Football coaches Bert Rattledge and Jim Gibson go over game films of the Hartsville Yellow Jackets in preparation of the Redskins Friday night state Championship game at Lebanon.

The coaches will also give a scout report at a Thursday night booster club meeting in the Loudon Cafeteria at 7 p.m.

Lenoir City Uses Second Half Spree To Snap Losing Skid

The Lenoir City Panthers and Pantherettes broke a two game losing streak Tuesday night by bouncing Rockwood.

The Lenoir City sextet got a 22-point showing from Pam Thomas and Pam Smith came through with 13 second half points and 19 for the game to turn back the Tigerettes 57-52.

Lenoir City jumped to a 12-2 first quarter lead only to end up fighting for their lives in the second half. The game swapped hands on eight occasions before Miss Smith could take charge with a foul shot and field goal in the closing minutes to provide the winning margin.

The Rockwood boys were on top 32-28 at the half but could not hang on down the stretch as Eddie Billingsley hit on nine of 14 shots and Grayling Littleton hit clutch baskets to push the Panthers into command 74-63. Billingsley led all scorers with 23 points. Littleton had 18 and Ronnie and Howard Casick 16 and 14 respectively. The Panthers hit on 31 of 59 shots.

SETS PANTERETTE TEMPO—Pam Thomas rattled the hoops for 22 points in sparking the Lenoir City girls to a hard fought 57-52 thumping of Rockwood.

THE THIN MAN SCORES—Tall and lanky Howard Casick, 6-8 junior center for Lenoir City scores an easy basket at the expense of Rockwood Tuesday night.

Midway, Loudon Split Basketball Wins

The Loudon Basketball team split a twobill with Midway last Tuesday night. The Loudon girls won as Bernadette Locke, recovered from a virus to throw in 27 points and Jenny Lettice launched in 17 in a 53-38 win. The Lady Skins hit 12 of 19 foul shots in the fourth quarter to insure the win and outscored Midway 18-9.

The Loudon boys were not so fortunate, bowing 66-44. Mark Harrell with 15 and Teddy Bivens 10 points was best for Loudon.

The Redskins fell behind 20-4 and were never really in the game. Steve Millsaps grabbed nine rebounds to pace the backboard efforts for Loudon.

BACK IN ACTION—Loudon's Cindy Allmon was back in her normal playing style Tuesday night following a weekend virus that kept her out of a Monday night loss to McMinn County.

Speaking Of Sports

(Continued from Page 9)

ways. "They will probably get on the score board," says Ralledge. "I just hope we put more points on the board than they do."

Hartsville goes for two point conversions following each TD.

Weather out look for the game is for temperatures in the low 40's to middle 30's, but no rain or snow is expected.

The high school will provide buses for all students wishing to make the trip. Parents may also ride over on the pep bus or buses for no more than three dollars round trip. Doug Lyle of Lyle's Pleasure Island is chartering a Trailway Bus as is the Hamilton Bank of Loudon for its Golden Pass Book members. Some 2000 Loudon and Loudon Counties are expected to journey to the game. A warning to all motorists is to beware of speed traps, especially from Crossville through Cookeville and 10 miles there after. It is hoped every one will leave in plenty of time for the 7:30 kickoff.

Due to the energy crisis it has been requested that the last person leaving Loudon be sure and turn off the town lights.

All six teams remaining in A, AA, and AAA football play are unbeaten with an overall mark of 70 wins and no losses. Friday night will make the count 73-3. A new state champ is assured in each division.

It might be noted that Loudon has survived the sting of the Yellow Jackets (Kingston), the claws of a Panther, the bit of a Beaver, the lance and armor of a Charging knight, (twice), the lightning wave of both Rebels and Raiders, the wind of a Tornado, the slinking of a Tiger, the scare of the devil himself, and the hug of a "sugar" Bear. Hopefully,

Hawkins Pours In 29 As Cherokees Bow 76-72

The Greenback Cherokees are improving weekly. The variety of Coach Charlie Bailey got a sparkling 29 point showing for sophomore Harold Hawkins in battling highly respected Townsend. The Cherokees lost 76-72, but before staging a gallant second half come back that saw them narrow a first half difference of 40 to 31.

Hawkins tossed in 19 of his points in the second half surge.

Three other Greenback players hit for double figures with Mike Reagan getting 14, Roddy Kizer 11 and Mark Carver adding 10.

Greenback hit 38 percent for the game.

The Greenback girls were defeated in their first season outing 40-24. A cold, two for 26 in the first half, shooting mark in the first two quarters gave the Townsend sextet the advantage they needed.

Pam Neely with six points led the Greenback scoring. Debbie Childs was the Cherokees' top rebounder.

BIVENS GOES FOR TIP-IN—Loudon's Teddy Bivens battles a Midway forward for a backboard tip of this loose rebound in the Redskins 60-44 loss to the Green Wave.

the poison of the Yellow Jacket will not sting the Red Machine is a way to cause it to lose its sportsmanship and team character in this game of standout grid powers, as a maximum effort by the Redkins should gain them the honors they seek most.

Loudon Sweeps Sweetwater Hoopsters In Tuesday Night Shootout

The Loudon Redskins have finally entered the winning column in boys basketball. The young freshman and sophomore staffed Redskin varsity had dropped four straight games until Tuesday night when they gunned their way to a 65-64 win over previously unbeaten Sweetwater.

Four players ripped the nets for double figures for a pleased Coach High Watson, who awaits Loudon's football finale this Friday night to suit out his expected varsity. Teddy Bivens rified in 17 points and Randy Davis popped the cords for 14. Mark Harrell dropped in 12 and Mark Blair had 10. Mike

McCall finished with eight. Loudon led at every rest stop, pulling away to victory in the late stages of the fourth quarter.

The Loudon boys hit 27 of 63 shots in the game for their best shooting of the season, 42.8 percent. Sweetwater hit 23 of 68 shots. The Loudon girls made the night a sweep with a easy 39-34

triumph. Jenny Lefter zipped in 24 points and Bernadette Locke was right behind her with 20 and Kimi Brant Hoover balanced the slate with 10. Ahead 33-18 at the half, the Lady Redskins coasted to their fourth win in six games. Loudon hit 19 of 52 floor shots and 23 of 34 foul attempts. Sweetwater hit 9 of 37 shots and 14 foul shots. Yarber Harrison led in

rebouncing with seven.

SWEETWATER (34): F—Neil 15, Mac 9, C—Johnson 8, G—Crawford 8, B—Brewster 4, H—Harrison 7, B—Brewster 4
LOUDON (65): F—Davis 16, Bivens 17, G—Bivens 14, Harrell 12, Blair 10, Cook 10, H—Harrison 10, L—Lefter 24, H—Harrison 10

LENOIR CITY (54): F—Smith 14 (41), F—Cook 10, P—V. Thompson 8, F—Lawson 8, G—Johnson 8, Thomas 2, LENOIR CITY—Powell 2, LENOIR CITY—McMinn 17, 17, 14, 13, 41, 15, 17, 16, 16, 44

CENTRAL (44): Jordan 14, Harner 12, Harris 14, Trew 8, Jones 4

GUNNER—Ricky Mosier of Steekee fires up a basket in a 42-26 Junior High basketball game loss to Loudon. Don Purdy defends on the play.

Central Knocks Panthers From Unbeaten Ranks

The Lenoir City Panthers saw their four game winning streak snapped last Tuesday night by the home standing McMinn Central Chargers 62-56.

The Chargers broke out to a 12-9 first period lead and built it to a commanding 35-24 halftime margin. Both teams played equal in the third quarter with Lenoir City unable to rally in the final eight minutes to salvage the game.

Howard Cusick sparked the Panthers with 21 and 13 points respectively. The Chargers took a whopping 81 shots in the game and made 22 for 27 percent from the field. Lenoir City hit 18 of 57 for 32 percent.

The Chargers also commanded the backboards 33 to 28. The Lenoir City girls were upset by the Chargerettes in the preliminary game 64-61. Patty Cook had a brilliant 35 point performance and Pam Smith tossed in 14, but the efforts were for naught as the Chargerettes came from behind in the nip-and-tuck battle to decide the game in the final quarter.

LEADING SCORER—Loudon Junior High forward Cathy Delaney goes for two of her 16 points in the Loudon-Steekee distaff match. Loudon won 40-10. Kelly Purdy and Ann Black each added 12 points. Darleee Nix is pictured for Steekee.

Join The Hamiltons — Follow The Redskins To Lebanon For The State AA Championship Game With Trousdale County ...

Hamilton Is Sponsoring
REDSKIN HEADQUARTERS
 At Lebanon

The Hamilton Sponsored Redskin Headquarters will be located in rooms 15 and 16 of the Quality Inn Plaza. Take I-40 to Lebanon. Take the second Lebanon exit. Go through town on Highway 231 North. Motel is located about one mile beyond the town square on the left.

We will have snacks and drinks for all Redskin Fans and a place for you to change into warm clothes before the game.

REDSKIN HEADQUARTERS will open Early Friday afternoon and will close 30 minutes before the game.

Come back after the game for our Victory Celebration. If you are a Redskin Fan we invite you to come by and visit.

IF YOU CAN'T GO LISTEN TO THE LIVE BROADCAST On WLIL-FM 93.5 on your FM dial

The Hamilton Redskin Broadcast team of Don Canter, Inky Swiney and Jim Curtis will start live coverage of the game at 8:15 Loudon time.

GOLDEN CLUBBERS FOLLOW THE SKINS

A full bus load of Hamilton Golden Club members and families will leave Loudon High on a free bus sponsored by the Hamilton to cheer on the Redskins to the AA State Championship. Hartsville expects 3,000 fans to follow their Yellow Jackets. We want that many Redskin fans in Lebanon too.

Since We All Are Going To The Big Game All Our Offices Will Close at 5:30 P.M. Friday ... Will the last one leaving town please turn off the lights ...

Squires To Review All Vo-Ed Sites Shelves School Building Program

(Continued from Page 1)

to the Budget Committee but agreed there is little hope of passing it before the next budget is adopted in July.

Judge Russell said the court could refer it to the committee for some groundwork in case the interest rate comes down and the bond market improves.

Superintendent Headlee told the court the two additions are needed immediately because the county is under pressure from the state.

He said the Glendale school was condemned before school last year and he told the court the county system received approval this year "only because the board had submitted plans" for the consolidation of Glendale and Greenback.

He added the county now has three fifth grade classes in the old high school which, he pointed out was condemned before the new Loudon High was built.

The proposed addition at the junior high is to relieve that split in classes between the two buildings, Headlee said.

Squire I.D. (Babe) Conner said he thinks the building program should wait until Lenoir City makes a decision on consolidation.

Headlee said, "Regardless of whether or not we consolidate, these first two projects will be needed."

He added there has been talk of consolidation for three or four years.

JUDGE RUSSELL and Squire Boyd Duckworth harshly criticized a story in

the NEWS last week reporting on the decision of the court to meet Monday night instead of during the day as had been voted in the November meeting.

The story indicated the reversal of the meeting time was a political tug-of-war between court members.

Judge Russell said, "The committee was presented with a situation where some taxpayers of the county wished to be present at the court meeting (about the vo-ed sites) and in an effort to accommodate those taxpayers, members of the court were polled and the meeting was changed."

He labeled the story "immature and erroneous."

The story reported the November vote for day meetings until the energy crisis eased was unanimous.

Judge Russell pointed out one member, Squire Henry Foster, dissented and Squire Duckworth was absent.

Squire Foster complained his vote on the matter was not reported accurately. "I thought I was speaking clearly," he said.

He voted against the day meetings, saying Squire Duckworth should be present.

Squire Duckworth read the article in court and said, "I think the paper owes the court an apology, publicly."

Energy conservation was cited as the reason for the original change voted in November to hold all meetings in the day-time. The vote then was 7-1 in favor of day-time sessions.

Monday night, however, the court voted 5-3 to support a motion by Squire Duckworth

to continue alternating day and night meetings every other month. Squires Duckworth, Hudson, Bledsoe, Conner, and Foster voted to return to the alternating schedule.

Squires Blair, Curtis Williams and R.P. Hamilton voted against the motion.

Squire Jim Hartsook is in Ft. Sanders Hospital and was not present.

In making his motion, Duckworth cited the number of people in the courtroom as an indication that night meetings are needed. He also charged that the issue is "a personality thing more than anything else."

Blair said personalities were not involved. He said the motion was just until the energy crisis eased.

THE COURT also postponed action on a request from Headlee for \$11,900 to do a county-wide survey on the school system.

The proposal originally called for a combination study on the county and Lenoir City schools, including the possibility of consolidation.

The county school board voted only for the county study.

Court members agreed the study is needed but again questioned where the money will come from.

Squire Blair suggested the study be included in next year's budget.

The court adopted recommendations by the county Energy Advisory Committee for conservation

measures.

Judge Russell told the court, "I think we are all becoming increasingly more aware that we're facing a potential crisis in several areas."

The court voted to recommend the county fee officers in the courthouse accept the recommendations to close Saturday and to open Monday through Friday from 8 until 5, including the lunch hour.

The consensus appeared to be that the fee officers would not accept the recommendation.

PUBLIC HEARINGS on two zoning requests, denied by the planning commission, were set for the January meeting by the court.

The requests are for erecting billboards near the interstate.

Judge Russell reported the funds for dispatcher salaries in the new Justice Center, granted and later removed by the Tennessee State Enforcement Planning Agency, have been re-instated for the second year of the grant.

He also reported the county has agreed to accept the low bid from RCA on communications equipment in a reversible of an earlier decision. The state insisted the county accept the low bid.

Judge Russell said the reversal means the communication equipment will not be available until spring but said Ted Handolph, Civil Defense Director, is making plans to use the current facilities on an interim basis.

Five Hurt In Six Car Bridge Wreck

A thin coat of ice on the J. Carmichael Greer Bridge over Fort Loudoun Dam last Wednesday morning was the apparent cause of a series of accidents resulting in injuries to the drivers of five of the six cars involved.

Trooper George Pierce said the series of three accidents started about 7:40 a.m. and happened just minutes apart, with the first accident contributing to the cause of the other two.

A car driven by Joe Lee, 24, B Street Lenoir City, skidded on the bridge according to the report filed by Pierce, and skidded into a car driven by Boyd Bryant, 21, Rt. 1, Greenback. The Lee car burst into flames and both cars were heavily damaged by the impact and fire. Lee was taken to a Knoxville hospital where he was admitted with severe burns and other injuries. Miss Bryant, who was treated at Loudon for a foot injury.

The third car driven by Gary S. Perkins, 21, Rt. 2, Lenoir City could not stop on the icy bridge and hit the Brenton car, then slid into a car driven by James R. Grubb, 37, Kingston Street, Lenoir City. Perkins was treated at Loudon County Memorial Hospital and was charged with no drivers license and violating the registration law by Trooper Pierce.

Two Lenoir City police cruisers constituted the first accident as they were answering a call to the third accident where the cars were burning.

The cruiser operated by Boyd Littleton was crossing the bridge and was slowing down as he approached the first accident when the second cruiser operated by Dolph Myers was unable to stop on the slick surface crashing into the rear of the first cruiser. Both officers were taken to Loudon County Memorial Hospital and treated for injuries.

THREE WRECKS ON BRIDGE--Six cars were involved in three related accidents on Greer Bridge over Fort Loudoun Dam last Wednesday morning. In the top photo the burning remains of the car driven by Joe Lee who was seriously burned is shown. The car struck by the Lee vehicle is in the center photo and two Lenoir City police cruisers that wrecked responding to the first wreck are in the lower photo.

Electric Coop Vetos Energy Surcharge

On November 7, the Tennessee Valley Authority Board approved the use of a temporary energy surcharge to offset the distributors' loss of net revenue due to the Emergency Energy Reduction Program.

The Board of Trustees of the Fort Loudoun Electric Cooperative were of the opinion that approval of such a surcharge would work against the energy conservation program. Even now it is not too late, because the more you cut back now the longer the coal supply will last and if the coal strike is settled soon, we might still be able to avoid a mandatory curtailment. Therefore we are urging all members to cooperate by cutting their usage of electricity to the very minimum. You will not only be helping the cooperative but your neighbors who could possibly lose his job right at Christmas time if a curtailment program is put into effect.

The Board of Trustees of the Fort Loudoun Electric Cooperative were of the opinion that approval of such a surcharge would work against the energy conservation program. Even now it is not too late, because the more you cut back now the longer the coal supply will last and if the coal strike is settled soon, we might still be able to avoid a mandatory curtailment. Therefore we are urging all members to cooperate by cutting their usage of electricity to the very minimum. You will not only be helping the cooperative but your neighbors who could possibly lose his job right at Christmas time if a curtailment program is put into effect.

Text Of TVA Power Reduction Program

Last week the Tennessee Valley Authority announced its plans for a mandatory reduction of power reduction in the face of reducing coal supplies which fire the steam plants which produce a large share of the agency power.

The reduction program is set to go into effect if coal supplies hit 3,000,000 tons or below and late last week they were skimming the 4 million ton level and could drop to 3 million in about 10 days, or sometime next week.

The full text of the Mandatory Emergency Reduction Program as released by TVA is as follows:

The purpose of TVA's Mandatory Emergency Reduction Program is to provide a fair and equitable procedure for allocating among all of TVA's customers the total amount of electric energy it can supply when shortages of fuel prevent TVA's power system from generating electric energy sufficient to meet the area's anticipated needs, and when it is determined that emergency energy reductions are essential to serve the overall best interests of the electric consumers of the region. During such times TVA will take actions such as those described below to allocate the energy which can be made available. These actions will be in addition to any limitations on the use of electric energy that may be established by the Federal Government or by state and local governments.

Program Guidelines

When a shortage of fuel requires application of this Program, TVA will determine the overall amount of energy that it can supply, and will, to best utilize such energy available, fix the amount of energy to be supplied to individual distributors and to directly serve customers for specified periods of time by means of equitable allocations. Distributors and directly served customers will then be responsible for taking such actions as are necessary to assure that their overall energy use does not exceed such allocations.

Allocations by TVA

TVA will make allocations of energy when it determines that fuel shortages will prevent TVA's power system from generating electric energy sufficient to meet the area's anticipated needs. Upon such determination TVA may allocate energy in the following steps and amounts, or in such greater amounts as may be considered appropriate under the circumstances:

Step I When the stockpile of recoverable coal on the TVA system is reduced to 3,000,000 tons, the electric energy available for each customer served by TVA shall be fixed at 70 percent of the amount delivered during the corresponding billing period of the previous year or of the next preceding year, whichever is larger.

Step II When the stockpile of recoverable coal on the TVA system is reduced to 2,000,000 tons, the electric energy available for each customer served by TVA shall be fixed at 60 percent of the amount delivered during the corresponding billing period of the previous year or of the next preceding year, whichever is larger.

Step III When the stockpile of recoverable coal on the TVA system is reduced to 1,000,000 tons, the electric energy available for each customer served by TVA shall be fixed at 35 percent of the amount delivered during the corresponding billing period of the previous year or of the next preceding year, whichever is larger.

TVA may at times authorize variances from the allocations under the above steps to take into account (1) specific voluntary energy conservation actions taken by its customers, and (2) unusual circumstances, including among others, matters adversely affecting public health, safety, and welfare. An equitable allocation will be established for customers not receiving energy during the corresponding billing period of the previous year.

Enforcement

TVA will monitor loads and fix the maximum amount of energy to be made available at customer delivery points to the amounts specified in the applicable steps.

TVA may enforce the limitations in the maximum amounts of energy available to any customer, by imposing an excess usage surcharge for power taken in excess of any energy allocation (in accordance with any adjustment addendum then in effect); by disconnecting its facilities from those of the customer; by reducing the customer's allocation for a subsequent period; or by such other means as TVA deems practicable.

Family Income Bracket Increases In Local Area

Because Loudon County families as a whole are earning more money now than in previous years, many of them have moved up, as a result into new and higher income brackets.

Whether they are able to buy any more with the added cash is another question.

Locally there has been a progressive shift upward. Some families, who were in the \$10,000 to \$15,000 category a few years ago, are now to be found in the \$15,000 to \$20,000 group. Their former positions as income ladder have been taken over, in turn, by families who had been earning less than \$8,000.

The gratification of being in a loftier bracket is somewhat dampened, however, by the realization that tax rates are higher on the upper rungs.

The facts and figures covering the local area and other parts of the country are contained in a report released by the Standard Rate and Data Service. It indicates, for each community, the number of families in the various income divisions.

The purpose of the study was to obtain a clearer financial picture of each local area's purchasing power than was revealed by its average income figure.

Does that average comprise a small proportion of families with big incomes counterbalancing a much larger proportion with low incomes? Or are earnings more evenly distributed?

In Loudon County, it is shown, no less than 49.6 percent of the households had disposable incomes of \$8,000 or more after payment of their personal taxes.

Compared with the proportion at that level in many other parts of the country, this was high.

The breakdown figures for the local area list 23 percent of the households with net incomes of \$5,000 to \$8,000, 15.1 percent at the \$8,000 to \$10,000 level, 21.8 percent between \$10,000 and \$15,000 and 12.6 percent higher than that. The others have \$5,000 or less left after taxes.

The bigger incomes have not improved the buying power of the average family, however. The cost of living has been rising at a faster clip than incomes in the last year or so.

128 On Loudon High Honor Roll

One hundred twenty-eight Loudon High School students were placed on the first quarter honor roll released this week by principal James Gibson.

Forty students placed on the "A" honor roll and 88 on the "B" honor roll.

Students on the A honor roll are: SENIORS: Paul Bivens, Becky Blankenship, Evelyn Duncan, Donna Kyle, Ramona McNabb, Patricia Powers, Billy Jo Presley and Tonya Williams. JUNIORS: Mona Arnold, Linda Lanhan and Cindy Watson. SOPHOMORES: Kim Branthoover, Sissy Cham-

bers, Lee Ann Chilbas, Terri Clark, Brian Courtney, Randy Davis, Julie Harper, Jenette Lefler, Rick Lovin, Lanette Lynn, Pam McCulloch, Susan McNabb, Missy Puckett, Lana Rhea, Charles Stafford, Betty Webb and Charles White. FRESHMEN: Donna Blankenship, Linda Brewer, Rhonda Brown, Carol Cagie, Sara Chihaz, Rick Forshee, Gail Garner, James Hill, Rhonda Hobbs, Hank Julian, Suzanne Matlock and Lucy Ann Miller.

Students on the B honor roll are: SENIORS: Darlene Blankenship, Margie Brasam, Brenda Bright, Terry Brown, Suzanne Cannon, Liz Delaney, Cathy Eaten, Teresa Everett, Carol Gibson, Jennie

Harrison, Jackie Harvey, Roy Hodge, Margie Kolso, Joby Kirkland, Jeff McQueen, Gwen Phillips, Ronnie Roberts, Dennis Rowe, Debbie Scallan, Buddy Swiney and Margie Wallace. JUNIORS: Margaret Arden, Connie Bailey, Kim Burnette, James Burkholz, Sante Crisp, Steve Harrison, Rhonda Harvey, Julie Iddiss, Ronnie Lynn, Edna Simpson, Ricky Summitt, Carole Tinch, and Libby Varner. SOPHOMORES: Beverly Barr, Mark Blair, Karen Blankenship, Carter Cardwell, Cindy DeFord, Conway Duke, Sheila Eller, Pam Giles, Dinah Guider, Robin Guider, Lisa Harris, John Harrison, Jeff Hicks, Kathy Johnston, Rick Jones,

Bernadette Locke, Juliet Locke, Dona Murray, Nancy Niles, Jeanine Purdy, Jane Rucker, Kathy Smallen, Jay Ann Stanifer, Denise Strickland, Doug Surret, Johnny Sweet, Tim Thomas, Arvela Winn. FRESHMEN: Wayne Anderson, Connie Arder, Pam Bivens, Melanie Brakobill, Vickie Cardwell, Barry Clark, Paul Fritts, Malinda Garner, Melissa Grimes, Pam Green, Janet Harper, Jeff Harris, Pam Henson, Janet James, Mark Moore, Cheryl McNabb, Kim Oran, Sharon Plemons, Robert Powers, Kathy Roberts, Robie Sampson, Greg Schrimsher, Wanda Selvidge, Irene Simpson and Ann Swiney.

SAVE \$50

25" diagonal Magnavox Videomatic Color Console

Model 4722, its smart campaign styling, a 100% solid-state and automatically adjusts its own picture to changing room light for an ideal picture — day or night. It's eye-appealing — on or off.

NOW \$549.95

Magnavox Videomatic Color TV adjusts its own picture to changing room light — automatically:

There's an "electric eye" which watches for changes in room light. When the room is bright, the picture should be brighter or it would be washed out. The Videomatic "eye" automatically turns up the brightness, red and contrast. In a dimmed room the "eye" senses that too little picture would give or less contrast, so it automatically turns down the brightness, contrast and color.

Cheaper Hot Water

The electric water heater, working 24 hours a day, is the second biggest user of electricity in your home. While nobody wants to be without hot water, nobody wants it to cost an arm and a leg, either.

Here are our suggestions for cheaper hot water.

Wash full loads of clothes and have the water no hotter than necessary for thorough cleaning.

Instead of bathing in a tub of hot water, shower in warm water.

Run your dishwasher only when it's fully loaded.

Hot water. It gets cheaper when you use only what you actually need.

Use Electricity Wisely

LOUDON UTILITIES

DEC 5 1974

New Town Proposal Described In TVA Statement

Timberlake, a planned community on the shorelands of Tellico Lake in east Tennessee, is outlined in a draft environmental impact statement which is being distributed by the Tennessee Valley Authority.

Timberlake would serve as a demonstration of planned land use, economic growth and urban services for a rural area expected to undergo rapid and far-reaching change, the statement says.

The community would be located in the low, parallel ridges and gently rolling valleys of Loudon and Monroe Counties on the shore of Tellico Lake, which will be created by the completion of Tellico Dam on the Little Tennessee River in 1977. Approximately 16,000 acres of the 21,000 acres of shorelands along the 35-mile-long reservoir will be available for development of Timberlake.

Construction of Timberlake will not begin until the dam is completed. Construction will be financed and conducted mainly by private interests under development standards planned to provide a high quality living, working, and recreational environment for the community's residents, the statement says.

The draft statement is being distributed to interested Federal, state, and local

agencies for comment, and is available to the public for review and comment from the TVA Information Office, Knoxville, Tennessee. A final statement will be prepared following this review.

During a 20-year development period, Timberlake's industrial potential is expected to provide 4,000 to 6,000 basic jobs. Combined with recreational employment and population growth trends, planners believe this would support a water-oriented community of about 30,000 people along the lakeshore.

Present plans for Timberlake call for a series of residential villages of varying housing types which would be separated from each other by trees and open spaces. Walkways and pathways would link the residential areas to centrally located village centers containing commercial facilities and to parks, recreational facilities, and schools. Automobile traffic will be isolated from pedestrian and play areas, and limited access streets and highways will carry traffic to and around the community.

Some 3,000 acres of sites served by highway, rail, and barge facilities will be available for industrial development in Timberlake. Industries will be required by TVA to conform to a land use

plan which will be developed so that plant sites will be compatible with the rest of the community. Plans for each industrial plant seeking to locate at Timberlake will be reviewed to ensure that they satisfy all requirements of the project as well as the applicable Federal, state, and local requirements for environmental quality.

Timberlake also offers the opportunity to study the relationship between community development and energy use and to test and implement specific energy technology in designing the community, the statement says. Energy conservation techniques will be incorporated into the design and construction of all public buildings and studied as to effectiveness and consumer acceptability.

The concept of Timberlake began in 1969 when the Tellico Area Planning Council, representing the area's local governments, recommended to TVA that a "model new community of national significance" be created to accommodate the expected industrial, residential, and recreation development which will be attracted to the Tellico Lake area. Timberlake planning has since involved TVA, state and local agencies, and private consultants.

In 1973, TVA and the Boeing Aerospace Company agreed to jointly prepare a general plan for the new town. The agreement also provides for preparation and negotiation of a detailed contract that would define TVA and Boeing responsibilities in a public-private cooperative arrangement envisioned for carrying out the Timberlake plan. If the studies currently under way lead to the execution of a development contract between TVA and the Boeing Company, Timberlake could become a test and

Four Hurt In Wreck

Four young Loudon men were injured when the car they were riding in crashed into a utility pole on U.S. 11 just west of Loudon about 10:30 p.m. Friday.

The driver Gary L. Rolan, Rt. 1, Loudon, sustained a broken right leg, cuts and bruises. He was admitted to the hospital.

Three others treated and

released were David Bowers, dislocated shoulder; Mack Downs, cracked foot; and Hugh Bowers, cuts and bruises.

City Police officers Gill Grimes and Ken Johnson reported that the car apparently went out of control and struck the utility pole after crossing the highway.

FOUR INJURED—When the Ford Station Wagon, above, smacked into a utility pole on U.S. 11 in West End Loudon about 10:30 p.m. Friday four young men were injured.

Mrs. Patton Dies, Rites Held

Mrs. Nell Warren Patton, of Lakeview Drive, Loudon, died at her home Thursday, Nov. 28.

Survivors: husband, William C. Patton, Loudon; son, William Warren Patton of MTSU, Murfreesboro; sisters, Mrs. John Galasso, Murfreesboro, Miss Mary Warren, Norman, Okla., Miss Kathryn Warren, Nashville; brother, Karl H. Warren, Martin.

Mrs. Patton was a member of the Loudon United Methodist Church and was active in the WSCS in which she was awarded a life membership for outstanding leadership. She had worked with the church Youth Group and with the Youth Choir. She also was active in Scouting and Civic Groups. She was an Alumni of Chi Omega Sorority and a 1940 graduate of the University of Tennessee College of Home Economics in Knoxville. She taught home economics in Loudon for several years following her education. She was born and reared in Martin, Tenn., and was the daughter of the late Mr. and Mrs. Karl Henry Warren of Martin.

Funeral services were held Friday at the Loudon United Methodist Church.

Legal Notices

INITIAL RESOLUTION AUTHORIZING THE ISSUANCE OF \$400,000 ROAD BONDS OF LOUDON COUNTY, TENNESSEE.

WHEREAS, the Quarterly County Court of the several counties of the State of Tennessee are authorized under the provisions of Sections 5-4101 to 5-4125, inclusive, of the Tennessee Code Annotated, as amended, to issue bonds to provide funds for constructing roads, including all property, real and personal, appurtenant thereto or connected with such project, and WHEREAS, it is necessary and advisable for the County to pay the cost of constructing certain connecting roads to interchanges in and for said County, including all property, real and personal, appurtenant thereto or connected with such project, and WHEREAS, said roads are to be operated and maintained for the benefit of all of the citizens of Loudon County, Tennessee,

NOW, THEREFORE, BE IT RESOLVED BY THE QUARTERLY COUNTY COURT OF LOUDON COUNTY, TENNESSEE, AS FOLLOWS:

Section 1. That, for the purpose of providing funds to pay the cost of constructing certain connecting roads to interchanges in and for said County, including all property, real and personal, appurtenant thereto or connected with such project, there shall be borrowed for and on behalf of said County a sum not to exceed \$600,000 and that negotiable bonds of said County for said amount be issued under the authority of existing law.

Section 2. That said bonds shall bear interest at a rate or rates to be determined upon a public sale thereof not to exceed seven and one-half (7½) percent per annum, and said bonds and interest shall be paid from ad valorem taxes

levied upon all of the taxable property within said County without limitation as to rate or amount.

Passed and approved on this November 4, 1974.

WILLIAM H. RUSSELL, County Judge
 S. EDWARD ALEXANDER, County Court Clerk

The foregoing resolution has been adopted by the Quarterly County Court of Loudon County, Tennessee, unless within ten (10) days from the date of the publication hereof a petition signed by at least ten percent (10 percent) of the registered voters of Loudon County shall have been filed with the County Court Clerk protesting the issuance of the bonds, such bonds will be issued as proposed.

SEWARD ALEXANDER, County Court Clerk
 Telephone 125-3116

LEGAL NOTICE

Notice is hereby given that South Central Bell Telephone Company has filed with the Tennessee Public Service Commission a proposal to increase monthly exchange rates in each South Central Bell exchange effective December 31, 1974 in order to provide immediate rate relief to avoid impairment of operations.

In the Loudon and Lenoir City exchanges, the basic monthly rates are proposed for revision as follows:

Type of Service	Pres. Rate	Prop. Rate
Residence		
1 Party	\$5.00	\$5.80
2 Party	4.10	4.55
Business		
1 Party	\$12.25	\$13.60
2 Party	10.05	11.00

Also rates for PBX trunks, Grouping Service, Joint User Service, Semipublic Pay Stations and Public Announcement Service are being increased in proportion

to the increase for business one-party service. All Centrex Exchange Access charges are being increased \$40 per month.

This matter will be heard before the Tennessee Public Service Commission at 9:30 a.m. on the 12th day of December, 1974, in the Cordell Hull Building, Nashville, Tennessee.

This notice is in compliance with Section IV, Rule 401.5, Tennessee Public Service Commission. W. N. Colvert III, Manager South Central Bell Telephone Company 125-8116.

IN MEMORY

In memory of Bethel Jenkins who died December 3, 1973.

It was one year ago today, the one we loved was called away. Your last words were "I love you", how could we know your life was through. We think of you often and feel so alone, as we walk through the rooms of this lonely home. We can hear your voice and see your smile, as we go back in memory for a little while. When God calls for us, reach out your hand, and help us across to that beautiful land. We will hold hands and walk as we used to do, when Jesus tells us our life is through. Laura, Wayne and Shirley and grandchildren. (12-5-11p)

CARD OF THANKS

We sincerely appreciate and would like to thank our friends and neighbors for the acts of kindness, the floral arrangements, and each

Loudon Adopts Energy Conservation Measures

(Continued From Page 1)

necessary later if coal supplies to TVA continued to fall short of power plant needs during the winter heating season, Wagner said.

If these cutbacks become necessary, it will be up to each local electric system distributing TVA power to see that total energy use by its retail customers stays within the allocated amounts. These 160 local systems distribute electricity to about 2,400,000 customers.

The emergency plan was developed by TVA with input from its distributors and state energy offices in the TVA power service area.

TVA has been working with the Tennessee Valley Public Power Association, representing the local distributors, in the development of guidelines for actions each distributor could take to meet the allocations. These could include intensified community campaigns for maximum voluntary reductions in power use, and power allocations to the distributor's own individual customers.

Methods for enforcing the allocations could include charging double the normal rate for excess use above the

CARD OF THANKS

The family of Milas C. Dobson would like to extend our many thanks to our friends and neighbors for the flowers and kindness shown during the loss of our loved one.

Mrs. Matti Dobson 12-5-11p.

The thoughtful expression of sympathy shown during the death of our loved one, Billy B. Russell, and kindness shown during the loss of our loved one, Mrs. Matti Dobson 12-5-11p.

allocated amount, disconnecting the customer, where use is excessive, or reducing the customer's allocation for a subsequent period.

Rotating blackouts could be used as a last resort if other approaches did not obtain the necessary reductions in power use. This would involve power cut-offs for brief periods at substations supplying the various districts in a local distributor's service area.

Each of the large industrial and government installations served directly by TVA would have to take whatever actions were needed to see that its energy use did not exceed the allocated amount for a given period, subject to similar enforcement measures.

Variances from the allocations would be granted to take into account situations involving public health, safety, and welfare. Special allocations would be established for any customers who were not receiving service a year ago.

Many customers already have cut their use of electricity at spot check of several general power customers on the Cookeville, Tennessee, electric system—government buildings, churches, the telephone company, a nursing home, and retail stores—showed October electricity use at levels 26 percent below October of last year.

TVA's largest power customer, the Atomic Energy Commission, has made a temporary cutback of more than 60 percent in the use of TVA power at uranium enrichment plants at Oak Ridge, Tennessee, and Paducah, Kentucky. TVA said that without this action by AEC the drain on coal stocks would have been even greater and the threat of regional power cutbacks would be more imminent.

MR. DOBSON

Milas C. Dobson, age 79, of Ferry Street, Loudon, died Thursday, Nov. 28 in a Knoxville Hospital.

Survivors: wife, Mattie Dobson; aunt, Nora Dobson; nephew, Joe T. Dobson; cousins, Joe Albert Dobson and Mary Virginia Brown, all of Loudon.

MRS. LOOPER

Betty Fancher Looper, age 47 of Allen Shore Drive, Lenoir

Dr. A.H. Cropp, Greenback Minister Dies

Dr. Albert H. Cropp, Sr., age 68, of 100 Stanley Apartments, Maryville, formerly of Greenback, died Saturday, Nov. 30 in Nashville. He was a retired Presbyterian minister and former missionary. He served as acting chaplain at Maryville College this past year.

He graduated from Princeton Theological Seminary in 1922 and was with the Board of National Missions for approximately 27 years, 20 of which were spent with American Indian congregations in Arizona, Montana and South Dakota. In 1938, he came to Maryville where for 11 years he headed the Faith Cooperative Parish and later was pastor of the Presbyterian church in Greenback. It was while he was at Greenback that he was awarded the Tennessee Rural Minister of the Year Award.

He is survived by one daughter, Mrs. Lawrence Quelman of Osceola, Mich.; two sons, Albert H. Cropp, Jr. of Atlanta, former coach at Greenback High School and John W. Cropp, football coach at Vanderbilt in Nashville; four grandsons, Richard, Michael and James Quelman, David Cropp, one grand daughter, Karen Cropp; one brother, Rev. Frederick W. Cropp of LaJolla, Calif. and sister, Mrs. Ben Geet of Santa Barbara, Calif.

Graveside services were held Tuesday at Pine Grove Cemetery in Greenback.

In Memory

In memory of my wife and our mother, Goldie Moore, whom God called home two years ago, December 11.

We all love and miss you with all our hearts tonight, but we try to understand that God doesn't make any mistakes in the ones He loves so dearly.

All the love we had for you couldn't keep you here because God loved you more, so He took you to live with him forever more when pain and grief is over and happy peace forever is more.

Sadly missed by Husband, children, grandchildren and great-grandchildren.

NOTICE
Tennessee Valley Authority TELlico TIMBER SALE

The Tennessee Valley Authority offers for sale approximately 800 M board feet of sawtimber and approximately 900 cords of pulpwood to be salvaged from the Tellico Reservoir below the 815-foot contour elevation.

The sale area is located on the east side of the Little Tennessee River between Tellico Dam and U.S. Highway 411.

Saled bids for the sale of this timber will be received by the Tennessee Valley Authority, 1101 Congress Parkway, Athens, TN 37303, until 10 a.m. EST, December 23, 1974.

Parties interested in inspecting the timber or desiring bid forms and detailed information should contact the office of the Manager of Properties, Central District, Division of Reservoir Properties, 1101 Congress Parkway, Athens, TN 37303, telephone (615) 745-1783.

DECEMBER 5 1974

BACK IN THE GOOD OLD DAYS

Our way of life undergoes many changes with the passing years and as we have often said, the changes come about so gradual that we seldom are aware of it. Each generation has its own things which are important to the individual because of surrounding things or events which they never forget.

We often hear people say that Loudon and Lenoir City never change. But they do and those of you who are in my age bracket have seen a lot of these changes come about. We will give you some examples which come to our mind. The once very popular and highly attended theatres in both Loudon and Lenoir City have passed from the scene. The old Lyric theatre in Loudon and the old Grand theatre in Lenoir City were usually sold out about every night.

Canter Heads Heart Fund

Mr. Donald Canter will serve as the campaign chairman of the 1975 HEART FUND drive in Loudon. It was announced by Bill Jenkins, East Tennessee Campaign Chairman and Ned McWhorter, Tennessee Heart Fund Campaign Chairman. In making the announcement Jenkins, Board Member of TVA, said, "It is a genuine pleasure to welcome Mr. Canter as Chairman of such a dedicated group of Heart Fund Volunteers

Loudon has in the past done an outstanding job conducting their campaign against the nation's Number One Killer... heart disease!"

The goal for Loudon County this year is \$4,000. This money along with other Heart Fund dollars will be spent in medical centers throughout the state to find better ways to prevent, diagnose, and treat heart and blood vessel diseases. Many local people have been direct beneficiaries of the heart research, and many have attended the U.T. Heart Clinic for specialized treatment. The clinic is supported by an annual grant from the East Tennessee Heart Association.

The drive will be during the month of February, declared American Heart Month, by an Act of Congress. Anyone wishing to help in this year's campaign should contact Don Canter at 458-4666.

In accepting the appointment, Mr. Canter said, "I'm happy to accept the Chairmanship of the 1975 Heart Fund Drive in Loudon. The latest Public Health Dept. figures show that out of 237 deaths in Loudon County during 1971, 131 deaths, or 56 per cent were caused by cardiovascular disease; this is the best reason I know for every person in Loudon to work for and contribute to the Heart Fund."

We were talking to Curtis Duff of Lenoir City the other day and he stated that TV must be the factor that keeps people from going downtown at night. He said he remembered when there were so many people in town at night that the streets were crowded to capacity and not all of them were on their way to the show because a lot of them, like me and Curt, didn't have the price of a ticket. We would just stand around and talk to pass away the time.

Along with our conversation with Curt, we have something else which points out the things we have mentioned. It is a picture of an old Lenoir City restaurant operated by Will C. Weaver, who was the father of Mrs. Bethel Jenkins of Loudon and Richard Weaver of Lenoir City. Mrs. Jenkins, who loaned us the picture, said it was possibly taken around 1909. The restaurant was located where the present Mildred's Dress Shop is now.

Mrs. Jenkins said that as best she could recall at the time her father operated this restaurant, there was only one block of business places in the Broadway section of Lenoir City. Other businesses included John Weaver's Jewelry Store (this was Mrs. Jenkin's uncle), Louis Rochet's Clothing Store, George Stallion's grocery and E. R. Blackburn's Meat Market. She said that side of Broadway had a sidewalk but the other side didn't. The streets were muddy and dusty depending on the weather. There was no electricity in the buildings and all business places closed at dark. Oil lamps on the walls and oil stoves were used. Ice was bottled in Knoxville by M. Litch. Ice was 5 cents a block. All merchandise was ordered from a drummer and shipped by train. A dray wagon picked it up at the depot and delivered it to the stores for 50 cents charge to each store.

We are grateful to Mrs. Jenkins for the loan of the picture and some interesting facts out of a past way of life in our area, when energy shortages didn't threaten our way of life which may have had its merit.

Our other picture this week is another one made at the Andrew Jackson home. The same men are in this picture as the one we used before but we still don't know their name. We are interested in finding out who these men are so if you know, give us a call. Well, that's it for now. See you next week.

ATTENTION CITIZENS AND RESIDENTS OF THE CITY OF LOUDON

A RESOLUTION TO DETERMINE AND ADOPT ENERGY CONSERVATION MEASURES

Whereas, it has been determined that the present energy resources of the county and this region are not sufficient to meet demands, Now therefore be it resolved that the mayor and board of commissioners of the city of Loudon, Tennessee, hereby request the cooperation of all citizens in energy conservation; and

Be it further resolved that the Mayor is hereby authorized, upon the advice of the City Administrator and the Utility Manager to eliminate as many public street lights as practical, and

Be it further resolved that all business establishments are hereby requested to reduce advertising and outdoor lighting to a minimum

Be it finally resolved that this resolution take effect immediately on its passage Nov. 25, 1974.

EUGENE LAMBERT,
Mayor - City Of Loudon

Redskins Capture AA Football Crown; Fund Drive Underway For Bowl Trip

Skins Win 9-6 Thriller

Next stop for the State Champion Loudon Redskins Football team will be either the Orange, Sugar or Gator Bowl. Although they will not be on the battle field they will be in the stands as a reward from the community for their undefeated season and AA Championship.

The trip to Lebanon for the AA Championship between Loudon and Hartsville, won by the Redskins 9-6, was quite a community event.

Another eight chartered buses, not including the band and football team, converged on Lebanon along with a couple hundred carloads of Redskins fans. In all about 1500 Loudon rooters attended. Their ranks were swelled by folks from all over East Tennessee who came to see the contest and pull for the Big Red.

One couple in a Lebanon Restaurant, who was traveling in the Eastern United States, said they read about the game in Virginia and decided to come and see it. They were from Oklahoma. One busload of Lenoir City folks failed to make the game. The Calvary Baptist Church bus, carrying about 50 fans broke down in Cookeville. Two other buses from Lenoir City did make it.

The Loudon fans were in a festive mood on the trip and before the game they crowded restaurants in Lebanon. At the Hamilton Bank Redskin Headquarters at a Lebanon Motel more than 200 fans dropped in for snacks and refreshments before the game.

The game itself was quite a tussle, as Sports Editor Danny Gibson describes on later pages. Most everyone from Loudon including the players and coaches expected Loudon to win. They did, but not before the scrappy 25 member Hartsville squad gave them all they wanted. Both teams were very tight and seemed unable to get untracked. The defense of the Redskins was outstanding stopping several threatening drives by the Yellow Jackets.

VICTORY CELEBRATION—Fans and Redskin players pour onto Lebanon High School field after the Loudon Redskins defeated Hartsville 9-6 for the State AA Football Championship. About 1500 Redskin fans made the trip to

Lebanon, just East of Nashville, to see their team capture the AA crown for the second time.

The game itself was quite a

Following the game several hundred fans were waiting at Shoney's in Lebanon to cheer for the new champions.

The drive to raise money to send the Redskins to a college bowl game started last Thursday with Doug Lyle heading the effort. Thus far \$2200 has been pledged and at

least that much more will be needed. Lyle said it will probably cost from \$85 to \$100

a player to pay for the trip, depending on which bowl tickets and transportation can

be arranged for. He asked that businesses sponsor one player for the trip as they did for the

1969 Championship team that went to the Gator Bowl. Inside this issue are three full pages of pictures on the game and related fan activity, plus every detail of the game.

Article Points To Exxon Move To Oak Ridge Site

An article Sunday in the Knoxville News-Sentinel written by Willard Yarbrough concerning bright economic factors in the Oak Ridge area, despite widespread gloom in other areas, made prominent mention that Oak Ridge might be selected as the site of the Exxon Nuclear Recycling and Refueling Center, previously announced for Matlock Bend near Loudon.

representatives came here. In 1973 Exxon showed even more interest. Exxon representatives are here now, drilling for foundation base on some 2500 acres near Bear Creek Road and Highway 95 not from the Clinch River. Drillers have been here for more than a month.

While Bruce and other officials declined to confirm mounting reports about Exxon findings in Loudon County one knowledgeable official cited a major drawback which he said had surfaced at Matlock Bend.

"Exxon Nuclear knew before it took land options at Matlock Bend that an earth fault existed—but exploration there has detected a second fault spinning off the major fault. On a horizontal subterranean view, it would make the center of the Loudon site resemble the outline of a deep bowl," he said.

The significance is, according to the source, that the Exxon plant would be astride an unstable crack in the earth and pose hazards. AEC safeguards, the source added, likely would rule out the Loudon County site for the recycling plant.

Beer Taken In Raid At Loudon

County officers led by Chief Deputy Lake Bright raided the residence of Mrs. Edith Hicks, Main Street, Loudon, about 8 a.m. Saturday and confiscated about 10 cases of beer.

Mrs. Hicks and three other persons at the residence at the time were charged with possession of intoxicating beverages for resale. Bonds for each was set at \$250 with preliminary hearings in General Sessions Court Friday.

Beer in cases were found in the upstairs living room of the house and in a refrigerator in the basement kitchen.

Participating in the raid with Bright were Deputies Lucian Kent, Larry Proaps and Voyd Carruth. Chief Deputy Bright said that a number of complaints concerning the illegal sale of beer and other beverages at the Hicks' residence led to the raid.

SATURDAY RAID—Loudon County Deputies are shown confiscating some of the 10 cases of beer taken from the home of Edith Hicks on Main Street in Loudon Saturday morning. Pictured are Lucian Kent, Voyd Carruth, Chief Deputy Lake Bright and Larry Proaps.

FIRST PLACE FLOAT—Christmas is For Everyone was the theme of the winning float in the Loudon Band Boosters' Christmas Parade in Loudon Thursday night. The float was entered by the Health Occupation Class. About 4000 persons braved the cold night to see the parade.

River Pirates Take \$2300 In Merchandise From Greer's

Some \$2300 in merchandise was stolen from Greer's Service Center Warehouse over the past weekend. City Police Chief John Lennox said that the thieves used a boat to haul away loot from the warehouse which is a short

distance from the bank of the Tennessee River. The thieves entered the building by taking a piece of siding off a truss between the lower and upper roofs of the building. They then unlocked a shop door on the back of the building.

Tracks outside the building showed that at least two persons were involved. They carried the merchandise across the warehouse lot, down a steep embankment to a boat. Chief Lennox said the thieves either had a large boat

or made several trips with the merchandise. Taken were four Magnavox component stereo sets, one console stereo, two 12 inch portable black and white television sets, two 19 inch television sets, one 25 inch color television, one 12 inch color television, one tape recorder, two portable radios, one bean bag and a 22 caliber pistol.

Assisting the City Police in the investigation is Leon Miller, FBI agent.

State Threatens To Withhold School Funds

State approval of the Loudon County School System is threatened if the County Court does not approve a bond issue for the construction of school additions at Greenback and Loudon Junior High.

This word was given by County Superintendent Edward Headlee last Thursday night at the county school board meeting. Headlee reported to the Board that the County Court had deferred action of the proposed \$1.8 million building program until next July when the new budget would be approved.

Superintendent Headlee said that the day following the court action the State Department of Education contacted him and said that if the county court had not authorized a bond issue for the projects, the state possibly would withhold its approval of the system for the 1975-76 school year which would mean the loss of state funds. State money makes up more than 60 percent of the county school budget.

There are two primary reasons for the state action. The addition at Greenback would allow for the closing of Glendale School which has been condemned for several years. The state had said this would be the last year that the Glendale School could be used, but Headlee thought if the program at Greenback was underway by September of next year the county would be

allowed to continue until the project could be completed. The other reason is that three fifth grade classes of Loudon Junior High are housed in the old Loudon High School, which is a violation of the state laws. The law says any school must have a principal, when to effect the principal of the Junior High is several blocks away from the building that houses the fifth grade classes.

Headlee said both the Glendale and Loudon Junior High fifth grade matters are being seriously frowned on by the state. Headlee said he talked the State out of sending a formal letter of notification on the matter hoping that the county court would act. The deadline set by the state was the January meeting of county court.

Electrical bills of all county schools are going to be monitored by the Superintendent to make sure that all schools are taking measures to reduce their consumption of electric power.

Headlee said that most of the guidelines suggested for schools are already in effect for the county and the others are being implemented as quickly as practical. Some of the state regulations, which were adopted by the board, are reducing heating to 68 degrees in classrooms, 60 degrees in physical education and ac-

tivity areas, 20 percent reduction of extra curricular activity, no holiday athletic events, and the suspension of all non-school related uses of the school buildings.

In addition the School Board approved two extra Christmas holidays. School had been scheduled to resume on January 2, a Thursday. It was decided that instead of heating the buildings for the Thursday and Friday, then having a weekend of cool down and re-heating, that considerable power could be saved by having the second semester start on Monday, January 6.

Approval of taking bids for a fire escape for one upstairs wing of the Loudon Elementary School was given. Headlee explained that six classrooms in the building are cutoff without an outside exit and a fire in the inside stairwell could leave the students in the wing trapped without any exit.

Betty Rhyne of Greenback was hired as a Title I teacher for Glendale and Valerie Rogers was hired as an aide in the Reading Program.

Vo-ed Site Meeting Set

A special meeting of County Court will be held at 7 p.m. Monday to discuss the site selection for the County Vocational Educational School.

Last Saturday a delegation of court members visited the six proposed sites to help in their selection. A meeting to discuss the sites will be held at 10 a.m. Saturday at the Lenoir City Utility Building. County Judge Bill Russell said that four of the court members went as a group to visit the sites Saturday in the rain, and others went in- individually.

Recently the court held up soon an earlier authorization to purchase a 22 acre site from Quintus Mills at Lenoir City

Loudon May Reconsider Energy Cuts

Loudon City Commission will have an adjourned meeting in the next week or so to discuss possible changes in its emergency energy conservation plan. The city earlier adopted its energy measures on cutting about 40 percent of the cities street lights following advice from the Tennessee Valley Authority and actions of other

cities such as Chattanooga. During the past week, where strict measures were implemented on lighting, business hours and advertising lights was passed, has charged TVA with deceit and mismanagement. It was pointed out that most other cities in the area have taken no steps to conserve

energy and that the problems stated by TVA may be lessening or improving. Loudon Utilities manager said in some areas where street lights were cut out it has been condemned for several years. The state had said this would be the last year that the Glendale School could be used, but Headlee thought if the program at Greenback was underway by September of next year the county would be

burn more electricity than one street light. The Commission approved the hiring of an engineering firm to make cost estimates on implementing the Street Improvement Program for the city recently completed by the State Planning Commission. The city is considering issuing a bond issue (Continued On Page 14)

DECEMBER 12 1974

Loudon County Herald For and about Women Scarborough-Lindsey Vows Pledged

Miss Brenda Scarborough of Lenoir City and Arthur Lee Lindsey of Loudon were united in marriage on Friday, November 29 at 7 p.m. at the home of the bride's aunt, Mrs. C.R. Isham in Lenoir City. Rev. Arthur Lindsey, father of the groom, performed the double ring ceremony before an arch accented with greenery and baskets of yellow mums.

Parents of the bride are Mr. and Mrs. Ray H. Scarborough of Lenoir City. The groom's parents are Rev. and Mrs. Arthur Lindsey of Loudon.

The bride, given in marriage by her father, wore a floor length gown of white polyester with lace sleeves. Her shoulder length veil was held by a crown of seed pearls. She carried a bouquet of yellow roses.

Mrs. Linda Trego of Lenoir City, sister of the bride, was Matron of Honor. Best Man was Freddy Lindsey, brother of the groom.

Following the ceremony, a reception was given by the bride's parents. Those assisting were Mrs. Janette and Kaye Lindsey and Mrs. Patsy Arden, sister of the groom.

After a wedding trip to Gatlinburg, the couple are making their home in Lenoir City.

Both the bride and groom are employed by Maremont Corporation in Loudon.

Mile Of Dimes Meeting Set For Sunday

Loudon Mile of Dimes Chairman Jack Lefter said this week that some 55 families will be provided Christmas food baskets and toys through the joint efforts of the Mile of Dimes and VFW Post 316 toy projects.

The Mile of Dimes directors will have their final meeting to screen applicants Sunday at 2 p.m. Anyone knowing of a family that needs assistance for Christmas should contact Lefter, J.E. Greenway, Clarence Morris or a Loudon area minister.

The baskets will be delivered on Christmas Eve. Persons wishing to donate a toy to the VFW toy project could take a new toy or a good used toy to the Post headquarters on Highland Avenue or call and they will be picked up.

Lefter said that due to inflation and the limitations of funds the number of families helped is being curtailed but that coordination with churches and other agencies which give Christmas baskets to avoid duplications should help insure that all persons needing help will receive at least one Christmas basket.

The Tribe Speaks

LOUDON HIGH SCHOOL JOURNALISM CLASS
by Patricia Blankenship Dentee Gatta

The 1974 Christmas Parade was sponsored by the Loudon High School Boosters. The parade was seen by an extremely large crowd and was a great success.

Many clubs and organizations from our high school were involved. The LHS Cheerleaders rode atop the police escort at the beginning of the parade. The LHS Band came afterwards and played the Christmas music. They lined up in front of the courthouse after marching down Ward Ave. There they played until the Queen was announced. The Band was closely followed by the candidates for Christmas Queen. These girls were chosen by the Band from three girls nominated by each class. They were Rita Deford, A. Freshman escorted by Terry Brown; Jeanine Purdy, a Sophomore escorted by Ricky McJankins; Janet Keaton, a Junior escorted by Dickey Colvin; and Margie Kelso escorted by Joe Mike Hodge. The girl that received the most votes won the title announced at the end of the parade. Miss Jeanine Purdy was proclaimed Queen.

The 1974-75 LHS Homecoming Queen was also in the parade. Miss Margie Branum was escorted by Mark Harper.

At the end of the parade several students rode horses that belong to the Piney Ridge Riders Club. Horses against Muscular Dystrophy, Carole Tinch, Vanessa Woody, Larry Russell, and Tim Bingham rode their horses. Many floats came from the high school. VICA, health occupations won first place. Their theme was "Christmas is for Everyone." All members were on board along with Mrs. Hall and Mrs. Shopp. They portrayed Christmas with the elderly and ill.

The National Honor Society was sponsored by VFW. Their theme was "Christmas with Peanuts." On board the float were "Snuppy," "Woodstock," "Charlie Brown" played by Kim

Burnette, "Linus" played by Jody Kirklund, "Peppermint Patty" played by Sheila Murray, "Lucy" played by Jennie Harrison, "Sherlock" played by Doug Kineaid.

The Band float was sponsored by Loudon Utilities. Their theme was "Merry Christmas." It consisted of 3 different scenes of Christmas. Christmas dinner was first. The decorated tree was second. And the festive fire was last.

The Prayer Group was sponsored by The Ten Jewelers. Their theme was "From God to You." The float portrayed the Nativity Scene gift-wrapped under a Christmas. "Mary" was played by Dianne Moore and "Joseph" was played by David Fallock.

All in all the parade was a great success. Congratulations and thanks is given to all involved.

The Cheerleaders presented several skits on Friday to raise money for the bus to the ballgame.

The Seniors had another movie Friday. It was "Three Stooges in Orbit."

The Juniors are selling candles, calendars, plaques, and place mats to raise money for the prom.

Congratulations to the New AA State football champions! You've done a great job team!

In getting ready for Christmas remember a fresh tree will stay green longer and be less of a fire hazard than a dry tree. To check for freshness, remember:

- A fresh tree is green.
- Needles are hard to pull from branches.
- When bent between your fingers, fresh needles do not break.
- The trunk but of a fresh tree is sticky with resin.
- When the trunk of a tree is bounced on the ground, a shower of falling needles shows that tree is too dry.
- Do not rely only on chemical coatings or sprays to flameproof your tree.
- Place tree carefully, away from fireplaces, radiators, other heat sources. See that it is out of the way of traffic and doesn't block doorways.
- Cut off about 2 inches of the trunk. Mount tree in a sturdy, water-holding stand with wide-spread legs. Fasten large trees to walls or ceiling with thin guy wires. They'll be nearly invisible. Fill base holder with water. Keep it full of water while tree is indoors (as you would fresh flowers). Remember, heated rooms dry trees out rapidly, creating fire hazards.
- Indoors or outside, use only lights that have been tested for safety. Identify these by the "UL" label from Underwriters' Laboratories.
- Check each set of lights, new or old, for broken or cracked sockets, frayed or bare wires, loose connections. Discard damaged sets or repair them before using.
- Check labels of outdoor lights to see that lights are weatherproof. Don't use indoor lights outside and vice-versa. Fasten outdoor lights securely to trees, house walls, or other firm support to protect from wind damage.
- Use no more than three sets of lights per single extension cord. Turn off all lights on trees and other decorations when you go to bed or leave the house. Lights could short and start a fire.
- Never use electric lights on a metallic tree. Although safe when used according to manufacturers' directions, metallic trees can become charged with electricity from faulty lights. Then any person touching a branch could be electrocuted! To avoid this danger, use colored spotlights above or beside a tree, never fastened onto it!
- Keep "bubbling" lights away from children. Such lights are hazardous because their bright colors and bubbling movement can tempt curious children to break candle-shaped glass, which can cut, and attempt to drink liquid, which contains a hazardous chemical.

Personal Mention

MRS. ERNIE LUNSFOOT
Phone 458-2681

William Henry Robertson arrived Monday from Salt Lake City, Utah, for a visit with his mother, Mrs. Margaret Robertson.

Mrs. Tom Matlock returned to her home Monday after undergoing surgery at Fort Sanders Hospital.

Wolfenbarger-Simpson Engagement Told

Mr. and Mrs. R. M. Wolfenbarger, Route 1, Lenoir City, announce the engagement of their daughter, Rebecca to William Simpson, son of Tom Simpson, Route 2, Loudon and Mrs. Betty Simpson, Main Street, Loudon.

Miss Wolfenbarger is a student at Roane State Community College.

Mr. Simpson is employed with Chattanooga Boiler and Tank.

The couple will pledge vows on December 21 at 2 p.m. at Bethel Presbyterian Church in Kingston. No invitations are being sent. All friends and relatives of the couple are invited to attend.

Greenback Community News

By Mrs. S. B. McCollum
Phone 866-3017 Greenback

The annual Community award luncheon at the University of Tennessee was well attended. Binfield was first place winner and Greenback won second. Among those attending were Mr. and Mrs. Sam Fortner; Mr. and Mrs. Richard Woods Sr.; Mr. and Mrs. Lloyd Hunt; Mr. and Mrs. Tony Sowers; Miss Gussie McSpadden and Mrs. M.G. McTeer.

The Greenback Community Empty Stocking Committee met Sunday afternoon with Mrs. Glenn McTeer at her home here, and planned food and fruit baskets to be distributed at Christmas.

Curtis Yates is Chairman of the committee. Mr. and Mrs. Don Linginfelter represented Pine Grove Presbyterian Church; Chuck Ray-Niles of Ferry Baptist; Dallas Ryan-Greenback Baptist-Ruby Spangler-Morganon Baptist-Charlie Queener-Meadow Methodist-Mr. and Mrs. Sam Fortner-Oakland Methodist-O.E. Emert-Williamson Methodist; Curtis Yates Greenback Presbyterian; Mrs. McTeer is secretary and treasurer of the committee. Mr. and Mrs. Fred Pippis; Mr. and Mrs. Frank Hill and Mrs. M.G. McTeer attended the annual Loudon County Livestock association Banquet held Friday night in the Loudon High School cafeteria.

The annual Community Club Christmas party was held Thursday evening in the lovely home of Mr. and Mrs. Sam Fortner. After the covered dish dinner, the members heard Mr. Branson of Knoxville lecture on the Holy Land as he showed slide pictures. Officers elected for

the coming year are president, Mr. Robert Barnes; vice-president, Mr. Lloyd Hunt; sec-treasurer, Mrs. Tony Sowers. More than 50 persons enjoyed the hospitality of the Fortners.

Mr. and Mrs. Andrew Robinson of Washington, D.C., have been guests the past week of Mr. and Mrs. Robert Barnes and family.

Mr. Gene Tarwater and grandson Mike went to Gallinburg the last of the week and accompanied Mrs. Tarwater home from a several days stay at the Tarwater cabin.

Mrs. John Robert Tarwater is reported in a stable condition in Vanderbilt Hospital where she has been seriously ill the past weeks. Mr. Tarwater spends much time at her bedside.

Bill Hall of Albany, Ga., son of the late Mr. and Mrs. Bowman Hall, visited Friday with his aunt, Miss Emma Hall.

Mrs. Paul Hatfield of Middleboro, Ky. spent Saturday with her parents, Mr. and Mrs. Joe Wear and aunt, Miss Maude Peterson. Mr. and Mrs. W.D. Self visited Sunday with their son Stephen in Pikeville.

Messrs. Elbert and Farrell Pippis were visitors in Atlanta the first of the week.

Mrs. Charlie Thompson is improving from illness at the home of her daughter Mrs. Elbert Pippis and Mr. Pippis. Among those who attended the Loudon County live stock association banquet in Loudon Friday evening were Mr. and Mrs. J.G. Hudson; Mr. and Mrs. Theodore Garner, Mr.

Cozart-Stegall Vows Are Slated

Miss Thelma Darlene Cozart and Eric Andre Stegall will pledge nuptial vows on Wednesday, January 1 at 4 p.m. at Riverview Baptist Church.

The bride-to-be is the daughter of Hugh Cozart and

and Mrs. Harley Myers, Mr. and Mrs. R.C. Woods. Mrs. Lucille Best, Miss Hazel Alexander, Mr. Roy Brooks Sr. and Mrs. Harley Myers attended the Christmas party and installation of officers of the Loudon County Republican Women held in Lenoir City Thursday. Mrs. Best was installed vice-president of the group.

Mr. and Mrs. Harley Myers, Mr. and Mrs. Theodore Garner visited Sunday with Mr. Laben Myers and family in Townsend.

Mr. Ben Anderson and sister Mrs. Eugene Airheart of Scottsboro, Ala. who have been with their mother, Mrs. J.B. Anderson and Mr. and Mrs. G.M. Wear in Maryville were guests Sunday of Mr. and Mrs. R.A. Anderson and Mr. and Mrs. S.B. McCollum.

Mr. and Mrs. Laeey Reese (Joy Adams) of Nashville are on a combined business and pleasure trip to San Francisco and Los Angeles, California. Mrs. Nola Elam and Miss Gussie McSpadden were in Knoxville Sunday afternoon and attended the First Annual

Christmas Concert in the University of Tennessee Music Hall. Five vocal groups of the school combined to give the rich and impressive musical. Mrs. Elam's granddaughter Miss Claudia Peck is a member of the group.

Mr. and Mrs. Sam McCollum Jr. of Maryville; Misses Cindy and Becky

Reid Eric Webb was five years old November 28. He is the son of Mr. and Mrs. Michael S. Webb of Philadelphia. Grandparents are Mr. and Mrs. Stanley Davis of Philadelphia and Mr. and Mrs. Gene Webb of Athens.

Randall Brookshire celebrated his sixth birthday on December 8. He is the son of Mr. and Mrs. Harold Brookshire of Loudon. Grandparents are Mr. and Mrs. Earl Brookshire of Loudon and Mr. and Mrs. Carl Davis of Knoxville.

Becky Kelley celebrated her fifth birthday on December 11. She is the daughter of Mr. and Mrs. Richard Kelley, Route 1, Loudon. Grandparents are Mr. and Mrs. John Shaw of Loudon and Mrs. Beattie Patrick of Lenoir City.

Robert Mark Wade will celebrate his third birthday December 27. He is the son of Mr. and Mrs. Nick Wade of Athens. Grandparents are Mr. and Mrs. Ola Wade of Athens. Mr. and Mrs. Reese Aikens of Loudon and Bill Godsey of Knoxville.

THE KICK THAT DID IT—Herald cameras captured Kenny Skinner's winning field goal from both sides of the field. At the time Skinner booted the 25 yarder the game was tied and the kick provided the 9-6 deciding margin.

The firms in Loudon speak for the entire county for their AA State Football Championship, the win of an undefeated 12-0 season.

The people of Loudon County have always been proud of the efforts by the team, coaches, students and year.

Your efforts have brought much recognition to us. We all congratulate you . . .

THE LOUDON HIGH REDSKIN FOOTBALL TEAM

REDSKINS TAKE THE FIELD—Led by the cheerleaders a very fired up Loudon Redskin team takes Lebanon High School field where they defeated Hartsville 9-6 for the State AA Championship.

REDSKIN CHAMPS—After their 9-6 AA Championship win the Loudon dressing room was a crowded and happy place.

AT SHONEY'S—Several Redskin players admire their AA Championship trophy while they wait to eat at Lebanon's Shoney's Restaurant after the game.

DEATHRIDGE PLOWS—John Deathridge, hobbled by a hip injury, puts his head into a Hartsville player to get an extra yard in the championship game Friday.

FINDS ROOM—Redskin back Marlon Brown finds room for a good gain in the tough Hartsville defense.

COACH INTERVIEWED—As coach Bert Ratledge is interviewed, Redskin manager John Ridenour wipes the finger prints off the championship trophy.

THE TROPHY—Coach Bert Ratledge watches as Captain Sam Lyle brings the championship trophy off the bus when the team stopped to eat in Lebanon after the game.

TOUGH GOING—Top game ground gainer Rick Melton gets pressure from defenders in the late going of the championship game won by Loudon.

As Herald Cameras Show

Championship Game Was A Community Affair

REDSKIN FANS WERE THERE—They came by bus, car and truck did the Redskin fans for the Championship game at Lebanon Friday night. About 1500 Loudon fans were there, some of which are shown in Section E-3.

AT HEADQUARTERS—Hamilton Bank President Don Canter (leather jacket) talks with a group of fans at the bank sponsored headquarters at a Lebanon motel before the game Friday night.

WAITING FOR THE TEAM—The Loudon Pep club waits with their sign for the Redskins to take the field for the Championship game with Hartsville at Lebanon Friday night.

APPLAUD CHAMPS—A group of Loudon fans applaud the Redskins outside a Lebanon restaurant after they had defeated Hartsville 9-6 for the AA Championship Friday night.

CONCERNED COACH—Loudon assistant coach Jim Gibson looks concerned (rightly so) during the Loudon-Hartsville championship game.

PEP CLUB ON WAY—Members of the LHS pep club are ready to load one of two pep buses that took students to the championship game at Lebanon.

FENCE RIDERS—Several hundred Redskin fans could not sit down at the game at Lebanon and they watched tensely from the sidelines.

GETS GAME BALL—Rev. Jack Ferguson, chaplain of the Redskin team, looks on during the action. The team gave Ferguson the game ball after the team had defeated Hartsville 9-6 for the state championship.

LEAVING FOR LEBANON—One of three chartered buses which left from Loudon Friday is shown loading fans for the trip.

TENSE MOMENT—At a time when things looked bad for the Redskins cheerleaders Libby Varner, Kathy Estes, Teresa Everett and Jamie Purdy could not hold back the tears.

THEY HAVE IT—Loudon cheerleaders Kathy Estes and Teresa Everett show relief as the Redskins come through in a crucial situation in the championship game.

LOADING UP—Another busload of Loudon students gets ready to load a school bus for the trip to Lebanon for the AA Championship.

HARTSVILLE FOLKS—Hartsville's Yellow Jackets had their fans at the game too, as is shown in this shot of their stands.

ON FAN BUS—These fans look happy before they leave for the championship game at Lebanon.

GETTING READY—Fans who stopped at the Hamilton Bank's Redskin Headquarters are shown getting ready to leave for the game.

ABANDONED SIGNS—The signs along the Hartsville side of the field were abandoned in the wake of the Redskin victory over the Trousdale county team.

MEAL TIME—Some of the Loudon fans who went to Lebanon by bus are shown in a restaurant before the game.

Loudon Redskins Sock-It To Hartsville

9-6 For State A A Football Championship

THE MAN WITH THE MAGIC TOE—Loudon tackle Kenny Skinner kicked the winning field goal of 26 yards as Loudon won the Class AA State Football Championship over Hartsville 9-6.

by Danny Gibson
On the 84th play of last Friday night's double-A Tennessee State Football Championship battle between Loudon and Trousdale County the game was decided. With

4:12 left in the third quarter and the Loudon Redskins locked in a rugged defensive stalwart of 64, the Redskins were faced with a fourth down and goal at the nine yard line of Hartsville. Kenny Skinner,

a hard playing 200 pound 5-10 senior tackle, stepped from the trenches to boom a 26 yard field goal and give Loudon the 1974 AA State Football Championship 9-6. Some 2000 Loudon fans and boosters roared their approval.

Skinner had a first quarter field goal effort of 41 yards to hit the cross bar and bounce back. The win gave Loudon a 12-0 season record and Coach Bert

Ratlidge his second AA state title in five seasons and second unbeaten untied team of his 18 year coaching reign at Loudon. Loudon had won the 1969 state AA honor, the first year of TSSAA classification.

Even though Skinner closed a brilliant senior season with a reminiscence that will be "kicked" around by Loudon Redskins fans for many seasons yet to follow, and certainly not to be forgotten by him, the game had a full cast of stick out individuals. Junior BUMPER Webster, not recognized for blinding speed, appeared from nowhere to over take a speeding Hartsville ball carrier on the opening kickoff at the Loudon 17. The play covered 70 yards and appeared destined for pail duty as the Yellow Jacket streaked across midfield and into Loudon territory. Yet Webster hauled him down and the Loudon defense took over stopping Hartsville on downs at the 11.

Sam Lyle, Mike Yates, Donnie Thearp, and Kenny Skinner were intemperate head hunters throughout the game. Dickie Colvin, Marlon Brown, and Johnny Deatridge plugged the gaps and Jeff McQueen, Greg Deatridge, Rick Melton, and Raymond Watkins blanketed the secondary.

In all it was a strong showing for the defense, much the format of the spectacular season and the offense provided the necessary points that decked the Yellow Jackets for only the second time in 40 games dating back over one state championship campaign, and two runners-up appearances in the past three seasons.

Following Loudon's early defense stand the Redskins offense went to work with Rick Melton serving as the team's workhorse. The speedy junior

Hartsville was contained on offense but a 15 yard clip on a punt return had Loudon back to the 16. Sam Lyle closed out his high school punting career in typical form, lifting Loudon out of a hole with a 51 yard punt to the Hartsville 26 as the fourth quarter got under way.

Hartsville kept the ball for its longest possession starting the fourth quarter. The Yellow Jackets rolled up four straight first downs on 13 offensive snaps from center. After reaching the Loudon 44 the Big Red defense led by Lyle, Thearp, Skinner and Yates pushed the Yellow Jackets back to the 23 as Loudon took over on downs.

Quarterback Dennis Queen collected 31 yards on a couple of gutsy jukes and Loudon was at midfield. Hartsville managed to come up with a fumble recovery with 4:30 left in the game.

From the Hartsville 41 the Yellow Jackets tried the air and senior safety Raymond Watkins was ready, intercepting at the Loudon 36.

A 15 yard personal foul and Marlon Brown's 33 yard gallop had Loudon knocking on the touchdown door with just 2:25 left to play. A fumble gave Hartsville the ball back at their own nine. Loudon's defense "gained" two yards in four plays and the Loudon offense exhausted the clock by camping joyously at the Yellow Jacket seven yard line. THE BIG RED WERE 1974 STATE CHAMPS OF AA FOOTBALL.

Rick Melton was Loudon's workhorse of the game carrying the ball 17 times for 61 yards. Johnny Deatridge carried the ball eight times, all in the first half, for 56 yards. Marlon Brown added 36 yards on six tries.

Dennis Queen kept the ball for 15 efforts and 57 yards. Defensively Loudon was led by Mike Yates with 12 stops. Jon Deatridge had 10 tackles, Donnie Thearp 12, and Sam Lyle, Marlon Brown, Kenny Skinner were credited for 11. John Deatridge had 10 tackles, Donnie Thearp 12, and Sam Lyle, Marlon Brown, Kenny Skinner were credited for 11.

Jeff McQueen and Raymond Watkins not expected to be top tacklers in the Loudon defensive secondary had seven tackles for individual season marks.

DISPLAY TROPHIES—The Loudon Redskins football seniors are all smiles as they display the three trophies they won in burning a path to the Class AA State Football Championship. Pictured from left to right: Ronnie Roberts, Donnie Thearp, Kenny Skinner, Dennis Queen,

Sam Lyle, Mike Yates, Johnny Deatridge, Buddy Sweeney, Rick Tucker, Bill Joe Spradley, Dennis Rowe, David Kincaid, and Jeff McQueen. Coach Bert Ratledge and Jim Gibson are kneeling in front.

Speaking of Sports

By DANNY GIBSON Sports Editor

Loudon's thrilling 9-6 double-A Tennessee State Football Championship triumph over Hartsville was certainly the icing to the great grid season for the Redskins. The Redskins, a bit bruised and battered from earlier playoff competition with McMinn Central and Knoxville Rule possibly took away the effectiveness of the some time awesome Loudon offense, which seem to click best in the last five or six games of the season. Yet Loudon played just well enough to win, another trait of this Loudon football team.

The defense was stingy when it had to be. Hartsville with big aggressive linemen doing a comparable job of blocking out the Loudon pursuit got its best surge in the early goings of the fourth quarter. The Yellow Jackets used a halfback reverse to the left for four big first downs. But as the Hartsville team closed within scoring range of the goal line they went to the well once too often and their pet play was demolished by Sam Lyle, Donnie Thearp, Mike Yates and Kenny Skinner. This up front four on defense will be missed I'm afraid next fall. Spring practice should prove interesting dog fights for such slickout defensive vacancies.

Kenny Skinner's winning field goal was most deserving to a young man who had sacrificed much to be one of the top Loudon linemen to wear the Big Red uniform. A journeyman as a junior, the 200 pound, 5-10 tackle was pure business when Loudon handed out pads back in the spring and into August workouts.

Loudon Coach Bert Ratledge says Kenny is his most improved player and a pleasant surprise. Skinner's senior season is a model to be followed and worked for by younger reserves who shared the enthusiasm of a championship campaign. Hitting the points that won the game could have been no finer reward for a job well done.

We look for Jeff Nichols to blossom into the steady lineman Mike Yates has been. Yates will sign with Vanderbilt this weekend. The 6-3 senior was seldom denied a tackle or block this year.

Yates, Skinner, Donnie Thearp, who played extremely well in the playoff games, and Sam Lyle, punter extraordinaire, are all college prospects capable of receiving scholarships.

Loudon Grid Coaches To Go Before Governor

Loudon Redskins Coaches A and AAA Championship Bert Ratledge and Jim Gibson

will be guests of Governor meet with Governor Dunn in Winfield Dunn in Nashville his office Thursday at 11 a.m.

Thursday. The coaches along with their counterparts on the Coach Ratledge said he only knew that he was called

Booster Club Seeks \$3000 For Bowl Trip

The Loudon Booster Club for Loudon Athletics met this past Thursday night with club President Don Gagley announcing the club officials.

Jim Curtis has been named vice president, and Gearldene Estes secretary and treasurer of the booster organization. Club membership cards are on sale currently for students and adults. Membership fees are one dollar for students and three dollars for adults.

The Athletic Club has already scheduled a "B" team basketball tournament for area high school teams to be played in February. A girls' softball tournament and a swimming meet has been two other activities planned for spring and summer.

A decision to raise a sum of \$3000 for the Loudon football team AA STATE CHAMPIONS, to attend a college bowl game. Funds are already coming in with the club lacking close to \$1000 in raising the money.

The Loudon team has listed bowl choices as 1. Orange Bowl, 2. Sugar Bowl, 3. Gator Bowl, and 4. Peach Bowl. Loudon Coach Bert Ratledge said he was just tickled the town would want to do such a nice and rewarding thing for the young men of his team.

The Loudon Booster Club will meet again this Thursday night in reference to making a decision as to which bowl Loudon shall attend and how the in color play back of the Loudon-Hartsville state title game played last Friday night. The meeting is set for 6:30 at the Loudon Cafeteria.

The Loudon Athletic Booster Club also has named an official board of directors to govern the club policies. They are Charlie Windie, Buster Custard, Jim Caldwell, Jonnie Lether, Mildred Miller, and Charlie Helms.

Tuesday and the Governor had requested the coaches to be in Nashville for a visit with the Governor and for a presentation, but he did not know what the presentation was.

TOUCHDOWN LOUDON—Loudon's Marlon Brown takes a 12 yard pass for a second quarter touchdown from quarterback Dennis Queen as Loudon bounced on top of Hartsville 6-0 last Friday night.

Greenback Triumphs Over Lions

The Greenback Cherokeees were almost generous Tuesday night in winning their first game of the season in both boys and girls basketball.

Harrison Chilhowee failed to put the correct uniform numbers in their score book and thus reported the wrong numbers to Greenback's official score keeper. Seven numbers were wrong and would have been seven technical foul shots and the ball had the Cherokee score keeper not felt big hearted and permitted the change with out announcing the error.

Nevertheless the Cherokeees rode the 31 point shooting of sophomore forward Roddy Kizer to a 59-42 rout of the Lions. Kizer hit 15 of 23 field goal attempts and scored 19 of Greenback's 33 second half points.

Harold Hawkins and Kyle Shepherd were the seat best scorers for the Cherokeees with nine and seven points respectively. Kizer and Shepherd had 17 rebounds each in the battle of the boards.

(Continued On Page 11)

KIZER BAGS 31—Greenback's Roddy Kizer drives for a basket in the first half of action against Harrison Chilhowee Tuesday night. The brilliant sophomore had 31 points in the game.

DECEMBER 12 1974

Thearp, Brown Deal Alcoa 46-42 Hoop Upset

The Loudon Redskin basketball season may have just "now" arrived. The Redskins with six football players in varsity uniforms for the first time, got 25 points

sticking man-to-man defense in hobbling the twice beaten Tornadoes. The visitors hit on 19 of 30 shots for 33 percent. Marlon Brown was the standout defensive player in the game limiting the Tornadoes All District performer Chuck Ogle to a mere two points.

Alcoa, the defending District Eight Champ, led at halftime 24-22. Loudon came back with Thearp tying the game at the 1:34 mark of the third quarter 34-34 and Teddy Bivens gained home the bucket that gave Loudon the lead to stay in the last eight seconds of the third canto.

Loudon had a 10 point edge built up in the fourth quarter only to let Alcoa cut the gap to four at the end.

The Loudon girls made the night a sweep with a easy 57-35 victory.

The Lady Redskins hit 18 of 30 shots for 37 percent and had all three starters in double figures.

from rangy Donnie Thearp and 13 more from Teddy Bivens Tuesday night in handing a highly touted Alcoa five a 46-42 upset.

The win was Loudon's first over over an Alcoa boys team.

The Redskins hit a sparkling 20 of 47 shots for 40 percent. Donnie Thearp hit 11 of 17 from the field and grabbed 10 rebounds.

Alcoa was completely taken by storm as Loudon used a

stick

stick

THEARP MAKES QUICK CHANGE—Loudon football defensive stalwart Donnie Thearp made a quick change to the offensive setting of the basketball court Tuesday night to direct a 46-42 upset of defending District Eight Champion Alcoa. Thearp had 25 points and 10 rebounds in the game.

Speaking Of Sports

(Continued from Page 9)

Both quarterback Dennis Queen and fullback Johnny Deathridge are considered college material in the backfield.

Deathridge has already committed himself to Tennessee Tech. East Tennessee State is understood to be seeking Queen's talents.

Queen who sometimes had to weather criticism for Loudon's offensive break downs, did a masterful job when you consider the high risk offense he had to engineer. The different characteristics of his stable of running backs required in taking a hand off or pitchout. Knoxville Rule patrons remarked Dennis was the best they had seen in two seasons of competition of which they have made the state playoffs both times.

Given the time Queen was a pin point passer and his running ability was an asset to the Loudon offense as proven in the Hartsville game when he had sizable gains taking up the slack left by injured Johnny Deathridge in the second half.

Deathridge's locomotive bursts and teeth jarring tackles will not be forgotten for a while. The easy going Deathridge was no doubt the hub of the team and his attitude was too much for a player of his youth. Johnny's ball carrying efforts from the one to the length of the field often times leaving others score was never and has never been mentioned by the dedicated fullback and defensive linebacker. "Winning" was Deathridge's pleasure and a block or tackle was just as important as his times crossing the goal line. This being the reason his teammates honored him as a team captain this past year.

Compared to the play of Alcoa's former great Albert Davis, Deathridge has the drive to be a fine college player. Hence when Ole 43 suits up you can trust there is a 100 percent ball player and 110 percent effort stepping onto the field.

This Loudon team was an exceptional group. They learned to be a family, with everyone contributing. I have never seen a team that had to have a fumble, pass interception, touchdown or some unknown go against them before they could unveil their playing potential. But once untracked they gave every customer his moneys worth and often times a few cents extra.

The crowd appeal was evident, Loudon and Loudon County football fans followed them all the way. The 1700 to 2000 people who showed up at Lebanon must have been awfully pleasing and rewarding for the Redskin team to find when they came on the field. Certainly Coach Ralledge and Coach Gibson were most appreciative. Thus making the statement: "They just could not let such backing down at this point in the season and that victory was a must."

I truly believe had Loudon lost that the emotional shock on the team would have been felt more than the feeling of carrying the title of State Champs, by some. This team had learned to expect victory with ample work. They knew their limitations as players but felt their capabilities as a team was of a champion. Loudon may have been a little too tight for Friday night's game, as they did not want to make a critical error that would cost them their season objective.

The Redskins, ranked third in the Associated Press final season AA High School football poll, may well be their correct position even though they upended Hartsville. Our final observation would have to be definitely rate Loudon a third place finish:

1. Oklahoma
2. Alabama
3. LOUDON

Greenback Triumphs 58-42

(Continued From Page 9)

Greenback hit 25 of 78 shots while Harrison Chilhowee hit 14 field goals out of 58 attempts.

The Greenback girls won their game 44-33 as Chita Tipton scored seven fourth quarter points to insure the win. Pam Neely a smooth playing freshman led all scorers for Greenback with 18, hitting nine of 12 shots.

Miss Tipton added 13 for her play.

Debbie Childs with eight rebounds and seven blocked shots sparked the defense. Kathy Long also had eight rebounds.

Harrison Chilhowee cut the score to a single point in the second half only to fade away

as Tipton found the range.

LC Romps By Rhea County

The Lenoir City basketball team won a twinbill from host Rhea Central last Friday night.

The Lenoir City sextet raced to a early 10 point lead and were never headed the rest of the game.

Patty Cook blistered the nets for 31 points and Pam Smith chimed in with 14 to carry the work load for the Panthers.

Lenoir City hit 27 of 55 team shots for a warm 49 percent. The Rhea County girls hit just 12 field goals for 33 percent. The Lenoir City boys ran their season mark to 64 with a second half whirl-wind finish that netted a 58-32 win. The Panthers were ahead only 25-21 at halftime, but limited the Rhea County five just 11 points

and three field goals in the second half in coasting to the win.

Senior Eddie Billingsley paced the Panther offense with 14 points.

Howard Casick came off the bench in the final quarter to add 10 points and round out the Lenoir City scoring.

The Panthers hit 26 of 58

shots in the game for 45 percent. Rhea County hit a cool 14 for 53 for 27 percent accuracy. LC out rebounded their opponent 35 to 20.

Basketball Schedule Heavy

The hoop season is getting under a full head of steam in Loudon County, but the Christmas Holiday break is fast approaching.

Lenoir City will play Maryville Everett Friday night and

Huffman on Saturday night at Loudon this week. The Redskins will hit the road next week traveling to Sweetwater on Tuesday night and to McMinn Central on Thursday, December 19, before taking off for Christmas.

Lenoir City is at home Friday night against Oliver Springs and then travels to LaFollette on Thursday to conclude their play in 1974.

Greenback hosts Walland this Friday night. The Cherokee then travel to Lanier to halt play for the Christmas vacation on Tuesday night.

CLIPS YELLOW JACKET WINGS—Loudon defensive back Jeff McQueen makes an ankle tackle of this elusive Hartsville running back to spoil a large gain by the Trousdale County football team. Loudon gets help from Donnie Thearp (81) and Sam Lyle (86).

Hiwassee Collects Third Rotary Title

The Hiwassee College Tigers won their third straight Lenoir City Rotary Basketball Classic Championship Saturday night by handing Knoxville College a Junior Varsity a stunning 112-99 loss.

Paul Webb, tournament's most valuable player, hit for 18 points to lead all scorers. Hiwassee had defeated Walters State Community College on Friday night, 103-96 to advance to the finals.

Roane State finished third in the four team tourney with a 102-92 win over Walters State.

WIN LENOIR CITY CLASSIC—Hiwassee College won their third straight Lenoir City Rotary Basketball Tournament Saturday night by stopping Knoxville College's JV team. Pictured for the Tigers are front left to right: manager Eddie McKee, Stanley Perkins, Paul Webb, Hay Grant, Leroy Higgins, David Mason, Paul Henley, and

manager Tim Badgett. Back row left to right: Assistant Coach Jim Cheek, James Harrison, Danny Williams, Randy Boring, Mike Messamore, Roy Aderhold, Tim Cunningham, Reginald Gaskins, Ellie Liles, Yancy Hampton, and head coach Donnie Jenkins.

Clinton Uses Third Quarter Rally To Down Panthers

CASICK FIRES—Lenoir City's Ronnie Casick unloads a 15 footer in the Panther's 63-53 loss to Clinton Tuesday night.

The Clinton Dragons ended Lenoir City's home floor domination in basketball this season Tuesday night by handing the Panthers a 63-53

defeat. The loss, only Lenoir City's third in nine games, resulted in a third quarter lapse. The Clinton five, behind 29-23 at half time, ripped to a 44-38 third quarter margin. The Panthers were out scored 21-10 in the eight minute third canno and could never recover.

Three Panthers hit for double figures with Ronnie Casick giving it all he had in the second half as LC attempted rally after rally. Casick had 14 points with a frazzled Littleton, returning after a back injury had sidelined him in a Friday night contest, scored 12

Eddie Billingsley, in foul trouble most of the way had 10.

Lenoir City and Clinton each hit 25 field goals in the game with the visitors making good on 13 of 24 foul shots as compared to Lenoir City's three of five.

Lenoir City shot 58 times while Clinton got off 62 attempts.

The Lenoir City girls won the preliminary without any contest, 69-29.

City, Board Iron Out Park Deal

The long standing debate, understanding or misunderstanding between the City of Loudon and County Board of Education concerning the land on which the new City of Loudon Swimming Pool and Park was built and the backlotting of the parking lots and driveways at Loudon High School was discussed at length between the Board and City Administrator Gary Hensley last week.

The School Board was under the impression that they "gave" the city the acre site next to Loudon High School in exchange for a promise to backlot the high school area.

City Administrator Hensley said that the paving of the parking lot had nothing to do with the building of the park, that it was two separate issues.

Hensley said the City actually paid the county \$10,000 for the land, and later the county court forgave a note balance of \$8,000 plus interest, in exchange for the city placing large drain tiles in a ditch between the school and park, and filling in the area.

Food Taken From Browder Cafeteria

Sometime Friday night thieves entered the Browder School cafeteria and made off with a quantity of food items. County Deputy Voyd Caruth said that entry to the cafeteria was disguised by breaking into a window.

Valley Farm Production At \$1.5 Billion

Farmers in the Tennessee Valley region sold about \$1.5 billion worth of farm products last year, and the economic effect was multiplied several times as farmers bought supplies at local stores throughout the region, according to Dr. Gerald G. Williams, TVA director of agricultural development.

adequate food in the years ahead." America's farm efficiency has stimulated rapid advances in agricultural production since the mid-1960's, Williams said. During this period of rising production, America's farm products have had a competitive advantage in the world market in the absence of artificial barriers such as tariffs and subsidies, and the result has been rising export sales.

"Exports have accounted for about one-fifth of U.S. cash farm sales since the mid-1960's." Williams said exports of agricultural commodities have exceeded imports in recent years, and the gap is widening. "Exports of farm products in fiscal 1974 reached \$21.3 billion, while imports were \$9.5 billion. This leaves a positive agricultural trade balance of \$11.8 billion," he said.

"Increased farm efficiency has permitted the recent increases in farm production," Williams said. In the past decade livestock production per farm work hour has risen 65 percent, crop production 55 percent, and the average yield per acre 18 percent. "Twenty years ago nearly 9 million farm workers produced enough food for a U.S. population of 150 million. Now half as many farm workers produce enough for a population of 210 million plus export sales."

Agriculture also creates millions of farm-related jobs throughout the country, Williams said. "These include jobs to process and market the farmer's products, and to produce the feed, seed, fertilizer, tractors, and other things he must buy. Jobs are needed in the steel and other primary industries just to provide the farmer with the supplies he needs and the consumer products he wants."

He said the offer had been standing for five or six years. He stated several times that the city had entered into no obligation in the park land deal for the school paving.

Hensley said he and the Superintendent of Schools Albert Dukes worked up the land purchase and the city gave the county a contract for \$18,000 for the land purchase which is what the county paid for the land when it was bought as a part of the high school tract.

Board member Ted Wampler said, it was never the intention of the board to have the city pay for the land, but the \$18,000 figure was used to value the property to allow the city to receive additional matching federal grants.

"The first I knew of the city paying for the land is when Mayor Gene Lambert told me about it on the phone last week," Wampler said.

City To Reconsider Energy Measures

(Continued From Page 1)

to finance construction of the entire program which lists 17 major street improvement projects in the city. It is expected the projects will cost from \$500,000 to \$700,000.

City Attorney Arthur Fowler said that efforts to get the contractor who built the city swimming pool to correct a major water leak in the pool had failed and he had notified the firm that if the problems were not corrected by January 1 that the city would file a damage suit.

An ordinance to rezone a section of property between Keene Street and IMCO Sign

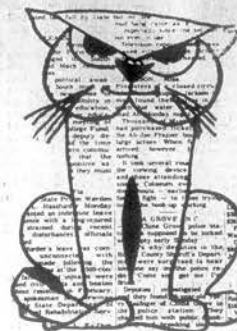

Company along the West side of Mulberry Street from residential to professional was approved on second reading.

Although no Christmas decorations will be placed on city streets the Commission did approve the erection and lighting of the city Christmas Tree in the Fountain square.

Two public hearings for rezoning were approved and ordinances on the questions approved on first reading. They include rezoning a section of property on each side of Grove Street from Fort Loudon Motel to Slicker Street from residential to commercial; and rezoning of the Care Inn nursing home property to residential.

TVA Power Rates Increase In January

Higher costs of operating TVA's electric power system will require higher rates beginning with January power bills, the agency's Board of Directors determined today. Rates to home consumers will rise an average of 13 percent as a result of the adjustment approved last week.

The TVA Board's quarterly review of power system finances showed that increased revenues will be necessary to cover a continuing rise in power system costs and to meet financial requirements under the TVA Act for the current fiscal year, which ends June 30. This action was taken under the rate adjustment clause in TVA power contracts.

Despite the rise in electric rates this year in the Tennessee Valley, increases here have been well below the national trend. Currently the average residential rate in the TVA area is about 43 percent below the rapidly rising national average.

The monthly home electric bill for 1,000 kilowatt-hours now ranges from \$17.1 to \$18.08 under the various rate schedules used by TVA power distributors. This will increase by about \$2.40 under the adjustment approved today. Increases in winter power bills for electrically heated homes will be proportionately larger because of their much higher levels of power use—about \$9.60 on a bill covering use of 4,000 kilowatt-hours, for example. Actual bills depend on the amount used in each home.

The increase per kilowatt-hour will be similar for other customers, so the effective percentage increase will range from about 6 percent for home consumers using small amounts of electricity to as much as 23 percent for the largest industrial users. TVA wholesale revenues will increase by an estimated 17 percent. A fuel cost adjustment ef-

fective on TVA power bills beginning in August now reflects increases or decreases each month in the actual cost of fuel used at TVA power plants. However, that adjustment has not reflected the additional cost of power TVA is buying from other electric systems to help reduce coal consumption in its own plants, and this cost has been substantial. These purchases have saved enough coal for TVA that without them, coal stockpiles at its power plants already would have dropped so low that mandatory power curtailments would have been necessary.

Part of today's action by the TVA Board is approval of a provision for the monthly power charges to reflect increases or decreases in the cost of purchased power as well as changes in fuel cost. This will account for part of the estimated 12 percent average increase on home electric bills. However, this

approach will avoid locking this unusual and temporary cost into overall power rates, so that when TVA is able to reduce these power purchases, that reduction will automatically be reflected in monthly power bills.

Meanwhile there have been steady increases in TVA costs for interest payments, labor, depreciation, and other power system expenses aside from fuel. The rate action today includes a general adjustment on TVA power rates, effective on meter readings taken in

January, to cover these costs. On Thursday, December 19, TVA will hold its quarterly series of rate information meetings for the public. They will be held in Jackson, Nashville, and Knoxville, Tennessee; Tupelo, Mississippi; Paducah, Kentucky; and Muscle Shoals, Alabama. These meetings will provide detailed information on TVA power system costs and rates and will give the public an opportunity for comment and discussion.

VIEW FROM THE HILL

by Edward Headies
Loudon County School Superintendent

Office Hours

The superintendent's office will be open from 8 to 5 on Monday through Friday during the remainder of 1974 and through February, 1975.

Due to the energy shortage the office will not be open on Saturday during the winter months.

Southern Association
The Tennessee Committee of the Southern Association of Colleges and Schools has approved the selection of Dr. Carl Murphy of the University of Tennessee as coordinator of the evaluation of Loudon High School for membership in the association. He plans to visit the school early in January to begin the self-study phase of the evaluation. We are all eagerly looking forward to this experience.

Congratulations
Hardest congratulations to the Loudon High Redskins who have returned the State AA football championship to Loudon County. We all share in the pride which the county has in these young men and their dedicated coaches.

Christmas Vacation
Due to the energy situation the Loudon County Board of Education has extended the Christmas vacation period. It will begin on Thursday,

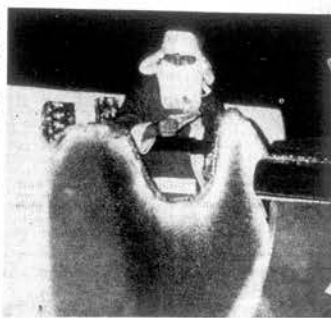

SECOND PLACE FLOAT—The Loudon City Girl Scouts (Family Christmas) float with house and picket fence won second place in the Loudon Parade. The float was sponsored by Sheffield Southern Steel of Loudon City.

THIRD PLACE FLOAT—The Loudon City Future Farmers float sponsored by the Bank of Loudon County, depicting the shepherds in the field and an angel took third place in the Loudon Christmas Parade.

December 19 at 1 p.m. and extend until Monday, January 6. We hope that students, teachers, and all school personnel have a safe, happy, and joyful holiday season.

STAR OF THE SNOW—Santa in a bright red sleigh was the hit of the Loudon Christmas Parade Thursday night. The parade sponsored by the Loudon Band Boosters Club drew about 4,000 persons.

In C-N Honors Program

Miss Roberta Kaye Brooks, daughter of Mr. and Mrs. Clyde H. Brooks, of Loudon, is a participant in the Carson-Newman Freshman College Honors Program at Jefferson City.

Each spring, prior to the beginning of the new academic school year, outstanding students are invited to participate in the College Honors Program. Designed

for those students showing superior ability, the C-N Honors Council bases its decision for selection upon the student's high school academic achievement, aptitude and achievement scores, and letters of recommendation from various high school officials.

Once admitted to C-N and the Honors Program, the participants take one special interdisciplinary course during each of their first five semesters at Carson-Newman. Students who decide to continue in the program will plan an honors project which is to be completed by the spring of the student's senior year. This will qualify the student as a Presidential Scholar.

Other facets of the program include an annual retreat held early in the fall semester at Gatlinburg, and five or six discussions of books on the honors reading list which are led by faculty members and held in the faculty member's home.

Lenoir City Board Sends Principal To Dallas Meeting
 The principal of Lenoir City High School, Mr. Ed J. Osborne, was in Dallas the first part of the week attending the annual meeting of the Southern Association of Colleges and Schools. Mr. Osborne was the official representative of the Board and was sent by the Board to receive the official notification of admittance of Lenoir City High School into membership of the Southern Association of Colleges and Schools.
 The membership voted on admitting new schools on Wednesday and Lenoir City was one of the schools to win membership in the association. This action had been anticipated since the State Committee voted on November 18 to recommend Lenoir City High for Southern Association membership.
 The 26 Largest City School Systems in U.S.

The pupil per teacher ratio in the 26 largest cities of the United States ranged from a low of 18 in Boston to a high of 26.3 in Detroit. The expenditure per pupil ranged from a low of \$722 in San Antonio to a high of \$2246 in New York. The average for the United States was \$1,111.

The twenty largest school systems across the nation, the total enrollment, and the amount spent per pupil is as follows:

City	Enrollment	Per Pupil Cost
New York	1,066,234	2246
Los Angeles	612,628	1137
Chicago	539,365	1567
Philadelphia	367,902	1701
Detroit	362,826	1290
Houston	216,589	781
Baltimore	182,733	1106
Phoenix	175,185	1077
Dallas	148,005	968
Cleveland	138,454	1244
Washington	136,036	1523
San Diego	123,688	1000
Milwaukee	123,422	1012
Memphis	119,999	1001
St. Louis	99,065	1125
New Orleans	96,825	1070
Boston	92,841	1265
Indianapolis	92,420	917
San Francisco	76,688	1507
San Antonio	70,472	722

(The above figures are based on the 1973-74 school year.)
 Incidentally, Memphis has dropped from the tenth largest city school system to number 14.

VEGA '75

Vega is an economy car and a half. It's a sporty little car that's comfortable and fun to drive, and shouldn't cost you a lot to own or to operate. It makes more sense than ever. Vega takes economy seriously. And a true economy car should help save you money from the time you buy through the time you sell. Consider Vega's three economies.

Number one: Vega is one of the lowest priced cars made in America, as well as one of the best-selling cars.

Two, Vega's no-nonsense, lightweight engine is capable of taking you a long way on a gallon of gas.

Three, upkeep. Vega has its own version of Chevrolet's Efficiency Program designed to cut your maintenance expenses.

Vega, Economy plus, plus, plus.

But, Vega's more than just an economy car. With Vega you also get sportiness, roominess, modability, range, quality, variety, bucket seats and carpeting, plus a lot of other little niceties. Take a test drive. Our 1975 Vega truly is Economy Plus.

Letters To The Editor

Governor Asks Help In Energy Conservation

Mr. Larry G. Cate, Editor and Publisher, The Loudon County Herald, Post Office Box 276, Loudon, Tennessee 37744.

Dear Larry:

You are, of course, familiar with the electrical energy crisis which faces us this winter and of the critical need for broad-based voluntary compliance with the reduction in consumption which TVA says is necessary. If we are to avoid disastrous regulations or winter blackouts it is imperative that the general public understands the seriousness of this problem and cooperates fully to conserve power.

Only with your help can this job be done. I am writing to you today to urge you to do everything possible to help us make this voluntary program work. You are in a position to influence the people of your area, to inform and motivate them, and to recognize their positive efforts.

If possible, I would suggest that you assign a member of your news or editorial staff to concentrate on this program, developing period features, editorial comment, stories, pictures, examples of compliance and non-compliance, etc. This is going to be a big story for the next few months

and there will be many angles to develop in every community across Tennessee. Please give this problem your very best effort and help Tennessee to avoid the calamity that will result if this voluntary program does not work.

If you need background material or anything else which we can supply, please contact the energy office with your request. They will be delighted to assist you. Their telephone number is 415-741-1772.

Thank you for your help.

Sincerely,
Winfield Dumas
Governor

Former Coach Lauds Redskins, Ratledge

Mr. Larry Cate, editor, Loudon County Herald, Loudon, TN.

Dear Sir:

It certainly is wonderful that at a town the size of Loudon can experience the euphoria associated with an undefeated State Championship Football team. It is an event that involves the team, coaches, school, school system and community in a unified effort trying to achieve a common goal. A situation which does not exist often enough, in the opinion of this writer.

Everyone who had even a small part in the success of the 1974 Loudon Redskins is to be congratulated. But compliment the players and coaches should be congratulated. Winning a State Championship requires skill, hard work, dedication and some luck as no one could deny that all existed on the team. Winning the State championship also requires loyal fan support which no one could deny that existed. Having been directly associated with Loudon football as a fan, player and coach, this writer feels as qualified as no one in saying that the Loudon fans are as loyal as any. Being a fan now just like all the rest, however, it is disturbing to people both in the stands and in the community to be critical of a team or any of its constituents when the team wins 12 ballgames, 10 with reasonable ease. It is unfortunate that sometimes loyalty puts blinders on logic and that many times football is played by two fine evenly matched teams. When that happens, let's not make excuses because we did not win 37-0.

Writer Asks Why TVA In Crisis

Loudon County Herald, Loudon, TN.

Dear Editor:

My name is Joe Brannon and I am writing you this letter because there are numerous things puzzling me about the TVA. I understand these big dams only run their generators part-time and most of the time only a few hours a day or in a 24 hour period. I also understand they alternate between the dams and steam plants.

What I would like answered if anyone will take the time to answer to the public is why can't the TVA practically eliminate the big coal eating plants and turn on more dam generators to produce power in place of the steam plants thus cutting coal burning to a bare minimum because we have plenty of water. Why not use our natural resources instead of paying through the nose for coal?

The dams were built primarily for the production of electricity first and flood control second. Now they claim the dams are primarily for flood control and are not using them for their primary intention, thus some generators are setting idle. If this is not true someone concerned had better explain differently because this is what the public believes, including me. I say turn the dams loose and cut down on steam plants.

Another thing, it seems the more we all try to save power, the higher TVA goes because they claim their revenue is dropping, thus they are jacking up prices to make up for the slump. I am as conservative as anyone but I don't believe in cutting my throat. Why should some do without just so some who are already rich get richer. I know I am only one fish in a barrel and I am only one citizen who would like answers for questions like these.

I would like some honest and straight forward person answer them. Times are so hard that people can't believe too much of what they hear and not much of what they see. Don't get me all wrong, power isn't the only big issue now but only one among many

County Sing At 6th Avenue

The Loudon County Singing Convention will meet at 7:45 p.m., Sunday, December 15 at the Sixth Avenue Church of God in Lenoir City. The annual business meeting will be held at this service with nomination and election of officers for 1975. Taylor Knox, president, invited everyone to attend.

Rain Increases

November rainfall averaged 4.2 inches across the Tennessee Valley, more than the normal 3.3 inches for November and over twice the 1.9 inches recorded in October, TVA reports.

The highest November total reported to TVA was 6.75 inches at Chapel Hill in middle Tennessee, and the lowest was 1.85 inches at Kentucky Dam in western Kentucky.

Greenback 2nd In Community Awards Program

Awards were presented in the 21st Annual East Tennessee Community Improvement Program on Saturday, Dec. 7 at a luncheon at the Ellington Plant Sciences Building, University of Tennessee Institute of Agriculture, Knoxville.

Some 20 counties were represented in the community improvement and roadside beautification program.

The featured speaker for the event was the Assistant Commissioner of the State Department of Economic and Community Development, Keith Kelley. The Doyle High School Madrigal Singers were also featured on the program.

Greenback Community placed second in the B Division which represents the larger communities. The Greenback program was

under the leadership of R. H. (Red) Barnes. Greenback has competed in this project for the past 31 years. They were awarded a check for \$200 for this project and a check for \$50 for their entry in the Roadside Improvement Contest.

Charles McCall, County Extension Leader, said "All of this isn't new to Greenback as they have been winning or have won about all of the 31 years that this contest has been going on. Their youth are to be commended and the Roadside Beautification cannot be overlooked. This is something that other Loudon County communities should stop and take a look at. We congratulate the citizens of Greenback as they continue to set an example of how people can be proud of where they live."

GREENBACK SCORES AGAIN—Earl Graham of the Central Community, representing KUB, is shown presenting Lloyd Hunt, Vice President of the Greenback Community Club a check for \$200 at the 21st East Tennessee Community Improvement Awards meeting in Knoxville.

MRS. FRANCES JONES, representing the Central Committee, is shown presenting Sam Faulkner of the Greenback Community an award for Greenback's entry in the Roadside Beautification Contest.

End Of Coal Strike Eases TVA Problem

The end to the United Mine Workers strike has helped TVA past the first hurdle in its coal supply problems, but prospects for the coming winter are still serious, Chairman A.J. Wagner said today.

"It is still essential for all of us to continue holding down all uses of electricity in any way we can, since stockpiles were already declining before the strike began," Wagner said.

In recent days the coal stockpile total has been dropping by about 50,000 tons a day, with coal receipts less than one-third of normal because of the strike and with cold weather and heavy electric heating demands requiring increased generation at coal-burning plants. Since the strike began, the total has dropped by nearly a million tons, and is now at 3,900,000 tons of recoverable coal.

"If the miners are back at work by Monday, it appears likely that coal deliveries will improve enough in the next

couple of weeks to slow our stockpile decline before it reaches the 3 million ton level."

"However, stockpiles will continue to shrink through the winter unless we can gain enough through voluntary curtailment of power use and improved coal deliveries to hold the line."

In its contingency plan for adopting mandatory cutbacks when necessary to avoid more severe power shortages, TVA has designated a stockpile level of 3 million tons as the point at which it would impose power curtailments of 30 percent if required by the coal supply outlook at that time.

TVA has asked the Atomic Energy Commission to extend through the end of December its 60 percent reduction in the use of TVA power at uranium enrichment installations at Oak Ridge and Paducah. This curtailment by AEC began in early November, and TVA hopes to resume supplying AEC's needs as quickly as possible, Wagner said.

ASCS Offers Burley Growers Assistance

Loudon County burley tobacco producers are reminded that the County ASCS Office at Loudon is providing a special information service to farmers wishing to transfer their quotas and farmers wishing to lease quotas by lease.

Commenting on the service, Fred Phipps, Chairman of the County Agricultural Stabilization and Conservation (ASC) Committee, said that in a sense the office is an information center. Separate bulletin board space for posting information furnished by farmers to transfer to or away from their burley poundage quotas is provided. He said the information provides the name, farm number, address and telephone number of the farmer with the pounds of quota available or the pounds of tobacco quota needed.

According to Phipps, all information is kept up-to-date. Producers names are removed as transactions are

completed and new names are added as they are obtained.

This service is a convenience and time-saver for producers—it enables them to make contact and complete lease arrangements in the shortest possible time. County office employees are not involved in arrangements relating to price negotiations or handling of funds.

In regard to transferring burley tobacco quotas, Phipps pointed out that quota rights can be leased and transferred from one farm to another within county until the time the burley tobacco clears the sale at the warehouse and no later than Feb. 15, 1975.

He stressed that leasing agreements must be approved and poundage quotas officially transferred from one marketing card to another at the local ASCS office or the market town ASCS office before sale. Never is tobacco produced on one farm sold on the marketing card for another farm, Chairman Phipps concluded.

Rash Of Breakins Hit County, Sheriff Says Lock Doors, Windows

Several breakins have been investigated by deputies at the Sheriff's Department during the first week of December.

In commenting on the usual rash of breakins in December Sheriff Guy Russell said that homeowners could help ward off many breakins by locking their doors and windows, including garage doors, when away from home.

He said that breakins occur more often in the month of

December and that Christmas gifts are often the target.

Thieves entered Lee Heights Grocery sometime Sunday night after a small window and screen was cut to open the front door. Taken was about \$75 in money and nine cases of beer and cigarettes valued at \$87. Deputy Lucian Kent investigated.

Several guns, money and a opal ring was taken at the residence of Warren Rutledge

in Martel Estates on Dec. 4. The burglar went through an open garage door and picked a lock on a door to enter the house. Deputy Larry Prospa listed a 12 gauge shotgun, a 30 gauge shotgun, 22 rifle, 300 rifle, about \$35 in money, and a tiffany set opal ring as missing.

Some \$2500 in household items were taken from the residence of Rev. D.D. Miller in Twin Cove on Dec. 1 a report filed by Deputy Prospa

showed. Taken was a micro wave oven, stereo receiver, turn table, tape player, portable television, portable radio, base equalizer, and sleeping bag. All the items were engraved with Miller's social security number 413-84-6879. Entrance was made by breaking down a basement door and then a door leading to the upstairs living area of the home.

Wildlife Resource Commission Adopts License Structure

In its November 14th meeting the Tennessee Wildlife Resources Commission adopted the proposed license structure that had been drawn up by a task force specifically appointed for the purpose of examining the existing structure. This task force, appointed by Tennessee Wildlife Resources Agency Director, Harvey Bray, was composed of legislators, outdoor writers, key sportsmen and interested wildlife management professionals. This task force looked at the existing license structure with an eye toward simplifying it, providing additional revenue, and using it as a means of gathering data on the extent to which the wildlife resources of Tennessee are being utilized. Under the present system it is impossible for anyone to state the number of hunters in Tennessee. The new structure will identify not only the number of hunters, but the number hunting turkey, big game (deer, bear, boar), waterfowl, and small game. With this knowledge the Tennessee Wildlife Resources Agency can better determine where the pressure is being exerted on the wildlife and make better usage of its monies to manage those species.

Based on last year's license sales, the new structure will provide an additional \$1.5 million revenue. This money, which is necessary to operate as a progressive, forward moving agency in the currently inflated economy, will be spent on a variety of items.

These include the leasing of an additional 38,000 acres of land for public hunting, and an aggressive program of land acquisition to provide additional quail, rabbit, dove, project is scheduled for late next year, according to TVA officials.

raccoon, squirrel, deer, crow, and waterfowl) hunting (\$2 from each combination hunting and fishing license is being earmarked specifically for land acquisition and development). Access areas will be constructed on several East Tennessee reservoirs and streams and land will be purchased for future construction of additional access areas.

Roads and trails will be repaired-rebuilt and maintained on several East Tennessee Wildlife Management Areas.

Access will be built into remote trout streams. Fifty miles of public access roads and trails will be re-established on East Tennessee Management Areas.

A Habitat Research study will be implemented. Fifty acres of food plots will be planted on the Champion Fiber Area for small game. Fish rearing facilities will be expanded.

Habitat will be acquired to provide protection for endangered species of wildlife. One thousand eight hundred fish attractors (stake-beds) will be constructed and 2,000 ft. of shoreline fishing areas will be constructed.

New herds of deer and flocks of geese and turkeys will be established. Additional vehicles will be purchased for TWRA officers which will realize a long range savings of \$37,600. Presently officers are paid 12 cents-mile on their private vehicles while state-owned vehicles only cost 9 cents-mile to operate.

The items and programs listed above are by no means complete, they only reflect those areas that concern East Tennessee. Additionally, planning is currently underway within the Tennessee Wildlife Resources Agency to lay out the details of these programs.

TOPPING OF THE SECOND of two large stacks has been completed at the Kingston Steam Plant, where a \$65 million anti-pollution program is now underway. Installation of steel liner on the interior of the stacks is scheduled to begin in January.

2nd Chimney Is Topped Out

The second of two large smoke stacks has been "topped out" at 992 feet, completing the first phase of a \$65 million anti-pollution program currently underway at the Kingston Steam Plant. Work is expected to begin in January on construction of insulated steel liner, which is to be welded into place inside each stack by Chicago Hirsing and Iron Co., a subcontractor for the project.

Foundation work on the precipitator, an 80 by 80 foot metal chamber where particles will be separated from the smoke before it passes through the stacks, is also underway at present. J.A. Jones Construction Co. of Charlotte, N.C. is subcontractor for this segment of the project.

Concrete work on the two stacks has been handled by Custodis Construction Co. of Chicago. The two stacks, which now reach a height of 992 feet, will top the 1,000-foot mark when the steel liner is added.

Each stack contains some four thousand cubic yards of concrete. The bottom ring is 86 1/2 feet in diameter and 40 inches thick, while the top ring is 40 feet in diameter and ten inches thick.

The present stacks are 250 and 300 feet in height, however they will be used merely for standby purposes once the

entire project is completed. The two stacks will contain stairways running from top to bottom, to be built at the time the liner is installed. Much of the equipment will have to be hoisted down once the project is completed, and the cranes themselves will likely have to be disassembled and transported back to the ground. The precipitator is to contain rows of long metal plates, containing electrodes which can be energized to 40,000 volts. The ash which is attracted to the plates from the smoke will then fall into hoppers, to be transported away once the electric field is reversed. Completion of the entire

Small Appliances Can Lower Your Electric Bill

Small appliances, when performing the jobs they were designed for, use less electricity than a major appliance to do the same job.

A toaster toasts bread more economically than the oven. A toaster-oven cooks cakes, pies, muffins, potatoes, and other foods more economically than a range oven.

An electric frypan or buffet skillet fries, roasts, bakes, and steams more economically than a range.

Use your small appliances whenever possible and save electricity.

DECEMBER 12 1974

Exxon To Submit Proposal On Centrifuge Enrichment

Three organizations have notified the Atomic Energy Commission of their intent to submit proposals for the design and construction of demonstration facilities using gas centrifuge to enrich uranium for use as fuel in nuclear power plants.

These include the Garrett Corp., of Fairfield, N.J., the Exxon Nuclear Co., and the joint venture of Electro-Nucleonics with Atlantic Richfield Co. AEC spokesmen said the program has not reached the stage where sites for the demonstration facility would be discussed.

Meanwhile, TVA also announced that it is studying the centrifuge process but has no plans to submit a proposal to AEC at present.

An AEC spokesman said the Exxon centrifuge interest is not associated with Exxon's previous announcement that it might build a uranium recovery plant in Loudon County, where Exxon has leased options on 2,500 acres of land.

AEC issued a request for proposals for this demon-

stration centrifuge enriching facilities program last August 23, asking that proposals be submitted by April 1, 1975.

TVA General Manager Lynn Seeber said last week the TVA Board on June 13 approved the conduct of a study to determine the technical and economic feasibility of construction and operation of centrifuge.

TVA entered into a contract with Electro-Nucleonics Inc. of New Jersey and Burns and Roe Inc. in cooperation with Hercules Inc. to conduct the study of the new centrifuge technology.

"About half that study is finished. We have no plans for TVA launching out and building its own plant. That option is open to us, but we won't know for awhile," Seeber said.

Exxon ENI, and Atlantic Richfield are participating in the AEC program where qualified companies are given access to classified AEC technology on uranium enrichment in an effort to assist private industry to assume the responsibility of providing new enriching

capacity necessary to meet requirements beyond the capacity of existing government-owned enrichment plants.

ENI and the Garrett Corp. are currently under contract with AEC in connection with AEC's gas centrifuge development program.

The centrifuge program contemplates a cooperative arrangement between the utilities, which would purchase and use the enriching services produced in the demonstration plants, the proposed enricher, and the AEC that would result in the design, construction and operation of centrifuge enriching facilities, each with a capacity in the range of 100,000 to 300,000 separative units per year.

TVA said the need for enriched uranium will increase sharply in coming years to meet fuel

requirements for nuclear power plants, including plants planned for the TVA system.

Centrifuge enrichment offers the potential for helping to meet this need with one-tenth of the electric power supply required in the present gaseous diffusion process.

Uranium enrichment is an essential part of the nuclear fuel cycle for the currently available types of nuclear power reactors. TVA now has five nuclear power plants consisting of 13 units in various stages of planning, design and construction, representing a total generating capacity of 16 million kilowatts.

TVA is looking into the gas centrifuge process to help assure the nuclear energy situation will not "get into the bind like we are now in with coal."

Bryan Economist Sees Brighter Picture

Unemployment will continue to increase (probably over 7 percent by year's end), but both unemployment and the inflation will moderate by mid-1975, Dr. Robert P. Jenkins, Bryan College economist, predicted in addressing a training institute for State Employment Security personnel at Fall Creek Falls State Park.

But the dark cloud looming on the world horizon is that "700 million people, out of 900 million total population in 32 countries of Asia and Africa will probably starve slowly to death in the next year or so," Jenkins said. "World food supplies are very short, and economic and military disruptions could occur over food shortages."

The business and economics professor noted that it is hard to analyze the U.S. economy, "exhibiting all the undesirable effects of a boom along with signs of an imminent recession...the classic cure for inflation." The fight on inflation will probably be relaxed as efforts are made to bolster sagging employment by affirmative public action, including the loosening of tight money and the creation of more public service jobs, he said.

Vice-President Thomas B. Green of Nashville Third National Bank, sharing a

panel with Dr. Jenkins with Ronald G. Hammonree, Maryville, as moderator, said that Tennessee's energy potential is as great as that of any other area of the nation. He observed that energy and manpower have emerged as the vital concerns of industrialists seeking plant locations.

Green said that nuclear plants and other industries are bringing new jobs to the state and commended the Employment Security Department for providing reliable labor market information needed by industrial planners.

Earlier, State Employment Security Commissioner Ernest Griggs, greeting department personnel in the opening session of the two-day conference, expressed appreciation for the opportunity to work with people who are concerned about jobs for people and unemployment benefits for those who lose their jobs.

Dr. Theodore C. Mercer, president of Bryan College, which co-sponsored the institute, said that Employment Security people should work with educators by supplying labor market outlook information so that students will be trained for the jobs that will become available.

Army Engineers Extend Control Of Area Rivers

The control of the Nashville District of the U.S. Army Corps of Engineers has been extended to include several streams in this area.

Notice of the extension went to residents of seven states and gives the corps control over more tributaries to the Cumberland and Tennessee Rivers.

The additions amount to 2,100 miles of waterways and virtually doubles the 2,200 stream miles previously under the jurisdiction of the engineers. Purpose of the extension is to protect many smaller streams from misuse and pollution.

East Tennessee streams to be affected by the expansion of jurisdiction include the Hiwassee, Ocoee, Clinch, Emory, Obid, Powell, Little Tennessee, Tellico, Tuskegee, Little, Hobson, French Broad, Little Pigeon and Nolichucky rivers and their tributaries.

Under new regulations, first announced last April, the corps was given regulatory authority over "all waters which are presently or have been in the past or may be in the future susceptible for use in interstate or foreign commerce."

After announcement of the new guidelines, the Nashville District began a survey of streams in Tennessee, Kentucky, Virginia, North Carolina, Georgia, Alabama and Mississippi to determine primarily whether they had ever been used for commercial purposes.

This study is being continued, and more streams are expected to come under corps jurisdiction in the future.

"We are seeking to determine which streams are navigable by law, whether or not they are navigable in fact," explained J. H. Castleman chief of the permits division of the Nashville District.

"This would include small waterways, not now considered navigable but which may have been used in the past for such operations as floating shipments of logs.

"We hope it will put a stop to illegal construction along the streams and the depositing of refuse in the waterways," Castleman said.

"It is being done in an effort to preserve the protect the tributaries."

The corps previously exercised jurisdiction over two major rivers and their principal tributaries and the lack waters of impounded reservoirs according to Castleman, who said the expansion of corps authority will include control over all construction along the streams with the exception of bridges and causeways, and that permits must now be issued for the building of such structures as dikes and dams, large loading and unloading docks, private and commercial boat docks and retaining walls, as well as the use of riprap or other forms of bank protection.

Permits also will be required for water intakes and outfalls, channel modification, dredging or disposing of dredged material and for both aerial and submarine cable crossings.

The cost of the permits will range from \$10 to \$100.

TVA Warns Of Problems From Using Electric Heaters

With chilly weather beginning again, TVA and local electric systems are cautioning consumers to get information on portable electric heaters before adding them as supplemental home heat.

Last winter's fuel shortages brought a boom in electric heater sales, and that trend in turn brought serious problems in some areas of the Tennessee Valley. But these problems can be avoided, and TVA tells how in a folder called "The Portable Electric Space Heater."

One problem last winter occurred with the use of electric heaters in areas where hames normally use other forms of heat and electrical facilities are not designed to handle the extra

heating load. In some instances this caused protective devices to shut off overloaded transformers automatically, throwing several homes into darkness until repairs could be made.

A second danger that cropped up was the possibility of fire. The wiring in some older homes was not adequate to handle the increased load placed on it by the portable heaters, resulting in a few house fires. In most cases, however, the protective fuse or circuit breaker at the wiring entrance panel would simply trip off, warning the homeowner of an overload on that circuit. Trouble came if a homeowner tried to bypass the protective device in some way, which allowed wiring to overheat to the burning point.

The third difficulty with portable heaters last winter was much higher electric bills than the users may have expected. In older, loosely constructed and uninsulated homes, the heat produced by portable electric heaters can escape almost as rapidly as it is produced. Full insulation and proper weatherstripping can prevent this problem.

The new TVA portable heater pamphlet tells the consumer what to look for when buying a portable electric heater, how to use a portable heater, and how to avoid these three major problems: overheated wiring, very large utility bills, and transformer overloading. The folder is available from local electric systems or from the TVA, Information Office, Knoxville, Tennessee.

Knoxville Nativity Pageant Scheduled

The sixth annual Knoxville Nativity Pageant will be presented Dec. 15 at 3 p.m. and Dec. 16 and 17 at 7:30 p.m. at the Knoxville Civic Coliseum. Admission is free.

Director Gray Smith and Guest Director Robert Temple of the Townsend Fashion Plan, and Carl Perry, Choir Director, are working with a volunteer cast of 100 and a 112-voice choir.

Professional musicians of the Musicians Guild, along with guest pianist Vicki Hancock, a UT student, and Janice Hall, soloist, daughter of former Mayor Leonard Rogers, will furnish music.

"In this time of extreme

change and uncertainty, this one story remains the same—the great story of God's gift of Love," said Pageant Chairman Mrs. Don Miris.

"We hope more people will make it a part of their Christmas this year and plan to arrive early, because the pageant begins in total darkness," Mrs. Miris said.

The pageant is financed each year by contributions from interested individuals and groups. Thousands of Knoxville students, business men and housewives voluntarily complete the hundreds of tasks that make possible this celebration of Christ's birth.

Tullahoma Pastor Is Baptist Chairman

The fifteen-member board of the Tennessee Baptist Service Corporation, which was authorized by action of the Tennessee Baptist Convention at the 1974 annual session, met December 2, at the Executive Board Building of the Tennessee Baptist Convention in Brentwood, to elect officers and organize the Board.

Elected Chairman of the Board of Directors was Rev. Tom Macdon, pastor of the First Baptist Church, Tullahoma; Vice Chairman, Rev. Ralph McIntyre, pastor, Brainerd Baptist Church, Chattanooga; and Secretary, Rev. Virgil Peters, pastor of the First Baptist Church, Franklin.

The Board of Directors named Gene Kerr, assistant to the executive secretary-treasurer of the Executive Board of the Tennessee Baptist Convention, executive director for the Tennessee Baptist Service Corporation.

Kerr has been on the staff of the Convention for twenty years. He came to the convention as business manager in 1954. In 1956, he became assistant administrator in charge of promotion. In 1964,

he was promoted to assistant to the executive secretary-treasurer.

Before coming to the Tennessee Baptist Convention, Kerr was with the Aluminum Company of America from 1937 to 1964 where he worked in the Chemical Lab, Cost Office, was the Treasurer of the Federal Credit Union and Officer Service Supervisor.

Madden, McIntyre and Peters are each serving a three year term on the board.

The program of the Tennessee Baptist Service Corporation was presented to the Tennessee Baptist Convention at the annual session November 12-14, 1974. The unanimous approval by the messengers to the convention established a new ministry which includes services and facilities for the aging.

For several years, Tennessee Baptist have been concerned about a ministry to the aging. It was during the 1972 Convention that the Executive Board was requested to work out the establishment of a program of ministries to the aging.

Let Us Revive The Exquisite BEAUTY Of Your Rugs And Carpets

VON SCHRADER Method

DRY FOAMING: HARMLESS TO FINEST RUGS

The soft nylon brush we use is made of the same gentle bristles as your hair brush. It is harmless to the finest rug and carpet. Our method has been thoroughly tested and proven safe on all types of home and commercial buildings.

ORIGINAL SIZING PRESERVED

Hand and other machine methods hurt the sizing; leave rugs limp and wrinkly. So be sure your rugs are cleaned by the VON SCHRADER METHOD which is non-injurious to the sizing.

WE DRY-FOAM ANY TYPE, ANY SIZE

Loose or wall-to-wall; synthetic, wool, cotton or the finest Oriental, all respond beautifully to Dry-Foaming.

BACK IN THE GOOD OLD DAYS

A town or community is noted for its buildings, places and people who have made the local scene for so many years that they become a deeprooted part of things just being around in their daily living and work activities or service which they perform. Our town has many places and people who fit into this niche of everyday living and seem to be as much a part of our town as the name itself.

We were reminded of this by a picture given to us the other day. The picture is of a man well known in Loudon and was taken when he was a small lad. The picture is of Boss Wallace whom I would say is very well known to those who have lived around Loudon for the past several years. Boss Wallace, now retired from the City of Loudon, was always an outgoing person who loved to make friends and loved to talk to people. Whether they be kids of adults, he always took the time to be friendly.

For many years he drove a Loudon City truck and he was one of the oldest Loudon firemen when he retired. Boss possibly knows more of the background of Loudon's early fire department than anyone living. If you want to hear some interesting stories about the Loudon Fire Department years, just ask Boss. He can give you the straight facts.

The other interesting thing about this picture is the location where it was made. Few people, who have lived in Loudon since the '30's have forgotten the old railroad trestle which crossed Steeple Creek. It was a real high old trestle and the play area for many Loudon boys during this period of time. The track that Boss is sitting on is on the old railway trestle. As best we can tell many of our boys of this period of time have gotten many whippings for playing on the trestle. We are glad Boss loaned us this old picture. It brought back a lot of memories to us as we are sure it has to many of our Good Old

Days group. Looks like a dog Boss is holding, but, if it is, it is a strange looking one. Could be a doll, Oh well.

Our other picture this week is of a Loudon High School group possibly at the Senior banquet. We are not sure what year this was made but we think it was in the '40's. Now that doesn't make the group too old. Don't want to hurt anyone's feelings. It looks like a group of boys from the club, with decorations that it was a festive occasion.

Those we can identify in the picture are as follows (not in any order): Danny Bates, Tom Delaney, Alice Joe Hudson, and Mildred Markwood. The others we are not sure of so if you can identify them, give us a call.

We are always glad to have pictures of this type for the Good Old Days. The way we obtained this picture was by Evelyn Duncan, looking through some old pictures of her grandmother's, Mrs. Emma Ross, and she suggested she let us use it. Our thanks to Evelyn for her kind efforts.

Well, that's it for now. See you next week.

32 Percent County Are Single

For Loudon County's young people, getting married is no longer the "must" that it was once considered. Times have changed.

Little T Meeting Set

The Association for the Preservation of the Little Tennessee River will meet on Saturday, December 14, at 6 p.m. at the Sweetwater Valley Bank in Vossore.

After a covered dish supper, the program will feature a discussion of new litigation against TVA's Tellico Dam Project.

Not that the state of wedlock is not flourishing locally. It is. The great majority of marriageables in the area are married. Mostly because they want to be.

It appears, rather, that the reality today is that not all men and women want to marry, according to a University of Michigan study. For a variety of reasons, many choose to remain single.

"Most of all," it states, "we must begin to view singleness as a legitimate alternative to marriage, rather than as a failure to comply with the expectations of society."

In Loudon County, as in most other parts of the country, the proportion of single people is greater now than it was a generation ago.

The latest Department of Commerce figures for the local area show that 28.1 percent of the male population and 36.7 percent of the female, over the age of 14, are not married. Together, the average is 32.9 percent.

By way of comparison, the average nationally is 25.5 percent and, in the State of Tennessee, 34.9 percent.

What is it that brings people to the altar? The American Medical Association gives forth with its views on that subject.

It states that there are several motivations. It may be (1) love, (2) money, (3) convenience, or (4) some combination of those three.

It refers those persons whose primary interest is money to the Internal Revenue Service, which has figures on an estimated 347,000 men and 368,000 women with net worth of \$100,000 or more and who are unmarried.

"Play your cards right and one of them could be yours to have, to hold and to inherit from," says the AMA.

The drawback is that their names and addresses are not being handed out by the IRS.

To most such people it is suggested that the prospective suitor frequent such places as private golf clubs, exclusive resorts, swanky yacht clubs and the like.

Should all such efforts fail, give thought to marrying for love instead of for money, it advises.

Thanks For Your Support

Many individuals and merchants gave financial support and other assistance to us for the Loudon Band Booster Christmas Parade last Thursday. We wish to thank all those who helped, those who entered floats and other entries, and to the thousands who came.

Ceremony At 3:15 ...

Governor To Open I-75 Here Friday

The final link of Interstate 75 from Lenoir City to Athens will be opened officially Friday by Governor Winfield Dunn. Special ceremonies are scheduled in Loudon County at 3:15 p.m. Friday with Governor Dunn, Highway Commissioner Bob Smith, State Representative Benny Stafford and others taking part.

Representative Stafford said the ceremony in Loudon County will take place at the I-75 and State Highway 95 interchange where the highway is presently blocked for construction.

A similar ceremony will be held in Athens later Friday. Traffic will be allowed to travel southward to Highway 68 then sent back to highway 11 until the ceremony at Athens is concluded.

The ceremony is open to the public and Stafford said he hopes a large number of local residents will attend and join the first motorcade down the stretch of road. When Dunn campaigned for Governor five years ago he promised to complete I-75 in Loudon County during his term of office. He completes his four year term in January.

Stafford said the Loudon High band will perform at the ceremony where Governor Dunn with assistance from Loudon County Junior Miss Pam Smith will cut the ribbon officially opening the highway.

All four lanes of the highway will be open, except for a 1.2 mile section which is centered by the twin span bridge over the Tennessee River. Here cross overs have been constructed and only two lanes will be open. The southbound lanes of the bridge will be open first, while workmen complete an epoxy surface of the northbound lanes. When this is completed the lanes will be reversed. The total opening of all four lanes without the cross-overs could come within a few months depending on weather.

A Highway Department engineer said that crews have been working long hours seven days a week to complete the highway and the short two lane section at Loudon will be the only one on the entire length of I-75.

In all the section of I-75 in Loudon County including the twin bridges over the Tennessee River cost more than \$30,000,000.

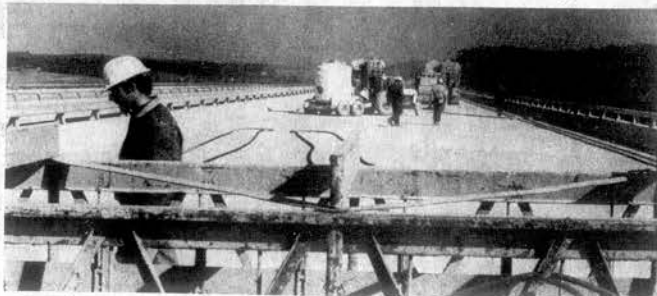

Others expected to be on the platform or official guests at the opening are Benny Gross, another Department of Transportation official.

cial. State Senator Carl Koella, County Judge Bill Russell, former Judge Harvey Sprout, Mayors from all Loudon County cities, members of county court, city councils, and other state and local officials.

Representative Stafford was charged by the Governor with planning the opening and will act as master of ceremonies along with Sen. Koella.

Stafford said a group of state troopers will be in attendance to help handle parking along the highway for the ceremony and to re-route traffic during the ceremony and start traffic flowing south when the ceremony is completed. Upon completion the Highway Patrol will radio Athens and traffic will be allowed to flow both directions along I-75 for the first time.

County Judge Bill Russell said in speaking for the people of Loudon County that the opening of the highway will be a welcome relief, coming at a peak holiday travel time which should save many motorists headaches in the final shopping days before Christmas.

TO OPEN FRIDAY—Workmen are shown applying a latex epoxy surface to the I-75 river bridge at Loudon in anticipation of the opening of the Interstate highway through the county on Friday.

Court Decides On James Fine Property

County Court in adjourned session Monday night reversed an earlier decision to purchase 21.5 acres of land from Quintus Mills near Lenoir City High School for the \$1.6 million State Vocational Educational School. The site finally selected was 23 acres from the James Fine farm, toward Loudon from the other sites. The decision to purchase the land was made on a vote of six yes, two no and one pass. The property if proven acceptable from soil and core drilling tests will be purchased for \$50,000. Originally Mr. Fine priced the tract at \$75,000 but cut the price in memory of his wife.

(Continued on Page 12)

County Officer Joe Sims Stabbed In Arrest Attempt

Loudon County Juvenile Officer Joe Sims was stabbed Monday morning by a woman he and Chief Deputy Luke Bright were trying to arrest on a disorderly conduct charge. Sheriff Guy Russell said Sims suffered stab wounds in the chest just below the heart from a butcher knife he and Bright struggled with Gladys Hart at the woman's mobile home residence on Hines Valley Road.

SIMS STABBED—County Juvenile Officer Joe Sims holds pressure on his chest where he was stabbed minutes earlier by a Hines Valley woman. An ambulance service attendant meets Sims at the patrol car after he arrives at Loudon County Memorial Hospital, where he was treated and released.

McMinn Body May Be Doris Littleton

Loudon County Sheriff Guy Russell said this week that reports that were published in some area newspapers last week that the remains of a human body found in McMinn County last Monday were that of a missing Lenoir City girl are still premature and unconfirmed. Russell did say that a 17 year old Lenoir City girl, who he would not name since the remains found had not been identified, has been missing about two months. He said that the remains, mostly bones, were found in McMinn County in the Sewee Creek area some 11 miles West of Sweetwater off Highway 68 in a wooded area.

"The case at this point belongs to McMinn County authorities. I did send Chief Deputy Luke Bright to the McMinn County Jail to look at the effects that were found in the area and they have been identified as belonging to the missing girl, but results from lab tests, such as dental reports, have as yet to identify the remains," the Sheriff said. Scientific tests were to start early this week. The remains were reportedly found by persons cutting firewood. Some of the effects found were a social security card, a .22 caliber pistol, a purse and some clothing.

Chief Deputy Bright said he (Continued on Page 12)

ORDEAL FINALLY ENDED—After three hours of trying to talk Gladys Hart out of the butcher knife she threatened to use on deputies, the woman was finally subdued and taken to jail. Earlier she stabbed officer Joe Sims as he and Chief Deputy Luke Bright attempted to arrest her at her mobile home residence. In the picture are Sheriff Guy Russell, Deputy Larry Proaps, Miss Hart and constable Itay Houk.

Natural Gas Cut Here Is Serious

Persons heating with natural gas supplied by Loudon Utilities may be in more trouble than those who use electricity, Utilities Manager Charles Brunette said this week. Last Friday, East Tennessee Natural Gas Company notified Brunette that the allocation of natural gas for Loudon's 800 customers will be cut by 30 percent for the months of December through March.

Brunette said the cut will have a far reaching effect if the weather gets colder. "We must pray for warm weather," Brunette said. Last summer the gas department was notified of a curtailment and Brunette said the gas customers used 64,000 cubic feet of natural gas the first week of December than was allocated. He urged all users to cut back on the gas use as much as possible. Industrial users are being given the same caution and Brunette said the problem will be dealt with on a day to day basis. He said if the situation gets to a critical point then home heating will have the top priority.

Herald To Move To New Office Soon

Starting on January 1st the Loudon County Herald will be in a new office. Herald Editor Larry Cate said this week that the new office is located on Mulberry Street (West Lee Highway) just across from Loudon High School. Cate said the growth of the newspaper over the past years had demanded that more room be found. The building, formerly a residence, is now being remodeled and the staff will start moving just after Christmas. Editor Cate said that the office on Cedar Street will be open on Dec. 28 and 27, but will be closed on Dec. 29-Jan. 31 for the move into the new quarters.

For and about Women

Williams-Davidson Vows Pledged

Miss Teresa Gale Williams and Joseph Lee Davidson were united in marriage in a candlelight ceremony at 7 p.m. Saturday, November 2, at Oakland United Methodist Church, Galax, Virginia. Officiating at the doubling ceremony was the Reverend Daryl Williams, father of the bride, assisted by the Reverend Riley Huffstetter, brother-in-law of the groom, from Hillsville, Virginia.

Parents of the bride are the Reverend and Mrs. Daryl Williams of Galax, Virginia. Parents of the groom are Mr. and Mrs. Lee Davidson of Philadelphia.

Special music was presented by Miss Rhonda Hall, organist. Soloists were Miss Ann Davis, Miss Linda Hanks, and Mr. Steve Franks. Special selections included "Theme from Love Story," "Master Designer," "Let It Be Me," "My Cup Runneth Over," "Whither Thou Goest," and "There is Love."

Given in marriage by her father, the bride wore a formal gown of white pure silk. It was fashioned with a basque bodice featuring manderin neck and long sleeves with wide cuffs. Rows of Val lace accented the bodice, sleeves, skirt, and the lace trimmed hemline. The empire waist featured a white velvet belt. The headpiece featured a chapel length mantilla of French illusion bordered with Val lace. She carried her bible which was covered with a purple orchid and purple and lavender streamers tied in oval knots.

The matron of honor was Mrs. Larry Miller, sister of the groom, from Sweetwater. Bridesmaids were Mrs. Riley

matching gowns of lavender polyester crepe with deep purple velvet accenting the bodice, neck, and sleeves. Her headpiece was lavender velvet petals nestled in a shoulder length veil of lavender illusion. Each attendant carried a single purple taper flanked with lavender pom-pom mums.

The honor attendant was attired in a gown of deep purple polyester crepe with lavender velvet accenting the bodice, neck, and sleeves. Her headpiece was lavender velvet petals nestled in a shoulder length veil of lavender illusion. She carried a single lavender taper flanked with purple pom-pom mums.

Mr. Lee Davidson, father of the groom, served as best man. Ushers were Mitchell Williams, brother of the bride, from Galax, Va.; Larry Miller, brother-in-law of the groom, from Sweetwater; Greg Cagle from Loudon; and Larry Ward from Galax, Va. Bobby Huffstetter, nephew of the groom, from Hillsville, Va., served as ringbearer. The groomsmen were attired in black tuxedos with lavender shirts edged with deep purple.

Following the ceremony, a reception was held in the church fellowship hall.

The bride is a 1973 graduate of Carroll County High School, Hillsville, Va., and previously employed with the Galax City School System. The groom attended Tennessee Wesleyan College, Athens, and is now serving with the United States Air Force. Mr. and Mrs. Davidson will make their home in Indiana.

Huffstetter, sister of the groom, from Hillsville, Va.; Miss Pam Lane, cousin of the bride, from Gate City, Va.; Miss Janet Hanks, and Miss

Linda Hanks, both from Galax, Va. Rhonda Anders from Galax served as flower girl. The bridesmaids wore

Imogene Mintz Weds William Earl Nix

Miss Imogene Mintz and William Earl Nix, both of Loudon, were united in marriage on Thursday, November 21 at 6 p.m. at Valley View Free Will Baptist Church.

Parents of the couple are Rev. and Mrs. Harry Mintz

and Mr. and Mrs. Robert Nix, all of Loudon.

Rev. Mintz, father of the bride, performed the ceremony before an altar decorated with a Thanksgiving Harvest theme.

Mrs. Lois Addinton of Oak Ridge present nuptial music.

HOLIDAY MEALS—THINGS TO CONSIDER

By: Bonnie F. Sheeley
Assistant Extension Agent

If you're planning on serving cold cuts for your New Year's or Christmas Eve buffet—make sure that they are fresh and chilled! Don't allow them to stand at room temperature too long.

Use several trays of food so that one may be left in the refrigerator until the first one is used—then bring out the fresh tray. This way, meats will stay cold and bacteria will not have a chance to grow.

If you're serving salads—shrimp, chicken or the like—remember, they are highly perishable. Pack the serving dish in crushed ice—or, use smaller serving dishes and refill often from the refrigerator. Deviled eggs, cheese, and sour cream dip all must be kept cold. Set them on molds of ice and be safe.

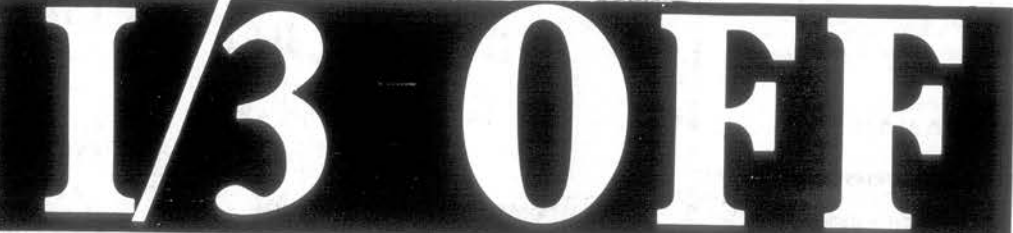

Serving eggnog? A punch bowl of eggnog that stands for hours at room temperature is a fine breeding place for bacteria. Eggnog should be chilled, and, be sure to replace the supply often.

On holidays—when large groups get together—it is not unusual to run out of refrigerator space and become careless with your food. Remember, bacteria can cause food poisoning and it grows in the right combinations of time, temperature, and moisture. The real cause of many food problems today may be the food that is not properly handled, prepared, or served. This can be prevented.

All perishable foods such as cream pies, seafoods, and dishes made with eggs, fish, meat and poultry should be kept COLD (below 40 degrees F.) Do NOT let these foods stand at room temperature more than 2 hours. Keep hot foods at a temperature about 140 degrees F.

Holiday food fare is fun—but careful planning is important!

The State Textbook Committee Approves Texts

The State Textbook Committee, C.H. Waters, Chairman, Dr. Mildred E. Doyle of Knox County, Fred Standley, Mrs. Willie Massey, Mrs. Sidney McClain, and Ralph Haynes, meeting in Nashville on December 4 approved a total of 238 textbooks to cover courses in agriculture, home economics, health and science for the next five years in Tennessee Public Schools. Some five textbooks are approved in each subject and the local board of education adopts one book from the five for use in local schools.

The State Textbook Committee meets three times annually to consider books for adoption. Different areas are considered each year so that all books do not expire at the same time.

State Board of Education Considers Improvement Requests

The State Board of Education, meeting in Nashville on Friday, December 13, heard the Budget and Finance Committee of the Board report on the need for 107 million dollars of new revenue to finance programs already passed by the General Assembly plus 40 million of the 107 million to offset inflation. The total appropriation of 107 million would include a two per cent raise in teachers salaries. One member of finance committee stated, "The programs are sound and we expect members of 89th General Assembly to fund these programs fully in time."

ASC Elects John Hutton

Delegates elected to the Loudon County ASC County Convention which was held on December 9, elected John M. Hutton of Greenback as Chairman of the Loudon County ASC Committee. Mr. Hutton will replace Fred Fipps who had served on the ASC Committee for 26 years and could not be re-elected.

Bill Henderson of Philadelphia and C.V. Duff of Lenoir City will continue to serve as the Vice-chairman and regular member of the Committee. The First and Second Alternate members elected are Carl A. Smith of Lenoir City and Paul K. Arp of Philadelphia.

The ASC County Committee is in charge of local administration of such national programs as Tobacco Marketing Quotas, Rural Environmental Conservation Program, Feed Grain and Disaster Programs, Rural Disaster and Emergency Programs as established by Congress.

Three In Honor Society

Three students from Loudon County were among those initiated into Phi Kappa Phi Honor Society in recent ceremonies at the University of Tennessee, Knoxville. They are Judy Harris McGill, Brenda Yarnall Manning and James O. Kiggins, Jr., all of Lenoir City.

The society accepted for membership a total of 206 initiates, the largest number ever initiated at one time.

Membership in Phi Kappa Phi is open to junior students who have maintained a 3.5 grade point average, seniors who have a 3.0 average, and graduate students with a 3.0. Each year, the chapter also invites a few faculty members to join.

The UTK chapter was one of the three charter chapters of the national society, along with the University of Maine and Penn State University, when the society became national in 1899. As part of the chapter's 75th anniversary celebration this year, it sponsored the society's national meeting here in August.

State Death Rate Down

Tennessee's death rate was down during the first half of 1974, the Department of Public Health's vital statistics division has revealed.

At the same time, the number of marriages decreased but divorces increased for the fifth straight year.

Six of the seven principal causes of death in Tennessee claimed fewer lives during the six months than during the same period a year ago.

Cancer deaths increased from 3374 in 1973 to 3548 during the first half of 1974.

Heart diseases claimed the most lives—7426 or about 300 fewer than the previous year.

Cancer, strokes, influenza and pneumonia, bronchitis, emphysema, asthma and arteriosclerosis were the other major causes of death.

Marriage certificates decreased from 26,125 to 23,485 while divorces rose to 9,163.

TWO-STORY EARLY AMERICAN FEATURES COMBINED LIVING DINING ROOM

FEATURE HOMES
By W. D. FARMER

This charming two-story Early American dwelling, that is shown, has the advantage of a large room on one side of the house which is quite adaptable for use as a living and dining area.

There is the added feature of a family room off the kitchen which offers plenty of privacy. It has a large fireplace as well as exits to the kitchen, an outside deck and the laundry. A highlight of the family room is the false beams.

A central foyer offers access around the L-shaped stairway to a comfortable downstairs bedroom that is perfect for use as a guest room and to the breakfast room on the back of the house. There is ample closet space in the bedroom and a convenient bath off it.

The breakfast room with its picturesque bay window is adjacent to the kitchen, thus providing easy food service from the latter. Wall cabinets and pantry space are arranged on either side of the kitchen and appliances are placed with convenience kept in mind.

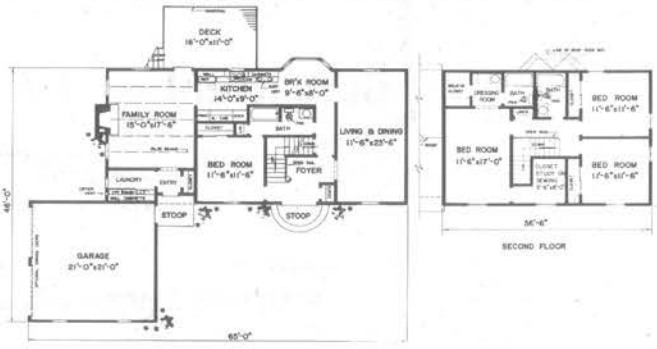

The entry to the family room from the outside allows quick access via a side stoop to the spacious garage with its optional double doors.

Upstairs there is direct access from the top of the stairs to a front bedroom which is equipped with ample closet space. There is an identical bedroom adjacent and a bath off the hallway serves both bedrooms.

The large master bedroom features a dressing room which separates the bath from a walk-in closet. There is an additional attraction of a room with the entrance only from the master bedroom which can be used as a closet, study or sewing room.

The Early American design of the home uses horizontal siding and gable roofs in coordination with window placement and trim to emphasize the design. In addition there is a stoop covered by a small gable roof supported by colonial columns.

For further information on Plan No. 2141B write W. D. Farmer, P.O. Box 49463, Atlanta, Ga. 30329.

Franklin Lynn Gentry will celebrate his fifth birthday on December 26. He is the son of Mr. and Mrs. V.L. Gentry of Vonore. Grandparents are Mrs. Ora Mae Aikens, Loudon and Bill Godsey of Knoxville. Great-grandparents are Ruth and Henry Godsey, Johnson City.

Teresa Thompson celebrated her fifth birthday November 4. She is the daughter of Mr. and Mrs. Mervin Thompson of Loudon. Grandparents are Mrs. W.R. Thompson, Loudon and Mrs. J.W. Godsey of Oklahoma.

Crissy Thompson, daughter of Mr. and Mrs. Mervin Thompson of Loudon, celebrated her seventh birthday on December 10. She is the granddaughter of Mrs. W.R. Thompson of Loudon and Mrs. J.W. Godsey of Oklahoma.

'A', 'AA', 'AAA' Basketball Classification Voted In For 1975-76 Cage Season

Speaking of Sports

By DANNY GIBSON
Sports Editor

Tennessee will have a three-classification basketball format starting with next season, 1975-76 campaigns.

Coaches and principals across the state in TSSAA Region meetings this past week passed the proposal 130-77. The final regional meeting, an East Tennessee gathering at Knoxville Beardon High School this past Saturday, assured the change from the present two classification system to a three. With the proposal holding a 77-50 liking the East Tennessee delegation settled the issue 53-22. The vote had a 51-15 send off in West Tennessee, but Middle Tennessee opposed the new system 35-26.

Under the proposed three-classification plan, schools with an enrollment of 499 or less would be in Class A, 500 to 999 in Class AA, and schools with over 1,000 students would be in Class AAA. The enrollment figures would be based on grades 9-12. Schools also would be required to participate in the same classification in football and basketball.

The boys and girls Class A State basketball tournaments would be played at the same time, probably during the week of the regional meetings for Class AA and Class AAA teams. This would probably be followed by the girls' Class AA and Class AAA tournament. The boys' Class AA and Class AAA meet would then conclude the basketball season.

Ed Osborne Sam Lyle

Thus there will be six state basketball champions next season and seasons to come. Loudon and Lenoir City will both fall in Class AA classifications and should prompt the near return of the old District Nine group of cage foes. A possibility is that the present football regions across the state will become districts in basketball. Where you have a three-playoff format in football, basketball then will meet in region play with the top three or four or even two district teams making the region journey. The Sub-state level of basketball as we know it now will be eliminated.

Scheduling will be conversation piece among some teams. But I expect that most teams will keep pretty much their same season opponents despite their classification, as there will not be any point system to shoot for in winning all or near all games. Teams will all be in the district playdowns and of course a winning record will send a team higher than a off-beaten team, but all will have equal chance to win their district once the respective tournaments start.

The new system should be a plus for Loudon and Lenoir City boys and girls teams. Both appear to do well in battle with teams of their enrollment level and could become strong state contenders right off. Greenback will not find much of an

Maryville Everett Dumps Loudon In District Eight Encounter

The Loudon Redskins had their basketball bubble popped by a strong Everett girls and boys team Friday night at Loudon.

The Bulldog varsity, getting a 21 and 20 point exhibition from senior center 67 Terry Rutherford and guard Kenny Tetterfield, out distanced the Loudon boys 68-42.

Rutherford hauled in 19 rebounds and hit on 10 of 19 shots, while limiting the

Everett shot a torrid 31.7 percent in the game, making 30 of 94 shots. Loudon hit a cool 32.3 percent by making 20 of 62 floor efforts.

Loudon was out rebounded 41-28. Donnie Thearp had 11 to pace the Redskins. Everett added eight of nine foul shots to their scoring, while Loudon was cut to just two of five from the foul line. Both teams were guilty of 15 turnovers in the game.

The Loudon girls, playing without senior Debbie Hawkins, had to also jog without fast improving forward Kim Branthorpe, who was absent due to a death in her family, lost the preliminary game 59-44.

The Everett win averaged a Loudon win in last winter's district tournament that provided the Lady Redskins with a berth in the regional playdown.

The Bulldog sextet gained an early lead of 15-8 and then used a stout second half to down the Loudon distaff.

Loudon out scored Everett from the field 36 to 32 but the Bulldog sextet made a whopping 27 of 33 foul shots, while Loudon was connecting on just eight of 11 opportunities at the foul line.

Everett hit 16 of 35 floor shots for a crisp 45.7 percent. Loudon hit 18 of 46 shots for a 45 percent effort. The Lady

skins also won the rebounding game 34 to 20. Yarber Harrison had nine to set the tempo for Loudon.

Earnadette Locke, Loudon's high scoring sophomore forward, set the game's scoring pace with 24 points, netting 11 field goals and two of two foul shots.

Jennie Laffer with 13 points was the lone double figure hawking for Miss Locke.

Everett placed all three forwards in double figures with two starters netting more than 20.

Loudon also suffered in team turnovers with 30 as compared to Everett's 18.

GRABS REDSKIN REBOUND—Loudon forward Marlon Brown gives it all he has in scrambling for this rebound under the Maryville Everett backboard with the Bulldog's muscular center Terry Rutherford.

Redskins' Donnie Thearp to 12 points for the night. Thearp earned 10 of his points in the first half.

The Bulldogs took a 14-10 first period lead and built it into a 34-22 halftime margin. Both teams added 16 points in the third frame, but the District Eight powerhouse caught fire in the last eight minutes out dueling Loudon 24-10 to win in convincing form.

Teddy Blivens and Donnie Thearp sparked the Loudon shooters with 14 and 12 points respectively.

Redskin Gridders Choose Sugar Bowl \$1000 Still Needed By Loudon Booster Club

The Loudon Redskins, State AA Football Champions, are going to the Sugar Bowl in New Orleans. The Loudon Booster Club made the decision Thursday night and some \$4000 of the \$5100 needed for the trip is now in the bank.

Doug Lytle, who has spearheaded the drive, said that the trip is being planned by Trailways. But lines who will furnish transportation, three nights lodging, and tickets for the game. The Booster Club has paid Trailways a down payment on the \$3700 fee for their services. The remainder of the \$5100 needed is for food. In fact if more than \$5100 is raised it too will go toward providing better meals for the team. As it stands the \$5100 will not adequately feed the players and they are expected to take along some extra money.

Persons wishing to make individual contributions are asked to do so, by sending checks to the Loudon Booster Club, Ted Lomax, Hamilton Bank, Loudon. Donations may also be given to Lytle at Pleasure Island, John L. (Injin) Brown at State Farm Insurance, Hamilton Carey at Greers, or brought to the Herald office.

The deadline set by the Booster Club to have the money raised is Friday, Dec. 20 at 12 noon.

Coch Ratledge said he hopes the team will be able to take advantage of the trip and do some sight seeing in the historical portions of New Orleans before and after the Florida-Nebraska Sugar Bowl game. The day and time of departure from Loudon has not yet been decided but Ratledge hopes to leave on Monday, Dec. 20, arrive in New Orleans that night. See the ball game on Tuesday night, remain in New Orleans on New Year's Day, and leave for home on January 2, arriving back in Loudon late Thursday night.

The team will be housed in the Braniff Motor Lodge, which according to Trailways, is one of the best accommodations in downtown New Orleans. Some 52 persons will be making the trip, Ratledge said.

Loudon Athletic Boosters To Meet Wednesday

The Loudon Athletic Booster Club, who has taken on the task of raising a goal of \$5100 to send the Loudon Redskins Class AA State Football Champions to the Sugar Bowl, will hold its final December meeting this Wednesday night at 8 p.m. in the Loudon High School Cafeteria. Final bowl trip preparations will be the order of business along with discussion as to setting a date for a January Football Banquet and possible guest speaker.

Ghetos Top Recreation Men's Open League

The Bank of Loudon County explored for 110 points and nearly doubled the score against Maremont No. 2 in the Men's Open League at Loudon last week, winning 110-56. Monty Lawson led the winners with 27 points. Paul Julian had 20 for the losers. The Ghetos squashed by Shubert Motor Sales, 61-54, behind 10 points by Rufus Smith. Junior Collins tallied 20 for Shubert. Maremont No. 1 beat Bar-Knit, 66-56, as Frank Brown got 16. Marvin Albright scored 14 for the losers. The Funky Faculty won 82-67 over Bar-Knit. Phillip Bettis poured in 23 for Faculty and Terry Bright got 17 for the losers.

Bank of Loudon County defeated Shubert Motor Sales, 66-56, with 17 points from Lawson. Gary Brackett scored 24 to pace Shubert. Lonnie Hawkins and Morris Wilson scored 14 each to lead the Ghetos over Maremont No. 1, 79-64. Jerry Russell had 18 for the losers.

In the Men's Restricted League, Huntsville edged Hamilton Bank of Loudon, 71-66. Casper Green led Huntsville with 22. Kenny Ratledge matched that figure for the losers.

Tuff Coat slaughtered East Side, 81-31, behind 20 points from David Brummitt. David Niska scored 16 for the losers. Larry Thomas tallied 18 to lead Luttrell over First Baptist, 63-59. Ron McNabb got 14 for First Baptist.

Loudon Pool Room beat Maremont, 80-52. Jerry Russell had 14 for the winners and Charlie Anderson scored nine for Maremont.

VFW, paced by Lynn Dorsey with 29, clobbered Sarabel, 54-12, in Women's League play. Maremont won over First Baptist, 38-26. Linda Costner scored 16 for the winners. Sherry Oran led all players with 18 for First Baptist.

Easton defeated MASH, 38-27, with 14 points each from Sue Monger and Sandy Bredon. Sharon Hardy had 11 for the hospital.

Loudon's Mike Yates Inks With Vanderbilt

Mike Yates, a growing 6-3, 235 pound senior tackle on Loudon's undefeated Class AA State Football Championship team, was an early football signer with Vanderbilt University this past Saturday. Yates, who will complete high school graduation requirements this week at Loudon, will enroll at Vanderbilt starting winter quarter (early January) so to get in on spring football practice and boost his chances of seeing varsity action as a freshman Commodore. Assistant Commodore football coach Rex Dockery, a former University of Tennessee player and coach and aid at the University of Georgia, Tech, drove from Nashville to get Yates' signature at his home on Webster Court in Loudon. Loudon head coach Bert Ratledge and assistant Jim Gibson were on hand with Mike's parents for the official ceremonies. Vanderbilt signed 22 high school seniors on the first official signing day in the Southeastern Conference recruiting wars for standout high school grid talent. Yates as a two year regular in the Loudon line, had a total of 112 tackles and 84 assists. He was the team's leading lineman this year with 78 individual stops and 51 assists. Mike also blocked two punts, recorded a safety, and scored a touchdown this past fall. Dockery refused comment as to whether Yates would be used in the offensive or defensive scheme at Vandy. He performed both ways as a Redskin.

GOING TO VANDERBILT—Loudon's 235 pound senior tackle Mike Yates sets between his parents Mr. and Mrs. Ray Yates at Saturday's signing of a football scholarship with Vanderbilt University. Coach Bert Ratledge (left) and Coach Jim Gibson (right) were also at the signing, which took place at Mike's home in Loudon.

COACH HONORED—Bert Ratledge (center), coach of the Loudon High School Class AA state football team, champions, received an "Outstanding Tennesseean" award certificate December 12 for his work from Gov. Winfield Dunn. Joining the coach for the ceremony in the Governor's Office were Mrs. Ratledge (not pictured) and Jim Gibson (left), principal and assistant coach at Loudon High.

First Quarter Walland Barrage Sinks Greenback

The Greenback Cherokees has their winning form in basketball shot down last Friday night as Walland journeyed into Loudon County. The Indian distaff handed the Cherokees a one-sided 57-35 loss, breaking the game open in the second half. The Walland boys pulled a possible mild upset by handling the Greenback variety 64-54. The Walland girls stepped out to a 12-7 first quarter lead in the preliminary contest and led by just 24-16 at the half. But the Blount County sextet out distanced the young Cherokees 32-19 down the stretch drive for com-

portable margin of victory. Neither team shot a very impressive percentage. Walland hit on 25 of 66 shots for 38.0 floor accuracy. Greenback got 19 fewer chances at the hoops, hitting 13 field goals out of 47 tries for a mild 27.7 percent. Greenback out scored

Walland at the foul line hitting nine of 15, while the winners hit seven of 17. Chita Tipton paced Greenback in scoring with a season high 19 points. The improving sophomore hit on six of 16 floor shots and made seven out of eight foul losses. Kathy Long with eight rebounds and Jill Adams collecting five were the top performers on defense for Greenback. The Greenback boys fell behind 20-12 in the first period and were never able to get any closer than three points of the victors. The win was a upset victory for the oft-beaten Greenback.

UNDER THE BASKET TUSSLE—Greenback forward Harold Hawkins finds he is not the only one wanting this basketball in Friday night hoop action against Walland at Greenback. The tussle ended in a jump ball. Greenback's Mark Carter (32) is pictured at right.

"YES, VIRGINIA, THERE IS A SANTA CLAUS."

Virginia, your little friends are wrong. They have been affected by the scepticism of a sceptical age. They do not believe except they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Santa Claus! It would be as dreary as if there were no Virginias. There would be no childlike faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies! You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus, but even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign that there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there.

Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world. You may tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the supernal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else so real and abiding. No Santa Claus! Thank God! he lives, and he lives forever. A thousand years from now, Virginia, nay, ten times ten thousand years from now, he will continue to make glad the heart of childhood.

In 1897, 8-year-old Virginia O'Hanlon wrote to the New York Sun asking: "Is there a Santa Claus?" The answer, written by Mr. Frank P. Church, has since become a classic. Today, Union Carbide brings it to you with our best wishes for a very Merry Christmas.

RECEIVES FOURTH VARSITY LETTER—Gordo Watson, a graduate of Loudon High School, received his fourth varsity football letter this year from The University of The South in Seawane, Tennessee. Watson, a 5'9", 160 lb. senior, saw action this year at quarterback in addition to his normal roles at halfback and punter. Serving as the Tigers' Captain, Watson amassed 109 yards rushing in 44 attempts, caught 43 passes for 117 yards, and punted 36 times for a 34.6 yard average, all despite seeing only limited action in the last three games due to a painful knee injury.

combined for 52 points in the game. Miss Lefler hit on nine of 14 shots or a terrific 65 percent for 27 points. Locke, with 25 points, made 11 FG out of 22 attempts.

Recently Bure responded to her first varsity starting role with eight points to balance out the scoring.

Renee Grizzle, a promising freshman, also saw action for Loudon and made five points.

Loudon cut their turnovers down to just 14 for the game, despite using everyone on the Loudon bench.

Harriman managed just 11 field goals out of 36 shots on the rugged Loudon guards, Yarber Harrison and J.J. Purdy led the rebounding for the winners with eight and six respectively. Loudon out rebounded their opposing staff 36-16.

The Loudon boys failed in their bid to make the night a victory sweep, bowing 60-47.

The visitors won every quarter, despite losing in team shooting percentages.

The Redskins hit on 19 of 48 floor shots (39 percent) and made nine of 10 foul shots (90 percent), but were victimized by the fast moving Blue Devils

for 553. He scored 50 points during the 10 game season. Kenny Evans was a tough defensive stalwart with 122 tackles and Greenback Co-Captain.

The Cherokees had six

players to be considered for All Conference honors. They were Jeff Tipton, Rocky Anderson, Kyle Shepherd, Coy Webb, Rick Russell, and Roddy Kizer.

Brooks, who played as a running back this past fall, carried the football 137 times for 489 yards and caught four passes for 58 yards during the year.

Hawkins, one of the conference top stars as a receiver and ball carrier, carried the ball 59 times for 222 yards and caught 30 passes

Maryville College Football Coach Jim Jordan was guest speaker at the banquet.

These making the All Conference team from Greenback were junior Jimmy Brooks, sophomore Harold Hawkins, and senior Kenny Evans.

Both of these two outstanding Blount County teams placed six players on the 1974 squad, announced today by the conference coaches.

Friendville, Townsend and Greenback were represented by three players each and

Lenoir City Ups Record To 7-3 With Easy Rout Of Oliver Springs

Lenoir City posted a double basketball win over a cold shooting Oliver Springs cage group Friday night at Lenoir City.

The Pantherettes closed out their first 10 games of the 1974-75 hoop season with a 64 workshet, routing the Bobcat sextet 58-34.

The Pantherettes, who do not play anymore until

and the clutch 1-3 Lenoir City offensive that hung 22 points on the scoreboard, just two less than the entire first half scoring performance by the Pantherettes.

Meanwhile, guards Pat Ingram, Sandy Thompson, and Debbie Johnson were limiting their foe to six points, boasting the Pantherette advantage to 46-28 starting the final quarter.

Lenoir City won the fourth stanza 12-6 with reserves closing out the action.

Miss Smith finished the game with scoring honors, bagging 20 points on 12 field goals and two foul shots. Patty Cook contributed a blistering 20 counters to give plenty of scoring support.

Victi Thomas, Pam Thomas and Betty Powell all added four points to the Lenoir City total.

The Pantherettes hit 26 field goals out of 63 shots to register a 41.3 shooting percentage for the game. Oliver Springs was

held to 13 goals out of 47 shots. Lenoir City hit a 50.50 percentage at the foul line making six of 15. Oliver Springs made eight of 14.

The Lenoir City boys won their seventh game of the year, exploding from an 11-8 first quarter squeaker to a run-away 60-32 decisive edge over the Oliver Springs quint.

Big 6-8 junior pivot Howard Cusick and senior forward Eddie Billingsley paved the way for the Lenoir City win. Cusick, with 16 points and seven rebounds, had his best game in two weeks in taking top game scoring honors.

Billingsley connected on seven of 11 floor shots for 14 points in support of Cusick.

Lenoir City out-gained their opponent 16 to 4 in the second canto and were never headed in the second half of play.

The Panthers also got a 13 point showing from reserve Mark Hodson, who displayed poised credentials in making a

bid for more playing time.

Lenoir City hit a respectable 40 percent in the game making 23 of 58 shots and added 14 of 21 foul shots.

Oliver Springs was cold from the field, shooting a flat 21.3 percent for the game. The Bobcats made 11 of 53 shots. They were not much better from the foul line hitting eight of 18.

Lenoir City also out-rebounded their visitor 38-33, as Mike McConkey ripped off 11 rebounds in a starting assignment.

Terry Parton had a season high of nine assists in the game for Coach Willie Joe Smalley's forces.

Speaking Of Sports

(Continued From Page 8)

Class A districts. There are more Class A teams than AA or AAA teams across the State.

Other TSSAA business results concluded with Saturday's East Tennessee Regional meeting is as follows:

A proposal to start football practice and play the first game of the season one week earlier than in the past also was approved, 53-26 here and 134-92 overall. Season-openers can now be played the last week of August.

The only other item to earn regional support was a proposal to increase expenses for teams participating in basketball, football, cross-country, golf and tennis post-season events. The ET vote was 67-6 favoring the increase. It was 180-28 statewide.

All other proposals were defeated.

The vote was 176-31 against a move to do away with basketball classification (53-26 here) and a 126-49 against requiring schools to complete their football schedule within their regional classification before scheduling other teams (however, the East Tennessee group favored this item, 35-28).

Memphis city schools proposed that a student with an athletic record who transfers without establishing new residence should be ineligible for sports for 12 months. However, the suggestion was rejected, 181-45.

Ed Osborne of Lenoir City was reelected to the TSSAA Legislative Council, representing District 2. Carl Matherly, Kingsport Lynn View, was reelected to the Board of Control.

Loudon's Sam Lyle, a key figure in Loudon's drive to the State AA Football Championship, was named this past week as the best high school punter in Tennessee. The honor came via way of the Knoxville Journal's All State Football team selection. The Journal picked their elite from all three classifications.

Lyle, a senior, punted for a 40.8 season average on 38 punts. He had only one returned, that for 10 yards, the entire season.

Mike Yates was a third team lineman to be honored and fullback Johnny Deahridge was honorable mention to the All State honorees.

Walland Sinks Greenback

(Continued from Page 9)

Indians.

Greenback cut the lead to three, at 27-30 in the first half and were with four points of knocking the game in the second half only to lose starting forward Roddy Kizer and center Kyle Shepherd on foul disqualification late in the game.

Mike Reagan led all scorers in the game for Greenback.

rebounded in the game 44 to 31.

A total of 46 fouls slowed the pace of the contest with Greenback tagged with 28 violations. Walland hit 18 of 34 charity tosses and Greenback made 10 of 17 from the foul stripe.

Court Decides On James Fine Property

(Continued From Page 1) property would be from \$20,000 to \$28,000 and he thought that was a low figure. An "engineer's" drawing indicated that a cut could be as deep as 29 feet to have a gravity fed sewer. If the school were built at the lowest point and the property was in the plan. During the session Williams said he valued his property as worth that of Fine plus the added expense in getting sewer to the Fine property. A sewer line cut the middle of the 15 acre tract owned by Williams and some squires objected to the fact that a

large drainage ditch also cut the property along the same line. Before the meeting was over Williams cut the price of his land to \$60,000. The problem that kept the county from holding its former action to buy Mills property was the lack of a suitable right of way into the property. Mills said he had

secured four different routes into the property, that the right of way would not cost the county anything, but they would have to build the road over the right of way. The motion to buy the Fine property was made by Squire Roy Bledsoe, seconded by Squire Jim Blair. Voting for the motion were Bledsoe, Blair, Duckworth, Williams, Hamilton, and Hudson. Voting no were Conner and Hartbrook. Squire Henry Foster passed. The meeting lasted almost 90 minutes.

Greetings

Issue Monday

The Christmas Greetings Issue of The Loudon County Herald will be published either Saturday or Sunday of this week and be distributed to mail subscribers and newsstands on Monday, Dec. 23. Deadline for all material for the issue will be 5 p.m. Friday. Following the usual custom of The Herald there will be no paper the week of New Years. The Herald will resume its regular publication schedule the week of January 6.

Hamilton Gets

Note Bid

The Hamilton National Bank of Lenoir City was the successful bidder on \$600,000 in county two year bond anticipation notes, County Judge Bill Russell said this week. The bank loaned the county the \$600,000 at five percent interest. Some \$380,000 of the money is needed to meet a payment to the State Department of Transportation for the county share of construction to date on the Sugar Limb and Philadelphia Connectors. The remainder of the \$600,000 will be reinvested in the Hamilton, Lenoir City, at a rate of 8 1/2 percent interest until it is needed for further payment on the road construction.

Judge Russell said that all four banks in the county placed bids on the loan and fund investment. He said all submitted very good proposals and he and the county court appreciated their interest.

Plemmons Retires

From Navy

Navy Chief Aviation Boatswain's Mate William E. Plemmons Jr., son of Mr. and Mrs. William E. Plemmons of 808 Bon St., and whose wife Dorothy is the daughter of Mrs. Lucy Burnett of 1006 Broadway, all of Lenoir City, retired from the Navy after 20 years' service during ceremonies held at the Naval Training Center, Great Lakes, Ill.

Several Highway Openings Set For Friday

December 20 will be a significant day for travelers in East Tennessee with ceremonies to be held at Athens and Lenoir City marking the completion of Interstate 75 between Knoxville and Chattanooga, at Knoxville opening of Interstate 65 east of there and in the Tri-Cities area opening Interstate 81.

Gov. Winfield Dunn will participate in each ceremony. The opening at Tri-Cities will be held at noon and signals relief for harried motorists traveling U.S. Highway 11-W. Dubbed "Bloody 11-W", Dunn's office said he has given top priority to removing traffic from the dangerous highway and putting it on the safer, parallel interstate.

The ceremony at Knoxville will begin at 2 p.m. He is scheduled to open I-75 at Lenoir City at 3:15 p.m. and then skip by helicopter to Athens for the opening there at 4:30 p.m. Athens City Manager Dick Ray will serve as master of the ceremony in McMinn County. State Rep. M.F. (Benny) Stafford will serve the same function at Lenoir City. Music for the Loudon County ceremony will be provided by the local high school band. Rev. Charles Hedmond of the First Baptist Church will give the invocation.

Arrangements for the Knoxville and Tri-Cities openings are still being made by Ben Groce, information officer for the state Department of Transportation. Governor Dunn commended the department and commissioner Robert F. Smith for pushing the construction work along so that the three sections of highway can be opened to traffic in advance of the Christmas holiday. The I-81 section extends

from U.S. Highway 11-E northeast of Morristown to State Route 126 southeast of Blountville. Traffic in some segments will be restricted to two lanes, the Governor said. Work on the 43-mile section began in July 1969 and cost \$49,400,000. The I-75 section to be opened Dec. 20 extends 22 miles from State Route 30 in McMinn County to State Route 95 in Loudon County and will be complete except for "sealing" the twin bridges over the Tennessee River. Work on the section began in June 1971 and cost \$37,500,000. One long bridge over the Holston River near Knoxville was involved in the project

prevent water and de-icing salts from seeping through concrete decks to causing rusting of the imbedded structural steel will require two to three weeks of additional work when the weather is warmer, the Governor said. The I-60 section extends 22 miles from U.S. Highway 25-70 in Knox County eastward to U.S. 25-70 at I-81 in Jefferson County. Traffic will be confined to two lanes in some sections. Work on the route began in June 1971 and cost \$37,500,000. One long bridge over the Holston River near Knoxville was involved in the project

Subscriptions

Response Big

Response to Loudon County Herald subscription offer has been so tremendous the staff has been hard pressed to get new subscriptions processed the week they were received. By working longer hours adding extra help and working at night, it is hoped that all new subscribers will start receiving their paper effective with the Christmas issue on Dec. 23. The deadline to take advantage of the \$6.50 rate for two years in Loudon County and \$9 for two years elsewhere is Saturday, Dec. 21.

Hospital

Board Meets

The regular monthly meeting of the Loudon County Memorial Hospital Board of Directors will be held Wednesday at noon at the Twin Lantern Restaurant in Lenoir City. Included on the agenda, issued by hospital administrator Gay Hamilton is a review of the monthly financial statement, review of ambulance service monthly financial statement, report on laundry program, report on cost of modifying the office, report on television bids, report on blood as analyzer for hospital lab, consideration of Christmas bonus for employees. Hamilton said that a report will also be given on letters received from two surgeons considering general practice in the area.

\$3400 Taken At Anderson IGA

Anderson's IGA Discount Foodliner at Loudon is becoming a favorite target of thieves. Last Tuesday afternoon employees missed a metal box containing \$3482.94 that was locked in the store office. Chief Deputy Lake Bright said that the money, which included cash, checks and food coupons, was missed about 4:15 p.m. when an employee went into the office. About six weeks ago thieves "raked into the store and took some \$600 in money from the

store safe. Both breaks are still unsolved. The latest incident was believed to have been pulled by a man who came in the back entrance, used a knife to open the office door, then escaped by the same route. One witness told Bright they saw a man run out the back door, get into a car and drive away. FBI Agent Leon Miller and Sheriff Guy Russell was investigating. The store is owned by Mr. and Mrs. Milas Anderson.

McMinn Body May Be Doris Littleton

(Continued From Page 1) went to the scene where the effects were found Wednesday as McMinn County officers were closing the area to preserve any evidence that may be left. Bright said that somehow

several newspapers obtained information on the case which he said could hurt the investigation if foul play was involved, because of premature release and speculation on the identity of the remains.

Squad Makes 360 Calls This Year

EXAMPLE—Two cars collide on the interstate. People are pinned in the wreckage with threat of fire and explosion.

EXAMPLE—Truck and car collides on bloody 411 with drivers having broken bones and bleeding — 15 miles from medical help.

EXAMPLE—A youngster strays away and becomes lost. Darkness is coming.

EXAMPLE—A stove or furnace overheats. A home is on fire, miles away from the closest fire main.

EXAMPLE—An airplane crashes, burns, in secluded area.

EXAMPLE—A farm tractor overturns. A farmer is pinned underneath.

EXAMPLE—A tornado strikes, damages homes and businesses.

EXAMPLE—A boat overturns and someone is missing.

Take any of the examples and others and they spell action for the Loudon County Emergency and Rescue Squad.

This term of volunteers assisted in 360 or more of these calls this year. The 36 men gave some 14,000 man hours or rescue work, while receiving no pay. They traveled more than 12,000 miles. Dedication is the key, says Captain John Parris. "We want the people of Loudon County to rest assured that help will come in virtually any emergency when we are called," he said.

The Squad has some of the most efficient men and equipment available in Loudon County.

Each squad member has been trained in standard and advanced first aid. Others have additional training in Coronary Pulmonary Resuscitation. Others are Emergency Medical Technicians, while others are trained fire fighters.

The Squad has at its disposal 13 vehicles, owned and maintained by the Loudon County Emergency and Rescue Squad. Three of these are Fire-Trucks, fully equipped with a total water capacity of 500 gal. These trucks are stationed at Headquarters on U.S. 11 and at Eaton Cross Roads.

The Squad keeps two fully equipped ambulances stationed at Lenoir City to be a back up service for the Loudon County Ambulance Service. These are used only as

SQUAD TREE SALES BOOM—Mr. and Mrs. Dennis Moldenhauer of Lenoir City are being shown Christmas trees by Loudon County Rescue Squadmen Bill Foxx and Brent Davis at the Loudon sales lot. The squad has over

2000 of the Canadian trees for sale at the same prices as last year. Prices are from \$3.50 to \$12. There are sales lots on Grove Street in Loudon, Broadway in Lenoir City and in Greenback.

backup in case all their ambulances are out or ties up where they cannot answer a call.

The Squad keeps two fully equipped vehicles at crash units. Equipped with two way radios, oxygen, scot-air packs, portable power units, candles, power saws (for metal, wood etc.) cutting torch, chokers, axes, pry-bars, etc. One of the vehicles is stationed at the County Headquarters the other at Greenback.

The Squad has six boats, four boat trailers and six motors. These boats are fully equipped for dragging and water rescue. Three of these boats are housed at the County headquarters the others are housed at Greenback.

Also three vehicles to pull these boats to the scene of the accident, also used for transportation of all kinds. The Squad has a fully equipped mobile kitchen to feed the men when out on missions. It is equipped with running water, gas stoves, gas stoves, deep freeze and a refrigerator.

The Squad has two Emergency Ambulances stationed at Greenback. They are equipped with the latest life saving equipment, oxygen, suction units, bag mask, splints of all kinds, spine boards, and some of the latest model scoop stretchers that can be had.

TVA To Have Open Meetings

The TVA Board of Directors has voted unanimously to open its formal meetings to the news media and the public, effective with its next meeting which is scheduled for January 16.

Board Chairman Aubrey J. Wagner made the announcement and said the action was taken to "strengthen the communications link between TVA management and the public the agency serves."

"The Board has had the question of open meetings under consideration for some time," Wagner commented, "and the action taken today is to demonstrate what we had always assumed the public understood: TVA has nothing to hide. It is an organization of dedicated professionals committed to the quality development of one of our Nation's most vital regions."

"We have always tried to be responsive to the public," Wagner said, "through meetings with citizen's groups, newsmen, and others on matters of interest. The board will continue its policy of being available to those who wish to discuss in person or in writing any area of concern." Under the new arrangement for Board meetings, the agenda will be announced in advance so that the public will have notice of the items to be discussed.

The Board and TVA staff members will meet with newsmen and the public following Board meetings, so that questions on agenda items and other matters may be answered promptly.

Wagner said the Board had studied the open meetings question carefully over the past several months, and added that one of its greatest concerns was possible effects of an open meeting format on staff suggestions and comments.

"The Board would be shirking its duties as managers if we did anything to decrease the free flow of information between staff and the Board," Wagner said. "We are hopeful that an open meeting situation will not deter this internal idea exchange, and have instructed the staff accordingly. The basic purpose of the meetings will continue to be the transaction of the Corporation's business."

He added that in the past, TVA has tried to make information available "as freely as it could on all of its operations and policies, even though the information we reveal-on purchases, for example-sometimes puts TVA at a competitive disadvantage in the marketplace. There still will be practical problems in making public the information of the type business firms normally keep confidential, in circumstances where this could interfere with our efforts to hold down power system costs and rates wherever possible."

While TVA is unique in the flexibility granted it by Congress as a Federal corporation, it is believed that no other comparable Federal agency has opened its decision-making meetings to the public.

Steele Gets Promotion

Marine Lance Corporal David G. Steele, son of Mrs. Virginia R. Byrd of 918A Sumner St., Loudon, was promoted to his present rank while serving with the 3d Marine Division at the Marine Corps Base, Camp Lejeune, N.C.

Letters To The Editor

57 Captain Congratulates Redskins

Dear Editor: On behalf of the 1967 LHS football team, I would like to express my congratulations to the 1974 LHS football squad upon their tremendous season of present and their ultimate goal and capture of the AA State Championship. All of us that have worn the school

colors, regardless of how many years past, always keep a watchful eye on the athletic events and accomplishments of Loudon.

We all know that it takes much to overcome obstacles, to accept heartbreak, to pray for just 60 more seconds on the clock, to shake our opponents hands after defeat, and fortunately we each also know the proud feeling of victory, to carry our coach on our shoulders, to shed tears of happiness, to feel that we have won for our injured players, for our coaches, the band, the cheerleaders, and the many wonderful fans that follow us,

and certainly for our school. We also know that it takes more than the many hours of preparation, the sweat, blood, the cleated hands on bitter cold days, the chaos on bad practice days, we realize that those many fans are a large percent of whether or not we make it in our gridiron wars. In my travels I have never seen a high school team followed like the Loudon fans follow their teams. We are very fortunate to have them behind us, and after you leave your school upon graduation, do your school a favor and become a fan when in Loudon.

The names Melton, Deatherage, Lyle, Swiney, Yates, Queen and the many other teammates will be remembered for a lifetime due to your stellar performance. Coach Rathledge will always be able to call you by name, regardless of your year of tenure. I often think back on the names such as Windle, McMurray, Cline, Nichols, LaBue, Howard, Starnes, Pressly, Hope, Thompson, Helms, and Ronnie Swiney (now deceased), and know how proud their parents and the school are of them.

Again, on behalf of the 1967 football team, congratulations to you boys and the coaches of 1974.

Gus W. House, Captain, LHS 1967 Football Team.

Magnavox color TV

...the magnificent gift that's extra tested for extra reliability.

SAVE \$50

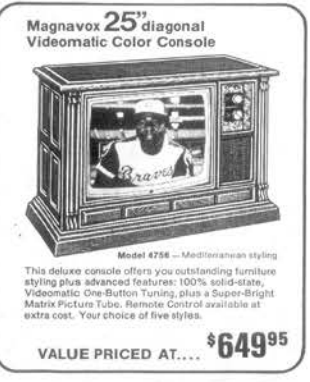

25" diagonal Magnavox Videomatic Color Console

Model 4722. In smart campaign styling, is 100% solid-state and automatically adjusts its own picture to changing room light for an ideal picture—day or night. It's eye-opening—on or off.

NOW \$549⁹⁵

Magnavox Videomatic Color TV adjusts its own picture to changing room light - automatically.

There's an "electric eye" which watches for changes in room light. When the room is bright, the picture should be brighter or it would be washed out. The Videomatic "eye" automatically turns up the brightness, color and contrast. In a darkened room the "eye" senses that too bright a picture would glare or lose contrast, so it automatically turns down the brightness, contrast and color.

COME IN AND DISCOVER: What a difference watching a magnificent Magnavox

19" diagonal Magnavox Videomatic Color TV

These distinctive table models have superior styling and superior Magnavox performance with Videomatic and the Precision In-Line Tube System. Three styles available. Remote Control available at extra cost.

VALUE PRICED \$499⁹⁵

Pedestal base optional at extra cost.

Says People Opening Eyes To TVA Ways

Editor, the Loudon County Herald:

With a few exceptions, many Tennesseans are opening their eyes to TVA's inept management.

Recently F.A. Greene of Maryville wrote to the Knoxville Journal that it would be great if the Tellico Dam were complete now to provide 80,000 kilowatts of power. But Tellico will not have any generators. Supposedly it will enable the generators at Fort Loudoun to provide an additional 200,000 kilowatts ANNUALLY, an amount equivalent to only 10 percent of TVA's total output.

Only a few days after Mr. Greene's letter, Daniel Burger of Greenville wrote to inform us that TVA is shutting down the hydroelectric plant on Lake Davy Crockett because they have decided that its operation is no longer practical. TVA has plans to develop the lake into a wildlife sanctuary and will condemn farm land toward that end, a strategy which will enable them to get their greedy fingers on more of the East Tennessee property.

Thus, while TVA is trying to turn one hydroelectric reservoir back to a wildlife and recreation facility, they are at the same time hastening to construct Tellico Dam and destroy the Little Tennessee River, a stream which, in its natural state, is unparalleled in this area for recreation and wildlife potential. Well, I guess the TVA engineers need this game of playing topsy-turvy with nature to bolster their egos.

A Tennessee business leader has wisely suggested that TVA do like private business and cut overhead. But it's difficult to change old habits of extravagance and will be impossible without new leadership. Two examples come to mind. Not long ago, a rare fish was found in the Little T. When the paper work is complete in a few months, a suit will be brought and TVA will again have to halt the controversial project.

Now when Aubrey Wagner, the TVA chairman, and Lynn Seebler, the TVA general manager, heard that their favorite project, the Tellico Dam, was in jeopardy, orders went out to all TVA biologists and their crews to call all other activities and find that fish—elsewhere than the Little T. of course! Furthermore, they have promised a BONUS to any who succeed. So the biologists rush about in an exercise of futility since, according to expert opinion, there is no chance that the fish will be found anywhere else. But when you're spending taxpayers' money, you don't have to be very realistic about chances of success.

The other example concerns fees paid to "independent" land appraisers hired by TVA to appraise land which they are condemning.

According to the testimony of TVA's own witness, the current extravagant fee paid by TVA to the appraiser is \$150 per day. You can buy an awful lot of "independence" for \$150 a day. Most of these appraisers are about as independent of TVA as Pat Nixon is of Richard; many of them depend on TVA for a substantial portion of their income. TVA uses these appraisers to try to dupe the landowner, paying them extravagant fees to insure that their appraisals will be amazingly similar to TVA's.

Charging TVA with deceit and irresponsibility, Mayor Kirk Walker of Chattanooga recently called for a Congressional investigation of

TVA. I made that same request last summer in letters to Tennessee's Congressional delegation. Of Tennessee's 9 representatives and 2 senators, only one—Congressman Richard Fulton—bothered to reply. Why so little response? Was it blind allegiance or self service?

Does TVA have the power to control our political leaders? Any agency with millions to spend can find ways of using this money to gain its own ends if it has unscrupulous leaders. One of TVA's spokesmen in Loudon County has been Harvey Sproul, Jr., the former county judge who left office in September. Judge Sproul chaired the Tellico Area Planning Council, a citizens' group designed to give the impression that TVA has community support, actually a hand-picked group that only shuttles TVA's schemes. Sproul appeared on a Knoxville TV program with Lynn Seebler, Jr., the former county Project, and he testified in federal court for TVA, estimating that 80 percent of Loudon County residents support the dam—a gross inaccuracy but perhaps an honest mistake.

Over the past few years TVA has paid to Sproul Court Reporting, a small business owned by Judge Sproul's father, several thousand dollars for services rendered (would Mr. Wagner release the exact amount?). It may be that these two facts are totally unrelated. Perhaps Judge Sproul is a man of such high moral character that he chose to support the Tellico Project totally on its merits (although I and many others feel there are no merits) and ignored completely the fact that TVA has substantially added, and will continue to add, to the family coffers. Perhaps Sproul was such a stalwart soldier that TVA decided to reward him indirectly. Nothing illegal has taken place, quite possibly nothing immoral and unethical has occurred. The important thing is that the OPPORTUNITY for unethical behavior was there, and probably has been there on many other occasions with other officials.

With millions of dollars of tax money to spend or spurge, TVA has a long arm. That's why TVA needs leadership of the highest moral character, not men who peddle lies and hide behind closed doors. Mr. Wagner thinks he is invulnerable, but then so did Wilbur Mills and Richard Nixon.

Sincerely,
Bendish Davis

Appreciates Herald Effort

Dear Mr. Cate: I'd like to express my appreciation to you for "The Herald".

I am a regular subscriber and on Wednesday, I always stop at Goin's store (I teach at Eaton School) and buy an additional copy to take to school on Thursday.

We were very proud of the write-up and picture which you published of our church here at New Providence.

Moreover, Mr. Lamsford's "Good Old Days" column is unique and very interesting. It's one of the first things I am going to read.

You do a good job of giving us County news.

Yours truly,
Mrs. Lester Dutton, Route 5, Loudon.

FIRST AID CLASSES—The Vocational Health Occupational Education Class, coordinated by the Lenoir City School system and conducted at Loudon High School recently completed the Red Cross Multi-Media First Aid Course. The pictures show the students that took the course and a class session underway. The course consists of films, workbooks and practice sessions, and take eight hours of classroom training. Union Carbide Corporation Films-Packaging Division furnished the material and instructors to conduct the course. Instructors were James Cardwell and Gene Davis. Mrs. Charlotte Hall of Lenoir City is the teacher for the Vocational Class. Eighteen students completed the course and are qualified to administer First Aid.

RED CROSS TRAINING—Marvin Wilson and Douglas Montooth improvise a letter as Ebb Harris (victim) observes during a recent Red Cross Multi-Media First Aid Course for Union Carbide employees.

CARBIDE EMPLOYEES TRAIN—Union Carbide employees are shown during a recent Multi-Media First Aid Course. Danny Wayman and Jack Haun have improvised a litter and placed the victim (Jimmy Grimes) on it as Tom Matlock observes.

Complete Aid Course

Two Red Cross Multi-Media First Aid Courses were recently completed at the Union Carbide Films-Packaging plant in Loudon. Thirty employees took the courses given primarily to the Disaster Rescue Squad and members of supervision. Instructors were Nat Campbell, James Cardwell, and Gene Davis, assisted by Don Nichols and Tom Matlock. Another course is expected to be offered in January. Employees who took the course were Brenton Ward, Roy Julian, Eob Harris, Homer Cannon, Danny Wayman, Charles Haun, Weldon Johnson, James Pippes, Steve Allmon, Jimmy Grimes, Marvin Wilson, Douglas Montooth, Carlos Evans, Ronald Ledbetter, Jack Henderson, Lyn Bur-

Inflation Raises Market Value Of Local People

What price Loudon County residents? What is the current market value of the average local resident as far as the chemicals in his body are concerned?

Whether he realizes it or not, the cash value of the calcium, potassium and other goodies in his system has reached an all-time high. It is up 60 percent from what it was a mere five years ago and 570 percent over what it was in 1936.

These holdings cannot be really considered liquid assets. Converting them into cash would no doubt present their owner with a somewhat difficult problem.

The report on the chemical worth of humans comes from Dr. Donald T. Forman, a professor of biochemistry at Northwestern University.

On the basis of his findings, it appears that the average Loudon County resident harbors within his system an assortment of inorganic chemicals that are worth a cool \$5.69 in today's market. The same substance, identical in quality and quantity, would have brought no more than \$3.50 in 1969, he says. Inflation is to blame.

Going back still further, to 1936, the price then would have been only 96 cents, according to Dr. Forman.

At the present time, the population of Loudon County as a whole contains chemicals that would bring some \$137,200 if liberated.

As for the content of the adult body in percentage terms, he states that it consists of oxygen, 65 percent, carbon, 18 percent, hydrogen, 10 percent, nitrogen, 3 percent, calcium, 1 1/2 percent, phosphorus, 1 percent, and other elements, 1 1/2 percent, including small amounts of gold and silver.

Actually, according to Charles Allen Thomas, former chairman of the board of the Monsanto Company, the human body contains much more of value than these inorganic substances.

At an annual stockholders meeting he pointed out that the average person has within him more than a pound of enzymes and nucleic acids that are worth over \$800 in today's market.

One stockholder, hearing that, remarked that he would sell out and take his profit when it hit \$1,000.

MR. BLEDSOE
Alfred B. Bledsoe, age 82, of Route 4, Loudon, died Thursday, Dec. 12 at Loudon County Memorial Hospital. Survivors: wife, Mrs. Ella Bridges Bledsoe, Loudon; daughters: Mrs. Helen Monroe, Knoxville, Mrs. Ralph (Beulah) Garrett, of Dayton, Ohio, Mrs. Jimmy (Imogene) Mills, Loudon; Mrs. Earl (Norma) Hope, Madisonville; sons, John Henry (Tom), Lillard A. and Ralph E. Bledsoe, all of Loudon, Harley E. Bledsoe, of Washington, Arnold L. Bledsoe of Cleveland and Kenneth H. Bledsoe, of Etowah; 20 grandchildren; 17 great-grandchildren; nieces and nephews.

MR. TILLER
William Harrison Tiller, age 80, of 201 C Street, Loudon City, died Thursday, Dec. 12 at Loudon County Memorial Hospital. He was a member of First Baptist Church and was a retired brakeman for Southern Railway and a member of the Railroad Brotherhood. Survivors: four daughters, Mrs. Virgil (Georgia) Thomas, Loudon City, Mrs. Speck (Virginia) Kenney of Tusculum, Fla., Mrs. Ted (Sue) Carry, Virginia, Mrs. Paul (Barbara) Brewster, Oak Ridge; four sons, Jack of Loudon City, Bill of Florida, Jim of Georgia, Thomas G. of Loudon City; six grandchildren; two great-grandchildren; several nieces and nephews.

MR. WHITE
Purley White, age 66, of Vonore, died Thursday, Dec. 12 at P. Sanders Presbyterian Hospital. He was a Veteran of World War II. Survivors: wife, Mrs. Nellie Holloway White; daughters, Mrs. Margaret Buford, Loudon, Mrs. Shirley Gerry, Mrs. Pearl Lashley, both of Vonore, Mrs. Linda Williams, Malvern, Ark.;

Rev. A. A. Carlton officiated. Burial in City Cemetery. Click's, Loudon City, in charge.

MISS HARVEY
Miss Hester Mae Harvey, age 56, of Cave Creek Road, Route 3, Loudon, died Wednesday, Dec. 11 at University Hospital, Knoxville. Member of Cave Creek Missionary Baptist Church.

Survivors: six brothers, Martin, George, Clyde, Frank Harvey, all of Loudon, Tom Harvey, Kingston, Avery Harvey, Loudon City; one niece, five nephews.

Funeral services were held Friday at Kyker's Chapel. Rev. Frank B. Kagle officiated. Burial in Loudon County Memorial Gardens. Kyker's, Loudon, in charge.

MRS. LUTTRELL
Mrs. Carrie D. Luttrell, age 83, died Wednesday, Dec. 11 at Little Creek Hospital. She made her home with her daughter, Mrs. J.C. (Virginia) Justice of Concord. She was a member of Lee Heights Baptist Church.

Survivors: daughter, grandchild, Joe R. Justice; great-grandson, Matthew Farrell Justice; brother, J. Birch Holloway, Ten Mile; several nieces and nephews.

Funeral services were held Friday at Click's Chapel. Rev. D.O. Johnson, Rev. Don Hubbard officiated. Interment, Virtue Cemetery. Click's, Loudon City, in charge.

LICENSED TO PREACH—Roy Paul Hodge (left) and Steve Cannon (right) were licensed to preach by the First Baptist Church of Loudon in special services Sunday conducted by Rev. Milton Bodlein, pastor. Both young men are seniors at Loudon High School and plan to attend Carson-Newman College. Hodge is the son of Mr. and Mrs. Jack Hodge and Cannon the son of Mr. and Mrs. Homer Cannon, all of Loudon.

Lenoir City Elects New Councilman

One new member was elected to Lenoir City Council and one to the School Board in the city election held recently. In a moderate turnout, 1968 voters cast ballots.

Five of the incumbent city councilmen, one school board member, Mayor Joe Grayson and Treasurer-Recorder Henry Foster, were returned to office.

J.W. (Hank) Skidmore, an Oak Ridge worker, finished fourth in the city council election and replaces John

Roberts. Nelson Wilkins was elected to the school board over Barbara Elkins.

Elkins drew 57 votes on a write-in campaign, after she was disqualified by the election commission for not signing her qualifying petition.

Incumbent Bob Casick was re-elected to the school board for a two-year term, defeating Kenneth Flynn by 12 votes, 499 to 487.

Foster and Grayson, both running unopposed, led the ticket. Foster polled 691 votes, one more than Grayson at 693. Vice-mayor Harry Wampler led the councilmen with 6.8

votes. Curtis Keener had 664, beating Don (Red) Kelley by two votes at 662.

Skidmore, with 625, was fourth followed by Tommy McNabb with 606 and Nathan Tinder at 576.

Roberts finished seventh with 512 votes, 63 less than Tinder, Ernest B. (Lambeye) Dalley received 247 votes.

Sixty-two paper ballots were cast, 50 at the Memorial Building and 12 at the Fire Hall.

Elkins ran a write-in campaign which calls for voting by the paper ballots. She got 57 of the 62 votes cast by the paper ballots.

TVA Coal Deliveries Up Sharply

Coal deliveries to TVA power plants are expected to increase sharply this week as production resumes at mines that were closed during the recent strike.

"The end of the strike does not solve all TVA's coal supply problems, but it does give us some time to reassess the prospects for the coming winter, rather than facing an imminent emergency as we would have if the strike had been prolonged," TVA Chairman Aubrey J. Wagner said today.

Wagner said it will take up to two weeks for some of the coal from reopened mines to begin arriving at TVA plants, and that the level of coal deliveries at that time should help in planning for coming months.

During the strike, coal receipts at TVA power plants have been running about 250,000 tons a week, only one-third of normal levels. In the weeks before the strike receipts were averaging about 600,000 to 700,000 tons.

"If coal deliveries return to that level, that could be

enough to meet TVA's needs for the time being," Wagner said. "Even with the recent cold weather and electric heating requirements, TVA coal consumption has been held below normal levels through large-scale power imports from neighboring systems, the cutback in power deliveries to AEC uranium enrichment plants, and voluntary reductions in power consumption by many users."

Wagner again urged power users to continue holding down consumption. "We are not out of the woods until TVA can begin to get these coal stockpiles rebuilt, and every bit we can gain through voluntary cutbacks in use is a help in that direction," he said.

Total coal available in TVA stockpiles at midnight Sunday was 3,688,000 tons, a decline of 358,000 tons in the past week. However, the decline is expected to ease to a much slower rate as TVA receives increasing coal deliveries from the reopened mines.

"We cannot yet rule out the possibility of power shortages this winter, but obviously the

prospects are better today than they were when the duration of the coal strike was still uncertain," Wagner said. Guidelines in TVA's contingency plan for power shortages call for the agency to consider cutting back power deliveries if the coal stockpile total falls to 3 million tons, depending on the overall coal supply outlook at that time.

"Because of the complexities involved in administering a program of mandatory power curtailments and the inevitable economic disruptions that would result, TVA feels that a mandatory program should be used only as a last resort," Wagner said.

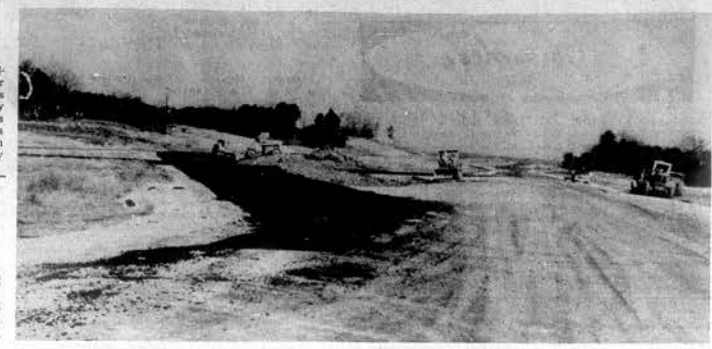

TVA is now getting up to 20 percent of its power supply through imports from other systems, including its scheduled winter receipts under seasonal exchanges that take place each year with several systems. These are based on the fact that most neighboring power systems face their heaviest demands in summer, while use of electric heat in the Tennessee Valley produces a winter demand

peak for TVA. TVA also is buying additional power from other systems. These purchases generally are more costly than power generated at its own plants, however, and this added cost is a major factor in the scheduled rise in January electric bills.

Bowers Is AF Grad, In Kansas

Airman Hugh Bowers, son of Mrs. Mildred P. Brewer of 210 Collins St., Loudon, has graduated at Chanute AFB, Ill., from the U.S. Air Force fuel specialist course conducted by the Air Training Command.

The airman, now trained to receive, store and issue petroleum products, is being assigned to McConnell AFB, Kan., for duty with a unit of the Strategic Air Command. Airman Bowers is a 1974 graduate of Loudon High School.

ONE OF THE CROSS-OVERS—This is one of two cross-overs that are on each side of the I-75 river bridge

cutting the interstate to two lanes for a 1.2 mile distance due to work that is continuing on the bridges.

New Regulations For Home Sewage Disposal Adopted

New regulations covering the installation of home and business subsurface sewage disposal systems are now in effect in Loudon County, according to Carolyn Beard, M.D., of the Loudon County Health Department.

These new regulations cover the design, installation and repair of systems that utilize septic tanks and field lines for the disposal of sewage under ground within Loudon County. The new statewide regulations are being administered through the Environmental Health Section of the Loudon County Health Department.

The last General Assembly passed the Subsurface Sewage Disposal Act which called for the promulgation of new statewide regulations. Prior to the passage of this Act there were over 20 counties in the state which did not have regulations covering the installation of subsurface systems.

The new inspection system

will utilize the identification of soils as the primary method of determining the size of the needed systems. The older method of percolation testing or the proposed building sites may be utilized now in certain restricted situations.

Under the new regulations subsurface disposal systems must be approved by the local health department to operate. Local home owners who must repair or alter their disposal systems also are required to obtain a permit from the local health department. This process is designed to allow the Loudon County Health Department's environmental section to assist the home owner so as to give the home owner greater assurance that the modifications will correct the problem.

For copies of the new regulations or more specific details contact the Loudon County Health Department, Loudon, Tennessee, Phone 458-2662 or 458-2514.

VIEW FROM THE HILL

by Edward Headles
Loudon County School Superintendent

Beginning on Saturday, December 21 the superintendent's office will be closed until Monday, January 6 for the Christmas holidays. Since the schools will not be in the papers during these two weeks, we wish everyone a very Merry Christmas and a most Happy New Year.

State Approval
Quite a bit has been said recently about the possibility of Loudon County's equalizing funds being withheld by the State Department of Education unless the building program gets underway. At this time we do not know for certain that this will happen, but the possibility exists and you, the citizens of Loudon County should be aware of it. I will do all in my power as your superintendent to prevent the closing of our schools, but I am only one voice in a county of 25,000 people.

School Buses
By this Thursday (unless something happens) I will have ridden 26 of the 27 buses in the Loudon County system.

Since the 27th bus is a ten-passenger van, I cannot ride that route. This is the goal I set in September and the experience has been valuable.

Legal Notices

NOTICE TO CREDITORS
Estate of Lewis M. Hoover, deceased.

Notice is hereby given that on the fifth day of December, 1974 Letters Testamentary, in respect to the Estate of Lewis M. Hoover, deceased, were issued to the undersigned by the County Court of Loudon, Tennessee. All persons having claims matured and unmatured, against the said Estate are required to file the same with the above Court within six months from the date of the first publication of this notice, otherwise their claims will be forever barred.

This December 5, 1974.
John M. Hoover,
Executrix of the Estate of Lewis M. Hoover, deceased.

LET'S NOT FORGET THIS . . .

"And they shall bring forth a man, and they shall call his name Jesus. For he shall save his people from their sin." Matthew 1:21

"For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

"For God sent his Son into the world to redeem the world, but that the world through him might be saved." John 1:11

"We invite you to celebrate the birth of our Saviour by attending church this week and by opening your heart to receive him."

1974

We received last week. It is a picture of the old Blair's Ferry, making a trip across the river. You will note that the river is much narrower because this was the days before the dams were built, which made the river much wider. We think maybe this picture was made from an airplane many many years ago. Note the shadow, which we think might be an airplane wing, but maybe there is another answer. What's your idea? Anyway, the picture shows the house where the Berry family lived for many years and also shows the old cable towers, which guided the ferry across the river. This picture was taken years before the Union Carbide plant was built on the Blair farm.

We think maybe this picture was made in the 30's from what we can tell about the old cars on the boat. Note the houses on the right of the picture which indicates it was taken down river. There are some barges on the Loudon side which could have been owned by the Loudon Sand and Gravel Company. Or it could have been made during the construction of the highway bridge. These are just some thoughts, we really don't know exactly when it was taken. Maybe our readers can help.

We would like to thank Mrs. Aline Franks of Loudon for loaning us this interesting old picture.

Our other picture this week comes to us from Mrs. Ada Guider of Route 3, Lenoir City. It is an interesting old picture of a girl's basketball team. Note the unusual dress of the girls who played basketball in those days. Really something, wasn't it? This picture was made at Meadow School in 1927. Don't know what kind of a record this team had. Those identified are as follows: front row, Mrs. Johnnie Mae Ward, Eva Craig, Anna Huffman, Back row: Mildred Curtis, Mrs. Hazel Kiser, Mrs. Ada Guider and Mrs. Verla Thompson.

We are sure this old picture will bring back memories to many of those who were a part of this era of the Good Old Days. We appreciate Mrs. Guider thinking of the Good Old Days.

Well, that's it for now. See you next week.

BACK IN THE GOOD OLD DAYS

Some of the greatest memories from the Good Old Days are linked to things now gone from the daily scene. We have written a lot about the railroad and the old depot, and

of our town. It, for the most part, will never be recorded on the pages of history but old places and events are all interesting part of our town's history.

Another place and thing that brings interest and vivid color to our town's history is the old Blair's Ferry. Of course, it remains but a memory to so many of us. Each time we write something about this old ferry we are swamped with calls and comments from our readers, many from out of state.

Our thinking along these lines came from an old picture

Loudon's Best Yule Gift -- I-75 Opens

TRUCK DRIVER FREED-Ambulance Service Director Bill Sweet helps Crite Motor Carrier truck driver Floyd Elmore through the windshield of his overturned tractor Friday after wrecker crews, ambulance attendants, rescue squadmen and county deputies freed him from the wreckage. Elmore was trapped for almost an hour before being freed. He was treated and released from Loudon County Memorial Hospital with arm, face and leg cuts. The accident occurred about 1:30 p.m. on U.S. 11 just south of Loudon City. The northbound truck left the road after coming up behind stopped traffic just over a hill.

THAT MAKES IT OFFICIAL-Governor Winfield Dunn and Loudon County Junior Miss Pam Smith had just cut the ribbon of dollar bills officially opening the final link of I-75 in Loudon County Friday afternoon. At left is State Transportation Commissioner Bob Smith and at right is Loudon County Representative Benny Stafford, who was master of ceremonies at the event attended by 200 to 300 persons.

A day Loudon Countians, especially businessmen along U.S. 11 in Loudon City and Loudon, have been waiting for a dozen years finally came Friday. About 1 p.m. Governor Winfield Dunn cut a ribbon that officially opened the section of I-75 between Loudon City and Athens to traffic.

At first only a modest amount of traffic was allowed, but by 3 p.m. it was full flow and it came from the south. The last big traffic jam on U.S. 11 in the two cities clogged the area all day Friday as south-bound tourists and local Christmas shoppers tried to get wherever it is they were going.

A crowd of some 200 to 300 persons gathered at the speakers stand on I-75 just south of the Highway 95 interchange for the brief highway opening ceremony.

Governor Dunn and a contingent of some 20 people arrived in two National Guard helicopters about 2:10 p.m. He was greeted by a host of supporters and music provided by the Loudon High School band.

About 20 people were on the speakers stand with Governor Dunn, Highway Commissioner Bob Smith and Loudon State Representative Benny Stafford.

Benny Stafford, who was master of ceremonies for the event, others included other highway department officials, Mayor Eugene Larnbert, Joe Grayson, Roy Blodgett and Tom Fwyter, members of county court and former Loudon County Judge Harvey Sprout. County Judge Bill Russell was slated to introduce Governor Dunn, but he was at home recovering from a virus.

After the Governor's remarks, he, Commissioners Smith and Loudon County Junior Miss Pam Smith cut the ribbon officially opening the highway. The Governor's party left immediately for Athens for the final ceremony of the day, marking the opening of three sections of Interstate Highway in East Tennessee.

"This is a moment for which we have waited a long time," the Governor said, "dedication of this final link of I-75 between Knoxville and Chattanooga."

He said the 22.4 mile section of I-75 from South of State Route 30 to State Route 95 from Loudon City to Athens represents a cost of \$43.1 million. "It has been badly needed for a number of years by our traveling public and it is a source of gratification to me that it has been completed during my administration," the Governor said.

"The only work remaining to be done is the sealing of twin bridges over the Tennessee River and the work will be resumed when the weather improves," he said.

The Governor commented, "This is one of three sections totaling 95.3 miles and costing more than \$4.8 billion that we are dedicating today. The other two sections are a 21.4 mile section of I-40 between Knoxville and Dandridge, and a 42-mile section of I-81 between Blountville and Greeneville.

"Opening of all three of these sections makes a total of 194.3 miles of interstate that have been completed during my administration. When I took office in January 1971, there were 761 miles of interstate open and today the figure is 955 miles. This is out of a total of 1,945 miles of Interstate allocated to Tennessee. We are within 89 miles of total interstate completion. Of those remaining miles, 62 are already under contract to be completed and under contract during my administration.

"I am proud of the \$273.2 million in interstate projects both completed and under contract during my administration.

"In addition, we are making tremendous progress in upgrading our entire highway system in Tennessee and much progress in planning for the future.

"The lifeline of our state is in its transportation system, and progress—or lack of it—can make or break our state's economy.

"The opening of this final link of I-75 between Loudon City and Chattanooga is a significant step in our lives today and is a significant step on the way to our continued progress in the future. I am proud that I have had a part in this progress," the Governor closed.

Tests Confirm Body Is Littleton Girl

The remains of a human body found recently in McMinn County were identified Friday night as those of 17-year-old Doris Littleton of Loudon City. Sheriff Guy Russell said Saturday. Sheriff Russell said that tests earlier had confirmed that the bones found were from a young female and that dental record comparisons completed late Friday confirmed that it was the remains of the Littleton girl. The girl disappeared from the home of her aunt and uncle, Mr. and Mrs. Troy Pesterfield on October 11. She had lived with the couple since July.

Sheriff Russell said that McMinn County officers are heading up the investigation but that his office would be involved and at this time it is not known what the cause of death was. He said earlier that the body was found on a dead end rural road near Watts Bar Dam and would not speculate whether or not the girl had been murdered.

MISS LITTLETON

Gas Use Still Far Above Allocation

Loudon Utilities Manager Charles Burnette said this week that consumption of natural gas by the 500 customers using it in the Loudon area, is still running over the amount being allotted by the supplier, East Tennessee Natural Gas. He again called for users of the fuel to adopt stringent conservation measures. Last week it was announced that the allotment of natural gas (Continued on page 4)

Fred Howell Cleared Of Dyer Murder

Fred Howell, 77, of the Highland Park area, near Loudon City, was cleared of a charge of murder in General Sessions Court at Loudon Friday.

Howell was charged in the shooting death Nov. 26 of Kenny Dyer, 26, also of Loudon City.

Howell testified before Judge Tom Ingram that Dyer came to his home about 3 a.m. that day and was intoxicated. Dyer asked to see a 15-year-old girl staying in the Howell house that night and when she refused to leave with him Dyer became abusive, the defendant said. Howell said he repeatedly asked Dyer to leave and then pulled a .22 caliber pistol after Dyer tried to hit him. He fired one shot in the ground through the screen door leading from the kitchen. As Dyer advanced shouting "You will have to kill me," the shot struck him in the side, Howell said he shot one time, and he died two hours later in a hospital emergency room, trying only to wound the man.

Greetings Issue Is Last For This Year

This Christmas issue of The Herald, marks the final issue of the year. As has been the custom of The Herald for many years there will not be a paper the week following Christmas.

"Our regular publication schedule will resume the week of January 6," Editor Larry Cate said.

"Although we will not publish, members of our staff will continue to seek and report all the news happenings in our readership area and they will be included in our first publication of 1975," Cate said.

FAGG HOME DESTROYED-A fire which reportedly started at a fire in the living room of the home of Mr. and Mrs. Joe Fagg, Ridge Road, near Davis School, destroyed the five-room frame home Wednesday morning. The couple managed to save a few of their belongings and some furniture, but most were lost in the blaze. Several neighbors tried in vain to contain the fire. Mrs. Fagg said she was next door at her daughter's mobile home when her husband yelled that the house was on fire. She said that only a small blaze was visible around the flue, but that only a small blaze was visible around the flue, but that attempts they made to put it out were not enough. The house burned to the ground in about a half hour.

SIGN ERECTED-The sign that marks the new location of The Herald office on Mulberry Street near Loudon High School was erected late last week by Farris Sign Company. The office will open in its new headquarters on January 2.

Herald To Open New Office On January 2

"Provided it does not snow, the members of the staff are not hospitalized from exhaustion from our Christmas rush, and a thousand and one other things get done, the Herald will move into its new home on December 30," Herald Editor Larry Cate said this week.

The new office, a 2,300 square foot building, formerly a residence, is located on the northwest side of West Lee Highway, near the Loudon High School campus. Renovations inside the building, erection of a driveway and parking area in back for employees, were completed this past week.

The Herald office has been located on Cedar Street for the 14 years the present ownership has operated the paper. Editor Cate said that growth over the years has demanded the paper find a larger headquarters and that the location on Highway 11 was the most convenient to be found during a year-long search.

Where the present office has the reception area, sports department, office supply sales and advertising department all in one large room, each will have a separate room in the new location.

The Cedar Street office will be open Dec. 26 and 27, then will close for the moving process. The editor said that the new office will open on Thursday, Jan. 2.

DECEMBER 23 1974

Letters To Santa

Dear Santa

I would like a pogo stick. A bag-a-boo game and a spin-welder car set, a matchbox super station. And a pleasure car set and a Matchbox city

and a Magic eight ball, a electric train with a automatic crossing gate, and a game of battle ship, and a electro shot shooting gallery. A record player a tape recorder a bean

bag chair a pool table. Love, Noel McJunkin

Dear Santa,

I want a baby a lively and kitchen set. Love, Denise Green

airplane builder set, electric organ, airplane guitar for Christmas, Christmas toys Brian Trent Myers

Dear Santa Claus

I want a big wheel and clothes and a car and football, lamp and a gun set with a rifle

and a stocking full of candy. Derick

Dear Santa, Will you please bring me a mini-bike. I don't no how to spell evel will you bring it, and a walkie Talkies and a gun set and a G.I.O. set and race car

and a mottle airplane. Bobby Jones

Dear Santa, I want Baby alive and Barbie bicycle, Barbie beach bus. Barbie swimming pool. Love, Dana Ann Wiggins

Jacobs-Williams Nuptials Planned

Mr. and Mrs. J. W. Jacobs, Sr., Route 4, Loudon, announce the engagement and forthcoming marriage of their daughter, Nancy Mae, to Joseph Ralph Williams, son of Mr. and Mrs. Fred L. Williams, Route 2, Loudon.

The wedding will take place Saturday, December 28 at 6 p.m. at Blairland Baptist Church in Loudon. No invitations are being sent. All friends and relatives of the couple are invited to attend.

Reception To Honor Bradleys Jan. 5

Mr. and Mrs. C. O. Bradley, Sr. of Philadelphia will be honored with a reception on Sunday, January 5 from 2 to 4 p.m. at the Philadelphia Lodge Hall in observance of their 50th Wedding Anniversary.

Mrs. Bradley, the former Miss Johnnie Mae Rhynes, and Mr. Bradley were married on January 4, 1924.

They are the parents of six children Mrs. Irene Stockton of Philadelphia, Mrs. Jean Allison of Madisonville, Mrs. Pat Wells of Athens, James Bradley of Sweetwater, C. O. Bradley, Jr. of Loudon, and Mrs. Lucile (Boots) Brookshire, deceased. They have 10 grandchildren and five great-grandchildren.

Woman's Club Has Annual Yule Dinner

The Loudon Woman's Club held its annual Christmas party on December 12 at the lovely new home of Mrs. Charles Harrison. The evening began with a buffet dinner served before a cheerful fire in the large stone fireplace. Mrs. Harrison's co-hostesses were Mrs. Mary Evelyn Chibanz, Mrs. Hilda Farnes and Mrs. Jean McCall.

Mrs. Ball Hosts Garden Club

The Loudon Garden Club met on Wednesday, December 11 at the home of Mrs. Essie Ball for a Christmas party and luncheon.

Mrs. Della Chambers presented the devotions "I Will Make Room In My Heart for Jesus". Mrs. Gladys Arp, president, presides over the business meeting and plans were made for the annual flower show in April.

Blue ribbon winners for Christmas arrangements were Mary Johnson, Marita George, Della Chambers and Charlotte Hodge.

USE KITCHEN APPLIANCES WISELY TO SAVE ENERGY

By: Bonnie F. Sheeley
Assistant Extension Agent

To help conserve energy, use your kitchen appliances wisely. When cooking most foods, turn the range to a high temperature then reduce heat to the desired cooking temperature to save energy. On the range burners or surface units use utensils that fit, and flat-bottomed pans to absorb more heat. Tight-fitting lids on pans also help conserve heat.

Plan ahead when using your oven, filling it to capacity. If you are preparing only one item, a small portable appliance uses energy more efficiently. Before putting your food in the oven, check the required time for preheating and baking. Unnecessary opening of the oven door lowers the temperature and wastes energy.

Refrigerators and freezers consume large amounts of energy; so avoid unnecessary openings of these appliances and defrost properly. If you defrost manually, do it before frost builds up to more than one-fourth inch thick.

Adjust refrigerator or freezer doors so they close tight. You can test the door fit and gasket seal by closing the door on a dollar bill. If you can remove the dollar, have the gasket and door fit checked.

Around the refrigerator or freezer motor and compressor, allow for a free flow of air. Locate your refrigerator or freezer away from heat source, such as the range or hot air register.

Before leaving for an extended time, unplug the refrigerator, empty it, clean it and leave the door open.

Keeping your appliances clean and in proper working order provides better service and conserves energy.

Magnavox Videomatic Color TV adjusts its own picture to changing room light - automatically:

There's an "electric eye" which watches for changes in room light. When the room is bright, the picture should be brighter or it would be washed out. The Videomatic "eye" automatically turns up the brightness, color and contrast. In a darkened room the "eye" senses that too bright a picture would glare or lose contrast, so it automatically turns down the brightness, contrast and color.

AT HIGHWAY OPENING CEREMONY—Part of the crowd that gathered on I-75 near the Highway 95

interchange Friday for the opening of I-75 in Loudon County are shown in front of the speakers stand.

GOVERNOR WINFIELD DUNN is shown making a brief address at the ceremony marking the opening of I-75 through Loudon County Friday afternoon. In the background are Pam Smith, County Junior Miss; State Representative Benny Stafford, and Highway Commissioner Bob Smith.

Charles Wayne Millsaps will celebrate his first birthday on December 22. He is the son of Mr. and Mrs. Ralph Millsaps, Loudon. Grandparents are Mr. and Mrs. Ernest McDonald of Loudon and Mr. and Mrs. Ben Millsaps of Madisonville. Great-grandparents are Mrs. Perry Casteel, Lenoir City and Baskin Stiles of Madisonville.

HIDING PLACE—A 2000 gallon water tank stolen from McKinnon Bridge Company's I-75 bridge project was found hidden in this tractor trailer truck at a service station Wednesday shortly after it was stolen. Service Station manager Charles Lester, owner of the truck was charged with receiving and concealing stolen property, by Deputy Lucian Kent.

Lester Charged With Stealing Water Tank

A Lenoir City service station owner, Charles Lester, was charged with receiving and concealing stolen property Wednesday after a 2000 gallon water tank taken from a construction job was found in a tractor trailer at the station. Deputy Lucian Kent said that about 5:30 a.m. Wednesday he noticed a tractor trailer truck at the I-75 river bridge but thought it was working on starting in work early. About 8:30 a.m. McKinnon Bridge Company reported that the tank was stolen. Deputy Kent said he followed a trail of frozen water from the place the tank was stolen to Lester's Texaco Service Station on Highway 95 at the I-75 interchange. The tank was in the rear of the truck covered with a tarpaulin. The truck and station reportedly belonged to Lester. He has been placed under \$3000 bond pending hearing in General Sessions Court.

Gas Use Still Far Above Allocation

(Continued from page 1) had been cut by 30 percent for December through March. "If our present rate of consumption continues we will run out of natural gas sometime in March," Burnette said. "The closing of local schools for the Christmas holidays, also business and industrial closings for the holidays will ease the problem somewhat, but one of two days of extremely cold weather will wipe out these savings," the manager continued. Burnette said the over usage of this point is not critical, but if it continues at the present rate, there will be a problem in March. He urged users of natural gas to follow the same guidelines which have been published and broadcasted for the conservation of electricity.

Tavern Operator Cleared Of Shooting

Doug McCulloch, 38, owner of Midway Tavern on old highway 96 near Lenoir City was cleared of felonious assault charged in General Sessions Court Friday. The charges grew out of a shooting incident at the tavern in October where McCulloch wounded Don Waldrop during an incident at the tavern.

I sell money, two kinds of money.

Let me show you how easy it is to buy both kinds of money at the same time.

Deaths

MR. SCOTT
George Wright Scott, Jr., age 26, died in High Point, N.C.

Survivors: parents, Mr. and Mrs. George Wright, Sr. of High Point. Funeral services were held Saturday at Prospect Baptist Church. Rev. Bernard Courtney officiated. Interment, Prospect Cemetery, Karnes Funeral Home, Loudon, in charge.

MRS. SIMPSON
Mrs. Pearl Simpson, died Friday, Dec. 20 in Bostrap, Texas.

Survivors: daughters, Mrs. Dorothy Biggs, Bostrap, Texas; Mrs. Nina McConnell of Austin, Texas; son, Samuel D. Simpson, Jr.; 14 grandchildren, seven great grandchildren. Funeral services will be held Monday at Karnes Chapel. Rev. W. H. Honer and Dr. Harrell Russell officiated. Interment, Steeple Cemetery, Karnes Funeral Home, Loudon, in charge.

MRS. JONES
Miss Ann Mathis Jones, age 85, 600 Mulberry Street, Loudon, died Wednesday, Dec. 18 at Johnson's Nursing Home.

Survivors: sister, Mrs. Margaret Roberson with whom she made her home; several nieces and nephews. Member of the Loudon United Methodist Church and DAR. Funeral services were held Thursday at Karnes Chapel. Rev. W. H. Honer, Dr. Harrell Russell officiated. Interment in Steeple Cemetery, Karnes Funeral Home, Loudon, in charge.

completely ransacked, mirrors and furniture smashed, windows broken out. Deputy Jake Chapman said it was a mess. The three defendants in the armed robbery were also charged with receiving and concealing stolen property as a result of that incident.

The money stolen from Joker Joe's in the armed robbery was later found in a garbage can outside the Littleton home it was reported. Sheriff Guy Russell said the cooperation among the three law enforcement agencies made the quick arrests possible.

MOBILE HOME VANDALIZED—This scene in the bedroom of a mobile home that was burglarized and vandalized near Loudon Wednesday night is typical of the condition it was in after burglars finished with it. Three men have since been charged in the incident.

Arrests Solve Armed Robbery, Home Breakin

Loudon County Sheriff's Deputies, Loudon City Police and Monroe County Deputies in a combined effort Thursday morning, arrested three Loudon County men in connection with an armed robbery of Joker Joe's on Highway 11 just across the Loudon-Monroe County line. It later led to the solving of a break-in at Loudon that occurred the same night. Three men armed with a pistol held up the gift shop getting away with \$200 in cash. Loudon County officers Larry Proups and J.W. Maah-

burn started checking out area roads after receiving a description of the car, shortly after the robbery took place at 3:45 a.m. Thursday. Later, city officers John Mills and Troy Burton stopped a car containing one of the suspects near the Loudon hospital. A short time later the Loudon County officers, the city officers, joined by two Monroe County officers and two more Loudon County Deputies, Jake Chapman and Allen Clemmer, arrested the other two suspects in a house on Highland Avenue in Loudon. Charged in Monroe County with armed robbery were Gary Packett, Wayne Packett and Jerry Littleton. In Littleton's home, where he and Wayne Packett were arrested, officers found a television set, camera, box of hand tools and a skill saw which were later identified as taken in a break-in at the mobile home residence of Joe C. Felner and Ken Brown on Matlock Bend Road. The mobile home was broken into sometime after midnight Wednesday. It was

LOUDON HIGH SCHOOL CHEERLEADERS—The 1974-75 Loudon High School Cheerleaders are from left to right front row: Captain Shannon Locke, Libby Varner, and

Jewel Horner. Second row left to right: Kathy Estes, co-captain, Mary Watson, Jeanine Purdy, Teresa Everett and Teresa Lindsay.

Speaking Of Sports . . .

. . . by Danny Gibson

Cheerleaders Unsung Heroines Of Local High School Sports

Ever thought about being a cheerleader? Sissy stuff, eh! Well most cheerleaders we see in the high schools and junior highs are girls and they are supposed to be the "sissy" type, at least at the sandlot level of the sports scene where "guys" are men and...and girls are just girls.

But, as the boys actually grow into the athletes of the community, those tom-boy girls often find themselves still on the scene, but as a spirit motivator, some one to inspire the adrenalin to flow even more, A CHEERLEADER.

We would like to see boys involved in the cheerleading squads. An athletic boy of course, a football player who has not the skills of a sharp shooting basketball player, a baseball player who must wait until spring to grace the athletic field, or a basketball player waiting for the grid season to wind up so that the hardwork campaign might tip off.

Did you know that a large majority of the men cheerleaders in college are fine athletes, or were standout prep athletes that were just not hardily talented enough to make the college level in athletics.

We don't classify them as sissy, better not some are a good 200 pounds and 6-2. Yet they make the gymnastic part of cheerleading a more appealing and stimulating force upon the sport fans.

Think cheerleading is a breeze? Loudon County high school cheerleaders say not. "It's just as expensive, time consuming, and rewarding as that of a basketball player or football player," says Kathy Steel, Greenback senior cheerleading captain.

"You have to practice for perfection on dozens of cheers, and some times provide your own transportation to far away athletic games," states Lenoir City's Melinda Eastham.

"Signs, baking, lengthy practice, victory, and defeat," lists Loudon's cheerleading Captain Shannon Locke as a rugged routine not designed for just a chance to see the game.

The Loudon Herald polled the practice, expense, reward, and the general life style of what goes into being a cheerleader in each of the county's three high schools. Greenback, with six cheerleaders, say they must start practicing together soon after they have had their spring tryouts so to be prepared for summer camp. Uniforms consist of at least, two for both football season and basketball season. The material and sewing is left upon each cheerleader to do.

Lenoir City cheerleaders, six this year, agree that practice and uniforms are often taken for granted by their Panther athletic teams and that school spirit is not always what they would like.

At Loudon the cheerleaders, eight members, described their feelings and reasons behind being a cheerleader at this. It takes equal time to be a cheerleader as does the time for a football team or basketball team to prepare for a game. The Cheerleaders at Loudon are elected each year. They practice during the summer to get down basic stunts and cheers for camps at various universities. These camp expenses rest with each cheerleader and merchants, car washes, odd jobs help provide the bulk of the

Champion Redskins Leave For Bowl Dec. 30, Still Need \$\$

The Loudon Athletic Booster Club was within a couple of hundred dollars of their prospective minimum goal of \$100 to send the Loudon Redskins football team to New Orleans for the Sugar Bowl as a reward for their outstanding season of 12 wins and no losses, thus bring to Loudon the Class AA State Football Championship for the second time in a five year span.

As of press time the club had \$4919.58. The club members were expected to keep their goal and expect to have the sum-by the latter part of the week.

The team and coaches are planning to leave around 5 or 5:30 a.m. Monday morning so as to arrive in New Orleans late Monday afternoon. The trip will consist of the Sugar Bowl game, Florida vs Nebraska, on Jan. 31, and three nights lodging. The team is expected to return by chartered bus on Thursday morning arriving in Loudon around 7 p.m. The team will also be given a tour of New Orleans during one of their afternoons there.

New donations not appearing in last week's Loudon County Herald are as follows:

LC Panthers Enjoy Top Record At Holiday Break

The Lenoir City Panther basketball team will enjoy one of the top season basketball records in District Seven during the Christmas Holidays.

The Panthers had to weather an overtime Thursday night at LaFollette, but came away with a 60-58 victory for a sparkling 8-3 season worksheet and a 3-1 mark in the league.

Graying Littleton, who has been in and out of the starting line up in recent weeks with persistent back ailment, came off the bench Thursday night to hit eight of nine shots from the floor and six foul shots to guide the Panthers to victory over the Owls with 22 big points.

Littleton dominated play in the overtime period by coughing in four of four shots at the foul line and then with the score tied 58-58 and LaFollette missing a one-and-one foul shot, he took a rebounding feed from Mike McConkey to swish the winning field goal in the last eight seconds of play.

Teaming with Littleton in scoring was Terry Parton with 12 points and Eddie Billingsley with 10. Howard Cusick dropped in nine points and hauled in seven rebounds for the night.

The Panthers were down as much as 11 points at one stage in the game but Coach Willie Joe Snalley's guni started to find the range late in the second canto and trailed by just one point at the half 28-27.

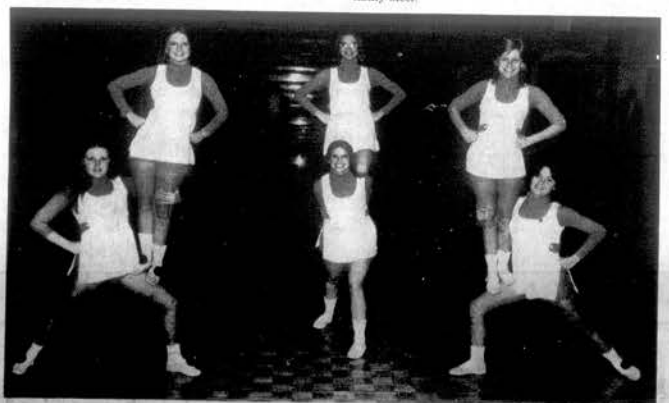

Lenoir City hit a torrid 53.2 percent for the entire game, making 25 of 47 floor shots. LaFollette hit 25 field goals also but on 37 attempts for a 38.8 percentage. Lenoir City pulled the win out at the foul line making 10 of 15 as compared to the Owls' eight of 11.

LaFollette out rebounded Lenoir City 36 to 23.

GREENBACK HIGH SCHOOL CHEERLEADERS—The Cheerleaders of the Greenback Cherokees athletic teams for 1974-75 are from left to right: Jewel Dixon, Jill Bell,

Sandy Tarwater, Kathy Spangler, Gwen Thompson, and Kathy Steel.

LENOIR CITY HIGH SCHOOL CHEERLEADERS—The Panther Cheerleading squad of Lenoir City High School from left to right: Melinda Eastham, Sandra Morgan,

Cindy Queener, Elesia Brown, Ruthie Aijens, and Kelly Lawson.

Redskins Hoop Lads In Holiday Tourney

The Loudon Redskins of Coach Hugh Watson have been invited for a one game showing in the annual Maryville-Alcoa Jaycee Basketball Classic during the Christmas Holiday vacation break.

The Redskins are to face the Friendsville Falcons. No time or date had been announced for this year's classic, thought to be tentatively set for December 26, thru December 29.

Greenback Cherokees Split With Lanier

The Greenback boys paused for the holiday season with a winning note last Tuesday night at Lanier. The Cherokees, behind the rifle arm of sophomore Roddy Kizer, pounded the Eagles 60-55.

Kizer hit 10 of 18 foul shots and made seven of 18 baskets. The Cherokee sextet hit just nine of 42 shots for the game and Kathy Hammontree hit seven of those field goals. The

Cherokees senior led the team's offense with 14 points and had eight offensive rebounds. With Greenback shooting only 21 percent the Eagles failed to do much better hitting 15 of 60 for 25 percent. The Greenback guards were the victim of continual turnovers in the game. Coach Jerry Masingo called it his defensive corps worst showing. Nevertheless Greenback was credited with more team rebounds 37 to 31 over the victorious Lanier distaff.

GREENBACK SCORING LEADER—Greenback's point guard Mike Reagan lifts a smooth one hander against Walland Friday night. The hustling guard had 19 points in a losing effort as the Indians prevailed 64-54.

MELTON COMING ALONG—Loudon front line performer Rick Melton (41) appears ready to challenge for a starting job after scoring eight points in Loudon's loss to McMinn Central. The junior hustler has been slow to make the change from football to the basketball court.

DOUBLE TEAM FAILS TO HALT THE ARP—Loudon senior forward Donnie Thearp finds the hoop just as often with two defensive men on him as he does with one. The rangy 6-5 Thearp is in the top five of the district in scoring with over a 17 point scoring average.

LETTERS TO THE EDITOR

Larry Cate, editor
Loudon Herald

Dear Sir:
This is a note of "Thanks" to the Herald and Sports Editor Danny Gibson for the fine coverage of the "Loudon Redskins" football team. For we who have to work and can't attend the game, it's the next best thing to being there and we appreciate it.

Also a special thanks to The Hamilton National Bank, Don Carter, Inky Swiney, and Jim Curtis for their broadcast of the games.

Congratulations and "Happy Bowl Trip" to the coaches and team for an exciting season.

Merry Christmas to all.

Mrs. James M. Clark, Route 3, Loudon.

LHS Hoopsters Demolish Cats

The Loudon Redskins demolished Sweetwater Tuesday night in a couple of non-district games for both teams.

The Loudon girls had little trouble in skipping to a 20-5 halftime rout of the Sweetwater distaff. The Lady Redskins ended up posting a 63-21 triumph as reserves enjoyed the greatest amount of playing time.

Bernadette Locke led scorers in the game with 18 points for Loudon. Sophomore teammate Jennie Lefler launched in 14 points.

Beverly Barr and Renee Grizzle stole the show in the final quarter as they out scored the Wildcats 20-8. Miss Barr, who had 10 points in the game, hit six of seven foul

shots and made a field goal in scoring eight big points in the seven minute frame. Grizzle, a freshman, found the range with ease in tossing in four field goals for her night's total of eight.

Donnie Thearp put on a 22 point, 13 rebounds, and four assists exhibition before the Monroe County fans in setting the tempo for the Redskins. Thearp made good on 11 of 22 field goals for all his night's scoring.

Teddy Bivens was also instrumental in the Loudon scoring ripping the nets for 16 points.

Thearp (12 points) and Elvett (eight points) propelled the Redskins from an 11-7 first quarter deficit to a

game high scoring mark of 24 points. She is currently the number two scorer in the district with a 21.7 average in 10 games played.

All three of Loudon's forwards played well and were most instrumental in producing the win. With Lefler's key foul shots the long range gunner had 16 points

and Kim Brant Hoover also had 16 points and hit four straight field goals at one stage of the third period.

Loudon is now 8-3 for the season and should be in top strength by mid-January when forward Debbie Hawkins returns from a knee operation.

The Lady Redskins hit 26 of 57 shots for a fine 45.6 percent. But only cashed in on four of eight foul shots. McMinn Central hit 26 of 52 floor opportunities for a 38.4 percent. Nevertheless 14 of 21 foul shots aided them in keeping the game on the ropes.

Loudon had a difference of 10 in rebounding 38 to 28 as J. Purdy led the team with nine. Yarber Harrison had eight rebounds and Cindy Allison seven. Liz Delaney and Juliette Locke also drew praise from Loudon Coach Dewayne Arp for good play on the defensive end of the floor.

The Loudon boys were not as fortunate as their counterparts, losing to the Charger five 66-45.

Loudon, letting its record slip to 2-7, played reasonably well in the first half trailing by a score of 14-25. The Chargers took complete command in the second half with a scoring barrage of 30 to 19.

Loudon hit only 12 field goals in the game out of 50 shots for a cold 24 percent from the field. Forward Donnie Thearp caused the biggest portion of those shots for 24 points. Rick Melton's eight counters was the next best for Loudon.

Loudon hit 19 of 33 foul shots in the game. McMinn Central connected on 28 of 74 shot for 37.8 percent and made 10 of 18 foul tosses. The Chargers still rebounded Loudon 55 to 33. Donnie Thearp had 15 for Loudon.

Lady Skins Use Double OT To Down Central, Boys Fall

The Loudon Lady Redskins, although never behind in the game after the first quarter Thursday night, had to withstand two overtime periods to subdue home-standing McMinn Central 56-54.

The Loudon sextet trailed 12-10 after the first quarter, but a scoring spree by

McMinn Central (54) scored through 16 points. The Chargerettes chopped away at the lead as Loudon was guilty of numerous turnovers in the game. Finally a last second desperation shot by a Central forward knotted the score at 52-52.

Loudon controlled the overtime tip and with time running out Jennie Lefler hit two pressure packed foul shots to give Loudon the lead. But Central hustled quickly to

tie the score on a field goal and Loudon was unable to execute a play in the final 10 seconds of the overtime.

Bernadette Locke delivered a field goal in the second overtime and the Loudon defense came in time to shut off all possible scoring avenues as the game ended.

Miss Locke finished with a Curtis for their broadcast of the games.

Congratulations and "Happy Bowl Trip" to the coaches and team for an exciting season.

Merry Christmas to all.

Mrs. James M. Clark, Route 3, Loudon.

and Kim Brant Hoover also had 16 points and hit four straight field goals at one stage of the third period.

Loudon '39 Undeclared Team Recalled

With Loudon winning the State Football Championship in Class AA play just a couple of weeks ago with an unblemished mark of 12-0. The Herald was interested in just how Loudon football had fared in years past.

The first unbeaten team in the Loudon High School football history was the team of 1939. Coached by a master of his day, Yater. Breeding not only had an unbeaten team in '39 but also in 1940 and 1941. The three year span which actually had overtones from the close of the 1938 season and into the 1942 season is the longest unbeaten string of victories for the school.

The Loudon grid team of 1950 was next to post an unblemished record and in 1962 the Redskins were 11-0. The 1969 team had its record tarnished with a tie against Kingston, and the 1974 Big Red Machine had little difficulty in drawing the 1980 season and 1981 edition as all three produced unblemished records. Pictured on that first undefeated squad left to right front row: Halbert Robinson, Grady Bingham, Ben Furrow, Richar Blair, Earl Thomas

LOUDON'S FIRST UNBEATEN GRID TEAM—The 1939 Loudon Redskins were the first to ever wear the distinction of an unbeaten grid team at Loudon High School. The 1939 squad was to set a trend that lasted into the 1940 season and 1941 edition as all three produced unblemished records. Pictured on that first undefeated squad left to right front row: Halbert Robinson, Grady Bingham, Ben Furrow, Richar Blair, Earl Thomas

(manager), Sam Colville, J. I. Breezeale, Raymond Hill, and Hall Summers. Second row left to right: Kenneth Conner, Paul Fox, Gib Mills, Howard Schulten, Noah Purdy, Cotton Easter, Ben Cox, Earnest Wayne Curtis, and Leroy Custard. Third row left to right: Coach Yater, Captain Jim Blair, Co-Capt. Jim Thomas, Doyle Earls, Don Henderson, John Elkins, Bob Huff, and B. Rodgers Hodge.

The times and equipment have changed considerably from the 1939 era as noticed in a picture of that team seen in the Herald.

It is estimated that in the 1930s, 40 teams were in the state. The best way to get to the game was by horse and carriage. The journeying was a long one.

Games were played with such teams as Kingston, Loudon, City, Sweetwater, Newport, Knoxville, Karns, McMinn County, Madisonville, Maryville, Spring City, and in 1939 a over night stay in Trion, Georgia.

And it was not beyond some schools to use their football fields for actual cow pastures when not in use, and on occasions the cows were not removed until game time forcing extra observance in what area of the field you preferred to be blocked or tackled.

The single wing and the double wing were standard offensive formations. Extra points were rarely kicked successfully and when they were a bucket of dirt often accompanied the ball.

In those golden days the uniforms were not of the material we know today and the padding was on the order of paste board as to that of rubber and sponge as we use today.

The highlights of the 1939 season centered on a game with Sevierville, unbeaten at the time they played Loudon, the Redskins used touchdowns by All East Tennessee fullback Jim Blair and runningback Bud Custard to win 14-7.

The Karns game was called in the second half due to a driving rain storm with Loudon ahead.

Loudon City was surprised that year 30-0 after beating Loudon the season before 74-0. Krowan was also undefeated until they met Loudon that year.

Thus a football tradition of high caliber prep football play was born into the ranks of Loudon High School and still stands solid as shown with the with the champions of 1974.

SWEETWATER CREEK WORK—Work clearing Sweetwater Creek at Philadelphia part of the multi-million dollar Sweetwater Creek Watershed project is shown underway there this week.

FRED PIPPS, Chairman of the Loudon County Agricultural Stabilization and Conservation (ASC) Committee for the past twenty-eight years, receives a Certificate of Service from District Director, J. R. Gamble. Other Committeemen C. V. Duff and Bill Henderson look on. Pipp was elected a member of the ASC County Committee in 1945 and was selected as Chairman in the following year. Regulations now provide that a committeeman who has served three consecutive three-year terms is ineligible for re-election.

We have had several pictures of local train wrecks some of which were very serious. Possibly the worst train wreck in the Loudon vicinity was the Memphis Special derailment across the

railroad bridge. It cost the life of the engineer and the serious injury of the fireman. It was always considered a miracle that this wreck of a heavily passenger train did not kill a lot of people. At first it was

thought that the entire train went down the bluff, but, fortunately this was not true, we have searched for pictures of this wreck but to no avail. Mr. Frank Jones told us one time that he thought some of his relatives had some pictures of this wreck but possibly they could not find them after all these years. Our thoughts along this line were prompted by a picture sent to us of a train wreck which happened in our area but we are not sure just where. We hope some of readers might help us.

Our other picture this week is a picture of a memory board which was placed in the

Loudon First Baptist Church. It was the custom during World War II for churches to honor their men in the service of their country in this way. This one was designed to represent all branches of service and the men's names were under their particular branch of service.

I did know at one time how many Loudon Couintians served during World War II but now it slips my mind. As I recall it was a fantastic number.

Now and then I see things that I can readily connect to the Good Old Days era, things that bring back a flood of memories. The other day we

Sheriff Plays Santa At Youth Town

was in one of our local drug stores and I looked on one of the shelves and saw something that I didn't realize was still around. The item was Horlick's malted milk tablets. Maybe this does not ring a bell with you, but if you were around during the days of Lum and Abner on the old-time radio—you remember this was their sponsor for many years. I can't recall what the health benefits were that was advertised but the tablets were delicious. Thousands of people bought them because if you sent in a box they would send you Lum and Abner's picture. Everybody listened to them and wanted their picture, so, Horlick's sold a lot of their product for this reason. My family ordered one but I don't know what ever happened to it.

Sheriff Guy Russell of Loudon County helped play Santa recently for thirty boys at the Tennessee Sheriff's Youth Town located near Jackson.

Christmas with the boys on the campus of the 250-acre farm, which houses some forty neglected and homeless boys during the year.

He participated in the annual Tennessee Sheriff's Association Roundup held at Youth Town. Gifts took the form of clothes, food, and recreational equipment for Youth Town residents whose ages are between 8 and 18. Sheriffs from all over Tennessee shared their

While in Jackson, Sheriff Russell also attended training sessions concerned with the betterment of law enforcement in Tennessee. Special guests for the occasion were Miss Tennessee, Debby Kincaid and Carl Perkins, Country-Western star.

SHERIFF AT YOUTH TOWN—Sheriff Guy Russell and Tennessee Sheriff's Youth Town resident Rickey Getz are shown when the two met at the annual Youth Town Christmas party attended by the Loudon County Sheriff.

and a Jump-Leen. Thank
you.
Carol Williams

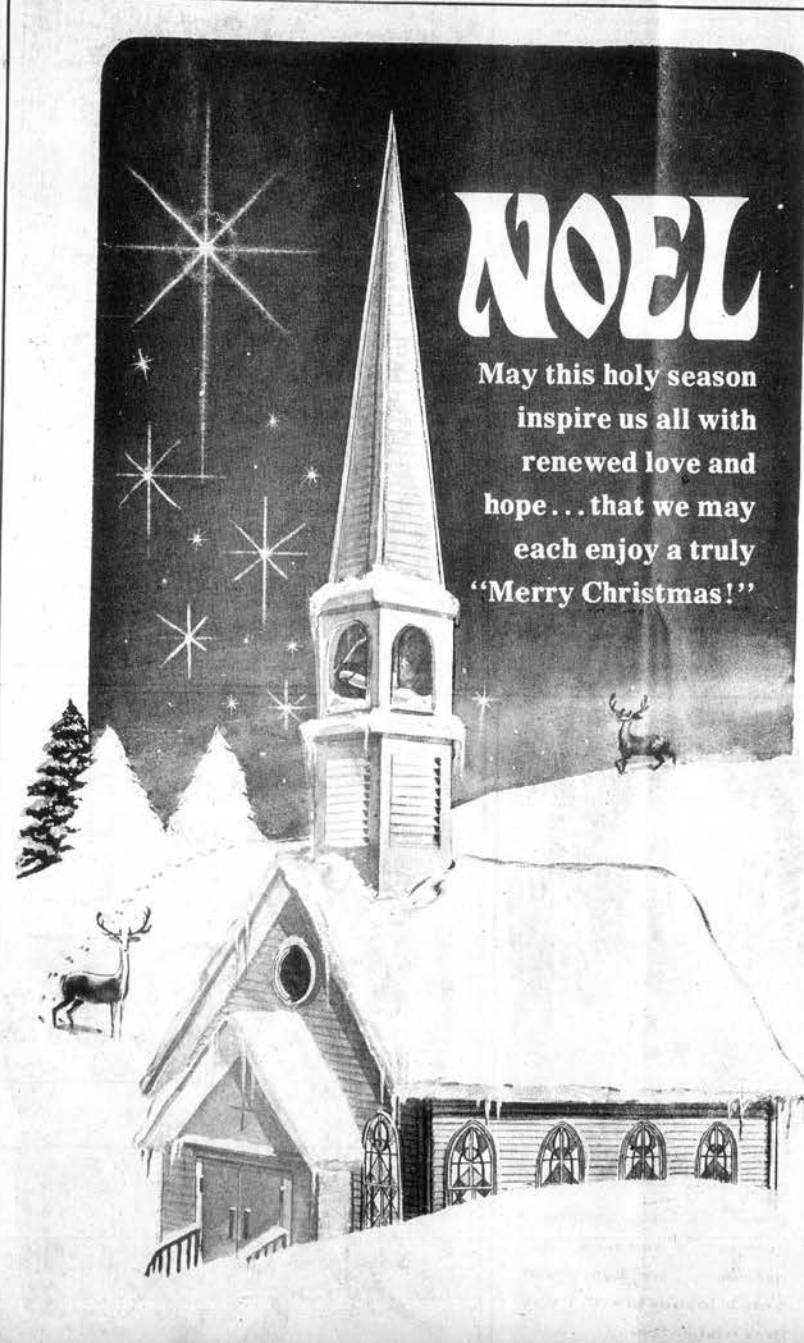

P.S. Remember I have a little
brother and a big sister.

Hi Santa Claus,
Please bring me a ball. I
want one of those things where
you drive a car into it and push
a button and the car goes up. I
want a tractor—a sort of big
tractor. Come down and see
us. Please bring me a teepee.
I'm gonna leave you out some
crackers and water. I want a
trailer to hook on back of the
tractor and I want play hay. I
want a toy car with wheels
that go round. I like you.
Thank you,
John McKeenan

Letters To Santa Claus

Dear Santa,

I want one of them things you look through and you see pictures and a G. I. Joe set. I want a Johnny Jump-O-Leen and one of those things they advertise on TV that's blue under. It and a bridge that a boat goes under. I'd like an umbrella to have when I get off the bus because it might be raining. I don't know what my brothers want but bring them something.

Thank you, Jerry Rhyme
P.S. I thought of 2 more things I really want—a big bass drum and an auto-harp.

Hi Santa Claus,
I want a baby doll and a hat

to wear to school and a baby bed, and a high chair for my baby, and a bicycle and an umbrella and something for my family—my brother, my mama and my daddy. Love, Sandra Maxwell

Hi Santa Claus,
I'm gonna give you some cookies and milk. Santa I want a big doll and I want a toy tiger pooch. I want a suitcase for Barbie and a Barbie doll. I want my sister to get a rattle. Give me some clothes. That's the end. Thank you, Tania Lambert

Hi Santa Claus,
Thank you for giving me present when its Christmas time. Get me a doll for Christmas—a big one. Thank you for it. Get me some blocks to make a house. Why don't cha get mama a ring? Why don't cha get my sister some blocks like me, to make a house? Get my Daddy a car. Get me a hair bow to put up my hair—cause I ain't got too many. After I get big, give me some fingernail polish. Thank you, Jennifer Tipton

Dear Santa Claus
I would like to have a hoser for my self and would like

have a car to play with when there nothing to do and a dog to play with but most of all I like to have a watch. Your Finder Joe Thompson

Dear Santa,
I have tried to be extra good this year. Please bring me a gunset and a car. Love you, Timmy

Dear Santa,
I have tried to be extra good this year. Please bring me a doll. Love, Melissa Fisher

Dear Santa Claus,
I want a radio, doll betorn diary and a record bocker ball and a book. Love Wanda PPrice

Dear Santa Claus,
I really don't know what I want for Christmas. But I guess walked doll. So I can walk with her. P.S. I see you soon. Love Betty Sherwood

Dear Santa Claus,
Please give me this for Christmas a baby alive doll and a toy dog that wags his tail walks and barks. Love, Joann Shaffer

Dear Santa Clause,
I want any thing for Christmas you can get me I don't care what but I just want any thing you get me but most of all things you get me I really want a green coat with fur a round the collar and fur around the sleeves is what I met by saying that. Love yours Pam Dodd

Dear Santa Claus,
I have tried to be good this year. I would like to have a autoharp and tape recorder with 10 tapes. Your pal, Frankie B.

Dear Santa,

*In true tradition of the story old
When the mystic sounds of the season unfold
The Hamilton family cherishes this reason
To bring to all, Greetings of this season.*

*Hark, the herald angels sing
Heralding the birthday of a King
May true peace and love surround your tree
Is the sincere wish of the Hamilton family.*

*Our family's joy is our service to you
Not only this season, but the whole year through.
Serving a community and people in which we believe
Your gift to us, the greatest we could receive.*

*We count the year's blessings at this season
And it's not hard to find the reason.
But one thing makes the Hamiltons beam
Our Loudon High Redskins Championship Team.*

*We supported the Redskins all the way
Like the Hamilton family, teamwork in every play.
We greeted you in Lebanon with hospitality
And watched with friends as the Championship
became reality.*

*Once again we give thanks for having shared in your life
To have laughed with you in joy, to have helped in strife
Through Bancshares and improved service, we're trying hard
Holiday lay-away, Golden Pass Book, Master Charge and
BankAmericard.*

*Three Big Stockings of toys and things are to give away,
There is now Can-O-Cash for gifts or to help you pay.*

*Ours is a daily, as well as a seasonal wish
That we have contributed along your way.
Our interest is personal and community wide
Plus the percentage on savings accounts we are able to pay.*

*May God bless the faith of all men
On this another joyous Christmas Day
May again the faces of the Heavenly angels smile
As in greatest joy they pass along your way.*

*The best wishes are ours to bring
As the distant tolling bells ring
The happiness and prosperity of every day
That this year the Hamilton family can bring your way.*

Our Thanks To Calvin Lunsford Who Composed Our Christmas Message To You...
